Introduction

Section 471.038, Florida Statutes, adopted by the legislature in 1997 as H433, created the Florida Engineers Management Corporation (FEMC) for the purpose of providing administrative, investigative, and prosecutorial services to the Florida Board of Professional Engineers (FBPE) by contract with the Department of Business and Professional Regulation (DBPR). Section 471.038(3)(1), Florida Statutes, requires the Corporation to submit to the Secretary of the Department of Business & Professional Regulation, the Florida Board of Professional Engineers, and the Florida Legislature, on or before October 1 of each year, a report on the status of the corporation, including but not limited to, information concerning the programs and funds that have been transferred to the Corporation. That same section also requires certain specific information regarding licenses and complaints handled by the Corporation. The following is the text of that report.

Between July 1, 2013 and June 30, 2014, FEMC has performed the following:

- Administered 42 meetings of the FBPE and FBPE committees;
- Published 4 Newsletters that were distributed to an average of 34,200 engineering licensees, and others, not including newsletters mailed through telephone and email requests;
- Renewed 58 licenses that included professional engineers and Certificates of Authorization for engineering firms;
- Issued 18 Certifications of Special Inspectors of threshold-type buildings;
- Issued 636 Certificates of Authorization to firms providing engineering services in the State of Florida;
- Provided 1,079 licensure verifications for engineers;
- Received 5,944 applications for licensure;
- Approved 1,377 applications for licensure;
- Denied 112 applications for licensure;
- For October of 2013 administered 1,069 Fundamentals of Engineering Examinations, of those 1,069 Fundamental of Engineering Examinations, 462 passed the examination, 224 failed the examination and 383 did not show up for the examination;
- For October of 2013 administered 527 Principles and Practice of Engineering Examinations, of those 527 Principles and Practice of Engineering Examinations, 237 passed the examination, 152 failed the examination and 138 did not show up for the examination;
- For the January-February 2014 CBT Window for the Fundamentals of Engineering examinations, 220 passed the examination, 79 failed the examination.

** In January 2014, NCEES moved to Computer Based Testing for the Fundamentals Examination. NCEES has contracted with a third party vendor to administer the exam. FEMC now approves the applicant but FEMC has no way of knowing when the applicant schedules to take the exam. The applicant has 12 months to take the exam anywhere in the US. All FEMC is made aware of is who passes and who fails the examination. The exam windows are for only two months at a time with one month off (January and February were exam windows and March they were closed).

- For April 2014 approved 509 candidates for the Principles and Practice examinations, of those 509 Principles and Practice of Engineering Examinations, 243 passed the examination, 137 failed the examination and 129 did not show up for the examination;

In support of the FBPE's effort to enforce the engineer licensing law, FEMC accomplished the following:

- Processed 113 complaints regarding engineering practice, of which 88 were found to be legally sufficient;
- Filed 15 Administrative Complaints in cases where the Probable Cause Panel found probable cause to believe a violation of the Engineering Practice Act had occurred;
- Issued 8 Reprimands;
- Issued 1 Suspensions;
- Issued 7 Probations;
- Issued 6 Project Reviews;
- Issued 1 License Restrictions;
- Required 8 engineers to successfully complete a course in Engineering Professionalism and Ethics;
- Required 9 engineers to successfully complete the Board's Study Guide on Laws and Rules;
- Imposed \$35,902.79 in Administrative Costs;
- Imposed \$17,500.00 in Administrative Fines;
- Received 2 Voluntarily Relinquishments;
- Received 2 Voluntarily Inactivations;
- Licenses Revoked - 0;
- Dismissed 1 cases at Board Meetings;
- Dismissed 30 cases with a finding of no probable cause;
- Dismissed 17 with letter of guidance to engineers;
- FBPE issued 14 Final Orders against Professional Engineers

Statutory Requirements

In response to various requirements of Section 471.038, Florida Statutes, the following attachments are provided:

- Section 471.038, Florida Statutes
This is the enacting legislation for the Florida Engineers Management Corporation and sets forth the requirements of FEMC.
- Board Members and Organizations of the Corporation
Attached is a copy of the Board's website Home Page, created by FEMC at www.fbpe.org to provide important information to the public and licensees. In addition to the names of the members of the FBPE and FEMC Board and staff organization, the web site also provides the most recent engineering rules and laws, links by search function to DBPR's current listing of registrants and engineering companies, information on how to file a complaint, most frequently asked questions, all current applications for examinations and license, newsletters published by the Board, Board meeting agendas and minutes, Board calendar for the year, and information on continuing education.

- **Contract**
Section 471.038(3)(i), Florida Statutes, requires that FEMC operate on an annual contract between DBPR and FEMC. Attached is a copy of the contract which is entitled “Agreement Between Florida Engineers Management Corporation and Department of Business and Professional Regulation”.
- **Charter and By-Laws**
Section 471.038(3)(1), F.S., requires approval of the Corporation’s articles of incorporation and bylaws by the Department and FBPE.
- **Annual Budget**
Section 471.038(3)(i)2., F.S., requires submission of an annual budget that has been approved by the FBPE and the DBPR. Attached please find a copy of the approved budget for the fiscal year 2014-2015.
- **Annual Certification**
Section 471.038(3)(i)3., F.S., requires that FEMC be certified by the FBPE and the DBPR that it is complying with the terms of the contract and in a manner consistent with the goals and purposes of the Board and the best interest of the State. A copy of that Certification is attached.
- **Annual Financial and Compliance Audit**
Section 471.038(3)(j), F.S., requires an annual finance and compliance audit of financial accounts and records by the independent certified public accountant. The audit for the period of July 1, 2013 through June 30, 2014 is attached.

For additional information concerning the Florida Engineers Management Corporation please contact Zana Raybon, President, by telephone at 850-521-0500, by facsimile at 850-521-0521, or by email at zraybon@fbpe.org.

Select Year: 2014

The 2014 Florida Statutes

[Title XXXII](#)[REGULATION OF PROFESSIONS AND OCCUPATIONS](#)[Chapter 471](#)[ENGINEERING](#)[View Entire Chapter](#)**471.038 Florida Engineers Management Corporation.—**

(1) This section may be cited as the “Florida Engineers Management Corporation Act.”

(2) The purpose of this section is to create a public-private partnership by providing that a single nonprofit corporation be established to provide administrative, investigative, and prosecutorial services to the board and that no additional nonprofit corporation be created for these purposes.

(3) The Florida Engineers Management Corporation is created to provide administrative, investigative, and prosecutorial services to the board in accordance with the provisions of chapter 455 and this chapter. The management corporation may hire staff as necessary to carry out its functions. Such staff are not public employees for the purposes of chapter 110 or chapter 112, except that the board of directors and the staff are subject to the provisions of s. [112.061](#). The provisions of s. [768.28](#) apply to the management corporation, which is deemed to be a corporation primarily acting as an instrumentality of the state, but which is not an agency within the meaning of s. [20.03\(11\)](#). The management corporation shall:

(a) Be a Florida corporation not for profit, incorporated under the provisions of chapter 617.

(b) Provide administrative, investigative, and prosecutorial services to the board in accordance with the provisions of chapter 455, this chapter, and the contract required by this section.

(c) Receive, hold, and administer property and make only prudent expenditures directly related to the responsibilities of the board, and in accordance with the contract required by this section.

(d) Be approved by the board, and the department, to operate for the benefit of the board and in the best interest of the state.

(e) Operate under a fiscal year that begins on July 1 of each year and ends on June 30 of the following year.

(f) Have a seven-member board of directors, five of whom are to be appointed by the board and must be registrants regulated by the board and two of whom are to be appointed by the secretary and must be laypersons not regulated by the board. All appointments shall be for 4-year terms. No member shall serve more than two consecutive terms. Failure to attend three consecutive meetings shall be deemed a resignation from the board, and the vacancy shall be filled by a new appointment.

(g) Select its officers in accordance with its bylaws. The members of the board of directors who were appointed by the board may be removed by the board.

(h) Select the president of the management corporation, who shall also serve as executive director to the board, subject to approval of the board.

(i) Use a portion of the interest derived from the management corporation account to offset the costs associated with the use of credit cards for payment of fees by applicants or licensees.

(j) Operate under a written contract with the department which is approved by the board. The contract must provide for, but is not limited to:

1. Submission by the management corporation of an annual budget that complies with board rules for approval by the board and the department.

2. Annual certification by the board and the department that the management corporation is complying with the terms of the contract in a manner consistent with the goals and purposes of the board and in the best interest of the state. This certification must be reported in the board’s minutes. The contract must also provide for methods and mechanisms to resolve any situation in which the certification process determines noncompliance.

3. Funding of the management corporation through appropriations allocated to the regulation of professional engineers from the Professional Regulation Trust Fund.

4. The reversion to the board, or the state if the board ceases to exist, of moneys, records, data, and property held in trust by the management corporation for the benefit of the board, if the management corporation is no longer approved to

operate for the board or the board ceases to exist. All records and data in a computerized database shall be returned to the department in a form that is compatible with the computerized database of the department.

5. The securing and maintaining by the management corporation, during the term of the contract and for all acts performed during the term of the contract, of all liability insurance coverages in an amount to be approved by the board to defend, indemnify, and hold harmless the management corporation and its officers and employees, the department and its employees, and the state against all claims arising from state and federal laws. Such insurance coverage must be with insurers qualified and doing business in the state. The management corporation must provide proof of insurance to the department. The department and its employees and the state are exempt from and are not liable for any sum of money which represents a deductible, which sums shall be the sole responsibility of the management corporation. Violation of this subparagraph shall be grounds for terminating the contract.

6. Payment by the management corporation, out of its allocated budget, to the department of all costs of representation by the board counsel, including salary and benefits, travel, and any other compensation traditionally paid by the department to other board counsel.

7. Payment by the management corporation, out of its allocated budget, to the department of all costs incurred by the management corporation or the board for the Division of Administrative Hearings of the Department of Management Services and any other cost for utilization of these state services.

8. Payment by the management corporation, out of its allocated budget, to the department of reasonable costs associated with the contract monitor.

(k) Provide for an annual financial audit of its financial accounts and records by an independent certified public accountant. The annual audit report shall include a management letter in accordance with s. [11.45](#) and a detailed supplemental schedule of expenditures for each expenditure category. The annual audit report must be submitted to the board, the department, and the Auditor General for review.

(l) Provide for persons not employed by the corporation who are charged with the responsibility of receiving and depositing fee and fine revenues to have a faithful performance bond in such an amount and according to such terms as shall be determined in the contract.

(m) Submit to the secretary, the board, and the Legislature, on or before October 1 of each year, a report on the status of the corporation which includes, but is not limited to, information concerning the programs and funds that have been transferred to the corporation. The report must include: the number of license applications received; the number approved and denied and the number of licenses issued; the number of examinations administered and the number of applicants who passed or failed the examination; the number of complaints received; the number determined to be legally sufficient; the number dismissed; the number determined to have probable cause; the number of administrative complaints issued and the status of the complaints; and the number and nature of disciplinary actions taken by the board.

(n) Develop and submit to the department, performance standards and measurable outcomes for the board to adopt by rule in order to facilitate efficient and cost-effective regulation.

(4) The management corporation may not exercise any authority specifically assigned to the board under chapter 455 or this chapter, including determining probable cause to pursue disciplinary action against a licensee, taking final action on license applications or in disciplinary cases, or adopting administrative rules under chapter 120.

(5) Notwithstanding ss. [455.228](#) and [455.2281](#), the duties and authority of the department to receive complaints and to investigate and deter the unlicensed practice of engineering are delegated to the board. The board may use funds of the Board of Professional Engineers in the unlicensed activity account established under s. [455.2281](#) to perform the duties relating to unlicensed activity.

(6) The department shall retain the independent authority to open or investigate any cases or complaints, as necessary to protect the public health, safety, or welfare. In addition, the department may request that the management corporation prosecute such cases and shall retain sole authority to issue emergency suspension or restriction orders pursuant to s. [120.60](#).

(7) Management corporation records are public records subject to the provisions of s. [119.07\(1\)](#) and s. 24(a), Art. I of the State Constitution; however, public records exemptions set forth in ss. [455.217](#) and [455.229](#) for records created or maintained by the department shall apply to records created or maintained by the management corporation. In addition, all meetings of the board of directors are open to the public in accordance with s. [286.011](#) and s. 24(b), Art. I of the State Constitution. The exemptions set forth in s. [455.225](#), relating to complaints and information obtained pursuant to an investigation by the department, shall apply to such records created or obtained by the management corporation only until an investigation ceases to be active. For the purposes of this subsection, an investigation is considered active so long as the

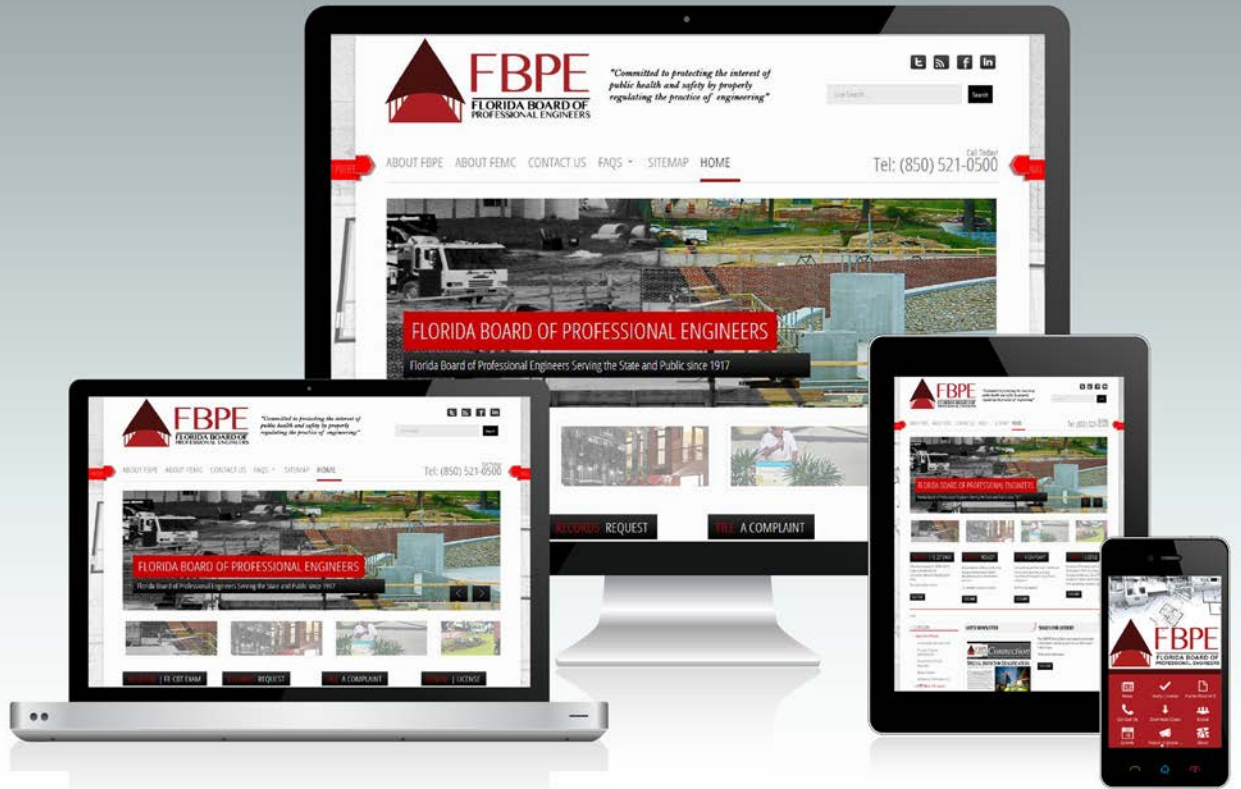

management corporation or any law enforcement or administrative agency is proceeding with reasonable dispatch and has a reasonable, good faith belief that it may lead to the filing of administrative, civil, or criminal proceedings. An investigation ceases to be active when the case is dismissed prior to a finding of probable cause and the board has not exercised its option to pursue the case or 10 days after the board makes a determination regarding probable cause. All information, records, and transcriptions regarding a complaint that has been determined to be legally sufficient to state a claim within the jurisdiction of the board become available to the public when the investigation ceases to be active, except information that is otherwise confidential or exempt from s. 119.07(1). However, in response to an inquiry about the licensure status of an individual, the management corporation shall disclose the existence of an active investigation if the nature of the violation under investigation involves the potential for substantial physical or financial harm to the public. The board shall designate by rule those violations that involve the potential for substantial physical or financial harm. The department and the board shall have access to all records of the management corporation, as necessary to exercise their authority to approve and supervise the contract.

