2) COPY OF THE CONTRACT BETWEEN THE TAMPA BAY  
RAYS AND CHARLOTTE COUNTY

CONTRACT NAMES CHARLOTTE SPORTS PARK  
AGREEMENT

AGR 2006-053

### Charlotte Sports Park Agreement

THIS AGREEMENT is made and entered into this 12<sup>th</sup> day of September 2006, by and between CHARLOTTE COUNTY, a political division of the state of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and the TAMPA BAY DEVIL RAYS, LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

WHEREAS the County and the Rays desire to enter into an agreement for the rehabilitation and use of the Charlotte Sports Park for the purpose for providing a public recreation amenity and hosting the Rays' spring training program.

NOW, THEREFORE, in consideration of the mutual covenants and obligations herein contained, it is mutually covenanted and agreed by and between the parties as follows:

1. Terms of Use

The Rays will engage in exclusive spring training in Charlotte County, Florida for a period of twenty (20) years, commencing with the 2009 major league spring training season. For the purpose of this agreement, the term "spring training" shall be deemed to include that period of time each year during the term of this Agreement which involves major and minor league spring training, exhibition games and extended spring training activities, rehabilitation and instructional league.

The County does hereby permit unto the Rays, its successors and assigns, the use of those certain premises located in Charlotte County, Florida, commonly known as the Charlotte Sports Park and related spring training and administrative facilities to be utilized pursuant hereto.

The Rays shall schedule and make a good faith effort to play a minimum of twelve (12) home major league spring training exhibition games during each and every year during the term of this agreement. The Rays shall also make a reasonable effort to ensure that a minimum of three (3) of these games will be held at night.

2. Project Description

The County shall selectively demolish, construct, and/or renovate current stadium, clubhouse, office space, and related practice facilities and build and/or restore on such site for a cost of not more than \$27,188,920 (hereinafter described below as "the Project"):

- (a) An open-air, natural grass stadium meeting first-class Major League Baseball ("MLB") spring standards, with approximately 6,000 fixed seats (including premium seating) and outfield berm and other general admission areas accommodating up to 1,500 fans;

- (b) An approximately 40,000 sf major and minor league clubhouse facility (including administrative office space dedicated to the Rays' use), team store, and other elements of such stadium;
  - (c) One (1) full-size, grass major league practice field;
  - (d) One (1) grass half-field;
  - (e) Four (4) full-size minor league practice fields;
  - (f) On-site parking for approximately 1,500 vehicles plus player/staff/VIP parking for approximately 175 cars;
  - (g) Miscellaneous infrastructure and site improvements related to the creation of a spring training facility.
  - (h) Other elements as mutually agreed upon by the County and the Rays.
- The site and a preliminary concept plan for the Project are generally outlined in Attachment 1.

3. **Project Capital Funding**

The "all-in" cost of the Project shall total \$27,188,920 dollars, the funding for which shall come by bonding against the following sources:

- (a) The State of Florida: monies made available to the County under Chapter 288.1162, Florida Statutes providing up to \$500,000 annually for 30 years towards the construction or rehabilitation of a spring training facility, as described in Schedule 1;
- (b) Charlotte County: the proceeds from hotel tourist tax funds providing \$900,000 in the year of the execution of this Agreement and growing annually for 22 years (minus \$125,000 that shall be deducted in the year of initial occupancy and each year thereafter and placed in a maintenance and operations fund, as described below) and one-time initial proceeds from hotel tourist tax funds providing \$450,000, as described in Schedule 1.
- (c) Tampa Bay Devil Rays: As consideration for its utilization of the facilities, and upon the Rays occupancy of the Project facilities, the Rays agree to pay the County \$595,190 in the year of initial occupancy with payments in successive years, as described in Schedule 1.

Based on the financing sources enumerated above, County shall present the Rays a plan of project finance which includes irrevocable commitments and awarding of funds, pursuant to Chapter 288.1162, Florida Statutes, from the State of Florida, all of which, when combined with the obligations and undertakings elsewhere referenced herein, will provide sources of \$27,188,920 (which include architect fees, design fees and construction costs) which are to be irrevocably committed to the renovation of the baseball complex ("the Project Budget").

This financing plan shall be subject to approval of the Rays, which shall not be unreasonably withheld. The County and Rays shall have mutual approval of the design and renovation program for which the financing plan has been irrevocably committed. In the event either the financing plan or

the renovation plan fails to meet the approval of the Rays, the Rays may terminate this agreement upon 30 days' written notice to the County. After a financing plan and renovation plan have been mutually agreed upon, as set forth above, the cost of any change orders that result in a project cost in excess of \$27,188,920, in addition to being mutually agreed upon, shall be the responsibility of the Rays.

The County further agrees that its financing plan shall provide that if the cost of the Project is ultimately less than \$27,188,920 dollars, then the amount by which the cost of construction ("construction" also includes architect and design fees) is less than \$27,188,920 dollars shall be funded and placed in an asset renewal/reserve fund ("Capital Reserve Fund") to be spent on the facility subject to terms and conditions mutually agreed upon by the County and the Rays. Additionally, the County agrees that its financing plan shall provide for accumulated interest earnings on the bond amount during the project construction period ("Accumulated Construction Interest") to be placed in the same Capital Reserve Fund to be spent on the facility subject to the terms and conditions mutually agreed upon by the County and the Rays.

It is further acknowledged by both parties that the final cash proceeds from the financing plan ("Bond Proceeds") may result in an amount available for the renovation plan that is less than \$27,188,920 due to unknown variables such as the actual financing interest rate or impacts of the taxable status of any of the revenue sources as determined by bond council. In the event such Bond Proceeds are less than \$27,188,920, 50% of the "Accumulated Construction Interest" shall be used to fund initial construction of the Project up to a Project Budget of \$27,188,920. If, after 50% of the "Accumulated Construction Interest" is allocated to the Project Budget, the Project Budget is still less than \$27,188,920, the Rays shall have the right to terminate this agreement upon 30 days written notice to the County.

The parties hereto understand that it is the intention of the County to finance the Project by the issuance of its obligations. It is further the intent of the County that the interest on such obligations be excludable from gross income for federal income tax purposes, to the greatest extent possible pursuant to the provisions of the Internal Revenue Code. In furtherance thereof, the Rays agree that it will take all reasonable actions within its control which are necessary in order for the interest on such obligations be excludable from gross income for federal tax purposes.

The County agrees to submit an application to the Florida Sports Foundation for the State of Florida funding described above by October 1<sup>st</sup>, 2006. If the State of Florida, through the Florida Sports Foundation, fails to grant the County \$500,000 annually for the next 30 years to undertake the

construction, or if County does not accept such grant from the State and begin construction by July 1, 2007, either the Rays or the County may terminate this agreement upon written notice to the other party, without penalty or liability to either party.

4. Project Design and Construction

(a) The County and the Rays shall have mutual approval rights of the final design and construction plans, the architect, contractor and all change orders. The design of the stadium shall be in accordance with current MLB standards. The County shall use its diligent, good faith efforts to perform, or cause to be performed, all construction work on the Project according to the approved construction plans on or before February 1, 2009. In the event possession of the Project is not delivered to the Rays on or before February 1, 2009, the County shall pay the Rays liquidated damages of \$2,200 per day for each day after February 1, 2009, until the Project facilities are occupied by the Rays.

County shall not be assessed liquidated damages in the event the Project is delayed due to damage to, or destruction of, the Project due to hurricane, fire, Acts of God or other casualty; however, in the event such an event causes a delay to the Project such that it is not ready for occupancy by August 1, 2010, the Rays shall have the right to terminate this agreement upon thirty (30) days notice to the County.

(b) The Rays shall have access to the construction project during all normal construction hours and shall receive reasonable notice of and have the right to attend and participate in all meetings between the County and its architect and contractors performing the work on the Project. After a financing plan and renovation plan have been mutually agreed upon, as set forth above, the Rays shall have the right to request the County to make changes to the Project, the construction plans and schedule of completion, and will by obligation pay any cost associated with these changes, provided the cost of such changes cause the cost of the stadium renovations to exceed \$27,188,920. County shall not owe the Rays liquidated damages, nor suffer any penalty or liability whatsoever, in the event the Project cannot be delivered to the Rays by February 1, 2009, due to delays caused by changes to the Project requested by the Rays.

(c) The parties agree to observe the requirements of the Consultants Competitive Negotiation Act, and all other applicable federal, state

and local laws, and engage architectural, engineering, and construction services necessary to design and build the Project.

(d) The Rays acknowledge that the County has a three year agreement with the South Coast Independent League (the "League") beginning in 2007 and ending in 2009 for the use of the existing Stadium. The Rays agree that the League is entitled to the use of the Stadium pursuant to its agreement with the County and the parties agree to cooperate in coordinating the construction schedule of the Project to accommodate the League's use of the Stadium so long as it doesn't impede the progress of the Project or the Rays use of the Project or Project site, as described in Item 5 below. County agrees to fully enforce its agreement with the League in regard to its conduct and use of the Project facilities.

(e) For the duration of this agreement, the parties shall have mutual approval rights over any change to the Project site that results in means of pedestrian access to the Project site being created, eliminated, or altered.

5. Rays Rights-of-Use to Project

Upon completion of construction, the Rays shall retain the following rights to use the Project facilities:

- (a) Each day from February 10<sup>th</sup> through April 3<sup>rd</sup> of each calendar year ("Spring Training"): The Rays shall have primary use of the stadium, new clubhouses, administrative office space dedicated to the Rays' use, team store, practice fields, and other associated training facilities (batting cages, gang mounds, etc.). During this time, these facilities may be made available to parties other than the Rays, but only with the express written consent of the Rays;
- (b) Each day from April 4<sup>th</sup> through July 1<sup>st</sup> ("Extended Spring Training"): The Rays shall have primary use of the new clubhouses, team store, administrative office space dedicated to the Rays' use, the one (1) full-size, grass major league practice field, two (2) minor league practice fields, and other associated training facilities (batting cages, gang mounds, etc.). During these times, these facilities may be made available to parties other than the Rays, but only with the express written consent of the Rays;
- (c) Before 2pm each day from September 1<sup>st</sup> through October 31<sup>st</sup> of each calendar year ("Instructional League"): The Rays shall have primary use of the new clubhouses, team store, administrative office space dedicated to the Rays' use, the one (1) full-size, grass major league practice field, two (2) minor league practice fields, and other

associated training facilities (batting cages, gang mounds, etc.). During these times, these facilities may be made available to parties other than the Rays, but only with the express written consent of the Rays;

- (d) At all other times, the Rays shall maintain sole use of the major league clubhouse, administrative office space dedicated to the Rays' use, team store, and the one (1) full-size, grass major league practice field. In addition, the Rays shall retain the right to restrict access to associated training facilities (batting cages, gang mounds, etc.), one (1) minor league practice field, and the minor league clubhouse if they are reasonably required for the Rays' use and upon three (3) weeks notice to the County. County and the Rays agree that a change in the timeline for "extended spring training" and/or the need for the Rays to locate a rookie league team at the Project site constitute a reasonable basis for such access restrictions;
- (e) The Rays and the County shall also make the Project facilities available for up to one week each year, the date to be mutually agreed upon by the parties, for a Devil Rays Fantasy Camp;
- (f) The Rays may use the facility for clinics, camps, and promotional or marketing events throughout the year, provided that three (3) weeks notice is provided to County and such use does not interfere with County's rights of use as described in Item 6 below.

If the Rays choose to locate a Florida State League ("FSL") team at the Project site, the Rays and the County agree to enter into an amendment to this Agreement to provide for the duties, rights, terms and responsibilities of the parties that will be occasioned by the location of said FSL team at the Project site. Notwithstanding the rights described in Item 6 below, County may not allow a minor league baseball franchise affiliated with any MLB team other than the Rays to play home games at the Project site without the express written consent of the Rays. Furthermore, the parties agree that they will not enter into any amendment to this Agreement if such amendment shall adversely affect the exclusion of interest on the County's obligations which financed the Project from gross income for federal income tax purposes.

The Rays shall have complete operating authority over those areas under its control during the use periods defined above, including, but not limited to, the right to manage ticket sales, concessions, merchandise sales, game-day parking, and all other stadium activities during spring training. The Rays will, at all times, make reasonable efforts to cooperate with others, including the County, in exercising its operating authority during its use periods.

The Rays shall make best efforts to furnish the County with its spring training exhibition game schedule and extended spring training time frame use requirements no later than December 1<sup>st</sup> of the year prior to the next February opening of spring training activities by the Rays.

During the use periods defined above, the Rays may stage non-baseball related events or activities with the express written consent of the County; such consent not to be unreasonably withheld.

The County and the Rays further agree that the Rays may transfer its right to use of certain Project facilities described above to an affiliated entity or subsidiary of the Rays.

6. **County Rights-of-Use to Project**

Subject to the Rays' rights of use described above, at all other times, the County shall have the right (and is encouraged by the Rays) to use the facility for concerts, plays, sporting events and tournaments or other revenue-producing or civically-oriented events (collectively defined as non-major league baseball-affiliated events) provided that:

- (a) Such events do not damage the playing fields or cause unreasonable wear and tear to the structures;
- (b) Such events are not inconsistent with the image of Major League Baseball and the Rays;
- (c) Such events do not interfere with the Rays operations; and
- (d) Prominent signage is displayed promoting the Rays' affiliation with the Project during these events.

The County shall have responsibility for all costs associated with these events and shall be responsible for all liabilities arising from the County's use of the Project for non-major league baseball-affiliated events.

During the periods of its use of the facility, the County shall also have the right to display marketing signs in the concourse and stadium, provided that such signs are not in conflict with an exclusive Rays marketing partnership and that the cost of displaying such signs is borne by the County.

During the term of this Agreement, the County shall at all times be permitted to continue its present use of County buildings at the Project site for office space and operations.

7. **Rays Rights to Project Revenues**

The Rays and County agree that for the duration of this agreement, the Rays shall retain:

- (a) All revenues derived from spring training operations, including, but not limited to, all revenues from ticket sales, food/beverage concessions, pouring rights for sodas, water, and other beverages, merchandise and souvenirs, program sales, advertising and signage, luxury suites, and game day parking;
- (b) Exclusive rights to set the price for spring training exhibition game tickets, food/beverage concessions, merchandise and souvenirs, programs, game-day and spring training parking and all other stadium goods and services associated with spring training operations;
- (c) Exclusive rights to all scoreboards, outfield, and other stadium signage. Such rights shall include the right to control the design and layout of all advertising;
- (d) Subject to the approval of County, such approval not to be unreasonably withheld, the right to sell stadium naming rights. The County shall retain the first \$75,000 annually of said stadium naming rights and revenues (which shall grow 3% annually for the term of this Agreement) in a stadium maintenance and operations fund, as described in Schedule 2 and Item 9 below, with the balance of naming rights revenues going to the Rays;
- (e) Subject to the approval of County, not to be unreasonably withheld, the right to locate cellular phone towers within the stadium lighting structures and all revenues derived from the sale of this right, provided that such sale is not in conflict with the County's ability to maximize revenues from its existing cellular phone tower on the Project site.

The Rays and County further agree to work towards a mutually cooperative relationship on concessions during Rays non-primary use time (i.e. restaurant).

8. **County Rights to Project Revenues**

The Rays and the County agree that for the duration of this agreement, County shall retain all revenues derived from use of the Project for non-major league baseball-affiliated events staged during those periods of the year when the Rays are not entitled to primary use of the Project facilities, as described in Item 5 above. These include all revenues from facility rental fees, administrative fees, ticket sales, food/beverage concessions, pouring rights for sodas, water, and other beverages, merchandise and souvenirs, program sales, signage and non-spring training day parking.

The Rays and County further agree that these revenues will be dedicated by the County to a maintenance and operations fund, as described in Item 9 below and Schedule 2.

9. Maintenance and Capital Repair

(a) The County shall maintain, repair, and restore all properties at the facility at no cost to the Rays, except the Rays shall provide for housekeeping and cleaning services to the clubhouse and office space it uses at no cost to the County. The County shall maintain all grounds and turf to Major League Baseball standards, said standards to be provided to the County by the Rays; however, the Rays may, at its option, elect to maintain the playing fields during the periods of its primary use. It is further understood that the County will not be responsible for any maintenance, repairs, or restoration related to damage occurring to property as a result of negligent acts or omissions of the Rays, its officers, agents, or employees.

(b) The County shall keep and maintain the Project at all times in first-class conditions and up to first-class Major League Baseball spring training standards at the time of reference for use as a ballpark by the Rays and visiting clubs, said conditions to be reasonably approved by the Rays. The County acknowledges that the high quality conditions shall be in place prior to the beginning of and shall continue throughout each spring training season at no expense to the Rays, provided that the Rays may at its option elect to maintain the playing fields during the periods of its primary use. The County shall maintain all facilities and undertake all of its other obligations under this agreement in a manner consistent with other spring training facilities.

(c) The Rays shall not be required to make any capital investment or expenditure related to the renovations of the facilities as hereinbefore described, or its amenities, except as set forth in Item 4 above.

(d) If Project facilities are not maintained to the high-quality standards described above, the Rays shall send the County written notice describing what conditions it deems to be sub-standard. Upon receipt of such notice, County shall within 30 days respond in writing to the Rays concerns with a detailed remediation plan. In the event the County's remediation plan is not satisfactory to the Rays, the parties agree to submit any disputes to the resolution procedures described in Item 25.

(e) in order for the County to fulfill its maintenance and operations obligations described above, the County and the Rays agree to

dedicate the following sources of funds to an annual Maintenance and Operations Fund ("M&O Fund"), described below and in Schedule 2:

- (1) The County agrees to dedicate \$387,043 in County funds, representing the net maintenance and operations budget of the existing facility, to the M&O Fund in the year of initial occupancy. Such payment shall grow by 3% annually for the duration of the term of this Agreement;
  - (2) The Rays, as consideration for primary use of the facility, agree to a payment of \$116,550 to the M&O Fund in the year of initial occupancy. Such payment shall grow annually by 3% for the duration of the term of this Agreement;
  - (3) The County and the Rays agree, as described in Item 7 above, that the County shall retain the first \$75,000 of revenues from stadium naming rights for dedication to the M&O Fund in the year of initial occupancy. Such payment to the M&O Fund from naming rights revenues shall grow annually by 3% for the duration of the term of this Agreement;
  - (4) The County shall commit \$125,000 of hotel tax revenue to the M&O Fund in the year of initial occupancy. Such payment will be made annually for the duration of the term of this Agreement; and
  - (5) The County agrees to commit all revenues derived from use of the Project for non-major league baseball-affiliated events to the M&O Fund. Such revenues are estimated to be \$220,000 in the year of initial occupancy and are expected to grow annually by 3% for the duration of the term of this Agreement.
- (f) The County and the Rays agree that if, in any given year, actual maintenance and operations costs are less than the amount dedicated to the M&O Fund (as described above and in Schedule 2), the difference will be transferred into the Capital Reserve Fund. This will be reviewed annually at the end of the County fiscal year.
- (g) It is recognized that during the construction phase of the renovation plan, the County may incur revenue losses and maintenance savings. To the extent that revenue losses exceed maintenance savings ("Construction Period Losses"), any subsequent maintenance savings, as defined above, would first go towards reimbursing the County as compensation for Construction Period Losses rather than into the Capital Reserve, as defined above.
- (h) The use of the Capital Reserve Fund will be reviewed and approved by both parties. Capital repair and improvements will be given highest priority.

10. Community Benefits

The Rays shall also provide the County with the following amenities, marketing tools, and other community benefits:

  - (8) For the first (5) years of this agreement and to the extent the Rays produce their own over-the-air ("OTA") television broadcasts, the Rays agree to provide the Charlotte County Visitor's Bureau with time to air one 30-second commercial on each such OTA broadcast.

Dates of the sales mission will be mutually agreed upon by both the Rays and the Charlotte County Visitor's Bureau annually. This provision shall be revisited after five (5) years;
- (e) If the Rays sell a score book at spring training exhibition games, the Rays shall provide Charlotte County Visitor's Bureau a free page in such score book. The Charlotte County Visitor's Bureau will provide the material to be printed, which will be subject to the approval of the Rays;
- (f) While the County acknowledges that there are circumstances that might not make this possible at all times, the Rays, in cooperation with the Charlotte County Visitor's Bureau, agree to use reasonable efforts to locate and secure housing for the Rays players and support staff in Charlotte County. The Rays agree to work with the Charlotte County Visitor's Bureau in scheduling accommodations for visiting teams with Charlotte County as well;
- (g) The parties hereto expressly recognize and agree that the County is undertaking a substantial financial responsibility. It is, therefore, understood and agreed that the Rays will cooperate fully with the County in its efforts to promote the development and success of baseball in Charlotte County. 14. Rays Parking

The Rays shall be responsible for access and security within parking areas designated for its players and support staff. County shall not be responsible for the security of any vehicles parked near the clubhouse. The Rays will be responsible for attaining, coordinating and/or funding off-site parking for games or events requiring more than 1500 spaces and the County agrees to use its best efforts to assist the Rays in this endeavor.

15. **Rays Right to Make Interior Improvements**  
The Rays shall have the right, from time to time and at its expense, to make all such improvements to, and decorate the interior of the property covered hereunder, as shall be reasonably necessary or appropriate, in the Rays' judgment, for the conduct thereon of its business. Prior to the commencement of any such major alteration, improvement, or decoration, the Rays shall submit said plans and specifications to the County Parks Director or designee for review and approval. If within thirty (30) days after such plans and specifications have been submitted and delivered by the Rays to the County Parks Director or designee for such approval, and the County Parks Director or designee shall not have given the Rays notice of disapproval thereof, stating the reason for such disapproval, then the plans and specifications shall be considered approved by the County for the purposes of this agreement. Such approval, however, will not relieve the Rays of the obligation to seek all other public approvals required under the laws of Charlotte County and/or the State of Florida.
16. **Zoning and Land Use Approvals**  
The County will provide or secure all zoning, subdivision, land use, curb cut, construction, and all other necessary governmental or quasi-governmental approvals, licenses, and permits necessary to construct and operate the Project.

The Rays shall not be liable for any pre-existing environmental conditions of the Project site. Any costs of environmental remediation will be paid out of the Project Budget, provided that if such remediation costs exceed \$1,000,000 then the parties may terminate the Project without penalty.
18. **Insurance, Liabilities, and Indemnities**
  - (a) The Rays agree to and will at all times defend, indemnify, save, and hold harmless the County from any and all damages, liabilities, claims, demands, expenses, and costs arising out of, or in connection with, any use of the Project facilities by the Rays, its agents, officers, servants or employees, resulting from or any manner arising out of this Agreement with the County, excepting only liability resulting solely from negligence of the County, its agents, invitees, or employees. In the event of any lawsuit, claim, loss, damage, cost, charge, or expense involving the joint or concurrent fault of the Rays and the County, each party agrees to bear their own respective damages, loss, liability and costs (excluding attorneys' fees and costs) incurred by each party in proportion to its contribution to the aforementioned actions. In such cases, neither party shall be required to defend or bear the cost of defense of the other party.

19. **Disaster Preparations**

The Rays agree that the County may, at the County's reasonable discretion, use the Project as a staging area for disaster preparations, response, or other related emergency uses, provided that such use of the Project will not damage the Project so it is unfit to be used for its customary purpose. In the event County elects to use the Project for such a use, County agrees to restore the Project and Project site to the conditions existing prior to said use at the sole cost of County.

20. Taxes

It is the intent of the County and the Rays that the Project (land and improvements) shall be exempt from ad valorem taxes throughout the term of this Agreement.

21. Rights of Assignment

The rights granted to the Rays pursuant to this agreement shall not be assigned, except with the express written consent of the County, except that the Rays may assign this agreement in connection with a sale, merger, re-organization, or other disposition of the Rays or its Major League Baseball franchise so long as the assignee expressly assumes the Rays' obligations and liabilities hereunder. The County shall not assign this agreement without the prior written consent of the Rays.

22. Subordination to MLB Documents

This Agreement and any rights or exclusivities granted by the Rays hereunder shall in all respects be subordinate to each of the following, as may be amended from time to time (collectively, "MLB documents"):

The Rays and certain Major League Baseball entities shall have the sole and exclusive rights to record and/or transmit (or to license others to record and/or transmit) any Major League Baseball games played at the stadium via any technology now existing or hereinafter devised (including, without limitation, transmission via over-the-air television, cable television, radio, or on-line

Such election shall be exercised by the County by giving written notice thereof to the Rays within ninety (90) days after such casualty occurs. If the County elects to terminate the Agreement, any payments due from the Rays for future events shall cease to accrue as of the date of such casualty. The Rays shall be required to pay to County any monies owed to County for events that occurred prior to any such casualty.

(c) If the County elects not to terminate this Agreement, it shall so notify the Rays by written notice within said ninety (90) days specifying the period of time within which the County reasonably estimates that the Stadium may be repaired or restored to its condition prior to the casualty. If such period of time exceeds one (1) year from the start of the repair or restoration to completion, then the Rays may terminate this Agreement without penalty, and shall provide written notice to County of said termination within ninety (90) days of the date of receipt of the notice from the County to the Rays referred to above.

25. Settlement of Disputes Arising Under the Agreement

**AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT BETWEEN  
CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS BASEBALL, LTD.**

THIS AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment", is made and entered into this 26 day of January, 2010, by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY DEVIL RAYS LTD., n/k/a TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

**FINDINGS**

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, pursuant to the terms of the Agreement, the County is responsible for maintaining the playing fields at the Sports Park but the Rays have the option of electing to maintain the playing fields during the periods of their primary use; and

WHEREAS, the Rays have requested that County permit the Rays to maintain the Sports Park Fields, as defined herein, on a year-round, full time basis; and

WHEREAS, County and Rays now desire to amend the Agreement to provide for the Rays assuming year-round, full time, responsibility for the maintenance of the Sports Park Fields at the Sports Park.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

**1. Purpose.**

The purpose of this Amendment is to provide for the assumption of year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5½ practice fields within the Sports Park complex (hereinafter "Sports Park Fields") by the Rays beginning January 12, 2010 (the "Effective Date").

**2. SPORTS PARK FIELDS MAINTENANCE.**

Rays groundskeeping staff will provide all necessary field maintenance and support for all activities on the Sports Park Fields, including, but not limited to Rays spring training games, Gulf Coast League games, and "non-major league baseball-affiliated events" as defined in Section 6 of the Agreement as concerts, plays, sporting events and tournaments or other revenue-producing or civically-oriented events. The Rays will also assume the County's responsibility to provide field management maintenance and support for the Florida State League team as

outlined in the County's Stadium Lease Agreement with Ripken-Rays Florida Baseball LLC. County acknowledges, and Rays agree, that the Rays have a thorough understanding of the maintenance standards necessary to maintain the Sports Park Fields pursuant to the terms of this Amendment.

**3. SPORTS PARK FIELDS MAINTENANCE STAFFING PLAN.**

(a) The field maintenance staff for the Sports Park Fields shall be hired and employed by the Rays and will consist of a Head Groundskeeper, Field Maintenance Supervisor, who will report directly to the Head Groundskeeper, six full-time groundskeepers, staff equipment mechanic, and all seasonal and part-time employees who shall report to the Field Maintenance Supervisor. Additionally, the Field Maintenance Supervisor will manage any contracted service providers for field maintenance. Within thirty (30) days of the effective date of this Amendment, Rays agree to interview, and consider hiring, field maintenance staff currently employed by County for employment as Rays field maintenance staff for the Sports Park Fields.

(b) The Rays and County acknowledge the stadium playing field drainage issues which arose during the 2009 baseball season. The County agrees that the Rays are not responsible for any current or future stadium playing field structure or performance issues resulting from either the original construction of the field or from field maintenance by the County which began in January 2009 and will run through the end of the implementation of the Playing Field Action Plan noted below and attached hereto as Attachment A. After the Playing Field Action Plan has been completed Rays shall assume sole responsibility for the maintenance of the stadium playing field. In the event that the Playing Field Action Plan does not adequately resolve the underlying stadium field drainage issues, the Rays are not responsible for any future stadium playing field improvements to address those drainage concerns identified in Attachment A.

(c) To address the stadium playing field drainage concerns, the County will implement the attached Playing Field Action Plan. The County acknowledges that the Rays shall assume no costs associated with the Playing Field Action Plan, including any additional material or labor costs associated with any element of the follow-up protocol, which may be undertaken after January 12<sup>th</sup>, 2010, including on-going costs associated with acid injection. The County will provide all necessary resources to complete the implementation of the Playing Field Action Plan including the 31-60 day follow up, projected to end no later than February 5th, 2010.

(d) Any potential future field maintenance or reconstruction of any or all of the Sports Park Playing Fields that are unrelated to the stadium field drainage issues identified herein, and the costs for such field maintenance or reconstruction that are not the responsibility of the Rays under the terms of this Amendment, shall be mutually negotiated and agreed upon by Rays and County.

(e) Rays agree to abide by all applicable laws, rules, ordinances and regulations of any federal, state or local governments or agencies in the performance of any work, services or other obligations required of the Rays under the terms of this Amendment.

**4. DUTIES OF RAYS SPORTS PARK FIELDS MAINTENANCE SUPERVISOR AND STAFF.**

(a) The Field Maintenance Supervisor is a working foreman who assists the Rays Head Groundskeeper in the maintenance of the Sports Park Fields. The Field Maintenance Supervisor will meet with designated County Parks, Recreation and Cultural Resources Staff on a weekly basis to review field conditions, work plans, and discuss upcoming activities including any upcoming use of the Sports Park Fields by either County or Rays. - Applying ball field mechanics, e.g. ensuring accurate distances and measurements
- Working with different types of clay and clay conditioners
- Working with natural and artificial turf
- Working game days - pre-game preparation, raking infield during games, post-game clean up
- Building and maintaining pitching mounds and home plates
- Mowing and edging fields to ensure a safe playing field and appropriate appearance
- Maintaining common areas surrounding facilities
- Maintaining irrigation systems and performing all necessary irrigation of the Sports Park Playing Fields to Major League Baseball, Tampa Bay Rays and County standards.
- Working with herbicides and pesticides
- Safely using all equipment required for above
- Additional duties and projects as required by Head Groundskeeper or Field Maintenance Supervisor.

**5. SPORTS PARK FIELDS MAINTENANCE EQUIPMENT.**

(a) All equipment necessary to maintain the Sports Park Fields, with the exception of the equipment provided to the Rays by County pursuant to paragraph 5(b) of this Amendment, shall be provided by and paid for by the Rays.

(b) Charlotte County Parks and Recreation will provide the Rays a full list of all County owned field maintenance equipment available for the use of the Rays, ("County Field Maintenance Equipment"), attached hereto as Attachment B, noting (1) the condition of each

piece and hours logged, (2) copies of all maintenance plans and warranty materials, (3) instruction materials, (4) a recommended protocol regarding equipment servicing, and (5) the long-term replacement plan for each piece. The County will continue to maintain all warranties on the County Field Maintenance Equipment, and will be responsible for processing all warranty requests in a timely manner.

(c) The Rays shall provide and pay for regular maintenance for the County Field Maintenance Equipment; however, the County will perform annual reel grinding for all appropriate County Field Maintenance Equipment at County's expense. The Rays staff mechanic will service the County Field Maintenance Equipment on a regular and as-needed basis. The County will conduct semi-annual inspections of the County Field Maintenance Equipment. Any necessary repair or replacement of the County Field Maintenance Equipment, including emergency repairs or replacements, will be agreed-upon by both the Rays and the County. The County will maintain all appropriate insurance on the County Field Maintenance Equipment.

(d) The County will arrange for the delivery of gas and diesel fuel for the field maintenance equipment at no charge to the Rays, but the cost of the gas and diesel fuel shall be paid for by the Rays to County at the current contract price in effect under County's annual contract for gas and diesel fuel purchases.

**6. SPORTS PARK FIELDS MAINTENANCE MATERIALS AND SUPPLIES.**

(a) The Rays shall be responsible for providing and paying for all maintenance materials and supplies necessary to maintain the Sports Park Fields, including, but not limited to fertilizer, herbicides/pesticides, clay and clay conditioner, nets, protective screens, wind screens, top dressing sand, overseeding supplies, chalk, uniforms, and small tools (e.g. rakes, shovels, brooms, edgers, weed-eaters).

(b) The Rays will also provide all Field Maintenance office supplies, including janitorial supplies, office equipment, phones, computers and other such items and shall be responsible for any and all costs, billings or charges related to same. The County will provide safe and professional work space, including office, garage and storage space, for the Field Maintenance Staff in Building C within the Sports Park complex. The County will also continue to provide garbage and debris removal services for the Sports Park complex.

**7. SPORTS PARK FIELDS MAINTENANCE BUDGET.**

(a) County and Rays acknowledge that the Agreement provides for in Section 9(a) and in SCHEDULE 2-PROJECT MAINTENANCE AND OPERATIONS FUNDING SOURCES ("Schedule 2"), a schedule of annual payments for the Sports Park facility to the M&O Fund to be paid by County and Rays for maintaining and operating the Sports Park complex and grounds.

(1) The parties agree that the total cost to maintain the Sports Park Fields for the initial year of this Amendment, year 2010 is \$525,285.10 and shall grow annually at a rate of 3% ("Field Maintenance Budget"), as detailed on the schedule of payments, attached hereto as Attachment C.

(2) The County shall deduct the Rays' annual M&O payment obligation, as described in the Agreement, and then tender payment to the Rays for the remainder each year in equal quarterly installments on January 15<sup>th</sup>, April 15<sup>th</sup>, July 15<sup>th</sup> and October 15<sup>th</sup> during the term of this Amendment. As an example, in 2010, the Rays M&O payment obligation is \$120,047. The County shall deduct this amount from the 2010 Sports Park Fields budget of \$525,285.10 and tender payment to the Rays in the amount of \$405,238.10 in the manner noted above and on Attachment C ("County Obligation to Rays").

(3) The County and the Rays further agree that, in exchange for the payment to the Rays for field maintenance services for the Sports Park Fields noted above, the County shall be entitled to reduce its obligation to fund Maintenance and Operations at the Sports Park, noted in Section 9 and Schedule 2 of the Agreement, in an amount up to the annual County Obligation to Rays for field maintenance. In no event shall the reduction of any County funds to the total M&O budget be greater than the County Obligation to Rays for field maintenance. As noted in Attachment C, in 2010, the Remaining County M&O and Other Event Revenues Obligation will be \$422,266. All other County operating and maintenance obligations noted in the Agreement remain.

(4) As per Section 9 of the Agreement, the County and Rays agree that if, in any given year, actual County maintenance and operations costs at the Sports Park are less than the Remaining County M&O and Other Event Revenues Obligation as noted on Attachment C, the difference will be transferred into the Capital Reserve Fund. This will be reviewed annually at the end of the County fiscal year.

(b) The Rays agree to keep a field maintenance budget for all expenses related to the maintenance of the Sports Park Fields and agree to schedule an annual meeting with County to review the status of that budget. The parties agree to annually review the actual expenditures for the Sports Park Fields maintenance. This would not result in any change to the financial obligation set forth herein to either party but should be viewed as a part of due diligence regarding utilization of taxpayer funds.

**B. COUNTY'S RIGHT OF USE OF THE SPORTS PARK AND SPORTS PARK FIELDS.**

The parties agree that County shall have use of the Sports Park facility, including the Sports Park Fields, for non major league baseball-affiliated events (as that term is defined in the Agreement) and pursuant to the terms of the Agreement. The parties agree that nothing contained in this Amendment or the Agreement shall be construed as to give the Rays authority to refuse to permit County the use of the Sports Park Fields for any non major league baseball-affiliated events, and the parties agree that the County reserves the right to use the Sports Park Fields for any non major league baseball-affiliated events at County's sole discretion and approval. Prior to the scheduling of any non-major league baseball-affiliated events at the Sports Park, the County will review the scope of the event with the Rays and, if applicable, confirm (1) field availability, and (2) the appropriate field maintenance needs.

Costs for any non-traditional field maintenance needs associated with non major league baseball events are the responsibility of the County-or any third party event vendor. Non-traditional

field maintenance needs include, but are not limited to field conversion activities for special events (e.g. forklift operations for concert stage set up) and repairs to damages to the playing field that result from such use. The County bears general responsibility for any damages to the playing field caused by non-major league baseball events. All conditions regarding non-major league baseball-affiliated events as noted in Section 6 of the Agreement, including the provision that County shall be responsible for all liabilities arising from County's use of the Sports Park Fields for non major league baseball-affiliated events still apply.

**9. STADIUM LEASE AGREEMENT - RIPKEN-RAYS FLORIDA BASEBALL LLC.**

County and Rays acknowledge that the STADIUM LEASE AGREEMENT between RIPKEN-RAYS FLORIDA BASEBALL LLC (hereinafter referred to as "Ripken") and County, entered into on or about February 10, 2009, provides that the County shall maintain the Sports Park Fields. By signature of Ripken's authorized representative on this Amendment, Ripken hereby consents and agrees to the terms and conditions of this Amendment which provide that the Rays shall be solely responsible for the year-round maintenance of the Sports Park Fields.

**10. TERM/TERMINATION.**

The term of this Amendment shall begin on the Effective Date and shall terminate simultaneously with the termination of the Agreement; provided, however, that either County or Rays may terminate this Amendment, with or without cause, at any time upon providing nine (9) months written notice of termination to the non-terminating party. In the event this Amendment is terminated by either party, the responsibility for maintaining the Sports Park Fields will revert back to the County on the same terms that are enumerated in the Agreement and all other provisions of the Agreement shall remain in effect.

**11. INCORPORATION.**

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment, including all exhibits and attachments hereto, is specifically incorporated into and made a substantive part of the Agreement.

**12. SEVERABILITY.**

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

**13. CONFLICT WITH AGREEMENT.**

All provisions of the Agreement not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement.

**14. ENTIRE AGREEMENT.** This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the parties, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this document.

15. **MODIFICATION.** No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed by the parties with the same formality and of equal dignity herewith.

16. **ASSIGNMENT.** This Amendment, or any interest herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances by either party without the prior written consent of the other party.

17. **INDEMNIFICATION.** Rays shall indemnify, hold harmless and, at County's option, defend County, and its officers and employees, from all suits and actions at law, liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of Rays and persons employed or utilized by Rays in the performance of any work or services under this Amendment.

18. **AUTHORITY TO EXECUTE.**

County, Rays and Ripken warrant to the other parties that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment.

19. **EFFECTIVE DATE.**

If fully executed by County, Rays, and Ripken, this Amendment shall take effect on January 12, 2010.

IN WITNESS WHEREOF, the parties have executed this agreement on the dates indicated below.

## Deep Drill Aerification Program - Follow Up

These follow up steps are to be performed by the County within the first 30 days after the Deep Drill Aerification

- A Apply additional gypsum at the rate of 25 lbs. per one thousand square feet. Counter the poor water quality & conditions the soil which will improve drainage.
- B Apply sub-soil-moisture fertilizer application after completion of the aerification and top dressing at a rate of 200 lbs. per acre. Aid in plant recovery from aerification.
- C Apply ammonium sulfate 21-0-0 fertilizer at 200 lbs. per acre after completion of the aerification and top dressing. Aid in recovery from aerification. Aid help neutralize bed influence in the soil.
- D Apply foliar fertilizer with micronutrients two weeks after application. Aids recovery of turf damage & restores color. May want to do this every two weeks.

These follow up steps are to be performed by the County within the first 30 days after the Deep Drill Aerification

- 1. Apply ammonium sulfate 21-0-0 fertilizer at 200 lbs. per acre. Stimulate new growth.
- 2. Add in fertilizer help neutralize influence in the soil.
- 3. Deep the aerification with 5/8" solid or hollow tires to an eight inch depth in two directions. Vacuum and dispose of cores off the field. Type of tire & field procedures will have to be adjusted per field conditions at the time of aerification. Depending on the weather & field conditions at the time, the idea is to combine conditioning the soil to improve root growth & drainage. If the turf is not very strong at this time substitute Aerway solid tire aerification.
- 4. Top dress the playing field surface with 200 lbs. ammoniated super phosphate and 25 tons per acre. This should be done after the seed is broadcast.
- 5. Apply gypsum at the rate of 25 lbs. per one thousand square feet. This application will supplement material already in the ground & condition the soil for better drainage.
- 6. Verticut field very lightly in preparation for ryegrass over seeding. Light verticutting is a common practice before overseeding. This is optional depending on the density of the turf. If the turf manager feels due to the close timing of the vertifications & has then or worn turf this may be detrimental this step may be skipped.
- 7. Apply a pre-plant fertilizer 3-7-2 at a rate of 300 lbs. per acre. This will help the establishment of the new turf. Having no knowledge of the other recent fertilizations or soil fertility existing this is a safe procedure. It is very possible to double the rate with no ill effects.
- 8. Over seed turf areas with ryegrass seed at a rate of ten lbs. per thousand. This is a recommended rate. A rate of 15 pounds per thousand might be better initially but may create problems next spring during transition back to Bermuda grass. This should be the turf manager's call at the time of application.
- 9. Apply foliar fertilizer or application two weeks after over seeding. This will help new seed establish & improve turf.
- 10. Apply a fungicide application as needed for disease prevention to established ryegrass. Disease is very possible at this stage especially with contrary weather conditions. Preventative or curative applications should be applied as needed.

**SECOND AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT  
BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS  
BASEBALL, LTD.**

THIS SECOND AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment", is made and entered into this 26<sup>th</sup> day of January, 2011, by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

**FINDINGS**

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, on or about January 26, 2010, the County and the Rays entered into an Amendment to the Charlotte Sports Park Agreement (the "First Amendment") wherein the Rays assumed year-round, full time, responsibility for the maintenance of the Sports Park Fields at the Sports Park; and

WHEREAS, the Rays have now requested that the County amend the Agreement to permit the Rays to occupy Building "B" at the Sports Park and to provide that the Rays will assume the responsibilities for landscaping maintenance for the common grounds surrounding the Sports Parks Fields, as further described and designated in this Amendment, on a year-round, full time basis.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

**I. Purpose.**

The purpose of this Amendment is to permit the Rays to occupy Building "B" at the Sports Park and the assumption of year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Parks Fields by the Rays.

**2. Building B - Charlotte County Sports Park**

(a) Beginning January 26<sup>th</sup> 2011, the Rays will have sole use of Building B, as designated and identified on Exhibit A which is attached hereto and incorporated herein by reference, consistent with those areas of the Sports Park outlined in Section 5(d) of the Agreement; however, the Rays will make reasonable good faith efforts to make the locker room and shower/grooming areas available for tournaments or other meetings/events booked and/or approved by the County during all times of the year, except for those designated under Section 5 (a), (b) and (c) in the Agreement (spring training, extended spring training, instructional

league). The County is solely responsible for any improvements required to make the locker room/grooming areas available to the public for tournaments or other meetings/events booked and/or approved by the County, including any improvements required by the Americans with Disabilities Act.

(b) The Rays will not charge a fee for use of the locker room and shower/grooming areas for tournaments or other meetings/events. The County will be responsible for cleaning these areas after any tournament or other event. Building B shall be covered under Section 9(a) of the Agreement, and as per that section, the County shall maintain, repair, and restore all properties at the facility at no cost to the Rays, except the Rays shall provide for housekeeping and cleaning services to the clubhouse and office space it uses at no cost to the County. Additionally, as per Section 9(a) of the Agreement, the County will not be responsible for any maintenance, repairs, or restoration related to damage occurring to property as a result of negligent acts or omissions of the Rays, its officers, agents, or employees.

(c) Section 5(d) of the Agreement is clarified to include the entirety of the building housing both major and minor league clubhouses, as well as the Rays' administrative offices, as a defined area of sole use by the Rays.

(d) Building B will be turned over to the Rays in a clean condition; all materials and items currently housed in Building B will be removed before January 26<sup>th</sup> with the exception of any items currently stored in the existing laundry room within Building B, which will still be available for County storage.

(e) Similar to current provisions within the Agreement, the Rays, at their sole discretion and cost, may make reasonable facility enhancements to Building B, including, but not limited to lighting, painting, etc. Any major capital improvements to Building B would require the approval of the County, and can be considered for CIP funds. During the term of this Amendment either the Rays or the County have the right to present to the other party ideas for major capital improvements to Building B that would encourage and support additional use of Building B as a first-class major league baseball facility.

### **3. Landscape Maintenance - Charlotte County Sports Park**

(a) The following lists the overall scope of services the Rays will provide for landscape maintenance within the Project Area, as noted on the attached Exhibit A. The term "Project Area" as used in this Amendment and as shown on Exhibit A shall mean and include those common grounds within the Project Area exclusive of the Sports Fields.

- Mow and edge all common areas
- Trim all trees and bushes
- Maintain seasonal and annual plantings in all islands and beds, including the green roof
- Keeps islands, beds and fence lines weed free, including the green roof bed located on the roof of the Rays Clubhouse
- Spray herbicides/pesticides as needed.

(b) The County will continue to be responsible for maintaining all areas outside of the Project Area, including, but not limited to the stadium parking lot and right-of-ways along El Jobean Road and Esther Street, and the regular maintenance and any necessary repairs to the irrigation system within the Project Area; except that the Rays shall be responsible for any damages/repairs to the irrigation system, including sprinkler heads, caused by the Rays. The County will also provide the Rays the use of a lift once a year for tree trimming, at a time

coordinated with the Rays Head Groundskeeper, small start-up tools for the services provided to the extent available, and be responsible for the replacement of any trees, bushes or sod that die from hard weather, frost or other Acts of God.

**4. Energy Savings Plan**

County and the Rays agree to work together to identify opportunities for energy savings that do not negatively impact overall operations around and throughout the overall Sports Park facility. The parties agree to work together to develop an action plan within ninety (90) days of the effective date of this Amendment identifying possible energy savings methods or programs.

**5. TERM.**

The term of this Amendment shall begin on the Effective Date and shall terminate simultaneously with the termination of the Agreement.

WHEREAS, on or about January 25, 2011, the County and the Rays entered into the Second Amendment to the Agreement which allowed the Rays to occupy Building "B" at the Sports Park and to provide landscaping maintenance for the common grounds surrounding the Sports Park Fields on a full-time, year-round basis; and

WHEREAS, on or about September 9, 2014, the County and the Rays entered into the Third Amendment to the Agreement which provided for additional funding from each of the Parties to be placed in the Capital Reserve Fund; and

WHEREAS, pursuant to the terms of the Agreement, the County and the Rays (collectively the "Parties") now wish to amend the Agreement by providing for the leasing of field maintenance equipment to be used at the Sports Park and providing for joint funding from the Parties.

WHEREAS, the Parties executed a First Amendment to the Agreement on January 26, 2010 to provide for the assumption of year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5 ½ practice fields within the Sports Park complex by the Rays; and

WHEREAS, the Parties executed a Second Amendment to the Agreement on January 25, 2011 to permit the Rays to occupy Building "B" at the Sports Park and the assumption of year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Parks Fields by the Rays; and

WHEREAS, the Parties executed a Third Amendment to the Agreement on September 9, 2014 to provide for additional capital reserve funding contributions by the County and the Rays; and

WHEREAS, the Parties executed a Fourth Amendment to the Agreement on February 23, 2016 to provide for the leasing of field maintenance equipment by the Rays as agreed upon by the Parties in replacement of the County Field Maintenance Equipment provided to the Rays as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, pursuant to the terms of the Agreement amended on September 9, 2014, an asset renewal/reserve fund (the "Capital Reserve Fund") was established to be spent on the facility subject to the terms and conditions mutually agreed upon by the Rays and the County, with capital repair and improvements given the highest priority; and

WHEREAS, the balance of the Capital Reserve Fund has been depleted over the years; and

WHEREAS, the County and Rays (collectively the "Parties") now wish to amend the Agreement by providing for additional funding from each of the Parties to be placed in the Capital

## Methodology

The following research project was undertaken at the request of Charlotte County's Board of County Commissioners.

The research's objectives, as documented in the survey questionnaire (approved by the contracting parties), reflect the full scope of the project undertaken. The principal purpose of this study was to document the economic impact of the 2018 Tampa Bay Rays Spring Training season. In this context, the study tabulates and profiles both tourist/visitors and day-trippers who came to the area for Spring Training games.

**The findings of the study are based on 355 face-to-face interviews** conducted with randomly selected fans at 2018 Tampa Bay Rays Spring Training games. Our economic impact calculations address non-Charlotte resident game attendees. *Please note that the economic impact estimates detailed in the following report only include fan spending. They do not address the spending of the stadium, the Tampa Bay Rays team, visiting teams, or media in the destination.*

**Research Data Services, Inc.** is responsible for the design and analysis of this project. The research was implemented by staff interviewers, trained, and supervised by **RDS** professionals. The study questionnaire, processing softwares, optical scanning programs, and related materials developed and used in and for this project, as well as this report are protected by the copyright laws of the United States of America.

### Summary of Research Findings

The objective of the Tampa Bay Rays’ Spring Training research was to document the economic impact of the team’s 2018 season. Attendance figures, provided by the team, indicate that some 69,731 fans attended the 15 Tampa Bay Rays home Spring Training games in the Charlotte Sports Park between February 23, 2018 and March 26, 2018. ***The total economic impact of fans attending 2018 Tampa Bay Rays Spring Training games is estimated to be \$14,547,500.***

*The following, in summary, are the most salient findings of the research:*

**A. The Economic Impact of 2018 Tampa Bay Rays Spring Training on Charlotte County:**

Estimated Attendee Economic Impacts	Direct Expenditures	Economic Impact
Overnight Charlotte County Visitors	\$6,542,200	\$9,976,900
Day-Trippers	\$2,997,100	\$4,570,600
Out-of-County Spring Training Attendees	\$9,539,300	\$14,547,500

Some 64.4% of overnight visitors say that attending a Spring Training game was a primary factor in bringing them to Charlotte County. The total economic impact of these visitors’ spending accounts for an estimated \$6,090,600 of value added to the destination. Overnight attendees, who stayed in paid accommodations and say Spring Training was a primary factor in their Charlotte visit, generated some 9,100 room nights for the County’s tourism industry. Commercial lodging visitors who came to the destination for reasons other than Spring Training, but attended a game as part of their Charlotte experience, represent an additional 3,900 room nights.

Additionally, residents and seasonal residents of Charlotte County spent an estimated \$1,566,800 attending Spring Training games.

*Note: The above economic impact estimates solely include fan spending. They do not address the spending of the stadium, the Tampa Bay Rays team, visiting teams, or media in the destination.*

**SERIES 2016**

**Dated: Date of Delivery**

**Due: September 1 (see inside cover)**

The City of Bradenton, Florida Special Obligation Revenue Refunding Bonds, Series 2016 (the "Series 2016 Bonds") will be issued only as fully registered bonds and will be initially registered only in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Series 2016 Bonds. The Series 2016 Bonds will be available to purchasers in denominations of \$5,000 and any multiple thereof only under the book-entry system maintained by DTC through brokers and dealers who are, or act through, DTC Participants. Purchasers will not receive delivery of the Series 2016 Bonds. So long as any purchaser is the Beneficial Owner (as defined herein) of a Series 2016 Bond, the purchaser must maintain an account with a broker or dealer who is, or acts through, a DTC Participant to receive payment of principal of and interest on such Series 2016 Bond. See "DESCRIPTION OF THE SERIES 2016 BONDS - Book-Entry Only System" herein. Interest on the Series 2016 Bonds will be payable semiannually on March 1 and September 1 of each year, commencing on September 1, 2016.

The Series 2016 Bonds are being issued pursuant to the Constitution and laws of the State of Florida, particularly Chapter 166, Florida Statutes, and other applicable provisions of law, and Resolution 16-33, adopted by the City Council of the City of Bradenton, Florida (the "City") on June 8, 2016 (the "Resolution") for the purpose of providing funds, together with other legally available funds of the City, to (i) refund the City's outstanding Special Obligation Revenue Bonds, Series 2007, and (ii) pay the costs of issuance of the Series 2016 Bonds.

The Series 2016 Bonds are subject to optional redemption prior to maturity as described herein.

The principal and interest on the Series 2016 Bonds are payable from and secured by a pledge of and lien upon (1) the Pledged Revenues (consisting of Retained Spring Training Franchise Sales Tax Revenues as such term is defined herein), and (2) until applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in the funds established by the Resolution, other than the Rebate Fund, all in the manner and to the extent described herein and in the Resolution (collectively, the "Pledged Funds"). The City has covenanted to appropriate in its annual budget, by amendment, if necessary, such amounts of Non-Ad Valorem Revenues (as defined herein and in the Resolution) which are not otherwise pledged, restricted or encumbered, as shall be necessary, after taking into consideration the Pledged Funds, to pay the principal of and interest on the Series 2016 Bonds when due and all required rebate payments and to fund the Reserve Fund to the extent of any deficiencies therein. Such covenant to appropriate Non-Ad Valorem Revenues is not a pledge by the City of such Non-Ad Valorem Revenues and is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds or other debt instruments) and also to the payment of services and programs which are for essential public purposes affecting the health, safety and welfare of the inhabitants of the City or which are legally mandated by applicable law. The City currently intends to pay debt service on the Series 2016 Bonds first with Pledged Revenues and thereafter from appropriated Non-Ad Valorem Revenues. See "SECURITY FOR THE SERIES 2016 BONDS" herein.

THE SERIES 2016 BONDS SHALL NOT BE OR CONSTITUTE GENERAL OBLIGATIONS OR INDEBTEDNESS OF THE CITY AS "BONDS" WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION, BUT SHALL BE SPECIAL OBLIGATIONS OF THE CITY, PAYABLE SOLELY FROM AND SECURED BY THE PLEDGED FUNDS (INCLUDING AMOUNTS BUDGETED AND APPROPRIATED BY THE CITY FROM NON-AD VALOREM REVENUES IN ACCORDANCE WITH THE RESOLUTION), IN THE MANNER SET FORTH IN THE RESOLUTION. NO HOLDER OF ANY SERIES 2016 BOND SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER TO PAY SUCH SERIES 2016 BOND, OR BE ENTITLED TO PAYMENT OF SUCH SERIES 2016 BOND FROM ANY MONEYS OF THE CITY, EXCEPT FROM PLEDGED FUNDS, IN THE MANNER AND TO THE EXTENT PROVIDED IN THE RESOLUTION.

**INTRODUCTORY STATEMENT**

This Official Statement including the cover page, inside cover page and appendices, is provided by the City of Bradenton, Florida (the "City"), in order to set forth certain information regarding the City and the City's \$14,280,000 aggregate principal amount of Special Obligation Revenue Refunding Bonds, Series 2016 (the "Series 2016 Bonds"), authorized by Resolution No. 16-33, adopted by the City Council (the "Council") on June 8, 2016 (the "Resolution"). This introduction is subject in all respects to the more complete information and definitions contained or incorporated in this Official Statement and should not be considered to be a complete statement of the facts material to making an informed investment decision.

The Series 2016 Bonds are being issued pursuant to the Constitution and laws of the State of Florida, particularly Chapter 166, Florida Statutes, the Charter of the City, and other applicable provisions of law, and the Resolution. The Series 2016 Bonds need not be approved by a vote of the electors of the City.

The Series 2016 Bonds are being issued for the purpose of providing funds, together with other legally available funds of the City, to (i) refund the City's outstanding Special Obligation Revenue Bonds, Series 2007 (the "Refunded Bonds"), and (ii) pay the costs of issuance of the Series 2016 Bonds. See "PLAN OF REFUNDING" herein.

The principal of and interest on the Series 2016 Bonds are payable from and secured by a pledge of and lien upon (1) the Pledged Revenues (consisting of Retained Spring Training Franchise Sales Tax Revenues as such term is defined herein), and (2) until applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in the funds established by the Resolution, other than the Rebate Fund, all in the manner and to the extent described herein and in the Resolution (collectively, the "Pledged Funds"). The City has covenanted to appropriate in its annual budget, by amendment, if necessary, such amounts of Non-Ad Valorem Revenues (as defined herein and in the Resolution) which are not otherwise pledged, restricted or encumbered, as shall be necessary, after taking into consideration the Pledged Revenues, to pay the principal of and interest on the Series 2016 Bonds when due and all required rebate payments and to fund the Reserve Fund to the extent of any deficiencies therein. Such covenant to appropriate Non-Ad Valorem Revenues is not a pledge by the City of such Non-Ad Valorem Revenues and is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds or other debt instruments) and also to the payment of services and programs which are for essential public purposes affecting the health, safety and welfare of the inhabitants of the City or which are legally mandated by applicable law. The City currently intends to pay debt service on the Series 2016 Bonds first with Pledged Revenues and thereafter from appropriated Non-Ad Valorem Revenues. See "SECURITY FOR THE SERIES 2016 BONDS" herein.

All capitalized terms used in this Official Statement not normally capitalized and not otherwise defined herein, shall have the same meaning as provided in the Resolution. The form of the Resolution is attached to this Official Statement as APPENDIX C. The descriptions of the Series 2016 Bonds, the documents authorizing and securing the same, and the information from various reports and statements contained herein are not comprehensive or definitive. All references herein to such documents, reports and statements are qualified by the entire, actual content of such documents, reports and statements. Copies of such documents, reports and statements referred to herein that are not included in their entirety in this Official Statement may be obtained from the City.

## THE CITY

The City, incorporated in 1903, is located on the west coast of Florida, in Manatee County (the "County"), approximately forty miles south of Tampa on the southern reaches of Tampa Bay. The City encompasses 14.55 square miles and has a population of approximately 52,534. The City provides a full range of services including police, fire, planning and development, water, sewer, solid waste and recycling services, as well as providing cultural and recreational facilities. For additional information concerning the City, see "APPENDIX A - General Information Regarding the City of Bradenton and Manatee County, Florida" attached hereto.

## PLAN OF REFUNDING

Pursuant to the Bond Resolution, the City has determined it to be in its best interest to refund the Refunded Bonds currently outstanding in the amount of \$14,705,000 with proceeds from the Series 2016 Bonds and other legally available moneys of the City.

Concurrently with the delivery of the Series 2016 Bonds, proceeds from the Series 2016 Bonds, together with other legally available moneys of the City, shall be deposited into an escrow deposit trust account (the "Escrow Account") pursuant to the terms and provisions of the Escrow Deposit Agreement between the City and U.S. Bank National Association, Orlando, Florida, as Escrow Agent thereunder (the "Escrow Deposit Agreement"). The moneys deposited pursuant to the Escrow Deposit Agreement shall be applied to the purchase of certain United States Treasury obligations (the "Escrow Securities") so as to produce sufficient funds to pay the principal of, and interest on the Refunded Bonds as the same become due or are earlier redeemed. The Refunded Bonds will be called for redemption on September 1, 2017 (the "Redemption Date") at a redemption price of 100% of the principal amount of such Refunded Bonds, plus accrued interest to the Redemption Date. Upon the deposit of such moneys in the Escrow Account, in the opinion of Bond Counsel, rendered in reliance upon certain mathematical computations performed by Raymond James & Associates, Inc., the Underwriter, as verified by Integrity Public Finance Consulting LLC, Jacksonville, Florida (the "Verification Agent") as described below, the Refunded Bonds shall be deemed to be paid and shall no longer be deemed to be secured by or entitled to the benefits of the Resolution pursuant to which they were issued. The Verification Agent is a wholly owned subsidiary of Bryant Miller Olive P.A. The holders of the Refunded Bonds shall be entitled to payment solely out of the moneys and Escrow Securities deposited pursuant to the Escrow Deposit Agreement. The moneys and Escrow Securities on deposit in the Escrow Fund will not be available for payment of the Series 2016 Bonds.

Upon delivery of the Series 2016 Bonds, the Verification Agent will verify the accuracy of the arithmetical computations of the adequacy of the maturing principal amount of, and interest on the Escrow Securities, together with any uninvested amounts, to be held in the Escrow Account to pay the

principal and interest on the Refunded Bonds on the Redemption Date, and the "yield" on the Series 2016 Bonds and on the Escrow Securities considered by Bond Counsel in connection with its opinion that the Series 2016 Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Code, as amended. See "VERIFICATION OF MATHEMATICAL COMPUTATIONS" herein.

In reliance upon the above-referenced schedules, at the time of delivery of the Series 2016 Bonds, Bond Counsel will deliver to the Underwriter and the City an opinion to the effect that all covenants, agreements and other obligations of the City to the holders of the Refunded Bonds have ceased, terminated and become void and are discharged and satisfied.

The Team shall be responsible for any deductible sums due and payable under any insurance required to be maintained under this Lease. The Team shall name the City as an "additional insured" on all commercial general liability policies. Such insurance shall provide coverage against all claims against the Team and the City for bodily injury (including death) and property damage resulting directly or indirectly from the control and operation of the Complex by the Team, and any act, omission or activities of the Team, its officers, employees or agents, in connection with the Complex, with a company or companies licensed to do business in the State of Florida and with a rating by Best's Insurance Reports or any successor publication of comparable standing of A / VII or better. ### Section 9.4 Restoration.

(a) All insurance proceeds payable with respect to any casualty to the Complex where the proceeds payable are less than One Million Dollars (\$1,000,000), as such sum may be increased during the Lease Term, based upon annual CPI Increases, shall be disbursed directly to the Team, and the Team shall promptly restore the Complex to a condition comparable to that previously existing, subject to such plans and specifications, and pursuant to such contracts, as are approved by the City in the manner applicable to Alterations under this Lease.

(b) All other proceeds of property insurance payable for replacement, restoration or repair of the damaged portions of the Complex under the policies required hereunder shall be deposited in the Restoration Fund and invested in Government Securities. The interest or income received on all deposits or investments of any moneys in the Restoration Fund shall be added to the Restoration Fund. Restoration shall be performed by the Team and payment from the Restoration Fund shall be in accordance with the following conditions:

(i) there shall be paid to the Team from such insurance proceeds such part thereof as shall equal the cost of making such temporary repairs or doing such other work as in the reasonable opinion of an architect (selected by the Team) may be necessary in order to protect the Complex pending the adjustment of the insurance loss;

(ii) there shall be paid to the Team from such insurance proceeds such part thereof as shall equal the cost of repairing, restoring or reconstructing the Complex or of any part thereof or of erecting a new building or structure or improvement or part thereof so that upon completion of such repairs, restoration, reconstruction, or erection of the building or structure or improvement shall be equal to the value of the replacement value of the building or structure or improvement;

(iii) payments pursuant to the paragraphs (i) or (ii) of this Subsection 9.2(b)(iii) from such insurance proceeds shall be made by the Team from the Restoration Fund from time to time as the work progresses in amounts equal to the cost

of labor and materials incorporated into and used in such work and builders', architects' and engineers' fees and other charges in connection with such work upon delivery to the Team of a certificate of the architect or engineer in charge of such work certifying that the work has been performed in accordance with the applicable contract documents and that such amounts are then due and owing under the applicable contract.

(c) Any deductibles paid (not to exceed \$50,000, subject to CPI Increases) by the Team under this Section 9.2 shall be reimbursed out of the Capital Reserve Fund.

(d) In the event that any of the insurance proceeds paid by the insurance companies shall remain after the completion of such repairs, restoration, reconstruction or erection, and after payment to the Team of any business interruption or other business loss that it is entitled to be compensated for under the applicable policies, the excess shall be deposited in the Capital Reserve Fund.

(e) In the event that the insurance proceeds paid, as hereinabove provided, together with the funds available in the Capital Reserve Fund are insufficient for making such permanent repairs, restoration or reconstruction or erection and no Party is willing to provide the additional funds needed therefor, the City or the Team shall notify the other Party of such determination in writing and thereupon this Lease shall cease and terminate. In such case, after payment under the applicable policies to the Team for any entitled compensation for business interruption, other business loss or damaged furniture, fixtures and equipment paid for by the Team, then the total insurance proceeds paid shall be paid to the City.

## ARTICLE 10 DEFAULT AND REMEDIES

### Section 10.1 Events of Default.

Each of the following shall constitute an "Event of Default" under this Lease:

(a) Team Event of Default.

(i) The Team's failure to perform or observe any covenant or condition of this Lease, which failure shall continue for thirty (30) days after receipt of written notice to the Team by the City identifying with particularity the failure or violation; provided that, so long as such failure is of a non-monetary nature susceptible to cure but is not reasonably capable of being cured within such thirty (30)-day period, there shall exist no Event of Default if the Team promptly advises the City of the Team's intention to duly institute all steps necessary to cure such default and the Team promptly commences cure of such failure, and diligently pursues such cure to completion; and

(ii) Any representation or warranty made by the Team herein shall prove to have been incorrect when made, in any material respect.

(b) City Event of Default.

(i) The City's failure to fund the Capital Reserve Fund in the amounts required by this Lease, or the City's failure to perform or observe any other covenant or condition of this Lease, which failure shall continue for thirty (30) days after receipt of written notice to the City by the Team identifying with particularity the failure; provided that, so long as such failure or violation is of a non-monetary nature susceptible to cure but is not reasonably capable of being cured within such thirty (30)-day period, there shall exist no Event of Default if the City promptly advises the Team of the City's intention to duly institute all steps necessary to cure such default and the City promptly commences cure of such failure or violation, and diligently pursues such cure to completion; and

Each Party waives the right to assert the defense that such breach or violation can be compensated adequately in Damages in an action at law.

Section 10.3 Remedies Cumulative; Waiver.

All rights and remedies set forth in this Lease are cumulative and in addition to the Parties' rights and remedies at law or in equity. A Party's delay or failure to exercise or enforce any rights or remedies shall not constitute a waiver of any such rights, remedies or obligations. No Party shall be deemed to have waived any default unless such waiver is expressly set forth in an instrument signed by such Party. If a Party waives in writing any default, then such waiver shall not be construed as a waiver of any covenant or condition set forth in this Lease except as to the specific circumstances described in such written waiver. Neither payment of a lesser amount than the sum due hereunder nor endorsement or statement on any check or letter accompanying such payment shall be deemed an accord and satisfaction, and the other Party may accept the same without prejudice to the right to recover the balance of such sum or to pursue any other remedy.

Section 10.4 Waiver of Consequential, Special and Punitive Damages.

Notwithstanding anything in this Lease to the contrary, the Team and the City waive against each other and their respective Affiliates any claims or causes of action for consequential, special and punitive damages or losses (including loss of use or anticipated profits) that either Party may suffer as a result of the breach or other default of this Agreement by

# Spring Training Ready to Descend Upon Florida and Arizona, But at What Cost?

7 Feb. 2018

### Economic Benefits Can Be Outweighed by Cost of Facilities, Payments to Teams

Many MLB teams open their spring training on February 14, which in some cases, means a sweetheart deal for communities in Arizona and Florida, currently gearing up for an influx of teams and fans that collectively give significant boosts to local economies.

