Refer to the County-wide note for actuarial assumptions (including the investment rate of return), pension liability on financial statements, and an explanation of pension expense components. The pension liability is not reported in the financial statements of the Property Appraiser since they are not payable from available spendable resources. It is reported in the financial statements of the County by the fund which normally pays the personnel service costs of the employee.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

March 10, 2021

The Honorable Wesley Davis
Property Appraiser
Indian River Property Appraiser, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial statements contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the fund financial statements of the major fund of the **Indian River County, Florida Property Appraiser** (the "Property Appraiser"), as of and for the year ended September 30, 2020, which collectively comprise the Property Appraiser's fund financial statements and have issued our report thereon dated March 10, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Property Appraiser's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Property Appraiser's internal control. Accordingly, we do not express an opinion on the effectiveness of the Property Appraiser's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Property Appraiser's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Property Appraiser's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SHERIFF

INDEPENDENT AUDITORS' REPORT

March 10, 2021

The Honorable Eric Flowers
Sheriff
Indian River County, Florida

Report on the Financial Statements

We have audited the accompanying fund financial statements of each major fund and the aggregate remaining fund information of the **Indian River County, Florida Sheriff** (the "Sheriff"), as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Sheriff's fund financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Rehmann is an independent member of Nexia International.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the funds of the Sheriff as of September 30, 2020, and the respective changes in financial position and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Reporting Entity

As discussed in Note 1, the financial statements referred to above present only the *Indian River County, Florida Sheriff* and do not purport to, and do not, present fairly the financial position of Indian River County, Florida as of September 30, 2020, and the changes in its financial position for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 10, 2021, on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's internal control over financial reporting and compliance.

Sheriff
Notes To Financial Statements
Year Ended September 30, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Sheriff is a County agency and a local governmental entity pursuant to Article VIII, Section 1(d) of the Constitution of the State of Florida. For financial statement and reporting purposes, the Sheriff does not meet the definition of a legally separate organization and is not considered to be a component unit. The Sheriff is considered to be a part of the primary government of Indian River County. The financial statements contained herein represent the financial transactions of the Sheriff only. The format of the Sheriff's statements has been prepared in accordance with the presentation requirements of GASB 34 for fund financial statements.

The following is a summary of the significant accounting principles and policies used in the preparation of the accompanying financial statements.

A. Description of Funds

For reporting purposes, the accounting records are organized into the following two fund types: governmental funds and a fiduciary fund.

Governmental Funds

General Fund - The General Fund, which is a governmental fund, is used to account for all revenues and expenditures applicable to the general operations of the Sheriff, which are not accounted for in another fund. All financial resources, which are not accounted for and reported in another fund, are recorded in the General Fund. The governmental fund measurement focus is based upon determination of financial position and changes in financial position (sources, uses and balances of financial resources) rather than upon net income determination.

Special Revenue Fund - The Special Revenue Fund accounts for the proceeds of specific revenue sources that are legally restricted, committed or assigned for public safety such as police education, special purpose equipment, jail commissary, and special law enforcement activities.

Fiduciary Fund

Agency Fund - The Agency Fund is used to account for assets held by the Sheriff in a trustee capacity or as an agent. Funds are for the employee cafeteria plan.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

B. Basis of Accounting, Measurement Focus and Presentation

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Expenditures are recorded at the time liabilities are incurred. Revenues are recorded when received or when they are considered both measurable and available. Revenues collected in excess of expenditures are not considered earned and are reflected as liabilities. The fiduciary fund is reported on an accrual basis.

C. Budgetary Requirements

State statutes require the Sheriff to submit a proposed budget to the Board of County Commissioners by May 1 of each year. The budget reflects the estimated amounts of all proposed expenditures for operating and equipping the Sheriff's office and jail. Capital improvements for these buildings are funded by the Board. The budget is prepared on a basis consistent with generally accepted accounting principles. After review and approval of the budget by the Board, the Sheriff is authorized to transfer budgeted amounts between objects and departments as long as it does not exceed the total appropriations approved by the Board. Increases in the total budget are subject to the review and approval of the Board. The budgeted revenues and expenditures in the accompanying financial statements reflect all amendments approved by the Board of County Commissioners.

D. Compensated Absences

The Sheriff accrues a liability for employees' rights to receive compensation for future absences when certain conditions are met. The Sheriff does not, nor is legally required to, accumulate expendable, available financial resources to liquidate this obligation. Accordingly, the liability for compensated absences is not reported on the Sheriff's financial statements. Additional information on the liability is reflected in subsequent Note 8.

E. Transfer Out

In accordance with Florida Statutes, all general fund revenues in excess of expenditures as of year-end are owed to the Board of County Commissioners. The September 30, 2020 amount totaled \$531,057 and was reported as a transfer to the Board of County Commissioners at year end. This transfer is also reported as due to other governments on the balance sheet.

F. Fund Balance

GASB Statement 54 - *Fund Balance Reporting and Governmental Funds Type Definitions* was implemented as of October 1, 2009. This Statement requires the fund balance for governmental funds to be reported in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Categories for fund balance are as follows: nonspendable, restricted, committed, assigned, and unassigned. For more information, see the County-wide note on fund balance.

NOTE 2 - CASH

Deposits

At September 30, 2020, the carrying amount of the Sheriff’s deposits was \$5,200,624 and the bank balance was \$5,965,264. All deposits with financial institutions were 100% insured by federal depository insurance or by collateral provided by qualified public depositories to the State Treasurer in accordance with Section 280.01, Florida Statutes, also known as the Florida Security for Public Deposits Act.

The Sheriff’s office elected not to adopt a formal investment policy and selects the alternative investment guidelines as provided by Florida Statutes 218.415, subsection 17. Refer to the County-wide note on cash and investments for the definition of custodial credit risk.

NOTE 3 - CAPITAL ASSETS

Equipment used by the Sheriff in operations is reported in the financial statements of the County. State law requires the Sheriff to account for all tangible property used by the Sheriff. A summary of changes in capital assets is as follows:

	Beginning Balance 10/01/19	Additions	Deletions	Ending Balance 09/30/20
Equipment	<u>\$ 29,835,561</u>	<u>\$ 4,441,087</u>	<u>\$ 1,582,218</u>	<u>\$ 32,694,430</u>

Refer to the County-wide note on capital assets for capitalization threshold, depreciation methodology and useful lives.

NOTE 4 - INVENTORIES

Inventories are valued at cost, which approximates market, using the “first-in, first-out” method of accounting. The costs of inventory are recorded as an expenditure when consumed rather than when purchased. Inventory of the Sheriff represents law enforcement gear, miscellaneous clothing and store items.

NOTE 5 - PENSION PLAN

Florida Retirement System

Plan Description: The Sheriff’s employees participate in the Florida Retirement System (FRS), a cost-sharing, multiple-employer public employee retirement system, administered by the Florida Department of Management Services (DMS). Benefit provisions are established and may be amended by state statute. A financial report is available from the DMS website at www.dms.myflorida.com or by mail at Florida Division of Retirement, PO Box 9000, Tallahassee, FL 32315-9000.

Effective July 1, 2011, the FRS became a contributory plan for all members, except DROP participants, whereby members contribute 3% and employers pay a rate based upon each member’s employment class. Classes and rates in effect at July 1, 2020 were: regular class 10.00%, special risk 24.45%, senior management class 27.29%, DROP class 16.98%, and elected official class 49.18%. Included in these rates is a health insurance subsidy of 1.66%.

Employees elect participation in either the defined benefit plan (Pension Plan) or the defined contribution plan (Investment Plan). If the employee enrolled in the FRS prior to July 1, 2011, normal retirement is age 62 with 6 years of service or 30 years of service, regardless of age. If the employee enrolled in the FRS on or after July 1, 2011, normal retirement is age 65 with 8 years of service or 33 years of service, regardless of age.

Under the Pension Plan, early retirement is available before reaching normal retirement age and will be subject to an early-retirement reduction of 5% for each year your age at retirement is under your normal retirement age. For those employees who elect participation in the Investment Plan rather than the Pension Plan, vesting occurs after one year of service. Participants have access to the full value of their vested account balance when they leave FRS employment, regardless of age. These participants receive a defined contribution for self-direction in an investment product with a third party administrator selected by the State Board of Administration.

NOTE 5 - PENSION PLAN - Continued

Florida Retirement System - Continued

Benefits Provided: Retirement benefits are determined by age, years of service, the average of the highest 5 or 8 fiscal years of pay, membership class and the payment option selected at retirement. For further information concerning the FRS and contribution rates, please read the County-wide note on pension plans.

Contributions: Employer contributions to the FRS are based on a percentage of covered payroll that has been actuarially determined as an amount, when combined with employee contributions, is expected to finance the cost of benefits earned by employees during the year with an additional amount to finance any unfunded accrued liability.

For the year ended September 30, 2020, the Sheriff's actuarial contributions to FRS under the Pension Plan were \$4,761,856 and the HIS Program were \$463,347. Employee contributions were \$779,971. Both employer and employee contributions were equal to 100% of the required contribution for each year.

Pension Liabilities: At September 30, 2020, the Division of Retirement calculated the Sheriff's liability of \$62,152,636 for the FRS plan and \$9,758,063 for the HIS Program, for a total of \$71,910,699 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2020. The Sheriff's proportion of the net pension liability was based on a projection of the Sheriff's long-term share of contributions to the Pension Plan relative to the projected contributions of all participating employers, actuarially determined. At September 30, 2020, the Sheriff's proportion was .143402% for the FRS Pension Plan and .079920% for the HIS Program.

Discount Rate for Pension Plan: The discount rate used to measure the total pension liability was 6.80%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the Sheriff's contributions will be made at statutorily required rates, actuarially determined. Based on those assumptions, the Pension Plans' fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

NOTE 5 - PENSION PLAN - Continued

Florida Retirement System - Continued

Sensitivity of the Sheriff's Proportionate Share of the Net Position Liability to Changes in the Discount Rate for the Pension Plan: The following presents the Sheriff's proportionate share of the net pension liability (NPL) of the Pension Plan calculated using the discount rate of 6.80%. Also presented is what the Sheriff's proportionate share of the FRS plan NPL would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

	<u>1% Decrease (5.80%)</u>	<u>Current Discount Rate (6.80%)</u>	<u>1% Increase (7.80%)</u>
Sheriff's proportionate share of NPL	\$ 99,247,315	\$ 62,152,636	\$ 31,170,999

Discount rate for the HIS Program: In general, the discount rate for calculating the pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS Program is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate. The single equivalent discount rate is equal to the municipal bond rate selected by the plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the Sheriff's Proportionate Share of the Net Position Liability to Changes in the Discount Rate for the HIS Program: The following presents the Sheriff's proportionate share of the NPL of the HIS Program calculated using the discount rate of 2.21%. Also presented is what the Sheriff's proportionate share of the HIS Program NPL would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

	<u>1% Decrease (1.21%)</u>	<u>Current Discount Rate (2.21%)</u>	<u>1% Increase (3.21%)</u>
Sheriff's proportionate share of NPL	\$ 11,279,885	\$ 9,758,063	\$ 8,512,455

Refer to the County-wide note for actuarial assumptions (including the investment rate of return), pension liability on financial statements, and an explanation of pension expense components. The pension liability is not reported in the financial statements of the Sheriff since they are not payable from available spendable resources. It is reported in the financial statements of the County by the fund which normally pays the personnel service costs of the employee.

NOTE 6 - OTHER POSTEMPLOYMENT BENEFITS

The Sheriff participated in the Indian River County Other Postemployment Benefits Trust (OPEB Trust). Further information on the OPEB Trust can be found in the County-wide financial statements and County notes.

NOTE 7 - RISK MANAGEMENT

Indian River County maintains a risk management program that provides for coverage of risks of loss related to torts, theft of, damage to and destruction of assets, errors or omissions, injuries to employees, natural disasters, and medical and life insurance coverage for employees and their eligible dependents. Various excess catastrophe insurance policies with a commercial carrier are also in force for claims exceeding the amount chargeable against the Self Insurance Fund. The Sheriff participated in the County’s self-insurance program during fiscal year 2020 at an annual cost of approximately \$4,522,596. Further details on this self-insurance program are disclosed in the County-wide financial statements and County notes.

NOTE 8 - LONG-TERM LIABILITIES

Changes in Long-Term Liabilities

The following is a schedule of changes in long-term liabilities as of September 30, 2020:

	Beginning Balance 10/01/19	Additions	Deletions	Ending Balance 09/30/20
Accrued Compensated Absences	<u>\$ 7,868,050</u>	<u>\$ 4,491,064</u>	<u>\$ 3,563,709</u>	<u>\$ 8,795,405</u>

Of the \$8,795,405 liability for accrued compensated absences, management estimates that \$3,562,761 will be due and payable within one year. The long-term liabilities are not reported in the financial statements of the Sheriff since they are not payable from available spendable resources. They are reported in the County-wide financial statements and County notes.

NOTE 9 - OPERATING LEASES

The Sheriff has entered into noncancelable operating leases as lessee of a building, hangar, mail machine, and copiers. Lease expenditures totaled \$86,972 for the year ended September 30, 2020.

The following is a schedule by years of minimum future lease payments to be paid by the Sheriff for noncancelable operating leases as of September 30:

<u>Year</u>	<u>Amount</u>
2021	\$ 84,028
Total Future Minimum Lease Payments	<u>\$ 84,028</u>

NOTE 10 - COMMITMENTS AND CONTINGENCIES

Various suits and claims are currently pending against the Sheriff. It is impossible for the Sheriff to accurately quantify the exposure involved given the jury's latitude in assessing compensatory and punitive damages, and the court's latitude in awarding attorney's fees. The Sheriff intends to vigorously defend against these lawsuits and believes he has a good chance of prevailing on their merits. In the opinion of management and based on the advice of legal counsel, the ultimate disposition of these lawsuits will not have a material adverse effect on the financial position of the Sheriff.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

March 10, 2021

The Honorable Eric Flowers
Sheriff
Indian River County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial statements contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the fund financial statements of the major fund and the aggregate remaining fund information of the **Indian River County, Florida Sheriff** (the "Sheriff"), as of and for the year ended September 30, 2020, which collectively comprise the Sheriff's fund financial statements and have issued our report thereon dated March 10, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Sheriff's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we do not express an opinion on the effectiveness of the Sheriff's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sheriff's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Sheriff's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SUPERVISOR OF ELECTIONS

INDEPENDENT AUDITORS' REPORT

March 10, 2021

The Honorable Leslie Swan
Supervisor of Elections
Indian River County, Florida

Report on the Financial Statements

We have audited the accompanying fund financial statements of each major fund and the aggregate remaining fund information of the *Indian River County, Florida Supervisor of Elections* (the "Supervisor of Elections"), as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Supervisor of Elections' fund financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Rehmann is an independent member of Nexia International.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the funds of the Supervisor of Elections as of September 30, 2020, and the respective changes in financial position and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Reporting Entity

As discussed in Note 1, the financial statements referred to above present only the *Indian River County, Florida Supervisor of Elections* and do not purport to, and do not, present fairly the financial position of Indian River County, Florida as of September 30, 2020, and the changes in its financial position for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 10, 2021, on our consideration of the Supervisor of Elections' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Supervisor of Elections' internal control over financial reporting and compliance.

Supervisor of Elections
Notes To Financial Statements
Year Ended September 30, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Supervisor of Elections is a County agency and a local governmental entity pursuant to Article VIII, Section 1(d) of the Constitution of the State of Florida. For financial statement and reporting purposes, the Supervisor of Elections does not meet the definition of a legally separate organization and is not considered to be a component unit. The Supervisor of Elections is considered to be a part of the primary government of Indian River County. The financial statements contained herein represent the financial transactions of the Supervisor of Elections only. The format of the Supervisor of Elections' statements has been prepared in accordance with the presentation requirements of GASB 34 for fund financial statements.

The following is a summary of the significant accounting principles and policies used in the preparation of the accompanying financial statements.

A. Description of Funds

The accounting records are organized for reporting purposes on the basis of governmental funds.

Governmental Funds

General Fund - The General Fund, which is a governmental fund, is used to account for all revenues and expenditures applicable to the general operations of the Supervisor of Elections. All financial resources, which are not accounted for and reported in another fund, are recorded in the General Fund. The governmental fund measurement focus is based upon determination of financial position and changes in financial position (sources, uses and balances of financial resources) rather than upon net income determination.

Special Revenue Fund - The Special Revenue Fund accounts for State and Federal grant proceeds and matching funds from the County. These funds are legally restricted for voter education and poll worker recruitment and training, cybersecurity, safety at polling locations, and other election related activities.

B. Basis of Accounting, Measurement Focus and Presentation

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Expenditures are recorded at the time liabilities are incurred. Revenues are recorded when received in cash or when they are considered both measurable and available. Revenues collected in excess of expenditures are not considered earned and are reflected as liabilities.

Supervisor of Elections
Notes To Financial Statements
Year Ended September 30, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

C. Budgetary Requirements

State statutes require the Supervisor of Elections to submit a proposed budget to the Board of County Commissioners by May 1 of each year. After review and approval of the budget by the Board, the Supervisor of Elections is authorized to transfer budgeted amounts between objects and departments as long as it does not exceed the total appropriations approved by the Board. Increases in the total budget are subject to the review and approval of the Board.

The budgeted revenues and expenditures in the accompanying financial statements reflect all amendments approved by the Board of County Commissioners. The budget is prepared on a basis consistent with generally accepted accounting principles.

D. Prepaid Items

Deposits in the governmental funds represent prepayments for services that will be used in future periods. The Supervisor of Elections' policy is to record the expenditure for the services when they are used rather than when the cash is disbursed.

E. Capital Assets

Acquisitions of equipment are recorded as expenditures at the time of purchase for governmental fund financial statements. Tangible personal property used by the Supervisor of Elections in operations is reported in the financial statements of the County. Refer to the County-wide note on capital assets for the capitalization threshold, depreciation methodology and useful lives.

F. Unearned Revenues

Unearned revenues reported on the Supervisor of Elections' balance sheet represent revenues which are available but not earned.

G. Compensated Absences

The Supervisor of Elections accrues a liability for employees' rights to receive compensation for future absences when certain conditions are met. The Supervisor of Elections does not, nor is legally required to, accumulate expendable, available financial resources to liquidate this obligation. Accordingly, the liability for compensated absences is not reported on the Supervisor of Elections' financial statements. Additional information on the liability is reflected in subsequent Note 6.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

H. Transfer Out

In accordance with Florida Statutes, all general fund revenues in excess of expenditures as of year-end are owed to the Board of County Commissioners and other governments. This unspent budget totaled \$46,224 and was reported as a transfer to the Board of County Commissioners. These transfers are also reflected as due to other governments on the balance sheet.

I. Fund Balance

GASB Statement 54 - *Fund Balance Reporting and Governmental Funds Type Definitions* was implemented as of October 1, 2009. This Statement requires the fund balance for governmental funds to be reported in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Categories for fund balance are as follows: nonspendable, restricted, committed, assigned, and unassigned. For more information, see the County-wide note on fund balance.

NOTE 2 - CASH

Deposits

At September 30, 2020, the carrying amount of the Supervisor of Elections' deposits was \$112,208, and the bank balance was \$140,118. All deposits with financial institutions were 100% insured by federal depository insurance or by collateral provided by qualified public depositories to the State Treasurer in accordance with Section 280.01, Florida Statutes, also known as the Florida Security for Public Deposits Act.

The Supervisor of Elections has adopted the Board of County Commissioners' investment policy. This policy requires the Supervisor of Elections' office to follow the above state law (governing custodial credit risk) for cash deposits. Refer to the County-wide note on cash and investments for the definition of custodial credit risk.

NOTE 3 - PENSION PLAN

Florida Retirement System

Plan Description: The Supervisor of Elections' employees participate in the Florida Retirement System (FRS), a cost-sharing, multiple-employer public employee retirement system, administered by the Florida Department of Management Services (DMS). Benefit provisions are established and may be amended by state statute. A financial report is available from the DMS website at www.dms.myflorida.com or by mail at Florida Division of Retirement, PO Box 9000, Tallahassee, FL 32315-9000.

Effective July 1, 2011, the FRS became a contributory plan for all members, except DROP participants, whereby members contribute 3% and employers pay a rate based upon each member's employment class. Classes and rates in effect at July 1, 2020 were: regular class 10.00%, senior management class 27.29%, DROP class 16.98%, and elected official class 49.18%. Included in these rates is a health insurance subsidy of 1.66%.

Employees elect participation in either the defined benefit plan (Pension Plan) or the defined contribution plan (Investment Plan). If the employee enrolled in the FRS prior to July 1, 2011, normal retirement is age 62 with 6 years of service or 30 years of service, regardless of age. If the employee enrolled in the FRS on or after July 1, 2011, normal retirement is age 65 with 8 years of service or 33 years of service, regardless of age.

Under the Pension Plan, early retirement is available before reaching normal retirement age and will be subject to an early-retirement reduction of 5% for each year your age at retirement is under your normal retirement age. For those employees who elect participation in the Investment Plan rather than the Pension Plan, vesting occurs after one year of service. Participants have access to the full value of their vested account balance when they leave FRS employment, regardless of age. These participants receive a defined contribution for self-direction in an investment product with a third party administrator selected by the State Board of Administration.

Benefits Provided: Retirement benefits are determined by age, years of service, the average of the highest 5 or 8 fiscal years of pay, membership class and the payment option selected at retirement. For further information concerning the Florida Retirement System and contribution rates, please read the County-wide note on pension plans.

Contributions: Employer contributions to the FRS are based on a percentage of covered payroll that has been actuarially determined as an amount, when combined with employee contributions, is expected to finance the cost of benefits earned by employees during the year with an additional amount to finance any unfunded accrued liability.

NOTE 3 - PENSION PLAN - Continued

Florida Retirement System - Continued

For the year ended September 30, 2020, the Supervisor of Elections' actuarial contribution to FRS under the Pension Plan were \$100,396 and the HIS Program were \$10,596. Employee contributions were \$17,264. Both employer and employee contributions were equal to 100% of the required contribution for each year.

Pension Liabilities: At September 30, 2020, the Division of Retirement calculated the Supervisor of Elections' liability of \$1,207,019 for the FRS plan and \$204,981 for the HIS Program, for a total of \$1,412,000 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2020. The Supervisor of Elections' proportion of the net pension liability was based on a projection of the Supervisor of Elections' long-term share of contributions to the Pension Plan relative to the projected contributions of all participating employers, actuarially determined. At September 30, 2020, the Supervisor of Elections' proportion was .002785% for the FRS Pension Plan and .001679% for the HIS Program.

Discount Rate for Pension Plan: The discount rate used to measure the total pension liability was 6.80%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the Supervisor of Elections' contributions will be made at statutorily required rates, actuarially determined. Based on those assumptions, the pension plans' fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Supervisor of Elections' Proportionate Share of the Net Position Liability to Changes in the Discount Rate for the Pension Plan: The following presents the Supervisor of Elections' proportionate share of the net pension liability (NPL) of the Pension Plan calculated using the discount rate of 6.80%. Also presented is what the Supervisor of Elections' proportionate share of the FRS plan NPL would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

Discount rate for the HIS Program: In general, the discount rate for calculating the pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS Program is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate. The single equivalent discount rate is equal to the municipal bond rate selected by the plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the Supervisor of Elections' Proportionate Share of the Net Position Liability to Changes in the Discount Rate for the HIS Program: The following presents the Supervisor of Elections' proportionate share of the NPL of the HIS Program calculated using the discount rate of 2.21%. Also presented is what the Supervisor of Election's proportionate share of the HIS Program NPL would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

	1% Decrease (1.21%)	Current Discount Rate (2.21%)	1% Increase (3.21%)
Supervisor of Election's proportionate share of NPL	\$ 236,949	\$ 204,981	\$ 178,815

Refer to the County-wide note for actuarial assumptions (including the investment rate of return), pension liability on financial statements, and an explanation of pension expense components. The pension liability is not reported in the financial statements of the Supervisor of Elections since they are not payable from available spendable resources. It is reported in the financial statements of the County by the fund which normally pays the personnel service costs of the employee.

NOTE 4 - OTHER POSTEMPLOYMENT BENEFITS

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

March 10, 2021

The Honorable Leslie Swan
Supervisor of Elections
Indian River County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial statements contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the fund financial statements of the major fund and the aggregate remaining fund information of the **Indian River County, Florida Supervisor of Elections** (the "Supervisor of Elections"), as of and for the year ended September 30, 2020, which collectively comprise the Supervisor of Elections' fund financial statements and have issued our report thereon dated March 10, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Supervisor of Elections' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Supervisor of Elections' internal control. Accordingly, we do not express an opinion on the effectiveness of the Supervisor of Elections' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Supervisor of Elections' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Supervisor of Elections' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

TAX COLLECTOR

INDEPENDENT AUDITORS' REPORT

March 10, 2021

The Honorable Carole Jean Jordan
Tax Collector
Indian River County, Florida

Report on the Financial Statements

We have audited the accompanying fund financial statements of each major fund and the aggregate remaining fund information of the **Indian River County, Florida Tax Collector** (the "Tax Collector"), as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Tax Collector's fund financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Independent Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the funds of the Tax Collector as of September 30, 2020, and the respective changes in financial position and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Reporting Entity

As discussed in Note 1, the financial statements referred to above present only the *Indian River County, Florida Tax Collector* and do not purport to, and do not, present fairly the financial position of Indian River County, Florida as of September 30, 2020, and the changes in its financial position for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 10, 2021, on our consideration of the Tax Collector's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Tax Collector's internal control over financial reporting and compliance.

Indian River County, Florida
Tax Collector
Notes To Financial Statements
Year Ended September 30, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Tax Collector is a County agency and a local governmental entity pursuant to Article VIII, Section 1(d) of the Constitution of the State of Florida. For financial statement and reporting purposes, the Tax Collector does not meet the definition of a legally separate organization and is not considered to be a component unit. The Tax Collector is considered to be a part of the primary government of Indian River County. The financial statements contained herein represent the financial transactions of the Tax Collector only. The format of the Tax Collector's statements has been prepared in accordance with the presentation requirements of GASB 34 for fund financial statements.

The following is a summary of the significant accounting principles and policies used in the preparation of the accompanying financial statements.

A. Description of Funds

The accounting records are organized for reporting purposes on the basis of governmental funds and a fiduciary fund.

Governmental Fund

General Fund - The General Fund, which is a governmental fund, is used to account for all revenues and expenditures applicable to the general operations of the Tax Collector. All financial resources, which are not accounted for and reported in another fund, are recorded in the General Fund. The governmental fund measurement focus is based upon determination of financial position and changes in financial position (sources, uses and balances of financial resources) rather than upon net income determination.

Fiduciary Fund

Fiduciary Fund - The Fiduciary Fund of the Tax Collector is the Agency Fund, which is used to account for assets held by the Tax Collector as an agent. The Agency Fund is custodial in nature and does not involve measurement of results of operations. These funds cannot be used to support the Tax Collector's own programs.

B. Basis of Accounting, Measurement Focus and Presentation

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Expenditures are recorded at the time liabilities are incurred. Revenues are recorded when received or when they are considered both measurable and available. Revenues collected in excess of expenditures are

not considered earned and are reflected as liabilities. The fiduciary fund is reported on an accrual basis.

C. Budgetary Requirements

State statutes require the Tax Collector to prepare an annual budget that clearly reflects the revenues available to the office and the functions for which money is to be expended. The budgeted revenues and expenditures are subject to the review and approval of the Department of Revenue.

Management is authorized to transfer budgeted amounts between objects and departments as long as management does not exceed the total appropriations of a fund. Department of Revenue approval is only required when unanticipated revenues are received that management wishes to have appropriated, thereby increasing the total appropriations of a fund. The budget is prepared on a basis consistent with generally accepted accounting principles.

D. Cash

Cash includes cash on hand, bank deposits, certificates of deposit, money market accounts, and short term investments with original maturities of ninety days or less from the date of acquisition.

E. Prepaid Items

This account represents prepayments for services that will be used in future periods. The Tax Collector's policy is to record the expenditure for the services when they are used rather than when the cash is disbursed.

F. Capital Assets

Acquisitions of equipment are recorded as expenditures at the time of purchase for governmental fund financial statements. Tangible personal property used by the Tax Collector in operations is reported in the financial statements of the County. Refer to the County-wide note on capital assets for capitalization threshold, depreciation methodology and useful lives.

G. Unearned Revenues

Unearned revenues represent revenues which are available but not earned. The amount reported on the Tax Collector's balance sheet of \$77,865 represents prepaid vehicle registrations.

H. Compensated Absences

The Tax Collector accrues a liability for employees' rights to receive compensation for future absences when certain conditions are met. The Tax Collector does not, nor is legally required to, accumulate expendable available financial resources to liquidate this obligation. Accordingly, the liability for compensated absences is not reported on the Tax Collector's financial statements. Additional information on the liability is reflected in subsequent Note 7.

I. Transfer Out

In accordance with Florida Statutes, all revenues in excess of expenditures as of year-end are owed to the Board of County Commissioners and other governments. These "excess fees" totaled \$2,867,653 at September 30, 2020, and are included as due to other governments on the balance sheet. Of this amount, \$2,596,764 was owed to the Board of County Commissioners and is reported as Transfers to Board of County Commissioners on the Statement of Revenues, Expenditures and Changes in Fund Balances.

J. Fund Balance

GASB Statement 54 - *Fund Balance Reporting and Governmental Funds Type Definitions* was implemented as of October 1, 2009. This Statement requires the fund balance for governmental funds to be reported in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Categories for fund balance are as follows: nonspendable, restricted, committed, assigned, and unassigned. For more information, see the County-wide note on fund balance.

NOTE 2 - CASH AND INVESTMENTS

A. Deposits

All bank deposits and certificates of deposit with financial institutions were 100% insured by federal depository insurance or by collateral provided by qualified public depositories to the State Treasurer in accordance with Section 280.01, Florida Statutes, also known as the Florida Security for Public Deposits Act. At September 30, 2020, the carrying amount of the Tax Collector's deposits was \$2,036,545 and the bank balance was \$1,949,943.

B. Investments

At September 30, 2020, the Tax Collector had investments with a balance of \$5,918,707. The Florida Prime had a balance of \$3,660,428 and weighted average maturity of 63 days. The Florida Trust Day to Day Fund (Florida Trust) had a balance of \$348,881 and weighted average maturity of 27 days. The FLCLASS had a balance of \$1,909,398 and a weighted average maturity of 81 days.

Fair Value Measurement

The Tax Collector's investments in the Florida Cooperative Liquid Assets Securities System (FLCLASS) and the Florida Trust, both external local government investment pools organized under the laws of the State of Florida, are presented at Net Asset Value (NAV), which reflects fair value. The objectives of the FLCLASS and the Florida Trust are to generate investment income while maintaining safety and liquidity. There were no unfunded commitments as of September 30, 2020. Investments may be redeemed weekly/daily based on similar investments of other clients. The Florida PRIME is valued at amortized cost. There are no restrictions or limitations on withdrawals, however, Florida PRIME may, on occurrence of an event that has a material impact on liquidity or operations, impose restrictions on withdrawals for up to 48 hours.

C. Deposit and Investment Policy

The Tax Collector last modified their investment and deposit policy in March 2019. This policy requires the Tax Collector's office to follow the above state law (governing custodial credit risk) for deposits and Section 218.415, Florida Statutes. Refer to the County-wide note on cash and investments for the definition of custodial credit risk.

NOTE 2 - CASH AND INVESTMENTS - Continued

C. Deposit and Investment Policy - Continued

Concentration Risk

The Tax Collector’s cash and investment policy limits portfolio composition to the following maximum guidelines:

Local Government Surplus Funds Trust Fund (Florida Prime)	75%
Florida Trust Day to Day Fund (Florida Trust)	75%
Florida Cooperative Liquid Assets Securities System (FLCLASS)	75%
Direct Obligations of the U.S. Government	25%
Money Market, CD’s, and Savings Accounts	95%
Securities & Exchange Commission Money Funds	25%
Bank Super NOW Accounts	95%
Bank Repo Agreements	25%

Interest Rate Risk

The Tax Collector will attempt to match investment maturities with known cash needs and anticipated cash flow requirements. Investments of current operating funds shall have maturities of no longer than twelve months and funds in excess of current operating needs may have maturities of no longer than twenty-four months.

Credit Risk

Florida Statutes authorize investments in certificates of deposit, savings accounts, the Local Government Surplus Funds Trust Fund administered by the Florida State Board of Administration; Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency, and direct obligations of the U.S. Treasury. At September 30, 2020 the Florida PRIME, the Florida Trust Day to Day Fund and FLCLASS held a rating of AAAM.

Custodial Credit Risk

All investments are held in the name of the Tax Collector, by the Tax Collector, with the exception of the Florida Trust Day to Day Fund, which was held by UMB Fund Services; the FLCLASS, which was held by Wells Fargo Bank, N.A.; and the Florida PRIME, which was held by BNY Mellon.

NOTE 3 - INVENTORIES

Inventories are valued at cost, which approximates market, using the “first-in, first-out” method of accounting. The costs of general fund inventory are recorded as an expenditure when consumed rather than when purchased. Inventory of the Tax Collector, included in the general fund, represents postage and Sunpass transponders.

NOTE 4 - PENSION PLAN

Florida Retirement System

Plan Description: The Tax Collector’s employees participate in the Florida Retirement System (FRS), a cost-sharing, multiple-employer public employee retirement system, administered by the Florida Department of Management Services (DMS). Benefit provisions are established and may be amended by state statute. A financial report is available from the DMS website at www.dms.myflorida.com or by mail at Florida Division of Retirement, PO Box 9000, Tallahassee, FL 32315-9000.

Effective July 1, 2011, the FRS became a contributory plan for all members, except DROP participants, whereby members contribute 3% and employers pay a rate based upon each member’s employment class. Classes and rates in effect at July 1, 2020 were: regular class 10.00%, senior management class 27.29%, DROP class 16.98%, and elected official class 49.18%. Included in these rates is a health insurance subsidy of 1.66%.

Employees elect participation in either the defined benefit plan (Pension Plan) or the defined contribution plan (Investment Plan). If the employee enrolled in the FRS prior to July 1, 2011, normal retirement is age 62 with 6 years of service or 30 years of service, regardless of age. If the employee enrolled in the FRS on or after July 1, 2011, normal retirement is age 65 with 8 years of service or 33 years of service, regardless of age.

Under the Pension Plan, early retirement is available before reaching normal retirement age and will be subject to an early-retirement reduction of 5% for each year your age at retirement is under your normal retirement age. For those employees who elect participation in the Investment Plan rather than the Pension Plan, vesting occurs after one year of service. Participants have access to the full value of their vested account balance when they leave FRS employment, regardless of age. These participants receive a defined contribution for self-direction in an investment product with a third party administrator selected by the State Board of Administration.

NOTE 4 - PENSION PLAN - Continued

Florida Retirement System - Continued

Benefits Provided: Retirement benefits are determined by age, years of service, the average of the highest 5 or 8 fiscal years of pay, membership class and the payment option selected at retirement. For further information concerning the FRS and contribution rates, please read the County-wide note on pension plans.

Contributions: Employer contributions to the FRS are based on a percentage of covered payroll that has been actuarially determined as an amount, when combined with employee contributions, is expected to finance the cost of benefits earned by employees during the year with an additional amount to finance any unfunded accrued liability.

For the year ended September 30, 2020, the Tax Collector's actuarial contributions to FRS under the Pension Plan were \$262,106 and the Health Insurance Subsidy (HIS Program) were \$39,272. Employee contributions were \$63,184. Both employer and employee contributions were equal to 100% of the required contribution for each year.

Pension Liabilities: At September 30, 2020, the Division of Retirement calculated the Tax Collector's liability of \$3,271,643 for the FRS plan and \$821,303 for the HIS Program, for a total of \$4,092,946 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2020. The Tax Collector's proportion of the net pension liability was based on a projection of the Tax Collector's long-term share of contributions to the Pension Plan relative to the projected contributions of all participating employers, actuarially determined. At September 30, 2020, the Tax Collector's proportion was .007548% for the FRS Pension Plan and .006726% for the HIS Program.

Discount Rate for Pension Plan: The discount rate used to measure the total pension liability was 6.80%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the Tax Collector's contributions will be made at statutorily required rates, actuarially determined. Based on those assumptions, the pension plans' fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

NOTE 4 - PENSION PLAN - Continued

Florida Retirement System - Continued

Sensitivity of the Tax Collector's Proportionate Share of the Net Position Liability to Changes in the Discount Rate for the Pension Plan: The following presents the Tax Collector's proportionate share of the net pension liability (NPL) of the Pension Plan calculated using the discount rate of 6.80%. Also presented is what the Tax Collector's proportionate share of the FRS plan NPL would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

	<u>1% Decrease (5.80%)</u>	<u>Current Discount Rate (6.80%)</u>	<u>1% Increase (7.80%)</u>
Tax Collector's proportionate share of NPL	\$ 5,224,264	\$ 3,271,643	\$ 1,640,806

Discount rate for the HIS Program: In general, the discount rate for calculating the pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS Program is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate. The single equivalent discount rate is equal to the municipal bond rate selected by the plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the Tax Collector's Proportionate Share of the Net Position Liability to Changes in the Discount Rate for the HIS Program: The following presents the Tax Collector's proportionate share of the NPL of the HIS Program calculated using the discount rate of 2.21%. Also presented is what the Tax Collector's proportionate share of the HIS Program NPL would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

	<u>1% Decrease (1.21%)</u>	<u>Current Discount Rate (2.21%)</u>	<u>1% Increase (3.21%)</u>
Tax Collector's proportionate share of NPL	\$ 949,389	\$ 821,303	\$ 716,464

Refer to the County-wide note for actuarial assumptions (including the investment rate of return), pension liability on financial statements, and an explanation of pension expense components. The pension liability is not reported in the financial statements of the Tax Collector since they are not payable from available spendable resources. It is reported in the financial statements of the County by the fund which normally pays the personnel service costs of the employee.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

March 10, 2021

The Honorable Carole Jean Jordan
Tax Collector
Indian River County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial statements contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the fund financial statements of the major fund and the aggregate remaining fund information of the **Indian River County, Florida Tax Collector** (the "Tax Collector"), as of and for the year ended September 30, 2020, which collectively comprise the Tax Collector's fund financial statements and have issued our report thereon dated March 10, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Tax Collector's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Tax Collector's internal control. Accordingly, we do not express an opinion on the effectiveness of the Tax Collector's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Tax Collector's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Tax Collector's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDIAN RIVER COUNTY ANNUAL REPORT ON STATE SPRING TRAINING FUNDS

Dated: August 24, 2021

Indian River County is submitting its annual report to the Florida Department of Economic Opportunity in accordance with Florida Statute, Section 288.11631. Please find the requested information enclosed:

1. *A detailed report on all local and state funds expended to date on the project being financed under Section 288.11631, F.S.*

Attached is a detailed report of expenditures (**Attachment #1**) of the bond proceeds of the \$16,810,000 Indian River County, Florida, Revenue Bonds, (Spring Training Facility) Series 2001. Also please see a copy of the official statement for this bond issue (**Attachment #2**). These bonds are secured in part by the "Retained Spring Training Franchise" funds ("State Funds"). The original annual debt service for these bonds was \$1,221,333. The "State Funds" originally supported \$500,000 (40.9%) and local funds supported the remainder \$721,333 (59.1%). The annual debt service has now dropped to approximately \$500,000 since a portion of the bond was paid off in 2013 and again in 2019.

Based on the portion of debt supported by the annual \$500,000 from the State of Florida, approximately \$6.9 million of the initial acquisition and construction costs (\$19 million) were funded by the "State Funds". The entire proceeds of the bond issue were expended by 2006. Additionally the County has continued to spend local funds since the bond issue was fully expended (See **Attachment #1A**). Total expenditures for this project now stand at approximately \$29.9 million.

2. *A copy of the contract between the certified local governmental entity and the spring training team.*

Please find a copy of the "Memorandum of Understanding" between the Los Angeles Dodgers, Inc. and the County entered into on August 9, 2000 (**Attachment #3**). Also, please find the Facility Lease Agreement between the Dodgers and Indian River County, entered into on September 1, 2000 (**Attachment #3A**), as well as the First Amendment, Second Amendment, Third Amendment, Fourth Amendment, Fifth Amendment, and Amended and Restated Facility Lease Agreement (**Attachments #3B, #3C, #3D, #3E, #3F, #3G and #3H**).

Further, the Certification of Indian River County as an authorized facility for a retained spring training facility pursuant to Section 228.1162, Florida Statutes, approved by OTTED on January 1, 2001, has been attached as well (**Attachment #4**).

3. *A cost-benefit analysis of the team's impact on the community*

Attached is a copy of the Economic Impact Report from the Treasure Coast Sports Commission for the 2021 Historic Dodgertown (AKA Jackie Robinson Training Complex/JRTC) Spring Training held February 14, 2021 through April 25, 2021 (Attachment #5). This event resulted in 1,179 room nights in Indian River County, with an estimated \$1,109,418 economic impact. It should be noted that Historic Dodgertown has activity throughout the year, not just during spring training. The total economic impact of this facility is shown in the attached report titled, "Economic Impact and Facts - Jackie Robinson Training Complex" prepared by the Treasure Coast Sports Commission (Attachment #5A).

Also included is a copy of the "Economic Impact of Tourism" completed by the Center for Tourism Research & Development in December 2001 (Attachment #5B). This study estimated the total economic impact of Spring Training at Dodgertown at approximately \$120 million per year.

4. *Evidence that the certified governmental entity continues to meet the criteria in effect when the applicant was certified.*

As stated above, Indian River County entered into a Memorandum of Understanding (MOU) and a Facility Lease Agreement with the Dodgers in 2000. The MOU provided that the County would purchase the stadium from the Dodgers for \$10 million and provide \$7 million for the expansion and renovation of the facility. The Series 2001 Spring Training Facility Bonds were issued to finance the acquisition and improvements. This bond issue was secured partially by pledging the annual \$500,000 payments received in accordance with Section 121.20, Florida Statutes, through 2031. Several years later, the Dodgers terminated the lease agreement. The County subsequently entered into an agreement with Verotown (previously Minor League Baseball) to operate the facility. Please note, this agreement entered into on May 1, 2009, and as amended later, explicitly contemplated that Verotown would allow for and assist Indian River County in securing Spring Training opportunities at the facility (see Attachment #6). The agreement entered into on January 2, 2019 with Major League Baseball includes operational covenants which state "Verotown acknowledges the community's desire to host, and agrees to promote the use of the Facility for Major League Baseball spring training activities and game events. Verotown agrees to negotiate with any Major League Club expressing an interest in conducting spring training activities or game events at the Facility and use its best efforts to enter into a user agreement on such terms and conditions as Verotown deems commercially reasonable or feasible; provided, however, that the failure to do so shall not be considered a Default by Verotown hereunder. Any such use by a Major League Club requires prompt review and approval by the County Administrator, which will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. In the event such approval is not timely forthcoming or otherwise withheld, Verotown may seek approval from the County Commission."

Please note, Section 288.11621(5)(f) states, "A local government as defined in s.218.369 may not be decertified by the department if it has paid or pledged for the payment of debt service on, or to fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto, bonds issued for the acquisition, construction, reconstruction, or renovation of the facility for which the local government was certified, or for the reimbursement of such costs or the refinancing of bonds issued for the acquisition, construction, reconstruction, or renovation of the facility for which the local government was certified, or for the reimbursement of such costs or the refinancing of bonds issued for such purpose. This subsection does not preclude or restrict the ability of a certified local government to refinance, refund, or defease such bonds."

As shown in Attachments #3, and #4, the County was certified as a retained spring training facility on January 1, 2001. Further, Attachment #2 is the official statement for bonds issued for the acquisition, construction, and renovation of Dodgertown. This issue pledged the retained spring training facility funds for a period of thirty years beginning on February 28, 2001.

Subsequently, Indian River County pledged the "State Funds" for the payment of debt service on bonds issued for the acquisition, construction, and renovation of this facility. This scenario is contemplated within Section 288.11621(5)(f) as recently amended. Per Section 288.11621(5)(f), the County "may not be decertified by the department" based upon the information provided herein.

These bonds are secured by a portion of Half-Cent Sales Tax, the Fourth Cent Local Option Sales Tax, and State funds of \$500,000 per year for a 30-year period. The City contributed \$1.4 million and the County contributed \$600,000 to this fund. A \$2 million Capital Reserve Account was approved at the inception of the agreement with MLB as well. MEMORANDUM OF UNDERSTANDING

THIS Memorandum of Understanding, dated as of July 24, 2000, shall be effective as of the last signature date hereof, by and among Indian River County, Florida, a political subdivision of the State of Florida (the "County"), the City of Vero Beach, Florida, a municipal corporation (the "City"), Los Angeles Dodgers, Inc., a Delaware corporation, and Fox Baseball Holdings Incorporated, a Delaware corporation, the owner of record of the Land (collectively, the "Dodgers") and ce Guardiola Development, Inc., a Florida corporation (the "Developer").

WITNESSETH

WHEREAS, Dodgers own and control the land consisting of approximately 64.03 acres described in Exhibit "A" hereto (the "Land"); and

WHEREAS, for over fifty years, the Dodgers have owned and operated the spring training and conference facility known as "Dodgertown," which is located on the Land and is comprised of Holman Stadium, an eighty-nine (89) unit hotel facility, a conference center with meeting and dining rooms, a clubhouse and weight room, in-door batting and pitching cages, four (4) full baseball practice fields, and two (2) half baseball practice fields (collectively, the "Existing Facilities"); and

WHEREAS, the Dodgers desire to sell the Land and Existing Facilities to the County, and, in conjunction with the Developer, to develop other land owned by the Dodgers within the municipal limits of the City into a mixed use town concept which will reflect the ambiance and tradition of Dodgertown; and

WHEREAS, the County intends to finance its obligations under the Real Estate Contract (as defined in Section 1(A), below) and the Development Agreement (as defined in Section 2(A), below), in part, by means of one or more series of revenue bonds to be issued by the County (the "Bonds"); and

WHEREAS, the parties now desire to identify the general terms and conditions pursuant to which they shall negotiate in good faith to craft and execute the various agreements whereby (1) the County shall acquire the Land and Existing Facilities from the Dodgers, (2) the County shall lease the acquired Land and Existing Facilities to the Dodgers, and (3) the Dodgers shall, on behalf of the County and at the County's cost and expense (as described in Section 3(B), below), improve and/or repair the Existing Facilities and/or replace the Existing Facilities with new improvements (the "Improvements").

NOW THEREFORE, the parties hereto agree as follows:

Section 1. Real Estate Contract

(A) The County and the Dodgers shall negotiate a Real Estate Sale and Purchase Agreement (the "Real Estate Contract") pursuant to which the County shall purchase the Land and all Existing Facilities, "as is," from the Dodgers for a purchase price of Ten Million Dollars (\$10,000,000), payable in full in cash at closing. The Real Estate Contract shall be a standard form agreement which shall include the usual and customary covenants employed in such types of commercial real estate transactions in Florida, with all of the customary costs and expenses to be prorated or shared, as the case may be, between the County and the Dodgers, except that the Dodgers, as seller, shall be solely responsible for any state and/or local taxes levied on the Land (regardless of when such taxes are payable) prior to the date that the County takes title to the Land.

(B) The County shall represent in the Real Estate Contract that it has not dealt, and shall not deal, with any broker, salesman, or finder in connection with the transactions contemplated herein, and that no sales commissions or finder's fees shall be due or payable by or from the County as a result of the transactions contemplated herein.

(C) The County shall be entitled to obtain and receive a physical and environmental survey of the Land and an owner's title insurance policy reflecting the acquisition of an unencumbered and marketable fee simple title to the Land, as well as other usual and customary land acquisition requirements generally applicable to such commercial real estate acquisitions. The means for determining "marketable title" to the Land shall be specified in the Real Estate Contract.

(D) The Real Estate Contract shall provide that if the County elects to sell the Land any time during the "Term" of the Facility Lease Agreement (as defined in Section 2(A), below), the Dodgers shall have an option to reacquire the Land and all Existing Facilities and/or Improvements (hereinafter collectively referred to as the "Facility"), at the then fair market value for the Facility. The fair market value of the Facility shall be determined in the manner described in Section 2(F), below. The Real Estate Contract shall also grant the Dodgers an option to repurchase the Facility, at its then fair market value (such fair market value to be determined in the manner described in Section 2(E), below), at any time after the Bonds to be issued by the County have been retired, provided that the Dodgers are still the lessee under the Facility Lease Agreement. The options to be granted to Dodgers hereunder shall be written into the deed for the Facility.

Section 2. Facility Lease Agreement

(A) The Dodgers and the County shall negotiate in good faith to enter into a Facility Lease Agreement (the "Facility Lease Agreement") pursuant to which the Dodgers shall lease the Facility from the County for a period of twenty (20) years (the "Initial Term"), plus a series of options, which may be exercised by the Dodgers at their sole discretion, for not less than four (4) renewal terms of five (5) years each (the "Renewal Terms"). For purposes of this Agreement, "Term" shall mean the Initial Term and any

Renewal Terms. As indicated herein, all of the agreements contemplated by this Memorandum of Understanding, including the Facility Lease Agreement, are and shall be made subject to and expressly contingent upon the acquisition of the Land and Existing Facilities by the County, the funding by the County and City of the "Construction Fund" and the "Capital Reserve Account" (as both terms are defined in Section 3(D), below), the acquisition by the Developer of the "Adjacent Land" (as defined in Section 4(A), below), the obtaining by the Developer of site plan approval for the "Collateral Development" (as defined in Section 4(A), below), the obtaining by the Dodgers of site plan approval for the Improvements (as defined in Section 3(B) below), and the execution by the parties of all other agreements contemplated by this Memorandum of Understanding.

(B) The Facility Lease Agreement shall provide for an annual rental payment during the Initial Term of One Dollar and No/100 (\$1.00) per year, payable in advance at the time of execution. The annual rental payment during any Renewal Term shall also be One Dollar and No/100 (\$1.00) per year, payable in advance at the time that the option is exercised by the Dodgers.

(C) Under the Facility Lease Agreement, the Dodgers, as lessee, shall assume all obligations for the operation and maintenance of the Facility without claim for offset or reimbursement from the County. The Dodgers shall be solely responsible for maintaining the Facility in a commercially reasonable manner and for insuring the Facility in an amount equal to the replacement cost of all Existing Facilities and/or Improvements against customary casualty and general liability losses at commercially reasonable rates and will name the County and the City as additional insureds thereunder. Because the Dodgers will be operating the Facility under the Facility Lease Agreement, the Dodgers shall indemnify and hold the County and the City harmless from any and all claims and liabilities that may arise as a result of the Dodger's use or operation of the Facility. All operational expenses of the Facility, personal property taxes, and ongoing repairs and replacements of property forming any portion of the Facility, shall be the sole obligation of the Dodgers, except for the payment of any ad valorem real property taxes that may become due on the Land. Under the Facility Lease Agreement, the County shall assume the obligation to pay any and all ad valorem real property taxes that may become due after the date that the County acquires the Land. However, the Dodgers shall be responsible for the payment of all liens, assessments, taxes, or other encumbrances whatsoever resulting from the Dodgers' prior ownership of the Land.

(D) Neither party shall have the right to assign the Facility Lease Agreement to a third party during the Term without the other party's prior written consent, which consent may be granted or denied by the other party at its sole and absolute discretion. Notwithstanding the foregoing, the County acknowledges and agrees that the Dodgers shall have the right, at their sole discretion, to sublease to the Developer and/or to any third party, at any time during the Term, for any type or amount of consideration deemed appropriate by the Dodgers any residential units, office space, and/or conference facilities located within the Facility and to retain any and all revenues or consideration derived therefrom.

(E) If the Facility Lease Agreement is terminated by the Dodgers without the County's consent before the expiration of the Initial Term, the Dodgers shall pay the County, as liquidated damages, the then

remaining amount required by the County to defease or retire the Bonds it issued to acquire the Land and Existing Facilities and to finance the Improvements. The aforementioned payment of liquidated damages shall be the County's sole remedy under the Facility Lease Agreement. In conjunction with the payment of such liquidated damages, the Dodgers shall have the option to repurchase the Facility (i.e., the Land and all Existing Facilities and Improvements) at a price equal to the Facility's then fair market value, less the amount of any liquidated damages paid by the Dodgers to the County hereunder. The fair market value of the Facility shall be established by an independent appraiser to be selected by two appraisers, one of whom shall be designated by the Dodgers and the other by the County. The independent appraiser shall appraise the fair market value of the Facility by using the highest and best use method. For purposes of the Facility Lease Agreement, the cessation of use of the Facility as a spring training facility by the Dodgers shall be what constitutes a termination of the Facility Lease Agreement.

Section J. Development Agreement

(A) The Dodgers and the County shall negotiate in good faith to enter into a "Development Agreement" pursuant to which the Dodgers shall undertake responsibility for the construction of the Improvements generally described in Exhibit "B" hereto, which Improvements shall be definitively described in the Development Agreement. The County acknowledges and agrees that a portion of the Existing Facilities may be demolished in order to construct the Improvements, which may include new housing units.

(B) On or before March 30, 2001 (or such later date as may be acceptable to the Dodgers), the County shall deposit not less than Seven Million Dollars (\$7,000,000) into a "Construction Fund" which shall be made available to the Dodgers to pay for the Improvements in accordance with the terms of the Development Agreement. The funds for the Construction Fund shall be obtained by the County from the Bonds that it intends to issue in connection with this project. At the same time, the County shall also deposit up to Two Million Dollars (\$2,000,000) into a "Capital Reserve Account" which shall be made available to and administered by the Dodgers to pay for the subsequent repair and/or replacement of any Improvements. The Dodgers shall be solely responsible for any and all costs and expenses associated with the Improvements and any future improvements voluntarily undertaken by the Dodgers which exceed the combined amount in the Construction Fund and the Capital Reserve Account; provided, however, that if during the course of the site plan approval and permitting process, the Dodgers are required to change and/or add to the Improvements and, as a result of any such changes and/or additions, the amount of the cost and expenses associated with the Improvements increases to more than three (3%) of the combined amount in the Construction Fund and the Capital Reserve Account, then the Dodgers shall have up to and including sixty (60) days (or such later date as may be acceptable to the County and the Dodgers) after the County obtains certification from the State of Florida Office of Tourism, Trade and Economic Development (the "Office of Tourism") that the Land and Existing Facilities constitute a "facility for a retained spring training franchise" as described in Section 238.1162, Florida Statutes, to terminate the Development Agreement and all of the parties shall immediately be relieved of their obligations under this Memorandum of Understanding, the "Project Agreements" (as defined in Section 3(E), below), and/or any subsequent agreements executed in accordance with this Memorandum of Understanding.

(C) The Construction Fund shall be maintained and administered by the County and the Capital Reserve Account shall be maintained and administered by the Dodgers. Withdrawals from the Construction Fund and the Capital Reserve Account shall be made by the Dodgers by means of requisitions which shall be submitted to the County for its reasonable approval. All requisitions submitted by the Dodgers for purposes of paying any costs and/or expenses associated with the Improvements and due to third parties shall be deemed reasonable and shall be approved by the County. Both accounts shall be established as trust accounts with a bank or trust company with offices located in Florida. All investment earnings up to the Bond yield attributable to the Construction Fund and all investment earnings attributable to the Capital Reserve Account shall be redeposited into such accounts and made available to the Dodgers as if such earnings had been part of the initial deposit. Both the Dodgers and the County shall receive monthly statements for each account. Capital repairs and replacements to the Facility shall be deemed to be reasonable expenditures to be paid from the Capital Reserve Account.

(D) In the event that the Improvements are completed under budget and any funds provided by the County (exclusive of the funds in the Capital Reserve Account) remain in the Construction Fund, then the Dodgers shall, at their sole discretion, either (1) undertake to make additional Improvements with the excess funds or (2) following input from the County, relinquish the use of the excess funds, in which case a portion of the Bonds will be redeemed with such excess funds. The Development Agreement shall establish the procedure for using any excess funds.

(E) All Improvements shall inure to the benefit of the County as the holder of title to the Land, and ownership thereof shall vest with the County as soon as construction is completed. The Dodgers shall retain sole right of possession and quiet enjoyment of the Facility throughout the Term.

Section 4. Collateral Development.

(A) All of the parties hereto acknowledge and agree that the acquisition of the Land by the County and the development thereof by the County, the City, and the Dodgers is contingent upon the Developer's (1) entering into a contract to purchase from the Dodgers the existing approximately 44.7 acre golf course immediately adjacent to the western boundary of the Land and the approximately 17.14 acres of land adjacent to the northern boundary of the Land, each as more particularly described in Exhibit "C" hereto (collectively, the "Adjacent Land"), and (2) to obtaining site plan approval for the construction, on the Adjacent Land of a hotel and conference facility, a multifamily residential rental development, and retail, restaurant and entertainment centers (collectively, the "Collateral Development"). Therefore, if, for any reason, the Developer fails or is unable to acquire the Adjacent Land and/or to obtain the site plan approval for the Collateral Development, then all of the parties shall immediately be relieved of their obligations under this Memorandum of Understanding, the "Project Agreements" (as defined in Section 8(E), below), and/or any subsequent agreements executed in accordance with this Memorandum of Understanding.

(B) The Collateral Development shall be designed, constructed, operated, and maintained by the Developer and/or its assignees, and shall encompass a mixed-use two concept or "mini-town" which

shall be constructed in three (3) phases. Phase I shall consist of an approximately 120 room hotel and up to a 40,000 square foot conference facility. Phase II shall consist of approximately 250 multifamily market rate rental units, and Phase III shall consist of retail, restaurant, and entertainment facilities which will convert the remaining Adjacent Land into a fully functioning "mini-town". The Developer anticipates that Phase I and Phase II will commence immediately upon the acquisition of the Adjacent Land by the Developer, but the commencement of construction shall be contingent upon the County's actual issuance of the Bonds and its acquisition of the Land. The Developer anticipates that Phase I will take approximately twelve (12) months to complete from the date that building permits are issued.

(C) Based upon the Developer's preliminary discussions with planning and zoning representatives of the City, it is anticipated that the scope of the Collateral Development will be approved and building permits issued under existing City zoning and comprehensive plan categories for the Adjacent Land. If, however, it is determined that the scope of the Collateral Development will require zoning or other land use changes, and such changes cannot be accomplished within sixty (60) days (or such later date as may be acceptable to the County and the Dodgers) after the County obtains certification from the Office of Tourism that the Land and Existing Facilities constitute a "facility for a retained spring training franchise" as described in Section 288.1162, Florida Statutes, then all of the parties shall immediately be relieved of their obligations under this Memorandum of Understanding, the "Project Agreements" (as defined in Section 8(B), below), and/or any subsequent agreements executed in accordance with this Memorandum of Understanding.

(D) The Developer shall incorporate the ambiance and tradition of Dodgertown, including, without limitation, the Dodgers' name, trademarks, service marks, trade names, insignia, symbols, signs, decorative designs, trade dress, and uniform designs (collectively, the "Dodgers Marks"), into the design of the Collateral Development, the objective of the parties being to integrate the Facility with the Collateral Development so as to create a uniform look and feel for both. The Dodgers shall have the right to review and approve, at their sole discretion, each and every use of the Dodgers' Marks by the Developer. As part of the separate agreements to be negotiated and executed between the Dodgers and the Developer, there shall be (1) a Declaration of Covenants, Conditions and Restrictions burdening the Adjacent Land and the Developer's use thereof, and (2) a licensing agreement covering the Developer's use of the Dodgers' Marks, which rights shall be granted to the Developer for not more than One Dollar (\$1.00) per year.

Section 5. Parking Agreement

In order to provide sufficient parking for all events at Holman Stadium and, in general, for the Dodgers' use of the Facility, the City, the County, the Dodgers, and the Developer shall enter into a four-way Parking Easement Agreement (the "Parking Agreement") pursuant to which the parties shall grant each other the use of certain parking spaces on the Land and the Adjacent Land. The Parking Agreement shall be supported by cross easements between the parties on their respective properties. The Parking Agreement shall regulate the charges for all parking, and all revenues derived from parking in connection

with events at Holman Stadium shall be retained solely by the Dodgers after reimbursing the Developer for any costs and expenses incurred by the Developer in connection with such parking.

Section 6. Operation of the Facility; the County's Use of Holman Stadium

(A) As lessee of the Facility under Facility Lease Agreement, the Dodgers shall be solely responsible for operating and maintaining the Facility and shall retain all revenues derived from the use of the Facility, including, without limitation, all revenues derived from ticket sales, food and merchandise concessions, sponsorships, and parking on the Land.

(B) Notwithstanding the foregoing, the County shall be granted the right to use Holman Stadium and/or the practice fields for up to twenty (20) days per year at no charge to the County (other than reimbursing the Dodgers for any operating expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or and the practice fields). The dates during which the County may use Holman Stadium and/or and the practice fields shall be selected by mutual agreement of the parties; provided that, if the parties cannot agree on the dates, the Dodgers' reasonable selection of dates shall be final and controlling. The County may use Holman Stadium and/or and the practice fields only for functions which do not compete with revenue-generating events (e.g., concerts) which may otherwise be arranged by the Dodgers. Moreover, the County's use of Holman Stadium and/or the practice fields must not interfere in any way with the Dodgers' use and quiet enjoyment of the Facility. The County shall not use or authorize the use of Holman Stadium and/or the practice fields in any manner which would have a material detrimental impact on Holman Stadium and/or the practice fields, and the County shall be and remain solely responsible for any damage or destruction to Holman Stadium and/or any of the practice fields that may occur as a result of such use of Holman Stadium and/or and the practice fields by the County. The County shall be entitled to retain the revenues from ticket sales for its events, and, with the prior consent of the Dodgers, concessions sold during the events when Holman Stadium and/or the practice fields are utilized by the County; provided, however, that the Dodgers shall not be required to provide concession services and/or the use of any concession facilities and/or any other services during any County event. In all cases, the Dodgers shall be reimbursed by the County for any operating costs and expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or the practice fields, including, without limitation, the cost of any parking attendants, ticket takers, security personnel, clean-up crews, and the like provided by the Dodgers.

Section 7. Zoning and Permitting

It shall be the sole obligation of the Dodgers and the Developer to obtain any permits and/or zoning changes which may be required to construct the Improvements and the Collateral Development. The County, acting solely in its capacity as the fee owner of the Land, shall cooperate with the Dodgers and the Developer, as may be reasonably required, to enable the Dodgers and the Developer to obtain any permits and/or zoning changes for the Improvements, including, without limitation, by joining in any applications for such permits and/or zoning changes.

Section 8. Actions Required by Each Party

(A) Actions Required of the City: Immediately upon the approval of this Memorandum of Understanding by the City Council, the City shall commence good faith negotiations with the various parties to draft and, when appropriate, execute the agreements which pertain to its participation in the transactions contemplated by this Memorandum of Understanding. The City shall also commence to take the necessary steps to fund a grant to the County in the amount of One Million Four Hundred Thousand Dollars (\$1,400,000), which amount shall constitute a portion of the County's local matching funds as required by Section 288.1162, Florida Statutes. At the option of the City, such grant may be made contingent upon the County obtaining a certification from the Office of Tourism that the Land and Existing Facilities constitute a "facility for a retained spring training franchise" as described in Section 288.1162, Florida Statutes. The terms of the City's grant to the County shall be set forth in an Interlocal Agreement between the City and the County as provided for in Chapter 163, Florida Statutes, which Interlocal Agreement shall reflect the relative contributions of the City and the County, and shall provide that upon any sale of the property acquired by the County pursuant hereto the City shall receive a proportionate share of the proceeds of sale. The Interlocal Agreement shall also contain a provision requiring repayment to the City of its \$1,400,000 should it perform its obligations hereunder, and subsequently either: (1) the transactions contemplated hereby not be consummated, or (2) the transactions be consummated yet fail and the parties be "relieved of their obligations" as provided elsewhere herein.

(B) Actions Required of the County: Immediately following the approval of this Memorandum of Understanding by the Board of County Commissioners (the "Board"), the County shall commence good faith negotiations with the various parties to draft and, when appropriate, execute the agreements which pertain to its participation in the transactions contemplated by this Memorandum of Understanding. The County shall also commence to take the necessary steps to extend the County's levy of the Tourist Development Tax authorized by Section 125.0104, Florida Statutes, so that a Tourist Development Tax in the authorized amount of four (4) cents shall be imposed for a period of not less than twenty (20) years. In addition, the County shall approve the Interlocal Agreement with the City regarding the City's grant of funds to the County as a portion of the County's local matching funds. As part of these steps, the County shall identify sufficient revenue sources, including, for this purpose, funds anticipated to be received by the County under Section 288.1162, Florida Statutes, to enable the County to issue revenue bonds providing net bond proceeds (i.e., bond proceeds less costs of the transaction and bond reserve funds) of not less than \$19,000,000, of which \$10,000,000 shall be used to fund the purchase price of the Land and \$7,000,000 shall be used to fund the Construction Fund for the Improvements, and currently available non-bond proceeds in an amount of up to \$2,000,000 to fund the Capital Reserve Account. Upon completion of these steps, and the execution by the County of the Real Estate Contract, Facility Lease Agreement, Development Agreement, and Parking Agreement, the County shall complete and file the Application required by Section 288.1162, Florida Statutes, prior to October 1, 2000 (or such later date as may be set forth in any rules or regulation adopted by the Florida Office of Tourism), in an effort to obtain a certification that the Facility is a "facility for a retained spring training franchise".

(C) Actions Required of the Dodgers: Immediately following the approval and execution of this Memorandum of Understanding by the City Council, the Board, and the Developer, the Dodgers shall undertake to complete their negotiations with the Developer to enter into the agreements pursuant to which the Developer shall purchase the Adjacent Lands and construct the Collateral Development. The County hereby acknowledges that the Dodgers have provided it with historical evidence that Holmes Stadium has attracted paid attendance of at least 50,000 annually for the prior ten years, and will thereafter assist the County in obtaining verification of any projections of future attendance reasonably requested by the Florida Office of Tourism. In addition, the Dodgers will deliver to the County such items as the County shall need in order to timely complete and submit the Application required by Section 288.1162, Florida Statutes on or before October 1, 2000 (or such later date as may be set forth in any rules or regulation adopted by the Florida Office of Tourism), including, without limitation, a description of the Improvements with the required amount of detail to support the Application. The Dodgers covenant and agree to actively cooperate and participate with the County in making a successful and timely Application as required by Section 288.1162, Florida Statutes.

(D) Actions Required of the Developer: Immediately following the approval and execution of this Memorandum of Understanding by the City Council, the Board, and the Dodgers, the Developer shall undertake to complete its negotiations with the Dodgers to enter into the agreements pursuant to which the Developer shall acquire the Adjacent Land and construct the Collateral Development. The aforementioned agreements between the Dodgers and the Developer shall be executed and made effective as of the date that both of the following conditions are satisfied: (1) the Florida Office of Tourism certifies that the Facility is a "facility for a retained spring training franchise," and (2) the scope of the Collateral Development has been approved under existing City zoning and comprehensive plan categories for the Adjacent Land.

(E) Actions Required by All Parties: Immediately following the approval and execution of this Memorandum of Understanding by all of the parties herein, each party shall commence to negotiate in good faith to draft and, when appropriate, execute the Real Estate Contract, the Facility Lease Agreement, the Development Agreement, the Parking Agreement and the agreements between the Dodgers and the Developer (collectively, the "Project Agreements"). The parties shall also cooperate and make their best efforts to obtain the necessary approvals and permits for the Improvements and the Collateral Development. The parties acknowledge and agree that each and every one of the Project Agreements, and any subsequently identified agreements required by any of the Project Agreements, must be drafted and executed by all parties by not later than September 1, 2000. The parties further acknowledge and agree that all of the Project Agreements shall be made contingent upon the County receiving certification from the Florida Office of Tourism that the Land and Existing Facilities constitute a "facility for a retained spring training franchise." Accordingly, upon the completion and execution of the Project Agreements, the City, the Dodgers, and the Developer shall cooperate with and assist the County in preparing and submitting the Application to the Office of Tourism for the required certification.

Section 9. Contingencies.

(A) The parties hereto agree that upon execution of this Memorandum of Understanding, all parties shall be bound to proceed in a good faith manner to negotiate the Project Agreements and complete the transactions contemplated by this Memorandum of Understanding. However, the parties recognize that various steps must be taken by each of the parties which, if not taken, shall prevent the other parties from taking the actions required of them herein. As a result, the parties hereto agree that the failure of a party to perform the obligations specified below shall relieve the other parties from their obligations under this Memorandum of Understanding. The City's obligations hereunder shall be to take the actions described in Section 8(A) and (E), above; the County's obligations hereunder shall be to take the actions described in Sections 8(B) and (E), above; the Dodgers' obligations hereunder shall be to take the actions described in Sections 8(C) and 8(E), above, and the Developer's obligations hereunder shall be to take the actions described in Sections 8(D) and 8(E), above.

(B) The parties acknowledge that the Application to the Office of Tourism for the sales tax revenues must be filed on or before October 1, 2000. If, prior to October 1, 2000, the County fails to extend its tourist development sales tax, or otherwise fails to take the actions described in Section 8(B) above, and/or if the City fails to take the actions described in Section 8(A) above, the obligations of all parties hereto shall immediately terminate. If, as expected, the Land and Existing Facilities are certified as a "facility for a retained spring training franchise" on or before January 1, 2001, and the Developer has received site plan approval by February 1, 2001, the County shall issue its Bonds and acquire the Land prior to March 31, 2001 (or such later date as may be mutually acceptable to the Dodgers and the County). Immediately thereafter, but subject to the issuance of the necessary building permits, the Dodgers shall commence construction of the Improvements, with the objective being to complete construction of the Improvements and have them ready for use by not later than February 15, 2002, or such later date as may be determined by the Dodgers.

(C) If the Dodgers fail to take the actions required of them by Sections 8(C) and 8(E), above, or if the Developer fails to take the actions required of it by Sections 8(D) and 8(E), above, and if, as a result of the foregoing, the parties are relieved of their obligations under this Memorandum of Understanding, then whichever party fails to take the actions required of it hereunder shall reimburse the County for all actual and verifiable costs incurred by the County in connection with this project after the date of execution of this Memorandum of Understanding, including, without limitation, the cost, if any, of appraisals, land surveys, environmental assessments, title searches and reasonable legal fees and expenses of outside counsel, but only up to a maximum reimbursement amount of Fifty Thousand Dollars (\$50,000). The foregoing shall be the sole legal remedy available to the County and the City in the event of a breach by the Dodgers and/or the Developer of this Memorandum of Understanding, and neither the Dodgers nor the Developer shall be liable, at law or in equity, for any other losses or damages, whether known or unforeseen, sustained by the County and/or the City, and/or any consequential damages, or punitive or exemplary damages.

(D) The parties acknowledge and agree that the Real Estate Contract shall be used contingent upon a determination that Holman Stadium is in compliance with the accessibility guidelines which will be

imposed by the Americans with Disabilities Act on the County as the owner of Holman Stadium. The aforementioned determination shall be made by the County by not later than December 31, 2000.

Section 10. Drafting of Agreements

Immediately following the approval and execution of this Memorandum of Understanding by the City Council, the Board, the Dodgers, and the Developer, counsel for the County, with the assistance of counsel for the Dodgers and the Developer, shall commence to draft the Real Estate Contract, the Facility Lease Agreement, the Interlocal Agreement, the Development Agreement, and the Parking Agreement described herein and such other additional documents as may be necessary to consummate the transactions contemplated hereby, subject to the provisions of Section 9 hereof.

(a) To satisfy the Maintenance Standards;

(b) To comply with all applicable laws, ordinances and regulations, including, but not limited to the requirements of the Americans with Disabilities Act of 1990 ("ADA") and any amendments thereto, including Title II, Structural and Title III, Programmatic Accessibility Standards as well as any future additions; and

(c) To meet the standards and regulations of Major League Baseball

Section 4.03. Operation. The Dodgers shall provide and pay for solely from funds of the Dodgers or the Capital Reserve Account, if appropriate, all costs and expenses required for the operation and maintenance of the Facility which are not, by the terms of this Agreement, specifically required to be provided and paid for by the County, including, but not limited to, all personnel (including supervisory staff), labor, equipment, telephone, water, sewer, storm water, and materials. Costs for which the Dodgers are responsible shall include, but not be limited to, taxes (except for ad valorem real property taxes, if any, imposed upon the County in connection with the Facility), gas, electricity and other utilities related to operation of the Facility, and production of all events taking place at the Facility.

Section 4.04. Taxes. The Dodgers shall pay all taxes associated with the operation of the Facility, including, but not limited to, sales taxes, except that the County shall pay that portion of the ad valorem real property taxes levied on the Land and all structures and improvements constituting the Facility.

Section 4.05. Liaison. The Dodgers shall name a person to be the liaison to work with the County with respect to coordinating the mutual responsibilities of the Dodgers and the County. The Dodgers hereby designate Mr. Craig Callan as the liaison unless and until a new person is designated in writing by the Dodgers.

Section 4.06. Limitations. The Dodgers' rights and obligations under this Agreement are subject to the following additional limitations:

(a) No contract entered into pursuant to this Agreement may impair any right of the County hereunder.

(b) The Dodgers shall not, without the County's consent, enter into any contract extending beyond the expiration date of the Term, as the Term is defined when any such contract is executed by the Dodgers.

(c) The Dodgers shall take no action which may result in the attachment of a lien or cloud on the County's interest in or title to the Facility. If, as a result of the Dodgers' actions, a lien or cloud is attached to the County's interest or title to the Facility, the Dodgers shall immediately take all reasonable and necessary steps to remove such lien or cloud.

(d) The Dodgers shall not knowingly occupy or use the Facility for any purpose or in any manner that is unlawful.

(e) Except as such records relate to proprietary or confidential business functions of the Dodgers, the Dodgers shall maintain all records concerning their responsibilities under this Agreement which are either required to be maintained pursuant to applicable law or which are necessary to verify the County's rights and the Dodgers' obligations under this Agreement, which records shall be made available to the County at the Facility during regular business hours upon two (2) days' prior written notice from the County.

(f) Within the policies and standards set by the County pursuant to this Agreement, the Dodgers shall function as an independent contractor in fulfilling the duties required by this Agreement. All staff employed by the Dodgers to accomplish their obligations under this Agreement shall be employees of the Dodgers and not the County.

(g) The Dodgers take the Facility "as is," both as of the Effective Date and upon completion of the improvements, with no warranty from the County as to condition.

(h) The Dodgers shall provide, at their expense, all equipment necessary to perform their responsibilities hereunder.

(i) Except as may be provided in the Development Agreement or this Agreement, the Dodgers shall not undertake any capital improvements to the Facility without the permission of the County, which permission shall, when not otherwise governed by the aforementioned Agreements, not be unreasonably withheld.

(j) If the County reasonably believes that the Dodgers' failure to comply with any of their obligations under this Agreement involves a "life safety issue," as hereinafter defined, the County shall have an immediate right to correct the life safety issue and the reasonable costs and expenses incurred by the County in correcting the life safety issue shall be due and payable by the Dodgers to the County within thirty (30) days after the submission of a statement to the Dodgers for the payment of the same. If such amount is not paid when due, it shall bear interest at the prime rate published by the *Wall Street Journal* from time to time from the date that the Dodgers received the County's statement until the date payment was made. For purposes of this Agreement, a "life safety issue" shall mean a situation which imposes an immediate threat of bodily harm or death to any users or occupants of the Facility.

(k) Other than the improvements, or except as authorized in this Agreement, the Dodgers shall not construct any additional buildings or structures on any portion of the Facility, or make any structural, or exterior changes to the Facility, without the prior written approval of the County, which approval shall not be unreasonably withheld. The Dodgers shall not make any alterations or modifications to the Facility without the prior written approval of the County, which approval shall not be unreasonably withheld. Notwithstanding

DR 1426PG0576

the foregoing, the County acknowledges that the Dodgers may decide to augment or replace the existing eighty-nine (89) unit hotel facility and the conference center at the Facility with new housing units and an expanded meeting and dining center. Accordingly, the County hereby approves such renovation and construction, provided it is undertaken by the Dodgers in accordance with the terms of this Agreement and consistent with the Maintenance Standards. All such permanent improvements, alterations, or additions placed on the Facility by the Dodgers shall be conveyed by the Dodgers to the County by a quit-claim deed upon the completion of such improvements, alterations or additions.