(8) The management corporation is the sole source and depository for the records of the board, including all historical information and records. The management corporation shall maintain those records in accordance with the guidelines of the Department of State and shall not destroy any records prior to the limits imposed by the Department of State.

(9) The board shall provide by rule for the procedures the management corporation must follow to ensure that all licensure examinations are secure while under the responsibility of the management corporation and that there is an appropriate level of monitoring during the licensure examinations.

VERIFICATION OF LICENSURE FEE REMOVAL AND NCEES VERIFICATIONS

Effective July 28, 2014, there is no longer a fee associated with submitting licensure verifications to FBPE.

If you are a Professional Engineer seeking licensure in another state or are an Engineer Intern seeking verification of EI exams, you can complete verification requests by either going to NCEES directly or submitting a request to FBPE.

To request verification from NCEES directly, go to <https://verify.ncees.org/>. You can then select the Board to which you are submitting an application and complete the interactive form to submit your request.

To request licensure verification with FBPE, download our form located in the **Other Forms** section of our website under Licensure and follow the instructions. If you have any questions regarding the verification process please feel free to contact our office at 850-521-0500.

FE EXAM DIRECT REGISTRATION WITH NCEES NOW AVAILABLE

As of July 25, 2014, a candidate seeking to take the FE CBT Exam has two options for registration: direct registration with NCEES or pre-approval with FBPE. Please read the registration option details available in the Licensure section of our website very carefully. The State of Florida requires specific education requirements to obtain Engineer Intern certification or Professional Engineer licensure regardless of what registration option is selected.

CLICK HERE to access more detailed information about the FE Exam registration options and the application process.

We encourage you to contact us at (850)521-0500 or email to webmaster@fbpe.org regarding these requirements prior to registering for the FE exam or applying for the PE exam should you have any questions.

EFFECTS OF HB713 LEGISLATION MADE OFFICIAL BY GOVERNOR SCOTT

Friday, June 13, 2014, Governor Rick Scott signed HB 713 into Florida law, which revises the appointment of FBPE Board members, continuing education requirements, the retaking of the Fundamental (FE) and Principles and Practice (PE) examinations, and exemptions to taking the Fundamentals Examination. The following is a summary of the changes to be made to Chapter 471,

Florida Statutes - Engineering, effective July 1, 2014. PLEASE NOTE: the changes made to continuing education requirements will not take effect until March 1, 2015, and will not apply until the 2015-2017 biennial renewal.

Board Appointments

The Governor appoints members of the Board of Professional Engineering (Board) to four year terms and now HB 713 provides that professional and technical engineering societies may submit a list of recommended qualified nominees for appointment even though the Governor is not required to select a nominee from the list. Additionally, the composition of the nine (9) licensed professional engineers that comprise the Board is changed to require that the Board will always be comprised of PEs with civil, structural, electrical or electronic, mechanical and education expertise and that the Board member terms will be staggered after July 1, 2014 to assure continuity of service on the Board.

Continuing Education

Effective **March 1, 2015**, HB 713 requires a total of 18 continuing education course hours in order for licensed professional engineers to renew their licenses. Of the 18 hours, one must be related to the laws and rules of professional engineers, one must relate to professional ethics, and four must relate to the licensee's area of practice. The remaining hours may correlate to any topic pertinent to the practice of engineering. Four hours of the continuing education course hours may be obtained by being an officer for a Board-recognized professional or technical engineering society. The required hours relating to law, rules and ethics may also be earned by a PE serving as a member of the Legislature or as an elected state or local official. **Since the portion of the Bill relating to CE requirements does not take effect until March 1, 2015, the new CE requirements will not apply until the 2015-2017 biennial renewal.**

Retaking of the FE or PE Examination

HB 713 allows applicants for licensure as a professional engineer who have failed one of the licensure examinations three times are now permitted to take a Board-approved examination review course prior to retaking the examination. Additionally, the Bill provides that those applicants who are delayed in taking an examination due to reserve or active duty service in the United States Armed Forces or National Guard are allowed two additional attempts to take the examination before being required to obtain additional college course hours or examination review course credit.

Exemptions to Taking the Fundamentals Exam

Previously, Chapter 471, Florida Statutes provided an exemption for PE licensure applicants to forego taking the fundamentals examination if the applicant held an accredited doctorate in engineering or a doctorate in engineering and had at least three years of qualified teaching experience. HB 713 deletes both of these provisions related to applicants who hold doctorates in engineering.

To read the bill and all activity related to the proposed legislation change in its entirety, go to the Florida House of Representatives website at <http://www.myfloridahouse.gov/Sections/Bills/billsdetail.aspx?BillId=51807>. You can also view the current statutes and rules related to the practice of engineering on our website at <http://www.fbpe.org/legal/statues-and-rules>.

If you have any questions or concerns related to this proposed legislation or the current engineering laws and rules, feel free to email the Board at board@fbpe.org.

Florida Engineers Management Corporation

2014 Annual Report

FEMC & DBPR Agreement

**CONTRACTUAL SERVICES AGREEMENT #13-00008
BETWEEN
FLORIDA ENGINEERS MANAGEMENT CORPORATION
AND DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION**

This Agreement is made and entered into between the Florida Engineers Management Corporation, a not for profit Florida Corporation hereinafter referred to as "FEMC", and the Department of Business and Professional Regulation, hereinafter referred to as "Department", to set forth their mutual duties and responsibilities pursuant to Section 471.038, Florida Statutes.

I. Effective and Ending Dates

Contractual services shall begin on **July 1, 2013** or upon full execution of this Agreement, whichever is the later date, and shall end at midnight EDST on **June 30, 2017**, subject to annual funding appropriation by the Florida legislature.

II. Renewal

Subsection 287.057(13), F.S., provides that contracts for commodities or contractual services may be renewed on a yearly basis for a period of up to three (3) years after the initial contract, or for a period no longer than the term of the original contract, whichever period is longer, subject to the availability of funds, satisfactory performance evaluations by the Department, and at the discretion of the Department. This contract may be renewed for a period not to exceed the original term of this contract, subject to annual funding appropriation by the Florida legislature.

III. Purpose

FEMC was created pursuant to Section 471.038, Florida Statutes, to provide administrative, investigative and prosecutorial services to the Florida Board of Professional Engineers ("FBPE") in accordance with the provisions of Chapters 455 and 471, Florida Statutes. Section 471.038, Florida Statutes, requires that FEMC operate under a written contract with the Department, which is to be approved by the FBPE, to provide the above outlined services.

IV. Contract Monitor

The Department shall assign a Contract Monitor who shall ensure compliance with this Agreement and the provisions of Chapters 455 and 471, Florida Statutes. The Contract Monitor shall act as liaison between the Department and FEMC.

Upon request, FEMC shall allow the Contract Monitor complete and immediate access to all data and records maintained by FEMC, including but not limited to the following:

- All documents to be presented to the Probable Cause Panel, including an Agenda, at the same time the materials are provided to the Panel members.
- All documents to be presented to the FBPE for final action, at the same time the materials are provided to the board members.

FEMC shall notify the Contract Monitor of the following:

- Significant changes in management personnel;
- Significant communications with the Office of the Governor;
- Appellate action taken by a party in any disciplinary matter. FEMC is responsible for defending such appeals, but FEMC shall provide the initial brief and an outline of the proposed response and the supporting case law, to the Department's appellate attorney and the Contract Monitor, 48 hours prior to its submission of any responsive brief.
- Information that may be the basis for an emergency suspension or restriction of license or be of such a nature that FEMC believes it warrants referral for criminal prosecution. The Department is solely responsible for the issuance of any emergency suspension orders.

FEMC shall respond to requests from the Contract Monitor within seven (7) days or sooner if requested.

FEMC shall allocate payment out of its budget to the Department for reasonable costs associated with the contract monitoring. The Department will invoice FEMC quarterly for reimbursement costs associated with monitoring the contract.

V. Appointment of the Board Executive Director

FEMC shall select the President of the management corporation, who shall also serve as the Executive Director of the Board ("ED") subject to approval of the FBPE in accordance with Section 455.203(2), Florida Statutes. The Department shall be notified of the progress of any selection process for a President and be given an opportunity to comment on FEMC's potential selection.

VI. Scope of Services

FEMC's services shall apply to all licensees under the jurisdiction of the FBPE, including special inspectors of threshold buildings. It is FEMC's responsibility to render services in compliance with the requirements of Chapters 119 (public records), 286.011 (open meetings), and 120 (administrative procedures), Florida Statutes, as limited by Chapters 455 and 471, Florida Statutes.

FEMC shall operate under a fiscal year that begins on July 1 and ends at midnight EDST on June 30 of each fiscal year.

A. Administrative Services

Administrative services to be provided to the FBPE are the following:

- Performing agency clerk functions;
- Preparing required reports;
- Responding to requests for public records pursuant to Florida law;
- Processing applications for examination and licensure;
- Issuing initial licenses and notices of renewal;
- Renewing licenses;
- Collecting fees;

- Training new board members;
- Maintaining files;
- Maintaining inventory of FEMC property;
- Providing telecommunication systems;
- Providing a computer and licensing system pursuant to Section XIV, Technology;
- Providing examination services;
- Maintaining licensure records;
- Providing official certificates;
- Providing staff support services to the FBPE;
- Assisting as needed in rule promulgation;
- Scheduling, noticing, and planning FBPE meetings;
- Preparing FBPE agenda content including rulemaking, disciplinary, licensing and other official action of the FBPE relative to the police powers of the State of Florida exercised through the FBPE;
- Supporting the conduct of FBPE meetings;
- Recording and preparing minutes of FBPE meetings;
- Providing support to the probable cause panel; and
- Maintaining confidentiality of records as required by law.

B. Licensure Services

Licensure services to be provided to the FBPE are the following:

- Maintain licensure records, including historical licensure data and records of address changes, name changes and other licensure status changes;
- Issue initial licenses and Certificates of Authorization, subsequent to the FBPE's determination of eligibility for licensure, and provide official certification of licensure records in its custody;
- Issue renewal licenses to active and inactive engineers, special inspectors of threshold buildings, and business organizations holding Certificates of Authorization, based on information given to FEMC by the FBPE;
- Ensure compliance with continuing education requirements, in accordance with Sections 471.017, 471.0195, and 553.841, Florida Statutes;
- Provide renewal notices and pending cancellations of a license as required in Section 455.273, Florida Statutes; and
- Maintain and provide licensing information to licensees, prospective licensees and the public consistent with Florida and applicable federal law.

FEMC shall use the Department's licensure management system (Versa: Regulation) until such time as FEMC is authorized to develop and implement its own licensure management system. Both parties agree that information entered into Versa: Regulation may require the Department's assistance to retrieve. The Department will make all efforts to provide the information to FEMC in a timely manner. Both parties acknowledge that the use of the Versa: Regulation system allows for shared information. Both parties agree that certain information is

required to remain confidential under Chapter 455 and Chapter 119, Florida Statutes, including but not limited to social security numbers, unless otherwise provided by law, and complaint and investigation information as provided under Sections 455.225(10) and 471.038(7), Florida Statutes.

C. Test-related Services

Test-related services to be provided to the FBPE are the following:

- Provide to FBPE complete files of all applications of candidates seeking licensure;
- Schedule candidates for examination;
- Administer the examination provided by the National Council of Examinations for Engineers and Surveyors (NCEES), in accordance with Rule 61G15-21.001, Florida Administrative Code;
- Ensure examination security during the transportation of examinations and overnight storage of examinations;
- Ensure that sites are available to hold the examination, and ensure that there is an appropriate level of monitoring during the examination;
- Ensure that examination results are reported to the candidates;
- Ensure the preparation and administration of examinations in an applicant's native tongue if necessary pursuant to Section 455.218, Florida Statutes, and collect the necessary costs in the event it is determined by a court of competent jurisdiction that the FBPE is required to have the examinations translated;
- Provide for examination of foreign-trained professionals pursuant to Section 455.218, Florida Statutes, if required by a court of competent jurisdiction;
- Ensure necessary special accommodations including, but not limited to, compliance with Chapter 553, Part II, Florida Statutes, and Federal ADA requirements and religious considerations;
- Maintain and monitor a contract with a national testing vendor for the engineering examinations as required by Chapter 471, Florida Statutes, and as approved by the FBPE; and
- Ensure the adequacy of the examinations, the maintenance of examination records, and the compliance with all testing requirements of Section 455.217, Florida Statutes

D. Prosecutorial Services

Prosecutorial services to be provided for both licensed and unlicensed activity are the following:

- Coordinate with investigators;
- Review and take appropriate action on complaints;
- Prepare cases for presentation to probable cause panel;
- Prepare administrative complaints, notices of noncompliance and citations;
- Prosecute complaints at disciplinary hearings;
- Prosecute appeals;
- Maintain complaint database in the Versa: Regulation system;

- Report alleged criminal violations to the Department and appropriate authorities;
- Receive requests from the Department for the prosecution of cases opened and investigated by the Department;
- Report any action that may be considered for emergency suspension or restriction of practice to the Department for review and possible action;
- Review disciplinary guidelines; and
- Provide prosecutorial services at mediations.

FEMC must file a copy of all administrative complaints, final orders and notices of appeal (filed by any party) with the Department's Agency Clerk as soon as is practicable.

E. Investigative Services

Investigative services to be provided for both licensed and unlicensed activity are the following:

- Receive complaints;
- Interview complainants;
- Interview witnesses;
- Issue subpoenas;
- Interview subjects of complaints;
- Take sworn statements;
- Compile documentary evidence;
- Prepare investigative reports;
- Coordinate with prosecutors;
- Hire experts when necessary;
- Testify at hearings;
- Coordinate investigative activities with appropriate regulatory and law enforcement agencies; and
- Report any action that may be considered for emergency suspension or emergency restriction of practice to the Department for review and possible action.

F. Services not to be provided by FEMC

1. Except when providing those prosecutorial and investigative services set forth in this Agreement, FEMC shall not exercise the police powers inherent in the Department and the FBPE under Chapters 455 or 471, Florida Statutes, including determining probable cause to pursue disciplinary action against a licensee, taking final action on license applications or in disciplinary cases, or adopting administrative rules under Chapter 120, Florida Statutes. Prosecutorial servicing shall only be executed in the name of FBPE.
2. The responsibility for the supervision of this Agreement remains solely with the FBPE.

3. FEMC shall not perform any activities related to rulemaking, disciplinary, licensing and other official actions of the FBPE, except that FEMC staff may process the necessary paperwork for these activities at the direction of the FBPE.
4. Lobbying activities, in accordance with Section 216.347, Florida Statutes.
5. FEMC shall not issue emergency suspension or restriction orders.

G. Corrective Plans

FEMC shall develop corrective plans to respond to deficiencies that result in noncompliance with the performance standard provisions of Rule 61G15-37.001, Florida Administrative Code, or that result in noncompliance with this Agreement as determined by the Contract Monitor.

A corrective plan must include:

- A description of the deficiency;
- The impact of the deficiency;
- An action plan to correct the deficiency;
- The responsible individuals to implement the action plan;
- A time line for implementing the action plan that is consistent with the severity of the deficiency; and
- The estimated cost of implementing the corrective plan.

The corrective plan must be submitted electronically to the Contract Monitor within seven days of a request by the Contract Monitor and with the Quarterly report.

VII. Required Documentation

FEMC shall maintain documentation evidencing performance of its duties under this Agreement. Documentation showing the following must be maintained:

- A. Compliance with performance standards specified in Rule 61G15-37.001, Florida Administrative Code;
- B. Action taken on requests from the Contract Monitor, per Section IV, Contract Monitor, of this Agreement;
- C. Information related to disciplinary actions;
- D. Action taken regarding the failure of FEMC to comply with any provision of the Agreement;
- E. Legal cases in which FEMC has not been the prevailing party, to include copies of final orders and specify cases where attorney fees have been awarded;

- F. Establishment and implementation of corrective plans as required by Section VI (G.) of this Agreement;
- G. Expenditures and cash balances;
- H. Actual and projected monthly expenditures;
- I. Long-range estimates of the revenue required to carry out all provisions of law relating to the regulation of the profession, for a five year period as required in Sections 455.204 and 455.219 of the Florida Statutes; and
- J. Information related to licensure.

VIII. Deliverables

The following must be received timely and accepted by the Contract Monitor:

A. Monthly Report of Actual and Projected Expenditures

FEMC shall provide to the Contract Monitor, by the 15th day of each month or the closest business day after the 15th if the 15th falls on a weekend or a holiday, a spreadsheet report of all actual and projected expenditures for the contract period. The spreadsheet will be in a format approved by the Department.

