The County's funds are presented in separate fund financial statements. These funds are presented on a governmental fund financial statement and a proprietary fund financial statement. The County's major funds are presented in separate columns on the fund financial statements. The definition of a major fund is one that meets certain criteria set forth in Governmental Accounting Standards Board Statement Number 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments* ("GASB 34"). The funds that do not meet the criteria of a major fund are considered non-major funds and are combined into a single column on the fund financial statements. However, a non-major fund can be designated as a major fund if the County chooses to do so.

Annual budgets are adopted for all funds except agency funds, Sheriff's internal service and special revenue funds, and the Property Appraiser's special revenue fund. A budgetary comparison has been presented for the General Fund, which compares not only actual results to budget but also the original adopted budget to final budget.

Governmental Fund Financial Statements

Governmental fund financial statements (found on pages 34-38) are prepared on the modified accrual basis using the current financial resources measurement focus. Under the modified accrual basis, revenues are recognized when they become measurable and available as net current assets. Although the activity of the internal service funds is reported with the governmental activities on the government-wide financial statements, they are not combined on the government fund financial statements.

One of the County's governmental funds, the General Fund, is classified as a major fund. All other governmental funds are combined into a single column on the governmental fund financial statements. Individual fund data for the non-major funds are found in combining statements as supplemental financial data.

Proprietary Fund Financial Statements

Proprietary fund financial statements (found on pages 39-45), like government-wide financial statements, are prepared on the full accrual basis. Proprietary funds record both operating and non-operating revenues and expenses. Operating revenues are those that are obtained from the operations of the proprietary fund.

The County reports the Port Authority, Water and Wastewater, Transportation Facilities, and Solid Waste as major funds in the proprietary fund financial statements. These enterprise funds are used to present the same functions that are presented in the government-wide financial statements. The only non-major fund, Transit, is reported in a separate column. The internal service funds are presented in their entirety combined in a single column on the proprietary fund financial statements.

The internal service funds are used to account for data processing, risk management, radio communications, telecommunications, fleet management, and self-insurance for health and dental, and workers' compensation services on a cost reimbursement basis. Individual fund data is in the combining statements as supplemental financial data.

Fiduciary Fund Financial Statements

The fiduciary fund financial statement (found on page 46) is not included in the government-wide financial statements because the resources of those funds are not available to support the County's programs.

Financial Analysis of the Government's Funds

Governmental Fund

Governmental funds are comprised of the General Fund, special revenue funds, debt service funds, and capital projects funds. As noted earlier, governmental funds use the current financial resources measurement focus that focuses on near-term inflows and outflows. The General Fund is the general operating fund that is used to account for all financial resources, except those required to be accounted for in another fund.

The following are noteworthy facts and changes from prior year for the General Fund, which is the only Governmental Fund reported as a major fund:

General Fund- Total Revenues increased \$32,089,000, or 7.9 percent. Taxes increased \$22,872,000, or 8.1 percent, due to an increase of \$22,586,000 in Ad Valorem taxes as a result of higher assessed property values. Intergovernmental revenue increased \$5,197,000, or 7.3 percent primarily due to a FDEP algae bloom grant received for \$3,775,000. Expenditures increased \$19,342,000, or 5.4 percent, due to an increase of \$4,583,000 in general government operating expenditures primarily due to higher salary and benefit costs and costs related to Hurricane Irma clean-up; an increase of \$10,270,000 in public safety expenditures primarily due to higher Sheriff salaries and related costs and an increase in Sheriff capital expenses; and an increase of \$4,231,000 in Physical Environment operating expenditures primarily due to red tide and blue algae clean-up costs. Insurance proceeds related to Hurricane Irma in the amount of \$5,580,000 were received in the current year.

Proprietary Funds

Proprietary funds are comprised of enterprise funds and internal service funds. An enterprise fund is used to account for activities for which a fee is charged to external users for goods and services. Internal service funds are those that provide a service, primarily within the government, and charge a recovery fee.

Lee County, Florida

The following are noteworthy facts and changes from prior year for proprietary major funds:

Port Authority - Net operating revenue increased \$3,387,000, or 3.4 percent, in comparison to prior year as a result of an increase of \$1,350,000 in user fees and \$2,681,000 in concession revenue. User fees increased due to increased airline rents, landing fees and fuel sales and concession revenue increased due to higher rental car fees, restaurant/terminal concessions, and parking fees. Total operating expenses decreased \$17,165,000, or 16.5 percent, in comparison to prior year primarily due to a decrease in other postemployment benefit expense as a result of a plan and allocation change. Capital grants and contributions were \$11,874,000, or 42.0 percent, lower compared to the prior year due to FAA Grant Rehabilitation received in the prior year for the Page Field Runway project.

Water and Wastewater - Net operating revenue increased \$593,000, or 0.5 percent, in comparison to prior year. Operating expenses increased \$7,514,000, or 7.1 percent, in comparison to prior year primarily due to an increase in contractual services, materials, and supplies for the interlocal sewer agreement true-up with the City of Fort Myers. Capital contributions were \$2,263,000, or 9.5 percent, higher compared to the prior year due to an increase in developer contributed assets driven by an increase in construction.

Transportation Facilities - Net operating revenue increased by \$1,313,000, or 3.0 percent, in comparison to prior year due to a slight increase in toll revenue. Total operating expenses decreased \$1,542,000, or 8.6 percent, in comparison to prior year primarily due to a decrease in other postemployment benefit expense as a result of a plan and allocation change.

Solid Waste - Net operating revenue increased \$9,749,000, or 11.6 percent, in comparison to prior year due to an increase in user fees of \$9,365,000 as a result of an increase in disposal rates and increased tonnage. Total operating expenses increased \$37,794,000, or 41.8 percent, in comparison to prior year primarily due to an increase in contractual services, materials and supplies related to costs for Hurricane Irma debris clean-up.

General Fund Budgetary and Actual Highlights

The difference between the original adopted and final amended budget expenditures in the General Fund is an increase of \$13,303,000. The changes include:

- \$2,000,000 increase for the FDEP algae bloom clean-up grant.
- \$1,937,000 increase for West Coast Inland Navigation District (WCIND) pass through grants for navigation related major maintenance projects.
- \$1,498,000 increase for the Low Income Home Energy Assistance Program (LIHEAP) grant.
- \$1,250,000 increase for FEMA Disaster Case Management grant.
- \$1,505,000 increase for grants received for housing assistance, homeless prevention projects, homeless housing and relocation services, and the Bob Janes Triage Center.
- \$1,811,000 increase for miscellaneous revenue received by the Sheriff to cover expenditures related to false alarms, overtime associated with background checks and fingerprinting services, vehicle repairs, and fuel.

The remaining amendments are a combination of increases and decreases for various reasons which separately are not noteworthy.

The variance between the final amended budget and actual expenditure results for the General Fund is a favorable variance of \$26,724,000. The differences are across multiple departments and are mainly due to unspent budget for various projects and conservative spending. Project costs are budgeted in the year they are anticipated to be obligated. In subsequent years the unused budget is re-appropriated until the project is completed.

NOTE I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Lee County (the "County") was founded in 1887 as a political subdivision of the State of Florida established by Article VIII, Section 1(f), *Florida Constitution*. In 1996 by adoption of Lee County Ordinance No. 96-01 the County became a charter county as allowed by Article VIII, Section 1(c), *Florida Constitution*, and Chapter 125.82, *Florida Statutes*. Pursuant to Article VIII, Section 1(g), *Florida Constitution*, as a charter county the County has all powers of self-government not inconsistent with general law, or with special law approved by vote. It also gives the County authority to enact ordinances that are not inconsistent with general law.

The County is governed by an elected Board of County Commissioners (the "Board"), which is governed by Title XI, Chapters 124-164, *Florida Statutes*, and regulations. In addition to the members of the Board, there are five elected Constitutional Officers: Clerk of Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector. The Constitutional Officers maintain separate accounting records and budgets.

The accompanying financial statements present the financial position and results of operations of the entity as a whole, by major fund, and non-major funds in aggregate, that are governed by the Board and the Constitutional Officers of Lee County, Florida.

As required by generally accepted accounting principles ("GAAP"), the financial statements of the reporting entity include those of Lee County (the primary government) and its component units. A component unit is a legally separate organization for which the elected officials of the primary government are financially accountable. In addition, a component unit may be another organization for which the nature and significance of its relationship with a primary government is such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The departments and divisions of the Board and the Constitutional Officers, as well as the Lee County Port Authority (the "Port Authority"), a blended component unit, are included in Lee County's *Comprehensive Annual Financial Report*.

Blended Component Unit

The Port Authority is a dependent political subdivision of the County as defined in Chapter 189, *Florida Statutes*. The Port Authority was created by Chapter 63-1541, *Laws of Florida*, and by adoption of Resolution No. PA-87-8-9. The legal authority by which the Port Authority operates is found in Chapter 63-1541, *Laws of Florida*, and Chapters 125 and 332, *Florida Statutes*. The Port Authority is included in the County's reporting entity as a blended component unit due to the significance of the operational and financial relationships with the County.

Although it is a legally separate agency, financial support has been pledged and its financial and operational policies may be significantly influenced by the County. The Board of Port Commissioners is substantively the same governing body as the Board of County Commissioners. The Port Authority is accounted for as if it was a part of the County's operations and reported as a County Enterprise Fund.

Government-Wide and Fund Financial Statements

The government-wide financial statements and the major-fund financial statements along with the notes to the financial statements comprise the basic financial statements. The government-wide financial statements (the statement of net position and the statement of activities) concentrate on the County as a whole and do not emphasize fund types but rather a governmental or a business-type classification, which are presented in separate columns. The governmental activities and business-type activities comprise the primary government. Neither fiduciary funds nor component units that are fiduciary in nature are included. General governmental and inter-governmental revenues support the governmental activities, whereas the business-type activities are primarily supported by user fees and charges for services. The purpose of the government-wide financial statements is to allow the user to be able to determine if the County is in a better or worse financial position than the prior year.

The statement of activities reflects the expenses of a given function or program, which are offset by program revenues. Program revenues are defined as charges for services, operating grants and contributions, and capital grants and contributions directly associated with a given function. Taxes are reported under general revenue.

The County's major funds are presented in separate columns on the governmental fund financial statements and the proprietary fund financial statements. The definition of a major fund is one that meets certain criteria set forth in Governmental Accounting Standards Board Statement Number 34, *Basic Financial Statements- and Management's Discussion and Analysis- for State and Local Governments* ("GASB 34"). The funds that do not meet the criteria of a major fund are considered non-major funds and are combined into a single column on the fund financial statements.

The County allocates indirect expenses and therefore reports this allocation in a separate column on the government-wide statement of activities.

The effect of interfund activity has been removed from the government-wide financial statements. However, interfund services provided and used are not eliminated in the process of consolidation.

Internal service fund activity is reported in full on the proprietary fund financial statements. The internal service funds are combined and thus reported in a single summary column on the proprietary fund financial statements. However, the internal service fund activity has been eliminated - except for the outside activity - and is combined with the governmental activities on the government-wide financial statements. The outside activities are premiums paid from outside entities for insurance, employees' portion of insurance, auto and equipment repair, and participating governments in the radio program for the government communications network.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, deferred outflows/inflows of resources, fund equity or net position, revenues, and expenditures or expenses, as appropriate. Government resources are allocated to and accounted for in

Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2018

individual funds based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

Basis of accounting refers to when revenues and expenditures, or expenses, are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide financial statements are prepared on a full accrual basis using the economic resources measurement focus, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred. Property taxes are recognized in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all of the eligibility requirements have been met. Fiduciary fund financial statements are also prepared on an accrual basis.

Proprietary funds record both operating and non-operating revenues and expenses. Operating revenues are those that are obtained from the operations of the proprietary fund that include user fees, tolls, rental and franchise fees, and concessions. Non-operating revenues are not related to the operations of the proprietary fund and include taxes, interest earnings, grants, and passenger facility charges. Operating expenses represent the cost of operations, which includes depreciation. Non-operating expenses, such as interest expense, are not related to operations.

Governmental fund financial statements are prepared on the modified accrual basis using the current financial resources measurement focus. Under the modified accrual basis, revenues are recognized when they become measurable and available as net current assets. The County considers all revenues, except grants, available if they are collected within sixty days after year-end. Grants are recorded as earned if collected within ninety days after year-end. Primary revenues, such as property taxes, special assessments, inter-governmental revenues, charges for services, sales and franchise taxes, rents, and interest are treated as susceptible to accrual under the modified accrual basis and so have been recognized as revenues. Expenditures reported in governmental fund financial statements are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. An exception to this general rule includes principal and interest on general long-term debt, which is recognized when due, and compensated absences which are accrued when matured.

When both restricted and unrestricted resources are available, restricted resources will be used first for incurred expenses, and then unrestricted as needed. When using the unrestricted resources, committed amounts would be reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

The County reports the following major fund in the governmental fund financial statements:

General Fund - The General Fund is the general operating fund of the County that is used to account for all financial resources, except those required to be accounted for in another fund.

The County reports the following major funds in the proprietary fund financial statements:

Port Authority - The Lee County Port Authority is used to account for the activities related to the operation of the County owned aviation facilities, including Southwest Florida International Airport and Page Field General Aviation Airport.

Water and Wastewater - The Lee County Water and Wastewater System is used to account for the activities related to the operation of the County owned water and wastewater system.

Transportation Facilities - The Lee County Transportation Facilities fund is used to account for the activities related to the operation of the County owned bridges connecting Sanibel and Captiva Islands to the mainland and the Cities of Cape Coral and Fort Myers.

Solid Waste - The Lee County Solid Waste System is used to account for the provision of refuse disposal facilities to the general public.

The County reports the following other fund types:

Non-major Governmental Funds - The non-major governmental funds are a combination of special revenue, debt service, and capital projects.

Non-major Enterprise Funds - The only non-major enterprise fund is Lee County Transit. Lee County Transit is used to account for the activities related to the operation of the Lee Tran bus system, a countywide public transportation service.

Internal Service Funds - The internal service funds are used to account for data processing, risk management, health, dental and liability self-insurance, radio communications, and fleet management services on a cost reimbursement basis.

Agency Funds - The agency funds are used to account for assets collected and held by the County as an agent for individuals, organizations, or other governments, such as fire impact fees, school impact fees for the Lee County School Board, or license plate tag fees collected on behalf of the State of Florida.

Use of Estimates

The preparation of the financial statements requires management to make a number of estimates and assumptions relating to the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources and the disclosure of contingent assets at the date of the financial statements. Preparation of the financial statements also requires management to make a number of estimates and assumptions relating to the reported amounts of revenues and expenditures during the period. Actual results could differ from those estimates.

Budgetary Information

Budgets and Budgetary Accounting

Budgets have been adopted by the Board for all Board funds except for agency funds. The budgets of the Property Appraiser and the Tax Collector are approved by the Florida Department of Revenue. The Sheriff and Supervisor of Elections prepare budgets for their general funds, which are submitted to and approved by the Board. The Clerk of Circuit Court (to the extent of her function as ex-officio Clerk to the Board) prepares a budget for her general fund (noncourt-related activities), which is submitted to and approved by the Board. In addition, the Clerk prepares a portion of her noncourt-related and special revenue budgets based on anticipated fees. The Clerk also prepares a court-related budget, which is submitted to and approved by the Florida State Legislature in the General Appropriations Act. No budget is prepared for the Property Appraiser's special revenue fund, and the Sheriff's special revenue and internal service funds.

Capital projects costs are budgeted in the year they are anticipated to be obligated. In subsequent years, the unused budget is reappropriated until the project is completed. Proprietary funds are budgeted on a basis

Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2018

consistent with GAAP, except that capital and debt related transactions are based upon cash receipts and disbursements. Estimated beginning fund balances are considered in the budgetary process. Differences between estimated beginning fund balances and actual fund balances, if material, are submitted to the Board as budget amendments. The annual budgets serve as the legal authorization for expenditures. Expenditures cannot legally exceed the total amount budgeted for each fund. The Board must approve all budget amendments, which change the legally adopted total appropriation for a fund, or amount of a Constitutional Officers' draw. Authority to transfer budget within a fund is delegated to the County Manager or Budget Director.

If, during the fiscal year, additional revenues become available for appropriation in excess of those estimated in the budget, the Board may make supplemental appropriations by resolution for the year up to the amount of such excess. During the fiscal year the Board, in accordance with Florida Statutes, approved various supplemental appropriations. Appropriations lapse at fiscal year-end.

Assets, Liabilities, Deferred Outflows/ Inflows of Resources, and Net Position or Equity

Cash, Cash Equivalents, and Investments

The County considers cash, cash equivalents, and investments to be cash on hand, demand deposits, highly liquid investments, including those held as restricted assets, with original maturities of three months or less when purchased, and those included in the internal investment pool.

For accounting and investment purposes, the County maintains a cash and investment pool that is available for use by all funds except those whose cash and investments must be segregated due to legal or other restrictions. Investments within this pool are treated as a demand deposit account by the various funds of the County that participate. Interest earned on investments in the pool is allocated to the various funds based upon each fund's equity balance in the pool during the allocation period.

For purposes of the Statements of Cash Flows, the County considers cash and equity in pooled cash and investments (restricted and unrestricted), and restricted cash and cash equivalents with fiscal agent to be cash and cash equivalents.

The County reports all investments at fair value, with the exception of the State Board of Administration's ("SBA") Florida Local Government Surplus Trust Fund Investment Pool (Florida PRIME) which is reported at amortized cost and approximates fair value. The County also participates in the Florida Cooperative Liquid Assets Securities System (FLCLASS) investment pool and the Florida Fixed Income Trust (FLFIT) which are measured at net asset value per share. The County categorizes its fair value measurements within the fair value hierarchy established in Governmental Accounting Standards Board Statement No. 72, *Fair Value Measurements and Application*.

Florida PRIME is considered a qualifying external investment pool that meets all of the necessary criteria to elect to measure all of the investments at amortized cost. Therefore, the fair value of the County's position in the pool is the same as the value of the pool shares. The Florida PRIME investments are not categorized because they are not evidenced by securities that exist in physical or book entry form. Throughout the year, and as of September 30, 2018, Florida PRIME contained certain floating and adjustable rate securities. These investments represented 33.5 percent of Florida PRIME's portfolio at September 30, 2018.

In accordance with Governmental Accounting Standards Board Statement No. 79, *Certain External Investment Pools and Pool Participants*, as a participant in a qualifying external investment pool, the County should disclose the presence of any limitations or restrictions on withdrawals (such as redemption notice periods, maximum

Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS

transaction amounts, and the qualifying external investment pool's authority to impose liquidity fees or redemption gates) in notes to the financial statements.

With regard to redemption gates, Section 218.409(8)(a), *Florida Statutes*, states that "The principal, and any part thereof, of each account constituting the trust fund is subject to payment at any time from the moneys in the trust fund. However, the Executive Director may, in good faith, on the occurrence of an event that has a material impact on liquidity or operations of the trust fund, for 48 hours limit contributions to or withdrawals from the trust fund to ensure that the Board can invest moneys entrusted to it in exercising its fiduciary responsibility. Such action must be immediately disclosed to all participants, the Trustees, the Joint Legislative Auditing Committee, the Investment Advisory Council, and the Participant Local Government Advisory Council. The Trustees shall convene an emergency meeting as soon as practicable from the time the Executive Director has instituted such measures and review the necessity of those measures. If the Trustees are unable to convene an emergency meeting before the expiration of the 48-hour moratorium on contributions and withdrawals, the moratorium may be extended by the Executive Director until the Trustees are able to meet to review the necessity for the moratorium. If the Trustees agree with such measures, the Trustees shall vote to continue the measures for up to an additional 15 days. The Trustees must convene and vote to continue any such measures before the expiration of the time limit set, but in no case may the time limit set by the Trustees exceed 15 days."

With regard to liquidity fees, Section 218.409(4), *Florida Statutes* provides authority for the SBA to impose penalties for early withdrawal, subject to disclosure in the enrollment materials of the amount and purpose of such fees. At present, no such disclosure has been made.

As of September 30, 2018, there were no redemption fees or maximum transaction amounts, or any other requirements that serve to limit a participant's daily access to 100 percent of their account value.

Accounts Receivable

The trade accounts receivable of the County are recorded in the government-wide, governmental, and proprietary fund financial statements and are net of an allowance for doubtful accounts, which generally is equivalent to the receivables that are over 90 days, plus any amounts to be submitted to the Board for write-off due to known uncollectible amounts.

Special assessment receivables that are not expected to be collected in the current year are reported as Deferred Inflows - unavailable revenue in the governmental fund statements. Delinquent special assessments receivable are expected to be recovered, ultimately through liens or foreclosures.

Due From/Due To

During the course of operations, the County has activity between funds for various purposes. Any residual balances at year-end are reported as due from/to other funds. While these balances are reported in the fund financial statements, any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide statement of net position as "internal balances."

Inventory

Inventories reported within governmental and proprietary funds consisting of materials and supplies held for consumption are valued at cost using the first-in, first-out method (FIFO). These inventories are recorded as expenditures, or expenses, as they are used (consumption method). Such inventories reported within governmental funds are classified as non-spendable. Inventory held for resale consists of real estate holdings which the County intends to sell as part of a Neighborhood Stabilization grant program and are reported at the

Lee County, Florida
 NOTES TO THE FINANCIAL STATEMENTS

lower of cost or market. The inventory is classified as a restricted asset, which indicates it does not constitute available resources.

Prepaid Items

Some payments to vendors represent costs applicable to future accounting periods and are recorded as prepaid items in the financial statements.

Capital Assets

Capital assets include artwork, property, buildings, furniture, equipment, vehicles, software, easements and rights of way, and infrastructure assets. Infrastructure assets are defined as public domain capital assets such as roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, lighting systems, and similar assets that are immovable and of value only to the government unit. Capital assets are reported in the government-wide financial statements in the applicable governmental or business-type activities column, as well as the proprietary fund financial statements. The threshold for capitalizing property, plant, and equipment is \$1,000. The threshold for capitalizing software and infrastructure is \$100,000. Capital assets are recorded at cost or estimated historical cost. Contributed assets are recorded at acquisition value at the time received. Depreciation is calculated using the straight-line method over the estimated useful lives of the related assets. The ranges of the useful lives are as follows:

<u>Asset</u>	<u>Years</u>
Buildings	30-50
Improvements other than buildings	6-50
Equipment	3-35
Computer Equipment	3-10
Furniture	4-20
Vehicles & rolling stock	3-12
Software	3-5
Infrastructure	20-50

Florida Statutes require that the Board maintain accountability for all capital assets used in operations, except those separately accounted for by the Sheriff.

Capital Lease Obligations

In the government-wide financial statements and proprietary fund financial statements, capital lease obligations and the related cost of assets acquired are reflected in the Statement of Net Position. For capital lease obligations in governmental funds, expenditure for the asset and the offsetting other financing source is reflected in the fund financial statements in the year of inception.

Unearned Revenues

Unearned revenues represent revenues collected in advance of services performed and will be recognized when the services are rendered.

Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS

Compensated Absences

The County maintains a policy that permits employees to accumulate earned but unused vacation and sick pay benefits that will be paid to employees upon separation from County service if certain criteria are met. These benefits, plus their related tax and retirement costs are classified as compensated absences. The County's policy requires employees to bank unused sick pay benefits. Both the current and long-term portion of compensated absences are accrued and reported in the government-wide and proprietary fund financial statements. The exception to this policy is the Lee County Port Authority, which has a mandatory annual buyback of unused leave. This is accounted for pursuant to GASB Statement Number 16, *Accounting for Compensated Absences*. Payments for compensated absences are made by the respective fund.

Unamortized Bond Premiums and Discounts

Bond premiums and discounts related to long-term debt are amortized over the life of the debt, principally by the effective-interest method. Notes payable and revenue bonds payable in the government-wide and proprietary fund financial statements are shown net of unamortized discounts and premiums. Premiums and discounts related to general long-term debt in the governmental fund financial statements are recorded as expenditures or other financing sources when paid or received and, therefore, are not accounted for in subsequent periods.

Deferred Outflows of Resources

Deferred outflows of resources represents a consumption of net position that applies to future period(s) and so will not be recognized as an outflow of resources (expense or expenditure) until then. The deferred outflows of resources reported in the County's Statement of Net Position represents other postemployment benefit related balances for the difference between expected and actual experience, changes in actuarial assumptions, and subsequent contributions; pension related balances for changes in actuarial assumptions, the difference between expected and actual economic experience, the net difference between projected and actual earnings, changes in the proportion and differences between the County's contributions and proportionate share of contributions, and the County's contributions subsequent to the measurement date. These amounts will be recognized as increases in expense in future years. The County also reports a deferred outflow of resources for the losses on refunded debt that result from the difference in the carrying value of refunded debt and its reacquisition price. This amount is amortized using the effective-interest method in the government-wide and proprietary fund financial statements over the shorter of the life of the old bonds or the life of the new bonds.

Deferred Inflows of Resources

Deferred inflows of resources represents acquisition of resources that applies to future reporting period(s) and will not be recognized as an inflow of resource (revenue) until then. In governmental funds, revenues not received within sixty days of year-end are deferred until collected as they do not meet the availability criteria. The County currently has unavailable revenue for special assessments, grants, and accounts receivables. The deferred inflows of resources reported in the County's Statement of Net Position represents other postemployment benefits related balances for changes in actuarial assumptions; pension related balances for the difference between expected and actual economic experience, and changes in the proportion and differences between the County's contributions and proportionate share of contributions relating to the Florida Retirement System Pension Plan and the Retiree Health Insurance Subsidy Program. These amounts will be recognized as reductions in expense in future years. Also included in deferred inflows of resources are gains on refunded debt that result from the difference in the carrying value of refunded debt and its reacquisition price. This amount is amortized using the effective-interest method in the government-wide and proprietary fund financial statements over the shorter of the life of the old bonds or the life of the new bonds.

Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS

Pensions

In the government-wide and proprietary funds statements of net position, liabilities are recognized for the County's proportionate share of each pension plan's net pension liability. For purposes of measuring the net pension liability, deferred outflows/inflows of resources, and pension expense, information about the fiduciary net position of the Florida Retirement System (FRS) defined benefit plan and the Health Insurance Subsidy (HIS) and additions to/deductions from FRS's and HIS's fiduciary net position have been determined on the same basis as they are reported by the FRS and HIS plans. For this purpose, plan contributions are recognized as of employer payroll paid dates and benefit payments and refunds of employee contributions are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Net Position

In the government-wide and proprietary fund financial statements net position is categorized as net investment in capital assets, restricted and unrestricted. Restricted net position indicates amounts that have constraints on their use externally imposed by creditors, through debt covenants, by grantors, or by law. Restricted assets are being reported for: capital projects; debt service; inventory held for resale; special revenue funds; and renewal and replacement. The government-wide statement of net position reports \$282,242,000 of governmental activities restricted net position, of which \$253,381,000 is restricted by enabling legislation.

Fund Balances

In the governmental fund financial statements the County reports fund balances as either non-spendable or spendable. Spendable fund balances are further classified in a hierarchy based on the extent to which there are external and internal constraints.

Non-spendable balances are those that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact. Criteria include items that are not expected to be converted into cash, for example inventories and prepaids. It also includes the long-term amount of loans and notes receivable, as well as property acquired for resale. However, if the use of the proceeds from the collection of those receivables or from the sale of those properties is restricted, committed, or assigned, then they should be included in the appropriate fund balance classification.

Spendable fund balances are classified as follows:

Restricted Fund Balance - Amounts that are constrained for a specific purpose imposed by creditors (such as through debt covenants), grantors, contributors, laws or regulations, or through constitutional provisions or enabling legislation.

Committed Fund Balance - Amounts constrained for a specific purpose imposed by a formal action of adopting an ordinance by the Board, the highest level of decision making authority, for the County. Once adopted, an ordinance can only be modified, rescinded, or replaced in the same manner, by another ordinance of the Board.

Assigned Fund Balance - Amounts that are intended to be used for specific purposes as determined by the Board, but that are neither restricted nor committed. Per the Board's administrative code, only the Board is authorized to assign fund balance.

Lee County, Florida
 NOTES TO THE FINANCIAL STATEMENTS
 September 30, 2018

Unassigned Fund Balance – Amount represents the residual fund balances for the County’s General Fund that does not meet the other fund balance classification requirements and amounts reported as deficit fund balances in other governmental funds.

NOTE II. DIFFERENCE BETWEEN BUDGETED AND ACTUAL RESULTS

Budgets are adopted on a basis consistent with GAAP except as follows:

General Fund – Emergency Medical Services (EMS) ambulance fees are budgeted on a cash basis; the adjustment to record the remaining outstanding fees to accounts receivable for the year is not budgeted. Changes in fair market value (FMV) of investments, grant revenues not received within ninety days of year-end, and inventory adjustments are not budgeted.

The following adjustments were necessary to present actual data on a budgetary basis (Non-GAAP) for the fiscal year ended September 30, 2018 (dollars in thousands):

Net change in fund balance (GAAP basis)	\$22,817
Basis Difference:	
FMS ambulance fees not reported on a cash basis	677
Fair market value adjustment	403
Unavailable revenues	10
Expenditures associated with inventory	<u>(3)</u>
Net change in fund balance non-GAAP	<u>\$23,904</u>

NOTE III. PROPERTY TAXES

Property taxes become due and payable on November 1 of each year and are delinquent on April 1 of the following year. Discounts on property taxes are allowed for payments made prior to the April 1 delinquent date. Tax certificates for the full amount of any unpaid taxes must be sold no later than June 1 of each year. No accrual for the property tax levy becoming due in November 2018 is included in the accompanying financial statements, since such taxes are collected to finance expenditures of the subsequent period.

Procedures for collecting delinquent taxes, including applicable tax certificate sales and tax deed sales, are provided by Florida Statutes. The enforceable lien date is approximately two years after taxes become delinquent and occurs only upon request of a holder of a delinquent tax certificate. There were no significant delinquent property tax receivables at September 30, 2018.

Important dates in the property tax cycle are as follows:

- Assessment roll certified- July 1
- Millage resolution approved- no later than 95 days following receipt of the certified preliminary assessment roll
- Beginning of fiscal year for which taxes have been levied- October 1
- Taxes due and payable (levy date)- November 1
- Property taxes payable (maximum discount of 4 percent)- 30 days after levy date
- Due date- March 31
- Taxes become delinquent (lien date)- April 1
- Tax certificate sold- prior to June 1

Fair Value

The County categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on valuation inputs used to measure the fair value of the asset.

Level 1 - Valuation is based on quoted prices for identical instruments traded in active markets. At September 30, 2018, the County held no such assets.

Level 2 - Valuation is based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.

Level 3 - Valuation is based on model-based techniques that use significant inputs and assumptions not observable in the market. These unobservable inputs and assumptions reflect the Reserve Banks' estimates of inputs and assumptions that market participants would use in pricing the assets and liabilities. Valuation techniques include the use of option pricing models, discounted cash flow models, and similar techniques. At September 30, 2018, the County held no such assets.

The categorization of investments within the hierarchy is based upon the pricing transparency of the instrument and should not be perceived as the particular investment's risk.

The goal of FLCLASS is to provide competitive returns while adhering to the primary objectives of safety and liquidity. FLCLASS is rated AAAM by S&P Global Rating Services, the highest rating assigned to principal stability government investment pools. The rating reflects the conservative nature of the pool's investments as well as the excellent credit quality of the program. The fund seeks to maintain a stable Net Asset Value (NAV) of \$1.00 per share and the AAAM rating from Standard & Poor's Ratings Services. There are no redemption restrictions and same day liquidity is provided for transactions that are submitted by 3:00 p.m. EST.

FLFIT Cash Pool is a high-quality money market alternative for local government investors. The Cash Pool is a great complement to other money market options and provides safety of principal, liquidity, and return. Appropriate for short-term cash portfolios, the pool is managed to provide minimal volatility of net asset value and positive holding period returns for 30 days or greater. The adviser seeks to accomplish this objective by maintaining a portfolio of high-quality short-duration fixed-income instruments. The Cash Pool is a short-term investment product, which is rated AA+ / S1+ by S&P Global Ratings (S&P). The pool is designed to add diversification with multiple asset classes and a competitive yield to other cash alternatives. Providing next day liquidity to participants, the pool is managed as a stable net asset product but does have a floating net asset value. This pool is excellent for public sector participants' cash needs. There are no redemption restrictions and next day liquidity is provided for transactions entered by 12:00 p.m. EST.

NOTE VII. OTHER POSTEMPLOYMENT BENEFITS

The County maintains two single-employer, defined benefit other postemployment benefits plans ("OPEB"), the Group Health Program for Lee County administered by Aetna and the Lee County Sheriff Health Care Plan administered by the Self-Insured Benefit Administrator.

Pursuant to provisions of Section 112.08, *Florida Statutes*, former employees and eligible dependents who retire from the local government unit may continue to participate in the group or self-insurance plan for comprehensive health and hospitalization at a premium cost not to exceed the premium cost for active employees. Contribution requirements of the County and Sheriff Office are established and may be amended by the employer.

Group Health Program for Lee County

Plan Description

The Group Health Program for Lee County ("GHPLC") provides medical, dental, vision and life insurance benefits (OPEB) to County retirees and their spouses. All the Constitutional Officers, except the Lee County Sheriff, participate in GHPLC. At October 1, 2017, the date of the latest actuarial valuation, plan participation consisted of 3,735 current active plan members, 908 retirees and 351 eligible dependents receiving postemployment health care benefits. In addition, Medicare eligible retirees and their Medicare eligible dependents may enroll in the Medicare Advantage Plan (MAP), a fully funded insurance plan administered by Aetna.

A publicly available financial report that includes financial statements and required supplementary information is not available for this plan.

Funding Policy

The County subsidizes the premium rates paid by retirees by allowing them to participate at blended premium rates for both active and retired employees. These rates provide an implicit subsidy for retirees because, on an actuarial basis, retiree claims are expected to result in higher costs to the plan on average than those of active employees. In addition, for retirees with a hire date prior to January 1, 2008, the County offers a direct subsidy of 60 percent for MAP participants and 50 percent for Aetna participants. A \$96 discount is applied for plan members enrolled in Medicare Part B for the self-insurance plan. No discount is offered for MAP. The Clerk of Circuit Court does not subsidize any contribution rates. Vision and dental insurance are offered to retirees; however, they are not subsidized by the County. The plan also allows retirees the option to continue to participate in the GHPLC life insurance policy. The life insurance is only available to the retiree, and has a face value of \$5,000. The following table summarizes the retirees' monthly contribution rates for 2018. The Plan is funded on a pay-as-you-go basis.

Effective October 1, 2018, the County will offer the premium subsidy to all retirees with six or more years of consecutive employment prior to retirement. The Clerk of Circuit Court will offer the premium subsidy to all retirees with eight or more years of consecutive employment. The Port Authority will continue to offer the subsidy to employees hired prior to January 1, 2008. The Changes in Benefit Terms included in the 2018 OPEB liability is \$62,735,000.

Actuarial Methods and Assumptions

At September 30, 2018, the County's GHPLC total OPEB liability of \$351,056,000 was measured as of September 30, 2018, and was determined by an actuarial valuation as of that date. The following actuarial assumptions and other inputs were applied to all periods included in the measurement:

Inflation Rate	2.5%
Salary Increases	N/A
Discount Rate	4.18%
Healthcare Cost Trend Rate	7.62% pre 65 9.19% at least 65 9.29% MAP
Retirees' share of benefit cost, percent of premium:

The discount rate was based on the 20 Year Municipal Bond Rate at September 30, 2018, in the Bond Buyer GO 20-Bond Municipal Bond Index.

Mortality rates were based on the RP-2000 Generational Healthy Mortality Table with scale MP-2017.

The actuarial assumptions used in the September 30, 2018 valuation were based on the results of an actuarial experience study for the period October 1, 2017 through September 30, 2018.

Lee County Sheriff Health Care Plan

Plan Description

The Lee County Sheriff's Office ("LCSO") operates a separate health care plan. Lee County Sheriff Health Care Plan ("LCSHCP") offers health, dental, and vision coverage to eligible LCSO retirees and their spouses. At September 30, 2016, the date of the latest actuarial valuation, plan participation consisted of 1,527 active members and 425 retirees. The plan allows retirees the option to continue to participate in the LCSHCP life insurance policy. The life insurance is only available to the retiree, and has a face value of \$5,000.

A publicly available financial report that includes financial statements and required supplementary information is not available for this plan.

Funding Policy

The current published monthly rates for retiree Health Care coverage are \$753 for single and \$1,504 for retiree plus spouse. An \$80 discount is applied for plan members enrolled in Medicare Part B. The LCSO subsidizes a percentage of the monthly major medical and hospitalization insurance for employees hired prior to October 1, 2010 based on the number of years of service credited to the Florida Retirement System ("FRS") before retirement. Vision and dental insurance are offered to retirees, however, they are not subsidized by LCSO.

The retiree contribution rate for the life insurance policy is \$0.80 per month. The table below shows the contribution percentages for the corresponding years of service. The plan is funded on a pay-as-you-go basis.

NOTE VIII. RETIREMENT PLANS

Defined Benefit Pension Plans

Background

The Florida Retirement System (FRS) was created by Chapter 121, Florida Statutes, to provide a defined benefit pension plan for participating public employees. The FRS was amended in 1998 to add the Deferred Retirement Option Program under the defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

All regular County employees are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs. A comprehensive annual financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' Web site (www.dms.myflorida.com).

The County's pension expenses for both the FRS Pension Plan and HIS Plan for the year ended September 30, 2018 totaled \$65,525,000.

Florida Retirement System Pension Plan (FRS Plan)

Plan Description

The Florida Retirement System Pension Plan (FRS Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- *Regular Class* - Members of the FRS who do not qualify for membership in the other classes.
- *Elected County Officers Class* - Members who hold specified elective offices in local government.
- *Senior Management Service Class (SMSC)* - Members in senior management level positions.
- *Special Risk Class* - Members who are special risk employees, such as law enforcement officers, meet the criteria to qualify for this class.

Employees enrolled in the FRS Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the FRS Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the FRS Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members

classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the FRS Plan may include up to 4 years of credit for military service toward creditable service. The FRS Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

DROP, subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the FRS Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided

Benefits under the FRS Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits. The following chart shows the percentage value for each year of service credit earned:

<u>Class, Initial Enrollment, and Retirement Age / Years of Service</u>	<u>% Value</u>
Regular Class members initially enrolled before July 1, 2011	
Retirement up to age 62 or up to 30 years of service	1.60
Retirement up to age 63 or up to 31 years of service	1.63
Retirement up to age 64 or up to 32 years of service	1.65
Retirement up to age 65 or up to 33 years of service	1.68
Regular Class members initially enrolled on or after July 1, 2011	
Retirement up to age 65 or up to 33 years of service	1.60
Retirement up to age 66 or up to 34 years of service	1.63
Retirement up to age 67 or up to 35 years of service	1.65
Retirement up to age 68 or up to 36 years of service	1.68
Elected County Officers	3.00
Senior Management Service Class	2.00
Special Risk Regular	
Service from December 1, 1970, through September 30, 1974	2.00
Service on and after October 1, 1974	3.00

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. FRS Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living

adjustment after retirement. In 2017, Senate Bill 7022 made several changes to FRS. The bill provides for renewed membership in the investment plan to reemployed defined contribution plan retirees, as well as, In-Line-of Duty Death Benefits.

Contributions

The Florida Legislature establishes contribution rates for participating employers and employees. Effective July 1, 2011, all FRS Plan members (except those in DROP) are required to make 3 percent employee contributions on a pretax basis. The contribution rates attributable to the County, effective July 1, 2017, were applied to employee salaries as follows: regular employees 6.20 percent, county elected officials 43.78 percent, senior management 20.99 percent, and DROP participants 11.60 percent. The County's contributions to the FRS Plan were \$31,629,000 for the year ended September 30, 2018.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At September 30, 2018, the County reported a liability of \$329,132,000 for its proportionate share of the FRS Plan's net pension liability. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2018. The County's proportion of the net pension liability was based on the County's contributions received by FRS during the measurement period for employer payroll paid dates from July 1, 2017, through June 30, 2018, relative to the total employer contributions received from all of FRS's participating employers. At June 30, 2018, the County's proportion was 1.0927 percent, which was an increase of 0.0425 percent from its proportion measured as of June 30, 2017.

For the year ended September 30, 2018, the County recognized pension expense of \$57,692,000 for its proportionate share of FRS's pension expense.

In addition, the County reported its proportionate share of FRS's deferred outflows of resources and deferred inflows of resources from the following sources:

<u>Description</u>	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences Between Expected and Actual Economic Experience	\$ 27,883,000	\$ 1,012,000

Deferred outflows of resources related to pensions included \$8,149,000 resulting from contributions subsequent to the measurement date. This amount will be recognized as a reduction of the net pension liability in the year ended September 30, 2019. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Actuarial Assumptions

The total pension liability in the July, 1 2018 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.60 %, per year
Salary increases	3.25 %, average
Investment rate of return	7.00 %

Mortality rates were based on the Generational RP-2000 with Projection Scale BB. The actuarial assumptions used in the July 1, 2018, valuation were based on the results of an actuarial experience study for the period July 1, 2008, through June 30, 2013.

The long-term expected rate of return on pension plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. The target allocation, as outlined in the FRS Plan's investment policy, and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation	Annual Arithmetic Return	Compound Annual Geometric Return	Standard Deviation
Cash	1.0%	2.9%	2.9%	1.8%
Fixed Income	18.0%	4.4%	4.3%	4.0%
Global Equity	54.0%	7.6%	6.3%	17.0%
Real Estate (property)	11.0%	6.6%	6.0%	11.3%
Private Equity	10.0%	10.7%	7.8%	26.5%
Strategic Investments	6.0%	6.0%	5.7%	8.6%
Totals	100.0%			
Assumed Inflation - Mean			2.6%	1.9%

Discount Rate

The discount rate used to measure the total pension liability was 7.00 percent for the FRS Plan. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rate specified in statute. Based on that assumption, each of the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Retiree Health Insurance Subsidy Program (HIS Plan)

Plan Description

The Retiree Health Insurance Subsidy Program (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided

For the fiscal year ended June 30, 2018, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions

The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended June 30, 2018, the contribution rate was 1.66 percent of payroll pursuant to section 112.363, Florida Statutes. The County contributed 100 percent of its statutorily required contributions for the current and preceding 3 years. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits

may be reduced or canceled. The County's contributions to the HIS Plan were \$4,799,000 for the year ended September 30, 2018.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At September 30, 2018, the County reported a liability of \$93,146,000 for its proportionate share of the HIS Plan's net pension liability. The net pension liability was measured as of June 30, 2018, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2018. The County's proportion of the net pension liability was based on the County's contributions received during the measurement period for employer payroll paid dates from July 1, 2017, through June 30, 2018, relative to the total employer contributions received from all participating employers. At June 30, 2018, the County's proportion was 0.8800 percent, which was an increase of 0.0391 percent from its proportion measured as of June 30, 2017.

For the year ended September 30, 2018, the County recognized pension expense of \$7,833,000 for its proportionate share of HIS's pension expense. In addition, the County reported its proportionate share of HIS's deferred outflows of resources and deferred inflows of resources from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences Between Expected and Actual Economic Experience	\$ 1,426,000	\$ 158,000

Actuarial Assumptions

The total pension liability in the July 1, 2018, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Salary increases	3.25 %, avg with inflation
Investment rate of return	3.87 %

Mortality rates were based on the Generational RP-2000 with Projection Scale BB. The actuarial assumptions used in the July 1, 2018, valuation were based on the results of an actuarial experience study for the period July 1, 2008, through June 30, 2013.

Discount Rate

The discount rate used to measure the total pension liability was 3.87 percent for the HIS Plan. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

The following presents the County's proportionate share of the net pension liability for the HIS Plan, calculated using the discount rate disclosed in the preceding paragraph, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate one percentage point lower or one percentage point higher than the current discount rate:

Defined Contribution Plan

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report.

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. County employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the FRS defined benefit plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members.

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to 5 years. If the employee returns to FRS-covered employment within the 5-year period, the employee will regain control over their account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended June 30, 2018, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the County.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

The County's Investment Plan pension expense totaled \$2,913,000 for the year ended September 30, 2018.

NOTE IX. OTHER INFORMATION

Risk Management

The County is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets, errors and omissions, injuries to employees, and natural disasters. After September 30, 1989, and prior to October 1, 1987, the Board established a Self-Insured Retention (SIR) program (an internal service fund) to account for and finance its uninsured risks of loss. Under this program, the SIR provides coverage in the areas mentioned below. The County purchases commercial insurance for claims in excess of coverage provided by the

Lee County, Florida
 NOTES TO THE FINANCIAL STATEMENTS
 September 30, 2018

fund and for all other risks of loss. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years. As a result, there was no reduction in insurance coverage.

The County remains liable for open claims asserted prior to October 1, 1987, and after September 30, 1989, covered under the existing self-insurance program, limited to the established annual loss fund limits for unasserted claims for a period, generally four years after date of occurrence. Claims that are filed or settled after the end of the fiscal year of occurrence are charged to, and accumulated within, the year of occurrence. Consequently, the County's total liability within any one year is limited to the annual loss fund limits.

From October 1, 1987, to September 30, 1989, the County was a member of the Southwest Florida Intergovernmental Risk Management Association (SFIRMA), a local government liability risk pool. SFIRMA administered insurance activities similar to those provided by the Board's SIR program. SFIRMA absorbed losses up to a specific amount annually and purchased excess and other specific coverages from third-party carriers.

The County remains liable for estimated additional assessments of \$400 arising from its years of membership in SFIRMA, which has changed its name to Public Risk Management of Florida.

Additionally, the Board and the Sheriff maintain self-insurance internal service funds to administer insurance activities relating to countywide employee group health and dental programs. The County absorbs losses related to these programs up to aggregate annual loss fund limits. Excess and other specific coverages are purchased from third-party carriers. Funding for these programs is generated by charges to the operating departments based on management's annual estimates of claim loss funding and administration/operating costs.

At September 30, 2018, the County had recorded liabilities equal to the amounts reflected as reserved and unasserted claims. These amounts were calculated by the third-party self-insurance program's underwriters and actuaries, based on industry standards. These liabilities are subject to adjustments in future years, which would be recorded as claim expenses when they are estimated.

The County's and Sheriff's SIR programs and excess insurance provides coverage for all the County and Sheriff departments' exposure. Funding for the SIR is generated by charges to the operating departments based on management's annual estimates of claim loss funding and administration/operating costs. Changes in the County and Sheriff funds' claims liability for the years ended September 30, 2018 and 2017, were as follows (dollars in thousands):

	<u>Beginning of Fiscal Year Liability</u>	<u>Current Year Claims and Changes in Estimates</u>	<u>Claim Payments</u>	<u>Balance at Year-End</u>
<i>Self-Insurance Group Health and Dental:</i>				
2018	\$11,328	\$94,867	(\$95,080)	\$11,115

Landfill Closure and Postclosure Liability

The Florida Department of Environmental Protection (FDEP) requires the County to place a final cover on its landfill cells when it stops accepting waste and to perform certain maintenance and monitoring functions at the site for thirty years after closure. Although most closure and post-closure care costs will be paid only near or after the date that the landfill stops accepting waste, the County reports a small portion of these closure and postclosure care costs as an operating expense based on certain minor closure activities that have occurred as of the balance sheet date. The amount reported as landfill closure and postclosure care liability in the fund

Lee County, Florida
NOTES TO THE FINANCIAL STATEMENTS

statements, \$16,638,000, represents the cumulative portion of total estimated closure and postclosure care as of September 30, 2018, based on the use of 41 percent of the capacity of the 99 acre active disposal areas at the landfill. The total estimated cost for closure and postclosure care for the landfill at September 30, 2018, was \$39,238,000. The County will recognize the remaining estimated cost of closure and postclosure care of \$22,600,000 as the remaining estimated capacity is filled. The County will recalculate its liability annually; the liability amount is based on what it presently would cost to perform all closure and postclosure care at September 30, 2018. The Class I - MSW landfill facility configuration, as currently planned, is expected to provide approximately 19 more years of disposal capacity for Lee and Hendry Counties. Actual costs may be higher due to inflation, or changes in regulations. The County is required by FDEP to annually calculate closure and postclosure costs, and to provide proof of its capacity to fund closure costs. The County is in compliance with these requirements, and at September 30, 2018, cash and investments of \$11,218,000 are held for these purposes. These are reported as restricted assets on the balance sheet.

Commitments and Contingencies

The County is currently receiving, and has received in the past, grants that are subject to special compliance audits by the grantor agency that may result in disallowed expense amounts. These amounts constitute a contingent liability of the County. The County does not believe any contingent liabilities to be material.

The County currently prepares rebate calculations on all debt subject to arbitrage per the United States department of the Treasury Regulations, Section 1.148, and the Internal Revenue Service Code of 1986. Rebates, if any, are paid to the Internal Revenue Service every fifth year after the year of issuance and a final computation is completed when paid in full. Within the five-year period, any positive arbitrage (liability) can be offset by any negative arbitrage (non-liability). These rebates constitute a contingent liability of the County. The County does not believe any contingent liabilities to be material.

The Sheriff has agreements with a corporation for the provision of inmate medical services and food services at its corrections and detention facilities. The contracts are paid 100 percent by the Sheriff through its annual budget. The food services are based on a cost per meal per inmate basis, and the future contract commitment is estimated at approximately \$2,800,000 per year based on the results of the current year. No liability is recorded in the fund statements, as any future commitment will be budgeted and paid from the subsequent year's budget. The minimum payment requirements for inmate medical services are as follows:

	<u>Amount</u>
Year ending September 30, 2018:	\$6,813,000

For the year ended September 30, 2018, the Sheriff paid \$9,849,000 for inmate medical services and \$2,816,000 for food services at its detention facilities.

The Sheriff has an agreement with a corporation to arrange for medical staff, including doctors, to be located at a site (clinic) designated by the Sheriff to provide medical services to the employees, dependents and retirees of the Sheriff. The agreement was renewed effective in July 1, 2016 for three (3) terms that automatically renew but is cancellable with one hundred twenty (120) written notice. The agreement automatically renews unless cancelled in writing. No liability is recorded in the fund statements, as any future commitment will be budgeted and paid from the subsequent year's budget.

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded as reservations of budget, is employed as an extension of the statutory required budgetary process. Although encumbrances lapse at fiscal year-end it is the County's intention to substantially honor these encumbrances under authority provided in the subsequent year's budget. Encumbrances outstanding at September 30, 2018, are as follows:

	<u>Amount</u>
General Fund	\$12,253,000

Litigation

The County is a defendant in various civil lawsuits in both state and federal courts on a variety of issues. To the extent the outcome of such litigation has been determined to result in probably loss to the county, the loss has been recorded in the accompanying financial statements. Litigation where the County is not in a position at this time to predict the outcome of the lawsuits or the exact amount of costs and/or potential recovery is not recorded. The County plans to contest these matters unless settled. The County believes the outcome of these lawsuits will not have a material effect on the financial statements.

Dean Wish, LLC served a Bert Harris inverse complaint to Lee County in January 2017. The claim in the amount of \$14,865,300 is in connection with Lee County's denial to approve the owner's application to administratively increase density of its property. The case is currently in the discovery phase with an estimated date of trial in March 2019. The County intends to vigorously defend the claim.

NCH Palms, LLC Dean & Dean Palms, LLC, and W-30 Palms, LLC served a Bert Harris inverse complaint to Lee County in June 2018. The claim in the amount of \$4,203,000 is in connection with Lee County's denial to approve owner's application to administratively increase density of their properties. Lee County filed a motion to dismiss which is currently pending with the Court. The County intends to vigorously defend the claim.

GolfRock, LLC filed an inverse condemnation action resulting from Lee County's adoption of an ordinance amending the Lee Plan, designating future limerock mining locations. The Plaintiff claimed its withdrawn zoning application was made futile by the ordinance adoptions. Lee County approved a dispute resolution and purchase agreement to settle all claims or potential claims of damages for an amount not to exceed \$4,250,000. The purchase agreement amount includes the acquisition of approximately 252.66 acres. A liability has been recorded in the Self-insurance General Liability fund at September 30, 2018.

On August 2, 2017, Joseph Santos was involved in a motorcycle collision with a Lee County bus that resulted in his death. The county settled the wrongful death case of Joseph Santos v. Lee County on March 5, 2019, for \$300,000 inclusive of attorney's fees and costs. A liability has been recorded in the Self-Insurance General Liability fund at September 30, 2018.

Implementation of Governmental Accounting Standards

During the year ended September 30, 2018, the County implemented GASB Statement No. 89, "Accounting for Interest Cost Incurred before the End of a Construction Period". The goal of the statement is to improve financial reporting by providing users with more relevant information about capital assets and the cost of borrowing for a reporting period. The statement was applied prospectively.

* Net (expense)/revenue is the difference between the expenses and program revenues of a function or program. It indicates the degree to which a function or program is supported with its own fees and program-specific grants versus its reliance upon funding from taxes and other general revenues. Numbers in parentheses indicate that expenses were greater than program revenues and therefore general revenues were needed to finance that function or program. Numbers without parentheses mean that program revenues were more than sufficient to cover expenses.

** Impact Fees were re-categorized beginning in fiscal year 2012 to Capital Grants and Contributions.

*** Fiscal year 2013 reflects a cumulative prior period adjustment to remove bond issuance costs from the statement of net position as required by Governmental Accounting Standards Board Statement 65 and to correct amortization from a prior year.

**** Fiscal year 2014 reflects a cumulative prior period adjustment for the Clerk's Child Support Enforcement Fund, a non-major special revenue fund, for expenditures omitted in prior years.

[1] Amounts shown reflect gross electric sales revenues; pursuant to agreement the County is required to remit 10% of gross electric revenues to the Operator.

[2] Amounts shown reflect other operating revenues including franchise fee revenues retained by the County, interest income of cash balances, sale of recovered materials from operation of the C&D recycling facility, advanced disposal fees, electric maintenance revenues, contractual reimbursements, sale of ferrous and non-ferrous metals and other miscellaneous revenues. Amounts shown are exclusive of gains on sale of system assets and FMV (fair market value) adjustments.

[3] Amounts shown are exclusive of depreciation, amortization, renewal and replacement expenses, OPEB and pension liabilities and landfill closure and post-closure expenses.

[4] Amount shown reflect the Net Position of the System Reserves Fund at September 30th.

[5] Amounts shown reflect the monthly deposits to the Debt Service Fund for upcoming due (i.e. the accrued debt service).

[6] The Series 2006A debt payment represents the April 2016 interest payment only. The Series 2006A bonds were defeased in September 2016. No principal and interest payments were due on the Series 2016 bonds in FY16.

[7] No required payments were identified since: a) the Debt Service Reserve Account Requirement was met through a Debt Service Reserve Account in the amount of \$7.7M and b) the Renewal and Replacement Fund Requirement was met through the maintenance of a \$4.2 million cash deposit held within the Renewal and Replacement Fund.

[8] On September 10, 2017, Hurricane Irma hit SW Florida causing flooding, property damage, and downed trees. Debris clean up started just after the storm and continued into 2018. As of September 30, 2018, the costs to the Solid Waste System for contractual service, materials, and supplies related to the debris clean-up totaled \$36,350,000. In 2018, the County applied to FEMA for reimbursement of those costs and anticipates receiving a significant portion of those funds in 2019. The costs of the hurricane related expenses are treated as non-recurring expenses for the debt service coverage as they are outside the normal day-to-day operations and should be reimbursed by FEMA. The System Historical Operating Results and Indenture Rate Covenant Compliance table shows the coverage with and without Hurricane Irma expenses for comparison.

[9] Excludes non-recurring expenses related to Hurricane Irma. The County applied for reimbursement from FEMA in 2018 and anticipates receiving a significant portion of those funds in 2019.

4. **DESIGN.** It is further agreed by and between the Parties, that the final design plans, when mutually approved by the Parties in writing, shall be attached hereto as **Exhibit C** and shall thereafter become a part hereof for all intents and purposes, and shall specifically include a full and reasonably complete description of the physical facilities (real or personal) covered hereunder. The Parties agree that neither Party shall unreasonably withhold or delay approval of the final design plans. The County and the Club will have the right to approve the interim and final design plans for the Project, including, without limitation, the overall layout, space allocation, graphics, materials used, signage, and color scheme of the County Capital Improvements for the Premises. Such design shall be incorporated in a master design, development and construction plan (the "Project Program"), all elements of such Project Program for property owned by the County that is associated with or is part of the Project shall be subject to the written prior approval of the Club, which shall not be unreasonably withheld, delayed or conditioned.

5. **PROJECT BUDGET, FINANCE AND FUNDING.**

A. **Project Budget.** The project budget for the County Capital Improvements is set forth in **Exhibit D** (the "Project Budget"). The Project Budget sets forth the total amount of costs and expenses to be incurred for Completion of the Project. The costs and expenses set forth in the Project Budget include allocations for the design, development, construction, commissioning and delivery of the Premises for the beneficial use of the County Capital Improvements by and occupancy of the Club. The Project Budget contains all of the elements set forth in the Preliminary Plan, including, without limitation, permitting, design, engineering, construction, financing, build-out, furniture, equipment, fixtures, and all customary and traditional soft costs pertaining to a project of this nature; excluding land acquisition costs. The Project Budget may not be reduced without the written consent of both the County and the Club. The final Project Budget is subject to the written approval of the Club, which approval shall not be unreasonably withheld, delayed or conditioned. The Project Budget shall not include any costs and expenses arising from or relating to (i) the issuance of Project Bonds (defined below) by the County, including, without limitation, the costs and expenses of underwriters, investment bankers, attorneys, accountants and other professionals, underwriting discounts, and other costs of issuance of the Project Bonds, and (ii) any costs and expenses of the Club for retention of financial advisors, attorneys, accountants and other professionals, and similar costs.

B. **County Funding and Payment Obligation**

- (1) **County Payment Obligation.** The Project Budget sets forth the general descriptions and approximate cost of the County Capital Improvements that will be the responsibility of and paid by the County; except for cost overruns related directly to the County

Capital Improvements for which the Club has the Club Payment Obligation set forth in Section 5.C below, the County shall be responsible for and remit any and all cost overruns arising from, in connection with or relating to the Project upon approval of the County's Board of County Commissioners (the "**County Payment Obligation**"). The County represents and warrants the proceeds from (i) the Project Bonds issued by the County pursuant to Section 5.B.(2), and (ii) the Sinking Fund Deposits deposited pursuant to Section 5.B.(3), shall be sufficient to fund the County Payment Obligation in its entirety; provided, however, if such funds are not sufficient to timely fund the County Payment Obligation, the Club covenants to advance up to one third or \$600,000 of its future contributions to the "Capital Improvements Fund" under, and as defined in, the Amended Agreement or the Amended and Restated Lease, as applicable, to supplement the sinking fund deficiency. The County agrees that such Club advances shall be credited against future payments set forth in Exhibit F of the Amended Agreement or the Amended and Restated Lease, as applicable. All funds derived from the net proceeds of the Project Bonds and the Sinking Fund Deposits will be deposited to a sub-account dedicated to the Project of the County's "Stadium Attractions Trust Fund" (the "**Trust Fund**"). These amounts deposited to the Trust Fund shall be used solely for the benefit of the Project.

- (2) Project Bonds. On or before on or before April 1, 2013, but no later than January 1, 2014, the County will issue certain capital revenue bonds or such other financial instruments or funds that the County may reasonably select at its option to finance and fund substantially all of its County Payment Obligation related to the Project (the "**Project Bonds**"). If appropriate and prior to receiving bond proceeds the County may use other sources to fund Project costs which will be reimbursed from the bond proceeds at the appropriate time. In connection with the issuance of the Project Bonds, the County shall engage the services of an underwriter/investment banker to achieve the lowest cost of financing and maximum proceeds from the Project Bonds. The County's underwriter/investment banker shall assist the County in preparation of a detailed financing plan (the "**Project Financing Plan**") to achieve the Project Bond proceeds. The basis of the Project Financing Plan shall be the financing plan assumptions, calculations and presentation set forth on Exhibit E. The Project Bonds shall be secured by a pledge of the County's "Tourist Development Tax Revenues." The Project Financing Plan will also incorporate a reasonable assumption as to an average annual growth rate concerning the

annual amount of such "Tourist Development Tax Revenues," based on historical experience, which the County is projected to receive during the term of the Project Bonds, and will also incorporate a structured principal amortization schedule on the Project Bonds to minimize any potential revenue shortfalls. The County shall maximize State Development Funds in compliance with Section 7.C. The Project Financing Plan shall be subject to the written approval of the Club, which shall not be unreasonably withheld, delayed or conditioned.

- (3) Sinking Fund Deposits. The County shall authorize and approve in accordance with Applicable Laws a three (3) year annual sinking fund allocation for the Project in the amount of \$2.2 million to complete the funding of the County Payment Obligation, the \$2.2 million deposits for which shall be made to the Trust Fund on (i) the day following execution and delivery of this Agreement, (ii) October 1, 2014, and (iii) October 1, 2015, or as funds are required by the Project (collectively, the "**Sinking Fund Deposit(s)**", and individually each a "**Sinking Fund Deposit**"). The County's authorization for the sinking fund and the remittance of the annual Sinking Fund Deposits shall mandate the allocation and disbursement of County monies to the Trust Fund through the Sinking Fund Deposits. The funding of the Sinking Fund Deposits shall have priority over all other County debt obligations other than senior lien debt service for the County's Series 2004 and Series 2010 debt obligations.

C. Club Funding and Payment Obligation. The Project Budget sets forth a description of the County Capital Improvements that will be the responsibility of and paid by the Club as construction is performed on such improvements ("**Club Payment Obligation**"). The Club Payment Obligation arises in connection with the addition of the player academy dormitory/sleeping rooms. The approximate cost of the player academy dormitory/sleeping rooms is \$3.9 million. The County and the Club shall establish procedures by which the Club shall remit funds for the Club Payment Obligation on a requisition-approval-payment basis pursuant to which all costs associated with such Club Payment Obligation are timely made. The Club also intends to update certain concession equipment for the Premises, with an estimated approximate value of \$2.1 million, which is not included in the Project Budget.

D. Modifications. The Parties recognize that a large portion of the Project will be financed with proceeds from the Project Bonds. Accordingly, the Parties agree to make best efforts to cooperate with one another in the County's qualification of the Project Bonds for tax exempt status under federal tax laws, and to provide all reasonable documents and/or modifications hereto necessary to accomplish the issuance of the Project Bonds; provided, however, that the Club shall not be obligated to incur out-of-pocket costs and expenses in connection with such cooperation.

B. Changes of Agreements with Architect and the Construction Manager and the Design Documents. The Club shall have the right to approve any Material Change to the Architect Agreement or the Construction Manager Agreement and the Preliminary Program. C. Project Work Schedule. The Parties have prepared the Project Work Schedule setting forth the date that construction will start, and time parameters required so that Completion of the Project will occur on or before the Target Date, subject to extensions as a result of Force Majeure Event. Modifications of the Project Work Schedule which will require an extension of the Target Date to the Outside Date, or which are otherwise material, must be approved by the Club Representative, which approval will not be unreasonably withheld, delayed or conditioned. All County Capital Improvements work shall be performed by the construction manager in a good and workmanlike manner in conformity with the Project Program so that on the Completion Date the County Capital Improvements are in good working order and condition, in compliance with all Applicable Laws, suitable for occupancy, and ready for full and immediate use.

D. Labor and Employment Issues. The County shall cause the construction manager to administer any project labor agreement covering construction of the Project.

The Club and its Affiliates, officers, directors, members, employees, representatives and agents shall be named as additional insureds with respect to all such policies of insurance, with the exception of workers compensation, employer liability and professional services coverages.

7. ADDITIONAL OBLIGATIONS OF THE COUNTY. The County agrees to undertake the following obligations for the benefit of the Club and the development of the Premises:

The County further agrees to promptly take all reasonable and necessary actions as required by Applicable Laws, including, without limitation, amending relevant ordinances, to authorize, plan, implement and consummate the issuance of the Project Bonds.

B. Dedication of the Supplemental Parcel to the Premises. The County covenants that the Supplemental Parcel shall be used solely for the benefit of the Project and shall become part of the Premises.

C. State of Florida Development Funds. The stadium facility improvements grant made by the State of Florida to the County following the entering into the Agreement required by Florida Statute § 288.11621 and upon award and disbursement of said funds (the "State Development Funds") shall be used by the County solely for the funding of the Project, and shall not be used for any other purpose. By way of clarification, the State Development Funds shall not be used in any way for the improvement, development or construction of any other professional sports franchise facility located in Lee County, Florida. The County covenants that it shall make best efforts to maximize the receipt of the State Development Funds, including revision of County ordinances and other Applicable Laws which would facilitate funding of the County Payment Obligation in one (1) bond offering. The foregoing shall be incorporated to the County's Project Financing Plan.

D. Completion of County Capital Improvements. The County and the Club covenant that each will work in good faith to complete the design, construction, commissioning and delivery of the Premises to the Club for its beneficial use and occupancy. The County agrees to use all reasonable efforts to complete the Project on or before the Target Date, but no later than the Outside Date.

8. REPRESENTATIONS AND WARRANTIES OF THE COUNTY. The County hereby represents and warrants to the Club that:

A. Authorization, Validity and Enforceability. The County has all requisite power and authority to enter into this Agreement and to carry out the actions contemplated hereby. The execution, delivery, and performance by the County of this Agreement have been duly authorized and approved by all necessary County actions, all of which have been obtained and remain in effect. The County individual duly authorized to execute this Agreement on behalf of the County has so executed this Agreement. This Agreement constitutes, when executed, the valid and legally binding obligations of the County, enforceable against it in accordance with their respective terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws and subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

B. No Conflicts. The execution, delivery and performance of this Agreement will not result in a violation of, in any material respect, of any provision of any other agreements, instruments, contracts, judgments or decrees to which the County is a party, or by which the County or its assets may be bound or affected, including, without

limitation, the County's organizational documents and any written rule, regulation or policy of the County.

There is no action, suit, proceeding or investigation at law or in equity or by or before any Governmental Authority now pending or, to the actual knowledge of the County, threatened against the County seeking to restrain or prohibit, or seeking damages or other relief in connection with, the execution of this Agreement and the performance of the transactions contemplated herein or which might materially and adversely affect the use and operation of the Premises or the County Capital Improvements as contemplated in and by this Agreement or the performance of the County hereunder.

E. Site Possession And Title. The County holds good and marketable title to the Premises, and all land and land rights thereto, free and clear of all liens and encumbrances. No person other than the County has any right to possession of all or any portion of the Premises. To the best of the County's knowledge, no structure or improvement located on an adjacent parcel encroaches on the Premises. The County shall take all reasonable actions, at its sole cost and expense, to promptly eliminate any title defects. Except as expressly permitted under this Agreement, the County shall not create any lien, encumbrance, easement, license, right-of-way, covenant, condition or restriction which would encumber the Premises and materially diminish, impair or disturb the rights of the Club under this Agreement, the Amended Lease and/or the Amended and Restated Lease.

F. Environmental Matters. No activity of the County at the Premises has been or will be conducted in violation of any environmental law.

G. Notices Of Violations. To the knowledge of the County, the Premises and the use and operation thereof are in material compliance with all Applicable Laws. The County has not received any written notice from any Governmental Authority with respect to the Premises or any portion thereof or any buildings or improvements thereon that (i) relates to violations of any Applicable Laws, (ii) claims any defect or deficiency with respect to any of the Premises or any buildings or improvements thereon or (iii) requests the performance of any repairs, alterations or other work to or in any portion of the Premises or in the streets bounding the same.

A. Organization, Authority And Location. The Club is duly organized, validly existing and in good standing under the laws of Delaware. The Club has all requisite partnership power and authority to enter into this Agreement. The principal place of business and the principal assets of the Club and of each of its Affiliates are located in Hennepin County, Minnesota.

B. Authorization, Validity And Enforceability. All appropriate action on behalf of the Club necessary for the authorization, execution, delivery and performance of all obligations of the Club under this Agreement has been taken. All consents and approvals of any third person required in connection with the execution of this Agreement have been obtained. This Agreement, when executed, shall constitute the valid and legally binding obligation of the Club enforceable against it in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws and subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

C. No Conflicts. The execution, delivery and performance of this Agreement will not result in a violation of, in any material respect, any provision of any other agreements, instruments, contracts, judgments or decrees to which the Club is a party or by which the Club or its assets may be bound or affected, including, without limitation, the Club's organizational documents, nor will the execution, delivery and performance of this Agreement result in the breach of or constitute a default under any loan or credit agreement, or other agreement or instrument to which the Club is a party or by which the Club or its assets may be bound or affected.

D. No Violation Of Laws. Except as otherwise disclosed in writing by the Club to the County, the Club has received no written notice as of the date of execution of this Agreement asserting any noncompliance in any material respect by the Club with Applicable Laws; and the Club is not in default with respect to any judgment, Order, injunction or decree of any court, administrative agency, or other Governmental Authority which is in any respect material to the transactions contemplated in and by this Agreement.

E. Litigation. There are no outstanding judgments against the Club.

10. **HOLD HARMLESS AND INSURANCE.** To the extent permitted under Florida Statute §768.28 the County agrees to indemnify, defend, save and hold the Club, and its respective Affiliates (including parent, brother-sister and other entities under common control with the Club), and their respective members, partners, owners, managers, officers, employees, agents, representatives and other persons or entities acting on behalf of the Club, harmless from any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including reasonable costs of investigation, reasonable attorney's fees at trial or appellate level, and all court costs arising out of injury to or death of persons and damage to any and all property, including loss of use thereof, resulting from or in any manner arising out of, or in connection with, the design and construction of the Project, including claims brought by any person relating to compliance with federal or state disability laws or requirements. In the event such indemnification is limited by any law (including, without limitation, Florida Statute § 768.28), the Party so limited shall furnish a general liability insurance policy with a company and in an amount reasonably satisfactory to the Party to be indemnified. The County shall provide that the Club is an additional insured under all policies of insurance relating to the Project, including, without limitation, insurance required of all contractors, consultants, subcontractors and others contracting in connection with the Project.

11. **TAXES.** It is the intent and understanding of the Parties that the leasehold interest held by the Club pursuant to this Agreement shall be exempt from ad valorem taxation pursuant to Chapter 196.199, Florida Statutes for so long as such statutory exemption remains in effect.

12. **COUNTY DEFAULT/REMEDIES.** It is understood that the County has agreed to undertake certain obligations set forth in this Agreement in order to induce the Club not to elect an early termination of the Conditional Lease and further to induce the Club to enter into a new thirty (30) year lease for the Premises pursuant to the Amended and Restated Lease. It is further agreed that the Club will sustain substantial economic damages if the County would fail to fulfill one or more of the obligations set forth herein. Accordingly, the Parties agree that the Club shall be entitled to receive the following remedies in the event that one or more of the following defaults shall occur:

A. **County Defaults.** The County shall have defaulted on its obligations set forth herein (individually and collectively referred to as "**County Default**") if any of the following occurs:

- (i) The County fails to select the Architect(s), engineer(s) and construction firm(s), which are approved by the Club on or before March 6, 2013; or
- (ii) The County fails to establish and deposit sufficient monies (together with interest earnings) to pay one hundred percent (100%) of the Project Budget allocated to the County Payment Obligation for the County Capital Improvements (this amount excludes the Club Payment Obligation) in accordance with the Project Financing Plan as provided in **Section 5.B.(2)**

- (iii) The County does not complete the Project and commission the Premises for full use and enjoyment by the Club on or prior to February 1, 2016.

B. County Default Remedies. Upon the occurrence of a County Default, the following remedies shall be available to the Club:

- (i) The Club may elect, by written notice delivered to the County within sixty (60) days from the date on which a County Default shall have occurred, to terminate this Agreement, and all obligations of the Club under this Agreement, and/or terminate the Amended and Restated Lease, and all obligations of the Club under the Amended and Restated Lease, and upon such terminations the applicable agreement shall be voided and of no further effect; and

C. Completion Default. In the event the County fulfills the obligations set forth in Section 12.A above, but the Completion of the Project by the County fails to occur by either (i) the Target Date, or (ii) the Outside Date, the County shall have defaulted in its obligation to the Club ("**Completion Default**").

D. Completion Default Remedies: Target Date. Upon the occurrence of a Completion Default by failing to achieve Completion of the Project on or before the Target Date, the following remedies shall be available to the Club:

- (i) the Club shall be relieved of the obligation to make lease payments until Completion of the Project under both or either of the Amended Agreement and the Amended and Restated Lease.

E. Completion Default Remedies - Outside Date. Upon the occurrence of a Completion Default by the Outside Date, the following remedies shall be available to the Club:

- (i) The Club shall be released of its obligation to make lease payments under the Amended Agreement, and any other agreement arising in connection with the Premises, from and after the Outside Date; and
- (ii) The County shall pay the Club a sum of money to compensate the Club for the loss of revenue the Club would have received but for the Completion Default related to the Target Date ("**Lost Revenue**"). Lost Revenue shall be calculated for each calendar year (maximum of three (3) years) after the Target Date and shall be paid to the Club on or before February 1 of each calendar year in which any Completion Default has not been cured by the County. The amount of Lost Revenue to be paid to the Club shall be calculated (for each year in which the Completion Default has not been cured by February 1 thereof) by adding together the following four (4) revenue elements:

- (1) Lost Ticket Revenue: since the attendance capacity of the new Major League Stadium component of the Project would allow the Club to sell a minimum of 1,000 additional attendee tickets, the Parties agree that the amount of incremental lost ticket revenue will be calculated as follows: the average ticket priced charged per attendee for a Club Spring Training game for the Spring Training season played in the Premises (as defined in the Amended Agreement) multiplied by the number 1,000; plus
 - (2) Lost Sponsorship Revenue: the incremental amount of lost sponsorship revenue derived from the Project including, without limitation, the sale of advertising and naming rights that the Club would have received by playing in the new Major League Stadium; plus
 - (3) Suite Revenue: the amount of incremental Lost Revenue the Club would have received from the rental of suites that are included in the design plan for the new Major League Stadium; and plus
 - (4) Parking Revenue: the amount of incremental net parking revenue the Club would have received from playing in the new Major League Stadium.
- (iii) The Club shall have the right to terminate this Agreement, the Amended Agreement and/or the Amended and Restated Lease if the County has not cured the Completion Default within one (1) calendar year of the Target Date.

13. GENERAL PROVISIONS

A. Governing Law. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Florida.

B. Further Assurances. The Parties agree to execute and deliver any instruments in writing, necessary to carry out any agreement, term, condition or assurance in this Agreement, whenever the occasion shall arise and request for such instrument shall be made.

C. Remedies Cumulative. The specified remedies to which the Parties may resort under the terms of this Agreement are cumulative and not intended to be exclusive of any other remedies or means of redress to which the Parties may be lawfully entitled in case of any breach or threatened breach by either Party of any provision or provisions of this Agreement.

D. Entire Agreement and Amendment. This Agreement, in addition to the Amended Agreement and the Amended and Restated Lease, contains the entire agreement and understanding between the Parties. There are no oral understandings, terms or conditions and neither Party has relied on any representation, express or implied, not

contained in this Agreement or the simultaneous or prior writings heretofore. All prior understandings, terms or conditions are deemed to merge in this Agreement, and this Agreement cannot be changed or supplemented orally, but only by an agreement in writing and signed by the Party against whom enforcement of any waiver, change, modification or discharge is sought.

E. Severalty. If any provisions of this Agreement shall be declared invalid or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall continue in full force and effect.

F. Force Majeure. A "Force Majeure Event" is any event that (a) restricts or prevents performance by either Party under this Agreement, (b) is not within the reasonable control of the Party affected or caused by the default or negligence of the affected Party and (c) cannot be overcome or avoided by the exercise of due care. Force Majeure Events include, but not limited to, failure of a Party to perform due to drought, flood, earthquake, storm, fire, lightning, epidemic, war, terrorism, acts of other Governmental Authorities (except with respect to the grant and remittance of State Development Funds), civil disturbances, sabotage, work stoppages (i.e. strikes), accident or curtailment of supply, unavailability of construction materials or replacement equipment beyond the affected Party's control, inability to obtain and maintain Permits from any Governmental Authority for the Project (except Permits issued by the County or as to which the County has oversight or control), restraint by court Order, and changes in Applicable Laws (excluding laws or ordinances enacted by the County) that affect performance under this Agreement. Except for the obligation of each Party to make payments of amounts owed to the other Party, each Party is excused from performance and will not be considered to be in default with respect to any obligation if performance cannot occur due to a Force Majeure Event; provided, however, such performance shall be excused only for the period to include declaration of emergency and clean-up of the Force Majeure Event, and the Party assisting the Force Majeure Event shall promptly and in good faith recommence performance of its obligations hereunder. Neither Party shall be relieved of its obligations under this Agreement solely because of increased costs or other adverse economic consequences that may be incurred through the performance of such obligations. If a Party's ability to perform its obligation under this Agreement is affected by a Force Majeure Event, the Party claiming such inability shall (i) promptly notify the other Party of the Force Majeure Event and its cause and confirm the same in writing within five (5) Business Days of its discovery, (ii) promptly supply such available information about the Force Majeure Event and its cause as reasonably may be requested by the other Party and (iii) initiate reasonable efforts to remove the cause of the Force Majeure Event or to lessen its effect. The suspension of performance arising from a Force Majeure Event shall be of no greater scope and no longer duration than reasonably necessary. The excused Party shall use its reasonable efforts to remedy its inability to perform. A single Force Majeure Event in Lee County, Florida shall not excuse the failure of the County to meet the Outside Date with respect to Completion of the Project, and shall not limit or otherwise affect the rights of the Club with respect thereto.

I. Waiver. No action taken pursuant to or related to this Agreement, including, without limitation, any investigation by or on behalf of a Party, shall be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, condition or agreement in this Agreement. A Party's exercise of or failure to exercise any such right or remedy shall not prevent the concurrent or

subsequent exercise of any other right or remedy. A Party's delay or failure to exercise or enforce any rights or remedies shall not constitute a waiver of any such rights, remedies or obligations. No Party shall be deemed to have waived any default unless such waiver is expressly set forth in an instrument signed by such Party. If a Party waives in writing any default, then such waiver shall not be construed as a waiver of any covenant or condition set forth in this Agreement, except as to the specific circumstances described in such written waiver. Neither payment of a lesser amount than the sum due hereunder nor endorsement or statement on any check or letter accompanying such payment shall be deemed an accord and satisfaction, and the other Party may accept the same without prejudice to the right to recover the balance of such sum or to pursue any other remedy.

J. Headings. The headings contained in this Agreement are for convenience of reference only, and shall not limit, extend or otherwise affect the meaning hereof.

K. No Presumption Against Drafter. This Agreement has been negotiated at arm's length and between entities sophisticated and knowledgeable in the matters dealt with herein. In addition, each Party had been represented by experienced and knowledgeable legal counsel. Accordingly, this Agreement shall be interpreted to achieve the intents and purposes of the Parties, without any presumption against the Party responsible for drafting any part of this Agreement.

L. No Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to (a) confer upon any third person other than the Parties and their permitted successors and assigns any rights or remedies under or by reason of this Agreement as a third party beneficiary or otherwise except as specifically provided in this Agreement; or (b) authorize anyone not a Party to this Agreement to maintain an action pursuant to or based upon this Agreement.

M. Execution in Counterparts and Delivery of Electronic Signatures. This Agreement may be executed in any number of counterparts. All such counterparts will be deemed to be originals and will together constitute but one and the same instrument. The executed counterparts of this Agreement may be delivered by electronic means, such as email and/or facsimile, and the receiving Party may rely on the receipt of such executed counterpart as if the original had been received.

N. Relationship of Parties. It is agreed that nothing contained in this Agreement shall be deemed or construed as creating a partnership or joint venture among the Parties.

O. Major League Baseball. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which the County is granted rights is limited to, and nothing herein shall be construed as conferring on the County rights in areas outside of, the Spring Training territory of the Club as established and amended from time to time. No rights,

exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.

14. **DISPUTE RESOLUTION.** The Parties agree to attempt to settle by mediation any dispute or controversy that may arise between the Club and the County regarding operation, maintenance and the rights or duties hereunder of either Party, as hereafter provided, and the mediator will determine the controversy in accordance with the laws of the State of Florida as applied to the facts as found. Notwithstanding the foregoing, any controversy arising between the Parties with respect to a Party's exercise of termination rights, any monetary sums due and owing including, without limitation, lease payments and other monetary liabilities arising under any agreement between the Parties (including, without limitation, the Amended Agreement and the Amended and Restated Lease) shall not be mediated and each Party shall have available to it all other remedies available at law or in equity.

A. **Mediation.** In any case hereunder in which it shall become necessary to resort to mediation, such mediation by the Parties shall be conducted as provided for in this **Section 14.**

- (1) **Notice of Mediation.** The Party desiring mediation shall give written notice thereof to the other Party, specifying in such notice, the specific question or questions to be mediated.
- (2) **Selection of Mediator.** Within fifteen (15) days after service of such notice each Party shall provide the other with the names of at least three (3) persons to act as a mediator in the matter. The mediator will be selected by the Parties within fifteen (15) days following the exchange of names by mutual agreement.

E. The Tourist Development Tax shall be charged by the person receiving the consideration for the lease or rental, and it shall be collected from the lessee, tenant, or customer at the time of payment of the consideration for such lease or rental.

F. The person receiving the consideration for such rental or lease shall receive, account for, and remit the tax to the Lee County Clerk of the Circuit Court at the time and in the manner provided for persons who collect and remit taxes under Section 212.03, Florida Statutes. The same duties and privileges imposed by Chapter 212, Florida Statutes, upon dealers in tangible property, respecting the collection and remission of tax, the making of returns, the keeping of books, records and accounts, and compliance with the rules of the Florida Department of Revenue in the administration of said chapter shall apply to and be binding upon all persons who are

G. Collections received by the said Clerk less costs of administration of this Ordinance shall be paid and returned, on a monthly basis to Lee County for use by the County in accordance with the provisions of this Ordinance and shall be placed in the County tourist development trust fund in accordance with the Tourist Development Plan in Section Four hereof.

H. The effective date of the levy and imposition of the additional one percent (1%) of each dollar above the tax rate of two percent (2%) of each dollar, as previously set by Section Three hereof, shall be the first day of March, 1988. The proceeds of the additional levy shall be used for the purposes set forth in Section Four hereof.

I. The effective date of the levy and imposition of the additional two percent (2%) of each dollar above the tax rate of three percent (3%) of each dollar, as previously set out in Section Three hereof, shall be the first day of January 2006. The proceeds of the additional levy shall be used for the purposes set forth in Section Four hereof.

SECTION FIVE: TOURIST DEVELOPMENT PLAN

A. The tax revenues received pursuant to this Ordinance shall be used to fund the Lee County Tourist Development Plan, which is hereby adopted as follows:

1. The two percent (2%) Tourist Development Tax was levied throughout Lee County beginning the first day of the month following the referendum. An additional one percent (1%) was levied in March of 1988. The additional two percent (2%) will be levied in January 2006. The Tourist Development Tax for Lee

County is to strengthen our local economy and advance tourism by investing the revenue in the following priority:

- a) Fifty-three and six-tenths percent (53.6%) of the receipts of the Tourist Development Tax shall be placed into a trust fund to be used for tourist advertising and promotion for Lee County.
- b) Thirteen and four-tenths (13.4%) of the receipts of the Tourist Development Tax shall be placed into the trust fund to be used to acquire, construct, extend, enlarge, remodel, repair, improve, maintain, operate or promote one or more publicly-owned and operated convention centers, sports stadiums, sports arenas, (including funding the Sports Authority Division and the Authority's tourism related activities) coliseums, auditoriums or museums (funds will not be used for any museum general maintenance) within the boundaries of the County and for those other lawful purposes authorized by Section 125.0104(5)(a) 1., 2., 3., and (b), Florida Statutes, except as noted in Subparagraph c) below.
- c) Thirty-three percent (33%) of the receipts of the Tourist Development Tax shall be placed into the trust fund to be used for beach park facilities and beach-related improvements to include but not limited to, beach

improvements, fishing piers, maintenance, renourishment, restoration and erosion control, including shoreline protection, enhancement, clean-up or restoration of inland lakes and rivers to which there is public access as those uses relate to the physical preservation of the beach, shoreline, or inland lake or river.

B. The above and foregoing Tourist Ordinance may be enacted by an affirmative vote of a majority plus one additional member of the Board of County Commissioners.

C. The Plan and Tax shall continue until amended or repealed according to this Ordinance and Section 125.0104, Florida Statutes. Appropriations of the Tourist Development Tax shall be budgeted and approved by the Board of County Commissioners.

D. The revenues to be derived from the Tourist Development Tax may be used as authorized herein and Section 125.0104, Florida Statutes. In the event bonds are issued by the County for any of the purposes enumerated by the Tourist Development Plan, the amount of Tourist Development Tax receipts used to pay debt service on such bonds may exceed the percentages provided for the purpose for which such bonds were issued; provided, however, the maximum annual debt service on such bonds, together with any other obligations of the County which were issued to finance improvements for the same purpose and which are secured by the Tourist Development Tax, must not exceed the stated percentage of Tourist Development Tax receipts provided in the Tourist Development Plan for such purpose, as calculated as of

the date of sale of such bonds. For purposes of performing the calculations described in this paragraph, the amount of Tourist Development Tax receipts shall be assumed to be the amount provided as such in the County's immediately preceding annual audit, plus, if the levy of such tax was increased subsequent to the beginning of the period which was audited, an amount equal to the estimate by the County Manager of the monies the County would have received if the tax increase had been in effect during the entire audit period.

SECTION SIX: THE LEE COUNTY TOURIST DEVELOPMENT COUNCIL

A. There is hereby established, pursuant to the provisions of Section 125.0104, Florida Statutes, an advisory council to be known as the "Lee County Tourist Development Council". The Council shall be composed of nine (9) members who shall be appointed by the Board of County Commissioners. The Chairman of the Board of County Commissioners or any member of the Board as designated by the Chairman shall serve on the Council. Two members of the Council shall be elected municipal officials, at least one of whom shall be from the most populous municipality in the County or sub-County special taxing district in which the tax is levied. Six members of the Council shall be persons who are involved in the tourist industry and who have demonstrated an interest in tourist development, of which members, not less than three or more than four shall be owners or operators of motels, hotels or tourist accommodations in Lee County. All members of the Council shall be electors of the County. The governing Board of the County shall have the option of designating the Chairman of the Council or allowing the Council to elect a Chairman. The Chairman

shall be appointed or elected annually and may be re-elected or reappointed. The members of the Council shall serve for staggered terms of four (4) years.

B. The Council hereby established shall, from time to time, make recommendations to the Board of County Commissioners for the effective operation of the special projects or uses of the Tourist Development Tax revenue raised by the tax hereby levied and may perform such other duties or functions as hereinafter may be prescribed by Ordinance or Resolution.

C. The Council shall continuously review all expenditures of revenue raised by the tax hereby levied, receive at least quarterly expenditure reports from the Board of County Commissioners all expenditures of said revenue believed to be unauthorized. The Board of County Commissioners shall review the Council's findings and take such administrative or judicial action as it sees fit to insure compliance with this Ordinance and the provisions of Section 125.0104, Florida Statutes.

D. The members of the Council may be appointed or reappointed as authorized by Section 125.0104, Florida Statutes, by duly adopted Resolution of the Board of County Commissioners. Until the Board of County Commissioners elects to adopt such Resolution, the existing membership shall stand as constituted by Lee County Ordinance No. 82-33, as further amended. The changes in the composition of the membership of the Tourist Development Council, as mandated by Chapter 86-4 and Chapter 96-397, Laws of Florida, shall not cause the interruption of the current term of any person who was a member of the Council on October 1, 1996.

SECTION SEVEN: LOCAL ADMINISTRATION OF THE TAX

A. Notwithstanding any provisions hereof to the contrary, it is the intent of the County to be exempt from those requirements of Section 125.0104, Florida Statutes, that the tax collected be remitted to the Department of Revenue before being returned to the County. It is the intent of the County to provide for the collection and administration of the tax on a local basis.

B. Collection of the tax shall continue to be made in the same manner as the tax imposed under Part I of Chapter 212, and as the applicable statute may be subsequently amended from time to time. Lee County, in assuming such responsibility, agrees it shall be bound by all rules promulgated by the Department of Revenue pursuant to Section 125.0104, as well as those rules pertaining to the sales and use tax on transient rentals imposed by Section 212.03. The County may use any power granted in this Section 125.0104, Florida Statutes, to the department to determine the amount of tax, penalties, and interest to be paid by each dealer and to enforce payment of such tax, penalties, and interest.

The person receiving the consideration for such rental or lease shall receive, account for, and remit the tax to the Lee County Clerk of Court. The Clerk of Court, Finance Department, or their successor department or division, shall keep appropriate records of said funds. The same duties and privileges imposed by Chapter 212, Florida Statutes, and as the applicable statute may be subsequently amended from time to time, upon dealers in tangible property,

The service fee shall be in addition to all other penalties imposed by law. Proceeds from this fee, if imposed, shall be retained by the Lee County Clerk of Court.

F. The Lee County Clerk of Court, Internal Audit Department, or their successor department or division, shall perform the enforcement and audit functions associated with the collection and remission of this tax, including, without limitation, the following:

1. For the purpose of enforcing the collection of the tax levied by this Chapter, the Internal Audit Department of the Clerk of Courts is hereby specifically authorized and empowered to examine at all reasonable hours the books, records, and other documents of all

dealers, or other persons charged with the duty to report or pay a tax under this Ordinance, in order to determine whether they are collecting the tax or otherwise complying with this Ordinance. In the event said dealer refuses to permit such examination of its books, records, or other documents by the department as aforesaid, it is guilty of a misdemeanor of the second degree, punishable as provided in Section 775.082 or Section 775.083, Florida Statutes. The Clerk shall have the right to proceed in Circuit Court to seek a mandatory injunction or other appropriate remedy to enforce its right against the offender, as granted by this section, to require an examination of the books and records of such dealer.

3. The Internal Audit Department of the Clerk of Courts shall send written notification, at least thirty (30) days prior to the date an auditor is scheduled to begin an audit, informing the dealer of the audit. The Internal Audit Department of the Clerk of Courts is not required to give thirty (30) days prior notification of a forthcoming audit in any instance in which the dealer requests an emergency audit:

 - c) Any other requests or suggestions the Internal Audit Department may deem necessary.
5. Only records, receipts, invoices and related documentation which are available to the auditor when such auditor begins shall be deemed acceptable for the purposes of conducting such audit.

G. All taxes collected under this Ordinance shall be remitted to the Finance Department of the Clerk of Court. In addition to criminal sanctions, the Clerk is empowered, and it shall be its duty, when any tax becomes delinquent or is otherwise in jeopardy under this Ordinance, to issue a warrant for the full amount of the tax due or estimated to be due, with the interest, penalties, and cost of collection, directed to all and singular the sheriffs of the state, and shall record the warrant in the public records of the County, and thereupon the amount of the warrant shall become a lien of any real or personal property of the taxpayer in the same manner as a recorded judgment. The Sheriff shall thereupon proceed in the same manner as prescribed by law for executions and shall be entitled to the same fees for his services in executing the warrant to be collected. The Clerk may also have a writ of garnishment to subject any indebtedness due to the delinquent dealer by a third person in any goods, money, chattels, or effects of the delinquent dealer in the hands, possession, or control of the third person in the manner provided by law for the payment of the tax due. Upon payment of the execution, warrant, judgment, or garnishment, the department shall satisfy the lien of record within thirty (30) days.

H. Tax revenues may be used only in accordance with the provision of Section 125.0104, Florida Statutes.

I. A total of three percent (3%) of said tax collected each month herein shall be retained by the Clerk of the Circuit Court for costs of administration by the Clerk of Courts. The remainder of the tax collected shall be distributed to the County on a

monthly basis.

J. The County assumes responsibility for auditing the records and accounts of dealers and assessing, collecting, and enforcing payment of delinquent Tourist Development Taxes. The County adopts any and all powers and authority granted to the State of Florida in Section 125.0104, Florida Statutes, and Chapter 212, Florida Statutes, and as further amended or incorporated therein to determine the amount of the tax, penalties and interest to be paid by each dealer and to enforce payment of such tax, penalties, and interest by, but not limited to, distress warrants, writ of garnishments and criminal penalties as provided in Chapter 212, Florida Statutes.

K. An action may not be brought to contest an assessment of any tax, interest or penalty assessed under this Ordinance more than sixty (60) days after the date the assessment becomes final. An action may not be brought to contest a denial of refund of any tax, interest or penalty paid under this Ordinance more than sixty (60) days after the date the denial becomes final.

SECTION FIVE: TOURIST DEVELOPMENT PLAN

D. The revenues to be derived from the Tourist Development Tax may be used as authorized herein and Section 125.0104, Florida Statutes. In the event bonds are issued by the County for any of the purposes enumerated by the Tourist Development Plan, the amount of Tourist Development Tax receipts used to pay debt service on such bonds may exceed the percentages provided for the purpose for which such bonds were issued; provided, however, the annual debt service on such bonds (less any projected federal direct subsidy payments), together with any other obligations of the County which were issued to finance improvements for the same purpose and which are secured by the Tourist Development Tax, must not exceed in each fiscal year in which bonds and other obligations are outstanding, the amount of Tourist Development Tax receipts provided in the Tourist Development Plan for such purpose which are projected by the County to be received in each such fiscal year and, in the case of a facility described in Section Five.A.1.b) hereof, the revenues projected to be received by the County from the use of such facility in each such fiscal year. For purposes of performing the calculations described in this paragraph, the

amount of Tourist Development Tax receipts shall take into account any projected increase or decrease in such receipts, plus, if the levy of such tax was increased prior to the date of sale of the bonds, an amount equal to the monies the County would have received if the tax increase had been in effect during the entire period in question. The above projections shall be certified by the County Manager at the time of sale of the bonds and shall be conclusive evidence of satisfaction of the provisions of this Section Five D.