Arizona's Cactus League, which includes 15 teams, many of which share stadiums, touts Spring Training's economic boon on its own website:

*The stats are in and they are good! According to a pair of studies released by the governor's office and members of the non-profit Cactus League Baseball Association, spring training baseball has become a driving force in Arizona's economy. The studies estimate that spring training generates \$544 million annually in economic impact for the state*

*of Arizona. Six out of every ten fans attending Cactus League games travel from out-of-town to visit and experience spring training baseball in Glendale, Goodyear, Mesa, Peoria, Phoenix, Scottsdale, Surprise and Tempe*

**The Grapefruit League, comprised of 15 teams that train in Florida and don't share stadiums, reports an even larger economic impact. More than \$750 million, according to a Florida Sports Foundation ad in the 2018 Florida Spring Training Guide.**

**Additionally, Airbnb reported last year that all 12 Grapefruit League cities saw "significant spikes" in Airbnb guest arrivals during the five weeks of spring training, compared to the previous five weeks. "Spring training represents a foundational component of the local economies for these 12 Florida cities," Tom Martinelli, public policy director for Airbnb Florida, said in April 2017. "By expanding lodging capacity for regions with limited hotel inventory, Airbnb hosts helped welcome more families and baseball fans to their cities while serving as ambassadors for their local communities."**

While the communities that host spring training teams are in the money, some of the facilities where those teams play continue to struggle. The \$152 million Camelback Ranch opened in Glendale, Ariz., in 2009 as the spring home of the Los Angeles Dodgers and Chicago White Sox, but — thanks to a fizzling local economy and interest rates — the city owed about \$331 million on the stadium as of last summer.

#### As KJZZ-FM reported:

*When it was originally conceived, Camelback Ranch was to be the centerpiece for one of Glendale's biggest revenue sources. But plans to develop the land around the Cactus League venue fizzled during the Great Recession. Camelback Ranch has so far been a money pit for Glendale.*

*"Everything came to fruition, except for the mixed-use project," Bailey said. "And that was to be the funding source for what was the facility."*

*Retail, hotels and a golf course were planned for around Camelback Ranch, which Glendale agreed to build in 2007. But the economy tanked in 2008. The venue opened in 2009, and developers failed to deliver sales tax generators needed to pay for the project.*

*Now the facility is only projected to bring in \$160,000 over the next year, and there's still no developer.*

A similar scenario could have played out in Viera, Fla., especially after the Florida Marlins, then the Montreal Expos and finally the Washington Nationals all moved out of the Brevard County-owned Space Coast Stadium. Instead, "a plan to lease the facility and the adjoining practice field to U.S. Specialty Sports Association (USSSA) may end up providing a more sustainable boost to the local economy than spring training did," according to a recent [BallparkDigest.com](#) report. "The sports-tourism firm is working to fill the ballpark and 15 adjoining fields with enough events to fill 75,000 nights of hotel room rentals annually."

#### According to FloridaToday.com:

*Starting this month, USSSA will be holding events almost every weekend or full week during 2018 at what's now known as the USSSA Space Coast Complex. The complex includes 15 baseball and softball fields of various sizes, with artificial turf and lights to accommodate night games.*

*"It's going to grow our sports tourism tremendously," said Tom Bartosek, the Office of Tourism's tourism operations coordinator and the office's point person on sports events. "It's going to have a very big impact, and it's like nothing we've seen. The hotels are going to see it. The restaurants are going to see it. The stores are going to see it. It's going to be a big economic impact. It's going to be great."*

*"That's not the only former spring training facility generating economic activity in Florida," BallparkDigest.com concluded. "Tournaments at Chain of Lakes Park (former Cleveland Indians and Boston Red Sox spring home) and Cocoa Expo Sports Complex (former Houston Astros and Florida Marlins spring home) are expected to generate some 5,000 nights of hotel reservations. ... Add in the former Dodgertown complex in Vero Beach, and you have plenty of old spring-complexes shown new life with sports tourism."*

**TALLAHASSEE, Fla.** – The Florida Sports Foundation today announced that the 2018 Florida Grapefruit League generated an economic impact of \$687.1 million for the State of Florida. The Florida Grapefruit League takes place annually during the Major League Baseball (MLB) Spring Training season and features 15 MLB teams in 12 cities.

The 2018 Florida Spring Training Economic Impact Study was completed by Tallahassee-based Downs & St. Germain Research to determine the Grapefruit League’s overall economic impact, including number of attendees, jobs created, and the overall associated wages for employees.

Governor Rick Scott said, “Each year, fans from around the world come to Florida to enjoy spring training. With incredible experiences, like spring training, happening in Florida, our tourism industry continues to break records. I encourage everyone who came to Florida for spring training this year to make plans to come back next year. Those who have never been to spring training in the Sunshine State, should make this unique experience a priority for next year.”

Angela A. Suggs, President and CEO of the Florida Sports Foundation said, “The Sunshine State offers exceptional opportunities for residents and visitors to enjoy the national pastime of Spring Training. We are pleased with the continued success of the Florida Grapefruit League and look forward to many more exciting opportunities to showcase the many communities in Florida, where the world comes to play.”

The study showed a 61 percent increase from the adjusted total of the last study completed in 2009. The new methodology accounted for fans who attended multiple games during Spring Training not previously included in the 2009 study. Approximately 1,500 of the 1,497,306 attended fans were surveyed to generate the League's economic impact and fan spending throughout the 13 Spring Training ballparks. Fan spending data was collected during multiple games at all 15 Florida Spring Training teams' games between February 23 and March 27.

A key finding of the survey showed that of the averaged total of 6,318 fans per game, 70 percent were from outside of the host teams' local markets (52 percent out of state; 18 percent out of county). Those fans generated nearly \$584 million in economic impact. In this survey, non-local fans are categorized as individuals who were not residents of the counties in which the 13 ballparks are located.

Downs & St. Germain's findings also showed that 7,152 jobs are created annually by Florida Spring Training, accounting for \$253.5 million in wages. Fans attending games were responsible for 355,590 paid accommodation room nights at Florida-based lodging destinations. In total, fans attended an average of 2.9 games.

The Sunshine State's annual MLB Spring Training continues to connect with fans throughout Florida and the country as those who surveyed gave their experience in Florida an average 9.3 rating on a 10-point scale. Eighty-six percent of fans are making plans to return for the 2019 Florida Spring Training season.

Florida Spring Training dates back to the late 1800s. Under the leadership of former St. Petersburg Mayor Al Lang, four teams were recruited to play in the greater St. Petersburg area for pre-season workouts and eventually grew to nine of the MLB's then 12 teams in 1925. The number of participating teams in the Grapefruit League has since grown to 15 of MLB's 30 teams. Since that time, over 50 Florida communities have hosted MLB Spring Training and eight teams have held their spring training in Florida communities for over 70 years. Since 2000, nearly 30 million fans have attended MLB Spring Training games in Florida.

**Highlights from Florida's MLB Spring training in 2018 included:**

- The New York Yankees had the highest per game average with 9,882 fans attending 16 games at George M. Steinbrenner Field in Tampa.
- The most attended day of the 2018 season was Saturday, March 24, when 64,069 fans attended the eight games of the day, for an average of 8,009 per game.
- Houston's 2017 World Series Championship resulted in a 21 percent increase in attendance for the Astros at the Ballpark of the Palm Beaches. A total of 67,931 fans attended the Astros' Spring Training Games, up from 55,881 in 2017.
- Seven teams, including the Atlanta Braves, Baltimore Orioles, Boston Red Sox, Detroit Tigers, Minnesota Twins, New York Yankees and Philadelphia Phillies, topped the 100,000 total attendance mark.
- The Red Sox had the top total attendance of the 2018 season, with 165,688 fans attending 17 games at Jet Blue Park in Fort Myers.

**CRITERIA #3.** *The applicant has a financial commitment to provide 50 percent or more of the funds required by an agreement for the acquisition, construction, or renovation of the facility for a retained spring training franchise. The agreement can be contingent upon the awarding of funds under this section and other conditions precedent to use by the spring training franchise.*

Through the issuance of an \$18.6 million bond, the City of Bradenton provided more than 50% of the cost of renovating the Pirates' spring training facilities. Bradenton also contributes annually to a capital 'reserve' fund for continued improvements to the facilities. In addition to the improvements made in 2007, a \$10 million renovation to McKechnie Field (LECOM) was made in 2012, leading *Ballpark Digest* to honor McKechnie Field as the "Best Ballpark Renovation" of 2013, the Best Florida Spring-Training Park of 2017, and the Best High-A Minor League Stadium in Florida in 2018. In 2017 a \$999,507 contribution from the TDC resulted in the installation of a new scoreboard at LECOM Park. Additionally, a Grant from the Department of Economic Development resulted in the construction of an additional field at the Tournament Sports Park at Pirate City.

**CRITERIA #4.** *The applicant has projections, verified by the Office of Tourism, Trade, and Economic Development, which demonstrate that the facility for a retained spring training franchise will attract a paid attendance of at least 50,000 annually.*

The Pirates' facilities host both Major League spring training AND the Bradenton Marauders, the Pirate's "A" club of the Florida State League. Annual attendance at LECOM Park for 2018:

Pirates – 96,363 over 16 games (6,023 per game)  
Marauders – 78,198 – 66 games

**CRITERIA #5.** *The facility for a retained spring training franchise is located in a county that is levying a tourist development tax pursuant to F.S. 125.0104.*

The City of Bradenton is located in Manatee County, which levies a 5% tourist development tax.

2.49 "Term" shall have the meaning set forth in Section 3.1.

3. Term.

3.1 Initial Term. The initial term of this Agreement shall commence ("Commencement Date") on the later of (i) January 1, 2003 or (ii) the date on which the entire Sports Facility is "Complete" (as defined in the SFDA) and shall end on December 31 of the year in which occurs The Phillies' twentieth full Spring Training Season at the Sports Facility . The "Term" shall mean the initial term as such term may be extended, renewed or terminated as provided for in this Agreement.

3.2 Rights of The Phillies Prior to Commencement Date. This Agreement becomes effective as of the date hereof. Prior to the Commencement Date, The Phillies shall have all rights hereunder necessary or convenient to enable The Phillies to prepare for its operations at the Sports Facility during the Term and to the exercise of the approvals and consents granted to it hereunder and under the SFDA, including, without limitation, the right to enter onto the Sports Facility. The Phillies' rights, obligations, and duties pursuant to Section 13 shall be applicable to any such activities of The Phillies at the Sports Facility prior to the Commencement Date.

3.3 Options to Renew. The Phillies shall have, and the City hereby grants to The Phillies, the option of renewing this Agreement and of extending the initial term for an additional five-year period, on the same terms as are set forth in this Agreement. That option shall be exercisable by The Phillies by written notice to the City not less than one year prior to the then scheduled expiration of the Term; provided that the option may not be exercised at a time when The Phillies are in Default

hereunder. If The Phillies duly exercise that option and if the parties hereto shall thereafter so agree, this Agreement may be extended for three additional five-year periods, on such terms as may be contained in such future agreements to extend.

3.4 Jack Russell Stadium Lease. The lease between the City and The Phillies relating to Jack Russell Stadium, as heretofore and hereafter amended, shall, without further act or deed, end on the Commencement Date, as if the Commencement Date had been expressly fixed in that lease as the last day of the term thereof.

4. Certain Covenants of the Parties.

4.1 Ownership of Sports Facility. The City covenants and agrees that, at all times during the Term, the Sports Facility will be owned by the City, with complete and sufficient right to make use of the Sports Facility available to The Phillies on the terms and with the rights herein provided, subject only to restrictions of record as of the date hereof as reflected in the title report delivered by the City pursuant to the SFDA. This Agreement does not create or grant any real property interest or similar right, title or interest in the Sports Facility to The Phillies or any of its Affiliates.

4.2 Delivery of the Sports Facility. Subject to the timely completion of all actions required of The Phillies under the SFDA, the City covenants and agrees to make the Sports Facility available for The Phillies' use on the Commencement Date, in a new, clean and completed condition, and that the Sports Facility, in its condition as existing on the Commencement Date, shall be in full compliance with all applicable Legal Requirements then in effect, all in accordance with the SFDA.

4.3 Home Field Commitment. Subject to Force Majeure and the requirements of any MLB Agreements and so long as City is not in Default, The Phillies covenants and agrees that it shall, during the Term, utilize the Stadium as its "home field" for all Home Games; provided,

however, nothing contained herein shall limit The Phillies' right to be occasionally designated and act as home team for games at venues other than the "home field" of either participating team (recent examples of which have been games played in Las Vegas and Seattle).

4.4 Florida State League Commitment. Subject to Force Majeure and the requirements of any MLB Agreements and so long as the City is not in Default, The Phillies covenants and agrees that it will during the Term cause a Minor League Affiliate in the Florida State League to play its regularly scheduled home games at the Sports Facility during the first three full Florida State League seasons following the commencement of the Term.

4.5 Environmental Laws Indemnity. The City covenants and agrees to indemnify, defend and hold harmless The Phillies from any liabilities arising under the Environmental Laws from the use of the Sports Facility by Phillies Users as contemplated by this Agreement, except to the extent such liabilities may be caused by the wrongful or negligent act of a Phillies User.

5. Use of Sports Facility. The exclusive right to use the Sports Facility shall throughout the Term be vested solely in The Phillies and its Affiliates and its and their partners, officers, employees, licensees, franchisees, independent contractors and permittees ("Phillies Users"), subject only to the limitations and exceptions hereinafter in this Section specifically set forth.

5.1 Phillies Use. The Phillies Users may use the Sports Facility only for the following purposes:

5.1.1 For all MLB Spring Training Season operations, including without limitation playing Home Games, so-called "B games" and intra-squad games and training and player development activities.

5.1.2 For all Minor League spring training season operations, including without limitation playing home games and intra-squad games and training and player development activities.

5.1.3 For all Minor League regular season operations, including without limitation playing Florida State League and Gulf Coast League home games and intra-squad games and training and player development activities, and any Minor League playoff and championship games and Minor League all-star games.

5.1.4 For all Florida Instructional League operations, including without limitation home games and intra-squad games and training and player development activities.

5.1.5 For all MLB and Minor League "mini-camp" operations, including without limitation intra-squad games and training and player development activities.

5.1.6 For all baseball fantasy camp, youth camp, youth instructional and like activities.

5.1.7 To use the Office Space for any office uses, in the pursuit of any aspect of the business and operations of the Phillies Users whatsoever.

5.1.8 To use the Commercial Space as a restaurant/sports bar, souvenir/sporting goods store and/or other synergistic uses open to the general public.

5.1.9 For Phillies Events.

5.1.10 For Civic Events sponsored by The Phillies, alone or with the City.

5.1.11 For any other lawful purpose directly or indirectly related to any of the foregoing uses.

5.2 Public Uses. Subject to Section 5.3, City shall have the right to authorize use of the Sports Facility for these, and only these purposes (the "Public Uses"):

5.2.1 For baseball and softball games played without an admission charge by St. Petersburg Junior College, Clearwater's two public high schools and youth baseball and like organizations; provided, however, that the user shall reimburse The Phillies for the cost of The Phillies Maintenance Obligations allocated to such games played other than by St. Petersburg Junior College and Clearwater High School.

5.2.2 For any other Civic Events proposed by the City and approved by The Phillies, such approval not to be unreasonably withheld.

5.2.3 For Partnership Events, at the rate of up to twelve per calendar year during the Term.

5.2.4 For Disaster Staging Uses.

5.3 Limitations on Public Uses. The Public Uses shall be subject to the following limitations:

5.3.1 Public Uses shall be limited to those areas of the Sports Facility that are necessary and appropriate therefor in each instance and in no event shall use be made of the Phillies Exclusive Use Areas (of which The Phillies are hereby granted the exclusive right to use). Whether the Commercial Space and/or the Concession Facilities shall be operated during Events which constitute Public Uses (any such operations to be effected solely by The Phillies and/or any concessionaire of The Phillies) shall be determined by The Phillies at its discretion; provided, however, that when requested by the City in respect of any Events which constitute the Public Uses where attendance is reasonably projected to exceed 200, Concession Facilities shall be opened by

The Phillies, to the extent that The Phillies deem appropriate, based on a reasonable estimate of attendance.

5.3.2 The City shall make mutually satisfactory arrangements in advance with The Phillies, for The Phillies to provide (but at the expense of the City) appropriate staffing and operations during each Event which constitutes a Public Use, such as ticket takers, ushers, parking attendants, food and beverage preparers and servers, security and paramedical personnel.

5.3.3 Each Public Use may be scheduled only at a time that is reasonably acceptable to The Phillies, it being understood that each of the uses specified in Sections 5.1.1 through 5.1.6 inclusive shall have absolute scheduling priority over every Public Use, except Disaster Staging Uses.

5.3.4 Each Public Use (other than those provided for in Section 5.2.1 and 5.2.4) shall be subject to The Phillies' prior approval, which may be withheld by The Phillies only if in its reasonable judgment conducting the Public Use at the Sports Facility would risk damage to the playing fields or cause unreasonable wear and tear to structures or, in the reasonable judgment of The Phillies, be inconsistent with the image of MLB and The Phillies.

5.4 Partnership Events. The City shall be responsible at its expense to book, manage and conduct significant Revenue Events at the Sports Facility, at a rate of at least six but not more than twelve per calendar year throughout the Term (each, a "Partnership Event"). For purposes hereof, a "significant Revenue Event" shall mean an Event, the reasonably anticipated net revenues from which are expected to be not less than \$15,000 (in 2003 dollars, subsequently adjusted by the CPI). The Phillies shall be responsible for ticket taking, food and beverage, merchandise and broadcasting

operations only, at prices set by The Phillies subject to the City's approval, not to be unreasonably withheld.

5.5 Disaster Staging Uses. The City may, in each instance of actual or imminently threatened natural disaster, use the Sports Facility as a staging area for disaster preparations, response or other related uses ("Disaster Staging Uses"), provided that (i) there will not be any cost to The Phillies and (ii) the City will immediately restore any resulting damage to the playing field or any other element of the Sports Facility caused as a result of the Disaster Staging Use. (Any loss caused by the natural disaster, as opposed to the City's Disaster Staging Use, is governed by Section 14 hereof.) The City shall not be responsible to The Phillies for any loss of revenue or consequential damages resulting from Disaster Staging Uses, except any attributable to its failure to duly effect any such restoration and restore full use of the Sports Facility to The Phillies immediately following the end of the disaster.

6. Use Fee. From and after the Commencement Date, The Phillies shall pay, in arrears, a use fee to the City at the rate of \$70,000 per calendar year during the Term, subject to adjustment pursuant to Section 6.1 (as so adjusted, the "Use Fee") and to offset pursuant to Section 6.2. The Use Fee for each calendar year during the Term shall be payable by March 31<sup>st</sup> of the following year.

6.1 Adjustment. The Use Fee for the second and each subsequent full calendar year during the Term shall be subject to an adjustment (a "CPI Adjustment"), for any change in the CPI Index between that for December of the year prior to the first such full calendar year and that for December of the year prior to the calendar year with respect to which the calculation is being made.

6.2 Offset. The Phillies may offset against and deduct from the Use Fee payable in respect of any whole or partial calendar year during the Term, the Offset Amount attributable to that period.

7. Revenues. Except as otherwise specifically provided in this Section 7, The Phillies alone shall be entitled to retain all revenues generated on and from the Sports Facility during the Term from all sources whatsoever, including by way of illustration but not limitation, all ticket, premium seating, luxury suite, food and beverage, signage, merchandise, broadcasting, sponsorship and parking revenues and all revenues from the operation of the Commercial Space and fantasy camps.

7.1 Revenues from Partnership Events and Civic Events. All ticket, food and beverage, merchandise, parking and broadcasting revenues generated on and from the Sports Facility (excluding only revenues derived from the Luxury Suites and the Commercial Space) attributable to each Partnership Event and each Civic Event, net of the direct incremental cost to The Phillies of operating and maintaining the Sports Facility (excluding the Luxury Suites and the Commercial Space) attributable solely to such use (which shall not include administrative or overhead costs or the like or any utility charges or other costs that would have been incurred irrespective of such use) will be: (i) in the case of Partnership Events, shared equally by The Phillies and the City; and (ii) in the case of Civic Events, will be retained by The Phillies (except for any net ticket revenues, which shall be distributed by The Phillies to the appropriate charitable, community or civic organization), in each case within thirty days following the Event. The Phillies shall institute a method of accounting for the collection and calculation of the net revenues collected in respect of Partnership Events and Civic Events and shall furnish to the City appropriate accounting statements in respect of such Events, which shall be prepared in accordance with generally accepted accounting

principles. The City may, upon reasonable notice and during normal business hours, examine, inspect and copy the books and records of The Phillies pertaining to such net revenues and, at its own expense, cause an audit to be performed of such pertinent books and records.

7.2 Naming Rights. The City hereby grants to The Phillies the power and authority from time to time during the Term to assign or license to a third party the right to name (i) all (e.g. "ABC Sports Facility" or "DEF Stadium") or (ii) portions (e.g. "GHI Bullpen" or "JKL Pavilion") of the Sports Facility and to retain all net proceeds therefrom. The term "net proceeds" for this purpose means the gross proceeds from the assigning or licensing of such naming rights less any direct costs associated with conducting the naming process and, in cases where any additional benefits (e.g. suite usage, tickets, stadium signage, advertising etc) may be included as part of the naming rights package and not separately priced, then the fair market value of such additional benefits shall also be deducted. The City shall have the right to disapprove any such name only, if in the City's reasonable judgment, such name is inconsistent with a wholesome public image for the Sports Facility. The net proceeds from any naming of the whole Stadium or the Sports Facility referred to in clause (i) (but not from any naming of portions thereof, as referred to in clause (ii)) shall be shared as follows: two-thirds to The Phillies and one-third to the City.

7.3 Signage During Partnership and Civic Events. Temporary signs identifying and promoting participants in or sponsors of Partnership Events or Civic Events may be displayed during the Event, provided, however, that: (i) no such signage shall relate to a product, service or Person which competes with the Person (or that one Person from time to time designated by The Phillies, at any time or times when there may be more than one such Person) for which all or any part of the Sports Facility is named or with that Person's products or services or with any products or services

designated by The Phillies as falling within either of up to two exclusive product categories (e.g. soft drinks, beer, banking etc) for the Sports Facility; (ii) no such display may obscure fixed signage then located in the Sports Facility; and (iii) the City shall be responsible at its expense for the removal thereof immediately upon conclusion of the Event.

8. Operation of the Sports Facility. Subject to Section 5.5, The Phillies shall have the sole right and obligation to operate the Sports Facility during the Term (which it shall do in a first-class manner and in compliance with all applicable Legal Requirements), including without limitation, the right and obligation to perform any ticket taking, food and beverage, merchandising, parking and broadcasting operations.

8.1 Operating Staff. The Phillies shall employ or retain all Persons necessary to discharge its operating responsibilities and shall bear the expense of their compensation.

8.2 Utilities. All electric, gas, water, sanitary sewer, storm sewer and trash disposal service provided to and used at the Sports Facility during the Term will be contracted for and either paid by the City or shall be provided by the City. The Phillies will reimburse the City for twenty-five percent of the total cost thereof as incurred by the City and at the rate charged to similar users, in the case of utilities supplied by the City, payable within thirty days of each monthly bill therefor from the City, accompanied by evidence of payment and/or of such rates so charged (such twenty-five percent reimbursements are herein referred to as the "Phillies Utilities Share")

8.3 Parking. In addition to operating all parking areas at the Sports Facility, The Phillies shall have the right to make arrangements for offsite parking for Events at the Sports Facility, including without limitation at the Carpenter Sports Facility, St. Petersburg Junior College and under the Florida Power Corporation right of way. For each Home Game, The Phillies will engage such

civic organization that the City shall propose (subject to The Phillies' approval, not to be unreasonably withheld) to staff the public parking areas at the Sports Facility and at any utilized offsite parking areas. The Phillies will pay to that organization for such services an honorarium of \$1,250 per Game, which figure shall be subject to a CPI Adjustment.

8.4 City Services. City will provide all appropriate City services at appropriate levels of coverage for all Events, including without limitation, police surrounding the Sports Facility for security and traffic control purposes and to prevent scalping and unauthorized sale of merchandise at the Sports Facility and paramedical services. (For this purpose, "scalping" shall mean the selling of tickets for more than \$1 above face amount, and the "unauthorized sale of merchandise" shall mean the sale of goods by a Person who has not been authorized by The Phillies to make such sales and the sale of unlicensed goods, whenever a license is required for such sale to be given by The Phillies, MLB or other holders of the marks embodied on such goods.) The Phillies will provide necessary security and paramedical services within the Sports Facility.

9. Maintenance and Repair of Sports Facility. The following provisions govern the maintenance and repair of the Sports Facility.

9.1 Phillies Cleaning and Maintenance Obligations. The Phillies shall have the obligation to keep the Sports Facility clean and to provide light housekeeping (e.g. changing bulbs, towels, etc) for the interior areas of the Sports Facility. The Phillies shall be responsible for the ordinary and customary day-to-day maintenance of the following (and only the following) portions of the Sports Facility: (i) the playing fields, (ii) the Phillies Exclusive Use Areas, (iii) the Luxury Suites, and (iv) the Commercial Space (together, the "Phillies Maintenance Obligations"). The City shall acquire for and supply to The Phillies all field care (e.g. clay, sod, sand, fertilizer and chemicals) and other

supplies necessary for The Phillies to discharge the Phillies Maintenance Obligations relating to the playing fields, and The Phillies shall reimburse the City for its actual out-of-pocket costs therefor. Notwithstanding anything herein to the contrary, any City employee providing City Services to the Sports Facility shall be operating under the direction and control of the City, and shall be subject to any applicable City rule, regulation or policy, provided however, that The Phillies may directly engage City employees during the off-duty time, in which case such City employees shall be deemed to operate under The Phillies control.

9.2 City Maintenance, Repair etc. Obligations. Except for The Phillies Maintenance Obligations, the City shall have the obligation to provide all maintenance, repairs, restorations, refurbishments and replacements, whether interior or exterior, structural or non-structural, routine or extraordinary, ordinary or capital in nature, as shall be necessary to keep the Sports Facility clean, safe and in good order, condition and repair, and in compliance with all applicable Legal Requirements and in first class condition and up to first class MLB spring training stadium standards at the time of reference, provided however, that (subject to Sections 14 and 15 hereof) this obligation shall not operate to require the City to construct a new Sports Facility, or to substantially reconstruct the Sports Facility during the Term hereof. The Consulting Engineer shall annually determine which capital repairs, restorations, refurbishments and replacements are needed to be done currently and which capital repairs, restorations, refurbishments and replacements shall be scheduled to be done in the future, and when. The costs of the Consulting Engineer shall be borne equally by The Phillies and the City. The determinations of the Consulting Engineer shall be conclusive on both the City and The Phillies.

9.3 Upgrading of the Sports Facility. The City shall from time to time, as needed, upgrade, modernize and otherwise improve the Sports Facility so that during the Term of this Agreement, the Sports Facility shall not only meet all applicable MLB standards but shall, in addition, include that level of amenities and technological facilities as is comparable at the time of reference to those of first class MLB spring training facilities of comparable age (such as Roger Dean Stadium in Jupiter, FL, City of Palms Park in Ft. Myers, FL and Hohokam Stadium in Mesa, AZ). Without limiting the generality of the foregoing, at such time as any technological improvements (e.g., video rooms) have been incorporated in at least two of those three comparable MLB spring training facilities, then the City shall install such technological improvements in the Sports Facility. However, this provision shall not require the City to expend monies within the last five years of the Term, unless The Phillies agree to (i) exercise the option to renew provided for in Section 3.3 hereof (in which event, if necessary, the one-year notice period for exercising such option shall be waived), or (ii) if the option to renew has already been exercised, The Phillies and the City agree to extend the Term by at least five years.

9.4 Sports Facility Manager. The Sports Facility Manager shall be responsible for the day-to-day oversight of the maintenance, repair and condition of the Sports Facility, and shall be the representative of the City with whom The Phillies may communicate. The Sports Facility Manager shall have authority to bind the City to the fullest extent permitted by law, provided, however, that the Sports Facility Manager shall not have the legal authority to bind the City to financial obligations without the prior approval of City's governing body.

9.5 Personnel. The City shall provide such level of qualified and properly trained personnel to perform its obligations under Section 9.2.

9.6 Capital Expenditures. The Consulting Engineer shall, by November 1 of each calendar year during the Term, submit to the parties his recommendation as to what capital repairs, refurbishments, restorations, replacements and upgrades are to be done currently and schedule those to be done in the future, which are necessary, in the judgment of the Consulting Engineer, in order for the City to fulfill its obligations under this Section 9. On December 1 of each calendar year during the Term the City shall furnish to The Phillies a capital expenditure schedule prepared by the City, with due regard to such recommendations, setting forth in detail the projected capital repairs and improvements expenditures scheduled for the following calendar year and shall appropriately budget any amounts necessary to do so. The Phillies shall be afforded the right to have input in the preparation of such schedule and it shall be subject to The Phillies' approval, which shall not be unreasonably withheld.

9.7 Action by The Phillies. Without limiting The Phillies' rights under Section 17, if The Phillies in good faith determines that any portion of the Sports Facility (excluding only the playing fields) is not being maintained and/or repaired by the City in accordance with the standards and requirements set forth in Sections 9.2, 9.3 and 9.6, The Phillies shall have the right, but not the obligation, to advance funds for or otherwise provide appropriate maintenance and/or repair, subject to the following provisions:

9.7.1 Notice Practicable. If practicable, The Phillies shall give written notice to the City specifying the nature of the required work, and the date by which The Phillies reasonably considers it necessary to commence such work following its receipt of such a notice:

(i) The City may commence such work prior to the date and time so specified by The Phillies and prosecute the same diligently to completion; if the City does so, The Phillies shall not undertake such work itself.

(ii) If the City disputes whether the requested work required to fulfill the City's obligations under this Agreement, the City shall so inform The Phillies in writing prior to the date and time specified by The Phillies in its notice. If the City gives timely notice, the dispute shall be submitted to Expedited ADR prior to the date and time specified by The Phillies in its notice.

(iii) If (a) the City does not commence such work prior to the date and time specified by The Phillies and prosecute the same diligently to completion, or (b) the City fails to give timely notice of a dispute, or (c) it is not practicable to submit the matter to Expedited ADR prior to the date and time specified by The Phillies in its notice, then in any such event, The Phillies may commence the work necessary to remedy the matter on an emergency basis and prosecute the same diligently to completion.

9.7.2 Emergency. If The Phillies in good faith determines that the work must be performed on an emergency basis (that is, it must be performed in order to prevent an imminent danger to health or safety or it is otherwise not practicable to give notice provided in this Section 9.7), then The Phillies may commence work to remedy the matter on an emergency basis and prosecute the same diligently to completion.

9.7.3 Payment to The Phillies. The City shall promptly reimburse The Phillies on demand for any amounts expended pursuant to this Section 9.7 (including interest at the Default Rate from the date that is 30 days after the date of demand until paid if such amount is not paid by the 45<sup>th</sup>

day following the date of demand). If the City disputes that the work was required to fulfill the City's obligations hereunder, Expedited ADR shall be convened to resolve the dispute.

(i) If and to the extent it is determined by Expedited ADR that work was not required to fulfill the City's obligations hereunder, then The Phillies shall not be entitled to any reimbursement for any sums expended by The Phillies.

(ii) If and to the extent it is determined by Expedited ADR that the work was required to fulfill the City's obligations hereunder, then the City shall immediately reimburse The Phillies for all sums expended by The Phillies on the work, plus interest at the Default Rate.

9.8 Surrender. At the termination of this Agreement, by lapse of time or otherwise, The Phillies shall surrender possession of the Sports Facility to the City and deliver all keys or such other access equipment or devices. In addition, The Phillies shall remove The Phillies' furniture, trade fixtures and other items of movable personal property of every kind and description from the Sports Facility and restore any damage caused thereby, such removal and restoration to be performed prior to the end of the Term or within sixty days following any earlier termination of this Agreement. If The Phillies fail to remove any such items, the City may do so, and The Phillies shall pay to the City upon demand the cost of removal and of restoring the Sports Facility. All obligations of The Phillies under this Section shall survive the expiration of the Term or sooner termination of this Agreement.

10. Alterations and Additions by The Phillies.

10.1 Minor Improvements. The Phillies shall have the right (following reasonable notice thereof to the City for its information only), but not the obligation, to make minor improvements to the Phillies Exclusive Use Areas without City's approval, consisting of any work, installation,

construction or the like which does not require a permit from any federal, state or local governmental agency (e.g., installation of additional shelving in the Office).

10.2 All Other Improvements. Except for the "minor improvements" described in Section 10.1, The Phillies shall not construct any improvements on or otherwise alter, change or improve any part of the Sports Facility, without the prior written consent of the Sports Facility Manager, upon such terms and conditions as he may reasonably deem necessary. Requests by The Phillies to construct any such improvements on or otherwise to alter, change or improve any part of the Sports Facility shall be presented to the Sports Facility Manager in written form and he shall act thereon within a reasonably prompt time. If the Sports Facility Manager gives his consent to The Phillies' undertaking such work (which consent shall not be unreasonably withheld), the consent shall be deemed conditioned upon The Phillies' acquiring any necessary permit to do so from applicable governmental agencies, furnishing a copy thereof to the Sports Facility Manager prior to the commencement of the work and complying with all conditions of said permit in a prompt and expeditious manner.

10.3 Ownership of Such Improvements. All improvements, alterations or other changes made by The Phillies to any part of the Sports Facility pursuant to this Agreement, other than that which is so affixed to the Sports Facility that it cannot be removed without material damage to it, shall remain the personal property or equipment of The Phillies and may be removed by The Phillies upon expiration or termination of this Agreement provided that The Phillies restore and repair any damage caused by the removal.

10.4 No Limitation. Nothing in this Section 10 shall in any way limit or reduce the obligation of the City to maintain the Sports Facility as provided in Section 9 and elsewhere in this Agreement.

11. Taxes.

11.1 Possessory Taxes. It is the intent of the parties that the Sports Facility (land and Improvements) shall be exempt from any and all real property ad valorem taxes and from payments in lieu of such taxes throughout the Term. However, should all or any part or parts of the Sports Facility become subject to any such taxes, then the parties shall each cooperate and use their respective best efforts (i) to cause Pinellas County to return its share of any such taxes and (ii) to secure legislation exempting the Sports Facility from such taxes. In the interim, The Phillies and the City shall each pay one-half of any such taxes, net of any City ad valorem real property taxes, which shall be paid by City. Any such payments by The Phillies are herein referred to as the "Phillies Possessory Tax Share."

11.2 Tax Protection. The City shall throughout the Term hold The Phillies harmless from all other local (as opposed to Federal, State or County) taxes (except for income, sales and like taxes of general application), including without limitation amusement/ticket taxes, any increase in the sales tax rate applicable to tickets, use and occupancy taxes and surcharges on the Stadium or Sports Facility-derived revenues.

12. Insurance.

12.1 Liability Insurance.

12.1.1 Phillies Non-Property Coverage. The Phillies shall maintain at its expense during the Term of this Agreement the following insurance:

(i) Commercial general liability (including athletic participants coverage) against claims for bodily injury, personal injury and property damage based upon, involving or arising out of the use of the Sports Facility and all areas appurtenant to it. Such insurance shall be on an occurrence basis, providing coverage in an amount not less than \$5,000,000 per occurrence, and not less than \$5,000,000 general aggregate (per location), and not less than \$5,000,000 coverage for products and completed operations liability, and not less than \$5,000,000 coverage for personal and advertising injury, with deductibles of up to \$100,000 per person and \$200,000 per occurrence..

12.1.2 City's Non-Property Coverage. The City shall maintain at its expense during the Term of this Agreement the following non-property insurance:

(ii) Workers' Compensation: Statutory workers compensation coverage per occurrence with self-insured retention of \$500,000.

12.2 Property Coverage. The City shall maintain at its expense during the Term of this Agreement the following property related insurance:

12.2.1 Property insurance for 100% of full replacement value of the Sports Facility (including all improvements and personal property), with deductibles not exceeding \$50,000 per occurrence against loss by so-called "all risk" perils, including but not limited to fire, extended coverage, storm (including without limitation wind, flood and hurricane coverage), boiler and machinery, vandalism, malicious mischief, flood and earthquake. Such insurance is to contain a replacement cost endorsement, and endorsements eliminating any and all coinsurance provisions.

12.2.2 For any work of construction conducted on the Site by or at the direction of the City, builder's risk insurance with the same limits and coverages as set forth in Subsection 12.2.1, provided that at the City's election, such insurance may be maintained by the contractor(s) performing the construction work at the Sports Facility.

12.2.3 City Property Self-Insurance or Self-Funding. Any provision of this Agreement to the contrary notwithstanding, while the City shall maintain insurance coverage and limits as provided for in this Agreement, parties hereto specifically agree that the City may do so by self-insurance and/or by purchase at the sole option of the City. To the extent required by the terms of this Agreement, insurance coverage and limits shall be evidenced by delivery to The Phillies of letters of self-insurance or self-funding executed by the City's Risk Manager, or by certificates of

insurance executed by either the agent for the insurers or the insurers or by copies of policy declaration pages. Such letters, certificates, and policy declaration pages shall list coverage (including the amount of insurance per claim and per occurrence, any gap in coverage, and the amount of the excess insurance) and policy limits with expiration dates and major policy terms and endorsements.

12.3 General. All insurance policies obtained pursuant to this Section 12 shall: (i) be with companies legally authorized to do business in the State of Florida and which possess a minimum rating of A- or better and a minimum class VIII financial size category (as listed at the time of issuance by A.M. Best Insurance Reports), which are reasonably acceptable to the other parties; and (ii) shall name as an additional insured each other party and such Affiliates of that party as it shall reasonably request. Upon commencement of the Term, each party shall furnish or cause to be furnished to the other party a certificate of insurance evidencing all such insurance policies. Renewal certificates shall be delivered by each party to the others at least ten days prior to the expiration of any policy of insurance. No such policy shall be cancelable or subject to reduction of coverage except after thirty days' prior written notice to all parties hereto.

12.4 Remedies. If any party fails to obtain, keep in force or provide evidence of any of the insurance policies or self-insurance coverage required by this Section 12, the other party may give written notice to the defaulting party, and the defaulting party shall have until the earlier of (i) five days after its receipt of such notice, or (ii) regardless of whether notice shall have been given, one day before the date the required insurance will lapse, to cure the default. If the default is not cured within such period, then the other parties shall have the remedies set forth in Section 17.

12.5 Waiver of Subrogation. Each party hereby releases and relieves the other party, and

waives its entire right of recovery against the other party, for direct or consequential loss or damage arising out of an incident to the perils covered by any insurance carried by the other party or which would have been carried had such other parties fulfilled their obligations hereunder to carry insurance, whether or not due to the negligence of the released party or its agents, employees, contractors or invitees. If necessary, all property insurance policies required by this Agreement shall be endorsed to so provide.

13. Indemnification. The indemnifications provided for in this Section 13 shall relate only to the extent that the liability in question has not produced insurance proceeds to the indemnitee.

13.1 By The Phillies. Subject to Section 12.5, The Phillies agrees to and will at all times defend, indemnify, save and hold the City and their Affiliates, and their respective elected officials, officers, agents, employees, successors and assigns harmless, on a current basis, for, from and against any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including reasonable attorney's fees, costs of investigation and discovery, and all court costs, arising out of:

13.1.1 Injury to or death of persons (including personnel or employees of the City or The Phillies), and damage to any and all property, including loss of use thereof, resulting from or in any manner arising out of any willful and wanton or grossly negligent act or omission of The Phillies or any Affiliate of The Phillies or any of their respective agents, officers or employees, in connection with the operation or use of the Sports Facility.

13.1.2 Any breach or default in the performance of any obligation on The Phillies' part to be performed under the terms of this Agreement.

The foregoing indemnification obligations of The Phillies shall not extend to liabilities caused, in whole or in part, by any willful, wanton, or grossly negligent act or omission of the City or any of its agents, officers or employees to the extent such act or omission caused the liability and shall survive the termination of this Agreement for all acts committed or omissions made prior to the effective date of the termination of this Agreement.

13.2 By the City. Subject to Section 12.5, the City, to the extent permitted by applicable law, including, but not limited to Section 768.28, Florida Statutes, agrees to and will at all times defend, indemnify save and hold The Phillies and its Affiliates and their respective employees, agents, officers, directors, shareholders, partners, successors and assigns, harmless, on a current basis, for, from and against any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including reasonable attorneys' fees, costs of investigation and discovery, and all court costs, arising out of:

13.2.1 Injury to or death of persons (including personnel or employees of the City or The Phillies), and damage to any and all property, including loss of use thereof, resulting from or in any manner arising out of or in connection with any willful, wanton or grossly negligent act or omission of the City or any Affiliate of City or any of their respective agents, officers or employees, in connection with the operation or use of the Sports Facility to the extent such act or omission caused the injury.

13.2.2 Any breach or default in the performance of any obligation on the City's part to be performed under the terms of this Agreement.

The foregoing indemnification obligations of the City shall not extend to liabilities caused by any willful, wanton, or negligent act or omission of The Phillies or any Affiliate of The Phillies

or any of their respective agents, officers or employees to the extent such act or omission caused the liability and shall survive the termination of this Agreement for all acts committed or omissions made prior to the effective date of the termination of this Agreement.

13.3 Procedure for Indemnification -- Third Party Claims.

13.3.1 Promptly after receipt by an indemnified party under Sections 12.1 or 12.2 of notice of a claim against it ("Claim"), such indemnified party shall, if a claim is to be made against an indemnifying party thereunder, give notice to the indemnifying party of such Claim, but the failure to notify the indemnifying party will not relieve the indemnifying party of any liability that it may have to any indemnified party, except to the extent that the indemnifying party demonstrates that the defense of such action is prejudiced by the indemnified party's failure to give such notice.

13.3.2 If any Claim is made against an indemnified party and it gives notice to the indemnifying party of such Claim, the indemnifying party will be entitled to participate in the defense of such Claim and, to the extent that it wishes (unless (i) the indemnifying party is also a party to such Claim and the indemnified party determines in good faith that joint representation would be inappropriate, or (ii) the indemnifying party fails to provide reasonable assurance to the indemnified party of its financial capacity to defend such Claim and provide indemnification with respect to such Claim), to assume the defense of such Claim with counsel satisfactory to the indemnified party and its insurers and, after notice from the indemnifying party to the indemnified party of its election to assume the defense of such Claim, the indemnifying party will not, as long as it diligently conducts such defense, be liable to the indemnified party under such Section for any fees of other counsel or any other expenses with respect to the defense of such Claim in each case subsequently incurred by the indemnified party in connection with the defense of such Claim, other

than reasonable costs of investigation. If the indemnifying party assumes the defense of a Claim (i) no compromise or settlement of such claims may be effected by the indemnifying party without the indemnified party's consent unless (a) there is no finding or admission of any violation of Legal Requirements or any violation of the rights of any Person and no effect on any other Claims that may be made against the indemnified party, and (b) the sole relief provided is monetary damages that are paid in full by the indemnifying party and (b) the indemnifying party will have no liability with respect to any compromise or settlement of such claims effected without its consent. If notice is given to an indemnifying party of a Claim and the indemnifying party does not, within thirty days after the indemnified party's notice is given (or such lesser period of time as may be necessary to avoid a Default on such Claim), give notice to the indemnified party of its election to assume the defense of such Claim, the indemnifying party will be bound by any determination with respect to said Claim or any compromise or settlement effected by the indemnified party.

13.3.3 Notwithstanding the foregoing, if an indemnified party determines in good faith that there is a reasonable probability that a Claim may adversely affect it or its Affiliates other than as a result of monetary damages for which it would be entitled to indemnification under this Agreement, the indemnified party may, by notice to the indemnifying party, assume the exclusive right to defend, compromise, or settle such Claim, but the indemnifying party will not be bound by any determination of a Claim so defended or any compromise or settlement effected without its consent (which may not be unreasonably withheld).

13.4 Procedure for Indemnification -- Other Claims. A claim for indemnification for any matter not involving a third-party claim may be asserted by notice to the party from whom indemnification is sought.

14. Damage or Destruction.

14.1 Decision to Rebuild. In the event that the Sports Facility or any part thereof is damaged or destroyed by fire, flood or other similar or dissimilar cause whatsoever, the City shall promptly commence and thereafter diligently proceed to repair and rebuild the Sports Facility to its condition immediately prior to such damage or destruction, provided, however, if such damage or destruction involves the entire Sports Facility or any substantial part thereof and occurs less than five years prior to the end of the Term, the City may elect to terminate this Agreement unless The Phillies agree to (i) exercise the option to renew provided for in Section 3.3 hereof (in which event, if necessary, the one-year notice period for exercising such option shall be waived), or (ii) if the option to renew has already been exercised, The Phillies and the City agree to extend the Term by at least five years. In the event that such damage or destruction is of such an extent as would substantially and adversely affect The Phillies' activities at the Sports Facility, the City shall use its best efforts to provide to The Phillies the use of alternate first class MLB spring training facilities, in reasonable proximity to the Sports Facility, on a basis that preserves to The Phillies the net benefit of the economic terms of this Agreement and that affords business interruption protection to The Phillies against lost revenues. If the City meets the requirements of the next preceding sentence and has been and remains in substantial compliance with its obligations under the first sentence of this Section 14.1, then The Phillies shall use those alternate facilities during the period of interruption and, for each full Spring Training Season during the initial 20-year portion of the Term hereof that such use continues, that initial term shall be extended by one year.

14.2 Failure To Repair. If the City is obligated to repair or rebuild the Sports Facility under the provisions of this Section 14 and does not commence such repair or rebuilding within

ninety days after the occurrence of the damage or destruction, or if the City commences such repair or rebuilding but do not prosecute the same diligently to completion, then the City shall be deemed to be in Default under this Agreement and The Phillies shall have the rights and remedies set forth in Section 17.

14.3 Phillies Option to Rebuild or Repair. In the event the City fails to commence such repairs or rebuilding within 90 days of the occurrence of the casualty, The Phillies shall have the right, but not the obligation, to undertake such repairs or rebuilding. In the event The Phillies so undertake such repairs or rebuilding, The Phillies shall be entitled to reimbursement of the actual costs thereof by the City as incurred, within 45 days of all invoices therefor, with interest thereafter at the Default Rate.

15. Condemnation.

15.1 Total Taking. In the event the entire Sports Facility is appropriated or taken under the power of eminent domain, or sold under threat thereof (all of which will be referred to as a "condemnation"), by any public or quasi-public authority, The Phillies shall have the option to terminate this Agreement as of the date the condemning authority takes title or possession, whichever first occurs. The Phillies shall have no claim to the award in condemnation for the City's interest in the Site and Sports Facility; provided, however, that The Phillies shall have a claim to the portion of the award in condemnation that represents compensation for the taking of the interest of The Phillies under this Agreement, including without limitation its right to retain net revenues from the operation thereof.

15.2 Partial Taking. In the event that only a portion of the Sports Facility is condemned, this Agreement shall terminate as to the part so taken as of the date the condemning authority takes

title or possession, whichever first occurs; provided, however, that if so much of the Sports Facility is taken by such condemnation as would substantially and adversely affect The Phillies' operations at the Sports Facility, The Phillies shall have the option, to be exercised in writing within one hundred eighty days after the City shall have given The Phillies written notice of the condemnation (or in the absence of such notice, within one hundred eighty days after the condemning authority shall have taken possession), to terminate this Agreement as of the date the condemning authority takes such possession. If The Phillies does not give timely notice to terminate, this Agreement shall remain in full force and effect as to the remainder of the Sports Facility that is suitable for the use then being made of the Sports Facility by The Phillies; if and so long as The Phillies deem it advisable, The Phillies may utilize alternative facilities; and the City shall, to the extent of condemnation proceeds received by it, acquire or add adjacent property and construct additional Improvements with reasonable diligence, in order to restore the Sports Facility as nearly as possible to the condition immediately before the condemnation. Whether this Agreement terminates or continues in full force or effect, The Phillies shall have no claim to the award in condemnation for the City's interest in the Sports Facility; provided, however, that The Phillies shall have a claim to the portion of the award in condemnation that represents compensation for the taking of the interest of The Phillies under this Agreement, including without limitation its right to retain net revenues from the operation thereof.

15.3 Failure To Repair. If the City is obligated to make the Sports Facility suitable for use by The Phillies following a condemnation under the provisions of this Section 15 and does not commence to acquire or add adjacent property or construct additional Improvements necessary to do so within ninety days after the date of the condemnation, or if the City commences such

acquisition or construction but does not prosecute the same diligently to completion, the City shall be deemed in Default under this Agreement and The Phillies shall have the rights and remedies set forth in Section 17.

15.4 Phillies Option to Rebuild or Repair. In the event the City fails to commence such repairs or rebuilding within 90 days of the occurrence of the condemnation, The Phillies shall have the right, but not the obligation, to undertake such repairs or rebuilding. In the event The Phillies so undertake such repairs or rebuilding, The Phillies shall be entitled to reimbursement of the actual costs thereof by the City as incurred, within 45 days of all invoices therefor, with interest thereafter at the Default Rate.

16. Assignment.

16.1 Assignment by The Phillies. The Phillies shall not sell, assign, encumber, pledge, or otherwise transfer all or any portion of its interest in this Agreement without the prior written consent of the City, except as follows:

16.1.1 The Phillies shall have the right to transfer all of its rights and obligations under this Agreement to any Person that shall thereafter own the MLB franchise now held by The Phillies; provided, however, that such transferee shall assume the obligations of The Phillies under this Agreement; and provided, further, that MLB approves the transfer of such MLB franchise to such transferee and the City has been provided with satisfactory evidence of such assumption and approval.

16.1.2 The Phillies shall also have the right to transfer its interest in this Agreement freely to another MLB club; provided, however, that such transferee shall assume the obligations of The Phillies under this Agreement.

16.1.3 No transfer under this Section 16 shall release The Phillies from any pre-existing liabilities under this Agreement, including, but not limited to any indemnification obligations of The Phillies which arise prior to the date of such transfer.

16.2 Assignment by City. The City shall have the right to assign certain rights under this Agreement to a non-profit organization controlled by the City, provided that such assignment will not affect The Phillies rights and remedies against the City under this Agreement and the City shall at all times remain primarily liable for their obligations hereunder. Except as aforesaid, the City may not assign its rights and duties under this Agreement without the consent of The Phillies.

17. Default.

17.1 Default. If any party hereto (the "Defaulting Party") shall fail to perform any of its obligations under this Agreement, then the Party not in default (the "Non-Defaulting Party") shall provide notice of such failure to the Defaulting Party and afford the Defaulting Party a grace period to cure said failure, as follows:

17.1.1 Where a grace period is specifically provided for in any section of this Agreement, that specific grace period shall apply.

17.1.2 Where a grace period is not specifically provided for in any other section of this Agreement, the Defaulting Party shall afford the Non-Defaulting Party a grace period of: (i) five business days to cure monetary failure; and (ii) thirty days to cure any non-monetary default; provided, however, that if any non-monetary failure cannot be cured within such thirty day period, the Defaulting Party shall be afforded such additional time as shall be reasonably required to cure such failure, if the Defaulting Party has commenced the appropriate cure within said initial thirty day period and thereafter proceeds with reasonable diligence to cure said failure.

17.1.3 If any failure to perform shall not have been cured by the expiration of the applicable grace period, then a "Default" shall be deemed to have occurred and the Non-Defaulting Party shall have the rights and remedies set forth below.

17.1.4 Termination of this Agreement.

17.2 Non-Defaulting Party's Rights and Remedies. If a Default shall occur, the Non-Defaulting Party shall have the right (but not the obligation):

17.2.1 To cure such default on behalf of the Defaulting Party, in which event the Defaulting Party shall immediately reimburse Non-Defaulting Party for all sums paid by it to effect such cure, together with interest thereon at the Default Rate; and

17.2.2 To collect all sums paid by it to effect such cure, together with interest thereon at the Default Rate, by set off against all sums next-to-become-due to the Defaulting Party under this Agreement.

17.3 Cumulative Rights. The remedies heretofore described in this Section 17 shall be in addition to any other remedy the Non-Defaulting Party may have at law and in equity in the event of a Default, including without limitation:

17.3.1 An action to recover monies then due and owing from the Defaulting Party, together with interest thereon at the Default Rate from the date on which such monies were due;

17.3.2 An action for specific performance of non-monetary covenants and agreements on the part of the Defaulting Party; and/or

17.3.3 An action for recovery of all actual losses, costs and reasonable attorneys' fees incurred by the Defaulting Party in connection with the default.

17.4 Injunctive Relief. Without limiting any other remedies of the City on account of a Default by The Phillies hereunder, The Phillies further acknowledges that the City will be irreparably harmed if The Phillies violate this Agreement by the transfer, move or other relocation of The Phillies' spring training activities to, and/or the playing of Home Games at, any locations other than the Sports Facility during the Term otherwise than as provided or permitted by this Agreement. Accordingly, The Phillies hereby agree that in the event of such a violation or threatened violation of this Agreement, the City shall be entitled to seek and obtain, and The Phillies hereby consent to the entry of, a temporary restraining order, together with preliminary and permanent injunctive relief, from any court of competent relief to enjoin any such violation or threatened violation. The Phillies waive any requirement that the City post a bond or other security in connection with such injunctive relief. In the event of such attempted or actual transfer, move or other relocation of The Phillies' spring training activities to, or the playing of Home Games at, any location other than the Sports Facility, and City is not able to obtain the injunctive relief provided for in this Section 17.4, the City shall be entitled, at its option, to seek monetary damages.

17.5 Emergency. Nothing in this Section 17 shall be deemed to limit The Phillies' right to take action in emergencies pursuant to Section 9.7.

18. Legal Opinions.

18.1 By the City. Concurrently with the execution and delivery of this Agreement, the City has provided to The Phillies an opinion of its City Attorney advising The Phillies that (i) the City is a duly organized and existing municipal corporation of the State of Florida and is authorized to enter into and perform under this Agreement, (ii) execution of this Agreement by the City is duly authorized, (iii) all notices required by Florida law and all necessary action required for the execution

and delivery of this Agreement or otherwise required under applicable law have been obtained, and (iv) this Agreement is valid, binding and enforceable against the City in accordance with its terms, subject only to such exceptions as are set forth expressly in such opinion and are reasonably acceptable to The Phillies, as evidenced by its execution of this Agreement.

18.2 By The Phillies. Concurrently with the execution and delivery of this Agreement, The Phillies has provided to the City an opinion of its general counsel advising the City that (i) The Phillies is a duly organized and existing limited partnership of the Commonwealth of Pennsylvania and is authorized to enter into and perform under this Agreement, (ii) execution of this Agreement by The Phillies is duly authorized, and (iii) this Agreement is valid, binding and enforceable against The Phillies in accordance with its terms, subject only to such exceptions as are set forth expressly in such opinion and are reasonably acceptable to the City, as evidenced by its execution of this Agreement.

19. Miscellaneous.

19.1 Estoppel Certificates. Each party (as "responding party") shall at any time within fifteen days after written request from the other party ("requesting party") execute, acknowledge and deliver to the requesting party a statement in writing as of the date of such certification (i) certifying that this Agreement is unmodified and in full force and effect (or if modified, stating the nature of such modification and certifying that this Agreement, as so modified, is in full force and effect), (ii) acknowledging that there are not, to the responding party's knowledge without inspection, audit or investigation, any uncured defaults on the part of the requesting party (or specifying such defaults, if any are claimed), and (iii) providing such other information regarding this Agreement as may reasonably be requested by the requesting party. Any such statements may be conclusively relied

upon by any prospective purchaser or encumbrancer of The Phillies or of its interests herein and by any bond holders, underwriters and financiers of the City.

19.2 Consents. Whenever a party's approval, permission, concurrence, consent or satisfaction is required under this Agreement, such approval, permission, concurrence, consent or satisfaction shall not be unreasonably withheld or delayed, except as and to the extent expressly provided to the contrary in this Agreement; provided, however that neither party shall be required to waive a Default hereunder.

19.3 Additional Instruments. The parties agree to execute and deliver any instruments in writing, necessary to carry out any agreement, term, condition or assurance in this Agreement, whenever the occasion shall arise and reasonable request for such instrument shall be made. In addition, as soon as practicable following the Commencement Date hereunder, the parties shall execute a written supplement to this Agreement setting forth such Commencement Date. With respect to the City, any obligations pursuant to this Section 19.3 shall be subject to obtaining any required governmental approvals.

19.4 Force Majeure. A party shall not be in Default under this Agreement if and to the extent it is unable to fulfill any of its obligations under this Agreement because it is prevented, hindered or delayed in doing so by reason of a strike, lockouts, labor dispute, boycott, material or energy shortage, casualty loss, weather conditions, acts of God, order of any government officer or court (but excluding, as to the City, orders promulgated by the City themselves), national emergency or war (collectively, "Force Majeure").

19.6 No Joint Venture. The City and The Phillies do not intend by entering into this Agreement to create a partnership, joint venture or any relationship other than that of independent contractors and licensor and licensee. Nothing in this Agreement shall be construed to create such a partnership, joint venture or other relationship, nor shall it be construed to create any pledging of the credit of the City or the faith and credit of the City.

19.7 Governing Law. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Florida, and the proper venue shall be in Pinellas County, Florida.

19.8 Construction of this Agreement. This Agreement shall not be construed for or against any party on the basis that such Party drafted any portion of this Agreement. In construing this Agreement, feminine or neuter pronouns shall be substituted for those masculine in form and vice versa, and plural terms shall be substituted for singular and singular for plural, in any place in which the context so requires.

19.9 Binding Effect. Subject to Section 16, the covenants, terms, conditions, provisions and undertakings in this Agreement, or in any renewals hereof, shall extend to and be binding upon the successors and assigns of the respective parties hereto as if they were in every case named and expressed, and wherever reference is made to either of the parties hereto, it shall be held to include and apply also to the successors and assigns of such party as if in each and every case so expressed.

19.10 Entire Agreement. This Agreement and the SFDA, together with the attached exhibits and simultaneous writings, contain the entire agreement and understanding between the parties relating to its subject matter. There are no oral understandings, terms or conditions, and

neither party has relied on any representation, express or implied, not contained in this Agreement or in simultaneous writings. All prior understandings, terms or conditions are deemed to merge in this Agreement, and this Agreement cannot be changed or supplemented orally, but only by an agreement in writing and signed by the party against whom enforcement of any waiver, change, modification or discharge is sought. Without limiting the generality of the foregoing, this Agreement and the SFDA replace and supersede that certain Clearwater Stadium Project Term Sheet dated September 8, 2000 by and between the City and The Phillies in its entirety and such Term Sheet is hereby terminated.

19.12 Captions. The headings of this Agreement are for convenience only and shall not be deemed a part of this Agreement, nor shall they be deemed to affect the meaning or construction of any portion of this Agreement.

19.13 Time of Essence. Time is of the essence of this Agreement.

19.14 Interest on Delinquent Amounts. Any amounts owing from one party to the other party under this Agreement and not paid when due shall bear interest from and after the due date at the Default Rate until paid, provided however, that no such interest shall accrue on any City obligation to pay until the expiration of 45 days after the date such payment is due.

19.15 Waivers. No waiver of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent right by any party under the same or any other provision.

19.16 Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive, but shall, wherever possible, be cumulative with all other remedies at law or in equity.

19.17 Right of Offset. Each party hereto, without waiving its rights under Section 17, shall be entitled to set off against sums due from it hereunder to any other party any amounts owing to it (including Default Interest if any) by such other party.

19.18 Attorneys' Fees. If an action or proceeding is brought to enforce the terms hereof or declare rights hereunder, including without limitation Expedited ADR, the prevailing party in any such action or appeal therefrom shall be entitled to its reasonable attorneys' fees and costs, which shall include the costs of consultants and experts, to be paid by the losing party as fixed by the court or arbitrator(s) in the same or a separate action or proceeding.

19.19 Amendment. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the City or The Phillies. This Agreement may not be changed, modified or rescinded except in writing by the City and The Phillies, and any attempt at oral modification of this Agreement shall be void and of no effect.

19.20 Authority. Each party hereto hereby represents and warrants to the other that it has the authority to enter into this Agreement and to undertake and perform its respective obligations hereunder.

19.21 Exhibits. Exhibit A is attached hereto and incorporated by this reference thereto.

19.22 Liability Limitation. Except as otherwise provided herein, no individual who is a general partner of The Phillies, or a member of the City Commission or an officer, employee or agent of any party hereto shall be liable to any other party, or any successor in interest thereto, for any default by a party hereunder.

19.23 Certain Disputes. Any dispute between the parties arising under Sections 9 and 10 of this Agreement shall be resolved by Expedited ADR.

20. Conditions.

20.1 Conditions Precedent to Parties' Rights and Obligations. All of the parties' respective rights and obligations under this Agreement are expressly conditioned upon the occurrence of the following, each by the date respectively indicated:

20.1.1 Issuance of Certification from the Florida Office of Tourism regarding a "retained spring training franchise facility" shall have issued by January 2, 2001.

20.1.2 The specific site for the Sports Complex shall by February 15, 2001 have been agreed to by the parties and reflected upon a detailed site plan initialed by the parties, which shall become Exhibit B to this Agreement.

20.1.3 The parties shall, within 15 days following satisfaction of the conditions in Section 20.1.2, have: (i) executed and delivered a definitive SFDA; (ii) have agreed upon a detailed Scope of Work, an initialed copy of which shall become Exhibit C to this Agreement; and (iii) have executed and delivered a definitive lease for the Carpenter Complex, which will terminate the existing lease dated September 26, 1966, as amended, and which: (x) shall be for a term coextensive with the Term; (y) shall conform to the relevant allocation provisions of this Agreement; and (z) call for fixed rent in arrears at the annual rate of \$204,000 for 20 years from the start of the Term.

20.2 Waiver. Each of the conditions precedent specified in Sections 20.1 and 20.4 may only be waived in a writing duly executed and delivered by both parties; provided, however, that The Phillies may, by written notice to City, extend from time to time each of the dates specified in Section 20.1.

20.3 Satisfaction Date. The date on which the last of all of the conditions precedent specified in Section 20.1 has been duly satisfied or duly waived is herein referred to as the "Satisfaction Date."

20.4 Further Condition Relating to Litigation. If on the Satisfaction Date any litigation other than bond validation proceedings is pending to restrain or enjoin the performance of this Agreement and/or of the SFDA and/or of any material aspect of either and/or to seek material damages in respect thereto and is neither withdrawn nor dismissed with prejudice by October 1, 2001, either party may (but need not) elect to terminate this Agreement by written notice given within 30 days thereafter.

21. Marketing Programs. The Phillies and the City hereby agree that The Phillies will provide trade out value in marketing programs to match the financial contributions made by Pinellas County toward the funding of the Sports Facility. These marketing trade out programs may include, but are not limited to destination advertising, tourism public relations campaigns, tourism direct sales activities and/or other marketing programs mutually agreed upon between the Pinellas County Convention and Visitors Bureau and The Phillies. Representatives of The Phillies and the Convention and Visitor's Bureau shall meet as often as they mutually determine to be needed (but at least annually) to agree to a specific program of destination marketing and/or ticket opportunities of the trade out program for the upcoming calendar year. This marketing trade out program shall be the sole responsibility of The Phillies.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

## EXHIBIT A

All claims, demands, disputes, controversies and differences that may arise under this Agreement between the parties, concerning any controversies under the Sections of this Agreement making reference to the use of Expedited ADR shall be resolved by Alternative Dispute Resolution as set forth below:

1. Disputes submitted to Expedited ADR hereunder will be conducted before a "Panel" designated in the manner provided in Section 2 below. The decision of the Panel will be final and binding upon the parties as to all matters in dispute and will be enforceable by a court of competent jurisdiction. The rules of the American Arbitration Association will be used for guidance in establishing procedures for the arbitration, but their use will not be mandatory unless the parties are unable to agree on an alternative body of rules.

2. In the case of disputes involving construction matters at the Sports Facility, the Panel will consist of three persons selected by the parties from a list of twenty-one persons with at least ten years experience in the construction business furnished by the Florida Chapter of the American Arbitration Association. In the case of disputes involving operations at the Sports Facility, the Panel will consist of three persons selected by the parties from a list of eleven persons, each of whom must have at least ten years of experience in the stadium/arena management business furnished by the Florida Chapter of the American Arbitration Association. The Panel of three will be selected from such list by the mutual agreement of the parties. If, within three days following the day on which the list is furnished to the parties, the parties are unable to agree on the composition of the Panel, then representatives of the parties will meet promptly and the following procedures will be used: The Phillies will strike the name of a person on the list. Within fifteen minutes thereafter, the Public Bodies will strike a name from the list. At fifteen minute intervals thereafter, each party will strike a name from the list. Those home games played by the Major League Team hereunder during Spring Training (the “**Home Major League Team ST Games**”) will be played at the Grant Field Facilities.

- (ii) In the event that the number of games to be played at the Dunedin Facilities is reduced pursuant to the MLB Rules and Regulations, the parties will consult with each other and will negotiate in good faith to reach a resolution that will return to each party the benefits contemplated and agreed to in this Agreement as nearly as possible without otherwise adversely affecting the rights and obligations of the parties hereunder.

- (iii) In the event that, upon the expiry of the Initial Post-Renovation Term, the Club has not met the Total Games Requirement, then the Initial Post-Renovation Term will be deemed extended for one (1) additional year and, upon the conclusion of the Spring Training Season

occurring during such additional year, the Club will be deemed to have met the Total Games Requirement. Provided the Club makes reasonable efforts to meet the Total Games Requirement, during the Term, the Major League Team shall be allowed to play Spring Training and exhibition games in which it is designated as the “home” team at sites other than the Dunedin Facilities.

- (b) **Minor League Team.** During each calendar year of the Term in which the Club engages in Spring Training of the Major League Team at the Dunedin Facilities, the Club shall also engage in home games of the Minor League Team played as part of the Florida State League regular season at the Grant Field Facilities (the “**Home Minor League Team Games**”). Without limiting the Club's rights in connection with the Club-Controlled Areas and other portions of the Dunedin Facilities, as of the date hereof, the Club intends to continue its past practice of permitting members of the public to enter upon portions of the Complex Facilities in order to view Spring Training and other Club activities taking place thereon.