B. Quarterly Reports

FEMC shall provide an electronic quarterly report, thirty (30) days after the close of each quarter, to the Contract Monitor and the FEMC Board of Directors, including the following:

1. The status of the performance standards adopted by Rule 61G15-37.001, Florida Administrative Code.
2. Compliance with priority referrals from the Contract Monitor, per Section IV, Contract Monitor, of this agreement.
3. Information regarding disciplinary actions as follows:
 - a. A list and status of all complaints made during this Agreement (open and closed, licensed and unlicensed). Status information should include:
 - The name of complainant;
 - The name and license number of subject;
 - The date of the complaint;
 - The alleged violation;
 - The last action taken; and

- The next appropriate action recommended.
- b. A list of all cases FEMC closed as legally insufficient since the last report;
 - c. A list showing the status of compliance with all final orders with pending provisions; and
 - d. A list of cases where the alleged violation is for unlicensed activity and the subject also holds a license with another profession within the Department.
4. Information regarding the failure of FEMC to comply with any provision of the Agreement.
 5. A list of all legal cases where FEMC has not been the prevailing party. The list must include copies of final orders and specify cases where attorney fees have been awarded.
 6. Corrective plans as required by Section VI(G.) of this Agreement.
 7. A detailed report of expenditures and cash balance, including information required by Section VII(G.) of this Agreement.
 8. Long-range estimates of revenue, as required by this Agreement (to be provided in the first quarterly report).
 9. A report which details the following information for the last completed quarter, with disciplinary information reported distinctly for licensed and unlicensed activity:
 - Number of license renewals;
 - Number of license applications received;
 - Number of licenses approved and denied;
 - Number of licenses issued;
 - Average time required to issue a license;
 - Number of examinations administered;
 - Number of applicants who passed or failed the examination;
 - Number of complaints received;
 - Number of complaints determined to be legally sufficient;
 - Number of complaints dismissed;
 - Number of complaints determined to have probable cause;
 - Number of administrative complaints issued and the status of the complaints; and
 - Number and nature of disciplinary actions taken by the FBPE.

C. Annual Report

On or before October 1, of each year (2013-2016), in accordance with Section 471.038(3)(m), Florida Statutes, FEMC shall submit to the Secretary of the

Department, the FBPE and the Legislature, a report on the status of FEMC. The report must include the following information, reported for the fiscal year ending June 30th of each year:

- Programs and funds that have been transferred to FEMC;
- Number of license renewals;
- Number of license applications received;
- Number approved, denied and issued licenses;
- Average time required to issue a license;
- Number of examinations administered and the number of applicants who passed or failed the examination;
- Number of complaints received, together with the number of complaints determined to be legally sufficient, how many were dismissed, how many were determined to have probable cause;
- Number of administrative complaints issued and the status of the administrative complaints;
- Number and nature of the disciplinary actions taken by the FBPE. These disciplinary numbers shall be distinct for licensed and unlicensed activity.

Receipt of reports by the Department shall not be construed to mean or imply acceptance of those reports. It is specifically intended by the parties that acceptance of required reports shall constitute a separate act. The Department reserves the right to reject reports as incomplete, inadequate, or unacceptable according to the parameters set forth in this contract. The Department, at its option, may allow additional time where the Contractor may remedy the objections noted by the Department.

D. Annual Certification

On or before October 1st of each year in accordance with Section 471.038(3)(j)2., F.S., FBPE and the Department shall review the performance of FEMC under the contract for each year ending June 30th (2013-2017). If it is determined that FEMC performed under that Agreement in a manner that is consistent with the goals and purposes of FBPE and in the best interest of the State, FBPE and the Department shall certify such. This certification shall be recorded in the FBPE minutes. Should the Department fail to certify FEMC by the aforementioned deadlines, FEMC shall be deemed certified. Upon a determination made by the FBPE and the Department at any time during the term of the Agreement that FEMC no longer operates for the benefit of the FBPE and in the best interest of the State, all monies and property held in trust by FEMC shall revert to the FBPE, or the State if the FBPE ceases to exist.

E. Audit

Evidence of FEMC's engagement of an independent certified public accountant to conduct an audit as required by this Agreement shall be provided to the Department no later than October 1st of each year.

F. Insurance & Bond

Proof of liability insurance and a performance bond, as required by Section 471.038(3)(j)5., Florida Statutes, and this Agreement.

G. Litigation Inventory Schedule

On or before September 15th of each year, FEMC shall submit an Agency Litigation Inventory Schedule, using the format shown in Attachment 6.

H. Budget

On or before June 1st of each year, FEMC shall submit a Proposed Budget for Grants and Aid and Proposed Budget for Unlicensed Activity for Fiscal Year 2013-2014, 2014-2015, 2015-2016 and 2016-2017, which shall be attached hereto collectively as Attachment 7, Proposed Budget.

I. Budget Transfer

On or before June 1st of each year, FEMC shall submit a proposed budget transfer of unexpended funds for the fiscal year ending June 30th (2014-2017). The proposed budget transfer shall be submitted to the Department's Director of the Office of Budget and Financial Management, with a copy to the Contract Monitor and FBPE. The Department shall either approve or deny the proposed budget transfer within seven (7) business days of receipt of the request. Failure to respond within seven (7) business days will constitute approval by the Department of the budget transfer. FEMC shall be responsible for submission of budget information requests and budget amendments to the Department on a timely basis.

J. Legislative Budget Request

FEMC shall submit to the Department a legislative budget request justifying any additional funding needs each Fiscal Year (2014-2017) as directed by the Department's Director of Budget and Financial Management.

IX. Financial Consequences

If FEMC fails to meet the minimum level of service or performance as identified in sections VI thru VIII of this contract, the Department will apply financial consequences commensurate with the deficiency. Financial consequences may include but are not limited to refusing payment, withholding payments until deficiency is cured, tendering only partial payments, applying liquidated damages to the extent that this contract so provides, imposition of penalties per Section X.

X. Financial Penalties for Failure to Take Corrective Action

A. Corrective action plans may be required for noncompliance, nonperformance, or unacceptable performance under this contract. Penalties may be imposed for failures to implement or to make acceptable progress on such corrective action plans.

- B. The increments of penalty imposition that shall apply, unless the Department determines that extenuating circumstances exist, shall be based upon the severity of the noncompliance, nonperformance, or unacceptable performance that generated the need for corrective action plan. The penalty, if imposed, shall not exceed ten percent (10%) of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made.
- C. Noncompliance involving the provision of service shall result in the imposition of a five percent (5%) penalty. Noncompliance as a result of unacceptable performance of administrative tasks shall result in the imposition of a two percent (2%) penalty.
- D. The deadline for payment shall be as stated in the Order imposing the financial penalties. In the event of nonpayment the Department may deduct the amount of the penalty from invoices submitted by the Contractor.

XI. Funding

- A. The total funding of this Agreement is **\$2,170,875.00 annually** and **\$8,683,500.00 for the contract period**, subject to appropriation and release by the Legislature. The Legislature has appropriated Two Million Seventy Thousand Dollars (**\$2,070,000.00**) allocated to the regulation of professional engineers and special inspectors of threshold buildings from the Professional Regulation Trust Fund to the first fiscal year of this agreement.

The Department has approved the use of One Hundred Thousand Eight Hundred Seventy-Five Dollars **\$100,875.00** from the unlicensed activity funds allocation for the first fiscal year of this contract. The unlicensed activity funds are to be utilized by the FBPE to perform the duties related to unlicensed activity pursuant to Chapter 455, Florida Statutes.

The Department's performance and obligation to pay under this Agreement is contingent upon the annual appropriation and release by the Legislature in a "grant and aids category."

- B. Method of Payment:

1. Payment Clause

(Fixed Price – Professional Regulation Trust Fund) The Department shall pay the contractor for delivery of service units provided in accordance with the terms of this contract for a dollar amount of \$517,500.00 per quarter, not to exceed a total of \$2,070,000.00 annually or **\$8,280,000.00 for the entire contract period**, subject to availability of funds.

An advance payment not to exceed 25 percent of the contract amount may be made as soon after July 1st of each fiscal year (2013-2017), as feasible. The remaining funding will be provided in equal payments on a quarterly basis beginning on or after October 1, January 1, and April 1 of each year (2013-2017).

In the event FEMC's expenses exceed its draw in any given quarter, and the cash balance available is insufficient to cover those expenses, FEMC may request an advance of funds, not to exceed Two Hundred Thousand Dollars (\$200,000.00). Advancement of funds is subject to the approval of budget release pursuant to sections 216.192(1) and 216.177(2)(a), Florida Statutes.

(Cost Reimbursement – Unlicensed Activity Funds) The Department shall reimburse FEMC for allowable expenditures incurred pursuant to the terms of this contract for a dollar amount not to exceed \$100,875.00 annually, subject to the availability of funds.

2. Invoice Requirements

(Fixed Price) FEMC shall request payment quarterly or as often as activity has been performed on behalf of the program through submission of a properly completed invoice within fifteen (15) days following the end of the quarter for which payment is being requested.

(Cost Reimbursement) FEMC shall request reimbursement on a monthly basis or as often as activity has been performed on behalf of the program through submission of a properly completed cost reimbursement invoice within fifteen (15) days following the end of the month for which reimbursement is being requested.

Payment may be authorized only for allowable expenditures on the invoice which are in accord with the limits specified in the line item budget. The approved line item budget may be modified only through amendment to the contract initiated by a written request that includes justification supporting the need for modification. Such modifications cannot be made retroactive to a date prior to the execution date of the formal amendment.

3. Supporting Documentation

(Fixed Price) Invoices shall include Deliverables as stated in Section VIII above. FEMC shall retain sufficient records documenting services provided so that an audit trail can be maintained.

(Cost Reimbursement) Reimbursement requests from FEMC for Unlicensed Activity expenditures will include supporting documentation for all requests. Examples include but are not limited to; for Professional Services Fees an actual invoice showing the service and amount due and copy of cleared check; for hardware or software an actual invoice and copy of paid check; for travel [e.g. bills for travel submitted in accordance with s.112.061, F.S.] actual invoices and copy of paid check; for office supplies, telephone calls, printing and postage actual invoices or a copy of supply orders, telephone bills, number of copies at per copy rate and number of mailings at postage rate; and for Administrative Services or Staff time, timesheets showing actual or estimated percentage of time spent, rate of pay and related payroll expenses applied. FEMC must maintain records documenting the expenditures so that an audit trail documenting the service provision is available.

XII. Revenue

- A. FEMC shall be responsible for the collection and processing of application and examination fees, initial licensure fees, active renewal fees, inactive renewal fees, delinquency and reactivation fees, reimbursement of administrative costs, fines, and other miscellaneous revenue. In accordance with Section 116.01, Florida Statutes, FEMC shall deposit all receipts to the State concentration account to the credit of the Professional Regulation Trust Fund not later than seven (7) working days from the close of the week in which FEMC received the funds. The Department will provide FEMC with sequentially numbered deposit slips. Each deposit slip must be accounted for. FEMC will stamp the back of all checks deposited with the endorsement contained in Attachment 1, Endorsement Stamp.
- B. All revenue collected by FEMC shall be entered using the appropriate "object code" listed in Attachment 4, Fee Codes.
- C. FEMC is responsible for collecting or earmarking out of current licensure fees the \$5.00 fee for unlicensed activity as provided for in Section 455.2281, Florida Statutes. Fees collected under Section 455.2281, Florida Statutes, may be used by the FBPE to perform duties relating to unlicensed activity as contemplated in Section 471.038(5), Florida Statutes, subject to appropriation by the Legislature and allocations made by the Department. This information shall be tracked by FEMC in Versa: Regulation.
- D. FEMC will have in place a method to collect checks written on insufficient funds ("bad checks"). Re-deposits of money from bad checks shall be made in accordance with the procedures stated in Attachment 5, Debit Memos Process Steps.
- E. FEMC shall maintain licensing fees that are not excessive but that are adequate to cover projected costs and maintain a 5% cash balance. If fees are excessive, the board may implement a waiver of license renewal fees for a period not to exceed two (2) years pursuant to Section 455.219, Florida Statutes.
- F. FEMC shall record and report accounts receivable (if any) pursuant to the Department's policy as provided in Attachment 8.
- G. Funds advanced to FEMC shall be deposited in a separate interest bearing account until the balance, not including the interest, is totally expended for the purposes allowed by the Agreement. All interest income attributable to or derived from funds advanced to FEMC shall be returned on a quarterly basis to the Department and will remain as cash to the credit of the FBPE within the Professional Regulation Trust Fund.
- H. All miscellaneous funds received by FEMC, such as from public records requests, shall be deposited to the credit of the FBPE within the Professional Regulation Trust Fund. This information shall be tracked and reported in the Quarterly Reports.

XIII. Expenditures

- A. Any incurred obligation of FEMC at June 30 of each year will be treated pursuant to the State's process as defined in Section 216.301, Florida Statutes. The funds will remain with FEMC for disbursement for all accounts payable on its books as of June 30th of each year. Any funds remaining with FEMC after the accounts payable have been certified will be returned to the Department no later than September 30th of each year and will remain as cash to the credit of the FBPE within the Professional Regulation Trust Fund. By July 16th of each year, FEMC will notify the Department of incurred obligations that were not disbursed by June 30th of each year in the manner provided in Attachment 9 , Year-End Incurred Obligations Procedure. In the event an appropriate identification of an incurred obligation is not made and an incurred obligation is proven to be legal, due and unpaid, then the incurred obligation shall be paid and charged to the current fiscal year contract funds.
- B. In accordance with Section 287.058(1)(a), Florida Statutes, FEMC will maintain all invoices pertaining to the daily operation of the corporation in its office with sufficient detail to enable the Department to monitor its expenditures. This documentation will be retained for a minimum of three years.
- C. The Department will charge the FEMC cash account for all costs of representation by board counsel, including salary and benefits, travel, and any other compensation traditionally paid by the Department to other board counsel; all costs incurred by FEMC or the FBPE for the Division of Administrative Hearings of the Department of Management Services and any other costs for utilization of these services; reasonable costs associated with the Contract Monitor of the Department; banking fees associated with the acceptance of credit cards; the service charge to General Revenue as provided in Chapter 215, Florida Statutes; and other allocated costs (including technology costs) incurred by the Department in support of the board pursuant to Section 455.219, Florida Statutes. If at any time, the FEMC cash account has a deficit or projected deficit, this Agreement will be amended to address the deficit.
- D. FEMC may provide for a bonus plan for Years 2013-2014, 2014-2015, 2015-2016 and 2016-2017 commensurate with what the legislature provides annually for state employees.
- E. FEMC shall comply with the Department of Financial Services Reference Guide for State Expenditures (the Reference Guide), available at: http://www.myfloridacfo.com/aadir/reference_guide/reference_guide.htm. (See also Attachment 10)
- F. FEMC shall apply the guidelines found in the Reference Guide for the state program to its use of credit cards.
- G. FEMC shall comply with s. 112.061, Florida Statutes, and the guidelines found in the Reference Guide for state travel expenses to its travel expenditures.

XIV. Technology

A. Versa: Regulation

All applications, licensure and disciplinary services shall utilize the Versa: Regulation system. The Department shall take full responsibility and liability for the security of records and data submitted by FEMC to the Versa: Regulation system. The Department shall make the Versa: Regulation system available to FEMC staff at all times that it is available to Department staff. All maintenance and support of the Versa: Regulation system will be performed by the Department.

B. Knowledge Champion

FEMC must designate a Knowledge Champion to serve as liaison with the Department regarding system-related issues, such as outages and hours of operation. The Knowledge Champion is required to attend scheduled change management meetings at the Department and to participate in user acceptance testing for system changes and upgrades. The Knowledge Champion will notify the Department of any problems with its utilization of the Versa: Regulation system via e-mail addressed to help@dbpr.state.fl.us. Department staff will address reported issues on the same schedule utilized for problems identified by Department staff.

XV. Insurance

A. Liability Insurance

FEMC will secure and maintain during the term of this Agreement and for all acts performed during the term of this Agreement, the insurance coverage required by Section 471.038(3)(j)5., Florida Statutes, as exemplified by Attachment 5 Certificate of Liability Insurance. The insurance must provide coverage to defend, indemnify, and hold harmless FEMC and its officers and employees, the Department and its employees, and the State, against all claims arising from state and federal laws in an amount to be approved by the FBPE. The Department and its employees and the State are exempt from and are not liable for any sum of money which represents a deductible, which sums shall be the sole responsibility of FEMC. FEMC will ensure that all of the insurers indicated on the insurance policies are qualified and do business with the State of Florida.