In the opinion of Locke Lord LLP, Bond Counsel, based on an analysis of existing law and assuming among other matters, compliance with certain covenants, interest on the Series 2015D Bonds is excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986. Interest on the Series 2015D Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Interest on the Series 2015C Bonds is included in the gross income of the owners of the Series 2015C Bonds for federal income tax purposes. Bond Counsel is also of the opinion that the Bonds and the interest thereon are exempt from taxation under the existing laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined therein. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. See "TAX MATTERS" herein.

Due: December 1, as shown on the inside cover

The Palm Beach County, Florida Public Improvement Revenue Bonds (Professional Sports Franchise Facility Project), Taxable Series 2015C and Tax-Exempt Series 2015D (together, the "Bonds") are being issued as fully registered bonds and will be initially issued to and registered only in the name of Ceds & Co., as nominee for The Depository Trust Company ("DTC"), New York, New York, the securities depository for the Bonds. The Bonds will be available to purchasers in principal denominations of \$5,000 and integral multiples thereof under the book-entry system maintained by DTC through brokers and dealers who are, or act through, DTC Participants (as described herein). Purchasers will not receive physical delivery of the Bonds. Beneficial Owners (as described herein) of Bonds must maintain an account with a broker or dealer who is, or acts through, a DTC Participant in order to receive payment of the principal of and interest on such Bonds. See "BOOK-ENTRY ONLY SYSTEM" herein. The Bank of New York Mellon Trust Company, N.A., will serve as the initial Paying Agent and Registrar for the Bonds.

Interest on the Bonds is payable commencing on June 1, 2016 and on each June 1 and December 1 thereafter until maturity. The Bonds are subject to redemption prior to maturity as described herein.

The Bonds are being issued by Palm Beach County, Florida (the "County") for the purpose of providing funds, together with other legally available moneys of the County, to (i) finance the cost of the construction and equipping of a professional sports franchise facility and pay certain costs related and incidental thereto, as more particularly described herein, and (ii) pay costs of issuance of the Bonds. See "THE PROJECT" herein.

The principal of and interest on the Bonds are payable from and secured by a pledge of and a lien on the Pledged Revenues, consisting primarily of Non-Ad Valorem Revenues budgeted and appropriated by the County on an annual basis and deposited into the Debt Service Fund established pursuant to the Resolution (as such capitalized terms are defined herein).

The Bonds are special obligations of the County and are payable solely in the manner and to the extent set forth in the Resolution. The Bonds are not general obligations of the County within the meaning of the Constitution of the State of Florida, but are payable solely from and secured solely by a lien upon and a pledge of the Pledged Revenues in the manner and to the extent provided in the Resolution. No Bondholder will ever have the right to compel the exercise of the ad valorem taxing power of the County or taxation in any form on any real or personal property to pay the Bonds or the interest thereon, nor will any Bondholder be entitled to payment of principal of or interest on the Bonds from any other funds of the County other than as provided in the Resolution.

This cover page contains information for quick reference only. It is not a summary of the issue. Investors must read this entire official statement to obtain information essential to the making of an informed investment decision.

The Bonds are offered when, as and if issued by the County, subject to approval of certain legal matters by Locke Lord LLP, Bond Counsel. Squire Patton Boggs (US) LLP is disclosure counsel to the County with respect to the Bonds. The County is represented by the Office of the County Attorney. Public Financial Management, Inc. and Spectrum Municipal Services, Inc. are Co-Financial Advisors to the County with respect to the Bonds. Mark E. Raymond is serving as counsel to the Underwriters. 4.2.5 Personal Property installed as a Capital Improvement pursuant to Article 9 of this Agreement, or otherwise attached or affixed to the Facility, shall become a Capital Improvement and the property of the County upon installation.

4.2.6 Personal Property that is neither purchased with County funding nor replacing County-funded Personal Property, and that is not affixed to the Facility, will remain the Personal Property of the LLC or the Team that purchases such Personal Property.

ARTICLE 5
USE, OCCUPANCY AND OPERATION

5.1 Grant of Use and Occupancy.

5.1.1 The County hereby grants to the LLC the exclusive right to use, occupy and operate, and permit all third-parties to use and to occupy, the Facility for all lawful purposes, provided, however, that the primary purpose is a professional sports franchise and public facility, and to retain all revenues derived from the operation of the Facility for the entirety of the Term, subject to the provisions of this Agreement. Further, the County shall not further restrict the LLC's use or rental of the Facility in any manner that is not otherwise prohibited in Palm Beach County generally, as of the date hereof.

5.1.2 The LLC shall cause the Teams to play and the Teams agree to play all of their respective Major League Spring Training Home Games in the Facility during the Spring Training Season of each year during the Term, except (a) to the extent that a Force Majeure Event renders the Facility temporarily unusable or unsuitable to conduct Major League Spring Training Home Games, subject to the requirements of Article 17 herein, or (b) to the extent the MLB requires the Teams play Major League Spring Training Home Games elsewhere. If MLB requires either one or both of the Teams to play an entire Full Spring Training Season elsewhere, the Term of the Agreement shall be extended by one year. If MLB requires one or both of the Teams to play elsewhere for longer than an entire Full Spring Training Season and such requirement is not the result of Sections 17, 24, 28, or 29 permitting the Teams to do so hereunder, the Team(s) shall be deemed to have Relocated and subject to the provisions of Sections 22.3.2 through 22.3.4 as applicable.

5.1.3 The rights to use the Facility shall be in accordance with the following order of priority: 1) the LLC and the Teams on an exclusive basis for Spring Training Season unless otherwise authorized pursuant to Section 5.3 herein; 2) the LLC and the Teams for a Team Event; 3) the County for a County Event; and 4) third parties for Third-Party Events. Once an event is approved and scheduled by the LLC, that event cannot be cancelled as a result of a subsequently requested Team, County or Third Party Event, without the express written approval of the entity that is currently scheduled, which permission may be granted or denied in the sole and absolute discretion of that entity.

5.1.4 The LLC shall be solely responsible for managing and scheduling all Major League Spring Training Home Games, Team Events, County Events and Third-Party Events pursuant to the requirements of this Agreement. County Events and Third Party Events may be scheduled in advance subject to the availability of the Facility and the execution of a written license agreement for the use of the Facility by the County or a Third Party as described in Articles 5.3 and 5.4 herein, respectively.

5.1.5 Notwithstanding anything provided herein, throughout the Term, the LLC will have year-round, 24-hour access to the Exclusive Use Areas (including during County Events and Third-Party Events), and the County shall not authorize or grant any other Person (including any other Major League Club) the right or license to use, occupy or conduct business

from the Exclusive Use Areas, except, however, that County shall be entitled to use and permit others to use the Exclusive Use Areas as set forth in Section 5.3.7.

5.1.6 Throughout the Term, the LLC shall be granted, for the LLC and their invitees, access to and egress from the Facility, and the right to enter the Facility to the extent reasonably necessary for the LLC to exercise its rights and perform its obligations under this Agreement.

5.1.7 The County covenants and warrants that so long as no default exists under this Agreement after the expiration of any applicable notice and cure periods, the LLC, shall lawfully and quietly hold, occupy and enjoy the Facility during the Term hereof, without molestation or hindrance by County or any party claiming through or under County, expressly subject to the terms, limitations and conditions contained in this Agreement.

5.2 Security Requirements for the Facility.

5.2.1 The LLC shall provide adequate supervision and security and shall strictly enforce all rules, regulations, and safety procedures that are required by law or regulation and usual and customary for spring training facilities, or established by the LLC and that are required in general for the safe and orderly use of the Facility. At all times the Facility shall be under the control, supervision and security of the LLC.

5.2.2 The LLC shall be responsible for determining and implementing the appropriate staffing, security and service levels required to manage each and every activity at the Facility, including, but not limited to, the level of security support, police support, on-Site medical support, traffic control, and parking management support necessary, taking into consideration the anticipated crowds, whether alcoholic beverages will be available, and other criteria to assess the staffing and support requirements for each event and activity.

5.2.3 It shall be the responsibility of the LLC to assure that the use of the Facility is conducted in such a manner so as not to interfere with the use of City Park or the use of adjacent properties beyond the boundaries of the Site.

5.2.4 The LLC shall take reasonable precautions to prevent nuisances originating from the Facility. The parties acknowledge that the use contemplated by this Agreement (during daytime and/or at night) includes lighting, crowd noise, music and other activities associated with baseball or the reasonable use of a baseball stadium. Notwithstanding same, the LLC has the sole responsibility for, and shall respond to and defend any third party claims, actions, etc. concerning nuisances originating from the Facility.

5.3 County Rights of Use.

5.3.1 County shall have the right to schedule and use the Facility, including the Buffer Area, at times during the calendar year other than the Spring Training Season, subject to the provisions of Article 5. County shall not have the right to schedule and use the Facility for County Events during the Spring Training Season, but may request the LLC authorize County's

use of the Facility during the Spring Training Season, which use may be granted or denied in the LLC's sole and absolute discretion. County's right to use the Facility is subject to the terms and conditions of the license agreement described in Section 5.3.5 and availability of the Facility as set forth in Section 5.3.4.

5.3.2 Except as: i) described in Section 5.3.7; or ii) otherwise agreed in writing by the LLC in its sole and absolute discretion, the County's right to use the Facility shall not extend to the Exclusive Use Areas.

5.3.3 In order to maximize the use of the Facility during times other than the Spring Training Season and for early coordination of the next year's calendar, the LLC and the County shall meet annually during the month of September. Notwithstanding the annual meeting discussed herein, each and every time that the County plans to make a formal bid/proposal for a sporting event that is to be held twelve (12) months or more after the date of the bid/proposal, the County shall first work collaboratively with the LLC prior to making the bid/proposal to develop a tentative plan for use of the Facility taking into consideration scheduled Team Events. If the tentative plan for the use of the Facility is acceptable to the LLC, the County may make the formal bid/proposal and the LLC shall reserve such dates for the County until such time that County notifies the LLC that the bid/proposal was accepted or rejected. The County shall notify the LLC of the acceptance or rejection of the bid/proposal within five (5) Business Days of receiving notice of acceptance or rejection.

5.3.3.1 The Director of FD&O shall attend the first ten (10) annual meetings in order for the LLC and the County to jointly review event scheduling processes, procedures and priorities as established in Sections 5.3 and 5.4 hereto, and to identify and define improvements, changes and updates to those processes, procedures and priorities. The Director of FD&O and the LLC shall have the ability to adopt mutually agreed upon amendments, changes and/or updates to the event scheduling processes, procedures and priorities established in Sections 5.3 and 5.4 herein by written agreement executed by the LLC and the Director of FD&O.

5.3.4 The County may request the scheduling of an event at any time with a minimum of ninety (90) days notice for any County Event that requires the LLC to restore the Buffer Area subject to the provisions of Section 5.5.3, and sixty (60) days notice for all other requests. The LLC will review the request in accordance to the provisions of this Article 5. Within thirty (30) days thereafter, the LLC will notify the County of approval, or rejection of all or a part of the schedule based on "pre-existing scheduled" or "generally known but not yet specifically scheduled" Team Events, or based on scheduled Third Party Events. In the event County's schedule is rejected in whole or in part, the County may submit a revised schedule, or upon the request of the County, the LLC shall coordinate a meeting date and time to review and revise the proposed schedule with the County. The County shall provide reasonable advance notice to the LLC of the cancellation of any County Event on the schedule. The LLC has the sole and absolute right to deny requests for County Events during the Spring Training Season. Events requested outside of Spring Training Season will be evaluated and responded to as set forth in this Section 5.3.4.

5.3.5 The LLC shall develop a standard form County Event license agreement for County Events which includes a standard fee structure for County Events. The form of the event license agreement shall be agreed upon by the parties prior to Substantial Completion of the Facility. The event license agreement shall include standard provisions consistent with the provisions of Sections 5.3.5.1 through 5.3.5.8 herein.

5.3.5.1 License Fee. The County shall not be charged any license fee or use fee for County Events.

5.3.5.2 LLC Management Fees. On or before January 1 prior to the first Spring Training Season and then updated annually thereafter, the LLC shall develop a standard fee structure for LLC Management Fees. The County shall, unless otherwise agreed, be responsible for paying all LLC Management Fees.

5.3.5.3 Liability. To the extent permitted by law, County shall be responsible for personal injury, loss of life, and/or damage to property caused by County's use of the Facility for a County Event, but not including personal injury, loss of life and/or damage to property resulting from; (1) known hazardous or unsafe conditions, or hazardous or unsafe conditions that reasonably should have been known in the exercise of reasonable prudence, and existing at the Facility prior to County's use of the Facility, even if the actual injury, loss of life or damage to property occurred during County's use, or (2) the actions or inactions of the LLC Parties, including but not limited to, actions or inactions related to the maintenance of the Facility. Additionally, the parties acknowledge and it is expressly understood that the foregoing shall not constitute; (i) an agreement by the County to indemnify the LLC, (ii) a waiver of sovereign immunity, (iii) a waiver of any right or defense that County has under Section 768.28, Florida Statutes, or any other statute, nor (iv) consent to be sued by third parties.

5.3.5.4 County Events Staged by Others. In the event any non-governmental entity is involved in staging a County Event, the County will cause such entity to procure commercial liability insurance coverage for such County Event to be provided by insurance companies acceptable to the LLC, with minimum policy limits of One Million Dollars (\$1,000,000.00) per occurrence or such other policy limits as are reasonably requested by the LLC based on the nature of any such County Event, naming the LLC, and its designees, as additional named insureds, and the County will cause proof of such insurance to be provided to the LLC upon demand.

5.3.5.5 Payment. Within thirty (30) days of receipt of an invoice and supporting documentation, County shall remit payment to the LLC for any damage occurring during County Events, whether or not such damage is caused by the County, its designee, its invitees, or someone other than the LLC, unless precluded by Section 5.3.5.3(1) or (2). The LLC is required to provide County with notice of such damage within seventy-two (72) hours after the conclusion of the County Event and allow County to inspect and document said damage upon request.

5.3.5.6 Admission Fees. If the County determines that an admission charge or other fee is to be charged, the LLC will collect such admission or fee and apply it to

amounts due from the County to the LLC for LLC Management Fees. If gross revenues from admissions or fees from any County Event do not exceed (net of taxes) the amount due to the LLC, the County shall remit to the LLC the additional funds due for such County Event within thirty (30) days following the County's receipt of a written invoice and supporting documentation substantiating the amount due. In the event that such gross revenues from admissions or fees from any County Event exceed (net of taxes) the amount due to the LLC, the LLC shall remit to the County the difference between such gross revenues and the amount due to the LLC and documentation substantiating the amount remitted, within thirty (30) days following the County Event.

5.3.5.7 Use Restrictions. In no event shall the County be permitted to use the Facility in a manner that (a) causes, or may be reasonably expected to cause, any material damage to any playing surface or any part of the Facility; (b) interferes with use of the Exclusive Use Areas; or (c) involves a promotional sponsorship which requires the on-Site sale of a product with which the LLC has an exclusive sale or concession agreement consistent with the requirements of Section 11.1 hereof. Other than as set forth in this Agreement, County shall not grant any professional baseball team the right to use or play at the Facility.

5.3.5.8 Use of Team Personal Property. The County shall not use either Team's Personal Property or equipment in connection with County's use of the Facility for County Events, or otherwise, without the express written consent of such Team. The County shall reimburse the LLC for any Personal Property or Equipment owned by the Teams or any of their affiliates, concessionaires, licensees or employees, that is damaged during a County Event or by a third party to the extent such third party use was specifically authorized or permitted by the County, within thirty (30) days of receipt of substantiating documentation.

5.3.6 Use for Post Disaster Recovery Efforts. In the event of a declared federal, state, or local emergency as allowed by law (a "Declared Emergency") County shall have the right to use the Facility, but not including the Exclusive Use Areas, for County determined post disaster recovery purposes.

5.3.6.1 The LLC will not enter into any agreements, event permits or other contracts specifically obligating the Facility for use during or after a period of Declared Emergency, without the County's prior written approval which may be granted or denied in the County's sole and absolute discretion.

5.3.6.2 LLC and the County shall, at the time of any Declared Emergency use, enter into a County Event license agreement which shall contain the same liability provision as set forth in Section 5.3.5.3 herein and which includes the following language: "County shall be responsible for the costs of any damage to the Facility caused by its use".

5.3.7 Shelter Use During Declared Emergency. In the event of an emergency requiring the use of emergency shelters for the homeless pursuant to Florida Statutes §288.1166, the County shall have the right to designate and use all, or portions of the Facility, including the Exclusive Use Areas as determined by County in its sole and absolute discretion, as a shelter for

the homeless pursuant to Florida Statutes §288.1166. County shall execute a license agreement for said emergency use with the specific provisions contained in Section 5.3.5.3 and 5.3.6.2. The County's right to use the Facility for an emergency shelter pursuant to Florida Statutes §288.1166 shall not apply to the extent:

A. The Facility is otherwise contractually obligated for a previously scheduled specific Team Event that is to be held despite the declaration of emergency; or

B. The County determines that its existing homeless assistance centers are sufficient to provide emergency shelter for the homeless during the period of a declared federal, state or local emergency.

5.3.8 County Responsibility For Security During Emergency Use. During County's emergency use of the Facility as described in Sections 5.3.6 and 5.3.7 herein, the County shall be solely responsible for performing and funding the security requirements for the County's use, consistent with the requirements of the LLC described in Section 5.2 herein, as to the licensed portions of the Facility.

5.4 Third-Party Events.

5.4.1 Applications and requests for Third-Party Events shall be accepted any time within a one (1) year period of the date of the proposed Third-Party Event, provided they do not interfere with Team Events or approved and scheduled County Events. Third-Party Events cannot be scheduled more than one year in advance without County's express written approval which may be granted or denied by County only if there is a conflict with an anticipated, but yet to be scheduled, County Event. Once a Third Party Event is scheduled, it can only be rescheduled or cancelled with the consent of the Third-Party Event applicant.

5.4.2 The LLC shall use the form of the County Event license agreement described in Section 5.3.5 for Third Party Events except: 1) the LLC shall be entitled to charge a license fee for the use of the Facility; 2) the LLC shall be entitled to charge for admission, participation and related fees and charges in connection with the operation of any Third Party Events at the Facility; and 3) if the Third Party Event is not sponsored by a governmental entity, the LLC shall require the Third Party provide insurance and indemnification provisions as set forth in Sections 5.4.2.1 and 5.4.2.2 below.

5.4.2.1 The LLC shall require commercial liability insurance coverage for such Third Party Event to be provided by insurance companies acceptable to the County, with minimum policy limits of One Million Dollars (\$1,000,000.00) per occurrence or such other policy limits as are reasonably requested by the County based on the nature of any such Third Party Event. The County shall be a named additional insured, and the LLC will cause proof of such insurance to be provided to the County upon demand.

5.4.2.2 For each Third Party Event, the Third Party Event operator shall protect, defend, reimburse, indemnify and hold the LLC and County, and their respective agents, designees, employees, and elected officials free and harmless at all times from and against all

claims, liability, expenses, losses, costs, fines, damages or causes of action of every kind and character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, arising during, as a result of, or in connection with the operator's use of the Facility. The Third Party operator assumes the risk associated with the use of the Facility and agrees to hold the LLC and County, and their respective agents, designees, employees, and elected officials free and harmless at all times from and against all claims, liability, expenses, losses, costs, fines, damages or causes of action of every kind and character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, due to their acts, errors or omissions resulting in bodily injury, including death, or damage to third party operator's property incident to or in connection with the third party operator's use of the Facility.

5.5 Buffer Area.

5.5.1 The County and the City intend that the Buffer Area be used only for parking when the remainder of the parking areas (pervious and non-pervious) are insufficient to meet the predicted parking demand. As such, the Interlocal Agreement limits the use of the Buffer Area for parking to forty (40) days per year (the "Buffer Area Year") unless extended by mutual agreement of the City and the County. The Buffer Area Year will commence on January 7 annually and continue through to January 6 of the following year. The LLC has sole responsibility for allocating the use of the Buffer Area during the Buffer Area Year, but agrees to allocate the use of the Buffer Area according to the following allocation priorities.

5.5.1.1 First priority shall be for Major League Spring Training Home Games. On any day during Spring Training Season that does not have a scheduled Major League Spring Training Home Game, the LLC shall manage the parking in such a way that the Buffer Area will only be opened for parking use if all other parking areas are predicted to be full.

5.5.1.2 The remainder of the forty (40) days shall be allocated on a first reserved-first use basis to any Team Event, County Event or Third Party Event that provides written justification of why the remainder of the Parking Areas are insufficient to meet its expected parking demand, as well as any other information to support the request (such as anticipated economic or community impact of the event).

5.5.1.3 At such time that the forty (40) days is exhausted or is expected to be exhausted during the duration of an event, the LLC may approve the license agreement contingent upon obtaining approval from the City for the additional days of use of the Buffer Area. Using the justification provided by the event applicant, the LLC and/or the applicant shall seek that approval from the City on behalf of the event applicant with the County's approval hereunder.

5.5.2 The LLC shall be responsible for restoring the Buffer Area to its pre-Spring Training Season condition whereby the wear and tear and damage caused by its use as a parking area is no longer visible, and the Buffer Area is vegetated to a non-playable pasture condition. The Buffer Area shall be restored to such non-playable pasture condition no later than April 15th, annually, or at the conclusion of the Spring Training Season, whichever is later.

5.5.3 The LLC shall be responsible for preparing the Buffer Areas for regulation league play no later than 30 days prior to any applicable scheduled County Event, but no earlier than April 30th annually.

5.5.4 Notwithstanding the above, the County shall be responsible for reimbursing the LLC for any damage to the Buffer Area following a County Event in accordance to Section 5.3 above.

6.4 **Reserved.**

6.5 Miscellaneous.

6.5.1 Liability for Financing. Nothing herein shall be construed to make the LLC or the Teams liable to the County for the payment of any County Bonds or financing, and the LLC's rights and obligations hereunder shall be independent of the County's obligations under such County Bonds or financing. The LLC agrees to cooperate with the issuance of any County Bonds, including without any limitation, providing any disclosure of the LLC's public information reasonably required for purposes of the offering documents for such County Bonds.

6.5.2 Payment Adjustments.

6.5.2.1 If, at the time of issuance of County Bonds, the LLC makes the Interest Election to increase the Team Improvement Areas Fee payments, such adjustments shall be payable over twenty-eight (28) years using the same proportionate payment distribution allocation as set forth in this Article 6.

6.5.2.2 Pre-Construction Cost Savings allocable to the LLC pursuant to Section 8.4.3 of the Developer Agreement shall be applied to reduce the Team Improvement Areas Fee payments, such adjustments shall be payable over twenty-eight (28) years using the same proportionate payment distribution allocation as set forth in this Article 6.

In the event the LLC fails to make timely payment of any fee, due and payable in accordance with the terms of this Agreement within ten (10) days after same shall become due and payable, interest at the rate of one percent (1%) per month (or the highest rate permitted by law, if lower) shall accrue against the delinquent payment(s) from the date due until the date payment is received by the County. County shall receive the payments payable hereunder free and clear of any and all impositions, liens, charges, and expense of any nature whatsoever relating to operation of the Premises, including without limitation those relating to taxes, if any, insurance, Repair and Maintenance, use, care or operation, except as specifically provided in this Agreement.

6.5.4 The LLC shall pay all sales, use and/or other taxes assessed by any governmental authority against the payments made pursuant to this Article 6, if any, even if such tax is intended to be imposed against County. The LLC shall pay before delinquency all non-ad valorem taxes and assessments, whether general or special and all tangible or intangible personal property taxes and assessments of any kind or nature which may be levied by any governmental authority against the Facility, or LLC's interest in the Facility or LLC's equipment and personal property located at the Facility.

6.5.5 The LLC shall be responsible for, and shall timely pay, all on-Site and off-Site municipal and utility service costs due in order to operate and maintain the Facility

including, but not limited to, water, sewer, garbage and trash collection and such other costs and impositions as may be assessed or levied by a municipal taxing authority or utility service provider against the Facility or Site.

6.5.6 In the event the LLC pays any amount that is less than the amount stipulated to be paid under this Agreement, such payment shall be considered to be made only on account of the stipulated amount. No endorsement or statement on any check or letter shall be deemed an accord and satisfaction. The County may accept any check or payment without prejudice to County's right to recover the balance due or to pursue any other remedy available to County pursuant to this Agreement or under the law.

6.6 **Tax Indemnification.** The LLC shall indemnify and hold County harmless from and against the payment of any and all sales tax due to the State of Florida or any department or agency thereof in connection with the payments described in this Article 6, together with all interest, fines, penalties, costs or other charges thereon, regardless of when, or the party against whom, the same may be assessed or imposed.

Notwithstanding the preceding sentence, to the extent that any Capital Improvements, paid for by the LLC, have useful lives that are not reasonably expected (as of the date of installation) to extend beyond the Term, such Capital Improvements shall be disregarded. Useful lives may, at the County's request, be determined by independent appraisal.

ARTICLE 7

REPAIR AND MAINTENANCE AND COSTS OF OPERATION

7.1 **Generally.** Except as otherwise expressly provided herein, the LLC shall be solely responsible for all costs of, and the performance of, all of the Repair and Maintenance and operation of the Facility, as required to keep the Facility in good condition at all times, on a year-round basis.

7.2 **Repair and Maintenance.** With respect to the LLC's performance of Repair and Maintenance, the LLC agrees as follows.

7.2.1 Repair and Maintenance shall be performed on a regular, scheduled routine basis as is reasonably required to prevent deterioration of the Facility and extend the useful life of the capital assets. Standards of Repair and Maintenance for the MLB amenities, including, but not limited to, the Stadium and Team facilities, shall be similar to first-class MLB

facilities and standards of Repair and Maintenance for the remainder of the improvements shall be consistent with public recreation facilities in Palm Beach County.

7.2.2 All Repair and Maintenance shall be performed in a good and workmanlike fashion, utilizing good quality materials, supplies, components and replacement parts that are of equal or better quality than the quality of those being repaired or replaced, with all reasonable efforts made to preserve the aesthetics of the Facility consistent with the respective Repair and Maintenance standard for the improvement.

7.2.3 All equipment Repair and Maintenance shall meet manufacturer's recommendations and established government safety and/or regulatory standards, if applicable.

7.2.4 All Repair and Maintenance and operation of the improved and unimproved areas of the Facility and Site, and shall comply with the land management practices and ERP as set forth in Section 12.2 of the Interlocal Agreement.

7.2.5 All Repair and Maintenance, operation and environmental monitoring (if any) of the Buffer Area shall comply with the land management practices and the ERP as set forth in Sections 12.2, 12.3, and 12.4 of the Interlocal Agreement as well as any subsequent requirements placed on the Buffer Area as a condition of a regulatory approval and/or permit.

7.2.6 The LLC shall routinely inspect the Facility and Site to ensure that there are no conditions which present a safety issue or hazard to any persons, including but not limited to visitors and players. If such a condition is found, it is the LLC's sole responsibility to immediately protect the area from use, to provide warning of the condition as may be reasonably necessary in order to ensure the safety of persons at the Facility, and to perform all work required to restore the area to a safe condition within a reasonable period of time, provided, however, that the LLC may seek reimbursement, if applicable, for Emergency R/R Projects for Public Use Improvements as set forth in Article 10 of this Agreement. The existence or non-existence of a right to reimbursement does not alter or limit the LLC's obligations to inspect, identify, secure, and/or correct all conditions that present a safety issue or constitute a hazard to persons at the Facility and Site.

7.2.7 The LLC shall provide FD&O with a bi-monthly report of all Facility Repair and Maintenance that was performed to Public Use Improvements during the preceding two months and all Facility Repair and Maintenance scheduled for Public Use Improvements during the upcoming two months no later than the twenty-fifth (25th) day of each even numbered month (February, April, etc.). The LLC shall provide the County with access to the Facility to perform routine maintenance inspections.

7.2.8 The LLC shall not voluntarily create, cause, or permit to be created any lien or encumbrance on the Facility and/or Site. In the event that a construction lien is filed against the Facility, the Site, other County property, or the City Park Property, in connection with any work performed by or on behalf of the LLC, the LLC shall satisfy such claim, or transfer same to security, within forty-five (45) Days from the date of notice of such filing. In the event that the LLC fails to satisfy or transfer such claim within said forty-five (45) Day period, County may do so and thereafter charge the LLC, and the LLC shall promptly pay to

County upon demand all costs incurred by County in connection with the satisfaction or transfer of such claim, including reasonable attorney's fees. Further, the LLC agrees to indemnify, defend, and save County harmless from and against any damage or loss incurred by County as a result of any such construction lien.

7.3 The LLC shall assume all of County's continuing obligations pursuant to the Reclaimed Water Agreement.

7.4 Inspection and Failure to Perform.

7.4.1 The County shall have the right, but not the obligation, to inspect the Site and Facility at reasonable times, upon reasonable request, or, at such time as the County has reason to believe that an emergency situation exists at the Facility and/or Site, to observe whether the LLC is performing its Repair and Maintenance obligations pursuant to this Agreement. If, in the County's reasonable opinion, the LLC has not performed its Repair and Maintenance obligations pursuant to the terms hereinabove, the County shall provide written notice to the LLC stating the basis for such opinion, and the LLC shall have thirty (30) days from the date of receipt of such notice during which to perform such Repair and Maintenance as required hereunder, or to notify the County that it disagrees with the County's opinion. If the LLC disagrees with the County opinion, the LLC and County agree to utilize the dispute resolution process identified in Article 18 of this Agreement.

7.4.2 The LLC shall permit County, or its representatives or agents to schedule and conduct visits of the Site and Facility as reasonably required to enable County to fulfill its insurance and/or restoration obligations pursuant to Articles 16 and 17 of this Agreement.

7.4.3 The County Representative shall visit the Site pursuant to Article 7 and Article 10 of this Agreement to observe the condition of the Facility solely for the purposes of determining whether the Repair and Maintenance is being performed consistent with the requirements of Sections 7.2.1, 7.2.2, 7.2.4 and 7.4 herein, and for determining placement and/or costs for the R/R Project spreadsheet pursuant to Article 10 of this Agreement.

7.4.4 The County Site visits authorized herein do not in any way eliminate, change, reduce, modify, transfer, or diminish the LLC's sole responsibility for: 1) the on-going operation of the Facility; 2) the assessment of the condition of the Site and Facility; and 3) the performance of corrective action, including but not limited to, Repair and Maintenance, as required to maintain the Site and the Facility in a safe condition. The LLC shall not be entitled to rely on any comments, recommendations, reports or the results of the County Representative or the County agents' Site visits, in lieu of conducting its own independent assessment and evaluation of the condition of the Site and the Facility.

7.4.5 The County shall coordinate all scheduled inspections pursuant to this Section 7.4 with the LLC to prevent interference with any scheduled use of the Site.

ARTICLE 8
LICENSING, INSPECTION, REGULATORY AND ADA RESPONSIBILITIES

8.1 Licensing, Regulatory and Safety Inspections.

8.1.1 All corrective work required at the Facility will be performed and funded as either Repair and Maintenance or an R/R Project.

8.1.2 For funding purposes, if the corrective work is not Repair and Maintenance, and it addresses a construction flaw or failure or other issue and such construction item cannot be resolved by the LLC pursuant to Section 13.1.1 or Section 13.1.2 of the Developer Agreement, then such corrective work shall be deemed a County R/R Project for Public Use Improvements and an LLC Project for non-Public Use Improvements.

8.1.3 The LLC's Repair and Maintenance responsibilities set forth in Section 7.1 and its R/R Project responsibilities set forth in Article 10, includes performing all emergency Repair and Maintenance and/or R/R Project work or other corrective action required to address hazardous or unsafe conditions arising from, or related to, licensing, permitting, inspection, audit, safety or regulatory requirements concerning the Site, Facility, and the LLC's operations, business, and/or use of the same, including but not limited to, any City, County, State, Federal, OSHA or BOC law, rules, regulations, ordinances, or other requirements. This includes, but is not limited to corrective work arising in anticipation of, or as a result of an inspection, audit, licensing or regulatory requirement or other compliance-related event.

8.1.4 The LLC shall be solely responsible for funding any Repair and Maintenance required to correct any condition, hazard, defect, flaw or failure, or other issue or condition arising from, or related to, licensing, permitting, inspection, audit, safety or regulatory requirements concerning the Site, Facility, and the LLC's operations, business, and/or use of the same.

8.1.5 The LLC's performance of corrective work required by Section 8.1.2 which otherwise meets the requirements of a County R/R Project is expressly subject to funding by County, pursuant to the processes and procedures set forth in Article 10 hereto.

8.1.6 Any corrective work required by Section 8.1.2 or Section 8.1.3 which otherwise meets the requirements of an LLC R/R Project, shall be reflected on the R/R Project Schedule as an LLC R/R Project, including, but not limited to, any corrective work required to comply with the requirements of any environmental permit or approval including monitoring and/or correcting groundwater issues, and such shall be funded and performed by the LLC pursuant to the processes and procedures set forth in Article 10 hereto.

8.2 ADA.

8.2.1 Pursuant to the terms of the Developer Agreement, the LLC is providing services as defined therein throughout the design and construction of the Facility and the Loop Trail, and the LLC has the responsibility of designing and constructing the Facility and the Loop Trail to be compliant with the requirements of the ADA. The LLC acknowledges that the LLC is

solely responsible for ensuring the Facility and Loop Trail are designed and constructed in accordance to the requirements of the ADA pursuant to the Developer Agreement.

8.2.2 The LLC is solely responsible for all ADA compliance requirements and all ADA complaints, litigation, claims or lawsuits, of whatsoever kind or nature, regardless of whether arising during the development of the Facility and prior to occupancy, or thereafter, and including claims from the Teams, guests, players, invitees, contractors, agents, or any other person or entity, and including, but not limited to, claims, litigation or lawsuits involving the Site, the Facility, the Loop Trail, Personal Property used at the Facility, and Capital Improvements, and regardless of whether arising from Facility design, use and operation, access or other issues.

8.2.3 The LLC shall advise the County of any change in law or regulation which may impact the compliance status of the Facility, and shall present the County with a plan for bringing the Facility into compliance. The LLC has the obligation to implement reasonable operating accommodations to achieve ADA compliance, but to the extent that modifications to the Facility are required, they will be considered Capital Improvements.

ARTICLE 9 **CAPITAL IMPROVEMENTS**

9.1 Capital Improvements.

9.1.1 All Capital Improvements proposed by the LLC to be made to the Facility shall require the prior written consent of the County in each instance, which consent shall not be unreasonably withheld, conditioned or delayed. If approved in writing by the County, all Capital Improvements proposed by the LLC to be made to the Facility shall be undertaken, performed and 100% funded by the LLC. The County shall have no obligation to reimburse or pay the LLC for any LLC Capital Improvement. In addition, all Capital Improvements shall be assumed to be LLC R/R Projects for the purposes of determining responsibility for funding the R/R Projects for the Capital Improvements, unless the County agrees, in its sole discretion, to accept the R/R responsibility for a Capital Improvement. If the County agrees to accept the R/R responsibility for a Capital Improvement, it shall be made as an affirmative statement included in the written approval for the Capital Improvement at which time it will become binding on the County.

9.1.2 The LLC shall submit detailed plans and specifications prepared by a design professional licensed in the State of Florida for all such Capital Improvements to the County for County's written approval prior to commencing work on same, including the estimated project cost. The County's review of the LLC's proposed improvements shall be limited to the determination of whether the improvements are consistent with the terms of this Agreement and that the improvements do not interfere with or reduce the public's access to the Facility.

9.1.3 County shall provide a written response within ten (10) business days after receipt of request by the LLC, failing which County shall be deemed to have consented to

such plans and specifications. Notwithstanding the foregoing, the County may request that the County be provided with additional time to provide the LLC with a written response as to whether the improvements restrict public access and are consistent with this Agreement.

9.1.4 All work done by the LLC shall be performed in a good and workmanlike manner using good quality materials, and supplies and shall be diligently prosecuted to completion strictly in accordance with the approved plans and specifications. The LLC shall obtain all development approvals and permits from the appropriate regulatory agencies prior to commencing any Capital Improvements and shall perform all such Capital Improvements in compliance with all applicable laws, ordinances and regulations.

9.1.5 The LLC is solely responsible for all required licensing, safety inspections, Repair and Maintenance, and operation of all Capital Improvements, if applicable.

ARTICLE 10

RENEWAL/REPLACEMENT PROJECTS

10.1 Renewal/Replacement (R/R) Projects.

10.1.1 The County and LLC have jointly determined the need for establishing and funding a program to address R/R Projects in order to ensure that age, use and deterioration of the Facility does not adversely impact its use or the cost to maintain the Facility. The R/R Project Schedule shall project, at a minimum, R/R Project requirements for the upcoming Budget Year and the next nine (9) Budget Years thereafter. The R/R Project Schedule shall address the requirements of the Facility and shall contain two sections; County R/R Projects and LLC R/R Projects.

10.1.1.1 The County is responsible for funding 100% of the County R/R Projects for Public Use Improvements when they are included in the Approved R/R Project Schedule.

10.1.1.2 The LLC is responsible for funding 100% of the LLC R/R Projects as identified on the Approved R/R Project Schedule.

10.1.2 No later than January 15 of each year, the LLC shall submit to County, its proposed R/R Project Schedule for review. No later than May 31, the LLC will be notified of County Staff's recommendation for funding of County R/R Projects as part of the County staff's recommended annual capital budget request. No later than October 1, the LLC shall be notified of the appropriations for the Approved R/R Project Schedule.

10.1.2.1 The first R/R Project Schedule shall be submitted no later than January 15 of the year following the first Full Spring Training Season played at the Facility. The R/R Project Schedule shall include each and every item with a fixed asset number whether physically tagged or not, its projected year for renewal or replacement and the estimate cost of the renewal or replacement task.

10.1.2.2 For each subsequent annual submittal, the R/R Project Schedule shall be updated to reflect any changes made necessary as a result of mid-year modifications, differing physical field conditions which may accelerate or extend the replacement year, and/or updated project estimate. The LLC shall submit, with the updated R/R Project Schedule, a detailed written narrative for each and every R/R Project that was not included in the Approved R/R Project Schedule, providing an explanation as to why such R/R Project had previously not been included in the R/R Project Schedule. Within fourteen (14) days after the County's receipt of the updated R/R Project Schedule, representatives of FD&O and the LLC shall meet at the Facility ("On Site Meeting") in order to review and discuss the updated R/R Project Schedule and agree upon any changes to the updated R/R Project Schedule.

10.1.2.3 The County and the LLC both agree to cooperate in the development of the updated R/R Project Schedule so that the R/R Projects are undertaken in a timely manner to ensure that the asset is renewed/replaced prior to material degradation of the utility/appearance of the asset, while recognizing periodic financial constraints of the County and the LLC. Material degradation of an asset occurs when; 1) the asset's condition is or may cause damage or increased costs to renew/replace other assets, 2) the asset's condition represents a hazardous condition that may increase liability, and/or 3) the asset has deteriorated in utility and appearance or has failed or is likely to fail.

10.1.3 The LLC shall have an obligation to implement and fund the Approved R/R Project Schedule for each Budget Year, subject to County reimbursement, pursuant to this Article 10, to the LLC for its expenditures towards County R/R Projects on the Approved R/R Project Schedule.

10.1.4 The LLC must perform the Approved County R/R Projects within the funding amount identified on the Approved R/R Project Schedule, unless an increase in County R/R Project funding is approved in writing by the County prior to the LLC issuing a contract or purchase order pursuant to Section 10.4. Approved expenditures will be reimbursed in accordance to the terms and conditions set forth below.

10.1.5 The County's obligation to fund or reimburse the LLC for County R/R Projects in any Budget Year is limited to those County R/R Projects that are reflected on the Approved R/R Project Schedule.

10.2 Mid - Year Modifications to Approved R/R Project Schedule.

10.2.1 The LLC shall have the right to request mid-year modifications to the Approved R/R Project Schedule only for an Emergency R/R Project by submitting a written request for a mid-year modification. Such request for modification shall include the scope, cost, schedule for implementation and the justification for the Emergency R/R Project. The justification for the Emergency R/R Project shall specifically indicate why the Emergency R/R Project cannot wait until the next funding cycle. The request shall also identify whether any or all of the implementation procedures need to be waived.

10.2.2 Notwithstanding the above, the LLC has the absolute obligation to immediately respond to emergencies, and/or situations that may pose a danger to the health and/or safety of persons or that may impact the integrity of the Facility.

10.3 R/R Project Reserves. The R/R Project Reserve was established pursuant to Section 8.4.7 of the Developer Agreement and contains cost savings, if any, accomplished during the construction of the Facility and allocated to the LLC R/R Project Reserve and the County R/R Project Reserve in order to fund the initial R/R Project obligations of County and the LLC. The County and the LLC will each first use their respective R/R Project Reserves to fund their respective R/R obligations pursuant to this Agreement until the R/R Project Reserves are exhausted. The parties acknowledge that the R/R Project Reserves are a small portion, if any, of the funding that will be required to fund each party's R/R obligations pursuant to this Agreement.

10.4 Implementation of R/R Projects.

10.4.1 All R/R Projects shall be performed in a good and workmanlike manner using good quality materials and supplies, and components and replacement parts that are of equal or better quality than the quality of those being repaired or replaced and shall be performed through completion. The LLC shall obtain all development approvals and permits from the appropriate regulatory agencies prior to commencing any R/R Projects and shall perform all such R/R Projects in compliance with all applicable laws, regulations and ordinances. The LLC shall obtain the advance approval of the Art in Public Places Administrator for any R/R Project that involves Art.

10.4.2 The LLC shall use its standard purchasing practices for all contracts/purchase orders entered into in connection with R/R Projects; provided that all purchases are undertaken and awarded by a competitive process. Unless the LLC has included qualification based criteria in the bid and the LLC can reasonably demonstrate that the low bidder did not meet those qualification criteria, the only justifications for not choosing the low bidder are either: 1) an award to the next lowest bidder in order to contract with a Palm Beach County certified SBE vendor and the SBE vendor's bid does not exceed the low bidder's price by ten percent (10%), or 2) an award to the next lowest bidder in order to contract with a bidder meeting the Palm Beach County's definition of local business and the local business's bid does not exceed the low bidder's price by five (5) percent. Preferences are not cumulative and in the event of a conflict, the SBE preference is of higher priority.

10.4.2.1 Qualification Based Selection Criteria. When necessary, the LLC may use qualification based selection criteria as a pre-bid step or as part of a competitive selection provided that the qualification based selection criteria is objective, directly responsive to the work, and does not limit competition among qualified bidders.

10.4.2.2 Projects in Excess of \$200,000. The LLC shall obtain a payment and performance bond in conformity to the requirements of Florida Statute § 255.05 on the County's most current form and from a surety meeting the County's requirements for all projects in excess of \$200,000, or such monetary limit as in effect at the time of the R/R Project.

10.4.3 For each and every project designated as a County R/R Project on the Approved R/R Project Schedule and prior to the LLC entering into a contract or purchase order for any individual R/R Project, the LLC shall submit; 1) the scope of work that was used as the basis for the bid, 2) a bid tabulation sheet that sets forth the vendor/contractor name and bid amount for each bid response ("R/R Project Bid Tabulation Sheet"), and 3) a copy of the LLC's proposed contract or purchase order which identifies the final scope of work to be purchased and a copy of the vendor's/contractor's insurance certificate naming the County as an additional insured. Within seven (7) days of the County's receipt of the foregoing, the County will issue a purchase order to the LLC in the amount of the intended awardee's bid plus an additional five percent (5%) contingency ("R/R Purchase Order").

10.4.4 For any County R/R Projects, the same requirements and process set forth above in this Section 10.4 shall apply and be used in connection with the reimbursement to the LLC of the costs and expenses incurred by the LLC for all design, testing lab and construction services agreements as well as any permit fees paid to a governmental entity.

10.4.5 Requests for payment against R/R Purchase Orders shall be made at intervals determined by the LLC, but no more frequently than semi-monthly. Requests for payment against R/R Purchase Orders shall be made by the LLC to the County and shall include; 1) the R/R Purchase Order number, 2) a copy of the vendor's/contractor's request for payment or invoice, and 3) evidence of payment by the LLC. For the purposes of this Section, a copy of a check written by the LLC or a bank statement indicating electronic payment details including vendor's/contractor's name, shall constitute evidence of payment. Any request for payment which includes a request for use of contingency funds, shall include a copy of the change order issued by the LLC to the vendor/contractor and shall specifically identify: 1) the scope of work included in the change order; 2) the amount of the change order; 3) the new total contract amount; and 4) an explanation of the reason for the change order. Any final payment request against each R/R Purchase Order shall be marked accordingly. Once the County has received a request or payment on an R/R Purchase Order, together with the foregoing documentation ("R/R Payment Request"), the County shall within five (5) business days from receipt of the R/R Payment Request review the request and notify the LLC if such request is complete or deficient. If the R/R Payment Request is deficient the LLC shall resubmit its R/R Payment Request to the County and the County shall within five (5) business days from receipt of the subsequent R/R Payment Request review such submittal and notify the LLC if such submittal is complete or deficient. This process shall continue until such time as the County receives a complete R/R Payment Request. Once the County receives a complete R/R Payment Request, the County shall make payment against the R/R Purchase Order within twenty-one (21) Days.

ARTICLE 11

REVENUE STREAMS

11.1 **Generally.** The LLC shall be entitled to receive and to retain all revenue streams, now known or hereafter devised, in connection with the year-round operation of the Facility for any and all events at the Facility, except for County Events pursuant to Section 5.3 or as may otherwise be set forth in a written agreement for use of the Facility. Notwithstanding anything herein to the contrary, the LLC shall not enter into any contracts or agreements

regarding the Facility that extend beyond the expiration of the Term of this Agreement. Additionally the LLC shall not enter into any agreements including, but not limited to, sponsorship agreements or donor agreements in exchange for naming rights, containing language that prohibits County from using, or providing incompatible products at no cost or charge to its event participants during a County Event, or in any way that restricts the promotional or advertising opportunities at County Events. The County acknowledges that the sale of products incompatible with the LLC's agreements is prohibited. Furthermore, the LLC shall include language in each and every contract or agreement regarding the Facility that the LLC enters into, that such contract or agreement is not binding upon the County and may be terminated in the event this Agreement is terminated. Without limiting the foregoing, the provisions of Sections 11.2 through 11.6 more specifically address certain revenue streams.

11.2 Ticket Sales. The LLC shall set ticket prices and entry fees for all events at the Facility, other than County Events, and shall be entitled to receive all revenue collected by the LLC. The LLC shall have the right to fix the charges for tickets in its sole discretion; provided, however, that the LLC's ability to charge admission, and the amount of any admission charges, shall be subject to all MLB Rules and Regulations, and any applicable Minor League rules, guidelines, regulations, requirements, directives and/or policies, as the same now exists or may be amended or adopted in the future. No direct or indirect ticket surcharges, franchise fees, charges, taxes, or, without limitation, other fees may be instituted or imposed by the County for admissions to baseball-related events at the Facility without the LLC's prior written consent, which consent may be withheld or conditioned in the LLC's sole discretion.

11.3 Parking. Except for County Events as set forth below, all revenues from all sources, including parking shall be retained by the LLC. The fees to be charged for such parking shall be determined by the LLC in its sole discretion. For County Events, the County shall only be charged the cost to prepare, manage and/or administer the parking for the County Event, and in no case shall the County be charged for the use of the Parking Areas.

11.4 Concessions. The LLC, or its designees, shall be the exclusive concessionaires and shall sell all concession items at all events held in and at the Facility and designated parking areas and retain all Concession Revenues, including Concession Revenues from all County Events. Subject to MLB Rules and Regulations, such concession stand items shall include but shall not be limited to, in the LLC's sole discretion, all foods, beverages (alcoholic and non-alcoholic), scorecards, programs, yearbooks, vending machines, merchandise, including but not limited to novelty items carrying the LLC's or one or both of the Teams' logos or the logo of any other Major League Club or Minor League Club, as well as any interactive games, video games, batting or pitching cages and other entertainment-oriented retail or food service items, including, without limitation, any Spring Training Season related promotions and advertising, and any event-related activities scheduled by the LLC. The LLC's rights hereunder shall include, without limitation, the exclusive right to vend concession and novelty items from permanent or portable concession units located at the Facility, and, to the extent permitted by law, on public streets and ways abutting any portion of the Facility or the immediately adjacent parking areas. To the extent of the County's jurisdiction, the County agrees to deny any other person or entity the right to sell concessions, and novelty, food and beverage, and retail items in or at the Facility.

11.5 Advertising/Broadcasting.

11.5.1 All revenues received by the LLC from all advertising, promotions or sponsorships (including without limitation scoreboard/message center advertising during any of the events or activities at the Facility, annual billboard signage (e.g., outfield fence, concourses and other advertising signage at the Facility), marquee signage, naming rights, advertising rights and, without limitation, other rights with regard to the name of the Facility or any part thereof shall be the sole property of the LLC for the Term of the Agreement.

11.5.2 The LLC shall have and control all naming rights to the Facility and all parts thereof, but agrees "of the Palm Beaches" shall be added to the end of the name for the Facility. Naming rights shall not be subject to termination by the County until the date of the expiration of the Term or the earlier termination thereof. If necessary, the County shall assist the LLC in obtaining any permits or licenses required under the laws or regulations of any government authority and necessary to the scoreboard message center and billboard advertising. The County shall also not unreasonably withhold its approval of any such permits or licenses required under its laws or regulations, if necessary. Notwithstanding anything to the contrary in this Agreement, any advertising, signage, sponsorship or naming rights shall comply with all MLB Rules and Regulations.

11.5.3 The LLC shall receive all revenue from their respective radio broadcast, cablecast, televising, or other video and/or audio means of broadcasting or transmitting any or all portions of any games played by the Teams or any other Major League Clubs, Minor League Clubs, or any other teams, and the County shall not participate, in any manner, in determining when or whether said games shall be televised, cablecast or broadcast. The County will not directly or indirectly charge or impose special fees, permits or hook-up expenses to the LLC or its broadcasters, cable casters or telecasters. If any provisions of this Agreement conflict with any provisions of any agreement between Major League Baseball and any national rights holder (each such agreement a "National Rights Agreement"), the National Rights Agreement shall in all respects control.

11.6 **Other Revenue.** Except as otherwise provided in Section 5.3, the LLC shall be entitled to any and all fees from third-parties for use of the Facility during the Term, as well as any other monies, without limitation, generated pursuant to other revenue streams not enumerated above, provided however, that any agreements with other entities requiring construction, alteration, and related permitting approvals shall require the prior written consent of the County and shall require the LLC to enter into a written agreement with such entity.

ARTICLE 12 **TOURIST PROMOTION**

12.1 County Tourism Identity Logo and County Seal.

12.1.1 The County shall provide the LLC with the form of the County Seal and the Tourism Identity Logo upon request. County shall provide the LLC with copies of any update or revision to the County Seal and/or Tourism Identity Logo, and within ninety (90) days

thereafter, the LLC shall update its marketing and promotional materials, including the County Seal or Tourism Identity Logo pursuant to Section 12.1.2 herein, to the newest version.

12.1.2 Unless precluded by MLB Rules and Regulations or the design of the Facility, the LLC will place the County's Tourism Identity Logo or County Seal, at the County's election, which shall be no larger than three (3) feet in diameter, in a visible location inside the stadium at the Facility.

12.1.3 Prior to the start of the Championship Season, the LLC shall cause the Teams to coordinate the placement and content of marketing services and promotions within each Home City MLB Stadium with the TDC. It is understood, however, that the exact placement and content of such marketing services and promotions will not be such to adversely impact either the stadium aesthetics or the Teams' baseball operations, and shall be in all instances subject to MLB Rules and Regulations. There shall be no changes to the colors of the Tourism Identity Logo or the County Seal used in such marketing services and promotions unless approved in advance by the TDC Representative and the County.

12.1.4 The LLC further agrees to place an appropriate County dedication plaque near the entrance of the stadium at the Facility.

12.1.5 The LLC shall cause the Teams to use the County Seal and County Tourism Identity Logo in all in-County marketing efforts, except for those marketing efforts that do not include any graphics, print or visual media and excluding merchandise and on-Site signage.

12.1.6 Notwithstanding anything in this Agreement to the contrary, in the event that the MLB Rules and Regulations preclude (i) the County from exercising the rights granted in this Article 12, and/or (ii) the LLC from performing its obligations as set forth in this Article 12, then the LLC shall provide the County with an alternative marketing tool that provides the County with benefits that are of equal or greater value to those that are provided for in this Article 12 and that are acceptable to the County in the County's reasonable discretion.

12.2 Astros' Obligations.

12.2.1 As additional consideration for the use of the Team Improvement Areas, the LLC shall cause the Astros to annually provide tourism marketing and promotional services for the Facility valued at no less than \$500,000 annually, at the Astros' Home City MLB Stadium or to the Astros' Home City audience.

12.2.2 Three months prior to the start of the Spring Training Season, the LLC shall cause the Astros to present a draft promotional plan, including the content, proposed placement and then current value of the materials and promotion to be provided in the Home City, to the TDC to come to a mutually agreeable plan.

12.2.3 This plan may be inclusive of social media channel strategy, digital promotions on Team websites, broadcast radio strategy for the radio networks and multi-lingual stations, broadcast television, traditional hospitality, ticketing and public relations opportunities

for in-home market entertainment of potential business to business clients, e.g., travel agents, meeting planners, along with any local charity connections the Team is supporting, print programs, line-up cards, and welcome center materials to be used at Florida Welcome Centers for the drive market. A list of marketing assets that may be included in the promotional plan is attached hereto as **Exhibit F**.

12.2.4 For Major League Spring Training Home Games of the Astros, the LLC shall cause the Astros' radio rights holders to provide a minimum of one (1) live drop-in announcement promoting tourism in Palm Beach County. The TDC will provide factual talking points related to leisure traveler points of interest that can be used by game announcing personalities during the radio broadcast. The Tourist Development Council will provide for television broadcasts of Major League Spring Training Home Game including video content and "B" roll of tourism assets throughout Palm Beach County. The TDC shall submit the content required for all drop-in announcements by February 15th of each year.

12.2.5 In the event the Astros and the TDC cannot reach agreement on the promotional plan, the LLC shall cause the Astros to attend dispute resolution with County pursuant to Article 18 for the sole purpose of resolving the dispute on the content, placement and value of the services.

12.3 Nationals' Obligations.

12.3.1 As additional consideration for the use of the Team Improvement Areas, the LLC shall cause the Nationals to annually provide tourism marketing and promotional services for the Facility valued at no less than \$500,000 annually, at the Nationals' Home City MLB Stadium or to the Nationals' Home City audience.

12.3.2 Three months prior to the start of the Spring Training Season, the LLC shall cause the Nationals to present a draft promotional plan, including the content, proposed placement and then current estimated value of the materials and promotion to be provided in the Home City, to the TDC to come to a mutually agreeable plan.

12.3.3 This plan may be inclusive of social media channel strategy, digital promotions on Team websites, broadcast radio strategy for the radio networks and multi-lingual stations, broadcast television, traditional hospitality, ticketing and public relations opportunities for in-home market entertainment of potential business to business clients, e.g., travel agents, meeting planners, along with any local charity connections the team is supporting, print programs, line-up cards, and welcome center materials to be used at Florida Welcome Centers for the drive market. A list of marketing assets that may be included in the promotional plan is attached hereto as **Exhibit F**.

12.3.4 For Major League Spring Training Home Games of the Nationals, the LLC shall cause the Nationals' radio rights holders to provide a minimum of one (1) live drop-in announcement promoting tourism in Palm Beach County. The TDC will provide factual talking points related to leisure traveler points of interest that can be used by game announcing personalities during the radio broadcast. The Tourist Development Council will provide for television broadcasts of Major League Spring Training Home Game including video content and

"B" roll of tourism assets throughout Palm Beach County. The TDC shall submit the content required for all drop-in announcements by February 15th of each year.

12.4 **County's Obligation to Promote.** The County shall use reasonable efforts to promote the presence of the Teams' baseball operations and to promote the sale of tickets to all events at the Facility, by all reasonable methods incidental with its regular tourist promotion activities.

ARTICLE 13

TRANSFER OF TEAM OWNERSHIP/ ASSIGNMENT OF AGREEMENT

13.1 **Assignment and Transfer of Interests.** Except as permitted by Section 13.2, the LLC Parties may not assign, convey, or transfer this Agreement, or any interest in this Agreement, nor may a Team assign, convey or transfer its interest in the LLC without the prior, written consent of the Florida Department of Economic Opportunity ("DEO") and the County, provided such consent shall not be unreasonably withheld. The County shall not assign this Agreement without the written consent of the LLC.

13.2 Conditions for Approval of Transfer of Team Ownership.

13.2.1 Nothing herein shall prohibit or in any way prevent an owner of an interest in a Team (including its successors and assigns) from transferring all or any part of its respective ownership interest in the Team, at any time, subject, however, to the continuing obligations of the Team pursuant to this Agreement and the Guaranty set forth in Section 16.7 herein. In addition thereto, the Team itself, at any time, shall have the absolute and unconditional right to transfer its assets, inclusive of the asset representing the MLB franchise and the Team's ownership interest in the LLC, (provided no interest in the LLC shall be transferred separately from the asset representing the MLB franchise to another Major League Club unless such separate transfer otherwise meets the requirements of this Agreement), and provided the entity assuming the obligations of the transferring Team, or an Affiliate of such entity, meets the net worth requirements of the Guaranty set forth in Section 16.7. Transfer of Team ownership (either by transfer of ownership interest or sale of the MLB franchise by the Team) in no way releases, extinguishes or alters the LLC's responsibilities pertaining to the Operative Agreements. Provided the transferring entity is not in default of the Operative Agreements at the time of transfer, a transfer of an MLB franchise above and execution of the assignment and assumption agreement, shall release, extinguish and forever discharge the obligations of the transferring ownership entity for any matter attributable to the transferring entity under the Operative Agreements from and after the date of transfer. The County agrees to provide any new owner, or potential acquirer of the Team or its assets (either by transfer of ownership interest or sale of the MLB franchise, or interest in the LLC by the Team) with an estoppel certificate within fifteen (15) Business Days of receipt of written request from the LLC,

setting forth the status of the Operative Agreements and any default(s) under the Operative Agreements, and if so, summarizing such default(s).

13.2.2 Nothing herein shall prohibit or in any way prevent an owner of an interest in the LLC, including its successors and assigns, from transferring all or any part of its ownership interest in the LLC, at any time, to an Affiliate, provided that each Guaranty always remains in full force and effect. In addition thereto, a Team (or Teams), (or its Affiliate), may assign or transfer its interest in the LLC (or the LLC, itself, may assign or transfer its interest in the Operative Agreements), to another Major League Club (or Major League Clubs) only with DEO's prior written consent, which consent shall not be unreasonably withheld, provided the following conditions have been satisfied: 1) the proposed Club assignee(s) can demonstrate equal or greater attendance records at its current Spring Training Season facility, averaged over the last three (3) Spring Training Seasons, as compared to the assignor Team(s); 2) the assignee Team(s) assumes 100% of the assignor's Team(s) obligations pursuant to the Operative Agreements beginning from the date of execution of this Agreement; 3) the assignee Team(s) meets the net worth or fair value of equity requirements of the Guaranty set forth in Section 16.7, and 4) the assignee Team(s) executes an Agreement and a Guaranty in the same form as this Agreement and the Guaranty incorporated herein by reference in Section 16.7, specifically relating back to the respective, original Agreement and Guaranty execution dates; 5) the Major League Club(s) assignee(s), assuming the obligations of the assignor Team(s), must not be terminating early or breaching an existing agreement funded in whole or in part by State funds, including, but not limited to funds obtained pursuant to sections 288.11621 and 288.11631 of the Florida Statutes and 6) the resulting assignment or transfer must result in two separate Major League Clubs agreeing to continually use the Facility for their Spring Training Home Games for the balance of the Term of, and in keeping with, this Agreement. Provided such assignor Team(s) is not in default of the Operative Agreements at the time of transfer, such transfer shall release, extinguish and forever discharge the obligations of the transferring/assignor Team(s) for any matter attributable to the transferring/assignor Team(s) under the Operative Agreements from and after the date of transfer or assignment. The County agrees to provide any such new owner, or potential acquirer of any interest in the LLC or its assets, with an estoppel certificate within fifteen (15) Business Days of receipt of written request from the LLC, setting forth the status of the Operative Agreements and any default(s) under the Operative Agreements, and if so, summarizing such default(s).

13.2.3 A Team may enter into written sub-use agreement(s) with other Major League Clubs for periodic uses of the Facility. Any such sub-use agreement shall in no way release or extinguish the obligations of the LLC pursuant to this Agreement or the obligations of the Teams pursuant to this Agreement and the Guaranty executed by the Teams as set forth in Section 16.7 herein.

13.3 Managers. The present managers of the LLC (Arthur Fuccillo and Giles Kibbe) shall have the absolute right without condition or restriction, to transfer their interests and/or responsibilities in the LLC to Affiliate entities or individuals. The County will be provided notice within thirty (30) days of such transfer.

ARTICLE 14

TAXES

14.1 Generally. The parties agree that the use of the Facility is as a sports facility with permanent seating and as a stadium. The parties reasonably believe that the Facility, the LLC's interest therein and operation thereof, are presently immune from Ad Valorem and/or real estate taxes as the Site and the Facility are owned by County. Provided the Facility is used primarily as a public sports facility, the County and the LLC agree to reasonably cooperate together in: 1) maintaining or obtaining an Ad Valorem and/or real estate tax immunity throughout the Term, and 2) challenging or contesting any real estate taxes, Ad Valorem assessments or similar real estate taxes that impact the LLC's interest in or operation of, the Facility. Notwithstanding the above, the LLC shall have sole liability and responsibility for all Ad Valorem or real estate taxes or assessments that are imposed or assessed against the Site, the Facility, the LLC's interest therein, and/or the LLC's operation thereof, except as otherwise set forth in Section 14.2. The LLC shall have sole responsibility and liability for all lawful taxes, assessments, licenses and charges on the operations at the Facility including, but not limited to, all lawful taxes, assessments, licenses and/or charges on Personal Property and Capital Improvements located at the Facility, as well as on goods, merchandise, equipment and property owned by the LLC and/or the Teams and located in or about the Facility for which an exemption is not available. It is the parties express intention that the LLC shall have sole liability for back taxes, penalties, fines or fees that may result from an audit or review of the LLC's operations at the Facility. This provision shall in no way be construed as restricting the County or the LLC from contesting the legality of any tax or assessment and the County agrees to use good faith efforts to assist the LLC in contesting any such tax, imposition or assessment.

14.2 It is the intent of the County to not have the LLC be financially impacted by the assessment of Ad Valorem taxes. If, in the future, any Ad Valorem real property taxes are imposed or assessed against the Site, the Facility, the LLC's interest therein and/or the LLC's operation thereof the County agrees to pay all such Ad Valorem real property taxes when due. The County's obligation to pay the Ad Valorem taxes pursuant to this Section 14.2, is solely contingent on; 1) the LLC providing evidence of the tax bill (if applicable) to the County within 5 working days of receipt, and 2) the City of West Palm Beach agreeing to reimburse the County for Ad Valorem taxes due to the City pursuant to Section 35 of the Interlocal Agreement. If necessary to meet the intent of this provision, the parties will agree to alternative arrangements to meet said intent.

ARTICLE 15

LITIGATION AND INDEMNITY

15.1 Litigation. The LLC shall be responsible for the defense of all litigation, hearings, claims, demands or suits, including appeals, or other liability, arising as a result of the development, operation, or use of the Site, Facility, and City Park, including such litigation, claims, demands, suits and proceedings where the County has been named as a Defendant or Respondent, to the extent such litigation, claim, demand or suit, concerns any obligation or duty of the LLC concerning the Site, Facility, and City Park, under any of the Operative Agreements

and/or the Due Diligence and Planning Services Agreement. This includes, but is not limited to, claims, demands, accidents or injuries, suits, or other liability involving personal injuries at the Facility, including, but not limited to, driveways, sidewalks, entrances and exits from the Site and Facility. Notwithstanding the above, the LLC shall not be responsible for the defense of any taxpayer challenge to County or governmental funding of the Site, Facility and/or City Park. The County agrees to be responsible for all litigation, hearings, claims, demands or actions, including appeals, or other liability, to the extent and limits provided in Florida Statutes, Section 768.28, arising solely from the actions of the County's employees. The parties acknowledge that the foregoing shall not; 1) constitute an agreement by the County to indemnify the LLC; 2) be construed as a waiver of sovereign immunity, 3) constitute a waiver of any defense the County may have under Section 768.28, Florida Statutes, or any other statutes, or 4) constitute consent to be sued by third parties.

15.2 Indemnification.

15.2.1 The "County Indemnified Parties" means the County, including each of its respective agents, employees and elected officials.

15.2.1.1 The LLC agrees to protect, defend, reimburse, indemnify and hold County Indemnified Parties free and harmless at all times from and against any and all claims, liability, expenses, losses, costs, fines and damages (including attorney's fees at trial and appellate levels) and causes of action of every kind and character against, or in which County is named or joined, for any damage to property or the environment, economic losses, or bodily injury (including death) incurred or sustained by any Person, arising out of, or in incident to, or in connection with; (i) the use and operation of the Facility and all driveways, sidewalks, walkways, entrances and exits from the Site and Facility, (ii) any act or omission of the LLC Parties, (iii) the LLC's performance, non-performance or purported performance under this Agreement, and/or (iv) the condition of the Facility and Site caused by the LLC's failure to adequately repair and maintain the Facility and Site.

15.2.1.2 The LLC further agrees to hold harmless and indemnify County for fines, citations, court judgments, insurance claims, restoration costs, damages, or other liability resulting from the LLC Parties' activities pursuant to this Agreement, whether or not LLC was negligent or even knowledgeable of any events precipitating a claim or arising as a result of any situation involving the LLC Parties' activities.

15.2.1.3 In case County shall be made a party to any litigation commenced against the LLC Parties or by the LLC Parties against any third party related to the LLC Parties' activities or obligations pursuant to this Agreement, then the LLC shall protect and hold harmless and pay all costs and reasonable attorney's fees incurred by County in connection with such litigation, and any appeals thereof.

15.2.1.4 The foregoing indemnification shall not apply to the extent any claims, liability, expenses, losses, fines and damages arises from the negligent or willful acts of the County Indemnified Parties.

16.3.1 All insurance policies must be issued by an insurance carrier with an A.M. Best rating of A- and Class VII or better.

16.3.2 The LLC shall cause the County to be listed as an additional insured (and not as a named insured) for claims arising in connection with the LLC's operations on the Commercial General Liability Policy (using ISO Form CG2010 10 101 or its equivalent) and the Automobile Policy. The Additional Insureds shall include "Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Employees and Agents", c/o Property & Real Estate Management Division, 2633 Vista Parkway, West Palm Beach, FL 33411-5605. All liability insurance policies must provide Cross Liability coverage (separation of insureds or severability of interest provisions). Coverage for the County as an additional insured shall apply on a primary basis irrespective of any other insurance, whether collectible or not, in connection with the operations of the LLC. No policy shall contain a self-insured retention, but may have a deductible.

16.3.3 Current valid insurance policies meeting the requirements herein identified shall be maintained during the Term. Renewal certificates shall be sent by the LLC to the County as soon as practicable after the policy is renewed. There shall also be a ten (10) day notification to the County in the event of cancellation of any stipulated insurance coverage.

16.4 County Insurance. The County shall secure and maintain during the Term the following coverage:

A. Property Insurance. The County shall insure the Facility against damage or destruction by fire, flood, hurricanes, tornadoes, terrorism or other casualty under a standard "all risk" insurance policy ("Damage"), except as otherwise set forth in Section 17.2. Insurance shall be for one hundred percent (100%) replacement value. County shall be responsible for paying deductible costs, except that in the event the damage by fire or by other casualty is due to any fault or neglect of the LLC, then the LLC shall be responsible for paying a reasonable deductible, not to exceed One Hundred Thousand Dollars (\$100,000.00) in the aggregate.

B. Renewal. Current valid insurance policies meeting the requirements herein identified shall be maintained by the County during the Term. Renewal certifications shall be sent by the County to the LLC as soon as practicable after the policy is renewed. There shall also be a ten (10) day notification to the LLC in the event of cancellation of any stipulated insurance coverage.

C. Other Insurance. Without waiving the right to sovereign immunity as provided by Florida Statutes §768.28, County shall maintain, during the entire term hereof, self-insurance coverage or third-party insurance coverage for comprehensive general liability and automobile liability in the amount of Two Hundred Thousand Dollars (\$200,000) per person and Three Hundred Thousand Dollars (\$300,000) per incident or occurrence and Worker's Compensation insurance covering all County employees in accordance with Florida Statutes Chapter 440. In the event the Legislature should change the County's exposure by statute above or below the sums insured against, the County shall maintain insurance to the extent of that

exposure. Upon request by the LLC, the County shall provide a statement or certificate of insurance evidencing its insurance, and/or self-insurance coverage.

16.5 Waiver of Sovereign Immunity. The County acknowledges the waiver of sovereign immunity for liability in tort contained in Florida Statutes §768.28 and acknowledges that such statute permits actions at law against the County to recover damages in tort for money damages up to the amounts set forth in such statute for injury or loss of property, personal injury, or death caused by the negligence or wrongful act or omission of an employee of County while acting within the scope of the employee's office or employment under circumstances in which County, if a private person, would be liable under the general laws of this State.

16.6 Waiver of Subrogation. The County and the LLC each hereby waive any and all rights of recovery against each other and their respective agents and employees for loss or damage to each other arising from any cause insured against under any policy of insurance required to be carried by such waiving party to the extent of all proceeds recovered thereunder.

16.7 Guaranty. The full and unconditional performance of the obligations of the LLC set forth in this Agreement is guaranteed by the Teams, pursuant to the Astros' Guaranty and the Nationals' Guaranty, which are attached to the Developer Agreement as Exhibits I-1 and I-2 and incorporated herein by reference. Any attempt by a Team to rescind or terminate its Guaranty to this Agreement shall constitute a material breach of this Agreement, excluding an authorized transfer or assignment as set forth in Article 13. Each Guaranty is an unconditional, absolute, irrevocable, general and continuing guaranty.

16.8 Notification to County. In the event of: 1) a life threatening or dangerous incident or injury where the LLC is made aware that medical attention was sought and occurred within a Public Use Improvement of the Facility, and/or; 2) any claim or action that names the County or alleges that the County has responsibility in whole or in part, the LLC shall notify the County's Risk Management Department and provide general information concerning the claim and cooperate with the County in investigating and taking such action as may be appropriate.

ARTICLE 17

DAMAGE/DESTRUCTION OF FACILITY

17.1 Casualty Loss.

17.1.1 If all, or any portion of the Facility, other than the LLC Restoration Areas, is damaged or destroyed by fire, flood or other casualty (a "Casualty Loss"), the County, shall fund the repair and restoration of that portion of the Facility to the greater of the condition existing immediately prior to such Casualty Loss or the condition required by Law, provided, however, that County is under no obligation to fund the repair and restoration of any work in regard to the LLC Restoration Areas, and provided that County is under no obligation to fund the repair or restoration of any property damage resulting from deviations from County's standard design and construction policies that are identified in Exhibit F to the Developer Agreement.

17.1.2 In advance of a named tropical storm or other local public service announcements of sustained winds in excess of 45 mph, the LLC has the responsibility and

obligation for taking reasonable measures to prepare the Facility as if it was the owner of the Site and Facility. Particularly, the LLC shall be responsible for securing personal property, ensuring that all building openings are closed, installing wind protection devices that were purchased with funding from the Program Budget, and for removing construction materials and any other temporary equipment that may otherwise be stored on the Site. Within 48 hours of a wind event concluding, the LLC has the responsibility and obligation to; i) evaluate the site for damage to the Facility which is the financial responsibility of the County pursuant to Section 17.1.1, and ii) contact the County's Representative to review the evaluation described in i) above, and for instructions for mitigating further damage to the Facility and proceeding with the repair and restoration of the Facility.

17.1.3 If, in the LLC's good-faith judgment, there is substantial interruption with the operation of the LLC's activities at the Facility as a result of a Casualty Loss which requires the LLC to temporarily utilize other facilities, or cancel scheduled events at the Facility, the LLC shall schedule spring training activities and the games of the Teams at other facilities and the LLC's obligations under this Agreement, including payment of the fees set forth in Article 6 herein, shall be temporarily suspended until the County has performed its obligation to fund the repair and restoration of the Facility as required in Section 17.1.1 to permit the intended use hereunder. The County, the LLC, and the Teams agree to use good faith efforts to apply any applicable benefits and proceeds under any applicable insurance policies received for the Facility to restore the Facility to a usable condition in the shortest period of time. In addition, the Teams agree, after thoroughly evaluating all player and visitor safety issues, and determining that it is safe to do so, to resume the use of the Facility for Spring Training in advance of the entire restoration being completed. If the Facility repair and restoration is not or will not be funded by County as required in this Article 17 within three (3) years of the date of the Casualty Loss, then the LLC will have the option to terminate this Agreement. The LLC shall provide written notice of termination pursuant to this Section 17.1.3 to the County, and upon such termination, the County and the LLC shall be relieved of their obligations hereunder, except as expressly provided herein to the contrary in this Agreement.

17.1.4 Upon receipt of County funding pursuant to Section 17.1.1 or 17.1.3, the LLC shall perform the repair and restoration diligently and expeditiously to the greater of the condition existing immediately prior to such Casualty Loss or the condition required by Law.

17.2 LLC Restoration Areas.

17.2.1 The repair and restoration of the LLC Restoration Areas following a Casualty Loss shall be the sole responsibility of the LLC. The LLC shall repair, restore and rebuild the LLC Restoration Areas as is required in order to resume use of the Facility for its intended use. County may consider, but is not required, to temporarily suspend the LLC's fee obligations pursuant to Article 6 of this Agreement in the event of a Casualty Loss to the LLC Restoration Areas.

17.2.2 All property damaged or destroyed as a result of deviations from County's standard design and construction policies identified in Exhibit F to the Developer Agreement, shall be considered LLC Restoration Areas for the purposes of determining

financial responsibility for claims including, but not limited to, damage to personal property, damage to the Facility, all property insurance claims and deductible costs and financial responsibility for repairs or restorations to property resulting from said deviations.

17.2.3 All property damaged or destroyed as a result of the LLC adding to, modifying, or using a structure in a manner other than its intended use, or without first seeking any and all approvals and permits for the addition, modification, or use shall be considered LLC Restoration Areas for the purposes of determining financial responsibility for claims including, but not limited to, damage to personal property, damage to the Facility, all property insurance claims and deductible costs and financial responsibility for repairs or restorations to property resulting from said deviations. For clarity, this Section 17.2.3 is not intended as an exemplification of Section 17.2.2.

ARTICLE 18

DISPUTE RESOLUTION

18.1 **Dispute Resolution.** The LLC and the County agree to make every reasonable effort to resolve any dispute under this Agreement prior to either party's proceeding to file a lawsuit due to a default by the other party. Accordingly, in the event of a dispute related to the performance of either the LLC or the County under this Agreement, the LLC and the County agree not to file a lawsuit until they have engaged in an expedited dispute resolution mediation process, the parameters of which are to be agreed upon by the parties. The process is initiated by delivery of written notice to the other party, setting forth the subject of the dispute, claim or controversy and the relief requested. Within ten (10) days after the receipt of the foregoing notice, the other party shall deliver a written response to the initiating party's notice. The initial mediation sessions shall be within thirty (30) days from the initiating notice. The parties agree to share equally in the costs and expenses of the mediation and to each bear their own attorneys fees and costs. The parties may mutually agree to extend the timeframes set forth in this Section.

ARTICLE 19

CONDITIONS PRECEDENT

19.1 **Conditions Precedent.** The obligations of the County under this Agreement are expressly subject to each of the following conditions precedent having been satisfied;

A. The full execution and effectiveness of the Operative Agreements, including, specifically, the effectiveness of the Interlocal Agreement without the need for a referendum pursuant to Section 2-31(27)(f) of the City Code of Ordinances. For clarity, in the event a referendum is required and the referendum passes, then the condition precedent set forth in Section 19.1(A) will remain unsatisfied. If a referendum is required and fails, then said condition precedent shall be deemed satisfied as long as said referendum occurs within the timeframe set forth herein or any extension agreed to by the parties; and

- B. The County's receipt of the Funding Certification Letter; and
- C. The approval of this Agreement by Major League Baseball, if required.

19.2 Failure of Conditions Precedent. The parties may agree to an additional amount of time for compliance with Conditions Precedent, or failing an agreed upon extension of time, may terminate the Developer Agreement pursuant to Article 10 therein, and this Agreement shall terminate simultaneously therewith pursuant to Section 10.5 of the Developer Agreement. Article 17 of the Developer Agreement shall apply to determine the reimbursement obligations of the LLC upon termination for failure of conditions precedent.

ARTICLE 20 **TERMINATION**

20.1 Termination by LLC.

20.1.1 The LLC shall have the right to terminate this Agreement, as follows:

A. For any reason prior to the sale of the County Bonds as set forth in Section 10.2 (A) of the Developer Agreement, subject to repayment of One Hundred Percent (100%) of the Actual Costs paid to the LLC pursuant to the Developer Agreement and the Due Diligence and Planning Services Agreement; or

B. Pursuant to the Interest Election, subject to the LLC reimbursing the County fifty percent (50%) of the Actual Costs paid to the LLC pursuant to the Due Diligence Agreement and this Agreement. Notwithstanding the prior sentence, if the election occurs after all conditions precedent to issuance of County Bonds have been fulfilled except that a referendum is required pursuant to Section 2-31(27)(f) of the City Code of Ordinances, and the election occurs during or after a Referendum Period, then the LLC shall reimburse the County 100% of the Actual Costs at the date of termination.

C. If the conditions precedent set forth in Section 19.1 are not satisfied or waived by March 1, 2016, then the provisions of Section 19.2 shall control the right to termination.

20.1.2 In the event of termination pursuant to this Section 20.1, payment by the LLC to the County shall be made to County within thirty (30) days of receipt of substantiated bills from County.

20.1.3 In the event that the LLC desires to terminate this Agreement pursuant to this Section 20.1, the LLC shall deliver to the County a written notice of termination, which shall be effective on the Effective Termination Date.

20.2 Termination by County.

20.2.1 The County shall have the right to terminate this Agreement if the conditions precedent set forth in Section 19.1 are not satisfied or waived by March 1, 2016. The provisions of Section 19.2 shall apply to the County termination pursuant to this Section 20.2.1.

20.2.2 In the event that the County desires to terminate this Agreement pursuant to this Section 20.2, the County shall deliver to the LLC a written notice of termination, which shall be effective on the Effective Termination Date.

22.3 Section 288.11631, Florida Statutes.

22.3.1 Florida Statute, section 288.11631 is intended to provide a process for the retention of spring training baseball franchises within the State that are funded with State incentive funding. The LLC Parties and the County acknowledge that the amount of State incentive funding provided by the State for this Facility is based on the continual use of the Facility by two separate spring training baseball franchises for the entire length of the Term.

22.3.2 If both Teams simultaneously fail to play each and every of their Major League Spring Training Home Games at the Facility, through no fault of the County or the State, and not as otherwise permitted by this Agreement, or pre-approved in writing by the County, then unless the provisions of Section 22.3.7 below apply, both Teams shall be deemed to have Relocated pursuant to section 288.11631(2)(a)2, Florida Statutes, and thus, materially breached this Agreement, and, as such, the Teams, jointly and severally, shall reimburse the State for the

total amount of State distributions expected to be paid from the date of Relocation through the final maturity of the County Bonds, pursuant to section 288.11631, Florida Statutes.

22.3.3 In the event that during the Term of this Agreement, either one of the Teams fails to play each and every of its Major League Spring Training Home Games at the Facility, through no fault of the County or the State, and not as otherwise permitted by this Agreement or pre-approved in writing by the County, then unless the provisions of Section 22.3.7 below apply, such Team shall be deemed to have relocated ("1st Relocating Team"). 22.3.4 Subsequently, if the remaining Team fails to play each and every of its Major League Spring Training Home Games at the Facility, through no fault of the County or the State, and not as otherwise permitted by this Agreement, or pre-approved in writing by the County, then unless the provisions of Section 22.3.7 below apply, such Team shall be deemed to have relocated ("2nd Relocating Team"). 22.3.5 A breach of the Statute shall be considered to have occurred when a Team becomes a Relocating Team pursuant to Section 22.3.2, 22.3.3 or 22.3.4.

22.3.6 All obligations to reimburse the State that are described in this Agreement shall be enforceable by the State, and are secured by the Guaranties executed by each of the Teams as required by Section 16.7 herein.

22.3.7 Notwithstanding Sections 22.3.2 through 22.3.4 above, if a Team(s) or a Relocating Team is able to find a new Major League Club(s) to relocate to the Facility and play that replacement club's Major League Spring Training Home Games at the Facility, and such Major League Club is approved by the State as provided in Section 13.2.2, then the Team (s) shall be only responsible for that pro-rated portion of the repayment obligation imposed by Section 22.3.2 through Section 22.3.4, as applicable, for the period from the date such Team is deemed to have relocated, and continuing until the first day of the month that the replacement Major League Club plays its first Major League Spring Training Home Game at the Facility and not the entirety of the obligations set forth in Section 22.3.2 and Section 22.3.4 above; provided, however, that there is a completed assignment or transfer that satisfies all conditions of Section 13.2.2 of this Agreement. If a Team or Teams relocate, as defined in Section 22.3.2 through 22.3.4, then until such time as two separate Major League Clubs are both fully obligated as required by this Agreement, inclusive of the Guaranties hereto, the repayment obligations set forth in this Section shall apply.

22.3.8 The State, by and through DEO and DEO's successors and assigns, is a third party beneficiary of this Agreement and the Guaranties to this Agreement which are incorporated herein by reference. The State and DEO shall have standing in any action at law or in equity: 1) relating to, and/or to seek and/or compel performance of, the obligations imposed by Section 5.1.2 and/or Section 22.3 herein; and 2) relating to, and/or pursuant to, the Guaranty executed by each Team, in the same manner, to the same extent, and according to the same terms and provisions as are applicable to the County pursuant to each Guaranty. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This section 22.3.8 is cumulative with, and shall in no way limit, the State or DEO's other rights and remedies under law.

26.1 Warranty. The LLC warrants and represents that all of its employees are treated equally during employment without regard to race, color, national origin, religion, ancestry, sex, age, familial status, marital status, sexual orientation, gender identity and expression, disability, or genetic information.

26.2 Policy. The LLC has submitted to County a copy of its non-discrimination policy which is consistent with the above paragraph, as contained in R-2014-1421, as amended, or in the alternative, if the LLC does not have a written non-discrimination policy or one that conforms to the County's policy, it has acknowledged through a signed statement provided to County that the LLC will conform to the County's non-discrimination policy as provided in R-2014-1421, as amended.

ARTICLE 27 **SURRENDER OF FACILITY**

27.1 Return of Facility. At the termination of this Agreement, the LLC shall return the Facility to its original or subsequently improved condition (ordinary wear and tear, insured casualty, loss or damage by fire, elements or other causes, approved changes in design, or

installation of Capital Improvements excepted), and return to the County all equipment and personal property of the County, in each case after inspection of the Facility, which inspection shall be made jointly by the County and the LLC. Promptly after such inspection at the termination of any occupancy, if any repairs to the Facility or the County's equipment or personal property are deemed to be necessary which result from the Facility and all of the County's equipment and personal property not being maintained to a standard that is consistent with the standards of maintenance for similar types of public recreation facilities that include public amenities in Palm Beach County, the LLC shall have the option to: (i) make necessary repairs; or (ii) pay to the County any damages due for damage to the Facility or to personal property (ordinary wear and tear, insured casualty, loss or damage by fire, elements or other causes, approved changes in design, or installation of Capital Improvements excepted), except to the extent said damage was caused by the assigns, agents, employees or officers of the County. 27.2 Disposition of Non-County Property. The LLC shall have the right, upon termination of this Agreement, and within sixty (60) days thereafter, to remove from the Facility all movable property which is not permanently affixed to the structure and which is not owned by the County, and all concession equipment, all retail, restaurant food service, and catering equipment, fixtures and fit-out, and satellite television equipment, not owned by the County, whether or not such items are deemed movable and whether or not they are permanently affixed to the structure; provided, however, that the LLC will give the County thirty (30) days notice prior to such proposed removal of items, not owned by the County, permanently affixed to the structure; and provided further that the LLC's removal of such items shall not materially adversely affect the structural integrity of the Facility, in the opinion of a neutral third-party State of Florida-licensed engineer who will review such proposed removal at the LLC's and County's joint expense. The LLC agrees to repair any damage caused by such removal to the County's reasonable satisfaction. The LLC shall not remove any property which was placed on, constructed at, or affixed to, the Facility as a replacement or addition of property initially owned by the County.

ARTICLE 28 **FORCE MAJEURE**

Except as otherwise provided herein, neither party shall be in default under, or breach of, this Agreement to the extent it is unable to perform due to an event of Force Majeure, provided however, that the parties must comply with the requirements of Article 17. For the purpose of this Agreement, "Force Majeure" shall mean and include any act of God, accident, fire, riot or civil commotion, act of public enemy, failure of transportation facilities, enactment, rule, order or act of government or governmental instrumentality (whether domestic or international and whether federal, state or local (except in the case of a rule, order or act by Palm Beach County), or the international equivalent thereof), failure of technical facilities, or any other cause of any nature whatsoever beyond the control of the parties (excluding a strike, lockout, or other labor dispute involving Major League Baseball) which was not avoidable in the exercise of reasonable

care and foresight. The party claiming the occurrence of a Force Majeure event shall promptly notify the other party of such occurrence, and the likely duration and termination thereof. If a Force Majeure causes a Team to fail to play an entire Full Spring Training Season or more at the Facility, this Agreement shall be automatically extended beyond the Term for an additional period of time equal to the amount of time the Team failed to play its Major League Spring Training Home Games at the Facility due to that Force Majeure.

ARTICLE 29
LABOR DISPUTE

In the event of a lockout, strike, or other labor dispute involving Major League Baseball ("Labor Dispute"), the LLC will continue to be obligated to provide Repair and Maintenance, Renewal and Replacement and Capital Improvements to the Facility, but the LLC will be permitted to scale down its operations of the Facility until such time as the Labor Dispute is resolved and the LLC can commence Major League Baseball operations at the Facility. Notwithstanding the foregoing, in the event of a Labor Dispute which prevents the LLC from using the Facility for a Full Spring Training Season, this Agreement shall be automatically extended beyond the initial Term for an additional Full Spring Training Season.

ARTICLE 30
MORE FAVORABLE TERMS

30.1 New Major League Clubs in Palm Beach County. If, at any time during the Term, the County directly or indirectly enters into an agreement with another Major League Club for the operation and use of another stadium, other than renovation and/or redevelopment of the Roger Dean Stadium operated by Jupiter Stadium, Ltd., and any renewal, restatement, extension, amendment or renegotiation of the First Restated Sports Facility Use Agreement with Jupiter Stadium Ltd., (R2011-0694) as further described below, which agreement includes among its terms the right to play more than two (2) Spring Training Season home games in the County during any Spring Training Season, the County shall provide the LLC with a copy of such agreement. If the LLC reasonably believes that the terms of such agreement are more favorable than the corresponding term(s) contained herein, the LLC shall have no longer than 21 days from the time that the LLC is provided such an agreement to so notify the County. In such event the more favorable terms shall be substituted for the corresponding term(s) of this Agreement for the remainder of the Term, retroactive to the date the County entered into the agreement with the other Major League Club. Notwithstanding the foregoing, in the event such more favorable terms would impact the then applicable tax status of the County Bonds, the LLC shall not be entitled to such more favorable terms.

30.2 First Restated Sports Facility Use Agreement with Jupiter Stadium, Ltd. In the event the County renews, restates, extends, amends or renegotiates the First Restated Sports Facility Use Agreement with Jupiter Stadium, Ltd., (R2011-0694) (the "Renewed Use Agreement") during the Term hereof, the County shall provide the LLC with a copy of the Renewed Use Agreement. If the LLC reasonably believes that any of the terms of the Renewed Use Agreement are more favorable than the corresponding term(s) contained herein, the LLC shall have no longer than 21 days from the time the LLC is provided a copy of the Renewed Use

Agreement to notify the County. In such event, the more favorable terms shall be substituted for the corresponding term(s) of this Agreement for the remainder of the Term, retroactive to the date the County enters into the Renewed Use Agreement. Notwithstanding the foregoing, Section 5.1.2, Section 5.5 (Buffer Area), Article 6 (Use Fees), Article 19 (Conditions Precedent), and Article 20 (Termination) shall be excluded from this Article 30. Article 13 (Transfer), Section 16.7 (Guaranty) and Article 22 (Remedies) shall be excluded insofar as any interest, right or remedy of the State or DEO. In the event such more favorable terms would impact the then applicable tax status of the County Bonds or impacts the interests or rights of State herein, the LLC shall not be entitled to such more favorable terms.

30.3 The parties hereto acknowledge that the provisions of this Article 30 shall not apply to any Developer Agreement for the Roger Dean Stadium operated by Jupiter Stadium, Ltd.

30.4 Notwithstanding anything in this Article 30 to the contrary, the Parties hereto may not alter this Agreement in any way that reduces, harms, or otherwise impacts the rights of State herein without express written consent from State.

ARTICLE 31 **INSPECTOR GENERAL**

County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of the LLC, its officers, agents, employees, and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be a violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

ARTICLE 32 **PUBLIC RECORDS**

32.1 County Access to Records. The LLC shall maintain adequate records to justify all charges, expenses and costs incurred in estimating and performing the obligations of the LLC hereunder for three (3) years, or such longer period of time as required by law, after the termination or completion of this Agreement. The County shall have access in Palm Beach County to such books, records, and documents as required in this Section for the purpose of inspection or audit during normal business hours, at the LLC's place of business, provided that (a) the County notifies the LLC no less than Thirty (30) Days prior to the date of such inspection or audit, and (b) the number of such inspections or audit shall be limited to one (1) per calendar year. The LLC agrees to make available to the County, at the County's request, and at the County's sole cost and expense, all documents and materials pertaining to the obligations of the LLC and the operation of the Facility as required by this Section 32.1, if after three (3) years, then still in the possession of the LLC.

32.2 Public Access to Records. As applicable and legally required, the LLC shall comply with the requirements of §119.0701, Florida Statutes, as amended. Specifically, to the extent required by §119.0701, Florida Statutes the LLC shall:

A. Keep and maintain public records that ordinarily and necessarily are required by the County in order to perform the services as provided under this Agreement.

B. Maintain all public records in a readily accessible, organized format consistent with the requirement of identifying, retrieving and providing prompt and frequent access to records.

C. Provide the public with access to public records on the same terms and conditions that the County is by law required to furnish, and at a cost that does not exceed the cost provided in Florida Statutes, Chapter 119 or as otherwise provided by law.

D. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements pursuant to Florida Statute are not disclosed, including but not limited to, records that are exempt pursuant to § 255.047, Florida Statutes and §125.0104(9), Florida Statutes, except as may be authorized by law.

E. Redact part of a record if an exemption applies to part of a record, while producing the remainder of the record and providing the statutory exemption citation that exempts the portion of the record.

F. If responding that an entire record is exempt, respond by stating the basis of the exemption and providing the statutory exemption citation.

G. If requested, provide in writing and with particularity the reasons for the conclusion that the record is exempt or confidential.

H. Meet all requirements for retaining public records and transfer, at no cost, to the County all public records in possession of the LLC upon termination of the Agreement and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to County in a format that is compatible with the information technology systems of County.

32.3 Breach of Agreement. Failure of the LLC to comply with the requirements of Section 32.2 herein shall be a material breach of this Agreement.

ARTICLE 33 **MLB REQUIREMENTS**

33.1 Conformity with Rules. The LLC represents and warrants that, to the best of its knowledge, the execution, delivery and performance by the LLC of this Agreement does not violate any provision of the MLB Rules and Regulations including, but not limited to, specifically, the Major League Rules, the Professional Baseball Agreement and the Official Baseball Rules.

33.2 Approval of Major League Baseball. This Agreement shall not be effective until such time as all applicable MLB Approvals have been obtained, which approvals may be withheld in their sole and absolute discretion. In all respects, this Agreement shall be subject to the then current rules and regulations of Major League Baseball. Notwithstanding anything in the foregoing to the contrary, the LLC represents and warrants that the only MLB Approval required for this Agreement to be effective is the receipt of a no-objection letter from the BOC.

33.3 Rules and Regulations. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by the Astros or the Nationals (whether through the LLC or otherwise) hereunder shall in all respects be subordinate to the MLB Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities. In the event that any act or omission of the LLC, the Astros and/or the Nationals to comply with the MLB Rules and Regulations affects the rights of the County under this Agreement or deprives the County of the benefits of this Agreement, the parties will work in good faith to amend the terms of this Agreement to neutralize the effect. The LLC agrees in any event that if compliance by it with MLB Rules and Regulations results in a failure of the LLC to fulfill its obligations under this Agreement, the County and DBO may enforce remedies for the LLC's failure to fulfill its obligations as provided in this Agreement.

