THIS AGREEMENT is made and entered into this 12th day of September 2006, by and between CHARLOTTE COUNTY, a political division of the state of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and the TAMPA BAY DEVIL RAYS, LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

WHEREAS the County and the Rays desire to enter into an agreement for the rehabilitation and use of the Charlotte Sports Park for the purpose for providing a public recreation amenity and hosting the Rays' spring training program.

NOW, THEREFORE, in consideration of the mutual covenants and obligations herein contained, it is mutually covenanted and agreed by and between the parties as follows:

1. Terms of Use

The Rays will engage in exclusive spring training in Charlotte County, Florida for a period of twenty (20) years, commencing with the 2009 major league spring training season. For the purpose of this agreement, the term "spring training" shall be deemed to include that period of time each year during the term of this Agreement which involves major and minor league spring training, exhibition games and extended spring training activities, rehabilitation and instructional league.

The County does hereby permit unto the Rays, its successors and assigns, the use of those certain premises located in Charlotte County, Florida, commonly known as the Charlotte Sports Park and related spring training and administrative facilities to be utilized pursuant hereto.

The Rays shall schedule and make a good faith effort to play a minimum of twelve (12) home major league spring training exhibition games during each and every year during the term of this agreement. The Rays shall also make a reasonable effort to ensure that a minimum of three (3) of these games will be held at night.

2. Project Description

The County shall selectively demolish, construct, and/or renovate current stadium, clubhouse, office space, and related practice facilities and build and/or restore on such site for a cost of not more than \$27,188,920 (hereinafter described below as "the Project"):

- (b) An approximately 40,000 sf major and minor league clubhouse facility (including administrative office space dedicated to the Rays' use), team store, and other elements of such stadium;
 - (c) One (1) full-size, grass major league practice field;
 - (d) One (1) grass half-field;
 - (e) Four (4) full-size minor league practice fields;
 - (f) On-site parking for approximately 1,500 vehicles plus player/staff/VIP parking for approximately 175 cars;
 - (g) Miscellaneous infrastructure and site improvements related to the creation of a spring training facility.
 - (h) Other elements as mutually agreed upon by the County and the Rays.
- The site and a preliminary concept plan for the Project are generally outlined in Attachment I.

3. Project Capital Funding

The "all-in" cost of the Project shall total \$27,188,920 dollars, the funding for which shall come by bonding against the following sources:

- (a) The State of Florida: monies made available to the County under Chapter 288.1162, Florida Statutes providing up to \$500,000 annually for 30 years towards the construction or rehabilitation of a spring training facility, as described in Schedule I;
- (b) Charlotte County: the proceeds from hotel tourist tax funds providing \$900,000 in the year of the execution of this Agreement and growing annually for 22 years (minus \$125,000 that shall be deducted in the year of initial occupancy and each year thereafter and placed in a maintenance and operations fund, as described below) and one-time time initial proceeds from hotel tourist tax funds providing \$450,000, as described in Schedule I.
- (c) Tampa Bay Devil Rays: As consideration for its utilization of the facilities, and upon the Rays occupancy of the Project facilities, the Rays agree to pay the County \$595,190 in the year of initial occupancy with payments in successive years, as described in Schedule I.

Based on the financing sources enumerated above, County shall present the Rays a plan of project finance which includes irrevocable commitments and awarding of funds, pursuant to Chapter 288.1162, Florida Statutes, from the State of Florida, all of which, when combined with the obligations and undertakings elsewhere referenced herein, will provide sources of \$27,188,920 (which include architect fees, design fees and construction costs) which are to be irrevocably committed to the renovation of the baseball complex ("the Project Budget").

This financing plan shall be subject to approval of the Rays, which shall not be unreasonably withheld. The County and Rays shall have mutual approval of the design and renovation program for which the financing plan has been irrevocably committed. In the event either the financing plan or

the renovation plan fails to meet the approval of the Rays, the Rays may terminate this agreement upon 30 days' written notice to the County. After a financing plan and renovation plan have been mutually agreed upon, as set forth above, the cost of any change orders that result in a project cost in excess of \$27,188,920, in addition to being mutually agreed upon, shall be the responsibility of the Rays.

The County further agrees that its financing plan shall provide that if the cost of the Project is ultimately less than \$27,188,920 dollars, then the amount by which the cost of construction ("construction" also includes architect and design fees) is less than \$27,188,920 dollars shall be funded and placed in an asset renewal/reserve fund ("Capital Reserve Fund") to be spent on the facility subject to terms and conditions mutually agreed upon by the County and the Rays. Additionally, the County agrees that its financing plan shall provide for accumulated interest earnings on the bond amount during the project construction period ("Accumulated Construction Interest") to be placed in the same Capital Reserve Fund to be spent on the facility subject to the terms and conditions mutually agreed upon by the County and the Rays.

It is further acknowledged by both parties that the final cash proceeds from the financing plan ("Bond Proceeds") may result in an amount available for the renovation plan that is less than \$27,188,920 due to unknown variables such as the actual financing interest rate or impacts of the taxable status of any of the revenue sources as determined by bond council. In the event such Bond Proceeds are less than \$27,188,920, 50% of the "Accumulated Construction Interest" shall be used to fund initial construction of the Project up to a Project Budget of \$27,188,920. If, after 50% of the "Accumulated Construction Interest" is allocated to the Project Budget, the Project Budget is still less than \$27,188,920, the Rays shall have the right to terminate this agreement upon 30 days written notice to the County.

The parties hereto understand that it is the intention of the County to finance the Project by the issuance of its obligations. It is further the intent of the County that the interest on such obligations be excludable from gross income for federal income tax purposes, to the greatest extent possible pursuant to the provisions of the Internal Revenue Code. In furtherance thereof, the Rays agree that it will take all reasonable actions within its control which are necessary in order for the interest on such obligations be excludable from gross income for federal tax purposes.

The County agrees to submit an application to the Florida Sports Foundation for the State of Florida funding described above by October 1st, 2006. If the State of Florida, through the Florida Sports Foundation, fails to grant the County \$500,000 annually for the next 30 years to undertake the

construction, or if County does not accept such grant from the State and begin construction by July 1, 2007, either the Rays or the County may terminate this agreement upon written notice to the other party, without penalty or liability to either party.

4. Project Design and Construction

- (a) The County and the Rays shall have mutual approval rights of the final design and construction plans, the architect, contractor and all change orders. The design of the stadium shall be in accordance with current MLB standards. The County shall use its diligent, good faith efforts to perform, or cause to be performed, all construction work on the Project according to the approved construction plans on or before February 1, 2009. In the event possession of the Project is not delivered to the Rays on or before February 1, 2009, the County shall pay the Rays liquidated damages of \$2,200 per day for each day after February 1, 2009, until the Project facilities are occupied by the Rays.

County shall not be assessed liquidated damages in the event the Project is delayed due to damage to, or destruction of, the Project due to hurricane, fire, Acts of God or other casualty; however, in the event such an event causes a delay to the Project such that it is not ready for occupancy by August 1, 2010, the Rays shall have the right to terminate this agreement upon thirty (30) days notice to the County.

- (b) The Rays shall have access to the construction project during all normal construction hours and shall receive reasonable notice of and have the right to attend and participate in all meetings between the County and its architect and contractors performing the work on the Project. After a financing plan and renovation plan have been mutually agreed upon, as set forth above, the Rays shall have the right to request the County to make changes to the Project, the construction plans and schedule of completion, and will by obligation pay any cost associated with these changes, provided the cost of such changes cause the cost of the stadium renovations to exceed \$27,188,920. County shall not owe the Rays liquidated damages, nor suffer any penalty or liability whatsoever, in the event the Project cannot be delivered to the Rays by February 1, 2009, due to delays caused by changes to the Project requested by the Rays.
- (c) The parties agree to observe the requirements of the Consultants Competitive Negotiation Act, and all other applicable federal, state

and local laws, and engage architectural, engineering, and construction services necessary to design and build the Project.

- (d) The Rays acknowledge that the County has a three year agreement with the South Coast Independent League (the "League") beginning in 2007 and ending in 2009 for the use of the existing Stadium. The Rays agree that the League is entitled to the use of the Stadium pursuant to its agreement with the County and the parties agree to cooperate in coordinating the construction schedule of the Project to accommodate the League's use of the Stadium so long as it doesn't impede the progress of the Project or the Rays use of the Project or Project site, as described in Item 5 below. County agrees to fully enforce its agreement with the League in regard to its conduct and use of the Project facilities.
- (e) For the duration of this agreement, the parties shall have mutual approval rights over any change to the Project site that results in means of pedestrian access to the Project site being created, eliminated, or altered.

5. Rays Rights-of-Use to Project

Upon completion of construction, the Rays shall retain the following rights to use the Project facilities:

- (a) Each day from February 10th through April 3rd of each calendar year ("Spring Training"): The Rays shall have primary use of the stadium, new clubhouses, administrative office space dedicated to the Rays' use, team store, practice fields, and other associated training facilities (batting cages, gang mounds, etc.). During this time, these facilities may be made available to parties other than the Rays, but only with the express written consent of the Rays;
- (b) Each day from April 4th through July 1st ("Extended Spring Training"): The Rays shall have primary use of the new clubhouses, team store, administrative office space dedicated to the Rays' use, the one (1) full-size, grass major league practice field, two (2) minor league practice fields, and other associated training facilities (batting cages, gang mounds, etc.). During these times, these facilities may be made available to parties other than the Rays, but only with the express written consent of the Rays;
- (c) Before 2pm each day from September 1st through October 31st of each calendar year ("Instructional League"): The Rays shall have primary use of the new clubhouses, team store, administrative office space dedicated to the Rays' use, the one (1) full-size, grass major league practice field, two (2) minor league practice fields, and other

associated training facilities (batting cages, gang mounds, etc.). During these times, these facilities may be made available to parties other than the Rays, but only with the express written consent of the Rays;

- (d) At all other times, the Rays shall maintain sole use of the major league clubhouse, administrative office space dedicated to the Rays' use, team store, and the one (1) full-size, grass major league practice field. In addition, the Rays shall retain the right to restrict access to associated training facilities (batting cages, gang mounds, etc.), one (1) minor league practice field, and the minor league clubhouse if they are reasonably required for the Rays' use and upon three (3) weeks notice to the County. County and the Rays agree that a change in the timeline for "extended spring training" and/or the need for the Rays to locate a rookie league team at the Project site constitute a reasonable basis for such access restrictions;
- (e) The Rays and the County shall also make the Project facilities available for up to one week each year, the date to be mutually agreed upon by the parties, for a Devil Rays Fantasy Camp;
- (f) The Rays may use the facility for clinics, camps, and promotional or marketing events throughout the year, provided that three (3) weeks notice is provided to County and such use does not interfere with County's rights of use as described in Item 6 below.

If the Rays choose to locate a Florida State League ("FSL") team at the Project site, the Rays and the County agree to enter into an amendment to this Agreement to provide for the duties, rights, terms and responsibilities of the parties that will be occasioned by the location of said FSL team at the Project site. Notwithstanding the rights described in Item 6 below, County may not allow a minor league baseball franchise affiliated with any MLB team other than the Rays to play home games at the Project site without the express written consent of the Rays. Furthermore, the parties agree that they will not enter into any amendment to this Agreement if such amendment shall adversely affect the exclusion of interest on the County's obligations which financed the Project from gross income for federal income tax purposes.

The Rays shall have complete operating authority over those areas under its control during the use periods defined above, including, but not limited to, the right to manage ticket sales, concessions, merchandise sales, game-day parking, and all other stadium activities during spring training. The Rays will, at all times, make reasonable efforts to cooperate with others, including the County, in exercising its operating authority during its use periods.

The Rays shall make best efforts to furnish the County with its spring training exhibition game schedule and extended spring training time frame use requirements no later than December 1st of the year prior to the next February opening of spring training activities by the Rays.

During the use periods defined above, the Rays may stage non-baseball related events or activities with the express written consent of the County, such consent not to be unreasonably withheld.

The County and the Rays further agree that the Rays may transfer its right to use of certain Project facilities described above to an affiliated entity or subsidiary of the Rays.

6. County Rights-of-Use to Project

Subject to the Rays' rights of use described above, at all other times, the County shall have the right (and is encouraged by the Rays) to use the facility for concerts, plays, sporting events and tournaments or other revenue-producing or civically-oriented events (collectively defined as non-major league baseball-affiliated events) provided that:

- (a) Such events do not damage the playing fields or cause unreasonable wear and tear to the structures;
- (b) Such events are not inconsistent with the image of Major League Baseball and the Rays;
- (c) Such events do not interfere with the Rays operations; and
- (d) Prominent signage is displayed promoting the Rays' affiliation with the Project during these events.

The County shall have responsibility for all costs associated with these events and shall be responsible for all liabilities arising from the County's use of the Project for non-major league baseball-affiliated events.

During the periods of its use of the facility, the County shall also have the right to display marketing signs in the concourse and stadium, provided that such signs are not in conflict with an exclusive Rays marketing partnership and that the cost of displaying such signs is borne by the County.

During the term of this Agreement, the County shall at all times be permitted to continue its present use of County buildings at the Project site for office space and operations.

7. Rays Rights to Project Revenues

The Rays and County agree that for the duration of this agreement, the Rays shall retain:

- (a) All revenues derived from spring training operations, including, but not limited to, all revenues from ticket sales, food/beverage concessions, pouring rights for sodas, water, and other beverages, merchandise and souvenirs, program sales, advertising and signage, luxury suites, and game day parking;
- (b) Exclusive rights to set the price for spring training exhibition game tickets, food/beverage concessions, merchandise and souvenirs, programs, game-day and spring training parking and all other stadium goods and services associated with spring training operations;
- (c) Exclusive rights to all scoreboards, outfield, and other stadium signage. Such rights shall include the right to control the design and layout of all advertising;
- (d) Subject to the approval of County, such approval not to be unreasonably withheld, the right to sell stadium naming rights. The County shall retain the first \$75,000 annually of said stadium naming rights and revenues (which shall grow 3% annually for the term of this Agreement) in a stadium maintenance and operations fund, as described in Schedule 2 and Item 9 below, with the balance of naming rights revenues going to the Rays;
- (e) Subject to the approval of County, not to be unreasonably withheld, the right to locate cellular phone towers within the stadium lighting structures and all revenues derived from the sale of this right, provided that such sale is not in conflict with the County's ability to maximize revenues from its existing cellular phone tower on the Project site.

The Rays and County further agree to work towards a mutually cooperative relationship on concessions during Rays non-primary use time (i.e. restaurant).

8. County Rights to Project Revenues

The Rays and the County agree that for the duration of this agreement, County shall retain all revenues derived from use of the Project for non-major league baseball-affiliated events staged during those periods of the year when the Rays are not entitled to primary use of the Project facilities, as described in Item 5 above. These include all revenues from facility rental fees, administrative fees, ticket sales, food/beverage concessions, pouring rights for sodas, water, and other beverages, merchandise and souvenirs, program sales, signage and non-spring training day parking.

The Rays and County further agree that these revenues will be dedicated by the County to a maintenance and operations fund, as described in Item 9 below and Schedule 2.

9. Maintenance and Capital Repair

- (a) The County shall maintain, repair, and restore all properties at the facility at no cost to the Rays, except the Rays shall provide for housekeeping and cleaning services to the clubhouse and office space it uses at no cost to the County. The County shall maintain all grounds and turf to Major League Baseball standards, said standards to be provided to the County by the Rays; however, the Rays may, at its option, elect to maintain the playing fields during the periods of its primary use. It is further understood that the County will not be responsible for any maintenance, repairs, or restoration related to damage occurring to property as a result of negligent acts or omissions of the Rays, its officers, agents, or employees.
- (b) The County shall keep and maintain the Project at all times in first-class conditions and up to first-class Major League Baseball spring training standards at the time of reference for use as a ballpark by the Rays and visiting clubs, said conditions to be reasonably approved by the Rays. The County acknowledges that the high quality conditions shall be in place prior to the beginning of and shall continue throughout each spring training season at no expense to the Rays, provided that the Rays may at its option elect to maintain the playing fields during the periods of its primary use. The County shall maintain all facilities and undertake all of its other obligations under this agreement in a manner consistent with other spring training facilities.
- (c) The Rays shall not be required to make any capital investment or expenditure related to the renovations of the facilities as hereinbefore described, or its amenities, except as set forth in Item 4 above.
- (d) If Project facilities are not maintained to the high-quality standards described above, the Rays shall send the County written notice describing what conditions it deems to be sub-standard. Upon receipt of such notice, County shall within 30 days respond in writing to the Rays concerns with a detailed remediation plan. In the event the County's remediation plan is not satisfactory to the Rays, the parties agree to submit any disputes to the resolution procedures described in Item 25.
- (e) In order for the County to fulfill its maintenance and operations obligations described above, the County and the Rays agree to

dedicate the following sources of funds to an annual Maintenance and Operations Fund ("M&O Fund"), described below and in Schedule 2:

- (1) The County agrees to dedicate \$387,043 in County funds, representing the net maintenance and operations budget of the existing facility, to the M&O Fund in the year of initial occupancy. Such payment shall grow by 3% annually for the duration of the term of this Agreement;
 - (2) The Rays, as consideration for primary use of the facility, agree to a payment of \$116,550 to the M&O Fund in the year of initial occupancy. Such payment shall grow annually by 3% for the duration of the term of this Agreement;
 - (3) The County and the Rays agree, as described in Item 7 above, that the County shall retain the first \$75,000 of revenues from stadium naming rights for dedication to the M&O Fund in the year of initial occupancy. Such payment to the M&O Fund from naming rights revenues shall grow annually by 3% for the duration of the term of this Agreement;
 - (4) The County shall commit \$125,000 of hotel tax revenue to the M&O Fund in the year of initial occupancy. Such payment will be made annually for the duration of the term of this Agreement; and
 - (5) The County agrees to commit all revenues derived from use of the Project for non-major league baseball-affiliated events to the M&O Fund. Such revenues are estimated to be \$220,000 in the year of initial occupancy and are expected to grow annually by 3% for the duration of the term of this Agreement.
- (f) The County and the Rays agree that if, in any given year, actual maintenance and operations costs are less than the amount dedicated to the M&O Fund (as described above and in Schedule 2), the difference will be transferred into the Capital Reserve Fund. This will be reviewed annually at the end of the County fiscal year.
- (g) It is recognized that during the construction phase of the renovation plan, the County may incur revenue losses and maintenance savings. To the extent that revenue losses exceed maintenance savings ("Construction Period Losses"), any subsequent maintenance savings, as defined above, would first go towards reimbursing the County as compensation for Construction Period Losses rather than into the Capital Reserve, as defined above.
- (h) The use of the Capital Reserve Fund will be reviewed and approved by both parties. Capital repair and improvements will be given highest priority.

10. Community Benefits

The Rays shall also provide the County with the following amenities, marketing tools, and other community benefits:

 - (8) For the first (5) years of this agreement and to the extent the Rays produce their own over-the-air ("OTA") television broadcasts, the Rays agree to provide the Charlotte County Visitor's Bureau with time to air one 30-second commercial on each such OTA broadcast.

The copy for the ads and announcements shall be prepared by the Charlotte County Visitor's Bureau and supplied directly to the Rays for distribution, with the express understanding that said ads and announcements will be periodically updated during each baseball season and subject to the approval of the Rays. The Charlotte County Visitor's Bureau shall update all printed ad copy annually, which shall be subject to approval of the Rays. The Charlotte County Visitor's Bureau agrees to pay the cost of production of print advertisement, scoreboard features, and concourse sign and to pay the cost of installation, updating, and repair of the concourse sign.

- (d) During the first five (5) years of this agreement, the Rays agree to participate in a tourism sales mission each year at a home game during the regular season for up to forty (40) people, providing admission and light refreshments and one luxury suite in order to promote Charlotte Harbor & the Gulf Islands. Dates of the sales mission will be mutually agreed upon by both the Rays and the Charlotte County Visitor's Bureau annually. This provision shall be revisited after five (5) years;
- (e) If the Rays sell a score book at spring training exhibition games, the Rays shall provide Charlotte County Visitor's Bureau a free page in such score book. The Charlotte County Visitor's Bureau will provide the material to be printed, which will be subject to the approval of the Rays;
- (f) While the County acknowledges that there are circumstances that might not make this possible at all times, the Rays, in cooperation with the Charlotte County Visitor's Bureau, agree to use reasonable efforts to locate and secure housing for the Rays players and support staff in Charlotte County. The Rays agree to work with the Charlotte County Visitor's Bureau in scheduling accommodations for visiting teams with Charlotte County as well;
- (g) The parties hereto expressly recognize and agree that the County is undertaking a substantial financial responsibility. It is, therefore, understood and agreed that the Rays will cooperate fully with the County in its efforts to promote the development and success of baseball in Charlotte County. 14. Rays Parking

The Rays shall be responsible for access and security within parking areas designated for its players and support staff. County shall not be responsible for the security of any vehicles parked near the clubhouse. The County shall install a secure, fenced, and lighted parking area near the clubhouse and offices for use of the Rays and shall provide reasonable security in such parking area for the protection of the members and the Rays.

The Rays will be responsible for attaining, coordinating and/or funding off-site parking for games or events requiring more than 1500 spaces and the County agrees to use its best efforts to assist the Rays in this endeavor.

15. Rays Right to Make Interior Improvements

The Rays shall have the right, from time to time and at its expense, to make all such improvements to, and decorate the interior of the property covered hereunder, as shall be reasonably necessary or appropriate, in the Rays' judgment, for the conduct thereon of its business. Prior to the commencement of any such major alteration, improvement, or decoration, the Rays shall submit said plans and specifications to the County Parks Director or designee for review and approval. If within thirty (30) days after such plans and specifications have been submitted and delivered by the Rays to the County Parks Director or designee for such approval, and the County Parks Director or designee shall not have given the Rays notice of disapproval thereof, stating the reason for such disapproval, then the plans and specifications shall be considered approved by the County for the purposes of this agreement. Such approval, however, will not relieve the Rays of the obligation to seek all other public approvals required under the laws of Charlotte County and/or the State of Florida.

16. Zoning and Land Use Approvals

The County will provide or secure all zoning, subdivision, land use, curb cut, construction, and all other necessary governmental or quasi-governmental approvals, licenses, and permits necessary to construct and operate the Project.

17. Environmental Remediation

The Rays shall not be liable for any pre-existing environmental conditions of the Project site. Any costs of environmental remediation will be paid out of the Project Budget, provided that if such remediation costs exceed \$1,000,000 then the parties may terminate the Project without penalty.

18. Insurance, Liabilities, and Indemnities

- (a) The Rays agree to and will at all times defend, indemnify, save, and hold harmless the County from any and all damages, liabilities, claims, demands, expenses, and costs arising out of, or in connection with, any use of the Project facilities by the Rays, its agents, officers, servants or employees, resulting from or any manner arising out of this Agreement with the County, excepting only liability resulting solely from negligence of the County, its agents, invitees, or employees. In the event of any lawsuit, claim, loss, damage, cost, charge, or expense involving the joint or concurrent fault of the Rays and the County, each party agrees to bear their own respective damages, loss, liability and costs (excluding attorneys' fees and costs) incurred by each party in proportion to its contribution to the aforementioned actions. In such cases, neither party shall be required to defend or bear the cost of defense of the other party.

19. Disaster Preparations

The Rays agree that the County may, at the County's reasonable discretion, use the Project as a staging area for disaster preparations, response, or other related emergency uses, provided that such use of the Project will not damage the Project so it is unfit to be used for its customary purpose. In the event County elects to use the Project for such a use, County agrees to restore the Project and Project site to the conditions existing prior to said use at the sole cost of County.

20. Taxes

It is the intent of the County and the Rays that the Project (land and improvements) shall be exempt from ad valorem taxes throughout the term of this Agreement.

21. Rights of Assignment

The rights granted to the Rays pursuant to this agreement shall not be assigned, except with the express written consent of the County, except that the Rays may assign this agreement in connection with a sale, merger, re-organization, or other disposition of the Rays or its Major League Baseball franchise so long as the assignee expressly assumes the Rays' obligations and liabilities hereunder. The County shall not assign this agreement without the prior written consent of the Rays.

22. Subordination to MLB Documents

This Agreement and any rights or exclusivities granted by the Rays hereunder shall in all respects be subordinate to each of the following, as may be amended from time to time (collectively, "MLB documents"):

- (a) Any present or future agreement entered into by, or on behalf of, any of the MLB entities or affiliates, or the member clubs acting collectively; or
- (b) The present and future mandates, rules, regulations, policies, bulletins, or directives issued or adopted by the Commissioner or the MLB entities.

The issuance, entering into, amendment or implementation of any of the MLB Documents shall be at no cost or liability to any MLB entity or affiliate or to any individual or entity related thereto.

No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the MLB entities) are conferred by this Agreement, except as specifically approved in writing by MLBAM or the applicable MLB entity.

23. Media Rights

It is expressly acknowledged and agreed by and between the parties that the County has no rights to, and shall receive no revenues from, the Rays' radio or internet broadcast or televising of any games played by the Rays, nor shall the County participate, in any manner, in determining when said games shall be scheduled, televised, or broadcast. The Rays and certain Major League Baseball entities shall have the sole and exclusive rights to record and/or transmit (or to license others to record and/or transmit) any Major League Baseball games played at the stadium via any technology now existing or hereinafter devised (including, without limitation, transmission via over-the-air television, cable television, radio, or on-line

technologies). The Rays shall own all worldwide copyright and all other rights in such games and the recordings and transmissions thereof. All rights to license any transmissions of any portions of the games, including the right to receive and retain all revenues generated from the sale or licensing of such transmission rights, shall belong solely and exclusively to the Rays and certain Major League Baseball entities. (b) If the County, in its sole determination, decides that it is not practicable to repair the Stadium it may elect to terminate this Agreement without penalty. Such election shall be exercised by the County by giving written notice thereof to the Rays within ninety (90) days after such casualty occurs. If the County elects to terminate the Agreement, any payments due from the Rays for future events shall cease to accrue as of the date of such casualty. The Rays shall be required to pay to County any monies owed to County for events that occurred prior to any such casualty.

(c) If the County elects not to terminate this Agreement, it shall so notify the Rays by written notice within said ninety (90) days specifying the period of time within which the County reasonably estimates that the Stadium may be repaired or restored to its condition prior to the casualty. If such period of time exceeds one (1) year from the start of the repair or restoration to completion, then the Rays may terminate this Agreement without penalty, and shall provide written notice to County of said termination within ninety (90) days of the date of receipt of the notice from the County to the Rays referred to above.

25. Settlement of Disputes Arising Under the Agreement

(a) Any controversy which shall arise between the Rays and the County regarding the rights, duties, or liabilities hereunder of either party shall be immediately communicated to the other party. In an attempt to settle, the parties agree to non-binding mediation in Charlotte County, Florida, pursuant to the laws of the State of Florida.

(b) This agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Florida. In the event any litigation arises between the parties in connection with this Agreement, venue for said litigation shall lie exclusively in Charlotte County, Florida.

26. Entire Agreement

This agreement contains the entire agreement and understanding between the parties. There are no oral understandings, terms or conditions and neither party has relied on any representation, express or implied, not contained in this agreement or the simultaneous or prior writing heretofore. All prior understandings, terms or conditions are deemed to merge in this agreement and this agreement cannot be changed or supplemented orally, but only by an agreement in writing, and signed by the party against whom enforcement of any waiver, change, modification, or discharge is sought.

27. Severability

If any provision of this Agreement shall be declared invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect.

28. Rights of Renewal

The Rays shall have five (5) options of renewing this agreement for an additional one (1) year period under the same terms and conditions hereof by giving County written notice of its intention to renew same not less than ninety (90) days prior to the expiration of the term hereof.

**AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT BETWEEN
CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS BASEBALL, LTD.**

THIS AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment", is made and entered into this 26 day of January, 2010, by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY DEVIL RAYS LTD., n/k/a TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, pursuant to the terms of the Agreement, the County is responsible for maintaining the playing fields at the Sports Park but the Rays have the option of electing to maintain the playing fields during the periods of their primary use; and

WHEREAS, the Rays have requested that County permit the Rays to maintain the Sports Park Fields, as defined herein, on a year-round, full time basis; and

WHEREAS, County and Rays now desire to amend the Agreement to provide for the Rays assuming year-round, full time, responsibility for the maintenance of the Sports Park Fields at the Sports Park.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

1. Purpose.

The purpose of this Amendment is to provide for the assumption of year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5½ practice fields within the Sports Park complex (hereinafter "Sports Park Fields") by the Rays beginning January 12, 2010 (the "Effective Date").

2. SPORTS PARK FIELDS MAINTENANCE.

Rays groundskeeping staff will provide all necessary field maintenance and support for all activities on the Sports Park Fields, including, but not limited to Rays spring training games, Gulf Coast League games, and "non-major league baseball-affiliated events" as defined in Section 6 of the Agreement as concerts, plays, sporting events and tournaments or other revenue-producing or civically-oriented events. The Rays will also assume the County's responsibility to provide field management maintenance and support for the Florida State League team as

outlined in the County's Stadium Lease Agreement with Ripken-Rays Florida Baseball LLC. County acknowledges, and Rays agree, that the Rays have a thorough understanding of the maintenance standards necessary to maintain the Sports Park Fields pursuant to the terms of this Amendment.

3. SPORTS PARK FIELDS MAINTENANCE STAFFING PLAN.

(a) The field maintenance staff for the Sports Park Fields shall be hired and employed by the Rays and will consist of a Head Groundskeeper, Field Maintenance Supervisor, who will report directly to the Head Groundskeeper, six full-time groundskeepers, staff equipment mechanic, and all seasonal and part-time employees who shall report to the Field Maintenance Supervisor. Additionally, the Field Maintenance Supervisor will manage any contracted service providers for field maintenance. Within thirty (30) days of the effective date of this Amendment, Rays agree to interview, and consider hiring, field maintenance staff currently employed by County for employment as Rays field maintenance staff for the Sports Park Fields.

(b) The Rays and County acknowledge the stadium playing field drainage issues which arose during the 2009 baseball season. The County agrees that the Rays are not responsible for any current or future stadium playing field structure or performance issues resulting from either the original construction of the field or from field maintenance by the County which began in January 2009 and will run through the end of the implementation of the Playing Field Action Plan noted below and attached hereto as Attachment A. After the Playing Field Action Plan has been completed Rays shall assume sole responsibility for the maintenance of the stadium playing field. In the event that the Playing Field Action Plan does not adequately resolve the underlying stadium field drainage issues, the Rays are not responsible for any future stadium playing field improvements to address those drainage concerns identified in Attachment A.

(c) To address the stadium playing field drainage concerns, the County will implement the attached Playing Field Action Plan. The County acknowledges that the Rays shall assume no costs associated with the Playing Field Action Plan, including any additional material or labor costs associated with any element of the follow-up protocol, which may be undertaken after January 12th, 2010, including on-going costs associated with acid injection. The County will provide all necessary resources to complete the implementation of the Playing Field Action Plan including the 31-60 day follow up, projected to end no later than February 5th, 2010.

(d) Any potential future field maintenance or reconstruction of any or all of the Sports Park Playing Fields that are unrelated to the stadium field drainage issues identified herein, and the costs for such field maintenance or reconstruction that are not the responsibility of the Rays under the terms of this Amendment, shall be mutually negotiated and agreed upon by Rays and County.

(e) Rays agree to abide by all applicable laws, rules, ordinances and regulations of any federal, state or local governments or agencies in the performance of any work, services or other obligations required of the Rays under the terms of this Amendment.

4. DUTIES OF RAYS SPORTS PARK FIELDS MAINTENANCE SUPERVISOR AND STAFF.

(a) The Field Maintenance Supervisor is a working foreman who assists the Rays Head Groundskeeper in the maintenance of the Sports Park Fields. The Field Maintenance Supervisor will meet with designated County Parks, Recreation and Cultural Resources Staff on a weekly basis to review field conditions, work plans, and discuss upcoming activities including any upcoming use of the Sports Park Fields by either County or Rays. Field Maintenance Supervisor responsibilities shall include, but are not limited to:

- Ensuring the Sports Park Fields are properly maintained to Major League Baseball, Tampa Bay Rays and County specifications
- Addressing the field preparation needs of managers, coaches, trainers and players
- Maintaining a high-level working knowledge of herbicides and pesticides
- Supervising day to day work activities of groundskeepers, including providing daily work direction and task assignment
- Addressing groundskeeper's performance issues
- Making weekly schedule for staff
- Evaluating groundskeeper's performance on an annual basis
- Acting on other duties or projects assigned by the Head Groundskeeper or front office personnel.

(b) The Rays full-time, seasonal and part-time groundskeepers will be responsible for maintaining the Sports Park Fields according to Major League Baseball, Tampa Bay Rays and County standards. Responsibilities shall include the following:

- Applying ball field mechanics, e.g. ensuring accurate distances and measurements
- Working with different types of clay and clay conditioners
- Working with natural and artificial turf
- Working game days - pre-game preparation, raking infield during games, post-game clean up
- Building and maintaining pitching mounds and home plates
- Mowing and edging fields to ensure a safe playing field and appropriate appearance
- Maintaining common areas surrounding facilities
- Maintaining irrigation systems and performing all necessary irrigation of the Sports Park Playing Fields to Major League Baseball, Tampa Bay Rays and County standards.
- Working with herbicides and pesticides
- Safely using all equipment required for above
- Additional duties and projects as required by Head Groundskeeper or Field Maintenance Supervisor.

5. SPORTS PARK FIELDS MAINTENANCE EQUIPMENT.

(a) All equipment necessary to maintain the Sports Park Fields, with the exception of the equipment provided to the Rays by County pursuant to paragraph 5(b) of this Amendment, shall be provided by and paid for by the Rays.

(b) Charlotte County Parks and Recreation will provide the Rays a full list of all County owned field maintenance equipment available for the use of the Rays. ("County Field Maintenance Equipment"), attached hereto as Attachment B, noting (1) the condition of each

piece and hours logged, (2) copies of all maintenance plans and warranty materials, (3) instruction materials, (4) a recommended protocol regarding equipment servicing, and (5) the long-term replacement plan for each piece. The County will continue to maintain all warranties on the County Field Maintenance Equipment, and will be responsible for processing all warranty requests in a timely manner.

(c) The Rays shall provide and pay for regular maintenance for the County Field Maintenance Equipment; however, the County will perform annual reel grinding for all appropriate County Field Maintenance Equipment at County's expense. The Rays staff mechanic will service the County Field Maintenance Equipment on a regular and as-needed basis. The County will conduct semi-annual inspections of the County Field Maintenance Equipment. Any necessary repair or replacement of the County Field Maintenance Equipment, including emergency repairs or replacements, will be agreed-upon by both the Rays and the County. The County will maintain all appropriate insurance on the County Field Maintenance Equipment.

(d) The County will arrange for the delivery of gas and diesel fuel for the field maintenance equipment at no charge to the Rays, but the cost of the gas and diesel fuel shall be paid for by the Rays to County at the current contract price in effect under County's annual contract for gas and diesel fuel purchases.

6. SPORTS PARK FIELDS MAINTENANCE MATERIALS AND SUPPLIES.

(a) The Rays shall be responsible for providing and paying for all maintenance materials and supplies necessary to maintain the Sports Park Fields, including, but not limited to fertilizer, herbicides/pesticides, clay and clay conditioner, nets, protective screens, wind screens, top dressing sand, overseeding supplies, chalk, uniforms, and small tools (e.g. rakes, shovels, brooms, edgers, weed-eaters).

(b) The Rays will also provide all Field Maintenance office supplies, including janitorial supplies, office equipment, phones, computers and other such items and shall be responsible for any and all costs, billings or charges related to same. The County will provide safe and professional work space, including office, garage and storage space, for the Field Maintenance Staff in Building C within the Sports Park complex. The County will also continue to provide garbage and debris removal services for the Sports Park complex.

7. SPORTS PARK FIELDS MAINTENANCE BUDGET.

(a) County and Rays acknowledge that the Agreement provides for in Section 9(e) and in SCHEDULE 2-PROJECT MAINTENANCE AND OPERATIONS FUNDING SOURCES ("Schedule 2"), a schedule of annual payments for the Sports Park facility to the M&O Fund to be paid by County and Rays for maintaining and operating the Sports Park complex and grounds.

(1) The parties agree that the total cost to maintain the Sports Park Fields for the initial year of this Amendment, year 2010 is \$525,285.10 and shall grow annually at a rate of 3% ("Field Maintenance Budget"), as detailed on the schedule of payments, attached hereto as Attachment C.

(2) The County shall deduct the Rays' annual M&O payment obligation, as described in the Agreement, and then tender payment to the Rays for the remainder each year in equal quarterly installments on January 15th, April 15th, July 15th and October 15th during the term of this Amendment. As an example, in 2010, the Rays M&O payment obligation is \$120,047. The County shall deduct this amount from the 2010 Sports Park Fields budget of \$525,285.10 and tender payment to the Rays in the amount of \$405,238.10 in the manner noted above and on Attachment C ("County Obligation to Rays").

(3) The County and the Rays further agree that, in exchange for the payment to the Rays for field maintenance services for the Sports Park Fields noted above, the County shall be entitled to reduce its obligation to fund Maintenance and Operations at the Sports Park, noted in Section 9 and Schedule 2 of the Agreement, in an amount up to the annual County Obligation to Rays for field maintenance. In no event shall the reduction of any County funds to the total M&O budget be greater than the County Obligation to Rays for field maintenance. As noted in Attachment C, in 2010, the Remaining County M&O and Other Event Revenues Obligation will be \$422,266. All other County operating and maintenance obligations noted in the Agreement remain.

(4) As per Section 9 of the Agreement, the County and Rays agree that if, in any given year, actual County maintenance and operations costs at the Sports Park are less than the Remaining County M&O and Other Event Revenues Obligation as noted on Attachment C, the difference will be transferred into the Capital Reserve Fund. This will be reviewed annually at the end of the County fiscal year.

(b) The Rays agree to keep a field maintenance budget for all expenses related to the maintenance of the Sports Park Fields and agree to schedule an annual meeting with County to review the status of that budget. The parties agree to annually review the actual expenditures for the Sports Park Fields maintenance. This would not result in any change to the financial obligation set forth herein to either party but should be viewed as a part of due diligence regarding utilization of taxpayer funds.

B. COUNTY'S RIGHT OF USE OF THE SPORTS PARK AND SPORTS PARK FIELDS.

The parties agree that County shall have use of the Sports Park facility, including the Sports Park Fields, for non major league baseball-affiliated events (as that term is defined in the Agreement) and pursuant to the terms of the Agreement. The parties agree that nothing contained in this Amendment or the Agreement shall be construed as to give the Rays authority to refuse to permit County the use of the Sports Park Fields for any non major league baseball-affiliated events, and the parties agree that the County reserves the right to use the Sports Park Fields for any non major league baseball-affiliated events at County's sole discretion and approval. Prior to the scheduling of any non-major league baseball-affiliated events at the Sports Park, the County will review the scope of the event with the Rays and, if applicable, confirm (1) field availability, and (2) the appropriate field maintenance needs.

Costs for any non-traditional field maintenance needs associated with non major league baseball events are the responsibility of the County-or any third party event vendor. Non-traditional

field maintenance needs include, but are not limited to field conversion activities for special events (e.g. forklift operations for concert stage set up) and repairs to damages to the playing field that result from such use. The County bears general responsibility for any damages to the playing field caused by non-major league baseball events. All conditions regarding non-major league baseball-affiliated events as noted in Section 6 of the Agreement, including the provision that County shall be responsible for all liabilities arising from County's use of the Sports Park Fields for non major league baseball-affiliated events still apply.

9. STADIUM LEASE AGREEMENT - RIPKEN-RAYS FLORIDA BASEBALL LLC.

County and Rays acknowledge that the STADIUM LEASE AGREEMENT between RIPKEN-RAYS FLORIDA BASEBALL LLC (hereinafter referred to as "Ripken") and County, entered into on or about February 10, 2009, provides that the County shall maintain the Sports Park Fields. By signature of Ripken's authorized representative on this Amendment, Ripken hereby consents and agrees to the terms and conditions of this Amendment which provide that the Rays shall be solely responsible for the year-round maintenance of the Sports Park Fields.

10. TERM/TERMINATION.

The term of this Amendment shall begin on the Effective Date and shall terminate simultaneously with the termination of the Agreement; provided, however, that either County or Rays may terminate this Amendment, with or without cause, at any time upon providing nine (9) months written notice of termination to the non-terminating party. In the event this Amendment is terminated by either party, the responsibility for maintaining the Sports Park Fields will revert back to the County on the same terms that are enumerated in the Agreement and all other provisions of the Agreement shall remain in effect.

11. INCORPORATION.

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment, including all exhibits and attachments hereto, is specifically incorporated into and made a substantive part of the Agreement.

12. SEVERABILITY.

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

13. CONFLICT WITH AGREEMENT.

All provisions of the Agreement not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement.

14. ENTIRE AGREEMENT. This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the parties, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this document.

15. **MODIFICATION.** No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed by the parties with the same formality and of equal dignity herewith.

16. **ASSIGNMENT.** This Amendment, or any interest herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances by either party without the prior written consent of the other party.

17. **INDEMNIFICATION.** Rays shall indemnify, hold harmless and, at County's option, defend County, and its officers and employees, from all suits and actions at law, liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of Rays and persons employed or utilized by Rays in the performance of any work or services under this Amendment.

18. **AUTHORITY TO EXECUTE.** County, Rays and Ripken warrant to the other parties that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment.

19. **EFFECTIVE DATE.** If fully executed by County, Rays, and Ripken, this Amendment shall take effect on January 12, 2010.

IN WITNESS WHEREOF, the parties have executed this agreement on the dates indicated below.

Deep Drill Aeration Program - Execution

- A. Deep drill aeration with 7/8 inch drill type tires to a fifteen inch depth. Vacuum and remove drill generated debris off of the field. This will shatter layers forming in the soil & gravel. Allow water to pass through & entry of soil conditioning products. Ease surface puddling.
- B. Top dress the playing field surface with 180 FM manufactured coarse sand at a rate of 40 tons per acre. Sand to be amended with sun flower hulls and gypsum. Drag material into drill holes. This will aid in conditioning soil. Allow passage of water bring soil conditioning products directly to the soil where it is needed. Will ease surface puddling & help short & long term solution to the drainage issues.
- C. Number of Passes
 - Red Area - 3 passes
 - Blue Area - 2 passes
 - Green Area - 1 pass

7/8" diameter holes at 5" on center each way
 - typical for each pass

Area	Passes	Material
Red Area	3	180 FM Coarse Sand
Blue Area	2	180 FM Coarse Sand
Green Area	1	180 FM Coarse Sand

Deep Drill Aerification Program – Follow Up

These follow up steps are to be performed by the County within the first 30 days after the Deep Drill Aerification

- A. Apply additional gypsum at the rate of 25 lbs. per one thousand square feet. Correct the poor water quality & conditions the soil which will improve drainage.
- B. Apply sul-po-ins fertilizer application after completion of the aerification and top dressing at a rate of 200 lbs. per acre. Aid in plant recovery from sodalities.
- C. Apply ammonium sulfate 21-0-0 fertilizer at 200 lbs. per acre after completion of the aerification and top dressing. Aid in recovery from sodalities. Aid high neutralize bed influences in the soil.
- D. Apply tiller fertilizer with nitro 2 two weeks after aerification. Aids recovery of turf damage & restores color. May want to do this every two weeks.

These follow up steps are to be performed by the County within day 31-60 after the Deep Drill Aerification

1. Apply ammonium sulfate 21-0-0 fertilizer at 200 lbs. per acre. Stimulate new growth.
2. Add in fertilizer help neutralize influence in the soil.
3. Deep line aerification with 5/8" solid or hollow tines to six eight inch depth in two directions. Vacuum and dispose of cores off of the field. Type of line & drill procedures will have to be adjusted per field conditions at the time of aerification. Depending on the weather & field conditions at the time, the idea is to continue conditioning the soil to improve root growth & drainage. If the turf is not very strong at this time substitute Aerway solid line aeration.
4. Top dress the playing field surface with 380 PMA manufactured coarse sand at a rate of 25 tons per acre. This should be done after the seed is broadcast.
5. Apply nitrogen at the rate of 25 lbs. per one thousand square foot. This application will supplement material already in the ground & condition the soil for better drainage.
6. Vertical field very lightly in preparation for grass over seeding. Light watering is a common practice before over seeding. This is optional depending on the density of the turf, if the turf manager feels due to the close timing of the aerifications & has then or worn turf this may be optional. This step might be skipped.
7. Apply a pre-plant fertilizer 3-7-7 at a rate of 200 lbs. per acre. This will help the establishment of the new turf. Having no knowledge of the other recent fertilizations or soil fertility testing this is a safe procedure. It is very possible to double the rate with no ill effects.
8. Over seed turf areas with 1 lb grass seed at a rate of ten lbs. per thousand. This is a recommended rate. A rate of 15 pounds for thousand might be better initially but may create problems next spring during transition back to Bermuda grass. This should be the turf manager's call at the time of application.
9. Apply tiller fertilizer application two weeks after over seeding. This will help new seed establish & improve hardiness.
10. Apply a fungicide application as needed for disease prevention to establish the grass. Disease is very possible at this stage especially with contrary weather conditions. Preventative or curative applications should be applied as needed.

**SECOND AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT
BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS
BASEBALL, LTD.**

THIS SECOND AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment", is made and entered into this 25th day of January, 2011, by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, on or about January 26, 2010, the County and the Rays entered into an Amendment to the Charlotte Sports Park Agreement (the "First Amendment") wherein the Rays assumed year-round, full time, responsibility for the maintenance of the Sports Park Fields at the Sports Park; and

WHEREAS, the Rays have now requested that the County amend the Agreement to permit the Rays to occupy Building "B" at the Sports Park and to provide that the Rays will assume the responsibilities for landscaping maintenance for the common grounds surrounding the Sports Parks Fields, as further described and designated in this Amendment, on a year-round, full time basis.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

1. Purpose.

The purpose of this Amendment is to permit the Rays to occupy Building "B" at the Sports Park and the assumption of year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Parks Fields by the Rays.

2. Building B - Charlotte County Sports Park

(a) Beginning January 26th 2011, the Rays will have sole use of Building B, as designated and identified on Exhibit A which is attached hereto and incorporated herein by reference, consistent with those areas of the Sports Park outlined in Section 5(d) of the Agreement; however, the Rays will make reasonable good faith efforts to make the locker room and shower/grooming areas available for tournaments or other meetings/events booked and/or approved by the County during all times of the year, except for those designated under Section 5 (a), (b) and (c) in the Agreement (spring training, extended spring training, instructional

league). The County is solely responsible for any improvements required to make the locker room/grooming areas available to the public for tournaments or other meetings/events booked and/or approved by the County, including any improvements required by the Americans with Disabilities Act.

(b) The Rays will not charge a fee for use of the locker room and shower/grooming areas for tournaments or other meetings/events. The County will be responsible for cleaning these areas after any tournament or other event. Building B shall be covered under Section 9(a) of the Agreement, and as per that section, the County shall maintain, repair, and restore all properties at the facility at no cost to the Rays, except the Rays shall provide for housekeeping and cleaning services to the clubhouse and office space it uses at no cost to the County. Additionally, as per Section 9(a) of the Agreement, the County will not be responsible for any maintenance, repairs, or restoration related to damage occurring to property as a result of negligent acts or omissions of the Rays, its officers, agents, or employees.

(c) Section 5(d) of the Agreement is clarified to include the entirety of the building housing both major and minor league clubhouses, as well as the Rays' administrative offices, as a defined area of sole use by the Rays.

(d) Building B will be turned over to the Rays in a clean condition; all materials and items currently housed in Building B will be removed before January 26th with the exception of any items currently stored in the existing laundry room within Building B, which will still be available for County storage.

(e) Similar to current provisions within the Agreement, the Rays, at their sole discretion and cost, may make reasonable facility enhancements to Building B, including, but not limited to lighting, painting, etc. Any major capital improvements to Building B would require the approval of the County, and can be considered for CIP funds. During the term of this Amendment either the Rays or the County have the right to present to the other party ideas for major capital improvements to Building B that would encourage and support additional use of Building B as a first-class major league baseball facility.

3. Landscape Maintenance - Charlotte County Sports Park

(a) The following lists the overall scope of services the Rays will provide for landscape maintenance within the Project Area, as noted on the attached Exhibit A. The term "Project Area" as used in this Amendment and as shown on Exhibit A shall mean and include those common grounds within the Project Area exclusive of the Sports Fields.

- Mow and edge all common areas
- Trim all trees and bushes
- Maintain seasonal and annual plantings in all islands and beds, including the green roof
- Keeps islands, beds and fence lines weed free, including the green roof bed located on the roof of the Rays Clubhouse
- Spray herbicides/pesticides as needed.

(b) The County will continue to be responsible for maintaining all areas outside of the Project Area, including, but not limited to the stadium parking lot and right-of-ways along El Jobean Road and Esther Street, and the regular maintenance and any necessary repairs to the irrigation system within the Project Area; except that the Rays shall be responsible for any damages/repairs to the irrigation system, including sprinkler heads, caused by the Rays. The County will also provide the Rays the use of a lift once a year for tree trimming, at a time

coordinated with the Rays Head Groundskeeper, small start-up tools for the services provided to the extent available, and be responsible for the replacement of any trees, bushes or sod that die from hard weather, frost or other Acts of God.

4. Energy Savings Plan

County and the Rays agree to work together to identify opportunities for energy savings that do not negatively impact overall operations around and throughout the overall Sports Park facility. The parties agree to work together to develop an action plan within ninety (90) days of the effective date of this Amendment identifying possible energy savings methods or programs.

5. TERM.

The term of this Amendment shall begin on the Effective Date and shall terminate simultaneously with the termination of the Agreement.

6. INCORPORATION.

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement.

7. SEVERABILITY.

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

**THIRD AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT BETWEEN
CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS BASEBALL, LTD.**

THIS THIRD AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment", is made and entered into this 9 day of September, 2014, by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park" or "facility") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, pursuant to the terms of the Agreement, an asset renewal/reserve fund (the "Capital Reserve Fund") was established to be spent on the facility subject to the terms and conditions mutually agreed upon by the Rays and the County, with capital repair and improvements given the highest priority; and

WHEREAS, the balance of the Capital Reserve Fund has been depleted over the years; and

WHEREAS, the County and Rays (collectively the "Parties") now wish to amend the Agreement by providing for additional funding from each of the Parties to be placed in the Capital Reserve Fund.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

1. Purpose.

The purpose of this Amendment is to provide for additional capital reserve funding contributions by the County and the Rays. The Rays agree to pay to the County for placement in the Capital Reserve Fund the amount of fifty thousand dollars (\$50,000) per calendar year for the years 2014, 2015, and 2016. In addition to these payments made by the Rays, the County agrees to place in the Capital Reserve Fund an additional fifty thousand dollars (\$50,000) per calendar year for the years 2014, 2015, and 2016. FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park" or "facility") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, on or about January 26, 2010, the County and the Rays entered into the First Amendment to the Agreement to provide for the Rays to assume full-time, year-round maintenance of the Sports Park Fields at the Sports Park; and

WHEREAS, on or about January 25, 2011, the County and the Rays entered into the Second Amendment to the Agreement which allowed the Rays to occupy Building "B" at the Sports Park and to provide landscaping maintenance for the common grounds surrounding the Sports Park Fields on a full-time, year-round basis; and

WHEREAS, on or about September 9, 2014, the County and the Rays entered into the Third Amendment to the Agreement which provided for additional funding from each of the Parties to be placed in the Capital Reserve Fund; and

WHEREAS, pursuant to the terms of the Agreement, the County and the Rays (collectively the "Parties") now wish to amend the Agreement by providing for the leasing of field maintenance equipment to be used at the Sports Park and providing for joint funding from the Parties.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

1. PURPOSE.

The purpose of this Amendment is to provide for the leasing of field maintenance equipment by the Rays as agreed upon by the Parties in replacement of the County Field Maintenance Equipment provided to the Rays as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement. The Parties agree upon the necessary replacement of the County Field Maintenance Equipment and recognize that the leasing of field maintenance equipment will provide greater operational efficiency, and agree that the Rays shall be responsible for leasing field maintenance equipment for use at the Sports Park.

2. EQUIPMENT LEASE, PAYMENT.

The Rays shall enter into a four-year lease (the "Lease") with a third-party provider for field maintenance equipment. The Parties agree that the estimated annual cost for the Rays to lease the field maintenance equipment will be Eighty-Two Thousand Dollars (\$82,000), and the County shall annually during the term of the Lease be responsible for contributing Forty-One Thousand Dollars (\$41,000) from the Maintenance and Operations Fund described in the Agreement. In the event that the actual annual lease amount is less than estimated, the County shall be entitled to offset its contribution in future years during the term of the Lease to equal a fifty percent (50%) contribution of the actual total lease amount. The Rays shall initially provide the executed field maintenance equipment lease to the County on or before April 2, 2016. The County shall perform its obligations herein annually during the term of the Lease by tendering payment to the Rays on or about April 2 of each year after receiving confirmation from Rays that the four-year field maintenance equipment lease remains binding and valid. The County will not have any responsibilities with regard to the leased field maintenance equipment, including but not limited to maintenance, repair, storage, theft, or loss, unless damage, theft, or loss of the equipment occurs by the fault of the County.

3. TERM.

This Amendment shall become effective upon the filing of a fully executed copy with the Clerk of the Circuit Court of Charlotte County, Florida. This Amendment and the obligations herein shall be effective for the four-year term of the Rays' field maintenance equipment lease. Upon the expiration or early termination of the four-year field maintenance equipment lease, all duties and obligations herein regarding the leased field equipment shall automatically terminate. It is anticipated that the Parties shall assess options for the replacement of the field maintenance

equipment on or before the expiration of the four-year field maintenance lease, with a plan for the replacement of this equipment upon the expiration or early termination of the lease to be agreed upon in partnership between the Parties.

Methodology

The following research project was undertaken at the request of Charlotte County's Board of County Commissioners.

The research's objectives, as documented in the survey questionnaire (approved by the contracting parties), reflect the full scope of the project undertaken. The principal purpose of this study was to document the economic impact of the 2019 Tampa Bay Rays Spring Training season. In this context, the study tabulates and profiles both tourist/visitors and day-trippers who came to the area for Spring Training games.

The findings of the study are based on 311 face-to-face interviews conducted with randomly selected fans at 2019 Tampa Bay Rays Spring Training games. Our economic impact calculations address non-Charlotte resident game attendees. *Please note that the economic impact estimates detailed in the following report only include fan spending. They do not address the spending of the stadium, the Tampa Bay Rays team, visiting teams, or media in the destination.*

Research Data Services, Inc. is responsible for the design and analysis of this project. The research was implemented by staff interviewers, trained, and supervised by **RDS** professionals. The study questionnaire, processing softwares, optical scanning programs, and related materials developed and used in and for this project, as well as this report are protected by the copyright laws of the United States of America.

Summary of Research Findings

The objective of the Tampa Bay Rays’ Spring Training research was to document the economic impact of the team’s 2019 season. Attendance figures, provided by the team, indicate that some 67,001 fans attended the 16 Tampa Bay Rays home Spring Training games in the Charlotte Sports Park between February 22, 2019 and March 22, 2019. (Please note that the game scheduled for March 16, 2019 was rained out.) ***The total economic impact of fans attending 2019 Tampa Bay Rays Spring Training games is estimated to be \$13,885,000.***

The following, in summary, are the most salient findings of the research:

A. The Economic Impact of 2019 Tampa Bay Rays Spring Training on Charlotte County:

Estimated Attendee Economic Impacts	Direct Expenditures	Economic Impact
Overnight Charlotte County Visitors	\$6,282,400	\$9,580,700
Day-Trippers	\$2,822,500	\$4,304,300
Out-of-County Spring Training Attendees	\$9,104,900	\$13,885,000

Some 66.7% of overnight visitors say that attending a Spring Training game was a primary factor in bringing them to Charlotte County. The total economic impact of these visitors’ spending accounts for an estimated \$6,521,100 of value added to the destination. Overnight attendees, who stayed in paid accommodations and say Spring Training was a primary factor in their Charlotte visit, generated some 9,900 room nights for the County’s tourism industry. Commercial lodging visitors who came to the destination for reasons other than Spring Training, but attended a game as part of their Charlotte experience, represent an additional 3,000 room nights.

Additionally, residents and seasonal residents of Charlotte County spent an estimated \$1,584,800 attending Spring Training games.

Note: The above economic impact estimates solely include fan spending. They do not address the spending of the stadium, the Tampa Bay Rays team, visiting teams, or media in the destination.

This introduction is subject in all respects to the more complete information and definitions contained or incorporated in this Official Statement and should not be considered to be a complete statement of the facts material to making an informed investment decision.

The Series 2016 Bonds are being issued pursuant to the Constitution and laws of the State of Florida, particularly Chapter 166, Florida Statutes, the Charter of the City, and other applicable provisions of law, and the Resolution. The Series 2016 Bonds need not be approved by a vote of the electors of the City.

The Series 2016 Bonds are being issued for the purpose of providing funds, together with other legally available funds of the City, to (i) refund the City's outstanding Special Obligation Revenue Bonds, Series 2007 (the "Refunded Bonds"), and (ii) pay the costs of issuance of the Series 2016 Bonds. See "PLAN OF REFUNDING" herein.

The principal of and interest on the Series 2016 Bonds are payable from and secured by a pledge of and lien upon (1) the Pledged Revenues (consisting of Retained Spring Training Franchise Sales Tax Revenues as such term is defined herein), and (2) until applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in the funds established by the Resolution, other than the Rebate Fund, all in the manner and to the extent described herein and in the Resolution (collectively, the "Pledged Funds"). The City has covenanted to appropriate in its annual budget, by amendment, if necessary, such amounts of Non-Ad Valorem Revenues (as defined herein and in the Resolution) which are not otherwise pledged, restricted or encumbered, as shall be necessary, after taking into consideration the Pledged Revenues, to pay the principal of and interest on the Series 2016 Bonds when due and all required rebate payments and to fund the Reserve Fund to the extent of any deficiencies therein. Such covenant to appropriate Non-Ad Valorem Revenues is not a pledge by the City of such Non-Ad Valorem Revenues and is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds or other debt instruments) and also to the payment of services and programs which are for essential public purposes affecting the health, safety and welfare of the inhabitants of the City or which are legally mandated by applicable law. The City currently intends to pay debt service on the Series 2016 Bonds first with Pledged Revenues and thereafter from appropriated Non-Ad Valorem Revenues. See "SECURITY FOR THE SERIES 2016 BONDS" herein.

All capitalized terms used in this Official Statement not normally capitalized and not otherwise defined herein, shall have the same meaning as provided in the Resolution. The descriptions of the Series 2016 Bonds, the documents authorizing and securing the same, and the information from various reports and statements contained herein are not comprehensive or definitive. All references herein to such documents, reports and statements are qualified by the entire, actual content of such documents, reports and statements. Copies of such documents, reports and statements referred to herein that are not included in their entirety in this Official Statement may be obtained from the City.

THE CITY

The City, incorporated in 1903, is located on the west coast of Florida, in Manatee County (the "County"), approximately forty miles south of Tampa on the southern reaches of Tampa Bay. The City encompasses 14.55 square miles and has a population of approximately 52,534. The City provides a full range of services including police, fire, planning and development, water, sewer, solid waste and recycling services, as well as providing cultural and recreational facilities. For additional information concerning the City, see "APPENDIX A - General Information Regarding the City of Bradenton and Manatee County, Florida" attached hereto.

PLAN OF REFUNDING

Pursuant to the Bond Resolution, the City has determined it to be in its best interest to refund the Refunded Bonds currently outstanding in the amount of \$14,705,000 with proceeds from the Series 2016 Bonds and other legally available moneys of the City.

Concurrently with the delivery of the Series 2016 Bonds, proceeds from the Series 2016 Bonds, together with other legally available moneys of the City, shall be deposited into an escrow deposit trust account (the "Escrow Account") pursuant to the terms and provisions of the Escrow Deposit Agreement between the City and U.S. Bank National Association, Orlando, Florida, as Escrow Agent thereunder (the "Escrow Deposit Agreement"). The moneys deposited pursuant to the Escrow Deposit Agreement shall be applied to the purchase of certain United States Treasury obligations (the "Escrow Securities") so as to produce sufficient funds to pay the principal of, and interest on the Refunded Bonds as the same become due or are earlier redeemed. The Refunded Bonds will be called for redemption on September 1, 2017 (the "Redemption Date") at a redemption price of 100% of the principal amount of such Refunded Bonds, plus accrued interest to the Redemption Date. Upon the deposit of such moneys in the Escrow Account, in the opinion of Bond Counsel, rendered in reliance upon certain mathematical computations performed by Raymond James & Associates, Inc., the Underwriter, as verified by Integrity Public Finance Consulting LLC, Jacksonville, Florida (the "Verification Agent") as described below, the Refunded Bonds shall be deemed to be paid and shall no longer be deemed to be secured by or entitled to the benefits of the Resolution pursuant to which they were issued. The Verification Agent is a wholly owned subsidiary of Bryant Miller Olive P.A. The holders of the Refunded Bonds shall be entitled to payment solely out of the moneys and Escrow Securities deposited pursuant to the Escrow Deposit Agreement. - A. The City owns McKechnie Field (as defined below) and Pirate City (as defined below).
- B. The Team owns and operates a major league professional baseball team known as the Pittsburgh Pirates and is affiliated with minor league professional baseball teams in various cities throughout the United States.

The Team shall be responsible for any deductible sums due and payable under any insurance required to be maintained under this Lease. The Team shall name the City as an "additional insured" on all commercial general liability policies. Such insurance shall provide coverage against all claims against the Team and the City for bodily injury (including death) and property damage resulting directly or indirectly from the control and operation of the Complex by the Team, and any act, omission or activities of the Team, its officers, employees or agents, in connection with the Complex, with a company or companies licensed to do business in the State of Florida and with a rating by Best's Insurance Reports or any successor publication of comparable standing of A / VII or better. (ii) there shall be paid to the Team from such insurance proceeds such part thereof as shall equal the cost of repairing, restoring or reconstructing the Complex or of any part thereof or of erecting a new building or structure or improvement or part thereof so that upon completion of such repairs, restoration, reconstruction, or erection of the building or structure or improvement shall be equal to the value of the replacement value of the building or structure or improvement;

(iii) payments pursuant to the paragraphs (i) or (ii) of this Subsection 9.2(b)(iii) from such insurance proceeds shall be made by the Team from the Restoration Fund from time to time as the work progresses in amounts equal to the cost

ARTICLE 10 DEFAULT AND REMEDIES

Section 10.1 Events of Default.

Each of the following shall constitute an "Event of Default" under this Lease:

(a) Team Event of Default.

(i) The Team's failure to perform or observe any covenant or condition of this Lease, which failure shall continue for thirty (30) days after receipt of written notice to the Team by the City identifying with particularity the failure or violation; provided that, so long as such failure is of a non-monetary nature susceptible to cure but is not reasonably capable of being cured within such thirty (30)-day period, there shall exist no Event of Default if the Team promptly advises the City of the Team's intention to duly institute all steps necessary to cure such default and the Team promptly commences cure of such failure, and diligently pursues such cure to completion; and

(ii) Any representation or warranty made by the Team herein shall prove to have been incorrect when made, in any material respect.

(b) City Event of Default.

(i) The City's failure to fund the Capital Reserve Fund in the amounts required by this Lease, or the City's failure to perform or observe any other covenant or condition of this Lease, which failure shall continue for thirty (30) days after receipt of written notice to the City by the Team identifying with particularity the failure; provided that, so long as such failure or violation is of a non-monetary nature susceptible to cure but is not reasonably capable of being cured within such thirty (30)-day period, there shall exist no Event of Default if the City promptly advises the Team of the City's intention to duly institute all steps necessary to cure such default and the City promptly commences cure of such failure or violation, and diligently pursues such cure to completion; and

No Party shall be deemed to have waived any default unless such waiver is expressly set forth in an instrument signed by such Party. If a Party waives in writing any default, then such waiver shall not be construed as a waiver of any covenant or condition set forth in this Lease except as to the specific circumstances described in such written waiver. Neither payment of a lesser amount than the sum due hereunder nor endorsement or statement on any check or letter accompanying such payment shall be deemed an accord and satisfaction, and the other Party may accept the same without prejudice to the right to recover the balance of such sum or to pursue any other remedy.

Section 10.4 Waiver of Consequential, Special and Punitive Damages.

Notwithstanding anything in this Lease to the contrary, the Team and the City waive against each other and their respective Affiliates any claims or causes of action for consequential, special and punitive damages or losses (including loss of use or anticipated profits) that either Party may suffer as a result of the breach or other default of this Agreement by

the other Party. This mutual waiver is applicable, without limitation, to all consequential, special and punitive damages due to either Party's termination of this Agreement.

The execution, delivery and performance of this Lease shall not result in a violation of, in any material respect, any provision of any other agreements, instruments, contracts, judgments or decrees to which the Team is a party or by which the Team or its assets may be bound or affected nor shall the execution, delivery and performance of this Lease result in the breach of or constitute a default under any agreement or instrument to which the Team is a party or by which the Team or its assets may be bound or affected.

(d) No Violations of Laws. The Team has not received written notice as of the date of execution of this Lease asserting any noncompliance in any material respect by the Team with Legal Requirements, and the Team is not in default with respect to any judgment, order, injunction or decree of any court, administrative agency, or other Governmental Authority that is in any respect material to the transactions contemplated in and by this Lease.

Furthermore, the City shall take all ministerial actions and proceedings reasonably necessary or appropriate to remedy any apparent invalidity, lack or defect in authorization, or illegality, or to cure any other defect that has been asserted or threatened.

(b) The City and the Team further covenant and agree to cooperate and assist each other in the creation, establishment, granting or conveying, either by easement, declaration, license or any other instrument or agreements (whether recorded or unrecorded) as either Party may deem necessary or reasonably advisable (and subject to the consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed) to provide for the continued and uninterrupted use of Utilities, ingress/egress and other easements necessary for the operation of the Complex.

Section 13.3 Good Faith.

In exercising its rights and fulfilling its obligations under this Lease, each of the Parties shall act in good faith. Notwithstanding the foregoing, each Party acknowledges that in each instance under this Lease where a Party is obligated to exercise good faith or to use good faith, diligent or other similar efforts, such Party shall not be required to expend any funds, or grant any other consideration of any kind, in the performance of such undertaking, and each Party further acknowledges that the obligation of any Party to act in good faith, or undertake good faith, diligent or other similar efforts does not constitute a warranty, representation or other guaranty that the result that the Parties are attempting to achieve shall be successfully achieved and no Party shall be liable for any failure to achieve the result or results intended so long as the Party has complied with its obligation to act in good faith.

OFFICIAL STATEMENT
Relating to

\$14,280,000
CITY OF BRADENTON, FLORIDA
SPECIAL OBLIGATION REVENUE REFUNDING BONDS,
SERIES 2016

INTRODUCTORY STATEMENT

This Official Statement including the cover page, inside cover page and appendices, is provided by the City of Bradenton, Florida (the "City"), in order to set forth certain information regarding the City and the City's \$14,280,000 aggregate principal amount of Special Obligation Revenue Refunding Bonds, Series 2016 (the "Series 2016 Bonds"), authorized by Resolution No. 16-33, adopted by the City Council (the "Council") on June 8, 2016 (the "Resolution"). This introduction is subject in all respects to the more complete information and definitions contained or incorporated in this Official Statement and should not be considered to be a complete statement of the facts material to making an informed investment decision.

The Series 2016 Bonds are being issued pursuant to the Constitution and laws of the State of Florida, particularly Chapter 166, Florida Statutes, the Charter of the City, and other applicable provisions of law, and the Resolution. The Series 2016 Bonds need not be approved by a vote of the electors of the City.

The Series 2016 Bonds are being issued for the purpose of providing funds, together with other legally available funds of the City, to (i) refund the City's outstanding Special Obligation Revenue Bonds, Series 2007 (the "Refunded Bonds"), and (ii) pay the costs of issuance of the Series 2016 Bonds. See "PLAN OF REFUNDING" herein.

The principal of and interest on the Series 2016 Bonds are payable from and secured by a pledge of and lien upon (1) the Pledged Revenues (consisting of Retained Spring Training Franchise Sales Tax Revenues as such term is defined herein), and (2) until applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in the funds established by the Resolution, other than the Rebate Fund, all in the manner and to the extent described herein and in the Resolution (collectively, the "Pledged Funds"). The City has covenanted to appropriate in its annual budget, by amendment, if necessary, such amounts of Non-Ad Valorem Revenues (as defined herein and in the Resolution) which are not otherwise pledged, restricted or encumbered, as shall be necessary, after taking into consideration the Pledged Revenues, to pay the principal of and interest on the Series 2016 Bonds when due and all required rebate payments and to fund the Reserve Fund to the extent of any deficiencies therein. Such covenant to appropriate Non-Ad Valorem Revenues is not a pledge by the City of such Non-Ad Valorem Revenues and is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds or other debt instruments) and also to the payment of services and programs which are for essential public purposes affecting the health, safety and welfare of the inhabitants of the City or which are legally mandated by applicable law. The City currently intends to pay debt service on the Series 2016 Bonds first with Pledged Revenues and thereafter from appropriated Non-Ad Valorem Revenues. See "SECURITY FOR THE SERIES 2016 BONDS" herein.

All capitalized terms used in this Official Statement not normally capitalized and not otherwise defined herein, shall have the same meaning as provided in the Resolution. The form of the Resolution is attached to this Official Statement as APPENDIX C. The descriptions of the Series 2016 Bonds, the documents authorizing and securing the same, and the information from various reports and statements contained herein are not comprehensive or definitive. All references herein to such documents, reports and statements are qualified by the entire, actual content of such documents, reports and statements. Copies of such documents, reports and statements referred to herein that are not included in their entirety in this Official Statement may be obtained from the City.

THE CITY

The City, incorporated in 1903, is located on the west coast of Florida, in Manatee County (the "County"), approximately forty miles south of Tampa on the southern reaches of Tampa Bay. The City encompasses 14.55 square miles and has a population of approximately 52,534. The City provides a full range of services including police, fire, planning and development, water, sewer, solid waste and recycling services, as well as providing cultural and recreational facilities. For additional information concerning the City, see "APPENDIX A - General Information Regarding the City of Bradenton and Manatee County, Florida" attached hereto.

PLAN OF REFUNDING

Pursuant to the Bond Resolution, the City has determined it to be in its best interest to refund the Refunded Bonds currently outstanding in the amount of \$14,705,000 with proceeds from the Series 2016 Bonds and other legally available moneys of the City.

Concurrently with the delivery of the Series 2016 Bonds, proceeds from the Series 2016 Bonds, together with other legally available moneys of the City, shall be deposited into an escrow deposit trust account (the "Escrow Account") pursuant to the terms and provisions of the Escrow Deposit Agreement between the City and U.S. Bank National Association, Orlando, Florida, as Escrow Agent thereunder (the "Escrow Deposit Agreement"). The moneys deposited pursuant to the Escrow Deposit Agreement shall be applied to the purchase of certain United States Treasury obligations (the "Escrow Securities") so as to produce sufficient funds to pay the principal of, and interest on the Refunded Bonds as the same become due or are earlier redeemed. The Refunded Bonds will be called for redemption on September 1, 2017 (the "Redemption Date") at a redemption price of 100% of the principal amount of such Refunded Bonds, plus accrued interest to the Redemption Date. Upon the deposit of such moneys in the Escrow Account, in the opinion of Bond Counsel, rendered in reliance upon certain mathematical computations performed by Raymond James & Associates, Inc., the Underwriter, as verified by Integrity Public Finance Consulting LLC, Jacksonville, Florida (the "Verification Agent") as described below, the Refunded Bonds shall be deemed to be paid and shall no longer be deemed to be secured by or entitled to the benefits of the Resolution pursuant to which they were issued. The Verification Agent is a wholly owned subsidiary of Bryant Miller Olive P.A. The holders of the Refunded Bonds shall be entitled to payment solely out of the moneys and Escrow Securities deposited pursuant to the Escrow Deposit Agreement. The moneys and Escrow Securities on deposit in the Escrow Fund will not be available for payment of the Series 2016 Bonds.

Upon delivery of the Series 2016 Bonds, the Verification Agent will verify the accuracy of the arithmetical computations of the adequacy of the maturing principal amount of, and interest on the Escrow Securities, together with any uninvested amounts, to be held in the Escrow Account to pay the

principal and interest on the Refunded Bonds on the Redemption Date, and the "yield" on the Series 2016 Bonds and on the Escrow Securities considered by Bond Counsel in connection with its opinion that the Series 2016 Bonds are not "arbitrage bonds" within the meaning of Section 145 of the Code, as amended. See "VERIFICATION OF MATHEMATICAL COMPUTATIONS" herein.

In reliance upon the above-referenced schedules, at the time of delivery of the Series 2016 Bonds, Bond Counsel will deliver to the Underwriter and the City an opinion to the effect that all covenants, agreements and other obligations of the City to the holders of the Refunded Bonds have ceased, terminated and become void and are discharged and satisfied.

Overall, over 565,000 fans have voted in the annual **Ballpark Digest Best of the Ballparks fan vote**, which covers spring-training, MLB, MiLB, independent and summer-collegiate ballparks.

"It's really, really hard to repeat as a winner in our Best of the Ballparks fan vote, so it's a real tribute to Impact Field and the Dogs ownership to see this year's results," said Ballpark Digest Publisher **Kevin Reichard**. "Impact Field is a great addition to Rosemont's sports-entertainment offerings, so the fan vote is no surprise."

LECOM Park to get more improvements. Here's how much it will cost taxpayers

BRADENTON — One of Florida's best Major League Baseball spring training facilities is about to get even better, but at a cost to taxpayers of \$600,000.

The funds will come out of a capital improvement account devoted to the Pittsburgh Pirates as part of the city's agreement to participate in ongoing park improvement projects and field maintenance. Each year the city contributes \$150,000 to the Pirates organization toward those goals and to date, the account totals \$850,000.

The Pirates still have to get permission from the city to move forward on any projects deemed reasonable, and received that permission Wednesday.

The \$600,000 will be split up into two separate improvement projects to include a dugout expansion and upgrade, as well as redoing the field and improving drainage.

“So it’s not costing any additional funding,” said Economic Development Director Carl Callahan. “They need to redo the field to improve drainage. The field actually looks pretty good, but it’s not draining so it seems to be an appropriate use of the funds.”

The city will help keep costs down by removing the existing sod using public works crews and essentially recycling the existing grass to help fill in areas at the city’s golf course and helping out the 13th Avenue Dream Center’s football field.

As home of the Bradenton Marauders, LECOM Park was named the top High-A ballpark in the country by Ballpark Digest, which conducted the fan vote.

It’s not the first recognition from Ballpark Digest, which named LECOM Park’s 2013 improvements as “Best Ballpark Renovation.”

The \$10 million project included a fan-area renovation, the boardwalk around the outfield and the addition of the tiki bar. In 2016, Ballpark Digest named LECOM Park and Bradenton the top spot for Florida spring training destinations.

A longstanding agreement between the Pirates and the city of Bradenton will see another \$600,000 in taxpayer funds go to more improvements before spring training begins ahead of the 2019 MLB season. **File photo Tiffany Tompkins - Bradenton Herald**

CITY OF BRADENTON RETAINED SPRING TRAINING FRANCHISE 2019 ANNUAL REPORT

The following information is presented to fulfill the requirements of State Statute 288.11631(4): Submission of a Retained Spring Training Franchise annual report. The City of Bradenton is in a long-term lease arrangement with Major League Baseball's Pittsburgh Pirates.

CRITERIA #1. *A "unit of local government" as defined in F.S. 218.369 is responsible for the acquisition, construction, management, or operation of the facility for a retained spring training franchise or holds title to the property on which the facility for a retained spring training franchise is located.*

The City of Bradenton, a 'unit of local government,' holds title to the properties on which the Pittsburgh Pirates' spring training facilities are located. The Pirates have two separate facilities – Pirate City and the former McKechnie Field, now known as LECOM Park.

CRITERIA #2. *The applicant has a verified copy of a signed agreement with a retained spring training franchise for the use of the facility for a term of at least 15 years.*

The City of Bradenton, in 2006, entered into a 30-year lease agreement with the Pittsburgh Pirates. The lease and development agreement are included with this report and include both Pirate City and LECOM Park.

CRITERIA #3. *The applicant has a financial commitment to provide 50 percent or more of the funds required by an agreement for the acquisition, construction, or renovation of the facility for a retained spring training franchise. The agreement can be contingent upon the awarding of funds under this section and other conditions precedent to use by the spring training franchise.*

Through the issuance of an \$18.6 million bond, the City of Bradenton provided more than 50% of the cost of renovating the Pirates' spring training facilities. Bradenton also contributes annually to a capital 'reserve' fund for continued improvements to the facilities. In addition to the improvements made in 2007, a \$10 million renovation to McKechnie Field (LECOM) was made in 2012, leading *Ballpark Digest* to honor McKechnie Field as the "Best Ballpark Renovation" of 2013, the Best Florida Spring-Training Park of 2017, and the Best High-A Minor League Stadium in Florida in 2018. In 2017 a \$999,507 contribution from the TDC resulted in the installation of a new scoreboard at LECOM Park. Additionally, a Grant from the Department of Economic Development resulted in the construction of an additional field at the Tournament Sports Park at Pirate City. Ahead of the 2019 Spring Training Season the City of Bradenton used the capital 'reserve' funds for two improvement projects at LECOM Park, which included redoing the field to improve drainage and a dugout expansion. The cost of these two projects to date is \$614,503.00.

CRITERIA #4. *The applicant has projections, verified by the Office of Tourism, Trade, and Economic Development, which demonstrate that the facility for a retained spring training franchise will attract a paid attendance of at least 50,000 annually.*

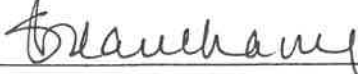

The Pirates' facilities host both Major League spring training AND the Bradenton Marauders, the Pirate's "A" club of the Florida State League. Annual attendance at LECOM Park for 2019:

Pirates – 90,582 over 15 games (6,039 per game)
Marauders – 71,284 – 63 games

CRITERIA #5. *The facility for a retained spring training franchise is located in a county that is levying a tourist development tax pursuant to F.S. 125.0104.*

The City of Bradenton is located in Manatee County, which levies a 5% tourist development tax.

Sharon Beauchamp, City Clerk & Treasurer

Whether the Commercial Space and/or the Concession Facilities shall be operated during Events which constitute Public Uses (any such operations to be effected solely by The Phillies and/or any concessionaire of The Phillies) shall be determined by The Phillies at its discretion; provided, however, that when requested by the City in respect of any Events which constitute the Public Uses where attendance is reasonably projected to exceed 200, Concession Facilities shall be opened by

The Phillies, to the extent that The Phillies deem appropriate, based on a reasonable estimate of attendance.

5.3.2 The City shall make mutually satisfactory arrangements in advance with The Phillies, for The Phillies to provide (but at the expense of the City) appropriate staffing and operations during each Event which constitutes a Public Use, such as ticket takers, ushers, parking attendants, food and beverage preparers and servers, security and paramedical personnel.

5.3.3 Each Public Use may be scheduled only at a time that is reasonably acceptable to The Phillies, it being understood that each of the uses specified in Sections 5.1.1 through 5.1.6 inclusive shall have absolute scheduling priority over every Public Use, except Disaster Staging Uses.

5.3.4 Each Public Use (other than those provided for in Section 5.2.1 and 5.2.4) shall be subject to The Phillies' prior approval, which may be withheld by The Phillies only if in its reasonable judgment conducting the Public Use at the Sports Facility would risk damage to the playing fields or cause unreasonable wear and tear to structures or, in the reasonable judgment of The Phillies, be inconsistent with the image of MLB and The Phillies.

operations only, at prices set by The Phillies subject to the City's approval, not to be unreasonably withheld.

5.5 Disaster Staging Uses. The City may, in each instance of actual or imminently threatened natural disaster, use the Sports Facility as a staging area for disaster preparations, response or other related uses ("Disaster Staging Uses"), provided that (i) there will not be any cost to The Phillies and (ii) the City will immediately restore any resulting damage to the playing field or any other element of the Sports Facility caused as a result of the Disaster Staging Use. (Any loss caused by the natural disaster, as opposed to the City's Disaster Staging Use, is governed by Section 14 hereof.) The City shall not be responsible to The Phillies for any loss of revenue or consequential damages resulting from Disaster Staging Uses, except any attributable to its failure to duly effect any such restoration and restore full use of the Sports Facility to The Phillies immediately following the end of the disaster.