- (b) From time to time during the Term, and in accordance with the following, the City may, on occasion, be permitted to use a boardroom or similar meeting space within the Club-Controlled Areas at the Stadium for the purpose of one or more meetings, events or similar uses by public officials or City personnel for conducting official City business (each, a "City Meeting"). No City Meeting will be permitted during any Spring Training Season, or outside of normal business hours, and the Club will not have any obligation to permit any specific minimum number of City Meetings. At all times, the Club's operations within the Club-Controlled Areas shall take precedence over any requested City Meeting. Subject to the foregoing, the Club agrees to consider any City requests to schedule a City Meeting as are submitted in writing to the Club's Director, Florida Operations, or such other person designated by the Club from time to time, and to advise the City of whether any particular request is approved or denied. The City may schedule up to seven (7) City Meetings in any calendar year.

#### **5. CITY RESPONSIBILITIES IN CONNECTION WITH ADJACENT CITY BUILDING AND ASSOCIATED PARKING.**

- (a) The Adjacent City Building is not part of the Complex Facilities licensed to the Club pursuant to this Agreement and the City shall have sole control and responsibility for the Adjacent City Building, including, but not limited to, all maintenance, repairs, capital replacement and third party liabilities connected to same.
- (b) The City will have the right to use the Solon Avenue Parking Lot for the purpose of vehicle and pedestrian access to the Adjacent City Building and parking by City staff and visitors to the Adjacent City Building. The City accepts the Solon Avenue Parking Lot on an "as is where is" basis in all such cases and shall not require any action regarding maintenance or

improvements on the part of the Club in connection with the Solon Avenue Parking Lot.

- (c) The City hereby waives any and all rights whether now existing or arising in the future to make any claims of any kind against the Club or any of the Club Group in connection with any loss of or damage to person or property that is in any way caused or contributed to by the playing of or practicing of baseball on or in the Complex Facilities. By way of illustration and not limitation, the Club shall not be responsible for any damage to the Adjacent City Building or to City vehicles parked in the aforementioned parking lot or injury to any individuals using the lot, in each case that may result from baseballs or other activities taking place at the Complex Facilities. - (i) all Spring Training games to be played by the Major League Team,
  - (ii) all other Club-related activities occurring during the Spring Training Season, and
  - (iii) any activities or events scheduled by the Club prior to receiving a request from the City for a conflicting date or use.
- (b) **Use of Dunedin Facilities by Other Organizations.** Excepting only City Events as described in subsection 7(a) hereof and use of the Shared Use Practice Fields pursuant to Section 8, the Club shall have sole authority, specifically including scheduling and administration over use of the Dunedin Facilities by Third Party Organizations, whether for baseball purposes and purposes related thereto, or for such other purposes as may be approved by the Club. The Club may require such payments, indemnifications, contracts and other reasonable guarantees, insurances, protections and written commitments (including, but not limited to, costs of the Club's maintenance and overhead) for Third Party Organizations as it shall deem to be appropriate under the circumstances. Without limiting the Club's rights and discretion pursuant to the foregoing, the Club will make reasonable efforts to continue to coordinate annually with one or both of Dunedin High School and/or the Pinellas County School Board to try and accommodate games and/or practices for the Dunedin High School varsity baseball team at the Dunedin Facilities, to the extent it can do so on terms acceptable to the Club and without hampering or detracting from the activities described in subsection 6(a) or harming the

condition of the baseball fields used for the Club's activities.

## 7. CITY EVENTS.

- (a) **General.** Subject to subsection 6(a) of this Agreement, the Dunedin Facilities, with the exception of the Restricted Club Areas, will be made reasonably available to the City for public recreational events and other uses, specifically including multi-day public uses and recreational events.
- (b) **Scheduling.** In order to schedule an event hereunder, the City shall provide the Club, in writing, with the maximum amount of advance notice of the type of event it proposes to schedule, the date(s) and time(s) for the event, the specific portions of the Dunedin Facilities needed for the event, along with all other pertinent details (including, but not limited to, the anticipated number of attendees, whether the event will be ticketed, and the specific activities anticipated to form part of the event). No event will be considered scheduled until the event and the related details are confirmed in writing by the Club's Director, Florida operations or such other individual designated by the Club from time to time. Such Club confirmation may be delivered by email. Upon confirmation in accordance with the foregoing, the event will be deemed to be a "City Event" for the purposes of this Agreement. An example of a City Event that has taken place in the past is the City's Holiday Christmas Parade.
- (c) **Responsibility.** As between the parties, the City shall have sole and exclusive responsibility for all aspects of each scheduled City Event. Without limiting the generality of the foregoing, unless otherwise specifically agreed by the Club in writing, the City shall be solely and exclusively responsible for:
- (i) any and all costs, expenses and liabilities associated with each City Event,
  - (ii) furnishing any and all personnel, equipment and supplies needed for each City Event,
  - (iii) managing all administration, communications and public relations in connection with each City Event; and
  - (iv) ensuring adequate security and access controls for each City Event.
- (d) **Post-Event Cleaning and Return of Dunedin Facilities.** Upon the conclusion of each City Event (or, in the case of any multi-day City Event, upon the conclusion of each day of the City Event), the City shall arrange and pay for cleaning of all of those portions of the Dunedin Facilities that were made available to it for the City Event, whether or not all of those portions were in fact utilized. Upon the conclusion of each City Event, the City shall remove all equipment and any other materials, if any, that were brought into the Dunedin Facilities in connection with such City Event and leave the Dunedin Facilities in as good condition as they were in immediately prior to the City, or anyone acting on its behalf, first entering the Dunedin Facilities in connection with the City Event.

During the scheduling process described in subsection 7(b), above, the Club shall provide the City with an estimate of the costs it anticipates incurring in connection with the particular event (based on the details provided by the City), provided that such estimate shall not limit the City's obligation to reimburse the actual expenses hereunder. Within a reasonable period of time following each City Event, the Club shall provide the City with an invoice for its expenses, if any the City shall pay each such invoice within thirty (30) days of receipt.

- (f) **City Event Indemnity.** Notwithstanding anything else in this Agreement, the City shall, to the maximum extent permitted by applicable law, indemnify, defend and hold harmless the Club and the other members of the Club Group from and against any and all Costs, which are caused by, contributed to or in any way associated with any City Event, including but not limited to, the acts or omissions of persons attending any City Event and any legal proceedings brought by persons attending any City Event.

## **8. CITY CONTROL OF SHARED USE PRACTICE FIELDS.**

- (a) **City Control Period.** During each calendar year of the Term in respect of which the City exercises its option pursuant to subsection 8(b), and subject to the remainder of this Section 8 and the other provisions of this Agreement, the City shall be entitled to the exclusive use of the Shared Use Practice Fields and the Solon Avenue Parking Lot during the period that commences on the day that is one (1) week following the later of the final day of Major League Spring Training and Minor League Spring Training and that ends on November 10 of the same calendar year (the "City Control Period").
- (b) **City Option.** In order to establish the City Control Period in any calendar year of the Term, the City shall be required to provide affirmative written notice of its election to avail itself of the exclusive use of the Shared Use Practice Fields and the Solon Avenue Parking Lot, and such notice must be delivered to the Club between October 1 and December 1 of the immediately preceding calendar year. By way of illustration, if the City wishes to establish the City Control Period during the 2025 calendar year, it shall be required to provide affirmative written notice of its desire to do so, delivered to the Club between October 1 and December 1, 2024. Should the City fail to provide such notice, then there shall be no City Control Period during the applicable calendar year, and the provisions of this Section 8 will not apply in respect of such calendar year (i.e. all fields shall remain under Club control). City Events described in Section 7 of this Agreement may still take place at the Dunedin Facilities under Club Control.
- (c) **City Management and Oversight.** During the City Control Period, and except as otherwise indicated below, the Shared Use Practice Fields and the Solon Avenue Parking Lot shall, as between the parties, be treated in the same manner as any other parkland or public recreation facility owned or managed by the City and the City shall be solely responsible to manage and oversee the Shared Use Practice Fields, the Solon Avenue Parking Lot, and their use during the City Control Period. The City shall be entitled, acting legally and reasonably and in good faith at all times:

- (i) to create and enforce policies applicable to public use of the Shared Use Practice Fields and the Solon Avenue Parking Lot, and
- (ii) to grant the use of the Shared Use Practice Fields and the Solon Avenue Parking Lot to persons and organizations other than the City (collectively, “**Third Party Organizations**”), and to require such payments, indemnifications, contracts and other reasonable guarantees, insurances, protections and written commitments for Third Party Organizations as it shall deem to be appropriate under the circumstances. For certainty, it is the intention of the parties that, during any calendar year in connection with which the City has exercised its option pursuant to subsection 8(b), above (i.e. a calendar year in which there is a City Control Period), any and all uses of the Shared Use Practice fields by Dunedin Little League or Dunedin High School will be managed by the City hereunder.

For certainty, the City (x) shall be permitted to charge use fees or payments in connection with the Shared Use Practice Fields but not the Solon Avenue Parking Lot, (y) shall not use its oversight and control of the Shared Use Practice Fields or the Solon Avenue Parking Lot for any barter or exchange for the use of facilities controlled by another organization, and (z) shall not engage in or permit any activities on the Shared Use Practice Fields or the Solon Avenue Parking Lot that are competitive with or that have the potential to undermine or negatively impact any of the Club’s operations or activities.

- (d) Ensuring Activities Not Likely to Cause Damage. The City acknowledges and agrees that, notwithstanding its rights hereunder, the primary purpose of the Shared Use Practice Fields is their use by the Major League Team, the Minor League Team and other professional baseball players during Spring Training and the City shall not engage or permit any other person or entity to engage in any behavior or activity that is likely to cause any type of damage to any part of the Shared Use Practice Fields or any adjacent portions of the Dunedin Facilities. By way of illustration and not limitation, (i) the City shall not permit the Shared Use Practice Fields to be used for softball, (ii) the City shall ensure that when bases are placed on the Shared Use Practice Fields they are placed at the correct locations, using standard measurements for baseball (i.e. bases 90 feet apart), and (iii) the City shall not mark lines on the Shared Use Practice Fields or use any products or tools on the Shared Use Practice Fields unless it has discussed same with the Club and received the Club’s approval in advance. In connection with its responsibilities hereunder, the City shall ensure that all uses of the Shared Practice Fields during the City Control Period are supervised by the City.
- (e) City Responsible. Subject only to the following subsection, the City shall be solely, directly and exclusively responsible for any and all expenses associated with the Shared Use Practice Fields and the Solon Avenue Parking Lot, throughout the City Control Period and in connection with same. Further, and notwithstanding anything else in this Agreement, the City shall, to the maximum extent permitted by applicable law, indemnify, defend and hold the Club and the other members of the Club Group harmless from and against any and all Costs which may be caused by, contributed to or in any way associated with the Shared Use Practice Fields and the Solon Avenue Parking Lot, their use during the City Control Period or their administration and oversight by the City, including, but not limited to, any action or other legal

proceeding brought by any user of the Shared Use Practice Fields or the Solon Avenue Parking Lot in connection with any time period that falls within the City Control Period, regardless of the basis of such action or other legal proceeding.

- (f) **Base Field Maintenance Activities.** Throughout the City Control Period, the Club shall continue to be solely responsible for the Maintenance and Repair of the Shared Use Practice Fields and shall engage in regular day-to-day watering and other similar day-to-day upkeep of same (which does not include painting lines or supplying bases or other similar items). For certainty, the Club shall be responsible to engage only in those day-to-day activities required to maintain the Shared Use Practice Fields to a reasonable standard for public baseball fields (the “**Base Field Maintenance Activities**”) and not to a Major League standard or other similar standard during the City Control Period.
  
- (g) **Base Field Maintenance Costs.**
  - (i) The Club will not charge the City any amounts for the following supplies and consumables utilized in connection with the Base Field Maintenance Activities: water and irrigation (not including replacement of irrigation equipment due to damage during the City Control Period), pesticides, fertilizer, paint for outfield lines. In addition, the Club agrees not to charge the City any amounts on account of personnel or equipment costs incurred by the Club in connection with day-to-day basic cutting of grass at the Shared Use Practice Fields.
  
  - (ii) Subject to the preceding paragraph, the Club will be permitted to charge the City for costs incurred by the Club on account of personnel and materials involved in cleaning up, maintaining and repairing the Shared Use Practice fields during the City Control Period. By way of illustration and not limitation, the Club will be permitted to charge the City for labor and material costs incurred in connection with blowing clay off the grass, raking clay areas, cleaning of dugouts and fields and repairing any damage to the Shared Use Practice Fields. Where the Club is seeking payment in connection with the foregoing, it will send the City an invoice for same and the City will pay all such invoices within thirty (30) days of receipt.
  
- (h) **Utilities Expenses.** The City shall reimburse the Club for all electricity and other utilities expenses incurred by it in relation to the Shared Use Practice Fields during the City Control Period. The Club shall be entitled to invoice the City for the aforementioned expenses and the City shall pay all such invoices within thirty (30) days of receipt.
  
- (i) **Reimbursement of Additional Club Costs.** In the event that, in order to maintain or repair the fields to the appropriate standards for use by professional baseball players at the conclusion of the City Control Period, the Club undertakes any Maintenance and Repair in excess of the Base Field Maintenance Activities or incurs expenses that would have been reimbursable pursuant to paragraph 8(g)(ii) but were not previously reimbursed, then the City shall reimburse the Club for the expenses incurred by it (in connection with materials, utilities, personnel and equipment). The Club shall be entitled to invoice the City for the aforementioned expenses and the City shall pay all such invoices within thirty (30) days of receipt.

**9. PRIVATE AND PUBLIC USES.** The parties will use reasonable efforts to agree on the shared control and use of the Dunedin Facilities for the entire Term of this Agreement in a manner that will result in the lowest Ad Valorem Tax impact that can be achieved (should such tax be levied against all or part of the Dunedin Facilities), and except as is specifically otherwise provided herein, the Club shall not have the complete exclusive use of any of the Dunedin Facilities (notwithstanding the choice of terminology) and they shall be allocated between a public and a private use in a manner that assures that the taxability of the Dunedin Facilities for Ad Valorem Tax purposes and other applicable taxes, if any, will be at the lowest possible level of property taxes of any kind arising from the use of said Dunedin Facilities by the Club.

**10. OPERATIONAL PERSONNEL.**

- (a) Operational Personnel Provided by the Club. The Club will provide all personnel it determines to be necessary for the conduct of its operations at the Dunedin Facilities for all home Spring Training games played by the Major League Team, all home games played by the Minor League Team, and, save for use by or at the request of the City, all other personnel required for its use and occupancy of the Dunedin Facilities. - (b) Public Events: The City will be solely responsible for all operational, maintenance, security and other personnel and costs of any kind for City Events and any other events scheduled by or through the City at the Dunedin Facilities. Subject only to the preceding sentence, the City shall not be required to provide any operational, maintenance or security personnel at the Dunedin Facilities.

**11. MAINTENANCE.**

- (a) General. Except as otherwise indicated in this Section 11, Club shall be responsible to arrange and pay for all Maintenance and Repairs of the Dunedin Facilities, including, but not limited to, for greater certainty, Maintenance and Repairs of: (1) Club-Controlled Areas; (2) Scoreboards / Videoboards; (3) public washrooms; (4) elevators and ADA lifts; (5) parking lots (including resurfacing and striping); (6) Stadium seating (including seat backs, bottoms and framing); (7) fencing; (8) protective netting; (9) ornamental landscaping; (10) painted surfaces; (11) irrigation systems; (12) roofs; (13) drainage and utility lines; (14) light standards; and (15) lighting facilities (including bulb replacement and aiming of field lights in accordance with MLB standards). Upon the end of the Term and returning to exclusive possession of the City, the Club shall return the Dunedin Facilities in substantially the same condition as they were at the commencement of the Term, save and except for any City required Maintenance and Repairs, any permitted modifications to the Dunedin Facilities and reasonable wear and tear.
- (b) Exceptions.
  - (i) Where Maintenance and Repairs to the Dunedin Facilities are the result of or related to (1)

City Events, or any public use of the Dunedin Facilities by or through the City or at the City's request, (2) the existence, operation or use of the Adjacent City Building, (3) the use of the Solon Avenue Parking Lot by the City and its guests, or (4) the Shared Use Practice Fields, the Solon Avenue Parking Lot and/or the use of same during the City Control Period, the Club shall undertake the necessary Maintenance and Repairs and the City shall promptly reimburse the Club's costs in respect of same.

Subject to the following, the Club shall be solely responsible for Maintenance and Repair of all playing fields at the Dunedin Facilities, and during those periods when in use by the Major League Team, the Minor League Team or other professional baseball players, the Club shall maintain all such playing fields to a standard similar to Major League playing facilities. When any other person or organization desires to use the playing fields for any purpose, the Club shall have the sole and exclusive right to oversee such use and to require modifications to such use if necessary to preserve the condition of the fields for use by professional baseball players and/or to charge fees and expenses to such user(s) in order to compensate the Club for its Maintenance and Repair costs. Excepting City use of playing fields pursuant to Section 8, which shall be addressed in accordance with that Section, where the use of the playing fields is by the City or at the City's request, the City shall reimburse the Club all of its Maintenance and Repair expenses incurred (in connection with materials, utilities, personnel and equipment) in order to maintain or repair the fields to the appropriate standards for use by professional baseball players.

(d) Standard of Maintenance. The maintenance of the Dunedin Facilities, pursuant to this Agreement, shall be to a standard that they are in good operating condition and shall be cared for in a manner reasonably calculated to preserve and extend their useful life.

(e) Maintenance Personnel. For certainty, the Club shall have the sole discretion to modify the amount of the Capital Replacement Surcharge provided that it does not reduce it below the aforementioned amount. The Capital Replacement Surcharge will be shown on each such ticket and added to the ticket price and paid directly by ticket purchasers. Within sixty (60) days following the conclusion of each Spring Training Season during the Term, the Club shall remit to the City the aggregate of all Capital Replacement Surcharges collected during such Spring Training Season, less any taxes paid in connection with same. In the event that the Club elects to complete repair and reconstruction of the Dunedin Facilities, the City shall cooperate in good faith to transition all responsibilities for construction oversight to the Club and to provide the Club reasonable access to the balance of all insurance proceeds awarded to the City and, upon the City doing so, the Club shall forego its termination right hereunder. Upon a termination by the Club hereunder, all of the parties' obligations under the Agreement, excepting those specifically identified as surviving termination, shall cease.

(i) **Club Disaster Mitigation Plan.** Prior to the Threshold Date and a minimum of every five (5) years thereafter, the Club shall prepare (or as applicable, review and where necessary, update) a disaster mitigation plan in which the Club articulates the procedures the Club intends to follow in order to mitigate potential losses from common natural disasters such as hurricanes (the "Disaster Mitigation Plan"). The Club will endeavor to satisfy reasonable City requirements in connection with the development of its Disaster Mitigation Plan, provided that such requirements are provided to the Club in writing by the City in advance and further provided that such requirements are in fact applicable to the City itself and to all licensees of City-controlled property and facilities. The Club will be permitted to get independent input and advice in connection with its Disaster Mitigation Plan and where such input and advice conflicts with City requirements, the parties shall discuss same and attempt to reach a mutually agreeable resolution. The Disaster Mitigation Plan is intended as a preparatory resource that may help guide the Club's actions in the event of certain potential events and neither the Disaster Mitigation Plan nor anything contained in this subsection 24(i) herein shall serve reduce, eliminate or derogate from the City's obligations as set out in this Section 24.

(j) **Casualty Event Caused by Club Misconduct.** In the event that a Casualty Event is caused solely and exclusively by the gross negligence or willful misconduct of the Club (including its employees and agents), all of the foregoing provisions shall apply as written, except that the paragraph 24(g)(ii), above, shall be deemed to be modified so that:

- (i) there will be no reduction to the Annual Capital Contribution until the passage of eighteen (18) months following the applicable Casualty Event (instead of twelve (12) months), and
- (ii) following the passage of such eighteen (18) month period, the Annual Capital Contribution will be reduced by fifty percent (50%).

By way of example, if, in the circumstances described in this subsection 24(j), the repair and rebuilding takes twenty (20) months to complete, the Club would pay the Annual Capital Contribution in full for the first 18 months, and the Club would pay 50% of that portion of the Annual Capital Contribution attributable the next 2 months.

**25. PERSONAL PROPERTY.** All areas of the buildings on the Dunedin Facilities designed to contain equipment or personal property, including without limitation the Concession Facilities, shall be designed in a manner to be secured for the protection of such equipment or other items of personal property. Any equipment or personal property brought into buildings on the Dunedin Facilities by the Club or any other user organization shall remain the property of the Club or user organization and shall be used only with the permission of the Club or user organization. In the event that any such use is allowed with the Club's permission, the user of the equipment or personal property will be responsible for any damage to the equipment or personal property so used and the Club shall no responsibility therefore. The City shall not otherwise be responsible for the loss or damage to any equipment or personal property on the Dunedin Facilities caused by vandalism, hazard, or other matter outside the control of the City.

**26. UTILITY COSTS AND RECLAIMED WATER.**

- (a) The Club shall be responsible for all utility costs to the Dunedin Facilities, except for utilities to be paid for by the City pursuant to the terms of this Agreement, including utility costs in respect of all City Events and utility costs in connection with the Shared Use Practice Fields during the City Control Period. Utility costs attributable to the use of the Dunedin Facilities by or at the request of the City, including all City Events, will be paid by the City. Utility costs attributable to the use of the Dunedin Facilities by other user organizations may be charged to those user organizations by the Club.
- (b) The City shall, throughout the Term, provide reclaimed water to the Dunedin Facilities at no cost to the Club for the reclaimed water used. For certainty, the City shall ensure that (i) all pumping and other equipment for the foregoing reclaimed water is in place and functioning properly throughout the Term, such that the Club is able to access such water as and when needed by the Club, and (ii) the Club's access to reclaimed water is given equal priority with all other users, including the City. Subject to the foregoing, the Club acknowledges that the volume of reclaimed water is not unlimited and may vary from time to time. Any repairs to reclaimed water pumping, equipment and infrastructure shall be at the City's expense.

**27. CLUB ANNUAL CAPITAL PAYMENT.**

(a) Annual Capital Payment.

- (i) For the sole and exclusive purpose of assisting the City in financing the costs of the Improvements for the Dunedin Facilities in accordance with the Development Agreement, the Club will, during the Initial Post-Renovation Term of the Agreement, be required to pay to the City the sum equal to the amount necessary to satisfy the debt service requirement (in terms of principal and interest) for a 25 year bond issue on the City's debt obligation required to net a project fund amount of twenty million dollars (\$20,000,000)

(the “**Club Repayment Obligation**”). The City shall issue the foregoing bond(s) under commercially reasonable terms and the Club shall have no obligations on the bond(s) as a guarantor or otherwise. The Club shall have the right to review and, acting reasonably, approve all bond documentation together with any underwriter or issuance costs. Unless otherwise mutually agreed, the Club Repayment Obligation will be met by the Club making an annual payment to the City in each year of the Initial Post-Renovation Term (the “**Annual Capital Payment**”) with each such payment being equal to 1/25<sup>th</sup> of the Club Repayment Obligation (i.e. each Annual Capital Payment will be equal to the average annual debt service in respect of the aforementioned bonds). The City and the Club hereby acknowledge and agree that this paragraph 27(a)(i) will be amended to reflect the actual dollar amount of the Club Repayment Obligation and Annual Capital Payment and to clarify any other terms following the bond issuance referred to herein.

- (ii) The Club will pay each Annual Capital Payment in four (4) equal quarterly installments, due on or before each of February 1, May 1, August 1, and November 1 for each respective year. The first quarterly payment date shall occur on the date that is mutually agreed by the parties and confirmed in writing in the Development Agreement and the final quarterly payment will occur on the one hundredth quarterly installment date. The City and the Club hereby acknowledge and agree that the final payment dates and other matters addressed in the foregoing may require modification following the issuance of the bonds described in paragraph 27(a)(i) and each party shall act reasonably and in good faith in determining whether to amend this paragraph 27(a)(ii) following such issuance. In the event any installment of the Annual Capital Payment is not received by the City by its respective due date, said installment will bear interest at the prevailing rate charged by the Internal Revenue Service for late payments until paid.
- (iii) Notwithstanding anything else in this Agreement, the Club shall be entitled to pre-pay one or more future Annual Capital Payments or installments at any time in its discretion and, in the event that it does so, the Club’s future payment obligations will be reduced accordingly.
- (iv) The Club’s obligation to pay the Annual Capital Payment shall be deemed to be satisfied at the time the City satisfies its financing obligations for the renovation and expansion of the Dunedin Facilities if such satisfaction occurs sooner than the twenty-five (25) year time frame described herein or when that portion of the financing obligations for the renovation and expansion of the Dunedin Facilities is paid off if the City refinances its financing obligations to include other unrelated capital improvements.
- (v) In the event that the schedule of financing obligations for the renovation and expansion of the Dunedin Facilities pursuant to the terms set forth in the Development Agreement are initiated prior to the Threshold Date, then the parties shall, each acting reasonably and in good faith, mutually agree in writing on an earlier date than that specified in paragraph 27(a)(i) upon which the Club will commence the Annual Capital Payments. Under no circumstances is the Annual Capital Payment intended to result in any kind of surplus or capital reserve for the City, nor is intended to pay debt service secured by other sources of revenue to which the City may be entitled. Any and all Annual Capital Payments (and any

portion thereof) made by the Club prior to the Threshold Date shall be either:

(A) credited against the Annual Capital Payment obligation immediately upon the commencement of the Term, or

(B) in the event that the Initial Post-Renovation Term of this Agreement either does not become effective in accordance with the definition of "Threshold Date" in subsection 1(eeee) and the operation of paragraph 1.2(b)(ii) or the Agreement is terminated due to failure of performance under the Development Agreement, reimbursed by the City, with interest.

(b) Annual License Fee. The Club shall pay to the City an annual license fee for its use of the Dunedin Facilities in the amount of ten dollars (USD \$10) per year (the "Annual License Fee") throughout the Term of this Agreement. The Annual License Fee is based, in part, on the shared use of the Dunedin Facilities by the Club and other users.

## 28. TAX LIABILITY.

(a) Ad Valorem Taxes. The Club and the City shall share the responsibility for the payment of Ad Valorem Taxes levied against the Dunedin Facilities in each calendar year of the Term as follows:

(i) the Club shall be responsible for the payment of the first one hundred and fifty thousand dollars (USD \$150,000), and

(ii) the Club and the City shall each be responsible for the payment of one half (1/2) of any Ad Valorem Taxes in excess of one hundred and fifty thousand dollars (USD \$150,000).

The Club and the City shall coordinate in good faith to mitigate Ad Valorem Taxes levied against the Dunedin Facilities. In particular, the City shall take all actions reasonably available to it to ensure the application of those exemptions and reductions to Ad Valorem Taxes as exist at any particular point in time (including appealing any assessments that do not provide for the application of such exemptions and reductions).

(b) Taxes Attributable to Club's Use of Dunedin Facilities. Other than Ad Valorem Taxes addressed in subsection 28(a) above, the Club shall be responsible for all taxes or fees directly arising from or attributable to the Club's use of the Dunedin Facilities, whether payable to the City or to any other governmental agencies, including, by way of illustration and not limitation, sales taxes applicable to the Club's purchases of goods and services used in the operation of the Dunedin Facilities. For certainty, the parties hereby acknowledge and agree that Ad Valorem Taxes are addressed exclusively in the subsection 28(a) and are not part of the Club's responsibilities pursuant to this subsection 28(b).

## 29. INDEMNITIES.

(a) Club Indemnity. The Club shall indemnify, defend (where applicable) and hold harmless the

City and the other members of the City Group from and against any and all Costs which may be sustained, incurred or paid by any of them by reason of, on account of, arising out of or in any way connected to:

- (i) the use of the Dunedin Facilities by the Club,
- (ii) the gross negligence or willful misconduct of the Club or another member of the Club Group, or
- (iii) the acts or omissions of the Club, and of any member of the Club Group, in connection with the Club's obligations hereunder,

provided that such indemnity shall be limited by the extent to which such Costs are caused or contributed to by the City or any member of the City Group (whether by reason of contributory negligence or otherwise).

(b) City Indemnity. In addition to any other indemnity obligations contained elsewhere in this Agreement, the City shall, to the maximum extent permitted by applicable law, indemnify, defend (where applicable) and hold harmless the Club and the other members of the Club Group from and against any and all Costs which may be sustained, incurred or paid by any of them by reason of, on account of, arising out of or in any way connected to:

- (i) the design or construction of the Dunedin Facilities,
- (ii) the repair or reconstruction of the Dunedin Facilities following a Casualty Event,
- (iii) the use of the Dunedin Facilities by or at the request of the City, including but not limited to City Events,
- (iv) the gross negligence or willful misconduct of the City, and of any member of the City Group, or
- (v) the acts or omissions of the City, and of any member of the City Group, in connection with the City's obligations hereunder,

provided that such indemnity shall be limited by the extent to which such Costs are caused or contributed to by the Club or any member of the Club Group (whether by reason of contributory negligence or otherwise).

(c) All of the City's indemnification obligations contained in this Agreement, including but not limited to those set out in the preceding subsection, will be subject to the provisions of Section 768.28, Florida Statutes, in all respects except that, to the maximum extent permitted by applicable law:

- (i) None of the limitations set forth in Section 768.28(5), Florida Statutes, including, but not limited to, the limitation on the total liability of the State of Florida, its agencies and

subdivisions, shall apply to any claim, action or other legal proceeding in which the City and the Club are both parties (which, for certainty, includes any cross-claims between them in connection with a third-party legal proceeding),

- (ii) The City shall not assert or rely on sovereign immunity, any limitations of liability set forth in Section 768.28, Florida Statutes or any limitations of liability contained any successor legislation with similar purpose or effect where the effect of the City doing so would be to reduce any contractual obligations of the City hereunder (including any indemnities granted in favor of the Club), and
  - (iii) The City shall not assert or rely on sovereign immunity, any limitations of liability set forth in Section 768.28, Florida Statutes or any limitations of liability contained any successor legislation with similar purpose or effect in connection with a claim, action or other legal proceeding asserted by a third party in which the City and the Club are both named as defendants (each, a "Third Party Proceeding") where the effect of the City doing so would increase the Club's actual or potential liability in connection with such Third Party Proceeding.
- (d) Where a party becomes aware of any claim or cause of action (whether threatened or filed) for which it is entitled to indemnification hereunder (such party, in the circumstances, the "Indemnitee"), it shall provide the indemnifying party (in the circumstances, the "Indemnitor") with written notice of same reasonably promptly thereafter. In any such instance, the Indemnitee shall have the option to either:
- (i) retain its own counsel and to control the defense of the claim or cause of action, at the expense of the Indemnitor, or
  - (ii) require the Indemnitor to manage the defense of the claim or cause of action, subject to reasonable consultation with the Indemnitee.

Where the Indemnitee elects to proceed as outlined in paragraph (ii), the following rights and restrictions will apply, unless otherwise mutually agreed by the parties in writing. The Indemnitor shall have the right to select counsel, at Indemnitor's expense, to defend the Indemnitee, provided that no settlement terms shall be binding on the Indemnitee without its prior written consent, which shall not be unreasonably withheld. The Indemnitee shall reasonably cooperate with the Indemnitor's defense of such claim or cause of action.

This Section 29 will survive the expiry or early termination of this Agreement.

### 30. INSURANCE.

- (a) Club Insurance. The Club shall, at its expense, obtain and continuously maintain, without lapse, the following insurance coverage:
- (i) Workers' Compensation and Employer's Liability insurance in compliance with applicable federal and state laws,

(ii) An occurrence-based Commercial General Liability Insurance Policy, providing coverage for bodily injury and property damage and personal and advertising injury, including but not limited to, contractual liability coverage, host liquor liability coverage, damage to rented premises and products / completed operations coverage, with minimum limits of:

- USD \$2,000,000 Each Occurrence,
- USD \$2,000,000 Damages to Rented Premises,
- USD \$4,000,000 General Aggregate, and
- USD \$4,000,000 Products / Completed Operations Aggregate,

(iii) Special Causes of Loss Form Property Insurance (aka All-Risk) coverage in an amount equal to the full replacement value for all Club office furniture, trade fixtures, office equipment, merchandise and all other items of Club's property located within the Dunedin Facility, and

(iv) Comprehensive Automobile Insurance, covering owned, non-owned, leased, borrowed or hired vehicles, with a minimum combined single limit of \$1,000,000 Each Accident.

Coverage limits may be satisfied through a combination of primary and umbrella/excess policies. Umbrella / Excess policies shall be substantially similar to the underlying coverage. All insurance policies must be issued by an admitted insurance carrier with an A.M. Best rating of A-7 or better. The Club shall name the City as an Additional Insured under the Club's Comprehensive General Liability, Umbrella / Excess, and Automobile policies for any liability arising out of any acts and/or omissions of the Club where required by written contract or agreement with respect to the Dunedin Facilities. All Commercial General Liability and Umbrella / Excess policies must provide cross liability coverage (separation of insureds or severability of interests provision) and shall not include any exclusion for third-party over actions. Further, coverage for the City as an Additional Insureds under the Club's policies shall apply on a primary and non-contributory basis irrespective of any other insurance, whether collectible or not, as per written contract or agreement. The Club shall remain solely responsible for payment of any Club policy deductibles and self-insured retentions or self-insured amounts. All Club insurance policies shall be endorsed to provide a waiver of subrogation in favor of the City as "Additional Insured." The Club shall provide the City with at least thirty (30) days written notice in the event of cancellation, non-renewal or material modification of any of the Club's insurance policies. The Club shall furnish City with certificates of insurance evidencing compliance with all insurance provisions noted above at least fifteen (15) business days prior to the commencement of the use of the Dunedin Facilities.

(b) Required City Insurance. The City shall, at its expense, obtain and continuously maintain, without lapse, the following insurance coverage:

(i) Workers' Compensation and Employer's Liability insurance in compliance with applicable federal and state laws. For certainty, such insurance will be required for all fire, police, EMT, or other emergency personnel, whether working at or near the Dunedin Facilities or at other locations.

(ii) Special Causes of Loss Form Property Insurance (aka All-Risk) coverage in an amount equal to the full replacement value of the Dunedin Facilities (including, but not limited to buildings and building glass, boilers, equipment, machinery, fields, parking lots, driveways, and other elements) and all other structural alterations and improvements to and within the Dunedin Facilities, whether made by City or Club. Without limiting the generality of the foregoing, the aforementioned insurance coverage shall, at a minimum, provide coverage for hazard, fire, lightning, smoke, windstorm (including Named Windstorm), flood, hurricane, rain, snow, mold, earthquake, sinkhole, mudslide, other earth movements, malicious damage, riot and terrorism (whether certified or uncertified) and other similar casualties. Property insurance should also include coverage for equipment and/or mechanical breakdown. The City shall ensure that all such property insurance policies name the Club as a loss payee. The foregoing policy/ies of insurance will be primary, and the proceeds of same will be used for the repair and/or reconstruction of the Dunedin Facility pursuant to Section 24 of this Agreement. Provided that (A) on an annual basis the City shall review its total insured values and reconfirm and increase its coverage limits as necessary, and (B) the insurance in fact provides coverage sufficient to permit the City to meet all its associated obligations under the Agreement, then the insurance required hereunder from the City may be covered by a blanket policy insuring multiple City properties. The City shall, on an annual basis, consult with the Club and provide the Club with all information pertinent to the matters set out in (A) and (B) in the preceding sentence and the Club shall, acting reasonably, have the right to have input on such matters. As of the date of execution of this Agreement, the insurance described in this paragraph 30(b)(ii) is provided by the *Florida Municipal Insurance Trust*. Throughout the Term, the City shall include the Dunedin Facilities in the City's list of "Critical Assets" identified for the purposes of the *Florida Municipal Insurance Trust* or any subsequent coverage provider or claims administrator.

(iii) City Commercial General Liability and Automobile Liability Coverage. The parties have agreed that the City shall have the discretion to carry one or more Commercial General Liability and/or Comprehensive Automobile Insurance policies or to self-insure with respect to such areas of actual or potential liability. As of the date of execution of this Agreement, the City is self-insured. In the event that, at any point during the Term, the City secures one or more Commercial General Liability and/or Comprehensive Automobile Insurance policies of insurance (whether primary or excess), it shall ensure that:

(A) Any Commercial General Liability policies provide coverage for bodily injury and property damage and personal and advertising injury, including but not limited to, contractual liability coverage, host liquor liability coverage, coverage for Damages to Premises Rented by You and products / completed operations coverage,

(B) Umbrella / Excess policies, if any, are substantially similar to the underlying coverage,

(C) All policies are issued by an admitted insurance carrier with an A.M. Best rating of A-7 or better,

(D) The Club is named as an Additional Insured under the policies for any liability arising out of any acts and/or omissions of the City where required by written contract or agreement with respect to the Dunedin Facilities. Further, coverage for the Club as an "Additional Insured" under the City's insurance policies shall apply on a primary and non-contributory basis irrespective of any other insurance, whether collectible or not, as per written contract or agreement, and

(E) All policies provide cross liability coverage (separation of insureds or severability of interests provision) and may not include any exclusion for third-party over actions.

(iv) The City shall remain solely responsible for payment of any City policy deductibles and self-insured retentions or self-insured amounts. All City insurance policies shall be endorsed to provide a waiver of subrogation in favor of the Club and the other members of the Club Group and where the City is self-insured it waives all rights of subrogation in favor of the Club. The existence of any self-insurance shall not relieve the City of the obligation to indemnify and defend the Club from the inception of any claim or action triggering such indemnity and defense obligations. The City shall provide the Club with at least thirty (30) days written notice in the event of cancellation, non-renewal or material modification of any of the City's insurance policies. The City shall furnish the Club evidence of compliance with all insurance provisions noted above at least fifteen (15) business days prior to the commencement of the use of the Dunedin Facilities, again upon each renewal and further upon the Club's request. The City acknowledges that the Club shall not insure the City's property and the Club shall not insure or protect the property of the City's employees, agents, temporary or leased workers, independent or sub-contractors, contractors, volunteers, exhibitors, performers, sub-licensees, personnel, members, and guests while at the Dunedin Facilities. The City waives all claims against the Club for loss or damage thereto no matter how caused.

(c) Mutual Release and Waiver of Subrogation. The City and the Club, on behalf of themselves and all others claiming under them (including any insurer) waive all claims, demands, or rights of indemnity that either of them may have against the other (including all rights of subrogation) arising out of damage to any property, real or personal, resulting from fire or other casualties, no matter what the cause thereof may be. The parties waive their respective rights, as set forth herein, because adequate insurance is to be maintained by each of them to protect themselves against all such casualties and they have obtained or agree to obtain from their insurance carriers appropriate "waiver of subrogation" provisions in all such policies of insurance.

### 31. LIMITATION OF LIABILITY.

(a) In no event shall one party be liable to the other party for any special, exemplary, indirect, incidental, consequential or punitive damages, loss of profits or loss of business opportunity (collectively, "Special Damages"). Notwithstanding the foregoing, in the event an indemnified party has incurred Costs pursuant to a final judicial or administrative action brought by a third party against such indemnified party and a component of such Costs includes Special Damages, the indemnity otherwise provided for in this Agreement to indemnify for

Costs shall include the Special Damages element of such Costs.

- (b) Notwithstanding anything else in the Agreement, no sovereign immunity or limited sovereign immunity that may be imposed by law with respect to the City's liability hereunder shall serve to, or be deemed to serve to, increase, expand or add to any liability or responsibility of the Club to third parties and the Club shall not and shall not be deemed to assume or be responsible for any liability or responsibility or excess liability or responsibility for which the City would otherwise be responsible (whether hereunder or otherwise) but for any sovereign immunity or limited sovereign immunity imposed by law.

This Section 31 will survive the expiry or early termination of this Agreement.

### 32. SUSPENSION OF AGREEMENT.

- (a) Enumerated Events Interfering With Club Operations. If, at any time during the Term, the Club is prevented from using all or any material part of the Dunedin Facilities for its intended purposes as a result of any of the following (each, and "Enumerated Event"):

- (i) a national or local emergency,
- (ii) an actual or threatened terrorist attack,
- (iii) the United States being in a state of war,
- (iv) a labor dispute other than a lock-out or strike of Major League Baseball players,
- (v) the gross negligence or willful misconduct of the City (including its employees and agents),
- (vi) the MLB Rules and Regulations or the rules and regulations of Florida State League of Professional Baseball Clubs Inc., the Gulf Coast League or such other league which has authority over a team operated by the Club,
- (vii) the need or undertaking of Capital Replacements precluding use of the Dunedin Facilities, or
- (viii) any other event beyond the reasonable control of the Club,

this Agreement shall be regarded as suspended for the period during which the Club's use of the Dunedin Facilities is interfered with, except each party's obligations to pay all taxes (including each party's share of ad-valorem property taxes) and each party's obligation to pay for and maintain required insurance coverages. During any such suspension of the Agreement, neither party shall have liability for damages to the other party as a result of the suspension or the Enumerated Event causing the suspension.

- (b) Exclusive Rights and Remedies for Casualty Events Causing Damage. The parties hereby confirm that where there is damage or destruction to the Dunedin Facilities as a result of a

Casualty Event (as defined in Section 24, above), it is their intention for the provisions of Section 24 (including those that pertain to any interference with the Club's operations as a result of such Casualty Event) to govern the parties rights and obligations in connection with same. An event that could qualify as either a Casualty Event or an Enumerated Event shall only be considered to be an Enumerated Event where it does not result in damage or destruction to the Dunedin Facilities. By way of illustration, if a terrorist attack results in damage to the Dunedin Facilities, it shall be considered a Casualty Event and the parties' rights and obligations in connection with same shall be determined in accordance with Section 24, above. If a terrorist attack does not result in damage to the Dunedin Facilities but nonetheless interferes with the Club's use of same, it shall be considered an Enumerated Event and addressed in accordance with this Section 32.

- (c) Effect of Suspension. During any suspension of the Agreement hereunder, the Annual Capital Payment shall be suspended only if it was the actions or omissions of the City or those for whom the City is at law responsible that caused the Club to be prevented from using the Dunedin Facilities or any material part thereof. The provisions of this Agreement which are not directly affected by the Club being unable to use the Dunedin Facilities or such material part thereof shall remain in full force and effect during the period of such suspension. During the period of such suspension, the Club shall be entitled to conduct its games, practices and other activities at alternate facilities of its choice and the Club will be deemed to have played the required number of such games as specified subsection 3(a) of the Agreement. For certainty, in the event that any Home Major League Team ST Games or Home Minor League Games are cancelled or otherwise impacted during any period of suspension, the Club's game-related obligations under the Agreement shall not apply (including, but not limited to, its obligations in connection with marketing and promotional opportunities and the collection and remittance of the Capital Replacement Surcharge).
- (d) Termination of Agreement. Notwithstanding anything else in this Section 32, if the period of the suspension hereunder extends beyond twelve (12) months and such arises by reason of a national or local emergency, an actual or threatened terrorist attack, the United States being in a state of war, a labor dispute (other than a lock-out or strike of Major League Baseball players), or the gross negligence or willful misconduct of the City (including its employees and agents), then the Club shall have the option, exercisable in its sole discretion, to terminate this Agreement without liability to the City therefore.

### 33. CAPITAL REPLACEMENT FUND.

- (a) Establishment and Funding. During the Term of this Agreement, the City shall maintain an interest bearing fund for the purpose of Capital Replacement expenditures which shall be known as the "**Capital Replacement Fund**". The Capital Replacement Fund shall be used solely for Capital Replacement expenditures. The Capital Replacement Fund shall be funded from the following sources:
  - (i) Amounts paid to the City by the Club on account of the Capital Replacement Surcharge, in accordance with subsection 12(d) of this Agreement,

- (ii) That portion of the Annual Naming Rights Revenues paid to the City by the Club in accordance with subsection 20(a) of this Agreement,
- (iii) Proceeds of any taxable debt instrument issued by the City to fund a portion of the costs of the Project or other non-debt proceeds contributed by the City to pay a portion of the costs of the Project that are not, as agreed by the Club, needed to pay costs of the Project, and
- (iv) All interest accrued on amounts held within the Capital Replacement Fund.

In addition to the above, on or before June 30<sup>th</sup> of each of the sixth, seventh, eighth, ninth and tenth calendar years of the Initial Post-Renovation Term, the City shall pay One Hundred Thousand Dollars (\$100,000) into the Capital Replacement Fund. By way of illustration, if the Threshold Date of the Agreement is in the year 2019, then the City shall pay One Hundred Thousand Dollars (\$100,000) into the Capital Replacement Fund on or before June 30<sup>th</sup> of each of the years 2024, 2025, 2026, 2027 and 2028.

- (b) Nature of Capital Replacement Fund and Accounting. The City shall maintain the Capital Replacement Fund and shall separately account for it. The Capital Replacement Fund shall be in the nature of a trust fund and the Club will, at any time, be entitled to all records regarding the status of such Capital Replacement Fund and the information about amounts accrued therein. The City shall provide the Club with an accounting in respect of the Capital Replacement Fund at least annually, on or before October 30 in each year of the Term, whether or not requested by the Club. The designation and establishment of the Fund in and by this Agreement shall not be construed to require the establishment of a completely independent, self-balancing fund as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.
- (c) Approval of Expenditures. Expenditures of amounts held in the Capital Replacement Fund shall, unless otherwise mutually agreed in writing by the City and the Club, be limited to Capital Replacement at the Dunedin Facilities and shall require the joint approval of the City and the Club, not to be unreasonably withheld or delayed. At the end of the Term, the City may inspect the Dunedin Facilities for purposes of confirming that all Capital Replacement expenditures that were approved and scheduled prior to the end of the Term and supposed to be addressed by the Club during the Term were completed. In the event that the City discovers any such incomplete Capital Replacements, the Club and the City shall work in good faith to utilize remaining funds in the Capital Replacement Fund for such purposes. By way of clarification, normal wear and tear of the Dunedin Facilities at the end of the Term shall not constitute a basis for undertaking Capital Replacements. Nothing herein is intended to afford the City any right to claim Capital Replacement expenditures that would not otherwise have been performed during the Term and the City shall not utilize this inspection process as a means to update the Dunedin Facilities with Capital Replacement Expenditures at the end of the Term utilizing the Capital Replacement Fund. The Club shall be entitled to all amounts in the Capital Replacement Fund at the end of the Term.
- (d) City Responsibilities. Capital Replacements shall be undertaken by the City as and when

required, without cost or expense to the Club, to the extent that the expenses can be funded first through the exercise of any warranty held by the City (for example a warranty relating to the construction of the Improvements), or second by the Capital Replacement Fund. The City shall administer the approved expenditures of amounts held in the Capital Replacement Fund and shall undertake and complete any Capital Replacement projects that the parties have mutually agreed upon and shall follow all normal purchasing, bidding and construction practices set forth in the City of Dunedin Code of Ordinances, unless the parties shall mutually agree, each acting reasonably, for some or all of a particular Capital Replacement project hereunder to be delegated to the Club to complete, in which case the Club would be reimbursed from the Capital Replacement Fund.

(e) City's Right to Inspect; Request Capital Replacements. The City shall have the right but not the obligation to conduct an inspection of the Dunedin Facilities in the event that there is either: (a) an open and obvious hazard or dangerous structural condition, or (b) a clear and material violation of applicable laws in connection with matters under the Club's direct control or responsibility. The City will notify the Club in writing in the event that desires to conduct an inspection pursuant to the foregoing and shall give the Club reasonable advance notice and an opportunity to schedule same for a mutually agreeable date and time. In conducting any such an inspection, the City shall include one or more persons who are appropriately qualified and licensed to inspect the specific matters at issue and to report thereon. Following any such inspection by the City, the City shall provide the Club with all documentation, including photographs, field notes and final reports, relating to the inspection and results or findings associated therewith. In the event that the results of an inspection suggest that Capital Replacements should be made to the Dunedin Facilities to remedy any hazard or dangerous structural condition or bring the Dunedin Facilities into legal compliance, the City may request that Capital Replacements be undertaken for these purposes and the parties, each acting reasonably, will endeavor to address such Capital Replacements pursuant to subsections 33(c) and 33(d), above. The purpose of this provision is to permit the City with an inspection right to potentially address concerns regarding health, safety and general welfare. The inspection right described herein is not intended to permit the City to request or claim Capital Replacements are needed to items that have encountered normal wear and tear.

(f) Club Responsibility for Expenditures in Excess of Capital Replacement Fund. Unless otherwise mutually agreed by the parties, the Club will be responsible to pay the costs of Capital Replacements:

(i) in circumstances outside of those addressed in subsections 33(c), 33(d) (relating to the City's exercise of any warranty associated with the Improvements or otherwise in connection with the Dunedin Facilities) and 33(e), and

(ii) in circumstances addressed in subsections 33(c) and 33(e) but where the costs of the specific Capital Replacements agreed to be undertaken exceed the then-available funds held in the Capital Replacement Fund. In this latter circumstance, the Club's responsibility for costs would be limited to the amount by which the costs of the specific Capital Replacements exceed the then-available funds held in the Capital Replacement Fund.

In connection with Capital Replacements in connection with paragraph 33(f)(i), the Club shall have the option to undertake the Capital Replacements itself or to request that the City undertake same. The City shall not decline a request from the Club hereunder unless the request is unreasonable or would be unachievable by the City in the time frames requested by the Club. Where the City undertakes Capital Replacements hereunder, it shall follow all normal purchasing, bidding and construction practices set forth in the City of Dunedin Code of Ordinances, and the Club will reimburse the City for its expenditures on a rolling basis as such expenditures take place.

- (g) Club Discretion. Nothing in the foregoing shall limit the Club's discretion to undertake Capital Replacements at the Dunedin Facilities where such Capital Replacements do not utilize amounts held in the Capital Replacement Fund.

#### 34. FF&E.

- (a) All FF&E located within the Dunedin Facilities as of the Threshold Date will be owned by and be the property of the Club. Throughout the Term, the Club shall have the right at all times to modify, remove, replace and install FF&E in its sole discretion and at its sole expense and all such FF&E shall be owned by and be the property of the Club.
- (b) Within a reasonable period of time (not to exceed ninety (90) days) following the expiry or earlier termination of this Agreement, the Club shall remove, at its own cost, all of the FF&E, and the failure to so remove such FF&E shall cause a forfeiture of any remaining FF&E to the City.

35. **EXPANSION AND RENOVATION OF FACILITIES.** As of the Threshold Date, the City has completed the Project, being a major renovation and expansion of the Dunedin Facilities in accordance with the Development Agreement and including the Improvements.

#### 36. NATURE OF AGREEMENT/MISCELLANEOUS.

- (a) License. This Agreement shall be deemed to be a use agreement in the nature of a license and shall not be deemed to be a lease or conveyance of any real property rights nor shall this Agreement constitute an agreement for the use of real property that would subject the parties to the provisions of any statute regarding landlord and tenant rights. This Agreement shall not establish a landlord-tenant relationship between the parties. This Agreement shall not constitute a partnership, joint venture or create an agency relationship between the parties.
- (b) Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida regardless of any principles of conflict of laws or choice of laws of any jurisdiction. The exclusive jurisdiction, venue and forum of any lawsuit or legal proceeding arising out of this Agreement shall only be the state courts of Florida located in Pinellas County, Florida and the Federal Courts located in Hillsborough County, Florida. The Parties waive any and all rights to object to jurisdiction or venue in other forums.

- (c) Compliance. The City shall be solely responsible to ensure that that Dunedin Facilities comply with all applicable building codes, laws and ordinances of the City of Dunedin, the State of Florida, Pinellas County and other governmental agencies and shall, in connection with the foregoing, have the right, from time to time and on reasonable advance notice to the Club, to inspect the Dunedin Facilities.
- (d) Entire Agreement. This Agreement and the Exhibits attached hereto constitute the entire agreement between the parties and replace and supersede all prior agreements and representations, including, in particular, the Existing Agreements and the 2017 License Agreement. No alteration, amendment or modification to this Agreement shall be valid unless executed in writing by the parties, and no subsequent oral agreement shall have any validity or in any way affect the terms of this Agreement; provided, however, that no provision of this Agreement will be supplemented, modified, amended or waived without MLB Approval.
- (e) Assignment. The Club may assign this Agreement or any of its rights or obligations hereunder to any entity affiliated with the Club or to the successor of the Club in its ownership of the Major League Team. Subject to the foregoing and except as otherwise expressly provided herein or consented to by the City, the Club shall have no right to assign or transfer any rights, privileges or obligations granted by the terms of this Agreement to any third party. In the event of an assignment in contravention of the preceding sentence, the Club shall continue to be primarily responsible to the City for the performance of the Club's obligations under the terms of this Agreement.
- (f) Inurement. This agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns. Nothing in this Agreement shall be interpreted to be for the benefit of a third party.

- (h) Counterparts. This Agreement may be signed in any number of counterparts, each of which is an original, and all of which taken together constitute one single document. Counterparts may be transmitted by fax or in electronically scanned form. Parties transmitting by fax or electronically will also deliver the original counterpart to the other party, but failure to do so does not invalidate this Agreement.
- (i) Invalidity. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.
- (j) Delegation. No provision of this Agreement shall be construed to have made, permit or require the delegation by the City to the Club or any other party of any governmental function of the City.
- (k) Radon. As required by law, the City hereby makes the following disclosure:

Radon is a naturally occurring radioactive gas that, when it has accumulated in a

building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your County Public Health Unit. This acknowledgment is given pursuant to Florida Statutes 404.056(8) and is required by law to be given at or before the time a contract for the use of real estate is signed.

- (l) **Right of First Refusal.** In the event that the City shall obtain title to the property immediately east of the Grant Field Facilities, presently belonging to the Pinellas County School Board, presently occupied by Curtis Fundamental Elementary School, then and in that even the City does hereby grant a right of first refusal to lease the same property to the Club in the event that the City shall offer such property for lease or sale to a third party. In the event that the City offers such property for lease or sale and receives an offer of lease or purchase on said property, the City shall give the Club thirty (30) days written notice of such contract and the Club shall have the right for thirty (30) calendar days from the date of receipt of such notice to advise the City in writing that it wishes, at the Club's option, to lease or purchase said property on the same economical terms and conditions set forth in the offering contract. In the event that the Club choose to exercise such right of first refusal, it shall present a contract reflecting the same terms and conditions as the offering contract within the aforesaid thirty (30) day period. The right of first refusal shall be coterminous with the Term of this Agreement.
- (m) The parties hereby agree to furnish upon request to each other such further information, to execute and deliver to each other such other documents, and to do such other acts and things, all as the other party may reasonably request for the purpose of carrying out the intent of this Agreement. In the event that this Agreement is executed prior to the finalization of the Development Agreement, the parties shall update this Agreement to include any references to provisions of the Development Agreement that may be required.

### **37. DEFAULT.**

- (a) The occurrence of one or more of the following shall constitute an event of default:
- (i) The Club fails to pay or cause to be paid, in full and when due, any installment in connection with the Annual Capital Contribution called for herein and the Club does not cure such failure within forty five (45) days of receipt of notice of such default from the City. In the event of a default arising from the failure to make payment of an installment in connection with the Annual Capital Contribution, the City may declare that all Annual Capital Contributions shall accelerate to maturity and all such Annual Capital Contributions shall become immediately due and payable.
- (ii) The failure by either party to perform, observe or comply with timely, at any time during the Term, any term, representation, condition, obligation, covenant, or other provision requiring performance of that party under this Agreement (except the payment of any installment on account of the Annual Capital Contribution) and such failure is not cured within sixty (60) days after written notice, specifying the nature of such failure and requesting that it be remedied, given by the non-defaulting party to the defaulting party,

unless the non-defaulting party shall agree in writing to an extension of such time prior to expiration; provided, however, if the failure stated in the notice cannot reasonably be corrected within the applicable period, no event of default shall be deemed to exist hereunder if corrective action is instituted by the defaulting party promptly upon receipt of the written notice and is diligently pursued until corrected.

- (iii) The dissolution or liquidation of the Club, or adjudication of the Club as bankrupt, or the appointment of a receiver of any of the Club's property, or the assignment of any of the Club's property for the benefit of its creditors, if the Club fails to lift, stay or dismiss within a reasonable time frame acting in good faith with diligent efforts such proceedings or similar proceedings under Canadian law.

- (v) The Club disposes of all or substantially all of its assets, other than to a permitted assignee.
- (b) In the event of any default by the Club, the City may take any action as is permitted in law or in equity as it may appear necessary or desirable to collect any amount to be paid by the Club hereunder when due, or to enforce any obligation or covenant or agreement of the Club under this Agreement; provided, however, no such enforcement shall include a requirement of the Club to play Home Major League Team ST Games at the Dunedin Facilities during the Term, the City's remedies in respect of any default in so playing being limited to monetary damages.
- (c) In the event that an event of default by the City occurs, the Club may take any action as is permitted in law or in equity may, including instituting such action against the City as the Club may deem necessary to compel performance or the Club may perform the City's obligations hereunder and deduct the cost of so doing from payments required to be made hereunder to the City.
- (d) No delay or omission to exercise any right or power accruing upon any event of default shall impair any right or power or shall be construed to be a waiver thereof but any such right or power may be exercised from time to time and as often as may be deemed expedient. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
- (e) In the event either party shall default under any of the provisions of this Agreement and the other party should employ attorneys or incur other expenses for the collection of any amount due hereunder or the enforcement of performance or observance of any obligation or agreement herein contained, the non-breaching party if successful in such proceedings, shall be entitled to recover from the breaching party the reasonable fees of such attorneys and such other expenses so incurred.
- (f) Except as limited by applicable law or this paragraph, no remedy conferred upon or reserved to the parties is intended to be exclusive of any other available remedy or remedies, but each

and every such remedy shall be cumulative and in addition to any other remedy given under this Agreement now or hereafter existing at law or in equity or by statute.

- (g) Notwithstanding any other provision of this Agreement, the City shall not terminate this Agreement, and the City shall not take possession of the Dunedin Facilities upon an event of default or exercise any other remedy made available to it hereunder, during any Spring Training Season.

### 38. RELOCATION EVENTS.

- (iv) reimburse the City for its pro-rata share of the City's original capital contribution to the Project not included in (i), (ii) or (iii) above,

except to the extent any of the foregoing amounts are otherwise recoverable by the City (e.g. through insurance proceeds, a third party contractual indemnity or other means).

(c) Upon the occurrence of a Permissible Relocation Event, the Club shall not have any obligation to reimburse the amounts set out in the preceding subsection and the City shall be solely responsible for all such amounts. Without limiting the generality of the foregoing, and for further clarity, the parties agree that if the Club terminates this Agreement pursuant to its termination rights under subsection 24(h) or subsection 32(d) or the Agreement automatically terminates pursuant to subsection 24(b):

### DOUGLAS AVENUE SITE (STADIUM SITE)

#### Stadium Improvements

**Renovation of the stadium to bring it up to modern-day standard, including the following key amenities / elements:**

- **Seating.** Stadium capacity of 8,500 based on:
  - Fixed seating for 6,500 people. Assume 19 inch "flip up" seats
  - Standing room, berm seating and "alternate seating" space (such as at least one "party deck", and four tops / high top seating on outfield portion of boardwalk) for 2,000
- **Shaded seating and protective netting.**
  - Significant number of shaded seats (high percentage of overall seating, including shading for some of the higher priced seating areas and, if possible, some portion of the berm). Might be achieved by extending the existing overhang (if engaging in a renovation) or by some entirely new structure or overhang.
  - We note that in boardwalk areas we're advised that trellises are not sufficient for shading, so we suggest another idea be presented.
  - Protective netting required in areas around home plate, down lines and behind dugouts. May also be needed in front of berm if that area is in direct line of foul balls.
- **Boardwalk.** Outfield "boardwalk" permitting 360 degree fan circulation around the stadium, with sufficient space on outfield portion of the boardwalk for:
  - good-sized "tiki" bar
  - additional smaller bar located in opposite corner room for 8 – 10 stools across
  - requires fixed food concession area, preferably including BBQ grills (\*definitely need to have a permanent bbq location somewhere and we have included a fixed concession stand at this location below under "Food and Beverage Concessions and Related", below)
  - requires a spot for at least one (1) temporary food concession stand
  - Fixed merchandise store of between 700 and 900 square feet
  - men's and ladies' washrooms (sufficient to meet code and capacity requirements)
  - 4 tops seating and high top stool seating, including stools and ledges along front of boardwalk (final numbers will be determined based on length of boardwalk and layout of other items).
    - Once we determine the length of the boardwalk we can determine the number of stools and 4 top seating which is needed on the boardwalk.
  - If possible, would like to have some means to access to the boardwalk from our office space (could be a short stairwell with a door a secured door at the top).
  - Would like to see if the boardwalk could connect to the ground floor concourse (whether by stairs or ramp), as opposed to the second level concourse.
- **Luxury Suites.** Want a total of five (5) luxury suites:

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- 3 of which can be either separate or combined into 1 large party suite (these would be intended as the saleable "fan" suites),
- 1 of which would be a players' family suite geared towards players' wives/families.
- 1 of which would be an "owner's suite", located directly behind home plate.

Each suite should have about 325 square feet of interior space. Optimally, all should have outdoor seats and washrooms (although if space was too limited to permit independent washrooms, the 3 combinable suites could possibly have shared washroom accessible from the suite hallway). Each of the five (5) suites should have outdoor seating for 12 and total capacity of 20.

- **Box Office.** Florida Auto Exchange Stadium currently has 4 windows for selling and 2 for will-call. It does not contain any offices.
  - *We require ten (10) exterior-facing box office windows (2 will call, 1 VIP pick-up, 7 selling) and a further two (2) box office windows that face the inside of the building.*
  - *We require two (2) permanent office spaces inside the box office (to house box office manager and supervisor).*
  - Optimally, box office would be located near primary stadium entrance.
  - Box office will need speakers and microphones to speak with customers and monitors above the windows (for messaging).
- **Entrances.** Greater number of game day stadium entrances than the two (2) that currently exist (Florida Auto Exchange Stadium really only has 1 main entrance and 1 gate that is used for season ticket holders). *Would like to have two (2) "main" entrances, one (1) smaller entrance for season ticket holders, and one (1) separate Staff-only entrance (which would have the office access control system).*
  - *Need to add a covered area at all entrance locations - the covered area will be used for our metal detectors and any design should account for the space needed for same.*
- **Public Concourses.** Two concourse levels (likely one at grade and one above grade, connected to the boardwalk).
- **Elevators.** Addition of at least 2 elevators (currently have 1), *for a total of three (3) elevators to bring people and food to 2<sup>nd</sup> level.* Possible locations would be 1 behind home plate, and one each down each first and third base lines. Optimally, each elevator location should have adjacent stairs (currently no such stairs exist).
- **Public Restrooms.** Appropriate number and distribution of public restrooms for the number of fixed seats and total building capacity. *Expectation is that this will be developed based on current laws and stadium standards.* Note that Florida Auto Exchange Stadium currently has only 2 locations (women have total of 8 sinks, 16 toilets and men have a total of 7 sinks, 9 toilets and 9 urinals).
  - As noted elsewhere, we will need public restrooms located on the boardwalk, and also within the main *Jays Shop* merchandise store (for use during non-game days).
- **Bullpens / Gang Mounds.**
  - At the present time, the stadium has six (6) "private" Blue Jays gang mounds in close proximity to the office / clubhouse building. The mounds are covered by netting to ensure that any home run balls do not strike persons using the mounds. *To the extent possible within the ultimate*

Ver. 3.0 - As of September 9, 2016

*renovation design, we would like to retain as many of the existing gang mounds as possible, but in any event not less than 3.* There is no need or desire to upgrade or improve these mounds.

