(1) If the County fails to timely or adequately provide, as determined by DEO in its sole, reasonable discretion, any of the reports, documents, certification(s), or portions thereof required by this Agreement, or requested by DEO pursuant to this Agreement, including, but not limited to, the reports, documents, and certifications described in Article 4, *Dates and Obligations of the County*, of this Agreement, DEO will provide written notice of said failure to the County. The County shall have 30 days from such written notice to cure the failure (which notice shall state with particularity what report, document, certification or portion thereof that DEO considers has not been provided), prior to the imposition of any financial consequence; however, if said failure is not cured, in DEO's sole, reasonable discretion, after 30 calendar days, a financial consequence of \$100.00 per calendar day will be imposed until such time as the failure is cured. If said breach or default is not capable of being cured within 30 days, the County shall provide DEO with a response setting forth a plan, including a timeframe, for curing the breach or default, which is subject to review and approval by DEO. Following said review and approval, the County shall not be subject to any financial consequence if County complies with the plan for cure; however, if, in DEO's sole reasonable discretion, the County fails to comply with the plan for cure, a financial consequence of \$100.00 per calendar day will be imposed until such time as the County complies with the plan for cure or until the breach or default is cured, whichever occurs earlier. This financial consequence shall be imposed independently for each outstanding document or missing or inadequate portion thereof.

(2) If no Spring Training Franchise is operating at the Facility during the term of this Agreement either (a) due to modifications to the County's Spring Training Facility Lease and Use Agreement with a Spring Training Franchise, made without DEO's prior consent, or (b) due to the departure of the Spring Training Franchise resulting from a breach of contract by the County as determined by an administrative tribunal or a court of competent jurisdiction, and if DEO does not receive adequate repayment from the Spring Training Franchise, DEO may impose a financial consequence in an amount up to 100% of the County's remaining monthly distributions received from the State under this Agreement, each month if a Spring Training Franchise is not operating at the Facility, until such time as the County cures, in DEO's sole, reasonable discretion, said breach or default.

Provided, however, the above financial consequence shall terminate if the County enters into a new lease agreement with a replacement Spring Training Franchise, which must be with a major league

baseball Spring Training Franchise and approved by DBO, for a term at least equal to the time remaining on the original Spring Training Franchise Lease and Use Agreement.

(3) If DBO determines that the County has knowingly submitted or certified to information, or knowingly made a representation, that is false, misleading, deceptive, or otherwise untrue, and said submittal, certification, or representation relates to a material provision of this Agreement, DBO shall provide notice of the same to the County. The County shall have 30 days from such notice to respond to DBO's determination. If, following the receipt of the County's response, DBO determines that the County has violated this subsection, DBO may at its option either (a) impose a liquidated financial consequence in an amount up to the County's monthly distributions received from the State under this Agreement for a single month, or (b) pursue any rights and remedies available at law to DBO for the false, misleading, deceptive or otherwise untrue representation. This section shall not in any way limit the rights of DBO under law, including, but not limited to, the right to seek rescission of this Agreement based on fraud in the inducement principles.

(4) Following completion of the facility, which is to occur within 24 months from the project's commencement, as described in s. 288.11631(3)(d)3., F.S., if the County has failed to maintain its financial commitment to provide 50 percent or more of the funds required for the construction or renovation of the Facility, DBO shall provide the County a notice and at least 60 days opportunity to cure the deficiency. If the deficiency is not timely cured, the County shall repay to DBO a pro-rated amount of the total award, calculated by multiplying the percentage of funds not matched by the total award. DBO shall permit the County to make such repayments in equal parts for the remainder of the term of this Agreement.

(c) If the County materially breaches, or defaults under, this Agreement, other than as described in subsections (b)(1)-(4) above, DBO shall provide 60 days written notice to the County, during which time the County shall either enter into a corrective action plan with DBO that must be agreeable to DBO, or the County must otherwise cure the breach. If the County fails to enter into a corrective action plan with DBO, or otherwise cure the breach, or if the County fails to substantially comply with the terms of the corrective action plan, DBO may impose a financial consequence in an amount of up to \$5000 each month, until such time as the County cures, in DBO's sole, reasonable discretion, said breach or default, or begins complying with the corrective action plan agreed to between DBO and the County.

(d) The County and DBO agree that whenever one Spring Training Franchise would be required by section 288.11631, F.S., or by this or any other agreement, including the Spring Training Facility Lease and Use Agreement with the New York Mets, or by other law, to repay to DBO amounts that were or will be provided to the County under this Agreement, DBO must demand such amounts from the Spring Training Franchise.

(e) The sanctions set forth in this section 15 are not sole remedies, and shall be cumulative with any rights and remedies available to DBO under law.

16. SEVERABILITY.

If any term or provision of this Agreement, in whole or in part, is found by a court of competent jurisdiction to be illegal, invalid, or unenforceable, then such term or provision shall be severed from this Agreement. This Agreement and the rights and obligations of the Parties shall be construed as if this Agreement did not contain such severed terms or provision, and this Agreement otherwise shall remain in full force and effect.

17. PRESERVATION OF REMEDIES.

No delay or omission to exercise any right, power, or remedy according to either Party upon breach or default under this Agreement will impair any such right, power, or remedy of either Party, nor will such delay or omission be construed as a waiver of any such breach or default or any similar breach or default. Any waiver must be in writing and signed by the Party to be charged. No waiver of a right, power, or remedy shall, or shall be construed to, waive any similar or future right, power, or remedy. The rights and remedies available to DEO under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to DEO.

18. DISCRIMINATORY VENDOR.

The County acknowledges the provisions of section 287.134, F.S. The County shall disclose to DEO if any of its affiliates, as defined by section 287.134(1)(a), F.S. appears on the discriminatory vendor list. The County shall ensure provisions in accordance with section 287.143, F.S., are present in all agreements, assignments, leases, contracts, and subcontracts in furtherance of or related to this Agreement which are entered into after the effective date of this Agreement.

19. NON-DISCRIMINATION.

The County shall not discriminate against any employee employed in the performance of this Agreement, or against any applicant for employment because of age, race, sex, creed, color, handicap, national origin, or marital status. The County shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement which are entered into after the effective date of this Agreement.

20. HARASSMENT-FREE WORKPLACE

The County shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management. The County shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement that executed after the effective date of this Agreement.

21. PUBLIC ENTITY CRIMES.

The County affirms that it is aware of the provisions of section 287.133, F.S., and that at no time has the County, its Spring Training Franchise, or its affiliates, as defined by section 287.133(1)(a), F.S., been convicted of a Public Entity Crime. The County agrees that it shall not violate such law. The County shall insert a provision in accordance with this Article and the applicable Florida Statutes in all agreements, assignments, leases, contracts, and subcontracts in connection with or related to this Agreement that are either an agreement with the Spring Training Franchise, or are another agreement and are either amended or executed after the effective date of this Agreement.

22. WARRANTY OF ABILITY TO PERFORM.

The County warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would prohibit, restrain, or diminish the County's or its Spring Training Franchise, beneficiary's or its affiliates' ability to satisfy

its Agreement duties or obligations. The County shall immediately notify DEO in writing if the County's or its Spring Training Franchise's or its affiliates' ability to perform in connection with this Agreement is compromised in any manner during the term of this Agreement.

23. PROMOTION/ADVERTISEMENT OF FACILITY.

The County shall undertake reasonable efforts to promote and advertise the Facility.

24. LOBBYING.

(a) Pursuant to sections 11.062 and 216.347, F.S., the County shall not use any funds received under this Agreement for lobbying the Legislature, the judicial branch, or any state agency.

(b) The County will keep DEO apprised of any requests for testimony or its participation in any Congressional, legislative and other State or Federal hearings, or agency, committee, or task force meetings or the like, related to this Agreement.

(c) The County shall insert a provision in accordance with this Article, in all agreements, assignments, leases, contracts, or subcontracts related to this Agreement or for which funds distributed pursuant to this Agreement are to be expended, that are either an agreement with the Spring Training Franchise, or are another agreement and are either amended or executed after the effective date of this Agreement.

25. ATTORNEY FEES.

DEO shall not be liable to pay attorney fees, interest, expenses or cost of collection in conjunction with this Agreement.

26. NON-ASSIGNMENT.

(a) Except as otherwise provided in this Agreement, neither party may assign, delegate, nor otherwise transfer its rights, duties, or obligations under this Agreement without the prior written consent of the other Party, which consent will not be unreasonably delayed, conditioned or withheld. Any assignment, delegation, or transfer in violation of this Article is void *ab initio*. In the event DEO approves an assignment, delegation or transfer of the v's obligations under this Agreement, the County hereby agrees that it shall remain responsible for all work performed and all expenses incurred in connection with this Agreement, regardless of such an assignment, delegation, or transfer. In addition, this Agreement shall bind the successors, assigns or legal representatives of the County.

(b) Notwithstanding Article 26(a) above, DEO shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to another governmental agency in the State of Florida, upon giving 30 days prior written notice to the County. This Agreement shall bind the successors, assigns or legal representatives of DEO and the State of Florida.

27. RENEGOTIATION AND AMENDMENTS.

The Parties agree to renegotiate this Agreement if Federal and/or State revisions of any applicable laws or regulations make changes to this Agreement necessary. In addition to changes necessitated

by law, DEO may at any time, with written notice to the County, make changes within the general scope of this Agreement. Such changes may include modification of the requirements, changes to processing procedures, or other changes as decided by DEO. Any investigation necessary to determine the impact of any such change(s) shall be the responsibility of the County. Amendments to or modifications of this Agreement shall only be valid when such change(s) are in writing and duly executed by all Parties. Any such change(s) shall become effective upon the date of execution of both Parties or such later date as may be specified therein.

28. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.

Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay or failure to perform from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay or failure to perform is excusable under this paragraph, the delay or failure to perform will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay or failure to perform the County believes is excusable under this paragraph, the County shall notify DEO in writing of the delay, potential delay, potential inability to perform, or failure to perform and describe the cause of such either: (1) within ten calendar days after the cause that creates or will create the delay or nonperformance first arose, if the County could reasonably foresee that a delay or nonperformance could occur as a result; or (2) within five calendar days after the date County first had reason to believe that a delay or nonperformance could result, if the delay or nonperformance is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. ADDITIONALLY, THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO NONPERFORMANCE BASED ON AN EVENT OF FORCE MAJEURE.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay or nonperformance is excusable under this paragraph and will notify the County of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against DEO. The County shall not be entitled to an increase in the Agreement distribution amount of any kind from DEO for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If the County's performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, the County shall perform per the terms of this Agreement, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance from the County, provided the County grants preferential treatment to DEO with respect to any such allocation; (2) terminate the Agreement in whole or in part; or (3) pursue any other rights or remedies provided by law or under the Agreement.

29. AUTHORITY OF THE COUNTY'S SIGNATORY.

Upon execution, the County shall return executed copies of this Agreement in accordance with the instructions provided by DEO along with documentation ensuring that the below signatory has

authority to bind the County to this Agreement as of the date of execution. Documentation may be in the form of a legal opinion from the County's attorney, or other reliable documentation demonstrating such authority, and is hereby incorporated by reference. DEO may, in its discretion, request additional documentation related to the below signatory's authority to bind the County to this Agreement.

30. NO THIRD PARTY BENEFICIARIES.

Nothing in this Agreement, express or implied, is intended to either: (a) confer upon any third person or entity, other than the Parties and their permitted successors and assigns hereto, any rights or remedies under or by reason of the terms and conditions of this Agreement as a third party beneficiary or otherwise, except as may be specifically provided for in this Agreement; or (b) authorize any person or entity not a party to this Agreement to maintain any legal action or bring any claim for its benefit, pursuant to or based upon the terms and conditions of this Agreement.

31. INFORMATION RELEASE AND ADVERTISING.

DEO does not endorse any commodity, service, project, or entity. Subject to chapters 119 and 286, F.S., the County shall not publicly disclose or disseminate any information concerning this Agreement without prior written approval from DEO, including, but not limited to mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking the County and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any entity that is not a Party to this Agreement, except potential or actual authorized contractors, subcontractors, distributors, dealers, resellers, or service representatives.

32. CONFLICT OF INTEREST.

This Agreement and the use of funds distributed pursuant to this Agreement are subject to chapter 112, F.S. The County shall disclose the name of any officer, director, employee, or other agent of the County, who is also an employee of the State. The County shall disclose the name of any County employee or agent who owns, directly or indirectly, more than 5 percent of the total assets or capital stock of any business entity or its affiliates receiving funds from this Agreement.

33. [INTENTIONALLY LEFT BLANK]

34. RETURN OR REQUIRMENT OF FUNDS.

(a) The County shall return to DEO any overpayments (funds paid in excess of the amount to which the County is entitled under the terms and conditions of this Agreement) distributed to the County. If the County or its independent auditor discovers an overpayment has been made, the County shall repay said overpayment within 60 calendar days without prior notification from DEO. If DEO first discovers an overpayment has been made, DEO will notify the County by letter. DEO shall be entitled to charge interest at the lawful rate of interest on the outstanding balance beginning 61 calendar days after the date of DEO's notification or the County's or its auditor's discovery. The County shall send repayments to DEO's Agreement Manager, and make checks payable to the "Department of Economic Opportunity."

(b) The Parties acknowledge that s. 17.0415, Florida Statutes, permits the Chief Financial Officer of the State of Florida to assign claims among the state, its agencies, and its subdivisions, whether arising from criminal, civil, or other judgments in state or federal court.

35. [INTENTIONALLY LEFT BLANK]

36. EXECUTION IN COUNTERPARTS.

This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

37. ENTIRE AGREEMENT.

This Agreement and the Attachments and Exhibits attached hereto constitute the complete and exclusive statement of conditions of the Agreement and supersedes and replaces any and all prior negotiations, understandings, and agreements, whether oral or written, between the Parties with respect thereto. Except as expressly provided in this Agreement, no term, condition, usage of trade, course of dealing or performance, understanding of agreement purporting to modify, vary, explain or supplement the provisions of this Agreement shall be effective or binding upon the Parties unless agreed to in writing.

IN WITNESS HEREOF, and in consideration of the mutual covenants set forth above and to the Attachments and Exhibits hereto, the Parties have caused to be executed this Agreement by their undersigned duly authorized officials. ATTACHMENT A AUDIT REQUIREMENTS

The administration of resources awarded by DEO to the recipient may be subject to audits and/or monitoring by DEO as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by DEO staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. Exhibit 1 to this agreement indicates Federal resources awarded through DEO by this agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from DEO. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from the recipient resources obtained from other than Federal entities).

4. Title 2 CFR, part 200, entitled *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, also known as the Super Circular, supersedes and consolidates the requirements of OMB Circulars A-21, A-87, A-113, A-122, A-89, A-102 and A-133 and is effective for Federal awards or increments of awards issued on or after December 26, 2014. Please refer to title 2 CFR part 200 for revised definitions, reporting requirements and auditing thresholds referenced in this Attachment and Agreement accordingly.

PART II: STATE FUNDED

This part is applicable if the recipient is a non-state entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in its fiscal year of such recipient (for fiscal years ending September 30, 2004 or thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S., applicable rules of the Department of Financial Services and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. Exhibit 1 to this agreement indicates state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from DEO, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of section 215.97(3), Florida Statutes. This includes submission of a financial reporting package as defined by section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004 or thereafter), an audit conducted in accordance with the provisions of section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

Notwithstanding anything herein or in the Addendum to the contrary, DEO acknowledges and agrees that the County intends to issue a series of bonds to finance and/or refinance a portion of the cost of the Project and that the debt service on said bonds or any refunding bonds will be paid from the \$20 million provided for herein, and that, pursuant to section 288.11631(5)(f), F.S., the County may therefore not be decertified by DEO once said bonds are issued. The provisions of Articles 8, 9, 11, 12, 13, 15, 16, 17, 25, 30, 31, and 34 shall survive the expiration of this Agreement; provided, however, that the record-keeping and audit-related obligations set forth in Article 11, Audits and Records, of this Agreement shall terminate in accordance with the requirements of Article 11. 4. DUTIES AND OBLIGATIONS OF THE COUNTY.

STATUTORY REQUIREMENTS

(a) The County shall comply with all the provisions of this Agreement and shall continually throughout the term of this Agreement, meet all requirements for certification within section 288.11631, F.S. (2015), as verified and determined by DEO, which includes, but is not limited to, the following:

(1) The County is responsible for the construction or renovation of the Facility for a spring training franchise or holds title to the property on which the facility for a spring training franchise is located.

The signed agreement with a spring training franchise for the use of a facility must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating a facility for a spring training franchise. The lease agreement must also require the franchise to reimburse the State if the franchise relocates before the lease agreement expires; the required reimbursement must be equal to the total amount of state distributions expected to be paid from the date the franchise breaks its lease agreement with the County through the final maturity of the bonds.

(4) The County must demonstrate, at least annually, that the facility for a spring training franchise will attract (prior to completion of the County's Stadium Construction and Renovation Project) or does attract (after completion of the County's Stadium Construction and Renovation Project) a paid attendance of at least 50,000 persons annually to the spring training games held in that facility.

(5) The facility for a spring training franchise must be located in a county that levies a tourist development tax under section 125.0104, F.S.

(b) As a certified applicant under section 288.11631, F.S., the County may use state funds provided under section 212.20(6)(d)6.e, F.S. and this Agreement, only to:

The County agrees it has, and will have, at all times throughout the term of this Agreement, and will enforce, a valid provision for such reimbursement to the State in the Spring Training Facility Lease and Use Agreement with the Spring Training Franchise. DEO acknowledges and agrees that the provisions of Spring Training Facility Lease and Use Agreement and the Addendum meet the requirements of section 288.11631, F.S.

(g) The County agrees that, prior to making any material changes, amendments, modifications, extensions or the like, to the County's Spring Training and Facility Lease and Use Agreement, or the terms thereof, that have any effect on DEO's or the State's rights or privileges, including, but not limited to, the Spring Training Franchise's assignment of its rights and obligations under the lease, or the County's certification or the Spring Training Franchise's reimbursement requirements under section 288.11631, F.S., the County shall obtain DEO's prior, written approval.

(e) The provisions of chapter 119, F.S., and other applicable Florida and federal laws govern the disclosure of any confidential information received by the Parties.

(1) If the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, partners, contractors, or subcontractors submit records to DEO that the County, the County's Spring Training Franchise or its affiliates, or the County's contractors or subcontractors, deems legally confidential and/or exempt from public disclosure, as trade secrets, proprietary confidential business information, or for any other valid legal exemption under applicable Florida or Federal law, such records must be properly identified as such prior to submission to DEO. Failure to identify the legal basis for and the specific content of each claim of exemption and/or confidentiality from the requirements of chapter 119, F.S. or other law, prior to submittal of the record to DEO, may serve as a waiver of a claim of exemption and/or confidentiality of that record.

(2) The County shall ensure that public records in the custody and/or control of the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, partners, contractors or subcontractors that are confidential are not disclosed except as authorized by law.

(3) The County shall not disclose to third parties any confidential information obtained by the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, officers, contractors or subcontractors in furtherance of this Agreement.

(4) The County shall notify DEO verbally within 24 hours, and in writing within 72 hours of any improper disclosure or unauthorized use of confidential information related to this Agreement by

the County, its employees, agents, or representatives which is not in compliance with the terms of this Agreement or Federal or State law or if any information related to this Agreement is subpoenaed.

(ii) The County shall make a report to DEO not more than 7 business days after the County learns of such an improper disclosure or unauthorized use of confidential information. The County's report shall identify, to the extent known, the nature of the improper disclosure or unauthorized use, the confidential information disclosed or used, who made the disclosure of or used the information, what the County has done or shall do to mitigate any deleterious effect of the improper disclosure or unauthorized use, and what corrective action the County has taken or shall take to prevent future similar unauthorized use or improper disclosure. The County shall provide any other such information about the unauthorized use or improper disclosure as reasonably requested by DEO. The County shall take all steps DEO deems advisable to mitigate, resolve and/or prevent the unauthorized use or improper disclosure of confidential information shared or exchanged by the Parties and their affiliates in connection with this Agreement.

(f) Upon expiration of this Agreement, County shall either (a) transfer, at no cost, to DEO all public records in possession of County which are reasonably related to this Agreement or (b) keep and maintain public records which are reasonably related to this Agreement as required by law. If the County keeps and maintains public records upon completion of the Agreement, County shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to DEO, upon request from the DEO's custodian of records, in a format that is compatible with the information technology systems of DEO.

(g) To the extent allowable by law, and without waiving the sovereign immunity of the County, the County shall be fully liable for the actions of its Spring Training Franchise, agents, employees, partners, contractors, and subcontractors and shall fully indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to public record requests or public record law violation(s), alleged to be caused in whole or in part by the County, its Spring Training Franchise, agents, employees, partners, contractors, or subcontractors, provided, however, that the County does not indemnify for that portion of any costs or damages proximately caused by the negligent act or omission of the State or DEO. DEO, in its sole discretion, has the right, but the not obligation, to enforce this indemnification provision.

(h) The County shall include provisions in accordance with this Article, chapter 119, F.S., and all applicable Florida public records law, in all agreements, assignments, leases, contracts, and subcontracts executed or amended after the effective date of this Agreement for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement.

13. GOVERNING LAW.

This Agreement is executed and entered into in the State of Florida, and shall be construed, performed, and enforced in all respects in accordance with the laws, rules, and regulations of the State of Florida. Each Party shall perform its obligations herein in accordance with the terms and conditions of this Agreement. Without limiting the provisions of Article 15, *Branch, Financial Consequences, and Remedies*, or Article 34, *Return or Recoupment of Funds*, of this Agreement, the exclusive venue of any legal or equitable action that arises out of or relates to this Agreement to which DEO is or may be a party shall be brought in the appropriate court in Leon County, Florida, applying Florida law; in any such action, the County waives any right to jury trial.

14. STRICT COMPLIANCE.

The County agrees that all acts to be performed by it in connection with this Agreement must be performed in strict conformity with all local, State and Federal laws and regulations. For the avoidance of doubt, to the extent of any conflict between the terms of this Agreement and any law or regulation, the law or regulation shall control.

15. BREACH, FINANCIAL CONSEQUENCES, AND REMEDIES.

(a) If the County fails to comply with any of the terms of this Agreement, including but not limited to, timely delivery of the reports required under this Agreement, or continuing to meet the criteria for certification under section 288.11631, F.S., DEO may exercise any of the remedies available to it at law or in equity, and including, but without limitation, imposition of financial consequences as set forth in subsections (b) and (c) below.

(b) If the County fails to cure any breach or default of this Agreement or applicable law related thereto, DEO may impose the following financial consequences, as allowable by law:

(1) If the County fails to timely or adequately provide, as determined by DEO in its sole, reasonable discretion, any of the reports, documents, certification(s), or portions thereof required by this Agreement, or requested by DEO pursuant to this Agreement, including, but not limited to, the reports, documents, and certifications described in Article 4, *Dates and Obligations of the County*, of this Agreement, DEO will provide written notice of said failure to the County. The County shall have 30 days from such written notice to cure the failure (which notice shall state with particularity what report, document, certification or portion thereof that DEO considers has not been provided), prior to the imposition of any financial consequence; however, if said failure is not cured, in DEO's sole, reasonable discretion, after 30 calendar days, a financial consequence of \$100.00 per calendar day will be imposed until such time as the failure is cured. If said breach or default is not capable of being cured within 30 days, the County shall provide DEO with a response setting forth a plan, including a timeframe, for curing the breach or default, which is subject to review and approval by DEO. Following said review and approval, the County shall not be subject to any financial consequence if County complies with the plan for cure; however, if, in DEO's sole reasonable discretion, the County fails to comply with the plan for cure, a financial consequence of \$100.00 per calendar day will be imposed until such time as the County complies with the plan for cure or until the breach or default is cured, whichever occurs earlier. This financial consequence shall be imposed independently for each outstanding document or missing or inadequate portion thereof.

(2) If no Spring Training Franchise is operating at the Facility during the term of this Agreement either (a) due to modifications to the County's Spring Training Facility Lease and Use Agreement with a Spring Training Franchise, made without DEO's prior consent, or (b) due to the departure of the Spring Training Franchise resulting from a breach of contract by the County as determined by an administrative tribunal or a court of competent jurisdiction, and if DEO does not receive adequate repayment from the Spring Training Franchise, DEO may impose a financial consequence in an amount up to 100% of the County's remaining monthly distributions received from the State under this Agreement, each month if a Spring Training Franchise is not operating at the Facility, until such time as the County cures, in DEO's sole, reasonable discretion, said breach or default.

Provided, however, the above financial consequence shall terminate if the County enters into a new lease agreement with a replacement Spring Training Franchise, which must be with a major league

baseball Spring Training Franchise and approved by DBO, for a term at least equal to the time remaining on the original Spring Training Franchise Lease and Use Agreement.

(3) If DBO determines that the County has knowingly submitted or certified to information, or knowingly made a representation, that is false, misleading, deceptive, or otherwise untrue, and said submittal, certification, or representation relates to a material provision of this Agreement, DBO shall provide notice of the same to the County. The County shall have 30 days from such notice to respond to DBO's determination. If, following the receipt of the County's response, DBO determines that the County has violated this subsection, DBO may at its option either (a) impose a liquidated financial consequence in an amount up to the County's monthly distributions received from the State under this Agreement for a single month, or (b) pursue any rights and remedies available at law to DBO for the false, misleading, deceptive or otherwise untrue representation. This section shall not in any way limit the rights of DBO under law, including, but not limited to, the right to seek rescission of this Agreement based on fraud in the inducement principles.

(4) Following completion of the facility, which is to occur within 24 months from the project's commencement, as described in s. 288.11631(3)(d)3., F.S., if the County has failed to maintain its financial commitment to provide 50 percent or more of the funds required for the construction or renovation of the Facility, DBO shall provide the County a notice and at least 60 days opportunity to cure the deficiency. If the deficiency is not timely cured, the County shall repay to DBO a pro-rated amount of the total award, calculated by multiplying the percentage of funds not matched by the total award. DBO shall permit the County to make such repayments in equal parts for the remainder of the term of this Agreement.

(c) If the County materially breaches, or defaults under, this Agreement, other than as described in subsections (b)(1)-(4) above, DBO shall provide 60 days written notice to the County, during which time the County shall either enter into a corrective action plan with DBO that must be agreeable to DBO, or the County must otherwise cure the breach. If the County fails to enter into a corrective action plan with DBO, or otherwise cure the breach, or if the County fails to substantially comply with the terms of the corrective action plan, DBO may impose a financial consequence in an amount of up to \$5000 each month, until such time as the County cures, in DBO's sole, reasonable discretion, said breach or default, or begins complying with the corrective action plan agreed to between DBO and the County.

(d) The County and DBO agree that whenever one Spring Training Franchise would be required by section 288.11631, F.S., or by this or any other agreement, including the Spring Training Facility Lease and Use Agreement with the New York Mets, or by other law, to repay to DBO amounts that were or will be provided to the County under this Agreement, DBO must demand such amounts from the Spring Training Franchise.

(e) The sanctions set forth in this section 15 are not sole remedies, and shall be cumulative with any rights and remedies available to DBO under law.

16. SEVERABILITY.

If any term or provision of this Agreement, in whole or in part, is found by a court of competent jurisdiction to be illegal, invalid, or unenforceable, then such term or provision shall be severed from this Agreement. This Agreement and the rights and obligations of the Parties shall be construed as if this Agreement did not contain such severed terms or provision, and this Agreement otherwise shall remain in full force and effect.

17. PRESERVATION OF REMEDIES.

No delay or omission to exercise any right, power, or remedy according to either Party upon breach or default under this Agreement will impair any such right, power, or remedy of either Party, nor will such delay or omission be construed as a waiver of any such breach or default or any similar breach or default. Any waiver must be in writing and signed by the Party to be charged. No waiver of a right, power, or remedy shall, or shall be construed to, waive any similar or future right, power, or remedy. The rights and remedies available to DEO under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to DEO.

18. DISCRIMINATORY VENDOR.

The County acknowledges the provisions of section 287.134, F.S. The County shall disclose to DEO if any of its affiliates, as defined by section 287.134(1)(a), F.S. appears on the discriminatory vendor list. The County shall ensure provisions in accordance with section 287.143, F.S., are present in all agreements, assignments, leases, contracts, and subcontracts in furtherance of or related to this Agreement which are entered into after the effective date of this Agreement.

19. NON-DISCRIMINATION.

The County shall not discriminate against any employee employed in the performance of this Agreement, or against any applicant for employment because of age, race, sex, creed, color, handicap, national origin, or marital status. The County shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement which are entered into after the effective date of this Agreement.

20. HARASSMENT-FREE WORKPLACE

The County shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management. The County shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement that executed after the effective date of this Agreement.

21. PUBLIC ENTITY CRIMES.

The County affirms that it is aware of the provisions of section 287.133, F.S., and that at no time has the County, its Spring Training Franchise, or its affiliates, as defined by section 287.133(1)(a), F.S., been convicted of a Public Entity Crime. The County agrees that it shall not violate such law. The County shall insert a provision in accordance with this Article and the applicable Florida Statutes in all agreements, assignments, leases, contracts, and subcontracts in connection with or related to this Agreement that are either an agreement with the Spring Training Franchise, or are another agreement and are either amended or executed after the effective date of this Agreement.

22. WARRANTY OF ABILITY TO PERFORM.

The County warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would prohibit, restrain, or diminish the County's or its Spring Training Franchise, beneficiary's or its affiliates' ability to satisfy

its Agreement duties or obligations. The County shall immediately notify DEO in writing if the County's or its Spring Training Franchise's or its affiliates' ability to perform in connection with this Agreement is compromised in any manner during the term of this Agreement.

23. PROMOTION/ADVERTISEMENT OF FACILITY.

The County shall undertake reasonable efforts to promote and advertise the Facility.

24. LOBBYING.

(a) Pursuant to sections 11.062 and 216.347, F.S., the County shall not use any funds received under this Agreement for lobbying the Legislature, the judicial branch, or any state agency.

(b) The County will keep DEO apprised of any requests for testimony or its participation in any Congressional, legislative and other State or Federal hearings, or agency, committee, or task force meetings or the like, related to this Agreement.

(c) The County shall insert a provision in accordance with this Article, in all agreements, assignments, leases, contracts, or subcontracts related to this Agreement or for which funds distributed pursuant to this Agreement are to be expended, that are either an agreement with the Spring Training Franchise, or are another agreement and are either amended or executed after the effective date of this Agreement.

25. ATTORNEY FEES.

DEO shall not be liable to pay attorney fees, interest, expenses or cost of collection in conjunction with this Agreement.

26. NON-ASSIGNMENT.

(a) Except as otherwise provided in this Agreement, neither party may assign, delegate, nor otherwise transfer its rights, duties, or obligations under this Agreement without the prior written consent of the other Party, which consent will not be unreasonably delayed, conditioned or withheld. Any assignment, delegation, or transfer in violation of this Article is void *ab initio*. In the event DEO approves an assignment, delegation or transfer of the v's obligations under this Agreement, the County hereby agrees that it shall remain responsible for all work performed and all expenses incurred in connection with this Agreement, regardless of such an assignment, delegation, or transfer. In addition, this Agreement shall bind the successors, assigns or legal representatives of the County.

(b) Notwithstanding Article 26(a) above, DEO shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to another governmental agency in the State of Florida, upon giving 30 days prior written notice to the County. This Agreement shall bind the successors, assigns or legal representatives of DEO and the State of Florida.

27. RENEGOTIATION AND AMENDMENTS.

The Parties agree to renegotiate this Agreement if Federal and/or State revisions of any applicable laws or regulations make changes to this Agreement necessary. In addition to changes necessitated

by law, DEO may at any time, with written notice to the County, make changes within the general scope of this Agreement. Such changes may include modification of the requirements, changes to processing procedures, or other changes as decided by DEO. Any investigation necessary to determine the impact of any such change(s) shall be the responsibility of the County. Amendments to or modifications of this Agreement shall only be valid when such change(s) are in writing and duly executed by all Parties. Any such change(s) shall become effective upon the date of execution of both Parties or such later date as may be specified therein.

28. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.

Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay or failure to perform from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay or failure to perform is excusable under this paragraph, the delay or failure to perform will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay or failure to perform the County believes is excusable under this paragraph, the County shall notify DEO in writing of the delay, potential delay, potential inability to perform, or failure to perform and describe the cause of such either: (1) within ten calendar days after the cause that creates or will create the delay or nonperformance first arose, if the County could reasonably foresee that a delay or nonperformance could occur as a result; or (2) within five calendar days after the date County first had reason to believe that a delay or nonperformance could result, if the delay or nonperformance is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. ADDITIONALLY, THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO NONPERFORMANCE BASED ON AN EVENT OF FORCE MAJEURE.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay or nonperformance is excusable under this paragraph and will notify the County of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against DEO. The County shall not be entitled to an increase in the Agreement distribution amount of any kind from DEO for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If the County's performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, the County shall perform per the terms of this Agreement, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance from the County, provided the County grants preferential treatment to DEO with respect to any such allocation; (2) terminate the Agreement in whole or in part; or (3) pursue any other rights or remedies provided by law or under the Agreement.

29. AUTHORITY OF THE COUNTY'S SIGNATORY.

Upon execution, the County shall return executed copies of this Agreement in accordance with the instructions provided by DEO along with documentation ensuring that the below signatory has

authority to bind the County to this Agreement as of the date of execution. Documentation may be in the form of a legal opinion from the County's attorney, or other reliable documentation demonstrating such authority, and is hereby incorporated by reference. DEO may, in its discretion, request additional documentation related to the below signatory's authority to bind the County to this Agreement.

30. NO THIRD PARTY BENEFICIARIES.

Nothing in this Agreement, express or implied, is intended to either: (a) confer upon any third person or entity, other than the Parties and their permitted successors and assigns hereto, any rights or remedies under or by reason of the terms and conditions of this Agreement as a third party beneficiary or otherwise, except as may be specifically provided for in this Agreement; or (b) authorize any person or entity not a party to this Agreement to maintain any legal action or bring any claim for its benefit, pursuant to or based upon the terms and conditions of this Agreement.

31. INFORMATION RELEASE AND ADVERTISING.

DEO does not endorse any commodity, service, project, or entity. Subject to chapters 119 and 286, F.S., the County shall not publicly disclose or disseminate any information concerning this Agreement without prior written approval from DEO, including, but not limited to mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking the County and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any entity that is not a Party to this Agreement, except potential or actual authorized contractors, subcontractors, distributors, dealers, resellers, or service representatives.

32. CONFLICT OF INTEREST.

This Agreement and the use of funds distributed pursuant to this Agreement are subject to chapter 112, F.S. The County shall disclose the name of any officer, director, employee, or other agent of the County, who is also an employee of the State. The County shall disclose the name of any County employee or agent who owns, directly or indirectly, more than 5 percent of the total assets or capital stock of any business entity or its affiliates receiving funds from this Agreement.

33. [INTENTIONALLY LEFT BLANK]

34. RETURN OR REQUIRMENT OF FUNDS.

(a) The County shall return to DEO any overpayments (funds paid in excess of the amount to which the County is entitled under the terms and conditions of this Agreement) distributed to the County. If the County or its independent auditor discovers an overpayment has been made, the County shall repay said overpayment within 60 calendar days without prior notification from DEO. If DEO first discovers an overpayment has been made, DEO will notify the County by letter. DEO shall be entitled to charge interest at the lawful rate of interest on the outstanding balance beginning 61 calendar days after the date of DEO's notification or the County's or its auditor's discovery. The County shall send repayments to DEO's Agreement Manager, and make checks payable to the "Department of Economic Opportunity."

(b) The Parties acknowledge that s. 17.0415, Florida Statutes, permits the Chief Financial Officer of the State of Florida to assign claims among the state, its agencies, and its subdivisions, whether arising from criminal, civil, or other judgments in state or federal court.

35. [INTENTIONALLY LEFT BLANK]

36. EXECUTION IN COUNTERPARTS.

This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

37. ENTIRE AGREEMENT.

This Agreement and the Attachments and Exhibits attached hereto constitute the complete and exclusive statement of conditions of the Agreement and supersedes and replaces any and all prior negotiations, understandings, and agreements, whether oral or written, between the Parties with respect thereto. Except as expressly provided in this Agreement, no term, condition, usage of trade, course of dealing or performance, understanding of agreement purporting to modify, vary, explain or supplement the provisions of this Agreement shall be effective or binding upon the Parties unless agreed to in writing.

IN WITNESS HEREOF, and in consideration of the mutual covenants set forth above and to the Attachments and Exhibits hereto, the Parties have caused to be executed this Agreement by their undersigned duly authorized officials. By signature below, both Parties agree to abide by the terms, conditions, and provisions of this Agreement.

ATTACHMENT A AUDIT REQUIREMENTS

The administration of resources awarded by DEO to the recipient may be subject to audits and/or monitoring by DEO as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by DEO staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. Exhibit 1 to this agreement indicates Federal resources awarded through DEO by this agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from DEO. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from the recipient resources obtained from other than Federal entities).

4. Title 2 CFR, part 200, entitled *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, also known as the Super Circular, supersedes and consolidates the requirements of OMB Circulars A-21, A-87, A-113, A-122, A-89, A-102 and A-133 and is effective for Federal awards or increments of awards issued on or after December 26, 2014. Please refer to title 2 CFR part 200 for revised definitions, reporting requirements and auditing thresholds referenced in this Attachment and Agreement accordingly.

PART II: STATE FUNDED

This part is applicable if the recipient is a non-state entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in its fiscal year of such recipient (for fiscal years ending September 30, 2004 or thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S., applicable rules of the Department of Financial Services and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. Exhibit 1 to this agreement indicates state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from DEO, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of section 215.97(3), Florida Statutes. This includes submission of a financial reporting package as defined by section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004 or thereafter), an audit conducted in accordance with the provisions of section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).
4. Additional information regarding the Florida Single Audit Act can be found at
<http://www.dms.florida.com/audgen/pages/flsaa.htm>

**THIRD AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate as of ^{August 4} ~~July~~ _____, 2020, by and between ST. LUCIE COUNTY, a political subdivision of the State of Florida ("County"), and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex (the "Project") as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to modify the process for tax savings on large material purchases for this public Project in accordance with Section 212.08(6) of the Florida Statutes and Rule 12A-1.094 of the Florida Administrative Code, as set forth in the Second Amendment to the Facilities Use Agreement; and

WHEREAS, the parties additionally desire to amend Exhibit "M" to the FUA, to update the advertising services obligations of the parties; and

WHEREAS, the parties seek to establish an escrow arrangement for the additional up to \$2,000,000 financial commitment that SFS agreed to fund in accordance with the Second Amendment to the FUA dated February 19, 2019; and

WHEREAS, the parties desire to enter into this Third Amendment to the FUA to add the terms herein contained,

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, **IT IS AGREED AS FOLLOWS:**

1. AMENDMENT OF SECTION 42 TO THE FUA

Section 42 of the FUA is deleted in its entirety and replaced with the following::

"For qualifying material purchases in excess of \$10,000.00, the County may elect to implement an Owner Direct Purchase in accordance with Section 212.08(6) of the Florida Statutes at the request of SFS. It is the sole discretion and responsibility of SFS, in connection with the Construction Manager building the Project, to recommend and request the use of Owner Direct Purchasing on qualifying purchases. The County has no obligation or responsibility to determine if qualifying purchases exist or to recommend the use of Owner Direct Purchasing to incur tax savings. Furthermore, the County may deny a request for failure to conform to the requirements of this Section of the FUA or if the County determines in its reasonable discretion that an Owner Direct Purchase would not comply with Section 212.08(6) of the Florida Statutes. If any purchase made pursuant to this Agreement incurs a tax penalty, then the liability shall be distributed as follows:

- a. Any and all sales tax liability incurred as result of SFS' failure to comply with the material terms and requirements of the FUA, as amended, shall be paid

from the New Improvements Budget. However, to the extent any such liability exceeds the Budget, the unpaid amount shall be paid by SFS.

b. Any and all sales tax liability incurred as a result of the process set forth herein being rejected for failure to meet the requirements of the law shall be paid from the New Improvements Budget in accordance with Section 10 of this FUA.