6. Use Fee. From and after the Commencement Date, The Phillies shall pay, in arrears, a use fee to the City at the rate of \$70,000 per calendar year during the Term, subject to adjustment pursuant to Section 6.1 (as so adjusted, the "Use Fee") and to offset pursuant to Section 6.2. The Use Fee for each calendar year during the Term shall be payable by March 31st of the following year.

6.1 Adjustment. The Use Fee for the second and each subsequent full calendar year during the Term shall be subject to an adjustment (a "CPI Adjustment"), for any change in the CPI Index between that for December of the year prior to the first such full calendar year and that for December of the year prior to the calendar year with respect to which the calculation is being made.

6.2 Offset. The Phillies may offset against and deduct from the Use Fee payable in respect of any whole or partial calendar year during the Term, the Offset Amount attributable to that period.

7.1 Revenues from Partnership Events and Civic Events. All ticket, food and beverage, merchandise, parking and broadcasting revenues generated on and from the Sports Facility (excluding only revenues derived from the Luxury Suites and the Commercial Space) attributable to each Partnership Event and each Civic Event, net of the direct incremental cost to The Phillies of operating and maintaining the Sports Facility (excluding the Luxury Suites and the Commercial Space) attributable solely to such use (which shall not include administrative or overhead costs or the like or any utility charges or other costs that would have been incurred irrespective of such use) will be: (i) in the case of Partnership Events, shared equally by The Phillies and the City, and (ii) in the case of Civic Events, will be retained by The Phillies (except for any net ticket revenues, which shall be distributed by The Phillies to the appropriate charitable, community or civic organization), in each case within thirty days following the Event. The Phillies shall institute a method of accounting for the collection and calculation of the net revenues collected in respect of Partnership Events and Civic Events and shall furnish to the City appropriate accounting statements in respect of such Events, which shall be prepared in accordance with generally accepted accounting

principles. The City may, upon reasonable notice and during normal business hours, examine, inspect and copy the books and records of The Phillies pertaining to such net revenues and, at its own expense, cause an audit to be performed of such pertinent books and records.

7.2 Naming Rights. The City hereby grants to The Phillies the power and authority from time to time during the Term to assign or license to a third party the right to name (i) all (e.g. "ABC Sports Facility" or "DEF Stadium") or (ii) portions (e.g. "GHI Bullpen" or "JKL Pavilion") of the Sports Facility and to retain all net proceeds therefrom. The term "net proceeds" for this purpose means the gross proceeds from the assigning or licensing of such naming rights less any direct costs associated with conducting the naming process and, in cases where any additional benefits (e.g. suite usage, tickets, stadium signage, advertising etc) may be included as part of the naming rights package and not separately priced, then the fair market value of such additional benefits shall also be deducted. The City shall have the right to disapprove any such name only, if in the City's reasonable judgment, such name is inconsistent with a wholesome public image for the Sports Facility. The net proceeds from any naming of the whole Stadium or the Sports Facility referred to in clause (i) (but not from any naming of portions thereof, as referred to in clause (ii)) shall be shared as follows: two-thirds to The Phillies and one-third to the City.

Temporary signs identifying and promoting participants in or sponsors of Partnership Events or Civic Events may be displayed during the Event, provided, however, that: (i) no such signage shall relate to a product, service or Person which competes with the Person (or that one Person from time to time designated by The Phillies, at any time or times when there may be more than one such Person) for which all or any part of the Sports Facility is named or with that Person's products or services or with any products or services

designated by The Phillies as falling within either of up to two exclusive product categories (e.g. soft drinks, beer, banking etc) for the Sports Facility; (ii) no such display may obscure fixed signage then located in the Sports Facility; and (iii) the City shall be responsible at its expense for the removal thereof immediately upon conclusion of the Event.

The Phillies will reimburse the City for twenty-five percent of the total cost thereof as incurred by the City and at the rate charged to similar users, in the case of utilities supplied by the City, payable within thirty days of each monthly bill therefor from the City, accompanied by evidence of payment and/or of such rates so charged (such twenty-five percent reimbursements are herein referred to as the "Phillies Utilities Share")

8.3 Parking. In addition to operating all parking areas at the Sports Facility, The Phillies shall have the right to make arrangements for offsite parking for Events at the Sports Facility, including without limitation at the Carpenter Sports Facility, St. Petersburg Junior College and under the Florida Power Corporation right of way. For each Home Game, The Phillies will engage such

civic organization that the City shall propose (subject to The Phillies' approval, not to be unreasonably withheld) to staff the public parking areas at the Sports Facility and at any utilized offsite parking areas. The Phillies will pay to that organization for such services an honorarium of \$1,250 per Game, which figure shall be subject to a CPI Adjustment.

The City shall acquire for and supply to The Phillies all field care (e.g. clay, sod, sand, fertilizer and chemicals) and other

supplies necessary for The Phillies to discharge the Phillies Maintenance Obligations relating to the playing fields, and The Phillies shall reimburse the City for its actual out-of-pocket costs therefor. Notwithstanding anything herein to the contrary, any City employee providing City Services to the Sports Facility shall be operating under the direction and control of the City, and shall be subject to any applicable City rule, regulation or policy, provided however, that The Phillies may directly engage City employees during the off-duty time, in which case such City employees shall be deemed to operate under The Phillies control.

9.2 City Maintenance, Repair etc. Obligations. Except for The Phillies Maintenance Obligations, the City shall have the obligation to provide all maintenance, repairs, restorations, refurbishments and replacements, whether interior or exterior, structural or non-structural, routine or extraordinary, ordinary or capital in nature, as shall be necessary to keep the Sports Facility clean, safe and in good order, condition and repair, and in compliance with all applicable Legal Requirements and in first class condition and up to first class MLB spring training stadium standards at the time of reference, provided however, that (subject to Sections 14 and 15 hereof) this obligation shall not operate to require the City to construct a new Sports Facility, or to substantially reconstruct the Sports Facility during the Term hereof. The Consulting Engineer shall annually determine which capital repairs, restorations, refurbishments and replacements are needed to be done currently and which capital repairs, restorations, refurbishments and replacements shall be scheduled to be done in the future, and when. The costs of the Consulting Engineer shall be borne equally by The Phillies and the City. The determinations of the Consulting Engineer shall be conclusive on both the City and The Phillies.

9.3 Upgrading of the Sports Facility. The City shall from time to time, as needed, upgrade, modernize and otherwise improve the Sports Facility so that during the Term of this Agreement, the Sports Facility shall not only meet all applicable MLB standards but shall, in addition, include that level of amenities and technological facilities as is comparable at the time of reference to those of first class MLB spring training facilities of comparable age (such as Roger Dean Stadium in Jupiter, FL, City of Palms Park in Ft. Myers, FL and Hohokam Stadium in Mesa, AZ). Without limiting the generality of the foregoing, at such time as any technological improvements (e.g., video rooms) have been incorporated in at least two of those three comparable MLB spring training facilities, then the City shall install such technological improvements in the Sports Facility. However, this provision shall not require the City to expend monies within the last five years of the Term, unless The Phillies agree to (i) exercise the option to renew provided for in Section 3.3 hereof (in which event, if necessary, the one-year notice period for exercising such option shall be waived), or (ii) if the option to renew has already been exercised, The Phillies and the City agree to extend the Term by at least five years.

9.4 Sports Facility Manager. The Sports Facility Manager shall be responsible for the day-to-day oversight of the maintenance, repair and condition of the Sports Facility, and shall be the representative of the City with whom The Phillies may communicate. The Sports Facility Manager shall have authority to bind the City to the fullest extent permitted by law, provided, however, that the Sports Facility Manager shall not have the legal authority to bind the City to financial obligations without the prior approval of City's governing body.

9.5 Personnel. The City shall provide such level of qualified and properly trained personnel to perform its obligations under Section 9.2.

9.6 Capital Expenditures. The Consulting Engineer shall, by November 1 of each calendar year during the Term, submit to the parties his recommendation as to what capital repairs, refurbishments, restorations, replacements and upgrades are to be done currently and schedule those to be done in the future, which are necessary, in the judgment of the Consulting Engineer, in order for the City to fulfill its obligations under this Section 9. On December 1 of each calendar year during the Term the City shall furnish to The Phillies a capital expenditure schedule prepared by the City, with due regard to such recommendations, setting forth in detail the projected capital repairs and improvements expenditures scheduled for the following calendar year and shall appropriately budget any amounts necessary to do so. The Phillies shall be afforded the right to have input in the preparation of such schedule and it shall be subject to The Phillies' approval, which shall not be unreasonably withheld.

9.7 Action by The Phillies. Without limiting The Phillies' rights under Section 17, if The Phillies in good faith determines that any portion of the Sports Facility (excluding only the playing fields) is not being maintained and/or repaired by the City in accordance with the standards and requirements set forth in Sections 9.2, 9.3 and 9.6, The Phillies shall have the right, but not the obligation, to advance funds for or otherwise provide appropriate maintenance and/or repair, subject to the following provisions:

9.7.1 Notice Practicable. If practicable, The Phillies shall give written notice to the City specifying the nature of the required work, and the date by which The Phillies reasonably considers it necessary to commence such work following its receipt of such a notice:

(i) The City may commence such work prior to the date and time so specified by The Phillies and prosecute the same diligently to completion; if the City does so, The Phillies shall not undertake such work itself.

(ii) If the City disputes whether the requested work required to fulfill the City's obligations under this Agreement, the City shall so inform The Phillies in writing prior to the date and time specified by The Phillies in its notice. If the City gives timely notice, the dispute shall be submitted to Expedited ADR prior to the date and time specified by The Phillies in its notice.

(iii) If (a) the City does not commence such work prior to the date and time specified by The Phillies and prosecute the same diligently to completion, or (b) the City fails to give timely notice of a dispute, or (c) it is not practicable to submit the matter to Expedited ADR prior to the date and time specified by The Phillies in its notice, then in any such event, The Phillies may commence the work necessary to remedy the matter on an emergency basis and prosecute the same diligently to completion.

9.7.2 Emergency. If The Phillies in good faith determines that the work must be performed on an emergency basis (that is, it must be performed in order to prevent an imminent danger to health or safety or it is otherwise not practicable to give notice provided in this Section 9.7), then The Phillies may commence work to remedy the matter on an emergency basis and prosecute the same diligently to completion.

9.7.3 Payment to The Phillies. The City shall promptly reimburse The Phillies on demand for any amounts expended pursuant to this Section 9.7 (including interest at the Default Rate from the date that is 30 days after the date of demand until paid if such amount is not paid by the 45th

day following the date of demand). If the City disputes that the work was required to fulfill the City's obligations hereunder, Expedited ADR shall be convened to resolve the dispute.

(i) If and to the extent it is determined by Expedited ADR that work was not required to fulfill the City's obligations hereunder, then The Phillies shall not be entitled to any reimbursement for any sums expended by The Phillies.

(ii) If and to the extent it is determined by Expedited ADR that the work was required to fulfill the City's obligations hereunder, then the City shall immediately reimburse The Phillies for all sums expended by The Phillies on the work, plus interest at the Default Rate.

9.8 Surrender. At the termination of this Agreement, by lapse of time or otherwise, The Phillies shall surrender possession of the Sports Facility to the City and deliver all keys or such other access equipment or devices. In addition, The Phillies shall remove The Phillies' furniture, trade fixtures and other items of movable personal property of every kind and description from the Sports Facility and restore any damage caused thereby, such removal and restoration to be performed prior to the end of the Term or within sixty days following any earlier termination of this Agreement. If The Phillies fail to remove any such items, the City may do so, and The Phillies shall pay to the City upon demand the cost of removal and of restoring the Sports Facility. All obligations of The Phillies under this Section shall survive the expiration of the Term or sooner termination of this Agreement.

10. Alterations and Additions by The Phillies.

10.1 Minor Improvements. The Phillies shall have the right (following reasonable notice thereof to the City for its information only), but not the obligation, to make minor improvements to the Phillies Exclusive Use Areas without City's approval, consisting of any work, installation,

construction or the like which does not require a permit from any federal, state or local governmental agency (e.g., installation of additional shelving in the Office).

10.2 All Other Improvements. Except for the "minor improvements" described in Section 10.1, The Phillies shall not construct any improvements on or otherwise alter, change or improve any part of the Sports Facility, without the prior written consent of the Sports Facility Manager, upon such terms and conditions as he may reasonably deem necessary. Requests by The Phillies to construct any such improvements on or otherwise to alter, change or improve any part of the Sports Facility shall be presented to the Sports Facility Manager in written form and he shall act thereon within a reasonably prompt time. If the Sports Facility Manager gives his consent to The Phillies' undertaking such work (which consent shall not be unreasonably withheld), the consent shall be deemed conditioned upon The Phillies' acquiring any necessary permit to do so from applicable governmental agencies, furnishing a copy thereof to the Sports Facility Manager prior to the commencement of the work and complying with all conditions of said permit in a prompt and expeditious manner.

10.3 Ownership of Such Improvements. All improvements, alterations or other changes made by The Phillies to any part of the Sports Facility pursuant to this Agreement, other than that which is so affixed to the Sports Facility that it cannot be removed without material damage to it, shall remain the personal property or equipment of The Phillies and may be removed by The Phillies upon expiration or termination of this Agreement provided that The Phillies restore and repair any damage caused by the removal.

10.4 No Limitation. Nothing in this Section 10 shall in any way limit or reduce the obligation of the City to maintain the Sports Facility as provided in Section 9 and elsewhere in this Agreement.

11. Taxes.

11.1 Possessory Taxes. It is the intent of the parties that the Sports Facility (land and Improvements) shall be exempt from any and all real property ad valorem taxes and from payments in lieu of such taxes throughout the Term. However, should all or any part or parts of the Sports Facility become subject to any such taxes, then the parties shall each cooperate and use their respective best efforts (i) to cause Pinellas County to return its share of any such taxes and (ii) to secure legislation exempting the Sports Facility from such taxes. In the interim, The Phillies and the City shall each pay one-half of any such taxes, net of any City ad valorem real property taxes, which shall be paid by City. Any such payments by The Phillies are herein referred to as the "Phillies Possessory Tax Share."

11.2 Tax Protection. The City shall throughout the Term hold The Phillies harmless from all other local (as opposed to Federal, State or County) taxes (except for income, sales and like taxes of general application), including without limitation amusement/ticket taxes, any increase in the sales tax rate applicable to tickets, use and occupancy taxes and surcharges on the Stadium or Sports Facility-derived revenues.

12. Insurance.

12.1 Liability Insurance.

12.1.1 Phillies Non-Property Coverage. The Phillies shall maintain at its expense during the Term of this Agreement the following insurance:

(i) Commercial general liability (including athletic participants coverage) against claims for bodily injury, personal injury and property damage based upon, involving or arising out of the use of the Sports Facility and all areas appurtenant to it. Such insurance shall be on an occurrence basis, providing coverage in an amount not less than \$5,000,000 per occurrence, and not less than \$5,000,000 general aggregate (per location), and not less than \$5,000,000 coverage for products and completed operations liability, and not less than \$5,000,000 coverage for personal and advertising injury, with deductibles of up to \$100,000 per person and \$200,000 per occurrence..

(ii) Statutory workers' compensation and employers' liability coverage in an amount no less than \$500,000 bodily injury each accident, \$500,000 bodily injury by disease each employee and \$500,000 bodily injury by disease policy limit.

(iii) Automobile liability for bodily injury and property damage arising from the use of The Phillies' owned, non-owned and hired vehicles, in an amount not less than \$5,000,000 per accident.

(iv) Garagekeepers legal liability coverage in the amount of \$1,000,000.

12.1.2 City's Non-Property Coverage. The City shall maintain at its expense during the Term of this Agreement the following non-property insurance:

(i) Auto Liability and General Liability: Self-Insured Level: \$100,000 per Person/\$200,000 per Occurrence self-insured retention with the statutory limits per Section 768.28

Florida Statutes. Excess Insurance: \$5,000,000 per occurrence excess insurance (no aggregate applicable) with self-insured retention of \$500,000.

(ii) Workers' Compensation: Statutory workers compensation coverage per occurrence with self-insured retention of \$500,000.

12.2 Property Coverage. The City shall maintain at its expense during the Term of this Agreement the following property related insurance:

12.2.1 Property insurance for 100% of full replacement value of the Sports Facility (including all improvements and personal property), with deductibles not exceeding \$50,000 per occurrence against loss by so-called "all risk" perils, including but not limited to fire, extended coverage, storm (including without limitation wind, flood and hurricane coverage), boiler and machinery, vandalism, malicious mischief, flood and earthquake. Such insurance is to contain a replacement cost endorsement, and endorsements eliminating any and all coinsurance provisions.

12.2.2 For any work of construction conducted on the Site by or at the direction of the City, builder's risk insurance with the same limits and coverages as set forth in Subsection 12.2.1, provided that at the City's election, such insurance may be maintained by the contractor(s) performing the construction work at the Sports Facility.

12.2.3 City Property Self-Insurance or Self-Funding. Any provision of this Agreement to the contrary notwithstanding, while the City shall maintain insurance coverage and limits as provided for in this Agreement, parties hereto specifically agree that the City may do so by self-insurance and/or by purchase at the sole option of the City. To the extent required by the terms of this Agreement, insurance coverage and limits shall be evidenced by delivery to The Phillies of letters of self-insurance or self-funding executed by the City's Risk Manager, or by certificates of

insurance executed by either the agent for the insurers or the insurers or by copies of policy declaration pages. Such letters, certificates, and policy declaration pages shall list coverage (including the amount of insurance per claim and per occurrence, any gap in coverage, and the amount of the excess insurance) and policy limits with expiration dates and major policy terms and endorsements.

12.3 General. All insurance policies obtained pursuant to this Section 12 shall: (i) be with companies legally authorized to do business in the State of Florida and which possess a minimum rating of A- or better and a minimum class VIII financial size category (as listed at the time of issuance by A.M. Best Insurance Reports), which are reasonably acceptable to the other parties; and (ii) shall name as an additional insured each other party and such Affiliates of that party as it shall reasonably request. Upon commencement of the Term, each party shall furnish or cause to be furnished to the other party a certificate of insurance evidencing all such insurance policies. Renewal certificates shall be delivered by each party to the others at least ten days prior to the expiration of any policy of insurance. No such policy shall be cancelable or subject to reduction of coverage except after thirty days' prior written notice to all parties hereto.

12.4 Remedies. If any party fails to obtain, keep in force or provide evidence of any of the insurance policies or self-insurance coverage required by this Section 12, the other party may give written notice to the defaulting party, and the defaulting party shall have until the earlier of (i) five days after its receipt of such notice, or (ii) regardless of whether notice shall have been given, one day before the date the required insurance will lapse, to cure the default. If the default is not cured within such period, then the other parties shall have the remedies set forth in Section 17.

12.5 Waiver of Subrogation. Each party hereby releases and relieves the other party, and

waives its entire right of recovery against the other party, for direct or consequential loss or damage arising out of an incident to the perils covered by any insurance carried by the other party or which would have been carried had such other parties fulfilled their obligations hereunder to carry insurance, whether or not due to the negligence of the released party or its agents, employees, contractors or invitees. If necessary, all property insurance policies required by this Agreement shall be endorsed to so provide.

13. Indemnification. The indemnifications provided for in this Section 13 shall relate only to the extent that the liability in question has not produced insurance proceeds to the indemnitee.

13.1 By The Phillies. Subject to Section 12.5, The Phillies agrees to and will at all times defend, indemnify, save and hold the City and their Affiliates, and their respective elected officials, officers, agents, employees, successors and assigns harmless, on a current basis, for, from and against any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including reasonable attorney's fees, costs of investigation and discovery, and all court costs, arising out of:

13.1.1 Injury to or death of persons (including personnel or employees of the City or The Phillies), and damage to any and all property, including loss of use thereof, resulting from or in any manner arising out of any willful and wanton or grossly negligent act or omission of The Phillies or any Affiliate of The Phillies or any of their respective agents, officers or employees, in connection with the operation or use of the Sports Facility.

13.1.2 Any breach or default in the performance of any obligation on The Phillies' part to be performed under the terms of this Agreement.

The foregoing indemnification obligations of The Phillies shall not extend to liabilities caused, in whole or in part, by any willful, wanton, or grossly negligent act or omission of the City or any of its agents, officers or employees to the extent such act or omission caused the liability and shall survive the termination of this Agreement for all acts committed or omissions made prior to the effective date of the termination of this Agreement.

13.2 By the City. Subject to Section 12.5, the City, to the extent permitted by applicable law, including, but not limited to Section 768.28, Florida Statutes, agrees to and will at all times defend, indemnify save and hold The Phillies and its Affiliates and their respective employees, agents, officers, directors, shareholders, partners, successors and assigns, harmless, on a current basis, for, from and against any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including reasonable attorneys' fees, costs of investigation and discovery, and all court costs, arising out of:

13.2.1 Injury to or death of persons (including personnel or employees of the City or The Phillies), and damage to any and all property, including loss of use thereof, resulting from or in any manner arising out of or in connection with any willful, wanton or grossly negligent act or omission of the City or any Affiliate of City or any of their respective agents, officers or employees, in connection with the operation or use of the Sports Facility to the extent such act or omission caused the injury.

13.2.2 Any breach or default in the performance of any obligation on the City's part to be performed under the terms of this Agreement.

The foregoing indemnification obligations of the City shall not extend to liabilities caused by any willful, wanton, or negligent act or omission of The Phillies or any Affiliate of The Phillies

or any of their respective agents, officers or employees to the extent such act or omission caused the liability and shall survive the termination of this Agreement for all acts committed or omissions made prior to the effective date of the termination of this Agreement.

13.3 Procedure for Indemnification -- Third Party Claims.

13.3.1 Promptly after receipt by an indemnified party under Sections 12.1 or 12.2 of notice of a claim against it ("Claim"), such indemnified party shall, if a claim is to be made against an indemnifying party thereunder, give notice to the indemnifying party of such Claim, but the failure to notify the indemnifying party will not relieve the indemnifying party of any liability that it may have to any indemnified party, except to the extent that the indemnifying party demonstrates that the defense of such action is prejudiced by the indemnified party's failure to give such notice.

13.3.2 If any Claim is made against an indemnified party and it gives notice to the indemnifying party of such Claim, the indemnifying party will be entitled to participate in the defense of such Claim and, to the extent that it wishes (unless (i) the indemnifying party is also a party to such Claim and the indemnified party determines in good faith that joint representation would be inappropriate, or (ii) the indemnifying party fails to provide reasonable assurance to the indemnified party of its financial capacity to defend such Claim and provide indemnification with respect to such Claim), to assume the defense of such Claim with counsel satisfactory to the indemnified party and its insurers and, after notice from the indemnifying party to the indemnified party of its election to assume the defense of such Claim, the indemnifying party will not, as long as it diligently conducts such defense, be liable to the indemnified party under such Section for any fees of other counsel or any other expenses with respect to the defense of such Claim in each case subsequently incurred by the indemnified party in connection with the defense of such Claim, other

than reasonable costs of investigation. If the indemnifying party assumes the defense of a Claim (i) no compromise or settlement of such claims may be effected by the indemnifying party without the indemnified party's consent unless (a) there is no finding or admission of any violation of Legal Requirements or any violation of the rights of any Person and no effect on any other Claims that may be made against the indemnified party, and (b) the sole relief provided is monetary damages that are paid in full by the indemnifying party and (b) the indemnifying party will have no liability with respect to any compromise or settlement of such claims effected without its consent. If notice is given to an indemnifying party of a Claim and the indemnifying party does not, within thirty days after the indemnified party's notice is given (or such lesser period of time as may be necessary to avoid a Default on such Claim), give notice to the indemnified party of its election to assume the defense of such Claim, the indemnifying party will be bound by any determination with respect to said Claim or any compromise or settlement effected by the indemnified party.

13.3.3 Notwithstanding the foregoing, if an indemnified party determines in good faith that there is a reasonable probability that a Claim may adversely affect it or its Affiliates other than as a result of monetary damages for which it would be entitled to indemnification under this Agreement, the indemnified party may, by notice to the indemnifying party, assume the exclusive right to defend, compromise, or settle such Claim, but the indemnifying party will not be bound by any determination of a Claim so defended or any compromise or settlement effected without its consent (which may not be unreasonably withheld).

13.4 Procedure for Indemnification -- Other Claims. A claim for indemnification for any matter not involving a third-party claim may be asserted by notice to the party from whom indemnification is sought.

14. Damage or Destruction.

14.1 Decision to Rebuild. In the event that the Sports Facility or any part thereof is damaged or destroyed by fire, flood or other similar or dissimilar cause whatsoever, the City shall promptly commence and thereafter diligently proceed to repair and rebuild the Sports Facility to its condition immediately prior to such damage or destruction, provided, however, if such damage or destruction involves the entire Sports Facility or any substantial part thereof and occurs less than five years prior to the end of the Term, the City may elect to terminate this Agreement unless The Phillies agree to (i) exercise the option to renew provided for in Section 3.3 hereof (in which event, if necessary, the one-year notice period for exercising such option shall be waived), or (ii) if the option to renew has already been exercised, The Phillies and the City agree to extend the Term by at least five years. In the event that such damage or destruction is of such an extent as would substantially and adversely affect The Phillies' activities at the Sports Facility, the City shall use its best efforts to provide to The Phillies the use of alternate first class MLB spring training facilities, in reasonable proximity to the Sports Facility, on a basis that preserves to The Phillies the net benefit of the economic terms of this Agreement and that affords business interruption protection to The Phillies against lost revenues. If the City meets the requirements of the next preceding sentence and has been and remains in substantial compliance with its obligations under the first sentence of this Section 14.1, then The Phillies shall use those alternate facilities during the period of interruption and, for each full Spring Training Season during the initial 20-year portion of the Term hereof that such use continues, that initial term shall be extended by one year.

14.2 Failure To Repair. If the City is obligated to repair or rebuild the Sports Facility under the provisions of this Section 14 and does not commence such repair or rebuilding within

ninety days after the occurrence of the damage or destruction, or if the City commences such repair or rebuilding but do not prosecute the same diligently to completion, then the City shall be deemed to be in Default under this Agreement and The Phillies shall have the rights and remedies set forth in Section 17.

14.3 Phillies Option to Rebuild or Repair. In the event the City fails to commence such repairs or rebuilding within 90 days of the occurrence of the casualty, The Phillies shall have the right, but not the obligation, to undertake such repairs or rebuilding. In the event The Phillies so undertake such repairs or rebuilding, The Phillies shall be entitled to reimbursement of the actual costs thereof by the City as incurred, within 45 days of all invoices therefor, with interest thereafter at the Default Rate.

15. Condemnation.

15.1 Total Taking. In the event the entire Sports Facility is appropriated or taken under the power of eminent domain, or sold under threat thereof (all of which will be referred to as a "condemnation"), by any public or quasi-public authority, The Phillies shall have the option to terminate this Agreement as of the date the condemning authority takes title or possession, whichever first occurs. The Phillies shall have no claim to the award in condemnation for the City's interest in the Site and Sports Facility; provided, however, that The Phillies shall have a claim to the portion of the award in condemnation that represents compensation for the taking of the interest of The Phillies under this Agreement, including without limitation its right to retain net revenues from the operation thereof.

15.2 Partial Taking. In the event that only a portion of the Sports Facility is condemned, this Agreement shall terminate as to the part so taken as of the date the condemning authority takes

title or possession, whichever first occurs; provided, however, that if so much of the Sports Facility is taken by such condemnation as would substantially and adversely affect The Phillies' operations at the Sports Facility, The Phillies shall have the option, to be exercised in writing within one hundred eighty days after the City shall have given The Phillies written notice of the condemnation (or in the absence of such notice, within one hundred eighty days after the condemning authority shall have taken possession), to terminate this Agreement as of the date the condemning authority takes such possession. If The Phillies does not give timely notice to terminate, this Agreement shall remain in full force and effect as to the remainder of the Sports Facility that is suitable for the use then being made of the Sports Facility by The Phillies; if and so long as The Phillies deem it advisable, The Phillies may utilize alternative facilities; and the City shall, to the extent of condemnation proceeds received by it, acquire or add adjacent property and construct additional Improvements with reasonable diligence, in order to restore the Sports Facility as nearly as possible to the condition immediately before the condemnation. Whether this Agreement terminates or continues in full force or effect, The Phillies shall have no claim to the award in condemnation for the City's interest in the Sports Facility; provided, however, that The Phillies shall have a claim to the portion of the award in condemnation that represents compensation for the taking of the interest of The Phillies under this Agreement, including without limitation its right to retain net revenues from the operation thereof.

15.3 Failure To Repair. If the City is obligated to make the Sports Facility suitable for use by The Phillies following a condemnation under the provisions of this Section 15 and does not commence to acquire or add adjacent property or construct additional Improvements necessary to do so within ninety days after the date of the condemnation, or if the City commences such

acquisition or construction but does not prosecute the same diligently to completion, the City shall be deemed in Default under this Agreement and The Phillies shall have the rights and remedies set forth in Section 17.

15.4 Phillies Option to Rebuild or Repair. In the event the City fails to commence such repairs or rebuilding within 90 days of the occurrence of the condemnation, The Phillies shall have the right, but not the obligation, to undertake such repairs or rebuilding. In the event The Phillies so undertake such repairs or rebuilding, The Phillies shall be entitled to reimbursement of the actual costs thereof by the City as incurred, within 45 days of all invoices therefor, with interest thereafter at the Default Rate.

16. Assignment.

16.1 Assignment by The Phillies. The Phillies shall not sell, assign, encumber, pledge, or otherwise transfer all or any portion of its interest in this Agreement without the prior written consent of the City, except as follows:

16.1.1 The Phillies shall have the right to transfer all of its rights and obligations under this Agreement to any Person that shall thereafter own the MLB franchise now held by The Phillies; provided, however, that such transferee shall assume the obligations of The Phillies under this Agreement; and provided, further, that MLB approves the transfer of such MLB franchise to such transferee and the City has been provided with satisfactory evidence of such assumption and approval.

16.1.2 The Phillies shall also have the right to transfer its interest in this Agreement freely to another MLB club; provided, however, that such transferee shall assume the obligations of The Phillies under this Agreement.

16.1.3 No transfer under this Section 16 shall release The Phillies from any pre-existing liabilities under this Agreement, including, but not limited to any indemnification obligations of The Phillies which arise prior to the date of such transfer.

16.2 Assignment by City. The City shall have the right to assign certain rights under this Agreement to a non-profit organization controlled by the City, provided that such assignment will not affect The Phillies rights and remedies against the City under this Agreement and the City shall at all times remain primarily liable for their obligations hereunder. Except as aforesaid, the City may not assign its rights and duties under this Agreement without the consent of The Phillies.

17. Default.

17.1 Default. If any party hereto (the "Defaulting Party") shall fail to perform any of its obligations under this Agreement, then the Party not in default (the "Non-Defaulting Party") shall provide notice of such failure to the Defaulting Party and afford the Defaulting Party a grace period to cure said failure, as follows:

17.1.1 Where a grace period is specifically provided for in any section of this Agreement, that specific grace period shall apply.

17.1.2 Where a grace period is not specifically provided for in any other section of this Agreement, the Defaulting Party shall afford the Non-Defaulting Party a grace period of: (i) five business days to cure monetary failure; and (ii) thirty days to cure any non-monetary default; provided, however, that if any non-monetary failure cannot be cured within such thirty day period, the Defaulting Party shall be afforded such additional time as shall be reasonably required to cure such failure, if the Defaulting Party has commenced the appropriate cure within said initial thirty day period and thereafter proceeds with reasonable diligence to cure said failure.

17.1.3 If any failure to perform shall not have been cured by the expiration of the applicable grace period, then a "Default" shall be deemed to have occurred and the Non-Defaulting Party shall have the rights and remedies set forth below.

17.1.4 Termination of this Agreement.

17.2 Non-Defaulting Party's Rights and Remedies. If a Default shall occur, the Non-Defaulting Party shall have the right (but not the obligation):

17.2.1 To cure such default on behalf of the Defaulting Party, in which event the Defaulting Party shall immediately reimburse Non-Defaulting Party for all sums paid by it to effect such cure, together with interest thereon at the Default Rate; and

17.2.2 To collect all sums paid by it to effect such cure, together with interest thereon at the Default Rate, by set off against all sums next-to-become-due to the Defaulting Party under this Agreement.

17.3 Cumulative Rights. The remedies heretofore described in this Section 17 shall be in addition to any other remedy the Non-Defaulting Party may have at law and in equity in the event of a Default, including without limitation:

17.3.1 An action to recover monies then due and owing from the Defaulting Party, together with interest thereon at the Default Rate from the date on which such monies were due;

17.3.2 An action for specific performance of non-monetary covenants and agreements on the part of the Defaulting Party; and/or

17.3.3 An action for recovery of all actual losses, costs and reasonable attorneys' fees incurred by the Defaulting Party in connection with the default.

17.4 Injunctive Relief. Without limiting any other remedies of the City on account of a Default by The Phillies hereunder, The Phillies further acknowledges that the City will be irreparably harmed if The Phillies violate this Agreement by the transfer, move or other relocation of The Phillies' spring training activities to, and/or the playing of Home Games at, any locations other than the Sports Facility during the Term otherwise than as provided or permitted by this Agreement. Accordingly, The Phillies hereby agree that in the event of such a violation or threatened violation of this Agreement, the City shall be entitled to seek and obtain, and The Phillies hereby consent to the entry of, a temporary restraining order, together with preliminary and permanent injunctive relief, from any court of competent relief to enjoin any such violation or threatened violation. The Phillies waive any requirement that the City post a bond or other security in connection with such injunctive relief. In the event of such attempted or actual transfer, move or other relocation of The Phillies' spring training activities to, or the playing of Home Games at, any location other than the Sports Facility, and City is not able to obtain the injunctive relief provided for in this Section 17.4, the City shall be entitled, at its option, to seek monetary damages.

17.5 Emergency. Nothing in this Section 17 shall be deemed to limit The Phillies' right to take action in emergencies pursuant to Section 9.7.

18. Legal Opinions.

18.1 By the City. Concurrently with the execution and delivery of this Agreement, the City has provided to The Phillies an opinion of its City Attorney advising The Phillies that (i) the City is a duly organized and existing municipal corporation of the State of Florida and is authorized to enter into and perform under this Agreement, (ii) execution of this Agreement by the City is duly authorized, (iii) all notices required by Florida law and all necessary action required for the execution

and delivery of this Agreement or otherwise required under applicable law have been obtained, and (iv) this Agreement is valid, binding and enforceable against the City in accordance with its terms, subject only to such exceptions as are set forth expressly in such opinion and are reasonably acceptable to The Phillies, as evidenced by its execution of this Agreement.

18.2 By The Phillies. Concurrently with the execution and delivery of this Agreement, The Phillies has provided to the City an opinion of its general counsel advising the City that (i) The Phillies is a duly organized and existing limited partnership of the Commonwealth of Pennsylvania and is authorized to enter into and perform under this Agreement, (ii) execution of this Agreement by The Phillies is duly authorized, and (iii) this Agreement is valid, binding and enforceable against The Phillies in accordance with its terms, subject only to such exceptions as are set forth expressly in such opinion and are reasonably acceptable to the City, as evidenced by its execution of this Agreement.

19. Miscellaneous.

19.1 Estoppel Certificates. Each party (as "responding party") shall at any time within fifteen days after written request from the other party ("requesting party") execute, acknowledge and deliver to the requesting party a statement in writing as of the date of such certification (i) certifying that this Agreement is unmodified and in full force and effect (or if modified, stating the nature of such modification and certifying that this Agreement, as so modified, is in full force and effect), (ii) acknowledging that there are not, to the responding party's knowledge without inspection, audit or investigation, any uncured defaults on the part of the requesting party (or specifying such defaults, if any are claimed), and (iii) providing such other information regarding this Agreement as may reasonably be requested by the requesting party. Any such statements may be conclusively relied

upon by any prospective purchaser or encumbrancer of The Phillies or of its interests herein and by any bond holders, underwriters and financiers of the City.

19.2 Consents. Whenever a party's approval, permission, concurrence, consent or satisfaction is required under this Agreement, such approval, permission, concurrence, consent or satisfaction shall not be unreasonably withheld or delayed, except as and to the extent expressly provided to the contrary in this Agreement; provided, however that neither party shall be required to waive a Default hereunder.

19.3 Additional Instruments. The parties agree to execute and deliver any instruments in writing, necessary to carry out any agreement, term, condition or assurance in this Agreement, whenever the occasion shall arise and reasonable request for such instrument shall be made. EXHIBIT A

All claims, demands, disputes, controversies and differences that may arise under this Agreement between the parties, concerning any controversies under the Sections of this Agreement making reference to the use of Expedited ADR shall be resolved by Alternative Dispute Resolution as set forth below:

1. Disputes submitted to Expedited ADR hereunder will be conducted before a "Panel" designated in the manner provided in Section 2 below. The decision of the Panel will be final and binding upon the parties as to all matters in dispute and will be enforceable by a court of competent jurisdiction. The rules of the American Arbitration Association will be used for guidance in establishing procedures for the arbitration, but their use will not be mandatory unless the parties are unable to agree on an alternative body of rules.

2. In the case of disputes involving construction matters at the Sports Facility, the Panel will consist of three persons selected by the parties from a list of twenty-one persons with at least ten years experience in the construction business furnished by the Florida Chapter of the American Arbitration Association. In the case of disputes involving operations at the Sports Facility, the Panel will consist of three persons selected by the parties from a list of eleven persons, each of whom must have at least ten years of experience in the stadium/arena management business furnished by the Florida Chapter of the American Arbitration Association. The Panel of three will be selected from such list by the mutual agreement of the parties. If, within three days following the day on which the list is furnished to the parties, the parties are unable to agree on the composition of the Panel, then representatives of the parties will meet promptly and the following procedures will be used: The Phillies will strike the name of a person on the list. Within fifteen minutes thereafter, the Public Bodies will strike a name from the list. At fifteen minute intervals thereafter, each party will strike a name from the list. If a party fails to strike a name within the allotted time period, it will forego its turn to strike a name. The last three names on the list will constitute the Panel.

3. Within thirty days following the appointment the Panel as provided for above, the Panel shall hold a hearing which hearing shall be held at Tampa, Florida, or at any other place agreed to by the parties involved.

4. The Public Bodies or The Phillies may join any other party to the arbitration which is needed for just adjudication. The standard for joinder of any other party shall be that provided under Rule 19 of the Florida Rules of Civil Procedure.

5. If the Panel determines that either party's position in the dispute was without merit, such party will pay the other party's reasonable attorneys' fees and costs related to the arbitration, including the costs and fees of the Panel, fees to the American Arbitration Association and other costs of such arbitration otherwise payable by such party in the arbitration proceedings. In all other

cases, the parties will share equally the costs of such arbitration and will pay their own attorneys' fees.

6. At least ten days prior to the hearing, the parties shall meet and exchange exhibits and pre-hearing statements and stipulate and agree on non-disputed facts. No exhibit shall be admitted unless listed on the pre-hearing statement and exchanged between the parties. No witness may be presented unless indicated on the pre-hearing statement or unless produced for rebuttal purposes. Prior to or at the hearing, each party shall submit a memorandum not to exceed five pages outlining the relevant issues for the Panel. At the hearing, the laws of evidence of the State of Florida shall apply, and the Panel shall allow each party to present that party's case, evidence and witnesses and render its award, including a provision for payment of attorneys' fees and costs of arbitration to be paid by one or both of the parties to this Agreement, as the Panel deems just.

For certainty, it is the intention of the parties that, during any calendar year in connection with which the City has exercised its option pursuant to subsection 8(b), above (i.e. a calendar year in which there is a City Control Period), any and all uses of the Shared Use Practice fields by Dunedin Little League or Dunedin High School will be managed by the City hereunder.

For certainty, the City (x) shall be permitted to charge use fees or payments in connection with the Shared Use Practice Fields but not the Solon Avenue Parking Lot, (y) shall not use its oversight and control of the Shared Use Practice Fields or the Solon Avenue Parking Lot for any barter or exchange for the use of facilities controlled by another organization, and (z) shall not engage in or permit any activities on the Shared Use Practice Fields or the Solon Avenue Parking Lot that are competitive with or that have the potential to undermine or negatively impact any of the Club's operations or activities.

- (d) Ensuring Activities Not Likely to Cause Damage. The City acknowledges and agrees that, notwithstanding its rights hereunder, the primary purpose of the Shared Use Practice Fields is their use by the Major League Team, the Minor League Team and other professional baseball players during Spring Training and the City shall not engage or permit any other person or entity to engage in any behavior or activity that is likely to cause any type of damage to any part of the Shared Use Practice Fields or any adjacent portions of the Dunedin Facilities. By way of illustration and not limitation, (i) the City shall not permit the Shared Use Practice Fields to be used for softball, (ii) the City shall ensure that when bases are placed on the Shared Use Practice Fields they are placed at the correct locations, using standard measurements for baseball (i.e. bases 90 feet apart), and (iii) the City shall not mark lines on the Shared Use Practice Fields or use any products or tools on the Shared Use Practice Fields unless it has discussed same with the Club and received the Club's approval in advance. In connection with its responsibilities hereunder, the City shall ensure that all uses of the Shared Practice Fields during the City Control Period are supervised by the City.

Subject only to the following subsection, the City shall be solely, directly and exclusively responsible for any and all expenses associated with the Shared Use Practice Fields and the Solon Avenue Parking Lot, throughout the City Control Period and in connection with same. Further, and notwithstanding anything else in this Agreement, the City shall, to the maximum extent permitted by applicable law, indemnify, defend and hold the Club and the other members of the Club Group harmless from and against any and all Costs which

- (f) Base Field Maintenance Activities. Throughout the City Control Period, the Club shall continue to be solely responsible for the Maintenance and Repair of the Shared Use Practice Fields and shall engage in regular day-to-day watering and other similar day-to-day upkeep of same (which does not include painting lines or supplying bases or other similar items). For certainty, the Club shall be responsible to engage only in those day-to-day activities required to maintain the Shared Use Practice Fields to a reasonable standard for public baseball fields (the "Base Field Maintenance Activities") and not to a Major League standard or other similar standard during the City Control Period.
- (g) Base Field Maintenance Costs.
- (i) The Club will not charge the City any amounts for the following supplies and consumables utilized in connection with the Base Field Maintenance Activities: water and irrigation (not including replacement of irrigation equipment due to damage during the City Control Period), pesticides, fertilizer, paint for outfield lines. In addition, the Club agrees not to charge the City any amounts on account of personnel or equipment costs incurred by the Club in connection with day-to-day basic cutting of grass at the Shared Use Practice Fields.
- (ii) Subject to the preceding paragraph, the Club will be permitted to charge the City for costs incurred by the Club on account of personnel and materials involved in cleaning up, maintaining and repairing the Shared Use Practice fields during the City Control Period. By way of illustration and not limitation, the Club will be permitted to charge the City for labor and material costs incurred in connection with blowing clay off the grass, raking clay areas, cleaning of dugouts and fields and repairing any damage to the Shared Use Practice Fields. Where the Club is seeking payment in connection with the foregoing, it will send the City an invoice for same and the City will pay all such invoices within thirty (30) days of receipt.

In the event that, in order to maintain or repair the fields to the appropriate standards for use by professional baseball players at the conclusion of the City Control Period, the Club undertakes any Maintenance and Repair in excess of the Base Field Maintenance Activities or incurs expenses that would have been reimbursable pursuant to paragraph 8(g)(ii) but were not previously reimbursed, then the City shall reimburse the Club for the expenses incurred by it (in connection with materials, utilities, personnel and

equipment). The Club shall be entitled to invoice the City for the aforementioned expenses and the City shall pay all such invoices within thirty (30) days of receipt.

9. PRIVATE AND PUBLIC USES. The parties will use reasonable efforts to agree on the shared control and use of the Dunedin Facilities for the entire Term of this Agreement in a manner that will result in the lowest Ad Valorem Tax impact that can be achieved (should such tax be levied against all or part of the Dunedin Facilities), and except as is specifically otherwise provided herein, the Club shall not have the complete exclusive use of any of the Dunedin Facilities (notwithstanding the choice of terminology) and they shall be allocated between a public and a private use in a manner that assures that the taxability of the Dunedin Facilities for Ad Valorem Tax purposes and other applicable taxes, if any, will be at the lowest possible level of property taxes of any kind arising from the use of said Dunedin Facilities by the Club.

(b) Exceptions.

(i) Where Maintenance and Repairs to the Dunedin Facilities are the result of or related to (1) City Events, or any public use of the Dunedin Facilities by or through the City or at the City's request, (2) the existence, operation or use of the Adjacent City Building, (3) the use of the Solon Avenue Parking Lot by the City and its guests, or (4) the Shared Use Practice Fields, the Solon Avenue Parking Lot and/or the use of same during the City Control Period, the Club shall undertake the necessary Maintenance and Repairs and the City shall promptly reimburse the Club's costs in respect of same.

(ii) Maintenance and Repairs necessitated by a Casualty Event will be addressed in accordance with Section 24 of this Agreement.

(c) Playing Fields Maintenance. Subject to the following, the Club shall be solely responsible for Maintenance and Repair of all playing fields at the Dunedin Facilities, and during those periods when in use by the Major League Team, the Minor League Team or other professional baseball players, the Club shall maintain all such playing fields to a standard similar to Major League playing facilities. When any other person or organization desires to use the playing fields for any purpose, the Club shall have the sole and exclusive right to oversee such use and to require modifications to such use if necessary to preserve the condition of the fields for use by professional baseball players and/or to charge fees and expenses to such user(s) in order to compensate the Club for its Maintenance and Repair costs. Excepting City use of playing fields pursuant to Section 8, which shall be addressed in accordance with that Section, where the use of the playing fields is by the City or at the City's request, the City shall reimburse the Club all of its Maintenance and Repair expenses incurred (in connection with materials, utilities, personnel and equipment) in order to maintain or repair the fields to the appropriate standards for use by professional baseball players.

(d) Standard of Maintenance. The maintenance of the Dunedin Facilities, pursuant to this Agreement, shall be to a standard that they are in good operating condition and shall be cared for in a manner reasonably calculated to preserve and extend their useful life.

For certainty, the Club shall have the sole discretion to modify the amount of the Capital Replacement Surcharge provided that it does not reduce it below the aforementioned amount. The Capital Replacement Surcharge will be shown on each such ticket and added to the ticket price and paid directly by ticket purchasers. Within sixty (60) days following the conclusion of each Spring Training Season during the Term, the Club shall remit to the City the aggregate of all Capital Replacement Surcharges collected during such Spring Training Season, less any taxes paid in connection with same. However, the Capital Improvement Surcharge shall not include any amounts collected in connection with refunded tickets. 13. FOOD AND BEVERAGE CONCESSIONS.

Further, any additions or modification to Concession Equipment during the Term will be at the Club’s sole expense, unless otherwise agreed by the City or paid for by the Food and Beverage Concessionaire or other third party. The Club will also have the sole right and responsibility for all food and beverage matters within the Club-Controlled Areas and for the maintenance, repair and, when determined by the Club to be necessary, replacement of cooking and other kitchen equipment.
- (b) Third Party Concessionaire. The Club shall have the right to contract with one or more third parties in order to manage any of the aforementioned rights and responsibilities on its behalf (the “**Food and Beverage Concessionaire**”).
- (c) Local Foods and Beverages. The Club shall endeavor to achieve the City’s public policy to

incorporate local ingredients, products and/or vendors into the food and beverage service at the Stadium during Home Major League Team ST Games. By way of illustration, the Club may seek to include locally-brewed beers in the selection of beers made available for purchase or the Club may seek to include locally sourced fish and/or other food products and ingredients. The Club agrees that, during each Spring Training Season, it shall stock and sell (or have its Food and Beverage Concessionaire) stock and sell at least one (1) food or beverage product that is produced or manufactured locally or produced or manufactured by a person or entity that is commonly recognized as being local. In cooperation of the Club's efforts described above, the City agrees to assist the Club in negotiating preferred pricing, delivery, insurance and other arrangements in connection with local ingredients, products and vendors. In the event that the Club and/or the Food and Beverage Concessionaire establishes an annual process to review and consider food and beverage selection at the Dunedin Facilities, the Club shall make reasonable efforts to include the City in such process or to obtain input from the City in connection with same. The concepts set forth herein shall be pursued in good faith but shall not create an event of a default under this Agreement and shall not limit the Club's rights and obligations to any third parties, specifically including the Food and Beverage Concessionaire.

- (d) Alterations to Concession Facilities. The Club shall not make any material structural alterations or improvements to the Concession Facilities without providing prior written notification to the City and seeking the City's prior consent, which consent will not be unreasonably withheld. In the event that the City sells alcoholic beverages within the Dunedin

The Club shall communicate with the City regarding any such terms that may be included in the Food and Beverage Concessionaire agreement. In the event that the Food and Beverage Concessionaire declines to provide service of alcoholic beverages for any City Event and the City desires to do so itself, the Club will make reasonable efforts to cause the Food and Beverage Concessionaire to place its liquor license in escrow or take other reasonable steps as may be necessary to permit the City to obtain its own liquor license (provided that if any out-of-pocket costs are incurred in doing so, the City shall be responsible to reimburse same).

In the event that the Club is unable to deliver one or more of these items as specified, this will not constitute a breach of the Agreement, and the parties will mutually agree, acting

reasonably, on an acceptable replacement, of reasonably similar value and/or exposure, for such undelivered Promotional Properties.

(c) Promotional Properties and Signage to be Provided by the City. Unless otherwise mutually agreed by the parties in writing or the City is unable to deliver on the following commitments despite the exercise of appropriate diligence and reasonable commercial efforts, in each calendar year of the Term the City shall be responsible to provide the following signage spaces and other items for the benefit of the Club:

(ii) of the specific Home Minor League Team Game dates requested on or before November 15 of the immediately preceding calendar year (or such later date that is no more than fifteen (15) days after the publication of the Minor League Team's schedule).

Within two (2) weeks of receiving either of the foregoing notices, the Club will confirm in writing to the City whether the dates requested are in fact available and, if not, any alternate dates that are available. The City shall then confirm in writing whether the dates provided by the Club are acceptable and, upon confirmation, those dates will be considered reserved for the City's use (the "**Reserved Dates**"). If the City does not provide notice in accordance with the foregoing, the Club shall be relieved of its obligations hereunder for the remainder of that calendar year only. Similarly, if the City requests use of a suite for less than the maximum number of possible games or the parties agree that the Reserved Dates shall be for less than

the maximum number of possible games, the Club shall be relieved of its obligations in connection with any such additional games for the remainder of that calendar year only.

- (c) Subject to any capacity limitations that may exist pursuant to fire codes, liquor licenses or any other laws, regulations or licenses, the City will receive up to sixteen (16) admission tickets for each of the Reserved Dates. The City's use of a luxury suite hereunder for the Reserved Dates shall not be subject to any license fee or any fee for admission tickets. The City shall, however, be responsible to pay for any and all food and beverage (at standard prices from time to time and subject to any and all minimum charges), as well as any host or hostess costs. In addition, the City's use of a luxury suite will be subject to the Club's standard luxury suite license agreement terms in place from time to time (which the Club will be permitted to deliver to the City by any means, including email and which will be deemed to be incorporate by reference into this Agreement).

23. CITY CEREMONIAL FIRST PITCH. Elected members of the Dunedin City Commission shall have the opportunity to participate, along with representatives of Pinellas County and/or the Club, in the ceremonial pitch that occurs at the first game played at Dunedin Stadium during the Term. Thereafter, City representative(s) shall have the opportunity to participate in a ceremonial first pitch prior to one (1) Home Major League Team ST Game in each Spring Training Season during the Term.

24. DAMAGES OR DESTRUCTION OF DUNEDIN FACILITIES.

- (a) Casualty Event. If the Dunedin Facilities are damaged or destroyed by hazard, fire, lightning, smoke, windstorm, flood, hurricane, rain, snow, mold, earthquake, sinkhole, mudslide, other earth movements, malicious damage, war, insurrection, riot, terrorism (whether certified or uncertified) or other similar casualty (each, a "Casualty Event"), the City shall be obligated to repair and rebuild the damaged or destroyed portion of the Dunedin Facilities with thorough diligence, acting in good faith, to its condition immediately before such loss or the condition required by law, whichever is greater (the "Restoration Standard"). The City shall use the proceeds from the property insurance maintained by the City on the Dunedin Facilities and its structural components (as further described in subsection 30(b) of this Agreement). In the event that the funds available from the aforementioned insurance proceeds are not sufficient to cover the cost of the repairs or rebuilding, the City shall be responsible to provide the additional funds. The City shall promptly commence and shall diligently proceed to complete the repair and reconstruction of the Dunedin Facilities as soon as possible after the occurrence of the applicable Casualty Event.
- (b) Significant Casualty Event Occurring During Final Five (5) Years of the Term. If a Casualty Event occurs during the final five (5) years of the Term of this Agreement (including any Renewal Term) and the reasonable estimate of the cost to repair or rebuild the Dunedin Facilities (as supported by a minimum of three (3) independent written quotes secured by the City and verified by the Club) exceeds USD \$40,500,000 (adjusted for inflation in accordance with the Turner Building Cost Index or, alternatively in the event that the Turner Building Cost Index should cease to be utilized as an industry-wide tool for non-residential construction costs, the Producer Price Index for Non-residential Building Construction) then the Club shall have the right, exercisable in writing within forty five (45) days of the Club receiving the

aforementioned cost estimate (the "Cut-Off Date"), to extend the Term of the Agreement by a five (5) years. In the event that the Club does not exercise the foregoing right to extend the Term of the Agreement, the Agreement will automatically terminate thirty (30) days following the Cut-Off Date. In the event the Club does exercise the foregoing right to extend the Term of the Agreement, the Term of the Agreement will be extended accordingly and the Agreement (including the remainder of this Section 24) will apply without modification. For certainty, if the Club exercises the foregoing option during the Initial Post-Renovation Term, then the Initial Post-Renovation Term will be deemed extended by five (5) years, whereas if the Club exercises the foregoing option during a Renewal Term, that particular Renewal Term will be deemed extended by five (5) years.

- (c) Meeting and Discussion Following Casualty Event. The parties will make reasonable efforts to meet within fifteen (15) days following the occurrence of any Casualty Event, and thereafter from time to time when necessary to do so, in order to consider and discuss matters that may be pertinent to the efficient and effective repair and restoration of the Dunedin Facilities (e.g. the extent of damage, the degree of impact on the Club's operations, possible approaches to timing and scheduling of repairs). In the event that the parties mutually agree that any modifications to the process and deadlines set out below are necessary and appropriate (which neither party shall be obligated to do), such modifications shall only be effective where documented in writing and approved (signed) by the Club's signing officers and the City Manager for the City of Dunedin or his / her designee.
- (d) Repair / Reconstruction Process and Progress Points. Unless otherwise mutually agreed by the parties in writing in accordance with the preceding subsection, upon the occurrence of a Casualty Event, the City, acting reasonably and in good faith, shall be required to abide by the following process and the deadlines contained therein:
- (i) *Forty five (45) Day Progress Point.* Within forty five (45) days following the occurrence of a Casualty Event, the City shall have taken all actions reasonably available to it to initiate and expedite the process of repairing or rebuilding the Dunedin Facilities, including, without limitation:
- (A) Filing an insurance claim and providing any and all information required or requested by the applicable insurance carriers and their agents, and
 - (B) Completing an assessment of the damage (structural and otherwise) by one or more qualified, licensed, appropriately experienced architects and engineers.
- (ii) *Nine (9) Month Progress Point.* Within nine (9) months following the occurrence of a Casualty Event, the City shall have made substantial and material progress towards commencement of the actual repair and reconstruction of the Dunedin Facilities, including, without limitation:
- (A) Having received or reserved all of the funds necessary to pay for all of the costs of the repair and reconstruction (in the form of insurance proceeds, or funds or a combination of both), and

(B) Having hired all necessary firms to complete the repair and reconstruction (i.e. architects, engineers and construction firms).

(iii) *Twelve (12) Month Progress Point.* Within twelve (12) months following the occurrence of a Casualty Event, the City shall have commenced the actual repair and reconstruction of the Dunedin Facilities (i.e. “shovels in the ground”).

(iv) *Eighteen (18) Month Progress Point.* Within eighteen (18) months following the occurrence of a Casualty Event, the City shall have made substantial and material progress towards completing the actual repair and reconstruction of the Dunedin Facilities.

(v) *Twenty Four (24) Month Progress Point.* Within twenty four months (24) months following the occurrence of a Casualty Event, the City shall have completed the actual repair and reconstruction of the Dunedin Facilities, in accordance with the Restoration Standard.

The City shall provide regular written updates to the Club as to its progress in regard to all of the above progress points, and shall provide the Club with any and all available information in connection with the Casualty Event and all matters related to the repair and reconstruction of the Dunedin Facilities (including any insurance claims and any other related matters). The Club shall have full rights of input and consultation in regard every part of the above process and, further, the Club shall have approval rights, acting reasonably, in regard to all decisions that could be reasonably expected to affect its current or future use of the Dunedin Facilities. The City and the Club will consult with each other to determine the extent of damage and the most effective plan for the City to implement and complete the repair and reconstruction process within the shortest possible time.

(e) Matters Pertaining to City Repair and Rebuilding. The City shall undertake the rebuilding and repair of the damaged facilities in accordance with the plan mutually agreeable to the City and the Club. To the fullest extent permitted by applicable law, the City will expedite any required procurement process to obtain the necessary services required to complete the repair and rebuilding of the damaged or destroyed Dunedin Facilities. In completing the repairs and rebuilding of the Dunedin Facilities, the City will give priority to restoring any damage caused to the Spring Training practice fields and player development and rehabilitation facilities located at the Englebert / Vanech Recreational Complex in order to reduce, to the fullest possible, any loss of use of such facilities during the Spring Training Season.

(f) Interference with Club Operations. If a Casualty Event or any resultant repair or reconstruction effort interferes with the Club’s operations, activities or its use the Dunedin Facilities (a “Casualty Event Interference”), then, notwithstanding anything else in this Agreement, the Club will be temporarily authorized to use other facilities and to schedule some or all of its activities and/or events, including but not limited to Home Major League Team ST Games, at other facilities, without limitation. During any calendar year of the Term in which there is a period of Casualty Event Interference that impacts the playing of Home Major League Team ST Games at the Stadium:

(i) the Club's obligation to provide the City with any marketing assets, suite use and other

similar rights and benefits will be suspended,

- (ii) the Club's obligation to impose, collect and remit the Capital Replacement Surcharge will be suspended,
- (iii) the Club's obligation to remit amounts pursuant to subsection 20(a) of the Agreement (Naming Rights payments) will be suspended, and
- (iv) the Club will be deemed to have played the required number of such games as specified subsection 3(a) of the Agreement.

For certainty, where a Casualty Event Interference prevents all or most of the Major League Team from utilizing the New Training Center or other portions of the Complex Site for its / their intended purposes and the Club makes use of other facilities for the Major League Team, then those events will be deemed to have impacted the playing of Home Major League Team ST Games at the Stadium.

(g) Annual Capital Contribution Following Casualty Event.

- (i) If the City fails to achieve any of the requirements of paragraph 24(d)(i) or 24(d)(ii), above, within the stated timeframes (or such longer period to which the Club may agree in writing) then the Club's obligation to make the Annual Capital Contribution will be suspended from the date of the City's failure until the date upon which the City has returned the Dunedin Facilities to the Restoration Standard.
- (ii) If the City meets the requirements of paragraphs 24(d)(i) and 24(d)(ii), above, within the stated timeframes (or such longer period to which the Club may agree in writing), then during the initial twelve (12) month period immediately following Casualty Event, the Club's obligations under this Agreement to make the Annual Capital Contribution will continue. If the repair and/or rebuilding of the damaged facilities to the Restoration Standard is not completed within twelve (12) months following the applicable Casualty Event, then, subject to the following sentence, the Club's obligation to make the Annual Capital Contribution will reduced by fifty percent (50%). If the repair and/or rebuilding of the damaged facilities to the Restoration Standard is not completed within eighteen (18) months following the applicable Casualty Event, then the Club's obligation to make the Annual Capital Contribution will be suspended. By way of example, if the repair and rebuilding takes twenty (20) months to complete, the Club would pay the Annual Capital Contribution in full for the first 12 months, the Club would pay 50% of that portion of the Annual Capital Contribution attributable the next 6 months and the Club would have no payment obligation in connection with that portion of the Annual Capital Contribution that attributable to the final 2 months.

If there is an overpayment of the Annual Capital Contribution by the Club to the City as a result of the operation of this subsection 24(g), the City will promptly refund any such overpayments to the Club.

(h) Club Self-Help and Termination Rights. If the City fails to achieve any one or more of the requirements of paragraphs 24(d)(iii), 24(d)(iv) or 24(d)(v), above, within the stated timeframes (or such longer period to which the Club may agree in writing) or fails to meet the Restoration Standard, the Club shall have the following rights:

- (i) to engage in self-help to complete the repair and reconstruction of the Dunedin Facilities, and/or
- (ii) to terminate this Agreement.

The Club may exercise its rights described herein upon written notice to the City delivered within thirty (30) days following the passage of the applicable timeframe (or such longer period to which the Club agreed in writing). In the event that the Club elects to complete repair and reconstruction of the Dunedin Facilities, the City shall cooperate in good faith to transition all responsibilities for construction oversight to the Club and to provide the Club reasonable access to the balance of all insurance proceeds awarded to the City and, upon the City doing so, the Club shall forego its termination right hereunder. Upon a termination by the Club hereunder, all of the parties' obligations under the Agreement, excepting those specifically identified as surviving termination, shall cease.

- (i) Club Disaster Mitigation Plan. Prior to the Threshold Date and a minimum of every five (5) years thereafter, the Club shall prepare (or as applicable, review and where necessary, update) a disaster mitigation plan in which the Club articulates the procedures the Club intends to follow in order to mitigate potential losses from common natural disasters such as hurricanes (the "Disaster Mitigation Plan"). The Club will endeavor to satisfy reasonable City requirements in connection with the development of its Disaster Mitigation Plan, provided that such requirements are provided to the Club in writing by the City in advance and further provided that such requirements are in fact applicable to the City itself and to all licensees of City-controlled property and facilities. The Club will be permitted to get independent input and advice in connection with its Disaster Mitigation Plan and where such input and advice conflicts with City requirements, the parties shall discuss same and attempt to reach a mutually agreeable resolution. The Disaster Mitigation Plan is intended as a preparatory resource that may help guide the Club's actions in the event of certain potential events and neither the Disaster Mitigation Plan nor anything contained in this subsection 24(i) herein shall serve to reduce, eliminate or derogate from the City's obligations as set out in this Section 24.
- (j) Casualty Event Caused by Club Misconduct. In the event that a Casualty Event is caused solely and exclusively by the gross negligence or willful misconduct of the Club (including its employees and agents), all of the foregoing provisions shall apply as written, except that the paragraph 24(g)(ii), above, shall be deemed to be modified so that:
 - (i) there will be no reduction to the Annual Capital Contribution until the passage of eighteen (18) months following the applicable Casualty Event (instead of twelve (12) months), and
 - (ii) following the passage of such eighteen (18) month period, the Annual Capital Contribution will be reduced by fifty percent (50%).

By way of example, if, in the circumstances described in this subsection 24(j), the repair and rebuilding takes twenty (20) months to complete, the Club would pay the Annual Capital Contribution in full for the first 18 months, and the Club would pay 50% of that portion of the Annual Capital Contribution attributable the next 2 months.

25. PERSONAL PROPERTY. All areas of the buildings on the Dunedin Facilities designed to contain equipment or personal property, including without limitation the Concession Facilities, shall be designed in a manner to be secured for the protection of such equipment or other items of personal property. Any equipment or personal property brought into buildings on the Dunedin Facilities by the Club or any other user organization shall remain the property of the Club or user organization and shall be used only with the permission of the Club or user organization. In the event that any such use is allowed with the Club's permission, the user of the equipment or personal property will be responsible for any damage to the equipment or personal property so used and the Club shall have no responsibility therefore. The City shall not otherwise be responsible for the loss or damage to any equipment or personal property on the Dunedin Facilities caused by vandalism, hazard, or other matter outside the control of the City.

26. UTILITY COSTS AND RECLAIMED WATER.

- (a) The Club shall be responsible for all utility costs to the Dunedin Facilities, except for utilities to be paid for by the City pursuant to the terms of this Agreement, including utility costs in respect of all City Events and utility costs in connection with the Shared Use Practice Fields during the City Control Period. Utility costs attributable to the use of the Dunedin Facilities by or at the request of the City, including all City Events, will be paid by the City. Utility costs attributable to the use of the Dunedin Facilities by other user organizations may be charged to those user organizations by the Club.
- (b) The City shall, throughout the Term, provide reclaimed water to the Dunedin Facilities at no cost to the Club for the reclaimed water used. For certainty, the City shall ensure that (i) all pumping and other equipment for the foregoing reclaimed water is in place and functioning properly throughout the Term, such that the Club is able to access such water as and when needed by the Club, and (ii) the Club's access to reclaimed water is given equal priority with all other users, including the City. Subject to the foregoing, the Club acknowledges that the volume of reclaimed water is not unlimited and may vary from time to time. Any repairs to reclaimed water pumping, equipment and infrastructure shall be at the City's expense.

27. CLUB ANNUAL CAPITAL PAYMENT.

(a) Annual Capital Payment.

- (i) In order to generate the amount of Twenty Million Dollars (\$20,000,000) to be used to pay for a portion of the costs of the Improvements for the Dunedin Facilities, on December 13, 2018 the City issued Twenty Million Two Hundred and Twenty Five Thousand (\$20,225,000) City of Dunedin, Florida Taxable Non-Ad Valorem Revenue Bonds, Series A (Spring Training Facilities Improvements) (the "Bond Issuance"). The City's total debt service obligations in connection with the Bond Issuance (including both principal and

interest over the full twenty five (25) year term to maturity) is Thirty Three Million Eight Hundred and Fifty Three Thousand Eight Hundred and Ninety Eight Dollars and Seventy Cents (\$33,853,898.70) (the "Total Debt Service Amount") and the Club hereby agrees, subject to the remainder of this Section 27 and the other provisions of the Agreement, to pay the City the sum equal to the Total Debt Service Amount (the "Club Repayment Obligation"). Unless otherwise mutually agreed by the parties in writing, the Club Repayment Obligation will be met by the Club making an annual payment to the City, commencing in the 2019 calendar year (the "Annual Capital Payment") with each such payment being equal to 1/25th of the Club Repayment Obligation.

- (ii) The Club will pay each Annual Capital Payment in two (2) equal semi-annual installments, due on or before each of March 1 and September 1 for each respective year. The first semi-annual payment date shall occur on March 1, 2019 and the final semi-annual payment will occur on the fiftieth semi-annual installment date. In the event any installment of the Annual Capital Payment is not received by the City by its respective due date, said installment will bear interest at the prevailing rate charged by the Internal Revenue Service for late payments until paid.
- (iii) Notwithstanding anything else in this Agreement, the Club shall be entitled to pre-pay one or more future Annual Capital Payments or installments at any time in its discretion and, in the event that it does so, the Club's future payment obligations will be reduced accordingly.
- (iv) The Club's obligation to pay the Annual Capital Payment shall be deemed to be satisfied upon the earliest of the following:
 - (A) The date on which the Club has satisfied the Club Repayment Obligation,
 - (B) The date upon which the City satisfies its financing obligations for Bond Issuance, if such satisfaction occurs prior to the expiration of the twenty-five (25) year time frame set forth in paragraph 27(a)(i) above, and
 - (C) The date upon which that portion of the City's financing obligations as is represented by the Bond Issuance is paid off, if the City refinances such debt to include other City debt.
- (v) Under no circumstances is the Annual Capital Payment intended to result in any kind of surplus or capital reserve for the City, nor is it intended to pay debt service secured by other sources of revenue to which the City may be entitled. Any and all Annual Capital Payments (and any portion thereof) made by the Club prior to the Threshold Date (the "Pre-Threshold Date Payments") shall be credited against the Annual Capital Payment obligation immediately upon the commencement of the Term. In the event that the Initial Post-Renovation Term of this Agreement either does not become effective in accordance with the definition of "Threshold Date" in subsection 1(iii) and the operation of paragraph 1.2(b)(ii) or this Agreement is terminated due to failure of performance under the Development Agreement, the full amount of the Pre-Threshold Date Payments shall

forthwith be reimbursed by the City, with interest at the prevailing rate charged by the Internal Revenue Service. This paragraph will survive the expiration or early termination of this Agreement.

- (b) Annual License Fee. The Club shall pay to the City an annual license fee for its use of the Dunedin Facilities in the amount of ten dollars (USD \$10) per year (the "Annual License Fee") throughout the Term of this Agreement. The Annual License Fee is based, in part, on the shared use of the Dunedin Facilities by the Club and other users.

28. TAX LIABILITY.

- (a) Ad Valorem Taxes. The Club and the City shall share the responsibility for the payment of Ad Valorem Taxes levied against the Dunedin Facilities in each calendar year of the Term as follows:

- (i) the Club shall be responsible for the payment of the first one hundred and fifty thousand dollars (USD \$150,000), and
- (ii) the Club and the City shall each be responsible for the payment of one half (1/2) of any Ad Valorem Taxes in excess of one hundred and fifty thousand dollars (USD \$150,000).

The Club and the City shall coordinate in good faith to mitigate Ad Valorem Taxes levied against the Dunedin Facilities. In particular, the City shall take all actions reasonably available to it to ensure the application of those exemptions and reductions to Ad Valorem Taxes as exist at any particular point in time (including appealing any assessments that do not provide for the application of such exemptions and reductions).

- (b) Taxes Attributable to Club's Use of Dunedin Facilities. Other than Ad Valorem Taxes addressed in subsection 28(a) above, the Club shall be responsible for all taxes or fees directly arising from or attributable to the Club's use of the Dunedin Facilities, whether payable to the City or to any other governmental agencies, including, by way of illustration and not limitation, sales taxes applicable to the Club's purchases of goods and services used in the operation of the Dunedin Facilities. For certainty, the parties hereby acknowledge and agree that Ad Valorem Taxes are addressed exclusively in the subsection 28(a) and are not part of the Club's responsibilities pursuant to this subsection 28(b).

29. INDEMNITIES.

- (a) Club Indemnity. The Club shall indemnify, defend (where applicable) and hold harmless the City and the other members of the City Group from and against any and all Costs which may be sustained, incurred or paid by any of them by reason of, on account of, arising out of or in any way connected to:

- (i) the use of the Dunedin Facilities by the Club,
- (ii) the gross negligence or willful misconduct of the Club or another member of the Club Group, or

(iii) the acts or omissions of the Club, and of any member of the Club Group, in connection with the Club's obligations hereunder,

provided that such indemnity shall be limited by the extent to which such Costs are caused or contributed to by the City or any member of the City Group (whether by reason of contributory negligence or otherwise).

(b) City Indemnity. In addition to any other indemnity obligations contained elsewhere in this Agreement, the City shall, to the maximum extent permitted by applicable law, indemnify, defend (where applicable) and hold harmless the Club and the other members of the Club Group from and against any and all Costs which may be sustained, incurred or paid by any of them by reason of, on account of, arising out of or in any way connected to:

(i) the design or construction of the Dunedin Facilities,

(ii) the repair or reconstruction of the Dunedin Facilities following a Casualty Event,

(iii) the use of the Dunedin Facilities by or at the request of the City, including but not limited to City Events,

(iv) the gross negligence or willful misconduct of the City, and of any member of the City Group, or

(v) the acts or omissions of the City, and of any member of the City Group, in connection with the City's obligations hereunder,

provided that such indemnity shall be limited by the extent to which such Costs are caused or contributed to by the Club or any member of the Club Group (whether by reason of contributory negligence or otherwise).

(c) All of the City's indemnification obligations contained in this Agreement, including but not limited to those set out in the preceding subsection, will be subject to the provisions of Section 768.28, Florida Statutes, in all respects except that, to the maximum extent permitted by applicable law:

(i) None of the limitations set forth in Section 768.28(5), Florida Statutes, including, but not limited to, the limitation on the total liability of the State of Florida, its agencies and subdivisions, shall apply to any claim, action or other legal proceeding in which the City and the Club are both parties (which, for certainty, includes any cross-claims between them in connection with a third-party legal proceeding),

(ii) The City shall not assert or rely on sovereign immunity, any limitations of liability set forth in Section 768.28, Florida Statutes or any limitations of liability contained any successor legislation with similar purpose or effect where the effect of the City doing so would be to reduce any contractual obligations of the City hereunder (including any indemnities

granted in favor of the Club), and

(iii) The City shall not assert or rely on sovereign immunity, any limitations of liability set forth in Section 768.28, Florida Statutes or any limitations of liability contained any successor legislation with similar purpose or effect in connection with a claim, action or other legal proceeding asserted by a third party in which the City and the Club are both named as defendants (each, a "Third Party Proceeding") where the effect of the City doing so would increase the Club's actual or potential liability in connection with such Third Party Proceeding.

(d) Where a party becomes aware of any claim or cause of action (whether threatened or filed) for which it is entitled to indemnification hereunder (such party, in the circumstances, the "Indemnitee"), it shall provide the indemnifying party (in the circumstances, the "Indemnitor") with written notice of same reasonably promptly thereafter. In any such instance, the Indemnitee shall have the option to either:

- (i) retain its own counsel and to control the defense of the claim or cause of action, at the expense of the Indemnitor, or
- (ii) require the Indemnitor to manage the defense of the claim or cause of action, subject to reasonable consultation with the Indemnitee.

Where the Indemnitee elects to proceed as outlined in paragraph (ii), the following rights and restrictions will apply, unless otherwise mutually agreed by the parties in writing. The Indemnitor shall have the right to select counsel, at Indemnitor's expense, to defend the Indemnitee, provided that no settlement terms shall be binding on the Indemnitee without its prior written consent, which shall not be unreasonably withheld. The Indemnitee shall reasonably cooperate with the Indemnitor's defense of such claim or cause of action.

This Section 29 will survive the expiry or early termination of this Agreement.

30. INSURANCE.

(a) Club Insurance. The Club shall, at its expense, obtain and continuously maintain, without lapse, the following insurance coverage:

- (i) Workers' Compensation and Employer's Liability insurance in compliance with applicable federal and state laws,
- (ii) An occurrence-based Commercial General Liability Insurance Policy, providing coverage for bodily injury and property damage and personal and advertising injury, including but not limited to, contractual liability coverage, host liquor liability coverage, damage to rented premises and products / completed operations coverage, with minimum limits of:

(iv) Comprehensive Automobile Insurance, covering owned, non-owned, leased, borrowed or hired vehicles, with a minimum combined single limit of \$1,000,000 Each Accident.

Coverage limits may be satisfied through a combination of primary and umbrella/excess policies. Umbrella / Excess policies shall be substantially similar to the underlying coverage. All insurance policies must be issued by an admitted insurance carrier with an A.M. Best rating of A-7 or better. The Club shall name the City as an Additional Insured under the Club's Comprehensive General Liability, Umbrella / Excess, and Automobile policies for any liability arising out of any acts and/or omissions of the Club where required by written contract or agreement with respect to the Dunedin Facilities. All Commercial General Liability and Umbrella / Excess policies must provide cross liability coverage (separation of insureds or severability of interests provision) and shall not include any exclusion for third-party over actions. Further, coverage for the City as an Additional Insureds under the Club's policies shall apply on a primary and non-contributory basis irrespective of any other insurance, whether collectible or not, as per written contract or agreement. The Club shall remain solely responsible for payment of any Club policy deductibles and self-insured retentions or self-insured amounts. All Club insurance policies shall be endorsed to provide a waiver of subrogation in favor of the City as "Additional Insured." The Club shall provide the City with at least thirty (30) days written notice in the event of cancellation, non-renewal or material modification of any of the Club's insurance policies. The Club shall furnish City with certificates of insurance evidencing compliance with all insurance provisions noted above at least fifteen (15) business days prior to the commencement of the use of the Dunedin Facilities.

(b) Required City Insurance. The City shall, at its expense, obtain and continuously maintain, without lapse, the following insurance coverage:

- (i) Workers' Compensation and Employer's Liability insurance in compliance with applicable federal and state laws. For certainty, such insurance will be required for all fire, police, EMT, or other emergency personnel, whether working at or near the Dunedin Facilities or at other locations.

Without limiting the generality of the foregoing, the aforementioned insurance coverage shall, at a minimum, provide coverage for hazard, fire, lightning, smoke, windstorm (including Named

Windstorm), flood, hurricane, rain, snow, mold, earthquake, sinkhole, mudslide, other earth movements, malicious damage, riot and terrorism (whether certified or uncertified) and other similar casualties. Property insurance should also include coverage for equipment and/or mechanical breakdown. The City shall ensure that all such property insurance policies name the Club as a loss payee. The foregoing policy/ies of insurance will be primary, and the proceeds of same will be used for the repair and/or reconstruction of the Dunedin Facility pursuant to Section 24 of this Agreement. Provided that (A) on an annual basis the City shall review its total insured values and reconfirm and increase its coverage limits as necessary, and (B) the insurance in fact provides coverage sufficient to permit the City to meet all its associated obligations under the Agreement, then the insurance required hereunder from the City may be covered by a blanket policy insuring multiple City properties. The City shall, on an annual basis, consult with the Club and provide the Club with all information pertinent to the matters set out in (A) and (B) in the preceding sentence and the Club shall, acting reasonably, have the right to have input on such matters. As of the date of execution of this Agreement, the insurance described in this paragraph 30(b)(ii) is provided by the *Florida Municipal Insurance Trust*. Throughout the Term, the City shall include the Dunedin Facilities in the City's list of "Critical Assets" identified for the purposes of the *Florida Municipal Insurance Trust* or any subsequent coverage provider or claims administrator.

(iii) City Commercial General Liability and Automobile Liability Coverage. The parties have agreed that the City shall have the discretion to carry one or more Commercial General Liability and/or Comprehensive Automobile Insurance policies or to self-insure with respect to such areas of actual or potential liability. As of the date of execution of this Agreement, the City is self-insured. In the event that, at any point during the Term, the City secures one or more Commercial General Liability and/or Comprehensive Automobile Insurance policies of insurance (whether primary or excess), it shall ensure that:

- (A) Any Commercial General Liability policies provide coverage for bodily injury and property damage and personal and advertising injury, including but not limited to, contractual liability coverage, host liquor liability coverage, coverage for Damages to Premises Rented by You and products / completed operations coverage,
- (B) Umbrella / Excess policies, if any, are substantially similar to the underlying coverage,
- (C) All policies are issued by an admitted insurance carrier with an A.M. Best rating of A-7 or better,
- (D) The Club is named as an Additional Insured under the policies for any liability arising out of any acts and/or omissions of the City where required by written contract or agreement with respect to the Dunedin Facilities. Further, coverage for the Club as an "Additional Insured" under the City's insurance policies shall apply on a primary and non-contributory basis irrespective of any other insurance, whether collectible or not, as per written contract or agreement, and

(E) All policies provide cross liability coverage (separation of insureds or severability of interests provision) and may not include any exclusion for third-party over actions.

(iv) The City shall remain solely responsible for payment of any City policy deductibles and self-insured retentions or self-insured amounts. All City insurance policies shall be endorsed to provide a waiver of subrogation in favor of the Club and the other members of the Club Group and where the City is self-insured it waives all rights of subrogation in favor of the Club. The existence of any self-insurance shall not relieve the City of the obligation to indemnify and defend the Club from the inception of any claim or action triggering such indemnity and defense obligations. The City shall provide the Club with at least thirty (30) days written notice in the event of cancellation, non-renewal or material modification of any of the City's insurance policies. The City shall furnish the Club evidence of compliance with all insurance provisions noted above at least fifteen (15) business days prior to the commencement of the use of the Dunedin Facilities, again upon each renewal and further upon the Club's request. The City acknowledges that the Club shall not insure the City's property and the Club shall not insure or protect the property of the City's employees, agents, temporary or leased workers, independent or sub-contractors, contractors, volunteers, exhibitors, performers, sub-licensees, personnel, members, and guests while at the Dunedin Facilities. The City waives all claims against the Club for loss or damage thereto no matter how caused.