- Adjacent to the mounds is currently a tower where Blue Jays bullpen pitchers sit during games. The current towers are not shaded and are spread too far apart. In all likelihood, the new boardwalk will be passing through this area, and the design needs to include a space for bullpen pitchers to sit in this area, with shade and view of the field.
- Visiting team needs 2 bullpen mounds. These can be very basic and placed anywhere that makes sense in the renovated stadium. Will also need appropriate tower.
- **Dugouts.** Dugouts size needs to increase (both length and width) as compared to what presently exists at Florida Auto Exchange Stadium in order to properly accommodate players and uniformed coaches. Plan needs to include enough space for photo bay / photo dugout at end of each dugout (not covered). Bullpens are accessed from the field only and that can remain the case (no tunnel needed). Club will want to see specifics of proposed dugout dimensions on any proposed plans.
- **Wiring/cabling.** Supply and install integrated cabling for state-of-the-art internet and television and radio broadcast. Broadcast Truck Cabling to include current industry-standard broadcast copper and fiber-optic trunks, including DT-12 audio, coaxial video, Triax camera, SMPTE311 Hybrid camera fiber and single-mode ST fiber optic trunks. All broadcast cabling bulkheads in areas subject to the elements should be mounted in weatherproof NEMA-rated enclosures. At minimum, television bulkhead locations should include, Low 1st Base, Low 3rd Base, High 1st Base, High 3rd Base, High Home, Center Field, Outside Home and Visiting Locker Rooms, and all TV and Radio booths. All broadcast trunk lines should terminate at an interconnect rack room near broadcast truck parking location (see below, seeking space for two (2) broadcast trucks). Eventually, Toronto IT and stadium engineering can assist in setting out the final specs.
- **TV and Radio.** Five (5) booths in total: two (2) TV booths, two (2) radio booths and one (1) booth that is capable of being used for TV or radio.
- **Public Address/Video board Control Room Booth.** Need one (1) large PA booth/control room of approximately 500 square feet, and associated equipment. Room would need to house approximately 12 people and equipment (current booth only has room for 3 chairs and is about 5' x 10'). Equipment would depend in part on the specific video boards and other electronics that get installed. Assume that final specs would be developed in conjunction with whatever consultant helps design the video board and stadium PA systems, however, we anticipate that:
  - Video board Control Room facility would be designed to incorporate four (4) live cameras (including one wireless camera), video replay and playback capabilities, as well as graphics display capabilities. Video display software should be integrated into baseball scoring system
  - Room will also house main PA mixing console and PA Announcer
- **Scoreboard and Other Boards.** Although the final specs should be established in conjunction with a consultant who has expertise in these things, we generally require the following scoreboards/signage spaces and costs should be included in any cost estimates:

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- New 16x9 true HD main LED display. Needs to be large enough for replays and to be able to split the screen when needed (e.g. to show lineup or other items). Anticipate needing at least 40 feet wide. May want additional videoboard element running along the bottom, to show innings and scoring info, but final layout would have to be determined at later date.
- Radar speed display capability integrated into video display software.
- Would probably want a space above the main videoboard to display signage with the stadium name and some team creative (e.g. our stylized "Toronto Blue Jays").
- Would probably want a space below the main videoboard for sponsor information or signage.
- Additional smaller scoreboard (probably to be placed above stands on 1<sup>st</sup> base side) to display score, count, inning. This is needed for people watching from the boardwalk and berm areas. May not need to be a true "videoboard".
- LED signage above box office windows, to announce upcoming games, etc.
- Free-standing signage structure incorporating LED screens (minimum of two) for video messaging, for installation at corner of Douglas Avenue and Beltrees Avenue. Structure and screens need to be large enough to be seen from a distance (estimate that screens would need to be 8 feet by 6 feet or thereabouts)

*We understand that new videoboard was recently installed in Clearwater (Phillies) and that plans are currently being developed in Lakeland (Tigers). In Toronto, we have worked with Daktronics and could ultimately assist in making contact with them.*

- **Audio.** New distributed sound audio system up to current stadium standards (with separate audio zoning capabilities in the concourse area and outside the main gates). Audio software provisions for live music playback, recorded gate announcements, and routing of radio or television audio to concourse areas. Currently, Florida Auto Exchange Stadium speakers are located only on outfield scoreboard. New system would have to be able to be heard at all stadium locations.
  - Baseball press area to include two desktop-style push-to-talk microphones for the official scorer and media relations rep with the ability to page into the press area. This feed should also be available on the sound system network, and at the interconnect patch room for distribution to television and radio broadcasters.
- **Media Areas:**
  - **Press Box** - Larger press box than currently exists - require room for 50 to 60 persons and all having a view of the field. Assume this will require at least 1,600 square feet (65 x 25). *Should not be in the prime locations, as we wish to save those for fans and executives.* Could be off to one side if necessary having regard to the placement for other items. Require power, wi-fi, Ethernet and other standard hookups. Also need phone between press box and dugout.
    - Washrooms - Addition of media-only washrooms in vicinity of press box (there are none at current Florida Auto Exchange Stadium)
    - Drinks - Replace press box refrigerator/bottled beverages with soda dispenser (and associated lines),
  - **Press Toilet Rooms.** Two (1) single person washrooms (one male and one female) within the Press Box area. Total space needed is 160 square feet.
  - **Stadium and Press Box Entrances** - Dedicated media entrance/exit for media and staff at stadium and stair access to press box/press areas (currently the press has to access by walking through the public seating areas). Need to ensure ability for press to leave the facility after hours. Right now, at a certain point after the game, stadium gates are locked and for any press

## Exhibit "C" Improvements

- that stay behind in the press box, there is no flexibility to allow those persons to exit the building and have a door lock behind them automatically. Providing a subway-style, exit only gate may serve the need here.
- *Access to photo/camera dugouts* – would like there to be a way for press to access photo/camera dugouts without needing to enter the field of play,
  - *Parking* - Additional parking for media is needed (see parking heading)
  - *Media Dining and Related* - Current media dining room at Florida Auto Exchange Stadium is at grade and under the stadium structure near shallow right field. *If that portion of the stadium will remain intact then we are prepared to continue to use that same space for media dining, with only very minor upgrades (e.g. paint and some new furniture, counter workstations around exterior walls and possibly some electrical and Ethernet outlets and wiring).*
    - Food could be prepared and delivered from the main concessionaire prep kitchen / commissary. Alternatively, the current media dining room does have an adjacent kitchen but it would need upgrades to make it usable.
  - *Media Work Facilities* – right now there is small media work room located on the ground floor of the offices/clubhouses building, located near Blue Jays reception. It is a little bit tight, however, we are fine with retaining that and potentially adding some work spaces to the media dining area (see prior bullet point). Should probably review the existing work room to see whether it requires some minor improvements (e.g. electrical upgrades or Ethernet).
- *Center field camera well.* Currently the main center field camera well is off center (towards LF) and too low. Would like to relocate CF cameras to a slightly higher, more centered location, similar to CF camera angles in Major League stadiums.
  - *Merchandising:*
    - Large fixed merchandise store (*Jays Shop*) – probably at minimum 3,000 square feet in a high traffic area with good visibility,
    - Storage space of at least 1,000 square feet,
    - Secondary merchandise shop on the boardwalk (800 square feet) or some reasonable substitute (e.g. substantial merch kiosk or kiosks)
    - Need a 150 square foot room for counting money and reviewing all receipts, which room needs to be equipped with a safe
  - *Paramedics.* Require a paramedics' office and appropriate space to help guests. Need about 250 square feet and needs to include 3 beds, 3 sinks and hot and cold water and 1 toilet.
  - *Customer Service.* Need a Customer Service office, with a small space for guests, located in an easily accessible area and with a view of the main concourse near the main stadium entrance. Need about 125 square feet.
  - *Food and Beverage Concessions and Related.* Increased food and beverage concessions capabilities (including upgraded commissary with easy access to elevator to second floor, upgraded preparation areas, refrigeration, etc.). Final specifics (including number and location of fixed concessions and

## Exhibit "C" Improvements

number and location of mobile units) will depend on the ultimate stadium design and layout but core needs would be:<sup>1</sup>

- New properly ventilated and lit office space (700 to 1,000 square feet) for concession company management staff. Should be located in proximity to primary concession stands,
- Dedicated, well-ventilated preparation, cooking and storage area of at least 2,000 square feet which should include, at a minimum,
  - 225 square foot walk-in freezer (including appropriate storage racks)
  - 225 square foot walk-in refrigerator (including appropriate storage racks)
  - Large Ansel Exhaust Unit
  - Double sized ice machine
  - Eight (8) large prep tables
  - Commercial griddles, grills, fryers, warmers and impingers
  - Appropriate shelving for dry good storage
- At least two (2) large concessions stands (one on first base side and the other on 3<sup>rd</sup> base side) in the main (ground level) concourse area, with each stand having space for eight (8) points of sale and four (4) beer or fountain service spots. Both stands require food preparation area and should also include:
  - Large Ansel exhaust unit
  - Ice machine and all necessary water hook-ups
  - Sinks and associated plumbing
  - At least one 100 square foot walk-in refrigerator in each fixed concession location (including appropriate storage racks),
  - Enough space for 3 prep tables
  - Commercial griddles, grills, fryers, warmers and impingers
  - Beer and fountain drink taps, lines and equipment
- At least one (1) smaller concession stand located in the outfield (possibly behind batters eye) with space for six (6) points of sale and three (3) beer or fountain service spots. Stand requires food preparation area and should also include:
  - Large Ansel exhaust unit
  - Ice machine and all necessary water hook-ups
  - Sinks and associated plumbing
  - At least one 100 square foot walk-in refrigerator (including appropriate storage racks),
  - Enough space for 3 prep tables
  - Commercial griddles, grills, fryers, warmers and impingers
  - Beer and fountain drink taps, lines and equipment
- Large Tiki Hut (i.e. liquor, beer and non-alcoholic drink service location) located in the outfield area should be approximately 30 feet long by 10 feet wide. Should include televisions, bars and stools, refrigeration, taps, etc. Should be covered to protect staff and patrons from the elements.

---

<sup>1</sup> As designs are created we want to ensure that the concessions are being designed appropriately and in accordance with industry standards for similarly sized buildings and the specific seating and other unique elements of this facility. Listed items are minimum requirements only and should not limit what is necessary and to be included.

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- Optional smaller Tiki hut located along the 3<sup>rd</sup> base left field (would need to be approximately 10 feet wide by 12.5 feet)
- Awnings for all concession stand that are exposed to the elements,
- Rubberized flooring in all concession stands,
- All necessary electrical capacity and hook-ups for fixed and mobile concessions.
- We currently have fifteen (15) temporary / mobile food and drink points of sale at Florida Auto Exchange Stadium. Will require more than that at renovated location and project plan needs to include the space for same and the units themselves.

Anticipate that stadium concepts and cost estimates will include above, along with any other elements and equipment that are in line with current-day standards.

- *Enclosed Bar / Restaurant Area with Field View ("Craft and Draft Area").* Would like to have an air conditioned, indoor bar/ restaurant location (like in Sarasota) with a view of the field (through windows) and monitors to show the game as well. This space would provide fans with an opportunity to get out of the sun and be able to eat and drink. Would probably need about 2,400 square feet and it would contain a bar, high top tables and high chairs. Would not have kitchen facilities attached. Instead simple food items would be prepared in main floor concessions / commissary spaces. Small pantry with refrigeration would be attached to the area (approximately 120 square feet). Goal is to be able to hold about 80 people. On non-game days the area could be used for group events or meetings. *Would like to see if it could be located near the upper part of the building on the 1<sup>st</sup> or 3<sup>rd</sup> base side (past any suites).*
  - If being built behind a seating section and additional deck needed in order to finish off the area then the additional deck area need not be enclosed or air conditioned (i.e. there could be an adjacent outdoor area of approximately 1,700 square feet that is accessible from the Craft & Draft area and/or seating bowl). Will allow for future expansion and/or modification.
- *Visitor's Clubhouse and Related.* New visitor's clubhouse of approximately 3,600 square feet total. Should be a very basic clubhouse, including:
  - Better lighting, appropriate flooring, water fountains,
  - Manager's office / locker room of approximately 200 square feet with room for a desk, locker, and a few chairs
  - Coaches locker room with space for 8 lockers (approx. 350 square feet for the locker room and approx. 200 sf for the washroom (hope to accommodate 5 showers, 3 sinks, 2 toilets and urinal)
  - Players Locker Room (all new basic lockers with chairs) with 30-35 lockers, and counter space for food and baseball equipment (approx. 1,600 sq. ft.)
  - Players washroom/showers with 5 sinks, 3 urinals, 4 toilets and 10 shower heads (approx. 550 square feet)
  - 200 square foot laundry room including 2 commercial washing machines, 2 commercial dryers and storage area (along with associated power, plumbing and drainage),
  - Small kitchen (100 square feet) with fridges, oven and counter space for Clubhouse attendant to prepare food,
  - Adequate power outlets for players and staff to plug in phones and tablets, and
  - Training area with 3 training tables, a wet area with above-ground stand-alone hot and cold tubs, counter space for use of trainers' equipment and supplies (approx. 400 square feet).

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- **Umpire's room.** Upgraded umpire's room, with locker area approximately 15 feet x 20 feet in size (total of about 300 square feet), optimally located next to visitor's clubhouse (could be in same building if visitor's clubhouse requires a new building). Some of the specifics include:
  - 4 lockers, 4 locker chairs, and a table with 4 chairs for umpires to use for meals
  - Bathroom with 2 shower heads, 2 sinks, 1 toilet and 1 urinal (need about 180 square feet for that)
  - AC, Cable TV, and Phone
- **Staff locker room and Lunch Room.** Game day staff locker room, washrooms and lunchroom needed. Anticipate that the locker room portion would require about 400 square feet and the eating area would need about 500 square feet. Another 300 square feet needed for washroom area.
  - Would like to find a way to allow the space to be unisex (for example, there would be a single small "locker" room, perhaps with just open storage, along with 3 or 4 adjacent small private areas of 10 feet x 5 feet, each with a toilet, sink, bench and mirror for people to change in). Does not matter where exactly within the stadium this space is located, except that it should not be within the office / clubhouse area.

If space permits, could be placed within same building that incorporates visitor clubhouse.

- **Green Room / Female Locker Room.** Would like a small additional space, with associated washroom/shower, capable of housing 5 people. Could be used for women attending fantasy camp and other similar uses. Would need about 500 square feet (180 SF for toilet/shower and 320 SF for the locker room). If new building needed for visitor clubhouse (above), this space could be in the same building, space permitting.
- **Grounds crew / Maintenance areas.**
  - Need approximately 2,000 square feet of indoor space for shed storage, maintenance equipment, repair and maintenance of equipment, and commercial washer and dryer. Requires at least 1 large garage door, so that golf carts, lawnmowers, etc and get in and out. Needs to be heated/air conditioned and have hot and cold water service, sinks, etc.
  - Need an additional 800 square feet of work space, to include 1 work office (100 square feet), a locker and lounge area (400 square feet, including 8 lockers), a washroom area with 2 showers, 1 toilet, 1 urinal and 2 sinks (200 square feet). Heated and air conditioned.
  - Need 1,000 square feet of exterior storage space for dirt, fertilizer etc. Will need to include 4 concrete openings (open at top and front) of about 10 x 10 each to hold supplies.
- **Public Parking.** Significantly increased public parking capacity (controlled by Club). Currently have only 210 guest parking spots for sale and would want as much as possible (whether at ground level or in some kind of parking structure)
- **Security Access.**
  - Automated security access controls (not only for offices, but also for the parking gate). *One possibility is to have the same system in place at the main stadium offices and clubhouse and the Solon Avenue training facility. Further, the Florida systems should probably be the same as those used in Toronto, so that Toronto staff can utilize a single pass set up for both locations.* If

necessary, we can assist with the specs, but the costs needed to be included in the cost estimates for this project.

- Many doors at the stadium and office building use key locks (e.g. concession stand doors, individual offices, and individual suites). We assume that this will remain so, however, upgraded lock and key system would need to be installed.

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

### Douglas Avenue Clubhouse and Office Space Review and Upgrades

**N.B.** Under this current plan, the intention is that the stadium and related offices/clubhouse spaces would be used only for Spring Training game days (and Florida State League games). Therefore, we are recommending that the existing office / clubhouse building not be materially renovated in any way. That said, we do think that there will need to be some review of the building and its roof, structure, walls, electrical, HVAC, and plumbing and other similar systems and components and those upgrades as are necessary to that the building is both safe and serviceable over the long term. We would ask that the review and upgrades be recognized in the project scope and cost.

### Other/Exterior

- **Main Stadium Playing Field.** If retaining existing field / footprint, redo the grading of the field and playing surface to allow for proper drainage (currently our stadium slopes approx. 3 feet from the outfield to home plate).
  - Stadium dimensions should be the same as *Rogers Centre* in Toronto.
  - Outfield wall pads need to set at same height at *Rogers Centre*
  - Distance measurements should be marked in same place/manner as *Rogers Centre* outfield.
- **Half Field.** There are currently two (2) half fields (one to the North of the stadium and one to the South). *Only need one (1) half field ultimately and would suggest that we retain the one to the south (closest to clubhouse building).* The retained half field does not need to be upgraded.
- **Visiting Batting Tunnels.** There are currently 2 batting tunnels for visiting team use. *If space allows, we will still need 2 basic covered batting tunnels for visiting team use. New or upgraded lighting necessary.* Could just be placed under the boardwalk or next to the grounds crew area.
- **Blue Jays Batting Tunnels.** Right now Florida Auto Exchange Stadium has 3 covered batting tunnels for Blue Jays use. Desire is just to retain those batting tunnels. *No additions or renovations necessary.*
- **Baseball Operations' Robotic Cameras and Wiring.** In other portions of this document we have indicated that there will be a need to wire the stadium for TV, radio, feeds, and, of course, all ordinary clubhouse/office needs (phone, internet, cable, etc.). The larger plan needs to ensure that all appropriate areas are interconnected and all designs and costings should take that into account. In addition, to the aforementioned needs we would require the following for Baseball Operations purposes.
  - Install High Definition, robotic, remotely operated Pan-Tilt-Zoom (PTZ) cameras (and associated conduit and wiring) to permit recording and remote viewing of activities at the Major League stadium. Would include:
    - One (1) permanent camera installation in centerfield
    - Ability to set up three (3) temporary "clamped" locations (along home plate, along 1B line, and along 3B line).
    - Minimum of six (6) additional cameras (not permanently affixed) in order to be able to install at any and all of the following six (6) locations: high home plate, low home,

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

center field, 2 at 1B side (open side hitter and catcher), 2 at 3B side (open side hitter and catcher).

- All cameras and feeds should be able to be remotely controlled from a central locations (both stadium and complex video rooms), and available for viewing on web-based viewing software, as well as main video room servers.
- All robotic cameras should be 1080i High Definition as mentioned above, with full HD frame rate recording. (29.97fps), along with iris, black level, ND filter and paint controls. These cameras will shoot in a number of conditions from full daylight, to overcast, to night under sports lighting. "Security grade" cameras are not sufficient.

Assuming this would involve installing conduit and cabling to permit feeds to terminate at some central server or other room at the building. As with the stadium, any and all wiring, conduit, etc. needs to be to high standards and below ground to ensure not affected by weather. It needs to be run to appropriate server rooms, etc. Costs and room sizes for server rooms should reflect that.

- *Security Cameras.* Install security cameras around exterior and interior of the stadium (Blue Jays can assist with more specifics when appropriate, as there is some experience with these in Toronto)
- *Team parking.* Currently, the secured lot has 101 spots. *There is no need to add parking to this lot, since the stadium will be for game-day use only.*
- *Grounds Crew and Media Parking.* Add 10 or more parking spots to the grounds crew/ media / visiting team parking on the North side of the stadium
  - There are 36 spots on the north side of the building for grounds crew/media/visiting team parking, so new total would be 46 or more.
- *Broadcast Truck Parking and Power.* Ensure ample space to park and hook up broadcast trucks (at least 2 per game) (approx. 64'x24' footprint each). As noted above, would want to be located close to built-in pre-wired television cabling interconnections. Ensure a minimum of two (2) 400-amp, 208V, 3ph or four (4) 200-amp, 208V, 3ph electrical services for Broadcast Trucks. These services should be cam-lok series J compatible connections, with local disconnects.
- *Backup Power.* Require backup power generator and associated infrastructure for data and emergency power systems. Assume at least 100 KV required.

### SOLON AVENUE SITE (COMPLEX SITE)

Current plan seeks to create a state-of-the-art Major and Minor League training complex at the Solon Avenue site, by using all of the property that is currently in use for the team's minor league complex and fields PLUS certain property to the North (which is presently occupied primarily by a City-owned park, softball fields and associated parking).

*While existing field layouts and orientations should be preserved to the extent possible (in order to avoid unnecessary costs), consideration should be given to constructing the new training complex building (and related field house / batting tunnel building) on land that is currently occupied by a field, if doing so would result in the best and most functional use of the property.*

At a very high level (i.e. site plan level), the current plan would result in a clubhouse building (i.e. not including batting tunnels / field house) with training facilities on the main floor and offices on the second floor, 4 and ½ fields for Minor League use, 2 ½ fields for Major League use, 1 open air agility field for Minor League use, 1 covered agility field (turfed) for Major League use, 1 inclined agility field for shared Major / Minor League use, 13 batting tunnels (either combined in a single large structure, or split with 8 Minor League and 5 Major League), 10 ½ Minor League gang mounds and 8 ½ Major League gang mounds.

### Fields and Exterior Areas

- **Four (4) Full Fields Minor League use.** Require four (4) full fields for Minor League use. Although the site already has fields, due to subsoil and other issues, at least two (2) would likely have to be moved and would have to be dug down to a significant depth and basically redone from scratch (because the move and/or subsoil issues may require the installation of a geogrid, compaction or other forms of remediation). The other two (2) are anticipated to require substantial work, even if slightly less than the first two (2).
  - Each field should have four (4) bullpen mounds (2 home, 2 visitor) associated with it
  - Each field should have two (2) dugouts
  - Each field should have a "batters eye"
  - Each field should have a scoreboard
  - Each field requires outfield wall fence (as opposed to padding)
  - **Security and Special Fencing.** It is possible that we would consider turning 2 or 3 of these Minor League fields over to the City between April and November each year. For that reason, site should be designed so that there is some parking and access to these fields from a spot that is separate from the clubhouse and team parking area. Also, would need to design site in such a way that there is a flexible fencing system allowing the clubhouse, batting tunnels, gang mounds, agility fields, team parking and all "team only" fields to be fenced off from the areas turned over to the City.
  - **Lighting.** The City has indicated that it would like to have lighting on the fields it will use (likely 2 fields). Although such lighting is not required for Blue Jays uses, at this time design and cost estimates should assume that two (2) of the Minor League fields will be lit. Lighting does not need to be to Major League Baseball broadcast standards and existing lighting infrastructure should be used as much as possible.
- **Viewing Tower.** New viewing tower with shading and views of as many Minor League fields as possible (will depend on site design).

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- *Observation Area* - Would like tower to be shorter than the standard minor league viewing tower (about 12 feet from ground to floor of observation area). Need power outlets and wi-fi access from observation area. Counter / ledge surrounding observation area should be wide enough to use as work space. If possible, optional enclosure (not permanent) through sliding glass windows or screens to shield wind for phone calls would be nice to have.
- *Storage and Training Area* - Desire for there to be an *air conditioned storage and training area incorporated into the base of the viewing tower*, which would include:
  - 150 square foot storage space
  - Electricity
  - Filtered water spigot (and space to fill coolers and bottles)
  - Racks for coolers
  - Refrigerator
  - Ice Machine
  - Small private (i.e. walls and door, but very small) "Satellite Training Area" with space for at least 1 trainers table
- *Public Washrooms*. Require public washrooms in base of tower. Men's would include at least 2 toilets, 2 urinals and 2 sinks. Women's would include at least 2 toilets and 2 sinks. As with all washrooms, would need to meet applicable codes and other regulations.
- *Concessions*. Also require small concessions stand to be located within the base of the viewing tower, including:
  - Refrigerator, impinger, grill, water and fountain soda unit and lines, and 2 points of sale
  - All necessary wiring, plumbing, drainage, venting, etc
- *Charting Tables behind home plate of each field*. Seating and small charting tables behind home plate of each field. Want to be able to ensure that those are shaded in some way (but without restricting ability of people to view from the tower, etc.).
- *One (1) "Half Field" for Minor League Use*. Require a "half field" for Minor League use. As with the full Minor League fields, might be turned over to the City for portion of the year so that should be taken into account in site design. Would like this half field to be artificial turf so that it dries quickly after rain. The site design may allow the current half field (which is artificial turf) to remain intact.
- *Covered Indoor Batting Tunnel Structure with eight (8) tunnels for Minor League Use*. Structure should be well lit with high ceilings. Full mounds should be installed in each of the 8 tunnels to allow for indoor bullpen sessions in rain. Should have extra room around perimeter in order to accommodate benches, side work areas, and storage within caged space. Would like netting to be on pulleys to pull back manually as desired (believe the Tigers have implemented such a system in Lakeland). Require small video area integrated into batting tunnel structure.
  - Does not have to be air conditioned, but would like to ensure that there is adequate ventilation and fan system to ensure comfortable environment
  - N.B. - The Major (5) and Minor League (8) batting tunnels can be combined in one larger structure, depending on available site space. If the batting tunnels are combined into one larger structure, then only one video area is needed.
- *Four (4) Outdoor Batting Tunnels for Minor League Use*. These outdoor tunnels should be placed near the Minor League fields with easy access from the fields. Would like these to be split into two (2) sets of 2 tunnels.

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- **Ten (10) gang mounds plus one (1) "half mound" for Minor League Use.**
  - 10 full mounds could be placed together or split 5 and 5.
  - The half mound (i.e. shorter mound with more gradual incline, used for rehab work) should be built in line with the full mounds.
  - Area between mounds and plates should be artificial turf to ease upkeep.
- **One (1) Open Air Agility Field for Minor League Use.**
  - Must be approximately 50 yards long x 26 yards wide and would like artificial turf for this field so that dries quickly after rain and to hold up better to heavy use.
  - **Tartan Track and Sand Pit.** Would like track-and-field style "Tartan Track" rubberized running lane (approx. 40 yards long and 3 yards wide) for sprints with a standard-sized sand pit (roughly 10 yards x 3 yards) at the end of the lane. These can be placed along one side of the open air agility field.
- **Two (2) Full Fields Major League Use.** Require two (2) full fields for Major League use. Anticipate that any fields would have to be dug down to a significant depth and basically done from scratch (as there are subsoil issues that may require compaction or other forms of remediation). *These two fields will always be exclusively under team control and should be located close to clubhouse.*
  - Each field should have four (4) bullpen mounds associated with it
  - Each field should have two (2) dugouts
  - Each field should have a scoreboard
  - Each field should have a "batters eye"
  - Each field requires outfield wall padding (as opposed to basic standard fencing)
  - **Replica of Rogers Centre.** One (1) of the Major League fields should replicate the dimensions of *Rogers Centre*, including identical field dimensions, wall heights and outfield measurements marked in the same locations and fashion as they are at *Rogers Centre*. This field should also be artificial turf, with dirt infield, to dry quickly after the rain and better replicate *Rogers Centre*.
  - **Lighting.** Only 1 of the 2 Major League fields (the field with *Rogers Centre* dimensions) requires lighting.
- **One (1) "Half Field" for Major League Use.** Require a "half field" for Major League use. Will always be exclusively under team control and should be located close to clubhouse. Would like this half field to have artificial turf center with dirt infield to replicate *Rogers Centre* conditions.
- **Covered Indoor Batting Tunnel structure with Five (5) tunnels for Major League Use.** Structure should be well lit with high ceilings. Full mounds should be installed in each of the 8 tunnels to allow for indoor bullpen sessions in rain. Should have extra room around perimeter in order to accommodate benches, side work areas, and storage within caged space. Would like netting to be on pulleys to pull back manually as desired (believe the Tigers have implemented such a system in Lakeland). Require small video area integrated into batting tunnel structure.
  - Does not have to be air conditioned, but would like to ensure that there is adequate ventilation and fan system to ensure comfortable environment
  - N.B. - The Major (5) and Minor League (8) batting tunnels can be combined in one larger structure, depending on available site space. If the batting tunnels are combined into one larger structure, then only one video area is needed.

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- **Eight (8) gang mounds plus one (1) "half mound" for Major League Use.**
  - The half mound (i.e. shorter mound with more gradual incline) should be built in line with the full mounds.
  - Area between mounds and plates should be artificial turf to ease upkeep.
- **One (1) Covered Agility Field for Major League Use.**
  - This agility field should be roughly 50 yards long x 26 yards wide
  - Field needs to be covered with artificial turf
  - *It should be enclosed on two (2) of the four (4) sides, and have a very high roof / ceiling* – in order to permit long toss and other drills during rain
  - While the two (2) open sides will allow some natural light, additional lighting will be required
  - Would like there to be water fountain / bottle filling station in this structure
- **One (1) Inclined Agility Field for Shared Major League and Minor League Use.** Require grass hill with incline of 6 to 8 degrees. Running area should be about 55 yards long by about 5.5 yards wide (however, if there is space to accommodate, we would like it to be even longer – up to 100 yards). Can be located near Major League fields but would be used by both Major and Minor League teams.
- **Protective Netting.** Depending on site layout, anticipate that there will be protective netting needs in many areas (particularly to shield homes, roads and other adjacent properties in the neighborhood from batted balls, particularly as on north side of the property). Protective netting should also shield any publicly accessible fan areas, as well as parking areas. If possible, netting should be designed to as to collect baseballs for later retrieval and reuse.
- **Grounds Crew.** Would prefer to have one (1) large building that incorporates all of the necessary spaces and amenities for grounds crew / maintenance purposes. Would need to include, at a minimum, the following:
  - **Main Maintenance and Repair Space.** Need an indoor space around 3,500 square feet to house:
    - Should include three (3) small (100 square foot) offices for repair and maintenance staff
    - Should include a locker room, lounge and washroom space for 15 people (estimating total of 500 square feet for both). Should have 3 showers, 2 toilets, 2 urinals and 3 sinks.
    - Large open space (2,700 square feet) with concrete floor, suitable for repair and maintenance of golf carts, mowers, and other equipment and storage of same
    - Requires minimum of 9,000 pound equipment lift
    - One or two large garage doors for access, along with regular door
    - Minimum of four (4) work benches and shelving along exterior walls
    - Require 1 industrial washer and 1 industrial dryer in this space (and associated power, plumbing and drainage)
    - Needs to be able to be used to store power equipment (mowers, lifts, packers, golf carts etc.).
    - Requires both standard and 220 volt power receptacles
    - Needs to have heat and A/C, as well as hot and cold running water and sinks
  - **Secondary Storage Shed.** Require one (1) separate secondary shed of 500 square feet to store supplies and small equipment.
    - Concrete floor
    - Requires minimum of 9,000 pound equipment lift

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- One garage door and one regular door
- Shelving along exterior walls
- Requires both standard and 220 volt power receptacles
- Needs to have heat and A/C, as well as hot and cold running water and sinks
- *Exterior storage space.* 1,200 square feet with concrete dividers (to create at least 4 discrete spaces for dirt, fertilizer, propane etc.
- *Baseball Operations' Robotic Cameras and Wiring.*
  - Install High Definition, robotic, remotely operated Pan-Tilt-Zoom (PTZ) cameras (and associated conduit and wiring) to permit recording and remote viewing of activities on all full Major League and Minor League fields. Would want the following at all of the full fields:
    - One (1) permanent camera installation in centerfield
    - Ability to set up three (3) temporary "clamped" locations (along home plate, along 1B line, and along 3B line). Each "clamped" location should be able to accommodate more than one camera.
  - Conduits and cabling for temporary "clamped" installation of high definition, portable, robotic, remotely operated PTZ cameras in all indoor batting cages and at all gang mounds.
  - All cameras and feeds should be able to be remotely controlled from a central locations (both stadium and complex video rooms), and available for viewing on web-based viewing software, as well as main video room servers.
  - All robotic cameras should be 1080i High Definition as mentioned above, with full HD frame rate recording. (29.97fps), along with iris, black level, ND filter and paint controls. These cameras will shoot in a number of conditions from full daylight, to overcast, to night under sports lighting. "Security grade" cameras are not sufficient. Require minimum of twenty (20) cameras.

Assuming this would involve installing conduit and cabling to permit feeds to terminate at some central server or other room at the building. As with the stadium, any and all wiring, conduit, etc. needs to be to high standards and below ground to ensure not affected by weather. It needs to be run to appropriate server rooms, etc. Costs should reflect that.

- *Staff/Player Parking (350 spots).* Require secured, paved parking for approximately three hundred and fifty (350) vehicles (for team staff and players). Needs to be located close to clubhouse building.
  - Possible that it could be divided into a lot for 150 (for Major League players, staff and executives, located closest to clubhouse) and a further lot for 200 (for Minor League players and staff). Want to ensure Major League team always has parking.
  - Would need small security hut for guard to sit indoor with electrical power.
- *Public / Overflow Parking (150 spots).* Parking for 150 located elsewhere on the property (possibly on exterior edge of property close to those of the Minor League fields which the City and/or community may have use of). This parking can just be basic grass parking.
- *Security and Access Control.*
  - Require appropriate security fencing for the site (some existing may be re-usable and other areas will require new, for example, where new fields are installed), along with a parking gate at the entrance to staff parking and a shed for security to sit in at the staff parking entrance.
  - Will require automated security access controls (not only for offices, but also for the parking gate). *One possibility is to have the same system in place at the main stadium offices and*

*clubhouse and the Solon Avenue training facility. Further, the Florida systems should probably be the same as those used in Toronto, so that Toronto staff can utilize a single pass set up for both locations. If necessary, we can assist with the specs, but the costs needed to be included in the cost estimates for this project.*

- Assume that a number of doors and spaces at the complex will use key locks (e.g. concession stand door, individual offices, etc). Require modern, secure lock and key system.
- *Security cameras.* Would want new surveillance cameras to be able to view the parking areas, main fields, as well as the interior and exterior of the clubhouse building.
- **Backup Power.** Require backup power generator and associated infrastructure for data and emergency power systems. Assume at least 250 KV required.

### Joint Major / Minor League Offices and Reception

***We anticipate that all offices will be located on the second floor of the clubhouse building and that the offices will open onto a covered balcony with a view of at least one of the Major League fields. Would be useful for balcony to view one Major and one Minor League field.***

***Will need some kind of joint ground floor reception area for the clubhouses and offices. Would want it to contain some built-in display cases.***

### Shared Spaces

- ***Reception area.*** Approximately 200 square foot reception area on second floor to serve offices.
- ***Boardroom.*** Require one large boardroom of approximately 615 square feet (38.8 feet long x 15.8 feet wide) that can accommodate a table with seating for twenty two (22) persons. Should include a small kitchenette area (sink, water, bar fridge, counter, cupboards).
- ***Flexible Multi-Purpose Room.*** Room would be approximately 800 square feet and would constitute "flex" space for various meeting, training, treatment and other needs. Room should be equipped with small, wheeled tables (approx. 2 feet x 3 feet) that can be aligned to create larger tables for meetings, configured in a variety of ways or moved/removed as necessary. Would prefer that this room be located in a spot that has relatively easy access to the clubhouse (even though this room will be on the second floor).
- ***Open Office Space.*** Require two (2) separate open office spaces (aka "bullpen" spaces) of approximately 450 square feet each (total of 900 square feet), with each space intended to accommodate multiple desks/cubicles. This open office space will be used by various staff members from Baseball Operations, Communications, Marketing, Player Relations, IT and other departments as necessary.
- ***IT Workspace.*** IT must have a separate work space of approximately 300 square feet, with storage for excess equipment and room for 2-4 employees to work comfortably. Would prefer this workspace to be physically separated in some fashion from other offices.
- ***Server Room.*** For safety reasons (e.g. floods), would want on second floor.
- ***Kitchen and Eating Area.*** Require a 300 square foot kitchen/eating area serving the offices. This area should include a sink, dishwasher, refrigerator, microwave, etc.
- ***Copy Room.*** Require a copy/office supply room of about 150 square feet.
- ***Men's and Women's Washrooms.*** Require 1 large set of washrooms for each gender serving the offices. Assume we will require 150 square feet for each bathroom (or, alternatively, could do 2 smaller washrooms for each of men and women).
- ***Janitor's Closet.*** 1 janitor's closet of approximately 100 square feet for equipment and supply storage.

- **Player Shoot Room.** For 3 to 4 weeks of Spring Training we require a room in which to be able to shoot audio / visual footage of players (e.g. throwing, jumping and batting action, interviews, and other content). Room needs to be 25 feet x 40 ft (1,000 square feet) and ceiling height of at least 13 feet. *This room can be on second floor and must be physically separate from weight room (to ensure that noise and music from weight room is not heard within this space), but also needs to be relatively easily accessible to/ from the Major League clubhouse.* Minimum lighting power service inside the shooting space should be 200A, 208V, 3ph with local disconnect and cam-lok J series connectors or equivalent. Should have acoustical tiles on the ceiling. Air conditioning for this space should have acoustical dampers, and a local thermostat control so it can be turned off during filming to ensure fan-coil cannot be heard. Outside of Spring Training, may want to repurpose the room as overflow meeting space, so it would be good to have means to divide room in two (and could include movable tables on wheels, etc.)

### Major League Operations Offices

- **Covered Office Balcony with Field View.** Require an office balcony with roof and view of closest Major League field(s) and, potentially, some of the gang mounds (depends on final site layout).
- **Reception and office spaces:**
  - 2 "double" (i.e. larger than standard) private offices (each of approximately 250 square feet) with balcony access and room for desk and small table for small meetings
  - Reception area of approximately 250 square feet near at least 2 of the "double" offices
  - 7 "single" private offices with or without balcony access (150 square feet each)
  - 3 "single" private offices with or without balcony access (100 square feet each)
  - 1 large "open" (aka "bullpen") office space (approximately 450 - 550 square feet) (with wrap-around working counter and sufficient space for 4 desks).
  - 1 smaller "open" (aka "bullpen") space (approx. 275 square feet) without balcony access with room for 2-3 desks.

### Minor League Operations Offices

- **Covered Office Balcony with Field View.** Require an office balcony with roof and view of closest Minor League field(s) and, potentially, some of the gang mounds (depends on final site layout). This would be the same balcony as the one serving the Major League offices, but probably just on a different side of the building.
- **Office Spaces.**
  - 1 "double" (i.e. larger than standard) private office (approximately 250 square feet) with balcony access and room for a main desk and small table for small meetings.
  - 3 "single" private offices with or without balcony access (150 square feet each).
  - 1 "single" private offices with or without balcony access (100 square feet each).
  - 1 large "open" (aka "bullpen") office (approximately 400 square feet) with room for 6 desks.
- **File storage room.** Require 150 square feet.

- *Office Spaces.*
  - 1 "double" (i.e. larger than standard) private office (of approximately 250 square feet) with balcony access and room for desk and small table for small meetings.
  - 2 "single" private offices with or without balcony access (150 square feet each).

Ver. 3.0 - As of September 9, 2016

### Joint Major / Minor League Clubhouse Spaces

Assumption is that all of the player and coaching-related spaces will be on the main floor of the Clubhouse building unless otherwise noted.

- **Reception.** Area of about 300 square feet or more at front entrance to serve as reception for entire clubhouse / office building. Would want it to contain some built-in display cases.
- **Blue Jays Communications Staff, Media Workspace and Related.** Require an area within which Blue Jays communications staff would work, adjacent to a media workspace and related spaces. Specifically:
  - 1 "single" private office (150 square feet each) for Blue Jays communications staff
  - 1 "single" private office (100 square feet each) for Blue Jays communications staff
  - 1 large private space for Blue Jays communications staff (approx. 300 square feet) with room for 3-4 desks.
  - Adjacent to the Blue Jays media relations staff offices, we require approximately 700 square feet of room for media members to work and eat. Although located within the building footprint, this room should be totally separated from clubhouses and main Blue Jays offices, with its own entrance / exit. Counters should line the outside of the room to provide work space (with appropriate electrical, internet and other connections). Media workspace should include small copy/supplies area (about 100 square feet of total area).
  - Require 2 interview rooms of approximately 100 square feet each, connected and immediately adjacent to the media workspace.
- **Shared Weight Room.** *The weight room will be shared by both Major and Minor League players/staff, and need to be located in close proximity to both Major and Minor League Athletic Training/Treatment areas (probably directly in between).*
  - Require 10,000 square feet of main floor interior space with rubberized flooring. Must include power and internet connections throughout weight room, camera conduits in a section, screens for programming and feedback at all workout stations (i.e. cardio), and all other necessary cabling, conduit and other infrastructure for future technological upgrades.
  - Extra high ceilings – the interior space should be at a height of at least 2 stories.
  - A 2<sup>nd</sup> floor "cardio loft" overlooking the main floor (loft should be about 700 square feet).
  - An additional dedicated rehabilitation area of approximately 1,000 square feet with training / massage tables, machines, etc. attached to the weight area
  - An additional 225 square foot (15 foot x 15 foot) secure storage room attached to the weight area (including shelving) for storage excess equipment/supplies.
  - An additional exterior space of at least 2,700 square feet (90 feet x 30 feet), separated from the main weight room by one or more a glass/clear garage doors, with field turf and an all-weather awning or roof to protect from the elements.
    - Exterior wall located within this exterior space should be steel-reinforced "medicine ball wall" (i.e. wall has to be strong enough to withstand repetitive impact from medicine balls).
  - An additional smaller outdoor storage area (adjacent to exterior workout space) of approximately 250 square feet with small lockable container for storage of exterior workout materials.

- **Shared Hydrotherapy Room.** *The hydrotherapy room will be shared by both Major and Minor League players/staff, and need to be located in close proximity to both Major and Minor League Athletic Training/Treatment areas (probably directly in between).* Require 1,400 square foot room with proper ventilation, plumbing, etc. Room will include at the following at minimum:
  - *Hydroworx* therapy pool system, with variable depth, underwater treadmill, and built-in cameras. This pool should be in the center of the room.
  - 4 in-ground *Hydroworx* plunge pools (2 hot, 2 cold). Two (2) plunge pools (1 each hot and cold) should be placed on either side of the therapy pool, so that Major and Minor league each has access to its own pair of plunge pools.
  - 2 *CET Team Cryospa* tubs with hot and cold functionality.
  - 2 small stainless steel tubs (for extremities). Would need to be located near water source / plumbing.
  - 2 ice machines (1 cube and 1 pellet). Again, requires water source.
  - Small bathroom area with urinal, sink and shower. Could be enclosed by curtain or partial wall.
- **Yoga Studio.** One (1) room of 800 square feet, with wooden floors and mirrors on walls for possible use as yoga studio. This room must be in proximity to and easily accessed from weight room and training areas.
- **Large, Subdivisible Multi-Purpose Room.** This room would be approximately 1,000 square feet and would have dividers to permit it to be subdivided into 2 to 4 smaller rooms (each would need its own doorway access to the hall). Intent is to have a very flexible space that can accommodate multiple needs simultaneously. On one day, there might be a large meeting. On another, one of the smaller spaces might be used for cognitive training or grappling. This large multipurpose room should also be equipped with small, wheeled tables that can be aligned to create larger tables for meetings, configured in a variety of ways or moved/removed as necessary.
- **Second, Subdivisible Multi-Purpose Room.** "Flexible" space of 1000 square feet to be used for various training, treatment and other varying needs. Should be divisible for possible use as smaller conference rooms as and when required, and should be equipped with small, wheeled tables that can be aligned for meetings or moved/removed as necessary.
- **Sports Science Lab.** Require dedicated space of approximately 700 square feet (approx. 26.5 feet x 26.5 feet) with power outlets, internet connections and conduits / wiring, for data, video, etc throughout (we anticipate having cameras installed in this space at some point). Desire is for the space to in a built-in force measurement platform (pad that measures downward force, such as from jumps).
- **Main Trainers' Locker Area.** Need locker space (approximately 825 square feet) and washroom space (approximately 275 square feet) for athletic trainers, strength and conditioning coaches, and mental performance coaches. Must comfortably accommodate 40 staff total. Lockers should include integrated power outlets. Washroom should include at least 3 urinals, 3 stalls, 8 showers and 4 sinks.
- **Female Locker Area.** Smaller locker room (approximately 200 square feet) for 5 lockers (including integrated power outlets) and accompanying shower and restroom area (approximately 100 square feet). Restroom area should have 2 sinks, 2 toilets and 2 showers.

## Exhibit "C" Improvements

- *Doctor's exam room.* 2 private rooms of approximately 125 square feet each. Require each room to be accessible directly from both the Major and Minor league training areas, with each of the 2 rooms including:
  - Lockable door
  - Hi-Lo examination table
  - X-ray view box on wall
  - Counter-top type desk with computer workstation
  - Built-in cabinets and locks
  - Wall-mounted vitals station, and
  - Wall-mounted mirror.
  
- *X-ray room.* Need x-ray room with properly insulated (lead) walls and door, with a total size of about 120 square feet. Should be a dedicated room and not shared with doctor or massage therapist. Should be accessible directly from both the Major and Minor League training areas. Room needs:
  - Enough space for hi-lo examination table
  - Fluoroscanner or x-ray machine (provided by the team)
  - Lead walls and door
  - Counter top including lower storage.
  
- *Shared Video Room and Office.*
  - Require single shared Major/Minor league video room of approximately 600 square feet. Should include divider in middle of room, in case separation between Major and Minor league personnel is desired. Room should include built-in counter/cabinets around exterior of room and equipment (including video and computers, as well as connectivity and cabling). Will be used for charting and watching video. Two charting stations should be capable of controlling all cameras throughout stadium and complex, including on main field, back fields, batting cages, etc.
  - Smaller, connected office (approximately 200 square feet) to be set up as work room for Advance Scouting and other video-related work.
  
- *Theatre-style Classroom.* Would like to have a theatre with fixed, banked seating capable of comfortably holding 120 persons (we anticipate that would require approximately 1,600 square feet). Space would have integrated audio/visual (screen at front, speakers, etc.) and would have desks and outlets at the seats. Initial plans should show people entering at front of room and walking up to back rows which are raised above ground level.

### Clubhouse and Training Spaces for Exclusive Use of Major Leaguers

- **Major League Locker Room and Washroom.** Requirements:
  - 2,800 square foot main locker room area.
  - 80 new, high quality "permanent" lockers (with proper ventilation, integrated power outlets, etc.). Lockers should be around room exterior so that center has room for comfortable movement and with some built-in counters/tables, sunscreen station, televisions and other features. Lockers can be extra tall (like in Padres locker room in Peoria) given the extra high ceilings in the space.
  - 2 lounge areas in center of clubhouse with couches, tables, etc.
  - High ceilings (about 22 feet) with windows to allow natural light above lockers (similar to Padres locker room in Peoria, except also want to be able to darken the room when needed, which isn't possible in Peoria).
  - Additional 1,200 square foot restroom/shower area with at least 6 urinals, 6 toilets, 18 showers and 8 sinks.
  - Although doesn't have to follow a football shape, that would be fine, provided that the ends of the room are not coming to a point (making those ends unusable).
- **Janitor's Closet.** 1 janitor's closet of approximately 100 square feet for equipment and supply storage.
- **Athletic Training/Therapy Areas.** Athletic training/therapy area must adjacent to the joint hydrotherapy space in the building and weight room, with ability to view into each.
  - Approximately 1,400 square feet of primary training space.
    - 8 hi low treatment tables included in the training space.
  - Would like to ensure there are high (12 foot) ceilings, making the space comfortable.
  - **Trainers' Offices.**
    - Require one (1) "single" office of about 150 square feet
    - Require larger communal office to accommodate 8-10 staff members. Likely requires a total of about 350 square feet. All Major League trainers and strength/conditioning coaches will be based in this area; as such, requires a view of the training area and easy access to the weight room. Need extensive cabinets and wraparound counter work space with ample electric outlets, internet access, etc. Would like ability to use entire walls as white board writing space.
  - **Massage therapy/chiropractic room.** Need room of approximately 150 square feet for use by team massage therapists and chiropractors.
  - Additional secure storage room of approximately 150 square feet (doesn't necessarily have to be within the central training area but should be accessible from it).
- **Coaches' Work Room.** Should be about 650 square feet with a large table in the center and work stations (counters) around the sides of the room. Must be connected to Coaches' Locker Room, and potentially Manager's Office. Should include copier and several televisions.
- **Coaches' Locker Room.** Require:
  - 900 square feet for locker room and including small lounge area within the locker room with couches, a table, etc.,

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- 30 lockers with integrated power outlets, and
- Enough washroom space for 3 toilets, 4 urinals, 8 showers, and 4 sinks (about 450 square feet).
- **Manager's Office.** Should be about 200 square feet plus adjoining private bathroom / shower of approximately 75 square feet. Optimally, this room will connect directly to the Coaches' Work Room.
- **Family Waiting Room.** Should be about 200 square feet, with separate entrance removed from clubhouse/training facilities. Preference would be for this space to be accessed directly from the main floor reception area.
- **Staff / Executive Locker Room.** Would like to have a locker room (approx. 575 square feet) and shower/washroom space (approx. 225 square feet) for use by clubhouse staff and team executives, accommodating 30 persons/lockers. Locker area should have wooden, ventilated lockers with integrated power outlets. Washroom should have at least 2 urinals, 2 toilets, 6 showers and 3 sinks.
- **Laundry.**
  - Main room size should be about 600 square feet,
  - Four (4) commercial washers and four (4) commercial dryers,
  - One (1) residential washer, and
  - One (1) sink and large table for folding.
- **Equipment Room / Equipment Storage/ Offices.**
  - Require 2,000 square feet for equipment storage, at least partly divided, so it's really two spaces rather than one single large room. Within the 2,000 square foot area:
    - Want to devote a portion of storage space as a kind of "cage" of "subspace" that can be locked (approximately 250 square feet).
    - Want to include a pooled office area of about 150 square feet for 2 or 3 people. Should have counter built in around at least one exterior wall.
  - Require garage door/loading space to exterior of main floor equipment room – with direct access to parking lot/driveway. *Loading space for Major League equipment area needs to physically separate from the loading space for the Minor League equipment area, so that if there was load-in or load-out happening on the same day, they would not affect one another.*
  - Want the equipment area to include large accordion-style shelving system on tracks (with ability to move and also to lock in place) for more efficient storage and access to equipment.
  - Require additional ball storage room of 175 square feet with shelving in the room. This room needs to have direct access to the outdoors, in a location with a convenient path to the Major League fields.
- **Travel Office.** Require office of at least 150 square feet for Director of Team Travel.
- **Commercial Grade Kitchen Space (and associated storage and service areas).** Require commercial kitchen (approximately 600 square feet) and all associated walk-in freezers, walk-in refrigerators, cooking equipment, exhaust hoods, plumbing, venting, etc. Also require attached secure storage space / pantry (approximately 250 square feet). Kitchen would obviously have to be designed to current standards and to meet the full needs of the team, however, we know that the following are important:

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- Plans need to include appropriate serving counters and stations (e.g. salad bar) that are integrated in some manner into the dining room space (which space is described below). Idea is such that the kitchen, serving and dining are all open and very much connected spaces.
- Optimally, would like to have garage door or other large access directly from the exterior of the building into the kitchen and the kitchen storage room, so that items can be loaded directly from vehicles. Would also want built-in floor to ceiling shelving in storage room.
- *Dining Room.* Require 1,100 square feet for a dining room (eating area). Must be connected to the kitchen /service counter in a functional way. Lunch room should probably occupy as space that is relatively accessible from / to the office areas of the building (as players may need to go up to the offices and/or team staff may need to come down).
  - *Nutrition area.* Want a portion of the lunch room space to include counters and cabinet space to be used as a "nutrition area", including supplements, nutrition bars, juice bar, smoothie station with blenders, etc
  - *Outdoor Eating Area.* Would like an additional outdoor patio eating area with picnic tables. Preferably this space will include some shade and be about 300 to 400 square feet. Depending on final building design, we recognize that the space may be larger than we need for this. If so, we would not want to finish the entirety of the larger space for the purpose of eating (we likely would want to leave unfinished or use for some other purpose).
- *Additional storage.* Would like to ensure that we have an additional storage space / room of approximately 250 square Major League portion of the building.

### Clubhouse and Training Spaces for Exclusive Use of Minor Leaguers

- **Minor League Player Locker Room(s) and Washrooms.** Requires one large locker room (of approximately 5,000 square feet in total) that can be divided into two (2) Minor League locker rooms as further detailed below.
  - **Locker Room 1:**
    - Space for 80 permanent player lockers (good quality) (requires approximately 2,000 square feet)
  - **Locker Room 2:**
    - Space for 130 permanent player lockers (medium quality) (requires approximately 3,000 square feet)
  
- **Minor League Player Washrooms.** There should be two (2) washroom / shower areas serving the Minor League locker area (one on each side of the large room described in the previous entry). One washroom / shower area should occupy approximately 900 square feet and the other should occupy approximately 1,300 square feet, and each should include an appropriate number of urinals, toilets, showers and sinks for the number of players using.
  
- **Athletic Training/Therapy Areas.** Athletic training/therapy area must be adjacent to the joint hydrotherapy space in the building and weight room, with ability to view into each.
  - Approximately 1,750 square feet of primary training space.
    - 10 hi low treatment tables included in the training space.
  - Would like to ensure there are high ceilings, making the space comfortable.
  - **Storage Space.** Would like secure storage space of at least twelve feet (18') by sixteen feet (16') (total square footage 288) with shelving.
  - **Massage therapy/chiropractic room.** Need small room of approximately 150 square feet for use by massage therapists and chiropractors.
  - **Trainers, Rehab and High Performance Offices.**
    - Require four "single" offices of about 150 square feet each (one each for Minor League trainer calls, Rehab Staff, Strength and Conditioning Staff and High Performance Staff)
    - Also require larger communal offices to accommodate 30 staff members. Can be split into 2 or 3 pooled work areas that accommodate 10 to 15 staff members each. Requires a total of about 900 square feet for all of this space. All minor league trainers and strength/conditioning coaches will be based in this area; as such, requires a view of the training area and easy access to the weight room. Need extensive cabinets and wraparound counter work space with ample electric outlets, internet access, etc. Would like ability to use entire walls as white board writing space. Would like these pooled work spaces to be roughly square, so that staff can work along edges or turn towards center for ad hoc meetings.
  
- **Janitor's Closet.** 1 janitor's closet of approximately 400 square feet for equipment and supply storage. This room needs a sink and hot and cold water.
  
- **Coaching Staff Locker Room.** Require 1,500 square foot coaching staff locker room (needs to that accommodate 70 lockers). Lockers should be ventilated and include integrated power outlets. Must also

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

include about appropriate washroom facilities of about 600 square feet. At a minimum, require 6 urinals, 6 toilets, 20 showers and 8 sinks.

- **Coaching Staff Workroom.** Require 1,000 square foot coaching staff workroom with seating for at least 60 and all necessary outlets, internet, cable wiring, etc. in order assure that each can comfortably work. Should have want built-in counter/desk around exterior of the room to maximize work stations. Also need extensive cabinets for office supplies. Would like space to include a number of smaller (around 2 feet x 3 feet) wheeled tables that we can bring together to form a large working conference table, separate out into smaller work stations, or clear out entirely for larger meetings as necessary. Room should include copier and several televisions.
- **Roving Instructor and Other Baseball Staff Offices.** Require:
  - 3 offices of about 150 square feet, and
  - 3 offices of about 100 square feet each,

for roving instructors (i.e. Field Coordinator, Pitching Coordinator and Hitting Coordinator) and other coaches (i.e. mental skills, nutritionist) with room for desk/workstation.

- **Equipment Room / Equipment Storage/ Offices.**
  - Require approximately 2,500 square feet for equipment storage, at least partly divided, so it's really two spaces rather than one single large room. Within the 2,500 square foot area:
    - Want to devote a portion of storage space as a kind of "cage" of "subspace" that can be locked.
    - Want to include a pooled office area of about 200 square feet for 3 or 4 people. Should have counter built in around at least one exterior wall.
  - Want in-wall access to equipment room (waist up) from hallway for use to pass equipment to players (so that existing access doors can be used for entrance and egress only and not for service). This in-wall access point would have a locking roll-up window (concession-style).
  - Add garage door and loading dock to equipment storage room for easy load in from exterior. *Loading space for Minor League equipment area needs to physically separate from the loading space for the Major League equipment area, so that if there was load-in or load-out happening on the same day, they would not affect one another.*
  - Want the equipment area to include large accordion-style shelving system on tracks (with ability to move and also to lock in place) for more efficient storage and access to equipment.
  - Require additional ball storage room of 225 square feet.
  - Require additional 700 square foot cart storage area/room, connected to ball storage area and main room (through a door). This cart room should have sinks, as well as tables or counters to fill and load coolers with water/ice/powerade/gatorade and rollup garage doors out to fields.
- **Laundry.**
  - Main room size should be about 600 square feet,
  - Four (4) commercial washers and four (4) commercial dryers (with necessary power hookups, water, ventilation and drainage), and
  - One (1) sink and large table for folding.

## Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- **Commercial Grade Kitchen Space (and associated storage and service areas).** Require kitchen, serving and storage facilities that would allow us to prepare and serve food to 200+ people in one sitting. Requires industrial/commercial appliances (walk-in freezers, walk-in refrigerators, cooking equipment, exhaust hoods, etc.), plumbing, venting, etc. Kitchen would obviously have to be designed to current standards and to meet the full needs of the team, however, we know that the following are important
  - Likely requires about 1,000 square feet for the kitchen area
  - Plans need to include appropriate serving counters and stations (e.g. salad bar) that are integrated in some manner into the dining room space (which space is described below). Idea is such that the kitchen, serving and dining are all open and very much connected spaces.
  - Require separate secured pantry / storage room of approximately 250 square feet.
  - Optimally, would like to have garage door or other large access directly from the exterior of the building into the kitchen and the kitchen storage room, so that items can be loaded directly from vehicles. Would also want built-in floor to ceiling shelving in storage room.
  
- **Divisible Dining/Multi-Purpose Room.** Require 3,000 square foot dining room (needs to be able to hold 225 people seated around tables). Would like the ability to sub-divide the space with partitions (so one side could be used for dining while people are having a class or large meeting on the other side). Should be wired for televisions, projector, etc.
  - **Nutrition area.** Want a portion of the dining room space to include counters and cabinet space to be used as a "nutrition area", including supplements, nutrition bars, juice bar, smoothie station with blenders, etc
  
- **Umpire's room.** Locker area of around 250 square feet. Must be out of the way, with direct access to fields and limited access to other clubhouse sections. Some of the specifics include:
  - 4 lockers, 4 locker chairs, and a table with 4 chairs for umpires to use for meals
  - Bathroom with 2 shower heads, 2 sinks, 1 toilet and 1 urinal (need about 180 square feet for that).
  
- **Additional storage.** Would like to ensure that we have an additional storage space / room of approximately 250 square feet within Minor League portion of the building

The right of the Club to use and operate the Concession Facilities is an exclusive right save during City events. The Concession Facilities may be used by the City and by other organizations so authorized by the City at times when use is not required by the Club or for the Club events under the terms of this Exhibit "D". The Club shall not exclude other organizations from use and operation of the Concession Facilities when use is not required by the Club or for the Club's events hereunder; provided that when the City or another organization is permitted to use and operate the Concession Facilities, the City will be responsible for cleaning the concession equipment and the Concession Facilities, and the City will indemnify the Club for any damages to or additional maintenance of the Club's concession equipment (if the Club purchases and owns concession equipment) or any other loss, cost or liability incurred by the Club as a result of such use. Any use of the Club's concession equipment by such other organizations shall require the consent of the Club.

During the Club's operation of the Concession Facilities hereunder, the City will cooperate with the Club to obtain such consents, permissions or licenses as may be required to allow the Club, exclusively, to sell or authorize the sale of alcoholic beverages during Spring Training games and Florida State League games. The Club or its concessionaire shall be entitled to obtain a liquor license from the appropriate authorities for the operation of the Concession Facilities, either directly or through its concessionaire. In the event that the City sells alcoholic beverages from the Concession Facilities during City events, the City will be responsible for obtaining the necessary license for the same.

### **SECTION 15- DAMAGES TO DUNEDIN FACILITIES**

In the event that there is a partial or complete destruction of or damage to the Dunedin Facilities, or any material part of them, rendering the Dunedin Facilities or such material part of them unusable and the cost of repair exceeds City provided insurance proceeds by \$500,000, then the City shall not be under any obligation to repair or to do any other act to restore the Dunedin Facilities so that they may be used by the Club as contemplated by this Exhibit "D". If the cost of repair or restoration does not exceed City provided insurance proceeds by \$500,000, the City shall be obliged to repair and restore

## **Exhibit "D"**

the Dunedin Facilities. If the cost of repair or restoration exceeds City provided insurance proceeds by \$500,000, the City may, in its full discretion, restore or repair such destruction or damages or not, as it deems best, provided that the City shall notify the Club in writing within thirty (30) days of such destruction or damage, in accordance with the foregoing requirement, of its decision either to restore or repair or not restore or repair such destruction or damage. If the City so notifies the Club that it has decided to restore or repair such destruction or damage, the City shall promptly complete such repair or restoration to the standards of the existing facilities prior to such destruction, but in no event later than seven (7) months from the date of such notice. If the City does not so notify the Club that it has decided to restore or repair such destruction, or if the City so notifies the Club that it will restore or repair the destruction or damage but does not complete such restoration or repair within seven (7) months of the date of the notice, the Club shall be entitled to immediately terminate this Exhibit "D" and/or the Agreement to which it is attached on written notice thereof to the City and shall be obligated to pay only pro-rated amounts due to the City hereunder based on its use during the then current year, and shall have no further obligations to the City. Where the destruction or damage was beyond the control of the City, and the City is not obliged to repair or restore under this Section 15, the City will incur no liability to the Club arising from the City's decision not to repair the Dunedin Facilities for the Club's use under the terms of this Exhibit "D" other than as provided in Section 16 below.

### **SECTION 16- PERSONAL PROPERTY**

All areas of the buildings on the Dunedin Facilities designed to contain equipment or personal property, including without limitation the Concession Facilities, shall be designed in a manner to be secured for the protection of such equipment or other items of personal property. Any equipment or personal property brought into buildings on the Dunedin Facilities by the Club or any other user organization shall remain the property of the Club or user organization and shall be used only with the permission of the Club or user organization. In the event that any such use is allowed with the City's permission, the user of the equipment or personal property and the City will be responsible for any damage to the equipment or personal property so used. The City shall not otherwise be responsible for the loss or damage to any equipment or personal property on the Dunedin Facilities caused by vandalism, hazard, or other matter outside the control of the City.

### **SECTION 17- UTILITY COSTS**

The Club shall be responsible for all utility costs to the Dunedin Facilities, save for utilities to be paid for by the City in respect of its use. The City will provide the necessary reclaimed water to the Dunedin Facilities at no cost to the Club for the reclaimed water used. Utility costs attributable to the use of the Dunedin Facilities by the City will be paid by the City. Utility costs attributable to the use of the Dunedin Facilities by other user organizations may be charged to those user organizations by the Club.

## **Exhibit "D"**

### **SECTION 18- CLUB ANNUAL CONTRIBUTION**

During the operation of this Exhibit "D", the Club shall make an annual contribution to the City in the amount of One Hundred Twenty Five Thousand Dollars (\$125,000.00) (the "**Special-Purpose Annual Payment**"). The Club will make payment of the Special-Purpose Annual Payment on or before September 1 of each calendar year during which this Exhibit "D" is operable and the Club in fact uses the Dunedin Facilities for its Spring Training games.

The City shall maintain and separately account for the Special-Purpose Annual Payments made by the Club (the "**Special-Purpose Annual Payment Account**"). The designation and establishment of the Special-Purpose Annual Payment Account in and by this Exhibit "D" shall not be construed to require the establishment of a completely independent, self-balancing account as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues as herein provided. The Club will, at any time, be entitled to all records regarding the status of such Special-Purpose Annual Payment Account and the information about amounts accrued therein (including interest).

Expenditures of any amounts held within the Special-Purpose Annual Payment Account may be made only for Capital Replacement (as defined in this Exhibit "D") at the Dunedin Facilities and Maintenance, subject to the Club's written approval of the specific expenditures (including the specific services, materials and contractors). Notwithstanding the foregoing, the City and the Club may mutually agree in writing to utilize certain of the amounts held in the Special-Purpose Annual Payment Account to cover soft costs associated with redeveloping and reconstructing the Dunedin Facilities (the "**Soft Costs**"). The City and the Club hereby recognize that any such uses of funds in the Special-Purpose Annual Payment Account to cover Soft Costs shall be reimbursed by project funds if and when they are secured and funded through the State of Florida and/or Pinellas County.

The Club and the City hereby agree that it is the intention of the parties that, upon the occurrence of the events described in paragraph 1.2(b)(ii) of the Agreement to which this Exhibit "D" is attached, all amounts held in the Special-Purpose Annual Payment Account be added to the Capital Replacement Fund (as defined in the Agreement to which this Exhibit "D" is attached).

In the event that the Threshold Date is not achieved and the Agreement to which this Exhibit "D" is attached is terminated pursuant to paragraph 1.2(b)(i) of such Agreement, all proceeds remaining in the Special-Purpose Annual Payment Account shall be the property of the Club and shall be returned to the Club within thirty (30) days of the Club making a written request for same. This paragraph will survive the expiry or early termination of the Agreement to which this Exhibit "D" is attached.

### SECTION 20 – TAX LIABILITY

The Club shall be responsible for all sales taxes, intangible taxes, license taxes, and all other taxes or fees directly arising from or attributable to the Club's use of the Dunedin Facilities, whether payable to the City or to other governmental agencies. The parties will each be responsible for payment of one-half (1/2) of the ad valorem taxes on the Dunedin Facilities (net of City taxes) as is otherwise set forth in Section 3 of this Exhibit "D" to a maximum of \$25,000 per year per party. In the event that the annual ad valorem taxes payable on the Dunedin Facilities are in excess of \$50,000 despite the best efforts of the parties to reduce them to that amount, the parties will meet together in good faith to reasonably resolve operational matters to attempt to reduce the payment of the additional ad valorem taxes.

### SECTION 21 - INDEMNITIES

a) Club Indemnity. The Club will from time to time and at all times hereafter save, defend and keep harmless and fully indemnify the City and its respective officers, employees and agents, of, from and against all damages, losses, costs, charges, liabilities, obligations and expenses, including without limitation reasonable legal fees and disbursements, (collectively, the "Costs") which may be sustained, incurred or paid by any of them by reason or on account or arising out of any act or omission by the Club or its respective officers, employees, agents or those from whom the Club is in law responsible in connection with the use by the Club of the Dunedin Facilities; provided that such indemnity shall be limited by the extent to which such Costs are caused or contributed to by the City or its respective officers, employees, agents or those for whom the City is at law responsible (whether by reason of contributory negligence or otherwise).

b) City Indemnity. Subject as provided by law, (including Florida case law, statutes and the Florida constitution, to the extent they are applicable and specifically 768.28 F.S.) the City will from time to time and at all times hereafter save, defend and keep harmless and fully indemnify the Club and its partners and each of their directors, officers, employees and agents of, from and against all Costs which may be sustained, incurred or paid by any of them by reason or on account or arising out of any act or omission by the City or its respective officers, employees, agents or those for whom the City is at law responsible in connection with the design or construction of the Dunedin Facilities, or use of the Dunedin Facilities by the City; provided that such indemnity shall be limited by the extent to which such Costs are caused or contributed to by the Club or its respective directors, officers, employees, agents or those for whom the Club is at law responsible (whether by reason of contributory negligence or otherwise) or by other third parties.

### SECTION 22 – INSURANCE

The Club shall, at its expense, keep in force during the entire period that this Exhibit "D" is operable, general liability and broad form comprehensive general liability insurance issued by a responsible insurance company and in form acceptable to the City, acting reasonably, for the protection of the City (except to the extent of the City's negligence) against all liability, judgments, costs, damages and expenses which may accrue against, be

charged to, or recovered from the City by reason of damage to the property of the City or injury to or death of any person or persons arising out of use of the Dunedin Facilities by the Club, in a policy or policies in a minimum amount of a combined single limit or one million dollars (\$1,000,000.00). This liability coverage shall also contain applicable coverages for premises operations, contractual insurance, personal injury, liquor liability and broad form property damage. The Club shall also carry its own workers compensation insurance. Insurance required by the terms of this Exhibit "D" shall be evidenced to the City in the form of a Certificate of Insurance which provides that the City shall be notified at least thirty (30) days in advance of cancellation, non-renewal or diminishing coverages. The Club shall furnish to the City a new Certificate of Insurance at least fifteen (15) days prior to the renewal date of coverages. A Certificate of Insurance evidencing the insurance coverage specified herein shall be furnished to the City prior to the facilities being utilized by the Club. Notwithstanding anything contained herein, no sovereign immunity or limited sovereign immunity that may be imposed by law with respect to the City's liability hereunder shall serve to, or be deemed to serve to, increase, expand or add to any liability or responsibility of the Club to third parties and the Club shall not and shall not be deemed to assume or be responsible for any liability or responsibility or excess liability or responsibility for which the City would otherwise be responsible (whether hereunder or otherwise) but for any sovereign immunity or limited sovereign immunity imposed by law.

The City shall self-insure for its liability under this Exhibit "D" and shall maintain such property insurance for loss by hazard as to the insurable value of such Facilities as it maintains for other City property for its full replacement cost. The Club will provide for insurance for its property kept at the Dunedin Facilities. The Club will not be responsible for any loss or damage to properties insured against by the City except for intentional acts or negligence of the Club up to the amount of the City deductible under its insurance policies.