(l) On or before the expiration date of this Agreement, or its earlier termination as provided herein, the Dodgers shall remove all of their personal goods and effects, repair any damage caused by such removal, and surrender and deliver the Facility in its "AS IS" condition. Any personal property or effects not removed within thirty (30) days after the expiration date of this Agreement or its earlier termination as provided herein shall be deemed to have been abandoned by the Dodgers, and may be retained or disposed of by the County, in its sole discretion, in accordance with applicable law.

(m) Upon the expiration or earlier termination of this Agreement, Dodgers shall return the Facility to the County free and clear of any contractual obligations or other legal encumbrances granted by the Dodgers, except utility easements and other encumbrances necessary for the maintenance and operation of the Facility.

(n) The Facility shall not be used for the manufacture or storage of flammable, explosive or Hazardous Materials (as defined herein), except for Hazardous Materials typically found for use or sale in retail stores, including supermarkets and dry cleaning stores, and/or typically found for use in comparable spring training facilities. For purposes of this Agreement, "Hazardous Materials" shall mean any containment, chemical, waste, irritant petroleum product, waste product, radioactive material, flammable or corrosive substance, explosive, poly-chlorinated biphenyls, asbestos, hazardous toxic substance, material or waste of any kind, or any other substance that any environmental law regulates. ARTICLE XVIII

CONSENTS AND APPROVALS

Section 18.01 Granting or Failure to Grant Approvals or Consents. All consents and approvals which may be given by a party under this Agreement shall, as a condition of their effectiveness, be in writing. The granting by a party of any consent to or approval of any act requiring consent or approval under the terms of this Agreement, or the failure on the part of a party to object to any such action taken without the required consent or approval, shall not be deemed a waiver by the party whose consent was required of its right to require such consent or approval for any other act.

Section 18.02 Standard. Unless this Agreement specifically provides for the granting of consent or approval at a party's sole discretion, then consents and approvals which may be given by a party under this Agreement shall not (whether or not so indicated elsewhere in this Agreement) be unreasonably withheld or conditioned by such party and shall be given or denied within the time period provided, and if no such time period has been provided, within a reasonable time. Upon disapproval of any request for a consent or approval, the disapproving party shall, together with notice of such disapproval, submit to the requesting party a written statement setting forth with specificity its reasons for such disapproval.

Section 18.03 Deemed Approval

(a) If a party entitled to grant or deny its consent or approval (the "Consenting Party") within thirty (30) days (or a shorter specified time period) fails to do so, then, provided that the request for consent or approval bears the legend set forth below in capital letters and in a type size which is not less than that provided below, the matter for which such consent or approval is requested shall be deemed consented to or approved, as the case may be:

"FAILURE TO RESPOND TO THIS REQUEST WITHIN THE TIME PERIOD PROVIDED IN THE FACILITY LEASE AGREEMENT BETWEEN INDIAN RIVER COUNTY AND LOS ANGELES DODGERS, INC SHALL CONSTITUTE AUTOMATIC APPROVAL OF THE MATTERS DESCRIBED HEREIN WITH RESPECT TO SECTION [] OF SUCH FACILITY LEASE AGREEMENT"

Section 18.04 Approval for the County. The County hereby agrees that, subject to applicable law and regulations, the County Administrator (or the County Administrator's authorized designee) shall be authorized to grant consents or approvals on behalf of the County with respect to this Agreement.

OR 1426PG0591

Section 18.09. No Fees, etc. Except as otherwise expressly authorized in this Agreement, no fees or charges of any kind or amount shall be required by either party hereto as a condition of the grant of any consent or approval which may be required under this Agreement (provided that the foregoing shall not be deemed in any way to limit the County acting in its governmental, as distinct from its proprietary, capacity from charging governmental fees on a nondiscriminatory basis).

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the day and year first above written.

COURT

FIRST AMENDMENT TO FACILITY LEASE AGREEMENT

THIS FIRST AMENDMENT is made and entered into as of the 1st day of June, 2011 to that certain Facility Lease Agreement by and between Indian River County, a political subdivision of the State of Florida ("County") and MILB Vero Beach LLC, a Florida limited liability company ("MILB"), dated as of May 1, 2009 ("Agreement").

WHEREAS, as of May 1, 2009, County and MILB entered into the Agreement whereby County leased to MILB the Land, the Facility and the FF&E, and transferred to MILB the exclusive right and obligation to use, manage, operate and maintain the Facility for the term set forth therein; and

WHEREAS, based upon further negotiations between the parties and with the City of Vero Beach, Florida ("COVE"), the parties desire to amend the Agreement with respect to the Land, the Parking Lease and the Parking Property, the Improvements, and other related matters.

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Definitions. Except as set forth herein, all capitalized terms herein shall have the same meaning as set forth in the Agreement.
3. Land. The definition of "Land" as set forth in section 1.02(q) is hereby amended, as follows: (a) the real property described on Exhibit A attached hereto is added to the definition of "Land" and is therefore subject to all terms and conditions of the Agreement, and (b) the real property described on Exhibit B attached hereto is removed from the definition of "Land" and is therefore no longer subject to the terms and conditions of the Agreement.
4. MILB Events. All references in the Agreement to "Dodgers Events" are hereby changed to "Dodgerstown Events," and new section 1.02(bb) is added as follows: "Dodgerstown Events" shall mean any and all events and activities held on the premises of the Land and Facility including, without limitation, sports and non-sports related events and activities, meetings and conferences, whether such events and activities are conducted by County, MILB or any third party using all or a portion of the Land and Facility with the consent of County or MILB.

5. Parking. The provisions of the Agreement relating to parking are amended, as follows:

(a) section 1.02(v) is deleted and replaced with the following: "Parking License Agreement means the Parking License Agreement entered into as of June 1, 2011 by and between the County and COVB which, *inter alia*, governs use rights for the City Parking Property."

(b) section 1.02(w) is deleted and replaced with the following: "City Parking Property shall mean the real property subject to the Parking License Agreement, and Facility Parking Property shall mean the following areas contained within the Land: (i) the real property which has historically been used for parking in connection with activities and events held at the facility, (ii) those portions of the four (4) baseball practice fields and two (2) half baseball practice fields which are suitable for parking, and (iii) other accessible and open areas which are suitable for parking; and

(c) section 6.05 is deleted in its entirety and replaced with the following: "Parking. The City Parking Property is owned by the City, subject to the terms and conditions of the Parking License Agreement, and the Facility Parking Property is owned by the County, subject to the terms of this Agreement. MILB shall have the right to use the City Parking Property for Dodgertown Events in accordance with the terms and conditions of the Parking License Agreement, which terms and conditions are hereby approved and accepted by MILB. MILB acknowledges that its right to use the City Parking Property for Dodgertown Events could be terminated by COVB in accordance with the terms and conditions of the Parking License Agreement. In such event, MILB agrees that the Facility Parking Property is and will be adequate for all parking purposes relating to its use and operation of the Land and Facility. Upon expiration or termination of this Agreement, all rights of MILB to use the City Parking Property or the Facility Parking Property for any purpose shall terminate."

6. Improvements. The provisions of the Agreement relating to Improvements are amended, as follows:

(a) section 1.02(o) is deleted in its entirety and replaced with the following: "Improvements means the improvements constructed or to be constructed on the Land and Facilities during the term of the Agreement, or any extension thereof, consisting of the addition of field lights to two (2) of the existing playing fields in 2011, the construction of a cloverleaf of four (4) youth dimension baseball fields on the real property described on Exhibit A attached hereto in 2011, and the construction of a regulation size soccer field in the area of practice field number four in 2011." and

(b) section 8.03(a) and (b) are deleted in their entirety and replaced with the following: "Immediate Facility Improvements.

(a) County, at its expense, will add field lights to two (2) existing playing fields in 2011 and will construct a cloverleaf of four (4) youth dimension baseball fields on the

real property described on Exhibit A attached hereto in 2011. Field lighting for the two (2) existing playing fields shall meet the requirements of Class AAA and Class AA field lighting for a new facility which are 100fc (foot candle) average in infield and 70fc average in outfield. County shall not pay for these improvements out of the Capital Reserve Account;

(b) County will construct a regulation size soccer field in the area of practice field number four in 2011 at its expense. County shall not pay for this construction out of the Capital Reserve Account."

7. Good Standing - No Violation. County and MiLB agree that, as of the date hereof, the Agreement is in good standing, neither party is in violation or default of any provision of the Agreement, and both parties are in full compliance with all provisions of the Agreement.

8. Conforming Terms. All remaining terms and conditions of the Agreement are hereby conformed to be consistent with the amendments set forth herein.

9. Remaining Terms. All remaining terms and conditions of the Agreement not amended or conformed herein shall remain in full force and effect.

10. Recordation. A copy of this First Amendment shall be recorded on the Public Records of Indian River County, Florida.

SECOND AMENDMENT TO FACILITY LEASE AGREEMENT

THIS SECOND AMENDMENT TO FACILITY LEASE AGREEMENT ("Second Amendment") is made and entered into as of the 1st day of January 2012, to that certain Facility Lease Agreement by and between Indian River County, a political subdivision of the State of Florida ("County") and MiLB Vero Beach, LLC, a Florida limited liability company ("MiLB"), dated as of May 1, 2009 ("Facility Lease Agreement"), as amended by that certain First Amendment to Facility Lease Agreement, dated as of June 1, 2011 ("First Amendment") (the Facility Lease Agreement, First Amendment and this Second Amendment are collectively "Amended Facility Lease Agreement"). This Second Amendment is entered into by and among County, MiLB, Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown"), and National Association of Professional Baseball Leagues, Inc., a Florida non-profit corporation ("NAPBL").

WHEREAS, on or about May 1, 2009, County and MiLB entered into the Facility Lease Agreement whereby County leased to MiLB the Land, the Facility and the FF&E, and transferred to MiLB the exclusive right and obligation to use, manage, operate and maintain the Facility for the term set forth therein; and

WHEREAS, on or about June 1, 2011, County and MiLB entered into the First Amendment addressing a land swap with the City of Vero Beach and certain improvements to the Facility; and

WHEREAS, MiLB wishes to assign the Amended Facility Lease Agreement to Verotown, and County and NAPBL are amenable to such assignment; and

WHEREAS, County, MiLB and Verotown wish to make minor amendments to the Amended Facility Lease Agreement, as set forth herein,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.

2. Definitions. Except as set forth herein, all capitalized terms herein shall have the same meaning as set forth in the Facility Lease Agreement and the First Amendment.

3. Assignment. MILB hereby assigns to Verotown all of its right, title and interest in and to the Amended Facility Lease Agreement, and Verotown hereby accepts such assignment. All references in the Facility Lease Agreement and the First Amendment to "MILB" are hereby changed to "Verotown." Verotown assumes and agrees to pay and perform all obligations of MILB under the Amended Facility Lease Agreement. County hereby consents to the assignment of the Amended Facility Lease Agreement to Verotown.

4. Guaranty/Surety Bond. NAFBL, by Guaranty dated May 1, 2009 ("Guaranty"), has guaranteed certain obligations of MILB under the Facility Lease Agreement and the First Amendment. NAFBL hereby (i) consents to the assignment of the Amended Facility Lease Agreement to Verotown, (ii) consents to the amendments set forth in this Second Amendment, and (iii) agrees that the Guaranty shall remain in full force and effect and shall apply to the obligations of Verotown under the Amended Facility Lease Agreement to the same extent as if all references to MILB in the Guaranty were changed to Verotown. County agrees to release and terminate the Guaranty upon (i) substitution of a new guarantor and guaranty reasonably acceptable to County, or (ii) posting of a surety performance bond conditioned on Verotown's performance of the Amended Facility Lease Agreement, which bond is in the amount of the Liquidated Damages plus \$100,000, and is in a form reasonably acceptable to County.

5. Completion Dates of Improvements. Sections 1.02(o), 3.03(s), and 3.03(b) of the Facility Lease Agreement and First Amendment, are hereby amended by changing the completion date of the cloverleaf baseball fields to May 31, 2012, and by changing the completion date of the regulation size soccer field to 2012.

6. Good Standing - No Violation. County, MILB, Verotown and NAFBL agree that, as of the date hereof, the Amended Facility Lease Agreement is in good standing, neither County nor MILB are in violation or default of any provision of the Amended Facility Lease Agreement, and County and MILB are in full compliance with all provisions thereof. County and MILB hereby release and satisfy each other with respect to any claims, causes of action or liabilities arising out of or relating to the Amended Facility Lease Agreement.

7. Conforming Terms. All remaining terms and conditions of the Amended Agreement are hereby conformed to be consistent with the amendments set forth herein.

8. Remaining Terms. All remaining terms and conditions of the Amended Agreement not amended or conformed herein shall remain in full force and effect.

THIRD AMENDMENT TO FACILITY LEASE AGREEMENT

THIS THIRD AMENDMENT is entered into as of this 16th day of July, 2013, by and between Indian River County, a political subdivision of the State of Florida ("County") and Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown").

WHEREAS, on or about May 1, 2009, the County and MILB Vero Beach, LLC, a Florida limited liability company ("MILB"), entered into the Facility Lease Agreement in which the County leased the Facility to MILB, and granted to MILB certain management rights with respect to the Facility, for a term of five years ending April 30, 2014 ("Original Lease"); and

WHEREAS, on or about June 1, 2011, the County and MILB entered into the First Amendment to Facility Lease Agreement ("First Amendment"); and on or about January 1, 2012, the County, MILB and Verotown, entered into the Second Amendment to Facility Lease Agreement, in which, among other things, the rights and obligations of MILB under the Original Lease and the First Amendment were assigned to Verotown ("Second Amendment"); and

WHEREAS, pursuant to section 2.03 of the Original Lease as amended by the First Amendment and the Second Amendment, Verotown has an option to renew the lease for a renewal term of five years, commencing on May 1, 2014 and ending on April 30, 2019 ("Renewal Term"), which option Verotown desires to exercise in accordance with the terms of this Third Amendment to Facility Lease Agreement ("Third Amendment") (the Original Lease, First Amendment, Second Amendment and Third Amendment are collectively referred to as the "Facility Lease Agreement"); and

WHEREAS, the County and Verotown reaffirm their desire to preserve the rich traditions and history of "Dodgertown" and the Facility, and recognize that the benefits to the local community of continuing baseball, athletic, conference and other activities at the Facility are unique and diverse, and include, without limitation, increased economic activity and employment opportunities, increased tourist trade and promotional opportunities, increased direct and indirect tax revenues, private sector payment of substantial maintenance and operation expenses which would otherwise burden local taxpayers, and other such benefits,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Definitions. Except as set forth herein, all capitalized terms shall have the same meaning as set forth in the Original Lease, the First Amendment and the Second Amendment.
3. Exercise of Option. Verotown hereby exercises its first renewal option set forth in section 2.03. The term of the Facility Lease Agreement is hereby extended for the period of the Renewal Term; provided, however, that, except as set forth in sections 5 and 15 below, this Third Amendment shall be effective commencing at the beginning of the Renewal Term. Between the date of this Third Amendment and the commencement of the Renewal Term, the terms and conditions of the Original Lease, as amended by the First Amendment and the Second Amendment, shall remain in full force and effect without regard to any amendment of such terms and conditions set forth in this Third Amendment.
4. Rent. The amount of rent, set forth in section 2.04, shall remain the same during the Renewal Term. The parties acknowledge that the amount of such rent is based, in part, on (a) Verotown's payment of the substantial cost of maintenance and operation of the Facility, and other costs incurred in the performance of this Facility Lease Agreement, which costs would otherwise be a burden upon the taxpayers of Indian River County, and (b) Verotown's agreement with respect to net income, set forth in section 11 below.
5. Hotel Room Renovations. As of the date of this Third Amendment, Verotown has renovated 22 of the 89 hotel rooms included within the Facility. The County shall pay for or reimburse Verotown for the actual costs of the renovations of the remaining 67 rooms in an amount not to exceed \$600,000. This amount shall not be funded with funds currently on deposit in the Capital Reserve Account, or required to be deposited by the County into the Capital Reserve Account in the future. At the election of the County, such renovations shall be undertaken by the County; otherwise, such renovations shall be undertaken by Verotown, in which case all books or records of Verotown relating to the renovations shall be open to inspection by the County upon reasonable request. Procurement of the contractor(s) to perform such renovations shall be by public bid, conducted by the County in accordance with applicable law. In the event that renovations are undertaken by Verotown, Verotown shall be reimbursed for all such renovation costs within the time periods set forth in the Florida Prompt Payment Act, §218.70, et seq, Florida Statutes; provided, however, that reimbursement shall be in accordance with the procedure set forth in this Facility Lease Agreement and the Capital Reserve Account Agreement, and upon submittal and review of supporting documentation. This section 5 shall be effective as of the date of this Third Amendment.
6. Contribution to Capital Reserve Account. Section 8.02(c) is hereby deleted and replaced with the following language: "Beginning with the first Renewal Term, the County shall deposit \$250,000 per Lease Year into the Capital Reserve Account as a means of supplementing the Capital Reserve Account balance. Out of each \$250,000 deposited into the Capital Reserve Account, and subject to the remaining terms of the Capital Reserve Account Agreement and this Facility Lease Agreement (a) there shall be no limit on the amount of such funds which may be used for any fixed capital expenditure or fixed capital outlay associated with the construction, reconstruction or improvement of the Facility which has a life expectancy of

five or more years, or any other construction, reconstruction or improvement of "infrastructure" as that term is defined in §212.055(2)(d)(1), Florida Statutes ("Qualifying Expenses"), and (b) no more than \$125,000 may be used for capital expenses or Repairs or Replacements (defined in accordance with section 8.02(b) of this Facility Lease Agreement, which shall include equipment used within the Facility for general maintenance, and shall not include motor vehicles licensed for use on the public roadways) which are not Qualifying Expenses. Verotown shall not be required to make any capital contribution to the Capital Reserve Account.

7. Liquidated Damages. All references in the Facility Lease Agreement to Liquidated Damages are hereby deleted. Without limitation, section 10.05 is hereby deleted; provided, however, that each party shall remain liable for actual damages caused by an event of Default, as set forth in section 10.

8. Right of Termination. New section 10.05 is hereby added, as follows: "Notwithstanding any other provision herein, Verotown shall have the right to terminate the Facility Lease Agreement for any reason upon 120 days written notice to the County. Verotown shall fully perform the terms and conditions of the Facility Lease Agreement during the 120 day notice period. A termination by Verotown pursuant to this section 10.05 shall not be an event of Default."

9. Motor Vehicle Liability Insurance. The following language is added to the end of existing section 14.05(a): "In addition, Verotown shall maintain, at its sole cost, commercial automobile insurance in an amount no less than \$1 million combined single limits on (a) all motor vehicles owned by the County but operated by Verotown in connection with its use, management or operation of the Facility, and (b) all motor vehicles owned or leased by Verotown and used in connection with its use, management or operation of the Facility."

10. Property Insurance. Verotown's obligation to maintain special form (all risk) property insurance, as set forth in section 14.05(b) is hereby deleted, and replaced with the following respective obligations of the parties: (a) the County may elect, at its own cost, to maintain property and casualty insurance upon the Facility, in such amounts as the County deems appropriate. In the event of a casualty or force majeure event resulting in the total or partial destruction of the Facility and the payment of insurance proceeds to the County, the County shall decide in its sole discretion whether to use such proceeds for the repair or replacement of the portion of the Facility so destroyed; provided, however, that in the event that the County decides not to use the insurance proceeds or other funds to repair or replace the Facility, Verotown shall have the right to terminate this Facility Lease Agreement immediately (i.e., without the 120 day notice referenced in section 8 above) if it determines in good faith that the Facility is no longer suitable for the purposes and operations described in section 5.01. Nothing in this subsection shall be construed as requiring the County to insure any property or assets owned by Verotown which are located at or used in connection with the Facility. Verotown shall be solely responsible for insuring its own property or assets.

11. Verotown's Net Income. Verotown shall use all Net Income (defined below) derived from its use, management and operation of the Facility to pay for enhancements or improvements to the Facility that Verotown deems reasonable or necessary in its sole discretion

(collectively "Enhancements"), provided, however, that any Enhancement which significantly and materially alters the Facility or the Land shall require the consent of the County, which consent shall not be unreasonably withheld. For the purposes of this section, the term Net Income, shall mean Earnings before Interest, Taxes, Depreciation and Amortization (EBITDA), determined in accordance with Generally Accepted Accounting Principles, less cash distributions to its partners/members equal to 30% of taxable income as reported on IRS Form 1065, Schedule K. For clarification, the term "Earnings" in the prior sentence shall mean gross revenues minus costs of goods sold and general and administrative expenses paid by Verotown in connection with the use, management and operation of the Facility. Net Income shall be determined annually, using the fiscal or calendar year normally used by Verotown in its accounting practices. Any Net Income which has not been used for the purposes set forth in this section as of the expiration or termination of the Facility Lease Agreement shall be paid to the County. The term "books and records" in section 3.04 is hereby amended to include Verotown's profit and loss statement, and other financial records, necessary to verify Verotown's Net Income, and the reinvestment of such Net Income in Enhancements. The Enhancements shall become the asset or property of the County upon being permanently affixed to the Facility, or at the expiration or termination of this Facility Lease Agreement, whichever occurs first. Net losses in any given year within the Renewal Term shall be credited against Net Income in any following year(s).

12. Museum of Dodgertown Memorabilia. Verotown will use commercially reasonable efforts to operate, at a location within the Facility, a museum containing memorabilia of the Brooklyn or Los Angeles Dodgers. The museum shall be open to the public during reasonable hours of operation to be determined by Verotown.

13. Public Events. The County and Verotown recognize the value and importance of using the Facility in a manner which provides entertainment opportunities for the residents of Indian River County. Accordingly, Verotown will endeavor to use the facility in a manner which provides such opportunities from time to time, thereby enabling the residents of Indian River County to enjoy and benefit from events held at the Facility.

14. Good Standing - No Violation. The County and Verotown agree that, as of the date of this Third Amendment, the Facility Lease Agreement is in good standing and neither party is in breach or violation of the terms and conditions of the Facility Lease Agreement.

15. Notices. Section 13.01 is amended to delete the notice/address information relating to MLEB, and to replace such information with the following:

FOURTH AMENDMENT TO FACILITY LEASE AGREEMENT

THIS FOURTH AMENDMENT is entered into as of this 21 day of January, 2014, by and between Indian River County, a political subdivision of the State of Florida ("County") and Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown").

WHEREAS, on or about May 1, 2009, the County and MILB Vero Beach, LLC, a Florida limited liability company ("MILB"), entered into the Facility Lease Agreement in which the County leased the Facility to MILB, and granted to MILB certain management rights with respect to the Facility, for a term of five years ending April 1, 2014 ("Original Lease"); and

WHEREAS, on or about June 1, 2011, the County and MILB entered into the First Amendment to Facility Lease Agreement ("First Amendment"); and

WHEREAS, on or about January 1, 2012, the County, MILB and Verotown, entered into the Second Amendment to Facility Lease Agreement, in which, among other things, the rights and obligations of MILB under the Original Lease and the First Amendment were assigned to Verotown ("Second Amendment"); and

WHEREAS, on or about July 16, 2013, the County and Verotown ("the Parties") entered into the Third Amendment to Facility Lease Agreement, ("Third Amendment") in which, among other things, Verotown exercised its right to renew the lease for an additional five years, and the County agreed to pay for or reimburse Verotown for the actual costs of renovating 67 hotel rooms in an amount not to exceed \$600,000; and

WHEREAS, in compliance with the Third Amendment, the County publically bid the room renovations and the lowest, most responsive bidder's cost for the job (including County purchased items to save sale tax) was approximately \$634,000 or \$34,000 over the allotted amount; and

WHEREAS, the County has agreed to increase its payment from \$600,000 to \$634,000 to renovate the hotel rooms in order to comply with the terms of the Third Amendment; and

WHEREAS, the Parties wish to amend Section 5 of the Third Amendment to state that the County is responsible for renovating 66 hotel rooms in an amount not to exceed \$634,000, and Verotown is amenable to this amendment; and

WHEREAS, the County and Verotown reaffirm their desire to preserve the rich traditions and history of "Dodgertown" and the Facility, and recognize that the benefits to the local community of continuing baseball, athletic, conference and other activities at the Facility are unique and diverse, and include, without limitation, increased economic activity and employment opportunities, increased tourist trade and promotional opportunities, increased

direct and indirect tax revenues, private sector payment of substantial maintenance and operation expenses which would otherwise burden local taxpayers, and other such benefits,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Hotel Room Renovations. In Section 5 of the Third Amendment the County agreed to provide up to \$600,000 for the renovation of the remaining 67 hotel rooms. After review and receipt of the public bids, it is agreed by the Parties that there are 66 remaining hotel rooms, and that it is not feasible to renovate the remaining rooms for \$600,000 or less. Therefore, Section 5 of the Third Amendment is hereby amended to state that the County shall pay for the actual costs of the renovations associated with 66 of the remaining hotel rooms in an amount not to exceed \$634,000. All of the other terms and conditions of Section 5 of the Third Amendment to Facility Lease Agreement remain in full force and effect.
3. Good Standing - No Violation. The County and Verotown agree that, as of the date of this Fourth Amendment, the Facility Lease Agreement is in good standing and neither party is in breach or violation of the terms and conditions of the Facility Lease Agreement.

FIFTH AMENDMENT TO FACILITY LEASE AGREEMENT

THIS FIFTH AMENDMENT is entered into as of this 1st day of April, 2014, by and between Indian River County, a political subdivision of the State of Florida ("County") and Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown").

WHEREAS, on or about May 1, 2009, the County and MILB Vero Beach, LLC, a Florida limited liability company ("MILB"), entered into the Facility Lease Agreement in which the County leased the Facility to MILB, and granted to MILB certain management rights with respect to the Facility, for a term of five years ending April 1, 2014 ("Original Lease"); and

WHEREAS, on or about June 1, 2011, the County and MILB entered into the First Amendment to Facility Lease Agreement ("First Amendment"); and

WHEREAS, on or about January 1, 2012, the County, MILB and Verotown, entered into the Second Amendment to Facility Lease Agreement, in which, among other things, the rights and obligations of MILB under the Original Lease and the First Amendment were assigned to Verotown ("Second Amendment"); and

WHEREAS, on or about July 16, 2013, the County and Verotown ("the Parties") entered into the Third Amendment to Facility Lease Agreement, ("Third Amendment") in which, among other things, Verotown exercised its right to renew the lease for an additional five years, and the County agreed to pay for or reimburse Verotown for the actual costs of renovating 67 hotel rooms in an amount not to exceed \$600,000; and

WHEREAS, on or about March 10, 2014, the Parties entered into the Fourth Amendment to Facility Lease Agreement ("Fourth Amendment") in which, among other things, the Parties amended the number of hotel rooms that need to be renovated from 67 to 66 and the County agreed to increase its budget for the referenced renovations from \$600,000 to \$634,000; and

WHEREAS, the County wishes to amend Section 5 of the Fourth Amendment both to increase its budget for renovating the remaining 66 hotel rooms from \$634,000 to \$670,245.22, and to reserve the right to increase and/or decrease its budget by a total \$50,000 in the future for the referenced renovations using change orders approved by the Indian River Board of County Commissioners; and

WHEREAS, the County and Verotown reaffirm their desire to preserve the rich traditions and history of "Dodgertown" and the Facility, and recognize that the benefits to the local community of continuing baseball, athletic, conference and other activities at the Facility are unique and diverse, and include, without limitation, increased economic activity, and employment opportunities, increased tourist trade and promotional opportunities, increased

direct and indirect tax revenues, private sector payment of substantial maintenance and operation expenses which would otherwise burden local taxpayers, and other such benefits.

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Hotel Room Renovations. In Section 5 of the Fourth Amendment, the County agreed to provide up to \$634,000 for renovating 66 of the remaining hotel rooms. Due to a number of unforeseen expenditures, the Parties agree that it is not feasible to conduct the referenced renovations for \$634,000 or less. Therefore, Section 5 of the Fourth Amendment is hereby amended to state that the County shall pay \$670,245.22 for all of the actual costs associated with renovating 66 of the remaining hotel rooms. Should another unforeseen expenditure arise in the future pertaining to the referenced hotel room renovations, the County reserves the right to increase and/or decrease its budget by a total of \$50,000 using change orders that have been approved by the Indian River Board of County Commissioners. All of the other terms and conditions of Section 5 of the Fourth Amendment to Facility Lease Agreement remain in full force and effect.

4. Conforming Terms. All remaining terms and conditions of the Facility Lease Agreement are hereby conformed to be consistent with the amendments set forth herein.
5. Remaining Terms. All remaining terms and conditions of the Facility Lease Agreement not amended or conformed herein shall remain in full force and effect.

(a) The City Parking Property is owned by the City, subject to the terms and conditions of the Parking License Agreement, and the Facility Parking Property is owned by the County. Verotown has the right to use the City Parking Property for Verotown Events in accordance with the terms and conditions of the Parking License Agreement.

(b) Verotown and the County acknowledge that the right to use the City Parking Property for Verotown Events could be terminated by the City in accordance with the terms and conditions of the Parking License Agreement. In such event, Verotown and the County agree that the Facility Parking Property shall be available to Verotown at all times during the Initial Term and any Renewal Term be used for parking purposes relating to its use and operation of the Facility. For Verotown Events that take place in Holman Stadium where parking demands exceed capacity of the Facility Parking Property, upon thirty (30) days prior written notice, the County will provide two thousand (2,000) parking spaces for the designated Verotown Event at no additional cost to Verotown; provided, however that no athletic fields shall be used towards the additional parking spaces. The County acknowledges that for certain potential Verotown Events, it may not be practicable for Verotown to provide thirty (30) days prior written notice of the need for additional parking capacity. In such event, Verotown shall notify the County of its need for additional parking as soon as reasonably practicable and the County shall use its best efforts to accommodate Verotown's request, with the understanding that Verotown may not be able to host a Verotown Event at the Facility unless the County can provide adequate additional parking at an acceptable location to Verotown within the shorter time frame provided by Verotown. Unless the Facility is being utilized as an emergency staging area pursuant to section 6.06, the County acknowledges and agrees

that neither the County nor its guests or invitees shall be permitted to utilize the baseball and/or athletic fields at the Facility for parking purposes during the Initial Term or any Renewal Term.

(c) Upon expiration or termination of this Agreement, all rights of Verotown to use the City Parking Property or the Facility Parking Property for all purposes shall terminate.

Section 6.06. Emergency Staging Area. As a mutual benefit to the County and Verotown, during the Term, Verotown agrees to provide the Facility as a staging area for responsive emergency personnel and equipment, for natural disaster preparations, response, and potential shelter. Notwithstanding anything to the contrary, neither the County nor the public may use the Holman Stadium field. In the event the County uses the Facility as an emergency staging area, the County agrees to diligently employ its best efforts to completely remove all disaster/hurricane-related debris and materials from the Facility as soon as reasonably practical and not later than fourteen (14) days after any emergency or use for the purpose of this Section. Further, the County is responsible for all damage, clean-up, repairs and costs and expenses in connection with the use of the Facility, and the County shall promptly clean up, repair and restore the Facility, all at no cost or liability to Verotown. Notwithstanding anything in this Agreement to the contrary, the County is responsible for any liability arising out of or in connection with the County's or the public's use of the Facility pursuant to this Section 6.06, and the County agrees not to hold Verotown responsible, and thus Verotown will be held harmless, for such use of the Facility by the County or the public or its failure to timely remove all disaster/hurricane-related debris and material from the Facility after any emergency or use for the purposes of this Section. The County agrees to use its best efforts to seek "facilities hardening" funds and/or other funds available for natural disasters from the State and/or Federal government and to apply such funds for the sole and the exclusive use of the Facility. In the event the County receives Federal Emergency Management Agency ("FEMA") proceeds or other funds for damage to or destruction of the Facility, the County agrees to promptly apply such FEMA proceeds or other funds towards the cleanup, repair, restoration, construction or reconstruction of the Facility. To the extent that the County utilizes the Facility for sheltering, the County is responsible for any shelter requirements and all costs associated therewith.

ARTICLE VII

REVENUES

Section 7.01. Revenues. During the Term, Verotown shall control, collect, receive, and retain all revenues generated by any means at or in connection with the Facility, including, but not limited to, all revenues from ticket sales, food and beverage sales, merchandise sales, concessions and products sales, novelties, parking, telecast and broadcast rights, pouring rights, advertising, sponsorship, promotional and signage rights, permitted Facility naming, affiliation, and or sponsorship rights, and any other revenues derived or generated in connection with baseball and non-baseball events held at the Facility (exclusive of any County use events). Verotown may allocate the revenues generated by any means at or in connection with the

Facility in its sole discretion, so long as the Facility maintenance, Repairs or Replacements, and the Verotown Improvements are provided in accordance with this Agreement.

Section 7.02. Rebranding; Naming Rights. At all times during the Term, neither the County nor Verotown has the right to sell naming rights to Holman Stadium; and neither the County nor Verotown shall change the name of Holman Stadium. Verotown has the sole and absolute right, upon prior written notice to the County but without the prior review and consent of the County to designate the name of any other portion of the Facility provided such name change relates to MLB, an MLB Entity or baseball, including, without limitation, any such topic, entity or individual related thereto. Otherwise, Verotown shall not change the name of any other portion of the Facility without the prior review and consent of the County, which consent will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. The County represents to Verotown that it does not hold or possess any rights to the use of the name "Dodgertown" or other intellectual property owned or licensed by MLB nor does the County have the authority to authorize such use.

ARTICLE VIII

CAPITAL IMPROVEMENTS, MAINTENANCE AND REPAIRS OR REPLACEMENTS

Section 8.01. Capital Reserve Account. During the Initial Term and any Renewal Term, the County shall establish, fund, and maintain a trust account with a depository (the "Capital Reserve Account") in which County Funds shall be deposited in accordance with the provisions set forth in Section 8.02 below. All funds in the Capital Reserve Account will be County Funds. All withdrawals from the Capital Reserve Account will require the co-signature of the County Administrator or his designee. The Capital Reserve Account will be used by or on behalf of Verotown in making Repairs or Replacements to the Facility, facility maintenance, and Verotown Improvements to the extent reimbursement is authorized pursuant to section 8.05 hereof. Verotown shall consult with the County with respect to any expenditure from the Capital Reserve Account and any such expenditure will be subject to the approval of the County, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed and will be granted in accordance with the provisions set forth in Section 8.03 below. Any amounts remaining in the Capital Reserve Account at the expiration of the then-current Term shall carry forward to the next Term. Any amounts remaining in the Capital Reserve Account after the application of any reimbursement as provided herein at the expiration or earlier termination of this Agreement will be paid to the County. Verotown is solely responsible for the cost of any Capital Improvements, Repairs or Replacements, or Facility maintenance which exceeds the funds available pursuant to the Capital Reserve Account and any applicable available insurance proceeds.

Section 8.02. Contributions to the Capital Reserve Account. On the Effective Date, or such later date as may be mutually agreed to by the parties, the County shall deposit into the Capital Reserve Account the sum of Eight Hundred Thousand and No/100 Dollars (\$800,000.00). In Lease Years two through five of the Initial Term, annually on or before September 1 the County shall deposit into the Capital Reserve Account a total annual contribution of Eight Hundred Thousand and No/100 Dollars (\$800,000.00). In Lease Year six

and continuing through the last year of the third Renewal Term (if such Renewal Terms are exercised), annually on or before September 1 the County shall deposit into the Capital Reserve Account a total annual contribution of Four Hundred Thousand and No/100 Dollars (\$400,000.00), as adjusted pursuant to paragraph (b) below. For the avoidance of doubt, there shall be a total of eleven (11) annual contributions to the Capital Reserve Account made by the County during the Initial Term.

(a) County Funds in the Capital Reserve Account will be available to fund Capital Improvements, Repairs or Replacements and Verotown Improvements to the extent reimbursement is authorized pursuant to Section 8.05 hereof, and up to Two Hundred Thousand and No/100 Dollars (\$200,000.00) in any Lease Year (subject to increase or adjustment in Lease Year seven and beyond as set forth in subsection (b)) may be used to fund Facility maintenance (the "Maintenance Allocation"). County Funds in the Capital Reserve Account may also be used to reimburse Verotown for capital or maintenance expenses (subject to the annual Maintenance Allocation limitation above) incurred by Verotown in excess of the County contributions in any prior year (e.g., expenses incurred by Verotown above Eight Hundred Thousand and No/100 Dollars (\$800,000.00) in Lease Year one may be applied to the Lease Year two contribution and beyond). Unused funds from one Lease Year shall carry over to successive Lease Years (e.g., if Verotown incurs expenses below Eight Hundred Thousand and No/100 Dollars (\$800,000.00) in Lease Year one, the remaining amount, and any portion thereof attributable to the Maintenance Allocation, shall be applied to any capital or maintenance expenses incurred in Lease Year two and beyond).

(b) Beginning in Lease Year seven and continuing through the last year of the Third Renewal Term, the County's annual contribution to the Capital Reserve Fund shall be annually adjusted by the Price Index Change, and fifty percent (50%) of such adjusted portion shall be allocated towards maintenance expenses. In the event the Price Index Change would cause a reduction in the County's annual contribution from the amount required in the prior Lease Year, the amount of the annual contribution made by the County will remain the same as the amount required in the prior Lease Year, but the monetary amount by which the annual contribution should have been reduced will, until eliminated, be credited against future increases in the County's annual contribution to the Capital Reserve Account required by the Price Index Change. For example, if in Lease Year seven the Price Index Change would result in a \$20,000 reduction to the County's annual contribution, the County will make the same \$400,000 contribution to the Capital Reserve Account as it made in Lease Year six; however, if in Lease Year eight, or any subsequent Lease Year, the Price Index Change would result in a \$40,000 increase, then the County will first apply the \$20,000 credit, resulting in a net increase of only \$20,000 in Lease Year eight.

Section 8.03. Disbursement of Capital Reserve Account Funds. County Funds on deposit in the Capital Reserve Account will be disbursed by the Capital Reserve Account Agent solely upon fulfillment of the following conditions:

(a) Subject to there not being an event set forth in paragraph (b) of this Section 8.03, upon submission of a valid Requisition Request in the form attached as Exhibit "D," the Capital Reserve Account Agent is authorized and directed to pay to the payee designated in such Requisition Request the amount designated for such payment from amounts on deposit in the Capital Reserve Account. Requisition Requests shall be paid in accordance with the Florida Prompt Payment Act. The County and Verotown shall coordinate in good faith to promptly true up any reimbursements described in Section 8.02(a) that may carry forward from one Lease Year to successive Lease Years.

(b) Upon notice from the County, to be promptly confirmed in writing, that a Default by Verotown has occurred under this Agreement past any applicable notice and cure period and the County has terminated this Agreement, or that this Agreement has otherwise terminated, moneys on deposit in the Capital Reserve Account shall be held by the Capital Reserve Account Agent for the exclusive benefit of the County and disbursed to the County in accordance with written instructions from the County Administrator or his/her designee.

(c) Upon notice from Verotown, to be promptly confirmed in writing, that a Default by the County has occurred under this Agreement past any applicable notice and cure period, that Verotown has terminated this Agreement, and that Verotown has pending, valid Requisition Requests, then moneys currently on deposit in the Capital Reserve Account shall be disbursed to Verotown up to the amount of the pending, valid Requisition Requests. In addition to the foregoing and subject to the limitations on reimbursements set forth in Section 8.05(b) of this Agreement, upon the submission of a valid Requisition Request for expenses incurred prior to termination, the County shall pay to Verotown in accordance with the schedule of County contributions to the Capital Reserve Account in Section 8.02, any additional sums required to reimburse Verotown for capital expenses or maintenance incurred by Verotown in excess of the County contributions for any prior Lease Year, in an amount not to exceed (i) Twelve Million Four Hundred Thousand Dollars (\$12,400,000) (as adjusted by Price Index Change for any portion attributable to payments for Lease Year seven and thereafter in accordance with Section 8.02(b)), less (ii) any contributions already made by the County pursuant to Section 8.02. In no event shall the County's total reimbursements to Verotown exceed the amounts set forth in Section 8.02 of this Agreement. Verotown shall use best efforts to cause its contractors to complete any projects where the contractors have been paid for work not yet completed as of the termination date, and the County shall permit Verotown and its contractors to access the Facility after such termination in connection therewith. Further, Verotown will reasonably pursue any remedies available to it under such construction contract at the County's sole cost and expense or assign the construction contract to the County if assignable.

(d) In the event that Verotown should terminate this Agreement for convenience pursuant to Section 10.05 or this Agreement should expire at the end of the Initial Term or any Renewal Term, then after payment of any pending, valid Requisition Requests (up to the amount of moneys that the County was required to fund and deposit in the Capital Reserve Account as of the date of such termination), all moneys on deposit

in the Capital Reserve Account shall be held by the Capital Reserve Account Agent for the exclusive benefit of the County and disbursed to the County in accordance with written instructions from the County Administrator or his/her designee.

(e) Upon the County's written request (herefor, Verotown will provide a summary of Capital Improvements projected to occur at the Facility within the twelve (12) month period after such written request.

(f) The terms of this Section 8.03 shall survive the expiration or termination of this Agreement.

Section 8.04. County Improvements.

(a) The County, at its expense, will complete, to both parties' reasonable satisfaction, the following County Improvements within three (3) years from the Effective Date:

1. removal and replacement of the first base concession stand at Holman Stadium with a like facility;
2. removal and replacement of the third base concession stand at Holman Stadium with a like facility;
3. removal and replacement of the press box area of the main concession stand at Holman Stadium with a like facility;
4. to the extent jointly identified by the parties on or before August 31, 2019, any mold remediation needed in the Existing Facility; and
5. at the County's sole discretion, it may either remove and replace or demolish the TV platforms at Holman Stadium and, if demolished, upon thirty (30) days prior written notice from Verotown, the County shall provide up to two (2) camera lifts in locations to be determined by Verotown during the Initial Term and any Renewal Terms at the County's expense for use at Verotown Events at Holman Stadium for up to twenty-five (25) days each calendar year.

(b) The County hereby finds that it is in the best interest of the County and its citizens to waive the requirements for bids pursuant to the process defined by Indian River County ordinance and hereby contracts with Verotown, as the lessee pursuant to this Agreement, to oversee and manage the County Improvements consisting of the roofing repair or replacement projects on the following buildings within the Existing Facility (collectively, the "Buildings"), identified in Exhibit "A":

1. Vero Beach Dodger Office (Ticket Office, Locker Rooms, Gift Shop).

2. Executive Building;
3. Conference Center;
4. Alston, Koufax and Campanella Buildings;
5. Sleeping Rooms; and
6. Spring Training Building

(c) The parties will jointly determine whether repairs or total replacements of the roofs identified in paragraph (b) above for a like roof are required to address safety and use concerns. If the County and Verotown disagree on the necessity of certain repairs or total replacement, a licensed roofing contractor (selected in accordance with below provision) recommendation regarding any such repairs or total replacement shall control and be binding upon the parties. The cost of any such licensed roofing contractor to provide a recommendation shall be split equally between the County and Verotown. Any licensed roofing contractor retained to provide this binding recommendation shall be ineligible to perform any of the roofing projects identified in paragraph (b) above. The County will be responsible for all costs associated with the roofing repairs or replacements listed in paragraph (b) above, including any cost overruns. The County shall have final approval of the licensed roofing contractor(s) procured by Verotown, the estimated costs and the scope for each project, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

(d) Verotown shall use commercially reasonable efforts to complete the roofing repairs or replacements within one (1) year of the Effective Date of this Agreement, provided, however that the failure to complete the work within such one (1) year period shall not be considered a Verotown Default hereunder. In the event Verotown does not complete the work within such one (1) year period, the County's sole remedy shall be to undertake the work on Verotown's behalf (but still at the County's sole cost and expense). Until the completion of the roofing repairs or replacements contained in Section 8.04(b), to the extent permitted by Florida law, the County agrees to indemnify, save, and hold Verotown harmless from any and all judgments, expenses, liabilities, claims, and charges for loss of or injury to property, personal injury, or death ("Losses") that are caused by failures of the roofs listed in paragraph (b) above; provided, however, that this liability is expressly limited by the following:

1. Verotown agrees that to the fullest extent permitted by Florida law County's total liability to Verotown for any and all Losses per event shall not exceed the limitations set forth in Section 768.28, Florida Statutes, as it may be amended. The County shall not be liable to Verotown for any portions of Losses that are directly caused by the gross negligence or willful misconduct of Verotown and any liability of the County shall be reduced proportionately to the extent of any contributory fault chargeable to Verotown.

2. The parties acknowledge that the County is a governmental entity and political subdivision of the State of Florida entitled to all privileges and immunities accorded to the state, including sovereign immunity, and in accordance with this acknowledgment, the parties hereby agree that the County does not waive its sovereign immunity and nothing in this lease shall expose the County to any liability in excess of the statutory limits provided in Section 768.28, Florida Statutes.
3. The County's obligation to cover personal property of Verotown within the facility only becomes effective once Verotown notifies the County of the contents and value of said personal property within the Facility for purposes of the County adding the contents to its schedule of insurance.
4. The County's obligation to indemnify, save, and hold Verotown harmless shall terminate for each Building listed in paragraph (b) above upon the final completion of the roofing repair or replacement for that Building.

(e) Until the date that is the earlier of (i) completion of the roofing repair or replacements contained in Section 8.04(b) or (ii) eighteen (18) months after the Effective Date, the County agrees to reimburse Verotown up to One Hundred Thousand and No/100 Dollars (\$100,000.00) in documented business interruption losses that result from a roofing failure on a Building listed in Section 8.04(b) that prevents Verotown from fully utilizing the Building for its intended purpose. This provision shall not apply to any diminishment of use that may result during the construction of the identified roofing repairs or replacements or de minimis diminishments of use. The County shall not be liable to Verotown for any portions of business interruption losses that are caused by Verotown or third parties and any liability of the County shall be reduced proportionately to the extent of any contributory fault chargeable to Verotown or a third party. The parties acknowledge that the County is a governmental entity and political subdivision of the State of Florida entitled to all privileges and immunities accorded to the state, including sovereign immunity, and in accordance with this acknowledgment, the parties hereby agree that the County does not waive its sovereign immunity and nothing in this lease shall expose the County to any liability in excess of the statutory limits provided in Section 768.28, Florida Statutes, as amended.

(f) Other than as specifically set forth in this Agreement, Verotown shall be responsible for all other Capital Improvements, Repairs or Replacements, operations, and maintenance for the duration of the Initial Term and any Renewal Term subject to any reimbursement described in Section 8.02(a).

Section 8.05. Verotown Improvements.

(b) Up to fifty percent (50%) of the costs of the Verotown Improvements identified in paragraph (a) above will be eligible for reimbursement to Verotown from the Capital Reserve Account. After the successful and timely completion of the Verotown Improvements identified in paragraph (a) above, future Capital Improvements, including any replacement of or supplement to the Verotown Improvements (e.g., carpeting may require further replacement) that are approved by the County in accordance with the terms and conditions set forth in this Agreement, will be eligible for full reimbursement from the Capital Reserve Account to the extent funds are available or will become available. The fifty percent (50%) reimbursement limitation shall not apply to projects not included as Verotown Improvements identified in paragraph (a) above or any replacements of or supplements thereto. Notwithstanding the foregoing, in the event Verotown terminates this Agreement due to the County's Default hereunder, (1) the Verotown Improvements identified in paragraph (a) will be eligible for reimbursement to Verotown by the County in accordance with Section 8.03(c) of this Agreement as follows (and at all time subject to the cap set forth in Section 8.03(c)): (i) one hundred percent (100%) of Verotown's actual costs set forth in a valid Requisition Request (if submitted within thirty (30) days after such termination for expenses incurred prior to the termination) if such termination occurs within the first Lease Year; (ii) ninety percent (90%) of Verotown's actual costs set forth in a valid Requisition Request (if submitted within thirty (30) days after such termination for expenses incurred prior to the termination) if such termination occurs during Lease Years two and three; (iii) eighty percent (80%) of Verotown's actual costs set forth in a valid Requisition Request (if submitted within thirty (30) days after such termination for expenses incurred prior to the termination) if such termination occurs during Lease Years four and five; and (iv) seventy percent (70%) of Verotown's actual costs set forth in a valid Requisition Request (if submitted within thirty (30) days after such termination for expenses incurred prior to the termination) if such termination occurs during Lease Year six or any Lease Year thereafter during the Initial Term or any Renewal Terms and (2) Verotown shall use best efforts to cause its contractors to complete any projects where the contractors have been paid for work not yet completed as of the termination date, and the County shall permit Verotown and its contractors to access the Facility after such termination in connection therewith. Further, Verotown will reasonably pursue any remedies available to it under such construction contract at the County's sole cost and expense or assign the construction contract to the County if assignable.

Section 8.06. Construction Requirements. Subject to the terms and conditions of this Agreement, Verotown, in performing the roofing repair and replacement projects set forth in Section 8.04(b) on behalf of the County, the Verotown Improvements set forth in Section 8.05(a), and any future Capital Improvements agreed to by the parties and the County in performing the County Improvements (but, as to the County limited to Section 8.06 (b), (i), (j), (o), and (p) below) (the "Projects"), shall:

(a) Exercise good faith commercially reasonable efforts to complete the Projects in a safe, good, and workmanlike manner within the times established in the Agreement and in the most expeditious and economical manner;

Verotown acknowledges and agrees that this requirement includes compliance with all applicable federal, state, and local health and safety rules and regulations, including, but not limited to (i) the Occupational Safety and Health Act, 29 CFR 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring, (ii) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (iii) Rules 38F and 38I, Florida Administrative Code; and (iv) Florida Department of Transportation Manual of Traffic Control and Safe Practices;

(j) Require an agreement with all contractors and subcontractors representing that the County and Verotown are third-party beneficiaries of the contract, entitled to enforce any rights thereunder for their respective benefits, and that, subject to the terms of the applicable contract, the County and Verotown shall have the same rights and remedies vis-a-vis such contractors and subcontractors that the other party has including, without limitation, the right to be compensated for any loss, expense or damage of any nature whatsoever incurred by the County (or Verotown, as applicable), resulting from any breach of such contract, any breach of representations and warranties, if any, implied or expressed, arising out of such agreements and any error, omission or negligence of such contractor or subcontractor in the performance of any of its obligations under such contract.

(k) Obtain prior County approval, not to be unreasonably withheld, unreasonably conditioned, or unreasonably delayed for any change orders on the Projects that would amend the scope or quality of the Project, the time for completion of the work, or the amount of compensation due for the work.

(l) Plan, organize, supervise, monitor, direct, and control the work on the Projects to ensure that it is done competently and efficiently and in accordance with the design and budget and protect the work from loss due to weather, theft, or other cause. Neither the County nor County Funds shall be used to pay any Project costs to the extent that they directly arise from the negligence or willful misconduct of Verotown after the Effective Date;

(m) Employ adequate safety precautions to prevent damage, injury or loss to personnel, the work, the Projects, the Facility and other property at the Facility or adjacent thereto;

(n) Provide the County with copies of all Project files, reports, warranties, design documents and as-builts and assign all warranties to the County, which shall include a minimum one-year warranty that the Projects and any materials and equipment furnished thereunder shall be of good quality, free of all defects and in conformance with the approved design;

(o) Allow the other party reasonable access to the Projects for observation, inspection, and testing; and

ARTICLE IX

DOCUMENTS AND CERTIFICATES

Section 9.01. Documents and Certificates. Subject to the provisions of Section 3.04, each party shall supply to the other such documents and certificates as are reasonably available or procurable, and necessary for any purpose reasonably related to the obligations of the parties, including, but not limited to, the County's funding or administration of this Agreement and ownership of the Facility, or to consummate the transactions or objectives described in this Agreement.

ARTICLE X

DEFAULT / REMEDIES

Section 10.01. Verotown's Default. The occurrence of any one or more of the following material events in this Section 10.01 shall constitute a "Default" by Verotown under this Agreement:

(a) Failure by Verotown to observe or perform in any material respect any covenant, agreement, condition, or provision of this Agreement, if such failure continues for thirty (30) days after written notice thereof has been delivered by the County to Verotown; provided, however, that Verotown will not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, Verotown commences such cure and diligently proceeds to complete the same thereafter. However, in no event shall a cure period for a Default continue for more than three hundred sixty-five (365) days;

(b) The levy upon, under execution or the attachment by legal process, Verotown's interest hereunder, or the filing or creation of a lien in respect of such interest, which levy, attachment, or lien is not released, discharged or bonded against within one hundred eighty (180) days from the date of such filing;

(c) Verotown is finally adjudicated insolvent or bankrupt or admit in writing their inability to pay its debts as they mature, or make an assignment for the benefit of creditors, or apply for or consent to the appointment of a trustee or receiver for Verotown or for the major part of its property;

(d) A trustee or receiver is appointed for Verotown or for the major part of their property and such trustee or receiver is not discharged within one hundred eighty (180) days after such appointment; or,

(e) Bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or any other proceedings for relief under any bankruptcy law, or similar law for the relief of debtors, are instituted by or against Verotown, and, if instituted against

Verotown, are allowed against Verotown or are consented to by Verotown or are not dismissed within 180 days after such institution, to the extent permitted by law.

Section 10.02. County Default. In the event of any failure by the County to observe or perform any material covenant, agreement, condition, or provision of this Agreement wherein Verotown's remedies on account thereof are not otherwise specifically provided for in this Agreement or any of the County's representations in this Agreement are untrue as of the Effective Date, and if such failure shall continue for thirty (30) days after written notice thereof has been delivered by Verotown to the County, then the County will be deemed to be in Default hereunder; provided, however, that the County will not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, the County commences such cure and diligently proceeds to complete the same hereafter. However, in no event shall a cure period for a Default continue for more than three hundred sixty-five (365) days.

Section 10.03. Remedies. In the event of a Default by either party (other than a Cessation of Use by Verotown), the party not in Default will be entitled, as a non-exclusive remedy, and in addition to or in lieu of an action for damages, to seek an injunction or decree for specific performance or equitable relief from a court of competent jurisdiction to enjoin or remedy the Default. If a Default occurs, the non-defaulting party will have the rights and remedies set forth in this Agreement, which will be distinct, separate, and, to the extent not mutually exclusive, cumulative, and will not operate to exclude or deprive the non-defaulting party of any other right or remedy allowed it by law or equity.

Section 10.04. Cessation of Use by Verotown. If, at any time during the Initial Term (and any Renewal Term), Verotown ceases to permanently operate the Facility as described in Section 5.01 hereof, such event will constitute a "Cessation of Use" of the Facility by Verotown. Notwithstanding anything to the contrary contained in this Agreement, a Cessation of Use of the Facility by Verotown will entitle the County to terminate this Agreement by giving Verotown ten (10) days' written notice of termination. Verotown will have ten (10) days after receipt of the aforementioned notice of termination to renounce the Cessation of Use by confirming to the County its intention to continue to use the Facility during the Term in the manner described in Section 5.01 hereof and in fact demonstrating that it is reasonably complying with its operational covenant. A termination pursuant to the provisions of this Section 10.04 will become effective upon the expiration of Verotown's ten (10) day cure period, or its repeated failure to demonstrate that it is reasonably complying with its operational covenant as provided by this Section after notice by the County.

Section 10.05. Termination. Notwithstanding any other provisions contained in this Agreement, Verotown has the right to terminate this Agreement for its convenience upon three hundred sixty-five (365) days' written notice to the County. Verotown shall fully perform the terms and obligations of this Agreement during such three hundred sixty-five (365) day notice period. A termination pursuant to this Section 10.05 shall not be an event of Default.

ARTICLE XI

ENFORCEABILITY

Section 11.01. Binding Effect; Enforceability. The terms and provisions set forth in this Agreement shall be binding and enforceable by and against the parties in accordance with the terms hereof.

ARTICLE XII

ASSIGNMENT / SUBLEASE

Section 12.01. Assignment. This Agreement may not be assigned by either party without the prior written consent of the other party, except that this Agreement may be assigned by Verotown to any person or entity who acquires franchise rights to a Major League Baseball Club (by any form of acquisition) or any other MLB Entity, with the approval of MLB, provided that any such assignee explicitly assumes in writing Verotown's duties and responsibilities under this Agreement (in which case the liability of Verotown will cease with respect to liabilities accruing from and after such transfer).

Section 12.02. Sublease.

(a) Verotown may sublease, at any time during the Term, any portion of the Facility involving ancillary uses, for ongoing retail, commercial and/or professional purposes as long as such activity meets all local zoning codes and remains an activity permitted by Section 5.01 hereof. All revenues derived from subletting any of the foregoing will be retained solely by Verotown. Any such sublease will remain subordinate to this Lease.

(b) Verotown will not sublease the Facility or any portion thereof without the prior written approval of the County, which approval shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed, and no such sublease will be for a term which extends beyond the underlying lease term without the express prior written consent of the County.

Section 13.03. Entire Agreement. This Agreement, including its exhibits, constitutes the entire agreement between the parties and supersedes all prior or contemporaneous agreements (whether oral or written) between them.

Section 13.04. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Florida.

Section 13.05. Counterparts. This Agreement may be executed in two or more counterparts which have been signed and delivered by each of the parties (a party may execute a copy of this Agreement and deliver it by electronic transmittal; provided, however, that any such party shall promptly deliver an original signed copy of the Agreement).

Section 13.06. Jurisdiction and Venue. The exclusive, convenient, and proper venue for any legal proceeding arising out of, or related to, this Agreement will be any court in the State of Florida having jurisdiction over such matter. Moreover, all parties to this Agreement, persons and entities alike, consent to the personal jurisdiction of any court in the State of Florida having jurisdiction over such matter, and irrevocably waive any objections to said jurisdiction.

Section 13.07. Effective Date. This Agreement shall be effective on the Effective Date.

Section 13.08. Time of Essence. Time is of the essence in the performance of this Agreement.

Section 13.09. Damage to Property. Unless Verotown has actual knowledge of the presence of property owned or leased or otherwise in the possession, control, or custody of the County that is wrongly or incorrectly on the Facility (the "County Property"), Verotown will not have any liability for loss or damage to such County Property unless such damage is caused solely or partially by Verotown's gross negligence or willful misconduct, in which case Verotown shall be liable for only the portion so caused.

Section 13.10. Consequential Damages. Except as provided in Section 8.04(e) of this Agreement, neither party nor any of its contractors, subcontractors, suppliers, or vendors shall be liable to the other for any punitive, special, incidental, indirect, consequential or other similar damages that do not flow directly and immediately from the wrongful act or negligence of the party at fault, whether caused by said party's negligence, errors, omissions, strict liability, breach of contract, breach of warranty or other cause or causes whatsoever, including but not limited to, additional labor, energy, financing or interest costs, loss of use or delay, loss of profits or revenue, fines or penalties assessed for failure to comply with any law or regulation, and damages suffered by third parties, but not including attorney's fees as provided in Article XIV of this Agreement. To the extent permitted by law, each party hereby releases the other party and the other party's subcontractors, suppliers and vendors therefrom.

Section 13.12. Severability. If any clause, provision, or section hereof is held illegal, invalid, or unenforceable by any court, the illegality, invalidity, or unenforceability of such clause, provision or section will not affect any of the remaining clauses, provisions, or sections hereof, and this Agreement will be construed and enforced as if such illegal, invalid, or unenforceable clause, provision or section had not been contained herein.

Section 13.13. Waiver. No failure on the part of any party to exercise, and no delay in exercising, and no course of dealing with respect to any right hereunder, will operate as a waiver thereof, nor will any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right or remedy provided at law or in equity, except as expressly set forth in this Agreement.

Section 13.14. Terminology. All personal pronouns used herein, whether used in the masculine, feminine, or neuter gender, will include the singular.

Section 13.15. Third Party Beneficiary. No person other than Verotown, the County, the Indemnified County Parties, the Indemnified Verotown Parties, and the permitted successors and assigns of such, have any rights whatsoever under this Agreement.

Section 13.16. Radon Notice. Chapter 88-285, Laws of Florida, requires the following notice to be provided with respect to the contract for sale and purchase of any building, or a rental agreement for any building, and the parties hereto acknowledge and confirm receipt of the following:

"RADON GAS. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department."

Section 13.17. Estoppel Certificates. At any time, within twenty (20) days after request by either party, the other party shall certify in writing to the requesting party, or any person specified by the requesting party, to the effect (a) whether this Agreement is unmodified and in full force and effect (or if there has been modification, that the same is in full force and effect as modified and setting forth such modification); (b) whether or not to the best of the other party's knowledge, the requesting party is in Default hereunder; and (c) any other information which the requesting party reasonably requests to be confirmed. Any such request shall utilize a form of estoppel certificate substantially similar to the one attached hereto as Exhibit "E" to this Agreement.

ARTICLE XIV

INDEMNIFICATION AND INSURANCE

Section 14.01. Indemnification by Verotown. To the fullest extent permitted by law, Verotown shall indemnify, protect, and hold the County and its officers, agents, and employees acting on behalf of the County, and its respective successors and assigns (collectively, the "Indemnified County Parties") harmless from and defend the Indemnified County Parties against any and all "liabilities" (as hereinafter defined) for any "bodily injury" (as hereinafter defined) or "property damage" (as hereinafter defined) whatsoever arising out of or resulting from any Default by Verotown and/or occurring in, on, or about the facility to the extent such injury or damage is caused by the negligent or intentionally wrongful actions or omissions of Verotown, or Verotown's agents, contractors or employees, but not any claim relating to negligent or intentionally wrongful actions or omissions of the contractors or subcontractors engaged to perform the roofing repairs or replacements provided in Section 8.04(b). In the case of any action or proceeding being brought against the Indemnified County Parties by reason of any such claim, the County shall have the right, at County's election, to either: (i) cause Verotown to defend such claim at Verotown's sole cost and expense with counsel reasonably satisfactory to the County or (ii) defend the same at Verotown's sole but reasonable cost and expense by counsel satisfactory to the County. In any claim under this Section 14.01, Verotown shall be obligated to cooperate with the County and the County's counsel.

Verotown shall not be liable to the County for any portions of losses that are caused by the negligent or willful misconduct of the Indemnified County Parties or third parties and any

liability of Verotown shall be reduced proportionately to the extent of any contributory fault chargeable to the County or a third party. Verotown shall not have the right to admit fault on behalf of the Indemnified County Parties in connection with any such contributory claim without the County's consent, which shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

Section 14.02. Indemnification by the County. To the fullest extent permitted by law without waiving any sovereign immunity, the County shall indemnify, protect, and hold Verotown, and all other MLB Entities and their owners, and their officers, directors, members, agents, and employees acting on behalf of Verotown, and each of their respective successors and assigns (collectively, the "Indemnified Verotown Parties") harmless from and defend the Indemnified Verotown Parties against any and all "liabilities" (as hereinafter defined) for any "bodily injury" (as hereinafter defined) or "property damage" (as hereinafter defined), whatsoever arising out of or resulting from any Default by the County and/or occurring on, on, or about the Facility to the extent such injury or damage is caused by the negligent or intentionally wrongful actions or omissions of the County, or the County's agents, contractors or employees. In the case of any action or proceeding being brought against the Indemnified Verotown Parties by reason of any such claim, Verotown shall have the right, at Verotown's election, to either: (i) cause the County to defend such claim at the County's sole cost and expense with counsel reasonably satisfactory to Verotown or (ii) defend the same at the County's sole but reasonable cost and expense by counsel satisfactory to Verotown; provided, however, the County shall only be required to reimburse Major League Baseball Clubs for attorneys' fees attributable to no more than two (2) law firms or other legal counsel and the County shall only be required to reimburse the BOC, Major League Baseball Properties, Inc., The MLB Network, LLC, MLB Advanced Media, L.P. and/or Tickets.com, LLC for attorney's fees for a single, joint defense. In any claim under this Section 14.02, the County shall be obligated to cooperate with Verotown and Verotown's counsel.

The County shall not be liable to Verotown for any portions of losses that are caused by the negligent or willful misconduct of the Indemnified Verotown Parties or third parties and any liability of the County shall be reduced proportionately to the extent of any contributory fault chargeable to Verotown or a third party. The parties acknowledge that the County is a governmental entity and political subdivision of the State of Florida entitled to all privileges and immunities accorded to the state, including sovereign immunity, and in accordance with this acknowledgment, the parties hereby agree that the County does not waive its sovereign immunity and nothing in this Agreement shall expose the County to any liability in excess of the statutory limits provided in Section 768.28, Florida Statutes, as it may be amended. The County shall not have the right to admit fault on behalf of the Indemnified Verotown Parties in connection with any such contributory claim without Verotown's consent, which shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

Section 14.03. Definitions. As used in this Agreement, "liabilities" means all liabilities, claims, damages (excluding consequential damages), losses, penalties, litigation, demands, causes of action (whether in tort or contract, in law or equity or otherwise), suits, proceedings, judgments, disbursements, charges, assessments, and expenses (including reasonable attorneys' and experts' fees and expenses incurred in investigating, defending, or prosecuting any litigation).

claim or proceeding whether out of court, at trial or in any appellate or administrative proceeding). "Bodily injury" means bodily injury, sickness or disease sustained by a person, including death resulting from any of the foregoing. "Property damage" means physical injury to tangible property, including all resulting loss of use of that property, or loss of use of tangible property that is not physically injured.

Section 14.04. Independent Provisions. The provisions of Sections 14.01 through 14.03 are independent of, and will not be limited by, any insurance obligations in this Agreement, and will survive the expiration or earlier termination of this Agreement with respect to any claims or liability arising in connection with any event occurring prior to such expiration or termination.

Section 14.05. Insurance. Commencing upon the Effective Date and throughout the Initial Term and any Renewal Terms, the parties shall maintain, at their sole cost, the following insurance:

(a) A commercial general liability insurance policy in an occurrence form covering bodily injury and property damage liability, as well as personal and advertising injury liability, in a minimum amount of Two Million and No/100 Dollars (\$2,000,000.00) per occurrence and Four Million and No/100 Dollars (\$4,000,000.00) in the aggregate. The commercial general liability insurance policy in an occurrence form shall also include contractual liability coverage including a Broad Form Endorsement covering the insurance provisions of this Agreement and the performance by each party of their indemnification provisions set forth in this Agreement.

(b) Special form (all risk) property insurance covering (1) with respect only to Verotown, the Facility, including, but not limited to, any additional improvements undertaken by Verotown, and all of Verotown's personal property located at the Facility in an amount not less than one hundred (100%) percent of their actual replacement costs from time to time existing during the Term of this Agreement, providing protection against any peril included within the classification "all risks" of physical loss or damage, together with insurance against sprinkler damage, vandalism, malicious mischief, and water damage of any type and theft; and (2) with respect only to the County: all of the County's personal property located at the Facility. It is understood and agreed that the County is responsible for any deductibles under both its and Verotown's property insurance. The deductible shall not exceed \$100,000, except that the Named Storm deductible and Flood deductible shall not exceed five percent (5%) of the total insurable value.

(c) Automobile Liability Insurance, covering owned, non-owned, leased or hired automobiles, with a minimum combined single limit of One Million and No/100 Dollars (\$1,000,000.00) each accident.

(d) Workers' Compensation insurance in accordance with Florida statutory requirements with employer's liability limits of Five Hundred Thousand Dollars (\$500,000.00) for each accident, Five Hundred Thousand Dollars (\$500,000.00) for each

disease in the aggregate, and Five Hundred Thousand Dollars (\$500,000.00) per disease for each employee.

(e) All of the insurance policies required under Sections 14.05(a) through 14.05(d), inclusive, shall be effected from insurance companies recognized by and authorized to do business in the State of Florida. Each party shall be required to provide the other party with at least thirty (30) days' written notice of any cancellation or material coverage change. Each party shall be provided with a duly executed Certificate of Insurance for each such policy evidencing compliance with all insurance provisions noted above prior to the Effective Date and annually prior to the expiration of each required insurance policy. The policies required under Sections 14.05(a) through 14.05(d), inclusive, shall specifically provide by endorsement that the other party is an additional insured on a primary and noncontributory basis in connection with the operations of the named insured. It is understood and agreed that such endorsement may be a blanket additional insured endorsement as required by written contract. Such insurance shall also incorporate a severability of interest or separation of insureds provision. With respect to the policies required under Sections 14.05(a), 14.05(c) and 14.05(d), Verotown and the County hereby agree to a mutual waiver of rights of subrogation any insurer of Verotown or the County may acquire from Verotown or the County by virtue of payment of any loss with respect to the Facility. Both parties agree to obtain any endorsement that may be necessary to effect this waiver of subrogation.

(f) If either party fails to furnish the Certificate(s) of Insurance as required above, the other party may, after notice and an opportunity to cure as set forth in this Agreement, obtain the insurance, and the reasonable premiums on that insurance shall be paid to that party on demand.

(g) Any insurance required under this Agreement may be furnished under a blanket policy so long as and provided such policy complies with all other terms and conditions contained in this Agreement.

ARTICLE XV

FORCE MAJEURE; CONDEMNATION

Section 15.01. Force Majeure Event. Should any fire or other casualty, act of God, earthquake, flood, hurricane, lightning, tornado, epidemic, landslide, war, riot, civil commotion, general unavailability of materials, strike, slowdown, labor dispute, governmental laws or regulations, or other occurrence beyond Verotown's or County's control ("Force Majeure Event") prevent performance of this Agreement in accordance with its provisions, performance of this Agreement by either party will be suspended or excused to the extent commensurate with such occurrence, except as specifically provided herein.

Section 15.02. Partial Destruction. In the event of a partial destruction of the Facility and Verotown determines, in its sole discretion, that the undamaged portion of the Facility is still suitable for the purposes and operations described in Section 5.01 hereof, then this Agreement

will continue in full force and effect with no adjustments in the obligations of the parties, and Verotown shall restore the Facility as soon as possible from the applicable insurance proceeds. If the applicable insurance proceeds are not sufficient to restore the Facility to its previous condition, then, the balance shall be split and paid equally by Verotown and the County or, alternatively, either party may elect to terminate this Agreement by written notice to the other party within sixty (60) days of learning the extent to which insurance proceeds will be insufficient to restore the Facility. Said termination shall not be an event of Default and the termination shall be effective as of the date the notice of termination is received by the non-terminating party.

Section 15.03 Facility Not Suitable for Use. With the exception of the roofing repairs or replacement projects set forth in Section 8.04(b) hereof, in the event of total or partial destruction or damage of the Facility, if Verotown determines in its sole discretion that the Facility is not suitable for their operations and/or cannot be used as a venue for the purposes described in Section 5.01 hereof, then the following shall apply:

(a) Verotown may provide written notice to the County stating its determination that the Facility is not suitable for use and it has a desire to repair and restore the Facility and this Agreement will be suspended immediately until the Facility is reasonably suitable for Verotown's operations when taken as a whole. In the event Verotown elects to repair and restore the Facility under this Section 15.03(a), within twelve (12) months (or sooner if reasonably practical) of the event of such total or partial destruction or damage, Verotown shall begin to repair or rebuild the Facility using the proceeds from the property insurance for that purpose and, through cooperation and coordination with the County, shall diligently pursue such repair or rebuilding until completed. If the applicable insurance proceeds are not sufficient to repair or restore the Facility to its previous condition, then the balance shall be split and paid equally by Verotown and the County or, alternatively, either party may elect to terminate this Agreement by written notice to the other party within sixty (60) days of learning the extent to which insurance proceeds will be insufficient to restore the Facility. Termination pursuant to this Section 15.03(a) shall not be an event of Default and the termination shall be effective as of the date the notice of termination is received by the non-terminating party. Once Verotown contracts with an architect, engineer or design build firm to draw plans for the repair or rebuilding of the Facility, Verotown will be deemed to have begun the repair or rebuilding of the Facility. This Agreement will continue to be suspended (and the Term or applicable Renewal Term shall be extended) until the Facility is reasonably suitable for Verotown's operations or as a venue for the purposes described in Section 5.01; or

(b) Verotown may provide written notice to the County stating its determination that the Facility is not suitable for use and terminate this Agreement. The County and Verotown shall work proactively and in good faith to vacate the Facility and wind down any financial obligations including the disbursement of insurance proceeds and Capital Reserve Account funds in accordance with the terms hereof. Termination pursuant to this Section 15.03(b) shall not constitute a Default hereunder and shall be

effective as of the date County receives written notification of such election to terminate from Verotown.

(c) In the event this Agreement is terminated pursuant to Section 15.03(a) or 15.03(b), available insurance proceeds relating to the total or partial destruction or damage to the Facility shall be distributed to the County and Verotown based on their respective pro-rata investments in the Facility, including but not limited to, Capital Improvements, County Improvements, Verotown Improvements and the County's investment in acquiring and improving the Facility.

Section 15.04. Condemnation.

(a) The County shall promptly forward to Verotown any notices which may be received by the County regarding a proposed, threatened or actual appropriation, condemnation or other action under power of eminent domain which affects the Facility or any adjacent accessways, driveways or rights of way.

(b) If a portion of the Facility is condemned or taken such that the Facility is still suitable for Verotown's operations when taken as a whole, as determined by Verotown in its commercially reasonable judgment of Verotown, then Verotown shall, to the extent condemnation proceeds are made available to it, make necessary repairs to and alterations of the Facility for the purpose of restoring same to as close to the same condition (as reasonably practicable) that existed prior to such condemnation or taking. If the condemnation proceeds made available to Verotown are not sufficient to repair or restore the Facility to its previous condition, then the balance shall be split and paid equally by Verotown and the County or, alternatively, either party may elect to terminate this Agreement by written notice to the other party within sixty (60) days after entry of the final order of taking by the applicable governmental authority. Regardless of whether Verotown terminates this Agreement as a result of a partial taking as set forth in this subsection (b), Verotown reserves unto itself the right to prosecute its claim for an award for damages against the condemning authority for its loss of its interest under this Agreement, or any portion thereof, caused by such taking, together with damages based on the value of the Verotown Improvements not purchased or reimbursed by County Funds, any additional improvements performed at Verotown's expense, any Verotown Equipment not purchased or reimbursed by County Funds, personalty or other FF&E not purchased or reimbursed by County Funds, and the damages Verotown may sustain to its operations on or at the Facility, including, but not limited to, an award for the use of any temporary construction easement area on the Facility, good will, patronage and the removal, relocation and replacement costs and expenses caused by such taking.

(c) If the whole of the Facility or such portion thereof is condemned or taken such that the Facility is not suitable for Verotown's operations when taken as a whole, as determined by Verotown in its commercially reasonable judgment of Verotown, this Agreement shall automatically terminate upon Verotown's receipt of the entry of the final order of taking by the applicable governmental authority. In the event of such termination, Verotown reserves unto itself the right to prosecute its claim for an award for

damages against the condemning authority for its loss of its interest under this Agreement, or any portion thereof, caused by such taking, together with damages based on the value of the Verotown Improvements not purchased or reimbursed by County Funds, any additional improvements performed at Verotown's expense, any Verotown Equipment not purchased or reimbursed by County Funds, personalty or other FF&E not purchased or reimbursed by County Funds, and the damages Verotown may sustain to its operations on or at the Facility, including, but not limited to, an award for the use of any temporary construction easement area on the Facility, good will, patronage and the removal, relocation and replacement costs and expenses caused by such taking.

ARTICLE XVI

ADDITIONAL IMPROVEMENTS

Section 16.01 Additional Improvements. Nothing contained in this Agreement will restrict or prohibit Verotown from making improvements to the Facility which are not described as Verotown Improvements in this Agreement; provided that Verotown will notify the County of such additional improvements before Verotown undertakes to make them, obtain the County's prior written consent to such improvements, which shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed and complies with Section 8.06 of this Agreement.