33.4 Territory. The territory within which the County is granted rights is limited to, and nothing herein shall be construed as conferring on the County (or any other party) rights in areas outside of, the Spring Training territory of the Astros or the Spring Training territory of the Nationals, as the case may be, each as established and amended from time to time pursuant to the MLB Rules and Regulations.

ARTICLE 34 GENERAL PROVISIONS

34.5 Further Instruments. The parties agree to execute and deliver any instruments in writing necessary to carry out any agreement, term, condition or assurance in this Agreement whenever the occasion shall arise and request for such instrument shall be made.

34.6 Integration and Merger. This Agreement, together with the Operative Agreements, shall constitute the full and complete understanding between the parties as to the matters addressed herein. There are no oral understandings, terms or conditions, and no party has relied on any representation, express or implied, not contained in this Agreement. All prior understandings, terms or conditions (including those set forth in the Agreement), whether with a party to this Agreement or any partner of a party, are deemed to merge in this Agreement, and this Agreement cannot be changed or supplemented except by an agreement in writing and signed by the parties to this Agreement.

34.7 Severability. If any provisions of this Agreement shall be declared invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect.

34.8 Compliance with Laws. None of the parties hereto shall in any manner, directly or indirectly, violate the laws, ordinances, rules or regulations of any federal, state, county, city, or other governmental authority or agency in connection with the development, construction, use, operation and occupancy of the Facility under the terms of this Agreement.

34.9 Exhibits. All exhibits referenced in this Agreement are incorporated into this Agreement by such reference and shall be deemed to be an integral part of this Agreement.

34.10 Amendments. No change, amendment or modification of this Agreement shall be valid or binding upon the parties hereto unless such change, amendment, or modification shall be in writing and duly executed by both parties hereto, and, unless such amendment or modification has received, in advance, all applicable MLB Approvals. 34.13 No Waiver. Any waiver by either party of a breach of any provision of this Agreement shall not operate as, or be construed to be, a waiver of any other breach of such provision or of any breach of any other provision of this Agreement. The failure of a party to insist upon strict adherence to any term of this Agreement on one or more occasions shall neither be considered a waiver nor deprive that party any right thereafter to insist upon strict adherence to that term or any other terms of this Agreement. Any waiver must be in writing and signed by the party to be charged therewith.

34.14 Counterparts. Provided that all parties hereto execute an original of this Agreement, this Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

34.15 Nature of Parties' Obligations.

34.15.1 It is understood and agreed that the LLC is acting as an independent contractor in the performance of its services hereunder, and nothing herein shall be deemed to create a joint venture, agency or partnership relationship between the County and the LLC.

34.15.2 The obligation of the County to pay any amounts required under this Agreement shall constitute a revenue obligation of the County payable solely from legally available non-ad valorem revenues of the County and shall not in any way be construed to be a debt of the County in contravention of applicable constitutional, statutory or charter limitations or requirements concerning the creation of indebtedness of the County. Neither the County, the State of Florida, nor any political subdivision or agency thereof shall be obligated to pay any sums due under this Agreement from compelled levy of ad valorem or other taxes, and neither the full faith and credit nor the taxing power of the County, the State of Florida or any political subdivision or agency thereof are pledged for payment of such sums due under this Agreement.

All parties further agree that no manager or member shall directly or indirectly have any liability or obligation under any related agreement or agreement entered into in connection herewith, nor under any related understanding or undertaking, except if and to the extent such manager and member shall have

executed an agreement expressly agreeing to such liability. No party to this Agreement shall name or serve any manager or member in any proceeding, suit or claim in violation of this paragraph. This paragraph shall not preclude any claim against the LLC as a limited liability company. The County agrees that the LLC may, in its sole discretion, convert from a limited liability company to a limited liability partnership or otherwise reorganize its legal structure ("Reorganization") without the necessity of any approval of the County; provided, however, that, (a) following such Reorganization, the Teams are the sole owners of all interests in the reorganized entity (the "Reorganized LLC"), and (b) upon any such Reorganization, the Reorganized LLC shall assume all rights and obligations of the LLC under this Agreement and shall provide County with written evidence of the same.

34.17 Time is of the Essence. In all matters concerning or affecting this Agreement, time is of the essence.

34.18 Annual Appropriations. The County's performance and obligation to pay under this Agreement is contingent upon annual appropriations for its purpose by the Board of County Commissioners.

34.19 Construction. No party shall be considered the author of this Agreement since the parties hereto have participated in extensive negotiations and drafting and redrafting of this document to arrive at a final agreement. Thus, the terms of this Agreement shall not be strictly construed against one party as opposed to the other party based upon who drafted it. In the event that any article, paragraph, sentence, clause, or provision hereof is held by a court of competent jurisdiction to be invalid, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect.

THE REMAINDER OF THIS PAGE IS LEFT INTENTIONALLY BLANK

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed in several counterparts, each of which shall constitute an original and all of which, taken together, shall constitute a single instrument, as of the day first written above.

The County shall provide assistance to and use reasonable efforts to cooperate with the LLC in the performance of this Agreement. Nothing in this Section shall be construed to require either party to violate any valid and enforceable Public Laws.

6.5 The LLC shall not self-perform any physical construction at the Site pursuant to this Agreement. Furthermore, the LLC shall not perform, and nothing contained in this Agreement shall be construed to require the LLC to perform, any activity or service which would require a license, a certificate of authorization, certification or registration under Chapters 471, 481 or 489, Florida Statutes.

ARTICLE 8
PROGRAM COST ESTIMATE and PROGRAM BUDGET

8.1 Creation of a Program Cost Estimate.

8.1.1 The LLC shall create a Program Cost Estimate. Prior to the issuance of the County Bonds, the LLC shall submit the form and structure of the Program Cost Estimate for approval by the County. The County's approval shall be for compliance with the requirements of this Agreement as well as the form and practicality of monitoring and implementation throughout the term of the development of the Facility.

8.1.3 The LLC shall designate which Consultant will be responsible for the management of the Program Cost Estimate and the Program Budget.

8.2 The Consultant identified to create and manage the Program Cost Estimate and the Program Budget shall maintain a separate budget with detailed expenditures relating to the development of City Park and the City Park Improvements.

8.3 Cost Overruns.

The LLC will be responsible for Cost Overruns, except to the extent: (a) the County imposes a program requirement in excess of the Minimum Requirements that results in a Cost Overrun; or (b) the County breaches any of the Operative Agreements or any agreements relating to bond financing for the Program, which breach results in a Cost Overrun. In the event that either of the foregoing causes occurs, the County shall pay a proportionate share of any such Cost Overrun, which proportion shall be equal to the extent to which the Cost Overrun was caused by the County. Any payment by the LLC for Cost Overruns shall be not be deemed a payment for use of any portion of the Facility, but rather an equity contribution.

8.4 Cost Savings

8.4.1 The County and the LLC shall use good faith efforts to achieve Cost Savings through the various stages of the Program and shall allocate the Cost Savings as set forth herein.

8.4.2 The County and the LLC will work together throughout the design of the Facility to ensure; 1) the design and specifications reflect the materials typically installed in professional sports stadium facilities, 2) that quantities of features are generally comparable to other professional stadium facilities, 3) that Public Use Improvements are designed to County standards where comparable standards exist, 4) that any recycled and/or re-used materials are considered, when appropriate, and that 5) specified building equipment and materials are of types and installation details typical to South Florida. The County shall conduct design reviews to ensure consistency with the above listed requirements and to identify opportunities for Pre-Construction Cost Savings as follows:

- A. The LLC shall invite County to participate in any meetings it believes appropriate to facilitate the identification of Cost Savings. The County shall be allowed to participate in any meetings and/or discussions that the County believes appropriate to facilitate Cost Savings.
- B. The LLC will provide County with electronic access to design submittals (schematic design, design development, construction documents and corresponding cost estimates) and provide County with copies of the design submittals as requested by County. The LLC shall work with County, including meeting with County and inviting County to design review meetings, in order to facilitate County review of design submittals, including plans, specifications and schedules. The LLC shall provide County with written reports detailing all comments resulting from such interim submittal reviews. The County shall review and provide comments to the LLC upon receipt of the estimates of probable construction cost as prepared by the Contractor. The County may make recommendations to advise the LLC where the estimate of probable construction cost could be reduced in order to achieve Pre-Construction Cost Savings.
- C. The LLC shall review all comments of County as it relates to the design submittals and probable construction costs to ensure the LLC addresses each comment and incorporate changes approved by the LLC, if any, into the Program Cost Estimate.
- D. Pre-Construction Cost Savings will be identified and allocated no later than the time of County Bond approval by the County.

8.4.3 Pre-Construction Cost Savings will be shared between the County and the LLC, on a pro rata basis of the total cost of the Program over the term of this Agreement. The County's share will be calculated based upon the combined State and County's contribution to reduce the Budgeted Amount. The LLC's share shall reduce the LLC's total payment obligation to County as set forth in Section 6.5.2 of the Sports Facility Use Agreement, which shall be applied proportionately to reduce all Team Improvement Areas Fee payments, during the term of the Sports Facility Use Agreement.

8.4.4 The LLC shall implement the Sales Tax Recovery Program pursuant to the policies and procedures set forth in Exhibit E attached hereto. It shall be the responsibility of the Program Representative to seek the advance approval of the County Representative on whether a commodity is eligible for purchase pursuant to the Sales Tax Recovery Program. The Program Representative will be responsible for processing all Sales Tax Recovery Change Orders and Sales Tax Recovery PO's. The County will respond within ten (10) business days of receipt of properly completed Sales Tax Recovery PO's. To the extent that the County receives any proceeds in accordance with Section 2.1.13 of Exhibit E hereto, the County agrees that said proceeds shall be utilized to replace any commodity purchased under the Sales Tax Recovery Program, unless otherwise agreed to by the County and the LLC.

8.4.5 All savings resulting from participation in the Sales Tax Recovery Program will be credited to the Program Contingency in the Program Cost Estimate.

8.4.6 The Parties acknowledge that the costs of any particular line item for Services will vary from the number identified in the Program Cost Estimate. If the contracted cost of the particular Service is less than that identified in the Program Cost Estimate, then the LLC shall credit the difference to the Program Contingency ("Buy-Out Savings"). If the contracted cost of the particular Service is more than identified in the Program Cost Estimate, then the LLC shall first debit the Program Contingency, and once the Program Contingency is exhausted, the difference will be considered a Cost Overrun.

8.4.7 Construction Savings shall be deposited into the R/R Project Reserve and allocated one-third (1/3) to the County R/R Project Reserve and two-thirds (2/3) to the LLC's R/R Project Reserve, to provide initial funding for Renewal/Replacement Projects pursuant to the Sports Facility Use Agreement. To the extent the savings relate to facilities financed with the proceeds of County Bonds the interest on which is excluded from gross income of the holders thereof for federal income tax purposes (the "Tax-Exempt Bonds"), the County will seek an opinion of Bond Counsel to the effect that such application of the proceeds of such Tax-Exempt Bonds shall not, in and of itself cause interest on the Tax-Exempt Bonds to be included in the gross income of the holders thereof for federal income tax purposes.

8.5 Change Orders

8.5.1 The LLC shall provide County with a monthly report listing of all PBs, CCPs, Contingency Use, CCDs, and Change Orders with sufficient details to enable County's review of each of the above, for consistency with the terms of this Agreement.

8.5.2 Changes to the Consultant(s) and Contractor Scope of Work shall be authorized by the Program Representative pursuant to its standard practice and copies of such Change Orders shall be provided to County with each pay application.

8.5.3 The LLC is required to obtain County approval on any Change Order that: 1) significantly changes the general scope, extent or character of the Program or its design including, but not limited to, changes in size or character of construction; 2) modifies specified equipment and/or substitutes materials in Public Use Improvements; and/or 3) changes the Art component, which Change Orders may be granted or denied in County's discretion. County may review other Program changes as deemed appropriate in County's discretion.

ARTICLE 9 COMPENSATION FOR SERVICES

9.1 The County shall timely pay any and all Actual Costs required to be paid by it to the LLC pursuant to the terms of this Agreement, which payments shall be made in accordance with the provisions of this Agreement.

9.2 The County shall only be required to pay for Actual Costs not exceeding the Budgeted Amount, retroactive from February 3, 2015. Except as otherwise provided in Section 8.3 for Cost Overruns attributable to County, under no circumstance shall the County pay for any other costs of the Program.

9.3 Requisition Process

9.3.1 On or before the fifth (5th) Day of each month, the LLC shall be entitled to submit to the County a payment certification and requisition for Actual Costs incurred, which shall include a copy of the Consultants or Contractor application for payment, certified by the LLC and the applicable Consultant or Contractor in accordance with the requirements of Exhibit G attached hereto. The LLC agrees to deliver to the County such back-up materials as the County may reasonably require, and which the LLC has reasonable access to obtain. Unless the County disputes all or a portion of any charge set forth in said payment certification and requisition, the County shall make payments to the LLC in the amounts due to: (a) the Consultant, pursuant to each Consultant Contract; and (b) the Contractor, pursuant to each Construction Contract; within 30 days from the date of receipt of a complete payment certification and requisition from the LLC. The Contractor's application for payment must also be accompanied by the Affidavit set forth in Section 9.3.2 below. To the extent that the County disputes all or part of the payment requested by the payment certification and requisition, the County shall make partial payment of the non-disputed amount and provide notice of the disputed amount and reason for the dispute to the LLC within ten (10) days of receipt of the payment certification and requisition. Said notice shall be considered the initial notice of the dispute resolution procedure set forth in Section 14.1 hereof, and the parties agree to follow the dispute resolution procedure to resolve any such payment disputes.

9.3.2 With each payment certification and requisition submitted to the County, the LLC shall deliver to the County from each Contractor(s) or Consultant(s) for which payment is requested, as the case may be, fully executed Affidavit of Disbursement of Previous Payments in the amount of the immediately prior payment for the applicable Contractor or Consultant, as the case may be, excepting any claims that remain in dispute. The County shall not release payment for any portion of the Services performed by the Consultant(s) or the Contractor(s), as the case may be, unless the payment certification and requisition submitted to the County is accompanied by the Affidavit of Disbursement of Previous Payments for the Consultant(s) or the Contractor. However, the County may, but shall not be required to, make payments on account of the respective Construction Contract or Consultant's Contract without such affidavit, if the Contractor or Consultant presents to the LLC, and the LLC presents to the County, a consent of surety to such payment, from the Contractor's or Consultant's surety, in form acceptable to the County.

9.4 The receipt of such payment by the LLC is hereby deemed to be a condition precedent to the LLC's obligation to transmit payments to the Consultant(s) or the Contractor(s). In the event that the County fails to make payment to the LLC in the entire amount of any payment certification and requisition submitted by the LLC, the LLC shall only be obligated to transmit payment to the Consultant(s) or the Contractor(s) in the amount actually received from the County. Notwithstanding the above, the receipt of payment from County is not a condition

precedent to the extent the payment request represents payment to a Consultant(s) or Contractor(s) attributable to a Cost Overrun payable by the LLC pursuant to Section 8.3 herein.

9.5 Upon receipt of payment from the County with respect to any payment certification and requisition, the LLC shall transmit payment to the Consultant or the Contractor, in the exact amount received from the County within five (5) Business Days from the date of the LLC's receipt of such payment from the County.

ARTICLE 10 **TERM AND TERMINATION**

10.1 The term of this Agreement shall commence on the Effective Date, shall amend and replace the Developer Agreement (R2015-1071) and shall continue until the earlier of; (a) full completion of all Services and payments contemplated under this Agreement; (b) the date of termination of the Interlocal Agreement if terminated prior to the closing as described in Section 10 therein; (c) the date of the termination of the Sports Facility Use Agreement; or (d) the date of the termination of this Agreement, pursuant to the terms hereof (the "Term").

10.2 The LLC shall have the right to terminate this Agreement:

- A. For any reason prior to the sale of the County Bonds, subject to repayment of One Hundred Percent (100%) of the Actual Costs paid to the LLC pursuant to the Due Diligence Agreement and this Agreement.
- B. Pursuant to the Interest Election, subject to the LLC reimbursing the County fifty percent (50%) of the Actual Costs paid to the LLC pursuant to the Due Diligence and Planning Services Agreement and this Agreement. Notwithstanding the prior sentence, if the election occurs after all conditions precedent to issuance of County Bonds have been fulfilled except that a referendum is required pursuant to Section 2-31(27)(f) of the City Code of Ordinances, and the election occurs during or after a Referendum Period, then the LLC shall reimburse the County 100% of the Actual Costs at the date of termination.

SALES TAX RECOVERY PROGRAM

1.0 Sales and Use Taxes. The County is exempt from paying sales and use taxes on materials and equipment purchased for, and incorporated into, the Facility. The County shall make direct purchases of all materials and equipment purchased for, or to be incorporated into the Facility, as requested by the LLC and confirmed by the County Representative to be eligible for the Program. All direct purchases of materials and equipment shall be made by the County with funding from the Budgeted Amount specifically allocated for the construction of the Facility, which is a capital improvement project, the construction of which is subject to the County's competitive procurement requirements. In order to avail itself to this exemption, the County requires the LLC to contractually obligate the Contractor(s) to implement the following procedures:

2.1 County Furnished Materials

2.1.1 The Construction Manager shall include Florida State Sales and other applicable taxes in its bid for material, supplies, and equipment.

The LLC reserves the right to require the Construction Manager to assign some or all of its subcontracts or other agreements with material suppliers directly to County. Any materials purchased by County pursuant to such an assignment of a material supply subcontract or agreement of a material supply subcontract or agreement shall be referred to as "County Furnished Materials" and the responsibilities of both County and Construction Manager relating to such County Furnished Materials shall be governed by the terms and conditions of these Special Conditions, which shall take precedence over other conditions and terms of the Contract Documents where inconsistencies or conflicts exist. In addition, the County's standard terms and conditions associated with purchase ordered materials will be applicable to all County Furnished Materials.

2.1.2 Material suppliers shall be selected by the Construction Manager awarded the contract by the competitive bid process. Supply contracts shall be awarded by the Construction Manager to the supplier whose bid/proposal is most advantageous to the LLC, price and other factors considered.

The Construction Manager shall include the price for all construction materials in its bid. County purchasing of construction materials, if selected, will be administered on a deductive Change Order basis.

2.1.3 To enable the LLC to realize savings of Sales Tax on selected tangible personal property needed for this Program, the Construction Manager will provide to the LLC a list of all intended suppliers, vendors, and materialmen for consideration as County Furnished Materials. The Construction Manager shall submit price quotes from the vendors, as well as a description of the materials to be supplied, quantities and prices. The Construction Manager will evaluate the list to recommend direct purchases where those direct purchases will result in Sales Tax Savings to the

LLC. The LLC will either accept or reject the Construction Manager's recommendations and purchases will be made according to County procedures.

2.1.4 Construction Manager shall identify materials with a minimum agreed upon goal which the County will furnish through the County Furnished Materials clause, and might furnish materials worth far more than that amount. Therefore, the provision by the Construction Manager for support, clerical, and administrative services detailed in that clause is part of this contract.

In a timely manner, Construction Manager shall prepare County Purchase Order Forms specifically identify the materials which County may, in its discretion, elect to purchase directly.

Construction Manager shall include copies of vendors' quotations.

2.1.5 The following procedure, which is a waiver of the Palm Beach County Procurement Code, shall be used for the implementation of this program.

Construction Manager shall prepare County Purchase Orders (hereinafter "Purchase Orders") for items of material which the County chooses to purchase directly. Once the Purchase Order has been prepared and executed, it shall be issued directly to the vendor by the County. Pursuant to the Purchase Order, the vendor will provide the required quantities of material at the price established in the vendor's quote to the Construction Manager, less any sales tax associated with such price. Promptly upon issuance of each Purchase Order by the County, Construction Manager shall verify the purchase of the items in accordance with the terms of the Purchase Order and in a manner to assure timely delivery of items. Palm Beach County's Director of Purchasing or his designated representative shall be the approving authority for the County on Purchase Orders in conjunction with County Furnished Materials. The Purchase Order shall require that the supplier provide the required shipping and handling insurance. The Purchase Order shall also require the delivery of the County Furnished Materials on the delivery dates provided by the Construction Manager. The Vendor shall issue its invoice, for all materials supplied pursuant to a County Purchase Order, directly to Palm Beach County.

2.1.6 In conjunction with or prior to the execution of the Purchase Orders by the suppliers, the Construction Manager shall execute and deliver to the Program Representative LLC who will forward to the County one or more deductive Change Orders, in accordance with General Conditions referencing the full value of all County-Furnished Materials to be provided by each supplier from whom the County elected to purchase material directly, plus all sales taxes associated with such materials in Construction Manager's bid to County, plus savings to Construction Manager in the cost of Payment and Performance Bonds associated with such County Furnished Materials.

2.1.7 All shop drawings and submittals shall be made in accordance with the General Conditions.

2.1.8 Construction Manager shall be fully responsible for all matters relating to the receipt of materials furnished by County in accordance with these Special Conditions including, but not

limited to, verifying correct quantities, verifying documents of orders in a timely manner, coordinating purchases providing and obtaining all warranties and guarantees required by the Contract Documents, inspection and acceptance of the goods at the time of delivery, and loss or damage to equipment and materials following acceptance of items by the County due to the negligence of the Construction Manager. The Construction Manager shall coordinate delivery schedules, sequence of delivery, loading orientation, and other arrangements normally required by the Construction Manager for the particular materials furnished. The Construction Manager shall provide all services required for the unloading, handling and storage of materials through installation. The Construction Manager agrees to indemnify and hold harmless the County from any and all claims of whatever nature resulting from non-payment of goods to suppliers arising from the actions of the Construction Manager.

2.1.9 As County Furnished Materials are delivered to the jobsite, the Construction Manager shall visually inspect all shipments from the suppliers, and approve the vendor's invoice for material delivered. The Construction Manager shall assure that each delivery of County Furnished Materials is accompanied by documentation adequate to identify the Purchase Order against which the purchase is made. This documentation may consist of a delivery ticket and an invoice from the supplier conforming to the Purchase Order together with such additional information as the County or LLC may require. The Construction Manager will then forward the documentation to the County through the LLC.

2.1.10 The Construction Manager shall insure that County Furnished Materials conform to the specifications, and determine prior to incorporation into the Work if such materials are patently defective, and whether such materials are identical to the materials ordered and match the description on the bill of lading. If the Construction Manager discovers defective or non-conformities in County Furnished Materials upon such visual inspection, the Construction Manager shall not utilize such nonconforming or defective materials in the Work and instead shall promptly notify the County of the defective or nonconforming condition so that repair or replacement of those materials can occur without any undue delay or interruption to the Program. If the Construction Manager fails to perform such inspection and otherwise incorporates into the Work such defective or nonconforming County Furnished Materials, the condition of which it either knew or should have known by performance of an inspection, Construction Manager shall be responsible for all damages to County resulting from Construction Manager's incorporation of such materials into the Program, including liquidated or delay damages.

2.1.11 The Construction Manager shall maintain records of all County Furnished Materials incorporated into the Work from the stock of County Furnished Materials in its possession. The Construction Manager shall account monthly to the County through the LLC for any County Furnished Materials delivered into the Construction Manager's possession, indicating portions of all such materials which have been incorporated into the Work.

2.1.12 The Construction Manager shall be responsible for obtaining and managing all warranties and guarantees for all materials and products as required by the Contract Documents. All repair, maintenance or damage-repair calls shall be forwarded to the Construction Manager for resolution with the appropriate supplier, vendor, or Subcontractor.

2.1.13 Notwithstanding the transfer of County Furnished Materials by the County to the Construction Manager's possession, the County shall retain legal and equitable title to any and all County Furnished Materials although the Construction Manager shall maintain both Builders Risk and Inland Marine/Transit insurance on said Materials and the Loss Payee endorsement on said policies shall read "Palm Beach County Board of County Commissioners".

2.1.14 The transfer of possession of County Furnished Materials from the County to the Construction Manager shall constitute a bailment for the mutual benefit of the County and the Construction Manager. The County shall be considered the bailor and the Construction Manager the bailee of the County Furnished Materials. County Furnished Materials shall be considered returned to the County for purposes of their bailment at such time as they are incorporated into the Program or consumed in the process of completing the Program.

2.1.15 The County shall in no way be liable for any interruption or delay in the Program, for any defects or other problems with the Program, or for any extra costs or time resulting from any delay in the delivery of, or defects in, County Furnished Materials.

2.1.16 On a monthly basis, Construction Manager shall be required to review invoices submitted by all suppliers of County Furnished Materials delivered to the Program sites during that month and either concur or object to the County's issuance of payment to the suppliers, based upon Construction Manager's records of materials delivered to the Site and any defects in such materials.

2.1.17 In order to arrange for the prompt payment to the suppliers, the Construction Manager shall provide to the County a list indicating the acceptance of the goods or materials within 15 days of receipt of said goods or materials. The list shall include a copy of the applicable Purchase Order, invoices, delivery tickets, written acceptance of the delivered items, and such other documentation as may be reasonable required by the County. Upon receipt of the appropriate documentation, the County shall prepare a check drawn to the supplier based upon the receipt of data provided. This check will be released, delivered and remitted directly to the supplier. The Construction Manager agrees to assist the County to immediately obtain partial or final release of waivers as appropriate. The County shall not make any payment without the appropriate Contractor's concurrence and approval, which shall be delivered to the County by the Program Representative.

2.1.18 The County shall be entitled to the benefits of any discounts attributable to the early payment of vendor invoices for materials furnished by the County pursuant to these Specifications.

2.1.19 The material supplier may be required to provide a Supply Bond in the amount of 100% of the purchase order price. The bond shall be from a qualified surety company authorized to do business in the State of Florida and acceptable to the County. If the supply bond is required the cost of the bond will be added to the amount of the purchase order. The premium cost for the surety bond should not be included in the bid price. Verifying that a designated material supplier can furnish a supply bond will be the responsibility of the Construction Manager.

RECITALS:

County is contemporaneously herewith entering into the First Restated Developer Agreement (the "Developer Agreement") and the First Restated Sports Facility Use Agreement (the "Sports Facility Use Agreement"), to provide for the construction, development and operation of the baseball spring training facility (the "Facility"), each dated as of the date hereof, and each entered into by and between County and HW Spring Training Complex, LLC, a Florida Limited Liability Company (the "LLC"), and the Sports Facility Use Agreement also being entered into by the Houston Astros, LLC, a Texas Limited Liability Company (the "Astros" or "Team") and the Washington Nationals Baseball Club, LLC, a Washington, DC Limited Liability Company (the "Nationals" or "Team") as to Sections 5.1.2, Article 13, Section 16.7 and Section 22.3 thereof, and on March 10, 2015 County entered into a Due Diligence and Planning Services Agreement R-2015-0358 with the LLC, (collectively, the Sports Facility Use Agreement, the Developer Agreement and the Due Diligence and Planning Services Agreement are referred to as the "County Documents").

In order to induce County to enter into the County Documents and in consideration of the foregoing premises and for other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged, and further, in order to induce DEO to certify the County pursuant to section 288.11631, Florida Statutes, Guarantor hereby agrees for the benefit of County and its successors and assigns and the State, and its successors and assigns, as follows:

1. Incorporation of Recitals. The recitals set forth above are true and correct and are incorporated herein as if set forth in full.
2. Defined Terms. Capitalized terms used herein shall have the meaning set forth herein. Unless the context otherwise requires and except as otherwise provided herein, capitalized terms used herein that are not defined herein shall have the meaning assigned to such terms in the County Documents.
3. Effective Date. The Effective Date of this Guaranty shall be March 10, 2015.

4. Due Diligence Guaranty. The Guarantor entered into a Due Diligence and Planning Services Guaranty on March 10, 2015 contemporaneously with the Due Diligence and Planning Services Agreement R-2015-0358. This Guaranty replaces and terminates the Due Diligence and Planning Services Guaranty provided by Guarantor, and as a result, the Effective Date of this Guaranty has been made retroactive to the date of the Due Diligence and Planning Services Guaranty.

5. Payment, Performance, Construction and Operation Guaranty. Guarantor hereby unconditionally, absolutely, generally, continually, and irrevocably guarantees to County, and DEO as to the rights and interests of DEO pursuant to the County Documents, all obligations imposed by the County Documents, including, without limitation, the planning, design and permitting of the Project and the completion of construction of the Facility and operation of the Facility pursuant to the County Documents and the payment and performance of all liabilities, obligations and duties imposed on the LLC under each of the County Documents (collectively "the Obligations") as if Guarantor had executed each such County Document in place of the LLC. As this Guaranty replaces and terminates the Due Diligence Guaranty described in Section 4, this Guaranty shall have a commencement date of March 10, 2015 and shall apply to any Obligations from that date forward. This Guaranty shall not terminate until the payment of all sums and performance of all Obligations, except that, to the extent this Guaranty guarantees performance of Obligations which survive the termination of the County Documents, then this Guaranty shall continue to remain in full force and effect.

6. Security. Guarantor has provided a statement from an independent Certified Public Accounting Firm or other independent third-Person (entity) experienced in appraising sports organizations and properties (an "Appraisal Firm"), certifying or opining that the Guarantor has a current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). At least once every five years thereafter until expiration of this Guaranty, Guarantor shall provide an updated letter to the County from one of the above possible sources, re-certifying or opining that the Guarantor has a then current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). Additionally, in any year that a statement as described above, is not due to County, the Guarantor shall provide a statement from an Appraisal Firm or Certified Public Accounting Firm in the form of a letter on letterhead, stating that there have been no material adverse changes in the financial position of the Guarantor that would affect the previously certified minimum net worth or fair value of equity statement set forth above during the last year. Notwithstanding the foregoing, Guarantor shall not be in default or breach of this Section so long as (a) one of the Teams (as defined in the County Documents) has a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000); or (b) the Teams together have a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000). If the aggregate net worth or fair value of equity of both Teams together is equal to an amount less than One Hundred Million and No/100 Dollars (\$100,000,000), then the Teams will be required, for as long a period as such condition shall exist, to provide one or more irrevocable letters of credit in the amount equal to the difference between the combined aggregate stated net worth or fair value of equity of the Teams and One Hundred Million Dollars (\$100,000,000.00) in the form required by and consistent with Palm Beach County Policy and Procedure Memorandum No. CW-F-055 ("Letter of Credit").

7. Letter of Credit or Payment Bond. Guarantor may, at any time, present a Letter of Credit or Payment Bond in the amounts and according to the requirements set forth above in paragraph 6, instead of providing the CPA Firm or other Person (entity) certification described in paragraph 6, and thereafter Guarantor shall be obligated to maintain either a Letter of Credit or Payment Bond as security for the Guaranty in the amounts as set forth above and consistent with Palm Beach County Policies and Procedures.
8. Proprietary Business Information. To the extent permitted by law, this Guaranty does not provide County with access to any proprietary business or financial information of the Teams.
9. Governing Law. This Guaranty shall be governed by and construed in accordance with the laws of the State of Florida.
10. Severability. If any provision of this Guaranty should be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Guaranty shall not be affected thereby.
11. Successors and Assigns. This Guaranty shall inure to the benefit of County and County's successors and assigns and DEO, and DEO's successors and assigns, under any of the County Documents in accordance with the terms thereof, and shall be binding upon Guarantor and its successors and assigns.
12. Waiver of Jury Trial. GUARANTOR HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY COUNTY AGAINST GUARANTOR ON ANY MATTERS ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS GUARANTY.
13. Acceptance of Performance. County agrees to accept performance by Guarantor of all or any of the Obligations to be performed by the LLC under the County Documents with the same force and effect as though performed by the LLC thereunder.
14. Unconditional, Absolute, Irrevocable General and Continuing Guaranty. The obligations of Guarantor under this Guaranty shall be unconditional, absolute, irrevocable, general, and continuing, irrespective of the genuineness, validity, regularity or enforceability of the County Documents or any security which may have been given therefor or in connection therewith or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor. This Guaranty and the obligations of Guarantor hereunder shall not be affected, impaired, modified or released by reason of; (a) the making by the LLC of any assignment for the benefit of creditors or the bankruptcy or insolvency of the LLC, (b) any action taken by the LLC in any bankruptcy or insolvency proceeding, including, without limitation, disaffirmance or rejection of the County Documents, (c) any default by the LLC or a Team under the County Documents, (d) the liquidation or dissolution of the LLC, (e) any change in or termination of Guarantor's relationship to the LLC, (f) the enforcement by County or DEO of any of its rights under the County Documents, (g) the sale, conveyance, transfer or assignment

by the LLC, of all or any portion of its interest under the County Documents, including, but not limited to, any assignment to an Affiliate of the LLC as authorized by the County Documents, or (h) the transfer by an owner of an interest in the LLC, including its successors and assigns, of all or any part of its ownership interest in the LLC, at any time, to an Affiliate; it being agreed that in the event of any of the foregoing, the liability of Guarantor hereunder shall continue hereunder as if such event had not occurred. County and the LLC, without notice to or consent by Guarantor, may at any time or from time to time enter into such extensions, expansions, amendments, assignments, subleases, or other covenants with respect to the County Documents as they may deem appropriate or desirable, including, without limitation, an expansion of the performance obligations and Guarantor shall not be released thereby, but shall continue to be fully liable for the payment and performance of all obligations as so extended, expanded, amended, assigned, sublet, or otherwise modified.

15. Primary Liability; Performance Guaranty. The liability of Guarantor under this Guaranty shall be primary, direct and immediate, and not conditional or contingent upon pursuit by County or DEO of any remedies it may have against the LLC or any other Person with respect to the County Documents or any other agreement, whether pursuant to the terms thereof or by law or pursuant to any other security agreement or guaranty, except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty. Guarantor and County each acknowledge and agree that this Guaranty is a guaranty of performance in respect to the Obligations. Any one or more successive or concurrent actions may be brought hereon against Guarantor with respect to the Obligations, either in the same action or proceeding, if any, brought against the LLC or any other person or entity, or in separate actions as often as County, or DEO, may deem advisable. Guarantor may be joined in any action against the LLC in connection with the County Documents. Recovery may be had by County or DEO against Guarantor in any action against Guarantor without County or DEO first pursuing or exhausting any remedy or claim against the LLC or any other person or entity, as the case may be, or their respective successors or assigns (except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty) and Guarantor hereby waives any right it may have to require that County seek recovery against any other Person before seeking recovery against Guarantor (except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty). Until termination of this Guaranty in accordance with the provisions hereof, the liability of Guarantor under this Guaranty shall continue after (i) any assignment or transfer by the LLC, or any successor thereof, of any of its interests under the County Documents or (ii) any assignment or transfer by County, or any successor thereof, of any of its interests under the County Documents.

16. Waiver of Presentment, Protest and Notices. Guarantor hereby expressly waives: (a) presentment and demand for payment and protest of nonpayment; (b) notice of acceptance of this Guaranty and of presentment, demand and protest; (c) notice of all indulgences under the County Documents; (d) demand for observance or performance of, or enforcement of, any terms and provisions of this Guaranty or the County Documents; (e) notices of default by or to the LLC under the County Documents; and (f) all other notices and demands otherwise required by law which Guarantor may lawfully waive.

17. No Subrogation. Guarantor shall not enforce any right of subrogation it may now or hereafter have against the LLC by reason of any payments or acts of performance by Guarantor

in compliance with the obligations of Guarantor hereunder, and Guarantor shall not enforce any remedy which Guarantor now or hereafter shall have against the LLC by reason of any one or more payments or acts of performance in compliance with the obligations of Guarantor hereunder unless and until all of the Obligations of Guarantor have been fully discharged, performed and satisfied, whereupon Guarantor shall have such subrogation rights as may be allowed under applicable law.

18. No Setoff. No setoff, counterclaim or cross-claim, reduction or diminution of any obligation or any defense of any kind or nature (other than performance of the Obligations) shall be available to Guarantor in any action or proceeding brought by County or DEO to enforce the Obligations provided, however, that the foregoing shall not be deemed a waiver of the right of Guarantor to assert any compulsory counterclaim arising, from a claim brought by County or DEO hereunder, nor shall the foregoing be deemed a waiver of or prejudice in any manner whatsoever, Guarantor's right to assert any claim which constitutes a defense, setoff, counterclaim or cross-claim of any nature whatsoever against County in any separate action or proceeding. Guarantor agrees that if at any time all or any part of any amounts at any time received by County or DEO from Guarantor or the LLC, or any other Person, as the case may be, for or with respect to the Obligations is or must be rescinded or returned by County or DEO by reason of any judgment or decree of any court having jurisdiction (including, without limitation, by reason of the insolvency, bankruptcy or reorganization of Guarantor or the LLC, or any other Person), then Guarantor's obligations hereunder shall, to the extent of the amount rescinded or restored, be deemed to have continued in existence notwithstanding such previous receipt by County or DEO and the obligation guaranteed hereunder which was to have been discharged by such rescinded or restored amount shall continue to be effective or reinstated, as the case may be, to the extent of such amount, whether or not this Guaranty has terminated, and the obligations of the Guarantor shall survive the termination hereof.

19. Joint and Several and Cumulative Rights and Remedies. The rights and remedies afforded to County and DEO in this Guaranty are cumulative and are not exclusive of any other right or remedy against Guarantor or any other Person provided by law, in equity or under any other agreement or instrument and all such rights and remedies may be exercised singly or concurrently. No delay or omission by County or DEO in exercising any such right or remedy shall operate as a waiver thereof. No waiver of any right or remedy hereunder shall be deemed made by County or DEO unless in writing and shall apply only to the particular instance specified therein and shall not impair the further exercise of such right or remedy or of any other right or remedy of County, and no single or partial exercise of any right or remedy hereunder shall preclude any other or further exercise thereof or of any other right or remedy. It is understood by the parties that other agreements similar to this Guaranty may, in County's or DEO's discretion, be executed and delivered by other Persons with respect to the County Documents. This Guaranty shall be joint and several and cumulative of any such agreements, and the liabilities and obligations of Guarantor hereunder shall in no event be affected or diminished by reason of such other agreements.

20. Entire Agreement. This Guaranty shall constitute the entire agreement of Guarantor with County with respect to Guarantor's guaranty of the Obligations.

21. Amendment. This Guaranty may not be modified or amended, except by an agreement in writing executed by Guarantor and County.

22. Guarantor's Representations. In order to induce County to enter into this Guaranty, Guarantor represents and warrants to County and DEO that as of the date hereof:

- (ii) Guarantor has the requisite power and authority to enter into and carry out the terms and provisions of this Guaranty, and the execution, delivery, and performance of this Guaranty have been duly authorized and approved by all requisite action;

- (v) The person executing this Guaranty on behalf of Guarantor has all requisite authority to do so, as a duly authorized officer of Guarantor; and
- (vi) Guarantor is solvent and will not be rendered insolvent by reason of this Guaranty.

EXHIBIT I-2
WASHINGTON NATIONALS
PAYMENT AND PERFORMANCE AND CONSTRUCTION GENERAL GUARANTY

This RESTATED PAYMENT, PERFORMANCE AND CONSTRUCTION GENERAL GUARANTY (this "Guaranty") is made as of the 20th day of October, 2015, by the Washington Nationals Baseball Club, LLC, a Washington, DC Limited Liability Company (the "Guarantor"), in favor of Palm Beach County, a political subdivision of the State of Florida (the "County"), and its successors and assigns, and the State of Florida (the "State") by and through the Florida Department of Economic Opportunity ("DEO"), and its successors and assigns.

RECITALS:

County is contemporaneously herewith entering into the First Restated Developer Agreement (the "Developer Agreement") and the First Restated Sports Facility Use Agreement (the "Sports Facility Use Agreement"), to provide for the construction, development and operation of the baseball spring training facility (the "Facility"), each dated as of the date hereof, and each entered into by and between County and HW Spring Training Complex, LLC, a Florida Limited Liability Company (the "LLC"), and the Sports Facility Use Agreement also being entered into by the Houston Astros, LLC, a Texas Limited Liability Company (the "Astros" or "Team") and the Washington Nationals Baseball Club, LLC, a Washington, DC Limited Liability Company (the "Nationals" or "Team") as to Sections 5.1.2, Article 13, Section 16.7 and Section 22.3 thereof, and on March 10, 2015 County entered into a Due Diligence and Planning Services Agreement R-2015-0358 with the LLC, (collectively, the Sports Facility Use Agreement, the Developer Agreement and the Due Diligence and Planning Services Agreement are referred to as the "County Documents").

In order to induce County to enter into the County Documents and in consideration of the foregoing premises and for other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged, and further, in order to induce DEO to certify the County pursuant to section 288.11631, Florida Statutes, Guarantor hereby agrees for the benefit of County and its successors and assigns and the State, and its successors and assigns, as follows:

1. Incorporation of Recitals. The recitals set forth above are true and correct and are incorporated herein as if set forth in full.
2. Defined Terms. Capitalized terms used herein shall have the meaning set forth herein. Unless the context otherwise requires and except as otherwise provided herein, capitalized terms used herein that are not defined herein shall have the meaning assigned to such terms in the County Documents.
3. Effective Date. The Effective Date of this Guaranty shall be March 10, 2015.

4. Due Diligence Guaranty. The Guarantor entered into a Due Diligence and Planning Services Guaranty on March 10, 2015 contemporaneously with the Due Diligence and Planning Services Agreement R-2015-0358. This Guaranty replaces and terminates the Due Diligence and Planning Services Guaranty provided by Guarantor, and as a result, the Effective Date of this Guaranty has been made retroactive to the date of the Due Diligence and Planning Services Guaranty.

5. Payment, Performance, Construction and Operation Guaranty. Guarantor hereby unconditionally, absolutely, generally, continually, and irrevocably guarantees to County, and to DEO as to the rights and interests of DEO pursuant to the County Documents, all obligations imposed by the County Documents, including, without limitation, the planning, design and permitting of the Project and the completion of construction of the Facility and operation of the Facility pursuant to the County Documents and the payment and performance of all liabilities, obligations and duties imposed on the LLC under each of the County Documents (collectively "the Obligations") as if Guarantor had executed each such County Document in place of the LLC. As this Guaranty replaces and terminates the Due Diligence Guaranty described in Section 4, this Guaranty shall have a commencement date of March 10, 2015 and shall apply to any Obligations from that date forward. This Guaranty shall not terminate until the payment of all sums and performance of all Obligations, except that, to the extent this Guaranty guarantees performance of Obligations which survive the termination of the County Documents, then this Guaranty shall continue to remain in full force and effect.

6. Security. Guarantor has provided a statement from an independent Certified Public Accounting Firm or other independent third-Person (entity) experienced in appraising sports organizations and properties (an "Appraisal Firm"), certifying or opining that the Guarantor has a current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). At least once every five years thereafter until expiration of this Guaranty, Guarantor shall provide an updated letter to the County from one of the above possible sources, re-certifying or opining that the Guarantor has a then current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). Additionally, in any year that a statement as described above, is not due to County, the Guarantor shall provide a statement from an Appraisal Firm or Certified Public Accounting Firm in the form of a letter on letterhead, stating that there have been no material adverse changes in the financial position of the Guarantor that would affect the previously certified minimum net worth or fair value of equity statement set forth above during the last year. Notwithstanding the foregoing, Guarantor shall not be in default or breach of this Section so long as (a) one of the Teams (as defined in the County Documents) has a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000); or (b) the Teams together have a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000). If the aggregate net worth or fair value of equity of both Teams together is equal to an amount less than One Hundred Million and No/100 Dollars (\$100,000,000), then the Teams will be required, for as long a period as such condition shall exist, to provide one or more irrevocable letters of credit in the amount equal to the difference between the combined aggregate stated net worth or fair value of equity of the Teams and One Hundred Million Dollars (\$100,000,000.00) in the form required by and consistent with Palm Beach County Policy and Procedure Memorandum No. CW-F-055 ("Letter of Credit").

7. Letter of Credit or Payment Bond. Guarantor may, at any time, present a Letter of Credit or Payment Bond in the amounts and according to the requirements set forth above in paragraph 6, instead of providing the CPA Firm or other Person (entity) certification described in paragraph 6, and thereafter Guarantor shall be obligated to maintain either a Letter of Credit or Payment Bond as security for the Guaranty in the amounts as set forth above and consistent with Palm Beach County Policies and Procedures.
8. Proprietary Business Information. To the extent permitted by law, this Guaranty does not provide County with access to any proprietary business or financial information of the Teams.
9. Governing Law. This Guaranty shall be governed by and construed in accordance with the laws of the State of Florida.
10. Severability. If any provision of this Guaranty should be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Guaranty shall not be affected thereby.
11. Successors and Assigns. This Guaranty shall inure to the benefit of County and County's successors and assigns and DEO, and DEO's successors and assigns, under any of the County Documents in accordance with the terms thereof, and shall be binding upon Guarantor and its successors and assigns.
12. Waiver of Jury Trial. GUARANTOR HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY COUNTY AGAINST GUARANTOR ON ANY MATTERS ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS GUARANTY.
13. Acceptance of Performance. County agrees to accept performance by Guarantor of all or any of the Obligations to be performed by the LLC under the County Documents with the same force and effect as though performed by the LLC thereunder.
14. Unconditional, Absolute, Irrevocable, General and Continuing Guaranty. The obligations of Guarantor under this Guaranty shall be unconditional, absolute, irrevocable, general and continuing, irrespective of the genuineness, validity, regularity or enforceability of the County Documents or any security which may have been given therefor or in connection therewith or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor. This Guaranty and the obligations of Guarantor hereunder shall not be affected, impaired, modified or released by reason of; (a) the making by the LLC of any assignment for the benefit of creditors or the bankruptcy or insolvency of the LLC, (b) any action taken by the LLC in any bankruptcy or insolvency proceeding, including, without limitation, disaffirmance or rejection of the County Documents, (c) any default by the LLC or a Team under the County Documents, (d) the liquidation or dissolution of the LLC, (e) any change in or termination of Guarantor's relationship to the LLC, (f) the enforcement by County or DEO of any of its rights under the County Documents, (g) the sale, conveyance, transfer or assignment

by the LLC, of all or any portion of its interest under the County Documents, including, but not limited to, any assignment to an Affiliate of the LLC as authorized by the County Documents, or (h) the transfer by an owner of an interest in the LLC, including its successors and assigns, of all or any part of its ownership interest in the LLC, at any time, to an Affiliate; it being agreed that in the event of any of the foregoing, the liability of Guarantor hereunder shall continue hereunder as if such event had not occurred. County and the LLC, without notice to or consent by Guarantor, may at any time or from time to time enter into such extensions, expansions, amendments, assignments, subleases, or other covenants with respect to the County Documents as they may deem appropriate or desirable, including, without limitation, an expansion of the performance obligations and Guarantor shall not be released thereby, but shall continue to be fully liable for the payment and performance of all obligations as so extended, expanded, amended, assigned, sublet, or otherwise modified.

15. Primary Liability; Performance Guaranty. The liability of Guarantor under this Guaranty shall be primary, direct and immediate, and not conditional or contingent upon pursuit by County or DEO of any remedies it may have against the LLC or any other Person with respect to the County Documents or any other agreement, whether pursuant to the terms thereof or by law or pursuant to any other security agreement or guaranty, except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty. Guarantor and County each acknowledge and agree that this Guaranty is a guaranty of performance in respect to the Obligations. Any one or more successive or concurrent actions may be brought hereon against Guarantor with respect to the Obligations, either in the same action or proceeding, if any, brought against the LLC or any other person or entity, or in separate actions as often as County, or DEO, may deem advisable. Guarantor may be joined in any action against the LLC in connection with the County Documents. Recovery may be had by County or DEO against Guarantor in any action against Guarantor without County or DEO first pursuing or exhausting any remedy or claim against the LLC or any other person or entity, as the case may be, or their respective successors or assigns (except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty) and Guarantor hereby waives any right it may have to require that County seek recovery against any other Person before seeking recovery against Guarantor (except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty). Until termination of this Guaranty in accordance with the provisions hereof, the liability of Guarantor under this Guaranty shall continue after (i) any assignment or transfer by the LLC, or any successor thereof, of any of its interests under the County Documents or (ii) any assignment or transfer by County, or any successor thereof, of any of its interests under the County Documents.

16. Waiver of Presentment, Protest and Notices. Guarantor hereby expressly waives: (a) presentment and demand for payment and protest of nonpayment; (b) notice of acceptance of this Guaranty and of presentment, demand and protest; (c) notice of all indulgences under the County Documents; (d) demand for observance or performance of, or enforcement of, any terms and provisions of this Guaranty or the County Documents; (e) notices of default by or to the LLC under the County Documents; and (f) all other notices and demands otherwise required by law which Guarantor may lawfully waive.

17. No Subrogation. Guarantor shall not enforce any right of subrogation it may now or hereafter have against the LLC by reason of any payments or acts of performance by Guarantor

in compliance with the obligations of Guarantor hereunder, and Guarantor shall not enforce any remedy which Guarantor now or hereafter shall have against the LLC by reason of any one or more payments or acts of performance in compliance with the obligations of Guarantor hereunder unless and until all of the Obligations of Guarantor have been fully discharged, performed and satisfied, whereupon Guarantor shall have such subrogation rights as may be allowed under applicable law.

18. No Setoff. No setoff, counterclaim or cross-claim, reduction or diminution of any obligation or any defense of any kind or nature (other than performance of the Obligations) shall be available to Guarantor in any action or proceeding brought by County or DEO to enforce the Obligations provided, however, that the foregoing shall not be deemed a waiver of the right of Guarantor to assert any compulsory counterclaim arising, from a claim brought by County or DEO hereunder, nor shall the foregoing be deemed a waiver of or prejudice in any manner whatsoever, Guarantor's right to assert any claim which constitutes a defense, setoff, counterclaim or cross-claim of any nature whatsoever against County in any separate action or proceeding. Guarantor agrees that if at any time all or any part of any amounts at any time received by County or DEO from Guarantor or the LLC, or any other Person, as the case may be, for or with respect to the Obligations is or must be rescinded or returned by County or DEO by reason of any judgment or decree of any court having jurisdiction (including, without limitation, by reason of the insolvency, bankruptcy or reorganization of Guarantor or the LLC, or any other Person), then Guarantor's obligations hereunder shall, to the extent of the amount rescinded or restored, be deemed to have continued in existence notwithstanding such previous receipt by County or DEO and the obligation guaranteed hereunder which was to have been discharged by such rescinded or restored amount shall continue to be effective or reinstated, as the case may be, to the extent of such amount, whether or not this Guaranty has terminated, and the obligations of the Guarantor shall survive the termination hereof.

19. Joint and Several and Cumulative Rights and Remedies. The rights and remedies afforded to County and DEO in this Guaranty are cumulative and are not exclusive of any other right or remedy against Guarantor or any other Person provided by law, in equity or under any other agreement or instrument and all such rights and remedies may be exercised singly or concurrently. No delay or omission by County or DEO in exercising any such right or remedy shall operate as a waiver thereof. No waiver of any right or remedy hereunder shall be deemed made by County or DEO unless in writing and shall apply only to the particular instance specified therein and shall not impair the further exercise of such right or remedy or of any other right or remedy of County, and no single or partial exercise of any right or remedy hereunder shall preclude any other or further exercise thereof or of any other right or remedy. It is understood by the parties that other agreements similar to this Guaranty may, in County's or DEO's sole discretion, be executed and delivered by other Persons with respect to the County Documents. This Guaranty shall be joint and several and cumulative of any such agreements, and the liabilities and obligations of Guarantor hereunder shall in no event be affected or diminished by reason of such other agreements.

20. Entire Agreement. This Guaranty shall constitute the entire agreement of Guarantor with County with respect to Guarantor's guaranty of the Obligations.

21. Amendment. This Guaranty may not be modified or amended, except by an agreement in writing executed by Guarantor and County.

22. Guarantor's Representations. In order to induce County to enter into this Guaranty, Guarantor represents and warrants to County and DEO that as of the date hereof:

- (i) Guarantor is a limited liability company duly organized, validly existing, and in good standing under the law of the State of Washington, DC;
- (ii) Guarantor has the requisite power and authority to enter into and carry out the terms and provisions of this Guaranty, and the execution, delivery, and performance of this Guaranty have been duly authorized and approved by all requisite action;
- (iii) This Guaranty constitutes a valid and binding obligation of Guarantor enforceable against Guarantor in accordance with its terms (subject to any bankruptcy, insolvency, reorganization, receivership, moratorium or similar laws affecting the rights and remedies of creditors general, and subject to the effect of general principles of equity, whether applied by a court of law or equity);
- (iv) Guarantor's execution and performance of this Guaranty will not result in a breach of violation of, or default under, any laws applicable to Guarantor or any agreement, order, commitment, judgment, or decree by which Guarantor is bound;
- (v) The person executing this Guaranty on behalf of Guarantor has all requisite authority to do so, as a duly authorized officer of Guarantor; and
- (vi) Guarantor is solvent and will not be rendered insolvent by reason of this Guaranty.

23. Notices. Whenever it is provided herein that notice, demand, request, consent, approval or other communication shall or may be given to, or served upon, either of the parties by the other, or whenever either of the parties desires to give or serve upon the other any notice, demand request, consent, approval or other communication with respect hereto, each such notice, demand, request, consent, approval or other communication (herein referred to as a "Notice") shall be in writing and shall be effective for any purpose only if given or served by (i) certified or registered U.S. Mail, postage prepaid, return receipt requested, (ii) personal delivery with a signed receipt or (iii) a recognized national courier service, addressed as follows (or to such other addresses as a party may direct by a Notice to the other party hereto):

EXHIBIT J
SOLID WASTE RELOCATION

1. **Preamble.** This Agreement authorizes the LLC to relocate solid waste (other than reclaimed sand and fines) which are unsuitable materials on which to support structural improvements. Should the LLC implement the relocation option, the requirements of this Exhibit J, including obtaining all required regulatory approvals, shall apply.

2. **Preparation of Studies.** The LLC shall commission a study(ies) which, at a minimum, will evaluate the volume and type of solid wastes which are to remain on-Site, taking into account the list of prohibited materials listed in item 3 below, the level of constituents which were identified in the Limited Site Assessment Report prepared by URS and may be contained in any solid waste to be retained or relocated, the proposed location(s) to receive the solid waste, the proposed method of placement (ie: burying, piling, etc); distance(s) between solid waste and water table, proposed fill cap, compaction methodology, and a list of all required regulatory permits and approvals (Study). The conclusion of the Study shall be a specific purpose plan for the retention and/or relocation of solid waste on the Site in a format, and with content, suitable to clearly explain the proposal to the public at large. The County shall have the ability to review and approve the study for the sole purpose of determining compliance with this Section.

3. **Prohibited Materials.** The following materials shall be prohibited from remaining on-Site as herein contemplated and as part of the LLC's implementation of this cost savings measure:
 - a. any material other than solid waste which currently exists on the Site as result of the Site's historic use as the City of West Palm Beach Former Yard Trash Facility;
 - b. any material(s) that is classified, defined or otherwise identified as hazardous by any government entity, agency, organization and/or authority;
 - c. any non-solid material including, but not limited to, manure, oils, paint, pesticides, refrigerants and septage;
 - d. any material that is customarily acceptable for recycling (i.e. plastic, glass, paper, etc.) and reuse (i.e. wood, ferrous metal, etc.), excluding any residual and incidental amount thereof;
 - e. ammunition, guns, firearms, explosives and flares;
 - f. appliances;
 - g. batteries;
 - h. bio-medical waste, drugs, medicine and pharmaceuticals;
 - i. boats, vehicles, RVs and trailers and any other motorized device or part;
 - j. cathode ray tubes (CRTs);
 - k. drums/barrels, gas cylinders, and containers formerly used or intended for the storage of paint, fuel, or flammable content;
 - l. electronics;
 - m. ferrous metal;
 - n. grease, cooking oils, lubricating oil and petroleum based oils;

- o. fluorescent lamps;
 - p. mercury containing devices;
 - q. photo wastes, x ray waste and film;
 - r. radio-active materials;
 - s. special wastes such as manufacturing process wastes or filter media;
 - t. tires;
 - u. vegetative wastes including street sweepings; or
 - v. asbestos containing materials ("ACM").
4. **Coordination with Municipalities.** After the County has approved the Study pursuant to Section 2, prior to making application to any regulatory agency for implementation of this cost savings measure (including the City of West Palm Beach in their regulatory capacity), and after distributing the results of the Study listed in Section 2 above, the LLC shall facilitate a discussion with the City of West Palm Beach (if the proposed location is in the Buffer Area and/or City Park). If the LLC is to move forward with the retention/relocation of solid waste, the LLC must obtain written documentation from the City confirming that the City has reviewed the Study and does not oppose the LLC implementing this measure.
5. **Regulatory Permits and Approvals.** The LLC shall have sole responsibility for securing the necessary regulatory permits and approvals to fully implement the retention and/or relocation of solid waste on Site. Other than executing any applications for regulatory permits and approvals, the County shall have no obligation to explain, support or otherwise comment on the LLC's proposal. Notwithstanding the above, the County shall have the right to comment if it so chooses.
6. **Implementation.** Prior to moving and covering any solid waste the LLC shall obtain and provide the County Representative with a letter signed and sealed by an engineer licensed in the State of Florida or other appropriately qualified professional that is licensed in the State of Florida; a) identifying the specific composition of the solid waste to be relocated, and b) attesting that all solid waste to remain on Site is in conformance with the list of prohibited materials in item 3 above.
7. **Regulatory Compliance.** The LLC, at its sole cost and expense, shall be responsible for complying with all terms and conditions associated with each and every regulatory approval required to relocate solid waste including, but not necessarily limited to, physical improvements to the Site that are otherwise not required, groundwater monitoring wells, groundwater sampling, audits, reports, and inspections as may be required by any permitting authority.
8. **Liability.** The LLC agrees to indemnify, defend, and save harmless the County from any and all cost, expense and liability arising from or out of or as a result of the LLC's implementation of this relocation of solid waste option. The LLC shall have full and complete responsibility for any removal, transport, remediation or disposal required in order to resolve and conclude any environmental action and restore compliance with environmental laws, as well as for reasonable attorney's fees and costs.

9. Allocation of Cost Savings. If this Cost Savings measure is implemented by the LLC, the LLC agrees that it will share the savings with the County as a Pre-Construction Cost Savings in accordance with Section 8.4.3 of this Agreement. The LLC also acknowledges that the Budgeted Amount will be reduced by the County's share of the savings and the treatment of the area for property insurance and renewal/replacement responsibility will be identified on Exhibit F of this Agreement.

Cost-Benefit Analysis of the Spring Training Franchises' Impact on Palm Beach County

August 2, 2019

Key Findings: Ballpark of the Palm Beaches
Annual Reporting Requirement for 2019 State Funding Agreement

The Palm Beach County Tourist Development Council, utilizing our contracted agency for sports tourism marketing and grant administration the Palm Beach County Sports Commission, has provided the following details surrounding MLB Spring Training Baseball in Palm Beach County at the FITTEAM Ballpark of the Palm Beaches (FBTPB) and at our Roger Dean Chevrolet Stadium (RDCS). We have included RDCS in our report to highlight the fact that Palm Beach County holds the unique benefit of now having two MLB Spring Training facilities, each housing two teams, the only County in Florida having made this investment to host four MLB teams for spring training.

The funding sources for the debt service and ongoing upkeep associated with the FBTPB are from a combination of Tourist Development Taxes (Bed Taxes) collected from visitors to Palm Beach County, a State of Florida Grant and use fees payable from the limited liability corporation (LLC) for the use of the spring training facility. The Economic Impact as detailed in the attached reporting estimates the Houston Astro's and Washington Nationals at \$37.6 million for visitation to Palm Beach County, specifically for attending MLB Spring Training. Total Economic Impact for all MLB Spring Training in Palm County, two stadiums, was \$70.1 million, with visitation impact of \$51.0 million and \$19.1 million associated with Team spending.

The research group of Downs & St. Germain were commissioned in 2019 to provide this economic impact study for Palm Beach County under the direction of the Palm Beach County Sports Commission.

Dear Glenn,

Palm Beach County is the Major League Baseball (MLB) Spring Training Capital of Florida. Since 1998, Palm Beach County has been home to Roger Dean Chevrolet Stadium in Jupiter, which was the first baseball complex in Florida to host two (2) MLB teams for Spring Training. Today, Roger Dean Chevrolet Stadium is occupied by the Miami Marlins and St. Louis Cardinals. The 2017 MLB Spring Training season brought Florida its second baseball complex built to accommodate two (2) teams. FITTEAM Ballpark of the Palm Beaches, located in West Palm Beach, is home to the Houston Astros and Washington Nationals. The Palm Beaches represents Florida's only county that maintains two, two-team complexes. In total, four (4) of the fifteen (15) MLB teams participating in Florida's Grapefruit League are playing baseball in The Palm Beaches.

Palm Beach County experienced significant economic benefits from the 2019 MLB Spring Training season. Palm Beach County was home to 25% of Florida's spring training games and 19% of the Grapefruit League's attendance. Between FITTEAM Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium, a total of 58 games were played in The Palm Beaches between February 23 and March 24, 2019. The 58 games generated a total attendance of **270,857**, which is the largest MLB Spring Training audience compared to other counties in Florida.

The large attendance and annual impact can be influenced by many factors, but Palm Beach County is fortunate to have partnerships with the St. Louis Cardinals, Miami Marlins, Houston Astros, and Washington Nationals. These teams represent vibrant travel markets that are important to Florida's economy.

The Palm Beach County Sports Commission sourced Downs & St. Germain Research to conduct an economic impact study on the 2019 MLB Spring Training season taking place at FITTEAM Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium. Downs & St. Germain Research is a full-service

JUST BRING YOUR GAME

market research firm based in Tallahassee, which was sourced by the Florida Sports Foundation to produce an economic impact study on MLB Spring Training taking place in Florida (Grapefruit League) in 2018.

In 2019, MLB Spring Training generated an economic impact of **\$70,145,500** in Palm Beach County. Out of the 270,857 attendance for MLB Spring Training in The Palm Beaches, 54% or 146,263 attendees traveled from outside of Florida or another Florida county. The influx of visitors during the 2019 MLB Spring Training is responsible for **53,800 hotel room nights** for Palm Beach County.

FITTEAM Ballpark of the Palm Beaches, which finished only its third MLB Spring Training season, created **\$37,599,300** of economic impact between the Washington Nationals and Houston Astros. The impact is a result of several aspects, including the novelty and excitement that comes with the berth of a new sports facility. This novelty effect motivates fan-bases to travel and obtain a new experience. Furthermore, the Washington D.C. market is considered one of the "Super Six" travel markets, which creates the majority of domestic visitation for Florida. Individuals from Washington D.C. and surrounding areas are seeking a reason to visit the state. Houston also represents a strong travel market. The Houston Astros is one of two MLB teams from Texas, which is the third largest origin state for Florida visitors. Houston ranks as the 14th largest travel market for Florida.

Roger Dean Chevrolet Stadium spurred **\$32,546,200 of economic impact** between the St. Louis Cardinals and Miami Marlins. As one of the premier brands in Major League Baseball, the St. Louis Cardinals own a dedicated and loyal following from St. Louis and the surrounding Missouri towns, as well as the metro east Illinois area. The St. Louis Cardinals have one of the most faithful and active fan bases in sports and Palm Beach County is a routine spring vacation destination for these baseball enthusiasts across the Midwest. St. Louis became one of Florida's top 15 origin markets for the first time in 2017. In addition to the Cardinals, the Miami Marlins represent one of only two MLB franchises in Florida. The Miami Marlins create visitation to Palm Beach County through drive markets.

In addition to the St. Louis Cardinals and the Miami Marlins, Roger Dean Chevrolet Stadium is the only complex in the nation to host four minor league teams: The Jupiter Hammerheads of the Class A-Advanced Baseball Florida State League; The Palm Beach Cardinals of the Class A-Advanced Baseball Florida State League; The Gulf Coast Marlins of the Rookie-level Gulf Coast League; and The Gulf Coast Cardinals of the Rookie-level Gulf Coast League. This activity also creates economic benefits and stimulates bed tax revenues for The Palm Beaches.

Palm Beach County's baseball facilities ranked among the leaders in total attendance for Florida's Grapefruit League. FITTEAM Ballpark of the Palm Beaches ranked fourth and Roger Dean Chevrolet Stadium was third in attendance compared to all other MLB Spring Training facilities in Florida. Only,

Steinbrenner Field in Tampa, which is home to the New York Yankees, JetBlue Park in Fort Myers, which is home to the Boston Red Sox, and Spectrum Field in Clearwater, which is home to the Philadelphia Phillies, generated a higher audience for the year than one of Palm Beach County's baseball facilities.

Due to the amenities that accompany a two-team complex, FITTEAM Ballpark of the Palm Beaches in combination with Roger Dean Chevrolet Stadium, has transformed Palm Beach County into the premier destination for amateur baseball events. The nation's largest baseball tournaments are taking place in Palm Beach County, including some of the most admired brands in amateur baseball. These baseball tournaments are utilizing both, FITTEAM Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium from April through November, creating year-round activity. In addition to baseball, FITTEAM Ballpark of the Palm Beaches has the capability to host a multitude of other sports activities. The complex features five (5) multi-purpose fields, designed to FIFA (Fédération Internationale de Football Association) soccer specifications. The multi-purpose fields are an ideal home for field sports, such as soccer, lacrosse, rugby, field hockey, flag and tackle football, and more. The economic benefits derived from amateur baseball tournaments and other sports activities is substantial.

Major League Baseball, and specifically, the St. Louis Cardinals, Miami Marlins, Houston Astros, and Washington Nationals, have been, and will continue to be an extremely beneficial investment for Palm Beach County. The Palm Beach County Sports Commission looks forward to growing the number of sports related visitors that are traveling to The Palm Beaches to experience the best of baseball. Our Sports Commission will continue to create a positive impact through promotion and utilization of these facilities.

Sincerely,

Economic Impact of Major League Baseball Spring Training in Palm Beach County

Major League Baseball (MLB) Spring Training brings an immense economic and tourism impact to Palm Beach County. The below information has been assembled to project the economic impact created from Spring Training activity that occurred at FITTEAM Ballpark of the Palm Beaches, located in West Palm Beach and Roger Dean Chevrolet Stadium, located in Jupiter.

FITTEAM Ball Park of the Palm Beaches, which hosts the Houston Astros and Washington Nationals, finished its third MLB Spring Training season since opening in February of 2017. Roger Dean Chevrolet Stadium, home to the St. Louis Cardinals and Miami Marlins completed its 22nd season in The Palm Beaches. These two facilities represent the only two-team MLB Spring Training complexes that reside in Florida.

***Economic Impact of Major League Baseball Spring Training
at the FITTEAM Ballpark of The Palm Beaches***

Palm Beach County experienced a vigorous Major League Baseball (MLB) Spring Training season in 2019. The FITTEAM Ballpark of the Palm Beaches' third year of existence created a tremendous economic and tourism impact. Home to the Houston Astros, and Washington Nationals, FITTEAM Ballpark of the Palm Beaches, is one of two baseball complexes in Florida that accommodates two MLB franchises. The other baseball complex in Florida that hosts two MLB teams also resides in Palm Beach County (Roger Dean Chevrolet Stadium).

FITTEAM Ballpark of the Palm Beaches accumulated a total attendance of **128,962** over 29 games with an economic impact of **\$37,599,300**. The Washington Nationals contributed **\$18,206,600** in economic impact while the Houston Astros compiled an **\$19,392,700** of impact.

***Economic Impact of Major League Baseball Spring Training
at Roger Dean Chevrolet Stadium***

Roger Dean Chevrolet Stadium contributed to a dynamic Major League Baseball (MLB) Spring Training season in The Palm Beaches. Roger Dean Chevrolet Stadium, which is home to the St. Louis Cardinals and the Miami Marlins, joins the FITTEAM Ballpark of the Palm Beaches as the only baseball complexes in Florida housing two MLB franchises.

Total attendance for Major League Baseball (MLB) Spring Training at Roger Dean Stadium reached **141,895** over 29 games. The St. Louis Cardinals accumulated **\$23,421,400** in economic impact while the Miami Marlins were responsible for **\$9,124,800** of impact. Considering the Miami Marlins are one of only two Major League Baseball teams based in Florida, their attendance numbers will not be used as input toward the economic impact projections.

FITTEAM Ball Park of the Palm Beaches – MLB Spring Training Complex- Multi-Purpose - Year-Round Use

FITTEAM Ballpark of the Palm Beaches is a Major League Baseball (MLB) Spring Training Complex equipped with multi-sports capabilities, which allows for utilization on a year-round basis. The facility, which features a modernized 7,500 seat baseball stadium, 13 MLB regulation baseball diamonds, state-of-the-art press box and clubhouse facilities, and five (5) multi-purpose fields designed to FIFA soccer specifications, is built to host a variety of sports activities throughout the year. This facility undoubtedly enhances Palm Beach County's position as a premier sports destination while hosting sporting events that create widespread economic and community benefits. The Palm Beach County Sports Commission, as the sports tourism agency for Palm Beach County, recruits and develops a variety of sporting events to occupy FITTEAM Ballpark of the Palm Beaches. These events will bring visitors from across the state, nation, and globe.

Economic Impact of Amateur Baseball Events in Palm Beach County

The combination of FITTEAM Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium provides a significant competitive advantage for the Palm Beach County Sports Commission and its efforts to secure regional and national baseball tournaments that will create a countywide tourism impact to The Palm Beaches. These baseball complexes offer a total of 26 diamonds and two stadiums, which makes Palm Beach County one of Florida's premier destinations for baseball. From July 1, 2018 to June 30, 2019, the Palm Beach County Sport Commission supported 30 regional, national, and global baseball tournaments and showcases, which attracted primarily amateur and youth athletes. These events occupied our county's spring training baseball facilities and created a considerable economic and tourism impact during the shoulder season.

The amateur baseball tournaments occupying FITTEAM Ballpark of the Palm Beaches and Roger Dean Chevrolet stadium brought over **1,000 teams** consisting of more than **18,000 athletes** and **25,000 spectators** to The Palm Beaches. A total of **29,548 hotel room nights** were tracked. These events generated **\$20,683,600** in **economic impact** for Palm Beach County's hospitality industry. Please see the attached spreadsheet, referred to as "Amateur Baseball Events in Palm Beach County", for a detailed breakdown of this impact.

The Palm Beach County Sports Commission believes the tourism created from baseball activities during Palm Beach County's shoulder season activities will continue to rise significantly. The combination of FITTEAM Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium provides a landscape to recruit tourism generating baseball events and foster the growth of amateur baseball properties.

The FITTEAM Ballpark of the Palm Beaches is a Multi-Purpose Venue

In addition to baseball, FITTEAM Ball Park of the Palm Beaches, has the capability to host a multitude of other sports activities. This facility features five (5) multi-purpose fields designed to FIFA (Fédération Internationale de Football Association) soccer specifications. The Palm Beach County Sports Commission utilizes the multi-purpose fields to promote sports tourism and recruit statewide, national, and international sports events that would enlist a collection of new visitors for Palm Beach County and Florida. The multi-purpose fields have the capability to host a variety of field sports, such as soccer, lacrosse, rugby, field hockey, flag and tackle football and more. The FIFA dimensions are applicable to host all age groups and competition levels for the nation's most popular field sports.

Five (5) non-baseball events occupied the multi-purposes fields located at the FITTEAM Ballpark of the Palm Beaches from October – May. The Palm Beach Cup, a Florida Youth Soccer Association (FYSA) sanctioned soccer tournament for boys and girls (ages 9 to 19) took place on May 10-12, 2019. Over 180 teams from across Florida and the southeast region of the United States competed. The Florida Youth Soccer Association (FYSA) also sanctioned the Gardens Classic, which attracted over 100 teams from across Florida and occupied a variety of venues in Palm Beach County, including FITTEAM Ballpark of the Palm Beaches. The Monster Mash Lacrosse Bash, South Florida Turkey Shootout and Florida Lacrosse Festival, took place at FITTEAM Ballpark of the Palm Beaches on October 27-28, November 17-18, and January 5-6, and, respectively. These lacrosse tournaments attracted teams and athletes from across the nation. Combined, these events generated over 1,500 room nights for Palm Beach County hotels.

Overtime, FITTEAM Ballpark of the Palm Beaches will attract more sports activities that create economic and community benefits on a year-round basis. FITTEAM Ballpark of the Palm Beaches has already demonstrated its ability to be a superior vehicle for sports tourism over its young three-year life cycle.

Downs & St. Germain Research uses IMPLAN economic modeling to calculate the economic multiplier based on direct expenditure data collected from MLB Spring Training teams and fans.

- IMPLAN models how dollars are spent and re-spent in other sectors of the economy, generating economic activity.
- Over 1,500 organizations use IMPLAN, which has been used to model the economic impact of tourism since 1992.
- Agencies such as FEMA, EPA, Federal Reserve Bank, and the Bureau of Land Management use IMPLAN modeling.

A complete schedule of events is available from the facility's homepage (http://www.fitteamballpark.com/event-calendar/). A perimeter multi-use trail is also accessible daily for public use, and a contiguous City of West Palm Beach public park (separately funded but related to the overall delivery of the facility) is now complete and in use by the general public.</p>
<p>The location of the facility in a brown field, an enterprise zone, a community redevelopment area, or other area of targeted development or revitalization included in an urban infill redevelopment plan.</p> <p><i>(288.11631(2)(b)9 F.S.)</i></p>	<p>Development of this former landfill site as a facility for a spring training franchise rid the property of approximately 449,000 cubic yards of waste material that presented unknown environmental impacts and posed an eyesore for the community</p> <p>In addition to local development and revitalization activity identified in prior annual reports, sales data for real property transactions and taxable values of real property in the vicinity of the complex demonstrate significant gains in value continuing over the past year, which further indicates how the facility is proving to be an agent for positive change in the community as was promoted, hoped and anticipated.</p>

- Training and/or rehabilitation for baseball players, or (in the retail space currently subleased to Barwis Methods Training Center of Port St. Lucie, LLC) any athletes

To the extent that any use of the Sports Complex for the purposes set forth above in this Section 2(i) (not including fantasy and youth camps) involves professional baseball teams and players who are not affiliated with the Club (or with a major league baseball club affiliated with an assignee of SFS), then SFS (or, if applicable, SFS's assignee) will reimburse the County for its incremental costs arising directly from such use. County consents to SFS continuing to sublease retail space at the Sports Complex to Barwis Methods Training Center of Port St. Lucie, LLC or its affiliates for usage similar to that occurring at the present time. SFS agrees that separate utility meters for the Barwis Center shall be installed as part of the New Improvements.

(ii) SFS, the Club and County shall each have exclusive use of certain office facilities at the Sports Complex as identified in Exhibit "K," on a year-round basis.

(iii) The staging, by or with the permission of SFS, of other baseball and non-baseball oriented events at the Sports Complex, including, without limitation, concerts, shows, conventions and political, religious and community events, subject to the scheduling provisions of Section 15 of this Agreement, except that SFS shall be permitted to conduct promotional events and other activities on the dates of baseball games played at the Sports Complex in SFS's sole discretion.

(iv) The radio, television, internet and other broadcast or transmission of SFS Events.

- (v) All uses set forth below in Sections 6, 7, 8, 12 and 15 of this Agreement.
- (vi) Any such other uses as shall be reasonably consistent with the foregoing.

All New York Mets and St. Lucie Mets (and, if any, GCL Mets (as defined below in Section 12)) activities at the Sports Complex during the Term of this Agreement, as well as all baseball games and other events staged at the Sports Complex by or under the sponsorship, control or authorization of SFS, are referred herein as "SFS Events." All events conducted or authorized by the County at the Sports Complex during the term of this Agreement (excluding all SFS Events) are referred to herein as "County Events."

B. As of the Commencement Date, the St. Lucie Sports Complex Facilities Use Agreement entered into as of August 1, 2003, as amended (the "Prior FUA"), shall terminate and be of no further force or effect and all obligations and rights thereunder shall be deemed superseded by the terms and condition of this Agreement. County hereby acknowledges that no payment is due from SFS pursuant to Section 19 of the Prior FUA.

3. MAINTENANCE.

A. County will, at its expense, at all times keep and maintain the Sports Complex (excluding the Player Academy Spaces (as defined below) and the Barwis Training Center) in good and clean order and repair suitable for a first-class major and minor league training, exhibition and playing complex, including without limitation maintaining the playing fields in a first-class condition appropriate for a major league baseball team, and in any event of a quality not less than the highest level of practiced professional baseball standards (the "Maintenance Standard") and in accordance with the specifications set forth in Exhibit "L" hereto. "Maintenance" shall mean the provision of all labor and materials that are required to (a) keep the Sports Complex in first-class good order and repair, and (b) keep the Sports Complex free of debris. Maintenance shall include, without limitation, (i) performing all preventative or routine maintenance that is stipulated in operating manuals for equipment as regular, periodic maintenance procedures; (ii) regular maintenance procedures for the HVAC system, including periodic cleaning, lubricating and changing air filters; (iii) groundskeeping and maintenance of the athletic fields, including without limitation, seeding, mowing, watering and raking of the grassy areas and full maintenance of the balance of the playing fields, preparation of the fields at the start of each season and for practice sessions and games, maintenance, repair and replacement and painting of grandstands, fences, batter's background walls and other related items; (iv) changing of standard, isolated light bulbs, fuses and circuit breakers as they burn out; (v) cleaning all portions of the Sports Complex immediately after each SFS Event and County Event; (vi) all repairs other than Capital Repair Work (as defined in Section 4), (vii) repair and rehabilitation of parking areas; and (viii) touch-up painting. County shall employ a sufficient number personnel to maintain the Sports Complex (excluding the Player Academy Spaces and the Barwis Center) properly for use and play until the end of SFS's seasonal use of the facilities as delineated in Section 2. The County and SFS shall consult annually as to a reasonable program of management, operation, and maintenance

of the facilities to be carried out during the coming year, and County shall be responsible for implementation of such a reasonable program at its expense.

B. SFS Maintenance Responsibility. At all times during the Term, SFS shall be responsible for performing all Maintenance of the Player Academy Spaces at the Sports Complex and (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC and paying all costs and expenses related thereto including payment of the cost of utilities, except to the extent such Maintenance is required due to the actions of the County or its contractors. SFS shall be solely responsible for any maintenance, restoration or repair related to damage occurring to the Sports Complex as a result of the negligent acts or willful misconduct of SFS or Club, its officers, agents and employees. SFS also shall be solely responsible for repair of any damage to the playing fields, structures, or other facilities that occur during non-baseball SFS Events.

C. In connection with the performance of the Maintenance, SFS shall have the right to cause the County to use products and/or services of its corporate sponsors if such products and/or services are reasonably comparable in price and quality to other alternatives available to the County; provided, however, that the County shall not be obligated to purchase such products and/or services if it would require the County to be in violation of any pre-existing written agreement with any third party or applicable law, including, without limitation, the County's obligations with respect to competitive bidding.

D. The County shall have no obligation to perform or pay for any Maintenance with respect to the Player Academy Spaces or (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC, except to the extent such Maintenance is required due to the negligence or willful misconduct of the County, its agents or employees.

4. CAPITAL REPAIRS.

A. All Capital Repair Work required during the Term shall be performed by the County and all costs and expenses related to the Capital Repair Work shall be the sole responsibility of the County and shall not be deducted from nor otherwise credited against the Additional Improvements Fund. "Capital Repair Work" shall mean (a) all capital modifications, replacements or additions to the Sports Complex that are reasonably necessary to keep the facilities and amenities of the Sports Complex in good repair and sound condition; and (b) repairs and replacements that are reasonably necessary to maintain the roof, foundation, HVAC and MEP systems and structural integrity of the Sports Complex, and preserve its usefulness for the purposes for which it is being used hereunder.

B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for mutually agreed upon Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund each year and SFS shall pay the County \$75,000 on March 1 during each year of the Term, which amount the County shall deposit

the Capital Repairs Fund. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work.

5. **ADDITIONAL IMPROVEMENTS.**

A. The County shall establish an interest bearing account, in the name of the County, designated as the "Additional Improvements Fund," for mutually agreed upon Additional Improvements (as defined below) to benefit the Sports Complex during the Term, and all interest thereon shall be added to the Additional Improvements Fund. The County shall contribute funds to the Additional Improvement Fund in accordance with the schedule of contributions set forth in the attached Exhibit "C" (it being understood that County shall have up to six (6) months to cure any failure to make a payment in accordance with the schedule).

B. During the Term County shall fund, to the extent funds are available in the Additional Improvements Fund, certain additional improvements to the Sports Complex proposed by SFS and approved by the County, such approval not to be unreasonably withheld (the "Additional Improvements"). The Additional Improvements to be constructed and the schedule for the construction of the Additional Improvements shall be determined so as to provide material benefit to SFS to be enjoyed by SFS during the Term. SFS shall have the right to request that the County provide monies from the Additional Improvements Fund and the County will promptly honor such requests and deliver such funds to SFS or such other person or entity according to instructions from SFS for use as contemplated under this Agreement.

6. **CONSIDERATION – PAYMENT.**

A. For purposes of this Section 6.A "Year 1" means the 2017 calendar year, "Year 2" means the 2018 calendar year and so on through "Year 25" which is the 2042 calendar year. For each year of the Term starting in 2017, SFS will make a base rent payment to the County (the "Base Rent") in an amount equal to 50% of Stadium Revenue from the New York Mets Spring Training games and the Florida State League franchise's games played at the Stadium (collectively, "Games"), provided that the Base Rent payment shall not exceed \$2,000,000 during each of Year 1 through Year 10, \$2,100,000 during each of Year 11 through Year 20, and \$2,250,000 during each of Year 21 through Year 25. The limit placed on the Base Rent payment each year of the Term shall be referred to herein as the "Base Rent Cap." In addition to the Base Rent, beginning in the year that immediately follows the year in which SFS makes its final payment to the County pursuant to Section 37 below and each year thereafter during the Term, if Stadium Revenue exceeds \$5,500,000 in such year, SFS shall make an additional rent payment to the County (the "Additional Rent") in an amount equal to the County percentage multiplied by the corresponding incremental amount of Stadium Revenue in excess of \$5,500,000 as set forth in the chart below (subject to reduction to the extent necessary to recoup Shortfall Payments as addressed below in this Section).

Stadium Revenue	SFS Percentage	County Percentage
Between \$5,500,001 and \$6,500,000	90%	10%
Between \$6,500,001 and \$7,500,000	75%	25%
More than \$7,500,001	50%	50%

For example, if Stadium Revenue in a year in which Additional Rent is due (a) is \$5,500,000 or less, SFS shall not make any Additional Rent payment; (b) is \$6,000,000, SFS will make an Additional Rent payment equal to \$50,000 (i.e., 10% of the \$500,000 between \$5,500,001 and \$6,000,000); (c) is \$7,000,000, SFS will make an Additional Rent payment equal to \$225,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000 plus 25% of the \$500,000 between \$6,500,001 and \$7,000,000); or (d) is \$8,000,000, SFS will make an Additional Rent payment equal to \$600,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000, plus 25% of the \$1,000,000 between \$6,500,001 and \$7,500,000, plus 50% of the \$500,000 between \$7,500,001 and \$8,000,000)

For any year of the Term starting in 2017 in which Base Rent is less than \$2,000,000 SFS shall make a payment to the County (the "Shortfall Payment") from (but not more than) SFS's 50% share of Stadium Revenues, such payment being equal to the amount by which \$2,000,000 exceeds the Base Rent. SFS shall have the right to recoup all Shortfall Payments from Additional Rent payable to the County in subsequent years. In addition, the Base Rent Cap during each of Year 11 through Year 25 shall be reduced by the cumulative amount of Shortfall Payments that remain un-recouped at the time the Base Rent is due that year, provided that in no event shall the Base Rent Cap be less than \$2,000,000 in any year. To the extent Base Rent to the County is decreased because of the reduction in the Base Rent Cap in accordance with the previous sentence, the amount not paid to the County as a result of that reduction will be considered a recouped Shortfall Payment. (For example, if SFS makes its first Shortfall Payment to the County in Year 10 in the amount of \$125,000, then the Base Rent Cap in Year 11 will be reduced from \$2,100,000 to \$2,000,000, and if the Base Rent in Year 11 would have been \$2,100,000 had the Base Rent Cap not been reduced, then (x) in Year 11 SFS would pay Base Rent to the County of \$2,000,000, (y) SFS will have recouped \$100,000 of its Shortfall Payment from Year 10, and (z) \$25,000 of SFS's Shortfall Payment from Year 10 will remain to be recouped from Additional Rent or future Base Rent Cap reductions. To the extent that Shortfall Payments made by SFS are not fully recouped by the date this Agreement terminates or expires, the County will pay SFS an amount equal to the cumulative total of all un-recouped Shortfall Payments from Tourist Tax Revenues collected by the County after termination or expiration of this Agreement until all Shortfall Payments are repaid to SFS.

Definitions:

"Stadium Revenue" means (i) SFS's adjusted gross ticket receipts from Games, plus (ii) SFS's gross sales receipts from food and beverage concession sales at Games, plus (iii) SFS's gross sales receipts from souvenir, novelty and game program sales at Games, plus (iv) the net profits (defined

below) from parking at Games.

“Adjusted gross ticket receipts” means all revenues actually received by SFS from ticket sales for Games, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. County will not levy any tax on the sale of tickets except as required by law.

“Gross sales receipts” means revenues received from food and beverage concession sales or souvenir and novelty sales at Games, as the case may be, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. County will not levy any tax on the sale of concessions, souvenirs or novelties except as required by law. In the event SFS elects to contract with an unaffiliated private firm to operate all food and beverage concessions and/or souvenir and novelty sales, then, in lieu of including all revenues received from food and beverage concession sales and souvenir and novelty sales at Games in gross sales receipts, SFS shall include in gross sales receipts only such portion of food and beverage concession revenues and souvenir and novelty revenues received by SFS from the contractor. Moreover, SFS’s selection of an unaffiliated private firm to operate all food and beverage concessions or souvenir and novelty sales at the Sports Complex shall be subject to the approval of the County, which approval shall not be unreasonably withheld.

“Net profits” will be ascertained by reducing the revenues actually received by SFS from the sale of parking privileges for Games by reasonable labor costs incurred in operating the parking facilities on Games days and other reasonable expenses related to parking (e.g., cost of printing parking tickets and providing signage and flash lights).

B. **Advertising.** Subject to the terms of Section 7(C) hereof with respect to Naming Rights, County grants to SFS the exclusive right to display or permit others to display advertising material at all locations in the Sports Complex at all times during the Term (including, without limitation, advertising in game or other SFS Event programs), and the exclusive right to grant event sponsorship and promotional rights at the Sports Complex during SFS Events, as well as the right to assign all or any portion of such rights to any third party including specifically to the Club. SFS shall have the right to display such advertising signs at all events held at the Sports Complex, including, without limitation, County Events. The County shall not be entitled to receive any of the revenues generated by SFS or its assignees through the sale of such advertising, sponsorships and promotions. SFS or its assignee shall retain one hundred percent (100%) of all revenues from advertising at the Sports Complex during the Term and from all sponsorships and promotions during SFS Events, and SFS shall have control over the type and content of all such advertising, sponsorships and promotions. County shall have the right to review and approve all such proposed advertising, provided that County shall have no right to object to any advertising except to the extent that such advertising is indecent or incompatible with the character and dignity of the Sports Complex; any proposed advertising shall be conclusively deemed neither indecent nor incompatible if it is comparable to advertising at any other Major League spring training or minor league baseball facility within the State of Florida. County may not sell or display signage at the Sports Complex without the prior written consent of SFS, in SFS’s sole discretion, except that the

County may display at the Sports Complex signage that is comprised solely of the insignia or logos of the County or that is required by public safety considerations or by local, state or federal regulations subject to the approval of SFS, which approval shall not be unreasonably withheld.

C. **Parking.** SFS reserves the right to charge reasonable fees for parking areas adjacent to the Stadium for persons attending SFS Events. SFS shall have the right to make parking spaces available at all times and without charge to authorized representatives, designees or personnel designated by SFS. County and SFS shall cooperate and develop a visitors pass procedure that will allow free parking to authorized representatives and guests of the County and SFS.

SFS shall include the net profits from parking at Games in Stadium Revenue as set forth above. For all SFS Events other than Games, SFS shall retain one hundred percent (100%) of all parking receipts. For County Events at the Sports Complex, County shall operate all parking at its sole expense and shall retain all proceeds.

D. **Intentionally Omitted.**

E. **Rent for Use of Stadium.** The rental payment by SFS for use of the Stadium shall be the payments from SFS to County as provided above in Section 6.A. Except as otherwise specifically provided in this Agreement, only one payment shall be made each year of the net amount due from SFS to County, which annual payment shall be made prior to the commencement of the following Major League Spring Training season. County and SFS agree that such amounts paid by SFS to County shall be deemed to be the rent payment for the use and occupancy of real property pursuant to Section 212.031, Florida Statutes. In addition to the requirements of Paragraph 9(C), SFS shall provide the County with an annual accounting of revenues and expenses in sufficient detail for audit purposes at the same time the annual payment is made.

F. **County Revenues.** SFS shall pay to County thirty-three percent (33%) of SFS's gross sales receipts from food and beverage concession sales at all County Events, with SFS retaining the other sixty-seven percent (67%). As used in this Section 6(F), "gross sales receipts" means revenues received from food and beverage concession sales, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. However, County shall not levy any tax on the sale of concessions except as may be required by state law. For all County Events, County shall retain one hundred percent (100%) of the adjusted gross ticket receipts but shall reimburse SFS for all pre-approved out-of-pocket expenses incurred by SFS in connection with each such event. As used in this Section 6(F), the term "adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for County Events at the Sports Complex, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. However, County shall not levy any tax on sale of tickets except as required or authorized by state law.

G. **Parking Revenues from Adjacent Businesses.** Subject to the approval of SFS, which approval shall not be unreasonably withheld, the County shall have the right to allow local

businesses with offices adjacent to the Stadium ("Adjacent Businesses") to utilize the Stadium parking area depicted on Exhibit "N" hereto (the "Business Parking Area") on a nonexclusive basis provided that the use of the Business Parking Area by local businesses shall not conflict with use of the Business Parking Area by SFS or the County for SFS Events or County events. The parties agree that the first \$100,000 in total revenues received during the Term from the use of the Business Parking Area by the Adjacent Businesses shall be retained by the County to reimburse the County for the actual cost incurred by the County to construct improvements to the Business Parking Area, and thereafter, the County shall deposit all revenues received from use of the Business Parking Area by the Adjacent Businesses into the Capital Repairs Fund. The County shall be responsible for all damage and expenses resulting from use of the Business Parking Area by Adjacent Businesses

7. TELEVISION - RADIO REVENUE; LUXURY SUITE REVENUE; NAMING RIGHTS.

A. Television - Radio Revenue.

It is expressly acknowledged and agreed by and between the parties, that the County shall receive no revenues from the radio or television broadcast or other transmission (including, without limitation, over cable or the Internet) of or relating to any SFS Events, nor shall the County participate, in any manner, in determining when said SFS Events shall be broadcast or otherwise transmitted. SFS has the exclusive right to sell television and radio broadcasting and other transmission rights for SFS Events and to permit others to sell such television and broadcasting and other transmission rights, and SFS or such other authorized party shall retain all revenues resulting therefrom.

B. Suite Revenue.

SFS shall manage and control the rental of any luxury suites at the Stadium, including without limitation any luxury suites constructed as part of the New Improvements, for all events at the Sports Complex during the Term. County and SFS shall each be entitled to use and authorize others to use one luxury suite for all events during the Term, without charge to County or SFS for their occupancy of the respective suites. All other luxury suites are to be rented on a yearly basis, and SFS shall retain one hundred (100%) percent of adjusted gross revenue from the rental of luxury suites. The lessee of any luxury suite will receive admission tickets to the luxury suite for all New York Mets spring training games and all St. Lucie Mets games at no additional charge. The lessee of any luxury suite will also have the right to purchase admission tickets to the luxury suite for any other event held at the Stadium during the year, and if such tickets are purchased: (i) for all SFS Events other than New York Mets spring training games and St. Lucie Mets games, SFS shall retain one hundred (100%) percent of the adjusted gross revenue from the sale of such admission tickets; and (ii) for all County Events, SFS shall retain ten (10%) percent of the adjusted gross revenue from the sale of such admission tickets and shall pay to the County the remaining ninety (90%) percent. As used in this Section 7(B), the term "adjusted gross revenue" means all revenues actually received by SFS from the rental of luxury suites that is

attributable to the particular event at issue, and all revenues actually received by SFS from the sale of tickets granting admission to the luxury suites for the event, less any and all taxes and tax surcharges or fees due to any governmental or taxing authority related thereto. Revenues from food and beverage sales in luxury suites will be included in gross sales receipts as set forth in Section 6(A) above.

C. Naming Rights.

SFS or its designee shall have the sole and exclusive right to designate the name of the Sports Complex and/or its constituent parts and to grant one or more third parties (i) the right to include such party's name, product name and/or logo and/or corporate identifiers in the name of the Sports Complex and/or its constituent parts, (ii) the right to have such name and/or logo and/or corporate identifiers prominently displayed on the interior and the exterior of, and on and around the entrances to the Sports Complex and/or its constituent parts, and on the Sports Complex apron, as part of the name of the Sports Complex, and (iii) such other nonexclusive rights which are customarily included in the grant of the rights in clause (i) and (ii) above (such rights are hereinafter referred to as the "Naming Rights"), and provided that such name and/or logo and/or corporate identifiers shall not be obscene nor shall it be unlawful to use the same. For avoidance of doubt, SFS retains all revenues with respect to Naming Rights.