(c) Mutual Release and Waiver of Subrogation. The City and the Club, on behalf of themselves and all others claiming under them (including any insurer) waive all claims, demands, or rights of indemnity that either of them may have against the other (including all rights of subrogation) arising out of damage to any property, real or personal, resulting from fire or other casualties, no matter what the cause thereof may be. The parties waive their respective rights, as set forth herein, because adequate insurance is to be maintained by each of them to protect themselves against all such casualties and they have obtained or agree to obtain from their insurance carriers appropriate "waiver of subrogation" provisions in all such policies of insurance.

31. LIMITATION OF LIABILITY.

(a) In no event shall one party be liable to the other party for any special, exemplary, indirect, incidental, consequential or punitive damages, loss of profits or loss of business opportunity (collectively, "**Special Damages**"). Notwithstanding the foregoing, in the event an indemnified party has incurred Costs pursuant to a final judicial or administrative action brought by a third party against such indemnified party and a component of such Costs includes Special Damages, the indemnity otherwise provided for in this Agreement to indemnify for Costs shall include the Special Damages element of such Costs.

(b) Notwithstanding anything else in the Agreement, no sovereign immunity or limited sovereign immunity that may be imposed by law with respect to the City's liability hereunder shall serve to, or be deemed to serve to, increase, expand or add to any liability or responsibility of the Club to third parties and the Club shall not and shall not be deemed to assume or be responsible for any liability or responsibility or excess liability or responsibility for which the City would otherwise be responsible (whether hereunder or otherwise) but for any sovereign immunity or

limited sovereign immunity imposed by law.

This Section 31 will survive the expiry or early termination of this Agreement.

32. SUSPENSION OF AGREEMENT.

- (a) Enumerated Events Interfering With Club Operations. If, at any time during the Term, the Club is prevented from using all or any material part of the Dunedin Facilities for its intended purposes as a result of any of the following (each, and "Enumerated Event"):
- (i) a national or local emergency,
 - (ii) an actual or threatened terrorist attack,
 - (iii) the United States being in a state of war,
 - (iv) a labor dispute other than a lock-out or strike of Major League Baseball players,
 - (v) the gross negligence or willful misconduct of the City (including its employees and agents),
 - (vi) the MLB Rules and Regulations or the rules and regulations of Florida State League of Professional Baseball Clubs Inc., the Gulf Coast League or such other league which has authority over a team operated by the Club,
 - (vii) the need or undertaking of Capital Replacements precluding use of the Dunedin Facilities, or
 - (viii) any other event beyond the reasonable control of the Club,

this Agreement shall be regarded as suspended for the period during which the Club's use of the Dunedin Facilities is interfered with, except each party's obligations to pay all taxes (including each party's share of ad-valorem property taxes) and each party's obligation to pay for and maintain required insurance coverages. During any such suspension of the Agreement, neither party shall have liability for damages to the other party as a result of the suspension or the Enumerated Event causing the suspension.

- (b) Exclusive Rights and Remedies for Casualty Events Causing Damage. The parties hereby confirm that where there is damage or destruction to the Dunedin Facilities as a result of a Casualty Event (as defined in Section 24, above), it is their intention for the provisions of Section 24 (including those that pertain to any interference with the Club's operations as a result of such Casualty Event) to govern the parties rights and obligations in connection with same. An event that could qualify as either a Casualty Event or an Enumerated Event shall only be considered to be an Enumerated Event where it does not result in damage or destruction to the Dunedin Facilities. By way of illustration, if a terrorist attack results in damage to the Dunedin Facilities, it shall be considered a Casualty Event and the parties' rights and obligations in connection with same shall be determined in accordance with Section 24, above.

If a terrorist attack does not result in damage to the Dunedin Facilities but nonetheless interferes with the Club's use of same, it shall be considered an Enumerated Event and addressed in accordance with this Section 32.

- (c) Effect of Suspension. During any suspension of the Agreement hereunder, the Annual Capital Payment shall be suspended only if it was the actions or omissions of the City or those for whom the City is at law responsible that caused the Club to be prevented from using the Dunedin Facilities or any material part thereof. The provisions of this Agreement which are not directly affected by the Club being unable to use the Dunedin Facilities or such material part thereof shall remain in full force and effect during the period of such suspension. During the period of such suspension, the Club shall be entitled to conduct its games, practices and other activities at alternate facilities of its choice and the Club will be deemed to have played the required number of such games as specified subsection 3(a) of the Agreement. For certainty, in the event that any Home Major League Team ST Games or Home Minor League Games are cancelled or otherwise impacted during any period of suspension, the Club's game-related obligations under the Agreement shall not apply (including, but not limited to, its obligations in connection with marketing and promotional opportunities and the collection and remittance of the Capital Replacement Surcharge).
- (d) Termination of Agreement. Notwithstanding anything else in this Section 32, if the period of the suspension hereunder extends beyond twelve (12) months and such arises by reason of a national or local emergency, an actual or threatened terrorist attack, the United States being in a state of war, a labor dispute (other than a lock-out or strike of Major League Baseball players), or the gross negligence or willful misconduct of the City (including its employees and agents), then the Club shall have the option, exercisable in its sole discretion, to terminate this Agreement without liability to the City therefore.

33. CAPITAL REPLACEMENT FUND.

- (a) Establishment and Funding. During the Term of this Agreement, the City shall maintain an interest bearing fund for the purpose of Capital Replacement expenditures which shall be known as the "Capital Replacement Fund". The Capital Replacement Fund shall be used solely for Capital Replacement expenditures. The Capital Replacement Fund shall be funded from the following sources:
 - (i) Amounts paid to the City by the Club on account of the Capital Replacement Surcharge, in accordance with subsection 12(d) of this Agreement,
 - (ii) That portion of the Annual Naming Rights Revenues paid to the City by the Club in accordance with subsection 20(a) of this Agreement,
 - (iii) Proceeds of any taxable debt instrument issued by the City to fund a portion of the costs of the Project or other non-debt proceeds contributed by the City to pay a portion of the costs of the Project that are not, as agreed by the Club, needed to pay costs of the Project, and
 - (iv) All interest accrued on amounts held within the Capital Replacement Fund.

In addition to the above, on or before June 30th of each of the sixth, seventh, eighth, ninth and tenth calendar years of the Initial Post-Renovation Term, the City shall pay One Hundred Thousand Dollars (\$100,000) into the Capital Replacement Fund. By way of illustration, if the Threshold Date of the Agreement is in the year 2019, then the City shall pay One Hundred Thousand Dollars (\$100,000) into the Capital Replacement Fund on or before June 30th of each of the years 2024, 2025, 2026, 2027 and 2028.

- (b) Nature of Capital Replacement Fund and Accounting. The City shall maintain the Capital Replacement Fund and shall separately account for it. The Capital Replacement Fund shall be in the nature of a trust fund and the Club will, at any time, be entitled to all records regarding the status of such Capital Replacement Fund and the information about amounts accrued therein. The City shall provide the Club with an accounting in respect of the Capital Replacement Fund at least annually, on or before October 30 in each year of the Term, whether or not requested by the Club. The designation and establishment of the Fund in and by this Agreement shall not be construed to require the establishment of a completely independent, self-balancing fund as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.
- (c) Approval of Expenditures. Expenditures of amounts held in the Capital Replacement Fund shall, unless otherwise mutually agreed in writing by the City and the Club, be limited to Capital Replacement at the Dunedin Facilities and shall require the joint approval of the City and the Club, not to be unreasonably withheld or delayed. At the end of the Term, the City may inspect the Dunedin Facilities for purposes of confirming that all Capital Replacement expenditures that were approved and scheduled prior to the end of the Term and supposed to be addressed by the Club during the Term were completed. In the event that the City discovers any such incomplete Capital Replacements, the Club and the City shall work in good faith to utilize remaining funds in the Capital Replacement Fund for such purposes. By way of clarification, normal wear and tear of the Dunedin Facilities at the end of the Term shall not constitute a basis for undertaking Capital Replacements. Nothing herein is intended to afford the City any right to claim Capital Replacement expenditures that would not otherwise have been performed during the Term and the City shall not utilize this inspection process as a means to update the Dunedin Facilities with Capital Replacement Expenditures at the end of the Term utilizing the Capital Replacement Fund. The Club shall be entitled to all amounts in the Capital Replacement Fund at the end of the Term.
- (d) City Responsibilities. Capital Replacements shall be undertaken by the City as and when required, without cost or expense to the Club, to the extent that the expenses can be funded first through the exercise of any warranty held by the City (for example a warranty relating to the construction of the Improvements), or second by the Capital Replacement Fund. The City shall administer the approved expenditures of amounts held in the Capital Replacement Fund and shall undertake and complete any Capital Replacement projects that the parties have mutually agreed upon and shall follow all normal purchasing, bidding and construction practices set forth in the City of Dunedin Code of Ordinances, unless the parties shall mutually agree, each acting reasonably, for some or all of a particular Capital Replacement project

hereunder to be delegated to the Club to complete, in which case the Club would be reimbursed from the Capital Replacement Fund.

- (e) City's Right to Inspect: Request Capital Replacements. The City shall have the right but not the obligation to conduct an inspection of the Dunedin Facilities in the event that there is either: (a) an open and obvious hazard or dangerous structural condition, or (b) a clear and material violation of applicable laws in connection with matters under the Club's direct control or responsibility. The City will notify the Club in writing in the event that desires to conduct an inspection pursuant to the foregoing and shall give the Club reasonable advance notice and an opportunity to schedule same for a mutually agreeable date and time. In conducting any such an inspection, the City shall include one or more persons who are appropriately qualified and licensed to inspect the specific matters at issue and to report thereon. Following any such inspection by the City, the City shall provide the Club with all documentation, including photographs, field notes and final reports, relating to the inspection and results or findings associated therewith. In the event that the results of an inspection suggest that Capital Replacements should be made to the Dunedin Facilities to remedy any hazard or dangerous structural condition or bring the Dunedin Facilities into legal compliance, the City may request that Capital Replacements be undertaken for these purposes and the parties, each acting reasonably, will endeavor to address such Capital Replacements pursuant to subsections 33(c) and 33(d), above. The purpose of this provision is to permit the City with an inspection right to potentially address concerns regarding health, safety and general welfare. The inspection right described herein is not intended to permit the City to request or claim Capital Replacements are needed to items that have encountered normal wear and tear.
- (f) Club Responsibility for Expenditures in Excess of Capital Replacement Fund. Unless otherwise mutually agreed by the parties, the Club will be responsible to pay the costs of Capital Replacements:
- (i) in circumstances outside of those addressed in subsections 33(c), 33(d) (relating to the City's exercise of any warranty associated with the Improvements or otherwise in connection with the Dunedin Facilities) and 33(e), and
 - (ii) in circumstances addressed in subsections 33(c) and 33(e) but where the costs of the specific Capital Replacements agreed to be undertaken exceed the then-available funds held in the Capital Replacement Fund. In this latter circumstance, the Club's responsibility for costs would be limited to the amount by which the costs of the specific Capital Replacements exceed the then-available funds held in the Capital Replacement Fund.

In connection with Capital Replacements in connection with paragraph 33(f)(i), the Club shall have the option to undertake the Capital Replacements itself or to request that the City undertake same. The City shall not decline a request from the Club hereunder unless the request is unreasonable or would be unachievable by the City in the time frames requested by the Club. Where the City undertakes Capital Replacements hereunder, it shall follow all normal purchasing, bidding and construction practices set forth in the City of Dunedin Code of Ordinances, and the Club will reimburse the City for its expenditures on a rolling basis as such expenditures take place.

- (g) Club Discretion. Nothing in the foregoing shall limit the Club's discretion to undertake Capital Replacements at the Dunedin Facilities where such Capital Replacements do not utilize amounts held in the Capital Replacement Fund.

34. FF&E.

- (a) All FF&E located within the Dunedin Facilities as of the Threshold Date will be owned by and be the property of the Club. Throughout the Term, the Club shall have the right at all times to modify, remove, replace and install FF&E in its sole discretion and at its sole expense and all such FF&E shall be owned by and be the property of the Club.
- (b) Within a reasonable period of time (not to exceed ninety (90) days) following the expiry or earlier termination of this Agreement, the Club shall remove, at its own cost, all of the FF&E, and the failure to so remove such FF&E shall cause a forfeiture of any remaining FF&E to the City.

35. EXPANSION AND RENOVATION OF FACILITIES. As of the Threshold Date, the City has completed the Project, being a major renovation and expansion of the Dunedin Facilities in accordance with the Development Agreement and including the Improvements.

36. NATURE OF AGREEMENT/MISCELLANEOUS.

- (a) License. This Agreement shall be deemed to be a use agreement in the nature of a license and shall not be deemed to be a lease or conveyance of any real property rights nor shall this Agreement constitute an agreement for the use of real property that would subject the parties to the provisions of any statute regarding landlord and tenant rights. This Agreement shall not establish a landlord-tenant relationship between the parties. This Agreement shall not constitute a partnership, joint venture or create an agency relationship between the parties.
- (b) Governing Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida regardless of any principles of conflict of laws or choice of laws of any jurisdiction. The exclusive jurisdiction, venue and forum of any lawsuit or legal proceeding arising out of this Agreement shall only be the state courts of Florida located in Pinellas County, Florida and the Federal Courts located in Hillsborough County, Florida. The Parties waive any and all rights to object to jurisdiction or venue in other forums.
- (c) Compliance. The City shall be solely responsible to ensure that that Dunedin Facilities comply with all applicable building codes, laws and ordinances of the City of Dunedin, the State of Florida, Pinellas County and other governmental agencies and shall, in connection with the foregoing, have the right, from time to time and on reasonable advance notice to the Club, to inspect the Dunedin Facilities.
- (d) Entire Agreement. This Agreement and the Exhibits attached hereto constitute the entire agreement between the parties and replace and, with the exception of the License Agreement

Addendum only, supersede all prior agreements and representations, including, in particular, the 1st Amended and Restated License Agreement. No alteration, amendment or modification to this Agreement shall be valid unless executed in writing by the parties, and no subsequent oral agreement shall have any validity or in any way affect the terms of this Agreement; provided, however, that no provision of this Agreement will be supplemented, modified, amended or waived without MLB Approval.

- (e) **Assignment.** The Club may assign this Agreement or any of its rights or obligations hereunder to any entity affiliated with the Club or to the successor of the Club in its ownership of the Major League Team. Subject to the foregoing and except as otherwise expressly provided herein or consented to by the City, the Club shall have no right to assign or transfer any rights, privileges or obligations granted by the terms of this Agreement to any third party. In the event of an assignment in contravention of the preceding sentence, the Club shall continue to be primarily responsible to the City for the performance of the Club's obligations under the terms of this Agreement.
- (f) **Inurement.** This agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns. Nothing in this Agreement shall be interpreted to be for the benefit of a third party.
- (g) **Currency.** All dollar amounts hereunder are expressed in U.S. currency.
- (h) **Counterparts.** This Agreement may be signed in any number of counterparts, each of which is an original, and all of which taken together constitute one single document. Counterparts may be transmitted by fax or in electronically scanned form. Parties transmitting by fax or electronically will also deliver the original counterpart to the other party, but failure to do so does not invalidate this Agreement.
- (i) **Invalidity.** In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.
- (j) **Delegation.** No provision of this Agreement shall be construed to have made, permit or require the delegation by the City to the Club or any other party of any governmental function of the City.
- (k) **Radon.** As required by law, the City hereby makes the following disclosure:

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your County Public Health Unit. This acknowledgment is given pursuant to Florida Statutes 404.056(8) and is required by law to be given at or before the time a contract for the use of real estate is signed.

- (l) Right of First Refusal. In the event that the City shall obtain title to the property immediately east of the Grant Field Facilities, presently belonging to the Pinellas County School Board, presently occupied by Curtis Fundamental Elementary School, then and in that event the City does hereby grant a right of first refusal to lease the same property to the Club in the event that the City shall offer such property for lease or sale to a third party. In the event that the City offers such property for lease or sale and receives an offer of lease or purchase on said property, the City shall give the Club thirty (30) days written notice of such contract and the Club shall have the right for thirty (30) calendar days from the date of receipt of such notice to advise the City in writing that it wishes, at the Club's option, to lease or purchase said property on the same economical terms and conditions set forth in the offering contract. In the event that the Club choose to exercise such right of first refusal, it shall present a contract reflecting the same terms and conditions as the offering contract within the aforesaid thirty (30) day period. The right of first refusal shall be coterminous with the Term of this Agreement.
- (m) The parties hereby agree to furnish upon request to each other such further information, to execute and deliver to each other such other documents, and to do such other acts and things, all as the other party may reasonably request for the purpose of carrying out the intent of this Agreement. In the event that this Agreement is executed prior to the finalization of the Development Agreement, the parties shall update this Agreement to include any references to provisions of the Development Agreement that may be required.

37. DEFAULT.

- (a) The occurrence of one or more of the following shall constitute an event of default:
- (i) The Club fails to pay or cause to be paid, in full and when due, any installment in connection with the Annual Capital Contribution called for herein and the Club does not cure such failure within forty five (45) days of receipt of notice of such default from the City. In the event of a default arising from the failure to make payment of an installment in connection with the Annual Capital Contribution, the City may declare that all Annual Capital Contributions shall accelerate to maturity and all such Annual Capital Contributions shall become immediately due and payable.
- (ii) The failure by either party to perform, observe or comply with timely, at any time during the Term, any term, representation, condition, obligation, covenant, or other provision requiring performance of that party under this Agreement (except the payment of any installment on account of the Annual Capital Contribution) and such failure is not cured within sixty (60) days after written notice, specifying the nature of such failure and requesting that it be remedied, given by the non-defaulting party to the defaulting party, unless the non-defaulting party shall agree in writing to an extension of such time prior to expiration; provided, however, if the failure stated in the notice cannot reasonably be corrected within the applicable period, no event of default shall be deemed to exist hereunder if corrective action is instituted by the defaulting party promptly upon receipt of the written notice and is diligently pursued until corrected.
- (iii) The dissolution or liquidation of the Club, or adjudication of the Club as bankrupt, or the

appointment of a receiver of any of the Club's property, or the assignment of any of the Club's property for the benefit of its creditors, if the Club fails to lift, stay or dismiss within a reasonable time frame acting in good faith with diligent efforts such proceedings or similar proceedings under Canadian law.

- (iv) An Impermissible Relocation Event occurs (which, for certainty, shall not include a temporary relocation by the Club that is permitted under this Agreement).
- (v) The Club disposes of all or substantially all of its assets, other than to a permitted assignee.
- (b) In the event of any default by the Club, the City may take any action as is permitted in law or in equity as it may appear necessary or desirable to collect any amount to be paid by the Club hereunder when due, or to enforce any obligation or covenant or agreement of the Club under this Agreement; provided, however, no such enforcement shall include a requirement of the Club to play Home Major League Team ST Games at the Dunedin Facilities during the Term, the City's remedies in respect of any default in so playing being limited to monetary damages.
- (c) In the event that an event of default by the City occurs, the Club may take any action as is permitted in law or in equity may, including instituting such action against the City as the Club may deem necessary to compel performance or the Club may perform the City's obligations hereunder and deduct the cost of so doing from payments required to be made hereunder to the City.
- (d) No delay or omission to exercise any right or power accruing upon any event of default shall impair any right or power or shall be construed to be a waiver thereof but any such right or power may be exercised from time to time and as often as may be deemed expedient. In the event any agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.
- (e) In the event either party shall default under any of the provisions of this Agreement and the other party should employ attorneys or incur other expenses for the collection of any amount due hereunder or the enforcement of performance or observance of any obligation or agreement herein contained, the non-breaching party if successful in such proceedings, shall be entitled to recover from the breaching party the reasonable fees of such attorneys and such other expenses so incurred.
- (f) Except as limited by applicable law or this paragraph, no remedy conferred upon or reserved to the parties is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and in addition to any other remedy given under this Agreement now or hereafter existing at law or in equity or by statute.
- (g) Notwithstanding any other provision of this Agreement, the City shall not terminate this Agreement, and the City shall not take possession of the Dunedin Facilities upon an event of default or exercise any other remedy made available to it hereunder, during any Spring Training Season.

38. RELOCATION EVENTS.

(a) For the purposes of this Section 38:

- (i) **"Impermissible Relocation Event"** means the permanent cessation of use by the Club of the Dunedin Facilities for Spring Training purposes which is not a Permissible Relocation Event; and
- (ii) **"Permissible Relocation Event"** means a permanent cessations of use by the Club of the Dunedin Facilities for Spring Training purposes that is excused or permitted by the terms of the Agreement. For clarity, in any circumstance in which this Agreement provides the Club with a right to terminate this Agreement (i.e. pursuant to subsection 24(h) and subsection 32(d)) or in which the Agreement automatically terminates (i.e. pursuant to subsection 24(b)), any related cessation of use will be deemed to be a Permissible Relocation Event.

(b) Upon the occurrence of an Impermissible Relocation Event, the Club shall be obligated to:

- (i) reimburse the State for all remaining payments to be made by the State pursuant to Section 288.11631, Florida Statutes from the date of the Impermissible Relocation Event through the end of the Term,
- (ii) reimburse the County for all remaining payments to be made by the County under the Interlocal Agreement with the City from the date of the Impermissible Relocation Event through the end of the Term,
- (iii) reimburse the City for all remaining payments to be made by the City on a debt instrument issued by the City for financing the costs of the renovation and expansion of the Dunedin Facilities in accordance with the Development Agreement (not included in item (i) or (ii) above) from the date of the Impermissible Relocation Event through the end of the Term, and
- (iv) reimburse the City for its pro-rata share of the City's original capital contribution to the Project not included in (i), (ii) or (iii) above,

except to the extent any of the foregoing amounts are otherwise recoverable by the City (e.g. through insurance proceeds, a third party contractual indemnity or other means).

(c) Upon the occurrence of a Permissible Relocation Event, the Club shall not have any obligation to reimburse the amounts set out in the preceding subsection and the City shall be solely responsible for all such amounts. Without limiting the generality of the foregoing, and for further clarity, the parties agree that if the Club terminates this Agreement pursuant to its termination rights under subsection 24(h) or subsection 32(d) or the Agreement automatically terminates pursuant to subsection 24(b):

- (i) the Club will promptly notify the applicable agency of the State of Florida that has been charged with administrative oversight and enforcement of the State Development Funds (the "State Agency"), as well as the applicable agency of Pinellas County that has been charged with administrative oversight and enforcement of the County's funding commitments the Project (the "County Agency"),

DOUGLAS AVENUE SITE (STADIUM SITE)

Stadium Improvements

Renovation of the stadium to bring it up to modern-day standard, including the following key amenities / elements:

- *Seating.* Stadium capacity of 8,500 based on:
 - Fixed seating for 6,500 people. Assume 19 inch "flip up" seats
 - Standing room, berm seating and "alternate seating" space (such as at least one "party deck", and four tops / high top seating on outfield portion of boardwalk) for 2,000
- *Shaded seating and protective netting.*
 - Significant number of shaded seats (high percentage of overall seating, including shading for some of the higher priced seating areas and, if possible, some portion of the berm). Might be achieved by extending the existing overhang (if engaging in a renovation) or by some entirely new structure or overhang.
 - We note that in boardwalk areas we're advised that trellises are not sufficient for shading, so we suggest another idea be presented.
 - Protective netting required in areas around home plate, down lines and behind dugouts. May also be needed in front of berm if that area is in direct line of foul balls.
- *Boardwalk.* Outfield "boardwalk" permitting 360 degree fan circulation around the stadium, with sufficient space on outfield portion of the boardwalk for:
 - good-sized "tiki" bar
 - additional smaller bar located in opposite corner room for 8 – 10 stools across
 - requires fixed food concession area, preferably including BBQ grills (*definitely need to have a permanent bbq location somewhere and we have included a fixed concession stand at this location below under "Food and Beverage Concessions and Related", below)
 - requires a spot for at least one (1) temporary food concession stand
 - Fixed merchandise store of between 700 and 900 square feet
 - men's and ladies' washrooms (sufficient to meet code and capacity requirements)
 - 4 tops seating and high top stool seating, including stools and ledges along front of boardwalk (final numbers will be determined based on length of boardwalk and layout of other items).
 - Once we determine the length of the boardwalk we can determine the number of stools and 4 top seating which is needed on the boardwalk.
 - If possible, would like to have some means to access to the boardwalk from our office space (could be a short stairwell with a door a secured door at the top).
 - Would like to see if the boardwalk could connect to the ground floor concourse (whether by stairs or ramp), as opposed to the second level concourse.
- *Luxury Suites.* Want a total of five (5) luxury suites:

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- 3 of which can be either separate or combined into 1 large party suite (these would be intended as the saleable "fan" suites),
- 1 of which would be a players' family suite geared towards players' wives/families.
- 1 of which would be an "owner's suite", located directly behind home plate.

Each suite should have about 325 square feet of interior space. Optimally, all should have outdoor seats and washrooms (although if space was too limited to permit independent washrooms, the 3 combinable suites could possibly have shared washroom accessible from the suite hallway). Each of the five (5) suites should have outdoor seating for 12 and total capacity of 20.

- **Box Office.** Florida Auto Exchange Stadium currently has 4 windows for selling and 2 for will-call. It does not contain any offices.
 - We require ten (10) exterior-facing box office windows (2 will call, 1 VIP pick-up, 7 selling) and a further two (2) box office windows that face the inside of the building.
 - We require two (2) permanent office spaces inside the box office (to house box office manager and supervisor).
 - Optimally, box office would be located near primary stadium entrance.
 - Box office will need speakers and microphones to speak with customers and monitors above the windows (for messaging).
- **Entrances.** Greater number of game day stadium entrances than the two (2) that currently exist (Florida Auto Exchange Stadium really only has 1 main entrance and 1 gate that is used for season ticket holders). *Would like to have two (2) "main" entrances, one (1) smaller entrance for season ticket holders, and one (1) separate Staff-only entrance (which would have the office access control system).*
 - Need to add a covered area at all entrance locations - the covered area will be used for our metal detectors and any design should account for the space needed for same.
- **Public Concourses.** Two concourse levels (likely one at grade and one above grade, connected to the boardwalk).
- **Elevators.** Addition of at least 2 elevators (currently have 1), for a total of three (3) elevators to bring people and food to 2nd level. Possible locations would be 1 behind home plate, and one each down each first and third baselines. Optimally, each elevator location should have adjacent stairs (currently no such stairs exist).
- **Public Restrooms.** Appropriate number and distribution of public restrooms for the number of fixed seats and total building capacity. *Expectation is that this will be developed based on current laws and stadium standards.* Note that Florida Auto Exchange Stadium currently has only 2 locations (women have total of 8 sinks, 16 toilets and men have a total of 7 sinks, 9 toilets and 9 urinals).
 - As noted elsewhere, we will need public restrooms located on the boardwalk, and also within the main Jays Shop merchandise store (for use during non-game days).
- **Bullpens / Gang Mounds.**
 - At the present time, the stadium has six (6) "private" Blue Jays gang mounds in close proximity to the office / clubhouse building. The mounds are covered by netting to ensure that any home run balls do not strike persons using the mounds. *To the extent possible within the ultimate*

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

renovation design, we would like to retain as many of the existing gang mounds as possible, but in any event not less than 3. There is no need or desire to upgrade or improve these mounds.

- Adjacent to the mounds is currently a tower where Blue Jays bullpen pitchers sit during games. The current towers are not shaded and are spread too far apart. In all likelihood, the new boardwalk will be passing through this area, and the design needs to include a space for bullpen pitchers to sit in this area, with shade and view of the field.
- Visiting team needs 2 bullpen mounds. These can be very basic and placed anywhere that makes sense in the renovated stadium. Will also need appropriate tower.
- **Dugouts.** Dugouts size needs to increase (both length and width) as compared to what presently exists at Florida Auto Exchange Stadium in order to properly accommodate players and uniformed coaches. Plan needs to include enough space for photo bay / photo dugout at end of each dugout (not covered). Bullpens are accessed from the field only and that can remain the case (no tunnel needed). Club will want to see specifics of proposed dugout dimensions on any proposed plans.
- **Wiring/cabling.** Supply and install integrated cabling for state-of-the-art internet and television and radio broadcast. Broadcast Truck Cabling to include current industry-standard broadcast copper and fiber-optic trunks, including DT-12 audio, coaxial video, Triax camera, SMPTE311 Hybrid camera fiber and single-mode ST fiber optic trunks. All broadcast cabling bulkheads in areas subject to the elements should be mounted in weatherproof NEMA-rated enclosures. At minimum, television bulkhead locations should include, Low 1st Base, Low 3rd Base, High 1st Base, High 3rd Base, High Home, Center Field, Outside Home and Visiting Locker Rooms, and all TV and Radio booths. All broadcast trunk lines should terminate at an interconnect rack room near broadcast truck parking location (see below, seeking space for two (2) broadcast trucks). Eventually, Toronto IT and stadium engineering can assist in setting out the final specs.
- **TV and Radio.** Five (5) booths in total: two (2) TV booths, two (2) radio booths and one (1) booth that is capable of being used for TV or radio.
- **Public Address/Video board Control Room Booth.** Need one (1) large PA booth/control room of approximately 500 square feet, and associated equipment. Room would need to house approximately 12 people and equipment (current booth only has room for 3 chairs and is about 5' x 10'). Equipment would depend in part on the specific video boards and other electronics that get installed. Assume that final specs would be developed in conjunction with whatever consultant helps design the video board and stadium PA systems, however, we anticipate that:
 - Video board Control Room facility would be designed to incorporate four (4) live cameras (including one wireless camera), video replay and playback capabilities, as well as graphics display capabilities. Video display software should be integrated into baseball scoring system
 - Room will also house main PA mixing console and PA Announcer
- **Scoreboard and Other Boards.** Although the final specs should be established in conjunction with a consultant who has expertise in these things, we generally require the following scoreboards/signage spaces and costs should be included in any cost estimates:

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- New 16x9 true HD main LED display. Needs to be large enough for replays and to be able to split the screen when needed (e.g. to show lineup or other items). Anticipate needing at least 40 feet wide. May want additional videoboard element running along the bottom, to show innings and scoring info, but final layout would have to be determined at later date.
- Radar speed display capability integrated into video display software.
- Would probably want a space above the main videoboard to display signage with the stadium name and some team creative (e.g. our stylized "Toronto Blue Jays").
- Would probably want a space below the main videoboard for sponsor information or signage.
- Additional smaller scoreboard (probably to be placed above stands on 1st base side) to display score, count, inning. This is needed for people watching from the boardwalk and berm areas. May not need to be a true "videoboard".
- LED signage above box office windows, to announce upcoming games, etc.
- Free-standing signage structure incorporating LED screens (minimum of two) for video messaging, for installation at corner of Douglas Avenue and Beltrees Avenue. Structure and screens need to be large enough to be seen from a distance (estimate that screens would need to be 8 feet by 6 feet or thereabouts)

We understand that new videoboard was recently installed in Clearwater (Phillies) and that plans are currently being developed in Lakeland (Tigers). In Toronto, we have worked with Daktronics and could ultimately assist in making contact with them.

- **Audio.** New distributed sound audio system up to current stadium standards (with separate audio zoning capabilities in the concourse area and outside the main gates). Audio software provisions for live music playback, recorded gate announcements, and routing of radio or television audio to concourse areas. Currently, Florida Auto Exchange Stadium speakers are located only on outfield scoreboard. New system would have to be able to be heard at all stadium locations.
 - Baseball press area to include two desktop-style push-to-talk microphones for the official scorer and media relations rep with the ability to page into the press area. This feed should also be available on the sound system network, and at the interconnect patch room for distribution to television and radio broadcasters.
- **Media Areas:**
 - **Press Box** - Larger press box than currently exists - require room for 50 to 60 persons and all having a view of the field. Assume this will require at least 1,600 square feet (65 x 25). *Should not be in the prime locations, as we wish to save those for fans and executives.* Could be off to one side if necessary having regard to the placement for other items. Require power, wi-fi, Ethernet and other standard hookups. Also need phone between press box and dugout.
 - Washrooms - Addition of media-only washrooms in vicinity of press box (there are none at current Florida Auto Exchange Stadium)
 - Drinks - Replace press box refrigerator/bottled beverages with soda dispenser (and associated lines),
 - **Press Toilet Rooms.** Two (1) single person washrooms (one male and one female) within the Press Box area. Total space needed is 160 square feet.
 - **Stadium and Press Box Entrances** - Dedicated media entrance/exit for media and staff at stadium and stair access to press box/press areas (currently the press has to access by walking through the public seating areas). Need to ensure ability for press to leave the facility after hours. Right now, at a certain point after the game, stadium gates are locked and for any press

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- that stay behind in the press box, there is no flexibility to allow those persons to exit the building and have a door lock behind them automatically. Providing a subway-style, exit only gate may serve the need here.
- *Access to photo/camera dugouts* – would like there to be a way for press to access photo/camera dugouts without needing to enter the field of play,
 - *Parking* - Additional parking for media is needed (see parking heading)
 - *Media Dining and Related* - Current media dining room at Florida Auto Exchange Stadium is at grade and under the stadium structure near shallow right field. *If that portion of the stadium will remain intact then we are prepared to continue to use that same space for media dining, with only very minor upgrades (e.g. paint and some new furniture, counter workstations around exterior walls and possibly some electrical and Ethernet outlets and wiring).*
 - Food could be prepared and delivered from the main concessionaire prep kitchen / commissary. Alternatively, the current media dining room does have an adjacent kitchen but it would need upgrades to make it usable.
 - *Media Work Facilities* – right now there is small media work room located on the ground floor of the offices/clubhouses building, located near Blue Jays reception. It is a little bit tight, however, we are fine with retaining that and potentially adding some work spaces to the media dining area (see prior bullet point). Should probably review the existing work room to see whether it requires some minor improvements (e.g. electrical upgrades or Ethernet).
- *Center field camera well.* Currently the main center field camera well is off center (towards LF) and too low. Would like to relocate CF cameras to a slightly higher, more centered location, similar to CF camera angles in Major League stadiums.
 - *Merchandising:*
 - Large fixed merchandise store (*Jays Shop*) – probably at minimum 3,000 square feet in a high traffic area with good visibility,
 - Storage space of at least 1,000 square feet,
 - Secondary merchandise shop on the boardwalk (800 square feet) or some reasonable substitute (e.g. substantial merch kiosk or kiosks)
 - Need a 150 square foot room for counting money and reviewing all receipts, which room needs to be equipped with a safe
 - *Paramedics.* Require a paramedics' office and appropriate space to help guests. Need about 250 square feet and needs to include 3 beds, 3 sinks and hot and cold water and 1 toilet.
 - *Customer Service.* Need a Customer Service office, with a small space for guests, located in an easily accessible area and with a view of the main concourse near the main stadium entrance. Need about 125 square feet.
 - *Food and Beverage Concessions and Related.* Increased food and beverage concessions capabilities (including upgraded commissary with easy access to elevator to second floor, upgraded preparation areas, refrigeration, etc.). Final specifics (including number and location of fixed concessions and

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

number and location of mobile units) will depend on the ultimate stadium design and layout but core needs would be:¹

- New properly ventilated and lit office space (700 to 1,000 square feet) for concession company management staff. Should be located in proximity to primary concession stands,
- Dedicated, well-ventilated preparation, cooking and storage area of at least 2,000 square feet which should include, at a minimum,
 - 225 square foot walk-in freezer (including appropriate storage racks)
 - 225 square foot walk-in refrigerator (including appropriate storage racks)
 - Large Ansel Exhaust Unit
 - Double sized ice machine
 - Eight (8) large prep tables
 - Commercial griddles, grills, fryers, warmers and impingers
 - Appropriate shelving for dry good storage
- At least two (2) large concessions stands (one on first base side and the other on 3rd base side) in the main (ground level) concourse area, with each stand having space for eight (8) points of sale and four (4) beer or fountain service spots. Both stands require food preparation area and should also include:
 - Large Ansel exhaust unit
 - Ice machine and all necessary water hook-ups
 - Sinks and associated plumbing
 - At least one 100 square foot walk-in refrigerator in each fixed concession location (including appropriate storage racks),
 - Enough space for 3 prep tables
 - Commercial griddles, grills, fryers, warmers and impingers
 - Beer and fountain drink taps, lines and equipment
- At least one (1) smaller concession stand located in the outfield (possibly behind batters eye) with space for six (6) points of sale and three (3) beer or fountain service spots. Stand requires food preparation area and should also include:
 - Large Ansel exhaust unit
 - Ice machine and all necessary water hook-ups
 - Sinks and associated plumbing
 - At least one 100 square foot walk-in refrigerator (including appropriate storage racks),
 - Enough space for 3 prep tables
 - Commercial griddles, grills, fryers, warmers and impingers
 - Beer and fountain drink taps, lines and equipment
- Large Tiki Hut (i.e. liquor, beer and non-alcoholic drink service location) located in the outfield area should be approximately 30 feet long by 10 feet wide. Should include televisions, bars and stools, refrigeration, taps, etc. Should be covered to protect staff and patrons from the elements.

¹ As designs are created we want to ensure that the concessions are being designed appropriately and in accordance with industry standards for similarly sized buildings and the specific seating and other unique elements of this facility. Listed items are minimum requirements only and should not limit what is necessary and to be included.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- Optional smaller Tiki hut located along the 3rd base left field (would need to be approximately 10 feet wide by 12.5 feet)
- Awnings for all concession stand that are exposed to the elements,
- Rubberized flooring in all concession stands,
- All necessary electrical capacity and hook-ups for fixed and mobile concessions.
- We currently have fifteen (15) temporary / mobile food and drink points of sale at Florida Auto Exchange Stadium. Will require more than that at renovated location and project plan needs to include the space for same and the units themselves.

Anticipate that stadium concepts and cost estimates will include above, along with any other elements and equipment that are in line with current-day standards.

- *Enclosed Bar / Restaurant Area with Field View ("Craft and Draft Area")*. Would like to have an air conditioned, indoor bar/ restaurant location (like in Sarasota) with a view of the field (through windows) and monitors to show the game as well. This space would provide fans with an opportunity to get out of the sun and be able to eat and drink. Would probably need about 2,400 square feet and it would contain a bar, high top tables and high chairs. Would not have kitchen facilities attached. Instead simple food items would be prepared in main floor concessions / commissary spaces. Small pantry with refrigeration would be attached to the area (approximately 120 square feet). Goal is to be able to hold about 80 people. On non-game days the area could be used for group events or meetings. *Would like to see if it could be located near the upper part of the building on the 1st or 3rd base side (past any suites).*
 - If being built behind a seating section and additional deck needed in order to finish off the area then the additional deck area need not be enclosed or air conditioned (i.e. there could be an adjacent outdoor area of approximately 1,700 square feet that is accessible from the Craft & Draft area and/or seating bowl). Will allow for future expansion and/or modification.
- *Visitor's Clubhouse and Related*. New visitor's clubhouse of approximately 3,600 square feet total. Should be a very basic clubhouse, including:
 - Better lighting, appropriate flooring, water fountains,
 - Manager's office / locker room of approximately 200 square feet with room for a desk, locker, and a few chairs
 - Coaches locker room with space for 8 lockers (approx. 350 square feet for the locker room and approx. 200 sf for the washroom (hope to accommodate 5 showers, 3 sinks, 2 toilets and urinal)
 - Players Locker Room (all new basic lockers with chairs) with 30-35 lockers, and counter space for food and baseball equipment (approx. 1,600 sq. ft.)
 - Players washroom/showers with 5 sinks, 3 urinals, 4 toilets and 10 shower heads (approx. 550 square feet)
 - 200-square foot laundry room including 2 commercial washing machines, 2 commercial dryers and storage area (along with associated power, plumbing and drainage),
 - Small kitchen (100 square feet) with fridges, oven and counter space for Clubhouse attendant to prepare food,
 - Adequate power outlets for players and staff to plug in phones and tablets, and
 - Training area with 3 training tables, a wet area with above-ground stand-alone hot and cold tubs, counter space for use of trainers' equipment and supplies (approx. 400 square feet).

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- **Umpire's room.** Upgraded umpire's room, with locker area approximately 15 feet x 20 feet in size (total of about 300 square feet), optimally located next to visitor's clubhouse (could be in same building if visitor's clubhouse requires a new building). Some of the specifics include:
 - 4 lockers, 4 locker chairs, and a table with 4 chairs for umpires to use for meals
 - Bathroom with 2 shower heads, 2 sinks, 1 toilet and 1 urinal (need about 180 square feet for that)
 - AC, Cable TV, and Phone
- **Staff locker room and Lunch Room.** Game day staff locker room, washrooms and lunchroom needed. Anticipate that the locker room portion would require about 400 square feet and the eating area would need about 500 square feet. Another 300 square feet needed for washroom area.
 - Would like to find a way to allow the space to be unisex (for example, there would be a single small "locker" room, perhaps with just open storage, along with 3 or 4 adjacent small private areas of 10 feet x 5 feet, each with a toilet, sink, bench and mirror for people to change in). Does not matter where exactly within the stadium this space is located, except that it should not be within the office / clubhouse area.

If space permits, could be placed within same building that incorporates visitor clubhouse.
- **Green Room / Female Locker Room.** Would like a small additional space, with associated washroom/shower, capable of housing 5 people. Could be used for women attending fantasy camp and other similar uses. Would need about 500 square feet (180 SF for toilet/shower and 320 SF for the locker room). If new building needed for visitor clubhouse (above), this space could be in the same building, space permitting.
- **Grounds crew / Maintenance areas.**
 - Need approximately 2,000 square feet of indoor space for shed storage, maintenance equipment, repair and maintenance of equipment, and commercial washer and dryer. Requires at least 1 large garage door, so that golf carts, lawnmowers, etc and get in and out. Needs to be heated/air conditioned and have hot and cold water service, sinks, etc.
 - Need an additional 800 square feet of work space, to include 1 work office (100 square feet), a locker and lounge area (400 square feet, including 8 lockers), a washroom area with 2 showers, 1 toilet, 1 urinal and 2 sinks (200 square feet). Heated and air conditioned.
 - Need 1,000 square feet of exterior storage space for dirt, fertilizer etc. Will need to include 4 concrete openings (open at top and front) of about 10 x 10 each to hold supplies.
- **Public Parking.** Significantly increased public parking capacity (controlled by Club). Currently have only 210 guest parking spots for sale and would want as much as possible (whether at ground level or in some kind of parking structure)
- **Security Access.**
 - Automated security access controls (not only for offices, but also for the parking gate). One possibility is to have the same system in place at the main stadium offices and clubhouse and the Solon Avenue training facility. Further, the Florida systems should probably be the same as those used in Toronto, so that Toronto staff can utilize a single pass set up for both locations. If

Exhibit "C" **Improvements**

Ver. 3.0 - As of September 9, 2016

necessary, we can assist with the specs, but the costs needed to be included in the cost estimates for this project.

- Many doors at the stadium and office building use key locks (e.g. concession stand doors, individual offices, and individual suites). We assume that this will remain so, however, upgraded lock and key system would need to be installed.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

Douglas Avenue Clubhouse and Office Space Review and Upgrades

N.B. Under this current plan, the intention is that the stadium and related offices/clubhouse spaces would be used only for Spring Training game days (and Florida State League games). Therefore, we are recommending that the existing office / clubhouse building not be materially renovated in any way. That said, we do think that there will need to be some review of the building and its roof, structure, walls, electrical, HVAC, and plumbing and other similar systems and components and those upgrades as are necessary to that the building is both safe and serviceable over the long term. We would ask that the review and upgrades be recognized in the project scope and cost.

Other/Exterior

- **Main Stadium Playing Field.** If retaining existing field / footprint, redo the grading of the field and playing surface to allow for proper drainage (currently our stadium slopes approx. 3 feet from the outfield to home plate).
 - Stadium dimensions should be the same as *Rogers Centre* in Toronto.
 - Outfield wall pads need to set at same height at *Rogers Centre*
 - Distance measurements should be marked in same place/manner as *Rogers Centre* outfield.
- **Half Field.** There are currently two (2) half fields (one to the North of the stadium and one to the South). *Only need one (1) half field ultimately and would suggest that we retain the one to the south (closest to clubhouse building).* The retained half field does not need to be upgraded.
- **Visiting Batting Tunnels.** There are currently 2 batting tunnels for visiting team use. *If space allows, we will still need 2 basic covered batting tunnels for visiting team use. New or upgraded lighting necessary.* Could just be placed under the boardwalk or next to the grounds crew area.
- **Blue Jays Batting Tunnels.** Right now Florida Auto Exchange Stadium has 3 covered batting tunnels for Blue Jays use. Desire is just to retain those batting tunnels. *No additions or renovations necessary.*
- **Baseball Operations' Robotic Cameras and Wiring.** In other portions of this document we have indicated that there will be a need to wire the stadium for TV, radio, feeds, and, of course, all ordinary clubhouse/office needs (phone, internet, cable, etc.). The larger plan needs to ensure that all appropriate areas are interconnected and all designs and costings should take that into account. In addition, to the aforementioned needs we would require the following for Baseball Operations purposes.
 - Install High Definition, robotic, remotely operated Pan-Tilt-Zoom (PTZ) cameras (and associated conduit and wiring) to permit recording and remote viewing of activities at the Major League stadium. Would include:
 - One (1) permanent camera installation in centerfield
 - Ability to set up three (3) temporary "clamped" locations (along home plate, along 1B line, and along 3B line).
 - Minimum of six (6) additional cameras (not permanently affixed) in order to be able to install at any and all of the following six (6) locations: high home plate, low home,

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

center field, 2 at 1B side (open side hitter and catcher), 2 at 3B side (open side hitter and catcher).

- All cameras and feeds should be able to be remotely controlled from a central locations (both stadium and complex video rooms), and available for viewing on web-based viewing software, as well as main video room servers.
- All robotic cameras should be 1080i High Definition as mentioned above, with full HD frame-rate recording. (29.97fps), along with Iris, black level, ND filter and paint controls. These cameras will shoot in a number of conditions from full daylight, to overcast, to night under sports lighting. "Security grade" cameras are not sufficient.

Assuming this would involve installing conduit and cabling to permit feeds to terminate at some central server or other room at the building. As with the stadium, any and all wiring, conduit, etc. needs to be to high standards and below ground to ensure not affected by weather. It needs to be run to appropriate server rooms, etc. Costs and room sizes for server rooms should reflect that.

- **Security Cameras.** Install security cameras around exterior and interior of the stadium (Blue Jays can assist with more specifics when appropriate, as there is some experience with these in Toronto)
- **Team parking.** Currently, the secured lot has 101 spots. *There is no need to add parking to this lot, since the stadium will be for game-day use only.*
- **Grounds Crew and Media Parking.** Add 10 or more parking spots to the grounds crew/ media / visiting team parking on the North side of the stadium
 - There are 36 spots on the north side of the building for grounds crew/media/visiting team parking, so new total would be 46 or more.
- **Broadcast Truck Parking and Power.** Ensure ample space to park and hook up broadcast trucks (at least 2 per game) (approx. 64'x24' footprint each). As noted above, would want to be located close to built-in pre-wired television cabling interconnections. Ensure a minimum of two (2) 400-amp, 208V, 3ph or four (4) 200-amp, 208V, 3ph electrical services for Broadcast Trucks. These services should be cam-lok series J compatible connections, with local disconnects.
- **Backup Power.** Require backup power generator and associated infrastructure for data and emergency power systems. Assume at least 100 KV required.

SOLON AVENUE SITE (COMPLEX SITE)

Current plan seeks to create a state-of-the-art Major and Minor League training complex at the Solon Avenue site, by using all of the property that is currently in use for the team's minor league complex and fields PLUS certain property to the North (which is presently occupied primarily by a City-owned park, softball fields and associated parking).

While existing field layouts and orientations should be preserved to the extent possible (in order to avoid unnecessary costs), consideration should be given to constructing the new training complex building (and related field house / batting tunnel building) on land that is currently occupied by a field, if doing so would result in the best and most functional use of the property.

At a very high level (i.e. site plan level), the current plan would result in a clubhouse building (i.e. not including batting tunnels / field house) with training facilities on the main floor and offices on the second floor, 4 and ½ fields for Minor League use, 2 ½ fields for Major League use, 1 open air agility field for Minor League use, 1 covered agility field (turfed) for Major League use, 1 inclined agility field for shared Major / Minor League use, 13 batting tunnels (either combined in a single large structure, or split with 8 Minor League and 5 Major League), 10 ½ Minor League gang mounds and 8 ½ Major League gang mounds.

Fields and Exterior Areas

- **Four (4) Full Fields Minor League use.** Require four (4) full fields for Minor League use. Although the site already has fields, due to subsoil and other issues, at least two (2) would likely have to be moved and would have to be dug down to a significant depth and basically redone from scratch (because the move and/or subsoil issues may require the installation of a geogrid, compaction or other forms of remediation). The other two (2) are anticipated to require substantial work, even if slightly less than the first two (2).
 - Each field should have four (4) bullpen mounds (2 home, 2 visitor) associated with it
 - Each field should have two (2) dugouts
 - Each field should have a "batters eye"
 - Each field should have a scoreboard
 - Each field requires outfield wall fence (as opposed to padding)
 - **Security and Special Fencing.** It is possible that we would consider turning 2 or 3 of these Minor League fields over to the City between April and November each year. For that reason, site should be designed so that there is some parking and access to these fields from a spot that is separate from the clubhouse and team parking area. Also, would need to design site in such a way that there is a flexible fencing system allowing the clubhouse, batting tunnels, gang mounds, agility fields, team parking and all "team only" fields to be fenced off from the areas turned over to the City.
 - **Lighting.** The City has indicated that it would like to have lighting on the fields it will use (likely 2 fields). Although such lighting is not required for Blue Jays uses, at this time design and cost estimates should assume that two (2) of the Minor League fields will be lit. Lighting does not need to be to Major League Baseball broadcast standards and existing lighting infrastructure should be used as much as possible.
- **Viewing Tower.** New viewing tower with shading and views of as many Minor League fields as possible (will depend on site design).

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- *Observation Area* - Would like tower to be shorter than the standard minor league viewing tower (about 12 feet from ground to floor of observation area). Need power outlets and wi-fi access from observation area. Counter / ledge surrounding observation area should be wide enough to use as work space. If possible, optional enclosure (not permanent) through sliding glass windows or screens to shield wind for phone calls would be nice to have.
- *Storage and Training Area* - Desire for there to be an *air conditioned storage and training area incorporated into the base of the viewing tower*, which would include:
 - 150 square foot storage space
 - Electricity
 - Filtered water spigot (and space to fill coolers and bottles)
 - Racks for coolers
 - Refrigerator
 - Ice Machine
 - Small private (i.e. walls and door, but very small) "Satellite Training Area" with space for at least 1 trainers table
- *Public Washrooms*. Require public washrooms in base of tower. Men's would include at least 2 toilets, 2 urinals and 2 sinks. Women's would include at least 2 toilets and 2 sinks. As with all washrooms, would need to meet applicable codes and other regulations.
- *Concessions*. Also require small concessions stand to be located within the base of the viewing tower, including:
 - Refrigerator, impinger, grill, water and fountain soda unit and lines, and 2 points of sale
 - All necessary wiring, plumbing, drainage, venting, etc
- *Charting Tables behind home plate of each field*. Seating and small charting tables behind home plate of each field. Want to be able to ensure that those are shaded in some way (but without restricting ability of people to view from the tower, etc.).
- *One (1) "Half Field" for Minor League Use*. Require a "half field" for Minor League use. As with the full Minor League fields, might be turned over to the City for portion of the year so that should be taken into account in site design. Would like this half field to be artificial turf so that it dries quickly after rain. The site design may allow the current half field (which is artificial turf) to remain intact.
- *Covered Indoor Batting Tunnel Structure with eight (8) tunnels for Minor League Use*. Structure should be well lit with high ceilings. Full mounds should be installed in each of the 8 tunnels to allow for indoor bullpen sessions in rain. Should have extra room around perimeter in order to accommodate benches, side work areas, and storage within caged space. Would like netting to be on pulleys to pull back manually as desired (believe the Tigers have implemented such a system in Lakeland). Require small video area integrated into batting tunnel structure.
 - Does not have to be air conditioned, but would like to ensure that there is adequate ventilation and fan system to ensure comfortable environment
 - N.B. - The Major (5) and Minor League (8) batting tunnels can be combined in one larger structure, depending on available site space. If the batting tunnels are combined into one larger structure, then only one video area is needed.
- *Four (4) Outdoor Batting Tunnels for Minor League Use*. These outdoor tunnels should be placed near the Minor League fields with easy access from the fields. Would like these to be split into two (2) sets of 2 tunnels.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- *Ten (10) gang mounds plus one (1) "half mound" for Minor League Use.*
 - 10 full mounds could be placed together or split 5 and 5.
 - The half mound (i.e. shorter mound with more gradual incline, used for rehab work) should be built in line with the full mounds.
 - Area between mounds and plates should be artificial turf to ease upkeep.
- *One (1) Open Air Agility Field for Minor League Use.*
 - Must be approximately 50 yards long x 26 yards wide and would like artificial turf for this field so that dries quickly after rain and to hold up better to heavy use.
 - *Tartan Track and Sand Pit.* Would like track-and-field style "Tartan Track" rubberized running lane (approx. 40 yards long and 3 yards wide) for sprints with a standard-sized sand pit (roughly 10 yards x 3 yards) at the end of the lane. These can be placed along one side of the open air agility field.
- *Two (2) Full Fields Major League Use.* Require two (2) full fields for Major League use. Anticipate that any fields would have to be dug down to a significant depth and basically done from scratch (as there are subsoil issues that may require compaction or other forms of remediation). *These two fields will always be exclusively under team control and should be located close to clubhouse.*
 - Each field should have four (4) bullpen mounds associated with it
 - Each field should have two (2) dugouts
 - Each field should have a scoreboard
 - Each field should have a "batters eye"
 - Each field requires outfield wall padding (as opposed to basic standard fencing)
 - *Replica of Rogers Centre.* One (1) of the Major League fields should replicate the dimensions of *Rogers Centre*, including identical field dimensions, wall heights and outfield measurements marked in the same locations and fashion as they are at *Rogers Centre*. This field should also be artificial turf, with dirt infield, to dry quickly after the rain and better replicate *Rogers Centre*.
 - *Lighting.* Only 1 of the 2 Major League fields (the field with *Rogers Centre* dimensions) requires lighting.
- *One (1) "Half Field" for Major League Use.* Require a "half field" for Major League use. Will always be exclusively under team control and should be located close to clubhouse. Would like this half field to have artificial turf center with dirt infield to replicate *Rogers Centre* conditions.
- *Covered Indoor Batting Tunnel structure with Five (5) tunnels for Major League Use.* Structure should be well lit with high ceilings. Full mounds should be installed in each of the 8 tunnels to allow for indoor bullpen sessions in rain. Should have extra room around perimeter in order to accommodate benches, side work areas, and storage within caged space. Would like netting to be on pulleys to pull back manually as desired (believe the Tigers have implemented such a system in Lakeland). Require small video area integrated into batting tunnel structure.
 - Does not have to be air conditioned, but would like to ensure that there is adequate ventilation and fan system to ensure comfortable environment
 - N.B. - The Major (5) and Minor League (8) batting tunnels can be combined in one larger structure, depending on available site space. If the batting tunnels are combined into one larger structure, then only one video area is needed.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- **Eight (8) gang mounds plus one (1) "half mound" for Major League Use.**
 - The half mound (i.e. shorter mound with more gradual incline) should be built in line with the full mounds.
 - Area between mounds and plates should be artificial turf to ease upkeep.
- **One (1) Covered Agility Field for Major League Use.**
 - This agility field should be roughly 50 yards long x 26 yards wide
 - Field needs to be covered with artificial turf
 - *It should be enclosed on two (2) of the four (4) sides, and have a very high roof / ceiling – in order to permit long toss and other drills during rain*
 - While the two (2) open sides will allow some natural light, additional lighting will be required
 - Would like there to be water fountain / bottle filling station in this structure
- **One (1) Inclined Agility Field for Shared Major League and Minor League Use.** Require grass hill with incline of 6 to 8 degrees. Running area should be about 55 yards long by about 5.5 yards wide (however, if there is space to accommodate, we would like it to be even longer – up to 100 yards). Can be located near Major League fields but would be used by both Major and Minor League teams.
- **Protective Netting.** Depending on site layout, anticipate that there will be protective netting needs in many areas (particularly to shield homes, roads and other adjacent properties in the neighborhood from batted balls, particularly as on north side of the property). Protective netting should also shield any publicly accessible fan areas, as well as parking areas. If possible, netting should be designed to as to collect baseballs for later retrieval and reuse.
- **Grounds Crew.** Would prefer to have one (1) large building that incorporates all of the necessary spaces and amenities for grounds crew / maintenance purposes. Would need to include, at a minimum, the following:
 - **Main Maintenance and Repair Space.** Need an indoor space around 3,500 square feet to house:
 - Should include three (3) small (100 square foot) offices for repair and maintenance staff
 - Should include a locker room, lounge and washroom space for 15 people (estimating total of 500 square feet for both). Should have 3 showers, 2 toilets, 2 urinals and 3 sinks.
 - Large open space (2,700 square feet) with concrete floor, suitable for repair and maintenance of golf carts, mowers, and other equipment and storage of same
 - Requires minimum of 9,000 pound equipment lift
 - One or two large garage doors for access, along with regular door
 - Minimum of four (4) work benches and shelving along exterior walls
 - Require 1 industrial washer and 1 industrial dryer in this space (and associated power, plumbing and drainage)
 - Needs to be able to be used to store power equipment (mowers, lifts, packers, golf carts etc.).
 - Requires both standard and 220 volt power receptacles
 - Needs to have heat and A/C, as well as hot and cold running water and sinks
 - **Secondary Storage Shed.** Require one (1) separate secondary shed of 500 square feet to store supplies and small equipment.
 - Concrete floor
 - Requires minimum of 9,000 pound equipment lift

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- One garage door and one regular door
- Shelving along exterior walls
- Requires both standard and 220 volt power receptacles
- Needs to have heat and A/C, as well as hot and cold running water and sinks
- *Exterior storage space.* 1,200 square feet with concrete dividers (to create at least 4 discrete spaces for dirt, fertilizer, propane etc.
- *Baseball Operations' Robotic Cameras and Wiring.*
 - Install High Definition, robotic, remotely operated Pan-Tilt-Zoom (PTZ) cameras (and associated conduit and wiring) to permit recording and remote viewing of activities on all full Major League and Minor League fields. Would want the following at all of the full fields:
 - One (1) permanent camera installation in centerfield
 - Ability to set up three (3) temporary "clamped" locations (along home plate, along 1B line, and along 3B line). Each "clamped" location should be able to accommodate more than one camera.
 - Conduits and cabling for temporary "clamped" installation of high definition, portable, robotic, remotely operated PTZ cameras in all indoor batting cages and at all gang mounds.
 - All cameras and feeds should be able to be remotely controlled from a central locations (both stadium and complex video rooms), and available for viewing on web-based viewing software, as well as main video room servers.
 - All robotic cameras should be 1080i High Definition as mentioned above, with full HD frame rate recording. (29.97fps), along with Iris, black level, ND filter and paint controls. These cameras will shoot in a number of conditions from full daylight, to overcast, to night under sports lighting. "Security grade" cameras are not sufficient. Require minimum of twenty (20) cameras.

Assuming this would involve installing conduit and cabling to permit feeds to terminate at some central server or other room at the building. As with the stadium, any and all wiring, conduit, etc. needs to be to high standards and below ground to ensure not affected by weather. It needs to be run to appropriate server rooms, etc. Costs should reflect that.

- *Staff/Player Parking (350 spots).* Require secured, paved parking for approximately three hundred and fifty (350) vehicles (for team staff and players). Needs to be located close to clubhouse building.
 - Possible that it could be divided into a lot for 150 (for Major League players, staff and executives, located closest to clubhouse) and a further lot for 200 (for Minor League players and staff). Want to ensure Major League team always has parking.
 - Would need small security hut for guard to sit indoor with electrical power.
- *Public./ Overflow Parking (150 spots).* Parking for 150 located elsewhere on the property (possibly on exterior edge of property close to those of the Minor League fields which the City and/or community may have use of). This parking can just be basic grass parking.
- *Security and Access Control.*
 - Require appropriate security fencing for the site (some existing may be re-usable and other areas will require new, for example, where new fields are installed), along with a parking gate at the entrance to staff parking and a shed for security to sit in at the staff parking entrance.
 - Will require automated security access controls (not only for offices, but also for the parking gate). *One possibility is to have the same system in place at the main stadium offices and*

clubhouse and the Solon Avenue training facility. Further, the Florida systems should probably be the same as those used in Toronto, so that Toronto staff can utilize a single pass set up for both locations. If necessary, we can assist with the specs, but the costs needed to be included in the cost estimates for this project.

- Assume that a number of doors and spaces at the complex will use key locks (e.g. concession stand door, individual offices, etc). Require modern, secure lock and key system.
 - *Security cameras.* Would want new surveillance cameras to be able to view the parking areas, main fields, as well as the interior and exterior of the clubhouse building.
- *Backup Power.* Require backup power generator and associated infrastructure for data and emergency power systems. Assume at least 250 KV required.

Joint Major / Minor League Offices and Reception

We anticipate that all offices will be located on the second floor of the clubhouse building and that the offices will open onto a covered balcony with a view of at least one of the Major League fields. Would be useful for balcony to view one Major and one Minor League field.

Will need some kind of joint ground floor reception area for the clubhouses and offices. Would want it to contain some built-in display cases.

Shared Spaces

- *Reception area.* Approximately 200 square foot reception area on second floor to serve offices.
- *Boardroom.* Require one large boardroom of approximately 615 square feet (38.8 feet long x 15.8 feet wide) that can accommodate a table with seating for twenty two (22) persons. Should include a small kitchenette area (sink, water, bar fridge, counter, cupboards).
- *Flexible Multi-Purpose Room.* Room would be approximately 800 square feet and would constitute "flex" space for various meeting, training, treatment and other needs. Room should be equipped with small, wheeled tables (approx. 2 feet x 3 feet) that can be aligned to create larger tables for meetings, configured in a variety of ways or moved/removed as necessary. Would prefer that this room be located in a spot that has relatively easy access to the clubhouse (even though this room will be on the second floor).
- *Open Office Space.* Require two (2) separate open office spaces (aka "bullpen" spaces) of approximately 450 square feet each (total of 900 square feet), with each space intended to accommodate multiple desks/cubicles. This open office space will be used by various staff members from Baseball Operations, Communications, Marketing, Player Relations, IT and other departments as necessary.
- *IT Workspace.* IT must have a separate work space of approximately 300 square feet, with storage for excess equipment and room for 2-4 employees to work comfortably. Would prefer this workspace to be physically separated in some fashion from other offices.
- *Server Room.* For safety reasons (e.g. floods), would want on second floor.
- *Kitchen and Eating Area.* Require a 300 square foot kitchen/eating area serving the offices. This area should include a sink, dishwasher, refrigerator, microwave, etc.
- *Copy Room.* Require a copy/office supply room of about 150 square feet.
- *Men's and Women's Washrooms.* Require 1 large set of washrooms for each gender serving the offices. Assume we will require 150 square feet for each bathroom (or, alternatively, could do 2 smaller washrooms for each of men and women).
- *Janitor's Closet.* 1 janitor's closet of approximately 100 square feet for equipment and supply storage.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- *Player Shoot Room.* For 3 to 4 weeks of Spring Training we require a room in which to be able to shoot audio / visual footage of players (e.g. throwing, jumping and batting action, interviews, and other content). Room needs to be 25 feet x 40 ft (1,000 square feet) and ceiling height of at least 13 feet. *This room can be on second floor and must be physically separate from weight room (to ensure that noise and music from weight room is not heard within this space), but also needs to be relatively easily accessible to/ from the Major League clubhouse.* Minimum lighting power service inside the shooting space should be 200A, 208V, 3ph with local disconnect and cam-loc J series connectors or equivalent. Should have acoustical tiles on the ceiling. Air conditioning for this space should have acoustical dampers, and a local thermostat control so it can be turned off during filming to ensure fan-coil cannot be heard. Outside of Spring Training, may want to repurpose the room as overflow meeting space, so it would be good to have means to divide room in two (and could include movable tables on wheels, etc.)

Major League Operations Offices

- *Covered Office Balcony with Field View.* Require an office balcony with roof and view of closest Major League field(s) and, potentially, some of the gang mounds (depends on final site layout).
- *Reception and office spaces:*
 - 2 "double" (i.e. larger than standard) private offices (each of approximately 250 square feet) with balcony access and room for desk and small table for small meetings
 - Reception area of approximately 250 square feet near at least 2 of the "double" offices
 - 7 "single" private offices with or without balcony access (150 square feet each)
 - 3 "single" private offices with or without balcony access (100 square feet each)
 - 1 large "open" (aka "bullpen") office space (approximately 450 - 550 square feet) (with wrap-around working counter and sufficient space for 4 desks).
 - 1 smaller "open" (aka "bullpen") space (approx. 275 square feet) without balcony access with room for 2-3 desks.

Minor League Operations Offices

- *Covered Office Balcony with Field View.* Require an office balcony with roof and view of closest Minor League field(s) and, potentially, some of the gang mounds (depends on final site layout). This would be the same balcony as the one serving the Major League offices, but probably just on a different side of the building.
- *Office Spaces.*
 - 1 "double" (i.e. larger than standard) private office (approximately 250 square feet) with balcony access and room for a main desk and small table for small meetings.
 - 3 "single" private offices with or without balcony access (150 square feet each).
 - 1 "single" private offices with or without balcony access (100 square feet each).
 - 1 large "open" (aka "bullpen") office (approximately 400 square feet) with room for 6 desks.
- *File storage room.* Require 150 square feet.

Florida Operations Offices

- *Office Spaces.*
 - 1 "double" (i.e. larger than standard) private office (of approximately 250 square feet) with balcony access and room for desk and small table for small meetings.
 - 2 "single" private offices with or without balcony access (150 square feet each).
 - 1 "single" private office with or without balcony access (100 square feet)
 - 1 "bullpen" office (approximately 250 square feet) with room for 2 desks.

Joint Major / Minor League Clubhouse Spaces

Assumption is that all of the player and coaching-related spaces will be on the main floor of the Clubhouse building unless otherwise noted.

- **Reception.** Area of about 300 square feet or more at front entrance to serve as reception for entire clubhouse / office building. Would want it to contain some built-in display cases.
- **Blue Jays Communications Staff, Media Workspace and Related.** Require an area within which Blue Jays communications staff would work, adjacent to a media workspace and related spaces. Specifically:
 - 1 "single" private office (150 square feet each) for Blue Jays communications staff
 - 1 "single" private office (100 square feet each) for Blue Jays communications staff
 - 1 large private space for Blue Jays communications staff (approx. 300 square feet) with room for 3-4 desks.
 - Adjacent to the Blue Jays media relations staff offices, we require approximately 700 square feet of room for media members to work and eat. Although located within the building footprint, this room should be totally separated from clubhouses and main Blue Jays offices, with its own entrance / exit. Counters should line the outside of the room to provide work space (with appropriate electrical, internet and other connections). Media workspace should include small copy/supplies area (about 100 square feet of total area).
 - Require 2 interview rooms of approximately 100 square feet each, connected and immediately adjacent to the media workspace.
- **Shared Weight Room.** The weight room will be shared by both Major and Minor League players/staff, and need to be located in close proximity to both Major and Minor League Athletic Training/Treatment areas (probably directly in between).
 - Require 10,000 square feet of main floor interior space with rubberized flooring. Must include power and internet connections throughout weight room, camera conduits in a section, screens for programming and feedback at all workout stations (i.e. cardio), and all other necessary cabling, conduit and other infrastructure for future technological upgrades.
 - Extra high ceilings – the interior space should be at a height of at least 2 stories.
 - A 2nd floor "cardio loft" overlooking the main floor (loft should be about 700 square feet).
 - An additional dedicated rehabilitation area of approximately 1,000 square feet with training / massage tables, machines, etc. attached to the weight area
 - An additional 225 square foot (15 foot x 15 foot) secure storage room attached to the weight area (including shelving) for storage excess equipment/supplies.
 - An additional exterior space of at least 2,700 square feet (90 feet x 30 feet), separated from the main weight room by one or more a glass/clear garage doors, with field turf and an all-weather awning or roof to protect from the elements.
 - Exterior wall located within this exterior space should be steel-reinforced "medicine ball wall" (i.e. wall has to be strong enough to withstand repetitive impact from medicine balls).
 - An additional smaller outdoor storage area (adjacent to exterior workout space) of approximately 250 square feet with small lockable container for storage of exterior workout materials.

Ver. 3.0 - As of September 9, 2016

- *Shared Hydrotherapy Room.* The hydrotherapy room will be shared by both Major and Minor League players/staff, and need to be located in close proximity to both Major and Minor League Athletic Training/Treatment areas (probably directly in between). Require 1,400 square foot room with proper ventilation, plumbing, etc. Room will include at the following at minimum:
 - Hydroworx therapy pool system, with variable depth, underwater treadmill, and built-in cameras. This pool should be in the center of the room.
 - 4 in-ground Hydroworx plunge pools (2 hot, 2 cold). Two (2) plunge pools (1 each hot and cold) should be placed on either side of the therapy pool, so that Major and Minor league each has access to its own pair of plunge pools.
 - 2 CET Team Cryospa tubs with hot and cold functionality.
 - 2 small stainless steel tubs (for extremities). Would need to be located near water source / plumbing.
 - 2 ice machines (1 cube and 1 pellet). Again, requires water source.
 - Small bathroom area with urinal, sink and shower. Could be enclosed by curtain or partial wall.
- *Yoga Studio.* One (1) room of 800 square feet, with wooden floors and mirrors on walls for possible use as yoga studio. This room must be in proximity to and easily accessed from weight room and training areas.
- *Large, Subdivisible Multi-Purpose Room.* This room would be approximately 1,000 square feet and would have dividers to permit it to be subdivided into 2 to 4 smaller rooms (each would need its own doorway access to the hall). Intent is to have a very flexible space that can accommodate multiple needs simultaneously. On one day, there might be a large meeting. On another, one of the smaller spaces might be used for cognitive training or grappling. This large multipurpose room should also be equipped with small, wheeled tables that can be aligned to create larger tables for meetings, configured in a variety of ways or moved/removed as necessary.
- *Second, Subdivisible Multi-Purpose Room.* "Flexible" space of 1000 square feet to be used for various training, treatment and other varying needs. Should be divisible for possible use as smaller conference rooms as and when required, and should be equipped with small, wheeled tables that can be aligned for meetings or moved/removed as necessary.
- *Sports Science Lab.* Require dedicated space of approximately 700 square feet (approx. 26.5 feet x 26.5 feet) with power outlets, internet connections and conduits / wiring, for data, video, etc throughout (we anticipate having cameras installed in this space at some point). Desire is for the space to in a built-in force measurement platform (pad that measures downward force, such as from jumps).

 - Counter top including lower storage.

- **Shared Video Room and Office.**
 - Require single shared Major/Minor league video room of approximately 600 square feet. Should include divider in middle of room, in case separation between Major and Minor league personnel is desired. Clubhouse and Training Spaces for Exclusive Use of Major Leaguers

- **Major League Locker Room and Washroom. Requirements:**
 - 2,800 square foot main locker room area.
 - 80 new, high quality "permanent" lockers (with proper ventilation, integrated power outlets, etc.). Lockers should be around room exterior so that center has room for comfortable movement and with some built-in counters/tables, sunscreen station, televisions and other features. Lockers can be extra tall (like in Padres locker room in Peoria) given the extra high ceilings in the space.
 - 2 lounge areas in center of clubhouse with couches, tables, etc.
 - High ceilings (about 22 feet) with windows to allow natural light above lockers (similar to Padres locker room in Peoria, except also want to be able to darken the room when needed, which isn't possible in Peoria).
 - Additional 1,200 square foot restroom/shower area with at least 6 urinals, 6 toilets, 18 showers and 8 sinks.
 - Although doesn't have to follow a football shape, that would be fine, provided that the ends of the room are not coming to a point (making those ends unusable).

- **Janitor's Closet.** 1 janitor's closet of approximately 100 square feet for equipment and supply storage.

- **Athletic Training/Therapy Areas.** Athletic training/therapy area must adjacent to the joint hydrotherapy space in the building and weight room, with ability to view into each.
 - Approximately 1,400 square feet of primary training space.
 - 8 hi low treatment tables included in the training space.
 - Would like to ensure there are high (12 foot) ceilings, making the space comfortable.
 - **Trainers' Offices.**
 - Require one (1) "single" office of about 150 square feet
 - Require larger communal office to accommodate 8-10 staff members. Likely requires a total of about 350 square feet. All Major League trainers and strength/conditioning coaches will be based in this area; as such, requires a view of the training area and easy access to the weight room. Need extensive cabinets and wraparound counter work space with ample electric outlets, internet access, etc. Would like ability to use entire walls as white board writing space.
 - **Massage therapy/chiropractic room.** Need room of approximately 150 square feet for use by team massage therapists and chiropractors.
 - Additional secure storage room of approximately 150 square feet (doesn't necessarily have to be within the central training area but should be accessible from it).

- **Coaches' Work Room.** Should be about 650 square feet with a large table in the center and work stations (counters) around the sides of the room. Must be connected to Coaches' Locker Room, and potentially Manager's Office. Should include copier and several televisions.

- **Coaches' Locker Room.** Require:
 - 900 square feet for locker room and including small lounge area within the locker room with couches, a table, etc.,

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- 30 lockers with integrated power outlets, and
- Enough washroom space for 3 toilets, 4 urinals, 8 showers, and 4 sinks (about 450 square feet).
- *Manager's Office.* Should be about 200 square feet plus adjoining private bathroom / shower of approximately 75 square feet. Optimally, this room will connect directly to the Coaches' Work Room.
- *Family Waiting Room.* Should be about 200 square feet, with separate entrance removed from clubhouse/training facilities. Preference would be for this space to be accessed directly from the main floor reception area.
- *Staff / Executive Locker Room.* Would like to have a locker room (approx. 575 square feet) and shower/washroom space (approx. 225 square feet) for use by clubhouse staff and team executives, accommodating 30 persons/lockers. Locker area should have wooden, ventilated lockers with integrated power outlets. Washroom should have at least 2 urinals, 2 toilets, 6 showers and 3 sinks.
- *Laundry.*
 - Main room size should be about 600 square feet,
 - Four (4) commercial washers and four (4) commercial dryers,
 - One (1) residential washer, and
 - One (1) sink and large table for folding.
- *Equipment Room / Equipment Storage / Offices.*
 - Require 2,000 square feet for equipment storage, at least partly divided, so it's really two spaces rather than one single large room. Within the 2,000 square foot area:
 - Want to devote a portion of storage space as a kind of "cage" of "subspace" that can be locked (approximately 250 square feet).
 - Want to include a pooled office area of about 150 square feet for 2 or 3 people. Should have counter built in around at least one exterior wall.
 - Require garage door/loading space to exterior of main floor equipment room -- with direct access to parking lot/driveway. *Loading space for Major League equipment area needs to be physically separate from the loading space for the Minor League equipment area, so that if there was load-in or load-out happening on the same day, they would not affect one another.*
 - Want the equipment area to include large accordion-style shelving system on tracks (with ability to move and also to lock in place) for more efficient storage and access to equipment.
 - Require additional ball storage room of 175 square feet with shelving in the room. This room needs to have direct access to the outdoors, in a location with a convenient path to the Major League fields.

Exhibit "C" Improvements

- Optimally, would like to have garage door or other large access directly from the exterior of the building into the kitchen and the kitchen storage room, so that items can be loaded directly from vehicles. Would also want built-in floor to ceiling shelving in storage room.
- **Dining Room.** Require 1,100 square feet for a dining room (eating area). Must be connected to the kitchen /service counter in a functional way. Lunch room should probably occupy as space that is relatively accessible from / to the office areas of the building (as players may need to go up to the offices and/or team staff may need to come down).
 - **Nutrition area.** Want a portion of the lunch room space to include counters and cabinet space to be used as a "nutrition area", including supplements, nutrition bars, juice bar, smoothie station with blenders, etc
 - **Outdoor Eating Area.** Would like an additional outdoor patio eating area with picnic tables. Preferably this space will include some shade and be about 300 to 400 square feet. Depending on final building design, we recognize that the space may be larger than we need for this. If so, we would not want to finish the entirety of the larger space for the purpose of eating (we likely would want to leave unfinished or use for some other purpose).
- **Additional storage.** Would like to ensure that we have an additional storage space / room of approximately 250 square Major League portion of the building.

 - Want to include a pooled office area of about 200 square feet for 3 or 4 people. Should have counter built in around at least one exterior wall.

Subject to the MLB Rules and Regulations, the Club agrees to play no less than ninety percent (90%) of its "home" Spring Training games at the Dunedin Facilities, and will make all reasonable efforts to play at least ten (10) Spring Training games with other Major League Clubs at the Dunedin Facilities during each Spring Training Season. In the event that the number of games to be played at the Dunedin Facilities is reduced pursuant to the MLB Rules and Regulations, the parties will consult with each other on this situation and will negotiate in good faith to reach a resolution that will return to each party the benefits contemplated and agreed to in this Exhibit "D" as nearly as possible without otherwise adversely affecting the rights and obligations of the parties hereunder. Games that are cancelled due to inclement weather will be counted as games played relative to the ten (10) Spring Training games per Spring Training Season commitment above, if the appropriate officials have formally cancelled the games citing such inclement weather.

The Club shall be entitled to schedule Spring Training games in excess of ten (10) per Spring Training Season at the Dunedin Facilities. "Home" Spring Training games to be played hereunder will be played at the Grant Field Facilities. The City shall maintain and separately account for the Special-Purpose Annual Payments made by the Club (the "Special-Purpose Annual Payment Account"). The designation and establishment of the Special-Purpose Annual Payment Account in and by this Exhibit "D" shall not be construed to require the establishment of a completely independent, self-balancing account as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues as herein provided. The Club will, at any time, be entitled to all records regarding the status of such Special-Purpose Annual Payment Account and the information about amounts accrued therein (including interest).

Expenditures of any amounts held within the Special-Purpose Annual Payment Account may be made only for Capital Replacement (as defined in this Exhibit "D") at the Dunedin Facilities and Maintenance, subject to the Club's written approval of the specific expenditures (including the specific services, materials and contractors). Notwithstanding the foregoing, the City and the Club may mutually agree in writing to utilize certain of the amounts held in the Special-Purpose Annual Payment Account to cover soft costs associated with redeveloping and reconstructing the Dunedin Facilities (the "Soft Costs"). The City and the Club hereby recognize that any such uses of funds in the Special-Purpose Annual Payment Account to cover Soft Costs shall be reimbursed by project funds if and when they are secured and funded through the State of Florida and/or Pinellas County.

The City will not be responsible for any costs of implementing or maintaining any naming rights arrangements established by the Club hereunder; however, the City will cooperate in ensuring that any naming rights arrangement so established is respected (for example, by ensuring that any City references to a Nameable Property – including City signage and publications - are updated in accordance with such naming rights arrangements). The Club agrees to proceed with diligence to make reasonable efforts to market the naming of the Grant Field Facilities or the Stadium (in the Club's discretion). The City shall not have a veto or approval right over the name of the Nameable Properties, however, the Club agrees to keep the City reasonably apprised (subject to any obligations of confidentiality or commercially reasonable discretion during negotiations) of potential naming opportunities under consideration. In connection with the rights set forth herein, the Club may grant to Pinellas County (or one of its departments or agencies) the right to place a Pinellas County-related name on one or more of the Nameable Properties for any period of the Pre-Renovation Term.

Grant, former mayor of the City, and (ii) the Engelbert Site in honor of Cecil P. Englebert, also a former mayor of the City.
- c) Annual Naming Rights Revenues. Annual Naming Rights Revenues in each calendar year of the Pre-Renovation Term, if any, shall be accounted for as follows:

In no event will the Club be obligated to contribute greater than one hundred and seventy five thousand dollars (\$175,000) to the Special-Purpose Annual Payment Account on account of the sale of naming rights hereunder in connection with any single calendar year of the Pre-Renovation Term.

For certainty, the provisions of the third, fourth and fifth paragraphs of SECTION 18 of this Exhibit "D" shall apply to all of the amounts deposited to and held in the Special Purpose Annual Payment Account, irrespective of whether the funds were originally contributed as a result of the application of SECTION 18 or this SECTION 19.