ARTICLE XVII

ZONING AND PERMITTING

Section 17.01. Zoning and Permitting. It is the sole obligation of Verotown, with assistance from the County, but not at County expense, to obtain any permits and/or zoning changes which may be required to construct any improvements which Verotown may hereafter desire to make to the Facility. The County, acting solely in its capacity as the fee owner of the Land, shall cooperate with Verotown as may be reasonably required, to enable Verotown to obtain any permits and/or zoning changes for the improvements and any additional improvements, including, but not limited to, by joining in any applications for such permits and/or zoning changes. The County hereby represents to the best of its knowledge that the Land is currently zoned for the intended uses set forth in this Agreement.

ARTICLE XVIII

CONSENTS AND APPROVALS

Section 18.01. Granting or Failure to Grant Approvals or Consents. All consents and approvals which may be given by a party under this Agreement will, as a condition of their effectiveness, be in writing. The granting by a party of any consent to or approval of any act requiring consent or approval under the terms of this Agreement, or the failure on the part of a party to object to any such action taken without the required consent or approval, will not be

deemed a waiver by the party whose consent was required of its right to require such consent or approval for any other act.

Section 18.02. Standard. Unless this Agreement specifically provides for the granting of consent or approval at a party's sole discretion, then consents and approvals which may be given by a party under this Agreement will not (whether or not so indicated elsewhere in this Agreement) be unreasonably withheld, unreasonably conditioned or unreasonably delayed by such party and will be given or denied within the time period provided, and if no such time period has been provided, within a reasonable time. Upon disapproval of any request for a consent or approval, the disapproving party shall, together with notice of such disapproval, submit to the requesting party a written statement setting forth with specificity its reasons for such disapproval.

Section 18.03. Deemed Approval. If a party entitled to grant or deny its consent or approval (the "Consenting Party") within thirty (30) days (or a shorter specified time period) fails to do so, then, provided that the request for consent or approval bears the legend set forth below in capital letters and is a type size which is not less than that provided below, the matter for which such consent or approval is requested will be deemed consented to or approved, as the case may be:

"FAILURE TO RESPOND TO THIS REQUEST WITHIN THE TIME PERIOD PROVIDED IN THE FACILITY LEASE AGREEMENT BETWEEN INDIAN RIVER COUNTY AND MLB WILL CONSTITUTE AUTOMATIC APPROVAL OF THE MATTERS DESCRIBED HEREIN WITH RESPECT TO SECTION [] OF SUCH FACILITY LEASE AGREEMENT."

Section 18.04. Approvals for the County. The County hereby agrees that, subject to applicable laws and regulations, the County Administrator (or the County Administrator's authorized designee) is authorized to grant consents or approvals on behalf of the County with respect to this Agreement.

Section 18.05. No Fees, etc. Except as otherwise expressly authorized in this Agreement, no fees or charges of any kind or amount will be required by either party hereto as a condition of the grant of any consent or approval which may be required under this Agreement (provided that the foregoing will not be deemed in any way to limit the County acting in its governmental, as distinct from its proprietary, capacity from charging governmental fees on a nondiscriminatory basis).

PARKING LICENSE AGREEMENT

THIS AGREEMENT is entered into as of the 1st day of June, 2011 by and between Indian River County, a political subdivision of the State of Florida ("County"), and the City of Vero Beach, a municipal corporation organized under the laws of the State of Florida ("City").

WHEREAS, City owns, or will own through transactions completed simultaneously with the execution of this Agreement, certain parcels of real property located in the vicinity of the Dodgerstown Facility; and

WHEREAS, City is willing to provide a license to County to use such parcels of real property for parking related to the Dodgerstown Facility, as set forth herein.

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Definitions. The following terms shall have the following meanings:
 - a. License Area A shall mean real property consisting of approximately 10.38 acres located immediately west of Holman Stadium, more fully described on Exhibit A attached hereto;
 - b. License Area B shall mean real property consisting of approximately 3.3 acres located north of 26th Street and north of License Area A, more fully described on Exhibit A attached hereto;
 - c. License Area C shall mean real property consisting of approximately 4.6 acres located north of 26th Street and east of License Area B, more fully described on Exhibit A attached hereto;
 - d. License Area shall mean one or more of License Area A, License Area B or License Area C, and License Areas shall mean collectively License Area A, License Area B and License Area C;

e. Cloverleaf Property shall mean the real property consisting of approximately 11.93 acres located south of Holman Stadium, more fully described on Exhibit B attached hereto;

f. Dodgertown Facility shall mean collectively the real property owned by County, including facilities and improvements thereon, consisting of the Cloverleaf Property and the property more fully described on Exhibit C attached hereto;

g. Dodgertown Tenant shall mean any party to whom County leases (from time to time) all or a portion of the Dodgertown Facility. The parties acknowledge that the current Dodgertown Tenant is MJB Vero Beach, LLC, a Florida limited liability company; and

h. Dodgertown Events shall mean any and all events and activities held on the premises of the Dodgertown Facility including, without limitation, sports and non-sports related events and activities, meetings and conferences, whether such events and activities are conducted by County, Dodgertown Tenant or any third party using all or a portion of the Dodgertown Facility with the consent of County or Dodgertown Tenant.

3. Parking License. City hereby grants to County and Dodgertown Tenant and County's other assignees (a) a license to use License Area A for general parking in connection with Dodgertown Events, and (b) a secondary license to use License Area B and License Area C for general parking in connection with Dodgertown Events, in the event that (i) License Area A is unavailable for a particular event (see paragraph 4 below), or (ii) the license to use License Area A is revoked by City. County shall have the right to use the License Areas up to twenty (20) days per calendar year. Dodgertown Tenant shall have the right to use the License Areas to the same extent as County, except that Dodgertown Tenant's use shall not be restricted with respect to the number of days per calendar year, however, Dodgertown Tenant shall coordinate with and provide City a schedule for anticipated use of the License Areas and keep City advised of any changes to such schedule.

4. Notice of Use. County shall provide reasonable notice of its intent to use a License Area on one or more dates specified in the notice. Within 10 days of receipt of such notice, City shall advise County of any conflict with a planned City use of the License area on the same date(s) which is incompatible with County's proposed use. If City does not advise County of a conflict within the 10 day period, County may utilize the License Area for parking as set forth in the notice. In the event of a conflict, the parties shall attempt in good faith to reconcile the conflict in a manner which accommodates the interests of both parties. If such accommodation is not possible, County may utilize another available License Area for parking.

5. Use of License Area B or License Area C. Whenever County uses License Area B or License Area C, County shall comply with the following additional requirements of the Federal Aviation Administration: County shall not interfere with airport operations surrounding runways, or airport tenant operations; County must use the License Area in a safe and efficient manner; and County shall not enter the secured airfield or otherwise interfere with airport

operations. County understands that there are substantial federal fines for violations of federal laws and regulations applicable to airport facility access and use.

6. Insurance. County shall, at all times during the term hereof, carry commercial general liability insurance against personal injury and property damage with a company authorized to do business in the State of Florida and satisfactory to City, protecting City against any and all claims for damages to persons or property as a result of or arising out of the use and maintenance by County of the License Areas. County shall provide a certificate of insurance stating that City is an additional insured, and conferring limits of coverage not less than \$500,000 per occurrence combined single limit for Bodily Injury Liability and Property Damage Liability. County shall supply written proof of insurance to City within fifteen (15) days of the date this Agreement is executed, and shall continue to supply such proof to City for each term such insurance coverage is renewed.

7. Indemnification. To the extent permitted by law, County agrees to indemnify and hold harmless City, including, without limitation, its council members, officers, employees and agents, from and against all claims for damages, liabilities, costs and expenses arising out of or relating to the use of one or more License Areas by County, Duderstadt Trust or County's other assignees; and City agrees to indemnify and hold harmless County, including, without limitation, its commissioners, officers, employees and agents, from and against all claims for damages, liabilities, costs and expenses arising out of or relating to the use of one or more License Areas by City or City's assignees; provided, however, that nothing herein shall be construed as a waiver of the County's or the City's sovereign immunity pursuant to section 768.28, Florida Statutes.

8. Clean Up After Use. After each use of a License Area, County shall leave the property in substantially the same condition that it was prior to such use.

9. Term. The term of this Agreement shall be indefinite until the earlier to occur of the following: (a) the revocation of all licenses for License Area A, License Area B and License Area C, or (b) the permanent use of the Duderstadt Facility for a purpose other than sports, recreation or entertainment related activities.

10. Revocation of License. Each license granted herein shall be revocable by City in the event that each of the following occurs with respect to the real property underlying such license: (a) the City decides in good faith to use the underlying real property for a purpose incompatible with continued parking, (b) in reaching such decision, the City gives due consideration to the fact that (i) the City owns other properties in the same general area which may be suitable for such incompatible use, (ii) continued use of the License Area for general parking provides an important and valuable benefit to County, and (iii) that the City Council determines in good faith that the advantages of locating the incompatible use on a License Area outweigh the advantages to locating the incompatible use on other property owned by the City, and (c) City actually uses the License Area for the incompatible use.

11. Remedies. In the event of breach of this Agreement by either party, the non-breaching party shall be entitled to all remedies available in law or in equity.

12. Litigation. In the event of any litigation relating to or arising out of this Agreement, each party shall be responsible for and shall bear its own attorney's fees and court costs, including such fees and costs incurred at the trial and appellate level of such proceedings.

13. Amendment. No amendment, modification, change, or alteration of this Agreement shall be valid or binding unless accomplished in writing and executed by all of the parties hereto.

14. Entire Agreement. This Agreement sets forth the entire agreement and understanding between the parties. No prior agreement or understanding shall be binding between the parties unless set forth herein.

15. Governing Law. This Agreement and all matters arising hereunder shall be governed by and construed in accordance with the laws of the State of Florida. Venue hereunder shall lie in Indian River County, Florida.

16. Further Assurances. County and City shall grant such further assurances and provide such additional documents as may be required by one another from time to time, and cooperate fully with one another in order to carry out the terms and conditions hereof and comply with the express intention of this Agreement.

17. Severability. In the event any term, condition, or clause of the Agreement is declared to be illegal or unenforceable by a court of competent jurisdiction, such declaration of illegality or unenforceability shall not affect or alter the legality or enforceability of any remaining term, condition, or clause hereof, provided of the parties, as set forth in this Agreement.

18. Non-Assignment. This Agreement shall not be assignable by either party, except that City may assign this Agreement to any party acquiring ownership of a License Area (but only to the extent of such License Area), and County may assign this Agreement to any party acquiring ownership, right of possession or other right to use of all or a substantial portion of the Dodgetown Facility.

19. Recording. A copy of this Agreement shall be recorded on the Public Records of Indian River County, Florida.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed in their respective names as of the date set forth above.

Conclusions

There are a few main conclusions that have come out of this study. They will be presented in the following areas:

- Primary market segment(s)
- Economic impact

Primary Market Segments

Primary Purpose of Trip

1. Visiting Friends and Relatives (VFR) are the first largest market segment, they spend the most (\$539.05/trip) and participate in the most amount of activities in the county (average 4.3 activities). Half of the VFR segment stay in private residences, while half stay in commercial accommodations. VFRs are most likely to be first time visitors and are highly satisfied with tourism opportunities in the county.
2. Outdoor recreationists are the second largest market segment, but spend the third greatest amount of money (\$277.10) and they participate in an average of 3.6 activities each trip. They tend to stay in commercial accommodations. Typically, they are younger, employed full time and usually Florida residents.
3. Festival and event visitors are the third largest segment, they spend \$276.73 per trip and come to Indian River County an average of 15 times each year. Typically, they are in-state residents, spend moderate amounts of money and stay in commercial accommodations one third of the time. They also stay in condos or apartments more frequently than other segments.
4. Beach visitors are the fourth largest segment but they spend the second largest amount of money, they tend to stay in resorts for approximately one week, are middle income families from both Florida and out-of-state and participate in the second greatest number of activities while in the community.
5. The shopping visitor is typically a Florida resident, who is loyal to the area (most frequent number of previous visits) stays in commercial accommodations, spends the least amount of money, participates in the fewest number of activities and has the lowest satisfaction scores.

Day Trippers vs. Overnighters

1. Day trippers spend 1/5th the amount that overnight visitors do.
2. Day trippers come an average of 21 times a year and spend \$101 each time for a total of \$2,268.
3. Day trippers participate in half the activities in the county as that of overnight visitors.
4. Day trippers tend to be Florida residents and coming to the county to attend a festival or event or shopping.
5. Although day trippers do not contribute to the "bed tax" - they are still a substantial segment to tourism in I.R.C.

Repeat Visitors vs. First Timers

1. Repeat visitors stay longer but spend less. They tend to be Florida residents, stay in commercial accommodations, stay short number of nights, and spend almost half as much as first timers. However, this segment also comes to the county approximately 13 times each year. Therefore, this is a substantial segment. Over a year they spend on average \$4,958.
2. First time visitors spend more money on a single trip although they stay a shorter amount of time and only visit once a year.

Florida Residents vs. Out-of-State residents

1. Florida residents are the larger of the two markets, they tend to visit on average 19 times a year for attending festivals/events, shopping and outdoor recreation. They spend about 1/6th as much as out-of-state residents on each trip (\$191.67), but due to the frequency of travel to the county, their overall spending is much greater at \$3,641.67. Florida residents who visit Indian River County tend to be retired with high incomes.
2. Out-of-state residents are a slightly smaller market, yet they spend more money per trip than Florida residents (\$632.91). Although it is only once a year, it is still a substantial amount. This market tends to participate in more activities per trip and be more satisfied overall with their vacation.

Likely to Return vs. Unsure or Not Likely to Return Visitor

1. Those who are highly likely to return are more likely to be Florida residents, participate in an average of 3.5 activities per trip, stay in a variety of commercial accommodations, visit purpose is to shop, participate in outdoor recreation and visit a festival or event. This market is somewhat older, with moderate income levels, and employed full time. This market visits the county an average of 13 times a year. They are extremely loyal visitors.
2. Those who indicated that they were unsure or not likely to return tended to be out-of-state visitors, typically employed full time or retired, with high income levels. They tend to spend similarly to those likely to return, but only come an average of three times a year. This market is slightly more satisfied with aspects of the county and tend to have come to the county to visit friends and relatives or go to the beach.

Economic Impact

Observation: Local impact is enhanced by tourist's participation in more than just one primary attraction or event. Claims of high local impact are enhanced by evidence that tourists also attend attractions and events, stay in local hotels, and eat in local restaurants. The more events or attractions that the tourist participates in during their visit, the more economic impact they tend to have on the community.

1. Based on reported actual expenditures at the time the visitors were interviewed, and extrapolating to an estimated 554,000 visitors a year, it is estimated that about \$120 million of added value occurred to Indian River County, attributable to tourists. This accounts for an estimated 3,513 jobs.
2. Based on reported estimated expenditures that the visitors expected to spend on their trip, and extrapolating to an estimated 554,000 visitors a year, it is estimated that about \$154.4 million of added value occurred to Indian River county, attributable to tourists. This accounts for an estimated 4,540 jobs.

Recommendations

Observation: Indian River County has a large number of repeat visitors (~80%). This is a positive indicator since only those satisfied with a destination tend to return to it. It is usually much easier to get a visitor to come back than it is to attract new visitors. Indian River County seems to have accomplished this loyalty challenge. A likely partial explanation for the tourist loyalty is the ~23% who are visiting friends or relatives and the perception of high quality outdoor areas (beaches, parks, the inlet, fishing areas, etc.) and attractive festivals/events.

1. While growth occurs in the repeat-visitor realm, it is also important to attract new visitors. From the feedback gleaned from this study, it appears that one opportunity exists to promote in the in-Florida market. We recommend a promotional campaign targeted to those markets located in the more congested, developed and generally less pristine counties of South Florida and perhaps from the cities of Brevard county to the north. The campaign could encourage the opportunity to escape to (Indian River County) a quieter, coastal scenic area where you can enjoy walking on the beach, fishing, swimming and relaxing. Concentrate on factors where previous visitors report high satisfaction and 98% say they are likely to return. Also highlight Indian River County as an attractive alternative for potential tourists who are from more congested areas.
2. Given the probability that new visitors introduced to Indian River County will return, incentives to "discover" the area should be offered. We recommend packaged get-away weekends combining accommodations and events such as Dodgers games or other sports events, fishing or shopping day itineraries; and "try retirement" for two or three days in Indian River County (since half the existing tourist market is 50+

years old) as another possible idea. We also recommended that the Chamber of Commerce continue to advertise in FLA-USA, Inc.'s promotional brochures. In addition, continued advertising in South Florida regional magazines or travel sections of newspapers with some of these promotional themes would continue to generate awareness of the area, and present alternatives for weekend, holiday weekend or week long regional travelers.

- Given the scenic and somewhat unique natural appeal of Indian River County, and the high satisfaction scores attributed to marine/water-based recreation assets, there is opportunity for partnerships with other agencies or organizations and/or government such as the Florida Park Service. We recommend combining activities such as "take a kid fishing" or "family fishing/birdwatching/beach-combing," with workshops or seminars on beach or inlet fishing techniques, and maritime equipment shows could attract interest from new visitors. Events like this could be scheduled during Dodger's spring training season when sports/outdoor writers could help attract new prospects.

It is important that new visitors know how to locate public beach access, boat ramps and parking areas. Good signage will facilitate this and proactively reduce frustration among coastal visitors.

Additional promotion and advertising to attract golfers and their companions might be effective. It is likely that the combination of attending festivals/events, fishing, golfing and perhaps a Dodger's game, would be a highly attractive package, either for specific tourists interested in all or part of a package that could appeal to multiple members of a travel party.

- Examining the visitors who said they were unsure or not likely to return revealed a potential market segment to grow the numbers of younger visitors. This market complained that there were not enough sit-down restaurants, that the area was too quiet and that there were not enough activities or nightlife.

The Project Budget contains all of the elements set forth in the Preliminary Plan, including, without limitation, permitting, design, engineering, construction, financing, build-out, furniture, equipment, fixtures, and all customary and traditional soft costs pertaining to a project of this nature, excluding land acquisition costs. The Project Budget may not be reduced without the written consent of both the County and the Club. The final Project Budget is subject to the written approval of the Club, which approval shall not be unreasonably withheld, delayed or conditioned. The Project Budget shall not include any costs and expenses arising from or relating to (i) the issuance of Project Bonds (defined below) by the County, including, without limitation, the costs and expenses of underwriters, investment bankers, attorneys, accountants and other professionals, underwriting discounts, and other costs of issuance of the Project Bonds, and (ii) any costs and expenses of the Club for retention of financial advisors, attorneys, accountants and other professionals, and similar costs.

B. **County Funding and Payment Obligation**

(1) **County Payment Obligation.** The Project Budget sets forth the general descriptions and approximate cost of the County Capital Improvements that will be the responsibility of and paid by the County; except for cost overruns related directly to the County

Capital Improvements for which the Club has the Club Payment Obligation set forth in Section 5.C below, the County shall be responsible for and remit any and all cost overruns arising from, in connection with or relating to the Project upon approval of the County's Board of County Commissioners (the "County Payment Obligation"). The County represents and warrants the proceeds from (i) the Project Bonds issued by the County pursuant to Section 5.B.(2), and (ii) the Sinking Fund Deposits deposited pursuant to Section 5.B.(3), shall be sufficient to fund the County Payment Obligation in its entirety; provided, however, if such funds are not sufficient to timely fund the County Payment Obligation, the Club covenants to advance up to one third or \$600,000 of its future contributions to the "Capital Improvements Fund" under, and as defined in, the Amended Agreement or the Amended and Restated Lease, as applicable, to supplement the sinking fund deficiency. The County agrees that such Club advances shall be credited against future payments set forth in Exhibit F of the Amended Agreement or the Amended and Restated Lease, as applicable. All funds derived from the net proceeds of the Project Bonds and the Sinking Fund Deposits will be deposited to a sub-account dedicated to the Project of the County's "Stadium Attractions Trust Fund" (the "Trust Fund"). These amounts deposited to the Trust Fund shall be used solely for the benefit of the Project.

- (2) Project Bonds. On or before on or before April 1, 2013, but no later than January 1, 2014, the County will issue certain capital revenue bonds or such other financial instruments or funds that the County may reasonably select at its option to finance and fund substantially all of its County Payment Obligation related to the Project (the "Project Bonds"). If appropriate and prior to receiving bond proceeds the County may use other sources to fund Project costs which will be reimbursed from the bond proceeds at the appropriate time. In connection with the issuance of the Project Bonds, the County shall engage the services of an underwriter/investment banker to achieve the lowest cost of financing and maximum proceeds from the Project Bonds. The County's underwriter/investment banker shall assist the County in preparation of a detailed financing plan (the "Project Financing Plan") to achieve the Project Bond proceeds. The basis of the Project Financing Plan shall be the financing plan assumptions, calculations and presentation set forth on Exhibit E. The Project Bonds shall be secured by a pledge of the County's "Tourist Development Tax Revenues." The Project Financing Plan will also incorporate a reasonable assumption as to an average annual growth rate concerning the

annual amount of such "Tourist Development Tax Revenues," based on historical experience, which the County is projected to receive during the term of the Project Bonds, and will also incorporate a structured principal amortization schedule on the Project Bonds to minimize any potential revenue shortfalls. The County shall maximize State Development Funds in compliance with Section 7.C. The Project Financing Plan shall be subject to the written approval of the Club, which shall not be unreasonably withheld, delayed or conditioned.

- (3) Sinking Fund Deposits. The County shall authorize and approve in accordance with Applicable Laws a three (3) year annual sinking fund allocation for the Project in the amount of \$2.2 million to complete the funding of the County Payment Obligation, the \$2.2 million deposits for which shall be made to the Trust Fund on (i) the day following execution and delivery of this Agreement, (ii) October 1, 2014, and (iii) October 1, 2015, or as funds are required by the Project (collectively, the "Sinking Fund Deposit(s)", and individually each a "Sinking Fund Deposit"). The County's authorization for the sinking fund and the remittance of the annual Sinking Fund Deposits shall mandate the allocation and disbursement of County monies to the Trust Fund through the Sinking Fund Deposits. The funding of the Sinking Fund Deposits shall have priority over all other County debt obligations other than senior lien debt service for the County's Series 2004 and Series 2010 debt obligations.

C. Club Funding and Payment Obligation. The Project Budget sets forth a description of the County Capital Improvements that will be the responsibility of and paid by the Club as construction is performed on such improvements ("Club Payment Obligation"). The Club Payment Obligation arises in connection with the addition of the player academy dormitory/sleeping rooms. The approximate cost of the player academy dormitory/sleeping rooms is \$3.9 million. The County and the Club shall establish procedures by which the Club shall remit funds for the Club Payment Obligation on a requisition-approval-payment basis pursuant to which all costs associated with such Club Payment Obligation are timely made. The Club also intends to update certain concession equipment for the Premises, with an estimated approximate value of \$2.1 million, which is not included in the Project Budget.

D. Modifications. The Parties recognize that a large portion of the Project will be financed with proceeds from the Project Bonds. Accordingly, the Parties agree to make best efforts to cooperate with one another in the County's qualification of the Project Bonds for tax exempt status under federal tax laws, and to provide all reasonable documents and/or modifications hereto necessary to accomplish the issuance of the Project Bonds; provided, however, that the Club shall not be obligated to incur out-of-pocket costs and expenses in connection with such cooperation.

The execution, delivery and performance of this Agreement will not result in a violation of, in any material respect, any provision of any other agreements, instruments, contracts, judgments or decrees to which the Club is a party or by which the Club or its assets may be bound or affected, including, without limitation, the Club's organizational documents, nor will the execution, delivery and performance of this Agreement result in the breach of or constitute a default under any loan or credit agreement, or other agreement or instrument to which the Club is a party or by which the Club or its assets may be bound or affected.

D. No Violation Of Laws. Except as otherwise disclosed in writing by the Club to the County, the Club has received no written notice as of the date of execution of this Agreement asserting any noncompliance in any material respect by the Club with Applicable Laws; and the Club is not in default with respect to any judgment, Order, injunction or decree of any court, administrative agency, or other Governmental Authority which is in any respect material to the transactions contemplated in and by this Agreement.

E. Litigation. There is no action, suit, proceeding or investigation at law or in equity or by or before any Governmental Authority now pending or, to the actual knowledge of the Club, threatened against or which affects the Club which has been served upon or of which the Club has knowledge, which could have a material adverse affect upon the Club's performance under this Agreement or the financial condition or business of the Club. There are no outstanding judgments against the Club.

10. **HOLD HARMLESS AND INSURANCE.** To the extent permitted under Florida Statute §768.28 the County agrees to indemnify, defend, save and hold the Club, and its respective Affiliates (including parent, brother-sister and other entities under common control with the Club), and their respective members, partners, owners, managers, officers, employees, agents, representatives and other persons or entities acting on behalf of the Club, harmless from any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including reasonable costs of investigation, reasonable attorney's fees at trial or appellate level, and all court costs arising out of injury to or death of persons and damage to any and all property, including loss of use thereof, resulting from or in any manner arising out of, or in connection with, the design and construction of the Project, including claims brought by any person relating to compliance with federal or state disability laws or requirements. In the event such indemnification is limited by any law (including, without limitation, Florida Statute § 768.28), the Party so limited shall furnish a general liability insurance policy with a company and in an amount reasonably satisfactory to the Party to be indemnified. The County shall provide that the Club is an additional insured under all policies of insurance relating to the Project, including, without limitation, insurance required of all contractors, consultants, subcontractors and others contracting in connection with the Project.

11. **TAXES.** It is the intent and understanding of the Parties that the leasehold interest held by the Club pursuant to this Agreement shall be exempt from ad valorem taxation pursuant to Chapter 196.199, Florida Statutes for so long as such statutory exemption remains in effect.

12. **COUNTY DEFAULT/REMEDIES.** It is understood that the County has agreed to undertake certain obligations set forth in this Agreement in order to induce the Club not to elect an early termination of the Conditional Lease and further to induce the Club to enter into a new thirty (30) year lease for the Premises pursuant to the Amended and Restated Lease. It is further agreed that the Club will sustain substantial economic damages if the County would fail to fulfill one or more of the obligations set forth herein. Accordingly, the Parties agree that the Club shall be entitled to receive the following remedies in the event that one or more of the following defaults shall occur:

A. **County Defaults.** The County shall have defaulted on its obligations set forth herein (individually and collectively referred to as "County Default") if any of the following occurs:

- (i) The County fails to select the Architect(s), engineer(s) and construction firm(s), which are approved by the Club on or before March 6, 2013; or
- (ii) The County fails to establish and deposit sufficient monies (together with interest earnings) to pay one hundred percent (100%) of the Project Budget allocated to the County Payment Obligation for the County Capital Improvements (this amount excludes the Club Payment Obligation) in accordance with the Project Financing Plan as provided in **Section 5.B.(2)**

- (iii) The County does not complete the Project and commission the Premises for full use and enjoyment by the Club on or prior to February 1, 2016.

B. County Default Remedies. Upon the occurrence of a County Default, the following remedies shall be available to the Club:

- (i) The Club may elect, by written notice delivered to the County within sixty (60) days from the date on which a County Default shall have occurred, to terminate this Agreement, and all obligations of the Club under this Agreement, and/or terminate the Amended and Restated Lease, and all obligations of the Club under the Amended and Restated Lease, and upon such terminations the applicable agreement shall be voided and of no further effect; and

C. Completion Default. In the event the County fulfills the obligations set forth in Section 12.A above, but the Completion of the Project by the County fails to occur by either (i) the Target Date, or (ii) the Outside Date, the County shall have defaulted in its obligation to the Club ("**Completion Default**").

D. Completion Default Remedies: Target Date. Upon the occurrence of a Completion Default by failing to achieve Completion of the Project on or before the Target Date, the following remedies shall be available to the Club:

- (i) the Club shall be relieved of the obligation to make lease payments until Completion of the Project under both or either of the Amended Agreement and the Amended and Restated Lease.

E. Completion Default Remedies - Outside Date. Upon the occurrence of a Completion Default by the Outside Date, the following remedies shall be available to the Club:

- (i) The Club shall be released of its obligation to make lease payments under the Amended Agreement, and any other agreement arising in connection with the Premises, from and after the Outside Date; and
- (ii) The County shall pay the Club a sum of money to compensate the Club for the loss of revenue the Club would have received but for the Completion Default related to the Target Date ("**Lost Revenue**"). Lost Revenue shall be calculated for each calendar year (maximum of three (3) years) after the Target Date and shall be paid to the Club on or before February 1 of each calendar year in which any Completion Default has not been cured by the County. The amount of Lost Revenue to be paid to the Club shall be calculated (for each year in which the Completion Default has not been cured by February 1 thereof) by adding together the following four (4) revenue elements:

- (1) Lost Ticket Revenue: since the attendance capacity of the new Major League Stadium component of the Project would allow the Club to sell a minimum of 1,000 additional attendee tickets, the Parties agree that the amount of incremental lost ticket revenue will be calculated as follows: the average ticket priced charged per attendee for a Club Spring Training game for the Spring Training season played in the Premises (as defined in the Amended Agreement) multiplied by the number 1,000; plus
 - (2) Lost Sponsorship Revenue: the incremental amount of lost sponsorship revenue derived from the Project including, without limitation, the sale of advertising and naming rights that the Club would have received by playing in the new Major League Stadium; plus
 - (3) Suite Revenue: the amount of incremental Lost Revenue the Club would have received from the rental of suites that are included in the design plan for the new Major League Stadium; and plus
 - (4) Parking Revenue the amount of incremental net parking revenue the Club would have received from playing in the new Major League Stadium.
- (iii) The Club shall have the right to terminate this Agreement, the Amended Agreement and/or the Amended and Restated Lease if the County has not cured the Completion Default within one (1) calendar year of the Target Date.

13. GENERAL PROVISIONS

A. Governing Law. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Florida.

B. Further Assurances. The Parties agree to execute and deliver any instruments in writing, necessary to carry out any agreement, term, condition or assurance in this Agreement, whenever the occasion shall arise and request for such instrument shall be made.

C. Remedies Cumulative. The specified remedies to which the Parties may resort under the terms of this Agreement are cumulative and not intended to be exclusive of any other remedies or means of redress to which the Parties may be lawfully entitled in case of any breach or threatened breach by either Party of any provision or provisions of this Agreement.

D. Entire Agreement and Amendment. This Agreement, in addition to the Amended Agreement and the Amended and Restated Lease, contains the entire agreement and understanding between the Parties. There are no oral understandings, terms or conditions and neither Party has relied on any representation, express or implied, not

contained in this Agreement or the simultaneous or prior writings heretofore. All prior understandings, terms or conditions are deemed to merge in this Agreement, and this Agreement cannot be changed or supplemented orally, but only by an agreement in writing and signed by the Party against whom enforcement of any waiver, change, modification or discharge is sought.

E. Severalty. If any provisions of this Agreement shall be declared invalid or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall continue in full force and effect.

F. Force Majeure. A "Force Majeure Event" is any event that (a) restricts or prevents performance by either Party under this Agreement, (b) is not within the reasonable control of the Party affected or caused by the default or negligence of the affected Party and (c) cannot be overcome or avoided by the exercise of due care. Force Majeure Events include, but not limited to, failure of a Party to perform due to drought, flood, earthquake, storm, fire, lightning, epidemic, war, terrorism, acts of other Governmental Authorities (except with respect to the grant and remittance of State Development Funds), civil disturbances, sabotage, work stoppages (i.e. strikes), accident or curtailment of supply, unavailability of construction materials or replacement equipment beyond the affected Party's control, inability to obtain and maintain Permits from any Governmental Authority for the Project (except Permits issued by the County or as to which the County has oversight or control), restraint by court Order, and changes in Applicable Laws (excluding laws or ordinances enacted by the County) that affect performance under this Agreement. Except for the obligation of each Party to make payments of amounts owed to the other Party, each Party is excused from performance and will not be considered to be in default with respect to any obligation if performance cannot occur due to a Force Majeure Event; provided, however, such performance shall be excused only for the period to include declaration of emergency and clean-up of the Force Majeure Event, and the Party assisting the Force Majeure Event shall promptly and in good faith recommence performance of its obligations hereunder. Neither Party shall be relieved of its obligations under this Agreement solely because of increased costs or other adverse economic consequences that may be incurred through the performance of such obligations. If a Party's ability to perform its obligation under this Agreement is affected by a Force Majeure Event, the Party claiming such inability shall (i) promptly notify the other Party of the Force Majeure Event and its cause and confirm the same in writing within five (5) Business Days of its discovery, (ii) promptly supply such available information about the Force Majeure Event and its cause as reasonably may be requested by the other Party and (iii) initiate reasonable efforts to remove the cause of the Force Majeure Event or to lessen its effect. The suspension of performance arising from a Force Majeure Event shall be of no greater scope and no longer duration than reasonably necessary. The excused Party shall use its reasonable efforts to remedy its inability to perform. A single Force Majeure Event in Lee County, Florida shall not excuse the failure of the County to meet the Outside Date with respect to Completion of the Project, and shall not limit or otherwise affect the rights of the Club with respect thereto.

I. Waiver. No action taken pursuant to or related to this Agreement, including, without limitation, any investigation by or on behalf of a Party, shall be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, condition or agreement in this Agreement. A Party's exercise of or failure to exercise any such right or remedy shall not prevent the concurrent or

subsequent exercise of any other right or remedy. A Party's delay or failure to exercise or enforce any rights or remedies shall not constitute a waiver of any such rights, remedies or obligations. No Party shall be deemed to have waived any default unless such waiver is expressly set forth in an instrument signed by such Party. If a Party waives in writing any default, then such waiver shall not be construed as a waiver of any covenant or condition set forth in this Agreement, except as to the specific circumstances described in such written waiver. Neither payment of a lesser amount than the sum due hereunder nor endorsement or statement on any check or letter accompanying such payment shall be deemed an accord and satisfaction, and the other Party may accept the same without prejudice to the right to recover the balance of such sum or to pursue any other remedy.

J. Headings. The headings contained in this Agreement are for convenience of reference only, and shall not limit, extend or otherwise affect the meaning hereof.

K. No Presumption Against Drafter. This Agreement has been negotiated at arm's length and between entities sophisticated and knowledgeable in the matters dealt with herein. In addition, each Party had been represented by experienced and knowledgeable legal counsel. Accordingly, this Agreement shall be interpreted to achieve the intents and purposes of the Parties, without any presumption against the Party responsible for drafting any part of this Agreement.

L. No Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to (a) confer upon any third person other than the Parties and their permitted successors and assigns any rights or remedies under or by reason of this Agreement as a third party beneficiary or otherwise except as specifically provided in this Agreement; or (b) authorize anyone not a Party to this Agreement to maintain an action pursuant to or based upon this Agreement.

M. Execution in Counterparts and Delivery of Electronic Signatures. This Agreement may be executed in any number of counterparts. All such counterparts will be deemed to be originals and will together constitute but one and the same instrument. The executed counterparts of this Agreement may be delivered by electronic means, such as email and/or facsimile, and the receiving Party may rely on the receipt of such executed counterpart as if the original had been received.

N. Relationship of Parties. It is agreed that nothing contained in this Agreement shall be deemed or construed as creating a partnership or joint venture among the Parties.

O. Major League Baseball. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by the Club hereunder shall in all respects be subordinate to the MLB Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which the County is granted rights is limited to, and nothing herein shall be construed as conferring on the County rights in areas outside of, the Spring Training territory of the Club as established and amended from time to time. No rights,

exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.

14. **DISPUTE RESOLUTION.** The Parties agree to attempt to settle by mediation any dispute or controversy that may arise between the Club and the County regarding operation, maintenance and the rights or duties hereunder of either Party, as hereafter provided, and the mediator will determine the controversy in accordance with the laws of the State of Florida as applied to the facts as found. Notwithstanding the foregoing, any controversy arising between the Parties with respect to a Party's exercise of termination rights, any monetary sums due and owing including, without limitation, lease payments and other monetary liabilities arising under any agreement between the Parties (including, without limitation, the Amended Agreement and the Amended and Restated Lease) shall not be mediated and each Party shall have available to it all other remedies available at law or in equity.

A. **Mediation.** In any case hereunder in which it shall become necessary to resort to mediation, such mediation by the Parties shall be conducted as provided for in this **Section 14.**

- (1) **Notice of Mediation.** The Party desiring mediation shall give written notice thereof to the other Party, specifying in such notice, the specific question or questions to be mediated.
- (2) **Selection of Mediator.** Within fifteen (15) days after service of such notice each Party shall provide the other with the names of at least three (3) persons to act as a mediator in the matter. The mediator will be selected by the Parties within fifteen (15) days following the exchange of names by mutual agreement.

In the opinion of Locke Lord LLP, Bond Counsel, based on an analysis of existing law and assuming among other matters, compliance with certain covenants, interest on the Series 2015D Bonds is excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986. Interest on the Series 2015D Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Interest on the Series 2015C Bonds is included in the gross income of the owners of the Series 2015C Bonds for federal income tax purposes. Bond Counsel is also of the opinion that the Bonds and the interest thereon are exempt from taxation under the existing laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined therein. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds. See "TAX MATTERS" herein.

5.1 Grant of Use and Occupancy.

5.1.1 The County hereby grants to the LLC the exclusive right to use, occupy and operate, and permit all third-parties to use and to occupy, the Facility for all lawful purposes, provided, however, that the primary purpose is a professional sports franchise and public facility, and to retain all revenues derived from the operation of the Facility for the entirety of the Term, subject to the provisions of this Agreement. Further, the County shall not further restrict the LLC's use or rental of the Facility in any manner that is not otherwise prohibited in Palm Beach County generally, as of the date hereof.

5.1.2 The LLC shall cause the Teams to play and the Teams agree to play all of their respective Major League Spring Training Home Games in the Facility during the Spring Training Season of each year during the Term, except (a) to the extent that a Force Majeure Event renders the Facility temporarily unusable or unsuitable to conduct Major League Spring Training Home Games, subject to the requirements of Article 17 herein, or (b) to the extent the MLB requires the Teams play Major League Spring Training Home Games elsewhere. If MLB requires either one or both of the Teams to play an entire Full Spring Training Season elsewhere, the Term of the Agreement shall be extended by one year. If MLB requires one or both of the Teams to play elsewhere for longer than an entire Full Spring Training Season and such requirement is not the result of Sections 17, 24, 28, or 29 permitting the Teams to do so hereunder, the Team(s) shall be deemed to have Relocated and subject to the provisions of Sections 22.3.2 through 22.3.4 as applicable.

5.1.3 The rights to use the Facility shall be in accordance with the following order of priority: 1) the LLC and the Teams on an exclusive basis for Spring Training Season unless otherwise authorized pursuant to Section 5.3 herein; 2) the LLC and the Teams for a Team Event; 3) the County for a County Event; and 4) third parties for Third-Party Events. Once an event is approved and scheduled by the LLC, that event cannot be cancelled as a result of a subsequently requested Team, County or Third Party Event, without the express written approval of the entity that is currently scheduled, which permission may be granted or denied in the sole and absolute discretion of that entity.

5.1.4 The LLC shall be solely responsible for managing and scheduling all Major League Spring Training Home Games, Team Events, County Events and Third-Party Events pursuant to the requirements of this Agreement. County Events and Third Party Events may be scheduled in advance subject to the availability of the Facility and the execution of a written license agreement for the use of the Facility by the County or a Third Party as described in Articles 5.3 and 5.4 herein, respectively.

5.1.5 Notwithstanding anything provided herein, throughout the Term, the LLC will have year-round, 24-hour access to the Exclusive Use Areas (including during County Events and Third-Party Events), and the County shall not authorize or grant any other Person (including any other Major League Club) the right or license to use, occupy or conduct business

from the Exclusive Use Areas, except, however, that County shall be entitled to use and permit others to use the Exclusive Use Areas as set forth in Section 5.3.7.

5.1.6 Throughout the Term, the LLC shall be granted, for the LLC and their invitees, access to and egress from the Facility, and the right to enter the Facility to the extent reasonably necessary for the LLC to exercise its rights and perform its obligations under this Agreement.

5.1.7 The County covenants and warrants that so long as no default exists under this Agreement after the expiration of any applicable notice and cure periods, the LLC, shall lawfully and quietly hold, occupy and enjoy the Facility during the Term hereof, without relocation or hindrance by County or any party claiming through or under County, expressly subject to the terms, limitations and conditions contained in this Agreement.

5.3 Security Requirements for the Facility.

5.2.1 The LLC shall provide adequate supervision and security and shall strictly enforce all rules, regulations, and safety procedures that are required by law or regulation and usual and customary for equine training facilities, or established by the LLC and first are required in general for the safe and orderly use of the Facility. At all times the Facility shall be under the control, supervision and security of the LLC.

5.2.2 The LLC shall be responsible for determining and implementing the appropriate staffing, security and service levels required to manage each and every activity at the Facility, including, but not limited to, the level of security support, police support, on-site medical support, traffic control, and parking management support necessary, taking into consideration the anticipated crowds, whether alcoholic beverages will be available, and other criteria to assess the staffing and support requirements for each event and activity.

5.2.3 It shall be the responsibility of the LLC to ensure that the use of the Facility is conducted in such a manner so as not to interfere with the use of City Park or the use of adjacent properties beyond the boundaries of the site.

5.2.4 The LLC shall take reasonable precautions to prevent nuisances originating from the Facility. The parties acknowledge that the use contemplated by this Agreement (during daytime and/or at night) includes lighting, crowd noise, music and other activities associated with baseball or the reasonable use of a baseball stadium. Notwithstanding same, the LLC has the sole responsibility for, and shall respond to and defend any third party claims, actions, etc., concerning nuisances originating from the Facility.

5.3 County Rights of Use.

5.3.1 County shall have the right to schedule and use the Facility, including the Buffer Area, at times during the calendar year other than the Spring Training Season, subject to the provisions of Article 5. County shall not have the right to schedule and use the Facility for County Events during the Spring Training Season, but may request the LLC authorize County's

use of the Facility during the Spring Training Season, which use may be granted or denied in the LLC's sole and absolute discretion. County's right to use the Facility is subject to the terms and conditions of the license agreement described in Section 5.3.5 and availability of the Facility as set forth in Section 5.3.4.

5.3.2 Except as: i) described in Section 5.3.7; or ii) otherwise agreed in writing by the LLC in its sole and absolute discretion, the County's right to use the Facility shall not extend to the Executive Use Areas.

5.3.3 In order to maximize the use of the Facility during times other than the Spring Training Season and for early coordination of the next year's calendar, the LLC and the County shall meet annually during the month of September. Notwithstanding the annual meeting discussed herein, each and every time that the County plans to make a formal bid/proposal for a sporting event that is to be held twelve (12) months or more after the date of the bid/proposal, the County shall first work collaboratively with the LLC prior to making the bid/proposal to develop a tentative plan for use of the Facility taking into consideration scheduled Team Events. If the tentative plan for the use of the Facility is acceptable to the LLC, the County may make the formal bid/proposal and the LLC shall reserve such dates for the County until such time that County notifies the LLC that the bid/proposal was accepted or rejected. The County shall notify the LLC of the acceptance or rejection of the bid/proposal within five (5) Business Days of receiving notice of acceptance or rejection.

5.3.3.1 The Director of FD&O shall attend the first ten (10) annual meetings in order for the LLC and the County to jointly review event scheduling processes, procedures and priorities as established in Sections 5.3 and 5.4 hereto, and to identify and define improvements, changes and updates to those processes, procedures and priorities. The Director of FD&O and the LLC shall have the ability to adopt mutually agreed upon amendments, changes and/or updates to the event scheduling processes, procedures and priorities established in Sections 5.3 and 5.4 herein by written agreement executed by the LLC and the Director of FD&O.

5.3.4 The County may request the scheduling of an event at any time with a minimum of ninety (90) days notice for any County Event that requires the LLC to restore the Buffer Area subject to the provisions of Section 5.5.3, and sixty (60) days notice for all other requests. The LLC will review the request in accordance to the provisions of this Article 5. Within thirty (30) days thereafter, the LLC will notify the County of approval, or rejection of all or a part of the schedule based on "pre-existing scheduled" or "generally known but not yet specifically scheduled" Team Events, or based on scheduled Third Party Events. In the event County's schedule is rejected in whole or in part, the County may submit a revised schedule, or upon the request of the County, the LLC shall coordinate a meeting date and time to review and revise the proposed schedule with the County. The County shall provide reasonable advance notice to the LLC of the cancellation of any County Event on the schedule. The LLC has the sole and absolute right to deny requests for County Events during the Spring Training Season. Events requested outside of Spring Training Season will be evaluated and responded to as set forth in this Section 5.3.4.

5.3.5 The LLC shall develop a standard form County Event license agreement for County Events which includes a standard fee structure for County Events. The form of the event license agreement shall be agreed upon by the parties prior to Substantial Completion of the Facility. This event license agreement shall include standard provisions consistent with the provisions of Sections 5.3.5.1 through 5.3.5.8 herein.

5.3.5.1 License Fee. The County shall not be charged any license fee or use fee for County Events.

5.3.5.2 LLC Management Fees. On or before January 1 prior to the first Spring Training Season and then updated annually thereafter, the LLC shall develop a standard fee structure for LLC Management Fees. The County shall, unless otherwise agreed, be responsible for paying all LLC Management Fees.

5.3.5.3 Liability. To the extent permitted by law, County shall be responsible for personal injury, loss of life, and/or damage to property caused by County's use of the Facility for a County Event, but not including personal injury, loss of life and/or damage to property resulting from: (1) known hazardous or unsafe conditions, or hazardous or unsafe conditions that reasonably should have been known in the exercise of reasonable prudence, and existing at the Facility prior to County's use of the Facility, even if the actual injury, loss of life or damage to property occurred during County's use, or (2) the actions or inactions of the LLC Parties, including but not limited to, actions or inactions related to the maintenance of the Facility. Additionally, the parties acknowledge and it is expressly understood that the foregoing shall not constitute: (i) an agreement by the County to indemnify the LLC, (ii) a waiver of sovereign immunity, (iii) a waiver of any right or defense that County has under Section 768.28, Florida Statutes, or any other statute, nor (iv) consent to be sued by third parties.

5.3.5.4 County Events Staged by Officers. In the event any non-governmental entity is involved in staging a County Event, the County will cause such entity to procure commercial liability insurance coverage for such County Event to be provided by insurance companies acceptable to the LLC, with minimum policy limits of One Million Dollars (\$1,000,000.00) per occurrence or such other policy limits as are reasonably requested by the LLC based on the nature of any such County Event, naming the LLC, and its designees, as additional named insureds, and the County will cause proof of such insurance to be provided to the LLC upon demand.

5.3.5.5 Payment. Within thirty (30) days of receipt of an invoice and supporting documentation, County shall remit payment to the LLC for any damage occurring during County Events, whether or not such damage is caused by the County, its designee, its invitees, or someone other than the LLC, unless precluded by Section 5.3.5.3(1) or (2). The LLC is required to provide County with notice of such damage within seventy-two (72) hours after the conclusion of the County Event and allow County to inspect and document said damage upon request.

5.3.5.6 Admission Fees. If the County determines that an admission charge or other fee is to be charged, the LLC will collect such admission or fee and apply it to

amounts due from the County to the LLC for LLC Management Fees. If gross revenues from admissions or fees from any County Event do not exceed (not of taxes) the amount due to the LLC, the County shall remit to the LLC the additional funds due for such County Event within thirty (30) days following the County's receipt of a written invoice and supporting documentation substantiating the amount due. In the event that such gross revenues from admissions or fees from any County Event exceed (not of taxes) the amount due to the LLC, the LLC shall remit to the County the difference between such gross revenues and the amount due to the LLC and documentation substantiating the amount remitted, within thirty (30) days following the County Event.

5.3.5.7 Use Restrictions. In no event shall the County be permitted to use the Facility in a manner that (a) causes, or may be reasonably expected to cause, any material damage to any playing surface or any part of the Facility; (b) interferes with use of the Exclusive Use Areas; or (c) involves a promotional sponsorship which requires the on-site sale of a product with which the LLC has an exclusive sale or concession agreement consistent with the requirements of Section 11.1 hereof. Other than as set forth in this Agreement, County shall not grant any professional baseball team the right to use or play at the Facility.

5.3.5.8 Use of Team Personal Property. The County shall not use either Team's Personal Property or equipment in connection with County's use of the Facility for County Events, or otherwise, without the express written consent of such Team. The County shall reimburse the LLC for any Personal Property or Equipment owned by the Teams or any of their affiliates, concessionaires, licensees or employees, that is damaged during a County Event or by a third party to the extent such third party use was specifically authorized or permitted by the County, within thirty (30) days of receipt of substantiating documentation.

5.3.6 Use for Post Disaster Recovery Efforts. In the event of a declared federal, state, or local emergency as allowed by law (a "Declared Emergency") County shall have the right to use the Facility, but not including the Exclusive Use Areas, for County determined post disaster recovery purposes.

5.3.6.1 The LLC will not enter into any agreements, event permits or other contracts specifically obligating the Facility for use during or after a period of Declared Emergency, without the County's prior written approval which may be granted or denied in the County's sole and absolute discretion.

5.3.6.2 LLC and the County shall, at the time of any Declared Emergency use, enter into a County Event license agreement which shall contain the same liability provision as set forth in Section 5.3.5.3 herein and which includes the following language: "County shall be responsible for the costs of any damage to the Facility caused by its use".

5.3.7 Shelter Use During Declared Emergency. In the event of an emergency requiring the use of emergency shelters for the homeless pursuant to Florida Statute §288.1166, the County shall have the right to designate and use all, or portions of the Facility, including the Exclusive Use Areas as determined by County in its sole and absolute discretion, as a shelter for

the homeless pursuant to Florida Statute §288.1166. County shall execute a license agreement for said emergency use with the specific provisions contained in Section 5.3.5.3 and 5.3.6.2. The County's right to use the Facility for an emergency shelter pursuant to Florida Statute §288.1166 shall not apply to the extent:

A. The Facility is otherwise contractually obligated for a previously scheduled specific Team Event that is to be held despite the declaration of emergency; or

B. The County determines that its existing homeless assistance centers are sufficient to provide emergency shelter for the homeless during the period of a declared federal, state or local emergency.

5.3.8 County Responsibility For Security During Emergency Use. During County's emergency use of the Facility as described in Sections 5.3.6 and 5.3.7 herein, the County shall be solely responsible for performing and funding the security requirements for the County's use, consistent with the requirements of the LLC described in Section 5.2 herein, as to the licensed portions of the Facility.

5.4 Third-Party Events

5.4.1 Applications and requests for Third-Party Events shall be accepted any time within a one (1) year period of the date of the proposed Third-Party Event, provided they do not interfere with Team Events or approved and scheduled County Events. Third-Party Events cannot be scheduled more than one year in advance without County's express written approval which may be granted or denied by County only if there is a conflict with an anticipated, but yet to be scheduled, County Event. Once a Third Party Event is scheduled, it can only be rescheduled or cancelled with the consent of the Third-Party Event applicant.

5.4.2 The LLC shall use the form of the County Event license agreement described in Section 5.3.5 for Third Party Events except: 1) the LLC shall be entitled to charge a license fee for the use of the Facility; 2) the LLC shall be entitled to charge for admission, participation and related fees and charges in connection with the operation of any Third Party Events at the Facility; and 3) if the Third Party Event is not sponsored by a governmental entity, the LLC shall require the Third Party provide insurance and indemnification provisions as set forth in Sections 5.4.2.1 and 5.4.2.2 below.

5.4.2.1 The LLC shall require commercial liability insurance coverage for such Third Party Event to be provided by insurance companies acceptable to the County, with minimum policy limits of One Million Dollars (\$1,000,000.00) per occurrence or such other policy limits as are reasonably requested by the County based on the nature of any such Third Party Event. The County shall be a named additional insured, and the LLC will cause proof of such insurance to be provided to the County upon demand.

5.4.2.2 For each Third Party Event, the Third Party Event operator shall protect, defend, reimburse, indemnify and hold the LLC and County, and their respective agents, designers, employees, and elected officials free and harmless at all times from and against all

claims, liability, expenses, losses, costs, fines, damages or causes of action of every kind and character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, arising during, as a result of, or in connection with the operator's use of the Facility. The Third Party operator assumes the risk associated with the use of the Facility and agrees to hold the LLC and County, and their respective agents, designees, employees, and elected officials free and harmless at all times from and against all claims, liability, expenses, losses, costs, fines, damages or causes of action of every kind and character, including attorney's fees and costs, whether at trial or appellate levels or otherwise, due to their acts, errors or omissions resulting in bodily injury, including death, or damage to third party operator's property incident to or in connection with the third party operator's use of the Facility.

5.5 Buffer Area.

5.5.1 The County and the City intend that the Buffer Area be used only for parking when the remainder of the parking areas (pervious and non-pervious) are insufficient to meet the predicted parking demand. As such, the Intergovernmental Agreement limits the use of the Buffer Area for parking to forty (40) days per year (the "Buffer Area Year") unless extended by mutual agreement of the City and the County. The Buffer Area Year will commence on January 7 annually and continue through to January 6 of the following year. The LLC has sole responsibility for allocating the use of the Buffer Area during the Buffer Area Year, but agrees to allocate the use of the Buffer Area according to the following allocation priorities.

5.5.1.1 First priority shall be for Major League Spring Training Home Games. On any day during Spring Training Season that does not have a scheduled Major League Spring Training Home Game, the LLC shall manage the parking in such a way that the Buffer Area will only be opened for parking use if all other parking areas are predicted to be full.

5.5.1.2 The remainder of the forty (40) days shall be allocated on a first reserved-first use basis to any Team Event, County Event or Third Party Event that provides written justification of why the remainder of the Parking Areas are insufficient to meet its expected parking demand, as well as any other information to support the request (such as anticipated economic or community benefit of the event).

5.5.1.3 At such time that the forty (40) days is exhausted or is expected to be exhausted during the duration of an event, the LLC may approve the license agreement contingent upon obtaining approval from the City for the additional days of use of the Buffer Area. Using the justification provided by the event applicant, the LLC and/or the applicant shall seek that approval from the City on behalf of the event applicant with the County's approval hereunder.

5.5.2 The LLC shall be responsible for restoring the Buffer Area to its pre-Spring Training Season condition whereby the wear and tear and damage caused by its use as a parking area is no longer visible, and the Buffer Area is vegetated to a non-playable pasture condition. The Buffer Area shall be restored to such non-playable pasture condition no later than April 15th, annually, or at the conclusion of the Spring Training Season, whichever is later.

5.5.3 The LLC shall be responsible for preparing the Buffer Areas for regulation leagues play no later than 30 days prior to any applicable scheduled County Event, but no earlier than April 30th annually.

5.5.4 Notwithstanding the above, the County shall be responsible for reimbursing the LLC for any damage to the Buffer Area following a County Event in accordance to Section 5.3 above.

6.2 Team Improvement Areas Fee.

6.2.1 The Team Improvement Areas Fee payments shall be due on the Fee Commencement Date and each subsequent annual anniversary of the Fee Commencement Date.

6.3 Reserved.

6.4 Reserved.

6.5 Miscellaneous

6.5.1 Liability for Financing. Nothing herein shall be construed to make the LLC or the Team liable to the County for the payment of any County Bonds or financing, and the LLC's rights and obligations hereunder shall be independent of the County's obligations under such County Bonds or financing. The LLC agrees to cooperate with the issuance of any County Bonds, including without any limitation, providing any disclosure of the LLC's public information reasonably required for purposes of the offering documents for such County Bonds.

6.5.2 Payment Adjustments

6.5.2.1 If, at the time of issuance of County Bonds, the LLC makes the Interest Election to increase the Team Improvement Areas Fee payments, such adjustments shall be payable over twenty-eight (28) years using the same proportionate payment distribution allocation as set forth in this Article 6.

6.5.2.2 Pre-Construction Cost Savings allowable to the LLC pursuant to Section 8.4.3 of the Developer Agreement shall be applied to reduce the Team Improvement Areas Fee payments, such adjustments shall be payable over twenty-eight (28) years using the same proportionate payment distribution allocation as set forth in this Article 6.

6.5.2.3 The adjusted Team Improvement Areas Fee shall be set forth in a certificate of the County Representative delivered to the LLC at the time of issuance of the County Bonds.

6.5.3 The payment made pursuant to this Article 6 shall be made payable to the Board and shall be delivered annually to the Palm Beach County Finance Department, Revenue Section, P.O. Box 4036, West Palm Beach, Florida 33402. In the event the LLC fails to make timely payment of any fee, due and payable in accordance with the terms of this Agreement within ten (10) days after same shall become due and payable, interest at the rate of one percent (1%) per month (or the highest rate permitted by law, if lower) shall accrue against the delinquent payment(s) from the date due until the date payment is received by the County. County shall receive the payments payable hereunder free and clear of any and all impositions, liens, charges, and expense of any nature whatsoever relating to operation of the Premises, including without limitation those relating to taxes, if any, insurance, Repair and Maintenance, use, care or operation, except as specifically provided in this Agreement.

6.5.4 The LLC shall pay all sales, use and/or other taxes assessed by any governmental authority against the payments made pursuant to this Article 6, if any, even if such tax is intended to be imposed against County. The LLC shall pay before delinquency all non-ad valorem taxes and assessments, whether general or special and all tangible or intangible personal property taxes and assessments of any kind or nature which may be levied by any governmental authority against the Facility, or LLC's interest in the Facility or LLC's equipment and personal property located at the Facility.

6.5.5 The LLC shall be responsible for, and shall timely pay, all on-site and off-site municipal and utility service costs due in order to operate and maintain the Facility

including, but not limited to, water, sewer, garbage and trash collection and such other costs and impositions as may be assessed or levied by a municipal taxing authority or utility service provider against the Facility or Site.

6.5.6 In the event the LLC pays any amount that is less than the amount stipulated to be paid under this Agreement, such payment shall be considered to be made only on account of the stipulated amount. No endorsement or statement on any check or letter shall be deemed an accord and satisfaction. The County may accept any check or payment without prejudice to County's right to recover the balance due or to pursue any other remedy available to County pursuant to this Agreement or under the law.

6.6 **Tax Indemnification.** The LLC shall indemnify and hold County harmless from and against the payment of any and all sales tax due to the State of Florida or any department or agency thereof in connection with the payments described in this Article 6, together with all interest, fines, penalties, costs or other charges thereon, regardless of when, or the party against whom, the same may be assessed or imposed.

6.7 **Maximum Private Payments.** In connection with the County Bonds (the interest on which is excluded from gross income of the holders thereof for federal income tax purposes (the "Tax-Exempt County Bonds")), during the period the Tax-Exempt County Bonds shall be outstanding, the present value of the sum of: (a) any payments made to the County by non-governmental persons for the use of any portion of the Facility that is financed with the proceeds of Tax-Exempt County Bonds and (b) amounts paid by the LLC for Capital Improvements to any portion of the Facility that is financed with the proceeds of Tax-Exempt County Bonds shall not exceed ten percent (10%) of the present value of the debt service (i.e., principal and interest) to be paid. Notwithstanding the preceding sentence, to the extent that any Capital Improvements, paid for by the LLC, have useful lives that are not reasonably expected (as of the date of installation) to extend beyond the Term, such Capital Improvements shall be disregarded. Useful lives may, at the County's request, be determined by independent appraisal.

ARTICLE 7

REPAIR AND MAINTENANCE AND COSTS OF OPERATION

7.1 **Generally.** Except as otherwise expressly provided herein, the LLC shall be solely responsible for all costs of, and the performance of, all of the Repair and Maintenance and operation of the Facility, as required to keep the Facility in good condition at all times, on a year-round basis.

7.2 **Repair and Maintenance.** With respect to the LLC's performance of Repair and Maintenance, the LLC agrees as follows.

7.2.1 Repair and Maintenance shall be performed on a regular, scheduled routine basis as is reasonably required to prevent deterioration of the Facility and extend the useful life of the capital assets. Standards of Repair and Maintenance for the MLB amenities, including, but not limited to, the Stadium and Team facilities, shall be similar to first-class MLB

facilities and standards of Repair and Maintenance for the remainder of the Improvements shall be consistent with public recreation facilities in Palm Beach County.

7.2.2 All Repair and Maintenance shall be performed in a good and workmanlike fashion, utilizing good quality materials, supplies, components and replacement parts that are of equal or better quality than the quality of those being repaired or replaced, with all reasonable efforts made to preserve the aesthetics of the Facility consistent with the respective Repair and Maintenance standard for the improvement.

7.2.3 All equipment Repair and Maintenance shall meet manufacturer's recommendations and established government safety and/or regulatory standards, if applicable.

7.2.4 All Repair and Maintenance and operation of the improved and unimproved areas of the Facility and Site, and shall comply with the land management practices and ERP as set forth in Section 12.2 of the Interlocal Agreement.

7.2.5 All Repair and Maintenance, operation and environmental monitoring (if any) of the Buffer Area shall comply with the land management practices and the ERP as set forth in Sections 12.2, 12.3, and 12.4 of the Interlocal Agreement as well as any subsequent requirements placed on the Buffer Area as a condition of a regulatory approval and/or permit.

7.2.6 The LLC shall routinely inspect the Facility and Site to ensure that there are no conditions which present a safety issue or hazard to any persons, including but not limited to visitors and players. If such a condition is found, it is the LLC's sole responsibility to immediately protect the area from use, to provide warning of the condition as may be reasonably necessary in order to ensure the safety of persons at the Facility, and to perform all work required to restore the area to a safe condition within a reasonable period of time, provided, however, that the LLC may seek reimbursement, if applicable, for Emergency R/R Projects for Public Use Improvements as set forth in Article 10 of this Agreement. The existence or non-existence of a right to reimbursement does not alter or limit the LLC's obligations to inspect, identify, secure, and/or correct all conditions that present a safety issue or constitute a hazard to persons at the Facility and Site.

7.2.7 The LLC shall provide FDO with a bi-monthly report of all Facility Repair and Maintenance that was performed to Public Use Improvements during the preceding two months and all Facility Repair and Maintenance scheduled for Public Use Improvements during the upcoming two months no later than the twenty-fifth (25th) day of each even numbered month (February, April, etc.). The LLC shall provide the County with access to the Facility to perform routine maintenance inspections.

7.2.8 The LLC shall not voluntarily create, cause, or permit to be created any lien or encumbrance on the Facility and/or Site. In the event that a construction lien is filed against the Facility, the Site, other County property, or the City Park Property, in connection with any work performed by or on behalf of the LLC, the LLC shall satisfy such claim, or transfer same to security, within forty-five (45) Days from the date of notice of such filing. In the event that the LLC fails to satisfy or transfer such claim within said forty-five (45) Day period, County may do so and thereafter charge the LLC, and the LLC shall promptly pay to

County upon demand all costs incurred by County in connection with the satisfaction or transfer of such claim, including reasonable attorney's fees. Further, the LLC agrees to indemnify, defend, and save County harmless from and against any damage or loss incurred by County as a result of any such construction lien.

7.3 The LLC shall assume all of County's continuing obligations pursuant to the Reclaimed Water Agreement.

7.4 Inspection and Failure to Perform:

7.4.1 The County shall have the right, but not the obligation, to inspect the Site and Facility at reasonable times, upon reasonable request, or, at such time as the County has reason to believe that an emergency situation exists at the Facility and/or Site, to observe whether the LLC is performing its Repair and Maintenance obligations pursuant to this Agreement. If, in the County's reasonable opinion, the LLC has not performed its Repair and Maintenance obligations pursuant to its terms hereinabove, the County shall provide written notice to the LLC stating the basis for such opinion, and the LLC shall have thirty (30) days from the date of receipt of such notice during which to perform such Repair and Maintenance as required hereunder, or to notify the County that it disagrees with the County's opinion. If the LLC disagrees with the County opinion, the LLC and County agree to utilize the dispute resolution process identified in Article 18 of this Agreement.

7.4.2 The LLC shall permit County, or its representatives or agents to schedule and conduct visits of the Site and Facility as reasonably required to enable County to fulfill its insurance and/or restoration obligations pursuant to Articles 16 and 17 of this Agreement.

7.4.3 The County Representative shall visit the Site pursuant to Article 7 and Article 10 of this Agreement to observe the condition of the Facility solely for the purposes of determining whether the Repair and Maintenance is being performed consistent with the requirements of Sections 7.2.1, 7.2.2, 7.2.4 and 7.4 herein, and for determining placement and/or costs for the R/R Project spreadsheet pursuant to Article 10 of this Agreement.

7.4.4 The County Site visits authorized herein do not in any way eliminate, change, reduce, modify, transfer, or diminish the LLC's sole responsibility for: 1) the on-going operation of the Facility; 2) the assessment of the condition of the Site and Facility; and 3) the performance of corrective action, including but not limited to, Repair and Maintenance, as required to maintain the Site and the Facility in a safe condition. The LLC shall not be entitled to rely on any comments, recommendations, reports or the results of the County Representative or the County agents' Site visits, in lieu of conducting its own independent assessment and evaluation of the condition of the Site and the Facility.

7.4.5 The County shall coordinate all scheduled inspections pursuant to this Section 7.4 with the LLC to prevent interference with any scheduled use of the Site.

ARTICLE 8

8.1 Licensing, Regulatory and Safety Inspections.

8.1.1 All corrective work required at the Facility will be performed and funded as either Repair and Maintenance or an R/R Project.

8.1.2 For funding purposes, if the corrective work is not Repair and Maintenance, and it addresses a construction flaw or failure or other issue and such construction flaw cannot be resolved by the LLC pursuant to Section 13.1.1 or Section 13.1.2 of the Developer Agreement, then such corrective work shall be deemed a County R/R Project for Public Use Improvements and an LLC Project for non-Public Use Improvements.

8.1.3 The LLC's Repair and Maintenance responsibilities set forth in Section 7.1 and its R/R Project responsibilities set forth in Article 10, includes performing all emergency Repair and Maintenance and/or R/R Project work or other corrective action required to address hazardous or unsafe conditions arising from, or related to, licensing, permitting, inspection, audit, safety or regulatory requirements concerning the Site, Facility, and the LLC's operations, business, and/or use of the same, including but not limited to, any City, County, State, Federal, OSHA or BOC law, rules, regulations, ordinances, or other requirements. This includes, but is not limited to corrective work arising in anticipation of, or as a result of an inspection, audit, licensing or regulatory requirement or other compliance-related event.

8.1.4 The LLC shall be solely responsible for funding any Repair and Maintenance required to correct any condition, hazard, defect, flaw or failure, or other issue or condition arising from, or related to, licensing, permitting, inspection, audit, safety or regulatory requirements concerning the Site, Facility, and the LLC's operations, business, and/or use of the same.

8.1.5 The LLC's performance of corrective work required by Section 8.1.2 which otherwise meets the requirements of a County R/R Project is expressly subject to funding by County, pursuant to the processes and procedures set forth in Article 10 hereto.

8.1.6 Any corrective work required by Section 8.1.2 or Section 8.1.3 which otherwise meets the requirements of an LLC R/R Project, shall be reflected on the R/R Project Schedule as an LLC R/R Project, including, but not limited to, any corrective work required to comply with the requirements of any environmental permit or approval including monitoring and/or correcting groundwater issues, and such shall be funded and performed by the LLC pursuant to the processes and procedures set forth in Article 10 hereto.

8.2 ADA.

8.2.1 Pursuant to the terms of the Developer Agreement, the LLC is providing services as defined therein throughout the design and construction of the Facility and the Loop Trail, and the LLC has the responsibility of designing and constructing the Facility and the Loop Trail to be compliant with the requirements of the ADA. The LLC acknowledges that the LLC is

solely responsible for ensuring the Facility and Loop Trail are designed and constructed in accordance to the requirements of the ADA pursuant to the Developer Agreement.

8.2.2 The LLC is solely responsible for all ADA compliance requirements and all ADA complaints, litigation, claims or lawsuits, of whatever kind or nature, regardless of whether arising during the development of the Facility and prior to occupancy, or thereafter, and including claims from the Teams, guests, players, lawless, contractors, agents, or any other person or entity, and including, but not limited to, claims, litigation or lawsuits involving the Site, the Facility, the Loop Trail, Personal Property used at the Facility, and Capital Improvements, and regardless of whether arising from Facility design, use and operation, access or other issues.

8.2.3 The LLC shall advise the County of any change in law or regulation which may impact the compliance status of the Facility, and shall present the County with a plan for bringing the Facility into compliance. The LLC has the obligation to implement reasonable operating accommodations to achieve ADA compliance, but to the extent that modifications to the Facility are required, they will be considered Capital Improvements.

ARTICLE 9 CAPITAL IMPROVEMENTS

9.1 Capital Improvements

9.1.1 All Capital Improvements proposed by the LLC to be made to the Facility shall require the prior written consent of the County in each instance, which consent shall not be unreasonably withheld, conditioned or delayed. If approved in writing by the County, all Capital Improvements proposed by the LLC to be made to the Facility shall be undertaken, performed and 100% funded by the LLC. The County shall have no obligation to reimburse or pay the LLC for any LLC Capital Improvement. In addition, all Capital Improvements shall be assumed to be LLC R/R Projects for the purpose of determining responsibility for funding the R/R Projects for the Capital Improvements, unless the County agrees, in its sole discretion, to accept the R/R responsibility for a Capital Improvement. If the County agrees to accept the R/R responsibility for a Capital Improvement, it shall be made as an affirmative statement included in the written approval for the Capital Improvement at which time it will become binding on the County.

9.1.2 The LLC shall submit detailed plans and specifications prepared by a design professional licensed in the State of Florida for all such Capital Improvements to the County for County's written approval prior to commencing work on same, including the estimated project cost. The County's review of the LLC's proposed Improvements shall be limited to the determination of whether the improvements are consistent with the terms of this Agreement and that the improvements do not interfere with or reduce the public's access to the Facility.

9.1.3 County shall provide a written response within ten (10) business days after receipt of request by the LLC, failing which County shall be deemed to have consented to

such plans and specifications. Notwithstanding the foregoing, the County may request that the County be provided with additional time to provide the LLC with a written response as to whether the improvements restrict public access and are consistent with this Agreement.

9.1.4 All work done by the LLC shall be performed in a good and workmanlike manner using good quality materials, and supplies and shall be diligently prosecuted to completion strictly in accordance with the approved plans and specifications. The LLC shall obtain all development approvals and permits from the appropriate regulatory agencies prior to commencing any Capital Improvements and shall perform all such Capital Improvements in compliance with all applicable laws, ordinances and regulations.

9.1.5 The LLC is solely responsible for all required Housing, safety inspections, Repair and Maintenance, and operation of all Capital Improvements, if applicable.

ARTICLE 10

RENEWAL/REPLACEMENT PROJECTS

10.1 Renewal/Replacement (R/R) Projects.

10.1.1 The County and LLC have jointly determined the need for establishing and funding a program to address R/R Projects in order to ensure that age, use and deterioration of the Facility does not adversely impact its use or the cost to maintain the Facility. The R/R Project Schedule shall project, at a minimum, R/R Project requirements for the upcoming Budget Year and the next nine (9) Budget Years thereafter. The R/R Project Schedule shall address the requirements of the Facility and shall contain two sections; County R/R Projects and LLC R/R Projects.

10.1.1.1 The County is responsible for funding 100% of the County R/R Projects for Public Use Improvements when they are included in the Approved R/R Project Schedule.

10.1.1.2 The LLC is responsible for funding 100% of the LLC R/R Projects as identified on the Approved R/R Project Schedule.

10.1.2 No later than January 15 of each year, the LLC shall submit to County, its proposed R/R Project Schedule for review. No later than May 31, the LLC will be notified of County Staff's recommendation for funding of County R/R Projects as part of the County staff's recommended annual capital budget request. No later than October 1, the LLC shall be notified of the appropriations for the Approved R/R Project Schedule.

10.1.2.1 The first R/R Project Schedule shall be submitted no later than January 15 of the year following the first Fall Spring Training Season played at the Facility. The R/R Project Schedule shall include each and every item with a fixed asset number whether physically tagged or not, its projected year for renewal or replacement and the estimate cost of the renewal or replacement task.

10.1.2.2 For each subsequent annual submittal, the R/R Project Schedule shall be updated to reflect any changes made necessary as a result of mid-year modifications, differing physical field conditions which may accelerate or extend the replacement year, and/or updated project estimate. The LLC shall submit, with the updated R/R Project Schedule, a detailed written narrative for each and every R/R Project that was not included in the Approved R/R Project Schedule, providing an explanation as to why each R/R Project had previously not been included in the R/R Project Schedule. Within fourteen (14) days after the County's receipt of the updated R/R Project Schedule, representatives of PJM&I and the IJC shall meet at the Facility ("On Site Meeting") in order to review and discuss the updated R/R Project Schedule and agree upon any changes to the updated R/R Project Schedule.

10.1.2.3 The County and the LLC both agree to cooperate in the development of the updated R/R Project Schedule so that the R/R Projects are undertaken in a timely manner to ensure that the asset is renewed/replaced prior to material degradation of the utility/appearance of the asset, while recognizing periodic financial constraints of the County and the LLC. Material degradation of an asset occurs when: 1) the asset's condition is or may cause damage or increased costs to renew/replace other assets, 2) the asset's condition represents a hazardous condition that may increase liability, and/or 3) the asset has deteriorated in utility and appearance or has failed or is likely to fail.

10.1.3 The LLC shall have an obligation to implement and fund the Approved R/R Project Schedule for each Budget Year, subject to County reimbursement, pursuant to this Article 76, to the LLC for its expenditures towards County R/R Projects on the Approved R/R Project Schedule.

10.1.4 The LLC must perform the Approved County R/R Projects within the funding amount identified on the Approved R/R Project Schedule, unless an increase in County R/R Project funding is approved in writing by the County prior to the LLC issuing a contract or purchase order pursuant to Section 10A. Approved expenditures will be reimbursed in accordance to the terms and conditions set forth below.

10.1.5 The County's obligation to fund or reimburse the LLC for County R/R Projects in any Budget Year is limited to those County R/R Projects that are reflected on the Approved R/R Project Schedule.

10.2 Mid-Year Modifications to Approved R/R Project Schedule

10.2.1 The LLC shall have the right to request mid-year modifications to the Approved R/R Project Schedule only for an Emergency R/R Project by submitting a written request for a mid-year modification. Such request for modification shall include the scope, cost, schedule for implementation and the justification for the Emergency R/R Project. The justification for the Emergency R/R Project shall specifically indicate why the Emergency R/R Project cannot wait until the next funding cycle. The request shall also identify whether any or all of the implementation procedures need to be waived.

10.2.2 Notwithstanding the above, the LLC has the absolute obligation to immediately respond to emergencies, and/or situations that may pose a danger to the health and/or safety of persons or that may impact the integrity of the Facility.

10.3 R/R Project Reserve. The R/R Project Reserve was established pursuant to Section 8.4.7 of the Developer Agreement and contains cost savings, if any, accomplished during the construction of the Facility and allocated to the LLC R/R Project Reserve and the County R/R Project Reserve in order to fund the initial R/R Project obligations of County and the LLC. The County and the LLC will each first use their respective R/R Project Reserves to fund their respective R/R obligations pursuant to this Agreement until the R/R Project Reserves are exhausted. The parties acknowledge that the R/R Project Reserves are a small portion, if any, of the funding that will be required to fund each party's R/R obligations pursuant to this Agreement.

10.4 Implementation of R/R Projects

10.4.1 All R/R Projects shall be performed in a good and workmanlike manner using good quality materials and supplies, and components and replacement parts that are of equal or better quality than the quality of those being repaired or replaced and shall be performed through completion. The LLC shall obtain all development approvals and permits from the appropriate regulatory agencies prior to commencing any R/R Projects and shall perform all such R/R Projects in compliance with all applicable laws, regulations and ordinances. The LLC shall obtain the advance approval of the Art in Public Places Administrator for any R/R Project that involves Art.

10.4.2 The LLC shall use its standard purchasing practices for all contracts/purchase orders entered into in connection with R/R Projects; provided that all purchases are undertaken and awarded by a competitive process. Unless the LLC has included qualification based criteria in the bid and the LLC can reasonably demonstrate that the low bidder did not meet those qualification criteria, the only justifications for not choosing the low bidder are either: 1) an award to the next lowest bidder in order to contract with a Palm Beach County certified SBE vendor and the SBE vendor's bid does not exceed the low bidder's price by ten percent (10%), or 2) an award to the next lowest bidder in order to contract with a bidder meeting the Palm Beach County's definition of local business and the local business's bid does not exceed the low bidder's price by five (5) percent. Preferences are not cumulative and in the event of a conflict, the SBE preference is of higher priority.