### **SECTION 23 – SUSPENSION OF EXHIBIT "D"**

- a) **General.** In the event that the Club is prevented from using the Dunedin Facilities or any material part thereof at any time during the operation of this Exhibit "D" because of a national emergency, the United States being in a state of war, a labor dispute, the rules and regulations of MLB, the National Association of Professional Baseball Leagues Inc., the Florida State League of Professional Baseball Clubs Inc., the need or undertaking of Capital Replacements precluding use of the Dunedin Facilities or any other event beyond the reasonable control of the Club, this Exhibit "D" shall be regarded as suspended for that period without liability for damages of either party to the other. The provisions of this Exhibit "D" which are not directly affected by the Club being unable to use the Dunedin Facilities or such material part thereof shall remain in full force and effect.
- b) If the period of the suspension extends beyond eight (8) months and such arises by reason of a state of war within the United States or a non-baseball labor dispute, the Club shall be entitled to terminate this Exhibit "D" or the Agreement to which it is attached without liability to the City therefor.

## **Exhibit "D"**

During the period of such suspension, the Club shall be entitled to conduct its games and practices hereunder at alternate facilities of its choice.

### **SECTION 24 – CAPITAL REPLACEMENT FUND**

During the operation of this Exhibit "D", the City shall maintain a fund for the purpose of Capital Replacement expenditures which shall be known as the Capital Replacement Fund (the "Fund"). This Fund shall be used solely for Capital Replacement expenditures and shall be initially funded to an amount of \$250,000 or such greater amount as agreed upon between the parties. Capital Replacements shall be undertaken by the City as and when required, without cost or expense to the Club as to the funding for such Capital Replacements. The City will be responsible for all capital replacement costs in respect of the Dunedin Facilities notwithstanding any funding or changes in funding to the Capital Replacement Fund.

The Fund shall be funded from the following sources:

- (a) The amounts held in the Fund on the effective date of the Agreement to which this Exhibit "D" is attached.
- (b) One-half (1/2) of the Concession Sharing amount paid to the City set forth in Section 8 of this Exhibit "D" until fully funded and thereafter such Concession Sharing amount will be paid to the City.
- (c) All interest accrued by such Funds, which interest will stay in the Fund even though the Fund exceeds its maximum amount.

The City shall maintain the Fund and shall separately account for it. The Fund shall be in the nature of a trust fund and the Club will, at any time, be entitled to all records regarding the status of such Fund and the information about amounts accrued therein. Expenditures of such funds shall be limited to Capital Replacement at the Dunedin Facilities and shall require the joint approval of the City and the Club, not to be unreasonably withheld or delayed.

Upon the occurrence of the events described in paragraph 1.2(b)(ii) of the Agreement to which this Exhibit "D" is attached, all amounts held in the Fund will be added to the Capital Replacement Fund (as defined in the Agreement to which this Exhibit "D" is attached).

In the event that the Threshold Date is not achieved and the Agreement to which this Exhibit "D" is attached is terminated pursuant to paragraph 1.2(b)(i) of such Agreement, all proceeds remaining in the Fund will be the property of the City and may be used for any purposes as deemed appropriate by the City, free of trust.

The City shall administer the expenditures of such Funds and shall undertake and complete any Capital Replacement projects that the parties have mutually agreed upon and shall follow all normal purchasing, bidding and construction practices as in its normal

### **SECTION 29 – DEFAULT**

The occurrence of one or more of the following is an event of default:

- a) The Failure by either party to perform, observe or comply with timely, any term, representation, condition, obligation, covenant, or other provision requiring performance of that party under this Exhibit "D" and such failure is not cured within sixty (60) days after written notice, specifying the nature of such failure and requesting that it be remedied, given by the non-defaulting party to the defaulting party, unless the non-defaulting party shall agree in writing to an extension of such time prior to expiration; provided, however, if the failure stated in the notice cannot reasonably be corrected within the applicable period, no event of default shall be deemed to exist hereunder if corrective action is instituted by the defaulting party promptly upon receipt of the written notice and is diligently pursued until corrected.
- b) The dissolution or liquidation of the Club, or the filing of a voluntary or involuntary petition applicable to the Club in any proceeding for the Club's reorganization or liquidation under the provisions of the Federal Bankruptcy Code, or adjudication of the Club as bankrupt, or the appointment of a receiver of any of the Club's property, or the assignment of any of the Club's property for the benefit of its creditors, if the Club fails to lift, stay or dismiss promptly any such proceedings or any execution, garnishment or attachment that will materially and adversely impair the Club's operation.
- c) The Club abandons the Dunedin Facilities.
- d) The Club disposes of all or substantially all of its assets, other than to a permitted assignee.

## **Exhibit "D"**

- e) The filing of a voluntary or involuntary petition applicable to the Club in any proceeding for the Club's reorganization or liquidation under the provisions of the Federal Bankruptcy Code, if the Club fails to lift, stay or dismiss promptly such proceeding or similar proceedings under Canadian law.

Whenever any event of default by the Club shall have occurred and be continuing, the City may take any of the following remedial steps:

- (I) In the event of a monetary default, abandonment of the Dunedin Facilities by the Club or a wrongful termination of this Exhibit "D" by the Club, the City may reenter and take possession of the Dunedin Facilities without terminating this Exhibit "D", exclude the Club from possession thereof and lease or otherwise use the Dunedin Facilities for the account of the City and may require the acceleration of the annual payments as set forth above without setoff or other defense by the Club arising from the City's reentry and use of the Dunedin Facilities and such setoff or defenses of the Club are specifically waived.
- (II) Take any act or law or in equity as it may appear necessary or desirable to collect any amount to be paid by the Club hereunder when due, or to enforce any obligation or covenant or agreement of the Club under this Exhibit "D"; provided, however, no such enforcement shall include a requirement of the Club to play home Spring Training games at the Dunedin Facilities during the period that this Exhibit "D" is operable, the City's remedies in respect of any default in so playing being limited to monetary damages.

In the event that an event of default by the City shall have occurred and be continuing, the Club may institute such action against the City as the Club may deem necessary to complete performance or may perform the City's obligations hereunder and deduct the cost of so doing from payments required to be made hereunder to the City; provided, however that no such action shall seek to impose, or impose, any pecuniary liability upon the City, or any personal or pecuniary liability upon any member of the City Commission, employee, attorney or contractual representative of the City and any such claim, legal right or cause of action is specifically waived and foregone hereby.

No delay or omission to exercise any right or power accruing upon any event of default shall impair any right or power or shall be construed to be a waiver thereof by any such right or power may be exercised from time to time and as often as may be deemed expedient.

In the event either party shall default under any of the provisions of this Exhibit "D" and the other party should employ attorneys or incur other expenses for the collection of any amount due hereunder or the enforcement of performance or observance of any obligation or agreement herein contained, the non-breaching party if successful in such proceedings, shall be entitled to recover from the breaching party the reasonable fees of such attorneys and such other expenses so incurred.

## **Exhibit "D"**

In the event any agreement contained in this Exhibit "D" should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Except as limited by applicable law or this paragraph, no remedy conferred upon or reserved to the parties is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and in addition to any other remedy given under this Exhibit "D" or now hereafter existing at law or in equity or by statute.

### **SECTION 30 – SECTION RESERVED**

[Intentionally Deleted]

### **SECTION 31 – FORCE MAJEURE**

Neither party shall be liable for any loss or damage sustained by the other party, nor shall either party be considered in default for any event occurring or failing to occur or any state of facts existing as a result of any delay in performance or noncompliance of any provision of this Exhibit "D" that results from an action, event, omission or cause beyond its reasonable control and without its fault or negligence, including but not limited to civil commotion, riots, wars, fires, explosions, floods, earthquakes, wind or hurricane damage, embargos, or actions of civil or military authority.

**COST-BENEFIT ANALYSIS OF THE TEAM'S IMPACT ON THE COMMUNITY**

## CITY OF DUNEDIN

### THE IMPACT OF SPRING TRAINING ON THE COMMUNITY

#### A COST – BENEFIT ANALYSIS

This analysis was assembled using a variety of information related to spring training in both the State of Florida and information specific to the City of Dunedin. A summary of the sources used in the analysis may be found at the end of this section. The approach taken was to attempt to determine the financial benefit, or lack thereof, to the City of Dunedin and its populace over the nineteen-year period since the City's certification as a Retained Spring Training Facility.

#### Findings

The cost of securing the Toronto Blue Jays has been approximately **sixteen million, four hundred fifty million, one hundred, fifty-five (\$16,450,155.00) dollars** over the nineteen-year period studied. This includes the amount of money expended for the construction of the then-new Spring Training facilities. Cost figures represent actual cash expenditures. The apparent benefit to the community for the same ten-year period is **six hundred, forty-six million, four hundred, fifty-four thousand, three hundred thirty-nine (\$646,454,339.00) dollars**.

#### Methodology

The benefits listed consist of five categories: First are monies paid directly to the City of Dunedin as a result of the license agreement with the Blue Jays. The second is the savings realized by the City of Dunedin as a result of the Blue Jays assuming the maintenance of the grounds and facilities at the two complexes they use. The third consists of contributions to community organizations and causes by the Blue Jays, which are made throughout the year. The fourth is the estimated impact of Spring Training-related tourism on the community.

Payments stipulated by the license agreement consist of an annual fee of \$125,000, a percentage- 5% of ticket revenue for the first 3,800 in attendance at each game, and 15% of ticket revenue for attendance in excess of 3,800 at each game, and a concession fee of fifty cents per attendee in excess of 3,800 per game. The figure for the annual fee was multiplied by nineteen to cover the study period. The three attendance-related figures were based on average game attendance per season, multiplied by the same nineteen-year period. The license agreement gave the City of Dunedin the right to market and sell the naming rights to the stadium used for Spring Training games. The City was able to sell the naming rights to Knology Broadband for a five-year term. That agreement has expired, but it did pay the City \$400,000 in cash and free cable TV airtime, which was used to advertise other City revenue-producing programs and events. Eight years ago, the City sold the naming rights to Florida Suncoast Auto Brokers for \$26,000 per year.

Cost savings on facility and grounds maintenance was derived by using a memo written a former head of the department responsible for the facilities, which listed a maintenance savings of at least \$200,000. This estimate seems conservative, given the size and scope of the

facilities, but was accepted for the purpose of this report since that was the figure originally accepted by the city. The annual figure was multiplied by nineteen to cover the study period, resulting in a total of \$3,800,000 saved.

The Blue Jays contribute to Dunedin youth sports organizations, through a variety of methods, however, the most significant contribution is that the organizations are able to use the sports facilities maintained by the team throughout the year, including during Spring Training. The Blue Jays absorb the cost of the additional grounds maintenance, including on-site staff during Little League, softball and high school baseball games. Estimated costs for this additional maintenance work and staffing is approximately \$50,000 per year, or \$950,000 for the nineteen-year study period.

The Blue Jays operate the concession and novelty shops during Spring Training as well as the Florida State League minor league game schedule. The team offers community organizations, such as the Rotary and Kiwanis Clubs, the Chamber of Commerce, and other civic groups, the opportunity to volunteer in the concession stands in exchange for payments to the organizations based on an hourly rate for each volunteer. The team pays approximately \$22,000 annually to local organizations through this program, for a nineteen-year total of \$418,000.

It is estimated that the Blue Jays contribute approximately \$20,000 a year to various organizations in Dunedin. They are also annual sponsors of the Dunedin Highland Games, the recreation and parks department's Leisure Activities Bulletin, and have paid for program costs for grand openings at various city recreational facilities. The estimated annual contribution was multiplied by nineteen to total the \$380,000 benefit for the study period.

As the City and the Blue Jays began negotiations for the upcoming 25-year License Agreement, the City contracted with Bonn Marketing, Inc. and Nielsen Sports to conduct an in-depth study specific to the economic value of the Toronto Blue Jays spring training. The study put the overall economic value in 2016 at \$635,836,429. It should be noted that the benefits attributed to retaining a spring training franchise, as outlined in this report, has been examined with respect to the entire local community, rather than just the local government entity that is financially responsible for the spring training facilities.

The purpose of the Retained Spring Training Franchise funding was to safeguard a Florida industry that had been determined to have a significant positive impact on the State's economy. Based on the apparent community benefit, the program would appear to have succeeded.

**EVIDENCE THAT THE CITY OF DUNEDIN CONTINUES TO MEET THE  
CRITERIA IN EFFECT WHEN CERTIFIED**

## **COMPLIANCE WITH CRITERIA IN EFFECT**

### **AT THE TIME OF CERTIFICATION**

Following is a list of the criteria that were applicable at the time of the City of Dunedin's application for certification as a Retained Spring Training Facility. The City of Dunedin developed its application in September 2000. This section will address the City's compliance with each of those criteria as of July 2018.

#### **Criterion 1:**

A "unit of local government," as defined in Section 218.369, Florida Statutes, is responsible for the acquisition, construction, management, or operation of the facility for a retained spring training franchise or holds title to the property on which the facility for a retained spring training facility is located.

#### **Response:**

The City of Dunedin is the owner of the property and facilities which have been used by the Toronto Blue Jays Baseball Club since 1977.

#### **Documentation:**

Please see site control documentation, which may be found in the Appendix of this report.

#### **Criterion 2:**

The applicant has a verified copy of a signed agreement with a retained spring training franchise for the use of the facility for a term of at least fifteen (15) years.

#### **Response:**

The City of Dunedin and the Toronto Blue Jays executed a license agreement on December 15, 2000, which committed the baseball club to a fifteen (15) year term of use of the facilities for spring training. Amendments to the agreement have extended the term through 2019 and the parties have signed a new agreement that will ensure the club remains in Dunedin for an additional 25 years.

#### **Documentation:**

Please see the license agreement and amendments, copies of which may be found in Tab No. 2 of this report. The license agreement and amendments included pertain only to the current funding on which this report is based.

#### **Criterion 3:**

The applicant has a financial commitment to provide fifty (50) percent or more of the funds required by an agreement for the acquisition, construction or renovation of the facility for a retained spring training franchise. The agreement can be contingent upon the awarding of funds under this section and other conditions precedent to use by the spring training franchise.

**Response:**

The total cost of the facilities reconstruction project was approximately fourteen million (\$14,000,000) dollars, of which ten-million (\$10,000,000) was funded by the State. Locally, three million (\$3,000,000) dollars was provided by Pinellas County Tourist Development Tax money, and the City of Dunedin provided the remaining four million (\$4,000,000) dollars. The City financed the entire cost of the project, and is paying it back over twenty years, using the grant fund payments and its own money to cover the debt service each year.

**Documentation:**

Please see relevant pages in the Appendix..

**Criterion 4:**

The applicant has projections, verified by the Office of Tourism, Trade and Economic Development, which demonstrate that the facility for a retained spring training franchise will attract a paid attendance of at least 50,000 annually.

**Response:**

Average attendance at Toronto Blue Jays spring training games in Dunedin since 2006 was 68,092.

**Documentation:**

Please see year-by-year information on the Florida Grapefruit League website, 2018 attendance figures were 71,892. This figure was not listed on the Florida Grapefruit League website but was provided by the Blue Jays. The year-by-year figures only go back to 2006, so the average attendance is based on thirteen years of Spring Training games in Dunedin.

**Criterion 5:**

The facility for a retained spring training franchise is located in a county that is levying a tourist development tax pursuant to Section 125.0104, Florida Statutes.

**Response:**

Pinellas County continues to levy a tourist development tax.

**Documentation:**

Please see information in the Appendix from the Pinellas County website, related to the Tourist Development Council, Tourist Development Tax.

**Criterion 6:**

The intended use of the funds by the applicant.

**Response:**

The intended use of the funds was the construction of new facilities related to retaining the Toronto Blue Jays in Dunedin. The funds were expended on renovations to Dunedin Stadium, the Englebert Recreation Complex, the Louis A. Vanech Recreation Complex and the Fischer Field Complex.

**Documentation:**

Please see materials in Tab No. 2 of this report.

**Criterion 7:**

The length of time that the existing franchise has been located in the state.

**Response:**

The Toronto Blue Jays have had only one spring training home since their inception. Dunedin has been that home since the opening spring training season in 1977, for a total of forty-two (42) years.

**Documentation:**

Please see information in the Appendix - website information on Florida Grapefruit League.com, related to the length of time the Toronto Blue Jays have held spring training in Dunedin.

**Criterion 8:**

The length of time a facility to be used by a retained spring training franchise has been used by one or more spring training franchises.

**Response:**

Please see response to Criterion 7.

**Documentation:**

Please see response to Criterion 7.

**Criterion 9:**

If applicable, for those teams leasing a spring training facility from a unit of local government, the remaining time on the lease for the facility used by the spring training franchise.

**Response:**

The original License Agreement has been amended to extend the use of the facility until December 31, 2019. The Blue Jays will remain in Dunedin under a new agreement after that time, for an additional 25 years.

**Documentation:**

Please see the license agreement, and amendments, copies of which may be found in Tab 3 of this report.

**Criterion 10:**

The duration of the future-use agreement with the retained spring training franchise.

**Response:**

In anticipation of the construction of new facilities, an amendment to the License Agreement was recently executed that would extend the agreement while a new license agreement is negotiated. The amendment extends the existing License Agreement to December 31, 2019. Additionally, the City and the Club recently executed a new License Agreement that has a term of twenty-five (25) years.

**Documentation:**

Please see the License Agreement and related amendments in Tab 2 of this report. Also please see City of Dunedin Resolution 17-52 that references the execution of the new 25- year License Agreement.

**Criterion 11:**

The amount of the proposed local match.

**Response:**

Please see the response to Criterion No. 3.

**Documentation:**

Please see documentation for Criterion No. 3 response, in Appendix.

**Criterion 12:**

The net increase of total active recreation space owned by the applying unit of local government following the acquisition of land for the spring training facility.

**Response:**

The funds were used for reconstruction of existing facilities. There was no land acquisition, or conversion of land to recreational use from another type of use; therefore, there was no net increase in active recreation space.

**Documentation:**

Not applicable.

**Criterion 13:**

The location of the facility in a brownfield, an enterprise zone, a community redevelopment area, or other area of targeted development or revitalization included in an Urban Infill Redevelopment Plan.

**Response:**

**Documentation:**

Not applicable.

**Criterion 14:**

The projections on paid attendance attracted by the facility and the proposed effect on the economy of the local community.

**Response:**

As noted in the response to Criterion No. 4, the average annual paid attendance since 2006 has been 68,092. There has been an apparent total economic benefit to the community of \$646,454,339 over the nineteen-year period studied.

**Documentation:**

Please see the 2016 Bonn Marketing/Nielsen Sports Report to Criterion No. 4, located in the Appendix, and the Cost Benefit Analysis, located in 3 of this report.

**STADIUM FUND ANALYSIS**

The Stadium Fund is a Special Revenue Fund created to account for the receipt and disbursement of funds related to the City’s stadium, including operations and debt service.

**AVAILABLE FUND BALANCE**

The City anticipates ending FY 2017 with a fund balance of 7% of budgeted operating expenditures. While this is below the target identified by the City’s Reserve Policy, City Commission has directed staff to reduce the fiscal burden on the General Fund, which would need to transfer funding into the stadium Fund to meet reserve requirements. As debt payments approach retirement, the annual expenditure on Stadium Bonds will continue to decrease. Commission will re-evaluate the condition of the Stadium Fund’s reserves against the City policy at the end of FY 2017 and adjust accordingly.

**REVENUE**

Intergovernmental revenue will decrease 37% over prior year levels in FY 2017 as funding through Pinellas County’s Tourist Development Council expired during FY 2016. Charges for service are anticipated to remain relatively flat in FY 2017. The Stadium Fund will receive a \$167,000 transfer from the General Fund in FY 2017 to fund operations and debt service obligations. This is a 21% decrease over the prior year’s levels as two of three debt obligations were fulfilled during FY 2016.

**Stadium Fund Revenues**

**EXPENDITURES**

Personnel costs are anticipated to increase \$7,000 in FY 2017 to fund over-time costs for staff to prepare for and clean-up after games. FY 2017 operating expenses include \$96,500 for repair and maintenance of facilities and \$60,000 for professional consulting services to assist with retaining the Toronto Blue Jays, whose contract expires at the end of FY 2017. ## STADIUM FUND

### **Departmental Mission Statement**

To serve the residents of Dunedin with professional sports and entertainment and to act as an economic engine for the Downtown Merchants and local businesses.

### **Current Services Summary**

Parks Division Staff provides in-kind maintenance prior to Spring Training each year as required by the License Agreement with the Toronto Blue Jays. Work includes pressure washing, painting and repair and replacement of field lights. Parks staff also provides custodial services during Spring Training games and clean-up services after Spring Training games.

### **Budget Analysis**

The budget is consistent with previous years. We again budgeted for staff to take overtime for Spring Training stadium cleaning instead of comp time due to Parks workload. Professional Services was increased due to hiring consultants to assist with retaining the Blue Jays in Dunedin. This budget also follows the terms and conditions associated with the Blue Jays License Agreement.

### **Budget Highlights, Service Changes and Proposed Efficiencies**

The Dunedin Stadium Fund was established in FY 1990 as a mechanism to accurately monitor the revenues, expenses and debt service payments associated with Dunedin Stadium expansion and operations.

The primary sources of income to the City for FY 2014 are a percentage of ticket sales, food and beverage concession sales, parking fees, name rights sponsorship fees and an annual License Agreement payment during the Toronto Blue Jays Spring Training Season.

- Blue Jays pay the City a fixed amount of \$125,000 each year.
- City receives 5% of ticket sales for the first 3,800 fans in attendance for each game.
- City receives 15% of ticket sales in excess of 3,800 fans at each game.
- City receives 50 cents per attendee in excess of 3,800 fans per game for concession sharing. (City receives no concession sharing for the first 3,800 fans per game).
- City receives all of the parking lot revenue during Spring Training in the City lots, Library, Hale Senior Activity Center and Curtis Fundamental Elementary School. The Blue Jays receive all parking lot revenue from the Stadium lot.
- City receives \$26,000 in naming rights from Florida Auto Exchange each year.

FY 2014 is the twelfth year of the fifteen-year agreement.

Contributions from the State and Pinellas County are used to pay debt service related to the construction of the Stadium. The agreement with the Blue Jays, and State and County support expire in 2017, while debt service continues through the year 2021.

FY 2011 is the ninth year of the fifteen year agreement.

## Mission

To serve the residents of Dunedin with another form of sports and entertainment and to act as an economic engine for local businesses.

\*Reflects the proposed mid-year budget adjustment.

The FY 2011 budget is planned to add an additional \$42,642 to the Stadium Fund Reserves.

## Budget Highlights and Analysis

- The budget is consistent with previous years and follows the terms and conditions of the Blue Jays Agreement. Overtime was increased slightly to meet the demands of the City's support of the Blue Jays.

- Total estimated expenditures are decreasing by 10.27 percent or \$149,252 from Adopted FY 2010. This increase is largely due to a reduction in interest cost for debt service.

- Total revenue is anticipated to reduce by \$110,000 during FY 2011. This is due to the reduction of naming rights revenue of \$50,000 and a reduction in transfers

# Department of Parks & Recreation - Stadium

## FY 2011 Goals and Objectives

## DUNEDIN STADIUM FUND SUMMARY

The Dunedin Stadium Fund was established in FY 1990 as a mechanism to accurately monitor the revenues, expenses and debt service payments associated with Dunedin Stadium expansion and operations.

The primary sources of income for FY 2010 will come from ticket sales and parking concessions during the Toronto Blue Jays Spring Training.

This will be the sixth year under the new fifteen-year agreement.

#### BUDGET HIGHLIGHTS

The FY 2003/04 budget reflects the second year of operations under the new contract. The ball club is responsible for most of the maintenance and operations of the facility. Operating expenses budgeted relate to the off-site parking concession and minimal monthly maintenance required under the new agreement. The large percentage increase is due to a 300 plus percent increase in property insurance.

#### PROGRESS MADE TOWARD FY 02/03 GOALS AND OBJECTIVES

1. Oktoberfest was put on through an agreement with a private concessionaire/event promoter. Attendance was lower than past years, possibly due to missing a year during construction. The promoter lost money, but the City suffered no financial loss.
2. Off site parking was staffed by a paid volunteer group and City staff supervision. Revenues were in accordance with game attendance, which was not high.
3. The Stadium Naming Rights Task Force was appointed by the City Commission and the Task Force implemented a marketing program, which continues, to find a naming rights buyer for the stadium.

#### FY 2003/04 GOALS AND OBJECTIVES

1. Secure a naming rights buyer for the stadium.
2. Explore additional public uses for the stadium such as the 2003 fireworks and music show.

**BUDGET HIGHLIGHTS**

The FY 2002/03 budget reflects operation under the new contract with the Blue Jays, under which the ball club is responsible for most of the maintenance and operation of the facility. Operating expenses budgeted relate to the off-site parking concession and minimal monthly maintenance required of the City under the new agreement.

**PROGRESS MADE TOWARD FY 01/02 GOALS AND OBJECTIVES**

1. The entire parking concession was operated by a volunteer group, which was compensated on a per-game basis and supervised by a Recreation staff member whose facility (Senior Center) is typically closed during spring training games.
2. Oktoberfest was cancelled due to construction at the stadium. Arrangements are in place to offer the event in 2002 in a partnership with the Blue Jays and at a greatly-reduced City staff level.

**FY 2002/03 GOALS AND OBJECTIVES**

1. Implement and assess the Oktoberfest arrangement with Blue Jays and City volunteer organizations.
2. Maximize revenues from remaining available (off-site) parking under new contract.
3. Implement marketing program to secure a naming rights sponsor for the stadium.

DUNEDIN STADIUM FUND SUMMARY

The Dunedin Stadium Fund was established in FY 89/90 as a mechanism to accurately monitor the revenues, expenses and debt service payments associated with Dunedin Stadium expansion and operations.

The primary source of income for FY 2001/02 will come from ticket sales, parking concessions during the Toronto Blue Jays Spring Training, special events, rentals and leases run in the stadium during the non-baseball season and vending during special events not held in the stadium.

The stadium serves as a food vendor at four (4) off-site special events: Art Harvest, Highland Games, Mardi Gras, and Spring Antiques Fair. The Fourth of July Celebration is coordinated in conjunction with the CRA as an annual event for the citizens of Dunedin.

FY 2001/02 BUDGET HIGHLIGHTS

FY 2001/02 reduced budget reflects construction at the stadium which will limit revenue opportunities during the fiscal year. Expenditures to maintain spring training parking operations are included, but could be reduced if the new Blue Jay contract takes effect during the fiscal year.

PROGRESS MADE TOWARD FY 00/01 GOALS AND OBJECTIVES

The new Blue Jay agreement, pending construction, and the elimination of the stadium operation and associated staff curtailed much activity in the second half of FY 2000/01. Oktoberfest was held, and the annual Marketfest as well. Spring training parking was conducted using regular Leisure Department staff.

FY 2001/02 GOALS AND OBJECTIVES

Develop new system for conducting parking operation, either through a contractual arrangement or with supervised community group.

Partner with Blue Jays concessionaire to offer Oktoberfest with lessened impact on Leisure Services staff.

**FY 2000/01 BUDGET HIGHLIGHTS**

Provide community-wide revenue-producing special events at Dunedin Stadium at Grant Field for people of all ages, enhance stadium revenue through vending at other City-Wide special events, provide support for specific recreation special events and monitor/coordinate rentals, leases and contracts at the stadium.

**PROGRESS MADE TOWARD FY 99/00 GOALS AND OBJECTIVES**

The primary source of income for FY 99/00 came from ticket sales, parking concessions during the Toronto Blue Jays Spring Training, special events, rentals and leases run in the stadium during the non-baseball season and vending during special events not held in the stadium.

Parking - Parking concessions in FY99/00 decreased over previous years due to a decrease in the number of games played by the Toronto Blue Jays during Spring Training.

Kept two rows of parking open for Library patrons during each game.

Stadium Special Events - coordinated six (6) events "Oktoberfest", "Oldies Concert", etc. held in the Stadium.

There were also two (2) rentals of the Stadium and playing field.

Hosted the Millennium Torch Run & Centennial Birthday Party for School age children.

Non-Stadium Events/Vending - The Stadium staff served as a food vendor at nine (9) off-site special events: Art Harvest, Highland Games, Mardi Gras, Fall & Spring Antiques Fair, "Celebrate Fitness", Men's Senior Baseball, etc.

The Fourth of July Celebration is coordinated in conjunction with Community Services as an annual event for the citizens of Dunedin.

**FY 2000/01 GOALS AND OBJECTIVES**

Increase fees for season parking. Look for ways to eliminate staff parking at the main parking lot to increase parking revenues.  
Continue to provide parking for Library patrons during each game.  
Cut costs and increase revenues in the Special Events

(2) The levy of the third percent commenced on July 1, 1988, pursuant to Ordinance No. 88-14. basis when received. The third percent shall be utilized as provided in the tourist development plan set out in section 118-32.

(3) The levy and imposition of the fourth percent commenced on January 1, 1996, and expires on September 30, 2015, pursuant to Ordinance No. 95-35. The fourth percent is committed to the payment of debt service on bonds issued to finance the construction, reconstruction or renovation of Tropicana Field, a professional sports franchise facility, or payment of indebtedness issued to refund obligations issued for such purposes. The expiration date of September 30, 2015, for the levy of the fourth percent as provided in Section 3 of Ordinance No. 95-35 is hereby repealed, and the levy of the fourth percent is extended, reenacted and reestablished effective October 1, 2015, through September 30, 2021, inclusive, at which time the fourth percent levy shall expire and be of no further force and effect. The revised expiration date of September 30, 2021, for the levy of the fourth percent as previously extended in Ordinance No. 10-67, is hereby repealed, and the levy of the fourth percent is extended, reenacted, and reestablished until such time, if any, as repealed. The fourth percent shall be utilized as provided in the tourist development plan set out in section 118-32.

(4) The levy and imposition of the fifth percent commenced on December 1, 2005, pursuant to Ordinance No. 05-47. The fifth percent shall be utilized as provided in the tourist development plan set out in section 118-32.

(5) The sixth percent shall commence on January 1, 2016, and shall be used in accordance with F.S. § 125.0104(5), unless its use is specifically further limited by the tourist development plan.

(b) The tourist development tax shall be in addition to any other tax imposed pursuant to F.S. ch. 212 and in addition to all other taxes, fees and considerations for rental or lease.

(c) The tourist development tax shall be charged by the person receiving the consideration for the lease or rental; and it shall be collected from the lessee, tenant, or customer at the time of payment of the consideration for such lease or rental.

(d) Initial collection of the tourist development tax shall be made in the same manner as the tax imposed under F.S. ch. 212, pt. I (F.S. § 212.01 et seq.). The person receiving the consideration for such rental or lease shall receive, account for, and remit the tax to the county tax collector, who shall keep appropriate records of such funds. The same duties and privileges imposed by F.S. ch. 212 upon dealers in tangible property respecting the collection and remission of tax, and making of returns, the keeping of books, records and accounts, the payment of a dealer's credit in compliance with the rules of the county tax collector in the administration of such chapter shall apply to and be binding upon all persons who are subject to the provisions of this article; provided, however, that the tax collector may authorize a quarterly return and payment when the tax remitted by the person receiving the consideration for such rental or lease for the preceding quarter did not

exceed \$500.00. Registered and enrolled taxpayers may file returns and pay amounts due electronically for the Tourist Development Taxes and fees. Florida Statutes §§ 213.755 and 443.163 require certain taxpayers to file and/or pay tax electronically.

(e) The county tax collector may promulgate rules, and prescribe and publish the forms necessary to effectuate this article.

(f) The county tax collector shall perform the enforcement and audit functions associated with the collection and remission of the tourist development tax, including, without limitation, the following:

(1) For the purpose of enforcing the collection of the tax levied by this article, the county tax collector is hereby specifically authorized and empowered to examine at all reasonable hours the books, records, and other documents of all persons taxable under this article, or other persons charged with the duty to report or pay a tax under this article, in order to determine whether they are collecting the tax or otherwise complying with this article. In the event such person refuses to permit such examination of its books, records, or other documents by the tax collector as aforesaid, such person is guilty of a misdemeanor of violating the provisions of this article and shall be subject to the penalties provided for in section 1-8. The tax collector shall have the right to proceed in circuit court to seek a mandatory injunction or other appropriate remedy to enforce its rights against the offender, as granted by this section, to require an examination of the books and records of such dealer.

### WHAT'S INCLUDED:

The following valuation is measuring the exposure of Dunedin, St. Petersburg-Clearwater and wider Pinellas County through dedicated game coverage on TV in Canada and through editorial mentions within US and Canadian online media, verbal mentions during sports and news television programming in the US and Canada, and across the *Toronto Blue Jays'* social media channels (Twitter, Facebook, and Instagram). ## Economic Impact Analysis Using IMPLAN

The IMPLAN program was used to assess the economic contribution of the following spending upon Pinellas County: (i) spending by the *Toronto Blue Jays*, and (ii) spending by *Blue Jays Spring Training*-generate visitors County. The IMPLAN program is widely accepted by researchers because it uses multipliers for specific outputs to estimate the impact that spending generates upon labor income and employment. Many federal and state agencies have adopted the IMPLAN model for their economic analysis. These agencies include but are not limited to the following: Bureau of Economic Analysis, United States Department of Agriculture (USDA), U.S. Forest Service, Florida Labor Market Statistics, Florida Department of Environmental Protection, and many other similar agencies in Florida and throughout the country.

IMPLAN uses a methodology based upon the application of various multipliers to calculate specific multipliers for output, labor income, and employment individually. Data are collected for 528 distinct industry sectors at the national, state and local economic levels. IMPLAN captures direct, indirect and induced effects on output, labor income and employment in all industries comprising local economies. The strength of the IMPLAN multiplier is the integration of the input-output table within its software program with a set of accounts (e.g., sectors, household, government, capital) to represent the complete set of revenue and income flows between production, income, consumption, investment, and trade. Thus, the multipliers are dynamic and fluctuating and have to be calculated for each economic impact analysis.

The economic impact involving spending by the *Toronto Blue Jays* organization related to Pinellas County was calculated using IMPLAN and documents that the total impact on output (Direct + Indirect + Induced) related to the *Toronto Blue Jays* spending information reported in this study is \$21.4 million.

A further \$70.6 million was generated as a result of *Blue Jays Spring Training*-generated visitor spending during the 2016 Spring Training Season, bringing the annual total of economic impact of the two components to \$92 million.

# ECONOMIC IMPACT METHODOLOGY

## Economic Impact Analysis Using IMPLAN

IMPLAN uses employee compensation (i.e., wage and salary payments as well as benefits, including health and life insurance, retirement payments and other non-cash compensation) and proprietor's incomes when calculating the impact of labor income. Total labor income generated by those Pinellas County residents related to employee compensation received through direct spending by the *Toronto Blue Jays* was estimated at \$7.09 million and supported an estimated total of 135.8 new full-and part-time employees in the area.

The total output multiplier (Direct + Indirect + Induced Impacts/Direct Impact) related to employee compensation is 1.57. That is, dollars spent by the Toronto Blue Jays associated with employee contributions turn over 1.57 times on average, to the total value of output in all sectors in Pinellas County. The total labor income multiplier for Pinellas County is 1.53. This means for every dollar change in income related to the *Toronto Blue Jays* spending, it will produce a total income change of \$1.53 in the local economy. Finally, the total employment multiplier for the region is 1.58. It indicates that the creation of one new direct job related to spending by the *Toronto Blue Jays* results in a total of 1.58 jobs in the local economy.

# GLOSSARY OF ECONOMIC IMPACT TERMS

**Direct effect:** production changes associated with changes in demand for the good itself; it is an initial impact on the economy.

**Employee compensation:** wage and salary payments as well as benefits, including health and life insurance, retirement payments and other non-cash compensation.

**Employment multiplier:** for every million dollar change in final-demand spending (direct output), the change in employment (jobs).

**Indirect effect:** the secondary impact caused by changing input needs of directly affected industries (e.g., additional input purchases to produce additional output).

**Induced effect:** caused by changes in household spending due to the additional employment generated by direct and indirect effects.

**Labor income:** consists of employee compensation and proprietary income.

**Labor income multiplier:** for every dollar change in final-demand spending (direct output), the change in income received by households.

**Output:** industry output is a measure of the value of goods and services produced in the study area.

**Output multiplier:** An output multiplier for a sector is defined as the total production in all sectors of the economy that is necessary to satisfy a dollar's worth of final demand for that sector's output (Miller and Blair, 1985). In other words, every dollar change in final-demand spending (direct output) changes the total value of output in all sectors.

**Proprietary income:** consists of payments received by self-employed individuals as income. This includes income received by private business owners, doctors, lawyers and so forth.

# GLOSSARY OF MEDIA EXPOSURE TERMS

## **NUMBER OF EXPOSURES (NUMBER)**

The number of exposures a property generates is the number of independent sequences of exposure a brand-property combination generates. In regards to its usefulness in analysis, it can be used to assess the number of times a signage point is seen uniquely.

## **SUM OF DURATION ON SCREEN (SECONDS)**

Duration on screen is probably the most common comparative used as it is a pure measure. There are no external factors such as audience, cost per thousand, or the quality of location in play. It is suitable in assessing pure exposure capture for share of voice within a shared property such as LED Signage, or if looking at a specific property year on year where a logo or setup may have changed.

## **AVERAGE EXPOSURE DURATION (SECONDS)**

The average exposure duration gives a snapshot view of the average duration on screen per exposure for a property.

Average exposure size (% of total screen size)

The average exposure size represents the average size on screen for the hits collected for each exposure. It can give a basic view on hit size for a property.

## **100% MEDIA EQUIVALENCY**

100% media equivalency brings an added layer of audience and cost per thousand on top of the duration comparison. It is suitable

if an analysis is needed where weight of exposure (duration), and the audience and cost per thousand is factored in, but the quality or impact of the exposure is not.

## **QI MEDIA VALUE**

This is the most common method of comparison as it comprises all elements of the equation – weight of exposure, audience, cost per thousand, and quality of the exposure (QI media value). This is the best method for overall appraisals of sponsorships and inventory, particularly in comparison to investment.

## **QI SCORE**

QI Score is an excellent comparison of the actual exposure quality and impact between and logos and properties. If the QI Score is devised for an overall sponsorship, it can act as a guide on which a mix of properties is the optimum from a pure quality and impact perspective, not counting weight of exposure, audience, or cost per thousand.

## **SCREEN LOCATION**

Screen location can be used to make an assessment of the location of the hits on screen. Location A is the center of the screen.

Location B is the cumulative figure for hit in location B, C, D and E

## **ONLINE MEDIA REACH**

Aggregated number of average daily visitors across the sites with *Blue Jays* coverage in Pinellas County

The Club shall also pay for such reimbursable items as the Club and the City may agree, such as cleaning supplies and equipment and materials specifically required for baseball operations.
7. Rights of Club. 12. **Damage or Destruction.** In the event any of the Facilities shall be damaged by fire or other casualty and such Facilities shall have been insured against such loss by the City, then the entire proceeds of any such policy or insurance shall be paid to the City, free of any claim or right of the Club. The City shall have the right to restore or reconstruct any damaged or destroyed building or premises, and any reconstructed building shall become a part of the Facilities. In the event such portions of the Facilities are destroyed as to render the entire Facilities unsuitable in the Club's judgment for the Club's operation, the Club shall have the right to play elsewhere until such restoration or reconstruction is completed and, if the City neither reconstructs the premises within either 60 days or by October 30 immediately following the destruction, then, in either case at the Club's option, the Club shall have the right to terminate this Agreement by providing written notice and without further obligation or responsibility. In that event, the City shall refund to the Club on a pro rata basis any prepaid rents which may have been made prior to the date of termination.
13. **Taxes.** The Club shall be responsible for and pay any and all sales or other tax incidental to this Agreement. In the event that ad valorem taxes are assessed against the Facilities or any portion thereof as a result of the Club's use of same, the Club shall be responsible for its prorata portion of such taxes.

\$10,000.00 as liquidated damages, which shall be the City's sole and exclusive remedy as a result thereof.

15. Option. The Club shall have the option to renew this Agreement for an additional term of ten (10) years by giving the City written notice of its intention to renew same not less than one (1) year prior to the expiration of the initial term hereof. The rental imposed during such renewed term shall be the amount agreed upon by the parties hereto prior to the commencement of the renewal.
16. Subcontractors. If any services permitted by this Agreement are subcontracted by the Club, any such subcontractor shall either be included as an additional insured under the Club's insurance policy, or shall file with the City a Certificate of Insurance evidencing compliance with Paragraph 11 hereof.
17. Agreement of City Regarding Revenue. The City agrees to take such action as is necessary under the laws of the State of Florida to plan and budget for receipt of a sufficient appropriation of funds to discharge its obligations hereunder; provided, however, if the City has not appropriated sufficient funds to enable it to discharge its obligations then, notwithstanding any other provision contained herein, this Agreement may be terminated effective upon expiration of the fiscal year in which sufficient funds were last appropriated to satisfy the obligations.
18. Assignability/Amendment. This Agreement shall be binding and inure to the benefits of the successors of each of the parties, but it is mutually agreed that this Agreement shall not be assigned by the Club to any person, firm or corporation without the written consent of the City, which consent shall not be unreasonably withheld.

Notwithstanding the foregoing, no consent is required in the event that the Club sells its major league franchise rights, said sale is approved by Major League Baseball and the team continues to play its regular season baseball games in the Metropolitan Detroit area.

Any amendment to this Agreement shall not be effective unless in writing and approved by the Office of the Commissioner of Baseball.

19. Covenants Contingent. The parties expressly acknowledge and agree that the mutual covenants undertaken in this Agreement are contingent on presentation by the City to the club of a plan of project finance which includes irrevocable commitments and awarding of funds, pursuant to §288.1182, Florida Statutes, from the State of Florida, Polk County and the City of Lakeland, all of which, when combined with the obligations and undertakings elsewhere referenced herein, will provide sources of no less than \$9.5 million which are to be irrevocably committed to the project. This financing plan shall be subject to the approval of the club, which shall not be unreasonably withheld. Further, the club shall have approval of the renovation program for which the financing plan has been irrevocably committed, such approval not to be unreasonably withheld.

If such inspection or audit reveals that an error was made in the calculation of Tigers' share of Gross Parking Revenues previously allocated to the Tigers, then the City shall make up to Tigers any underpayment of any such amounts. Tigers shall pay the cost of such audit or inspection unless the results thereof reveal that City understated by five percent (5%) or more the amount of Gross Parking Revenues, in which case City shall pay the cost of such audit or inspection.

**EXHIBIT "D"**

**INTERLOCAL AGREEMENT  
FOR TOURIST DEVELOPMENT TAX FUNDING  
FOR IMPROVEMENTS TO  
JOKER MARCHANT STADIUM**

**THIS INTERLOCAL AGREEMENT ("Agreement") is entered into as of the Effective Date (hereinafter defined) by and between the City of Lakeland, Florida, a Florida municipal corporation (the "City"), and Polk County, a political subdivision of the State of Florida (the "County"), their respective successors and assigns (the City and the County may sometimes be referred to herein collectively as the "Parties").**

**WITNESSETH**

**WHEREAS, Florida Statutes, Section 163.01, the Florida Interlocal Cooperation Act of 1969 (the "Cooperation Act"), at Subsection 163.01(4), provides that public agencies of the State of Florida, which by definition include cities and counties, may exercise jointly with any other public agency of the State of Florida any power, privilege, or authority which such agencies share in common, and which each might exercise separately, by contract in the form of an interlocal agreement; and**

**WHEREAS, the City is the owner and operator of The Joker Marchant Stadium Complex, a public facility located at 2301 Lakeland Hills Boulevard, Lakeland, Florida 33805 that is comprised of Joker Marchant Stadium, Two Batting Cages, Weight Room, Major League Locker Room, Minor League Clubhouse, Fetzer Hall Dormitories, Cafeteria, and Recreation Hall, Tigers Administration Building, 5.5 Practice Fields, Bunting and drills field, Long mounds, Maintenance and Storage Building (the "Complex"); and**

**WHEREAS**, the Complex is a "professional sports franchise facility" and a "retained spring training franchise facility" within the meaning of Section 125.0104(3)(f)1, Florida Statutes, and a "Facility" within the meaning of Sections 288.11621(1)(d) and 288.11631(1)(d), Florida Statutes, in that the Complex has been the spring training home of the Detroit Tigers major league baseball team since 1966 and is the home of the Lakeland Flying Tigers minor league baseball team (the Detroit Tigers major league baseball team and the Lakeland Flying Tigers minor league baseball team shall collectively be referred to as the "Team"); and

**WHEREAS**, the City intends to undertake a project for the renovation and expansion of the Complex as more particularly described in Section 4.2 (collectively, the "Improvements") in order to induce the Team to extend their current lease or enter into a new lease with the City for an additional twenty (20) year period, and, in connection therewith, will apply for State funding for renovation of a spring training facility pursuant to Section 288.11631, Florida Statutes for the purpose of funding a portion of the Improvements; and

**WHEREAS**, the Improvements by the City comply with and will further the purposes of the County's plan of tourist development devised in accordance with Section 125.0104(4), Florida Statutes; will promote the influx of tourists to the City and the County, and thereby benefit the local economy; and will be of substantial benefit to the entire City and County; and

**WHEREAS**, it is the purpose and intent of the Parties, this Agreement, and the Cooperation Act to permit the City and the County to make the most efficient use of their respective powers, resources and capabilities by enabling them to cooperate on the basis of mutual advantage and thereby to provide for the Improvements in the manner that will best

accord with the existing resources available to each of them and with the geographic, economic, population and other factors influencing the needs and developments within their respective jurisdictions; and

**WHEREAS**, it is the purpose of the Cooperation Act to provide for a means by which the City and the County may exercise their respective powers, privileges and authorities which they share in common and which each might exercise separately; and

**WHEREAS**, the City has committed to incur all or a portion of the Indebtedness (hereinafter defined) for the Improvements, and the County has elected to pledge a portion of the revenues from its tourist development tax, authorized by Section 125.0104, Florida Statutes (the "Tourist Development Tax"), in the amounts set forth in Section 3.2, to pay a portion of the Indebtedness, all in accordance with the intent and purposes of the Cooperation Act permitting local governments to, among other things, provide from their treasuries the financial support for the purposes set forth in Interlocal agreements; and

**WHEREAS**, the City and the County have ascertained that the method or formula for equitably providing for and allocating and financing the capital costs for the Improvements and the payment of the Indebtedness therefor, including payments to reserve funds and payments of principal and interest on obligations as established by the Parties, are reasonable on the basis of the amount of services rendered or to be rendered, benefits received or conferred and on all other equitable bases; and

**WHEREAS**, in order to induce the Team to extend their current lease or enter into a new lease with the City for an additional twenty (20) year period the County deems it proper and appropriate to pledge a portion of the Tourist Development Tax to pay a portion of the Indebtedness, as more specifically set forth herein; and

WHEREAS, the City and the County wish by this Agreement to provide for the terms and conditions of the commitment of the City and the County created hereby and to secure the payment of the Indebtedness, in order to further the purposes stated herein.

NOW, THEREFORE, in consideration of the promises, mutual covenants and conditions contained herein, the Parties agree as follows:

**SECTION 1: Recitals**

The above recitals are true and correct and incorporated herein.

**SECTION 2: Authority**

This Agreement is entered into pursuant to the provisions of Section 163.01, Florida Statutes; Chapter 166, Florida Statutes; Chapter 125, Florida Statutes; and other applicable provisions of law.

**SECTION 3: Covenants and Obligations of the County**

3.1 Subject to the terms and conditions of this Agreement, the County does hereby covenant and pledge a portion of the fourth percent of the Tourist Development Tax for the purposes provided herein, for a term of twenty (20) years. In order to finance the Improvements, the City shall issue bonds, amortized over a twenty (20) year period, in the approximate amount of \$37,000,000.00 (the "Indebtedness"). The City shall issue all such bonds in a one-time, single issuance, and the Parties expressly acknowledge and agree that this Agreement, and the County's obligations hereunder, shall not apply to any bonds issued by the City following such initial issuance, whether issued in connection with the financing of the Improvements or not; provided, however, this provision shall not operate to limit either Party's rights under Section 4.6 of this Agreement.

3.2 The County shall make a single annual payment to the City, commencing September 30, 2017 and every September 30th thereafter in an amount equal to the lesser

of: (i) 39.4% of the actual amount of principal and interest due on the Indebtedness for that particular year; or (ii) the amount of annual principal and interest necessary to defease a principal amount of \$14,560,000.00, over a twenty (20) year term, at a maximum interest rate of 4.5%. Such annual payments by the County shall be applied toward payment of the Indebtedness, and the County shall make such annual payments to the City until the County's obligation under this Agreement is satisfied, or sooner terminated. The annual payment shall represent both principal and interest on the County's portion of the Indebtedness as set forth on the Estimated Bonded Debt Amortization Schedule shown in Exhibit "A" attached hereto and incorporated herein. Exhibit "A" is provided for illustration purposes only and shall not be construed as adding to or limiting the obligation of the Parties pursuant to this Agreement. Upon the issuance of the Indebtedness, the actual amortization schedule for the Indebtedness shall be used to calculate the annual payments due and shall be incorporated into this Agreement as an addendum. The Parties agree that the sum of all annual principal payments provided by the County herein will not exceed \$14,560,000, nor constitute more than 39.4% of a total project cost of at least 37,000,000.

3.3 On any annual payment date, the County may elect to terminate its obligations under this Agreement by paying to the City an amount equal to the County's share of the unpaid principal amount due on the Indebtedness through maturity of this Agreement.

3.4 With the exception of those revenues previously pledged for improvements to the Lakeland Civic Center, the County covenants and agrees to apply the annual revenues derived from the fourth percent of the Tourist Development Tax up to the annual proportionate share of the limits set forth in Section 3.2 to satisfy its annual payment

obligations under this Agreement prior to applying said revenues to any other purpose. The Parties acknowledge and agree that all surplus funds generated annually from the fourth percent of the Tourist Development Tax in excess of what is necessary to satisfy and discharge the County's annual obligations hereunder, including any carried over amount from the prior year, if any, as set forth below, may be utilized by the County for any purpose authorized by Section 125.0104(3)(l), Florida Statutes. In the event the revenue generated from the fourth percent of the Tourist Development Tax is insufficient in any given fiscal year for the County to meet its obligations hereunder, then the County shall carry the shortfall forward so that it becomes due and payable with the next annual payment. In the event full payment has not been made at the end of the twenty year financing period provided herein, the Parties agree that this Agreement, and the County's obligation to make payments hereunder, shall be extended for such additional period of time as is necessary for the County to make full payment to the City.

**SECTION 4: Covenants and Obligations of the City**

Subject to the terms and conditions of this Agreement, the City does hereby covenant and agree as follows:

4.1 In order to finance the Improvements, the City shall proceed with all steps necessary to obtain financing and related costs for the Improvements, and shall diligently pursue completion of the Improvements being financed with the proceeds of the debt instrument(s);

4.2 The City shall apply for State incentive funding for renovations for a spring training franchise facility pursuant to Section 288.11631, Florida Statutes, and the City shall use the proceeds of such funding for the sole purpose of financing a portion of the costs of the Improvements by servicing the debt obtained to finance the Improvements as

indicated in Section 4.1;

4.3 The City shall apply the proceeds from any lease or financial revenue sharing agreement with the Team for the funding of the Improvements to service the debt obtained to finance the Improvements as indicated in Section 4.1; provided, however that this provision shall not apply to any leases entered into for improvements or uses which are not in whole, in part, or in any manner materially associated with the Improvements for which the County funds are intended and which are governed by this Agreement. The County agrees to reimburse the City for its reasonable staff and maintenance costs incurred as a result of the County's use of the Complex.

#### **SECTION 5: Conditions**

The Parties acknowledge and agree that the County's performance under this Agreement is contingent upon the following conditions:

5.1 The City must receive written acknowledgment from the State of its award of not less than \$20,000,000 of incentive funding pursuant to Section 288.11631, Florida Statutes, as further described in Section 4.2. The City shall provide a copy of such acknowledgment to the County within five (5) business days of receipt. In the event the City is unable to secure such funding, this Agreement shall be *void ab initio*, the County

shall have no obligation hereunder, and any payments made by the County to the City pursuant to this Agreement shall be immediately returned to the County in full; and

5.2 The City must enter into an agreement with the Team for the lease of the Complex for a term of not less than twenty (20) consecutive years (the "Lease"). The City shall provide a copy of the fully executed Lease to the County within five (5) business days of full execution. In the event the Lease is not executed for any reason, whether through any fault or no fault whatsoever of the City, this Agreement shall immediately terminate and be of no further force or effect, and the County shall have no further obligation hereunder. In the event that the Lease is terminated by the City or the Team, or the Team relocates its home spring training games or the Lakeland Flying Tigers home games to another location prior to the completion of the Lease term (individually, a "Default Event" and collectively, the "Default Events"), then the County shall have the right to terminate this Agreement by providing written notice thereof to the City, and, in such event, the County shall have no further obligations hereunder; provided, however, that if the Lease is terminated through no fault of the City, then prior to the County terminating this Agreement, the City shall be permitted to pursue the enforcement of its remedies under the Lease for a period not to exceed 24 months from the date of the Lease termination (the "Enforcement Period"). If during the Enforcement Period the County determines in its reasonable discretion that the City is not diligently pursuing its Lease remedies, or if the Enforcement Period expires and any of the Default Events remain uncured, then the County shall have the right to terminate this Agreement effective immediately. Within sixty (60) days from the date of such termination, the City shall reimburse the County in full for any principal and interest payments made by the County pursuant to Section 3.2, from the date on which the Default Event(s) first occurred through the date this Agreement

is terminated. Said reimbursement to the County by the City shall also include interest on all the debt service payments from the date the County makes such payments, to the date this Agreement is terminated. Such interest shall accrue at the annual average rate of the State Board of Administration's Florida Prime 30-day average yield for the months of October through September of the previous fiscal year.

**SECTION 6: No Lien on Nor Pledge of Ad Valorem Revenues**

The pledge of the City and the County, respectively, as set forth herein, shall not constitute nor create a lien, either legal or equitable, on any of the City's or the County's respective ad valorem revenues or funds. Neither the City nor the County shall ever be required to levy ad valorem taxes on any property within its respective boundaries to pay their respective shares of the debt service payments or any other payments provided herein.

**SECTION 7: Indemnification**

Without waiving sovereign immunity pursuant to Section 768.28, Florida Statutes, each party will indemnify the other from and against any and all claims, demands, causes of action, losses, damages, penalties and expenses, including attorneys' fees, arising from or incurred because of any loss or damage sustained as a result of the indemnifying party's failure to comply with the provisions of this Agreement, to the extent permissible by Florida law. Nothing herein shall be deemed a waiver, express or implied, of either party's sovereign immunity or an increase in the limits of liability pursuant to Section 768.28, Florida Statutes, regardless of whether any such obligations are based in tort, contract, statute, strict liability, negligence, product liability or otherwise.

**SECTION 8: Term**

Unless extended by mutual written agreement of the Parties, or unless otherwise provided in this Agreement, this Agreement shall expire when the County's financial

obligations as set forth in Section 3 have been satisfied.

**SECTION 9: Effective Date**

Pursuant to Section 163.01(11), Florida Statutes, this Agreement shall become effective upon the filing of the fully executed Agreement with the Clerk of the Circuit Court for Polk County, Florida.

**SECTION 10: Notice**

Any notice or correspondence required under this Agreement shall be provided to the other party by personal hand delivery, by recognized overnight courier service, postage prepaid, or by certified mail, return receipt requested, to the other party at the address set forth below:

**SECTION 11: Third-Party Rights**

Nothing in this Agreement is intended, nor shall be construed, to confer any rights or benefits upon any party other than the City and the County.

**SECTION 12: Assignment**

Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered under any circumstances.

**SECTION 13: Severability**

The invalidity, illegality, or unenforceability of any provision of this Agreement, or the occurrence of any event rendering any portion or provision of this Agreement void, shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not

contain the particular portion or provision held to be void. The Parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Section shall not prevent the entire Agreement from being void should a provision which is of the essence of the Agreement be determined to be void.

**SECTION 14: Controlling Law / Members of the City and County Not Liable**

All covenants, stipulations, obligations and agreements of the County and the City contained in this Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the County and the City, respectively, to the full extent authorized by the Cooperative Act and provided by the Constitution and the laws of the State of Florida. No covenant, stipulation, obligation or agreement contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member of the governing body or agent or employee of the City or the County in its, his, her or their individual capacity and neither the members of the governing body of the City or the County nor any official executing this Agreement shall be liable personally or shall be subject to any accountability by reason of the execution by the City or the County of this Agreement or any act pertaining hereto.

**SECTION 15: LIMITATION OF LIABILITY**

IN NO EVENT, SHALL THE COUNTY BE LIABLE TO THE CITY FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE, INCLUDING LOSS OF PROFIT, WHETHER FORESEEABLE OR NOT, ARISING OUT OF OR RESULTING FROM THE NONPERFORMANCE OR BREACH OF THIS AGREEMENT BY THE COUNTY WHETHER BASED IN CONTRACT,

**COMMON LAW, WARRANTY, TORT, STRICT LIABILITY, CONTRIBUTION, INDEMNITY OR OTHERWISE.**

**SECTION 16: Governing Law and Venue**

This Agreement shall be governed in all respects by the laws of the State of Florida and any litigation with respect thereto shall be brought only in the courts of Polk County, Florida or the United States District Court, Middle District of Florida, Tampa Division.

**SECTION 17: Attorneys' Fees and Costs**

Each party shall be responsible for its own legal and attorneys' fees, costs and expenses incurred in connection with any dispute or any litigation arising out of, or relating to this Agreement, including attorneys' fees, costs, and expenses incurred for any appellate or bankruptcy proceedings.

**SECTION 18: Waiver**

A waiver by either the County or the City of any breach of this Agreement shall not be binding upon the waiving party unless such waiver is in writing. In the event of a written waiver, such a waiver shall not affect the waiving party's rights with respect to any other or further breach. The making or acceptance of a payment by either party with knowledge of the existence of a default or breach shall not operate or be construed to operate as a waiver of any subsequent default or breach.

**SECTION 19: Annual Appropriations**

The City acknowledges that the County, during any fiscal year, shall not expend money, incur any liability, or enter into any agreement which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any agreement, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such agreement. Nothing herein

contained shall prevent the making of agreements for a period exceeding one year, but any agreement so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, the County's performance and obligation to pay under this Agreement is contingent upon annual appropriation.

**SECTION 20: Entirety of Agreement**

The Parties agree that this Agreement sets forth the entire understanding between the Parties as to the subject matter contained herein, and that there are no promises or understandings between the Parties other than those stated herein. This Agreement supersedes all prior agreements, contracts, proposals, representations, negotiations, letters or other communications between the City and the County pertaining to the matters stated herein, whether written or oral.

**SECTION 21: Amendment**

This Agreement may not be modified, added to, superseded or otherwise altered unless such modifications, additions or other alterations are evidenced in writing signed by both the County and the City.

In the event such portions of the Facilities are destroyed as to render the entire Facilities unsuitable in the Club's judgment for the Club's operation, the Club shall have the right to play elsewhere until such restoration or reconstruction is completed and, if the City neither reconstructs the premises within either 60 days or by October 30 immediately following the destruction, then, in either case at the Club's option, the Club shall have the right to terminate this Agreement by providing written notice and without further obligation or responsibility. In that event, the City shall refund to the Club on a pro rata basis any prepaid rents which may have been made prior to the date of termination.
13. **Taxes.** The Club shall be responsible for and pay any and all sales or other tax incidental to this Agreement. In the event that ad valorem taxes are assessed against the Facilities or any portion thereof as a result of the Club's use of same, the Club shall be responsible for its prorata portion of such taxes.
14. **Termination.** This Agreement may be terminated by either party upon material breach by the other party, upon thirty (30) days' prior written notice, certified mail, return receipt requested (deemed made upon receipt) and failure by the defaulting party to cure the same within said 30 days. In the event that the Club fails to cure any such breach and there remains an outstanding balance on the loan referenced in Section 8 hereof, the Club shall pay the City

\$10,000.00 as liquidated damages, which shall be the City's sole and exclusive remedy as a result thereof.

15. Option. The Club shall have the option to renew this Agreement for an additional term of ten (10) years by giving the City written notice of its intention to renew same not less than one (1) year prior to the expiration of the initial term hereof. The rental imposed during such renewed term shall be the amount agreed upon by the parties hereto prior to the commencement of the renewal.
16. Subcontractors. If any services permitted by this Agreement are subcontracted by the Club, any such subcontractor shall either be included as an additional insured under the Club's insurance policy, or shall file with the City a Certificate of Insurance evidencing compliance with Paragraph 11 hereof.
17. Agreement of City Regarding Revenue. The City agrees to take such action as is necessary under the laws of the State of Florida to plan and budget for receipt of a sufficient appropriation of funds to discharge its obligations hereunder; provided, however, if the City has not appropriated sufficient funds to enable it to discharge its obligations then, notwithstanding any other provision contained herein, this Agreement may be terminated effective upon expiration of the fiscal year in which sufficient funds were last appropriated to satisfy the obligations.
18. Assignability/Amendment. This Agreement shall be binding and inure to the benefits of the successors of each of the parties, but it is mutually agreed that this Agreement shall not be assigned by the Club to any person, firm or corporation without the written consent of the City, which consent shall not be unreasonably withheld.

Notwithstanding the foregoing, no consent is required in the event that the Club sells its major league franchise rights, said sale is approved by Major League Baseball and the team continues to play its regular season baseball games in the Metropolitan Detroit area.

Any amendment to this Agreement shall not be effective unless in writing and approved by the Office of the Commissioner of Baseball.

## POLK COUNTY SPORTS MARKETING

August 24, 2018

Bob Donahay  
Parks & Recreation Director  
City of Lakeland  
228 S. Massachusetts Ave.  
Lakeland, FL 33801

Mr. Donahay:

I seem to write this same thing every year, but the 2017 Spring Training was once again a great one for the City of Lakeland, the Detroit Tigers and Polk County Tourism and Sports Marketing (PCTSM). It is our pleasure to assist you with an estimate of the economic benefits generated by the Detroit Tigers and their impact on Lakeland and Polk County. PCTSM is the official destination marketing organization and sports commission for Polk County, Florida and regularly evaluates the impact of events held in our community.

Our community and the Detroit Tigers continue to enjoy the longest relationship between a team and Spring Training city. I am positive that this length of relationship will never be reached by another city and a Major League Baseball team. This accomplishment has a tremendous benefit to our community. Of course this relationship was only strengthened this year as the major renovation to the Tigertown Complex was completed. We truly believe the Publix Field at Joker Marchant Stadium is the best spring training facility in all of baseball.

As always, the exact impact depends upon many factors that can create a swing in any year, but the overall impact to the City of Lakeland and Polk County continues to be in the range of \$45 million annually. This is partially based on previous studies completed by the state of Florida and more recent surveys at several spring training games. With that said, the Tigers have had great success in attracting visitors/spectators to our area since the last statewide study. This past year the average per game attendance for their 17 home games was 6,562, placing the Tigers sixth in the Grapefruit league for per game attendance. Total attendance was 111,561 keeping the Tigers solidly with the fourth highest number in the Grapefruit League. The average attendance was 244 people per game above the state average, a great accomplishment with Spring Training moving ever earlier.

In addition, Polk County Tourism and Sports Marketing and the Tigers hold several events throughout the year including the Florida Junior College State Championships, Wilson Premier Baseball Championships, Tigers Fantasy Camp, visiting Florida State League teams, Tigers Minor League coaches, organizational meetings, showcase events, and is the headquarters for the Detroit Tigers Draft. All of which creates positive impact for our community.

Major League Baseball and specifically, the Detroit Tigers Spring Training, has been, is currently, and will always be an extremely beneficial investment for Lakeland and Polk County.

I am happy to provide any additional information if needed.

## 2018 MLB Spring Training produces \$687.1 million of economic impact for the State of Florida

July 30, 2018 in MLB Spring Training News, Press Releases

### 2018 MLB Florida Spring Training Economic Impact Study

TALLAHASSEE, Fla. – The Florida Sports Foundation today announced that the 2018 Florida Grapefruit League generated an economic impact of \$687.1 million for the State of Florida. The Florida Grapefruit League takes place annually during the Major League Baseball (MLB) Spring Training season and features 15 MLB teams in 12 cities.

The 2018 Florida Spring Training Economic Impact Study was completed by Tallahassee-based Downs & St. Germain Research to determine the Grapefruit League's overall economic impact, including number of attendees, jobs created, and the overall associated wages for employees.

Governor Rick Scott said, "Each year, fans from around the world come to Florida to enjoy spring training. With incredible experiences, like spring training, happening in Florida, our tourism industry continues to break records. I encourage everyone who came to Florida for spring training this year to make plans to come back next year. Those who have never been to spring training in the Sunshine State, should make this unique experience a priority for next year."

Angela A. Suggs, President and CEO of the Florida Sports Foundation said, "The Sunshine State offers exceptional opportunities for residents and visitors to enjoy the national pastime of Spring Training. We are pleased with the continued success of the Florida Grapefruit League and look forward to many more exciting opportunities to showcase the many communities in Florida, where the world comes to play."

The study showed a 61 percent increase from the adjusted total of the last study completed in 2009. The new methodology accounted for fans who attended multiple games during Spring Training not previously included in the 2009 study. Approximately 1,500 of the 1,497,306 attended fans were surveyed to generate the League's economic impact and fan spending throughout the 13 Spring Training ballparks. Fan spending data was collected during multiple games at all 15 Florida Spring Training teams' games between February 23 and March 27.

A key finding of the survey showed that of the averaged total of 6,318 fans per game, 70 percent were from outside of the host teams’ local markets (52 percent out of state; 18 percent out of county). Those fans generated nearly \$584 million in economic impact. In this survey, non-local fans are categorized as individuals who were not residents of the counties in which the 13 ballparks are located.

Downs & St. Germain’s findings also showed that 7,152 jobs are created annually by Florida Spring Training, accounting for \$253.5 million in wages. Fans attending games were responsible for 355,590 paid accommodation room nights at Florida-based lodging destinations. In total, fans attended an average of 2.9 games.

The Sunshine State’s annual MLB Spring Training continues to connect with fans throughout Florida and the country as those who surveyed gave their experience in Florida an average 9.3 rating on a 10-point scale. Eighty-six percent of fans are making plans to return for the 2019 Florida Spring Training season.

Florida Spring Training dates back to the late 1800s. Under the leadership of former St. Petersburg Mayor Al Lang, four teams were recruited to play in the greater St. Petersburg area for pre-season workouts and eventually grew to nine of the MLB’s then 12 teams in 1925. The number of participating teams in the Grapefruit League has since grown to 15 of MLB’s 30 teams. Since that time, over 50 Florida communities have hosted MLB Spring Training and eight teams have held their spring training in Florida communities for over 70 years. Since 2000, nearly 30 million fans have attended MLB Spring Training games in Florida.