For purposes of this FUA, a "qualifying material purchase" means any purchase of materials for use at the project that: (1) meets the requirements of Section 212.08(6) of the Florida Statutes; (2) meets in all respects the material specifications set forth in the Contract Documents and Approved Submittals; and (3) is in excess of \$10,000.00.

For qualifying material purchases identified by SFS, the following procedures shall apply:

c. SFS shall complete, in full, the Vendor Requisition Form attached hereto as Exhibit "Q," and submit the Vendor Requisition Form to the County for approval along with a certification that SFS has reviewed Section 212.08(6) of the Florida Statutes and determined the requested purchase to be a qualifying material purchase. The County shall designate, in writing, a purchasing officer for this Project, which shall be the designated recipient of any Vendor Requisition Forms.

d. Within a reasonable time, but no later than two weeks after receipt of the request, the County shall review the Vendor Requisition Form and either approve or deny the request. The County will promptly inform SFS of its decision with respect to the request. If the County approves the request, it shall submit a Purchase Order, along with a copy of its Florida Consumer's Certificate of Exemption and Certificate of Entitlement, to the vendor. If the County denies the request, no further action will be taken and SFS may proceed with the purchase as a non-Owner Direct Purchase.

e. All shipments made under the Owner Direct Purchasing program shall designate the goods to be free on board to the jobsite.

f. Upon delivery of materials purchased pursuant to this Section of the FUA, SFS or its designee, acting for and on behalf of the County, shall ensure that the delivery complies with the terms of the Purchase Order submitted to the vendor by the County. This obligation shall include, but not be limited to, ensuring timely delivery, conformance of the material to the Purchase Order in quality, quantity, and all other respects, and ensuring that the materials are in a good and usable condition for the intended purpose.

g. If any material or product fails to be delivered or is not of the quantity or quality requested or otherwise fails to meet the requirements of the Purchase Order, SFS or its designee, acting for and on behalf of the County, shall work directly with the vendor to correct the faulty shipment. SFS is responsible for ensuring that all Owner Direct Purchases made pursuant to the FUA meet the standards set forth in the Purchase Order signed and submitted by the County.

h. If, after reviewing the Purchase Order and the shipment, SFS determines that the shipment is complete and proper, it shall sign the proof of delivery on behalf of the County and direct the vendor to invoice the County directly.

i. Upon submission of an invoice to the County for payment, SFS shall place all materials purchased pursuant to this Agreement into an enclosed storage area within the materials storage yard until such time as the material has been, or is being, incorporated in the project. SFS shall be responsible for ensuring the security of all County purchased materials from the time of acceptance through the time of incorporation.

j. Once receipt of the shipment has been confirmed, the County shall be invoiced directly and shall pay the invoice from the New Improvements Budget in accordance with Section 10 of this FUA.

k. The County shall take title to, and assume all risk of loss for or damage to, the goods at the point of delivery from the vendor. The County will insure against all loss of or damage to materials or products purchased using Owner Direct Purchasing. Nothing in this paragraph shall act to abrogate, alter, modify, or otherwise change the terms of Section 13 of the FUA or applicable laws regarding liability with respect to any materials purchased for, used in, or incorporated into the Project.

l. The procedures set forth herein shall apply to and be the only procedures governing Owner Direct Purchases on this Project.

2. All Owner Direct Purchases commencing with ODP#8 dated July 22, 2019, except as provided in Section 3 below, shall be governed by this Third Amendment, with an allocation of all tax savings as follows:

- a. Shared allocation on the first \$200,000.00 of tax savings, as follows:
 - i. 50% for use by SFS as part of the New Improvements Budget; and
 - ii. 50% for use by County to pay costs for any County improvements, renovations or modifications related to the Sports Complex, which in County's sole discretion are necessary.
- b. County receives all tax savings proceeds in excess of \$200,000.00, to be used by County to pay costs for any County improvements, renovations or modifications related to the Sports Complex, which in County's sole discretion are necessary.

3. The tax savings proceeds pursuant to ODP#8 shall be allocated as follows:

- a. \$7,235.00 directly to the New Improvements Budget; and
- b. Any additional savings proceeds allocated in accordance with Section 2 above.

4. Exhibit "M" to the FUA shall be and is hereby amended by the attached and revised Exhibit "M".

5. Regarding the additional up to \$2,000,000 funding commitment by SFS in the Second Amendment to the FUA, the parties shall use an escrow arrangement to secure funding as necessary to allow for the payment of any additional costs of the New Improvements that exceed the \$55,000,000 New Improvements Budget. For every cost, including any change order, that would cause the New Improvements Budget to be exceeded, SFS shall deposit into an escrow account, for the benefit of

County, the additional costs above the New Improvements Budget. County shall not be required to process for approval any such additional costs and payment requests, including any such change orders, until SFS has made the requisite deposit into escrow of the additional monies to cover the overage, with confirmation to County of the deposit. On confirmation of the deposit, the County will process the additional costs for payment in accordance with the requirements of the FUA. Once the pay request has been approved by the County, SFS shall release the escrowed monies to County, and County shall make payment accordingly.

6. Except as amended herein, the remaining terms and conditions of the FUA and any amendments shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed and delivered this Amendment as of the date first set forth above, as follows:

1. **SITE; ADDITIONAL CAPITAL IMPROVEMENTS.**

The County warrants and represents that it owns the Land, Stadium, and the remainder of the Sports Complex including, without limitation, the fields and improvements thereon.

The parties further acknowledge and agree that, subject to the terms set forth herein and in the exhibits hereto, County shall permit SFS to construct additional capital improvements to the Sports Complex property during the Term, in accordance with the schedule, scope, specifications, designs and plans which shall be determined in accordance with the terms of Section 10. Upon the Completion (as such term is hereinafter defined) of the New Improvements (as defined below) the term "Sports Complex," as used herein, shall be deemed to include the New Improvements.

2. **SFS USE OF FACILITIES; TERM; TERMINATION OF PRIOR FUA.**

A. **Term:** SFS agrees to use the Sports Complex for a period commencing on the Effective Date and ending on December 31, 2042 (or such earlier date upon which this Agreement is terminated as provided herein) (the "Term"), subject to the terms and conditions hereof, for the following purposes (the "Permitted Uses"):

(i) SFS may use and permit the Club to use, and the County shall permit SFS and the Club to use, the Sports Complex during the Term of this Agreement for the following, subject to the priorities of use as set forth in Section 15 of this Agreement:

- Fantasy and Youth Baseball Camps
- New York Mets Spring Training (February - April)
- New York Mets Exhibition Season (March - April)
- Florida State League or any successor league (April - September)
 - Gulf Coast League or any successor league (June - August) (if applicable)
- Minor League Spring Training (April - June)
- Instructional League Play (September - November)
- Training and/or rehabilitation for baseball players, or (in the retail space currently subleased to Barwis Methods Training Center of Port St. Lucie, LLC) any athletes

To the extent that any use of the Sports Complex for the purposes set forth above in this Section 2(i) (not including fantasy and youth camps) involves professional baseball teams and players who are not affiliated with the Club (or with a major league baseball club affiliated with an assignee of SFS), then SFS (or, if applicable, SFS's assignee) will reimburse the County for its incremental costs arising directly from such use. County consents to SFS continuing to sublease retail space at the Sports Complex to Barwis Methods Training Center of Port St. Lucie, LLC or its affiliates for usage similar to that

occurring at the present time. SFS agrees that separate utility meters for the Barwis Center shall be installed as part of the New Improvements.

(ii) SFS, the Club and County shall each have exclusive use of certain office facilities at the Sports Complex as identified in Exhibit "K," on a year-round basis.

(iii) The staging, by or with the permission of SFS, of other baseball and non-baseball oriented events at the Sports Complex, including, without limitation, concerts, shows, conventions and political, religious and community events, subject to the scheduling provisions of Section 15 of this Agreement, except that SFS shall be permitted to conduct promotional events and other activities on the dates of baseball games played at the Sports Complex in SFS's sole discretion.

(iv) The radio, television, internet and other broadcast or transmission of SFS Events.

(v) All uses set forth below in Sections 6, 7, 8, 12 and 15 of this Agreement.

(vi) Any such other uses as shall be reasonably consistent with the foregoing.

All New York Mets and St. Lucie Mets (and, if any, GCL Mets (as defined below in Section 12)) activities at the Sports Complex during the Term of this Agreement, as well as all baseball games and other events staged at the Sports Complex by or under the sponsorship, control or authorization of SFS, are referred herein as "SFS Events." All events conducted or authorized by the County at the Sports Complex during the term of this Agreement (excluding all SFS Events) are referred to herein as "County Events."

B. As of the Commencement Date, the St. Lucie Sports Complex Facilities Use Agreement entered into as of August 1, 2003, as amended (the "Prior FUA"), shall terminate and be of no further force or effect and all obligations and rights thereunder shall be deemed superseded by the terms and condition of this Agreement. County hereby acknowledges that no payment is due from SFS pursuant to Section 19 of the Prior FUA.

3. MAINTENANCE.

A. County will, at its expense, at all times keep and maintain the Sports Complex (excluding the Player Academy Spaces (as defined below) and the Barwis Training Center) in good and clean order and repair suitable for a first-class major and minor league training, exhibition and playing complex, including without limitation maintaining the playing fields in a first-class condition appropriate for a Major League Baseball team, and in any event of a quality not less than the highest level of practiced professional baseball standards (the "Maintenance Standard") and in accordance with the specifications set forth in Exhibit "L" hereto. "Maintenance" shall mean the provision of all labor and materials that are required to (a) keep the Sports Complex in first-class good order and repair, and (b) keep the Sports Complex free of

debris. Maintenance shall include, without limitation, (i) performing all preventative or routine maintenance that is stipulated in operating manuals for equipment as regular, periodic maintenance procedures; (ii) regular maintenance procedures for the HVAC system, including periodic cleaning, lubricating and changing air filters; (iii) groundskeeping and maintenance of the athletic fields, including without limitation, seeding, mowing, watering and raking of the grassy areas and full maintenance of the balance of the playing fields, preparation of the fields at the start of each season and for practice sessions and games, maintenance, repair and replacement and painting of grandstands, fences, batter's background walls and other related items; (iv) changing of standard, isolated light bulbs, fuses and circuit breakers as they burn out; (v) cleaning all portions of the Sports Complex immediately after each SFS Event and County Event; (vi) all repairs other than Capital Repair Work (as defined in Section 4), (vii) repair and rehabilitation of parking areas; and (viii) touch-up painting. County shall employ a sufficient number personnel to maintain the Sports Complex (excluding the Player Academy Spaces and the Barwis Center) properly for use and play until the end of SFS's seasonal use of the facilities as delineated in Section 2. The County and SFS shall consult annually as to a reasonable program of management, operation, and maintenance of the facilities to be carried out during the coming year, and County shall be responsible for implementation of such a reasonable program at its expense.

B. SFS Maintenance Responsibility. At all times during the Term, SFS shall be responsible for performing all Maintenance of the Player Academy Spaces at the Sports Complex and (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC and paying all costs and expenses related thereto including payment of the cost of utilities, except to the extent such Maintenance is required due to the actions of the County or its contractors. SFS shall be solely responsible for any maintenance, restoration or repair related to damage occurring to the Sports Complex as a result of the negligent acts or willful misconduct of SFS or Club, its officers, agents and employees. SFS also shall be solely responsible for repair of any damage to the playing fields, structures, or other facilities that occur during non-baseball SFS Events.

C. In connection with the performance of the Maintenance, SFS shall have the right to cause the County to use products and/or services of its corporate sponsors if such products and/or services are reasonably comparable in price and quality to other alternatives available to the County; provided, however, that the County shall not be obligated to purchase such products and/or services if it would require the County to be in violation of any pre-existing written agreement with any third party or applicable law, including, without limitation, the County's obligations with respect to competitive bidding.

D. The County shall have no obligation to perform or pay for any Maintenance with respect to the Player Academy Spaces or (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC, except to the extent such Maintenance is required due to the negligence or willful misconduct of the County, its agents or employees.

4. **CAPITAL REPAIRS.**

A. All Capital Repair Work required during the Term shall be performed by the County and all costs and expenses related to the Capital Repair Work shall be the sole responsibility of the County and shall not be deducted from nor otherwise credited against the Additional Improvements Fund. "Capital Repair Work" shall mean (a) all capital modifications, replacements or additions to the Sports Complex that are reasonably necessary to keep the facilities and amenities of the Sports Complex in good repair and sound condition; and (b) repairs and replacements that are reasonably necessary to maintain the roof, foundation, HVAC and MEP systems and structural integrity of the Sports Complex, and preserve its usefulness for the purposes for which it is being used hereunder.

B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for mutually agreed upon Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund each year and SFS shall pay the County \$75,000 on March 1 during each year of the Term, which amount the County shall deposit the Capital Repairs Fund. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work.

5. **ADDITIONAL IMPROVEMENTS.**

A. The County shall establish an interest bearing account, in the name of the County, designated as the "Additional Improvements Fund," for mutually agreed upon Additional Improvements (as defined below) to benefit the Sports Complex during the Term, and all interest thereon shall be added to the Additional Improvements Fund. The County shall contribute funds to the Additional Improvement Fund in accordance with the schedule of contributions set forth in the attached Exhibit "C" (it being understood that County shall have up to six (6) months to cure any failure to make a payment in accordance with the schedule).

B. During the Term County shall fund, to the extent funds are available in the Additional Improvements Fund, certain additional improvements to the Sports Complex proposed by SFS and approved by the County, such approval not to be unreasonably withheld (the "Additional Improvements"). The Additional Improvements to be constructed and the schedule for the construction of the Additional Improvements shall be determined so as to provide material benefit to SFS to be enjoyed by SFS during the Term. SFS shall have the right to request that the County provide monies from the Additional Improvements Fund and the County will promptly honor such requests and deliver such funds to SFS or such other person or entity according to instructions from SFS for use as contemplated under this Agreement.

6. **CONSIDERATION – PAYMENT.**

A. For purposes of this Section 6.A "Year 1" means the 2017 calendar year, "Year 2" means the 2018 calendar year and so on through "Year 25" which is the 2042 calendar year. For each year of the Term starting in 2017, SFS will make a base rent payment to the County (the

“Base Rent”) in an amount equal to 50% of Stadium Revenue from the New York Mets Spring Training games and the Florida State League franchise’s games played at the Stadium (collectively, “Games”), provided that the Base Rent payment shall not exceed \$2,000,000 during each of Year 1 through Year 10, \$2,100,000 during each of Year 11 through Year 20, and \$2,250,000 during each of Year 21 through Year 25. The limit placed on the Base Rent payment each year of the Term shall be referred to herein as the “Base Rent Cap.” In addition to the Base Rent, beginning in the year that immediately follows the year in which SFS makes its final payment to the County pursuant to Section 37 below and each year thereafter during the Term, if Stadium Revenue exceeds \$5,500,000 in such year, SFS shall make an additional rent payment to the County (the “Additional Rent”) in an amount equal to the County percentage multiplied by the corresponding incremental amount of Stadium Revenue in excess of \$5,500,000 as set forth in the chart below (subject to reduction to the extent necessary to recoup Shortfall Payments as addressed below in this Section).

Stadium Revenue	SFS Percentage	County Percentage
Between \$5,500,001 and \$6,500,000	90%	10%
Between \$6,500,001 and \$7,500,000	75%	25%
More than \$7,500,001	50%	50%

For example, if Stadium Revenue in a year in which Additional Rent is due (a) is \$5,500,000 or less, SFS shall not make any Additional Rent payment; (b) is \$6,000,000, SFS will make an Additional Rent payment equal to \$50,000 (i.e., 10% of the \$500,000 between \$5,500,001 and \$6,000,000); (c) is \$7,000,000, SFS will make an Additional Rent payment equal to \$225,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000 plus 25% of the \$500,000 between \$6,500,001 and \$7,000,000); or (d) is \$8,000,000, SFS will make an Additional Rent payment equal to \$600,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000, plus 25% of the \$1,000,000 between \$6,500,001 and \$7,500,000, plus 50% of the \$500,000 between \$7,500,001 and \$8,000,000)

For any year of the Term starting in 2017 in which Base Rent is less than \$2,000,000 SFS shall make a payment to the County (the “Shortfall Payment”) from (but not more than) SFS’s 50% share of Stadium Revenues, such payment being equal to the amount by which \$2,000,000 exceeds the Base Rent. SFS shall have the right to recoup all Shortfall Payments from Additional Rent payable to the County in subsequent years. In addition, the Base Rent Cap during each of Year 11 through Year 25 shall be reduced by the cumulative amount of Shortfall Payments that remain un-recouped at the time the Base Rent is due that year, provided that in no event shall the Base Rent Cap be less than \$2,000,000 in any year. To the extent Base Rent to the County is decreased because of the reduction in the Base Rent Cap in accordance with the previous sentence, the amount not paid to the County as a result of that reduction will be considered a recouped Shortfall Payment. (For example, if SFS makes its first Shortfall Payment to the County in Year 10 in the amount of \$125,000, then the Base Rent Cap in Year 11 will be reduced from \$2,100,000 to \$2,000,000, and if the Base Rent in Year 11 would have been \$2,100,000 had the Base Rent

Cap not been reduced, then (x) in Year 11 SFS would pay Base Rent to the County of \$2,000,000, (y) SFS will have recouped \$100,000 of its Shortfall Payment from Year 10, and (z) \$25,000 of SFS's Shortfall Payment from Year 10 will remain to be recouped from Additional Rent or future Base Rent Cap reductions. To the extent that Shortfall Payments made by SFS are not fully recouped by the date this Agreement terminates or expires, the County will pay SFS an amount equal to the cumulative total of all un-recouped Shortfall Payments from Tourist Tax Revenues collected by the County after termination or expiration of this Agreement until all Shortfall Payments are repaid to SFS.

Definitions:

"Stadium Revenue" means (i) SFS's adjusted gross ticket receipts from Games, plus (ii) SFS's gross sales receipts from food and beverage concession sales at Games, plus (iii) SFS's gross sales receipts from souvenir, novelty and game program sales at Games, plus (iv) the net profits (defined below) from parking at Games.

"Adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for Games, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. County will not levy any tax on the sale of tickets except as required by law.

"Gross sales receipts" means revenues received from food and beverage concession sales or souvenir and novelty sales at Games, as the case may be, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. County will not levy any tax on the sale of concessions, souvenirs or novelties except as required by law. In the event SFS elects to contract with an unaffiliated private firm to operate all food and beverage concessions and/or souvenir and novelty sales, then, in lieu of including all revenues received from food and beverage concession sales and souvenir and novelty sales at Games in gross sales receipts, SFS shall include in gross sales receipts only such portion of food and beverage concession revenues and souvenir and novelty revenues received by SFS from the contractor. Moreover, SFS's selection of an unaffiliated private firm to operate all food and beverage concessions or souvenir and novelty sales at the Sports Complex shall be subject to the approval of the County, which approval shall not be unreasonably withheld.

"Net profits" will be ascertained by reducing the revenues actually received by SFS from the sale of parking privileges for Games by reasonable labor costs incurred in operating the parking facilities on Games days and other reasonable expenses related to parking (e.g., cost of printing parking tickets and providing signage and flash lights).

B. **Advertising.** Subject to the terms of Section 7(C) hereof with respect to Naming Rights, County grants to SFS the exclusive right to display or permit others to display advertising material at all locations in the Sports Complex at all times during the Term (including, without limitation, advertising in game or other SFS Event programs), and the exclusive right to grant event sponsorship and promotional rights at the Sports Complex during SFS Events, as well as the

right to assign all or any portion of such rights to any third party including specifically to the Club. SFS shall have the right to display such advertising signs at all events held at the Sports Complex, including, without limitation, County Events. The County shall not be entitled to receive any of the revenues generated by SFS or its assignees through the sale of such advertising, sponsorships and promotions. SFS or its assignee shall retain one hundred percent (100%) of all revenues from advertising at the Sports Complex during the Term and from all sponsorships and promotions during SFS Events, and SFS shall have control over the type and content of all such advertising, sponsorships and promotions. County shall have the right to review and approve all such proposed advertising, provided that County shall have no right to object to any advertising except to the extent that such advertising is indecent or incompatible with the character and dignity of the Sports Complex; any proposed advertising shall be conclusively deemed neither indecent nor incompatible if it is comparable to advertising at any other Major League spring training or minor league baseball facility within the State of Florida. County may not sell or display signage at the Sports Complex without the prior written consent of SFS, in SFS's sole discretion, except that the County may display at the Sports Complex signage that is comprised solely of the insignia or logos of the County or that is required by public safety considerations or by local, state or federal regulations subject to the approval of SFS, which approval shall not be unreasonably withheld.

C. **Parking.** SFS reserves the right to charge reasonable fees for parking areas adjacent to the Stadium for persons attending SFS Events. SFS shall have the right to make parking spaces available at all times and without charge to authorized representatives, designees or personnel designated by SFS. County and SFS shall cooperate and develop a visitors pass procedure that will allow free parking to authorized representatives and guests of the County and SFS.

SFS shall include the net profits from parking at Games in Stadium Revenue as set forth above. For all SFS Events other than Games, SFS shall retain one hundred percent (100%) of all parking receipts. For County Events at the Sports Complex, County shall operate all parking at its sole expense and shall retain all proceeds.

D. **Intentionally Omitted.**

E. **Rent for Use of Stadium.** The rental payment by SFS for use of the Stadium shall be the payments from SFS to County as provided above in Section 6.A. Except as otherwise specifically provided in this Agreement, only one payment shall be made each year of the net amount due from SFS to County, which annual payment shall be made prior to the commencement of the following Major League Spring Training season. County and SFS agree that such amounts paid by SFS to County shall be deemed to be the rent payment for the use and occupancy of real property pursuant to Section 212.031, Florida Statutes. In addition to the requirements of Paragraph 9(C), SFS shall provide the County with an annual accounting of revenues and expenses in sufficient detail for audit purposes at the same time the annual payment is made.

F. **County Revenues.** SFS shall pay to County thirty-three percent (33%) of SFS's gross sales receipts from food and beverage concession sales at all County Events, with SFS

retaining the other sixty-seven percent (67%). As used in this Section 6(F), "gross sales receipts" means revenues received from food and beverage concession sales, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. However, County shall not levy any tax on the sale of concessions except as may be required by state law. For all County Events, County shall retain one hundred percent (100%) of the adjusted gross ticket receipts but shall reimburse SFS for all pre-approved out-of-pocket expenses incurred by SFS in connection with each such event. As used in this Section 6(F), the term "adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for County Events at the Sports Complex, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. However, County shall not levy any tax on sale of tickets except as required or authorized by state law.

G. **Parking Revenues from Adjacent Businesses.** Subject to the approval of SFS, which approval shall not be unreasonably withheld, the County shall have the right to allow local businesses with offices adjacent to the Stadium ("Adjacent Businesses") to utilize the Stadium parking area depicted on Exhibit "N" hereto (the "Business Parking Area") on a nonexclusive basis provided that the use of the Business Parking Area by local businesses shall not conflict with use of the Business Parking Area by SFS or the County for SFS Events or County Events. The parties agree that the first \$100,000 in total revenues received during the Term from the use of the Business Parking Area by the Adjacent Businesses shall be retained by the County to reimburse the County for the actual cost incurred by the County to construct improvements to the Business Parking Area, and thereafter, the County shall deposit all revenues received from use of the Business Parking Area by the Adjacent Businesses into the Capital Repairs Fund. The County shall be responsible for all damage and expenses resulting from use of the Business Parking Area by Adjacent Businesses.

7. **TELEVISION - RADIO REVENUE; LUXURY SUITE REVENUE; NAMING RIGHTS.**

A. **Television - Radio Revenue.**

It is expressly acknowledged and agreed by and between the parties, that the County shall receive no revenues from the radio or television broadcast or other transmission (including, without limitation, over cable or the Internet) of or relating to any SFS Events, nor shall the County participate, in any manner, in determining when said SFS Events shall be broadcast or otherwise transmitted. SFS has the exclusive right to sell television and radio broadcasting and other transmission rights for SFS Events and to permit others to sell such television and broadcasting and other transmission rights, and SFS or such other authorized party shall retain all revenues resulting therefrom.

B. **Suite Revenue.**

SFS shall manage and control the rental of any luxury suites at the Stadium, including without limitation any luxury suites constructed as part of the New Improvements, for

all events at the Sports Complex during the Term. County and SFS shall each be entitled to use and authorize others to use one luxury suite for all events during the Term, without charge to County or SFS for their occupancy of the respective suites. All other luxury suites are to be rented on a yearly basis, and SFS shall retain one hundred (100%) percent of adjusted gross revenue from the rental of luxury suites. The lessee of any luxury suite will receive admission tickets to the luxury suite for all New York Mets spring training games and all St. Lucie Mets games at no additional charge. The lessee of any luxury suite will also have the right to purchase admission tickets to the luxury suite for any other event held at the Stadium during the year, and if such tickets are purchased: (i) for all SFS Events other than New York Mets spring training games and St. Lucie Mets games, SFS shall retain one hundred (100%) percent of the adjusted gross revenue from the sale of such admission tickets; and (ii) for all County Events, SFS shall retain ten (10%) percent of the adjusted gross revenue from the sale of such admission tickets and shall pay to the County the remaining ninety (90%) percent. As used in this Section 7(B), the term "adjusted gross revenue" means all revenues actually received by SFS from the rental of luxury suites that is attributable to the particular event at issue, and all revenues actually received by SFS from the sale of tickets granting admission to the luxury suites for the event, less any and all taxes and tax surcharges or fees due to any governmental or taxing authority related thereto. Revenues from food and beverage sales in luxury suites will be included in gross sales receipts as set forth in Section 6(A) above.

C. **Naming Rights.**

SFS or its designee shall have the sole and exclusive right to designate the name of the Sports Complex and/or its constituent parts and to grant one or more third parties (i) the right to include such party's name, product name and/or logo and/or corporate identifiers in the name of the Sports Complex and/or its constituent parts, (ii) the right to have such name and/or logo and/or corporate identifiers prominently displayed on the interior and the exterior of, and on and around the entrances to the Sports Complex and/or its constituent parts, and on the Sports Complex apron, as part of the name of the Sports Complex, and (iii) such other nonexclusive rights which are customarily included in the grant of the rights in clause (i) and (ii) above (such rights are hereinafter referred to as the "Naming Rights"), and provided that such name and/or logo and/or corporate identifiers shall not be obscene nor shall it be unlawful to use the same. For avoidance of doubt, SFS retains all revenues with respect to Naming Rights.

For so long as both this Agreement and the agreement granting Naming Rights remain in effect, the Stadium and the Sports Complex shall be referred to by the name(s) selected pursuant to this Section 7(C), and neither party shall advertise or refer to the Stadium or the Sports Complex by any other name. The Stadium and the Sports Complex names selected pursuant to this Section 7(C) shall be used by the parties when referring to the Stadium and the Sports Complex in any of their correspondence, press releases, promotional materials, advertisements and/or publications, and shall be used by County on all related directional traffic and pedestrian signs on highways, local streets, and all public thoroughfares in and around the Sports Complex and St. Lucie County, Florida. Notwithstanding the above, the parties agree that the County's logo shall

be permanently displayed at locations in the Stadium and Sports Complex as mutually agreed upon by the parties.

County shall retain the right to market for sale to a third party the right to include such party's name, product name and/or logo in the official name of the football/soccer field across from the Sports Complex (the "Football/Soccer Naming Rights"). Any agreement with respect to the Football/Soccer Naming Rights shall be subject to the approval of SFS, which approval shall not be unreasonably withheld, provided that the withholding of approval shall be conclusively deemed reasonable if the proposed agreement is with a competitor of any entity that has an advertising or naming rights agreement with SFS or Club at any facility.

D. Other Revenues.

Except as otherwise expressly stated and specified in this Agreement, SFS shall be entitled to retain all revenues related to the Sports Complex.

E. Recognition of Contributions of Thomas J. White, Sr.

Wholly separate from any naming rights for the Sports Complex or the Stadium, County and SFS agree to continue to recognize the contributions of Thomas J. White, Sr. in a manner similar to how such contributions are currently recognized at the Sports Complex and Stadium.

8. TICKET SALES; PROGRAM SALES, CONCESSIONS AND PARKING.

SFS has the exclusive right to operate ticket sales, program sales, and parking lots in connection with SFS Events during the Term of this Agreement, and has the right and discretion to contract with or authorize one or more other persons or entities to operate ticket sales, parking and/or game program sales at the Sports Complex at or in connection with SFS Events.

SFS has the exclusive right and discretion to sell and authorize others to operate concessions for the sale of food and beverages (including, without limitation, catering, hospitality and picnic services), novelties, souvenirs and paraphernalia at the Sports Complex during the Term of this Agreement. The County reserves the right to schedule special events in the parking lot during non-baseball scheduled events at which concessions will be sold; SFS will operate concessions at such special events in accordance with its exclusive right to operate concessions at the Sports Complex during the Term, and will cooperate with the County with respect to the providing of concessions to community and charitable groups at such special events. During the Term of this Agreement, SFS shall provide good quality concession services to the public. SFS will use commercially reasonable efforts to restrict patrons from bringing any food, beverages (including alcoholic beverages) or beverage containers into the Sports Complex. Prior to the start of each season, SFS will provide the County with notice of the pricing for tickets, programs, concessions and parking.

No new coin or currency operated vending machines shall be installed or located within the Sports Complex by SFS without the written permission of the County's Parks and Recreation Director, which permission shall not be unreasonably withheld. Except as otherwise permitted under this Agreement, SFS will not install permanent fixtures or construct permanent improvements at the Sports Complex without the County's prior consent, which consent shall not be unreasonably withheld.

9. **BOOKS, RECORDS AND AUDIT.**

SFS and County agree to keep accurate books and records in accordance with generally accepted accounting practices of their respective operations at the Sports Complex. SFS agrees to submit to the County, on a quarterly basis, a report containing accurate attendance information in a form agreed to by all parties. In addition, the parties agree as follows:

A. SFS shall submit daily sales (ticket, parking, program and concessions) reports within thirty (30) days following the last Game of Spring Training and thirty (30) days following the last Game of the Florida State League season.

B. All related books and records regarding ticket, parking, program and concession sales shall be jointly available to the County for suitable annual audit at a time mutually agreed to by the parties. Any audits must be performed within twelve (12) months after the end of each year of operation (January 1 - December 31). SFS shall have the same right to audit the books and records of any County operation under this Agreement, and shall have the right to review the County budget and related documents at any time upon reasonable notice.

10. **NEW IMPROVEMENTS.**

A. **NEW IMPROVEMENTS - BUDGET.**

The County intends to issue bonds, the ("New Improvement Bonds") which will be used to finance certain improvements to the Sports Complex described on Exhibit "D" hereto (the "New Improvements"). If the County does not issue the New Improvement Bonds and fully fund the New Improvements Budget (as defined below) by April 1, 2017 SFS shall have the right to nullify and void this Agreement, by providing written notice to the County, provided that the County shall have seven (7) days following its receipt of such notice from SFS to issue the New Improvement Bonds, and if the New Improvement Bonds are issued by the end of such seven (7) day period then the written notice provided shall be ineffective. If this Agreement is nullified and voided as set forth in the immediately preceding sentence, the parties agree that the Prior FUA shall be reinstated and the terms and conditions of the Prior FUA shall govern the rights and obligations of SFS and the County. The County will designate SFS as the agent of County for the purpose of coordinating the New Improvements, with the scope of the New Improvements to be determined by SFS and approved by County, and the County will provide cooperation appropriate for the design and construction of the New Improvements. The parties agree that the New Improvements will include, without limitation, Stadium upgrades, a new entrance, walk way

connector around the outfield, one new field and other field enhancements, Mets player academy facilities consisting of dormitories, a cafeteria and an auditorium (the "Player Academy Spaces") (which shall only be used by Mets personnel and shall not be available for use by the general public), little league/softball complex, new major and minor league clubhouses, offices and locker rooms, and other improvements as may be determined and approved by SFS and County. The County shall provide \$55,000,000 of funding (the "New Improvements Budget") for the design and construction of the New Improvements.

Nothing in this Agreement shall obligate the County to provide funding for the New Improvements in excess of the New Improvements Budget. SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage. The New Improvements Budget shall be used to fund the New Improvements only and for no other purpose (except as provided herein). County will contract to have an economic impact statement prepared, addressing the impact from Major and Minor League Baseball at the Sports Complex and the Improvements, it being understood that the cost of such statement shall be paid by the County and shall not be included in the New Improvements Budget.

Upon execution of this Agreement County will provide SFS with a fund in the amount of \$500,000 (the "Fund") to pay for costs incurred in connection with the New Improvements prior to the County's issuance of the New Improvement Bonds. To the extent that the Fund is expended prior to the County's issuance of the New Improvement Bonds, the County will replenish the Fund with amounts sufficient to cover the additional costs expected to be incurred in connection with the New Improvements prior to the County's issuance of the New Improvement Bonds. All amounts provided by the County to SFS in the Fund shall be reimbursed to County upon issuance of the New Improvement Bonds.

B. NEW IMPROVEMENTS - PLANS.

1. County, for the benefit of SFS and County, shall competitively procure an architect reasonably satisfactory to both parties (the "Architect" referred to in this Section 10) in accordance with Florida Law and County Procurement Policy. The Architect shall be responsible for, *inter alia*, (1) developing a conceptual plan and general specifications (the "Conceptual Plans" referred to in this Section 10) for the New Improvements; (2) developing preliminary plans and specifications for the New Improvements; (3) preparing working drawings and requests for bids; (4) obtaining all permits, other than building permits, needed to construct the New Improvements; (5) assisting SFS in evaluating the qualifications of potential contractors; (6) providing contract administration; and (7) performing construction inspections as needed to provide certified as-built drawings after the New Improvements are constructed (the "Architect's Work" referred to in this Section 10). SFS shall enter into a contract (the "Architect's Contract" referred to in this Section 10) with the selected Architect with terms that are fair, competitive and reasonable as required by

Section 287.055 (5) and (6) of the Florida Statutes, and which shall, *inter alia*, contain the terms and conditions set forth in Exhibit "E" hereto. The County shall be named as a third party beneficiary in the Architect's Contract. The County shall, upon request, enter into a joinder to the Architect's Contract substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc. Without limiting the foregoing, the Architect's Contract shall require the Architect to procure policies of insurance that relate to the Architect's Work, with terms, limits, coverages and specifications at least as favorable for SFS as those reflected in Exhibit "E", and SFS and the County shall be designated as Named Insureds on all applicable policies. The Contract should also provide that Architect will not receive payment for any portion of the Architect's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(b) below. SFS shall have the right to refuse to enter into any Architect's Contract with terms that are not fair, competitive and reasonable as required by Section 257.055 (5) and (6) of the Florida Statutes. County, through its Board of County Commissioners, shall have final approval rights to the negotiated Contract limited to whether the Contract terms are fair, competitive and reasonable. County agrees that the Architect shall not be considered an agent of SFS for any purpose and that the Architect shall be solely responsible for the Architect's Work, and that the County will look solely to the Architect and its carriers, and in no event to SFS, with respect to the performance of the Architect's Work and any damages or losses which may arise from or out of any acts or omissions of the Architect except to the extent caused by any negligent acts or omissions of SFS or its agents or representatives.

2. Contemporaneous with procurement of the Architect, the County shall, through currently pending RFQ No. 16-049, competitively procure a consultant to provide Program Manager Consulting Services on its behalf, serving as the point of contact of the County for all project development interaction involving SFS, Architect and Contractor.

3. SFS shall cause Architect to furnish to County the Conceptual Plans for the New Improvements. County, through its Board of County Commissioners, shall have a period of twenty (20) days from delivery of the Conceptual Plans within which to review and to disapprove of the Conceptual Plans, in writing. County shall have no right to disapprove of the Conceptual Plans except to the extent that the improvements described therein are materially inconsistent with the description of the New Improvements set forth on Exhibit "D" hereto or to the extent the Conceptual Plans reflect estimated costs in excess of the New Improvements Budget. Subject to the foregoing, County shall not unreasonably withhold its consent to any Conceptual Plans. If County disapproves of the Conceptual Plans, County shall express the grounds for its disapproval in reasonable detail. If County shall not disapprove within such twenty (20) day period, the Conceptual Plans shall be deemed approved.

4. As soon as is reasonably practicable following the approval of the Conceptual Plans, SFS shall cause Architect to prepare and deliver to County and SFS preliminary plans and specifications for the New Improvements in accordance with the approved Conceptual Plans (the "Preliminary Plans" referred to in this Section 10). County, through its Board of County

Commissioners, and SFS shall have a period of twenty (20) days within which to review and to approve or disapprove of the Preliminary Plans in writing. County shall have no right to disapprove of the Preliminary Plans except to the extent the Preliminary Plans are materially inconsistent with the Conceptual Plans. If County or SFS disapprove of the Preliminary Plans, it or they shall express the grounds for its disapproval in reasonable detail. If County or SFS shall not respond with disapproval within such twenty (20) day period, the Preliminary Plans shall be deemed approved.

5. As soon as is reasonably practicable following the approval of the Preliminary Plans, SFS shall cause the Architect to prepare working drawings for the New Improvements (or such of the New Improvements as shall be designated by SFS), in accordance with the approved Preliminary Plans and to deliver same to County and SFS (the "Final Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days from receipt of the completed Final Plans to review and approve or disapprove of the Final Plans in writing. County shall have no right to disapprove of the Final Plans except to the extent such Final Plans are materially inconsistent with the Preliminary Plans. If County or SFS shall disapprove of the Final Plans, it or they shall express the grounds for its disapproval in writing and in reasonable detail. If neither County nor SFS disapprove within such twenty (20) day period, the Final Plans shall be deemed approved. Once approved, the Final Plans shall be incorporated into this Agreement as Exhibit "F".

6. County, for the benefit of SFS and County, shall, through a publicly advertised competitive bidding or proposal process, in accordance with Florida law and County Procurement Policy, competitively procure a contractor (the "Contractor" referred to in this Section 10) for the construction of the New Improvements in accordance with the Final Plans (the "Work" referred to in this Section 10). SFS shall have input on the qualifications and selection of contractors, with two members appointed by SFS to a five-member selection committee, with the remaining three members appointed by County, and to refuse to engage any contractor upon terms that are not fair, competitive and reasonable as determined by SFS. The final terms of the agreement between SFS and the Contractor (the "Construction Contract" referred to in this Section 10), and any Guaranteed Maximum Price amendments or agreements, shall be subject to the approval of the County, through its Board of County Commissioners, limited to whether the Construction Contract terms are fair, competitive and reasonable. SFS shall enter into a Construction Contract along with terms that are fair, competitive and reasonable and the terms set forth below, with the selected contractor.