10.4.2.1 Qualification Based Selection Criteria. When necessary, the LLC may use qualification based selection criteria as a pre-bid step or as part of a competitive selection provided that the qualification based selection criteria is objective, directly responsive to the work, and does not limit competition among qualified bidders.

10.4.2.2 Projects in Excess of \$200,000. The LLC shall obtain a payment and performance bond in conformity to the requirements of Florida Statute § 255.05 on the County's most current form and from a surety meeting the County's requirements for all projects in excess of \$200,000, or such monetary limit as in effect at the time of the R/R Project.

10.4.3 For each and every project designated as a County R/R Project on the Approved R/R Project Schedule and prior to the LLC entering into a contract or purchase order for any individual R/R Project, the LLC shall submit; 1) the scope of work that was used as the basis for the bid, 2) a bid tabulation sheet that sets forth the vendor/contractor name and bid amount for each bid response ("R/R Project Bid Tabulation Sheet"), and 3) a copy of the LLC's proposed contract or purchase order which identifies the final scope of work to be purchased and a copy of the vendor's/contractor's insurance certificate naming the County as an additional insured. Within seven (7) days of the County's receipt of the foregoing, the County will issue a purchase order to the LLC in the amount of the intended awardee's bid plus an additional five percent (5%) contingency ("R/R Purchase Order").

10.4.4 For any County R/R Projects, the same requirements and process set forth above in this Section 10.4 shall apply and be used in connection with the reimbursement to the LLC of the costs and expenses incurred by the LLC for all design, testing lab and construction services agreements as well as any permit fees paid to a governmental entity.

10.4.5 Requests for payment against R/R Purchase Orders shall be made at intervals determined by the LLC, but no more frequently than semi-monthly. Requests for payment against R/R Purchase Orders shall be made by the LLC to the County and shall include; 1) the R/R Purchase Order number, 2) a copy of the vendor's/contractor's request for payment or invoice, and 3) evidence of payment by the LLC. For the purposes of this Section, a copy of a check written by the LLC or a bank statement indicating electronic payment details including vendor's/contractor's name, shall constitute evidence of payment. Any request for payment which includes a request for use of contingency funds, shall include a copy of the change order issued by the LLC to the vendor/contractor and shall specifically identify: 1) the scope of work included in the change order; 2) the amount of the change order; 3) the new total contract amount; and 4) an explanation of the reason for the change order. Any final payment request against each R/R Purchase Order shall be marked accordingly. Once the County has received a request or payment on an R/R Purchase Order, together with the foregoing documentation ("R/R Payment Request"), the County shall within five (5) business days from receipt of the R/R Payment Request review the request and notify the LLC if such request is complete or deficient. If the R/R Payment Request is deficient the LLC shall resubmit its R/R Payment Request to the County and the County shall within five (5) business days from receipt of the subsequent R/R Payment Request review such resubmit and notify the LLC if such resubmit is complete or deficient. This process shall continue until such time as the County receives a complete R/R Payment Request. Once the County receives a complete R/R Payment Request, the County shall make payment against the R/R Purchase Order within twenty-one (21) Days.

ARTICLE 11 REVENUE STREAMS

11.1 Generally, The LLC shall be entitled to receive and to retain all revenue streams, now known or hereafter devised, in connection with the year-round operation of the Facility for any and all events at the Facility, except for County Events pursuant to Section 5.3 or as may otherwise be set forth in a written agreement for use of the Facility. Notwithstanding anything herein to the contrary, the LLC shall not enter into any contracts or agreements

regarding the Facility that extend beyond the expiration of the Term of this Agreement. Additionally the LLC shall not enter into any agreements involving, but not limited to, sponsorship agreements or donor agreements in exchange for naming rights, containing language that prohibits County from using, or providing incompatible products at no cost or charge to its event participants during a County Event, or in any way that restricts the promotional or advertising opportunities at County Events. The County acknowledges that the sale of products incompatible with the LLC's agreements is prohibited. Furthermore, the LLC shall include language in each and every contract or agreement regarding the Facility that the LLC enters into, that such contract or agreement is not binding upon the County and may be terminated in the event this Agreement is terminated. Without limiting the foregoing, the provisions of Sections 11.2 through 11.6 more specifically address certain revenue streams.

11.2 Ticket Sales. The LLC shall set ticket prices and entry fees for all events at the Facility, other than County Events, and shall be entitled to receive all revenue collected by the LLC. The LLC shall have the right to fix the charges for tickets in its sole discretion; provided, however, that the LLC's ability to charge admission, and the amount of any admission charges, shall be subject to all MLB Rules and Regulations, and any applicable Minor League rules, guidelines, regulations, requirements, directives and/or policies, as the same now exists or may be amended or adopted in the future. No direct or indirect ticket surcharges, franchise fees, charges, taxes, or, without limitation, other fees may be instituted or imposed by the County for admissions to baseball-related events at the Facility without the LLC's prior written consent, which consent may be withheld or conditioned in the LLC's sole discretion.

11.3 Parking. Except for County Events as set forth below, all revenues from all sources, including parking shall be retained by the LLC. The fees to be charged for such parking shall be determined by the LLC in its sole discretion. For County Events, the County shall only be charged the cost to prepare, manage and/or administer the parking for the County Event, and in no case shall the County be charged for the use of the Parking Areas.

11.4 Concessions. The LLC, or its designee, shall be the exclusive concessionaire and shall sell all concession items at all events held in and at the Facility and designated parking areas and retain all Concession Revenues, including Concession Revenues from all County Events. Subject to MLB Rules and Regulations, such concession stand items shall include but shall not be limited to, in the LLC's sole discretion, all foods, beverages (alcoholic and non-alcoholic), scorecards, programs, yearbooks, vending machines, merchandise, including but not limited to novelty items carrying the LLC's or one or both of the Teams' logos or the logo of any other Major League Club or Minor League Club, as well as any interactive games, video games, batting or pitching cages and other entertainment-oriented retail or food service items, including, without limitation, any Spring Training Season related promotions and advertising, and any event-related activities scheduled by the LLC. The LLC's rights hereunder shall include, without limitation, the exclusive right to vend concession and novelty items from permanent or portable concession units located at the Facility, and, to the extent permitted by law, on public streets and ways abutting any portion of the Facility or the immediately adjacent parking areas. To the extent of the County's jurisdiction, the County agrees to deny any other person or entity the right to sell concessions, and novelty, food and beverage, and retail items in or at the Facility.

11.5 Advertising/Broadcasting

11.5.1 All revenues received by the LLC from all advertising, promotions or sponsorships (including without limitation scoreboard/message center advertising during any of the events or activities at the Facility, annual billboard signage (e.g., outfield fence, concourses and other advertising signage at the Facility), marquee signage, naming rights, advertising rights and, without limitation, other rights with regard to the name of the Facility or any part thereof shall be the sole property of the LLC for the Term of the Agreement.

11.5.2 The LLC shall have and control all naming rights to the Facility and all parts thereof, but agrees "of the Palm Beaches" shall be added to the end of the name for the Facility. Naming rights shall not be subject to termination by the County until the date of the expiration of the Term or the earlier termination thereof. If necessary, the County shall assist the LLC in obtaining any permits or licenses required under the laws or regulations of any government authority and necessary to the scoreboard message center and billboard advertising. The County shall also not unreasonably withhold its approval of any such permits or licenses required under its laws or regulations, if necessary. Notwithstanding anything to the contrary in this Agreement, any advertising, signage, sponsorship or naming rights shall comply with all MLB Rules and Regulations.

11.5.3 The LLC shall receive all revenue from their respective radio broadcast, cablecast, televising, or other video and/or audio means of broadcasting or transmitting any or all portions of any games played by the Teams or any other Major League Clubs, Minor League Clubs, or any other teams, and the County shall not participate, in any manner, in determining when or whether said games shall be televised, cablecast or broadcast. The County will not directly or indirectly charge or impose special fees, permits or hook-up expenses to the LLC or its broadcasters, cable casters or telecasters. If any provisions of this Agreement conflict with any provisions of any agreement between Major League Baseball and any national rights holder (each such agreement a "National Rights Agreement"), the National Rights Agreement shall in all respects control.

11.6 **Other Revenues**. Except as otherwise provided in Section 5.3, the LLC shall be entitled to any and all fees from third-parties for use of the Facility during the Term, as well as any other monies, without limitation, generated pursuant to other revenue streams not enumerated above, provided however, that any agreements with other entities requiring construction, alteration, and related permitting approvals shall require the prior written consent of the County and shall require the LLC to enter into a written agreement with such entity.

ARTICLE 12 TOURISM PROMOTION

12.1 County Tourism Identity Logo and County Seal

12.1.1 The County shall provide the LLC with the form of the County Seal and the Tourism Identity Logo upon request. County shall provide the LLC with copies of any update or revision to the County Seal and/or Tourism Identity Logo, and within sixty (90) days

thereafter, the LLC shall update its marketing and promotional materials, including the County Seal or Tourism Identity Logo pursuant to Section 12.1.2 herein, to the newest version.

12.1.2 Unless precluded by MLB Rules and Regulations or the design of the Facility, the LLC will place the County's Tourism Identity Logo or County Seal, at the County's election, which shall be no larger than three (3) feet in diameter, in a visible location inside the stadium at the Facility.

12.1.3 Prior to the start of the Championship Season, the LLC shall cause the Teams to coordinate the placement and content of marketing services and promotions within each Home City MLB Stadium with the TDC. It is understood, however, that the exact placement and content of such marketing services and promotions will not be such to adversely impact either the stadium aesthetics or the Teams' baseball operations, and shall be in all instances subject to MLB Rules and Regulations. There shall be no changes to the colors of the Tourism Identity Logo or the County Seal used in such marketing services and promotions unless approved in advance by the TDC Representative and the County.

12.1.4 The LLC further agrees to place an appropriate County dedication plaque near the entrance of the stadium at the Facility.

12.1.5 The LLC shall cause the Teams to use the County Seal and County Tourism Identity Logo in all in-County marketing efforts, except for those marketing efforts that do not include any graphics, print or visual media and excluding merchandise and on-site signage.

12.1.6 Notwithstanding anything in this Agreement to the contrary, in the event that the MLB Rules and Regulations preclude (i) the County from exercising the rights granted in this Article 12, and/or (ii) the LLC from performing its obligations as set forth in this Article 12, then the LLC shall provide the County with an alternative marketing tool that provides the County with benefits that are of equal or greater value to those that are provided for in this Article 12 and that are acceptable to the County in the County's reasonable discretion.

12.2 Astros' Obligations

12.2.1 As additional consideration for the use of the Team Improvement Areas, the LLC shall cause the Astros to annually provide similar marketing and promotional services for the Facility valued at no less than \$500,000 annually, at the Astros' Home City MLB Stadium or to the Astros' Home City audience.

12.2.2 Three months prior to the start of the Spring Training Season, the LLC shall cause the Astros to present a draft promotional plan, including the content, proposed placement and then current value of the materials and promotion to be provided to the Home City, to the TDC to come to a mutually agreeable plan.

12.2.3 This plan may be inclusive of social media channel strategy, digital promotions on Team websites, broadcast radio strategy for the radio networks and multi-lingual stations, broadcast television, traditional hospitality, soliciting and public relations opportunities

for in-home market entertainment of potential business to business clients, e.g., travel agents, meeting planners, along with any local charity connections the Team is supporting, print programs, line-up cards, and welcome center materials to be used at Florida Welcome Centers for the drive market. A list of marketing assets that may be included in the promotional plan is attached hereto as Exhibit F.

12.2.4 For Major League Spring Training Home Games of the Astros, the LLC shall cause the Astros' radio rights holders to provide a minimum of one (1) live drop-in announcement promoting tourism in Palm Beach County. The TDC will provide factual talking points related to leisure travel: points of interest that can be used by game announcing personalities during the radio broadcast. The Tourist Development Council will provide for television broadcasts of Major League Spring Training Home Games including video content and "B" roll of tourism assets throughout Palm Beach County. The TDC shall submit the content required for all drop-in announcements by February 15th of each year.

12.2.5 In the event the Astros and the TDC cannot reach agreement on the promotional plan, the LLC shall cause the Astros to attend dispute resolution with County pursuant to Article 18 for the sole purpose of resolving the dispute on the content, placement and value of the services.

12.3 Nationals' Obligations.

12.3.1 As additional consideration for the use of the Team Improvement Areas, the LLC shall cause the Nationals to annually provide tourism marketing and promotional services for the Facility valued at no less than \$500,000 annually, at the Nationals' Home City MLB Stadium or to the Nationals' Home City entrance.

12.3.2 Three months prior to the start of the Spring Training Season, the LLC shall cause the Nationals to present a draft promotional plan, including the content, proposed placement and then current estimated value of the materials and promotion to be provided in the Home City, to the TDC to come to a mutually agreeable plan.

12.3.3 This plan may be inclusive of social media channel strategy, digital promotions on Team websites, broadcast radio strategy for the radio networks and multi-lingual stations, broadcast television, traditional hospitality, ticketing and public relations opportunities for in-home market entertainment of potential business to business clients, e.g., travel agents, meeting planners, along with any local charity connections the team is supporting, print programs, line-up cards, and welcome center materials to be used at Florida Welcome Centers for the drive market. A list of marketing assets that may be included in the promotional plan is attached hereto as Exhibit F.

12.3.4 For Major League Spring Training Home Games of the Nationals, the LLC shall cause the Nationals' radio rights holders to provide a minimum of one (1) live drop-in announcement promoting tourism in Palm Beach County. The TDC will provide factual talking points related to leisure travel: points of interest that can be used by game announcing personalities during the radio broadcast. The Tourist Development Council will provide for television broadcasts of Major League Spring Training Home Games including video content and

"B" roll of tourism assets throughout Palm Beach County. The TDC shall submit the content required for all drop-in announcements by February 15th of each year.

12.3.5 In the event the Nationals and the TDC cannot reach agreement on the promotional plan, the LLC shall cause the Nationals to attend dispute resolution with County pursuant to Article 18 for the sole purpose of resolving the dispute on the content, placement and value of the services.

12.4 County's Obligation to Promote. The County shall use reasonable efforts to promote the presence of the Teams' baseball operations and to promote the sale of tickets to all events at the Facility, by all reasonable methods incidental with its regular tourist promotion activities.

ARTICLE 13

TRANSFER OF TEAM OWNERSHIP/ASSIGNMENT OF AGREEMENT

13.1 Assignment and Transfer of Interests. Except as permitted by Section 13.2, the LLC Parties may not assign, convey, or transfer this Agreement, or any interest in this Agreement, nor may a Team assign, convey or transfer its interest in the LLC without the prior, written consent of the Florida Department of Economic Opportunity ("DEO") and the County, provided such consent shall not be unreasonably withheld. The County shall not assign this Agreement without the written consent of the LLC.

13.2 Conditions for Approval of Transfer of Team Ownership.

13.2.1 Nothing herein shall prohibit or in any way prevent an owner of an interest in a Team (including its successors and assigns) from transferring all or any part of its respective ownership interest in the Team, at any time, subject, however, to the continuing obligations of the Team pursuant to this Agreement and the Guaranty set forth in Section 16.7 herein. In addition thereto, the Team itself, at any time, shall have the absolute and unconditional right to transfer its assets, inclusive of the asset representing the MLB franchise and the Team's ownership interest in the LLC, (provided no interest in the LLC shall be transferred separately from the asset representing the MLB franchise to another Major League Club unless such separate transfer otherwise meets the requirements of this Agreement), and provided the entity assuming the obligations of the transferring Team, or an Affiliate of such entity, meets the net worth requirements of the Guaranty set forth in Section 16.7. Transfer of Team ownership (either by transfer of ownership interest or sale of the MLB franchise by the Team) in no way releases, extinguishes or alters the LLC's responsibilities pertaining to the Operative Agreements. Provided the transferring entity is not in default of the Operative Agreements at the time of transfer, a transfer of an MLB franchise above and execution of the assignment and assumption agreement, shall release, extinguish and forever discharge the obligations of the transferring ownership entity for any matter attributable to the transferring entity under the Operative Agreements from and after the date of transfer. The County agrees to provide any new owner, or potential acquirer of the Team or its assets (either by transfer of ownership interest or sale of the MLB franchise, or interest in the LLC by the Team) with an outstop certificate within fifteen (15) Business Days of receipt of written request from the LLC.

setting forth the status of the Operative Agreements and any default(s) under the Operative Agreements, and if so, summarizing such default(s).

13.2.2 Nothing herein shall prohibit or in any way prevent an owner of an interest in the LLC, including its successors and assigns, from transferring all or any part of its ownership interest in the LLC, at any time, to an Affiliate, provided that such Guaranty always remains in full force and effect. In addition thereto, a Team (or Teams), (or its Affiliates), may assign or transfer its interest in the LLC (or the LLC, itself, may assign or transfer its interest in the Operative Agreements), to another Major League Club (or Major League Clubs) only with DBO's prior written consent, which consent shall not be unreasonably withheld, provided the following conditions have been satisfied: 1) the proposed Club assignee(s) can demonstrate equal or greater attendance records at its current Spring Training Season Facility, averaged over the last three (3) Spring Training Seasons, as compared to the assignor Team(s); 2) the assignee Team(s) assumes 100% of the assignor's Team(s) obligations pursuant to the Operative Agreements beginning from the date of execution of this Agreement; 3) the assignee Team(s) meets the net worth or fair value of equity requirements of the Guaranty set forth in Section 16.7, and 4) the assignee Team(s) executes an Agreement and a Guaranty in the same form as this Agreement and the Guaranty incorporated herein by reference in Section 16.7, specifically relating back to the respective, original Agreement and Guaranty execution dates; 5) the Major League Club(s) assignee(s), assuming the obligations of the assignor Team(s), must not be terminating early or breaching an existing agreement funded in whole or in part by State funds, including, but not limited to funds obtained pursuant to sections 288.11621 and 288.11691 of the Florida Statutes and 6) the resulting assignment or transfer must result in two separate Major League Clubs agreeing to continually use the Facility for their Spring Training Home Games for the balance of the Term of, and in keeping with, this Agreement. Provided such assignor Team(s) is not in default of the Operative Agreements at the time of transfer, such transfer shall release, extinguish and forever discharge the obligations of the transferring/assignor Team(s) for any matter attributable to the transferring/assignor Team(s) under the Operative Agreements from and after the date of transfer or assignment. The County agrees to provide any such new owner, or potential acquirer of any interest in the LLC or its assets, with an estoppel certificate within fifteen (15) Business Days of receipt of written request from the LLC, setting forth the status of the Operative Agreements and any default(s) under the Operative Agreements, and if so, summarizing such default(s).

13.2.3 A Team may enter into written sub-use agreement(s) with other Major League Clubs for periodic uses of the Facility. Any such sub-use agreement shall in no way release or extinguish the obligations of the LLC pursuant to this Agreement or the obligations of the Teams pursuant to this Agreement and the Guaranty executed by the Teams as set forth in Section 16.7 herein.

13.3 Managers. The present managers of the LLC (Arthur Fucillo and Giles Kibbe) shall have the absolute right without condition or restriction, to transfer their interests and/or responsibilities in the LLC to Affiliate entities or individuals. The County will be provided notice within thirty (30) days of such transfer.

ARTICLE 14
TAXES

14.1 General. The parties agree that the use of the Facility is as a sports facility with permanent seating and as a stadium. The parties reasonably believe that the Facility, the LLC's interest therein and operation thereof, are presently immune from Ad Valorem and/or real estate taxes as the Site and the Facility are owned by County. Provided the Facility is used primarily as a public sports facility, the County and the LLC agree to reasonably cooperate together in: 1) maintaining or obtaining an Ad Valorem and/or real estate tax immunity throughout the Term, and 2) challenging or contesting any real estate taxes, Ad Valorem assessments or similar real estate taxes that impact the LLC's interest in or operation of, the Facility. Notwithstanding the above, the LLC shall have sole liability and responsibility for all Ad Valorem or real estate taxes or assessments that are imposed or assessed against the Site, the Facility, the LLC's interest therein, and/or the LLC's operation thereof, except as otherwise set forth in Section 14.2. The LLC shall have sole responsibility and liability for all lawful taxes, assessments, licenses and charges on the operations at the Facility including, but not limited to, all lawful taxes, assessments, licenses and/or charges on Personal Property and Capital Improvements located at the Facility, as well as on goods, merchandise, equipment and property owned by the LLC and/or the Terms and located in or about the Facility for which an exemption is not available. It is the parties express intention that the LLC shall have sole liability for back taxes, penalties, fines or fees that may result from an audit or review of the LLC's operations at the Facility. This provision shall in no way be construed as restricting the County or the LLC from contesting the legality of any tax or assessment and the County agrees to use good faith efforts to assist the LLC in contesting any such tax, imposition or assessment.

14.2 It is the intent of the County to not have the LLC be financially impacted by the assessment of Ad Valorem taxes. If, in the future, any Ad Valorem real property taxes are imposed or assessed against the Site, the Facility, the LLC's interest therein and/or the LLC's operation thereof the County agrees to pay all such Ad Valorem real property taxes when due. The County's obligation to pay the Ad Valorem taxes pursuant to this Section 14.2, is solely contingent on: 1) the LLC providing evidence of the tax bill (if applicable) to the County within 5 working days of receipt, and 2) the City of West Palm Beach agreeing to reimburse the County for Ad Valorem taxes due to the City pursuant to Section 35 of the Interlocal Agreement. If necessary to meet the intent of this provision, the parties will agree to alternative arrangements to meet said intent.

ARTICLE 15
LITIGATION AND INDEMNITY

15.1 Litigation. The LLC shall be responsible for the defense of all litigation, hearings, claims, demands or suits, including appeals, or other liability, arising as a result of the development, operation, or use of the Site, Facility, and City Park, including such litigation, claims, demands, suits and proceedings where the County has been named as a Defendant or Respondent, to the extent such litigation, claim, demand or suit, concerns any obligation or duty of the LLC concerning the Site, Facility, and City Park, under any of the Operative Agreements

end/or the Due Diligence and Planning Services Agreement. This includes, but is not limited to, claims, demands, accidents or injuries, suits, or other liability involving personal injuries at the Facility, including, but not limited to, driveways, sidewalks, entrances and exits from the Site and Facility. Notwithstanding the above, the LLC shall not be responsible for the defense of any taxpayer challenge to County or governmental funding of the Site, Facility and/or City Park. The County agrees to be responsible for all litigation, hearings, claims, demands or suits, including appeals, or other liability, to the extent and limits provided in Florida Statutes, Section 768.28, arising solely from the actions of the County's employees. The parties acknowledge that the foregoing shall not: 1) constitute an agreement by the County to indemnify the LLC; 2) be construed as a waiver of sovereign immunity; 3) constitute a waiver of any defense the County may have under Section 768.28, Florida Statutes, or any other statutes, or 4) constitute consent to be sued by third parties.

15.2 Indemnification.

15.2.1 The "County Indemnified Parties" means the County, including each of its respective agents, employees and elected officials.

15.2.1.1 The LLC agrees to protect, defend, reimburse, indemnify and hold County Indemnified Parties free and harmless at all times from and against any and all claims, liability, expenses, losses, costs, fines and damages (including attorney's fees at trial and appellate levels) and causes of action of every kind and character against, or in which County is named or joined, for any damage to property or the environment, economic losses, or bodily injury (including death) incurred or sustained by any Person, arising out of, or in incident to, or in connection with: (i) the use and operation of the Facility and all driveways, sidewalks, walkways, entrances and exits from the Site and Facility, (ii) any act or omission of the LLC Parties, (iii) the LLC's performance, non-performance or purported performance under this Agreement, and/or (iv) the condition of the Facility and Site caused by the LLC's failure to adequately repair and maintain the Facility and Site.

15.2.1.2 The LLC further agrees to hold harmless and indemnify County for fines, citations, court judgments, insurance claims, restoration costs, damages, or other liability resulting from the LLC Parties' activities pursuant to this Agreement, whether or not LLC was negligent or even knowledgeable of any events precipitating a claim or arising as a result of any situation involving the LLC Parties' activities.

15.2.1.3 In case County shall be made a party to any litigation commenced against the LLC Parties or by the LLC Parties against any third party related to the LLC Parties' activities or obligations pursuant to this Agreement, then the LLC shall protect and hold harmless and pay all costs and reasonable attorney's fees incurred by County in connection with such litigation, and any appeals thereof.

15.2.1.4 The foregoing indemnification shall not apply to the extent any claims, liability, expenses, losses, costs, fines and damages arise from the negligent or willful acts of the County Indemnified Parties.

16.3 Additional Requirements.

16.3.1 All insurance policies must be issued by an insurance carrier with an A.M. Best rating of A- and Class VII or better.

16.3.2 The LLC shall cause the County to be listed as an additional insured (and not as a named insured) for claims arising in connection with the LLC's operations on the Commercial General Liability Policy (using ISO Form CG2010 10 101 or its equivalent) and the Automobile Policy. The Additional Insureds shall include "Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Employees and Agents", c/o Property & Real Estate Management Division, 2431 Vista Parkway, West Palm Beach, FL 33417-3605. All liability insurance policies must provide Cross Liability coverage (waiver of interests or severability of interest provisions). Coverage for the County as an additional insured shall apply on a primary basis irrespective of any other insurance, whether collectible or not, in connection with the operations of the LLC. No policy shall contain a self-insured retention, but may have a deductible.

16.3.3 Current valid insurance policies meeting the requirements herein identified shall be maintained during the Term. Renewal certificates shall be sent by the LLC to the County as soon as practicable after the policy is renewed. There shall also be a ten (10) day notification to the County in the event of cancellation of any stipulated insurance coverage.

16.4 County Insurance. The County shall secure and maintain during the Term the following coverage:

A. Property Insurance. The County shall insure the Facility against damage or destruction by fire, flood, hurricanes, tornadoes, terrorism or other casualty under a standard "all risk" insurance policy ("Damage"), except as otherwise set forth in Section 17.2. Insurance shall be for one hundred percent (100%) replacement value. County shall be responsible for paying deductible costs, except that in the event the damage by fire or by other casualty is due to any fault or neglect of the LLC, then the LLC shall be responsible for paying a reasonable deductible, not to exceed One Hundred Thousand Dollars (\$100,000.00) in the aggregate.

B. General. Current valid insurance policies meeting the requirements herein identified shall be maintained by the County during the Term. Renewal certifications shall be sent by the County to the LLC as soon as practicable after the policy is renewed. There shall also be a ten (10) day notification to the LLC in the event of cancellation of any stipulated insurance coverage.

C. Other Insurance. Without waiving the right to sovereign immunity as provided by Florida Statutes §768.28, County shall maintain, during the entire term hereof, self-insurance coverage or third-party insurance coverage for comprehensive general liability and automobile liability in the amount of Two Hundred Thousand Dollars (\$200,000) per person and Three Hundred Thousand Dollars (\$300,000) per incident or occurrence and Worker's Compensation Insurance covering all County employees in accordance with Florida Statute Chapter 440. In the event the Legislature should change the County's exposure by statute above or below the sums insured against, the County shall maintain insurance to the extent of that

exposure. Upon request by the LLC, the County shall provide a statement or certificate of insurance evidencing its insurance, and/or self-insurance coverage.

16.5 Waiver of Sovereign Immunity. The County acknowledges the waiver of sovereign immunity for liability in tort contained in Florida Statutes §768.28 and acknowledges that such statute permits actions at law against the County to recover damages in tort for money damages up to the amounts set forth in such statute for injury or loss of property, personal injury, or death caused by the negligence or wrongful act or omission of an employee of County while acting within the scope of the employee's office or employment under circumstances in which County, if a private person, would be liable under the general laws of this State.

16.6 Waiver of Subrogation. The County and the LLC each hereby waive any and all rights of recovery against each other and their respective agents and employees for loss or damage to each other arising from any cause insured against under any policy of insurance required to be carried by such waiving party to the extent of all proceeds recovered thereunder.

16.7 Guaranty. The full and unconditional performance of the obligations of the LLC set forth in this Agreement is guaranteed by the Teams, pursuant to the Astros' Guaranty and the Nationals' Guaranty, which are attached to the Developer Agreement as Exhibits I-1 and I-2 and incorporated herein by reference. Any attempt by a Team to rescind or terminate its Guaranty to this Agreement shall constitute a material breach of this Agreement, excluding an authorized transfer or assignment as set forth in Article 13. Each Guaranty is an unconditional, absolute, irrevocable, general and continuing guaranty.

16.8 Notification to County. In the event of: 1) a life threatening or dangerous incident or injury where the LLC is made aware that medical attention was sought and occurred within a Public Use Improvement of the Facility, and/or; 2) any claim or action that names the County or alleges that the County has responsibility in whole or in part, the LLC shall notify the County's Risk Management Department and provide general information concerning the claim and cooperate with the County in investigating and taking such action as may be appropriate.

ARTICLE 17 **DAMAGE/DISRUPTION OF FACILITY**

17.1 Casualty Loss.

17.1.1 If all, or any portion of the Facility, other than the LLC Restoration Areas, is damaged or destroyed by fire, flood or other casualty (a "Casualty Loss"), the County, shall fund the repair and restoration of that portion of the Facility to the greater of the condition existing immediately prior to such Casualty Loss or the condition required by Law, provided, however, that County is under no obligation to fund the repair and restoration of any work in regard to the LLC Restoration Areas, and provided that County is under no obligation to fund the repair or restoration of any property damage resulting from deviations from County's standard design and construction policies that are identified in Exhibit F to the Developer Agreement.

17.1.2 In advance of a named tropical storm or other local public service announcements of sustained winds in excess of 45 mph, the LLC has the responsibility and

obligation for taking reasonable measures to prepare the Facility as if it was the owner of the Site and Facility. Particularly, the LLC shall be responsible for securing personal property, ensuring that all building openings are closed, installing wind protection devices that were purchased with funding from the Program Budget, and for removing construction materials and any other temporary equipment that may otherwise be stored on the Site. Within 48 hours of a wind event concluding, the LLC has the responsibility and obligation to: 1) evaluate the site for damage to the Facility which is the financial responsibility of the County pursuant to Section 17.1.1, and 2) contact the County's Representative to review the evaluation described in 1) above, and for instructions for mitigating further damage to the Facility and proceeding with the repair and restoration of the Facility.

17.1.3 If, in the LLC's good-faith judgment, there is substantial interruption with the operation of the LLC's activities at the Facility as a result of a Casualty Loss which requires the LLC to temporarily utilize other facilities, or cancel scheduled events at the Facility, the LLC shall schedule spring training activities and the games of the Teams at other facilities and the LLC's obligations under this Agreement, including payment of the fees set forth in Article 6 hereof, shall be temporarily suspended until the County has performed its obligation to fund the repair and restoration of the Facility as required in Section 17.1.1 to permit the intended use hereunder. The County, the LLC, and the Teams agree to use good faith efforts to apply any applicable benefits and proceeds under any applicable insurance policies received for the Facility to restore the Facility to a usable condition in the shortest period of time. In addition, the Teams agree, after thoroughly evaluating all player and visitor safety issues, and determining that it is safe to do so, to resume the use of the Facility for Spring Training in advance of the entire restoration being completed. If the Facility repair and restoration is not or will not be funded by County as required in this Article 17 within three (3) years of the date of the Casualty Loss, then the LLC will have the option to terminate this Agreement. The LLC shall provide written notice of termination pursuant to this Section 17.1.3 to the County, and upon such termination, the County and the LLC shall be relieved of their obligations hereunder, except as expressly provided herein to the contrary in this Agreement.

17.1.4 Upon receipt of County funding pursuant to Section 17.1.1 or 17.1.3, the LLC shall perform the repair and restoration diligently and expeditiously to the greater of the condition existing immediately prior to such Casualty Loss or the condition required by Law.

17.2 LLC Restoration Areas.

17.2.1 The repair and restoration of the LLC Restoration Areas following a Casualty Loss shall be the sole responsibility of the LLC. The LLC shall repair, restore and rebuild the LLC Restoration Areas as is required in order to resume use of the Facility for its intended use. County may consider, but is not required, to temporarily suspend the LLC's fee obligations pursuant to Article 6 of this Agreement in the event of a Casualty Loss to the LLC Restoration Areas.

17.2.2 All property damaged or destroyed as a result of deviations from County's standard design and construction policies identified in Exhibit F to the Developer Agreement, shall be considered LLC Restoration Areas for the purposes of determining

financial responsibility for claims including, but not limited to, damage to personal property, damage to the Facility, all property insurance claims and deductible costs and financial responsibility for repairs or restorations to property resulting from said deviations.

17.2.3 All property damaged or destroyed as a result of the LLC adding to, modifying, or using a structure in a manner other than its intended use, or without first seeking any and all approvals and permits for the addition, modification, or use shall be considered LLC Restoration Areas for the purposes of delineating financial responsibility for claims including, but not limited to, damage to personal property, damage to the Facility, all property insurance claims and deductible costs and financial responsibility for repairs or restorations to property resulting from said deviations. For clarity, this Section 17.2.3 is not intended as an exemplification of Section 17.2.2.

ARTICLE 18 DISPUTE RESOLUTION

18.1 Dispute Resolution. The LLC and the County agree to make every reasonable effort to resolve any dispute under this Agreement prior to either party's proceeding to file a lawsuit due to a default by the other party. Accordingly, in the event of a dispute related to the performance of either the LLC or the County under this Agreement, the LLC and the County agree not to file a lawsuit until they have engaged in an expedited dispute resolution mediation process, the parameters of which are to be agreed upon by the parties. The process is initiated by delivery of written notice to the other party, setting forth the subject of the dispute, claim or controversy and the relief requested. Within ten (10) days after the receipt of the foregoing notice, the other party shall deliver a written response to the initiating party's notice. The initial mediation sessions shall be within thirty (30) days from the initiating notice. The parties agree to share equally in the costs and expenses of the mediation and to each bear their own attorneys fees and costs. The parties may mutually agree to extend the timeframes set forth in this Section.

ARTICLE 19 CONDITIONS PRECEDENT

19.1 Conditions Precedent. The obligations of the County under this Agreement are expressly subject to each of the following conditions precedent having been satisfied:

A. The full execution and effectiveness of the Operative Agreements, including, specifically, the effectiveness of the Interlocal Agreement without the need for a referendum pursuant to Section 2-31(27)(f) of the City Code of Ordinances. For clarity, in the event a referendum is required and the referendum passes, then the condition precedent set forth in Section 19.1(A) will remain unsatisfied. If a referendum is required and fails, then said condition precedent shall be deemed satisfied as long as said referendum occurs within the timeframe set forth herein or any extension agreed to by the parties; and

- B. The County's receipt of the Funding Certification Letter; and
- C. The approval of this Agreement by Major League Baseball, if required.

19.2 Failure of Conditions Precedent. The parties may agree to an additional amount of time for compliance with Conditions Precedent, or failing an agreed upon extension of time, may terminate the Developer Agreement pursuant to Article 10 herein, and this Agreement shall terminate simultaneously therewith pursuant to Section 10.5 of the Developer Agreement. Article 17 of the Developer Agreement shall apply to determine the reimbursement obligations of the LLC upon termination for failure of conditions precedent.

ARTICLE 20 TERMINATION

20.1 Termination by LLC.

20.1.1 The LLC shall have the right to terminate this Agreement, as follows:

A. For any reason prior to the sale of the County Bonds as set forth in Section 10.2 (A) of the Developer Agreement, subject to repayment of One Hundred Percent (100%) of the Actual Costs paid to the LLC pursuant to the Developer Agreement and the Due Diligence and Planning Services Agreement; or

B. Pursuant to the latest Election, subject to the LLC reimbursing the County fifty percent (50%) of the Actual Costs paid to the LLC pursuant to the Due Diligence Agreement and this Agreement. Notwithstanding the prior sentence, if the election occurs after all conditions precedent to issuance of County Bonds have been fulfilled except that a referendum is required pursuant to Section 2-31(17)(f) of the City Code of Ordinances, and the election occurs during or after a Referendum Period, then the LLC shall reimburse the County 100% of the Actual Costs at the date of termination.

C. If the conditions precedent set forth in Section 19.1 are not satisfied or waived by March 1, 2016, then the provisions of Section 19.2 shall control the right to termination.

20.1.2 In the event of termination pursuant to this Section 20.1, payment by the LLC to the County shall be made to County within thirty (30) days of receipt of substantiated bills from County.

20.1.3 In the event that the LLC desires to terminate this Agreement pursuant to this Section 20.1, the LLC shall deliver to the County a written notice of termination, which shall be effective on the Effective Termination Date.

20.2 Termination by County.

20.2.1 The County shall have the right to terminate this Agreement if the conditions precedent set forth in Section 19.1 are not satisfied or waived by March 1, 2016. The provisions of Section 19.2 shall apply to the County termination pursuant to this Section 20.2.1.

20.2.2 In the event that the County desires to terminate this Agreement pursuant to this Section 20.2, the County shall deliver to the LLC a written notice of termination, which shall be effective on the Effective Termination Date.

22.5 Section 288.11631, Florida Statutes

22.5.1 Florida Statute, section 288.11631 is intended to provide a process for the retention of spring training baseball franchises within the State that are funded with State incentive funding. The LLC Parties and the County acknowledge that the amount of State incentive funding provided by the State for this Facility is based on the continual use of the Facility by two separate spring training baseball franchises for the entire length of the Term.

22.5.2 If both Teams simultaneously fail to play each and every of their Major League Spring Training Home Games at the Facility, through no fault of the County or the State, and not as otherwise permitted by this Agreement, or pre-approved in writing by the County, then unless the provisions of Section 22.3.7 below apply, both Teams shall be deemed to have Relocated pursuant to section 288.11631(2)(a)2, Florida Statutes, and thus, materially breached this Agreement, and, as such, the Teams, jointly and severally, shall reimburse the State for the

total amount of State distributions expected to be paid from the date of Relocation through the final maturity of the County Bonds, pursuant to section 288.11631, Florida Statutes.

22.3.3 In the event that during the Term of this Agreement, either one of the Teams fails to play each and every of its Major League Spring Training Home Games at the Facility, through no fault of the County or the State, and not as otherwise permitted by this Agreement or pre-approved in writing by the County, then unless the provisions of Section 22.3.7 below apply, such Team shall be deemed to have relocated ("1st Relocating Team"). The 1st Relocating Team agrees that relocation constitutes a material breach of this Agreement and the 1st Relocating Team agrees to reimburse the State 60% of the total amount of State distributions expected to be paid from the date of breach through the final maturity of the County Bonds, pursuant to section 288.11631, Florida Statutes.

22.3.4 Subsequently, if the remaining Team fails to play each and every of its Major League Spring Training Home Games at the Facility, through no fault of the County or the State, and not as otherwise permitted by this Agreement, or pre-approved in writing by the County, then unless the provisions of Section 22.3.7 below apply, such Team shall be deemed to have relocated ("2nd Relocating Team"). The 2nd Relocating Team agrees that relocation constitutes a material breach of this Agreement and the 2nd Relocating Team agrees to reimburse the State 40% of the total amount of State distributions expected to be paid from the date of breach through the final maturity of the County Bonds, pursuant to section 288.11631, Florida Statutes.

22.3.5 A breach of the Statute shall be considered to have occurred when a Team becomes a Relocating Team pursuant to Section 22.3.2, 22.3.3 or 22.3.4.

22.3.6 All obligations to reimburse the State that are described in this Agreement shall be enforceable by the State, and are secured by the Guarantee executed by each of the Teams as required by Section 16.7 herein.

22.3.7 Notwithstanding Sections 22.3.2 through 22.3.4 above, if a Team(s) or a Relocating Team is able to find a new Major League Club(s) to relocate to the Facility and play that replacement club's Major League Spring Training Home Games at the Facility, and such Major League Club is approved by the State as provided in Section 13.2.3, then the Team (s) shall be only responsible for that pro-rated portion of the repayment obligation imposed by Section 22.3.2 through Section 22.3.4, as applicable, for the period from the date such Team is deemed to have relocated, and continuing until the first day of the month that the replacement Major League Club plays its first Major League Spring Training Home Game at the Facility and not the entirety of the obligations set forth in Section 22.3.2 and Section 22.3.4 above; provided, however, that there is a completed assignment or transfer that satisfies all conditions of Section 13.2.2 of this Agreement. If a Team or Teams relocates, as defined in Section 22.3.2 through 22.3.4, then until such time as two separate Major League Clubs are both fully obligated as required by this Agreement, inclusive of the Guarantee hereto, the repayment obligations set forth in this Section shall apply.

22.3.8 The State, by and through DEO and DEO's successors and assigns, is a third party beneficiary of this Agreement and the Guaranties to this Agreement which are incorporated herein by reference. The State and DEO shall have standing to any action at law or in equity: 1) relating to, and/or to seek and/or compel performance of, the obligations imposed by Section 5.1.2 and/or Section 22.3 herein; and 2) relating to, and/or pursuant to, the Guaranty executed by each Team, in the same manner, to the same extent, and according to the same terms and provisions as are applicable to the County pursuant to each Guaranty. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This section 22.3.8 is cumulative with, and shall in no way limit, the State or DEO's other rights and remedies under law.

26.1 Warranty. The LLC warrants and represents that all of its employees are treated equally during employment without regard to race, color, national origin, religion, ancestry, sex, age, familial status, marital status, sexual orientation, gender identity and expression, disability, or genetic information.

26.2 Policy. The LLC has submitted to County a copy of its non-discrimination policy which is consistent with the above paragraph, as contained in R-2014-1421, as amended, or in the alternative, if the LLC does not have a written non-discrimination policy or one that conforms to the County's policy, it has acknowledged through a signed statement provided to County that the LLC will conform to the County's non-discrimination policy as provided in R-2014-1421, as amended.

ARTICLE 27 **SURRENDER OF FACILITY**

27.1 Return of Facility. At the termination of this Agreement, the LLC shall return the Facility to its original or subsequently improved condition (ordinary wear and tear, insured casualty, loss or damage by fire, elements or other causes, approved changes in design, or

installation of Capital Improvements excepted), and return to the County all equipment and personal property of the County, in each case after inspection of the Facility, which inspection shall be made jointly by the County and the LLC. Promptly after such inspection at the termination of any occupancy, if any repairs to the Facility or the County's equipment or personal property are deemed to be necessary which result from the Facility and all of the County's equipment and personal property not being maintained to a standard that is consistent with the standards of maintenance for similar types of public recreation facilities that include public amenities in Palm Beach County, the LLC shall have the option to: (i) make necessary repairs; or (ii) pay to the County any damages due for damage to the Facility or to personal property (ordinary wear and tear, insured casualty, loss or damage by fire, elements or other causes, approved changes in design, or installation of Capital Improvements excepted), except to the extent said damage was caused by the assigns, agents, employees or officers of the County. In the event that the LLC and the County cannot agree on repairs to be made pursuant to subsection (i) or the amount of damage pursuant to subsection (ii), the LLC and the County agree to expeditiously submit the matter to dispute resolution pursuant to Article 18 of this Agreement.

27.2 Disposition of Non-County Property. The LLC shall have the right, upon termination of this Agreement, and within sixty (60) days thereafter, to remove from the Facility all movable property which is not permanently affixed to the structure and which is not owned by the County, and all concession equipment, all retail, restaurant food service, and catering equipment, fixtures and fit-out, and satellite television equipment, not owned by the County, whether or not such items are deemed movable and whether or not they are permanently affixed to the structure; provided, however, that the LLC will give the County thirty (30) days notice prior to such proposed removal of items, not owned by the County, permanently affixed to the structure; and provided further that the LLC's removal of such items shall not materially adversely affect the structural integrity of the Facility, in the opinion of a neutral third-party State of Florida-licensed engineer who will review such proposed removal at the LLC's and County's joint expense. The LLC agrees to repair any damage caused by such removal to the County's reasonable satisfaction. The LLC shall not remove any property which was placed on, constructed at, or affixed to, the Facility as a replacement or addition of property initially owned by the County.

ARTICLE 18 FORCE MAJEURE

Except as otherwise provided herein, neither party shall be in default under, or breach of, this Agreement to the extent it is unable to perform due to an event of Force Majeure, provided however, that the parties must comply with the requirements of Article 17. For the purpose of this Agreement, "Force Majeure" shall mean and include any act of God, accident, fire, riot or civil commotion, act of public enemy, failure of transportation facilities, enactment, rule, order or act of government or governmental instrumentality (whether domestic or international and whether federal, state or local (except in the case of a rule, order or act by Palm Beach County), or the international equivalent thereof), failure of technical facilities, or any other cause of any nature whatsoever beyond the control of the parties (excluding a strike, lockout, or other labor dispute involving Major League Baseball) which was not avoidable in the exercise of reasonable

care and foresight. The party claiming the occurrence of a Force Majeure event shall promptly notify the other party of such occurrence, and the likely duration and termination thereof. If a Force Majeure causes a Team to fail to play an entire Full Spring Training Season or more at the Facility, this Agreement shall be automatically extended beyond the Term for an additional period of time equal to the amount of time the Team failed to play its Major League Spring Training Home Games at the Facility due to that Force Majeure.

ARTICLE 29 **LABOR DISPUTE**

In the event of a lockout, strike, or other labor dispute involving Major League Baseball ("Labor Dispute"), the LLC will continue to be obligated to provide Repair and Maintenance, Renewal and Replacement and Capital Improvements to the Facility, but the LLC will be permitted to scale down its operations of the Facility until such time as the Labor Dispute is resolved and the LLC can commence Major League Baseball operations at the Facility. Notwithstanding the foregoing, in the event of a Labor Dispute which prevents the LLC from using the Facility for a Full Spring Training Season, this Agreement shall be automatically extended beyond the initial Term for an additional Full Spring Training Season.

ARTICLE 30 **MORE FAVORABLE TERMS**

30.1 New Major League Clubs in Palm Beach County. If, at any time during the Term, the County directly or indirectly enters into an agreement with another Major League Club for the operation and use of another stadium, other than renovation and/or redevelopment of the Roger Dean Stadium operated by Jupiter Stadium, Ltd., and any renewal, restatement, extension, amendment or renegotiation of the First Restated Sports Facility Use Agreement with Jupiter Stadium Ltd., (R2011-0694) as further described below, which agreement includes among its terms the right to play more than two (2) Spring Training Season home games in the County during any Spring Training Season, the County shall provide the LLC with a copy of such agreement. If the LLC reasonably believes that the terms of such agreement are more favorable than the corresponding term(s) contained herein, the LLC shall have no longer than 21 days from the time that the LLC is provided such an agreement to so notify the County. In such event the more favorable terms shall be substituted for the corresponding term(s) of this Agreement for the remainder of the Term, retroactive to the date the County entered into the agreement with the other Major League Club. Notwithstanding the foregoing, in the event such more favorable terms would impact the then applicable tax status of the County Bonds, the LLC shall not be entitled to such more favorable terms.

30.2 First Restated Sports Facility Use Agreement with Jupiter Stadium, Ltd. In the event the County renews, restates, extends, amends or renegotiates the First Restated Sports Facility Use Agreement with Jupiter Stadium, Ltd., (R2011-0694) (the "Renewed Use Agreement") during the Term hereof, the County shall provide the LLC with a copy of the Renewed Use Agreement. If the LLC reasonably believes that any of the terms of the Renewed Use Agreement are more favorable than the corresponding term(s) contained herein, the LLC shall have no longer than 21 days from the time the LLC is provided a copy of the Renewed Use

Agreement to notify the County. In such event, the more favorable terms shall be substituted for the corresponding term(s) of this Agreement for the remainder of the Term, retroactive to the date the County enters into the Renewed Use Agreement. Notwithstanding the foregoing, Section 5.1.2, Section 5.5 (Buffer Area), Article 6 (Use Fees), Article 19 (Conditions Precedent), and Article 20 (Termination) shall be excluded from this Article 30. Article 13 (Transfer), Section 16.7 (Guaranty) and Article 22 (Remedies) shall be excluded insofar as any interest, right or remedy of the State or DBO. In the event such more favorable terms would impact the then applicable tax status of the County Bonds or impacts the interests or rights of State herein, the LLC shall not be entitled to seek more favorable terms.

30.3 The parties hereto acknowledge that the provisions of this Article 30 shall not apply to any Developer Agreement for the Roger Dean Stadium operated by Jupiter Stadium, Ltd.

30.4 Notwithstanding anything in this Article 30 to the contrary, the Parties hereto may not alter this Agreement in any way that reduces, harms, or otherwise impairs the rights of State herein without express written consent from State.

ARTICLE 31 **INSPECTOR GENERAL**

County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of the LLC, its officers, agents, employees, and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be a violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statute, in the same manner as a second degree misdemeanor.

ARTICLE 32 **PUBLIC RECORDS**

32.1 **County Access to Records**. The LLC shall maintain adequate records to justify all charges, expenses and costs incurred in estimating and performing the obligations of the LLC hereunder for three (3) years, or such longer period of time as required by law, after the termination or completion of this Agreement. The County shall have access in Palm Beach County to such books, records, and documents as required in this Section for the purpose of inspection or audit during normal business hours, at the LLC's place of business, provided that (a) the County notifies the LLC no less than Thirty (30) Days prior to the date of such inspection or audit, and (b) the number of such inspections or audit shall be limited to one (1) per calendar year. The LLC agrees to make available to the County, at the County's request, and at the County's sole cost and expense, all documents and materials pertaining to the obligations of the LLC and the operation of the Facility as required by this Section 32.1, if after three (3) years, then still in the possession of the LLC.

32.2 Public Access to Records. As applicable and legally required, the LLC shall comply with the requirements of §119.0701, Florida Statutes, as amended. Specifically, to the extent required by §119.0701, Florida Statutes the LLC shall:

A. Keep and maintain public records that ordinarily and necessarily are required by the County in order to perform the services as provided under this Agreement.

B. Maintain all public records in a readily accessible, organized format consistent with the requirement of identifying, retrieving and providing prompt and frequent access to records.

C. Provide the public with access to public records on the same terms and conditions that the County is by law required to furnish, and at a cost that does not exceed the cost provided in Florida Statutes, Chapter 119 or as otherwise provided by law.

D. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements pursuant to Florida Statute are not disclosed, including but not limited to, records that are exempt pursuant to § 253.047, Florida Statute and §125.0104(9), Florida Statute, except as may be authorized by law.

E. Redact part of a record if an exemption applies to part of a record, while producing the remainder of the record and providing the statutory exemption citation that exempts the portion of the record.

F. If responding that an entire record is exempt, respond by stating the basis of the exemption and providing the statutory exemption citation.

G. If requested, provide in writing and with particularity the reasons for the conclusion that the record is exempt or confidential.

H. Meet all requirements for retaining public records and transfer, at no cost, to the County all public records in possession of the LLC upon termination of the Agreement and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to County in a format that is compatible with the information technology systems of County.

32.3 Breach of Agreement. Failure of the LLC to comply with the requirements of Section 32.2 herein shall be a material breach of this Agreement.

ARTICLE 33 MLB REQUIREMENTS

33.1 Conformity with Rules. The LLC represents and warrants that, to the best of its knowledge, the execution, delivery and performance by the LLC of this Agreement does not violate any provision of the MLB Rules and Regulations including, but not limited to, specifically, the Major League Rules, the Professional Baseball Agreement and the Official Baseball Rules.

33.2 Approval of Major League Baseball. This Agreement shall not be effective until such time as all applicable MLB Approvals have been obtained, which approvals may be withheld in their sole and absolute discretion. In all respects, this Agreement shall be subject to the then current rules and regulations of Major League Baseball. Notwithstanding anything in the foregoing to the contrary, the LLC represents and warrants that the only MLB Approval required for this Agreement to be effective is the receipt of a no-objection letter from the BOC.

33.3 Rules and Regulations. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by the Astros or the Nationals (whether through the LLC or otherwise) hereunder shall in all respects be subordinate to the MLB Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities. In the event that any act or omission of the LLC, the Astros and/or the Nationals to comply with the MLB Rules and Regulations affects the rights of the County under this Agreement or deprives the County of the benefits of this Agreement, the parties will work in good faith to amend the terms of this Agreement to neutralize the effect. The LLC agrees in any event that if compliance by it with MLB Rules and Regulations results in a failure of the LLC to fulfill its obligations under this Agreement, the County and DBO may enforce remedies for the LLC's failure to fulfill its obligations as provided in this Agreement.

33.4 Territory. The territory within which the County is granted rights is limited to, and nothing herein shall be construed as infringing on the County (or any other party) rights in areas outside of, the Spring Training territory of the Astros or the Spring Training territory of the Nationals, as the case may be, each as established and amended from time to time pursuant to the MLB Rules and Regulations.

ARTICLE 34 GENERAL PROVISIONS

34.1 Governing Law and Venue. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Florida. 34.5 Further Instruments. The parties agree to execute and deliver any instruments in writing necessary to carry out any agreement, term, condition or assurance in this Agreement whenever the occasion shall arise and request for such instrument shall be made.

34.6 Integration and Merger. This Agreement, together with the Operative Agreements, shall constitute the full and complete understanding between the parties as to the matters addressed herein. There are no oral understandings, terms or conditions, and no party has relied on any representation, express or implied, not contained in this Agreement. All prior understandings, terms or conditions (including those set forth in the Agreement), whether with a party to this Agreement or any partner of a party, are deemed to merge in this Agreement, and this Agreement cannot be changed or supplemented except by an agreement in writing and signed by the parties to this Agreement.

34.7 Severability. If any provisions of this Agreement shall be declared invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect.

34.8 Compliance with Laws. None of the parties hereto shall in any manner, directly or indirectly, violate the laws, ordinances, rules or regulations of any federal, state, county, city, or other governmental authority or agency in connection with the development, construction, use, operation and occupancy of the Facility under the terms of this Agreement.

34.9 Exhibits. All exhibits referenced in this Agreement are incorporated into this Agreement by such reference and shall be deemed to be an integral part of this Agreement.

34.10 Amendments. No change, amendment or modification of this Agreement shall be valid or binding upon the parties hereto unless such change, amendment, or modification shall be in writing and duly executed by both parties hereto, and, unless such amendment or modification has received, in advance, all applicable MLE Approvals. No change, amendment or modification of this Agreement shall be deemed to be made by either party on the basis of any action or failure to act by either party or by the course of performance, course of dealing, or course of conduct of either party.

34.11 Financial Information. Except as may be required by federal, state or local law, rule or ordinance, and except as may be compelled or ordered in conjunction with any legal proceeding, this Agreement does not require the Guarantors to disclose or provide any financial

information, other than the specific information set forth in paragraph five (5) of the Guarantees attached as Exhibits "I-1" and I-2" to the Developer Agreement.

34.13 No Waiver. Any waiver by either party of a breach of any provision of this Agreement shall not operate as, or be construed to be, a waiver of any other breach of such provision or of any breach of any other provision of this Agreement. The failure of a party to insist upon strict adherence to any term of this Agreement on one or more occasions shall neither be considered a waiver nor deprive that party any right thereafter to insist upon strict adherence to that term or any other terms of this Agreement. Any waiver must be in writing and signed by the party to be charged therewith.

34.14 Counterparts. Provided that all parties hereto execute an original of this Agreement, this Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

34.15 Nature of Parties' Obligations.

34.15.1 It is understood and agreed that the LLC is acting as an independent contractor in the performance of its services hereunder, and nothing herein shall be deemed to create a joint venture, agency or partnership relationship between the County and the LLC.

34.15.2 The obligation of the County to pay any amounts required under this Agreement shall constitute a revenue obligation of the County payable solely from legally available non-ad valorem revenues of the County and shall not in any way be construed to be a debt of the County in contravention of applicable constitutional, statutory or charter limitations or requirements concerning the creation of indebtedness of the County. Neither the County, the State of Florida, nor any political subdivision or agency thereof shall be obligated to pay any sums due under this Agreement from compelled levy of ad valorem or other taxes, and neither the full faith and credit nor the taxing power of the County, the State of Florida or any political subdivision or agency thereof are pledged for payment of such sums due under this Agreement.

All parties further agree that no manager or member shall directly or indirectly have any liability or obligation under any related agreement or agreement entered into in connection herewith, nor under any related understanding or undertaking, except if and to the extent such manager and member shall have

executed an agreement expressly agreeing to such liability. No party to this Agreement shall name or serve any manager or member in any proceeding, suit or claim in violation of this paragraph. This paragraph shall not preclude any claim against the LLC as a limited liability company. The County agrees that the LLC may, in its sole discretion, convert from a limited liability company to a limited liability partnership or otherwise reorganize its legal structure ("Reorganization") without the necessity of any approval of the County; provided, however, that, (a) following such Reorganization, the Teams are the sole owners of all interests in the reorganized entity (the "Reorganized LLC"), and (b) upon any such Reorganization, the Reorganized LLC shall assume all rights and obligations of the LLC under this Agreement and shall provide County with written evidence of the same.

34.17 Time is of the Essence. In all matters concerning or affecting this Agreement, time is of the essence.

34.18 Annual Appropriations. The County's performance and obligation to pay under this Agreement is contingent upon annual appropriations for its purpose by the Board of County Commissioners.

34.19 Construction. No party shall be considered the author of this Agreement since the parties herein have participated in extensive negotiations and drafting and redrafting of this document to arrive at a final agreement. Thus, the terms of this Agreement shall not be strictly construed against one party as opposed to the other party based upon who drafted it. In the event that any article, paragraph, sentence, clause, or provision hereof is held by a court of competent jurisdiction to be invalid, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect.

THE REMAINDER OF THIS PAGE IS LEFT INTENTIONALLY BLANK

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed in several counterparts, each of which shall constitute an original and all of which, taken together, shall constitute a single instrument, as of the day first written above.

The County shall not act, or fail to act, in a manner that would cause, or would reasonably be expected to cause, the completion of the Program to be delayed. The County shall provide assistance to and use reasonable efforts to cooperate with the LLC in the performance of this Agreement. Nothing in this Section shall be construed to require either party to violate any valid and enforceable Public Laws.

LLC shall replace the unacceptable Program Representative with a Program Representative acceptable to the County.

6.4 The Program Representative shall invite the County Representative to each and every meeting scheduled with the City or governmental regulatory agency, including, but not limited to, all meetings relating to permitting or approvals. The LLC shall provide the County with advance notice of any regularly scheduled Program meetings. The Program Representative shall invite the County Representative to each and every meeting scheduled with every Consultant and the Contractor or any Subcontractor, except those meetings relating directly to the construction of City Park or the City Park Improvements.

6.5 The LLC shall not self-perform any physical construction at the Site pursuant to this Agreement. Furthermore, the LLC shall not perform, and nothing contained in this Agreement shall be construed to require the LLC to perform, any activity or service which would require a license, a certificate of authorization, certification or registration under Chapters 471, 481 or 489, Florida Statutes.

6.6 Except as otherwise specifically provided in this Agreement, the County agrees that the LLC shall make all decisions relating to the design, construction, development and delivery of the Facility and Program.

7.1 The LLC agrees to abide by County's Small Business Enterprise and Local Preference policies as set forth in Palm Beach County Code Sections 2-80.21 through 2-80.34 and Sections 2-80.41-44, 2-80.46, 2-80.47, as amended, with an SBE Goal of 15% for the Program. Such approval shall be proof that the requirements of this Section 7.2 are met.

7.3 The LLC shall ensure that each Consultant Contract and Construction Contract has the requirement that the Consultant and Contractor deliver to the County Representative, such documents and materials received by, and in the possession of, the LLC, prepared by the Consultant and the Contractor pursuant the Consultant Contract or the Construction Contract, as the case may be, or pursuant to any other agreement related to the Program, as the County may reasonably request. ARTICLE 8
PROGRAM COST ESTIMATE and PROGRAM BUDGET

8.1 Creation of a Program Cost Estimate.

8.1.1 The LLC shall create a Program Cost Estimate. Prior to the issuance of the County Bonds, the LLC shall submit the form and structure of the Program Cost Estimate for approval by the County. The County's approval shall be for compliance with the requirements of this Agreement as well as the form and practicality of monitoring and implementation throughout the term of the development of the Facility.

8.1.2 The Program Cost Estimate shall specifically identify the line items reflecting the anticipated Actual Costs, which include Program Contingency lines and Non-Eligible Costs, in accordance to County's specific requirements.

8.1.3 The LLC shall designate which Consultant will be responsible for the management of the Program Cost Estimate and the Program Budget.

8.2 The Consultant identified to create and manage the Program Cost Estimate and the Program Budget shall maintain a separate budget with detailed expenditures relating to the development of City Park and the City Park Improvements.

8.3 Cost Overruns.

The LLC will be responsible for Cost Overruns, except to the extent: (a) the County imposes a program requirement in excess of the Minimum Requirements that results in a Cost Overrun; or (b) the County breaches any of the Operative Agreements or any agreements relating to bond financing for the Program, which breach results in a Cost Overrun. In the event that either of the foregoing causes occurs, the County shall pay a proportionate share of any such Cost Overrun, which proportion shall be equal to the extent to which the Cost Overrun was caused by the County. Any payment by the LLC for Cost Overruns shall be not be deemed a payment for use of any portion of the Facility, but rather an equity contribution.

8.4 Cost Savings

8.4.1 The County and the LLC shall use good faith efforts to achieve Cost Savings through the various stages of the Program and shall allocate the Cost Savings as set forth herein.

8.4.2 The County and the LLC will work together throughout the design of the Facility to ensure: 1) the design and specifications reflect the materials typically installed in professional sports stadium facilities, 2) that quantities of features are generally comparable to other professional stadium facilities, 3) that Public Use Improvements are designed to County standards where comparable standards exist, 4) that any recycled and/or re-used materials are considered, when appropriate, and that 5) specified building equipment and materials are of types and installation details typical to South Florida. The County shall conduct design reviews to ensure consistency with the above listed requirements and to identify opportunities for Pre-Construction Cost Savings as follows:

- A. The LLC shall invite County to participate in any meetings it believes appropriate to facilitate the identification of Cost Savings. The County shall be allowed to participate in any meetings and/or discussions that the County believes appropriate to facilitate Cost Savings.
- B. The LLC will provide County with electronic access to design submittals (schematic design, design development, construction documents and corresponding cost estimates) and provide County with copies of the design submittals as requested by County. The LLC shall work with County, including meeting with County and inviting County to design review meetings, in order to facilitate County review of design submittals, including plans, specifications and schedules. The LLC shall provide County with written reports detailing all comments resulting from such interim submittal reviews. The County shall review and provide comments to the LLC upon receipt of the estimates of probable construction cost as prepared by the Contractor. The County may make recommendations to advise the LLC where the estimate of probable construction cost could be reduced in order to achieve Pre-Construction Cost Savings.
- C. The LLC shall review all comments of County as it relates to the design submittals and probable construction costs to ensure the LLC addresses each comment and incorporate changes approved by the LLC, if any, into the Program Cost Estimate.
- D. Pre-Construction Cost Savings will be identified and allocated no later than the time of County Board approval by the County.

8.4.3 Pre-Construction Cost Savings will be shared between the County and the LLC, on a pro rata basis of the total cost of the Program over the term of this Agreement. The County's share will be calculated based upon the combined State and County's contribution to reduce the Budgeted Amount. The LLC's share shall reduce the LLC's total payment obligation to County as set forth in Section 6.5.2 of the Sports Facility Use Agreement, which shall be applied proportionately to reduce all Team Improvement Areas Fee payments, during the term of the Sports Facility Use Agreement.

8.4.4 The LLC shall implement the Sales Tax Recovery Program pursuant to the policies and procedures set forth in Exhibit E attached hereto. It shall be the responsibility of the Program Representative to seek the advanced approval of the County Representative on whether a commodity is eligible for purchase pursuant to the Sales Tax Recovery Program. The Program Representative will be responsible for processing all Sales Tax Recovery Change Orders and Sales Tax Recovery PO's. The County will respond within ten (10) business days of receipt of properly completed Sales Tax Recovery PO's. To the extent that the County receives any proceeds in accordance with Section 2.1.13 of Exhibit E hereto, the County agrees that said proceeds shall be utilized to replace any commodity purchased under the Sales Tax Recovery Program, unless otherwise agreed to by the County and the LLC.

8.4.5 All savings resulting from participation in the Sales Tax Recovery Program will be credited to the Program Contingency in the Program Cost Estimate.

8.4.6 The Parties acknowledge that the costs of any particular line item for Services will vary from the number identified in the Program Cost Estimate. If the contracted cost of the particular Service is less than that identified in the Program Cost Estimate, then the LLC shall credit the difference to the Program Contingency ("Buy-Out Savings"). If the contracted cost of the particular Service is more than identified in the Program Cost Estimate, then the LLC shall first debit the Program Contingency, and once the Program Contingency is exhausted, the difference will be considered a Cost Overrun.

8.4.7 Construction Savings shall be deposited into the R/R Project Reserve and allocated one-third (1/3) to the County R/R Project Reserve and two-thirds (2/3) to the LLC's R/R Project Reserve, to provide initial funding for Renewal/Replacement Projects pursuant to the Sports Facility Use Agreement. To the extent the savings relate to facilities financed with the proceeds of County Bonds the interest on which is excluded from gross income of the holders thereof for federal income tax purposes (the "Tax-Exempt Bonds"), the County will seek an opinion of Bond Counsel to the effect that such application of the proceeds of such Tax-Exempt Bonds shall not, in and of itself cause interest on the Tax-Exempt Bonds to be included in the gross income of the holders thereof for federal income tax purposes.

8.5 Change Orders

8.5.1 The LLC shall provide County with a monthly report listing of all FBs, CCPs, Contingency Use, CCDs, and Change Orders with sufficient details to enable County's review of each of the above, for consistency with the terms of this Agreement.

8.5.2 Changes in the Consultant(s) and Contractor Scope of Work shall be authorized by the Program Representative pursuant to its standard practice and copies of such Change Orders shall be provided to County with each pay application.

8.5.3 The LLC is required to obtain County approval on any Change Order that: 1) significantly changes the general scope, extent or character of the Program or its design including, but not limited to, changes in size or character of construction; 2) modifies specified equipment and/or substitute materials in Public Use Improvements; and/or 3) changes the Art component, which Change Orders may be granted or denied in County's discretion. County may review other Program changes as deemed appropriate in County's discretion.

ARTICLE 9 COMPENSATION FOR SERVICES

9.1 The County shall timely pay any and all Actual Costs required to be paid by it to the LLC pursuant to the terms of this Agreement, which payments shall be made in accordance with the provisions of this Agreement.

9.2 The County shall only be required to pay for Actual Costs not exceeding the Budgeted Amount, retroactive from February 3, 2015. Except as otherwise provided in Section 8.3 for Cost Overruns attributable to County, under no circumstances shall the County pay for any other costs of the Program.

9.3 Requisition Process

9.3.1 On or before the fifth (5th) Day of each month, the LLC shall be entitled to submit to the County a payment certification and requisition for Actual Costs incurred, which shall include a copy of the Consultant or Contractor application for payment, certified by the LLC and the applicable Consultant or Contractor in accordance with the requirements of Exhibit G attached hereto. The LLC agrees to deliver to the County such back-up materials as the County may reasonably require, and which the LLC has reasonable access to obtain. Unless the County disputes all or a portion of any charge set forth in said payment certification and requisition, the County shall make payments to the LLC in the amounts due to: (a) the Consultant, pursuant to each Consultant Contract; and (b) the Contractor, pursuant to each Construction Contract; within 30 days from the date of receipt of a complete payment certification and requisition from the LLC. The Contractor's application for payment must also be accompanied by the Affidavit set forth in Section 9.3.2 below. To the extent that the County disputes all or part of the payment requested by the payment certification and requisition, the County shall make partial payment of the non-disputed amount and provide notice of the disputed amount and reason for the dispute to the LLC within ten (10) days of receipt of the payment certification and requisition. Said notice shall be considered the initial notice of the dispute resolution procedure set forth in Section 14.1 hereof, and the parties agree to follow the dispute resolution procedure to resolve any such payment disputes.

9.3.2 With each payment certification and requisition submitted to the County, the LLC shall deliver to the County from each Contractor(s) or Consultant(s) for which payment is requested, as the case may be, fully executed Affidavit of Disbursement of Previous Payments in the amount of the immediately prior payment for the applicable Contractor or Consultant, as the case may be, excepting any claims that remain in dispute. The County shall not release payment for any portion of the Services performed by the Consultant(s) or the Contractor(s), as the case may be, unless the payment certification and requisition submitted to the County is accompanied by the Affidavit of Disbursement of Previous Payments for the Consultant(s) or the Contractor. However, the County may, but shall not be required to, make payments on account of the respective Construction Contract or Consultant's Contract without such affidavit, if the Contractor or Consultant presents to the LLC, and the LLC presents to the County, a consent of surety to such payment, from the Contractor's or Consultant's surety, in form acceptable to the County.

9.4 The receipt of such payment by the LLC is hereby deemed to be a condition precedent to the LLC's obligation to transmit payments to the Consultant(s) or the Contractor(s). In the event that the County fails to make payment to the LLC in the entire amount of any payment certification and requisition submitted by the LLC, the LLC shall only be obligated to transmit payment to the Consultant(s) or the Contractor(s) in the amount actually received from the County. Notwithstanding the above, the receipt of payment from County is not a condition

precedent to the extent the payment request represents payment to a Consultant(s) or Contractor(s) attributable to a Cost Overrun payable by the LLC pursuant to Section 8.3 herein.

9.5 Upon receipt of payment from the County with respect to any payment certification and requisition, the LLC shall transmit payment to the Consultant or the Contractor, in the exact amount received from the County within five (5) Business Days from the date of the LLC's receipt of such payment from the County.

ARTICLE 10 TERM AND TERMINATION

10.1 The term of this Agreement shall commence on the Effective Date, shall amend and replace the Developer Agreement (R2015-1071) and shall continue until the earlier of: (a) full completion of all Services and payments contemplated under this Agreement; (b) the date of termination of the Interlocal Agreement if terminated prior to the closing as described in Section 10 therein; (c) the date of the termination of the Sports Facility Use Agreement; or (d) the date of the termination of this Agreement, pursuant to the terms hereof (the "**Term**").

10.2 The LLC shall have the right to terminate this Agreement:

- A. For any reason prior to the sale of the County Bonds, subject to repayment of One Hundred Percent (100%) of the Actual Costs paid to the LLC pursuant to the Due Diligence Agreement and this Agreement.
- B. Pursuant to the Interest Election, subject to the LLC reimbursing the County fifty percent (50%) of the Actual Costs paid to the LLC pursuant to the Due Diligence and Planning Services Agreement and this Agreement. Notwithstanding the prior sentence, if the election occurs after all conditions precedent to issuance of County Bonds have been fulfilled except that a referendum is required pursuant to Section 2-31(27)(f) of the City Code of Ordinances, and the election occurs during or after a Referendum Period, then the LLC shall reimburse the County 100% of the Actual Costs at the date of termination.
- C. In the event any of the conditions precedent set forth in Section 17.1 are not satisfied or waived by March 1, 2016, the provisions of Sections 17.2, 17.3 and 17.4 shall control the LLC's right to terminate this Agreement.

SALES TAX RECOVERY PROGRAM

1.0 Sales and Use Taxes. The County is exempt from paying sales and use taxes on materials and equipment purchased for, and incorporated into, the Facility. The County shall make direct purchases of all materials and equipment purchased for, or to be incorporated into the Facility, as requested by the LLC and confirmed by the County Representative to be eligible for the Program. All direct purchases of materials and equipment shall be made by the County with funding from the Budgeted Amount specifically allocated for the construction of the Facility, which is a capital improvement project, the construction of which is subject to the County's competitive procurement requirements. In order to avail itself to this exemption, the County requires the LLC to contractually obligate the Contractor(s) to implement the following procedure:

2.1 County Furnished Materials

2.1.1 The Construction Manager shall include Florida State Sales and other applicable taxes in its bid for material, supplies, and equipment.

The LLC reserves the right to require the Construction Manager to assign some or all of its subcontracts or other agreements with material suppliers directly to County. Any materials purchased by County pursuant to such an assignment of a material supply subcontract or agreement of a material supply subcontract or agreement shall be referred to as "County Furnished Materials" and the responsibilities of both County and Construction Manager relating to such County Furnished Materials shall be governed by the terms and conditions of these Special Conditions, which shall take precedence over other conditions and terms of the Contract Documents where inconsistencies or conflicts exist. In addition, the County's standard terms and conditions associated with purchase ordered materials will be applicable to all County Furnished Materials.

2.1.2 Material suppliers shall be selected by the Construction Manager awarded the contract by the competitive bid process. Supply contracts shall be awarded by the Construction Manager to the supplier whose bid/proposal is most advantageous to the LLC, price and other factors considered.

The Construction Manager shall include the price for all construction materials in its bid. County purchasing of construction materials, if selected, will be administered on a deductive Change Order basis.

2.1.3 To enable the LLC to realize savings of Sales Tax on selected tangible personal property needed for this Program, the Construction Manager will provide to the LLC a list of all intended suppliers, vendors, and materialmen for consideration as County Furnished Materials. The Construction Manager shall submit price quotes from the vendors, as well as a description of the materials to be supplied, quantities and prices. The Construction Manager will evaluate the list to recommend direct purchases where those direct purchases will result in Sales Tax Savings to the

LLC. The LLC will either accept or reject the Construction Manager's recommendations and purchases will be made according to County procedures.

2.1.4 Construction Manager shall identify materials with a minimum agreed upon goal which the County will furnish through the County Furnished Materials clause, and might furnish materials worth far more than that amount. Therefore, the provision by the Construction Manager for support, clerical, and administrative services detailed in that clause is part of this contract.

In a timely manner, Construction Manager shall prepare County Purchase Order Forms specifically identify the materials which County may, in its discretion, elect to purchase directly.

Construction Manager shall include copies of vendor quotations.

2.1.5 The following procedure, which is a waiver of the Palm Beach County Procurement Code, shall be used for the implementation of this program.

Construction Manager shall prepare County Purchase Orders (hereinafter "Purchase Orders") for items of material which the County chooses to purchase directly. Once the Purchase Order has been prepared and executed, it shall be issued directly to the vendor by the County. Pursuant to the Purchase Order, the vendor will provide the required quantities of material at the price established in the vendor's quote to the Construction Manager, less any sales tax associated with such price. Promptly upon issuance of each Purchase Order by the County, Construction Manager shall verify the purchase of the items in accordance with the terms of the Purchase Order and in a manner to assure timely delivery of items. Palm Beach County's Director of Purchasing or his designated representative shall be the approving authority for the County on Purchase Orders in conjunction with County Furnished Materials. The Purchase Order shall require that the supplier provide the required shipping and handling insurance. The Purchase Order shall also require the delivery of the County Furnished Materials on the delivery dates provided by the Construction Manager. The Vendor shall issue its invoice, for all materials supplied pursuant to a County Purchase Order, directly to Palm Beach County.

2.1.6 In conjunction with or prior to the execution of the Purchase Orders by the suppliers, the Construction Manager shall execute and deliver to the Program Representative LLC who will forward to the County one or more deductive Change Orders, in accordance with General Conditions referencing the full value of all County-Furnished Materials to be provided by each supplier from whom the County elected to purchase material directly, plus all sales taxes associated with such materials in Construction Manager's bid to County, plus savings to Construction Manager in the cost of Payment and Performance Bonds associated with such County-Furnished Materials.

2.1.7 All shop drawings and submittals shall be made in accordance with the General Conditions.

2.1.8 Construction Manager shall be fully responsible for all matters relating to the receipt of materials furnished by County in accordance with these Special Conditions including, but not

limited to, verifying correct quantities, verifying documents of orders in a timely manner, coordinating purchases providing and obtaining all warranties and guarantees required by the Contract Documents, inspection and acceptance of the goods at the time of delivery, and loss or damage to equipment and materials following acceptance of items by the County due to the negligence of the Construction Manager. The Construction Manager shall coordinate delivery schedules, sequence of delivery, loading orientation, and other arrangements normally required by the Construction Manager for the particular materials furnished. The Construction Manager shall provide all services required for the unloading, handling and storage of materials through installation. The Construction Manager agrees to indemnify and hold harmless the County from any and all claims of whatever nature resulting from non-payment of goods to suppliers arising from the actions of the Construction Manager.