FEMC will secure and maintain all commercially available insurance to meet the requirements of Section 471.038(3)(j)5, Florida Statutes. Both parties acknowledge that Section 471.038(3)(j)5, Florida Statutes, does not require FEMC to obtain coverage for itself and the Department which is not obtainable for public policy reasons. However, if at any time it is determined that insurance becomes available which would otherwise be required under the statute, FEMC will immediately acquire such insurance. Failure by FEMC to secure and maintain the insurance coverage provided for in this paragraph or in violation of Section 471.038(3)(j)5, Florida Statutes, shall be grounds for terminating this Agreement.

B. Performance Bond

When applicable, FEMC shall provide for non-employees charged with the responsibility of receiving and depositing fee and fine revenues to have a faithful performance bond in the amount of Five Hundred Thousand Dollars (\$500,000.00), as required by Section 471.038(3)(j)5., Florida Statutes, and this Agreement.

XVI. Single Audit Act Requirements

The administration of funds awarded by the Department to FEMC may be subject to audits and monitoring by the Department. (See Attachment 3)

1. FEMC is a non-state entity as defined by Section 215.97(2), Florida Statutes.
2. Evidence of FEMC's engagement of an independent certified public accountant to conduct the audit shall be provided to the Department no later than October 1st of each 1 year. In addition to the requirements of Section 215.97, Florida Statutes, the audit report shall include a detailed supplemental schedule of expenditures for each expenditure category and a management letter, pursuant to Section 471.038(3)(k), Florida Statutes. The audit report must be submitted to the FBPE, the Department and Auditor General for review together with any other information requested by the Department, the FBPE, or the Auditor General. The Auditor General may, pursuant to his or her own authority or at the direction of the Legislative Auditing Committee conduct an audit of FEMC, and FEMC shall provide all requested information immediately upon request.
3. It is FEMC's sole responsibility to maintain its records in a fashion which will allow for an annual financial and compliance audit of its financial accounts and records by an independent certified public accountant, in accordance with generally accepted auditing standards.
4. Copies of reporting packages required by this Section shall be submitted by or on behalf of FEMC directly to each of the following:
 - a. Department of Business and Professional Regulation
ATTN: J. Yvette Pressley, Contract Monitor
Office of the General Counsel
1940 North Monroe Street
Tallahassee, FL 32399
 - b. State of Florida Auditor General
ATTN: David W. Martin
Room 401, Claude Pepper Building
111 West Madison Street
Tallahassee, FL 32399-1450
5. Any reports, management letters, or other required information to be submitted to the Department pursuant to this Agreement shall be

submitted timely in accordance with Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

6. FEMC, when submitting financial reporting packages to the Department for audits done in accordance with Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

XVII. General Provisions

A. Dispute Resolution

This Agreement shall be governed by and construed in accordance with the laws of Florida, and venue and jurisdiction for any disputes arising out of this Agreement shall be in the state courts of Leon County, Florida.

The parties agree that any disputes between the parties regarding their responsibilities under this Agreement or any provision of Florida law should be resolved as soon as possible at the lowest level possible in the most informal manner possible in order to conserve the resources of the parties. The parties agree to use their best efforts to assure speedy and non-confrontational resolution of any and all disputes. FEMC recognizes that the Department is mandated by Florida Statutes with the monitoring of FEMC's activities, and after consultation with the FBPE, has the authority to resolve disputes.

The parties agree to be responsible for their own attorney's fees and costs incurred in connection with disputes arising under the terms of this agreement.

B. Liability

Each party hereby assumes any and all risks of personal injury and property damage attributable to the acts or omissions of that party or its officers, employees, or agents. Furthermore, any claim of liability asserted against the Department is subject to the limitations of Section 768.28, Florida Statutes.

FEMC shall provide all necessary services to manage its own corporation, including but not limited to finance and accounting and personnel administration. FEMC shall make only prudent expenditures directly related to the responsibilities of the FBPE, and in accordance with this Agreement. FEMC shall maintain all records in accordance with the guidelines of the Department of State and shall not destroy any records prior to the limits imposed by the Department of State. FEMC shall maintain an approved Procurement Policy and Code of Ethics that governs its directors and employees.

FEMC employees and its Board of Directors are not public employees for the purposes of Chapters 110 or 112, Florida Statutes, except that the Board of Directors and the President of FEMC are subject to the provisions of Sections 112.061, 112.313(1)-(8) and 112.3135, Florida Statutes. The Department's

Office of Inspector General is authorized to perform duties related to members of the Board of Directors of FEMC and its President as set forth in Section 20.055, Florida Statutes, related to violations of Sections 112.061, 112.313(1)-(8) and 112.3135, Florida Statutes. Nothing herein shall prohibit FEMC from disciplining its directors and President or FBPE from taking appropriate action. The Executive Office of the Governor is authorized to impose the penalties cited in Section 112.317, Florida Statutes, for violations of Sections 112.313(1)-(8) and 112.3135, Florida Statutes, by members of FEMC's Board of Directors or its President.

C. Public Entity Crime

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty six (36) months from the date of being placed on the convicted vendor list.

D. Inspections and Corrective Action

FEMC shall permit all persons who are duly authorized by the Department to inspect and copy any records, papers, documents, facilities, goods and services of FEMC which are relevant to this contract, and to interview any clients, employees and subcontractors of FEMC to assure the Department of the satisfactory performance of the terms and conditions of this contract. Following such review, the Department will deliver to FEMC a written report of its findings, and may direct the development, by FEMC, of a corrective action plan where appropriate. FEMC hereby agrees to timely correct all deficiencies identified in the corrective action plan.

E. Notice of Legal Actions

FEMC shall notify the Department of legal actions taken against them or potential actions such as lawsuits, related to services provided through this contract or that may impact FEMC's ability to deliver the contractual services, or adversely impact the Department. The Department's contract manager will be notified within 10 days of FEMC becoming aware of such actions or from the day of the legal filing, whichever comes first.

F. Compliance with Laws and Rules

In performing its obligations under this contract, FEMC shall without exception be aware of any compliance with State and Federal laws, Florida Administrative Rules and Regulations relating to its performance under this contract, including but not limited to those described in this section of the contract.

G. Additional Requirements of Law, Regulation and Funding Source.

FEMC is required to comply with the following requirements, as applicable to its performance under this contract. FEMC acknowledges that it is independently responsible for investigating and complying with all State and Federal laws, rules and regulations relating to its performance under this contract and that the below is only a sample of the State and Federal laws, rules and regulations that may govern its performance under this contract.

1. Federal Law

Unauthorized aliens shall not be employed. The Department shall consider the employment of unauthorized aliens a violation of section 274A(e) of the Immigration and Nationality Act (8 U.S.C. 1324 a) and section 101 of the Immigration Reform and Control Act of 1986. Such violation shall be cause for unilateral cancellation of this contract by the Department.

Pursuant to Executive Order 11-116, signed on January 4, 2011, the Department shall require FEMC to:

- Utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by FEMC during the contract term; and
- Include in all subcontracts under this contract, the requirement that subcontractors performing work or providing services pursuant to this contract utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the subcontract.

E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found at http://www.dhs.gov/files/programs/gc_1185221678150.shtm.

2. Civil Rights Requirements

In accordance with Title VII of the Civil Rights Act of 1964, the Americans with Disabilities Act of 1990, or the Florida Civil Rights Act of 1992, as applicable FEMC shall not discriminate against any employee (or applicant for employment) in the performance of this contract because of race, color, religion, sex, national origin, disability, age, or marital status. FEMC agrees not to discriminate against any applicant, client, or employee in service delivery or benefits in connection with any of its programs and activities in accordance with 45 CFR 80, 83, 84, 90, and 91, Title VI of the Civil Rights Act of 1964, or the Florida Civil Rights Act of 1992, as applicable and DBPR Policy # 1002-0022, Unlawful Discrimination and Harassment. These requirements shall apply to all contractors, subcontractors, subgrantees or others with whom it arranges to provide services or benefits to clients or employees in connection with its programs and activities. FEMC shall complete the Civil Rights Compliance Checklist in accordance with

DBPR Policy # 1002-0022, Unlawful Discrimination and Harassment, and 45 CFR 80. This is required of all Contractors that have fifteen (15) or more employees. FEMC shall be responsible for and cover all costs for accommodating disabled persons in accordance with the Americans with Disabilities Act, as such accommodations pertain to the scope of services.

3. Use of Funds for Lobbying Prohibited

FEMC shall comply with the provisions of sections 11.062 and 216.347, F.S., which prohibit the expenditure of contract funds for the purpose of lobbying the Legislature, judicial branch, or a state agency.

4. Public Entity Crime and Discriminatory Contractors

Pursuant to sections 287.133 and 287.134, F.S., the following restrictions are placed on the ability of persons placed on the convicted vendor list or the discriminatory vendor list. When a person or affiliate has been placed on the convicted vendor list following a conviction for a public entity crime, or an entity or affiliate has been placed on the discriminatory vendor list, such person, entity or affiliate may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or the repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity; provided, however, that the prohibition on persons or affiliates placed on the convicted vendor shall be limited to business in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO (\$35,000) for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

5. Whistleblower's Act Requirements

In accordance with subsection 112.3187(2), F.S., FEMC and its subcontractors shall not retaliate against an employee for reporting violations of law, rule, or regulation that creates substantial and specific danger to the public's health, safety, or welfare to an appropriate agency. Furthermore, agencies or independent contractors shall not retaliate against any person who discloses information to an appropriate agency alleging improper use of governmental office, gross waste of funds, or any other abuse or gross neglect of duty on the part of an agency, public officer, or employee. FEMC and any subcontractor shall inform its employees that they and other persons may file a complaint with the Office of Chief Inspector General, Agency Inspector General, the Florida Commission on Human Relations or the Whistle-blower's Hotline number at 1-800-543-5353.

H. **Record Retention**

FEMC shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date the audit report is issued, and shall allow the Department, or its designee, access to such records upon request. FEMC shall ensure that audit working papers are made available

to the Department, or its designee, upon request for a period of three years from the date the audit report is issued, unless extended in writing by the Department.

I. Public Documents

Pursuant to Section 287.058, Florida Statutes, FEMC shall allow access to all documents, papers, letters or other materials as defined in subsection 119.011(12), F.S., as prescribed by subsection 119.07(1) F.S., made or received by FEMC in conjunction with this contract except that public records which are made confidential by law must be protected from disclosure.

- i. Unless exempted by law, all public records are subject to public inspection and copying under Florida's Public Records Law, Chapter 119, F.S. Any claim by FEMC of trade secret (proprietary) confidentiality for any information contained in FEMC's documents (reports, deliverables or workpapers, etc., in paper or electronic form) submitted in connection with this contract will be waived, unless the claimed confidential information is submitted in accordance with Section 28.b.
- ii. FEMC must clearly label any portion of the documents, data, or records submitted that it considers exempt from public inspection or disclosure pursuant to Florida's Public Records Law as trade secret. The labeling will include a justification citing specific statutes and facts that authorize exemption of the information from public disclosure. If different exemptions are claimed to be applicable to different portions of the protected information, FEMC shall include information correlating the nature of the claims to the particular protected information.
- iii. The Department, when required to comply with a public records request including documents submitted by FEMC, may require FEMC to expeditiously submit redacted copies of documents marked as trade secret in accordance with Section 28.b. Accompanying the submission shall be an updated version of the justification under Section 28.b, correlated specifically to redacted information, either confirming that the statutory and factual basis originally asserted remain unchanged or indicating any changes affecting the basis for the asserted exemption from public inspection or disclosure. The redacted copy must exclude or obliterate only those exact portions that are claimed to be trade secret. If FEMC fails to promptly submit a redacted copy, the Department is authorized to produce the records sought without any redaction of proprietary or trade secret information.
- iv. FEMC shall be responsible for defending its claim that each and every portion of the redactions of trade secret information is exempt from inspection and copying under Florida's Public Records Law.
- v. Subsection 215.985(16), F.S., requires the State's Chief Financial Officer to provide public access to a State contract management system. As a result the Department of Financial Services (DFS) developed a web-based system called the "Florida Accountability Contract Tracking System" (FACTS) that provides information and documentation about State government contracts to the public. A copy of this contract and any amendments, renewals, and extensions thereof will be posted in FACTS. FEMC shall notify the Department in writing if it intends to defend the confidentiality of such public

records through the completion of Attachment 2, "Affidavit – Notice of Trade Secret", to be submitted to the Department at the time of signature of this contract by FEMC. If not filed within such time, FEMC is deemed to have released the Department from liability for disclosure of the applicable public records.

- vi. The Department may cancel this Agreement without cost for refusal by FEMC to allow public access to all documents, papers, letters, or other material originated or received by FEMC in conjunction with the Agreement subject to the provisions of Chapter 119, Florida Statutes. Prior to such cancellation, the Department will provide FEMC with written notice and ten (10) days to cure.

J. Access to All Records

The Department Inspector General (IG), State Chief Financial Officer, and agency representatives shall be allowed access to all records.

K. Other Employment

FEMC shall not engage the services of any person or persons now employed by the State of Florida, including any department or subdivision thereof, to provide services relating to this Agreement without written consent of the employer of such person or persons and of this Department. Also, if FEMC is otherwise employed by the State of Florida during the term of this agreement, FEMC represents that FEMC has complied with all applicable provisions of Sections 216.262(1) (d) and 112.3185, Florida Statutes, and all applicable regulations regarding outside or dual employment and compensation.

L. Costs Incurred

FEMC shall be responsible for the acquisition of property, equipment, and supplies necessary to fulfill the requirements of this Agreement. Any leasing or reservation of space to perform this Agreement will be the sole responsibility of FEMC.

M. Modifications

Modifications of provisions of this contract shall be valid only when they have been reduced to a written amendment and duly signed by both parties.

N. Termination

Upon termination of this Agreement or revision thereof whereby FEMC no longer is approved to provide services as contemplated by this Agreement, all monies, records, data and property held in trust by FEMC for the benefit of FBPE shall revert to the FBPE or to the State of Florida if the FBPE ceases to exist. In the event of contract termination, FEMC shall be responsible for ensuring that all data relating to licensure and discipline can be converted for use on Department systems and FEMC is solely responsible for the cost of such conversion.

Failure to comply with any part of this Agreement shall be grounds for the Department to terminate this Agreement for default without prior notice or opportunity to cure.

O. Extensions

Pursuant to section 287.057(12), F.S., this contract may be extended for a period not to exceed six (6) months. Such extensions shall be valid only when they have been reduced to a written amendment and duly signed by both parties.

P. Entire Agreement

This Agreement and the following attachments constitute the entire Agreement of the parties:

- Attachment 1 - Certifications and Assurances
- Attachment 2 - Affidavit – Notice of Trade Secret
- Attachment 3 - Financial and Compliance Audit Form
- Attachment 4 - Fee Codes
- Attachment 5 - Debit Memo Process Steps
- Attachment 6 - Schedule VII: Agency Litigation Inventory
- Attachment 7 - Proposed Budget for Year Ending June 30, 2014 (Grants and Aid / Unlicensed Activity)
- Attachment 8 - Accounts Receivable and Write-Off Policies and Procedures
- Attachment 9 - Year-End Incurred Obligations Procedure
- Attachment 10 - Link to Department of Financial Services, Reference Guide for State Expenditures
- Attachment 11 - Certificate of Liability Insurance

No other agreement or modification to this Agreement, expressed or implied, shall be binding on either party unless same shall be in writing and signed by both parties. This Agreement may not be orally modified. Any modification must be in writing, expressly titled an amendment to this Agreement, attached to this Agreement, and signed by both parties.

IN WITNESS WHEREOF, the parties agree to all provisions and conditions of this Agreement.

DONE AND ORDERED this 2nd day of July, 2013.

- A. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS – PRIMARY COVERED TRANSACTION.**

The undersigned Contractor certifies to the best of its knowledge and belief, that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal department or agency;
2. Have not within a three-year period preceding this contract been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
3. Are not presently indicted or otherwise criminally or civilly charged by a government entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph A.2. of this certification; and/or
4. Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State, or local) terminated for cause of default.

If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall attach an explanation to this contract.