For so long as both this Agreement and the agreement granting Naming Rights remain in effect, the Stadium and the Sports Complex shall be referred to by the name(s) selected pursuant to this Section 7(C), and neither party shall advertise or refer to the Stadium or the Sports Complex by any other name. The Stadium and the Sports Complex names selected pursuant to this Section 7(C) shall be used by the parties when referring to the Stadium and the Sports Complex in any of their correspondence, press releases, promotional materials, advertisements and/or publications, and shall be used by County on all related directional traffic and pedestrian signs on highways, local streets, and all public thoroughfares in and around the Sports Complex and St. Lucie County, Florida. Notwithstanding the above, the parties agree that the County's logo shall be permanently displayed at locations in the Stadium and Sports Complex as mutually agreed upon by the parties.

County shall retain the right to market for sale to a third party the right to include such party's name, product name and/or logo in the official name of the football/soccer field across from the Sports Complex (the "Football/Soccer Naming Rights"). County shall not market or entertain offers for, and shall not enter into any agreement relating to, the Football/Soccer Naming Rights until after all Naming Rights Agreements referenced above in this Section 7(C) with respect to the remainder of the Sports Complex have been entered into and approved by the Board of County Commissioners. Any agreement with respect to the Football/Soccer Naming Rights shall be subject to the approval of SFS, which approval shall not be unreasonably withheld, provided that the withholding of approval shall be conclusively deemed reasonable if the proposed agreement is with a competitor of any entity that has an advertising or naming rights agreement with SFS or Club at any facility.

D. **Other Revenues.**

Except as otherwise expressly stated and specified in this Agreement, SFS shall be entitled to retain all revenues related to the Sports Complex.

E. **Recognition of Contributions of Thomas J. White, Sr.**

Wholly separate from any naming rights for the Sports Complex or the Stadium, County and SFS agree to continue to recognize the contributions of Thomas J. White, Sr. in a manner similar to how such contributions are currently recognized at the Sports Complex and Stadium.

8. **TICKET SALES; PROGRAM SALES, CONCESSIONS AND PARKING.**

SFS has the exclusive right to operate ticket sales, program sales, and parking lots in connection with SFS Events during the Term of this Agreement, and has the right and discretion to contract with or authorize one or more other persons or entities to operate ticket sales, parking and/or game program sales at the Sports Complex at or in connection with SFS Events.

SFS has the exclusive right and discretion to sell and authorize others to operate concessions for the sale of food and beverages (including, without limitation, catering, hospitality and picnic services), novelties, souvenirs and paraphernalia at the Sports Complex during the Term of this Agreement. The County reserves the right to schedule special events in the parking lot during non-baseball scheduled events at which concessions will be sold; SFS will operate concessions at such special events in accordance with its exclusive right to operate concessions at the Sports Complex during the Term, and will cooperate with the County with respect to the providing of concessions to community and charitable groups at such special events. During the Term of this Agreement, SFS shall provide good quality concession services to the public. SFS will use commercially reasonable efforts to restrict patrons from bringing any food, beverages (including alcoholic beverages) or beverage containers into the Sports Complex. Prior to the start of each season, SFS will provide the County with notice of the pricing for tickets, programs, concessions and parking.

No new coin or currency operated vending machines shall be installed or located within the Sports Complex by SFS without the written permission of the County's Parks and Recreation Director, which permission shall not be unreasonably withheld. Except as otherwise permitted under this Agreement, SFS will not install permanent fixtures or construct permanent improvements at the Sports Complex without the County's prior consent, which consent shall not be unreasonably withheld.

9. **BOOKS, RECORDS AND AUDIT.**

SFS and County agree to keep accurate books and records in accordance with generally accepted accounting practices of their respective operations at the Sports Complex. SFS agrees to

submit to the County, on a quarterly basis, a report containing accurate attendance information in a form agreed to by all parties. In addition, the parties agree as follows:

B. SFS shall submit daily sales (ticket, parking, program and concessions) reports within thirty (30) days following the last Game of Spring Training and thirty (30) days following the last Game of the Florida State League season.

C. All related books and records regarding ticket, parking, program and concession sales shall be jointly available to the County for suitable annual audit at a time mutually agreed to by the parties. Any audits must be performed within twelve (12) months after the end of each year of operation (January 1 - December 31). SFS shall have the same right to audit the books and records of any County operation under this Agreement, and shall have the right to review the County budget and related documents at any time upon reasonable notice.

10. **NEW IMPROVEMENTS.**

A. **NEW IMPROVEMENTS - BUDGET.**

The County intends to issue bonds, the ("New Improvement Bonds") which will be used to finance certain improvements to the Sports Complex described on Exhibit "D" hereto (the "New Improvements"). If the County does not issue the New Improvement Bonds and fully fund the New Improvements Budget (as defined below) by April 1, 2017 SFS shall have the right to nullify and void this Agreement, by providing written notice to the County, provided that the County shall have seven (7) days following its receipt of such notice from SFS to issue the New Improvement Bonds, and if the New Improvement Bonds are issued by the end of such seven (7) day period then the written notice provided shall be ineffective. If this Agreement is nullified and voided as set forth in the immediately preceding sentence, the parties agree that the Prior FUA shall be reinstated and the terms and conditions of the Prior FUA shall govern the rights and obligations of SFS and the County. The County will designate SFS as the agent of County for the purpose of coordinating the New Improvements, with the scope of the New Improvements to be determined by SFS and approved by County, and the County will provide cooperation appropriate for the design and construction of the New Improvements. The parties agree that the New Improvements will include, without limitation, Stadium upgrades, a new entrance, walk way connector around the outfield, one new field and other field enhancements, Mets player academy facilities consisting of dormitories, a cafeteria and an auditorium (the "Player Academy Spaces") (which shall only be used by Mets personnel and shall not be available for use by the general public), little league/softball complex, new major and minor league clubhouses, offices and locker rooms, and other improvements as may be determined and approved by SFS and County. The County shall provide \$55,000,000 of funding (the "New Improvements Budget") for the design and construction of the New Improvements.

Nothing in this Agreement shall obligate the County to provide funding for the New Improvements in excess of the New Improvements Budget. SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other

modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage. The New Improvements Budget shall be used to fund the New Improvements only and for no other purpose (except as provided herein). County will contract to have an economic impact statement prepared, addressing the impact from Major and Minor League Baseball at the Sports Complex and the Improvements, it being understood that the cost of such statement shall be paid by the County and shall not be included in the New Improvements Budget.

B. NEW IMPROVEMENTS - PLANS.

1. County, for the benefit of SFS and County, shall competitively procure an architect reasonably satisfactory to both parties (the "Architect" referred to in this Section 10) in accordance with Florida Law and County Procurement Policy. The Architect shall be responsible for, *inter alia*, (1) developing a conceptual plan and general specifications (the "Conceptual Plans" referred to in this Section 10) for the New Improvements; (2) developing preliminary plans and specifications for the New Improvements; (3) preparing working drawings and requests for bids; (4) obtaining all permits, other than building permits, needed to construct the New Improvements; (5) assisting SFS in evaluating the qualifications of potential contractors; (6) providing contract administration; and (7) performing construction inspections as needed to provide certified as-built drawings after the New Improvements are constructed (the "Architect's Work" referred to in this Section 10). SFS shall enter into a contract (the "Architect's Contract" referred to in this Section 10) with the selected Architect with terms that are fair, competitive and reasonable as required by Section 287.055 (5) and (6) of the Florida Statutes, and which shall, *inter alia*, contain the terms and conditions set forth in Exhibit "E" hereto. The County shall be named as a third party beneficiary in the Architect's Contract. The County shall, upon request, enter into a joinder to the Architect's Contract substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc. Without limiting the foregoing, the Architect's Contract shall require the Architect to procure policies of insurance that relate to the Architect's Work, with terms, limits, coverages and specifications at least as favorable for SFS as those reflected in Exhibit "E", and SFS and the County shall be designated as Named Insureds on all applicable policies. The Contract should also provide that Architect will not receive payment for any portion of the Architect's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(b) below. SFS shall have the right to refuse to enter into any Architect's Contract with terms that are not fair, competitive and reasonable as required by Section 257.055 (5) and (6) of the Florida Statutes. County, through its Board of County Commissioners, shall have final approval rights to the negotiated Contract limited to whether the Contract terms are fair, competitive and reasonable. County agrees that the Architect shall not be considered an agent of SFS for any purpose and that the Architect shall be solely responsible for the Architect's Work, and that the County will look solely to the Architect and its carriers, and in no event to SFS, with respect to the performance of the Architect's Work and any damages or losses which may arise from or out of any acts or omissions of the Architect

except to the extent caused by any negligent acts or omissions of SFS or its agents or representatives.

2. Contemporaneous with procurement of the Architect, the County shall, through currently pending RFQ No. 16-049, competitively procure a consultant to provide Program Manager Consulting Services on its behalf, serving as the point of contact of the County for all project development interaction involving SFS, Architect and Contractor.

3. SFS shall cause Architect to furnish to County the Conceptual Plans for the New Improvements. County, through its Board of County Commissioners, shall have a period of twenty (20) days from delivery of the Conceptual Plans within which to review and to disapprove of the Conceptual Plans, in writing. County shall have no right to disapprove of the Conceptual Plans except to the extent that the improvements described therein are materially inconsistent with the description of the New Improvements set forth on Exhibit "D" hereto or to the extent the Conceptual Plans reflect estimated costs in excess of the New Improvements Budget. Subject to the foregoing, County shall not unreasonably withhold its consent to any Conceptual Plans. If County disapproves of the Conceptual Plans, County shall express the grounds for its disapproval in reasonable detail. If County shall not disapprove within such twenty (20) day period, the Conceptual Plans shall be deemed approved.

4. As soon as is reasonably practicable following the approval of the Conceptual Plans, SFS shall cause Architect to prepare and deliver to County and SFS preliminary plans and specifications for the New Improvements in accordance with the approved Conceptual Plans (the "Preliminary Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days within which to review and to approve or disapprove of the Preliminary Plans in writing. County shall have no right to disapprove of the Preliminary Plans except to the extent the Preliminary Plans are materially inconsistent with the Conceptual Plans. If County or SFS disapprove of the Preliminary Plans, it or they shall express the grounds for its disapproval in reasonable detail. If County or SFS shall not respond with disapproval within such twenty (20) day period, the Preliminary Plans shall be deemed approved.

5. As soon as is reasonably practicable following the approval of the Preliminary Plans, SFS shall cause the Architect to prepare working drawings for the New Improvements (or such of the New Improvements as shall be designated by SFS), in accordance with the approved Preliminary Plans and to deliver same to County and SFS (the "Final Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days from receipt of the completed Final Plans to review and approve or disapprove of the Final Plans in writing. County shall have no right to disapprove of the Final Plans except to the extent such Final Plans are materially inconsistent with the Preliminary Plans. If County or SFS shall disapprove of the Final Plans, it or they shall express the grounds for its disapproval in writing and in reasonable detail. If neither County nor SFS disapprove within such twenty (20) day period, the Final Plans shall be deemed approved. Once approved, the Final Plans shall be incorporated into this Agreement as Exhibit "F".

6. County, for the benefit of SFS and County, shall, through a publicly advertised competitive bidding or proposal process, in accordance with Florida law and County Procurement Policy, competitively procure a contractor (the "Contractor" referred to in this Section 10) for the construction of the New Improvements in accordance with the Final Plans (the "Work" referred to in this Section 10). SFS shall have input on the qualifications and selection of contractors, with two members appointed by SFS to a five-member selection committee, with the remaining three members appointed by County, and to refuse to engage any contractor upon terms that are not fair, competitive and reasonable as determined by SFS. The final terms of the agreement between SFS and the Contractor (the "Construction Contract" referred to in this Section 10), and any Guaranteed Maximum Price amendments or agreements, shall be subject to the approval of the County, through its Board of County Commissioners, limited to whether the Contract terms are fair, competitive and reasonable. SFS shall enter into a Construction Contract along with terms that are fair, competitive and reasonable and the terms set forth below, with the selected contractor.

7. The Construction Contract shall, *inter alia*, include the terms and conditions set forth in Exhibit "G" hereto and shall include each of the following requirements related to all work under the Construction Contract ("Work"): (i) the furnishing of a public construction bond in a form consistent with Section 255.05, Florida Statutes, with the County named as co-obligee, and with terms acceptable to SFS; (ii) competitive procurement of all Subcontractors work and supplies as set forth in Subsection 7(d) below ("Procurement of Subcontracts"); (iii) retainage in an amount acceptable to SFS for the Work, until the Completion of the Work (including a retainage of 10% of the total value of the construction contract) and required reductions at 50% completion as set forth in Section 255.078, Florida Statutes; (iii) payment by the Contractor of liquidated damages equal to One Thousand Dollars (\$1,000.00) for each day from and after the Required Completion Date (if and as that term or its equivalent is defined in the Construction Contract) until the actual date of Completion; (iv) a requirement that the Contractor perform and achieve Completion of the Work for a Guaranteed Maximum Price or fixed stipulated sum referred to in this Section 10), by no later than the Required Completion Date; (v) the furnishing of an "installation floater" insurance policy or such other policy of insurance covering goods in transit and while the Work is being performed, with terms, limits, coverages and specifications acceptable to SFS (and the furnishing by any subcontractors of policies of insurance that relate to the Work naming SFS, Club and the County as additional insureds, with terms, limits, coverages and specifications acceptable to SFS); (vi) at SFS's election, the provision on behalf of SFS of an Owner's Contractor Protective policy of insurance, including extensions for products and completed operations coverage and similar extended coverage at least through Completion (as defined herein) of the Work, or another policy of insurance acceptable to SFS, with SFS as a named insured; (vii) the County shall be named as a third party beneficiary in the Contract; and (viii) Contractor must agree that it will not receive payment for any portion of the Contractor's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(c) below. The County shall be named as a third party beneficiary in the Contract between the Contractor and SFS. The County shall, upon request, enter into a joinder to the Contract between the Contractor and SFS substantially similar to the joinder

entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc.

8. As required by Section 119.0701, Florida Statutes, in all contracts competitively procured for services related to the New Improvements, including the Architect as set forth in Section 10(B)(1) and Contractor as set forth in Section 10(B)(4), SFS shall include in each such Contract, the following Notice in capital letters, 14-point boldfaced type:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (772) 462-1441, bellamys@stlucieco.org, COUNTY ATTORNEY'S OFFICE, 2300 VIRGINIA AVENUE, FORT PIERCE, FL 34982.

SFS shall also include in each such Contract, a requirement that the contracting party comply with the following requirement of Florida's Public Records Law:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. SFS agrees to include the following provisions (or substantively equivalent provisions) in the Construction Contract:

(a) Punchlist Procedures. Punchlist procedures to render the Work complete, satisfactory and acceptable are established as follows:

There shall be the development of a single checklist of items required to render complete, satisfactory, and acceptable, the Work. No more than ten (10) days prior to Contractor's expected Substantial Completion of the Work as defined in the Construction Contract, Contractor shall schedule a walkthrough with SFS and the County ("Initial Walkthrough" a/k/a "IW"). The purpose of the IW is to develop a checklist ("Checklist") of items to be performed by the Contractor, based upon observations made between the Contractor, SFS and the County during the IW.

No later than forty (40) calendar days after reaching Substantial Completion, Contractor shall again initiate and request a second walkthrough of the Project with SFS and the County. The purpose of this second walkthrough is to identify which items remain to be performed from the IW Checklist and for the purpose of developing a single and Final Punchlist.

The intent of this section is for SFS, County and the Contractor to cooperate to develop a single Final Punchlist to be completed no later than sixty (60) calendar days from the date of reaching Substantial Completion of the Work as defined in the Construction Contract. The single Final Punchlist shall be delivered no later than five (5) calendar days after the Punchlist has been developed and reviewed in accordance with this section. If the Work provided in this Construction Contract relate to more than one building or structure, or involves a multi-phased project, the single Final Punchlist is required to render complete, satisfactory, and acceptable all the Work for each building, structure, or phase of the Project and is due within the time periods set forth in this section.

In no event may the Contractor request payment of final retainage until the Final Punchlist is 100% complete.

Contractor agrees to complete the Final Punchlist items and the Final Contract Completion Date must be thirty (30) calendar days after the delivery date of the Final Punchlist. The failure to include any corrective work or pending items not yet completed on the list does not alter the responsibility of the Contractor to complete all the construction services purchased pursuant to this Construction Contract.

Contractor acknowledges and agrees that no item contained on the Final Punchlist shall be considered a warranty item until such time as (a) the Final Punchlist is 100% complete, and (b) SFS has been able to operate or utilize the affected Punchlist item for an additional period of fifteen (15) days.

Contractor acknowledges and agrees that SFS may, at its option, during performance of the Work and prior to Substantial Completion, issue lists of identified non-conforming or corrective work for the Contractor to address. The intent of any such generated list prior to Substantial Completion is to attempt to streamline the Punchlist process upon achieving Substantial Completion, and to allow for the Contractor to address needed areas of corrective work as they may be observed by SFS during performance of the Work.

Contractor acknowledges and agrees that SFS shall determine whether an item on the Final Punchlist is completed and shall calculate the amount of payment to withhold if an item is incomplete, with SFS having the right to withhold the greater of 150% of the value of the item on the Final Punchlist that is incomplete or the amount of the retainage under this Construction Contract. Contractor acknowledges and agrees that in calculating the amount of payment that may be withheld by SFS as to any Final Punchlist item for which a good faith basis exists to determine that it is incomplete, SFS may, in calculating the amount equal to 150% of the value of the item (if SFS decides to withhold such amount rather than the amount of the retainage under this Construction Contract), include within such percentage calculation its total costs for completing such item of work, including its administrative costs as well as costs to address other services needed or areas of work which may be affected in order to achieve full completion of the Final Punchlist item. Such percentage shall in no event relate to the schedule of value associated with such Work activity, but rather total costs are based upon the value (i.e. cost) of completing such Work activity based upon market conditions at the time of Final Punchlist completion.

(b) **Reduction of Retainage Procedures.** After the Contractor has achieved fifty percent (50%) completion of the Work, retainage from subsequent Pay Applications shall be reduced to five percent (5%). Contractor may request a reduction of retainage previously withheld from ten (10%) percent of the total value of the Construction Contract to five (5%) percent after fifty (50%) percent completion of the Work which SFS shall authorize for payment unless justification for withholding exists, as permitted by Section 255.078, Florida Statutes. The term "Fifty Percent Completion" shall be defined as follows, in lieu of any other definition:

"Fifty Percent Completion" of the Work is defined as that point in time where 50% of the overall value of Work items incorporated and which will remain in place subsequent to final completion of the Work have been completed, based upon the schedule of values contained in the Contract. As such, and by way of example, the value of Contractors mobilization, general conditions, supervision or like items which do not involve permanent incorporation of Work do not apply to the determination of "Fifty Percent Completion" of the Work for purposes of establishing entitlement to a reduction of retainage.

(c) **Definition of Substantial Completion.** For purposes of this Construction Contract, and for compliance of those procedures, duties and obligations, the term Substantial Completion shall be as follows, in lieu of any other definition:

"Substantial Completion" is defined as that point where SFS and the County are able to enjoy beneficial occupancy of the Work and where the Work has achieved that level of completion such that SFS and the County are able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life safety and regulatory use, with the

exception of incidental and incomplete items except where a lack of completion of such incidental or incomplete items of Work will adversely affect the complete operation of other areas of the Work, to the satisfaction and approval of all authorities having jurisdiction.

(d) **Procurement of Subcontracts.** All subcontracts exceeding \$500,000 shall be and competitively awarded in accordance with the process set forth in Exhibit "O".

(e) **Contractor Self-Perform Work.** Upon approval by SFS, Contractor and any Related Entities as defined below, may use its own forces to perform a portion of the Work, as long as the cumulative percentage of the total self-performed construction work does not exceed 25% of the Direct Cost of the Work for the Project, as reflected in the approved GMP or latest approved estimates. SFS reserves the right to limit instances of self-performance to certain Work. There is no guarantee that any self-performed work will be allowed. Related Entities are prohibited from submitting competing bids or proposals and shall be disqualified for doing so, unless authorized hereunder. When authorized in advance to submit a competitive bid, the Contractor or Related Entity must submit its bid to SFS, at least forty-eight hours prior to the bid opening date and time. "Related entities" means any parent company, affiliates, subsidiaries, or other entities having common ownership or management with that of the Contractor or a subcontractor.

10. County agrees that the Contractor shall not be considered an agent of SFS for any purpose and shall be solely responsible for the Contractor's Work, and that the County will look solely to the Contractor and its carrier(s) and surety bond(s), and in no event to SFS, with respect to the performance of the Contractor's Work and any damages or losses which may arise from or out of any acts or omissions of the Contractor except to the extent caused by the negligent acts or omissions of SFS or its agents or representatives.

11. SFS shall have the right to purchase general construction liability insurance or other construction-related insurance acceptable to SFS, with terms, coverages, specifications and limits as determined by SFS as being reasonable in its sole discretion. The cost of such insurance shall be included in the Total Cost of the Work (as defined in this Section 10(B)(10)). County shall be an additional insured on such insurance policy, if any is purchased by SFS.

12. The Total Cost of the Work defined herein shall be paid by the County in accordance with the procedures set forth in Section 10(C)(9), below, out of the New Improvements Budget. The term "Total Cost of the Work" referred to in this Section 10 shall mean the sum of (i) the fees and expenses of the Architect in connection with all stages of the Architect's Work hereunder, including without limitation the Architect's consultants' fees and expenses, and all fees and expenses related to the obtaining of permits needed to construct the New Improvements, plus (ii) the Construction Contract Price, plus (iii) the fees and expenses of any consultants engaged directly for the design and construction of the New Improvements which are approved in advance by the County and competitively procured in accordance with Florida law (including the Program Manager under RFQ No. 16-049), plus (iv) any other approved costs, expenses or liabilities

incurred by SFS as a consequence of SFS's engagement of the Contractor, Architect or other consultants hereunder, including but not limited to SFS's attorneys' fees in connection therewith, plus (v) the costs of all permits required for the Work, plus (vi) the premium cost of all insurance, including without limitation comprehensive general liability insurance, general construction liability insurance, products and completed operations or other extended insurance, or other insurance acceptable to SFS, as SFS may elect to obtain with County's advance approval, whether directly or through another person or entity acting on SFS's behalf, as a consequence of SFS's engagement of the Architect and Contractor hereunder (referred to in this Section 10 as the "Additional Exposure Liability Insurance Coverage Insurance Premiums"). The Total Cost of the Work shall be subject to increase only as a consequence of Authorized Change Orders (as defined in this Section 10), to the extent such Authorized Change Orders actually increase the Total Cost of the Work; provided, however, that the County's obligations shall be limited to the New Improvements Budget. As between SFS and the County, SFS shall be solely responsible for any and all cost of the Work exceeding the New Improvements Budget. The Total Cost of the Work shall not include any other costs or fees whatsoever, including, without limitation, fees for construction, coordination, supervision or for review and approval of plans and specifications or proposed Change Orders by SFS or County, except as otherwise specifically set forth in this Agreement.

C. NEW IMPROVEMENTS – CONSTRUCTION.

1. Promptly following the execution of the Construction Contract and the issuance of all required approvals and permits, SFS shall cause the Contractor to commence the Work and to diligently and continuously pursue the Work to Completion. The term "Completion" as used in this Section 10 shall mean the completion of the Work, as evidenced by the issuance of a temporary or final certificate of occupancy or completion, as applicable, and the completion of all "punch-list" items.

2. County will cooperate in good faith to assist Architect and Contractor in obtaining all permits required for the construction of the Work from all applicable governmental authorities.

3. There shall be no change to the Final Plans, except pursuant to an Authorized Change Order (as such term is defined below). SFS shall have the right to request changes in the Work. As used in this Section 10, an "Authorized Change Order" shall mean a written instrument initiated and prepared by SFS and signed by County if required herein (or deemed approved as set forth herein), SFS and the Architect stating their agreement upon all of the following: (i) the agreed change in the Work; and (ii) the extent of the adjustment in the Total Cost of the Work, if any. County shall have a period of ten (10) business days following receipt of a request to approve a Change Order within which to review and approve same. If County fails to respond within such ten (10) business day period after the receipt of the proposed Change Order, then such proposed Change Order shall be deemed approved provided, however, that in no event shall the County be obligated to pay any costs associated with Change Orders in the event such costs cause the Total Cost of the Work to exceed the New Improvements Budget without a separate

written consent from the County identifying the additional funds to be provided. Such separate written consent shall not be deemed to have been provided by the County's failure to object to a Change Order. County shall not unreasonably withhold its consent to any proposed Change Order except the County shall have the absolute right to deny any Change Order request that would cause the New Improvement Budget to be exceeded unless SFS agrees to be solely responsible for the overage. County has the right to suggest Change Orders to SFS, and SFS agrees to consider each County request for a Change Order in good faith, provided that any Change Order proposed by County shall not have the effect of increasing the Total Cost of the Work, and to initiate an Authorized Change Order as set forth in this paragraph if SFS determines that such a Change Order is appropriate. Changes in the Total Cost of the Work due to an Authorized Change Order shall be limited to the actual net increase in the cost included in the definition of the Total Cost of the Work.

4. SFS and the County shall have the right to monitor the construction progress of the New Improvements at all times, provided that County shall not give direction, whether verbally or in writing or otherwise, to any Contractor, Architect or consultant engaged by SFS, except in an emergency situation. SFS understands that County shall procure a Program Manager to serve as its representative during the design and construction of the Project, as part of the New Improvements Budget cost (provided that the cost therefor shall be reasonable therefor in light of the services provided by the Program Manager). SFS agrees to cooperate with the County and its Program Manager, and use best efforts to create a spirit of harmony involving all companies providing services for the Project. The Program Manager shall have the opportunity to be included as a participant at all Project meetings, jobsite meetings and inspections, and shall have the opportunity to be included on all Project communications involving the Architect, Contractor and any authority having jurisdiction. All Project administration communications, necessary with the County, including disbursement requests and Change Order requests, shall be conducted through the Program Manager. Should Program Manager identify any work being performed in material deviation from the approved Final Plans, it shall immediately provide written notice to SFS and the County, with recommendations on remedying the non-compliance. If the non-compliance is not remedied within seven (7) days, County and SFS, through representatives possessing decision-making authority, shall meet promptly to discuss the issues and means of resolution.

5. In the event of any contractual dispute between the parties hereto that (i) occurs before Completion (as defined in this Section 10) of the New Improvements, and (ii) relates to the preparation and/or approval of the Conceptual Plans, Preliminary Plans, Final Plans, the Construction Work per the Final Plans, or any Change Order for any Phase of the Work, SFS and County shall attempt in good faith to agree to the resolution of the disagreement and/or the curative measures, if any, that are required to be undertaken, and if necessary will submit the dispute to non-binding mediation in an effort to resolve the dispute if the parties are unable to reach a resolution without outside intervention. If the parties are unable to resolve such dispute through non-binding mediation within 30 days of such dispute arising, then the dispute shall promptly be resolved by litigation pursuant to Section 39 of this Agreement.

6. The New Improvement Schedule, which shall be Exhibit "H" hereto, shall show:

(a) The anticipated time of commencement and completion of each of the various operations to be performed under this contract; and,

(b) The sequence and inter-relationship of each of these operations with the others and with those of other related contracts; and,

(c) The estimated time required for fabrication or delivery, or both, of all materials and equipment for the Work.

7. The New Improvement Schedule shall be revised by SFS as and when needed. SFS shall provide the County with written notice in the event that any revision as to the New Improvement Schedule changes the Required Completion Date (if and as that term or its equivalent is defined in the Contract).

8. Promptly after execution of this Agreement, the County shall deposit the entire amount of the funds that comprise the New Improvements Budget in an interest bearing account, in the name of the County, designated (and referred to in this Section 11) as the "New Improvement Account," and all interest thereon shall be added to the New Improvements Budget. The County will issue bonds in an amount sufficient to generate \$55,000,000 of funding for the New Improvements Budget, as provided for in this Section 10. Notwithstanding any provision herein to the contrary, the County shall have no obligation to provide funds for the New Improvements Budget in excess of the \$55,000,000 provided with the proceeds of the County's New Improvement Bonds without the express written consent of the County identifying the additional funds provided.

9. County shall disburse funds from the New Improvement Account, as follows, provided that in no event shall County be responsible for disbursing funds in excess of the New Improvements Budget for the Total Cost of the Work:

(a) Within twenty (20) business days following SFS's delivery to County of an invoice for the Additional Exposure Liability Coverage Insurance Premiums with certification that payment is due in the requested amount, County shall pay to SFS the entire amount of such invoice;

(b) Within twenty (20) business days following SFS's delivery to County of an invoice from the Architect with respect to the Architect's Work with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of the Architect, the full amount of such invoice, which payment SFS will then forward to Architect within five (5) days of SFS's receipt thereof from County;

(c) Within twenty (20) business days following SFS's delivery to County of an invoice from the Contractor (which invoice shall reflect the applicable retainage), accompanied by the Required Documents (as such term is defined below) with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of Contractor, the full amount of such invoice, which payment SFS will then forward to Contractor within five (5) days of SFS's receipt thereof from County. The term "Required Documents" referred to in this Section 11 means: (i) an affidavit from the Contractor certifying that the invoice is true and correct; (ii) a partial lien waiver from the Contractor for the full amount of the current invoice and partial lien waivers from all subcontractors, materialmen and others who have filed Notices to Owner with respect to all Work through the date of the prior invoice; (iii) a certificate from Architect stating that the portion of the Work described in such invoice has been completed in accordance with the Final Plans; and (iv) in connection with the final disbursement to the Contractor (A) a final lien waiver from the Contractor and from all subcontractors, materialmen and others who have filed Notices to Owner and (B) a final certificate of occupancy or a certificate of completion, as may be applicable;

(d) Within twenty (20) business days following SFS's delivery to County of any invoices from any consultants engaged by SFS and/or with respect to any other costs, expenses or liabilities incurred by SFS pursuant to or as described in Section 11(B)(9) of this Agreement previously approved and authorized by the County, County shall, following verification of entitlement and quantum due, pay to SFS the full amount of such invoices; and

(e) Upon Completion, to the extent that \$55,000,000.00 exceeds the Total Cost of the Work in connection with the New Improvements (with the amount of such excess hereafter referred to as the "Excess New Improvement Budget Funds"), the Excess New Improvement Budget Funds shall be added or devoted to the Additional Improvement Fund (as such term is defined in Section 5(A)).

(f) County shall have the right to review, verify, and audit if necessary, all requests for disbursements of any New Improvements Budget Funds, including invoices from the Architect and Contractor. SFS shall reasonably ensure that all requests for disbursements are sufficiently documented and accompanied by supporting invoices and time records, and in the case of Architect and Contractor, that they (i) maintain an "open book" project accounting practice, (ii) make all files and accounting records available for review and auditing upon reasonable request, and (iii) allow for backcharging for any erroneous billing, as these requirements relate to the New Improvements Budget.

11. **DIGNITARY SEATING.**

Prior to December 1 of each year, the County and SFS will cooperate and develop a dignitary seating arrangement that is reasonably acceptable to all the parties.

12. **FLORIDA STATE LEAGUE TEAM; GULF COAST LEAGUE TEAM.**

The parties acknowledge that the Club currently owns the St. Lucie Mets Florida State League team. This Agreement shall apply to the use of the facilities by the St. Lucie Mets and related operations during the Florida State League regular season and any post-season playoffs. In the event the Club terminates its ownership of a Florida State League team during the term of this Agreement, and does not either transfer ownership thereof to SFS or acquire ownership of or enter into a player development contract with another minor league team that will be scheduled to play its home games in the Stadium during the following Florida State League season, SFS shall notify the County as soon as practicable in advance of the beginning of the following Florida State League team season. In that event, the County may permit another Florida State League team to play its home games at the Stadium without the consent of SFS, provided that such minor league team's operations do not conflict with SFS's exclusive use of the Sports Complex from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement or with SFS's use of the Sports Complex for GCL Mets operations (if any), as set forth in Section 15(A) below. The term "St. Lucie Mets" as used herein refers to the current or any future minor league baseball team owned or operated by or affiliated with SFS or the Club that plays its home games at the Sports Complex (excluding the GCL Mets, as defined below). The term "Florida State League" as used herein refers to the Florida State League, any successor league thereto, or any other minor league to which the St. Lucie Mets belongs.

The parties acknowledge that Club currently owns a Gulf Coast League team. All of the terms and conditions of this Agreement shall apply to the use of the facilities by that team during the Term, including without limitation for the Gulf Coast League regular season and any post-season playoffs. The term "GCL Mets" as used herein refers to any future minor league baseball team owned or operated by or affiliated with SFS or the Club that is a member of the Gulf Coast League and will play its home games at the Sports Complex, if SFS or the Club, as may be applicable, so decides in its sole discretion. The term "Gulf Coast League" as used herein refers to the Gulf Coast League or to any successor league thereto.

Other than as provided in the first paragraph of this Section 12 (and subject to SFS's right to assign this Agreement as set forth in Section 24), the County agrees that it will not permit any Florida State League baseball club other than the St. Lucie Mets, or any Gulf Coast League baseball club other than the GCL Mets, to use the Sports Complex during the Term of this Agreement.

13. **INDEMNITY AND INSURANCE.**

A. **SFS.**

To the extent allowed by law, SFS agrees to indemnify and hold County harmless from and all claims for personal injury, death, or property damage and any other losses, damages, charges or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of

the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except to the extent such losses may be caused by the negligence or willful misconduct of the County, its agents or employees or by any acts or omissions of the Program Manager, Architect, Contractor or any of their respective employees, agents or subcontractors. SFS further agrees to undertake at its own expense the defense of any action brought against the County (with counsel subject to County's approval in its reasonable discretion), claiming damages arising out of, in connection with, or by reason of SFS's use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of the County, its agents or employees, the County agrees to reimburse SFS for the actual expenses, including attorneys' fees, incurred by SFS in defending the County. County agrees to cooperate in any defense by the SFS. The provisions of this paragraph shall survive the termination of this Agreement.

SFS shall maintain or cause to be maintained Comprehensive General Liability Insurance, including Property Damage and Personal Injury coverages, insuring against liability for damages or losses arising solely from the acts or omissions of SFS under this Agreement. Such policy shall name St. Lucie County as an additional insured. Limits of liability coverage to be not less than:

Bodily Injury Liability	\$5,000,000 each occurrence
Property Damage Liability	\$1,000,000 each occurrence

or

Bodily Injury and Property Damage Liability	\$5,000,000 each occurrence, combined single limit
--	---

SFS shall maintain or cause to be maintained in effect Workers Compensation Insurance as required by Florida Statutes, covering all employees of SFS, including employer's liability insurance, with limits of not less than \$100,000 per accident.

SFS shall furnish County, not later than ten (10) business days after SFS's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above with an insurer reasonably acceptable to the County.

B. County.

To the extent allowed by law, the County agrees to indemnify and hold SFS and its members and affiliates harmless from any and all claims for personal injury, death, or property damage and any other losses, damages, charges, or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, including, without limitation, in connection with or related to

the New Improvements, the Additional Improvements, and any other construction conducted by the County (itself or through contractors), except to the extent such losses may be caused by the negligence or willful misconduct of SFS, its agents or employees or by any acts or omissions of the Architect, Contractor or any of their respective employees, agents or subcontractors. County further agrees to undertake at its own expense the defense of any action brought against SFS (with counsel subject to SFS's approval in its reasonable discretion) claiming damages arising out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of SFS, its agents or employees, SFS agrees to reimburse the County for the actual expenses, including reasonable attorneys' fees, incurred by the County in defending SFS. SFS agrees to cooperate in any defense by the County. The provisions of this paragraph shall survive the termination of this Agreement.

In addition, the County agrees to procure and pay for and at all times during the term of this Agreement maintain fire and extended and "special form" coverage (including without limitation insurance from and against all losses, damages, claims and liabilities related to or arising from acts of terrorism) on all property, both real and personal, with replacement cost coverage limits of not less than the replacement cost of the Sports Complex (including, without limitation, all New Improvements and Additional Improvements while being constructed and when completed) and also covering loss of income. The County is self-insured for general liability with statutory limits of \$200,000 per person/\$300,000 per incident pursuant to Section 768.28, Florida Statutes, and waives and has waived sovereign immunity to that extent. The insurance policies referenced above in this paragraph shall further name SFS and the Club as named insureds and shall provide a thirty (30) day notice of cancellation or non-renewal and a severability of interest endorsement.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

C. County warrants and represents that it is, and throughout the Term will remain, a member of and party to the Treasure Coast Risk Management Program ("TRICO," as set forth in the Revised TRICO Interlocal Agreement dated May 1, 1996) or such other pooled risk or self-insurance program acceptable to SFS in its reasonable discretion, and that SFS will be a beneficiary of all insurance and other protections available through the TRICO Risk Management Program (or such other accepted pooled risk or self-insurance program) including, without limitation, with respect to general liability, tort liability, loss or damage to property (e.g., the Sports Complex), and personal injury or death.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

D. County and SFS each do hereby and shall mutually release each other from liability and waive all rights of recovery against each other, for any loss or damage occasioned to County or SFS, as the case may be, from perils insured against, or required hereunder to be insured against, under their respective property insurance policies, whether due to negligence or any other cause. Any property insurance policy required herein covering loss, damage, or destruction by fire or other insured casualty, shall include a waiver of the insurer's rights of subrogation against the other party.

In the event a claim is filed against a party for operations that are covered by the provisions of this Agreement, the party agrees to notify the other party of the claim within ten (10) days after the party receives the claim.

14. **RESPONSIBILITIES OF PARTIES.**

The responsibilities of the parties shall be as follows:

A. **County.**

(1) County shall maintain proper HVAC systems and equipment in throughout the Sports Complex, and shall perform all maintenance thereof at County's sole cost and expense.

(2) County shall be responsible for providing and bearing the cost of an adequate number of qualified security personnel at the Sports Complex for Club major league spring training games and Florida State League games. The County shall be responsible for public order and safety in manner consistent with the County's practices under the Prior FUA, including the creation, establishment and implementation of security, safety and emergency plans and procedures and related contingency plans, all of which shall be in consultation with SFS and the Club. County shall be responsible for coordinating with all local, state and federal agencies to the extent appropriate, and for providing, at its expense, comprehensive training for all security personnel who work at the Sports Complex with respect to County's security, safety and emergency plans and procedures (which training shall occur at least once per year during the Term prior to the commencement of major league spring training, in consultation with SFS and the Club). County shall keep SFS and the Club fully informed with respect to its security, safety and emergency plans and procedures, and with respect to all training and coordination with local, state and federal agencies. County shall have the responsibility to eject persons from the Stadium or from the Sports Complex as necessary, including at the request of SFS; County shall consult with SFS before ejecting any persons from the Stadium during SFS Events except to the extent such consultation is impracticable in the event of an emergency.

(3) County shall be responsible for all utilities (excluding the Barwis facility and the Player Academy Spaces), including telephone (excluding long distance toll charges), heat, water and sewer, electricity, air conditioning, and appropriate night lighting.

(4) SFS and the County agree that the New Improvements shall, to the extent agreed upon by SFS and the County, maximize energy savings using "green" technology and equipment.

(5) In addition to the right to occupy the Sports Complex, SFS and its agents, employees, suppliers and other persons appropriate for SFS to enjoy the use of the Sports Complex premises as contemplated herein, shall have access, in common with others designated by the County, to such areas of the Sports Complex as necessary or appropriate to provide services or otherwise enjoy the use of the Sports Complex as contemplated herein, subject to customary and reasonable security precautions.

(6) If SFS contends that the County has failed to comply with a material obligation of the County pursuant to this Agreement with respect to the maintenance of the Sports Complex, and if as a result SFS contends that an Exigent Condition (as defined below) exists at the Sports Complex, then, in addition to any and all other remedies available to SFS, SFS shall be entitled to (a) take such measures as are strictly necessary to address the Exigent Condition, and (b) deduct the cost of such measures from the payments to be paid by SFS to the County pursuant to Section 6(A) of this Agreement, subject to the County's right to object to and contest such deduction by seeking judicial intervention, which right is expressly reserved. SFS shall not be entitled to deduct such cost unless, prior to addressing the Exigent Condition, (i) SFS provides written notice to the County identifying the Exigent Condition, the measures which SFS intends to take to address it, and the cost thereof, and (ii) the County fails to remedy the Exigent Condition within a reasonable period of time following the delivery of such notice. "Exigent Condition" shall mean (x) any condition of any playing field that creates a potential substantial risk to participants in games and/or practices on the field, (y) any condition elsewhere within the Complex that creates a potential substantial health or safety risk to SFS's invitees at the Sports Complex, or (z) any condition that, if not promptly remedied, would result in the loss of substantial revenues generated at the Sports Complex.

B. SFS.

(1) SFS shall not in any manner, directly or indirectly, violate any laws, ordinances, rules or regulations of any federal, state, county, city or other governmental authority or agency in connection with the use and occupancy of the Sports Complex under the terms of this Agreement.

(2) SFS shall use and occupy the Sports Complex in a reasonably safe and careful manner and exercise reasonable care not to in any way mar, deface, or injure any part of the premises, ordinary wear and tear excepted. At the conclusion of this Agreement, SFS shall surrender the premises to the County in as good condition and repair as at the beginning of SFS's occupancy, except as to ordinary wear and tear and except as to damage by fire, other casualty, or the elements.

(3) Except with respect to the Telecommunication Equipment described below in Section 14(B)(5) and any property of SFS and as otherwise contemplated by this Agreement, SFS shall not make any material permanent or structural changes, improvements or alterations to the Sports Complex except as provided for in this Agreement without the written consent of County which shall not be unreasonably withheld, conditioned or delayed.

(4) At its expense, SFS is responsible for providing a sufficient number of ticket sellers and ushers during SFS Events.

(5) SFS shall be responsible for the installation and maintenance of any radio and television facilities and telephone systems that it deems necessary for its operations ("Telecommunication Equipment"). Prior to the installation of any such equipment, SFS shall submit plans for such installation to the County for approval, which approval may not be unreasonably withheld. Upon termination of this Agreement, SFS agrees to remove the Telecommunication Equipment and restore the premises to their prior condition. SFS may pass these costs on to parties other than County. The County has paid for the necessary utility lines to the areas designated for radio and TV facilities in the site plan and has had the lines stubbed at the required points. If further improvements are needed, those improvements shall be included in the New Improvements.

15. **OTHER USE OF PREMISES.**

A. SFS shall have sole and exclusive use of the Sports Complex, including the Stadium, from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement (including any options). As long as SFS or its affiliates (including specifically the Club) own or operate or have a player development contract with a Florida State League team or other St. Lucie-based minor league team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Florida State League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. If SFS or its affiliates (including specifically the Club) continue to have or acquire ownership of or the right to operate or have a player development contract with a Gulf Coast League team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Gulf Coast League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. SFS shall have the exclusive use and control of those portions of the Sports Complex used for SFS Events, including without limitation the exclusive right to determine and implement the rules and policies that relate to the admission of patrons to those portions of the Sports Complex used for SFS Events.

B. Subject to the SFS's uses of the Sports Complex as set forth in Section 15(A) above, each year during the Term SFS shall provide the County with a preliminary schedule of its events on or about December 1, and thereafter a definitive schedule of SFS Events and County Events to be held at the Sports Complex (hereinafter, the "Event Schedule") shall be prepared as follows:

(i) First, all dates in the months of February through the beginning of the Florida State League (or other minor league to which a St. Lucie-based baseball team owned by or affiliated with Club belongs) season in April shall be reserved on the Event Schedule exclusively for New York Mets spring training and exhibition season activities;

(ii) Second, all dates for Florida State League home games, workouts and practices, all possible dates for Florida State League post-season or playoff games or other Florida State League events (including without limitation All-Star games and pre-season games), and all dates for New York Mets minor league spring training activities and instructional league play shall be added to the Event Schedule;

(iii) Third, all dates for GCL Mets home games, workouts and practices, and all possible dates for GCL post-season or playoff games or other Gulf Coast League events (including without limitation All-Star games and pre-season games);

(iv) Fourth, all dates for Mets Fantasy Camp games, workouts and practices;

(v) Fifth, after SFS informs County of the dates contemplated in subparagraphs (i), (ii), (iii) and (iv) above, SFS and County shall each be entitled to reserve the use of the Sports Complex on other dates during the year for other SFS Events and County Events, respectively, by providing a "New Event Notice" as described below, with the first to obtain approval of a New Event Notice according to the procedures set forth below in this Section 15 for each such other proposed Event obtaining the right to use the Sports Complex for such Event.

C. Whenever a party desires to add an Event to the Event Schedule pursuant to Section 15(B)(iii), it shall give written notice ("New Event Notice") to the other party of its request to do so as soon as reasonably possible, but in no event later than ten (10) days prior to the date of the proposed Event. Each New Event Notice shall include a description of the proposed Event, including the nature, starting time and estimated duration thereof; the expected attendance thereat; the identity and experience of the promoters and organizers of the proposed Event, and their principals; a description of the financial assurances (e.g., bonds, security deposit) to be provided by the Event promoters or organizers; a description of any special safety, security, cleaning, maintenance, restoration or other services that will be obtained in connection with the proposed Event; and the approximate preparation and clean-up periods for the proposed Event.

The party receiving a New Event Notice shall notify the other party as soon as reasonably possible but in no event more than five days after its receipt of such New Event Notice, whether the receiving party objects to the proposed Event. If no written notice of objection is given within such five-day period, the Event shall be deemed approved. If notice of objection is given within such five-day period, the parties shall cooperate to determine what, if any, modifications to the proposed Event, or further assurances or services in connection therewith or therefore, would cause the objecting party to consent to the proposed Event. When any proposed new Event is approved by the other party (including by a failure to object), the Event shall be added to the Event Schedule.

In the event of any unresolved dispute regarding whether an Event that is the subject of a New Event Notice and an objection should be put on the Event Schedule, SFS and County will submit the dispute to non-binding mediation, and if the parties are unable to resolve the dispute through non-binding mediation, then the dispute shall promptly be resolved pursuant to Section 39 of this Agreement on an expedited basis at the request of either party.

A proposed Event may not be added to the Event Schedule unless the scheduling thereof would be in compliance with each of the following criteria: (i) No more than one Event may be held at the Sports Complex per day without each party's consent, which either party may withhold in its sole and absolute discretion; (ii) Events shall be scheduled so as to allow reasonably sufficient preparation, clean-up and restoration periods between each Event, which shall be subject to the Maintenance Standard; (iii) No County Event may be scheduled to take place between January 16 and January 31 of each year during the term without SFS's consent, which consent may be withheld in its sole and absolute discretion; and (iv) the Event must be a specific planned Event (i.e., neither party may reserve a date on the Event Schedule on the basis that it intends to hold on such date a certain type of Event, as opposed to a specific Event).

In determining whether a party's objection to an Event proposed by the other party is reasonable, consideration shall be given to, among other things, whether the promoted or organizer of the Event: (i) is reasonably capable of producing the Event; (ii) will be providing reasonably adequate financial assurances (e.g., bonds, security deposit) to protect SFS's and County's respective rights hereunder; and (iii) will be providing reasonably adequate safety, security, cleaning, maintenance and restoration services for the Event.

D. Nothing in this Agreement shall prevent the County from using the portions of the property described in Exhibit "B" that are not used for baseball facilities or in connection with SFS's use of such facilities, provided that such uses do not interfere with SFS's use of the Sports Complex or otherwise conflict with SFS's rights under this Agreement (including, without limitation, SFS's exclusive right to operate concessions at the Sports Complex during the Term). The County agrees that during the term of this Agreement, the County shall use or authorize others to use the remaining property described above only for community events, sports and recreational purposes. The County shall be responsible to repair or replace any portion of the facilities which are altered, damaged or otherwise affected by any non-SFS use.

E. Notwithstanding any other provision of this Agreement (except Section 12, solely with respect to Florida State League play) the County agrees that it will not permit any other Major or Minor League baseball club to use the Sports Complex during the term of this Agreement or any extension thereof without SFS's approval in advance in writing in its absolute discretion.

F. Any of the property described in Exhibit "B" that is not being used by the County or SFS may be used by the parties as additional unpaved parking provided that such use does not interfere with SFS's permitted use of the Sports Complex.

G. In the event of a declared federal, state or local emergency, the County may use the Sports Complex as a staging area for disaster preparations, response or other related uses ("Staging Uses"), provided that (i) the County will reimburse SFS for all costs incurred and revenue lost by SFS as a result of the Staging Uses and (ii) the County will use best efforts to minimize interference with SFS's operations at the Sports Complex and will immediately restore any resulting damage to the Stadium caused as a result of the Staging Uses. The parties further agree to cooperate in obtaining any federal or state funds that may be available for this purpose.

16. **PUBLICITY AND PROMOTION.**

A. The County will promote the New York Mets and the Club's St. Lucie-based minor league team(s), as well as the sale of home game tickets for such teams. County shall submit all promotional material to SFS for approval, which approval shall not be unreasonably withheld.

B. **SFS Obligations.**

As additional consideration for the use of the Sports Complex SFS shall provide, or shall cause the Club to provide the County with the advertising services set forth in Exhibit "M" attached hereto during each year of the Term.

17. **ADDITIONAL COVENANTS OF SFS AND COUNTY.**

A. SFS shall use and occupy the premises solely for the purposes specified in this Agreement.

B. SFS shall pay all taxes or assessments on its operation as well as on goods, merchandise, fixtures, appliances, equipment and property owned by it and located in or about the Sports Complex. SFS shall have no obligation to pay any real estate or property taxes under any circumstance.

C. To the extent that SFS desires to acquire and construct facilities at the Sports Complex which are eligible under applicable state and federal laws to be financed through the issuance by the County, solely as a conduit issuer, of either taxable or tax-exempt revenue bonds, which bonds shall not be or constitute a debt or obligation of the County, the County will cooperate with SFS to the end that the County may be a conduit issuer of such bonds and, to the extent applicable, will give SFS priority for private activity volume cap; provided, that all reasonable costs and expenses incurred by the County in connection with the consideration and consummation of such financing, which shall be disclosed in advance and in writing by the County and subject to the approval of SFS, will be borne solely by SFS.

18. **DEFAULT; TERMINATION.**

A. If the property covered herein shall be deserted or vacated for an entire spring training season, unless such absence is due to a labor dispute or other causes beyond SFS's control,

or proceedings are commenced against SFS in any Court under a bankruptcy act or for the appointment of a trustee or receiver of SFS's property either before or after the commencement of the Term, or if there shall be a default in the payment of any monies due hereunder for more than twenty (20) days after written notice of such default to SFS, or if there shall be default in the performance of any other material covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of SFS for more than twenty (20) days after written notice of such default by the County (or if such default is incapable of being cured within twenty (20) days, within such longer period of time as shall be reasonably required for such cure, unless SFS has taken no substantial steps to effect such cure within such period), then at the sole option of the County, this Agreement may be terminated by the County. In addition, the County may terminate this Agreement if (i) the New York Mets shall cease to be a franchise in a major league baseball league, (ii) during any spring training during the Term, Club schedules a majority of New York Mets spring training home games at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder, or (iii) during any Florida State League season, Club schedules a majority of the home games of the Club's Florida State League team at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder. In the event the County terminates this Agreement for the reasons set forth above in this paragraph, the County shall have the right to re-enter or repossess the property during the period of SFS's right to use thereof, either by summary proceedings, surrender or otherwise other than force, and dispossess and remove therefrom SFS, or other occupants thereof, without being liable for any prosecution therefore. Should the County reasonably incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court costs (at the lower court and appellate levels), and County prevails in such legal action, said expenses shall be reimbursed to the County by SFS.

B. SFS shall have the right, at any time and at its sole option, to terminate this Agreement and all of its obligations hereunder upon written notice to County (the "Termination Notice") provided by SFS on or before March 31 of any year during the Term, which notice shall terminate the Agreement effective as of December 31 of that calendar year. In the event of termination pursuant to this provision, as the County's sole remedy against any person relating to such termination of this Agreement County will accept (i) a series of payments for outstanding amounts remaining on Refunding Bonds as set forth in Section 37, and (ii) a series of semi-annual payments tied to the County's schedule of debt service payments in connection with the New Improvement Bonds, which New Debt Service Schedule shall be incorporated into this Agreement as Exhibit "I" hereto upon issuance of the New Improvement Bonds (which includes State Development Funds (as defined below) that will be used by the County to pay the debt service on the New Improvement Bonds). Such payments in connection with the New Improvement Bonds, referred to herein as the "Debt Service Payments," shall be made by SFS to the County on each "Period Ending" date referenced in the first column of Exhibit "I" hereto that follows the effective date of the termination of this Agreement. The amount of the Debt Service Payment due on each such post-termination "Period Ending" date shall be an amount equal to the "Total Debt Service Payment" in the last column of Exhibit "I" hereto corresponding to the "Period Ending" date in question, provided, that in the event it is determined by the County's bond counsel that the

acceptance of such payments by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds that are issued on a tax-exempt basis, SFS shall either (i) pay to the County the amount necessary to offset the change in tax status to the holders of the tax-exempt New Improvement Bonds, which may be retroactive to the date of issuance of the New Improvement Bonds, or (ii) provide funding to the County sufficient to prepay in full said tax-exempt New Improvement Bonds at the earliest permitted call date, plus all interest and principal due and owing through that date of redemption. Upon request, the County will inform SFS whether its bond counsel believes that acceptance of the payments set forth in this section by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds.

The parties agree that these respective amounts constitute reasonable and just compensation for such termination by SFS, and SFS hereby promises to pay to County, and the County hereby agrees to accept, the appropriate payment amount described above as liquidated damages, and not as a penalty, and as its sole and exclusive remedy related to the termination of this Agreement by SFS, and County waives all other rights and remedies in connection therewith.

If the property covered herein shall be deserted or vacated by the County either before or after the commencement of the term of this Agreement, or if there shall be a default in the payment of any monies due hereunder by the County for more than twenty (20) days after written notice of such default to the County, or if there shall be a material default in the performance of any other covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of the County for more than twenty (20) days after written notice of such default by SFS, then at the sole option of SFS, this Agreement may be terminated by SFS. Should SFS incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court cost (at the lower and appellate levels), and SFS prevails in such legal action said expenses shall be borne by the County.

In the event SFS terminates this Agreement, SFS shall immediately vacate the Sports Complex, but reserves the right to seek damages and any or all other remedies caused by any default or breach of this Agreement by County.

19. **DAMAGE OR DESTRUCTION.**

In the event of the damage or destruction of the property described in Exhibit "B" or any of the structures (including the Stadium) or improvements located thereon by fire or other casualty, there shall be an obligation on the part of the County to use the insurance proceeds for the purpose of rebuilding such facilities. The County shall be responsible for providing the funds necessary to rebuild the facilities in the event the proceeds from the insurance referenced in Section 13(B) above are not sufficient to cover the cost of such rebuilding.

County shall complete the reconstruction and repair of the Sports Complex following any such damage or destruction, as soon as reasonably possible, and in any event within two hundred seventy (270) days following the occasion of such damage or destruction. Within thirty (30) days following the occasion of such damage or destruction, County shall provide SFS with County's

architect's and/or engineer's reasonable estimate of the time required for the reconstruction and/or repair of same. In the event that the estimate shall reflect that more than two hundred seventy days shall be required for the repair and/or reconstruction, SFS shall have the right to terminate this Agreement by written notice to County, within thirty (30) days thereafter. Further, if in fact the reconstruction and repair shall not be completed within two hundred seventy (270) days (or such longer time to which SFS may agree), SFS shall have the right to terminate this Agreement by written notice to County within thirty (30) days following the end of such two hundred seventy day (or longer, as the case may be) period.

During the repair and/or reconstruction of the damage or destruction to the Sports Complex, until same shall be completed, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such damage or destruction shall interfere with the use by SFS of the Sports Complex as contemplated hereunder.

20. **EMINENT DOMAIN.**

In the event that any portion of the premises should be taken by the exercise of the right of eminent domain so as to materially affect SFS's operations, SFS may terminate this Agreement as of the date of taking. In the event that SFS does not terminate this Agreement as a result of any taking, following any such taking SFS's obligations and liabilities hereunder shall be proportionately adjusted, on an equitable basis, to the extent that such taking shall damage or otherwise materially adversely affect the use by SFS of the Sports Complex as contemplated herein. All proceeds for such taking shall be paid to the County or SFS as their interests may appear, provided that the foregoing shall not preclude SFS from pursuing a separate award for damages to SFS's furnishings, fixtures and equipment, moving expenses and any other losses relating to SFS's business permitted by law to be recovered, including, without limitation, the loss of SFS's leasehold.

21. **FAMILIARITY WITH BONDS.**

Anything else in this Agreement to the contrary notwithstanding, SFS acknowledges that County is or will be bound to the holders of certain [Bonds] which relate to the Sports Complex. SFS agrees to cooperate reasonably with the County to maintain the tax-exempt status of the bonds, provided, however, that such cooperation shall not entail material modification of the terms and conditions of this Agreement nor cause SFS or any affiliate to incur any cost or expense in connection therewith.

22. **NON-DISCRIMINATION.**

SFS, as a part of the consideration hereof, does hereby covenant and agree that no person on the grounds of race, color, national origin or sex shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination in the use of the facilities excluding uniformed baseball personnel. The terms of this Section shall be binding upon SFS's successors in interest and assigns.

23. **CONFLICT OF INTEREST.**

The County hereby represents and warrants that neither it nor any of its directors, officers, members, partners, officials, representatives, or employees has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance of rendering of the services herein provided. The County further represents and warrants that in the performance of this Agreement no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the County of St. Lucie nor any person whose salary is payable, in whole or part, from the County Treasury, shall participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporations, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this Agreement or in the proceeds thereof.

24. **ASSIGNMENT; SUBLEASES AND LICENSES.**

SFS may assign any or all of its rights and obligations pursuant to this Agreement to any entity that owns and operates the New York Mets franchise, and may assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate (or, if applicable, the Gulf Coast League affiliate) of the New York Mets. Should Club sell its major league baseball franchise during the term of this Agreement, SFS shall make a good faith effort to assign its rights and delegate its duties under this Agreement to the entity that acquires such franchise. Subject to the approval of the County, which approval may not be unreasonably withheld, conditioned or delayed, SFS may assign all of its rights and obligations pursuant to this Agreement to an owner or operator of another Major League Baseball club. Upon SFS's assignment of this Agreement and all of its rights and obligations hereunder, all of SFS's duties and obligations under this Agreement shall terminate and cease to be of any further force or effect as of the effective date of the assignment and the County shall look solely to the assignee for performance of the duties and obligations under this Agreement thereafter. Except as expressly set forth above in this Section, no party may assign its rights or obligations under this Agreement without the written consent of the other party. Notwithstanding the foregoing, SFS shall have the right to enter into subleases and/or licenses with third parties with respect to any of its rights and obligations hereunder with the consent of the County, which consent shall not be unreasonably withheld, except SFS may not, without County's prior consent, sublease or license the use of any portion of the Sports Complex to any Major League Baseball team other than the Club or to any other entity if such sublease or license would cause cost or expense to the County beyond those that County would otherwise incur from SFS's Permitted Uses under this Agreement, provided that the County shall not withhold such consent if SFS and/or the proposed sublessee agrees to pay any such additional costs and expenses.

25. **ENTIRE AGREEMENT.**

This Agreement represents the entire understanding and agreement between the parties with respect to the subject matter hereof, and supersedes all other written or oral negotiations, understandings and representations (if any) made by and between such parties.

26. **AMENDMENTS.**

27. **FURTHER ASSURANCES.**

The parties hereby agree from time to time to reasonably execute and deliver such further and other transfers, assignment and documents and reasonably do all matters and things which may be convenient or necessary to more effectively and completely carry out the terms of this Agreement.

31. **PRONOUNS.**

In this Agreement, the use of any gender shall be deemed to include both genders, and the use of the singular shall include the plural, wherever it appears appropriate from the context.

32. **SURVIVAL.**

No covenants, agreements, representations and warranties made herein or otherwise made in writing by any party pursuant hereto shall survive the termination of this Agreement except as expressly stated herein. In addition to the survival of specific Sections of this Agreement as expressly stated in such Sections, the terms of Sections 9(C), 13, 29 and 36 of this Agreement shall survive the termination of this Agreement.

33. **WAIVERS.**

The failure or delay of any party prior to a period which would constitute laches at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder, and any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any known right, power or remedy under this Agreement. No notice to or demand on any party in any case shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

34. **FORCE MAJEURE.**

Neither party shall be liable to the other for failure to perform its obligations hereunder if and to the extent that such failure to perform results from causes beyond its reasonable control ("Force Majeure Events") including, without limitation, strikes, lockouts, or other industrial disturbances (but excluding Major League Baseball strikes and lockouts); fires; unusual climatic conditions such as hurricanes, floods, tornados and the like; acts of God; or acts of a public enemy, war, police action, terrorism and the like. The party unable to perform as a result of a Force Majeure Event shall promptly notify the other of the beginning and ending of each such period. During the period of any Force Majeure Event, until same shall be concluded, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such Force Majeure Event shall interfere with the use by SFS of the Sports Complex as contemplated hereunder. If any period of a Force Majeure Event prevents SFS from using the Sports Complex in the manner contemplated herein for all or a substantial part of any Major League Baseball Spring Training season or Florida State League season (or, if applicable, a Gulf Coast League season) and SFS does not receive satisfactory assurances from the County that a Force Majeure Event will not prevent SFS's use of the Sports Complex as contemplated in this Agreement for a substantial part of the following Major League Baseball Spring Training season, SFS shall have the right to terminate this Agreement upon sixty (60) days written notice to the County.

35. **GOVERNING LAW.**

This Agreement and all transactions contemplated by this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida, applicable to agreements wholly negotiated, executed and to be performed in that state, without regard to principles of conflicts or choice of laws.

36. **SECTION 288.11631, FLORIDA STATUTES.**

A. Section 288.11631, Florida Statutes is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State") that are funded with State incentive funding. SFS and the County acknowledge that the amount of State incentive funding provided by the State for the Sports Complex is based on the continual use of the Sports Complex by a spring training baseball franchise for the entire length of the Term.

B. The County will submit an application to the Florida Department of Economic Opportunity for Twenty million dollars (\$20,000,000.00) in funding assistance for the New Improvements that are described in the Facilities Use Agreement. In connection with this application and as a condition of any award of funding under Section 288.11631, Florida Statutes, SFS must agree to reimburse the State of Florida for the funds expended by the County for the New improvements that the County received from the State of Florida if the Club relocates before the term of the Facilities Use Agreement expires.

C. SFS covenants and agrees with the County that if the County terminates this Agreement pursuant to its rights under Section 18(A), or if SFS terminates this Agreement pursuant to its rights under Section 18(B) for any reason other than a breach of this Agreement by the County, then SFS shall reimburse the State for the total amount of distributions actually paid from the date of such termination through the final maturity of the New Improvement Bonds (the "State Development Funds"). Repayment to the State shall not discharge SFS from any other obligations set forth in this Facilities Use Agreement.

D. The Parties agree that if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County, SFS will promptly notify the applicable agency of the State of Florida that has been charged with administrative oversight and enforcement of the State Development Funds (the "Agency") of the circumstances for such termination, and SFS will not have any obligation to repay either the County or the State for any State Development Funds in connection with such SFS termination. The County shall hold SFS harmless from any assertion or claim by the State that the State Development Funds shall be repayable to the State by SFS if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County.

E. The State of Florida is a third party beneficiary of this Facilities Use Agreement as to the obligations imposed by Section 36. The State shall have: 1) Standing to seek and complete performance of the obligations in this Section in law or equity and 2) Standing to initiate and/or defend an action at law or equity relating to obligations.

37. **2011 BONDS.**

The County will refund the existing 2011 Improvement Bonds (as defined in Section 5(K) of the Prior FUA) on or around November 1, 2016 (the "Refunding Bonds"). The new Refunding Bonds shall have the same remaining term as the 2011 Improvement Bonds. In addition to the Base Rent payments and Additional Rent payments made by SFS pursuant to Section 6(A), SFS will make additional payments to the County, such payments being equal to the amounts set forth in the last (Total Debt Service Payment) column of Exhibit "J" on the dates indicated in the first (Period Ending) column of Exhibit "J" that follow commencement of the Term of this Agreement, or in the alternative, if SFS elects, such payments being equal to the amounts and on the dates set forth in the debt services schedule for the Refunding Bonds.

38. **AGREEMENT RUNS WITH LAND.**

This Agreement is intended to run with the land and shall be binding upon all of the County's successors and assigns. SFS and County shall enter into a short form Memorandum of this Agreement which shall be recorded in the Public Records of St. Lucie County, Florida. This Agreement is not revocable by County and is not terminable by County except as expressly set forth herein.

39. **DISPUTE RESOLUTION.**

All disputes arising from or related to this Agreement whether the action is brought in contract, tort, statutory claim or any other theory of liability, shall be subject to litigation as the final mode of dispute resolution. Exclusive venue for litigation of any disputes rests exclusively in the Circuit Court for St. Lucie County, Florida. As an express condition precedent to litigation all litigation shall be subject to non-binding mediation to be conducted within ninety (90) days of the dispute arising. The parties shall mutually select a qualified mediator, and failing accord, a mediator shall be appointed by the American Arbitration Association and mediation shall be conducted in accordance with its rules, costs and fees to be split equally by the parties.

40. **SUBSERVICENCE.**

A. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by SFS hereunder shall in all respects be subordinate to the MLB Rules and Regulations and the Minor League Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations or the Minor League Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which County is granted rights is limited to, and nothing herein shall be construed as conferring on County rights in areas outside of, the Spring Training territory of the New York Mets as established and amended from time to time. Periodically during the construction process, at such times as reasonably determined by SFS and County, the Architect will observe the conduct of construction of the New Improvements and notify County and SFS in writing of observed deficiencies in the Work being performed and deemed completed (including deficiencies which preclude the Work being deemed completed), notify the County and SFS of any item not in strict accordance with the final plans, and otherwise create a punchlist of minor finishing and adjustment in any other items which the Contractor has not finally completed in strict accordance with the final plans. Failure to include an item on the punchlist will not diminish the responsibility of the Contractor to complete the work in accordance with the final plans.

The Architect will perform, and ensure its subconsultants perform, all services in accordance with the professional standard of care governing architects working on projects of the same scale and complexity, in the same geographic market, as the New Improvements.

The Architect will, to the extent requested by SFS, conduct regular meetings with SFS and with the County or its designee and other appropriate parties to assist SFS in verifying that all Work is being performed according to the Final Plans and any authorized change orders. The Architect will prepare meeting minutes after such meeting and submit same to the County and SFS, regarding the status of construction, including any material variance from the Final Plans and/or schedule of which Architect is aware.

The Architect's Contract shall also require the Architect to procure a policy or policies of insurance that relate to the Work at least as favorable to SFS and the County as the following (subject to acceptable policy exclusions, conditions and terms such as aggregates and deductibles):

 - i. The minimum limit (inclusive of any amount provided by an umbrella or excess policy) of CGL coverage must be a total of \$5 million per occurrence/\$5 million annual aggregate.
 - ii. The CGL shall not include any exclusion for liability resulting from operations performed by subcontractors, including, but not limited to,

exclusions for damage to work performed by subcontractors such as, or similar to, ISO Exclusion CG 22 94 or Exclusion 22 95.

Exhibit "O"
Procurement of Subcontracts

Following execution of this Facilities Use Agreement, County and FUA will cooperatively develop, seeking input from the Architect and Contractor selected per the terms hereof, a competitive and open procurement process for the procurement of all trade contractor work and supplies, which meets the following minimum requirements:

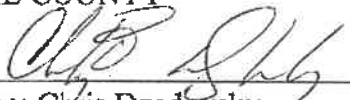

- SFS shall schedule and coordinate an advertised, public outreach meeting to brief the local and minority small business community on the project and opportunities. This outreach can be prior to or coordinated with the public advertisement and pre-submittal conference for the Contractor, and once selected the Contractor shall be required to schedule and coordinate a follow-up public outreach meeting. SFS and Contractor shall use good faith commercially reasonable efforts to foster local and minority business participation and specialty trade apprenticeship opportunities in accordance with the County's Apprenticeship Program (see attached) on the 2016 Improvements.
- Contractor shall establish a prequalification list or plan list of interested parties, so that these subcontractors and suppliers get early notice of all trade packages available for bid or proposal. Prequalification criteria and forms shall be subject to review and approval by SFS and County.
- Advertise for competitive bids or proposals on all trade packages exceeding \$500,000. Packaging of trade work shall be in a manner that fosters participation of local and small business and specialty trade apprenticeship opportunities. SFS and Contractor shall not unreasonably break up related trade package work in order to avoid the competitive procurement threshold.
- Lowest, qualified bidder is the presumptive basis for award unless a best-value approach is justified and approved by County. SFS will tabulate and level all bids for County consideration.
- SFS and Contractor will use good faith commercially reasonable efforts to obtain a minimum of 3 bids or cost proposals on all packages under the \$500,000 competitive procurement threshold. SFS and Contractor capped at direct or limited competition procurements at 5% of GMP.
- All subcontract awards exceeding \$300,000 shall comply with the County's Apprenticeship Program.
- All subcontract awards and contract terms shall be subject to review and approval by SFS, and any above the \$500,000 threshold, shall be subject to review and approval by County.

- SFS and Contractor shall involve and include County's Program Manager in all decisions and meetings regarding the packaging and procurement of all work, including according the Program Manager a reasonable opportunity to review and comment on all packages prepared for bid and all bid tabulation or bid leveling charts, before final award decisions are made.

On County-funded construction projects which exceed \$300,000, twenty percent (20%) of laborers working in a specialty for which there are apprentice programs registered with the County shall be apprentices. Such apprentices shall be students in certified State of Florida Pre-Apprenticeship/Apprenticeship Programs which are located in St. Lucie, Martin, Indian River or Okeechobee Counties and which are registered with the County.
- B. A County-registered apprenticeship program is one which has registered with the County and provided the required documentation, including but not limited to, proof of certification as an apprenticeship program with the State of Florida and proof of having educational facilities physically located in St. Lucie, Martin, Indian River or Okeechobee Counties.
- C. Unless the apprenticeship requirement is waived by the County, the failure of the Contractor to demonstrate compliance with this requirement shall result in the Contractor's bid being deemed nonresponsive.
- D. The apprentice requirement may be waived or modified with the recommendation of the County Administrator, and appeal to the Board of County Commissioners:
 1. Upon request of the contractor, if the contractor can demonstrate that the required apprentices are not available despite a good faith effort on the contractor's part; or

- E. The agreed upon percentage and type of apprentices will be included as a requirement of the construction contract. Failure to meet the terms of the apprenticeship requirements may result in the contractor being found in breach of the contract and subject to possible monetary sanctions.

**ST. LUCIE COUNTY SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDED AND RESTATED AGREEMENT (the "Agreement"), made and entered into in triplicate as of January 24, 2017 (the "Effective Date"), by and between **ST. LUCIE COUNTY**, a political subdivision of the State of Florida ("County"), and **STERLING FACILITY SERVICES, L.L.C.**, a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, County owns the real property legally described on Exhibit "A" hereto (the "Land"), and all of the fields and improvements located thereon, including, without limitation, the lighted major league baseball stadium presently known as "Tradition Field" (the "Stadium"), and certain major and minor league training facilities, locker rooms, practice facilities, and related improvements (with the Land, Stadium and all fields and improvements hereinafter collectively referred to as the "Sports Complex"), as the Sports Complex is depicted on the site plan ("Site Plan") set forth in Exhibit "B" hereto.

WHEREAS, SFS desires to use, and County desires to permit SFS to use, the Stadium and the other facilities at the Sports Complex for the Term (as defined below) in accordance with the provisions hereinafter contained;

WHEREAS, throughout the Term, SFS shall cause the Sterling Mets, L.P. ("Club"), which owns and operates the franchises for the New York Mets major league baseball team and the St. Lucie Mets minor league baseball team to use the Sports Complex to conduct the following: (i) New York Mets Spring Training games; and (ii) during such time as Club owns or is party to a Player Development Contract with a Florida State League franchise, the home games of such franchise. The foregoing is subject to MLB Rules and Regulations, Minor League Rules and Regulations, and any changes by MLB, Minor League Baseball or the Florida State League;

WHEREAS, County and SFS entered into that certain Facilities Use Agreement dated as of November 15, 2016, (as amended, the "Original FUA");

WHEREAS, County and SFS desire to amend and restate the Original FUA by entering into this Agreement; and

WHEREAS, this Agreement shall amend, restate and supersede in its entirety the Original FUA, subject to the terms and provisions contained herein;

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, **IT IS AGREED AS FOLLOWS:**

1. **SITE: ADDITIONAL CAPITAL IMPROVEMENTS.**

The County warrants and represents that it owns the Land, Stadium, and the remainder of the Sports Complex including, without limitation, the fields and improvements thereon.

The parties further acknowledge and agree that, subject to the terms set forth herein and in the exhibits hereto, County shall permit SFS to construct additional capital improvements to the Sports Complex property during the Term, in accordance with the schedule, scope, specifications, designs and plans which shall be determined in accordance with the terms of Section 10. Upon the Completion (as such term is hereinafter defined) of the New Improvements (as defined below) the term "Sports Complex," as used herein, shall be deemed to include the New Improvements.

2. **SFS USE OF FACILITIES; TERM; TERMINATION OF PRIOR FUA.**

A. **Term:** SFS agrees to use the Sports Complex for a period commencing on the Effective Date and ending on December 31, 2042 (or such earlier date upon which this Agreement is terminated as provided herein) (the "Term"), subject to the terms and conditions hereof, for the following purposes (the "Permitted Uses"):

(i) SFS may use and permit the Club to use, and the County shall permit SFS and the Club to use, the Sports Complex during the Term of this Agreement for the following, subject to the priorities of use as set forth in Section 15 of this Agreement:

- Fantasy and Youth Baseball Camps
- New York Mets Spring Training (February - April)
- New York Mets Exhibition Season (March - April)
- Florida State League or any successor league (April - September)
 - Gulf Coast League or any successor league (June - August)(if applicable)
- Minor League Spring Training (April - June)
- Instructional League Play (September - November)
- Training and/or rehabilitation for baseball players, or (in the retail space currently subleased to Barwis Methods Training Center of Port St. Lucie, LLC) any athletes

To the extent that any use of the Sports Complex for the purposes set forth above in this Section 2(i) (not including fantasy and youth camps) involves professional baseball teams and players who are not affiliated with the Club (or with a major league baseball club affiliated with an assignee of SFS), then SFS (or, if applicable, SFS's assignee) will reimburse the County for its incremental costs arising directly from such use. County consents to SFS continuing to sublease retail space at the Sports Complex to Barwis Methods Training Center of Port St. Lucie, LLC or its affiliates for usage similar to that

occurring at the present time. SFS agrees that separate utility meters for the Barwis Center shall be installed as part of the New Improvements.

(ii) SFS, the Club and County shall each have exclusive use of certain office facilities at the Sports Complex as identified in Exhibit "K," on a year-round basis.

(iii) The staging, by or with the permission of SFS, of other baseball and non-baseball oriented events at the Sports Complex, including, without limitation, concerts, shows, conventions and political, religious and community events, subject to the scheduling provisions of Section 15 of this Agreement, except that SFS shall be permitted to conduct promotional events and other activities on the dates of baseball games played at the Sports Complex in SFS's sole discretion.

(iv) The radio, television, internet and other broadcast or transmission of SFS Events.

(v) All uses set forth below in Sections 6, 7, 8, 12 and 15 of this Agreement.

(vi) Any such other uses as shall be reasonably consistent with the foregoing.

All New York Mets and St. Lucie Mets (and, if any, GCL Mets (as defined below in Section 12)) activities at the Sports Complex during the Term of this Agreement, as well as all baseball games and other events staged at the Sports Complex by or under the sponsorship, control or authorization of SFS, are referred herein as "SFS Events." All events conducted or authorized by the County at the Sports Complex during the term of this Agreement (excluding all SFS Events) are referred to herein as "County Events."

B. As of the Commencement Date, the St. Lucie Sports Complex Facilities Use Agreement entered into as of August 1, 2003, as amended (the "Prior FUA"), shall terminate and be of no further force or effect and all obligations and rights thereunder shall be deemed superseded by the terms and condition of this Agreement. County hereby acknowledges that no payment is due from SFS pursuant to Section 19 of the Prior FUA.

3. MAINTENANCE.

A. County will, at its expense, at all times keep and maintain the Sports Complex (excluding the Player Academy Spaces (as defined below) and the Barwis Training Center) in good and clean order and repair suitable for a first-class major and minor league training, exhibition and playing complex, including without limitation maintaining the playing fields in a first-class condition appropriate for a Major League Baseball team, and in any event of a quality not less than the highest level of practiced professional baseball standards (the "Maintenance Standard") and in accordance with the specifications set forth in Exhibit "L" hereto. "Maintenance" shall mean the provision of all labor and materials that are required to (a) keep the Sports Complex in first-class good order and repair, and (b) keep the Sports Complex free of

debris. Maintenance shall include, without limitation, (i) performing all preventative or routine maintenance that is stipulated in operating manuals for equipment as regular, periodic maintenance procedures; (ii) regular maintenance procedures for the HVAC system, including periodic cleaning, lubricating and changing air filters; (iii) groundskeeping and maintenance of the athletic fields, including without limitation, seeding, mowing, watering and raking of the grassy areas and full maintenance of the balance of the playing fields, preparation of the fields at the start of each season and for practice sessions and games, maintenance, repair and replacement and painting of grandstands, fences, batter's background walls and other related items; (iv) changing of standard, isolated light bulbs, fuses and circuit breakers as they burn out; (v) cleaning all portions of the Sports Complex immediately after each SFS Event and County Event; (vi) all repairs other than Capital Repair Work (as defined in Section 4), (vii) repair and rehabilitation of parking areas; and (viii) touch-up painting. County shall employ a sufficient number personnel to maintain the Sports Complex (excluding the Player Academy Spaces and the Barwis Center) properly for use and play until the end of SFS's seasonal use of the facilities as delineated in Section 2. The County and SFS shall consult annually as to a reasonable program of management, operation, and maintenance of the facilities to be carried out during the coming year, and County shall be responsible for implementation of such a reasonable program at its expense.

B. SFS Maintenance Responsibility. At all times during the Term, SFS shall be responsible for performing all Maintenance of the Player Academy Spaces at the Sports Complex and (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC and paying all costs and expenses related thereto including payment of the cost of utilities, except to the extent such Maintenance is required due to the actions of the County or its contractors. SFS shall be solely responsible for any maintenance, restoration or repair related to damage occurring to the Sports Complex as a result of the negligent acts or willful misconduct of SFS or Club, its officers, agents and employees. SFS also shall be solely responsible for repair of any damage to the playing fields, structures, or other facilities that occur during non-baseball SFS Events.

C. In connection with the performance of the Maintenance, SFS shall have the right to cause the County to use products and/or services of its corporate sponsors if such products and/or services are reasonably comparable in price and quality to other alternatives available to the County; provided, however, that the County shall not be obligated to purchase such products and/or services if it would require the County to be in violation of any pre-existing written agreement with any third party or applicable law, including, without limitation, the County's obligations with respect to competitive bidding.

D. The County shall have no obligation to perform or pay for any Maintenance with respect to the Player Academy Spaces or (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC, except to the extent such Maintenance is required due to the negligence or willful misconduct of the County, its agents or employees.

4. **CAPITAL REPAIRS.**

A. All Capital Repair Work required during the Term shall be performed by the County and all costs and expenses related to the Capital Repair Work shall be the sole responsibility of the County and shall not be deducted from nor otherwise credited against the Additional Improvements Fund. "Capital Repair Work" shall mean (a) all capital modifications, replacements or additions to the Sports Complex that are reasonably necessary to keep the facilities and amenities of the Sports Complex in good repair and sound condition; and (b) repairs and replacements that are reasonably necessary to maintain the roof, foundation, HVAC and MEP systems and structural integrity of the Sports Complex, and preserve its usefulness for the purposes for which it is being used hereunder.

B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for mutually agreed upon Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund each year and SFS shall pay the County \$75,000 on March 1 during each year of the Term, which amount the County shall deposit to the Capital Repairs Fund. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work.

5. **ADDITIONAL IMPROVEMENTS.**

A. The County shall establish an interest bearing account, in the name of the County, designated as the "Additional Improvements Fund," for mutually agreed upon Additional Improvements (as defined below) to benefit the Sports Complex during the Term, and all interest thereon shall be added to the Additional Improvements Fund. The County shall contribute funds to the Additional Improvement Fund in accordance with the schedule of contributions set forth in the attached Exhibit "C" (it being understood that County shall have up to six (6) months to cure any failure to make a payment in accordance with the schedule).

B. During the Term County shall fund, to the extent funds are available in the Additional Improvements Fund, certain additional improvements to the Sports Complex proposed by SFS and approved by the County, such approval not to be unreasonably withheld (the "Additional Improvements"). The Additional Improvements to be constructed and the schedule for the construction of the Additional Improvements shall be determined so as to provide material benefit to SFS to be enjoyed by SFS during the Term. SFS shall have the right to request that the County provide monies from the Additional Improvements Fund and the County will promptly honor such requests and deliver such funds to SFS or such other person or entity according to instructions from SFS for use as contemplated under this Agreement.

6. **CONSIDERATION – PAYMENT.**

A. For purposes of this Section 6.A "Year 1" means the 2017 calendar year, "Year 2" means the 2018 calendar year and so on through "Year 25" which is the 2042 calendar year. For each year of the Term starting in 2017, SFS will make a base rent payment to the County (the

“Base Rent”) in an amount equal to 50% of Stadium Revenue from the New York Mets Spring Training games and the Florida State League franchise’s games played at the Stadium (collectively, “Games”), provided that the Base Rent payment shall not exceed \$2,000,000 during each of Year 1 through Year 10, \$2,100,000 during each of Year 11 through Year 20, and \$2,250,000 during each of Year 21 through Year 25. The limit placed on the Base Rent payment each year of the Term shall be referred to herein as the “Base Rent Cap.” In addition to the Base Rent, beginning in the year that immediately follows the year in which SFS makes its final payment to the County pursuant to Section 37 below and each year thereafter during the Term, if Stadium Revenue exceeds \$5,500,000 in such year, SFS shall make an additional rent payment to the County (the “Additional Rent”) in an amount equal to the County percentage multiplied by the corresponding incremental amount of Stadium Revenue in excess of \$5,500,000 as set forth in the chart below (subject to reduction to the extent necessary to recoup Shortfall Payments as addressed below in this Section).

Stadium Revenue	SFS Percentage	County Percentage
Between \$5,500,001 and \$6,500,000	90%	10%
Between \$6,500,001 and \$7,500,000	75%	25%
More than \$7,500,001	50%	50%

For example, if Stadium Revenue in a year in which Additional Rent is due (a) is \$5,500,000 or less, SFS shall not make any Additional Rent payment; (b) is \$6,000,000, SFS will make an Additional Rent payment equal to \$50,000 (i.e., 10% of the \$500,000 between \$5,500,001 and \$6,000,000); (c) is \$7,000,000, SFS will make an Additional Rent payment equal to \$225,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000 plus 25% of the \$500,000 between \$6,500,001 and \$7,000,000); or (d) is \$8,000,000, SFS will make an Additional Rent payment equal to \$600,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000, plus 25% of the \$1,000,000 between \$6,500,001 and \$7,500,000, plus 50% of the \$500,000 between \$7,500,001 and \$8,000,000)

For any year of the Term starting in 2017 in which Base Rent is less than \$2,000,000 SFS shall make a payment to the County (the “Shortfall Payment”) from (but not more than) SFS’s 50% share of Stadium Revenues, such payment being equal to the amount by which \$2,000,000 exceeds the Base Rent. SFS shall have the right to recoup all Shortfall Payments from Additional Rent payable to the County in subsequent years. In addition, the Base Rent Cap during each of Year 11 through Year 25 shall be reduced by the cumulative amount of Shortfall Payments that remain un-recouped at the time the Base Rent is due that year, provided that in no event shall the Base Rent Cap be less than \$2,000,000 in any year. To the extent Base Rent to the County is decreased because of the reduction in the Base Rent Cap in accordance with the previous sentence, the amount not paid to the County as a result of that reduction will be considered a recouped Shortfall Payment. (For example, if SFS makes its first Shortfall Payment to the County in Year 10 in the amount of \$125,000, then the Base Rent Cap in Year 11 will be reduced from \$2,100,000 to \$2,000,000, and if the Base Rent in Year 11 would have been \$2,100,000 had the Base Rent

Cap not been reduced, then (x) in Year 11 SFS would pay Base Rent to the County of \$2,000,000, (y) SFS will have recouped \$100,000 of its Shortfall Payment from Year 10, and (z) \$25,000 of SFS's Shortfall Payment from Year 10 will remain to be recouped from Additional Rent or future Base Rent Cap reductions. To the extent that Shortfall Payments made by SFS are not fully recouped by the date this Agreement terminates or expires, the County will pay SFS an amount equal to the cumulative total of all un-recouped Shortfall Payments from Tourist Tax Revenues collected by the County after termination or expiration of this Agreement until all Shortfall Payments are repaid to SFS.

Definitions:

"Stadium Revenue" means (i) SFS's adjusted gross ticket receipts from Games, plus (ii) SFS's gross sales receipts from food and beverage concession sales at Games, plus (iii) SFS's gross sales receipts from souvenir, novelty and game program sales at Games, plus (iv) the net profits (defined below) from parking at Games.

"Adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for Games, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. County will not levy any tax on the sale of tickets except as required by law.

"Gross sales receipts" means revenues received from food and beverage concession sales or souvenir and novelty sales at Games, as the case may be, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. County will not levy any tax on the sale of concessions, souvenirs or novelties except as required by law. In the event SFS elects to contract with an unaffiliated private firm to operate all food and beverage concessions and/or souvenir and novelty sales, then, in lieu of including all revenues received from food and beverage concession sales and souvenir and novelty sales at Games in gross sales receipts, SFS shall include in gross sales receipts only such portion of food and beverage concession revenues and souvenir and novelty revenues received by SFS from the contractor. Moreover, SFS's selection of an unaffiliated private firm to operate all food and beverage concessions or souvenir and novelty sales at the Sports Complex shall be subject to the approval of the County, which approval shall not be unreasonably withheld.

"Net profits" will be ascertained by reducing the revenues actually received by SFS from the sale of parking privileges for Games by reasonable labor costs incurred in operating the parking facilities on Games days and other reasonable expenses related to parking (e.g., cost of printing parking tickets and providing signage and flash lights).

B. **Advertising.** Subject to the terms of Section 7(C) hereof with respect to Naming Rights, County grants to SFS the exclusive right to display or permit others to display advertising material at all locations in the Sports Complex at all times during the Term (including, without limitation, advertising in game or other SFS Event programs), and the exclusive right to grant event sponsorship and promotional rights at the Sports Complex during SFS Events, as well as the

right to assign all or any portion of such rights to any third party including specifically to the Club. SFS shall have the right to display such advertising signs at all events held at the Sports Complex, including, without limitation, County Events. The County shall not be entitled to receive any of the revenues generated by SFS or its assignees through the sale of such advertising, sponsorships and promotions. SFS or its assignee shall retain one hundred percent (100%) of all revenues from advertising at the Sports Complex during the Term and from all sponsorships and promotions during SFS Events, and SFS shall have control over the type and content of all such advertising, sponsorships and promotions. County shall have the right to review and approve all such proposed advertising, provided that County shall have no right to object to any advertising except to the extent that such advertising is indecent or incompatible with the character and dignity of the Sports Complex; any proposed advertising shall be conclusively deemed neither indecent nor incompatible if it is comparable to advertising at any other Major League spring training or minor league baseball facility within the State of Florida. County may not sell or display signage at the Sports Complex without the prior written consent of SFS, in SFS's sole discretion, except that the County may display at the Sports Complex signage that is comprised solely of the insignia or logos of the County or that is required by public safety considerations or by local, state or federal regulations subject to the approval of SFS, which approval shall not be unreasonably withheld.

C. **Parking.** SFS reserves the right to charge reasonable fees for parking areas adjacent to the Stadium for persons attending SFS Events. SFS shall have the right to make parking spaces available at all times and without charge to authorized representatives, designees or personnel designated by SFS. County and SFS shall cooperate and develop a visitors pass procedure that will allow free parking to authorized representatives and guests of the County and SFS.

SFS shall include the net profits from parking at Games in Stadium Revenue as set forth above. For all SFS Events other than Games, SFS shall retain one hundred percent (100%) of all parking receipts. For County Events at the Sports Complex, County shall operate all parking at its sole expense and shall retain all proceeds.

D. **Intentionally Omitted.**

E. **Rent for Use of Stadium.** The rental payment by SFS for use of the Stadium shall be the payments from SFS to County as provided above in Section 6.A. Except as otherwise specifically provided in this Agreement, only one payment shall be made each year of the net amount due from SFS to County, which annual payment shall be made prior to the commencement of the following Major League Spring Training season. County and SFS agree that such amounts paid by SFS to County shall be deemed to be the rent payment for the use and occupancy of real property pursuant to Section 212.031, Florida Statutes. In addition to the requirements of Paragraph 9(C), SFS shall provide the County with an annual accounting of revenues and expenses in sufficient detail for audit purposes at the same time the annual payment is made.

F. **County Revenues.** SFS shall pay to County thirty-three percent (33%) of SFS's gross sales receipts from food and beverage concession sales at all County Events, with SFS

retaining the other sixty-seven percent (67%). As used in this Section 6(F), "gross sales receipts" means revenues received from food and beverage concession sales, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. However, County shall not levy any tax on the sale of concessions except as may be required by state law. For all County Events, County shall retain one hundred percent (100%) of the adjusted gross ticket receipts but shall reimburse SFS for all pre-approved out-of-pocket expenses incurred by SFS in connection with each such event. As used in this Section 6(F), the term "adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for County Events at the Sports Complex, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. However, County shall not levy any tax on sale of tickets except as required or authorized by state law.

G. **Parking Revenues from Adjacent Businesses.** Subject to the approval of SFS, which approval shall not be unreasonably withheld, the County shall have the right to allow local businesses with offices adjacent to the Stadium ("Adjacent Businesses") to utilize the Stadium parking area depicted on Exhibit "N" hereto (the "Business Parking Area") on a nonexclusive basis provided that the use of the Business Parking Area by local businesses shall not conflict with use of the Business Parking Area by SFS or the County for SFS Events or County Events. The parties agree that the first \$100,000 in total revenues received during the Term from the use of the Business Parking Area by the Adjacent Businesses shall be retained by the County to reimburse the County for the actual cost incurred by the County to construct improvements to the Business Parking Area, and thereafter, the County shall deposit all revenues received from use of the Business Parking Area by the Adjacent Businesses into the Capital Repairs Fund. The County shall be responsible for all damage and expenses resulting from use of the Business Parking Area by Adjacent Businesses.

7. **TELEVISION - RADIO REVENUE; LUXURY SUITE REVENUE; NAMING RIGHTS.**

A. **Television - Radio Revenue.**

It is expressly acknowledged and agreed by and between the parties, that the County shall receive no revenues from the radio or television broadcast or other transmission (including, without limitation, over cable or the Internet) of or relating to any SFS Events, nor shall the County participate, in any manner, in determining when said SFS Events shall be broadcast or otherwise transmitted. SFS has the exclusive right to sell television and radio broadcasting and other transmission rights for SFS Events and to permit others to sell such television and broadcasting and other transmission rights, and SFS or such other authorized party shall retain all revenues resulting therefrom.

B. **Suite Revenue.**

SFS shall manage and control the rental of any luxury suites at the Stadium, including without limitation any luxury suites constructed as part of the New Improvements, for

all events at the Sports Complex during the Term. County and SFS shall each be entitled to use and authorize others to use one luxury suite for all events during the Term, without charge to County or SFS for their occupancy of the respective suites. All other luxury suites are to be rented on a yearly basis, and SFS shall retain one hundred (100%) percent of adjusted gross revenue from the rental of luxury suites. The lessee of any luxury suite will receive admission tickets to the luxury suite for all New York Mets spring training games and all St. Lucie Mets games at no additional charge. The lessee of any luxury suite will also have the right to purchase admission tickets to the luxury suite for any other event held at the Stadium during the year, and if such tickets are purchased: (i) for all SFS Events other than New York Mets spring training games and St. Lucie Mets games, SFS shall retain one hundred (100%) percent of the adjusted gross revenue from the sale of such admission tickets; and (ii) for all County Events, SFS shall retain ten (10%) percent of the adjusted gross revenue from the sale of such admission tickets and shall pay to the County the remaining ninety (90%) percent. As used in this Section 7(B), the term "adjusted gross revenue" means all revenues actually received by SFS from the rental of luxury suites that is attributable to the particular event at issue, and all revenues actually received by SFS from the sale of tickets granting admission to the luxury suites for the event, less any and all taxes and tax surcharges or fees due to any governmental or taxing authority related thereto. Revenues from food and beverage sales in luxury suites will be included in gross sales receipts as set forth in Section 6(A) above.

C. **Naming Rights.**

SFS or its designee shall have the sole and exclusive right to designate the name of the Sports Complex and/or its constituent parts and to grant one or more third parties (i) the right to include such party's name, product name and/or logo and/or corporate identifiers in the name of the Sports Complex and/or its constituent parts, (ii) the right to have such name and/or logo and/or corporate identifiers prominently displayed on the interior and the exterior of, and on and around the entrances to the Sports Complex and/or its constituent parts, and on the Sports Complex apron, as part of the name of the Sports Complex, and (iii) such other nonexclusive rights which are customarily included in the grant of the rights in clause (i) and (ii) above (such rights are hereinafter referred to as the "Naming Rights"), and provided that such name and/or logo and/or corporate identifiers shall not be obscene nor shall it be unlawful to use the same. For avoidance of doubt, SFS retains all revenues with respect to Naming Rights.