7. The Construction Contract shall, *inter alia*, include the terms and conditions set forth in Exhibit "G" hereto and shall include each of the following requirements related to all work under the Construction Contract ("Work"): (i) the furnishing of a public construction bond in a form consistent with Section 255.05, Florida Statutes, with the County named as co-obligee, and with terms acceptable to SFS; (ii) competitive procurement of all Subcontractors work and supplies as set forth in Subsection 7(d) below ("Procurement of Subcontracts"); (iii) retainage in an amount acceptable to SFS for the Work, until the Completion of the Work (including a retainage of 10% of the total value of the construction contract) and required reductions at 50% completion

as set forth in Section 255.078, Florida Statutes; (iii) payment by the Contractor of liquidated damages equal to One Thousand Dollars (\$1,000.00) for each day from and after the Required Completion Date (if and as that term or its equivalent is defined in the Construction Contract) until the actual date of Completion; (iv) a requirement that the Contractor perform and achieve Completion of the Work for a Guaranteed Maximum Price or fixed stipulated sum referred to in this Section 10), by no later than the Required Completion Date; (v) the furnishing of an "installation floater" insurance policy or such other policy of insurance covering goods in transit and while the Work is being performed, with terms, limits, coverages and specifications acceptable to SFS (and the furnishing by any subcontractors of policies of insurance that relate to the Work naming SFS, Club and the County as additional insureds, with terms, limits, coverages and specifications acceptable to SFS); (vi) at SFS's election, the provision on behalf of SFS of an Owner's Contractor Protective policy of insurance, including extensions for products and completed operations coverage and similar extended coverage at least through Completion (as defined herein) of the Work, or another policy of insurance acceptable to SFS, with SFS as a named insured; (vii) the County shall be named as a third party beneficiary in the Contract; and (viii) Contractor must agree that it will not receive payment for any portion of the Contractor's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(c) below. The County shall be named as a third party beneficiary in the Contract between the Contractor and SFS. The County shall, upon request, enter into a joinder to the Contract between the Contractor and SFS substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc.

8. As required by Section 119.0701, Florida Statutes, in all contracts competitively procured for services related to the New Improvements, including the Architect as set forth in Section 10(B)(1) and Contractor as set forth in Section 10(B)(4), SFS shall include in each such Contract, the following Notice in capital letters, 14-point boldfaced type:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (772) 462-1441, bellamys@stlucieco.org, COUNTY ATTORNEY'S OFFICE, 2300 VIRGINIA AVENUE, FORT PIERCE, FL 34982.

SFS shall also include in each such Contract, a requirement that the contracting party comply with the following requirement of Florida's Public Records Law:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. SFS agrees to include the following provisions (or substantively equivalent provisions) in the Construction Contract:

(a) Punchlist Procedures. Punchlist procedures to render the Work complete, satisfactory and acceptable are established as follows:

There shall be the development of a single checklist of items required to render complete, satisfactory, and acceptable, the Work. No more than ten (10) days prior to Contractor's expected Substantial Completion of the Work as defined in the Construction Contract, Contractor shall schedule a walkthrough with SFS and the County ("Initial Walkthrough" a/k/a "IW"). The purpose of the IW is to develop a checklist ("Checklist") of items to be performed by the Contractor, based upon observations made between the Contractor, SFS and the County during the IW.

No later than forty (40) calendar days after reaching Substantial Completion, Contractor shall again initiate and request a second walkthrough of the Project with SFS and the County. The purpose of this second walkthrough is to identify which items remain to be performed from the IW Checklist and for the purpose of developing a single and Final Punchlist.

The intent of this section is for SFS, County and the Contractor to cooperate to develop a single Final Punchlist to be completed no later than sixty (60) calendar days from the date of reaching Substantial Completion of the Work as defined in the Construction Contract. The single Final Punchlist shall be delivered no later than five (5) calendar days after the Punchlist has been developed and reviewed in accordance with this section. If the Work provided in this Construction Contract relate to more than one building or structure, or involves a multi-phased project, the single Final Punchlist is required to render complete, satisfactory, and acceptable all the Work for each building, structure, or phase of the Project and is due within the time periods set forth in this section.

In no event may the Contractor request payment of final retainage until the Final Punchlist is 100% complete.

Contractor agrees to complete the Final Punchlist items and the Final Contract Completion Date must be thirty (30) calendar days after the delivery date of the Final Punchlist. The failure to include any corrective work or pending items not yet completed on the list does not alter the responsibility of the Contractor to complete all the construction services purchased pursuant to this Construction Contract.

Contractor acknowledges and agrees that no item contained on the Final Punchlist shall be considered a warranty item until such time as (a) the Final Punchlist is 100% complete, and (b) SFS has been able to operate or utilize the affected Punchlist item for an additional period of fifteen (15) days.

Contractor acknowledges and agrees that SFS may, at its option, during performance of the Work and prior to Substantial Completion, issue lists of identified non-conforming or corrective work for the Contractor to address. The intent of any such generated list prior to Substantial Completion is to attempt to streamline the Punchlist process upon achieving Substantial Completion, and to allow for the Contractor to address needed areas of corrective work as they may be observed by SFS during performance of the Work.

Contractor acknowledges and agrees that SFS shall determine whether an item on the Final Punchlist is completed and shall calculate the amount of payment to withhold if an item is incomplete, with SFS having the right to withhold the greater of 150% of the value of the item on the Final Punchlist that is incomplete or the amount of the retainage under this Construction Contract. Contractor acknowledges and agrees that in calculating the amount of payment that may be withheld by SFS as to any Final Punchlist item for which a good faith basis exists to determine that it is incomplete, SFS may, in calculating the amount equal to 150% of the value of the item (if SFS decides to withhold such amount rather than the amount of the retainage under this Construction Contract), include within such percentage calculation its total costs for completing such item of work, including its administrative costs as well as costs to address other services needed or areas of work which may be affected in order to achieve full completion of the Final Punchlist item. Such percentage shall in no event relate to the schedule of value associated with such Work activity, but rather total costs are based upon the value (i.e. cost) of completing such Work activity based upon market conditions at the time of Final Punchlist completion.

(b) **Reduction of Retainage Procedures**. After the Contractor has achieved fifty percent (50%) completion of the Work, retainage from subsequent Pay Applications shall be reduced to five percent (5%). Contractor may request a reduction of retainage previously withheld from ten (10%) percent of the total value of the Construction Contract to five (5%) percent after fifty (50%) percent completion of the Work which SFS shall authorize for payment unless justification for withholding exists, as permitted by Section 255.078, Florida Statutes. The term "Fifty Percent Completion" shall be defined as follows, in lieu of any other definition:

"Fifty Percent Completion" of the Work is defined as that point in time where 50% of the overall value of Work items incorporated and which will remain in place subsequent to final completion of the Work have been completed, based upon the schedule of values contained in the Contract. As such, and by way of example, the value of Contractors mobilization, general conditions, supervision or like items which do not involve permanent incorporation of Work do not apply to the determination of "Fifty Percent Completion" of the Work for purposes of establishing entitlement to a reduction of retainage.

(c) **Definition of Substantial Completion.** For purposes of this Construction Contract, and for compliance of those procedures, duties and obligations, the term Substantial Completion shall be as follows, in lieu of any other definition:

"Substantial Completion" is defined as that point where SFS and the County are able to enjoy beneficial occupancy of the Work and where the Work has achieved that level of completion such that SFS and the County are able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life safety and regulatory use, with the exception of incidental and incomplete items except where a lack of completion of such incidental or incomplete items of Work will adversely affect the complete operation of other areas of the Work, to the satisfaction and approval of all authorities having jurisdiction.

(d) **Procurement of Subcontracts.** All subcontracts exceeding \$500,000 shall be and competitively awarded in accordance with the process set forth in Exhibit "O".

(e) **Contractor Self-Perform Work.** Upon approval by SFS, Contractor and any Related Entities as defined below, may use its own forces to perform a portion of the Work, as long as the cumulative percentage of the total self-performed construction work does not exceed 25% of the Total Cost of the Work for the Project, as reflected in the approved GMP or latest approved estimates. SFS reserves the right to limit instances of self-performance to certain Work. There is no guarantee that any self-performed work will be allowed. Related Entities are prohibited from submitting competing bids or proposals and shall be disqualified for doing so, unless authorized hereunder. When authorized in advance to submit a competitive bid, the Contractor or Related Entity must submit its bid to SFS, at least forty-eight hours prior to the bid opening date and time. "Related Entities" means any parent company, affiliates, subsidiaries, or other entities having common ownership or management with that of the Contractor or a subcontractor.

10. County agrees that the Contractor shall not be considered an agent of SFS for any purpose and shall be solely responsible for the Contractor's Work, and that the County will

look solely to the Contractor and its carrier(s) and surety bond(s), and in no event to SFS, with respect to the performance of the Contractor's Work and any damages or losses which may arise from or out of any acts or omissions of the Contractor except to the extent caused by the negligent acts or omissions of SFS or its agents or representatives.

11. SFS shall have the right to purchase general construction liability insurance or other construction-related insurance acceptable to SFS, with terms, coverages, specifications and limits as determined by SFS as being reasonable in its sole discretion. The cost of such insurance shall be included in the Total Cost of the Work (as defined in Section 10(B)(12)). County shall be an additional insured on such insurance policy, if any is purchased by SFS.

12. The Total Cost of the Work defined herein shall be paid by the County in accordance with the procedures set forth in Section 10(C)(9), below, out of the New Improvements Budget. The term "Total Cost of the Work" referred to in this Section 10 shall mean the sum of (i) the fees and expenses of the Architect in connection with all stages of the Architect's Work hereunder, including without limitation the Architect's consultants' fees and expenses, and all fees and expenses related to the obtaining of permits needed to construct the New Improvements, plus (ii) the Construction Contract Price, plus (iii) the fees and expenses of any consultants engaged directly for the design and construction of the New Improvements which are approved in advance by the County and competitively procured in accordance with Florida law (including the Program Manager under RFQ No. 16-049), plus (iv) any other approved costs, expenses or liabilities incurred by SFS as a consequence of SFS's engagement of the Contractor, Architect or other consultants hereunder, including but not limited to SFS's attorneys' fees in connection therewith, plus (v) the costs of all permits required for the Work, plus (vi) the premium cost of all insurance, including without limitation comprehensive general liability insurance, general construction liability insurance, products and completed operations or other extended insurance, or other insurance acceptable to SFS, as SFS may elect to obtain with County's advance approval, whether directly or through another person or entity acting on SFS's behalf, as a consequence of SFS's engagement of the Architect and Contractor hereunder (referred to in this Section 10 as the "Additional Exposure Liability Insurance Coverage Insurance Premiums"). The Total Cost of the Work shall be subject to increase only as a consequence of Authorized Change Orders (as defined in this Section 10), to the extent such Authorized Change Orders actually increase the Total Cost of the Work; provided, however, that the County's obligations shall be limited to the New Improvements Budget. As between SFS and the County, SFS shall be solely responsible for any and all cost of the Work exceeding the New Improvements Budget. The Total Cost of the Work shall not include any other costs or fees whatsoever, including, without limitation, fees for construction, coordination, supervision or for review and approval of plans and specifications or proposed Change Orders by SFS or County, except as otherwise specifically set forth in this Agreement.

C. NEW IMPROVEMENTS – CONSTRUCTION.

1. Promptly following the execution of the Construction Contract and the issuance of all required approvals and permits, SFS shall cause the Contractor to commence the

Work and to diligently and continuously pursue the Work to Completion. The term "Completion" as used in this Section 10 shall mean the completion of the Work, as evidenced by the issuance of a temporary or final certificate of occupancy or completion, as applicable, and the completion of all "punch-list" items.

2. County will cooperate in good faith to assist Architect and Contractor in obtaining all permits required for the construction of the Work from all applicable governmental authorities.

3. There shall be no change to the Final Plans, except pursuant to an Authorized Change Order (as such term is defined below). SFS shall have the right to request changes in the Work. As used in this Section 10, an "Authorized Change Order" shall mean a written instrument initiated and prepared by SFS and signed by County if required herein (or deemed approved as set forth herein), SFS and the Architect stating their agreement upon all of the following: (i) the agreed change in the Work; and (ii) the extent of the adjustment in the Total Cost of the Work, if any. County shall have a period of ten (10) business days following receipt of a request to approve a Change Order within which to review and approve same. If County fails to respond within such ten (10) business day period after the receipt of the proposed Change Order, then such proposed Change Order shall be deemed approved provided, however, that in no event shall the County be obligated to pay any costs associated with Change Orders in the event such costs cause the Total Cost of the Work to exceed the New Improvements Budget without a separate written consent from the County identifying the additional funds to be provided. Such separate written consent shall not be deemed to have been provided by the County's failure to object to a Change Order. County shall not unreasonably withhold its consent to any proposed Change Order except the County shall have the absolute right to deny any Change Order request that would cause the New Improvement Budget to be exceeded unless SFS agrees to be solely responsible for the overage. County has the right to suggest Change Orders to SFS, and SFS agrees to consider each County request for a Change Order in good faith, provided that any Change Order proposed by County shall not have the effect of increasing the Total Cost of the Work, and to initiate an Authorized Change Order as set forth in this paragraph if SFS determines that such a Change Order is appropriate. Changes in the Total Cost of the Work due to an Authorized Change Order shall be limited to the actual net increase in the cost included in the definition of the Total Cost of the Work.

4. SFS and the County shall have the right to monitor the construction progress of the New Improvements at all times, provided that County shall not give direction, whether verbally or in writing or otherwise, to any Contractor, Architect or consultant engaged by SFS, except in an emergency situation. SFS understands that County shall procure a Program Manager to serve as its representative during the design and construction of the Project (provided that the cost therefor shall be reasonable therefor in light of the services provided by the Program Manager), provided the amount of reimbursement to the County for the Program Manager fees from the New Improvements Budget shall be the lesser of (a) 50% of the total amount paid to the Program Manager, and (b) \$100,000, and County shall be solely responsible for any additional payments to the Program Manager. SFS agrees to cooperate with the County and its Program

Manager, and use best efforts to create a spirit of harmony involving all companies providing services for the Project. The Program Manager shall have the opportunity to be included as a participant at all Project meetings, jobsite meetings and inspections, and shall have the opportunity to be included on all Project communications involving the Architect, Contractor and any authority having jurisdiction. All Project administration communications, necessary with the County, including disbursement requests and Change Order requests, shall be conducted through the Program Manager. Should Program Manager identify any work being performed in material deviation from the approved Final Plans, it shall immediately provide written notice to SFS and the County, with recommendations on remedying the non-compliance. If the non-compliance is not remedied within seven (7) days, County and SFS, through representatives possessing decision-making authority, shall meet promptly to discuss the issues and means of resolution.

5. In the event of any contractual dispute between the parties hereto that (i) occurs before Completion (as defined in this Section 10) of the New Improvements, and (ii) relates to the preparation and/or approval of the Conceptual Plans, Preliminary Plans, Final Plans, the Construction Work per the Final Plans, or any Change Order for any Phase of the Work, SFS and County shall attempt in good faith to agree to the resolution of the disagreement and/or the curative measures, if any, that are required to be undertaken, and if necessary will submit the dispute to non-binding mediation in an effort to resolve the dispute if the parties are unable to reach a resolution without outside intervention. If the parties are unable to resolve such dispute through non-binding mediation within 30 days of such dispute arising, then the dispute shall promptly be resolved by litigation pursuant to Section 39 of this Agreement.

6. The New Improvement Schedule, which shall be Exhibit "H" hereto, shall show:

(a) The anticipated time of commencement and completion of each of the various operations to be performed under this contract; and,

(b) The sequence and inter-relationship of each of these operations with the others and with those of other related contracts; and,

(c) The estimated time required for fabrication or delivery, or both, of all materials and equipment for the Work.

7. The New Improvement Schedule shall be revised by SFS as and when needed. SFS shall provide the County with written notice in the event that any revision as to the New Improvement Schedule changes the Required Completion Date (if and as that term or its equivalent is defined in the Contract).

8. Promptly after execution of this Agreement, the County shall deposit the entire amount of the funds that comprise the New Improvements Budget in an interest bearing account, in the name of the County, designated (and referred to in this Section 11) as the "New Improvement Account," and all interest thereon shall be added to the New Improvements Budget.

The County will issue bonds in an amount sufficient to generate \$55,000,000 of funding for the New Improvements Budget, as provided for in this Section 10. Notwithstanding any provision herein to the contrary, the County shall have no obligation to provide funds for the New Improvements Budget in excess of the \$55,000,000 provided with the proceeds of the County's New Improvement Bonds without the express written consent of the County identifying the additional funds provided.

9. County shall disburse funds from the New Improvement Account, as follows, provided that in no event shall County be responsible for disbursing funds in excess of the New Improvements Budget for the Total Cost of the Work:

(a) Within twenty (20) business days following SFS's delivery to County of an invoice for the Additional Exposure Liability Coverage Insurance Premiums with certification that payment is due in the requested amount, County shall pay to SFS the entire amount of such invoice;

(b) Within twenty (20) business days following SFS's delivery to County of an invoice from the Architect with respect to the Architect's Work with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of the Architect, the full amount of such invoice, which payment SFS will then forward to Architect within five (5) days of SFS's receipt thereof from County;

(c) Within twenty (20) business days following SFS's delivery to County of an invoice from the Contractor (which invoice shall reflect the applicable retainage), accompanied by the Required Documents (as such term is defined below) with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of Contractor, the full amount of such invoice, which payment SFS will then forward to Contractor within five (5) days of SFS's receipt thereof from County. The term "Required Documents" referred to in this Section 11 means: (i) an affidavit from the Contractor certifying that the invoice is true and correct; (ii) a partial lien waiver from the Contractor for the full amount of the current invoice and partial lien waivers from all subcontractors, materialmen and others who have filed Notices to Owner with respect to all Work through the date of the prior invoice; (iii) a certificate from Architect stating that the portion of the Work described in such invoice has been completed in accordance with the Final Plans; and (iv) in connection with the final disbursement to the Contractor (A) a final lien waiver from the Contractor and from all subcontractors, materialmen and others who have filed Notices to Owner and (B) a final certificate of occupancy or a certificate of completion, as may be applicable;

(d) Within twenty (20) business days following SFS's delivery to County of any invoices from any consultants engaged by SFS and/or with respect to any other costs, expenses or liabilities incurred by SFS pursuant to or as described in Section 11(B)(9) of this Agreement previously approved and authorized by the County, County shall, following verification of entitlement and quantum due, pay to SFS the full amount of such invoices; and

(e) Upon Completion, to the extent that \$55,000,000.00 exceeds the Total Cost of the Work in connection with the New Improvements (with the amount of such excess hereafter referred to as the "Excess New Improvement Budget Funds"), the Excess New Improvement Budget Funds shall be added or devoted to the Additional Improvement Fund (as such term is defined in Section 5(A)).

(f) County shall have the right to review, verify, and audit if necessary, all requests for disbursements of any New Improvements Budget Funds, including invoices from the Architect and Contractor. SFS shall reasonably ensure that all requests for disbursements are sufficiently documented and accompanied by supporting invoices and time records, and in the case of Architect and Contractor, that they (i) maintain an "open book" project accounting practice, (ii) make all files and accounting records available for review and auditing upon reasonable request, and (iii) allow for backcharging for any erroneous billing, as these requirements relate to the New Improvements Budget.

11. **DIGNITARY SEATING.**

Prior to December 1 of each year, the County and SFS will cooperate and develop a dignitary seating arrangement that is reasonably acceptable to all the parties.

12. **FLORIDA STATE LEAGUE TEAM; GULF COAST LEAGUE TEAM.**

The parties acknowledge that the Club currently owns the St. Lucie Mets Florida State League team. This Agreement shall apply to the use of the facilities by the St. Lucie Mets and related operations during the Florida State League regular season and any post-season playoffs. In the event the Club terminates its ownership of a Florida State League team during the term of this Agreement, and does not either transfer ownership thereof to SFS, assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate in accordance with Section 24, or acquire ownership of or enter into a player development contract with another minor league team that will be scheduled to play its home games in the Stadium during the following Florida State League season, SFS shall notify the County as soon as practicable in advance of the beginning of the following Florida State League team season. In that event, the County may permit another Florida State League team to play its home games at the Stadium without the consent of SFS, provided that such minor league team's operations do not conflict with SFS's exclusive use of the Sports Complex from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement or with SFS's use of the Sports Complex for GCL Mets operations (if any), as set forth in Section 15(A) below. The term "St. Lucie Mets" as used herein refers to the current or any future minor league baseball team owned or operated by or affiliated with SFS or the Club that plays its home games at the Sports Complex (excluding the GCL Mets, as defined below). The term "Florida State League" as used herein refers to the Florida State League, any successor league thereto, or any other minor league to which the St. Lucie Mets belongs.

The parties acknowledge that Club currently owns a Gulf Coast League team. All of the terms and conditions of this Agreement shall apply to the use of the facilities by that team during the Term, including without limitation for the Gulf Coast League regular season and any post-season playoffs. The term "GCL Mets" as used herein refers to any future minor league baseball team owned or operated by or affiliated with SFS or the Club that is a member of the Gulf Coast League and will play its home games at the Sports Complex, if SFS or the Club, as may be applicable, so decides in its sole discretion. The term "Gulf Coast League" as used herein refers to the Gulf Coast League or to any successor league thereto.

Other than as provided in the first paragraph of this Section 12 (and subject to SFS's right to assign this Agreement as set forth in Section 24), the County agrees that it will not permit any Florida State League baseball club other than the St. Lucie Mets, or any Gulf Coast League baseball club other than the GCL Mets, to use the Sports Complex during the Term of this Agreement.

13. INDEMNITY AND INSURANCE.

A. SFS.

To the extent allowed by law, SFS agrees to indemnify and hold County harmless from and all claims for personal injury, death, or property damage and any other losses, damages, charges or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except to the extent such losses may be caused by the negligence or willful misconduct of the County, its agents or employees or by any acts or omissions of the Program Manager, Architect, Contractor or any of their respective employees, agents or subcontractors. SFS further agrees to undertake at its own expense the defense of any action brought against the County (with counsel subject to County's approval in its reasonable discretion), claiming damages arising out of, in connection with, or by reason of SFS's use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of the County, its agents or employees, the County agrees to reimburse SFS for the actual expenses, including attorneys' fees, incurred by SFS in defending the County. County agrees to cooperate in any defense by the SFS. The provisions of this paragraph shall survive the termination of this Agreement.

SFS shall maintain or cause to be maintained Comprehensive General Liability Insurance, including Property Damage and Personal Injury coverages, insuring against liability for damages or losses arising solely from the acts or omissions of SFS under this Agreement. Such policy shall name St. Lucie County as an additional insured. Limits of liability coverage to be not less than:

Bodily Injury Liability	\$5,000,000 each occurrence
Property Damage Liability	\$1,000,000 each occurrence

Or

Bodily Injury and Property Damage Liability	\$5,000,000 each occurrence, combined single limit
--	---

SFS shall maintain or cause to be maintained in effect Workers Compensation Insurance as required by Florida Statutes, covering all employees of SFS, including employer's liability insurance, with limits of not less than \$100,000 per accident.

SFS shall furnish County, not later than ten (10) business days after SFS's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above with an insurer reasonably acceptable to the County.

B. County.

To the extent allowed by law, the County agrees to indemnify and hold SFS and its members and affiliates harmless from any and all claims for personal injury, death, or property damage and any other losses, damages, charges, or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, including, without limitation, in connection with or related to the New Improvements, the Additional Improvements, and any other construction conducted by the County (itself or through contractors), except to the extent such losses may be caused by the negligence or willful misconduct of SFS, its agents or employees or by any acts or omissions of the Architect, Contractor or any of their respective employees, agents or subcontractors. County further agrees to undertake at its own expense the defense of any action brought against SFS (with counsel subject to SFS's approval in its reasonable discretion) claiming damages arising out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of SFS, its agents or employees, SFS agrees to reimburse the County for the actual expenses, including reasonable attorneys' fees, incurred by the County in defending SFS. SFS agrees to cooperate in any defense by the County. The provisions of this paragraph shall survive the termination of this Agreement.

In addition, the County agrees to procure and pay for and at all times during the term of this Agreement maintain fire and extended and "special form" coverage (including without limitation insurance from and against all losses, damages, claims and liabilities related to or arising from acts of terrorism) on all property, both real and personal, with replacement cost coverage limits of not less than the replacement cost of the Sports Complex (including, without limitation, all New Improvements and Additional Improvements while being constructed and when

completed) and also covering loss of income. The County is self-insured for general liability with statutory limits of \$200,000 per person/\$300,000 per incident pursuant to Section 768.28, Florida Statutes, and waives and has waived sovereign immunity to that extent. The insurance policies referenced above in this paragraph shall further name SFS and the Club as named insureds and shall provide a thirty (30) day notice of cancellation or non-renewal and a severability of interest endorsement.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

C. County warrants and represents that it is, and throughout the Term will remain, a member of and party to the Treasure Coast Risk Management Program ("TRICO," as set forth in the Revised TRICO Interlocal Agreement dated May 1, 1996) or such other pooled risk or self-insurance program acceptable to SFS in its reasonable discretion, and that SFS will be a beneficiary of all insurance and other protections available through the TRICO Risk Management Program (or such other accepted pooled risk or self-insurance program) including, without limitation, with respect to general liability, tort liability, loss or damage to property (e.g., the Sports Complex), and personal injury or death.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

D. County and SFS each do hereby and shall mutually release each other from liability and waive all rights of recovery against each other, for any loss or damage occasioned to County or SFS, as the case may be, from perils insured against, or required hereunder to be insured against, under their respective property insurance policies, whether due to negligence or any other cause. Any property insurance policy required herein covering loss, damage, or destruction by fire or other insured casualty, shall include a waiver of the insurer's rights of subrogation against the other party.

In the event a claim is filed against a party for operations that are covered by the provisions of this Agreement, the party agrees to notify the other party of the claim within ten (10) days after the party receives the claim.

14. **RESPONSIBILITIES OF PARTIES.**

The responsibilities of the parties shall be as follows:

A. **County.**

(1) County shall maintain proper HVAC systems and equipment in throughout the Sports Complex, and shall perform all maintenance thereof at County's sole cost and expense.

(2) County shall be responsible for providing and bearing the cost of an adequate number of qualified security personnel at the Sports Complex for Club major league spring training games and Florida State League games. The County shall be responsible for public order and safety in manner consistent with the County's practices under the Prior FUA, including the creation, establishment and implementation of security, safety and emergency plans and procedures and related contingency plans, all of which shall be in consultation with SFS and the Club. County shall be responsible for coordinating with all local, state and federal agencies to the extent appropriate, and for providing, at its expense, comprehensive training for all security personnel who work at the Sports Complex with respect to County's security, safety and emergency plans and procedures (which training shall occur at least once per year during the Term prior to the commencement of major league spring training, in consultation with SFS and the Club). County shall keep SFS and the Club fully informed with respect to its security, safety and emergency plans and procedures, and with respect to all training and coordination with local, state and federal agencies. County shall have the responsibility to eject persons from the Stadium or from the Sports Complex as necessary, including at the request of SFS; County shall consult with SFS before ejecting any persons from the Stadium during SFS Events except to the extent such consultation is impracticable in the event of an emergency.

(3) County shall be responsible for all utilities (excluding the Barwis facility and the Player Academy Spaces), including telephone (excluding long distance toll charges), heat, water and sewer, electricity, air conditioning, and appropriate night lighting.

(4) SFS and the County agree that the New Improvements shall, to the extent agreed upon by SFS and the County, maximize energy savings using "green" technology and equipment.

(5) In addition to the right to occupy the Sports Complex, SFS and its agents, employees, suppliers and other persons appropriate for SFS to enjoy the use of the Sports Complex premises as contemplated herein, shall have access, in common with others designated by the County, to such areas of the Sports Complex as necessary or appropriate to provide services or otherwise enjoy the use of the Sports Complex as contemplated herein, subject to customary and reasonable security precautions.

(6) If SFS contends that the County has failed to comply with a material obligation of the County pursuant to this Agreement with respect to the maintenance of the Sports Complex, and if as a result SFS contends that an Exigent Condition (as defined below) exists at the Sports Complex, then, in addition to any and all other remedies available to SFS, SFS shall be entitled to (a) take such measures as are strictly necessary to address the Exigent Condition, and (b) deduct the cost of such measures from the payments to be paid by SFS to the County pursuant to Section 6(A) of this Agreement, subject to the County's right to object to and contest such deduction by seeking judicial intervention, which right is expressly reserved. SFS shall not be entitled to deduct such cost unless, prior to addressing the Exigent Condition, (i) SFS provides written notice to the County identifying the Exigent Condition, the measures which SFS intends to take to address it, and the cost thereof, and (ii) the County fails to remedy the Exigent Condition

within a reasonable period of time following the delivery of such notice. "Exigent Condition" shall mean (x) any condition of any playing field that creates a potential substantial risk to participants in games and/or practices on the field, (y) any condition elsewhere within the Complex that creates a potential substantial health or safety risk to SFS's invitees at the Sports Complex, or (z) any condition that, if not promptly remedied, would result in the loss of substantial revenues generated at the Sports Complex.

B. SFS.

(1) SFS shall not in any manner, directly or indirectly, violate any laws, ordinances, rules or regulations of any federal, state, county, city or other governmental authority or agency in connection with the use and occupancy of the Sports Complex under the terms of this Agreement.

(2) SFS shall use and occupy the Sports Complex in a reasonably safe and careful manner and exercise reasonable care not to in any way mar, deface, or injure any part of the premises, ordinary wear and tear excepted. At the conclusion of this Agreement, SFS shall surrender the premises to the County in as good condition and repair as at the beginning of SFS's occupancy, except as to ordinary wear and tear and except as to damage by fire, other casualty, or the elements.

(3) Except with respect to the Telecommunication Equipment described below in Section 14(B)(5) and any property of SFS and as otherwise contemplated by this Agreement, SFS shall not make any material permanent or structural changes, improvements or alterations to the Sports Complex except as provided for in this Agreement without the written consent of County which shall not be unreasonably withheld, conditioned or delayed.

(4) At its expense, SFS is responsible for providing a sufficient number of ticket sellers and ushers during SFS Events.

(5) SFS shall be responsible for the installation and maintenance of any radio and television facilities and telephone systems that it deems necessary for its operations ("Telecommunication Equipment"). Prior to the installation of any such equipment, SFS shall submit plans for such installation to the County for approval, which approval may not be unreasonably withheld. Upon termination of this Agreement, SFS agrees to remove the Telecommunication Equipment and restore the premises to their prior condition. SFS may pass these costs on to parties other than County. The County has paid for the necessary utility lines to the areas designated for radio and TV facilities in the site plan and has had the lines stubbed at the required points. If further improvements are needed, those improvements shall be included in the New Improvements.

15. **OTHER USE OF PREMISES.**

A. SFS shall have sole and exclusive use of the Sports Complex, including the Stadium, from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement (including any options). As long as SFS or its affiliates (including specifically the Club) own or operate or have a player development contract with a Florida State League team or other St. Lucie-based minor league team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Florida State League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. If SFS or its affiliates (including specifically the Club) continue to have or acquire ownership of or the right to operate or have a player development contract with a Gulf Coast League team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Gulf Coast League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. SFS shall have the exclusive use and control of those portions of the Sports Complex used for SFS Events, including without limitation the exclusive right to determine and implement the rules and policies that relate to the admission of patrons to those portions of the Sports Complex used for SFS Events.

B. Subject to the SFS's uses of the Sports Complex as set forth in Section 15(A) above, each year during the Term SFS shall provide the County with a preliminary schedule of its events on or about December 1, and thereafter a definitive schedule of SFS Events and County Events to be held at the Sports Complex (hereinafter, the "Event Schedule") shall be prepared as follows:

(i) First, all dates in the months of February through the beginning of the Florida State League (or other minor league to which a St. Lucie-based baseball team owned by or affiliated with Club belongs) season in April shall be reserved on the Event Schedule exclusively for New York Mets spring training and exhibition season activities;

(ii) Second, all dates for Florida State League home games, workouts and practices, all possible dates for Florida State League post-season or playoff games or other Florida State League events (including without limitation All-Star games and pre-season games), and all dates for New York Mets minor league spring training activities and instructional league play shall be added to the Event Schedule;

(iii) Third, all dates for GCL Mets home games, workouts and practices, and all possible dates for GCL post-season or playoff games or other Gulf Coast League events (including without limitation All-Star games and pre-season games);

(iv) Fourth, all dates for Mets Fantasy Camp games, workouts and practices;

(v) Fifth, after SFS informs County of the dates contemplated in subparagraphs (i), (ii), (iii) and (iv) above, SFS and County shall each be entitled to reserve the use of the Sports Complex on other dates during the year for other SFS Events and County Events, respectively, by providing a "New Event Notice" as described below, with the first to

obtain approval of a New Event Notice according to the procedures set forth below in this Section 15 for each such other proposed Event obtaining the right to use the Sports Complex for such Event.

C. Whenever a party desires to add an Event to the Event Schedule pursuant to Section 15(B)(iii), it shall give written notice ("New Event Notice") to the other party of its request to do so as soon as reasonably possible, but in no event later than ten (10) days prior to the date of the proposed Event. Each New Event Notice shall include a description of the proposed Event, including the nature, starting time and estimated duration thereof; the expected attendance thereat; the identity and experience of the promoters and organizers of the proposed Event, and their principals; a description of the financial assurances (e.g., bonds, security deposit) to be provided by the Event promoters or organizers; a description of any special safety, security, cleaning, maintenance, restoration or other services that will be obtained in connection with the proposed Event; and the approximate preparation and clean-up periods for the proposed Event.

The party receiving a New Event Notice shall notify the other party as soon as reasonably possible but in no event more than five days after its receipt of such New Event Notice, whether the receiving party objects to the proposed Event. If no written notice of objection is given within such five-day period, the Event shall be deemed approved. If notice of objection is given within such five-day period, the parties shall cooperate to determine what, if any, modifications to the proposed Event, or further assurances or services in connection therewith or therefore, would cause the objecting party to consent to the proposed Event. When any proposed new Event is approved by the other party (including by a failure to object), the Event shall be added to the Event Schedule. In the event of any unresolved dispute regarding whether an Event that is the subject of a New Event Notice and an objection should be put on the Event Schedule, SFS and County will submit the dispute to non-binding mediation, and if the parties are unable to resolve the dispute through non-binding mediation, then the dispute shall promptly be resolved pursuant to Section 39 of this Agreement on an expedited basis at the request of either party.

A proposed Event may not be added to the Event Schedule unless the scheduling thereof would be in compliance with each of the following criteria: (i) No more than one Event may be held at the Sports Complex per day without each party's consent, which either party may withhold in its sole and absolute discretion; (ii) Events shall be scheduled so as to allow reasonably sufficient preparation, clean-up and restoration periods between each Event, which shall be subject to the Maintenance Standard; (iii) No County Event may be scheduled to take place between January 16 and January 31 of each year during the term without SFS's consent, which consent may be withheld in its sole and absolute discretion; and (iv) the Event must be a specific planned Event (i.e., neither party may reserve a date on the Event Schedule on the basis that it intends to hold on such date a certain type of Event, as opposed to a specific Event).

In determining whether a party's objection to an Event proposed by the other party is reasonable, consideration shall be given to, among other things, whether the promoted or organizer of the Event: (i) is reasonably capable of producing the Event; (ii) will be providing reasonably adequate financial assurances (e.g., bonds, security deposit) to protect SFS's and County's

respective rights hereunder; and (iii) will be providing reasonably adequate safety, security, cleaning, maintenance and restoration services for the Event.

D. Nothing in this Agreement shall prevent the County from using the portions of the property described in Exhibit "B" that are not used for baseball facilities or in connection with SFS's use of such facilities, provided that such uses do not interfere with SFS's use of the Sports Complex or otherwise conflict with SFS's rights under this Agreement (including, without limitation, SFS's exclusive right to operate concessions at the Sports Complex during the Term). The County agrees that during the term of this Agreement, the County shall use or authorize others to use the remaining property described above only for community events, sports and recreational purposes. The County shall be responsible to repair or replace any portion of the facilities which are altered, damaged or otherwise affected by any non-SFS use.

E. Notwithstanding any other provision of this Agreement (except Section 12, solely with respect to Florida State League play) the County agrees that it will not permit any other Major or Minor League baseball club to use the Sports Complex during the term of this Agreement or any extension thereof without SFS's approval in advance in writing in its absolute discretion.

F. Any of the property described in Exhibit "B" that is not being used by the County or SFS may be used by the parties as additional unpaved parking provided that such use does not interfere with SFS's permitted use of the Sports Complex.

G. In the event of a declared federal, state or local emergency, the County may use the Sports Complex as a staging area for disaster preparations, response or other related uses ("Staging Uses"), provided that (i) the County will reimburse SFS for all costs incurred and revenue lost by SFS as a result of the Staging Uses and (ii) the County will use best efforts to minimize interference with SFS's operations at the Sports Complex and will immediately restore any resulting damage to the Stadium caused as a result of the Staging Uses. The parties further agree to cooperate in obtaining any federal or state funds that may be available for this purpose.

16. **PUBLICITY AND PROMOTION.**

A. The County will promote the New York Mets and the Club's St. Lucie-based minor league team(s), as well as the sale of home game tickets for such teams. County shall submit all promotional material to SFS for approval, which approval shall not be unreasonably withheld.

B. SFS Obligations.

As additional consideration for the use of the Sports Complex SFS shall provide, or shall cause the Club to provide the County with the advertising services set forth in Exhibit "M" attached hereto during each year of the Term.

17. **ADDITIONAL COVENANTS OF SFS AND COUNTY.**

A. SFS shall use and occupy the premises solely for the purposes specified in this Agreement.

B. SFS shall pay all taxes or assessments on its operation as well as on goods, merchandise, fixtures, appliances, equipment and property owned by it and located in or about the Sports Complex. SFS shall have no obligation to pay any real estate or property taxes under any circumstance.

C. To the extent that SFS desires to acquire and construct facilities at the Sports Complex which are eligible under applicable state and federal laws to be financed through the issuance by the County, solely as a conduit issuer, of either taxable or tax-exempt revenue bonds, which bonds shall not be or constitute a debt or obligation of the County, the County will cooperate with SFS to the end that the County may be a conduit issuer of such bonds and, to the extent applicable, will give SFS priority for private activity volume cap; provided, that all reasonable costs and expenses incurred by the County in connection with the consideration and consummation of such financing, which shall be disclosed in advance and in writing by the County and subject to the approval of SFS, will be borne solely by SFS.

18. **DEFAULT; TERMINATION.**

A. If the property covered herein shall be deserted or vacated for an entire spring training season, unless such absence is due to a labor dispute or other causes beyond SFS's control, or proceedings are commenced against SFS in any Court under a bankruptcy act or for the appointment of a trustee or receiver of SFS's property either before or after the commencement of the Term, or if there shall be a default in the payment of any monies due hereunder for more than twenty (20) days after written notice of such default to SFS, or if there shall be default in the performance of any other material covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of SFS for more than twenty (20) days after written notice of such default by the County (or if such default is incapable of being cured within twenty (20) days, within such longer period of time as shall be reasonably required for such cure, unless SFS has taken no substantial steps to effect such cure within such period), then at the sole option of the County, this Agreement may be terminated by the County. In addition, the County may terminate this Agreement if (i) the New York Mets shall cease to be a franchise in a major league baseball league, (ii) during any spring training during the Term, Club schedules a majority of New York Mets spring training home games at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder, or (iii) during any Florida State League season, Club schedules a majority of the home games of the Club's Florida State League team at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder. In the event the County terminates this Agreement for the reasons set forth above in this paragraph, the County shall have the right to re-enter or repossess the property during the period of SFS's right to use thereof, either by summary proceedings, surrender or otherwise other than force, and

dispossess and remove therefrom SFS, or other occupants thereof, without being liable for any prosecution therefore. Should the County reasonably incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court costs (at the lower court and appellate levels), and County prevails in such legal action, said expenses shall be reimbursed to the County by SFS.