2.1.9 As County Furnished Materials are delivered to the jobsite, the Construction Manager shall visually inspect all shipments from the suppliers, and approve the vendor's invoice for material delivered. The Construction Manager shall assure that each delivery of County Furnished Materials is accompanied by documentation adequate to identify the Purchase Order against which the purchase is made. This documentation may consist of a delivery ticket and an invoice from the supplier conforming to the Purchase Order together with such additional information as the County or LLC may require. The Construction Manager will then forward the documentation to the County through the LLC.

2.1.10 The Construction Manager shall insure that County Furnished Materials conform to the specifications, and determine prior to incorporation into the Work if such materials are patently defective, and whether such materials are identical to the materials ordered and match the description on the bill of lading. If the Construction Manager discovers defective or non-conformities in County Furnished Materials upon such visual inspection, the Construction Manager shall not utilize such nonconforming or defective materials in the Work and instead shall promptly notify the County of the defective or nonconforming condition so that repair or replacement of those materials can occur without any undue delay or interruption to the Program. If the Construction Manager fails to perform such inspection and otherwise incorporates into the Work such defective or nonconforming County Furnished Materials, the condition of which it either knew or should have known by performance of an inspection, Construction Manager shall be responsible for all damages to County resulting from Construction Manager's incorporation of such materials into the Program, including liquidated or delay damages.

2.1.11 The Construction Manager shall maintain records of all County Furnished Materials incorporated into the Work from the stock of County Furnished Materials in its possession. The Construction Manager shall account monthly to the County through the LLC for any County Furnished Materials delivered into the Construction Manager's possession, indicating portions of all such materials which have been incorporated into the Work.

2.1.12 The Construction Manager shall be responsible for obtaining and managing all warranties and guarantees for all materials and products as required by the Contract Documents. All repair, maintenance or damage-repair calls shall be forwarded to the Construction Manager for resolution with the appropriate supplier, vendor, or subcontractor.

2.1.13 Notwithstanding the transfer of County Furnished Materials by the County to the Construction Manager's possession, the County shall retain legal and equitable title to any and all County Furnished Materials although the Construction Manager shall maintain both Builders Risk and Inland Marine/Transit insurance on said Materials and the Loss Payee endorsement on said policies shall read "Palm Beach County Board of County Commissioners".

2.1.14 The transfer of possession of County Furnished Materials from the County to the Construction Manager shall constitute a bailment for the mutual benefit of the County and the Construction Manager. The County shall be considered the bailor and the Construction Manager the bailee of the County Furnished Materials. County Furnished Materials shall be considered returned to the County for purposes of their bailment at such time as they are incorporated into the Program or consumed in the process of completing the Program.

2.1.15 The County shall in no way be liable for any interruption or delay in the Program, for any defects or other problems with the Program, or for any extra costs or time resulting from any delay in the delivery of, or defects in, County Furnished Materials.

2.1.16 On a monthly basis, Construction Manager shall be required to review invoices submitted by all suppliers of County Furnished Materials delivered to the Program sites during that month and either concur or object to the County's issuance of payment to the suppliers, based upon Construction Manager's records of materials delivered to the Site and any defects in such materials.

2.1.17 In order to arrange for the prompt payment to the suppliers, the Construction Manager shall provide to the County a list indicating the acceptance of the goods or materials within 15 days of receipt of said goods or materials. The list shall include a copy of the applicable Purchase Order, invoices, delivery tickets, written acceptance of the delivered items, and such other documentation as may be reasonably required by the County. Upon receipt of the appropriate documentation, the County shall prepare a check drawn to the supplier based upon the receipt of data provided. This check will be released, delivered and remitted directly to the supplier. The Construction Manager agrees to assist the County to immediately obtain partial or final release of waivers as appropriate. The County shall not make any payment without the appropriate Contractor's concurrence and approval, which shall be delivered to the County by the Program Representative.

2.1.18 The County shall be entitled to the benefits of any discounts attributable to the early payment of vendor invoices for materials furnished by the County pursuant to these Specifications.

2.1.19 The material supplier may be required to provide a Supply Bond in the amount of 100% of the purchase order price. The bond shall be from a qualified surety company authorized to do business in the State of Florida and acceptable to the County. If the supply bond is required the cost of the bond will be added to the amount of the purchase order. The premium cost for the surety bond should not be included in the bid price. Verifying that a designated material supplier can furnish a supply bond will be the responsibility of the Construction Manager.

This RESTATED PAYMENT, PERFORMANCE AND CONSTRUCTION GENERAL GUARANTY (this "Guaranty") is made as of the 20th day of October, 2015, by the Houston Astros, LLC, a Texas Limited Liability Company (the "Guarantor"), in favor of PALM BEACH COUNTY, a political subdivision of the State of Florida (the "County"), and its successors and assigns, and the State of Florida (the "State"), by and through the Florida Department of Economic Opportunity ("DEO"), and its successors and assigns.

RECITALS:

County is contemporaneously herewith entering into the First Restated Developer Agreement (the "Developer Agreement") and the First Restated Sports Facility Use Agreement (the "Sports Facility Use Agreement"), to provide for the construction, development and operation of the baseball spring training facility (the "Facility"), each dated as of the date hereof, and each entered into by and between County and HW Spring Training Complex, LLC, a Florida Limited Liability Company (the "LLC"), and the Sports Facility Use Agreement also being entered into by the Houston Astros, LLC, a Texas Limited Liability Company (the "Astros" or "Team") and the Washington Nationals Baseball Club, LLC, a Washington, DC Limited Liability Company (the "Nationals" or "Team") as to Sections 3.1.2, Article 13, Section 16.7 and Section 22.3 thereof, and on March 10, 2015 County entered into a Due Diligence and Planning Services Agreement R-2015-0338 with the LLC, (collectively, the Sports Facility Use Agreement, the Developer Agreement and the Due Diligence and Planning Services Agreement are referred to as the "County Documents").

In order to induce County to enter into the County Documents and in consideration of the foregoing premises and for other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged, and further, in order to induce DEO to certify the County pursuant to section 288.11631, Florida Statutes, Guarantor hereby agrees for the benefit of County and its successors and assigns and the State, and its successors and assigns, as follows:

1. **Incorporation of Recitals.** The recitals set forth above are true and correct and are incorporated herein as if set forth in full.
2. **Defined Terms.** Capitalized terms used herein shall have the meaning set forth herein. Unless the context otherwise requires and except as otherwise provided herein, capitalized terms used herein that are not defined herein shall have the meaning assigned to such terms in the County Documents.
3. **Effective Date.** The Effective Date of this Guaranty shall be March 10, 2015.

4. Due Diligence Guaranty. The Guarantor entered into a Due Diligence and Planning Services Guaranty on March 10, 2015 contemporaneously with the Due Diligence and Planning Services Agreement R-2015-0358. This Guaranty replaces and terminates the Due Diligence and Planning Services Guaranty provided by Guarantor, and as a result, the Effective Date of this Guaranty has been made retroactive to the date of the Due Diligence and Planning Services Guaranty.

5. Payment, Performance, Construction and Operation Guaranty. Guarantor hereby unconditionally, absolutely, generally, continuously, and irrevocably guarantees to County, and DEO as to the rights and interests of DEO pursuant to the County Documents, all obligations imposed by the County Documents, including, without limitation, the planning, design and permitting of the Project and the completion of construction of the Facility and operation of the Facility pursuant to the County Documents and the payment and performance of all liabilities, obligations and duties imposed on the LLC under each of the County Documents (collectively "the Obligations") as if Guarantor had executed each such County Document in place of the LLC. As this Guaranty replaces and terminates the Due Diligence Guaranty described in Section 4, this Guaranty shall have a commencement date of March 10, 2015 and shall apply to any Obligations from that date forward. This Guaranty shall not terminate until the payment of all sums and performance of all Obligations, except that, to the extent this Guaranty guarantees performance of Obligations which survive the termination of the County Documents, then this Guaranty shall continue to remain in full force and effect.

6. Solvency. Guarantor has provided a statement from an independent Certified Public Accounting Firm or other independent third-person (entity) experienced in appraising sports organizations and properties (an "Appraisal Firm"), certifying or opining that the Guarantor has a current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). At least once every five years thereafter until expiration of this Guaranty, Guarantor shall provide an updated letter to the County from one of the above possible sources, re-certifying or opining that the Guarantor has a then current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). Additionally, in any year that a statement as described above, is not due to County, the Guarantor shall provide a statement from an Appraisal Firm or Certified Public Accounting Firm in the form of a letter on letterhead, stating that there have been no material adverse changes in the financial position of the Guarantor that would affect the previously certified minimum net worth or fair value of equity statement set forth above during the last year. Notwithstanding the foregoing, Guarantor shall not be in default or breach of this Section so long as (a) one of the Teams (as defined in the County Documents) has a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000); or (b) the Teams together have a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000). If the aggregate net worth or fair value of equity of both Teams together is equal to an amount less than One Hundred Million and No/100 Dollars (\$100,000,000), then the Teams will be required, for as long a period as such condition shall exist, to provide one or more irrevocable letters of credit in the amount equal to the difference between the combined aggregate stated net worth or fair value of equity of the Teams and One Hundred Million Dollars (\$100,000,000.00) in the form required by and consistent with Palm Beach County Policy and Procedure Memorandum No. CW-F-055 ("Letter of Credit").

7. Letter of Credit or Payment Bond. Guarantor may, at any time, present a Letter of Credit or Payment Bond in the amounts and according to the requirements set forth above in paragraph 6, instead of providing the CPA Firm or other Person (entity) certification described in paragraph 6, and thereafter Guarantor shall be obligated to maintain either a Letter of Credit or Payment Bond as security for the Guaranty in the amounts as set forth above and consistent with Palm Beach County Policies and Procedures.
8. Proprietary Business Information. To the extent permitted by law, this Guaranty does not provide County with access to any proprietary business or financial information of the Team.
9. Governing Law. This Guaranty shall be governed by and construed in accordance with the laws of the State of Florida.
10. Severability. If any provision of this Guaranty should be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Guaranty shall not be affected thereby.
11. Successors and Assigns. This Guaranty shall inure to the benefit of County and County's successors and assigns and DBO, and DBO's successors and assigns, under any of the County Documents in accordance with the terms thereof, and shall be binding upon Guarantor and its successors and assigns.
12. Waiver of Jury Trial. GUARANTOR HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY COUNTY AGAINST GUARANTOR ON ANY MATTERS ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS GUARANTY.
13. Acceptance of Performance. County agrees to accept performance by Guarantor of all or any of the Obligations to be performed by the LLC under the County Documents with the same force and effect as though performed by the LLC thereunder.
14. Unconditional, Absolute, Irrevocable General and Continuing Guaranty. The obligations of Guarantor under this Guaranty shall be unconditional, absolute, irrevocable, general, and continuing, irrespective of the genuineness, validity, regularity or enforceability of the County Documents or any security which may have been given therefor or in connection therewith or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor. This Guaranty and the obligations of Guarantor hereunder shall not be affected, impaired, modified or released by reason of: (a) the making by the LLC of any assignment for the benefit of creditors or the bankruptcy or insolvency of the LLC, (b) any action taken by the LLC in any bankruptcy or insolvency proceeding, including, without limitation, disaffirmance or rejection of the County Documents, (c) any default by the LLC or a Team under the County Documents, (d) the liquidation or dissolution of the LLC, (e) any change in or termination of Guarantor's relationship to the LLC, (f) the enforcement by County or DBO of any of its rights under the County Documents, (g) the sale, conveyance, transfer or assignment

by the LLC, of all or any portion of its interest under the County Documents, including, but not limited to, any assignment to an Affiliate of the LLC as authorized by the County Documents, or (h) the transfer by an owner of an interest in the LLC, including its successors and assigns, of all or any part of its ownership interest in the LLC, at any time, to an Affiliate; it being agreed that in the event of any of the foregoing, the liability of Guarantor hereunder shall continue hereunder as if such event had not occurred. County and the LLC, without notice to or consent by Guarantor, may at any time or from time to time enter into such extensions, expansions, amendments, assignments, substitutions, or other covenants with respect to the County Documents as they may deem appropriate or desirable, including, without limitation, an expansion of the performance obligations and Guarantor shall not be released thereby, but shall continue to be fully liable for the payment and performance of all obligations as so extended, expanded, amended, assigned, substituted, or otherwise modified.

15. Primary Liability: Performance Guaranty. The liability of Guarantor under this Guaranty shall be primary, direct and immediate, and not conditional or contingent upon pursuit by County or DBO of any remedies it may have against the LLC or any other Person with respect to the County Documents or any other agreement, whether pursuant to the terms thereof or by law or pursuant to any other security agreement or guaranty, except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty. Guarantor and County each acknowledge and agree that this Guaranty is a guaranty of performance in respect to the Obligations. Any one or more successive or concurrent actions may be brought hereon against Guarantor with respect to the Obligations, either in the same action or proceeding, if any, brought against the LLC or any other person or entity, or in separate actions as often as County, or DBO, may deem advisable. Guarantor may be joined in any action against the LLC in connection with the County Documents. Recovery may be had by County or DBO against Guarantor in any action against Guarantor without County or DBO first pursuing or exhausting any remedy or claim against the LLC or any other person or entity, as the case may be, or their respective successors or assigns (except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty) and Guarantor hereby waives any right it may have to require that County seek recovery against any other Person before seeking recovery against Guarantor (except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty). Until termination of this Guaranty in accordance with the provisions hereof, the liability of Guarantor under this Guaranty shall continue after (i) any assignment or transfer by the LLC, or any successor thereof, of any of its interests under the County Documents or (ii) any assignment or transfer by County, or any successor thereof, of any of its interests under the County Documents.

16. Waiver of Presentment, Protest and Notices. Guarantor hereby expressly waives: (a) presentment and demand for payment and protest of nonpayment; (b) notice of acceptance of this Guaranty and of presentment, demand and protest; (c) notice of all indulgences under the County Documents; (d) demand for observance or performance of, or enforcement of, any terms and provisions of this Guaranty or the County Documents; (e) notices of default by or to the LLC under the County Documents; and (f) all other notices and demands otherwise required by law which Guarantor may lawfully waive.

17. No Subrogation. Guarantor shall not enforce any right of subrogation it may now or hereafter have against the LLC by reason of any payments or acts of performance by Guarantor

In compliance with the obligations of Guarantor hereunder, and Guarantor shall not enforce any remedy which Guarantor now or hereafter shall have against the LLC by reason of any one or more payments or acts of performance in compliance with the obligations of Guarantor hereunder unless and until all of the Obligations of Guarantor have been fully discharged, performed and satisfied, whereupon Guarantor shall have such subrogation rights as may be allowed under applicable law.

18. No Setoff. No setoff, counterclaim or cross-claim, reduction or diminution of any obligation or any defense of any kind or nature (other than performance of the Obligations) shall be available to Guarantor in any action or proceeding brought by County or DEO to enforce the Obligations provided, however, that the foregoing shall not be deemed a waiver of the right of Guarantor to assert any compulsory counterclaim arising from a claim brought by County or DEO hereunder, nor shall the foregoing be deemed a waiver of or prejudice in any manner whatsoever, Guarantor's right to assert any claim which constitutes a defense, setoff, counterclaim or cross-claim of any nature whatsoever against County in any separate action or proceeding. Guarantor agrees that if at any time all or any part of any amounts at any time received by County or DEO from Guarantor or the LLC, or any other Person, as the case may be, for or with respect to the Obligations is or must be rescinded or returned by County or DEO by reason of any judgment or decree of any court having jurisdiction (including, without limitation, by reason of the insolvency, bankruptcy or reorganization of Guarantor or the LLC, or any other Person), then Guarantor's obligations hereunder shall, to the extent of the amount rescinded or restored, be deemed to have continued in existence notwithstanding such previous receipt by County or DEO and the obligation guaranteed hereunder which was to have been discharged by such rescinded or restored amount shall continue to be effective or reinstated, as the case may be, to the extent of such amount, whether or not this Guaranty has terminated, and the obligations of the Guarantor shall survive the termination hereof.

19. Joint and Several and Cumulative Rights and Remedies. The rights and remedies afforded to County and DEO in this Guaranty are cumulative and are not exclusive of any other right or remedy against Guarantor or any other Person provided by law, in equity or under any other agreement or instrument and all such rights and remedies may be exercised singly or concurrently. No delay or omission by County or DEO in exercising any such right or remedy shall operate as a waiver thereof. No waiver of any right or remedy hereunder shall be deemed made by County or DEO unless in writing and shall apply only to the particular instance specified therein and shall not impede the further exercise of such right or remedy or of any other right or remedy of County, and no single or partial exercise of any right or remedy hereunder shall preclude any other or further exercise thereof or of any other right or remedy. It is understood by the parties that other agreements similar to this Guaranty may, in County's or DEO's discretion, be executed and delivered by other Persons with respect to the County Documents. This Guaranty shall be joint and several and cumulative of any such agreements, and the liabilities and obligations of Guarantor hereunder shall in no event be affected or diminished by reason of such other agreements.

20. Entire Agreement. This Guaranty shall constitute the entire agreement of Guarantor with County with respect to Guarantor's guaranty of the Obligations.

21. **Amendment.** This Guaranty may not be modified or amended, except by an agreement in writing executed by Guarantor and County.

22. **Guarantor's Representations.** In order to induce County to enter into this Guaranty, Guarantor represents and warrants to County and DEO that as of the date hereof:

- (i) Guarantor is a limited liability company duly organized, validly existing, and in good standing under the law of the State of Texas;
- (ii) Guarantor has the requisite power and authority to enter into and carry out the terms and provisions of this Guaranty, and the execution, delivery, and performance of this Guaranty have been duly authorized and approved by all requisite actions;

- (iv) Guarantor's execution and performance of this Guaranty will not result in a breach of violation of, or default under, any laws applicable to Guarantor or any agreement, order, commitment, judgment, or decree by which Guarantor is bound;
- (v) The person executing this Guaranty on behalf of Guarantor has all requisite authority to do so, as a duly authorized officer of Guarantor; and
- (vi) Guarantor is solvent and will not be rendered insolvent by reason of this Guaranty.

EXHIBIT 1-2
WASHINGTON NATIONALS
PAYMENT AND PERFORMANCE AND CONSTRUCTION GENERAL GUARANTY

This RESTATED PAYMENT, PERFORMANCE AND CONSTRUCTION GENERAL GUARANTY (this "Guaranty") is made as of the 20th day of October, 2015, by the Washington Nationals Baseball Club, LLC, a Washington, DC Limited Liability Company (the "Guarantor"), in favor of Palm Beach County, a political subdivision of the State of Florida (the "County"), and its successors and assigns, and the State of Florida (the "State") by and through the Florida Department of Economic Opportunity ("DEO"), and its successors and assigns.

RECITALS:

County is contemporaneously herewith entering into the First Restated Developer Agreement (the "Developer Agreement") and the First Restated Sports Facility Use Agreement (the "Sports Facility Use Agreement"), to provide for the construction, development and operation of the baseball spring training facility (the "Facility"), each dated as of the date hereof, and each entered into by and between County and HW Spring Training Complex, LLC, a Florida Limited Liability Company (the "LLC"), and the Sports Facility Use Agreement also being entered into by the Houston Astros, LLC, a Texas Limited Liability Company (the "Astros" or "Team") and the Washington Nationals Baseball Club, LLC, a Washington, DC Limited Liability Company (the "Nationals" or "Team") as to Sections 5.1.2, Article 13, Section 16.7 and Section 22.3 thereof, and on March 10, 2015 County entered into a Due Diligence and Planning Services Agreement R-2015-0358 with the LLC, (collectively, the Sports Facility Use Agreement, the Developer Agreement and the Due Diligence and Planning Services Agreement are referred to as the "County Documents").

In order to induce County to enter into the County Documents and in consideration of the foregoing premises and for other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged, and further, in order to induce DEO to certify the County pursuant to section 288.11631, Florida Statutes, Guarantor hereby agrees for the benefit of County and its successors and assigns and the State, and its successors and assigns, as follows:

1. Incorporation of Recitals. The recitals set forth above are true and correct and are incorporated herein as if set forth in full.
2. Defined Terms. Capitalized terms used herein shall have the meaning set forth herein. Unless the context otherwise requires and except as otherwise provided herein, capitalized terms used herein that are not defined herein shall have the meaning assigned to such terms in the County Documents.
3. Effective Date. The Effective Date of this Guaranty shall be March 10, 2015.

4. Due Diligence Guaranty. The Guarantor entered into a Due Diligence and Planning Services Guaranty on March 10, 2015 contemporaneously with the Due Diligence and Planning Services Agreement R-2015-0352. This Guaranty replaces and terminates the Due Diligence and Planning Services Guaranty provided by Guarantor, and as a result, the Effective Date of this Guaranty has been made retroactive to the date of the Due Diligence and Planning Services Guaranty.

5. Payment, Performance, Construction and Operation Guaranty. Guarantor hereby unconditionally, absolutely, generally, continuously, and irrevocably guarantees to County, and to DBO as to the rights and interests of DBO pursuant to the County Documents, all obligations imposed by the County Documents, including, without limitation, the planning, design and permitting of the Project and the completion of construction of the Facility and operation of the Facility pursuant to the County Documents and the payment and performance of all liabilities, obligations and duties imposed on the LLC under each of the County Documents (collectively "the Obligations") as if Guarantor had executed each such County Document in place of the LLC. As this Guaranty replaces and terminates the Due Diligence Guaranty described in Section 4, this Guaranty shall have a commencement date of March 10, 2015 and shall apply to any Obligations from that date forward. This Guaranty shall not terminate until the payment of all sums and performance of all Obligations, except that, to the extent this Guaranty guarantees performance of Obligations which survive the termination of the County Documents, this Guaranty shall continue to remain in full force and effect.

6. Security. Guarantor has provided a statement from an independent Certified Public Accounting Firm or other independent third-person (entity) experienced in appraising sports organizations and properties (as "Appraisal Firm"), certifying or opining that the Guarantor has a current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). At least once every five years thereafter until expiration of this Guaranty, Guarantor shall provide an updated letter to the County from one of the above possible sources, re-certifying or opining that the Guarantor has a then current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). Additionally, in any year that a statement as described above, is not due to County, the Guarantor shall provide a statement from an Appraisal Firm or Certified Public Accounting Firm in the form of a letter on letterhead, stating that there have been no material adverse changes in the financial position of the Guarantor that would affect the previously certified minimum net worth or fair value of equity statement set forth above during the last year. Notwithstanding the foregoing, Guarantor shall not be in default or breach of this Section so long as (a) one of the Teams (as defined in the County Documents) has a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000); or (b) the Teams together have a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000). If the aggregate net worth or fair value of equity of both Teams together is equal to an amount less than One Hundred Million and No/100 Dollars (\$100,000,000), then the Teams will be required, for as long a period as such condition shall exist, to provide one or more irrevocable letters of credit in the amount equal to the difference between the combined aggregate stated net worth or fair value of equity of the Teams and One Hundred Million Dollars (\$100,000,000.00) in the form required by and consistent with Palm Beach County Policy and Procedure Memorandum No. CW-R-055 ("Letter of Credit").

7. Letter of Credit or Payment Bond. Guarantor may, at any time, present a Letter of Credit or Payment Bond in the amounts and according to the requirements set forth above in paragraph 5, instead of providing the CPA Firm or other Person (entity) certification described in paragraph 6, and thereafter Guarantor shall be obligated to maintain either a Letter of Credit or Payment Bond as security for the Guaranty in the amounts as set forth above and consistent with Palm Beach County Policies and Procedures.

8. Proprietary Business Information. To the extent permitted by law, this Guaranty does not provide County with access to any proprietary business or financial information of the Teams.

9. Governing Law. This Guaranty shall be governed by and construed in accordance with the laws of the State of Florida.

10. Severability. If any provision of this Guaranty should be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Guaranty shall not be affected thereby.

11. Successors and Assigns. This Guaranty shall inure to the benefit of County and County's successors and assigns and DEO, and DEO's successors and assigns, under any of the County Documents in accordance with the terms thereof, and shall be binding upon Guarantor and its successors and assigns.

12. Waiver of Jury Trial. GUARANTOR HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY COUNTY AGAINST GUARANTOR ON ANY MATTERS ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS GUARANTY.

13. Acceptance of Performance. County agrees to accept performance by Guarantor of all or any of the Obligations to be performed by the LLC under the County Documents with the same force and effect as though performed by the LLC thereunder.

14. Unconditional, Absolute, Irrevocable, General and Continuing Guaranty. The obligations of Guarantor under this Guaranty shall be unconditional, absolute, irrevocable, general and continuing, irrespective of the genuineness, validity, regularity or enforceability of the County Documents or any security which may have been given therefor or in connection therewith or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor. This Guaranty and the obligations of Guarantor hereunder shall not be affected, impaired, modified or released by reason of: (a) the making by the LLC of any assignment for the benefit of creditors or the bankruptcy or insolvency of the LLC, (b) any action taken by the LLC in any bankruptcy or insolvency proceeding, including, without limitation, disaffirmance or rejection of the County Documents, (c) any default by the LLC or a Team under the County Documents, (d) the liquidation or dissolution of the LLC, (e) any change in or termination of Guarantor's relationship to the LLC, (f) the enforcement by County or DEO of any of its rights under the County Documents, (g) the sale, conveyance, transfer or assignment

by the LLC, of all or any portion of its interest under the County Documents, including, but not limited to, any assignment to an Affiliate of the LLC as authorized by the County Documents, or (ii) the transfer by an owner of an interest in the LLC, including its successors and assigns, of all or any part of its ownership interest in the LLC, at any time, to an Affiliate; it being agreed that in the event of any of the foregoing, the liability of Guarantor hereunder shall continue hereunder as if such event had not occurred. County and the LLC, without notice to or consent by Guarantor, may at any time or from time to time enter into such extensions, expansions, amendments, assignments, substitutions, or other covenants with respect to the County Documents as they may deem appropriate or desirable, including, without limitation, an expansion of the performance obligations and Guarantor shall not be released thereby, but shall continue to be fully liable for the payment and performance of all obligations as so extended, expanded, amended, assigned, substituted, or otherwise modified.

15. Primary Liability; Performance Guaranty. The liability of Guarantor under this Guaranty shall be primary, direct and immediate, and not conditional or contingent upon pursuit by County or DEO of any remedies it may have against the LLC or any other Person with respect to the County Documents or any other agreement, whether pursuant to the terms thereof or by law or pursuant to any other security agreement or guaranty, except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty. Guarantor and County each acknowledge and agree that this Guaranty is a guaranty of performance in respect to the Obligations. Any one or more successive or concurrent actions may be brought hereon against Guarantor with respect to the Obligations, either in the same action or proceeding, if any, brought against the LLC or any other person or entity, or in separate actions as often as County, or DEO, may deem advisable. Guarantor may be joined in any action against the LLC in connection with the County Documents. Recovery may be had by County or DEO against Guarantor in any action against Guarantor without County or DEO first pursuing or exhausting any remedy or claim against the LLC or any other person or entity, as the case may be, or their respective successors or assigns (except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty) and Guarantor hereby waives any right it may have to require that County seek recovery against any other Person before seeking recovery against Guarantor (except for pursuit by County of its remedies against the issuer of the Letter of Credit or Payment Bond securing this Guaranty). Until termination of this Guaranty in accordance with the provisions hereof, the liability of Guarantor under this Guaranty shall continue after (i) any assignment or transfer by the LLC, or any successor thereof, of any of its interests under the County Documents or (ii) any assignment or transfer by County, or any successor thereof, of any of its interests under the County Documents.

16. Waiver of Presentment, Protest and Notice. Guarantor hereby expressly waives: (a) presentment and demand for payment and protest of nonpayment; (b) notice of acceptance of this Guaranty and of presentment, demand and protest; (c) notice of all indulgences under the County Documents; (d) demand for observance or performance of, or enforcement of, any terms and provisions of this Guaranty or the County Documents; (e) notices of default by or to the LLC under the County Documents; and (f) all other notices and demands otherwise required by law which Guarantor may lawfully waive.

17. No Subrogation. Guarantor shall not enforce any right of subrogation it may now or hereafter have against the LLC by reason of any payments or acts of performance by Guarantor

in compliance with the obligations of Guarantor hereunder, and Guarantor shall not enforce any remedy which Guarantor now or hereafter shall have against the LLC by reason of any one or more payments or acts of performance in compliance with the obligations of Guarantor hereunder unless and until all of the Obligations of Guarantor have been fully discharged, performed and satisfied, whereupon Guarantor shall have such subrogation rights as may be allowed under applicable law.

18. No Setoff. No setoff, counterclaim or cross-claim, reduction or diminution of any obligation or any defense of any kind or nature (other than performance of the Obligations) shall be available to Guarantor in any action or proceeding brought by County or DBO to enforce the Obligations provided, however, that the foregoing shall not be deemed a waiver of the right of Guarantor to assert any compulsory counterclaim arising from a claim brought by County or DBO hereunder, nor shall the foregoing be deemed a waiver of or prejudice in any manner whatsoever, Guarantor's right to assert any claim which constitutes a defense, setoff, counterclaim or cross-claim of any nature whatsoever against County in any separate action or proceeding. Guarantor agrees that if at any time all or any part of any amounts at any time received by County or DBO from Guarantor or the LLC, or any other Person, as the case may be, for or with respect to the Obligations is or must be rescinded or returned by County or DBO by reason of any judgment or decree of any court having jurisdiction (including, without limitation, by reason of the insolvency, bankruptcy or reorganization of Guarantor or the LLC, or any other Person), then Guarantor's obligations hereunder shall, to the extent of the amount rescinded or restored, be deemed to have continued in existence notwithstanding such previous receipt by County or DBO and the obligation guaranteed hereunder which was to have been discharged by such rescinded or restored amount shall continue to be effective or reinstated, as the case may be, to the extent of such amount, whether or not this Guaranty has terminated, and the obligations of the Guarantor shall survive the termination hereof.

19. Joint and Several and Cumulative Rights and Remedies. The rights and remedies afforded to County and DBO in this Guaranty are cumulative and are not exclusive of any other right or remedy against Guarantor or any other Person provided by law, in equity or under any other agreement or instrument and all such rights and remedies may be exercised singly or concurrently. No delay or omission by County or DBO in exercising any such right or remedy shall operate as a waiver thereof. No waiver of any right or remedy hereunder shall be deemed made by County or DBO unless in writing and shall apply only to the particular instance specified therein and shall not impair the further exercise of such right or remedy or of any other right or remedy of County, and no single or partial exercise of any right or remedy hereunder shall preclude any other or further exercise thereof or of any other right or remedy. It is understood by the parties that other agreements similar to this Guaranty may, in County's or DBO's sole discretion, be executed and delivered by other Persons with respect to the County Documents. This Guaranty shall be joint and several and cumulative of any such agreements, and the liabilities and obligations of Guarantor hereunder shall in no event be affected or diminished by reason of such other agreements.

20. Entire Agreement. This Guaranty shall constitute the entire agreement of Guarantor with County with respect to Guarantor's guaranty of the Obligations.

21. **Amendment.** This Guaranty may not be modified or amended, except by an agreement in writing executed by Guarantor and County.

22. **Guarantor's Representations.** In order to induce County to enter into this Guaranty, Guarantor represents and warrants to County and DEO that as of the date hereof:

- (iv) Guarantor's execution and performance of this Guaranty will not result in a breach of violation of, or default under, any laws applicable to Guarantor or any agreement, order, commitment, judgment, or decree by which Guarantor is bound;
- (v) The person executing this Guaranty on behalf of Guarantor has all requisite authority to do so, as a duly authorized officer of Guarantor; and
- (vi) Guarantor is solvent and will not be rendered insolvent by reason of this Guaranty.

EXHIBIT J
SOLID WASTE RELOCATION

1. **Essentials.** This Agreement authorizes the LLC to relocate solid waste (other than reclaimed sand and fines) which are unsuitable materials on which to support structural improvements. Should the LLC implement the relocation option, the requirements of this Exhibit J, including obtaining all required regulatory approvals, shall apply.
2. **Preparation of Studies.** The LLC shall commission a study(ies) which, at a minimum, will evaluate the volume and type of solid wastes which are to remain on-Site, taking into account the list of prohibited materials listed in item 3 below, the level of constituents which were identified in the Limited Site Assessment Report prepared by URS and may be contained in any solid waste to be retained or relocated, the proposed location(s) to receive the solid waste, the proposed method of placement (or burying, piling, etc); distance(s) between solid waste and water table, proposed fill cap, compaction methodology, and a list of all required regulatory permits and approvals (Study). The conclusion of the Study shall be a specific purpose plan for the retention and/or relocation of solid waste on the Site in a format, and with content, suitable to clearly explain the proposal to the public at large. The County shall have the ability to review and approve the study for the sole purpose of determining compliance with this Section.
3. **Prohibited Materials.** The following materials shall be prohibited from remaining on-Site as herein contemplated and as part of the LLC's implementation of this cost savings measure:
 - a. any material other than solid waste which currently exists on the Site as result of the Site's historic use as the City of West Palm Beach Former Yard Truck Facility;
 - b. any material(s) that is classified, defined or otherwise identified as hazardous by any government entity, agency, organization and/or authority;
 - c. any non-solid material including, but not limited to, manure, oil, paint, pesticides, refrigerants and septage;
 - d. any material that is customarily acceptable for recycling (i.e. plastic, glass, paper, etc.) and reuse (i.e. wood, ferrous metal, etc.), excluding any residual and incidental amount thereof;
 - e. ammunition, guns, firearms, explosives and flares;
 - f. appliances;
 - g. batteries;
 - h. bio-medical waste, drugs, medicine and pharmaceuticals;
 - i. boats, vehicles, RVs and trailers and any other motorized device or part;
 - j. cathode ray tubes (CRTs);
 - k. drums/barrels, gas cylinders, and containers formerly used or intended for the storage of paint, fuel, or flammable content;
 - l. electronics;
 - m. ferrous metal;
 - n. grease, cooking oils, lubricating oil and petroleum based oils;

- o. fluorescent lamps;
 - p. mercury containing devices;
 - q. photo wastes, x ray waste and film;
 - r. radio-active materials;
 - s. special wastes such as manufacturing process wastes or filter media;
 - t. tires;
 - u. vegetative wastes including street sweepings; or
 - v. asbestos containing materials ("ACM").
4. Coordination with Municipalities. After the County has approved the Study pursuant to Section 2, prior to making application to any regulatory agency for implementation of this cost savings measure (including the City of West Palm Beach in their regulatory capacity), and after distributing the results of the Study listed in Section 2 above, the LLC shall facilitate a discussion with the City of West Palm Beach (if the proposed location is in the Buffer Area and/or City Park). If the LLC is to move forward with the retention/relocation of solid waste, the LLC must obtain written documentation from the City confirming that the City has reviewed the Study and does not oppose the LLC implementing this measure.
5. Regulatory Permits and Approvals. The LLC shall have sole responsibility for securing the necessary regulatory permits and approvals to fully implement the retention and/or relocation of solid waste on Site. Other than executing any applications for regulatory permits and approvals, the County shall have no obligation to explain, support or otherwise comment on the LLC's proposal. Notwithstanding the above, the County shall have the right to comment if it so chooses.
6. Implementation. Prior to moving and covering any solid waste the LLC shall obtain and provide the County Representative with a letter signed and sealed by an engineer licensed in the State of Florida or other appropriately qualified professional that is licensed in the State of Florida; a) identifying the specific composition of the solid waste to be relocated, and b) attesting that all solid waste to remain on Site is in conformance with the list of prohibited materials in Item 3 above.
7. Regulatory Compliance. The LLC, at its sole cost and expense, shall be responsible for complying with all terms and conditions associated with each and every regulatory approval required to relocate solid waste including, but not necessarily limited to, physical improvements to the Site that are otherwise not required, groundwater monitoring wells, groundwater sampling, audits, reports, and inspections as may be required by any permitting authority.
8. Liability. The LLC agrees to indemnify, defend, and save harmless the County from any and all cost, expense and liability arising from or out of or as a result of the LLC's implementation of this relocation of solid waste option. The LLC shall have full and complete responsibility for any removal, transport, remediation or disposal required in order to resolve and conclude any environmental action and restore compliance with environmental laws, as well as for reasonable attorney's fees and costs.

9. Allocation of Cost Savings. If this Cost Savings measure is implemented by the LLC, the LLC agrees that it will share the savings with the County as a Pre-Construction Cost Savings in accordance with Section 8.4.3 of this Agreement. The LLC also acknowledges that the Budgeted Amount will be reduced by the County's share of the savings and the treatment of the area for property insurance and renewal/replacement responsibility will be identified on Exhibit F of this Agreement.

Cost-Benefit Analysis of the Spring Training Franchises' Impact on Palm Beach County

August 6, 2021

Key Findings: Ballpark of the Palm Beaches
Annual Reporting Requirement for 2021 State Funding Agreement

The Palm Beach County Tourist Development Council, utilizing our contracted agency for sports tourism marketing and grant administration the Palm Beach County Sports Commission, has provided the following details surrounding MLB Spring Training Baseball in Palm Beach County at the Ballpark of the Palm Beaches (BTPB) and at our Roger Dean Chevrolet Stadium (RDCS). We have included RDCS in our report to highlight the fact that Palm Beach County holds the unique benefit of having two MLB Spring Training facilities, each housing two teams, the only County in Florida having made this investment to host four MLB teams for spring training.

The funding sources for the debt service and ongoing upkeep associated with the BTPB are from a combination of Tourist Development Taxes (Bed Taxes) collected from visitors to Palm Beach County, a State of Florida Grant and use fees payable from the limited liability corporation (LLC) for the use of the spring training facility. Unfortunately, COVID 19 still impacted our 2021 Economic Impact for our Spring Training Season. The all-important recovery of our summer season of amateur sports utilization has showed more positive trends as highlighted in the attached reporting. Total Economic Impact for all MLB Spring Training in Palm Beach County's two stadiums was \$39.7 million, a decline year over year of (\$13.5) million or (25%) caused by the continued uncertainty the pandemic has caused to visitor's intention to travel. The 2021 Economic Impact was evenly divided between our two stadiums as noted in the attached recap.

The research group Sports Management Research Institute (SMRI) was commissioned to provide this annual economic impact study for Palm Beach County under the direction of the Palm Beach County Sports Commission.

Dear Glenn,

Palm Beach County is the Major League Baseball (MLB) Spring Training Capital of Florida. Since 1998, Palm Beach County has been home to Roger Dean Chevrolet Stadium in Jupiter, which was the first baseball complex in Florida to host two (2) MLB teams for Spring Training. Today, Roger Dean Chevrolet Stadium is occupied by the Miami Marlins and St. Louis Cardinals. In 2017, Palm Beach County delivered Florida its second two (2) team MLB Spring Training Complex with the development of Ballpark of the Palm Beaches. Located in West Palm Beach, the Ballpark of the Palm Beaches is the spring training home to the Houston Astros and Washington Nationals. The Palm Beaches represents Florida's only county that maintains two, two-team complexes. In total, four (4) of the fifteen (15) MLB teams participating in Florida's Grapefruit League are playing baseball in The Palm Beaches.

Major League Baseball Spring Training played a significant role in the Covid-19 tourism recovery efforts for Palm Beach County. MLB Spring Training was one of the first professional sports events to take place in The Palm Beaches, FL during the post Covid-19 era. Furthermore, MLB Spring Training was one of the first sports events in Palm Beach County to recapture spectators and hospitality settings.

Although 2021 MLB Spring Training returned and greatly boosted Palm Beach County's tourism recovery efforts, the season was compromised due to restrictions put in place for Covid-19. The schedule was modified, which reduced the total number of spring training games to only 12 per team. Attendance restrictions were adopted to prevent the spread of Covid-19 and create a safe environment for baseball fans. The attendance constraints created a limited audience for spring training games in Palm Beach County (only allowing 20% of available seats to be sold). Ballpark of the Palm Beaches' seating manifest was limited to 1,579 per game while Roger Dean Chevrolet Stadium capped attendance at 1,462 per game. Ballpark of the Palm Beaches' seating capacity is over 8,000 for a single game while Roger Dean Chevrolet Stadium's seating capacity reaches nearly 7,000 per game. The restrictions resulted in a lower attendance and ultimately reduced the economic impact compared to pre Covid-19 levels.

Palm Beach County was home to 27% of Florida's spring training games in 2021. Between Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium, a total of 48 spring training games were played in The Palm Beaches from February 28 to March 29, 2021. The 48 games generated a total attendance of 72,984. The Covid-19 restraints severely lessened Palm Beach County's total spring training attendance in comparison to the 2020 spring training attendance of 172,685 and the turnout of 270,857 in 2019.

The Palm Beach County Sports Commission utilized Sports Management Research Institute (SMRI) to conduct an economic impact study on the 2021 MLB Spring Training season taking place at Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium. SMRI is a full-service market research firm, which was also sourced by the Miami Super Bowl Host Committee to produce an economic impact study on Super Bowl LIV in 2020.

In 2021, MLB Spring Training generated an economic impact of **\$39,672,868** in Palm Beach County. A total of 52.8% of attendees were nonresidents. MLB Spring Training was responsible for 34,565 room nights (21,525 from the teams and 13,039 by visitors). Unfortunately, the 2021 economic impact, derived at both Palm Beach County spring training facilities, is down compared to last year. The onset of Covid-19 shortened the 2020 MLB Spring Training season; however, the entire 2021 MLB Spring Training season endured limited audiences with a reduced number of games.

The Houston Astros and Washington Nationals had equal attendance numbers at Ballpark of the Palm Beaches while the Miami Marlins and St. Louis Cardinals produced the same attendance totals at Roger Dean Chevrolet Stadium. Covid-19 restrictions allowed for a limited supply of tickets, which created uniformity among attendance numbers between Palm Beach County's MLB teams. Moreover, Major League Baseball established a schedule for the 2021 spring training season that considered geography and limited travel for teams during the pandemic. Palm Beach County spring training teams played each other and the New York Mets, which hold their Spring Training in St. Lucie County. Due to this parity in games and travel, the economic impact created by Palm Beach County's four (4) teams at Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium is nearly divided evenly.

The attendance and economic benefits can be influenced by many factors, but Palm Beach County is fortunate to have partnerships with the Washington Nationals, Houston Astros, St. Louis Cardinals, and Miami Marlins. These teams represent vibrant travel markets that are important to Florida's economy. The Washington D.C. market is considered one of the "Super Six" travel markets, which generates a majority of domestic visitation for Florida. Individuals from Washington D.C. and surrounding areas are seeking inspiration to visit the state. The Houston Astros represents one of two MLB teams from Texas, which is the third largest origin state for Florida visitors. Houston ranks as the 12th largest travel market for Florida. As one of the premier brands in Major League Baseball, the St. Louis Cardinals own a dedicated and loyal following from St. Louis and the surrounding Missouri towns, as well as the metro east Illinois area. The St. Louis Cardinals have one of the most faithful and active fan bases in sports and Palm Beach County is a routine spring vacation destination for these baseball enthusiasts across the Midwest. The Miami Marlins represent one of only two MLB franchises in Florida. The Miami Marlins create visitation to Palm Beach County through drive markets.

Ballpark of the Palm Beaches in combination with Roger Dean Chevrolet Stadium are transforming Palm Beach County into the premier destination for amateur baseball events. The nation's largest baseball tournaments are taking place in Palm Beach County, including some of the most admired brands in amateur baseball. These baseball tournaments are utilizing both, Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium, from April through November, creating year-round activity. In addition to baseball, Ballpark of the Palm Beaches has the capability to host a multitude of other sports activities. The complex features five (5) multi-purpose fields, designed to FIFA (Fédération Internationale de Football Association) soccer specifications. The multi-purpose fields are an ideal home for field sports, such as soccer, lacrosse, rugby, field hockey, flag and tackle football, and more. The economic benefits derived from amateur baseball tournaments and other sports activities is substantial.

Major League Baseball, and specifically, the Washington Nationals, Houston Astros, St. Louis Cardinals, and Miami Marlins have been, and will continue to be an extremely beneficial investment for Palm Beach County. The Palm Beach County Sports Commission looks forward to utilizing baseball as catalyst to support Palm Beach County's tourism recovery from the Covid-19 pandemic. Our Sports Commission will continue to create a positive impact through promotion and utilization of these facilities.

Sincerely,

George Linley

Cost Benefit Analysis – Spring Training Facilities

Ballpark of the Palm Beaches / Roger Dean Chevrolet Stadium

Economic Impact & Year-Round Usage Summary

Economic Impact of Major League Baseball Spring Training in Palm Beach County

Major League Baseball (MLB) Spring Training brings an immense economic and tourism impact to Palm Beach County. The below information has been assembled to project the economic impact created from Spring Training activity that occurred at Ballpark of the Palm Beaches, located in West Palm Beach and Roger Dean Chevrolet Stadium, located in Jupiter.

Ballpark of the Palm Beaches, which hosts the Houston Astros and Washington Nationals, completed its 5th MLB Spring Training season since opening in February of 2017. Roger Dean Chevrolet Stadium, home to the St. Louis Cardinals and Miami Marlins finished its 24th season in The Palm Beaches. These two facilities represent the only two-team MLB Spring Training complexes that reside in Florida.

Covid-19 Impacts on the 2020 MLB Spring Training Season

Although the MLB Spring Training returned in 2021 and greatly boosted Palm Beach County's tourism recovery efforts, the season was compromised. The 2021 Major League Baseball (MLB) Spring Training season underwent modifications, including a reduction of the total number of spring training games (12 games per team). Attendance restrictions were adopted to prevent the spread of Covid-19 and create a safe environment for baseball fans. The attendance constraints created a limited audience for spring training games in Palm Beach County (only allowing 20% of available seats to be filled). Ballpark of the Palm Beaches' seating manifest was limited to 1,579 per game while Roger Dean Chevrolet Stadium capped attendance at 1,462 per game. Ordinarily, Ballpark of the Palm Beaches' attendance could reach over 8,000 for a single game while Roger Dean Chevrolet Stadium's attendance could achieve nearly 7,000 per game. Moreover, Major League Baseball established a schedule for the 2021 spring training season that considered geography and limited travel for teams during the pandemic. The Washington Nationals, Houston Astros, St. Louis Cardinals, and Miami Marlins played each other and the New York Mets, which hold their Spring Training in St. Lucie County. Due to the parity in schedules and travel, the economic impact created by Palm Beach County's four (4) teams at Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium is nearly divided evenly.

Economic Impact of Major League Baseball Spring Training in Palm Beach County

Palm Beach County was home to 27% of Florida's spring training games in 2021. Between Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium, a total of 48 spring training games were played in The Palm Beaches from February 28 to March 29, 2021. The 48 games generated a total attendance of 72,984. The Covid-19 restraints severely lessened Palm Beach County's total spring training audience. Unfortunately, the Covid-19 pandemic resulted in the lowest spring training attendance after the Ballpark of the Palm Beaches' opening in 2017.

Palm Beach County's total economic impact created from the modified MLB Spring Training in 2021 equals **\$39,672,868**. Nonresidents made up of 52.8% of baseball attendees. MLB Spring Training was responsible for **34,565 room nights** (21,525 from the teams and 13,039 by visitors). Unfortunately, the 2021 economic impact, derived at both Palm Beach County spring training facilities, is down compared to last year. The 2020 MLB Spring Training season was shortened due to Covid-19; however, the entire 2021 MLB Spring Training season endured restricted audiences with a reduced number of games, due to the pandemic.

***Economic Impact of Major League Baseball Spring Training
at Roger Dean Chevrolet Stadium, 2021***

Roger Dean Chevrolet Stadium contributed to Palm Beach County's tourism economy through its Major League Baseball (MLB) Spring Training season. Roger Dean Chevrolet Stadium, which is home to the St. Louis Cardinals and the Miami Marlins, joins Ballpark of the Palm Beaches as the only baseball complexes in Florida housing two MLB franchises.

Roger Dean Chevrolet Stadium accumulated a total attendance of **35,088** over 24 games. The economic impact created by its two MLB franchises totaled **\$19,042,977** (48% of total attendance and economic output for spring training in Palm Beach County).

Ball Park of the Palm Beaches – MLB Spring Training Complex- Multi-Purpose - Year-Round Use

Ballpark of the Palm Beaches is a Major League Baseball (MLB) Spring Training Complex equipped with multi-sports capabilities, which allows for utilization on a year-round basis. The facility, which features a modernized 7,500 seat baseball stadium, 13 MLB regulation baseball diamonds, state-of-the-art press box and clubhouse facilities, and five (5) multi-purpose fields designed to FIFA soccer specifications, is built to host a variety of sports activities throughout the year. This facility undoubtedly enhances Palm Beach County's position as a premier sports destination while hosting sporting events that create widespread economic and community benefits. The Palm Beach County Sports Commission, as the sports tourism agency for Palm Beach County, recruits and develops a variety of sporting events to occupy FITTEAM Ballpark of the Palm Beaches. These events will bring visitors from across the state, nation, and globe.

Economic Impact of Amateur Baseball Events in Palm Beach County

The combination of Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium provides a significant competitive advantage for the Palm Beach County Sports Commission and its efforts to secure regional and national baseball tournaments that will create a countywide tourism impact to The Palm Beaches. These baseball complexes offer 26 diamonds and two stadiums, which makes Palm Beach County one of Florida's premier destinations for baseball. From July 1, 2020, to June 30, 2021, the Palm Beach County Sport Commission supported 13 regional, national, and global baseball tournaments, showcases, and camps, which attracted primarily amateur and youth athletes. The amateur baseball tournaments occupying Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium brought approximately **550 teams** consisting of more than **9,000 athletes** and **17,500+ spectators** to The Palm Beaches. A total of **18,791 hotel room nights** were tracked. These events generated nearly **\$14 in economic impact** for Palm Beach County's hospitality industry. Please see the attached spreadsheet, referred to as "Amateur Baseball Events in Palm Beach County", for a detailed breakdown of this impact.

Unfortunately, the amateur baseball event portfolio was dramatically diminished during this timeframe due to Covid-19. Almost the entire schedule of regional and national baseball tournaments and events planned for the summer and fall of 2020 were canceled or relocated due to the Covid-19 pandemic.

The Palm Beach County Sports Commission believes the tourism created from baseball activities during Palm Beach County's shoulder season will rise to pre-Covid levels by 2022. The combination of Ballpark of the Palm Beaches and Roger Dean Chevrolet Stadium provides a landscape to recruit tourism generating baseball events and foster the growth of amateur baseball properties.

Baseball Americas Qualifier for the XXXII Olympiad

The Palm Beach County Sports Commission hosted the Baseball Americas Qualifier for the XXXII Olympiad at Ballpark of the Palm Beaches from May 31st – June 5th, 2021. Florida was home to the only Olympic Qualifier for baseball that took place in United States. This event was historic and created an Olympic stage in The Palm Beaches, FL. Eight (8) national teams competed in 16 games to vie for a birth into the Olympic Games at Tokyo Japan, on July 23-August 8. Cuba, Colombia, Dominican Republic, Venezuela, Nicaragua, Puerto Rico, Canada, and the United States compete in The Palm Beaches in pursuit of an Olympic gold medal.

Nearly 10,000 spectators enjoyed the Olympic Baseball Qualifier at Ballpark of the Palm Beaches. The tourism and media impacts of hosting this Olympic Baseball Qualifier is immeasurable, especially for a baseball destination like Palm Beach County. The Baseball Americas Qualifier for the XXXII Olympiad generated \$4 million in total economic impact and 4,507 hotel room nights. The games were broadcast on ESPN+ and televised in more than 70 countries.

The greatest benefit of hosting the Baseball Americas Qualifier for the XXXII Olympiad was providing home field advantage to the United States. If the Palm Beach County Sports Commission and Ballpark of the Palm Beaches did not host this event, the Baseball Americas Qualifier for the XXXII would have taken place overseas. Ultimately, the United States won the Baseball Americas Qualifier and clinched a berth to the Tokyo Olympic Games. The Palm Beach County Sports Commission, Ballpark of the Palm Beaches, and the state of Florida are part of Team USA's journey to winning an Olympic Gold Medal in baseball.

Ballpark of the Palm Beaches is a Multi-Purpose Venue

In addition to baseball, Ball Park of the Palm Beaches, has the capability to host a multitude of other sports activities. This facility features five (5) multi-purpose fields designed to FIFA (Fédération Internationale de Football Association) soccer specifications. The Palm Beach County Sports Commission utilizes the multi-purpose fields to promote sports tourism and recruit statewide, national, and international sports events that would enlist a collection of new visitors for Palm Beach County and Florida. The multi-purpose fields have the capability to host a variety of field sports, such as soccer, lacrosse, rugby, field hockey, flag and tackle football and more. The FIFA dimensions are applicable to host all age groups and competition levels for the nation's most popular field sports.

Due to Covid-19, the Ballpark of the Palm Beaches did not host events on the multi-purpose fields during this timeframe. Activity is expected to resume in 2022.

Overtime, Ballpark of the Palm Beaches will attract more sports activities that create economic and community benefits on a year-round basis. Ballpark of the Palm Beaches has already demonstrated its ability to be a superior vehicle for sports tourism over its young four-year life cycle.

II. Secondary Research

UPDATE GDP Growth

Secondary Data Analytics US National Economic Trends

Gross Domestic Product, 1st Quarter 2021 (Second Estimate); Corporate Profits, 1st Quarter 2021 (Preliminary Estimate)

Q1 2021 (2nd) +6.4%

Q4 2020 (3rd) +4.3%

Real gross domestic product (GDP) increased at an annual rate of 6.4 percent in the first quarter of 2021, reflecting the continued economic recovery, reopening of establishments, and continued government response related to the COVID-19 pandemic. The increase was the same rate as the “advance” estimate released in April. In the first quarter, government assistance payments, such as direct economic impact payments, expanded unemployment benefits, and Paycheck Protection Program loans were distributed to households and businesses through the Coronavirus Response and Relief Supplemental Appropriations Act and the American Rescue Plan Act. In the fourth quarter of 2020, real GDP increased 4.3 percent.

UPDATE Hotel Occupancy

The infusion of big events end of Q1-2021 in Palm Beach County, namely *The Honda Classic, Spring Training, spring break, and St. Patrick's day*, caused hotel occupancy rates in Palm Beach County to climb to over 80% for the first time in over a year. According to Discover The Palm Beaches the last time the county saw weekly occupancy at that level was March 6, 2020. On March 9, 2020, Florida's State of Emergency order forced hotels to only take in "essential lodgers."

As reported by the Palm Beach Sports Commission in April of 2021 (press release)...

"At the professional level, staple events like the Winter Equestrian Festival, the PGA Tour's The Honda Classic, and Major League Baseball Spring Training have brought spectators from around the United States back to Palm Beach County. The Winter Equestrian Festival, a twelve-week collection of the world's finest horse shows, set the tone for a stellar year in sports tourism with riders from around the world flocking to the Palm Beach International Equestrian Center in Wellington. The Honda Classic continued the trend of limited capacity events as the PGA Tour event returned to PGA National Resort & Spa in Palm Beach Gardens for the 15th consecutive year. The tournament featured Australia's Matt Jones picking up his first PGA Tour victory since 2014 in front of a daily crowd of around 10,000 fans and a total of 50,000 fans over the week. MLB Spring Training has a storied history in The Palm Beaches and in 2021 added to that history. Four MLB clubs – the Miami Marlins, St. Louis Cardinals, Houston Astros, and Washington Nationals – played their pre-season games at Roger Dean Chevrolet Stadium and the Ballpark of the Palm Beaches. This spring, the clubs returned to action in front of fans for the first time since the 2020 season was cut short. MLB implemented extensive Covid-19 protocols that allowed stadiums to welcome fans back. Other events like the inaugural Delray Beach Pickleball Open, the first Association of Pickleball Professionals (APP) Tour event in Palm Beach County, and the Gauntlet of Polo, a series of three high-profile polo tournaments, among others, have also made a strong economic impact."

COVID Considerations

With respect to the health and safety measures for the 2021 MLB season, the league announced a variety of rules including: Mandatory five-day at-home quarantine prior to reporting to spring training and frequent administration of PCR tests. Ten-day isolation period required for individuals who test positive for COVID-19. Announcement included the following guidelines...

- "Individuals who have been identified as having been in close contact with a confirmed case of COVID will be subject to a mandatory quarantine of seven days and must test negative on day 5 or later among other requirements to rejoin Club facilities."
- A new league-wide code of conduct prohibiting certain high-risk activities outside the ballpark ("indoor gatherings of 10 or more, indoor restaurants, bars and lounges, fitness and wellness centers, entertainment venues, gaming venues (e.g., casinos) or any other activity that is prohibited by state or local governments.")
- During the season, "individuals during road trips are not permitted to leave the hotel other than for team activities at the team facility or ballpark, other than for medical reasons, outdoor walks/exercise, outdoor dining (if approved by the Joint Committee), or for other low-risk outdoor activities, or in extraordinary circumstances. Members of the traveling party must notify a Club Compliance Officer before leaving the hotel."
- Contact tracing program will require Kinexon contact tracing device to be "worn at all times while in Club facilities, during Club-directed travel, and while engaged in team activities including group workouts and practices."
- "Face coverings must be properly worn at all times when in Club facilities and in the dugout, other than for players on the field during a game or during pregame warm-ups."
- All MLB clubs will have a compliance officer, contact tracing officer and a face mask enforcement officer. Fines will be issued for non-compliance during games, and the fines will be donated to charity.

Cactus & Grapefruit League Covid-19 Restrictions

Cactus League 2021:

- No stadium allowed more than 4,000 fans per game, and few allowed more than 2,000.
- Many local business owners and restaurants see a significant boost in the month of March, however, sales appear to be down from last year's shortened season.
- Along with sales, tourism likely decreased significantly.
- Fewer people allowed in the gates resulted in a hot ticket in Arizona. The average resale price of a Dodgers ticket: \$134, up from \$30 last spring.

Grapefruit League 2021:

- No stadium allowed more than 30% capacity.
- With limited capacity, there was a steep increase in ticket price. The average price for a New York Yankee game was \$120, up from \$36 last year.
- In years with no pandemic, Florida sees a tourism boost provided by spring training. Many small business owners and restaurants saw a dip in the amount of people coming through their doors. However, because of the proximity of many restaurants to the stadiums and their large outdoor areas, they were able to weather the storm of the pandemic.

IV. Data Analytics Action Items

Key Actionable Takeaways

1. As “overall impressions” of the Spring Training experience in Palm Beach County are positive as a result of the attendees’ Spring Training visit (51.8% have a better impression; 46.3% have the same-which can be assumed to be largely positive), it will be easier and more cost-efficient to attract repeat visitors over capturing new ones. Cross-promote at/and for other major Palm Beach County events, like the PGA Honda Classic, the Delray Beach Tennis Open/Chris Evert Pro Celebrity Tennis Classic/USTA Clay Court Championships, Gauntlet of Polo, Delray Beach Pickle ball Open. Finally, also the WEF...12 week Winter Equestrian Festival which may be a target for event cross promotion efforts.
2. If local PBC vicinity hotels were at 80% occupancy this year (during Coved-19 remarkable), they would certainly benefit from more “day-trippers” from neighboring counties. They can embrace baseball in ways Hillsborough and Orange haven’t to this date. They can brand the February 28-March 29 period “**Palm Baseball**”? Just a suggestion.
3. With four (4) teams training in the area, there is enough of a center of gravity to have a “Spring Training Baseball Festival” that will keep people in the county longer (especially if they are coming from Broward, Dade, Orange, etc.) and spending more money while they are there. Perhaps offer either a street festival in or near downtown. It’s a way to possibly attract more “families” attend Spring Training and perhaps another merchandising opportunity.

Key Actionable Takeaways

4. There could also be a market-drive food component (concession item) – a Taste of Game – that can feature the cuisine of the home teams (Timex for Houston; Seafood and crab for Washington; Cuban for Miami; BBQ for St. Louis) and maybe for some of the visiting teams, as well. It doesn't have to be an outdoor festival component; it could be a promotion involving restaurants in Palm Beach County. PASSPORT: get a food item representing all four items and get the chance to win tickets to next year.
5. Certain that the Palm Beach Sports Commission or MLB teams promotes spring training in the markets of the home teams (Houston, Miami, St. Louis, and Washington DC). It was interesting (but not unusual) to see a cluster in New York; the Mets were frequent visitors and their training ground is in nearby Port St. Lucie. The teams probably can't market in the cities of the visiting teams, but Palm Beach County may be able to promote more profusely in these neighboring markets. New York, in particular, is a catchment market for visitors to South Florida.
6. Strongly recommend a benchmark study in 2022. As we continue to climb out of the Pandemic from an event operations perspective, valuable to understand how the OR if the event landscape has changed.
7. Additionally recommend next year's study examines which of the events listed in recommendation #1 (PGA Honda Classic, the Delray Beach Tennis Open/Chris Evert Pro Celebrity Tennis Classic/USTA Clay Court Championships, Gauntlet of Polo, Delray Beach Pickle ball Open) are: (a) I'm interested in; (b) I've attended within the past 3 years with the attending Spring Training crowd base.

Written Evidence that the County Continues to Meet the Certification Criteria in Effect when the County was Certified Pursuant to Section 288.11631, F.S. (2015)

Criteria / F.S. Citation	2021 Status
<p>The County is responsible for the construction or renovation of the facility or holds title to the property</p> <p><i>(288.11631(2)(a)1 F.S.)</i></p>	<p>Palm Beach County: 1) is the property owner, as evidenced by Official Record Book 27905 Page 1956 of the public records of Palm Beach County, and 2) extended \$135M toward construction financing for the facility.</p>
<p>County has a signed agreement with a spring training franchise for the use of a facility and the agreement must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating a facility for a spring training franchise</p> <p><i>(288.11631(2)(a)2 F.S.)</i></p>	<p>The 31-year term per Article 3.1 of the accompanying First Restated Sports Facility Use Agreement remains unchanged, as does the 30-year term of the County's special obligation bonds for the facility's construction. As a practical matter, because of the unfinished state of construction at the start of the 2017 MLB Spring Training season, MLB Spring Training at the facility is assured for at least 32 years in total, thru 2048.</p>
<p>The agreement must also require the franchise to reimburse the state for state funds expended by the County if the franchise relocates before the agreement expires</p> <p><i>(288.11631(2)(a)2 F.S.)</i></p>	<p>Article 22.3 of the accompanying First Restated Sports Facility Use Agreement contains language that requires each team to reimburse the state if the team relocates; this language in the Use Agreement was reviewed by DEO and deemed acceptable by DEO as meeting the requirements of F.S. 288.11631.</p>
<p>The County maintains its financial commitment to provide 50 percent or more of the funds to construct the facility</p> <p><i>(288.11631(2)(a)3 F.S.)</i></p>	<p>Palm Beach County has committed to contribute \$135M towards the construction cost of the facility, which is estimated to exceed \$155M at final completion. Hence, the commitment far exceeds the required 50 percent funding requirement.</p>
<p>The facility will attract paid attendance of at least 50,000 persons annually to the spring training games</p> <p><i>(288.11631(2)(a)4 F.S.)</i></p>	<p>The Palm Beach County Sports Commission reports a combined total of 37,896 tickets sold over the 24 games played during the 2021 Spring Training season at the FITTEAM Ballpark of the Palm Beaches. This reduced scheduling and sales is a direct response to responsible facility restrictions and public health/safety precautions exercised during the Covid-19 pandemic. See attached certification from HW's Director of Ballpark Operations (Page 4 of 4 hereto) for more specific detail of Covid-19 operating conditions and actual attendance validation.</p>
<p>The facility for a spring training franchise is located in a county that levies a tourist development tax under s. 125.0104.</p> <p><i>(288.11631(2)(a)5 F.S.)</i></p>	<p>Palm Beach County's tourist development tax can be found in the Palm Beach County Code Section 17-111 through 17-125. Section 17-117 allocates a portion of the tax to professional sports franchise facilities.</p>

Criteria / F.S. Citation (Cont.)	2021 Status
<p>Anticipated effect on the economy of the local community where the facility is to be constructed or renovated <i>(288.11631(2)(b)1 F.S.)</i></p>	<p>Although the construction closeout process remains in progress, current projections indicate a total capital investment exceeding \$155M upon final completion.</p> <p>Refer to the Economic Impact letters and documentation prepared by the Palm Beach County Tourist Development Council and Sports Commission that accompanies this Annual Report for detailed information that is responsive to this provision.</p>
<p>Potential for the facility to be used as a multiple purpose, year around facility <i>(288.11631(2)(b)3 F.S.)</i></p>	<p>Beyond the MLB Spring Training season, the facility has come to host an array of public and private events throughout each year consisting of, but not necessarily limited to, high school graduations, amateur sporting tournaments, and the 2021 Baseball Americas Qualifier that sent Team USA to the Tokyo Olympic Games. A perimeter multi-use trail is also accessible daily for public use, and a contiguous City of West Palm Beach public park (separately funded but related to the overall delivery of the facility) is in daily use by the general public. From March 31, 2020 thru May 22, 2021, the facility served as a site for administering COVID-19 testing for the general public, with approximately 141,200 such tests having been performed at this single site by local public health organizations. The facility has now solidified its place in the community as a year-round venue for public service and entertainment.</p>
<p>The location of the facility in a brown field, an enterprise zone, a community redevelopment area, or other area of targeted development or revitalization included in an urban infill redevelopment plan. <i>(288.11631(2)(b)9 F.S.)</i></p>	<p>Development of this former landfill site as a facility for a spring training franchise rid the property of approximately 449,000 cubic yards of waste material that presented unknown environmental impacts and posed an eyesore for the community</p> <p>In addition to previously reported revitalization activity, real estate listings and rising taxable values of real property in the vicinity of the complex, new construction starts are now increasingly visible along local thoroughfares leading to the site, which indicates how the facility continues to be an agent for positive change in the community.</p>

Certification of The Ballpark of the Palm Beaches Spring Training Paid Attendance

I, Chris Easom, do hereby certify that:

I am the Director of Ballpark Operations of HW Spring Training Complex, LLC (the LLC);

The LLC operates the stadium known as The Ballpark of the Palm Beaches (BTPB) under an agreement between the LLC and Palm Beach County;

I have knowledge of the attendance numbers for the 2021 Spring Training Season games held at BTPB. Because of socially distanced seating necessitated by the Covid-19 pandemic, only 18% (1,423 seats) of the venue's stated capacity (8,043 seats) was made available during the truncated 24-game Spring Training season.

In total, 35,368 guests attended games at The Ballpark of the Palm Beaches during the 2021 Spring Training season.

Item #5: Written evidence that the County continues to meet the certification criteria in effect when the County was certified pursuant to section 288.11631, F.S. (2015).

- 11/17/2016 Letter from Mr. Tipton, County Administrator, regarding the St. Lucie County Sports Complex Spring Training Grant application for 20 million dollars towards new construction and renovations.
- Attached is the debt service schedule for the new improvements at the stadium. This does not include any refinancing of the debt from the previous improvements. As you can see, over the life of the Bonds, the County will pay \$81,581,916.11. \$1 million per year for the first 20 years is coming from the State and the remaining \$2.4 + million is coming from the County. Over the life of the bonds, approximately 24.5% will be repaid using State funding, and the remaining 75.5% is coming from the County. This shows that the County's financial commitments for the improvements exceeded the required 50% threshold.
- 3/17/2017 letter from Mr. Jim Poppell, Chief of Staff (DEO) Decertification of St. Lucie County.
- 3/17/2017 Agreement whereas the County applied for Certification under 288.11631, F.S. between the State of Florida Department of Economic Opportunity (DEO) and St. Lucie County.

**ST. LUCIE COUNTY SPORTS COMPLEX
FACILITIES USE AGREEMENT**

THIS AGREEMENT (the "Agreement"), made and entered into in triplicate as of November 15, 2016 (the "Effective Date"), by and between **ST. LUCIE COUNTY**, a political subdivision of the State of Florida ("County"), and **STERLING FACILITY SERVICES, L.L.C.**, a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, County owns the real property legally described on Exhibit "A" hereto (the "Land"), and all of the fields and improvements located thereon, including, without limitation, the lighted major league baseball stadium presently known as "Tradition Field" (the "Stadium"), and certain major and minor league training facilities, locker rooms, practice facilities, and related improvements (with the Land, Stadium and all fields and improvements hereinafter collectively referred to as the "Sports Complex"), as the Sports Complex is depicted on the site plan ("Site Plan") set forth in Exhibit "B" hereto.

WHEREAS, SFS desires to use, and County desires to permit SFS to use, the Stadium and the other facilities at the Sports Complex for the Term (as defined below) in accordance with the provisions hereinafter contained;

WHEREAS, throughout the Term, SFS shall cause the Sterling Mets, L.P. ("Club"), which owns and operates the franchises for the New York Mets major league baseball team and the St. Lucie Mets minor league baseball team to use the Sports Complex to conduct the following: (i) New York Mets Spring Training games; and (ii) during such time as Club owns or is party to a Player Development Contract with a Florida State League franchise, the home games of such franchise. The foregoing is subject to MLB Rules and Regulations, Minor League Rules and Regulations, and any changes by MLB, Minor League Baseball or the Florida State League;

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, **IT IS AGREED AS FOLLOWS:**

1. **SITE; ADDITIONAL CAPITAL IMPROVEMENTS.**

The County warrants and represents that it owns the Land, Stadium, and the remainder of the Sports Complex including, without limitation, the fields and improvements thereon.

The parties further acknowledge and agree that, subject to the terms set forth herein and in the exhibits hereto, County shall permit SFS to construct additional capital improvements to the Sports Complex property during the Term, in accordance with the schedule, scope, specifications, designs and plans which shall be determined in accordance with the terms of Section 10. Upon the Completion (as such term is hereinafter defined) of the New Improvements (as defined below) the term "Sports Complex," as used herein, shall be deemed to include the New Improvements.

2. **SFS USE OF FACILITIES; TERM; TERMINATION OF PRIOR FUA.**

A. **Term:** SFS agrees to use the Sports Complex for a period commencing on the Effective Date and ending on December 31, 2042 (or such earlier date upon which this Agreement is terminated as provided herein) (the "Term"), subject to the terms and conditions hereof, for the following purposes (the "Permitted Uses"):

(i) SFS may use and permit the Club to use, and the County shall permit SFS and the Club to use, the Sports Complex during the Term of this Agreement for the following, subject to the priorities of use as set forth in Section 15 of this Agreement:

- Fantasy and Youth Baseball Camps
- New York Mets Spring Training (February - April)
- New York Mets Exhibition Season (March - April)
- Florida State League or any successor league (April - September)
- Gulf Coast League or any successor league (June - August) (if applicable)
- Minor League Spring Training (April - June)
- Instructional League Play (September - November)
- Training and/or rehabilitation for baseball players, or (in the retail space currently subleased to Barwis Methods Training Center of Port St. Lucie, LLC) any athletes

To the extent that any use of the Sports Complex for the purposes set forth above in this Section 2(i) (not including fantasy and youth camps) involves professional baseball teams and players who are not affiliated with the Club (or with a major league baseball club affiliated with an assignee of SFS), then SFS (or, if applicable, SFS's assignee) will reimburse the County for its incremental costs arising directly from such use. County consents to SFS continuing to sublease retail space at the Sports Complex to Barwis Methods Training Center of Port St. Lucie, LLC or its affiliates for usage similar to that occurring at the present time. SFS agrees that separate utility meters for the Barwis Center shall be installed as part of the New Improvements.

(ii) SFS, the Club and County shall each have exclusive use of certain office facilities at the Sports Complex as identified in Exhibit "K," on a year-round basis.

(iii) The staging, by or with the permission of SFS, of other baseball and non-baseball oriented events at the Sports Complex, including, without limitation, concerts, shows, conventions and political, religious and community events, subject to the scheduling provisions of Section 15 of this Agreement, except that SFS shall be permitted to conduct promotional events and other activities on the dates of baseball games played at the Sports Complex in SFS's sole discretion.

(iv) The radio, television, internet and other broadcast or transmission of SFS Events.

- (v) All uses set forth below in Sections 6, 7, 8, 12 and 15 of this Agreement.
- (vi) Any such other uses as shall be reasonably consistent with the foregoing.

All New York Mets and St. Lucie Mets (and, if any, GCL Mets (as defined below in Section 12)) activities at the Sports Complex during the Term of this Agreement, as well as all baseball games and other events staged at the Sports Complex by or under the sponsorship, control or authorization of SFS, are referred herein as "SFS Events." All events conducted or authorized by the County at the Sports Complex during the term of this Agreement (excluding all SFS Events) are referred to herein as "County Events."

B. As of the Commencement Date, the St. Lucie Sports Complex Facilities Use Agreement entered into as of August 1, 2003, as amended (the "Prior FUA"), shall terminate and be of no further force or effect and all obligations and rights thereunder shall be deemed superseded by the terms and condition of this Agreement. County hereby acknowledges that no payment is due from SFS pursuant to Section 19 of the Prior FUA.

3. MAINTENANCE.

A. County will, at its expense, at all times keep and maintain the Sports Complex (excluding the Player Academy Spaces (as defined below) and the Barwis Training Center) in good and clean order and repair suitable for a first-class major and minor league training, exhibition and playing complex, including without limitation maintaining the playing fields in a first-class condition appropriate for a major league baseball team, and in any event of a quality not less than the highest level of practiced professional baseball standards (the "Maintenance Standard") and in accordance with the specifications set forth in Exhibit "L" hereto. "Maintenance" shall mean the provision of all labor and materials that are required to (a) keep the Sports Complex in first-class good order and repair, and (b) keep the Sports Complex free of debris. Maintenance shall include, without limitation, (i) performing all preventative or routine maintenance that is stipulated in operating manuals for equipment as regular, periodic maintenance procedures; (ii) regular maintenance procedures for the HVAC system, including periodic cleaning, lubricating and changing air filters; (iii) groundskeeping and maintenance of the athletic fields, including without limitation, seeding, mowing, watering and raking of the grassy areas and full maintenance of the balance of the playing fields, preparation of the fields at the start of each season and for practice sessions and games, maintenance, repair and replacement and painting of grandstands, fences, batter's background walls and other related items; (iv) changing of standard, isolated light bulbs, fuses and circuit breakers as they burn out; (v) cleaning all portions of the Sports Complex immediately after each SFS Event and County Event; (vi) all repairs other than Capital Repair Work (as defined in Section 4), (vii) repair and rehabilitation of parking areas; and (viii) touch-up painting. County shall employ a sufficient number personnel to maintain the Sports Complex (excluding the Player Academy Spaces and the Barwis Center) properly for use and play until the end of SFS's seasonal use of the facilities as delineated in Section 2. The County and SFS shall consult annually as to a reasonable program of management, operation, and maintenance

of the facilities to be carried out during the coming year, and County shall be responsible for implementation of such a reasonable program at its expense.

B. SFS Maintenance Responsibility. At all times during the Term, SFS shall be responsible for performing all Maintenance of the Player Academy Spaces at the Sports Complex and (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC and paying all costs and expenses related thereto including payment of the cost of utilities, except to the extent such Maintenance is required due to the actions of the County or its contractors. SFS shall be solely responsible for any maintenance, restoration or repair related to damage occurring to the Sports Complex as a result of the negligent acts or willful misconduct of SFS or Club, its officers, agents and employees. SFS also shall be solely responsible for repair of any damage to the playing fields, structures, or other facilities that occur during non-baseball SFS Events.

C. In connection with the performance of the Maintenance, SFS shall have the right to cause the County to use products and/or services of its corporate sponsors if such products and/or services are reasonably comparable in price and quality to other alternatives available to the County; provided, however, that the County shall not be obligated to purchase such products and/or services if it would require the County to be in violation of any pre-existing written agreement with any third party or applicable law, including, without limitation, the County's obligations with respect to competitive bidding.

D. The County shall have no obligation to perform or pay for any Maintenance with respect to the Player Academy Spaces or (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC, except to the extent such Maintenance is required due to the negligence or willful misconduct of the County, its agents or employees.