SECTION 20 - TAX LIABILITY

The Club shall be responsible for all sales taxes, intangible taxes, license taxes, and all other taxes or fees directly arising from or attributable to the Club's use of the Dunedin Facilities, whether payable to the City or to other governmental agencies. The parties will each be responsible for payment of one-half (1/2) of the ad valorem taxes on the Dunedin Facilities (net of City taxes) as is otherwise set forth in Section 3 of this Exhibit "D" to a maximum of \$25,000 per year per party. In the event that the annual ad valorem taxes payable on the Dunedin Facilities are in excess of \$50,000 despite the best efforts of the parties to reduce them to that amount, the parties will meet together in good faith to reasonably resolve operational matters to attempt to reduce the payment of the additional ad valorem taxes.

Exhibit "D"

The City shall self-insure for its liability under this Exhibit "D" and shall maintain such property insurance for loss by hazard as to the insurable value of such Facilities as it maintains for other City property for its full replacement cost. The Club will provide for insurance for its property kept at the Dunedin Facilities. The Club will not be responsible for any loss or damage to properties insured against by the City except for intentional acts or negligence of the Club up to the amount of the City deductible under its insurance policies.

During the period of such suspension, the Club shall be entitled to conduct its games and practices hereunder at alternate facilities of its choice.

SECTION 24-- CAPITAL REPLACEMENT FUND

During the operation of this Exhibit "D", the City shall maintain a fund for the purpose of Capital Replacement expenditures which shall be known as the Capital Replacement Fund (the "Fund"). This Fund shall be used solely for Capital Replacement expenditures and shall be initially funded to an amount of \$250,000 or such greater amount as agreed upon between the parties. The City will be responsible for all capital replacement costs in respect of

The Fund shall be funded from the following sources:

- c) The Club abandons the Dunedin Facilities.
- d) The Club disposes of all or substantially all of its assets, other than to a permitted assignee.
- e) The filing of a voluntary or involuntary petition applicable to the Club in any proceeding for the Club's reorganization or liquidation under the provisions of the Federal Bankruptcy Code, if the Club fails to lift, stay or dismiss promptly such proceeding or similar proceedings under Canadian law.

Whenever any event of default by the Club shall have occurred and be continuing, the City may take any of the following remedial steps:

- (1) In the event of a monetary default, abandonment of the Dunedin Facilities by the Club or a wrongful termination of this Exhibit "D" by the Club, the City may reenter and take possession of the Dunedin Facilities without terminating this Exhibit "D".

Exhibit "D"

exclude the Club from possession thereof and lease or otherwise use the Dunedin Facilities for the account of the City and may require the acceleration of the annual payments as set forth above without setoff or other defense by the Club arising from the City's reentry and use of the Dunedin Facilities and such setoff or defenses of the Club are specifically waived.

- (II) Take any act or law or in equity as it may appear necessary or desirable to collect any amount to be paid by the Club hereunder when due, or to enforce any obligation or covenant or agreement of the Club under this Exhibit "D"; provided, however, no such enforcement shall include a requirement of the Club to play home Spring Training games at the Dunedin Facilities during the period that this Exhibit "D" is operable, the City's remedies in respect of any default in so playing being limited to monetary damages.

In the event that an event of default by the City shall have occurred and be continuing, the Club may institute such action against the City as the Club may deem necessary to complete performance or may perform the City's obligations hereunder and deduct the cost of so doing from payments required to be made hereunder to the City; provided, however that no such action shall seek to impose, or impose, any pecuniary liability upon the City, or any personal or pecuniary liability upon any member of the City Commission, employee, attorney or contractual representative of the City and any such claim, legal right or cause of action is specifically waived and foregone hereby.

No delay or omission to exercise any right or power accruing upon any event of default shall impair any right or power or shall be construed to be a waiver thereof by any such right or power may be exercised from time to time and as often as may be deemed expedient.

In the event either party shall default under any of the provisions of this Exhibit "D" and the other party should employ attorneys or incur other expenses for the collection of any amount due hereunder or the enforcement of performance or observance of any obligation or agreement herein contained, the non-breaching party if successful in such proceedings, shall be entitled to recover from the breaching party the reasonable fees of such attorneys and such other expenses so incurred.

In the event any agreement contained in this Exhibit "D" should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Except as limited by applicable law or this paragraph, no remedy conferred upon or reserved to the parties is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and in addition to any other remedy given under this Exhibit "D" or now hereafter existing at law or in equity or by statute.

FDEO 2019 Annual Report

City of Dunedin

Cost Benefit Analysis Summary

The economic impact of Blue Jays spring training baseball has been studied annually by Dr. Mark A. Bonn, Ph.D., of Bonn Marketing, Inc. Bonn Marketing and the Florida Sports Foundation presented the 2009 Major League Baseball Florida Spring Training Economic Impact Study. The following pages present the key findings and detailed information related to the economic impact of the Toronto Blue Jays spring training baseball franchise in Pinellas County.

The total estimated economic value of the Blue Jays' 2019 spring training season on Pinellas County was more than \$112.8 million. The total expenditures to date related to the design and construction of the new facilities, as reported in Section I of this annual report and again in this section, have been \$84,054,089. This number is considerably higher than the expected annual operating cost of the spring training facilities; however, even at this amount, the economic value of the Blue Jays' presence outweighs the cost by \$28,745,911.

The applicant presents warranty deeds for the property on which the spring training activities take place and on which the construction/renovation will take place. (See Appendix)

Criterion No. 2

The applicant has a certified copy of a signed agreement with a spring training franchise. The signed agreement with a spring training franchise for the use of a facility must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating a facility for a spring training franchise. If no such bonds are issued for the public purpose of constructing or renovating a facility for a spring training franchise, the signed agreement with a spring training franchise for the use of a facility must be for at least 20 years. Any such agreement with a spring training franchise for the use of a facility cannot be signed more than 4 years before the expiration of any existing agreement with a spring training franchise for the use of a facility. The agreement must also require the franchise to reimburse the state for state funds expended by an applicant under this section if the franchise relocates before the agreement expires. The agreement may be contingent on an award of funds under this section and other conditions precedent.

Compliance with Criterion No. 2

The applicant presents copies of the signed agreements related to spring training activities at the facilities. (See Section II)

Criterion No. 3

The applicant has made a financial commitment to provide 50 percent or more of the funds required by an agreement for the construction or renovation of the facility for a spring training franchise. The commitment may be contingent upon an award of funds under this section and other conditions precedent.

Compliance with Criterion No. 3

The applicant presents evidence of local match in the form of a newspaper article stating that funds are committed from the local tourist development tax, a City of Dunedin resolution authorizing the license agreement, construction project and funding, and excerpts from the City of Dunedin's Adopted Annual Budget for 2019 related to stadium fund revenues and expenditures. (See Appendix)

Criterion No. 4

The applicant demonstrates that the facility for a spring training franchise will attract a paid attendance of at least 50,000 persons annually for the spring training games.

Compliance with Criterion No. 4

Over a fourteen-year period (2006 – 2019) the average attendance at spring training games at the Dunedin facility has been 67,953. At no time during that period did attendance drop below 50,000. (See Appendix)

Criterion No. 5

The facility for a spring training franchise is located in a county that levies a tourist development tax under Section 125.0104, Florida Statutes.

Compliance with Criterion No. 5

At the time of this report, construction on the new facilities is just getting underway. Publicity for the project, however, began several years ago and the excitement builds as new articles and reports come out. A representative sample follows, consisting of a *Tampa Bay Times* report from September 2016. At that time, the City of Dunedin and the Toronto Blue Jays held an open house to showcase conceptual drawings for the proposed facilities. More recent stories are presented here from the Dunedin Blue Jays website and from www.springtrainingonline.

DUNEDIN — For the first time after two years of hushed negotiations between city officials and the Toronto Blue Jays, residents and baseball fans are getting to see what the future could hold for the team's springtime facilities.

During the city's first public meeting Monday, officials released an animated video showing a renovated version of the team's current game-day spot, Florida Auto Exchange Stadium on Douglas Avenue. And on Tuesday, they took it a step further and held an open house, where residents made their way through informational stations staffed by team officials ready to answer questions about the project.

"We wanted to give people the chance to come out and ask their questions to the experts because we want to hear from our residents about their concerns," Mayor Julie Ward Bujalski said. "This needs to be a community-driven project."

A deal will not officially be made for several months. But the meetings were the first steps toward asking the county and state for help with an \$81 million proposal to spruce up the team's facilities before its contract with the city expires at the close of 2017. If the project goes through, the team would agree to stay in the city for 25 more years and remain the only major-league baseball team to have never changed its spring training site.

The animated video, created by Populous, a global architectural firm specializing in sports facility development, shows the stadium with a variety of specialized fan seating areas that designers say will add to the "intensity and intimacy of the game" while also adding about 3,000 seats.

"The stadium has great bones, and I think we can confidently tell you that we can add to that to enhance it," said Populous representative Mike Sabatini.

The plans show a tiki hut bar in right-centerfield, lawn seating and a party deck along the third base line, several drink rails, lounge and shaded spots, beach huts on the Douglas Avenue side, a concourse on the third base side and other "destination" seating throughout. The plans also include several breezeways, so air can flow in and out of the stadium to keep it cool, a year-round team store and a more open and welcoming entrance.

The architectural style has not yet been determined, but could be centered on one of three themes: Key West, retro or Mediterranean.

Sabatini said the firm's architects, who have designed spring training facilities for many other major-league teams in both Florida and Arizona, will work to "create an icon" that is memorable and will tell a story about the team's history in the city.

According to parks and recreation director Vince Gizzi, the stadium renovations will account for about 40 percent of the total \$81 million cost. The rest will go toward building a new training clubhouse at the team's current training facility site at the Englebert Complex on Solon Avenue.

"Training is the main reason for spring training, and (Blue Jays president Mark) Shapiro follows the thought that the majority of the money should be spent training players," Gizzi said. "But we also know the stadium and its amenities is what is going to draw the tourists. ... It's not just about watching a ball game anymore, it's an experience."

Only exterior renderings of the proposed training facility have been shown thus far, and Gizzi says he is unsure when any interior drawings will be released. The team did, however, show photos of indoor facilities used by other major-league teams alongside those used by the Blue Jays — and there was a stark difference.

Blue Jays executive vice president of business operations Andrew Miller said the team needs upgraded, state-of-the-art facilities "that allow us to provide the best resources to develop the best possible players."

Due to land limitations in Dunedin, the team wasn't able to secure its biggest wish — to have the stadium and training clubhouse on the same site. But the promised updates to the training space to give players a competitive advantage is one of the things Shapiro says won him over.

We found a way to satisfy the most important things," he said. "We will have a state-of-the-art facility ... and compromise by having to drive (to the stadium)."

A preliminary timeline shows the city approving the agreement in its entirety next summer and having the project done in time for opening day in spring 2019.

"Timelines are very aggressive. ... But (the Blue Jays) have expressed a willingness and desire to move along with us to expedite the process," said interim City Manager Doug Hutchens. "We have a common goal to get this accomplished."

Shapiro said the other thing that made him want to stay in Dunedin, where the team has spent spring training since its 1977 inception, had nothing to do with money or renovations or privately negotiated deals.

"When you are making a decision for 25 years, you are not making a decision for yourself. ... You have an obligation to look at if you are doing the right thing for a franchise, a city, a county, an area," he said. "This is where we want to be."

"I know this is the right decision for the Toronto Blue Jays. That is something I believe strongly in."

For more than 40 years, Major League Baseball has had a home in Dunedin. Chosen as the Spring Training home for the expansion Toronto Blue Jays in 1977, Dunedin has served as a proud host of Major League Spring Training ever since. Over four decades later, the Blue Jays are the only Major League franchise to have never changed where they play their Spring Training baseball.

In early 2019, construction began on a newly renovated stadium that will continue to be home to the Toronto Blue Jays Spring Training and the Dunedin Blue Jays under a new 25-year lease agreement between the Blue Jays, the City of Dunedin, Pinellas County and the state of Florida. The new ballpark is slated to open for the 2020 Spring Training season.

Dunedin Stadium Renovations Set for 2020 Unveiling

December 22, 2018 in Grapefruit League Teams Toronto Blue Jays

Dunedin Stadium renovations and a revamped **Englebert Baseball Complex** are now a go, as the **Toronto Blue Jays** unveiled plans to expand their long-time spring training home for a 2020 opening.

These renovations have been in the works for years, as Toronto and Dunedin officials have explored spots in the city for a new spring-training camp, with the Blue Jays also looking at moves to other Florida locations as well. In the end, the willingness of Dunedin officials to work with the Jays front office on a renovation plan, combined with the sentimental value of staying in Dunedin and not disrupting the winter plans of thousands of Canadian snowbirds, led the team to remain at Dunedin Stadium and the Englebert Baseball Complex.

The goal is to update Dunedin Stadium both in terms of capacity and amenities. The ballpark currently seats 5,509, but the plan is to push total capacity to 8,500: 6,500 fixed seats (all theater-style) with the rest standing room and berm spaces, with at least one party deck, and four tops/high tops on an outfield boardwalk. A new 360-degree boardwalk concourse would feature one good-sized Tiki bar, a secondary bar, the aforementioned boardwalk four tops/high tops, a 700-900-square-foot merchandise shop, restrooms, and concessions (including a grill area). The outfield boardwalk would be connected to a new upper concourse, while a ground-level concourse would be retained.

Two new concession stands would be added to the ground-level concourse, each with eight point of sale locations and four beer/soda service locations. One additional concession stand could be located in back of the center-field batter's eye on the boardwalk. The Blue Jays are also planning an enclosed bar/restaurant area, dubbed a Craft and Draft area (similar to the café at Ed Smith Stadium, spring home of the Orioles) seating 80, optimally with a view of the field. This space could also be used on non-game days for meeting and events.

Of particular emphasis: shaded seating both in the grandstand (particularly in the higher priced seating areas) and in the outfield berm.

Also on the list: five suites, including an owner's suite, a players' family suite, and three suites that can be sold separately or combined into one larger event space. These suites, at 325 square feet each, would also feature outdoor seating areas. That same upper level would feature five TV and radio booths, PA/videoboard control space, and a larger press box that could accommodate up to 60 journalists.

Getting in and out of Dunedin Stadium will be easier with the addition of six new ticket windows, doubling the current six ticket windows. In addition, a new entrance would be added for the general public while retaining a dedicated entrance for season-ticket holders and one more just for staff. Parking is always a problem at Dunedin Stadium, so the team is raising the possibility of adding a parking structure to the facility.

Finally, the Blue Jays are seeking a merchandise store at a minimum of 3,000 square feet, with 1,000 more square feet of storage space.

On the player side, a new larger dugout would face the field. The field dimensions and outfield wall heights would be changed to match those at Rogers Centre. A very basic visitor's clubhouse of approximately 3,600 square feet total would be added.

None of this is excessive; every new or renovated spring-training ballpark in recent years features this kind of arrangement, ranging from the upgraded LECOM Park in Bradenton and Hammond Stadium in Fort Myers to the new FITTEAM Ballpark of the Palm Beaches. It would also be used past spring training for Dunedin Blue Jays (High A; Florida State League) games.

The Englebert Baseball Complex, which focuses primarily on MiLB player development, would be expanded into the adjoining city-owned Vanech Recreation Complex. This is where player development, including extended spring and rehabs, would be centered. The entire complex would encompass a large two-story clubhouse building with a long list of workout areas: 4½ fields for MiLB use, 2½ fields for MLB use, 1 open air agility field for MiLB use, 1 covered agility field (turfed) for MLB use, 1 inclined agility field for shared MLB/MiLB League use, 13 batting tunnels, covered indoor batting cages, 10½ MiLB gang

mounds and 8½ MLB gang mounds. Some of the existing fields at the Englebert Baseball Complex could be reused, and some of these fields could be freed up for city resident use in the offseason.

This clubhouse building would feature player facilities on the ground floor and team offices on the second, including a covered balcony with a view of the workout areas. The features would largely hew to MLB spring-training facilities opening in the past several years, including hydrotherapy rooms and pool, weight rooms, theater-style classroom and other smaller classrooms, food-prep/nutrition areas, plenty of meeting rooms and separate MLB and MiLB clubhouses. (In a twist, the Blue Jays are also seeking a yoga studio with wooden floors and mirrors on walls.) In total, the Englebert Complex would more than double in size.

As with Dunedin Stadium, none of this really departs from the current norms when it comes to spring-training facilities. The issue will be whether this project can come in at the assumed budget of \$81 million. As the city already controls the land, there are cost saving involved there, but a totally new structure at the Englebert Complex and very extensive changes to Dunedin Stadium may provide a challenge to the city. In any case, we should know by next month the specifics of the project and whether it's doable for spring training 2020.

The cost: \$80 million, with Pinellas County putting up, \$41.7 million, the Jays \$20 million, the State of Florida \$13 million from a fund dedicated to spring-training complexes, and the city for \$6 million, plus land.

More than \$80 million in upgrades for the Toronto Blue Jays' facilities will keep the team in Dunedin for another 25 years. {Image created by Populous}

Published April 24 2018

Updated April 24 2018

DUNEDIN — The Pinellas County Commission pulled the final trigger Tuesday on dedicating \$41.7 million in bed taxes for upgrades to the Toronto Blue Jays' stadium and spring training facilities, a pledge that amounts to covering more than half of the project.

It is a milestone following years of uncertainty over whether the city could garner the funding to build a state of the art facility to keep the Blue Jays in Dunedin after 40 years.

PREVIOUS COVERAGE: Dunedin, Toronto Blue Jays appear headed toward \$81 million spring training deal

In November, the city locked-in the team to stay for another 25 years with a new licensing agreement. But the county's funding commitment to the \$81 million renovation of Florida Auto Exchange Stadium and the training site at the Englebert Complex on Solon Avenue was the major piece needed before the development agreement can be signed, sealed and delivered.

ADVERTISEMENT

The unanimous vote by the County Commission was enough to bring Mayor Julie Ward Bujalski to tears.

"I could not be more proud," Bujalski said Tuesday. "We have a huge quality of life here and no one thing makes our quality of life. It's a combination of things. Spring training is part of that."

But the deal comes with serious risk, enough for City Attorney Tom Trask, hired financial advisors and the board of finance to warn against it.

According to the staggered agreement, the county will split its payment over several years: \$1.3 million is available now, \$14.8 million will be paid Oct. 1 and \$25.6 million in fiscal year 2020. The money is coming from the 6 percent bed tax paid by visitors in hotels, motels and other overnight rentals.

Trask said "it was always presented" to him the county would pay the funds upfront. Staggered payouts in the contract pose serious risk if the county fails to pay up mid-construction, either because a sudden emergency like a storm or if state law changes to prevent bed tax dollars be used for stadiums.

City Manager Jennifer Bramley said she has unequivocal assurance the county "has never reneged on a funding agreement and does not intend to do so now."

ADVERTISEMENT

The City Commission voted unanimously Monday to approve the agreement so the county could vote on it Tuesday. In a lengthy Sunday evening phone conversation with Blue Jays President Mark Shapiro, Bramley said he told her the team would look elsewhere if the approval of the funding agreement was postponed for more negotiations.

Commissioner Heather Gracy said the partnership is about trust.

"I'm nervous, but I will double down on Dunedin like I normally do, and I trust the county," Gracy said. "I certainly trust our partners on the field."

The county's share for the stadium is the largest gift of bed taxes negotiated last year. It also contributed \$26 million for the Clearwater Marine Aquarium; \$6 million for the Museum of the American Arts and Crafts Movement; \$5.5 million for Ruth Eckerd Hall; \$1.9 million for the Countryside Sports Complex; and \$495,000 for the Eddie C. Moore Softball Complex.

The city will pay \$5.6 million for the project, which is already on hand. The state has pledged \$13.6 million, contingent on the county's agreement passing Tuesday, and the Blue Jays will contribute \$20 million.

But the city will have to issue bonds for the state and team's \$33 million combined share, to be repaid over two decades. Bujalski said construction will be contracted in phases to keep up with the flow of funding.

The Blue Jays has also agreed to fund an additional \$25 million over 25 years in maintenance, operations and repairs on facilities the city will own.

Bujalski said the city will now finalize a development agreement with the team and select an architect. She hopes construction can begin before the end of the year.

In approving the funding, County Commissioner Charlie Justice said while there's debate over whether tax money should fund stadiums, the enterprise directly benefits residents.

Commissioner Dave Eggers, former mayor of Dunedin, said the Blue Jays' commitment to permitting high school students to play in the stadium is a detail that sweetens the deal.

"All of these dollars we are spending on private ventures have public purpose," Eggers said. "It is about kids playing on these fields. It doesn't happen everywhere. ... It is about the Blue Jays really embracing what our community is all about."

STADIUM FUND ANALYSIS

The Stadium Fund is a special revenue fund created to account for the receipt and disbursement of funds related to the City's stadium, including operations and debt service.

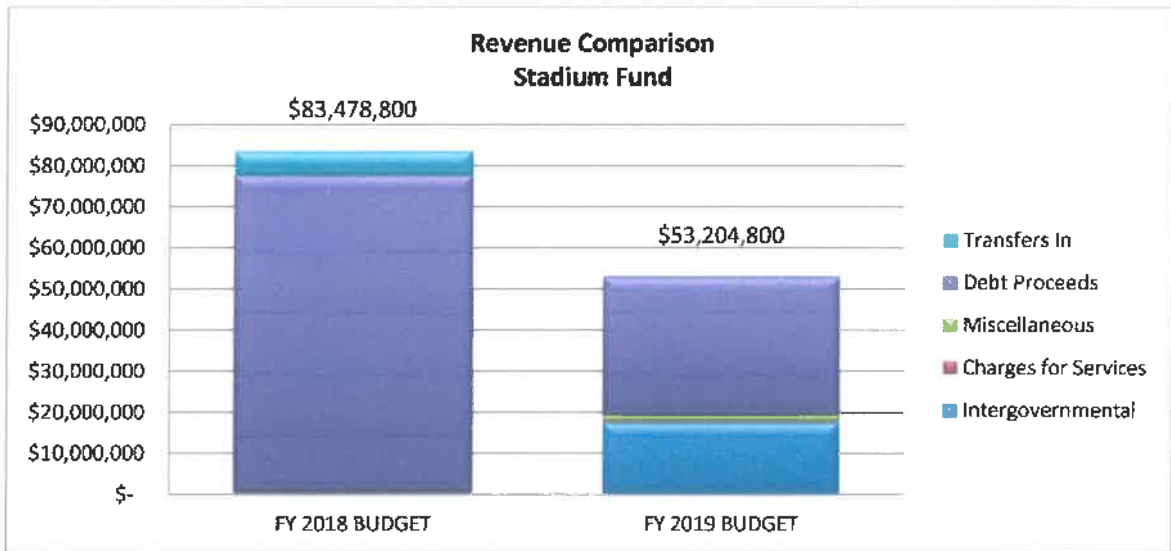

AVAILABLE FUND BALANCE

The City anticipates ending FY 2019 with a significantly increased fund balance. Intergovernmental revenues from the County and State of Florida, offset by debt issuance, will allow construction on the stadium to begin in FY 2019, and increase the fund balance for continued construction in FY 2020.

REVENUE

The major change in revenues for FY 2019 will be approximately \$33.7M in debt proceeds for the reconstruction of the Dunedin Stadium and the Englebert Complex. Negotiations with the Toronto Blue Jays are completed in FY 2018, and the plans for reconstruction will commence in FY 2019.

EXPENDITURES

Construction for the new Spring Training facilities is estimated to cost in excess of \$81M and will be shared among the State of Florida, Pinellas County, City of Dunedin, and Toronto Blue Jays. Major changes to expenditures in FY 2019 include a principal payment of \$1.29M and interest expenditure of \$1.63M.

The City may use all or any part of the Facilities when not being utilized by the Club.

5. Maintenance and Repair. The City agrees to maintain the Facilities in first-class condition for use as a baseball park by the Club and visiting clubs, said condition to be reasonably approved by the Club, including, but not limited to, such lights and lighting equipment as the Club may determine is necessary for the playing of baseball games at night.

The City shall furnish at its own cost all necessary equipment, labor and materials in connection with the maintenance and repair of the Facility, with the exception of the following, which shall be at the cost of the Club:

To the extent that these costs are incurred in connection with hiring additional employees other than those that are regular employees of the City, said additional employees shall be temporary employees of the City for purposes of Worker's Compensation coverage, but shall not be participants in the City's group insurance plan.
- C. All actual costs incurred by the City in connection with furnishing labor and materials to maintain the Facilities during the optional one hundred and eighty (180) day period of additional use by the Club.

- E. The repair of the Facilities occasioned by the negligent conduct of the Club, its agents and employees, reasonable wear and tear excepted. The Club shall also use its best efforts to protect the Facilities when being used and occupied by the Club and employ any necessary security personnel at its own cost and expense.

The City shall also furnish at its expense all utilities, including heat, water and hot water necessary for the club's use of the Facilities, except for gas, which shall be paid for by Club.

6. **Obligations of Club.** The Club agrees that the Club will furnish, at its cost and expense, all necessary baseball equipment, including batting cages. The City may use the batting cages during the periods that the Facilities are not occupied or used by the Club, provided that the City returns the equipment to the Club in as good condition as when received, or make reimbursement for the value thereof, except for normal wear and tear, damage from fire and acts of God. The Club shall also pay for such reimbursable items as the Club and the City may agree, such as cleaning supplies and equipment and materials specifically required for baseball operations.
7. **Rights of Club.** Subject to paragraphs 8 and 9, the Club shall have the exclusive right to and complete control of all ticket sales, concession operations, scorebook/program and sales of all novelties and souvenirs, field and stadium advertising, suite rental and service and all revenue derived therefrom. - (c) One dollar and fifty cents (\$1.50) per ticket stadium facility charge will be paid to the City and applied to relief of the loan until its obligation is met. At that time, this amount reverts to the Club.

All fees payable pursuant to Sec. 8.(a)1. and 2., 8.(b)1. and 2. and (c) shall be applied to relief of the loan until the obligation is met. The Club's total annual obligation for fees payable pursuant to this Section 8 for any calendar year shall not exceed \$300,000.00.

The term "gross receipts" shall be defined as gross sales proceeds, less deductions for any applicable state, federal or local taxes.

There shall be no payment required with respect to scoreboard/program receipts.

9. **Annual Rent.** The Club shall pay annual rental of Seventeen Thousand (\$17,000.00) Dollars for Tigertown to be paid prospectively on January 1 of each year, with a four (4%) percent discount if paid prior to due date. This amount of money will be placed in the special Tigertown improvements account to be used as directed by the Club for replacement and improvements of minor league facilities.
10. **Payment:** Except for the annual rent and overtime expenses which are paid quarterly, any and all payments required by this Agreement to be made by the Club shall be paid to the City together with a full and final accounting 30 days after the conclusion of the spring training season, the Lakeland Tigers season or other activity. Payment shall be made to the Parks and Recreation Director, City Hall, Lakeland, Florida, or such other person or office designated by the City in writing.
11. **Insurance.** The Club shall maintain adequate liability insurance, designating the City as a named insured, to protect the City from any liability arising from the use of the Facilities by the Club. The minimum limits of such policy of insurance shall be \$500,000.00 for injury to any one person; \$1,000,000.00 for injuries arising out of a single occurrence; and \$100,000.00 for property damage resulting from a single occurrence.
12. **Damage or Destruction.** In the event any of the Facilities shall be damaged by fire or other casualty and such Facilities shall have been insured against such loss by the City, then the entire proceeds of any such policy of insurance shall be paid to the City, free of any claim or right of the Club. The City shall have the right to restore or reconstruct any damaged or destroyed building or premises, and any reconstructed building shall become a part of the Facilities. In the event such portions of the Facilities are destroyed as to render the entire Facilities unsuitable in the Club's judgment for the Club's operation, the Club shall have the right to play elsewhere until such restoration or reconstruction is completed and, if the City neither reconstructs the premises within either 60 days or by October 30 immediately following the destruction, then, in either case at the Club's option, the Club shall have the right to terminate this Agreement by providing written notice and without further obligation or responsibility. In that event, the City shall refund to the Club on a pro rata basis any prepaid rents which may have been made prior to the date of termination.
13. **Taxes.** The Club shall be responsible for and pay any and all sales or other tax incidental to this Agreement. In the event that ad valorem taxes are assessed against the Facilities or any portion thereof as a result of the Club's use of same, the Club shall be responsible for its prorate portion of such taxes.
14. **Termination.** This Agreement may be terminated by either party upon material breach by the other party, upon thirty (30) days' prior written notice, certified mail, return receipt requested (deemed made upon receipt) and failure by the defaulting party to cure the same within said 30 days. In the event that the Club fails to cure any such breach and there remains an outstanding balance on the loan referenced in Section 8 hereof, the Club shall pay the City

\$10,000.00 as liquidated damages, which shall be the City's sole and exclusive remedy as a result thereof.

15. Option. The Club shall have the option to renew this Agreement for an additional term of ten (10) years by giving the City written notice of its intention to renew same not less than one (1) year prior to the expiration of the initial term hereof. The rental imposed during such renewed term shall be the amount agreed upon by the parties hereto prior to the commencement of the renewal.
16. Subcontractors. If any services permitted by this Agreement are subcontracted by the Club, any such subcontractor shall either be included as an additional insured under the Club's insurance policy, or shall file with the City a Certificate of Insurance evidencing compliance with Paragraph 11 hereof.
17. Agreement of City Regarding Revenue. The City agrees to take such action as is necessary under the laws of the State of Florida to plan and budget for receipt of a sufficient appropriation of funds to discharge its obligations hereunder; provided, however, if the City has not appropriated sufficient funds to enable it to discharge its obligations then, notwithstanding any other provision contained herein, this Agreement may be terminated effective upon expiration of the fiscal year in which sufficient funds were last appropriated to satisfy the obligations.
18. Assignability/Amendment. This Agreement shall be binding and inure to the benefits of the successors of each of the parties, but it is mutually agreed that this Agreement shall not be assigned by the Club to any person, firm or corporation without the written consent of the City, which consent shall not be unreasonably withheld.

Notwithstanding the foregoing, no consent is required in the event that the Club sells its major league franchise rights, said sale is approved by Major League Baseball and the team continues to play its regular season baseball games in the Metropolitan Detroit area.

Any amendment to this Agreement shall not be effective unless in writing and approved by the Office of the Commissioner of Baseball.

19. Covenants Contingent. The parties expressly acknowledge and agree that the mutual covenants undertaken in this Agreement are contingent on presentation by the City to the club of a plan of project finance which includes irrevocable commitments and awarding of funds, pursuant to §288.1182, Florida Statutes, from the State of Florida, Polk County and the City of Lakeland, all of which, when combined with the obligations and undertakings elsewhere referenced herein, will provide sources of no less than \$9.5 million which are to be irrevocably committed to the project. This financing plan shall be subject to the approval of the club, which shall not be unreasonably withheld. Further, the club shall have approval of the renovation program for which the financing plan has been irrevocably committed, such approval not to be unreasonably withheld.

WITNESSETH

WHEREAS, Florida Statutes, Section 163.01, the Florida Interlocal Cooperation Act of 1969 (the "Cooperation Act"), at Subsection 163.01(4), provides that public agencies of the State of Florida, which by definition include cities and counties, may exercise jointly with any other public agency of the State of Florida any power, privilege, or authority which such agencies share in common, and which each might exercise separately, by contract in the form of an interlocal agreement; and

WHEREAS, the City is the owner and operator of The Joker Marchant Stadium Complex, a public facility located at 2301 Lakeland Hills Boulevard, Lakeland, Florida 33805 that is comprised of Joker Marchant Stadium, Two Batting Cages, Weight Room, Major League Locker Room, Minor League Clubhouse, Fetzer Hall Dormitories, Cafeteria, and Recreation Hall, Tigers Administration Building, 5.5 Practice Fields, Bunting and drills field, Long mounds, Maintenance and Storage Building (the "Complex"); and

WHEREAS, the Complex is a "professional sports franchise facility" and a "retained spring training franchise facility" within the meaning of Section 125.0104(3)(f)1, Florida Statutes, and a "Facility" within the meaning of Sections 288.11621(1)(d) and 288.11631(1)(d), Florida Statutes, in that the Complex has been the spring training home of the Detroit Tigers major league baseball team since 1966 and is the home of the Lakeland Flying Tigers minor league baseball team (the Detroit Tigers major league baseball team and the Lakeland Flying Tigers minor league baseball team shall collectively be referred to as the "Team"); and

WHEREAS, the City intends to undertake a project for the renovation and expansion of the Complex as more particularly described in Section 4.2 (collectively, the "Improvements") in order to induce the Team to extend their current lease or enter into a new lease with the City for an additional twenty (20) year period, and, in connection therewith, will apply for State funding for renovation of a spring training facility pursuant to Section 288.11631, Florida Statutes for the purpose of funding a portion of the Improvements; and

WHEREAS, the Improvements by the City comply with and will further the purposes of the County's plan of tourist development devised in accordance with Section 125.0104(4), Florida Statutes; will promote the influx of tourists to the City and the County, and thereby benefit the local economy; and will be of substantial benefit to the entire City and County; and

WHEREAS, it is the purpose and intent of the Parties, this Agreement, and the Cooperation Act to permit the City and the County to make the most efficient use of their respective powers, resources and capabilities by enabling them to cooperate on the basis of mutual advantage and thereby to provide for the Improvements in the manner that will best

accord with the existing resources available to each of them and with the geographic, economic, population and other factors influencing the needs and developments within their respective jurisdictions; and

WHEREAS, it is the purpose of the Cooperation Act to provide for a means by which the City and the County may exercise their respective powers, privileges and authorities which they share in common and which each might exercise separately; and

WHEREAS, the City has committed to incur all or a portion of the Indebtedness (hereinafter defined) for the Improvements, and the County has elected to pledge a portion of the revenues from its tourist development tax, authorized by Section 125.0104, Florida Statutes (the "Tourist Development Tax"), in the amounts set forth in Section 3.2, to pay a portion of the Indebtedness, all in accordance with the intent and purposes of the Cooperation Act permitting local governments to, among other things, provide from their treasuries the financial support for the purposes set forth in Interlocal agreements; and

WHEREAS, the City and the County have ascertained that the method or formula for equitably providing for and allocating and financing the capital costs for the Improvements and the payment of the Indebtedness therefor, including payments to reserve funds and payments of principal and interest on obligations as established by the Parties, are reasonable on the basis of the amount of services rendered or to be rendered, benefits received or conferred and on all other equitable bases; and

WHEREAS, in order to induce the Team to extend their current lease or enter into a new lease with the City for an additional twenty (20) year period the County deems it proper and appropriate to pledge a portion of the Tourist Development Tax to pay a portion of the Indebtedness, as more specifically set forth herein; and

WHEREAS, the City and the County wish by this Agreement to provide for the terms and conditions of the commitment of the City and the County created hereby and to secure the payment of the Indebtedness, in order to further the purposes stated herein.

NOW, THEREFORE, in consideration of the promises, mutual covenants and conditions contained herein, the Parties agree as follows:

SECTION 1: Recitals

The above recitals are true and correct and incorporated herein.

SECTION 2: Authority

This Agreement is entered into pursuant to the provisions of Section 163.01, Florida Statutes; Chapter 166, Florida Statutes; Chapter 125, Florida Statutes; and other applicable provisions of law.

SECTION 3: Covenants and Obligations of the County

3.1 Subject to the terms and conditions of this Agreement, the County does hereby covenant and pledge a portion of the fourth percent of the Tourist Development Tax for the purposes provided herein, for a term of twenty (20) years. In order to finance the Improvements, the City shall issue bonds, amortized over a twenty (20) year period, in the approximate amount of \$37,000,000.00 (the "Indebtedness"). The City shall issue all such bonds in a one-time, single issuance, and the Parties expressly acknowledge and agree that this Agreement, and the County's obligations hereunder, shall not apply to any bonds issued by the City following such initial issuance, whether issued in connection with the financing of the Improvements or not; provided, however, this provision shall not operate to limit either Party's rights under Section 4.6 of this Agreement.

3.2 The County shall make a single annual payment to the City, commencing September 30, 2017 and every September 30th thereafter in an amount equal to the lesser

of: (i) 39.4% of the actual amount of principal and interest due on the Indebtedness for that particular year; or (ii) the amount of annual principal and interest necessary to defease a prinolpal amount of \$14,560,000.00, over a twenty (20) year term, at a maximum interest rate of 4.5%. Such annual payments by the County shall be applied toward payment of the Indebtedness, and the County shall make such annual payments to the City until the County's obligation under this Agreement is satisfied, or sooner terminated. The annual payment shall represent both principal and interest on the County's portion of the Indebtedness as set forth on the Estimated Bonded Debt Amortization Schedule shown in Exhibit "A" attached hereto and incorporated herein. Exhibit "A" is provided for illustration purposes only and shall not be construed as adding to or limiting the obligation of the Parties pursuant to this Agreement. Upon the issuance of the Indebtedness, the actual amortization schedule for the Indebtedness shall be used to calculate the annual payments due and shall be incorporated into this Agreement as an addendum. The Parties agree that the sum of all annual principal payments provided by the County herein will not exceed \$14,560,000, nor constitute more than 39.4% of a total project cost of at least 37,000,000.

3.3 On any annual payment date, the County may elect to terminate its obligations under this Agreement by paying to the City an amount equal to the County's share of the unpaid principal amount due on the Indebtedness through maturity of this Agreement.

3.4 With the exception of those revenues previously pledged for improvements to the Lakeland Civic Center, the County covenants and agrees to apply the annual revenues derived from the fourth percent of the Tourist Development Tax up to the annual proportionate share of the limits set forth in Section 3.2 to satisfy its annual payment

obligations under this Agreement prior to applying said revenues to any other purpose. The Parties acknowledge and agree that all surplus funds generated annually from the fourth percent of the Tourist Development Tax in excess of what is necessary to satisfy and discharge the County's annual obligations hereunder, including any carried over amount from the prior year, if any, as set forth below, may be utilized by the County for any purpose authorized by Section 125.0104(3)(I), Florida Statutes. In the event the revenue generated from the fourth percent of the Tourist Development Tax is insufficient in any given fiscal year for the County to meet its obligations hereunder, then the County shall carry the shortfall forward so that it becomes due and payable with the next annual payment. In the event full payment has not been made at the end of the twenty year financing period provided herein, the Parties agree that this Agreement, and the County's obligation to make payments hereunder, shall be extended for such additional period of time as is necessary for the County to make full payment to the City.

SECTION 4: Covenants and Obligations of the City

Subject to the terms and conditions of this Agreement, the City does hereby covenant and agree as follows:

4.1 In order to finance the Improvements, the City shall proceed with all steps necessary to obtain financing and related costs for the Improvements, and shall diligently pursue completion of the Improvements being financed with the proceeds of the debt instrument(s);

4.2 The City shall apply for State incentive funding for renovations for a spring training franchise facility pursuant to Section 288.11631, Florida Statutes, and the City shall use the proceeds of such funding for the sole purpose of financing a portion of the costs of the Improvements by servicing the debt obtained to finance the Improvements as

indicated in Section 4.1;

4.3 The City shall apply the proceeds from any lease or financial revenue sharing agreement with the Team for the funding of the Improvements to service the debt obtained to finance the Improvements as indicated in Section 4.1; provided, however that this provision shall not apply to any leases entered into for improvements or uses which are not in whole, in part, or in any manner materially associated with the Improvements for which the County funds are intended and which are governed by this Agreement. 5.1 The City must receive written acknowledgment from the State of its award of not less than \$20,000,000 of incentive funding pursuant to Section 288.11631, Florida Statutes, as further described in Section 4.2. The City shall provide a copy of such acknowledgment to the County within five (5) business days of receipt. In the event the City is unable to secure such funding, this Agreement shall be *void ab initio*, the County

5.2 The City must enter into an agreement with the Team for the lease of the Complex for a term of not less than twenty (20) consecutive years (the "Lease"). The City shall provide a copy of the fully executed Lease to the County within five (5) business days of full execution. In the event the Lease is not executed for any reason, whether through any fault or no fault whatsoever of the City, this Agreement shall immediately terminate and be of no further force or effect, and the County shall have no further obligation hereunder. In the event that the Lease is terminated by the City or the Team, or the Team relocates its home spring training games or the Lakeland Flying Tigers home games to another location prior to the completion of the Lease term (individually, a "Default Event" and collectively, the "Default Events"), then the County shall have the right to terminate this Agreement by providing written notice thereof to the City, and, in such event, the County shall have no further obligations hereunder; provided, however, that if the Lease is terminated through no fault of the City, then prior to the County terminating this Agreement, the City shall be permitted to pursue the enforcement of its remedies under the Lease for a period not to exceed 24 months from the date of the Lease termination (the "Enforcement Period"). If during the Enforcement Period the County determines in its reasonable discretion that the City is not diligently pursuing its Lease remedies, or if the Enforcement Period expires and any of the Default Events remain uncured, then the County shall have the right to terminate this Agreement effective immediately. Within sixty (60) days from the date of such termination, the City shall reimburse the County in full for any principal and interest payments made by the County pursuant to Section 3.2, from the date on which the Default Event(s) first occurred through the date this Agreement

is terminated. Said reimbursement to the County by the City shall also include interest on all the debt service payments from the date the County makes such payments, to the date this Agreement is terminated. Such interest shall accrue at the annual average rate of the State Board of Administration's Florida Prime 30-day average yield for the months of October through September of the previous fiscal year.

SECTION 6: No Lien on Nor Pledge of Ad Valorem Revenues

The pledge of the City and the County, respectively, as set forth herein, shall not constitute nor create a lien, either legal or equitable, on any of the City's or the County's respective ad valorem revenues or funds. Neither the City nor the County shall ever be required to levy ad valorem taxes on any property within its respective boundaries to pay their respective shares of the debt service payments or any other payments provided herein.

Without waiving sovereign immunity pursuant to Section 768.28, Florida Statutes, each party will indemnify the other from and against any and all claims, demands, causes of action, losses, damages, penalties and expenses, including attorneys' fees, arising from or incurred because of any loss or damage sustained as a result of the indemnifying party's failure to comply with the provisions of this Agreement, to the extent permissible by Florida law. Nothing herein shall be deemed a waiver, express or implied, of either party's sovereign immunity or an increase in the limits of liability pursuant to Section 768.28, Florida Statutes, regardless of whether any such obligations are based in tort, contract, statute, strict liability, negligence, product liability or otherwise.

SECTION 8: Term

Unless extended by mutual written agreement of the Parties, or unless otherwise provided in this Agreement, this Agreement shall expire when the County's financial

obligations as set forth in Section 3 have been satisfied.

SECTION 12: Assignment

Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered under any circumstances.

SECTION 13: Severability

The invalidity, illegality, or unenforceability of any provision of this Agreement, or the occurrence of any event rendering any portion or provision of this Agreement void, shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not

contain the particular portion or provision held to be void. The Parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. SECTION 18: Waiver

A waiver by either the County or the City of any breach of this Agreement shall not be binding upon the waiving party unless such waiver is in writing. In the event of a written waiver, such a waiver shall not affect the waiving party's rights with respect to any other or further breach. The making or acceptance of a payment by either party with knowledge of the existence of a default or breach shall not operate or be construed to operate as a waiver of any subsequent default or breach.

SECTION 19: Annual Appropriations

The City acknowledges that the County, during any fiscal year, shall not expend money, incur any liability, or enter into any agreement which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any agreement, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such agreement. Nothing herein

Accordingly, the County's performance and obligation to pay under this Agreement is contingent upon annual appropriation.

This Agreement may be terminated by either party upon material breach by the other party, upon thirty (30) days' prior written notice, certified mail, return receipt requested (deemed made upon receipt) and failure by the defaulting party to cure the same within said 30 days. 15. Option. The Club shall have the option to renew this Agreement for an additional term of ten (10) years by giving the City written notice of its intention to renew same not less than one (1) year prior to the expiration of the initial term hereof. The rental imposed during such renewed term shall be the amount agreed upon by the parties hereto prior to the commencement of the renewal.
16. Subcontractors. If any services permitted by this Agreement are subcontracted by the Club, any such subcontractor shall either be included as an additional insured under the Club's insurance policy, or shall file with the City a Certificate of Insurance evidencing compliance with Paragraph 11 hereof.
17. Agreement of City Regarding Revenue. The City agrees to take such action as is necessary under the laws of the State of Florida to plan and budget for receipt of a sufficient appropriation of funds to discharge its obligations hereunder; provided, however, if the City has not appropriated sufficient funds to enable it to discharge its obligations then, notwithstanding any other provision contained herein, this Agreement may be terminated effective upon expiration of the fiscal year in which sufficient funds were last appropriated to satisfy the obligations.
18. Assignability/Amendment. This Agreement shall be binding and inure to the benefits of the successors of each of the parties, but it is mutually agreed that this Agreement shall not be assigned by the Club to any person, firm or corporation without the written consent of the City, which consent shall not be unreasonably withheld.

Notwithstanding the foregoing, no consent is required in the event that the Club sells its major league franchise rights, said sale is approved by Major League Baseball and the team continues to play its regular season baseball games in the Metropolitan Detroit area.

Any amendment to this Agreement shall not be effective unless in writing and approved by the Office of the Commissioner of Baseball.

Mr. Donahay:

I seem to write this same thing every year, but the 2019 Spring Training was once again a great one for the City of Lakeland, the Detroit Tigers and Polk County Tourism and Sports Marketing (PCTSM). It is our pleasure to assist you with an estimate of the economic benefits generated by the Detroit Tigers and their impact on Lakeland and Polk County. PCTSM is the official destination marketing organization and sports commission for Polk County, Florida and regularly evaluates the impact of events held in our community.

Our community and the Detroit Tigers continue to enjoy the longest relationship between a team and Spring Training city. I am positive that this length of relationship will never be reached by another city and a Major League Baseball team. This accomplishment has a tremendous benefit to our community. Of course this relationship continues to strengthen through cooperative marketing and promotional efforts. In addition, we truly believe that Publix Field at Joker Marchant Stadium is the best spring training facility in all of baseball.

As always, the exact impact depends upon many factors that can create a swing in any year, but using the 2018 State Economic Impact Study as a guide, the overall impact to the City of Lakeland and Polk County exceeded \$49 million in 2019. The Tigers have had great success in attracting visitors/spectators to our area and is the main reason Michigan is one of the top feeder markets for Polk County. This past year the average per game attendance for the 16 home games was 6,720, placing the Tigers fifth in the Grapefruit league for per game attendance, a one spot increase and on average 152 more spectators per game than in 2018. Total attendance was 107,523 putting the Tigers with the sixth highest number in the Grapefruit League. The average attendance was 408 people per game above the state average, a great accomplishment with Spring Training moving ever earlier.

In addition, Polk County Tourism and Sports Marketing and the Tigers hold several events throughout the year including the Florida Junior College State Championships, Wilson Premier Baseball Championships, Tigers Fantasy Camp, visiting Florida State League teams, Tigers Minor League coaches, organizational meetings, showcase events, and is the headquarters for the Detroit Tigers Draft. All of which creates positive impact for our community.

Major League Baseball and specifically, the Detroit Tigers Spring Training, has been, is currently, and will always be an extremely beneficial investment for Lakeland and Polk County.

I am happy to provide any additional information if needed.

Sincerely,

Spring Training is vital to the health and vibrancy of Lakeland's local and regional economy. Demonstrating this impact, the following information has been compiled to capture the specific economic impact of Spring Training in Lakeland. The methodologies provided are derived from the Major League Baseball Florida Spring Training Economic Impact Study Report published in June of 2009 by the Florida Sports Foundation and Bonn Marketing Research Group, Incorporated. The estimates were calculated with the support of attendance figures provided through a zip code analysis of the 2019 attendees that purchased admission tickets with credit cards. The information contained herein represents the estimated Economic Impact to Lakeland as a result of the direct spending associated with the 2019 Detroit Tigers Spring Training season. Please note that this information does not include the associated impact to labor, income and employment in Lakeland as a direct result of the Tigers Spring Training activities.

The attendees, for this purpose, are separated into five distinct categories:

- **Out-of-State-Primary Purpose:** This indicates a visiting party from outside of Florida that came to the area expressly for the Detroit Tigers Spring Training.
- **Out-of-State-Other Purpose:** This indicates a visiting party from outside of Florida for that came to the area for another purpose, but attended Spring Training activities.
- **Non-County-Primary Purpose:** This indicates attendance from another County in Florida that visited expressly for the Tigers Spring Training.
- **Non-County-Other Purpose:** This indicates attendance to Polk County for another purpose, but included Spring Training activities.
- **Local:** These include all Polk County residents.

Total attendance for the Detroit Tigers 2019 Spring Training season in Lakeland was 115,490. With 18 games played, the Tigers averaged 6,416 attendees per game. Of that total, **100,620** attendees purchased admission tickets using credit cards. With the use of zip code analysis from these 100,620 attendees, the tables below were created to provide a total average expense within the five unique categories that are being measured.

Dear Ryan:

I have reviewed our previous correspondence, our existing records and provide this as part of our reporting obligation.

Based on the foregoing, I can advise that the representations in our application remain true and correct as stated. Therefore, it is my opinion that the City continues in compliance with all of the grant requirements contained in Fla. Stat. 288.11631 (2) (a) (1-6).

I've also reviewed any concession contracts related to the facility and determined that there are no concession agreements or service contracts with the applicant that would implicate Fla. Stat. 288.1167. Also, the Detroit Tigers have a contractual obligation to comply with all DEO requirements that are imposed on the City. In so doing, contracts awarded, are done so on the same terms and conditions and in accordance with the goals set forth in 287.09451. Most tasks are done by City or team forces so there is no need for service contracts with the facility.

I hope this has been responsive to your request.

Very Truly Yours,

Best of the Ballparks 2019, Grapefruit League: Publix Field at Joker Marchant Stadium

by Ballpark Digest Editors on [March 18, 2019](#) in [Major-League Baseball](#), [News](#)

Publix Field at Joker Marchant Stadium, spring training home of the **Detroit Tigers**, today was named the best **Grapefruit League ballpark of 2019** in the annual **Ballpark Digest Best of the Ballparks** vote.

Fans selected Publix Field at Joker Marchant Stadium over **Spectrum Field**, spring home of the **Philadelphia Phillies**, in the finals of a bracketed online competition at springtrainingonline.com and ballparkdigest.com.

"We know Tigers fans love Publix Field at Joker Marchant Stadium, and so do so many fans of spring training," said Ballpark Digest/Spring Training Online publisher **Kevin Reichard**. "This ballpark represents all the great traditions and history of spring training, and with recent upgrades fans can also enjoy a modern experience. It's really the best of both worlds."

"This award means a great deal to all of us with the Detroit Tigers, and we're honored to be recognized considering the high standard of ballparks throughout the Grapefruit League," said Detroit Tigers Director of Florida Operations **Ron Myers**. "TigerTown is built on the amazing partnerships we have with the City of Lakeland, Polk County, the State of Florida and Publix Corporation, among many others. With the recently completed renovations, we're thrilled to offer an unprecedented gameday experience for fans of all ages, and be one of the best value entertainment and tourist

options in the area. Thank you to the fans for selecting Publix Field at Joker Marchant Stadium for this award, and to the experts at Ballpark Digest for providing the honor."

Publix Field at Joker Marchant Stadium opened in 1966 as the spring training home of the Detroit Tigers and has been renovated several times since, mostly recently in 2017. Part of the historic TigerTown training complex, Publix Field at Joker Marchant Stadium is now a state-of-the-art facility with the addition of outfield seating areas, premium group spaces and new administrative and training buildings. The Tigers and Lakeland have the longest active relationship between a club and spring training host city among all teams in Major League Baseball, dating back to 1934 (taking a break during WWII), with the Tigers playing first at Henley Field and then moving to what is now known as Publix Field at Joker Marchant Stadium. As the needs of MLB teams evolved and grew over the years, so did the scale and civic commitment to both TigerTown and Publix Field at Joker Marchant Stadium, culminating in a 2016-17 renovation that saw the addition of a 360-degree concourse, upgraded seating and new player facilities.

This is not the first time Publix Field at Joker Marchant Stadium has been honored by Ballpark Digest readers: In 2017 the ballpark, which is also home to the Florida State League's **Lakeland Flying Tigers**, was selected as the fans' choice for best High-A MiLB ballpark.

Voters were asked to choose their favorite Grapefruit League spring training venue in a bracketed vote promoted on both Ballpark Digest and Spring Training Online. The previous winner of the Best of the Ballparks vote for Grapefruit League ballparks: LECOM Park, spring home of the Pittsburgh Pirates.

“Roger saw what tremendous success I had with it and he wanted to teach it to everybody because he was familiar with it. He just never exposed it to me at the time. I think at one time, everyone with big enough fingers was trying to throw the split,” said Morris, who agreed the pitch that ignited “The Wave” across Tiger Stadium in 1984 was really a good old-fashioned forkball.

“That’s what I called it. To me, it was a forkball. I split my fingers way deep and a lot of guys didn’t. They threw it more like a changeup and it drops a little bit and it was more like an off-speed pitch. I called it a forkball.”

Morris, who became a five-time All-Star and the 1991 World Series MVP with the Minnesota Twins, broke in with the Tigers in 1977. Within two years, he was the ace of the staff, winning 17 games in 1979 when he only threw a fastball, slider and changeup, which even caught fans leaning forward from their Tiger Stadium seats.

“It was more of an Eephus pitch. I did it just to surprise a hitter. If I could just throw it for a strike 99 percent of the time, they’d take it. It was just something to show them off-speed. The fastball, slider early on, and the fastball, forkball later on, were my go-to pitches,” Morris said.

The Tigers finished the 1983 season in second place with a 92-70 record. Though the first-place Baltimore Orioles went on to win the World Series, the Tigers beat the Orioles eight out of 13 times that season, including a three-game sweep in September. Morris said the Tigers knew then 1984 was going to be special.

“We did. We came to spring training on a mission to prove that we were going to win the American League, but we didn’t have any idea what would happen if we got to the World Series, just because none of us had ever been there. But we knew in our heart of hearts, that we could play and beat anybody in our league,” Morris said.

Southeastern to play Detroit Tigers in spring training exhibition

By Brady Frederickson

Posted Aug 29, 2018 at 5:45 PM

Updated Aug 29, 2018 at 8:25 PM

For the first time since 1998, Florida Southern College will not face off against the Detroit Tigers in their annual spring training exhibition game.

LAKELAND — For the first time since 1998, Florida Southern College will not face off against the Detroit Tigers in their annual spring training exhibition game.

It will be Southeastern, the defending NAIA champions, playing the Tigers on Publix Field at Joker Marchant Stadium on Feb. 22. The game was officially announced during a news conference at Tigertown on Wednesday afternoon.

Currently, the deal is only for the 2019 game.

“I think at Southeastern, one of our values is community,” Southeastern athletic director Drew Watson said. “The Tigers have been here since 1934 and you can’t put baseball and Lakeland together without thinking Detroit Tigers. This opportunity for our university is incredible.”

This will be the Fire’s first exhibition against a major league team.

Florida Southern had played the Tigers 32 times since 1979, but this year’s game was moved to a Friday, creating a scheduling conflict with the Sunshine State Conference that did not allow the Mocs to play. Detroit Tigers Director of Florida Operations Ron Myers said the only day the Tigers could play a game was on the Friday before their Grapefruit League schedule begins in Dunedin against the Toronto Blue Jays on Feb. 23.

Florida Southern begins a conference series at Barry on Feb. 22.

"We hope to resume the series in 2020, if possible," Florida Southern athletic director Pete Meyer said.

The exhibition, in recent years, has been played during the last week of February as MLB has moved the start of spring training back to accommodate an earlier Opening Day.

"Winning your last game, winning a national championship, is going to be a memory that you never forget," Myers said. "I promise you, when you step out on this field and go up against the Detroit Tigers, your knees are going to be shaking, your heart's going to be pumping."

Exhibition games between colleges and big league teams aren't uncommon.

With the stars making abbreviated appearances, the Boston Red Sox have hosted Northeastern University in Fort Myers and the University of Tampa normally plays the Philadelphia Phillies in Clearwater. The Red Sox and Tigers are the only MLB teams playing college exhibitions this spring.

Detroit's last loss to Florida Southern came in 1986. The teams tied in 1992 and 2005.

The series took a break from 1994-98.

For a short time, Southeastern played the Lakeland Flying Tigers in an exhibition game much like the Mocs and Tigers. The Fire beat Lakeland 2-1 in the final game of the series in 2012, but the Flying Tigers won the three other matchups in 2008, 2010 and 2011.

"Coming to Southeastern, you expect to come to a program that's going to win and compete for a national title," Southeastern infielder Nick Bottari said. "I don't think many players actually expect to be playing against the Tigers or getting on base and standing next to Miguel Cabrera. It's really exciting for all of the players."

Baseball to Face Detroit Tigers During 2019 Spring Training

Donnie Smith

Baseball

Posted: 8/29/2018 3:00:00 PM

LAKELAND, Fla. --The defending Avista-NAIA World Series Champions will be taking on its toughest opponent yet.

Southeastern will face the Detroit Tigers at Publix Field at Joker Marchant Stadium on February 22nd in the first game of the 2019 Spring Training season.

In 2018, just six collegiate programs, all of which are NCAA members had the opportunity to face a Major League Baseball team during Spring Training. This marks SEU's first game at Joker Marchant Stadium since a 2-1 win over the Lakeland Flying Tigers on April 4, 2012. The Fire also faced the Tigers A-Advanced affiliate in 2010 and 2011.

"We're blessed just to get the opportunity to get out there and play," said SEU baseball coach *Adrian Dinkel*. "A lot of our guys have hopes and dreams to play at that level and they'll get to see first-hand what that's like. It's something they'll remember for the rest of their lives, and it'll be exciting for our coaching staff and our student body as well."

This marks the first time the Fire will face the Major League club. For the past 19 seasons, the Tigers had opened their Lakeland schedule with Florida Southern.

"At Southeastern, one of our values is community," said Southeastern Director of Athletics *Drew Watson*. "The Tigers have been here since 1934 and you can't put baseball and Lakeland together without thinking Detroit Tigers. This opportunity for our university is incredible."

The 2019 Spring Training will mark the 83rd season for the Tigers in Lakeland, and the 55th at Joker Marchant Stadium.

"On the schedules that were announced today, only two teams are playing college baseball teams during the exhibition season," said Ron Myers, Director of Florida Operations for the Tigers. "Winning a national championship is a memory you'll never forget, but I promise you, when you step on this field and go against the Detroit Tigers, your knees are going to be shaking, your heart is going to be pumping, and you're going to have a lot of fun."

Southeastern went 59-7 last season, going 8-0 in the NAIA postseason to claim the first NAIA national championship in any sport in school history.

THIS PAGE WILL BE UPDATED LATER TO REFLECT THE CHANGES THAT WERE MADE TO THE STADIUM FOR 2017. DUE TO ITS RENOVATION, SOME INFORMATION BELOW WILL BE INACCURATE.

Location

Joker Marchant Stadium is a short drive from I-4. Appropriate for a team from the Motor City, the ballpark's neighbors are auto dealerships. Lakeland's local Honda, Acura and GMC dealerships are in the ballpark's backyard – cars for sale are literally in the shadows of the third base side grandstand.

Directions

Take I-4 to Exit 33 and follow Route 33 South (Lakeland Hills Blvd.) for about 2½ miles and the ballpark will be on your left.

Parking

Although the lot surrounds the stadium, most people park on its first base side in either a grass field or paved lot. You don't want to park on the stadium's third base side, as the limited spaces there are in harm's way. Harm being foul balls. The large grass field behind left field is safe. Just take Granada Street and enter it via Horton Way. A cheaper parking alternative is available at Christ Lutheran Church, which is across the street from the stadium's left field lot entrance. The parking fee there is only \$5 and you'll have the added benefit of avoiding post game parking lot congestion. Just look for the church's \$5.00 baseball parking signs and some older-aged volunteers, whom are church congregation members that in many years also operate a charity hot dog concession in their parking lot that is alongside Granada and about 50 yards from the stadium lot entrance. And when that paved lot fills up, you can also park for \$5 or less at the nearby Peak Worship church, where donations are accepted to park on their lawn, which is along Granada Street too but is a few minutes walk further from the stadium.

Stadium Cost: \$10

Stadium Information

With its Mediterranean-style facade and nicely landscaped exterior, Joker Marchant Stadium is a lovely site to behold. Surrounded by lush trees, it's the centerpiece of the Tigertown complex and has been hosting Tigers spring training games for five decades. The team has trained in Lakeland even longer, since 1934 (excepting the World War II years of 1943-45). The relationship between the city and team is the longest in spring training history. Built for just \$360,000 in 1966, Joker Marchant Stadium was erected with concrete structure during a time when other stadiums were being built with structural steel (concrete withstands rust, structural steel does not). It has expanded over the years from its original capacity of 4,900 through renovations. The most recent one, completed just prior to the 2003 season at a cost of \$10 million, added a berm in left field. The stadium was named after the city's former Parks and Recreation Director, Marcus "Joker" Marchant, who was instrumental in establishing the Tigertown complex.

Fast Facts

- The single lane streets outside the stadium are named for past Tiger greats (Kaline Drive and Horton Way).
- Fans enter the stadium through its narrow home plate gate or via the much wider first and third base gates.
- The ticket office is adjacent to the home plate gate and has a covered waiting area that's partially paved with engraved personalized bricks. Will call tickets can be picked up at each of the 8 windows.
- The concourse is behind the stadium and is completely covered. On the portion behind the main grandstand are a handful of scattered picnic tables.
- The bullpens are next to each other directly behind the right-center field wall. Fans can look down into them from the wide walkway above their location.
- The clubhouses and Tigers' executive offices are housed in the lengthy three-story building that is alongside the backside of the right field concourse.
- A large screen video board debuted in 2017 to serve as the stadium's main scoreboard. It hovers in left-center field behind the berm.
- There is one permanent location selling Tigers merchandise. That's the team store, called The D Shop, which can be walked into from the concourse behind home plate and is close to the portal leading to sections 105 & 106 and 205 & 206. Smaller selections of souvenirs are also available at stands set up on each side of the concourse.

Practice Fields

- The Tigertown complex is behind the outfield and includes six practice fields. Fields 1 through 4 are in a cloverleaf formation. The other two fields are named for a pair of Tigers legends and are on opposite ends of the complex. Al Kaline Field is found behind the Joker Marchant Stadium berm while Hank Greenberg Field is near the Tigertown entrance gate.
- Once the Tigers' spring training schedule begins, fans are not allowed into Tigertown to watch any of the back field practicing. However, fans can stand behind the outfield fences of three of the fields – #2 and #3, plus Al Kaline Field, which is the Tigers' main practice field. For all three fields, plenty of standing room is available in batting practice home run territory between the easy-to-see through chain-linked fences and Granada Street.
- The Tigers take their batting practice inside of the stadium, generally starting three hours before game time and ending just as the gates open. But fans can pay an extra \$5 to get into the stadium early to see Tigers BP. The cost of the "BP Pass" can be added to the price of a game ticket when bought online or at the box office, where already bought tickets can be upgraded, and early

admission is through the 3rd Base gate only, as only the left field berm and left field line grandstand will be open. The time for early batting practice admittance can vary slightly. It's usually 10:00 a.m. but it actually depends on when the Tigers start hitting, which could be later, with their BP generally starting by 10:15 at the latest.

Types of Seating

Fans have their choice between traditional stadium seats with chair backs and armrests, bleachers with or without seat backs, or the outfield lawn.

- Stadium seats: Sections 100-112 and 200-210.
- Bleachers: none
- Berm: A 45-foot sloped hill with a capacity of 400 people encompasses all of left field.

Notes about the seating

- The Tigers dugout is on the first base side. To make sure you're on the home side of the stadium, buy your tickets in sections 100-106 or 200-206.
- An aisle divides the stadium's main grandstand into two distinct sections. Box seats are below the aisle. Reserved seats above it. There are far more reserved seats than box seats.
- All stadium seats have cup holders.
- Handicapped accessible seating is spread throughout the grandstand. It can be found on the aisle above sections 100 and 111, in a dedicated space within section 202, in a raised platform atop section 203, and at the top of sections 209, 212-216 and 302. (Note: Wheelchair spaces and companion seating are designated as row U in sections 212, 214-216 and row W for section 213.)
- The protective netting spans pretty much all of the grandstand, going from sections 100-115 (only most of section 116 is spared).
- Standing room is plentiful on or around the berm. Limited standing room is available directly behind the box seats in the open space between the third base grandstand and bleachers plus in a similar area on the stadium's first base side.
- Ushers in the main grandstand keep its narrow cross-aisle clear at all times and will generally prevent anyone from trying to sneak into a box seat that's sans a ticket for one. They will, however, let you plop down anywhere else in the stadium if you can find an available seat.

Sections and rows

- Rows for sections in the stadium's lower grandstand range as follows: AA to EE in section 100; AA to HH in sections 101-102; FF to HH in sections 103-104; AA to HH in sections 105-108; FF to HH in sections 109-110; AA to HH in sections 111-116
- Rows for sections in the stadium's upper grandstand range as follows: A to Q in sections 200-201; D to X in section 202; A to W in sections 203-204; A to M in section 205; A to Q in sections 206-207; A to M in section 208; A to X in sections 209-210; G to W in section 211; A to T in section 212; A to W in section 213; A to T in sections 214-216
- Rows for sections in the stadium's club level range as follows: A to F in sections 300-302
- Rows I and O are skipped in all sections.

Tickets

- The first three rows of sections 100-113 are sold as Field Box.
- Sections 100-102 are sold as 1st Base Box (except for the 3 rows of Field Box seats).
- Sections 103-113 are sold as infield Box (except for the 3 rows of Field Box seats).
- Sections 114-116 are sold as Left Field Box.
- Sections 200-213 are sold as Reserved.
- Sections 214-216 are sold as Left Field Reserved.
- Sections 300-302 are sold as 34 Club.
- Space on the left field lawn is sold as Berm.
- Standing space on the right field concourse is sold as Runway.
- Prior to their 3rd birthday, children do not need a ticket.

Seats to avoid

Some of the best seats in the house unexpectedly have a protective net in front of them. All Box seats in sections 101 and 102 are affected. They are the first two sections to the right of the Tigers' dugout. Stay away from them unless you don't mind looking through the black netting normally only found behind home plate, where a screen is not as annoying because it's expected.

The final flawed seats worth mentioning are the front rows (row A) of sections 203-210, from where fans have to deal with the double annoyance of obstruction by a too high handrail and foot traffic passing by on the aisle in front of them.

Seats in the shade

The stadium's roof covers rows N & up in sections 202-210. Not only are all seats in those rows covered (and thereby shaded), but because the sun is positioned behind the main grandstand shade is able to creep down further in the nine sections that the roof partly covers. For the typical 1:05 afternoon start, seats that are fully shaded can be found in rows E & up in sections 202-205, F & up in section 206, G & up in section 207, J & up in section 208, and L & up in sections 209-210. Once daylight saving time begins, the seats that receive shade at the beginning of the game shift to at least rows G & up in sections 202-204, F & up in section 205, H & up in section 206, K & up in section 207, L & up in section 208, and N & up in sections 209-210. As the game progresses, more entire rows of seats in sections 206-210 become shaded.

VIP seating

There are six suites, each named after a Tiger legend, on either side of the press box. Two are on the first base side of home plate and four extend down the third base line. All six have balconies with stadium seats.

Game Day

Gates open approximately 2 hours before first pitch - at 11:00 a.m. for an afternoon (1:05) start.

Food, drink and bag policy

- No food can be brought into the stadium.
- Fans are allowed to bring in a sealed bottle of water. Aside from never opened water, all other bottles, cans, thermos jugs and liquid containers are not permitted in the stadium.
- Bags are allowed up to a maximum size of 16" x 16" x 8".

Getting autographs

The Tigers' clubhouse is down the right field line and Tigers players will sign for fans gathered in the box seats between it and their dugout, both before and after the game. The visiting team uses the same clubhouse but their players usually take a route to it that cuts across the field, whereas the Tigers walk along the warning track close to the first base stands. So Lakeland's ballpark is a so-so one for home team autographs and a lousy place for those who prefer signatures from the visiting team. Serious autograph hounds will want to head to the right field corner outside of the stadium following the game and take their chances on a Tiger or two emerging from their clubhouse. The visiting team's bus will also be parked nearby, but behind the fence in a restricted area. So once again fans of the visiting team will likely be thwarted in their autograph pursuits.

Unique ballpark fare

Your taste buds will love the Lakeland concession stands. The Little Caesars Pizza stand is a natural fit, given that Tigers owner Mike Ilich owns the pizza chain. A brat with sauerkraut and turkey burger is on the ballpark menu, in addition to the regular hamburgers, hot dogs and grilled chicken sandwiches that are found at the eight-sided hut on the first base concourse. Specialty stands set up throughout the back of the main concourse are the place to find a whole bunch of not normal ballpark food. Long prominent among them is the stand standing on the third base concourse that serves up big turkey legs along with pulled pork and BBQ nachos. The rest of the rotation can change yearly, with 2015 seeing the introduction of a booth hawking Flint-style Coney Island dogs. The craft beer bar on the first base side concourse has the best non-tap beer selection in the stadium, which serves a small variety of typical or otherwise popular selections on draft (think Miller Lite and Yuengling Lager). Fountain drink pouring rights belong to Pepsi.

Ballpark Area Info

Lakeland is the only remaining spring training site in Florida that doesn't have a beach or major amusement park within a 10 mile or so drive. Really, it's just a sleepy central Florida town best known as the home of Publix Super Markets and as a destination for aviation buffs ([Fantasy of Flight](#) is nearby). As its name would suggest, Lakeland does have lots of lakes, one of which (Lake Parker) you can see from the upper third base grandstand. But unlike the majority of other Grapefruit League cities, it's not a place you'd normally visit outside of spring training although there is one site that many folks do stop by year-round to see. That would be the "[Child of the Sun](#)" collection of buildings found at Florida Southern College, which is about four miles from the stadium, that were designed by the legendary American architect Frank Lloyd Wright. The college's campus is home to a dozen such buildings, making it the largest single-site collection of Wright's architecture in the world.

Travelers' notes

- The stadium is just a couple miles south of I-4.
- [Henley Field](#), the Tigers' original spring training home in Lakeland, is just 1.4 miles from Joker Marchant Stadium and is still used by Florida Southern College, a Division II school that has won 9 baseball championships
- The stadium's location is less remote than it feels, but Lakeland is definitely not the typical tourist town in a state full of them.

Detroit Tigers Spring Training: The Grand Tradition in Florida

There is now a single greatest institution in Florida spring training: Tiger Town in Lakeland. The Tigers have been training in Lakeland since 1934 and have been playing in Joker Marchant Stadium since 1966. In those many years Tiger Town has evolved into a complete training complex that includes the ballpark, other training fields, dorm, training facilities and team clubhouses.

Though **Publix Field at Joker Marchant Stadium** is the second-oldest ballpark still in use in spring training (LECOM Park dates back to 1923; Joker Marchant Stadium opened in 1966), it doesn't feel old after the latest round of renovations. The Tigers and Lakeland have embarked on a few rounds of renovations in recent years; you can still see the original concrete risers in the grandstand, but otherwise everything else about the ballpark has been upgraded.

The changes implemented for 2017 were among the most extensive ever. On the player/front-office side, the old administration building was torn down, with a new administration building (complete with new clubhouses and training facilities) going up in right field. That's a big change, but the other changes are focused on the fan side.

Ballpark History

Joker Marchant Stadium was built in 1966 and named after the city's popular parks and rec director, Joker Marchant.

The 800-seat Henley Field, the former spring-training home of the Tigers, still exists and was used by the Lakeland Tigers for the 2002 spring training season. The Cleveland Indians used Henley Field for spring training from 1924 to 1927, and the Tigers used it for spring training between 1934 and 1966. Florida Southern University calls Henley Field home.

Following the historic agreement to ensure the Detroit Tigers winter home remains in Lakeland for an unprecedented 100 years, we're excited to unveil the renovations taking place at the newly christened Publix Field at Joker Marchant Stadium.

More Comfort, Entertainment and Fun

There will be more comfort, more entertainment and more fun in a family friendly atmosphere.

More Shade - There are six new covered sections (211-216), increasing the number of covered seats (rows N and up) from 1,246 to 2,098 seats (increase of 41%), while more seats will be shaded with the extended roof. The new 34 Club will provide an additional 203 covered seats, while casting shade to sections 200-201, previously unprotected from the sun.

More Box Seats - Sections 111 and 112 have been rebuilt and expanded, and we've added four additional box seat sections down the third base line (113-116), bringing the total seating in the 100 sections from 1,243 to 1,888.

More Air Conditioned Spaces - The 34 Club, presented by Miller Lite, located atop sections 200-201, features an indoor bar and seating, an all-inclusive buffet and outdoor padded seating for 203 fans. Four former suites on the third base side of the press box have been transformed into the On Deck Suite, an all-inclusive space for 36-60 people that includes upscale food and beverages. You can also cool off in the new 1,800 square foot indoor merchandise store, located at the home plate entrance.

More Concession Stands and Offerings - The concession stands have been rebuilt and expanded with all new equipment, offering more items, while rotating in new items to keep the menu fresh and exciting. A new point of sale system should shorten wait times and digital menu boards will allow us to easily post new food offerings and food specials.

More Restrooms (rebuilt and expanded) - The number of women's restroom toilets is increasing 50% from 48 to 72. Men's toilets/urinals are increasing from 38 to 48. Two new family restrooms have been added.

More Wheelchair Accessible Seating (and Elevators) - Four new wheelchair accessible seating sections were added atop sections 212, 214, 215 and 216, and while the wheelchair accessible section in 205 is being removed; the number of ADA seats (wheelchairs and companion seats) increased from 30 to 42. Two additional elevators have been added, bringing the total to three. Elevators will now be located near the home plate, first base and third base entrances.

More Premium and Group Seating - The 34 Club, presented by Miller Lite will sit atop sections 200 and 201. This brand new upscale offering celebrates the Tigers relationship with the City of Lakeland that dates back to 1934, the longest-standing relationship between a major league team and a current Spring Training host city. Enjoy an all-you-can-eat buffet (the menu changes daily), air-conditioned indoor seats and outdoor seating. Perfect for individuals and small groups during Spring Training.

On Deck Suite - Situated behind section 208, the On Deck Suite provides a living room feel, with comfortable furniture and couches, HD TVs and an all-inclusive buffet (the menu changes daily). Outdoor seating is also available to take in all the action. Ideal for groups of 48-60 during the Flying Tigers season, the On Deck Suite is available for Spring Training in sets of four season tickets.

Hooters Dugout - Located adjacent to section 100 just down the first base line, the Hooters Dugout is the prime spot for autographs and player interaction. Perfect for groups of 20-40, the area includes an all-you-can-eat picnic with select ballpark and Hooters food, along with your own private waitress staff.

Pepsi Pavilion - Featuring two tiers with covering to protect against the sun and rain, the Pepsi Pavilion is perfect for groups ranging from 30-200 people. A mix of fixed stadium seats, drink rails and picnic tables allow for groups to watch the action or socialize with friends and family, while enjoying an all-you-can-eat picnic.

Margaritaville - Presented by Margaritaville Rum & Tequila, located directly down the right field line, the Florida themed Margaritaville Deck mixes a Florida theme with views of the bullpens and

clubhouse. Featuring two tiers of seating, Margaritaville is available during Spring Training to groups of 44-120 and will double as a group/public place during the Flying Tigers season.

Suites - Two additional suites have been built at the top of section 205, along with the two existing suites to receive a complete makeover. A portion of the On Deck Suite can be sectioned off to create a fifth suite. Each suite is furnished with new flat screen TVs (includes the MLB package), WiFi, wet bar, indoor seating and 12 outdoor seats.

New Features

A number of new features have been added - improved technology and public spaces to enhance your game day experience.

LED HD Video Displays and Scoreboard - A new state-of-the-art HD videoboard and scoreboard, measuring 46 feet wide by 26 feet tall (1,196 square feet), will sit atop the berm in left field, one of the largest boards in all of Spring Training, along with a ribbon board in right field. These boards will include day experience, from more player information and stats, to new and exciting in-game promotions.

Sound System - A new sound system will allow us to control each individual speaker, reducing and increasing the volume where needed.

Berm Bar - Sitting under the new scoreboard in left field, the berm bar will feature 360-degree bar seating, picnic tables, and a ticketed 120-foot drink rail with waitress service during Spring Training.

The Runway - Built on top of the former Lodwick Field airstrip, The Runway will connect the first base concourse and the berm, providing fans a 360-degree view of the field. Fans will be able to watch the game from drink rails or beach chair seating, get a unique look into the bullpens, check out the history of TigerTown, and enjoy unique food and drink offerings.

Kids Playground - Adjacent to the berm, our new playground will be the go to spot for kids of all ages. Centered around a 27-foot inflatable Tiger bounce house, the playground will also feature a whiffle ball field and other interactive games for kids to enjoy.

New Player Amenities - As a year around facility and rehabilitation center for both our major and minor league players.

Clubhouse and Weight Room - New clubhouses have been constructed for the Detroit Tigers and Flying Tigers, along with a brand new 7,068 square-foot weight room and agility area, one of the largest in all of Major League Baseball.

Minor League and Practice Fields - A new observation tower has been constructed, allowing player development staff to get a 360-degree view of the four practice fields. One field has been replaced with artificial turf, making it suitable for play shortly after rain storms and allowing year-round activity, while the other fields underwent maintenance in the offseason. New practice mounds and a 9,000 square-foot air-conditioned batting cage have also been erected.

Rehabilitation Facilities - The new athletic training facility is outfitted with some of today's most advanced treatment and rehabilitative modalities offered, allowing Lakeland to become a year-round rehabilitation and training facility for all major and minor league players. From class IV laser technology to neuromuscular stimulation, the facilities will allow the Tigers sports medicine staff to promote a more efficient environment for the healing process to take place.

Funding Source	Project Amount
OTTED*	823,489.87
Total**	823,489.87

* Represents the OTTED Funding
 ** This project has been completed and closed.

Total project costs are \$35,746,465.50 plus \$823,489.87 for a total of \$36,569,955.37. The City provided the County with \$9,753,524.00 that was used by the County for the renovation of the Stadium and is included in the total of \$36,569,955.37. The \$9,753,524.00 came from the OTTED grant funds on hand through 8/15/2011 and the proceeds of bonds issued by the City. Funding of the bond principal and interest payments is covered by the OTTED funds received since 8/15/2011. Since the bond principal and interest is being paid with the OTTED funds, the OTTED funds on hand as of 8/15/2011 and the bond proceeds are State funds, and the difference is local funds. Therefore, of the \$36,569,955.37 in total project costs, \$26,816,431.37 is local funds and \$9,753,524.00 is State funds.

2. PROJECT FINANCING.

2.1 The Governmental Project Funds shall consist of the following:

2.1.1 From the County:

2.1.1.A Net proceeds from the County's bond issue from the issuance of County's bonds in a par amount which shall not exceed the maximum amount permitted to be issued without voter referendum, expected to be approximately \$18.7 Million on or about October 1, 2009.

2.1.1.B Cash collections of one-half (1/2) of one percent (1%) of the County's Tourist Development Tax beginning as of March 1, 2008 estimated to be approximately \$2 million by the date of issuance of the County bonds.

2.1.1.C. County cash contributions from legally available non-ad valorem revenues in an amount not to exceed \$3 million.

2.1.1.D And/or such other County funds from legally available, non ad valorem revenues as may be required to fund the County's Guaranteed Project Funds obligation in the amount of \$23.7 million.

2.1.1.E Net proceeds from the City's bond issue from the City's OTTED grant funding or a cash equivalent from legally available, non-ad valorem revenues in an amount no less than \$7.5 million.

2.1.1.F Collectively, the Governmental Project Funds shall be and not exceed \$31.2 million for the Project.

2.2 All Governmental Project Funds shall be made available for the Project no later than thirty (30) days after the execution of the Project Documents (unless otherwise agreed by the Parties and as otherwise contemplated in Section 3.14) and shall immediately be placed in a construction fund account (the "Construction Fund Account") administered by the County for the sole and exclusive benefit of the Project. All interest accrued on the Governmental Project Funds (except for bond debt service reserve fund interest) shall be made available for the Project and together with the Governmental Project Funds shall constitute the Maximum Governmental Project Funds.