B. SFS shall have the right, at any time and at its sole option, to terminate this Agreement and all of its obligations hereunder upon written notice to County (the "Termination Notice") provided by SFS on or before March 31 of any year during the Term, which notice shall terminate the Agreement effective as of December 31 of that calendar year. In the event of termination pursuant to this provision, as the County's sole remedy against any person relating to such termination of this Agreement County will accept (i) a series of payments for outstanding amounts remaining on Refunding Bonds as set forth in Section 37, and (ii) a series of semi-annual payments tied to the County's schedule of debt service payments in connection with the New Improvement Bonds, which New Debt Service Schedule shall be incorporated into this Agreement as Exhibit "I" hereto upon issuance of the New Improvement Bonds (which includes State Development Funds (as defined below) that will be used by the County to pay the debt service on the New Improvement Bonds). Such payments in connection with the New Improvement Bonds, referred to herein as the "Debt Service Payments," shall be made by SFS to the County on each "Period Ending" date referenced in the first column of Exhibit "I" hereto that follows the effective date of the termination of this Agreement. The amount of the Debt Service Payment due on each such post-termination "Period Ending" date shall be an amount equal to the "Total Debt Service Payment" in the last column of Exhibit "I" hereto corresponding to the "Period Ending" date in question, provided, that in the event it is determined by the County's bond counsel that the acceptance of such payments by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds that are issued on a tax-exempt basis, SFS shall either (i) pay to the County the amount necessary to offset the change in tax status to the holders of the tax-exempt New Improvement Bonds, which may be retroactive to the date of issuance of the New Improvement Bonds, or (ii) provide funding to the County sufficient to prepay in full said tax-exempt New Improvement Bonds at the earliest permitted call date, plus all interest and principal due and owing through that date of redemption. Upon request, the County will inform SFS whether its bond counsel believes that acceptance of the payments set forth in this section by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds.

The parties agree that these respective amounts constitute reasonable and just compensation for such termination by SFS, and SFS hereby promises to pay to County, and the County hereby agrees to accept, the appropriate payment amount described above as liquidated damages, and not as a penalty, and as its sole and exclusive remedy related to the termination of this Agreement by SFS, and County waives all other rights and remedies in connection therewith.

If the property covered herein shall be deserted or vacated by the County either before or after the commencement of the term of this Agreement, or if there shall be a default in the payment of any monies due hereunder by the County for more than twenty (20) days after written notice of such default to the County, or if there shall be a material default in the performance of any other

covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of the County for more than twenty (20) days after written notice of such default by SFS, then at the sole option of SFS, this Agreement may be terminated by SFS. Should SFS incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court cost (at the lower and appellate levels), and SFS prevails in such legal action said expenses shall be borne by the County.

In the event SFS terminates this Agreement, SFS shall immediately vacate the Sports Complex, but reserves the right to seek damages and any or all other remedies caused by any default or breach of this Agreement by County.

19. **DAMAGE OR DESTRUCTION.**

In the event of the damage or destruction of the property described in Exhibit "B" or any of the structures (including the Stadium) or improvements located thereon by fire or other casualty, there shall be an obligation on the part of the County to use the insurance proceeds for the purpose of rebuilding such facilities. The County shall be responsible for providing the funds necessary to rebuild the facilities in the event the proceeds from the insurance referenced in Section 13(B) above are not sufficient to cover the cost of such rebuilding.

County shall complete the reconstruction and repair of the Sports Complex following any such damage or destruction, as soon as reasonably possible, and in any event within two hundred seventy (270) days following the occasion of such damage or destruction. Within thirty (30) days following the occasion of such damage or destruction, County shall provide SFS with County's architect's and/or engineer's reasonable estimate of the time required for the reconstruction and/or repair of same. In the event that the estimate shall reflect that more than two hundred seventy days shall be required for the repair and/or reconstruction, SFS shall have the right to terminate this Agreement by written notice to County, within thirty (30) days thereafter. Further, if in fact the reconstruction and repair shall not be completed within two hundred seventy (270) days (or such longer time to which SFS may agree), SFS shall have the right to terminate this Agreement by written notice to County within thirty (30) days following the end of such two hundred seventy day (or longer, as the case may be) period.

During the repair and/or reconstruction of the damage or destruction to the Sports Complex, until same shall be completed, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such damage or destruction shall interfere with the use by SFS of the Sports Complex as contemplated hereunder.

20. **EMINENT DOMAIN.**

In the event that any portion of the premises should be taken by the exercise of the right of eminent domain so as to materially affect SFS's operations, SFS may terminate this Agreement as of the date of taking. In the event that SFS does not terminate this Agreement as a result of any taking, following any such taking SFS's obligations and liabilities hereunder shall be proportionately adjusted, on an equitable basis, to the extent that such taking shall damage or

otherwise materially adversely affect the use by SFS of the Sports Complex as contemplated herein. All proceeds for such taking shall be paid to the County or SFS as their interests may appear, provided that the foregoing shall not preclude SFS from pursuing a separate award for damages to SFS's furnishings, fixtures and equipment, moving expenses and any other losses relating to SFS's business permitted by law to be recovered, including, without limitation, the loss of SFS's leasehold.

21. **FAMILIARITY WITH BONDS.**

Anything else in this Agreement to the contrary notwithstanding, SFS acknowledges that County is or will be bound to the holders of certain bonds which relate to the Sports Complex. SFS agrees to cooperate reasonably with the County to maintain the tax-exempt status of the bonds, provided, however, that such cooperation shall not entail material modification of the terms and conditions of this Agreement nor cause SFS or any affiliate to incur any cost or expense in connection therewith.

22. **NON-DISCRIMINATION.**

SFS, as a part of the consideration hereof, does hereby covenant and agree that no person on the grounds of race, color, national origin or sex shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination in the use of the facilities excluding uniformed baseball personnel. The terms of this Section shall be binding upon SFS's successors in interest and assigns.

23. **CONFLICT OF INTEREST.**

The County hereby represents and warrants that neither it nor any of its directors, officers, members, partners, officials, representatives, or employees has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance of rendering of the services herein provided. The County further represents and warrants that in the performance of this Agreement no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the County of St. Lucie nor any person whose salary is payable, in whole or part, from the County Treasury, shall participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporations, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this Agreement or in the proceeds thereof.

24. **ASSIGNMENT; SUBLEASES AND LICENSES.**

SFS may assign any or all of its rights and obligations pursuant to this Agreement to any entity that owns and operates the New York Mets franchise, and may assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate (or, if applicable, the Gulf Coast League affiliate) of

the New York Mets. Should Club sell its Major League Baseball franchise during the term of this Agreement, SFS shall make a good faith effort to assign its rights and delegate its duties under this Agreement to the entity that acquires such franchise. Subject to the approval of the County, which approval may not be unreasonably withheld, conditioned or delayed, SFS may assign all of its rights and obligations pursuant to this Agreement to an owner or operator of another Major League Baseball club. Upon SFS's assignment of this Agreement and all of its rights and obligations hereunder, all of SFS's duties and obligations under this Agreement shall terminate and cease to be of any further force or effect as of the effective date of the assignment and the County shall look solely to the assignee for performance of the duties and obligations under this Agreement thereafter. Except as expressly set forth above in this Section, no party may assign its rights or obligations under this Agreement without the written consent of the other party. Notwithstanding the foregoing, SFS shall have the right to enter into subleases and/or licenses with third parties with respect to any of its rights and obligations hereunder with the consent of the County, which consent shall not be unreasonably withheld, except SFS may not, without County's prior consent, sublease or license the use of any portion of the Sports Complex to any Major League Baseball team other than the Club or to any other entity if such sublease or license would cause cost or expense to the County beyond those that County would otherwise incur from SFS's Permitted Uses under this Agreement, provided that the County shall not withhold such consent if SFS and/or the proposed sublessee agrees to pay any such additional costs and expenses.

25. **ENTIRE AGREEMENT.**

This Agreement represents the entire understanding and agreement between the parties with respect to the subject matter hereof, and supersedes all other written or oral negotiations, understandings and representations (if any) made by and between such parties.

26. **AMENDMENTS.**

27. **FURTHER ASSURANCES.**

The parties hereby agree from time to time to reasonably execute and deliver such further and other transfers, assignment and documents and reasonably do all matters and things which may be convenient or necessary to more effectively and completely carry out the terms of this Agreement.

All of the terms and provisions of this Agreement, whether so expressed or not, shall be binding upon, inure to the benefit of, and be enforceable by the parties and their respective legal representatives, successors and permitted assigns.

30. **HEADINGS.**

The headings contained in this Agreement are for convenience of reference only, and shall not limit or otherwise affect in any way the meaning or interpretation of this Agreement.

31. **PRONOUNS.**

In this Agreement, the use of any gender shall be deemed to include both genders, and the use of the singular shall include the plural, wherever it appears appropriate from the context.

32. **SURVIVAL.**

No covenants, agreements, representations and warranties made herein or otherwise made in writing by any party pursuant hereto shall survive the termination of this Agreement except as expressly stated herein. In addition to the survival of specific Sections of this Agreement as expressly stated in such Sections, the terms of Sections 9(C), 13, 29 and 36 of this Agreement shall survive the termination of this Agreement.

33. **WAIVERS.**

The failure or delay of any party prior to a period which would constitute laches at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder, and any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any known right, power or remedy under this Agreement. No notice to or demand on any party in any case shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

34. **FORCE MAJEURE.**

Neither party shall be liable to the other for failure to perform its obligations hereunder if and to the extent that such failure to perform results from causes beyond its reasonable control ("Force Majeure Events") including, without limitation, strikes, lockouts, or other industrial disturbances (but excluding Major League Baseball strikes and lockouts); fires; unusual climatic conditions such as hurricanes, floods, tornados and the like; acts of God; or acts of a public enemy, war, police action, terrorism and the like. The party unable to perform as a result of a Force Majeure Event shall promptly notify the other of the beginning and ending of each such period. During the period of any Force Majeure Event, until same shall be concluded, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such Force Majeure Event shall interfere with the use by SFS of the Sports Complex as contemplated hereunder. If any period of a Force Majeure Event prevents SFS from using the Sports Complex in the manner contemplated herein for all or a substantial part of any Major League Baseball Spring Training season or Florida State League season (or, if applicable, a Gulf Coast League season) and SFS does not receive satisfactory assurances from the County that a Force Majeure Event will not prevent SFS's use of the Sports Complex as contemplated in this Agreement for a substantial part of the following Major League Baseball Spring Training season, SFS shall have the right to terminate this Agreement upon sixty (60) days written notice to the County.

35. **GOVERNING LAW.**

This Agreement and all transactions contemplated by this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida, applicable to agreements wholly negotiated, executed and to be performed in that state, without regard to principles of conflicts or choice of laws.

36. **SECTION 288.11631, FLORIDA STATUTES.**

A. Section 288.11631, Florida Statutes is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State") that are funded with State incentive funding. SFS and the County acknowledge that the amount of State incentive funding provided by the State for the Sports Complex is based on the continual use of the Sports Complex by a spring training baseball franchise for the entire length of the Term.

B. The County will submit an application to the Florida Department of Economic Opportunity for Twenty million dollars (\$20,000,000.00) in funding assistance for the New Improvements that are described in the Facilities Use Agreement. In connection with this application and as a condition of any award of funding under Section 288.11631, Florida Statutes, SFS must agree to reimburse the State of Florida for the funds expended by the County for the New Improvements that the County received from the State of Florida if the Club relocates before the term of the Facilities Use Agreement expires.

C. SFS covenants and agrees with the County that if the County terminates this Agreement pursuant to its rights under Section 18(A), or if SFS terminates this Agreement pursuant to its rights under Section 18(B) for any reason other than a breach of this Agreement by the County, then SFS shall reimburse the State for the total amount of distributions actually paid from the date of such termination through the final maturity of the New Improvement Bonds (the "State Development Funds"). Repayment to the State shall not discharge SFS from any other obligations set forth in this Facilities Use Agreement.

D. The Parties agree that if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County, SFS will promptly notify the applicable agency of the State of Florida that has been charged with administrative oversight and enforcement of the State Development Funds (the "Agency") of the circumstances for such termination, and SFS will not have any obligation to repay either the County or the State for any State Development Funds in connection with such SFS termination. The County shall hold SFS harmless from any assertion or claim by the State that the State Development Funds shall be repayable to the State by SFS if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County.

E. The State of Florida is a third party beneficiary of this Facilities Use Agreement as to the obligations imposed by Section 36. The State shall have: 1) Standing to seek and complete

performance of the obligations in this Section in law or equity and 2) Standing to initiate and/or defend an action at law or equity relating to obligations.

37. **2011 BONDS.**

The County will refund the existing 2011 Improvement Bonds (as defined in Section 5(K) of the Prior FUA) on or around November 1, 2016 (the "Refunding Bonds"). The new Refunding Bonds shall have the same remaining term as the 2011 Improvement Bonds. In addition to the Base Rent payments and Additional Rent payments made by SFS pursuant to Section 6(A), SFS will make additional payments to the County, such payments being equal to the amounts set forth in the last (Total Debt Service Payment) column of Exhibit "J" on the dates indicated in the first (Period Ending) column of Exhibit "J" that follow commencement of the Term of this Agreement, or in the alternative, if SFS elects, such payments being equal to the amounts and on the dates set forth in the debt services schedule for the Refunding Bonds.

38. **AGREEMENT RUNS WITH LAND.**

This Agreement is intended to run with the land and shall be binding upon all of the County's successors and assigns. SFS and County shall enter into a short form Memorandum of this Agreement which shall be recorded in the Public Records of St. Lucie County, Florida. This Agreement is not revocable by County and is not terminable by County except as expressly set forth herein.

39. **DISPUTE RESOLUTION.**

All disputes arising from or related to this Agreement whether the action is brought in contract, tort, statutory claim or any other theory of liability, shall be subject to litigation as the final mode of dispute resolution. Exclusive venue for litigation of any disputes rests exclusively in the Circuit Court for St. Lucie County, Florida. As an express condition precedent to litigation all litigation shall be subject to non-binding mediation to be conducted within ninety (90) days of the dispute arising. The parties shall mutually select a qualified mediator, and failing accord, a mediator shall be appointed by the American Arbitration Association and mediation shall be conducted in accordance with its rules, costs and fees to be split equally by the parties.

40. **SUBSERVIENCE.**

A. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by SFS hereunder shall in all respects be subordinate to the MLB Rules and Regulations and the Minor League Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations or the Minor League Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which County is granted rights is limited to, and nothing herein shall be construed as conferring on County rights in areas outside of, the Spring Training territory of the New York Mets as established and amended from time to time. The Architect's Contract shall, *inter alia*, contain terms and conditions with generally the same substance as the following paragraphs:

Periodically during the construction process, at such times as reasonably determined by SFS and County, the Architect will observe the conduct of construction of the New Improvements and notify County and SFS in writing of observed deficiencies in the Work being performed and deemed completed (including deficiencies which preclude the Work being deemed completed), notify the County and SFS of any item not in strict accordance with the final plans, and otherwise create a punchlist of minor finishing and adjustment in any other items which the Contractor has not finally completed in strict accordance with the final plans. Failure to include an item on the punchlist will not diminish the responsibility of the Contractor to complete the work in accordance with the final plans.

The Architect will perform, and ensure its subconsultants perform, all services in accordance with the professional standard of care governing architects working on projects of the same scale and complexity, in the same geographic market, as the New Improvements.

The Architect will monitor and observe the construction of the Work in order to ensure that the Work is constructed in accordance with the final plans and on schedule. The Architect will, to the extent requested by SFS, conduct regular meetings with SFS and with the County or its designee and other appropriate parties to assist SFS in verifying that all Work is being performed according to the Final Plans and any authorized change orders. In addition to coverage for the Florida Workers' Compensation Law, where appropriate, coverage is to be included for the Federal Employer's Liability Act, and any other applicable Federal or State law.

Procurement of Subcontracts

Following execution of this Facilities Use Agreement, County and FUA will cooperatively develop, seeking input from the Architect and Contractor selected per the terms hereof, a competitive and open procurement process for the procurement of all trade contractor work and supplies, which meets the following minimum requirements:

- SFS shall schedule and coordinate an advertised, public outreach meeting to brief the local and minority small business community on the project and opportunities. This outreach can be prior to or coordinated with the public advertisement and pre-submittal conference for the Contractor, and once selected the Contractor shall be required to schedule and coordinate a follow-up public outreach meeting. SFS and Contractor shall use good faith commercially reasonable efforts to foster local and minority business participation and specialty trade apprenticeship opportunities in accordance with the County's Apprenticeship Program (see attached) on the 2016 Improvements.
- Contractor shall establish a prequalification list or plan list of interested parties, so that these subcontractors and suppliers get early notice of all trade packages available for bid or proposal. Prequalification criteria and forms shall be subject to review and approval by SFS and County.
- Advertise for competitive bids or proposals on all trade packages exceeding \$500,000. Packaging of trade work shall be in a manner that fosters participation of local and small business and specialty trade apprenticeship opportunities. SFS and Contractor shall not unreasonably break up related trade package work in order to avoid the competitive procurement threshold.
- Lowest, qualified bidder is the presumptive basis for award unless a best-value approach is justified and approved by County. SFS will tabulate and level all bids for County consideration.
- SFS and Contractor will use good faith commercially reasonable efforts to obtain a minimum of 3 bids or cost proposals on all packages under the \$500,000 competitive procurement threshold. SFS and Contractor capped at direct or limited competition procurements at 5% of GMP.
- All subcontract awards exceeding \$300,000 shall comply with the County's Apprenticeship Program.
- All subcontract awards and contract terms shall be subject to review and approval by SFS, and any above the \$500,000 threshold, shall be subject to review and approval by County.

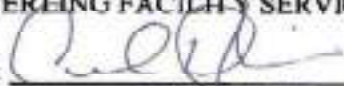

- e. SFS and Contractor shall involve and include County's Program Manager in all decisions and meetings regarding the packaging and procurement of all work, including according the Program Manager a reasonable opportunity to review and comment on all packages prepared for bid and all bid tabulation or bid leveling charts, before final award decisions are made.

Apprenticeship Program Requirements:

Contractors shall be required to comply with the County's Apprenticeship Program, as follows:

- A. On County-funded construction projects which exceed \$300,000, twenty percent (20%) of laborers working in a specialty for which there are apprentice programs registered with the County shall be apprentices. Such apprentices shall be students in certified State of Florida Pre-Apprenticeship/Apprenticeship Programs which are located in St. Lucie, Martin, Indian River or Okeechobee Counties and which are registered with the County.
- B. A County-registered apprenticeship program is one which has registered with the County and provided the required documentation, including but not limited to, proof of certification as an apprenticeship program with the State of Florida and proof of having educational facilities physically located in St. Lucie, Martin, Indian River or Okeechobee Counties.
- C. Unless the apprenticeship requirement is waived by the County, the failure of the Contractor to demonstrate compliance with this requirement shall result in the Contractor's bid being deemed nonresponsive.
- D. The apprentice requirement may be waived or modified with the recommendation of the County Administrator, and appeal to the Board of County Commissioners:
 1. Upon request of the contractor, if the contractor can demonstrate that the required apprentices are not available despite a good faith effort on the contractor's part; or
 2. Upon request of the contractor, if the contractor demonstrates that the available apprentices are not sufficient to meet the required 20% and the contractor commits to utilizing a specific percentage of apprentices who are available; or
 3. If the County determines it is in the best interest of the County to waive such requirement based on potential savings of money and time or grant requirements.
- E. The agreed upon percentage and type of apprentices will be included as a requirement of the construction contract. Failure to meet the terms of the apprenticeship requirements may result in the contractor being found in breach of the contract and subject to possible monetary sanctions.

MICHELLE R. MILLER
CLERK & COMPTROLLER
ST. LUCIE COUNTY, FLORIDA

March 26, 2021

To the Citizens of St. Lucie County, Florida
and the Honorable Members of the
Board of County Commissioners:

The Comprehensive Annual Financial Report of St. Lucie County, Florida, for the fiscal year ended September 30, 2020, is provided for your review. State law requires that a complete set of financial statements be published within nine months after the fiscal end and presented in conformance with Generally Accepted Accounting Principles ("GAAP") as applicable to governmental entities and audited in accordance with generally accepted auditing standards by licensed, independent certified public accountants. This report is issued in compliance with those statutory requirements.

The Comprehensive Annual Financial Report was prepared by the Financial Operations Department of the Clerk of the Circuit Court & Comptroller in accordance with Section 218.32, Florida Statutes. Responsibility for both the accuracy of the data presented and the completeness and fairness of the presentation, including all disclosures, rests with the management of the County. We believe the financial and statistical information presented is accurate in all material respects. It is set forth in a manner designed to fairly present the financial position and results of operations of St. Lucie County as measured by the financial activity of its various funds. The report contains all disclosures necessary to enable the reader to obtain a maximum understanding of the County's financial affairs.

The County has established a comprehensive internal control framework. Its role is to provide reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition. An additional goal is to ensure that the financial records used to prepare financial statements and maintain accountability for assets are reliable. The concept of reasonable assurance recognizes that the cost of controls should not exceed the benefits likely to be derived and that the evaluation of costs and benefits requires judgments and estimates by management. All internal control evaluations occur within the above framework. We believe that the County's internal controls adequately safeguard assets and provide reasonable assurance of properly recorded financial transactions.

In accordance with Sections 11.45 and 125.01, Florida Statutes, the St. Lucie County, Florida financial statements were audited by Berger, Toombs, Elam, Gaines & Frank, Certified Public Accountants, PL. This firm is independently licensed to perform the functions of certified public accountants.

TOGETHER WE ASPIRE. TOGETHER WE ACHIEVE.

P.O. Box 700 • Fort Pierce, FL 34954 • 772-462-6900 • www.stlucieclerk.com

In addition to meeting the requirements set forth in state statutes, the audit was also designed to meet the requirements of the Single Audit Acts of the State of Florida and the government of the United States of America. The standards governing single audit engagements require the independent auditor to report on the government's internal controls and compliance with legal requirements with specific emphasis on the administration of federal awards and state projects. This report contains information related to the single audit, including schedules of expenditures of federal awards and state projects and the independent auditor's reports. Generally accepted auditing standards and the standards set forth in the General Accounting Office's *Government Auditing Standards* were used by the auditors in conducting the engagement.

The audit was performed to provide reasonable assurance that the financial statements are free of material misstatement for the fiscal year ended September 30, 2020. The audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. **The independent auditors concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified, or "clean," opinion that the County's financial statements for the fiscal year ended September 30, 2020 are fairly presented in conformity with GAAP.** The independent auditor's report is presented as the first component of the financial section of this report.

Management's Discussion and Analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. The MD&A complements this letter of transmittal and should be read in conjunction with it.

PROFILE OF ST. LUCIE COUNTY

The name "St. Lucie" was introduced by the Spanish in 1565 after Roman Catholic Saint Lucia. The current St. Lucie County was known as East Florida in 1810. In 1821, the area was renamed St. Johns County. St. Johns was split into several counties in 1840, and this area became Mosquito County. Forty years later in 1880, the borders were again changed, and Brevard County became the new name. On July 1, 1905, St. Lucie County was established with Fort Pierce as the county seat. Portions were stripped away between 1917 and 2013 to become part of present-day neighboring counties.

St. Lucie County is located on the eastern edge of the south-central coast of Florida in the heart of the Treasure/Research Coast region. It is bound on the north by Indian River County, the west by Okeechobee County, the south by Martin County and the east by the environmentally rich Indian River Lagoon and 21 miles of unspoiled beaches along the Atlantic Ocean. The County is approximately 688 square miles with a diverse population that includes three municipalities: Fort Pierce, Port St. Lucie, and St. Lucie Village. The City of Fort Pierce is located approximately 60 miles north of West Palm Beach and 100 miles southeast of Orlando.

First Data Field is the site of many public events and includes a modern baseball stadium and practice fields that serve as the spring training home of the New York Mets baseball team. It is also home to the St. Lucie Mets, a minor league affiliate of the New York Mets, and serves as the rehabilitation facility for professional baseball players.

The County is also the home of two prestigious research facilities: Florida Atlantic University Harbor Branch Oceanographic Institute and the Smithsonian Marine Station, Fort Pierce. Additionally, The University of Florida has established an agricultural research center in the County, the United States Department of Agriculture has selected St. Lucie County as a location for a research facility, and Florida International University has merged with Torrey Pines Institute for Molecular Studies to create a medical research facility in Port St. Lucie.

St. Lucie County is a political subdivision of the State of Florida, pursuant to the provisions of Section 7.59, Florida Statutes. The Board of County Commissioners is a five-member board elected at-large from the five districts within the County. It operates as a non-charter government pursuant to Article VIII, Section (1) (f), of the Constitution of the State of Florida.

In addition to the commissioners, there are five independently elected constitutional officers performing specifically designated governmental functions: Clerk of the Circuit Court & Comptroller, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector. While the Board of County Commissioners (the Board) exercises varying degrees of budgetary control, it does not have administrative control over the activities of the constitutional officers. During fiscal year 2020, the Sheriff and Supervisor of Elections each operated their respective offices as budget officers with funding provided by the Board. In return, each budget officer is responsible for the collection of revenues within their jurisdictional area and for the subsequent remittance of such collections to the Board.

The Tax Collector and Property Appraiser operate as fee officers while the Clerk operates a portion of the office as a budget officer, with the remainder being operated as a fee officer. Fee officers are authorized to retain revenues generated within their offices to defray the costs of operation. The Clerk serves as ex-officio Clerk to the Board of County Commissioners. The duties of the Clerk, as set forth in the Florida Constitution, include those of county auditor, accountant, and custodian of county funds.

The commissioners and the constitutional officers constitute the primary government. The Board serves as the governing board and maintains accounting records for the County's Mosquito Control District, Erosion District, Water and Sewer District, and Sustainability District. The Board maintains the accounting records and is responsible for the operations of the Central Florida Foreign-Trade Zone, Inc., the Housing Finance Authority, and the Treasure Coast Education Research and Development Authority. These dependent districts and authorities are blended in with the financial activity of the County in the general fund and special revenue fund types.

The County's financial statements also include the County's share of funding for the operations of the Office of the Medical Examiner, 19th District of Florida.

Pursuant to Florida Statutes, Section 200.06, budgets are prepared and adopted for the Board after public hearings for the governmental funds. At various times, the constitutional officers submit a proposed operating budget to the commissioners and to certain divisions within the State of Florida Department of Revenue. The operating budget is for the fiscal year commencing the following October 1 and includes proposed expenditures and the means of financing them, as set forth in Florida Statutes, Chapter 129. The State of Florida Department of Revenue has the final authority on the operating budgets for the Tax Collector and Property Appraiser included in the general fund.

The County utilizes the same basis of accounting for budgets as it does for revenues and expenditures in its various funds. The legal level of budgetary control is at the fund level. All budgeted appropriations lapse at year end. Formal budgets are adopted for the general, special revenue, debt service, and capital projects funds at the fund level. As a result, deficits in the budget columns of the accompanying financial statements may occur.

The information presented in the financial statements is best understood when considered from the broader perspective of the environment within which the County operates.

LOCAL ECONOMY

Service, tourism, agriculture, construction, and light manufacturing are the principal industries within the County. The County's population in 2020 was estimated at 322,265. This is a 16% increase over figures from the 2010 census population of 277,789 and a considerable 67.24% increase since the 2000 census population of 192,695.

Based on the 2010 census, the County's median age was 42.4 and was ethnically comprised of 61.2% white, 18.5% black, 16.6% Hispanic, 1.5% Asian, 0.2% American Indian and Alaskan Natives, and 2% other races. The median age for the County was 43.4, while the State's median age was 41.7 for 2019.

On March 9, Florida Governor Ron DeSantis issued Executive Order 20-52, declaring a State of Emergency for COVID-19. On March 13, 2020, President Trump declared the COVID-19 pandemic a national emergency, the first time such a declaration has been issued over an infectious disease outbreak since the H1N1 influenza pandemic of 2009. On March 17, 2020, the County declared a state of emergency to correspond with the Federal and State declaration. The US economy suffered its biggest blow since the Great Depression in the second quarter of 2020. This unprecedented event has reshaped the local economy in many ways. The County's monthly unemployment rate went from 3.7% in February to 14.1% in April, and its annual average unemployment rate reached 7.6% from 3.9% in the previous year.

From 2008 to 2014, the total assessed real property value decreased by 49% due to the Great Recession. As the economy slowly recovered in recent years, real property valuations have increased year over year. In 2020, despite the COVID-19 pandemic, real property valuations increased by 3.76% countywide. New construction (commercial and residential) in the unincorporated area of the County increased from 337 in 2019 to 351 in 2020, while the City of Port Saint Lucie (largest municipality in the County) experienced an increase from 2,931 in 2019 to 3,571 in 2020. For the first 5 months of the current fiscal year alone, 2,065 new construction permits have been issued within the City of Port Saint Lucie city limits. Closed sales are one of the simplest yet most important indicators for the residential real estate market. The total closed sales number in 2020 was 6,372, which is 8.3% higher than in 2019. The median single-family home sales price, including foreclosure and short sales, was \$249,900, which is 7.3% higher than in 2019.

RELEVANT FINANCIAL POLICIES

St. Lucie County's financial policies set forth the basic framework for overall financial planning and management and set forth guidelines for both current activities and long-range planning. These policies are reviewed annually to assure the highest standards of fiscal management.

A fund reserve policy is established to ensure that sufficient cash is available in the coming year to meet obligations until future anticipated revenues are available. The County's goal is to protect essential service programs during periods of economic downturn or unforeseen catastrophic events. A reserve for contingency may be budgeted in each of the County's funds. At the discretion of the Board of County Commissioners, these funds may be allocated as needed during the year to fund unexpected operations or events.

A debt policy is established to limit debt by the availability of revenue streams to pay debt service, by market factors, and by voter discretion. Long-term borrowings are to be used for projects, capital improvements, capital leases, and equipment that cannot be financed from current financial resources.

The following are the relevant financial policies currently in place:

1. An emergency reserve in the General Fund - In line with GFOA guidelines, 12.5% of the General Fund operating revenues may be set aside for natural disasters/issues that are not anticipated in the normal budget development
2. A budget stabilization reserve of \$14 million in the General Fund
3. A transportation infrastructure reserve of \$6 million
4. To the maximum extent possible, the County shall use special assessment (i.e., Municipal Services Benefit Unit) or self-supporting bonds (i.e., revenue bonds) in place of general obligation bonds so that those benefiting from the improvements will absorb all or part of the project costs
5. Utilizing pay-as-you-go financing to the maximum extent possible to conserve debt capacity
6. Maintaining direct debt per capita below \$400 – Direct debt includes general obligation and governmental fund bond debt
7. Keeping direct debt per capita as a percentage of income per capita below 2%
8. Keeping the average maturity of general obligation bonds at or below 15 years
9. Maintain a minimum underlying bond rating equivalent to 'Upper Medium Grade' (Moody Rating Service A or Standard & Poor's A)
10. Reviewing the outstanding debts annually to determine the feasibility of refunding

LONG-TERM FINANCIAL PLANNING

The County adopts a five-year capital improvements plan (CIP) annually, which includes requests and input from all departments and the constitutional officers. Each request includes a proposed funding source and estimated operating cost. The CIP helps the County plan its infrastructure wisely to achieve high quality service levels through proper planning and provision of the replacement, maintenance, and enhancement of the County's capital assets. The quality of life of county residents depends on the reliability of transportation, the efficiency of waste disposal, the accessibility of culture and recreation, and many other essential public services like paved roads.

In the fiscal year 2020, the County had the following capital-related debt activities:

1. Taxable Capital Improvement Revenue Bond, Series 2019 (\$2,611,000) - The proceeds were used to acquire a commercial building located in Port Saint Lucie to house the 2nd location of the County's Wellness Center. The County also leases out the unused space to local businesses.
2. Taxable Utility System Refunding Revenue Bond, Series 2020 (\$16,200,000) – The proceeds were used to redeem a portion of the outstanding Utility System Improvement and Refunding Revenue Bonds, Series 2013.

The following major capital projects were completed in fiscal year 2020:

- Midway Road (Selvitz Rd. to Glades Cut Off Rd.) - \$7 million
- Lyngate Employee Health Clinic building purchase - \$2.3 million
- Lennard/Kitterman land purchase – \$1.3 million

The following major capital projects were ongoing at fiscal year-end:

- Clover Park (Sports Complex) Renovation in Port St. Lucie – \$57 million
- Airport MRO Hangar - \$8 million

These projects are funded by grants, impact fees, tourism taxes, property taxes, gas tax, and long-term debt.

MAJOR INITIATIVES

Despite the operational and economic impacts created by COVID-19 pandemic, the County remains focused on its strategic plan. A comprehensive FY 2021 – 2023 Strategic Plan was adopted by the County in June 2020. The strategic plan continues the County's commitment to sound fiscal stewardship, continued strong commitment to public safety, improving significant infrastructure, facilitating an environment for record economic growth, protecting our environmental resources, collaborating with our municipal, state, and federal partners, and creating the best places to work environment. The Strategic Plan's vision, mission statement, goals, and objectives will guide St. Lucie County over the next few years in its operations and allocation of resources and programs.

In May 2020, the County approved a new transit provider ending a 27-year relationship with the Council on Aging and Community Transit. The County's single largest Infrastructure Surtax project, the Prima Vista repaving, began last year and continued through the pandemic to remain on schedule and budget. The County and the City of Fort Pierce are uniting to provide animal rescue services after the Humane Society's collapse. And Clover Park (Sports Complex) opened in late February 2020 upon substantial completion of the \$57 million renovations. The park remains closed to the general public until February 2021 due to COVID-19.

The following are the major initiatives taken by the County:

- Airport – Treasure Coast International Airport ("TCIA" or "Airport") is expanding its presence in the marketplace, building upon superior infrastructure, a constant flow of improvements, and its vast undeveloped airfield property. More importantly, the Airport is explicitly targeting the Maintenance, Repair, and Overhaul (MRO) market, which has been a foundation for the Airport's economic impact for decades, along with the corporate aviation market for future growth. Development of TCIA's vast landholdings has finally begun. A new state-of-the-art MRO hangar is the anchor for further eastside development, and studies are ongoing for its large westside and northside tracts (the latter is currently the subject of a development study for nearly 1000 acres being conducted jointly with the Florida Department of Transportation). This development, decades in the making, will push the Airport steadily, and perhaps spectacularly, towards the twin goals of economic growth and financial independence. Aviator College, with airline contracts around the world, is undergoing a massive expansion, adding a new simulator and classrooms for flight training, a recently certified four-year degree program, and establishing a new Airframe & Powerplant (A&P) program to train technicians. These A&P students will provide a well-trained workforce to feed into TCIA's strategic plan to further develop its MRO presence. On the Airport's west side, two hangars for corporate jets are being refurbished to house a new jet charter company, which has two additional hangars on adjacent parcels under development.
- Port – The County's purchase of the former Indian River Marine Terminal, a cargo facility, and selection of industry-leader Derecktor Shipyards to transform it into a purpose-built megayacht refit terminal will remain a pivotal moment in the history of the Port. Since taking full possession of the terminal in November of 2019, Derecktor Fort Pierce has embarked on several projects to support full-scale operations, including substantial improvements to the Terminal Building, built in 1947, in preparation for repair and shop operations. Within the shipyard area, delivery of utilities, including electric, fire and potable water, fiber optic, and compressed air, are underway. Through the Florida Department of Environmental Protection (FDEP), the Port Terminal area received a Brownfield Designation, which provides additional assessment and remediation. Derecktor will soon have regulatory approvals for the construction of the mobile boat hoist basin, excavation, and bulkheading.

This will not only provide an additional berth but provide the basin from which the 1500-ton mobile hoist, the world's largest, will lift yachts out of the water and place them on land where the repair and refitting work will take place. The County has embarked upon an update of its Port Master Plan, the first formal update since 2012. The 2019 Port of Fort Pierce Master Vision Plan & Reinvestment Strategy will take a different approach from previous efforts, with a focused vision effort feeding into an infrastructure development plan, along with a Port Stormwater Master Plan, already proceeding independently. Soon to get underway is the Taylor Creek Restoration Dredging project. Taylor Creek plays a vital role in the operations of Harbortown, Taylor Creek Marinas, and Cracker Boy Boat Works, key contributors to the Port's economic impact.

- Other Economic Development initiative – Other initiatives include a Smart Biz focus group; the creation of a sidewalk ordinance to assist development within the industrial corridor; an overhaul of the County's incentive program; a GIS map/inventory of industrial land; and a checklist for necessary improvements to assess the readiness of development. The Building Code Department is currently implementing the Tyler Land Management System software to ensure continuity and streamline the development process from site plan through site development and building permits to zoning compliance.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. Management's Discussion and Analysis
September 30, 2020

St. Lucie County's (the "County") discussion and analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the County's financial activity, (c) identify changes in the County's financial position, (d) identify any material deviations from the financial plan, and (e) identify individual fund issues or concerns.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the Transmittal Letter (beginning on page v) and the County's financial statements (beginning on page 17).

HIGHLIGHTS

Financial Highlights

- Total assets and deferred outflows of resources of the County exceeded its total liabilities and deferred inflows of resources at the close of the most recent fiscal year, by \$615.5 million (net position). Of this amount, a negative \$67.4 million represents unrestricted net position, therefore, there is \$0 available to meet the government's ongoing obligations to citizens and creditors.
- The County's total net position increased by \$36.7 million because of the CARES Act funding and an increase in tax revenues.
- At the close of the most recent fiscal year, the County's governmental funds reported a combined ending fund balance of \$207.1 million, a decrease of \$1.1 million in comparison with the prior year. Approximately \$6.5 million is available for spending at the County's discretion (unassigned fund balance).
- The County had a \$31.9 million increase in total assets in the general fund. The significant increase is mainly attributed to the CARES Act funding.
- The County had a \$4.4 million decrease in unassigned fund balance in the general fund. The decrease is mainly attributed to the CARES Act reimbursement not received within the accrual period after the fiscal year end and was classified as a deferred inflow of resources.

USING THIS ANNUAL REPORT

The annual report consists of a series of financial statements. The government-wide financial statements (on pages 17, 18 and 19) provide information about the activities of the County as a whole and present a longer-term view of the County's finances. Fund financial statements begin on page 20. For governmental funds, these statements tell how these services were financed in the short term as well as what remains for future spending. For proprietary funds, these statements provide the same type of information as the government-wide financial statements, only in more detail. The County uses an internal service fund to account for the management of its self-insurance activities, because the self-insurance fund predominantly benefits governmental rather than business-type functions, it has been included within governmental activities in the government-wide financial statements. Fund financial statements also report the County's operations in more detail by providing information about the County's most significant funds. The remaining statements provide financial information about activities for which the County acts solely as a trustee or agent for the benefit of those outsiders of the government.

Reporting the County as a Whole

Our analysis of the County as a whole begins on page 17. The Statement of Net Position and the Statement of Activities provide information about the County as a whole and about its activities in a way that helps to assess the County's financial health. These statements include all assets and liabilities using the *accrual basis of accounting*, which is similar to the accounting used in most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid. These two statements provide the County's *net position* and the *changes in net position*. You can think of the County's net position – the difference between assets plus deferred outflows of resources and liabilities plus the deferred inflows of resources – as one way to measure the County's financial health, or *financial position*. Over time, *increases or decreases* in the County's net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating. You will need to consider other nonfinancial factors, however, such as changes in the County's property tax base and the condition of the County's roads, to assess the *overall health* of the County.

In the Statement of Net Position and the Statement of Activities, we divide the County into two kinds of activities:

- Governmental activities – Most of the County's basic services are reported here, including public safety, public works, parks and recreation, and general administration. Taxes, franchise taxes, charges for services, grants, and interest earnings finance most of these activities.
- Business-type activities – The County charges a fee to customers to help it cover all or most of the cost of certain services it provides. The County's Bailing & Recycling Facility, Water and Sewer District, Golf Course, and Building Code operations are reported here.

Fund Financial Statements

Our analysis of the County's major funds begins on page 20. The fund financial statements provide detailed information about the most significant funds – not the County as a whole. Some funds are required to be established by State law and by bond covenants. However, the County establishes many other funds to help it control and manage money and to show that it is meeting legal responsibilities for using certain taxes, grants, and other monies such as fines and forfeitures.