B. NON DISCRIMINATION & EQUAL OPPORTUNITY ASSURANCE (29 CFR PART 37 AND 45 CFR PART 80).

As a condition of this contract, the Contractor assures that it will comply fully with the nondiscrimination and equal opportunity provisions of the following laws:

1. Section 188 of the Workforce Investment Act of 1998 (WIA), (Pub. L. 105-220), which prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex national origin, age, disability, political affiliation, or belief, and against beneficiaries on the basis

of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or participation in any WIA Title I-financially assisted program or activity;

2. Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), as amended, and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 80), to the end that, in accordance with Title VI of that Act and the Regulation, no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Applicant receives Federal financial assistance from the Department.
3. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112) as amended, and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 84), to the end that, in accordance with Section 504 of that Act, and the Regulation, no otherwise qualified handicapped individual in the United States shall, solely by reason of his handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity for which the Applicant receives Federal financial assistance from the Department.
4. The Age Discrimination Act of 1975 (Pub. L. 94-135), as amended, and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 91), to the end that, in accordance with the Act and the Regulation, no person in the United States shall, on the basis of age, be denied the benefits of, be excluded from participation in, or be subjected to discrimination under any program or activity for which the Applicant receives Federal financial assistance from the Department.
5. Title IX of the Educational Amendments of 1972 (Pub. L. 92-318), as amended, and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 86), to the end that, in accordance with Title IX and the Regulation, no person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any education program or activity for which the Applicant receives Federal financial assistance from the Department.
6. The American with Disabilities Act of 1990 (Pub. L. 101-336), prohibits discrimination in all employment practices, including, job application procedures, hiring, firing, advancement, compensation, training, and other terms, conditions, and privileges of employment. It applies to recruitment, advertising, tenure, layoff, leave, fringe benefits, and all other employment-related activities, and;

The Contractor also assures that it will comply with 29 CFR Part 37 and all other regulations implementing the laws listed above. This assurance applies to the Contractor's operation of the WIA Title I – financially assisted program or activity, and to all agreements the Contractor makes to carry out the WIA Title I – financially assisted program or activity. The Contractor understands that the department and the United States have the right to seek judicial enforcement of the assurance.

D. CERTIFICATION REGARDING PUBLIC ENTITY CRIMES, SECTION 287.133, F.S.

The Contractor hereby certifies that neither it, nor any person or affiliate of the Contractor, has been convicted of a Public Entity Crime as defined in section 287.133, F.S., nor placed on the convicted vendor list.

The Contractor understands and agrees that it is required to inform the Department immediately upon any change of circumstances regarding this status.

E. ASSOCIATION OF COMMUNITY ORGANIZATIONS FOR REFORM NOW (ACORN) FUNDING RESTRICTIONS ASSURANCE (Pub. L. 111-117).

As a condition of this contract, the Contractor assures that it will comply fully with the federal funding restrictions pertaining to ACORN and its subsidiaries per the Consolidated Appropriations Act, 2010, Division E, Section 511 (Pub. L. 111-117). The Continuing Appropriations Act, 2011, Sections 101 and 103 (Pub. L. 111-242), provides that appropriations made under Pub. L. 111-117 are available under the conditions provided by Pub. L. 111-117. Note: As of June 20, 2011, this matter is in litigation in the District Court for the Eastern District of New York.

The Contractor shall require that language of this assurance be included in the documents for all subcontracts at all tiers (including subcontracts, sub-grants and contracts under grants, loans and cooperative agreements) and that all sub recipients and contractors shall provide this assurance accordingly.

F. SCRUTINIZED COMPANIES LISTS CERTIFICATION, SECTION 287.135, F.S.

If this contract is in the amount of \$1 million or more, in accordance with the requirements of section 287.135, F.S., the Contractor hereby certifies that it is not listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. Both lists are created pursuant to section 215.473, F.S.

The Contractor understands that pursuant to section 287.135, F.S., the submission of a false certification may subject the Contractor to civil penalties, attorney's fees, and/or costs.

If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall attach an explanation to this contract.

By signing below, the Contractor certifies the representations outlined in parts A through F above are true and correct.

ATTACHMENT 3
Financial and Compliance Audit Form

The administration of resources awarded by the Department of Business and Professional Regulation (Department) to the recipient may be subject to audits and/or monitoring as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the State's Chief Financial Officer or the Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

In the event the recipient expends \$500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this agreement indicates Federal resources awarded through the Department by this agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.

In connection with the audit requirements addressed in Part 1, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.

If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources.

(NOTE: If applicable, Department program office should address other miscellaneous matters affecting Part I audits, such as Web sites where information that would help facilitate the recipient's compliance can be obtained.)

PART II: STATE REQUIREMENTS

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this agreement indicates state financial assistance awarded through the Department by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

(NOTE: The Department program office should address other miscellaneous matters affecting Part II audits, *such* as Web sites where information that would help facilitate the recipient's compliance can be obtained.)

In the event the recipient expends \$500,000 or more in state financial assistance during its fiscal year, the recipient must have a State single or project-specific audit conducted in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. The recipient agrees to provide a copy of the single audit to the Department's Single Audit Unit and its contract manager. In the event the recipient expends less than \$500,000 in State financial assistance during its fiscal year, the recipient agrees to provide certification to the Department's Single Audit Unit and its contract manager that a single audit was not required. In determining the state

financial assistance expended during its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Children & Families, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

In connection with the audit requirements addressed in the preceding paragraph, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 or 10.650, Rules of the Auditor General.

The schedule of expenditures should disclose the expenditures by contract number for each contract with the department in effect during the audit period. The financial statements should disclose whether or not the matching requirement was met for each applicable contract. All questioned costs and liabilities due the department shall be fully disclosed in the audit report package with reference to the specific contract number.

PART III: REPORT SUBMISSION (N/A)

Copies of reporting packages for audits conducted in accordance with OMB Circular A-133, as revised, and required by PART I of this agreement shall be submitted, when required by Section .320 (d), OMB Circular A-133, as revised, by or on behalf of the recipient directly to each of the following:

FEDERAL RESOURCES AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

NOTE: If the resources awarded to the recipient represent more than one Federal program, provide the same information shown below for each Federal program and show total Federal resources awarded.

Federal Program (list Federal agency, Catalog of Federal Domestic Assistance title and number) - \$ (amount) N/A

COMPLIANCE REQUIREMENTS APPLICABLE TO THE FEDERAL RESOURCES AWARDED PURSUANT TO THIS AGREEMENT ARE AS FOLLOWS:

NOTE: If the resources awarded to the recipient represent more than one Federal program, list applicable compliance requirements for each Federal program in the same manner as shown below.

Federal Program:

List applicable compliance requirements as follows: N/A

1. First applicable compliance requirement (e.g., what services/purposes resources must be used for).
2. Second applicable compliance requirement (e.g., eligibility requirements for recipients of the resources).
3. Etc.

NOTE: Instead of listing the specific compliance requirements as shown above, the State awarding agency may elect to use language that requires the recipient to comply with the requirements of applicable provisions of specific laws, rules, regulations, etc. For example, for Federal Program 1, the language may state that the recipient must comply with a specific law(s), rule(s), or regulation(s) that pertains to how the awarded resources must be used or how eligibility determinations are to be made. The State awarding agency, if practical, may want to attach a copy of the specific law, rule, or regulation referred to.

SUBJECT TO SECTION 215.97, FLORIDA STATUTES:

NOTE: If the resources awarded to the recipient represent more than one State project, provide the same information shown below for each State project and show total state financial assistance awarded that is subject to Section 215.97, Florida Statutes.

State Project: Department of Business and Professional Regulation, Florida Engineers Management Corporation (FEMC) #79.001, \$2,170,875.00 annually.

COMPLIANCE REQUIREMENTS APPLICABLE TO STATE RESOURCES AWARDED PURSUANT TO THIS AGREEMENT ARE AS FOLLOWS:

The department has allotted \$100,875 from the unlicensed activity account established under s. 455.2281 to be used by the Board of Professional Engineers (FBPE) to perform the duties relating to unlicensed activity. FEMC shall provide administrative, investigative and prosecutorial services to FBPE in accordance with S. 471.038, F.S., and make only prudent expenditures directly related to the responsibilities of the board, and in accordance with the contract required by section 471.038, Florida Statutes.

FEMC shall not perform the following services:

- (1) Except when providing those prosecutorial and investigative services set forth in Section IV (D) and (E) of this Agreement, FEMC shall not exercise the police powers inherent in the Department and the FBPE under Chapters 455 or 471, Florida Statutes, including determining probable cause to pursue disciplinary action against a licensee.
- (2) Florida Administrative Code, taking final action on license applications or in disciplinary cases, or adopting administrative rules under Chapter 120, Florida Statutes. Prosecutorial servicing shall only be executed in the name of the Florida Board of Professional Engineers.
- (3) Any and all activities with relation to rulemaking, disciplinary, licensing and other official actions of the FBPE; except that FEMC staff may process the necessary paperwork for these activities at the direction of the FBPE.
- (4) Lobbying activities on behalf of the FBPE.
- (5) FEMC shall not have the authority to issue emergency suspension or restriction orders.

Office of Finance & Accounting – Revenue Accounting Section
Debit Memos Process Steps
As of September 22, 2009

Reference. Pursuant to Chapter 215.34 Florida Statutes, all checks, credit card payments and EFTs that are returned due to non-payment are sent back to the State Treasurer. The Treasurer processes the returned item as a debit memo and deducts the non-payment from the Agency's account that originally deposited the money. Each Agency has one account established that the money will be credited to. All DBPR debit memo is debited to AB&T Licenses.

- 1) **Receive Debit Memo.** A debit memo is received in Finance and Accounting (F&A) by the Accountant I, Revenue Accounting Section, RAS (Attachment I).

- 2) **Debit Memo.** Accountant I, RAS reviews debit memo to determine if it is a charge back (credit card), EFT or dishonored check (includes on-line payments) (Attachment I-A).

- 3) **Charge Back.** If the debit memo is for a charge back, it is given to Accountant III, RAS who provides a copy of the charge back to Supervisor of the Revenue Section of Central Intake to research (Attachment II).

- 4) **Debit Memo.** If the debit memo is for an EFT or dishonored check (excludes charge backs), the Accountant I, RAS will process the debit memo. The Accountant I, RAS will research check in LicenseEase to determine the Board number.

- 5) **Debit Memo System.** The Accountant I, RAS enters information into the debit memo system as outlined below (Attachment III):

- a) **Debit Memo System Automatically Assigns Accounts Receivable Number.** The Accountant I, RAS enters into the Debit Memo screen the debit memo number from the original Debit Memo document received from the Treasury (Attachment III – A). System will generate Accounts Receivable number for debit memo.

- b) **Additional Information Required.** Accountant I, RAS enters into the next screen the reason for dishonored payment, Board/Division and check number. (Attachment III - B).
 - c) **Update.** The Accountant I, RAS prompt to have the account added ("Add Accountant" prompt) (Attachment III – B).
- 6) **LicenseEase.** For each bad check/EFT, the file or license of the submitter must be flagged in LicenseEase to prevent further renewals until the debt has been paid (Attachment IV).

Attachment IV

- a) **Flags Record.** Accountant I, RAS enters validation #, year, board number, accounts receivable number and debit memo number in LicenseEase to Flag record.
- b) **Identify Letter Type.** Accountant I, RAS identifies the type of letter from among options available in License Ease as follows (Attachment V – A/D):
 - i) **Insufficient funds Payment - Beneficiary (Attachment V-A).**

Attachment V-A

- ii) **Paid in Full (Attachment V-B).**

Attachment V-B

- iii) **Partial Payment (Attachment V-D).**

Attachment V-D

- c) **Print Letter.** A letter is printed from LicenseEase. If the client does not possess a file # or license #, the Accountant I (RAS) will manually print the desired letter (see Attachment V-A/D for edits to be made as necessary).
- d) **FEMC Letter and Debit Memo.** If the bad check or EFT is for the Board of Professional Engineers, the original Letter and original copy of bad check is sent to the Board of Engineers.
- e) **Letter Printed From License Ease Verified.** The letter is printed from License Ease in F&A. The information printed on letter is verified and balanced to the bad check/EFT by the Accountant I, RAS. The letter is copied and distributed as identified below with the original letter being sent to the Licensee:

- i) Board or Program Area.
- ii) File.
- iii) Original letter sent to Licensee.
- iv) General Counsel's Office.

7) **File is Prepared.** A file folder is prepared for Client. The bad check or copy of EFT is placed in file along with a copy of the bad check letter.

8) **Nightly Processing.** Each night during nightly processing, LicenseEase runs the following programs:

- a) **Update Debit Memo System.** A program is run to update the Debit Memo with the Licensee's name and address for each Accounts Receivable number that was assigned in LicenseEase.
- b) **FTP File.** A program is run to create transaction 94's to reimburse AB&T for the debit memos that belong in other Boards/Programs (**Attachment VI**).

Attachment VI

9) **Review Debit Memos.** Each morning, the Accountant I, RAS receives an exception report from LicenseEase which lists any Accounts Receivables that could not update the Debit Memo System. The Accountant I, RAS manually enters any accounts Receivable that did not populate the Debit Memo System.

10) **Debit Memos.** After the Debit Memos are entered in the Debit Memo System and balanced. The Debit Memo documents received from Department of Financial Services are ta

11) **FTP File.** The Accountant IV, RAS receives an FTP file of Transaction 94's created by LicenseEase. See Debit Memo TR94 instructions.

12) **Note:** A new letter has been submitted as part of the Plain Language initiative (**Attachment VII**).

Attachment VII

Reference Charge Back Process Steps to Proceed with Charge Backs.

11.) Funds Received for Dishonored Payments:

a) **Payments Received:** Payments are opened and clocked in on the date of receipt in the Finance & Accounting office.

b) **Obtain AR#:** If the payment is received in the green envelope that was provided to each recipient of a dishonored letter, then the AR# is written on the lower left hand corner of the green return envelope. If the dishonored letter is provided, the AR# is printed on the face of the document. If neither the green envelope nor dishonored letter is provided then research is needed in order to find the AR#. (Example: search LicenseEase or Debit Memo system by name or license # if available.)

c) **Match payment to Letter:** The payment is then matched with the dishonored payment letter pertinent to each AR #. The Dishonored letters are filed by AR # in the dark blue filing cabinet in the Accountant I's office. Pertinent accounting information is included at the bottom of each letter. The balance due is broken down by object code showing how the funds are to be deposited. Information relevant to Board, File #, Year, and License # are also included at the bottom of the letter.

d) **Partial Payments Received:** Adjustments must be made to the accounting information at the bottom of the letter so that the deposit is made accurately. Hand written changes are made to the accounting information to show where to apply the partial payment. In addition, a statement requesting that the original payment remain flagged in LicenseEase is handwritten on the letter and a line must be drawn through the Year and Validation #.

Note: Prior to delivery of payment, amount of payment and date that payment is delivered to CIU, is written on the file folder pertaining to the payment.

e) **Delivery of Payments:** Payments with matching letters are hand carried to CIU - Revenue section for deposit.

TAXATION AND FINANCE FINANCIAL MATTERS: GENERAL PROVISIONS

215.34 State funds; noncollectible items; procedure.--

(1) Any check, draft, or other order for the payment of money in payment of any licenses, fees, taxes, commissions, or charges of any sort authorized to be made under the laws of the state and deposited in the State Treasury as provided herein, which may be returned for any reason by the bank or other payor upon which same shall have been drawn shall be forthwith returned by the Chief Financial Officer for collection to the state officer, the state agency, or the entity of the judicial branch making the deposit. In such case, the Chief Financial Officer may issue a debit memorandum charging an account of the agency, officer, or entity of the judicial branch which originally received the payment. The original of the debit memorandum shall state the reason for the return of the check, draft, or other order and shall accompany the item being returned to the officer, agency, or entity of the judicial branch being charged. The officer, agency, or entity of the judicial branch receiving the charged-back item shall prepare a journal transfer which shall debit the charge against the fund or account to which the same shall have been originally credited. Such procedure for handling noncollectible items shall not be construed as paying funds out of the State Treasury without an appropriation, but shall be considered as an administrative procedure for the efficient handling of state records and accounts.

(2) Whenever a check, draft, or other order for the payment of money is returned by the Chief Financial Officer, or by a qualified public depository as defined in s. 280.02, to a state officer, a state agency, or the judicial branch for collection, the officer, agency, or judicial branch shall add to the amount due a service fee of \$15 or 5 percent of the face amount of the check, draft, or order, whichever is greater. An agency or the judicial branch may adopt a rule which prescribes a lesser maximum service fee, which shall be added to the amount due for the dishonored check, draft, or other order tendered for a particular service, license, tax, fee, or other charge, but in no event shall the fee be less than \$15. The service fee shall be in addition to all other penalties imposed by law, except that when other charges or penalties are imposed by an agency related to a noncollectible item, the amount of the service fee shall not exceed \$150. Proceeds from this fee shall be deposited in the same fund as the collected item. Nothing in this section shall be construed as authorization to deposit moneys outside the State Treasury unless specifically authorized by law.