4. CAPITAL REPAIRS.

A. All Capital Repair Work required during the Term shall be performed by the County and all costs and expenses related to the Capital Repair Work shall be the sole responsibility of the County and shall not be deducted from nor otherwise credited against the Additional Improvements Fund. "Capital Repair Work" shall mean (a) all capital modifications, replacements or additions to the Sports Complex that are reasonably necessary to keep the facilities and amenities of the Sports Complex in good repair and sound condition; and (b) repairs and replacements that are reasonably necessary to maintain the roof, foundation, HVAC and MEP systems and structural integrity of the Sports Complex, and preserve its usefulness for the purposes for which it is being used hereunder.

B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for mutually agreed upon Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund each year and SFS shall pay the County \$75,000 on March 1 during each year of the Term, which amount the County shall deposit

the Capital Repairs Fund. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work.

5. ADDITIONAL IMPROVEMENTS.

A. The County shall establish an interest bearing account, in the name of the County, designated as the "Additional Improvements Fund," for mutually agreed upon Additional Improvements (as defined below) to benefit the Sports Complex during the Term, and all interest thereon shall be added to the Additional Improvements Fund. The County shall contribute funds to the Additional Improvement Fund in accordance with the schedule of contributions set forth in the attached Exhibit "C" (it being understood that County shall have up to six (6) months to cure any failure to make a payment in accordance with the schedule).

B. During the Term County shall fund, to the extent funds are available in the Additional Improvements Fund, certain additional improvements to the Sports Complex proposed by SFS and approved by the County, such approval not to be unreasonably withheld (the "Additional Improvements"). The Additional Improvements to be constructed and the schedule for the construction of the Additional Improvements shall be determined so as to provide material benefit to SFS to be enjoyed by SFS during the Term. SFS shall have the right to request that the County provide monies from the Additional Improvements Fund and the County will promptly honor such requests and deliver such funds to SFS or such other person or entity according to instructions from SFS for use as contemplated under this Agreement.

6. CONSIDERATION – PAYMENT.

A. For purposes of this Section 6.A "Year 1" means the 2017 calendar year, "Year 2" means the 2018 calendar year and so on through "Year 25" which is the 2042 calendar year. For each year of the Term starting in 2017, SFS will make a base rent payment to the County (the "Base Rent") in an amount equal to 50% of Stadium Revenue from the New York Mets Spring Training games and the Florida State League franchise's games played at the Stadium (collectively, "Games"), provided that the Base Rent payment shall not exceed \$2,000,000 during each of Year 1 through Year 10, \$2,100,000 during each of Year 11 through Year 20, and \$2,250,000 during each of Year 21 through Year 25. The limit placed on the Base Rent payment each year of the Term shall be referred to herein as the "Base Rent Cap." In addition to the Base Rent, beginning in the year that immediately follows the year in which SFS makes its final payment to the County pursuant to Section 37 below and each year thereafter during the Term, if Stadium Revenue exceeds \$5,500,000 in such year, SFS shall make an additional rent payment to the County (the "Additional Rent") in an amount equal to the County percentage multiplied by the corresponding incremental amount of Stadium Revenue in excess of \$5,500,000 as set forth in the chart below (subject to reduction to the extent necessary to recoup Shortfall Payments as addressed below in this Section).

Stadium Revenue	SFS Percentage	County Percentage
Between \$5,500,001 and \$6,500,000	90%	10%
Between \$6,500,001 and \$7,500,000	75%	25%
More than \$7,500,001	50%	50%

For example, if Stadium Revenue in a year in which Additional Rent is due (a) is \$5,500,000 or less, SFS shall not make any Additional Rent payment; (b) is \$6,000,000, SFS will make an Additional Rent payment equal to \$50,000 (i.e., 10% of the \$500,000 between \$5,500,001 and \$6,000,000); (c) is \$7,000,000, SFS will make an Additional Rent payment equal to \$225,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000 plus 25% of the \$500,000 between \$6,500,001 and \$7,000,000); or (d) is \$8,000,000, SFS will make an Additional Rent payment equal to \$600,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000, plus 25% of the \$1,000,000 between \$6,500,001 and \$7,500,000, plus 50% of the \$500,000 between \$7,500,001 and \$8,000,000)

For any year of the Term starting in 2017 in which Base Rent is less than \$2,000,000 SFS shall make a payment to the County (the "Shortfall Payment") from (but not more than) SFS's 50% share of Stadium Revenues, such payment being equal to the amount by which \$2,000,000 exceeds the Base Rent. SFS shall have the right to recoup all Shortfall Payments from Additional Rent payable to the County in subsequent years. In addition, the Base Rent Cap during each of Year 11 through Year 25 shall be reduced by the cumulative amount of Shortfall Payments that remain un-recouped at the time the Base Rent is due that year, provided that in no event shall the Base Rent Cap be less than \$2,000,000 in any year. To the extent Base Rent to the County is decreased because of the reduction in the Base Rent Cap in accordance with the previous sentence, the amount not paid to the County as a result of that reduction will be considered a recouped Shortfall Payment. (For example, if SFS makes its first Shortfall Payment to the County in Year 10 in the amount of \$125,000, then the Base Rent Cap in Year 11 will be reduced from \$2,100,000 to \$2,000,000, and if the Base Rent in Year 11 would have been \$2,100,000 had the Base Rent Cap not been reduced, then (x) in Year 11 SFS would pay Base Rent to the County of \$2,000,000, (y) SFS will have recouped \$100,000 of its Shortfall Payment from Year 10, and (z) \$25,000 of SFS's Shortfall Payment from Year 10 will remain to be recouped from Additional Rent or future Base Rent Cap reductions. To the extent that Shortfall Payments made by SFS are not fully recouped by the date this Agreement terminates or expires, the County will pay SFS an amount equal to the cumulative total of all un-recouped Shortfall Payments from Tourist Tax Revenues collected by the County after termination or expiration of this Agreement until all Shortfall Payments are repaid to SFS.

Definitions:

"**Stadium Revenue**" means (i) SFS's adjusted gross ticket receipts from Games, plus (ii) SFS's gross sales receipts from food and beverage concession sales at Games, plus (iii) SFS's gross sales receipts from souvenir, novelty and game program sales at Games, plus (iv) the net profits (defined

below) from parking at Games.

“**Adjusted gross ticket receipts**” means all revenues actually received by SFS from ticket sales for Games, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. County will not levy any tax on the sale of tickets except as required by law.

“**Gross sales receipts**” means revenues received from food and beverage concession sales or souvenir and novelty sales at Games, as the case may be, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. County will not levy any tax on the sale of concessions, souvenirs or novelties except as required by law. In the event SFS elects to contract with an unaffiliated private firm to operate all food and beverage concessions and/or souvenir and novelty sales, then, in lieu of including all revenues received from food and beverage concession sales and souvenir and novelty sales at Games in gross sales receipts, SFS shall include in gross sales receipts only such portion of food and beverage concession revenues and souvenir and novelty revenues received by SFS from the contractor. Moreover, SFS’s selection of an unaffiliated private firm to operate all food and beverage concessions or souvenir and novelty sales at the Sports Complex shall be subject to the approval of the County, which approval shall not be unreasonably withheld.

“**Net profits**” will be ascertained by reducing the revenues actually received by SFS from the sale of parking privileges for Games by reasonable labor costs incurred in operating the parking facilities on Games days and other reasonable expenses related to parking (e.g., cost of printing parking tickets and providing signage and flash lights).

B. **Advertising.** Subject to the terms of Section 7(C) hereof with respect to Naming Rights, County grants to SFS the exclusive right to display or permit others to display advertising material at all locations in the Sports Complex at all times during the Term (including, without limitation, advertising in game or other SFS Event programs), and the exclusive right to grant event sponsorship and promotional rights at the Sports Complex during SFS Events, as well as the right to assign all or any portion of such rights to any third party including specifically to the Club. SFS shall have the right to display such advertising signs at all events held at the Sports Complex, including, without limitation, County Events. The County shall not be entitled to receive any of the revenues generated by SFS or its assignees through the sale of such advertising, sponsorships and promotions. SFS or its assignee shall retain one hundred percent (100%) of all revenues from advertising at the Sports Complex during the Term and from all sponsorships and promotions during SFS Events, and SFS shall have control over the type and content of all such advertising, sponsorships and promotions. County shall have the right to review and approve all such proposed advertising, provided that County shall have no right to object to any advertising except to the extent that such advertising is indecent or incompatible with the character and dignity of the Sports Complex; any proposed advertising shall be conclusively deemed neither indecent nor incompatible if it is comparable to advertising at any other Major League spring training or minor league baseball facility within the State of Florida. County may not sell or display signage at the Sports Complex without the prior written consent of SFS, in SFS’s sole discretion, except that the

County may display at the Sports Complex signage that is comprised solely of the insignia or logos of the County or that is required by public safety considerations or by local, state or federal regulations subject to the approval of SFS, which approval shall not be unreasonably withheld.

C. **Parking.** SFS reserves the right to charge reasonable fees for parking areas adjacent to the Stadium for persons attending SFS Events. SFS shall have the right to make parking spaces available at all times and without charge to authorized representatives, designees or personnel designated by SFS. County and SFS shall cooperate and develop a visitors pass procedure that will allow free parking to authorized representatives and guests of the County and SFS.

SFS shall include the net profits from parking at Games in Stadium Revenue as set forth above. For all SFS Events other than Games, SFS shall retain one hundred percent (100%) of all parking receipts. For County Events at the Sports Complex, County shall operate all parking at its sole expense and shall retain all proceeds.

D. **Intentionally Omitted.**

E. **Rent for Use of Stadium.** The rental payment by SFS for use of the Stadium shall be the payments from SFS to County as provided above in Section 6.A. Except as otherwise specifically provided in this Agreement, only one payment shall be made each year of the net amount due from SFS to County, which annual payment shall be made prior to the commencement of the following Major League Spring Training season. County and SFS agree that such amounts paid by SFS to County shall be deemed to be the rent payment for the use and occupancy of real property pursuant to Section 212.031, Florida Statutes. In addition to the requirements of Paragraph 9(C), SFS shall provide the County with an annual accounting of revenues and expenses in sufficient detail for audit purposes at the same time the annual payment is made.

F. **County Revenues.** SFS shall pay to County thirty-three percent (33%) of SFS's gross sales receipts from food and beverage concession sales at all County Events, with SFS retaining the other sixty-seven percent (67%). As used in this Section 6(F), "gross sales receipts" means revenues received from food and beverage concession sales, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. However, County shall not levy any tax on the sale of concessions except as may be required by state law. For all County Events, County shall retain one hundred percent (100%) of the adjusted gross ticket receipts but shall reimburse SFS for all pre-approved out-of-pocket expenses incurred by SFS in connection with each such event. As used in this Section 6(F), the term "adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for County Events at the Sports Complex, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. However, County shall not levy any tax on sale of tickets except as required or authorized by state law.

G. **Parking Revenues from Adjacent Businesses.** Subject to the approval of SFS, which approval shall not be unreasonably withheld, the County shall have the right to allow local

businesses with offices adjacent to the Stadium ("Adjacent Businesses") to utilize the Stadium parking area depicted on Exhibit "N" hereto (the "Business Parking Area") on a nonexclusive basis provided that the use of the Business Parking Area by local businesses shall not conflict with use of the Business Parking Area by SFS or the County for SFS Events or County events. The parties agree that the first \$100,000 in total revenues received during the Term from the use of the Business Parking Area by the Adjacent Businesses shall be retained by the County to reimburse the County for the actual cost incurred by the County to construct improvements to the Business Parking Area, and thereafter, the County shall deposit all revenues received from use of the Business Parking Area by the Adjacent Businesses into the Capital Repairs Fund. The County shall be responsible for all damage and expenses resulting from use of the Business Parking Area by Adjacent Businesses

7. TELEVISION - RADIO REVENUE; LUXURY SUITE REVENUE; NAMING RIGHTS.

A. Television - Radio Revenue.

It is expressly acknowledged and agreed by and between the parties, that the County shall receive no revenues from the radio or television broadcast or other transmission (including, without limitation, over cable or the Internet) of or relating to any SFS Events, nor shall the County participate, in any manner, in determining when said SFS Events shall be broadcast or otherwise transmitted. SFS has the exclusive right to sell television and radio broadcasting and other transmission rights for SFS Events and to permit others to sell such television and broadcasting and other transmission rights, and SFS or such other authorized party shall retain all revenues resulting therefrom.

B. Suite Revenue.

SFS shall manage and control the rental of any luxury suites at the Stadium, including without limitation any luxury suites constructed as part of the New Improvements, for all events at the Sports Complex during the Term. County and SFS shall each be entitled to use and authorize others to use one luxury suite for all events during the Term, without charge to County or SFS for their occupancy of the respective suites. All other luxury suites are to be rented on a yearly basis, and SFS shall retain one hundred (100%) percent of adjusted gross revenue from the rental of luxury suites. The lessee of any luxury suite will receive admission tickets to the luxury suite for all New York Mets spring training games and all St. Lucie Mets games at no additional charge. The lessee of any luxury suite will also have the right to purchase admission tickets to the luxury suite for any other event held at the Stadium during the year, and if such tickets are purchased: (i) for all SFS Events other than New York Mets spring training games and St. Lucie Mets games, SFS shall retain one hundred (100%) percent of the adjusted gross revenue from the sale of such admission tickets; and (ii) for all County Events, SFS shall retain ten (10%) percent of the adjusted gross revenue from the sale of such admission tickets and shall pay to the County the remaining ninety (90%) percent. As used in this Section 7(B), the term "adjusted gross revenue" means all revenues actually received by SFS from the rental of luxury suites that is

attributable to the particular event at issue, and all revenues actually received by SFS from the sale of tickets granting admission to the luxury suites for the event, less any and all taxes and tax surcharges or fees due to any governmental or taxing authority related thereto. Revenues from food and beverage sales in luxury suites will be included in gross sales receipts as set forth in Section 6(A) above.

C. **Naming Rights.**

SFS or its designee shall have the sole and exclusive right to designate the name of the Sports Complex and/or its constituent parts and to grant one or more third parties (i) the right to include such party's name, product name and/or logo and/or corporate identifiers in the name of the Sports Complex and/or its constituent parts, (ii) the right to have such name and/or logo and/or corporate identifiers prominently displayed on the interior and the exterior of, and on and around the entrances to the Sports Complex and/or its constituent parts, and on the Sports Complex apron, as part of the name of the Sports Complex, and (iii) such other nonexclusive rights which are customarily included in the grant of the rights in clause (i) and (ii) above (such rights are hereinafter referred to as the "Naming Rights"), and provided that such name and/or logo and/or corporate identifiers shall not be obscene nor shall it be unlawful to use the same. For avoidance of doubt, SFS retains all revenues with respect to Naming Rights.

For so long as both this Agreement and the agreement granting Naming Rights remain in effect, the Stadium and the Sports Complex shall be referred to by the name(s) selected pursuant to this Section 7(C), and neither party shall advertise or refer to the Stadium or the Sports Complex by any other name. The Stadium and the Sports Complex names selected pursuant to this Section 7(C) shall be used by the parties when referring to the Stadium and the Sports Complex in any of their correspondence, press releases, promotional materials, advertisements and/or publications, and shall be used by County on all related directional traffic and pedestrian signs on highways, local streets, and all public thoroughfares in and around the Sports Complex and St. Lucie County, Florida. Notwithstanding the above, the parties agree that the County's logo shall be permanently displayed at locations in the Stadium and Sports Complex as mutually agreed upon by the parties.

County shall retain the right to market for sale to a third party the right to include such party's name, product name and/or logo in the official name of the football/soccer field across from the Sports Complex (the "Football/Soccer Naming Rights"). County shall not market or entertain offers for, and shall not enter into any agreement relating to, the Football/Soccer Naming Rights until after all Naming Rights Agreements referenced above in this Section 7(C) with respect to the remainder of the Sports Complex have been entered into and approved by the Board of County Commissioners. Any agreement with respect to the Football/Soccer Naming Rights shall be subject to the approval of SFS, which approval shall not be unreasonably withheld, provided that the withholding of approval shall be conclusively deemed reasonable if the proposed agreement is with a competitor of any entity that has an advertising or naming rights agreement with SFS or Club at any facility.

D. **Other Revenues.**

Except as otherwise expressly stated and specified in this Agreement, SFS shall be entitled to retain all revenues related to the Sports Complex.

E. **Recognition of Contributions of Thomas J. White, Sr.**

Wholly separate from any naming rights for the Sports Complex or the Stadium, County and SFS agree to continue to recognize the contributions of Thomas J. White, Sr. in a manner similar to how such contributions are currently recognized at the Sports Complex and Stadium.

8. **TICKET SALES; PROGRAM SALES, CONCESSIONS AND PARKING.**

SFS has the exclusive right to operate ticket sales, program sales, and parking lots in connection with SFS Events during the Term of this Agreement, and has the right and discretion to contract with or authorize one or more other persons or entities to operate ticket sales, parking and/or game program sales at the Sports Complex at or in connection with SFS Events.

SFS has the exclusive right and discretion to sell and authorize others to operate concessions for the sale of food and beverages (including, without limitation, catering, hospitality and picnic services), novelties, souvenirs and paraphernalia at the Sports Complex during the Term of this Agreement. The County reserves the right to schedule special events in the parking lot during non-baseball scheduled events at which concessions will be sold; SFS will operate concessions at such special events in accordance with its exclusive right to operate concessions at the Sports Complex during the Term, and will cooperate with the County with respect to the providing of concessions to community and charitable groups at such special events. During the Term of this Agreement, SFS shall provide good quality concession services to the public. SFS will use commercially reasonable efforts to restrict patrons from bringing any food, beverages (including alcoholic beverages) or beverage containers into the Sports Complex. Prior to the start of each season, SFS will provide the County with notice of the pricing for tickets, programs, concessions and parking.

No new coin or currency operated vending machines shall be installed or located within the Sports Complex by SFS without the written permission of the County's Parks and Recreation Director, which permission shall not be unreasonably withheld. Except as otherwise permitted under this Agreement, SFS will not install permanent fixtures or construct permanent improvements at the Sports Complex without the County's prior consent, which consent shall not be unreasonably withheld.

9. **BOOKS, RECORDS AND AUDIT.**

SFS and County agree to keep accurate books and records in accordance with generally accepted accounting practices of their respective operations at the Sports Complex. SFS agrees to

submit to the County, on a quarterly basis, a report containing accurate attendance information in a form agreed to by all parties. In addition, the parties agree as follows:

B. SFS shall submit daily sales (ticket, parking, program and concessions) reports within thirty (30) days following the last Game of Spring Training and thirty (30) days following the last Game of the Florida State League season.

C. All related books and records regarding ticket, parking, program and concession sales shall be jointly available to the County for suitable annual audit at a time mutually agreed to by the parties. Any audits must be performed within twelve (12) months after the end of each year of operation (January 1 - December 31). SFS shall have the same right to audit the books and records of any County operation under this Agreement, and shall have the right to review the County budget and related documents at any time upon reasonable notice.

10. **NEW IMPROVEMENTS.**

A. **NEW IMPROVEMENTS - BUDGET.**

The County intends to issue bonds, the ("New Improvement Bonds") which will be used to finance certain improvements to the Sports Complex described on Exhibit "D" hereto (the "New Improvements"). If the County does not issue the New Improvement Bonds and fully fund the New Improvements Budget (as defined below) by April 1, 2017 SFS shall have the right to nullify and void this Agreement, by providing written notice to the County, provided that the County shall have seven (7) days following its receipt of such notice from SFS to issue the New Improvement Bonds, and if the New Improvement Bonds are issued by the end of such seven (7) day period then the written notice provided shall be ineffective. If this Agreement is nullified and voided as set forth in the immediately preceding sentence, the parties agree that the Prior FUA shall be reinstated and the terms and conditions of the Prior FUA shall govern the rights and obligations of SFS and the County. The County will designate SFS as the agent of County for the purpose of coordinating the New Improvements, with the scope of the New Improvements to be determined by SFS and approved by County, and the County will provide cooperation appropriate for the design and construction of the New Improvements. The parties agree that the New Improvements will include, without limitation, Stadium upgrades, a new entrance, walk way connector around the outfield, one new field and other field enhancements, Mets player academy facilities consisting of dormitories, a cafeteria and an auditorium (the "Player Academy Spaces") (which shall only be used by Mets personnel and shall not be available for use by the general public), little league/softball complex, new major and minor league clubhouses, offices and locker rooms, and other improvements as may be determined and approved by SFS and County. The County shall provide \$55,000,000 of funding (the "New Improvements Budget") for the design and construction of the New Improvements.

Nothing in this Agreement shall obligate the County to provide funding for the New Improvements in excess of the New Improvements Budget. SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other

modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage. The New Improvements Budget shall be used to fund the New Improvements only and for no other purpose (except as provided herein). County will contract to have an economic impact statement prepared, addressing the impact from Major and Minor League Baseball at the Sports Complex and the Improvements, it being understood that the cost of such statement shall be paid by the County and shall not be included in the New Improvements Budget.

B. NEW IMPROVEMENTS - PLANS.

1. County, for the benefit of SFS and County, shall competitively procure an architect reasonably satisfactory to both parties (the "Architect" referred to in this Section 10) in accordance with Florida Law and County Procurement Policy. The Architect shall be responsible for, *inter alia*, (1) developing a conceptual plan and general specifications (the "Conceptual Plans" referred to in this Section 10) for the New Improvements; (2) developing preliminary plans and specifications for the New Improvements; (3) preparing working drawings and requests for bids; (4) obtaining all permits, other than building permits, needed to construct the New Improvements; (5) assisting SFS in evaluating the qualifications of potential contractors; (6) providing contract administration; and (7) performing construction inspections as needed to provide certified as-built drawings after the New Improvements are constructed (the "Architect's Work" referred to in this Section 10). SFS shall enter into a contract (the "Architect's Contract" referred to in this Section 10) with the selected Architect with terms that are fair, competitive and reasonable as required by Section 287.055 (5) and (6) of the Florida Statutes, and which shall, *inter alia*, contain the terms and conditions set forth in Exhibit "E" hereto. The County shall be named as a third party beneficiary in the Architect's Contract. The County shall, upon request, enter into a joinder to the Architect's Contract substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc. Without limiting the foregoing, the Architect's Contract shall require the Architect to procure policies of insurance that relate to the Architect's Work, with terms, limits, coverages and specifications at least as favorable for SFS as those reflected in Exhibit "E", and SFS and the County shall be designated as Named Insureds on all applicable policies. The Contract should also provide that Architect will not receive payment for any portion of the Architect's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(b) below. SFS shall have the right to refuse to enter into any Architect's Contract with terms that are not fair, competitive and reasonable as required by Section 257.055 (5) and (6) of the Florida Statutes. County, through its Board of County Commissioners, shall have final approval rights to the negotiated Contract limited to whether the Contract terms are fair, competitive and reasonable. County agrees that the Architect shall not be considered an agent of SFS for any purpose and that the Architect shall be solely responsible for the Architect's Work, and that the County will look solely to the Architect and its carriers, and in no event to SFS, with respect to the performance of the Architect's Work and any damages or losses which may arise from or out of any acts or omissions of the Architect

except to the extent caused by any negligent acts or omissions of SFS or its agents or representatives.

2. Contemporaneous with procurement of the Architect, the County shall, through currently pending RFQ No. 16-049, competitively procure a consultant to provide Program Manager Consulting Services on its behalf, serving as the point of contact of the County for all project development interaction involving SFS, Architect and Contractor.

3. SFS shall cause Architect to furnish to County the Conceptual Plans for the New Improvements. County, through its Board of County Commissioners, shall have a period of twenty (20) days from delivery of the Conceptual Plans within which to review and to disapprove of the Conceptual Plans, in writing. County shall have no right to disapprove of the Conceptual Plans except to the extent that the improvements described therein are materially inconsistent with the description of the New Improvements set forth on Exhibit "D" hereto or to the extent the Conceptual Plans reflect estimated costs in excess of the New Improvements Budget. Subject to the foregoing, County shall not unreasonably withhold its consent to any Conceptual Plans. If County disapproves of the Conceptual Plans, County shall express the grounds for its disapproval in reasonable detail. If County shall not disapprove within such twenty (20) day period, the Conceptual Plans shall be deemed approved.

4. As soon as is reasonably practicable following the approval of the Conceptual Plans, SFS shall cause Architect to prepare and deliver to County and SFS preliminary plans and specifications for the New Improvements in accordance with the approved Conceptual Plans (the "Preliminary Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days within which to review and to approve or disapprove of the Preliminary Plans in writing. County shall have no right to disapprove of the Preliminary Plans except to the extent the Preliminary Plans are materially inconsistent with the Conceptual Plans. If County or SFS disapprove of the Preliminary Plans, it or they shall express the grounds for its disapproval in reasonable detail. If County or SFS shall not respond with disapproval within such twenty (20) day period, the Preliminary Plans shall be deemed approved.

5. As soon as is reasonably practicable following the approval of the Preliminary Plans, SFS shall cause the Architect to prepare working drawings for the New Improvements (or such of the New Improvements as shall be designated by SFS), in accordance with the approved Preliminary Plans and to deliver same to County and SFS (the "Final Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days from receipt of the completed Final Plans to review and approve or disapprove of the Final Plans in writing. County shall have no right to disapprove of the Final Plans except to the extent such Final Plans are materially inconsistent with the Preliminary Plans. If County or SFS shall disapprove of the Final Plans, it or they shall express the grounds for its disapproval in writing and in reasonable detail. If neither County nor SFS disapprove within such twenty (20) day period, the Final Plans shall be deemed approved. Once approved, the Final Plans shall be incorporated into this Agreement as Exhibit "F".

6. County, for the benefit of SFS and County, shall, through a publicly advertised competitive bidding or proposal process, in accordance with Florida law and County Procurement Policy, competitively procure a contractor (the "Contractor" referred to in this Section 10) for the construction of the New Improvements in accordance with the Final Plans (the "Work" referred to in this Section 10). SFS shall have input on the qualifications and selection of contractors, with two members appointed by SFS to a five-member selection committee, with the remaining three members appointed by County, and to refuse to engage any contractor upon terms that are not fair, competitive and reasonable as determined by SFS. The final terms of the agreement between SFS and the Contractor (the "Construction Contract" referred to in this Section 10), and any Guaranteed Maximum Price amendments or agreements, shall be subject to the approval of the County, through its Board of County Commissioners, limited to whether the Contract terms are fair, competitive and reasonable. SFS shall enter into a Construction Contract along with terms that are fair, competitive and reasonable and the terms set forth below, with the selected contractor.

7. The Construction Contract shall, *inter alia*, include the terms and conditions set forth in Exhibit "G" hereto and shall include each of the following requirements related to all work under the Construction Contract ("Work"): (i) the furnishing of a public construction bond in a form consistent with Section 255.05, Florida Statutes, with the County named as co-obligee, and with terms acceptable to SFS; (ii) competitive procurement of all Subcontractors work and supplies as set forth in Subsection 7(d) below ("Procurement of Subcontracts"); (iii) retainage in an amount acceptable to SFS for the Work, until the Completion of the Work (including a retainage of 10% of the total value of the construction contract) and required reductions at 50% completion as set forth in Section 255.078, Florida Statutes; (iii) payment by the Contractor of liquidated damages equal to One Thousand Dollars (\$1,000.00) for each day from and after the Required Completion Date (if and as that term or its equivalent is defined in the Construction Contract) until the actual date of Completion; (iv) a requirement that the Contractor perform and achieve Completion of the Work for a Guaranteed Maximum Price or fixed stipulated sum referred to in this Section 10), by no later than the Required Completion Date; (v) the furnishing of an "installation floater" insurance policy or such other policy of insurance covering goods in transit and while the Work is being performed, with terms, limits, coverages and specifications acceptable to SFS (and the furnishing by any subcontractors of policies of insurance that relate to the Work naming SFS, Club and the County as additional insureds, with terms, limits, coverages and specifications acceptable to SFS); (vi) at SFS's election, the provision on behalf of SFS of an Owner's Contractor Protective policy of insurance, including extensions for products and completed operations coverage and similar extended coverage at least through Completion (as defined herein) of the Work, or another policy of insurance acceptable to SFS, with SFS as a named insured; (vii) the County shall be named as a third party beneficiary in the Contract; and (viii) Contractor must agree that it will not receive payment for any portion of the Contractor's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(c) below. The County shall be named as a third party beneficiary in the Contract between the Contractor and SFS. The County shall, upon request, enter into a joinder to the Contract between the Contractor and SFS substantially similar to the joinder

entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc.

8. As required by Section 119.0701, Florida Statutes, in all contracts competitively procured for services related to the New Improvements, including the Architect as set forth in Section 10(B)(1) and Contractor as set forth in Section 10(B)(4), SFS shall include in each such Contract, the following Notice in capital letters, 14-point boldfaced type:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (772) 462-1441, bellamys@stlucieco.org, COUNTY ATTORNEY'S OFFICE, 2300 VIRGINIA AVENUE, FORT PIERCE, FL 34982.

SFS shall also include in each such Contract, a requirement that the contracting party comply with the following requirement of Florida's Public Records Law:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. SFS agrees to include the following provisions (or substantively equivalent provisions) in the Construction Contract:

(a) Punchlist Procedures. Punchlist procedures to render the Work complete, satisfactory and acceptable are established as follows:

There shall be the development of a single checklist of items required to render complete, satisfactory, and acceptable, the Work. No more than ten (10) days prior to Contractor's expected Substantial Completion of the Work as defined in the Construction Contract, Contractor shall schedule a walkthrough with SFS and the County ("Initial Walkthrough" a/k/a "IW"). The purpose of the IW is to develop a checklist ("Checklist") of items to be performed by the Contractor, based upon observations made between the Contractor, SFS and the County during the IW.

No later than forty (40) calendar days after reaching Substantial Completion, Contractor shall again initiate and request a second walkthrough of the Project with SFS and the County. The purpose of this second walkthrough is to identify which items remain to be performed from the IW Checklist and for the purpose of developing a single and Final Punchlist.

The intent of this section is for SFS, County and the Contractor to cooperate to develop a single Final Punchlist to be completed no later than sixty (60) calendar days from the date of reaching Substantial Completion of the Work as defined in the Construction Contract. The single Final Punchlist shall be delivered no later than five (5) calendar days after the Punchlist has been developed and reviewed in accordance with this section. If the Work provided in this Construction Contract relate to more than one building or structure, or involves a multi-phased project, the single Final Punchlist is required to render complete, satisfactory, and acceptable all the Work for each building, structure, or phase of the Project and is due within the time periods set forth in this section.

In no event may the Contractor request payment of final retainage until the Final Punchlist is 100% complete.

Contractor agrees to complete the Final Punchlist items and the Final Contract Completion Date must be thirty (30) calendar days after the delivery date of the Final Punchlist. The failure to include any corrective work or pending items not yet completed on the list does not alter the responsibility of the Contractor to complete all the construction services purchased pursuant to this Construction Contract.

Contractor acknowledges and agrees that no item contained on the Final Punchlist shall be considered a warranty item until such time as (a) the Final Punchlist is 100% complete, and (b) SFS has been able to operate or utilize the affected Punchlist item for an additional period of fifteen (15) days.

Contractor acknowledges and agrees that SFS may, at its option, during performance of the Work and prior to Substantial Completion, issue lists of identified non-conforming or corrective work for the Contractor to address. The intent of any such generated list prior to Substantial Completion is to attempt to streamline the Punchlist process upon achieving Substantial Completion, and to allow for the Contractor to address needed areas of corrective work as they may be observed by SFS during performance of the Work.

Contractor acknowledges and agrees that SFS shall determine whether an item on the Final Punchlist is completed and shall calculate the amount of payment to withhold if an item is incomplete, with SFS having the right to withhold the greater of 150% of the value of the item on the Final Punchlist that is incomplete or the amount of the retainage under this Construction Contract. Contractor acknowledges and agrees that in calculating the amount of payment that may be withheld by SFS as to any Final Punchlist item for which a good faith basis exists to determine that it is incomplete, SFS may, in calculating the amount equal to 150% of the value of the item (if SFS decides to withhold such amount rather than the amount of the retainage under this Construction Contract), include within such percentage calculation its total costs for completing such item of work, including its administrative costs as well as costs to address other services needed or areas of work which may be affected in order to achieve full completion of the Final Punchlist item. Such percentage shall in no event relate to the schedule of value associated with such Work activity, but rather total costs are based upon the value (i.e. cost) of completing such Work activity based upon market conditions at the time of Final Punchlist completion.

(b) **Reduction of Retainage Procedures.** After the Contractor has achieved fifty percent (50%) completion of the Work, retainage from subsequent Pay Applications shall be reduced to five percent (5%). Contractor may request a reduction of retainage previously withheld from ten (10%) percent of the total value of the Construction Contract to five (5%) percent after fifty (50%) percent completion of the Work which SFS shall authorize for payment unless justification for withholding exists, as permitted by Section 255.078, Florida Statutes. The term "Fifty Percent Completion" shall be defined as follows, in lieu of any other definition:

"Fifty Percent Completion" of the Work is defined as that point in time where 50% of the overall value of Work items incorporated and which will remain in place subsequent to final completion of the Work have been completed, based upon the schedule of values contained in the Contract. As such, and by way of example, the value of Contractors mobilization, general conditions, supervision or like items which do not involve permanent incorporation of Work do not apply to the determination of "Fifty Percent Completion" of the Work for purposes of establishing entitlement to a reduction of retainage.

(c) **Definition of Substantial Completion.** For purposes of this Construction Contract, and for compliance of those procedures, duties and obligations, the term Substantial Completion shall be as follows, in lieu of any other definition:

"Substantial Completion" is defined as that point where SFS and the County are able to enjoy beneficial occupancy of the Work and where the Work has achieved that level of completion such that SFS and the County are able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life safety and regulatory use, with the

exception of incidental and incomplete items except where a lack of completion of such incidental or incomplete items of Work will adversely affect the complete operation of other areas of the Work, to the satisfaction and approval of all authorities having jurisdiction.

(d) **Procurement of Subcontracts.** All subcontracts exceeding \$500,000 shall be and competitively awarded in accordance with the process set forth in Exhibit "O".

(e) **Contractor Self-Perform Work.** Upon approval by SFS, Contractor and any Related Entities as defined below, may use its own forces to perform a portion of the Work, as long as the cumulative percentage of the total self-performed construction work does not exceed 25% of the Direct Cost of the Work for the Project, as reflected in the approved GMP or latest approved estimates. SFS reserves the right to limit instances of self-performance to certain Work. There is no guarantee that any self-performed work will be allowed. Related Entities are prohibited from submitting competing bids or proposals and shall be disqualified for doing so, unless authorized hereunder. When authorized in advance to submit a competitive bid, the Contractor or Related Entity must submit its bid to SFS, at least forty-eight hours prior to the bid opening date and time. "Related entities" means any parent company, affiliates, subsidiaries, or other entities having common ownership or management with that of the Contractor or a subcontractor.

10. County agrees that the Contractor shall not be considered an agent of SFS for any purpose and shall be solely responsible for the Contractor's Work, and that the County will look solely to the Contractor and its carrier(s) and surety bond(s), and in no event to SFS, with respect to the performance of the Contractor's Work and any damages or losses which may arise from or out of any acts or omissions of the Contractor except to the extent caused by the negligent acts or omissions of SFS or its agents or representatives.

11. SFS shall have the right to purchase general construction liability insurance or other construction-related insurance acceptable to SFS, with terms, coverages, specifications and limits as determined by SFS as being reasonable in its sole discretion. The cost of such insurance shall be included in the Total Cost of the Work (as defined in this Section 10(B)(10)). County shall be an additional insured on such insurance policy, if any is purchased by SFS.

12. The Total Cost of the Work defined herein shall be paid by the County in accordance with the procedures set forth in Section 10(C)(9), below, out of the New Improvements Budget. The term "Total Cost of the Work" referred to in this Section 10 shall mean the sum of (i) the fees and expenses of the Architect in connection with all stages of the Architect's Work hereunder, including without limitation the Architect's consultants' fees and expenses, and all fees and expenses related to the obtaining of permits needed to construct the New Improvements, plus (ii) the Construction Contract Price, plus (iii) the fees and expenses of any consultants engaged directly for the design and construction of the New Improvements which are approved in advance by the County and competitively procured in accordance with Florida law (including the Program Manager under RFQ No. 16-049), plus (iv) any other approved costs, expenses or liabilities

incurred by SFS as a consequence of SFS's engagement of the Contractor, Architect or other consultants hereunder, including but not limited to SFS's attorneys' fees in connection therewith, plus (v) the costs of all permits required for the Work, plus (vi) the premium cost of all insurance, including without limitation comprehensive general liability insurance, general construction liability insurance, products and completed operations or other extended insurance, or other insurance acceptable to SFS, as SFS may elect to obtain with County's advance approval, whether directly or through another person or entity acting on SFS's behalf, as a consequence of SFS's engagement of the Architect and Contractor hereunder (referred to in this Section 10 as the "Additional Exposure Liability Insurance Coverage Insurance Premiums"). The Total Cost of the Work shall be subject to increase only as a consequence of Authorized Change Orders (as defined in this Section 10), to the extent such Authorized Change Orders actually increase the Total Cost of the Work; provided, however, that the County's obligations shall be limited to the New Improvements Budget. As between SFS and the County, SFS shall be solely responsible for any and all cost of the Work exceeding the New Improvements Budget. The Total Cost of the Work shall not include any other costs or fees whatsoever, including, without limitation, fees for construction, coordination, supervision or for review and approval of plans and specifications or proposed Change Orders by SFS or County, except as otherwise specifically set forth in this Agreement.

C. NEW IMPROVEMENTS – CONSTRUCTION.

1. Promptly following the execution of the Construction Contract and the issuance of all required approvals and permits, SFS shall cause the Contractor to commence the Work and to diligently and continuously pursue the Work to Completion. The term "Completion" as used in this Section 10 shall mean the completion of the Work, as evidenced by the issuance of a temporary or final certificate of occupancy or completion, as applicable, and the completion of all "punch-list" items.

2. County will cooperate in good faith to assist Architect and Contractor in obtaining all permits required for the construction of the Work from all applicable governmental authorities.

3. There shall be no change to the Final Plans, except pursuant to an Authorized Change Order (as such term is defined below). SFS shall have the right to request changes in the Work. As used in this Section 10, an "Authorized Change Order" shall mean a written instrument initiated and prepared by SFS and signed by County if required herein (or deemed approved as set forth herein), SFS and the Architect stating their agreement upon all of the following: (i) the agreed change in the Work; and (ii) the extent of the adjustment in the Total Cost of the Work, if any. County shall have a period of ten (10) business days following receipt of a request to approve a Change Order within which to review and approve same. If County fails to respond within such ten (10) business day period after the receipt of the proposed Change Order, then such proposed Change Order shall be deemed approved provided, however, that in no event shall the County be obligated to pay any costs associated with Change Orders in the event such costs cause the Total Cost of the Work to exceed the New Improvements Budget without a separate

written consent from the County identifying the additional funds to be provided. Such separate written consent shall not be deemed to have been provided by the County's failure to object to a Change Order. County shall not unreasonably withhold its consent to any proposed Change Order except the County shall have the absolute right to deny any Change Order request that would cause the New Improvement Budget to be exceeded unless SFS agrees to be solely responsible for the overage. County has the right to suggest Change Orders to SFS, and SFS agrees to consider each County request for a Change Order in good faith, provided that any Change Order proposed by County shall not have the effect of increasing the Total Cost of the Work, and to initiate an Authorized Change Order as set forth in this paragraph if SFS determines that such a Change Order is appropriate. Changes in the Total Cost of the Work due to an Authorized Change Order shall be limited to the actual net increase in the cost included in the definition of the Total Cost of the Work.

4. SFS and the County shall have the right to monitor the construction progress of the New Improvements at all times, provided that County shall not give direction, whether verbally or in writing or otherwise, to any Contractor, Architect or consultant engaged by SFS, except in an emergency situation. SFS understands that County shall procure a Program Manager to serve as its representative during the design and construction of the Project, as part of the New Improvements Budget cost (provided that the cost therefor shall be reasonable therefor in light of the services provided by the Program Manager). SFS agrees to cooperate with the County and its Program Manager, and use best efforts to create a spirit of harmony involving all companies providing services for the Project. The Program Manager shall have the opportunity to be included as a participant at all Project meetings, jobsite meetings and inspections, and shall have the opportunity to be included on all Project communications involving the Architect, Contractor and any authority having jurisdiction. All Project administration communications, necessary with the County, including disbursement requests and Change Order requests, shall be conducted through the Program Manager. Should Program Manager identify any work being performed in material deviation from the approved Final Plans, it shall immediately provide written notice to SFS and the County, with recommendations on remedying the non-compliance. If the non-compliance is not remedied within seven (7) days, County and SFS, through representatives possessing decision-making authority, shall meet promptly to discuss the issues and means of resolution.

5. In the event of any contractual dispute between the parties hereto that (i) occurs before Completion (as defined in this Section 10) of the New Improvements, and (ii) relates to the preparation and/or approval of the Conceptual Plans, Preliminary Plans, Final Plans, the Construction Work per the Final Plans, or any Change Order for any Phase of the Work, SFS and County shall attempt in good faith to agree to the resolution of the disagreement and/or the curative measures, if any, that are required to be undertaken, and if necessary will submit the dispute to non-binding mediation in an effort to resolve the dispute if the parties are unable to reach a resolution without outside intervention. If the parties are unable to resolve such dispute through non-binding mediation within 30 days of such dispute arising, then the dispute shall promptly be resolved by litigation pursuant to Section 39 of this Agreement.

6. The New Improvement Schedule, which shall be Exhibit "H" hereto, shall show:

(a) The anticipated time of commencement and completion of each of the various operations to be performed under this contract; and,

(b) The sequence and inter-relationship of each of these operations with the others and with those of other related contracts; and,

(c) The estimated time required for fabrication or delivery, or both, of all materials and equipment for the Work.

7. The New Improvement Schedule shall be revised by SFS as and when needed. SFS shall provide the County with written notice in the event that any revision as to the New Improvement Schedule changes the Required Completion Date (if and as that term or its equivalent is defined in the Contract).

8. Promptly after execution of this Agreement, the County shall deposit the entire amount of the funds that comprise the New Improvements Budget in an interest bearing account, in the name of the County, designated (and referred to in this Section 11) as the "New Improvement Account," and all interest thereon shall be added to the New Improvements Budget. The County will issue bonds in an amount sufficient to generate \$55,000,000 of funding for the New Improvements Budget, as provided for in this Section 10. Notwithstanding any provision herein to the contrary, the County shall have no obligation to provide funds for the New Improvements Budget in excess of the \$55,000,000 provided with the proceeds of the County's New Improvement Bonds without the express written consent of the County identifying the additional funds provided.

9. County shall disburse funds from the New Improvement Account, as follows, provided that in no event shall County be responsible for disbursing funds in excess of the New Improvements Budget for the Total Cost of the Work:

(a) Within twenty (20) business days following SFS's delivery to County of an invoice for the Additional Exposure Liability Coverage Insurance Premiums with certification that payment is due in the requested amount, County shall pay to SFS the entire amount of such invoice;

(b) Within twenty (20) business days following SFS's delivery to County of an invoice from the Architect with respect to the Architect's Work with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of the Architect, the full amount of such invoice, which payment SFS will then forward to Architect within five (5) days of SFS's receipt thereof from County;

(c) Within twenty (20) business days following SFS's delivery to County of an invoice from the Contractor (which invoice shall reflect the applicable retainage), accompanied by the Required Documents (as such term is defined below) with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of Contractor, the full amount of such invoice, which payment SFS will then forward to Contractor within five (5) days of SFS's receipt thereof from County. The term "Required Documents" referred to in this Section 11 means: (i) an affidavit from the Contractor certifying that the invoice is true and correct; (ii) a partial lien waiver from the Contractor for the full amount of the current invoice and partial lien waivers from all subcontractors, materialmen and others who have filed Notices to Owner with respect to all Work through the date of the prior invoice; (iii) a certificate from Architect stating that the portion of the Work described in such invoice has been completed in accordance with the Final Plans; and (iv) in connection with the final disbursement to the Contractor (A) a final lien waiver from the Contractor and from all subcontractors, materialmen and others who have filed Notices to Owner and (B) a final certificate of occupancy or a certificate of completion, as may be applicable;

(d) Within twenty (20) business days following SFS's delivery to County of any invoices from any consultants engaged by SFS and/or with respect to any other costs, expenses or liabilities incurred by SFS pursuant to or as described in Section 11(B)(9) of this Agreement previously approved and authorized by the County, County shall, following verification of entitlement and quantum due, pay to SFS the full amount of such invoices; and

(e) Upon Completion, to the extent that \$55,000,000.00 exceeds the Total Cost of the Work in connection with the New Improvements (with the amount of such excess hereafter referred to as the "Excess New Improvement Budget Funds"), the Excess New Improvement Budget Funds shall be added or devoted to the Additional Improvement Fund (as such term is defined in Section 5(A)).

(f) County shall have the right to review, verify, and audit if necessary, all requests for disbursements of any New Improvements Budget Funds, including invoices from the Architect and Contractor. SFS shall reasonably ensure that all requests for disbursements are sufficiently documented and accompanied by supporting invoices and time records, and in the case of Architect and Contractor, that they (i) maintain an "open book" project accounting practice, (ii) make all files and accounting records available for review and auditing upon reasonable request, and (iii) allow for backcharging for any erroneous billing, as these requirements relate to the New Improvements Budget.

11. **DIGNITARY SEATING.**

Prior to December 1 of each year, the County and SFS will cooperate and develop a dignitary seating arrangement that is reasonably acceptable to all the parties.

12. **FLORIDA STATE LEAGUE TEAM; GULF COAST LEAGUE TEAM.**

The parties acknowledge that the Club currently owns the St. Lucie Mets Florida State League team. This Agreement shall apply to the use of the facilities by the St. Lucie Mets and related operations during the Florida State League regular season and any post-season playoffs. In the event the Club terminates its ownership of a Florida State League team during the term of this Agreement, and does not either transfer ownership thereof to SFS or acquire ownership of or enter into a player development contract with another minor league team that will be scheduled to play its home games in the Stadium during the following Florida State League season, SFS shall notify the County as soon as practicable in advance of the beginning of the following Florida State League team season. In that event, the County may permit another Florida State League team to play its home games at the Stadium without the consent of SFS, provided that such minor league team's operations do not conflict with SFS's exclusive use of the Sports Complex from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement or with SFS's use of the Sports Complex for GCL Mets operations (if any), as set forth in Section 15(A) below. The term "St. Lucie Mets" as used herein refers to the current or any future minor league baseball team owned or operated by or affiliated with SFS or the Club that plays its home games at the Sports Complex (excluding the GCL Mets, as defined below). The term "Florida State League" as used herein refers to the Florida State League, any successor league thereto, or any other minor league to which the St. Lucie Mets belongs.

The parties acknowledge that Club currently owns a Gulf Coast League team. All of the terms and conditions of this Agreement shall apply to the use of the facilities by that team during the Term, including without limitation for the Gulf Coast League regular season and any post-season playoffs. The term "GCL Mets" as used herein refers to any future minor league baseball team owned or operated by or affiliated with SFS or the Club that is a member of the Gulf Coast League and will play its home games at the Sports Complex, if SFS or the Club, as may be applicable, so decides in its sole discretion. The term "Gulf Coast League" as used herein refers to the Gulf Coast League or to any successor league thereto.

Other than as provided in the first paragraph of this Section 12 (and subject to SFS's right to assign this Agreement as set forth in Section 24), the County agrees that it will not permit any Florida State League baseball club other than the St. Lucie Mets, or any Gulf Coast League baseball club other than the GCL Mets, to use the Sports Complex during the Term of this Agreement.

13. **INDEMNITY AND INSURANCE.**

A. **SFS.**

To the extent allowed by law, SFS agrees to indemnify and hold County harmless from and all claims for personal injury, death, or property damage and any other losses, damages, charges or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of

the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except to the extent such losses may be caused by the negligence or willful misconduct of the County, its agents or employees or by any acts or omissions of the Program Manager, Architect, Contractor or any of their respective employees, agents or subcontractors. SFS further agrees to undertake at its own expense the defense of any action brought against the County (with counsel subject to County's approval in its reasonable discretion), claiming damages arising out of, in connection with, or by reason of SFS's use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of the County, its agents or employees, the County agrees to reimburse SFS for the actual expenses, including attorneys' fees, incurred by SFS in defending the County. County agrees to cooperate in any defense by the SFS. The provisions of this paragraph shall survive the termination of this Agreement.

SFS shall maintain or cause to be maintained Comprehensive General Liability Insurance, including Property Damage and Personal Injury coverages, insuring against liability for damages or losses arising solely from the acts or omissions of SFS under this Agreement. Such policy shall name St. Lucie County as an additional insured. Limits of liability coverage to be not less than:

Bodily Injury Liability	\$5,000,000 each occurrence
Property Damage Liability	\$1,000,000 each occurrence

or

Bodily Injury and Property Damage Liability	\$5,000,000 each occurrence, combined single limit
---	--

SFS shall maintain or cause to be maintained in effect Workers Compensation Insurance as required by Florida Statutes, covering all employees of SFS, including employer's liability insurance, with limits of not less than \$100,000 per accident.

SFS shall furnish County, not later than ten (10) business days after SFS's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above with an insurer reasonably acceptable to the County.

B. County.

To the extent allowed by law, the County agrees to indemnify and hold SFS and its members and affiliates harmless from any and all claims for personal injury, death, or property damage and any other losses, damages, charges, or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, including, without limitation, in connection with or related to

the New Improvements, the Additional Improvements, and any other construction conducted by the County (itself or through contractors), except to the extent such losses may be caused by the negligence or willful misconduct of SFS, its agents or employees or by any acts or omissions of the Architect, Contractor or any of their respective employees, agents or subcontractors. County further agrees to undertake at its own expense the defense of any action brought against SFS (with counsel subject to SFS's approval in its reasonable discretion) claiming damages arising out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of SFS, its agents or employees, SFS agrees to reimburse the County for the actual expenses, including reasonable attorneys' fees, incurred by the County in defending SFS. SFS agrees to cooperate in any defense by the County. The provisions of this paragraph shall survive the termination of this Agreement.

In addition, the County agrees to procure and pay for and at all times during the term of this Agreement maintain fire and extended and "special form" coverage (including without limitation insurance from and against all losses, damages, claims and liabilities related to or arising from acts of terrorism) on all property, both real and personal, with replacement cost coverage limits of not less than the replacement cost of the Sports Complex (including, without limitation, all New Improvements and Additional Improvements while being constructed and when completed) and also covering loss of income. The County is self-insured for general liability with statutory limits of \$200,000 per person/\$300,000 per incident pursuant to Section 768.28, Florida Statutes, and waives and has waived sovereign immunity to that extent. The insurance policies referenced above in this paragraph shall further name SFS and the Club as named insureds and shall provide a thirty (30) day notice of cancellation or non-renewal and a severability of interest endorsement.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

C. County warrants and represents that it is, and throughout the Term will remain, a member of and party to the Treasure Coast Risk Management Program ("TRICO," as set forth in the Revised TRICO Interlocal Agreement dated May 1, 1996) or such other pooled risk or self-insurance program acceptable to SFS in its reasonable discretion, and that SFS will be a beneficiary of all insurance and other protections available through the TRICO Risk Management Program (or such other accepted pooled risk or self-insurance program) including, without limitation, with respect to general liability, tort liability, loss or damage to property (e.g., the Sports Complex), and personal injury or death.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

D. County and SFS each do hereby and shall mutually release each other from liability and waive all rights of recovery against each other, for any loss or damage occasioned to County or SFS, as the case may be, from perils insured against, or required hereunder to be insured against, under their respective property insurance policies, whether due to negligence or any other cause. Any property insurance policy required herein covering loss, damage, or destruction by fire or other insured casualty, shall include a waiver of the insurer's rights of subrogation against the other party.

In the event a claim is filed against a party for operations that are covered by the provisions of this Agreement, the party agrees to notify the other party of the claim within ten (10) days after the party receives the claim.

14. **RESPONSIBILITIES OF PARTIES.**

The responsibilities of the parties shall be as follows:

A. **County.**

(1) County shall maintain proper HVAC systems and equipment in throughout the Sports Complex, and shall perform all maintenance thereof at County's sole cost and expense.

(2) County shall be responsible for providing and bearing the cost of an adequate number of qualified security personnel at the Sports Complex for Club major league spring training games and Florida State League games. The County shall be responsible for public order and safety in manner consistent with the County's practices under the Prior FUA, including the creation, establishment and implementation of security, safety and emergency plans and procedures and related contingency plans, all of which shall be in consultation with SFS and the Club. County shall be responsible for coordinating with all local, state and federal agencies to the extent appropriate, and for providing, at its expense, comprehensive training for all security personnel who work at the Sports Complex with respect to County's security, safety and emergency plans and procedures (which training shall occur at least once per year during the Term prior to the commencement of major league spring training, in consultation with SFS and the Club). County shall keep SFS and the Club fully informed with respect to its security, safety and emergency plans and procedures, and with respect to all training and coordination with local, state and federal agencies. County shall have the responsibility to eject persons from the Stadium or from the Sports Complex as necessary, including at the request of SFS; County shall consult with SFS before ejecting any persons from the Stadium during SFS Events except to the extent such consultation is impracticable in the event of an emergency.

(3) County shall be responsible for all utilities (excluding the Barwis facility and the Player Academy Spaces), including telephone (excluding long distance toll charges), heat, water and sewer, electricity, air conditioning, and appropriate night lighting.

(4) SFS and the County agree that the New Improvements shall, to the extent agreed upon by SFS and the County, maximize energy savings using "green" technology and equipment.

(5) In addition to the right to occupy the Sports Complex, SFS and its agents, employees, suppliers and other persons appropriate for SFS to enjoy the use of the Sports Complex premises as contemplated herein, shall have access, in common with others designated by the County, to such areas of the Sports Complex as necessary or appropriate to provide services or otherwise enjoy the use of the Sports Complex as contemplated herein, subject to customary and reasonable security precautions.

(6) If SFS contends that the County has failed to comply with a material obligation of the County pursuant to this Agreement with respect to the maintenance of the Sports Complex, and if as a result SFS contends that an Exigent Condition (as defined below) exists at the Sports Complex, then, in addition to any and all other remedies available to SFS, SFS shall be entitled to (a) take such measures as are strictly necessary to address the Exigent Condition, and (b) deduct the cost of such measures from the payments to be paid by SFS to the County pursuant to Section 6(A) of this Agreement, subject to the County's right to object to and contest such deduction by seeking judicial intervention, which right is expressly reserved. SFS shall not be entitled to deduct such cost unless, prior to addressing the Exigent Condition, (i) SFS provides written notice to the County identifying the Exigent Condition, the measures which SFS intends to take to address it, and the cost thereof, and (ii) the County fails to remedy the Exigent Condition within a reasonable period of time following the delivery of such notice. "Exigent Condition" shall mean (x) any condition of any playing field that creates a potential substantial risk to participants in games and/or practices on the field, (y) any condition elsewhere within the Complex that creates a potential substantial health or safety risk to SFS's invitees at the Sports Complex, or (z) any condition that, if not promptly remedied, would result in the loss of substantial revenues generated at the Sports Complex.

B. SFS.

(1) SFS shall not in any manner, directly or indirectly, violate any laws, ordinances, rules or regulations of any federal, state, county, city or other governmental authority or agency in connection with the use and occupancy of the Sports Complex under the terms of this Agreement.

(2) SFS shall use and occupy the Sports Complex in a reasonably safe and careful manner and exercise reasonable care not to in any way mar, deface, or injure any part of the premises, ordinary wear and tear excepted. At the conclusion of this Agreement, SFS shall surrender the premises to the County in as good condition and repair as at the beginning of SFS's occupancy, except as to ordinary wear and tear and except as to damage by fire, other casualty, or the elements.

(3) Except with respect to the Telecommunication Equipment described below in Section 14(B)(5) and any property of SFS and as otherwise contemplated by this Agreement, SFS shall not make any material permanent or structural changes, improvements or alterations to the Sports Complex except as provided for in this Agreement without the written consent of County which shall not be unreasonably withheld, conditioned or delayed.

(4) At its expense, SFS is responsible for providing a sufficient number of ticket sellers and ushers during SFS Events.

(5) SFS shall be responsible for the installation and maintenance of any radio and television facilities and telephone systems that it deems necessary for its operations ("Telecommunication Equipment"). Prior to the installation of any such equipment, SFS shall submit plans for such installation to the County for approval, which approval may not be unreasonably withheld. Upon termination of this Agreement, SFS agrees to remove the Telecommunication Equipment and restore the premises to their prior condition. SFS may pass these costs on to parties other than County. The County has paid for the necessary utility lines to the areas designated for radio and TV facilities in the site plan and has had the lines stubbed at the required points. If further improvements are needed, those improvements shall be included in the New Improvements.

15. OTHER USE OF PREMISES.

A. SFS shall have sole and exclusive use of the Sports Complex, including the Stadium, from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement (including any options). As long as SFS or its affiliates (including specifically the Club) own or operate or have a player development contract with a Florida State League team or other St. Lucie-based minor league team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Florida State League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. If SFS or its affiliates (including specifically the Club) continue to have or acquire ownership of or the right to operate or have a player development contract with a Gulf Coast League team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Gulf Coast League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. SFS shall have the exclusive use and control of those portions of the Sports Complex used for SFS Events, including without limitation the exclusive right to determine and implement the rules and policies that relate to the admission of patrons to those portions of the Sports Complex used for SFS Events.

B. Subject to the SFS's uses of the Sports Complex as set forth in Section 15(A) above, each year during the Term SFS shall provide the County with a preliminary schedule of its events on or about December 1, and thereafter a definitive schedule of SFS Events and County Events to be held at the Sports Complex (hereinafter, the "Event Schedule") shall be prepared as follows:

(i) First, all dates in the months of February through the beginning of the Florida State League (or other minor league to which a St. Lucie-based baseball team owned by or affiliated with Club belongs) season in April shall be reserved on the Event Schedule exclusively for New York Mets spring training and exhibition season activities;

(ii) Second, all dates for Florida State League home games, workouts and practices, all possible dates for Florida State League post-season or playoff games or other Florida State League events (including without limitation All-Star games and pre-season games), and all dates for New York Mets minor league spring training activities and instructional league play shall be added to the Event Schedule;

(iii) Third, all dates for GCL Mets home games, workouts and practices, and all possible dates for GCL post-season or playoff games or other Gulf Coast League events (including without limitation All-Star games and pre-season games);

(iv) Fourth, all dates for Mets Fantasy Camp games, workouts and practices;

(v) Fifth, after SFS informs County of the dates contemplated in subparagraphs (i), (ii), (iii) and (iv) above, SFS and County shall each be entitled to reserve the use of the Sports Complex on other dates during the year for other SFS Events and County Events, respectively, by providing a "New Event Notice" as described below, with the first to obtain approval of a New Event Notice according to the procedures set forth below in this Section 15 for each such other proposed Event obtaining the right to use the Sports Complex for such Event.

C. Whenever a party desires to add an Event to the Event Schedule pursuant to Section 15(B)(iii), it shall give written notice ("New Event Notice") to the other party of its request to do so as soon as reasonably possible, but in no event later than ten (10) days prior to the date of the proposed Event. Each New Event Notice shall include a description of the proposed Event, including the nature, starting time and estimated duration thereof; the expected attendance thereat; the identity and experience of the promoters and organizers of the proposed Event, and their principals; a description of the financial assurances (e.g., bonds, security deposit) to be provided by the Event promoters or organizers; a description of any special safety, security, cleaning, maintenance, restoration or other services that will be obtained in connection with the proposed Event; and the approximate preparation and clean-up periods for the proposed Event.

The party receiving a New Event Notice shall notify the other party as soon as reasonably possible but in no event more than five days after its receipt of such New Event Notice, whether the receiving party objects to the proposed Event. If no written notice of objection is given within such five-day period, the Event shall be deemed approved. If notice of objection is given within such five-day period, the parties shall cooperate to determine what, if any, modifications to the proposed Event, or further assurances or services in connection therewith or therefore, would cause the objecting party to consent to the proposed Event. When any proposed new Event is approved by the other party (including by a failure to object), the Event shall be added to the Event Schedule.

In the event of any unresolved dispute regarding whether an Event that is the subject of a New Event Notice and an objection should be put on the Event Schedule, SFS and County will submit the dispute to non-binding mediation, and if the parties are unable to resolve the dispute through non-binding mediation, then the dispute shall promptly be resolved pursuant to Section 39 of this Agreement on an expedited basis at the request of either party.

A proposed Event may not be added to the Event Schedule unless the scheduling thereof would be in compliance with each of the following criteria: (i) No more than one Event may be held at the Sports Complex per day without each party's consent, which either party may withhold in its sole and absolute discretion; (ii) Events shall be scheduled so as to allow reasonably sufficient preparation, clean-up and restoration periods between each Event, which shall be subject to the Maintenance Standard; (iii) No County Event may be scheduled to take place between January 16 and January 31 of each year during the term without SFS's consent, which consent may be withheld in its sole and absolute discretion; and (iv) the Event must be a specific planned Event (i.e., neither party may reserve a date on the Event Schedule on the basis that it intends to hold on such date a certain type of Event, as opposed to a specific Event).

In determining whether a party's objection to an Event proposed by the other party is reasonable, consideration shall be given to, among other things, whether the promoted or organizer of the Event: (i) is reasonably capable of producing the Event; (ii) will be providing reasonably adequate financial assurances (e.g., bonds, security deposit) to protect SFS's and County's respective rights hereunder; and (iii) will be providing reasonably adequate safety, security, cleaning, maintenance and restoration services for the Event.

D. Nothing in this Agreement shall prevent the County from using the portions of the property described in Exhibit "B" that are not used for baseball facilities or in connection with SFS's use of such facilities, provided that such uses do not interfere with SFS's use of the Sports Complex or otherwise conflict with SFS's rights under this Agreement (including, without limitation, SFS's exclusive right to operate concessions at the Sports Complex during the Term). The County agrees that during the term of this Agreement, the County shall use or authorize others to use the remaining property described above only for community events, sports and recreational purposes. The County shall be responsible to repair or replace any portion of the facilities which are altered, damaged or otherwise affected by any non-SFS use.

E. Notwithstanding any other provision of this Agreement (except Section 12, solely with respect to Florida State League play) the County agrees that it will not permit any other Major or Minor League baseball club to use the Sports Complex during the term of this Agreement or any extension thereof without SFS's approval in advance in writing in its absolute discretion.

F. Any of the property described in Exhibit "B" that is not being used by the County or SFS may be used by the parties as additional unpaved parking provided that such use does not interfere with SFS's permitted use of the Sports Complex.

G. In the event of a declared federal, state or local emergency, the County may use the Sports Complex as a staging area for disaster preparations, response or other related uses ("Staging Uses"), provided that (i) the County will reimburse SFS for all costs incurred and revenue lost by SFS as a result of the Staging Uses and (ii) the County will use best efforts to minimize interference with SFS's operations at the Sports Complex and will immediately restore any resulting damage to the Stadium caused as a result of the Staging Uses. The parties further agree to cooperate in obtaining any federal or state funds that may be available for this purpose.

16. **PUBLICITY AND PROMOTION.**

A. The County will promote the New York Mets and the Club's St. Lucie-based minor league team(s), as well as the sale of home game tickets for such teams. County shall submit all promotional material to SFS for approval, which approval shall not be unreasonably withheld.

B. **SFS Obligations.**

As additional consideration for the use of the Sports Complex SFS shall provide, or shall cause the Club to provide the County with the advertising services set forth in Exhibit "M" attached hereto during each year of the Term.

17. **ADDITIONAL COVENANTS OF SFS AND COUNTY.**

A. SFS shall use and occupy the premises solely for the purposes specified in this Agreement.

B. SFS shall pay all taxes or assessments on its operation as well as on goods, merchandise, fixtures, appliances, equipment and property owned by it and located in or about the Sports Complex. SFS shall have no obligation to pay any real estate or property taxes under any circumstance.

C. To the extent that SFS desires to acquire and construct facilities at the Sports Complex which are eligible under applicable state and federal laws to be financed through the issuance by the County, solely as a conduit issuer, of either taxable or tax-exempt revenue bonds, which bonds shall not be or constitute a debt or obligation of the County, the County will cooperate with SFS to the end that the County may be a conduit issuer of such bonds and, to the extent applicable, will give SFS priority for private activity volume cap; provided, that all reasonable costs and expenses incurred by the County in connection with the consideration and consummation of such financing, which shall be disclosed in advance and in writing by the County and subject to the approval of SFS, will be borne solely by SFS.

18. **DEFAULT; TERMINATION.**

A. If the property covered herein shall be deserted or vacated for an entire spring training season, unless such absence is due to a labor dispute or other causes beyond SFS's control,

or proceedings are commenced against SFS in any Court under a bankruptcy act or for the appointment of a trustee or receiver of SFS's property either before or after the commencement of the Term, or if there shall be a default in the payment of any monies due hereunder for more than twenty (20) days after written notice of such default to SFS, or if there shall be default in the performance of any other material covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of SFS for more than twenty (20) days after written notice of such default by the County (or if such default is incapable of being cured within twenty (20) days, within such longer period of time as shall be reasonably required for such cure, unless SFS has taken no substantial steps to effect such cure within such period), then at the sole option of the County, this Agreement may be terminated by the County. In addition, the County may terminate this Agreement if (i) the New York Mets shall cease to be a franchise in a major league baseball league, (ii) during any spring training during the Term, Club schedules a majority of New York Mets spring training home games at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder, or (iii) during any Florida State League season, Club schedules a majority of the home games of the Club's Florida State League team at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder. In the event the County terminates this Agreement for the reasons set forth above in this paragraph, the County shall have the right to re-enter or repossess the property during the period of SFS's right to use thereof, either by summary proceedings, surrender or otherwise other than force, and dispossess and remove therefrom SFS, or other occupants thereof, without being liable for any prosecution therefore. Should the County reasonably incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court costs (at the lower court and appellate levels), and County prevails in such legal action, said expenses shall be reimbursed to the County by SFS.

B. SFS shall have the right, at any time and at its sole option, to terminate this Agreement and all of its obligations hereunder upon written notice to County (the "Termination Notice") provided by SFS on or before March 31 of any year during the Term, which notice shall terminate the Agreement effective as of December 31 of that calendar year. In the event of termination pursuant to this provision, as the County's sole remedy against any person relating to such termination of this Agreement County will accept (i) a series of payments for outstanding amounts remaining on Refunding Bonds as set forth in Section 37, and (ii) a series of semi-annual payments tied to the County's schedule of debt service payments in connection with the New Improvement Bonds, which New Debt Service Schedule shall be incorporated into this Agreement as Exhibit "I" hereto upon issuance of the New Improvement Bonds (which includes State Development Funds (as defined below) that will be used by the County to pay the debt service on the New Improvement Bonds). Such payments in connection with the New Improvement Bonds, referred to herein as the "Debt Service Payments," shall be made by SFS to the County on each "Period Ending" date referenced in the first column of Exhibit "I" hereto that follows the effective date of the termination of this Agreement. The amount of the Debt Service Payment due on each such post-termination "Period Ending" date shall be an amount equal to the "Total Debt Service Payment" in the last column of Exhibit "I" hereto corresponding to the "Period Ending" date in question, provided, that in the event it is determined by the County's bond counsel that the

acceptance of such payments by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds that are issued on a tax-exempt basis, SFS shall either (i) pay to the County the amount necessary to offset the change in tax status to the holders of the tax-exempt New Improvement Bonds, which may be retroactive to the date of issuance of the New Improvement Bonds, or (ii) provide funding to the County sufficient to prepay in full said tax-exempt New Improvement Bonds at the earliest permitted call date, plus all interest and principal due and owing through that date of redemption. Upon request, the County will inform SFS whether its bond counsel believes that acceptance of the payments set forth in this section by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds.

The parties agree that these respective amounts constitute reasonable and just compensation for such termination by SFS, and SFS hereby promises to pay to County, and the County hereby agrees to accept, the appropriate payment amount described above as liquidated damages, and not as a penalty, and as its sole and exclusive remedy related to the termination of this Agreement by SFS, and County waives all other rights and remedies in connection therewith.

If the property covered herein shall be deserted or vacated by the County either before or after the commencement of the term of this Agreement, or if there shall be a default in the payment of any monies due hereunder by the County for more than twenty (20) days after written notice of such default to the County, or if there shall be a material default in the performance of any other covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of the County for more than twenty (20) days after written notice of such default by SFS, then at the sole option of SFS, this Agreement may be terminated by SFS. Should SFS incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court cost (at the lower and appellate levels), and SFS prevails in such legal action said expenses shall be borne by the County.

In the event SFS terminates this Agreement, SFS shall immediately vacate the Sports Complex, but reserves the right to seek damages and any or all other remedies caused by any default or breach of this Agreement by County.

19. **DAMAGE OR DESTRUCTION.**

In the event of the damage or destruction of the property described in Exhibit "B" or any of the structures (including the Stadium) or improvements located thereon by fire or other casualty, there shall be an obligation on the part of the County to use the insurance proceeds for the purpose of rebuilding such facilities. The County shall be responsible for providing the funds necessary to rebuild the facilities in the event the proceeds from the insurance referenced in Section 13(B) above are not sufficient to cover the cost of such rebuilding.

County shall complete the reconstruction and repair of the Sports Complex following any such damage or destruction, as soon as reasonably possible, and in any event within two hundred seventy (270) days following the occasion of such damage or destruction. Within thirty (30) days following the occasion of such damage or destruction, County shall provide SFS with County's

architect's and/or engineer's reasonable estimate of the time required for the reconstruction and/or repair of same. In the event that the estimate shall reflect that more than two hundred seventy days shall be required for the repair and/or reconstruction, SFS shall have the right to terminate this Agreement by written notice to County, within thirty (30) days thereafter. Further, if in fact the reconstruction and repair shall not be completed within two hundred seventy (270) days (or such longer time to which SFS may agree), SFS shall have the right to terminate this Agreement by written notice to County within thirty (30) days following the end of such two hundred seventy day (or longer, as the case may be) period.

During the repair and/or reconstruction of the damage or destruction to the Sports Complex, until same shall be completed, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such damage or destruction shall interfere with the use by SFS of the Sports Complex as contemplated hereunder.

20. **EMINENT DOMAIN.**

In the event that any portion of the premises should be taken by the exercise of the right of eminent domain so as to materially affect SFS's operations, SFS may terminate this Agreement as of the date of taking. In the event that SFS does not terminate this Agreement as a result of any taking, following any such taking SFS's obligations and liabilities hereunder shall be proportionately adjusted, on an equitable basis, to the extent that such taking shall damage or otherwise materially adversely affect the use by SFS of the Sports Complex as contemplated herein. All proceeds for such taking shall be paid to the County or SFS as their interests may appear, provided that the foregoing shall not preclude SFS from pursuing a separate award for damages to SFS's furnishings, fixtures and equipment, moving expenses and any other losses relating to SFS's business permitted by law to be recovered, including, without limitation, the loss of SFS's leasehold.

21. **FAMILIARITY WITH BONDS.**

Anything else in this Agreement to the contrary notwithstanding, SFS acknowledges that County is or will be bound to the holders of certain [Bonds] which relate to the Sports Complex. SFS agrees to cooperate reasonably with the County to maintain the tax-exempt status of the bonds, provided, however, that such cooperation shall not entail material modification of the terms and conditions of this Agreement nor cause SFS or any affiliate to incur any cost or expense in connection therewith.

22. **NON-DISCRIMINATION.**

SFS, as a part of the consideration hereof, does hereby covenant and agree that no person on the grounds of race, color, national origin or sex shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination in the use of the facilities excluding uniformed baseball personnel. The terms of this Section shall be binding upon SFS's successors in interest and assigns.

23. **CONFLICT OF INTEREST.**

The County hereby represents and warrants that neither it nor any of its directors, officers, members, partners, officials, representatives, or employees has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance of rendering of the services herein provided. The County further represents and warrants that in the performance of this Agreement no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the County of St. Lucie nor any person whose salary is payable, in whole or part, from the County Treasury, shall participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporations, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this Agreement or in the proceeds thereof.

24. **ASSIGNMENT; SUBLEASES AND LICENSES.**

SFS may assign any or all of its rights and obligations pursuant to this Agreement to any entity that owns and operates the New York Mets franchise, and may assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate (or, if applicable, the Gulf Coast League affiliate) of the New York Mets. Should Club sell its major league baseball franchise during the term of this Agreement, SFS shall make a good faith effort to assign its rights and delegate its duties under this Agreement to the entity that acquires such franchise. Subject to the approval of the County, which approval may not be unreasonably withheld, conditioned or delayed, SFS may assign all of its rights and obligations pursuant to this Agreement to an owner or operator of another Major League Baseball club. Upon SFS's assignment of this Agreement and all of its rights and obligations hereunder, all of SFS's duties and obligations under this Agreement shall terminate and cease to be of any further force or effect as of the effective date of the assignment and the County shall look solely to the assignee for performance of the duties and obligations under this Agreement thereafter. Except as expressly set forth above in this Section, no party may assign its rights or obligations under this Agreement without the written consent of the other party. Notwithstanding the foregoing, SFS shall have the right to enter into subleases and/or licenses with third parties with respect to any of its rights and obligations hereunder with the consent of the County, which consent shall not be unreasonably withheld, except SFS may not, without County's prior consent, sublease or license the use of any portion of the Sports Complex to any Major League Baseball team other than the Club or to any other entity if such sublease or license would cause cost or expense to the County beyond those that County would otherwise incur from SFS's Permitted Uses under this Agreement, provided that the County shall not withhold such consent if SFS and/or the proposed sublessee agrees to pay any such additional costs and expenses.

25. **ENTIRE AGREEMENT.**

This Agreement represents the entire understanding and agreement between the parties with respect to the subject matter hereof, and supersedes all other written or oral negotiations, understandings and representations (if any) made by and between such parties.

26. **AMENDMENTS.**

The provisions of this Agreement may not be amended, supplemented, waived or changed orally, but only in a writing signed by the parties hereto and making specific reference to this Agreement. In addition, this Agreement may not be amended without MLB Approval (as that term is defined in Section 40 of this Agreement).

27. **FURTHER ASSURANCES.**

The parties hereby agree from time to time to reasonably execute and deliver such further and other transfers, assignment and documents and reasonably do all matters and things which may be convenient or necessary to more effectively and completely carry out the terms of this Agreement.

28. **BINDING EFFECT.**

All of the terms and provisions of this Agreement, whether so expressed or not, shall be binding upon, inure to the benefit of, and be enforceable by the parties and their respective legal representatives, successors and permitted assigns.

29. **NOTICES.**

All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing (including facsimile communication but excluding e-mail) and shall be (as elected by the person giving such notice) hand delivered by messenger or courier service (with acknowledgment of receipt), telecommunicated (including by fax), or mailed by registered or certified mail (postage prepaid), return receipt requested, addressed to:

30. **HEADINGS.**

The headings contained in this Agreement are for convenience of reference only, and shall not limit or otherwise affect in any way the meaning or interpretation of this Agreement.

31. **PRONOUNS.**

In this Agreement, the use of any gender shall be deemed to include both genders, and the use of the singular shall include the plural, wherever it appears appropriate from the context.

32. **SURVIVAL.**

No covenants, agreements, representations and warranties made herein or otherwise made in writing by any party pursuant hereto shall survive the termination of this Agreement except as expressly stated herein. In addition to the survival of specific Sections of this Agreement as expressly stated in such Sections, the terms of Sections 9(C), 13, 29 and 36 of this Agreement shall survive the termination of this Agreement.