Highlights from Florida’s MLB Spring training in 2018 included:

- The New York Yankees had the highest per game average with 9,882 fans attending 16 games at George M. Steinbrenner Field in Tampa.
- The most attended day of the 2018 season was Saturday, March 24, when 64,069 fans attended the eight games of the day, for an average of 8,009 per game.

# Florida Spring Training Generates More Than \$680M in Economic Impact

by Ballpark Digest Editors on [July 31, 2018](#) in [Major-League Baseball](#), [News](#)

The 2018 **Major League Baseball spring training** season in Florida generated an economic impact of \$687.1 million, according to a new Florida Sports Foundation study. The study also showed that 7,152 jobs are created annually by Florida Spring Training, accounting for \$253.5 million in wages. MLB spring training takes place annually and features 15 MLB teams in 12 Florida cities.

"Each year, fans from around the world come to Florida to enjoy spring training," Florida Governor **Rick Scott**. "With incredible experiences like spring training happening in Florida, our tourism industry continues to break records. I encourage everyone who enjoyed spring training in Florida this year to make plans to come back next year. Those who have never been to spring training in the Sunshine State should make this unique experience a priority for next year."

**Angela A. Suggs**, President and CEO of the Florida Sports Foundation said, "The Sunshine State offers exceptional opportunities for residents and visitors to enjoy the national pastime of Spring Training. We are pleased with the continued success of the Florida Grapefruit

League and look forward to many more exciting opportunities to showcase the many communities in Florida, where the world comes to play.”

Florida Spring Training dates back to the late 1800s. Four teams were originally recruited to play in the greater St. Petersburg area for pre-season workouts and eventually grew to nine of the MLB’s then 12 teams in 1925. The number of participating teams in the Grapefruit League has since grown to 15 of MLB’s 30 teams. Since that time, over 50 Florida communities have hosted MLB Spring Training and eight teams have held their spring training in Florida communities for over 70 years. Since 2000, nearly 30 million fans have attended MLB spring training games in Florida.

**Highlights from Florida’s MLB Spring training in 2018 included:**

- The New York Yankees had the highest per game average with 9,882 fans attending 16 games at George M. Steinbrenner Field in Tampa.
- The most attended day of the 2018 season was Saturday, March 24, when 64,069 fans attended the eight games of the day, for an average of 8,009 per game.
- Houston’s 2017 World Series Championship resulted in a 21 percent increase in attendance for the Astros at the Ballpark of the Palm Beaches. A total of 67,931 fans attended the Astros’ Spring Training Games, up from 55,881 in 2017.
- Seven teams, including the Atlanta Braves, Baltimore Orioles, Boston Red Sox, Detroit Tigers, Minnesota Twins, New York Yankees and Philadelphia Phillies, topped the 100,000 total attendance mark.
- The Red Sox had the top total attendance of the 2018 season, with 165,688 fans attending 17 games at Jet Blue Park in Fort Myers.

Dear Katherine:

I have reviewed our previous correspondence, our existing records and provide this as part of our reporting obligation.

Based on the foregoing, I can advise that the representations in our application remain true and correct as stated. Therefore, it is my opinion that the City continues in compliance with all of the grant requirements contained in Fla. Stat. 288.11631 (2) (a) (1-6).

I've also reviewed any concession contracts related to the facility and determined that there are no concession agreements or service contracts with the applicant that would implicate Fla. Stat. 288.1167. Also, the Detroit Tigers have a contractual obligation to comply with all DEO requirements that are imposed on the City. In so doing, contracts awarded, are done so on the same terms and conditions and in accordance with the goals set forth in 287.09451. Most tasks are done by City or team forces so there is no need for service contracts with the facility.

I hope this has been responsive to your request.

Very Truly Yours,

Timothy J. McCausland  
City Attorney

RE: Annual Report

Dear Katherine:

I have reviewed the requirements of the application that the City filed in 2015, and also The Spring Training Program Agreement dated October 20, 2016 (Program Agreement) with regard to the continuing requirements for Grant eligibility. I have also reviewed the City's records with regard to the use of the Grant funds, the City's expenditure as its match for Grant funds, other financial reporting of the City of Lakeland, and the existing lease documents related to Lakeland's long-term facility lease with the Detroit Tigers. Based on the foregoing, I am able to verify that the City of Lakeland is in compliance with all statutory requirements and the requirements of the Program Agreement as of the date hereof.

If you have any questions, please feel free to contact me.

[General Info](#)

[Directions](#)

Following the historic agreement to ensure the Detroit Tigers winter home remains in Lakeland for an unprecedented 100 years, we're excited to unveil the renovations taking place at the newly christened Publix Field at Joker Marchant Stadium.

## More Comfort, Entertainment and Fun

There will be more comfort, more entertainment and more fun in a family friendly atmosphere.

**More Shade** - There are six new covered sections (211-216), increasing the number of covered seats (rows N and up) from 1,246 to 2,098 seats (increase of 41%), while more seats will be shaded with the extended roof. The new 34 Club will provide an additional 203 covered seats, while casting shade to sections 200-201, previously unprotected from the sun.

**More Box Seats** - Sections 111 and 112 have been rebuilt and expanded, and we've added four additional box seat sections down the third base line (113-116), bringing the total seating in the 100 sections from 1,243 to 1,888.

**More Air Conditioned Spaces** - The 34 Club, presented by Miller Lite, located atop sections 200-201, features an indoor bar and seating, an all-inclusive buffet and outdoor

padded seating for 203 fans. Four former suites on the third base side of the press box have been transformed into the On Deck Suite, an all-inclusive space for 36-60 people that includes upscale food and beverages. You can also cool off in the new 1,800 square foot indoor merchandise store, located at the home plate entrance.

**More Concession Stands and Offerings** - The concession stands have been rebuilt and expanded with all new equipment, offering more items, while rotating in new items to keep the menu fresh and exciting. A new point of sale system should shorten wait times and digital menu boards will allow us to easily post new food offerings and food specials.

**More Restrooms (rebuilt and expanded)** - The number of women's restroom toilets is increasing 50% from 48 to 72. Men's toilets/urinals are increasing from 38 to 48. Two new family restrooms have been added.

**More Wheelchair Accessible Seating (and Elevators)** - Four new wheelchair accessible seating sections were added atop sections 212, 214, 215 and 216, and while the wheelchair accessible section in 205 is being removed; the number of ADA seats (wheelchairs and companion seats) increased from 30 to 42. Two additional elevators have been added, bringing the total to three. Elevators will now be located near the home plate, first base and third base entrances.

**More Premium and Group Seating** - The 34 Club, presented by Miller Lite will sit atop sections 200 and 201. This brand new upscale offering celebrates the Tigers relationship with the City of Lakeland that dates back to 1934, the longest-standing relationship between a major league team and a current Spring Training host city. Enjoy an all-you-can-eat buffet (the menu changes daily), air-conditioned indoor seats and outdoor seating. Perfect for individuals and small groups during Spring Training.

**On Deck Suite** - Situated behind section 208, the On Deck Suite provides a living room feel, with comfortable furniture and couches, HD TVs and an all-inclusive buffet (the menu changes daily). Outdoor seating is also available to take in all the action. Ideal for groups of 48-60 during the Flying Tigers season, the On Deck Suite is available for Spring Training in sets of four season tickets.

**Hooters Dugout** - Located adjacent to section 100 just down the first base line, the Hooters Dugout is the prime spot for autographs and player interaction. Perfect for groups of 20-40, the area includes an all-you-can-eat picnic with select ballpark and Hooters food, along with your own private waitress staff.

**Pepsi Pavilion** - Featuring two tiers with covering to protect against the sun and rain, the Pepsi Pavilion is perfect for groups ranging from 30-200 people. A mix of fixed stadium seats, drink rails and picnic tables allow for groups to watch the action or socialize with friends and family, while enjoying an all-you-can-eat picnic.

**Margaritaville** - Presented by Margaritaville Rum & Tequila, located directly down the right field line, the Florida themed Margaritaville Deck mixes a Florida theme with views of the bullpens and clubhouse. Featuring two tiers of seating, Margaritaville is available during

Spring Training to groups of 44-120 and will double as a group/public place during the Flying Tigers season.

**Suites** - Two additional suites have been built at the top of section 205, along with the two existing suites to receive a complete makeover. A portion of the On Deck Suite can be sectioned off to create a fifth suite. Each suite is furnished with new flat screen TVs (includes the MLB package), WiFi, wet bar, indoor seating and 12 outdoor seats.

## New Features

A number of new features have been added - improved technology and public spaces to enhance your game day experience.

**LED HD Video Displays and Scoreboard** - A new state-of-the-art HD videoboard and scoreboard, measuring 46 feet wide by 26 feet tall (1,196 square feet), will sit atop the berm in left field, one of the largest boards in all of Spring Training, along with a ribbon board in right field. These boards will include day experience, from more player information and stats, to new and exciting in-game promotions.

**Sound System** - A new sound system will allow us to control each individual speaker, reducing and increasing the volume where needed.

**Berm Bar** - Sitting under the new scoreboard in left field, the berm bar will feature 360-degree bar seating, picnic tables, and a ticketed 120-foot drink rail with waitress service during Spring Training.

**The Runway** - Built on top of the former Lodwick Field airstrip, The Runway will connect the first base concourse and the berm, providing fans a 360-degree view of the field. Fans will be able to watch the game from drink rails or beach chair seating, get a unique look into the bullpens, check out the history of TigerTown, and enjoy unique food and drink offerings.

**Kids Playground** - Adjacent to the berm, our new playground will be the go to spot for kids of all ages. Centered around a 27-foot inflatable Tiger bounce house, the playground will also feature a whiffle ball field and other interactive games for kids to enjoy.

**New Player Amenities** - As a year around facility and rehabilitation center for both our major and minor league players.

**Clubhouse and Weight Room** - New clubhouses have been constructed for the Detroit Tigers and Flying Tigers, along with a brand new 7,068 square-foot weight room and agility area, one of the largest in all of Major League Baseball.

**Minor League and Practice Fields** - A new observation tower has been constructed, allowing player development staff to get a 360-degree view of the four practice fields. One field has been replaced with artificial turf, making it suitable for play shortly after rain storms and allowing year-round activity, while the other fields underwent maintenance in the offseason. New practice mounds and a 9,000 square-foot air-conditioned batting cage have also been erected.

***Rehabilitation Facilities*** - The new athletic training facility is outfitted with some of today's most advanced treatment and rehabilitative modalities offered, allowing Lakeland to become a year-round rehabilitation and training facility for all major and minor league players. From class IV laser technology to neuromuscular stimulation, the facilities will allow the Tigers sports medicine staff to promote a more efficient environment for the healing process to take place.

## Detroit Tigers Spring Training: The Grand Tradition in Florida

There is now a single greatest institution in Florida spring training: Tiger Town in Lakeland. The Tigers have been training in Lakeland since 1934 and have been playing in Joker Marchant Stadium since 1966. In those many years Tiger Town has evolved into a complete training complex that includes the ballpark, other training fields, dorm, training facilities and team clubhouses.

Though **Publix Field at Joker Marchant Stadium** is the second-oldest ballpark still in use in spring training (LECOM Park dates back to 1923; Joker Marchant Stadium opened in 1966), it doesn't feel old after the latest round of renovations. The Tigers and Lakeland have embarked on a few rounds of renovations in recent years; you can still see the original concrete risers in the grandstand, but otherwise everything else about the ballpark has been upgraded.

The changes implemented for 2017 were among the most extensive ever. On the player/front-office side, the old administration building was torn down, with a new administration building (complete with new clubhouses and training facilities) going up in right field. That's a big change, but the other changes are focused on the fan side.

New in right field: a space the Tigers call the Runway, featuring a long drink rail, new concessions and additional four-top seating. The Runway is a reference to the site's history as a aerial training center during World War II. When Joker Marchant first opened, the old training runway was still present past right field, as well as Quonset huts used to house pilots and trainers. (The Quonset huts are still there. You cannot see them from the ballpark, but they can be seen from the parking lot.) This is a huge area, and it also has one additional function: it makes Joker Marchant Stadium a more accessible ballpark with a 360-degree concourse.

Tiger Town is one of the more historically interesting sites in the Grapefruit League. It was [built on the site of a World War II flight school](#), the Lodwick School. Between 1940 and 1945 more than 8,000 cadets, including British Royal Air Force cadets, attended the Lodwick School of Aeronautics and more than 6000 graduated. Some of the remnants of that school still exist, including several hangars that have been renovated and used for various purposes.

## Spring Training History

The Detroit Tigers have trained in Lakeland since 1934. Other spring-training homes of the Tigers: Detroit (1901); Ypsilanti, Mich. (1902); Shreveport (1903-1904); Augusta, Ga. (1905-1907); Hot Springs, Ark. (1908); San Antonio (1909-1910); Monroe, La. (1911-1912); Gulfport, Miss. (1913-1915); Waxahachie, Texas (1916-1918); Macon, Ga. (1919-1920); San Antonio (1921); Augusta, Ga. (1922-1926); San Antonio (1927-1928); Phoenix (1929); Tampa (1930); Sacramento (1931); Palo Alto, Cal. (1932); San Antonio (1933); Lakeland (1934-1942); Evansville (1943-1945); Lakeland (1946-present).

## Ballpark History

Joker Marchant Stadium was built in 1966 and named after the city's popular parks and rec director, Joker Marchant.

The 800-seat Henley Field, the former spring-training home of the Tigers, still exists and was used by the Lakeland Tigers for the 2002 spring training season. The Cleveland Indians used Henley Field for spring training from 1924 to 1927, and the Tigers used it for spring training between 1934 and 1966. Florida Southern University calls Henley Field home.

## Statue of Joker Marchant and George Jenkins unveiled at stadium

By Brady Fredericksen

Posted Feb 24, 2017 at 1:40 PM

Updated Feb 27, 2017 at 2:55 PM

Joker Marchant, now embodied in a statue with George Jenkins, told the Joker Marchant Stadium fans in 1966 to put their peanut shells in their pockets.

LAKELAND — Mayor Howard Wiggs told the story like he had just seen it happen.

The late Joker Marchant made an announcement prior to the first spring training game played at Joker Marchant Stadium back in 1966. The city's longtime parks and recreation director was so proud of his stadium — one that still houses the Detroit Tigers today — that he asked the crowd to do him a favor:

“He announced to all the fans that they needed to put their peanut shells in their pockets on the way out and not leave their trash in the stadium,” Wiggs said to the crowd of about 100 gathered at Publix Field at Joker Marchant Stadium on Friday.

With a collection of TV cameras focusing in, Marchant's granddaughter, Tara Bassett, and George Jenkins' grandson, Wesley Barnett, grabbed oversized pairs of scissors and approached a covered statue outside of the stadium's main gates.

What they unveiled was a stainless steel and bronze statue representing two Lakeland staples — Jenkins and Marchant — shaking hands, with smiles draped across their faces.

The statue, made by Pennsylvania artist Becky Ault, was the final addition to the newly renovated Publix Field at Joker Marchant Stadium — which held its first Grapefruit League game between Detroit and Baltimore on Friday.

“The Tigers take a great deal of pride in this being the longest relationship between a city and a professional baseball team,” said Tigers Executive Vice President of Business Operations Duane McLean. “It’s something that we cherish. The relationships we have with the folks here, it’s a match made in heaven.”

Tigers hall of famer Al Kaline, who was at the stadium as a player during that inaugural game in 1966, spoke of his friendships with both Jenkins and Marchant. He was joined in the front row by current Tigers reliever Kyle Ryan, an Auburndale native, as well as city and county commissioners and Publix and Tigers personnel.

“From Henley Field to Joker Marchant and now, to this beautiful, wonderful complex right here — Publix Field at Joker Marchant Stadium — we are honored to be part of the community,” Kaline said. “When you think about the Tigers, you can think about a lot of great players. But when you think about Publix, there is only one person you really think about — that’s Mr. Jenkins.”

THIS PAGE WILL BE UPDATED LATER TO REFLECT THE CHANGES THAT WERE MADE TO THE STADIUM FOR 2017. DUE TO ITS RENOVATION, SOME INFORMATION BELOW WILL BE INACCURATE.

Location

Joker Marchant Stadium is a short drive from I-4. Appropriate for a team from the Motor City, the ballpark's neighbors are auto dealerships. Lakeland's local Honda, Acura and GMC dealerships are in the ballpark's backyard -- cars for sale are literally in the shadows of the third base side grandstand.

Directions

Take I-4 to Exit 33 and follow Route 33 South (Lakeland Hills Blvd.) for about 2½ miles and the ballpark will be on your left.

Parking

Although the lot surrounds the stadium, most people park on its first base side in either a grass field or paved lot. You don't want to park on the stadium's third base side, as the limited spaces there are in harm's way. Harm being foul balls. The large grass field behind left field is safe. Just take Granada Street and enter it via Horton Way. A cheaper parking alternative is available at Christ Lutheran Church, which is across the street from the stadium's left field lot entrance. The parking fee there is only \$5 and you'll have the added benefit of avoiding post game parking lot congestion. Just look for the church's \$5.00 baseball parking signs and some older-aged volunteers, whom are church congregation members that in many years also operate a charity hot dog concession in their parking lot that is alongside Granada and about 50 yards from the stadium lot entrance. And when that paved lot fills up, you can also park for \$5 or less at the nearby Peak Worship church, where donations are accepted to park on their lawn, which is along Granada Street too but is a few minutes walk further from the stadium.

Stadium Information

With its Mediterranean-style facade and nicely landscaped exterior, Joker Marchant Stadium is a lovely site to behold. Surrounded by lush trees, it's the centerpiece of the Tigertown complex and has been hosting Tigers spring training games for five decades. The team has trained in Lakeland even longer, since 1934 (excepting the World War II years of 1943-45). The relationship between the city and team is the longest in spring training history. Built for just \$360,000 in 1966, Joker Marchant Stadium was erected with concrete structure during a time when other stadiums were being built with structural steel (concrete withstands rust, structural steel does not). It has expanded over the years from its original capacity of 4,900 through renovations. The most recent one, completed just prior to the 2003 season at a cost of \$10 million, added a berm in left field. The stadium was named after the city's former Parks and Recreation Director, Marcus "Joker" Marchant, who was instrumental in establishing the Tigertown complex.

Fast Facts

- The single lane streets outside the stadium are named for past Tiger greats (Kaline Drive and Horton Way).
Fans enter the stadium through its narrow home plate gate or via the much wider first and third base gates.
The ticket office is adjacent to the home plate gate and has a covered waiting area that's partially paved with engraved personalized bricks. Will call tickets can be picked up at each of the 8 windows.
The concourse is behind the stadium and is completely covered. On the portion behind the main grandstand are a handful of scattered picnic tables.
The bullpens are next to each other directly behind the right-center field wall. Fans can look down into them from the wide walkway above their location.
The clubhouses and Tigers' executive offices are housed in the lengthy three-story building that is alongside the backside of the right field concourse.
A large screen video board debuted in 2017 to serve as the stadium's main scoreboard. It hovers in left-center field behind the berm.
There is one permanent location selling Tigers merchandise. That's the team store, called The D Shop, which can be walked into from the concourse behind home plate and is close to the portal leading to sections 105 & 106 and 205 & 206. Smaller selections of souvenirs are also available at stands set up on each side of the concourse.

Practice Fields

- The Tigertown complex is behind the outfield and includes six practice fields. Fields 1 through 4 are in a cloverleaf formation. The other two fields are named for a pair of Tigers legends and are on opposite ends of the complex. Al Kaline Field is found behind the Joker Marchant Stadium berm while Hank Greenberg Field is near the Tigertown entrance gate.
Once the Tigers' spring training schedule begins, fans are not allowed into Tigertown to watch any of the back field practicing. However, fans can stand behind the outfield fences of three of the fields -- #2 and #3, plus Al Kaline Field, which is the Tigers' main practice field. For all three fields, plenty of standing room is available in batting practice home run territory between the easy-to-see through chain-linked fences and Granada Street.
The Tigers take their batting practice inside of the stadium, generally starting three hours before game time and ending just as the gates open. But fans can pay an extra \$5 to get into the stadium early to see Tigers BP. The cost of the "BP Pass" can be added to the price of a game ticket when bought online or at the box office, where already bought tickets can be upgraded, and early admission is through the 3rd Base gate only, as only the left field berm and left field line grandstand will be open. The time for early batting practice admittance can vary slightly. It's usually 10:00 a.m. but it actually depends on when the Tigers start hitting, which could be later, with their BP generally starting by 10:15 at the latest.

Types of Seating

Fans have their choice between traditional stadium seats with chair backs and armrests, bleachers with or without seat backs, or the outfield lawn.

- Stadium seats: Sections 100-112 and 200-210.

ballpark news, schedule releases and more.

- Bleachers: none
- Berm: A 45-foot sloped hill with a capacity of 400 people encompasses all of left field.

**Notes about the seating**

- The Tigers dugout is on the first base side. To make sure you're on the home side of the stadium, buy your tickets in sections 100-106 or 200-206.
- An aisle divides the stadium's main grandstand into two distinct sections. Box seats are below the aisle, Reserved seats above it. There are far more reserved seats than box seats.
- All stadium seats have cup holders.
- Handicapped accessible seating is spread throughout the grandstand. It can be found on the aisle above sections 100 and 111, in a dedicated space within section 202, in a raised platform atop section 203, and at the top of sections 209, 212-216 and 302. (Note: Wheelchair spaces and companion seating are designated as row U in sections 212, 214-216 and row W for section 213.)
- The protective netting spans pretty much all of the grandstand, going from sections 100-115 (only most of section 116 is spared).
- Standing room is plentiful on or around the berm. Limited standing room is available directly behind the box seats in the open space between the third base grandstand and bleachers plus in a similar area on the stadium's first base side.
- Ushers in the main grandstand keep its narrow cross-aisle clear at all times and will generally prevent anyone from trying to sneak into a box seat that's sans a ticket for one. They will, however, let you plop down anywhere else in the stadium if you can find an available seat.

**Sections and rows**

- Rows for sections in the stadium's lower grandstand range as follows: AA to EE in section 100; AA to HH in sections 101-102; FF to HH in sections 103-104; AA to HH in sections 105-108; FF to HH in sections 109-110; AA to HH in sections 111-116
- Rows for sections in the stadium's upper grandstand range as follows: A to Q in sections 200-201; D to X in section 202; A to W in sections 203-204; A to M in section 205; A to Q in sections 206-207; A to M in section 208; A to X in sections 209-210; G to W in section 211; A to T in section 212; A to W in section 213; A to T in sections 214-216
- Rows for sections in the stadium's club level range as follows: A to F in sections 300-302
- Rows I and O are skipped in all sections.

**Tickets**

- The first three rows of sections 100-113 are sold as Field Box.
- Sections 100-102 are sold as 1st Base Box (except for the 3 rows of Field Box seats).
- Sections 103-113 are sold as Infield Box (except for the 3 rows of Field Box seats).
- Sections 114-116 are sold as Left Field Box.
- Sections 200-213 are sold as Reserved.
- Sections 214-216 are sold as Left Field Reserved.
- Sections 300-302 are sold as 34 Club.
- Space on the left field lawn is sold as Berm.
- Standing space on the right field concourse is sold as Runway.
- Prior to their 3rd birthday, children do not need a ticket.

**Seats to avoid**

Some of the best seats in the house unexpectedly have a protective net in front of them. All Box seats in sections 101 and 102 are affected. They are the first two sections to the right of the Tigers' dugout. Stay away from them unless you don't mind looking through the black netting normally only found behind home plate, where a screen is not as annoying because it's expected.

The final flawed seats worth mentioning are the front rows (row A) of sections 203-210, from where fans have to deal with the double annoyance of obstruction by a too high handrail and foot traffic passing by on the aisle in front of them.

**Seats in the shade**

The stadium's roof covers rows N & up in sections 202-210. Not only are all seats in those rows covered (and thereby shaded), but because the sun is positioned behind the main grandstand shade is able to creep down further in the nine sections that the roof partly covers. For the typical 1:05 afternoon start, seats that are fully shaded can be found in rows E & up in sections 202-205, F & up in section 206, G & up in section 207, J & up in section 208, and L & up in sections 209-210. Once daylight saving time begins, the seats that receive shade at the beginning of the game shift to at least rows G & up in sections 202-204, F & up in section 205, H & up in section 206, K & up in section 207, L & up in section 208, and N & up in sections 209-210. As the game progresses, more entire rows of seats in sections 206-210 become shaded.

**VIP seating**

There are six suites, each named after a Tiger legend, on either side of the press box. Two are on the first base side of home plate and four extend down the third base line. All six have balconies with stadium seats.

**Game Day**

Gates open approximately 2 hours before first pitch - at 11:00 a.m. for an afternoon (1:05) start.

**Food, drink and bag policy**

- No food can be brought into the stadium.
- Fans are allowed to bring in a sealed bottle of water. Aside from never opened water, all other bottles, cans, thermos jugs and liquid containers are not permitted in the stadium.
- Bags are allowed up to a maximum size of 16" x 16" x 8".

**Getting autographs**

The Tigers' clubhouse is down the right field line and Tigers players will sign for fans gathered in the box seats between it and their dugout, both before and after the game. The visiting team uses the same clubhouse but their players usually take a route to it that cuts across the field, whereas the Tigers walk along the warning track close to the first base stands. So Lakeland's ballpark is a so-so one for home team autographs and a lousy place for those who prefer signatures from the visiting team. Serious autograph hounds will want to head to the right field corner outside of the stadium following the game and take their chances on a Tiger or two emerging from their clubhouse. The visiting team's bus will also be parked nearby, but behind the fence in a restricted area. So once again fans of the visiting team will likely be thwarted in their autograph pursuits.

**Unique ballpark fare**

Your taste buds will love the Lakeland concession stands. The Little Caesars Pizza stand is a natural fit, given that Tigers owner

Mike Ilitch owns the pizza chain. A brat with sauerkraut and turkey burger is on the ballpark menu, in addition to the regular hamburgers, hot dogs and grilled chicken sandwiches that are found at the eight-sided hut on the first base concourse. Specialty stands set up throughout the back of the main concourse are the place to find a whole bunch of not normal ballpark food. Long prominent among them is the stand standing on the third base concourse that serves up big turkey legs along with pulled pork and BBQ nachos. The rest of the rotation can change yearly, with 2015 seeing the introduction of a booth hawking Flint-style Coney Island dogs. The craft beer bar on the first base side concourse has the best non-tap beer selection in the stadium, which serves a small variety of typical or otherwise popular selections on draft (think Miller Lite and Yuengling Lager). Fountain drink pouring rights belong to Pepsi.

**Ballpark Area Info**

Lakeland is the only remaining spring training site in Florida that doesn't have a beach or major amusement park within a 10 mile or so drive. Really, it's just a sleepy central Florida town best known as the home of Publix Super Markets and as a destination for aviation buffs ([Fantasy of Flight](#) is nearby). As its name would suggest, Lakeland does have lots of lakes, one of which (Lake Parker) you can see from the upper third base grandstand. But unlike the majority of other Grapefruit League cities, it's not a place you'd normally visit outside of spring training although there is one site that many folks do stop by year-round to see. That would be the "Child of the Sun" collection of buildings found at Florida Southern College, which is about four miles from the stadium, that were designed by the legendary American architect Frank Lloyd Wright. The college's campus is home to a dozen such buildings, making it the largest single-site collection of Wright's architecture in the world.

**Travelers' notes**

- The stadium is just a couple miles south of I-4.
- [Henley Field](#), the Tigers' original spring training home in Lakeland, is just 1.4 miles from Joker Marchant Stadium and is still used by Florida Southern College, a Division II school that has won 9 baseball championships.
- The stadium's location is less remote than it feels, but Lakeland is definitely not the typical tourist town in a state full of them.

Total project costs are \$35,746,465.50 plus \$823,489.87 for a total of \$36,569,955.37. The City provided the County with \$9,753,524.00 that was used by the County for the renovation of the Stadium and is included in the total of \$36,569,955.37.   - 4.6 The City agrees to use its best efforts to issue its bonds to be repaid by the OTTED funds no later than thirty (30) days following receipt of notice from the County that it, or its designee, is prepared to authorize a contract for the substantial renovation of the Sports Complex.
  - 4.7 The City agrees to transfer the accumulated OTTED funds and actual OTTED bond proceeds, less reasonable costs of issuance, to the County in an amount estimated to be not less than \$7.5 million within three (3) days after the bond closing.
  - 4.8 The City agrees to provide expedited review and priority scheduling for any permit or development approval submitted to the City by the County, or its designee, in connection with the renovation, expansion or use of the Sports Complex.
  - 4.9 The City agrees to be bound by the terms of the Environmental Indemnification in favor of the Baltimore Orioles and the County as set forth in the attached Exhibit "C." Upon adoption of this Interlocal Agreement, the City and County shall promptly present to the Orioles for acceptance the terms and conditions of Exhibit "C." Upon written acceptance by the Baltimore Orioles, the Environmental Indemnification and the rights and obligations of the City, the County and the Orioles set forth in Exhibit "C" shall be fully enforceable with all remedies at law and in equity available to the City, County and the Orioles.

Section 5. County Obligations.

5. Subject to the Conditions Precedent set forth in section 6 hereof, the County agrees as follows:
  - 5.1 The County agrees to accept the transfer of ownership of the Sports Complex from the City for use as a Major League Spring Training and community use facility. The purchase price to be paid by the County to the City at the time of transfer shall be One dollar.
  - 5.2 The County agrees to use its best efforts to negotiate the terms of a Memorandum of Understanding with the Baltimore Orioles Major League Baseball club which would obligate the County and the Baltimore Orioles to design and complete a substantial renovation to the Sports Complex for use by the Baltimore Orioles pursuant to the terms of a thirty (30) year lease. The Memorandum of Understanding shall include provisions insuring the continued community use of the Sports Complex for not less than twenty-one (21) days per year and may include provisions granting naming rights to the Sports Complex to the Baltimore Orioles.
  - 5.3 The County agrees that it shall take all actions necessary to insure that the Baltimore Orioles continue to occupy the Sports Complex and to otherwise comply with the OTTED grant conditions during the term of the OTTED grant obligations, including the filing of a civil lawsuit seeking injunctive relief or specific performance, if necessary.
  - 5.4 The County agrees to conduct the public hearing necessary to allow it to amend its TDT plan to allow the use of up to one-half of one percent of its TDT Revenues to construct Major League Baseball Spring Training facility.
  - 5.5 The County agrees to use its best efforts to issue its bonds to be repaid from its TDT Revenues no later than thirty (30) days after it notifies the City that it, or its designee, is prepared to authorize a contract for the substantial renovation of the Sports Complex.
  - 5.6 The County agrees that the City shall have no financial obligation to provide funding for the substantial renovation of the Sports Complex other than the City's obligations with respect to the OTTED funds.
  - 5.7 The County agrees that the City shall have no financial obligation to provide funding for the operation and maintenance of or capital repairs and improvements to the Sports Complex during the time that the Sports Complex is in County ownership.
  - 5.8 The County agrees that the City will have no financial obligation to pay ad valorem taxes or assessments levied or imposed against the Sports Complex during the time that the Sports Complex is in County ownership.

- 5.9 The County agrees that the plaques honoring Ed Smith and Red Ermish presently at the Sports Complex will be displayed at the Sports Complex following its substantial renovation.
- 5.10 The County agrees that the City shall have the right to access tickets provided to the County for economic development purposes for Major League Spring Training games through a process to be established by the County provided that such use shall be for economic development purposes.
- 5.11 The County agrees to notify the City at such time as any bonds, including refunding bonds, issued to fund capital improvements to the Sports Complex are repaid in full.

#### Section 6. Conditions Precedent.

- 6. The obligations of the City and County are conditioned upon the satisfaction of the following conditions precedent:
  - 6.1 Receipt of concurrence from OTTED, or other State office or official having the requisite authority, indicating that the OTTED Funds may be transferred by the City to the County for use in connection with a substantial renovation of the Sports Complex and long term lease of the Sports Complex to the Baltimore Orioles.
  - 6.2 Execution of a Memorandum of Understanding between the County and the Baltimore Orioles pursuant to which the County and the Baltimore Orioles agree to cause the substantial renovation of the Sports Complex using OTTED bond proceeds, and accumulated OTTED funds, TDT bond proceeds, and legally available accumulated TDT funds, and funds contributed to the project by the Baltimore Orioles, if required, as well as agreement on the terms of a lease of not less than thirty (30) years pursuant to which the Baltimore Orioles will be obligated to hold Spring Training Activities at the Sports Complex.

In the event that one or both of the above-described conditions precedent are not satisfied prior to September 30, 2009 then either the City or the County may elect to terminate this Interlocal Agreement by providing written notice of termination to the other party.

#### Section 7. Future Use and Ownership of the Sports Complex.

- 7.1 The County shall have the obligation to transfer ownership of the Sports Complex back to the City in the event that: (1) Major League Spring Training Activities at the Sports Complex are discontinued by the Baltimore Orioles for a period of two (2) years and no other Major League Baseball club agrees to use the Sports Complex for Spring Training Activities, and (2) the County has repaid any and all debt issued in connection with the substantial

renovation of the Sports Complex or any future capital repair or improvement; provided, however, that the County shall not issue debt having payment obligations that extend beyond the term of the lease, or any lease extension, between the County and the Baltimore Orioles. In order to effectuate this obligation the City must first notify the County in writing that it is of the opinion that the two above-described events have occurred including a demand that ownership of the Sports Complex be transferred back to the City. The purchase price to be paid by the City to the County at the time of transfer shall be One dollar.

- 7.2 Upon transfer of the Sports Complex back to the City the Sports Complex shall be used for public recreational or other public use. In the event that the City desires to make the Sports Complex available for non-public uses the County shall have the option to purchase or lease the Sports Complex from the City. If the Sports Complex is purchased, the purchase price to be paid by the County to the City at the time of transfer shall be the appraised value of the Sports Complex land exclusive of the value of the improvements assuming its use as a publicly owned Sports Complex. If the Sports Complex is leased, the rent to be paid by the County to the City shall be established on the basis that it is a land lease only and shall exclude the value of the improvements.

#### Section 8. Assignment.

No assignment, delegation, transfer or novation of this Interlocal Agreement or any part thereof shall be made, unless approved in writing by City and County.

#### Section 9. Notices.

The Parties agree that the terms set forth herein will be incorporated into the Project Documents and that this Agreement reflects the basic business deal between the Parties and is intended to be binding on the Parties and their respective successors and assigns. The Parties shall use their best efforts, in good faith, to promptly negotiate and execute the Project Documents, unless the Parties deem the provisions of this Agreement are adequate for such purpose(s);

WHEREAS, the benefits and obligations expressed in this Agreement will further improve and promote gainful employment, economic development and tourism within the State of Florida, the County and the City and enhance the economic prosperity of the State of Florida, the County and the City and their residents;

WHEREAS, the County represents and warrants that it has the authority to enter into this Agreement as provided by Chapter 125 F.S. and other relevant provisions of Florida law and provide the Orioles with the rights contained in this Agreement and in the Project Documents.

NOW, THEREFORE, in consideration of the foregoing recitals which are incorporated herein, and the mutual covenants, promises, conditions and representations set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto AGREE AS FOLLOWS:

**1. THE PROJECT.**

1.1 The Parties acknowledge that certain improvements are required to be made to the

Sites in order for the Orioles to enter into a lease with the County for the full and beneficial use of the Sites and to conduct its Major League and Minor League Spring Training Operations at the Sites. The Parties agree that the design, development and construction process shall be a cooperative mutual endeavor in which the County and the Orioles will work together and participate in all phases of such process. The County and the Orioles each acknowledge and agree that the Project will be financed, designed, developed and constructed in accordance with the terms, conditions and schedules expressed in this Agreement.

1.2 The Orioles will have primary responsibility for and will take the lead in developing the design plans, specifications and elevations for the Project, subject to all applicable County and City codes and ordinances, which Project Design Plan may be amended from time to time ("Project Design Plan") (for illustrative purposes only, attached as Exhibit 3 are preliminary Site sketches). The County shall have the right to participate in all phases of the design process. The Orioles shall keep the County informed on a regular basis as to the development of the Project Design Plan and any material and substantial amendments thereto. The Orioles and the County shall schedule regular briefings to discuss and preliminarily review the Project Design Plan. The Orioles shall present the Project Design Plan, including site sketches and elevations under consideration by the Orioles, to the County within one hundred fifty (150) days after the execution of this Agreement. The County shall have the right to review, comment upon and approve the Project Design Plan and all decisions and documentation with respect thereto, including without limitation, all architectural programs, schematic designs, plans and specifications, and any material amendments thereto which the Orioles deem necessary or desirable after the County's initial approval for the Project Design Plan has been granted. The Project Design Plan shall include placement of the existing (or new) plaques honoring Ed Smith and Red Ermish presently affixed at the Sports Complex.

1.3 The Project Design Plan for the Project shall include, among other things, specifications for:

## **2. PROJECT FINANCING.**

2.1 The Governmental Project Funds shall consist of the following:

2.1.1 From the County:

2.1.1.A Net proceeds from the County's bond issue from the issuance of County's bonds in a par amount which shall not exceed the maximum amount permitted to be issued without voter referendum, expected to be approximately \$18.7 Million on or about October 1, 2009.

2.1.1.B Cash collections of one-half (1/2) of one percent (1%) of the County's Tourist Development Tax beginning as of March 1, 2008 estimated to be approximately \$2 million by the date of issuance of the County bonds.

2.1.1.C County cash contributions from legally available non-ad valorem revenues in an amount not to exceed \$3 million.

2.1.1.D And/or such other County funds from legally available, non ad valorem revenues as may be required to fund the County's Guaranteed Project Funds obligation in the amount of \$23.7 million.

2.1.1.E Net proceeds from the City's bond issue from the City's OTTED grant funding or a cash equivalent from legally available, non-ad valorem revenues in an amount no less than \$7.5 million.

2.1.1.F Collectively, the Governmental Project Funds shall be and not exceed \$31.2 million for the Project.

2.2 All Governmental Project Funds shall be made available for the Project no later than thirty (30) days after the execution of the Project Documents (unless otherwise agreed by the Parties and as otherwise contemplated in Section 3.14) and shall immediately be placed in a construction fund account (the "Construction Fund Account") administered by the County for the sole and exclusive benefit of the Project. All interest accrued on the Governmental Project Funds (except for bond debt service reserve fund interest) shall be made available for the Project and together with the Governmental Project Funds shall constitute the Maximum Governmental Project Funds.

2.3 The Orioles shall provide the County, as part of the Project Design Plan, with a detailed cost estimate of the total Project costs, including the uses of the Maximum Governmental Project Funds and such other funds, goods or services as might be required from or arranged by the Orioles ("Project Costs").

2.4 Except as provided in, and subject to the terms of, this Agreement or the Project Documents, and further provided that the County fulfills its obligations in this Agreement and the Project Documents, the Orioles shall complete the Project and shall be responsible for the payment of any and all Project Costs in excess of the Maximum Governmental Project Funds (the "Orioles Project Contributions"). With regard to the funding of any Project Costs in excess of the Maximum Governmental Project Funds, the Orioles, at its discretion, shall either deposit the required funds directly in the Construction Fund Account prior to the incurrence of such excess Project Costs, or shall provide to the County any necessary assurances reasonably required by the County (e.g., letter of credit) that the Orioles Project Contributions shall be available in a timely manner, or discharge such payment obligations directly with vendors, concessionaires, contractors or project service providers, in which case the Orioles shall provide the County with written documentation of the payment discharge or in-kind transaction as more particularly set forth in Subsection 2.5. The Orioles also shall comply with any applicable County ordinance or Florida statute related to construction funding requirements for public projects.

2.5 The Orioles shall have the right to enter into any manner of agreements with its vendors, concessionaires or others to provide goods, materials and/or equipment to the Project, which shall be considered, for all intents and purposes, as part of the Orioles' Project Contributions. (For example, the Orioles' concessionaire for the Major League Stadium may be permitted to provide concessionaire equipment to the Sites.) The Orioles will inform the County, in writing, with a description of any Orioles' Project Contributions to the Sites made by any Orioles' vendors, contractors, concessionaires or other third parties and shall summarize relevant terms of such agreements and any other agreements that could impact the County's ownership interests in the Sites. The description shall be jointly submitted on behalf of the Orioles and the respective vendor, contractor, concessionaire or other such third party as may be

appropriate. Any such third party agreement shall be made in accordance and comply with applicable County ordinances and regulations.

2.6 In connection with the Orioles' Project Contributions, the County and the Orioles shall promptly meet after the execution of this Agreement and review the feasibility of issuing taxable or tax-exempt bonds at the request of the Orioles supported by Orioles' funds and/or rent, as the case may be, payment in lieu of taxes or such other funding mechanism as may be mutually agreeable to the Parties; however, the County shall be under no obligation to establish any such funding mechanism for the Orioles Project Contributions. To the extent that any such mutually agreeable funding mechanism requires the City to issue bonds, the County agrees to request that the City take reasonable steps to issue said bonds. To the extent that bonds are issued as part of the Orioles Project Contributions, the bond proceeds, net of all reasonable and customary expenses and costs, shall be deposited in the Construction Fund Account for the benefit of the Project.

### **3. DEVELOPMENT AND CONSTRUCTION OF THE PROJECT.**

3.1 The County and the Orioles will execute a definitive, long form project development agreement for the Project which shall incorporate the relevant terms and conditions contained in this Agreement, and such other terms and conditions as are customarily included in similar agreements and as may be mutually agreed, and will establish the framework for the design and construction of the Project, within one hundred fifty (150) days after the execution of this Agreement (the "Project Development Agreement"), unless the Parties, in their respective sole discretion, deem the provisions of this Section 3 are adequate for such purpose.

3.2 The Project Development Agreement shall include the Project Design Plan and a detailed schedule outlining the time and actions anticipated necessary with respect to the Project, including a project design schedule that will address the coordination necessary to prepare the project scope, selection criteria and timeline for the procurement process (the "Project Schedule").

3.3 Time being of the essence, the County shall take all such action as is necessary to expeditiously conduct all of its Project reviews and exercise its approval rights, which in all instances may not be unreasonably withheld, conditioned or delayed. The County shall support the issuance of all City permits and approvals necessary for the Project and shall use its best efforts to obtain a commitment from the City in the Interlocal Agreement to provide expedited review and priority scheduling for any permit or development approval submitted to the City for the Project.

3.4 After the Project Development Agreement is finalized and approved by the County, the County agrees to promptly proceed with authorizing and issuing any and all procurements necessary for the Project. To the fullest extent permitted by law, regulation or ordinance, the Orioles shall be permitted to participate with the County and approve the selection of the architects, contractors, subcontractors, vendors and other professionals for the Project. The Orioles shall also have, to the fullest extent permitted by law, primary responsibility for and will take the lead in developing and constructing the Project, the right to approve any agreements to be entered into by the County for the Project (and any phase, portion or work order thereof), and

the right to approve the selection of any goods, materials, equipment, fixtures and furnishings for the Project.

3.5 Time being of the essence, the selection criteria for the architect of record shall include, but not be limited to: whether the architect has past performance with the Project Site(s) and/or with the Orioles; experience in the architectural design of Major League Baseball professional baseball facilities, and in particular, design experience specifically related to Major League Baseball spring training projects; and, professional personnel committed to the Project shall have had significant experience in projects of a similar nature or have worked on at least five (5) similar project types. Time being of the essence, the County, or the Orioles through the Project Development Agreement, shall promptly select and enter into contracts with all architects, contractors, subcontractors, vendors and other professionals for the Project. In the event that the Parties mutually agree to have either the County or the Orioles enter into a contract for the architect of record before the Project Documents are finalized, they shall reach a separate agreement for the funding of that contract from the Construction Fund Account.

3.6 The Project Development Agreement shall require, and the County shall obtain, guaranteed maximum price contract(s) (or such other arrangements as may be mutually agreed to and generally permissible under Florida Statutes) as part of the competitive selection process, in order to ensure that such contract(s) obtain the maximum value in relation to cost for each phase and portion of the Project and control the overall cost of the Project. No amendments or adjustments (including, but not limited to, change orders) shall be made to any maximum price contract(s), except as agreed to by the County and the Orioles. The County agrees not to request any amendments or adjustments (including, but not limited to, change orders) and shall have no right to adjust the scope of the Project and/or the Project Schedule unless mutually agreed. To the extent that the Orioles request an amendment or adjustment (including, but not limited to, change orders) which is agreed to by the County resulting in a Project Cost in excess of the Maximum Governmental Project Funds, then the Orioles shall comply with the provisions set forth in Section 2.4 above. The County agrees that the construction and design contracts which it enters into in connection with the Project shall contain provisions acceptable to the Orioles providing for liquidated damages in commercially reasonable amounts if the Project is not completed on time and prior to the completion date set forth in the Project Development Agreement. All such provisions must comply with Florida Statutes and be agreed to by the County and the Orioles. The County agrees that it shall strictly enforce any such liquidated damage provisions and diligently pursue any liquidated damages to which it is entitled. Any liquidated damages received by the County shall be allocated first to any damages caused to the Project by the breach or other wrongful act to compensate the party harmed. Unless otherwise provided in this Agreement or the Project Documents, the Orioles' sole remedy for damages resulting from any delay in the completion of the Project shall be the rights to receive liquidated damages under the construction and design contracts for the Project. The County shall, at the Orioles' request, take all reasonable action necessary to enforce the liquidated damages or other remedy provisions necessary to effectuate this provision. The County and the Orioles shall not be liable to each other for the payment of any construction delay damages, provided that the delay is not caused by the gross negligence, willful misconduct or the breach of a material provision of this Agreement or the Project Development Agreement. The Parties acknowledge that a construction contract cannot be entered into until the Project Documents are finalized (unless otherwise agreed by the Parties).

3.7 The Project Development Agreement shall require each architect, contractor, subcontractor, vendor or Project professional to secure and retain such policy or policies of insurance as are required by the Project and shall ensure that all contractors and vendors furnish payment and performance bonds in a commercially reasonable amount established by the County and shall list the Orioles as an additional insured party.

3.8 The Project Development Agreement shall also provide that, to the fullest extent permitted by law, the Orioles shall have the right and primary responsibility to coordinate the development and construction of the Project and, at the Orioles' discretion, conduct progress meetings at mutually agreed upon frequency of all of the architect, contractor(s), subcontractor(s), vendors and other professionals. The County shall have the right to retain an owner's representative with experience in the construction of sports facilities. The reasonable and customary cost of the County's owner's representative shall be included in the Project Cost, provided that such costs have been presented to the Orioles for review and approval prior to payment, such review and approval not to be unreasonably withheld, conditioned or delayed. The Orioles may retain a representative and/or design consultant with experience in the construction of sports facilities. The reasonable and customary costs of the Orioles representative and/or design consultant shall be included in the Project Cost, provided that such costs have been presented to the County for review and approval prior to payment, such review and approval not to be unreasonably withheld, conditioned or delayed. The Orioles shall provide for such cost estimates associated with the Orioles' and County's representatives in the Project Design Plan. Except as provided in this Section, the County and the Orioles shall not impose any management or administrative fees to the Project (or any procurement, phase, portion or work order thereof) nor seek reimbursement from the Construction Fund Account for any costs or expenses, other than costs or expenses directly related to the Project that are typically outsourced and outside of the County's operating budget (and specifically not including legal fees, County staff time, internal project management and the like) for which the County seeks reimbursement or payment from the Construction Fund Account. Any such request for payment from the Construction Fund Account shall be first provided to the Orioles for approval, such approval may not be unreasonably withheld, conditioned or delayed. The County and the Orioles shall participate in the development and construction of the Project and shall keep each other fully and timely informed of, and actively involved in, all material decisions regarding the development and construction of the Project, at all phases of the development and construction process. Customary County permit fees shall be chargeable to the Construction Fund Account.

3.9 The Project Development Agreement shall provide that each of the Orioles and the County shall designate representative(s) with authority to act in connection with all issues requiring such Party's approval, agreement or concurrence with regard to the design, development and construction of the Project within all applicable laws, ordinances and policies. All approvals, agreements or concurrences required in Sections 1 and 3 shall be the responsibility of and shall be made by such representative(s). Such representative(s) shall be invited to participate in all development and construction meetings held in connection with the Project.

3.10 The Project Development Agreement shall provide that the County shall place the Governmental Project Funds and any applicable Orioles Project Contributions in the Construction Fund Account for the benefit of the Project. The Orioles shall have the right to monitor the draw

schedule and progress payments, progress of construction and the funds remaining in the Construction Fund Account, and the Orioles shall be regularly kept informed by the County as to the Construction Fund Account balances. The County shall hold the funds in the Construction Fund Account for the benefit of the Project and shall promptly release, without delay, reduction or offset, such funds only upon approval for disbursement by the Orioles and the County, such approval not to be unreasonably withheld, conditioned or delayed.

3.11 If the Project is anticipated to exceed any maximum price contract(s), either because of a change order(s) or for any other reason beyond that which is contained in the Project agreements (and specifically excluding items resulting from an error or omission by the County, the Orioles or any architect, contractor, subcontractor, vendor or other professional), such cost increases must be approved by the Parties. Change orders and/or Project cost overruns resulting from an error or omission by any architect, contractor, subcontractor, vendor or other professional engaged on the Project shall be the responsibility of the person or entity committing such error or omission. Subject to the provisions of Section 2.4 hereof, the Orioles may adjust the scope of the Project, including any procurement, phase, portion or work order thereof; provided, however that any material changes to the Project Design Plan which increases the Project Cost must be reviewed and approved by the County, which approval may not be unreasonably withheld, conditioned or delayed. Notwithstanding the preceding sentence, the Orioles shall not materially and substantially reduce the estimated number of fixed seating positions in the Major League Stadium, the estimated square footage of the Major League clubhouse or the number of fields as set forth in Section 2 hereof without the express prior written approval of the County.

3.12 The County represents and warrants to the best of its knowledge that no zoning changes are necessary or required in order to construct the Project and there are no known restrictions on the Sites. The County agrees to the fullest extent permitted by law to refrain from taking any action to request that the City diminish or restrict the zoning and the Orioles existing zoning rights on the Major League Baseball Site for the duration of the Lease. Should the Orioles intend to seek a zoning change at any time during the Lease, in connection with the Major League Site, the County shall take such action within its control to place such matters before the City for consideration on an expedited basis.

3.13 To the fullest extent permitted by law, the Orioles and/or its designees shall have full rights and discretion as to the placement and orientation of all improvements and uses, points of ingress and egress and internal circulation on the Sites, so long as the required buffers and setbacks and all other requirements of the zoning category and other governing regulations, ordinances and statutes are satisfied and subject to the County's review and approval, which approval shall not be unreasonably withheld, conditioned or delayed. The Orioles and/or its designees, with County input and approval, shall have discretion as to the architectural style and character of all improvements on the Sites, so long as the required buffers and setbacks and all other requirements of the zoning category and other governing regulations, ordinances and statutes are satisfied.

3.14 If the Orioles elect to conduct Major League Spring Training at the Major League Site in 2010, the Orioles shall be entitled to use (or seek reimbursement from) the Construction Fund Account for costs and expenses reasonably incurred to re-brand Ed Smith Stadium for use

by the Orioles, subject to the approval of the County, which approval shall not be unreasonably withheld, conditioned or delayed.

#### **4. LEASE TERM; RENT.**

4.1 Lease Term. The Parties shall execute a definitive, long form Lease within one hundred fifty (150) days after the execution of this Agreement, incorporating the relevant terms and conditions contained in this Agreement, and such other terms and conditions as are customarily included in similar leases and as may be mutually agreed, unless the Parties, in their respective sole discretion, deem the provisions of this Section 4 and other applicable provisions of this Agreement are adequate for such purpose. The Term of the Lease shall be for thirty (30) years commencing November 1, 2009 and continuing through October 31, 2039 (the "Term"). The Orioles intend to commence Major League and Minor League Spring Training Operations at the Sites beginning with the 2010 spring training season. The Parties acknowledge that adjustments to the commencement of Spring Training Operations may need to be made based upon the Project schedule and maximizing the value of the Governmental Project Funds, which determination will be made by the Orioles, after consultation with the County. The Orioles agree that during the Term they shall play their Major League spring training home games at the Major League Site, except for those spring training games played by the Orioles as it returns to Baltimore to open the Major League championship season (no more than five spring training games) or as otherwise may be scheduled by Major League Baseball (i.e., international goodwill games) or otherwise provided in this Agreement or the Project Documents. As part of the definitive Lease, the Orioles will enter into a binding and enforceable non-relocation agreement with the County that includes appropriate specific performance and injunctive relief provisions. Except as provided in Section 20 of this Agreement, during the Term, the Orioles shall not relocate its Major League and Minor League Spring Training Operations from the County.

4.2 Rent. The Rent for the Term shall be one dollar and 00/100 (\$1.00), payable in advance for the entire Term at the time of execution of the Lease.

4.3 Revenues Generated. Except as provided herein, the Orioles shall have the sole and exclusive right to all commercial activity on the Sites and to retain any and all proceeds, revenues and fees generated by or through the Orioles' use or occupancy of the Sites during the Term, including, but not limited to all revenues derived from all events at the Sites, all revenues from tickets, parking fees, promotions, sponsorships, advertising, signage, concessions, license fees, and all other sources of revenues. The Lease shall contain agreement(s) for the County use of Major League Site and the Minor League Site as referenced in Section 5 hereof. As to the Orioles' use of the Sites, the Orioles shall have the sole responsibility to pay all sales, use and federal income tax due with respect to revenues and fees that they collect or receive. With respect to the parcel(s) North of 12<sup>th</sup> Street, the Orioles shall have the right to seek to develop the parcel(s) and shall have the right to make an application(s) for a zoning category change, if necessary, or seek any other zoning mechanism to permit commercial activity on the parcel(s). Such application(s) shall be subject to all County and City processes, procedures, codes and ordinances and the approval(s) of the appropriate governmental entity(ies). The County shall have the right to approve any development proposal submitted by the Orioles.

## 5. LEASED PREMISES; USE AND OPERATION.

5.1 Major League Site. The County agrees to lease to the Orioles the Major League Site, including all improvements, fixtures and furnishings located or constructed thereon relating to any of the same for the duration of the Term for the Orioles' full beneficial use of and to the Site. The Orioles' right to utilize the Major League Site shall be on an exclusive basis during the Term for all lawful purposes, except as provided in Sections 5.4 and 5.5 herein but the Orioles shall have the exclusive right to use, on a year-round basis, the offices, clubhouse area and other locations on the Major League Site that may be constructed or renovated following the date hereof which may be designated by the Orioles as included in the Orioles' exclusive areas, subject to the County's approval, which may not be unreasonably withheld, conditioned or delayed. During the Spring Training Period, from December 15<sup>th</sup> to April 30<sup>th</sup> of each calendar year during the Term (the "Spring Training Period") except as otherwise provided in Section 5.4(a), the Orioles shall have the exclusive use of the Major League Site and may utilize the Major League Site for all lawful purposes.

5.2 Minor League Site. The County agrees to lease to the Orioles the Minor League Site, including all improvements, fixtures and furnishings located or constructed thereon relating to any of the same for the duration of the Term for the Orioles' full beneficial use of and to the Site. Except as otherwise provided in this Agreement, the Orioles shall have the right to utilize the Minor League Site on an exclusive basis for all lawful purposes, from January 15<sup>th</sup> to April 30<sup>th</sup> of each calendar year ("Minor League STP"), and on a non-exclusive basis (other than the Orioles' exclusive use areas as defined below, which are exclusive to the Orioles on a year-round basis) for all lawful purposes. During the Minor League STP, the Orioles shall have the full, beneficial and exclusive use of fields number 1 and 2 at all times and the non-exclusive use of fields number 3, 4 and 5 as provided in this Subsection. During the Minor League STP, fields number 3, 4 and 5 shall be exclusive to the Orioles at all times necessary, in the Orioles' reasonable discretion, to conduct its spring training operations. During the Minor League STP, the County may make fields number 3, 4 and 5 available for public recreational purposes with the Orioles' prior approval to each such use and the terms, conditions, dates and times of such use. The Orioles' approval as to any use request under this Subsection shall not be unreasonably withheld, conditioned or delayed. Any public recreational use authorized during the Minor League STP pursuant to this Subsection shall not (a) interfere with the Orioles' spring training baseball activities or (b) be permitted under weather or other conditions which would adversely impact the condition of any playing fields. The County shall require that all public recreation uses of the fields carry full and adequate insurances, naming the Orioles (and the County if appropriate) as a named insured and such other requirements as provided for in Sections 5.4 and 5.8. The Orioles agree that the County shall have the right to enter into an agreement with the high school team which has historically utilized field number 5 during the Spring Training Period for high school practices and games on terms, conditions, dates and times reasonably acceptable to the Orioles and consistent with current practices, this Subsection and Section 5.4. The high school team shall be authorized to display its logo and colors during high school practices, games and tournaments held on field number 5 and shall retain rights to the sponsor recognition signs along the inside face of the outfield fence provided that (i) any such sponsorship or signage does not conflict with an Orioles exclusive sponsorship; and (ii) the Orioles retain the right to also display signs. The Orioles shall have the exclusive right to use, on a year-round basis, the offices, clubhouse area and other locations (the "Team's Exclusive Minor League Areas") and

other areas on the Minor League Site that may be constructed or renovated following the date hereof which may be designated by the Orioles as included in the Team's Exclusive Minor League Areas, but not including the fields and public parking areas, subject to the County's approval, which may not be unreasonably withheld, conditioned or delayed. The subparcel of the Minor League Site set forth in Section 14 shall be, upon completion, deemed part of the Team's Exclusive Minor League Areas.

During the Term, at all times, the Orioles shall be the "promoter" of the Major League Site and the Minor League Site for all lawful purposes, including all events conducted thereon or therein, except as expressly provided herein. The Orioles shall use commercially reasonable efforts to market the Sites actively during the Term. The Orioles shall be entitled to retain all "promoter" fees, if any, in connection with any for profit events at the Sites, except for Historical Events as defined in section 5.4(a) (unless the Orioles and the Historical Event party expressly agree otherwise).

5.4 Historical Events. The Orioles spring training operations, baseball-related events and other Orioles' beneficial uses of the Sites shall have priority scheduling status at all times on the Sites. The Parties acknowledge that the Sites have at times historically hosted certain events other than spring training operations and baseball-related events. The following shall be referred to as "Historical Events":

(a) Major League Site: (i) Booker High School – six (6) event day uses, including one (1) event use at the Major League Stadium; (ii) Cardinal Mooney High School – six (6) event day uses, including one (1) event use at the Major League Stadium; (iii) Sarasota Baseball Classic, provided that it is not scheduled between December 15<sup>th</sup> and April 7<sup>th</sup> in any calendar year; (iv) Florida High School Athletic Association State Baseball Championship Finals at the Major League Site provided that it is not scheduled between December 15<sup>th</sup> and April 7<sup>th</sup> in any calendar year and is held for no more than seven (7) consecutive days; (v) the City Blues Festival for three (3) consecutive days or less, provided it is held exclusively on the practice fields adjacent to the stadium, conducted in accordance with historical practice and further provided that City Blues Festival is held in October or the first week of November; (vi) the AAU 14 and under Division 1 National Championships, provided that it is scheduled in July or August; (vii) Circus Sarasota, provided that it is located on the parking parcel North of 12<sup>th</sup> Street, unless otherwise agreed by the Orioles and Circus Sarasota, and within the months of January and/or February and that it does not interfere with the Orioles' spring training events; and (viii) the Sarasota Spartans youth soccer program for limited use of the parking parcel North of 12<sup>th</sup> Street during the months August through November on a temporary basis, such temporary use not lasting more than four (4) years from the date of this Agreement. The Orioles shall accommodate the aforementioned Historical Events at the Major League Site (excluding the Orioles' exclusive use areas), under the terms and conditions provided in this Section and consistent with the Orioles' priority of use for spring training operations; and

(b) Minor League Site: During the Minor League STP, as provided in Section 5.2. At times other than during the Minor League STP, the County may utilize the Minor League Site (other than the Team's Exclusive Minor League Areas) for public recreational use under the terms and conditions of Section 5. The Orioles shall endeavor in good faith to work with the County and the community to accommodate the aforementioned Historical Events at the Minor

(c) Other Uses: In addition to any other Orioles' uses of the Sites, the Orioles may, in its sole discretion, permit the use of the Sites for other historical events, including AAU baseball practices and games, or other historical events.

As to each Historical Event authorized in this Section, the Historical Event shall be conditioned upon the Historical Event party (which may be the County or a third party) obtaining the Orioles' prior approval as to the date and time of the requested Historical Event and entering into a contract with the Orioles for use of the Site requested, which contract shall include a requirement to carry full and adequate insurances, naming the Orioles (and the County as appropriate) as named insureds, provisions for the payment of all actual and incremental costs and expenses associated with the use and such other terms and conditions as may be reasonable or necessary. The Historical Event shall not be on dates and times that (a) interfere with the Orioles' baseball activities or (b) under such weather or other conditions which would adversely impact the condition of any playing fields. To the extent that tickets are sold for Historical Events that are for-profit, if any, the ticket surcharge shall be applicable to all such tickets, unless otherwise determined by the Orioles, in its sole discretion. Any Historical Event must be requested in writing to the Orioles annually prior to November 30<sup>th</sup> for the following twelve (12) month period. Should the Historical Event desire to propose the scheduling of a Historical Event under this Agreement other than as provided in the preceding sentence, the Historical Event shall propose such event to the Orioles for consideration and approval as soon as practicable and in a reasonable enough period of time to allow the Orioles full consideration of the request.

5.5 County Use of Major League Site. Other than as provided in Section 5.4(a) (with regard to Historical Events), the County may use or authorize for use the Major League Site for civic-oriented non-profit events for up to eight (8) days per year outside of the Orioles' Spring Training Period, as defined in Section 5.1 hereof, and only with the Orioles' prior written approval, not to be unreasonably withheld, conditioned or delayed, at no charge to the County other than for reimbursing the Orioles as provided in Section 5.8 below. The County may sublease its rights contained in this Section 5.5 to the City of Sarasota for City sponsored civic-oriented non-profit events, subject to the Orioles' approval of the third party contract or other agreement governing the event, which approval shall not be unreasonably withheld, conditioned or delayed. The Parties acknowledge that the Sites shall not be used on dates and times that (a) interfere with the Orioles' baseball activities and/or (b) under such weather or other conditions which would adversely impact the condition of any playing fields. The Orioles spring training operations, baseball-related events and other Orioles' beneficial uses of the Sites shall have priority scheduling status at all times on the Sites. For scheduling purposes and to avoid any interference with the Orioles' beneficial use of the Sites, the County shall annually, prior to November 30<sup>th</sup> of each year, provide the Orioles with a proposed schedule of any civic-oriented non-profit uses for following twelve (12) month period for which the County requests the Orioles' approval. Should the County desire to propose the scheduling of a permissible event under this Agreement other than as provided in the preceding sentence, the County shall propose such event to the Orioles for consideration and approval as soon as practicable and in a reasonable enough period of time to allow the Orioles full consideration of the request. The dates

and times during which the County may use the Major League Site shall be selected by mutual agreement of the Parties and the Orioles agree to take into consideration the historical practice of certain event dates which have been utilized for City and County sponsored events.

5.6 [Intentionally Omitted]

5.7 County Use of Minor League Site. The County may use or authorize for use the Minor League Site, excluding the Team's Exclusive Minor League Areas, in accordance with Section 5.4, for civic-oriented non-profit use subject to the prior approval of the Orioles, not to be unreasonably withheld, conditioned or delayed. The Orioles shall have scheduling priority for the use of the Minor League Site.

5.8 General Conditions of Use of the Sites. The County shall be responsible for the payment of all actual and incremental, out-of-pocket operating and maintenance expenses for all County-authorized civic and recreational uses of the Sites. The costs, reimbursements and expenses for Historical Events requested by third parties under Section 5.4 shall be the responsibility of the requesting party, in accordance with the terms and conditions provided in that section, unless otherwise agreed to by the Orioles. The County shall be responsible to restore the fields and related facilities to the condition at the time prior to such County-authorized civic or recreational use, so as to provide the Orioles with the full beneficial use of and to the Sites. To the extent that the Orioles incur costs or expenses to operate, maintain, repair or restore the Sites as a direct result of the County-authorized civic or recreational use of the Sites, the County shall reimburse the Orioles for such costs and expenses in a timely manner upon invoice. The County shall remain solely responsible for any damage or destruction that may occur as a direct result of such use by the County or its invitees or authorized parties. In accordance with the provisions of Section 5, the Orioles and the County shall enter in an event agreement(s) for any County-authorized use under Section 5.4 (as appropriate), Section 5.5 or Section 5.7 prior to such events setting forth the terms and conditions for such County use and further delineating the County's reimbursement obligations.

5.9 County's Right of Entry. The County reserves the right to enter any portion of the Sites upon reasonable prior notice to the Orioles, notwithstanding the exclusive right of the Orioles to use such portion, if in the reasonable judgment of the County, entry is necessary to inspect, repair or maintain the Site, or is necessary to protect the public health, safety or welfare.

5.10 Quiet Enjoyment. During the Term and subject to the terms of the Lease, the Orioles shall be entitled to peacefully have and enjoy the use of the Sites, without unreasonable interruption or interference, subject to the County's rights of use and access, as provided in this Agreement.

**6. TICKET SALES; PARKING.**

6.1 The Orioles shall set the ticket prices for all spring training games and other events at the Major League Site and the Minor League Site for which tickets are sold, other than as Historical Events and County (City or authorized public) civic-oriented non-profit events provided for in Section 5. The Orioles shall manage all ticketing operations, including ticket sales for all events at the Sites other than at Historical Events and County civic-oriented, non-

profit events, and the Orioles shall be entitled to receive all Gross Revenues from Ticket Sales collected by the Orioles on an annual basis during the Term. All Gross Revenues From Ticket Sales shall be the sole and exclusive property of the Orioles, except as provided for in Section 5 for County ticket sales from applicable County (or City or authorized public entity) sponsored events which shall be managed, sold, and belong to the County (or City or authorized public entity), and except for ticket sales from Historical Events. For purposes of this Agreement, "Gross Revenues From Ticket Sales" shall mean the total gross revenues from ticket sales less any taxes or charges imposed by Major League Baseball or any governmental, regulatory or taxing authority generally, included in the gross price of the ticket to the purchaser and required to be remitted by the Orioles as the portion of such receipts payable to the visiting team or to any such governmental, regulatory or taxing authority. The ticket surcharge provided for in Section 12 shall be charged and applicable on all tickets sold in connection with for-profit events at the Sites, whether Orioles, County or City sponsored events. The ticket surcharge provided for in Section 12 shall be charged and applicable on all tickets sold for profit historical events at the Sites, unless otherwise determined by the Orioles, in its sole discretion. The Parties agree that Gross Revenues from Ticket Sales shall also exclude and be reduced by the surcharge as described in Section 12. All ticket surcharges collected by the Orioles, County or City or any party authorized to utilize the Sites for which tickets are sold shall be deposited in a timely fashion in the Capital Repair and Improvements Fund established and described in Section 12.