2.3 The Orioles shall provide the County, as part of the Project Design Plan, with a detailed cost estimate of the total Project costs, including the uses of the Maximum Governmental Project Funds and such other funds, goods or services as might be required from or arranged by the Orioles ("Project Costs").

2.4 Except as provided in, and subject to the terms of, this Agreement or the Project Documents, and further provided that the County fulfills its obligations in this Agreement and the Project Documents, the Orioles shall complete the Project and shall be responsible for the payment of any and all Project Costs in excess of the Maximum Governmental Project Funds (the "Orioles Project Contributions"). With regard to the funding of any Project Costs in excess of the Maximum Governmental Project Funds, the Orioles, at its discretion, shall either deposit the required funds directly in the Construction Fund Account prior to the incurrence of such excess Project Costs, or shall provide to the County any necessary assurances reasonably required by the County (e.g., letter of credit) that the Orioles Project Contributions shall be available in a timely manner, or discharge such payment obligations directly with vendors, concessionaires, contractors or project service providers, in which case the Orioles shall provide the County with written documentation of the payment discharge or in-kind transaction as more particularly set forth in Subsection 2.5. The Orioles also shall comply with any applicable County ordinance or Florida statute related to construction funding requirements for public projects.

2.5 The Orioles shall have the right to enter into any manner of agreements with its vendors, concessionaires or others to provide goods, materials and/or equipment to the Project, which shall be considered, for all intents and purposes, as part of the Orioles' Project Contributions. (For example, the Orioles' concessionaire for the Major League Stadium may be permitted to provide concessionaire equipment to the Sites.) The Orioles will inform the County, in writing, with a description of any Orioles' Project Contributions to the Sites made by any Orioles' vendors, contractors, concessionaires or other third parties and shall summarize relevant terms of such agreements and any other agreements that could impact the County's ownership interests in the Sites. The description shall be jointly submitted on behalf of the Orioles and the respective vendor, contractor, concessionaire or other such third party as may be

appropriate. Any such third party agreement shall be made in accordance and comply with applicable County ordinances and regulations.

2.6 In connection with the Orioles' Project Contributions, the County and the Orioles shall promptly meet after the execution of this Agreement and review the feasibility of issuing taxable or tax-exempt bonds at the request of the Orioles supported by Orioles' funds and/or rent, as the case may be, payment in lieu of taxes or such other funding mechanism as may be mutually agreeable to the Parties; however, the County shall be under no obligation to establish any such funding mechanism for the Orioles Project Contributions. To the extent that any such mutually agreeable funding mechanism requires the City to issue bonds, the County agrees to request that the City take reasonable steps to issue said bonds. To the extent that bonds are issued as part of the Orioles Project Contributions, the bond proceeds, net of all reasonable and customary expenses and costs, shall be deposited in the Construction Fund Account for the benefit of the Project.

3. DEVELOPMENT AND CONSTRUCTION OF THE PROJECT.

3.1 The County and the Orioles will execute a definitive, long form project development agreement for the Project which shall incorporate the relevant terms and conditions contained in this Agreement, and such other terms and conditions as are customarily included in similar agreements and as may be mutually agreed, and will establish the framework for the design and construction of the Project, within one hundred fifty (150) days after the execution of this Agreement (the "Project Development Agreement"), unless the Parties, in their respective sole discretion, deem the provisions of this Section 3 are adequate for such purpose.

3.2 The Project Development Agreement shall include the Project Design Plan and a detailed schedule outlining the time and actions anticipated necessary with respect to the Project, including a project design schedule that will address the coordination necessary to prepare the project scope, selection criteria and timeline for the procurement process (the "Project Schedule").

3.3 Time being of the essence, the County shall take all such action as is necessary to expeditiously conduct all of its Project reviews and exercise its approval rights, which in all instances may not be unreasonably withheld, conditioned or delayed. The County shall support the issuance of all City permits and approvals necessary for the Project and shall use its best efforts to obtain a commitment from the City in the Interlocal Agreement to provide expedited review and priority scheduling for any permit or development approval submitted to the City for the Project.

3.4 After the Project Development Agreement is finalized and approved by the County, the County agrees to promptly proceed with authorizing and issuing any and all procurements necessary for the Project. To the fullest extent permitted by law, regulation or ordinance, the Orioles shall be permitted to participate with the County and approve the selection of the architects, contractors, subcontractors, vendors and other professionals for the Project. The Orioles shall also have, to the fullest extent permitted by law, primary responsibility for and will take the lead in developing and constructing the Project, the right to approve any agreements to be entered into by the County for the Project (and any phase, portion or work order thereof), and

the right to approve the selection of any goods, materials, equipment, fixtures and furnishings for the Project.

3.5 Time being of the essence, the selection criteria for the architect of record shall include, but not be limited to: whether the architect has past performance with the Project Site(s) and/or with the Orioles; experience in the architectural design of Major League Baseball professional baseball facilities, and in particular, design experience specifically related to Major League Baseball spring training projects; and, professional personnel committed to the Project shall have had significant experience in projects of a similar nature or have worked on at least five (5) similar project types. Time being of the essence, the County, or the Orioles through the Project Development Agreement, shall promptly select and enter into contracts with all architects, contractors, subcontractors, vendors and other professionals for the Project. In the event that the Parties mutually agree to have either the County or the Orioles enter into a contract for the architect of record before the Project Documents are finalized, they shall reach a separate agreement for the funding of that contract from the Construction Fund Account.

3.6 The Project Development Agreement shall require, and the County shall obtain, guaranteed maximum price contract(s) (or such other arrangements as may be mutually agreed to and generally permissible under Florida Statutes) as part of the competitive selection process, in order to ensure that such contract(s) obtain the maximum value in relation to cost for each phase and portion of the Project and control the overall cost of the Project. No amendments or adjustments (including, but not limited to, change orders) shall be made to any maximum price contract(s), except as agreed to by the County and the Orioles. The County agrees not to request any amendments or adjustments (including, but not limited to, change orders) and shall have no right to adjust the scope of the Project and/or the Project Schedule unless mutually agreed. To the extent that the Orioles request an amendment or adjustment (including, but not limited to, change orders) which is agreed to by the County resulting in a Project Cost in excess of the Maximum Governmental Project Funds, then the Orioles shall comply with the provisions set forth in Section 2.4 above. The County agrees that the construction and design contracts which it enters into in connection with the Project shall contain provisions acceptable to the Orioles providing for liquidated damages in commercially reasonable amounts if the Project is not completed on time and prior to the completion date set forth in the Project Development Agreement. All such provisions must comply with Florida Statutes and be agreed to by the County and the Orioles. The County agrees that it shall strictly enforce any such liquidated damage provisions and diligently pursue any liquidated damages to which it is entitled. Any liquidated damages received by the County shall be allocated first to any damages caused to the Project by the breach or other wrongful act to compensate the party harmed. Unless otherwise provided in this Agreement or the Project Documents, the Orioles' sole remedy for damages resulting from any delay in the completion of the Project shall be the rights to receive liquidated damages under the construction and design contracts for the Project. The County shall, at the Orioles' request, take all reasonable action necessary to enforce the liquidated damages or other remedy provisions necessary to effectuate this provision. The County and the Orioles shall not be liable to each other for the payment of any construction delay damages, provided that the delay is not caused by the gross negligence, willful misconduct or the breach of a material provision of this Agreement or the Project Development Agreement. The Parties acknowledge that a construction contract cannot be entered into until the Project Documents are finalized (unless otherwise agreed by the Parties).

3.7 The Project Development Agreement shall require each architect, contractor, subcontractor, vendor or Project professional to secure and retain such policy or policies of insurance as are required by the Project and shall ensure that all contractors and vendors furnish payment and performance bonds in a commercially reasonable amount established by the County and shall list the Orioles as an additional insured party.

3.8 The Project Development Agreement shall also provide that, to the fullest extent permitted by law, the Orioles shall have the right and primary responsibility to coordinate the development and construction of the Project and, at the Orioles' discretion, conduct progress meetings at mutually agreed upon frequency of all of the architect, contractor(s), subcontractor(s), vendors and other professionals. The County shall have the right to retain an owner's representative with experience in the construction of sports facilities. The reasonable and customary cost of the County's owner's representative shall be included in the Project Cost, provided that such costs have been presented to the Orioles for review and approval prior to payment, such review and approval not to be unreasonably withheld, conditioned or delayed. The Orioles may retain a representative and/or design consultant with experience in the construction of sports facilities. The reasonable and customary costs of the Orioles representative and/or design consultant shall be included in the Project Cost, provided that such costs have been presented to the County for review and approval prior to payment, such review and approval not to be unreasonably withheld, conditioned or delayed. The Orioles shall provide for such cost estimates associated with the Orioles' and County's representatives in the Project Design Plan. Except as provided in this Section, the County and the Orioles shall not impose any management or administrative fees to the Project (or any procurement, phase, portion or work order thereof) nor seek reimbursement from the Construction Fund Account for any costs or expenses, other than costs or expenses directly related to the Project that are typically outsourced and outside of the County's operating budget (and specifically not including legal fees, County staff time, internal project management and the like) for which the County seeks reimbursement or payment from the Construction Fund Account. Any such request for payment from the Construction Fund Account shall be first provided to the Orioles for approval, such approval may not be unreasonably withheld, conditioned or delayed. The County and the Orioles shall participate in the development and construction of the Project and shall keep each other fully and timely informed of, and actively involved in, all material decisions regarding the development and construction of the Project, at all phases of the development and construction process. Customary County permit fees shall be chargeable to the Construction Fund Account.

3.9 The Project Development Agreement shall provide that each of the Orioles and the County shall designate representative(s) with authority to act in connection with all issues requiring such Party's approval, agreement or concurrence with regard to the design, development and construction of the Project within all applicable laws, ordinances and policies. All approvals, agreements or concurrences required in Sections 1 and 3 shall be the responsibility of and shall be made by such representative(s). Such representative(s) shall be invited to participate in all development and construction meetings held in connection with the Project.

3.10 The Project Development Agreement shall provide that the County shall place the Governmental Project Funds and any applicable Orioles Project Contributions in the Construction Fund Account for the benefit of the Project. The Orioles shall have the right to monitor the draw

schedule and progress payments, progress of construction and the funds remaining in the Construction Fund Account, and the Orioles shall be regularly kept informed by the County as to the Construction Fund Account balances. The County shall hold the funds in the Construction Fund Account for the benefit of the Project and shall promptly release, without delay, reduction or offset, such funds only upon approval for disbursement by the Orioles and the County, such approval not to be unreasonably withheld, conditioned or delayed.

3.11 If the Project is anticipated to exceed any maximum price contract(s), either because of a change order(s) or for any other reason beyond that which is contained in the Project agreements (and specifically excluding items resulting from an error or omission by the County, the Orioles or any architect, contractor, subcontractor, vendor or other professional), such cost increases must be approved by the Parties. Change orders and/or Project cost overruns resulting from an error or omission by any architect, contractor, subcontractor, vendor or other professional engaged on the Project shall be the responsibility of the person or entity committing such error or omission. Subject to the provisions of Section 2.4 hereof, the Orioles may adjust the scope of the Project, including any procurement, phase, portion or work order thereof; provided, however that any material changes to the Project Design Plan which increases the Project Cost must be reviewed and approved by the County, which approval may not be unreasonably withheld, conditioned or delayed. Notwithstanding the preceding sentence, the Orioles shall not materially and substantially reduce the estimated number of fixed seating positions in the Major League Stadium, the estimated square footage of the Major League clubhouse or the number of fields as set forth in Section 2 hereof without the express prior written approval of the County.

3.12 The County represents and warrants to the best of its knowledge that no zoning changes are necessary or required in order to construct the Project and there are no known restrictions on the Sites. The County agrees to the fullest extent permitted by law to refrain from taking any action to request that the City diminish or restrict the zoning and the Orioles existing zoning rights on the Major League Baseball Site for the duration of the Lease. Should the Orioles intend to seek a zoning change at any time during the Lease, in connection with the Major League Site, the County shall take such action within its control to place such matters before the City for consideration on an expedited basis.

3.13 To the fullest extent permitted by law, the Orioles and/or its designees shall have full rights and discretion as to the placement and orientation of all improvements and uses, points of ingress and egress and internal circulation on the Sites, so long as the required buffers and setbacks and all other requirements of the zoning category and other governing regulations, ordinances and statutes are satisfied and subject to the County's review and approval, which approval shall not be unreasonably withheld, conditioned or delayed. The Orioles and/or its designees, with County input and approval, shall have discretion as to the architectural style and character of all improvements on the Sites, so long as the required buffers and setbacks and all other requirements of the zoning category and other governing regulations, ordinances and statutes are satisfied.

3.14 If the Orioles elect to conduct Major League Spring Training at the Major League Site in 2010, the Orioles shall be entitled to use (or seek reimbursement from) the Construction Fund Account for costs and expenses reasonably incurred to re-brand Ed Smith Stadium for use

by the Orioles, subject to the approval of the County, which approval shall not be unreasonably withheld, conditioned or delayed.

4. LEASE TERM; RENT.

4.1 Lease Term. The Parties shall execute a definitive, long form Lease within one hundred fifty (150) days after the execution of this Agreement, incorporating the relevant terms and conditions contained in this Agreement, and such other terms and conditions as are customarily included in similar leases and as may be mutually agreed, unless the Parties, in their respective sole discretion, deem the provisions of this Section 4 and other applicable provisions of this Agreement are adequate for such purpose. The Term of the Lease shall be for thirty (30) years commencing November 1, 2009 and continuing through October 31, 2039 (the "Term"). The Orioles intend to commence Major League and Minor League Spring Training Operations at the Sites beginning with the 2010 spring training season. The Parties acknowledge that adjustments to the commencement of Spring Training Operations may need to be made based upon the Project schedule and maximizing the value of the Governmental Project Funds, which determination will be made by the Orioles, after consultation with the County. The Orioles agree that during the Term they shall play their Major League spring training home games at the Major League Site, except for those spring training games played by the Orioles as it returns to Baltimore to open the Major League championship season (no more than five spring training games) or as otherwise may be scheduled by Major League Baseball (i.e., international goodwill games) or otherwise provided in this Agreement or the Project Documents. As part of the definitive Lease, the Orioles will enter into a binding and enforceable non-relocation agreement with the County that includes appropriate specific performance and injunctive relief provisions. Except as provided in Section 20 of this Agreement, during the Term, the Orioles shall not relocate its Major League and Minor League Spring Training Operations from the County.

4.2 Rent. The Rent for the Term shall be one dollar and 00/100 (\$1.00), payable in advance for the entire Term at the time of execution of the Lease.

4.3 Revenues Generated. Except as provided herein, the Orioles shall have the sole and exclusive right to all commercial activity on the Sites and to retain any and all proceeds, revenues and fees generated by or through the Orioles' use or occupancy of the Sites during the Term, including, but not limited to all revenues derived from all events at the Sites, all revenues from tickets, parking fees, promotions, sponsorships, advertising, signage, concessions, license fees, and all other sources of revenues. The Lease shall contain agreement(s) for the County use of Major League Site and the Minor League Site as referenced in Section 5 hereof. As to the Orioles' use of the Sites, the Orioles shall have the sole responsibility to pay all sales, use and federal income tax due with respect to revenues and fees that they collect or receive. With respect to the parcel(s) North of 12th Street, the Orioles shall have the right to seek to develop the parcel(s) and shall have the right to make an application(s) for a zoning category change, if necessary, or seek any other zoning mechanism to permit commercial activity on the parcel(s). Such application(s) shall be subject to all County and City processes, procedures, codes and ordinances and the approval(s) of the appropriate governmental entity(ies). The County shall have the right to approve any development proposal submitted by the Orioles.

5. LEASED PREMISES; USE AND OPERATION.

5.1 Major League Site. The County agrees to lease to the Orioles the Major League Site, including all improvements, fixtures and furnishings located or constructed thereon relating to any of the same for the duration of the Term for the Orioles' full beneficial use of and to the Site. The Orioles' right to utilize the Major League Site shall be on an exclusive basis during the Term for all lawful purposes, except as provided in Sections 5.4 and 5.5 herein but the Orioles shall have the exclusive right to use, on a year-round basis, the offices, clubhouse area and other locations on the Major League Site that may be constructed or renovated following the date hereof which may be designated by the Orioles as included in the Orioles' exclusive areas, subject to the County's approval, which may not be unreasonably withheld, conditioned or delayed. During the Spring Training Period, from December 15th to April 30th of each calendar year during the Term (the "Spring Training Period") except as otherwise provided in Section 5.4(a), the Orioles shall have the exclusive use of the Major League Site and may utilize the Major League Site for all lawful purposes.

5.2 Minor League Site. The County agrees to lease to the Orioles the Minor League Site, including all improvements, fixtures and furnishings located or constructed thereon relating to any of the same for the duration of the Term for the Orioles' full beneficial use of and to the Site. Except as otherwise provided in this Agreement, the Orioles shall have the right to utilize the Minor League Site on an exclusive basis for all lawful purposes, from January 15th to April 30th of each calendar year ("Minor League STP"), and on a non-exclusive basis (other than the Orioles' exclusive use areas as defined below, which are exclusive to the Orioles on a year-round basis) for all lawful purposes. During the Minor League STP, the Orioles shall have the full, beneficial and exclusive use of fields number 1 and 2 at all times and the non-exclusive use of fields number 3, 4 and 5 as provided in this Subsection. During the Minor League STP, fields number 3, 4 and 5 shall be exclusive to the Orioles at all times necessary, in the Orioles' reasonable discretion, to conduct its spring training operations. During the Minor League STP, the County may make fields number 3, 4 and 5 available for public recreational purposes with the Orioles' prior approval to each such use and the terms, conditions, dates and times of such use. The Orioles' approval as to any use request under this Subsection shall not be unreasonably withheld, conditioned or delayed. Any public recreational use authorized during the Minor League STP pursuant to this Subsection shall not (a) interfere with the Orioles' spring training baseball activities or (b) be permitted under weather or other conditions which would adversely impact the condition of any playing fields. The County shall require that all public recreation uses of the fields carry full and adequate insurances, naming the Orioles (and the County if appropriate) as a named insured and such other requirements as provided for in Sections 5.4 and 5.8. The Orioles agree that the County shall have the right to enter into an agreement with the high school team which has historically utilized field number 5 during the Spring Training Period for high school practices and games on terms, conditions, dates and times reasonably acceptable to the Orioles and consistent with current practices, this Subsection and Section 5.4. The high school team shall be authorized to display its logo and colors during high school practices, games and tournaments held on field number 5 and shall retain rights to the sponsor recognition signs along the inside face of the outfield fence provided that (i) any such sponsorship or signage does not conflict with an Orioles exclusive sponsorship; and (ii) the Orioles retain the right to also display signs. The Orioles shall have the exclusive right to use, on a year-round basis, the offices, clubhouse area and other locations (the "Team's Exclusive Minor League Areas") and

other areas on the Minor League Site that may be constructed or renovated following the date hereof which may be designated by the Orioles as included in the Team's Exclusive Minor League Areas, but not including the fields and public parking areas, subject to the County's approval, which may not be unreasonably withheld, conditioned or delayed. The subparcel of the Minor League Site set forth in Section 14 shall be, upon completion, deemed part of the Team's Exclusive Minor League Areas.

5.3 Orioles As Promoter of the Sites. During the Term, at all times, the Orioles shall be the "promoter" of the Major League Site and the Minor League Site for all lawful purposes, including all events conducted thereon or therein, except as expressly provided herein. The Orioles shall use commercially reasonable efforts to market the Sites actively during the Term. The Orioles shall be entitled to retain all "promoter" fees, if any, in connection with any for profit events at the Sites, except for Historical Events as defined in section 5.4(a) (unless the Orioles and the Historical Event party expressly agree otherwise).

5.4 Historical Events. The Orioles spring training operations, baseball-related events and other Orioles' beneficial uses of the Sites shall have priority scheduling status at all times on the Sites. The Parties acknowledge that the Sites have at times historically hosted certain events other than spring training operations and baseball-related events. The following shall be referred to as "Historical Events":

(a) Major League Site: (i) Booker High School – six (6) event day uses, including one (1) event use at the Major League Stadium; (ii) Cardinal Mooney High School – six (6) event day uses, including one (1) event use at the Major League Stadium; (iii) Sarasota Baseball Classic, provided that it is not scheduled between December 15th and April 7th in any calendar year; (iv) Florida High School Athletic Association State Baseball Championship Finals at the Major League Site provided that it is not scheduled between December 15th and April 7th in any calendar year and is held for no more than seven (7) consecutive days; (v) the City Blues Festival for three (3) consecutive days or less, provided it is held exclusively on the practice fields adjacent to the stadium, conducted in accordance with historical practice and further provided that City Blues Festival is held in October or the first week of November; (vi) the AAU 14 and under Division 1 National Championships, provided that it is scheduled in July or August; (vii) Circus Sarasota, provided that it is located on the parking parcel North of 12th Street, unless otherwise agreed by the Orioles and Circus Sarasota, and within the months of January and/or February and that it does not interfere with the Orioles' spring training events; and (viii) the Sarasota Spartans youth soccer program for limited use of the parking parcel North of 12th Street during the months August through November on a temporary basis, such temporary use not lasting more than four (4) years from the date of this Agreement. The Orioles shall accommodate the aforementioned Historical Events at the Major League Site (excluding the Orioles' exclusive use areas), under the terms and conditions provided in this Section and consistent with the Orioles' priority of use for spring training operations; and

(b) Minor League Site: During the Minor League STP, as provided in Section 5.2. At times other than during the Minor League STP, the County may utilize the Minor League Site (other than the Team's Exclusive Minor League Areas) for public recreational use under the terms and conditions of Section 5. The Orioles shall endeavor in good faith to work with the County and the community to accommodate the aforementioned Historical Events at the Minor

League Site (excluding the Team's Exclusive Minor League Areas), under the terms and conditions provided in this Section and consistent with the Orioles' priority of use for spring training operations.

(c) Other Uses: In addition to any other Orioles' uses of the Sites, the Orioles may, in its sole discretion, permit the use of the Sites for other historical events, including AAU baseball practices and games, or other historical events.

As to each Historical Event authorized in this Section, the Historical Event shall be conditioned upon the Historical Event party (which may be the County or a third party) obtaining the Orioles' prior approval as to the date and time of the requested Historical Event and entering into a contract with the Orioles for use of the Site requested, which contract shall include a requirement to carry full and adequate insurances, naming the Orioles (and the County as appropriate) as named insureds, provisions for the payment of all actual and incremental costs and expenses associated with the use and such other terms and conditions as may be reasonable or necessary. The Historical Event shall not be on dates and times that (a) interfere with the Orioles' baseball activities or (b) under such weather or other conditions which would adversely impact the condition of any playing fields. To the extent that tickets are sold for Historical Events that are for-profit, if any, the ticket surcharge shall be applicable to all such tickets, unless otherwise determined by the Orioles, in its sole discretion. Any Historical Event must be requested in writing to the Orioles annually prior to November 30th for the following twelve (12) month period. Should the Historical Event desire to propose the scheduling of a Historical Event under this Agreement other than as provided in the preceding sentence, the Historical Event shall propose such event to the Orioles for consideration and approval as soon as practicable and in a reasonable enough period of time to allow the Orioles full consideration of the request.

5.5 County Use of Major League Site. Other than as provided in Section 5.4(a) (with regard to Historical Events), the County may use or authorize for use the Major League Site for civic-oriented non-profit events for up to eight (8) days per year outside of the Orioles' Spring Training Period, as defined in Section 5.1 hereof, and only with the Orioles' prior written approval, not to be unreasonably withheld, conditioned or delayed, at no charge to the County other than for reimbursing the Orioles as provided in Section 5.8 below. The County may sublease its rights contained in this Section 5.5 to the City of Sarasota for City sponsored civic-oriented non-profit events, subject to the Orioles' approval of the third party contract or other agreement governing the event, which approval shall not be unreasonably withheld, conditioned or delayed. The Parties acknowledge that the Sites shall not be used on dates and times that (a) interfere with the Orioles' baseball activities and/or (b) under such weather or other conditions which would adversely impact the condition of any playing fields. The Orioles spring training operations, baseball-related events and other Orioles' beneficial uses of the Sites shall have priority scheduling status at all times on the Sites. For scheduling purposes and to avoid any interference with the Orioles' beneficial use of the Sites, the County shall annually, prior to November 30th of each year, provide the Orioles with a proposed schedule of any civic-oriented non-profit uses for following twelve (12) month period for which the County requests the Orioles' approval. Should the County desire to propose the scheduling of a permissible event under this Agreement other than as provided in the preceding sentence, the County shall propose such event to the Orioles for consideration and approval as soon as practicable and in a reasonable enough period of time to allow the Orioles full consideration of the request. The dates

and times during which the County may use the Major League Site shall be selected by mutual agreement of the Parties and the Orioles agree to take into consideration the historical practice of certain event dates which have been utilized for City and County sponsored events.

5.6 [Intentionally Omitted]

5.7 County Use of Minor League Site. The County may use or authorize for use the Minor League Site, excluding the Team's Exclusive Minor League Areas, in accordance with Section 5.4, for civic-oriented non-profit use subject to the prior approval of the Orioles, not to be unreasonably withheld, conditioned or delayed. The Orioles shall have scheduling priority for the use of the Minor League Site.

5.8 General Conditions of Use of the Sites. The County shall be responsible for the payment of all actual and incremental, out-of-pocket operating and maintenance expenses for all County-authorized civic and recreational uses of the Sites. The costs, reimbursements and expenses for Historical Events requested by third parties under Section 5.4 shall be the responsibility of the requesting party, in accordance with the terms and conditions provided in that section, unless otherwise agreed to by the Orioles. The County shall be responsible to restore the fields and related facilities to the condition at the time prior to such County-authorized civic or recreational use, so as to provide the Orioles with the full beneficial use of and to the Sites. To the extent that the Orioles incur costs or expenses to operate, maintain, repair or restore the Sites as a direct result of the County-authorized civic or recreational use of the Sites, the County shall reimburse the Orioles for such costs and expenses in a timely manner upon invoice. The County shall remain solely responsible for any damage or destruction that may occur as a direct result of such use by the County or its invitees or authorized parties. In accordance with the provisions of Section 5, the Orioles and the County shall enter in an event agreement(s) for any County-authorized use under Section 5.4 (as appropriate), Section 5.5 or Section 5.7 prior to such events setting forth the terms and conditions for such County use and further delineating the County's reimbursement obligations.

5.9 County's Right of Entry. The County reserves the right to enter any portion of the Sites upon reasonable prior notice to the Orioles, notwithstanding the exclusive right of the Orioles to use such portion, if in the reasonable judgment of the County, entry is necessary to inspect, repair or maintain the Site, or is necessary to protect the public health, safety or welfare.

5.10 Quiet Enjoyment. During the Term and subject to the terms of the Lease, the Orioles shall be entitled to peacefully have and enjoy the use of the Sites, without unreasonable interruption or interference, subject to the County's rights of use and access, as provided in this Agreement.

6. TICKET SALES; PARKING.

6.1 The Orioles shall set the ticket prices for all spring training games and other events at the Major League Site and the Minor League Site for which tickets are sold, other than as Historical Events and County (City or authorized public) civic-oriented non-profit events provided for in Section 5. The Orioles shall manage all ticketing operations, including ticket sales for all events at the Sites other than at Historical Events and County civic-oriented, non-

profit events, and the Orioles shall be entitled to receive all Gross Revenues from Ticket Sales collected by the Orioles on an annual basis during the Term. All Gross Revenues From Ticket Sales shall be the sole and exclusive property of the Orioles, except as provided for in Section 5 for County ticket sales from applicable County (or City or authorized public entity) sponsored events which shall be managed, sold, and belong to the County (or City or authorized public entity), and except for ticket sales from Historical Events. For purposes of this Agreement, "Gross Revenues From Ticket Sales" shall mean the total gross revenues from ticket sales less any taxes or charges imposed by Major League Baseball or any governmental, regulatory or taxing authority generally, included in the gross price of the ticket to the purchaser and required to be remitted by the Orioles as the portion of such receipts payable to the visiting team or to any such governmental, regulatory or taxing authority. The ticket surcharge provided for in Section 12 shall be charged and applicable on all tickets sold in connection with for-profit events at the Sites, whether Orioles, County or City sponsored events. The ticket surcharge provided for in Section 12 shall be charged and applicable on all tickets sold for profit historical events at the Sites, unless otherwise determined by the Orioles, in its sole discretion. The Parties agree that Gross Revenues from Ticket Sales shall also exclude and be reduced by the surcharge as described in Section 12. All ticket surcharges collected by the Orioles, County or City or any party authorized to utilize the Sites for which tickets are sold shall be deposited in a timely fashion in the Capital Repair and Improvements Fund established and described in Section 12.

6.2 The Orioles or its designee shall control the parking at the Sites, and without limiting anything contained in Section 4.3 above, the Orioles shall collect and retain all parking fees and related revenues derived therefrom, except for parking revenues from County (or City) sponsored civic-oriented non-profit events as provided for in Section 5.4, 5.5 and 5.7, for which the net revenues (after payment of applicable expenses as provided in Section 5.8, including any taxes or charges or payment to any parking operator(s) and reimbursement of incremental, out-of-pocket expenses in connection with the collection of parking revenues) shall belong to the County.

7. CONCESSIONS.

7.1 The Orioles shall control and receive all revenues from the sale of all foods, beverages, merchandise, novelties and logo items and the like, including, but not limited to, scorecards, yearbooks and novelty items carrying the logo or marks of the Orioles or of any other Major League team (collectively, commonly called "concessions") on the Major League Site and the Minor League Site. The Orioles shall be free to operate the concessions in-house or contract with a third party(ies) to operate such concessions on terms and conditions approved by the Orioles

7.2 No outside concessionaire or vendor shall be permitted on the Sites, including for a Historical Event, without the Orioles' prior written approval. For all authorized County (or City) uses of the Sites under Section 5.5, and for any Historical Events under Section 5.4, the County (or City) or Historical Event party shall use the Orioles' concessionaire for all food services unless the Orioles and/or the Orioles' concessionaire determine, in their sole discretion, not to provide concession services for the event. If the Orioles or its concessionaire determine not to provide such concession services, the County (or City) or Historical Event party may request that the Orioles' approve the use of a third party food service concessionaire on the Site to

service the event. The Orioles' written approval shall not be unreasonably withheld, conditioned or delayed. For all authorized County (or City) uses of the Sites under Section 5.5, the Orioles will endeavor to require in its food service concession agreements or extensions with its concessionaire that the concessionaire, if it agrees to provide food service for a County (or City) event pursuant to Section 5.5, that the concessionaire will consider entering into a revenue-sharing agreement with the County (or City) to share a portion of its profits, if any, with the County (or City) or provide a fair and reasonable discount for its food services. Any such profit sharing or discount shall be determined on a case-by-case basis and within the sole discretion of the Orioles and the Orioles' concessionaire. As to all such events pursuant to Section 5.5, the concessionaire may not charge the County (or City) more than its usual and customary food and service charges (but may charge less) associated with an Orioles event. In the event that the County (or City) or a Historical Event party under the terms and conditions of this Section, are permitted to use a third party concessionaire with the Orioles' approval and desire to use the Orioles' concessionaire's equipment or facilities, the County (or City) or Historical Event party shall enter into an agreement for such use with the Orioles and the Orioles' concessionaire on such terms and conditions as may be acceptable to the parties. The County shall notify the Orioles of any proposed County civic-oriented, non-profit events under Section 5.5 for which it desires that the Orioles' concessionaire provide concessions operations no less than fifteen (15) business days prior to the date of such event.

7.3 The County shall use its best efforts to ensure that all concession equipment, along with all furniture, fixtures and equipment, at the Major League Site and the Minor League Site that is County or City owned or is anticipated to be left by the current tenant is inventoried and conveyed to the benefit of the Project to the extent it is deemed by the Orioles to be beneficial to the Project, subject to the County's approval, not to be unreasonably withheld, conditioned or delayed.

8. SCOREBOARD AND NAMING RIGHTS.

8.1 The Orioles shall have all rights to sell or otherwise assign naming and/or presenting sponsorship rights to all or any portion of the Major League Site and the Minor League Site, including the Major League Stadium. The Parties acknowledge the Minor League Site is currently referred to as the Buck O'Neil Baseball Complex and the Orioles will endeavor to refer to the baseball complex as such in materials and publications. The Orioles shall obtain the County's consent only as to whether the County objects to the association of the County with the naming and/or presenting sponsor and contends that such association is materially adverse to the County and will damage its reputation or the public's interests. The Orioles agree that the name of a tobacco company or product will not be used. The County may not unreasonably withhold, condition or delay its consent to a naming rights or presenting sponsor.

8.2 The Orioles shall control the scoreboard message center (the "Scoreboard"), the sound, public address and related systems at the Sites (collectively, the "AV Information Systems") for any and all events at the Sites during the Term. The Orioles will work cooperatively with the County to include a limited number of public service announcements and announcements of County programs and civic-oriented events at Orioles' events. The Orioles' personnel or designee shall operate all AV Information Systems at all times during the Term unless the Orioles agree otherwise; however, during Historical Events or County (or City or

authorized public) civic-oriented non-profit events, and subject to the Orioles' right and obligation to operate the AV Information Systems, the County shall have the right to determine the audio content and sell temporary event day only electronic message advertising on the Scoreboard content display. If Orioles personnel are utilized to operate the AV Information Systems, the Orioles shall be reimbursed for such actual incremental, out-of-pocket costs and expenses and other applicable expenses as provided in Section 5.8. Without limiting the foregoing, in no event may the County sell any temporary event day electronic message advertising on the Scoreboard content display to an entity if the sale or content of such electronic advertising would cause the Orioles to breach any exclusivity granted to a naming rights, presenting sponsor or any exclusive Orioles' sponsor.

9. BROADCASTING.

9.1 The County will cooperate with the Orioles in identifying locations and available connectivity of commercial fiber, cabling, electrical, communications data transmission systems and the nearest head-ends (the "Broadcast Interface Equipment") in order for the Orioles to broadcast games played by the Orioles during the Term. The Orioles shall be responsible for all connectivity charges or fees payable to the vendor or utility. The County shall not charge the Orioles any fees or connectivity charges and the Orioles shall be permitted to use available easements on the Sites for connectivity purposes.

9.2 The Orioles shall have the exclusive broadcasting rights for all events at the Sites, other than as provided in this Subsection during the Term and all revenues derived therefrom shall be the property of the Orioles, including but not limited to all park and power fees and other charges levied upon visiting teams or for or in connection with other productions year-round. The Orioles shall have all rights to determine the content of any Orioles' broadcast and the Orioles shall have all rights to sell any advertising on any Orioles' broadcast during the Term. Subject to the rights of third parties, the Orioles shall have a fully-paid, transferable, license to broadcast and re-broadcast worldwide in perpetuity, images, photographs, audio and audio/visual recordings of all events of and from the Sites. The County shall have the non-exclusive right to broadcast the Historical Events and the approved County (or City or authorized public) civic-oriented non-profit events at the Sites utilizing its broadcasting equipment and personnel or, upon mutually acceptable terms, the Orioles' broadcasting equipment and personnel. Subject to the rights of third parties, the Orioles may broadcast any of the Historical Events or County (or City or authorized public) civic-oriented non-profit events from the Sites at its discretion.

10. PROMOTION AND TOURISM.

10.1 The Orioles acknowledge that the County is undertaking a substantial financial responsibility to fund portions of the Project. The Orioles and County agree to develop an ongoing promotional relationship for the purpose of promoting Sarasota County and the Greater Sarasota County region as a desirable and attractive year-round vacation and meeting destination venue and for the promotion of the Orioles' spring training games and ticket sales related thereto. The Orioles shall make available on an annual basis after consultation with the Sarasota Convention and Visitor's Board and the Sarasota Tourism Development Council, certain promotional and tourism opportunities set forth in Exhibit 4. The Parties shall meet on an annual basis to review and amend Exhibit 4 as may be mutually agreeable from time to time.

10.2 The parties acknowledge that the Minor League Site is located at County-owned Twin Lakes Park which contains identifying signage and will continue to do so. To the extent permitted by Major League Baseball rules and regulations, the Orioles will provide the County with certain limited use rights as to the Orioles' marks and logos, subject to the Orioles' prior written approval in each instance, which will allow the County to promote its partnership with the Orioles at the Sites and on County literature and advertisements.

10.3 The Orioles shall provide the County with ten (10) prime location tickets (in groups of two (2) and four (4)), as determined by the Orioles, for all games and events at the Major League Site free of charge throughout the Term. In addition, the Orioles shall provide the County with event tickets for all seats in a luxury suite for up to four (4) Orioles spring training games per year; provided, however, that the suites have not been sold to a corporate or other purchaser and are available for the Orioles use and assignment. The County shall also be provided at no cost with adequate, preferred parking for all events for which tickets have been provided. The luxury suite, tickets and parking provided hereunder shall be used for tourism promotion and economic development purposes. The surcharge provided in Section 12 shall not be applicable to any complimentary event tickets or any tickets for which no payment is made by the County or other third party.

11. OPERATIONS AND MAINTENANCE.

11.1 Except as to Historical Events and County (or City or authorized public) civic-oriented non-profit events and as provided in Section 5.8, the Orioles, as lessee of the Sites, shall be responsible solely for payment of all operating expenses and routine maintenance and repairs of the Sites during the Term. The Orioles shall operate the Sites in a safe, clean, attractive, and first class manner comparable to that of other Major League Baseball spring training and minor league facilities and shall provide on-Site fire, EMS, police and traffic control for games and other events at the Major League Site under the Orioles' control as may be necessary. The County shall be responsible to provide such on-Site fire, EMS, police and traffic control for all County civic-oriented, non-profit events as may be necessary. Throughout the Term and except as otherwise expressly provided herein, the Orioles shall be responsible for and provide all cleaning and operational maintenance services for the Sites, including the playing and practice fields located thereon, in conformity with the practices of Major League Baseball spring training facilities and Major League Baseball standards, rules and regulations. For purposes of this Agreement, operating expenses and routine maintenance and repair services shall mean those ordinary cleaning, maintenance and ordinary repair services necessary to keep the Sites in first class, good and working condition and are ordinary and recurring expenses for current repair and maintenance that do not improve an asset or add to its useful life and that are not treated as capital expenses for federal income tax purposes. The County shall have no responsibility for any operating or routine maintenance or repair expenses for the Sites except as related to County civic-oriented, non-profit events or County approved recreational events pursuant to Section 5 or in connection with Section 18. The requesting party for Historical Events shall be responsible for any operating or routine maintenance or repair expenses for such Historical Events which shall be included in the contract described in Section 5.4 above, unless otherwise agreed by the Orioles. In the event that the County utilizes the Sites or authorizes their use, in whole or in part, the County shall be responsible to maintain and repair the fields and related facilities to the condition

prior to the time of County use, so as to provide the Orioles with the full beneficial use of and to the Sites. To the extent that the Orioles incur costs or expenses to maintain or repair the Sites as a direct result of the County's use of the Sites, the County shall reimburse the Orioles for all actual incremental, out-of-pocket costs and expenses associated therewith and other applicable expenses as provided in Section 5.8, in a timely manner upon invoice.

12. CAPITAL REPAIR AND IMPROVEMENTS FUND.

12.1 The County shall establish, administer and maintain a Capital Repair and Improvements Fund in an interest bearing account dedicated for the exclusive benefit of the Sites for the purposes expressed in this Section.

12.2 The Parties acknowledge that during the Term there will be capital repair and improvement items necessary to maintain or preserve the condition, structural integrity, safety or functionality of the Sites or to address physical obsolescence. Physical obsolescence means that the structure, foundation, surface, components, systems, fixtures or condition: (i) no longer adequately functions for the purposes for which it was intended, (ii) is dysfunctional in whole or in part, or (iii) poses a hazard to the public's accommodation. The Capital Repair and Improvements Fund shall not be used for the Orioles' general operations and routine maintenance and ordinary repair obligations or for any County (or City) obligations to reimburse the Orioles or pay for costs and expenses associated with the County's (or City's) use of the Sites or the use of the Sites by the public. This Fund is intended only for capital repairs and improvements as expressed in this Section, and which would customarily be treated as a capital item for federal income tax purposes. Capital repairs and improvements shall include all expenditures for a fixed asset, or which extends the useful life longer than one (1) year or adds value to or increases the usefulness or productivity of an existing asset.

12.3 The Capital Repair and Improvements Fund shall be funded by annual contributions from each of the Parties in accordance with the following schedule:

<u>For the Years</u>	<u>Annual Contribution</u>
2011 through 2015	\$125,000
2016 through 2020	150,000
2021 through 2025	175,000
2026 through 2030	200,000
2031 through 2035	225,000
2036 through 2039	250,000

12.3.1 A surcharge upon all Orioles game tickets sold and all other for-profit ticketed events conducted at the Sites shall be considered a contribution to the Capital Repair and Improvements Fund as if made by the Orioles directly:

12.3.1.A For all tickets with a face value of \$5.00 or less, the ticket surcharge shall be fifty (50) cents per ticket sold.

12.3.1.B For all tickets with a face value in excess of \$5.00 but less than \$10.00, the ticket surcharge shall be \$1.25 per ticket sold.

12.3.1.C For all tickets with a face value of \$10.00 or more but less than \$20.00, the surcharge shall be \$1.75 per ticket sold.

12.3.1.D For all tickets with a face value of \$20.00 or more but less than \$30.00, the surcharge shall be \$2.00 per ticket sold.

12.3.1.E For all tickets with a face value of \$30.00 or more, the surcharge shall be \$2.50 per ticket sold.

12.3.2 In any year, the Orioles shall have the sole right to charge or modify the ticket surcharge in its sole judgment.

12.3.3 Notwithstanding the foregoing, if the amount of the annual surcharge collected is: (A) less than the Orioles' Annual Contribution, the Orioles shall contribute the difference to the Capital Repair and Improvements Fund; (B) more than the Orioles' Annual Contribution, the amount of such excess shall not be credited toward its Annual Contribution for any other year.

12.4 Contributions to the Capital Repair and Improvements Fund shall be made by the County and the Orioles no later than January 15 of each year for the preceding year. No expenditures may be made from the Capital Repair and Improvements Fund without the prior approval of both the County and the Orioles.

12.5 All interest accruing on the Capital Repair and Improvements Fund shall be added to the Fund and available for Fund purposes.

12.6 The Orioles and the County shall jointly review the Fund balance on an annual basis. Beginning in the fifth (5th) year after substantial completion of the Project and every five (5) years thereafter, the Parties shall conduct an independent structural and engineering analysis of the Sites. The cost of such analysis shall be paid from the Capital Repair and Improvements Fund. To the extent that the structural and engineering analysis provided for in this Section 12.6 identifies a material structural or engineering condition that should be addressed by this Section, the Capital Repair and Improvements Fund will be made available to the extent that the Orioles and the County agree to authorize those repairs or improvements.

12.7 The County and the Orioles shall annually cooperatively develop a rolling five (5) year capital repairs and improvement plan for the Sites. The Orioles shall submit to the County, on or before June 1 of each year, a proposed budget of anticipated capital repairs and capital improvements for the succeeding year. The proposed budget shall include a detailed statement of the reason for and cost of proposed capital expenditures. The County shall review the proposed budget and notify the Orioles on or before August 1 of the same year whether it has approved all or any portion thereof, which approval will not be unreasonably withheld, conditioned or delayed. In the event of an emergency requiring a capital expenditure or other capital expenditure deemed necessary by the Orioles but not included in the budget, the Orioles shall promptly notify the

County after discovery of the emergency or need for the capital expenditure, and the Orioles and the County shall work cooperatively together in good faith to address the need for the capital expenditure.

12.8 The County shall be responsible for identification of funding sources and the timely payment of all approved capital expenditures that cannot be paid out of the then-remaining balance in the Capital Repair and Improvements Fund. The Orioles acknowledge that any such payment by the County is subject to appropriation and approval by the County Commissioners.

12.9 The Orioles, with the cooperation of the County, shall supervise the making of all capital repairs and improvements to the Sites.

12.10 Notwithstanding anything provided in this Section 12, the insurances required in Section 16 of this Agreement shall be maintained in full force and effect.

13. FUTURE IMPROVEMENTS.

13.1 Subject to the applicable provisions of Section 4.3 hereof, the Orioles may develop and construct additional improvements on the Sites during the Term which are permitted by the zoning on the Sites, and any such improvements shall immediately be subject to the Lease. The Orioles shall prepare and provide to the County a plan showing such additional improvements, an estimate of the cost of the improvements and the Orioles commitment to pay for and a funding plan for such improvements prior to construction. The County shall have the right to review and approve all such improvements, such approval not to be unreasonably withheld, conditioned or delayed. The development and construction of any such additional improvements on the Sites during the Term shall be completed by the Orioles in accordance with applicable law.

14. YOUTH BASEBALL ACADEMY AND FACILITIES.

14.1 The Parties acknowledge that it is mutually beneficial to facilitate the establishment of a youth baseball academy and youth tournaments, serving both the Greater Sarasota County region and players and teams from other areas. The Orioles and Ripken Baseball have expressed a desire and are willing to locate a Cal Ripken Youth Baseball Academy and youth tournaments at the Minor League Site. The County has agreed to permit the Orioles to sublease or co-locate a portion of the Minor League Site (as identified on the preliminary Site sketch attached hereto as Exhibit 2) as a possible and acceptable location for the youth baseball academy, facilities and fields and the County has agreed to provide said area to the Orioles for such purposes as a cleared and leveled portion of the parcel. The County consents to the development and use of the aforementioned areas for all such fields and facilities as may be necessary and appropriate for the full and beneficial use of those areas for a youth baseball academy and youth tournaments. The Orioles and/or Ripken Baseball with review and approval of the County, which shall not be unreasonably withheld, conditioned or delayed, shall have full rights to the design and architectural style of the fields and facilities. The timing of the development and construction of the youth fields and facilities is dependent upon raising the necessary funds to proceed with the project. Notwithstanding the preceding sentence, the Orioles and Ripken Baseball will commit to provide a commercially reasonable level of youth baseball activities in the Greater Sarasota County region pending the establishment and construction of the

youth baseball fields and facilities and the availability of requisite fields and facilities. The development and construction of youth baseball facilities pursuant to this Section shall be subject to the provisions of Section 13 hereof.

15. NO IMPACT FEES.

15.1 To the extent legally permissible, the Orioles shall not be responsible for the payment of any road impact fees, justice impact fees and general government impact fees in connection with the development or use of the Project.

The policies of insurance shall be primary and written on forms acceptable to the County and placed with insurance carriers approved and licensed by the Insurance Department in the State of Florida and meet a minimum financial AM Best Company rating of no less than "A-Excellent". No changes are to be made to these specifications without prior written specific approval by the County's Risk Management Department.

The County shall retain the right to review certificates, declarations and policies of insurance, at any time, in order to confirm coverage, form, and amount of insurance in accordance with this Agreement. The County shall be named as an additional insured on all Orioles' policies of insurance under this Agreement and the Project Documents.

Notices of Accidents (occurrences) and Notices of Claims associated with this Agreement shall be provided to the Orioles insurance company and County Risk Management as soon as practicable after notice to the insured.

16.2 County Insurance Requirements. The County shall procure and maintain, during the term of this Agreement and the Project Documents insurance as listed below.

Commercial General Liability: The County is self-insured for all liability claims and related expenses pursuant to the provisions of Florida Statute 768.28.

The County shall provide a copy of the Certificate of Insurance listing the Orioles as the additional insured. The property insurance shall insure against damage or destruction to any components of the Sites, providing "all risk" peril coverage, including coverage against hurricane, flood, sewer backup and earthquake. In the event of a loss or damage as described above, the County shall be responsible to retain a project manager to obtain an inspection and estimation of damages and repair and/or replacement costs to bring the Sites to their pre-loss condition in a timely and efficient manner. The County shall promptly report in a timely manner all claims and shall pay all deductibles in connection with such claim. Insurance proceeds recovered from submitted property damage claims for the Sites pursuant to this Section shall be placed in a joint escrow account and used to repair or rebuild the Sites and the County shall be obligated to promptly restore the Sites to its original or better condition. In the event that the insurance proceeds are insufficient to repair and restore the Sites to their previous pre-loss or substantially similar condition, the Orioles shall have no obligation to utilize its own funds to repair or restore the Sites. In the event the County determines that the Major League Site and/or the Minor League Site should not be repaired, the Orioles are entitled to immediate termination of this Agreement, and the Project Documents or any portion thereof (e.g. termination of the Major League Site but not the Minor League Site) without penalty. In the event the Orioles elect to terminate this Agreement and the Project Documents, there shall be an abatement of all monies due hereunder from the date of unavailability. The County, as applicable, shall be required to immediately notify its insurance carrier(s) in the event of any loss and shall promptly submit all claims, and all insurance proceeds of such policies paid for property damage to the Sites shall be for the benefit of the Sites and the Orioles and promptly applied to the repair, replacement and refurbishment and restoration of the Sites, and in accordance with the procedures established by the County and the Orioles and/or its designees for the initial construction of the Project, unless otherwise agreed upon by the County and the Orioles.

17. ENVIRONMENTAL.

17.1 The Major League Site has been used for Major League Spring Training for more than twenty (20) years. Portions of the Major League Site were used as a landfill and asphalt plant in the past. The Major League Site is the subject of a consent order between the City and the Florida Department of Environmental Protection. The Interlocal Agreement with the City obligates the City, as set forth in the consent order, to continue to perform its environmental monitoring, reporting and other requirements under applicable environmental laws, following transfer of title to the Sports Complex to the County. It is contemplated that the City will need to enter into an amendment to the consent order providing for the closeout of the consent order. If it is determined that the Major League Site cannot be used as depicted on the preliminary project plans or that the Site presents a potential hazard to the public's health and safety or if the State of Florida or any other governmental agency requires remediation efforts, then the Orioles and the

County shall discuss funding the remediation costs, and if no agreement is reached prior to commencement of construction on the Major League Site, the Orioles shall have the right, in its sole discretion, to terminate this Agreement upon thirty (30) days written notice to the County.

18. DISASTER PREPAREDNESS/SHELTER.

18.1 The Sites may be used, in areas agreed upon by the Parties, for emergency response personnel and equipment, debris and debris-removal equipment for natural disaster preparations, response, and potential shelter. In the event the County uses the Sites pursuant to this Section, the County agrees to completely remove all disaster/hurricane-related debris and materials from the Sites and take such other remedial action as may be necessary within a reasonable period of time prior to the Spring Training Period so as to allow the Orioles full beneficial use of and to the Sites. The County shall be responsible for all damage, clean-up, maintenance, repairs and costs and expenses in connection with the use of the Sites for disaster purposes, and the County shall promptly clean up, repair and restore the Sites, all at no cost or liability to the Orioles. Notwithstanding anything in this Agreement to the contrary, the County shall be responsible for any liability arising out of or in connection with the County's (and its invitees) or the public's use of the Sites pursuant to this Section and the County agrees to indemnify, defend and hold the Orioles and its officers, directors, partners, employees, agents and representatives harmless in connection with such use of the Sites by the County (and its invitees) or the public.

19. TAXES; AVAILABILITY OF ADDITIONAL STATE FUNDS.

19.1 The County represents that (1) it shall acquire from the City and shall continue to have throughout the Term, all ownership interests in the Major League Site, (2) as of the date hereof, it has and shall continue to have throughout the Term, all ownership interests in the Minor League Site, (3) as such, has the full authority to grant the Orioles the rights provided hereunder, and (4) this Agreement has been entered into for the public purpose of promoting tourism, gainful employment and economic growth in Sarasota County and the State of Florida. It is the intent and understanding of the Parties that the leasehold interest to be held by the Orioles pursuant to the Lease shall be immune from Property Taxes, including ad valorem taxation for long as such constitutional immunity remains in effect.

19.2 For purposes of this Agreement, "Property Taxes" shall mean all ad valorem taxes, real estate taxes and assessments or payments in lieu of real estate taxes which are levied against the Lease and/or the Sites (and any improvements thereon), including all general and special taxes levied by the County, the City or any political subdivision or taxing authority of the County or the City or the State of Florida, including but not limited to school districts, or transit authorities, so long as such tax is based upon or measured by the valuation of the land, the improvements (including the Project), or any of their respective leasing arrangements.

19.3 If the Orioles and/or its designees may be eligible for any tax benefits, exemptions, abatements, credits, grants or other refunds the County shall cooperate with the Orioles in pursuing such.

19.4 The County and the Orioles shall each use their best efforts to obtain additional funds from the State of Florida, authorized for the use of spring training facilities construction or renovation, for economic development, tourism, disaster relief or staging, hurricane hardening purposes and/or any other purpose that can be made available for the Sites in connection with the Orioles' use and occupancy thereof and to dedicate such additional funds to the Capital Repair and Improvements Fund.

20. FORCE MAJEURE.

20.1 Neither party hereto shall be liable for any delay or failure in the performance of any obligation under this Agreement or the Project Documents or for any loss or damage (including indirect or consequential damage) to the extent that such nonperformance, delay, loss or damage results from any "Force Majeure". For purposes of this Agreement, a "Force Majeure" shall mean and include without limitation, any fire, flood, explosion, damage by third parties whether negligently or intentionally caused, acts of God or Nature or other casualties, strikes (including, without limitation, any strike by the Major League Baseball Players Association), lockouts (including, without limitation, any lockout by the League), work stoppages, picketing or other concerted action by any employees or any labor organization, national emergency or state of war, the laws or actions of any governmental authority, or any other event or cause that is beyond the control of the Parties. Notwithstanding anything contained in this provision, a strike by the MLBPA or lockout by the League will not be a Force Majeure event with respect to the Project Development Agreement.

Without limiting any remedies available at law or in equity, in the event the purposes of this Agreement and/or the Project Documents are frustrated as a result of the actions, rulings, determinations, findings, orders, judgments or directives of any state or federal or other governmental agency or as a result of the actions of third parties in connection with, relating to, or arising from, the existence of any hazardous materials on, in, under, affecting or emanating from all or any portion of: (1) the real property located at 12th Street and Tuttle which has historically been used as a Major League Spring Training facility and includes training facilities, practice fields, clubhouses, offices, the "Ed Smith Stadium" and other improvements and fixtures located thereon, and/or (2) the real property located North of 12th Street and South of 17th Street and the corner parcel North of 12th Street (the "Major League Site") which may cause (i) substantial and material delay to the Project, (ii) substantial and material additional costs to the Project, (iii) substantially and materially restrict or prohibit the Project or its substantial completion or (iv) in any other way substantially and materially frustrates the purposes of this Agreement and/or the Project Documents, then the Orioles and the County shall discuss such situation, and if no mutually acceptable agreement is reached between the Parties to resolve the situation, then either Party shall have the right to terminate this Agreement and the Project Documents upon thirty (30) days written notice to the other Party; provided that, any Party may submit this matter to binding arbitration, which arbitration must be requested, conducted and fully concluded within sixty (60) days of the written notice of termination, solely as to the issue of whether that Party's termination was reasonable under the facts and circumstances, including the purposes of this Agreement and the Project Documents and based upon the delay, additional costs, restriction or prohibition as expressed in this Section.

20.2 If as a result of any Force Majeure the Sites are unavailable for Spring Training in any of the years during the Term, this Agreement and the Project Documents shall be regarded as suspended for the period of unavailability without liability to either Party so long as the period of unavailability is no more than two (2) consecutive Spring Training Periods during the Term. If the Sites shall be unavailable for two (2) consecutive Spring Training Periods during the Term, the Orioles shall have the right to terminate this Agreement and the Project Documents without any further liability to the County. To the extent that the Sites are unavailable for a Spring Training Period, the County shall use its best efforts to assist the Orioles in securing, at no cost to the Orioles, suitable facilities in the County to conduct its Spring Training Operations. If no suitable facilities are available, in the Orioles' sole discretion, the Orioles may locate its Spring Training Operations at facilities outside the County and the Orioles shall be relieved of all obligations under this Agreement and the Project Documents for such period.

21. DEFAULT, REMEDIES AND TERMINATION.

21.1 If either Party hereto (the "Defaulting Party") shall fail to perform any of its obligations under this Agreement or any of the Project Documents, then the Party not in default (the "Non-Defaulting Party") shall provide notice of such failure to the Defaulting Party and afford the Defaulting Party a grace period to cure said failure, as follows:

21.1.1 Where a grace period is specifically provided, that specific grace period shall apply.

21.1.2 Where a grace period is not specifically provided, the Defaulting Party shall afford the Non-Defaulting Party a grace period of: (i) five (5) business days to cure monetary failure; and (ii) thirty (30) days to cure any non-monetary default; provided, however, that if any non-monetary failure cannot be cured within such thirty (30) day period, the Defaulting Party shall be afforded such additional time as shall be reasonably required to cure such failure, if the Defaulting Party has commenced the appropriate cure within said initial thirty (30) day period and thereafter proceeds with reasonable diligence to cure said failure.

21.1.3 If any failure to perform shall not have been cured by the expiration of the applicable grace period, then a "Default" shall be deemed to have occurred and the Non-Defaulting Party shall have the rights and remedies set forth in Section 21.2 below.

21.2. If a Default shall occur, the Non-Defaulting Party shall have the right (but not the obligation to cure such default on behalf of the Defaulting Party, in which event the Defaulting Party shall immediately reimburse the Non-Defaulting Party for all sums paid by it to effect such cure, together with interest thereon at the annual rate of interest equal to the prime rate of interest charged by the County's primary financial institution to its commercial customers with the highest credit rating plus one and one-half percent ("the Default Rate").

21.3 County Termination. The County may terminate this Agreement or any of the Project Documents upon thirty (30) days prior written notice to the Orioles of any of the following events (collectively hereinafter referred to as the "Orioles Defaults"):

21.3.1 If the Orioles desert or vacate one or both of the Sites;

21.3.2 If, by order of a competent authority, a receiver, liquidator or trustee of the Orioles shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days after the making of such order, or if by decree of such authority the Orioles shall be adjudicated or determined to be bankrupt or insolvent, or if the Orioles shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;

21.3.3 If the Orioles fail to make any payments to the County pursuant to this Agreement or any of the Project Documents within sixty (60) days following written notice of such payment Default; provided however, the Orioles shall have the right to withhold any amounts disputed in good faith until the settlement of any such dispute; or

21.3.4 If the Orioles breach any material provision, agreement or obligation under this Agreement or any of the Project Documents, that is not cured within sixty (60) days after notice of such Default; provided, however, that if such Default cannot be cured within such sixty (60) day period, but the Default is capable of cure within a reasonable period of time which is acceptable to the County, and the Orioles diligently pursue such cure, the Orioles shall be allowed such agreed upon time period to cure such Default.

21.4 Orioles Termination. In addition to the termination rights contained elsewhere in this Agreement, the Orioles may terminate this Agreement or any of the Project Documents upon thirty (30) days prior written notice to the County of any of the following events (collectively hereinafter referred to as the "County Defaults"):

21.4.1 If, by order of a competent authority, a receiver, liquidator or trustee of the County shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days of the making of such order, or if by decree of such authority the County shall be adjudicated or determined to be bankrupt or insolvent, or if the County shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;

21.4.2 If the County fails to make any required payments or deposits to the Governmental Project Fund, Construction Fund Account or the Capital Repair and Improvements Fund or fails to make any payments to the Orioles pursuant to this Agreement or any of the Project Documents within sixty (60) days following written notice of such payment Default; provided, however, the County shall have the right to withhold any amounts disputed in good faith until the settlement of any such dispute; or

21.4.3 If the County breaches any material provision, agreement or obligation under this Agreement or any of the Project Documents that is not cured within sixty (60) days after notice of such Default; provided, however, that if such Default cannot be cured within such sixty (60) day period, but the Default is capable of cure within a reasonable period of time which is acceptable to the Orioles, and the County diligently pursues such cure, the County shall be allowed such agreed upon time period to cure such Default.

21.5 Cumulative Rights. The remedies heretofore described in this Section 21 shall be in addition to any other remedy the Non-Defaulting Party may have at law or in equity in the event of a Default, including without limitation:

21.5.1 An action to recover monies then due and owing from the Defaulting Party, together with interest thereon at the Default Rate, from the date on which such monies were due;

21.5.2 An action for specific performance of non-monetary covenants and agreements on the part of the Defaulting Party; and/or

21.5.3 An action for recovery of all actual losses, costs and reasonable attorneys' fees incurred by the Non-Defaulting Party in connection with, arising out of or in any way related to the Default.

21.6 Injunctive Relief. Without limiting any other remedies of the County on account of a Default by the Orioles available in accordance with Section 23 of this Agreement, the County will be irreparably harmed if the Orioles violate the Lease by the transfer, move or other relocation of the Orioles' spring training activities to locations other than the Sites during the Term otherwise than as provided or permitted by this Agreement or the Project Documents. Accordingly, the Orioles hereby agree that in the event of such a violation or threatened violation of the Lease, the County shall be entitled to seek and obtain a temporary restraining order, together with preliminary and permanent injunctive relief, from any court of competent jurisdiction to enjoin any such violation or threatened violation. The Orioles waive any requirement that the County post a bond or other security in connection with such injunctive relief. In the event of such attempted or actual transfer, move or other relocation of the Orioles' spring training activities to, or the playing of Home Games at, any location other than the Sites, the County is not able to obtain the injunctive relief provided for in this Section 21.6, the County shall be entitled, at its option, to seek monetary damages.

23. DISPUTE RESOLUTION.

23.1 The Parties acknowledge that their rights and responsibilities under this Agreement and the Project Documents involve coordination and cooperation with respect to the design, development and construction of, and capital repairs and improvements to, the Project. Accordingly, the Parties agree that it would be to their mutual benefit to establish a dispute resolution process to deal with any dispute arising out of this Agreement or the Project Documents.

23.2 The Parties agree to attempt to settle any dispute or controversy that may arise between the Parties regarding any provision or obligation set forth in this Agreement or the Project Documents by non binding mediation.

23.3 If the Parties are unable to resolve any dispute with respect to the design, development and construction of, and capital repairs or improvements to, the Project or with respect to the Parties' obligations to finalize and execute the Project Documents, the matter in

dispute shall be submitted to binding arbitration under the Arbitration Laws of the State of Florida (Chapter 682, Florida Statutes) in accordance with applicable Commercial Arbitration Rules of the American Arbitration Association ("AAA") then in effect. The venue of the arbitration may be in Sarasota County. The arbitration shall be expedited to completion within ninety (90) days after notice of electing to arbitrate sent by one Party to the other Party. Both Parties shall agree in good faith to cooperate and facilitate the completion of the arbitration within said ninety (90) day period. In the event the Parties are unable to agree on a single arbitrator within thirty (30) days of the notice of electing to arbitrate, each Party shall within ten (10) business days thereafter select an arbitrator from a panel of eligible arbitrators provided by AAA and thereafter the two selected arbitrators shall select a third arbitrator. After all the evidence has been presented and the hearing has concluded, the Arbitrator(s) shall issue an award, in writing, within thirty (30) days. A judgment upon that award shall be enforceable in any court having jurisdiction of such matters in the State of Florida.

24. TRANSFER OF THE SITES.

24.1 The County represents, warrants and covenants that no part of the Sites will be sold, assigned or transferred by the County during the Term and the County shall not take (or refrain from taking) any action to restrict or condition, and shall not be permitted to sell or otherwise transfer, any portion of the Sites to any unaffiliated third party, without the prior written approval of the Orioles, which may be granted or withheld in the Orioles' sole discretion. If the Orioles approve the sale or transfer of any portion of the Sites, such County purchaser and/or transferee shall be obligated to perform in accordance with the terms of this Agreement and the Project Documents, including all the obligations, duties and responsibilities of the County contained therein, and such purchaser and/or transferee shall explicitly assume in writing all such obligations, duties and responsibilities. Further, if at any time during the Term, with the prior written approval of the Orioles, the County offers to sell the Sites, or any portion thereof, to an unaffiliated third party, the Orioles shall have a right of first refusal to purchase the Sites, or portion thereof at the price acceptable to such unaffiliated third party.

25. CONDITIONS TO THE EFFECTIVENESS OF THIS AGREEMENT.

25.1 Notwithstanding any provision of this Agreement to the contrary, the effectiveness of this Agreement is expressly conditioned upon the certification by the State of Florida of the Sites as a retained spring training facility for which funding under Section 288.1162FS has been approved and all necessary funds under the aforementioned Florida statutes are committed by the State Office of Tourism, Trade and Economic Development ("OTTED") to be released or continue to be released to the City for the benefit of the Project. All approvals and commitments as to the funding or continuation of funding under this Section shall be confirmed in writing by OTTED within seven (7) days after the satisfaction of all conditions set forth in the OTTED letter dated July 17, 2009 to the Sarasota County Commission Chairman as a condition precedent to the effectiveness of this Agreement.

25.2 Notwithstanding any provision of this Agreement to the contrary, the effectiveness of this Agreement is expressly conditioned upon the receipt by the Parties from the City of an environmental indemnity in form and substance satisfactory to the Parties within seven (7) days after the date of this Agreement.

26. MISCELLANEOUS.

26.1 Amendments. This Agreement may not be changed, modified, or discharged orally, but only by an instrument in writing signed by the Parties.

26.2 Binding Effect. This Agreement shall be binding upon and inure to the benefit of each of the Parties, and each of their respective successors. The Parties by executing this Agreement represent and warrant to each other that they have the full authority to enter into this Agreement and to bind such Parties to its terms and conditions.

26.3 Conflicting Agreements. Each Party represents and warrants to the other Party that the execution of this Agreement and the performance of its obligations hereunder will not breach or be in conflict with any other agreement to which it may be a Party or may be bound.

26.4 Construction. The Parties hereby acknowledge that this Agreement is the product of negotiation between the Parties and/or their respective legal counsel and that no provision of this Agreement shall be construed against a Party solely because that Party or that Party's counsel drafted such provision.

26.5 Exhibits; Headings. The Exhibits attached hereto are substantive parts hereof; headings of the Sections of this Agreement are for convenience of reference only and are not substantive parts hereof.

26.6 Further Actions of the Parties. Immediately upon the execution of this Agreement, the Parties shall take all action necessary to effectuate the purposes of this Agreement, and shall commence good faith negotiations to draft and, where appropriate, execute the Project Documents which implement the transaction(s) contemplated by this Agreement. In addition, and without limiting the foregoing, the County shall take any action necessary under the Interlocal Agreement(s).

26.7 Covenant Re: Negotiations. Upon the mutual execution and delivery of this Agreement and the satisfaction of any condition precedents to this Agreement, the Orioles will refrain from any further negotiations with any other jurisdiction for the location of the Orioles' long term Spring Training Operations. Pursuant to the terms and conditions of this Agreement, the Orioles shall notify the County on or before October 31, 2009 as to whether the Orioles will conduct its Spring Training Operations in 2010 at the Sites. The Orioles may, without violating this covenant in making such determinations, have discussions with its current landlord in Fort Lauderdale, Florida with regard to the Orioles' existing leasing arrangements, including the winding down of such arrangement. In the event that the City of Fort Lauderdale asserts a claim against the County arising from the execution of this Agreement, the Orioles agree to reimburse the County for any actual out-of-pocket costs, fees or expenses, judgments or awards, as a direct result of such claim by the City of Fort Lauderdale.

26.8 Governing Law. This Agreement is entered into in, and shall be governed by, construed and enforced in accordance with the laws of the State of Florida, without reference to principles of conflicts of laws.

26.9 Integrated Agreement. This Agreement represents the full, complete, entire and integrated agreement between the Parties with respect to the subject matter hereof, and supersedes all prior oral and written agreements, understandings and negotiations with respect to the subject matter hereof.

26.10 No Joint Venture. This Agreement shall not constitute a partnership, joint venture or create an agency relationship between the Parties.

26.11 No Waiver. The failure of either Party to object to, or to take affirmative action with respect to, any conduct of the other Party that violates any term or condition of this Agreement shall be limited to that particular instance, and shall not be construed as a waiver of that Party's rights for such breach or as a waiver of remedies for future breaches by the other Party.

26.12 Orioles' Full and Beneficial Use of the Sites. As provided for in this Agreement, the "Orioles' full and beneficial use of the Sites" shall mean all lawful uses of the Sites subject to the terms and conditions of this Agreement.

26.13 Rights Unique. The Parties acknowledge that each Party's rights and obligations hereunder, including but not limited to intellectual property assets (but other than the payment of money) are special, unique, extraordinary and impossible of replacement, which gives them a peculiar value, the loss of which could not be reasonably or adequately compensated in damages in an action at law, and that either Party's failure or refusal to perform its obligations hereunder would cause the other Party loss and damages. Except as permitted and otherwise provided for in this Agreement, if either Party fails or refuses to perform such obligations, the other Party shall be entitled to seek injunctive or other equitable relief against it, including temporary relief prior to a time at which a preliminary hearing may be held, by a court of competent jurisdiction to prevent the continuance of such failure or refusal or to prevent the breaching Party from granting rights to others in violation of this Agreement. The Parties waive any requirement that the other Party post a bond or other security in connection with such injunctive relief. In the event a Party is not able to obtain the injunctive relief provided for in this Section, such Party shall be entitled, at its option, to seek monetary damages.

26.14 Mutual Indemnification. The Orioles shall indemnify, defend and hold the County and County's agents harmless from and against all loss, cost, damage and expense (including reasonable attorneys' fees and disbursements) imposed upon or incurred by the County in connection with all claims arising out of or relating to the death of or injury to any person, or the loss of or damage to the property of any person (excluding the property of the County) arising out of or occurring during Spring Training games or Orioles' events or the Orioles' occupancy, management or use of the Sites, excluding death, injuries, and property loss and damage which arise out of or are related to the wrongful or negligent acts or omissions of the County, the County's agents or County's contractors or subcontractors. The County shall indemnify, defend and hold the Orioles and Orioles' agents harmless from and against all loss, cost, damage and expense (including reasonable attorneys' fees and disbursements) imposed upon or incurred by the Orioles in connection with all claims arising out of or relating to the death of or injury to any person, or the loss of or damage to the property of any person (excluding the personal property of

the Orioles) arising out of or occurring during County civic-oriented, non-profit events, or County-authorized use or events for the County's occupancy, capital repair or improvement or use of the Sites, excluding death, injuries, and property loss and damage which arise out of or are related to the wrongful or negligent acts or omissions of the Orioles, the Orioles' agents or Orioles' contractors or subcontractors.

26.15 Severability. The parties hereto agree that to the extent that any provision or portion of this Agreement shall be held, found or deemed to be unreasonable, unlawful or unenforceable by a court of competent jurisdiction, then any such provision or portion thereof shall be deemed to be modified to the extent necessary in order that any such provision or portion thereof shall be legally enforceable to the fullest extent permitted by applicable law.

26.16 Taxes; Recordation. The Orioles shall not be responsible for any fees, taxes (including but not limited to transfer taxes) or expenses in connection with the recordation of this Agreement or any of the Project Documents.

26.17 Time. Time is of the essence with regard to the Parties' obligations under this Agreement.

26.18 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall be one and the same instrument.

26.19 Orioles Assignment. The Orioles shall not sell, assign or otherwise transfer all or any portion of its interest in this Agreement or the Project Documents without first obtaining the consent of the County; provided, however, that (i) the Orioles shall have the right, without consent, to sublease or transfer its rights and/or obligations, in whole or in part, under this Agreement and the Project Documents, including in furtherance of Section 14 of this Agreement, to any person or entity, provided that the Orioles shall remain liable for its obligations under this Agreement and the Project Documents, including, but not limited to, the playing of the Orioles' Spring Training games at the Sites as provided herein and (ii) the Orioles shall have the right, without consent, to transfer all of its rights and/or obligations, in whole or in part, under this Agreement or the Project Documents to any person or entity that shall thereafter own the Major League Baseball franchise now held by the Orioles on the condition that such transferee shall assume the obligations of the Orioles set forth in this Agreement and the Project Documents and on the further condition that Major League Baseball approves the transfer of the Orioles Major League Baseball franchise to such transferee.

IN WITNESS WHEREOF, the parties have executed this Agreement under seal as of the date set forth above.

Dear Ms. Strickland:

Per your request, this letter serves as notice that the conditions set forth in 2009 by the Office of Tourism, Trade and Economic Development (OTTED) continue to be satisfied by Sarasota County.

Attached are the following:

- The results of the economic impact analysis for 2019.
- A matrix outlining compliance with the criteria in Section 288.11631, Florida Statutes. This is in response to Katherine Morrison's request to specifically document compliance with the statute. In the 'Documentation' column of the matrix, we have referenced the relevant exhibits based upon the package the City submitted to the State last year. Prior to submitting to the State, please verify that these exhibit numbers are still correct and edit them if necessary.

Please note that there have been no changes to last year's Exhibit 1 regarding County expenditures. Those projects remain closed out.

Sarasota County Commission
1660 Ringling Boulevard
Sarasota, FL 34236

Dear Chairman Thaxton:

Recent discussions with the Office of Tourism, Trade, and Economic Development (OTTED) have surrounded the departure of the Cincinnati Reds. We understand that the City of Sarasota and Sarasota County are working to preserve Spring Training in their area by negotiating an arrangement with the Baltimore Orioles. I have reviewed this issue carefully, and taking into account the intent of the Legislature, have determined that these funds may be used for a retained spring training facility in Sarasota, if the following conditions are met to OTTED's satisfaction:

1. An official letter in accordance with section 288.1162(5)(d), Florida Statutes, from the City of Fort Lauderdale acknowledging the Baltimore Orioles are relocating to Sarasota from their spring training location in Fort Lauderdale; See pages 4 and 5 of this Exhibit 4
2. A signed agreement, in accordance with section 288.1162(5)(b)2, Florida Statutes, between Sarasota and Baltimore Orioles for a retained spring training franchise; See page 3 of this Exhibit 4 and attached Exhibit 2
3. Documentation of the local match for at least 50 percent funds to be used for the spring training facility as required by section 288.1162(5)(b)3, Florida Statutes; and See attached Exhibit 1 detailing all funds expended on project
4. Written agreement from Sarasota that the state funds will only be used for the renovation or expansion of the Ed Smith stadium complex and corresponding major league operations. See pages 1 and 6 of this Exhibit 4

Once all these documents have been provided to my office and deemed satisfactory to OTTED, I will issue a final letter of approval for continuing release of the funds. Please feel free to contact me at (850) 487-2568 with any questions.

Dear Dr. Brill:

On July 22, 2009, the Sarasota County Commission approved a Memorandum of Understanding with the Baltimore Orioles to move the team to Sarasota County for spring training. Sarasota County will be providing funds in the amount of \$23.7 million to the spring training facility project which will include the renovation of the Ed Smith Stadium Complex and renovation of facilities at the minor league site at Twin Lakes Park. This will confirm that state funds will only be used for the renovation or expansion of the Ed Smith Stadium Complex and corresponding major league operations.

Sincerely,

James L. Ley

DOUGLAS AVENUE SITE (STADIUM SITE)

Stadium Improvements

Renovation of the stadium to bring it up to modern-day standard, including the following key amenities / elements:

- *Seating.* Stadium capacity of 8,500 based on:
 - Fixed seating for 6,500 people. Assume 19 inch "flip up" seats
 - Standing room, berm seating and "alternate seating" space (such as at least one "party deck", and four tops / high top seating on outfield portion of boardwalk) for 2,000
- *Shaded seating and protective netting.*
 - Significant number of shaded seats (high percentage of overall seating, including shading for some of the higher priced seating areas and, if possible, some portion of the berm). Might be achieved by extending the existing overhang (if engaging in a renovation) or by some entirely new structure or overhang.
 - We note that in boardwalk areas we're advised that trellises are not sufficient for shading, so we suggest another idea be presented.
 - Protective netting required in areas around home plate, down lines and behind dugouts. May also be needed in front of berm if that area is in direct line of foul balls.
- *Boardwalk.* Outfield "boardwalk" permitting 360 degree fan circulation around the stadium, with sufficient space on outfield portion of the boardwalk for:
 - good-sized "tiki" bar
 - additional smaller bar located in opposite corner room for 8 – 10 stools across
 - requires fixed food concession area, preferably including BBQ grills (*definitely need to have a permanent bbq location somewhere and we have included a fixed concession stand at this location below under "Food and Beverage Concessions and Related", below)
 - requires a spot for at least one (1) temporary food concession stand
 - Fixed merchandise store of between 700 and 900 square feet
 - men's and ladies' washrooms (sufficient to meet code and capacity requirements)
 - 4 tops seating and high top stool seating, including stools and ledges along front of boardwalk (final numbers will be determined based on length of boardwalk and layout of other items).
 - Once we determine the length of the boardwalk we can determine the number of stools and 4 top seating which is needed on the boardwalk.
 - If possible, would like to have some means to access to the boardwalk from our office space (could be a short stairwell with a door a secured door at the top).
 - Would like to see if the boardwalk could connect to the ground floor concourse (whether by stairs or ramp), as opposed to the second level concourse.
- *Luxury Suites.* Want a total of five (5) luxury suites:

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- 3 of which can be either separate or combined into 1 large party suite (these would be intended as the saleable "fan" suites),
- 1 of which would be a players' family suite geared towards players' wives/families.
- 1 of which would be an "owner's suite", located directly behind home plate.

Each suite should have about 325 square feet of interior space. Optimally, all should have outdoor seats and washrooms (although if space was too limited to permit independent washrooms, the 3 combinable suites could possibly have shared washroom accessible from the suite hallway). Each of the five (5) suites should have outdoor seating for 12 and total capacity of 20.

- **Box Office.** Florida Auto Exchange Stadium currently has 4 windows for selling and 2 for will-call. It does not contain any offices.
 - We require ten (10) exterior-facing box office windows (2 will call, 1 VIP pick-up, 7 selling) and a further two (2) box office windows that face the inside of the building.
 - We require two (2) permanent office spaces inside the box office (to house box office manager and supervisor).
 - Optimally, box office would be located near primary stadium entrance.
 - Box office will need speakers and microphones to speak with customers and monitors above the windows (for messaging).
- **Entrances.** Greater number of game day stadium entrances than the two (2) that currently exist (Florida Auto Exchange Stadium really only has 1 main entrance and 1 gate that is used for season ticket holders). *Would like to have two (2) "main" entrances, one (1) smaller entrance for season ticket holders, and one (1) separate Staff-only entrance (which would have the office access control system).*
 - Need to add a covered area at all entrance locations - the covered area will be used for our metal detectors and any design should account for the space needed for same.
- **Public Concourses.** Two concourse levels (likely one at grade and one above grade, connected to the boardwalk).
- **Elevators.** Addition of at least 2 elevators (currently have 1), for a total of three (3) elevators to bring people and food to 2nd level. Possible locations would be 1 behind home plate, and one each down each first and third baselines. Optimally, each elevator location should have adjacent stairs (currently no such stairs exist).
- **Public Restrooms.** Appropriate number and distribution of public restrooms for the number of fixed seats and total building capacity. *Expectation is that this will be developed based on current laws and stadium standards.* Note that Florida Auto Exchange Stadium currently has only 2 locations (women have total of 8 sinks, 16 toilets and men have a total of 7 sinks, 9 toilets and 9 urinals).
 - As noted elsewhere, we will need public restrooms located on the boardwalk, and also within the main Jays Shop merchandise store (for use during non-game days).
- **Bullpens / Gang Mounds.**
 - At the present time, the stadium has six (6) "private" Blue Jays gang mounds in close proximity to the office / clubhouse building. The mounds are covered by netting to ensure that any home run balls do not strike persons using the mounds. *To the extent possible within the ultimate*

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

renovation design, we would like to retain as many of the existing gang mounds as possible, but in any event not less than 3. There is no need or desire to upgrade or improve these mounds.