Governmental Funds

Most of the County's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual, which measures cash and all other financial assets that can readily be converted to cash and liabilities that are paid from readily available assets. The governmental fund statements provide a detailed short-term view of the County's general government operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the County's programs. We describe the relationship (or differences) between governmental activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds in reconciliations presented on page 22 and page 26.

The County maintains sixty-three individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, Transportation Trust Fund, Fine and Forfeiture Fund, Impact Fee Fund, Sports Complex Capital Projects Fund, all of which are considered to be major funds. Data from the other fifty-eight governmental funds are combined into a single, aggregated presentation as "other governmental funds". Individual fund data for each nonmajor governmental fund is provided in the form of combining statements and begins on page 105.

Annual budgets are adopted for all governmental funds. The budgetary comparison statements have been provided for all governmental funds to demonstrate compliance with the budget.

The basic governmental fund financial statements can be found on pages 20-29 of this report.

Proprietary Funds

When the County charges customers for the services it provides – whether to outside customers or to other units of the County – these services are generally reported in proprietary funds. The County maintains two different types of proprietary funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The County uses enterprise funds to account for its Bailing & Recycling, Golf Course, Water & Sewer, and Building Code operations. The Internal Service Fund is an accounting device used to accumulate and allocate costs internally among the County's various functions. The County uses its Internal Service Fund to account for its insurance programs. Because these insurance programs predominantly benefit governmental functions, it has been included within governmental activities in the government-wide financial statements. Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail.

The basic proprietary fund financial statements can be found on pages 30 to 32 of this report.

Fiduciary Funds

The County holds assets for various individuals and businesses in a trustee or agency capacity. These assets are accounted for in an Agency Fund or a Trust Fund, where assets equal liabilities. These assets cannot be used to support the County's operations. In addition, the County has a fiduciary fund to account for a Self-Health Insurance Fund for a County Agency. The basic fiduciary fund financial statement can be found on page 33 of this report.

Notes to Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to financial statements can be found on pages 36 to 100 of this report.

Required Supplementary information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information highlighting the changes in total other post employment benefits liabilities and related rates, the County's Proportionate Share of Net Pension Liability, and the County's statutorily required contributions. The required supplementary information can be found on pages 101 to 104 of this report.

Financial Analysis of the County as a Whole

Over time, net position may serve as a useful indicator of a government's financial position. As of September 30, 2020, the assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$615.5 million. Our analysis focuses on net position (Table 1) and changes in net position (Table 2) of the County's governmental and business-type activities.

*Restated 2019

The largest portion (94.83%) of the County's net position reflects its investment in capital assets (i.e., land, buildings, machinery, equipment, and infrastructure); less any related debt used to acquire those assets is still outstanding. The County uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the County's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources since the capital assets themselves cannot be used to liquidate these liabilities.

The restricted portion of the County's net position (16.12%) represents resources restricted for purposes other than operations such as debt service and other legally restricted purposes. The total change in net position was a \$36.7 million increase. More detailed information concerning the County's net position is presented on page 17 of the government-wide financial statements.

The unrestricted portion of the County's net position represents resources available and may be used to meet the County's ongoing obligations to citizens and creditors. Of the unrestricted net position for the fiscal year 2020, governmental activities has a negative amount of \$61 million and business-type activities has a negative amount of \$6.4 million. The governmental activities' unrestricted net position reflects an increase of \$15.9 million, which is attributed to the capitalization of the Sports Complex capital project. The Business-type Activities unrestricted net position reflects a decrease of \$4.6 million, which is mainly attributed to accrued landfill liabilities and the cost of a one-time major flushing expense for a water main loop.

**St. Lucie County, Florida
Management's Discussion and Analysis (continued)
September 30, 2020**

Major changes in the statement of net position are as follows:

- Current and other assets increased by \$24.6 million. This is mainly attributed to the increase in tax revenues and CAREs Act one-time funding.
- Capital assets increased by \$33.9 million. Refer to the subsequent section on Capital assets for additional detail.
- Total deferred outflows of resources increased by \$16.9 million (\$14.3 million for governmental activities and \$2.6 million for business-type activities). This is mainly attributed to the other post-employment benefits liability adjustment and pension liability adjustments for pension assumption, pension experience, pension investment and the change of the County's proportionate share of the net pension liability and an increase in deferred amount on refunding for the Utility System Refunding Revenue Bonds, Series 2020.
- Total liabilities increased \$42.4 million (\$37.6 million increase for governmental activities and \$4.8 million increase for business-type activities). This is mainly attributed to the increase in pension liabilities.
- The deferred inflows of resources decreased by \$3.7 million (\$3.2 million for governmental activities and \$0.5 million for business-type activities). This is mainly attributed to the other post-employment benefits liability adjustments and pension liability adjustments for pension assumption, pension experience, pension investment, and the change of the County's proportionate share of the net pension liability.

Overall the total revenues exceeded expenses by \$36.7 million. Program revenues are specific to the functions of the primary government, such as fees, charges for services, grants, and capital contributions. The expenses of the primary government were \$375 million with public safety operations comprising the largest expense category at 37.07% or \$139 million. Public safety activities include law enforcement, a correction/detention facility, and emergency management.

The County's primary government total revenues increased by \$64 million from the previous year. The total revenues increase was primarily due to the increase in property tax and operating grants. Due to the COVID-19 pandemic, the County received an allocation of \$55.5 million from CARES Act funding for various public safety and housing assistance programs. The total expenses increased by \$32.1 million. The increase was mainly due to an increase in pension cost in FY 2020. The largest expense increase occurred in public safety due to the increases in pension cost.

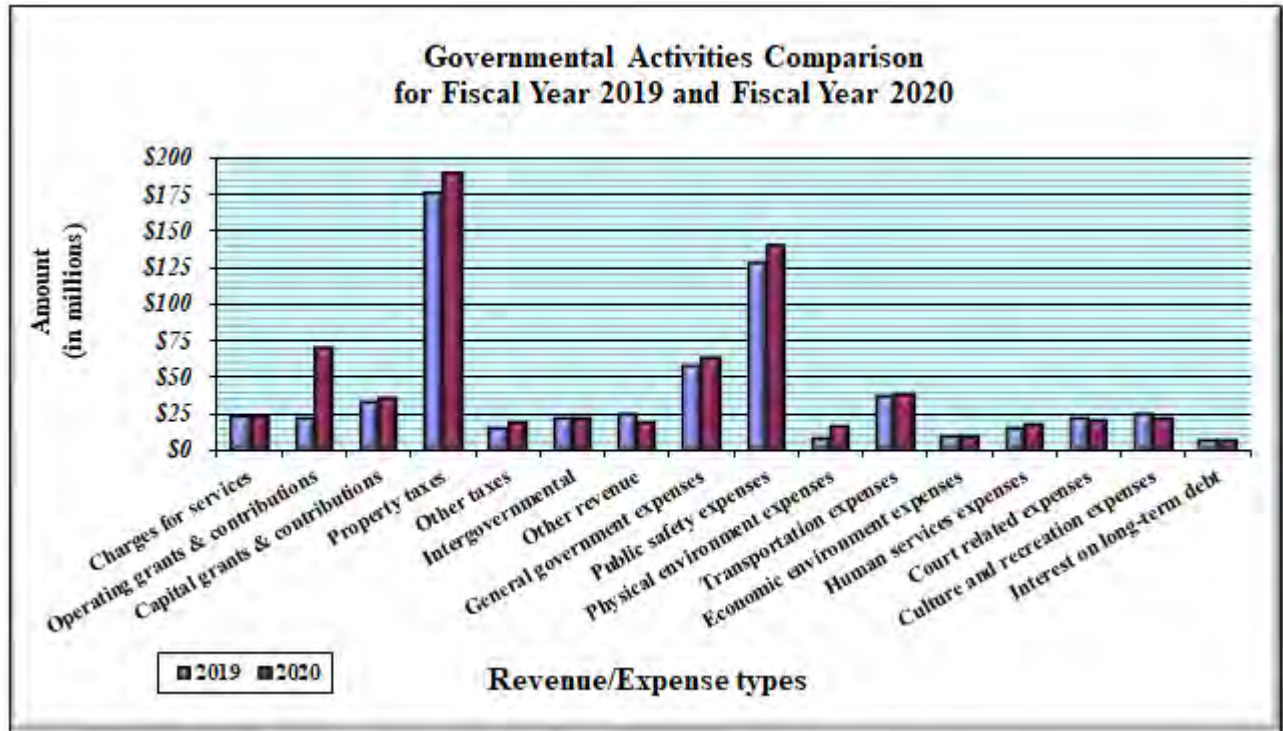

**St. Lucie County, Florida
Management’s Discussion and Analysis (continued)
September 30, 2020**

Our analysis below separately considers the operations of governmental and business-type activities.

Governmental Activities

Governmental revenues and transfers in exceeded expenses and transfers out by \$42 million. Total revenues increased by \$62.2 million from the previous year. This was mainly due to increases in property tax, and operating grants (CARES Act). Total expenses increased by \$26.6 million from the previous year. The increase was mainly due to the increase in pension liabilities.

The following is a graphic illustration of the comparison for governmental activities revenues and expenses.

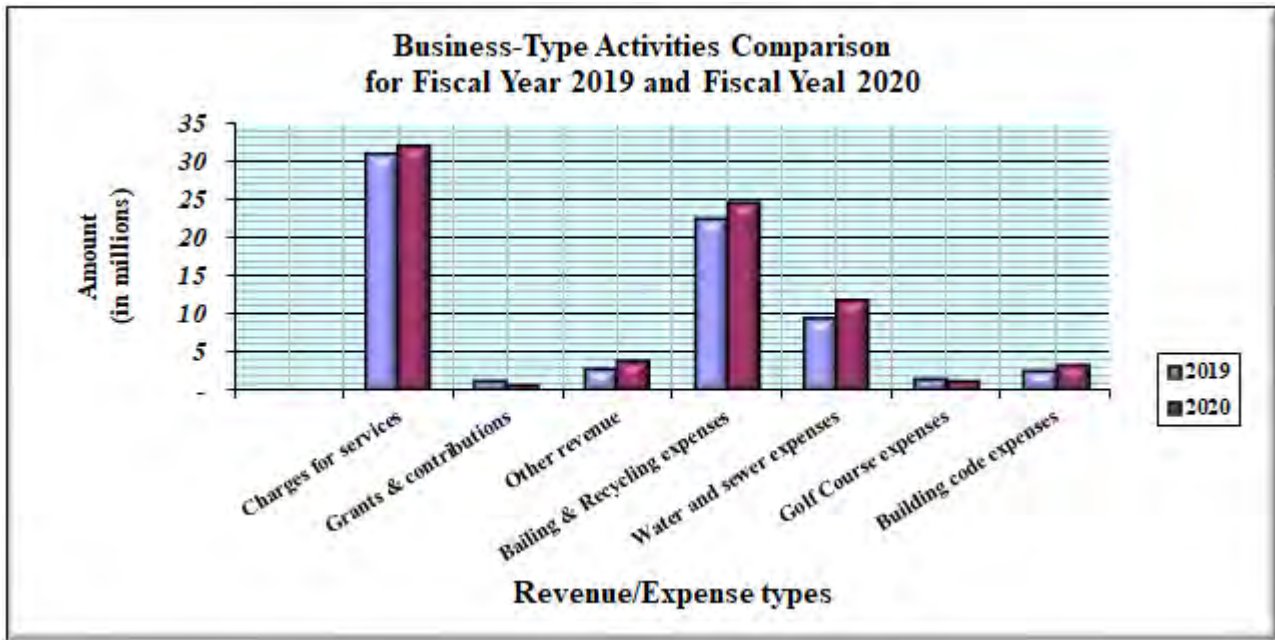

Business-type Activities

Revenues of the County’s business-type activities (see Table 2) increased by \$1.8 million and expenses reflect an increase of \$5.5 million. The increase in revenues was mainly due to increases in charges for services. The increase in expenses was primarily due to increases in the landfill closure cost estimate, pension liabilities, and the cost of a one-time major flushing expense for a water main loop.

Following is a graphic comparison of the County's business-type activities.

FINANCIAL ANALYSIS OF THE COUNTY'S FUNDS

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the County's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the County's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As the County completed the fiscal year, its governmental funds (as presented in the balance sheet on pages 20 to 21) reported a combined fund balance of \$207.1 million, which is a decrease of \$1.1 million over the prior year of \$208.2 million. The fund balance section is presented in classifications that comprise a hierarchy based primarily on the extent to which the County is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. As of September 30, 2020, the County had fund balance in 1) a nonspendable category for inventory and prepaid items (\$0.65 million), 2) a restricted category for resources that are either restricted externally by creditors, grantors, contributors, or law or regulations of other government or imposed by law through constitutional provisions or enabling legislation (\$153.95 million), 3) a committed category for contractual obligations that the County has allocated funding (\$9.5 million), 4) an assigned category for constraints by the County's intent to use the balance for specific purposes (\$36.5 million), and 5) an unassigned category is available for spending at the County's discretion. As of September 30, 2020, the County has \$6.5 million in the unassigned category.

St. Lucie County, Florida
Management's Discussion and Analysis (continued)
September 30, 2020

The **General Fund** is the chief operating fund of the County. At the end of the fiscal year, the total fund balance was \$46.5 million, while the unassigned fund balance was \$9.3 million. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned fund balance represents 4.91% of total general fund expenditures, while total fund balance represents 24.46% of that same amount. The **General Fund** had a \$4.1 million decrease in total fund balance and a \$4.4 million decrease in unassigned fund balance during the current fiscal year. The decreases in total fund balance and unassigned fund balance are due to increases in accrued liabilities and unearned revenues.

The **Transportation Trust Fund** fund balance reflects a slight decrease of \$0.1 million from the prior fiscal year. The total fund balance was \$5.1 million, of which \$0.2 million is nonspendable, and \$4.9 million is restricted.

The **Fine and Forfeiture Fund** fund balance reflects a \$19.9 million increase from the prior fiscal year. The total fund balance was \$26.5 million, which is restricted for law enforcement. The increase of the total fund balance from the prior year is due to the decreases in transfers out to the General Fund.

The **Impact Fee Fund** accounts for the impact fees used for parks, libraries, public buildings, and correctional facilities. It has a total fund balance of \$64.4 million, all of which is restricted for capital projects. The total fund balance reflects a \$22.4 million increase from the prior fiscal year. The increase is mainly attributed to an increase in total impact fees revenues and a decrease in total capital project expenditures.

The **Sports Complex Capital Project Fund** accounts for the debt proceeds used to acquire and construct the improvements to the St. Lucie County Sports Complex. It has a total fund balance of \$2.1 million, all of which is restricted for the Sports Complex improvements. The total fund balance reflects a \$35.9 million decrease from the prior fiscal year. The decrease is due to the current year's capital expenditures for planned capital improvements.

Proprietary Funds

The County's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

The total net position of the **Bailing & Recycling Facility Fund** at the end of the fiscal year totaled \$18.9 million, while the total unrestricted net position was negative \$17.7 million. Compared to the prior year, the total net position had a decrease of \$2.9 million while the unrestricted net position had a decrease of \$1.2 million. This is mainly due to increases in pension liability and landfill expenses.

The total net position of the **Water and Sewer District Fund** at the end of the fiscal year totaled \$29.6 million, while the unrestricted net position amounted to \$8.1 million. In comparison to the prior year, the total net position had a decrease of \$1.7 million. This is attributed to an increase in operating expenses associated with the one-time major flushing expense for a water main loop.

Other factors concerning the finances of these funds have already been addressed in the discussion of the County's business-type activities.

General Fund Budgetary Highlights

Variance between Original Budget and Final Amended Budget

The General Fund includes activities of the Board of County Commissioners as well as all of the Constitutional Offices. After the original budget is approved, it may be revised for a variety of reasons such as unforeseen circumstances, corrections of errors, new bond or loan proceeds, new grant awards, and other revenues.

During fiscal year 2020, the budget for the general fund was amended from its original budget; which consists of the total expenditures, the transfers out, advance forgiveness, and the ending fund balance; of \$239.8 million to its final amended budget of \$311.1 million.

The original budget for revenue and other financing sources; which consists of the total revenue, transfers in, lease purchase proceeds, and proceeds from sale of capital assets; was \$193.7 million. Throughout the year, changes were made that increased the total revenues by \$67 million to \$260.7 million.

The budget for expenditures and financing uses was originally adopted at \$198 million. The final amended budget was \$241.6 million, which was a \$43.7 million increase. The final amended budget for the General Fund's beginning fund balance increased by \$4.3 million compared to the original budget.

Variance Between Final Amended Budget and Actual

The actual revenue and other financing sources came in under the final amended budget by \$65.6 million primarily due to the timing of grant revenues associated with COVID 19.

The actual expenditures and other financing uses came in under the final amended budget by \$42.4 million. General government expenditures came in \$7.4 million below the final amended budget. This was due to variances in operating budgets, which were affected by a purchasing freeze that was put in place to help mitigate the effects of the COVID 19 pandemic. Physical Environment came in \$7.9 million less than the final amended budget. This was due to the timing of grant projects. Public Safety came in \$4.8 million less than the final amended budget. This was due to COVID 19 related expenditures for the Sheriff's Office. Economic environment came in \$5.8 million less than the final amended budget primarily due to the timing of grant projects and the County's job incentive program. Human Services came in \$7.7 million less than the final amended budget. This was mainly due to the timing of grant projects. Capital Outlay expenditures were \$4.9 million less than the final amended budget primarily due to the timing of capital projects.

Operating transfers out came in \$0.3 million under the amended budget level, while operating transfers in came in under the final amended budget by \$16.7 million. The actual net change in fund balances was a \$23 million increase.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At the end of the fiscal year 2020, the County had \$766 million invested in a broad range of capital assets, including land, law enforcement and public works equipment, buildings, park facilities, roads, bridges, and stormwater drainage structures. This amount represents a net increase (including additions and deductions) of \$30.6 million, or 4.2%, over the prior year. The following table illustrates the changes in capital assets. See pages 58 to 59 in the notes to financial statements for detailed changes in capital assets.

Business-type activities had an overall decrease of \$3.4 million mainly due to the depreciation and disposal of heavy equipment assets.

Debt

On September 30, 2020, the County had \$178.3 million in bonds, notes, and capital leases outstanding versus \$187.1 million on September 30, 2019 – a decrease of 4.7% – as shown in Table 4.

The decrease in debt is the net result of the issuance of new debt and scheduled principal payments on long-term debt.

ECONOMIC FACTORS AND NEXT YEAR’S BUDGETS AND RATES

The County’s elected officials considered many factors when setting the fiscal year 2021 budget, tax rates, and fees. One of those factors is the economy. On March 17, 2020, the County declared a state of emergency to correspond with the State and the Federal declaration for the COVID-19 pandemic caused by a unique coronavirus. The US economy suffered its biggest blow since the Great Depression in the second quarter of 2020.

Management's Discussion and Analysis (continued)
September 30, 2020

While there is no way to tell exactly the economic damage from the global COVID-19 novel coronavirus pandemic will be, this unprecedented event has reshaped the local economy in many ways. Businesses were forced to close and their employees furloughed or laid off. The County's monthly unemployment rate went from 3.7% in February to 14.1% in April, and its annual average unemployment rate reached 7.6% from 3.9% in the previous year. Employees in non-essential services and businesses were advised to stay home. Many restaurants, retail stores, schools, and childcare facilities were closed. The County quickly shifted its focus to public safety by closing all its facilities to the public and reduced services to a minimum. The County saw declines in sales tax, tourism tax, gas tax, and infrastructure surtax during April, May, and June 2020. Sales tax and infrastructure surtax had since recovered gradually, but gas tax and tourism tax most likely will need a longer recovery period.

The pandemic has certainly affected every sector of the economy, but residential real estate has been very resilient. Homebuyers, supported by low-interest rates, have kept the US housing market afloat. Total single-family home sales within the County increased 8.3% from 5,886 in 2019 to 6,372 in 2020, while the State is experiencing a 5.8% increase. The median sale price for an existing single-family home in the area was \$249,900, which reflects an increase of 7.3% from 2019. The State median sale price reflects a 9.6% increase. New construction (residential and commercial) in the unincorporated area of the County increased from 337 in 2019 to 351 in 2020, while the City of Port Saint Lucie (largest municipality in the County) experienced an increase from 2,931 in 2019 to 3,571 in 2020. For the first 5 months of the next fiscal year alone, 2,065 new construction permits have been issued within the City of Port Saint Lucie city limits.

These indicators were taken into account when adopting the county's budget for the fiscal year 2021. The adopted budget was established on a combined total operating millage rate of 7.7516 mills (one mill = \$1 per \$1,000 of assessed property value) to support the County's operating budget and dependent districts. The rate has a slight decrease of 1.51% from the prior year. Amounts available for appropriation in the Board of County Commissioners' General Fund budget in 2021 are \$164.5 million, an increase of 1.55% from the original fiscal year 2020 budget of \$162 million and a decrease of 28.76% from the final fiscal year 2020 budget of \$230.9 million. The significant variance between the FY 2021 adopted budget and the FY 2020 final budget is attributed to recognizing the CARES Act one time funding from the United States Department of Treasury for the COVID-19 novel coronavirus pandemic.

St. Lucie County, Florida
Notes to Financial Statements
Year Ended September 30, 2020

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the County have been prepared in accordance with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the standard-setting body for governmental accounting and financial reporting. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards that which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes GAAP for governmental units.

A. Reporting Entity

St. Lucie County, Florida (The “County”), is a non-charter government pursuant to Article VIII, Section (1)(f), of the Constitution of the State of Florida. The County financial statements contained herein include and combine the operations of the Board of County Commissioners (the “Board”) and the Clerk of the Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector (the “Constitutional Officers”).

The Clerk of the Circuit Court serves as ex-officio Clerk of the Board in accordance with Article VIII, Section (1)(d), of the Constitution of the State of Florida, and Section 125.17, Florida Statutes.

The concept underlying the definition of the reporting entity is that elected officials are accountable to their constituents for their actions. The reporting entity’s financial statements should allow users to distinguish between the primary government (the County) and its component units. However, some component units, because of the closeness of their relationships with the County, should be blended as though they are part of the County. As required by generally accepted accounting principles, the financial reporting entity consists of: (1) the primary government (the County), (2) organizations for which the County is financially accountable, and (3) other organizations for which the nature and significance of their relationship with the County are such that exclusion would cause the reporting entity’s financial statements to be misleading or incomplete. The County is financially accountable if it appoints a voting majority of the organization’s governing body and (a) it is able to impose its will on that organization or (b) there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the County.

The County may be financially accountable if an organization is fiscally dependent on the County regardless of whether the organization has (a) a separately elected governing board, (b) a governing board appointed by a higher level of government, or (c) a jointly appointed board.

Based on applying the above criteria, the County included the following component units in the financial statements as blended component units.

1. St. Lucie County Mosquito Control District – The District was created by Chapter 29502, Laws of Florida, Acts of 1953. The District controls mosquitoes and other arthropods of public health importance for the County and is governed by a Board comprised of the County’s elected Commissioners. The Board establishes the ad valorem millage for the District. The District is reported as a special revenue fund and does not issue separate financial statements.

2. Erosion Control District – The District was created by Chapter 67-2001, Laws of Florida. The District re-nourishes critically-eroded beaches impacted by inlet management and natural processes in order to protect coastal resources, public and private properties and public infrastructures and is governed by a Board comprised of the County’s elected Commissioners. The Board establishes the ad valorem millage for the District. The District is reported as a special revenue fund and does not issue separate financial statements.
3. St. Lucie County Water and Sewer District – The District was created by Section 153.53, Florida Statutes. The District provides water, wastewater and reclaimed water service to customers within the unincorporated areas of the County and is governed by a Board comprised of the County’s elected Commissioners. The rates for user charges and bond issuance authorizations are approved by the Board and the County is legally obligated to provide resources in case there are deficiencies in debt service payments and resources are not available from any other remedies. The District is reported as an enterprise fund and does not issue separate financial statements.
4. St. Lucie County Housing Finance Authority – The Authority was created by Section 159.601, Florida Statutes. The Authority provides administrative services for housing assistance within the County. The main revenue source is the residual funds from loan programs. The Board of County Commissioners appoints a majority of the Authority’s Board. The Board has operational responsibility for the Authority. The Authority is reported as a special revenue fund and does not issue separate financial statements.
5. Central Florida Foreign-Trade Zone, Inc. The Board funds the operation of the Trade Zone as part of the general fund. The Trade Zone does not issue separate financial statements.
6. St. Lucie County Sustainability District - The District was created by Article VII, Section 10 of the Florida Constitution, Chapter 125, Florida Statutes and Chapter 189, Florida Statutes for the purpose of encouraging, accommodating, and financing energy efficiency and renewable energy improvements on residential and commercial properties in the County through non-ad valorem assessments. The District is governed by a Board comprised of the County's elected Commissioners. The Board has operational responsibility for the District. Other Entities

St. Lucie, Indian River, Martin and Okeechobee counties jointly fund the Office of the Medical Examiner, 19th Judicial Circuit. The County partially funds the Indian River Crime Laboratory, which is supported by various local law enforcement agencies. Books and records are maintained by the Sheriff. The Governor of the State of Florida appoints the Medical Examiner. The County maintains the accounting records for the Medical Examiner's office. The County's only financial responsibility for the Medical Examiner is to fund its required percentage of the operating costs of that office out of the General Fund. The other counties participate in funding the Medical Examiner's office in the same manner.

B. Measurement Focus and Bases of Accounting

The basic financial statements of the County are composed of the following:

- Government-wide financial statements
- Fund financial statements
- Notes to financial statements

1. Government-wide Financial Statements

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. This means that revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenues as soon as all eligibility requirements imposed by the provider have been met.

In applying the "susceptible to accrual" concept to intergovernmental revenues pursuant to GASB Statement No. 33, Accounting and Financial Reporting for Nonexchange Transactions as amended by GASB Statement No. 36, Recipient Reporting of Certain Shared Nonexchange Revenues (the County may act as either provider or recipient), the provider should recognize liabilities and expenses and the recipient should recognize receivables and revenues when the applicable eligibility requirements including time requirements, are met. Resources transmitted before the eligibility requirements are met should, under most circumstances, be reported as advances by the provider and unearned revenues by the recipient.

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements. The County chooses to eliminate the indirect costs between governmental activities to avoid a "doubling up" effect. However, interfund services provided and used, such as the sale of gas and diesel from the Facilities Department to the government, are not eliminated in the statement of activities.

St. Lucie County, Florida

Year Ended September 30, 2020

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Business-type activities distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. Operating expenses for enterprise funds include cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The government-wide financial statements do not include the fiduciary funds of the County.

2. Fund Financial Statements

The underlying accounting system of the County is organized and operated on the basis of separate funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures (or expenses), as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the constraints placed by the revenue sources.

Fund financial statements for the primary government's governmental and proprietary funds display information about major funds individually and nonmajor funds in the aggregate. The fiduciary statement includes financial information for the agency fund, which represents assets held by the County in a custodial capacity for other individuals or governments.

Governmental Funds

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are considered to be available when they are collected within the current period or soon thereafter to pay current period liabilities.

For this purpose, the County considers revenues to be available if they are collected within 45 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. Franchise fees, licenses, sales taxes, gas taxes, operating and capital grants, and interest associated with the current fiscal period are all considered to be accrual items and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable only when the County receives cash.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

Under the current financial resources measurement focus (modified accrual basis), only current assets and current liabilities are generally included on the balance sheet. The reported fund balance is considered to be a measure of “available spendable resources”. Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of “available spendable resources” during a period.

The non-current portion of long-term receivables (special assessments) due to governmental funds are reported on their balance sheets because of their spending measurement focus. The non-current portions of other long-term receivables are offset by fund balance reserve accounts. Because of their spending measurement focus, expenditure recognition for governmental fund types excludes amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities.

Amounts expended to acquire capital assets are not recorded as fund assets; they are recorded as expenditures in the fund financial statements. The proceeds of long-term debt are recorded as an “other financing source”. Debt service, compensated absences, and claims and judgments expenditures are recorded when the payment is made.

a) Fund Balance Category

GASB Statement 54 – Fund Balance Reporting and Governmental Fund Type Definitions requires the fund balance for governmental funds to be reported in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. There are five categories of fund balance for governmental funds under Statement 54:

Nonspendable Fund Balance – This category includes amounts that cannot be spent because they are either (1) not in spendable form or (2) legally or contractually required to be maintained intact.

Restricted Fund Balance – This category includes amounts that have externally imposed restrictions or restrictions imposed by laws.

Committed Fund Balance – This category usually includes the amount that can only be used for specific purposes adopted by the Board of County Commissioners with an ordinance. This category also includes contractual obligations which require a formal approval from the Board of County Commissioners or a Constitutional Officer and the funding has been set aside for the purpose. This type of fund balance can only be removed by the Board of County Commissioners or a Constitutional Officer through the same approval process.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

Assigned Fund Balance – This category usually consists of the County's intent to be used for specific purposes, but are neither restricted nor committed. The assigned fund balances can also be assigned by the County Administrator pursuant to Board action. For fund balance reserve assignments, see the fund balance policy below. Other assigned fund balances are approved by the Board as part of the budget approval process through budget resolutions.

Unassigned Fund Balance – This category consists of residual amounts in the general fund that do not meet any of the other fund balance classifications. In the other governmental funds, it is not appropriate to report a positive unassigned fund balance amount. If expenditures incurred for specific purposes exceed the amounts that are restricted, committed, or assigned to those purposes, it may be necessary to report a negative unassigned fund balance in that fund.

b) Fund Balance Policy

The County has a fund balance and reserve policy that set forth the following reserves of fund balance:

Reserve Policy – The County's financial policy requires the Board of County Commissioners to establish an emergency reserve in the general fund in the amount of \$36.5 million. The amount can only be utilized for storm events and emergencies/issues that are not anticipated in normal budget development. The amount is presented as an assigned fund balance of the general fund.

Budget Deficit Reserve Policy - The County established a budget deficit reserve policy during fiscal year 2010. The intent of the reserve is to assign the needed amount from unassigned fund balance for the following year's budget purposes. The amount may be adjusted by the County Administrator and can only be utilized for budget balancing needs. The amount is presented as an assigned fund balance of the general fund. There is no amount set aside as of September 30, 2020.

c) Fund Balance Spending Hierarchy

For all governmental funds except special revenue funds, when restricted, committed, assigned, and unassigned fund balances are combined in a fund, qualified expenditures are paid first from restricted or committed fund balance, as appropriate, then assigned and finally unassigned fund balances. Qualified expenditures reduce the appropriate fund balances when the expenditure is incurred.

For special revenue funds, when restricted and committed fund balances are combined in a special revenue fund, expenditures are paid first from committed fund balance, as appropriate, then restricted fund balances.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

Proprietary Funds

The County's enterprise funds and internal service fund are proprietary funds and are presented using the economic resources measurement focus (accrual basis of accounting). Revenues are recognized when they are earned and expenses are recognized when the related goods or services are delivered. All current and non-current assets and liabilities are included on the Statement of Net Position. Revenues represent increases and expenses represent decreases in total net position on the Statement of Revenues, Expenses, and Changes in Net Position.

Proprietary fund operating revenues, such as charges for services, and operating expenses, such as salaries, supplies, and contracted services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Non-operating revenues, such as subsidies, taxes, and investment earnings, and non-operating expenses, such as interest expense, loss on sale of assets, and arbitrage expense, result from nonexchange transactions or ancillary activities. Amounts paid to acquire capital assets are recorded in the fund as assets. The proceeds of long-term debt are recorded as a fund liability. Amounts paid to reduce long-term indebtedness are reported as a reduction of the related liabilities.

a) Net Position Spending Hierarchy

For all proprietary funds, when restricted, and unrestricted net positions are combined in a fund, qualified expenses are paid first from restricted, as appropriate, and then unrestricted net positions. Qualified expenses reduce the appropriate net positions when the expenses are incurred.

Fiduciary Fund

The agency fund reports only assets and liabilities; therefore, it does not have a measurement focus. However, it uses the accrual basis of accounting to recognize receivables and payables.

C. Bases of Presentation

GASB Statement 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses of either fund category and the governmental and proprietary combined) for the determination of major funds. The County has elected to use GASB 34 minimum criteria for major fund determination.

The nonmajor funds are combined in a column titled, Other Governmental Funds. The details of the nonmajor funds are listed in the combining section under supplemental information.

1. Governmental Major Funds

General Fund – The General Fund is the general operating fund of the County. It is used to account for all financial activity not accounted for in another fund.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

Transportation Trust Fund – The Transportation Trust Fund accounts for the operations of the road and bridge and engineering departments. Financing is provided primarily by gas taxes. The Transportation Trust Fund did not meet the GASB 34 minimum criteria for major fund determination for fiscal year 2020. However, the County elected this fund to be a major fund to enhance consistency from the prior fiscal year.

Fine and Forfeiture Fund – The Fine and Forfeiture Fund accounts for law enforcement and court-related projects that are funded by ad valorem taxes, fines, filing fees, and proceeds from confiscated property.

Impact Fee Fund – The Impact Fee Fund is used to account for impact fees used for parks, libraries, public buildings and correctional buildings.

Sports Complex Capital Projects Fund - The Sports Complex Capital Projects Fund accounts for debt proceeds used to acquire and construct the improvements to the St. Lucie County Sports Complex.

2. Proprietary Major Funds

Bailing & Recycling Facility Fund – The Bailing & Recycling Facility Fund provides funding to operate the County’s landfill, a recycling division and the hazardous waste division. In addition, estimated costs of closure and long-term care of the landfill operations are included in this fund.

Water & Sewer District Fund – The Water & Sewer District Fund accounts for the operation of a water and sewer facility for certain residents in various sections of the County.

Internal Service Fund – The Internal Service Fund accounts for the payment of countywide health and property and casualty liability insurances. Funding is provided by user charges to the various departments of the Board and Constitutional Officers (except the Sheriff).

3. Other Fund Types

Fiduciary Funds – The Agency Funds are used to account for the collection and disbursement of monies by the County on behalf of other governments and individuals, such as Constitutional Officer investments, public law library funds, certain sales tax revenues, various Municipal Service Benefit Units (MSBU), cash bonds, traffic fines, motor vehicle fees, ad valorem taxes, delinquent taxes, and process serving within the County. The Self-Health Insurance Fund is used to report the activity of the self-health insurance fund established for the employees of the Tax Collector's office, for which the Tax Collector is the appointed trustee.

4. Non-current Governmental Assets/Liabilities

GASB Statement 34 requires non-current governmental assets (such as land, buildings, and improvements) and non-current governmental liabilities (such as general obligation bonds and capital leases) to be reported in the governmental activities column in the government-wide Statement of Net Position.

D. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position/Fund Balance

1. Cash and Investments

The County maintains a cash and investment pool that is available for use by all funds. Earnings from the pooled investments are allocated to the respective funds based on applicable cash participation by each fund. The investment pool is managed such that all participating funds have the ability to deposit and withdraw cash as if they were demand deposit accounts. Therefore, all balances representing participants' equity in the investment pool are classified as cash and investments for financial statement purposes.

In accordance with Sections 125.31 and 218.415, Florida Statutes, and the County's investment policy, the Board is authorized to invest in negotiable direct obligations of, or obligations the principal and interest of which are unconditionally guaranteed by the United States Government, obligations of US corporations, supranational agencies, asset-backed securities, commercial papers, the intergovernmental investment pools, nonnegotiable interest-bearing time certificates of deposit, money market accounts, repurchase agreements, equities and mutual funds. All investments are reported at fair value.

2. Restricted Assets

Certain assets of the County are classified as restricted assets on the Statement of Net position because their use is limited either by law through constitutional provisions or enabling legislation; or by restrictions imposed externally by creditors, grantors, contributors, or laws or regulations of other governments.

3. Interfund Receivables and Payables

Activities between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as "due to/from other funds". Long term lending/borrowing arrangements between funds are classified as advances. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances".

4. Inventories

Inventories of supplies in the special revenue funds are recognized as expenditures at the time of purchase. Inventories on hand are recorded at cost on a first in-first out or weighted average basis. In addition, a corresponding entry is made for a non-spendable fund balance. Inventories in the proprietary fund types are recorded at cost using the weighted average method and recognized as expenses as they are consumed.

5. Prepaid Insurance

Normal operating prepaid insurance is expensed when paid. Prepaid bond insurance is capitalized as prepaid insurance and amortized over the life of the bonds.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

6. Capital Assets

Capital assets, which include land, buildings, improvements, equipment and construction in progress, are reported in the applicable governmental or business-type activities column.

The County defines software and equipment as capital assets with an initial, individual cost of \$1,000 or more and an estimated useful life in excess of one year. In addition, the County defines land, building, infrastructure, and improvements other than buildings as capital assets with an initial cost of \$25,000 or more and an estimated useful life in excess of one year. The valuation basis for all assets is historical cost.

Donated capital assets are recorded at acquisition value at the date of the donation. The costs of normal maintenance and repairs that do not add to the value of the asset, or materially extend its useful life, are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is expensed in the period in which the cost is incurred (early implementation of GASB Statement No. 89).

Depreciation of capital assets is computed and recorded by utilizing the straight-line method. Estimated useful lives of the various classes of depreciable capital assets are as follows: buildings, 7-39 years; improvements, 5-50 years; and equipment, 2-10 years.

The County holds legal title to the capital assets (except the equipment of the Sheriff) used in the operation of the Board, Clerk of the Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections and Tax Collector, and is accountable for them under Florida Law. The Sheriff holds legal title to the equipment used in its operations and is accountable for them under Florida law.

7. Pensions

In the government-wide statement of net position, liabilities are recognized for the County's proportionate share of each pension plan's net pension liability. For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System (FRS) defined benefit plan and the Health Insurance Subsidy (HIS) defined benefit plan and additions to/deductions from the FRS and the HIS fiduciary net position have been determined on the same basis as they are reported by the FRS and the HIS plans. For this purpose, defined benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with benefit terms. Investments are reported at fair value.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

8. Deferred Outflows/Inflows of Resources

Deferred outflows of resources represent a consumption of net position/fund balance that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The deferred amount on refunding and deferred outflows related to the pension plan and other post employment benefits (OPEB) are reported on the Statement of Net Position. A deferred amount on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. Deferred outflows related to the pension plan represents the County's share of the FRS (Florida Retirement System) and HIS (Health Insurance subsidy) pension liabilities. Deferred outflows related to OPEB represent the County's liability for OPEB to be recognized in future years.

Deferred inflows of resources represent an acquisition of net position/fund balance that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until then. The unavailable revenues are reported only in the governmental funds balance sheet. The sources of the unavailable revenues are special assessments on road paving, utility projects and grant reimbursements. This amount is deferred and recognized as revenues in the period the amounts become available. The deferred inflows related to the pension plan represents the County's share of the FRS and HIS pension inflows of resources to be recognized in future years. Deferred inflows related to OPEB represent the County's OPEB inflows of resources to be recognized in future years.

9. Unamortized Bond Discounts and Premiums

Proprietary fund revenue bond discounts and premiums are presented on the government-wide and fund financial statements. The costs are amortized over the life of the bonds using the appropriate method of accounting. For financial reporting, the unamortized bond discounts and premiums are netted against the applicable long-term debt. The governmental fund bond discounts and premiums are presented on the government-wide financial statements. The costs are amortized over the life of the bonds using the appropriate method of accounting. For financial reporting, the unamortized bond discounts and premiums are netted against the applicable long-term debt.

10. Unearned Revenues

Unearned revenues reported in government-wide financial statements will be recognized as revenues in the fiscal year they are earned in accordance with the accrual basis of accounting.

11. Accrued Compensated Absences

The County accrues unused portions of vacation pay and comp time in the period the fund liability is incurred. As permitted by Governmental Accounting Standards Board Statement No. 16, the vesting method is used to accrue the sick leave liability. The liability is based on the sick leave accumulated at year-end by those employees who are currently eligible to receive termination payments as well as other employees who are expected to become eligible to receive such payments.