6.2 The Orioles or its designee shall control the parking at the Sites, and without limiting anything contained in Section 4.3 above, the Orioles shall collect and retain all parking fees and related revenues derived therefrom, except for parking revenues from County (or City) sponsored civic-oriented non-profit events as provided for in Section 5.4, 5.5 and 5.7, for which the net revenues (after payment of applicable expenses as provided in Section 5.8, including any taxes or charges or payment to any parking operator(s) and reimbursement of incremental, out-of-pocket expenses in connection with the collection of parking revenues) shall belong to the County.

## 7. CONCESSIONS.

7.1 The Orioles shall control and receive all revenues from the sale of all foods, beverages, merchandise, novelties and logo items and the like, including, but not limited to, scorecards, yearbooks and novelty items carrying the logo or marks of the Orioles or of any other Major League team (collectively, commonly called "concessions") on the Major League Site and the Minor League Site. The Orioles shall be free to operate the concessions in-house or contract with a third party(ies) to operate such concessions on terms and conditions approved by the Orioles

7.2 No outside concessionaire or vendor shall be permitted on the Sites, including for a Historical Event, without the Orioles' prior written approval. For all authorized County (or City) uses of the Sites under Section 5.5, and for any Historical Events under Section 5.4, the County (or City) or Historical Event party shall use the Orioles' concessionaire for all food services unless the Orioles and/or the Orioles' concessionaire determine, in their sole discretion, not to provide concession services for the event. If the Orioles or its concessionaire determine not to provide such concession services, the County (or City) or Historical Event party may request that the Orioles' approve the use of a third party food service concessionaire on the Site to

service the event. The Orioles' written approval shall not be unreasonably withheld, conditioned or delayed. For all authorized County (or City) uses of the Sites under Section 5.5, the Orioles will endeavor to require in its food service concession agreements or extensions with its concessionaire that the concessionaire, if it agrees to provide food service for a County (or City) event pursuant to Section 5.5, that the concessionaire will consider entering into a revenue-sharing agreement with the County (or City) to share a portion of its profits, if any, with the County (or City) or provide a fair and reasonable discount for its food services. Any such profit sharing or discount shall be determined on a case-by-case basis and within the sole discretion of the Orioles and the Orioles' concessionaire. As to all such events pursuant to Section 5.5, the concessionaire may not charge the County (or City) more than its usual and customary food and service charges (but may charge less) associated with an Orioles event. In the event that the County (or City) or a Historical Event party under the terms and conditions of this Section, are permitted to use a third party concessionaire with the Orioles' approval and desire to use the Orioles' concessionaire's equipment or facilities, the County (or City) or Historical Event party shall enter into an agreement for such use with the Orioles and the Orioles' concessionaire on such terms and conditions as may be acceptable to the parties. The County shall notify the Orioles of any proposed County civic-oriented, non-profit events under Section 5.5 for which it desires that the Orioles' concessionaire provide concessions operations no less than fifteen (15) business days prior to the date of such event.

7.3 The County shall use its best efforts to ensure that all concession equipment, along with all furniture, fixtures and equipment, at the Major League Site and the Minor League Site that is County or City owned or is anticipated to be left by the current tenant is inventoried and conveyed to the benefit of the Project to the extent it is deemed by the Orioles to be beneficial to the Project, subject to the County's approval, not to be unreasonably withheld, conditioned or delayed.

## **8. SCOREBOARD AND NAMING RIGHTS.**

8.1 The Orioles shall have all rights to sell or otherwise assign naming and/or presenting sponsorship rights to all or any portion of the Major League Site and the Minor League Site, including the Major League Stadium. The Parties acknowledge the Minor League Site is currently referred to as the Buck O'Neil Baseball Complex and the Orioles will endeavor to refer to the baseball complex as such in materials and publications. The Orioles shall obtain the County's consent only as to whether the County objects to the association of the County with the naming and/or presenting sponsor and contends that such association is materially adverse to the County and will damage its reputation or the public's interests. The Orioles agree that the name of a tobacco company or product will not be used. The County may not unreasonably withhold, condition or delay its consent to a naming rights or presenting sponsor.

8.2 The Orioles shall control the scoreboard message center (the "Scoreboard"), the sound, public address and related systems at the Sites (collectively, the "AV Information Systems") for any and all events at the Sites during the Term. The Orioles will work cooperatively with the County to include a limited number of public service announcements and announcements of County programs and civic-oriented events at Orioles' events. The Orioles' personnel or designee shall operate all AV Information Systems at all times during the Term unless the Orioles agree otherwise; however, during Historical Events or County (or City) or

authorized public) civic-oriented non-profit events, and subject to the Orioles' right and obligation to operate the AV Information Systems, the County shall have the right to determine the audio content and sell temporary event day only electronic message advertising on the Scoreboard content display. If Orioles personnel are utilized to operate the AV Information Systems, the Orioles shall be reimbursed for such actual incremental, out-of-pocket costs and expenses and other applicable expenses as provided in Section 5.8. Without limiting the foregoing, in no event may the County sell any temporary event day electronic message advertising on the Scoreboard content display to an entity if the sale or content of such electronic advertising would cause the Orioles to breach any exclusivity granted to a naming rights, presenting sponsor or any exclusive Orioles' sponsor.

## **9. BROADCASTING.**

9.1 The County will cooperate with the Orioles in identifying locations and available connectivity of commercial fiber, cabling, electrical, communications data transmission systems and the nearest head-ends (the "Broadcast Interface Equipment") in order for the Orioles to broadcast games played by the Orioles during the Term. The Orioles shall be responsible for all connectivity charges or fees payable to the vendor or utility. The County shall not charge the Orioles any fees or connectivity charges and the Orioles shall be permitted to use available easements on the Sites for connectivity purposes.

9.2 The Orioles shall have the exclusive broadcasting rights for all events at the Sites, other than as provided in this Subsection during the Term and all revenues derived therefrom shall be the property of the Orioles, including but not limited to all park and power fees and other charges levied upon visiting teams or for or in connection with other productions year-round. The Orioles shall have all rights to determine the content of any Orioles' broadcast and the Orioles shall have all rights to sell any advertising on any Orioles' broadcast during the Term. Subject to the rights of third parties, the Orioles shall have a fully-paid, transferable, license to broadcast and re-broadcast worldwide in perpetuity, images, photographs, audio and audio/visual recordings of all events of and from the Sites. The County shall have the non-exclusive right to broadcast the Historical Events and the approved County (or City or authorized public) civic-oriented non-profit events at the Sites utilizing its broadcasting equipment and personnel or, upon mutually acceptable terms, the Orioles' broadcasting equipment and personnel. Subject to the rights of third parties, the Orioles may broadcast any of the Historical Events or County (or City or authorized public) civic-oriented non-profit events from the Sites at its discretion.

## **10. PROMOTION AND TOURISM.**

10.1 The Orioles acknowledge that the County is undertaking a substantial financial responsibility to fund portions of the Project. The Orioles and County agree to develop an ongoing promotional relationship for the purpose of promoting Sarasota County and the Greater Sarasota County region as a desirable and attractive year-round vacation and meeting destination venue and for the promotion of the Orioles' spring training games and ticket sales related thereto. The Orioles shall make available on an annual basis after consultation with the Sarasota Convention and Visitor's Board and the Sarasota Tourism Development Council, certain promotional and tourism opportunities set forth in Exhibit 4. The Parties shall meet on an annual basis to review and amend Exhibit 4 as may be mutually agreeable from time to time.

10.2 The parties acknowledge that the Minor League Site is located at County-owned Twin Lakes Park which contains identifying signage and will continue to do so. To the extent permitted by Major League Baseball rules and regulations, the Orioles will provide the County with certain limited use rights as to the Orioles' marks and logos, subject to the Orioles' prior written approval in each instance, which will allow the County to promote its partnership with the Orioles at the Sites and on County literature and advertisements.

10.3 The Orioles shall provide the County with ten (10) prime location tickets (in groups of two (2) and four (4)), as determined by the Orioles, for all games and events at the Major League Site free of charge throughout the Term. In addition, the Orioles shall provide the County with event tickets for all seats in a luxury suite for up to four (4) Orioles spring training games per year; provided, however, that the suites have not been sold to a corporate or other purchaser and are available for the Orioles use and assignment. The County shall also be provided at no cost with adequate, preferred parking for all events for which tickets have been provided. The luxury suite, tickets and parking provided hereunder shall be used for tourism promotion and economic development purposes. The surcharge provided in Section 12 shall not be applicable to any complimentary event tickets or any tickets for which no payment is made by the County or other third party.

## **11. OPERATIONS AND MAINTENANCE.**

11.1 Except as to Historical Events and County (or City or authorized public) civic-oriented non-profit events and as provided in Section 5.8, the Orioles, as lessee of the Sites, shall be responsible solely for payment of all operating expenses and routine maintenance and repairs of the Sites during the Term. The Orioles shall operate the Sites in a safe, clean, attractive, and first class manner comparable to that of other Major League Baseball spring training and minor league facilities and shall provide on-Site fire, EMS, police and traffic control for games and other events at the Major League Site under the Orioles' control as may be necessary. The County shall be responsible to provide such on-Site fire, EMS, police and traffic control for all County civic-oriented, non-profit events as may be necessary. Throughout the Term and except as otherwise expressly provided herein, the Orioles shall be responsible for and provide all cleaning and operational maintenance services for the Sites, including the playing and practice fields located thereon, in conformity with the practices of Major League Baseball spring training facilities and Major League Baseball standards, rules and regulations. For purposes of this Agreement, operating expenses and routine maintenance and repair services shall mean those ordinary cleaning, maintenance and ordinary repair services necessary to keep the Sites in first class, good and working condition and are ordinary and recurring expenses for current repair and maintenance that do not improve an asset or add to its useful life and that are not treated as capital expenses for federal income tax purposes. The County shall have no responsibility for any operating or routine maintenance or repair expenses for the Sites except as related to County civic-oriented, non-profit events or County approved recreational events pursuant to Section 5 or in connection with Section 18. The requesting party for Historical Events shall be responsible for any operating or routine maintenance or repair expenses for such Historical Events which shall be included in the contract described in Section 5.4 above, unless otherwise agreed by the Orioles. In the event that the County utilizes the Sites or authorizes their use, in whole or in part, the County shall be responsible to maintain and repair the fields and related facilities to the condition

prior to the time of County use, so as to provide the Orioles with the full beneficial use of and to the Sites. To the extent that the Orioles incur costs or expenses to maintain or repair the Sites as a direct result of the County's use of the Sites, the County shall reimburse the Orioles for all actual incremental, out-of-pocket costs and expenses associated therewith and other applicable expenses as provided in Section 5.8, in a timely manner upon invoice.

**12. CAPITAL REPAIR AND IMPROVEMENTS FUND.**

12.1 The County shall establish, administer and maintain a Capital Repair and Improvements Fund in an interest bearing account dedicated for the exclusive benefit of the Sites for the purposes expressed in this Section.

12.2 The Parties acknowledge that during the Term there will be capital repair and improvement items necessary to maintain or preserve the condition, structural integrity, safety or functionality of the Sites or to address physical obsolescence. Physical obsolescence means that the structure, foundation, surface, components, systems, fixtures or condition: (i) no longer adequately functions for the purposes for which it was intended, (ii) is dysfunctional in whole or in part, or (iii) poses a hazard to the public's accommodation. The Capital Repair and Improvements Fund shall not be used for the Orioles' general operations and routine maintenance and ordinary repair obligations or for any County (or City) obligations to reimburse the Orioles or pay for costs and expenses associated with the County's (or City's) use of the Sites or the use of the Sites by the public. This Fund is intended only for capital repairs and improvements as expressed in this Section, and which would customarily be treated as a capital item for federal income tax purposes. Capital repairs and improvements shall include all expenditures for a fixed asset, or which extends the useful life longer than one (1) year or adds value to or increases the usefulness or productivity of an existing asset.

12.3 The Capital Repair and Improvements Fund shall be funded by annual contributions from each of the Parties in accordance with the following schedule:

<u>For the Years</u>	<u>Annual Contribution</u>
2011 through 2015	\$125,000
2016 through 2020	150,000
2021 through 2025	175,000
2026 through 2030	200,000
2031 through 2035	225,000
2036 through 2039	250,000

12.3.1 A surcharge upon all Orioles game tickets sold and all other for-profit ticketed events conducted at the Sites shall be considered a contribution to the Capital Repair and Improvements Fund as if made by the Orioles directly:

12.3.1.A For all tickets with a face value of \$5.00 or less, the ticket surcharge shall be fifty (50) cents per ticket sold.

12.3.1.B For all tickets with a face value in excess of \$5.00 but less than \$10.00, the ticket surcharge shall be \$1.25 per ticket sold.

12.3.1.C For all tickets with a face value of \$10.00 or more but less than \$20.00, the surcharge shall be \$1.75 per ticket sold.

12.3.1.D For all tickets with a face value of \$20.00 or more but less than \$30.00, the surcharge shall be \$2.00 per ticket sold.

12.3.1.E For all tickets with a face value of \$30.00 or more, the surcharge shall be \$2.50 per ticket sold.

12.3.2 In any year, the Orioles shall have the sole right to charge or modify the ticket surcharge in its sole judgment.

12.3.3 Notwithstanding the foregoing, if the amount of the annual surcharge collected is: (A) less than the Orioles' Annual Contribution, the Orioles shall contribute the difference to the Capital Repair and Improvements Fund; (B) more than the Orioles' Annual Contribution, the amount of such excess shall not be credited toward its Annual Contribution for any other year.

12.4 Contributions to the Capital Repair and Improvements Fund shall be made by the County and the Orioles no later than January 15 of each year for the preceding year. No expenditures may be made from the Capital Repair and Improvements Fund without the prior approval of both the County and the Orioles.

12.5 All interest accruing on the Capital Repair and Improvements Fund shall be added to the Fund and available for Fund purposes.

12.6 The Orioles and the County shall jointly review the Fund balance on an annual basis. Beginning in the fifth (5<sup>th</sup>) year after substantial completion of the Project and every five (5) years thereafter, the Parties shall conduct an independent structural and engineering analysis of the Sites. The cost of such analysis shall be paid from the Capital Repair and Improvements Fund. To the extent that the structural and engineering analysis provided for in this Section 12.6 identifies a material structural or engineering condition that should be addressed by this Section, the Capital Repair and Improvements Fund will be made available to the extent that the Orioles and the County agree to authorize those repairs or improvements.

12.7 The County and the Orioles shall annually cooperatively develop a rolling five (5) year capital repairs and improvement plan for the Sites. The Orioles shall submit to the County, on or before June 1 of each year, a proposed budget of anticipated capital repairs and capital improvements for the succeeding year. The proposed budget shall include a detailed statement of the reason for and cost of proposed capital expenditures. The County shall review the proposed budget and notify the Orioles on or before August 1 of the same year whether it has approved all or any portion thereof, which approval will not be unreasonably withheld, conditioned or delayed. In the event of an emergency requiring a capital expenditure or other capital expenditure deemed necessary by the Orioles but not included in the budget, the Orioles shall promptly notify the

County after discovery of the emergency or need for the capital expenditure, and the Orioles and the County shall work cooperatively together in good faith to address the need for the capital expenditure.

12.8 The County shall be responsible for identification of funding sources and the timely payment of all approved capital expenditures that cannot be paid out of the then-remaining balance in the Capital Repair and Improvements Fund. The Orioles acknowledge that any such payment by the County is subject to appropriation and approval by the County Commissioners.

12.9 The Orioles, with the cooperation of the County, shall supervise the making of all capital repairs and improvements to the Sites.

12.10 Notwithstanding anything provided in this Section 12, the insurances required in Section 16 of this Agreement shall be maintained in full force and effect.

### **13. FUTURE IMPROVEMENTS.**

13.1 Subject to the applicable provisions of Section 4.3 hereof, the Orioles may develop and construct additional improvements on the Sites during the Term which are permitted by the zoning on the Sites, and any such improvements shall immediately be subject to the Lease. The Orioles shall prepare and provide to the County a plan showing such additional improvements, an estimate of the cost of the improvements and the Orioles commitment to pay for and a funding plan for such improvements prior to construction. The County shall have the right to review and approve all such improvements, such approval not to be unreasonably withheld, conditioned or delayed. The development and construction of any such additional improvements on the Sites during the Term shall be completed by the Orioles in accordance with applicable law.

### **14. YOUTH BASEBALL ACADEMY AND FACILITIES.**

14.1 The Parties acknowledge that it is mutually beneficial to facilitate the establishment of a youth baseball academy and youth tournaments, serving both the Greater Sarasota County region and players and teams from other areas. The Orioles and Ripken Baseball have expressed a desire and are willing to locate a Cal Ripken Youth Baseball Academy and youth tournaments at the Minor League Site. The County has agreed to permit the Orioles to sublease or co-locate a portion of the Minor League Site (as identified on the preliminary Site sketch attached hereto as Exhibit 2) as a possible and acceptable location for the youth baseball academy, facilities and fields and the County has agreed to provide said area to the Orioles for such purposes as a cleared and leveled portion of the parcel. The County consents to the development and use of the aforementioned areas for all such fields and facilities as may be necessary and appropriate for the full and beneficial use of those areas for a youth baseball academy and youth tournaments. The Orioles and/or Ripken Baseball with review and approval of the County, which shall not be unreasonably withheld, conditioned or delayed, shall have full rights to the design and architectural style of the fields and facilities. The timing of the development and construction of the youth fields and facilities is dependent upon raising the necessary funds to proceed with the project. Notwithstanding the preceding sentence, the Orioles and Ripken Baseball will commit to provide a commercially reasonable level of youth baseball activities in the Greater Sarasota County region pending the establishment and construction of the

youth baseball fields and facilities and the availability of requisite fields and facilities. The development and construction of youth baseball facilities pursuant to this Section shall be subject to the provisions of Section 13 hereof.

**15. NO IMPACT FEES.**

15.1 To the extent legally permissible, the Orioles shall not be responsible for the payment of any road impact fees, justice impact fees and general government impact fees in connection with the development or use of the Project.

**16. INSURANCE.**

16.1 Orioles Insurance Requirements. The Orioles shall procure and maintain, during the term of this Agreement and the Project Documents, insurance as listed below. The policies of insurance shall be primary and written on forms acceptable to the County and placed with insurance carriers approved and licensed by the Insurance Department in the State of Florida and meet a minimum financial AM Best Company rating of no less than "A-Excellent". No changes are to be made to these specifications without prior written specific approval by the County's Risk Management Department.

**Commercial General Liability:** Including but not limited to bodily injury, property damage, contractual, products and completed operations and personal injury with limits of not less than \$1,000,000 each occurrence and carry such umbrella liability coverage as the Orioles deem appropriate.

**Business Automobile Liability:** Orioles shall agree to maintain Business Automobile Liability insurance as required by law.

**Worker's Compensation Insurance:** Orioles shall agree to maintain Workers' Compensation insurance as required by law.

**Property Insurance:** The Orioles shall be responsible to provide property insurance to ensure against damage or destruction to the Orioles' furnishings and equipment and personal property located at the Sites.

The County shall retain the right to review certificates, declarations and policies of insurance, at any time, in order to confirm coverage, form, and amount of insurance in accordance with this Agreement. The County shall be named as an additional insured on all Orioles' policies of insurance under this Agreement and the Project Documents.

Notices of Accidents (occurrences) and Notices of Claims associated with this Agreement shall be provided to the Orioles insurance company and County Risk Management as soon as practicable after notice to the insured.

16.2 County Insurance Requirements. The County shall procure and maintain, during the term of this Agreement and the Project Documents insurance as listed below.

**Commercial General Liability:** The County is self-insured for all liability claims and related expenses pursuant to the provisions of Florida Statute 768.28.

**Property Insurance:** The County shall maintain in force, at its expense the types and amounts of property insurance, including boiler and machinery insurance, as necessary to cover the full replacement value of the Sites. The County shall provide a copy of the Certificate of Insurance listing the Orioles as the additional insured. The property insurance shall insure against damage or destruction to any components of the Sites, providing "all risk" peril coverage, including coverage against hurricane, flood, sewer backup and earthquake. In the event of a loss or damage as described above, the County shall be responsible to retain a project manager to obtain an inspection and estimation of damages and repair and/or replacement costs to bring the Sites to their pre-loss condition in a timely and efficient manner. The County shall promptly report in a timely manner all claims and shall pay all deductibles in connection with such claim. Insurance proceeds recovered from submitted property damage claims for the Sites pursuant to this Section shall be placed in a joint escrow account and used to repair or rebuild the Sites and the County shall be obligated to promptly restore the Sites to its original or better condition. In the event that the insurance proceeds are insufficient to repair and restore the Sites to their previous pre-loss or substantially similar condition, the Orioles shall have no obligation to utilize its own funds to repair or restore the Sites. In the event the County determines that the Major League Site and/or the Minor League Site should not be repaired, the Orioles are entitled to immediate termination of this Agreement, and the Project Documents or any portion thereof (e.g. termination of the Major League Site but not the Minor League Site) without penalty. In the event the Orioles elect to terminate this Agreement and the Project Documents, there shall be an abatement of all monies due hereunder from the date of unavailability. The County, as applicable, shall be required to immediately notify its insurance carrier(s) in the event of any loss and shall promptly submit all claims, and all insurance proceeds of such policies paid for property damage to the Sites shall be for the benefit of the Sites and the Orioles and promptly applied to the repair, replacement and refurbishment and restoration of the Sites, and in accordance with the procedures established by the County and the Orioles and/or its designees for the initial construction of the Project, unless otherwise agreed upon by the County and the Orioles.

## 17. ENVIRONMENTAL.

17.1 The Major League Site has been used for Major League Spring Training for more than twenty (20) years. Portions of the Major League Site were used as a landfill and asphalt plant in the past. The Major League Site is the subject of a consent order between the City and the Florida Department of Environmental Protection. The Interlocal Agreement with the City obligates the City, as set forth in the consent order, to continue to perform its environmental monitoring, reporting and other requirements under applicable environmental laws, following transfer of title to the Sports Complex to the County. It is contemplated that the City will need to enter into an amendment to the consent order providing for the closeout of the consent order. If it is determined that the Major League Site cannot be used as depicted on the preliminary project plans or that the Site presents a potential hazard to the public's health and safety or if the State of Florida or any other governmental agency requires remediation efforts, then the Orioles and the

County shall discuss funding the remediation costs, and if no agreement is reached prior to commencement of construction on the Major League Site, the Orioles shall have the right, in its sole discretion, to terminate this Agreement upon thirty (30) days written notice to the County.

#### **18. DISASTER PREPAREDNESS/SHELTER.**

18.1 The Sites may be used, in areas agreed upon by the Parties, for emergency response personnel and equipment, debris and debris-removal equipment for natural disaster preparations, response, and potential shelter. In the event the County uses the Sites pursuant to this Section, the County agrees to completely remove all disaster/hurricane-related debris and materials from the Sites and take such other remedial action as may be necessary within a reasonable period of time prior to the Spring Training Period so as to allow the Orioles full beneficial use of and to the Sites. The County shall be responsible for all damage, clean-up, maintenance, repairs and costs and expenses in connection with the use of the Sites for disaster purposes, and the County shall promptly clean up, repair and restore the Sites, all at no cost or liability to the Orioles. Notwithstanding anything in this Agreement to the contrary, the County shall be responsible for any liability arising out of or in connection with the County's (and its invitees) or the public's use of the Sites pursuant to this Section and the County agrees to indemnify, defend and hold the Orioles and its officers, directors, partners, employees, agents and representatives harmless in connection with such use of the Sites by the County (and its invitees) or the public.

#### **19. TAXES; AVAILABILITY OF ADDITIONAL STATE FUNDS.**

19.1 The County represents that (1) it shall acquire from the City and shall continue to have throughout the Term, all ownership interests in the Major League Site, (2) as of the date hereof, it has and shall continue to have throughout the Term, all ownership interests in the Minor League Site, (3) as such, has the full authority to grant the Orioles the rights provided hereunder, and (4) this Agreement has been entered into for the public purpose of promoting tourism, gainful employment and economic growth in Sarasota County and the State of Florida. It is the intent and understanding of the Parties that the leasehold interest to be held by the Orioles pursuant to the Lease shall be immune from Property Taxes, including ad valorem taxation for long as such constitutional immunity remains in effect.

19.2 For purposes of this Agreement, "Property Taxes" shall mean all ad valorem taxes, real estate taxes and assessments or payments in lieu of real estate taxes which are levied against the Lease and/or the Sites (and any improvements thereon), including all general and special taxes levied by the County, the City or any political subdivision or taxing authority of the County or the City or the State of Florida, including but not limited to school districts, or transit authorities, so long as such tax is based upon or measured by the valuation of the land, the improvements (including the Project), or any of their respective leasing arrangements.

19.3 If the Orioles and/or its designees may be eligible for any tax benefits, exemptions, abatements, credits, grants or other refunds the County shall cooperate with the Orioles in pursuing such.

19.4 The County and the Orioles shall each use their best efforts to obtain additional funds from the State of Florida, authorized for the use of spring training facilities construction or renovation, for economic development, tourism, disaster relief or staging, hurricane hardening purposes and/or any other purpose that can be made available for the Sites in connection with the Orioles' use and occupancy thereof and to dedicate such additional funds to the Capital Repair and Improvements Fund.

## 20. FORCE MAJEURE.

20.1 Neither party hereto shall be liable for any delay or failure in the performance of any obligation under this Agreement or the Project Documents or for any loss or damage (including indirect or consequential damage) to the extent that such nonperformance, delay, loss or damage results from any "Force Majeure". For purposes of this Agreement, a "Force Majeure" shall mean and include without limitation, any fire, flood, explosion, damage by third parties whether negligently or intentionally caused, acts of God or Nature or other casualties, strikes (including, without limitation, any strike by the Major League Baseball Players Association), lockouts (including, without limitation, any lockout by the League), work stoppages, picketing or other concerted action by any employees or any labor organization, national emergency or state of war, the laws or actions of any governmental authority, or any other event or cause that is beyond the control of the Parties. Notwithstanding anything contained in this provision, a strike by the MLBPA or lockout by the League will not be a Force Majeure event with respect to the Project Development Agreement.

Without limiting any remedies available at law or in equity, in the event the purposes of this Agreement and/or the Project Documents are frustrated as a result of the actions, rulings, determinations, findings, orders, judgments or directives of any state or federal or other governmental agency or as a result of the actions of third parties in connection with, relating to, or arising from, the existence of any hazardous materials on, in, under, affecting or emanating from all or any portion of: (1) the real property located at 12th Street and Tuttle which has historically been used as a Major League Spring Training facility and includes training facilities, practice fields, clubhouses, offices, the "Ed Smith Stadium" and other improvements and fixtures located thereon, and/or (2) the real property located North of 12th Street and South of 17th Street and the corner parcel North of 12th Street (the "Major League Site") which may cause (i) substantial and material delay to the Project, (ii) substantial and material additional costs to the Project, (iii) substantially and materially restrict or prohibit the Project or its substantial completion or (iv) in any other way substantially and materially frustrates the purposes of this Agreement and/or the Project Documents, then the Orioles and the County shall discuss such situation, and if no mutually acceptable agreement is reached between the Parties to resolve the situation, then either Party shall have the right to terminate this Agreement and the Project Documents upon thirty (30) days written notice to the other Party; provided that, any Party may submit this matter to binding arbitration, which arbitration must be requested, conducted and fully concluded within sixty (60) days of the written notice of termination, solely as to the issue of whether that Party's termination was reasonable under the facts and circumstances, including the purposes of this Agreement and the Project Documents and based upon the delay, additional costs, restriction or prohibition as expressed in this Section.

20.2 If as a result of any Force Majeure the Sites are unavailable for Spring Training in any of the years during the Term, this Agreement and the Project Documents shall be regarded as suspended for the period of unavailability without liability to either Party so long as the period of unavailability is no more than two (2) consecutive Spring Training Periods during the Term. If the Sites shall be unavailable for two (2) consecutive Spring Training Periods during the Term, the Orioles shall have the right to terminate this Agreement and the Project Documents without any further liability to the County. To the extent that the Sites are unavailable for a Spring Training Period, the County shall use its best efforts to assist the Orioles in securing, at no cost to the Orioles, suitable facilities in the County to conduct its Spring Training Operations. If no suitable facilities are available, in the Orioles' sole discretion, the Orioles may locate its Spring Training Operations at facilities outside the County and the Orioles shall be relieved of all obligations under this Agreement and the Project Documents for such period.

## **21. DEFAULT, REMEDIES AND TERMINATION.**

21.1 If either Party hereto (the "Defaulting Party") shall fail to perform any of its obligations under this Agreement or any of the Project Documents, then the Party not in default (the "Non-Defaulting Party") shall provide notice of such failure to the Defaulting Party and afford the Defaulting Party a grace period to cure said failure, as follows:

21.1.1 Where a grace period is specifically provided, that specific grace period shall apply.

21.1.2 Where a grace period is not specifically provided, the Defaulting Party shall afford the Non-Defaulting Party a grace period of: (i) five (5) business days to cure monetary failure; and (ii) thirty (30) days to cure any non-monetary default; provided, however, that if any non-monetary failure cannot be cured within such thirty (30) day period, the Defaulting Party shall be afforded such additional time as shall be reasonably required to cure such failure, if the Defaulting Party has commenced the appropriate cure within said initial thirty (30) day period and thereafter proceeds with reasonable diligence to cure said failure.

21.1.3 If any failure to perform shall not have been cured by the expiration of the applicable grace period, then a "Default" shall be deemed to have occurred and the Non-Defaulting Party shall have the rights and remedies set forth in Section 21.2 below.

21.2. If a Default shall occur, the Non-Defaulting Party shall have the right (but not the obligation to cure such default on behalf of the Defaulting Party, in which event the Defaulting Party shall immediately reimburse the Non-Defaulting Party for all sums paid by it to effect such cure, together with interest thereon at the annual rate of interest equal to the prime rate of interest charged by the County's primary financial institution to its commercial customers with the highest credit rating plus one and one-half percent ("the Default Rate").

21.3 County Termination. The County may terminate this Agreement or any of the Project Documents upon thirty (30) days prior written notice to the Orioles of any of the following events (collectively hereinafter referred to as the "Orioles Defaults"):

21.3.1 If the Orioles desert or vacate one or both of the Sites;

21.3.2 If, by order of a competent authority, a receiver, liquidator or trustee of the Orioles shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days after the making of such order, or if by decree of such authority the Orioles shall be adjudicated or determined to be bankrupt or insolvent, or if the Orioles shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;

21.3.3 If the Orioles fail to make any payments to the County pursuant to this Agreement or any of the Project Documents within sixty (60) days following written notice of such payment Default; provided however, the Orioles shall have the right to withhold any amounts disputed in good faith until the settlement of any such dispute; or

21.3.4 If the Orioles breach any material provision, agreement or obligation under this Agreement or any of the Project Documents, that is not cured within sixty (60) days after notice of such Default; provided, however, that if such Default cannot be cured within such sixty (60) day period, but the Default is capable of cure within a reasonable period of time which is acceptable to the County, and the Orioles diligently pursue such cure, the Orioles shall be allowed such agreed upon time period to cure such Default.

21.4 Orioles Termination. In addition to the termination rights contained elsewhere in this Agreement, the Orioles may terminate this Agreement or any of the Project Documents upon thirty (30) days prior written notice to the County of any of the following events (collectively hereinafter referred to as the "County Defaults"):

21.4.1 If, by order of a competent authority, a receiver, liquidator or trustee of the County shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days of the making of such order, or if by decree of such authority the County shall be adjudicated or determined to be bankrupt or insolvent, or if the County shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;

21.4.2 If the County fails to make any required payments or deposits to the Governmental Project Fund, Construction Fund Account or the Capital Repair and Improvements Fund or fails to make any payments to the Orioles pursuant to this Agreement or any of the Project Documents within sixty (60) days following written notice of such payment Default; provided, however, the County shall have the right to withhold any amounts disputed in good faith until the settlement of any such dispute; or

21.4.3 If the County breaches any material provision, agreement or obligation under this Agreement or any of the Project Documents that is not cured within sixty (60) days after notice of such Default; provided, however, that if such Default cannot be cured within such sixty (60) day period, but the Default is capable of cure within a reasonable period of time which is acceptable to the Orioles, and the County diligently pursues such cure, the County shall be allowed such agreed upon time period to cure such Default.

21.5 Cumulative Rights. The remedies heretofore described in this Section 21 shall be in addition to any other remedy the Non-Defaulting Party may have at law or in equity in the event of a Default, including without limitation:

21.5.1 An action to recover monies then due and owing from the Defaulting Party, together with interest thereon at the Default Rate, from the date on which such monies were due;

21.5.2 An action for specific performance of non-monetary covenants and agreements on the part of the Defaulting Party; and/or

21.5.3 An action for recovery of all actual losses, costs and reasonable attorneys' fees incurred by the Non-Defaulting Party in connection with, arising out of or in any way related to the Default.

21.6 Injunctive Relief. Without limiting any other remedies of the County on account of a Default by the Orioles available in accordance with Section 23 of this Agreement, the County will be irreparably harmed if the Orioles violate the Lease by the transfer, move or other relocation of the Orioles' spring training activities to locations other than the Sites during the Term otherwise than as provided or permitted by this Agreement or the Project Documents. Accordingly, the Orioles hereby agree that in the event of such a violation or threatened violation of the Lease, the County shall be entitled to seek and obtain a temporary restraining order, together with preliminary and permanent injunctive relief, from any court of competent jurisdiction to enjoin any such violation or threatened violation. The Orioles waive any requirement that the County post a bond or other security in connection with such injunctive relief. In the event of such attempted or actual transfer, move or other relocation of the Orioles' spring training activities to, or the playing of Home Games at, any location other than the Sites, the County is not able to obtain the injunctive relief provided for in this Section 21.6, the County shall be entitled, at its option, to seek monetary damages.

### **23. DISPUTE RESOLUTION.**

23.1 The Parties acknowledge that their rights and responsibilities under this Agreement and the Project Documents involve coordination and cooperation with respect to the design, development and construction of, and capital repairs and improvements to, the Project. Accordingly, the Parties agree that it would be to their mutual benefit to establish a dispute resolution process to deal with any dispute arising out of this Agreement or the Project Documents.

23.2 The Parties agree to attempt to settle any dispute or controversy that may arise between the Parties regarding any provision or obligation set forth in this Agreement or the Project Documents by non binding mediation.

23.3 If the Parties are unable to resolve any dispute with respect to the design, development and construction of, and capital repairs or improvements to, the Project or with respect to the Parties' obligations to finalize and execute the Project Documents, the matter in

dispute shall be submitted to binding arbitration under the Arbitration Laws of the State of Florida (Chapter 682, Florida Statutes) in accordance with applicable Commercial Arbitration Rules of the American Arbitration Association ("AAA") then in effect. The venue of the arbitration may be in Sarasota County. The arbitration shall be expedited to completion within ninety (90) days after notice of electing to arbitrate sent by one Party to the other Party. Both Parties shall agree in good faith to cooperate and facilitate the completion of the arbitration within said ninety (90) day period. In the event the Parties are unable to agree on a single arbitrator within thirty (30) days of the notice of electing to arbitrate, each Party shall within ten (10) business days thereafter select an arbitrator from a panel of eligible arbitrators provided by AAA and thereafter the two selected arbitrators shall select a third arbitrator. After all the evidence has been presented and the hearing has concluded, the Arbitrator(s) shall issue an award, in writing, within thirty (30) days. A judgment upon that award shall be enforceable in any court having jurisdiction of such matters in the State of Florida.

#### **24. TRANSFER OF THE SITES.**

24.1 The County represents, warrants and covenants that no part of the Sites will be sold, assigned or transferred by the County during the Term and the County shall not take (or refrain from taking) any action to restrict or condition, and shall not be permitted to sell or otherwise transfer, any portion of the Sites to any unaffiliated third party, without the prior written approval of the Orioles, which may be granted or withheld in the Orioles' sole discretion. If the Orioles approve the sale or transfer of any portion of the Sites, such County purchaser and/or transferee shall be obligated to perform in accordance with the terms of this Agreement and the Project Documents, including all the obligations, duties and responsibilities of the County contained therein, and such purchaser and/or transferee shall explicitly assume in writing all such obligations, duties and responsibilities. Further, if at any time during the Term, with the prior written approval of the Orioles, the County offers to sell the Sites, or any portion thereof, to an unaffiliated third party, the Orioles shall have a right of first refusal to purchase the Sites, or portion thereof at the price acceptable to such unaffiliated third party.

#### **25. CONDITIONS TO THE EFFECTIVENESS OF THIS AGREEMENT.**

25.1 Notwithstanding any provision of this Agreement to the contrary, the effectiveness of this Agreement is expressly conditioned upon the certification by the State of Florida of the Sites as a retained spring training facility for which funding under Section 288.1162FS has been approved and all necessary funds under the aforementioned Florida statutes are committed by the State Office of Tourism, Trade and Economic Development ("OTTED") to be released or continue to be released to the City for the benefit of the Project. All approvals and commitments as to the funding or continuation of funding under this Section shall be confirmed in writing by OTTED within seven (7) days after the satisfaction of all conditions set forth in the OTTED letter dated July 17, 2009 to the Sarasota County Commission Chairman as a condition precedent to the effectiveness of this Agreement.

25.2 Notwithstanding any provision of this Agreement to the contrary, the effectiveness of this Agreement is expressly conditioned upon the receipt by the Parties from the City of an environmental indemnity in form and substance satisfactory to the Parties within seven (7) days after the date of this Agreement.

**26. MISCELLANEOUS.**

26.1 Amendments. This Agreement may not be changed, modified, or discharged orally, but only by an instrument in writing signed by the Parties.

26.2 Binding Effect. This Agreement shall be binding upon and inure to the benefit of each of the Parties, and each of their respective successors. The Parties by executing this Agreement represent and warrant to each other that they have the full authority to enter into this Agreement and to bind such Parties to its terms and conditions.

26.3 Conflicting Agreements. Each Party represents and warrants to the other Party that the execution of this Agreement and the performance of its obligations hereunder will not breach or be in conflict with any other agreement to which it may be a Party or may be bound.

26.4 Construction. The Parties hereby acknowledge that this Agreement is the product of negotiation between the Parties and/or their respective legal counsel and that no provision of this Agreement shall be construed against a Party solely because that Party or that Party's counsel drafted such provision.

26.5 Exhibits; Headings. The Exhibits attached hereto are substantive parts hereof; headings of the Sections of this Agreement are for convenience of reference only and are not substantive parts hereof.

26.6 Further Actions of the Parties. Immediately upon the execution of this Agreement, the Parties shall take all action necessary to effectuate the purposes of this Agreement, and shall commence good faith negotiations to draft and, where appropriate, execute the Project Documents which implement the transaction(s) contemplated by this Agreement. In addition, and without limiting the foregoing, the County shall take any action necessary under the Interlocal Agreement(s).

26.7 Covenant Re: Negotiations. Upon the mutual execution and delivery of this Agreement and the satisfaction of any condition precedents to this Agreement, the Orioles will refrain from any further negotiations with any other jurisdiction for the location of the Orioles' long term Spring Training Operations. Pursuant to the terms and conditions of this Agreement, the Orioles shall notify the County on or before October 31, 2009 as to whether the Orioles will conduct its Spring Training Operations in 2010 at the Sites. The Orioles may, without violating this covenant in making such determinations, have discussions with its current landlord in Fort Lauderdale, Florida with regard to the Orioles' existing leasing arrangements, including the winding down of such arrangement. In the event that the City of Fort Lauderdale asserts a claim against the County arising from the execution of this Agreement, the Orioles agree to reimburse the County for any actual out-of-pocket costs, fees or expenses, judgments or awards, as a direct result of such claim by the City of Fort Lauderdale.

26.8 Governing Law. This Agreement is entered into in, and shall be governed by, construed and enforced in accordance with the laws of the State of Florida, without reference to principles of conflicts of laws.

26.9 Integrated Agreement. This Agreement represents the full, complete, entire and integrated agreement between the Parties with respect to the subject matter hereof, and supersedes all prior oral and written agreements, understandings and negotiations with respect to the subject matter hereof.

26.10 No Joint Venture. This Agreement shall not constitute a partnership, joint venture or create an agency relationship between the Parties.

26.11 No Waiver. The failure of either Party to object to, or to take affirmative action with respect to, any conduct of the other Party that violates any term or condition of this Agreement shall be limited to that particular instance, and shall not be construed as a waiver of that Party's rights for such breach or as a waiver of remedies for future breaches by the other Party.

26.12 Orioles' Full and Beneficial Use of the Sites. As provided for in this Agreement, the "Orioles' full and beneficial use of the Sites" shall mean all lawful uses of the Sites subject to the terms and conditions of this Agreement.

26.13 Rights Unique. The Parties acknowledge that each Party's rights and obligations hereunder, including but not limited to intellectual property assets (but other than the payment of money) are special, unique, extraordinary and impossible of replacement, which gives them a peculiar value, the loss of which could not be reasonably or adequately compensated in damages in an action at law, and that either Party's failure or refusal to perform its obligations hereunder would cause the other Party loss and damages. Except as permitted and otherwise provided for in this Agreement, if either Party fails or refuses to perform such obligations, the other Party shall be entitled to seek injunctive or other equitable relief against it, including temporary relief prior to a time at which a preliminary hearing may be held, by a court of competent jurisdiction to prevent the continuance of such failure or refusal or to prevent the breaching Party from granting rights to others in violation of this Agreement. The Parties waive any requirement that the other Party post a bond or other security in connection with such injunctive relief. In the event a Party is not able to obtain the injunctive relief provided for in this Section, such Party shall be entitled, at its option, to seek monetary damages.

26.14 Mutual Indemnification. The Orioles shall indemnify, defend and hold the County and County's agents harmless from and against all loss, cost, damage and expense (including reasonable attorneys' fees and disbursements) imposed upon or incurred by the County in connection with all claims arising out of or relating to the death of or injury to any person, or the loss of or damage to the property of any person (excluding the property of the County) arising out of or occurring during Spring Training games or Orioles' events or the Orioles' occupancy, management or use of the Sites, excluding death, injuries, and property loss and damage which arise out of or are related to the wrongful or negligent acts or omissions of the County, the County's agents or County's contractors or subcontractors. The County shall indemnify, defend and hold the Orioles and Orioles' agents harmless from and against all loss, cost, damage and expense (including reasonable attorneys' fees and disbursements) imposed upon or incurred by the Orioles in connection with all claims arising out of or relating to the death of or injury to any person, or the loss of or damage to the property of any person (excluding the personal property of

the Orioles) arising out of or occurring during County civic-oriented, non-profit events, or County-authorized use or events for the County's occupancy, capital repair or improvement or use of the Sites, excluding death, injuries, and property loss and damage which arise out of or are related to the wrongful or negligent acts or omissions of the Orioles, the Orioles' agents or Orioles' contractors or subcontractors.

26.15 Severability. The parties hereto agree that to the extent that any provision or portion of this Agreement shall be held, found or deemed to be unreasonable, unlawful or unenforceable by a court of competent jurisdiction, then any such provision or portion thereof shall be deemed to be modified to the extent necessary in order that any such provision or portion thereof shall be legally enforceable to the fullest extent permitted by applicable law.

26.16 Taxes; Recordation. The Orioles shall not be responsible for any fees, taxes (including but not limited to transfer taxes) or expenses in connection with the recordation of this Agreement or any of the Project Documents.

26.17 Time. Time is of the essence with regard to the Parties' obligations under this Agreement.

26.18 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall be one and the same instrument.

26.19 Orioles Assignment. The Orioles shall not sell, assign or otherwise transfer all or any portion of its interest in this Agreement or the Project Documents without first obtaining the consent of the County; provided, however, that (i) the Orioles shall have the right, without consent, to sublease or transfer its rights and/or obligations, in whole or in part, under this Agreement and the Project Documents, including in furtherance of Section 14 of this Agreement, to any person or entity, provided that the Orioles shall remain liable for its obligations under this Agreement and the Project Documents, including, but not limited to, the playing of the Orioles' Spring Training games at the Sites as provided herein and (ii) the Orioles shall have the right, without consent, to transfer all of its rights and/or obligations, in whole or in part, under this Agreement or the Project Documents to any person or entity that shall thereafter own the Major League Baseball franchise now held by the Orioles on the condition that such transferee shall assume the obligations of the Orioles set forth in this Agreement and the Project Documents and on the further condition that Major League Baseball approves the transfer of the Orioles Major League Baseball franchise to such transferee.

IN WITNESS WHEREOF, the parties have executed this Agreement under seal as of the date set forth above.

Chairman Jon Thaxton  
Sarasota County Commission  
1660 Ringling Boulevard  
Sarasota, FL 34236

Dear Chairman Thaxton:

Recent discussions with the Office of Tourism, Trade, and Economic Development (OTTED) have surrounded the departure of the Cincinnati Reds. We understand that the City of Sarasota and Sarasota County are working to preserve Spring Training in their area by negotiating an arrangement with the Baltimore Orioles. I have reviewed this issue carefully, and taking into account the intent of the Legislature, have determined that these funds may be used for a retained spring training facility in Sarasota, if the following conditions are met to OTTED's satisfaction:

1. An official letter in accordance with section 288.1162(5)(d), Florida Statutes, from the City of Fort Lauderdale acknowledging the Baltimore Orioles are relocating to Sarasota from their spring training location in Fort Lauderdale; See pages 4 and 5 of this Exhibit 4
2. A signed agreement, in accordance with section 288.1162(5)(b)2, Florida Statutes, between Sarasota and Baltimore Orioles for a retained spring training franchise; See page 3 of this Exhibit 4 and attached Exhibit 2
3. Documentation of the local match for at least 50 percent funds to be used for the spring training facility as required by section 288.1162(5)(b)3, Florida Statutes; and See attached Exhibit 1 detailing all funds expended on project
4. Written agreement from Sarasota that the state funds will only be used for the renovation or expansion of the Ed Smith stadium complex and corresponding major league operations. See pages 1 and 6 of this Exhibit 4

Once all these documents have been provided to my office and deemed satisfactory to OTTED, I will issue a final letter of approval for continuing release of the funds. Please feel free to contact me at (850) 487-2568 with any questions.

Sincerely,

Dear Dr. Brill:

On July 22, 2009, the Sarasota County Commission approved a Memorandum of Understanding with the Baltimore Orioles to move the team to Sarasota County for spring training. Sarasota County will be providing funds in the amount of \$23.7 million to the spring training facility project which will include the renovation of the Ed Smith Stadium Complex and renovation of facilities at the minor league site at Twin Lakes Park. This will confirm that state funds will only be used for the renovation or expansion of the Ed Smith Stadium Complex and corresponding major league operations.

## INDIAN RIVER COUNTY ANNUAL REPORT ON STATE SPRING TRAINING FUNDS

Dated: July 31, 2018

Indian River County is submitting its annual report to the Florida Department of Economic Opportunity in accordance with Florida Statute, Section 288.11631. Please find the requested information enclosed:

1. *A detailed report on all local and state funds expended to date on the project being financed under Section 288.11631, F.S.*

Attached is a detailed report of expenditures (**Attachment #1**) of the bond proceeds of the \$16,810,000 Indian River County, Florida, Revenue Bonds, (Spring Training Facility) Series 2001. Also please see a copy of the official statement for this bond issue (**Attachment #2**). These bonds are secured in part by the "Retained Spring Training Franchise" funds ("State Funds"). The original annual debt service for these bonds was \$1,221,333. The "State Funds" originally supported \$500,000 (40.9%) and local funds supported the remainder \$721,333 (59.1%). The annual debt service has dropped to about \$864,000 since a portion of the bond was paid off in 2013 with local funds.

Based on the portion of debt supported by the annual \$500,000 from the State of Florida, approximately \$6.9 million of the initial acquisition and construction costs (\$19 million) were funded by the "State Funds". The entire proceeds of the bond issue were expended by 2006. Additionally the County has continued to spend local funds since the bond issue was fully expended (See **Attachment #1A**). Total expenditures for this project now stand at approximately \$25 million.

2. *A copy of the contract between the certified local governmental entity and the spring training team.*

Please find a copy of the "Memorandum of Understanding" between the Los Angeles Dodgers, Inc. and the County entered into on August 9, 2000 (**Attachment #3**). Also, please find the Facility Lease Agreement between the Dodgers and Indian River County, entered into on September 1, 2000 (**Attachment #3A**), as well as the First, Second, Third, Fourth and Fifth Amendment to Facility Lease Agreement (**Attachments #3B, #3C, #3D, #3E and #3F**).

Further, the Certification of Indian River County as an authorized facility for a retained spring training facility pursuant to Section 228.1162, Florida Statutes, approved by OTTED on January 1, 2001, has been attached as well (**Attachment #4**).

3. *A cost-benefit analysis of the team's impact on the community*

Attached is a copy of the Economic Impact Report from the Treasure Coast Sports Commission for the 2018 Historic Dodgertown Spring Training held January 15, 2018 through April 30, 2018 (**Attachment #5**). This event resulted in 12,869 room nights in Indian River County, with an estimated \$4.4 million economic impact. It should be noted that Historic Dodgertown has activity throughout the year, not just during spring training. The total economic impact of this facility is shown in the attached report titled, "Economic Impact Study of the Vero Beach Sports Village on Indian River County" prepared by the Treasure Coast Sports Commission (**Attachment #5A**).

Also included is a copy of the "Economic Impact of Tourism" completed by the Center for Tourism Research & Development in December 2001 (**Attachment #5B**). This study estimated the total economic impact of Spring Training at Dodgertown at approximately \$119 million per year.

4. *Evidence that the certified governmental entity continues to meet the criteria in effect when the applicant was certified.*

As stated above, Indian River County entered into a Memorandum of Understanding (MOU) and a Facility Lease Agreement with the Dodgers in 2000. The MOU provided that the County would purchase the stadium from the Dodgers for \$10 million and provide \$7 million for the expansion and renovation of the facility. The Series 2001 Spring Training Facility Bonds were issued to finance the acquisition and improvements. This bond issue was secured partially by pledging the annual \$500,000 payments received in accordance with Section 121.20, Florida Statutes, through 2031. Several years later, the Dodgers terminated the lease agreement with Indian River County. Since that time, the County has entered into an agreement with Verotown (previously Minor League Baseball) to operate the facility. Please note, this agreement entered into on May 1, 2009, and as amended later, explicitly contemplates that Verotown will allow for and assist Indian River County in securing Spring Training opportunities at the facility (see **Attachment #6**). This agreement states, "Verotown (previously MiLB) acknowledges the community's desire to host, and agrees to promote the use of the Facility for Major League Baseball spring training activities and game events. Verotown agrees to negotiate with any Team expressing an interest in conducting spring training activities or game events at the Facility and will use its best efforts to enter into a sub lease or other use arrangement on such terms and conditions as Verotown deems commercially reasonable or feasible. Any such use by a Team shall require prompt review and approval by the County Administrator, which shall not be unreasonably withheld. In the event such approval is not timely forthcoming or otherwise withheld, Verotown may seek approval from the County Commission."

Please note, Section 288.11621(5)(f) states, “A local government as defined in s.218.369 may not be decertified by the department if it has paid or pledged for the payment of debt service on, or to fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto, bonds issued for the acquisition, construction, reconstruction, or renovation of the facility for which the local government was certified, or for the reimbursement of such costs or the refinancing of bonds issued for the acquisition, construction, reconstruction, or renovation of the facility for which the local government was certified, or for the reimbursement of such costs or the refinancing of bonds issued for such purpose. This subsection does not preclude or restrict the ability of a certified local government to refinance, refund, or defease such bonds.”

As shown in Attachments #3, and #4, the County was certified as a retained spring training facility on January 1, 2001. Further, Attachment #2 is the official statement for bonds issued for the acquisition, construction, and renovation of Dodgertown. This issue pledged the retained spring training facility funds for a period of thirty years beginning on February 28, 2001.

Subsequently, Indian River County pledged the “State Funds” for the payment of debt service on bonds issued for the acquisition, construction, and renovation of this facility. This scenario is contemplated within Section 288.11621(5)(f) as recently amended. Per Section 288.11621(5)(f), the County “may not be decertified by the department” based upon the information provided herein.

In the opinion of Bond Counsel, assuming continuing compliance by the County with certain covenants to comply with provisions of the Internal Revenue Code of 1986, as amended, interest on the Series 2001 Bonds is excluded from gross income for purposes of federal income taxation and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations under existing statutes, regulations and judicial decisions; although it should be noted that in the case of corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for purposes of such alternative minimum tax. Furthermore, in the opinion of Bond Counsel, the Series 2001 Bonds and the income therefrom are exempt from taxation under the laws of the State of Florida, except as to Florida estate taxes imposed by Chapter 198, Florida Statutes, as amended and net income and franchise taxes imposed by Chapter 220, Florida Statutes, as amended. - Objective 3: To assess tourists' satisfaction levels with Indian River County at different times throughout the year.

### Secondary Objective

- Objective 1: To assess different market segments based on trip purpose and provide recommendations for the future based on these findings and travel trends.

### Methods for Collecting Data

The respondents included tourists who visited one of thirteen sites in Indian River County. Surveying began on January 15, 2001 and continued until October 1, 2001. During the research phase, each of the sites were visited at least twice. Contact with visitors was made by independent interviewers hired by PMR, Inc., Gainesville, FL.

Interviewers worked in either teams of two or as an individual. They were instructed to approach every fifth person, alternating males and females. A quota was established for each site and season. Quotas ranged from 15 to 50 completed surveys. Business and leisure visitors who traveled from outside the county were included in the sample. The intercept interview was an eight page questionnaire that was administered through a personal interview.

A map of the county was provided ensuring accuracy of respondents answers regarding spending in the area.

Six-hundred surveys were completed.

## Conclusions

There are a few main conclusions that have come out of this study. They will be presented in the following areas:

- Primary market segment(s)
- Economic impact

### Primary Market Segments

#### *Primary Purpose of Trip*

1. Visiting Friends and Relatives (VFR) are the first largest market segment, they spend the most (\$539.05/trip) and participate in the most amount of activities in the county (average 4.3 activities). Half of the VFR segment stay in private residences, while half stay in commercial accommodations. VFRs are most likely to be first time visitors and are highly satisfied with tourism opportunities in the county
2. Outdoor recreationists are the second largest market segment, but spend the third greatest amount of money (\$277.10) and they participate in an average of 3.6 activities each trip. They tend to stay in commercial accommodations. Typically, they are younger, employed full time and usually Florida residents.
3. Festival and event visitors are the third largest segment, they spend \$276.73 per trip and come to Indian River County an average of 19 times each year. Typically, they are in-state residents, spend moderate amounts of money and stay in commercial accommodations one third of the time. They also stay in condos or apartments more frequently than other segments.
4. Beach visitors are the fourth largest segment but they spend the second largest amount of money, they tend to stay in resorts for approximately one week, are middle income families from both Florida and out-of-state and participate in the second greatest number of activities while in the community.
5. The shopping visitor is typically a Florida resident, who is loyal to the area (most frequent number of previous visits) stays in commercial accommodations, spends the least amount of money, participates in the fewest number of activities and has the lowest satisfaction scores.

#### *Day trippers vs. Overnighters*

1. Day trippers spend 1/5th the amount that overnight visitors do.
2. Day trippers come an average of 21 times a year and spend \$108 each time for a total of \$2,268.
3. Day trippers participate in half the activities in the county as that of overnight visitors.
4. Day trippers tend to be Florida residents and coming to the county to attend a festival or event or shopping.
5. Although day trippers do not contribute to the "bed tax" - they are still a substantial segment to tourism in IRC.

#### *Repeat Visitors vs. First timers*

1. Repeat visitors stay longer but spend less. They tend to be Florida residents, stay in commercial accommodations, stay short number of nights, and spend almost half as much as first timers. However, this segment also comes to the county approximately 13 times each year. Therefore, this is a substantial segment. Over a year they spend on average \$4,958.
2. First time visitors spend more money on a single trip although they stay a shorter amount of time and only visit once a year.

### *Florida Residents vs. Out-of-State residents*

1. Florida residents are the larger of the two markets, they tend to visit on average 19 times a year for attending festivals/events, shopping and outdoor recreation. They spend about 1/6th as much as out-of-state residents on each trip (\$191.67), but due to the frequency of travel to the county, their overall spending is much greater at \$3,641.67. Florida residents who visit Indian River County tend to be retired with high incomes.
2. Out-of-state residents are a slightly smaller market, yet they spend more money per trip than Florida residents (\$632.91). Although it is only once a year, it is still a substantial amount. This market tends to participate in more activities per trip and be more satisfied overall with their vacation.

### *Likely to Return vs. Unsure or Not Likely to Return Visitor*

1. Those who are highly likely to return are more likely to be Florida residents, participate in an average of 3.5 activities per trip, stay in a variety of commercial accommodations, visit purpose is to shop, participate in outdoor recreation and visit a festival or event. This market is somewhat older, with moderate income levels, and employed full time. This market visits the county an average of 13 times a year. They are extremely loyal visitors.
2. Those who indicated that they were unsure or not likely to return tended to be out-of-state visitors, typically employed full time or retired, with high income levels. They tend to spend similarly to those likely to return, but only come an average of three times a year. This market is slightly more satisfied with aspects of the county and tend to have come to the county to visit friends and relatives or go to the beach.

### **Economic Impact**

**Observation:** Local impact is enhanced by tourist's participation in more than just one primary attraction or event. Claims of high local impact are enhanced by evidence that tourists also attend attractions and events, stay in local hotels, and eat in local restaurants. The more events or attractions that the tourist participates in during their visit, the more economic impact they tend to have on the community.

1. Based on reported actual expenditures at the time the visitors were interviewed, and extrapolating to an estimated 554,000 visitors a year, it is estimated that about \$120 million of added value occurred to Indian River County, attributable to tourists. This accounts for an estimated 3,513 jobs.
2. Based on reported estimated expenditures that the visitors expected to spend on their trip, and extrapolating to an estimated 554,000 visitors a year, it is estimated that about \$154.4 million of added value occurred to Indian River county, attributable to tourists. This accounts for an estimated 4,540 jobs.

Table 1. Output, employment and value added impacts of tourism in Indian River County using actual and anticipated tourism expenditures, 2001:

Impact Measure:	Direct Impacts	Indirect Impacts	Induced Impacts	Total Impacts
	<u>Actual Tourism Expenditures</u>			
Output (\$1,000)	97,884.9	15,631.8	62,129.8	175,646.6

Value Added (\$1,000)	88,161.7	12,449.5	53,809.3	154,420.5

### Recommendations

**Observation:** Indian River County has a large number of repeat visitors (~80%). This is a positive indicator since only those satisfied with a destination tend to return to it. It is usually much easier to get a visitor to come back, than it is to attract new visitor. Indian River County seems to have accomplished this loyalty challenge. A likely partial explanation for the tourist loyalty is the ~23% who are visiting friends or relatives and the perception of high quality outdoor areas (beaches, parks, the inlet, fishing areas, etc.) and attractive festivals/events.

1. While growth occurs in the repeat-visitor realm, it is also important to attract new visitors. From the feedback gleaned from this study, it appears that one opportunity exists to promote in the in-Florida market. We recommend a promotional campaign targeted to those markets located in the more congested, developed and generally less pristine counties of South Florida and perhaps from the cities of Brevard county to the north. The campaign could encourage the opportunity to escape to (Indian River County) a quieter, coastal scenic area where you can enjoy walking on the beach, fishing, swimming and relaxing. Concentrate on factors where previous visitors report high satisfaction and 98% say they are likely to return. Also highlight Indian River County as an attractive alternative for potential tourists who are from more congested areas.
2. Given the probability that new visitors introduced to Indian River County will return, incentives to "discover" the area should be offered. We recommend *packaged get-away weekends* combining accommodations and events such as Dodgers games or other sports events, fishing or shopping day itineraries; and "try retirement" for two or three days in Indian River County (since half the existing tourist market is 50+

years old) as another possible idea. We also recommend that the Chamber of Commerce continue to advertise in FLA-USA, Inc.'s promotional brochures. In addition, continued advertising in South Florida regional magazines or travel sections of newspapers with some of these promotional themes would continue to generate awareness of the area, and present alternatives for weekend, holiday weekend or week long regional travelers.

3. Given the scenic and somewhat unique natural appeal of Indian River County, and the high satisfaction scores attributed to outdoor water-based recreation assets, there is opportunity for partnerships with other agencies or organizations and/or government such as the Florida Park Service. We recommend combining activities such as "take a kid fishing" or "family fishing/birdwatching/beach-combing," with workshops or seminars on beach or inlet fishing techniques, and maritime equipment shows could attract interest from new visitors. Events like this could be scheduled during Dodger's spring training season when sports/outdoor writers could help attract new prospects.

It is important that new visitors know how to locate public beach access, boat ramps and parking areas. Good signage will facilitate this and proactively reduce frustration among coastal visitors.

Additional promotion and advertising to attract golfers and their companions might be effective. It is likely that the combination of attending festivals/events, fishing, golfing and perhaps a Dodger's game, would be a highly attractive package, either for specific tourists interested in all or part of a package that could appeal to multiple members of a travel party.

4. Examining the visitors who said they were unsure or not likely to return revealed a potential market segment to grow the numbers of younger visitors. This market complained that there were not enough sit-down restaurants, that the area was too quiet and that there were not enough activities or nightlife.

# Introductory Section

February 28, 2018

To the Citizens of Lee County:

We are pleased to present to you the accompanying Comprehensive Annual Financial Report of Lee County (the County) for the fiscal year ended September 30, 2017. State law requires that a complete set of financial statements, presented in conformance with generally accepted accounting principles (GAAP), audited by licensed independent certified public accountants be released to the public within nine months of the fiscal year end. This report is being issued in fulfillment of these statutory requirements.

Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the Clerk of Circuit Court as Chief Financial Officer of the County. We believe the data, as presented, is accurate in all material respects, that it is presented in a manner designed to fairly set forth the financial position and the results of operations of the County, and that all disclosures necessary to enable the reader to obtain a comprehensive understanding of the County's financial activity have been included.

### *Internal Controls*

The County has established a comprehensive internal control framework that is designed to provide reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and ensure that the financial records for preparing financial statements and maintaining accountability for assets are reliable. The concept of reasonable assurance recognizes that the cost of control should not exceed the benefits likely to be derived and that the evaluation of costs and benefits requires estimates and judgments by management. All internal control evaluations occur within the above framework. We believe that the County's internal controls adequately safeguard assets and provide reasonable assurance of properly recorded financial transactions.

### *Independent Audit*

In compliance with the laws of the State of Florida the County's financial statements have been audited by CliftonLarsonAllen LLP, a firm of licensed independent certified public accountants. The audit was performed to provide reasonable assurance that the financial statements for the fiscal year ended September 30, 2017, are free of material misstatement. The audit involved performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements; evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management; as well as evaluating the overall financial statement presentation. The independent auditor issued an unmodified opinion on the County's financial statements for the fiscal year ended September 30, 2017. The Independent Auditors' Report is presented in the Financial Section of this report. Governmental accounting and auditing principles require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). The Management's Discussion & Analysis (pages 17-27) can be found in the Financial Section immediately following the Independent Auditors' Report and should be read in conjunction with this transmittal letter.

## County Structure and Services

Lee County was founded in 1887 and named in honor of General Robert E. Lee. The County is located on the Gulf of Mexico in the southwestern portion of Florida and encompasses approximately 811 square miles, including several small islands in the Gulf of Mexico. Four incorporated municipalities are located on the mainland: Fort Myers (one of two county seats), Estero, Bonita Springs, and Cape Coral (second county seat). The Town of Fort Myers Beach is located on Estero Island and the City of Sanibel is situated on Sanibel Island. The unincorporated communities include Lehigh Acres, North Fort Myers, Tice, Alva, Matlacha, Bokeelia, St. James City, and Captiva Island. Lee County's climate can be classified as subtropical with temperatures averaging from 66 degrees (F) in winter to 83 degrees (F) in summer.

Lee County is home to one of the fastest-growing populations in the nation and that trend looks to continue. With almost 24 percent of its residents age 65 and older, the County is well known as a retirement destination. Lee County's population grew by approximately 12 percent between 2010 and 2017, and is projected to have a population of 1,081,687 by 2045. The Bureau of Economic and Business Research projects a 48 percent increase in Lee County's 25 to 54 age group by 2040. The estimated population in 2017 is 698,468.

## County Services and Reporting Entity

The County provides its citizens with a wide range of services that include law enforcement, human and community assistance-related services, civil and criminal justice system services, road and bridge maintenance, park operation, library services, economic and physical environment, as well as other general and administrative support services. In addition, airport facilities, transit system, water and wastewater system, toll bridge facilities, and a waste-to-energy facility are provided under an enterprise concept with user charges set by the Board of County Commissioners.

The Board of County Commissioners (the Board) is the legislative body for the County, having the responsibility of budgeting and providing all the funding used by the various County departments and the separate Constitutional Officers, with the exception of fees collected by the Clerk of Circuit Court, Property Appraiser, and Tax Collector. Under the direction of the Clerk of Circuit Court, the Finance & Records Department maintains the accounting system for the Board's operations. The other Constitutional Officers maintain their own accounting systems. For purposes of this report the operations of the County as a whole, including all Constitutional Officers, have been presented.

In addition to the divisions of the Board and the Constitutional Officers, the Lee County Port Authority, a blended component unit, is included in the Comprehensive Annual Financial Report.

## Budgetary Controls

The adopted budget is controlled in accordance with Chapter 129, *Florida Statutes*, and a formal budget policy which is incorporated into the County's Administrative Code. The Assistant County Manager, on behalf of the County Manager, is responsible for the preparation of the Board's budget. The legally adopted total appropriation for a fund may only be changed by resolution of the Board. Full authority to transfer budgetary amounts other than these instances is delegated to the County Manager or the Assistant

County Manager. When the Board adopts the program budget it is integrated into the reporting system for management reporting purposes. Budget-to-actual comparisons are provided in the report for each fund for which an appropriated annual budget has been adopted. Original and final budgets for major governmental funds are also provided. The Constitutional Officers' budget control is retained at the fund level; the budgets of the Property Appraiser and Tax Collector are approved by the Florida Department of Revenue and those of the Clerk of the Circuit Court (excluding fees and court-related budgets), Sheriff, and Supervisor of Elections are approved by the Board. The court-related portion of the Clerk of Circuit Court's budget is determined by the State of Florida's legislature.