(3) When a county or municipal official or agency is acting for a state official or agency or the judicial branch in the collection of fees or other charges, the service fee collected under this section shall be retained by the collector of the fee.

RE: Dishonored EFT, Check, Credit Card Payment
Validation Number: 96005767
AR Number: 102248

Dear Sir or Madam:

The payment we received on your behalf has been returned to our office dishonored. Per section 215.34, Florida Statutes, you have seven (7) days from receipt of this notice to send a payment to replace the dishonored item plus a service charge described below.

If we do not receive your full payment, the department has the authority to take further action. In addition, the account information may be sent to a collection agent and an additional fee may be assessed.

Please send a cashier's check or money order in the enclosed envelope to expedite the repayment process. If you have any questions regarding this letter, please call (850) 487-9740.

Thank you for your prompt attention to this matter.

ADMINISTRATIVE POLICY/PROCEDURES

SUBJECT: Accounts Receivable and Write-Off Policies and Procedures	NUMBER: 1001-0003
EFFECTIVE DATE: June 1, 2008 REVISED DATE:	APPROVED BY: SECRETARY: 

PURPOSE

This policy establishes uniform guidelines and principles for the internal control, collection and write-off of accounts receivable held or administered by the divisions, boards, program areas or offices within the Department of Business and Professional Regulation (DBPR). Policies contained herein are designed to comply with applicable state laws, rules and regulations.

AUTHORITY

Sections 17.04, 17.20, 95.11, 455.224 and 561.501 Florida Statutes; 69I-21.003, Florida Administrative Code; Chief Financial Officer Memoranda No. 15 (1988-89)

DEFINITIONS

- A. Accounts Receivable - A record reflecting amounts due from applicants, vendors, contractors, employees or other liable parties for goods and services furnished by the Department, as well as, amounts assessed and due for final orders, consent orders, judgments or settlements.
- 1) Class A - Fines, investigative costs, interest, Recovery Fund reimbursement, or penalties imposed by final orders, consent orders or settlements. These amounts also include damages, interest, fees and reimbursements of cost for legal actions brought on behalf of the Department.
 - 2) Class B - Bad checks, NSF payments and related fees.
 - 3) Class C - Damages or other amounts because of an accident involving Department owned property and amounts due from vendors, contractors, or employees for goods and services. Additionally, any other accounts receivable not falling under Class A or B.
- B. Debt - An obligation to pay.

- C. Office of Finance and Accounting Procedures Manual - Procedures established to ensure proper controls, consistency and accountability of funds collected for the Department of Business and Professional Regulation.
- D. Fiscal Year - The State fiscal year covering the 12 month period from July 1 through June 30.
- E. Florida Accounting Information Resource (FLAIR) - The official accounting information system for the State of Florida. FLAIR was developed through the joint efforts of the Department of Financial Services (Office of Comptroller) and the Office of the Auditor General.
- F. Internal Controls - Policies and procedures established to provide reasonable assurance that specific objectives are achieved.
- G. Taxes Receivable - Taxes are not considered as receivables until a determination is made that the tax is actually due, but has not yet been paid. Therefore, under the classification of "Taxes Receivable", the following may be found: 1) taxes under litigation, pending court decision, 2) amounts erroneously underpaid by taxpayers that are expected to be collected, and 3) amounts reported due from the taxpayer, but not paid by the end of the reporting period (i.e. fiscal year end).
- H. State Treasury - The designated depository for all State funds.
- I. Trial Balance - A record containing all the accounts needed to reflect the financial position and the results of operations for the agency.
- J. Write-Off - An accounting adjustment reflecting the portion of an accounts receivable determined not collectible.
- K. LicenseEase - The DBPR internal licensing system.
- L. Allowance for Uncollectible Accounts - A valuation account used to indicate the portion of a receivable, which it is estimated, will never be collected. The establishment of an allowance account ensures that the agency's receivables are not overstated for financial statement purposes.
- M. Aging of Receivables - Classifying the account balances of all receivables by the amount not yet due or past due by varying lengths of time.
- N. Past Due Account - An account is past due if not paid within thirty (30) days after the due date. Past due dates may vary depending on policy and rule.
- O. Delinquent Account - An account in which one or more scheduled payments have not been made.
- P. Responsible Party - The Division, Board, Program Area, or Office owed an account receivable. For Class A accounts receivable, the Division, Board, or Program Area to which an account receivable is payable will be considered the responsible party. For Class B and Class C accounts receivable, the Office of Finance and Accounting will be considered the responsible party.

POLICY

This procedure provides a general description of the structure of the Department's accounts receivable function. The Office of Finance and Accounting is responsible for supervising accounts receivable.

When a Class A accounts receivable is delinquent, the responsible party will make a diligent effort to collect the account in compliance with Department policy. Where law requires specific collection efforts, the applicable division/board/program area shall establish written accounts receivable procedures. The Office of Finance and Accounting shall assist the divisions and boards in establishing written procedures for collection. The Office of Finance and Accounting and Office of the General Counsel shall approve these procedures. If such efforts fail to achieve collection, the responsible party will promptly refer the account for collection.

When a Class B accounts receivable is known to be delinquent, the Office of Finance and Accounting will make a diligent effort to collect the account in compliance with Department policy. Where law requires specific collection efforts, the Office of Finance and Accounting shall establish written accounts receivable procedures. The Office of the General Counsel shall approve these procedures. If such efforts fail to achieve collection, the Office of Finance and Accounting will promptly refer the account to the State Attorney or for collection.

When a Class C accounts receivable is known to be delinquent, the Office of Finance and Accounting will make a diligent effort to collect the account in compliance with Department policy. Where law requires specific collection efforts, the Office of Finance and Accounting shall establish written accounts receivable procedures. The Office of the General Counsel shall approve these procedures. If such efforts fail to achieve collection, the Office of Finance and Accounting will promptly refer the account for further legal action or collection.

I. General Description of the Structure of the Department's Accounts Receivable

The Department uses the LicenseEase system. This system is not an accounts receivable system, but is used for licensing professions and collection of receipts for other business areas of the Department. Daily cash receipt activity is transferred from LicenseEase to FLAIR, updating the Department's trial balance. Data from LicenseEase is used for account receivable detail ledgers, which will be provided to the Office of Finance and Accounting at fiscal year end. The Office of Finance and Accounting is responsible for maintaining the FLAIR accounts receivable balance recorded in the agency trial balance.

An adjustment to cash and revenue for returned checks is recorded in FLAIR at the time of occurrence. The Office of Finance and Accounting record the accounts receivable for returned checks in the FLAIR at fiscal year end.

II. Requirements for Detailed Receivable Records and Accounts Receivable

The Office of Finance and Accounting must maintain a record detailing the amounts due from applicants, vendors, contractors, employees or other responsible parties. Because of the number of accounts involved, it is important that procedures be implemented that maintain accounts efficiently and accurately. The responsible party shall establish a record of amounts and dates due. Although the form for the detail accounts will vary by type of obligation, at a minimum the following data is necessary:

- a. Responsible Party's Name
- b. Billing Address
- c. Social Security Number or Federal Employer Identification Number (if available)
- d. Name and Telephone Number of Division/Board/Program Contact Person
- e. Board/Division/Program Reference Number
- f. Date of Transaction
- g. Explanation of Transaction
- h. Source Document Number (Assigned by the Office of Finance and Accounting when the accounts receivable is entered in FLAIR)
- i. Amount Due
 - (1) Amount Assessed
 - (2) Adjustment Amounts
 - (3) Paid Amounts
 - (4) Write-Off Amounts
 - (5) Balance Due

Pre-audit procedures should be established by the responsible party to ensure the total of all amounts due, payments, and adjustments are recorded accurately. Monthly reconciliation is required to detect errors.

The Department shall develop and use an aging report indicating outstanding accounts receivable at thirty (30), sixty (60), ninety (90), and one hundred twenty (120) days from the date imposed.

III. Responsibility for Collection Records and Internal Controls

The Office of Finance and Accounting will develop a report to be used by the responsible parties indicating accounts receivable that are past due, eligible for referral for collection/referral to the State Attorney/ready for further legal action, and eligible for write-off. Whenever such report indicates that an amount owed is past due, the responsible party will create and maintain a record for collection efforts. The following data and documentation is necessary:

- a. Responsible Individual's or Company's Name
- b. Social Security Number or Federal Employer Identification Number (if available)
- c. Billing Address
- d. Phone Number
- e. Amount Due
 - (1) Original Amount Imposed
 - (2) Balance Owed on Date Account Became Past Due
 - (3) Payments Received After Account Became Past Due (if applicable)
- f. Demand Letter (if applicable)
- g. Final Notice (if applicable)
- h. Referral to State contracted collector (if applicable)
- i. Request for Write-off
- j. Authorization to Write-off

The respective division directors, board directors, and program leads will establish internal check procedures that will ensure that amounts owed are collected properly and fully, and that collections are properly remitted to the Office of Finance and Accounting for deposit into the appropriate fund within the State Treasury in accordance with the Office of Finance and Accounting Procedures Manual.

IV. Legal Considerations

A. Delinquent Accounts:

An account receivable becomes delinquent when payment is not received in accordance with conditions giving rise to the receivable. Thus, if payment is not made in an amount at least equal to that required or within the time specified for the account, such account is delinquent. The Department, however, declares an account "past due" if not paid within thirty (30) days of the due date. In all cases, the exercise of due diligence in collecting an account requires prompt notification of the account's overdue status to the liable party and request for payment.

B. Statute of Limitations:

Because of changes in applicable statutes and the complexity of applying the statutes to specific cases, the Department will not attempt to settle or write-off any account receivable without specific legal authorization from the Department of Financial Services, Chief Financial Officer or as may be specifically authorized by a law or rule relating to the debt giving rise to the receivable. If legal action is to be initiated by the department's legal counsel, or by the Department of Financial Services, Chief Financial Officer, the responsible division or district must not delay in referring the account for appropriate action or write-off authority.

The following citations are pertinent:

- (1) Section 95.11(2) (b), F.S., states "A legal or equitable action on a contract, obligation or liability founded on a written instrument" must be commenced within five years from the time the receivable is recognized.
- (2) Section 95.11(3), F.S., states "Within four years—an action founded on a statutory liability, penalty or forfeiture, fraud, or an action on a contract, obligation or liability not founded on a written instrument."
- (3) Section 95.11(4), F.S., allows a two-year period for "An action to recover wages or overtime or damages or penalties concerning payment of wages and overtime."

However, the Department takes no legal position as to which statute of limitations, if any, applies to a particular class of accounts receivable.

C. Write-Off Authority:

Except as otherwise provided by statute, the authority to adjust and settle accounts or debts owed to the state rests with the Chief Financial Officer (or

Department of Financial Services) under Section 17.04, F.S., and Chapter 69I-21, Florida Administrative Code (F.A.C.), Audit and Adjustment of Accounts and Recovery of Accounts Receivable. Corrections that reduce a fee by reason of error in the assessment or recording must not be regarded as a compromise, write-off or default. However, any such adjustments to the accounts must be supported by documents explaining the reason for the adjustment signed by the respective Division or Board Director or designee.

V. Collections vs. Write-Offs

Chapter 69I-21.003, F.A.C., has been adopted to enumerate policies and procedures for carrying out collection of delinquent accounts. The Department of Financial Services (DFS) has established a central debt collection service through the use of a contracted collector (currently General Revenue Corporation "GRC"), for agencies without statutory authority, to contract with a collector. Sending an uncollectible account to the contracted collector and requesting write-off are two (2) separate processes. When using the contracted collector, accounts to be referred for collection will be submitted, pursuant to Chapter 69I-21.003, F.A.C., and in accordance with the Department's collection policies and procedures. Requests for write-off must be submitted to DFS. An outstanding account can normally be sent to the contracted collector after six (6) months, whereas the account is generally outstanding for one (1) year in order to receive authorization from DFS for write-off. If collections are made on accounts that have been written off, the agency that requested the initial write-off would still receive the funds, and needs to record the monies in the year received. The agency will debit cash and credit the appropriate revenue account.

VI. Collection Efforts

Responsibility for collecting Class A accounts receivable rests with the pertinent division, board, or program area. The Office of Finance and Accounting will be responsible for pursuing Class B and Class C accounts receivable.

All outstanding Class A accounts receivable must be referred for collection within one hundred eighty (180) days of the due date. All outstanding Class B accounts receivable must be referred to the State Attorney or collection within one hundred eighty (180) days of the due date. All outstanding Class C accounts receivable must be referred for further legal action or collection within one hundred eighty days of the due date.

Before an account can be referred for collection, diligent effort should be made to collect the outstanding amount. Diligent effort can be demonstrated by any of the following:

Class A:

- a. Further administrative action against license held by liable party (if applicable).
- b. Suspension of license held by liable party (if applicable).
- c. Attempting to notify the liable party in writing that failure to pay may result in account being referred for collection.

Class B:

Attempting to notify the liable party in writing that failure to pay may result in account being referred for collection or sent to the State Attorney.

Class C:

Attempting to notify the liable party in writing that failure to pay may result in account being referred for collection or sent for further legal action.

VII. Request for Write-Off Authority

A. Class A accounts receivable

Class A accounts receivable can be written-off if the account has been outstanding for one (1) year from the due date and the responsible party previously referred it for collection.

After all prerequisites have been completed, and except as otherwise provided by statute, the responsible party will forward a request for write-off with documentation to the Office of Finance and Accounting. The Office of Finance and Accounting will forward the request with documentation to the Department of Financial Services in accordance with Chief Financial Officer Memorandum No. 15 (1988-89), Delinquent Accounts Receivable (See Attachment II) within thirty (30) days.

B. Class B accounts receivable

Class B accounts receivable can be written-off if the account has been outstanding for one (1) year from the due date and the responsible party previously referred it for collection/sent it to the State Attorney.

After all prerequisites have been completed, and except as otherwise provided by statute, the Office of Finance and Accounting will forward a request with documentation to the Department of Financial Services in accordance with Chief Financial Officer Memorandum No. 15 (1988-89), Delinquent Accounts Receivable (See Attachment II) within thirty (30) days.

C. Class C accounts receivable

Class C accounts receivable can be written-off if the account has been outstanding for one (1) year from the due date and the responsible party previously referred it for collection/sent it for further legal action.

After all prerequisites have been completed, and except as otherwise provided by statute, the Office of Finance and Accounting will forward a request with documentation to the Department of Financial Services in accordance with Chief Financial Officer Memorandum No. 15 (1988-89), Delinquent Accounts Receivable (See Attachment II) within thirty (30) days.

VIII. Follow-Up on Request for Write-Off Authority

If a request for authority to write off an account is not acknowledged, or a response received within ninety (90) days, the Office of Finance and Accounting will initiate an inquiry to the Office of the Chief Financial Officer. The Office of Finance and Accounting will provide any additional information requested by the Chief Financial Officer to act on the request. The Office of Finance and Accounting shall determine the cause of the delay and the probable clearance date.

IX. Recording the Write-Off

Upon receipt of the appropriate authorization from the Chief Financial Officer, the Office of Finance and Accounting will notify in writing the responsible party when the account is approved for write-off and provide a copy of the authorization. The Office of Finance and Accounting will record the write-off in FLAIR by reducing the accounts receivable and the appropriate adjustment to the allowance account. The responsible party will record the write-off in LicenseEase.

Year End Incurred Obligations Procedures Florida Engineers Management Corporation

Reference:

Section 216.301 (a) and (b), Florida Statutes, requires each state agency and the judicial branch to identify any incurred obligation which has not been disbursed as of June 30th. The amounts identified as incurred obligations must not exceed available appropriation balances by budget entity.

Any incurred amounts not disbursed by September 30th must be charged to the current fiscal year appropriation. If it is determined that there is not sufficient budget for any incurred items, payment will be made from the current fiscal year appropriation.

Incurred Obligations

Incurred obligations are items purchased and received by close of business on June 30th.

Incurred Obligation Process:

At the end of each fiscal year operational accounting entries for that year cease and a new fiscal year begins. Although the old fiscal year has ended, agencies may have legal obligations for which the prior fiscal year appropriation may be used.

Complete the incurred obligation spreadsheet entering the vendor name, contract (order) date, received date, original amount, amount paid as of June 30, certified forward amount (amount left to be paid), the paid date once the obligation has been paid and a brief description of the obligation,. The invoice number can be entered in the description field if available. The "Date Goods/Services Received" will be the date goods or services are actually received and the "Original Contract Date" will be the date the purchase order or contract is issued. The contract date and received date must be prior to July 1st.