Even though the County has appropriated, accumulated and earmarked expendable available fund resources for these amounts, the portion not normally expected to be liquidated with expendable available financial resources is not reported as a fund liability (in accordance with Interpretation No. 6 of the Governmental Accounting Standards Board – Recognition and Measurement of Certain Liabilities and Expenditures) in governmental fund financial statements. The accrued compensated absence liabilities payable from available resources are recognized as expenditures in governmental funds if they have matured.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

12. Obligation for Bond Arbitrage Rebate

Pursuant to Section 148(f) of the U.S. Internal Revenue Code, the County must rebate to the United States Government the excess of interest earned from the investment of certain debt proceeds and pledged revenues over the yield rate of the applicable debt. This approach treats the rebate as an expense when it is actually payable to the federal government.

13. Landfill Closure Costs

Under the terms of current state and federal regulations, the Bailing & Recycling Facility is required to place a final cover on closed landfill areas and to perform certain monitoring and maintenance functions for a period of up to 30 years after closure. The Bailing & Recycling Facility recognizes these costs of closure and post-closure maintenance over the active life of each landfill area, based on landfill capacity used during the period. Required obligations for closure and post-closure costs are recognized in the Bailing & Recycling Facility Fund.

14. Indirect Costs

The County utilizes a pre-determined automatic indirect costs distribution formula to distribute its annual indirect costs. Certain indirect costs are included in the program expense reported for individual functions and activities.

E. Budgets

Pursuant to Section 129.03, Florida Statutes, budgets are prepared and adopted for the Board after public hearings for the governmental funds, in accordance with Section 200.65, Florida Statutes. The Constitutional Officers submit, at various times, to the Board and to certain divisions within the Department of Revenue, State of Florida, a proposed operating budget for the fiscal year commencing the following October 1. The operating budget includes proposed expenditures and the means of financing them, as set forth in Chapter 129 Florida Statutes. The Department of Revenue, State of Florida, has the final authority on the operating budgets for the Tax Collector and Property Appraiser included in the General Fund. The Florida Court Clerk Operations Corporation has the final authority on the court related operating budget for the Clerk of the Circuit Court included in the general fund.

The County utilizes the same basis of accounting for budgets as it does for revenues and expenditures in its various funds. All budgeted appropriations lapse at year end. Formal budgets are adopted for the general, special revenue, debt service and capital projects funds. The legal level of budgetary control is at the fund level. As a result, deficits in the budget columns of the accompanying financial statements may occur in individual expenditure line items.

NOTE 2 – RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

A. Explanation of Differences between the Governmental Fund Balance Sheet and the Government-wide Statement of Net Position

The governmental fund balance sheet includes a reconciliation between *fund balance-total governmental funds* and *net position-governmental activities* as reported in the government-wide statement of net position. “Total fund balances” of the County’s governmental funds (\$207,084,212) differs from “net position” of governmental activities (\$562,349,923) reported in the statement of net position. This difference primarily results from the long-term economic focus of the statement of net position versus the current financial resources focus of the governmental fund balance sheet. The effect of the differences is illustrated below.

Capital related items

When capital assets (land, building and improvements, equipment, and construction in progress) that are to be used in the governmental activities are purchased or constructed, the costs of those assets are reported as expenditures in governmental funds. However, the statement of net position included those capital assets among the assets of the County as a whole.

Elimination of interfund receivable/payable

Interfund receivables and payables in the amount of \$8,465,064 between governmental activities have been eliminated for the statement of net position.

B. Explanation of Differences Between the Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balances and the Government-wide Statement of Activities

The “net change in fund balances” for governmental funds (a decrease of \$1,101,248) differs from the “change in net position” for governmental activities (an increase of \$42,051,001) reported in the statement of activities. The differences arise primarily from the long-term economic focus of the statement of activities versus the current financial resources focus of the governmental funds. The effect of the differences is illustrated below.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

Capital related items

When capital assets that are to be used in governmental activities are purchased or constructed, the resources expended for those assets are reported as expenditures in governmental funds. However, in the statement of activities, the costs of those assets are allocated over their estimated useful lives and reported as depreciation. As a result, fund balances decrease by the amount of financial resources expended, whereas net position decrease by the amount of depreciation charged for the year.

Capital outlay	\$ 57,869,237
Depreciation	(24,560,709)
Difference	<u>\$ 33,308,528</u>

In the statement of activities, the gain and loss on the disposal of capital assets are reported. However, in the governmental funds, only the proceeds from those sales increase financial resources.

Net gain on disposal of capital assets	<u>\$ 6,196</u>

Investment holdings consist of \$73,687,936 in direct obligations of the United States Treasury Securities, \$47,272,096 in direct debt issued by agencies of the U.S. Government which are backed by the full faith and credit of the United States, \$10,821,287 in debt issued by multilateral organization of governments of which the U.S is a shareholder, \$28,464,158 in Corporate Obligations, \$7,858,511 in Asset Backed Securities, and \$9,467,845 in equities and ETFs. These types of investment are reported at fair value in accordance with GASB Statement No.31 “Accounting and Financial Reporting for certain Investments and for External Investment Pools”. These investments are held in trust by US Bank, a depository, in the County’s name.

Investments are reported at fair value based on the average price obtained from an independent source.

The County categorizes its fair value measurements within the fair value hierarchy established by the GASB Statement 72 - Fair Value Measurement and Application. The fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. The County uses a market approach in measuring fair value that uses process and other relevant information generated by market transactions involving identical or similar assets, liabilities, or groups of assets and liabilities.

Assets or liabilities are classified into one of three levels. Level 1 is the most reliable and is based on quoted price for identical assets, or liabilities, in an active market. Level 2 uses significant other observable inputs when obtaining prices for identical or similar assets or liabilities, in markets that are not active. Level 3 is the least reliable and uses significant unobservable inputs that uses the best information available under the circumstances. Based on the criteria in the preceding paragraph, the investments listed above are all Level 1 assets except the Florida Trust, the Florida Class, the Florida Palm, the Florida Prime, the Florida Fixed Income Trust, and the bank owned money market account. The Florida Trust, the Florida Class, the Florida Palm, the Florida Prime, and the Florida Fixed Income Trust are 2a7-like external investment pools. They are measured at the net asset value per share determined by the pool. The bank owned money market account is an interest bearing investment contracts with banking institutions and secured by the Florida Security for Public Deposits Act, Chapter 280, Florida Statutes.

Interest receivable on the County’s investment portfolios amounted to \$613,069 as of September 30, 2020. The amount recorded in the Statement of Net Position was \$594,482 and \$18,587 was recorded in the Agency Fund.

1. Interest Rate Risk

The County’s investment policy limits interest rate risk by attempting to match investment maturities with known cash needs and anticipated cash flow requirements. In an effort to minimize interest rate risk, the County’s investment policy requires that no individual security can have a maturity greater than five and one-half years.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

2. Credit Risk

Authorized investments include only those securities with the highest credit ratings. The money market funds are rated AAAM by Standard & Poors. Florida Trust Day to Day Fund, Florida Class, Florida Palm, Florida Prime, and Florida Fixed Income Trust have an investment rating of AAAM by Standard & Poors. The Asset-Backed Securities are rated AAA by at least two of the nationally recognized agencies. Corporate Obligations are rated with at least two of the following three minimum ratings: A- by Standard and Poor's, A3 by Moody's, or A- by Fitch at the time of purchase. Commercial Papers are rated with A-1 by Standard and Poor's or Prime-1 by Moody's at the time of purchase. Equities/ETFs are not rated.

3. Custodial Credit Risk

The County's investment policy pursuant to Section 218.415(18), Florida Statutes requires that securities, with the exception of Florida Trust, Florida Class, Florida Palm, Florida Prime, Florida Fixed Income Trust, and money market accounts shall be held with a third party custodian; and all securities purchased by, and all collateral obtained by the County should be properly designated as an asset of the County. The securities must be held in an account separate and apart from the assets of the financial institution. A third party custodian is defined as any bank depository chartered by the Federal Government, the State of Florida, or any other state or territory of the United States which has a branch or principal place of business in the State of Florida as defined in Section 658.12, Florida Statutes, or by a national association organized and existing under the laws of the United States, which is authorized to accept and execute trusts and which is doing business in the State of Florida.

As of September 30, 2020, the County's investments were held with a third-party custodian as required by the County's investment policy.

4. Concentration of Credit risk

The County's investment policy has established asset allocation and issuer limits on the investments, which are designed to reduce concentration of credit risk of the County's investment portfolio.

NOTE 4 – PROPERTY TAX REVENUES

Taxable values for all property are established as of January 1, which is the date of lien, for the fiscal year starting October 1. Property tax revenues recognized for the 2019-2020 fiscal year were levied in October 2019. All taxes are due and payable on November 1 or as soon as the assessments roll is certified and delivered to the Tax Collector. Discounts are allowed for early payment at the rate of 4% in November, 3% in December, 2% in January, and 1% in February. Taxes paid in March are without discount.

All unpaid taxes become delinquent as of April 1. Virtually all unpaid taxes are collected via the sale of tax certificates on or prior to June 1; therefore, there were no material taxes receivable at fiscal year end.

E. Bond Covenants

Water & Sewer District

The Utility System Improvement and Refunding Revenue Bonds, Series 2013 requires that monies on hand in the revenue fund be applied on a monthly basis; first to pay operating expenses and next to deposit into the sinking fund one-sixth of the interest and one-twelfth of the principal accruing on the next payment dates. Money must next be deposited into the renewal and replacement fund equal to one-twelfth of the renewal and replacement requirement. The balance of any money remaining shall be deposited in to the surplus fund and may be used for any lawful purposes of the District.

The County has agreed on the above bonds to establish and maintain rates that will provide net revenues in each fiscal year equal to one hundred ten percent 110% of the debt service requirement. NOTE 11 – LANDFILL CLOSURE AND POSTCLOSURE CARE COSTS

Federal and state laws and regulations require the County to incur various estimated costs of closing landfill sites and to provide for the long-term care and maintenance of the landfill sites for up to 30 years after closure.

The amounts amortized are placed in interest bearing accounts in accordance with state regulations. The County utilized the landfill capacity used method to determine the amortization expense and accumulated amortization of these estimated costs. As of the balance sheet date, the estimated capacity used was 68.70% for the existing construction debris (C&D) landfill and 98.76% for the Class I Phase IIIB site, which began accepting waste in March 2010.

All capacity has been used for the Class I Phase I site, Class I Phase II site, Class I Phase IIIA site, and C&D Processing Facility. The Class I Phase I, Phase II, and Phase IIIA are permanently closed.

The County is required by state and federal laws and regulations to fund the liabilities associated with the estimated costs of closure and long-term care and maintenance of its landfill sites.

The County has restricted cash in an amount equal to the liability from the restricted assets below. The federal and state regulations also require the County to provide for the estimated long-term care and maintenance costs for the next year at the Class I Phase I, Phase II, and IIIA sites.

The remaining estimated costs at the existing landfills, which total \$7,209,591, will be recognized in future years as the remaining estimated capacity is filled. The amounts are based on the cost estimates for closure and postclosure care as of the balance sheet date.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

The liabilities included in the balance sheet for these estimated costs at September 30, 2020, are as follows:

	Liability From Restricted Assets	Other Non-Current Liabilities	Total
Existing landfill sites:			
C&D closure costs	\$ 1,704,021	\$ 273,098	\$ 1,977,119
C&D Processing Facility closure costs	3,900	-	3,900
C&D long-term maintenance	-	280,356	280,356
Class I Phase IIIB closure costs	929,753	1,179,053	2,108,806
Class I Phase IIIB long-term maintenance	-	2,197,630	2,197,630
Class I Phase IVA closure costs	662,416	-	662,416
Total existing landfill sites	<u>3,300,090</u>	<u>3,930,137</u>	<u>7,230,227</u>
Previous landfill sites:			
Class I Phase I long-term maintenance	-	6,822,603	6,822,603
Class I Phase II long-term maintenance	-	4,968,084	4,968,084
Class I Phase IIIA long-term maintenance	-	2,110,499	2,110,499
Class I Phase IVA long-term maintenance	-	(662,416)	(662,416)
Total previous landfill sites	<u>-</u>	<u>13,238,770</u>	<u>13,238,770</u>
Total liabilities	<u>\$ 3,300,090</u>	<u>\$ 17,168,907</u>	<u>\$ 20,468,997</u>

Federal and state regulations require \$662,416 to be set aside in the restricted cash and liabilities from restricted assets for Class I Phase IVA closure costs. GAAP requires the liabilities to reflect the capacity used, which is \$0. Therefore, a negative amount of \$662,416 is presented in the other non-current liability column.

The County currently expects to close the existing C&D site in 2048 and the existing Class 1 Phase IIIB site in 2025. Actual costs may be higher due to inflation, changes in technology, or changes in regulations. The County has established liabilities for the estimated postclosure care and maintenance on the closed landfill sites. The estimated costs for the postclosure care and maintenance of these sites are reflected as landfill closure liabilities in the accompanying balance sheet.

NOTE 12 – DEFINED BENEFIT PENSION PLANS

Florida Retirement System:

General Information - Practically all of the County’s employees participate in the Florida Retirement System (FRS). As provided by Chapters 121 and 112, Florida Statutes, the FRS provides two cost sharing, multiple employer defined benefit plans administered by the Florida Department of Management Services, Division of Retirement, including the FRS Pension Plan (“Pension Plan”) and the Retiree Health Insurance Subsidy (“HIS Plan”). Under Section 121.4501, Florida Statutes, the FRS also provides a defined contribution plan (“Investment Plan”) alternative to the FRS Pension Plan, which is administered by the State Board of Administration (“SBA”). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university, community college, or a participating city or special district within the State of Florida. The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefits are established by Chapter 121, Florida Statutes, and Chapter 60S, Florida Administrative Code. Amendments to the law can be made only by an act of the Florida State Legislature.

The State of Florida annually issues a publicly available financial report that includes financial statements and required supplementary information for the FRS. The latest available report may be obtained by writing to the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, Florida 32315-9000, or from the Web site:

www.dms.myflorida.com/workforce_operations/retirement/publications.

For the year ended September 30, 2020, the County’s total pension expense is \$42,101,228 (\$38,291,405 - Pension Plan and \$3,809,823 - HIS Plan).

Pension Plan

Plan Description – The Pension Plan is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (“DROP”) for eligible employees.

Benefits Provided - Benefits under the Pension Plan are computed on the basis of age, average final compensation, and service credit. For Pension Plan members enrolled before July 1, 2011, Regular class members who retire at or after age 62 with at least six years of credited service or 30 years of service regardless of age are entitled to a retirement benefit payable monthly for life, equal to 1.6% of their final average compensation based on the five highest years of salary, for each year of credited service. Vested members with less than 30 years of service may retire before age 62 and receive reduced retirement benefits. Special Risk Administrative Support class members who retire at or after age 55 with at least six years of credited service or 25 years of service regardless of age are entitled to a retirement benefit payable monthly for life, equal to 1.6% of their final average compensation based on the five highest years of salary, for each year of credited service.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

Special Risk class members (sworn law enforcement officers, firefighters, and correctional officers) who retire at or after age 55 with at least six years of credited service, or with 25 years of service regardless of age, are entitled to a retirement benefit payable monthly for life, equal to 3.0% of their final average compensation based on the five highest years of salary for each year of credited service. Senior Management Service class members who retire at or after age 62 with at least six years of credited service or 30 years of service regardless of age are entitled to a retirement benefit payable monthly for life, equal to 2.0% of their final average compensation based on the five highest years of salary for each year of credited service. Elected Officers' class members who retire at or after age 62 with at least six years of credited service or 30 years of service regardless of age are entitled to a retirement benefit payable monthly for life, equal to 3.0% (3.33% for judges and justices) of their final average compensation based on the five highest years of salary for each year of credited service.

For Plan members enrolled on or after July 1, 2011, the vesting requirement is extended to eight years of credited service for all these members and increasing normal retirement to age 65 or 33 years of service regardless of age for Regular, Senior Management Service, and Elected Officers' class members, and to age 60 or 30 years of service regardless of age for Special Risk and Special Risk Administrative Support class members. Also, the final average compensation for all these members will be based on the eight highest years of salary.

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the Pension Plan before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is three percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of three percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by three percent. Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

In addition to the above benefits, the DROP program allows eligible members to defer receipt of monthly retirement benefit payments while continuing employment with a FRS employer for a period not to exceed 60 months after electing to participate. Deferred monthly benefits are held in the FRS Trust Fund and accrue interest. There are no required contributions by DROP participants. The net pension liability does not include amounts for DROP participants as these members are considered retired and are not accruing additional pension benefits.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

Contributions – Effective July 1, 2011, all enrolled members of the FRS, other than DROP participants, are required to contribute three percent of their salary to the FRS. In addition to member contributions, governmental employers are required to make contributions to the FRS based on state-wide contribution rates established by the Florida Legislature. These rates are updated as of July 1 of each year. The employer contribution rates by job class for the periods from October 1, 2019 through June 30, 2020 and from July 1, 2020 through September 30, 2020, respectively, were as follows: Regular - 8.47% and 10%; Special Risk Administrative Support - 38.59% and 35.84%; Special Risk - 25.48% and 24.45%; Senior Management Service - 25.41% and 27.29%; Elected Officers’ - 48.82% and 49.18%; and DROP participants - 14.60% and 16.98%. These employer contribution rates include 1.66% and 1.66% HIS Plan subsidy for the periods October 1, 2019 through June 30, 2020 and from July 1, 2020 through September 30, 2020, respectively.

The County’s contributions, including employee contributions, to the Pension Plan totaled \$12,406,253 for the fiscal year ended September 30, 2020.

The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2020. The County’s proportionate share of the net pension liability was based on the County’s 2019-20 fiscal year contributions relative to the 2019-20 fiscal year contributions of all participating members. At June 30, 2020, the County's proportionate share was 0.387143697 percent, which was an increase of 5.98 percent from its proportionate share measured as of June 30, 2019.

Actuarial Assumptions – The total pension liability in the July 1, 2020 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40%
Salary increases	3.25%, average, including inflation
Investment rate of return	6.80%, net of pension plan investment expense, including inflation

Mortality rates were based on the Generational PUB 2010 base table varies by member category and sex, projected generationally with Scale MP-2018 detail valuation report.

The actuarial assumptions used in the June 30 2020, valuation were based on the results of an actuarial experience study for the period July 1, 2013 through June 30, 2018.

The long-term expected rate of return on Pension Plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy’s description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Discount Rate - The discount rate used to measure the total pension liability was 6.8%. The Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Sensitivity of the County's Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the County's proportionate share of the net pension liability calculated using the discount rate of 6.8%, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (5.8%) or one percentage point higher (7.8%) than the current rate:

The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2020. The County's proportionate share of the net pension liability was based on the County's 2019-20 fiscal year contributions relative to the 2019-20 fiscal year contributions of all participating members. At June 30, 2020, the County's proportionate share was 0.306358201 percent, which was an increase of 4.11 percent from its proportionate share measured as of June 30, 2019.

For the fiscal year ended September 30, 2020, the County recognized pension expense of \$2,031,808. In addition, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

The deferred outflows of resources related to the HIS Plan, totaling \$426,847 resulting from County contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2021. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the HIS Plan will be recognized in pension expense as follows:

Fiscal Year Ending September 30:	Amount

Actuarial Assumptions – The total pension liability in the July 1, 2020, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40%
Salary increases	3.25%, average, including inflation
Municipal bond rate	2.21%

Mortality rates were based on the Generational RP-2000 with Projection Scale BB tables.

The actuarial assumptions used in the June 30, 2020, valuation were based on the results of an actuarial experience study for the period July 1, 2013 through June 30, 2018.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

Discount Rate - The discount rate used to measure the total pension liability was 2.21%. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the County's Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the County's proportionate share of the net pension liability calculated using the discount rate of 2.21%, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (1.21%) or one percentage point higher (3.21%) than the current rate:

	1% Decrease (1.21%)	Current Discount Rate (2.21%)	1% Increase (3.21%)
County's proportionate share of the net pension liability	\$ 43,239,479	\$ 37,406,455	\$ 32,631,019

HIS Pension Plan Fiduciary Net Position - Detailed information regarding the HIS Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Comprehensive Annual Financial Report.

Payables to the HIS Pension Plan - At September 30, 2020, the County reported a payable in the amount of \$141,650 for outstanding contributions to the HIS Plan required for the fiscal year ended September 30, 2020.

Investment Plan

The SBA administers the defined contribution plan officially titled the FRS Investment Plan. The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Comprehensive Annual Financial Report.

As provided by Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. County employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc.), as the Pension Plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices.

St. Lucie County, Florida
Notes to Financial Statements (continued)
Year Ended September 30, 2020

Costs of administering the Investment Plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.04 percent of payroll and by forfeited benefits of plan members. Allocations to the investment member's accounts during the 2019-20 fiscal year, as established by Section 121.72, Florida Statutes, are based on a percentage of gross compensation, by class, as follows: Regular class 6.30%, Special Risk Administrative Support class 7.95%, Special Risk class 14.00%, Senior Management Service class 7.67% and County Elected Officers class 11.34%.

For all membership classes, employees are immediately vested in their own contributions and are vested after one year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the Pension Plan is transferred to the Investment Plan, the member must have the years of service required for Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Nonvested employer contributions are placed in a suspense account for up to five years. If the employee returns to FRS-covered employment within the five-year period, the employee will regain control over their account. If the employee does not return within the five-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended September 30, 2020, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the County.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the Pension Plan or remain in the Investment Plan and rely upon that account balance for retirement income.

The County's contributions, including employee contributions, to the Investment Plan totaled \$6,131,011 for the fiscal year ended September 30, 2020. The County's Investment Plan pension expense totaled \$5,187,740 for the fiscal year ended September 30, 2020, which is included in the pension plan expense.

Payable to the Investment Plan – At September 30, 2020, the County reported a payable in the amount of \$416,210 for outstanding contributions to the Investment Plan required for the fiscal year ended September 30, 2020.

D. Building Code Net Position

Section 125.56, Florida Statutes took effect on July 1, 2019. A local government may not carry forward an amount exceeding the average of its operating budget for enforcing the Florida Building Code for the previous four fiscal years. The term “operating budget” does not include reserve amounts. However, a local government which established, as of January 1, 2019, a Building Inspections Fund Advisory Board consisting of five members from the construction stakeholder community and carries an unexpended balance in excess of the average of its operating budget for the previous four fiscal years may continue to carry such excess funds forward upon the recommendation of the Advisory Board.

As of September 30, 2020, the Building Code net position was \$3,682,055. The average of its operating budget, excluding the reserve amount, for the previous four years was \$2,328,074. Due to the absence of a Building Inspections Fund Advisory Board, the County has taken specific action to realign the net position with Section 125.56, Florida Statutes requirement. On September 15, 2020, the County adopted a resolution to reduce the building permit fees by 15% to close the gap gradually.

NOTE 18 – RISK MANAGEMENT

General Liability, Property and Worker’s Compensation

The County is exposed to various risks of loss related to torts, theft of, damage to and destruction of assets, errors or omissions, injuries to employees, and natural disasters. The Board and other Constitutional Officers (other than the Sheriff) comprising the primary government, participate in a public entity risk pool – Treasure Coast Risk Management Program (TRICO) for the purpose of obtaining various insurance coverage other than health and life insurance. Other members of the pool consist of Martin County, Florida, City of Port St. Lucie, Florida and City of Stuart, Florida. The pool was created by an interlocal agreement under the provisions of Section 163.01, Florida Statutes. The governing Board of Directors of the pool, which is comprised of representatives of each of the members, has the authority to contract for claims servicing and risk management and loss prevention services. The Board and other Constitutional Officers (other than the Sheriff) pay their share of contributions into the pool based on the value of covered property, prior claims experience, and allocated expenses. Required contributions are considered expenditures when the liability is incurred. Members of the pool are responsible for deficiencies arising from specific claims if claims are in excess of reinsurance limits. The County has no other costs, other than deductible amounts, in connection with the risk pool.

TRICO issues a publicly available financial report that includes financial statements and required supplementary information for the program. That report may be obtained by writing to the Employers Mutual Inc., 700 Central Parkway, Stuart, Florida 34994.

The County is self insured for group health insurance covering employees and their eligible dependents. As required by Section 112.081, Florida Statutes, retirees and their eligible dependents are provided the same health care coverage as is offered to active employees; however, the retirees are responsible for payment of the premiums. Medical claims are paid from premiums contributed by employees, retirees, and the County. Premiums and contributions are determined by projected claims based on historical and actuarial experience. The self insurance plan assumes all risk for claims up to \$150,000 per individual, per year, and has purchased a reinsurance policy to cover claims in excess of this amount. There were eleven claims in excess of the limit for fiscal year 2020, nine claims in excess of the limit for fiscal year 2019, and six claims in fiscal year 2018.

The IBNR (incurred but not reported) claims liability of \$545,000, reported at September 30, 2020, is based on the requirements of generally accepted governmental accounting standards, which require that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements, and the amount of the loss can be reasonably estimated. Estimates for claims incurred but not reported are actuarially determined and recorded and are generally payable within the next year. Nonincremental claims and adjustment expenses have been included as part of the claims liability.

The Sheriff joined with other Sheriffs in the State to form the Florida Sheriff Self Insurance Fund, a public entity risk pool, under the provisions of state statutes. The Sheriff pays its share of contributions into the pool based on the value of the property covered, prior claims experience and allocation of experience. These contributions are considered expenditures when the liability is incurred. The Sheriff has no other costs other than deductible amounts in connection with the risk pool.

The Sheriff also participated in a workman’s compensation risk pool together with other sheriffs in the state. These plans are administered by the Florida Sheriff’s Association . An expenditure is recognized for contributions made by the Sheriff into the pool based on historical claims information.

The Sheriff maintains a self-insurance plan for specified group health and welfare benefits provided to eligible employees and retirees. The plan is administered by an independent trustee. The costs of the plan are paid by employer and employee contributions.

The Sheriff also continues to carry commercial insurance for the risk of loss on watercraft and aviation equipment.

The Tax Collector became self-insured for group health and life insurance effective January 31, 2020. Certain former Tax Collector employees are also eligible and participate in the plan. The financial transactions of this plan are accounted for in a fiduciary fund of the Tax Collector.

The IBNR (incurred but not reported) claims liability of \$102,948, reported at September 30, 2020, is based on the requirements of generally accepted governmental accounting standards, which require that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements, and the amount of the loss can be reasonably estimated. Estimates for claims incurred but not reported are actuarially determined and recorded and are generally payable within the next year. NOTE 19 – POST EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)

A. General Information about the OPEB Plan

The County has two single employer defined benefit healthcare plans, the **County Plan** and the **Sheriff Plan**.

The **County Plan** allows its employees and their beneficiaries to continue obtaining health, dental, and other insurance benefits upon retirement. The County amended its policy effective October 1, 2004, for employee retirements after that date, to provide for the payment of the monthly single premium for the employee, if covered at the time of retirement, for employees who meet all the following eligibility requirements:

- Active full time employees with 10 years of continuous service with the Board covered by the health plan at the time of retirement.
- Either 30 years of service under the Florida Retirement System (FRS), or vested under the FRS and have reached normal retirement age (currently 62 for employees hired before July 1, 2011 and 65 for employees hired on or after July 1, 2011).
- Monthly single premiums will be paid until the retiree becomes Medicare/Medicaid eligible.

The County further amended its policy in fiscal year 2014 to limit the above post-employment benefit to employees hired before October 1, 2013.

The **Sheriff Plan** provides postemployment health insurance benefits for employees and sworn officers upon retirement and subsidizes a portion of the premiums. Retirees with at least 25 years or more of services under the Sheriff are offered free retiree health coverage until they attain eligibility for Medicare benefits. The provisions of the plan for the St. Lucie Sheriff Office may be amended through negotiations between the St. Lucie Sheriff and its employee bargaining units.

The benefits of both the **County Plan** and the **Sheriff Plan** conform to Florida Statutes, which is the legal authority for the plans.

Both plans have no assets and do not issue separate financial reports.

At the date of the last actuarial valuation, plan participation consisted of:

	County Plan	Sheriff Plan
Valuation Date	October 1, 2018	September 30, 2019
Active employees	997	665
Retirees and spouses	246	209

Valuation Date	October 1, 2018	September 30, 2019
Measurement Date	October 1, 2019	September 30, 2019
Inflation	2.60% - not explicitly used in valuation	2.75%
Salary increases	3.7% to 7.8%	3.6% to 8.0%
Discount rate	2.74%	2.75%
Healthcare cost trend rates	Initial year trend increased to 18% based on expected increase, thereafter based on the Getzen Model starting at 5.9% gradually decreasing to an ultimate rate of 4.4% in 2040.	Based on the Getzen model, with trend starting at 6.5% for per capita costs and 8.0% for premiums on 10/1/2020, followed by 6.25% on 10/1/2021 and gradually decreasing to an ultimate trend rate of 3.99% plus 0.63% increase for excise tax.
Retirees' share of benefit-related costs	For employee only coverage, the employee portion of the monthly single (employee only) premium. If option other than employee only, difference in full premium and the employer portion of the employee only coverage. 100% of premium after Medicare-eligible or if eligible under another Employer's Group Health Plan or if early retirement.	For employee only coverage, retirees with 25 years or more service, 100% paid by the plan. Beginning in October, 2015, the subsidy is limited to the premium rates applicable to the "Staying Healthy" plan option. 100% of premium after Medicare-eligible.

For both plans, the discount rates were based on the Fidelity 20-year Municipal GO AA Index. Mortality rates were based on various RP-2000 mortality tables with varying Collar adjustments and generational mortality improvements with Scale BB. Disabled Employees based on RP-2000 Disabled mortality tables setback 4 years for males and set forward 2 years for females and no projected improvements. The actuarial assumptions used in the two actuarial valuations are based on results of experience studies conducted by the Florida Retirement System as of July 1, 2014.

Source: Outstanding debt data for the overlapping governments is provided by the applicable government.

Notes: Government units that are included in this schedule are those whose geographic boundaries overlap, at least in part, with the boundaries of the County. This schedule estimates the portion of the overlapping government's outstanding debt that is borne by the residents and businesses of St. Lucie County. This process recognizes that, when considering the County's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore, responsible for repaying the debt of each overlapping government.

(1) These percentages are estimated using assessed values of taxable property less homestead exemptions and other adjustments (taxable value). Applicable percentages were estimated by determining the portion of another governmental units taxable value that is within the County's boundaries and dividing it by each unit's total taxable value.

(2) The St. Lucie County direct debt amount includes bond premiums.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

The Honorable Board of County Commissioners
St. Lucie County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of St. Lucie County, Florida, as of and for the year ended, and September 30, 2020 the related notes to the financial statements, and have issued our report thereon dated March 26, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered St. Lucie County, Florida's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of St. Lucie County Florida's internal control. Accordingly, we do not express an opinion on the effectiveness of St. Lucie County, Florida's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The Honorable Board of County Commissioners
St. Lucie County, Florida

Compliance and Other Matters

As part of obtaining reasonable assurance about whether St. Lucie County, Florida's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND STATE PROJECT AND REPORT ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.550
RULES OF THE AUDITOR GENERAL**

The Honorable Board of County Commissioners
St. Lucie County, Florida

Report on Compliance for Each Major Federal Program and State Project

We have audited St. Lucie County, Florida's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the Florida Department of Financial Services Projects Compliance Supplement that could have a direct and material effect on each of St. Lucie County, Florida's major Federal programs and State projects for the year ended September 30, 2020. St. Lucie County, Florida's major Federal programs and State projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to Federal programs and State projects.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of St. Lucie County, Florida's major Federal programs and State projects based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), the Florida Department of Financial Services Projects Compliance Supplement and Chapter 10.550, Rules of the Auditor General. Those standards, the Uniform Guidance, the Florida Department of Financial Services Projects Compliance Supplement and Chapter 10.550, Rules of the Auditor General, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program or State project occurred. An audit includes examining, on a test basis, evidence about St. Lucie County, Florida's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

The Honorable Board of County Commissioners
St. Lucie County, Florida

We believe that our audit provides a reasonable basis for our opinion on compliance for each major Federal program. However, our audit does not provide a legal determination of St. Lucie County, Florida's compliance.

Opinion on Each Major Federal Program and State Project

In our opinion, St. Lucie County, Florida complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs and State projects for the year ended September 30, 2020.

Report on Internal Control Over Compliance

Management of St. Lucie County, Florida is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered St. Lucie County, Florida's internal control over compliance with the types of requirements that could have a direct and material effect on each major Federal program and State project to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major Federal program and State project and to test and report on internal control over compliance in accordance with the Uniform Guidance, the Florida Department of Financial Services Projects Compliance Supplement and Chapter 10.550, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of St. Lucie County, Florida's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program or State project on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance; such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program or State project will not be prevented or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal program or State project that is less severe than material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**The Honorable Board of County Commissioners
St. Lucia County, Florida**

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance, the Florida Department of Financial Services Projects Compliance Supplement and Chapter 10.550, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards and State Projects
Year Ended September 30, 2020

1. Bases of Presentation

The accompanying Schedule of Expenditures of Federal Awards and State Projects (the "Schedule") includes the federal award and state project activity of St. Lucie County, Florida under programs of the federal government for the year ended September 30, 2019. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.550, *Rules of the Auditor General*. Because the Schedule presents only a selected portion of the operations of St. Lucie County, Florida, it is not intended to and does not present the financial position, changes in net position, or cash flows of St. Lucie County, Florida.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported using the modified accrual basis of accounting. The modified accrual basis of accounting recognizes revenues when they become measurable and available as net current assets and expenditures when the related fund liability is incurred. Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-87, *Cost Principles for State, Local, and Indian Tribal Governments*, or the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement.

St. Lucie County, Florida has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

3. Program Clusters

The Uniform Guidance defines a cluster of programs as a grouping of closely related programs that share common compliance requirements. According to this definition, similar programs deemed to be a cluster of programs are tested accordingly.

4. Contingency

The grant revenue amounts received are subject to audit and adjustment. If any expenditures are disallowed by the grantor agencies as a result of such an audit, any claim for reimbursement to the grantor agencies would become a liability of St. Lucie County, Florida. In the opinion of management, all grant expenditures are in compliance with the terms of the grant agreements and applicable federal and state laws and regulations.

- e. All shipments made under the Owner Direct Purchasing program shall designate the goods to be free on board to the jobsite.
- f. - l. Construction Manager shall track all tax savings realized through the use of Owner Direct Purchasing, and shall make recommendations as it deems appropriate, or as may be requested by Owner or the Architect, for the use and application of such savings. A current estimate of all tax savings realized or anticipated to be realized shall be prepared by Construction Manager and furnished to Owner and the County upon request.
- m. Construction Manager shall comply with all requirements of the Owner Direct Purchase process set forth above, and there shall be no increase to the Contract Time or the GMP for implementing the Owner Direct Purchase process, except for causes that are beyond the reasonable control of Construction Manager.
- n. At the completion work associated with each Purchase Order, the Construction Manager and Subcontractor shall perform a reconciliation, in conjunction with the Owner, and any residual amounts remaining within the Purchase Order shall be returned to the Construction Manager who shall adjust the Subcontractor's contract amount via change order.

Second Amendment to the Amended and Restated Facilities Use Agreement

**SECOND AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
ADDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate on February 24, 2019, by and between ST. LUCIE COUNTY, a political subdivision of the State of Florida ("County"), and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex (the "Project") as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to increase the overall New Improvements Budget;

WHEREAS, the parties desire to implement a program for seeking tax savings on large material purchases for this public Project in accordance with Section 218.09(1) of the Florida Statutes and Rule 12A-1.004 of the Florida Administrative Code; and

WHEREAS, the parties desire to enter into an amendment to the FUA to add the terms herein contained.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, IT IS AGREED AS FOLLOWS:

1. AMENDMENT OF SECTION 10(A) OF THE FUA

The FUA is hereby amended by adding the following language to the end of Section 10(A):

"In the event the New Improvements Budget exceeds \$33,000,000.00, SFS shall contribute up to an additional \$3,000,000.00 to the New Improvements Budget to cover any such excess, which sum shall be used and applied to the New Improvements of set forth in the FUA and any amendments thereto. The obligation to provide the additional funds is the sole responsibility of SFS and this Amendment shall not create or alter any obligation of the County with respect to the New Improvements Budget. Nothing stated in this Paragraph shall alter or limit SFS' obligation, set forth in the second paragraph of this Section 10(A), to bear all costs of projects beyond the additional \$3,000,000.00 if the total New Improvements Budget is exceeded."

2. AMENDMENT OF SECTION 4 OF THE FIRST AMENDMENT TO THE FUA

The First Amendment to the FUA is hereby amended by deleting the following language found in Subsection (ii):

"The next \$1,000,000 of interest shall be paid by the County (to) pay costs associated with the County's project to build softball fields (the "County Fields") in a location determined by the County (but not at the Sports Complex)."

And replacing such language with the following:

"The next \$1,000,000 of interest shall be used by the County to pay costs for any County improvements, renovations or modifications related to the Sports Complex, which in County's sole discretion, are necessary, with the remainder of any such funds allocated to the softball fields project at a location determined by County."

3. ADDITION OF SECTION 41 TO THE FUA

The FUA is hereby amended by adding the following Section 41 titled Owner Direct Purchasing Agreement:

"For qualifying material purchases in excess of \$50,000.00, the County may elect to implement an Owner Direct Purchasing in accordance with Section 212.03(6) of the Florida Statutes at the request of SPS. It is the sole discretion and responsibility of SPS, in consultation with the Construction Manager including the Project, to recommend and accept the use of Owner Direct Purchasing to qualifying purchases. The County has no obligation or responsibility to determine if qualifying purchases exist or to recommend the use of Owner Direct Purchasing to interested parties. Furthermore, the County may deny a request for follow up to conform to the requirements of this Section of the FUA or if the County determines in its reasonable discretion that an Owner Direct Purchase would not comply with Section 212.03(6) of the Florida Statutes. If any purchase made pursuant to this Agreement incurs a net penalty, then the liability shall be distributed as follows:

a. Any and all sales tax liability incurred as a result of SPS' failure to comply with the material terms and requirements of the FUA, as amended, shall be paid from the New Improvements Budget. However, to the extent any such liability exceeds the Budget, the unpaid amount shall be paid by SPS.

b. Any and all sales tax liability incurred as a result of the project not being herein being rejected for failure to meet the requirements of the law shall be paid from the New Improvements Budget in accordance with Section 10 of this FUA.

For purposes of this FUA, a "qualifying material purchase" means any purchase of materials for use on the project that: (1) meets the requirements of Section 212.03(6) of the Florida Statutes; (2) meets in all respects the material specifications set forth in the Contract Documents and Approved Submittals; and (3) is in excess of \$50,000.00.

For qualifying material purchases identified by SPS, the following procedures shall apply:

c. SPS shall complete, in full, the Vendor Registration Form attached herein as Exhibit "Q," and submit the Vendor Registration Form to the County for approval along with a certification that SPS has reviewed Section 212.03(6) of the Florida Statutes and determined the requested purchase to be a qualifying material purchase. The County shall designate, in writing, a purchasing officer for this Project, which shall be the designated recipient of any Vendor Registration Forms.

d. Within a reasonable time, but no later than two weeks after receipt of the request, the County shall review the Vendor Registration Form and either approve or deny the request. The County will promptly inform SPS of its decision with

respect to the request. If the County approves the request, it shall submit a Purchase Order, along with a copy of its Florida Commissioner's Certificate of Exemption and Certificate of Anticipation, to the vendor. If the County denies the request, no further action will be taken and SES may proceed with the purchase as a non-Owner Direct Purchase.

a. All shipments made under the Owner Direct Purchasing program shall designate the goods to be free on board to the job site.