- Adjacent to the mounds is currently a tower where Blue Jays bullpen pitchers sit during games. The current towers are not shaded and are spread too far apart. In all likelihood, the new boardwalk will be passing through this area, and the design needs to include a space for bullpen pitchers to sit in this area, with shade and view of the field.
- Visiting team needs 2 bullpen mounds. These can be very basic and placed anywhere that makes sense in the renovated stadium. Will also need appropriate tower.
- **Dugouts.** Dugouts size needs to increase (both length and width) as compared to what presently exists at Florida Auto Exchange Stadium in order to properly accommodate players and uniformed coaches. Plan needs to include enough space for photo bay / photo dugout at end of each dugout (not covered). Bullpens are accessed from the field only and that can remain the case (no tunnel needed). Club will want to see specifics of proposed dugout dimensions on any proposed plans.
- **Wiring/cabling.** Supply and install integrated cabling for state-of-the-art internet and television and radio broadcast. Broadcast Truck Cabling to include current industry-standard broadcast copper and fiber-optic trunks, including DT-12 audio, coaxial video, Triax camera, SMPTE311 Hybrid camera fiber and single-mode ST fiber optic trunks. All broadcast cabling bulkheads in areas subject to the elements should be mounted in weatherproof NEMA-rated enclosures. At minimum, television bulkhead locations should include, Low 1st Base, Low 3rd Base, High 1st Base, High 3rd Base, High Home, Center Field, Outside Home and Visiting Locker Rooms, and all TV and Radio booths. All broadcast trunk lines should terminate at an interconnect rack room near broadcast truck parking location (see below, seeking space for two (2) broadcast trucks). Eventually, Toronto IT and stadium engineering can assist in setting out the final specs.
- **TV and Radio.** Five (5) booths in total: two (2) TV booths, two (2) radio booths and one (1) booth that is capable of being used for TV or radio.
- **Public Address/Video board Control Room Booth.** Need one (1) large PA booth/control room of approximately 500 square feet, and associated equipment. Room would need to house approximately 12 people and equipment (current booth only has room for 3 chairs and is about 5' x 10'). Equipment would depend in part on the specific video boards and other electronics that get installed. Assume that final specs would be developed in conjunction with whatever consultant helps design the video board and stadium PA systems, however, we anticipate that:
 - Video board Control Room facility would be designed to incorporate four (4) live cameras (including one wireless camera), video replay and playback capabilities, as well as graphics display capabilities. Video display software should be integrated into baseball scoring system
 - Room will also house main PA mixing console and PA Announcer
- **Scoreboard and Other Boards.** Although the final specs should be established in conjunction with a consultant who has expertise in these things, we generally require the following scoreboards/signage spaces and costs should be included in any cost estimates:

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- New 16x9 true HD main LED display. Needs to be large enough for replays and to be able to split the screen when needed (e.g. to show lineup or other items). Anticipate needing at least 40 feet wide. May want additional videoboard element running along the bottom, to show innings and scoring info, but final layout would have to be determined at later date.
- Radar speed display capability integrated into video display software.
- Would probably want a space above the main videoboard to display signage with the stadium name and some team creative (e.g. our stylized "Toronto Blue Jays").
- Would probably want a space below the main videoboard for sponsor information or signage.
- Additional smaller scoreboard (probably to be placed above stands on 1st base side) to display score, count, inning. This is needed for people watching from the boardwalk and berm areas. May not need to be a true "videoboard".
- LED signage above box office windows, to announce upcoming games, etc.
- Free-standing signage structure incorporating LED screens (minimum of two) for video messaging, for installation at corner of Douglas Avenue and Beltrees Avenue. Structure and screens need to be large enough to be seen from a distance (estimate that screens would need to be 8 feet by 6 feet or thereabouts)

We understand that new videoboard was recently installed in Clearwater (Phillies) and that plans are currently being developed in Lakeland (Tigers). In Toronto, we have worked with Daktronics and could ultimately assist in making contact with them.

- **Audio.** New distributed sound audio system up to current stadium standards (with separate audio zoning capabilities in the concourse area and outside the main gates). Audio software provisions for live music playback, recorded gate announcements, and routing of radio or television audio to concourse areas. Currently, Florida Auto Exchange Stadium speakers are located only on outfield scoreboard. New system would have to be able to be heard at all stadium locations.
 - Baseball press area to include two desktop-style push-to-talk microphones for the official scorer and media relations rep with the ability to page into the press area. This feed should also be available on the sound system network, and at the interconnect patch room for distribution to television and radio broadcasters.
- **Media Areas:**
 - **Press Box** - Larger press box than currently exists - require room for 50 to 60 persons and all having a view of the field. Assume this will require at least 1,600 square feet (65 x 25). *Should not be in the prime locations, as we wish to save those for fans and executives.* Could be off to one side if necessary having regard to the placement for other items. Require power, wi-fi, Ethernet and other standard hookups. Also need phone between press box and dugout.
 - Washrooms - Addition of media-only washrooms in vicinity of press box (there are none at current Florida Auto Exchange Stadium)
 - Drinks - Replace press box refrigerator/bottled beverages with soda dispenser (and associated lines),
 - **Press Toilet Rooms.** Two (1) single person washrooms (one male and one female) within the Press Box area. Total space needed is 160 square feet.
 - **Stadium and Press Box Entrances** - Dedicated media entrance/exit for media and staff at stadium and stair access to press box/press areas (currently the press has to access by walking through the public seating areas). Need to ensure ability for press to leave the facility after hours. Right now, at a certain point after the game, stadium gates are locked and for any press

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- that stay behind in the press box, there is no flexibility to allow those persons to exit the building and have a door lock behind them automatically. Providing a subway-style, exit only gate may serve the need here.
- *Access to photo/camera dugouts* – would like there to be a way for press to access photo/camera dugouts without needing to enter the field of play,
 - *Parking* - Additional parking for media is needed (see parking heading)
 - *Media Dining and Related* - Current media dining room at Florida Auto Exchange Stadium is at grade and under the stadium structure near shallow right field. *If that portion of the stadium will remain intact then we are prepared to continue to use that same space for media dining, with only very minor upgrades (e.g. paint and some new furniture, counter workstations around exterior walls and possibly some electrical and Ethernet outlets and wiring).*
 - Food could be prepared and delivered from the main concessionaire prep kitchen / commissary. Alternatively, the current media dining room does have an adjacent kitchen but it would need upgrades to make it usable.
 - *Media Work Facilities* – right now there is small media work room located on the ground floor of the offices/clubhouses building, located near Blue Jays reception. It is a little bit tight, however, we are fine with retaining that and potentially adding some work spaces to the media dining area (see prior bullet point). Should probably review the existing work room to see whether it requires some minor improvements (e.g. electrical upgrades or Ethernet).
- *Center field camera well.* Currently the main center field camera well is off center (towards LF) and too low. Would like to relocate CF cameras to a slightly higher, more centered location, similar to CF camera angles in Major League stadiums.
 - *Merchandising:*
 - Large fixed merchandise store (*Jays Shop*) – probably at minimum 3,000 square feet in a high traffic area with good visibility,
 - Storage space of at least 1,000 square feet,
 - Secondary merchandise shop on the boardwalk (800 square feet) or some reasonable substitute (e.g. substantial merch kiosk or kiosks)
 - Need a 150 square foot room for counting money and reviewing all receipts, which room needs to be equipped with a safe
 - *Paramedics.* Require a paramedics' office and appropriate space to help guests. Need about 250 square feet and needs to include 3 beds, 3 sinks and hot and cold water and 1 toilet.
 - *Customer Service.* Need a Customer Service office, with a small space for guests, located in an easily accessible area and with a view of the main concourse near the main stadium entrance. Need about 125 square feet.
 - *Food and Beverage Concessions and Related.* Increased food and beverage concessions capabilities (including upgraded commissary with easy access to elevator to second floor, upgraded preparation areas, refrigeration, etc.). Final specifics (including number and location of fixed concessions and

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

number and location of mobile units) will depend on the ultimate stadium design and layout but core needs would be:¹

- New properly ventilated and lit office space (700 to 1,000 square feet) for concession company management staff. Should be located in proximity to primary concession stands,
- Dedicated, well-ventilated preparation, cooking and storage area of at least 2,000 square feet which should include, at a minimum,
 - 225 square foot walk-in freezer (including appropriate storage racks)
 - 225 square foot walk-in refrigerator (including appropriate storage racks)
 - Large Ansel Exhaust Unit
 - Double sized ice machine
 - Eight (8) large prep tables
 - Commercial griddles, grills, fryers, warmers and impingers
 - Appropriate shelving for dry good storage
- At least two (2) large concessions stands (one on first base side and the other on 3rd base side) in the main (ground level) concourse area, with each stand having space for eight (8) points of sale and four (4) beer or fountain service spots. Both stands require food preparation area and should also include:
 - Large Ansel exhaust unit
 - Ice machine and all necessary water hook-ups
 - Sinks and associated plumbing
 - At least one 100 square foot walk-in refrigerator in each fixed concession location (including appropriate storage racks),
 - Enough space for 3 prep tables
 - Commercial griddles, grills, fryers, warmers and impingers
 - Beer and fountain drink taps, lines and equipment
- At least one (1) smaller concession stand located in the outfield (possibly behind batters eye) with space for six (6) points of sale and three (3) beer or fountain service spots. Stand requires food preparation area and should also include:
 - Large Ansel exhaust unit
 - Ice machine and all necessary water hook-ups
 - Sinks and associated plumbing
 - At least one 100 square foot walk-in refrigerator (including appropriate storage racks),
 - Enough space for 3 prep tables
 - Commercial griddles, grills, fryers, warmers and impingers
 - Beer and fountain drink taps, lines and equipment
- Large Tiki Hut (i.e. liquor, beer and non-alcoholic drink service location) located in the outfield area should be approximately 30 feet long by 10 feet wide. Should include televisions, bars and stools, refrigeration, taps, etc. Should be covered to protect staff and patrons from the elements.

¹ As designs are created we want to ensure that the concessions are being designed appropriately and in accordance with industry standards for similarly sized buildings and the specific seating and other unique elements of this facility. Listed items are minimum requirements only and should not limit what is necessary and to be included.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- Optional smaller Tiki hut located along the 3rd base left field (would need to be approximately 10 feet wide by 12.5 feet)
- Awnings for all concession stand that are exposed to the elements,
- Rubberized flooring in all concession stands,
- All necessary electrical capacity and hook-ups for fixed and mobile concessions.
- We currently have fifteen (15) temporary / mobile food and drink points of sale at Florida Auto Exchange Stadium. Will require more than that at renovated location and project plan needs to include the space for same and the units themselves.

Anticipate that stadium concepts and cost estimates will include above, along with any other elements and equipment that are in line with current-day standards.

- *Enclosed Bar / Restaurant Area with Field View ("Craft and Draft Area")*. Would like to have an air conditioned, indoor bar/ restaurant location (like in Sarasota) with a view of the field (through windows) and monitors to show the game as well. This space would provide fans with an opportunity to get out of the sun and be able to eat and drink. Would probably need about 2,400 square feet and it would contain a bar, high top tables and high chairs. Would not have kitchen facilities attached. Instead simple food items would be prepared in main floor concessions / commissary spaces. Small pantry with refrigeration would be attached to the area (approximately 120 square feet). Goal is to be able to hold about 80 people. On non-game days the area could be used for group events or meetings. *Would like to see if it could be located near the upper part of the building on the 1st or 3rd base side (past any suites).*
 - If being built behind a seating section and additional deck needed in order to finish off the area then the additional deck area need not be enclosed or air conditioned (i.e. there could be an adjacent outdoor area of approximately 1,700 square feet that is accessible from the Craft & Draft area and/or seating bowl). Will allow for future expansion and/or modification.
- *Visitor's Clubhouse and Related*. New visitor's clubhouse of approximately 3,600 square feet total. Should be a very basic clubhouse, including:
 - Better lighting, appropriate flooring, water fountains,
 - Manager's office / locker room of approximately 200 square feet with room for a desk, locker, and a few chairs
 - Coaches locker room with space for 8 lockers (approx. 350 square feet for the locker room and approx. 200 sf for the washroom (hope to accommodate 5 showers, 3 sinks, 2 toilets and urinal)
 - Players Locker Room (all new basic lockers with chairs) with 30-35 lockers, and counter space for food and baseball equipment (approx. 1,600 sq. ft.)
 - Players washroom/showers with 5 sinks, 3 urinals, 4 toilets and 10 shower heads (approx. 550 square feet)
 - 200-square foot laundry room including 2 commercial washing machines, 2 commercial dryers and storage area (along with associated power, plumbing and drainage),
 - Small kitchen (100 square feet) with fridges, oven and counter space for Clubhouse attendant to prepare food,
 - Adequate power outlets for players and staff to plug in phones and tablets, and
 - Training area with 3 training tables, a wet area with above-ground stand-alone hot and cold tubs, counter space for use of trainers' equipment and supplies (approx. 400 square feet).

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- **Umpire's room.** Upgraded umpire's room, with locker area approximately 15 feet x 20 feet in size (total of about 300 square feet), optimally located next to visitor's clubhouse (could be in same building if visitor's clubhouse requires a new building). Some of the specifics include:
 - 4 lockers, 4 locker chairs, and a table with 4 chairs for umpires to use for meals
 - Bathroom with 2 shower heads, 2 sinks, 1 toilet and 1 urinal (need about 180 square feet for that)
 - AC, Cable TV, and Phone
- **Staff locker room and Lunch Room.** Game day staff locker room, washrooms and lunchroom needed. Anticipate that the locker room portion would require about 400 square feet and the eating area would need about 500 square feet. Another 300 square feet needed for washroom area.
 - Would like to find a way to allow the space to be unisex (for example, there would be a single small "locker" room, perhaps with just open storage, along with 3 or 4 adjacent small private areas of 10 feet x 5 feet, each with a toilet, sink, bench and mirror for people to change in). Does not matter where exactly within the stadium this space is located, except that it should not be within the office / clubhouse area.

If space permits, could be placed within same building that incorporates visitor clubhouse.
- **Green Room / Female Locker Room.** Would like a small additional space, with associated washroom/shower, capable of housing 5 people. Could be used for women attending fantasy camp and other similar uses. Would need about 500 square feet (180 SF for toilet/shower and 320 SF for the locker room). If new building needed for visitor clubhouse (above), this space could be in the same building, space permitting.
- **Grounds crew / Maintenance areas.**
 - Need approximately 2,000 square feet of indoor space for shed storage, maintenance equipment, repair and maintenance of equipment, and commercial washer and dryer. Requires at least 1 large garage door, so that golf carts, lawnmowers, etc and get in and out. Needs to be heated/air conditioned and have hot and cold water service, sinks, etc.
 - Need an additional 800 square feet of work space, to include 1 work office (100 square feet), a locker and lounge area (400 square feet, including 8 lockers), a washroom area with 2 showers, 1 toilet, 1 urinal and 2 sinks (200 square feet). Heated and air conditioned.
 - Need 1,000 square feet of exterior storage space for dirt, fertilizer etc. Will need to include 4 concrete openings (open at top and front) of about 10 x 10 each to hold supplies.
- **Public Parking.** Significantly increased public parking capacity (controlled by Club). Currently have only 210 guest parking spots for sale and would want as much as possible (whether at ground level or in some kind of parking structure)
- **Security Access.**
 - Automated security access controls (not only for offices, but also for the parking gate). One possibility is to have the same system in place at the main stadium offices and clubhouse and the Solon Avenue training facility. Further, the Florida systems should probably be the same as those used in Toronto, so that Toronto staff can utilize a single pass set up for both locations. If

Exhibit "C" **Improvements**

Ver. 3.0 - As of September 9, 2016

necessary, we can assist with the specs, but the costs needed to be included in the cost estimates for this project.

- Many doors at the stadium and office building use key locks (e.g. concession stand doors, individual offices, and individual suites). We assume that this will remain so, however, upgraded lock and key system would need to be installed.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

Douglas Avenue Clubhouse and Office Space Review and Upgrades

N.B. Under this current plan, the intention is that the stadium and related offices/clubhouse spaces would be used only for Spring Training game days (and Florida State League games). Therefore, we are recommending that the existing office / clubhouse building not be materially renovated in any way. That said, we do think that there will need to be some review of the building and its roof, structure, walls, electrical, HVAC, and plumbing and other similar systems and components and those upgrades as are necessary to that the building is both safe and serviceable over the long term. We would ask that the review and upgrades be recognized in the project scope and cost.

Other/Exterior

- **Main Stadium Playing Field.** If retaining existing field / footprint, redo the grading of the field and playing surface to allow for proper drainage (currently our stadium slopes approx. 3 feet from the outfield to home plate).
 - Stadium dimensions should be the same as *Rogers Centre* in Toronto.
 - Outfield wall pads need to set at same height at *Rogers Centre*
 - Distance measurements should be marked in same place/manner as *Rogers Centre* outfield.
- **Half Field.** There are currently two (2) half fields (one to the North of the stadium and one to the South). *Only need one (1) half field ultimately and would suggest that we retain the one to the south (closest to clubhouse building).* The retained half field does not need to be upgraded.
- **Visiting Batting Tunnels.** There are currently 2 batting tunnels for visiting team use. *If space allows, we will still need 2 basic covered batting tunnels for visiting team use. New or upgraded lighting necessary.* Could just be placed under the boardwalk or next to the grounds crew area.
- **Blue Jays Batting Tunnels.** Right now Florida Auto Exchange Stadium has 3 covered batting tunnels for Blue Jays use. Desire is just to retain those batting tunnels. *No additions or renovations necessary.*
- **Baseball Operations' Robotic Cameras and Wiring.** In other portions of this document we have indicated that there will be a need to wire the stadium for TV, radio, feeds, and, of course, all ordinary clubhouse/office needs (phone, internet, cable, etc.). The larger plan needs to ensure that all appropriate areas are interconnected and all designs and costings should take that into account. In addition, to the aforementioned needs we would require the following for Baseball Operations purposes.
 - Install High Definition, robotic, remotely operated Pan-Tilt-Zoom (PTZ) cameras (and associated conduit and wiring) to permit recording and remote viewing of activities at the Major League stadium. Would include:
 - One (1) permanent camera installation in centerfield
 - Ability to set up three (3) temporary "clamped" locations (along home plate, along 1B line, and along 3B line).
 - Minimum of six (6) additional cameras (not permanently affixed) in order to be able to install at any and all of the following six (6) locations: high home plate, low home,

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

center field, 2 at 1B side (open side hitter and catcher), 2 at 3B side (open side hitter and catcher).

- All cameras and feeds should be able to be remotely controlled from a central locations (both stadium and complex video rooms), and available for viewing on web-based viewing software, as well as main video room servers.
- All robotic cameras should be 1080i High Definition as mentioned above, with full HD frame-rate recording. (29.97fps), along with Iris, black level, ND filter and paint controls. These cameras will shoot in a number of conditions from full daylight, to overcast, to night under sports lighting. "Security grade" cameras are not sufficient.

Assuming this would involve installing conduit and cabling to permit feeds to terminate at some central server or other room at the building. As with the stadium, any and all wiring, conduit, etc. needs to be to high standards and below ground to ensure not affected by weather. It needs to be run to appropriate server rooms, etc. Costs and room sizes for server rooms should reflect that.

- **Security Cameras.** Install security cameras around exterior and interior of the stadium (Blue Jays can assist with more specifics when appropriate, as there is some experience with these in Toronto)
- **Team parking.** Currently, the secured lot has 101 spots. *There is no need to add parking to this lot, since the stadium will be for game-day use only.*
- **Grounds Crew and Media Parking.** Add 10 or more parking spots to the grounds crew/ media / visiting team parking on the North side of the stadium
 - There are 36 spots on the north side of the building for grounds crew/media/visiting team parking, so new total would be 46 or more.
- **Broadcast Truck Parking and Power.** Ensure ample space to park and hook up broadcast trucks (at least 2 per game) (approx. 64'x24' footprint each). As noted above, would want to be located close to built-in pre-wired television cabling interconnections. Ensure a minimum of two (2) 400-amp, 208V, 3ph or four (4) 200-amp, 208V, 3ph electrical services for Broadcast Trucks. These services should be cam-lok series J compatible connections, with local disconnects.
- **Backup Power.** Require backup power generator and associated infrastructure for data and emergency power systems. Assume at least 100 KV required.

SOLON AVENUE SITE (COMPLEX SITE)

Current plan seeks to create a state-of-the-art Major and Minor League training complex at the Solon Avenue site, by using all of the property that is currently in use for the team's minor league complex and fields PLUS certain property to the North (which is presently occupied primarily by a City-owned park, softball fields and associated parking).

While existing field layouts and orientations should be preserved to the extent possible (in order to avoid unnecessary costs), consideration should be given to constructing the new training complex building (and related field house / batting tunnel building) on land that is currently occupied by a field, if doing so would result in the best and most functional use of the property.

At a very high level (i.e. site plan level), the current plan would result in a clubhouse building (i.e. not including batting tunnels / field house) with training facilities on the main floor and offices on the second floor, 4 and ½ fields for Minor League use, 2 ½ fields for Major League use, 1 open air agility field for Minor League use, 1 covered agility field (turfed) for Major League use, 1 inclined agility field for shared Major / Minor League use, 13 batting tunnels (either combined in a single large structure, or split with 8 Minor League and 5 Major League), 10 ½ Minor League gang mounds and 8 ½ Major League gang mounds.

Fields and Exterior Areas

- **Four (4) Full Fields Minor League use.** Require four (4) full fields for Minor League use. Although the site already has fields, due to subsoil and other issues, at least two (2) would likely have to be moved and would have to be dug down to a significant depth and basically redone from scratch (because the move and/or subsoil issues may require the installation of a geogrid, compaction or other forms of remediation). The other two (2) are anticipated to require substantial work, even if slightly less than the first two (2).
 - Each field should have four (4) bullpen mounds (2 home, 2 visitor) associated with it
 - Each field should have two (2) dugouts
 - Each field should have a "batters eye"
 - Each field should have a scoreboard
 - Each field requires outfield wall fence (as opposed to padding)
 - **Security and Special Fencing.** It is possible that we would consider turning 2 or 3 of these Minor League fields over to the City between April and November each year. For that reason, site should be designed so that there is some parking and access to these fields from a spot that is separate from the clubhouse and team parking area. Also, would need to design site in such a way that there is a flexible fencing system allowing the clubhouse, batting tunnels, gang mounds, agility fields, team parking and all "team only" fields to be fenced off from the areas turned over to the City.
 - **Lighting.** The City has indicated that it would like to have lighting on the fields it will use (likely 2 fields). Although such lighting is not required for Blue Jays uses, at this time design and cost estimates should assume that two (2) of the Minor League fields will be lit. Lighting does not need to be to Major League Baseball broadcast standards and existing lighting infrastructure should be used as much as possible.
- **Viewing Tower.** New viewing tower with shading and views of as many Minor League fields as possible (will depend on site design).

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- *Observation Area* - Would like tower to be shorter than the standard minor league viewing tower (about 12 feet from ground to floor of observation area). Need power outlets and wi-fi access from observation area. Counter / ledge surrounding observation area should be wide enough to use as work space. If possible, optional enclosure (not permanent) through sliding glass windows or screens to shield wind for phone calls would be nice to have.
- *Storage and Training Area* - Desire for there to be an *air conditioned storage and training area incorporated into the base of the viewing tower*, which would include:
 - 150 square foot storage space
 - Electricity
 - Filtered water spigot (and space to fill coolers and bottles)
 - Racks for coolers
 - Refrigerator
 - Ice Machine
 - Small private (i.e. walls and door, but very small) "Satellite Training Area" with space for at least 1 trainers table
- *Public Washrooms*. Require public washrooms in base of tower. Men's would include at least 2 toilets, 2 urinals and 2 sinks. Women's would include at least 2 toilets and 2 sinks. As with all washrooms, would need to meet applicable codes and other regulations.
- *Concessions*. Also require small concessions stand to be located within the base of the viewing tower, including:
 - Refrigerator, impinger, grill, water and fountain soda unit and lines, and 2 points of sale
 - All necessary wiring, plumbing, drainage, venting, etc
- *Charting Tables behind home plate of each field*. Seating and small charting tables behind home plate of each field. Want to be able to ensure that those are shaded in some way (but without restricting ability of people to view from the tower, etc.).
- *One (1) "Half Field" for Minor League Use*. Require a "half field" for Minor League use. As with the full Minor League fields, might be turned over to the City for portion of the year so that should be taken into account in site design. Would like this half field to be artificial turf so that it dries quickly after rain. The site design may allow the current half field (which is artificial turf) to remain intact.
- *Covered Indoor Batting Tunnel Structure with eight (8) tunnels for Minor League Use*. Structure should be well lit with high ceilings. Full mounds should be installed in each of the 8 tunnels to allow for indoor bullpen sessions in rain. Should have extra room around perimeter in order to accommodate benches, side work areas, and storage within caged space. Would like netting to be on pulleys to pull back manually as desired (believe the Tigers have implemented such a system in Lakeland). Require small video area integrated into batting tunnel structure.
 - Does not have to be air conditioned, but would like to ensure that there is adequate ventilation and fan system to ensure comfortable environment
 - N.B. - The Major (5) and Minor League (8) batting tunnels can be combined in one larger structure, depending on available site space. If the batting tunnels are combined into one larger structure, then only one video area is needed.
- *Four (4) Outdoor Batting Tunnels for Minor League Use*. These outdoor tunnels should be placed near the Minor League fields with easy access from the fields. Would like these to be split into two (2) sets of 2 tunnels.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- *Ten (10) gang mounds plus one (1) "half mound" for Minor League Use.*
 - 10 full mounds could be placed together or split 5 and 5.
 - The half mound (i.e. shorter mound with more gradual incline, used for rehab work) should be built in line with the full mounds.
 - Area between mounds and plates should be artificial turf to ease upkeep.
- *One (1) Open Air Agility Field for Minor League Use.*
 - Must be approximately 50 yards long x 26 yards wide and would like artificial turf for this field so that dries quickly after rain and to hold up better to heavy use.
 - *Tartan Track and Sand Pit.* Would like track-and-field style "Tartan Track" rubberized running lane (approx. 40 yards long and 3 yards wide) for sprints with a standard-sized sand pit (roughly 10 yards x 3 yards) at the end of the lane. These can be placed along one side of the open air agility field.
- *Two (2) Full Fields Major League Use.* Require two (2) full fields for Major League use. Anticipate that any fields would have to be dug down to a significant depth and basically done from scratch (as there are subsoil issues that may require compaction or other forms of remediation). *These two fields will always be exclusively under team control and should be located close to clubhouse.*
 - Each field should have four (4) bullpen mounds associated with it
 - Each field should have two (2) dugouts
 - Each field should have a scoreboard
 - Each field should have a "batters eye"
 - Each field requires outfield wall padding (as opposed to basic standard fencing)
 - *Replica of Rogers Centre.* One (1) of the Major League fields should replicate the dimensions of *Rogers Centre*, including identical field dimensions, wall heights and outfield measurements marked in the same locations and fashion as they are at *Rogers Centre*. This field should also be artificial turf, with dirt infield, to dry quickly after the rain and better replicate *Rogers Centre*.
 - *Lighting.* Only 1 of the 2 Major League fields (the field with *Rogers Centre* dimensions) requires lighting.
- *One (1) "Half Field" for Major League Use.* Require a "half field" for Major League use. Will always be exclusively under team control and should be located close to clubhouse. Would like this half field to have artificial turf center with dirt infield to replicate *Rogers Centre* conditions.
- *Covered Indoor Batting Tunnel structure with Five (5) tunnels for Major League Use.* Structure should be well lit with high ceilings. Full mounds should be installed in each of the 8 tunnels to allow for indoor bullpen sessions in rain. Should have extra room around perimeter in order to accommodate benches, side work areas, and storage within caged space. Would like netting to be on pulleys to pull back manually as desired (believe the Tigers have implemented such a system in Lakeland). Require small video area integrated into batting tunnel structure.
 - Does not have to be air conditioned, but would like to ensure that there is adequate ventilation and fan system to ensure comfortable environment
 - N.B. - The Major (5) and Minor League (8) batting tunnels can be combined in one larger structure, depending on available site space. If the batting tunnels are combined into one larger structure, then only one video area is needed.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- **Eight (8) gang mounds plus one (1) "half mound" for Major League Use.**
 - The half mound (i.e. shorter mound with more gradual incline) should be built in line with the full mounds.
 - Area between mounds and plates should be artificial turf to ease upkeep.
- **One (1) Covered Agility Field for Major League Use.**
 - This agility field should be roughly 50 yards long x 26 yards wide
 - Field needs to be covered with artificial turf
 - *It should be enclosed on two (2) of the four (4) sides, and have a very high roof / ceiling – in order to permit long toss and other drills during rain*
 - While the two (2) open sides will allow some natural light, additional lighting will be required
 - Would like there to be water fountain / bottle filling station in this structure
- **One (1) Inclined Agility Field for Shared Major League and Minor League Use.** Require grass hill with incline of 6 to 8 degrees. Running area should be about 55 yards long by about 5.5 yards wide (however, if there is space to accommodate, we would like it to be even longer – up to 100 yards). Can be located near Major League fields but would be used by both Major and Minor League teams.
- **Protective Netting.** Depending on site layout, anticipate that there will be protective netting needs in many areas (particularly to shield homes, roads and other adjacent properties in the neighborhood from batted balls, particularly as on north side of the property). Protective netting should also shield any publicly accessible fan areas, as well as parking areas. If possible, netting should be designed to as to collect baseballs for later retrieval and reuse.
- **Grounds Crew.** Would prefer to have one (1) large building that incorporates all of the necessary spaces and amenities for grounds crew / maintenance purposes. Would need to include, at a minimum, the following:
 - **Main Maintenance and Repair Space.** Need an indoor space around 3,500 square feet to house:
 - Should include three (3) small (100 square foot) offices for repair and maintenance staff
 - Should include a locker room, lounge and washroom space for 15 people (estimating total of 500 square feet for both). Should have 3 showers, 2 toilets, 2 urinals and 3 sinks.
 - Large open space (2,700 square feet) with concrete floor, suitable for repair and maintenance of golf carts, mowers, and other equipment and storage of same
 - Requires minimum of 9,000 pound equipment lift
 - One or two large garage doors for access, along with regular door
 - Minimum of four (4) work benches and shelving along exterior walls
 - Require 1 industrial washer and 1 industrial dryer in this space (and associated power, plumbing and drainage)
 - Needs to be able to be used to store power equipment (mowers, lifts, packers, golf carts etc.).
 - Requires both standard and 220 volt power receptacles
 - Needs to have heat and A/C, as well as hot and cold running water and sinks
 - **Secondary Storage Shed.** Require one (1) separate secondary shed of 500 square feet to store supplies and small equipment.
 - Concrete floor
 - Requires minimum of 9,000 pound equipment lift

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- One garage door and one regular door
- Shelving along exterior walls
- Requires both standard and 220 volt power receptacles
- Needs to have heat and A/C, as well as hot and cold running water and sinks
- *Exterior storage space.* 1,200 square feet with concrete dividers (to create at least 4 discrete spaces for dirt, fertilizer, propane etc.
- *Baseball Operations' Robotic Cameras and Wiring.*
 - Install High Definition, robotic, remotely operated Pan-Tilt-Zoom (PTZ) cameras (and associated conduit and wiring) to permit recording and remote viewing of activities on all full Major League and Minor League fields. Would want the following at all of the full fields:
 - One (1) permanent camera installation in centerfield
 - Ability to set up three (3) temporary "clamped" locations (along home plate, along 1B line, and along 3B line). Each "clamped" location should be able to accommodate more than one camera.
 - Conduits and cabling for temporary "clamped" installation of high definition, portable, robotic, remotely operated PTZ cameras in all indoor batting cages and at all gang mounds.
 - All cameras and feeds should be able to be remotely controlled from a central locations (both stadium and complex video rooms), and available for viewing on web-based viewing software, as well as main video room servers.
 - All robotic cameras should be 1080i High Definition as mentioned above, with full HD frame rate recording. (29.97fps), along with Iris, black level, ND filter and paint controls. These cameras will shoot in a number of conditions from full daylight, to overcast, to night under sports lighting. "Security grade" cameras are not sufficient. Require minimum of twenty (20) cameras.

Assuming this would involve installing conduit and cabling to permit feeds to terminate at some central server or other room at the building. As with the stadium, any and all wiring, conduit, etc. needs to be to high standards and below ground to ensure not affected by weather. It needs to be run to appropriate server rooms, etc. Costs should reflect that.

- *Staff/Player Parking (350 spots).* Require secured, paved parking for approximately three hundred and fifty (350) vehicles (for team staff and players). Needs to be located close to clubhouse building.
 - Possible that it could be divided into a lot for 150 (for Major League players, staff and executives, located closest to clubhouse) and a further lot for 200 (for Minor League players and staff). Want to ensure Major League team always has parking.
 - Would need small security hut for guard to sit indoor with electrical power.
- *Public./ Overflow Parking (150 spots).* Parking for 150 located elsewhere on the property (possibly on exterior edge of property close to those of the Minor League fields which the City and/or community may have use of). This parking can just be basic grass parking.
- *Security and Access Control.*
 - Require appropriate security fencing for the site (some existing may be re-usable and other areas will require new, for example, where new fields are installed), along with a parking gate at the entrance to staff parking and a shed for security to sit in at the staff parking entrance.
 - Will require automated security access controls (not only for offices, but also for the parking gate). *One possibility is to have the same system in place at the main stadium offices and*

clubhouse and the Solon Avenue training facility. Further, the Florida systems should probably be the same as those used in Toronto, so that Toronto staff can utilize a single pass set up for both locations. If necessary, we can assist with the specs, but the costs needed to be included in the cost estimates for this project.

- Assume that a number of doors and spaces at the complex will use key locks (e.g. concession stand door, individual offices, etc). Require modern, secure lock and key system.
 - *Security cameras.* Would want new surveillance cameras to be able to view the parking areas, main fields, as well as the interior and exterior of the clubhouse building.
- *Backup Power.* Require backup power generator and associated infrastructure for data and emergency power systems. Assume at least 250 KV required.

Joint Major / Minor League Offices and Reception

We anticipate that all offices will be located on the second floor of the clubhouse building and that the offices will open onto a covered balcony with a view of at least one of the Major League fields. Would be useful for balcony to view one Major and one Minor League field.

Will need some kind of joint ground floor reception area for the clubhouses and offices. Would want it to contain some built-in display cases.

Shared Spaces

- *Reception area.* Approximately 200 square foot reception area on second floor to serve offices.
- *Boardroom.* Require one large boardroom of approximately 615 square feet (38.8 feet long x 15.8 feet wide) that can accommodate a table with seating for twenty two (22) persons. Should include a small kitchenette area (sink, water, bar fridge, counter, cupboards).
- *Flexible Multi-Purpose Room.* Room would be approximately 800 square feet and would constitute "flex" space for various meeting, training, treatment and other needs. Room should be equipped with small, wheeled tables (approx. 2 feet x 3 feet) that can be aligned to create larger tables for meetings, configured in a variety of ways or moved/removed as necessary. Would prefer that this room be located in a spot that has relatively easy access to the clubhouse (even though this room will be on the second floor).
- *Open Office Space.* Require two (2) separate open office spaces (aka "bullpen" spaces) of approximately 450 square feet each (total of 900 square feet), with each space intended to accommodate multiple desks/cubicles. This open office space will be used by various staff members from Baseball Operations, Communications, Marketing, Player Relations, IT and other departments as necessary.
- *IT Workspace.* IT must have a separate work space of approximately 300 square feet, with storage for excess equipment and room for 2-4 employees to work comfortably. Would prefer this workspace to be physically separated in some fashion from other offices.
- *Server Room.* For safety reasons (e.g. floods), would want on second floor.
- *Kitchen and Eating Area.* Require a 300 square foot kitchen/eating area serving the offices. This area should include a sink, dishwasher, refrigerator, microwave, etc.
- *Copy Room.* Require a copy/office supply room of about 150 square feet.
- *Men's and Women's Washrooms.* Require 1 large set of washrooms for each gender serving the offices. Assume we will require 150 square feet for each bathroom (or, alternatively, could do 2 smaller washrooms for each of men and women).
- *Janitor's Closet.* 1 janitor's closet of approximately 100 square feet for equipment and supply storage.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- *Player Shoot Room.* For 3 to 4 weeks of Spring Training we require a room in which to be able to shoot audio / visual footage of players (e.g. throwing, jumping and batting action, interviews, and other content). Room needs to be 25 feet x 40 ft (1,000 square feet) and ceiling height of at least 13 feet. *This room can be on second floor and must be physically separate from weight room (to ensure that noise and music from weight room is not heard within this space), but also needs to be relatively easily accessible to/ from the Major League clubhouse.* Minimum lighting power service inside the shooting space should be 200A, 208V, 3ph with local disconnect and cam-loc J series connectors or equivalent. Should have acoustical tiles on the ceiling. Air conditioning for this space should have acoustical dampers, and a local thermostat control so it can be turned off during filming to ensure fan-coil cannot be heard. Outside of Spring Training, may want to repurpose the room as overflow meeting space, so it would be good to have means to divide room in two (and could include movable tables on wheels, etc.)

Major League Operations Offices

- *Covered Office Balcony with Field View.* Require an office balcony with roof and view of closest Major League field(s) and, potentially, some of the gang mounds (depends on final site layout).
- *Reception and office spaces:*
 - 2 "double" (i.e. larger than standard) private offices (each of approximately 250 square feet) with balcony access and room for desk and small table for small meetings
 - Reception area of approximately 250 square feet near at least 2 of the "double" offices
 - 7 "single" private offices with or without balcony access (150 square feet each)
 - 3 "single" private offices with or without balcony access (100 square feet each)
 - 1 large "open" (aka "bullpen") office space (approximately 450 - 550 square feet) (with wrap-around working counter and sufficient space for 4 desks).
 - 1 smaller "open" (aka "bullpen") space (approx. 275 square feet) without balcony access with room for 2-3 desks.

Minor League Operations Offices

- *Covered Office Balcony with Field View.* Require an office balcony with roof and view of closest Minor League field(s) and, potentially, some of the gang mounds (depends on final site layout). This would be the same balcony as the one serving the Major League offices, but probably just on a different side of the building.
- *Office Spaces.*
 - 1 "double" (i.e. larger than standard) private office (approximately 250 square feet) with balcony access and room for a main desk and small table for small meetings.
 - 3 "single" private offices with or without balcony access (150 square feet each).
 - 1 "single" private offices with or without balcony access (100 square feet each).
 - 1 large "open" (aka "bullpen") office (approximately 400 square feet) with room for 6 desks.
- *File storage room.* Require 150 square feet.

Florida Operations Offices

- *Office Spaces.*
 - 1 "double" (i.e. larger than standard) private office (of approximately 250 square feet) with balcony access and room for desk and small table for small meetings.
 - 2 "single" private offices with or without balcony access (150 square feet each).

Joint Major / Minor League Clubhouse Spaces

Assumption is that all of the player and coaching-related spaces will be on the main floor of the Clubhouse building unless otherwise noted.

- **Reception.** Area of about 300 square feet or more at front entrance to serve as reception for entire clubhouse / office building. Would want it to contain some built-in display cases.
- **Blue Jays Communications Staff, Media Workspace and Related.** Require an area within which Blue Jays communications staff would work, adjacent to a media workspace and related spaces. Specifically:
 - 1 "single" private office (150 square feet each) for Blue Jays communications staff
 - 1 "single" private office (100 square feet each) for Blue Jays communications staff
 - 1 large private space for Blue Jays communications staff (approx. 300 square feet) with room for 3-4 desks.
 - Adjacent to the Blue Jays media relations staff offices, we require approximately 700 square feet of room for media members to work and eat. Although located within the building footprint, this room should be totally separated from clubhouses and main Blue Jays offices, with its own entrance / exit. Counters should line the outside of the room to provide work space (with appropriate electrical, internet and other connections). Media workspace should include small copy/supplies area (about 100 square feet of total area).
 - Require 2 interview rooms of approximately 100 square feet each, connected and immediately adjacent to the media workspace.
- **Shared Weight Room.** The weight room will be shared by both Major and Minor League players/staff, and need to be located in close proximity to both Major and Minor League Athletic Training/Treatment areas (probably directly in between).
 - Require 10,000 square feet of main floor interior space with rubberized flooring. Must include power and internet connections throughout weight room, camera conduits in a section, screens for programming and feedback at all workout stations (i.e. cardio), and all other necessary cabling, conduit and other infrastructure for future technological upgrades.
 - Extra high ceilings – the interior space should be at a height of at least 2 stories.
 - A 2nd floor "cardio loft" overlooking the main floor (loft should be about 700 square feet).
 - An additional dedicated rehabilitation area of approximately 1,000 square feet with training / massage tables, machines, etc. attached to the weight area
 - An additional 225 square foot (15 foot x 15 foot) secure storage room attached to the weight area (including shelving) for storage excess equipment/supplies.
 - An additional exterior space of at least 2,700 square feet (90 feet x 30 feet), separated from the main weight room by one or more a glass/clear garage doors, with field turf and an all-weather awning or roof to protect from the elements.
 - Exterior wall located within this exterior space should be steel-reinforced "medicine ball wall" (i.e. wall has to be strong enough to withstand repetitive impact from medicine balls).
 - An additional smaller outdoor storage area (adjacent to exterior workout space) of approximately 250 square feet with small lockable container for storage of exterior workout materials.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- *Shared Hydrotherapy Room.* The hydrotherapy room will be shared by both Major and Minor League players/staff, and need to be located in close proximity to both Major and Minor League Athletic Training/Treatment areas (probably directly in between). Require 1,400 square foot room with proper ventilation, plumbing, etc. Room will include at the following at minimum:
 - Hydroworx therapy pool system, with variable depth, underwater treadmill, and built-in cameras. This pool should be in the center of the room.
 - 4 in-ground Hydroworx plunge pools (2 hot, 2 cold). Two (2) plunge pools (1 each hot and cold) should be placed on either side of the therapy pool, so that Major and Minor league each has access to its own pair of plunge pools.
 - 2 CET Team Cryospa tubs with hot and cold functionality.
 - 2 small stainless steel tubs (for extremities). Would need to be located near water source / plumbing.
 - 2 ice machines (1 cube and 1 pellet). Again, requires water source.
 - Small bathroom area with urinal, sink and shower. Could be enclosed by curtain or partial wall.
- *Yoga Studio.* One (1) room of 800 square feet, with wooden floors and mirrors on walls for possible use as yoga studio. This room must be in proximity to and easily accessed from weight room and training areas.
- *Large, Subdivisible Multi-Purpose Room.* This room would be approximately 1,000 square feet and would have dividers to permit it to be subdivided into 2 to 4 smaller rooms (each would need its own doorway access to the hall). Intent is to have a very flexible space that can accommodate multiple needs simultaneously. On one day, there might be a large meeting. On another, one of the smaller spaces might be used for cognitive training or grappling. This large multipurpose room should also be equipped with small, wheeled tables that can be aligned to create larger tables for meetings, configured in a variety of ways or moved/removed as necessary.
- *Second, Subdivisible Multi-Purpose Room.* "Flexible" space of 1000 square feet to be used for various training, treatment and other varying needs. Should be divisible for possible use as smaller conference rooms as and when required, and should be equipped with small, wheeled tables that can be aligned for meetings or moved/removed as necessary.
- *Sports Science Lab.* Require dedicated space of approximately 700 square feet (approx. 26.5 feet x 26.5 feet) with power outlets, internet connections and conduits / wiring, for data, video, etc throughout (we anticipate having cameras installed in this space at some point). Desire is for the space to in a built-in force measurement platform (pad that measures downward force, such as from jumps).
- *Main Trainers' Locker Area.* Need locker space (approximately 825 square feet) and washroom space (approximately 275 square feet) for athletic trainers, strength and conditioning coaches, and mental performance coaches. Must comfortably accommodate 40 staff total. Lockers should include integrated power outlets. Washroom should include at least 3 urinals, 3 stalls, 8 showers and 4 sinks.
- *Female Locker Area.* Smaller locker room (approximately 200 square feet) for 5 lockers (including integrated power outlets) and accompanying shower and restroom area (approximately 100 square feet). Restroom area should have 2 sinks, 2 toilets and 2 showers.

Exhibit "C" **Improvements**

Ver. 3.0 - As of September 9, 2016

- **Doctor's exam room.** 2 private rooms of approximately 125 square feet each. Require each room to be accessible directly from both the Major and Minor league training areas, with each of the 2 rooms including:
 - Lockable door
 - Hi-Lo examination table
 - X-ray view box on wall
 - Counter-top type desk with computer workstation
 - Built-in cabinets and locks
 - Wall-mounted vitals station, and
 - Wall-mounted mirror.

- **X-ray room.** Need x-ray room with properly insulated (lead) walls and door, with a total size of about 120 square feet. Should be a dedicated room and not shared with doctor or massage therapist. Should be accessible directly from both the Major and Minor League training areas. Room needs:
 - Enough space for hi-lo examination table
 - Fluoroscan or x-ray machine (provided by the team)
 - Lead walls and door
 - Counter top including lower storage.

- **Shared Video Room and Office.**
 - Require single shared Major/Minor league video room of approximately 600 square feet. Should include divider in middle of room, in case separation between Major and Minor league personnel is desired. Room should include built-in counter/cabinets around exterior of room and equipment (including video and computers, as well as connectivity and cabling). Will be used for charting and watching video. Two charting stations should be capable of controlling all cameras throughout stadium and complex, including on main field, back fields, batting cages, etc.
 - Smaller, connected office (approximately 200 square feet) to be set up as work room for Advance Scouting and other video-related work.

- **Theatre-style Classroom.** Would like to have a theatre with fixed, banked seating capable of comfortably holding 120 persons (we anticipate that would require approximately 1,600 square feet). Space would have integrated audio/visual (screen at front, speakers, etc.) and would have desks and outlets at the seats. Initial plans should show people entering at front of room and walking up to back rows which are raised above ground level.

Clubhouse and Training Spaces for Exclusive Use of Major Leaguers

- **Major League Locker Room and Washroom. Requirements:**
 - 2,800 square foot main locker room area.
 - 80 new, high quality "permanent" lockers (with proper ventilation, integrated power outlets, etc.). Lockers should be around room exterior so that center has room for comfortable movement and with some built-in counters/tables, sunscreen station, televisions and other features. Lockers can be extra tall (like in Padres locker room in Peoria) given the extra high ceilings in the space.
 - 2 lounge areas in center of clubhouse with couches, tables, etc.
 - High ceilings (about 22 feet) with windows to allow natural light above lockers (similar to Padres locker room in Peoria, except also want to be able to darken the room when needed, which isn't possible in Peoria).
 - Additional 1,200 square foot restroom/shower area with at least 6 urinals, 6 toilets, 18 showers and 8 sinks.
 - Although doesn't have to follow a football shape, that would be fine, provided that the ends of the room are not coming to a point (making those ends unusable).

- **Janitor's Closet.** 1 janitor's closet of approximately 100 square feet for equipment and supply storage.

- **Athletic Training/Therapy Areas.** Athletic training/therapy area must adjacent to the joint hydrotherapy space in the building and weight room, with ability to view into each.
 - Approximately 1,400 square feet of primary training space.
 - 8 hi low treatment tables included in the training space.

- *Family Waiting Room.* Should be about 200 square feet, with separate entrance removed from clubhouse/training facilities. Preference would be for this space to be accessed directly from the main floor reception area.
- *Staff / Executive Locker Room.* Would like to have a locker room (approx. 575 square feet) and shower/washroom space (approx. 225 square feet) for use by clubhouse staff and team executives, accommodating 30 persons/lockers.  - One (1) residential washer, and
 - One (1) sink and large table for folding.
- *Equipment Room / Equipment Storage / Offices.*
 - Require 2,000 square feet for equipment storage, at least partly divided, so it's really two spaces rather than one single large room. Within the 2,000 square foot area:
 - Want to devote a portion of storage space as a kind of "cage" of "subspace" that can be locked (approximately 250 square feet).
 - Want to include a pooled office area of about 150 square feet for 2 or 3 people. Should have counter built in around at least one exterior wall.
 - Require garage door/loading space to exterior of main floor equipment room -- with direct access to parking lot/driveway. *Loading space for Major League equipment area needs to be physically separate from the loading space for the Minor League equipment area, so that if there was load-in or load-out happening on the same day, they would not affect one another.*
 - Want the equipment area to include large accordion-style shelving system on tracks (with ability to move and also to lock in place) for more efficient storage and access to equipment.
 - Require additional ball storage room of 175 square feet with shelving in the room. This room needs to have direct access to the outdoors, in a location with a convenient path to the Major League fields.

Exhibit "C" Improvements

- **Dining Room.** Require 1,100 square feet for a dining room (eating area). Must be connected to the kitchen /service counter in a functional way.  - **Nutrition area.** Want a portion of the lunch room space to include counters and cabinet space to be used as a "nutrition area", including supplements, nutrition bars, juice bar, smoothie station with blenders, etc
 - **Outdoor Eating Area.** Would like an additional outdoor patio eating area with picnic tables. Preferably this space will include some shade and be about 300 to 400 square feet. If so, we would not want to finish the entirety of the larger space for the purpose of eating (we likely would want to leave unfinished or use for some other purpose).
- **Additional storage.** Would like to ensure that we have an additional storage space / room of approximately 250 square Major League portion of the building.

Subject to the MLB Rules and Regulations, the Club agrees to play no less than ninety percent (90%) of its "home" Spring Training games at the Dunedin Facilities, and will make all reasonable efforts to play at least ten (10) Spring Training games with other Major League Clubs at the Dunedin Facilities during each Spring Training Season. Games that are cancelled due to inclement weather will be counted as games played relative to the ten (10) Spring Training games per Spring Training Season commitment above, if the appropriate officials have formally cancelled the games citing such inclement weather.

The Club shall be entitled to schedule Spring Training games in excess of ten (10) per Spring Training Season at the Dunedin Facilities. "Home" Spring Training games to be played hereunder will be played at the Grant Field Facilities. Exhibit "D"

The Club will be responsible to provide personnel for all repair, maintenance, staffing, cleaning, ticket sales, internal security, umpires, ground keeping, and all other operational personnel for the Dunedin Facilities. The City will not otherwise provide any services whatsoever to the Dunedin Facilities, except as is specifically provided herein, and shall not be obligated to expend any funds for repair or maintenance of the Dunedin Facilities, save as included in Sections 6(f), 6(g), 15 and 24 of this Exhibit "D".

- b) Playing Fields Maintenance. All playing fields at the Dunedin Facilities shall be maintained by the Club to a standard similar to Major League playing facilities and such maintenance shall include field preparation for use by other organizations.

The Club shall be solely responsible for the hiring and supervision of such employees in sufficient numbers and qualifications to meet its obligations hereunder.
- e) Use of Dunedin Facilities by Other Organizations. The use of the Dunedin Facilities by other organizations (excepting the City) for baseball purposes and purposes related thereto and such other purposes as may be approved by the City shall be scheduled and administered by the Club. The City shall maintain and separately account for the Special-Purpose Annual Payments made by the Club (the "Special-Purpose Annual Payment Account"). The designation and establishment of the Special-Purpose Annual Payment Account in and by this Exhibit "D" shall not be construed to require the establishment of a completely independent, self-balancing account as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues as herein provided. The Club will, at any time, be entitled to all records regarding the status of such Special-Purpose Annual Payment Account and the information about amounts accrued therein (including interest).

Expenditures of any amounts held within the Special-Purpose Annual Payment Account may be made only for Capital Replacement (as defined in this Exhibit "D") at the Dunedin Facilities and Maintenance, subject to the Club's written approval of the specific expenditures (including the specific services, materials and contractors). In the event that the Threshold Date is not achieved and the Agreement to which this Exhibit "D" is attached is terminated pursuant to paragraph 1.2(b)(i) of such Agreement, all proceeds remaining in the Special-Purpose Annual Payment Account shall be the property of the Club and shall be returned to the Club within thirty (30) days of the Club making a written request for same. The City will not be responsible for any costs of implementing or maintaining any naming rights arrangements established by the Club hereunder; however, the City will cooperate in ensuring that any naming rights arrangement so established is respected (for example, by ensuring that any City references to a Nameable Property – including City signage and publications - are updated in accordance with such naming rights arrangements). The Club agrees to proceed with diligence to make reasonable efforts to market the naming of the Grant Field Facilities or the Stadium (in the Club's discretion). The City shall not have a veto or approval right over the name of the Nameable Properties, however, the Club agrees to keep the City reasonably apprised (subject to any obligations of confidentiality or commercially reasonable discretion during negotiations) of potential naming opportunities under consideration. In connection with the rights set forth herein, the Club may grant to Pinellas County (or one of its departments or agencies) the right to place a Pinellas County-related name on one or more of the Nameable Properties for any period of the Pre-Renovation Term.

Grant, former mayor of the City, and (ii) the Engelbert Site in honor of Cecil P. Englebert, also a former mayor of the City.
- c) **Annual Naming Rights Revenues.** Annual Naming Rights Revenues in each calendar year of the Pre-Renovation Term, if any, shall be accounted for as follows:
- i) In the event that the Club receives more than one thousand dollars (\$1,000) of Annual Naming Rights Revenues in any particular calendar year of the Term, but less than one hundred thousand one dollars (\$100,001), the Club shall pay all of the Annual Naming Rights Revenues received by it to the City and the City shall deposit same into the Special-Purpose Annual Payment Account maintained in accordance with SECTION 18 of this Exhibit "D",

- iii) In the event that the Club receives more than two hundred and fifty thousand dollars (\$250,001) of Annual Naming Rights Revenues in any particular calendar year of the Pre-Renovation Term, the Club shall pay the following amount to the City and the City shall deposit same into the Special-Purpose Annual Payment Account maintained in accordance with SECTION 18 of this Exhibit "D": one hundred seventy five thousand dollars (\$175,000).

In no event will the Club be obligated to contribute greater than one hundred and seventy five thousand dollars (\$175,000) to the Special-Purpose Annual Payment Account on account of the sale of naming rights hereunder in connection with any single calendar year of the Pre-Renovation Term.

For certainty, the provisions of the third, fourth and fifth paragraphs of SECTION 18 of this Exhibit "D" shall apply to all of the amounts deposited to and held in the Special Purpose Annual Payment Account, irrespective of whether the funds were originally contributed as a result of the application of SECTION 18 or this SECTION 19.

SECTION 20 - TAX LIABILITY

The Club shall be responsible for all sales taxes, intangible taxes, license taxes, and all other taxes or fees directly arising from or attributable to the Club's use of the Dunedin Facilities, whether payable to the City or to other governmental agencies. The parties will each be responsible for payment of one-half (1/2) of the ad valorem taxes on the Dunedin Facilities (net of City taxes) as is otherwise set forth in Section 3 of this Exhibit "D" to a maximum of \$25,000 per year per party. In the event that the annual ad valorem taxes payable on the Dunedin Facilities are in excess of \$50,000 despite the best efforts of the parties to reduce them to that amount, the parties will meet together in good faith to reasonably resolve operational matters to attempt to reduce the payment of the additional ad valorem taxes.

Exhibit "D"

The Club shall furnish to the City a new Certificate of Insurance at least fifteen (15) days prior to the renewal date of coverages. A Certificate of Insurance evidencing the insurance coverage specified herein shall be furnished to the City prior to the facilities being utilized by the Club. Notwithstanding anything contained herein, no sovereign immunity or limited

Exhibit "D"

sovereign immunity that may be imposed by law with respect to the City's liability hereunder shall serve to, or be deemed to serve to, increase, expand or add to any liability or responsibility of the Club to third parties and the Club shall not and shall not be deemed to assume or be responsible for any liability or responsibility or excess liability or responsibility for which the City would otherwise be responsible (whether hereunder or otherwise) but for any sovereign immunity or limited sovereign immunity imposed by law.

The City shall self-insure for its liability under this Exhibit "D" and shall maintain such property insurance for loss by hazard as to the insurable value of such Facilities as it maintains for other City property for its full replacement cost. The Club will provide for insurance for its property kept at the Dunedin Facilities. The Club will not be responsible for any loss or damage to properties insured against by the City except for intentional acts or negligence of the Club up to the amount of the City deductible under its insurance policies.

SECTION 23-- SUSPENSION OF EXHIBIT "D"

The provisions of this Exhibit "D" which are not directly affected by the Club being unable to use the Dunedin Facilities or such material part thereof shall remain in full force and effect.

- b) If the period of the suspension extends beyond eight (8) months and such arises by reason of a state of war within the United States or a non-baseball labor dispute, the Club shall be entitled to terminate this Exhibit "D" or the Agreement to which it is attached without liability to the City therefor.

During the period of such suspension, the Club shall be entitled to conduct its games and practices hereunder at alternate facilities of its choice.

SECTION 24-- CAPITAL REPLACEMENT FUND

During the operation of this Exhibit "D", the City shall maintain a fund for the purpose of Capital Replacement expenditures which shall be known as the Capital Replacement Fund (the "Fund"). This Fund shall be used solely for Capital Replacement expenditures and shall be initially funded to an amount of \$250,000 or such greater amount as agreed upon between the parties. Capital Replacements shall be undertaken by the City as and when required, without cost or expense to the Club as to the funding for such Capital Replacements. The City will be responsible for all capital replacement costs in respect of

Exhibit "D"

the Dunedin Facilities notwithstanding any funding or changes in funding to the Capital Replacement Fund.

The Fund shall be funded from the following sources:

- (a) The amounts held in the Fund on the effective date of the Agreement to which this Exhibit "D" is attached.

The Fund shall be in the nature of a trust fund and the Club will, at any time, be entitled to all records regarding the status of such Fund and the information about amounts accrued therein. Expenditures of such funds shall be limited to Capital Replacement at the Dunedin Facilities and shall require the joint approval of the City and the Club, not to be unreasonably withheld or delayed.

Upon the occurrence of the events described in paragraph 1.2(b)(ii) of the Agreement to which this Exhibit "D" is attached, all amounts held in the Fund will be added to the Capital Replacement Fund (as defined in the Agreement to which this Exhibit "D" is attached).

In the event that the Threshold Date is not achieved and the Agreement to which this Exhibit "D" is attached is terminated pursuant to paragraph 1.2(b)(i) of such Agreement, all proceeds remaining in the Fund will be the property of the City and may be used for any purposes as deemed appropriate by the City, free of trust.

The City shall administer the expenditures of such Funds and shall undertake and complete any Capital Replacement projects that the parties have mutually agreed upon and shall follow all normal purchasing, bidding and construction practices as in its normal course of business, unless the parties shall mutually agree to delegate some or all of a Capital Replacement Project to the Club.

- a) The Failure by either party to perform, observe or comply with timely, any term, representation, condition, obligation, covenant, or other provision requiring performance of that party under this Exhibit "D" and such failure is not cured within sixty (60) days after written notice, specifying the nature of such failure and requesting that it be remedied, given by the non-defaulting party to the defaulting party, unless the non-defaulting party shall agree in writing to an extension of such time prior to expiration; provided, however, if the failure stated in the notice cannot reasonably be corrected within the applicable period, no event of default shall be deemed to exist hereunder if corrective action is instituted by the defaulting party promptly upon receipt of the written notice and is diligently pursued until corrected.
- b) The dissolution or liquidation of the Club, or the filing of a voluntary or involuntary petition applicable to the Club in any proceeding for the Club's reorganization or liquidation under the provisions of the Federal Bankruptcy Code, or adjudication of the Club as bankrupt, or the appointment of a receiver of any of the Club's property, or the assignment of any of the Club's property for the benefit of its creditors, if the Club fails to lift, stay or dismiss promptly any such proceedings or any execution, garnishment or attachment that will materially and adversely impair the Club's operation.

- (1) In the event of a monetary default, abandonment of the Dunedin Facilities by the Club or a wrongful termination of this Exhibit "D" by the Club, the City may reenter and take possession of the Dunedin Facilities without terminating this Exhibit "D".

Exhibit "D"

exclude the Club from possession thereof and lease or otherwise use the Dunedin Facilities for the account of the City and may require the acceleration of the annual payments as set forth above without setoff or other defense by the Club arising from the City's reentry and use of the Dunedin Facilities and such setoff or defenses of the Club are specifically waived.

- (II) Take any act or law or in equity as it may appear necessary or desirable to collect any amount to be paid by the Club hereunder when due, or to enforce any obligation or covenant or agreement of the Club under this Exhibit "D"; provided, however, no such enforcement shall include a requirement of the Club to play home Spring Training games at the Dunedin Facilities during the period that this Exhibit "D" is operable, the City's remedies in respect of any default in so playing being limited to monetary damages.

In the event that an event of default by the City shall have occurred and be continuing, the Club may institute such action against the City as the Club may deem necessary to complete performance or may perform the City's obligations hereunder and deduct the cost of so doing from payments required to be made hereunder to the City; provided, however that no such action shall seek to impose, or impose, any pecuniary liability upon the City, or any personal or pecuniary liability upon any member of the City Commission, employee, attorney or contractual representative of the City and any such claim, legal right or cause of action is specifically waived and foregone hereby.

No delay or omission to exercise any right or power accruing upon any event of default shall impair any right or power or shall be construed to be a waiver thereof by any such right or power may be exercised from time to time and as often as may be deemed expedient.

In the event either party shall default under any of the provisions of this Exhibit "D" and the other party should employ attorneys or incur other expenses for the collection of any amount due hereunder or the enforcement of performance or observance of any obligation or agreement herein contained, the non-breaching party if successful in such proceedings, shall be entitled to recover from the breaching party the reasonable fees of such attorneys and such other expenses so incurred.

In the event any agreement contained in this Exhibit "D" should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Except as limited by applicable law or this paragraph, no remedy conferred upon or reserved to the parties is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and in addition to any other remedy given under this Exhibit "D" or now hereafter existing at law or in equity or by statute.

Criterion No. 5

The facility for a spring training franchise is located in a county that levies a tourist development tax under Section 125.0104, Florida Statutes.

Compliance with Criterion No. 5

Pinellas County does levy a tourist development tax, as indicated by information taken from the Pinellas County Tax Collector's website. (See Appendix)

INDIAN RIVER COUNTY ANNUAL REPORT ON STATE SPRING TRAINING FUNDS

Dated: July 29, 2019

Indian River County is submitting its annual report to the Florida Department of Economic Opportunity in accordance with Florida Statute, Section 288.11631. Please find the requested information enclosed:

- 1. A detailed report on all local and state funds expended to date on the project being financed under Section 288.11631, F.S.*

Attached is a detailed report of expenditures (**Attachment #1**) of the bond proceeds of the \$16,810,000 Indian River County, Florida, Revenue Bonds, (Spring Training Facility) Series 2001. Also please see a copy of the official statement for this bond issue (**Attachment #2**). These bonds are secured in part by the "Retained Spring Training Franchise" funds ("State Funds"). The original annual debt service for these bonds was \$1,221,333. The "State Funds" originally supported \$500,000 (40.9%) and local funds supported the remainder \$721,333 (59.1%). The annual debt service has now dropped to approximately \$500,000 since a portion of the bond was paid off in 2013 and again in 2019.

Based on the portion of debt supported by the annual \$500,000 from the State of Florida, approximately \$6.9 million of the initial acquisition and construction costs (\$19 million) were funded by the "State Funds". The entire proceeds of the bond issue were expended by 2006. Additionally the County has continued to spend local funds since the bond issue was fully expended (See **Attachment #1A**). Total expenditures for this project now stand at approximately \$25.4 million.

- 2. A copy of the contract between the certified local governmental entity and the spring training team.*

Please find a copy of the "Memorandum of Understanding" between the Los Angeles Dodgers, Inc. and the County entered into on August 9, 2000 (**Attachment #3**). Also, please find the Facility Lease Agreement between the Dodgers and Indian River County, entered into on September 1, 2000 (**Attachment #3A**), as well as the First Amendment, Second Amendment, Third Amendment, Fourth Amendment, Fifth Amendment, and Amended and Restated Facility Lease Agreement (**Attachments #3B, #3C, #3D, #3E, #3F, and #3G**).

Further, the Certification of Indian River County as an authorized facility for a retained spring training facility pursuant to Section 228.1162, Florida Statutes, approved by OTTED on January 1, 2001, has been attached as well (**Attachment #4**).

3. *A cost-benefit analysis of the team's impact on the community*

Attached is a copy of the Economic Impact Report from the Treasure Coast Sports Commission for the 2019 Historic Dodgertown (AKA Jackie Robinson Training Complex/JRTC) Spring Training held January 1, 2019 through April 30, 2019 (**Attachment #5**). This event resulted in 11,371 room nights in Indian River County, with an estimated \$4 million economic impact. It should be noted that Historic Dodgertown has activity throughout the year, not just during spring training. The total economic impact of this facility is shown in the attached report titled, "Economic Impact and Facts - Jackie Robinson Training Complex" prepared by the Treasure Coast Sports Commission (**Attachment #5A**).

Also included is a copy of the "Economic Impact of Tourism" completed by the Center for Tourism Research & Development in December 2001 (**Attachment #5B**). This study estimated the total economic impact of Spring Training at Dodgertown at approximately \$120 million per year.

4. *Evidence that the certified governmental entity continues to meet the criteria in effect when the applicant was certified.*

As stated above, Indian River County entered into a Memorandum of Understanding (MOU) and a Facility Lease Agreement with the Dodgers in 2000. The MOU provided that the County would purchase the stadium from the Dodgers for \$10 million and provide \$7 million for the expansion and renovation of the facility. The Series 2001 Spring Training Facility Bonds were issued to finance the acquisition and improvements. This bond issue was secured partially by pledging the annual \$500,000 payments received in accordance with Section 121.20, Florida Statutes, through 2031. Several years later, the Dodgers terminated the lease agreement. The County subsequently entered into an agreement with Verotown (previously Minor League Baseball) to operate the facility. Please note, this agreement entered into on May 1, 2009, and as amended later, explicitly contemplated that Verotown would allow for and assist Indian River County in securing Spring Training opportunities at the facility (see **Attachment #6**). The agreement entered into on January 2, 2019 with Major League Baseball includes operational covenants which state "Verotown acknowledges the community's desire to host, and agrees to promote the use of the Facility for Major League Baseball spring training activities and game events. Verotown agrees to negotiate with any Major League Club expressing an interest in conducting spring training activities or game events at the Facility and use its best efforts to enter into a user agreement on such terms and conditions as Verotown deem commercially reasonable or feasible; provided, however, that the failure to do so shall not be considered a Default by Verotown hereunder. Any such use by a Major League Club requires prompt review and approval by the County Administrator, which will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. In the event such approval is not timely forthcoming or otherwise withheld, Verotown may seek approval from the County Commission."

Please note, Section 288.11621(5)(f) states, "A local government as defined in s.218.369 may not be decertified by the department if it has paid or pledged for the payment of debt service on, or to fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto, bonds issued for the acquisition, construction, reconstruction, or renovation of the facility for which the local government was certified, or for the reimbursement of such costs or the refinancing of bonds issued for the acquisition, construction, reconstruction, or renovation of the facility for which the local government was certified, or for the reimbursement of such costs or the refinancing of bonds issued for such purpose. This subsection does not preclude or restrict the ability of a certified local government to refinance, refund, or defease such bonds."

As shown in Attachments #3, and #4, the County was certified as a retained spring training facility on January 1, 2001. Further, Attachment #2 is the official statement for bonds issued for the acquisition, construction, and renovation of Dodgertown. This issue pledged the retained spring training facility funds for a period of thirty years beginning on February 28, 2001.

Subsequently, Indian River County pledged the "State Funds" for the payment of debt service on bonds issued for the acquisition, construction, and renovation of this facility. This scenario is contemplated within Section 288.11621(5)(f) as recently amended. Per Section 288.11621(5)(f), the County "may not be decertified by the department" based upon the information provided herein.

(1) Original Acquisition and capital improvements costs totaling \$17 million were funded through the Series 2001 - Spring Training Facility Bonds. These bonds are secured by a portion of Half-Cent Sales Tax, the Fourth Cent Local Option Sales Tax, and State funds of \$500,000 per year for a 30-year period. Based on the portion of debt supported by the annual contribution from the State, approximately \$6.9 million of the initial acquisition and construction costs were funded by the State funds.

(2) The Capital Reserve Account was jointly funded by the City and the County for the acquisition from the Dodgers in 2001. The City contributed \$1.4 million and the County contributed \$600,000 to this fund. A \$2 million Capital Reserve Account was approved at the inception of the agreement with MiLB as well. The balance of this account was expended in April 2014.

(2a) Beginning with the first renewal term of the Capital Reserve Agreement, the County shall deposit \$250,000 per Lease Year into the Capital Reserve Account as a means of supplementing the Capital Reserve Account balance.

(2b) Beginning with the Amended and Restated Facility Lease Agreement, the County shall deposit \$800,000 per Lease Year for the first five years into the Capital Reserve Account as a means of supplementing the Capital Reserve Account balance. In Lease Year six and continuing through the last year of the third Renewal Term, the County shall deposit \$400,000 into the Capital Reserve Account per Lease Year.

(3) The agreement with MiLB included funding for tourism promotion. Funding for each year of the agreement is as follows; \$50,000 first year, \$55,000 second year, \$60,500 third year, \$66,550 fourth year, and \$75,000 fifth year and each subsequent lease year during any renewal term.

(4) Beginning with the Amended and Restated Facility Lease Agreement with MLB, the County has 3 years from the Lease Effective Date to complete various Improvements at an estimated cost of \$4.9 million.

In the opinion of Bond Counsel, assuming continuing compliance by the County with certain covenants to comply with provisions of the Internal Revenue Code of 1986, as amended, interest on the Series 2001 Bonds is excluded from gross income for purposes of federal income taxation and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations under existing statutes, regulations and judicial decisions; although it should be noted that in the case of corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for purposes of such alternative minimum tax. Furthermore, in the opinion of Bond Counsel, the Series 2001 Bonds and the income therefrom are exempt from taxation under the laws of the State of Florida, except as to Florida estate taxes imposed by Chapter 198, Florida Statutes, as amended and net income and franchise taxes imposed by Chapter 220, Florida Statutes, as amended. MEMORANDUM OF UNDERSTANDING

THIS Memorandum of Understanding, dated as of July 24, 2000, shall be effective as of the last signature date hereof, by and among Indian River County, Florida, a political subdivision of the State of Florida (the "County"), the City of Vero Beach, Florida, a municipal corporation (the "City"), Los Angeles Dodgers, Inc., a Delaware corporation, and Fox Baseball Holdings Incorporated, a Delaware corporation, the owner of record of the Land (collectively, the "Dodgers") and de Guardiola Development, Inc., a Florida corporation (the "Developer").

WITNESSETH

WHEREAS, Dodgers own and control the land consisting of approximately 64.03 acres described in Exhibit "A" hereto (the "Land"); and

WHEREAS, for over fifty years, the Dodgers have owned and operated the spring training and conference facility known as "Dodgertown," which is located on the Land and is comprised of Holman Stadium, an eighty-nine (89) unit hotel facility, a conference center with meeting and dining rooms, a clubhouse and weight room, in-door batting and pitching cages, four (4) full baseball practice fields, and two (2) half baseball practice fields (collectively, the "Existing Facilities"); and

WHEREAS, the Dodgers desire to sell the Land and Existing Facilities to the County, and, in conjunction with the Developer, to develop other land owned by the Dodgers within the municipal limits of the City into a mixed use town concept which will reflect the ambiance and tradition of Dodgertown; and

WHEREAS, the County intends to finance its obligations under the Real Estate Contract (as defined in Section 1(A), below) and the Development Agreement (as defined in Section 2(A), below), in part, by means of one or more series of revenue bonds to be issued by the County (the "Bonds"); and

WHEREAS, the parties now desire to identify the general terms and conditions pursuant to which they shall negotiate in good faith to draft and execute the various agreements whereby (1) the County shall acquire the Land and Existing Facilities from the Dodgers, (2) the County shall lease the acquired Land and Existing Facilities to the Dodgers, and (3) the Dodgers shall, on behalf of the County and at the County's cost and expense (as described in Section 3(B), below), improve and/or repair the Existing Facilities and/or replace the Existing Facilities with new improvements (the "Improvements").

NOW THEREFORE, the parties hereto agree as follows:

Section 1. Real Estate Contract

(A) The County and the Dodgers shall negotiate a Real Estate Sale and Purchase Agreement (the "Real Estate Contract") pursuant to which the County shall purchase the Land and all Existing Facilities, "as is," from the Dodgers for a purchase price of Ten Million Dollars (\$10,000,000), payable in full in cash at closing. The Real Estate Contract shall be a standard form agreement which shall include the usual and customary covenants employed in such types of commercial real estate transactions in Florida, with all of the customary costs and expenses to be prorated or shared, as the case may be, between the County and the Dodgers, except that the Dodgers, as seller, shall be solely responsible for any state and/or local taxes levied on the Land (regardless of when such taxes are payable) prior to the date that the County takes title to the Land.

(B) The County shall represent in the Real Estate Contract that it has not dealt, and shall not deal, with any broker, salesman, or finder in connection with the transactions contemplated herein, and that no sales commissions or finder's fees shall be due or payable by or from the County as a result of the transactions contemplated herein.

(C) The County shall be entitled to obtain and receive a physical and environmental survey of the Land and an owner's title insurance policy reflecting the acquisition of an unencumbered and marketable fee simple title to the Land, as well as other usual and customary land acquisition requirements generally applicable to such commercial real estate acquisitions. The means for determining "marketable title" to the Land shall be specified in the Real Estate Contract.

(D) The Real Estate Contract shall provide that if the County elects to sell the Land any time during the "Term" of the Facility Lease Agreement (as defined in Section 2(A), below), the Dodgers shall have an option to reacquire the Land and all Existing Facilities and/or Improvements (hereinafter collectively referred to as the "Facility"), at the then fair market value for the Facility. The fair market value of the Facility shall be determined in the manner described in Section 2(E), below. The Real Estate Contract shall also grant the Dodgers an option to repurchase the Facility, at its then fair market value (such fair market value to be determined in the manner described in Section 2(E), below), at any time after the Bonds to be issued by the County have been retired, provided that the Dodgers are still the lessee under the Facility Lease Agreement. The options to be granted to Dodgers hereunder shall be written into the deed for the Facility.

Section 2. Facility Lease Agreement

(A) The Dodgers and the County shall negotiate in good faith to enter into a Facility Lease Agreement (the "Facility Lease Agreement") pursuant to which the Dodgers shall lease the Facility from the County for a period of twenty (20) years (the "Initial Term"), plus a series of options, which may be exercised by the Dodgers at their sole discretion, for not less than four (4) renewal terms of five (5) years each (the "Renewal Terms"). For purposes of this Agreement, "Term" shall mean the Initial Term and any

Renewal Terms. As indicated herein, all of the agreements contemplated by this Memorandum of Understanding, including the Facility Lease Agreement, are and shall be made subject to and expressly contingent upon the acquisition of the Land and Existing Facilities by the County, the funding by the County and City of the "Construction Fund" and the "Capital Reserve Account" (as both terms are defined in Section 3(B), below), the acquisition by the Developer of the "Adjacent Land" (as defined in Section 4(A), below), the obtaining by the Developer of site plan approval for the "Collateral Development" (as defined in Section 4(A), below), the obtaining by the Dodgers' of site plan approval for the Improvements (as defined in Section 3(B) below), and the execution by the parties of all other agreements contemplated by this Memorandum of Understanding.

(B) The Facility Lease Agreement shall provide for an annual rental payment during the Initial Term of One Dollar and No/100 (\$1.00) per year, payable in advance at the time of execution. The annual rental payment during any Renewal Term shall also be One Dollar and No/100 (\$1.00) per year, payable in advance at the time that the option is exercised by the Dodgers.

(C) Under the Facility Lease Agreement, the Dodgers, as lessee, shall assume all obligations for the operation and maintenance of the Facility without claim for offset or reimbursement from the County. The Dodgers shall be solely responsible for maintaining the Facility in a commercially reasonable manner and for insuring the Facility in an amount equal to the replacement cost of all Existing Facilities and/or Improvements against customary casualty and general liability losses at commercially reasonable rates and will name the County and the City as additional insureds thereunder. Because the Dodgers will be operating the Facility under the Facility Lease Agreement, the Dodgers shall indemnify and hold the County and the City harmless from any and all claims and liabilities that may arise as a result of the Dodger's use or operation of the Facility. All operational expenses of the Facility, personal property taxes, and ongoing repairs and replacements of property forming any portion of the Facility, shall be the sole obligation of the Dodgers, except for the payment of any ad valorem real property taxes that may become due on the Land. Under the Facility Lease Agreement, the County shall assume the obligation to pay any and all ad valorem real property taxes that may become due after the date that the County acquires the Land. However, the Dodgers shall be responsible for the payment of all liens, assessments, taxes, or other encumbrances whatsoever resulting from the Dodgers' prior ownership of the Land.

(D) Neither party shall have the right to assign the Facility Lease Agreement to a third party during the Term without the other party's prior written consent, which consent may be granted or denied by the other party at its sole and absolute discretion. Notwithstanding the foregoing, the County acknowledges and agrees that the Dodgers shall have the right, at their sole discretion, to sublease to the Developer and/or to any third party, at any time during the Term, for any type or amount of consideration deemed appropriate by the Dodgers any residential units, office space, and/or conference facilities located within the Facility and to retain any and all revenues or consideration derived therefrom.

(E) If the Facility Lease Agreement is terminated by the Dodgers without the County's consent before the expiration of the Initial Term, the Dodgers shall pay the County, as liquidated damages, the then

remaining amount required by the County to defease or retire the Bonds it issued to acquire the Land and Existing Facilities and to finance the Improvements. The aforementioned payment of liquidated damages shall be the County's sole remedy under the Facility Lease Agreement. In conjunction with the payment of such liquidated damages, the Dodgers shall have the option to repurchase the Facility (i.e., the Land and all Existing Facilities and Improvements) at a price equal to the Facility's then fair market value, less the amount of any liquidated damages paid by the Dodgers to the County hereunder. The fair market value of the Facility shall be established by an independent appraiser to be selected by two appraisers, one of whom shall be designated by the Dodgers and the other by the County. The independent appraiser shall appraise the fair market value of the Facility by using the highest and best use method. For purposes of the Facility Lease Agreement, the cessation of use of the Facility as a spring training facility by the Dodgers shall be what constitutes a termination of the Facility Lease Agreement.

Section 3. Development Agreement

(A) The Dodgers and the County shall negotiate in good faith to enter into a "Development Agreement" pursuant to which the Dodgers shall undertake responsibility for the construction of the Improvements generally described in Exhibit "B" hereto, which Improvements shall be definitively described in the Development Agreement. The County acknowledges and agrees that a portion of the Existing Facilities may be demolished in order to construct the Improvements, which may include new housing units.

(B) On or before March 30, 2001 (or such later date as may be acceptable to the Dodgers), the County shall deposit not less than Seven Million Dollars (\$7,000,000) into a "Construction Fund" which shall be made available to the Dodgers to pay for the Improvements in accordance with the terms of the Development Agreement. The funds for the Construction Fund shall be obtained by the County from the Bonds that it intends to issue in connection with this project. At the same time, the County shall also deposit up to Two Million Dollars (\$2,000,000) into a "Capital Reserve Account" which shall be made available to and administered by the Dodgers to pay for the subsequent repair and/or replacement of any Improvements. The Dodgers shall be solely responsible for any and all costs and expenses associated with the Improvements and any future improvements voluntarily undertaken by the Dodgers which exceed the combined amount in the Construction Fund and the Capital Reserve Account; provided, however, that if, during the course of the site plan approval and permitting process, the Dodgers are required to change and/or add to the Improvements and, as a result of any such changes and/or additions, the amount of the cost and expenses associated with the Improvements increases to more than three (3%) of the combined amount in the Construction Fund and the Capital Reserve Account, then the Dodgers shall have up to and including sixty (60) days (or such later date as may be acceptable to the County and the Dodgers) after the County obtains certification from the State of Florida Office of Tourism, Trade and Economic Development (the "Office of Tourism") that the Land and Existing Facilities constitute a "facility for a retained spring training franchise" as described in Section 288.1162, Florida Statutes, to terminate the Development Agreement and all of the parties shall immediately be relieved of their obligations under this Memorandum of Understanding, the "Project Agreements" (as defined in Section 8(E), below), and/or any subsequent agreements executed in accordance with this Memorandum of Understanding.

(C) The Construction Fund shall be maintained and administered by the County and the Capital Reserve Account shall be maintained and administered by the Dodgers. Withdrawals from the Construction Fund and the Capital Reserve Account shall be made by the Dodgers by means of requisitions which shall be submitted to the County for its reasonable approval. All requisitions submitted by the Dodgers for purposes of paying any costs and/or expenses associated with the Improvements and due to third parties shall be deemed reasonable and shall be approved by the County. Both accounts shall be established as trust accounts with a bank or trust company with offices located in Florida. All investment earnings up to the Bond yield attributable to the Construction Fund and all investment earnings attributable to the Capital Reserve Account shall be redeposited into such accounts and made available to the Dodgers as if such earnings had been part of the initial deposit. Both the Dodgers and the County shall receive monthly statements for each account. Capital repairs and replacements to the Facility shall be deemed to be reasonable expenditures to be paid from the Capital Reserve Account.