For so long as both this Agreement and the agreement granting Naming Rights remain in effect, the Stadium and the Sports Complex shall be referred to by the name(s) selected pursuant to this Section 7(C), and neither party shall advertise or refer to the Stadium or the Sports Complex by any other name. The Stadium and the Sports Complex names selected pursuant to this Section 7(C) shall be used by the parties when referring to the Stadium and the Sports Complex in any of their correspondence, press releases, promotional materials, advertisements and/or publications, and shall be used by County on all related directional traffic and pedestrian signs on highways, local streets, and all public thoroughfares in and around the Sports Complex and St. Lucie County, Florida. Notwithstanding the above, the parties agree that the County's logo shall

be permanently displayed at locations in the Stadium and Sports Complex as mutually agreed upon by the parties.

County shall retain the right to market for sale to a third party the right to include such party's name, product name and/or logo in the official name of the football/soccer field across from the Sports Complex (the "Football/Soccer Naming Rights"). Any agreement with respect to the Football/Soccer Naming Rights shall be subject to the approval of SFS, which approval shall not be unreasonably withheld, provided that the withholding of approval shall be conclusively deemed reasonable if the proposed agreement is with a competitor of any entity that has an advertising or naming rights agreement with SFS or Club at any facility.

D. Other Revenues.

Except as otherwise expressly stated and specified in this Agreement, SFS shall be entitled to retain all revenues related to the Sports Complex.

E. Recognition of Contributions of Thomas J. White, Sr.

Wholly separate from any naming rights for the Sports Complex or the Stadium, County and SFS agree to continue to recognize the contributions of Thomas J. White, Sr. in a manner similar to how such contributions are currently recognized at the Sports Complex and Stadium.

8. TICKET SALES; PROGRAM SALES, CONCESSIONS AND PARKING.

SFS has the exclusive right to operate ticket sales, program sales, and parking lots in connection with SFS Events during the Term of this Agreement, and has the right and discretion to contract with or authorize one or more other persons or entities to operate ticket sales, parking and/or game program sales at the Sports Complex at or in connection with SFS Events.

SFS has the exclusive right and discretion to sell and authorize others to operate concessions for the sale of food and beverages (including, without limitation, catering, hospitality and picnic services), novelties, souvenirs and paraphernalia at the Sports Complex during the Term of this Agreement. The County reserves the right to schedule special events in the parking lot during non-baseball scheduled events at which concessions will be sold; SFS will operate concessions at such special events in accordance with its exclusive right to operate concessions at the Sports Complex during the Term, and will cooperate with the County with respect to the providing of concessions to community and charitable groups at such special events. During the Term of this Agreement, SFS shall provide good quality concession services to the public. SFS will use commercially reasonable efforts to restrict patrons from bringing any food, beverages (including alcoholic beverages) or beverage containers into the Sports Complex. Prior to the start of each season, SFS will provide the County with notice of the pricing for tickets, programs, concessions and parking.

No new coin or currency operated vending machines shall be installed or located within the Sports Complex by SFS without the written permission of the County's Parks and Recreation Director, which permission shall not be unreasonably withheld. Except as otherwise permitted under this Agreement, SFS will not install permanent fixtures or construct permanent improvements at the Sports Complex without the County's prior consent, which consent shall not be unreasonably withheld.

9. **BOOKS, RECORDS AND AUDIT.**

SFS and County agree to keep accurate books and records in accordance with generally accepted accounting practices of their respective operations at the Sports Complex. SFS agrees to submit to the County, on a quarterly basis, a report containing accurate attendance information in a form agreed to by all parties. In addition, the parties agree as follows:

A. SFS shall submit daily sales (ticket, parking, program and concessions) reports within thirty (30) days following the last Game of Spring Training and thirty (30) days following the last Game of the Florida State League season.

B. All related books and records regarding ticket, parking, program and concession sales shall be jointly available to the County for suitable annual audit at a time mutually agreed to by the parties. Any audits must be performed within twelve (12) months after the end of each year of operation (January 1 - December 31). SFS shall have the same right to audit the books and records of any County operation under this Agreement, and shall have the right to review the County budget and related documents at any time upon reasonable notice.

10. **NEW IMPROVEMENTS.**

A. **NEW IMPROVEMENTS - BUDGET.**

The County intends to issue bonds, the ("New Improvement Bonds") which will be used to finance certain improvements to the Sports Complex described on Exhibit "D" hereto (the "New Improvements"). If the County does not issue the New Improvement Bonds and fully fund the New Improvements Budget (as defined below) by April 1, 2017 SFS shall have the right to nullify and void this Agreement, by providing written notice to the County, provided that the County shall have seven (7) days following its receipt of such notice from SFS to issue the New Improvement Bonds, and if the New Improvement Bonds are issued by the end of such seven (7) day period then the written notice provided shall be ineffective. If this Agreement is nullified and voided as set forth in the immediately preceding sentence, the parties agree that the Prior FUA shall be reinstated and the terms and conditions of the Prior FUA shall govern the rights and obligations of SFS and the County. The County will designate SFS as the agent of County for the purpose of coordinating the New Improvements, with the scope of the New Improvements to be determined by SFS and approved by County, and the County will provide cooperation appropriate for the design and construction of the New Improvements. The parties agree that the New Improvements will include, without limitation, Stadium upgrades, a new entrance, walk way

connector around the outfield, one new field and other field enhancements, Mets player academy facilities consisting of dormitories, a cafeteria and an auditorium (the "Player Academy Spaces") (which shall only be used by Mets personnel and shall not be available for use by the general public), little league/softball complex, new major and minor league clubhouses, offices and locker rooms, and other improvements as may be determined and approved by SFS and County. The County shall provide \$55,000,000 of funding (the "New Improvements Budget") for the design and construction of the New Improvements.

Nothing in this Agreement shall obligate the County to provide funding for the New Improvements in excess of the New Improvements Budget. SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage. The New Improvements Budget shall be used to fund the New Improvements only and for no other purpose (except as provided herein). County will contract to have an economic impact statement prepared, addressing the impact from Major and Minor League Baseball at the Sports Complex and the Improvements, it being understood that the cost of such statement shall be paid by the County and shall not be included in the New Improvements Budget.

Upon execution of this Agreement County will provide SFS with a fund in the amount of \$500,000 (the "Fund") to pay for costs incurred in connection with the New Improvements prior to the County's issuance of the New Improvement Bonds. To the extent that the Fund is expended prior to the County's issuance of the New Improvement Bonds, the County will replenish the Fund with amounts sufficient to cover the additional costs expected to be incurred in connection with the New Improvements prior to the County's issuance of the New Improvement Bonds. All amounts provided by the County to SFS in the Fund shall be reimbursed to County upon issuance of the New Improvement Bonds.

B. NEW IMPROVEMENTS - PLANS.

1. County, for the benefit of SFS and County, shall competitively procure an architect reasonably satisfactory to both parties (the "Architect" referred to in this Section 10) in accordance with Florida Law and County Procurement Policy. The Architect shall be responsible for, *inter alia*, (1) developing a conceptual plan and general specifications (the "Conceptual Plans" referred to in this Section 10) for the New Improvements; (2) developing preliminary plans and specifications for the New Improvements; (3) preparing working drawings and requests for bids; (4) obtaining all permits, other than building permits, needed to construct the New Improvements; (5) assisting SFS in evaluating the qualifications of potential contractors; (6) providing contract administration; and (7) performing construction inspections as needed to provide certified as-built drawings after the New Improvements are constructed (the "Architect's Work" referred to in this Section 10). SFS shall enter into a contract (the "Architect's Contract" referred to in this Section 10) with the selected Architect with terms that are fair, competitive and reasonable as required by

Section 287.055 (5) and (6) of the Florida Statutes, and which shall, *inter alia*, contain the terms and conditions set forth in Exhibit "E" hereto. The County shall be named as a third party beneficiary in the Architect's Contract. The County shall, upon request, enter into a joinder to the Architect's Contract substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc. Without limiting the foregoing, the Architect's Contract shall require the Architect to procure policies of insurance that relate to the Architect's Work, with terms, limits, coverages and specifications at least as favorable for SFS as those reflected in Exhibit "E", and SFS and the County shall be designated as Named Insureds on all applicable policies. The Contract should also provide that Architect will not receive payment for any portion of the Architect's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(b) below. SFS shall have the right to refuse to enter into any Architect's Contract with terms that are not fair, competitive and reasonable as required by Section 257.055 (5) and (6) of the Florida Statutes. County, through its Board of County Commissioners, shall have final approval rights to the negotiated Contract limited to whether the Contract terms are fair, competitive and reasonable. County agrees that the Architect shall not be considered an agent of SFS for any purpose and that the Architect shall be solely responsible for the Architect's Work, and that the County will look solely to the Architect and its carriers, and in no event to SFS, with respect to the performance of the Architect's Work and any damages or losses which may arise from or out of any acts or omissions of the Architect except to the extent caused by any negligent acts or omissions of SFS or its agents or representatives.

2. Contemporaneous with procurement of the Architect, the County shall, through currently pending RFQ No. 16-049, competitively procure a consultant to provide Program Manager Consulting Services on its behalf, serving as the point of contact of the County for all project development interaction involving SFS, Architect and Contractor.

3. SFS shall cause Architect to furnish to County the Conceptual Plans for the New Improvements. County, through its Board of County Commissioners, shall have a period of twenty (20) days from delivery of the Conceptual Plans within which to review and to disapprove of the Conceptual Plans, in writing. County shall have no right to disapprove of the Conceptual Plans except to the extent that the improvements described therein are materially inconsistent with the description of the New Improvements set forth on Exhibit "D" hereto or to the extent the Conceptual Plans reflect estimated costs in excess of the New Improvements Budget. Subject to the foregoing, County shall not unreasonably withhold its consent to any Conceptual Plans. If County disapproves of the Conceptual Plans, County shall express the grounds for its disapproval in reasonable detail. If County shall not disapprove within such twenty (20) day period, the Conceptual Plans shall be deemed approved.

4. As soon as is reasonably practicable following the approval of the Conceptual Plans, SFS shall cause Architect to prepare and deliver to County and SFS preliminary plans and specifications for the New Improvements in accordance with the approved Conceptual Plans (the "Preliminary Plans" referred to in this Section 10). County, through its Board of County

Commissioners, and SFS shall have a period of twenty (20) days within which to review and to approve or disapprove of the Preliminary Plans in writing. County shall have no right to disapprove of the Preliminary Plans except to the extent the Preliminary Plans are materially inconsistent with the Conceptual Plans. If County or SFS disapprove of the Preliminary Plans, it or they shall express the grounds for its disapproval in reasonable detail. If County or SFS shall not respond with disapproval within such twenty (20) day period, the Preliminary Plans shall be deemed approved.

5. As soon as is reasonably practicable following the approval of the Preliminary Plans, SFS shall cause the Architect to prepare working drawings for the New Improvements (or such of the New Improvements as shall be designated by SFS), in accordance with the approved Preliminary Plans and to deliver same to County and SFS (the "Final Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days from receipt of the completed Final Plans to review and approve or disapprove of the Final Plans in writing. County shall have no right to disapprove of the Final Plans except to the extent such Final Plans are materially inconsistent with the Preliminary Plans. If County or SFS shall disapprove of the Final Plans, it or they shall express the grounds for its disapproval in writing and in reasonable detail. If neither County nor SFS disapprove within such twenty (20) day period, the Final Plans shall be deemed approved. Once approved, the Final Plans shall be incorporated into this Agreement as Exhibit "F".

6. County, for the benefit of SFS and County, shall, through a publicly advertised competitive bidding or proposal process, in accordance with Florida law and County Procurement Policy, competitively procure a contractor (the "Contractor" referred to in this Section 10) for the construction of the New Improvements in accordance with the Final Plans (the "Work" referred to in this Section 10). SFS shall have input on the qualifications and selection of contractors, with two members appointed by SFS to a five-member selection committee, with the remaining three members appointed by County, and to refuse to engage any contractor upon terms that are not fair, competitive and reasonable as determined by SFS. The final terms of the agreement between SFS and the Contractor (the "Construction Contract" referred to in this Section 10), and any Guaranteed Maximum Price amendments or agreements, shall be subject to the approval of the County, through its Board of County Commissioners, limited to whether the Construction Contract terms are fair, competitive and reasonable. SFS shall enter into a Construction Contract along with terms that are fair, competitive and reasonable and the terms set forth below, with the selected contractor.

7. The Construction Contract shall, *inter alia*, include the terms and conditions set forth in Exhibit "G" hereto and shall include each of the following requirements related to all work under the Construction Contract ("Work"): (i) the furnishing of a public construction bond in a form consistent with Section 255.05, Florida Statutes, with the County named as co-obligee, and with terms acceptable to SFS; (ii) competitive procurement of all Subcontractors work and supplies as set forth in Subsection 7(d) below ("Procurement of Subcontracts"); (iii) retainage in an amount acceptable to SFS for the Work, until the Completion of the Work (including a retainage of 10% of the total value of the construction contract) and required reductions at 50% completion

as set forth in Section 255.078, Florida Statutes; (iii) payment by the Contractor of liquidated damages equal to One Thousand Dollars (\$1,000.00) for each day from and after the Required Completion Date (if and as that term or its equivalent is defined in the Construction Contract) until the actual date of Completion; (iv) a requirement that the Contractor perform and achieve Completion of the Work for a Guaranteed Maximum Price or fixed stipulated sum referred to in this Section 10), by no later than the Required Completion Date; (v) the furnishing of an "installation floater" insurance policy or such other policy of insurance covering goods in transit and while the Work is being performed, with terms, limits, coverages and specifications acceptable to SFS (and the furnishing by any subcontractors of policies of insurance that relate to the Work naming SFS, Club and the County as additional insureds, with terms, limits, coverages and specifications acceptable to SFS); (vi) at SFS's election, the provision on behalf of SFS of an Owner's Contractor Protective policy of insurance, including extensions for products and completed operations coverage and similar extended coverage at least through Completion (as defined herein) of the Work, or another policy of insurance acceptable to SFS, with SFS as a named insured; (vii) the County shall be named as a third party beneficiary in the Contract; and (viii) Contractor must agree that it will not receive payment for any portion of the Contractor's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(c) below. The County shall be named as a third party beneficiary in the Contract between the Contractor and SFS. The County shall, upon request, enter into a joinder to the Contract between the Contractor and SFS substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc.

8. As required by Section 119.0701, Florida Statutes, in all contracts competitively procured for services related to the New Improvements, including the Architect as set forth in Section 10(B)(1) and Contractor as set forth in Section 10(B)(4), SFS shall include in each such Contract, the following Notice in capital letters, 14-point boldfaced type:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (772) 462-1441, bellamys@stlucieco.org, COUNTY ATTORNEY'S OFFICE, 2300 VIRGINIA AVENUE, FORT PIERCE, FL 34982.

SFS shall also include in each such Contract, a requirement that the contracting party comply with the following requirement of Florida's Public Records Law:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. SFS agrees to include the following provisions (or substantively equivalent provisions) in the Construction Contract:

(a) Punchlist Procedures. Punchlist procedures to render the Work complete, satisfactory and acceptable are established as follows:

There shall be the development of a single checklist of items required to render complete, satisfactory, and acceptable, the Work. No more than ten (10) days prior to Contractor's expected Substantial Completion of the Work as defined in the Construction Contract, Contractor shall schedule a walkthrough with SFS and the County ("Initial Walkthrough" a/k/a "IW"). The purpose of the IW is to develop a checklist ("Checklist") of items to be performed by the Contractor, based upon observations made between the Contractor, SFS and the County during the IW.

No later than forty (40) calendar days after reaching Substantial Completion, Contractor shall again initiate and request a second walkthrough of the Project with SFS and the County. The purpose of this second walkthrough is to identify which items remain to be performed from the IW Checklist and for the purpose of developing a single and Final Punchlist.

The intent of this section is for SFS, County and the Contractor to cooperate to develop a single Final Punchlist to be completed no later than sixty (60) calendar days from the date of reaching Substantial Completion of the Work as defined in the Construction Contract. The single Final Punchlist shall be delivered no later than five (5) calendar days after the Punchlist has been developed and reviewed in accordance with this section. If the Work provided in this Construction Contract relate to more than one building or structure, or involves a multi-phased project, the single Final Punchlist is required to render complete, satisfactory, and acceptable all the Work for each building, structure, or phase of the Project and is due within the time periods set forth in this section.

In no event may the Contractor request payment of final retainage until the Final Punchlist is 100% complete.

Contractor agrees to complete the Final Punchlist items and the Final Contract Completion Date must be thirty (30) calendar days after the delivery date of the Final Punchlist. The failure to include any corrective work or pending items not yet completed on the list does not alter the responsibility of the Contractor to complete all the construction services purchased pursuant to this Construction Contract.

Contractor acknowledges and agrees that no item contained on the Final Punchlist shall be considered a warranty item until such time as (a) the Final Punchlist is 100% complete, and (b) SFS has been able to operate or utilize the affected Punchlist item for an additional period of fifteen (15) days.

Contractor acknowledges and agrees that SFS may, at its option, during performance of the Work and prior to Substantial Completion, issue lists of identified non-conforming or corrective work for the Contractor to address. The intent of any such generated list prior to Substantial Completion is to attempt to streamline the Punchlist process upon achieving Substantial Completion, and to allow for the Contractor to address needed areas of corrective work as they may be observed by SFS during performance of the Work.

Contractor acknowledges and agrees that SFS shall determine whether an item on the Final Punchlist is completed and shall calculate the amount of payment to withhold if an item is incomplete, with SFS having the right to withhold the greater of 150% of the value of the item on the Final Punchlist that is incomplete or the amount of the retainage under this Construction Contract. Contractor acknowledges and agrees that in calculating the amount of payment that may be withheld by SFS as to any Final Punchlist item for which a good faith basis exists to determine that it is incomplete, SFS may, in calculating the amount equal to 150% of the value of the item (if SFS decides to withhold such amount rather than the amount of the retainage under this Construction Contract), include within such percentage calculation its total costs for completing such item of work, including its administrative costs as well as costs to address other services needed or areas of work which may be affected in order to achieve full completion of the Final Punchlist item. Such percentage shall in no event relate to the schedule of value associated with such Work activity, but rather total costs are based upon the value (i.e. cost) of completing such Work activity based upon market conditions at the time of Final Punchlist completion.

(b) **Reduction of Retainage Procedures.** After the Contractor has achieved fifty percent (50%) completion of the Work, retainage from subsequent Pay Applications shall be reduced to five percent (5%). Contractor may request a reduction of retainage previously withheld from ten (10%) percent of the total value of the Construction Contract to five (5%) percent after fifty (50%) percent completion of the Work which SFS shall authorize for payment unless justification for withholding exists, as permitted by Section 255.078, Florida Statutes. The term "Fifty Percent Completion" shall be defined as follows, in lieu of any other definition:

"Fifty Percent Completion" of the Work is defined as that point in time where 50% of the overall value of Work items incorporated and which will remain in place subsequent to final completion of the Work have been completed, based upon the schedule of values contained in the Contract. As such, and by way of example, the value of Contractors mobilization, general conditions, supervision or like items which do not involve permanent incorporation of Work do not apply to the determination of "Fifty Percent Completion" of the Work for purposes of establishing entitlement to a reduction of retainage.

(c) **Definition of Substantial Completion.** For purposes of this Construction Contract, and for compliance of those procedures, duties and obligations, the term Substantial Completion shall be as follows, in lieu of any other definition:

"Substantial Completion" is defined as that point where SFS and the County are able to enjoy beneficial occupancy of the Work and where the Work has achieved that level of completion such that SFS and the County are able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life safety and regulatory use, with the exception of incidental and incomplete items except where a lack of completion of such incidental or incomplete items of Work will adversely affect the complete operation of other areas of the Work, to the satisfaction and approval of all authorities having jurisdiction.

(d) **Procurement of Subcontracts.** All subcontracts exceeding \$500,000 shall be and competitively awarded in accordance with the process set forth in Exhibit "O".

(e) **Contractor Self-Perform Work.** Upon approval by SFS, Contractor and any Related Entities as defined below, may use its own forces to perform a portion of the Work, as long as the cumulative percentage of the total self-performed construction work does not exceed 25% of the Total Cost of the Work for the Project, as reflected in the approved GMP or latest approved estimates. SFS reserves the right to limit instances of self-performance to certain Work. There is no guarantee that any self-performed work will be allowed. Related Entities are prohibited from submitting competing bids or proposals and shall be disqualified for doing so, unless authorized hereunder. When authorized in advance to submit a competitive bid, the Contractor or Related Entity must submit its bid to SFS, at least forty-eight hours prior to the bid opening date and time. "Related Entities" means any parent company, affiliates, subsidiaries, or other entities having common ownership or management with that of the Contractor or a subcontractor.

10. County agrees that the Contractor shall not be considered an agent of SFS for any purpose and shall be solely responsible for the Contractor's Work, and that the County will

look solely to the Contractor and its carrier(s) and surety bond(s), and in no event to SFS, with respect to the performance of the Contractor's Work and any damages or losses which may arise from or out of any acts or omissions of the Contractor except to the extent caused by the negligent acts or omissions of SFS or its agents or representatives.

11. SFS shall have the right to purchase general construction liability insurance or other construction-related insurance acceptable to SFS, with terms, coverages, specifications and limits as determined by SFS as being reasonable in its sole discretion. The cost of such insurance shall be included in the Total Cost of the Work (as defined in Section 10(B)(12)). County shall be an additional insured on such insurance policy, if any is purchased by SFS.

12. The Total Cost of the Work defined herein shall be paid by the County in accordance with the procedures set forth in Section 10(C)(9), below, out of the New Improvements Budget. The term "Total Cost of the Work" referred to in this Section 10 shall mean the sum of (i) the fees and expenses of the Architect in connection with all stages of the Architect's Work hereunder, including without limitation the Architect's consultants' fees and expenses, and all fees and expenses related to the obtaining of permits needed to construct the New Improvements, plus (ii) the Construction Contract Price, plus (iii) the fees and expenses of any consultants engaged directly for the design and construction of the New Improvements which are approved in advance by the County and competitively procured in accordance with Florida law (including the Program Manager under RFQ No. 16-049), plus (iv) any other approved costs, expenses or liabilities incurred by SFS as a consequence of SFS's engagement of the Contractor, Architect or other consultants hereunder, including but not limited to SFS's attorneys' fees in connection therewith, plus (v) the costs of all permits required for the Work, plus (vi) the premium cost of all insurance, including without limitation comprehensive general liability insurance, general construction liability insurance, products and completed operations or other extended insurance, or other insurance acceptable to SFS, as SFS may elect to obtain with County's advance approval, whether directly or through another person or entity acting on SFS's behalf, as a consequence of SFS's engagement of the Architect and Contractor hereunder (referred to in this Section 10 as the "Additional Exposure Liability Insurance Coverage Insurance Premiums"). The Total Cost of the Work shall be subject to increase only as a consequence of Authorized Change Orders (as defined in this Section 10), to the extent such Authorized Change Orders actually increase the Total Cost of the Work; provided, however, that the County's obligations shall be limited to the New Improvements Budget. As between SFS and the County, SFS shall be solely responsible for any and all cost of the Work exceeding the New Improvements Budget. The Total Cost of the Work shall not include any other costs or fees whatsoever, including, without limitation, fees for construction, coordination, supervision or for review and approval of plans and specifications or proposed Change Orders by SFS or County, except as otherwise specifically set forth in this Agreement.

C. **NEW IMPROVEMENTS – CONSTRUCTION.**

1. Promptly following the execution of the Construction Contract and the issuance of all required approvals and permits, SFS shall cause the Contractor to commence the

Work and to diligently and continuously pursue the Work to Completion. The term "Completion" as used in this Section 10 shall mean the completion of the Work, as evidenced by the issuance of a temporary or final certificate of occupancy or completion, as applicable, and the completion of all "punch-list" items.

2. County will cooperate in good faith to assist Architect and Contractor in obtaining all permits required for the construction of the Work from all applicable governmental authorities.

3. There shall be no change to the Final Plans, except pursuant to an Authorized Change Order (as such term is defined below). SFS shall have the right to request changes in the Work. As used in this Section 10, an "Authorized Change Order" shall mean a written instrument initiated and prepared by SFS and signed by County if required herein (or deemed approved as set forth herein), SFS and the Architect stating their agreement upon all of the following: (i) the agreed change in the Work; and (ii) the extent of the adjustment in the Total Cost of the Work, if any. County shall have a period of ten (10) business days following receipt of a request to approve a Change Order within which to review and approve same. If County fails to respond within such ten (10) business day period after the receipt of the proposed Change Order, then such proposed Change Order shall be deemed approved provided, however, that in no event shall the County be obligated to pay any costs associated with Change Orders in the event such costs cause the Total Cost of the Work to exceed the New Improvements Budget without a separate written consent from the County identifying the additional funds to be provided. Such separate written consent shall not be deemed to have been provided by the County's failure to object to a Change Order. County shall not unreasonably withhold its consent to any proposed Change Order except the County shall have the absolute right to deny any Change Order request that would cause the New Improvement Budget to be exceeded unless SFS agrees to be solely responsible for the overage. County has the right to suggest Change Orders to SFS, and SFS agrees to consider each County request for a Change Order in good faith, provided that any Change Order proposed by County shall not have the effect of increasing the Total Cost of the Work, and to initiate an Authorized Change Order as set forth in this paragraph if SFS determines that such a Change Order is appropriate. Changes in the Total Cost of the Work due to an Authorized Change Order shall be limited to the actual net increase in the cost included in the definition of the Total Cost of the Work.

4. SFS and the County shall have the right to monitor the construction progress of the New Improvements at all times, provided that County shall not give direction, whether verbally or in writing or otherwise, to any Contractor, Architect or consultant engaged by SFS, except in an emergency situation. SFS understands that County shall procure a Program Manager to serve as its representative during the design and construction of the Project (provided that the cost therefor shall be reasonable therefor in light of the services provided by the Program Manager), provided the amount of reimbursement to the County for the Program Manager fees from the New Improvements Budget shall be the lesser of (a) 50% of the total amount paid to the Program Manager, and (b) \$100,000, and County shall be solely responsible for any additional payments to the Program Manager. SFS agrees to cooperate with the County and its Program

Manager, and use best efforts to create a spirit of harmony involving all companies providing services for the Project. The Program Manager shall have the opportunity to be included as a participant at all Project meetings, jobsite meetings and inspections, and shall have the opportunity to be included on all Project communications involving the Architect, Contractor and any authority having jurisdiction. All Project administration communications, necessary with the County, including disbursement requests and Change Order requests, shall be conducted through the Program Manager. Should Program Manager identify any work being performed in material deviation from the approved Final Plans, it shall immediately provide written notice to SFS and the County, with recommendations on remedying the non-compliance. If the non-compliance is not remedied within seven (7) days, County and SFS, through representatives possessing decision-making authority, shall meet promptly to discuss the issues and means of resolution.

5. In the event of any contractual dispute between the parties hereto that (i) occurs before Completion (as defined in this Section 10) of the New Improvements, and (ii) relates to the preparation and/or approval of the Conceptual Plans, Preliminary Plans, Final Plans, the Construction Work per the Final Plans, or any Change Order for any Phase of the Work, SFS and County shall attempt in good faith to agree to the resolution of the disagreement and/or the curative measures, if any, that are required to be undertaken, and if necessary will submit the dispute to non-binding mediation in an effort to resolve the dispute if the parties are unable to reach a resolution without outside intervention. If the parties are unable to resolve such dispute through non-binding mediation within 30 days of such dispute arising, then the dispute shall promptly be resolved by litigation pursuant to Section 39 of this Agreement.

6. The New Improvement Schedule, which shall be Exhibit "H" hereto, shall show:

(a) The anticipated time of commencement and completion of each of the various operations to be performed under this contract; and,

(b) The sequence and inter-relationship of each of these operations with the others and with those of other related contracts; and,

(c) The estimated time required for fabrication or delivery, or both, of all materials and equipment for the Work.

7. The New Improvement Schedule shall be revised by SFS as and when needed. SFS shall provide the County with written notice in the event that any revision as to the New Improvement Schedule changes the Required Completion Date (if and as that term or its equivalent is defined in the Contract).

8. Promptly after execution of this Agreement, the County shall deposit the entire amount of the funds that comprise the New Improvements Budget in an interest bearing account, in the name of the County, designated (and referred to in this Section 11) as the "New Improvement Account," and all interest thereon shall be added to the New Improvements Budget.

The County will issue bonds in an amount sufficient to generate \$55,000,000 of funding for the New Improvements Budget, as provided for in this Section 10. Notwithstanding any provision herein to the contrary, the County shall have no obligation to provide funds for the New Improvements Budget in excess of the \$55,000,000 provided with the proceeds of the County's New Improvement Bonds without the express written consent of the County identifying the additional funds provided.

9. County shall disburse funds from the New Improvement Account, as follows, provided that in no event shall County be responsible for disbursing funds in excess of the New Improvements Budget for the Total Cost of the Work:

(a) Within twenty (20) business days following SFS's delivery to County of an invoice for the Additional Exposure Liability Coverage Insurance Premiums with certification that payment is due in the requested amount, County shall pay to SFS the entire amount of such invoice;

(b) Within twenty (20) business days following SFS's delivery to County of an invoice from the Architect with respect to the Architect's Work with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of the Architect, the full amount of such invoice, which payment SFS will then forward to Architect within five (5) days of SFS's receipt thereof from County;

(c) Within twenty (20) business days following SFS's delivery to County of an invoice from the Contractor (which invoice shall reflect the applicable retainage), accompanied by the Required Documents (as such term is defined below) with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of Contractor, the full amount of such invoice, which payment SFS will then forward to Contractor within five (5) days of SFS's receipt thereof from County. The term "Required Documents" referred to in this Section 11 means: (i) an affidavit from the Contractor certifying that the invoice is true and correct; (ii) a partial lien waiver from the Contractor for the full amount of the current invoice and partial lien waivers from all subcontractors, materialmen and others who have filed Notices to Owner with respect to all Work through the date of the prior invoice; (iii) a certificate from Architect stating that the portion of the Work described in such invoice has been completed in accordance with the Final Plans; and (iv) in connection with the final disbursement to the Contractor (A) a final lien waiver from the Contractor and from all subcontractors, materialmen and others who have filed Notices to Owner and (B) a final certificate of occupancy or a certificate of completion, as may be applicable;

(d) Within twenty (20) business days following SFS's delivery to County of any invoices from any consultants engaged by SFS and/or with respect to any other costs, expenses or liabilities incurred by SFS pursuant to or as described in Section 11(B)(9) of this Agreement previously approved and authorized by the County, County shall, following verification of entitlement and quantum due, pay to SFS the full amount of such invoices; and

(e) Upon Completion, to the extent that \$55,000,000.00 exceeds the Total Cost of the Work in connection with the New Improvements (with the amount of such excess hereafter referred to as the "Excess New Improvement Budget Funds"), the Excess New Improvement Budget Funds shall be added or devoted to the Additional Improvement Fund (as such term is defined in Section 5(A)).

(f) County shall have the right to review, verify, and audit if necessary, all requests for disbursements of any New Improvements Budget Funds, including invoices from the Architect and Contractor. SFS shall reasonably ensure that all requests for disbursements are sufficiently documented and accompanied by supporting invoices and time records, and in the case of Architect and Contractor, that they (i) maintain an "open book" project accounting practice, (ii) make all files and accounting records available for review and auditing upon reasonable request, and (iii) allow for backcharging for any erroneous billing, as these requirements relate to the New Improvements Budget.

11. **DIGNITARY SEATING.**

Prior to December 1 of each year, the County and SFS will cooperate and develop a dignitary seating arrangement that is reasonably acceptable to all the parties.

12. **FLORIDA STATE LEAGUE TEAM; GULF COAST LEAGUE TEAM.**

The parties acknowledge that the Club currently owns the St. Lucie Mets Florida State League team. This Agreement shall apply to the use of the facilities by the St. Lucie Mets and related operations during the Florida State League regular season and any post-season playoffs. In the event the Club terminates its ownership of a Florida State League team during the term of this Agreement, and does not either transfer ownership thereof to SFS, assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate in accordance with Section 24, or acquire ownership of or enter into a player development contract with another minor league team that will be scheduled to play its home games in the Stadium during the following Florida State League season, SFS shall notify the County as soon as practicable in advance of the beginning of the following Florida State League team season. In that event, the County may permit another Florida State League team to play its home games at the Stadium without the consent of SFS, provided that such minor league team's operations do not conflict with SFS's exclusive use of the Sports Complex from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement or with SFS's use of the Sports Complex for GCL Mets operations (if any), as set forth in Section 15(A) below. The term "St. Lucie Mets" as used herein refers to the current or any future minor league baseball team owned or operated by or affiliated with SFS or the Club that plays its home games at the Sports Complex (excluding the GCL Mets, as defined below). The term "Florida State League" as used herein refers to the Florida State League, any successor league thereto, or any other minor league to which the St. Lucie Mets belongs.

The parties acknowledge that Club currently owns a Gulf Coast League team. All of the terms and conditions of this Agreement shall apply to the use of the facilities by that team during the Term, including without limitation for the Gulf Coast League regular season and any post-season playoffs. The term "GCL Mets" as used herein refers to any future minor league baseball team owned or operated by or affiliated with SFS or the Club that is a member of the Gulf Coast League and will play its home games at the Sports Complex, if SFS or the Club, as may be applicable, so decides in its sole discretion. The term "Gulf Coast League" as used herein refers to the Gulf Coast League or to any successor league thereto.

Other than as provided in the first paragraph of this Section 12 (and subject to SFS's right to assign this Agreement as set forth in Section 24), the County agrees that it will not permit any Florida State League baseball club other than the St. Lucie Mets, or any Gulf Coast League baseball club other than the GCL Mets, to use the Sports Complex during the Term of this Agreement.

13. **INDEMNITY AND INSURANCE.**

A. **SFS.**

To the extent allowed by law, SFS agrees to indemnify and hold County harmless from and all claims for personal injury, death, or property damage and any other losses, damages, charges or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except to the extent such losses may be caused by the negligence or willful misconduct of the County, its agents or employees or by any acts or omissions of the Program Manager, Architect, Contractor or any of their respective employees, agents or subcontractors. SFS further agrees to undertake at its own expense the defense of any action brought against the County (with counsel subject to County's approval in its reasonable discretion), claiming damages arising out of, in connection with, or by reason of SFS's use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of the County, its agents or employees, the County agrees to reimburse SFS for the actual expenses, including attorneys' fees, incurred by SFS in defending the County. County agrees to cooperate in any defense by the SFS. The provisions of this paragraph shall survive the termination of this Agreement.

SFS shall maintain or cause to be maintained Comprehensive General Liability Insurance, including Property Damage and Personal Injury coverages, insuring against liability for damages or losses arising solely from the acts or omissions of SFS under this Agreement. Such policy shall name St. Lucie County as an additional insured. Limits of liability coverage to be not less than:

Bodily Injury Liability	\$5,000,000 each occurrence
Property Damage Liability	\$1,000,000 each occurrence

Or

Bodily Injury and Property Damage Liability	\$5,000,000 each occurrence, combined single limit
--	---

SFS shall maintain or cause to be maintained in effect Workers Compensation Insurance as required by Florida Statutes, covering all employees of SFS, including employer's liability insurance, with limits of not less than \$100,000 per accident.

SFS shall furnish County, not later than ten (10) business days after SFS's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above with an insurer reasonably acceptable to the County.

B. County.

To the extent allowed by law, the County agrees to indemnify and hold SFS and its members and affiliates harmless from any and all claims for personal injury, death, or property damage and any other losses, damages, charges, or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, including, without limitation, in connection with or related to the New Improvements, the Additional Improvements, and any other construction conducted by the County (itself or through contractors), except to the extent such losses may be caused by the negligence or willful misconduct of SFS, its agents or employees or by any acts or omissions of the Architect, Contractor or any of their respective employees, agents or subcontractors. County further agrees to undertake at its own expense the defense of any action brought against SFS (with counsel subject to SFS's approval in its reasonable discretion) claiming damages arising out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of SFS, its agents or employees, SFS agrees to reimburse the County for the actual expenses, including reasonable attorneys' fees, incurred by the County in defending SFS. SFS agrees to cooperate in any defense by the County. The provisions of this paragraph shall survive the termination of this Agreement.

In addition, the County agrees to procure and pay for and at all times during the term of this Agreement maintain fire and extended and "special form" coverage (including without limitation insurance from and against all losses, damages, claims and liabilities related to or arising from acts of terrorism) on all property, both real and personal, with replacement cost coverage limits of not less than the replacement cost of the Sports Complex (including, without limitation, all New Improvements and Additional Improvements while being constructed and when

completed) and also covering loss of income. The County is self-insured for general liability with statutory limits of \$200,000 per person/\$300,000 per incident pursuant to Section 768.28, Florida Statutes, and waives and has waived sovereign immunity to that extent. The insurance policies referenced above in this paragraph shall further name SFS and the Club as named insureds and shall provide a thirty (30) day notice of cancellation or non-renewal and a severability of interest endorsement.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

C. County warrants and represents that it is, and throughout the Term will remain, a member of and party to the Treasure Coast Risk Management Program ("TRICO," as set forth in the Revised TRICO Interlocal Agreement dated May 1, 1996) or such other pooled risk or self-insurance program acceptable to SFS in its reasonable discretion, and that SFS will be a beneficiary of all insurance and other protections available through the TRICO Risk Management Program (or such other accepted pooled risk or self-insurance program) including, without limitation, with respect to general liability, tort liability, loss or damage to property (e.g., the Sports Complex), and personal injury or death.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

D. County and SFS each do hereby and shall mutually release each other from liability and waive all rights of recovery against each other, for any loss or damage occasioned to County or SFS, as the case may be, from perils insured against, or required hereunder to be insured against, under their respective property insurance policies, whether due to negligence or any other cause. Any property insurance policy required herein covering loss, damage, or destruction by fire or other insured casualty, shall include a waiver of the insurer's rights of subrogation against the other party.

In the event a claim is filed against a party for operations that are covered by the provisions of this Agreement, the party agrees to notify the other party of the claim within ten (10) days after the party receives the claim.

14. **RESPONSIBILITIES OF PARTIES.**

The responsibilities of the parties shall be as follows:

A. **County.**

(1) County shall maintain proper HVAC systems and equipment in throughout the Sports Complex, and shall perform all maintenance thereof at County's sole cost and expense.

(2) County shall be responsible for providing and bearing the cost of an adequate number of qualified security personnel at the Sports Complex for Club major league spring training games and Florida State League games. The County shall be responsible for public order and safety in manner consistent with the County's practices under the Prior FUA, including the creation, establishment and implementation of security, safety and emergency plans and procedures and related contingency plans, all of which shall be in consultation with SFS and the Club. County shall be responsible for coordinating with all local, state and federal agencies to the extent appropriate, and for providing, at its expense, comprehensive training for all security personnel who work at the Sports Complex with respect to County's security, safety and emergency plans and procedures (which training shall occur at least once per year during the Term prior to the commencement of major league spring training, in consultation with SFS and the Club). County shall keep SFS and the Club fully informed with respect to its security, safety and emergency plans and procedures, and with respect to all training and coordination with local, state and federal agencies. County shall have the responsibility to eject persons from the Stadium or from the Sports Complex as necessary, including at the request of SFS; County shall consult with SFS before ejecting any persons from the Stadium during SFS Events except to the extent such consultation is impracticable in the event of an emergency.

(3) County shall be responsible for all utilities (excluding the Barwis facility and the Player Academy Spaces), including telephone (excluding long distance toll charges), heat, water and sewer, electricity, air conditioning, and appropriate night lighting.

(4) SFS and the County agree that the New Improvements shall, to the extent agreed upon by SFS and the County, maximize energy savings using "green" technology and equipment.

(5) In addition to the right to occupy the Sports Complex, SFS and its agents, employees, suppliers and other persons appropriate for SFS to enjoy the use of the Sports Complex premises as contemplated herein, shall have access, in common with others designated by the County, to such areas of the Sports Complex as necessary or appropriate to provide services or otherwise enjoy the use of the Sports Complex as contemplated herein, subject to customary and reasonable security precautions.

(6) If SFS contends that the County has failed to comply with a material obligation of the County pursuant to this Agreement with respect to the maintenance of the Sports Complex, and if as a result SFS contends that an Exigent Condition (as defined below) exists at the Sports Complex, then, in addition to any and all other remedies available to SFS, SFS shall be entitled to (a) take such measures as are strictly necessary to address the Exigent Condition, and (b) deduct the cost of such measures from the payments to be paid by SFS to the County pursuant to Section 6(A) of this Agreement, subject to the County's right to object to and contest such deduction by seeking judicial intervention, which right is expressly reserved. SFS shall not be entitled to deduct such cost unless, prior to addressing the Exigent Condition, (i) SFS provides written notice to the County identifying the Exigent Condition, the measures which SFS intends to take to address it, and the cost thereof, and (ii) the County fails to remedy the Exigent Condition

within a reasonable period of time following the delivery of such notice. "Exigent Condition" shall mean (x) any condition of any playing field that creates a potential substantial risk to participants in games and/or practices on the field, (y) any condition elsewhere within the Complex that creates a potential substantial health or safety risk to SFS's invitees at the Sports Complex, or (z) any condition that, if not promptly remedied, would result in the loss of substantial revenues generated at the Sports Complex.

B. SFS.

(1) SFS shall not in any manner, directly or indirectly, violate any laws, ordinances, rules or regulations of any federal, state, county, city or other governmental authority or agency in connection with the use and occupancy of the Sports Complex under the terms of this Agreement.

(2) SFS shall use and occupy the Sports Complex in a reasonably safe and careful manner and exercise reasonable care not to in any way mar, deface, or injure any part of the premises, ordinary wear and tear excepted. At the conclusion of this Agreement, SFS shall surrender the premises to the County in as good condition and repair as at the beginning of SFS's occupancy, except as to ordinary wear and tear and except as to damage by fire, other casualty, or the elements.

(3) Except with respect to the Telecommunication Equipment described below in Section 14(B)(5) and any property of SFS and as otherwise contemplated by this Agreement, SFS shall not make any material permanent or structural changes, improvements or alterations to the Sports Complex except as provided for in this Agreement without the written consent of County which shall not be unreasonably withheld, conditioned or delayed.

(4) At its expense, SFS is responsible for providing a sufficient number of ticket sellers and ushers during SFS Events.

(5) SFS shall be responsible for the installation and maintenance of any radio and television facilities and telephone systems that it deems necessary for its operations ("Telecommunication Equipment"). Prior to the installation of any such equipment, SFS shall submit plans for such installation to the County for approval, which approval may not be unreasonably withheld. Upon termination of this Agreement, SFS agrees to remove the Telecommunication Equipment and restore the premises to their prior condition. SFS may pass these costs on to parties other than County. The County has paid for the necessary utility lines to the areas designated for radio and TV facilities in the site plan and has had the lines stubbed at the required points. If further improvements are needed, those improvements shall be included in the New Improvements.

15. **OTHER USE OF PREMISES.**

A. SFS shall have sole and exclusive use of the Sports Complex, including the Stadium, from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement (including any options). As long as SFS or its affiliates (including specifically the Club) own or operate or have a player development contract with a Florida State League team or other St. Lucie-based minor league team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Florida State League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. If SFS or its affiliates (including specifically the Club) continue to have or acquire ownership of or the right to operate or have a player development contract with a Gulf Coast League team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Gulf Coast League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. SFS shall have the exclusive use and control of those portions of the Sports Complex used for SFS Events, including without limitation the exclusive right to determine and implement the rules and policies that relate to the admission of patrons to those portions of the Sports Complex used for SFS Events.

B. Subject to the SFS's uses of the Sports Complex as set forth in Section 15(A) above, each year during the Term SFS shall provide the County with a preliminary schedule of its events on or about December 1, and thereafter a definitive schedule of SFS Events and County Events to be held at the Sports Complex (hereinafter, the "Event Schedule") shall be prepared as follows:

(i) First, all dates in the months of February through the beginning of the Florida State League (or other minor league to which a St. Lucie-based baseball team owned by or affiliated with Club belongs) season in April shall be reserved on the Event Schedule exclusively for New York Mets spring training and exhibition season activities;

(ii) Second, all dates for Florida State League home games, workouts and practices, all possible dates for Florida State League post-season or playoff games or other Florida State League events (including without limitation All-Star games and pre-season games), and all dates for New York Mets minor league spring training activities and instructional league play shall be added to the Event Schedule;

(iii) Third, all dates for GCL Mets home games, workouts and practices, and all possible dates for GCL post-season or playoff games or other Gulf Coast League events (including without limitation All-Star games and pre-season games);

(iv) Fourth, all dates for Mets Fantasy Camp games, workouts and practices;

(v) Fifth, after SFS informs County of the dates contemplated in subparagraphs (i), (ii), (iii) and (iv) above, SFS and County shall each be entitled to reserve the use of the Sports Complex on other dates during the year for other SFS Events and County Events, respectively, by providing a "New Event Notice" as described below, with the first to

obtain approval of a New Event Notice according to the procedures set forth below in this Section 15 for each such other proposed Event obtaining the right to use the Sports Complex for such Event.

C. Whenever a party desires to add an Event to the Event Schedule pursuant to Section 15(B)(iii), it shall give written notice ("New Event Notice") to the other party of its request to do so as soon as reasonably possible, but in no event later than ten (10) days prior to the date of the proposed Event. Each New Event Notice shall include a description of the proposed Event, including the nature, starting time and estimated duration thereof; the expected attendance thereat; the identity and experience of the promoters and organizers of the proposed Event, and their principals; a description of the financial assurances (e.g., bonds, security deposit) to be provided by the Event promoters or organizers; a description of any special safety, security, cleaning, maintenance, restoration or other services that will be obtained in connection with the proposed Event; and the approximate preparation and clean-up periods for the proposed Event.

The party receiving a New Event Notice shall notify the other party as soon as reasonably possible but in no event more than five days after its receipt of such New Event Notice, whether the receiving party objects to the proposed Event. If no written notice of objection is given within such five-day period, the Event shall be deemed approved. If notice of objection is given within such five-day period, the parties shall cooperate to determine what, if any, modifications to the proposed Event, or further assurances or services in connection therewith or therefore, would cause the objecting party to consent to the proposed Event. When any proposed new Event is approved by the other party (including by a failure to object), the Event shall be added to the Event Schedule. In the event of any unresolved dispute regarding whether an Event that is the subject of a New Event Notice and an objection should be put on the Event Schedule, SFS and County will submit the dispute to non-binding mediation, and if the parties are unable to resolve the dispute through non-binding mediation, then the dispute shall promptly be resolved pursuant to Section 39 of this Agreement on an expedited basis at the request of either party.

A proposed Event may not be added to the Event Schedule unless the scheduling thereof would be in compliance with each of the following criteria: (i) No more than one Event may be held at the Sports Complex per day without each party's consent, which either party may withhold in its sole and absolute discretion; (ii) Events shall be scheduled so as to allow reasonably sufficient preparation, clean-up and restoration periods between each Event, which shall be subject to the Maintenance Standard; (iii) No County Event may be scheduled to take place between January 16 and January 31 of each year during the term without SFS's consent, which consent may be withheld in its sole and absolute discretion; and (iv) the Event must be a specific planned Event (i.e., neither party may reserve a date on the Event Schedule on the basis that it intends to hold on such date a certain type of Event, as opposed to a specific Event).

In determining whether a party's objection to an Event proposed by the other party is reasonable, consideration shall be given to, among other things, whether the promoted or organizer of the Event: (i) is reasonably capable of producing the Event; (ii) will be providing reasonably adequate financial assurances (e.g., bonds, security deposit) to protect SFS's and County's

respective rights hereunder; and (iii) will be providing reasonably adequate safety, security, cleaning, maintenance and restoration services for the Event.

D. Nothing in this Agreement shall prevent the County from using the portions of the property described in Exhibit "B" that are not used for baseball facilities or in connection with SFS's use of such facilities, provided that such uses do not interfere with SFS's use of the Sports Complex or otherwise conflict with SFS's rights under this Agreement (including, without limitation, SFS's exclusive right to operate concessions at the Sports Complex during the Term). The County agrees that during the term of this Agreement, the County shall use or authorize others to use the remaining property described above only for community events, sports and recreational purposes. The County shall be responsible to repair or replace any portion of the facilities which are altered, damaged or otherwise affected by any non-SFS use.

E. Notwithstanding any other provision of this Agreement (except Section 12, solely with respect to Florida State League play) the County agrees that it will not permit any other Major or Minor League baseball club to use the Sports Complex during the term of this Agreement or any extension thereof without SFS's approval in advance in writing in its absolute discretion.

F. Any of the property described in Exhibit "B" that is not being used by the County or SFS may be used by the parties as additional unpaved parking provided that such use does not interfere with SFS's permitted use of the Sports Complex.

G. In the event of a declared federal, state or local emergency, the County may use the Sports Complex as a staging area for disaster preparations, response or other related uses ("Staging Uses"), provided that (i) the County will reimburse SFS for all costs incurred and revenue lost by SFS as a result of the Staging Uses and (ii) the County will use best efforts to minimize interference with SFS's operations at the Sports Complex and will immediately restore any resulting damage to the Stadium caused as a result of the Staging Uses. The parties further agree to cooperate in obtaining any federal or state funds that may be available for this purpose.

16. PUBLICITY AND PROMOTION.

A. The County will promote the New York Mets and the Club's St. Lucie-based minor league team(s), as well as the sale of home game tickets for such teams. County shall submit all promotional material to SFS for approval, which approval shall not be unreasonably withheld.

B. **SFS Obligations.**

As additional consideration for the use of the Sports Complex SFS shall provide, or shall cause the Club to provide the County with the advertising services set forth in Exhibit "M" attached hereto during each year of the Term.

17. **ADDITIONAL COVENANTS OF SFS AND COUNTY.**

A. SFS shall use and occupy the premises solely for the purposes specified in this Agreement.

B. SFS shall pay all taxes or assessments on its operation as well as on goods, merchandise, fixtures, appliances, equipment and property owned by it and located in or about the Sports Complex. SFS shall have no obligation to pay any real estate or property taxes under any circumstance.

C. To the extent that SFS desires to acquire and construct facilities at the Sports Complex which are eligible under applicable state and federal laws to be financed through the issuance by the County, solely as a conduit issuer, of either taxable or tax-exempt revenue bonds, which bonds shall not be or constitute a debt or obligation of the County, the County will cooperate with SFS to the end that the County may be a conduit issuer of such bonds and, to the extent applicable, will give SFS priority for private activity volume cap; provided, that all reasonable costs and expenses incurred by the County in connection with the consideration and consummation of such financing, which shall be disclosed in advance and in writing by the County and subject to the approval of SFS, will be borne solely by SFS.

18. **DEFAULT; TERMINATION.**

A. If the property covered herein shall be deserted or vacated for an entire spring training season, unless such absence is due to a labor dispute or other causes beyond SFS's control, or proceedings are commenced against SFS in any Court under a bankruptcy act or for the appointment of a trustee or receiver of SFS's property either before or after the commencement of the Term, or if there shall be a default in the payment of any monies due hereunder for more than twenty (20) days after written notice of such default to SFS, or if there shall be default in the performance of any other material covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of SFS for more than twenty (20) days after written notice of such default by the County (or if such default is incapable of being cured within twenty (20) days, within such longer period of time as shall be reasonably required for such cure, unless SFS has taken no substantial steps to effect such cure within such period), then at the sole option of the County, this Agreement may be terminated by the County. In addition, the County may terminate this Agreement if (i) the New York Mets shall cease to be a franchise in a major league baseball league, (ii) during any spring training during the Term, Club schedules a majority of New York Mets spring training home games at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder, or (iii) during any Florida State League season, Club schedules a majority of the home games of the Club's Florida State League team at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder. In the event the County terminates this Agreement for the reasons set forth above in this paragraph, the County shall have the right to re-enter or repossess the property during the period of SFS's right to use thereof, either by summary proceedings, surrender or otherwise other than force, and

dispossess and remove therefrom SFS, or other occupants thereof, without being liable for any prosecution therefore. Should the County reasonably incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court costs (at the lower court and appellate levels), and County prevails in such legal action, said expenses shall be reimbursed to the County by SFS.

B. SFS shall have the right, at any time and at its sole option, to terminate this Agreement and all of its obligations hereunder upon written notice to County (the "Termination Notice") provided by SFS on or before March 31 of any year during the Term, which notice shall terminate the Agreement effective as of December 31 of that calendar year. In the event of termination pursuant to this provision, as the County's sole remedy against any person relating to such termination of this Agreement County will accept (i) a series of payments for outstanding amounts remaining on Refunding Bonds as set forth in Section 37, and (ii) a series of semi-annual payments tied to the County's schedule of debt service payments in connection with the New Improvement Bonds, which New Debt Service Schedule shall be incorporated into this Agreement as Exhibit "I" hereto upon issuance of the New Improvement Bonds (which includes State Development Funds (as defined below) that will be used by the County to pay the debt service on the New Improvement Bonds). Such payments in connection with the New Improvement Bonds, referred to herein as the "Debt Service Payments," shall be made by SFS to the County on each "Period Ending" date referenced in the first column of Exhibit "I" hereto that follows the effective date of the termination of this Agreement. The amount of the Debt Service Payment due on each such post-termination "Period Ending" date shall be an amount equal to the "Total Debt Service Payment" in the last column of Exhibit "I" hereto corresponding to the "Period Ending" date in question, provided, that in the event it is determined by the County's bond counsel that the acceptance of such payments by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds that are issued on a tax-exempt basis, SFS shall either (i) pay to the County the amount necessary to offset the change in tax status to the holders of the tax-exempt New Improvement Bonds, which may be retroactive to the date of issuance of the New Improvement Bonds, or (ii) provide funding to the County sufficient to prepay in full said tax-exempt New Improvement Bonds at the earliest permitted call date, plus all interest and principal due and owing through that date of redemption. Upon request, the County will inform SFS whether its bond counsel believes that acceptance of the payments set forth in this section by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds.

The parties agree that these respective amounts constitute reasonable and just compensation for such termination by SFS, and SFS hereby promises to pay to County, and the County hereby agrees to accept, the appropriate payment amount described above as liquidated damages, and not as a penalty, and as its sole and exclusive remedy related to the termination of this Agreement by SFS, and County waives all other rights and remedies in connection therewith.

If the property covered herein shall be deserted or vacated by the County either before or after the commencement of the term of this Agreement, or if there shall be a default in the payment of any monies due hereunder by the County for more than twenty (20) days after written notice of such default to the County, or if there shall be a material default in the performance of any other

covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of the County for more than twenty (20) days after written notice of such default by SFS, then at the sole option of SFS, this Agreement may be terminated by SFS. Should SFS incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court cost (at the lower and appellate levels), and SFS prevails in such legal action said expenses shall be borne by the County.

In the event SFS terminates this Agreement, SFS shall immediately vacate the Sports Complex, but reserves the right to seek damages and any or all other remedies caused by any default or breach of this Agreement by County.

19. **DAMAGE OR DESTRUCTION.**

In the event of the damage or destruction of the property described in Exhibit "B" or any of the structures (including the Stadium) or improvements located thereon by fire or other casualty, there shall be an obligation on the part of the County to use the insurance proceeds for the purpose of rebuilding such facilities. The County shall be responsible for providing the funds necessary to rebuild the facilities in the event the proceeds from the insurance referenced in Section 13(B) above are not sufficient to cover the cost of such rebuilding.

County shall complete the reconstruction and repair of the Sports Complex following any such damage or destruction, as soon as reasonably possible, and in any event within two hundred seventy (270) days following the occasion of such damage or destruction. Within thirty (30) days following the occasion of such damage or destruction, County shall provide SFS with County's architect's and/or engineer's reasonable estimate of the time required for the reconstruction and/or repair of same. In the event that the estimate shall reflect that more than two hundred seventy days shall be required for the repair and/or reconstruction, SFS shall have the right to terminate this Agreement by written notice to County, within thirty (30) days thereafter. Further, if in fact the reconstruction and repair shall not be completed within two hundred seventy (270) days (or such longer time to which SFS may agree), SFS shall have the right to terminate this Agreement by written notice to County within thirty (30) days following the end of such two hundred seventy day (or longer, as the case may be) period.

During the repair and/or reconstruction of the damage or destruction to the Sports Complex, until same shall be completed, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such damage or destruction shall interfere with the use by SFS of the Sports Complex as contemplated hereunder.

20. **EMINENT DOMAIN.**

In the event that any portion of the premises should be taken by the exercise of the right of eminent domain so as to materially affect SFS's operations, SFS may terminate this Agreement as of the date of taking. In the event that SFS does not terminate this Agreement as a result of any taking, following any such taking SFS's obligations and liabilities hereunder shall be proportionately adjusted, on an equitable basis, to the extent that such taking shall damage or

otherwise materially adversely affect the use by SFS of the Sports Complex as contemplated herein. All proceeds for such taking shall be paid to the County or SFS as their interests may appear, provided that the foregoing shall not preclude SFS from pursuing a separate award for damages to SFS's furnishings, fixtures and equipment, moving expenses and any other losses relating to SFS's business permitted by law to be recovered, including, without limitation, the loss of SFS's leasehold.

21. **FAMILIARITY WITH BONDS.**

Anything else in this Agreement to the contrary notwithstanding, SFS acknowledges that County is or will be bound to the holders of certain bonds which relate to the Sports Complex. SFS agrees to cooperate reasonably with the County to maintain the tax-exempt status of the bonds, provided, however, that such cooperation shall not entail material modification of the terms and conditions of this Agreement nor cause SFS or any affiliate to incur any cost or expense in connection therewith.

22. **NON-DISCRIMINATION.**

SFS, as a part of the consideration hereof, does hereby covenant and agree that no person on the grounds of race, color, national origin or sex shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination in the use of the facilities excluding uniformed baseball personnel. The terms of this Section shall be binding upon SFS's successors in interest and assigns.

23. **CONFLICT OF INTEREST.**

The County hereby represents and warrants that neither it nor any of its directors, officers, members, partners, officials, representatives, or employees has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance of rendering of the services herein provided. The County further represents and warrants that in the performance of this Agreement no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the County of St. Lucie nor any person whose salary is payable, in whole or part, from the County Treasury, shall participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporations, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this Agreement or in the proceeds thereof.

24. **ASSIGNMENT; SUBLEASES AND LICENSES.**

SFS may assign any or all of its rights and obligations pursuant to this Agreement to any entity that owns and operates the New York Mets franchise, and may assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate (or, if applicable, the Gulf Coast League affiliate) of

the New York Mets. Should Club sell its Major League Baseball franchise during the term of this Agreement, SFS shall make a good faith effort to assign its rights and delegate its duties under this Agreement to the entity that acquires such franchise. Subject to the approval of the County, which approval may not be unreasonably withheld, conditioned or delayed, SFS may assign all of its rights and obligations pursuant to this Agreement to an owner or operator of another Major League Baseball club. Upon SFS's assignment of this Agreement and all of its rights and obligations hereunder, all of SFS's duties and obligations under this Agreement shall terminate and cease to be of any further force or effect as of the effective date of the assignment and the County shall look solely to the assignee for performance of the duties and obligations under this Agreement thereafter. Except as expressly set forth above in this Section, no party may assign its rights or obligations under this Agreement without the written consent of the other party. Notwithstanding the foregoing, SFS shall have the right to enter into subleases and/or licenses with third parties with respect to any of its rights and obligations hereunder with the consent of the County, which consent shall not be unreasonably withheld, except SFS may not, without County's prior consent, sublease or license the use of any portion of the Sports Complex to any Major League Baseball team other than the Club or to any other entity if such sublease or license would cause cost or expense to the County beyond those that County would otherwise incur from SFS's Permitted Uses under this Agreement, provided that the County shall not withhold such consent if SFS and/or the proposed sublessee agrees to pay any such additional costs and expenses.

25. **ENTIRE AGREEMENT.**

This Agreement represents the entire understanding and agreement between the parties with respect to the subject matter hereof, and supersedes all other written or oral negotiations, understandings and representations (if any) made by and between such parties.

26. **AMENDMENTS.**

The provisions of this Agreement may not be amended, supplemented, waived or changed orally, but only in a writing signed by the parties hereto and making specific reference to this Agreement. In addition, this Agreement may not be amended without MLB Approval (as that term is defined in Section 40 of this Agreement).

27. **FURTHER ASSURANCES.**

The parties hereby agree from time to time to reasonably execute and deliver such further and other transfers, assignment and documents and reasonably do all matters and things which may be convenient or necessary to more effectively and completely carry out the terms of this Agreement.

28. **BINDING EFFECT.**

All of the terms and provisions of this Agreement, whether so expressed or not, shall be binding upon, inure to the benefit of, and be enforceable by the parties and their respective legal representatives, successors and permitted assigns.

29. **NOTICES.**

All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing (including facsimile communication but excluding e-mail) and shall be (as elected by the person giving such notice) hand delivered by messenger or courier service (with acknowledgment of receipt), telecommunicated (including by fax), or mailed by registered or certified mail (postage prepaid), return receipt requested, addressed to:

30. **HEADINGS.**

The headings contained in this Agreement are for convenience of reference only, and shall not limit or otherwise affect in any way the meaning or interpretation of this Agreement.

31. **PRONOUNS.**

In this Agreement, the use of any gender shall be deemed to include both genders, and the use of the singular shall include the plural, wherever it appears appropriate from the context.

32. **SURVIVAL.**

No covenants, agreements, representations and warranties made herein or otherwise made in writing by any party pursuant hereto shall survive the termination of this Agreement except as expressly stated herein. In addition to the survival of specific Sections of this Agreement as expressly stated in such Sections, the terms of Sections 9(C), 13, 29 and 36 of this Agreement shall survive the termination of this Agreement.

33. **WAIVERS.**

The failure or delay of any party prior to a period which would constitute laches at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder, and any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any known right, power or remedy under this Agreement. No notice to or demand on any party in any case shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

34. **FORCE MAJEURE.**

Neither party shall be liable to the other for failure to perform its obligations hereunder if and to the extent that such failure to perform results from causes beyond its reasonable control ("Force Majeure Events") including, without limitation, strikes, lockouts, or other industrial disturbances (but excluding Major League Baseball strikes and lockouts); fires; unusual climatic conditions such as hurricanes, floods, tornados and the like; acts of God; or acts of a public enemy, war, police action, terrorism and the like. The party unable to perform as a result of a Force Majeure Event shall promptly notify the other of the beginning and ending of each such period. During the period of any Force Majeure Event, until same shall be concluded, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such Force Majeure Event shall interfere with the use by SFS of the Sports Complex as contemplated hereunder. If any period of a Force Majeure Event prevents SFS from using the Sports Complex in the manner contemplated herein for all or a substantial part of any Major League Baseball Spring Training season or Florida State League season (or, if applicable, a Gulf Coast League season) and SFS does not receive satisfactory assurances from the County that a Force Majeure Event will not prevent SFS's use of the Sports Complex as contemplated in this Agreement for a substantial part of the following Major League Baseball Spring Training season, SFS shall have the right to terminate this Agreement upon sixty (60) days written notice to the County.

35. **GOVERNING LAW.**

This Agreement and all transactions contemplated by this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida, applicable to agreements wholly negotiated, executed and to be performed in that state, without regard to principles of conflicts or choice of laws.

36. **SECTION 288.11631, FLORIDA STATUTES.**

A. Section 288.11631, Florida Statutes is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State") that are funded with State incentive funding. SFS and the County acknowledge that the amount of State incentive funding provided by the State for the Sports Complex is based on the continual use of the Sports Complex by a spring training baseball franchise for the entire length of the Term.

B. The County will submit an application to the Florida Department of Economic Opportunity for Twenty million dollars (\$20,000,000.00) in funding assistance for the New Improvements that are described in the Facilities Use Agreement. In connection with this application and as a condition of any award of funding under Section 288.11631, Florida Statutes, SFS must agree to reimburse the State of Florida for the funds expended by the County for the New Improvements that the County received from the State of Florida if the Club relocates before the term of the Facilities Use Agreement expires.

C. SFS covenants and agrees with the County that if the County terminates this Agreement pursuant to its rights under Section 18(A), or if SFS terminates this Agreement pursuant to its rights under Section 18(B) for any reason other than a breach of this Agreement by the County, then SFS shall reimburse the State for the total amount of distributions actually paid from the date of such termination through the final maturity of the New Improvement Bonds (the "State Development Funds"). Repayment to the State shall not discharge SFS from any other obligations set forth in this Facilities Use Agreement.

D. The Parties agree that if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County, SFS will promptly notify the applicable agency of the State of Florida that has been charged with administrative oversight and enforcement of the State Development Funds (the "Agency") of the circumstances for such termination, and SFS will not have any obligation to repay either the County or the State for any State Development Funds in connection with such SFS termination. The County shall hold SFS harmless from any assertion or claim by the State that the State Development Funds shall be repayable to the State by SFS if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County.

E. The State of Florida is a third party beneficiary of this Facilities Use Agreement as to the obligations imposed by Section 36. The State shall have: 1) Standing to seek and complete

performance of the obligations in this Section in law or equity and 2) Standing to initiate and/or defend an action at law or equity relating to obligations.

37. **2011 BONDS.**

The County will refund the existing 2011 Improvement Bonds (as defined in Section 5(K) of the Prior FUA) on or around November 1, 2016 (the "Refunding Bonds"). The new Refunding Bonds shall have the same remaining term as the 2011 Improvement Bonds. In addition to the Base Rent payments and Additional Rent payments made by SFS pursuant to Section 6(A), SFS will make additional payments to the County, such payments being equal to the amounts set forth in the last (Total Debt Service Payment) column of Exhibit "J" on the dates indicated in the first (Period Ending) column of Exhibit "J" that follow commencement of the Term of this Agreement, or in the alternative, if SFS elects, such payments being equal to the amounts and on the dates set forth in the debt services schedule for the Refunding Bonds.

38. **AGREEMENT RUNS WITH LAND.**

This Agreement is intended to run with the land and shall be binding upon all of the County's successors and assigns. SFS and County shall enter into a short form Memorandum of this Agreement which shall be recorded in the Public Records of St. Lucie County, Florida. This Agreement is not revocable by County and is not terminable by County except as expressly set forth herein.

39. **DISPUTE RESOLUTION.**

All disputes arising from or related to this Agreement whether the action is brought in contract, tort, statutory claim or any other theory of liability, shall be subject to litigation as the final mode of dispute resolution. Exclusive venue for litigation of any disputes rests exclusively in the Circuit Court for St. Lucie County, Florida. As an express condition precedent to litigation all litigation shall be subject to non-binding mediation to be conducted within ninety (90) days of the dispute arising. The parties shall mutually select a qualified mediator, and failing accord, a mediator shall be appointed by the American Arbitration Association and mediation shall be conducted in accordance with its rules, costs and fees to be split equally by the parties.

40. **SUBSERVICENCE.**

A. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by SFS hereunder shall in all respects be subordinate to the MLB Rules and Regulations and the Minor League Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations or the Minor League Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which County is granted rights is limited to, and nothing herein shall be construed as conferring on County rights in areas outside of, the Spring Training territory of the New York Mets as established and amended from time to time. ARCHITECT'S ADDITIONAL CONTRACT REQUIREMENTS

The Architect's Contract shall, *inter alia*, contain terms and conditions with generally the same substance as the following paragraphs:

Periodically during the construction process, at such times as reasonably determined by SFS and County, the Architect will observe the conduct of construction of the New Improvements and notify County and SFS in writing of observed deficiencies in the Work being performed and deemed completed (including deficiencies which preclude the Work being deemed completed), notify the County and SFS of any item not in strict accordance with the final plans, and otherwise create a punchlist of minor finishing and adjustment in any other items which the Contractor has not finally completed in strict accordance with the final plans. Failure to include an item on the punchlist will not diminish the responsibility of the Contractor to complete the work in accordance with the final plans.

The Architect will perform, and ensure its subconsultants perform, all services in accordance with the professional standard of care governing architects working on projects of the same scale and complexity, in the same geographic market, as the New Improvements.

The Architect will monitor and observe the construction of the Work in order to ensure that the Work is constructed in accordance with the final plans and on schedule. The Architect will, to the extent requested by SFS, conduct regular meetings with SFS and with the County or its designee and other appropriate parties to assist SFS in verifying that all Work is being performed according to the Final Plans and any authorized change orders. The Architect will prepare meeting minutes after such meeting and submit same to the County and SFS, regarding the status of construction, including any material variance from the Final Plans and/or schedule of which Architect is aware.

The Architect's Contract shall also require the Architect to procure a policy or policies of insurance that relate to the Work at least as favorable to SFS and the County as the following (subject to acceptable policy exclusions, conditions and terms such as aggregates and deductibles):

- ii. Coverage shall include all owned, non-owned and hired autos used in connection with the Project.

d) Worker's Compensation/Employer's Liability (WC/EL)

- i. Coverage shall be no more restrictive than that provided by the standard Workers Compensation And Employers Liability Insurance Policy, as filed for use in Florida by the National Council on Compensation Insurance (NCCI), without any restrictive endorsements other than the Florida Employers Liability Coverage Endorsement (NCCI Form WC 09 03), those which are required by the State of Florida, or any restrictive NCCI endorsements which, under an NCCI filing, must be attached to the policy (i.e., mandatory endorsements). In addition to coverage for the Florida Workers' Compensation Law, where appropriate, coverage is to be included for the Federal Employer's Liability Act, and any other applicable Federal or State law.
- ii. The minimum amount of coverage shall be:

Part One:	"Statutory"
Part Two:	\$500,000,000 Each Accident
	\$500,000 Disease - Each Employee

e) Notice of Cancellation (All Coverages) – 30 days

SFS shall negotiate a contract with the selected Architect with terms that are fair, competitive and reasonable, incorporating and addressing all applicable requirements of the Facilities Use Agreement and Exhibits, using a base contract form that generally accords with

Procurement of Subcontracts

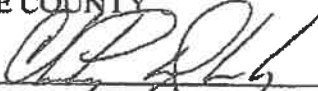

Following execution of this Facilities Use Agreement, County and FUA will cooperatively develop, seeking input from the Architect and Contractor selected per the terms hereof, a competitive and open procurement process for the procurement of all trade contractor work and supplies, which meets the following minimum requirements:

- SFS shall schedule and coordinate an advertised, public outreach meeting to brief the local and minority small business community on the project and opportunities. This outreach can be prior to or coordinated with the public advertisement and pre-submittal conference for the Contractor, and once selected the Contractor shall be required to schedule and coordinate a follow-up public outreach meeting. SFS and Contractor shall use good faith commercially reasonable efforts to foster local and minority business participation and specialty trade apprenticeship opportunities in accordance with the County's Apprenticeship Program (see attached) on the 2016 Improvements.
- Contractor shall establish a prequalification list or plan list of interested parties, so that these subcontractors and suppliers get early notice of all trade packages available for bid or proposal. Prequalification criteria and forms shall be subject to review and approval by SFS and County.
- Advertise for competitive bids or proposals on all trade packages exceeding \$500,000. Packaging of trade work shall be in a manner that fosters participation of local and small business and specialty trade apprenticeship opportunities. SFS and Contractor shall not unreasonably break up related trade package work in order to avoid the competitive procurement threshold.
- Lowest, qualified bidder is the presumptive basis for award unless a best-value approach is justified and approved by County. SFS will tabulate and level all bids for County consideration.
- SFS and Contractor will use good faith commercially reasonable efforts to obtain a minimum of 3 bids or cost proposals on all packages under the \$500,000 competitive procurement threshold. SFS and Contractor capped at direct or limited competition procurements at 5% of GMP.
- All subcontract awards exceeding \$300,000 shall comply with the County's Apprenticeship Program.
- All subcontract awards and contract terms shall be subject to review and approval by SFS, and any above the \$500,000 threshold, shall be subject to review and approval by County.

- **SFS and Contractor shall involve and include County's Program Manager in all decisions and meetings regarding the packaging and procurement of all work, including according the Program Manager a reasonable opportunity to review and comment on all packages prepared for bid and all bid tabulation or bid leveling charts, before final award decisions are made.**

Apprenticeship Program Requirements:

Contractors shall be required to comply with the County's Apprenticeship Program, as follows:

- A. On County-funded construction projects which exceed \$300,000, twenty percent (20%) of laborers working in a specialty for which there are apprentice programs registered with the County shall be apprentices. Such apprentices shall be students in certified State of Florida Pre-Apprenticeship/Apprenticeship Programs which are located in St. Lucie, Martin, Indian River or Okeechobee Counties and which are registered with the County.
- B. A County-registered apprenticeship program is one which has registered with the County and provided the required documentation, including but not limited to, proof of certification as an apprenticeship program with the State of Florida and proof of having educational facilities physically located in St. Lucie, Martin, Indian River or Okeechobee Counties.
- C. Unless the apprenticeship requirement is waived by the County, the failure of the Contractor to demonstrate compliance with this requirement shall result in the Contractor's bid being deemed nonresponsive.
- D. The apprentice requirement may be waived or modified with the recommendation of the County Administrator, and appeal to the Board of County Commissioners:
 1. Upon request of the contractor, if the contractor can demonstrate that the required apprentices are not available despite a good faith effort on the contractor's part; or
 2. Upon request of the contractor, if the contractor demonstrates that the available apprentices are not sufficient to meet the required 20% and the contractor commits to utilizing a specific percentage of apprentices who are available; or
 3. If the County determines it is in the best interest of the County to waive such requirement based on potential savings of money and time or grant requirements.
- E. The agreed upon percentage and type of apprentices will be included as a requirement of the construction contract. Failure to meet the terms of the apprenticeship requirements may result in the contractor being found in breach of the contract and subject to possible monetary sanctions.

**ADDENDUM TO AMENDED AND RESTATED ST. LUCIE SPORTS COMPLEX
FACILITIES USE AGREEMENT**

This Addendum is an addendum to the ST. LUCIE SPORTS COMPLEX FACILITIES USE AGREEMENT (as amended, the "Agreement"), which was entered into on November 15, 2016 between ST. LUCIE COUNTY, a political subdivision of the State of Florida (the "County") and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company (the "Franchise") and was amended and restated on January 24, 2017. The purpose of this Addendum is to ensure that the Agreement at all relevant times continues to meet the requirements of section 288.11631, Florida Statutes.

WHEREAS, section 288.11631, Florida Statutes, is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State"). The Applicant and the Franchise acknowledge that the amount of State incentive funding provided by the State for the Facility is based on the continual use of the Facility by the Franchise for the duration of such incentive funding;

WHEREAS, the purpose of this Addendum is to ensure that the Agreement continuously meets the requirements of section 288.11631, Florida Statutes, and to ensure that the Florida Department of Economic Opportunity ("DEO") can properly and responsibly act as the steward of State funds; and

WHEREAS, it is recognized that the Agreement contains provisions designed to establish business, operational and other obligations and rights not directly related to section 288.11631, Florida Statutes or this Addendum, which provisions are not intended to be modified or affected by this Addendum except to the extent that they limit any rights or remedies of the State or DEO as provided for in this Addendum.

NOW THEREFORE, in consideration of the premises and the mutual covenants and obligations herein contained, and in order to induce DEO to certify Applicant pursuant to section 288.11631, Florida Statutes, the parties intending to be legally bound, hereby agree as follows:

- I. **DEFINITIONS:** Except as otherwise set forth herein, the definitions set forth elsewhere in the Agreement shall not apply to this Addendum and the definitions

set forth in this Addendum shall not apply elsewhere to the Agreement. All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum. The following definitions shall apply to this Addendum:

- A. **Major League Spring Training Home Games** shall mean, with respect to any Spring Training Season, those Spring Training games, as determined by Major League Baseball in its sole discretion, to be played by the Franchise's Major League Baseball Club as the home team at the Facility during such Spring Training Season.
- B. **Spring Training Season** shall mean the annual period during which Major League Baseball conducts Spring Training games in preparation for the Major League Baseball championship season generally running from February 1 through March 31 of each calendar year, but subject to change at the sole discretion of Major League Baseball.
- C. **Facility** shall mean the Applicant's professional sports facility for Spring Training of one or more Major League Baseball Clubs as well as minor league affiliates, including a stadium, team training facilities, practice fields, clubhouses, dedicated on-site parking areas, and other appurtenances and improvements, intended for use by the Franchise.
- D. **Applicant's Bonds** shall mean bonds or refunding bonds as described in section 288.11631(2)(a)(2), Florida Statutes.
- E. **Operative Agreements** shall mean the Agreement and this Addendum.
- F. **Franchise Spring Training Season** shall mean, with respect to any calendar year during the term of the Agreement, the use of the Facility by the Franchise's Major League Baseball Club for the full period of such calendar years' Spring Training Season.

II. TERMS AND CONDITIONS

- A. If the Franchise's Major League Baseball Club fails to play each and every one of its Major League Spring Training Home Games (each a "Missed Game") at the Facility during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or approved in writing by both the Applicant and DEO, then, the Franchise shall reimburse the State a portion of the State's yearly distribution applicable to such Franchise Spring Training Season determined by multiplying the amount of such yearly distribution by the fraction obtained by dividing the number of Missed Games by the number of Major League Spring Training Home Games scheduled for such Franchise Spring Training Season. For example, if Applicant is scheduled to receive \$1,000,000 in a year, and the Franchise has 2 Missed Games in a Franchise Spring Training Season that is scheduled to have 16 Major League Spring Training Home Games, the Franchise would be required to repay \$125,000 to DEO, because $\$1,000,000 \times (2 / 16) = \$125,000$. However, if the Franchise has four or more Missed Games during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or pre-approved in writing by the Applicant and DEO, then, at DEO's election, the Franchise shall be deemed to have relocated pursuant to section 288.11631(2)(a)2, Florida Statutes (a "Relocation"). A termination of the Agreement by either Applicant or by the Franchise does not excuse Franchise from reimbursing DEO as provided herein, due to the Franchise's Relocation. For the avoidance of doubt and for the sake of clarity, an international game, a game played during the Major League Baseball championship season, an exhibition game played in a Major League Baseball stadium or a game played against a college or university team shall not constitute a Major League Spring Training Home Game and therefore shall not constitute a Missed Game.
- B. **Repayment Obligation:** In the event of a Relocation the Franchise shall reimburse the State for the total amount of State distributions expected to be paid from the date of Relocation through the final maturity of the Applicant's Bonds,

pursuant to section 288.11631(2)(a)2, Florida Statutes, which reimbursement obligation (the "Addendum Reimbursement") is intended to satisfy, and shall not be duplicative of, the "State Reimbursement" as defined in Section 36 of the Agreement. The payment of the "Addendum Reimbursement" obligation is a partial remedy under terms of the Agreement in the event of a Relocation; provided that the payment of such reimbursement obligation by Franchise shall not release, reduce or otherwise modify any right or remedy available to County under terms of the Agreement in the event of a Relocation. Franchise acknowledges and agrees that nothing in this Addendum shall in any way, directly or indirectly, imply or impose upon County any intention, duty or obligation to mitigate damages in the event of a Relocation as the agreed upon remedies available to County in the event of a Relocation are provided in Section 18 of the Agreement, it being agreed that said matters have been fully considered and adequately addressed in the Agreement.

- C. **Force Majeure:** Notwithstanding the foregoing, the Franchise shall not be deemed to have a Missed Game to the extent its failure to play a Major League Spring Training Home Game at the Facility was due to an Event of Force Majeure (as defined below); provided, however, that the parties must make reasonable good faith efforts to mitigate the Event of Force Majeure. For the purpose of this Addendum, "Event of Force Majeure" shall mean and include any act of God, accident, fire, riot or civil commotion, act of public enemy, failure of transportation facilities, enactment, rule, order or act of government or governmental instrumentality (whether domestic or international and whether federal, state or local, except in the case of a rule, order or act by Applicant, or the international equivalent thereof), failure of technical facilities, severe inclement weather or any other cause of any nature whatsoever beyond the control of the parties (including a strike, lockout, or other labor dispute involving Major League Baseball and Major League Baseball players) which was not avoidable in the exercise of reasonable care and foresight. If an Event of Force Majeure causes the Franchise's Major League Baseball Club to fail to play at least fifty percent of a Franchise Spring Training Season at the Facility, the

parties agree that the Agreement shall be automatically extended beyond the Term (as defined in the Agreement) for one additional Franchise Spring Training Season.

- D. **MLB Requirements:** If Major League Baseball causes the Franchise's Major League Baseball Club to play less than fifty percent of a Franchise Spring Training Season at the Facility, the parties agree that the Agreement shall be automatically extended beyond the Term of the Agreement for one additional Full Spring Training Season.
- E. **Third Party Beneficiary:** The State, by and through DEO and DEO's successors and assigns, is an intended third party beneficiary of this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations imposed by, this Addendum. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any rights or remedies that the State or DEO may have under law.
- F. **Order of Priority:** In the event of a conflict between the terms of this Addendum and terms of the Agreement relating specifically to a right, obligation or remedy benefiting DEO which arises from section 288.11631, Florida Statutes or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Agreement, including any terms added to, amended in, or removed from the Agreement after the effective date of this Addendum; provided that this provision shall not be interpreted so as to release or modify any obligation, right or remedy provided in the Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the parties and the Executive Director of DEO. If any modification or amendment is made to either the Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on the rights of DEO under

this Addendum, such portion of that modification or amendment that has an adverse effect shall be void ab initio, and ineffective.

- G. **Recitals Incorporated:** The foregoing recitals are incorporated herein and made a part hereof by this reference.
- H. **Duplicate Terms:** Because this is an Addendum prepared without reference to the Agreement itself, it may duplicate some existing terms of the Agreement. Such duplication or restatement of terms shall be construed as intentional.

SUBJECT: First Amendment to Amended and Restated Facilities Use Agreement between the SFS (N.Y. Mets) and St. Lucie County; Stadium Renovation Plans by Ewing Cole (Architecture)

BACKGROUND:

The County entered into an agreement with the New York Mets in June, 1986 to train and play major league spring training games in St. Lucie County. The first spring training game was played in March, 1988. The term of its original agreement was 15 years. In 2003 the parties entered into a new agreement that extended the term through 2018. In 2011 the term was extended further through 2023.

On November 15, 2016 the Board approved a new Facilities Use Agreement with the Mets that extended the term through 2042, which also included terms for the renovation and improvement of the Tradition Field Sports Complex. The Board's approval of the Agreement was subject to the approval by the State of Florida of funding for the stadium renovations in the amount of \$20,000,000.00 over a period of 20 years. Shortly after the Board's approval of the Agreement, County staff submitted an application to the State of Florida Department of Economic Opportunity (DEO).

On December 20, 2016, DEO sent the County Administrator a letter with enclosures (copy attached) requesting certain information and requesting that the County adopt and sign an Addendum similar to the Addendum approved by the Tampa Sports Authority, Hillsborough County and the New York Yankees which was attached to the December 20 letter. On January 10, 2017 the Board approved a draft Addendum to the November 15, 2016 Facilities Use Agreement which is similar to the New York Yankees Addendum.

On January 24, 2017, the Board approved an Amended and Restated Facilities Use Agreement with SFS. This Agreement incorporated changes requested by DEO and Major League Baseball as well as changes negotiated with SFS. Shortly thereafter, on March 17, 2017 the DEO certified the Sports Complex Project. The parties subsequently executed a Spring Training Program Agreement on March 28, 2017.

On June 29, 2017, the County issued non-ad valorem bonds to establish the \$55,000,000.00 project fund. At that time, the project funds were deposited into an interest bearing account. A separate fund has

been established to account for the project funds and the interest earned on the project funds. As of July 6, 2018, \$3,974,490.26 has been spent on pre-construction costs and \$732,523.36 in interest has been earned leaving a balance of \$51,758,033.10.

On September 5, 2017, following a competitive procurement process, the Board approved SFS' agreement with Ewing Cole, Inc. to provide architectural services for the Project. On January 9, 2018, the Board approved a contract amendment with Ewing Cole, Inc. The Board also approved an award of the Construction Manager at Risk Services to Barton Malow Company on November 7, 2017.

Subsequent Events:

Subsequent to the approval of their contract, Ewing Cole prepared conceptual and design plans for the Project. Unfortunately, the independent cost estimates (by Barton Malow and HPM) for the design prepared by Ewing Cole exceed the amount budgeted for the Project. The County was first made aware of the problem in March of this year.

During the past several months, the County and SFS have been working in good faith to resolve the issues so that the Project can proceed within the established budget. Those discussions have resulted in the attached First Amendment to the Amended and Restated Facilities Use Agreement. A summary of the draft First Amendment follows:

- The following improvements will be included in the Project and cannot be dropped from the Program without the County's consent:
 - a. 360 ° Concourse (reduced per party discussions)
 - b. New 2 stop elevator
 - c. New entry and Vomitory
- The County will use up to \$1.2M from bond interest to pay for additional work designated by the County, as follows: safety railings for aisles, existing elevator renovation, upgrade staff maintenance building and finish county office space and new seating, including any related drawings, CM fees or other fees associated with those items, and other items identified in the CIP. The County will control the budget or pay any overage in its discretion. SFS will direct Barton Malow to perform this work. To the extent the County intends to do work on its own (as opposed to adding work to the project) the work will be performed in accordance with a mutually agreed upon schedule to ensure that all work being conducted at the building can be done in the most efficient manner.
- The County will use up to \$1M in bond interest for the relocation/construction of the softball fields. To the extent there is less than \$1M of interest, the County may reduce its Year 5 improvement fund payment to SFS to make up the difference. The County will begin repayment of the amount taken from the SFS additional improvement fund on March 1 of Year 6 with annual payments of \$100,000.00 into the fund each March 1 until the full amount taken is replaced. By way of example, if only \$800,000.00 of interest remains for the softball fields, the County will reduce its Year 5 additional improvement fund payment to SFS by \$200,000.00 and would pay such amount back to the SFS fund with additional \$100,000.00 fund payments on March 1 in each

of Years 6 and 7. All bond interest funds in excess of the amount used by the County as set forth in #2 and #3 (i.e., up to \$2.2M) shall be added to the project budget.

County staff is proposing to relocate the softball fields based on input from Rick Hatcher of the Treasure Coast Sports Commission. According to Mr. Hatcher to be successful in attracting elite softball teams, a complex must have at least 4 fields with direct parking access. Due to existing site limitations, the St. Lucie County Sports Complex cannot accommodate these needs. If the Board determines to support the proposed relocation, County staff intends to investigate alternate locations and identify partners to proceed with the softball complex.

- The County will be able to spend budgeted capital repair funds (i.e. \$200,000.00 per year) on capital repair items designated by the County. Expenditure of capital repair funds provided by SFS (i.e. \$75,000.00 per year) require approval by SFS and the County.
- There will be periodic account and true-up of interest accruals and expenditures.
- The County will review for approval plans submitted by Ewing Cole as of June 1, 2018 with the understanding that further revisions to the plans will be needed for some improvements referenced in the draft Addendum and to address comments made by HPM. Those additional plans will be subject to final review and approval by the Board.

- Approve the First Amendment to the Amended and Restated Facilities Use Agreement subject to final review and approval by the County Attorney.

**FIRST AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate as of July 10, 2018, by and between **ST. LUCIE COUNTY**, a political subdivision of the State of Florida ("County"), and **STERLING FACILITY SERVICES, L.L.C.**, a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to enter into an amendment to the FUA on the terms herein contained.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, **IT IS AGREED AS FOLLOWS:**

1. AMENDMENT OF SECTION 4(B) OF THE FUA

The FUA is hereby amended by deleting Section 4(B) thereof and replacing it with the following:

"B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund on March 1 during each year of the Term (the "County Capital Contributions") and SFS shall pay the County \$75,000 on March 1 during each year of the Term (the "SFS Capital Contributions"), which amount the County shall deposit into the Capital Repairs Fund. The County Capital Contributions may be used by the County for Capital Repair Work designated by the County during the Term. The SFS Capital Contributions may be used for mutually agreed upon Capital Repair Work during the Term. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work except to the extent any such Capital Repair Work is part of the work performed under Section 10."

2. AMENDMENT OF SECTION 10(A) OF THE FUA

The FUA is hereby amended by deleting the second sentence of the second paragraph of Section 10(A) thereof and replacing it with the following:

"SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that (i) if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage and (ii) SFS shall not, without the prior written consent of

the County, remove the two-stop elevator, the 360 degree concourse (reduced in size as agreed upon by the parties and reflected in the attached schematic "Outfield Concourse Option C") or the new Stadium entryway and vomitory from the scope of the New Improvements as reflected in the Final Plans approved by the County."

3. AMENDMENT OF SECTION 10(C)(9)(f) OF THE FUA

The FUA is hereby amended by adding the following sentence to the end of Section 10(C)(9)(f):

"SFS shall comply with, and shall cooperate with the County in its efforts to comply with, the audit requirements set forth in the Spring Training Program Agreement between St. Lucie County and the State of Florida, Department of Economic Opportunity and attached hereto as Exhibit "P"."

4. AMENDMENT OF SECTION 10(C) OF THE FUA

The FUA is hereby amended by adding the following as Section 10(C)(10) thereof:

"10. Notwithstanding the requirements of Section 10(c)8 of the FUA, the parties anticipate that the New Improvement Bonds will accrue interest (the "Bond Interest") prior to expending the entirety of the New Improvements Budget. The County and SFS shall confer periodically while the New Improvements are being built to determine the amount of Bond Interest available. The Bond Interest shall be allocated as follows: (i) the first \$1,200,000 of Bond Interest shall be used by the County to pay for the following items designated by the County: replacement of Minor League facility roof, safety railings for aisles, existing elevator renovation, new Stadium seats, upgrade of County staff maintenance building, and finishing of County office space ("Designated County Improvements"), including any related drawings, CM fees or other fees associated with the Designated County Improvements, (ii) the next \$1,000,000 of interest shall be used by the County pay costs associated with the County's project to build softball fields (the "County Fields") in a location determined by the County (but not at the Sports Complex), and (iii) all Bond Interest, if any, in excess of (i) and (ii) shall be added to the New Improvements Budget. The County shall be responsible for all costs and expenses related to the Designated County Improvements, and the County may reduce the scope of the Designated County Improvements to stay within budget or pay any overage in its sole discretion. For the purpose of clarity, (i) the replacement of the Minor League facility roof, upgrade of County staff maintenance building, finishing of County office space, safety railing for aisles and existing elevator renovations will be paid for by the County as set forth in this paragraph but the work will be included in the Construction Contract and (ii) the remaining Designated County Improvements will be performed by the County or third-party contractors selected by the County. The County shall coordinate with SFS to ensure that all work on the Designated County Improvements does not interfere with work on the New Improvements. To the extent there is less than \$1,000,000 of Bond Interest available to the County for the County Fields, the County may reduce its Year 5 Additional Improvements Fund payment to SFS by the amount by which (a) \$1,000,000 exceeds (b) the amount of Bond Interest available to the County for the County Fields. The County will begin repayment of such amount to SFS on March 1 of Year 6 with annual payments of \$100,000 into the Additional Improvements Fund each March 1 until the full amount used by the County for the County Fields is repaid. By way of example, if only \$800,000 of Bond Interest is available for the County Fields, the County will reduce its Year 5 Additional Improvements Fund payment to SFS by \$200,000 and will pay such amounts back to the Additional Improvements Fund with additional \$100,000 payments on March 1 in each of Years 6 and 7."

5. Except as amended herein, the remaining terms and conditions of the FUA shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed and delivered this Amendment as of the date first set forth above, as follows:

**SECOND AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate as of February 19, 2019, by and between ST. LUCIE COUNTY, a political subdivision of the State of Florida ("County"), and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex (the "Project") as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to increase the overall New Improvements Budget;

WHEREAS, the parties desire to implement a process for seeking tax savings on large material purchases for this public Project in accordance with Section 212.08(6) of the Florida Statutes and Rule 12A-1.094 of the Florida Administrative Code; and

WHEREAS, the parties desire to enter into an amendment to the FUA to add the terms herein contained.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, IT IS AGREED AS FOLLOWS:

1. AMENDMENT OF SECTION 10(A) OF THE FUA

The FUA is hereby amended by adding the following language to the end of Section 10(A):

"in the event the New Improvements Budget exceeds \$55,000,000.00, SFS shall contribute up to an additional \$2,000,000.00 to the New Improvements Budget to cover any such excess, which sum shall be used and applied to the New Improvements as set forth in the FUA and any amendments thereto. The obligation to provide the additional funds is the sole responsibility of SFS and this Amendment shall not create or alter any obligation of the County with respect to the New Improvements Budget. Nothing stated in this Paragraph shall alter or limit SFS' obligation, as set forth in the second paragraph of this Section 10(A), to bear all costs of overage beyond the additional \$2,000,000.00 in the event the New Improvements Budget is exceeded."

2. AMENDMENT OF SECTION 4 OF THE FIRST AMENDMENT TO THE FUA

The First Amendment to the FUA is hereby amended by deleting the following language found in Subsection (ii):

"The next \$1,000,000 of interest shall be used by the County [to] pay costs associated with the County's project to build softball fields (the "County Fields") in a location determined by the County (but not at the Sports Complex)"

And replacing such language with the following:

"The next \$1,000,000 of interest shall be used by the County to pay costs for any County improvements, renovations or modifications related to the Sports Complex, which in County's sole discretion, are necessary, with the remainder of any such funds allocated to the softball fields project at a location determined by County."