1. Upon delivery of materials purchased pursuant to this Section of the FUA, SES or its designee, acting for and on behalf of the County, shall ensure that the delivery complies with the terms of the Purchase Order submitted to the vendor by the County. This obligation shall include, but not be limited to, receiving direct delivery, performance of the material to the Purchase Order in quality, quantity, and all other aspects, and ensuring that the materials are in a good and usable condition for the intended purpose.

2. If any material or product fails to be delivered or is not of the quantity or quality requested or otherwise fails to meet the requirements of this Purchase Order, SES or its designee, acting for and on behalf of the County, shall work directly with the vendor to correct the faulty shipment. SES is responsible for ensuring that all Owner Direct Purchases made pursuant to the FUA meet the standards set forth in the Purchase Order signed and submitted by the County.

3. If, after reviewing the Purchase Order and the shipment, SES determines that the shipment is complete and proper, it shall sign the proof of delivery on behalf of the County and direct the vendor to invoice the County directly.

4. Upon submission of an invoice to the County for payment, SES shall place all materials purchased pursuant to this Agreement into an enclosed storage area within the materials storage yard until such time as the material has been, or is being, incorporated in the project. SES shall be responsible for ensuring the security of all County purchased materials from the time of acceptance through the time of incorporation.

5. Once receipt of the shipment has been confirmed, the County shall be invoiced directly and shall pay the invoice from the New Improvements Budget in accordance with Section 10 of the FUA.

6. The County shall take title to, and assume all risk of loss for or damage to, its goods at the point of delivery from the vendor. The County will insure against all loss of or damage to materials or products purchased using Owner Direct Purchasing. Nothing in this paragraph shall act to abrogate, alter, modify, or otherwise change the terms of Section 13 of the FUA or applicable laws regarding liability with respect to any materials purchased for, used by, or incorporated into the Project.

7. The procedures set forth herein shall apply to and be the only procedures governing Owner Direct Purchases on this Project.

4. All tax savings generated through the use of Owner Direct Purchases shall be accounted for as a

amount in the New Improvements Budget and used exclusively to implement the New Improvements as defined and agreed to in the FIA.

5. Except as indicated herein, the remaining terms and conditions of the FIA shall remain in full force and effect.

2021 Economic Impact of the New York Mets Spring Training in Port St. Lucie, FL

Utilizing the data and methodology in the “2009 Major League Baseball Florida Spring Training Economic Impact Study Report”, June 2009 by the Florida Sports Foundation and the Bonn Marketing Research Group, Inc., the following represents the estimated Economic Impact to St. Lucie County just resulting from Direct Spending associated with the New York Mets Spring Training. Please note this does not include the impact to labor income and employment in St. Lucie County as result of Spring Training.

The attendees, for this purpose, are separated into five category types:

- **Out-of-State-Primary Purpose:** This indicates a visiting party from outside of Florida that came to the area expressly for the New York Mets Spring Training.
- **Out-of-State-Other Purpose:** This indicates a visiting party from outside of Florida that came to the area for another purpose, but attended Spring Training activities.
- **Non-County-Primary Purpose:** This indicates attendance from another County in Florida that visited expressly for Mets Spring Training.
- **Non-County-Other Purpose:** This indicates attendance to St. Lucie County for another purpose, but included Spring Training activities.
- **Local:** These include all St. Lucie County residents.

Total attendance (tickets sold) for the New York Mets Spring Training in 2021 was **16,243**.

The results are as follows:

Approximately 23.12% are Out-of-State Primary Purpose	3,755
Number of Out-of State Parties (Average party size = 3 people)	1,251
Cumulative number of nights stayed (Average stay is 7.53 nights)	9,420
Average expense for out-of-area expenses (\$371.28 per party) per day *	\$3,497,457
Approximately 24.94% are Out-of-State Other Purpose	4,051
Number of Out-of State Parties (Average party size = 3.08 people)	1,315
Cumulative number of nights stayed (Average stay is 9.66 nights)	12,703
Average expense for out-of-area expenses (\$395.43 per party) per day *	\$5,023,147
Approximately 24.22% are Non-County Primary Purpose	3,934
Number of Non-County Parties (Average party size = 2.81 people)	1,400
Cumulative number of nights stayed (Average stay is .39 nights)	546
Average expense for out-of-area expenses (\$171.72 per party) per day *	\$93,759

Approximately 3.55% are Non-County Other Purpose	576
Number of Non-County Parties (Average party size = 2.68 people)	215
Cumulative number of nights stayed (Average stay is 3.36 nights)	722
Average expense for out-of-area expenses (\$314.00 per party) per day *	\$226,708
Approximate Number of Local Attendees	3,898
Estimated Direct Expenditures of Local Residents associated with Attendance (\$50) *	\$194,900
Estimated Total Direct Expenses by Attendees *Total	\$9,035,971

Using the total direct expenses above, the indirect and induced effect was estimated using the multiplier provided in the above reference report to estimate a total economic impact resulting from Direct Expenses. Indirect effect indicates the secondary impact caused by changing input of needs of directly affected industries, and Induced effect is caused by the changes in household spending due to additional employment generated by direct and indirect spending.

	Direct Spending	Indirect and Induced Spending	Total Economic Impact	Multiplier
Out-of-State Primary Purpose	\$3,497,457	\$2,448,220	\$5,945,677	1.7
Out-of-State Other Purpose	\$5,023,147	\$3,516,203	\$8,539,350	1.7
Non-County Primary Purpose	\$93,759	\$68,444	\$162,203	1.73
Non-County Other Purpose	\$226,708	\$156,428	\$383,136	1.69
Local Attendees	\$194,900	\$134,481	\$329,381	1.69
Total:	\$9,035,971	\$6,323,776	\$15,359,747	

The total Economic Impact Direct Spending is estimated to be **\$15,359,747** as a result of the **2021** New York Mets Spring Training Season.

PLEASE NOTE: Major League Baseball was required to limit stadium capacity to 20% due to the COVID restrictions which drastically affected the gate attendance and economic impact numbers.

**Evidence of St. Lucie County's
efforts to promote and
advertise the Facility that have
taken place since the last
reporting period, in
accordance with Section 23 of
contract SB17-007.**

For the 2021 NY Mets Spring Training season at Clover Park in Port St. Lucie, tickets were sold at limited stadium capacity (approximately 20%) per the restrictions implemented by MLB. Therefore, some items were not executed, and overall exposure to our marketing materials was limited.

For the 2021 NY Mets regular season at Citi Field in Flushing, New York (which is still underway at the time of this publication), all Visit St. Lucie marketing materials were executed with the exception of some table activation events due to a travel budget shortfall for the tourism office and other unique circumstances.

Included in this report are samples or documented proof of the following:

For the project described in item 1a to be privately owned, it must be privately owned **during construction** and involve the erection of a new structure(s) or improvements to an existing structure(s) as defined below.

If the project is only maintenance and repairs, please note so in item 9, Remarks, complete item 2, and return the form.

► Section B – PERSON TO CONTACT REGARDING THIS SURVEY

Item 2 – Enter or correct the information for the person who can answer questions about this survey.

► Section C – OWNERSHIP, START AND PROJECTED COMPLETION DATES

Item 3 – As noted, "ownership" for purposes of this survey, depends on the owner **during the construction phase**. Check the appropriate box.

Item 4a – The start date is defined as the date that actual construction work first began on the project described in item 1a. If the project is to start at some future date, please enter the date, complete item 2, and return the form.

Item 4b – The projected completion date is defined as the date the project described in item 1a is expected to be completed.

► Section D – COST ESTIMATES

"Construction," for purposes of this survey, is defined as the building of and/or improvements to fixed structures. This **INCLUDES**:

- a. New structures, additions, alterations, conversions, expansions, rebuilding, reconstruction, renovations, rehabilitations and major replacements, such as the complete replacement of a roof or heating system.
- b. Mechanical and electrical installations – Plumbing, heating, electrical work, elevators, escalators, central air-conditioning, and other similar building services.
- c. Outside construction – Clearing and grading of undeveloped land and the fixed, auxiliary structures which the project owner builds within the property lines. Also, roadways, bridges, parking lots, utility connections, outdoor lighting, pools, athletic fields, piers, wharves and docks, and all similar auxiliary facilities.

FOR HEAVY NONBUILDING PROJECTS

In addition to a, b, and c, construction **INCLUDES**:

- d. Fixed works, such as power plants, dams, highways, bridges, dredging, reservoirs, and sewer and water facilities.
- e. Machinery and equipment which are integral parts of structures. Also fixed, largely site-fabricated equipment, such as storage tanks.
- f. The following types of equipment: boilers, towers, and fixtures.

EXCLUDE: Movable machinery and equipment which are not integral parts of structures. Also, for power generation plants, exclude primary power producing machinery, such as generators, reactors, and steam engines.

Item 5a – Estimate the total amount to be paid to construction contractors by the project owner for work done on this project.

Item 5b – Estimate the total cost of labor by the owner's construction employees working on the project, including supervisory personnel assigned to the project. Include the total cost of all construction materials supplied by the owner, including those the owner expects to supply to the contractor for installation in this project.

Item 5c – Sum of values reported in items 5a and 5b. **This is the value to be reported in item 8a**, monthly value of construction put in place.

Item 6 – Estimate the total amount of fees which the project owner has paid or will pay to architectural and engineering firms for work on this project. Also estimate the total cost of all other construction items which the project owner will allocate on the books to this project. Include the project owner's overhead and office costs, the cost of design work by the owner's staff, and other miscellaneous construction fees and costs allocated on the owner's books. **DO NOT** include the cost of movable machinery and equipment, land, furniture, and furnishings. If book figures are not available, reasonable estimates are acceptable.

Item 7 – Intentionally left blank.

► Section E – MONTHLY CONSTRUCTION PROGRESS REPORT

- a. Work done by contractors and/or subcontractors, including any retainage being withheld until the work is complete.
- b. The cost of any materials installed which were provided by the owner.
- c. The work done by the project owner's own construction employees, including supervisory personnel assigned to this project.

Initially, report monthly values from the start month to the most current month shown in item 8a. Then each month, when the form is returned to you, report for the month shown and any revisions which you might have. When entering monthly data, **be sure to report the costs in the month in which the work was done rather than in the month in which payment was made.**

If the contractor's bills are for periods other than monthly, estimate a monthly amount. If costs are not available, please leave the value blank. In each month where there is no construction, enter a zero.

Item 8b – If construction is complete except for some minor work or retainage (up to 3 percent of item 5c), you may stop reporting on this project by entering the completion date in item 8b and indicating any remarks in item 9.

If the project is only maintenance and repairs, please note so in item 9, Remarks, complete item 2, and return the form.

► Section B – PERSON TO CONTACT REGARDING THIS SURVEY

Item 2 – Enter or correct the information for the person who can answer questions about this survey.

► Section C – OWNERSHIP, START AND PROJECTED COMPLETION DATES

Item 3 – As noted, "ownership" for purposes of this survey, depends on the owner **during the construction phase**. Check the appropriate box.

Item 4a – The start date is defined as the date that actual construction work first began on the project described in item 1a. If the project is to start at some future date, please enter the date, complete item 2, and return the form.

Item 4b – The projected completion date is defined as the date the project described in item 1a is expected to be completed.

► Section D – COST ESTIMATES

"Construction," for purposes of this survey, is defined as the building of and/or improvements to fixed structures. This **INCLUDES**:

- a. New structures, additions, alterations, conversions, expansions, rebuilding, reconstruction, renovations, rehabilitations and major replacements, such as the complete replacement of a roof or heating system.
- b. Mechanical and electrical installations – Plumbing, heating, electrical work, elevators, escalators, central air-conditioning, and other similar building services.
- c. Outside construction – Clearing and grading of undeveloped land and the fixed, auxiliary structures which the project owner builds within the property lines. FOR HEAVY NONBUILDING PROJECTS

In addition to a, b, and c, construction **INCLUDES**:

- d. Fixed works, such as power plants, dams, highways, bridges, reservoirs, and sewer and water facilities.
- e. Machinery and equipment which are integral parts of structures. Also fixed, largely site-fabricated equipment, such as storage tanks.

TSA shall have sole responsibility for maintaining the Pedestrian Walk Over, provided that the Partnership shall reimburse TSA for fifty percent (50%) of the cost of such maintenance. TSA shall also have sole responsibility for the maintenance of the entire Premises in connection with any game and/or event sponsored by TSA.

However, there shall be no concessions sales anywhere on the Premises, other than by virtue of a restaurant operated in the Stadium by or through the Partnership, or through private event catering, during events held at the facility currently known as Raymond James Stadium unless an event is also being held on the Premises, in which case the Partnership shall have full concession rights. The Partnership's concession rights shall include, but shall not be limited to, vendor and concessionaire selection, food, beverage and merchandise selection, terms of sale,

All proceeds from the sale of the Partnership's, the Yankees', the Affiliates, or any other novelties shall at all times belong to the Partnership, regardless of who sponsors the event giving rise to the sale. The Partnership may sell Partnership's, Yankees' or Affiliates' novelties on the Premises, but not on the Himes Facility during events held at Tampa Stadium or its parking areas.

7.3 Alcoholic Beverage Zoning and Alcoholic Beverage Licensing. The Parties acknowledge that certain of the Premises, such as the Concession Facilities, may engage in the sale of alcoholic beverages. The Parties further acknowledge that the ability to sell alcoholic beverages at the Premises is an activity typically conducted in professional baseball facilities. Therefore, TSA and the County agree that the Partnership shall be allowed to apply for alcoholic beverage zoning so that alcoholic beverages may be sold from the Concession Facilities for consumption on the Premises only, during such hours of operation as the Partnership may choose from time to time, subject to the Scheduling and Parking Agreement. The Partnership's opportunities in this regard constitute a material part of this Agreement, therefore TSA and the County agree that they shall take no action or file any documents with any public official or governmental agency which would serve to prohibit or limit the right of the Partnership to obtain alcoholic beverage

zoning and alcoholic beverage licenses from the appropriate governmental authorities, provided Partnership complies with all applicable laws, ordinances, rules and regulations. In addition, TSA and the County agree to promptly execute any applications or consents thereto that may be reasonably requested by the Partnership for the purpose of obtaining alcoholic beverage zoning so that alcoholic beverages may be sold at the Premises. TSA and the County shall have the right and option to attend any and all public hearings for alcoholic beverage zoning and the Partnership shall give TSA and the County reasonable and adequate prior notice of all public hearings and copies of all applications for alcoholic beverage zoning. The timing with respect to the applications for such alcoholic beverage zoning shall be determined by the Partnership, in its sole discretion, after consultation with TSA and County. In addition, the Partnership shall have the sole right to determine whether to extend application periods or to continue any such hearings to a subsequent date. To the extent required by any appropriate governmental agency, TSA and the County agree to execute any appointments of agents of record to appear at any such public hearings which agents of record shall be reasonably approved by the Partnership. All application fees for alcoholic beverage zoning and alcoholic beverage licensing, and all expenses in connection therewith, shall be the sole expense of the Partnership. Unless required by law and after consultation with Partnership, TSA and the County shall not consent to or accept any conditions in alcoholic beverage zoning approvals that materially and adversely affect the Partnership's proposed use of the Premises and sale of alcoholic beverages. TSA and the County shall cooperate with the Partnership with respect to all such applications and shall take no action inconsistent with the applications made by the Partnership as long as said applications conform with the uses described in this Agreement and provided that Partnership has in full force and effect the Liquor Liability Insurance policy as required by Article 14.6 below.

It is expressly understood and agreed by Partnership that Partnership shall be solely responsible for the securing of all necessary zoning, special use and other approvals required for the sale and/or consumption of alcoholic beverages at the Premises.

7.4 Brochures, Schedules, Newsletters, and Promotional Material. The Partnership shall have the exclusive right to publish and sell or give away brochures, schedules, newsletters, programs, yearbooks, and any other promotional materials and any other publications or written material relating to the Premises and games, events, and activities therein, except as otherwise provided in the Joint Use and Maintenance Agreement, and further except with respect to any events jointly sponsored by the Partnership and TSA, in which case the Partnership and TSA shall share such right equally.

ARTICLE VIII **ADVERTISING AND BROADCASTING RIGHTS**

8.1 Advertising. The Partnership shall have the exclusive right to sell or otherwise commercially exploit all advertising and sponsorship opportunities and shall be paid all Advertising Revenues generated within the Premises, including, without limitation, all Advertising Revenues from the informational signs and marquees to be placed by the Partnership anywhere within the Premises, including without limitation inside or on the outside walls of the Stadium and Community Use Field. Such rights shall include the Partnership's right to name the Stadium and/or to sell or lease the Stadium name and/or signature and to receive any and all revenues and other proceeds therefrom. Notwithstanding the foregoing, TSA retains the right to place billboards or the functional equivalent on the Premises between the Stadium and both Dale Mabry Highway and Dr. Martin Luther King Boulevard and between the Community Use Field and Dale Mabry Highway, to

place advertisements or promotions thereon and to receive and retain all advertising revenue therefrom. However, the placement of such advertising by TSA shall not unreasonably interfere with the advertising, signage and/or marquee rights of the Partnership.

8.2 Television and Broadcasting Rights. The Partnership shall have the exclusive right to contract or arrange for broadcasting and/or publication of baseball games and other events held on the Premises, including but not limited to broadcast, reproduction, transmittal or dissemination by means of radio, television (whether by over-the-air telecasts or through the medium now commonly referred to as "pay television", "CATV", or "closed circuit television"), internet, or similar device or arrangement. TSA shall receive no revenues from the Partnership's broadcast or televising of any events sponsored by the Partnership on the Premises, nor shall TSA participate, in any manner, in determining when or whether said events shall be televised or broadcast. All revenues from television or broadcasting shall be the exclusive property of the Partnership.

8.3 MLB Rights. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.

ARTICLE IX **PARKING**

9.1 Joint Use and Maintenance Agreement. In 1995, HCC purchased approximately 5.5 acres of the Land initially included in the Premises to be utilized for parking for itself, the Partnership, and TSA. Those three parties and the County subsequently entered into the Joint Use and Maintenance Agreement. The

provisions of the Joint Use and Maintenance Agreement, in combination with this Article IX, shall govern the Partnership and TSA with respect to the matters contained therein.

9.2 Parking Rights and Obligations. The Partnership shall have sole control of the parking of motor vehicles at all the parking areas located on or within the Premises and, with prior notice to TSA, any off-Premises additional parking areas owned or controlled by TSA and determined necessary by the Partnership, in its discretion, for its use for Spring Training games. The Partnership may also utilize the off-Premises parking areas owned or controlled by TSA for use during Minor League games and other events sponsored by the Partnership on the Premises, with TSA's prior consent. The Partnership's control of parking shall include the Partnership's sole discretion whether to charge a fee for parking as well as the amount of said fee, if any. Except as provided in this paragraph, the Partnership shall own and derive all revenue, if any, from the operation of such parking facilities, as well as be responsible for associated costs and obligations thereof (such as security, maintenance and clean-up), and the Partnership shall provide and hire all parking attendants in the number deemed appropriate by the Partnership. TSA and Partnership shall share equally the parking revenues and shall bear equally the obligations (such as security, attendants, maintenance and clean-up) and costs associated with parking for events jointly sponsored by TSA and Partnership at the Premises, and TSA alone shall receive the parking revenues and shall bear the obligations and costs associated with parking for games and/or events solely sponsored by TSA, either at the Premises or on other property owned or controlled by TSA.

ARTICLE X TAXES

10.1 Sales and Personal Property Taxes. The Partnership agrees to pay, before delinquency, any and all lawful taxes of whatever kind or nature levied or assessed and which become payable during the Term upon Partnership's equipment, furniture, fixtures, and other personal and intangible property located in the Premises, and shall also pay any and all sales, use, excise, or similar taxes which arise from or relate to the payments required hereunder. Notwithstanding the foregoing, TSA shall cooperate with the Partnership by taking all reasonable action requested by the Partnership to reduce taxes so long as such activities do not shift the tax responsibility to TSA or otherwise subject TSA to any adverse consequences. Partnership shall indemnify, defend and hold harmless TSA for all costs, claims and expenses arising from or relating to any such action taken in response to a request by Partnership. All applicable taxes shall be paid as required by law.

10.2 Real Estate Taxes. It is the intent of the Parties that TSA, the County, the Premises, and the uses granted hereunder of the Premises are immune from real estate ad valorem taxation, and that there shall be no real estate tax imposed upon any party with respect to the Partnership's use of the Premises or rights in this Agreement. However, to the extent that the Premises, the Partnership's right to use the same or the Partnership's rights to this Agreement are not immune from taxation, the Partnership agrees to pay the lawful taxes, assessments, or charges which at any time may be levied by any federal, state, county, city or any tax or assessment levying body against the Partnership upon the Premises or any interest in this Agreement or any possessory right which the Partnership may have in or to the Premises or the Improvements by reason of the Partnership's use or occupancy

thereof. Notwithstanding the foregoing provisions, the Partnership shall, after notifying TSA and the County of its intention to do so, have the right, in its own name or behalf, or in the name and behalf of TSA, to contest in good faith by all appropriate proceedings, the amount, applicability, or validity of any such tax or assessment. In connection with such contest, the Partnership may refrain from paying any tax or assessment so long as such contest will not, in the opinion of TSA's and the County's attorneys, which opinions shall be in writing and addressed to the Partnership, subject any part of the Premises to forfeiture or loss, in which event such taxes, assessments or charges will be paid promptly.

Upon reasonable request of the Partnership, TSA and the County shall assist the Partnership in contesting the legality, validity, and/or amount of such tax or assessment, provided that TSA's and County's assistance shall not extend to those facilities that are not used for the uses as set forth in Article 2.2 above. Moreover, TSA and the County shall take any and all action necessary to cause the Premises and/or the Partnership's rights to use the same and in this Agreement to not be subject to ad valorem taxation, with such actions to include, but not be limited to, maintaining title in the Premises to the County. As the sole remedy available to Partnership, TSA agrees to pay or to reimburse the Partnership with respect to ad valorem taxation in the event TSA or the County fail to take action as set forth in this paragraph. Otherwise, if due to reasons other than failure of the County or TSA to fulfill their obligations under the preceding sentences of this Article 10.2 (eg., change in the law), should the Partnership ultimately be held to be responsible for ad valorem taxes for the Premises, its use of the same, or because of this Agreement, then TSA shall reimburse the Partnership for the lesser of fifty percent (50%) of the Partnership's maintenance cost on the Premises or fifty percent (50%) of the ad valorem taxes and applicable interest and penalties, if any, payable by the

Partnership and the same percentage of costs associated with contesting any tax assessment described in this Article 10.2 for the uses as set forth in Article 2.2 above. Notwithstanding the foregoing provisions of this Article 10.2, neither TSA nor County shall be obligated to take any position or action which it, in good faith, believes not to be supported by the law.

10.3 Restaurant Taxes. The Partnership agrees to pay, in full, any and all taxes of whatever kind which results from the use and/or operation of any restaurant(s) to be located on or within the Premises.

ARTICLE XI **PERSONAL PROPERTY**

All non-fixtures (that is, for example, batting cages, pitching machines, office furniture) placed or moved upon the Premises by the Partnership or the Affiliates and owned by the Partnership or the Affiliates prior to such placement or movement shall continue to be owned and used by the Partnership or the Affiliates at their risk; provided that TSA shall be liable for any damage or injuries caused to or by such non-fixtures as a result of the negligent handling or use of such non-fixtures by TSA or its employees, agents, or invitees. The Partnership and the Affiliates shall have the exclusive use of such personal property which upon expiration of this Agreement shall remain the personal property of the Partnership or Affiliates.

ARTICLE XII **INDEMNIFICATION**

12.1 Indemnification by TSA. TSA agrees, to the extent permitted by the Florida Constitution and subject to the limits provided for in Section 768.28, Florida Statutes, to indemnify, defend, and hold harmless the Partnership, its

general and limited partners, its officers, employees and agents, successors, and assigns (each an "Indemnitee") from and against, and to reimburse such Indemnitee with respect to, any and all losses, damages, liabilities, costs, or expenses (including reasonable attorneys' and professionals' fees and disbursements) solely and directly arising out of or resulting from any negligent act or willful misconduct of TSA, its officers, employees, or agents done in the performance of this Agreement or the default of any provision hereof.

12.2 Indemnification by Partnership. The Partnership agrees to indemnify and hold harmless TSA and the County, their officers, agents and employees against any and all damages, claims, losses, liabilities and expenses (including, but not limited to, reasonable legal fees and disbursements including reasonable legal fees to enforce this indemnification) caused by, in connection with or arising out of or resulting from any negligent act or willful misconduct of the Partnership or its partners, employees, officers or agents done in the performance of this Agreement or the default of any provisions hereof.

12.3 Limitation on Tort Liability. Notwithstanding the foregoing provisions, the indemnity obligations of TSA and the Partnership under this Article XII as they relate to the amount of damages claimed by a third party are limited to available insurance coverages with respect to personal injury tort liability claims so long as such insurance coverages are maintained in accordance with this Agreement.

ARTICLE XIII **DAMAGE BY FIRE OR OTHER CASUALTY**

13.1 Repair or Termination. If the Premises or a portion thereof at any time during the Term of this Agreement is damaged by fire or other casualty not

caused by acts or omissions of the Partnership, its agents, or employees, and if such fire or other casualty renders the Premises, or any portion thereof untenable or unusable for the purposes for which they were designed and intended for a period exceeding 180 days, then the Partnership may terminate this Agreement, and the Parties shall thereupon be relieved of any further obligations under this Agreement. If the Partnership does not exercise its option to terminate this Agreement, TSA at its expense shall repair the damage out of insurance proceeds and any other funds it has available for such purpose so as to restore the Premises to substantially their condition immediately prior to such fire or other casualty, in accordance with then existing laws, ordinances, building codes and other governmental regulations or restrictions. TSA shall cause such repairs and restoration to commence promptly and to proceed diligently to completion, subject to reasonable delays beyond its control. The provisions of Article 14.12 hereof shall apply in either the event of termination or non-termination.

13.2 Payments Not Abated. During any period beginning with the occurrence of any damage or destruction by fire or other casualty which renders any part of the Premises untenable or unusable for the purposes for which they were designed and intended and ending upon completion of the work of repair and restoration, the payments to TSA and the County under Article IV of this Agreement shall not be abated, it being understood by the Partnership that it may fund such payments from the proceeds of the insurance required under Article XIV hereof. Further during such period, the other obligations of the Parties under this Agreement shall be suspended to an extent appropriate in light of the part, if any, of the Premises being used by the Partnership.

ARTICLE XIV **INSURANCE**

14.1 General Application. Throughout the Term of this Agreement, the Partnership shall provide, pay for, and maintain with insurance companies satisfactory to TSA the insurance coverages and limits required of it in this Agreement. TSA will also, during the Term of this Agreement, provide, pay for, and maintain with insurance companies satisfactory to the Partnership the insurance coverages and limits required of it in this Agreement.

14.2 Additional Insureds. The Partnership shall have TSA and County endorsed to all its Liability Policies, other than its Workers' Compensation and Employer's Liability Coverage, as additional insureds for Partnership operations under this Agreement. TSA will have the Partnership and County endorsed to all its Liability Policies, other than its Workers' Compensation and Employer's Liability Coverage, as additional insureds for TSA operations under this Agreement.

14.3 Waiver of Subrogation. Under all Property Insurance Policies, the Partnership shall have its insurance companies waive their rights of subrogation against TSA, and TSA shall have its Property Insurance companies waive their rights of subrogation against the Partnership.

14.4 Certificates of Insurance. Certificates of Insurance (the "Certificates") evidencing the insurance coverages and limits required in this Agreement shall be provided to each Party by the other. The Certificates shall be executed by an authorized representative of the insurance companies shown on the Certificates with written proof for each insurance company that he/she is their authorized representative and authorized to execute the Certificate on their behalf. TSA and

County have their own Certificates that must be used for this purpose. A certified, true, and exact copy of the insurance policies required by this Agreement will be accepted in place of a Certificate if properly endorsed to cover the Insurance Requirements herein. Within ten (10) days prior to expiration of existing policies, each Party shall provide the other Parties with a replacement Certificate.

14.5 Notice of Cancellation. The Parties shall provide the other Parties at least thirty (30) days written notice of cancellation by certified or registered mail.

14.6 Commercial General Liability Insurance (Partnership). Partnership shall maintain Commercial General Liability Insurance including, but not limited to: Premises & Operations, Personal & Advertising Injury, Contractual Liability, Independent Contractors, Products-Completed Operations, and Liquor Liability Coverages and shall not exclude the Explosion, Collapse, and Underground Property Damages Liability Coverages. Coverage limits shall not be less than Five Million dollars (\$5,000,000.00) combined Bodily Injury, Personal Injury, and Property Damage per occurrence and Five Million dollars (\$5,000,000.00) in the aggregate. In addition, either as part of the Commercial General Liability policy or as a separate policy, Partnership shall maintain business interruption or loss coverage with coverage limits not less than Five Million dollars (\$5,000,000.00).

14.7 Commercial General Liability Insurance (TSA). TSA shall maintain the same Commercial General Liability Insurance as provided in Section 14.6 above, except for the Liquor Liability Coverages.

14.8 Workers' Compensation and Employer's Liability Insurance. Throughout the Term of this Agreement, the Partnership and TSA shall maintain Workers' Compensation Insurance as required by Florida laws and Employer's Liability Insurance with limits of not less than:

Limit Each Accident	\$1,000,000.00
Limit Disease Aggregate	\$1,000,000.00
Limit Disease Each Employee	\$1,000,000.00

14.9 Business Automobile Insurance. Throughout the Term of this Agreement, the Partnership and TSA shall maintain Automobile Liability Insurance for all of their owned, non-owned, or hired vehicles to be used in the performance of this Agreement according to Florida laws, with a combined single limit for Bodily Injury and Property Damage of not less than:

Combined Single Limit Each Accident	\$1,000,000.00
-------------------------------------	----------------

14.10 Builder's Risk and Other Insurance. Prior to the commencement of any construction on the Premises by either TSA or the Partnership, the Party causing the construction will obtain Builder's Risk insurance in the amount of the construction cost of the improvements and will cause the other Party and the County to be named as additional insureds. A Certificate shall be filed with the other Parties prior to the commencement of construction.

14.11 Payment and Performance Bonds. Prior to commencement of any construction on the Premises, the Party causing the construction will furnish to the other Parties a copy of a payment and performance bond acceptable to the other Parties, issued by a surety company authorized to do business in Florida, naming the other Parties as dual or co-obligees, in the amount of the construction cost.

14.12 Fire & Allied Property Insurance. Throughout the Term of this Agreement, the Partnership shall at its expense insure at replacement cost, including debris removal and building and ordinance coverages, the Premises

against loss or damage by or from, but not limited to, the following causes of loss: fire, lightning, windstorm, hail, riot, riot attending a strike; civil commotion, explosion, smoke, aircraft, vehicles, vandalism and malicious mischief, flood and earthquake. Any deductible must be agreed to in writing by TSA. The County and TSA shall be named as additional insureds. A Certificate shall be provided to TSA and the County evidencing the required coverages. If the Partnership elects to terminate this Agreement pursuant to Article XIII above, TSA and the County shall be entitled to insurance proceeds up to the amount necessary to pay the Bond Repayment (hereinafter defined); otherwise, if the Partnership does not elect to terminate this Agreement, said insurance proceeds shall be used to rebuild the Improvements. Any insurance proceeds remaining after payment of the Bond Repayment or after rebuilding the Improvements shall belong solely to the Partnership.

14.13 Boiler & Machinery Insurance. Throughout the Term of this Agreement, the Partnership shall at its expense, insure the repair or replacement value on a Comprehensive Boiler and Machinery Policy, against loss, damage, or breakdown of the following machinery and equipment, contained in the Premises or outside if servicing such Premises: steam boilers, steam and water pipes, steam engines, and other steam pressure vessels and all electric and lighting systems including transformers, scoreboards, and miscellaneous electrical apparatus. The Partnership, County and TSA shall be named as additional insureds with rights to 45 days notice of intent to cancel. A Certificate shall be provided to TSA and the County evidencing the required coverages.

14.14 Pedestrian Walk Over. It shall be TSA's responsibility to obtain Liability and Property Insurance Coverage for the entire Pedestrian Walk Over either as part of its overall insurance program or through a specific insurance

program for the Pedestrian Walk Over. Partnership shall reimburse TSA for fifty percent (50%) of the premium cost and any deductible or self insurance paid by TSA. If, however, the Partnership elects, in its sole discretion, to assume responsibility for providing such insurance coverage, which coverage must be acceptable to TSA, then TSA shall reimburse Partnership with respect to fifty percent (50%) of the premium cost of such insurance and of any deductible or self insurance paid by Partnership within fifteen (15) days after the Partnership provides TSA with a written request for payment of the same. The Partnership, County and TSA shall be named as additional insureds with respect to such insurance with rights to 45 days notice of intent to cancel. A Certificate shall be provided to the Parties evidencing the coverage required in this paragraph.

ARTICLE XV **BREACH OR DEFAULT**

15.1 Breach or Default. The failure or refusal by any Party to abide by any obligation, duty, covenant, or agreement set forth herein shall constitute a breach or default of this Agreement.

15.2 Notice of Default and Opportunity to Cure. In the event there is a breach or default under this Agreement by a Party, including a failure on its part once or repeatedly to perform any of its obligations, duties, covenants, agreements, or conditions hereunder, the breaching Party agrees to expeditiously remedy such breach or default. If such breach or default continues for a reasonable period of time, not to exceed five (5) business days, after service by the non-breaching Party of written notice of the breach or default (provided, that a repeated breach of the same obligations, duty, covenant, agreement, or condition shall eliminate the cure period and be cause for immediate remedy), the non-breaching Party may, at its sole election, either: (i) thereafter remedy such breach or default and the breaching

Party shall make reimbursement for the cost thereof within fifteen (15) days of receipt by the breaching Party of billing for the same, (ii) pursue damages or injunctive relief for such breach or default, or (iii) with respect to a material breach or material default for which an action for damages or injunctive relief would not be a sufficient remedy, terminate this Agreement for such "cause". The above five (5) day cure period may be extended for events not curable with a five (5) day period so long as the Party effectuating the cure is diligently pursuing the same and has a reasonable chance of succeeding; provided that in no event shall such extended cure period continue for more than thirty (30) additional days, or such longer period as the Parties shall agree.

15.3 Remedies. Except as expressly provided for in this Subsection 15.3, the specified remedies to which the Parties may resort under the terms of this Agreement are cumulative and not intended to be exclusive of any other remedies or means of redress to which they may be lawfully entitled in case of any breach or default or threatened breach or default by any Party to this Agreement. With respect only to a breach or default by the Partnership resulting from a relocation of the Yankees from the Premises prior to the expiration of the Term for any reason (a "Relocation"), TSA and the County shall be entitled to all available remedies, at law or equity, including injunctive relief, until such time as the Partnership has paid the three (3) monetary amounts as described in this Section 15.3. First, the Partnership shall immediately remit to TSA or the County, as the case may be, an amount sufficient to repay the then outstanding principal balance of the Bonds, including interest and redemption premiums to the nearest call date, together with all fees and expenses incidental thereto (the "Bond Repayment"). Second, the Partnership shall immediately reimburse the State of Florida for any state funds expended on the Premises pursuant to the Facility Renovation Agreement in

accordance with, and only to the extent required by, Section 288.11631(2)(a)2, Florida Statutes (the "State Reimbursement"); it being the intention of the Parties that the State Reimbursement shall not result in a double payment or windfall to County or TSA. Third, the Partnership shall adequately compensate TSA and the County for the actual damages resulting from the Relocation. In connection with the payment of the third monetary amount, the Parties agree that separate and apart from the Bond Repayment and the State Reimbursement, the actual damages to TSA and the County resulting from a Relocation will be difficult or impossible to ascertain; therefore, in lieu of actual damages, the Partnership shall immediately remit to TSA or the County, as directed by TSA, fixed and agreed upon liquidated damages in an amount equal to the product of Five Hundred Thousand Dollars (\$500,000) times the number of years or fraction thereof remaining in the Term. It is acknowledged and agreed by the Parties that the amounts payable under this Section 15.3 shall, in no event, be considered as a penalty or otherwise than as liquidated damages to TSA and the County because of a Relocation. Upon full and timely payment of the three (3) monetary amounts set forth above in this Section 15.3, the Partnership's breach and default due to a Relocation shall be deemed cured and this Agreement shall be deemed terminated. Further, upon such termination, all rights, entitlements and privileges of the Partnership relating to the GMS Facility, this Agreement or the Joint Use and Maintenance Agreement shall become null and void. The Parties acknowledge that a relocation of the Yankees from the Premises prior to the expiration of the Term as a result of (i) the Partnership's termination of this Agreement for cause as provided for in Section 15.2, (ii) the Partnership's termination of this Agreement in accordance with Section 13.1, (iii) the termination of this Agreement by operation of Section 20.2, or (iv) the Partnership's termination of this Agreement in accordance with Section 20.3, shall not constitute a breach or default by Partnership under this Agreement.

15.4 No Termination During Spring Training. Notwithstanding any provision of this Agreement to the contrary, neither TSA nor County may, as a result of a breach or default by Partnership, terminate this Agreement before the 10th day after the last day of Spring Training occurring in the calendar year during which the right to terminate is invoked by TSA or the County.

ARTICLE XVI
NON-RECOURSE (NO LIABILITY FOR PARTNERS)

No partner of the Partnership, including but not limited to any general partner and the managing general partner, shall have any personal liability with respect to the Partnership's obligations hereunder by reason of his, her, or its status as partner. This Article XVI shall not apply, however, and shall be rendered null and void in the event either (i) fifty percent (50%) or more of the Yankees is sold or otherwise transferred by the Partnership to an unrelated third party not approved by TSA and the County, as provided in section 24.17 below, or (ii) upon such sale or transfer of the Yankees to a party not approved by TSA and the County, the Partnership does not provide TSA and the County a cash bond or similar cash security acceptable to TSA and the County Administrator in the amount necessary to make the Bond Repayment, to secure the Partnership's obligations set forth in Article 15.3 above.

ARTICLE XVII
RIGHT OF FIRST REFUSAL

As a material inducement for the Partnership entering into this Agreement, and to the extent permitted by Section 125.35 Florida Statutes, or other applicable law, as amended from time to time, TSA and County hereby grant to Partnership a right of first refusal to purchase the Premises (including the Improvements,

fixtures, and Land) from County, to the extent allowable by law. The term of the right of first refusal shall be equivalent to the Term, plus six (6) months thereafter. Before accepting any written offers to purchase the Premises or any portion thereof, County shall deliver to Partnership a written copy or recitation of said offer. Before listing or notifying any realtor, broker, salesman, or any other third party of County's intent to sell the Premises or any portion thereof, or before notifying any such party of the terms of such intended sale, County shall deliver written notice of such intent to sell, together with the terms of the sale to Partnership. Upon receipt of either the offer to purchase or the notice of intent to sell, Partnership shall have sixty (60) days from the date of receipt thereof to either duplicate in writing the offer to purchase or to accept in writing the terms of the sale expressed in the written intent to sell. Nothing provided for herein shall preclude the County and the Partnership from modifying by mutual agreement either the offer to purchase or notice of intent to sell, as the case may be.

In the event Partnership accepts such offer to purchase or such terms of sale, the Premises or portion thereof shall be sold or conveyed to Partnership upon such terms. If Partnership does not timely accept such offer to purchase or terms of sale, County shall be free to consummate thereafter the offer or sale on the terms disclosed to Partnership without re-offering the same to Partnership, so long as County enters into a binding contract within ninety (90) days after the notice to Partnership and consummates the transaction within one hundred eighty (180) days following such ninety (90) day period. If a binding contract is not entered into and the transaction is not consummated within the respective ninety (90) day and one hundred eighty (180) day time periods, County may not sell the Premises or any portion thereof without first offering it to Partnership in accordance with the terms of this section.