On or about October 1 the spreadsheet must be resubmitted to the Contract Monitor with the date paid for each obligation.

Timelines:

- On or about July 16: incurred obligations to be processed as current fiscal year disbursements must be reported to the Contract Monitor using a spreadsheet provided by the Department.
- Incurred Obligations expire September 30th each fiscal year.
- On or about October 1 a final spreadsheet will be submitted to the Contract Monitor with all paid obligations noted in the "Date Paid" column.

Credit Card Payables:

Credit card payables must be accompanied by documentation demonstrating the payable was incurred (charged) and received prior to July 1.

BYLAWS

OF

FLORIDA ENGINEERS MANAGEMENT CORPORATION

ARTICLE I. NAME & LOCATION OF CORPORATION

The name of this corporation is Florida Engineers Management Corporation.

The corporation may have such corporate offices, anywhere within and without the state of its incorporation as the Board of Directors from time to time may appoint, or the business of the corporation may require. The “principal place of business” or “principal business” or “executive” office or offices of the corporation may be fixed and so designated from time to time by the Board of Directors.

ARTICLE II. PURPOSE

The purpose of this corporation is to transact any lawful business under the laws of the State of Florida as contemplated in Section 471.038, Florida Statutes, and the Articles of Incorporation.

ARTICLE III. MEMBERSHIP

Membership in the corporation shall, at all times, be limited to individuals appointed to membership as provided in Section 471.038, Florida Statutes, and who shall also serve as the Board of Directors. The power of appointment to membership, and the power to withdraw that appointment and rescind the membership, shall be set forth in Section 471.038, Florida Statutes.

Any member may resign by submitting a written resignation to the Board of Directors and to the Secretary of the Department of Business and Professional Regulation (the “Department”) and the Board of Professional Engineers; and thereupon such resignation shall become effective forthwith without need of any acceptance, unless otherwise specified therein.

Any member may be removed from membership as provided in Section 471.038, Florida Statutes.

ARTICLE IV. MEETING

Section A. Place Of Meetings

Meeting shall be held at the principal office or place of business of the corporation or at such other suitable place as may be designated by the Board of Directors.

Section B. Annual Meetings

An annual meeting shall be held on such day and date and at such time as may be expressly determined by a majority of directors. Notice of the annual meetings shall be given in writing to each director. The members may transact such business of the corporation as may properly come before them including the election of a Chairperson and a Vice-Chairperson, and election of officers. Notice of annual meetings shall also be provided to members of the public as required by Section 286.011, Florida Statutes.

Section C. Regular Meetings

Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the directors. Notice of regular meetings of the Board of Directors shall be given in writing to each director. Notice of all regular meetings shall also be provided to members of the public as required by Section 286.011, Florida Statutes.

Section D. Special Meetings

Special meetings of the Board of Directors may be called by the Chairperson by giving written notice to each director, which notice shall state the time, place, and purpose of the meetings. Special meetings of the Board of Directors shall be called by the president or secretary, in like manner and on like notice, on the written request of at least three directors.

Notice of all special meetings shall also be provided to members of the public as required by Section 286.011, Florida Statutes

Section E. Waiver Of Notice

Before or at any meeting of the Board of Directors, any director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. However, notice of meetings to members of the public that is required by Section 286.011 may not be waived. Attendance by a director at any meeting of the board shall be a waiver of notice by him or her of the time and place thereof. If all the directors are present at any meeting of the board, no notice to directors shall be required and any business may be transacted at such meeting. To the extent permitted by law, any lawful action of the Board of Directors may be taken without a meeting if written consent to such action is signed by all the directors and filed with the minutes of the board.

Section F. Quorum

At all meetings of the Board of Directors, a majority of the directors then serving shall constitute a quorum for the transaction of business, and the acts of the majority of the directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors, except where a larger number is required by law, Articles of Incorporation, or these Bylaws. If, at any meeting of the Board of Directors there is less than a quorum present, the majority of these present may adjourn the meeting from time to time. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted provided notice is given to members of the public as required by Section 286.011, Florida Statutes.

ARTICLE V. BOARD OF DIRECTORS

Section A. Number & Term Of Office

The affairs of the corporation shall be governed by a Board of Directors composed of seven (7) persons appointed as provided in Section 471.038, Florida Statutes. Appointments shall be for 4-year terms, and no member shall serve more than two consecutive terms. The term of the directors named in the Articles of Incorporation shall expire when their successors have been appointed and have been duly qualified. Directors shall hold office until their successors have been appointed and qualified.

Section B. Governing Powers

The Board of Directors shall have all powers and duties necessary or appropriate for the administration of the affairs of this corporation and may do all such acts and things as are by law or by the Articles of Incorporation or by these Bylaws directed to be exercised and done by the members.

Section C. Vacancies

Vacancies in the Board of Directors shall be filled by appointment as provided in Section 471.038, Florida Statutes.

Section D. Compensation

Compensation shall be paid to directors for their services in accordance with Section 112.061, Florida Statutes. Directors, officers, and employees shall be reimbursed for expenses incurred by them in the performance of their duties in accordance with Section 112.061, Florida Statutes.

ARTICLE VI. OFFICERS

Section A. Authorized Officers

The principal officers of the corporation shall be a president, a secretary and a treasurer, and there may be one or more vice presidents, all of whom shall be elected by the Board of Directors. No two offices, except those of secretary and treasurer, may be held by the same person. The directors may appoint an assistant secretary and assistant treasurer, and such other officers as in their judgment may be necessary.

Section B. Election of Officers and Chairpersons.

The officers of the corporation and the Chairperson and Vice-Chairperson of the Board of Directors shall be elected annually by the Board of Directors at its annual meeting. Unless sooner removed by the Board, the officers and chairs shall serve for a term of one year and until their successors are elected and shall qualify. Any vacancies occurring in offices or chairs shall be filled by the Board of Directors, from time to time. The Board of Directors shall appoint such temporary or acting officers or chairs as may be necessary during the temporary absence or disability of the regular officers or chairs.

Prior to each annual meeting of the Board of Directors, the Chair and Vice-Chair shall meet for purposes of developing recommendations for the election, or re-election, of officers and chairs. Notice of the meeting shall be provided to members of the public as required by Section 286.011, Florida Statutes.

Section C. Removal

Upon an affirmative vote of a majority of the members of the Board of Directors, any officer may be removed, either with or without cause, and his or her successor elected at any regular meeting of the Board of Directors or at any special meeting called for such purpose.

Section D. President

The president shall be the chief executive officer of the corporation. He or she shall have all the general powers and duties which are usually vested in the office of president of a corporation.

Section E. Vice President

There may be one or more vice presidents, as the Board of Directors shall from time to time determine. In the absence or disability of the president, the first vice president, shall perform the duties and exercise the powers of the president. The vice president shall also perform such other duties as shall be prescribed by the Board of Directors.

Section F. Secretary

The secretary or his or her designee shall keep the minutes of all meetings of the Board of Directors, of the membership, and of the Executive Committee. He or she shall have custody of the seal of the corporation, and of such other books and records of the corporation as the Board of Directors may provide. He or she shall perform the duties and functions customarily performed by the secretary of a corporation together with such other duties as the Board of Directors may prescribe.

Section G. Treasurer and Comptroller

The treasurer shall have custody of the corporate funds and securities, and shall keep full and accurate account of all receipts and disbursements in books belonging to the corporation and

shall deposit all moneys and other valuable effects in the name of and to the credit of the corporation in such depositories as may be designated by the Board of Directors. He or she shall disburse the funds of the corporation as may be ordered by the Board of Directors, taking proper vouchers for such disbursements, and shall render an account of all his or her transactions as treasurer and of the financial condition of the corporation whenever called upon to do so.

ARTICLE VII. AMENDMENTS

Except as otherwise required by law, these Bylaws may be amended at any regular meeting of the Board of Directors or at any special meeting called for that purpose, provided that written notice of the proposed amendment shall have been given at least ten (10) days prior to such meeting.

ARTICLE XIII. CORPORATE SEAL

The Board of Directors shall provide a suitable corporate seal containing the name of the corporation, which seal shall be in the charge of the secretary. If so directed by the Board of Directors, a duplicate seal may be kept and used by the treasurer or any assistant secretary or assistant treasurer.

ARTICLE IX. FISCAL MANAGMENT

Section A. Fiscal Year

The fiscal year of the corporation shall begin on the first day of July of every year, except that the first fiscal year of the corporation shall begin at the date of incorporation.

Section B. Auditing & Reports

At the close of each fiscal year, the books and records of the corporation shall be audited. The president of the corporation shall cause to be prepared annually a full and correct statement of the affairs of the corporation, including a balance sheet and financial statement of operations

for the preceding fiscal year. Such audit shall comply with the requirements of Section 471.038(3)(k), Florida Statutes, and be submitted to the Board of Directors, the Department, and the Auditor General for review.

Section C. Execution Of Corporate Documents

With the prior authorization of the Board of Directors, all contracts shall be executed on behalf of the corporation by either the president or any other officer that has been delegated such authority in writing. All notes or checks shall be executed on behalf of the corporation by at least two of the following officers of the corporation: president, vice president, secretary, or treasurer.

Section D. Fidelity Bonds

The Board of Directors may require that all officers and employees of the corporation having custody or control funds furnish adequate fidelity bonds. The premiums on such bonds shall be paid by the corporation.

Section E. Indemnity

Each officer, director, employee or agent of the corporation shall be indemnified by the corporation in the manner and to the extent provided in Sections 617.0831 and 607.0850, Florida Statutes.

Approved and adopted as the Bylaws of the Corporation this 16 day of June
2010.

MANAGEMENT LETTER

Board of Directors
Florida Engineers Management Corporation
Tallahassee, Florida

We have audited the financial statements of Florida Engineers Management Corporation (the Corporation) as of and for the fiscal year ended June 30, 2014, and have issued our report thereon dated September 8, 2014.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. We have issued our Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditor's Report on Compliance for Each Major State Project and on Internal Control Over Compliance Required by Chapter 10.650, Rules of the Auditor General, and Schedule of Findings and Questioned Costs. Disclosures in those reports and schedule, which are dated September 8, 2014, should be considered in conjunction with this management letter.

Additionally, our audit was conducted in accordance with Chapter 10.650, Rules of the Auditor General, which required disclosure in the management letter of violations of provisions of contracts or grant agreements, illegal acts, or abuse, that have an effect on the financial statements or state project amounts that is less than material but more than inconsequential. In addition, for matters that have an inconsequential effect on the financial statements or state project amounts, considering both quantitative and qualitative factors, the following may be reported based on professional judgment: (1) violations of provisions of contracts or grant agreements, fraud, illegal acts, or abuse, that have occurred, or are likely to have occurred, and (2) deficiencies in internal control that are not significant deficiencies. In connection with our audit, the following matters are required to be disclosed:

PRIOR YEAR AUDITOR'S OBSERVATIONS AND RECOMMENDATIONS

Image Server Backups

Observation/Recommendation:

During our review of backup and backup procedures of the image server, which houses its images of licensing documents, we noted that backups are stored on-site with no provision for off-site storage.

We recommend the Corporation establish provisions for transmitting copies of image server backups to an offsite location for storage. The document images housed on the image server contain confidential and sensitive information; therefore the off-site backups should be transmitted and stored in a secure fashion. The frequency of cycling backups off-site should be determined based on risk and cost, but the Corporation should consider taking backups off-site at least weekly.

Management's Response and Planned Corrective Actions:

The Corporation purchased two 4 TB external hard drives in July 2013, one of which will be used to cycle server backups to an off-site location. The backup location and frequency are still to be determined.

Current Year Status

See Current Year Observations and Recommendations

Windows Active Directory Access

Observation/Recommendation:

During our review of Windows Active Directory, we noted there was no suitable mechanism in place to periodically monitor the appropriateness of network access permissions in Active Directory. We requested a list of users registered in Active Directory from the Corporation's service provider and received a list of user groups and permissions, but the list did not identify the individual users who were assigned to the groups. The report should identify users, if any, with direct access permissions to network resources that is independent of group access.

We recommend the above mentioned Active Directory access permissions be reviewed periodically, which would provide increased assurance that inappropriate or unnecessary access permissions will be timely detected and corrected, therefore reducing the risk of inappropriate access to the Corporation's data and IT resources, should they exist.

Management's Response and Planned Corrective Actions:

The Corporation will request a list of Active Directory users and their access privileges from the service provider.

Current Year Status

Similar conditions were noted in the current year. Corporation staff does not receive reports that would facilitate a periodic review of active directory users' access privileges. See Current Year Observations and Recommendations.

Windows Active Directory Password Controls

Observation/Recommendation:

During our review of Windows Active Directory password settings, we noted that password complexity requirements were not being system enforced when users log on to the network. Active Directory had not been configured to enforce requirements for minimum length and complexity of passwords, minimum and maximum password age, or password history.

We recommend defining a password policy for network users that provides for strong passwords that are changed on a periodic basis. The policy should include a requirement for the use of complex passwords composed of at least three character sets (e.g. alphabetic, numeric, and special characters). We also recommend requesting from the service provider to configure its network to enforce the password policy. Windows Active Directory provides functionality for enforcing password controls.

Management's Response and Planned Corrective Actions:

The Corporation requested the password policies be enforced on the network via the domain controller. The service provider has enabled settings for password change, expiration, and history.

Current Year Status

No similar instances were noted in the current year.

Cash Receipts

Observation/Recommendation:

During our testing of a sample of cash receipts, we noted several instances in which the deposit was not made within seven working days from the close of the week in which the funds were received, as required per the Corporation's contract.

We recommend all deposits are made in a timely manner, not only to comply with the contractual requirements, but also to reduce the risks of loss or misappropriation.

Management's Response and Planned Corrective Actions:

The Corporation will ensure future deposits are made within the above mentioned required time frame.

Current Year Status

See Current Year Observations and Recommendations

CURRENT YEAR OBSERVATIONS AND RECOMMENDATIONS

Image Server Backups

Observation/Recommendation:

Our current review disclosed that the Corporation has not yet begun storing copies of image server backups at an offsite location.

We continue to recommend the Corporation establish provisions for the secure transmission of image server backups to an offsite location for storage.

Management's Response and Planned Corrective Actions:

An off-site storage location is available to the Corporation and routine cycling of image server backups will be implemented.

Windows Active Directory Access

Observation/Recommendation:

Our current review disclosed that there was still no review being performed by Corporation staff of access permissions in Active Directory. Upon our inquiry, Corporation staff stated that there was not an Active Directory report available to them that could be used to review access on a periodic basis.

The Corporation's IT service provider monitored Active Directory access permissions, especially when turnover in Corporation staff occurred. Nevertheless, the Corporation, as the owner of its data and IT resources, should periodically review network access permissions to ensure that appropriate network access is sustained over time and to ensure the accountability of the IT service provider in administering the access permissions.

We recommend that the Corporation obtain and periodically review a system generated report identifying all individual users with access permissions in Active Directory, the groups to which the users belong, and the group permissions. The report should also identify users, if any, with direct access permissions to network resources that are independent of group access.

Management's Response and Planned Corrective Actions:

The Corporation will request that their service provider develop and periodically provide the Corporation with a system generated report that identifies all individual users with access permissions in Active Directory, the groups to which the users belong, and the group permissions.

Cash Receipts

Observation/Recommendation:

During our testing of a sample of cash receipts, we noted that, for 20% of our sample, in which the deposit was not made within seven working days from the close of the week in which the funds were received, as required by the Corporation's contract.

We recommend all deposits be made at least twice a week, such as on Tuesdays and Fridays, or as often as necessary due to a high volume of cash receipts, not only to comply with the contractual requirements, but also to reduce the risks of loss or misappropriation.

Florida Engineers Management Corporation
Page Six

Management's Response and Planned Corrective Actions:

The Corporation will make it policy to deposit cash receipts on Tuesdays and Fridays. Additionally, the Corporation will inquire about obtaining a check scanner which will allow deposits to be made at the office and eliminate the need to physically deposit cash receipts.

Pursuant to Chapter 119, *Florida Statutes*, this management letter is a public record and its distribution is not limited. Auditing standards generally accepted in the United States of America require us to indicate that this letter is intended solely for the information and use of management of Florida Engineers Management Corporation and others within the organization, the Florida Auditor General, and the State of Florida Department of Business and Professional Regulation, and is not intended to be and should not be used by anyone other than these specified parties.