(D) In the event that the Improvements are completed under budget and any funds provided by the County (exclusive of the funds in the Capital Reserve Account) remain in the Construction Fund, then the Dodgers shall, at their sole discretion, either (1) undertake to make additional Improvements with the excess funds or (2) following input from the County, relinquish the use of the excess funds, in which case a portion of the Bonds will be redeemed with such excess funds. The Development Agreement shall establish the procedure for using any excess funds.

(E) All Improvements shall inure to the benefit of the County as the holder of title to the Land, and ownership thereof shall vest with the County as soon as construction is completed. The Dodgers shall retain sole right of possession and quiet enjoyment of the Facility throughout the Term.

Section 4. Collateral Development.

(A) All of the parties hereto acknowledge and agree that the acquisition of the Land by the County and the development thereof by the County, the City, and the Dodgers is contingent upon the Developer's (1) entering into a contract to purchase from the Dodgers the existing approximately 44.7 acre golf course immediately adjacent to the western boundary of the Land and the approximately 17.14 acres of land adjacent to the northern boundary of the Land, each as more particularly described in Exhibit "C" hereto (collectively, the "Adjacent Land"), and (2) to obtaining site plan approval for the construction, on the Adjacent Land of a hotel and conference facility, a multifamily residential rental development, and retail, restaurant and entertainment centers (collectively, the "Collateral Development"). Therefore, if, for any reason, the Developer fails or is unable to acquire the Adjacent Land and/or to obtain the site plan approval for the Collateral Development, then all of the parties shall immediately be relieved of their obligations under this Memorandum of Understanding, the "Project Agreements" (as defined in Section 8(E), below), and/or any subsequent agreements executed in accordance with this Memorandum of Understanding.

(B) The Collateral Development shall be designed, constructed, operated, and maintained by the Developer and/or its assignees, and shall encompass a mixed-use town concept or "mini-town" which

shall be constructed in three (3) phases. Phase I shall consist of an approximately 120 room hotel and up to a 40,000 square foot conference facility. Phase II shall consist of approximately 250 multifamily market rate rental units, and Phase III shall consist of retail, restaurant, and entertainment facilities which will convert the remaining Adjacent Land into a fully functioning "mini-town". The Developer anticipates that Phase I and Phase II will commence immediately upon the acquisition of the Adjacent Land by the Developer, but the commencement of construction shall be contingent upon the County's actual issuance of the Bonds and its acquisition of the Land. The Developer anticipates that Phase I will take approximately twelve (12) months to complete from the date that building permits are issued.

(C) Based upon the Developer's preliminary discussions with planning and zoning representatives of the City, it is anticipated that the scope of the Collateral Development will be approved and building permits issued under existing City zoning and comprehensive plan categories for the Adjacent Land. If, however, it is determined that the scope of the Collateral Development will require zoning or other land use changes, and such changes cannot be accomplished within sixty (60) days (or such later date as may be acceptable to the County and the Dodgers) after the County obtains certification from the Office of Tourism that the Land and Existing Facilities constitute a "facility for a retained spring training franchise" as described in Section 288.1162, Florida Statutes, then all of the parties shall immediately be relieved of their obligations under this Memorandum of Understanding, the "Project Agreements" (as defined in Section 8(E), below), and/or any subsequent agreements executed in accordance with this Memorandum of Understanding.

(D) The Developer shall incorporate the ambiance and tradition of Dodgertown, including, without limitation, the Dodgers' name, trademarks, service marks, trade names, insignia, symbols, logos, decorative designs, trade dress, and uniform designs (collectively, the "Dodgers Marks"), into the design of the Collateral Development, the objective of the parties being to integrate the Facility with the Collateral Development so as to create a uniform look and feel for both. The Dodgers shall have the right to review and approve, at their sole discretion, each and every use of the Dodgers' Marks by the Developer. As part of the separate agreements to be negotiated and executed between the Dodgers and the Developer, there shall be (1) a Declaration of Covenants, Conditions and Restrictions burdening the Adjacent Land and the Developer's use thereof, and (2) a licensing agreement covering the Developer's use of the Dodgers' Marks, which rights shall be granted to the Developer for not more than One Dollar (\$1.00) per year.

Section 5. Parking Agreement

In order to provide sufficient parking for all events at Holman Stadium and, in general, for the Dodgers' use of the Facility, the City, the County, the Dodgers, and the Developer shall enter into a four-way Parking Easement Agreement (the "Parking Agreement") pursuant to which the parties shall grant each other the use of certain parking spaces on the Land and the Adjacent Land. The Parking Agreement shall be supported by cross easements between the parties on their respective properties. The Parking Agreement shall regulate the charges for all parking, and all revenues derived from parking in connection

with events at Holman Stadium shall be retained solely by the Dodgers after reimbursing the Developer for any costs and expenses incurred by the Developer in connection with such parking.

Section 6. Operation of the Facility; the County's Use of Holman Stadium

(A) As lessee of the Facility under Facility Lease Agreement, the Dodgers shall be solely responsible for operating and maintaining the Facility and shall retain all revenues derived from the use of the Facility, including, without limitation, all revenues derived from ticket sales, food and merchandise concessions, sponsorships, and parking on the Land.

(B) Notwithstanding the foregoing, the County shall be granted the right to use Holman Stadium and/or the practice fields for up to twenty (20) days per year at no charge to the County (other than reimbursing the Dodgers for any operating expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or and the practice fields). The dates during which the County may use Holman Stadium and/or and the practice fields shall be selected by mutual agreement of the parties; provided that, if the parties cannot agree on the dates, the Dodgers' reasonable selection of dates shall be final and controlling. The County may use Holman Stadium and/or and the practice fields only for functions which do not compete with revenue-generating events (e.g., concerts) which may otherwise be arranged by the Dodgers. Moreover, the County's use of Holman Stadium and/or the practice fields must not interfere in any way with the Dodgers' use and quiet enjoyment of the Facility. The County shall not use or authorize the use of Holman Stadium and/or the practice fields in any manner which would have a material detrimental impact on Holman Stadium and/or the practice fields, and the County shall be and remain solely responsible for any damage or destruction to Holman Stadium and/or any of the practice fields that may occur as a result of such use of Holman Stadium and/or and the practice fields by the County. The County shall be entitled to retain the revenues from ticket sales for its events, and, with the prior consent of the Dodgers, concessions sold during the events when Holman Stadium and/or the practice fields are utilized by the County; provided, however, that the Dodgers shall not be required to provide concession services and/or the use of any concession facilities and/or any other services during any County event. In all cases, the Dodgers shall be reimbursed by the County for any operating costs and expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or the practice fields, including, without limitation, the cost of any parking attendants, ticket takers, security personnel, clean-up crews, and the like provided by the Dodgers.

Section 7. Zoning and Permitting

It shall be the sole obligation of the Dodgers and the Developer to obtain any permits and/or zoning changes which may be required to construct the Improvements and the Collateral Development. The County, acting solely in its capacity as the fee owner of the Land, shall cooperate with the Dodgers and the Developer, as may be reasonably required, to enable the Dodgers and the Developer to obtain any permits and/or zoning changes for the Improvements, including, without limitation, by joining in any applications for such permits and/or zoning changes.

Section 8. Actions Required by Each Party

(A) Actions Required of the City: Immediately upon the approval of this Memorandum of Understanding by the City Council, the City shall commence good faith negotiations with the various parties to draft and, when appropriate, execute the agreements which pertain to its participation in the transactions contemplated by this Memorandum of Understanding. The City shall also commence to take the necessary steps to fund a grant to the County in the amount of One Million Four Hundred Thousand Dollars (\$1,400,000), which amount shall constitute a portion of the County's local matching funds as required by Section 288.1162, Florida Statutes. At the option of the City, such grant may be made contingent upon the County obtaining a certification from the Office of Tourism that the Land and Existing Facilities constitute a "facility for a retained spring training franchise" as described in Section 288.1162, Florida Statutes. The terms of the City's grant to the County shall be set forth in an Interlocal Agreement between the City and the County as provided for in Chapter 163, Florida Statutes, which Interlocal Agreement shall reflect the relative contributions of the City and the County, and shall provide that upon any sale of the property acquired by the County pursuant hereto the City shall receive a proportionate share of the proceeds of sale. The Interlocal Agreement shall also contain a provision requiring repayment to the City of its \$1,400,000 should it perform its obligations hereunder, and subsequently either: (1) the transactions contemplated hereby not be consummated, or (2) the transactions be consummated yet fail and the parties be "relieved of their obligations" as provided elsewhere herein.

(B) Actions Required of the County: Immediately following the approval of this Memorandum of Understanding by the Board of County Commissioners (the "Board"), the County shall commence good faith negotiations with the various parties to draft and, when appropriate, execute the agreements which pertain to its participation in the transactions contemplated by this Memorandum of Understanding. The County shall also commence to take the necessary steps to extend the County's levy of the Tourist Development Tax authorized by Section 125.0104, Florida Statutes, so that a Tourist Development Tax in the authorized amount of four (4) cents shall be imposed for a period of not less than twenty (20) years. In addition, the County shall approve the Interlocal Agreement with the City regarding the City's grant of funds to the County as a portion of the County's local matching funds. As part of these steps, the County shall identify sufficient revenue sources, including, for this purpose, funds anticipated to be received by the County under Section 288.1162, Florida Statutes, to enable the County to issue revenue bonds providing net bond proceeds (i.e., bond proceeds less costs of the transaction and bond reserve funds) of not less than \$19,000,000, of which \$10,000,000 shall be used to fund the purchase price of the Land and \$7,000,000 shall be used to fund the Construction Fund for the Improvements, and currently available non-bond proceeds in an amount of up to \$2,000,000 to fund the Capital Reserve Account. Upon completion of these steps, and the execution by the County of the Real Estate Contract, Facility Lease Agreement, Development Agreement, and Parking Agreement, the County shall complete and file the Application required by Section 288.1162, Florida Statutes, prior to October 1, 2000 (or such later date as may be set forth in any rules or regulation adopted by the Florida Office of Tourism), in an effort to obtain a certification that the Facility is a "facility for a retained spring training franchise".

(C) Actions Required of the Dodgers: Immediately following the approval and execution of this Memorandum of Understanding by the City Council, the Board, and the Developer, the Dodgers shall undertake to complete their negotiations with the Developer to enter into the agreements pursuant to which the Developer shall purchase the Adjacent Lands and construct the Collateral Development. The County hereby acknowledges that the Dodgers have provided it with historical evidence that Holman Stadium has attracted paid attendance of at least 50,000 annually for the prior ten years, and will thereafter assist the County in obtaining verification of any projections of future attendance reasonably requested by the Florida Office of Tourism. In addition, the Dodgers will deliver to the County such items as the County shall need in order to timely complete and submit the Application required by Section 288.1162, Florida Statutes on or before October 1, 2000 (or such later date as may be set forth in any rules or regulation adopted by the Florida Office of Tourism), including, without limitation, a description of the Improvements with the required amount of detail to support the Application. The Dodgers covenant and agree to actively cooperate and participate with the County in making a successful and timely Application as required by Section 288.1162, Florida Statutes.

(D) Actions Required of the Developer: Immediately following the approval and execution of this Memorandum of Understanding by the City Council, the Board, and the Dodgers, the Developer shall undertake to complete its negotiations with the Dodgers to enter into the agreements pursuant to which the Developer shall acquire the Adjacent Land and construct the Collateral Development. The aforementioned agreements between the Dodgers and the Developer shall be executed and made effective as of the date that both of the following conditions are satisfied: (1) the Florida Office of Tourism certifies that the Facility is a "facility for a retained spring training franchise," and (2) the scope of the Collateral Development has been approved under existing City zoning and comprehensive plan categories for the Adjacent Land.

(E) Actions Required by All Parties: Immediately following the approval and execution of this Memorandum of Understanding by all of the parties hereto, each party shall commence to negotiate in good faith to draft and, when appropriate, execute the Real Estate Contract, the Facility Lease Agreement, the Development Agreement, the Parking Agreement and the agreements between the Dodgers and the Developer (collectively, the "Project Agreements"). The parties shall also cooperate and make their best efforts to obtain the necessary approvals and permits for the Improvements and the Collateral Development. The parties acknowledge and agree that each and every one of the Project Agreements, and any subsequently identified agreements required by any of the Project Agreements, must be drafted and executed by all parties by not later than September 1, 2000. The parties further acknowledge and agree that all of the Project Agreements shall be made contingent upon the County receiving certification from the Florida Office of Tourism that the Land and Existing Facilities constitute a "facility for a retained spring training franchise." Accordingly, upon the completion and execution of the Project Agreements, the City, the Dodgers, and the Developer shall cooperate with and assist the County in preparing and submitting the Application to the Office of Tourism for the required certification.

Section 9. Contingencies.

(A) The parties hereto agree that upon execution of this Memorandum of Understanding, all parties shall be bound to proceed in a good faith manner to negotiate the Project Agreements and complete the transactions contemplated by this Memorandum of Understanding. However, the parties recognize that various steps must be taken by each of the parties which, if not taken, shall prevent the other parties from taking the actions required of them herein. As a result, the parties hereto agree that the failure of a party to perform the obligations specified below shall relieve the other parties from their obligations under this Memorandum of Understanding. The City's obligations hereunder shall be to take the actions described in Section 8(A) and (E), above; the County's obligations hereunder shall be to take the actions described in Sections 8(B) and (E), above; the Dodgers' obligations hereunder shall be to take the actions described in Sections 8(C) and 8(E), above, and the Developer's obligations hereunder shall be to take the actions described in Sections 8(D) and 8(E), above.

(B) The parties acknowledge that the Application to the Office of Tourism for the sales tax revenues must be filed on or before October 1, 2000. If, prior to October 1, 2000, the County fails to extend its tourist development sales tax or otherwise fails to take the actions described in Section 8(B) above, and/or if the City fails to take the actions described in Section 8(A) above, the obligations of all parties hereto shall immediately terminate. If, as expected, the Land and Existing Facilities are certified as a "facility for a retained spring training franchise" on or before January 1, 2001, and the Developer has received site plan approval by February 1, 2001, the County shall issue its Bonds and acquire the Land prior to March 31, 2001 (or such later date as may be mutually acceptable to the Dodgers and the County). Immediately thereafter, but subject to the issuance of the necessary building permits, the Dodgers shall commence construction of the Improvements, with the objective being to complete construction of the Improvements and have them ready for use by not later than February 15, 2002, or such later date as may be determined by the Dodgers.

(C) If the Dodgers fail to take the actions required of them by Sections 8(C) and 8(E), above, or if the Developer fails to take the actions required of it by Sections 8(D) and 8(E), above, and if, as a result of the foregoing, the parties are relieved of their obligations under this Memorandum of Understanding, then whichever party fails to take the actions required of it hereunder shall reimburse the County for all actual and verifiable costs incurred by the County in connection with this project after the date of execution of this Memorandum of Understanding, including, without limitation, the cost, if any, of appraisals, land surveys, environmental assessments, title searches and reasonable legal fees and expenses of outside counsel, but only up to a maximum reimbursement amount of Fifty Thousand Dollars (\$50,000). The foregoing shall be the sole legal remedy available to the County and the City in the event of a breach by the Dodgers and/or the Developer of this Memorandum of Understanding, and neither the Dodgers nor the Developer shall be liable, at law or in equity, for any other losses or damages, whether known or unforeseen, sustained by the County and/or the City, and/or any consequential damages, or punitive or exemplary damages.

(D) The parties acknowledge and agree that the Real Estate Contract shall be made contingent upon a determination that Hohman Stadium is in compliance with the accessibility guidelines which will be

imposed by the Americans with Disabilities Act on the County as the owner of Holman Stadium. The aforementioned determination shall be made by the County by not later than December 31, 2000.

Section 10. Drafting of Agreements

Immediately following the approval and execution of this Memorandum of Understanding by the City Council, the Board, the Dodgers, and the Developer, counsel for the County, with the assistance of counsel for the Dodgers and the Developer, shall commence to draft the Real Estate Contract, the Facility Lease Agreement, the Interlocal Agreement, the Development Agreement, and the Parking Agreement described herein and such other additional documents as may be necessary to consummate the transactions contemplated hereby, subject to the provisions of Section 9 hereof.

If the Dodgers fail to provide such notice within the aforementioned time, then the Dodgers' right and option to renew shall continue in full force until the County notifies the Dodgers that the renewal notice has not been received and the Dodgers fail to exercise their renewal rights within sixty (60) days after receipt of the County's notice, it being the intention of the parties that the Dodgers shall not lose any renewal right through inadvertence. Each Renewal Term shall be upon the same terms and conditions as the Initial Term.

Section 2.04. Rent. The Dodgers shall pay to the County the sum of One Dollar (\$1.00) per Lease Year as rent payable in advance.

Section 2.05. Option to Purchase. As provided in the deed to the County from the Dodgers for the Land and Existing Facilities, if, at any time during the Term, the County offers to sell the Facility, the Dodgers shall have a right of first refusal to purchase the Facility for the lowest purchase price which the County would accept from any third party. The then fair market value of the Facility shall be calculated in accordance with the provisions set forth in Section 10.07, below.

(d) Provide all security, crowd control, maintenance, cleaning, landscaping and other personnel or independent contractors required for the proper maintenance and operation of the Facility consistent with the Maintenance Standards;

(e) Obtain and maintain all commercial general liability insurance necessary or appropriate to insure the liability of the County, the City, and the Dodgers with respect to the Facility and property insurance. The insurance, as it protects the County's and the City's interest, shall be subject to the County's reasonable approval and shall cause the County and the City to be named as an additional insured on such policies. Further provisions concerning insurance are set forth in Section 14.05, below. A certificate of insurance evidencing proof of such insurance shall be provided to the County and the City annually starting on the beginning date of the Term and as further provided in Section 14.05, below;

(f) Set rates and charges for the use of the Facility by third parties;

(g) Advertise and promote all baseball and non-baseball events conducted at the Facility, such advertising and promotion to mention or identify the County and/or the City to the extent practicable (the Dodgers understand the importance of promoting the County and the City and their image and desire and agree to assist in such regard).

Books and records shall include, but not be limited to, all records of expenditures from the Capital Reserve Account.

ARTICLE IV

MAINTENANCE RESPONSIBILITIES

Section 4.01. Dodgers' Rights and Obligations. During the Term, the Dodgers shall be responsible for the repair, operation, and maintenance of the Facility, and shall have, but not be limited to, the rights, responsibilities and obligations specified in Sections 4.02 through 4.05, below.

(a) To satisfy the Maintenance Standards;

(b) To comply with all applicable laws, ordinances and regulations, including, but not limited to the requirements of the Americans with Disabilities Act of 1990 ("ADA") and any amendments thereto, including Title II, Structural and Title III, Programmatic Accessibility Standards as well as any future additions; and

(c) To meet the standards and regulations of Major League Baseball

Section 4.03. Operation. The Dodgers shall provide and pay for, solely from funds of the Dodgers or the Capital Reserve Account, if appropriate, all costs and expenses required for the operation and maintenance of the Facility which are not, by the terms of this Agreement, specifically required to be provided and paid for by the County, including, but not limited to, all personnel (including supervisory staff), labor, equipment, telephone, water, sewer, storm water, and materials. Costs for which the Dodgers are responsible shall include, but not be limited to, taxes (except for ad valorem real property taxes, if any, imposed upon the County in connection with the Facility), gas, electricity and other utilities related to operation of the Facility, and production of all events taking place at the Facility.

Section 4.04. Taxes. The Dodgers shall pay all taxes associated with the operation of the Facility, including, but not limited to, sales taxes, except that the County shall pay that portion of the ad valorem real property taxes levied on the Land and all structures and improvements constituting the Facility.

Section 4.05. Liaison. The Dodgers shall name a person to be the liaison to work with the County with respect to coordinating the mutual responsibilities of the Dodgers and the County. The Dodgers hereby designate Mr. Craig Callan as the liaison unless and until a new person is designed in writing by the Dodgers.

Section 4.06. Limitations. The Dodgers' rights and obligations under this Agreement are subject to the following additional limitations:

(a) No contract entered into pursuant to this Agreement may impair any right of the County hereunder.

(b) The Dodgers shall not, without the County's consent, enter into any contract extending beyond the expiration date of the Term, as the Term is defined when any such contract is executed by the Dodgers.

(c) The Dodgers shall take no action which may result in the attachment of a lien or cloud on the County's interest in or title to the Facility. If, as a result of the Dodgers' actions, a lien or cloud is attached to the County's interest or title to the Facility, the Dodgers shall immediately take all reasonable and necessary steps to remove such lien or cloud.

(d) The Dodgers shall not knowingly occupy or use the Facility for any purpose or in any manner that is unlawful.

(e) Except as such records relate to proprietary or confidential business functions of the Dodgers, the Dodgers shall maintain all records concerning their responsibilities under this Agreement which are either required to be maintained pursuant to applicable law or which are necessary to verify the County's rights and the Dodgers' obligations under this Agreement, which records shall be made available to the County at the Facility during regular business hours upon two (2) days' prior written notice from the County.

(f) Within the policies and standards set by the County pursuant to this Agreement, the Dodgers shall function as an independent contractor in fulfilling the duties required by this Agreement. All staff required by the Dodgers to accomplish their obligations under this Agreement shall be employees of the Dodgers and not the County.

(g) The Dodgers take the Facility "as is," both as of the Effective Date and upon completion of the Improvements, with no warranty from the County as to condition.

(h) The Dodgers shall provide, at their expense, all equipment necessary to perform their responsibilities hereunder.

(i) Except as may be provided in the Development Agreement or this Agreement, the Dodgers shall not undertake any capital improvements to the Facility without the permission of the County, which permission shall, when not otherwise governed by the aforementioned Agreements, not be unreasonably withheld.

(j) If the County reasonably believes that the Dodgers' failure to comply with any of their obligations under this Agreement involves a "life safety issue," as hereinafter defined, the County shall have an immediate right to correct the life safety issue and the reasonable costs and expenses incurred by the County in correcting the life safety issue shall be due and payable by the Dodgers to the County within thirty (30) days after the submission of a statement to the Dodgers for the payment of the same. If such amount is not paid when due, it shall bear interest at the prime rate published by the *Wall Street Journal* from time to time from the date that the Dodgers received the County's statement until the date payment was made. For purposes of this Agreement, a "life safety issue" shall mean a situation which imposes an immediate threat of bodily harm or death to any users or occupants of the Facility.

(k) Other than the Improvements, or except as authorized in this Agreement, the Dodgers shall not construct any additional buildings or structures on any portion of the Facility, or make any structural, or exterior changes to the Facility, without the prior written approval of the County, which approval shall not be unreasonably withheld. The Dodgers shall not make major alterations or modifications to the Facility without the prior written approval of the County, which approval shall not be unreasonably withheld. Notwithstanding

OR 1426PG0576

the foregoing, the County acknowledges that the Dodgers may decide to augment or replace the existing eighty-nine (89) unit hotel facility and the conference center at the Facility with new housing units and an expanded meeting and dining center. Accordingly, the County hereby approves such renovation and construction, provided it is undertaken by the Dodgers in accordance with the terms of this Agreement and consistent with the Maintenance Standards. All such permanent improvements, alterations, or additions placed on the Facility by the Dodgers shall be conveyed by the Dodgers to the County by a quit-claim deed upon the completion of such improvements, alterations or additions.

(l) On or before the expiration date of this Agreement, or its earlier termination as provided herein, the Dodgers shall remove all of their personal goods and effects, repair any damage caused by such removal, and surrender and deliver the Facility in its "AS IS" condition. Any personal property or effects not removed within thirty (30) days after the expiration date of this Agreement or its earlier termination as provided herein shall be deemed to have been abandoned by the Dodgers, and may be retained or disposed of by the County, in its sole discretion, in accordance with applicable law.

(m) Upon the expiration or earlier termination of this Agreement, Dodgers shall return the Facility to the County free and clear of any contractual obligations or other legal encumbrances granted by the Dodgers, except utility easements and other encumbrances necessary for the maintenance and operation of the Facility.

(n) The Facility shall not be used for the manufacture or storage of flammable, explosive or Hazardous Materials (as defined below), except for Hazardous Materials typically found for use or sale in retail stores, including supermarkets and dry cleaning stores, and/or typically found for use in comparable spring training facilities. For purposes of this Agreement, "Hazardous Materials" shall mean any containment, chemical, waste, irritant petroleum product, waste product, radioactive material, flammable or corrosive substance, explosive, poly-chlorinated biphenyls, asbestos, hazardous toxic substance, material or waste of any kind, or any other substance that any environmental law regulates. "Hazardous Materials" shall include, but not be limited to, substances defined as "hazardous substances," "hazardous materials," or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq.; all applicable state and local laws; and in the regulations adopted and publications promulgated pursuant to said laws or any amendments or addenda thereto.

(o) If the Dodgers pay the rent and comply with all other terms of this Agreement, the Dodgers may occupy and enjoy the premises of the Facility for the Full Term and any renewals thereof, subject to the provisions of this Agreement.

ARTICLE V

SPRING TRAINING HOME GAMES

Section 5.01. Spring Training Home Games. Except if the Dodgers are prevented from doing so by any of the events described in Article XV, below, or by a rule, regulation, directive, order, bulletin, or agreement of Major League Baseball, the Dodgers shall, each Lease Year during the Term, cause the Team to play at least ten (10) Spring Training Home Games at the Facility. Nothing contained in this Agreement shall restrict or prohibit the Dodgers from causing or allowing the Team to play spring training games in stadiums, venues, or facilities other than the Facility, or from playing the balance of the Team's annual spring training games away from the Facility after ten (10) Spring Training Home Games are scheduled to be played at the Facility during the applicable spring training period.

Section 5.02. Rules and Regulations. The Dodgers shall comply with all applicable laws, ordinances, rules and regulations, including, but not limited to, the rules, regulations, directives, orders, bulletins, or agreements of Major League Baseball.

ARTICLE VI

COUNTY'S USE OF THE FACILITY/PARKING AGREEMENT

Section 6.01. Right of Entry. During the Term, the County shall have the right to enter into and upon any and all parts of the Facility for the purpose of examining the same with respect to the obligations of the parties under this Agreement upon two (2) days' prior written notice to the Dodgers (or without prior notice in the event of a "life safety issue" as defined in Section 4.06(J), above, but with immediate notice thereafter).

Section 6.02. Advertising and Promotion. If, during the Term, the Dodgers have any unsold advertising display space (e.g., billboards, outfield signs, etc.) at the Facility, then, subject to the Dodgers' prior reasonable approval as to the content, design, frequency of display, and placement of any such advertisements or promotional materials, the County shall be permitted to have advertisements or other promotional materials and information for the County and/or the City displayed at the Facility in such unsold advertising display space. Nothing contained in this Agreement shall require the Dodgers to remove or substitute any paid advertisement or promotional materials displayed at the Facility in favor of the County's and/or the City's advertisements or promotional materials, and all revenue-producing advertisers obtained by the Dodgers shall have priority of use over such advertising display space. In addition, nothing contained in this Agreement shall require the Dodgers to create new advertising display space or to increase the amount advertising display space, nor shall the Dodgers be prohibited or restricted from decreasing the amount advertising display space at the Facility.

DR 1426PG0578

Section 6.03. Right to Use the Facility. In addition to all of the rights specifically granted to the Dodgers in this Agreement, the Dodgers shall have the right to use the Facility in any manner and/or for any lawful purpose that the Dodgers deem appropriate in exercise of their sole and absolute discretion, subject to the terms of this Agreement.

Section 6.04. The County's Use of Holman Stadium and the Practice Fields. The County shall have the right to use Holman Stadium and/or the practice fields for up to twenty (20) days per Lease Year at no charge to the County (other than reimbursing the Dodgers for any operating expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or the practice fields). The dates during which the County may use Holman Stadium and/or the practice fields shall be selected by mutual agreement of the parties; provided that, if the parties cannot agree on the dates, the Dodgers' reasonable selection of dates shall be final and controlling. The County may use Holman Stadium and/or the practice fields only for functions which do not compete with revenue-generating events which may otherwise be arranged by the Dodgers. Moreover, the County's use of Holman Stadium and/or the practice fields must not interfere in any way with the Dodgers' use and quiet enjoyment of the Facility. The County shall not use or authorize the use of Holman Stadium and/or the practice fields in any manner which would have a material detrimental impact on Holman Stadium and/or the practice fields, and the County shall be and remain solely responsible for any damage or destruction to Holman Stadium and/or the practice fields by the County or its assignee. The County shall be entitled to retain the revenues from ticket sales for its events, and, with the prior consent of the Dodgers, concessions sold during the events when Holman Stadium and/or the practice fields are utilized by the County; provided, however, that the Dodgers shall not be required to provide concession services and/or any other services during any County event. In all cases, the Dodgers shall be reimbursed by the County for any operating costs and expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or the practice fields, including, but not limited to, the cost of any parking attendants, ticket takers, security personnel, clean-up crews, and the like provided by the Dodgers. Prior to using Holman Stadium and/or the practice fields as provided herein, the County shall cause the Dodgers to be named as an additional insured on the County's general liability insurance policy and shall deliver to the Dodgers a certificate of insurance which verifies the existence of the policy and the fact that the Dodgers are named as an additional insured.

Section 6.05. Parking. The parties hereby acknowledge and reaffirm the parking rights that they have granted pursuant to the Parking Agreement.

ARTICLE VII

REVENUES

Section 7.01 Revenues. During the Term, the Dodgers shall control, collect, receive, and retain all revenues generated by any means at or in connection with the Facility, including, but not

limited to, all revenues from ticket sales, food and beverage sales, merchandise sales, concessions and products sales, novelties, parking, telecast and broadcast rights, pouring rights, advertising, sponsorship, promotional and signage rights, Facility naming rights, and any other revenues derived or generated in connection with baseball and non-baseball events held at the Facility (exclusive of any County use events).

Section 7.02. Naming Rights. At all times during the Term, the Dodgers shall have the right, at their sole and absolute discretion, to sell naming, affiliation, and/or sponsorship rights in and to Holman Stadium and/or any portion of the Facility and/or to change the name of Holman Stadium and/or any portion of the Facility without the prior review and/or consent of the County. Any and all revenues derived from the sale of naming, affiliation, and/or sponsorship rights in and to Holman Stadium and/or any portion of the Facility shall be retained solely by the Dodgers.

ARTICLE VIII

CAPITAL IMPROVEMENTS AND REPAIR

Section 8.01. Capital Reserve Account. During the Term (until depleted), the Dodgers shall establish a trust account with a depository (the "Capital Reserve Account") in which County Funds shall be deposited pursuant to the Capital Reserve Account Agreement. The Capital Reserve Account shall be funded and maintained in accordance with the provisions of the Capital Reserve Account Agreement. All funds in the Capital Reserve Account shall be County Funds. All withdrawals from the Capital Reserve Account shall require the co-signature of the County Administrator or his designee. The Capital Reserve Account shall be used by the Dodgers in making all Repairs and Replacements to the Facility. The Dodgers shall consult with the County with respect to any expenditures from the Capital Reserve Account and any such expenditures shall be subject to the approval of the County, which approval will not be unreasonably withheld and shall be granted in accordance with the Capital Reserve Account Agreement. Any amounts remaining in the Capital Reserve Account at the expiration of the Term or earlier termination of this Agreement shall be paid to the County. The Dodgers shall be solely responsible for the cost of any Repairs or Replacements which exceed the funds available in the Capital Reserve Account and any applicable available insurance proceeds from policies of insurance provided at the Dodgers' expense.

Section 8.02. Contributions to the Capital Reserve Account. On or before March 31, 2001, or such later date as may be mutually agreed to by the parties, the County shall deposit into the Capital Reserve Account the sum of \$2,000,000. Any part of said \$2,000,000 that is not expended by the expiration of the Term or earlier termination of this Agreement shall be paid to the County at such time

Section 8.03. Facility Improvements. The County and the Dodgers agree that upon the completion of the "Improvements" listed in Exhibit B, hereto, and more specifically described in the Development Agreement, the Facility will be acceptable for use by the Dodgers as a Retained Spring

Training Franchise Facility. The County shall pay for the Improvements, but its obligation shall be limited to providing Seven Million Dollars (\$7,000,000) of net Bond proceeds, together with any portion of the Capital Reserve Account determined by the County and the Dodgers to be needed for such purpose. The Improvements shall be commenced and completed in accordance with the Development Agreement. The Dodgers shall (a) pay any additional costs of the Improvements beyond such \$7,000,000 and the funds in the Capital Reserve Account, and (b) be solely responsible for the costs of any additional improvements voluntarily undertaken by the Dodgers at the Facility. Subject to the foregoing conditions, the Dodgers, with the assistance of the County as provided in the Development Agreement, shall cause the construction of the Improvements to be completed by February 15, 2002, or such later date as may be determined by the Dodgers with approval of the County, which approval shall not be unreasonably withheld.

ARTICLE IX

DOCUMENTS AND CERTIFICATES

Section 9.01. Documents and Certificates. Each party shall supply to the other such documents and certificates as are reasonably available or procurable, and necessary for the purpose of obtaining certificates from the State of Florida Office of Tourism, for the issuance of the Bonds, or for any other purpose reasonably related to the obligations of the parties hereunder, including, but not limited to, the County's funding or administration of this Agreement and ownership of the Facility, or to consummate the transactions described in this Agreement.

ARTICLE X

DEFAULT/REMEDIES

Section 10.01. Dodgers' Default. The occurrence of any one or more of the following events constitutes a "Default" by the Dodgers under this Agreement:

(a) Failure by the Dodgers to observe or perform in any material respect any covenant, agreement, condition, or provision of this Agreement, if such failure continues for thirty (30) days after written notice thereof has been delivered by the County to the Dodgers; provided, however, that the Dodgers shall not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, the Dodgers commence such cure and diligently proceed to complete the same thereafter.

(b) The levy upon, under execution or the attachment by legal process, the Dodgers interest hereunder, or the filing or creation of a lien in respect of such interest, which levy, attachment, or lien is not released, discharged or bonded against within one hundred eighty (180) days from the date of such filing.

(c) The Dodgers are finally adjudicated insolvent or bankrupt or admit in writing their inability to pay their debts as they mature, or make an assignment for the benefit of creditors, or apply for or consent to the appointment of a trustee or receiver for the Dodgers or for the major part of their property;

(d) A trustee or receiver is appointed for the Dodgers or for the major part of their property and such trustee or receiver is not discharged within one hundred eighty (180) days after such appointment;

(e) Bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or any other proceedings for relief under any bankruptcy law, or similar law for the relief of debtors, are instituted by or against the Dodgers, and, if instituted against the Dodgers, are allowed against them or are consented to by them or are not dismissed within one hundred eighty (180) days after such institution, to the extent permitted by law; or

(f) The Dodgers are in default under the Development Agreement and such default continues for thirty (30) days after written notice thereof has been delivered by the County to the Dodgers; provided, however, that the Dodgers shall not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, the Dodgers commence such cure and diligently proceed to complete the same thereafter.

If a Default occurs, the County shall have the rights and remedies set forth in this Agreement, which shall be distinct, separate, and, to the extent not mutually exclusive, cumulative, and shall not operate to exclude or deprive the County of any other right or remedy allowed it by law or equity.

Section 10.02. County Default. In the event of any failure by the County to observe or perform any material covenant, agreement, condition, or provision of this Agreement wherein the Dodgers' remedies on account thereof are not otherwise specifically provided for in this Agreement, and if such failure shall continue for thirty (30) days after notice thereof has been delivered by the Dodgers to the County, then the County shall be deemed to be in Default hereunder, provided, however, that the County shall not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, the County commences such cure and diligently proceeds to complete the same thereafter.

Section 10.03. Remedies. In the event of a Default by either party (other than a Cessation of Use by the Dodgers), the party not in Default shall be entitled, as a non-exclusive remedy, and in addition to or in lieu of an action for damages, to seek an injunction or decree for specific performance or equitable relief from a court of competent jurisdiction to enjoin or remedy the Default.

NR 11,26PG0582

Section 10.04. Cessation of Use by the Dodgers. If, at any time during the Initial Term (and not a Renewal Term), the Dodgers lose the right to own the Team, or to hold Spring Training Home Games in the Facility, or otherwise cease to conduct their spring training operations and/or Spring Training Home Games at the Facility, such event shall constitute a "Cessation of Use" of the Facility by the Dodgers. Notwithstanding anything to the contrary contained in this Agreement, a Cessation of Use of the Facility by the Dodgers shall entitle the County to terminate this Agreement by giving the Dodgers ten (10) days' written notice of termination. The Dodgers shall have ten (10) days after receipt of the aforementioned notice of termination to renounce the Cessation of Use by confirming to the County their intention to continue to use the Facility during the Initial Term as the spring training facility for the Team. A termination pursuant to the provisions of this Section 10.04 shall become effective upon the expiration of the Dodgers' ten (10) day cure period.

Section 10.05. Liquidated Damages. If this Agreement is terminated by the County during the Initial Term as the result of a Cessation of Use by the Dodgers, then the Dodgers shall pay to the County, as "Liquidated Damages" and in lieu of all other remedies and/or damages of any type which may be available to the County, the entire amount required by the County to defease or retire the Bonds, together with any fees, expenses and costs incurred by the County to so defease or retire the Bonds.

Section 10.06. Repurchase By Dodgers. If the Dodgers are required to pay the Liquidated Damages specified in 10.05, above, the Dodgers shall be entitled to repurchase the Facility (including the Land) from the County at a price equal to the Facility's then fair market value, less the amount of any Liquidated Damages paid by the Dodgers to the County hereunder. The then fair market value of the Facility shall be calculated in accordance with the provisions set forth in Section 10.07, below.

Section 10.07. Calculation of Fair Market Value. For purposes of a repurchase of the Facility by the Dodgers pursuant to this Agreement, the then fair market value of the Facility shall be determined by the following procedure:

- (a) The Dodgers and the County shall each select an independent M.A.I. appraiser.
- (b) The appraisers selected by the Dodgers and the County shall then select a third appraiser known as the "Independent Appraiser." The Independent Appraiser shall determine the then fair market value of the Facility using the highest and best use method.

ARTICLE XI

ENFORCEABILITY

Section 11.01. Binding Effect; Enforceability. The terms and provisions set forth in this Agreement shall be binding and enforceable by and against the parties in accordance with the terms hereof.

ARTICLE XII

ASSIGNMENT/SUBLEASE

Section 12.01. Assignment. This Agreement may not be assigned by either party without the prior written consent of the other party, except that this Agreement may be assigned by the Dodgers to any person or entity who acquires the Team (by any form of acquisition), with the approval of Major League Baseball, provided that any such assignee explicitly assumes in writing the Dodgers' duties and responsibilities under this Agreement (in which case the liability of the Dodgers shall cease with respect to liabilities accruing from and after such transfer).

Section 12.02. Sublease. The Dodgers may sublease, at any time during the Term, any portion of the Facility, including, but not limited to, guest rooms, residential units, offices, practice fields, the clubhouse, weight room, and/or conference facilities located at the Facility. All revenues derived from subletting any of the foregoing shall be retained solely by the Dodgers. Any such sublease shall remain subordinate to this Lease.

No failure on the part of any party to exercise, and no delay in exercising, and no course of dealing with respect to any right hereunder, shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right or remedy provided at law or in equity, except as expressly set forth herein.

ARTICLE XIV

INDEMNIFICATION AND INSURANCE

Section 14.01. Indemnification by the Dodgers. To the fullest extent permitted by law, the Dodgers shall indemnify, protect, and hold the County and the City and their officers, agents, and employees, and each of their respective successors and assigns (collectively, the "Indemnified County Parties") harmless from and defend the Indemnified County Parties against any and all "liabilities" (as hereinafter defined) for any "bodily injury" (as hereinafter defined) or "property damage" (as hereinafter defined) whatsoever arising out of or resulting from any Default by the Dodgers and/or occurring in, on, or about the Facility to the extent such injury or damage is caused by the Dodgers, or the Dodgers' agents, contractors or employees, but not to the extent caused by the negligence or willful misconduct of the Indemnified County Parties. In the case of any action or proceeding being brought against the Indemnified County Parties by reason of any such claim, Dodgers, upon notice from the Indemnified County Parties, shall defend the same at the Dodgers' expense by counsel reasonably satisfactory to the County.

Section 14.02. Indemnification by the County. To the fullest extent permitted by law, the County shall indemnify, protect, and hold the Dodgers and their officers, agents, and employees, and each of their respective successors and assigns (collectively, the "Indemnified Dodgers Parties") harmless from and defend the Indemnified Dodgers Parties against any and all "liabilities" (as hereinafter defined) for any "bodily injury" (as hereinafter defined) or "property damage" (as hereinafter defined) whatsoever arising out of or resulting from any Default by the County and/or occurring in, on, or about the Facility to the extent such injury or damage is caused by the County, or the County's agents, contractors or employees, but not to the extent caused by the negligence or willful misconduct of the Indemnified Dodgers Parties. In the case of any action or proceeding being brought against the Indemnified Dodgers Parties by reason of any such claim, the County, upon notice from the Indemnified Dodgers Parties, shall defend the same at the County's expense by counsel reasonably satisfactory to the Dodgers.

Section 14.03. Definitions. As used in this Agreement, "liabilities" shall mean all liabilities, claims, damages (excluding consequential damages), losses, penalties, litigation, demands, causes of action (whether in tort or contract, in law or equity or otherwise), suits, proceedings, judgments, disbursements, charges, assessments, and expenses (including reasonable attorneys' and experts' fees and expenses incurred in investigating, defending, or prosecuting any litigation, claim or proceeding whether out of court, at trial or in any appellate or administrative proceeding). "Bodily injury" means bodily injury, sickness or disease sustained by a person, including death resulting from any of the foregoing. "Property damage" shall mean physical injury to tangible property, including all resulting loss of use of that property, or loss of use of tangible property that is not physically injured.

Section 14.04. Independent Provisions. The provisions of Sections 14.01 through 14.03 are independent of, and will not be limited by, any insurance obligations in this Agreement, and shall survive the expiration or earlier termination of this Agreement with respect to any claims or liability arising in connection with any event occurring prior to such expiration or termination.

Section 14.05. Insurance. Commencing upon the Effective Date and throughout the remainder of the Term and any renewals thereof, the Dodgers shall maintain, at their sole cost, the following insurance:

(a) A commercial general liability insurance policy in an occurrence form covering the insured against all bodily injury and property damage liability that may rise or be claimed due to the Dodgers' use of the Facility in a minimum amount of coverage of One Million Dollars (\$1,000,000) for injuries to persons in one accident, One Million Dollars (\$1,000,000) for injuries to any one person and One Million Dollars (\$1,000,000) for damages to property. The commercial general liability insurance policy in an occurrence form shall also include contractual liability coverage including a Broad Form Endorsement covering the insurance provisions of this Agreement and the performance by the Dodgers of the indemnification provisions set forth in this Agreement.

(b) Special form (all risk) property insurance covering (1) the Facility, including, but not limited to, any additional improvements undertaken by the Dodgers, in an amount not less than one hundred (100%) percent of their actual replacement costs from time to time existing during the Term of this Agreement, providing protection against any peril included within the classification "all risks" of physical loss or damage, together with insurance against sprinkler damage, vandalism, malicious mischief, and water damage of any type and theft. The proceeds of such insurance shall be used for the repair or replacement of the property so insured.

(c) All of the insurance policies required under Sections 14.05(a) and 14.05(b), above, shall be effected from insurance companies recognized by and licensed in the State of Florida, and provide a Notice of Cancellation or material Coverage Change provision of thirty (30) days' notice in favor of the County. The Dodgers shall provide the County and the City with a duly executed Certificate of Insurance for each such policy. The Dodgers shall maintain the Certificate of Insurance on file with the County at all times during the Term. The policies required under Sections 14.05(a) and 14.05(b), above, shall name the County and the City as an additional insured.

(d) If the Dodgers fail to furnish the Certificate(s) of Insurance as required above, the County may, after notice and an opportunity to cure as set forth in this Agreement, obtain the insurance, and the premiums on that insurance shall be deemed additional rent to be paid by Dodgers to the County on demand. Dodgers shall be responsible for securing, at their own expense, whatever insurance coverage they may desire on the contents of the Facility. All Certificates of Insurance required by this Lease shall be provided on a standard ISO form.

(e) Any insurance required of the Dodgers under this Agreement may be furnished by the County under a blanket policy so long as and provided such policy:

(1) complies with all other terms and conditions contained in this Agreement; and

(2) contains an endorsement that identifies with specificity the particular address of the Facility as being covered under the blanket policy.

ARTICLE XV
FORCE MAJEURE

Section 15.01. Force Majeure Event. Should any fire or other casualty, act of God, earthquake, flood, hurricane, lightning, tornado, epidemic, landslide, war, riot, civil commotion, general unavailability of materials, strike, slowdown, labor dispute, governmental laws or regulations, or other occurrence beyond the Dodgers' or County's control ("Force Majeure Event") prevent performance of this Agreement in accordance with its provisions, performance of this Agreement by either party shall be suspended or excused to the extent commensurate with such occurrence, except as specifically provided herein.

Section 15.02. Partial Destruction. In the event of a partial destruction of the Facility, if Dodgers determine, at their sole discretion, that the undamaged portion of the Facility is still suitable for their spring training operations, then this Agreement shall continue in full force and effect with no adjustments in the obligations of the parties, and the Dodgers shall restore the Facility as soon as possible from the insurance proceeds or the Dodgers' own funds.

Section 15.03. Facility Not Suitable for Use. In the event of total or partial destruction or damage of the Facility, if the Dodgers determine at their sole discretion that the Facility is not suitable for their spring training operations and/or cannot be used as the venue for their Spring Training Home Games, then this Agreement shall be suspended immediately until the Facility is repaired. Within twelve (12) months of the event of such total or partial destruction or damage, the Dodgers, with assistance of the County, but not at County expense, shall begin to repair or rebuild the Facility using the proceeds from the property insurance for that purpose and shall diligently pursue such repair or rebuilding until completed. Once the Dodgers contract with an Architect or an Engineer or Design Build firm to draw plans for the repair or rebuilding of the Facility, the Dodgers shall be deemed to have begun the repair or rebuilding of the Facility. This Agreement shall continue to be suspended until the Facility is suitable for the Dodgers' spring training operations and as a venue for their Spring Training Home Games.

ARTICLE XVI

ADDITIONAL IMPROVEMENTS

Section 16.01. Improvements. The Improvements, generally described in Exhibit B, shall be contracted in accordance with and pursuant to the Development Agreement. Notwithstanding the foregoing, the County hereby acknowledges that the Dodgers may desire to modify the Improvements described in Exhibit B (e.g., to add new housing units). Accordingly, the County shall approve any modifications to the Improvements hereafter requested by Dodgers so long as such modifications are designed to enhance the Facility and make it more useful to the Team and the Dodgers.

Section 16.02. Additional Improvements. Nothing contained in this Agreement shall restrict or prohibit the Dodgers from making improvements to the Facility which are not described as "Improvements" hereunder or in Exhibit B; provided that the Dodgers shall notify the County of such additional improvements before the Dodgers undertake to make them.

ARTICLE XVII

ZONING AND PERMITTING

Section 17.01. Zoning and Permitting. It shall be the sole obligation of the Dodgers, with assistance from the County, but not at County expense, to obtain any permits and/or zoning changes which may be required to construct the Improvements and any additional improvements which the Dodgers may hereafter desire to make to the Facility. The County, acting solely in its capacity as the fee owner of the Land, shall cooperate with the Dodgers as may be reasonably required, to enable the Dodgers to obtain any permits and/or zoning changes for the Improvements and any additional improvements, including, but not limited to, by joining in any applications for such permits and/or zoning changes.

ARTICLE XVIII

CONSENTS AND APPROVALS

Section 18.01. Granting or Failure to Grant Approvals or Consents. All consents and approvals which may be given by a party under this Agreement shall, as a condition of their effectiveness, be in writing. The granting by a party of any consent to or approval of any act requiring consent or approval under the terms of this Agreement, or the failure on the part of a party to object to any such action taken without the required consent or approval, shall not be deemed a waiver by the party whose consent was required of its right to require such consent or approval for any other act.

Section 18.02. Standard. Unless this Agreement specifically provides for the granting of consent or approval at a party's sole discretion, then consents and approvals which may be given by a party under this Agreement shall not (whether or not so indicated elsewhere in this Agreement) be unreasonably withheld or conditioned by such party and shall be given or denied within the time period provided, and if no such time period has been provided, within a reasonable time. Upon disapproval of any request for a consent or approval, the disapproving party shall, together with notice of such disapproval, submit to the requesting party a written statement setting forth with specificity its reasons for such disapproval.

Section 18.03. Deemed Approval.

(a) If a party entitled to grant or deny its consent or approval (the "Consenting Party") within thirty (30) days (or a shorter specified time period) fails to do so, then, provided that the request for consent or approval bears the legend set forth below in capital letters and in a type size which is not less than that provided below, the matter for which such consent or approval is requested shall be deemed consented to or approved, as the case may be:

"FAILURE TO RESPOND TO THIS REQUEST WITHIN THE TIME PERIOD PROVIDED IN THE FACILITY LEASE AGREEMENT BETWEEN INDIAN RIVER COUNTY AND LOS ANGELES DODGERS, INC SHALL CONSTITUTE AUTOMATIC APPROVAL OF THE MATTERS DESCRIBED HEREIN WITH RESPECT TO SECTION [] OF SUCH FACILITY LEASE AGREEMENT."

Section 18.04. Approvals for the County. The County hereby agrees that, subject to applicable laws and regulations, the County Administrator (or the County Administrator's authorized designee) shall be authorized to grant consents or approvals on behalf of the County with respect to this Agreement

FIRST AMENDMENT TO FACILITY LEASE AGREEMENT

THIS FIRST AMENDMENT is made and entered into as of the 1st day of June, 2011 to that certain Facility Lease Agreement by and between Indian River County, a political subdivision of the State of Florida ("County") and MiLB Vero Beach LLC, a Florida limited liability company ("MiLB"), dated as of May 1, 2009 ("Agreement").

WHEREAS, as of May 1, 2009, County and MiLB entered into the Agreement whereby County leased to MiLB the Land, the Facility and the FF&E, and transferred to MiLB the exclusive right and obligation to use, manage, operate and maintain the Facility for the term set forth therein; and

WHEREAS, based upon further negotiations between the parties and with the City of Vero Beach, Florida ("COVB"), the parties desire to amend the Agreement with respect to the Land, the Parking Lease and the Parking Property, the Improvements, and other related matters.

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. **Recitals**. The above recitals are true and correct and are incorporated herein.
2. **Definitions**. Except as set forth herein, all capitalized terms herein shall have the same meaning as set forth in the Agreement.
3. **Land**. The definition of "Land" as set forth in section 1.02(q) is hereby amended, as follows: (a) the real property described on Exhibit A attached hereto is added to the definition of "Land" and is therefore subject to all terms and conditions of the Agreement, and (b) the real property described on Exhibit B attached hereto is removed from the definition of "Land" and is therefore no longer subject to the terms and conditions of the Agreement.
4. **MiLB Events**. All references in the Agreement to "Dodgers Events" are hereby changed to "Dodgertown Events," and new section 1.02(bb) is added as follows: "Dodgertown Events" shall mean any and all events and activities held on the premises of the Land and Facility including, without limitation, sports and non-sports related events and activities, meetings and conferences, whether such events and activities are conducted by County, MiLB or any third party using all or a portion of the Land and Facility with the consent of County or MiLB.

5. Parking. The provisions of the Agreement relating to parking are amended, as follows:

(a) section 1.02(v) is deleted and replaced with the following: "Parking License Agreement means the Parking License Agreement entered into as of June 1, 2011 by and between the County and COVB which, *inter alia*, governs use rights for the City Parking Property,"

(b) section 1.02(w) is deleted and replaced with the following: "City Parking Property shall mean the real property subject to the Parking License Agreement, and Facility Parking Property shall mean the following areas contained within the Land: (i) the real property which has historically been used for parking in connection with activities and events held at the facility, (ii) those portions of the four (4) baseball practice fields and two (2) half baseball practice fields which are suitable for parking, and (iii) other accessible and open areas which are suitable for parking; and

(c) section 6.05 is deleted in its entirety and replaced with the following: "Parking. The City Parking Property is owned by the City, subject to the terms and conditions of the Parking License Agreement, and the Facility Parking Property is owned by the County, subject to the terms of this Agreement. MiLB shall have the right to use the City Parking Property for Dodgertown Events in accordance with the terms and conditions of the Parking License Agreement, which terms and conditions are hereby approved and accepted by MiLB. MiLB acknowledges that its right to use the City Parking Property for Dodgertown Events could be terminated by COVB in accordance with the terms and conditions of the Parking License Agreement. In such event, MiLB agrees that the Facility Parking Property is and will be adequate for all parking purposes relating to its use and operation of the Land and Facility. Upon expiration or termination of this Agreement, all rights of MiLB to use the City Parking Property or the Facility Parking Property for any purpose shall terminate."

6. Improvements. The provisions of the Agreement relating to Improvements are amended, as follows:

(a) section 1.02(o) is deleted in its entirety and replaced with the following: "Improvements means the improvements constructed or to be constructed on the Land and Facilities during the term of the Agreement, or any extension thereof, consisting of the addition of field lights to two (2) of the existing playing fields in 2011, the construction of a cloverleaf of four (4) youth dimension baseball fields on the real property described on Exhibit A attached hereto in 2011, and the construction of a regulation size soccer field in the area of practice field number four in 2011." and

(b) section 8.03(a) and (b) are deleted in their entirety and replaced with the following: "Immediate Facility Improvements."

(a) County, at its expense, will add field lights to two (2) existing playing fields in 2011 and will construct a cloverleaf of four (4) youth dimension baseball fields on the

real property described on Exhibit A attached hereto in 2011. Field lighting for the two (2) existing playing fields shall meet the requirements of Class AAA and Class AA field lighting for a new facility which are 100fc (foot candle) average in infield and 70fc average in outfield. County shall not pay for these improvements out of the Capital Reserve Account;

(b) County will construct a regulation size soccer field in the area of practice field number four in 2011 at its expense. County shall not pay for this construction out of the Capital Reserve Account.”

7. **Good Standing – No Violation.** County and MiLB agree that, as of the date hereof, the Agreement is in good standing, neither party is in violation or default of any provision of the Agreement, and both parties are in full compliance with all provisions of the Agreement.

8. **Conforming Terms.** All remaining terms and conditions of the Agreement are hereby conformed to be consistent with the amendments set forth herein.

9. **Remaining Terms.** All remaining terms and conditions of the Agreement not amended or conformed herein shall remain in full force and effect.

10. **Recordation.** A copy of this First Amendment shall be recorded on the Public Records of Indian River County, Florida.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed in their respective names as of the date set forth above.

THIRD AMENDMENT TO FACILITY LEASE AGREEMENT

THIS THIRD AMENDMENT is entered into as of this 16th day of July, 2013, by and between Indian River County, a political subdivision of the State of Florida ("County") and Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown").

WHEREAS, on or about May 1, 2009, the County and MiLB Vero Beach, LLC, a Florida limited liability company ("MiLB"), entered into the Facility Lease Agreement in which the County leased the Facility to MiLB, and granted to MiLB certain management rights with respect to the Facility, for a term of five years ending April 30, 2014 ("Original Lease"); and

WHEREAS, on or about June 1, 2011, the County and MiLB entered into the First Amendment to Facility Lease Agreement ("First Amendment"); and on or about January 1, 2012, the County, MiLB and Verotown, entered into the Second Amendment to Facility Lease Agreement, in which, among other things, the rights and obligations of MiLB under the Original Lease and the First Amendment were assigned to Verotown ("Second Amendment"); and

WHEREAS, pursuant to section 2.03 of the Original Lease as amended by the First Amendment and the Second Amendment, Verotown has an option to renew the lease for a renewal term of five years, commencing on May 1, 2014 and ending on April 30, 2019 ("Renewal Term"), which option Verotown desires to exercise in accordance with the terms of this Third Amendment to Facility Lease Agreement ("Third Amendment") (the Original Lease, First Amendment, Second Amendment and Third Amendment are collectively referred to as the "Facility Lease Agreement"); and

WHEREAS, the County and Verotown reaffirm their desire to preserve the rich traditions and history of "Dodgertown" and the Facility, and recognize that the benefits to the local community of continuing baseball, athletic, conference and other activities at the Facility are unique and diverse, and include, without limitation, increased economic activity and employment opportunities, increased tourist trade and promotional opportunities, increased direct and indirect tax revenues, private sector payment of substantial maintenance and operation expenses which would otherwise burden local taxpayers, and other such benefits,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.

2. Definitions. Except as set forth herein, all capitalized terms shall have the same meaning as set forth in the Original Lease, the First Amendment and the Second Amendment.

3. Exercise of Option. Verotown hereby exercises its first renewal option set forth in section 2.03. The term of the Facility Lease Agreement is hereby extended for the period of the Renewal Term; provided, however, that, except as set forth in sections 5 and 15 below, this Third Amendment shall be effective commencing at the beginning of the Renewal Term. Between the date of this Third Amendment and the commencement of the Renewal Term, the terms and conditions of the Original Lease, as amended by the First Amendment and the Second Amendment, shall remain in full force and effect without regard to any amendment of such terms and conditions set forth in this Third Amendment.

4. Rent. The amount of rent, set forth in section 2.04, shall remain the same during the Renewal Term. The parties acknowledge that the amount of such rent is based, in part, on (a) Verotown's payment of the substantial cost of maintenance and operation of the Facility, and other costs incurred in the performance of this Facility Lease Agreement, which costs would otherwise be a burden upon the taxpayers of Indian River County, and (b) Verotown's agreement with respect to net income, set forth in section 11 below.

5. Hotel Room Renovations. As of the date of this Third Amendment, Verotown has renovated 22 of the 89 hotel rooms included within the Facility. The County shall pay for or reimburse Verotown for the actual costs of the renovations of the remaining 67 rooms in an amount not to exceed \$600,000. This amount shall not be funded with funds currently on deposit in the Capital Reserve Account, or required to be deposited by the County into the Capital Reserve Account in the future. At the election of the County, such renovations shall be undertaken by the County; otherwise, such renovations shall be undertaken by Verotown, in which case all books or records of Verotown relating to the renovations shall be open to inspection by the County upon reasonable request. Procurement of the contractor(s) to perform such renovations shall be by public bid, conducted by the County in accordance with applicable law. In the event that renovations are undertaken by Verotown, Verotown shall be reimbursed for all such renovation costs within the time periods set forth in the Florida Prompt Payment Act, §218.70, et seq, Florida Statutes; provided, however, that reimbursement shall be in accordance with the procedure set forth in this Facility Lease Agreement and the Capital Reserve Account Agreement, and upon submittal and review of supporting documentation. This section 5 shall be effective as of the date of this Third Amendment.

6. Contribution to Capital Reserve Account. Section 8.02(c) is hereby deleted and replaced with the following language: "Beginning with the first Renewal Term, the County shall deposit \$250,000 per Lease Year into the Capital Reserve Account as a means of supplementing the Capital Reserve Account balance. Out of each \$250,000 deposited into the Capital Reserve Account, and subject to the remaining terms of the Capital Reserve Account Agreement and this Facility Lease Agreement (a) there shall be no limit on the amount of such funds which may be used for any fixed capital expenditure or fixed capital outlay associated with the construction, reconstruction or improvement of the Facility which has a life expectancy of

five or more years, or any other construction, reconstruction or improvement of "infrastructure" as that term is defined in §212.055(2)(d)(1), Florida Statutes ("Qualifying Expenses"), and (b) no more than \$125,000 may be used for capital expenses or Repairs or Replacements (defined in accordance with section 8.02(b) of this Facility Lease Agreement, which shall include equipment used within the Facility for general maintenance, and shall not include motor vehicles licensed for use on the public roadways) which are not Qualifying Expenses. Verotown shall not be required to make any capital contribution to the Capital Reserve Account.

7. Liquidated Damages. All references in the Facility Lease Agreement to Liquidated Damages are hereby deleted. Without limitation, section 10.05 is hereby deleted; provided, however, that each party shall remain liable for actual damages caused by an event of Default, as set forth in section 10.

8. Right of Termination. New section 10.05 is hereby added, as follows: "Notwithstanding any other provision herein, Verotown shall have the right to terminate the Facility Lease Agreement for any reason upon 120 days written notice to the County. Verotown shall fully perform the terms and conditions of the Facility Lease Agreement during the 120 day notice period. A termination by Verotown pursuant to this section 10.05 shall not be an event of Default."

9. Motor Vehicle Liability Insurance. The following language is added to the end of existing section 14.05(a): In addition, Verotown shall maintain, at its sole cost, commercial automobile insurance in an amount no less than \$1 million combined single limits on (a) all motor vehicles owned by the County but operated by Verotown in connection with its use, management or operation of the Facility, and (b) all motor vehicles owned or leased by Verotown and used in connection with its use, management or operation of the Facility.

10. Property Insurance. Verotown's obligation to maintain special form (all risk) property insurance, as set forth in section 14.05(b) is hereby deleted, and replaced with the following respective obligations of the parties: (a) the County may elect, at its own cost, to maintain property and casualty insurance upon the Facility, in such amounts as the County deems appropriate. In the event of a casualty or force majeure event resulting in the total or partial destruction of the Facility and the payment of insurance proceeds to the County, the County shall decide in its sole discretion whether to use such proceeds for the repair or replacement of the portion of the Facility so destroyed; provided, however, that in the event that the County decides not to use the insurance proceeds or other funds to repair or replace the Facility, Verotown shall have the right to terminate this Facility Lease Agreement immediately (i.e., without the 120 day notice referenced in section 8 above) if it determines in good faith that the Facility is no longer suitable for the purposes and operations described in section 5.01. Nothing in this subsection shall be construed as requiring the County to insure any property or assets owned by Verotown which are located at or used in connection with the Facility. Verotown shall be solely responsible for insuring its own property or assets.

11. Verotown's Net Income. Verotown shall use all Net Income (defined below) derived from its use, management and operation of the Facility to pay for enhancements or improvements to the Facility that Verotown deems reasonable or necessary in its sole discretion

(collectively "Enhancements"); provided, however, that any Enhancement which significantly and materially alters the Facility or the Land shall require the consent of the County, which consent shall not be unreasonably withheld. For the purposes of this section, the term Net Income, shall mean Earnings before Interest, Taxes, Depreciation and Amortization (EBITDA), determined in accordance with Generally Accepted Accounting Principles, less cash distributions to its partners/members equal to 30% of taxable income as reported on IRS Form 1065, Schedule K. For clarification, the term "Earnings" in the prior sentence shall mean gross revenues minus costs of goods sold and general and administrative expenses paid by Verotown in connection with the use, management and operation of the Facility. Net Income shall be determined annually, using the fiscal or calendar year normally used by Verotown in its accounting practices. Any Net Income which has not been used for the purposes set forth in this section as of the expiration or termination of the Facility Lease Agreement shall be paid to the County. The term "books and records" in section 3.04 is hereby amended to include Verotown's profit and loss statement, and other financial records, necessary to verify Verotown's Net Income, and the reinvestment of such Net Income in Enhancements. The Enhancements shall become the asset or property of the County upon being permanently affixed to the Facility, or at the expiration or termination of this Facility Lease Agreement, whichever occurs first. Net losses in any given year within the Renewal Term shall be credited against Net Income in any following year(s).

12. **Museum of Dodgertown Memorabilia.** Verotown will use commercially reasonable efforts to operate, at a location within the Facility, a museum containing memorabilia of the Brooklyn or Los Angeles Dodgers. The museum shall be open to the public during reasonable hours of operation to be determined by Verotown.

13. **Public Events.** The County and Verotown recognize the value and importance of using the Facility in a manner which provides entertainment opportunities for the residents of Indian River County. Accordingly, Verotown will endeavor to use the facility in a manner which provides such opportunities from time to time, thereby enabling the residents of Indian River County to enjoy and benefit from events held at the Facility.

14. **Good Standing – No Violation.** The County and Verotown agree that, as of the date of this Third Amendment, the Facility Lease Agreement is in good standing and neither party is in breach or violation of the terms and conditions of the Facility Lease Agreement.

15. **Notices.** Section 13.01 is amended to delete the notice/address information relating to MiLB, and to replace such information with the following:

FOURTH AMENDMENT TO FACILITY LEASE AGREEMENT

THIS FOURTH AMENDMENT is entered into as of this 21 day of January, 2014, by and between Indian River County, a political subdivision of the State of Florida ("County") and Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown").

WHEREAS, on or about May 1, 2009, the County and MiLB Vero Beach, LLC, a Florida limited liability company ("MiLB"), entered into the Facility Lease Agreement in which the County leased the Facility to MiLB, and granted to MiLB certain management rights with respect to the Facility, for a term of five years ending April 1, 2014 ("Original Lease"); and

WHEREAS, on or about June 1, 2011, the County and MiLB entered into the First Amendment to Facility Lease Agreement ("First Amendment"); and

WHEREAS, on or about January 1, 2012, the County, MiLB and Verotown, entered into the Second Amendment to Facility Lease Agreement, in which, among other things, the rights and obligations of MiLB under the Original Lease and the First Amendment were assigned to Verotown ("Second Amendment"); and

WHEREAS, on or about July 16, 2013, the County and Verotown ("the Parties") entered into the Third Amendment to Facility Lease Agreement, ("Third Amendment") in which, among other things, Verotown exercised its right to renew the lease for an additional five years, and the County agreed to pay for or reimburse Verotown for the actual costs of renovating 67 hotel rooms in an amount not to exceed \$600,000; and

WHEREAS, In compliance with the Third Amendment, the County publically bid the room renovations and the lowest, most responsive bidder's cost for the job (including County purchased items to save sale tax) was approximately \$634,000 or \$34,000 over the allotted amount; and

WHEREAS, the County has agreed to increase its payment from \$600,000 to \$634,000 to renovate the hotel homes in order to comply with the terms of the Third Amendment; and

WHEREAS, the Parties wish to amend Section 5 of the Third Amendment to state that the County is responsible for renovating 66 hotel rooms in an amount not to exceed \$634,000, and Verotown is amenable to this amendment; and

WHEREAS, the County and Verotown reaffirm their desire to preserve the rich traditions and history of "Dodgertown" and the Facility, and recognize that the benefits to the local community of continuing baseball, athletic, conference and other activities at the Facility are unique and diverse, and include, without limitation, increased economic activity and employment opportunities, increased tourist trade and promotional opportunities, increased

direct and indirect tax revenues, private sector payment of substantial maintenance and operation expenses which would otherwise burden local taxpayers, and other such benefits,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. **Recitals.** The above recitals are true and correct and are incorporated herein.
2. **Hotel Room Renovations.** In Section 5 of the Third Amendment the County agreed to provide up to \$600,000 for the renovation of the remaining 67 hotel rooms. After review and receipt of the public bids, it is agreed by the Parties that there are 66 remaining hotel rooms, and that it is not feasible to renovate the remaining rooms for \$600,000 or less. Therefore, Section 5 of the Third Amendment is hereby amended to state that the County shall pay for the actual costs of the renovations associated with 66 of the remaining hotel rooms in an amount not to exceed \$634,000. All of the other terms and conditions of Section 5 of the Third Amendment to Facility Lease Agreement remain in full force and effect.
3. **Good Standing – No Violation.** The County and Verotown agree that, as of the date of this Fourth Amendment, the Facility Lease Agreement is in good standing and neither party is in breach or violation of the terms and conditions of the Facility Lease Agreement.

FIFTH AMENDMENT TO FACILITY LEASE AGREEMENT

THIS FIFTH AMENDMENT is entered into as of this 1st day of April, 2014, by and between Indian River County, a political subdivision of the State of Florida ("County") and Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown").

WHEREAS, on or about May 1, 2009, the County and MiLB Vero Beach, LLC, a Florida limited liability company ("MiLB"), entered into the Facility Lease Agreement in which the County leased the Facility to MiLB, and granted to MiLB certain management rights with respect to the Facility, for a term of five years ending April 1, 2014 ("Original Lease"); and

WHEREAS, on or about June 1, 2011, the County and MiLB entered into the First Amendment to Facility Lease Agreement ("First Amendment"); and

WHEREAS, on or about January 1, 2012, the County, MiLB and Verotown, entered into the Second Amendment to Facility Lease Agreement, in which, among other things, the rights and obligations of MiLB under the Original Lease and the First Amendment were assigned to Verotown ("Second Amendment"); and

WHEREAS, on or about July 16, 2013, the County and Verotown ("the Parties") entered into the Third Amendment to Facility Lease Agreement, ("Third Amendment") in which, among other things, Verotown exercised its right to renew the lease for an additional five years, and the County agreed to pay for or reimburse Verotown for the actual costs of renovating 67 hotel rooms in an amount not to exceed \$600,000; and

WHEREAS, on or about March 10, 2014, the Parties entered into the Fourth Amendment to Facility Lease Agreement ("Fourth Amendment") in which, among other things, the Parties amended the number of hotel rooms that need to be renovated from 67 to 66 and the County agreed to increase its budget for the referenced renovations from \$600,000 to \$634,000; and

WHEREAS, the County wishes to amend Section 5 of the Fourth Amendment both to increase its budget for renovating the remaining 66 hotel rooms from \$634,000 to \$670,245.22, and to reserve the right to increase and/or decrease its budget by a total \$50,000 in the future for the referenced renovations using change orders approved by the Indian River Board of County Commissioners; and

WHEREAS, the County and Verotown reaffirm their desire to preserve the rich traditions and history of "Dodgertown" and the Facility, and recognize that the benefits to the local community of continuing baseball, athletic, conference and other activities at the Facility are unique and diverse, and include, without limitation, increased economic activity and employment opportunities, increased tourist trade and promotional opportunities, increased

direct and indirect tax revenues, private sector payment of substantial maintenance and operation expenses which would otherwise burden local taxpayers, and other such benefits,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. **Recitals.** The above recitals are true and correct and are incorporated herein.

2. **Hotel Room Renovations.** In Section 5 of the Fourth Amendment, the County agreed to provide up to \$634,000 for renovating 66 of the remaining hotel rooms. Due to a number of unforeseen expenditures, the Parties agree that it is not feasible to conduct the referenced renovations for \$634,000 or less. Therefore, Section 5 of the Fourth Amendment is hereby amended to state that the County shall pay \$670,245.22 for all of the actual costs associated with renovating 66 of the remaining hotel rooms. Should another unforeseen expenditure arise in the future pertaining to the referenced hotel room renovations, the County reserves the right to increase and/or decrease its budget by a total of \$50,000 using change orders that have been approved by the Indian River Board of County Commissioners. All of the other terms and conditions of Section 5 of the Fourth Amendment to Facility Lease Agreement remain in full force and effect.

3. **Good Standing – No Violation.** The County and Verotown agree that, as of the date of this Fifth Amendment, the Facility Lease Agreement is in good standing and neither party is in breach or violation of the terms and conditions of the Facility Lease Agreement.

4. **Conforming Terms.** All remaining terms and conditions of the Facility Lease Agreement are hereby conformed to be consistent with the amendments set forth herein.

5. **Remaining Terms.** All remaining terms and conditions of the Facility Lease Agreement not amended or conformed herein shall remain in full force and effect.

6. **Recordation.** A copy of this Fifth Amendment shall be recorded on the Public Records of Indian River County, Florida.

(g) Verotown shall repair, replace, provide and maintain, at its expense, all equipment necessary to perform its responsibilities hereunder; and such equipment will at all times be deemed to be included as a part of the FF&E and run with and be a part of the Facility; provided, however, upon the termination of this Agreement, any Verotown Equipment (exclusive of fixtures) which has been purchased and paid for by Verotown with funds other than the funds provided by the County, may be identified and removed by Verotown upon notice to the County.

(h) Except as may be provided in this Agreement, Verotown shall not undertake any Capital Improvements to the Facility without the permission of the County, which permission shall, when not otherwise governed by this Agreement, not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

(i) If the County reasonably believes that Verotown's failure to comply with any of its obligations under this Agreement involves a "life safety issue," as defined below, the County shall immediately notify Verotown in writing and shall have an immediate right to correct the life safety issue. The reasonable and necessary costs and expenses incurred by the County in correcting the life safety issue will be due and payable by Verotown to the County first through funds in the Capital Reserve Account, and, if the funds in the Capital Reserve Account are insufficient to cover such costs and expenses, second through written demand to Verotown, which shall be paid within thirty (30) days after submission of the written demand by the County to Verotown. If such amount is not paid when due, it will bear interest at the prime rate published by the *Wall Street Journal* from time to time from the date that Verotown received the County's statement until the date payment is made. For purposes of this Agreement, a "life safety issue" means a situation which imposes an immediate threat of bodily harm or death to any users or occupants of the Facility.

(j) Except as otherwise expressly authorized in this Agreement, Verotown shall not construct any additional buildings or structures on any portion of the Facility, or make any structural or exterior changes to the Facility, without the prior written approval of the County, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. Verotown shall not make major alterations or modifications to the Facility without the prior written approval of the County, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. All such permanent improvements, alterations, or additions placed on the Facility by Verotown will be conveyed by Verotown to the County by a quit-claim deed upon the completion of such improvements, alterations or additions.

(k) On or before the expiration date of this Agreement, or its earlier termination as provided herein, Verotown shall remove all of its personal goods and effects including any equipment (exclusive of fixtures and FF&E) which have been purchased or paid for by Verotown with funds other than funds provided by the County,

repair any damage caused by such removal, and surrender and deliver the Facility (together with any and all required and existing FF&E) in an "as is" condition. Any personal property or effects not removed within thirty (30) days after the expiration date of this Agreement or its earlier termination as provided herein will be deemed to have been abandoned by Verotown, and may be retained or disposed of by the County, in its sole discretion, in accordance with applicable law.

(l) Upon the expiration or earlier termination of this Agreement, Verotown shall return to the County the Facility and all the then existing FF&E, together with any other real or personal property purchased or paid for with funds provided by the County, free and clear of any contractual obligations or other legal encumbrances granted by Verotown, except for utility easements and other encumbrances necessary for the maintenance and operation of the Facility. If requested by the County following expiration or earlier termination of this Agreement, Verotown shall provide an unqualified quit claim deed or bill of sale for any real or personal property associated with this Agreement, including the then existing FF&E, or any other real or personal property purchased or paid for with funds provided by the County, any abandoned property, or the Facility.

(m) Neither the County nor Verotown will knowingly use the Facility for the manufacture or storage of flammable, explosive or Hazardous Materials (as defined below), except for Hazardous Materials typically found for use or sale in retail stores, including supermarkets and dry-cleaning stores, and/or typically found for use in comparable spring training facilities. For purposes of this Agreement, "Hazardous Materials" means any contaminant, chemical, waste, irritant petroleum product, waste product, radioactive material, flammable or corrosive substance, explosive, polychlorinated biphenyls, asbestos, hazardous toxic substance, material or waste of any kind, or any other substance that any environmental law regulates. "Hazardous Materials" includes, but is not limited to, substances defined as "hazardous substances", "hazardous materials", or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq.; the Hazardous Materials Transportation Act, 39 U.S.C. Section 1801, et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq.; all applicable state and local laws; and in the regulations adopted and publications promulgated pursuant to said laws or any amendments or addenda thereto. The County will, at the County's sole cost and expense, be responsible for performing any removal, remediation, cleanup or restoration required as a result of (i) the existence of any Hazardous Materials on the Facility as of the Effective Date required to be removed, remediated, cleaned up or restored by order of any federal, state, or local agency, and (ii) the release of any Hazardous Materials existing on the Facility as of the Effective Date; provided that the County will not be responsible for performing any removal, remediation, cleanup or restoration for any Hazardous Materials existing on the Facility as of the Effective Date that are known or become known to Verotown and negligently or intentionally released by Verotown. As of the Effective Date, the County hereby represents that it has no knowledge of any Hazardous Materials existing on the Land or the Facility. Verotown will, at Verotown's sole cost and expense, be responsible for performing any removal,

remediation, cleanup or restoration required as a result of (i) any Hazardous Materials introduced by Verotown on the Facility after the Effective Date and during the Initial Term and any Renewal Term, and (ii) any Hazardous Materials existing on the Facility as of the Effective Date that are known or become known to Verotown and negligently or intentionally released by Verotown. In the event that any Hazardous Materials are discovered on the Facility after the Effective Date, the discovering party shall promptly provide written notification to the other party of the Hazardous Materials and their location.

(n) If Verotown pays the rent and complies with all other terms of this Agreement, Verotown may occupy and enjoy the premises of the Facility for the full Term and any renewals thereof, subject to the provisions of this Agreement.

ARTICLE V

OPERATIONAL COVENANT

Section 5.01. Verotown Activities. Except if Verotown is prevented from doing so by any of the events described in Article XV, below, Verotown shall, each Lease Year during the Initial Term and any Renewal Term, use the Facility for the promotion of baseball and related activities, including, but not limited to, baseball, athletic, and non-athletic conference operations, training of umpires, and promoting the playing of baseball internationally. Except for periods of time where events are not normally scheduled, periods of active maintenance or renovations to the Facility and any casualty or Force Majeure Event (as hereinafter defined), Verotown shall maintain, operate and hold the Facility open for business during ordinary and customary business hours throughout the Term in accordance with the terms and provisions of this Agreement.

Section 5.02. Rules and Regulations. Verotown shall comply with all applicable laws, ordinances, rules and regulations, including, but not limited to, the rules, regulations, directives, orders, bulletins, or agreements of the County.

Section 5.03. Spring Training and Other Major League Baseball Activities. Verotown acknowledges the community's desire to host, and agrees to promote the use of the Facility for, MLB spring training activities and game events. Verotown agrees to negotiate with any Major League Club expressing an interest in conducting spring training activities or game events at the Facility and will use its best efforts to enter into a user agreement on such terms and conditions as Verotown deems commercially reasonable or feasible; provided, however, that the failure to do so shall not be considered a Default by Verotown hereunder. Any such use by a Major League Club requires prompt review and approval by the County Administrator, which will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. In the event such approval is not timely forthcoming or otherwise withheld, Verotown may seek approval from the County Commission.

ARTICLE VI

COUNTY'S USE OF THE FACILITY; PARKING AGREEMENT

Section 6.01. Right of Entry. During the Term, the County has the right to enter into and upon any and all parts of the Facility for the purpose of examining the same with respect to the obligations of the parties under this Agreement upon two (2) days prior written notice to Verotown (or without prior notice in the event of a "life safety issue" as defined in Section 4.06(j), above, but with immediate notice thereafter).

Section 6.02. Advertising and Promotion. If, during the Term, Verotown has any unsold advertising display space (e.g., billboards, outfield signs, etc.) at the Facility, then, subject to Verotown's prior reasonable approval and subject to there being no conflict as to the content, design, frequency of display, and placement of any such advertisements or promotional materials, the County will be permitted to have advertisements or other promotional materials and information for the County and/or the City displayed at the Facility in such unsold advertising display space without charge or reimbursement. Nothing contained in this Agreement requires Verotown to remove or substitute any paid advertisement or promotional materials displayed at the Facility in favor of the County's and/or the City's advertisements or promotional materials, and all revenue-producing advertisers obtained by Verotown will have priority of use over such advertising display space. In addition, nothing contained in this Agreement requires Verotown to create new advertising display space or to increase the amount advertising display space, nor will Verotown be prohibited or restricted from decreasing the amount advertising display space at the Facility.

Section 6.03. Right to Use the Facility. In addition to all of the rights specifically granted to Verotown in this Agreement, Verotown has the right to use the Facility in any manner and/or for any lawful purpose that Verotown deems appropriate in the exercise of its sole and absolute discretion, subject to the terms of this Agreement.