3. ADDITION OF SECTION 42 TO THE FUA

The FUA is hereby amended by adding the following Section 42 titled Owner Direct Purchasing Agreement:

"For qualifying material purchases in excess of \$50,000.00, the County may elect to implement an Owner Direct Purchase in accordance with Section 212.08(6) of the Florida Statutes at the request of SFS. It is the sole discretion and responsibility of SFS, in connection with the Construction Manager building the Project, to recommend and request the use of Owner Direct Purchasing on qualifying purchases. The County has no obligation or responsibility to determine if qualifying purchases exist or to recommend the use of Owner Direct Purchasing to incur tax savings. Furthermore, the County may deny a request for failure to conform to the requirements of this Section of the FUA or if the County determines in its reasonable discretion that an Owner Direct Purchase would not comply with Section 212.08(6) of the Florida Statutes. If any purchase made pursuant to this Agreement incurs a tax penalty, then the liability shall be distributed as follows:

- a. Any and all sales tax liability incurred as result of SFS' failure to comply with the material terms and requirements of the FUA, as amended, shall be paid from the New Improvements Budget. However, to the extent any such liability exceeds the Budget, the unpaid amount shall be paid by SFS.
- b. Any and all sales tax liability incurred as a result of the process set forth herein being rejected for failure to meet the requirements of the law shall be paid from the New Improvements Budget in accordance with Section 10 of this FUA.

For purposes of this FUA, a "qualifying material purchase" means any purchase of materials for use at the project that: (1) meets the requirements of Section 212.08(6) of the Florida Statutes; (2) meets in all respects the material specifications set forth in the Contract Documents and Approved Submittals; and (3) is in excess of \$50,000.00.

For qualifying material purchases identified by SFS, the following procedures shall apply:

- c. SFS shall complete, in full, the Vendor Requisition Form attached hereto as Exhibit "Q," and submit the Vendor Requisition Form to the County for approval along with a certification that SFS has reviewed Section 212.08(6) of the Florida Statutes and determined the requested purchase to be a qualifying material purchase. The County shall designate, in writing, a purchasing officer for this Project, which shall be the designated recipient of any Vendor Requisition Forms.
- d. Within a reasonable time, but no later than two weeks after receipt of the request, the County shall review the Vendor Requisition Form and either approve or deny the request. The County will promptly inform SFS of its decision with

respect to the request. If the County approves the request, it shall submit a Purchase Order, along with a copy of its Florida Consumer's Certificate of Exemption and Certificate of Entitlement, to the vendor. If the County denies the request, no further action will be taken and SFS may proceed with the purchase as a non-Owner Direct Purchase.

e. All shipments made under the Owner Direct Purchasing program shall designate the goods to be free on board to the jobsite.

f. Upon delivery of materials purchased pursuant to this Section of the FUA, SFS or its designee, acting for and on behalf of the County, shall ensure that the delivery complies with the terms of the Purchase Order submitted to the vendor by the County. This obligation shall include, but not be limited to, ensuring timely delivery, conformance of the material to the Purchase Order in quality, quantity, and all other respects, and ensuring that the materials are in a good and usable condition for the intended purpose.

g. If any material or product fails to be delivered or is not of the quantity or quality requested or otherwise fails to meet the requirements of the Purchase Order, SFS or its designee, acting for and on behalf of the County, shall work directly with the vendor to correct the faulty shipment. SFS is responsible for ensuring that all Owner Direct Purchases made pursuant to the FUA meet the standards set forth in the Purchase Order signed and submitted by the County.

h. If, after reviewing the Purchase Order and the shipment, SFS determines that the shipment is complete and proper, it shall sign the proof of delivery on behalf of the County and direct the vendor to invoice the County directly.

i. Upon submission of an invoice to the County for payment, SFS shall place all materials purchased pursuant to this Agreement into a protected storage area within the materials storage yard until such time as the material has been, or is being, incorporated in the project. SFS shall be responsible for ensuring the security of all County purchased materials from the time of acceptance through the time of incorporation.

j. Once receipt of the shipment has been confirmed, the County shall be invoiced directly and shall pay the invoice from the New Improvements Budget in accordance with Section 10 of this FUA.

k. The County shall take title to, and assume all risk of loss for or damage to, the goods at the point of delivery from the vendor. The County will insure against all loss of or damage to materials or products purchased using Owner Direct Purchasing. Nothing in this paragraph shall act to abrogate, alter, modify, or otherwise change the terms of Section 13 of the FUA or applicable laws regarding liability with respect to any materials purchased for, used in, or incorporated into the Project.

l. The procedures set forth herein shall apply to and be the only procedures governing Owner Direct Purchases on this Project.

4. All tax savings generated through the use of Owner Direct Purchases shall be accounted for as a

credit in the New Improvements Budget and used exclusively to implement the New Improvements as defined and agreed to in the FUA.

5. Except as amended herein, the remaining terms and conditions of the FUA shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed and delivered this Amendment as of the date first set forth above, as follows:

Guaranteed Maximum Price (GMP) Deliverable
REV 4
February 15, 2019**

Clarifications and Assumptions

1.0 Drawings and Specifications - GMP Deliverable is based on design documents prepared by Design Team of EwingCole and EDC. For a complete listing, see Document List as a part of GMP Deliverable package.

GMP Deliverable assumes no responsibility for any previously prepared or provided drawings, animations or renderings. Pricing includes scope of work indicated on the documents outlined in document list only and does not assume any intent for other elements which may have been a part of any past renderings.

GMP Deliverable assumes Design Team has considered and allowed for proper access for installation and modifications to mechanical, electrical, plumbing, and fire protection systems shown. Removal or reconfiguration of structure or other systems to allow installation of new materials has not been anticipated unless specifically indicated on the Drawings.

Submission of a Vendor Requisition Form to Owner for a proposed Owner Direct Purchase shall constitute Construction Manager's certification that Construction Manager has complied with the requirements of this Paragraph, that the proposed Owner Direct Purchase described in the Vendor Requisition Form complies strictly with the requirements of the Contract Documents, that the warranties comply with what is required by the Contract Documents, and that the Work can accept such proposed Owner Direct Purchase.

If the County denies the request, no further action will be taken and Owner and the Construction Manager may proceed with the purchase as a non-Owner Direct Purchase.
- e. All shipments made under the Owner Direct Purchasing program shall designate the goods to be free on board to the jobsite.
- f. If any material or product fails to be delivered or is not of the quantity or quality requested or otherwise fails to meet the requirements of the Purchase Order, the Construction Manager, acting for and on behalf of the County, shall work directly with the vendor to correct the faulty shipment. The Construction Manager is responsible for ensuring that all Owner Direct Purchases meet the standards set forth in the Purchase Order signed and submitted by the County.
- g. If, after reviewing the Purchase Order and the shipment, the Construction Manager determines that the shipment is complete and proper, it shall sign the proof of delivery on behalf of the County and direct the vendor to invoice the County directly.

**Exhibit 1 dated February 22, 2019 to the GMP Amendment for the
Renovation and Construction of the St. Lucie County Sports Complex in Port St. Lucie, FL.**

- h. The Construction Manager shall place all Owner Direct Purchases into a protected storage area within the materials storage yard until such time as the material has been, or is being, incorporated in the project. Construction Manager shall be responsible for ensuring the security of all Owner Direct Purchases from the time of delivery through the time of incorporation.
- i. The County shall take title to, and assume all risk of loss for or damage to, the goods at the point of delivery from the vendor. The County will insure against all loss of or damage to materials or products purchased using Owner Direct Purchasing.
- j. To the extent permitted by applicable law, the Construction Manager shall be responsible for coordinating and receiving delivery of, inspecting, accepting delivery of, handling, safeguarding, and installing each Owner Direct Purchase to the same extent as if Contractor itself had procured such Owner Direct Purchase. Construction Manager shall cooperate with Owner and the County, and shall assist Owner and the County with any processes necessary for the County to take full advantage of any available tax advantages or savings, discounts, or deductions associated with the purchase of materials or equipment.
- k. The GMP shall, by Change Order or Construction Change Directive, be reduced by the cost of each Owner Direct Purchase, including the sales tax thereon; provided, however, that the cost of such Owner Direct Purchase (including the tax saved) shall be considered a Cost of the Work for the purposes of calculating the Construction Manager's Fee.
- l. Construction Manager shall track all tax savings realized through the use of Owner Direct Purchasing, and shall make recommendations as it deems appropriate, or as may be requested by Owner or the Architect, for the use an application of such savings. A current estimate or all tax savings realized or anticipated to be realized shall be prepared by Construction Manager and furnished to Owner and the County upon request.
- m. Construction Manager shall comply with all requirements of the Owner Direct Purchase process set forth above, and there shall be no increase to the Contract Time or the GMP for implementing the Owner Direct Purchase process, except for causes that are beyond the reasonable control of Construction Manager.
- n. Adjustments, whether an increase or decrease to issued Purchase Order amounts, may be required during the course of the Project, due to, including but not limited to, missed or added scope and other reasons. At the completion work associated with each Purchase Order, the Construction Manager and Subcontractor shall perform a reconciliation, in conjunction with the Owner, and any residual amounts remaining within the Purchase Order shall be returned to the Construction Manager who shall adjust the Subcontractor's contract amount via change order.

Exhibit A to Section A.1.1.6.2
Second Amendment to the Amended and Restated Facilities Use Agreement

**SECOND AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate as of February _____ 2019, by and between ST. LUCIE COUNTY, a political subdivision of the State of Florida ("County"), and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex (the "Project") as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to increase the overall New Improvements Budget;

WHEREAS, the parties desire to implement a process for seeking tax savings on large material purchases for this public Project in accordance with Section 212.08(6) of the Florida Statutes and Rule 12A-1.094 of the Florida Administrative Code; and

WHEREAS, the parties desire to enter into an amendment to the FUA to add the terms herein contained.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, IT IS AGREED AS FOLLOWS:

1. AMENDMENT OF SECTION 10(A) OF THE FUA

The FUA is hereby amended by adding the following language to the end of Section 10(A):

"In the event the New Improvements Budget exceeds \$55,000,000.00, SFS shall contribute up to an additional \$2,000,000.00 to the New Improvements Budget to cover any such excess, which sum shall be used and applied to the New Improvements as set forth in the FUA and any amendments thereto. The obligation to provide the additional funds is the sole responsibility of SFS and this Amendment shall not create or alter any obligation of the County with respect to the New Improvements Budget. Nothing stated in this Paragraph shall alter or limit SFS' obligation, as set forth in the second paragraph of this Section 10(A), to bear all costs of coverage beyond the additional \$2,000,000.00 in the event the New Improvements Budget is exceeded."

2. AMENDMENT OF SECTION 4 OF THE FIRST AMENDMENT TO THE FUA

The First Amendment to the FUA is hereby amended by deleting the following language found in Subsection (ii):

"The next \$1,000,000 of interest shall be used by the County [to] pay costs associated with the County's project to build softball fields (the "County Fields") in a location determined by the County (but not at the Sports Complex)"

And replacing such language with the following:

"The next \$1,000,000 of interest shall be used by the County to pay costs for any County improvements, renovations or modifications related to the Sports Complex, which in County's sole discretion, are necessary, with the remainder of any such funds allocated to the softball fields project at a location determined by County."

3. ADDITION OF SECTION 42 TO THE FUA

The FUA is hereby amended by adding the following Section 42 titled Owner Direct Purchasing Agreement:

"For qualifying material purchases in excess of \$50,000.00, the County may elect to implement an Owner Direct Purchase in accordance with Section 212.08(6) of the Florida Statutes at the request of SFS. It is the sole discretion and responsibility of SFS, in connection with the Construction Manager building the Project, to recommend and request the use of Owner Direct Purchasing on qualifying purchases. The County has no obligation or responsibility to determine if qualifying purchases exist or to recommend the use of Owner Direct Purchasing to incur tax savings. Furthermore, the County may deny a request for failure to conform to the requirements of this Section of the FUA or if the County determines in its reasonable discretion that an Owner Direct Purchase would not comply with Section 212.08(6) of the Florida Statutes. If any purchase made pursuant to this Agreement incurs a tax penalty, then the liability shall be distributed as follows:

- a. Any and all sales tax liability incurred as result of SFS' failure to comply with the material terms and requirements of the FUA, as amended, shall be paid from the New Improvements Budget. However, to the extent any such liability exceeds the Budget, the unpaid amount shall be paid by SFS.
- b. Any and all sales tax liability incurred as a result of the process set forth herein being rejected for failure to meet the requirements of the law shall be paid from the New Improvements Budget in accordance with Section 10 of this FUA.

For purposes of this FUA, a "qualifying material purchase" means any purchase of materials for use at the project that: (1) meets the requirements of Section 212.08(6) of the Florida Statutes; (2) meets in all respects the material specifications set forth in the Contract Documents and Approved Submittals; and (3) is in excess of \$50,000.00.

For qualifying material purchases identified by SFS, the following procedures shall apply:

- c. SFS shall complete, in full, the Vendor Requisition Form attached hereto as Exhibit "Q," and submit the Vendor Requisition Form to the County for approval along with a certification that SFS has reviewed Section 212.08(6) of the Florida Statutes and determined the requested purchase to be a qualifying material purchase. The County shall designate, in writing, a purchasing officer for this Project, which shall be the designated recipient of any Vendor Requisition Forms.
- d. Within a reasonable time, but no later than two weeks after receipt of the request, the County shall review the Vendor Requisition Form and either approve or deny the request. The County will promptly inform SFS of its decision with

respect to the request. If the County approves the request, it shall submit a Purchase Order, along with a copy of its Florida Consumer's Certificate of Exemption and Certificate of Fulfillment, to the vendor. If the County denies the request, no further action will be taken and SFS may proceed with the purchase as a non-Owner Direct Purchase.

e. All shipments made under the Owner Direct Purchasing program shall designate the goods to be free on board to the jobsite.

f. Upon delivery of materials purchased pursuant to this Section of the FUA, SFS or its designee, acting for and on behalf of the County, shall ensure that the delivery complies with the terms of the Purchase Order submitted to the vendor by the County. This obligation shall include, but not be limited to, ensuring timely delivery, conformance of the material to the Purchase Order in quality, quantity, and all other respects, and ensuring that the materials are in a good and usable condition for the intended purpose.

g. If any material or product fails to be delivered or is not of the quantity or quality requested or otherwise fails to meet the requirements of the Purchase Order, SFS or its designee, acting for and on behalf of the County, shall work directly with the vendor to correct the faulty shipment. SFS is responsible for ensuring that all Owner Direct Purchases made pursuant to the FUA meet the standards set forth in the Purchase Order signed and submitted by the County.

h. If, after reviewing the Purchase Order and the shipment, SFS determines that the shipment is complete and proper, it shall sign the proof of delivery on behalf of the County and direct the vendor to invoice the County directly.

i. Upon submission of an invoice to the County for payment, SFS shall place all materials purchased pursuant to this Agreement into an enclosed storage area within the materials storage yard until such time as the material has been, or is being, incorporated in the project. SFS shall be responsible for ensuring the security of all County purchased materials from the time of acceptance through the time of incorporation.

j. Once receipt of the shipment has been confirmed, the County shall be invoiced directly and shall pay the invoice from the New Improvements Budget in accordance with Section 10 of this FUA.

k. The County shall take title to, and assume all risk of loss for or damage to, the goods at the point of delivery from the vendor. The County will insure against all loss of or damage to materials or products purchased using Owner Direct Purchasing. Nothing in this paragraph shall act to abrogate, alter, modify, or otherwise change the terms of Section 13 of the FUA or applicable laws regarding liability with respect to any materials purchased for, used in, or incorporated into the Project.

l. The procedures set forth herein shall apply to and be the only procedures governing Owner Direct Purchases on this Project.

4. All tax savings generated through the use of Owner Direct Purchases shall be accounted for as a

credit in the New Improvements Budget and used exclusively to implement the New Improvements as defined and agreed to in the FUA.

5. Except as amended herein, the remaining terms and conditions of the FUA shall remain in full force and effect.

RE: St. Lucie County Sports Complex Spring Training Grant

Dear Mr. Webb:

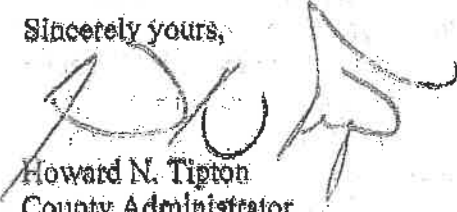

Enclosed please find the documents comprising St. Lucie County's application for a \$20 million dollar grant for new construction and renovations to the St. Lucie County Sports Complex (the "Complex"). If certified, the grant in conjunction with the County's commitment to issue \$60 million dollars in bonds backed primarily by the County's tourist development tax, \$55 million of which will go to Complex construction and renovations will guarantee the New York Mets organization will continue to occupy the Complex for its Major League Spring training base and other baseball activities for the next 25 years. The application consists of the following:

1. A copy of the agenda item approved by the St. Lucie County Commission November 15, 2016. The agenda item outlines the general terms of the agreement with the Mets and confirms the County will be responsible for 53% of all costs of the project, the Mets will be responsible for 35% and the State grant will cover the remaining 12% of the costs.
2. A copy of the deed from Thomas J. White Development Corporation to St. Lucie County conveying the real property on which the St. Lucie County Sports Complex is located.
3. A certified facilities use agreement between St. Lucie County and Sterling Facility Services, L.L.C., a subsidiary of Sterling Mets, L.P., the owner of the New York Mets, which is subject to the State grant approval, guaranteeing the Mets will remain at the Complex through December 31, 2042 and be responsible for 12% of the total capital, and O and M costs of the project.
4. A compilation of Spring Training paid attendance statistics compiled by the Mets confirming that since 1999 paid annual attendance at Spring Training games has substantially exceeded 50,000 every year.

5. The St. Lucie County Ordinance(s) which confirm the county has levied and will continue to levy a tourist development tax pursuant to Section 125.0104, Florida Statutes to finance its portion of the project.
6. As discussed when representatives of St. Lucie County and the Mets met with you, representatives of the Department of Economic Opportunity and the Governor's Office, upon certification of this application, the current agreement with the Mets extending through 2023 will be automatically superseded per paragraph 2.B of the new agreement on its "Commencement Date".

Per the Major League Baseball Spring Training Funding Checklist provided by your office, I believe the application is in compliance with Section 288.11631, Florida Statutes. However, should you need additional information, please contact me directly.

Sincerely yours,

Howard N. Tipton

Subject: Annual Report to the Florida Department of Economic Opportunity for the St. Lucie County Sports Complex, a State Spring Training Facility (New York Mets) under Section 288-11631, Florida Statutes

Item #5: Written evidence that the County continues to meet the certification criteria in effect when the County was certified pursuant to section 288.11631, F.S. (2015).

- **11/17/2016** Letter from Mr. Tipton, County Administrator, regarding the St. Lucie County Sports Complex Spring Training Grant application for 20 million dollars towards new construction and renovations.
- Attached is the debt service schedule for the new improvements at the stadium. This does not include any refinancing of the debt from the previous improvements. As you can see, over the life of the Bonds, the County will pay \$81,581,916.11. \$1 million per year for the first 20 years is coming from the State and the remaining \$2.4 + million is coming from the County. Over the life of the bonds, approximately 24.5% will be repaid using State funding, and the remaining 75.5% is coming from the County. This shows that the County's financial commitments for the improvements exceeded the required 50% threshold.
- **3/17/2017** letter from Mr. Jim Poppell, Chief of Staff (DEO) **Decertification** of St. Lucie County.
- **3/17/2017** Agreement whereas the County applied for **Certification** under 288.11631, F.S. between the State of Florida Department of Economic Opportunity (DEO) and St. Lucie County.
- **3/17/2017** letter from Mr. Karl Blischke, Director Strategic Business Development (DEO), regarding Certification of St. Lucie County's Spring Training Facility.
- **4/10/2017** Spring Training Program Agreement between Florida Department of Economic Opportunity and St. Lucie County, Florida (C17-03-233).

Dear Mr. Biegalski:

Re: Decertification of St. Lucie County

On December 31, 2006, St. Lucie County (County) was certified by the Governor's Office of Tourism, Trade, and Economic Development to receive \$7,914,766 over a 30 year period for under s. 288.1162, F.S. The first monthly payment (\$21,985.46) was issued by the Florida Department of Revenue (DOR) in March 2007.

In early 2016, the County approached the Florida Department of Economic Opportunity (DEO) in regards to seeking certification and funding for stadium renovations under s. 288.11631, F.S. Based on further communication with DEO and the Florida Sports Foundation, the County submitted an application for certification under s. 288.11631, F.S. in the fall of 2016. Pursuant to s. 288.11625(4)(e)3.(g), F.S., "A facility or beneficiary may not be the subject of more than one distribution under s. 212.20 at any time for any state-administered sports-related program, including s. 288.1162, s. 288.11621, s. 288.11631 or this section."

Therefore, the County has signed the attached agreement, prior to certification, stating that the distributions under s. 288.1162, F.S., will end and the County has satisfied all outstanding bonds associated with the project for which the County received its certification under s. 288.1162, F.S. As such, DEO is requesting that DOR immediately cease distributions to St. Lucie County under the original certification.

Dear Mr. Tipton:

Re: Certification of St. Lucie County's Spring Training Facility

St. Lucie County (County) submitted an application for certification under section 288.11631, Florida Statutes (F.S.), to the Florida Sports Foundation (FSF) for initial review and evaluation. On November 29, 2016, the FSF President and CEO delivered the application to the Department of Economic Opportunity (DEO) and stated that the documentation submitted meets the criteria for funding as specified under section 212.20(6)(d)6.e., F.S. On January 25, 2017, DEO received the statutorily required certified copies of the County's Addendum and Amended and Restated Facilities Use Agreement with the New York Mets Major League Baseball team, as well as the additional statutorily required documentation requested in the December 20, 2016 letter.

We are pleased to inform you that DEO has determined the County is eligible to receive funding in the amount of \$83,333.00 monthly, for a period not to exceed 20 years. DEO will notify the Department of Revenue of the County's certification.

Receipt of funds under s. 288.11631, F.S. is contingent on all of the following:

- (1) The County's prospective distributions under s. 288.1162, F.S., will end.
- (2) The County must satisfy all outstanding bonds associated with the project for which the County received its certification under s. 288.1162, F.S.; and
- (3) The County must enter into an agreement with DEO, as required by subsection 288.11631(2)(c), F.S.

We look forward to working with you on the agreement. If you have any questions concerning this letter please contact Katherine Morrison Manager of Strategic Industry Partnerships, Division of Strategic Business Development at (850) 717-8973.

3. TERM.

(a) This Agreement is effective as of the date on which the last party executes this Agreement (the "Effective Date") and will end when the \$20 million provided for herein has been distributed to the County, or a County bond trustee, in accordance with this Agreement. Notwithstanding anything herein or in the Addendum to the contrary, DEO acknowledges and agrees that the County intends to issue a series of bonds to finance and/or refinance a portion of the cost of the Project and that the debt service on said bonds or any refunding bonds will be paid from the \$20 million provided for herein, and that, pursuant to section 288.11631(5)(f), F.S., the County may therefore not be decertified by DEO once said bonds are issued. The provisions of Articles 8, 9, 11, 12, 13, 15, 16, 17, 25, 30, 31, and 34 shall survive the expiration of this Agreement; provided, however, that the record-keeping and audit-related obligations set forth in Article 11, *Audits and Records*, of this Agreement shall terminate in accordance with the requirements of Article 11. The County is subject to decertification only if the County fails to comply with or meet the requirements of section 288.11631, F.S., or this Agreement, in which event DEO may recover incentive funds. Notwithstanding the preceding sentence, once the County is certified pursuant to the terms of section 288.11631, F.S., it may not be decertified by DEO if it has paid or pledged for the payment of debt service on, or to fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto, bonds issued for the construction of the Project for which the County was certified, or for the reimbursement of such costs or the refinancing of bonds issued for the construction of the Project for which the County was certified, or for the reimbursement of such costs or the refinancing of bonds issued for such purpose. This subsection does not

preclude or restrict the ability of the County to refinance, refund, or defease such bonds.

(b) Definitions:

(1) "Contract" means any agreement, assignment, license, lease or purchase order for the provision of construction, goods and/or services executed by the County in furtherance of the County's overall obligations under this Agreement, or contemplated under the Spring Training Facility Lease and Use Agreement as to the Project, unless specifically defined elsewhere in this Agreement.

(2) "Development Period" means the period of time between certification pursuant to section 288.11631, F.S. and full completion of all services and payments contemplated under the Spring Training Facility Lease and Use Agreement.

4. DUTIES AND OBLIGATIONS OF THE COUNTY.

STATUTORY REQUIREMENTS

(a) The County shall comply with all the provisions of this Agreement and shall continually, throughout the term of this Agreement, meet all requirements for certification within section 288.11631, F.S. (2015), as verified and determined by DEO, which includes, but is not limited to, the following:

(1) The County is responsible for the construction or renovation of the Facility for a spring training franchise or holds title to the property on which the facility for a spring training franchise is located.

(2) The County must have a certified copy of a signed lease agreement with a spring training franchise. The signed agreement with a spring training franchise for the use of a facility must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating a facility for a spring training franchise. The lease agreement must also require the franchise to reimburse the State if the franchise relocates before the lease agreement expires; the required reimbursement must be equal to the total amount of state distributions expected to be paid from the date the franchise breaks its lease agreement with the County through the final maturity of the bonds.

(3) The County must maintain its financial commitment to provide 50 percent or more of the funds required by an agreement for the construction or renovation of the facility for a spring training franchise.

(4) The County must demonstrate, at least annually, that the facility for a spring training franchise will attract (prior to completion of the County's Stadium Construction and Renovation Project) or does attract (after completion of the County's Stadium Construction and Renovation Project) a paid attendance of at least 50,000 persons annually to the spring training games held in that facility.

(5) The facility for a spring training franchise must be located in a county that levies a tourist development tax under section 125.0104, F.S.

(b) As a certified applicant under section 288.11631, F.S., the County may use state funds provided under section 212.20(6)(d)6.e, F.S. and this Agreement, only to:

(1) serve the public purpose of constructing or renovating a facility for a spring training franchise;

(2) pay or pledge for the payment of debt service on bonds issued for the construction or renovation of such facility;

(3) fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto on bonds issued for the construction or renovation of such facility;

(4) reimburse the costs under paragraphs (1), (2), or (3), above; and/or

(5) refinance bonds issued for the construction or renovation of such facility.

(c) As a certified applicant under section 288.11631, F.S., the County may not use state funds distributed according to this Agreement and pursuant to section 212.20(6)(d)6.e, F.S., to subsidize facilities that are privately owned by, maintained by, and used exclusively by a spring training franchise.

(d) The County must place unexpended state funds received pursuant to section 212.20(6)(d)6.e., F.S., in a trust fund or separate account for use only as authorized in section 288.11631, F.S.

(e) The County's expenditure of state funds received pursuant to this Agreement must begin within 48 months after the initial receipt of said state funds. Additionally, the construction or renovation of a spring training facility within the County and pursuant to the County's certification under section 288.11631, F.S., must be completed within 24 months of the County's Stadium Construction and Renovation Project's commencement.

(f) As more fully set forth in Spring Training Facility Lease and Use Agreement and in the Addendum, if the Spring Training Franchise relocates from the Facility, the Spring Training Franchise must, as a partial remedy, reimburse the State in an amount equal to 100% of the total amount of state distributions expected to be paid from the date the Spring Training Franchise breaks its agreement or agreements with the County through the maturity of the bonds described in Section 3(a). The County agrees it has, and will have, at all times throughout the term of this Agreement, and will enforce, a valid provision for such reimbursement to the State in the Spring Training Facility Lease and Use Agreement with the Spring Training Franchise. DEO acknowledges and agrees that the provisions of Spring Training Facility Lease and Use Agreement and the Addendum meet the requirements of section 288.11631, F.S.

(g) The County agrees that, prior to making any material changes, amendments, modifications, extensions or the like, to the County's Spring Training and Facility Lease and Use Agreement, or the terms thereof, that have any effect on DEO's or the State's rights or privileges, including, but not limited to, the Spring Training Franchise's assignment of its rights and obligations under the lease, or the County's certification or the Spring Training Franchise's reimbursement requirements under section 288.11631, F.S., the County shall obtain DEO's prior, written approval.

REPORTING REQUIREMENTS

(h) **Annual Reports:** On or before September 1 of each year throughout the term of this Agreement, and as long as the County remains certified under section 288.11631, F.S., the County shall submit an annual report to DEO which must include, but is not limited to, the following:

(1) A detailed accounting of all local and state funds expended to date, as of the date of submission of the report, on the Project financed under section 288.11631, F.S. The County's Spring Training Franchise shall remain the New York Mets, unless properly changed pursuant to law and the terms of this Agreement and the Spring Training Facility Lease and Use Agreement.

(3) A cost-benefit analysis of the Spring Training Franchise's impact on St. Lucie County. This cost-benefit analysis must be substantially similar in content and format to the 2009 Major League Baseball Florida Spring Training Economic Impact Study except that its scope shall be limited to the impact on St. Lucie County.

(10) Stadium Development Status Reports: Until the Project is completed, no less frequently than on a quarterly basis, the County shall provide to DEO a written update as to the status of the Project, which requirement may be met by copying DEO on any written updates provided to the St. Lucie County Board of Commissioners. In addition, during the Development Period, the County will promptly respond to a request from DEO for any information in the County's possession, or reports that the County is generating for its own purposes. This section does not require the County to generate financial reports beyond those specifically required by this Agreement.

5. DISTRIBUTIONS.

(a) Distributions under this Agreement will be made to the County subject to and in accordance with sections 212.20(6)(d)6.e. and 288.11631, F.S.

(1) Notwithstanding anything else herein to the contrary, if pursuant to section 212.20(6)(d)6(e), F.S., the \$83,333.00 per month described in section 5(c) is not available to DOR for distribution as provided for in this Agreement, such event will not constitute a breach or default by DEO, DOR, or the State of Florida. For avoidance of doubt, neither the faith and credit nor the taxing power of the State of Florida is or shall be pledged in connection with this Agreement.

(2) Subject in all respects to Section 3(a) hereof, all distributions shall be subject to the terms of this Agreement, including, but not limited to Article 15, *Breach, Financial Consequences, and Remedies*.

(b) Pursuant to sections 212.20(6)(d)6.e. and 288.11631(3)(c), F.S., the Department of Revenue (DOR) will begin distributions to the County upon DEO's notification to DOR that the County has fulfilled all the requirements for certification as set forth in section 288.11631, F.S.

(c) Pursuant to subsection 212.20(6)(d)6.e., F.S., the County shall receive distributions from DOR of up to \$83,333.00 monthly, beginning July 1, 2017, or following execution of this Agreement, whichever is later, and continue, for not more than 20 years from the initial distribution date, in an amount not to exceed a total sum of \$20,000,000.00. Subject in all respects to Section 3(a) hereof,

failure to comply with the requirements set forth in this Agreement or applicable law, may result in the application of financial consequences as set forth in Article 15, *Breach, Financial Consequences, and Remedies*, of this Agreement, the repayment of funds as referenced in section 288.11631, F.S., or Article 34, *Return or Recoupment of Funds*, of this Agreement.

(d) The County may request in writing at least 20 days before the next monthly distribution that DEO halt future distributions. If such a request is made, upon receipt by DEO, DEO shall immediately notify DOR to halt future distributions for such period of time as DEO deems appropriate, under the circumstances, but only as permitted by law.

6. CONTRACTS.

(a) The County shall be responsible and liable for all work performed and all expenses incurred in connection with the County's Stadium Construction and Project or any activities related to, in connection with, or in furtherance of this Agreement.

(b) The County may, as appropriate and in compliance with applicable law, contract the performance of the activities related to, in connection with, or in furtherance of this Agreement, including entering into contracts with vendors for services and commodities, *provided, however*, that the County shall be solely liable to the subcontractor for all expenses and liabilities. The County shall not enter into a subcontract in which DEO could be held liable to the subcontractor for any expenses or liabilities. The County agrees that DEO shall not be held liable to the subcontractor for any expenses or liabilities incurred under any contract. Pursuant to section 768.28, F.S., and to the extent permitted by applicable law, the County shall, at its expense, defend and hold DEO harmless of any liabilities incurred under any of the contracts entered into by the County in connection this Agreement. As between DEO and the County, the County shall be liable for all work performed and all expenses incurred as a result of any subcontract entered into by the County in connection this Agreement. The County shall ensure that contractors hired by the County in connection with the County's Sport Complex, or any activities related to this Agreement, comply with all relevant terms of this Agreement.

(c) Any Contract executed by the County after the Effective Date of this Agreement, for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement shall be evidenced by a written document and include provisions requiring compliance with this Agreement and all applicable Federal, State, and local laws, regular performance reporting, accounting for proper use of funds provided under the Agreement (including the provision of audit rights pursuant to Attachment A, *Audit Requirements*, as applicable.) Contract, as used in this paragraph, shall mean any agreement, assignments, leases or purchase order for the provision of construction, goods and/or services executed specifically by the County in furtherance of the County's overall obligations under this Agreement, unless specifically defined elsewhere in this Agreement.

7. INDEPENDENT CAPACITY OF CONTRACTOR.

(a) The Parties mutually understand and agree that the County, its officers, agents, employees, subcontractors or assignees, in the performance of the County's duties and responsibilities under this Agreement, is at all times acting and performing as an independent contractor and not as an officer, employee or agent of the State of Florida. Nothing in this Agreement is intended to, or shall be deemed to constitute, a partnership or joint venture between the Parties.

- (b) The County shall not represent to others that it has the authority to bind DEO.
- (c) Neither the County, nor its officers, agents, employees, subcontractors, or assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this Agreement.
- (d) The County agrees to take such action as may be necessary to ensure that each contractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.
- (e) DEO will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the County, its Spring Training Franchise, beneficiary, its subcontractor, or assignee in furtherance of this Agreement.
- (f) DEO shall not be responsible for withholding taxes, if any, with respect to the County's distributions hereunder. The County shall have no claim against DEO for vacation pay, sick leave, retirement benefits, social security, workers' compensation, health or disability benefits, reemployment assistance benefits, or employee benefits of any kind. The County shall ensure that its employees, contractors, and other agents, receive benefits and necessary insurance from an employer other than the State of Florida, to the extent required by law.
- (g) The County, at all times during the Agreement, must comply with any and all applicable reporting and Reemployment Assistance contribution payment requirements of chapter 443, F.S.
- (h) The County agrees to take such steps as may be necessary to ensure that each contractor of the County will be deemed to be an independent contractor and will not be considered or permitted to be an agent of the State of Florida.
- (i) The County shall not pledge the State of Florida's nor DEO's credit nor make the State of Florida or DEO a guarantor of payment or surety for any contract, debt, obligation, judgment lien, or any form of indebtedness.

8. LIABILITY.

- (a) DEO shall not assume any liability for the acts, omissions to act, or negligence of the County, its Spring Training Franchise, agents, beneficiaries, affiliates, contractors, subcontractors, servants, or employees. In all instances, the County shall be responsible for any injury or property damage resulting from any activities conducted by the County in the performance of this Agreement.
- (b) DEO shall not be liable to the County for special, indirect, punitive, or consequential damages. DEO shall not be liable for lost profits, lost revenue, or lost institutional operating savings.

9. INDEMNIFICATION.

- (a) The Parties acknowledge that nothing in this Agreement shall constitute (1) an agreement by either Party to indemnify or insure the other Party for the other Party's negligence or to assume any liability of the other Party's negligence; (2) a waiver of sovereign immunity beyond the limits set forth in Section

768.28, F.S. or any applicable waiver of sovereign immunity that is inherent in the act of contracting; (3) a waiver of any defense the parties may have under such statute; or (4) consent to be sued by third parties.

(b) The County shall indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from any and all suits, actions, damages, and costs of every name and description that arise from or are related to this Agreement, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the County, its employees, contractors, and subcontractors, provided, however, that the County is not obligated to indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or DEO.

(c) The County shall indemnify, defend, and hold harmless the State and DEO, its employees and agents, from liability of any nature or kind, including costs and expenses for or on account of any trademarked, trade secret, copyrighted, patented, or unpatented invention, process, product or article manufactured by the County. DEO shall not be liable for any royalties.

(d) The County's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the State or DEO giving the County:

- (1) written notice of any action or threatened action,
- (2) the opportunity to take over and settle or defend any such action at the County's sole expense, and
- (3) assistance in defending the action at the County's sole expense.

The County is not obligated to be liable for any cost, expense, or compromise incurred or made by the State or DEO in any legal action without the County's prior written consent, which shall not be unreasonably delayed, conditioned or withheld.

(e) At DEO's election and upon notification to the County, the County shall assume the defense or settlement of any third-party claim arising under this Agreement with counsel reasonably satisfactory to DEO; *provided, however*, that the County shall not settle or compromise any such claim in an amount more than \$10,000 without DEO's prior written consent. Notwithstanding the foregoing, (1) DEO shall have the right, but not the obligation, at its option and expense, to participate fully in the defense or settlement of any third-party claim; and (2) if the County does not continuously defend or settle any third-party claim within 30 days after it is notified of the assertion or commencement thereof, then (i) DEO shall have the right, but not the obligation, to undertake the defense or settlement of such claim for the account and at the risk of the County, and (ii) the County shall be bound by any defense or settlement that DEO may make as to such claim. DEO shall also be entitled to join the County in any third-party claim for the purpose of enforcing any right of indemnity hereunder.

10. RESPONSIBILITIES OF GOVERNING BOARD OR AUTHORITIES.

The Parties agree that any information, including updates, reports, publications, studies, and any and all reasonably requested information, that is required by Federal, State or local law shall be approved by a person having the authority to do so prior to submission, and shall be signed only by those persons having the legal authority to do so or appropriately ratified by such an authority.

11. AUDITS AND RECORDS.

- (a) The County shall retain and maintain all records so as to sufficiently and properly reflect all expenditures of funds distributed under this Agreement, in accordance with generally accepted accounting procedures and practices. Records shall include, but are not limited to, independent auditor working papers, notes, books, vouchers, bills, invoices, requests for payment, receipts, and other supporting source documentation, including electronic storage media. Such records shall be subject at all times to inspection, review, and audit by, as well as transfer to, representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability, or representatives of the Federal government and their duly authorized representatives upon request.
- (b) The County agrees to comply with all applicable audit requirements of section 215.97, F.S., and those found in Attachment A, *Audit Requirements*; and, if an audit is required, the County shall disclose all related transactions to the auditor.

The County shall cooperate with DEO to facilitate the duplication and transfer of such records or documents upon request of DEO.
- (d) If applicable, the County shall submit a written independent audit report to DEO specifically covering the period of Agreement expenditures pursuant to sections 215.97 and 11.45, F.S., and other relevant laws.
- (e) The County must provide copies of any audit referencing this Agreement, the audit transmittal letter, and any response to such audit to DEO within 30 days of receipt by the County.
- (f) The County will comply with section 20.055(5), F.S., including, but not limited to, the duty of the County, to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing pursuant to section 20.055, F.S. The County agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the County's beneficiary, contractors' or subcontractors' compliance with the terms of this Agreement which results in a finding of noncompliance, fraud, illegality, or financial misuse, in connection with this Agreement by the County or its Spring Training Franchise, beneficiary, contractor(s), or subcontractor(s). Such reasonable costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.
- (g) The County shall include the audit and record keeping requirements aforementioned in this Article and in Attachment A, *Audit Requirements*, in all contracts, subcontracts, leases, assignments, and agreements executed for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement.
- (h) Within 60 working days of the close of the County's fiscal year, on an annual basis, the County shall electronically submit a completed *Audit Compliance Certification* (a version of this certification is attached hereto as Attachment B) to audit@deo.myflorida.com. The County's timely submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement.

within all agreements (e.g., contracts, grants, memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between DEO and the County.

12. ACCESS TO RECORDS AND PUBLIC RECORDS REQUIREMENTS.

- (a) DEO may perform on-site reviews to independently validate any information or reports submitted to DEO. The County shall allow DEO's Agreement Manager and other DEO authorized personnel access to any information and any other documents requested by DEO for purposes of monitoring the County's performance under or compliance with this Agreement.
- (b) The County must comply with all applicable Florida public records law as it relates to this Agreement. In particular, the County shall allow public access to all documents, papers, letters or other materials made or received by the County in conjunction with this Agreement that are public records as that term is defined by Fla. Stat. 119.011 (12) unless the records are exempt, and/or confidential pursuant to section 24(a) of Article I of the State Constitution, section 119.07(1), F.S., or other Florida statute(s).
- (c) The County is responsible to respond to each and every request the County receives for public records made, as provided by law, received or in the custody or control of the County in conjunction with this Agreement, in accordance with chapter 119, F.S.
- (d) The County acknowledges that DEO is subject to the provisions of chapter 119, F.S., and that documents submitted to DEO, or in DEO's custody or control, in relation to this Agreement constitute public records, subject to exemption and confidentiality under Florida law. The County shall cooperate with DEO regarding DEO's efforts to comply with the requirements of chapter 119, F.S.
- (e) The provisions of chapter 119, F.S., and other applicable Florida and federal laws govern the disclosure of any confidential information received by the Parties.
- (1) If the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, partners, contractors, or subcontractors submit records to DEO that the County, the County's Spring Training Franchise or its affiliates, or the County's contractors or subcontractors, deems legally confidential and/or exempt from public disclosure, as trade secrets, proprietary confidential business information, or for any other valid legal exemption under applicable Florida or Federal law, such records must be properly identified as such prior to submission to DEO. Failure to identify the legal basis for and the specific content of each claim of exemption and/or confidentiality from the requirements of chapter 119, F.S. or other law, prior to submittal of the record to DEO, may serve as a waiver of a claim of exemption and/or confidentiality of that record.
- (2) The County shall ensure that public records in the custody and/or control of the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, partners, contractors or subcontractors that are confidential are not disclosed except as authorized by law.
- (3) The County shall not disclose to third parties any confidential information obtained by the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, officers, contractors or subcontractors in furtherance of this Agreement.
- (i) The County shall notify DEO verbally within 24 hours, and in writing within 72 hours of any improper disclosure or unauthorized use of confidential information related to this Agreement by

the County, its employees, agents, or representatives which is not in compliance with the terms of this Agreement or Federal or State law or if any information related to this Agreement is subpoenaed.

(ii) The County shall make a report to DEO not more than 7 business days after the County learns of such an improper disclosure or unauthorized use of confidential information. The County's report shall identify, to the extent known, the nature of the improper disclosure or unauthorized use, the confidential information disclosed or used, who made the disclosure of or used the information, what the County has done or shall do to mitigate any deleterious effect of the improper disclosure or unauthorized use, and what corrective action the County has taken or shall take to prevent future similar unauthorized use or improper disclosure. The County shall provide any other such information about the unauthorized use or improper disclosure as reasonably requested by DEO. The County shall take all steps DEO deems advisable to mitigate, resolve and/or prevent the unauthorized use or improper disclosure of confidential information shared or exchanged by the Parties and their affiliates in connection with this Agreement.

(f) Upon expiration of this Agreement, County shall either (a) transfer, at no cost, to DEO all public records in possession of County which are reasonably related to this Agreement or (b) keep and maintain public records which are reasonably related to this Agreement as required by law. If the County keeps and maintains public records upon completion of the Agreement, County shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to DEO, upon request from the DEO's custodian of records, in a format that is compatible with the information technology systems of DEO.

(g) To the extent allowable by law, and without waiving the sovereign immunity of the County, the County shall be fully liable for the actions of its Spring Training Franchise, agents, employees, partners, contractors, and subcontractors and shall fully indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to public record requests or public record law violation(s), alleged to be caused in whole or in part by the County, its Spring Training Franchise, agents, employees, partners, contractors, or subcontractors, provided, however, that the County does not indemnify for that portion of any costs or damages proximately caused by the negligent act or omission of the State or DEO. DEO, in its sole discretion, has the right, but the not obligation, to enforce this indemnification provision.

(h) The County shall include provisions in accordance with this Article, chapter 119, F.S., and all applicable Florida public records law, in all agreements, assignments, leases, contracts, and subcontracts executed or amended after the effective date of this Agreement for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement.

13. GOVERNING LAW.

This Agreement is executed and entered into in the State of Florida, and shall be construed, performed, and enforced in all respects in accordance with the laws, rules, and regulations of the State of Florida. Each Party shall perform its obligations herein in accordance with the terms and conditions of this Agreement. Without limiting the provisions of Article 15, *Breach, Financial Consequences, and Remedies*, or Article 34, *Return or Recoupment of Funds*, of this Agreement, the exclusive venue of any legal or equitable action that arises out of or relates to this Agreement to which DEO is or may be a party shall be brought in the appropriate court in Leon County, Florida, applying Florida law; in any such action, the County waives any right to jury trial.

14. STRICT COMPLIANCE.

The County agrees that all acts to be performed by it in connection with this Agreement must be performed in strict conformity with all local, State and Federal laws and regulations. For the avoidance of doubt, to the extent of any conflict between the terms of this Agreement and any law or regulation, the law or regulation shall control.

15. BREACH, FINANCIAL CONSEQUENCES, AND REMEDIES.

(a) If the County fails to comply with any of the terms of this Agreement, including but not limited to, timely delivery of the reports required under this Agreement, or continuing to meet the criteria for certification under section 288.11631, F.S., DEO may exercise any of the remedies available to it at law or in equity, and including, but without limitation, imposition of financial consequences as set forth in subsection (b) and (c) below.

(b) If the County fails to cure any breach or default of this Agreement or applicable law related thereto, DEO may impose the following financial consequences, as allowable by law:

(1) If the County fails to timely or adequately provide, as determined by DEO in its sole, reasonable discretion, any of the reports, documents, certification(s), or portions thereof required by this Agreement, or requested by DEO pursuant to this Agreement, including, but not limited to, the reports, documents, and certifications described in Article 4, *Duties and Obligations of the County*, of this Agreement, DEO will provide written notice of said failure to the County. The County shall have 30 days from such written notice to cure the failure (which notice shall state with particularity what report, document, certification or portion thereof that DEO considers has not been provided), prior to the imposition of any financial consequence; however, if said failure is not cured, in DEO's sole, reasonable discretion, after 30 calendar days, a financial consequence of \$100.00 per calendar day will be imposed until such time as the failure is cured. If said breach or default is not capable of being cured within 30 days, the County shall provide DEO with a response setting forth a plan, including a timeframe, for curing the breach or default, which is subject to review and approval by DEO. Following said review and approval, the County shall not be subject to any financial consequence if County complies with the plan for cure; however, if, in DEO's sole reasonable discretion, the County fails to comply with the plan for cure, a financial consequence of \$100.00 per calendar day will be imposed until such time as the County complies with the plan for cure or until the breach or default is cured, whichever occurs earlier. This financial consequence shall be imposed independently for each outstanding document or missing or inadequate portion thereof.

(2) If no Spring Training Franchise is operating at the Facility during the term of this Agreement either (a) due to modifications to the County's Spring Training Facility Lease and Use Agreement with a Spring Training Franchise, made without DEO's prior consent, or (b) due to the departure of the Spring Training Franchise resulting from a breach of contract by the County as determined by an administrative tribunal or a court of competent jurisdiction, and if DEO does not receive adequate repayment from the Spring Training Franchise, DEO may impose a financial consequence in an amount up to 100% of the County's remaining monthly distributions received from the State under this Agreement, each month if a Spring Training Franchise is not operating at the Facility, until such time as the County cures, in DEO's sole, reasonable discretion, said breach or default.

Provided, however, the above financial consequence shall terminate if the County enters into a new lease agreement with a replacement Spring Training Franchise, which must be with a major league

baseball Spring Training Franchise and approved by DEO, for a term at least equal to the time remaining on the original Spring Training Franchise Lease and Use Agreement.

(3) If DEO determines that the County has knowingly submitted or certified to information, or knowingly made a representation, that is false, misleading, deceptive, or otherwise untrue, and said submittal, certification, or representation relates to a material provision of this Agreement, DEO shall provide notice of the same to the County. The County shall have 30 days from such notice to respond to DEO's determination. If, following the receipt of the County's response, DEO determines that the County has violated this subsection, DEO may at its option either (a) impose a liquidated financial consequence in an amount up to the County's monthly distributions received from the State under this Agreement for a single month, or (b) pursue any rights and remedies available at law to DEO for the false, misleading, deceptive or otherwise untrue representation. This section shall not in any way limit the rights of DEO under law, including, but not limited to, the right to seek rescission of this Agreement based on fraud in the inducement principles.

(4) Following completion of the facility, which is to occur within 24 months from the project's commencement, as described in s. 288.11631(3)(d)3., F.S., if the County has failed to maintain its financial commitment to provide 50 percent or more of the funds required for the construction or renovation of the Facility, DEO shall provide the County a notice and at least 60 days opportunity to cure the deficiency. If the deficiency is not timely cured, the County shall repay to DEO a pro-rated amount of the total award, calculated by multiplying the percentage of funds not matched by the total award. DEO shall permit the County to make such repayments in equal parts for the remainder of the term of this Agreement.

(c) If the County materially breaches, or defaults under, this Agreement, other than as described in subsections (b)(1)-(4) above, DEO shall provide 60 days written notice to the County, during which time the County shall either enter into a corrective action plan with DEO that must be agreeable to DEO, or the County must otherwise cure the breach. If the County fails to enter into a corrective action plan with DEO, or otherwise cure the breach, or if the County fails to substantially comply with the terms of the corrective action plan, DEO may impose a financial consequence in an amount of up to \$5000 each month, until such time as the County cures, in DEO's sole, reasonable discretion, said breach or default, or begins complying with the corrective action plan agreed to between DEO and the County.

(d) The County and DEO agree that wherever one Spring Training Franchise would be required by section 288.11631, F.S. or by this or any other agreement, including the Spring Training Facility Lease and Use Agreement with the New York Mets, or by other law, to repay to DEO amounts that were or will be provided to the County under this Agreement, DEO must demand such amounts from the Spring Training Franchise.

(e) The sanctions set forth in this section 15 are not sole remedies, and shall be cumulative with any rights and remedies available to DEO under law.

16. SEVERABILITY.

If any term or provision of this Agreement, in whole or in part, is found by a court of competent jurisdiction to be illegal, invalid, or unenforceable, then such term or provision shall be severed from this Agreement. This Agreement and the rights and obligations of the Parties shall be construed as if this Agreement did not contain such severed term or provision, and this Agreement otherwise shall remain in full force and effect.

17. PRESERVATION OF REMEDIES.

No delay or omission to exercise any right, power, or remedy accruing to either Party upon breach or default under this Agreement will impair any such right, power, or remedy of either Party, nor will such delay or omission be construed as a waiver of any such breach or default or any similar breach or default. Any waiver must be in writing and signed by the Party to be charged. No waiver of a right, power, or remedy shall, or shall be construed to, waive any similar or future right, power, or remedy. The rights and remedies available to DEO under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to DEO.

18. DISCRIMINATORY VENDOR.

The County acknowledges the provisions of section 287.134, F.S. The County shall disclose to DEO if any of its affiliates, as defined by section 287.134(1)(a), F.S. appears on the discriminatory vendor list. The County shall ensure provisions in accordance with section 287.143, F.S., are present in all agreements, assignments, leases, contracts, and subcontracts in furtherance of or related to this Agreement which are entered into after the effective date of this Agreement.

19. NON-DISCRIMINATION.

The County shall not discriminate against any employee employed in the performance of this Agreement, or against any applicant for employment because of age, race, sex, creed, color, handicap, national origin, or marital status. The County shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement which are entered into after the effective date of this Agreement.

20. HARASSMENT-FREE WORKPLACE

The County shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management. The County shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement that executed after the effective date of this Agreement.

21. PUBLIC ENTITY CRIMES.

The County affirms that it is aware of the provisions of section 287.133, F.S., and that at no time has the County, its Spring Training Franchise, or its affiliates, as defined by section 287.133(1)(a), F.S., been convicted of a Public Entity Crime. The County agrees that it shall not violate such law. The County shall insert a provision in accordance with this Article and the applicable Florida Statutes in all agreements, assignments, leases, contracts, and subcontracts in connection with or related to this Agreement that are either an agreement with the Spring Training Franchise, or are another agreement and are either amended or executed after the effective date of this Agreement.

22. WARRANTY OF ABILITY TO PERFORM.

The County warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would prohibit, restrain, or diminish the County's or its Spring Training Franchise, beneficiary's or its affiliates' ability to satisfy

its Agreement duties or obligations. The County shall immediately notify DEO in writing if the County's or its Spring Training Franchise's or its affiliates' ability to perform in connection with this Agreement is compromised in any manner during the term of this Agreement.

23. PROMOTION/ADVERTISEMENT OF FACILITY.

The County shall undertake reasonable efforts to promote and advertise the Facility.

24. LOBBYING.

(a) Pursuant to sections 11.062 and 216.347, F.S., the County shall not use any funds received under this Agreement for lobbying the Legislature, the judicial branch, or any state agency.

(b) The County will keep DEO apprised of any requests for testimony or its participation in any Congressional, legislative and other State or Federal hearings, or agency, committee, or task force meetings or the like, related to this Agreement.

(c) The County shall insert a provision in accordance with this Article, in all agreements, assignments, leases, contracts, or subcontracts related to this Agreement or for which funds distributed pursuant to this Agreement are to be expended, that are either an agreement with the Spring Training Franchise, or are another agreement and are either amended or executed after the effective date of this Agreement.

25. ATTORNEY FEES.

DEO shall not be liable to pay attorney fees, interest, expenses or cost of collection in conjunction with this Agreement.

26. NON-ASSIGNMENT.

(a) Except as otherwise provided in this Agreement, neither party may assign, delegate, nor otherwise transfer its rights, duties, or obligations under this Agreement without the prior written consent of the other Party, which consent will not be unreasonably delayed, conditioned or withheld. Any assignment, delegation, or transfer in violation of this Article is void *ab initio*. In the event DEO approves an assignment, delegation or transfer of the v's obligations under this Agreement, the County hereby agrees that it shall remain responsible for all work performed and all expenses incurred in connection with this Agreement, regardless of such an assignment, delegation, or transfer. In addition, this Agreement shall bind the successors, assigns or legal representatives of the County.

(b) Notwithstanding Article 26(a) above, DEO shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to another governmental agency in the State of Florida, upon giving 30 days prior written notice to the County. This Agreement shall bind the successors, assigns or legal representatives of DEO and the State of Florida.

27. RENEGOTIATION AND AMENDMENTS.

The Parties agree to renegotiate this Agreement if Federal and/or State revisions of any applicable laws or regulations make changes to this Agreement necessary. In addition to changes necessitated

by law, DEO may at any time, with written notice to the County, make changes within the general scope of this Agreement. Such changes may include modification of the requirements, changes to processing procedures, or other changes as decided by DEO. Any investigation necessary to determine the impact of any such change(s) shall be the responsibility of the County. Amendments to or modifications of this Agreement shall only be valid when such change(s) are in writing and duly executed by all Parties. Any such change(s) shall become effective upon the date of execution of both Parties or such later date as may be specified therein.

28. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.

Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay or failure to perform from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay or failure to perform is excusable under this paragraph, the delay or failure to perform will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay or failure to perform the County believes is excusable under this paragraph, the County shall notify DEO in writing of the delay, potential delay, potential inability to perform, or failure to perform and describe the cause of such either: (1) within ten calendar days after the cause that creates or will create the delay or nonperformance first arose, if the County could reasonably foresee that a delay or nonperformance could occur as a result; or (2) within five calendar days after the date Grantee first had reason to believe that a delay or nonperformance could result, if the delay or nonperformance is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. ADDITIONALLY, THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO NONPERFORMANCE BASED ON AN EVENT OF FORCE MAJEURE.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay or nonperformance is excusable under this paragraph and will notify the County of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against DEO. The County shall not be entitled to an increase in the Agreement distribution amount of any kind from DEO for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If the County's performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, the County shall perform per the terms of this Agreement, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance from the County, provided the County grants preferential treatment to DEO with respect to any such allocation; (2) terminate the Agreement in whole or in part; or (3) pursue any other rights or remedies provided by law or under the Agreement.

29. AUTHORITY OF THE COUNTY'S SIGNATORY.

Upon execution, the County shall return executed copies of this Agreement in accordance with the instructions provided by DEO along with documentation ensuring that the below signatory has

authority to bind the County to this Agreement as of the date of execution. Documentation may be in the form of a legal opinion from the County's attorney, or other reliable documentation demonstrating such authority, and is hereby incorporated by reference. DEO may, in its discretion, request additional documentation related to the below signatory's authority to bind the County to this Agreement.

30. NO THIRD PARTY BENEFICIARIES.

Nothing in this Agreement, express or implied, is intended to either: (a) confer upon any third person or entity, other than the Parties and their permitted successors and assigns hereto, any rights or remedies under or by reason of the terms and conditions of this Agreement as a third party beneficiary or otherwise, except as may be specifically provided for in this Agreement; or (b) authorize any person or entity not a party to this Agreement to maintain any legal action or bring any claim for its benefit, pursuant to or based upon the terms and conditions of this Agreement.

31. INFORMATION RELEASE AND ADVERTISING.

DEO does not endorse any commodity, service, project, or entity. Subject to chapters 119 and 286, F.S., the County shall not publicly disclose or disseminate any information concerning this Agreement without prior written approval from DEO, including, but not limited to mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking the County and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any entity that is not a Party to this Agreement, except potential or actual authorized contractors, subcontractors, distributors, dealers, resellers, or service representatives.

32. CONFLICT OF INTEREST.

This Agreement and the use of funds distributed pursuant to this Agreement are subject to chapter 112, F.S. The County shall disclose the name of any officer, director, employee, or other agent of the County, who is also an employee of the State. The County shall disclose the name of any County employee or agent who owns, directly or indirectly, more than 5 percent of the total assets or capital stock of any business entity or its affiliates receiving funds from this Agreement.

33. [INTENTIONALLY LEFT BLANK]

34. RETURN OR RECOUPMENT OF FUNDS.

(a) The County shall return to DEO any overpayments (funds paid in excess of the amount to which the County is entitled under the terms and conditions of this Agreement) distributed to the County. If the County or its independent auditor discovers an overpayment has been made, the County shall repay said overpayment within 60 calendar days without prior notification from DEO. If DEO first discovers an overpayment has been made, DEO will notify the County by letter. DEO shall be entitled to charge interest at the lawful rate of interest on the outstanding balance beginning 61 calendar days after the date of DEO's notification or the County's or its auditor's discovery. The County shall send repayments to DEO's Agreement Manager, and make checks payable to the "Department of Economic Opportunity."

(b) The Parties acknowledge that s. 17.0415, Florida Statutes, permits the Chief Financial Officer of the State of Florida to assign claims among the state, its agencies, and its subdivisions, whether arising from criminal, civil, or other judgments in state or federal court.

35. [INTENTIONALLY LEFT BLANK]

36. EXECUTION IN COUNTERPARTS.

This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

37. ENTIRE AGREEMENT.

This Agreement and the Attachments and Exhibits attached hereto constitute the complete and exclusive statement of conditions of the Agreement and supersedes and replaces any and all prior negotiations, understandings, and agreements, whether oral or written, between the Parties with respect thereto. Except as expressly provided in this Agreement, no term, condition, usage of trade, course of dealing or performance, understanding of agreement purporting to modify, vary, explain or supplement the provisions of this Agreement shall be effective or binding upon the Parties unless agreed to in writing.

IN WITNESS HEREOF, and in consideration of the mutual covenants set forth above and in the Attachments and Exhibits hereto, the Parties have caused to be executed this Agreement by their undersigned duly authorized officials. By signature below, both Parties agree to abide by the terms, conditions, and provisions of this Agreement.

ATTACHMENT A AUDIT REQUIREMENTS

The administration of resources awarded by DEO to the recipient may be subject to audits and/or monitoring by DEO as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by DEO staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. Exhibit 1 to this agreement indicates Federal resources awarded through DEO by this agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from DEO. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from the recipient resources obtained from other than Federal entities).

4. Title 2 CFR part 200, entitled *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, also known as the Super Circular, supersedes and consolidates the requirements of OMB Circulars A-21, A-87, A-110, A-122, A-89, A-102 and A-133 and is effective for Federal awards or increments of awards issued on or after December 26, 2014. Please refer to title 2 CFR part 200 for revised definitions, reporting requirements and auditing thresholds referenced in this Attachment and Agreement accordingly.

PART II: STATE FUNDED

This part is applicable if the recipient is a non-state entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient (for fiscal years ending September 30, 2004 or thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. Exhibit 1 to this agreement indicates state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from DEO, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004 or thereafter), an audit conducted in accordance with the provisions of section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

III. Monthly Activity Summary – July 2019

2019

July

- HPM submitted an initial list of VE items for review by Barton Malow and SFS. The team has reviewed the elevator modernization scope and the SLC office space scope for potential cost savings/VE opportunities
- SLC continues to coordinate with Irwin (seating manufacturer) and SFS to ensure accurate seat counts, size, location and numbering for delivery and installation. Barton Malow is coordinating the demolition, traffic coating and railing installation
- The electric utilities submeter at the Barwis space is installed. Training and operations of the equipment will begin in August
- HPM met with SLC staff and recommended minor revisions to the landlord improvements (office area for SLC, Tourism and Treasure Coast Sports Commission). SFS indicated the office revisions are a minor credit (\$3K), (SLC funded item #4, \$127k) specifically electrical and plumbing to revise a janitorial close to a storage room
- ODP tax savings target of \$150,000 was achieved. SFS and SLC are negotiating terms to increase the tax savings target for additional savings and to each split these additional savings 50-50. In addition the threshold for minimum tax purchasing is lowered to \$10k ilo \$50k. SFS and BM have been asked to provide an estimate of what materials are left to be purchased in the agreement and recommend a new target goal
- SLC is working on cleaning out and maintaining the lower bowl storm drainage system
- Issue #11- #13 drawings were submitted to SLC and are part of the project docs

Such maintenance shall include but not be limited to the preparation and maintenance of the surface of and the marking of lines on the playing fields; seeding, mowing, watering, and raking the grassy areas of the playing fields and vicinity; maintenance and painting of structures including outfield fences and batters' background; cleaning and maintaining public rest room facilities, clubhouses, and offices at the Stadium; collecting and disposing of trash; cleaning and painting all spectator areas at its own expense; maintaining parking areas; cleaning and maintaining (or causing to be cleaned and maintained) all Concession Facilities; maintaining the landscaping; and maintaining the public address system. The Partnership shall also be responsible for all capital improvements and capital repairs (including maintenance to structural components and marquees) to the Premises, excluding the Pedestrian Walk Over, responsibility for which is provided at Article 5.2 hereof.

5.2 TSA's Maintenance Responsibilities. TSA shall have sole responsibility for maintaining the Pedestrian Walk Over, provided that the Partnership shall reimburse TSA for fifty percent (50%) of the cost of such maintenance. TSA shall also have sole responsibility for the maintenance of the entire Premises in connection with any game and/or event sponsored by TSA.

5.3 Cooperation. The Partnership and TSA shall consult with each other regularly and shall cooperate fully with each other concerning their respective maintenance obligations. TSA and the Partnership shall share equally the maintenance of the Premises used for jointly sponsored events.

5.4 Capital Improvements. Except as provided in this Article and as provided in Article 5.2 above, the Partnership shall be solely responsible for the cost of any capital improvements to the Premises. TSA shall be solely responsible for capital improvements to the Pedestrian Walk Over, provided that the Partnership shall reimburse TSA for fifty percent (50%) of the cost of such capital improvements. Notwithstanding the preceding sentence, TSA shall be solely responsible for the cost of all modifications to the Pedestrian Walk Over, including but not limited to its access ramps, stairs and walkways, which in the reasonable judgment of TSA are necessary or appropriate as a result of the reconfiguration, relocation, construction or reconstruction of the surface level or multi-level parking areas at the facility currently known as Raymond James Stadium and/or the exercise by TSA or the Tampa Bay Buccaneers or their successors or assigns of any development rights as set forth in the Buccaneer Documents. Any such modifications shall be subject to the written approval of the Partnership, and all other capital improvements, whether the responsibility of the Partnership or TSA, must be agreeable to TSA and the Partnership prior to the commencement of the same. All approved capital improvements shall be of comparable quality to the improvements being improved or replaced. It is expressly understood by the parties that the Partnership's capital improvements shall not include any responsibility to correct or repair any part of the original construction constituting punch list work, warranty work or latent defects.

ARTICLE VI
SECURITY AND UTILITIES

6.1 **Security.** The Partnership shall be responsible for security on the entire Premises, provided that TSA shall be responsible for providing at its expense security inside and outside the Stadium for games and/or events at the Premises sponsored by TSA.

6.2 **Utilities.** The Partnership shall be responsible for payment of all utilities serving the Premises, provided that TSA shall be responsible for the payment of its proportionate share of utilities for games and/or events at the Premises sponsored by TSA.

ARTICLE VII
CONCESSION/NOVELTIES

7.1 **Concessions.** Unless mutually agreed otherwise, the Partnership shall have full control of, and rights to, any and all concession sales on the Premises, regardless of whether the event is sponsored or operated individually or jointly by the Partnership, TSA, and/or a third party. However, there shall be no concessions sales anywhere on the Premises, other than by virtue of a restaurant operated in the Stadium by or through the Partnership, or through private event catering, during events held at the facility currently known as Raymond James Stadium unless an event is also being held on the Premises, in which case the Partnership shall have full concession rights. The Partnership's concession rights shall not extend to the off-Premises concessions and concession sales on property owned or controlled by TSA before, during, and after any event held on the Premises. The Partnership's concession rights shall include, but shall not be limited to, vendor and concessionaire selection, food, beverage and merchandise selection, terms of sale,

quality of service, and all other aspects of operating the concession sales. All proceeds from the concession sales shall belong to the Partnership. The Partnership shall be responsible for all expenses (including trash handling and removal) associated with the concession sales. TSA agrees not to operate its concession facilities off the Premises during events held on the Premises, unless there is an event being held by TSA simultaneously off the Premises.

7.2 Novelties. The Parties acknowledge and agree that event-related novelties (such as, without limitation, T-shirts and hats) are not concession items. All proceeds from the sale of the Partnership's, the Yankees', the Affiliates, or any other novelties shall at all times belong to the Partnership, regardless of who sponsors the event giving rise to the sale. The Partnership may sell Partnership's, Yankees' or Affiliates' novelties on the Premises, but not on the Himes Facility during events held at Tampa Stadium or its parking areas.

7.3 Alcoholic Beverage Zoning and Alcoholic Beverage Licensing. The Parties acknowledge that certain of the Premises, such as the Concession Facilities, may engage in the sale of alcoholic beverages. The Parties further acknowledge that the ability to sell alcoholic beverages at the Premises is an activity typically conducted in professional baseball facilities. Therefore, TSA and the County agree that the Partnership shall be allowed to apply for alcoholic beverage zoning so that alcoholic beverages may be sold from the Concession Facilities for consumption on the Premises only, during such hours of operation as the Partnership may choose from time to time, subject to the Scheduling and Parking Agreement. The Partnership's opportunities in this regard constitute a material part of this Agreement, therefore TSA and the County agree that they shall take no action or file any documents with any public official or governmental agency which would serve to prohibit or limit the right of the Partnership to obtain alcoholic beverage

zoning and alcoholic beverage licenses from the appropriate governmental authorities, provided Partnership complies with all applicable laws, ordinances, rules and regulations. In addition, TSA and the County agree to promptly execute any applications or consents thereto that may be reasonably requested by the Partnership for the purpose of obtaining alcoholic beverage zoning so that alcoholic beverages may be sold at the Premises. TSA and the County shall have the right and option to attend any and all public hearings for alcoholic beverage zoning and the Partnership shall give TSA and the County reasonable and adequate prior notice of all public hearings and copies of all applications for alcoholic beverage zoning. The timing with respect to the applications for such alcoholic beverage zoning shall be determined by the Partnership, in its sole discretion, after consultation with TSA and County. In addition, the Partnership shall have the sole right to determine whether to extend application periods or to continue any such hearings to a subsequent date. To the extent required by any appropriate governmental agency, TSA and the County agree to execute any appointments of agents of record to appear at any such public hearings which agents of record shall be reasonably approved by the Partnership. All application fees for alcoholic beverage zoning and alcoholic beverage licensing, and all expenses in connection therewith, shall be the sole expense of the Partnership. Unless required by law and after consultation with Partnership, TSA and the County shall not consent to or accept any conditions in alcoholic beverage zoning approvals that materially and adversely affect the Partnership's proposed use of the Premises and sale of alcoholic beverages. TSA and the County shall cooperate with the Partnership with respect to all such applications and shall take no action inconsistent with the applications made by the Partnership as long as said applications conform with the uses described in this Agreement and provided that Partnership has in full force and effect the Liquor Liability Insurance policy as required by Article 14.6 below.

It is expressly understood and agreed by Partnership that Partnership shall be solely responsible for the securing of all necessary zoning, special use and other approvals required for the sale and/or consumption of alcoholic beverages at the Premises.

7.4 Brochures, Schedules, Newsletters, and Promotional Material. The Partnership shall have the exclusive right to publish and sell or give away brochures, schedules, newsletters, programs, yearbooks, and any other promotional materials and any other publications or written material relating to the Premises and games, events, and activities therein, except as otherwise provided in the Joint Use and Maintenance Agreement, and further except with respect to any events jointly sponsored by the Partnership and TSA, in which case the Partnership and TSA shall share such right equally.

ARTICLE VII **ADVERTISING AND BROADCASTING RIGHTS**

8.1 Advertising. The Partnership shall have the exclusive right to sell or otherwise commercially exploit all advertising and sponsorship opportunities and shall be paid all Advertising Revenues generated within the Premises, including, without limitation, all Advertising Revenues from the informational signs and marquees to be placed by the Partnership anywhere within the Premises, including without limitation inside or on the outside walls of the Stadium and Community Use Field. Such rights shall include the Partnership's right to name the Stadium and/or to sell or lease the Stadium name and/or signature and to receive any and all revenues and other proceeds therefrom. Notwithstanding the foregoing, TSA retains the right to place billboards or the functional equivalent on the Premises between the Stadium and both Dale Mabry Highway and Dr. Martin Luther King Boulevard and between the Community Use Field and Dale Mabry Highway, to

place advertisements or promotions thereon and to receive and retain all advertising revenue therefrom. However, the placement of such advertising by TSA shall not unreasonably interfere with the advertising, signage and/or marquee rights of the Partnership.

8.2 Television and Broadcasting Rights. The Partnership shall have the exclusive right to contract or arrange for broadcasting and/or publication of baseball games and other events held on the Premises, including but not limited to broadcast, reproduction, transmittal or dissemination by means of radio, television (whether by over-the-air telecasts or through the medium now commonly referred to as "pay television", "CATV", or "closed circuit television"), internet, or similar device or arrangement. TSA shall receive no revenues from the Partnership's broadcast or televising of any events sponsored by the Partnership on the Premises, nor shall TSA participate, in any manner, in determining when or whether said events shall be televised or broadcast. All revenues from television or broadcasting shall be the exclusive property of the Partnership.

8.3 MLB Rights. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.

ARTICLE IX PARKING

9.1 Joint Use and Maintenance Agreement. In 1995, HCC purchased approximately 5.5 acres of the Land initially included in the Premises to be utilized for parking for itself, the Partnership, and TSA. Those three parties and the County subsequently entered into the Joint Use and Maintenance Agreement. The

provisions of the Joint Use and Maintenance Agreement, in combination with this Article IX, shall govern the Partnership and TSA with respect to the matters contained therein.

9.2 Parking Rights and Obligations. The Partnership shall have sole control of the parking of motor vehicles at all the parking areas located on or within the Premises and, with prior notice to TSA, any off-Premises additional parking areas owned or controlled by TSA and determined necessary by the Partnership, in its discretion, for its use for Spring Training games. The Partnership may also utilize the off-Premises parking areas owned or controlled by TSA for use during Minor League games and other events sponsored by the Partnership on the Premises, with TSA's prior consent. The Partnership's control of parking shall include the Partnership's sole discretion whether to charge a fee for parking as well as the amount of said fee, if any. Except as provided in this paragraph, the Partnership shall own and derive all revenue, if any, from the operation of such parking facilities, as well as be responsible for associated costs and obligations thereof (such as security, maintenance and clean-up), and the Partnership shall provide and hire all parking attendants in the number deemed appropriate by the Partnership. TSA and Partnership shall share equally the parking revenues and shall bear equally the obligations (such as security, attendants, maintenance and clean-up) and costs associated with parking for events jointly sponsored by TSA and Partnership at the Premises, and TSA alone shall receive the parking revenues and shall bear the obligations and costs associated with parking for games and/or events solely sponsored by TSA, either at the Premises or on other property owned or controlled by TSA.

ARTICLE X
TAXES

10.1 Sales and Personal Property Taxes. The Partnership agrees to pay, before delinquency, any and all lawful taxes of whatever kind or nature levied or assessed and which become payable during the Term upon Partnership's equipment, furniture, fixtures, and other personal and intangible property located in the Premises, and shall also pay any and all sales, use, excise, or similar taxes which arise from or relate to the payments required hereunder. Notwithstanding the foregoing, TSA shall cooperate with the Partnership by taking all reasonable action requested by the Partnership to reduce taxes so long as such activities do not shift the tax responsibility to TSA or otherwise subject TSA to any adverse consequences. Partnership shall indemnify, defend and hold harmless TSA for all costs, claims and expenses arising from or relating to any such action taken in response to a request by Partnership. All applicable taxes shall be paid as required by law.

10.2 Real Estate Taxes. It is the intent of the Parties that TSA, the County, the Premises, and the uses granted hereunder of the Premises are immune from real estate ad valorem taxation, and that there shall be no real estate tax imposed upon any party with respect to the Partnership's use of the Premises or rights in this Agreement. However, to the extent that the Premises, the Partnership's right to use the same or the Partnership's rights to this Agreement are not immune from taxation, the Partnership agrees to pay the lawful taxes, assessments, or charges which at any time may be levied by any federal, state, county, city or any tax or assessment levying body against the Partnership upon the Premises or any interest in this Agreement or any possessory right which the Partnership may have in or to the Premises or the Improvements by reason of the Partnership's use or occupancy

thereof. Notwithstanding the foregoing provisions, the Partnership shall, after notifying TSA and the County of its intention to do so, have the right, in its own name or behalf, or in the name and behalf of TSA, to contest in good faith by all appropriate proceedings, the amount, applicability, or validity of any such tax or assessment. In connection with such contest, the Partnership may refrain from paying any tax or assessment so long as such contest will not, in the opinion of TSA's and the County's attorneys, which opinions shall be in writing and addressed to the Partnership, subject any part of the Premises to forfeiture or loss, in which event such taxes, assessments or charges will be paid promptly.

Upon reasonable request of the Partnership, TSA and the County shall assist the Partnership in contesting the legality, validity, and/or amount of such tax or assessment, provided that TSA's and County's assistance shall not extend to those facilities that are not used for the uses as set forth in Article 2.2 above. Moreover, TSA and the County shall take any and all action necessary to cause the Premises and/or the Partnership's rights to use the same and in this Agreement to not be subject to ad valorem taxation, with such actions to include, but not be limited to, maintaining title in the Premises to the County. As the sole remedy available to Partnership, TSA agrees to pay or to reimburse the Partnership with respect to ad valorem taxation in the event TSA or the County fail to take action as set forth in this paragraph. Otherwise, if due to reasons other than failure of the County or TSA to fulfill their obligations under the preceding sentences of this Article 10.2 (eg., change in the law), should the Partnership ultimately be held to be responsible for ad valorem taxes for the Premises, its use of the same, or because of this Agreement, then TSA shall reimburse the Partnership for the lesser of fifty percent (50%) of the Partnership's maintenance cost on the Premises or fifty percent (50%) of the ad valorem taxes and applicable interest and penalties, if any, payable by the

Partnership and the same percentage of costs associated with contesting any tax assessment described in this Article 10.2 for the uses as set forth in Article 2.2 above. Notwithstanding the foregoing provisions of this Article 10.2, neither TSA nor County shall be obligated to take any position or action which it, in good faith, believes not to be supported by the law.

10.3 Restaurant Taxes. The Partnership agrees to pay, in full, any and all taxes of whatever kind which results from the use and/or operation of any restaurant(s) to be located on or within the Premises.

ARTICLE XI PERSONAL PROPERTY

All non-fixtures (that is, for example, batting cages, pitching machines, office furniture) placed or moved upon the Premises by the Partnership or the Affiliates and owned by the Partnership or the Affiliates prior to such placement or movement shall continue to be owned and used by the Partnership or the Affiliates at their risk; provided that TSA shall be liable for any damage or injuries caused to or by such non-fixtures as a result of the negligent handling or use of such non-fixtures by TSA or its employees, agents, or invitees. The Partnership and the Affiliates shall have the exclusive use of such personal property which upon expiration of this Agreement shall remain the personal property of the Partnership or Affiliates.

ARTICLE XII INDEMNIFICATION

12.1 Indemnification by TSA. TSA agrees, to the extent permitted by the Florida Constitution and subject to the limits provided for in Section 768.28, Florida Statutes, to indemnify, defend, and hold harmless the Partnership, its

general and limited partners, its officers, employees and agents, successors, and assigns (each an "Indemnitee") from and against, and to reimburse such Indemnitee with respect to, any and all losses, damages, liabilities, costs, or expenses (including reasonable attorneys' and professionals' fees and disbursements) solely and directly arising out of or resulting from any negligent act or willful misconduct of TSA, its officers, employees, or agents done in the performance of this Agreement or the default of any provision hereof.

12.2 Indemnification by Partnership. The Partnership agrees to indemnify and hold harmless TSA and the County, their officers, agents and employees against any and all damages, claims, losses, liabilities and expenses (including, but not limited to, reasonable legal fees and disbursements including reasonable legal fees to enforce this indemnification) caused by, in connection with or arising out of or resulting from any negligent act or willful misconduct of the Partnership or its partners, employees, officers or agents done in the performance of this Agreement or the default of any provisions hereof.

12.3 Limitation on Tort Liability. Notwithstanding the foregoing provisions, the indemnity obligations of TSA and the Partnership under this Article XII as they relate to the amount of damages claimed by a third party are limited to available insurance coverages with respect to personal injury tort liability claims so long as such insurance coverages are maintained in accordance with this Agreement.

ARTICLE XIII **DAMAGE BY FIRE OR OTHER CASUALTY**

13.1 Repair or Termination. If the Premises or a portion thereof at any time during the Term of this Agreement is damaged by fire or other casualty not

caused by acts or omissions of the Partnership, its agents, or employees, and if such fire or other casualty renders the Premises, or any portion thereof untenable or unusable for the purposes for which they were designed and intended for a period exceeding 180 days, then the Partnership may terminate this Agreement, and the Parties shall thereupon be relieved of any further obligations under this Agreement. If the Partnership does not exercise its option to terminate this Agreement, TSA at its expense shall repair the damage out of insurance proceeds and any other funds it has available for such purpose so as to restore the Premises to substantially their condition immediately prior to such fire or other casualty, in accordance with then existing laws, ordinances, building codes and other governmental regulations or restrictions. TSA shall cause such repairs and restoration to commence promptly and to proceed diligently to completion, subject to reasonable delays beyond its control. The provisions of Article 14.12 hereof shall apply in either the event of termination or non-termination.

13.2 Payments Not Abated. During any period beginning with the occurrence of any damage or destruction by fire or other casualty which renders any part of the Premises untenable or unusable for the purposes for which they were designed and intended and ending upon completion of the work of repair and restoration, the payments to TSA and the County under Article IV of this Agreement shall not be abated, it being understood by the Partnership that it may fund such payments from the proceeds of the insurance required under Article XIV hereof. Further during such period, the other obligations of the Parties under this Agreement shall be suspended to an extent appropriate in light of the part, if any, of the Premises being used by the Partnership.

ARTICLE XIV
INSURANCE

14.1 General Application. Throughout the Term of this Agreement, the Partnership shall provide, pay for, and maintain with insurance companies satisfactory to TSA the insurance coverages and limits required of it in this Agreement. TSA will also, during the Term of this Agreement, provide, pay for, and maintain with insurance companies satisfactory to the Partnership the insurance coverages and limits required of it in this Agreement.

14.2 Additional Insureds. The Partnership shall have TSA and County endorsed to all its Liability Policies, other than its Workers' Compensation and Employer's Liability Coverage, as additional insureds for Partnership operations under this Agreement. TSA will have the Partnership and County endorsed to all its Liability Policies, other than its Workers' Compensation and Employer's Liability Coverage, as additional insureds for TSA operations under this Agreement.

14.3 Waiver of Subrogation. Under all Property Insurance Policies, the Partnership shall have its insurance companies waive their rights of subrogation against TSA, and TSA shall have its Property Insurance companies waive their rights of subrogation against the Partnership.

14.4 Certificates of Insurance. Certificates of Insurance (the "Certificates") evidencing the insurance coverages and limits required in this Agreement shall be provided to each Party by the other. The Certificates shall be executed by an authorized representative of the insurance companies shown on the Certificates with written proof for each insurance company that he/she is their authorized representative and authorized to execute the Certificate on their behalf. TSA and

County have their own Certificates that must be used for this purpose. A certified, true, and exact copy of the insurance policies required by this Agreement will be accepted in place of a Certificate if properly endorsed to cover the Insurance Requirements herein. Within ten (10) days prior to expiration of existing policies, each Party shall provide the other Parties with a replacement Certificate.

14.5 Notice of Cancellation. The Parties shall provide the other Parties at least thirty (30) days written notice of cancellation by certified or registered mail.

14.6 Commercial General Liability Insurance (Partnership). Partnership shall maintain Commercial General Liability Insurance including, but not limited to: Premises & Operations, Personal & Advertising Injury, Contractual Liability, Independent Contractors, Products-Completed Operations, and Liquor Liability Coverages and shall not exclude the Explosion, Collapse, and Underground Property Damages Liability Coverages. Coverage limits shall not be less than Five Million dollars (\$5,000,000.00) combined Bodily Injury, Personal Injury, and Property Damage per occurrence and Five Million dollars (\$5,000,000.00) in the aggregate. In addition, either as part of the Commercial General Liability policy or as a separate policy, Partnership shall maintain business interruption or loss coverage with coverage limits not less than Five Million dollars (\$5,000,000.00).

14.7 Commercial General Liability Insurance (TSA). TSA shall maintain the same Commercial General Liability Insurance as provided in Section 14.6 above, except for the Liquor Liability Coverages.

14.8 Workers' Compensation and Employer's Liability Insurance. Throughout the Term of this Agreement, the Partnership and TSA shall maintain Workers' Compensation Insurance as required by Florida laws and Employer's Liability Insurance with limits of not less than:

Limit Each Accident	\$1,000,000.00
Limit Disease Aggregate	\$1,000,000.00
Limit Disease Each Employee	\$1,000,000.00

14.9 Business Automobile Insurance. Throughout the Term of this Agreement, the Partnership and TSA shall maintain Automobile Liability Insurance for all of their owned, non-owned, or hired vehicles to be used in the performance of this Agreement according to Florida laws, with a combined single limit for Bodily Injury and Property Damage of not less than:

Combined Single Limit Each Accident	\$1,000,000.00
-------------------------------------	----------------

14.10 Builder's Risk and Other Insurance. Prior to the commencement of any construction on the Premises by either TSA or the Partnership, the Party causing the construction will obtain Builder's Risk insurance in the amount of the construction cost of the improvements and will cause the other Party and the County to be named as additional insureds. A Certificate shall be filed with the other Parties prior to the commencement of construction.

14.11 Payment and Performance Bonds. Prior to commencement of any construction on the Premises, the Party causing the construction will furnish to the other Parties a copy of a payment and performance bond acceptable to the other Parties, issued by a surety company authorized to do business in Florida, naming the other Parties as dual or co-obligees, in the amount of the construction cost.

14.12 Fire & Allied Property Insurance. Throughout the Term of this Agreement, the Partnership shall at its expense insure at replacement cost, including debris removal and building and ordinance coverages, the Premises

against loss or damage by or from, but not limited to, the following causes of loss: fire, lightning, windstorm, hail, riot, riot attending a strike; civil commotion, explosion, smoke, aircraft, vehicles, vandalism and malicious mischief, flood and earthquake. Any deductible must be agreed to in writing by TSA. The County and TSA shall be named as additional insureds. A Certificate shall be provided to TSA and the County evidencing the required coverages. If the Partnership elects to terminate this Agreement pursuant to Article XIII above, TSA and the County shall be entitled to insurance proceeds up to the amount necessary to pay the Bond Repayment (hereinafter defined); otherwise, if the Partnership does not elect to terminate this Agreement, said insurance proceeds shall be used to rebuild the Improvements. Any insurance proceeds remaining after payment of the Bond Repayment or after rebuilding the Improvements shall belong solely to the Partnership.

14.13 Boiler & Machinery Insurance. Throughout the Term of this Agreement, the Partnership shall at its expense, insure the repair or replacement value on a Comprehensive Boiler and Machinery Policy, against loss, damage, or breakdown of the following machinery and equipment, contained in the Premises or outside if servicing such Premises: steam boilers, steam and water pipes, steam engines, and other steam pressure vessels and all electric and lighting systems including transformers, scoreboards, and miscellaneous electrical apparatus. The Partnership, County and TSA shall be named as additional insureds with rights to 45 days notice of intent to cancel. A Certificate shall be provided to TSA and the County evidencing the required coverages.

14.14 Pedestrian Walk Over. It shall be TSA's responsibility to obtain Liability and Property Insurance Coverage for the entire Pedestrian Walk Over either as part of its overall insurance program or through a specific insurance

program for the Pedestrian Walk Over. Partnership shall reimburse TSA for fifty percent (50%) of the premium cost and any deductible or self insurance paid by TSA. If, however, the Partnership elects, in its sole discretion, to assume responsibility for providing such insurance coverage, which coverage must be acceptable to TSA, then TSA shall reimburse Partnership with respect to fifty percent (50%) of the premium cost of such insurance and of any deductible or self insurance paid by Partnership within fifteen (15) days after the Partnership provides TSA with a written request for payment of the same. The Partnership, County and TSA shall be named as additional insureds with respect to such insurance with rights to 45 days notice of intent to cancel. A Certificate shall be provided to the Parties evidencing the coverage required in this paragraph.

ARTICLE XV BREACH OR DEFAULT

15.1 Breach or Default. The failure or refusal by any Party to abide by any obligation, duty, covenant, or agreement set forth herein shall constitute a breach or default of this Agreement.

15.2 Notice of Default and Opportunity to Cure. In the event there is a breach or default under this Agreement by a Party, including a failure on its part once or repeatedly to perform any of its obligations, duties, covenants, agreements, or conditions hereunder, the breaching Party agrees to expeditiously remedy such breach or default. If such breach or default continues for a reasonable period of time, not to exceed five (5) business days, after service by the non-breaching Party of written notice of the breach or default (provided, that a repeated breach of the same obligations, duty, covenant, agreement, or condition shall eliminate the cure period and be cause for immediate remedy), the non-breaching Party may, at its sole election, either: (i) thereafter remedy such breach or default and the breaching

Party shall make reimbursement for the cost thereof within fifteen (15) days of receipt by the breaching Party of billing for the same, (ii) pursue damages or injunctive relief for such breach or default, or (iii) with respect to a material breach or material default for which an action for damages or injunctive relief would not be a sufficient remedy, terminate this Agreement for such "cause". The above five (5) day cure period may be extended for events not curable with a five (5) day period so long as the Party effectuating the cure is diligently pursuing the same and has a reasonable chance of succeeding; provided that in no event shall such extended cure period continue for more than thirty (30) additional days, or such longer period as the Parties shall agree.

15.3 Remedies. Except as expressly provided for in this Subsection 15.3, the specified remedies to which the Parties may resort under the terms of this Agreement are cumulative and not intended to be exclusive of any other remedies or means of redress to which they may be lawfully entitled in case of any breach or default or threatened breach or default by any Party to this Agreement. With respect only to a breach or default by the Partnership resulting from a relocation of the Yankees from the Premises prior to the expiration of the Term for any reason (a "Relocation"), TSA and the County shall be entitled to all available remedies, at law or equity, including injunctive relief, until such time as the Partnership has paid the three (3) monetary amounts as described in this Section 15.3. First, the Partnership shall immediately remit to TSA or the County, as the case may be, an amount sufficient to repay the then outstanding principal balance of the Bonds, including interest and redemption premiums to the nearest call date, together with all fees and expenses incidental thereto (the "Bond Repayment"). Second, the Partnership shall immediately reimburse the State of Florida for any state funds expended on the Premises pursuant to the Facility Renovation Agreement in

accordance with, and only to the extent required by, Section 288.11631(2)(a)2, Florida Statutes (the "State Reimbursement"); it being the intention of the Parties that the State Reimbursement shall not result in a double payment or windfall to County or TSA. Third, the Partnership shall adequately compensate TSA and the County for the actual damages resulting from the Relocation. In connection with the payment of the third monetary amount, the Parties agree that separate and apart from the Bond Repayment and the State Reimbursement, the actual damages to TSA and the County resulting from a Relocation will be difficult or impossible to ascertain; therefore, in lieu of actual damages, the Partnership shall immediately remit to TSA or the County, as directed by TSA, fixed and agreed upon liquidated damages in an amount equal to the product of Five Hundred Thousand Dollars (\$500,000) times the number of years or fraction thereof remaining in the Term. It is acknowledged and agreed by the Parties that the amounts payable under this Section 15.3 shall, in no event, be considered as a penalty or otherwise than as liquidated damages to TSA and the County because of a Relocation. Upon full and timely payment of the three (3) monetary amounts set forth above in this Section 15.3, the Partnership's breach and default due to a Relocation shall be deemed cured and this Agreement shall be deemed terminated. Further, upon such termination, all rights, entitlements and privileges of the Partnership relating to the GMS Facility, this Agreement or the Joint Use and Maintenance Agreement shall become null and void. The Parties acknowledge that a relocation of the Yankees from the Premises prior to the expiration of the Term as a result of (i) the Partnership's termination of this Agreement for cause as provided for in Section 15.2, (ii) the Partnership's termination of this Agreement in accordance with Section 13.1, (iii) the termination of this Agreement by operation of Section 20.2, or (iv) the Partnership's termination of this Agreement in accordance with Section 20.3, shall not constitute a breach or default by Partnership under this Agreement.

15.4 No Termination During Spring Training. Notwithstanding any provision of this Agreement to the contrary, neither TSA nor County may, as a result of a breach or default by Partnership, terminate this Agreement before the 10th day after the last day of Spring Training occurring in the calendar year during which the right to terminate is invoked by TSA or the County.

ARTICLE XVI
NON-RECOURSE (NO LIABILITY FOR PARTNERS)

No partner of the Partnership, including but not limited to any general partner and the managing general partner, shall have any personal liability with respect to the Partnership's obligations hereunder by reason of his, her, or its status as partner. This Article XVI shall not apply, however, and shall be rendered null and void in the event either (i) fifty percent (50%) or more of the Yankees is sold or otherwise transferred by the Partnership to an unrelated third party not approved by TSA and the County, as provided in section 24.17 below, or (ii) upon such sale or transfer of the Yankees to a party not approved by TSA and the County, the Partnership does not provide TSA and the County a cash bond or similar cash security acceptable to TSA and the County Administrator in the amount necessary to make the Bond Repayment, to secure the Partnership's obligations set forth in Article 15.3 above.

ARTICLE XVII
RIGHT OF FIRST REFUSAL

As a material inducement for the Partnership entering into this Agreement, and to the extent permitted by Section 125.35 Florida Statutes, or other applicable law, as amended from time to time, TSA and County hereby grant to Partnership a right of first refusal to purchase the Premises (including the Improvements,

fixtures, and Land) from County, to the extent allowable by law. The term of the right of first refusal shall be equivalent to the Term, plus six (6) months thereafter. Before accepting any written offers to purchase the Premises or any portion thereof, County shall deliver to Partnership a written copy or recitation of said offer. Before listing or notifying any realtor, broker, salesman, or any other third party of County's intent to sell the Premises or any portion thereof, or before notifying any such party of the terms of such intended sale, County shall deliver written notice of such intent to sell, together with the terms of the sale to Partnership. Upon receipt of either the offer to purchase or the notice of intent to sell, Partnership shall have sixty (60) days from the date of receipt thereof to either duplicate in writing the offer to purchase or to accept in writing the terms of the sale expressed in the written intent to sell. Nothing provided for herein shall preclude the County and the Partnership from modifying by mutual agreement either the offer to purchase or notice of intent to sell, as the case may be.

In the event Partnership accepts such offer to purchase or such terms of sale, the Premises or portion thereof shall be sold or conveyed to Partnership upon such terms. If Partnership does not timely accept such offer to purchase or terms of sale, County shall be free to consummate thereafter the offer or sale on the terms disclosed to Partnership without re-offering the same to Partnership, so long as County enters into a binding contract within ninety (90) days after the notice to Partnership and consummates the transaction within one hundred eighty (180) days following such ninety (90) day period. If a binding contract is not entered into and the transaction is not consummated within the respective ninety (90) day and one hundred eighty (180) day time periods, County may not sell the Premises or any portion thereof without first offering it to Partnership in accordance with the terms of this section.

To the extent that any portion of the Premises is lawfully sold to a third party in accordance with this Article, then Partnership's right of first refusal with respect to that portion of the Premise shall terminate, but shall continue in full force and effect with respect to any remaining unsold portion of the Premises, and this Agreement shall continue in full force and effect regardless. A notice of the Partnership's right of first refusal shall be incorporated into the Memorandum of Agreement to be recorded pursuant to Section 24.16 below.