33. **WAIVERS.**

The failure or delay of any party prior to a period which would constitute laches at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder, and any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any known right, power or remedy under this Agreement. No notice to or demand on any party in any case shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

34. **FORCE MAJEURE.**

Neither party shall be liable to the other for failure to perform its obligations hereunder if and to the extent that such failure to perform results from causes beyond its reasonable control ("Force Majeure Events") including, without limitation, strikes, lockouts, or other industrial disturbances (but excluding Major League Baseball strikes and lockouts); fires; unusual climatic conditions such as hurricanes, floods, tornados and the like; acts of God; or acts of a public enemy, war, police action, terrorism and the like. The party unable to perform as a result of a Force Majeure Event shall promptly notify the other of the beginning and ending of each such period. During the period of any Force Majeure Event, until same shall be concluded, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such Force Majeure Event shall interfere with the use by SFS of the Sports Complex as contemplated hereunder. If any period of a Force Majeure Event prevents SFS from using the Sports Complex in the manner contemplated herein for all or a substantial part of any Major League Baseball Spring Training season or Florida State League season (or, if applicable, a Gulf Coast League season) and SFS does not receive satisfactory assurances from the County that a Force Majeure Event will not prevent SFS's use of the Sports Complex as contemplated in this Agreement for a substantial part of the following Major League Baseball Spring Training season, SFS shall have the right to terminate this Agreement upon sixty (60) days written notice to the County.

35. **GOVERNING LAW.**

This Agreement and all transactions contemplated by this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida, applicable to agreements wholly negotiated, executed and to be performed in that state, without regard to principles of conflicts or choice of laws.

36. **SECTION 288.11631, FLORIDA STATUTES.**

A. Section 288.11631, Florida Statutes is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State") that are funded with State incentive funding. SFS and the County acknowledge that the amount of State incentive funding provided by the State for the Sports Complex is based on the continual use of the Sports Complex by a spring training baseball franchise for the entire length of the Term.

B. The County will submit an application to the Florida Department of Economic Opportunity for Twenty million dollars (\$20,000,000.00) in funding assistance for the New Improvements that are described in the Facilities Use Agreement. In connection with this application and as a condition of any award of funding under Section 288.11631, Florida Statutes, SFS must agree to reimburse the State of Florida for the funds expended by the County for the New improvements that the County received from the State of Florida if the Club relocates before the term of the Facilities Use Agreement expires.

C. SFS covenants and agrees with the County that if the County terminates this Agreement pursuant to its rights under Section 18(A), or if SFS terminates this Agreement pursuant to its rights under Section 18(B) for any reason other than a breach of this Agreement by the County, then SFS shall reimburse the State for the total amount of distributions actually paid from the date of such termination through the final maturity of the New Improvement Bonds (the "State Development Funds"). Repayment to the State shall not discharge SFS from any other obligations set forth in this Facilities Use Agreement.

D. The Parties agree that if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County, SFS will promptly notify the applicable agency of the State of Florida that has been charged with administrative oversight and enforcement of the State Development Funds (the "Agency") of the circumstances for such termination, and SFS will not have any obligation to repay either the County or the State for any State Development Funds in connection with such SFS termination. The County shall hold SFS harmless from any assertion or claim by the State that the State Development Funds shall be repayable to the State by SFS if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County.

E. The State of Florida is a third party beneficiary of this Facilities Use Agreement as to the obligations imposed by Section 36. The State shall have: 1) Standing to seek and complete performance of the obligations in this Section in law or equity and 2) Standing to initiate and/or defend an action at law or equity relating to obligations.

37. **2011 BONDS.**

The County will refund the existing 2011 Improvement Bonds (as defined in Section 5(K) of the Prior FUA) on or around November 1, 2016 (the "Refunding Bonds"). The new Refunding Bonds shall have the same remaining term as the 2011 Improvement Bonds. In addition to the Base Rent payments and Additional Rent payments made by SFS pursuant to Section 6(A), SFS will make additional payments to the County, such payments being equal to the amounts set forth in the last (Total Debt Service Payment) column of Exhibit "J" on the dates indicated in the first (Period Ending) column of Exhibit "J" that follow commencement of the Term of this Agreement, or in the alternative, if SFS elects, such payments being equal to the amounts and on the dates set forth in the debt services schedule for the Refunding Bonds.

38. **AGREEMENT RUNS WITH LAND.**

This Agreement is intended to run with the land and shall be binding upon all of the County's successors and assigns. SFS and County shall enter into a short form Memorandum of this Agreement which shall be recorded in the Public Records of St. Lucie County, Florida. This Agreement is not revocable by County and is not terminable by County except as expressly set forth herein.

39. **DISPUTE RESOLUTION.**

All disputes arising from or related to this Agreement whether the action is brought in contract, tort, statutory claim or any other theory of liability, shall be subject to litigation as the final mode of dispute resolution. Exclusive venue for litigation of any disputes rests exclusively in the Circuit Court for St. Lucie County, Florida. As an express condition precedent to litigation all litigation shall be subject to non-binding mediation to be conducted within ninety (90) days of the dispute arising. The parties shall mutually select a qualified mediator, and failing accord, a mediator shall be appointed by the American Arbitration Association and mediation shall be conducted in accordance with its rules, costs and fees to be split equally by the parties.

40. **SUBSERVIENCE.**

A. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by SFS hereunder shall in all respects be subordinate to the MLB Rules and Regulations and the Minor League Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations or the Minor League Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which County is granted rights is limited to, and nothing herein shall be construed as conferring on County rights in areas outside of, the Spring Training territory of the New York Mets as established and amended from time to time. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.

ARCHITECT'S ADDITIONAL CONTRACT REQUIREMENTS

The Architect's Contract shall, *inter alia*, contain terms and conditions with generally the same substance as the following paragraphs:

Periodically during the construction process, at such times as reasonably determined by SFS and County, the Architect will observe the conduct of construction of the New Improvements and notify County and SFS in writing of observed deficiencies in the Work being performed and deemed completed (including deficiencies which preclude the Work being deemed completed), notify the County and SFS of any item not in strict accordance with the final plans, and otherwise create a punchlist of minor finishing and adjustment in any other items which the Contractor has not finally completed in strict accordance with the final plans. Failure to include an item on the punchlist will not diminish the responsibility of the Contractor to complete the work in accordance with the final plans.

The Architect will perform, and ensure its subconsultants perform, all services in accordance with the professional standard of care governing architects working on projects of the same scale and complexity, in the same geographic market, as the New Improvements.

The Architect will monitor and observe the construction of the Work in order to ensure that the Work is constructed in accordance with the final plans and on schedule. The Architect will, to the extent requested by SFS, conduct regular meetings with SFS and with the County or its designee and other appropriate parties to assist SFS in verifying that all Work is being performed according to the Final Plans and any authorized change orders. The Architect will prepare meeting minutes after such meeting and submit same to the County and SFS, regarding the status of construction, including any material variance from the Final Plans and/or schedule of which Architect is aware.

The Architect's Contract shall also require the Architect to procure a policy or policies of insurance that relate to the Work at least as favorable to SFS and the County as the following (subject to acceptable policy exclusions, conditions and terms such as aggregates and deductibles):

- a) Commercial General Liability (CGL)
 - i. The minimum limit (inclusive of any amount provided by an umbrella or excess policy) of CGL coverage must be a total of \$5 million per occurrence/\$5 million annual aggregate.
 - ii. The CGL shall not include any exclusion for liability resulting from operations performed by subcontractors, including, but not limited to,

exclusions for damage to work performed by subcontractors such as, or similar to, ISO Exclusion CG 22 94 or Exclusion 22 95.

- iii. Products and Completed Operations in the minimum amount of \$5,000,000.00.

b) Professional Liability (PL)

- i. The minimum limit (inclusive of any amount provided by an umbrella or excess policy) of PL coverage must be \$5 million per claim/\$5million annual aggregate.

c) Automobile Liability (AL)

- ii. Coverage shall include all owned, non-owned and hired autos used in connection with the Project.

d) Worker's Compensation/Employer's Liability (WC/EL)

- i. Coverage shall be no more restrictive than that provided by the standard Workers Compensation And Employers Liability Insurance Policy, as filed for use in Florida by the National Council on Compensation Insurance (NCCI), without any restrictive endorsements other than the Florida Employers Liability Coverage Endorsement (NCCI Form WC 09 03), those which are required by the State of Florida, or any restrictive NCCI endorsements which, under an NCCI filing, must be attached to the policy (i.e., mandatory endorsements). In addition to coverage for the Florida Workers' Compensation Law, where appropriate, coverage is to be included for the Federal Employer's Liability Act, and any other applicable Federal or State law.

- ii. The minimum amount of coverage shall be:

Part One:	"Statutory"
Part Two:	\$500,000,000 Each Accident
	\$500,000 Disease - Each Employee
	\$500,000 Disease - Policy Limit

All warranties for the Work, including manufacturer and sub-trade warranties, shall jointly be issued to and for the benefit of, SFS and County. SFS will be entitled to enforce all warranties from all contractors and manufacturers on behalf of SFS to the extent such warranties are not fully in favor of the County. Exhibit "O"
Procurement of Subcontracts

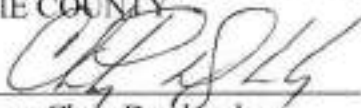

Following execution of this Facilities Use Agreement, County and FUA will cooperatively develop, seeking input from the Architect and Contractor selected per the terms hereof, a competitive and open procurement process for the procurement of all trade contractor work and supplies, which meets the following minimum requirements:

- SFS shall schedule and coordinate an advertised, public outreach meeting to brief the local and minority small business community on the project and opportunities. This outreach can be prior to or coordinated with the public advertisement and pre-submittal conference for the Contractor, and once selected the Contractor shall be required to schedule and coordinate a follow-up public outreach meeting. SFS and Contractor shall use good faith commercially reasonable efforts to foster local and minority business participation and specialty trade apprenticeship opportunities in accordance with the County's Apprenticeship Program (see attached) on the 2016 Improvements.
- Contractor shall establish a prequalification list or plan list of interested parties, so that these subcontractors and suppliers get early notice of all trade packages available for bid or proposal. Prequalification criteria and forms shall be subject to review and approval by SFS and County.
- Advertise for competitive bids or proposals on all trade packages exceeding \$500,000. Packaging of trade work shall be in a manner that fosters participation of local and small business and specialty trade apprenticeship opportunities. SFS and Contractor shall not unreasonably break up related trade package work in order to avoid the competitive procurement threshold.
- Lowest, qualified bidder is the presumptive basis for award unless a best-value approach is justified and approved by County. SFS will tabulate and level all bids for County consideration.
- SFS and Contractor will use good faith commercially reasonable efforts to obtain a minimum of 3 bids or cost proposals on all packages under the \$500,000 competitive procurement threshold. SFS and Contractor capped at direct or limited competition procurements at 5% of GMP.
- All subcontract awards exceeding \$300,000 shall comply with the County's Apprenticeship Program.
- All subcontract awards and contract terms shall be subject to review and approval by SFS, and any above the \$500,000 threshold, shall be subject to review and approval by County.

- SFS and Contractor shall involve and include County's Program Manager in all decisions and meetings regarding the packaging and procurement of all work, including according the Program Manager a reasonable opportunity to review and comment on all packages prepared for bid and all bid tabulation or bid leveling charts, before final award decisions are made.

Apprenticeship Program Requirements:

Contractors shall be required to comply with the County's Apprenticeship Program, as follows:

- A. On County-funded construction projects which exceed \$300,000, twenty percent (20%) of laborers working in a specialty for which there are apprentice programs registered with the County shall be apprentices. Such apprentices shall be students in certified State of Florida Pre-Apprenticeship/Apprenticeship Programs which are located in St. Lucie, Martin, Indian River or Okeechobee Counties and which are registered with the County.
- B. A County-registered apprenticeship program is one which has registered with the County and provided the required documentation, including but not limited to, proof of certification as an apprenticeship program with the State of Florida and proof of having educational facilities physically located in St. Lucie, Martin, Indian River or Okeechobee Counties.
- C. Unless the apprenticeship requirement is waived by the County, the failure of the Contractor to demonstrate compliance with this requirement shall result in the Contractor's bid being deemed nonresponsive.
- D. The apprentice requirement may be waived or modified with the recommendation of the County Administrator, and appeal to the Board of County Commissioners:
 1. Upon request of the contractor, if the contractor can demonstrate that the required apprentices are not available despite a good faith effort on the contractor's part; or
 2. Upon request of the contractor, if the contractor demonstrates that the available apprentices are not sufficient to meet the required 20% and the contractor commits to utilizing a specific percentage of apprentices who are available; or
 3. If the County determines it is in the best interest of the County to waive such requirement based on potential savings of money and time or grant requirements.
- E. The agreed upon percentage and type of apprentices will be included as a requirement of the construction contract. Failure to meet the terms of the apprenticeship requirements may result in the contractor being found in breach of the contract and subject to possible monetary sanctions.

**ST. LUCIE COUNTY SPORTS COMPLEX
FACILITIES USE AGREEMENT**

THIS AGREEMENT (the "Agreement"), made and entered into in triplicate as of November 15, 2016 (the "Effective Date"), by and between **ST. LUCIE COUNTY**, a political subdivision of the State of Florida ("County"), and **STERLING FACILITY SERVICES, L.L.C.**, a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, County owns the real property legally described on Exhibit "A" hereto (the "Land"), and all of the fields and improvements located thereon, including, without limitation, the lighted major league baseball stadium presently known as "Tradition Field" (the "Stadium"), and certain major and minor league training facilities, locker rooms, practice facilities, and related improvements (with the Land, Stadium and all fields and improvements hereinafter collectively referred to as the "Sports Complex"), as the Sports Complex is depicted on the site plan ("Site Plan") set forth in Exhibit "B" hereto.

WHEREAS, SFS desires to use, and County desires to permit SFS to use, the Stadium and the other facilities at the Sports Complex for the Term (as defined below) in accordance with the provisions hereinafter contained;

WHEREAS, throughout the Term, SFS shall cause the Sterling Mets, L.P. ("Club"), which owns and operates the franchises for the New York Mets major league baseball team and the St. Lucie Mets minor league baseball team to use the Sports Complex to conduct the following: (i) New York Mets Spring Training games; and (ii) during such time as Club owns or is party to a Player Development Contract with a Florida State League franchise, the home games of such franchise. The foregoing is subject to MLB Rules and Regulations, Minor League Rules and Regulations, and any changes by MLB, Minor League Baseball or the Florida State League;

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, **IT IS AGREED AS FOLLOWS:**

1. **SITE; ADDITIONAL CAPITAL IMPROVEMENTS.**

The County warrants and represents that it owns the Land, Stadium, and the remainder of the Sports Complex including, without limitation, the fields and improvements thereon.

The parties further acknowledge and agree that, subject to the terms set forth herein and in the exhibits hereto, County shall permit SFS to construct additional capital improvements to the Sports Complex property during the Term, in accordance with the schedule, scope, specifications, designs and plans which shall be determined in accordance with the terms of Section 10. Upon the Completion (as such term is hereinafter defined) of the New Improvements (as defined below) the term "Sports Complex," as used herein, shall be deemed to include the New Improvements.

2. **SFS USE OF FACILITIES; TERM; TERMINATION OF PRIOR FUA.**

A. **Term:** SFS agrees to use the Sports Complex for a period commencing on the Effective Date and ending on December 31, 2042 (or such earlier date upon which this Agreement is terminated as provided herein) (the "Term"), subject to the terms and conditions hereof, for the following purposes (the "Permitted Uses"):

(i) SFS may use and permit the Club to use, and the County shall permit SFS and the Club to use, the Sports Complex during the Term of this Agreement for the following, subject to the priorities of use as set forth in Section 15 of this Agreement:

- Fantasy and Youth Baseball Camps
- New York Mets Spring Training (February - April)
- New York Mets Exhibition Season (March - April)
- Florida State League or any successor league (April - September)
- Gulf Coast League or any successor league (June - August) (if applicable)
- Minor League Spring Training (April - June)
- Instructional League Play (September - November)
- Training and/or rehabilitation for baseball players, or (in the retail space currently subleased to Barwis Methods Training Center of Port St. Lucie, LLC) any athletes

To the extent that any use of the Sports Complex for the purposes set forth above in this Section 2(i) (not including fantasy and youth camps) involves professional baseball teams and players who are not affiliated with the Club (or with a major league baseball club affiliated with an assignee of SFS), then SFS (or, if applicable, SFS's assignee) will reimburse the County for its incremental costs arising directly from such use. County consents to SFS continuing to sublease retail space at the Sports Complex to Barwis Methods Training Center of Port St. Lucie, LLC or its affiliates for usage similar to that occurring at the present time. SFS agrees that separate utility meters for the Barwis Center shall be installed as part of the New Improvements.

(ii) SFS, the Club and County shall each have exclusive use of certain office facilities at the Sports Complex as identified in Exhibit "K," on a year-round basis.

(iii) The staging, by or with the permission of SFS, of other baseball and non-baseball oriented events at the Sports Complex, including, without limitation, concerts, shows, conventions and political, religious and community events, subject to the scheduling provisions of Section 15 of this Agreement, except that SFS shall be permitted to conduct promotional events and other activities on the dates of baseball games played at the Sports Complex in SFS's sole discretion.

(iv) The radio, television, internet and other broadcast or transmission of SFS Events.

- (v) All uses set forth below in Sections 6, 7, 8, 12 and 15 of this Agreement.
- (vi) Any such other uses as shall be reasonably consistent with the foregoing.

All New York Mets and St. Lucie Mets (and, if any, GCL Mets (as defined below in Section 12)) activities at the Sports Complex during the Term of this Agreement, as well as all baseball games and other events staged at the Sports Complex by or under the sponsorship, control or authorization of SFS, are referred herein as "SFS Events." All events conducted or authorized by the County at the Sports Complex during the term of this Agreement (excluding all SFS Events) are referred to herein as "County Events."

B. As of the Commencement Date, the St. Lucie Sports Complex Facilities Use Agreement entered into as of August 1, 2003, as amended (the "Prior FUA"), shall terminate and be of no further force or effect and all obligations and rights thereunder shall be deemed superseded by the terms and condition of this Agreement. County hereby acknowledges that no payment is due from SFS pursuant to Section 19 of the Prior FUA.

3. MAINTENANCE.

A. County will, at its expense, at all times keep and maintain the Sports Complex (excluding the Player Academy Spaces (as defined below) and the Barwis Training Center) in good and clean order and repair suitable for a first-class major and minor league training, exhibition and playing complex, including without limitation maintaining the playing fields in a first-class condition appropriate for a major league baseball team, and in any event of a quality not less than the highest level of practiced professional baseball standards (the "Maintenance Standard") and in accordance with the specifications set forth in Exhibit "L" hereto. "Maintenance" shall mean the provision of all labor and materials that are required to (a) keep the Sports Complex in first-class good order and repair, and (b) keep the Sports Complex free of debris. Maintenance shall include, without limitation, (i) performing all preventative or routine maintenance that is stipulated in operating manuals for equipment as regular, periodic maintenance procedures; (ii) regular maintenance procedures for the HVAC system, including periodic cleaning, lubricating and changing air filters; (iii) groundskeeping and maintenance of the athletic fields, including without limitation, seeding, mowing, watering and raking of the grassy areas and full maintenance of the balance of the playing fields, preparation of the fields at the start of each season and for practice sessions and games, maintenance, repair and replacement and painting of grandstands, fences, batter's background walls and other related items; (iv) changing of standard, isolated light bulbs, fuses and circuit breakers as they burn out; (v) cleaning all portions of the Sports Complex immediately after each SFS Event and County Event; (vi) all repairs other than Capital Repair Work (as defined in Section 4), (vii) repair and rehabilitation of parking areas; and (viii) touch-up painting. County shall employ a sufficient number personnel to maintain the Sports Complex (excluding the Player Academy Spaces and the Barwis Center) properly for use and play until the end of SFS's seasonal use of the facilities as delineated in Section 2. The County and SFS shall consult annually as to a reasonable program of management, operation, and maintenance

of the facilities to be carried out during the coming year, and County shall be responsible for implementation of such a reasonable program at its expense.

B. SFS Maintenance Responsibility. At all times during the Term, SFS shall be responsible for performing all Maintenance of the Player Academy Spaces at the Sports Complex and (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC and paying all costs and expenses related thereto including payment of the cost of utilities, except to the extent such Maintenance is required due to the actions of the County or its contractors. SFS shall be solely responsible for any maintenance, restoration or repair related to damage occurring to the Sports Complex as a result of the negligent acts or willful misconduct of SFS or Club, its officers, agents and employees. SFS also shall be solely responsible for repair of any damage to the playing fields, structures, or other facilities that occur during non-baseball SFS Events.

C. In connection with the performance of the Maintenance, SFS shall have the right to cause the County to use products and/or services of its corporate sponsors if such products and/or services are reasonably comparable in price and quality to other alternatives available to the County; provided, however, that the County shall not be obligated to purchase such products and/or services if it would require the County to be in violation of any pre-existing written agreement with any third party or applicable law, including, without limitation, the County's obligations with respect to competitive bidding.

D. The County shall have no obligation to perform or pay for any Maintenance with respect to the Player Academy Spaces or (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC, except to the extent such Maintenance is required due to the negligence or willful misconduct of the County, its agents or employees.

4. CAPITAL REPAIRS.

A. All Capital Repair Work required during the Term shall be performed by the County and all costs and expenses related to the Capital Repair Work shall be the sole responsibility of the County and shall not be deducted from nor otherwise credited against the Additional Improvements Fund. "Capital Repair Work" shall mean (a) all capital modifications, replacements or additions to the Sports Complex that are reasonably necessary to keep the facilities and amenities of the Sports Complex in good repair and sound condition; and (b) repairs and replacements that are reasonably necessary to maintain the roof, foundation, HVAC and MEP systems and structural integrity of the Sports Complex, and preserve its usefulness for the purposes for which it is being used hereunder.

B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for mutually agreed upon Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund each year and SFS shall pay the County \$75,000 on March 1 during each year of the Term, which amount the County shall deposit

the Capital Repairs Fund. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work.

5. ADDITIONAL IMPROVEMENTS.

A. The County shall establish an interest bearing account, in the name of the County, designated as the "Additional Improvements Fund," for mutually agreed upon Additional Improvements (as defined below) to benefit the Sports Complex during the Term, and all interest thereon shall be added to the Additional Improvements Fund. The County shall contribute funds to the Additional Improvement Fund in accordance with the schedule of contributions set forth in the attached Exhibit "C" (it being understood that County shall have up to six (6) months to cure any failure to make a payment in accordance with the schedule).

B. During the Term County shall fund, to the extent funds are available in the Additional Improvements Fund, certain additional improvements to the Sports Complex proposed by SFS and approved by the County, such approval not to be unreasonably withheld (the "Additional Improvements"). The Additional Improvements to be constructed and the schedule for the construction of the Additional Improvements shall be determined so as to provide material benefit to SFS to be enjoyed by SFS during the Term. SFS shall have the right to request that the County provide monies from the Additional Improvements Fund and the County will promptly honor such requests and deliver such funds to SFS or such other person or entity according to instructions from SFS for use as contemplated under this Agreement.

6. CONSIDERATION – PAYMENT.

A. For purposes of this Section 6.A "Year 1" means the 2017 calendar year, "Year 2" means the 2018 calendar year and so on through "Year 25" which is the 2042 calendar year. For each year of the Term starting in 2017, SFS will make a base rent payment to the County (the "Base Rent") in an amount equal to 50% of Stadium Revenue from the New York Mets Spring Training games and the Florida State League franchise's games played at the Stadium (collectively, "Games"), provided that the Base Rent payment shall not exceed \$2,000,000 during each of Year 1 through Year 10, \$2,100,000 during each of Year 11 through Year 20, and \$2,250,000 during each of Year 21 through Year 25. The limit placed on the Base Rent payment each year of the Term shall be referred to herein as the "Base Rent Cap." In addition to the Base Rent, beginning in the year that immediately follows the year in which SFS makes its final payment to the County pursuant to Section 37 below and each year thereafter during the Term, if Stadium Revenue exceeds \$5,500,000 in such year, SFS shall make an additional rent payment to the County (the "Additional Rent") in an amount equal to the County percentage multiplied by the corresponding incremental amount of Stadium Revenue in excess of \$5,500,000 as set forth in the chart below (subject to reduction to the extent necessary to recoup Shortfall Payments as addressed below in this Section).

Stadium Revenue	SFS Percentage	County Percentage
Between \$5,500,001 and \$6,500,000	90%	10%
Between \$6,500,001 and \$7,500,000	75%	25%
More than \$7,500,001	50%	50%

For example, if Stadium Revenue in a year in which Additional Rent is due (a) is \$5,500,000 or less, SFS shall not make any Additional Rent payment; (b) is \$6,000,000, SFS will make an Additional Rent payment equal to \$50,000 (i.e., 10% of the \$500,000 between \$5,500,001 and \$6,000,000); (c) is \$7,000,000, SFS will make an Additional Rent payment equal to \$225,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000 plus 25% of the \$500,000 between \$6,500,001 and \$7,000,000); or (d) is \$8,000,000, SFS will make an Additional Rent payment equal to \$600,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000, plus 25% of the \$1,000,000 between \$6,500,001 and \$7,500,000, plus 50% of the \$500,000 between \$7,500,001 and \$8,000,000)

For any year of the Term starting in 2017 in which Base Rent is less than \$2,000,000 SFS shall make a payment to the County (the "Shortfall Payment") from (but not more than) SFS's 50% share of Stadium Revenues, such payment being equal to the amount by which \$2,000,000 exceeds the Base Rent. SFS shall have the right to recoup all Shortfall Payments from Additional Rent payable to the County in subsequent years. In addition, the Base Rent Cap during each of Year 11 through Year 25 shall be reduced by the cumulative amount of Shortfall Payments that remain un-recouped at the time the Base Rent is due that year, provided that in no event shall the Base Rent Cap be less than \$2,000,000 in any year. To the extent Base Rent to the County is decreased because of the reduction in the Base Rent Cap in accordance with the previous sentence, the amount not paid to the County as a result of that reduction will be considered a recouped Shortfall Payment. (For example, if SFS makes its first Shortfall Payment to the County in Year 10 in the amount of \$125,000, then the Base Rent Cap in Year 11 will be reduced from \$2,100,000 to \$2,000,000, and if the Base Rent in Year 11 would have been \$2,100,000 had the Base Rent Cap not been reduced, then (x) in Year 11 SFS would pay Base Rent to the County of \$2,000,000, (y) SFS will have recouped \$100,000 of its Shortfall Payment from Year 10, and (z) \$25,000 of SFS's Shortfall Payment from Year 10 will remain to be recouped from Additional Rent or future Base Rent Cap reductions. To the extent that Shortfall Payments made by SFS are not fully recouped by the date this Agreement terminates or expires, the County will pay SFS an amount equal to the cumulative total of all un-recouped Shortfall Payments from Tourist Tax Revenues collected by the County after termination or expiration of this Agreement until all Shortfall Payments are repaid to SFS.

Definitions:

"**Stadium Revenue**" means (i) SFS's adjusted gross ticket receipts from Games, plus (ii) SFS's gross sales receipts from food and beverage concession sales at Games, plus (iii) SFS's gross sales receipts from souvenir, novelty and game program sales at Games, plus (iv) the net profits (defined

below) from parking at Games.

“**Adjusted gross ticket receipts**” means all revenues actually received by SFS from ticket sales for Games, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. County will not levy any tax on the sale of tickets except as required by law.

“**Gross sales receipts**” means revenues received from food and beverage concession sales or souvenir and novelty sales at Games, as the case may be, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. County will not levy any tax on the sale of concessions, souvenirs or novelties except as required by law. In the event SFS elects to contract with an unaffiliated private firm to operate all food and beverage concessions and/or souvenir and novelty sales, then, in lieu of including all revenues received from food and beverage concession sales and souvenir and novelty sales at Games in gross sales receipts, SFS shall include in gross sales receipts only such portion of food and beverage concession revenues and souvenir and novelty revenues received by SFS from the contractor. Moreover, SFS’s selection of an unaffiliated private firm to operate all food and beverage concessions or souvenir and novelty sales at the Sports Complex shall be subject to the approval of the County, which approval shall not be unreasonably withheld.

“**Net profits**” will be ascertained by reducing the revenues actually received by SFS from the sale of parking privileges for Games by reasonable labor costs incurred in operating the parking facilities on Games days and other reasonable expenses related to parking (e.g., cost of printing parking tickets and providing signage and flash lights).

B. **Advertising.** Subject to the terms of Section 7(C) hereof with respect to Naming Rights, County grants to SFS the exclusive right to display or permit others to display advertising material at all locations in the Sports Complex at all times during the Term (including, without limitation, advertising in game or other SFS Event programs), and the exclusive right to grant event sponsorship and promotional rights at the Sports Complex during SFS Events, as well as the right to assign all or any portion of such rights to any third party including specifically to the Club. SFS shall have the right to display such advertising signs at all events held at the Sports Complex, including, without limitation, County Events. The County shall not be entitled to receive any of the revenues generated by SFS or its assignees through the sale of such advertising, sponsorships and promotions. SFS or its assignee shall retain one hundred percent (100%) of all revenues from advertising at the Sports Complex during the Term and from all sponsorships and promotions during SFS Events, and SFS shall have control over the type and content of all such advertising, sponsorships and promotions. County shall have the right to review and approve all such proposed advertising, provided that County shall have no right to object to any advertising except to the extent that such advertising is indecent or incompatible with the character and dignity of the Sports Complex; any proposed advertising shall be conclusively deemed neither indecent nor incompatible if it is comparable to advertising at any other Major League spring training or minor league baseball facility within the State of Florida. County may not sell or display signage at the Sports Complex without the prior written consent of SFS, in SFS’s sole discretion, except that the

County may display at the Sports Complex signage that is comprised solely of the insignia or logos of the County or that is required by public safety considerations or by local, state or federal regulations subject to the approval of SFS, which approval shall not be unreasonably withheld.

C. **Parking.** SFS reserves the right to charge reasonable fees for parking areas adjacent to the Stadium for persons attending SFS Events. SFS shall have the right to make parking spaces available at all times and without charge to authorized representatives, designees or personnel designated by SFS. County and SFS shall cooperate and develop a visitors pass procedure that will allow free parking to authorized representatives and guests of the County and SFS.

SFS shall include the net profits from parking at Games in Stadium Revenue as set forth above. For all SFS Events other than Games, SFS shall retain one hundred percent (100%) of all parking receipts. For County Events at the Sports Complex, County shall operate all parking at its sole expense and shall retain all proceeds.

D. **Intentionally Omitted.**

E. **Rent for Use of Stadium.** The rental payment by SFS for use of the Stadium shall be the payments from SFS to County as provided above in Section 6.A. Except as otherwise specifically provided in this Agreement, only one payment shall be made each year of the net amount due from SFS to County, which annual payment shall be made prior to the commencement of the following Major League Spring Training season. County and SFS agree that such amounts paid by SFS to County shall be deemed to be the rent payment for the use and occupancy of real property pursuant to Section 212.031, Florida Statutes. In addition to the requirements of Paragraph 9(C), SFS shall provide the County with an annual accounting of revenues and expenses in sufficient detail for audit purposes at the same time the annual payment is made.

F. **County Revenues.** SFS shall pay to County thirty-three percent (33%) of SFS's gross sales receipts from food and beverage concession sales at all County Events, with SFS retaining the other sixty-seven percent (67%). As used in this Section 6(F), "gross sales receipts" means revenues received from food and beverage concession sales, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. However, County shall not levy any tax on the sale of concessions except as may be required by state law. For all County Events, County shall retain one hundred percent (100%) of the adjusted gross ticket receipts but shall reimburse SFS for all pre-approved out-of-pocket expenses incurred by SFS in connection with each such event. As used in this Section 6(F), the term "adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for County Events at the Sports Complex, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. However, County shall not levy any tax on sale of tickets except as required or authorized by state law.

G. **Parking Revenues from Adjacent Businesses.** Subject to the approval of SFS, which approval shall not be unreasonably withheld, the County shall have the right to allow local

businesses with offices adjacent to the Stadium ("Adjacent Businesses") to utilize the Stadium parking area depicted on Exhibit "N" hereto (the "Business Parking Area") on a nonexclusive basis provided that the use of the Business Parking Area by local businesses shall not conflict with use of the Business Parking Area by SFS or the County for SFS Events or County events. The parties agree that the first \$100,000 in total revenues received during the Term from the use of the Business Parking Area by the Adjacent Businesses shall be retained by the County to reimburse the County for the actual cost incurred by the County to construct improvements to the Business Parking Area, and thereafter, the County shall deposit all revenues received from use of the Business Parking Area by the Adjacent Businesses into the Capital Repairs Fund. The County shall be responsible for all damage and expenses resulting from use of the Business Parking Area by Adjacent Businesses

7. TELEVISION - RADIO REVENUE; LUXURY SUITE REVENUE; NAMING RIGHTS.

A. Television - Radio Revenue.

It is expressly acknowledged and agreed by and between the parties, that the County shall receive no revenues from the radio or television broadcast or other transmission (including, without limitation, over cable or the Internet) of or relating to any SFS Events, nor shall the County participate, in any manner, in determining when said SFS Events shall be broadcast or otherwise transmitted. SFS has the exclusive right to sell television and radio broadcasting and other transmission rights for SFS Events and to permit others to sell such television and broadcasting and other transmission rights, and SFS or such other authorized party shall retain all revenues resulting therefrom.

B. Suite Revenue.

SFS shall manage and control the rental of any luxury suites at the Stadium, including without limitation any luxury suites constructed as part of the New Improvements, for all events at the Sports Complex during the Term. County and SFS shall each be entitled to use and authorize others to use one luxury suite for all events during the Term, without charge to County or SFS for their occupancy of the respective suites. All other luxury suites are to be rented on a yearly basis, and SFS shall retain one hundred (100%) percent of adjusted gross revenue from the rental of luxury suites. The lessee of any luxury suite will receive admission tickets to the luxury suite for all New York Mets spring training games and all St. Lucie Mets games at no additional charge. The lessee of any luxury suite will also have the right to purchase admission tickets to the luxury suite for any other event held at the Stadium during the year, and if such tickets are purchased: (i) for all SFS Events other than New York Mets spring training games and St. Lucie Mets games, SFS shall retain one hundred (100%) percent of the adjusted gross revenue from the sale of such admission tickets; and (ii) for all County Events, SFS shall retain ten (10%) percent of the adjusted gross revenue from the sale of such admission tickets and shall pay to the County the remaining ninety (90%) percent. As used in this Section 7(B), the term "adjusted gross revenue" means all revenues actually received by SFS from the rental of luxury suites that is

attributable to the particular event at issue, and all revenues actually received by SFS from the sale of tickets granting admission to the luxury suites for the event, less any and all taxes and tax surcharges or fees due to any governmental or taxing authority related thereto. Revenues from food and beverage sales in luxury suites will be included in gross sales receipts as set forth in Section 6(A) above.

C. **Naming Rights.**

SFS or its designee shall have the sole and exclusive right to designate the name of the Sports Complex and/or its constituent parts and to grant one or more third parties (i) the right to include such party's name, product name and/or logo and/or corporate identifiers in the name of the Sports Complex and/or its constituent parts, (ii) the right to have such name and/or logo and/or corporate identifiers prominently displayed on the interior and the exterior of, and on and around the entrances to the Sports Complex and/or its constituent parts, and on the Sports Complex apron, as part of the name of the Sports Complex, and (iii) such other nonexclusive rights which are customarily included in the grant of the rights in clause (i) and (ii) above (such rights are hereinafter referred to as the "Naming Rights"), and provided that such name and/or logo and/or corporate identifiers shall not be obscene nor shall it be unlawful to use the same. For avoidance of doubt, SFS retains all revenues with respect to Naming Rights.

For so long as both this Agreement and the agreement granting Naming Rights remain in effect, the Stadium and the Sports Complex shall be referred to by the name(s) selected pursuant to this Section 7(C), and neither party shall advertise or refer to the Stadium or the Sports Complex by any other name. The Stadium and the Sports Complex names selected pursuant to this Section 7(C) shall be used by the parties when referring to the Stadium and the Sports Complex in any of their correspondence, press releases, promotional materials, advertisements and/or publications, and shall be used by County on all related directional traffic and pedestrian signs on highways, local streets, and all public thoroughfares in and around the Sports Complex and St. Lucie County, Florida. Notwithstanding the above, the parties agree that the County's logo shall be permanently displayed at locations in the Stadium and Sports Complex as mutually agreed upon by the parties.

County shall retain the right to market for sale to a third party the right to include such party's name, product name and/or logo in the official name of the football/soccer field across from the Sports Complex (the "Football/Soccer Naming Rights"). County shall not market or entertain offers for, and shall not enter into any agreement relating to, the Football/Soccer Naming Rights until after all Naming Rights Agreements referenced above in this Section 7(C) with respect to the remainder of the Sports Complex have been entered into and approved by the Board of County Commissioners. Any agreement with respect to the Football/Soccer Naming Rights shall be subject to the approval of SFS, which approval shall not be unreasonably withheld, provided that the withholding of approval shall be conclusively deemed reasonable if the proposed agreement is with a competitor of any entity that has an advertising or naming rights agreement with SFS or Club at any facility.

D. **Other Revenues.**

Except as otherwise expressly stated and specified in this Agreement, SFS shall be entitled to retain all revenues related to the Sports Complex.

E. **Recognition of Contributions of Thomas J. White, Sr.**

Wholly separate from any naming rights for the Sports Complex or the Stadium, County and SFS agree to continue to recognize the contributions of Thomas J. White, Sr. in a manner similar to how such contributions are currently recognized at the Sports Complex and Stadium.

8. **TICKET SALES; PROGRAM SALES, CONCESSIONS AND PARKING.**

SFS has the exclusive right to operate ticket sales, program sales, and parking lots in connection with SFS Events during the Term of this Agreement, and has the right and discretion to contract with or authorize one or more other persons or entities to operate ticket sales, parking and/or game program sales at the Sports Complex at or in connection with SFS Events.

SFS has the exclusive right and discretion to sell and authorize others to operate concessions for the sale of food and beverages (including, without limitation, catering, hospitality and picnic services), novelties, souvenirs and paraphernalia at the Sports Complex during the Term of this Agreement. The County reserves the right to schedule special events in the parking lot during non-baseball scheduled events at which concessions will be sold; SFS will operate concessions at such special events in accordance with its exclusive right to operate concessions at the Sports Complex during the Term, and will cooperate with the County with respect to the providing of concessions to community and charitable groups at such special events. During the Term of this Agreement, SFS shall provide good quality concession services to the public. SFS will use commercially reasonable efforts to restrict patrons from bringing any food, beverages (including alcoholic beverages) or beverage containers into the Sports Complex. Prior to the start of each season, SFS will provide the County with notice of the pricing for tickets, programs, concessions and parking.

No new coin or currency operated vending machines shall be installed or located within the Sports Complex by SFS without the written permission of the County's Parks and Recreation Director, which permission shall not be unreasonably withheld. Except as otherwise permitted under this Agreement, SFS will not install permanent fixtures or construct permanent improvements at the Sports Complex without the County's prior consent, which consent shall not be unreasonably withheld.

9. **BOOKS, RECORDS AND AUDIT.**

SFS and County agree to keep accurate books and records in accordance with generally accepted accounting practices of their respective operations at the Sports Complex. SFS agrees to

submit to the County, on a quarterly basis, a report containing accurate attendance information in a form agreed to by all parties. In addition, the parties agree as follows:

B. SFS shall submit daily sales (ticket, parking, program and concessions) reports within thirty (30) days following the last Game of Spring Training and thirty (30) days following the last Game of the Florida State League season.

C. All related books and records regarding ticket, parking, program and concession sales shall be jointly available to the County for suitable annual audit at a time mutually agreed to by the parties. Any audits must be performed within twelve (12) months after the end of each year of operation (January 1 - December 31). SFS shall have the same right to audit the books and records of any County operation under this Agreement, and shall have the right to review the County budget and related documents at any time upon reasonable notice.

10. NEW IMPROVEMENTS.

A. NEW IMPROVEMENTS - BUDGET.

The County intends to issue bonds, the ("New Improvement Bonds") which will be used to finance certain improvements to the Sports Complex described on Exhibit "D" hereto (the "New Improvements"). If the County does not issue the New Improvement Bonds and fully fund the New Improvements Budget (as defined below) by April 1, 2017 SFS shall have the right to nullify and void this Agreement, by providing written notice to the County, provided that the County shall have seven (7) days following its receipt of such notice from SFS to issue the New Improvement Bonds, and if the New Improvement Bonds are issued by the end of such seven (7) day period then the written notice provided shall be ineffective. If this Agreement is nullified and voided as set forth in the immediately preceding sentence, the parties agree that the Prior FUA shall be reinstated and the terms and conditions of the Prior FUA shall govern the rights and obligations of SFS and the County. The County will designate SFS as the agent of County for the purpose of coordinating the New Improvements, with the scope of the New Improvements to be determined by SFS and approved by County, and the County will provide cooperation appropriate for the design and construction of the New Improvements. The parties agree that the New Improvements will include, without limitation, Stadium upgrades, a new entrance, walk way connector around the outfield, one new field and other field enhancements, Mets player academy facilities consisting of dormitories, a cafeteria and an auditorium (the "Player Academy Spaces") (which shall only be used by Mets personnel and shall not be available for use by the general public), little league/softball complex, new major and minor league clubhouses, offices and locker rooms, and other improvements as may be determined and approved by SFS and County. The County shall provide \$55,000,000 of funding (the "New Improvements Budget") for the design and construction of the New Improvements.

Nothing in this Agreement shall obligate the County to provide funding for the New Improvements in excess of the New Improvements Budget. SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other

modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage. The New Improvements Budget shall be used to fund the New Improvements only and for no other purpose (except as provided herein). County will contract to have an economic impact statement prepared, addressing the impact from Major and Minor League Baseball at the Sports Complex and the Improvements, it being understood that the cost of such statement shall be paid by the County and shall not be included in the New Improvements Budget.

B. NEW IMPROVEMENTS - PLANS.

1. County, for the benefit of SFS and County, shall competitively procure an architect reasonably satisfactory to both parties (the "Architect" referred to in this Section 10) in accordance with Florida Law and County Procurement Policy. The Architect shall be responsible for, *inter alia*, (1) developing a conceptual plan and general specifications (the "Conceptual Plans" referred to in this Section 10) for the New Improvements; (2) developing preliminary plans and specifications for the New Improvements; (3) preparing working drawings and requests for bids; (4) obtaining all permits, other than building permits, needed to construct the New Improvements; (5) assisting SFS in evaluating the qualifications of potential contractors; (6) providing contract administration; and (7) performing construction inspections as needed to provide certified as-built drawings after the New Improvements are constructed (the "Architect's Work" referred to in this Section 10). SFS shall enter into a contract (the "Architect's Contract" referred to in this Section 10) with the selected Architect with terms that are fair, competitive and reasonable as required by Section 287.055 (5) and (6) of the Florida Statutes, and which shall, *inter alia*, contain the terms and conditions set forth in Exhibit "E" hereto. The County shall be named as a third party beneficiary in the Architect's Contract. The County shall, upon request, enter into a joinder to the Architect's Contract substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc. Without limiting the foregoing, the Architect's Contract shall require the Architect to procure policies of insurance that relate to the Architect's Work, with terms, limits, coverages and specifications at least as favorable for SFS as those reflected in Exhibit "E", and SFS and the County shall be designated as Named Insureds on all applicable policies. The Contract should also provide that Architect will not receive payment for any portion of the Architect's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(b) below. SFS shall have the right to refuse to enter into any Architect's Contract with terms that are not fair, competitive and reasonable as required by Section 257.055 (5) and (6) of the Florida Statutes. County, through its Board of County Commissioners, shall have final approval rights to the negotiated Contract limited to whether the Contract terms are fair, competitive and reasonable. County agrees that the Architect shall not be considered an agent of SFS for any purpose and that the Architect shall be solely responsible for the Architect's Work, and that the County will look solely to the Architect and its carriers, and in no event to SFS, with respect to the performance of the Architect's Work and any damages or losses which may arise from or out of any acts or omissions of the Architect

except to the extent caused by any negligent acts or omissions of SFS or its agents or representatives.

2. Contemporaneous with procurement of the Architect, the County shall, through currently pending RFQ No. 16-049, competitively procure a consultant to provide Program Manager Consulting Services on its behalf, serving as the point of contact of the County for all project development interaction involving SFS, Architect and Contractor.

3. SFS shall cause Architect to furnish to County the Conceptual Plans for the New Improvements. County, through its Board of County Commissioners, shall have a period of twenty (20) days from delivery of the Conceptual Plans within which to review and to disapprove of the Conceptual Plans, in writing. County shall have no right to disapprove of the Conceptual Plans except to the extent that the improvements described therein are materially inconsistent with the description of the New Improvements set forth on Exhibit "D" hereto or to the extent the Conceptual Plans reflect estimated costs in excess of the New Improvements Budget. Subject to the foregoing, County shall not unreasonably withhold its consent to any Conceptual Plans. If County disapproves of the Conceptual Plans, County shall express the grounds for its disapproval in reasonable detail. If County shall not disapprove within such twenty (20) day period, the Conceptual Plans shall be deemed approved.

4. As soon as is reasonably practicable following the approval of the Conceptual Plans, SFS shall cause Architect to prepare and deliver to County and SFS preliminary plans and specifications for the New Improvements in accordance with the approved Conceptual Plans (the "Preliminary Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days within which to review and to approve or disapprove of the Preliminary Plans in writing. County shall have no right to disapprove of the Preliminary Plans except to the extent the Preliminary Plans are materially inconsistent with the Conceptual Plans. If County or SFS disapprove of the Preliminary Plans, it or they shall express the grounds for its disapproval in reasonable detail. If County or SFS shall not respond with disapproval within such twenty (20) day period, the Preliminary Plans shall be deemed approved.

5. As soon as is reasonably practicable following the approval of the Preliminary Plans, SFS shall cause the Architect to prepare working drawings for the New Improvements (or such of the New Improvements as shall be designated by SFS), in accordance with the approved Preliminary Plans and to deliver same to County and SFS (the "Final Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days from receipt of the completed Final Plans to review and approve or disapprove of the Final Plans in writing. County shall have no right to disapprove of the Final Plans except to the extent such Final Plans are materially inconsistent with the Preliminary Plans. If County or SFS shall disapprove of the Final Plans, it or they shall express the grounds for its disapproval in writing and in reasonable detail. If neither County nor SFS disapprove within such twenty (20) day period, the Final Plans shall be deemed approved. Once approved, the Final Plans shall be incorporated into this Agreement as Exhibit "F".

6. County, for the benefit of SFS and County, shall, through a publicly advertised competitive bidding or proposal process, in accordance with Florida law and County Procurement Policy, competitively procure a contractor (the "Contractor" referred to in this Section 10) for the construction of the New Improvements in accordance with the Final Plans (the "Work" referred to in this Section 10). SFS shall have input on the qualifications and selection of contractors, with two members appointed by SFS to a five-member selection committee, with the remaining three members appointed by County, and to refuse to engage any contractor upon terms that are not fair, competitive and reasonable as determined by SFS. The final terms of the agreement between SFS and the Contractor (the "Construction Contract" referred to in this Section 10), and any Guaranteed Maximum Price amendments or agreements, shall be subject to the approval of the County, through its Board of County Commissioners, limited to whether the Contract terms are fair, competitive and reasonable. SFS shall enter into a Construction Contract along with terms that are fair, competitive and reasonable and the terms set forth below, with the selected contractor.

7. The Construction Contract shall, *inter alia*, include the terms and conditions set forth in Exhibit "G" hereto and shall include each of the following requirements related to all work under the Construction Contract ("Work"): (i) the furnishing of a public construction bond in a form consistent with Section 255.05, Florida Statutes, with the County named as co-obligee, and with terms acceptable to SFS; (ii) competitive procurement of all Subcontractors work and supplies as set forth in Subsection 7(d) below ("Procurement of Subcontracts"); (iii) retainage in an amount acceptable to SFS for the Work, until the Completion of the Work (including a retainage of 10% of the total value of the construction contract) and required reductions at 50% completion as set forth in Section 255.078, Florida Statutes; (iii) payment by the Contractor of liquidated damages equal to One Thousand Dollars (\$1,000.00) for each day from and after the Required Completion Date (if and as that term or its equivalent is defined in the Construction Contract) until the actual date of Completion; (iv) a requirement that the Contractor perform and achieve Completion of the Work for a Guaranteed Maximum Price or fixed stipulated sum referred to in this Section 10), by no later than the Required Completion Date; (v) the furnishing of an "installation floater" insurance policy or such other policy of insurance covering goods in transit and while the Work is being performed, with terms, limits, coverages and specifications acceptable to SFS (and the furnishing by any subcontractors of policies of insurance that relate to the Work naming SFS, Club and the County as additional insureds, with terms, limits, coverages and specifications acceptable to SFS); (vi) at SFS's election, the provision on behalf of SFS of an Owner's Contractor Protective policy of insurance, including extensions for products and completed operations coverage and similar extended coverage at least through Completion (as defined herein) of the Work, or another policy of insurance acceptable to SFS, with SFS as a named insured; (vii) the County shall be named as a third party beneficiary in the Contract; and (viii) Contractor must agree that it will not receive payment for any portion of the Contractor's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(c) below. The County shall be named as a third party beneficiary in the Contract between the Contractor and SFS. The County shall, upon request, enter into a joinder to the Contract between the Contractor and SFS substantially similar to the joinder

entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc.

8. As required by Section 119.0701, Florida Statutes, in all contracts competitively procured for services related to the New Improvements, including the Architect as set forth in Section 10(B)(1) and Contractor as set forth in Section 10(B)(4), SFS shall include in each such Contract, the following Notice in capital letters, 14-point boldfaced type:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (772) 462-1441, bellamys@stlucieco.org, COUNTY ATTORNEY'S OFFICE, 2300 VIRGINIA AVENUE, FORT PIERCE, FL 34982.

SFS shall also include in each such Contract, a requirement that the contracting party comply with the following requirement of Florida's Public Records Law:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. SFS agrees to include the following provisions (or substantively equivalent provisions) in the Construction Contract:

(a) Punchlist Procedures. Punchlist procedures to render the Work complete, satisfactory and acceptable are established as follows:

There shall be the development of a single checklist of items required to render complete, satisfactory, and acceptable, the Work. No more than ten (10) days prior to Contractor's expected Substantial Completion of the Work as defined in the Construction Contract, Contractor shall schedule a walkthrough with SFS and the County ("Initial Walkthrough" a/k/a "IW"). The purpose of the IW is to develop a checklist ("Checklist") of items to be performed by the Contractor, based upon observations made between the Contractor, SFS and the County during the IW.

No later than forty (40) calendar days after reaching Substantial Completion, Contractor shall again initiate and request a second walkthrough of the Project with SFS and the County. The purpose of this second walkthrough is to identify which items remain to be performed from the IW Checklist and for the purpose of developing a single and Final Punchlist.

The intent of this section is for SFS, County and the Contractor to cooperate to develop a single Final Punchlist to be completed no later than sixty (60) calendar days from the date of reaching Substantial Completion of the Work as defined in the Construction Contract. The single Final Punchlist shall be delivered no later than five (5) calendar days after the Punchlist has been developed and reviewed in accordance with this section. If the Work provided in this Construction Contract relate to more than one building or structure, or involves a multi-phased project, the single Final Punchlist is required to render complete, satisfactory, and acceptable all the Work for each building, structure, or phase of the Project and is due within the time periods set forth in this section.

In no event may the Contractor request payment of final retainage until the Final Punchlist is 100% complete.

Contractor agrees to complete the Final Punchlist items and the Final Contract Completion Date must be thirty (30) calendar days after the delivery date of the Final Punchlist. The failure to include any corrective work or pending items not yet completed on the list does not alter the responsibility of the Contractor to complete all the construction services purchased pursuant to this Construction Contract.

Contractor acknowledges and agrees that no item contained on the Final Punchlist shall be considered a warranty item until such time as (a) the Final Punchlist is 100% complete, and (b) SFS has been able to operate or utilize the affected Punchlist item for an additional period of fifteen (15) days.

Contractor acknowledges and agrees that SFS may, at its option, during performance of the Work and prior to Substantial Completion, issue lists of identified non-conforming or corrective work for the Contractor to address. The intent of any such generated list prior to Substantial Completion is to attempt to streamline the Punchlist process upon achieving Substantial Completion, and to allow for the Contractor to address needed areas of corrective work as they may be observed by SFS during performance of the Work.

Contractor acknowledges and agrees that SFS shall determine whether an item on the Final Punchlist is completed and shall calculate the amount of payment to withhold if an item is incomplete, with SFS having the right to withhold the greater of 150% of the value of the item on the Final Punchlist that is incomplete or the amount of the retainage under this Construction Contract. Contractor acknowledges and agrees that in calculating the amount of payment that may be withheld by SFS as to any Final Punchlist item for which a good faith basis exists to determine that it is incomplete, SFS may, in calculating the amount equal to 150% of the value of the item (if SFS decides to withhold such amount rather than the amount of the retainage under this Construction Contract), include within such percentage calculation its total costs for completing such item of work, including its administrative costs as well as costs to address other services needed or areas of work which may be affected in order to achieve full completion of the Final Punchlist item. Such percentage shall in no event relate to the schedule of value associated with such Work activity, but rather total costs are based upon the value (i.e. cost) of completing such Work activity based upon market conditions at the time of Final Punchlist completion.

(b) **Reduction of Retainage Procedures.** After the Contractor has achieved fifty percent (50%) completion of the Work, retainage from subsequent Pay Applications shall be reduced to five percent (5%). Contractor may request a reduction of retainage previously withheld from ten (10%) percent of the total value of the Construction Contract to five (5%) percent after fifty (50%) percent completion of the Work which SFS shall authorize for payment unless justification for withholding exists, as permitted by Section 255.078, Florida Statutes. The term "Fifty Percent Completion" shall be defined as follows, in lieu of any other definition:

"Fifty Percent Completion" of the Work is defined as that point in time where 50% of the overall value of Work items incorporated and which will remain in place subsequent to final completion of the Work have been completed, based upon the schedule of values contained in the Contract. As such, and by way of example, the value of Contractors mobilization, general conditions, supervision or like items which do not involve permanent incorporation of Work do not apply to the determination of "Fifty Percent Completion" of the Work for purposes of establishing entitlement to a reduction of retainage.

(c) **Definition of Substantial Completion.** For purposes of this Construction Contract, and for compliance of those procedures, duties and obligations, the term Substantial Completion shall be as follows, in lieu of any other definition:

"Substantial Completion" is defined as that point where SFS and the County are able to enjoy beneficial occupancy of the Work and where the Work has achieved that level of completion such that SFS and the County are able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life safety and regulatory use, with the

exception of incidental and incomplete items except where a lack of completion of such incidental or incomplete items of Work will adversely affect the complete operation of other areas of the Work, to the satisfaction and approval of all authorities having jurisdiction.

(d) **Procurement of Subcontracts.** All subcontracts exceeding \$500,000 shall be and competitively awarded in accordance with the process set forth in Exhibit "O".

(e) **Contractor Self-Perform Work.** Upon approval by SFS, Contractor and any Related Entities as defined below, may use its own forces to perform a portion of the Work, as long as the cumulative percentage of the total self-performed construction work does not exceed 25% of the Direct Cost of the Work for the Project, as reflected in the approved GMP or latest approved estimates. SFS reserves the right to limit instances of self-performance to certain Work. There is no guarantee that any self-performed work will be allowed. Related Entities are prohibited from submitting competing bids or proposals and shall be disqualified for doing so, unless authorized hereunder. When authorized in advance to submit a competitive bid, the Contractor or Related Entity must submit its bid to SFS, at least forty-eight hours prior to the bid opening date and time. "Related entities" means any parent company, affiliates, subsidiaries, or other entities having common ownership or management with that of the Contractor or a subcontractor.

10. County agrees that the Contractor shall not be considered an agent of SFS for any purpose and shall be solely responsible for the Contractor's Work, and that the County will look solely to the Contractor and its carrier(s) and surety bond(s), and in no event to SFS, with respect to the performance of the Contractor's Work and any damages or losses which may arise from or out of any acts or omissions of the Contractor except to the extent caused by the negligent acts or omissions of SFS or its agents or representatives.

11. SFS shall have the right to purchase general construction liability insurance or other construction-related insurance acceptable to SFS, with terms, coverages, specifications and limits as determined by SFS as being reasonable in its sole discretion. The cost of such insurance shall be included in the Total Cost of the Work (as defined in this Section 10(B)(10)). County shall be an additional insured on such insurance policy, if any is purchased by SFS.

12. The Total Cost of the Work defined herein shall be paid by the County in accordance with the procedures set forth in Section 10(C)(9), below, out of the New Improvements Budget. The term "Total Cost of the Work" referred to in this Section 10 shall mean the sum of (i) the fees and expenses of the Architect in connection with all stages of the Architect's Work hereunder, including without limitation the Architect's consultants' fees and expenses, and all fees and expenses related to the obtaining of permits needed to construct the New Improvements, plus (ii) the Construction Contract Price, plus (iii) the fees and expenses of any consultants engaged directly for the design and construction of the New Improvements which are approved in advance by the County and competitively procured in accordance with Florida law (including the Program Manager under RFQ No. 16-049), plus (iv) any other approved costs, expenses or liabilities

incurred by SFS as a consequence of SFS's engagement of the Contractor, Architect or other consultants hereunder, including but not limited to SFS's attorneys' fees in connection therewith, plus (v) the costs of all permits required for the Work, plus (vi) the premium cost of all insurance, including without limitation comprehensive general liability insurance, general construction liability insurance, products and completed operations or other extended insurance, or other insurance acceptable to SFS, as SFS may elect to obtain with County's advance approval, whether directly or through another person or entity acting on SFS's behalf, as a consequence of SFS's engagement of the Architect and Contractor hereunder (referred to in this Section 10 as the "Additional Exposure Liability Insurance Coverage Insurance Premiums"). The Total Cost of the Work shall be subject to increase only as a consequence of Authorized Change Orders (as defined in this Section 10), to the extent such Authorized Change Orders actually increase the Total Cost of the Work; provided, however, that the County's obligations shall be limited to the New Improvements Budget. As between SFS and the County, SFS shall be solely responsible for any and all cost of the Work exceeding the New Improvements Budget. The Total Cost of the Work shall not include any other costs or fees whatsoever, including, without limitation, fees for construction, coordination, supervision or for review and approval of plans and specifications or proposed Change Orders by SFS or County, except as otherwise specifically set forth in this Agreement.

C. NEW IMPROVEMENTS – CONSTRUCTION.

1. Promptly following the execution of the Construction Contract and the issuance of all required approvals and permits, SFS shall cause the Contractor to commence the Work and to diligently and continuously pursue the Work to Completion. The term "Completion" as used in this Section 10 shall mean the completion of the Work, as evidenced by the issuance of a temporary or final certificate of occupancy or completion, as applicable, and the completion of all "punch-list" items.

2. County will cooperate in good faith to assist Architect and Contractor in obtaining all permits required for the construction of the Work from all applicable governmental authorities.

3. There shall be no change to the Final Plans, except pursuant to an Authorized Change Order (as such term is defined below). SFS shall have the right to request changes in the Work. As used in this Section 10, an "Authorized Change Order" shall mean a written instrument initiated and prepared by SFS and signed by County if required herein (or deemed approved as set forth herein), SFS and the Architect stating their agreement upon all of the following: (i) the agreed change in the Work; and (ii) the extent of the adjustment in the Total Cost of the Work, if any. County shall have a period of ten (10) business days following receipt of a request to approve a Change Order within which to review and approve same. If County fails to respond within such ten (10) business day period after the receipt of the proposed Change Order, then such proposed Change Order shall be deemed approved provided, however, that in no event shall the County be obligated to pay any costs associated with Change Orders in the event such costs cause the Total Cost of the Work to exceed the New Improvements Budget without a separate

written consent from the County identifying the additional funds to be provided. Such separate written consent shall not be deemed to have been provided by the County's failure to object to a Change Order. County shall not unreasonably withhold its consent to any proposed Change Order except the County shall have the absolute right to deny any Change Order request that would cause the New Improvement Budget to be exceeded unless SFS agrees to be solely responsible for the overage. County has the right to suggest Change Orders to SFS, and SFS agrees to consider each County request for a Change Order in good faith, provided that any Change Order proposed by County shall not have the effect of increasing the Total Cost of the Work, and to initiate an Authorized Change Order as set forth in this paragraph if SFS determines that such a Change Order is appropriate. Changes in the Total Cost of the Work due to an Authorized Change Order shall be limited to the actual net increase in the cost included in the definition of the Total Cost of the Work.

4. SFS and the County shall have the right to monitor the construction progress of the New Improvements at all times, provided that County shall not give direction, whether verbally or in writing or otherwise, to any Contractor, Architect or consultant engaged by SFS, except in an emergency situation. SFS understands that County shall procure a Program Manager to serve as its representative during the design and construction of the Project, as part of the New Improvements Budget cost (provided that the cost therefor shall be reasonable therefor in light of the services provided by the Program Manager). SFS agrees to cooperate with the County and its Program Manager, and use best efforts to create a spirit of harmony involving all companies providing services for the Project. The Program Manager shall have the opportunity to be included as a participant at all Project meetings, jobsite meetings and inspections, and shall have the opportunity to be included on all Project communications involving the Architect, Contractor and any authority having jurisdiction. All Project administration communications, necessary with the County, including disbursement requests and Change Order requests, shall be conducted through the Program Manager. Should Program Manager identify any work being performed in material deviation from the approved Final Plans, it shall immediately provide written notice to SFS and the County, with recommendations on remedying the non-compliance. If the non-compliance is not remedied within seven (7) days, County and SFS, through representatives possessing decision-making authority, shall meet promptly to discuss the issues and means of resolution.

5. In the event of any contractual dispute between the parties hereto that (i) occurs before Completion (as defined in this Section 10) of the New Improvements, and (ii) relates to the preparation and/or approval of the Conceptual Plans, Preliminary Plans, Final Plans, the Construction Work per the Final Plans, or any Change Order for any Phase of the Work, SFS and County shall attempt in good faith to agree to the resolution of the disagreement and/or the curative measures, if any, that are required to be undertaken, and if necessary will submit the dispute to non-binding mediation in an effort to resolve the dispute if the parties are unable to reach a resolution without outside intervention. If the parties are unable to resolve such dispute through non-binding mediation within 30 days of such dispute arising, then the dispute shall promptly be resolved by litigation pursuant to Section 39 of this Agreement.

6. The New Improvement Schedule, which shall be Exhibit "H" hereto, shall show:

(a) The anticipated time of commencement and completion of each of the various operations to be performed under this contract; and,

(b) The sequence and inter-relationship of each of these operations with the others and with those of other related contracts; and,

(c) The estimated time required for fabrication or delivery, or both, of all materials and equipment for the Work.

7. The New Improvement Schedule shall be revised by SFS as and when needed. SFS shall provide the County with written notice in the event that any revision as to the New Improvement Schedule changes the Required Completion Date (if and as that term or its equivalent is defined in the Contract).

8. Promptly after execution of this Agreement, the County shall deposit the entire amount of the funds that comprise the New Improvements Budget in an interest bearing account, in the name of the County, designated (and referred to in this Section 11) as the "New Improvement Account," and all interest thereon shall be added to the New Improvements Budget. The County will issue bonds in an amount sufficient to generate \$55,000,000 of funding for the New Improvements Budget, as provided for in this Section 10. Notwithstanding any provision herein to the contrary, the County shall have no obligation to provide funds for the New Improvements Budget in excess of the \$55,000,000 provided with the proceeds of the County's New Improvement Bonds without the express written consent of the County identifying the additional funds provided.

9. County shall disburse funds from the New Improvement Account, as follows, provided that in no event shall County be responsible for disbursing funds in excess of the New Improvements Budget for the Total Cost of the Work:

(a) Within twenty (20) business days following SFS's delivery to County of an invoice for the Additional Exposure Liability Coverage Insurance Premiums with certification that payment is due in the requested amount, County shall pay to SFS the entire amount of such invoice;

(b) Within twenty (20) business days following SFS's delivery to County of an invoice from the Architect with respect to the Architect's Work with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of the Architect, the full amount of such invoice, which payment SFS will then forward to Architect within five (5) days of SFS's receipt thereof from County;

(c) Within twenty (20) business days following SFS's delivery to County of an invoice from the Contractor (which invoice shall reflect the applicable retainage), accompanied by the Required Documents (as such term is defined below) with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of Contractor, the full amount of such invoice, which payment SFS will then forward to Contractor within five (5) days of SFS's receipt thereof from County. The term "Required Documents" referred to in this Section 11 means: (i) an affidavit from the Contractor certifying that the invoice is true and correct; (ii) a partial lien waiver from the Contractor for the full amount of the current invoice and partial lien waivers from all subcontractors, materialmen and others who have filed Notices to Owner with respect to all Work through the date of the prior invoice; (iii) a certificate from Architect stating that the portion of the Work described in such invoice has been completed in accordance with the Final Plans; and (iv) in connection with the final disbursement to the Contractor (A) a final lien waiver from the Contractor and from all subcontractors, materialmen and others who have filed Notices to Owner and (B) a final certificate of occupancy or a certificate of completion, as may be applicable;

(d) Within twenty (20) business days following SFS's delivery to County of any invoices from any consultants engaged by SFS and/or with respect to any other costs, expenses or liabilities incurred by SFS pursuant to or as described in Section 11(B)(9) of this Agreement previously approved and authorized by the County, County shall, following verification of entitlement and quantum due, pay to SFS the full amount of such invoices; and

(e) Upon Completion, to the extent that \$55,000,000.00 exceeds the Total Cost of the Work in connection with the New Improvements (with the amount of such excess hereafter referred to as the "Excess New Improvement Budget Funds"), the Excess New Improvement Budget Funds shall be added or devoted to the Additional Improvement Fund (as such term is defined in Section 5(A)).

(f) County shall have the right to review, verify, and audit if necessary, all requests for disbursements of any New Improvements Budget Funds, including invoices from the Architect and Contractor. SFS shall reasonably ensure that all requests for disbursements are sufficiently documented and accompanied by supporting invoices and time records, and in the case of Architect and Contractor, that they (i) maintain an "open book" project accounting practice, (ii) make all files and accounting records available for review and auditing upon reasonable request, and (iii) allow for backcharging for any erroneous billing, as these requirements relate to the New Improvements Budget.

11. **DIGNITARY SEATING.**

Prior to December 1 of each year, the County and SFS will cooperate and develop a dignitary seating arrangement that is reasonably acceptable to all the parties.

12. **FLORIDA STATE LEAGUE TEAM; GULF COAST LEAGUE TEAM.**

The parties acknowledge that the Club currently owns the St. Lucie Mets Florida State League team. This Agreement shall apply to the use of the facilities by the St. Lucie Mets and related operations during the Florida State League regular season and any post-season playoffs. In the event the Club terminates its ownership of a Florida State League team during the term of this Agreement, and does not either transfer ownership thereof to SFS or acquire ownership of or enter into a player development contract with another minor league team that will be scheduled to play its home games in the Stadium during the following Florida State League season, SFS shall notify the County as soon as practicable in advance of the beginning of the following Florida State League team season. In that event, the County may permit another Florida State League team to play its home games at the Stadium without the consent of SFS, provided that such minor league team's operations do not conflict with SFS's exclusive use of the Sports Complex from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement or with SFS's use of the Sports Complex for GCL Mets operations (if any), as set forth in Section 15(A) below. The term "St. Lucie Mets" as used herein refers to the current or any future minor league baseball team owned or operated by or affiliated with SFS or the Club that plays its home games at the Sports Complex (excluding the GCL Mets, as defined below). The term "Florida State League" as used herein refers to the Florida State League, any successor league thereto, or any other minor league to which the St. Lucie Mets belongs.

The parties acknowledge that Club currently owns a Gulf Coast League team. All of the terms and conditions of this Agreement shall apply to the use of the facilities by that team during the Term, including without limitation for the Gulf Coast League regular season and any post-season playoffs. The term "GCL Mets" as used herein refers to any future minor league baseball team owned or operated by or affiliated with SFS or the Club that is a member of the Gulf Coast League and will play its home games at the Sports Complex, if SFS or the Club, as may be applicable, so decides in its sole discretion. The term "Gulf Coast League" as used herein refers to the Gulf Coast League or to any successor league thereto.

Other than as provided in the first paragraph of this Section 12 (and subject to SFS's right to assign this Agreement as set forth in Section 24), the County agrees that it will not permit any Florida State League baseball club other than the St. Lucie Mets, or any Gulf Coast League baseball club other than the GCL Mets, to use the Sports Complex during the Term of this Agreement.

13. **INDEMNITY AND INSURANCE.**

A. **SFS.**

To the extent allowed by law, SFS agrees to indemnify and hold County harmless from and all claims for personal injury, death, or property damage and any other losses, damages, charges or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of

the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except to the extent such losses may be caused by the negligence or willful misconduct of the County, its agents or employees or by any acts or omissions of the Program Manager, Architect, Contractor or any of their respective employees, agents or subcontractors. SFS further agrees to undertake at its own expense the defense of any action brought against the County (with counsel subject to County's approval in its reasonable discretion), claiming damages arising out of, in connection with, or by reason of SFS's use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of the County, its agents or employees, the County agrees to reimburse SFS for the actual expenses, including attorneys' fees, incurred by SFS in defending the County. County agrees to cooperate in any defense by the SFS. The provisions of this paragraph shall survive the termination of this Agreement.

SFS shall maintain or cause to be maintained Comprehensive General Liability Insurance, including Property Damage and Personal Injury coverages, insuring against liability for damages or losses arising solely from the acts or omissions of SFS under this Agreement. Such policy shall name St. Lucie County as an additional insured. Limits of liability coverage to be not less than:

Bodily Injury Liability	\$5,000,000 each occurrence
Property Damage Liability	\$1,000,000 each occurrence

or

Bodily Injury and Property Damage Liability	\$5,000,000 each occurrence, combined single limit
--	---

SFS shall maintain or cause to be maintained in effect Workers Compensation Insurance as required by Florida Statutes, covering all employees of SFS, including employer's liability insurance, with limits of not less than \$100,000 per accident.

SFS shall furnish County, not later than ten (10) business days after SFS's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above with an insurer reasonably acceptable to the County.

B. County.

To the extent allowed by law, the County agrees to indemnify and hold SFS and its members and affiliates harmless from any and all claims for personal injury, death, or property damage and any other losses, damages, charges, or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, including, without limitation, in connection with or related to

the New Improvements, the Additional Improvements, and any other construction conducted by the County (itself or through contractors), except to the extent such losses may be caused by the negligence or willful misconduct of SFS, its agents or employees or by any acts or omissions of the Architect, Contractor or any of their respective employees, agents or subcontractors. County further agrees to undertake at its own expense the defense of any action brought against SFS (with counsel subject to SFS's approval in its reasonable discretion) claiming damages arising out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of SFS, its agents or employees, SFS agrees to reimburse the County for the actual expenses, including reasonable attorneys' fees, incurred by the County in defending SFS. SFS agrees to cooperate in any defense by the County. The provisions of this paragraph shall survive the termination of this Agreement.

In addition, the County agrees to procure and pay for and at all times during the term of this Agreement maintain fire and extended and "special form" coverage (including without limitation insurance from and against all losses, damages, claims and liabilities related to or arising from acts of terrorism) on all property, both real and personal, with replacement cost coverage limits of not less than the replacement cost of the Sports Complex (including, without limitation, all New Improvements and Additional Improvements while being constructed and when completed) and also covering loss of income. The County is self-insured for general liability with statutory limits of \$200,000 per person/\$300,000 per incident pursuant to Section 768.28, Florida Statutes, and waives and has waived sovereign immunity to that extent. The insurance policies referenced above in this paragraph shall further name SFS and the Club as named insureds and shall provide a thirty (30) day notice of cancellation or non-renewal and a severability of interest endorsement.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

C. County warrants and represents that it is, and throughout the Term will remain, a member of and party to the Treasure Coast Risk Management Program ("TRICO," as set forth in the Revised TRICO Interlocal Agreement dated May 1, 1996) or such other pooled risk or self-insurance program acceptable to SFS in its reasonable discretion, and that SFS will be a beneficiary of all insurance and other protections available through the TRICO Risk Management Program (or such other accepted pooled risk or self-insurance program) including, without limitation, with respect to general liability, tort liability, loss or damage to property (e.g., the Sports Complex), and personal injury or death.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

D. County and SFS each do hereby and shall mutually release each other from liability and waive all rights of recovery against each other, for any loss or damage occasioned to County or SFS, as the case may be, from perils insured against, or required hereunder to be insured against, under their respective property insurance policies, whether due to negligence or any other cause. Any property insurance policy required herein covering loss, damage, or destruction by fire or other insured casualty, shall include a waiver of the insurer's rights of subrogation against the other party.

In the event a claim is filed against a party for operations that are covered by the provisions of this Agreement, the party agrees to notify the other party of the claim within ten (10) days after the party receives the claim.

14. **RESPONSIBILITIES OF PARTIES.**

The responsibilities of the parties shall be as follows:

A. **County.**

(1) County shall maintain proper HVAC systems and equipment in throughout the Sports Complex, and shall perform all maintenance thereof at County's sole cost and expense.

(2) County shall be responsible for providing and bearing the cost of an adequate number of qualified security personnel at the Sports Complex for Club major league spring training games and Florida State League games. The County shall be responsible for public order and safety in manner consistent with the County's practices under the Prior FUA, including the creation, establishment and implementation of security, safety and emergency plans and procedures and related contingency plans, all of which shall be in consultation with SFS and the Club. County shall be responsible for coordinating with all local, state and federal agencies to the extent appropriate, and for providing, at its expense, comprehensive training for all security personnel who work at the Sports Complex with respect to County's security, safety and emergency plans and procedures (which training shall occur at least once per year during the Term prior to the commencement of major league spring training, in consultation with SFS and the Club). County shall keep SFS and the Club fully informed with respect to its security, safety and emergency plans and procedures, and with respect to all training and coordination with local, state and federal agencies. County shall have the responsibility to eject persons from the Stadium or from the Sports Complex as necessary, including at the request of SFS; County shall consult with SFS before ejecting any persons from the Stadium during SFS Events except to the extent such consultation is impracticable in the event of an emergency.

(3) County shall be responsible for all utilities (excluding the Barwis facility and the Player Academy Spaces), including telephone (excluding long distance toll charges), heat, water and sewer, electricity, air conditioning, and appropriate night lighting.

(4) SFS and the County agree that the New Improvements shall, to the extent agreed upon by SFS and the County, maximize energy savings using "green" technology and equipment.

(5) In addition to the right to occupy the Sports Complex, SFS and its agents, employees, suppliers and other persons appropriate for SFS to enjoy the use of the Sports Complex premises as contemplated herein, shall have access, in common with others designated by the County, to such areas of the Sports Complex as necessary or appropriate to provide services or otherwise enjoy the use of the Sports Complex as contemplated herein, subject to customary and reasonable security precautions.

(6) If SFS contends that the County has failed to comply with a material obligation of the County pursuant to this Agreement with respect to the maintenance of the Sports Complex, and if as a result SFS contends that an Exigent Condition (as defined below) exists at the Sports Complex, then, in addition to any and all other remedies available to SFS, SFS shall be entitled to (a) take such measures as are strictly necessary to address the Exigent Condition, and (b) deduct the cost of such measures from the payments to be paid by SFS to the County pursuant to Section 6(A) of this Agreement, subject to the County's right to object to and contest such deduction by seeking judicial intervention, which right is expressly reserved. SFS shall not be entitled to deduct such cost unless, prior to addressing the Exigent Condition, (i) SFS provides written notice to the County identifying the Exigent Condition, the measures which SFS intends to take to address it, and the cost thereof, and (ii) the County fails to remedy the Exigent Condition within a reasonable period of time following the delivery of such notice. "Exigent Condition" shall mean (x) any condition of any playing field that creates a potential substantial risk to participants in games and/or practices on the field, (y) any condition elsewhere within the Complex that creates a potential substantial health or safety risk to SFS's invitees at the Sports Complex, or (z) any condition that, if not promptly remedied, would result in the loss of substantial revenues generated at the Sports Complex.

B. SFS.

(1) SFS shall not in any manner, directly or indirectly, violate any laws, ordinances, rules or regulations of any federal, state, county, city or other governmental authority or agency in connection with the use and occupancy of the Sports Complex under the terms of this Agreement.