## *Financial Condition of the County*

### *Local Economy*

Lee County has long been a popular vacation and retirement spot with more than 50 miles of white sandy beaches that span from Gasparilla Island State Recreation Area to Barefoot Beach on Little Hickory Island. There are 18 miles of public parks on the beachfront and more than 100 public beach access points. Lee County contains more than 100 parks, beaches, wildlife refuges, including J.N. "Ding" Darling National Refuge on Sanibel Island; Lover's Key/Black Island State Park; Lakes Park; and Six Mile Cypress Slough. Lee County contains more than 90 golf courses and ranks fifth in the nation for hole-per-person ratio. Each year, thousands of fans flock to Lee County to watch spring training for the Boston Red Sox and Minnesota Twins. Although Lee County experiences year-round tourism, the number of tourists increases in winter as does the retiree population. The region also has a long history of attracting innovators, including the families of Henry Ford and Thomas Edison.

In Lee County, tourism employs one out of every five people. Approximately 4.8 million visitors arrive every year and generate \$3 billion in economic impact. The Lee County Visitor and Convention Bureau reported record-breaking tax collections for the seventh year in a row, collecting \$39.8 million in fiscal year 2017. The tourism figures provided by Lee County's Visitor and Convention Bureau for fiscal year 2017 showed that the number of visitors and spending by visitors remained steady year over year. One-fifth of paid accommodations visitors arrived from international markets. Passenger traffic at Southwest Florida International Airport ("SWFIA") reflected a 2.8 percent increase from the previous fiscal year. Southwest Florida International Airport served 8.8 million passengers in 2017 and continues to rank among the 50 busiest airports in the nation, according to the U.S. Department of Transportation.

With no personal income tax, Florida consistently ranks as one of the best places to do business, and Lee County businesses benefit from Florida's state tax structure. Florida's tax code is the fourth most competitive in the country according to a study released this year by the nonprofit group Tax Foundation. Cape Coral, Lee County's largest city, ranked as one of the best cities to start a business by WalletHub and as one of the best cities for future job growth in 2014 by Forbes. The County also has real estate development, agribusiness, high-tech manufacturing, corporate and regional headquarters, warehousing and distribution, and financial service industries.

## *Cash Management and Investments*

The cash needs of the County are monitored daily and cash that is temporarily idle during the year is invested in accordance with the County's investment policy. The primary objective of the investment policy is the preservation of capital and the protection of investment principal.

*Investments during the year were:*

- Treasury bills and notes and government agencies and instrumentalities whose investments consist primarily of municipals and U.S. government obligations. At fiscal year-end the maturities of the investments ranged from twenty-one days to twenty months and interest earned ranged from 0.77 percent to 1.39 percent.
- The State Board of Administration's ("SBA") Local Government Surplus Funds Investment Pool Trust Fund operates an investment pool for local governments. The average yield for the pool for the fiscal year was 1.08 percent.
- Repurchase agreements with primary United States broker/dealer firms, reporting daily to the New York Federal Reserve Bank. All term repurchase agreements (except those held by the County's trustees) are collateralized by 101 to 105 percent with the collateral held in the County's name by a third-party safekeeping agent. The collateral is valued weekly. The County did not enter into any repurchase agreements in fiscal year 2017.

## Risk Management

The Board maintains self-insurance programs to administer insurance activities related to property and casualty, county-wide employee health and dental programs, general liability, and worker's compensation. The concept of the self-insurance programs is to allow the County to absorb losses up to a specific annual amount. Excess and other specific coverages are purchased from third-party carriers.

Funding for these programs is generated by charges to the operating departments based on management's annual estimates of claim loss funding and administration/operating costs. The Lee County Sheriff's Office does not participate in the County's insurance programs and maintains a separate self-insurance fund for their employee health and dental coverage. The Port Authority does not participate in the property and casualty self-insurance program.

## Awards and Acknowledgments

### Awards

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the County for its Comprehensive Annual Financial Report for the fiscal year ended September 30, 2016. This was the 32nd consecutive year that the County has received this prestigious award. To be awarded a Certificate of Achievement, the County had to publish an easily readable and efficiently organized Comprehensive Annual Financial Report which satisfied both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. We believe our current Comprehensive Annual Financial Report continues to meet the Certificate of Achievement Program's requirements, and we are submitting it to GFOA to determine its eligibility for another certificate.

### Acknowledgements

**INDEPENDENT AUDITORS' REPORT**

Honorable Board of County Commissioners  
 Lee County, Florida

**Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Lee County, Florida (County), as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit.

We did not audit the financial statements of the Lee County Property Appraiser, the Lee County Sheriff, the Lee County Supervisor of Elections, and the Lee County Tax Collector, which represent the indicated percent of total assets, total revenues, and total net position and fund balance as presented in the table below. Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinion, insofar as it related to the amounts included for those components, is based solely on the reports of other auditors.

	Percentage Audited by Other Auditors		
	Assets	Revenues	Net Position/ Fund Balance
Governmental Activities	2%	8%	1%
General Fund	17%	4%	0%
Aggregate Remaining Fund Information	4%	11%	2%

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

***Auditors' Responsibility (Continued)***

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Opinions***

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of September 30, 2017, and the respective changes in financial position and, where applicable, cash flows thereof, and the respective budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Emphasis of Matter***

As described in Note IX, the County adopted the provisions of Governmental Accounting Standards Board Statement (GASBS) No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. As a result of the implementation of GASBS No. 75, the County reported a restatement for the change in accounting principle. The auditors' opinion was not modified with respect to the restatement.

***Other Matters***

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the schedule of total other postemployment benefit liability and schedules of the County's proportionate share of the net pension liability and of its contributions – pension plans on pages 17-27 and 98-100, respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

***Other Matters (Continued)***

***Other Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The introductory section, supplemental financial information, statistical section, and other supplemental information are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplemental financial information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, based upon our audit procedures performed as described above and the reports of other auditors, the supplemental financial information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory section, statistical section, and other supplemental information have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 28, 2018, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

## Management's Discussion and Analysis (unaudited)

This discussion and analysis of Lee County's (the County) financial statements is designed to introduce the basic financial statements and provide an analytical overview of the County's financial activities for the fiscal year ended September 30, 2017. The basic financial statements are comprised of the government-wide financial statements, fund financial statements, and footnotes to the financial statements. We hope this will assist readers in identifying significant financial issues and changes in the County's financial position.

### *Financial Highlights*

- At the close of fiscal year 2017, the County's assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources, resulting in total net position of \$2,941,687,000.
- The County's total net position decreased \$267,097,000, or -8.3 percent, in comparison to prior year. The net effect of implementing Governmental Accounting Standards Board (GASB) Statement 75 related to Other Postemployment Benefits (OPEB) decreased beginning net position by \$287,941,000.
- The County's governmental activities total net position of \$1,433,540,000 decreased \$254,733,000, or -15.1 percent, in comparison to prior year. The unrestricted net position is a deficit balance of \$336,609,000.
- The County's business-type activities total net position of \$1,508,147,000 decreased \$12,364,000, or -0.8 percent, in comparison to prior year. Approximately 12.4 percent of the total, or \$187,005,000 is unrestricted, and thus available for spending at the County's discretion.

- Total revenues increased \$37,058,000, or 3.5 percent, in comparison to prior year.
- Total expenses increased \$44,231,000, or 4.3 percent, in comparison to prior year.

### *Government-wide Financial Statements*

The government-wide financial statements (statement of net position and statement of activities found on pages 30-33) concentrate on the County as a whole and do not emphasize fund types but rather a governmental or a business-type classification, which are presented in separate columns. The governmental and business-type activities comprise the primary government. Fiduciary funds are not included in the government-wide financial statements.

General governmental and intergovernmental revenues support the governmental activities, whereas the business-type activities are primarily supported by user fees and charges for services. The purpose of the government-wide financial statements is to allow the user to be able to analyze the County's total financial position.

The statement of activities reflects the expenses of a given function or program, which are offset by program revenues. Program revenues are defined as charges for services, operating grants and contributions, and capital grants and contributions directly associated with a given function or program. Taxes are reported under general revenue. The County maintains an allocation program for indirect expenses and, therefore, reports this allocation in a separate column on the government-wide statement of activities.

The effect of the inter-fund activity has been removed from the government-wide financial statements. However, the inter-fund services between functions are not eliminated. The internal service fund activity has been eliminated except for the outside activity on the government-wide financial statements.

## *Fund Financial Statements*

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund equity or net position, revenues, and expenditures or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

The County's funds are presented in separate fund financial statements. These funds are presented on a governmental fund financial statement and a proprietary fund financial statement. The County's major funds are presented in separate columns on the fund financial statements. The definition of a major fund is one that meets certain criteria set-forth in Governmental Accounting Standards Board Statement Number 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments* ("GASB 34"). The funds that do not meet the criteria of a major fund are considered non-major funds and are combined into a single column on the fund financial statements. However, a non-major fund can be designated as a major fund if the County chooses to do so.

Annual budgets are adopted for all funds except agency funds, Sheriff's internal service and special revenue funds, and the Property Appraiser's special revenue fund. A budgetary comparison has been presented for the General Fund, which compares not only actual results to budget but also the original adopted budget to final budget.

### *Governmental Fund Financial Statements*

Governmental fund financial statements (found on pages 34-38) are prepared on the modified accrual basis using the current financial resources measurement focus. Under the modified accrual basis, revenues are recognized when they become measurable and available as net current assets. Although the activity of the internal service funds is reported with the governmental activities on the government-wide financial statements they are not combined on the government fund financial statements.

One of the County's governmental funds, the General Fund, is classified as a major fund. All other governmental funds are combined into a single column on the governmental fund financial statements. Individual fund data for the non-major funds are found in combining statements as supplemental financial data.

### *Proprietary Fund Financial Statements*

Proprietary fund financial statements (found on pages 39-45), like government-wide financial statements, are prepared on the full accrual basis. Proprietary funds record both operating and non-operating revenues and expenses. Operating revenues are those that are obtained from the operations of the proprietary fund.

The County reports the Port Authority, Water and Wastewater, Transportation Facilities, and Solid Waste as major funds in the proprietary fund financial statements. These enterprise funds are used to present the same functions that are presented in the government-wide financial statements. The only non-major fund, Transit, is reported in a separate column. The internal service funds are presented in their entirety combined in a single column on the proprietary fund financial statements.

The internal service funds are used to account for data processing, risk management, radio communications, telecommunications, fleet management, and self-insurance for health and dental, and workers' compensation services on a cost reimbursement basis. Individual fund data is in the combining statements as supplemental financial data.

Lee County, Florida

*Fiduciary Fund Financial Statements*

The fiduciary fund financial statement (found on page 46) is not included in the government-wide financial statements because the resources of those funds are not available to support the County's programs.

*Government-Wide Financial Analysis*

The government-wide financial statements were designed so that the user could determine if the County is in a better or worse financial condition from the prior year. The following is a condensed summary of net position for the primary government for fiscal years 2017 and 2016.

## *Financial Analysis of the Government's Funds*

### *Governmental Funds*

Governmental funds are comprised of the General Fund, special revenue funds, debt service funds, and capital projects funds. As noted earlier, governmental funds use the current financial resources measurement focus that focuses on near-term inflows and outflows. The General Fund is the general operating fund that is used to account for all financial resources, except those required to be accounted for in another fund.

The following are noteworthy facts and changes from prior year for the General Fund, which is the only Governmental Fund reported as a major fund:

*General Fund*- Total Revenues increased \$11,142,000, or 2.8 percent. Taxes increased \$14,269,000, or 5.3 percent, due to an increase of \$14,429,000 in Ad Valorem taxes as a result of higher assessed property values. Expenditures increased \$5,244,000, or 1.5 percent, primarily due to an increase in general government salaries and related costs, disaster pay and overtime related to Hurricane Irma, and an increase in public safety expenses due to higher Sheriff salaries and related costs, offset by a decrease in public safety capital expenditures for a helicopter lease entered into by the Sheriff in the prior year.

### *Proprietary Funds*

Proprietary funds are comprised of enterprise funds and internal service funds. An enterprise fund is used to account for activities for which a fee is charged to external users for goods and services. Internal service funds are those that provide a service, primarily within the government, and charge a recovery fee.

The following are noteworthy facts and changes from prior year for proprietary major funds:

*Port Authority* - Net operating revenue increased \$3,610,000, or 3.8 percent, in comparison to prior year as a result of an increase of \$1,636,000 in user fees and \$1,560,000 in concession revenue. User fees increased due to increased airline rents, landing fees and fuel sales and concession revenue increased due to higher rental car fees, restaurant/ terminal concessions, and parking fees. Total operating expenses increased \$887,000, or .9 percent, in comparison to prior year. Capital grants and contributions were \$984,000, or 3.4 percent, lower compared to the prior year.

*Water and Wastewater* - Net operating revenue increased \$3,987,000, or 3.7 percent, in comparison to prior year. User fees increased by \$4,004,000, or 3.8 percent, due to an increase in customer base and consumption. Operating expenses increased \$5,296,000, or 5.3 percent, in comparison to prior year primarily due to an increase in contractual services, materials, and supplies and depreciation expense. Capital contributions were \$3,647,000, or 18.1 percent, higher compared to the prior year due to an increase in prepaid water and sewer connection fees.

*Transportation Facilities* - Net operating revenue decreased by \$427,000, or -1.0 percent, in comparison to prior year due to a slight decline in toll revenue. Total operating expenses increased \$407,000, or 2.3 percent, in comparison to prior year primarily due to an increase in salaries, OPEB costs, and contractual services, materials and supplies.

*Solid Waste* - Net operating revenue increased \$5,943,000, or 7.6 percent, in comparison to prior year due to an increase in user fees of \$10,129,000 as a result of an increase in disposal rates, increased tonnage, and improved ferrous metal and recycling commodity markets; offset by a decrease in miscellaneous revenue of \$4,666,000 as a result of the discontinued power purchase agreement with Seminole Electric. Total operating expenses increased \$5,233,000, or 6.1 percent, in comparison to prior year primarily due to an increase in contractual services, materials and supplies.

*General Fund Budgetary and Actual Highlights*

The difference between the original adopted and final amended budget expenditures in the General Fund is an increase of \$15,487,000. The changes include:

- \$2,220,000 increase for Gartner, Inc. economic development incentive.
- \$1,915,000 increase for West Coast Inland Navigation District (WCIND) pass through grants for navigation related major maintenance projects.
- \$1,324,000 increase for the Low Income Home Energy Assistance Program (LIHEAP) grant.
- \$1,772,000 increase for Human and Veteran Services grants received for veteran housing assistance, homeless prevention projects, homeless housing and relocation services, and the Bob Janes Triage Center.
- \$5,170,000 increase for retiree premiums for the County and Sheriff previously paid out of the OPEB trust fund.
- \$1,217,000 increase for miscellaneous revenue received by the Sheriff to cover expenditures related to false alarms, overtime associated with background checks and fingerprinting services, vehicle repairs, and fuel.

The remaining amendments are a combination of increases and decreases for various reasons which separately are not noteworthy.

The variance between the final amended budget and actual expenditure results for the General Fund is a favorable variance of \$25,225,000. The differences are across multiple departments and are mainly due to unspent budget for various projects and conservative spending. Project costs are budgeted in the year they are anticipated to be obligated. In subsequent years the unused budget is re-appropriated until the project is completed.

Lee County, Florida  
NOTES TO THE FINANCIAL STATEMENTS  
September 30, 2017

NOTE I. SUMMARY OF SIGNIFICANT  
ACCOUNTING POLICIES

*Reporting Entity*

Lee County ("the County") was founded in 1887 as a political subdivision of the State of Florida established by Article VIII, Section 1(f), *Florida Constitution*. In 1996 by adoption of Lee County Ordinance No. 96-01 the County became a charter county as allowed by Article VIII, Section 1(c), *Florida Constitution*, and Chapter 125.82, *Florida Statutes*. Pursuant to Article VIII, Section 1(g), *Florida Constitution*, as a charter county the County has all powers of self-government not inconsistent with general law, or with special law approved by vote. It also gives the County authority to enact ordinances that are not inconsistent with general law.

The County is governed by an elected Board of County Commissioners ("the Board"), which is governed by Title XI, Chapters 124-164, *Florida Statutes*, and regulations. In addition to the members of the Board, there are five elected Constitutional Officers: Clerk of Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector. The Constitutional Officers maintain separate accounting records and budgets.

The accompanying financial statements present the financial position and results of operations of the entity as a whole, by major fund, and non-major funds in aggregate, that are governed by the Board and the Constitutional Officers of Lee County, Florida.

As required by generally accepted accounting principles ("GAAP"), the financial statements of the reporting entity include those of Lee County (the primary government) and its component units. A component unit is a legally separate organization for which the elected officials of the primary government are financially accountable. In addition, a component unit may be another organization for which the nature and significance of its relationship with a primary government is such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The departments and divisions, of the Board and the Constitutional Officers as well as the Lee County Port Authority ("the Port Authority"), a blended component unit, are included in Lee County's *Comprehensive Annual Financial Report*.

*Blended Component Unit*

The Port Authority is a dependent political subdivision of the County as defined in Chapter 189, *Florida Statutes*. The Port Authority was created by Chapter 63-1541, *Laws of Florida*, and by adoption of Resolution No. PA-87-8-9. The legal authority by which the Port Authority operates is found in Chapter 63-1541, *Laws of Florida*, and Chapters 125 and 332, *Florida Statutes*. The Port Authority is included in the County's reporting entity as a blended component unit due to the significance of the operational and financial relationships with the County.

Although it is a legally separate agency, financial support has been pledged and its financial and operational policies may be significantly influenced by the County. The Board of Port Commissioners is substantively the same governing body as the Board of County Commissioners. The Port Authority is accounted for as if it was a part of the County's operations and reported as a County Enterprise Fund.

Complete financial statements of the Port Authority component unit can be obtained as follows:

Lee County Port Authority  
11000 Terminal Access Road, Suite 8671  
Fort Myers, Florida 33913

*Government-Wide and Fund Financial  
Statements*

The government-wide financial statements and the major-fund financial statements along with the notes to the financial statements comprise the basic financial statements. The government-wide financial statements (the statement of net position and the statement of activities) concentrate on the County as a whole and do not emphasize fund types

Lee County, Florida  
NOTES TO THE FINANCIAL STATEMENTS  
September 30, 2017

but rather a governmental or a business-type classification, which are presented in separate columns. The governmental activities and business-type activities comprise the primary government. Neither fiduciary funds nor component units that are fiduciary in nature are included. General governmental and inter-governmental revenues support the governmental activities, whereas the business-type activities are primarily supported by user fees and charges for services. The purpose of the government-wide financial statements is to allow the user to be able to determine if the County is in a better or worse financial position than the prior year.

The statement of activities reflects the expenses of a given function or program, which are offset by program revenues. Program revenues are defined as charges for services, operating grants and contributions, and capital grants and contributions directly associated with a given function. Taxes are reported under general revenue.

The County's major funds are presented in separate columns on the governmental fund financial statements and the proprietary fund financial statements. The definition of a major fund is one that meets certain criteria set-forth in Governmental Accounting Standards Board Statement Number 34, *Basic Financial Statements- and Management's Discussion and Analysis- for State and Local Governments* ("GASB 34"). The funds that do not meet the criteria of a major fund are considered non-major funds and are combined into a single column on the fund financial statements.

The County allocates indirect expenses and therefore reports this allocation in a separate column on the government-wide statement of activities.

The effect of interfund activity has been removed from the government-wide financial statements.

Internal service fund activity is reported in full on the proprietary fund financial statements. The internal service funds are combined and thus reported in a single summary column on the proprietary fund financial statements. However, the internal service fund activity has been eliminated -

except for the outside activity - and is combined with the governmental activities on the government-wide financial statements. The outside activities are premiums paid from outside entities for insurance, employee's portion of insurance, auto and equipment repair, and participating governments in the radio program for the government communications network.

*Measurement Focus, Basis of Accounting, and Financial Statement Presentation*

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, deferred outflows/inflows of resources, fund equity or net position, revenues, and expenditures or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

Basis of accounting refers to when revenues and expenditures, or expenses, are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide financial statements are prepared on a full accrual basis using the economic resources measurement focus, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred. Property taxes are recognized in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all of the eligibility requirements have been met. Fiduciary fund financial statements are also prepared on an accrual basis.

Proprietary funds record both operating and non-operating revenues and expenses. Operating revenues are those that are obtained from the

operations of the proprietary fund that include user fees, tolls, rental and franchise fees, and concessions. Non-operating revenues are not related to the operations of the proprietary fund and include taxes, interest earnings, grants, and passenger facility charges. Operating expenses represent the cost of operations, which includes depreciation. Non-operating expenses, such as interest expense, are not related to operations.

Governmental fund financial statements are prepared on the modified accrual basis using the current financial resources measurement focus. Under the modified accrual basis, revenues are recognized when they become measurable and available as net current assets. The County considers all revenues, except grants, available if they are collected within sixty days after year-end. Grants are recorded as earned if collected within ninety days after year-end. Primary revenues, such as property taxes, special assessments, inter-governmental revenues, charges for services, sales and franchise taxes, rents, and interest are treated as susceptible to accrual under the modified accrual basis and so have been recognized as revenues. Expenditures reported in governmental fund financial statements are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. An exception to this general rule includes principal and interest on general long-term debt, which is recognized when due, and compensated absences which are accrued when matured.

When both restricted and unrestricted resources are available, restricted resources will be used first for incurred expenses, and then unrestricted as needed. When using the unrestricted resources, committed amounts would be reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

The County reports the following major fund in the governmental fund financial statements:

*General Fund*

The General Fund is the general operating fund of the County that is used to account for all financial

resources, except those required to be accounted for in another fund.

The County reports the following major funds in the proprietary fund financial statements:

*Port Authority*

The Lee County Port Authority is used to account for the activities related to the operation of the County owned aviation facilities, including Southwest Florida International Airport and Page Field General Aviation Airport.

*Water and Wastewater*

The Lee County Water and Wastewater System is used to account for the activities related to the operation of the County owned water and wastewater system.

*Transportation Facilities*

The Lee County Transportation Facilities fund is used to account for the activities related to the operation of the County owned bridges connecting Sanibel and Captiva Islands to the mainland and the Cities of Cape Coral and Fort Myers.

*Solid Waste*

The Lee County Solid Waste System is used to account for the provision of refuse disposal facilities to the general public.

The County reports the following other fund types:

*Non-major Governmental Funds*

The non-major governmental funds are a combination of special revenue, debt service, and capital projects.

*Non-major Enterprise Funds*

The only non-major enterprise fund is Lee County Transit. Lee County Transit is used to account for the activities related to the operation of the Lee Tran bus system, a countywide public transportation service.

*Internal Service Funds*

The internal service funds are used to account for data processing, risk management, health, dental and liability self-insurance, radio communications,

Lee County, Florida

and fleet management services on a cost reimbursement basis.

*Agency Funds*

The agency funds are used to account for assets collected and held by the County as an agent for individuals, organizations, or other governments, such as fire impact fees, school impact fees for the Lee County School Board, or license plate tag fees collected on behalf of the State of Florida.

*Use of Estimates*

The preparation of the financial statements requires management to make a number of estimates and assumptions relating to the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources and the disclosure of contingent assets at the date of the financial statements. Preparation of the financial statements also requires management to make a number of estimates and assumptions relating to the reported amounts of revenues and expenditures during the period. Actual results could differ from those estimates.

*Budgetary Information*

*Budgets and Budgetary Accounting*

Budgets have been adopted by the Board for all Board funds except for agency funds. The budgets of the Property Appraiser and the Tax Collector are approved by the Florida Department of Revenue. The Sheriff and Supervisor of Elections prepare budgets for their general funds, which are submitted to and approved by the Board. The Clerk of Circuit Court (to the extent of her function as ex-officio Clerk to the Board) prepares a budget for her general fund (noncourt-related activities), which is submitted to and approved by the Board. In addition, the Clerk prepares a portion of her noncourt-related and special revenue budgets based on anticipated fees. The Clerk also prepares a court-related budget, which is submitted to and approved by the Florida State Legislature in the General Appropriations Act. No budget is prepared for the

Property Appraiser's special revenue fund, and the Sheriff's special revenue and internal service funds.

Capital projects costs are budgeted in the year they are anticipated to be obligated. In subsequent years, the unused budget is reappropriated until the project is completed. Proprietary funds are budgeted on a basis consistent with GAAP, except that capital and debt related transactions are based upon cash receipts and disbursements. Estimated beginning fund balances are considered in the budgetary process. Differences between estimated beginning fund balances and actual fund balances, if material, are submitted to the Board as budget amendments. The annual budgets serve as the legal authorization for expenditures. Expenditures cannot legally exceed the total amount budgeted for each fund. The Board must approve all budget amendments, which change the legally adopted total appropriation for a fund, or amount of a Constitutional Officers' draw. Authority to transfer budget within a fund is delegated to the County Manager or Budget Director.

If, during the fiscal year, additional revenues become available for appropriation in excess of those estimated in the budget, the Board may make supplemental appropriations by resolution for the year up to the amount of such excess. During the fiscal year the Board, in accordance with Florida Statutes, approved various supplemental appropriations. Appropriations lapse at fiscal year-end.

*Assets, Liabilities, Deferred Outflows/  
Inflows of Resources, and Net Position or  
Equity*

*Cash, Cash Equivalents, and Investments*

The County considers cash, cash equivalents, and investments to be cash on hand, demand deposits, highly liquid investments, including those held as restricted assets, with original maturities of three months or less when purchased, and those included in the internal investment pool.

Lee County, Florida  
NOTES TO THE FINANCIAL STATEMENTS  
September 30, 2017

For accounting and investment purposes, the County maintains a cash and investment pool that is available for use by all funds except those whose cash and investments must be segregated due to legal or other restrictions. Investments within this pool are treated as a demand deposit account by the various funds of the County that participate. Interest earned on investments in the pool is allocated to the various funds based upon each fund's equity balance in the pool during the allocation period.

For purposes of the Statements of Cash Flows, the County considers cash and equity in pooled cash and investments (restricted and unrestricted), and restricted cash and cash equivalents with fiscal agent to be cash and cash equivalents.

The County reports all investments at fair value, with the exception of the State Board of Administration's ("SBA") Florida Local Government Surplus Trust Fund Investment Pool (Florida PRIME) which is reported at amortized cost and approximates fair value. The County also participates in the Florida Cooperative Liquid Assets Securities System (FLCLASS) investment pool and the Florida Local Government Investment Trust (FLGIT) which are measured at net asset value per share. The County categorizes its fair value measurements within the fair value hierarchy established in Governmental Accounting Standards Board Statement No. 72, "*Fair Value Measurements and Application*".

Florida PRIME is considered a qualifying external investment pool that meets all of the necessary criteria to elect to measure all of the investments at amortized cost. Therefore, the fair value of the County's position in the pool is the same as the value of the pool shares. The Florida PRIME investments are not categorized because they are not evidenced by securities that exist in physical or book entry form. Throughout the year, and as of September 30, 2017, Florida PRIME contained certain floating and adjustable rate securities. These investments represented 31.1 percent of Florida PRIME's portfolio at September 30, 2017.

In accordance with Governmental Accounting Standards Board Statement No. 79, *Certain External Investment Pools and Pool Participants*, as a participant in a qualifying external investment pool, the County should disclose the presence of any limitations or restrictions on withdrawals (such as redemption notice periods, maximum transaction amounts, and the qualifying external investment pool's authority to impose liquidity fees or redemption gates) in notes to the financial statements.

With regard to redemption gates, Section 218.409(8)(a), *Florida Statutes*, states that "The principal, and any part thereof, of each account constituting the trust fund is subject to payment at any time from the moneys in the trust fund. However, the Executive Director may, in good faith, on the occurrence of an event that has a material impact on liquidity or operations of the trust fund, for 48 hours limit contributions to or withdrawals from the trust fund to ensure that the Board can invest moneys entrusted to it in exercising its fiduciary responsibility. Such action must be immediately disclosed to all participants, the Trustees, the Joint Legislative Auditing Committee, the Investment Advisory Council, and the Participant Local Government Advisory Council. The Trustees shall convene an emergency meeting as soon as practicable from the time the Executive Director has instituted such measures and review the necessity of those measures. If the Trustees are unable to convene an emergency meeting before the expiration of the 48-hour moratorium on contributions and withdrawals, the moratorium may be extended by the Executive Director until the Trustees are able to meet to review the necessity for the moratorium. If the Trustees agree with such measures, the Trustees shall vote to continue the measures for up to an additional 15 days. The Trustees must convene and vote to continue any such measures before the expiration of the time limit set, but in no case may the time limit set by the Trustees exceed 15 days."

With regard to liquidity fees, Section 218.409(4), *Florida Statutes* provides authority for the SBA to impose penalties for early withdrawal, subject to disclosure in the enrollment materials of the amount

Lee County, Florida  
 NOTES TO THE FINANCIAL STATEMENTS  
 September 30, 2017

and purpose of such fees. At present, no such disclosure has been made.

As of September 30, 2017, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100 percent of their account value.

*Accounts Receivable*

The trade accounts receivable of the County are recorded in the government-wide, governmental, and proprietary fund financial statements and are net of an allowance for doubtful accounts, which generally is equivalent to the receivables that are over 90 days, plus any amounts to be submitted to the Board of County Commissioners for write-off due to known uncollectible amounts.

Special assessment receivables that are not expected to be collected in the current year are reported as Deferred Inflows - unavailable revenue in the governmental fund statements. Delinquent special assessments receivable are expected to be recovered, ultimately through liens or foreclosures.

*Due From/Due To*

During the course of operations, the County has activity between funds for various purposes. Any residual balances at year-end are reported as due from/to other funds. While these balances are reported in the fund financial statements, any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide statement of net position as "internal balances."

*Inventory*

Inventories reported within governmental and proprietary funds consisting of materials and supplies held for consumption are valued at cost using the first-in, first-out method (FIFO). These inventories are recorded as expenditures, or expenses, as they are used (consumption method). Such inventories reported within governmental funds are classified as non-spendable. Inventory

held for resale consists of real estate holdings which the County intends to sell as part of a Neighborhood Stabilization grant program and are reported at the lower of cost or market. The inventory is classified as a restricted asset, which indicates it does not constitute available resources.

*Prepaid Items*

Some payments to vendors represent costs applicable to future accounting periods and are recorded as prepaid items in the financial statements.

*Capital Assets*

Capital assets include artwork, property, buildings, furniture, equipment, vehicles, software, easements and rights of way, and infrastructure assets. Infrastructure assets are defined as public domain capital assets such as roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, lighting systems, and similar assets that are immovable and of value only to the government unit. Capital assets are reported in the government-wide financial statements in the applicable governmental or business-type activities column, as well as the proprietary fund financial statements. The threshold for capitalizing property, plant, and equipment is \$1,000. The threshold for capitalizing software and infrastructure is \$100,000. Capital assets are recorded at cost or estimated historical cost. Contributed assets are recorded at acquisition value at the time received. Depreciation is calculated using the straight-line method over the estimated useful lives of the related assets. The ranges of the useful lives are as follows:

<u>Asset</u>	<u>Years</u>
Buildings	30-50
Improvements other than buildings	6-50
Equipment	3-35
Computer Equipment	3-10
Furniture	4-20
Vehicles & rolling stock	3-12
Software	3-5
Infrastructure	20-50

Lee County, Florida  
NOTES TO THE FINANCIAL STATEMENTS  
September 30, 2017

Florida Statutes require that the Board maintain accountability for all capital assets used in operations, except those separately accounted for by the Sheriff.

#### *Capital Lease Obligations*

In the government-wide financial statements and proprietary fund financial statements, capital lease obligations and the related cost of assets acquired are reflected in the Statement of Net Position. For capital lease obligations in governmental funds, expenditure for the asset and the offsetting other financing source is reflected in the fund financial statements in the year of inception.

#### *Unearned Revenues*

Unearned revenues represent revenues collected in advance of services performed and will be recognized when the services are rendered.

#### *Compensated Absences*

The County maintains a policy that permits employees to accumulate earned but unused vacation and sick pay benefits that will be paid to employees upon separation from County service if certain criteria are met. These benefits, plus their related tax and retirement costs are classified as compensated absences. The County's policy requires employees to bank unused sick pay benefits. Both the current and long-term portion of compensated absences are accrued and reported in the government-wide and proprietary fund financial statements. The exception to this policy is the Lee County Port Authority, which has a mandatory annual buyback of unused leave. This is accounted for pursuant to GASB Statement Number 16, *Accounting for Compensated Absences*. Payments for compensated absences are made by the respective fund.

#### *Unamortized Bond Premiums and Discounts*

Bond premiums and discounts related to long-term debt are amortized over the life of the debt, principally by the effective-interest method. Notes

payable and revenue bonds payable in the government-wide and proprietary fund financial statements are shown net of unamortized discounts and premiums. Premiums and discounts related to general long-term debt in the governmental fund financial statements are recorded as expenditures or other financing sources when paid or received and, therefore, are not accounted for in subsequent periods.

#### *Deferred Outflows of Resources*

Deferred outflows of resources represents a consumption of net position that applies to future period(s) and so will not be recognized as an outflow of resources (expense or expenditure) until then. The deferred outflows of resources reported in the County's Statement of Net Position represents other postemployment benefit related balances for the difference between expected and actual experience, changes in actuarial assumptions, and subsequent contributions; pension related balances for changes in actuarial assumptions, the difference between expected and actual economic experience, the net difference between projected and actual earnings, changes in the proportion and differences between the County's contributions and proportionate share of contributions, and the County's contributions subsequent to the measurement date. These amounts will be recognized as increases in expense in future years. The County also reports a deferred outflow of resources for the losses on refunded debt that result from the difference in the carrying value of refunded debt and its reacquisition price. This amount is amortized using the effective-interest method in the government-wide and proprietary fund financial statements over the shorter of the life of the old bonds or the life of the new bonds.

#### *Deferred Inflows of Resources*

Deferred inflows of resources represents acquisition of resources that applies to future reporting period(s) and will not be recognized as an inflow of resource (revenue) until then. In governmental funds, revenues not received within sixty days of year-end are deferred until collected as they do not meet the availability criteria. The County currently

Lee County, Florida  
NOTES TO THE FINANCIAL STATEMENTS  
September 30, 2017

has unavailable revenue for special assessments, grants, and accounts receivables. The deferred inflows of resources reported in the County's Statement of Net Position represents other postemployment benefits related balances for changes in actuarial assumptions; pension related balances for the difference between expected and actual economic experience, and changes in the proportion and differences between the County's contributions and proportionate share of contributions relating to the Florida Retirement System Pension Plan and the Retiree Health Insurance Subsidy Program. These amounts will be recognized as reductions in expense in future years. Also included in deferred inflows of resources are gains on refunded debt that result from the difference in the carrying value of refunded debt and its reacquisition price. This amount is amortized using the effective-interest method in the government-wide and proprietary fund financial statements over the shorter of the life of the old bonds or the life of the new bonds.

### *Pensions*

In the government-wide and proprietary funds statements of net position, liabilities are recognized for the County's proportionate share of each pension plan's net pension liability. For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Florida Retirement System (FRS) defined benefit plan and the Health Insurance Subsidy (HIS) and additions to/deductions from FRS's and HIS's fiduciary net position have been determined on the same basis as they are reported by the FRS and HIS plans. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds of employee contributions are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

### *Net Position*

In the government-wide and proprietary fund financial statements net position is categorized as net investment in capital assets, restricted and

unrestricted. Restricted net position indicates amounts that have constraints on their use externally imposed by creditors, through debt covenants, by grantors, or by law. Restricted assets are being reported for: capital projects; debt service; inventory held for resale; special revenue funds; and renewal and replacement. The government-wide statement of net position reports \$248,222,000 of governmental activities restricted net position, of which \$229,241,000 is restricted by enabling legislation.

### *Fund Balances*

In the governmental fund financial statements the County reports fund balances as either non-spendable or spendable. Spendable fund balances are further classified in a hierarchy based on the extent to which there are external and internal constraints.

Non-spendable balances are those that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. Criteria include items that are not expected to be converted into cash, for example inventories and prepaids. It also includes the long-term amount of loans and notes receivable, as well as property acquired for resale. However, if the use of the proceeds from the collection of those receivables or from the sale of those properties is restricted, committed, or assigned, then they should be included in the appropriate fund balance classification.

Spendable fund balances are classified as follows:

*Restricted Fund Balance* - Amounts that are constrained for a specific purpose imposed by creditors (such as through debt covenants), grantors, contributors, laws or regulations, or through constitutional provisions or enabling legislation.

*Committed Fund Balance* - Amounts constrained for a specific purpose imposed by a formal action of adopting an ordinance by the Board, the highest level of decision making authority, for the County. Once adopted, an ordinance can only be modified,

Lee County, Florida  
 NOTES TO THE FINANCIAL STATEMENTS  
 September 30, 2017

rescinded, or replaced in the same manner, by another ordinance of the Board.

*Assigned Fund Balance* – Amounts that are intended to be used for specific purposes as determined by the Board, but that are neither restricted nor committed. Per the Board’s administrative code, only the Board is authorized to assign fund balance.

*Unassigned Fund Balance* – Amount represents the residual fund balances for the County’s General Fund that does not meet the other fund balance classification requirements and amounts reported as deficit fund balances in other governmental funds.

**NOTE II. DIFFERENCE BETWEEN BUDGETED AND ACTUAL RESULTS**

Budgets are adopted on a basis consistent with GAAP except as follows:

- *General Fund* – Emergency Medical Services (EMS) ambulance fees are budgeted on a cash basis; the adjustment to record the remaining outstanding fees to accounts receivable for the year is not budgeted. Changes in fair market value (FMV) of investments, repayment of an advance from another fund, and inventory adjustments are not budgeted.

The following adjustments were necessary to present actual data on a budgetary basis (Non-GAAP) for the fiscal year ended September 30, 2017 (dollars in thousands):

General Fund:

Net change in fund balance (GAAP basis)	(\$11,661)
Basis Difference:	
EMS ambulance fees not reported on a cash basis	(202)
Fair market value adjustment	215
Advance not budgeted as transfer	5
Unavailable revenues	114
Expenditures associated with inventory	1,129
Net change in fund balance non-GAAP	<u>(\$10,400)</u>

**NOTE III. PROPERTY TAXES**

Property taxes become due and payable on November 1 of each year and are delinquent on April 1 of the following year. Discounts on property taxes are allowed for payments made prior to the April 1 delinquent date. Tax certificates for the full amount of any unpaid taxes must be sold no later than June 1 of each year. No accrual for the property tax levy becoming due in November 2017 is included in the accompanying financial statements, since such taxes are collected to finance expenditures of the subsequent period.

Procedures for collecting delinquent taxes, including applicable tax certificate sales and tax deed sales, are provided by Florida Statutes. The enforceable lien date is approximately two years after taxes become delinquent and occurs only upon request of a holder of a delinquent tax certificate. There were no significant delinquent property tax receivables at September 30, 2017.

Important dates in the property tax cycle are as follows:

- Assessment roll certified- July 1
- Millage resolution approved- no later than 95 days following receipt of the certified preliminary assessment roll
- Beginning of fiscal year for which taxes have been levied- October 1
- Taxes due and payable (levy date)- November 1
- Property taxes payable (maximum discount of 4 percent)- 30 days after levy date
- Due date- March 31
- Taxes become delinquent (lien date)- April 1
- Tax certificate sold- prior to June 1

*Fair Value*

The County categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on valuation inputs used to measure the fair value of the asset.

Level 1 – Valuation is based on quoted prices for identical instruments traded in active markets. At September 30, 2017, the County held no such assets.

Level 2 – Valuation is based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.

Level 3 – Valuation is based on model-based techniques that use significant inputs and assumptions not observable in the market. These unobservable inputs and assumptions reflect the Reserve Banks’ estimates of inputs and assumptions that market participants would use in pricing the assets and liabilities. Valuation techniques include the use of option pricing models, discounted cash flow models, and similar techniques. At September 30, 2017, the County held no such assets.

The categorization of investments within the hierarchy is based upon the pricing transparency of the instrument and should not be perceived as the particular investment’s risk.

The County invests in U.S. Treasury and Agency Securities which were valued using a matrix pricing model and determined to be Level 2 inputs.

The County has the following recurring fair value measurements as of September 30, 2017 (dollars in thousands):

*Investments by fair value level (Level 2)*

Debt securities	
U.S. Treasury securities	\$ 159,306
Agency securities	473,947
Total debt securities	<u>633,253</u>
Total Investments by fair value level	<u>633,253</u>

*Investments measured at the net asset value (NAV)*

Local Government Investment Pool (FLCLASS)	20,262
Local Government Investment Trust (FLGIT)	1,999
Total investments measured at the NAV	<u>\$ 22,261</u>

*Credit Risk*

The Board’s Investment Policy (Policy) limits credit risk by restricting authorized investments for their investment portfolio to the following:

- A.) Direct obligations of, or obligations the principal and interest of which are unconditionally guaranteed by the United States Government.
- B.) U.S. Government sponsored enterprises.
- C.) U.S. Government Agencies.
- D.) Florida Local Government Surplus Funds Trust Fund.
- E.) Interest-bearing time deposits or savings accounts in banks organized under the laws of Florida, in national banks organized under the laws of the United States and doing business and situated in Florida. Savings and loan associations which are under federal law and supervision, provided deposits are secured by collateral as may be prescribed by law. The institution must be fully insured by Federal Deposit Insurance Corporation, or Federal Savings and Loan Insurance Corporation, and are approved by the State Treasurer as a qualified public depository.
- F.) Securities of, or other interests in, any open-end or closed-end management type investment company or investment trust registered under the Investment Company Act of 1940, provided their portfolio is limited to United States Government

Lee County, Florida  
NOTES TO THE FINANCIAL STATEMENTS  
September 30, 2017

obligations and repurchase agreements fully collateralized by such United States Government obligations.

- G.) Repurchase agreements with any primary brokers/dealers that are fully collateralized by direct obligations of United States, or United States government sponsored corporation/ instrumentalities, or United States government agencies.
- H.) Bonds, notes or obligations of any state of the United States, any municipality, political subdivision, agency or authority of this state which are exempt from federal income taxation, and are rated by any nationally recognized rating agency for municipal bonds in any of the two highest classifications.
- I.) SEC - registered, no-load money market mutual funds whose portfolios consist of tax exempt securities and repurchase agreements, whose shares of the mutual fund must be rated in the highest category by a nationally recognized rating service.
- J.) Florida Local Government Investment Trust (FLGIT).
- K.) SEC registered money market mutual funds with average portfolio maturities under 120 days, whose portfolios consist of United States Government securities and repurchase agreements secured by such securities.

The Board's Policy requires that collateral for overnight and term repurchase agreements must maintain a minimum price of 101 percent on U.S. Treasuries and 102 percent on Agencies and Instrumentalities not to exceed five (5) years, and must be "marked to market" on a weekly basis. The Board's Policy also requires that the obligations of any state or municipality be rated by at least one of the nationally recognized rating agencies in any one of the two (2) highest classifications, and that investments in money market mutual funds must be rated in the highest category by a nationally recognized rating service. All credit ratings

indicated in the above table are Standard & Poor's (S&P) ratings.

The Clerk does not have a formal written investment policy and thereby is required to follow Section 218.415, *Florida Statutes*, when investing surplus funds. This statute limits investing of surplus funds to the Local Government Surplus Funds Trust Fund, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act of 1969, Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency, interest-bearing time deposits or savings accounts in qualified public depositories, or direct obligations of the U.S. Treasury. All other Constitutional Officers, except the Clerk, follow the guidance in Section 219.075, *Florida Statutes*, regarding the deposit of funds and the investment of surplus funds, in addition to Section 218.415, *Florida Statutes*.

#### *Custodial Credit Risk*

The Board's Policy requires that bank deposits be secured as provided by Chapter 280, *Florida Statutes*, and that the banks must be fully insured by the Federal Deposit Insurance Corporation (FDIC) or the Federal Savings and Loan Insurance Corporation (FSLIC) and approved by the State Treasurer as a public depository. At September 30, 2017, all of the County's bank deposits, including the Constitutional Officers', were in qualified public depositories.

The Board's Policy requires execution of a third-party custodial safekeeping agreement for all purchased securities and collateral, and requires that they be held in the County's name.

#### *Interest Rate Risk*

The Board's Policy requires an average minimum dollar amount equivalent to eight weeks of expenditures shall be held in a liquid investment, and securities will not be directly invested in or accepted as collateral that have a maturity date greater than five (5) years from the settlement date.

*Concentration of Credit Risk*

The Board's Policy establishes limitations on portfolio composition in order to control concentration of credit risk. The Board's Policy allows 100 percent of the portfolio to be invested in United States Treasuries/Agencies, 50 percent to be invested in Local Government Surplus Funds, 20 percent to be invested in repurchase agreements, 65 percent to be invested in money market mutual funds (no individual fund family can exceed 30 percent of the overall portfolio), 30 percent to be invested in Certificate of Deposits, and 5 percent to be invested in FLGIT. No more than 25 percent of

the total portfolio can be invested with one investment company.

**NOTE VII. OTHER POSTEMPLOYMENT BENEFITS**

The County maintains two single-employer, defined benefit other postemployment benefits plans ("OPEB"), the Group Health Program for Lee County administered by Aetna and the Lee County Sheriff Health Care Plan administered by the Self-Insured Benefit Administrator.

Pursuant to provisions of Section 112.08, *Florida Statutes*, former employees and eligible dependents who retire from the local government unit may continue to participate in the group or self-insurance plan for comprehensive health and hospitalization at a premium cost not to exceed the premium cost for active employees. Contribution requirements of the County and Sheriff Office are established and may be amended by the employer.

The County's total OPEB liability as of September 30, 2017, was \$588,399,000.

*Group Health Program for Lee County*

Plan Description

The Group Health Program for Lee County ("GHPLC") provides medical, dental, vision and life insurance benefits (OPEB) to County retirees and their spouses. All the Constitutional Officers, except the Lee County Sheriff, participate in GHPLC. At October 1, 2017, the date of the latest actuarial valuation, plan participation consisted of 3,735 current active plan members, 908 retirees and 351 eligible dependents receiving postemployment health care benefits. In addition, Medicare eligible retirees and their Medicare eligible dependents may enroll in the Medicare Advantage Plan (MAP), a fully funded insurance plan administered by United Healthcare.

Funding Policy

The County subsidizes the premium rates paid by retirees by allowing them to participate at blended premium rates for both active and retired employees. These rates provide an implicit subsidy for retirees because, on an actuarial basis, retiree claims are expected to result in higher costs to the plan on average than those of active employees. In

addition, for retirees with a hire date prior to January 1, 2008, the County offers a direct subsidy of 60 percent for MAP participants and 50 percent for Aetna participants. A \$96 discount is applied for plan members enrolled in Medicare Part B for the self-insurance plan. No discount is offered for MAP. The Clerk of Circuit Court does not subsidize any contribution rates. Vision and dental insurance are offered to retirees; however, they are not subsidized by the County. The plan also allows retirees the option to continue to participate in the GHPLC life insurance policy. The life insurance is only available to the retiree, and has a face value of \$5,000. The following table summarizes the retirees' monthly contribution rates for 2017. The Plan is funded on a pay-as-you-go basis.

A publicly available financial report that includes financial statements and required supplementary information is not available for either plan.

Funding Policy

The current published monthly rates for retiree Health Care coverage are \$753 for single and \$1,419 for retiree plus spouse. An \$80 discount is applied for plan members enrolled in Medicare Part B. The LCSO subsidizes a percentage of the monthly major medical and hospitalization insurance for employees hired prior to October 1, 2010 based on the number of years of service credited to the Florida Retirement System ("FRS") before retirement. Vision and dental insurance are offered to retirees; however, they are not subsidized by LCSO.

The retiree contribution rate for the life insurance policy is \$0.80 per month. The table below shows the contribution percentages for the corresponding years of service. The plan is funded on a pay-as-you-go basis.

Actuarial Methods and Assumptions

At September 30, 2017, the Sheriff's total OPEB liability was measured as of September 30, 2016, and was determined by an actuarial valuation as of that date. The following actuarial assumptions and other inputs were applied to all periods included in the measurement:

The discount rate was based on the 20 Year Municipal Bond Rate.

Mortality rates were based tables used in the July 2016 actuarial valuation of the Florida Retirement System. They are based on the results of statewide experience study covering the period of 2008 through 2013.

The actuarial assumptions used in the September 30, 2016 valuation were based on the results of an actuarial experience study for the period October 1, 2015 through September 30, 2016.

NOTE VIII. RETIREMENT PLANS

*Defined Benefit Pension Plans*

*Background*

The Florida Retirement System (FRS) was created by Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

All regular County employees are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs. A comprehensive annual financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' Web site ([www.dms.myflorida.com](http://www.dms.myflorida.com)).

The County's pension expenses for both the FRS Pension Plan and HIS Plan for the year ended September 30, 2017 totaled \$58,880,000.

*Florida Retirement System Pension Plan (FRS Plan)*

Plan Description

The Florida Retirement System Pension Plan (FRS Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- *Regular Class* - Members of the FRS who do not qualify for membership in the other classes.
- *Elected County Officers Class* - Members who hold specified elective offices in local government.
- *Senior Management Service Class (SMSC)* - Members in senior management level positions.
- *Special Risk Class* - Members who are special risk employees, such as law enforcement officers, meet the criteria to qualify for this class.

Employees enrolled in the FRS Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the FRS Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the FRS Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the FRS Plan may include up to 4 years of credit for military service toward creditable service. The FRS

Lee County, Florida  
 NOTES TO THE FINANCIAL STATEMENTS

Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

DROP, subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided

Benefits under the FRS Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits. The following chart shows the percentage value for each year of service credit earned:

Class, Initial Enrollment, and Retirement Age/Years of Service:	% Value
<b>Regular Class members initially enrolled before July 1, 2011</b>	
Retirement up to age 62 or up to 30 years of service	1.60
Retirement up to age 63 or up to 31 years of service	1.63
Retirement up to age 64 or up to 32 years of service	1.65
Retirement up to age 65 or up to 33 years of service	1.68
<b>Regular Class members initially enrolled on or after July 1, 2011</b>	
Retirement up to age 65 or up to 33 years of service	1.60
Retirement up to age 66 or up to 34 years of service	1.63
Retirement up to age 67 or up to 35 years of service	1.65
Retirement up to age 68 or up to 36 years of service	1.68
<b>Elected County Officers</b>	3.00
<b>Senior Management Service Class</b>	2.00
<b>Special Risk Regular</b>	
Service from December 1, 1970, through September 30, 1974	2.00
Service on and after October 1, 1974	3.00

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. FRS Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement. In 2017, Senate Bill 7022 made several changes to FRS. The bill provides for renewed membership in the investment plan to reemployed defined contribution plan retirees, as well as, In-Line-of Duty Death Benefits.

Contributions

The Florida Legislature establishes contribution rates for participating employers and employees. Effective July 1, 2011, all FRS Plan members (except those in DROP) are required to make 3 percent employee contributions on a pretax basis. The contribution rates attributable to the County, effective July 1, 2016, were applied to employee salaries as follows: regular employees 5.80 percent, county elected officials 40.75 percent, senior management 20.05 percent, and DROP participants 11.33 percent. The County's contributions to the FRS Plan were \$27,667,000 for the year ended September 30, 2017.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At September 30, 2017, the County reported a liability of \$310,644,000 for its proportionate share of the FRS Plan's net pension liability. The net pension liability was measured as of June 30, 2017, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2017. The County's proportion of the net pension liability was based on the County's contributions received by FRS during the measurement period for employer payroll paid dates from July 1, 2016, through June 30, 2017, relative to the total employer contributions received from all of FRS's participating employers. At June 30, 2017, the County's proportion was 1.0502 percent, which was an increase of 0.0080 percent from its proportion measured as of June 30, 2016.

For the year ended September 30, 2017, the County recognized pension expense of \$51,689,000 for its proportionate share of FRS's pension expense.

In addition, the County reported its proportionate share of FRS's deferred outflows of resources and deferred inflows of resources from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	\$ 28,509,000	\$ 1,721,000
Changes in Actuarial Assumptions	104,398,000	-

County Contributions Subsequent to the Measurement Date	7,663,000	-
Total	\$ 151,988,000	\$ 16,823,000

Deferred outflows of resources related to pensions included \$7,663,000 resulting from contributions subsequent to the measurement date. This amount will be recognized as a reduction of the net pension liability in the year ended September 30, 2018. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended September 30:	
2018	\$16,068,000
2019	42,792,000
2020	31,292,000
2021	7,974,000
2022	21,546,000
Thereafter	7,830,000

Actuarial Assumptions

The total pension liability in the July, 1 2017 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.60 %, per year
Salary increases	3.25 %, average
Investment rate of return	7.10 %

Mortality rates were based on the Generational RP-2000 with Projection Scale BB. The actuarial assumptions used in the July 1, 2017, valuation were based on the results of an actuarial experience study for the period July 1, 2008, through June 30, 2013.

The long-term expected rate of return on pension plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. The target allocation, as outlined in the FRS Plan's investment policy, and best estimates of arithmetic

and geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Annual Arithmetic Return	Compound Annual (Geometric) Return	Standard Deviation
Cash	1.0%	3.0%	3.0%	1.8%
Fixed Income	18.0%	4.5%	4.4%	4.2%
Global Equity	53.0%	7.8%	6.6%	17.0%
Real Estate (property)	10.0%	6.6%	5.9%	12.8%
Private Equity	6.0%	11.5%	7.8%	30.0%
Strategic Investments	12.0%	6.1%	5.6%	9.7%
Totals	100%			
Assumed Inflation - Mean			2.6%	1.9%

Discount Rate

The discount rate used to measure the total pension liability was 7.10 percent for the FRS Plan. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rate specified in statute. Based on that assumption, each of the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Pension Liability Sensitivity

The following presents the County's proportionate share of the net pension liability for the FRS Plan, calculated using the discount rate disclosed in the preceding paragraph, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

Retiree Health Insurance Subsidy Program (HIS Plan)

Plan Description

The Retiree Health Insurance Subsidy Program (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided

For the fiscal year ended June 30, 2017, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions

The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended June 30, 2017,

Lee County, Florida  
 NOTES TO THE FINANCIAL STATEMENTS  
 September 30, 2017

the contribution rate was 1.66 percent of payroll pursuant to section 112.363, Florida Statutes. The County contributed 100 percent of its statutorily required contributions for the current and preceding 3 years. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or canceled. The County's contributions to the HIS Plan were \$4,526,000 for the year ended September 30, 2017.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At September 30, 2017, the County reported a liability of \$89,915,000 for its proportionate share of the HIS Plan's net pension liability. The net pension liability was measured as of June 30, 2017, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2017. The County's proportion of the net pension liability was based on the County's contributions received during the measurement period for employer payroll paid dates from July 1, 2016, through June 30, 2017, relative to the total employer contributions received from all participating employers. At June 30, 2017, the County's proportion was 0.8409 percent, which was an increase of 0.0001 percent from its proportion measured as of June 30, 2016.

For the year ended September 30, 2017, the County recognized pension expense of \$7,190,000 for its proportionate share of HIS's pension expense. In addition, the County reported its proportionate share of HIS's deferred outflows of resources and deferred inflows of resources from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	\$ -	\$ 187,000
Changes in Actuarial Assumptions	12,639,000	7,775,000
Net Difference Between Projected and Actual Earnings on HIS Program Investments	49,000	-
Changes in Proportion and Differences Between County Contributions and Proportionate Share of Contributions	3,400,000	1,472,000
County Contributions Subsequent to the Measurement Date	1,159,000	-
Total	\$ 17,247,000	\$ 9,434,000

Deferred outflows of resources related to pensions included \$1,159,000 resulting from contributions subsequent to the measurement date. This amount will be recognized as a reduction of the net pension liability in the year ended September 30, 2018. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended September 30:

2018	\$1,825,000
2019	1,815,000
2020	1,811,000
2021	1,486,000
2022	832,000
Thereafter	(1,115,000)

Actuarial Assumptions

The total pension liability in the July 1, 2017, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.60 %, per year
Salary increases	3.25 %, avg with inflation
Municipal Bond Rate	3.58 %

Mortality rates were based on the Generational RP-2000 with Projection Scale BB. The actuarial

Lee County, Florida  
 NOTES TO THE FINANCIAL STATEMENTS  
 September 30, 2017

assumptions used in the July 1, 2017, valuation were based on the results of an actuarial experience study for the period July 1, 2008, through June 30, 2013.

Discount Rate

The discount rate used to measure the total pension liability was 3.58 percent for the HIS Plan. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Pension Liability Sensitivity

The following presents the County's proportionate share of the net pension liability for the HIS Plan, calculated using the discount rate disclosed in the preceding paragraph, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

Description	1% Decrease	Current Discount Rate	1% Increase in Discount Rate
HIS Plan Discount Rate	2.58%	3.58%	4.58%
County's Proportionate Share of the HIS Plan Net Pension Liability	\$ 102,605,000	\$ 89,915,000	\$ 79,345,000

Pension Plan Fiduciary Net Position

Detailed information about the HIS Plan's fiduciary's net position is available in a separately-issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report. That report may be obtained through the Florida Department of Management Services website: <http://www.dms.myflorida.com>.

*Defined Contribution Plan*

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report.

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. County employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the FRS defined benefit plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members.

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to 5 years. If the employee

Lee County, Florida  
NOTES TO THE FINANCIAL STATEMENTS  
September 30, 2017

returns to FRS-covered employment within the 5-year period, the employee will regain control over their account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended June 30, 2017, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the County.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

The County's Investment Plan pension expense totaled \$5,523,000 for the year ended September 30, 2017.

#### NOTE IX. OTHER INFORMATION

##### *Risk Management*

The County is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets, errors and omissions, injuries to employees, and natural disasters. After September 30, 1989, and prior to October 1, 1987, the Board established a Self-Insured Retention (SIR) program (an internal service fund) to account for and finance its uninsured risks of loss. Under this program, the SIR provides coverage in the areas mentioned below. The County purchases commercial insurance for claims in excess of coverage provided by the fund and for all other risks of loss. Settled claims have not exceeded this commercial coverage in any of the past three fiscal

years. As a result, there was no reduction in insurance coverage.

The County remains liable for open claims asserted prior to October 1, 1987, and after September 30, 1989, covered under the existing self-insurance program, limited to the established annual loss fund limits for unasserted claims for a period, generally four years after date of occurrence. Claims that are filed or settled after the end of the fiscal year of occurrence are charged to, and accumulated within, the year of occurrence. Consequently, the County's total liability within any one year is limited to the annual loss fund limits.

From October 1, 1987, to September 30, 1989, the County was a member of the Southwest Florida Intergovernmental Risk Management Association (SFIRMA), a local government liability risk pool. SFIRMA administered insurance activities similar to those provided by the Board's SIR program. SFIRMA absorbed losses up to a specific amount annually and purchased excess and other specific coverages from third-party carriers.

The County remains liable for estimated additional assessments of \$30,000 arising from its years of membership in SFIRMA, which has changed its name to Public Risk Management of Florida.

Additionally, the Board and the Sheriff maintain self-insurance internal service funds to administer insurance activities relating to countywide employee group health and dental programs. The County absorbs losses related to these programs up to aggregate annual loss fund limits. Excess and other specific coverages are purchased from third-party carriers. Funding for these programs is generated by charges to the operating departments based on management's annual estimates of claim loss funding and administration/operating costs.

At September 30, 2017, the County had recorded liabilities equal to the amounts reflected as reserved and unasserted claims. These amounts were calculated by the third-party self-insurance program's underwriters and actuaries, based on

Lee County, Florida  
 NOTES TO THE FINANCIAL STATEMENTS  
 September 30, 2017

industry standards. These liabilities are subject to adjustments in future years, which would be

recorded as claim expenses when they are estimated.

The County's and Sheriff's SIR programs and excess insurance provides coverage for all the County and Sheriff departments' exposure. Funding for the SIR is generated by charges to the operating departments based on management's annual estimates of claim loss funding and administration/operating costs. Changes in the County and Sheriff funds' claims liability for the years ended September 30, 2017 and 2016, were as follows (dollars in thousands):

	Beginning of Fiscal Year Liability	Current Year Claims and Changes in Estimates	Claim Payments	Balance at Year- End
<i>Self-Insurance Group Health and Dental:</i>				
2017	\$10,286	\$92,092	(\$91,050)	\$11,328
2016	9,411	87,748	(86,873)	10,286
<i>Self-Insurance General Liability:</i>				
2017	\$13,106	\$11,071	(\$10,463)	\$13,714
2016	12,402	4,295	(3,591)	13,106

### *Landfill Closure and Postclosure Liability*

The Florida Department of Environmental Protection (FDEP) requires the County to place a final cover on its landfill cells when it stops accepting waste and to perform certain maintenance and monitoring functions at the site for thirty years after closure. Although most closure and post-closure care costs will be paid only near or after the date that the landfill stops accepting waste, the County reports a small portion of these closure and postclosure care costs as an operating expense based on certain minor closure activities that have occurred as of the balance sheet date. The amount reported as landfill closure and postclosure care liability in the fund statements, \$15,063,000, represents the cumulative portion of total estimated closure and postclosure care as of September 30, 2017, based on the use of 39 percent of the capacity of the 99 acre active disposal areas at the landfill. The total estimated cost for closure and postclosure care for the landfill at September 30, 2017, was \$37,822,000. The County will recognize the remaining estimated cost of closure and postclosure care of \$22,759,000 as the remaining estimated capacity is filled. The County will recalculate its liability annually; the liability amount is based on what it presently would cost to perform all closure and postclosure care at September 30, 2017. The Class I - MSW landfill facility configuration, as

currently planned, is expected to provide approximately 19 more years of disposal capacity for Lee and Hendry Counties. Actual costs may be higher due to inflation, or changes in regulations. The County is required by FDEP to annually calculate closure and postclosure costs, and to provide proof of its capacity to fund closure costs. The County is in compliance with these requirements, and at September 30, 2017, cash and investments of \$11,108,000 are held for these purposes. These are reported as restricted assets on the balance sheet.

### *Commitments and Contingencies*

The County is currently receiving, and has received in the past, grants that are subject to special compliance audits by the grantor agency that may result in disallowed expense amounts. These amounts constitute a contingent liability of the County. The County does not believe any contingent liabilities to be material.

The County currently prepares rebate calculations on all debt subject to arbitrage per the United States department of the Treasury Regulations, Section 1.148, and the Internal Revenue Service Code of 1986. Rebates, if any, are paid to the Internal Revenue Service every fifth year after the year of issuance and a final computation is completed when paid in full. Within the five-year period, any positive arbitrage (liability) can be offset by any

Lee County, Florida  
 NOTES TO THE FINANCIAL STATEMENTS  
 September 30, 2017

negative arbitrage (non-liability). These rebates constitute a contingent liability of the County. The County does not believe any contingent liabilities to be material.

The Sheriff has agreements with a corporation for the provision of inmate medical services and food services at its corrections and detention facilities. The contracts are paid 100 percent by the Sheriff through its annual budget. The food services are based on a cost per meal per inmate basis, and the future contract commitment is estimated at approximately \$2,800,000 per year based on the results of the current year. No liability is recorded in the fund statements, as any future commitment will be budgeted and paid from the subsequent year's budget. The minimum payment requirements for inmate medical services are as follows:

	<u>Amount</u>
Year ending September 30, 2017:	\$6,813,000

For the year ended September 30, 2017, the Sheriff paid \$10,520,000 for inmate medical services and \$2,701,000 for food services at its detention facilities.

The Sheriff has an agreement with a corporation to arrange for medical staff, including doctors, to be located at a site (clinic) designated by the Sheriff to provide medical services to the employees, dependents and retirees of the Sheriff. The agreement was renewed effective in July 1, 2016 for three (3) terms that automatically renew but is cancellable with one hundred twenty (120) written notice. The agreement automatically renews unless cancelled in writing. No liability is recorded in the fund statements, as any future commitment will be budgeted and paid from the subsequent year's budget.

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded as reservations of budget, is employed as an extension of the statutory required budgetary process. Although encumbrances lapse at fiscal year-end it is the County's intention to substantially honor these encumbrances under authority provided in the

subsequent year's budget. Encumbrances outstanding at September 30, 2017, are as follows:

	<u>Amount</u>
General Fund	\$ 5,947,000
Other Governmental Funds	67,567,000

### *Litigation*

The County is a defendant in various civil lawsuits in both state and federal courts on a variety of issues. To the extent the outcome of such litigation has been determined to result in probably loss to the county, the loss has been recorded in the accompanying financial statements. Litigation where the County is not in a position at this time to predict the outcome of the lawsuits or the exact amount of costs and/or potential recovery is not recorded. The County plans to contest these matters unless settled. The County believes the outcome of these lawsuits will not have a material effect on the financial statements.

Dean Wish, LLC served a Bert Harris Act complaint to Lee County in January 2017. The claim in the amount of \$14,865,300 is in connection with Lee County's denial to approve the owner's application to administratively increase density of its property. The County intends to vigorously defend the claim.

### *Subsequent Events*

On December 4, 2017, the Board purchased the property known as Edison Farms for \$42,435,000 as a Conservation 2020 site. The agriculturally zoned land contains significant natural flow-ways and critical species habitat.

### *Change in Accounting Principle*

During the year ended September 30, 2017, the County implemented GASB Statement No. 75, "Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions". During implementation the previously reported trust fund was analyzed and it was determined not to be an irrevocable trust fund. The implementation

of the pronouncement and the dissolution of the trust fund required the restatement of the September

\* Net (expense)/revenue is the difference between the expenses and program revenues of a function or program. It indicates the degree to which a function or program is supported with its own fees and program-specific grants versus its reliance upon funding from taxes and other general revenues. Numbers in parentheses indicate that expenses were greater than program revenues and therefore general revenues were needed to finance that function or program. Numbers without parentheses mean that program revenues were more than sufficient to cover expenses.

\*\* Impact fees were re-categorized in fiscal years 2012 and 2013 to Capital Grants and Contributions. Additionally, fiscal year 2013 reflects a cumulative prior period adjustment to remove bond issuance costs from the statement of net position as required by Governmental Accounting Standards Board Statement 65 and to correct amortization from a prior year.

\*\*\* Fiscal year 2014 reflects a cumulative prior period adjustment for the Clerk's Child Support Enforcement Fund, a non-major special revenue fund, for expenditures omitted in prior years.