Section 6.04. The County's Use of Holman Stadium and the Practice Fields. The County has the right to use Holman Stadium and/or the practice fields, for a total of twelve (12) days, which use shall include: up to two (2) days per Lease Year for education, entertainment and community enrichment purposes; nine (9) days per Lease Year for the community's annual "Harvest Festival"; and one (1) day per Lease Year for the Jackie Robinson Game, at no charge to the County (other than reimbursing Verotown for any operating expenses incurred by Verotown as a result of the County's use of Holman Stadium and/or the practice fields). The dates during which the County may use Holman Stadium and/or the practice fields will be selected by mutual agreement of the parties; provided that, if the parties cannot agree on the dates, Verotown's reasonable selection of dates will be final and controlling. Provided, however, Verotown will defer to the County and cooperate in scheduling and making the Facility available for the community's annual "Harvest Festival." The Harvest Festival will occur for four (4) days from Thursday to Sunday in the week prior to Thanksgiving each year with the remaining five (5) days set aside for the Harvest Festival to be provided before and after the event for set-up and take-down. The parties recognize that Verotown or any other MLB Entity may, at any time, also host an event celebrating Jackie Robinson and any such event would take priority over a County scheduled event, except for the Harvest Festival. The County may use Holman Stadium and/or the practice fields only for functions which do not directly compete with revenue-generating events and shall not create any conflicts with sponsorships which have been otherwise

arranged by Verotown or any other MLB Entity. Moreover, the County's use of Holman Stadium and/or the practice fields must not interfere in any way with Verotown's use and quiet enjoyment of the Facility. The County will not use or authorize the use of Holman Stadium and/or the practice fields in any manner which would have a material detrimental impact on Holman Stadium and/or the practice fields, and the County will be and remain solely responsible for any damage or destruction to Holman Stadium and/or the practice fields by the County or its assignee. The County, or its assignee, is entitled to retain the revenues from ticket sales for its events, and concessions sold during the events when Holman Stadium and/or the practice fields are utilized by the County; provided, however, that although Verotown covenants to cooperate with the County in such endeavors, Verotown will not be required to provide concession management services and/or any other related services during any County event. In all cases, Verotown will be reimbursed by the County for any operating costs and expenses incurred by Verotown as a result of the County's use of Holman Stadium and/or the practice fields, including, but not limited to, the cost of any parking attendants, ticket takers, security personnel, clean-up crews, pro-rata utility cost, and the like provided by Verotown. Prior to using Holman Stadium and/or the practice fields as provided herein, the County shall cause Verotown to be named as an additional insured on the County's general liability insurance policy and shall deliver to Verotown a certificate of insurance which verifies the existence of the policy and the fact that Verotown is named as an additional insured.

Section 6.05. Parking.

(a) The City Parking Property is owned by the City, subject to the terms and conditions of the Parking License Agreement, and the Facility Parking Property is owned by the County. Verotown has the right to use the City Parking Property for Verotown Events in accordance with the terms and conditions of the Parking License Agreement.

(b) Verotown and the County acknowledge that the right to use the City Parking Property for Verotown Events could be terminated by the City in accordance with the terms and conditions of the Parking License Agreement. In such event, Verotown and the County agree that the Facility Parking Property shall be available to Verotown at all times during the Initial Term and any Renewal Term be used for parking purposes relating to its use and operation of the Facility. For Verotown Events that take place in Holman Stadium where parking demands exceed capacity of the Facility Parking Property, upon thirty (30) days prior written notice, the County will provide two thousand (2,000) parking spaces for the designated Verotown Event at no additional cost to Verotown; provided, however that no athletic fields shall be used towards the additional parking spaces. The County acknowledges that for certain potential Verotown Events, it may not be practicable for Verotown to provide thirty (30) days prior written notice of the need for additional parking capacity. In such event, Verotown shall notify the County of its need for additional parking as soon as reasonably practicable and the County shall use its best efforts to accommodate Verotown's request, with the understanding that Verotown may not be able to host a Verotown Event at the Facility unless the County can provide adequate additional parking at an acceptable location to Verotown within the shorter time frame provided by Verotown. Unless the Facility is being utilized as an emergency staging area pursuant to section 6.06, the County acknowledges and agrees

that neither the County nor its guests or invitees shall be permitted to utilize the baseball and/or athletic fields at the Facility for parking purposes during the Initial Term or any Renewal Term.

(c) Upon expiration or termination of this Agreement, all rights of Verotown to use the City Parking Property or the Facility Parking Property for all purposes shall terminate.

Section 6.06. Emergency Staging Area. As a mutual benefit to the County and Verotown, during the Term, Verotown agrees to provide the Facility as a staging area for responsive emergency personnel and equipment, for natural disaster preparations, response, and potential shelter. Notwithstanding anything to the contrary, neither the County nor the public may use the Holman Stadium field. In the event the County uses the Facility as an emergency staging area, the County agrees to diligently employ its best efforts to completely remove all disaster/hurricane-related debris and materials from the Facility as soon as reasonably practical and not later than fourteen (14) days after any emergency or use for the purpose of this Section. Further, the County is responsible for all damage, clean-up, repairs and costs and expenses in connection with the use of the Facility, and the County shall promptly clean up, repair and restore the Facility, all at no cost or liability to Verotown. Notwithstanding anything in this Agreement to the contrary, the County is responsible for any liability arising out of or in connection with the County's or the public's use of the Facility pursuant to this Section 6.06, and the County agrees not to hold Verotown responsible, and thus Verotown will be held harmless, for such use of the Facility by the County or the public or its failure to timely remove all disaster/hurricane-related debris and material from the Facility after any emergency or use for the purposes of this Section. The County agrees to use its best efforts to seek "facilities hardening" funds and/or other funds available for natural disasters from the State and/or Federal government and to apply such funds for the sole and the exclusive use of the Facility. In the event the County receives Federal Emergency Management Agency ("FEMA") proceeds or other funds for damage to or destruction of the Facility, the County agrees to promptly apply such FEMA proceeds or other funds towards the cleanup, repair, restoration, construction or reconstruction of the Facility. To the extent that the County utilizes the Facility for sheltering, the County is responsible for any shelter requirements and all costs associated therewith.

ARTICLE VII

REVENUES

Section 7.01. Revenues. During the Term, Verotown shall control, collect, receive, and retain all revenues generated by any means at or in connection with the Facility, including, but not limited to, all revenues from ticket sales, food and beverage sales, merchandise sales, concessions and products sales, novelties, parking, telecast and broadcast rights, pouring rights, advertising, sponsorship, promotional and signage rights, permitted Facility naming, affiliation, and or sponsorship rights, and any other revenues derived or generated in connection with baseball and non-baseball events held at the Facility (exclusive of any County use events). Verotown may allocate the revenues generated by any means at or in connection with the

Facility in its sole discretion, so long as the Facility maintenance, Repairs or Replacements, and the Verotown Improvements are provided in accordance with this Agreement.

Section 7.02. Rebranding; Naming Rights. At all times during the Term, neither the County nor Verotown has the right to sell naming rights to Holman Stadium; and neither the County nor Verotown shall change the name of Holman Stadium. Verotown has the sole and absolute right, upon prior written notice to the County but without the prior review and consent of the County to designate the name of any other portion of the Facility provided such name change relates to MLB, an MLB Entity or baseball, including, without limitation, any such topic, entity or individual related thereto. Otherwise, Verotown shall not change the name of any other portion of the Facility without the prior review and consent of the County, which consent will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. The County represents to Verotown that it does not hold or possess any rights to the use of the name "Dodgertown" or other intellectual property owned or licensed by MLB nor does the County have the authority to authorize such use.

ARTICLE VIII

CAPITAL IMPROVEMENTS, MAINTENANCE AND REPAIRS OR REPLACEMENTS

Section 8.01. Capital Reserve Account. During the Initial Term and any Renewal Term, the County shall establish, fund, and maintain a trust account with a depository (the "Capital Reserve Account") in which County Funds shall be deposited in accordance with the provisions set forth in Section 8.02 below. All funds in the Capital Reserve Account will be County Funds. All withdrawals from the Capital Reserve Account will require the co-signature of the County Administrator or his designee. The Capital Reserve Account will be used by or on behalf of Verotown in making Repairs or Replacements to the Facility, facility maintenance, and Verotown Improvements to the extent reimbursement is authorized pursuant to section 8.05 hereof. Verotown shall consult with the County with respect to any expenditure from the Capital Reserve Account and any such expenditure will be subject to the approval of the County, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed and will be granted in accordance with the provisions set forth in Section 8.03 below. Any amounts remaining in the Capital Reserve Account at the expiration of the then-current Term shall carry forward to the next Term. Any amounts remaining in the Capital Reserve Account after the application of any reimbursement as provided herein at the expiration or earlier termination of this Agreement will be paid to the County. Verotown is solely responsible for the cost of any Capital Improvements, Repairs or Replacements, or Facility maintenance which exceeds the funds available pursuant to the Capital Reserve Account and any applicable available insurance proceeds.

Section 8.02. Contributions to the Capital Reserve Account. On the Effective Date, or such later date as may be mutually agreed to by the parties, the County shall deposit into the Capital Reserve Account the sum of Eight Hundred Thousand and No/100 Dollars (\$800,000.00). In Lease Years two through five of the Initial Term, annually on or before September 1 the County shall deposit into the Capital Reserve Account a total annual contribution of Eight Hundred Thousand and No/100 Dollars (\$800,000.00). In Lease Year six

and continuing through the last year of the third Renewal Term (if such Renewal Terms are exercised), annually on or before September 1 the County shall deposit into the Capital Reserve Account a total annual contribution of Four Hundred Thousand and No/100 Dollars (\$400,000.00), as adjusted pursuant to paragraph (b) below. For the avoidance of doubt, there shall be a total of eleven (11) annual contributions to the Capital Reserve Account made by the County during the Initial Term.

(a) County Funds in the Capital Reserve Account will be available to fund Capital Improvements, Repairs or Replacements and Verotown Improvements to the extent reimbursement is authorized pursuant to Section 8.05 hereof, and up to Two Hundred Thousand and No/100 Dollars (\$200,000.00) in any Lease Year (subject to increase or adjustment in Lease Year seven and beyond as set forth in subsection (b)) may be used to fund Facility maintenance (the "Maintenance Allocation"). County Funds in the Capital Reserve Account may also be used to reimburse Verotown for capital or maintenance expenses (subject to the annual Maintenance Allocation limitation above) incurred by Verotown in excess of the County contributions in any prior year (e.g., expenses incurred by Verotown above Eight Hundred Thousand and No/100 Dollars (\$800,000.00) in Lease Year one may be applied to the Lease Year two contribution and beyond). Unused funds from one Lease Year shall carry over to successive Lease Years (e.g., if Verotown incurs expenses below Eight Hundred Thousand and No/100 Dollars (\$800,000.00) in Lease Year one, the remaining amount, and any portion thereof attributable to the Maintenance Allocation, shall be applied to any capital or maintenance expenses incurred in Lease Year two and beyond).

(b) Beginning in Lease Year seven and continuing through the last year of the Third Renewal Term, the County's annual contribution to the Capital Reserve Fund shall be annually adjusted by the Price Index Change, and fifty percent (50%) of such adjusted portion shall be allocated towards maintenance expenses. In the event the Price Index Change would cause a reduction in the County's annual contribution from the amount required in the prior Lease Year, the amount of the annual contribution made by the County will remain the same as the amount required in the prior Lease Year, but the monetary amount by which the annual contribution should have been reduced will, until eliminated, be credited against future increases in the County's annual contribution to the Capital Reserve Account required by the Price Index Change. For example, if in Lease Year seven the Price Index Change would result in a \$20,000 reduction to the County's annual contribution, the County will make the same \$400,000 contribution to the Capital Reserve Account as it made in Lease Year six; however, if in Lease Year eight, or any subsequent Lease Year, the Price Index Change would result in a \$40,000 increase, then the County will first apply the \$20,000 credit, resulting in a net increase of only \$20,000 in Lease Year eight.

Section 8.03. Disbursement of Capital Reserve Account Funds. County Funds on deposit in the Capital Reserve Account will be disbursed by the Capital Reserve Account Agent solely upon fulfillment of the following conditions:

(a) Subject to there not being an event set forth in paragraph (b) of this Section 8.03, upon submission of a valid Requisition Request in the form attached as Exhibit "D," the Capital Reserve Account Agent is authorized and directed to pay to the payee designated in such Requisition Request the amount designated for such payment from amounts on deposit in the Capital Reserve Account. Requisition Requests shall be paid in accordance with the Florida Prompt Payment Act. The County and Verotown shall coordinate in good faith to promptly true up any reimbursements described in Section 8.02(a) that may carry forward from one Lease Year to successive Lease Years.

(b) Upon notice from the County, to be promptly confirmed in writing, that a Default by Verotown has occurred under this Agreement past any applicable notice and cure period and the County has terminated this Agreement, or that this Agreement has otherwise terminated, moneys on deposit in the Capital Reserve Account shall be held by the Capital Reserve Account Agent for the exclusive benefit of the County and disbursed to the County in accordance with written instructions from the County Administrator or his/her designee.

(c) Upon notice from Verotown, to be promptly confirmed in writing, that a Default by the County has occurred under this Agreement past any applicable notice and cure period, that Verotown has terminated this Agreement, and that Verotown has pending, valid Requisition Requests, then moneys currently on deposit in the Capital Reserve Account shall be disbursed to Verotown up to the amount of the pending, valid Requisition Requests. In addition to the foregoing and subject to the limitations on reimbursements set forth in Section 8.05(b) of this Agreement, upon the submission of a valid Requisition Request for expenses incurred prior to termination, the County shall pay to Verotown in accordance with the schedule of County contributions to the Capital Reserve Account in Section 8.02, any additional sums required to reimburse Verotown for capital expenses or maintenance incurred by Verotown in excess of the County contributions for any prior Lease Year, in an amount not to exceed (i) Twelve Million Four Hundred Thousand Dollars (\$12,400,000) (as adjusted by Price Index Change for any portion attributable to payments for Lease Year seven and thereafter in accordance with Section 8.02(b)), less (ii) any contributions already made by the County pursuant to Section 8.02. In no event shall the County's total reimbursements to Verotown exceed the amounts set forth in Section 8.02 of this Agreement. Verotown shall use best efforts to cause its contractors to complete any projects where the contractors have been paid for work not yet completed as of the termination date, and the County shall permit Verotown and its contractors to access the Facility after such termination in connection therewith. Further, Verotown will reasonably pursue any remedies available to it under such construction contract at the County's sole cost and expense or assign the construction contract to the County if assignable.

(d) In the event that Verotown should terminate this Agreement for convenience pursuant to Section 10.05 or this Agreement should expire at the end of the Initial Term or any Renewal Term, then after payment of any pending, valid Requisition Requests (up to the amount of moneys that the County was required to fund and deposit in the Capital Reserve Account as of the date of such termination), all moneys on deposit

in the Capital Reserve Account shall be held by the Capital Reserve Account Agent for the exclusive benefit of the County and disbursed to the County in accordance with written instructions from the County Administrator or his/her designee.

(e) Upon the County's written request therefor, Verotown will provide a summary of Capital Improvements projected to occur at the Facility within the twelve (12) month period after such written request.

(f) The terms of this Section 8.03 shall survive the expiration or termination of this Agreement.

Section 8.04. County Improvements.

(a) The County, at its expense, will complete, to both parties' reasonable satisfaction, the following County Improvements within three (3) years from the Effective Date:

1. removal and replacement of the first base concession stand at Holman Stadium with a like facility;
2. removal and replacement of the third base concession stand at Holman Stadium with a like facility;
3. removal and replacement of the press box area of the main concession stand at Holman Stadium with a like facility;
4. to the extent jointly identified by the parties on or before August 31, 2019, any mold remediation needed in the Existing Facility; and
5. at the County's sole discretion, it may either remove and replace or demolish the TV platforms at Holman Stadium and, if demolished, upon thirty (30) days prior written notice from Verotown, the County shall provide up to two (2) camera lifts in locations to be determined by Verotown during the Initial Term and any Renewal Terms at the County's expense for use at Verotown Events at Holman Stadium for up to twenty-five (25) days each calendar year.

(b) The County hereby finds that it is in the best interest of the County and its citizens to waive the requirements for bids pursuant to the process defined by Indian River County ordinance and hereby contracts with Verotown, as the lessee pursuant to this Agreement, to oversee and manage the County Improvements consisting of the roofing repair or replacement projects on the following buildings within the Existing Facility (collectively, the "Buildings"), identified in Exhibit "A":

1. Vero Beach Dodger Office (Ticket Office, Locker Rooms, Gift Shop);

2. Executive Building;
3. Conference Center;
4. Alston, Koufax and Campanella Buildings;
5. Sleeping Rooms; and
6. Spring Training Building.

(c) The parties will jointly determine whether repairs or total replacements of the roofs identified in paragraph (b) above for a like roof are required to address safety and use concerns. If the County and Verotown disagree on the necessity of certain repairs or total replacement, a licensed roofing contractor (selected in accordance with below provision) recommendation regarding any such repairs or total replacement shall control and be binding upon the parties. The cost of any such licensed roofing contractor to provide a recommendation shall be split equally between the County and Verotown. Any licensed roofing contractor retained to provide this binding recommendation shall be ineligible to perform any of the roofing projects identified in paragraph (b) above. The County will be responsible for all costs associated with the roofing repairs or replacements listed in paragraph (b) above, including any cost overruns. The County shall have final approval of the licensed roofing contractor(s) procured by Verotown, the estimated costs and the scope for each project, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

(d) Verotown shall use commercially reasonable efforts to complete the roofing repairs or replacements within one (1) year of the Effective Date of this Agreement; provided, however that the failure to complete the work within such one (1) year period shall not be considered a Verotown Default hereunder. In the event Verotown does not complete the work within such one (1) year period, the County's sole remedy shall be to undertake the work on Verotown's behalf (but still at the County's sole cost and expense). Until the completion of the roofing repairs or replacements contained in Section 8.04(b), to the extent permitted by Florida law, the County agrees to indemnify, save, and hold Verotown harmless from any and all judgments, expenses, liabilities, claims, and charges for loss of or injury to property, personal injury, or death ("Losses") that are caused by failures of the roofs listed in paragraph (b) above; provided, however, that this liability is expressly limited by the following:

1. Verotown agrees that to the fullest extent permitted by Florida law County's total liability to Verotown for any and all Losses per event shall not exceed the limitations set forth in Section 768.28, Florida Statutes, as it may be amended. The County shall not be liable to Verotown for any portions of Losses that are directly caused by the gross negligence or willful misconduct of Verotown and any liability of the County shall be reduced proportionately to the extent of any contributory fault chargeable to Verotown.

2. The parties acknowledge that the County is a governmental entity and political subdivision of the State of Florida entitled to all privileges and immunities accorded to the state, including sovereign immunity, and in accordance with this acknowledgment, the parties hereby agree that the County does not waive its sovereign immunity and nothing in this lease shall expose the County to any liability in excess of the statutory limits provided in Section 768.28, Florida Statutes.
3. The County's obligation to cover personal property of Verotown within the facility only becomes effective once Verotown notifies the County of the contents and value of said personal property within the Facility for purposes of the County adding the contents to its schedule of insurance.
4. The County's obligation to indemnify, save, and hold Verotown harmless shall terminate for each Building listed in paragraph (b) above upon the final completion of the roofing repair or replacement for that Building.

(e) Until the date that is the earlier of (i) completion of the roofing repairs or replacements contained in Section 8.04(b) or (ii) eighteen (18) months after the Effective Date, the County agrees to reimburse Verotown up to One Hundred Thousand and No/100 Dollars (\$100,000.00) in documented business interruption losses that result from a roofing failure on a Building listed in Section 8.04(b) that prevents Verotown from fully utilizing the Building for its intended purpose. This provision shall not apply to any diminishment of use that may result during the construction of the identified roofing repairs or replacements or de minimis diminishment of use. The County shall not be liable to Verotown for any portions of business interruption losses that are caused by Verotown or third parties and any liability of the County shall be reduced proportionately to the extent of any contributory fault chargeable to Verotown or a third party. The parties acknowledge that the County is a governmental entity and political subdivision of the State of Florida entitled to all privileges and immunities accorded to the state, including sovereign immunity, and in accordance with this acknowledgment, the parties hereby agree that the County does not waive its sovereign immunity and nothing in this lease shall expose the County to any liability in excess of the statutory limits provided in Section 768.28, Florida Statutes, as amended.

(f) Other than as specifically set forth in this Agreement, Verotown shall be responsible for all other Capital Improvements, Repairs or Replacements, operations, and maintenance for the duration of the Initial Term and any Renewal Term subject to any reimbursement described in Section 8.02(a).

Section 8.05. Verotown Improvements.

(a) Verotown, at its expense but subject to reimbursement in accordance with paragraph (b) below, will complete, to both parties' reasonable satisfaction, the following Verotown Improvements at the Facility within three (3) years from the Effective Date:

1. A new indoor training facility, which will include:
 - indoor turf infield;
 - multiple batting cages/tunnels;
 - classrooms; and
 - office space.
2. Demolition (as needed) to make room for the new indoor training facility;
3. Initial WiFi upgrades to achieve modern standards;
4. Initial security upgrades to achieve modern standards, which will include:
 - modern security cameras; and
 - keycard entry to buildings.
5. Initial fire safety upgrades to achieve modern standards, which will include sprinklers in buildings;
6. Replace entire seating bowl at Holman Stadium;

Further, Verotown will reasonably pursue any remedies available to it under such construction contract at the County's sole cost and expense or assign the construction contract to the County if assignable.

Section 8.06. Construction Requirements. Subject to the terms and conditions of this Agreement, Verotown, in performing the roofing repair and replacement projects set forth in Section 8.04(b) on behalf of the County, the Verotown Improvements set forth in Section 8.05(a), and any future Capital Improvements agreed to by the parties and the County in performing the County Improvements (but, as to the County limited to Section 8.06 (h), (i), (j), (o), and (p) below) (the "Projects"), shall:

(a) Exercise good faith commercially reasonable efforts to complete the Projects in a safe, good, and workmanlike manner within the times established in the Agreement and in the most expeditious and economical manner;

(b) Provide Project designs to the County for approval, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed and obtain all necessary permits, licenses, and other approvals for the prosecution of the Projects;

(c) Solicit bids from qualified contractors licensed in the State of Florida and submit the bids to the County for its review and approval, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed;

(d) Engage in value engineering with the County if necessary to achieve project economies and efficiencies;

(e) Be responsible for the completion of all work necessary to complete the Projects, and, subject to reimbursement eligibility under this Article VIII, be fully responsible for the payment of all moneys due to any contractor or subcontractor performing the work in accordance with the Florida Prompt Payment Act;

(f) Comply with all applicable federal, state, and local rules and regulations in completing the Projects. Verotown acknowledges and agrees that this requirement includes compliance with all applicable federal, state, and local health and safety rules and regulations, including, but not limited to (i) the Occupational Safety and Health Act, 29 CFR 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (ii) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (iii) Rules 38F and 38I, Florida Administrative Code; and (iv) Florida Department of Transportation Manual of Traffic Control and Safe Practices;

(g) Provide the County public performance and payment bonds in the amount of one hundred percent (100%) of the estimated construction cost of each Project, which bond(s) shall meet the requirements of Section 255.05, Florida Statutes. Such bond(s) shall be written by a surety licensed to do business in the State of Florida and otherwise acceptable to the County; provided, however, that the surety shall be rated as "A-1" or better as to general policy holders rating as reported in the most current Best Key Rating Guide, published by A.M. (k) Obtain prior County approval, not to be unreasonably withheld, unreasonably conditioned, or unreasonably delayed for any change orders on the Projects that would amend the scope or quality of the Project, the time for completion of the work, or the amount of compensation due for the work;

(l) Plan, organize, supervise, monitor, direct, and control the work on the Projects to ensure that it is done competently and efficiently and in accordance with the design and budget and protect the work from loss due to weather, theft, or other cause. Neither the County nor County Funds shall be used to pay any Project costs to the extent that they directly arise from the negligence or willful misconduct of Verotown after the Effective Date;

(m) Employ adequate safety precautions to prevent damage, injury or loss to personnel, the work, the Projects, the Facility and other property at the Facility or adjacent thereto;

(n) Provide the County with copies of all Project files, reports, warranties, design documents and as-builts and assign all warranties to the County, which shall include a minimum one-year warranty that the Projects and any materials and equipment furnished thereunder shall be of good quality, free of all defects and in conformance with the approved design;

(o) Allow the other party reasonable access to the Projects for observation, inspection, and testing; and

(p) Manage the appropriately licensed contractors to ensure that any work not conforming to the Project designs and requirements is corrected or removed and replaced.

ARTICLE IX

DOCUMENTS AND CERTIFICATES

Section 9.01. Documents and Certificates. Subject to the provisions of Section 3.04, each party shall supply to the other such documents and certificates as are reasonably available or procurable, and necessary for any purpose reasonably related to the obligations of the parties, including, but not limited to, the County's funding or administration of this Agreement and ownership of the Facility, or to consummate the transactions or objectives described in this Agreement.

ARTICLE X

DEFAULT / REMEDIES

Section 10.01. Verotown's Default. The occurrence of any one or more of the following material events in this Section 10.01 shall constitute a "Default" by Verotown under this Agreement:

(a) Failure by Verotown to observe or perform in any material respect any covenant, agreement, condition, or provision of this Agreement, if such failure continues for thirty (30) days after written notice thereof has been delivered by the County to Verotown; provided, however, that Verotown will not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, Verotown commences such cure and diligently proceeds to complete the same thereafter. However, in no event shall a cure period for a Default continue for more than three hundred sixty-five (365) days;

(b) The levy upon, under execution or the attachment by legal process, Verotown's interest hereunder, or the filing or creation of a lien in respect of such interest, which levy, attachment, or lien is not released, discharged or bonded against within one hundred eighty (180) days from the date of such filing;

(c) Verotown is finally adjudicated insolvent or bankrupt or admit in writing their inability to pay its debts as they mature, or make an assignment for the benefit of creditors, or apply for or consent to the appointment of a trustee or receiver for Verotown or for the major part of its property;

(d) A trustee or receiver is appointed for Verotown or for the major part of their property and such trustee or receiver is not discharged within one hundred eighty (180) days after such appointment; or,

(e) Bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or any other proceedings for relief under any bankruptcy law, or similar law for the relief of debtors, are instituted by or against Verotown, and, if instituted against

Verotown, are allowed against Verotown or are consented to by Verotown or are not dismissed within 180 days after such institution, to the extent permitted by law.

Section 10.02. County Default. In the event of any failure by the County to observe or perform any material covenant, agreement, condition, or provision of this Agreement wherein Verotown's remedies on account thereof are not otherwise specifically provided for in this Agreement or any of the County's representations in this Agreement are untrue as of the Effective Date, and if such failure shall continue for thirty (30) days after written notice thereof has been delivered by Verotown to the County, then the County will be deemed to be in Default hereunder; provided, however, that the County will not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, the County commences such cure and diligently proceeds to complete the same thereafter. However, in no event shall a cure period for a Default continue for more than three hundred sixty-five (365) days.

Section 10.03. Remedies. In the event of a Default by either party (other than a Cessation of Use by Verotown), the party not in Default will be entitled, as a non-exclusive remedy, and in addition to or in lieu of an action for damages, to seek an injunction or decree for specific performance or equitable relief from a court of competent jurisdiction to enjoin or remedy the Default. If a Default occurs, the non-defaulting party will have the rights and remedies set forth in this Agreement, which will be distinct, separate, and, to the extent not mutually exclusive, cumulative, and will not operate to exclude or deprive the non-defaulting party of any other right or remedy allowed it by law or equity.

Section 10.04. Cessation of Use by Verotown. If, at any time during the Initial Term (and any Renewal Term), Verotown ceases to permanently operate the Facility as described in Section 5.01 hereof, such event will constitute a "Cessation of Use" of the Facility by Verotown. Notwithstanding anything to the contrary contained in this Agreement, a Cessation of Use of the Facility by Verotown will entitle the County to terminate this Agreement by giving Verotown ten (10) days' written notice of termination. Verotown will have ten (10) days after receipt of the aforementioned notice of termination to renounce the Cessation of Use by confirming to the County its intention to continue to use the Facility during the Term in the manner described in Section 5.01 hereof and in fact demonstrating that it is reasonably complying with its operational covenant. A termination pursuant to the provisions of this Section 10.04 will become effective upon the expiration of Verotown's ten (10) day cure period, or its repeated failure to demonstrate that it is reasonably complying with its operational covenant as provided by this Section after notice by the County.

Section 10.05. Termination. Notwithstanding any other provisions contained in this Agreement, Verotown has the right to terminate this Agreement for its convenience upon three hundred sixty-five (365) days' written notice to the County. Verotown shall fully perform the terms and obligations of this Agreement during such three hundred sixty-five (365) day notice period. A termination pursuant to this Section 10.05 shall not be an event of Default.

ARTICLE XI

ENFORCEABILITY

Section 11.01. Binding Effect; Enforceability. The terms and provisions set forth in this Agreement shall be binding and enforceable by and against the parties in accordance with the terms hereof.

ARTICLE XII

ASSIGNMENT / SUBLEASE

Section 12.01. Assignment. This Agreement may not be assigned by either party without the prior written consent of the other party, except that this Agreement may be assigned by Verotown to any person or entity who acquires franchise rights to a Major League Baseball Club (by any form of acquisition) or any other MLB Entity, with the approval of MLB, provided that any such assignee explicitly assumes in writing Verotown's duties and responsibilities under this Agreement (in which case the liability of Verotown will cease with respect to liabilities accruing from and after such transfer).

Section 12.02. Sublease.

(a) Verotown may sublease, at any time during the Term, any portion of the Facility involving ancillary uses, for ongoing retail, commercial and/or professional purposes as long as such activity meets all local zoning codes and remains an activity permitted by Section 5.01 hereof. All revenues derived from subletting any of the foregoing will be retained solely by Verotown. Any such sublease will remain subordinate to this Lease.

(b) Verotown will not sublease the Facility or any portion thereof without the prior written approval of the County, which approval shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed, and no such sublease will be for a term which extends beyond the underlying lease term without the express prior written consent of the County.

Section 13.10. Consequential Damages. Except as provided in Section 8.04(e) of this Agreement, neither party nor any of its contractors, subcontractors, suppliers, or vendors shall be liable to the other for any punitive, special, incidental, indirect, consequential or other similar damages that do not flow directly and immediately from the wrongful act or negligence of the party at fault, whether caused by said party's negligence, errors, omissions, strict liability, breach of contract, breach of warranty or other cause or causes whatsoever, including but not limited to, additional labor, energy, financing or interest costs, loss of use or delay, loss of profits or revenue, fines or penalties assessed for failure to comply with any law or regulation, and damages suffered by third parties, but not including attorney's fees as provided in Article XIV of this Agreement. To the extent permitted by law, each party hereby releases the other party and the other party's subcontractors, suppliers and vendors therefrom.

Section 13.13. Waiver. No failure on the part of any party to exercise, and no delay in exercising, and no course of dealing with respect to any right hereunder, will operate as a waiver thereof, nor will any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right or remedy provided at law or in equity, except as expressly set forth in this Agreement.

Section 13.14. Terminology. All personal pronouns used herein, whether used in the masculine, feminine, or neuter gender, will include the singular.

Any such request shall utilize a form of estoppel certificate substantially similar to the one attached hereto as Exhibit “E” to this Agreement.

ARTICLE XIV

INDEMNIFICATION AND INSURANCE

Section 14.01. Indemnification by Verotown. To the fullest extent permitted by law, Verotown shall indemnify, protect, and hold the County and its officers, agents, and employees acting on behalf of the County, and its respective successors and assigns (collectively, the “Indemnified County Parties”) harmless from and defend the Indemnified County Parties against any and all “liabilities” (as hereinafter defined) for any “bodily injury” (as hereinafter defined) or “property damage” (as hereinafter defined) whatsoever arising out of or resulting from any Default by Verotown and/or occurring in, on, or about the Facility to the extent such injury or damage is caused by the negligent or intentionally wrongful actions or omissions of Verotown, or Verotown's agents, contractors or employees, but not any claim relating to negligent or intentionally wrongful actions or omissions of the contractors or subcontractors engaged to perform the roofing repairs or replacements provided in Section 8.04(b). In the case of any action or proceeding being brought against the Indemnified County Parties by reason of any such claim, the County shall have the right, at County's election, to either: (i) cause Verotown to defend such claim at Verotown's sole cost and expense with counsel reasonably satisfactory to the County or (ii) defend the same at Verotown's sole but reasonable cost and expense by counsel satisfactory to the County. In any claim under this Section 14.01, Verotown shall be obligated to cooperate with the County and the County's counsel.

Verotown shall not be liable to the County for any portions of losses that are caused by the negligent or willful misconduct of the Indemnified County Parties or third parties and any

liability of Verotown shall be reduced proportionately to the extent of any contributory fault chargeable to the County or a third party. Verotown shall not have the right to admit fault on behalf of the Indemnified County Parties in connection with any such contributory claim without the County's consent, which shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

Section 14.02. Indemnification by the County. To the fullest extent permitted by law without waiving any sovereign immunity, the County shall indemnify, protect, and hold Verotown, and all other MLB Entities and their owners, and their officers, directors, members, agents, and employees acting on behalf of Verotown, and each of their respective successors and assigns (collectively, the "Indemnified Verotown Parties") harmless from and defend the Indemnified Verotown Parties against any and all "liabilities" (as hereinafter defined) for any "bodily injury" (as hereinafter defined) or "property damage" (as hereinafter defined), whatsoever arising out of or resulting from any Default by the County and/or occurring in, on, or about the Facility to the extent such injury or damage is caused by the negligent or intentionally wrongful actions or omissions of the County, or the County's agents, contractors or employees. In the case of any action or proceeding being brought against the Indemnified Verotown Parties by reason of any such claim, Verotown shall have the right, at Verotown's election, to either: (i) cause the County to defend such claim at the County's sole cost and expense with counsel reasonably satisfactory to Verotown or (ii) defend the same at the County's sole but reasonable cost and expense by counsel satisfactory to Verotown; provided, however, the County shall only be required to reimburse Major League Baseball Clubs for attorneys' fees attributable to no more than two (2) law firms or other legal counsel and the County shall only be required to reimburse the BOC, Major League Baseball Properties, Inc., The MLB Network, LLC, MLB Advanced Media, L.P. and/or Tickets.com, LLC for attorney's fees for a single, joint defense. In any claim under this Section 14.02, the County shall be obligated to cooperate with Verotown and Verotown's counsel.

The County shall not be liable to Verotown for any portions of losses that are caused by the negligent or willful misconduct of the Indemnified Verotown Parties or third parties and any liability of the County shall be reduced proportionately to the extent of any contributory fault chargeable to Verotown or a third party. The parties acknowledge that the County is a governmental entity and political subdivision of the State of Florida entitled to all privileges and immunities accorded to the state, including sovereign immunity, and in accordance with this acknowledgment, the parties hereby agree that the County does not waive its sovereign immunity and nothing in this Agreement shall expose the County to any liability in excess of the statutory limits provided in Section 768.28, Florida Statutes, as it may be amended. The County shall not have the right to admit fault on behalf of the Indemnified Verotown Parties in connection with any such contributory claim without Verotown's consent, which shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

Section 14.03. Definitions. As used in this Agreement, "liabilities" means all liabilities, claims, damages (excluding consequential damages), losses, penalties, litigation, demands, causes of action (whether in tort or contract, in law or equity or otherwise), suits, proceedings, judgments, disbursements, charges, assessments, and expenses (including reasonable attorneys' and experts' fees and expenses incurred in investigating, defending, or prosecuting any litigation,

claim or proceeding whether out of court, at trial or in any appellate or administrative proceeding). "Bodily injury" means bodily injury, sickness or disease sustained by a person, including death resulting from any of the foregoing. "Property damage" means physical injury to tangible property, including all resulting loss of use of that property, or loss of use of tangible property that is not physically injured.

Section 14.04. Independent Provisions. The provisions of Sections 14.01 through 14.03 are independent of, and will not be limited by, any insurance obligations in this Agreement, and will survive the expiration or earlier termination of this Agreement with respect to any claims or liability arising in connection with any event occurring prior to such expiration or termination.

Section 14.05. Insurance. Commencing upon the Effective Date and throughout the Initial Term and any Renewal Terms, the parties shall maintain, at their sole cost, the following insurance:

(a) A commercial general liability insurance policy in an occurrence form covering bodily injury and property damage liability, as well as personal and advertising injury liability, in a minimum amount of Two Million and No/100 Dollars (\$2,000,000.00) per occurrence and Four Million and No/100 Dollars (\$4,000,000.00) in the aggregate. The commercial general liability insurance policy in an occurrence form shall also include contractual liability coverage including a Broad Form Endorsement covering the insurance provisions of this Agreement and the performance by each party of their indemnification provisions set forth in this Agreement.

(b) Special form (all risk) property insurance covering (1) with respect only to Verotown, the Facility, including, but not limited to, any additional improvements undertaken by Verotown, and all of Verotown's personal property located at the Facility in an amount not less than one hundred (100%) percent of their actual replacement costs from time to time existing during the Term of this Agreement, providing protection against any peril included within the classification "all risks" of physical loss or damage, together with insurance against sprinkler damage, vandalism, malicious mischief, and water damage of any type and theft; and (2) with respect only to the County: all of the County's personal property located at the Facility. It is understood and agreed that the County is responsible for any deductibles under both its and Verotown's property insurance. The deductible shall not exceed \$100,000, except that the Named Storm deductible and Flood deductible shall not exceed five percent (5%) of the total insurable value.

(c) Automobile Liability Insurance, covering owned, non-owned, leased or hired automobiles, with a minimum combined single limit of One Million and No/100 Dollars (\$1,000,000.00) each accident.

(d) Workers' Compensation insurance in accordance with Florida statutory requirements with employer's liability limits of Five Hundred Thousand Dollars (\$500,000.00) for each accident, Five Hundred Thousand Dollars (\$500,000.00) for each

disease in the aggregate, and Five Hundred Thousand Dollars (\$500,000.00) per disease for each employee.

(e) All of the insurance policies required under Sections 14.05(a) through 14.05(d), inclusive, shall be affected from insurance companies recognized by and authorized to do business in the State of Florida. Each party shall be required to provide the other party with at least thirty (30) days' written notice of any cancellation or material coverage change. Each party shall be provided with a duly executed Certificate of Insurance for each such policy evidencing compliance with all insurance provisions noted above prior to the Effective Date and annually prior to the expiration of each required insurance policy. The policies required under Sections 14.05(a) through 14.05(d), inclusive, shall specifically provide by endorsement that the other party is an additional insured on a primary and noncontributory basis in connection with the operations of the named insured. It is understood and agreed that such endorsement may be a blanket additional insured endorsement as required by written contract. Such insurance shall also incorporate a severability of interest or separation of insureds provision. With respect to the policies required under Sections 14.05(a), 14.05(c) and 14.05(d), Verotown and the County hereby agree to a mutual waiver of rights of subrogation any insurer of Verotown or the County may acquire from Verotown or the County by virtue of payment of any loss with respect to the Facility. Both parties agree to obtain any endorsement that may be necessary to effect this waiver of subrogation.

(f) If either party fails to furnish the Certificate(s) of Insurance as required above, the other party may, after notice and an opportunity to cure as set forth in this Agreement, obtain the insurance, and the reasonable premiums on that insurance shall be paid to that party on demand.

(g) Any insurance required under this Agreement may be furnished under a blanket policy so long as and provided such policy complies with all other terms and conditions contained in this Agreement.

ARTICLE XV

FORCE MAJEURE; CONDEMNATION

Section 15.01. Force Majeure Event. Should any fire or other casualty, act of God, earthquake, flood, hurricane, lightning, tornado, epidemic, landslide, war, riot, civil commotion, general unavailability of materials, strike, slowdown, labor dispute, governmental laws or regulations, or other occurrence beyond Verotown's or County's control ("Force Majeure Event") prevent performance of this Agreement in accordance with its provisions, performance of this Agreement by either party will be suspended or excused to the extent commensurate with such occurrence, except as specifically provided herein.

Section 15.02. Partial Destruction. In the event of a partial destruction of the Facility and Verotown determines, in its sole discretion, that the undamaged portion of the Facility is still suitable for the purposes and operations described in Section 5.01 hereof, then this Agreement

will continue in full force and effect with no adjustments in the obligations of the parties, and Verotown, shall restore the Facility as soon as possible from the applicable insurance proceeds. If the applicable insurance proceeds are not sufficient to restore the Facility to its previous condition, then, the balance shall be split and paid equally by Verotown and the County or, alternatively, either party may elect to terminate this Agreement by written notice to the other party within sixty (60) days of learning the extent to which insurance proceeds will be insufficient to restore the Facility. Said termination shall not be an event of Default and the termination shall be effective as of the date the notice of termination is received by the non-terminating party.

Section 15.03. Facility Not Suitable for Use. With the exception of the roofing repairs or replacement projects set forth in Section 8.04(b) hereof, in the event of total or partial destruction or damage of the Facility, if Verotown determines in its sole discretion that the Facility is not suitable for their operations and/or cannot be used as a venue for the purposes described in Section 5.01 hereof, then the following shall apply:

(a) Verotown may provide written notice to the County stating its determination that the Facility is not suitable for use and it has a desire to repair and restore the Facility and this Agreement will be suspended immediately until the Facility is reasonably suitable for Verotown's operations when taken as a whole. In the event Verotown elects to repair and restore the Facility under this Section 15.03(a), within twelve (12) months (or sooner if reasonably practical) of the event of such total or partial destruction or damage, Verotown shall begin to repair or rebuild the Facility using the proceeds from the property insurance for that purpose and, through cooperation and coordination with the County, shall diligently pursue such repair or rebuilding until completed. If the applicable insurance proceeds are not sufficient to repair or restore the Facility to its previous condition, then the balance shall be split and paid equally by Verotown and the County or, alternatively, either party may elect to terminate this Agreement by written notice to the other party within sixty (60) days of learning the extent to which insurance proceeds will be insufficient to restore the Facility. Termination pursuant to this Section 15.03(a) shall not be an event of Default and the termination shall be effective as of the date the notice of termination is received by the non-terminating party. Once Verotown contracts with an architect, engineer or design build firm to draw plans for the repair or rebuilding of the Facility, Verotown will be deemed to have begun the repair or rebuilding of the Facility. This Agreement will continue to be suspended (and the Term or applicable Renewal Term shall be extended) until the Facility is reasonably suitable for Verotown's operations or as a venue for the purposes described in Section 5.01; or

(b) Verotown may provide written notice to the County stating its determination that the Facility is not suitable for use and terminate this Agreement. The County and Verotown shall work proactively and in good faith to vacate the Facility and wind down any financial obligations including the disbursement of insurance proceeds and Capital Reserve Account funds in accordance with the terms hereof. Termination pursuant to this Section 15.03(b) shall not constitute a Default hereunder and shall be

effective as of the date County receives written notification of such election to terminate from Verotown.

(c) In the event this Agreement is terminated pursuant to Section 15.03(a) or 15.03(b), available insurance proceeds relating to the total or partial destruction or damage to the Facility shall be distributed to the County and Verotown based on their respective pro-rata investments in the Facility, including but not limited to, Capital Improvements, County Improvements, Verotown Improvements and the County's investment in acquiring and improving the Facility.

Section 15.04. Condemnation.

(a) The County shall promptly forward to Verotown any notices which may be received by the County regarding a proposed, threatened or actual appropriation, condemnation or other action under power of eminent domain which affects the Facility or any adjacent accessways, driveways or rights of way.

(b) If a portion of the Facility is condemned or taken such that the Facility is still suitable for Verotown's operations when taken as a whole, as determined by Verotown in its commercially reasonable judgment of Verotown, then Verotown shall, to the extent condemnation proceeds are made available to it, make necessary repairs to and alterations of the Facility for the purpose of restoring same to as close to the same condition (as reasonably practicable) that existed prior to such condemnation or taking. If the condemnation proceeds made available to Verotown are not sufficient to repair or restore the Facility to its previous condition, then the balance shall be split and paid equally by Verotown and the County or, alternatively, either party may elect to terminate this Agreement by written notice to the other party within sixty (60) days after entry of the final order of taking by the applicable governmental authority. Regardless of whether Verotown terminates this Agreement as a result of a partial taking as set forth in this subsection (b), Verotown reserves unto itself the right to prosecute its claim for an award for damages against the condemning authority for its loss of its interest under this Agreement, or any portion thereof, caused by such taking, together with damages based on the value of the Verotown Improvements not purchased or reimbursed by County Funds, any additional improvements performed at Verotown's expense, any Verotown Equipment not purchased or reimbursed by County Funds, personalty or other FF&E not purchased or reimbursed by County Funds, and the damages Verotown may sustain to its operations on or at the Facility, including, but not limited to, an award for the use of any temporary construction easement area on the Facility, good will, patronage and the removal, relocation and replacement costs and expenses caused by such taking.

(c) If the whole of the Facility or such portion thereof is condemned or taken such that the Facility is not suitable for Verotown's operations when taken as a whole, as determined by Verotown in its commercially reasonable judgment of Verotown, this Agreement shall automatically terminate upon Verotown's receipt of the entry of the final order of taking by the applicable governmental authority. In the event of such termination, Verotown reserves unto itself the right to prosecute its claim for an award for

damages against the condemning authority for its loss of its interest under this Agreement, or any portion thereof, caused by such taking, together with damages based on the value of the Verotown Improvements not purchased or reimbursed by County Funds, any additional improvements performed at Verotown's expense, any Verotown Equipment not purchased or reimbursed by County Funds, personalty or other FF&E not purchased or reimbursed by County Funds, and the damages Verotown may sustain to its operations on or at the Facility, including, but not limited to, an award for the use of any temporary construction easement area on the Facility, good will, patronage and the removal, relocation and replacement costs and expenses caused by such taking.

ARTICLE XVI

ADDITIONAL IMPROVEMENTS

Section 16.01. Additional Improvements. Nothing contained in this Agreement will restrict or prohibit Verotown from making improvements to the Facility which are not described as Verotown Improvements in this Agreement; provided that Verotown will notify the County of such additional improvements before Verotown undertakes to make them, obtain the County's prior written consent to such improvements, which shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed and complies with Section 8.06 of this Agreement.

ARTICLE XVII

ZONING AND PERMITTING

Section 17.01. Zoning and Permitting. It is the sole obligation of Verotown, with assistance from the County, but not at County expense, to obtain any permits and/or zoning changes which may be required to construct any improvements which Verotown may hereafter desire to make to the Facility. The County, acting solely in its capacity as the fee owner of the Land, shall cooperate with Verotown as may be reasonably required, to enable Verotown to obtain any permits and/or zoning changes for the Improvements and any additional improvements, including, but not limited to, by joining in any applications for such permits and/or zoning changes. The County hereby represents to the best of its knowledge that the Land is currently zoned for the intended uses set forth in this Agreement.

ARTICLE XVIII

CONSENTS AND APPROVALS

Section 18.01. Granting or Failure to Grant Approvals or Consents. All consents and approvals which may be given by a party under this Agreement will, as a condition of their effectiveness, be in writing. The granting by a party of any consent to or approval of any act requiring consent or approval under the terms of this Agreement, or the failure on the part of a party to object to any such action taken without the required consent or approval, will not be

deemed a waiver by the party whose consent was required of its right to require such consent or approval for any other act.

Section 18.02. Standard. Unless this Agreement specifically provides for the granting of consent or approval at a party's sole discretion, then consents and approvals which may be given by a party under this Agreement will not (whether or not so indicated elsewhere in this Agreement) be unreasonably withheld, unreasonably conditioned or unreasonably delayed by such party and will be given or denied within the time period provided, and if no such time period has been provided, within a reasonable time. Upon disapproval of any request for a consent or approval, the disapproving party shall, together with notice of such disapproval, submit to the requesting party a written statement setting forth with specificity its reasons for such disapproval.

Section 18.03. Deemed Approval. If a party entitled to grant or deny its consent or approval (the "Consenting Party") within thirty (30) days (or a shorter specified time period) fails to do so, then, provided that the request for consent or approval bears the legend set forth below in capital letters and in a type size which is not less than that provided below, the matter for which such consent or approval is requested will be deemed consented to or approved, as the case may be:

"FAILURE TO RESPOND TO THIS REQUEST WITHIN THE TIME PERIOD PROVIDED IN THE FACILITY LEASE AGREEMENT BETWEEN INDIAN RIVER COUNTY AND MLB WILL CONSTITUTE AUTOMATIC APPROVAL OF THE MATTERS DESCRIBED HEREIN WITH RESPECT TO SECTION [] OF SUCH FACILITY LEASE AGREEMENT."

Section 18.04. Approvals for the County. The County hereby agrees that, subject to applicable laws and regulations, the County Administrator (or the County Administrator's authorized designee) is authorized to grant consents or approvals on behalf of the County with respect to this Agreement.

Section 18.05. No Fees, etc. Except as otherwise expressly authorized in this Agreement, no fees or charges of any kind or amount will be required by either party hereto as a condition of the grant of any consent or approval which may be required under this Agreement (provided that the foregoing will not be deemed in any way to limit the County acting in its governmental, as distinct from its proprietary, capacity from charging governmental fees on a nondiscriminatory basis).

PARKING LICENSE AGREEMENT

THIS AGREEMENT is entered into as of the 1st day of June, 2011 by and between Indian River County, a political subdivision of the State of Florida ("County"), and the City of Vero Beach, a municipal corporation organized under the laws of the State of Florida ("City").

WHEREAS, City owns, or will own through transactions completed simultaneously with the execution of this Agreement, certain parcels of real property located in the vicinity of the Dodgertown Facility; and

WHEREAS, City is willing to provide a license to County to use such parcels of real property for parking related to the Dodgertown Facility, as set forth herein.

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. **Recitals.** The above recitals are true and correct and are incorporated herein.
2. **Definitions.** The following terms shall have the following meanings:
 - a. **License Area A** shall mean real property consisting of approximately 10.38 acres located immediately west of Holman Stadium, more fully described on Exhibit A attached hereto;
 - b. **License Area B** shall mean real property consisting of approximately 3.3 acres located north of 26th Street and north of License Area A, more fully described on Exhibit A attached hereto;
 - c. **License Area C** shall mean real property consisting of approximately 4.6 acres located north of 26th Street and east of License Area B, more fully described on Exhibit A attached hereto;
 - d. **License Area** shall mean one or more of License Area A, License Area B or License Area C, and License Areas shall mean collectively License Area A, License Area B and License Area C;

e. Cloverleaf Property shall mean the real property consisting of approximately 11.93 acres located south of Holman Stadium, more fully described on Exhibit B attached hereto;

f. Dodgertown Facility shall mean collectively the real property owned by County, including facilities and improvements thereon, consisting of the Cloverleaf Property and the property more fully described on Exhibit C attached hereto;

g. Dodgertown Tenant shall mean any party to whom County leases (from time to time) all or a portion of the Dodgertown Facility. The parties acknowledge that the current Dodgertown Tenant is MiLB Vero Beach, LLC, a Florida limited liability company; and

h. Dodgertown Events shall mean any and all events and activities held on the premises of the Dodgertown Facility including, without limitation, sports and non-sports related events and activities, meetings and conferences, whether such events and activities are conducted by County, Dodgertown Tenant or any third party using all or a portion of the Dodgertown Facility with the consent of County or Dodgertown Tenant.

3. Parking License. City hereby grants to County and Dodgertown Tenant and County's other assignees (a) a license to use License Area A for general parking in connection with Dodgertown Events, and (b) a secondary license to use License Area B and License Area C for general parking in connection with Dodgertown Events, in the event that (i) License Area A is unavailable for a particular event (see paragraph 4 below), or (ii) the license to use License Area A is revoked by City. County shall have the right to use the License Areas up to twenty (20) days per calendar year. Dodgertown Tenant shall have the right to use the License Areas to the same extent as County, except that Dodgertown Tenant's use shall not be restricted with respect to the number of days per calendar year, however, Dodgertown Tenant shall coordinate with and provide City a schedule for anticipated use of the License Areas and keep City advised of any changes to such schedule.

4. Notice of Use. County shall provide reasonable notice of its intent to use a License Area on one or more dates specified in the notice. Within 10 days of receipt of such notice, City shall advise County of any conflict with a planned City use of the License area on the same date(s) which is incompatible with County's proposed use. If City does not advise County of a conflict within the 10 day period, County may utilize the License Area for parking as set forth in the notice. In the event of a conflict, the parties shall attempt in good faith to reconcile the conflict in a manner which accommodates the interests of both parties. If such accommodation is not possible, County may utilize another available License Area for parking.

5. Use of License Area B or License Area C. Whenever County uses License Area B or License Area C, County shall comply with the following additional requirements of the Federal Aviation Administration: County shall not interfere with airport operations surrounding roadways, or airport tenant operations; County must use the License Area in a safe and efficient manner; and County shall not enter the secured airfield or otherwise interfere with airport

operations. County understands that there are substantial federal fines for violations of federal laws and regulations applicable to airport facility access and use.

6. **Insurance.** County shall, at all times during the term hereof, carry commercial general liability insurance against personal injury and property damage with a company authorized to do business in the State of Florida and satisfactory to City, protecting City against any and all claims for damages to persons or property as a result of or arising out of the use and maintenance by County of the License Areas. County shall provide a certificate of insurance stating that City is an additional insured, and confirming limits of coverage not less than \$500,000 per occurrence combined single limit for Bodily Injury Liability and Property Damage Liability. County shall supply written proof of insurance to City within fifteen (15) days of the date this Agreement is executed, and shall continue to supply such proof to City for each term such insurance coverage is renewed.

7. **Indemnification.** To the extent permitted by law, County agrees to indemnify and hold harmless City, including, without limitation, its council members, officers, employees and agents, from and against all claims for damages, liabilities, costs and expenses arising out of or relating to the use of one or more License Areas by County, Dodgertown Tenant or County's other assignees; and City agrees to indemnify and hold harmless County, including, without limitation, its commissioners, officers, employees and agents, from and against all claims for damages, liabilities, costs and expenses arising out of or relating to the use of one or more License Areas by City or City's assignees; provided, however, that nothing herein shall be construed as a waiver of the County's or the City's sovereign immunity pursuant to section 768.28, Florida Statutes.

8. **Clean Up After Use.** After each use of a License Area, County shall leave the property in substantially the same condition that it was prior to such use.

9. **Term.** The term of this Agreement shall be indefinite until the earlier to occur of the following: (a) the revocation of all licenses for License Area A, License Area B and License Area C, or (b) the permanent use of the Dodgertown Facility for a purpose other than sports, recreation or entertainment related activities.

10. **Revocation of License.** Each license granted herein shall be revocable by City in the event that each of the following occurs with respect to the real property underlying such license: (a) the City decides in good faith to use the underlying real property for a purpose incompatible with continued parking, (b) in reaching such decision, the City gives due consideration to the fact that (i) the City owns other properties in the same general area which may be suitable for such incompatible use, (ii) continued use of the License Area for general parking provides an important and valuable benefit to County, and (iii) that the City Council determines in good faith that the advantages of locating the incompatible use on a License Area outweigh the advantages to locating the incompatible use on other property owned by the City, and (c) City actually uses the License Area for the incompatible use.

11. **Remedies.** In the event of breach of this Agreement by either party, the non-breaching party shall be entitled to all remedies available in law or in equity.

12. Litigation. In the event of any litigation relating to or arising out of this Agreement, each party shall be responsible for and shall bear its own attorney's fees and court costs, including such fees and costs incurred at the trial and appellate level of such proceedings.

13. Amendment. No amendment, modification, change, or alteration of this Agreement shall be valid or binding unless accomplished in writing and executed by all of the parties hereto.

14. Entire Agreement. This Agreement sets forth the entire agreement and understanding between the parties. No prior agreement or understanding shall be binding between the parties unless set forth herein.

15. Governing Law. This Agreement and all matters arising hereunder shall be governed by and construed in accordance with the laws of the State of Florida. Venue hereunder shall lie in Indian River County, Florida.

16. Further Assurances. County and City shall grant such further assurances and provide such additional documents as may be required by one another from time to time, and cooperate fully with one another in order to carry out the terms and conditions hereof and comply with the express intention of this Agreement.

17. Severability. In the event any term, condition, or clause of this Agreement is declared to be illegal or unenforceable by a court of competent jurisdiction, such declaration of illegality or unenforceability shall not affect or alter the legality or enforceability of any remaining term, condition, or clause hereof, provided of the parties, as set forth in this Agreement.

18. Non-Assignment. This Agreement shall not be assignable by either party, except that City may assign this Agreement to any party acquiring ownership of a License Area (but only to the extent of such License Area), and County may assign this Agreement to any party acquiring ownership, right of possession or other right to use of all or a substantial portion of the Dodgertown Facility.

19. Recordation. A copy of this Agreement shall be recorded on the Public Records of Indian River County, Florida.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed in their respective names as of the date set forth above.

Introduction

The following objectives set the parameters for this study:

Primary Objectives

- Objective 1: To determine the overall impact of tourism in Indian River County during three seasons (Winter, Spring and Summer).
- Objective 2: To assess current county tourism characteristics during three seasons and provide recommendations for the future based on demographic and travel-related trends.
- Objective 3: To assess tourists' satisfaction levels with Indian River County at different times throughout the year.

Secondary Objective

- Objective 1: To assess different market segments based on trip purpose and provide recommendations for the future based on these findings and travel trends.

Methods for Collecting Data

The respondents included tourists who visited one of thirteen sites in Indian River County. Surveying began on January 15, 2001 and continued until October 1, 2001. During the research phase, each of the sites were visited at least twice. Contact with visitors was made by independent interviewers hired by PMR, Inc., Gainesville, FL.

Interviewers worked in either teams of two or as an individual. They were instructed to approach every fifth person, alternating males and females. A quota was established for each site and season. Quotas ranged from 15 to 50 completed surveys. Business and leisure visitors who traveled from outside the county were included in the sample. The intercept interview was an eight page questionnaire that was administered through a personal interview.

A map of the county was provided ensuring accuracy of respondents answers regarding spending in the area.

Six-hundred surveys were completed.

Executive Summary

1. The most frequently used accommodations were commercial accommodations (59%) and staying with friends or relatives (25%). Within commercial accommodations, mobile homes and campgrounds accounted for about 4% of the accommodations used by visitors.

Conclusions

There are a few main conclusions that have come out of this study. They will be presented in the following areas:

- Primary market segment(s)
- Economic impact

Primary Market Segments

Primary Purpose of Trip

1. Visiting Friends and Relatives (VFR) are the first largest market segment, they spend the most (\$539.05/trip) and participate in the most amount of activities in the county (average 4.3 activities). Half of the VFR segment stay in private residences, while half stay in commercial accommodations. VFRs are most likely to be first time visitors and are highly satisfied with tourism opportunities in the county.
2. Outdoor recreationists are the second largest market segment, but spend the third greatest amount of money (\$277.10) and they participate in an average of 3.6 activities each trip. They tend to stay in commercial accommodations. Typically, they are younger, employed full time and usually Florida residents.
3. Festival and event visitors are the third largest segment, they spend \$276.73 per trip and come to Indian River County an average of 19 times each year. Typically, they are in-state residents, spend moderate amounts of money and stay in commercial accommodations one third of the time. They also stay in condos or apartments more frequently than other segments.
4. Beach visitors are the fourth largest segment but they spend the second largest amount of money, they tend to stay in resorts for approximately one week, are middle income families from both Florida and out-of-state and participate in the second greatest number of activities while in the community.
5. The shopping visitor is typically a Florida resident, who is loyal to the area (most frequent number of previous visits) stays in commercial accommodations, spends the least amount of money, participates in the fewest number of activities and has the lowest satisfaction scores.

Day trippers vs. Overnighters

1. Day trippers spend 1/5th the amount that overnight visitors do.
2. Day trippers come an average of 21 times a year and spend \$108 each time for a total of \$2,268.
3. Day trippers participate in half the activities in the county as that of overnight visitors.
4. Day trippers tend to be Florida residents and coming to the county to attend a festival or event or shopping.
5. Although day trippers do not contribute to the "bed tax" - they are still a substantial segment to tourism in IRC.

Repeat Visitors vs. First timers

1. Repeat visitors stay longer but spend less. They tend to be Florida residents, stay in commercial accommodations, stay short number of nights, and spend almost half as much as first timers. However, this segment also comes to the county approximately 13 times each year. Therefore, this is a substantial segment. Over a year they spend on average \$4,958.
2. First time visitors spend more money on a single trip although they stay a shorter amount of time and only visit once a year.

Florida Residents vs. Out-of-State residents

1. Florida residents are the larger of the two markets, they tend to visit on average 19 times a year for attending festivals/events, shopping and outdoor recreation. They spend about 1/6th as much as out-of-state residents on each trip (\$191.67), but due to the frequency of travel to the county, their overall spending is much greater at \$3,641.67. Florida residents who visit Indian River County tend to be retired with high incomes.
2. Out-of-state residents are a slightly smaller market, yet they spend more money per trip than Florida residents (\$632.91). Although it is only once a year, it is still a substantial amount. This market tends to participate in more activities per trip and be more satisfied overall with their vacation.

Likely to Return vs. Unsure or Not Likely to Return Visitor

1. Those who are highly likely to return are more likely to be Florida residents, participate in an average of 3.5 activities per trip, stay in a variety of commercial accommodations, visit purpose is to shop, participate in outdoor recreation and visit a festival or event. This market is somewhat older, with moderate income levels, and employed full time. This market visits the county an average of 13 times a year. They are extremely loyal visitors.
2. Those who indicated that they were unsure or not likely to return tended to be out-of-state visitors, typically employed full time or retired, with high income levels. They tend to spend similarly to those likely to return; but only come an average of three times a year. This market is slightly more satisfied with aspects of the county and tend to have come to the county to visit friends and relatives or go to the beach.

Economic Impact

Observation: Local impact is enhanced by tourist's participation in more than just one primary attraction or event. Claims of high local impact are enhanced by evidence that tourists also attend attractions and events, stay in local hotels, and eat in local restaurants. The more events or attractions that the tourist participates in during their visit, the more economic impact they tend to have on the community.

1. Based on reported actual expenditures at the time the visitors were interviewed, and extrapolating to an estimated 554,000 visitors a year, it is estimated that about \$120 million of added value occurred to Indian River County, attributable to tourists. This accounts for an estimated 3,513 jobs.
2. Based on reported estimated expenditures that the visitors expected to spend on their trip, and extrapolating to an estimated 554,000 visitors a year, it is estimated that about \$154.4 million of added value occurred to Indian River county, attributable to tourists. This accounts for an estimated 4,540 jobs.

Table 1. Output, employment and value added impacts of tourism in Indian River County using actual and anticipated tourism expenditures, 2001.

Impact Measure:	Direct Impacts	Indirect Impacts	Induced Impacts	Total Impacts
	<u>Actual Tourism Expenditures</u>			
Output (\$1,000)	97,884.9	15,631.8	62,129.8	175,646.6

Recommendations

Observation: Indian River County has a large number of repeat visitors (~80%). This is a positive indicator since only those satisfied with a destination tend to return to it. It is usually much easier to get a visitor to come back, than it is to attract new visitor. Indian River County seems to have accomplished this loyalty challenge. A likely partial explanation for the tourist loyalty is the ~23% who are visiting friends or relatives and the perception of high quality outdoor areas (beaches, parks, the inlet, fishing areas, etc.) and attractive festivals/events.

1. While growth occurs in the repeat-visitor realm, it is also important to attract new visitors. From the feedback gleaned from this study, it appears that one opportunity exists to promote in the in-Florida market. We recommend a promotional campaign targeted to those markets located in the more congested, developed and generally less pristine counties of South Florida and perhaps from the cities of Brevard county to the north. The campaign could encourage the opportunity to escape to (Indian River County) a quieter, coastal scenic area where you can enjoy walking on the beach, fishing, swimming and relaxing. Concentrate on factors where previous visitors report high satisfaction and 98% say they are likely to return. Also highlight Indian River County as an attractive alternative for potential tourists who are from more congested areas.
2. Given the probability that new visitors introduced to Indian River County will return, incentives to "discover" the area should be offered. We recommend *packaged get-away weekends* combining accommodations and events such as Dodgers games or other sports events, fishing or shopping day itineraries; and "try retirement" for two or three days in Indian River County (since half the existing tourist market is 50+

years old) as another possible idea. We also recommend that the Chamber of Commerce continue to advertise in FLA-USA, Inc.'s promotional brochures.

In addition, continued advertising in South Florida regional magazines or travel sections of newspapers with some of these promotional themes would continue to generate awareness of the area, and present alternatives for weekend, holiday weekend or week long regional travelers.

3. Given the scenic and somewhat unique natural appeal of Indian River County, and the high satisfaction scores attributed to outdoor water-based recreation assets, there is opportunity for partnerships with other agencies or organizations and/or government such as the Florida Park Service. We recommend combining activities such as "take a kid fishing" or "family fishing/birdwatching/beach-combing," with workshops or seminars on beach or inlet fishing techniques, and maritime equipment shows could attract interest from new visitors. Events like this could be scheduled during Dodger's spring training season when sports/outdoor writers could help attract new prospects.

It is important that new visitors know how to locate public beach access, boat ramps and parking areas. Good signage will facilitate this and proactively reduce frustration among coastal visitors.

Additional promotion and advertising to attract golfers and their companions might be effective. It is likely that the combination of attending festivals/events, fishing, golfing and perhaps a Dodger's game, would be a highly attractive package, either for specific tourists interested in all or part of a package that could appeal to multiple members of a travel party.

4. Examining the visitors who said they were unsure or not likely to return revealed a potential market segment to grow the numbers of younger visitors. This market complained that there were not enough sit-down restaurants, that the area was too quiet and that there were not enough activities or nightlife.

Most Recent Annual Audit

The Comprehensive Annual Financial Report (CAFR) is the audited financial statements for Lee County, including Board of County Commissioners, Clerk of Courts, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector.

The hard-copy report submitted to the Florida Department of Economic Opportunity includes the full CAFR. For purposes of this digital transmission, we provide a link to the document.

Introductory Section

March 25, 2019

To the Citizens of Lee County:

We are pleased to present to you the accompanying Comprehensive Annual Financial Report of Lee County (the County) for the fiscal year ended September 30, 2018. State law requires that a complete set of financial statements, presented in conformance with generally accepted accounting principles (GAAP), audited by licensed independent certified public accountants be released to the public within nine months of the fiscal year end. This report is being issued in fulfillment of these statutory requirements.

Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the Clerk of Circuit Court as Chief Financial Officer of the County. We believe the data, as presented, is accurate in all material respects, that it is presented in a manner designed to fairly set forth the financial position and the results of operations of the County, and that all disclosures necessary to enable the reader to obtain a comprehensive understanding of the County's financial activity have been included.

Internal Controls

The County has established a comprehensive internal control framework that is designed to provide reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and ensure that the financial records for preparing financial statements and maintaining accountability for assets are reliable. The concept of reasonable assurance recognizes that the cost of control should not exceed the benefits likely to be derived and that the evaluation of costs and benefits requires estimates and judgments by management. All internal control evaluations occur within the above framework. We believe that the County's internal controls adequately safeguard assets and provide reasonable assurance of properly recorded financial transactions.

Independent Audit

In compliance with the laws of the State of Florida the County's financial statements have been audited by CliftonLarsonAllen LLP, a firm of licensed independent certified public accountants. The audit was performed to provide reasonable assurance that the financial statements for the fiscal year ended September 30, 2018, are free of material misstatement. The audit involved performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements; evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management; as well as evaluating the overall financial statement presentation. The independent auditor issued an unmodified opinion on the County's financial statements for the fiscal year ended September 30, 2018. The Independent Auditors' Report is presented in the Financial Section of this report. Governmental accounting and auditing principles require that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). The Management's Discussion & Analysis (pages 17-27) can be found in the Financial Section immediately following the Independent Auditors' Report and should be read in conjunction with this transmittal letter.

County Structure and Services

Lee County was founded in 1887 and named in honor of General Robert E. Lee. The County is located on the Gulf of Mexico in the southwestern portion of Florida and encompasses approximately 811 square miles, including several small islands in the Gulf of Mexico. Four incorporated municipalities are located on the mainland: Fort Myers (one of two county seats), Estero, Bonita Springs, and Cape Coral (second county seat). The Town of Fort Myers Beach is located on Estero Island and the City of Sanibel is situated on Sanibel Island. The unincorporated communities include Lehigh Acres, North Fort Myers, Tice, Alva, Matlacha, Bokeelia, St. James City, and Captiva Island. Lee County's climate can be classified as subtropical with average high temperatures of 92 degrees (F) in summer and 75 degrees (F) in winter, and average low temperatures of 75 degrees (F) in summer and 56 degrees (F) in winter.

Lee County is home to one of the fastest-growing populations in the nation and that trend looks to continue. With almost 24 percent of its residents age 65 and older, the County is well known as a retirement destination. Lee County's population grew by approximately 15 percent between 2010 and 2018, and is projected to have a population of 1,007,100 by 2040. The Bureau of Economic and Business Research projects a 43 percent increase in Lee County's 25 to 54 age group by 2040. The estimated population in 2018 is 713,903.

County Services and Reporting Entity

The County provides its citizens with a wide range of services that include law enforcement, human and community assistance-related services, civil and criminal justice system services, road and bridge maintenance, park operation, library services, economic and physical environment, as well as other general and administrative support services. In addition, airport facilities, transit system, water and wastewater system, toll bridge facilities, and a waste-to-energy facility are provided under an enterprise concept with user charges set by the Board of County Commissioners.

The Board of County Commissioners (the Board) is the legislative body for the County, having the responsibility of budgeting and providing all the funding used by the various County departments and the separate Constitutional Officers, with the exception of fees collected by the Clerk of Circuit Court, Property Appraiser, and Tax Collector. Under the direction of the Clerk of Circuit Court, the Finance & Records Department maintains the accounting system for the Board's operations. The other Constitutional Officers maintain their own accounting systems. For purposes of this report the operations of the County as a whole, including all Constitutional Officers, have been presented.

In addition to the divisions of the Board and the Constitutional Officers, the Lee County Port Authority, a blended component unit, is included in the Comprehensive Annual Financial Report.

Budgetary Controls

The adopted budget is controlled in accordance with Chapter 129, *Florida Statutes*, and a formal budget policy which is incorporated into the County's Administrative Code. The Assistant County Manager, on behalf of the County Manager, is responsible for the preparation of the Board's budget. The legally adopted total appropriation for a fund may only be changed by resolution of the Board. Full authority to transfer budgetary amounts other than these instances is delegated to the County Manager.

or the Assistant County Manager. When the Board adopts the program budget it is integrated into the reporting system for management reporting purposes. Budget-to-actual comparisons are provided in the report for each fund for which an appropriated annual budget has been adopted. Original and final budgets for major governmental funds are also provided. The Constitutional Officers' budget control is retained at the fund level; the budgets of the Property Appraiser and Tax Collector are approved by the Florida Department of Revenue and those of the Clerk of the Circuit Court (excluding fees and court-related budgets), Sheriff, and Supervisor of Elections are approved by the Board. The court-related portion of the Clerk of Circuit Court's budget is determined by the State of Florida's legislature.

Financial Condition of the County

Local Economy

Lee County has long been a popular vacation and retirement spot with more than 50 miles of white sandy beaches that span from Gasparilla Island State Recreation Area to Barefoot Beach on Little Hickory Island. There are 18 miles of public parks on the beachfront and more than 100 public beach access points. Lee County contains more than 100 parks, beaches, wildlife refuges, including J.N. "Ding" Darling National Refuge on Sanibel Island; Lover's Key/Black Island State Park; Lakes Park; and Six Mile Cypress Slough. Lee County contains more than 90 golf courses and ranks fifth in the nation for hole-per-person ratio. Each year, thousands of fans flock to Lee County to watch spring training for the Boston Red Sox and Minnesota Twins. Although Lee County experiences year-round tourism, the number of tourists increases in winter as does the retiree population. The region also has a long history of attracting innovators, including the families of Henry Ford and Thomas Edison.

In Lee County, tourism employs one out of every five people. Approximately 4.8 million visitors arrive every year and generate \$3 billion in economic impact. The Lee County Visitor and Convention Bureau reported record-breaking tax collections for the eighth year in a row, collecting \$42.3 million in fiscal year 2018. The tourism figures provided by Lee County's Visitor and Convention Bureau for fiscal year 2018 showed that the number of visitors increased 1.4 percent and spending by visitor's increased 3.5 percent year over year. Passenger traffic at Southwest Florida International Airport ("SWFIA") reflected a 5.9 percent increase from the previous fiscal year. Southwest Florida International Airport served 9.3 million passengers in 2018 and continues to rank among the 50 busiest airports in the nation, according to the U.S. Department of Transportation. Reports from property managers for the upcoming fall season are significantly less optimistic than the same time last year. This may be a result of negative impacts related to Red Tide and water quality.

With no personal income tax, Florida consistently ranks as one of the best places to do business, and Lee County businesses benefit from Florida's state tax structure. Florida's tax code is the fourth most competitive in the country according to a study released this year by the nonprofit group Tax Foundation. Cape Coral-Fort Myers, was ranked one of the fastest growing cities in America by Forbes in 2018. The annual list considers population, employment, wages, and economic output. Lee County is home to several colleges, universities, and technical-vocational schools that provide a stream of talented workforce. Lee County is also home to a nationally recognized public school system.

Employment

Lee County has become the coastal hub for business growth and talented workers. With the region's business incentives and quality of life, more companies have relocated to the

area. From fashion icon Chico's, IT consulting and research company Gartner, and cancer care service provider 21st Century Oncology to a handful of companies that have relocated to the region over the last couple of years like Fortune 500 car and rental giant Hertz and Universal Trailer Holdings Corp., companies across multiple sectors have chosen Lee County.

The County continues to see steady growth with an increase of 4 percent in the labor force year over year. The Florida Department of Economic Opportunity projects a 12.7 percent increase in Lee County's labor force by 2026. The labor force at September 30, 2018, 2017, and 2016 was 338,104, 324,737, and 329,147, respectively. Employment in the County as of September 30, 2018, is estimated at 328,175.

Lee County's economy continues to strengthen. The unemployment rate continues to decline in Lee County and decreased from 3.6 percent in 2017 to 2.9 percent in 2018. The County's unemployment level is below Florida's rate of 3.5 percent and below the national rate of 3.7 percent.

According to the United States Department of Labor, Bureau of Labor Statistics, the non-agricultural employment for the Lee County Metropolitan Area was comprised of 20.3 percent in Trade, Transportation and Utilities, 16.0 percent in Government (Federal, State and Local), 15.0 percent in Leisure and Hospitality, 13.8 percent in Professional and Business Services, 11.3 percent in Education and Health Services, 13.1 percent in Mining, Logging, Construction and Manufacturing, and 10.5 percent in all other.

Economic Conditions

The mainstays of the County's economy are tourism and retirement, and their associated services, such as health, trade, and other service-orientated industries. The County also has real estate development, agribusiness, high-tech manufacturing, corporate and regional headquarters, warehousing and distribution, and financial service industries.

Overall, Lee County's housing market continues on a positive track, despite some water quality issues. Foreclosures filed in the County decreased, from 1,095 in fiscal year 2017 to 958 in fiscal year 2018 which represents a 13 percent decrease from prior year.

According to the Florida Realtors, the median sale price of an existing single-family home for the Fort Myers-Cape Coral metropolitan area in September 2018 and 2017 was \$245,000 and \$255,000, respectively, which represents a 3.9 percent decrease. New pending sales increased by 62.7 percent and active listings increased by 18 percent year over year. The median sale price for existing townhouses and condominiums in September 2018 and 2017 was \$192,000 and \$180,000, respectively, which represents a 6.7 percent increase. New pending sales increased 64 percent and active listings increased 6.4 percent, year over year.

Current and Long-Term Capital Initiatives

The County's Capital Improvement Program (CIP) consists of capital projects which reflect the County's infrastructure needs over a five-year time frame and include assets with long-term value such as buildings, roads, bridges, and parks.

Cash Management and Investments

The cash needs of the County are monitored daily and cash that is temporarily idle during the year is invested in accordance with the County's investment policy. The primary objective of the investment policy is the preservation of capital and the protection of investment principal.

Investments during the year were:

- Treasury bills and notes and government agencies and instrumentalities whose investments consist primarily of municipals and U.S. government obligations. At fiscal year-end the maturities of the investments ranged from nineteen days to twenty-two months and interest earned ranged from 1.15 percent to 2.62 percent.
- The State Board of Administration's ("SBA") Local Government Surplus Funds Investment Pool Trust Fund operates an investment pool for local governments. The average yield for the pool for the fiscal year was 1.9 percent.
- Repurchase agreements with primary United States broker/dealer firms, reporting daily to the New York Federal Reserve Bank. All term repurchase agreements (except those held by the County's trustees) are collateralized by 101 to 105 percent with the collateral held in the County's name by a third-party safekeeping agent. The collateral is valued weekly. The County did not enter into any repurchase agreements in fiscal year 2018.

Risk Management

The Board maintains self-insurance programs to administer insurance activities related to property and casualty, county-wide employee health and dental programs, general liability, and worker's compensation. The concept of the self-insurance programs is to allow the County to absorb losses up to a specific annual amount. Excess and other specific coverages are purchased from third-party carriers.

Funding for these programs is generated by charges to the operating departments based on management's annual estimates of claim loss funding and administration/operating costs. The Lee County Sheriff's Office does not participate in the County's insurance programs and maintains a separate self-insurance fund for their employee health and dental coverage. The Port Authority does not participate in the property and casualty self-insurance program.

Awards and Acknowledgments

Awards

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the County for its Comprehensive Annual Financial Report for the fiscal year ended September 30, 2017. This was the 33rd consecutive year that the County has received this prestigious award. To be awarded a Certificate of Achievement, the County had to publish an easily readable and efficiently organized Comprehensive Annual Financial Report which satisfied both generally accepted accounting principles and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. We believe our current Comprehensive Annual Financial Report continues to meet the Certificate of Achievement Program's requirements, and we are submitting it to GFOA to determine its eligibility for another certificate.

Acknowledgements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Auditors' Responsibility (Continued)

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of September 30, 2018, and the respective changes in financial position and, where applicable, cash flows thereof, and the respective budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the schedule of total other postemployment benefit liability and schedules of the County's proportionate share of the net pension liability and of its contributions – pension plans on pages 17 to 27 and 100 to 102, respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The introductory section, supplemental financial information, statistical section, and other supplemental information are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplemental financial information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, based upon our audit procedures performed as described above and the reports of other auditors, the supplemental financial information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory section, statistical section, and other supplemental information have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 25, 2019, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Management's Discussion and Analysis (unaudited)

This discussion and analysis of Lee County's (the County) financial statements is designed to introduce the basic financial statements and provide an analytical overview of the County's financial activities for the fiscal year ended September 30, 2018. The basic financial statements are comprised of the government-wide financial statements, fund financial statements, and footnotes to the financial statements. We hope this will assist readers in identifying significant financial issues and changes in the County's financial position.

Financial Highlights

- At the close of fiscal year 2018, the County's assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources, resulting in total net position of \$2,903,802,000.
- The County's total net position decreased \$37,885,000, or 1.3 percent, in comparison to prior year.
- The County's governmental activities total net position of \$1,372,353,000 decreased \$61,187,000, or 4.3 percent, in comparison to prior year. The unrestricted net position is a deficit balance of \$484,186,000.
- The County's business-type activities total net position of \$1,531,449,000 increased \$23,302,000, or 1.5 percent, in comparison to prior year. Approximately 11.9 percent of the total, or \$182,020,000 is unrestricted, and thus available for spending at the County's discretion.
- The County reported a liability of \$422,278,000 for its proportionate share of the FRS and HIS net pension liabilities.
- The County reported a Total Other Postemployment Benefits liability of \$629,893,000.

Government-wide Financial Statements

The government-wide financial statements (statement of net position and statement of activities found on pages 30-33) concentrate on the County as a whole and do not emphasize fund types but rather a governmental or a business-type classification, which are presented in separate columns. The governmental and business-type activities comprise the primary government. Fiduciary funds are not included in the government-wide financial statements.

General governmental and intergovernmental revenues support the governmental activities, whereas the business-type activities are primarily supported by user fees and charges for services. The purpose of the government-wide financial statements is to allow the user to be able to analyze the County's total financial position.

The statement of activities reflects the expenses of a given function or program, which are offset by program revenues. Program revenues are defined as charges for services, operating grants and contributions, and capital grants and contributions directly associated with a given function or program. Taxes are reported under general revenue. The County maintains an allocation program for indirect expenses and, therefore, reports this allocation in a separate column on the government-wide statement of activities.

The effect of the inter-fund activity has been removed from the government-wide financial statements. However, the inter-fund services between functions are not eliminated. The internal service fund activity has been eliminated except for the outside activity on the government-wide financial statements.

Fund Financial Statements

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund equity or net position, revenues, and expenditures or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled.