We have audited the financial statements of Florida Engineers Management Corporation (the Corporation) for the year ended June 30, 2014, and have issued our report thereon dated September 8, 2014. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated June 10, 2014. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Corporation are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended June 30, 2014. We noted no transactions entered into by the Corporation during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

- Management's estimate of the depreciation computed is based on using the straight-line method over the estimated useful lives of assets. We evaluated the key factors and assumptions used to develop the above-mentioned estimate in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. The following material misstatements detected as a result of audit procedures were corrected by management:

1. An audit adjusting entry to reclassify \$12,727 in disbursements to Prepaid Expenses since they are for services that will be rendered in the fiscal year ending June 30, 2015.
2. An audit adjusting entry to reclassify \$5,833 in Prepaid Expenses to current year expense since they are for services that were rendered in the fiscal year ending June 30, 2014.
3. An audit adjusting entry of \$10,732 to remove fixed assets no longer in service.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the client representation letter dated September 8, 2014.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Corporation's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

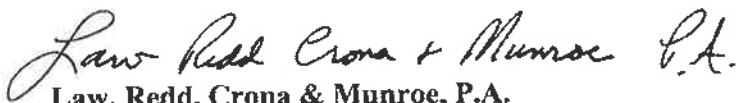

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Corporation's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the State of Florida, the Florida Board of Professional Engineers and management of Florida Engineers Management Corporation, and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Report on the Financial Statements

We have audited the accompanying basic financial statements of Florida Engineers Management Corporation (the Corporation) (a nonprofit organization and component unit of the State of Florida) which comprise the statement of net position as of June 30, 2014 and 2013, and the related statements of revenues, expenses and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Florida Engineers Management Corporation as of June 30, 2014 and 2013, and the changes in its net financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 4 through 7 be presented to supplement the financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Boards, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of state financial assistance, as required by Chapter 10.650, Rules of the Auditor General of the State of Florida, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 8, 2014 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Florida Engineers Management Corporation's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the annual financial report of the Florida Engineers Management Corporation (the Corporation) presents management's discussion and analysis of the Corporation's financial performance during the fiscal years ending June 30, 2014 and 2013. It should be read in conjunction with the Corporation's financial statements immediately following this section.

Background and Funding Information

The Florida Engineers Management Corporation (FEMC) is a nonprofit corporation created by passage of Chapter 97-312, Laws of Florida, Section 471.038, *Florida Statutes*, during the 1997 Florida Legislature. Its purpose is to provide administrative, investigative and prosecutorial services to the Florida Board of Professional Engineers (FBPE) (the Board). Florida Engineers Management Corporation receives funding from legislative appropriations to the Florida Department of Business and Professional Regulation (the Department) for the Board of Professional Engineers Trust Fund. The fiscal year is July 1 through June 30.

The Corporation's Board is comprised of seven members: five members appointed by the Florida Board of Professional Engineers and who must be registrants in Florida and two members who are appointed by the Secretary of the Department of Business and Professional Regulation and who must be laypersons not regulated by the Board.

Overview of the Financial Statements

This annual report consists of management's discussion and analysis and the financial statements. The Corporation's reporting entity consists of one enterprise fund. Therefore, the financial statements provide information about the Corporation's overall financial status. The notes provide additional information that is essential to a full understanding of the data provided in the financial statements.

The Corporation's financial statements include the Statements of Net Position, the Statements of Revenues, Expenses and Changes in Net Position, and the Statements of Cash Flows.

- The Statements of Net Position present information on all assets and liabilities of the Corporation with the difference between the assets and liabilities reported as net position.
- The Statements of Revenues, Expenses and Changes in Net Position present information on all revenues and expenses of the Corporation and the changes in net position.
- The Statements of Cash Flows present information regarding changes in cash resulting from cash receipts and cash disbursements during the reporting period.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Financial Highlights

The Corporation has been able to accomplish streamlined work processes and excellent service to licensees and the public while properly managing its budget. Upgrades to computers, equipment, and software have enabled staff to complete workflow processes quicker and more accurately and respond to public requests with more efficiency. In order to promote licensure and prevent unlicensed activity, the Corporation has been able to increase exposure to the public regarding services provided by FEMC, including administration of examinations and investigation of complaints, through presentations at universities and professional organizations. The Corporation continues to provide training to staff in order to assist them with their duties and responsibilities.

Financial Analysis

Statement of Net Position

The following schedule provides a summary of the assets, liabilities and net position of the Corporation as of June 30, 2014 and 2013:

	Assets	
	2014	2013
Current Assets	\$ 458,300	\$ 186,191
Capital Assets, net	124,690	162,664

Net Position - Restricted	70,556	83,305
Total Liabilities	<u>\$ 582,990</u>	<u>\$ 348,855</u>

Total assets increased due to an increase in cash which is offset by the increase in accounts payable and excess funds of \$247,840 to be returned to DBPR. Upgrades to computers, equipment and software were necessary for continued operation of business and to safeguard against loss of data.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

Statements of Revenues, Expenses and Changes in Net Position

The following schedule provides a summary of the revenues, expenses and changes in net position for the years ended June 30, 2014 and 2013:

	<u>2014</u>	<u>2013</u>
Operating revenues	\$ 2,167,707	\$ 2,124,473
Operating expenses	1,989,790	2,128,964

Total net position, end of year	<u>\$ 195,246</u>	<u>\$ 245,969</u>

Operating Revenues

The Florida Engineers Management Corporation is funded by a line item legislative appropriation set out in the Department of Business and Professional Regulation's annual budget.

Operating Expenses

The excess of revenues over expenses of \$177,917 for the year ended June 30, 2014 is due to diligence in necessary spending, completion of Laserfishe components in prior fiscal year and unfilled staff positions.

MANAGEMENT'S DISCUSSION AND ANALYSIS (continued)

The Corporation operating expenses for the fiscal year ended June 30, 2014 focused on four (4) major areas:

- The Corporation has increased its public visibility through printed publications, electronic newsletters and outreach to Florida universities and high schools, in an effort to increase public awareness of licensure requirements and regulatory practices related to professional engineering.
- The Corporation has continued to train employees in an effort to maintain and keep quality staff.
- The Corporation continues to create workflows in Laserfiche for each department. Continued training and software support are necessary pieces of Laserfiche.
- The Corporation has completed the microfilm conversion to digital media for enhanced storage and research.

Economic Factors and Next Year's Budget

The Corporation's operating budget was approved for four fiscal years beginning July 1, 2013 and ending June 30, 2017. Grants and aid funds in the amount of \$2,070,000 each fiscal year and unlicensed activity funds in the amount of \$100,875 for each fiscal year will comprise the total budget of \$2,170,875 for each fiscal year for a four year total of \$8,683,500. A fee of \$19,200 per fiscal year for a four year total of \$76,800 for services provided by the contract monitor at DBPR has been added to the four year contract.

FLORIDA ENGINEERS MANAGEMENT CORPORATION
(A COMPONENT UNIT OF THE STATE OF FLORIDA)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014 AND 2013

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization – The Florida Engineers Management Corporation (the Corporation) is a nonprofit corporation created by passage of Chapter 97-312, Laws of Florida, Section 471.038, *Florida Statutes*, during the 1997 Florida Legislature. Its purpose is to provide administrative, investigative and prosecutorial services to the Florida Board of Professional Engineers (FBPE) (the Board). Florida Engineers Management Corporation receives funding from legislative appropriations to the Florida Department of Business and Professional Regulation (the Department) from the Board of Professional Engineers Trust Fund. The fiscal year is July 1 through June 30.

A summary of significant accounting policies applied in the preparation of the accompanying financial statements follows.

Basis of Accounting – The Corporation’s financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The Corporation implemented GASB Statement No. 63, for fiscal year ended June 30, 2013. This new statement requires a change in the title of Statement of Net Assets to Statement of Net Position and Statement of Revenue, Expenses and Changes in Net Assets to Statement of Revenue, Expenses and Changes in Net Position. See GASB Statement No. 63 for additional information.

The Corporation operates as a special purpose government engaged in business-type activities. The proprietary fund type is applicable to the Corporation, under the governmental reporting model, and its activities are accounted for as an enterprise fund.

The focus of proprietary fund measurement is on the flow of economic resources including the determination of operating income, changes in net position, financial position, and cash flows, similar to business enterprises. The Corporation’s books are maintained on the accrual basis of accounting. Revenues are recognized when earned, and expenses are recognized when incurred.

Reporting Entity – The Corporation is a component unit of the State of Florida. The Corporation has no component units for the years ended June 30, 2014 and 2013.

Income Taxes – The Corporation qualifies for exemption from federal income taxes as a governmental entity and is not required to file a Return of Organization Exempt From Income Tax, Form 990. Therefore, no provision for income taxes has been recorded.

FLORIDA ENGINEERS MANAGEMENT CORPORATION
(A COMPONENT UNIT OF THE STATE OF FLORIDA)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014 AND 2013

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents – Cash and cash equivalents include demand deposits with financial institutions, deposits in highly-liquid money market funds and certificates of deposit with original maturities of three months or less.

Capital Assets – Capital assets are stated at cost, net of accumulated depreciation. Contributed assets are reported at fair market value as of the date received. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from three to seven years. The Corporation capitalizes all capital assets with a purchase price over \$500.

Operating Revenues – Transfers In – As a component unit of the State of Florida, the fixed portion of the base, annual contract from the Florida Department of Business & Professional Regulation (Department) is recognized as a transfer-in. Transfers-in also include amounts the Corporation invoices to the Department for unlicensed activity up to a maximum amount, based on actual expenses of the activity. Unexpended and unencumbered funds are reverted back to the Department on an annual basis.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Restricted Funding – The Corporation receives funding through appropriations allocated to the regulation of professional engineers from the State of Florida Professional Regulation Trust Fund. It is restricted for the purposes described in *Florida Statutes*, Section 471.038.

Comparative Data – The basic financial statements include certain prior-year summarized comparative information in total but not at the level of detail required for a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the government's financial statements for the year ended June 30, 2013 from which the summarized information was derived.

NOTE 2 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of two accounts maintained at a commercial bank located in Tallahassee, Florida. The carrying amount and bank balances at June 30, 2014 are \$290,037 and \$310,131, respectively. Cash account balances are secured by the Federal Deposit Insurance Corporation (FDIC), up to \$250,000 per bank. As of June 30, 2014, the Corporation had an uninsured amount of \$60,131.

(A COMPONENT UNIT OF THE STATE OF FLORIDA)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014 AND 2013

NOTE 3 – ACCOUNTS RECEIVABLE

Accounts receivable at June 30, 2014 represent amounts due from the State of Florida, Department of Business and Professional Regulation for unlicensed activity billed during the fiscal year ended June 30, 2014. The Corporation considers all accounts receivable to be collectible; therefore, no doubtful accounts have been recorded.

NOTE 4 – CONCENTRATION OF CREDIT RISK AND CONTINGENCY

The Corporation receives all of its revenue from a contract with the State of Florida, Department of Business and Professional Regulation. In performing the administrative services under this contract, the Corporation collected and processed approximately \$753,800 and \$931,251 of fees and revenues on the Board's behalf during the years ended June 30, 2014 and 2013, respectively. These amounts were deposited directly into the Department's trust fund account and are not recognized as revenues of the Corporation. Therefore, they have not been recorded in the accompanying financial statements.

The contract amount for the fiscal year ended June 30, 2014 is \$2,170,875. In July 2013, the Corporation entered into a four year contract beginning July 1, 2013 through June 30, 2017. Total funding for the contract is \$2,170,875 annually and \$8,683,500 for the contract period. The Department's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Florida Legislature. In addition, upon determination by the Department and the Board, at any time during the term of the contract that the Corporation no longer operates for the benefit of the Board and in the best interest of the State, all monies and property held shall revert to the Board or the Department.

NOTE 5 – CAPITAL ASSETS

Capital assets consist of the following:

	<u>June 30, 2013</u>	<u>Additions</u>	<u>Deletions</u>	<u>June 30, 2014</u>

NOTE 5 – CAPITAL ASSETS (continued)

Included in Computers and Software are costs incurred to date of \$4,625, pertaining to the development of a mobile application that is not in service as of June 30, 2014.

Depreciation expense was \$57,795 and \$65,251 for the years ended June 30, 2014 and 2013, respectively.

NOTE 6 – RETIREMENT BENEFITS

The Corporation maintains a defined contribution retirement plan for all full time employees having completed one year of service. For employees hired prior to July 1, 2011, management has designated a quarterly contribution of ten percent (10%) of each eligible employee's gross quarterly earnings. For all full time employees hired on or after July 1, 2011, the employer contribution is five percent (5%) of each eligible employee's gross quarterly earnings and after five years of service, contributions are increased to ten percent (10%) of each eligible employee's gross quarterly earnings. Contributions to the plan for the years ended June 30, 2014 and 2013 were \$88,452 and \$89,025, respectively.

NOTE 7 – OPERATING LEASE COMMITMENTS

The Corporation leases office space and equipment under operating leases expiring at various dates through September 2020. The lease for office space is cancellable with one month prior written notice, in the event that the Corporation's program is cancelled or funding is not available. Future minimum rental payments under these leases as of June 30, 2014 are as follows:

<u>For the year ending June 30,</u>

**FLORIDA ENGINEERS MANAGEMENT CORPORATION
(A COMPONENT UNIT OF THE STATE OF FLORIDA)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2014 AND 2013**

NOTE 8 – RISK MANAGEMENT

The Corporation is exposed to various risks of loss including general liability, property and casualty, group health and life, auto and physical damage, and workers' compensation. Conventional commercial insurance coverage has been purchased from various independent carriers to insure against such risk and minimize financial exposure to such risks. The Corporation is not involved in any risk pools with other governmental entities.

NOTE 9 – INCOME TAXES

For the year ended June 30, 2014, the Corporation had no unrelated business income and, accordingly, has incurred no income tax liability from unrelated business activities.

An entity must recognize the impact of uncertain tax positions in the financial statements, if it is more likely than not that a tax position taken for tax return purposes will not be sustained upon examination by taxing authorities. The Corporation has concluded that it has no material uncertain tax positions, and accordingly, it has not recognized any liability for unrecognized tax benefits.

NOTE 10 – RELATED PARTY TRANSACTIONS

The Corporation contracts with Roger Jeffery, P.E, former Chairman of the Board, to provide expert witness and consulting services. Total amounts paid to Mr. Jeffery were \$42,417 and \$26,725 for the years ended June 30, 2014 and 2013, respectively. Mr. Jeffery's term on the Board ended on October 10, 2012.

NOTE 11 – EVALUATION OF SUBSEQUENT EVENTS

The Corporation has evaluated subsequent events through September 8, 2014, the date which the financial statements were available to be issued.

AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Florida Engineers Management Corporation
Tallahassee, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Florida Engineers Management Corporation (the Corporation) (a nonprofit organization and component unit of the State of Florida), which comprise the statement of net position as of June 30, 2014, and the related statements of Revenues, Expenses and Changes in Net Position and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 8, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Corporation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be

material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

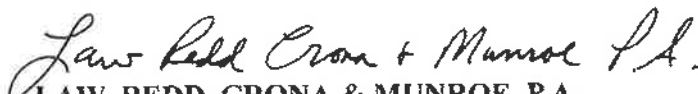

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to the Corporation, in a separate letter dated September 8, 2014.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR STATE
PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED
BY CHAPTER 10.650, RULES OF THE AUDITOR GENERAL**

Board of Directors
Florida Engineers Management Corporation
Tallahassee, Florida

Report on Compliance for Each Major State Project

We have audited Florida Engineers Management Corporation's (the Corporation) (a nonprofit organization and component unit of the State of Florida) compliance with the types of compliance requirements described in the *Department of Financial Services' State Projects Compliance Supplement*, that could have a direct and material effect on the Corporation's major state project for the year ended June 30, 2014. The Corporation's major state project is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Corporation's major state project based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; Chapter 10.650, Rules of the Auditor General. Those standards and Chapter 10.650, Rules of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a state project occurred. An audit includes examining, on a test basis, evidence about the Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state project. However, our audit does not provide a legal determination of the Corporation's compliance.

Opinion on Each Major State Project

In our opinion, Florida Engineers Management Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major state project for the year ended June 30, 2014.

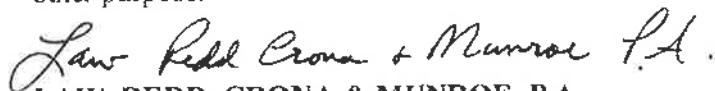

Report on Internal Control Over Compliance

Management of the Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Corporation's internal control over compliance with the types of requirements that could have a direct and material effect on a major state project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major state project and to test and report on internal control over compliance in accordance with Chapter 10.650, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Chapter 10.650, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.