(2) SFS shall use and occupy the Sports Complex in a reasonably safe and careful manner and exercise reasonable care not to in any way mar, deface, or injure any part of the premises, ordinary wear and tear excepted. At the conclusion of this Agreement, SFS shall surrender the premises to the County in as good condition and repair as at the beginning of SFS's occupancy, except as to ordinary wear and tear and except as to damage by fire, other casualty, or the elements.

(3) Except with respect to the Telecommunication Equipment described below in Section 14(B)(5) and any property of SFS and as otherwise contemplated by this Agreement, SFS shall not make any material permanent or structural changes, improvements or alterations to the Sports Complex except as provided for in this Agreement without the written consent of County which shall not be unreasonably withheld, conditioned or delayed.

(4) At its expense, SFS is responsible for providing a sufficient number of ticket sellers and ushers during SFS Events.

(5) SFS shall be responsible for the installation and maintenance of any radio and television facilities and telephone systems that it deems necessary for its operations ("Telecommunication Equipment"). Prior to the installation of any such equipment, SFS shall submit plans for such installation to the County for approval, which approval may not be unreasonably withheld. Upon termination of this Agreement, SFS agrees to remove the Telecommunication Equipment and restore the premises to their prior condition. SFS may pass these costs on to parties other than County. The County has paid for the necessary utility lines to the areas designated for radio and TV facilities in the site plan and has had the lines stubbed at the required points. If further improvements are needed, those improvements shall be included in the New Improvements.

15. OTHER USE OF PREMISES.

A. SFS shall have sole and exclusive use of the Sports Complex, including the Stadium, from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement (including any options). As long as SFS or its affiliates (including specifically the Club) own or operate or have a player development contract with a Florida State League team or other St. Lucie-based minor league team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Florida State League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. If SFS or its affiliates (including specifically the Club) continue to have or acquire ownership of or the right to operate or have a player development contract with a Gulf Coast League team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Gulf Coast League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. SFS shall have the exclusive use and control of those portions of the Sports Complex used for SFS Events, including without limitation the exclusive right to determine and implement the rules and policies that relate to the admission of patrons to those portions of the Sports Complex used for SFS Events.

B. Subject to the SFS's uses of the Sports Complex as set forth in Section 15(A) above, each year during the Term SFS shall provide the County with a preliminary schedule of its events on or about December 1, and thereafter a definitive schedule of SFS Events and County Events to be held at the Sports Complex (hereinafter, the "Event Schedule") shall be prepared as follows:

(i) First, all dates in the months of February through the beginning of the Florida State League (or other minor league to which a St. Lucie-based baseball team owned by or affiliated with Club belongs) season in April shall be reserved on the Event Schedule exclusively for New York Mets spring training and exhibition season activities;

(ii) Second, all dates for Florida State League home games, workouts and practices, all possible dates for Florida State League post-season or playoff games or other Florida State League events (including without limitation All-Star games and pre-season games), and all dates for New York Mets minor league spring training activities and instructional league play shall be added to the Event Schedule;

(iii) Third, all dates for GCL Mets home games, workouts and practices, and all possible dates for GCL post-season or playoff games or other Gulf Coast League events (including without limitation All-Star games and pre-season games);

(iv) Fourth, all dates for Mets Fantasy Camp games, workouts and practices;

(v) Fifth, after SFS informs County of the dates contemplated in subparagraphs (i), (ii), (iii) and (iv) above, SFS and County shall each be entitled to reserve the use of the Sports Complex on other dates during the year for other SFS Events and County Events, respectively, by providing a "New Event Notice" as described below, with the first to obtain approval of a New Event Notice according to the procedures set forth below in this Section 15 for each such other proposed Event obtaining the right to use the Sports Complex for such Event.

C. Whenever a party desires to add an Event to the Event Schedule pursuant to Section 15(B)(iii), it shall give written notice ("New Event Notice") to the other party of its request to do so as soon as reasonably possible, but in no event later than ten (10) days prior to the date of the proposed Event. Each New Event Notice shall include a description of the proposed Event, including the nature, starting time and estimated duration thereof; the expected attendance thereat; the identity and experience of the promoters and organizers of the proposed Event, and their principals; a description of the financial assurances (e.g., bonds, security deposit) to be provided by the Event promoters or organizers; a description of any special safety, security, cleaning, maintenance, restoration or other services that will be obtained in connection with the proposed Event; and the approximate preparation and clean-up periods for the proposed Event.

The party receiving a New Event Notice shall notify the other party as soon as reasonably possible but in no event more than five days after its receipt of such New Event Notice, whether the receiving party objects to the proposed Event. If no written notice of objection is given within such five-day period, the Event shall be deemed approved. If notice of objection is given within such five-day period, the parties shall cooperate to determine what, if any, modifications to the proposed Event, or further assurances or services in connection therewith or therefore, would cause the objecting party to consent to the proposed Event. When any proposed new Event is approved by the other party (including by a failure to object), the Event shall be added to the Event Schedule.

In the event of any unresolved dispute regarding whether an Event that is the subject of a New Event Notice and an objection should be put on the Event Schedule, SFS and County will submit the dispute to non-binding mediation, and if the parties are unable to resolve the dispute through non-binding mediation, then the dispute shall promptly be resolved pursuant to Section 39 of this Agreement on an expedited basis at the request of either party.

A proposed Event may not be added to the Event Schedule unless the scheduling thereof would be in compliance with each of the following criteria: (i) No more than one Event may be held at the Sports Complex per day without each party's consent, which either party may withhold in its sole and absolute discretion; (ii) Events shall be scheduled so as to allow reasonably sufficient preparation, clean-up and restoration periods between each Event, which shall be subject to the Maintenance Standard; (iii) No County Event may be scheduled to take place between January 16 and January 31 of each year during the term without SFS's consent, which consent may be withheld in its sole and absolute discretion; and (iv) the Event must be a specific planned Event (i.e., neither party may reserve a date on the Event Schedule on the basis that it intends to hold on such date a certain type of Event, as opposed to a specific Event).

In determining whether a party's objection to an Event proposed by the other party is reasonable, consideration shall be given to, among other things, whether the promoted or organizer of the Event: (i) is reasonably capable of producing the Event; (ii) will be providing reasonably adequate financial assurances (e.g., bonds, security deposit) to protect SFS's and County's respective rights hereunder; and (iii) will be providing reasonably adequate safety, security, cleaning, maintenance and restoration services for the Event.

D. Nothing in this Agreement shall prevent the County from using the portions of the property described in Exhibit "B" that are not used for baseball facilities or in connection with SFS's use of such facilities, provided that such uses do not interfere with SFS's use of the Sports Complex or otherwise conflict with SFS's rights under this Agreement (including, without limitation, SFS's exclusive right to operate concessions at the Sports Complex during the Term). The County agrees that during the term of this Agreement, the County shall use or authorize others to use the remaining property described above only for community events, sports and recreational purposes. The County shall be responsible to repair or replace any portion of the facilities which are altered, damaged or otherwise affected by any non-SFS use.

E. Notwithstanding any other provision of this Agreement (except Section 12, solely with respect to Florida State League play) the County agrees that it will not permit any other Major or Minor League baseball club to use the Sports Complex during the term of this Agreement or any extension thereof without SFS's approval in advance in writing in its absolute discretion.

F. Any of the property described in Exhibit "B" that is not being used by the County or SFS may be used by the parties as additional unpaved parking provided that such use does not interfere with SFS's permitted use of the Sports Complex.

G. In the event of a declared federal, state or local emergency, the County may use the Sports Complex as a staging area for disaster preparations, response or other related uses ("Staging Uses"), provided that (i) the County will reimburse SFS for all costs incurred and revenue lost by SFS as a result of the Staging Uses and (ii) the County will use best efforts to minimize interference with SFS's operations at the Sports Complex and will immediately restore any resulting damage to the Stadium caused as a result of the Staging Uses. The parties further agree to cooperate in obtaining any federal or state funds that may be available for this purpose.

16. **PUBLICITY AND PROMOTION.**

A. The County will promote the New York Mets and the Club's St. Lucie-based minor league team(s), as well as the sale of home game tickets for such teams. County shall submit all promotional material to SFS for approval, which approval shall not be unreasonably withheld.

B. **SFS Obligations.**

As additional consideration for the use of the Sports Complex SFS shall provide, or shall cause the Club to provide the County with the advertising services set forth in Exhibit "M" attached hereto during each year of the Term.

17. **ADDITIONAL COVENANTS OF SFS AND COUNTY.**

A. SFS shall use and occupy the premises solely for the purposes specified in this Agreement.

B. SFS shall pay all taxes or assessments on its operation as well as on goods, merchandise, fixtures, appliances, equipment and property owned by it and located in or about the Sports Complex. SFS shall have no obligation to pay any real estate or property taxes under any circumstance.

C. To the extent that SFS desires to acquire and construct facilities at the Sports Complex which are eligible under applicable state and federal laws to be financed through the issuance by the County, solely as a conduit issuer, of either taxable or tax-exempt revenue bonds, which bonds shall not be or constitute a debt or obligation of the County, the County will cooperate with SFS to the end that the County may be a conduit issuer of such bonds and, to the extent applicable, will give SFS priority for private activity volume cap; provided, that all reasonable costs and expenses incurred by the County in connection with the consideration and consummation of such financing, which shall be disclosed in advance and in writing by the County and subject to the approval of SFS, will be borne solely by SFS.

18. **DEFAULT; TERMINATION.**

A. If the property covered herein shall be deserted or vacated for an entire spring training season, unless such absence is due to a labor dispute or other causes beyond SFS's control,

or proceedings are commenced against SFS in any Court under a bankruptcy act or for the appointment of a trustee or receiver of SFS's property either before or after the commencement of the Term, or if there shall be a default in the payment of any monies due hereunder for more than twenty (20) days after written notice of such default to SFS, or if there shall be default in the performance of any other material covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of SFS for more than twenty (20) days after written notice of such default by the County (or if such default is incapable of being cured within twenty (20) days, within such longer period of time as shall be reasonably required for such cure, unless SFS has taken no substantial steps to effect such cure within such period), then at the sole option of the County, this Agreement may be terminated by the County. In addition, the County may terminate this Agreement if (i) the New York Mets shall cease to be a franchise in a major league baseball league, (ii) during any spring training during the Term, Club schedules a majority of New York Mets spring training home games at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder, or (iii) during any Florida State League season, Club schedules a majority of the home games of the Club's Florida State League team at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder. In the event the County terminates this Agreement for the reasons set forth above in this paragraph, the County shall have the right to re-enter or repossess the property during the period of SFS's right to use thereof, either by summary proceedings, surrender or otherwise other than force, and dispossess and remove therefrom SFS, or other occupants thereof, without being liable for any prosecution therefore. Should the County reasonably incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court costs (at the lower court and appellate levels), and County prevails in such legal action, said expenses shall be reimbursed to the County by SFS.

B. SFS shall have the right, at any time and at its sole option, to terminate this Agreement and all of its obligations hereunder upon written notice to County (the "Termination Notice") provided by SFS on or before March 31 of any year during the Term, which notice shall terminate the Agreement effective as of December 31 of that calendar year. In the event of termination pursuant to this provision, as the County's sole remedy against any person relating to such termination of this Agreement County will accept (i) a series of payments for outstanding amounts remaining on Refunding Bonds as set forth in Section 37, and (ii) a series of semi-annual payments tied to the County's schedule of debt service payments in connection with the New Improvement Bonds, which New Debt Service Schedule shall be incorporated into this Agreement as Exhibit "I" hereto upon issuance of the New Improvement Bonds (which includes State Development Funds (as defined below) that will be used by the County to pay the debt service on the New Improvement Bonds). Such payments in connection with the New Improvement Bonds, referred to herein as the "Debt Service Payments," shall be made by SFS to the County on each "Period Ending" date referenced in the first column of Exhibit "I" hereto that follows the effective date of the termination of this Agreement. The amount of the Debt Service Payment due on each such post-termination "Period Ending" date shall be an amount equal to the "Total Debt Service Payment" in the last column of Exhibit "I" hereto corresponding to the "Period Ending" date in question, provided, that in the event it is determined by the County's bond counsel that the

acceptance of such payments by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds that are issued on a tax-exempt basis, SFS shall either (i) pay to the County the amount necessary to offset the change in tax status to the holders of the tax-exempt New Improvement Bonds, which may be retroactive to the date of issuance of the New Improvement Bonds, or (ii) provide funding to the County sufficient to prepay in full said tax-exempt New Improvement Bonds at the earliest permitted call date, plus all interest and principal due and owing through that date of redemption. Upon request, the County will inform SFS whether its bond counsel believes that acceptance of the payments set forth in this section by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds.

The parties agree that these respective amounts constitute reasonable and just compensation for such termination by SFS, and SFS hereby promises to pay to County, and the County hereby agrees to accept, the appropriate payment amount described above as liquidated damages, and not as a penalty, and as its sole and exclusive remedy related to the termination of this Agreement by SFS, and County waives all other rights and remedies in connection therewith.

If the property covered herein shall be deserted or vacated by the County either before or after the commencement of the term of this Agreement, or if there shall be a default in the payment of any monies due hereunder by the County for more than twenty (20) days after written notice of such default to the County, or if there shall be a material default in the performance of any other covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of the County for more than twenty (20) days after written notice of such default by SFS, then at the sole option of SFS, this Agreement may be terminated by SFS. Should SFS incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court cost (at the lower and appellate levels), and SFS prevails in such legal action said expenses shall be borne by the County.

In the event SFS terminates this Agreement, SFS shall immediately vacate the Sports Complex, but reserves the right to seek damages and any or all other remedies caused by any default or breach of this Agreement by County.

19. **DAMAGE OR DESTRUCTION.**

In the event of the damage or destruction of the property described in Exhibit "B" or any of the structures (including the Stadium) or improvements located thereon by fire or other casualty, there shall be an obligation on the part of the County to use the insurance proceeds for the purpose of rebuilding such facilities. The County shall be responsible for providing the funds necessary to rebuild the facilities in the event the proceeds from the insurance referenced in Section 13(B) above are not sufficient to cover the cost of such rebuilding.

County shall complete the reconstruction and repair of the Sports Complex following any such damage or destruction, as soon as reasonably possible, and in any event within two hundred seventy (270) days following the occasion of such damage or destruction. Within thirty (30) days following the occasion of such damage or destruction, County shall provide SFS with County's

architect's and/or engineer's reasonable estimate of the time required for the reconstruction and/or repair of same. In the event that the estimate shall reflect that more than two hundred seventy days shall be required for the repair and/or reconstruction, SFS shall have the right to terminate this Agreement by written notice to County, within thirty (30) days thereafter. Further, if in fact the reconstruction and repair shall not be completed within two hundred seventy (270) days (or such longer time to which SFS may agree), SFS shall have the right to terminate this Agreement by written notice to County within thirty (30) days following the end of such two hundred seventy day (or longer, as the case may be) period.

During the repair and/or reconstruction of the damage or destruction to the Sports Complex, until same shall be completed, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such damage or destruction shall interfere with the use by SFS of the Sports Complex as contemplated hereunder.

20. **EMINENT DOMAIN.**

In the event that any portion of the premises should be taken by the exercise of the right of eminent domain so as to materially affect SFS's operations, SFS may terminate this Agreement as of the date of taking. In the event that SFS does not terminate this Agreement as a result of any taking, following any such taking SFS's obligations and liabilities hereunder shall be proportionately adjusted, on an equitable basis, to the extent that such taking shall damage or otherwise materially adversely affect the use by SFS of the Sports Complex as contemplated herein. All proceeds for such taking shall be paid to the County or SFS as their interests may appear, provided that the foregoing shall not preclude SFS from pursuing a separate award for damages to SFS's furnishings, fixtures and equipment, moving expenses and any other losses relating to SFS's business permitted by law to be recovered, including, without limitation, the loss of SFS's leasehold.

21. **FAMILIARITY WITH BONDS.**

Anything else in this Agreement to the contrary notwithstanding, SFS acknowledges that County is or will be bound to the holders of certain [Bonds] which relate to the Sports Complex. SFS agrees to cooperate reasonably with the County to maintain the tax-exempt status of the bonds, provided, however, that such cooperation shall not entail material modification of the terms and conditions of this Agreement nor cause SFS or any affiliate to incur any cost or expense in connection therewith.

22. **NON-DISCRIMINATION.**

SFS, as a part of the consideration hereof, does hereby covenant and agree that no person on the grounds of race, color, national origin or sex shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination in the use of the facilities excluding uniformed baseball personnel. The terms of this Section shall be binding upon SFS's successors in interest and assigns.

23. **CONFLICT OF INTEREST.**

The County hereby represents and warrants that neither it nor any of its directors, officers, members, partners, officials, representatives, or employees has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance of rendering of the services herein provided. The County further represents and warrants that in the performance of this Agreement no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the County of St. Lucie nor any person whose salary is payable, in whole or part, from the County Treasury, shall participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporations, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this Agreement or in the proceeds thereof.

24. **ASSIGNMENT; SUBLEASES AND LICENSES.**

SFS may assign any or all of its rights and obligations pursuant to this Agreement to any entity that owns and operates the New York Mets franchise, and may assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate (or, if applicable, the Gulf Coast League affiliate) of the New York Mets. Should Club sell its major league baseball franchise during the term of this Agreement, SFS shall make a good faith effort to assign its rights and delegate its duties under this Agreement to the entity that acquires such franchise. Subject to the approval of the County, which approval may not be unreasonably withheld, conditioned or delayed, SFS may assign all of its rights and obligations pursuant to this Agreement to an owner or operator of another Major League Baseball club. Upon SFS's assignment of this Agreement and all of its rights and obligations hereunder, all of SFS's duties and obligations under this Agreement shall terminate and cease to be of any further force or effect as of the effective date of the assignment and the County shall look solely to the assignee for performance of the duties and obligations under this Agreement thereafter. Except as expressly set forth above in this Section, no party may assign its rights or obligations under this Agreement without the written consent of the other party. Notwithstanding the foregoing, SFS shall have the right to enter into subleases and/or licenses with third parties with respect to any of its rights and obligations hereunder with the consent of the County, which consent shall not be unreasonably withheld, except SFS may not, without County's prior consent, sublease or license the use of any portion of the Sports Complex to any Major League Baseball team other than the Club or to any other entity if such sublease or license would cause cost or expense to the County beyond those that County would otherwise incur from SFS's Permitted Uses under this Agreement, provided that the County shall not withhold such consent if SFS and/or the proposed sublessee agrees to pay any such additional costs and expenses.

25. **ENTIRE AGREEMENT.**

This Agreement represents the entire understanding and agreement between the parties with respect to the subject matter hereof, and supersedes all other written or oral negotiations, understandings and representations (if any) made by and between such parties.

26. **AMENDMENTS.**

The provisions of this Agreement may not be amended, supplemented, waived or changed orally, but only in a writing signed by the parties hereto and making specific reference to this Agreement. In addition, this Agreement may not be amended without MLB Approval (as that term is defined in Section 40 of this Agreement).

27. **FURTHER ASSURANCES.**

The parties hereby agree from time to time to reasonably execute and deliver such further and other transfers, assignment and documents and reasonably do all matters and things which may be convenient or necessary to more effectively and completely carry out the terms of this Agreement.

28. **BINDING EFFECT.**

All of the terms and provisions of this Agreement, whether so expressed or not, shall be binding upon, inure to the benefit of, and be enforceable by the parties and their respective legal representatives, successors and permitted assigns.

29. **NOTICES.**

All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing (including facsimile communication but excluding e-mail) and shall be (as elected by the person giving such notice) hand delivered by messenger or courier service (with acknowledgment of receipt), telecommunicated (including by fax), or mailed by registered or certified mail (postage prepaid), return receipt requested, addressed to:

30. **HEADINGS.**

The headings contained in this Agreement are for convenience of reference only, and shall not limit or otherwise affect in any way the meaning or interpretation of this Agreement.

31. **PRONOUNS.**

In this Agreement, the use of any gender shall be deemed to include both genders, and the use of the singular shall include the plural, wherever it appears appropriate from the context.

32. **SURVIVAL.**

No covenants, agreements, representations and warranties made herein or otherwise made in writing by any party pursuant hereto shall survive the termination of this Agreement except as expressly stated herein. In addition to the survival of specific Sections of this Agreement as expressly stated in such Sections, the terms of Sections 9(C), 13, 29 and 36 of this Agreement shall survive the termination of this Agreement.

33. **WAIVERS.**

The failure or delay of any party prior to a period which would constitute laches at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder, and any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any known right, power or remedy under this Agreement. No notice to or demand on any party in any case shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

34. **FORCE MAJEURE.**

Neither party shall be liable to the other for failure to perform its obligations hereunder if and to the extent that such failure to perform results from causes beyond its reasonable control ("Force Majeure Events") including, without limitation, strikes, lockouts, or other industrial disturbances (but excluding Major League Baseball strikes and lockouts); fires; unusual climatic conditions such as hurricanes, floods, tornados and the like; acts of God; or acts of a public enemy, war, police action, terrorism and the like. The party unable to perform as a result of a Force Majeure Event shall promptly notify the other of the beginning and ending of each such period. During the period of any Force Majeure Event, until same shall be concluded, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such Force Majeure Event shall interfere with the use by SFS of the Sports Complex as contemplated hereunder. If any period of a Force Majeure Event prevents SFS from using the Sports Complex in the manner contemplated herein for all or a substantial part of any Major League Baseball Spring Training season or Florida State League season (or, if applicable, a Gulf Coast League season) and SFS does not receive satisfactory assurances from the County that a Force Majeure Event will not prevent SFS's use of the Sports Complex as contemplated in this Agreement for a substantial part of the following Major League Baseball Spring Training season, SFS shall have the right to terminate this Agreement upon sixty (60) days written notice to the County.

35. **GOVERNING LAW.**

This Agreement and all transactions contemplated by this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida, applicable to agreements wholly negotiated, executed and to be performed in that state, without regard to principles of conflicts or choice of laws.

36. **SECTION 288.11631, FLORIDA STATUTES.**

A. Section 288.11631, Florida Statutes is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State") that are funded with State incentive funding. SFS and the County acknowledge that the amount of State incentive funding provided by the State for the Sports Complex is based on the continual use of the Sports Complex by a spring training baseball franchise for the entire length of the Term.

B. The County will submit an application to the Florida Department of Economic Opportunity for Twenty million dollars (\$20,000,000.00) in funding assistance for the New Improvements that are described in the Facilities Use Agreement. In connection with this application and as a condition of any award of funding under Section 288.11631, Florida Statutes, SFS must agree to reimburse the State of Florida for the funds expended by the County for the New improvements that the County received from the State of Florida if the Club relocates before the term of the Facilities Use Agreement expires.

C. SFS covenants and agrees with the County that if the County terminates this Agreement pursuant to its rights under Section 18(A), or if SFS terminates this Agreement pursuant to its rights under Section 18(B) for any reason other than a breach of this Agreement by the County, then SFS shall reimburse the State for the total amount of distributions actually paid from the date of such termination through the final maturity of the New Improvement Bonds (the "State Development Funds"). Repayment to the State shall not discharge SFS from any other obligations set forth in this Facilities Use Agreement.

D. The Parties agree that if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County, SFS will promptly notify the applicable agency of the State of Florida that has been charged with administrative oversight and enforcement of the State Development Funds (the "Agency") of the circumstances for such termination, and SFS will not have any obligation to repay either the County or the State for any State Development Funds in connection with such SFS termination. The County shall hold SFS harmless from any assertion or claim by the State that the State Development Funds shall be repayable to the State by SFS if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County.

E. The State of Florida is a third party beneficiary of this Facilities Use Agreement as to the obligations imposed by Section 36. The State shall have: 1) Standing to seek and complete performance of the obligations in this Section in law or equity and 2) Standing to initiate and/or defend an action at law or equity relating to obligations.

37. **2011 BONDS.**

The County will refund the existing 2011 Improvement Bonds (as defined in Section 5(K) of the Prior FUA) on or around November 1, 2016 (the "Refunding Bonds"). The new Refunding Bonds shall have the same remaining term as the 2011 Improvement Bonds. In addition to the Base Rent payments and Additional Rent payments made by SFS pursuant to Section 6(A), SFS will make additional payments to the County, such payments being equal to the amounts set forth in the last (Total Debt Service Payment) column of Exhibit "J" on the dates indicated in the first (Period Ending) column of Exhibit "J" that follow commencement of the Term of this Agreement, or in the alternative, if SFS elects, such payments being equal to the amounts and on the dates set forth in the debt services schedule for the Refunding Bonds.

38. **AGREEMENT RUNS WITH LAND.**

This Agreement is intended to run with the land and shall be binding upon all of the County's successors and assigns. SFS and County shall enter into a short form Memorandum of this Agreement which shall be recorded in the Public Records of St. Lucie County, Florida. This Agreement is not revocable by County and is not terminable by County except as expressly set forth herein.

39. **DISPUTE RESOLUTION.**

All disputes arising from or related to this Agreement whether the action is brought in contract, tort, statutory claim or any other theory of liability, shall be subject to litigation as the final mode of dispute resolution. Exclusive venue for litigation of any disputes rests exclusively in the Circuit Court for St. Lucie County, Florida. As an express condition precedent to litigation all litigation shall be subject to non-binding mediation to be conducted within ninety (90) days of the dispute arising. The parties shall mutually select a qualified mediator, and failing accord, a mediator shall be appointed by the American Arbitration Association and mediation shall be conducted in accordance with its rules, costs and fees to be split equally by the parties.

40. **SUBSERVIENCE.**

A. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by SFS hereunder shall in all respects be subordinate to the MLB Rules and Regulations and the Minor League Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations or the Minor League Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which County is granted rights is limited to, and nothing herein shall be construed as conferring on County rights in areas outside of, the Spring Training territory of the New York Mets as established and amended from time to time. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.

B. The following defined terms apply to this Section 40:

EXECUTIVE DIRECTOR

March 17, 2017

Mr. Leon M. Biegalski
Executive Director
Florida Department of Revenue
P.O. Box 6668
Tallahassee, FL 32314-6668

Dear Mr. Biegalski:

Re: Decertification of St. Lucie County

On December 31, 2006, St. Lucie County (County) was certified by the Governor's Office of Tourism, Trade, and Economic Development to receive \$7,914,766 over a 30 year period for under s. 288.1162, F.S. The first monthly payment (\$21,985.46) was issued by the Florida Department of Revenue (DOR) in March 2007.

In early 2016, the County approached the Florida Department of Economic Opportunity (DEO) in regards to seeking certification and funding for stadium renovations under s. 288.11631, F.S. Based on further communication with DEO and the Florida Sports Foundation, the County submitted an application for certification under s. 288.11631, F.S. in the fall of 2016. Pursuant to s. 288.11625(4)(e)3.(g), F.S., "A facility or beneficiary may not be the subject of more than one distribution under s. 212.20 at any time for any state-administered sports-related program, including s. 288.1162, s. 288.11621, s. 288.11631 or this section."

Therefore, the County has signed the attached agreement, prior to certification, stating that the distributions under s. 288.1162, F.S., will end and the County has satisfied all outstanding bonds associated with the project for which the County received its certification under s. 288.1162, F.S. As such, DEO is requesting that DOR immediately cease distributions to St. Lucie County under the original certification.

Dear Mr. Biegalski:

Re: Decertification of St. Lucie County

On December 31, 2006, St. Lucie County (County) was certified by the Governor's Office of Tourism, Trade, and Economic Development to receive \$7,914,766 over a 30 year period for under s. 288.1162, F.S. The first monthly payment (\$21,985.46) was issued by the Florida Department of Revenue (DOR) in March 2007.

In early 2016, the County approached the Florida Department of Economic Opportunity (DEO) in regards to seeking certification and funding for stadium renovations under s. 288.11631, F.S. Based on further communication with DEO and the Florida Sports Foundation, the County submitted an application for certification under s. 288.11631, F.S. in the fall of 2016. Pursuant to s. 288.11625(4)(e)3.(g), F.S., "A facility or beneficiary may not be the subject of more than one distribution under s. 212.20 at any time for any state-administered sports-related program, including s. 288.1162, s. 288.11621, s. 288.11631 or this section."

Therefore, the County has signed the attached agreement, prior to certification, stating that the distributions under s. 288.1162, F.S., will end and the County has satisfied all outstanding bonds associated with the project for which the County received its certification under s. 288.1162, F.S. As such, DEO is requesting that DOR immediately cease distributions to St. Lucie County under the original certification.

AGREEMENT

This Agreement ("Agreement") is made and entered into this 14 day of March, 2017, by and between the State of Florida Department of Economic Opportunity ("DEO") and St. Lucie County, a political subdivision of the State of Florida ("County"). DEO and County are collectively referred to herein as the "Parties."

WHEREAS, County has applied for certification under s. 288.11631, F.S., and

WHEREAS, County, and/or a spring training facility within County, was previously certified to receive \$7,914,766 under sections 212.20 and 288.1162, F.S., and has been receiving funding thereunder since March 2007, and

WHEREAS, County is not permitted to receive distributions under s. 288.11631, F.S., while it is receiving state distributions pursuant to s. 288.1162, F.S., and

WHEREAS, County has therefore agreed to relinquish its certification and prospective distributions under s. 288.1162, F.S., in order to be considered for certification under s. 288.11631, F.S.

NOW THEREFORE, in order for DEO to consider County for certification under s. 288.11631, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Parties agree as follows:

1. This Agreement shall become effective if and only if DEO certifies County to receive distributions pursuant to s. 288.11631, F.S., and shall become effective concurrently with DEO's issuance of a letter certifying County to receive such distributions ("effective date").
2. County hereby relinquishes its certification under s. 288.1162, F.S., and County is therefore decertified as a participant under that section.
3. County hereby relinquishes any distributions that County would be entitled to as a result of its certification under s. 288.1162, F.S. The Parties agree that County shall receive no further distributions pursuant to s. 288.1162, F.S.
4. County has assured that all bonds issued in connection with the project for which County's spring training facility received a certification for pursuant to s. 288.1162, F.S., have been satisfied.
5. County agrees that it is estopped and precluded from challenging its decertification from s. 288.1162, F.S., or the cessation of distributions under that section and s. 212.20, F.S.
6. Each of the Parties has read and understands the terms of this Agreement, that it has been represented by counsel in the negotiation, execution, and delivery of this Agreement, and that it executes this Agreement voluntarily after consultation with counsel. Each of the Parties participated in the drafting of this Agreement. In the event of any ambiguity, the Parties agree that it shall not be construed against either of them.
7. This Agreement is a fully integrated agreement which sets forth the entire agreement and understanding of the Parties concerning the subject matter of this Agreement. This Agreement shall be binding upon the successors and assigns of the Parties and may not be waived, rescinded, cancelled, terminated, supplemented, amended, or modified in any manner without the prior written consent of both Parties.
8. The laws of the State of Florida shall govern the construction, enforcement and interpretation of this Agreement. The Parties agree that the exclusive personal jurisdiction and venue to resolve any and all disputes between them including, without limitation, any disputes arising out of or relating to this Agreement shall be in the state courts of the State of Florida in the County of Leon. The Parties expressly consent to the exclusive personal jurisdiction and venue in any state court

located in Leon County, Florida, and waive any defense of forum non conveniens, lack of personal jurisdiction, or like defense, and further agree that any and all disputes between them shall be solely in the State of Florida. IN ANY LEGAL OR EQUITABLE ACTION BETWEEN THE PARTIES ARISING FROM THIS AGREEMENT, THE PARTIES HEREBY EXPRESSLY WAIVE TRIAL BY JURY TO THE FULLEST EXTENT PERMITTED BY LAW.

9. This Agreement may be executed in counterparts, each of which shall be deemed an original instrument, but all of which together shall constitute one and the same instrument.

The undersigned Parties hereby acknowledge and agree to the terms and conditions of the foregoing Agreement on the date last executed below.

AGENDA REQUEST

*REGULAR AGENDA\COUNTY ATTORNEY

TO: Board of County Commissioners

PRESENTED BY: Daniel S. McIntyre, County Attorney

SUBMITTED BY: County Attorney

SUBJECT: First Amendment to Amended and Restated Facilities Use Agreement between the SFS (N.Y. Mets) and St. Lucie County; Stadium Renovation Plans by Ewing Cole (Architecture)

BACKGROUND:

The County entered into an agreement with the New York Mets in June, 1986 to train and play major league spring training games in St. Lucie County. The first spring training game was played in March, 1988. The term of its original agreement was 15 years. In 2003 the parties entered into a new agreement that extended the term through 2018. In 2011 the term was extended further through 2023.

On November 15, 2016 the Board approved a new Facilities Use Agreement with the Mets that extended the term through 2042, which also included terms for the renovation and improvement of the Tradition Field Sports Complex. The Board's approval of the Agreement was subject to the approval by the State of Florida of funding for the stadium renovations in the amount of \$20,000,000.00 over a period of 20 years. Shortly after the Board's approval of the Agreement, County staff submitted an application to the State of Florida Department of Economic Opportunity (DEO).

On December 20, 2016, DEO sent the County Administrator a letter with enclosures (copy attached) requesting certain information and requesting that the County adopt and sign an Addendum similar to the Addendum approved by the Tampa Sports Authority, Hillsborough County and the New York Yankees which was attached to the December 20 letter. On January 10, 2017 the Board approved a draft Addendum to the November 15, 2016 Facilities Use Agreement which is similar to the New York Yankees Addendum.

On January 24, 2017, the Board approved an Amended and Restated Facilities Use Agreement with SFS. This Agreement incorporated changes requested by DEO and Major League Baseball as well as changes negotiated with SFS. Shortly thereafter, on March 17, 2017 the DEO certified the Sports Complex Project. The parties subsequently executed a Spring Training Program Agreement on March 28, 2017.

On June 29, 2017, the County issued non-ad valorem bonds to establish the \$55,000,000.00 project fund. At that time, the project funds were deposited into an interest bearing account. A separate fund has

been established to account for the project funds and the interest earned on the project funds. As of July 6, 2018, \$3,974,490.26 has been spent on pre-construction costs and \$732,523.36 in interest has been earned leaving a balance of \$51,758,033.10.

On September 5, 2017, following a competitive procurement process, the Board approved SFS' agreement with Ewing Cole, Inc. to provide architectural services for the Project. On January 9, 2018, the Board approved a contract amendment with Ewing Cole, Inc. The Board also approved an award of the Construction Manager at Risk Services to Barton Malow Company on November 7, 2017.

Subsequent Events:

Subsequent to the approval of their contract, Ewing Cole prepared conceptual and design plans for the Project. Unfortunately, the independent cost estimates (by Barton Malow and HPM) for the design prepared by Ewing Cole exceed the amount budgeted for the Project. The County was first made aware of the problem in March of this year.

During the past several months, the County and SFS have been working in good faith to resolve the issues so that the Project can proceed within the established budget. Those discussions have resulted in the attached First Amendment to the Amended and Restated Facilities Use Agreement. A summary of the draft First Amendment follows:

- The following improvements will be included in the Project and cannot be dropped from the Program without the County's consent:
 - a. 360' Concourse (reduced per party discussions)
 - b. New 2 stop elevator
 - c. New entry and Vomitory
- The County will use up to \$1.2M from bond interest to pay for additional work designated by the County, as follows: safety railings for aisles, existing elevator renovation, upgrade staff maintenance building and finish county office space and new seating, including any related drawings, CM fees or other fees associated with those items, and other items identified in the CIP. The County will control the budget or pay any overage in its discretion. SFS will direct Barton Malow to perform this work. To the extent the County intends to do work on its own (as opposed to adding work to the project) the work will be performed in accordance with a mutually agreed upon schedule to ensure that all work being conducted at the building can be done in the most efficient manner.
- The County will use up to \$1M in bond interest for the relocation/construction of the softball fields. To the extent there is less than \$1M of interest, the County may reduce its Year 5 improvement fund payment to SFS to make up the difference. The County will begin repayment of the amount taken from the SFS additional improvement fund on March 1 of Year 6 with annual payments of \$100,000.00 into the fund each March 1 until the full amount taken is replaced. By way of example, if only \$800,000.00 of interest remains for the softball fields, the County will reduce its Year 5 additional improvement fund payment to SFS by \$200,000.00 and would pay such amount back to the SFS fund with additional \$100,000.00 fund payments on March 1 in each

of Years 6 and 7. All bond interest funds in excess of the amount used by the County as set forth in #2 and #3 (i.e., up to \$2.2M) shall be added to the project budget.

County staff is proposing to relocate the softball fields based on input from Rick Hatcher of the Treasure Coast Sports Commission. According to Mr. Hatcher to be successful in attracting elite softball teams, a complex must have at least 4 fields with direct parking access. Due to existing site limitations, the St. Lucie County Sports Complex cannot accommodate these needs. If the Board determines to support the proposed relocation, County staff intends to investigate alternate locations and identify partners to proceed with the softball complex.

- The County will be able to spend budgeted capital repair funds (i.e. \$200,000.00 per year) on capital repair items designated by the County. Expenditure of capital repair funds provided by SFS (i.e. \$75,000.00 per year) require approval by SFS and the County.
- There will be periodic account and true-up of interest accruals and expenditures.
- The County will review for approval plans submitted by Ewing Cole as of June 1, 2018 with the understanding that further revisions to the plans will be needed for some improvements referenced in the draft Addendum and to address comments made by HPM. Those additional plans will be subject to final review and approval by the Board.

**FIRST AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate as of July 10, 2018, by and between ST. LUCIE COUNTY, a political subdivision of the State of Florida ("County"), and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to enter into an amendment to the FUA on the terms herein contained.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, IT IS AGREED AS FOLLOWS:

1. AMENDMENT OF SECTION 4(B) OF THE FUA

The FUA is hereby amended by deleting Section 4(B) thereof and replacing it with the following:

"B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund on March 1 during each year of the Term (the "County Capital Contributions") and SFS shall pay the County \$75,000 on March 1 during each year of the Term (the "SFS Capital Contributions"), which amount the County shall deposit into the Capital Repairs Fund. The County Capital Contributions may be used by the County for Capital Repair Work designated by the County during the Term. The SFS Capital Contributions may be used for mutually agreed upon Capital Repair Work during the Term. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work except to the extent any such Capital Repair Work is part of the work performed under Section 10."

2. AMENDMENT OF SECTION 10(A) OF THE FUA

The FUA is hereby amended by deleting the second sentence of the second paragraph of Section 10(A) thereof and replacing it with the following:

"SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that (i) if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage and (ii) SFS shall not, without the prior written consent of

the County, remove the two-stop elevator, the 360 degree concourse (reduced in size as agreed upon by the parties and reflected in the attached schematic "Outfield Concourse Option C") or the new Stadium entryway and vomitory from the scope of the New Improvements as reflected in the Final Plans approved by the County."

3. AMENDMENT OF SECTION 10(C)(9)(I) OF THE FUA

The FUA is hereby amended by adding the following sentence to the end of Section 10(C)(9)(I):

"SFS shall comply with, and shall cooperate with the County in its efforts to comply with, the audit requirements set forth in the Spring Training Program Agreement between St. Lucie County and the State of Florida, Department of Economic Opportunity and attached hereto as Exhibit "P"."

4. AMENDMENT OF SECTION 10(C) OF THE FUA

The FUA is hereby amended by adding the following as Section 10(C)(10) thereof:

"10. Notwithstanding the requirements of Section 10(c)8 of the FUA, the parties anticipate that the New Improvement Bonds will accrue interest (the "Bond Interest") prior to expending the entirety of the New Improvements Budget. The County and SFS shall confer periodically while the New Improvements are being built to determine the amount of Bond Interest available. The Bond Interest shall be allocated as follows: (i) the first \$1,200,000 of Bond Interest shall be used by the County to pay for the following items designated by the County: replacement of Minor League facility roof, safety railings for aisles, existing elevator renovation, new Stadium seats, upgrade of County staff maintenance building, and finishing of County office space ("Designated County Improvements"), including any related drawings, CM fees or other fees associated with the Designated County Improvements, (ii) the next \$1,000,000 of interest shall be used by the County pay costs associated with the County's project to build softball fields (the "County Fields") in a location determined by the County (but not at the Sports Complex), and (iii) all Bond Interest, if any, in excess of (i) and (ii) shall be added to the New Improvements Budget. The County shall be responsible for all costs and expenses related to the Designated County Improvements, and the County may reduce the scope of the Designated County Improvements to stay within budget or pay any overage in its sole discretion. For the purpose of clarity, (i) the replacement of the Minor League facility roof, upgrade of County staff maintenance building, finishing of County office space, safety railing for aisles and existing elevator renovations will be paid for by the County as set forth in this paragraph but the work will be included in the Construction Contract and (ii) the remaining Designated County Improvements will be performed by the County or third-party contractors selected by the County. The County shall coordinate with SFS to ensure that all work on the Designated County Improvements does not interfere with work on the New Improvements. To the extent there is less than \$1,000,000 of Bond Interest available to the County for the County Fields, the County may reduce its Year 5 Additional Improvements Fund payment to SFS by the amount by which (a) \$1,000,000 exceeds (b) the amount of Bond Interest available to the County for the County Fields. The County will begin repayment of such amount to SFS on March 1 of Year 6 with annual payments of \$100,000 into the Additional Improvements Fund each March 1 until the full amount used by the County for the County Fields is repaid. By way of example, if only \$800,000 of Bond Interest is available for the County Fields, the County will reduce its Year 5 Additional Improvements Fund payment to SFS by \$200,000 and will pay such amounts back to the Additional Improvements Fund with additional \$100,000 payments on March 1 in each of Years 6 and 7."

5. Except as amended herein, the remaining terms and conditions of the FUA shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed and delivered this Amendment as of the date first set forth above, as follows:

**FIRST AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate as of July 10, 2018, by and between ST. LUCIE COUNTY, a political subdivision of the State of Florida ("County"), and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to enter into an amendment to the FUA on the terms herein contained.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, IT IS AGREED AS FOLLOWS:

1. AMENDMENT OF SECTION 4(B) OF THE FUA

The FUA is hereby amended by deleting Section 4(B) thereof and replacing it with the following:

"B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund on March 1 during each year of the Term (the "County Capital Contributions") and SFS shall pay the County \$75,000 on March 1 during each year of the Term (the "SFS Capital Contributions"), which amount the County shall deposit into the Capital Repairs Fund. The County Capital Contributions may be used by the County for Capital Repair Work designated by the County during the Term. The SFS Capital Contributions may be used for mutually agreed upon Capital Repair Work during the Term. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work except to the extent any such Capital Repair Work is part of the work performed under Section 10."

2. AMENDMENT OF SECTION 10(A) OF THE FUA

The FUA is hereby amended by deleting the second sentence of the second paragraph of Section 10(A) thereof and replacing it with the following:

"SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that (i) if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage and (ii) SFS shall not, without the prior written consent of

the County, remove the two-stop elevator, the 360 degree concourse (reduced in size as agreed upon by the parties and reflected in the attached schematic "Outfield Concourse Option C") or the new Stadium entryway and vomitory from the scope of the New Improvements as reflected in the Final Plans approved by the County."

3. AMENDMENT OF SECTION 10(C)(9)(I) OF THE FUA

The FUA is hereby amended by adding the following sentence to the end of Section 10(C)(9)(I):

"SFS shall comply with, and shall cooperate with the County in its efforts to comply with, the audit requirements set forth in the Spring Training Program Agreement between St. Lucie County and the State of Florida, Department of Economic Opportunity and attached hereto as Exhibit "P"."

4. AMENDMENT OF SECTION 10(C) OF THE FUA

The FUA is hereby amended by adding the following as Section 10(C)(10) thereof:

"10. Notwithstanding the requirements of Section 10(c)8 of the FUA, the parties anticipate that the New Improvement Bonds will accrue interest (the "Bond Interest") prior to expending the entirety of the New Improvements Budget. The County and SFS shall confer periodically while the New Improvements are being built to determine the amount of Bond Interest available. The Bond Interest shall be allocated as follows: (i) the first \$1,200,000 of Bond Interest shall be used by the County to pay for the following items designated by the County: replacement of Minor League facility roof, safety railings for aisles, existing elevator renovation, new Stadium seats, upgrade of County staff maintenance building, and finishing of County office space ("Designated County Improvements"), including any related drawings, CM fees or other fees associated with the Designated County Improvements, (ii) the next \$1,000,000 of interest shall be used by the County pay costs associated with the County's project to build softball fields (the "County Fields") in a location determined by the County (but not at the Sports Complex), and (iii) all Bond Interest, if any, in excess of (i) and (ii) shall be added to the New Improvements Budget. The County shall be responsible for all costs and expenses related to the Designated County Improvements, and the County may reduce the scope of the Designated County Improvements to stay within budget or pay any overage in its sole discretion. For the purpose of clarity, (i) the replacement of the Minor League facility roof, upgrade of County staff maintenance building, finishing of County office space, safety railing for aisles and existing elevator renovations will be paid for by the County as set forth in this paragraph but the work will be included in the Construction Contract and (ii) the remaining Designated County Improvements will be performed by the County or third-party contractors selected by the County. The County shall coordinate with SFS to ensure that all work on the Designated County Improvements does not interfere with work on the New Improvements. To the extent there is less than \$1,000,000 of Bond Interest available to the County for the County Fields, the County may reduce its Year 5 Additional Improvements Fund payment to SFS by the amount by which (a) \$1,000,000 exceeds (b) the amount of Bond Interest available to the County for the County Fields. The County will begin repayment of such amount to SFS on March 1 of Year 6 with annual payments of \$100,000 into the Additional Improvements Fund each March 1 until the full amount used by the County for the County Fields is repaid. By way of example, if only \$800,000 of Bond Interest is available for the County Fields, the County will reduce its Year 5 Additional Improvements Fund payment to SFS by \$200,000 and will pay such amounts back to the Additional Improvements Fund with additional \$100,000 payments on March 1 in each of Years 6 and 7."

5. Except as amended herein, the remaining terms and conditions of the FUA shall remain in full force and effect.

Dear Mr. Tipton:

Re: Certification of St. Lucie County's Spring Training Facility

St. Lucie County (County) submitted an application for certification under section 288.11631, Florida Statutes (F.S.), to the Florida Sports Foundation (FSF) for initial review and evaluation. On November 29, 2016, the FSF President and CEO delivered the application to the Department of Economic Opportunity (DEO) and stated that the documentation submitted meets the criteria for funding as specified under section 212.20(6)(d)6.e., F.S. On January 25, 2017, DEO received the statutorily required certified copies of the County's Addendum and Amended and Restated Facilities Use Agreement with the New York Mets Major League Baseball team, as well as the additional statutorily required documentation requested in the December 20, 2016 letter.

We are pleased to inform you that DEO has determined the County is eligible to receive funding in the amount of \$83,333.00 monthly, for a period not to exceed 20 years. DEO will notify the Department of Revenue of the County's certification.

Receipt of funds under s. 288.11631, F.S. is contingent on all of the following:

- (1) The County's prospective distributions under s. 288.1162, F.S., will end.
- (2) The County must satisfy all outstanding bonds associated with the project for which the County received its certification under s. 288.1162, F.S.; and
- (3) The County must enter into an agreement with DEO, as required by subsection 288.11631(2)(c), F.S.

We look forward to working with you on the agreement. If you have any questions concerning this letter please contact Katherine Morrison Manager of Strategic Industry Partnerships, Division of Strategic Business Development at (850) 717-8973.

**SECOND AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate as of February 19, 2019, by and between ST. LUCIE COUNTY, a political subdivision of the State of Florida ("County"), and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex (the "Project") as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to increase the overall New Improvements Budget;

WHEREAS, the parties desire to implement a process for seeking tax savings on large material purchases for this public Project in accordance with Section 212.08(6) of the Florida Statutes and Rule 12A-1.094 of the Florida Administrative Code; and

WHEREAS, the parties desire to enter into an amendment to the FUA to add the terms herein contained.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, IT IS AGREED AS FOLLOWS:

1. AMENDMENT OF SECTION 10(A) OF THE FUA

The FUA is hereby amended by adding the following language to the end of Section 10(A):

"In the event the New Improvements Budget exceeds \$55,000,000.00, SFS shall contribute up to an additional \$2,000,000.00 to the New Improvements Budget to cover any such excess, which sum shall be used and applied to the New Improvements as set forth in the FUA and any amendments thereto. The obligation to provide the additional funds is the sole responsibility of SFS and this Amendment shall not create or alter any obligation of the County with respect to the New Improvements Budget. Nothing stated in this Paragraph shall alter or limit SFS' obligation, as set forth in the second paragraph of this Section 10(A), to bear all costs of coverage beyond the additional \$2,000,000.00 in the event the New Improvements Budget is exceeded."

2. AMENDMENT OF SECTION 4 OF THE FIRST AMENDMENT TO THE FUA

The First Amendment to the FUA is hereby amended by deleting the following language found in Subsection (ii):

"The next \$1,000,000 of interest shall be used by the County [to] pay costs associated with the County's projects to build softball fields (the "County Fields") in a location determined by the County (but not at the Sports Complex)"

And replacing such language with the following:

"The next \$1,000,000 of interest shall be used by the County to pay costs for any County improvements, renovations or modifications related to the Sports Complex, which in County's sole discretion, are necessary, with the remainder of any such funds allocated to the softball fields project at a location determined by County."

3. ADDITION OF SECTION 42 TO THE FUA

The FUA is hereby amended by adding the following Section 42 titled Owner Direct Purchasing Agreement:

"For qualifying material purchases in excess of \$50,000.00, the County may elect to implement an Owner Direct Purchase in accordance with Section 212.08(6) of the Florida Statutes at the request of SFS. It is the sole discretion and responsibility of SFS, in connection with the Construction Manager building the Project, to recommend and request the use of Owner Direct Purchasing on qualifying purchases. The County has no obligation or responsibility to determine if qualifying purchases exist or to recommend the use of Owner Direct Purchasing to incur tax savings. Furthermore, the County may deny a request for failure to conform to the requirements of this Section of the FUA or if the County determines in its reasonable discretion that an Owner Direct Purchase would not comply with Section 212.08(6) of the Florida Statutes. If any purchase made pursuant to this Agreement incurs a tax penalty, then the liability shall be distributed as follows:

- a. Any and all sales tax liability incurred as result of SFS' failure to comply with the material terms and requirements of the FUA, as amended, shall be paid from the New Improvements Budget. However, to the extent any such liability exceeds the Budget, the unpaid amount shall be paid by SFS.
- b. Any and all sales tax liability incurred as a result of the process set forth herein being rejected for failure to meet the requirements of the law shall be paid from the New Improvements Budget in accordance with Section 10 of this FUA.

For purposes of this FUA, a "qualifying material purchase" means any purchase of materials for use at the project that: (1) meets the requirements of Section 212.08(6) of the Florida Statutes; (2) meets in all respects the material specifications set forth in the Contract Documents and Approved Submittals; and (3) is in excess of \$50,000.00.

For qualifying material purchases identified by SFS, the following procedures shall apply:

- c. SFS shall complete, in full, the Vendor Requisition Form attached hereto as Exhibit "Q," and submit the Vendor Requisition Form to the County for approval along with a certification that SFS has reviewed Section 212.08(6) of the Florida Statutes and determined the requested purchase to be a qualifying material purchase. The County shall designate, in writing, a purchasing officer for this Project, which shall be the designated recipient of any Vendor Requisition Forms.
- d. Within a reasonable time, but no later than two weeks after receipt of the request, the County shall review the Vendor Requisition Form and either approve or deny the request. The County will promptly inform SFS of its decision with

respect to the request. If the County approves the request, it shall submit a Purchase Order, along with a copy of its Florida Consumer's Certificate of Exemption and Certificate of Entitlement, to the vendor. If the County denies the request, no further action will be taken and SFS may proceed with the purchase as a non-Owner Direct Purchase.

e. All shipments made under the Owner Direct Purchasing program shall designate the goods to be free on board to the jobsite.

f. Upon delivery of materials purchased pursuant to this Section of the FUA, SFS or its designee, acting for and on behalf of the County, shall ensure that the delivery complies with the terms of the Purchase Order submitted to the vendor by the County. This obligation shall include, but not be limited to, ensuring timely delivery, conformance of the material to the Purchase Order in quality, quantity, and all other respects, and ensuring that the materials are in a good and usable condition for the intended purpose.

g. If any material or product fails to be delivered or is not of the quantity or quality requested or otherwise fails to meet the requirements of the Purchase Order, SFS or its designee, acting for and on behalf of the County, shall work directly with the vendor to correct the faulty shipment. SFS is responsible for ensuring that all Owner Direct Purchases made pursuant to the FUA meet the standards set forth in the Purchase Order signed and submitted by the County.

h. If, after reviewing the Purchase Order and the shipment, SFS determines that the shipment is complete and proper, it shall sign the proof of delivery on behalf of the County and direct the vendor to invoice the County directly.

i. Upon submission of an invoice to the County for payment, SFS shall place all materials purchased pursuant to this Agreement into a protected storage area within the materials storage yard until such time as the material has been, or is being, incorporated in the project. SFS shall be responsible for ensuring the security of all County purchased materials from the time of acceptance through the time of incorporation.

j. Once receipt of the shipment has been confirmed, the County shall be invoiced directly and shall pay the invoice from the New Improvements Budget in accordance with Section 10 of this FUA.

k. The County shall take title to, and assume all risk of loss for or damage to, the goods at the point of delivery from the vendor. The County will insure against all loss of or damage to materials or products purchased using Owner Direct Purchasing. Nothing in this paragraph shall act to abrogate, alter, modify, or otherwise change the terms of Section 13 of the FUA or applicable laws regarding liability with respect to any materials purchased for, used in, or incorporated into the Project.

l. The procedures set forth herein shall apply to and be the only procedures governing Owner Direct Purchases on this Project.

4. All tax savings generated through the use of Owner Direct Purchases shall be accounted for as a

credit in the New Improvements Budget and used exclusively to implement the New Improvements as defined and agreed to in the FUA.

5. Except as amended herein, the remaining terms and conditions of the FUA shall remain in full force and effect.

3. TERM

(a) This Agreement is effective as of the date on which the last party executes this Agreement (the "Effective Date") and will end when the \$20 million provided for herein has been distributed to the County, or a County bond trustee, in accordance with this Agreement. Notwithstanding anything herein or in the Addendum to the contrary, DEO acknowledges and agrees that the County intends to issue a series of bonds to finance and/or refinance a portion of the cost of the Project and that the debt service on said bonds or any refunding bonds will be paid from the \$20 million provided for herein, and that, pursuant to section 288.11631(5)(f), F.S., the County may therefore not be decertified by DEO once said bonds are issued. The provisions of Articles 8, 9, 11, 12, 13, 15, 16, 17, 25, 30, 31, and 34 shall survive the expiration of this Agreement; provided, however, that the record-keeping and audit-related obligations set forth in Article 11, Audits and Records, of this Agreement shall terminate in accordance with the requirements of Article 11. The County is subject to decertification only if the County fails to comply with or meet the requirements of section 288.11631, F.S., or this Agreement, in which event DEO may recover incentive funds. Notwithstanding the preceding sentence, once the County is certified pursuant to the terms of section 288.11631, F.S., it may not be decertified by DEO if it has paid or pledged for the payment of debt service on, or to fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto, bonds issued for the construction of the Project for which the County was certified, or for the reimbursement of such costs or the refinancing of bonds issued for the construction of the Project for which the County was certified, or for the reimbursement of such costs or the refinancing of bonds issued for such purpose. This subsection does not

preclude or restrict the ability of the County to refinance, refund, or defease such bonds.

(b) Definitions:

(1) "Contract" means any agreement, assignment, license, lease or purchase order for the provision of construction, goods and/or services executed by the County in furtherance of the County's overall obligations under this Agreement, or contemplated under the Spring Training Facility Lease and Use Agreement as to the Project, unless specifically defined elsewhere in this Agreement.

(2) "Development Period" means the period of time between certification pursuant to section 288.11631, F.S. and full completion of all services and payments contemplated under the Spring Training Facility Lease and Use Agreement.

4. DUTIES AND OBLIGATIONS OF THE COUNTY.

STATUTORY REQUIREMENTS

(a) The County shall comply with all the provisions of this Agreement and shall continually, throughout the term of this Agreement, meet all requirements for certification within section 288.11631, F.S. (2015), as verified and determined by DEO, which includes, but is not limited to, the following:

(1) The County is responsible for the construction or renovation of the Facility for a spring training franchise or holds title to the property on which the facility for a spring training franchise is located.

(2) The County must have a certified copy of a signed lease agreement with a spring training franchise. The signed agreement with a spring training franchise for the use of a facility must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating a facility for a spring training franchise. The lease agreement must also require the franchise to reimburse the State if the franchise relocates before the lease agreement expires; the required reimbursement must be equal to the total amount of state distributions expected to be paid from the date the franchise breaks its lease agreement with the County through the final maturity of the bonds.

(3) The County must maintain its financial commitment to provide 50 percent or more of the funds required by an agreement for the construction or renovation of the facility for a spring training franchise.

(4) The County must demonstrate, at least annually, that the facility for a spring training franchise will attract (prior to completion of the County's Stadium Construction and Renovation Project) or does attract (after completion of the County's Stadium Construction and Renovation Project) a paid attendance of at least 50,000 persons annually to the spring training games held in that facility.

(5) The facility for a spring training franchise must be located in a county that levies a tourist development tax under section 125.0104, F.S.

(b) As a certified applicant under section 288.11631, F.S., the County may use state funds provided under section 212.20(6)(d)6.e, F.S. and this Agreement, only to:

(1) serve the public purpose of constructing or renovating a facility for a spring training franchise;

(2) pay or pledge for the payment of debt service on bonds issued for the construction or renovation of such facility;

(3) fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto on bonds issued for the construction or renovation of such facility;

(4) reimburse the costs under paragraphs (1), (2), or (3); above; and/or

(5) refinance bonds issued for the construction or renovation of such facility.

(c) As a certified applicant under section 288.11631, F.S., the County may not use state funds distributed according to this Agreement and pursuant to section 212.20(6)(3)(c), F.S., to subsidize facilities that are privately owned by, maintained by, and used exclusively by a spring training franchise.

(d) The County must place unexpended state funds received pursuant to section 212.20(6)(d)(6), F.S., in a trust fund or separate account for use only as authorized in section 288.11631, F.S.

(e) The County's expenditure of state funds received pursuant to this Agreement must begin within 48 months after the initial receipt of said state funds. Additionally, the construction or renovation of a spring training facility within the County and pursuant to the County's certification under section 288.11631, F.S., must be completed within 24 months of the County's Stadium Construction and Renovation Project's commencement.

(f) As more fully set forth in Spring Training Facility Lease and Use Agreement and in the Addendum, if the Spring Training Franchise ceases to use the Facility, the Spring Training Franchise must, as a partial remedy, reimburse the State in an amount equal to 100% of the total amount of state distributions expected to be paid from the date the Spring Training Franchise breaks its agreement or agreements with the County through the maturity of the bonds described in Section 3(a). The County agrees it has, and will have, at all times throughout the term of this Agreement, and will enforce, a valid provision for such reimbursement to the State in the Spring Training Facility Lease and Use Agreement with the Spring Training Franchise. DEO acknowledges and agrees that the provisions of Spring Training Facility Lease and Use Agreement and the Addendum meet the requirements of section 288.11631, F.S.

(g) The County agrees that, prior to making any material changes, amendments, modifications, extensions or the like, to the County's Spring Training and Facility Lease and Use Agreement, or the terms thereof, that have any effect on DEO's or the State's rights or privileges, including, but not limited to, the Spring Training Franchise's assignment of its rights and obligations under the lease, or the County's certification or the Spring Training Franchise's reimbursement requirements under section 288.11631, F.S., the County shall obtain DEO's prior, written approval.

REPORTING REQUIREMENTS

(b) Annual Reports: On or before September 1 of each year throughout the term of this Agreement, and as long as the County remains certified under section 288.11631, F.S., the County shall submit an annual report to DEO which must include, but is not limited to, the following:

(1) A detailed accounting of all local and state funds expended to date, as of the date of submission of the report, on the Project financed under section 288.11631, F.S. In addition to this detailed accounting, and during the Development Period only, the County must submit a short summary of all local, state and private funds expended on the Project as of the date of submission of this report.

(2) A copy of the Spring Training Facility Lease and Use Agreement between the County and the Spring Training Franchise, including all amendments, modifications, extensions, assignments, or ancillary agreements thereto, current as of the date of the annual report. The County's Spring Training Franchise shall remain the New York Mets, unless properly changed pursuant to law and the terms of this Agreement and the Spring Training Facility Lease and Use Agreement.

(3) A cost-benefit analysis of the Spring Training Franchise's impact on St. Lucie County. This cost-benefit analysis must be substantially similar in content and format to the 2009 Major League Baseball Florida Spring Training Economic Impact Study except that its scope shall be limited to the impact on St. Lucie County.

(4) Only for those reporting periods which encompass the Development Period, a list of all Contracts with an estimated cost greater than \$250,000 executed in furtherance of this Agreement.

(5) Written evidence that the County continues to meet the certification criteria in effect when the County was certified pursuant to section 288.11631, F.S. (2015).

(6) Written evidence, including numerical and/or statistical analysis as applicable, that the County is in compliance with section 288.1463, F.S.

(7) A letter signed by the Chair of the County Commission or delegate certifying that all information and documentation contained in the annual report and submitted to DEO is true and correct.

(8) Any additional documents or certifications which are reasonably related to the County's obligations under this Agreement as requested and required by DEO.

(9) Evidence of the efforts to promote and advertise the Facility that have taken place since the last reporting period, in accordance with Section 23 hereof.

(10) Stadium Development Status Reports: Until the Project is completed, no less frequently than on a quarterly basis, the County shall provide to DEO a written update as to the status of the Project, which requirement may be met by copying DEO on any written updates provided to the St. Lucie County Board of Commissioners. In addition, during the Development Period, the County will promptly respond to a request from DEO for any information in the County's possession, or reports that the County is generating for its own purposes. This section does not require the County to generate financial reports beyond those specifically required by this Agreement.

5. DISTRIBUTIONS.

(a) Distributions under this Agreement will be made to the County subject to and in accordance with sections 212.20(6)(d)6.e. and 288.11631, F.S.

(1) Notwithstanding anything else herein to the contrary, if pursuant to section 212.20(6)(d)(6)(c), F.S., the \$83,333.00 per month described in section 5(c) is not available to DOR for distribution as provided for in this Agreement, such event will not constitute a breach or default by DEO, DOR, or the State of Florida. For avoidance of doubt, neither the faith and credit nor the taxing power of the State of Florida is or shall be pledged in connection with this Agreement.

(2) Subject in all respects to Section 3(a) hereof, all distributions shall be subject to the terms of this Agreement, including, but not limited to Article 15, *Breach, Financial Consequences, and Remedies*.

(b) Pursuant to sections 212.20(6)(e)6.e. and 288.11631(3)(c), F.S., the Department of Revenue (DOR) will begin distributions to the County upon DEO's notification to DOR that the County has fulfilled all the requirements for certification as set forth in section 288.11631, F.S.

(c) Pursuant to subsection 212.20(6)(e)6.e., F.S., the County shall receive distributions from DOR of up to \$83,333.00 monthly, beginning July 1, 2017, or following execution of this Agreement, whichever is later, and continue, for not more than 20 years from the initial distribution date, in an amount not to exceed a total sum of \$20,000,000.00. Subject in all respects to Section 3(a) hereof,

failure to comply with the requirements set forth in this Agreement or applicable law, may result in the application of financial consequences as set forth in Article 15, *Breach, Financial Consequences, and Remedies*, of this Agreement, the repayment of funds as referenced in section 288.11631, F.S., or Article 34, *Return or Repayment of Funds*, of this Agreement.

(d) The County may request in writing at least 20 days before the next monthly distribution that DEO halt future distributions. If such a request is made, upon receipt by DEO, DEO shall immediately notify DOR to halt future distributions for such period of time as DEO deems appropriate, under the circumstances, but only as permitted by law.

6. CONTRACTS.

(a) The County shall be responsible and liable for all work performed and all expenses incurred in connection with the County's Stadium Construction and Project or any activities related to, in connection with, or in furtherance of this Agreement.

(b) The County may, as appropriate and in compliance with applicable law, contract the performance of the activities related to, in connection with, or in furtherance of this Agreement, including entering into contracts with vendors for services and commodities, *provided, however*, that the County shall be solely liable to the subcontractor for all expenses and liabilities. The County shall not enter into a subcontract in which DEO could be held liable to the subcontractor for any expenses or liabilities. The County agrees that DEO shall not be held liable to the subcontractor for any expenses or liabilities incurred under any contract. Pursuant to section 768.28, F.S., and to the extent permitted by applicable law, the County shall, at its expense, defend and hold DEO harmless of any liabilities incurred under any of the contracts entered into by the County in connection with this Agreement. As between DEO and the County, the County shall be liable for all work performed and all expenses incurred as a result of any subcontract entered into by the County in connection with this Agreement. The County shall ensure that contractors hired by the County in connection with the County's Sport Complex, or any activities related to this Agreement, comply with all relevant terms of this Agreement.

(c) Any Contract executed by the County after the Effective Date of this Agreement, for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement shall be evidenced by a written document and include provisions requiring compliance with this Agreement and all applicable Federal, State, and local laws, regular performance reporting, accounting for proper use of funds provided under the Agreement (including the provision of audit rights pursuant to Attachment A, *Audit Requirements*, as applicable.) Contract, as used in this paragraph, shall mean any agreement, assignments, leases or purchase order for the provision of construction, goods and/or services executed specifically by the County in furtherance of the County's overall obligations under this Agreement, unless specifically defined elsewhere in this Agreement.

7. INDEPENDENT CAPACITY OF CONTRACTOR.

(a) The Parties mutually understand and agree that the County, its officers, agents, employees, subcontractors or assignees, in the performance of the County's duties and responsibilities under this Agreement, is at all times acting and performing as an independent contractor and not as an officer, employee or agent of the State of Florida. Nothing in this Agreement is intended to, or shall be deemed to constitute, a partnership or joint venture between the Parties.

- (b) The County shall not represent to others that it has the authority to bind DEO.
- (c) Neither the County, nor its officers, agents, employees, subcontractors, or assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this Agreement.
- (d) The County agrees to take such action as may be necessary to ensure that each contractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.
- (e) DEO will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the County, its Spring Training Franchise, beneficiary, its subcontractor, or assignee in furtherance of this Agreement.
- (f) DEO shall not be responsible for withholding taxes, if any, with respect to the County's distributions hereunder. The County shall have no claim against DEO for vacation pay, sick leave, retirement benefits, social security, workers' compensation, health or disability benefits, unemployment assistance benefits, or employee benefits of any kind. The County shall ensure that its employees, contractors, and other agents, receive benefits and necessary insurance from an employer other than the State of Florida, to the extent required by law.
- (g) The County, at all times during the Agreement, must comply with any and all applicable reporting and Reemployment Assistance contribution payment requirements of chapter 443, F.S.
- (h) The County agrees to take such steps as may be necessary to ensure that each contractor of the County will be deemed to be an independent contractor and will not be considered or permitted to be an agent of the State of Florida.
- (i) The County shall not pledge the State of Florida's, nor DEO's credit nor make the State of Florida or DEO a guarantor of payment or surety for any contract, debt, obligation, judgment lien, or any form of indebtedness.

8. LIABILITY.

(a) DEO shall not assume any liability for the acts, omissions to act, or negligence of the County, its Spring Training Franchise, agents, beneficiaries, affiliates, contractors, subcontractors, servants, or employees. In all instances, the County shall be responsible for any injury or property damage resulting from any activities conducted by the County in the performance of this Agreement.

(b) DEO shall not be liable to the County for special, indirect, punitive, or consequential damages. DEO shall not be liable for lost profits, lost revenue, or lost institutional operating savings.

9. INDEMNIFICATION.

(a) The Parties acknowledge that nothing in this Agreement shall constitute (1) an agreement by either Party to indemnify or insure the other Party for the other Party's negligence or to assume any liability of the other Party's negligence; (2) a waiver of sovereign immunity beyond the limits set forth in Section

76828, D.S. or any applicable waiver of sovereign immunity that is inherent in the act of contracting; (3) a waiver of any defense the parties may have under such statute; or (4) consent to be sued by third parties.

(b) The County shall indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from any and all suits, actions, damages, and costs of every kind and description that arise from or are related to this Agreement, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the County, its employees, contractors, and subcontractors, provided, however, that the County is not obligated to indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or DEO.

(c) The County shall indemnify, defend, and hold harmless the State and DEO, its employees and agents, from liability of any nature or kind, including costs and expenses for or on account of any trademarked, trade secret, copyrighted, patented, or unpatented invention, process, product or article manufactured by the County. DEO shall not be liable for any royalties.

(d) The County's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the State or DEO giving the County:

- (1) written notice of any action or threatened action;
- (2) the opportunity to take over and settle or defend any such action at the County's sole expense, and
- (3) assistance in defending the action at the County's sole expense.

The County is not obligated to be liable for any cost, expense, or compromise incurred or made by the State or DEO in any legal action without the County's prior written consent, which shall not be unreasonably delayed, conditioned or withheld.

(e) At DEO's election and upon notification to the County, the County shall assume the defense or settlement of any third-party claim arising under this Agreement with counsel reasonably satisfactory to DEO; provided, however, that the County shall not settle or compromise any such claim in an amount more than \$10,000 without DEO's prior written consent. Notwithstanding the foregoing, (1) DEO shall have the right, but not the obligation, at its option and expense, to participate fully in the defense or settlement of any third-party claim; and (2) if the County does not continuously defend or settle any third-party claim within 30 days after it is notified of the assertion or commencement thereof, then (a) DEO shall have the right, but not the obligation, to undertake the defense or settlement of such claim for the account and at the risk of the County, and (b) the County shall be bound by any defense or settlement that DEO may make as to such claim. DEO shall also be entitled to join the County in any third-party claim for the purpose of enforcing any right of indemnity hereunder.

10. RESPONSIBILITIES OF GOVERNING BOARD OR AUTHORITIES

The Parties agree that any information, including updates, reports, publications, studies, and any and all reasonably requested information, that is required by Federal, State or local law shall be approved by a person having the authority to do so prior to submission, and shall be signed only by those persons having the legal authority to do so or appropriately ratified by such an authority.

11. AUDITS AND RECORDS

(a) The County shall retain and maintain all records so as to sufficiently and properly reflect all expenditures of funds distributed under this Agreement, in accordance with generally accepted accounting procedures and practices. Records shall include, but are not limited to, independent auditor working papers, notes, books, vouchers, bills, invoices, requests for payment, receipts, and other supporting source documentation, including electronic storage media. Such records shall be subject at all times to inspection, review, and audit by, as well as transfer to, representatives of DBO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability, or representatives of the Federal government and their duly authorized representatives upon request.

(b) The County agrees to comply with all applicable audit requirements of section 215.97, F.S., and those found in Attachment A, *Audit Requirements*; and, if an audit is required, the County shall disclose all related transactions to the auditor.

(c) The County shall maintain and retain all County records, financial records, supporting documents, statistical records, and any other documents, including electronic storage media, pertinent to this Agreement, as well as all financial records related to funds paid by the County to any parties for work on the matters that are the subject of this Agreement, in accordance with the record retention requirements of Part V of Attachment A, *Audit Requirements*. The County shall cooperate with DBO to facilitate the duplication and transfer of such records or documents upon request of DBO.

(d) If applicable, the County shall submit a written independent audit report to DBO specifically covering the period of Agreement expenditures pursuant to sections 215.97 and 11.45, F.S., and other relevant laws.

(e) The County must provide copies of any audit referencing this Agreement, the audit transmittal letter, and any response to such audit to DBO within 30 days of receipt by the County.

(f) The County will comply with section 20.055(9), F.S., including, but not limited to, the duty of the County, to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing pursuant to section 20.055, F.S. The County agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the County's beneficiary, contractor or subcontractors' compliance with the terms of this Agreement which results in a finding of noncompliance, fraud, illegality, or financial misuse, in connection with this Agreement by the County or its Spring Training Franchise, beneficiary, contractor(s), or subcontractor(s). Such reasonable costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

(g) The County shall include the audit and record keeping requirements aforementioned in this Article and in Attachment A, *Audit Requirements*, in all contracts, subcontracts, leases, assignments, and agreements executed for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement.

(h) Within 60 working days of the close of the County's fiscal year, on an annual basis, the County shall electronically submit a completed *Audit Compliance Certification* (a version of this certification is attached hereto as Attachment B) to audit@dbo.myflorida.com. (a) DEO may perform on-site reviews to independently validate any information or reports submitted to DEO. The County shall allow DEO's Agreement Manager and other DEO authorized personnel access to any information and any other documents requested by DEO for purposes of monitoring the County's performance under or compliance with this Agreement.

(b) The County must comply with all applicable Florida public records law as it relates to this Agreement. In particular, the County shall allow public access to all documents, papers, letters or other materials made or received by the County in conjunction with this Agreement that are public records as that term is defined by Fla. Stat. 119.011 (12) unless the records are exempt, and/or confidential pursuant to section 24(a) of Article I of the State Constitution, section 119.07(1), F.S., or other Florida statute(s).

(c) The County is responsible to respond to each and every request the County receives for public records made, as provided by law, received or in the custody or control of the County in conjunction with this Agreement, in accordance with chapter 119, F.S.

(d) The County acknowledges that DEO is subject to the provisions of chapter 119, F.S., and that documents submitted to DEO, or in DEO's custody or control, in relation to this Agreement constitute public records, subject to exemption and confidentiality under Florida law. The County shall cooperate with DEO regarding DEO's efforts to comply with the requirements of chapter 119, F.S.

(e) The provisions of chapter 119, F.S., and other applicable Florida and federal laws govern the disclosure of any confidential information received by the Parties.

(2) The County shall ensure that public records in the custody and/or control of the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, partners, contractors or subcontractors that are confidential are not disclosed except as authorized by law.

(3) The County shall not disclose to third parties any confidential information obtained by the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, officers, contractors or subcontractors in furtherance of this Agreement.

(4) The County shall notify DEO verbally within 24 hours, and in writing within 72 hours of any improper disclosure or unauthorized use of confidential information related to this Agreement by

(ii) The County shall make a report to DEO not more than 7 business days after the County learns of such an improper disclosure or unauthorized use of confidential information. The County's report shall identify, to the extent known, the nature of the improper disclosure or unauthorized use, the confidential information disclosed or used, who made the disclosure of or used the information, what the County has done or shall do to mitigate any deleterious effect of the improper disclosure or unauthorized use, and what corrective action the County has taken or shall take to prevent future similar unauthorized use or improper disclosure. The County shall provide any other such information about the unauthorized use or improper disclosure as reasonably requested by DEO. The County shall take all steps DEO deems advisable to mitigate, resolve and/or prevent the unauthorized use or improper disclosure of confidential information shared or exchanged by the Parties and their affiliates in connection with this Agreement.

(f) Upon expiration of this Agreement, County shall either (a) transfer, at no cost, to DEO all public records in possession of County which are reasonably related to this Agreement or (b) keep and maintain public records which are reasonably related to this Agreement as required by law. If the County keeps and maintains public records upon completion of the Agreement, County shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to DEO, upon request from the DEO's custodian of records, in a format that is compatible with the information technology systems of DEO.

(g) To the extent allowable by law, and without waiving the sovereign immunity of the County, the County shall be fully liable for the actions of its Spring Training Franchise, agents, employees, partners, contractors, and subcontractors and shall fully indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to public record requests or public record law violation(s), alleged to be caused in whole or in part by the County, its Spring Training Franchise, agents, employees, partners, contractors, or subcontractors, provided, however, that the County does not indemnify for that portion of any costs or damages proximately caused by the negligent act or omission of the State or DEO. DEO, in its sole discretion, has the right, but the not obligation, to enforce this indemnification provision.

(h) The County shall include provisions in accordance with this Article, chapter 119, F.S., and all applicable Florida public records law, in all agreements, assignments, leases, contracts, and subcontracts executed or amended after the effective date of this Agreement for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement.