ARTICLE XVIII
BOOKS, RECORDS, AND AUDITS

The Partnership and TSA shall keep and maintain accurate records and complete books of account detailing all contracts, warranties, reports, studies, correspondence and expenditures for all maintenance, repair, capital improvements and capital repairs conducted in connection with the Premises. Such books and records shall be preserved for a period of no less than seven (7) years. The covenants contained in this Article shall survive the conclusion of the Term. Such books and records shall be available and produced for inspection and audits upon the reasonable request of any Party to this Agreement, and reviewed by the requesting Party and any of its agents or employees designated and authorized to conduct such audits or inspections.

ARTICLE XIX
SIGNAGE, GRAPHICS, AND COLOR SCHEMES

It is agreed by the parties that during the Term of this Agreement all signage, graphics, color schemes, etc., within or on the Stadium shall be consistent with the team colors of the Yankees and the Affiliates (collectively, the "Teams"). These logos and similar identifying insignia of the Teams and, at Partnership's election,

the logo or insignia of other teams using the Stadium, may be prominently displayed on, in, and/or about the Stadium. Working personnel (regardless of by whom employed) in or about the Stadium, including ticket takers, ushers, food and beverage vendors, parking attendants, and other personnel who are visible to the public and employed in the operation of the Stadium shall generally wear uniforms, the cost of which shall be borne by Partnership solely and such uniforms shall be approved by Partnership.

Partnership shall have the right to erect any and all manner of signs, placards, billboards, insignias, marquees, advertisements, signboards, banners, or other sort of signage within the Stadium structure. Additionally, TSA shall permit and allow Partnership to construct, operate, and maintain on the Premises informational signs and marquees for the announcement of games, events, and other activities at the Stadium, and which may also include commercial advertising; provided, however, that TSA shall have the right to discuss with Partnership the removal of any signage, but the final decision to remove such signage shall be at the Partnership's sole election.

ARTICLE XX **CONDEMNATION**

20.1 Proportionate Interests of the Parties. TSA, County, and Partnership agree and acknowledge that the interests of the respective Parties, and their rights hereunder, constitute a valuable property interest which would be affected adversely by any condemnation or other exercise of the power of eminent domain by any governmental authority, or person, firm or corporation acting under governmental authority, or by agreement in lieu thereof, and that nothing in this Agreement shall be construed as a waiver by any Party of any claim that such Party may have for damage against any condemnor exercising such power of eminent

domain. In the event of any taking of a part or all of the Premises by condemnation or other exercise of the power of eminent domain, whether such taking is absolute or for a limited period, the condemnation award, or the amount agreed upon in lieu of an award of condemnation, shall be equitably apportioned between TSA, County and Partnership, subject to Articles 20.3 and 20.5 below, so that TSA, County and the Partnership receive the value of their interest in the Premises and in any improvements thereof; provided however, that any condemnation proceeds received for or resulting from the exercise of eminent domain powers over the Premises shall be equitably apportioned after the Bond Repayment is first paid from such proceeds.

20.2 Termination Upon Complete Taking. If all of the Premises are so taken, this Agreement shall terminate as of the date of taking.

20.3 Termination Upon Partial Taking. If a substantial portion of the Premises is so taken so that the continued use and operation of the Stadium by Partnership is thereafter no longer economically prudent as determined by Partnership, then Partnership, upon written notice to TSA and County and delivered within sixty (60) days after such taking, may terminate this Agreement. Any partial condemnation proceeds shall be equitably apportioned between the Parties, provided, however, if the Partnership elects to terminate this Agreement, the Partnership shall use that portion of its share of the condemnation proceeds to either demolish the Stadium and restore it to its prior condition or pay to TSA, upon its written request, the sums that the Partnership would otherwise be obligated to pay for such purposes in accordance with this Article 20.3, which option TSA shall exercise in writing in its sole discretion.

20.4 Continuation Upon Partial Taking. If a lesser portion of the Premises is so taken, such that continued use and operation of the Stadium by Partnership is economically prudent, as determined by Partnership, then, unless all Parties otherwise agree, this Agreement shall continue in full force and effect, except that the fees provided in Article IV hereof shall be reduced in the equitable proportion which the area taken shall bear to the entire Premises only to the extent not compensated through Business Interruption Insurance or other coverage required under Article XIV hereof. In such event, the Partnership shall continue to perform and observe all of its obligations hereunder as though such taking had not occurred, except to the extent that it may be prevented from so doing by reason of such taking. Any condemnation proceeds shall be equitably apportioned between the Parties as provided in Article 20.1 above after the Bond Repayment is first paid from such proceeds.

20.5 Adequate Compensation. TSA and the Partnership agree that the equitable apportionment of any condemnation proceeds described in Article 20.1, 20.3 and 20.4 of this Agreement fairly, equitably, and adequately compensate the Partnership for the value of its interest in the Premises, or any portion thereof condemned or taken, including but not limited to the value of the Partnership's rights, as provided in this Agreement, to the use of the Improvements located on the Premises being condemned.

20.6 Formal Contest. It is understood that the foregoing provisions of this Article shall not, in any way, restrict the right of TSA, County, or Partnership to appeal the award made by any court or other public agency in any condemnation proceedings.

ARTICLE XXI
CONSENT OR APPROVAL NOT TO BE UNREASONABLY WITHHELD

Except as otherwise provided in Article 2.4 above, whenever consent, agreement or approval is required in this Agreement of any Party, the same shall not be unreasonably withheld or delayed, and no unreasonable condition shall be imposed upon the granting of such consent, agreement or approval.

ARTICLE XXII
RELATIONSHIP BETWEEN THE PARTIES

The relationship between the Parties created by this Agreement shall at all times be considered that of licensor and licensee. TSA and the County are neither joint venturers with nor partners, associates or agents of Partnership with respect to any matter provided for in this Agreement, nor is Partnership a joint venturer with or partner, associate or agent of TSA or the County. Nothing herein contained shall be construed to create any such relationship between the Parties.

ARTICLE XXIII
ENVIRONMENTAL PROVISIONS

23.1 Definitions. For purposes of this Article, the following capitalized terms shall have meanings as follows:

- (a) "Hazardous Substances" shall mean any hazardous or toxic substances, materials, wastes, pollutants, or contaminants as defined, listed or regulated, now or in the future, by any federal, state, or local law, rule, regulation, or order or by common law decisions, including, without limitation, trichloroethylene, tetrachloroethylene, perchloroethylene, and other chlorinated solvents; petroleum products or by-products, asbestos, and polychlorinated biphenyl.

(b) "Applicable Laws" shall include, but shall not be limited to, Comprehensive Environmental Response Compensation and Liability Act; the Resource Conservation and Recovery Act; the Federal Water Pollution Control Act, 33 U.S.C. (1251 et seq); and the Clean Air Act, 42 U.S.C. (7401 et seq); all as may be amended from time to time, together with the rules and regulations promulgated thereunder, and together with any other federal, state, or local laws, rules or regulations, whether currently in existence or hereafter enacted or promulgated, that govern or relate to: (i) the protection of the environment from spilled, deposited, or otherwise emplaced contamination or the existence, cleanup, or remedy of such contamination; (ii) Hazardous Substances or the storage, use, generation, discharge, treatment, removal, recovery, transportation, or disposal of Hazardous Substances.

23.2 TSA's Obligations. TSA represents and warrants that to the best of its knowledge there are no Hazardous Substances on, in, or under the Premises and TSA has never received any notice, letter or communication (written or otherwise) indicating that the Premises contains, or is likely to contain Hazardous Substances or that any Applicable Laws have ever been violated. TSA shall be fully responsible for any violation or alleged violation of Applicable Laws or regulations occurring prior to the date the Partnership initially accepted possession of the Improvements and agrees to indemnify and hold harmless the Partnership, including the Partnership's partners, directors, officers, employees, agents, successors, and assigns, from any loss or damage arising out of any violation or alleged violation of Applicable Laws or regulations existing as of the date the Partnership initially accepted possession of the Improvements.

23.3 Partnership's Obligations. Partnership shall not cause or permit the presence, use, generation, release, discharge, storage, transportation, or disposal of any Hazardous Substances, on, under, in, about, to or from the Premises except for those Hazardous Substances, if any, necessary to carry on Partnership's intended use as herein permitted, if used and disposed of strictly in accordance with Applicable Laws, guidelines issued by any national or regional board of insurance underwriters, and prudent standards of practice. The Partnership shall be fully responsible for any violation or alleged violation of Applicable Laws or regulations and agrees to indemnify and hold harmless TSA, the County and their officers, directors, agents and employees from any loss or damage arising out of any violation or alleged violation of Applicable Laws or regulations caused by the Partnership from the date the Partnership initially accepted possession of the Improvements through the Termination Date.

ARTICLE XXIV **MISCELLANEOUS**

24.1 Title to Premises; Sale of Premises. TSA and County agree that there are not and will not be any mortgages, liens, easements, or leases affecting title to the Premises that would adversely affect the Partnership's continued use of the Premises and/or the Partnership's rights under this Agreement. In the event of a sale or conveyance of the Premises, this Agreement shall not be affected by any such sale, and the purchaser shall take title subject to this Agreement.

24.2 Authority; Binding Effect. Each Party represents and warrants to the other Parties that (i) such Party has full right and authority to execute this Agreement and to consummate the transactions herein described and (ii) upon the execution hereof, this Agreement shall constitute the legally binding agreement

and obligation of such Party, enforceable in accordance with its terms, to the extent allowed by law.

24.3 Force Majeure. Upon the occurrence of any event, matter or condition beyond the reasonable control of TSA, Partnership and/or the County, including, but not limited to, war, public emergency, calamity, fire, flood, earthquake, hurricane, strike, Act of God, actions of other governmental units or operation of any applicable law, governmental rule or regulation, or court decision, then any obligation of a Party which cannot be completed as a result, will be extended to the extent commensurate with such interfering occurrence, and no damages shall apply as a result of such delay.

24.4 Partnership Rights. Notwithstanding anything to the contrary set forth herein, the Partnership shall have an absolute and continuing right to make non-structural, aesthetic, and/or cosmetic improvements, alterations, and additions to the Premises at anytime and at its own expense. With regard to structural improvements (i.e., permitted projects), such projects shall be provided by Partnership in writing to the TSA, which shall be subject to prior written approval by TSA. Partnership shall provide to TSA all requested plans and specifications for such structural improvements upon request and shall grant to TSA the right to inspect said construction at all reasonable times.

24.5 Third Party Beneficiary. Nothing contained in this Agreement shall give rise to, nor shall be deemed to or construed so as to, confer any rights on any other person or entity as a third party beneficiary as against the Partnership, TSA or the County, or create any privity or other relationship between any other person or entity and the Partnership, TSA or County.

24.6 Further Assurances. Each Party shall, without charge, at any time and from time to time hereafter, within ten (10) days after written request of any other Party, certify by written instrument duly executed and acknowledged to any person or entity specified in such request:

(a) As to whether this Agreement has been supplemented or amended, and, if so, the substance and manner of such supplement or amendment;

(b) As to the validity and force and effect of this Agreement and the existence of any default hereunder;

(c) As to the existence of any off-sets, counterclaims or defenses thereto on the part of such other party; and

(d) As to the commencement and expiration dates of the Term of this Agreement, and as to any other matters as may reasonably be so requested.

Any such certificate may be relied upon by the party who requested it and any other person, firm, or corporation to whom the same may be exhibited or delivered, and the contents of such certificate shall be binding on the Party executing same.

24.7 Disputes/Attorneys' Fees. In the event of a dispute arising under this Agreement, for which a lawsuit or other proceeding is filed, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and costs, including attorneys' fees and costs incurred in litigating entitlement to attorneys' fees and costs, as well as in determining or quantifying the amount of recoverable attorneys' fees and costs. The reasonable costs to which the prevailing Party is entitled shall

include any costs that are taxable under any applicable statute, rule, or guideline, as well as any non-taxable costs reasonably incurred in connection with the dispute, including, but not limited to, costs of investigation, copying, electronic discovery, information technology charges, telephone and mailing costs, consultant and expert witness fees, travel expenses, court reporter fees and transcript charges, and mediator fees, regardless of whether such costs would be otherwise taxable.

24.8 Real Estate Broker. Each Party represents and warrants that neither they nor any of their representatives, employees, or agents have dealt with or consulted any real estate broker in connection with this Agreement. Without limiting the effect of the foregoing, each Party agrees to indemnify and hold the others harmless against any claim or demand made by a real estate broker or agents claiming to have dealt or consulted with them or any of their representatives, employees, or agents contrary to the foregoing representations and warranty.

24.9 Nonwaiver. The waiver by any Party of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition on any subsequent breach of the same or any other term, covenant, or condition contained in this Agreement. The subsequent acceptance of fees by the TSA and/or County shall not be deemed to be a waiver of any preceding breach by the Partnership of any term, covenant, or condition of this Agreement.

24.10 Notices. All notices provided for in this Agreement shall be hand delivered or sent by registered or certified mail to the Parties, return receipt requested, at the addresses set forth below or at such other addresses as the Parties shall designate to each other in writing:

Any such notice, demand, or document not given, delivered or made by registered or certified mail as aforesaid shall be deemed to be given, delivered or made upon receipt of the same by the party to whom the same is to be given, delivered or made.

The Parties may from time to time notify the other of changes with respect to whom and where notices should be sent by sending notification of such changes pursuant to this Article.

24.11 Captions. Captions of each article are added as a matter of convenience only and shall be considered to be of no effect in the construction of any provision or provisions of this Agreement.

24.12 Time. Time is of the essence of this Agreement and each and all of the provisions. Except as otherwise provided herein, days shall be defined as calendar days. Any obligation for performance by any party shall be delayed if the date for said performance falls on a weekend and/or holiday, in which event the party shall perform on the following day.

24.13 Cumulative Remedies. All of the rights, powers and privileges conferred by this Agreement upon the Parties shall be cumulative and in addition to those otherwise provided by law and shall not be deemed to preclude those rights and remedies provided by law.

24.14 Entire Agreement and Modification. Except as provided in this Article, this Agreement contains the entire agreement of the Parties pertaining to the Premises, supersedes all prior agreements pertaining thereto, and no representations, inducements, promises or agreements, oral or otherwise between the Parties not embodied in this instrument shall be of any force or effect. No

amendment, modification or variation of this Agreement or any of its terms or provisions shall be effectual, binding or valid unless and until the same is reduced to writing and executed by all Parties, and consented to by the Tampa City Council and the Mayor of the City of Tampa, and unless and until the term of the Joint Use and Maintenance Agreement is amended to expire on December 31, 2046.

24.15 Most Favorable Treatment. The Parties recognize that each future contract between TSA and/or the County and a person, entity or group for the use of TSA's and/or the County's property and/or facilities will be unique and designed to accomplish a distinct and discrete goal, and that a typical most favored treatment provision in this Agreement would be impractical and difficult to interpret or enforce.

However, the Parties are in accord with the notion that neither TSA nor the County shall knowingly provide in a future agreement or arrangement with another professional baseball franchise a material term or condition relating to a spring training facility that benefits such other baseball franchise when that same term or condition has been denied the Partnership. TSA and the County will use their best efforts in all future negotiations to avoid such terms.

Furthermore, the Parties are in accord with the notion that, if any other person, entity or group making use of property or facilities as a sport-oriented coliseum, arena, stadium or the like, shall in the future be accorded immunity, exemption or contractual release from ad valorem taxation by virtue of action taken by or agreement of the County or TSA, directly or indirectly, the parties will amend this Agreement to the extent permissible and in a manner which will not frustrate the intention of the Parties hereunder, to achieve comparable benefits or like exemption of the Partnership or the Premises from such taxation.

Furthermore, in the event County or TSA, in the future, specifically provides for the payment by County or TSA of ad valorem taxes in a contract with any other person, entity, or group which will make use of property or facilities as a sports-oriented coliseum, arena, stadium or the like, which is more favorable with respect to the percentage of reimbursement for the payment of taxes and/or credits, than the terms and conditions of this Agreement, this Agreement will be amended by the Parties to include a similar provision for the benefit of Partnership.

24.16 Recording. Within 30 days following the Effective Date the Parties shall record a Memorandum of Agreement, in a form acceptable to all Parties, in the Public Records of Hillsborough County, Florida.

24.17 Successors and Assigns. This Agreement is not assignable by any Party without the express written consent of the other Parties. Any transferee of the Partnership's rights hereunder shall specifically assume the Partnership's obligations under this Agreement as a condition to such assignment and the consent of TSA and the County. The covenants and conditions herein contained shall, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators, and assigns of the Parties hereto.

24.18 Right of Peaceable Possession. Subject to rights given TSA and the County herein, Partnership, upon the performance by Partnership of all the conditions herein set forth on the part of Partnership to be kept and performed, may quietly have, hold, occupy, and use the Premises without interruption by TSA, County, or by any other person or entity claiming by, through or under TSA or County, and TSA agrees to indemnify, defend, and hold the Partnership harmless from and against any and all claims of such other persons or entities.

24.19 Effective Date. The Parties acknowledge that this Agreement shall be effective on the date upon which all of the following conditions have been satisfied: (a) this Agreement has been consented to by the Tampa City Council and the Mayor of the City of Tampa; (b) this Agreement has been approved and executed by each of the Parties; (c) the Amended and Restated Himes Facility License Agreement has been approved by the Hillsborough County Aviation Authority, and approved and executed by each of the Parties; (d) the term of the Joint Use and Maintenance Agreement has been amended by the parties thereto to coincide with the Term; (e) the Certification as described in Section 14.A of the Facility Renovation Agreement has occurred, unless the Partnership exercises the right provided in said Section 14.A, and (f) the Facility Renovation Agreement has been approved and executed by each of the Parties. The foregoing notwithstanding, in the event that all of the foregoing conditions have not been satisfied by September 1, 2016, or such later date as provided in Section 14.A of the Facility Renovation Agreement, then this Agreement shall not become effective and shall be null and void.

24.20 Counterparts. This Agreement may be executed in more than one counterpart, each of which shall be deemed an original.

24.21 TSA as Operator/Lessor. The County, as owner of the Premises, does hereby appoint TSA as Operator and Manager of the Premises and all Improvements thereon. As such, TSA is hereby authorized and delegated all authority, on behalf of the County, to license, manage and control the Premises, take all action to protect and preserve the Premises, enforce this Agreement and exercise all powers with respect to the Premises as granted or authorized by Chapter 96-520, Florida Statutes, as amended from time to time.

24.22 Luxury Suite Agreement Reaffirmed. The Parties do hereby confirm and ratify that certain Luxury Suite Agreement by and between Partnership and TSA dated February 1, 1996 and further agree that the Term thereof shall be co-extensive with this Agreement.

24.23 Governing Law and Dispute Resolution. This Agreement shall be governed and enforced in accordance with the laws of the State of Florida. Any dispute arising out of or relating to this Agreement shall be resolved by a state court of appropriate jurisdiction in Hillsborough County, Florida, it being agreed hereby that both venue and jurisdiction are appropriate in said state courts.

24.24 Compliance with Section 288.11631, Florida Statutes. Partnership and TSA or the County, as appropriate, shall each, in connection with an application for certification and funding pursuant to Section 288.11631, Florida Statutes, take all actions and do all things reasonably necessary to comply with said statute, including but not limited to:

(a) meeting the requirements for certification under Section 288.11631(2), including, if necessary, the amendment of this Agreement and/or the Facility Renovation Agreement;

(b) enter into an agreement with the State of Florida Department of Economic Opportunity fully complying with all requirements of Section 288.11631(2)(c);

(c) submit all reports and do all things required by Section 288.11631 subsequent to certification.

24.25 Compliance with Hillsborough County Human Rights Ordinance; Equal Opportunity Clause. Partnership shall comply with: (i) Hillsborough

County, Florida – Code of Ordinances and Laws, Part A, Chapter 30, Article II (Hillsborough County Human Rights Ordinance), as amended, which prohibits illegal discrimination on the basis of actual or perceived race, color, sex, age, religion, national origin, disability, marital status, sexual orientation, or gender identity or expression, in employment, public accommodations, real estate transactions and practices, County contracting and procurement activities, and credit extension practices; and (ii) the requirements of all applicable federal, state and local laws, rules, regulations, ordinances and executive orders prohibiting and/or relating to discrimination, as amended and supplemented, which laws, rules, regulations, ordinances and executive orders are incorporated herein by reference.

24.26 Rules and Regulations. Notwithstanding any other provision of this Agreement and except as provided for in this Section 24.26, this Agreement and any rights or exclusivities granted by the Partnership hereunder shall in all respects be subordinate to the MLB Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. In the event that any act or omission of the Partnership to comply with the MLB Rules and Regulations affects the rights of TSA or the County under this Agreement or deprives the TSA or County of any benefit of this Agreement, the Parties will amend the terms of this Agreement to neutralize any effect of the MLB Rule or Regulation on the TSA or County. The Partnership agrees in any event that if compliance by it with MLB Rules and Regulations results in a failure of the Partnership to fulfill any obligation under this Agreement, such failure shall be considered a breach or default by the Partnership of this Agreement and TSA or County may exercise all remedies as provided for in Article 15.3 of this Agreement.

24.27 Conformity with Rules. The Partnership represents and warrants that, to the best of its knowledge, the execution, delivery and performance by the Partnership of this Agreement does not violate any provision of the MLB Rules and Regulations including, but not limited to, specifically, the Major League Rules, the Professional Baseball Agreement and the Official Baseball Rules.

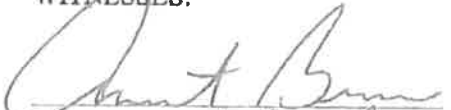

24.28 Approval of Major League Baseball. This Agreement shall not be effective until such time as all applicable MLB Approvals have been obtained, which approvals may be withheld in the sole and absolute discretion of MLB. Notwithstanding anything in the foregoing to the contrary, the Partnership represents and warrants that the only MLB Approval required for this Agreement to be effective is the receipt of a no-objection letter from the BOC.

24.29 Territory. The territory within which TSA or the County are granted rights is limited to, and nothing herein shall be construed as conferring on TSA or the County (or any other party) rights in areas outside of, the Spring Training territory of the Yankees, as established and amended from time to time pursuant to the MLB Rules and Regulations.

**ADDENDUM TO AMENDED AND RESTATED GEORGE M. STEINBRENNER FIELD
LICENSE AGREEMENT**

This Addendum is an addendum to the AMENDED AND RESTATED GEORGE M. STEINBRENNER FIELD LICENSE AGREEMENT (the "Agreement"), which was entered into on April 20, 2016 between THE TAMPA SPORTS AUTHORITY (the "Applicant"), HILLSBOROUGH COUNTY (the "County") and NEW YORK YANKEES PARTNERSHIP (the "Franchise"). The purpose of this Addendum is to ensure that the Agreement at all relevant times continues to meet the requirements of section 288.11631, Florida Statutes.

WHEREAS, section 288.11631, Florida Statutes, is intended to provide a process for the retention of spring training baseball franchises within the State. The Applicant and the Franchise acknowledge that the amount of State incentive funding provided by the State for the Facility is based on the continual use of the Facility by the Franchise for the duration of such incentive funding;

WHEREAS, the purpose of this Addendum is to ensure that the Agreement continuously meets the requirements of section 288.11631, Florida Statutes, and to ensure that the Florida Department of Economic Opportunity ("DEO") can properly and responsibly act as the steward of State funds; and

WHEREAS, it is recognized that the Agreement contains provisions designed to establish business, operational and other obligations and rights not directly related to section 288.11631, Florida Statutes or this Addendum, which provisions are not intended to be modified or affected by this Addendum except to the extent that they limit any rights or remedies of the State or DEO as provided for in this Addendum.

NOW THEREFORE, in consideration of the premises and the mutual covenants and obligations herein contained, and in order to induce DEO to certify Applicant pursuant to section 288.11631, Florida Statutes, the parties intending to be legally bound, hereby agree as follows:

- I. **DEFINITIONS:** Except as otherwise set forth herein, the definitions set forth elsewhere in the Agreement shall not apply to this Addendum and the definitions

set forth in this Addendum shall not apply elsewhere to the Agreement. All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum. The following definitions shall apply to this Addendum:

- A. **Major League Spring Training Home Games** shall mean, with respect to any Spring Training Season, those Spring Training games, as determined by Major League Baseball in its sole discretion, to be played by the Franchise's Major League Baseball Club as the home team at the Facility during such Spring Training Season.
- B. **Spring Training Season** shall mean the annual period during which Major League Baseball conducts Spring Training games in preparation for the Major League Baseball championship season generally running from February 1 through April 15 of each calendar year, but subject to change at the sole discretion of Major League Baseball.
- C. **Facility** shall mean the Applicant's professional sports facility for Spring Training of one or more Major League Baseball Clubs as well as minor league affiliates, including a stadium, team training facilities, practice fields, clubhouses, dedicated on-site parking areas, and other appurtenances and improvements, intended for use by the Franchise.
- D. **Applicant's Bonds** shall mean bonds or refunding bonds as described in section 288.11631(2)(a)(2), Florida Statutes.
- E. **Operative Agreements** shall mean the Agreement, this Addendum, and such other documents and agreements applicable to the Franchise's use of the Facility.
- F. **Franchise Spring Training Season** shall mean, with respect to any calendar year during the term of the Agreement, the use of the Facility by the Franchise's Major League Baseball Club for the full period of such calendar years' Spring Training Season.

II. TERMS AND CONDITIONS

- A. If the Franchise's Major League Baseball Club falls to play each and every one of its Major League Spring Training Home Games (each a "Missed Game") at the Facility during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or approved in writing by both the Applicant and DEO, then, the Franchise shall reimburse the State a portion of the State's yearly distribution applicable to such Franchise Spring Training Season determined by multiplying the amount of such yearly distribution by the fraction obtained by dividing the number of Missed Games by the number of Major League Spring Training Home Games scheduled for such Franchise Spring Training Season. For example, if Applicant is scheduled to receive \$1,000,000 in a year, and the Franchise has 2 Missed Games in a Franchise Spring Training Season that is scheduled to have 16 Major League Spring Training Home Games, the Franchise would be required to repay \$125,000 to DEO, because $\$1,000,000 \times (2 / 16) = \$125,000$. However, if the Franchise has four or more Missed Games during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or pre-approved in writing by the Applicant and DEO, then, at DEO's election, the Franchise shall be deemed to have relocated pursuant to section 288.11631(2)(a)2, Florida Statutes (a "Relocation"). For the avoidance of doubt and for the sake of clarity, an international game, a game played during the Major League Baseball championship season, an exhibition game played in a Major League Baseball stadium or a game played against a college or university team shall not constitute a Major League Spring Training Home Game and therefore shall not constitute a Missed Game.
- B. **Repayment Obligation:** In the event of a Relocation the Franchise shall reimburse the State for the total amount of State distributions expected to be paid from the date of Relocation through the final maturity of the Applicant's Bonds, pursuant to section 288.11631(2)(a)2, Florida Statutes, which reimbursement obligation (the "Addendum Reimbursement") is intended to satisfy, and shall not

be duplicative of, the "State Reimbursement" as defined in Section 15.3 of the Agreement. The payment of the "Addendum Reimbursement" obligation is a partial remedy under terms of the Agreement in the event of a Relocation; provided that the payment of such reimbursement obligation by Franchise shall not release, reduce or otherwise modify any right or remedy available to TSA and/or County under terms of the Agreement in the event of a Relocation. Franchise acknowledges and agrees that nothing in this Addendum shall in any way, directly or indirectly, imply or impose upon TSA or County any intention, duty or obligation to mitigate damages in the event of a Relocation as the agreed upon remedies available to TSA and County in the event of a Relocation are provided in Section 15.3 of the Agreement, it being agreed that said matters have been fully considered and adequately addressed in the Agreement.

- C. **Force Majeure:** Notwithstanding the foregoing, the Franchise shall not be deemed to have a Missed Game to the extent its failure to play a Major League Spring Training Home Game at the Facility was due to an event of Force Majeure; provided, however, that the parties must make reasonable good faith efforts to mitigate the Force Majeure event. For the purpose of this Addendum, "Force Majeure" shall mean and include any act of God, accident, fire, riot or civil commotion, act of public enemy, failure of transportation facilities, enactment, rule, order or act of government or governmental instrumentality (whether domestic or international and whether federal, state or local, except in the case of a rule, order or act by Applicant, or the international equivalent thereof), failure of technical facilities, severe inclement weather or any other cause of any nature whatsoever beyond the control of the parties (including a strike, lockout, or other labor dispute involving Major League Baseball) which was not avoidable in the exercise of reasonable care and foresight. If an event of Force Majeure causes the Franchise's Major League Baseball Club to fail to play at least fifty percent of a Franchise Spring Training Season at the Facility, the parties agree that the Agreement shall be automatically extended beyond the term for one additional Franchise Spring Training Season.

- D. MLB Requirements:** If Major League Baseball causes the Franchise's Major League Baseball Club to play less than fifty percent of a Franchise Spring Training Season at the Facility, the parties agree that the Agreement shall be automatically extended beyond the term of the Agreement for one additional Full Spring Training Season.
- E. Third Party Beneficiary:** The State, by and through DEO and DEO's successors and assigns, is an intended third party beneficiary of this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations imposed by, this Addendum. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any rights or remedies that the State or DEO may have under law.
- F. Order of Priority:** In the event of a conflict between the terms of this Addendum and terms of the Agreement relating specifically to a right, obligation or remedy benefiting DEO which arises from section 288.11631, Florida Statutes or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Agreement, including any terms added to, amended in, or removed from the Agreement after the effective date of this Addendum; provided that this provision shall not be interpreted so as to release or modify any obligation, right or remedy provided in the Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the parties and the Executive Director of DEO. If any modification or amendment is made to either the Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on the rights of DEO under this Addendum, such portion of that modification or amendment that has an adverse effect shall be void ab initio, and ineffective.
- G. Recitals Incorporated:** The foregoing recitals are incorporated herein and made a part hereof by this reference.

H. **Duplicate Terms:** Because this is an Addendum prepared without reference to the Agreement itself, it may duplicate some existing terms of the Agreement. Such duplication or restatement of terms shall be construed as intentional.

FACILITY RENOVATION AGREEMENT

This Facility Renovation Agreement (“Agreement”) is entered into as of the 20th day of April, 2016 (the “Effective Date”), by and between the TAMPA SPORTS AUTHORITY, a body politic and an independent special district under the laws of the State of Florida (“TSA”), NEW YORK YANKEES PARTNERSHIP, an Ohio limited Partnership (“Partnership”), and HILLSBOROUGH COUNTY, FLORIDA (“County”). The foregoing entities are sometimes individually referred to as “Party” and collectively referred to as the “Parties.”

Recitals

WHEREAS, TSA, Partnership and County are parties to a License Agreement originally dated January 14, 1994 and amended and restated on date hereof (the “GMS License Agreement”) which grants Partnership a license to use certain real property, a 10,000 seat baseball stadium and related spring training facilities in Tampa, Florida (the “GMS Facility”); and

WHEREAS, County owns the GMS Facility and TSA manages it and, as such, both have an interest in maintaining the appearance, value and useful life of the GMS Facility; and

WHEREAS, TSA and Partnership are also parties to a second License Agreement, originally dated August 21, 1989, which is also amended and

restated on same date hereof (the "Himes License Agreement") which grants Partnership a license to use certain real property, including structures and other professional baseball training facilities serving as an appurtenance to Partnership's Major League team, Minor League affiliates and other related activities, all of which support and serve Partnership's spring training activities (the "Himes Facility"); and

WHEREAS, the GMS Facility and the Himes Facility (sometimes collectively referred to as the "Facilities") are both essential components of Partnership's professional baseball spring training and professional player development operations in Tampa; and

WHEREAS, the Parties agree that it is in the public interest to maintain the Facilities in good repair and condition in a manner consistent with current standards and conditions prevailing at similarly situated major league baseball training facilities existing within the State of Florida and that a need exists for a coordinated effort between the Parties to renovate and improve the Facilities; and

WHEREAS, pursuant to the GMS License Agreement and Himes License Agreement, Partnership has certain rights to perform or cause to be performed, at its sole expense, permanent improvements, renovations, alterations or additions to the GMS Facility and the Himes Facility, respectively; and

WHEREAS, in 1996 TSA transferred fee simple interest in the land upon which the Himes Facility is situated to the Hillsborough County Aviation Authority, and entered into related agreements whereby TSA and Partnership

retained long term rights of use in the Himes Facility and thus also have an interest in maintaining the appearance, value and useful life of the Himes Facility; and

WHEREAS, Partnership has caused certain improvements, additions and renovations to be made to both Facilities at a cost of \$6,245,041, a list of which is attached hereto as Exhibit "A" ("Previously Completed Facilities Improvements"); and

WHEREAS, Partnership is desirous of making and paying for additional improvements to the Himes Facility (the "Planned Himes Facility Improvements"); and

WHEREAS, Partnership is desirous of making and paying for a portion of the cost of additional improvements to the GMS Facility, which is owned by County and managed by TSA (the "Planned GMS Facility Improvements"), and County and TSA agree to provide or cause to be provided certain funding through TSA for a portion of the cost of the Planned GMS Facility Improvements, pursuant to the terms and conditions of this Agreement. The Planned Himes Facility Improvements and the Planned GMS Facility Improvements are listed in Exhibit "B" hereto and are sometimes collectively referred to as the "Projects"); and

WHEREAS, in conjunction with their desire to provide certain assistance and funding toward the Planned GMS Facility Improvements, TSA or the County intends to file an application with the State of Florida, Department of Economic Opportunity, pursuant to Section 288.11631, Florida Statutes, for

certification to receive state funding for a facility for a spring training franchise for a portion of the cost of the Planned GMS Facility Improvements, and, except as otherwise expressly provided for in this Agreement, it is the agreement of the Parties that the rights and obligations arising from and under this Agreement shall be contingent upon obtaining such certification and funding by the State in the amount applied for; and

WHEREAS, in consideration for TSA and County entering into this Agreement to provide the reimbursements as herein described, Partnership will, in addition to making and paying for the Previously Completed Facilities Improvements at a cost of \$6,245,041; (i) make and pay for the Planned Himes Facility Improvements as provided for in this Agreement at an approximate cost of \$4,136,600, (ii) make the Planned GMS Facility Improvements and pay a portion of the cost thereof in the minimum amount of at least \$659,305 (the "Partnership Equity") without reimbursement, and (iii) enter into on the Effective Date hereof an amendment and restatement of the GMS License Agreement (the "Amended GMS License Agreement") and an amendment and restatement of the Himes License Agreement (the "Amended Himes License Agreement"), the terms of which provide for, among other things, a term of approximately thirty (30) years, commencing on the Effective Date, for Partnership's license of the Facilities and the payment of license fees as set forth in Exhibit "C" of the Amended GMS License Agreement and Amended Himes License Agreement, respectively; and

WHEREAS, the Parties recognize that an aggregation of funds available to the Parties for purposes of constructing the Projects and a coordination of

resources and efforts would dramatically increase efficiencies in completing the Projects.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, receipt of which is hereby acknowledged, the Parties agree as follows:

1. **The Projects.** Partnership agrees, at its sole expense, to design, construct and complete the Projects, consisting of "Planned GMS Facility Improvements" and the "Planned Himes Facility Improvements", all in accordance with applicable law, codes and ordinances. In connection therewith, Partnership has contracted directly with a licensed architectural firm (the "Architect") to prepare the design of the Projects. Partnership shall cause the Architect to prepare drawings and specifications for the Projects for review and approval by TSA, which approval shall not be unreasonably withheld or delayed, as provided in the attached Design Review and Construction Protocol and Procedures (Exhibit "C"). Also, Partnership, at its sole expense, shall also engage a general contractor (the "Contractor") and such other companies and individuals (but not including employees and staff of Partnership and affiliates) as may be approved by TSA to complete the Projects. The entire agreement, including the construction schedule (the "Contractor's Agreement") shall be subject to prior approval by TSA, which approval shall not be unreasonably withheld or delayed. The workmanship and materials used in the construction of the Projects shall be of quality at least comparable to the workmanship and materials used in the original construction of the GMS Facility or the Himes Facility, as the case may be. Partnership shall cause TSA and County to be

named as third party beneficiaries to Partnership's agreements with both the Architect and the Contractor.

2. Scope of Work.

A. The Planned GMS Facility Improvements consist of 35 projects ("GMS Projects") which have been identified, are currently in the design stage, and are listed on Exhibit "B". Exhibit "B" also identifies the estimated cost to complete each GMS Project. The Parties acknowledge and agree that the monetary amounts for each of the GMS Projects provided for in Exhibit "B" are estimates, and that, subject to the approval of TSA and the terms and conditions of this Agreement, including, but not limited to the Reimbursement Cap (hereafter defined), Partnership may allocate such amounts among the GMS Projects as required for the completion thereof.

B. The Planned Himes Facility Improvements consists of one project ("the Himes Project") which is currently in the design stage, and is also included in Exhibit "B". The monetary amount for the Himes Project stated on Exhibit "B" is also an estimate but there shall not be allowed any allocation between the GMS Projects and the Himes Project, except as specifically provided for under Section 3.D. herein.

C. The Planned GMS Facility Improvements and the Planned Himes Facility Improvement are hereby approved, subject to approved design and completed construction as required herein.

D. TSA and County, combined, shall not be responsible for any financial contribution, reimbursement or expenditure in excess of \$35,765,396 relating to the Planned GMS Facility Improvements (the "Reimbursement Cap"). The Parties acknowledge and agree that the foregoing amount is comprised of the sum of net proceeds, after reserves, underwriting discount and

issuance costs of the Bonds (hereinafter defined) payable from the Fourth Percent TDT (hereinafter defined) as described in Section 3.G. of this Agreement, in an amount estimated to be \$22,130,146 and net proceeds after underwriting discount, issuance costs and certain pre-development costs of the Bonds payable from the State Sales Tax Payments (hereinafter defined) as described in Section 3.H. of this Agreement, in an amount estimated to be \$13,635,250. Neither TSA nor County shall have any responsibility for any financial contribution, reimbursement or expenditure relating to the Planned Himes Facility Improvement, it being acknowledged by the Parties that Partnership shall be responsible for the entirety of the cost of the Planned Himes Facility Improvement and that said Planned Himes Facility Improvement shall not be reimbursable hereunder. Partnership does hereby guarantee the full and satisfactory completion of all Projects as described in Exhibit "B" in accordance with the timeline set forth in the Contractor's Agreement as provided for in the following paragraph. Moreover, Partnership is responsible for paying for any and all costs of designing and constructing the Projects in excess of the Reimbursement Cap. The Contractor's Agreement will include a construction schedule for each Project listed in Exhibit "B" which is within Contractor's Scope of Work.

E. Partnership's obligation to timely complete the Projects shall be subject only to delays of Partnership or the Contractor which are beyond the reasonable control of, and are not caused by the fault or negligence of Partnership or the Contractor; which directly impact the Projects and wholly or partially prevent the performance of any of the duties, responsibilities or obligations of Partnership or the Contractor, including (i) acts of God, (ii) an act of the public enemy, (iii) fire, explosion or other serious casualty, (iv) unusually severe weather (such as hurricane, earthquake or flood), (v) war directly

involving the United States (whether declared or not), including war-like circumstances, invasion, mobilization, revolution or rebellion, (vi) terrorist activities, riot or civil commotion, (vii) strike, work-stoppage or other labor disturbance, (viii) military usurpation of power or (ix) the imposition of new regulation or orders of governmental authority.

F. Partnership will ensure that all Projects are completed and have received final approval as described in Paragraph 10 of Exhibit "C" of this Agreement ("Final Approval") prior to February 28, 2018. TSA shall reimburse Partnership for the cost of the GMS Projects as provided in, and subject to the terms and conditions of this Agreement, provided that TSA and the County, combined, shall not be responsible for any financial contribution, reimbursement or expenditure in excess of the Reimbursement Cap.

G. In addition to other obligations set forth herein, Partnership and TSA agree to abide by, and Partnership agrees to require its Contractor to abide by and follow, the protocols, procedures and scheduling set forth in Exhibit "C" hereto. Partnership shall promptly and completely pay for all design and construction of the Projects, including builder's risk insurance for the Projects, and does hereby guarantee full and satisfactory completion of the Projects, which guarantee is in addition to the payment and performance bonds which shall be required of the Contractor.

3. Reimbursements from TSA to Partnership for GMS Projects.

A. Upon: (i) TSA's Final Approval of a GMS Project (ii) payment therefor by Partnership, and (iii) satisfaction of the requirements of Sections 3.A., 3.B. and 3.C., Partnership shall be entitled to request reimbursement from TSA as provided in this Section 3 for each such GMS Project, up to, but not to exceed, the Reimbursement Cap, but subject to the

following: (i) Partnership shall not be entitled to request reimbursement for the first \$659,305 of costs of the GMS Projects (the "Partnership Equity"), and (ii) the final reimbursement of up to \$4,136,600 of costs of the GMS Projects (the "Reimbursement Holdback") shall not be reimbursed until the conditions set forth in Sections 3.A., 3.B., 3.C. and 3.D. are satisfied.

B. Except for the Partnership Equity and the Reimbursement Holdback, at such time as the requirements of Section 3.A. have been satisfied, evidencing, among other things, that Partnership has constructed, in conformance with the drawings and specifications approved by TSA, and paid for a GMS Project, and submittal by Partnership of a request for reimbursement in form reasonably acceptable to TSA, TSA shall thereafter reimburse Partnership within thirty (30) days of TSA's receipt of the documentation identified in Section 3.A. above and Section 3.C. below, in satisfactory form and content, for Partnership expenditures for each such GMS Project that has been completed and approved by TSA in accordance with this Agreement; except, however, as permitted by Section 2.A. hereof, including approval by TSA after the submission of drawings and specifications, the total amount of reimbursement for an individual GMS Project shall not exceed the total cost value of said GMS Project as listed on Exhibit "B" hereto.

C. Upon completion of each Project as approved by TSA, Partnership shall submit to TSA the following documentation: (i) documentation demonstrating that Partnership has expended the Partnership Equity for GMS Projects; (ii) a certification to TSA that the Project has been completed and finally accepted, together with lien waivers from the Contractor and all other third party contractors, subcontractors and materialmen; (iii) documentation of the out-of-pocket costs incurred by Partnership in designing

and constructing the Project; (iv) a certificate from the Architect, in a form as TSA may reasonably request, that the Project has been constructed in substantial conformance with the Architect's drawings and specifications; and (v) a certificate from the Architect, in a form as TSA may reasonably request, that the out-of-pocket costs incurred by Partnership in designing and constructing the Project constitute commercially reasonable costs for the Project.

D. In addition to satisfying the requirements provided for in Sections 3.A, 3.B. and 3.C., Partnership shall not be entitled to reimbursement for the Reimbursement Holdback until Partnership receives Final Approval for the Himes Project. In the event Partnership does not expend at least \$4,136,000 in costs for the Himes Project, Partnership shall not be reimbursed for the difference between \$4,136,000 and the actual expenditures for the Himes Project unless, and only to the extent, Partnership spends at least such difference on GMS Projects.

E. Notwithstanding anything in this Section 3 to the contrary, requests for direct purchases by TSA of certain specific material and equipment, as described in Section 6, may be initiated at any time, in Partnership's reasonable discretion, provided that all conditions and procedures and limitations of Section 6 are satisfied.

F. TSA and County acknowledge their obligation to take such actions as are described in this Agreement in order to provide for the financing of TSA's reimbursements to Partnership in accordance with this Agreement. Unless an alternative method of financing is otherwise determined by the County in its sole and absolute discretion, the County or TSA shall issue from

time to time revenue bonds or other evidence of indebtedness, the interest paid on which bonds or indebtedness may or may not be exempt from federal income taxation (collectively, the "Bonds") to finance the reimbursements to be made by TSA to Partnership as provided for in this Agreement and to finance the expenses described in Section 9.A. of this Agreement. For purposes of this Agreement, the Bonds shall include any revenue bonds or other evidence of indebtedness issued to refund or otherwise refinance the Bonds. Unless otherwise determined by the County in its sole and absolute discretion to raise funds in an alternative method, the Parties acknowledge that the proceeds of at least two (2) series of the Bonds as described in Sections 3.G. and 3.H. below shall be dedicated as the sole source of funds to be provided to fund such reimbursements.

G. Unless an alternative method of financing is otherwise determined by County in its sole and absolute discretion, one (1) of the series of the Bonds to be issued to finance and/or refinance the reimbursements to be made by TSA to Partnership as provided for in this Agreement, shall be payable solely from the County contribution of legally available revenues received by the County from the additional one percent (1%) tourist development tax that the County is authorized to levy, impose and collect pursuant to Section 125.0104(3)(1), Florida Statutes, as amended, in an amount sufficient to fund all debt service requirements of this particular series of Bonds (the "Fourth Percent TDT"), subject and subordinate in all respects to obligations for indebtedness other than the Bonds heretofore or hereinafter incurred and secured by, or paid with, the Fourth Percent TDT and any obligations for County and TSA indebtedness issued on a parity therewith and the reserve requirements provided

for in Section 4.D.2. of Hillsborough County Ordinance 78-10, as amended by Section 2 of Hillsborough County Ordinance 03-3.

H. Unless an alternative method of financing is otherwise determined by the County in its sole and absolute discretion, another of the series of the Bonds to be issued to finance and/or refinance the reimbursements to be made by TSA to Partnership as provided for in this Agreement, shall be payable solely from the sales tax payments received from the State of Florida pursuant to Section 288.11631, Florida Statutes (the "State Sales Tax Payments"), as provided in Section 14 below.

I. Notwithstanding anything herein to the contrary, neither the obligation to issue the Bonds by County or TSA as provided for in this Agreement nor County's and TSA's other obligations under this Agreement, create any lien upon or pledge of the Fourth Percent TDT nor is County precluded from pledging in the future the Fourth Percent TDT, nor do such obligations give any person any form of claim on the Fourth Percent TDT as opposed to claims of general creditors of the County. Moreover, in no event shall the obligation to issue the Bonds as provided for in this Agreement nor County's and TSA's other obligations under this Agreement be or constitute a general obligation or indebtedness of the County or TSA, a pledge of the ad valorem taxing power of the County or a general obligation or indebtedness of the County or TSA within the meaning of the Constitution of the State of Florida or any other applicable law. No person shall ever have the right to compel the exercise of the ad valorem taxing power of the County, or any other governmental entity or taxation in any form on any real or personal property to satisfy County's obligation to issue the Bonds under this Agreement or satisfy any other County or TSA obligations provided for in this Agreement.

4. Compliance with Laws and Hillsborough County DM/DWBE Guidelines.

A. Partnership shall comply with, and shall cause the Contractor and the Architect to comply with all applicable laws, regulations, codes and rules governing the design, construction and completion of the Projects, including but not limited to, those relating to ADA. Partnership shall cause the Contractor to make good faith efforts in contracting for services and/or materials to achieve the minority and women employment representations in each applicable trade area as established by the U.S. Department of Labor for the Standard Metropolitan Statistical Area that includes Hillsborough County. When practicable, the Contractor shall make use of County's policies and procedures regarding the utilization of Disadvantaged Minority/Disadvantaged Women Business Enterprises and Small Business Enterprises, to identify prequalified subcontractors with whom to contract in order to facilitate achievement of such minority and women participation.

B. Partnership shall also comply with: (i) Hillsborough County, Florida – Code of Ordinances and Laws, Part A, Chapter 30, Article II (Hillsborough County Human Rights Ordinance), as amended, which prohibits illegal discrimination on the basis of actual or perceived race, color, sex, age, religion, national origin, disability, marital status, sexual orientation, or gender identity or expression, in employment, public accommodations, real estate transactions and practices, County contracting and procurement activities, and credit extension practices; and (ii) the requirements of all applicable federal, state and local laws, rules, regulations, ordinances and executive orders prohibiting and/or relating to discrimination, as amended and supplemented,

which laws, rules, regulations, ordinances and executive orders are incorporated herein by reference.

5. **Authority.** The President/CEO of TSA has been authorized by TSA to exercise day to day decision making on behalf of TSA relating to the Projects and the implementation of this Agreement, subject to the limitations and specific provisions of the Resolution granting such authorization. Upon adoption of such Resolution by the TSA board, any directive, consent or decision relating to this Agreement and its performance bearing the signature of the President/CEO shall carry a presumption that it is valid and enforceable as an act of TSA.

6. **Direct Purchases.**

Partnership may, in its reasonable discretion, make written requests for TSA to direct purchase certain specific material and equipment for the Projects that shall be owned by TSA or County. Any such request shall be subject to approval by TSA. In the event Partnership makes such a written request, in its reasonable discretion, and the purchase arrangements for such specific material and equipment hereunder should ever be disapproved by the Florida Department of Revenue (the "FDOR"), or held to be invalid by a final, non-appealable judicial order, then TSA shall pay any applicable sales taxes on the requested purchases, plus any interest and penalties, subject to other applicable terms hereof. The obligations of TSA under the terms of this Section 6, and specifically its duty to directly purchase any item hereunder, are strictly conditioned upon Partnership (i) establishing a non-recourse revolving line of credit in favor of TSA, and in form acceptable to TSA, in the amount of such

purchase orders and (ii) following the TSA procedures for processing direct purchases hereunder, which procedures are attached hereto as Exhibit "D", and which are hereby agreed to by Partnership. Moreover, Partnership agrees that it will not request or be entitled to any reimbursement pursuant to Section 3 of this Agreement for any Projects or portion thereof purchased directly by TSA pursuant to this Section 6.

7. Indemnification.

A. Only with respect to the specific Projects governed by this Agreement, Partnership shall defend, indemnify and hold harmless TSA, County, their officers, employees, and agents (collectively, the "Indemnitees") from and against any and all losses, liabilities, costs, expenses, damages, claims, demands, actions, suits, judgments and other obligations, including without limitation, reasonable attorneys' fees, expenses and court costs at an administrative level, administrative hearings, trial and all appellate levels (collectively, "Adverse Consequences") arising from or as a result of, or in connection with, any action or claim by a third party, including the FDOR, (i) asserting that the requirements of Section 287.055 or 255.20, Florida Statutes, TSA's enabling act or other applicable procurement or tax laws or regulations have been violated as a result of the Parties' adoption or implementation of the procedures for the design, construction and completion of the Projects as provided in this Agreement, including, but not limited to TSA's direct purchase of certain material and equipment therefor as set forth in this Agreement, or any action taken by TSA in connection therewith, (ii) asserting that sales taxes, penalties or interest are due and payable on TSA's purchase of certain material and equipment pursuant to this Agreement, or (iii) creating any occurrence or

event under this Section 7 resulting in a duty of TSA to pay sales taxes, penalties or interest.

B. Only with respect to the specific Projects governed by this Agreement, Partnership shall also defend, indemnify and hold harmless the Indemnitees from Adverse Consequences arising from a negligent act or omission by Partnership or Contractor, or their officers, agents, employees, contractors, guests and invitees, or the breach in the performance of Partnership or Contractor under any contract relating to the Projects, including purchase orders or other documentation for the design, insurance, fabrication, delivery, installation or construction of such material and equipment, including claims for personal injury, death or property/equipment damage.

C. Any third party claim described in Sections 7.A. and 7.B. above is hereafter defined as a "Third Party Claim."

D. In the event of a Third Party Claim, the Indemnitees shall promptly notify Partnership thereof in writing; provided, however, that no delay on the part of the Indemnitees in notifying Partnership shall relieve Partnership from any obligation hereunder unless (and then solely to the extent) Partnership thereby is prejudiced.

E. Partnership shall have the right to defend the Indemnitees against the Third Party Claim with counsel of its choice satisfactory to the Indemnitees so long as (i) Partnership notifies the Indemnitees in writing within fifteen (15) calendar days after the Indemnitees have given notice of the Third Party Claim that Partnership shall defend the Indemnitees from and against the entirety of any Adverse Consequences the Indemnitees may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third Party

Claim, and (ii) Partnership conducts the defense of the Third Party Claim actively and diligently.

F. So long as Partnership is conducting the defense of the Third Party Claim in accordance with Sections 7.A. through 7.E. above, (i) the Indemnitees may retain separate co-counsel at their sole cost and expense and participate in the defense of the Third Party Claim, (ii) the Indemnitees shall not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of Partnership, and (iii) Partnership shall not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnitees.

G. If any of the conditions in Sections 7.A. through 7.E. above is or becomes unsatisfied, however, (i) the Indemnitees may defend against, and consent to the entry of any judgment or enter into any settlement with respect to, the Third Party Claim in any manner they may deem appropriate (provided that the Indemnitees need not consult with, or obtain any consent from Partnership, but shall give prior notice thereof to Partnership), (ii) Partnership shall reimburse the Indemnitees promptly and periodically for the costs of defending against the Third Party Claim (including, without limitation, reasonable attorneys' fees, expenses and court costs at an administrative level, administrative hearings, trial and all appellate levels), and (iii) Partnership shall remain responsible for any Adverse Consequences the Indemnitees may suffer resulting from, arising out of, relating, to, in the nature of, or caused by the Third Party Claim to the fullest extent provided in this Section 7.

H. So long as Partnership is conducting the defense of any Third Party Claim in accordance with Sections 7.A. through 7.E. above, the Indemnitees shall provide reasonable assistance to Partnership in the defense of such Third Party Claim.

I. The Parties agree and stipulate that this Agreement does not constitute a "construction contract" under the provisions of Section 725.06, Florida Statutes.

8. THIS SECTION INTENTIONALLY LEFT BLANK

9. Design Review, Project Administration and Legal Costs.

A. All reasonable costs and fees paid by TSA to its design review consultants, its project administration consultants and its attorneys in connection with this Agreement and TSA's performance of its obligations and rights hereunder, the Amended GMS License Agreement, the Amended Himes License Agreement, and all Resolutions, Exhibits and other documents and activities reasonably relating thereto (the "Renovation Documents"), together with all reasonable costs, (including, but not limited to, any underwriting discount, rating agency fees and printing expenses), reasonably required debt service reserve funds, and fees of County's and TSA's Financial Advisor, Bond Counsel and Disclosure Counsel in connection with the Bonds, in the estimated amount of \$2,289,604, shall be funded out of the proceeds of the Bonds, provided that no such costs and fees shall reduce the Reimbursement Cap.

B. In the event this Agreement terminates pursuant to Section 14 below or for any other reason other than as a result of a breach of this

Agreement by County or TSA, then Partnership agrees to reimburse TSA and County for the cost of their design review consultants, project administration consultants and attorneys in connection with the Renovation Documents, the Bonds, and any professionals, consultants or auditors employed or contracted by the TSA or County in order to comply with Chapter 288, Florida Statutes, rules of the Department of Economic Opportunity ("DEO"), the FDOR or of this Agreement, provided that Partnership's total liability under this Section 9.B. shall not exceed \$150,000. Partnership shall have the right to receive copies of, but not approve, all invoices which it is required to reimburse pursuant to this Section 9.B.

10. Post Construction Contract Administration.

A. Partnership shall diligently acquire and maintain all contract documents, including but not limited to final, revised plans, specifications, change orders, manuals and warranties, and as-built plans (if created) and shall provide copies to TSA. Partnership shall be responsible for post construction administration, including but not limited to preparation of punch lists, punch list inspections and follow through, Final Approval inspections, warranty notices and documents relating to contract and warranty enforcement, correction and/or repair of errors and defects, and maintenance of legal actions relating to any breach of contract, breach of warranty and/or defective construction.

B. Partnership shall take all actions necessary, including but not limited to making demands on the Architect, the Contractor or others, filing and maintaining legal actions or other proceedings to protect the Facilities and to enforce the rights of Partnership, County and TSA with regard to same. The foregoing shall apply to all construction and contracts, except as to items directly purchased by TSA. As to those items purchased by TSA, Partnership

shall conduct periodic inspections and report any defects or potential warranty claims to TSA. Enforcement of warranty or defective construction claims on those items shall be the responsibility of TSA. However, Partnership shall reimburse TSA for all third party costs reasonably incurred by TSA, including but not limited to correction/repair costs, legal, architectural, engineering and other professional or expert costs and fees incurred by TSA in relation to or arising from its enforcement and claims administration activities as set forth in this Section 10.A. and 10.B., whether directly purchased by TSA or not; provided Partnership is given at least 5 days advance written notice of TSA's intent to incur these third party costs, except that in emergency situations TSA shall provide reasonable advance notice. Partnership shall have the right to receive copies of, but not approve, all invoices which it is required to reimburse pursuant to this Section 10.B.

11. **Time of the Essence.** Time is of the essence in the performance of all Parties' obligations contemplated hereunder. Partnership shall cause a "Time of the Essence" clause, as well as default provisions, to be placed in the Contractor's Agreement.

12. **Adoption of Certain Definitions.** All terms used in this Agreement in capitalized form, unless otherwise defined in this Agreement, shall have the same meanings as ascribed to them in the Amended GMS License Agreement.

13. **Governing Law and Dispute Resolution.** This Agreement shall be governed and enforced in accordance with the laws of the State of Florida. Any dispute arising out of or relating to this Agreement shall be resolved by a

state court of appropriate jurisdiction in Hillsborough County, Florida, it being agreed hereby that both venue and jurisdiction are appropriate in said state courts.

14. Application for, Certification and Agreement to Receive State Funding; Agreement Contingencies.

A. TSA and County acknowledge that the completion of the Projects contemplated by this Agreement will serve a paramount public purpose. As a result, within 30 days following the execution and delivery of this Agreement and the delivery to TSA of a fully and correctly completed application and all documents and information required or requested by the State of Florida and any documentation reasonably requested by TSA, TSA or County shall file an application as deemed appropriate by the Applicant, for certification pursuant to Section 288.11631, Florida Statutes, for retention of a Major League Baseball spring training baseball franchise. The Parties agree that the rights and obligations arising from and under this Agreement, including but not limited to, the obligation of Partnership to construct and fund the Projects, the obligation of TSA to reimburse Partnership as provided for in this Agreement, and the obligation to provide for the financing of such reimbursement provided for in Section 3.F. of this Agreement, shall be contingent upon TSA's or County's receipt of certification to receive State funding for a facility for a spring training franchise pursuant to Section 288.11631, Florida Statutes, in an amount sufficient to generate at least \$13,635,250 (in the estimation of the County's Financial Advisor based on market conditions then existing) in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs estimated to total \$489,750 as

described in Section 3.H. of this Agreement (the "Minimum Amount") and execution of an agreement by TSA or County and DEO providing for, among other things, an award of State funding to be distributed which award is sufficient to generate at least the Minimum Amount (collectively, the "Certification"). Should the Certification fail to occur on or before September 1, 2016, or up to sixty (60) days thereafter if approved by Partnership, TSA and the County Administrator of County, the Renovation Documents shall be automatically terminated, and shall be null and void, unless otherwise mutually agreed in writing by all Parties or unless Partnership elects to prevent such termination as provided below. The foregoing notwithstanding, in the event the Certification is to receive State funding in an amount less than the Minimum Amount, Partnership shall have the right to prevent the termination of the Renovation Documents by agreeing to provide additional funds to offset the insufficiency by providing TSA and County written notice thereof within thirty (30) days following the Certification. In the event Partnership exercises such right, the first (\$35,765,396) and third (\$13,635,250) monetary amounts provided for in Section 2.D. of this Agreement shall be deemed to be reduced by, and the third (\$659,305) monetary amount provided for in the twelfth recital clause and the first (\$659,305) monetary amount provided for in Section 3.A. of this Agreement shall be deemed to be increased by, the difference between \$13,635,250 and the monetary amount in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs resulting from the actual award from the State in the estimation of County's Financial Advisor based on market conditions then existing.

B. Although TSA or County shall be the applicant under the provisions of Section 288.11631, Florida Statutes, it is agreed that the

assistance and full cooperation of Partnership shall be essential to the success of the application. As a result, Partnership agrees to promptly provide such assistance and information as may be reasonably requested by TSA or County in relation to the application process, shall provide in good faith any and all data or information provided by Partnership in connection therewith, and does hereby agree to indemnify, defend and hold harmless TSA and County from and against all claims, losses, suits and costs relating to any inaccuracy of the information and data provided by Partnership during the application process and thereafter, should funding by the State occur.

C. Partnership agrees to fully abide by and adhere to all requirements and obligations arising from Chapter 288 Florida Statutes, rules of the DEO or of this Agreement, to provide full and expeditious assistance to TSA and County in formulating and providing reports and data required by the DEO or the State of Florida. Partnership further agrees to reimburse TSA and County on an annual basis, for (i) fifty percent (50%) of the initial \$10,000 of the cost of any professionals, consultants or auditors employed or contracted by the TSA or County in order to comply with Chapter 288, Florida Statutes, rules of the DEO, the FDOR or of this Agreement and (ii) one hundred percent (100%) of the amount, if any, that such cost exceeds \$10,000.

15. **Prevailing Party.** In the event of a dispute arising under this Agreement, whether or not a lawsuit or other proceeding is filed, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs, including attorneys' fees and costs incurred in litigating entitlement to attorneys' fees and costs, as well as in determining or quantifying the amount of recoverable attorneys' fees and costs. The reasonable costs to which the prevailing party is entitled shall include any costs that are taxable under any

applicable statute, rule or guideline, as well as any non-taxable costs reasonably incurred in connection with the dispute, including, but not limited to, costs of investigation, copying, electronic discovery, information technology charges, telephone and mailing costs, consultant and expert witness fees, travel expenses, court reporter fees and transcript charges, and mediator fees, regardless of whether such costs would be otherwise taxable.

16. **Recitals.** The introductory recitals of this Agreement are true and correct and are incorporated in this Agreement by reference.

Exhibit C
Facility Renovation Agreement

Design Documents Review and
Construction Protocol and Procedures

Documents Review Phase

1) Partnership shall provide 100% drawings and specifications along with construction schedules for each Project listed on Exhibit "B" to TSA for review. In acknowledging this is a design-build delivery system for the Projects, TSA agrees that drawings and specifications for certain Projects may be delivered in stages rather than as a complete set of drawings and specifications for such Projects, and that TSA will be asked to approve those drawings and specifications in stages. All drawings and specifications shall be forwarded in electronic format for distribution by Partnership to TSA. Four half sized drawing sets and four sets of specifications in hard copy format shall also be provided directly to TSA for use by its staff. TSA shall conduct a general review of the drawings and specifications and provide comments within fourteen days (14) of receipt.

2) Project(s) may be divided by the Partnership into subprojects for purposes of document review only and not for purposes of Final Approval (defined below) or reimbursement, with a separate schedule of values for each.

3) Some Projects may represent replacement only of specific products/items and will not require construction drawings, only written specifications sufficient to indicate the basis for design.

4) Within fourteen (14) days of TSA providing comments to Partnership as outlined in Paragraph 1 above, the Partnership shall provide any comments responsive to TSA's comments, which shall include specific and actionable suggestions for incorporation of the TSA comments into the documents.

5) Upon reaching an agreement with TSA on the suggestions required by Paragraph 4 above, Partnership's Architect shall submit revised drawings and specifications to TSA in electronic and hard copy format as previously defined for review for compliance with all previous TSA comments. These will represent the bidding/permitting documents.

6) Upon TSA's acceptance of the drawings and specifications for all or a portion of a particular Project, TSA shall provide to Partnership written authorization to proceed with construction.

7) Subsequent to this approval by TSA, any future drawings and specifications that reflect non-material changes to a Project, including changes made through Change Orders under the Contractor's Agreement or otherwise, shall require TSA review and approval in accordance with the above-referenced protocol, except that TSA shall provide its comments to such proposed changes within seven (7) days of receipt of the proposed changes. In addition to TSA review and approval in accordance with the above-referenced protocol, any future drawings and specifications that reflect material changes to a Project shall require County approval. For purposes of this Exhibit "C" and this paragraph #7 specifically, a "material change" shall mean (i) the addition of a new Project, (ii) the deletion or discontinuation of a project listed on Exhibit "B" so that it will not be completed, or (iii) any change that does not provide for at least the functional equivalent of what is to be replaced or redesigned by the change, provided that the possible elimination of the vomitory expansion has already been approved and shall not require County approval.

Construction Phase

8) Once final construction and/or completion of a Project has been approved and accepted by the Partnership and beneficial occupancy can take place,

Partnership shall schedule a walk through with TSA for the purpose of performing a final inspection of each Project as identified on Exhibit "B" to the Facility Renovation Agreement. A punch list of items remaining to be completed on each Project shall be agreed upon.

9) Partnership shall provide to TSA a separate schedule of costs incurred and copies of progress payment requests and payments made by Partnership relating to those requests at the time that the walk through inspection takes place.

Final Approval

10) Upon completion of corrections or completion of punch list items satisfactory to Partnership and TSA, and examination of the documents outlined in paragraph 9 for each Project, TSA shall provide written notice to Partnership that said Project has received final approval for purposes of meeting the requirements for reimbursement under Section 3 of the Facility Renovation Agreement ("Final Approval"). Achieving Final Approval shall not relieve Partnership of any other requirement for reimbursement set forth within Section 3 of the Facility Renovation Agreement.

Exhibit D
Facility Renovation Agreement

Direct Purchase Procedures

These procedures are designed for the efficient management and implementation of certain purchases of materials and equipment by the Tampa Sports Authority ("TSA") as part of construction activities under that certain Facility Renovation Agreement to which these procedures are attached as Exhibit D. Unless otherwise specifically provided herein, the terms and words herein shall have the same meaning as within the Facility Renovation Agreement.

A. Administration.

1. All direct purchases shall be administered by and processed through the office of Vice President of Finance, Tampa Sports Authority. Any request for a direct purchase by Partnership should be addressed to:

David Byrne
Vice President of Finance
Dbyrne@TampaSportsAuthority.com

2. In an effort to allow TSA to staff appropriately, Partnership shall provide TSA with a listing of items that will be evaluated for direct purchase by May 31, 2016. This listing will be updated with inclusions/exclusions each month thereafter until the completion of the renovation. This listing will denote the approximate timing of the project/item purchase and will indicate any project/items that will require a pre-bid conference.

3. TSA will process the purchase only if sufficient funds are available to TSA. TSA will notify Partnership immediately of the unavailability of funds for any requested purchase.

B. Purchases through TSA standard procurement process.

1. At a minimum of 30 days prior to the time when Partnership would like the bids received, Partnership will provide to TSA a completed bid form as approved in advance by TSA. This bid form will indicate a Partnership or Contractor representative that can be contacted by the vendors with questions regarding the bid specifications and project. Any changes to the bid form as initially approved by TSA shall be clearly denoted by Partnership for TSA review.

2. TSA shall evaluate the completed bid form. If there are no revisions or clarifications deemed necessary by Partnership and acceptable to TSA, TSA shall then advertise the bid in accordance with TSA procurement requirements.

3. All written questions and answers provided to Partnership or the Contractor representative shall be provided to TSA prior to them being answered, to allow for the proper posting of this information to all potential vendors.

4. 10 days after the bid due date, TSA shall evaluate and rank the responsive bids. Partnership will provide a representative to work with TSA in the bid review process. TSA will provide these rankings to Partnership.

5. Partnership will notify TSA in writing within 30 days of the receipt of the rankings if they would like to proceed with the winning bid. TSA will notify all bidders of the selection or cancelation of the bid.

C. Purchasing through alternative methods.

1. In order to minimize costs and ensure consistency of quality, style, product and design with existing Facility features, as well as Facility Improvements being purchased, constructed or otherwise acquired by Partnership outside of this direct purchase procedure, to the extent practical, TSA will attempt to utilize existing vendors, contractors and professionals contracted by Partnership for the Facility Improvements; provided, however, that all purchases by TSA hereunder shall be in

compliance with laws, regulations or policies applicable to TSA relating to procurement of products, equipment, services, goods and materials.

2. In the case of purchases through alternative methods, subject to prior approval by TSA, Partnership or its Contractor shall negotiate and prepare purchase orders, as agent for the TSA, for the procurement of certain materials and equipment, to be purchased by TSA and incorporated into the project by Partnership or Contractor, that normally would require the payment of Florida sales tax if the purchaser was not a tax-exempt entity ("Materials"). Each purchase order shall define TSA as the purchaser and ultimate consumer of the Materials and will include TSA's State of Florida sales tax exemption number set forth in TSA's Florida Department of Revenue Certificate of Exemption. TSA will provide Partnership or Contractor with purchase orders for this purpose, including applicable warranty requirements.

3. After execution of the purchase orders by TSA, Partnership or Contractor shall submit the purchase orders to the supplier of the Materials (the "Supplier"). TSA will also provide copies of its certificate of exemption, which Partnership or Contractor shall submit to the Supplier along with the executed purchase orders.

D. General provisions relating to all purchases.

1. Partnership or Contractor shall be responsible for ordering, inspecting, accepting delivery, storing, handling, installing, and quality control for the Materials purchased, all in accordance with the terms and conditions of these procedures.

2. Upon submission of the invoice for such Materials by the Supplier to TSA, approval of the invoice by TSA, Partnership or Contractor, and acceptance of the Materials by Partnership and TSA, the invoice (which shall be made out to TSA and not Partnership or Contractor) shall be paid by TSA to the Supplier, contingent upon availability of funds. After payment is made to the Supplier, a deductive Change Order to the Contractor's Agreement shall be issued by Partnership and signed by Contractor reducing the Contract Price by the amount of such direct payment to the Supplier and the corresponding sales tax previously included in the Contract Price for the purchased Materials.

3. Materials shall be delivered by Supplier to the project site. Title to all the Materials shall immediately be vested in TSA as the ultimate consumer, upon acceptance of the Materials and payment by TSA to Supplier. Partnership shall obtain such insurance to protect the Materials from risk of loss prior to incorporation by Construction Manager into the Work.

4. Once the item is received by the Contractor/Partnership, TSA will immediately be provided the receiving documents and accompanying invoice(s). Additionally, TSA will be provided the opportunity to place a County issued property tag on the item.

5. Any costs incurred by TSA as a result of a direct purchase process, including, but not limited to advertising, legal fees or additional staff, will be the responsibility of Partnership. TSA will provide notice to Partnership of an estimate of anticipated additional staff costs in advance of incurring these costs.

FIRST AMENDMENT TO
NEW YORK YANKEES FACILITY RENOVATION AGREEMENT

This First Amendment to New York Yankees Facility Renovation Agreement ("First Amendment") is entered into as of the 25th day of October, 2016, by and between the TAMPA SPORTS AUTHORITY, a body politic and an independent special district under the laws of the State of Florida ("TSA"), NEW YORK YANKEES PARTNERSHIP, an Ohio limited Partnership ("Partnership"), and HILLSBOROUGH COUNTY, FLORIDA ("County"). The foregoing entities are sometimes individually referred to as "Party" and collectively referred to as the "Parties."

Recitals

WHEREAS, TSA, Partnership and County are parties to a New York Yankees Facility Renovation Agreement dated as of April 20, 2016 (the "FRA") relating to the design, construction and financing of certain renovation improvements to Partnership's spring training facilities in Tampa, Florida; and

WHEREAS, the Parties desire to amend the FRA as herein provided and such action is in the best interest of the Parties; and

WHEREAS, capitalized terms set forth in this First Amendment shall have the meanings set forth in the FRA if not otherwise defined herein.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, receipt of which is hereby acknowledged, the Parties wish to amend the FRA as follows:

1. **Extension of Termination Date.** The fourth sentence of Section 14.A. of the FRA is hereby amended to extend the effective termination date of the FRA by removing the date "September 1, 2016" and inserting in lieu thereof the date "December 31, 2016."

The Parties further agree that the ability to extend such date by approval of Partnership, TSA and the County Administrator of County as provided in the fourth sentence of Section 14.A. shall remain applicable and in full effect.

2. DEO Agreement Terms, Conditions and Indemnifications. The FRA is amended by adding thereto a new Section 8 to read as follows:

8. Terms, Conditions and Indemnifications Relating to the DEO Agreement.

A. It is contemplated that, in furtherance of the agreement of the Parties to seek certification and funding by the State of Florida pursuant to sections 212.20 and 288.11631, F.S ("the Act"), an agreement between TSA, as the Applicant, and DEO (hereinafter defined) will be entered into entitled "Sports Development Program Agreement (the "DEO Agreement"). The DEO Agreement will govern the rights and obligations of TSA and DEO with respect to funding under the Act.

B. The DEO Agreement, when fully effective, will impose requirements and conditions upon TSA, as Applicant, which requirements relate either to the GMS Projects for which funding from the DEO is being sought or to the funding itself.

(1) Those requirements will include, among other things: (a) the maintenance and production of documentation evidencing compliance with the Act by TSA and Partnership; (b) production of annual reports and accountings of expenditures for the GMS Projects; (c) production of all amendments, modifications, extensions and assignments of the GMS License Agreement, this Agreement and other relevant contracts; (d) production of yearly cost benefit analyses; (e) evidence of efforts to promote the GMS Facility; (f) progress and status reports relating to construction and completion of the GMS Projects; and

(g) such other documentation and information as may be requested by DEO relating to the GMS Projects or to the DEO Agreement. Partnership agrees to assist and support TSA to the fullest extent possible, in complying with any and all such requirements, including, if requested by TSA, the production of documents and information within Partnership's custody, possession and/or control. Partnership shall, on an annual basis, reimburse TSA's costs, consulting, expert and attorneys' fees reasonably expended in the process of complying with the DEO's requirements, said costs and fees to be shared between TSA and Partnership in the manner as provided for under Section 14.C. hereof. As an example, if, in a given year, TSA reasonably incurs \$10,000.00 of costs and fees to comply with DEO's requirements, and \$10,000.00 of costs and fees under Section 14.C., Partnership would reimburse TSA a total of \$15,000.00.

(2) The DEO Agreement will also place contractual responsibility and liability upon TSA, as Applicant, for the work performed and costs incurred, in connection with the GMS Projects, and will require TSA to fully indemnify, protect and hold harmless DEO and the State of Florida from all claims, suits, costs and losses, unless such claims, suits, costs and losses are the result of acts or omissions of DEO. Partnership acknowledges that it has accepted, by virtue of this Agreement, full responsibility for the costs, work and timely completion of the GMS Projects and has agreed to indemnify TSA as provided under Section 7 hereof. In addition to the indemnities provided in Section 7 or otherwise in this Agreement, Partnership shall defend, indemnify and hold harmless TSA from and against any and all Adverse Consequences arising from or as a result of, or in connection with, any action or claim by DEO or the State of Florida under the indemnity provisions of the DEO Agreement, provided, however, that Partnership is not obligated to indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of TSA, and provided further that with

respect to any indemnity claim of DEO against TSA for which TSA seeks indemnity against Partnership, TSA shall have the same obligations to Partnership as DEO has to TSA under the DEO Agreement's indemnity provisions and Partnership shall have the same rights as TSA under those provisions.

(3) The DEO Agreement may require TSA, as the Applicant, to ensure that contracts entered into by TSA or Partnership in connection with the GMS Projects, contain certain provisions requiring compliance with certain requirements, including the DEO Agreement and all applicable laws, including, but not limited to, the Florida Public Records Act, applicable regulations, audit, accounting, performance and reporting requirements, confirming their independent status and disavowing any agency, joint venture, partnership or similar status with DEO or the State of Florida. Partnership agrees to insert or cause to be inserted into all of its contracts relating to the GMS Projects, effective as of the date determined by DEO to be appropriate, all provisions that are required of TSA and its contractors under the DEO Agreement and as required or requested by DEO to ensure that no condition exists among such contracts or contractors that would violate the DEO requirements or cause TSA to be in violation thereof.

(4) The DEO Agreement will require that TSA, as the Applicant, retain and maintain certain enumerated and identified records and types of records, relating to the expenditure of State or DEO funds, for the GMS Projects and to the DEO Agreement, in accordance with generally accepted procedures, and that those records be made available to DEO or other enumerated governmental agencies or offices; and that TSA comply with certain audit requirements and standards. Partnership agrees to fully and promptly comply with any request by TSA or DEO for such records, to maintain and provide such records at its cost, and to require its

contractors, subcontractors, agents and consultants to comply with such requirements and requests by DEO.

(5) In addition to the requirements identified in this Section 8. B(1) through (4), the DEO Agreement may include numerous other requirements of TSA, as the Applicant, and its contractors. Partnership agrees that, because of the obligations it has assumed in this Agreement pertaining to the design, construction, management and payment for the GMS Projects, it shall take all actions and provide all assistance necessary, as reasonably determined by TSA, for the satisfactory completion by TSA of all requirements of TSA, as Applicant, under the DEO Agreement. In addition, Partnership agrees to reimburse TSA on an annual basis for all out of pocket expenses and fees reasonably incurred by TSA during the certification and funding process and thereafter arising from and in accordance with requirements imposed upon TSA, as the Applicant, under the DEO Agreement, said costs and fees to be shared between TSA and Partnership in the manner as provided for under Section 14.C. hereof. Further, Partnership shall defend, indemnify and hold harmless the Indemnitees from and against any Adverse Consequences arising from or as a result of, or in connection with, any action or claim by a third party, including but not limited to DEO, the State of Florida or any other party resulting partially or wholly from or in connection with any negligent act or omission, breach of contract or default by Partnership, its agents, contractors or subcontractors with respect to any of its obligations set forth in this Section 8 or arising from or relating to the DEO Agreement; provided, however, that the duty to indemnify shall not apply with respect to any claim resulting from the negligent acts or omissions of TSA.

C. In the event of the occurrence of any requirement for indemnification by Partnership under this Section 8, the process, terms and

procedures for indemnification set forth in Section 7, D.,E.,F.,G. and H. shall apply.

3. Effect of First Amendment on FRA. All other terms and conditions of the FRA not modified herein, shall remain in full force and effect.

4. First Amendment Effective Date. This First Amendment shall become effective on the date upon which it has been executed by all Parties.

[signatures appear on the next page]

IN WITNESS WHEREOF, the Parties hereto have signed and dated this First Amendment as of the day and year first above written.

APPROVAL OF EXTENSION OF DATE OF CERTIFICATION

The undersigned, as the President and CEO of the TAMPA SPORTS AUTHORITY, ("TSA"), the County Administrator of HILLSBOROUGH COUNTY, FLORIDA ("County") and the authorized signator for the NEW YORK YANKEES PARTNERSHIP, an Ohio limited Partnership ("Partnership") do hereby certify as follows:

1. On or about the 20th day of April, 2016, TSA, County and Partnership entered into a NEW YORK YANKEES FACILITY RENOVATION AGREEMENT (the "FRA") relating to the design, construction and financing of certain renovations and improvements to Partnership's spring training facilities in Tampa, Florida; and

2. On the same date, the foregoing parties entered into certain other related agreements, including an Amended and Restated George M. Steinbrenner Field License Agreement, and an Amended and Restated Himes Player Development Complex License Agreement (the "Renovation Documents"); and

3. The FRA contains, at Section 14 A. thereof, the following provision:

"A. TSA and County acknowledge that the completion of the Projects contemplated by this Agreement will serve a paramount public purpose. As a result, within 30 days following the execution and delivery of this Agreement and the delivery to TSA of a fully and correctly completed application and all documents and information required or requested by the State of Florida and any documentation reasonably requested by TSA, TSA or County shall file an application as deemed appropriate by the Applicant, for certification pursuant to Section 288.11631, Florida Statutes, for retention of a Major League Baseball spring training baseball franchise. The Parties agree that the rights and obligations arising from and under this Agreement, including but not limited to, the obligation of Partnership to construct and fund the Projects, the obligation of TSA to reimburse Partnership as provided for in this Agreement, and the obligation to provide for the financing of such reimbursement provided for in Section 3.F. of this Agreement, shall be contingent upon TSA's or County's receipt of certification to receive State funding for a facility for a spring training franchise pursuant to Section 288.11631, Florida Statutes, in an amount sufficient to generate at least \$13,635,250 (in the estimation of the County's Financial Advisor based on market conditions then existing) in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs estimated to total \$489,750 as described in Section 3.H. of this Agreement (the "Minimum Amount") and execution of an agreement by TSA or County and DEO providing for, among other things, an award of State funding to be distributed which award is sufficient to generate at least the Minimum Amount (collectively, the "Certification"). Should the Certification fail to occur on or before September 1, 2016, or up to sixty (60) days thereafter if approved by Partnership, TSA and the County Administrator of County, the Renovation Documents shall be

automatically terminated, and shall be null and void, unless otherwise mutually agreed in writing by all Parties or unless Partnership elects to prevent such termination as provided below. The foregoing notwithstanding, in the event the Certification is to receive State funding in an amount less than the Minimum Amount, Partnership shall have the right to prevent the termination of the Renovation Documents by agreeing to provide additional funds to offset the insufficiency by providing TSA and County written notice thereof within thirty (30) days following the Certification. In the event Partnership exercises such right, the first (\$35,765,396) and third (\$13,635,250) monetary amounts provided for in Section 2.D. of this Agreement shall be deemed to be reduced by, and the third (\$659,305) monetary amount provided for in the twelfth recital clause and the first (\$659,305) monetary amount provided for in Section 3.A. of this Agreement shall be deemed to be increased by, the difference between \$13,635,250 and the monetary amount in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs resulting from the actual award from the State in the estimation of County's Financial Advisor based on market conditions then existing."

4. It is anticipated that the Certification, as defined in and contemplated by said section 14 A., will not occur by September 1, 2016, through no fault of the TSA, the County or the Partnership; and

5. Partnership has requested and the President and CEO of TSA and the County Administrator of County desire to provide for the extension of the term of the FRA and the Renovation Documents for sixty (60) days by approving the extension of the date by which the Certification must occur from September 1, 2016 to October 31, 2016;

6. In accordance with the provisions of Section 14.A of the FRA, the undersigned do hereby approve a sixty (60) day extension (from September 1, 2016 to October 31, 2016) of the date by which the Certification must occur.

IN WITNESS WHEREOF, we have hereunto affixed our official signatures on the dates indicated below.

Notwithstanding the foregoing, ANLBC remains expressly obligated to exhibit, promote, schedule and play or conduct at least eighty percent (80%) or fifteen (15) Grapefruit League Home Games per season (whichever is greater) in the main stadium of the Facility, between the Team and another Major League Club, with at least two (2) such games scheduled to begin after 6:00 pm, subject to MLB Rules and Regulations.

3.3 If Substantial Completion occurs on or after the date on which one-half of the Team's Grapefruit League Home Games have been played, the covenants in Section 2 shall not become effective until the start of the succeeding MLB Spring Training season.

3.6 Without limiting the generality of any other provision of this Agreement, the covenants of ANLBC provided in Section 2 shall not apply: (i) if ANLBC obtains both the County and WVID's written consent, which consent shall be within the sole and absolute discretion of each of the County and WVID, prior to any action(s) otherwise prohibited under such section; provided, however, any actions which would allow the Team to permanently relocate from the County shall also require MLB Approval; and (ii) at any time after the termination of this Agreement.

4. Alternate Site Condition

4.1 Notwithstanding the provisions of Section 2, if, at any time during the Non-Relocation Term, an Alternate Site Condition shall exist, then (i) the Team shall be entitled to make arrangements to temporarily play at alternate sites for its Grapefruit League Home Games and (ii) ANLBC shall be temporarily relieved of its obligations under Sections 2.1, 2.2 and 2.3 hereunder and shall be entitled to allow the Team to play its Grapefruit League Home Games at such alternate sites, but only during the period of time that any such Alternate Site Condition shall exist; provided, however, that if the Alternate Site Condition shall be of such a nature that its expected expiration cannot reasonably be ascertained by ANLBC, the County or WVID, then ANLBC shall be entitled to honor any commitment it might reasonably have made for the Team to play its Grapefruit League Home Games at an alternate site even if that commitment extends beyond the date such Alternate Site Condition ends. ANLBC shall not, however, make

any commitment that extends beyond the end of the Spring Training season in or prior to which such Alternate Site Condition occurs, except that, if, as of August 1, such Alternate Site Condition is reasonably expected (as determined in accordance with Section 4.2) to continue to exist as of the Team's first Grapefruit League Home Game of the subsequent Spring Training season, then ANLBC shall be entitled to commit to play its Grapefruit League Home Games at an alternate site for the duration of such Spring Training season, provided, however, ANLBC shall use its reasonable best efforts to cause the Team to play its Grapefruit League Home Games at the Facility as soon as possible after the Alternate Site Condition has ended.

4.2 Not later than August 1 of any operating year in which an Alternate Site Condition continues to exist, ANLBC shall give the County, WVID and Developer a written notice setting forth the date it reasonably believes such Alternate Site Condition will terminate (the "**Proposed Date**"). If both of the County and WVID fail to object to such notice within thirty (30) business days of receipt of such notice, they will be deemed to have accepted the Proposed Date and ANLBC's right to contract with alternate sites under Section 4.1 shall be based on such date. If the County and/or WVID timely objects to the Proposed Date, ANLBC, WVID and the County shall use good faith efforts to resolve such dispute within the next five (5) business days. The County, WVID and ANLBC shall consult, and reasonably cooperate, with one another following any Alternate Site Condition so that ANLBC can most effectively find and contract for an alternate site during the duration of such Alternate Site Condition.

4.3 ANLBC shall use commercially reasonable and diligent efforts to mitigate and overcome any Alternate Site Condition that results in the Team's Grapefruit League Home Games not being played at the Facility to the extent such event or condition is within the reasonable control of ANLBC, but this undertaking shall not be construed to require ANLBC to take any action, or to relieve the County of any obligation it may have, with respect to a condemnation under Section 26 of the Facility Operating Agreement, casualty or Force Majeure that is the County's responsibility under the Facility Operating Agreement.

5. **Remedies.** ANLBC (a) acknowledges that the Non-Relocation Covenants are an essential part of the bargain and consideration of the Operative Agreements and are necessary to protect the business and goodwill of the County, WVID and Developer; (b) recognizes that the Facility is being constructed and certain debt is being incurred to construct the Facility and to permit the Grapefruit League Home Games to be played at the Facility during the Non-Relocation Term; (c) recognizes that having the Team play its Grapefruit League Home Games in the Facility throughout the Non-Relocation Term provides a unique value to County, WVID, and Developer, including generating new jobs, additional revenue sources and economic development and increased tourism for the County; and (d) acknowledges and agrees that any breach by the Team of the Non-Relocation Covenants shall cause irreparable and continual harm to the County, WVID and Developer and that damages for a default under such Non-Relocation Covenants cannot be estimated with any degree of certainty and that monetary damages cannot fairly or adequately compensate the County, WVID or Developer for a breach of such Non-Relocation Covenants. Further, the Parties acknowledge that (i) ANLBC's obligations under the Non-Relocation Covenants are unique, are the essence of the bargain and are essential

consideration for this Agreement and the other agreements being entered into by the Parties related to the Facility, including, but not limited to the Operative Agreements; and (ii) the determination of damages caused by a Non-Relocation Default, the effects of which would be suffered by the City, County and WVID community (including Developer) would be difficult, if not impossible, to ascertain. Therefore, the Parties acknowledge and agree that there exists no adequate and complete remedy at law to enforce this Agreement against the ANLBC and that equitable relief by way of specific performance or injunction is the only appropriate remedy for the enforcement of this Agreement, notwithstanding the provisions for liquidated damages provided elsewhere in this Section 5. In amplification and not in limitation of the foregoing, the County, WVID and Developer acknowledge and agree that, upon discovery of a Non-Relocation Default, or the threat of a Non-Relocation Default, the County and WVID shall promptly communicate with each other and shall cooperatively and jointly seek equitable relief before attempting to avail themselves of the liquidated damages provision set forth in Section 5.2, provided that equitable relief is a remedy available and enforceable at the time of the Non-Relocation Default. Notwithstanding the prior sentence, the County agrees that time is of the essence in responding to the occurrence or threat of a Non-Relocation Default and agrees to take reasonable steps to timely prepare and file a complaint for injunctive relief, and seek a temporary restraining order and/or other immediate injunctive relief, against ANLBC upon discovering the occurrence or threat of a Non-Relocation Default. Upon the occurrence of any other breach or misrepresentation in this Agreement by ANLBC, the County and WVID shall cooperatively discuss the joint pursuit of the remedies set forth in Section 5.1, Section 5.2, or to the extent applicable, Section 5.3. WVID and Developer shall each have the option to individually pursue the remedies set forth in Section 5.1, Section 5.2, or Section 5.3 (in each case, as applicable).

5.1 Declaratory or Injunctive Relief. Upon the occurrence of an ongoing Non-Relocation Default, the County and WVID shall cooperate in a joint effort to seek injunctive relief prohibiting or mandating action by ANLBC in accordance with, or declaratory relief with respect to, the Non-Relocation Covenants. ANLBC agrees that, in the event of any of the actual or threatened (in the reasonable opinion of the County and WVID) breach by ANLBC of any one of the Non-Relocation Covenants (i) the County and WVID shall be entitled to seek and obtain, a temporary restraining order, together with temporary, preliminary and permanent injunctive or other equitable relief, from any court of competent jurisdiction, to restrain or enjoin any actual or threatened breach by ANLBC of any Non-Relocation Covenant without the necessity of posting a bond or other security and without any further showing of irreparable harm, balance of harms, consideration of the public interest or the inadequacy of monetary damages as a remedy, (ii) the administration of an order for injunctive relief would not be impractical and, in the event of any breach of any Non-Relocation Covenant by ANLBC, the balance of hardships would weigh in favor of entry of injunctive relief, and (iii) the County and WVID may, jointly or individually, enforce any Non-Relocation Covenant contained in this Agreement through specific performance. The Parties hereby agree and irrevocably stipulate that (a) the rights of the County and WVID to injunctive relief pursuant to this Non-Relocation Agreement shall not constitute a "claim" pursuant to Section 101(5) of the Bankruptcy Code and shall not be subject to discharge or restraint of any nature in any bankruptcy proceeding involving ANLBC, (b) this Agreement is not an "executory contract" as contemplated by Section 365 of the Bankruptcy Code, and (c) action(s) taken by the County and WVID pursuant to this Section 5.1 shall not in any way prejudice any

other rights or remedies that the County or WVID may have under Section 5.2 or Section 5.4 of this Agreement or under the other Operative Agreements if a court of competent jurisdiction fails to provide injunctive or other equitable relief prohibiting ANLBC's violation of the Non-Relocation Covenants or, in the case of the remedies set forth in Section 5.4, fails to award Liquidated Damages under Section 5.2; provided, that ANLBC shall be obligated to pay the costs of litigation and any additional costs incurred by the County and WVID in enforcing its rights under this Agreement, and ANLBC shall comply with any and all provisions under the Operative Agreements until such time the Operative Agreements are terminated.

5.2 **Liquidated Damages.** ANLBC acknowledges and agrees that, if upon the occurrence of a Non-Relocation Default, in the event equitable relief is not granted by a court of competent jurisdiction for any reason or is otherwise unavailable, the payment by ANLBC of liquidated damages is the next most appropriate remedy. Therefore, in the event of a Non-Relocation Default, and the failure of any court to grant the equitable relief described in Section 5.1 above, ANLBC shall pay Liquidated Damages to the County, WVID and Developer; provided, however, that in no event may the County, WVID or Developer seek or obtain such Liquidated Damages or any portion thereof if the actions taken by ANLBC in contravention of the Non-Relocation Covenants occur after the expiration of the Non-Relocation Term. Notwithstanding anything to the contrary herein, the Parties acknowledge the amount designated as Liquidated Damages does not constitute the full amount of damages the County, WVID and Developer would suffer as a result of a Non-Relocation Default, and further, that the allocation of Liquidated Damages as between County, WVID and Developer will be based on the respective amounts established for the County, WVID and Developer identified in the definition of Liquidated Damages in Section 1 above. Furthermore, in the event of a Non-Relocation Default, and the failure of any court to grant the equitable relief described in Section 5.1 above, in compliance with Section 288.11631(2)(a)2., ANLBC shall reimburse the State of Florida for state funds expended by WVID under such section if ANLBC relocates before this Agreement expires; however, if the State Sales Tax Payment Bonds were issued to construct the Facility for a spring training franchise, the required reimbursement must be equal to the total amount of state distributions expected to be paid from the date ANLBC breaks this Agreement with WVID through the final maturity of the State Sales Tax Payment Bonds.

5.3 **Other Breach.** In the event of any breach of or misrepresentation in this Agreement by ANLBC (other than a Non-Relocation Default subject to the remedies set forth in Section 5.1 or, if applicable, Section 5.2), or in the event of a Non-Relocation Default for which, notwithstanding the intent of the Parties, the County and WVID are unable to obtain the relief set forth in Section 5.1 or, if applicable, Section 5.2, the County, WVID and Developer, jointly or individually, shall have the right (i) to institute any and all proceedings or claims permitted by law or equity to recover any and all amounts necessary to compensate the County, WVID and Developer for all damages proximately caused by ANLBC's breach under this Agreement, and (ii) to institute any and all proceedings or claims permitted by law or equity to compel specific performance with respect to ANLBC's obligations under this Agreement and one or more actions to seek to obtain a temporary restraining order, together with such other temporary,

preliminary and permanent injunctive or other equitable relief, from any court of competent jurisdiction capable of issuing or granting such relief, to compel ANLBC to comply with or refrain or cease from breaching or violating the terms, covenants and conditions.

5.4 **Termination.**

5.4.1 Upon the entry of a Final Order with respect to a default by ANLBC, the County and WVID shall have the right, but not the obligation, to jointly give to ANLBC written notice of its intention to terminate this Agreement and all other Operative Agreements (a "Final Notice"), subject to ANLBC's continuing obligation to pay any and all damages due and payable under this Agreement, including, but not limited to the Liquidated Damages. After the expiration of a period of ninety (90) days from the date such Final Notice is given, unless the default is cured, this Agreement and the other Operative Agreements may, at the jointly agreed option of the County and WVID, be terminated without liability to the County or WVID by delivery of further written notice to ANLBC, which termination shall be effective following the end of any then current Spring Training season, subject to ANLBC's continuing obligation to pay any and all damages due and payable under this Agreement, including, but not limited to the Liquidated Damages. If, however, within such ninety (90) day period, ANLBC's default under Section 2 of this Agreement is cured, then this Agreement and the other Operative Agreements shall not terminate by reason of such Final Notice.

5.4.2 This Agreement, and all obligations of the Parties under this Agreement shall terminate without further action by, or liability to, any Party upon the expiration or termination of the Facility Operating Agreement for any reason expressly permitted under the Facility Operating Agreement; provided further that upon a termination of the Facility Operating Agreement by the County upon the entry of a Final Order that ANLBC has breached Section 2 of this Agreement, this Agreement shall only terminate as provided in Section 5.4.1 of this Agreement. For the avoidance of doubt, until the end of the Non-Relocation Term, ANLBC shall remain bound by, and shall not be relieved of, its obligations under this Agreement upon a termination by the County of the Facility Operating Agreement due to a breach of Section 2 hereof by ANLBC as described in the preceding sentence. Except for the provisions of this Agreement that are expressly to survive termination, and except as provided in this Section 5.4.2, in the event of a termination of this Agreement and the Facility Operating Agreement under Section 5.4 of this Agreement, then all obligations of the Parties under this Agreement and the Facility Operating Agreement shall also automatically terminate, except for those obligations which by their express terms survive the termination or expiration of this Agreement, as discussed herein, or the Facility Operating Agreement.

5.4.3 This Agreement, and all obligations of the Parties under this Agreement shall terminate without further action by, or liability to, any Party

upon the expiration or termination of the Development Agreement for any reason expressly permitted under such Agreement.

5.4.4 Termination of this Agreement, the Facility Operating Agreement, the Development Agreement or any combination thereof, shall not alter any existing claim of any Party for breaches of such agreement(s) occurring prior to such termination and the obligations of the Parties thereto with respect to such existing claims shall survive termination.

5.4.5 Any such termination shall not apply to any provisions in any agreements that impact the Facility Debt.

5.5 **Cumulative Remedies.** Except as expressly set forth in Section 5.1, Section 5.2 and Section 5.4 of this Agreement, each right or remedy of the County, WVID or Developer provided for herein shall be cumulative of and shall be in addition to every other right or remedy of the County, WVID and/or Developer provided for in this Agreement, and the exercise (or the beginning of the exercise) by the County, WVID or Developer of any one or more of the rights or remedies provided for in this Agreement, shall not preclude the simultaneous or later exercise by the County, WVID or Developer of any or all other rights or remedies provided for in this Agreement or the Facility Operating Agreement or hereafter existing at law or in equity, by statute or otherwise.

6. **Governing Law: Interpretation.** This Agreement shall be construed and enforced in accordance with the laws of the State of Florida. The Parties hereby agree that venue and jurisdiction for all legal proceedings arising out of or relating to this Agreement shall be exclusively in the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida and the parties irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the venue of any such proceeding which is brought in such a court. The headings of sections and paragraphs in this Agreement are for convenience only and shall not be construed in any way to limit or define the content, scope or intent of the provisions hereof. As used in this Agreement, the singular shall include the plural, and masculine, feminine and neuter pronouns shall be fully interchangeable where the context so requires. Time is of the essence of this Agreement.

7. **Entire Agreement.** This Agreement constitutes the sole and entire agreement among the Parties with respect to this Agreement and supersedes all prior written or oral agreements among them relating to that subject matter, including, without limitation, the Term Sheet. Waiver by any Party of any breach of any provision of this Agreement shall not be considered as or constitute a continuing waiver or a waiver of any other breach of the same or other provision of this Agreement.

8. **Representations and Warranties.**

8.1 ANLBC hereby represents and warrants to the County and WVID as follows:

8.1.1 the execution, delivery and performance by ANLBC of this Agreement have been duly authorized by all necessary corporate action, and do

not and will not contravene or conflict with (i) the certificate of existence or bylaws of ANLBC, (ii) any provision of MLB Rules and Regulations, (iii) any law, order, rule, regulation, writ, injunction or decree now in effect of any government, governmental instrumentality or court having jurisdiction over ANLBC, or (iv) any loan agreement or other contractual restriction binding on or affecting ANLBC or any of its property or assets, except where any of the foregoing could not reasonably be expected to have a material adverse effect on ANLBC;

8.1.2 this Agreement is a legal, valid and binding obligation of ANLBC enforceable against ANLBC in accordance with its terms;

8.1.3 there is no known action, proceeding or investigation pending or, to the knowledge of ANLBC, affecting ANLBC, which may adversely affect the ability of ANLBC to fulfill and perform its obligations and its other undertakings under this Agreement. ANLBC is not in default with respect to any judgment, order, injunction or decree of any Governmental Authority which is in any respect material to the transactions contemplated in and by this Agreement;

8.1.4 ANLBC is a limited liability company duly formed, validly existing, and in good standing under the laws of the State of Georgia; and

8.1.5 ANLBC is a member in good standing of MLB and is in compliance in all material respects with all applicable MLB Rules and Regulations which are relevant to the transactions contemplated herein.

8.2 County hereby represents and warrants to ANLBC and WVID as follows:

8.2.1 the execution, delivery and performance by County of this Agreement have been duly authorized by all necessary governmental action, and do not and will not contravene or conflict with any statutes, regulations, rules, agreements, charters, instruments, contracts, judgments, orders, stipulations, injunctions, decrees or other restrictions to which the County or its assets may be bound or affected;

8.2.2 this Agreement is a legal, valid and binding obligation of the County enforceable against County in accordance with its terms; and

8.2.3 there is no known action, proceeding or investigation pending or, to the knowledge of County, affecting County, which may adversely affect the ability of County to fulfill and perform its obligations and its other undertakings under this Agreement. County is not in default with respect to any judgment, order, injunction or decree of any Governmental Authority which is in any respect material to the transactions contemplated in and by this Agreement.

8.3 WVID hereby represents and warrants to ANLBC and County as follows:

8.3.1 the execution, delivery and performance by WVID of this Agreement have been duly authorized by all necessary governmental action, and do not and will not contravene or conflict with any statutes, regulations, rules, agreements, charters, instruments, contracts, judgments, orders, stipulations, injunctions, decrees or other restrictions to which the WVID or its assets may be bound or affected;

8.3.2 this Agreement is a legal, valid and binding obligation of WVID enforceable against WVID in accordance with its terms; and

8.3.3 there is no known action, proceeding or investigation pending or, to the knowledge of WVID, affecting WVID, which may adversely affect the ability of WVID to fulfill and perform its obligations and its other undertakings under this Agreement. WVID is not in default with respect to any judgment, order, injunction or decree of any Governmental Authority which is in any respect material to the transactions contemplated in and by this Agreement.

9. **Successors and Assigns: Third Party Beneficiaries.**

9.1 This Agreement shall bind ANLBC and its assigns and successors; provided that ANLBC shall not be entitled to transfer or assign its obligations hereunder without the prior written consent of the County and WVID, which consent shall be in their sole discretion and may be conditioned upon ANLBC's remaining liable under this Agreement if the County and WVID are not reasonably satisfied with the creditworthiness of the transferee; provided, further, however, that ANLBC may, without the prior written consent of the County or WVID, transfer and assign, whether via stock sale, merger, asset acquisition or otherwise, its obligations hereunder to any Person that acquires all or a majority of the outstanding stock or assets of ANLBC, including therewith the Team's Major League Baseball franchise upon receipt of MLB Approval (a "Transferee"), provided that (i) such Transferee assumes, in a writing reasonably satisfactory to the County and WVID, all of the obligations of ANLBC under this Agreement (unless such acquisition is in the form of a stock acquisition and ANLBC remains a Party to this Agreement), and (ii) such Transferee assumes all of the other obligations of ANLBC and its Affiliates under the other Operative Agreements. ANLBC shall provide the County and WVID written evidence of MLB Approval of the Transferee within ten (10) business days after ANLBC's receipt thereof.

9.2 This Agreement shall bind the County, WVID and their respective assigns and successors; provided that neither the County nor WVID may transfer or assign this Agreement or any of their respective rights and obligations hereunder without the prior written consent of ANLBC.

9.3 Developer may assign its rights hereunder as a whole in connection with an assignment of its rights under the Development Agreement and subject to the same conditions as are set forth in the Development Agreement. The assignment of obligations is not referenced in this Section 9.3 because Developer has no obligations under this Agreement.

9.4 Nothing in this Agreement, express or implied, is intended to (a) confer upon any Person other than MLB, Developer (solely with respect to the terms creating rights in or which benefit Developer), the Parties and their permitted successors and assigns any rights or remedies under or by reason of this Agreement as a third-party beneficiary or otherwise; or (b) authorize anyone not a party to this Agreement (other than MLB and Developer (solely with respect to the terms creating rights in or which benefit Developer)) to bring or maintain an action pursuant to or based upon this Agreement.

10. **Amendments; Waivers.** No modification, amendment or waiver of this Agreement or of any of its conditions or provisions shall be binding unless such modification, amendment or waiver is in writing and signed by the Parties, and that all necessary MLB Approvals have been obtained in advance thereof.

11. **Indemnification by ANLBC.** ANLBC shall indemnify and hold harmless the County, WVID and each and all of their respective directors, officers, employees, agents, licensees, volunteers, independent contractors and consultants or any of them as their interests may appear (collectively, "Government Indemnitees") and Developer and Developer Guarantor and each and all of their respective directors, officers, employees, agents, licensees, volunteers, independent contractors and consultants or any of them as their interests may appear, of, from and against all claims, fines, claim costs, charges and expenses, liabilities, suits, obligations, demands, actions, settlements, and judgments recovered from any of them, including attorneys' fees incurred to defend such claims (collectively, "Losses"), to the extent such Losses arise from any breach of this Agreement by ANLBC. To the extent applicable, any such indemnification shall be provided in accordance with the indemnification procedures set forth in Section 21 of the Facility Operating Agreement. ANLBC expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by ANLBC shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Government Indemnitees as herein provided.

12. **Sovereign Immunity.** Notwithstanding any other provision of this Agreement, nothing herein shall be construed as a waiver of any limitations of liability applicable to WVID or the County as set forth in Section 768.28, Florida Statutes or other applicable law.

13. **Nonrecourse Liability of ANLBC Personnel.** Notwithstanding and prevailing over any contrary provision or implication in this Agreement and except for their criminal acts with respect to this Agreement (i.e., acts which would constitute crimes were they prosecuted for and convicted of such acts), the ANLBC Personnel shall not in any way be liable under or with respect to this Agreement; no deficiency or other monetary or personal judgment of any kind shall be sought or entered against any of ANLBC Personnel with respect to liability under or with respect to this Agreement; no judgment with respect to liability under or with respect to this Agreement shall give rise to any right of execution or levy against the assets of any of ANLBC Personnel; and the liability of ANLBC under this Agreement shall be limited to the assets of ANLBC.

14. **Nonrecourse Liability of County and WVID Personnel.** Notwithstanding and prevailing over any contrary provision or implication in this Agreement, no member, elected or

appointed official, officer, employee, agent, independent contractor or consultant of the County or WVID shall be liable to ANLBC, or any successor in interest to ANLBC, in the event of any default or breach by the County or WVID for any amount which may become due to ANLBC or any successor in interest to ANLBC under this Agreement, or on any other obligation under the terms of this Agreement, except for their criminal acts with respect to this Agreement (i.e., acts which would constitute crimes were they prosecuted for and convicted of such acts).

15. **Notices.** Any notice, consent or other communication under this Agreement shall be in writing and shall be considered given when delivered in person or sent by electronic mail (provided that any notice sent by electronic mail shall simultaneously be sent personal delivery, overnight courier or certified mail as provided herein), one (1) business day after being sent by reputable overnight carrier, or three (3) business days after being mailed by certified mail, return receipt requested, to the parties at the addresses set forth below (or at such other address as a party may specify by notice given pursuant to this Section 15 to the other parties):

16. **Severability**. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under any applicable Law, but if any provision of this Agreement is held to be prohibited by or invalid under any applicable Law, the Parties shall, to the extent possible, negotiate a revised provision which (a) complies with Applicable Law, (b) does not alter any of the substantive rights, obligations or liabilities of any party under this Agreement or the Facility Operating Agreement, and (c) confers upon the Parties the benefits intended to be conferred by the invalid provision; and the remaining provisions of this Agreement, if capable of substantial performance, shall be enforced as if this Agreement was entered into without the invalid provision.

17. **Counterparts**. If this Agreement is executed in several counterparts, each of those counterparts shall be deemed an original, and all of them together shall constitute one and the same instrument.

The City Use Agreement and the Developer License Agreement shall have indemnification obligations of the City and the Developer related to City Events and Developer Events, respectively.

(vi) In no event shall the County, City or Developer be permitted to use the Facility Site in a manner that causes or may cause any material damage to any playing surface or any part of the Facility Site (e.g., football games, rodeos, tractor pulls, etc.) unless otherwise approved in writing by ANLBC. Any damage to the Facility Site or playing surface occurring during Third Party Events caused by someone other than ANLBC, shall be immediately repaired by the responsible user (the County, City or Developer, as applicable), at the sole expense of such Party to the condition the Facility Site was in prior to the Third Party Event. The use of the Facility Site for Third Party Events shall include the public portions of the Facility and the Facility Site, the playing surface and the media areas. ANLBC will also consider the County requests to open other areas of the Facility and the Facility Site (excluding ANLBC's offices and exclusive Team parking areas) for use during City and County Events provided that such use will not conflict with ANLBC's ongoing operations and the opening of such other areas shall be in ANLBC's sole and reasonable discretion.

(e) Additional Benefits and Use of Public Plaza and Multipurpose Fields.

(i) ANLBC agrees to make available, during each Braves' Spring Training season during the Term, six (6) season tickets between the dugouts (in groups of two (2) and four (4)), a suite for two (2) games (food and beverage excluded) and two (2) parking passes to the County. The luxury suite, tickets and parking provided to the County hereunder shall be used for tourism promotion and economic development purposes.

(ii) During the Term, ANLBC agrees that the City, the County, WVID and the general public will have access and use of the Public Plaza and the Multipurpose Fields at times when there is not a Home Game, an ANLBC Event, or a conflicting Third Party Event, and provided such access and use does not interfere with the primary purpose of the Facility as the Team's training center or unduly burden or impact the Team's operations at the Facility. To maximize the public use of the Public Plaza and the Multipurpose Fields, ANLBC, the County, the City, and WVID shall communicate on a quarterly basis to create a schedule of proposed organized City, the County, and WVID use of the Public Plaza and the Multipurpose Fields for the following quarter. Certain organized use of the Public Plaza and/or the Multipurpose Fields by the City, County and/or WVID, as applicable, will require access to and use of restrooms by the general public, which will require advance coordination with ANLBC. As part of the quarterly communication process described above, the City, County and WVID shall each identify the times when their respective planned use of the Public Plaza and/or the Multipurpose Fields will require the use of restrooms. ANLBC agrees to make restrooms open and accessible for the coordinated organized public uses when the need is identified by the City, County or WVID provided such access and use does not interfere with the primary purpose of the Facility as the Team's training center or unduly burden or impact the Team's operations at the Facility and provided further, that the City, the County, or WVID, as applicable, shall be responsible for the cleaning and maintenance of such public restrooms in connection with such public use. The County acknowledges that ANLBC Home Games, ANLBC Events and ANLBC's general business and baseball operations at the Facility and the Facility Site shall take scheduling priority over the County's, the City's, WVID's and the general public's use of the Public Plaza and the Multipurpose Fields. It is expressly agreed that outside of Home Games, ANLBC Events, conflicting Third Party Events, and organized City, the County, or WVID use of the Public Plaza and the Multipurpose Fields, the Public Plaza and Multipurpose Fields will be open to use by the general public to enhance the role of the Facility and the Facility Site in the betterment of the community provided such use does not interfere with the primary purpose of the Facility as the Team's training center or unduly burden or impact the Team's operations at the Facility. To the extent permitted by applicable law, the County, City, and WVID, as applicable, shall be responsible for the prompt and complete restoration of any damage caused to the Public Plaza or the Multipurpose Fields during such public use.

(iii) Depending on the nature of the event and/or activity taking place in the Public Plaza and/or the Multipurpose Fields, ANLBC and the County will discuss in good faith requiring participants in the County and/or City recreational programs to sign a release of liability waiver prior to participating in such events and/or activities

6. ANLBC Financial Commitments.

(a) Annual Fee. ANLBC shall pay to WVID an Annual Fee, the initial payment due on the earlier of (a) Substantial Completion or (b) thirty (30) days prior to the District's first Debt Service Payment, in an amount equal to the outstanding annual debt service on the WVID Debt, excluding the City Contribution and Developer Contribution, issued to fund the construction of the Facility, with the amount of the Annual Fee payments to be made by ANLBC hereunder to be set forth in a definitive written agreement signed by ANLBC, WVID and the County, each acting in good faith (the "Annual Fee Confirmation"). The Annual Fee

shall be paid in two (2) equal annual payments, with such payments due thirty (30) days prior to the time WVID's two (2) annual debt service payments are due on the Facility as set forth in the Annual Fee Confirmation. The amount of the Annual Fee shall not be subject to increase without an updated and revised Annual Fee Confirmation executed by ANLBC and the County. In the event the actual cost of the Facility is less than the Project Budget, the Annual Fee shall be reduced, recalculated, and pro-rated, and shall be agreed upon in writing by ANLBC and the County in an updated and revised Annual Fee Confirmation based on the corresponding reduction in debt service needed to service the debt on the WVID Debt. The Annual Fee shall be used solely to fund scheduled debt service on the WVID Debt, and is to be paid by ANLBC to WVID for payment on the debt service on the WVID Debt.

(b) Concessionaire Allocation of Annual Fee. The Parties acknowledge and agree that 15% of the Annual Fee reflects ANLBC's use of the Facility for the purpose of operating food and drink concessionaire services within the premises, and 85% of the Annual Fee reflects ANLBC's use of the remaining facilities comprising the Facility. ANLBC shall be solely responsible to defend the allocation to the Florida Department of Revenue pursuant to Section 17(b) hereof and to pay the taxes imposed by the applicable Governmental Authority.

(c) Extension Term Fee. During any Extension Term, ANLBC will pay an annual payment of \$250,000 to the County on or before February 1 of each year of the Extension Term, which will be reinvested in the Facility as mutually agreed by ANLBC and the County.

(d) ANLBC FF&E. ANLBC shall be responsible for FF&E it deems necessary for installation at the Facility to operate the Team and to otherwise operate and manage the Facility. Such FF&E will include initial purchase of Facility scoreboard and scoreboard support structures, control room equipment and non-permanent concessions equipment but will not include concession stand build out (including permanent fixtures such as hoods and sinks which are included in the Project Budget). With the exception of the main scoreboard and associated scoreboard support structures, all FF&E paid for by ANLBC shall remain the property of ANLBC and may be removed by ANLBC at the conclusion of the Term. Any damage caused due to the removal of such FF&E shall be repaired diligently at the sole cost and expense of ANLBC.

7. Completion.

(a) Braves Completion Deadline. Per the terms of the Term Sheet, WVID has agreed to use commercially reasonable efforts to achieve Substantial Completion and receive all necessary approvals for the intended purpose of the Team conducting Spring Training operations and playing Spring Training games at the Facility on or before the Braves Completion Deadline.

(b) ANLBC Remedies. The County acknowledges and agrees that completion of the Facility on time is of great importance to ANLBC. No liability shall accrue to the County under this Agreement if the Braves Completion Deadline is not met, except if as a result of a material default by the County of its obligations hereunder or under the Operative Agreements, in which case the County shall assist ANLBC with finding an alternative temporary Spring Training site reasonably acceptable to ANLBC until such time as the Facility is complete. If the Braves Completion Deadline is not met other than as a result of an uncured material breach by

ANLBC of the Development Agreement, and the County has issued the County Bonds and WVID has issued the Facility Debt, ANLBC shall begin making its Annual Fee payments as set forth at Section 6(a) above, but until the Team is able to hold Spring Training operations and play Spring Training games at the Facility a pro rata portion of the Annual Fee (based on Spring Training Home Games missed) shall be reimbursed by WVID from financing reserves, if available, once sufficient for such reimbursement, if permitted under the Facility Debt documents. Any rights and remedies of ANLBC as a third party beneficiary under the architect agreement or construction management agreement, as applicable, and the right to reimbursement from any insurance proceeds it receives as an additional insured with respect to the foregoing shall be set forth in the Development Agreement.

8. Revenue Streams. Except as specifically set forth in this Agreement with respect to Third Party Events, ANLBC shall have the sole and exclusive right to retain all revenues, fees, and other amounts generated by ANLBC pursuant to this Agreement from the use, operation and management, license and/or sublicense of the Facility and the Facility Site from all sources, whether now existing or developed in the future and whether or not currently contemplated by the Parties, including, without limitation, all revenues from the exclusive rights granted to ANLBC in Section 5(a)(i)-(xviii) above.

9. Naming and Sponsorship Rights. ANLBC agrees to consult in good faith with the County on the sale of the naming rights to the Facility and agrees it will not sell naming rights to the Facility to any entity engaged in any business involving tobacco, illegal activity, sexually suggestive conduct and/or obscene or pornographic materials. Otherwise, ANLBC shall have the exclusive right to sell naming rights to the Facility, and to retain all revenues derived from such sale. The County acknowledges that ANLBC reserves the exclusive right to sell sponsorship, entitlement and/or naming rights to other designated areas of the Facility and the Facility Site and to retain all revenues related to such sales for such other areas. Following receipt by the County of written notice from ANLBC of the name of the Facility, the County shall exclusively use the name or names given to the Facility or any portion thereof in all correspondence, communications, advertising, websites, social media and promotions the County may undertake or utilize with respect to the Facility, including all press releases and in connection with the promotion of any City Events, County Events or Developer Events, subject to ANLBC approval for each initial use (and provided that each subsequent use is consistent with the initial approval). The County shall include the name of the Facility on all directional or other signage that is installed by the County that refers to or identifies the Facility. ANLBC will include references to the name "the West Villages" or something similar when referencing the Facility when appropriate or reasonable (e.g., SunTrust Park at The West Villages). However, the County acknowledges that there will be times when only the Facility name is utilized (e.g., SunTrust Park). ANLBC has agreed not to sell naming rights and/or sponsorship rights to the Facility to any home builder competitive with Developer or its affiliates as of the date of sale of such naming rights.

10. Marketing and Promotion of the Facility. It is recognized that the Facility will be located within the City of North Port and ANLBC will use commercially reasonable efforts to market and promote the City of North Port and Sarasota County in its marketing and promotion of the Facility and as more fully provided for herein. ANLBC acknowledges that the County and the City are undertaking a substantial financial responsibility to provide funding for the Facility.

ANLBC, the County and the City shall endeavor to develop an ongoing promotional relationship for the purpose of promoting Sarasota County, the City of North Port and the Greater Sarasota County region as a desirable and attractive year-round vacation and meeting destination venue and for the promotion of the Braves' Spring Training games and ticket sales related thereto. In consultation with the Sarasota Convention and Visitors' Bureau (d/b/a Visit Sarasota County) and the Sarasota Tourism Development Council, ANLBC shall make available on an annual basis certain promotional and tourism opportunities including but not limited to signage inside SunTrust Park as reasonably determined by ANLBC in consultation with the City and the County, a Sarasota County/City of North Port promotional day at SunTrust Park, use of a suite at SunTrust Park during such Sarasota County/City of North Port promotional day (food and beverage to be purchased separately by the County and City from ANLBC's concessionaire), participation in off-season Fan Fest Events, promotion of the Facility, the City of North Port and Sarasota County on the Team website, during in-game promotional video opportunities at SunTrust Park, and on ANLBC controlled radio and television broadcasts. The County, the City, Visit Sarasota County, and ANLBC shall meet on an annual basis to develop and review a mutually agreeable promotional plan.

11. Public Safety and Security. ANLBC shall, at ANLBC's expense, provide all necessary public safety personnel, including but not limited to law enforcement, fire, emergency medical service, traffic management personnel as well as qualified security and crowd control personnel to protect the public health, safety and welfare at all Home Games and ANLBC Events. The required amount of public safety and security shall be determined in conjunction with Government Authorities and be consistent with MLB standards for similar events and Comparable Spring Training Facilities. The County (or City or Developer, as applicable) shall, at its expense, provide all necessary public safety personnel, including but not limited to law enforcement, fire, emergency medical service, traffic management personnel as well as qualified security and crowd control personnel to protect the public health, safety and welfare at all County Events (or City Events or Developer Events as applicable) and in connection with the permitted use of the Public Plaza or the Multipurpose Fields as set forth at Section 5(e)(ii) of this Agreement. ANLBC will work in good faith with the City to utilize City police officers when and if necessary including for Home Games, ANLBC Events and Third Party Events.

12. Utilities. The Facility Site shall be furnished with domestic water, sufficient electrical capacity to operate and manage the Facility Site as contemplated herein (including, without limitation, capacity for lighting and equipment for night baseball games), sewage, field and grounds irrigation and drainage systems with maximum outsource, and telephone service and similar services, and ANLBC shall bear the monthly operating cost of all such Facility Site utilities at all times other than during use for Third Party Events for which utilities costs will be determined by ANLBC in good faith and promptly paid by City, the County or Developer as applicable.

13. Operation and Maintenance Expenses. Except for Capital Maintenance and Repairs, ANLBC shall be responsible for all costs and expenses in connection with its use, operation and management of the Facility and the Facility Site including, but not limited to, utilities, any assessments or charges imposed by WVID for the operation and maintenance of stormwater management facilities that serve the Facility and the Facility Site, cleaning and routine maintenance, but excluding costs and expenses for cleaning and utilities for Third Party

Events for which City, the County or Developer, as applicable, shall be responsible. ANLBC shall maintain and operate the Facility in a manner consistent with other Comparable Spring Training Facilities.

14. Capital Maintenance and Repairs and Capital Maintenance Fund.

(a) Subject to the terms and conditions set forth herein, the County and ANLBC shall each fund fifty percent (50%) of all costs arising in connection with the Capital Maintenance and Repair of the Facility and the Facility Site pursuant to the Program Requirements and in a manner consistent with other Comparable Spring Training Facilities from the Capital Maintenance Fund. Notwithstanding the foregoing, any repairs required for any Discretionary Improvements made by ANLBC and Trade Fixtures shall be the sole responsibility of ANLBC, and funds for such repairs shall not be drawn from the Capital Maintenance Fund (as set forth below).

(b) All disbursements of such funds shall be subject to the County's and ANLBC's approval (which approval shall not be unreasonably withheld). ANLBC, as the operator of the Facility, shall be responsible for implementing such Capital Maintenance and Repairs. Any Capital Maintenance and Repair necessitated by an Emergency shall not require prior submission to the County and may be made by ANLBC in its reasonable discretion; provided, however, that ANLBC shall immediately provide written notice to the County in the event of an Emergency and provide the County with all pertinent information pertaining thereto that the County may request and the County shall reimburse ANLBC for any reasonable costs in connection with the same. ANLBC shall promptly cause all non-Emergency Capital Maintenance and Repairs to be implemented after approval of such Capital Maintenance and Repairs by ANLBC and the County.

(c) ANLBC and the County shall each fund fifty percent (50%) of the agreed upon, minimum annual contributions to the Capital Maintenance Fund pursuant to the CMF Funding Schedule on or before May 1 during each year of the Term, which CMF Funding Schedule may be subject to revision from time to time by the Parties in writing. The County and ANLBC agree that none of the funds deposited into the Capital Maintenance Fund shall be expended within the first three (3) years of the Term.

(d) The Capital Maintenance Fund shall be maintained as a separate account by the County and the amounts in the Capital Maintenance Fund, including all earnings on such amounts, shall be disbursed from time to time solely for the purpose of funding Capital Maintenance and Repairs at the Facility and the Facility Site during the Term.

(e) Beginning in the fourth year following Substantial Completion and every five (5) years thereafter, ANLBC and the County shall participate in a joint facility assessment that includes an independent third party analysis by a party mutually acceptable to ANLBC and the County of the structural and engineering elements of the Facility and the Facility Site. The cost of such analysis shall be paid for from the Capital Maintenance Fund. The analysis shall be done outside of Spring Training and the findings of such analysis shall be utilized by the Parties as a tool in addressing the priority of work to be funded from the Capital Maintenance Fund but

such findings shall not create any obligations on the part of ANLBC or the County to complete any of the proposed work set forth in such analysis.

(f) Beginning in the third year following Substantial Completion and each calendar year thereafter, the County and ANLBC shall cooperatively develop a rolling five (5) year plan of Capital Maintenance and Repairs that will act as a guide to maximize the efficiency of Capital Maintenance and Repairs. No later than June 1 of each calendar year, ANLBC shall submit to the County its proposed plan of Capital Maintenance and Repairs for the next five (5) years as well as those Capital Maintenance and Repairs to be accomplished in the succeeding year. The submittal shall include reasonable detail as to the reason for and expected cost of proposed Capital Maintenance and Repairs. No later than August 1 of each calendar year, ANLBC will be notified of the County's approval or disapproval for funding of such Capital Maintenance and Repairs for the succeeding year as well as the County's approval or modification of the Capital Maintenance and Repairs plan for the next five (5) years as well as reasonable detail regarding Capital Maintenance and Repair items requested by ANLBC but disapproved by the County. In no instance is the County required to exceed the amount of funding in the Capital Maintenance Fund in any given year.

(g) The funds in the Capital Maintenance Fund shall be managed and invested by the County in such investments as are permitted under applicable county, state and federal law and regulations and in accordance with the County's Investment Policy.

(h) In the event that the actual cost of Capital Maintenance and Repairs for the then-current year exceeds the total amount in the Capital Maintenance Fund, the County and ANLBC shall negotiate in good faith to agree upon any additional contributions to the Capital Maintenance Fund to be paid by the County and ANLBC. In the event there are any monies in the Capital Maintenance Fund at the end of the Term or the earlier termination of this Agreement, then following the completion of any remaining Capital Maintenance and Repair, such remaining monies shall be divided by the Parties pro-rata, based on the percentage of contribution by each Party to the Capital Maintenance Fund.

(i) The County and ANLBC shall not have any obligation to fund the Capital Maintenance Fund during any Extension Term.

15. ANLBC Improvements.

(a) Discretionary Improvements. Notwithstanding the obligations of ANLBC and the County to fund Capital Maintenance and Repairs as set forth herein, ANLBC shall have the right, from time to time, in its sole discretion and at its own expense, to make alterations and improvements to the Facility, as shall be reasonably necessary or appropriate, in ANLBC's judgment, for ANLBC conduct of its business without the need for prior review or approval by the County (collectively, "Discretionary Improvements"); provided, however, that ANLBC shall obtain the prior written approval of the County for any improvements that materially affect the structural elements or components of the Facility. Such alterations or improvements shall be performed in a lien-free and good and workmanlike manner. These Discretionary Improvements are beyond the Program Requirements and the repair and replacement of such improvements will not be eligible for the use of monies in the Capital Maintenance Fund.

(b) MLB Required Improvements. ANLBC shall provide the County with written notice of any alterations or improvements to the Facility required to comply with the MLB Rules and Regulations or MiLB requirements (if applicable) and ANLBC shall be obligated to make any such alterations and improvements at its expense as it deems reasonably necessary in such time frame as is required to comply with the MLB Rules and Regulation or MiLB requirements (if applicable)s. ANLBC and the County will work in good faith to evaluate whether the respective annual contributions to the Capital Maintenance Fund are sufficient to cover the repair and replacement of MLB required improvements beyond the Program Requirements.

16. Return of Facility.

(a) Pursuant to the Development Agreement, subject in all cases to Developer's option to purchase the Facility Site, if any, at the termination or expiration of this Agreement, ANLBC agrees to return the Facility to its original or subsequently improved condition, ordinary wear and tear, casualty, or condemnation excepted, and to return to the County all equipment and personal property of the County in good working condition, ordinary wear and tear excepted, in each case after a joint inspection of the Facility by the County and ANLBC. Promptly after such inspection at the termination of any occupancy, ANLBC shall have the option to either (i) make any necessary repairs; or (ii) pay the County for any damages to the premises or to personal property, ordinary wear and tear excepted, except to the extent said damage was caused by the assigns, agents, affiliates, employees or officers of the County. ANLBC shall have the right upon termination of this Agreement, within sixty (60) days thereafter, to remove from the premises all movable property which is not permanently affixed to the structure and which is not owned by the County, including without limitation all concession equipment and broadcasting equipment, whether or not such items are deemed movable and whether or not they are permanently affixed to the structure, provided that ANLBC repair any damage caused by removal of such items to the reasonable satisfaction of the County.

(b) Except for the main Facility scoreboard, all FF&E paid for by ANLBC shall remain the property of ANLBC and may be removed by ANLBC at the conclusion of the Term. Any damage caused due to the removal of such FF&E shall be at the sole cost and expense of ANLBC.

(c) All Trade Fixtures shall be owned by ANLBC and ANLBC shall have the right to remove any such Trade Fixtures at the end of the Term, provided ANLBC has repaired or restored the area from which such Trade Fixture has been removed. By way of example, and not limitation, ANLBC may not remove the main Facility scoreboard but ANLBC would be allowed to remove a secondary (not included in Program Requirements) sponsored video board paid for and installed by ANLBC; however any wiring or other infrastructure supporting such video board shall remain at the Facility. Any Trade Fixture desired to be installed by ANLBC requires the County's prior written consent, such consent not to be unreasonably withheld, delayed or conditioned.

17. Taxes.

(a) Ad Valorem Taxes. Following conveyance of the Facility and the Facility Site from WVID to the County, the County will continue to own the Facility and the Facility Site throughout the Term and will be authorized to grant ANLBC the rights provided hereunder. This Agreement has been entered into for the paramount public purpose of promoting tourism, gainful employment and economic growth in the County and the State of Florida. The County is constitutionally immune from payment of ad valorem taxes for any real property that it owns but shall remain solely responsible for the full amount of any and all real property ad valorem taxes, if any, which may be assessed or imposed upon the Facility apart from the ANLBC FF&E and Trade Fixtures. Accordingly, it is the intent of the parties that ANLBC's occupancy and use of the Facility hereunder shall be exempt from ad valorem taxation. If, for any reason during the Term, any or all of the interests or other rights or benefits held by ANLBC under this Agreement become subject to ad valorem taxation, such tax shall be paid by ANLBC.

(b) Taxes Regarding ANLBC's Operations. ANLBC shall be responsible for the full amount of any and all taxes, assessments, licenses and charges on its operations. The County represents and warrants that no taxes, surcharges, franchise tax, impact fees, development contributions, assessments or similar charges shall be levied by the County against ANLBC that are not generally applicable to all other businesses in the County. ANLBC shall have the right to contest, at its sole cost and expense, the validity or amount, in whole or in part, of any taxes or other impositions imposed against ANLBC by appropriate proceedings timely pursued in accordance with any protest procedures permitted by any applicable Governmental Authority.

18. Operating Permits. ANLBC shall secure such permits, variances, and licenses as may be necessary or desirable to operate the Facility as is contemplated by this Agreement. To the extent permitted by law, the County will assist and cooperate with ANLBC in securing permits or licenses for the operation of the Facility and shall not unreasonably withhold, delay or condition its approval in connection therewith.

19. Disaster Preparedness, Disaster Response, and Shelter. The Facility Site may be used, in areas agreed upon by the Parties, for emergency response personnel and equipment, debris and debris-removal equipment for natural disaster preparations, response, and potential shelter. Such uses by the County shall be reasonably limited in scope and duration, and the County shall undertake reasonable measures to mitigate damage or negative impacts to the Facility Site in connection with such use. The County shall provide notice regarding any such use to ANLBC prior to such entry to the extent practicable, shall provide regular notices to ANLBC during the period of such use, and shall permit reasonable access to the Facility Site by ANLBC and its agents at all times during such use. In the event the County uses the Facility Site pursuant to this Section 19, the County agrees to completely remove all disaster/hurricane-related debris and materials from the Facility Site and take such other remedial action as may be necessary within a reasonable period of time prior to the Spring Training Period so as to allow ANLBC full beneficial use of the Facility Site. The County shall be responsible for all damage, clean-up, maintenance, repairs and costs and expenses in connection with the use of the Facility Site for disaster purposes, and the County shall promptly clean up, and fully repair and restore the Facility Site, all at no cost or liability to the ANLBC.

20. Insurance.

(a) ANLBC Insurance. Throughout the Term of this Agreement, including any Extension Terms, ANLBC shall provide and maintain, at its expense, the policies of insurance set forth in Exhibit E, which shall protect ANLBC and the County and WVID from any claim, damage, liability, loss or expense to Persons or property (hereinafter, "Claims") caused by, resulting from, arising out of or in connection with the duties and obligations of ANLBC pursuant to this Agreement; provided that the policies of insurance shall be sufficient to cover the Annual Fee.

Best ratings of A- or better. ANLBC shall bear all costs of all deductibles under policies maintained by ANLBC. Upon request, ANLBC shall furnish to the County and WVID certificates of insurance for all of the above policies. ANLBC hereby agrees to furnish renewal certificates throughout the term of the Agreement. Any one or more of the types of insurance coverages required under this Section 20(a) may be maintained through a master policy insuring other entities, provided that such blanket or master policy and the coverage effected thereby comply with all applicable requirements of this Agreement.

It is hereby agreed and understood that the insurance requirements set forth above shall not be construed as in any manner waiving, restricting or limiting the liability of ANLBC with respect to obligations imposed under this Agreement, including, but not limited to, obligations imposed under the provisions of Section 21(a) below.

(b) County Insurance. Throughout the Term of this Agreement, including any Extension Terms, the County shall provide and maintain, at its expense, the policies of insurance or equivalent self-insurance as set forth on Exhibit E, to address claims caused by, resulting from, arising out of or in connection with the duties and obligations of the of the County pursuant to this Agreement:

Upon request, the County shall furnish to ANLBC and/or WVID a letter evidencing the above described coverage.

It is hereby agreed and understood that the insurance requirements set forth above shall not be construed as in any manner waiving, restricting or limiting the liability of the County with respect to obligations imposed under this Agreement, including, but not limited to, obligations imposed under the provisions of Section 21 below.

23. Time is of the Essence. In all matters concerning or affecting this Agreement, time is of the essence.

24. Quiet Use and Enjoyment. During ANLBC use and occupancy of the Facility and the Facility Site under this Agreement, ANLBC shall have and be entitled to the quiet enjoyment with respect to the use and occupancy of the Facility Site and the privileges herein granted

without interruption or interference by any Person including, specifically, the County, and the County shall defend ANLBC in such peaceful and quiet use and possession against the claims of all Persons claiming by, through or under the County, except to the extent that certain rights to use the Facility Site, or any portion of it, may be reserved to the County for County Events in accordance with this Agreement. There shall be no use of personal property owned or controlled by ANLBC without ANLBC prior written consent.

25. Destruction of Facility.

(a) If all or any Significant Portion of the Facility is damaged or destroyed by fire or other casualty, the County shall repair and rebuild the Facility (using proceeds from the Property insurance maintained by the County on the Facility and its structural components) with thorough diligence to its condition immediately before such loss or the condition required by law, whichever is greater, with such repair and rebuilding to be completed as soon as is possible giving due attention to the Spring Training Season after such fire or other casualty occurs and in any event not later than two years after such fire or other casualty occurs. For the purposes of this Section 25, Section 26 (below) and Section 3.4 of the Non-Relocation Agreement, "Significant Portion" of the Facility shall mean the loss of the use of a portion of Facility that materially interferes with the intended use and function of the Facility to exhibit, promote, schedule and play or conduct Home Games. If there is substantial interference with the operation of ANLBC's activities or use of the Facility, then ANLBC will be temporarily authorized to use other Spring Training facilities and to schedule its activities or events at other Spring Training facilities. It is specifically understood by and between the Parties that during the period of such interference, ANLBC shall have the right to schedule its activities or events at other Spring Training facilities and ANLBC's obligations pursuant to this Agreement shall be abated during such interruption. If the Facility is not, cannot, or will not be restored to the condition immediately before such casualty or the condition required by law, whichever is the greater, within two years after the fire or other casualty occurs, ANLBC may terminate this Agreement and neither Party shall have any claim whatsoever against the other Party as a result thereof.

(b) If the Facility shall be destroyed or materially damaged, during the final five (5) years of the Term (or any Extension Term), and provided that the Facility Debt and the County Bonds have been fully repaid, ANLBC may elect to terminate this Agreement upon delivery of written notice given no later than thirty (30) days after any such event to the County as of the end of the month of such written notice, and payment of any Annual Fee payable through the effective date of such termination, pro-rated on a per diem basis. Upon the delivery of such notice and the making of any payments required hereunder, this Agreement shall terminate on the date specified in such notice and ANLBC shall have no further obligations in connection with this Agreement. ANLBC acknowledges and agrees that all insurance arising from such damage or destruction shall be paid to the County.

26. Condemnation.

(a) If all or a Significant Portion of the Facility or the Facility Site is taken by any State of Florida or United States public authority pursuant to the power of eminent domain, then this Agreement shall terminate as of the date possession is taken by the public authority.

(b) If part of the Facility or a Significant Portion of the Facility Site is taken by any State of Florida or United States public authority pursuant to the power of eminent domain and in the reasonable opinion of either the County or ANLBC it is not economically feasible to continue this Agreement, either Party may terminate this Agreement under the following terms and conditions:

(i) Such termination by either Party shall be made by written notice to the other given not later than ninety (90) days after the date possession is taken by the public authority.

(ii) Termination shall be effective thirty (30) days after such notice is given at which time ANLBC will return the Facility to the County.

(c) If neither the County nor ANLBC elect to terminate this Agreement, the County shall make such repairs or alterations, if any, as are required to render the remainder of the premises useable for its intended purposes.

(d) ANLBC may assert a claim against the condemning authority to disruption or relocation of ANLBC's business or for ANLBC's property located on the premises but not for the Facility or Facility Site improvements.

27. Recording. This Agreement, and ANLBC interest in the Facility and the Facility Site shall be recorded in the Official Records of Sarasota County, Florida.

28. Notices. Any and all notices required or permitted to be given hereunder shall be deemed given when actually received, if delivered personally, or upon receipt, if deposited with the U.S. Postal Service, first class postage prepaid, certified or registered mail, return receipt requested and addressed as follows:

- (a) If to ANLBC: Mr. Terry McGuirk

- (b) If to the County County Administrator

- With a copy to: County Attorney at the same address.

29. Assignment.

(a) Neither Party may assign its rights or obligations under this Agreement (whether via merger, stock or asset sale, recapitalization, or otherwise) without the prior, written consent of the other Party; provided, however, the County acknowledges and agrees that ANLBC may assign its rights and obligations hereunder as a whole to any successor-in-interest or new owner of the Team; provided that (i) such transaction received MLB Approval, (ii) any such successor-in-interest has credit worthiness substantially similar to ANLBC and provides evidence of such that is deemed satisfactory to the County in its reasonable discretion, and (iii) such successor-in-interest or new owner has assumed the obligations of ANLBC under this Agreement, including acceptance of the obligations of the Non-Relocation Agreement, except in the event of a change of control of ANLBC pursuant to which ANLBC remains a Party to this Agreement, which shall not require consent provided such transaction received MLB Approval.

(b) Developer may assign its rights hereunder as a whole in connection with an assignment of its rights under the Development Agreement and subject to the same conditions as are set forth in the Development Agreement. The assignment of obligations is not referenced in this Section 29(b) because Developer has no obligations under this Agreement.

30. Binding Effect. This Agreement shall inure to the benefit of and remain fully binding upon the parties hereto and their respective successors and permitted assigns.

31. Default, Remedies, and Termination.

(a) If either Party hereto (the "Defaulting Party") shall fail to perform any of its obligations under this Agreement, then the Party not in default (the "Non-Defaulting Party") shall provide notice of such failure to the Defaulting Party and afford the Defaulting Party a grace period to cure said failure, as follows:

(i) Where a grace period is specifically provided, that specific grace period shall apply.

(ii) Where a grace period is not specifically provided, the Defaulting Party shall afford the Non-Defaulting Party a grace period of: (i) ten (10) business days to cure monetary failure; and (ii) thirty (30) days to cure any non-monetary default; provided, however, that if any non-monetary failure cannot be cured within such thirty (30) day period, the Defaulting Party shall be afforded such additional time as shall be reasonably required to cure such failure, if the Defaulting Party has commenced the appropriate cure within said initial thirty (30) day period and thereafter proceeds with reasonable diligence to cure said failure.

(iii) If any failure to perform shall not have been cured by the expiration of the applicable grace period, then an "Event of Default" shall be deemed to have occurred and the Non-Defaulting Party shall have the rights and remedies set forth in Section 31(b) below.

(b) If an Event of Default shall occur, the Non-Defaulting Party shall have the right but not the obligation to cure such default on behalf of the Defaulting Party, in which event

the Defaulting Party shall immediately reimburse the Non-Defaulting Party for all sums paid by it to effect such cure, together with interest thereon at the annual rate of interest equal to the prime rate of interest charged by the County's primary financial institution to its commercial customers with the highest credit rating plus one and one-half percent (the "Default Rate").

(c) Dispute Resolution in an Event of Default. If an Event of Default shall occur and is not cured under Section 31(b) above, then prior to the Non-Defaulting Party filing any lawsuit to terminate this Agreement in accordance with Section 31(d) below, the Parties shall be required to submit such dispute or controversy to non-binding mediation. Under no circumstances, however, shall the Parties be permitted to resolve the dispute or controversy through mediation or otherwise in a manner that compromises or otherwise negatively impacts the repayment of the Facility Debt.

(d) Termination by Non-Defaulting Party. If the Parties cannot resolve the dispute or controversy through mediation under Section 31(c) above, the Non-Defaulting Party may file a lawsuit seeking a declaration that it has the right to terminate this Agreement only after providing the Defaulting Party with thirty (30) days prior written notice that one of the following events (collectively hereinafter referred to as the "Termination Events") has occurred and is continuing:

(i) If, by order of a competent authority, a receiver, liquidator or trustee of Defaulting Party shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days after the making of such order, or if by decree of such authority Defaulting Party shall be adjudicated or determined to be bankrupt or insolvent, or if Defaulting Party shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;

(ii) If Defaulting Party fails to make any payments pursuant to this Agreement within sixty (60) days following receipt of written notice of such Termination Event (following the expiration of the grace period set forth at Section 31(a)(ii) above); provided however, Defaulting Party shall have the right to withhold any amounts disputed in good faith until the settlement of any such dispute; or

(iii) If Defaulting Party breaches any material provision, agreement or obligation under this Agreement, that is not cured within sixty (60) days after notice of such Termination Event; provided, however, that if such Termination Event cannot be cured within such sixty (60) day period, but the Termination Event is capable of cure within a reasonable period of time which is acceptable to the Non-Defaulting Party, and Defaulting Party diligently pursues such cure, Defaulting Party shall be allowed such agreed upon time period to cure such Termination Event.

For avoidance of doubt, the Parties agree that compliance with this Section 31(d) shall be the sole means by which a Party can seek to terminate this Agreement. Furthermore, notwithstanding anything herein to the contrary, the Non-Defaulting Party shall continue to perform all of its obligations under this Agreement until a court of competent jurisdiction

determines, in a final and non-appealable order, that the Non-Defaulting Party may terminate this Agreement.

(e) Cumulative Rights. The remedies heretofore described in this Section 31 shall be in addition to any other remedy the Non-Defaulting Party may have at law or in equity in the event of an Event of Default, including without limitation:

(i) An action to recover monies then due and owing from the Defaulting Party, together with interest thereon at the Default Rate, from the date on which such monies were due;

(ii) An action for specific performance of non-monetary covenants and agreements on the part of the Defaulting Party; and/or

(iii) An action for recovery of all actual losses, costs and reasonable attorneys' fees incurred by the Non-Defaulting Party in connection with, arising out of or in any way related to the Default.

(e) Non-Relocation Default. In the event ANLBC allows a Non-Relocation Default to occur beyond any applicable cure periods, the County shall have, in addition to the remedies set forth above, all other remedies set forth in the Non-Relocation Agreement.

(f) Spring Training Default. Notwithstanding the provisions set forth in this Section 31, in no event may this Agreement be terminated during Spring Training.

32. Dispute Resolution. The Parties acknowledge that their rights and responsibilities under this Agreement involve coordination and cooperation with respect to the use and operation of as well as Capital Maintenance and Repairs to the Facility and the Facility Site. The Parties agree to undertake commercially reasonable measures to attempt to settle any dispute or controversy that may arise between them regarding any provision or obligation set forth in this Agreement by non-binding mediation prior to filing any lawsuit related to this Agreement.

33. Status of Parties. The Parties hereto shall be deemed and construed as independent contractors for all purposes and not as the agent, employee, representative or servant of the other.

34. No Waiver or Breach. No failure of either Party to insist upon exact compliance with the terms and, provisions herein contained shall be deemed or construed as a waiver of any subsequent breach of this Agreement.

35. Severability. If any provisions of this Agreement shall be declared invalid or unenforceable, the remainder of the Agreement shall continue in full force and effect unless so construing the Agreement would produce an inequitable result.

36. Governing Law, Venue and Jurisdiction. This Agreement shall be construed and enforced in accordance with the laws of the State of Florida. The Parties hereby agree that venue and jurisdiction for all legal proceedings arising out of or relating to this Agreement shall be

exclusively in the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida and the parties irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the venue of any such proceeding which is brought in such a court.

37. Waiver of Jury Trial. The parties hereby expressly agree that in the event of litigation regarding this Agreement, any and all rights to jury trial are waived.

38. Multiple Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be original and all of which shall constitute one and the same instrument.

39. Entire Agreement. This Agreement and its exhibits shall constitute the entire agreement between the parties hereto with respect to the subject matter herein contained. There are no agreements or understandings between the parties hereto, whether oral or written, regarding the subject matter hereof, which have not been embodied herein or incorporated herein by reference.

40. Further Assurances and Corrective Instruments. The Parties each agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements and amendments hereto and such further instruments as may be reasonably required for carrying out the intentions of the Parties or facilitating the performance of this Agreement provided that the rights of the Parties in connection with this Agreement are not impaired thereby.

41. MLB and MiLB Subordination. Notwithstanding any other provision of this Agreement, this Agreement, and any rights or exclusivities granted by ANLBC hereunder shall in all respects be subject and subordinate to the MLB Rules and Regulations and the rules and regulations of Minor League Baseball. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity. This Agreement is subject to MLB approval and no amendment of this Agreement may be made without first obtaining all necessary MLB approvals. Nothing herein shall be construed as conferring on the County or WVID any rights outside of the Facility. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities. This Agreement may also be subject to MiLB approval in the event ANLBC elects to play Florida State League games at the Facility.

42. Most Favored Nation Provision. In the event the County or any County created agency or district enters into, or permits (including, without limitation, any grant by the County's acquiescence in a third party's exercise of rights not expressly granted to it) enters into any agreement or other arrangement with any other MLB team or affiliate for a Spring Training or minor league facility with financial terms more favorable than the financial terms set forth herein, the County shall provide written notice of such financial terms to ANLBC, whereupon ANLBC shall have the right to modify the financial terms to the extent necessary to reflect such more favorable financial terms. To the fullest extent permitted by law, ANLBC shall be provided with access to books, records and communications reasonably requested by ANLBC or its

designees in order to ensure the County's compliance with this Section 42. Notwithstanding the foregoing, this Section 42 shall not apply to agreements or arrangements with the Baltimore Orioles that may involve modifications to the existing Memorandum of Understanding between the County and the Baltimore Orioles or other agreements with respect to renovations, improvements, expansions or the provision of additional facilities at either the Ed Smith Stadium Complex or the Buck O'Neil Baseball Complex.

43. Maintenance of Tax-Exempt Status of County Bonds. The Parties each agree not to knowingly take any action or omit to take any action if such action or omission would jeopardize the tax-exempt status of the WVID or County Bonds.

44. Force Majeure. No Party shall be deemed in breach of this Agreement in the event of non-performance due to a Force Majeure; provided, however, that any event involving or relating to any County restrictions or acts or failures to act shall not relieve the County of its obligations pursuant to this Agreement unless the failure to act is as a result of another Force Majeure beyond the reasonable control and without the fault of the Party claiming an excuse from performance. The Parties' respective performance under this Agreement will be suspended during such Force Majeure, each Party shall resume performance of this Agreement upon the conclusion of such Force Majeure, and the Parties shall confer in good faith to determine if any remedial action is necessary as a result of such Force Majeure.

45. No Personal Liability. Nothing herein shall be construed as creating any individual or personal liability on the part of any of the County's elected or appointed officials, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys and volunteers or on the part of any of the ANLBC's members, executives, officers, or employees.

**INTERLOCAL AGREEMENT REGARDING SPRING TRAINING
STADIUM FINANCING OBLIGATIONS**

This Interlocal Agreement (the "Interlocal Agreement") is made and entered into this 27 day of July, 2017 (the "Effective Date"), by and between the City of North Port, Florida, a Florida municipal corporation (the "City") and West Villages Improvement District, an independent special district created pursuant to Chapter 189, Florida Statutes, and Chapter 2004-456, Laws of Florida, as amended ("WVID"). The City and WVID shall be referred to herein jointly as the "Parties" and each, individually, as a "Party."

W I T N E S S E T H:

WHEREAS, WVID is a local unit of special-purpose government established for the purpose of financing, acquiring, constructing, operating and/or maintaining public infrastructure improvements, including without limitation stadiums and ballfields, within and without its boundaries; and

WHEREAS, WVID, the City, Sarasota County, Florida (the "County"), Atlanta National League Baseball Club, LLC ("ANLBC"), Manasota Beach Ranchlands, LLLP (the "Developer"), and Calben (US) Corporation (the "Developer Guarantor") (the Developer Guarantor, together with WVID, the City, the County, ANLBC, and the Developer, are collectively hereinafter referred to as the "Stakeholders") have entered into that certain *Letter of Intent and Term Sheet*, dated March 9, 2017 (collectively, the "Term Sheet"); and

WHEREAS, pursuant to the Term Sheet, WVID shall provide for the design and construction, and the financing thereof, of certain spring training facilities and associated improvements to be utilized by ANLBC (collectively, the "Facility"); and

WHEREAS, pursuant to the Term Sheet, the County, WVID, and ANLBC entered into that certain *Non-Relocation Agreement*, dated May 23, 2017, providing for the Atlanta Braves to play its home spring training games at the Facility for an initial 30-year term ("Non-Relocation Agreement"); and

WHEREAS, the Term Sheet contemplates that the Facility be financed with (i) the proceeds of bonds issued or other form of indebtedness incurred by WVID and secured by grant funding (the **"Spring Training Program Grant"**) awarded by the State of Florida (the **"State Contribution"**); (ii) a financial contribution from the City (the **"City Contribution"**); (iii) the net proceeds of bonds issued or other form of indebtedness incurred by the County (the **"County Contribution"**); (iv) the proceeds of bonds issued or other form of indebtedness incurred by WVID, or another entity, and secured by annual contributions from the Developer (the **"Developer Contribution"**); and (v) the proceeds of bonds issued or other form of indebtedness incurred by WVID, or another entity, and secured by annual contributions from ANLBC (the **"ANLBC Contribution"**) (the ANLBC Contribution, together with the State Contribution, the City Contribution, the County Contribution, and the Developer Contribution, are collectively hereinafter referred to as the **"Facility Funding Obligation"**); and

WHEREAS, Exhibit D to the Term Sheet contemplates that WVID shall issue bonds or other indebtedness secured by the Facility Funding Obligation (hereinafter, the **"WVID Bonds"**), the proceeds of which shall be received by WVID on or before December 31, 2017 (the **"Target Funding Date"**); and

WHEREAS, notwithstanding the foregoing, so long as the Spring Training Program Grant has been awarded by the State by the Target Funding Date, if the bonds or other indebtedness to be issued by WVID and secured by the Developer Contribution and the ANLBC Contribution (the **"WVID Debt"**) and/or the bonds or other indebtedness to be issued by WVID and secured by the State Contribution (the **"State Sales Tax Payments Bonds,"** and together with the WVID Debt, the **"WVID Bonds"**) is not yet issued and the net proceeds therefrom deposited into the respective subaccount of the WVID Construction Account by the Target Funding Date, WVID may instead acquire temporary funding (hereinafter, the **"Temporary Funding"**) in an amount necessary to preserve the Project Schedule between January 1, 2018 and February 28, 2018, the occurrence of which shall not constitute a default under the Development Agreement (hereinafter defined) or this Agreement, provided that the WVID Bonds shall be issued and the proceeds therefrom deposited to the applicable subaccount of the WVID Construction Account on or before February 28, 2018; and

WHEREAS, the Term Sheet contemplates that the City Contribution is to be comprised of a Three Hundred Thousand Dollar (\$300,000.00) annual contribution to WVID over a period of thirty (30) years, resulting in a total payment of Nine Million Dollars (\$9,000,000.00); and

WHEREAS, there are extensive benefits to the Stakeholders in the event that the City Contribution is paid to WVID as a lump sum payment instead of through the issuance of the WVID Bonds, which benefits include but are not limited to the following: (i) conserves significant staff and legal time, resources, and expenses that otherwise would have been expended relative to the issuance and remittance of the annual payments; (ii) avoids the need to utilize a portion of the City Contribution towards WVID's bond-related expenses such as issuance costs, underwriting fees and costs, and legal, financial advisory, and other consultant fees and expenses; and (iii) streamlines the process of obtaining the Facility Funding Obligation; and

WHEREAS, there are additional benefits specific to the City in the event that the City Contribution is paid as a lump sum payment, which benefits include but are not limited to the following: (i) eliminates the City's need to budget for the City Contribution payments over the next thirty (30) years during unknown market conditions (which allows for the City to better allocate financial resources within the current and/or upcoming fiscal year); (ii) increases the City's future borrowing capacity by eliminating the City's annual payment; (iii) prevents the potential effect of binding future City Commissions relative to the provision of the City Contribution over the next thirty (30) years; and (iv) reduces City staff resources needed to coordinate the payment of the City Contribution semi-annually over the next thirty (30) years; and

WHEREAS, due to financial economies and other efficiencies gained by WVID not issuing the portion of the WVID Bonds secured by the City Contribution provided over a term of thirty (30) years, the Parties now desire for the City Contribution to instead be made a lump sum contribution to WVID in the amount of Four Million Seven Hundred Thousand Dollars (\$4,700,000.00); and

WHEREAS, the terms and conditions of the State Contribution, the County Contribution, the Developer Contribution, and the ANLBC Contribution are more particularly set forth in that certain *Development Agreement* by and between the County, the City, WVID, the Developer, the Developer Guarantor, and ANLBC that has been executed or is to be executed by such parties (hereinafter, the "**Development Agreement**"); and

WHEREAS, the terms and conditions of the County Contribution are more particularly set forth in the *Development Agreement* and that certain *Interlocal Agreement* by and between the County and WVID as contemplated by the Term Sheet ("**County Interlocal Agreement**") that has been executed or is to be executed by such parties; and

WHEREAS, the terms and conditions of the State Contribution are more particularly set forth in the *Development Agreement* and that certain *Spring Training Program Agreement* by and between the State and WVID that has been executed or is to be executed by such parties (hereinafter, the "**Spring Training Program Agreement**"); and

WHEREAS, in accordance with intent of the Term Sheet, WVID and the City desire to enter into this Interlocal Agreement to set forth the rights, duties and obligations of the Parties hereto relative to the provision of the City Contribution.

NOW, THEREFORE, in consideration of the recitals, agreements, and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties agree as follows:

SECTION 1. RECITALS; DEFINED TERMS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Interlocal Agreement.

SECTION 2. PROVISION OF THE CITY CONTRIBUTION.

- A. Notwithstanding anything to the contrary in the Term Sheet, the City acknowledges and agrees that it shall partially provide for the funding of the design and construction of the Facility by contributing a lump sum payment to WVID in the amount of Four Million Seven Hundred Thousand Dollars (\$4,700,000.00). Such amount shall be due and payable to WVID in one or more installments, but paid in full no later than the earlier of: (i) the Target Funding Date; or (ii) if the WVID Bonds have not yet been issued as of such date, upon WVID's receipt of the Temporary Funding. Beyond the City Contribution, other than as a result of a default of its obligations hereunder, the City shall have no additional financial or other liability relative to the Facility Funding Obligation.
- B. Upon receipt, WVID shall deposit the proceeds of the City Contribution in the applicable construction account held by a trustee on behalf of WVID pursuant to a custodian agreement, all in accordance with the Development Agreement for use in financing the costs relative to the design and construction of the Facility. WVID may utilize such funds in the manner set forth in the Development Agreement.
- C. If, as of the Target Funding Date, all Conditions Precedent (hereinafter defined) have been met pursuant to Section 3(A) below, and the City fails to make its payment of the City Contribution, WVID shall provide immediate notice of such default to all of the Parties to the Development Agreement, and WVID shall have the option to terminate this Interlocal Agreement as of the Target Funding Date (hereinafter, a "Default Termination").

SECTION 3. CONDITIONS PRECEDENT.

- A. The City's obligation to pay the City Contribution as contemplated herein and to take any other action required by this this Interlocal Agreement is hereby expressly contingent upon the satisfaction and occurrence of each of the following conditions (collectively the "Conditions Precedent") prior to the Target Funding Date:
 - i. The Stakeholders' approval and execution of the Development Agreement;
 - ii. WVID and the County's approval and execution of the County Interlocal Agreement;
 - iii. The State's award of the Spring Training Program Grant to WVID;
 - iv. WVID's issuance of bonds or other indebtedness secured by the Developer Contribution and the ANLBC Contribution; and

v. Receipt of the County Contribution by WVID.

Notwithstanding the foregoing, in the event that the Condition Precedent set forth in Section 3(A)(iv) above has not occurred on or before the Target Funding Date, such Condition Precedent shall be deemed to have been met so long as WVID secures the Temporary Funding by such date.

- B. Should any of the foregoing conditions have not been satisfied by the Target Funding Date, the City may terminate this Interlocal Agreement by written Notice to WVID and the parties to the Development Agreement, termination to be effective immediately upon issuance of said Notice.

SECTION 4. REFUND.

- A. WVID shall refund to the City the full amount of the City Contribution if any party terminates the Development Agreement, but only to the extent that WVID is able to recover liquidated damages from ANLBC pursuant to Section 5.2 of the Non-Relocation Agreement which are allocable to the City Contribution. In case of any such termination, WVID agrees to pursue all legal means for all remedies available at law to recover damages from ANLBC.
- B. WVID shall refund to the City a prorated amount of the City Contribution if any party terminates the Non-Relocation Agreement prior to the initial 30-year term of same, but only to the extent that WVID is able to recover liquidated damages from ANLBC pursuant to Section 5.2 of the Non-Relocation Agreement which are allocable to the City Contribution. Any refund shall be calculated and prorated to a monthly amount. In case of any such termination, WVID agrees to pursue all legal means for all remedies available at law to recover damages from ANLBC.
- C. Any such refund shall be paid to the City no later than ninety (90) days after receipt of the above-referenced funds by WVID from ANLBC.

SECTION 5. EFFECTIVE DATE; TERM. This Interlocal Agreement shall become effective as of the Effective Date, and shall continue until the termination of all Operative Agreements, which shall include, collectively, the following agreements: (i) this Agreement, (ii) the Development Agreement, (iii) the Non-Relocation Agreement, (iv) the City License Agreement, (v) the Developer License Agreement, (vi) the County and WVID Interlocal Agreement, (vii) the Deed Restriction, (viii) the Spring Training Program Agreement, and (ix) any other agreements deemed necessary by the Parties to memorialize the terms and conditions set forth in the Term Sheet.

SECTION 6. EFFECT OF TERMINATION; REMEDIES. A default under this Interlocal Agreement shall entitle the Parties to all remedies set forth herein:

- A. Negotiations.** In the event of any claim or dispute among the Parties arising out of or relating to this Agreement or the breach thereof, the Parties shall use their best efforts to settle such dispute in a reasonable manner through amicable negotiations. Upon written request from either Party to conduct such negotiations (the "**Negotiation Notice**"), both Parties shall use commercially reasonable efforts to resolve such dispute in good faith. For ninety (90) days following the issuance of a Negotiation Notice, neither Party shall file any claim or lawsuit to resolve such dispute.
- B. Other Remedies.** Subject to complying with Section 6(A) herein, the Parties shall have the ability to pursue any remedies available at law.
1. Litigation permitted by, arising under, or with respect to this Agreement shall only be instituted in the Twelfth Judicial Circuit Court of Florida in Sarasota County or the Tampa division of the United States District Court for the Middle District of Florida or, in the event of any changes to such circuit, district or division, in the circuit court in the judicial circuit and county or the federal district court and division within which the Facility is located at the time such litigation is filed. The Parties consent to the jurisdiction and venue of such courts for such permitted litigation.
 2. Any failure of a Party to exercise any right or remedy as provided in this Agreement shall not be deemed a waiver by that Party of any claim for damages it may have by reason of the default.

SECTION 7. AMENDMENT. Amendments to and waivers of the provisions contained in this Interlocal Agreement may be made only by an instrument in writing which is executed by the Parties hereto.

SECTION 8. ASSIGNMENT. Neither of the Parties may assign their rights, duties or obligations under this Interlocal Agreement without the prior written approval of the other. Any purported assignment without said written authorization shall be void.

 - (m) *Spring Training Program Agreement* shall mean the Spring Training Program Agreement between the Florida Department of Economic Opportunity and WVID relative to the State Sales Tax Payment Bonds as the same may be amended or supplemented from time to time.
 - (n) *State Sales Tax Payments Bonds* shall mean those certain bonds, notes or other form of indebtedness, in one or more series, to be issued by the WVID in an amount necessary to finance the portion of the design and construction of the Facility and secured by the State Contribution.
 - (o) *Substantial Completion* shall be defined as more particularly set forth in the Construction Contract, but shall include, at a minimum, the occurrence of all of the following: (i) the Design Professional has delivered to the parties to the Development Agreement a certificate certifying that the Facility is sufficiently complete in accordance with the requirements of the Construction Contract subject to the completion of punch list items that do not materially affect the use or occupancy of the Facility or its operation for purposes as a Spring Training Facility, (ii) all required

governmental inspections and certifications have been made and posted, and (iii) a temporary or permanent certificate of occupancy has been issued in respect of the Facility; provided that the certificate of occupancy shall be delivered to ANLBC promptly following its issuance.

- (p) *Temporary Funding* shall mean funding from ANLBC to be utilized by WVID in the event that the State Sales Tax Payment Bonds are not issued by the Funding Date, as more particularly defined in the Development Agreement.
- (q) *Trustee* shall mean the Trustee of the WVID Debt and the State Sales Tax Payment Bonds.
- (r) *WVID Debt* shall mean those certain bonds, notes or other form of indebtedness, in one or more series, to be issued by the WVID in an amount necessary to finance a portion of the design and construction of the Facility and secured by the Annual Fee.

4. Conditions Precedent. The obligations of the County and WVID set forth herein are conditioned upon the following:

- (a) **Spring Training Program Grant.** WVID shall have secured the grant of award of the Spring Training Program Grant pursuant to the State Certification Letter from the State of Florida in the amount of \$1 million per year for a period of twenty (20) years no later than the Funding Date.
- (b) **Development Agreement.** Each of the relevant parties shall have entered into the Development Agreement no later than the Funding Date.
- (c) **Developer Guarantor Agreement.** Developer Guarantor shall have entered into a guaranty agreement as described in the Development Agreement no later than the Funding Date.

5. Funding Obligations. The County and WVID each have obligations to issue debt instruments in order to fund the Facility design and construction costs as more fully set forth in the Development Agreement and the plan of finance incorporated therein.

- (a) **County Funding Obligations.** The County has agreed to issue its County Bonds for the purpose of meeting its obligation to partially fund the cost of the design and construction of the Facility in accordance with the Program set forth in the Development Agreement. The County is obligated to make net bond proceeds of \$21,262,000.00 (or similar alternative financing) available on the Funding Date. The County shall use its best efforts to close on the County Bonds on or before the Funding Date, provided that full funding will be made available on the Funding Date. The County Bonds will be issued as tax-exempt obligations.
- (b) **WVID Funding Obligations.** WVID shall issue the State Sales Tax Payments Bonds and the WVID Debt for the purpose of meeting its obligation to partially fund the cost of the design and construction of the Facility in accordance with the Program set forth in the Development Agreement. The amount of the State Sales Tax Payment Bonds and the WVID Debt is set forth in more detail in the Plan of Finance included in the Development Agreement. WVID shall use its best efforts to close on the WVID Debt and the State Sales Tax Payments Bonds on or before the Funding Date.

- a. WVID shall make the net proceeds of the State Sales Tax Payments Bonds available on the Funding Date. Notwithstanding the foregoing, so long as the State Certification Letter has been awarded to WVID by the State as of the Funding Date, if the State Sales Tax Payments Bonds are not issued by the Funding Date, WVID may instead acquire Temporary Funding in the alternative.
- (c) The County shall have the right to review all WVID financing documents related to financing the Facility and to participate in meetings and other activities related to such financing as the parties may deem reasonably appropriate. Neither WVID nor the County shall structure its financing documents to permit a lien or encumbrance upon the Facility Site or Facility.
- (d) Each party will contribute its funds to the WVID Construction Account and/or WVID Debt Account to finance the design and construction of the Facility in accordance with the Trust Indenture and Custodian Agreement, as applicable, and will use its best efforts to contribute such funding to WVID through coordinated closings. The County will not be obligated to transfer its net bond proceeds of \$21,262,000.00 to the WVID until WVID has closed on the issuance the WVID Debt and the State Sales Tax Payments Bonds (or received the Temporary Funding as of the Target Date, as applicable) and WVID shall have deposited its net bond proceeds into the appropriate subaccount in the WVID Construction Account to be administered by a custodian with corporate trust powers.
- (e) WVID shall reasonably agree to the terms of the tax certificate prepared by the County's bond counsel. WVID shall provide the County with monthly reports concerning the expenditures of County funds for purposes of demonstrating compliance with the terms of the tax certificate.
- (f) If requested by the County, WVID shall engage the services of a firm qualified to prepare arbitrage reports, at WVID's expense. WVID shall deliver the arbitrage report to the County annually, no later than December 1 of each year for the preceding County fiscal year ending September 30. The arbitrage report shall be certified to WVID and the County.
- (g) WVID will take no action or omit to take an action that would reasonably be expected to jeopardize the tax-exempt status of the County Bonds. The County's bond counsel shall be consulted and shall have final decision making authority with respect to the interpretation of the terms of the tax certificate and the application of federal tax law to the County Bonds.
- (h) County and WVID each agree to assign their respective rights to collect ANLBC's Annual Fee under the Facility Operating Agreement and hereunder to the Trustee of the bonds issued or other indebtedness secured by the ANLBC Contribution; provided, however, that such assignment is contingent on the issuance of the WVID Debt. The Annual Fee shall be used to secure and pay debt service on the WVID Debt and for no other purpose.
- (i) Deposits into the Capital Maintenance Fund. Deposits into the Capital Maintenance Fund as described in the Facility Operating Agreement made by the County and ANLBC shall be held by the County and shall not be transferred to the WVID or the Trustee and shall not be subject to a lien in connection with the WVID Debt or the State Sales Tax Payments Bonds.

6. **Project Completion.** WVID has agreed to contract for (and or accept an assignment of contract(s) for) the design and construction of the Facility under the terms of the Development Agreement. WVID will require the posting of a Florida Statutes, Section 255.05 Payment and Performance Bond by the Construction Manager. WVID will ensure that no liens shall be placed on the Facility or Facility Site.
7. **Asset Identification.** WVID and the County shall confer to establish asset identification procedures that will allow for the transfer of the Facility Site and Facility in a manner that will permit the County to book the asset by category for inventory and asset life purposes and for purposes of determining eligibility for funding from the Capital Maintenance Fund established under the Facility Operating Agreement. The asset identification procedures shall be agreed to by WVID and the County in a written instrument no later than December 31, 2017.
8. **Boundary Survey.** Prior to Closing, WVID shall, at its expense (but payable from the Project Budget), have an updated boundary survey of the Facility Site prepared by a licensed Florida Land Surveyor that shows the external boundary of the Facility site as well as the boundary of any buildings or structures internal to the Facility Site. The survey shall be certified to WVID, the Developer, and the County. The Development Agreement shall govern any title or survey defects.
9. **Governmental Charges.** All permit fees, assessments, line extension fees, utility fees, capacity fees and impact fees of any kind or nature incurred in connection with the construction of the Facility on the Facility Site shall be paid as addressed in the Development Agreement and the Drainage License Agreement.
10. **Governmental Approvals.** Prior to Closing, WVID shall obtain all required approvals from Governmental Authorities having jurisdiction over the construction of the Facility as a condition to the Substantial Completion of the Facility.
11. **Product Manuals and Maintenance Procedures Manual.** WVID shall cause the Construction Manager to assemble all product manuals within its possession and shall prepare a maintenance procedure manual (the "Maintenance Procedures Manual") for all systems and components of the Facility. Prior to Closing, WVID shall use its commercially reasonable best efforts cause the Construction Manager to deliver all such product manuals and the Maintenance Procedures Manual to the County.
12. **Marketable Title.** WVID shall convey marketable title consistent with the terms of the Development Agreement.
13. **Title Transfer.** Upon Substantial Completion of the Facility, and once the requirements set forth in sections 6- 12 herein have been satisfied, WVID and the County shall schedule a real estate closing with respect to the transfer of the title to the Facility Site and Facility from WVID to the County. The Closing shall be held in the Office of the County Attorney, 1660 Ringling Boulevard, Second Floor, Sarasota, Florida 34236 or at

a place designated by the County. Alternatively, the Closing may be conducted by delivery of documents in escrow accompanied by escrow instructions with an escrow agent mutually agreeable to WVID and the County. The date of the Closing shall be between five (5) and fifteen (15) days following the satisfactory completion of the preconditions to Closing set forth herein. At the Closing, WVID shall deliver a Special Warranty Deed for the Facility Site to the County together with all easements, if necessary, that are required to provide access to the Facility Site and utility easements required to serve the Facility Site and Facility. At the Closing, WVID shall deliver the Drainage License Agreement. WVID shall also deliver an Owner's Affidavit of No Liens to the County, bill of sale, closing statement, corrective instruments if any, closing agreement and any other documents reasonably requested by the County, as necessary to close the transaction and convey title in the condition required by Section 12 above. It is anticipated that the recording of the Special Warranty Deed and title transfer will be exempt from the levy of Documentary Stamp Taxes. In the event that Documentary Stamp Tax is owed on the transfer, WVID will pay the required tax. WVID shall pay to record any easements, the Drainage License Agreement, corrective instruments if any or other documents other than the Special Warranty Deed. The County shall pay to record the Special Warranty Deed.

- 14. Project Documents.** At the Closing, WVID shall provide to County, at no cost to the County, all site and development plans and permits, construction plans and permits, environmental and stormwater plans, reports and permits, and surveys within its possession, and such other documents within its possession as the County may reasonably request. WVID shall additionally use its best efforts to obtain and provide to County, at no cost to County, all site and development plans and permits, construction plans and permits, environmental and stormwater plans, reports and permits, and surveys not within its possession, and such other documents as the County may reasonably request.
- 15. Consultant Contracts; Construction Contracts; Warranties.** WVID shall comply with the Development Agreement, as it relates to all Consultant Contracts and Construction Contracts, including any warranties arising from the same.
- 16. Evidence of Payment.** WVID shall comply with the provisions of the Development Agreement, as it relates to evidence of payment.
- 17. Facility Operating Agreement.** Following recording of the Special Warranty Deed and transfer of the Facility and the Facility Site to the County, the County shall keep the Facility Operating Agreement in full force and effect, and shall use its best efforts to ensure that ANLBC shall occupy and use the Facility Site and Facility in accordance with the terms of the Facility Operating Agreement. The County, in conjunction with WVID, will enforce the terms of the Non-Relocation Agreement, if required, in order to make certain that ANLBC continues to occupy and use the Facility Site and Facility in accordance with the terms of the Non-Relocation Agreement.

18. Dispute Resolution.

- (a) In the event of a dispute between WVID and the County regarding the performance of the obligation contained herein, the dispute resolution provisions of the Development Agreement shall govern. This process shall substitute for the dispute resolution process set forth in Chapter 164, Florida Statutes.
- (b) This Agreement shall be construed and enforced in accordance with the laws of the State of Florida. The Parties hereby agree that venue and jurisdiction for all legal proceedings arising out of or relating to this Agreement shall be exclusively in the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida, and the parties irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the venue of any such proceeding which is brought in such a court.
- (c) The parties agree to waive all rights to trial by jury for any litigation undertaken concerning this Agreement.

19. Force Majeure. Except for any payment obligation by either party, if either the County or WVID is unable to perform, or is delayed in its performance of any of its obligations under this Interlocal Agreement by reason of any event of Force Majeure, such inability or delay shall be excused at any time during which compliance therewith is prevented by such event and during such period thereafter as may be reasonably necessary for the County or WVID to correct the adverse effect of such event of Force Majeure.

An event of "Force Majeure" shall mean the following events or circumstances to the extent that they delay the County or WVID from performing any of its obligations (other than payment obligations) under this Interlocal Agreement: acts of God, natural disaster, accidents, fire or other casualty, earthquake, hurricane, tornadoes, named storms, flood, war, riot, intervention by civil or military authorities of government, insurrection, or other civil commotion, governmental action (except that, as to the County, governmental action shall exclude any governmental action or inaction with respect to the granting or withholding of any governmental approvals or permits needed for the development of the Facility within the control of the County), material shortages, industry wide strikes, boycotts, lockouts or labor disputes (including, without limitation, labor disputes involving MiLB (as defined in the Facility Operating Agreement) or MLB players that result in missed games), or any other similar or like event or occurrence beyond the reasonable control of a Party (or any Design Professional, Consultant, or Contractor, of any tier) hereto, that causes such Party to be delayed or hindered in, or prevented from, the performance of any covenant or obligation hereunder.

In order to be entitled to the benefit of this Section, a party claiming an event of Force Majeure shall be required to give prompt written notice to the other party specifying in detail the event of Force Majeure and shall further be required to diligently proceed to correct the adverse effect of any Force Majeure. The terms of this Section shall survive the termination of this Interlocal Agreement.

- 20. Entire Agreement.** This Interlocal Agreement embodies the entire understanding of the respective parties hereto regarding the subject matter hereof, and there are no further or other agreements or understandings, written or oral, in effect between parties relating to the subject matter hereof. This Interlocal Agreement may be amended or modified only by an instrument of equal formality executed by authorized representatives of the County and WVID.
- 21. Severability.** If any provision of this Interlocal Agreement or any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Interlocal Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Interlocal Agreement, and to this end the provisions of this Interlocal Agreement are declared to be severable.
- 22. Mutual Benefit.** This Interlocal Agreement is for the mutual benefit of the named parties only and nothing herein shall be construed as creating any right or cause of action to any party not specifically named herein nor shall any provision of this Interlocal Agreement be construed as constituting a waiver of sovereign immunity.
- 23. Radon Gas.** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.
- 24. Effective Date.** This Interlocal Agreement shall become effective upon filing with the Clerk of the Circuit Court of Sarasota County.

ADDENDUM TO AGREEMENTS
CONCERNING ANLBC FACILITY IN SARASOTA COUNTY

This Addendum is made and entered into this 19th day of September, 2017. This Addendum is intended to supplement but not supplant the rights or remedies as a third-party beneficiary or otherwise of the State of Florida ("State"), Department of Economic Opportunity ("DEO") and their permitted successors and assigns under or by reason of the following agreements (hereinafter collectively referred to in this Addendum as the "Agreements"):

- 1) Non-Relocation Agreement dated May 22, 2017 by and between Sarasota County, Florida, a charter county and political subdivision of the State of Florida (hereinafter "County"), West Villages Improvement District, an independent special district created pursuant to Chapter 189, Florida Statutes and Chapter 2004-456, laws of Florida, Acts of 2004, as amended (hereinafter "WVID"), and Atlanta National League baseball Club, LLC, a Georgia limited liability company (hereinafter "ANLBC"), owner and operator of the Major League Baseball franchise known as the Atlanta Braves (hereinafter "Team");
- 2) Facility Operating Agreement dated May 22, 2017 by and between the County and ANLBC;
- 3) Interlocal Agreement Regarding Spring Training Stadium Financing Obligations dated July 27, 2017 by and between the City of North Port, Florida, a Florida municipal corporation (hereinafter "City") and WVID;
- 4) Interlocal Agreement to be executed prior to the execution of this Addendum by and between the County and WVID; and
- 5) Any other Agreement with respect to the Spring Training Facility described in the Letter of Intent and Term Sheet dated as of March 7, 2017 by and between the County, the City, WVID, Manasota Beach Ranchlands, LLLP (hereinafter "Developer"), Calben (US) Corporation (hereinafter "Developer Guarantor"), and ANLBC, as approved and further described in Resolution No. 2017-074 of the Board of County Commissioners of Sarasota County, Florida dated May 23, 2017.

WHEREAS, the purpose of section 288.11631, Florida Statutes, is to provide a process for the retention of spring training baseball franchises within the State;

WHEREAS, the parties to the Agreements acknowledge that the amount of State incentive funding is based on the Team's continual use of the Facility for the duration of the State incentive funding;

WHEREAS, the parties to the Agreements acknowledge that the purpose of this Addendum is to ensure that the Agreements continuously meet the requirements of section 288.11631, Florida Statutes, and that DEO can properly and responsibly act as the steward of State funds; and

WHEREAS, the parties to the Agreements acknowledge that the Agreements contain provisions designed to establish business, operational and other obligations and rights not directly related to section 288.11631, Florida Statutes or this Addendum, which provisions are not intended to be modified or affected by this Addendum except to the extent that they limit any rights or remedies of the State or DEO as provided for in this Addendum.

NOW THEREFORE, in consideration of the premises and mutual covenants and obligations herein contained, and in order to induce DEO to certify Applicant pursuant to section 288.11631, Florida Statutes, the parties to the Agreements agree to sign this Addendum as a condition precedent to State's certification and funding, and covenant as follows:

I. DEFINITIONS

Except as otherwise set forth herein, the definitions set forth in the Agreements shall not apply to this Addendum and the definitions set forth in this Addendum shall not apply to the Agreements. The definitions that shall apply to this Addendum are included in Exhibit "A" attached hereto and incorporated herein. All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum.

II. TERMS AND CONDITIONS

In accordance with the last sentence of paragraph 3.2 page 4 of the Non-Relocation Agreement dated May 22, 2017, ANLBC is obligated to exhibit, promote, schedule and play or conduct at least eighty percent (80%) or fifteen (15) Major League Spring Training Home Games per season (whichever is greater) in the main stadium of the Facility, between the Team and another Major League Club, with at least two (2) such Major League Spring Training Home Games scheduled to begin after 6:00 pm, subject to Major League Baseball Rules and Regulations. DEO may excuse ANLBC in writing from the obligation of this immediately preceding sentence (with or without a Compensatory Prorated Fee as further described below); but if not, then at DEO's sole and absolute discretion, DEO can unilaterally determine and notify ANLBC in writing that ANLBC breached its obligation and owes immediate payment to the State of the total amount of the State distributions due and payable through the final maturity of the Bonds.

Provided, however, that if Force Majeure or Major League Baseball causes ANLBC and Team to play less than fifty percent (50%) of the Major League Spring Training Home Games at the Facility during each Spring Training Season, then the Agreements shall be automatically extended beyond their Term for one additional full Spring Training Season.

The Compensatory Prorated Fee shall be determined as follows: State's yearly distribution applicable to Spring Training Season multiplied by the fraction obtained by dividing the number of missed Major League Spring Training Home Games (up to 15 games) by 15 yearly Major League Spring Training Home Games. For example: with 2 unexcused missed Major League Spring Training Home Games

in a Spring Training Season, and State paying \$1,000,000 per year, ANLBC would owe state \$1,000,000 x (2/15) = \$133,333.

III. STATE OF FLORIDA AS THIRD PARTY BENEFICIARY

The State of Florida, by and through DEO and DEO's successors and assigns, is an intended third party beneficiary of this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations this Addendum imposes. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any additional legal rights or remedies that the State or DEO may have with the Agreements or otherwise.

IV. ORDER OF PRIORITY

In the event of a conflict between the terms of this Addendum and the Agreements relating specifically to a right, obligation or remedy benefitting DEO which arises from section 288.11631, Florida Statutes or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Agreements, including any terms added to, amended in, or removed from the Agreements after the effective date of this Addendum; provided that this provision shall not be interpreted so as to release or modify any obligation, right or remedy provided in the Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the parties and DEO's Executive Director or DEO's Executive Director's successor in interest. If any modification or amendment is made to either the Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on DEO's rights under this Addendum, such portion of that modification or amendment that has such adverse effect shall be void ab initio and ineffective. The Addendum's recitals are incorporated herein and made a part hereof by this reference. Any duplication of this Addendum with the terms and provisions of the Agreements shall be construed as intentional.

IN WITNESS WHEREOF, this Addendum, has been executed by duly authorized officers of ANLBC, the County, the City, WVID, Developer, Developer Guarantor, and DEO, each of whom hereby represents and warrants that she or he has the full power and authority to execute this Addendum in such capacity, all as of the day and year first above written.

3. Cost-Benefit Analysis

Pursuant to Section 4(h)(3) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide a cost-benefit analysis of the stadium facility’s impact on Sarasota County (the “County”). This cost-benefit analysis must be substantially similar in content and format to that certain *2009 Major League Baseball Florida Spring Training Economic Impact Study* except that its scope shall be limited to the impact on the County.

Note that the stadium facility was under construction for the majority of the reporting year and accordingly only one spring training game was held at the stadium facility, which occurred on March 24, 2019. Thus, a cost-benefit analysis is unable to be meaningfully calculated for the year ending August 31, 2019. Instead, please refer to the cost-benefit analysis estimated for the first full year of operation of the stadium facility as provided in WVID’s application for certification.

4. List of Contracts Over \$250,000

Pursuant to Section 4(h)(4) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the "Agreement") entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District ("WVID"), WVID is required to provide a list of all material contracts related to the development of the project with an estimated cost greater than \$250,000.00. A list of such contracts for the year ending August 31, 2019 is included below:

5. Certification of Compliance with Section 288.11631, *Florida Statutes*

Pursuant to Section 4(h)(5) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide written evidence that WVID continues to meet the certification criteria in effect when WVID was certified pursuant to section 288.11631, *Florida Statutes* (2017). For the reasons set forth below, WVID continues to meet the criteria for a “certified applicant.”

1. The applicant is responsible for the construction or renovation of the facility for a spring training franchise or holds title to the property on which the facility for a spring training franchise is located.

WVID is an independent special district established by the Florida Legislature pursuant to Chapter 189, *Florida Statutes*, and Chapter 2004-456, *Laws of Florida*, as amended. WVID received fee simple title to the property upon which the stadium facility is to be constructed on December 21, 2017 through a special warranty deed recorded as Instrument Number 2017156837 in the Official Records of Sarasota County, Florida (the “County”).

2. The applicant has a certified copy of a signed agreement with a spring training franchise. The signed agreement with a spring training franchise for the use of a facility must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating a facility for a spring training franchise

WVID has entered into that certain *Non-Relocation Agreement* dated May 23, 2017 by and between the Atlanta National League Baseball Club, LLC (“ANLBC”), the County, and WVID (the “Non-Relocation Agreement”) and ANLBC and the County have entered into that certain *Facility Operating Agreement* dated May 23, 2017 (the “Facility Operating Agreement”) that together obligate ANLBC to utilize the stadium facility for thirty (30) years, expiring December 31, 2018, with an option for two (2) consecutive five (5) year options to extend the term.

Subsequent to the execution of the Facility Operating Agreement, ANLBC and the County acknowledged the joinder of Florida RentCo, LLC to the Facility Operating Agreement pursuant to that certain *Joinder of Braves Florida RentCo, LLC (Facility Operating Agreement)* dated December 21, 2017 (the “Joinder”) which was required by the terms of financing for the stadium facility.

Copies of each of the Non-Relocation Agreement, the Facility Operating Agreement, and the Joinder are included in Section 2 of this Annual Report.

3. The applicant has made a financial commitment to provide 50 percent or more of the funds required by an agreement for the construction or renovation of the facility for a spring training franchise. The commitment may be contingent upon an award of funds under this section and other conditions precedent.

The applicant has provided in excess of 50% of the funds necessary for financing and construction of the stadium facility. Please see the chart below for a summary of the state and matching funding sources for the construction and financing of the stadium facility.

<u>Funds</u>	<u>Source of Funds</u>	<u>Utilization</u>	<u>Contribution Amount</u>	<u>Percent of State Funding Source</u>	<u>Percent of Matching Funding Sources</u>
<u>State Funds</u>	State	Security for WVID's issuance of Florida State Sales Tax Payments Revenue Bonds, Series 2017A, * the proceeds of which were utilized for construction funding	\$20,000,000	10.51%	0%
<u>Matching Funds</u>	ANLBC	ANLBC Pre-Financing Payments Directly to Design and Construction Contractors	\$5,381,903.88	0%	2.83%
	City	Cash Contribution to WVID for construction funding	\$4,700,000	0%	2.47%
	Developer	Cash Contribution to WVID for construction funding	\$4,700,000	0%	2.47%
	ANLBC	Cash Contribution to WVID for construction funding	\$45,765,255.95	0%	24.06%
	County	Security for County's issuance of Capital Improvement Revenue Bonds, Series 2017, * the proceeds of which were utilized for construction funding	\$68,247,870	0%	35.88%
	ANLBC	Security for WVID's issuance of Its Senior Secured Notes, Series 2017B, * the proceeds of which were utilized for construction funding	\$41,417,536	0%	21.77%
TOTAL FUNDS**			\$190,212,566	10.51%	89.49%

* includes total cost of funds provided, which are utilized to pay both principal and interest.

**does not include land and infrastructure donations of the West Villages developer in the estimated amount of \$8,000,000 and \$7,000,000, respectively.

4. The applicant demonstrates that the facility for a spring training franchise will attract a paid attendance of at least 50,000 persons annually to the spring training games.

As the stadium facility was under construction for the majority of the reporting year and accordingly only one spring training game was held on March 24, 2019, the calculation of paid attendance at such facility is not able to be meaningfully calculated for the year ending August 31, 2019. Note, however, that for your reference the paid attendance at the inaugural spring training game totaled 7,019.

On a going forward basis, it is conservatively anticipated that total average attendance will exceed 73,500 in the first full year of play, which is anticipated to occur in the 2020 spring training season. This number is projected to increase to more than 80,000 attendees in the second full year of play. These projections assume approximately 75% occupancy of fixed seats, and an estimate of 16 home games per season, with a 1% growth rate per year.

5. The facility for a spring training franchise is located in a county that levies a tourist development tax under section 125.0104, *Florida Statutes*.

The County has levied a Tourist Development Tax relative to the funding of the stadium facility pursuant to Ordinance No. 2017-025.

6. The applicant is not currently certified to receive state funding for the facility as a spring training franchise under this section.

Prior to its award of funding in 2017, WVID has not previously received state funding for a spring training stadium facility under section 288.11631, *Florida Statutes*.

6. Certification of Compliance with Section 288.1167, *Florida Statutes*

Pursuant to Section 4(h)(6) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide written evidence, including numerical and/or statistical analysis as applicable, that the WVID is in compliance with section 288.1167, *Florida Statutes*. Section 288.1167, *Florida Statutes*, provides that any applicant who receives spring training stadium facility financing must demonstrate that:

- 1) Funds and facilities with respect to food and beverage and related concessions shall be awarded to minority business enterprises on the same terms and conditions as the general food and beverage concessionaire and in accordance with the minority business enterprise procurement goals set forth in section 287.09451, *Florida Statutes*;
- 2) At least 15 percent of a company contracted to manage a professional sports franchise facility or a spring training franchise facility is owned by minority business enterprises; or
- 3) At least 15 percent of all operational service contracts with a professional sports franchise facility or a spring training franchise facility are awarded to minority business enterprises.

Please see the attached correspondence from Atlanta League Baseball Club, LLC, as operator of the stadium facility, confirming that WVID is in compliance with section 288.1167, *Florida Statutes*, as of the date of this Annual Report.

7. Advertising and Promotions for the Stadium Facility

Pursuant to Section 4(h)(9) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide evidence of efforts to promote and advertise the stadium facility that have taken place during the prior year.

Note that the stadium facility was under construction for the majority of the reporting year, and accordingly only one spring training game and a handful of other events and activities have been held since March 2019 when the stadium facility opened. However, the following advertising and promotions for construction of the stadium facility occurred during the past year:

Inaugural Game

CoolToday Park

March 24, 2019

Attendance: 7,019

The Atlanta Braves established a “Preview Center” in North Port in November 2017. A year long season ticket and stadium awareness campaign took place supported by store front appointments, media buys, and various local community activation events.

Subsequently, a construction office was established on stadium site to oversee daily construction and provide marketing tours and media events.

A job fair was created to staff stadium of 350 plus employees. A week of “soft openings” during March 17-23 provided a walk through and training for employees, in addition to giving the public an opportunity to visit the stadium.

The Atlanta Braves 2020 Grapefruit League Season will begin February 23, 2020 at CoolToday Park.