To the extent that any portion of the Premises is lawfully sold to a third party in accordance with this Article, then Partnership's right of first refusal with respect to that portion of the Premise shall terminate, but shall continue in full force and effect with respect to any remaining unsold portion of the Premises, and this Agreement shall continue in full force and effect regardless. A notice of the Partnership's right of first refusal shall be incorporated into the Memorandum of Agreement to be recorded pursuant to Section 24.16 below.

ARTICLE XVIII
BOOKS, RECORDS, AND AUDITS

The Partnership and TSA shall keep and maintain accurate records and complete books of account detailing all contracts, warranties, reports, studies, correspondence and expenditures for all maintenance, repair, capital improvements and capital repairs conducted in connection with the Premises. Such books and records shall be preserved for a period of no less than seven (7) years. The covenants contained in this Article shall survive the conclusion of the Term. Such books and records shall be available and produced for inspection and audits upon the reasonable request of any Party to this Agreement, and reviewed by the requesting Party and any of its agents or employees designated and authorized to conduct such audits or inspections.

ARTICLE XIX
SIGNAGE, GRAPHICS, AND COLOR SCHEMES

It is agreed by the parties that during the Term of this Agreement all signage, graphics, color schemes, etc., within or on the Stadium shall be consistent with the team colors of the Yankees and the Affiliates (collectively, the "Teams"). These logos and similar identifying insignia of the Teams and, at Partnership's election,

the logo or insignia of other teams using the Stadium, may be prominently displayed on, in, and/or about the Stadium. Working personnel (regardless of by whom employed) in or about the Stadium, including ticket takers, ushers, food and beverage vendors, parking attendants, and other personnel who are visible to the public and employed in the operation of the Stadium shall generally wear uniforms, the cost of which shall be borne by Partnership solely and such uniforms shall be approved by Partnership.

Partnership shall have the right to erect any and all manner of signs, placards, billboards, insignias, marquees, advertisements, signboards, banners, or other sort of signage within the Stadium structure. Additionally, TSA shall permit and allow Partnership to construct, operate, and maintain on the Premises informational signs and marquees for the announcement of games, events, and other activities at the Stadium, and which may also include commercial advertising; provided, however, that TSA shall have the right to discuss with Partnership the removal of any signage, but the final decision to remove such signage shall be at the Partnership's sole election.

ARTICLE XX **CONDEMNATION**

20.1 Proportionate Interests of the Parties. TSA, County, and Partnership agree and acknowledge that the interests of the respective Parties, and their rights hereunder, constitute a valuable property interest which would be affected adversely by any condemnation or other exercise of the power of eminent domain by any governmental authority, or person, firm or corporation acting under governmental authority, or by agreement in lieu thereof, and that nothing in this Agreement shall be construed as a waiver by any Party of any claim that such Party may have for damage against any condemnor exercising such power of eminent

domain. In the event of any taking of a part or all of the Premises by condemnation or other exercise of the power of eminent domain, whether such taking is absolute or for a limited period, the condemnation award, or the amount agreed upon in lieu of an award of condemnation, shall be equitably apportioned between TSA, County and Partnership, subject to Articles 20.3 and 20.5 below, so that TSA, County and the Partnership receive the value of their interest in the Premises and in any improvements thereof; provided however, that any condemnation proceeds received for or resulting from the exercise of eminent domain powers over the Premises shall be equitably apportioned after the Bond Repayment is first paid from such proceeds.

20.2 Termination Upon Complete Taking. If all of the Premises are so taken, this Agreement shall terminate as of the date of taking.

20.3 Termination Upon Partial Taking. If a substantial portion of the Premises is so taken so that the continued use and operation of the Stadium by Partnership is thereafter no longer economically prudent as determined by Partnership, then Partnership, upon written notice to TSA and County and delivered within sixty (60) days after such taking, may terminate this Agreement. Any partial condemnation proceeds shall be equitably apportioned between the Parties, provided, however, if the Partnership elects to terminate this Agreement, the Partnership shall use that portion of its share of the condemnation proceeds to either demolish the Stadium and restore it to its prior condition or pay to TSA, upon its written request, the sums that the Partnership would otherwise be obligated to pay for such purposes in accordance with this Article 20.3, which option TSA shall exercise in writing in its sole discretion.

20.4 Continuation Upon Partial Taking. If a lesser portion of the Premises is so taken, such that continued use and operation of the Stadium by Partnership is economically prudent, as determined by Partnership, then, unless all Parties otherwise agree, this Agreement shall continue in full force and effect, except that the fees provided in Article IV hereof shall be reduced in the equitable proportion which the area taken shall bear to the entire Premises only to the extent not compensated through Business Interruption Insurance or other coverage required under Article XIV hereof. In such event, the Partnership shall continue to perform and observe all of its obligations hereunder as though such taking had not occurred, except to the extent that it may be prevented from so doing by reason of such taking. Any condemnation proceeds shall be equitably apportioned between the Parties as provided in Article 20.1 above after the Bond Repayment is first paid from such proceeds.

20.5 Adequate Compensation. TSA and the Partnership agree that the equitable apportionment of any condemnation proceeds described in Article 20.1, 20.3 and 20.4 of this Agreement fairly, equitably, and adequately compensate the Partnership for the value of its interest in the Premises, or any portion thereof condemned or taken, including but not limited to the value of the Partnership's rights, as provided in this Agreement, to the use of the Improvements located on the Premises being condemned.

20.6 Formal Contest. It is understood that the foregoing provisions of this Article shall not, in any way, restrict the right of TSA, County, or Partnership to appeal the award made by any court or other public agency in any condemnation proceedings.

ARTICLE XXI
CONSENT OR APPROVAL NOT TO BE UNREASONABLY WITHHELD

Except as otherwise provided in Article 2.4 above, whenever consent, agreement or approval is required in this Agreement of any Party, the same shall not be unreasonably withheld or delayed, and no unreasonable condition shall be imposed upon the granting of such consent, agreement or approval.

ARTICLE XXII
RELATIONSHIP BETWEEN THE PARTIES

The relationship between the Parties created by this Agreement shall at all times be considered that of licensor and licensee. TSA and the County are neither joint venturers with nor partners, associates or agents of Partnership with respect to any matter provided for in this Agreement, nor is Partnership a joint venturer with or partner, associate or agent of TSA or the County. Nothing herein contained shall be construed to create any such relationship between the Parties.

ARTICLE XXIII
ENVIRONMENTAL PROVISIONS

23.1 Definitions. For purposes of this Article, the following capitalized terms shall have meanings as follows:

- (a) "Hazardous Substances" shall mean any hazardous or toxic substances, materials, wastes, pollutants, or contaminants as defined, listed or regulated, now or in the future, by any federal, state, or local law, rule, regulation, or order or by common law decisions, including, without limitation, trichloroethylene, tetrachloroethylene, perchloroethylene, and other chlorinated solvents; petroleum products or by-products, asbestos, and polychlorinated biphenyl.

(b) "Applicable Laws" shall include, but shall not be limited to, Comprehensive Environmental Response Compensation and Liability Act; the Resource Conservation and Recovery Act; the Federal Water Pollution Control Act, 33 U.S.C. (1251 et seq); and the Clean Air Act, 42 U.S.C. (7401 et seq); all as may be amended from time to time, together with the rules and regulations promulgated thereunder, and together with any other federal, state, or local laws, rules or regulations, whether currently in existence or hereafter enacted or promulgated, that govern or relate to: (i) the protection of the environment from spilled, deposited, or otherwise emplaced contamination or the existence, cleanup, or remedy of such contamination; (ii) Hazardous Substances or the storage, use, generation, discharge, treatment, removal, recovery, transportation, or disposal of Hazardous Substances.

23.2 TSA's Obligations. TSA represents and warrants that to the best of its knowledge there are no Hazardous Substances on, in, or under the Premises and TSA has never received any notice, letter or communication (written or otherwise) indicating that the Premises contains, or is likely to contain Hazardous Substances or that any Applicable Laws have ever been violated. TSA shall be fully responsible for any violation or alleged violation of Applicable Laws or regulations occurring prior to the date the Partnership initially accepted possession of the Improvements and agrees to indemnify and hold harmless the Partnership, including the Partnership's partners, directors, officers, employees, agents, successors, and assigns, from any loss or damage arising out of any violation or alleged violation of Applicable Laws or regulations existing as of the date the Partnership initially accepted possession of the Improvements.

23.3 Partnership's Obligations. Partnership shall not cause or permit the presence, use, generation, release, discharge, storage, transportation, or disposal of any Hazardous Substances, on, under, in, about, to or from the Premises except for those Hazardous Substances, if any, necessary to carry on Partnership's intended use as herein permitted, if used and disposed of strictly in accordance with Applicable Laws, guidelines issued by any national or regional board of insurance underwriters, and prudent standards of practice. The Partnership shall be fully responsible for any violation or alleged violation of Applicable Laws or regulations and agrees to indemnify and hold harmless TSA, the County and their officers, directors, agents and employees from any loss or damage arising out of any violation or alleged violation of Applicable Laws or regulations caused by the Partnership from the date the Partnership initially accepted possession of the Improvements through the Termination Date.

ARTICLE XXIV **MISCELLANEOUS**

24.1 Title to Premises; Sale of Premises. TSA and County agree that there are not and will not be any mortgages, liens, easements, or leases affecting title to the Premises that would adversely affect the Partnership's continued use of the Premises and/or the Partnership's rights under this Agreement. In the event of a sale or conveyance of the Premises, this Agreement shall not be affected by any such sale, and the purchaser shall take title subject to this Agreement.

24.2 Authority; Binding Effect. Each Party represents and warrants to the other Parties that (i) such Party has full right and authority to execute this Agreement and to consummate the transactions herein described and (ii) upon the execution hereof, this Agreement shall constitute the legally binding agreement

and obligation of such Party, enforceable in accordance with its terms, to the extent allowed by law.

24.3 Force Majeure. Upon the occurrence of any event, matter or condition beyond the reasonable control of TSA, Partnership and/or the County, including, but not limited to, war, public emergency, calamity, fire, flood, earthquake, hurricane, strike, Act of God, actions of other governmental units or operation of any applicable law, governmental rule or regulation, or court decision, then any obligation of a Party which cannot be completed as a result, will be extended to the extent commensurate with such interfering occurrence, and no damages shall apply as a result of such delay.

24.4 Partnership Rights. Notwithstanding anything to the contrary set forth herein, the Partnership shall have an absolute and continuing right to make non-structural, aesthetic, and/or cosmetic improvements, alterations, and additions to the Premises at anytime and at its own expense. With regard to structural improvements (i.e., permitted projects), such projects shall be provided by Partnership in writing to the TSA, which shall be subject to prior written approval by TSA. Partnership shall provide to TSA all requested plans and specifications for such structural improvements upon request and shall grant to TSA the right to inspect said construction at all reasonable times.

24.5 Third Party Beneficiary. Nothing contained in this Agreement shall give rise to, nor shall be deemed to or construed so as to, confer any rights on any other person or entity as a third party beneficiary as against the Partnership, TSA or the County, or create any privity or other relationship between any other person or entity and the Partnership, TSA or County.

24.6 Further Assurances. Each Party shall, without charge, at any time and from time to time hereafter, within ten (10) days after written request of any other Party, certify by written instrument duly executed and acknowledged to any person or entity specified in such request:

(a) As to whether this Agreement has been supplemented or amended, and, if so, the substance and manner of such supplement or amendment;

(b) As to the validity and force and effect of this Agreement and the existence of any default hereunder;

(c) As to the existence of any off-sets, counterclaims or defenses thereto on the part of such other party; and

(d) As to the commencement and expiration dates of the Term of this Agreement, and as to any other matters as may reasonably be so requested.

Any such certificate may be relied upon by the party who requested it and any other person, firm, or corporation to whom the same may be exhibited or delivered, and the contents of such certificate shall be binding on the Party executing same.

24.7 Disputes/Attorneys' Fees. In the event of a dispute arising under this Agreement, for which a lawsuit or other proceeding is filed, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and costs, including attorneys' fees and costs incurred in litigating entitlement to attorneys' fees and costs, as well as in determining or quantifying the amount of recoverable attorneys' fees and costs. The reasonable costs to which the prevailing Party is entitled shall

include any costs that are taxable under any applicable statute, rule, or guideline, as well as any non-taxable costs reasonably incurred in connection with the dispute, including, but not limited to, costs of investigation, copying, electronic discovery, information technology charges, telephone and mailing costs, consultant and expert witness fees, travel expenses, court reporter fees and transcript charges, and mediator fees, regardless of whether such costs would be otherwise taxable.

24.8 Real Estate Broker. Each Party represents and warrants that neither they nor any of their representatives, employees, or agents have dealt with or consulted any real estate broker in connection with this Agreement. Without limiting the effect of the foregoing, each Party agrees to indemnify and hold the others harmless against any claim or demand made by a real estate broker or agents claiming to have dealt or consulted with them or any of their representatives, employees, or agents contrary to the foregoing representations and warranty.

24.9 Nonwaiver. The waiver by any Party of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition on any subsequent breach of the same or any other term, covenant, or condition contained in this Agreement. The subsequent acceptance of fees by the TSA and/or County shall not be deemed to be a waiver of any preceding breach by the Partnership of any term, covenant, or condition of this Agreement.

24.10 Notices. All notices provided for in this Agreement shall be hand delivered or sent by registered or certified mail to the Parties, return receipt requested, at the addresses set forth below or at such other addresses as the Parties shall designate to each other in writing:

Any such notice, demand, or document not given, delivered or made by registered or certified mail as aforesaid shall be deemed to be given, delivered or made upon receipt of the same by the party to whom the same is to be given, delivered or made.

The Parties may from time to time notify the other of changes with respect to whom and where notices should be sent by sending notification of such changes pursuant to this Article.

24.11 Captions. Captions of each article are added as a matter of convenience only and shall be considered to be of no effect in the construction of any provision or provisions of this Agreement.

24.12 Time. Time is of the essence of this Agreement and each and all of the provisions. Except as otherwise provided herein, days shall be defined as calendar days. Any obligation for performance by any party shall be delayed if the date for said performance falls on a weekend and/or holiday, in which event the party shall perform on the following day.

24.13 Cumulative Remedies. All of the rights, powers and privileges conferred by this Agreement upon the Parties shall be cumulative and in addition to those otherwise provided by law and shall not be deemed to preclude those rights and remedies provided by law.

24.14 Entire Agreement and Modification. Except as provided in this Article, this Agreement contains the entire agreement of the Parties pertaining to the Premises, supersedes all prior agreements pertaining thereto, and no representations, inducements, promises or agreements, oral or otherwise between the Parties not embodied in this instrument shall be of any force or effect. No

amendment, modification or variation of this Agreement or any of its terms or provisions shall be effectual, binding or valid unless and until the same is reduced to writing and executed by all Parties, and consented to by the Tampa City Council and the Mayor of the City of Tampa, and unless and until the term of the Joint Use and Maintenance Agreement is amended to expire on December 31, 2046.

24.15 Most Favorable Treatment. The Parties recognize that each future contract between TSA and/or the County and a person, entity or group for the use of TSA's and/or the County's property and/or facilities will be unique and designed to accomplish a distinct and discrete goal, and that a typical most favored treatment provision in this Agreement would be impractical and difficult to interpret or enforce.

However, the Parties are in accord with the notion that neither TSA nor the County shall knowingly provide in a future agreement or arrangement with another professional baseball franchise a material term or condition relating to a spring training facility that benefits such other baseball franchise when that same term or condition has been denied the Partnership. TSA and the County will use their best efforts in all future negotiations to avoid such terms.

Furthermore, the Parties are in accord with the notion that, if any other person, entity or group making use of property or facilities as a sport-oriented coliseum, arena, stadium or the like, shall in the future be accorded immunity, exemption or contractual release from ad valorem taxation by virtue of action taken by or agreement of the County or TSA, directly or indirectly, the parties will amend this Agreement to the extent permissible and in a manner which will not frustrate the intention of the Parties hereunder, to achieve comparable benefits or like exemption of the Partnership or the Premises from such taxation.

Furthermore, in the event County or TSA, in the future, specifically provides for the payment by County or TSA of ad valorem taxes in a contract with any other person, entity, or group which will make use of property or facilities as a sports-oriented coliseum, arena, stadium or the like, which is more favorable with respect to the percentage of reimbursement for the payment of taxes and/or credits, than the terms and conditions of this Agreement, this Agreement will be amended by the Parties to include a similar provision for the benefit of Partnership.

24.16 Recording. Within 30 days following the Effective Date the Parties shall record a Memorandum of Agreement, in a form acceptable to all Parties, in the Public Records of Hillsborough County, Florida.

24.17 Successors and Assigns. This Agreement is not assignable by any Party without the express written consent of the other Parties. Any transferee of the Partnership's rights hereunder shall specifically assume the Partnership's obligations under this Agreement as a condition to such assignment and the consent of TSA and the County. The covenants and conditions herein contained shall, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators, and assigns of the Parties hereto.

24.18 Right of Peaceable Possession. Subject to rights given TSA and the County herein, Partnership, upon the performance by Partnership of all the conditions herein set forth on the part of Partnership to be kept and performed, may quietly have, hold, occupy, and use the Premises without interruption by TSA, County, or by any other person or entity claiming by, through or under TSA or County, and TSA agrees to indemnify, defend, and hold the Partnership harmless from and against any and all claims of such other persons or entities.

24.19 Effective Date. The Parties acknowledge that this Agreement shall be effective on the date upon which all of the following conditions have been satisfied: (a) this Agreement has been consented to by the Tampa City Council and the Mayor of the City of Tampa; (b) this Agreement has been approved and executed by each of the Parties; (c) the Amended and Restated Himes Facility License Agreement has been approved by the Hillsborough County Aviation Authority, and approved and executed by each of the Parties; (d) the term of the Joint Use and Maintenance Agreement has been amended by the parties thereto to coincide with the Term; (e) the Certification as described in Section 14.A of the Facility Renovation Agreement has occurred, unless the Partnership exercises the right provided in said Section 14.A, and (f) the Facility Renovation Agreement has been approved and executed by each of the Parties. The foregoing notwithstanding, in the event that all of the foregoing conditions have not been satisfied by September 1, 2016, or such later date as provided in Section 14.A of the Facility Renovation Agreement, then this Agreement shall not become effective and shall be null and void.

24.20 Counterparts. This Agreement may be executed in more than one counterpart, each of which shall be deemed an original.

24.21 TSA as Operator/Lessor. The County, as owner of the Premises, does hereby appoint TSA as Operator and Manager of the Premises and all Improvements thereon. As such, TSA is hereby authorized and delegated all authority, on behalf of the County, to license, manage and control the Premises, take all action to protect and preserve the Premises, enforce this Agreement and exercise all powers with respect to the Premises as granted or authorized by Chapter 96-520, Florida Statutes, as amended from time to time.

24.22 Luxury Suite Agreement Reaffirmed. The Parties do hereby confirm and ratify that certain Luxury Suite Agreement by and between Partnership and TSA dated February 1, 1996 and further agree that the Term thereof shall be co-extensive with this Agreement.

24.23 Governing Law and Dispute Resolution. This Agreement shall be governed and enforced in accordance with the laws of the State of Florida. Any dispute arising out of or relating to this Agreement shall be resolved by a state court of appropriate jurisdiction in Hillsborough County, Florida, it being agreed hereby that both venue and jurisdiction are appropriate in said state courts.

24.24 Compliance with Section 288.11631, Florida Statutes. Partnership and TSA or the County, as appropriate, shall each, in connection with an application for certification and funding pursuant to Section 288.11631, Florida Statutes, take all actions and do all things reasonably necessary to comply with said statute, including but not limited to:

(a) meeting the requirements for certification under Section 288.11631(2), including, if necessary, the amendment of this Agreement and/or the Facility Renovation Agreement;

(b) enter into an agreement with the State of Florida Department of Economic Opportunity fully complying with all requirements of Section 288.11631(2)(c);

(c) submit all reports and do all things required by Section 288.11631 subsequent to certification.

24.25 Compliance with Hillsborough County Human Rights Ordinance; Equal Opportunity Clause. Partnership shall comply with: (i) Hillsborough

County, Florida – Code of Ordinances and Laws, Part A, Chapter 30, Article II (Hillsborough County Human Rights Ordinance), as amended, which prohibits illegal discrimination on the basis of actual or perceived race, color, sex, age, religion, national origin, disability, marital status, sexual orientation, or gender identity or expression, in employment, public accommodations, real estate transactions and practices, County contracting and procurement activities, and credit extension practices; and (ii) the requirements of all applicable federal, state and local laws, rules, regulations, ordinances and executive orders prohibiting and/or relating to discrimination, as amended and supplemented, which laws, rules, regulations, ordinances and executive orders are incorporated herein by reference.

24.26 Rules and Regulations. Notwithstanding any other provision of this Agreement and except as provided for in this Section 24.26, this Agreement and any rights or exclusivities granted by the Partnership hereunder shall in all respects be subordinate to the MLB Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. In the event that any act or omission of the Partnership to comply with the MLB Rules and Regulations affects the rights of TSA or the County under this Agreement or deprives the TSA or County of any benefit of this Agreement, the Parties will amend the terms of this Agreement to neutralize any effect of the MLB Rule or Regulation on the TSA or County. The Partnership agrees in any event that if compliance by it with MLB Rules and Regulations results in a failure of the Partnership to fulfill any obligation under this Agreement, such failure shall be considered a breach or default by the Partnership of this Agreement and TSA or County may exercise all remedies as provided for in Article 15.3 of this Agreement.

24.27 Conformity with Rules. The Partnership represents and warrants that, to the best of its knowledge, the execution, delivery and performance by the Partnership of this Agreement does not violate any provision of the MLB Rules and Regulations including, but not limited to, specifically, the Major League Rules, the Professional Baseball Agreement and the Official Baseball Rules.

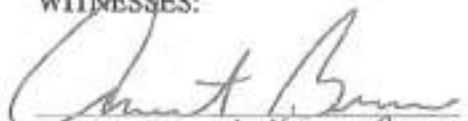

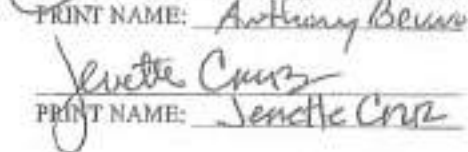

24.28 Approval of Major League Baseball. This Agreement shall not be effective until such time as all applicable MLB Approvals have been obtained, which approvals may be withheld in the sole and absolute discretion of MLB. Notwithstanding anything in the foregoing to the contrary, the Partnership represents and warrants that the only MLB Approval required for this Agreement to be effective is the receipt of a no-objection letter from the BOC.

24.29 Territory. The territory within which TSA or the County are granted rights is limited to, and nothing herein shall be construed as conferring on TSA or the County (or any other party) rights in areas outside of, the Spring Training territory of the Yankees, as established and amended from time to time pursuant to the MLB Rules and Regulations.

I. RECITALS

A. County, TSA and Partnership are parties to a License Agreement dated January 19, 1994 ("License Agreement") which, as subsequently modified, is incorporated herein by reference. A copy of the first page of the License Agreement is attached hereto as Exhibit A.

B. County and TSA are parties to a Sublease Option Agreement ("Sublease Option Agreement") with the Board of Trustees of the Internal Improvement Fund of the State of Florida, the Florida Department of Corrections and the Florida Department of Health and Rehabilitative Services (collectively the "State") dated April 17, 1994.

C. County and TSA, as Seller, and HCC, as Buyer are parties to an Agreement for the Purchase and Sale of Real Property ("Purchase Agreement") relative to the Parking Area, as defined below, dated October 12, 1995, a copy of which is attached hereto as Exhibit B and incorporated herein.

D. The real property that is the subject matter of the License Agreement and the Sublease Option Agreement, defined in the former as the HRS Site and in the latter as the Stadium Site, and referred to hereinafter as the Complex, is located on the southwest corner of North Dale Mabry Highway and Dr. Martin Luther King Blvd. in Tampa, Florida. The Complex contains the New York Yankees Baseball Complex, built pursuant to the License Agreement. The Complex contains, among other components, (i) a Community Use Field and (ii) a Parking Area of approximately 5.5 acres. Attached hereto as Exhibit C is a site plan on which the Community Use Field is shaded. Attached hereto as Exhibit D is the site plan on which the Parking Area is shaded. Attached hereto as Exhibit E is the survey and legal description of the Parking Area.

E. HCC's campus lies to the south/southwest of the Complex. The campus is joined to the Parking Area by two roads constructed or to be constructed by HCC, at its own cost, at the southeast and southwest corners of the Complex, depicted as HCC Roads A and B, respectively, on Exhibits C and D attached hereto.

F. The License Agreement contemplates the parties' execution of a Scheduling and Parking Agreement. This Joint Use and Maintenance Agreement shall serve as the Scheduling and Parking Agreement so contemplated.

County, TSA and HCC believe that it is in the best interests of and serves the public health, safety and welfare to enter into this Agreement with the Partnership, and the parties wish to enter into this Agreement for their joint and mutual use and maintenance of the Community Use Field and Parking Area during the Term of the License Agreement, as set forth therein.

II. CONSIDERATION

In consideration of the mutual grants, covenants and promises contained herein, and for other good and valuable consideration, including but not limited to HCC's payment of 5400,000.00 to TSA under the Purchase Agreement for a portion of the Improvements to the Parking Area, the receipt and sufficiency of which the parties hereby acknowledge, the parties hereby agree as follows.

III. ACCURACY OF RECITALS

The recitals set forth in Section I above are true and correct and are hereinafter incorporated throughout this Agreement by reference.

IV. TERM

The Term of this Agreement shall be concurrent with the Term of the License Agreement, except that there shall be no Interim Term. The Initial Term of this Agreement shall be for a period of thirty (30) years commencing the later of (i) January 1, 1996 or (ii) January 1 of the Partnership's first season of Major League Spring Training at the Complex. The Initial Term shall terminate on December 31 of the thirtieth (30th) year thereafter. In addition, if the Partnership renews the License Agreement in accordance therewith, the Term may be renewed, on the same terms and conditions as set forth herein, unless the parties agree otherwise in writing, for each of two (2) consecutive additional periods of five (5) years (each period referred to as a "Renewal Term") upon written notice by the Partnership to the other parties 180 days prior to the last day of the Initial Term, or the first Renewal Term, as the case may be. Absent such written notice, this Agreement shall terminate on December 31, 2025, unless otherwise terminated earlier by the parties in accordance herewith and/or the License Agreement.

V. RIGHTS AND OBLIGATIONS RELATING TO PARKING AREA, OVERFLOW PARKING AREAS

A. The Partnership has and shall have the exclusive, uninterrupted and paramount right to use, control and operate the Parking Area for games and events held at the Complex as follows:

EXHIBIT B

George M. Steinbrenner Field License Agreement

2. For all Florida State League Tampa Yankees Baseball games, except as set forth in Article V(F) below.
3. * For all other baseball games, tournaments, charities, camps, assemblies, concerts, shows and other events held at the Complex and sponsored solely by the Partnership, except as set forth in Article V(F) below.

and, except as otherwise provided in this Agreement or the License Agreement, to operate and control the uses by the TSA and HCC as set forth in Articles V (C-H) below. When used by the Partnership and/or the TSA, the Parking Area shall be considered to be part of the Stadium and sports facility.

B. The Partnership shall be entitled to receive all revenues derived from the Parking Area pursuant to and except as limited by Article IX of the License Agreement; provided, however, that the Partnership agrees not to charge HCC's patrons, faculty or students to use the Parking Area as set forth in Article V(F) below, except in connection with those games and events described in Articles V(A)(1-3) above and V(E) below.

C. TSA shall have the right to use and operate the Parking Area for all Tampa Bay Buccaneer football games held at Tampa Stadium, or at a subsequently built stadium located on the Tampa Stadium Site across North Dale Mabry Highway from the Complex, provided that such games do not conflict with the Partnership's use of the Parking Area under Article V(A)(1) above. TSA shall have the right to use and operate the Parking Area for all other games, shows, concerts and events held at Tampa Stadium, or the subsequently built stadium located on the Tampa Stadium Site across North Dale Mabry Highway from the Complex, provided that such games do not conflict with the Partnership's use of the Parking Area under Article V(A)(1-3) above or HCC's use of the Parking Area under Article V(F) below.

D. TSA shall be entitled to receive all revenues from the Parking Area for events sponsored solely by TSA at the Complex, as set forth in Article V(C) above, pursuant to and except as limited by Article IX of the License Agreement; provided, however, that TSA agrees not to charge HCC's patrons, faculty or students to use the Parking Area as set forth in Article V(F) below, except in connection with TSA's events contemplated by this Article V(D).

E. TSA and the Partnership shall be entitled to share the revenues from the Parking Area for jointly sponsored events in accordance with Article IX of the License Agreement; provided, however, that TSA and the Partnership agree not to charge HCC's patrons, faculty or students to use the Parking Area as set forth in Article V(F) below, except in connection with such jointly sponsored events. HCC shall be entitled to share the revenues from the Parking Area for any events it sponsors jointly with the Partnership, or

EXHIBIT B

George M. Steinbrenner Field License Agreement

TSA, or both, on terms and conditions to be negotiated in good faith and agreed to in writing by the respective parties in connection with any such events.

F. HCC shall have the uninterrupted and paramount right to use the Parking Area, except as set forth in Article V(F)(1) below, and except during Partnership's Major League Spring Training games, for which the Partnership shall have exclusive and paramount use of the entire Parking Area, as set forth in Article V(A)(1) above, for its students, faculty and other patrons on Mondays through Thursdays between the first class day of its fall semester and the last class day of its spring semester each year during the Term. HCC shall otherwise have the right to use the Parking Area for its students, faculty and other patrons at all other times not referenced in Article V(A-E) above, including but not limited for its home games and practices, provided that HCC's use does not conflict with the uses of the Partnership or TSA as described in Article V(A-E) except as otherwise provided therein.

1. HCC's right to use the Parking Area as set forth in this Article V(F) shall be subject to the following:
 - a. HCC's students, faculty and other patrons may use the parking spaces designated and reserved for handicap parking only in accordance with applicable laws, ordinances and regulations governing the use and ability to use such spaces; and
 - b. TSA, HCC and the Partnership shall, by January 31st of each year during the Term of this Agreement, meet to designate and allocate in writing certain spaces within the Parking Area that the Partnership shall have the paramount right to use during all of its Florida State League Tampa Yankees' baseball games, as set forth in Article V(A)(2) above, whether or not such games are held on Mondays through Thursdays between the first class day of HCC's fall semester and the last class day of HCC's spring semester. These spaces shall be designated for the Partnership's press, suite holder, box seat holder, season ticket holder and VIP parking needs, it being the understanding and agreement of the parties that the Partnership shall have such needs pursuant to its obligations or commitments to other third parties each year during the Term. If the parties are unable through good faith efforts to agree on the designation and allocation of such parking spaces by January 31st of any year during the Term, then the Executive Director of the TSA, the President of HCC and the General Partner of the Partnership, or their respective designees, shall, prior to February 15th of such year, meet and vote on such

EXHIBIT B

George M. Steinbrenner Field License Agreement

designation and allocation. A simple majority vote will determine which parking spaces shall be so designated and allocated, and the majority decision of the parties' representatives shall be conclusive and binding on the parties for that year, unless the TSA, HCC and the Partnership subsequently agree otherwise in writing.

G. HCC shall not be entitled to receive any revenues whatsoever from the Parking Area, nor shall HCC be entitled to charge its students, faculty or other patrons to park in the Parking Area during the times HCC is entitled to use the Parking Area, as set forth in Article V(F) above, except to the extent HCC may customarily charge its students, faculty and/or patrons for parking decals or passes, and further except that HCC may charge patrons of its home baseball games to use the Parking Area, provided that such use and charges do not conflict with either the Partnership's or TSA's respective uses and/or revenue rights as set forth in Articles V(A-E) above.

H. The Partnership shall have the right to use the parking areas at the Tampa Stadium Site as depicted on Exhibit F attached hereto, which areas may change if a new football stadium is built there, for parking of its employees, guests, patrons and other invitees, as the case may be, including but not limited to reserved parking for the Partnership during Major League Spring Training, during the times and events specified in Article V(A) above, to the extent parking of those vehicles cannot be accommodated at in the Parking Area during such games and events (hereinafter "Overflow Parking"). All Overflow Parking areas to be so used by the Partnership shall be reasonably designated by TSA.

I. HCC shall have the right to use the Overflow Parking areas at the Tampa Stadium Site, as depicted on Exhibit F attached hereto, and as reasonably designated by TSA and agreed to by HCC, for parking of its employees, students, faculty and patrons during the times and events specified in Article V(A) above, but only to the extent parking of those vehicles cannot be accommodated in the Parking Area due to Partnership or TSA events having the priority right to use the Parking Area, it being the intent of the parties that HCC shall be entitled to use only the same number of parking spaces in the Overflow Parking Area that it would otherwise be able to use in the Parking Area under Article V(F) above.

J. The Partnership and TSA shall each be entitled to charge and shall receive all revenues from any Overflow Parking for their respective games and events pursuant to Articles V(A) and V(B) above and Article IX of the License Agreement, provided, however, that neither the Partnership nor TSA shall charge HCC, or its student, faculty or patrons for their use of the Overflow Parking areas as set forth in Article V(I) above; and further provided that (1) the Partnership shall be entitled to collect and retain all revenues from Overflow Parking for all Major League Baseball games at the Complex pursuant to

EXHIBIT B

George M. Steinbrenner Field License Agreement

Article IX of the License Agreement, whether or not such games are held concurrently or simultaneously with TSA-sponsored events at the Tampa Stadium Site, and (2) the Partnership shall be entitled to collect and retain all revenues from Overflow Parking for all of its other games and events listed in Article V(A)(2-3) above, as long as such games or events are not held concurrently or simultaneously with TSA-sponsored events at the Tampa Stadium Site, in which case TSA shall be entitled to collect and retain all revenues from Overflow Parking for the Partnership's such other concurrent or simultaneous games or events.

K. HCC shall not be entitled to charge or receive any revenues from its use of any Overflow Parking, except to the extent HCC may customarily charge its students, faculty and/or patrons for parking decals or passes.

L. The Partnership, HCC and TSA shall have full and uninterrupted rights, except as limited herein, to use the Pedestrian Bridge connecting the Complex to the Tampa Stadium Site, to accommodate their uses provided for under this Article V and/or the License Agreement, as the case may be.

M. Except as otherwise provided in the License Agreement or this Agreement, the Partnership shall be responsible for maintaining and providing reasonably necessary capital improvements to the Parking Area during the Term of this Agreement.

N. Except as otherwise provided in the License Agreement or this Agreement, if as a result of constant use of Overflow Parking by the Partnership's patrons or HCC's students, faculty or patrons, any Overflow Parking area at the Tampa Stadium site suffers substantial extraordinary wear and tear, the Partnership at its expense shall improve a sufficient and reasonable number of additional surface parking spaces within the Overflow Parking area at the Tampa Stadium Site as required to sustain such use. The extent and scope of such improvements by the Partnership shall be as mutually and reasonably agreed by TSA and the Partnership.

O. Any capital improvements to the Parking Area may be done by HCC, TSA or the Partnership, at their own cost and expense, unless they agree otherwise in writing, provided that the other two parties first approve such capital improvements in writing, which approval will not be unreasonably withheld.

P. Except as otherwise provided in the License Agreement, the Partnership shall be responsible for security and staffing of the Parking Area during the Term of this Agreement, provided that TSA and HCC shall each be responsible for their own security and staffing during the times and events they respectively use the Parking Area pursuant to Articles V(C) and V(F) above. The Partnership shall be responsible for security and staffing of the Overflow Parking areas either if or HCC uses during the Partnership's events as described in Article V(A) above, and the Partnership shall be responsible for associated reasonable costs such as maintenance, utilities and cleanup during such events.

EXHIBIT B

George M. Steinbrenner Field License Agreement

as particularly set forth in the License Agreement. TSA shall be responsible for security and staffing of the Overflow Parking areas at all other times and for all other events.

Q. The Parking Area will be available for the parties' respective uses, as set forth in this Article V, at 7:00 a.m. to 11:00 p.m. daily, unless the Partnership extends such hours of operation or the Partnership and TSA agree in writing to other hours of operation for any particular game(s) or event(s). Absent such extension or agreement, and unless the Partnership notifies TSA and HCC otherwise in writing, the Partnership shall close the gates and secure the Parking Area between the hours of 11:00 p.m. and 7:00 a.m. daily.

R. The Partnership and TSA shall have the right to have any unauthorized vehicles towed from the Parking Area either during or after the hours of operation as set forth in Article V(Q) above.

S. The parties agree to use the Parking Area and the Overflow Parking areas in such manner as to keep them clean, clear of rubbish and garbage, and reasonably safe for pedestrians and motor vehicles.

T. The Partnership and TSA shall pay any ad valorem taxes levied on the Parking Area or the Partnership's use of the Parking Area as set forth in Article XI of the License Agreement; provided, however, that HCC will not be liable for payment of any such taxes or reimbursement to the Partnership.

VI. RIGHTS AND OBLIGATIONS RELATING TO THE COMMUNITY USE FIELD

A. The Partnership shall have the exclusive and paramount right to use, operate and control the Community Use Field for all practices, games and other events for Major League Spring Training, Florida State League Tampa Yankees games, and any other baseball tournaments, games and related events held at the Complex, subject to the scheduling requirements and priorities of Article VII below.

B. HCC shall have the right to use the Community Use Field for its home baseball games and practices, subject to the scheduling requirements and priorities of Article VII below. HCC shall also have the limited right to sell, and to receive all revenues from the sale of, novelties and souvenirs, such as T-shirts, posters, pennants and the like, bearing HCC's name, logo and/or colors, at its home baseball games and practices at the Community Use Field. Such sales, if any, shall be conducted at HCC's sole expense, shall be limited to HCC's home baseball games and practices, and shall not in any way limit or restrict the Partnership's rights to sell novelties and souvenirs, and to receive all revenues therefrom, as set forth in Article VI(C) below and in the License Agreement.

C. The Partnership is and shall be entitled to receive all revenues from concessions, sales of novelty and souvenirs (with the sole exception being the limited right

EXHIBIT B

George M. Steinbrenner Field License Agreement

of HCC to sell its own novelties and souvenirs pursuant to Article VI(B) above), and the exercise of all advertising and broadcast rights on the entire Complex, including but not limited to the Community Use Field, notwithstanding the fact that HCC may be utilizing either the Community Use Field or the Parking Area, consistent with the License Agreement. The Partnership's advertising rights shall include but shall not be limited to all outfield signage, the scoreboard and the naming or sponsorship of the Community Use Field. The Partnership agrees that all concessions, food and beverages sold at the Community Use Field during the Term of this Agreement shall be of good quality, free of defects and available at reasonably competitive prices. The Partnership also agrees that it shall use its best efforts to have its concessionaire (Volume Services or its successor) provide HCC with a reasonable opportunity to operate any of the concession stands at the Complex on behalf of such concessionaire, particularly the Community Use Field concession stand, on terms and conditions that are negotiated in good faith and agreed to between HCC and such concessionaire in connection with such operation(s); provided, however, that HCC acknowledges and agrees that the Partnership cannot require Volume Services to do so.

D. The Partnership shall be responsible for maintaining and providing reasonably necessary capital improvements, including but not limited to field maintenance and preparation for all games and events, to the Community Use Field pursuant to Article VI of the License Agreement.

E. The Partnership shall provide staffing for parking, security and concessions at all HCC home baseball games and other events played or held at the Community Use Field; provided, however, that HCC shall be entitled to receive all revenues from tickets or admissions to its home baseball games played at the Community Use Field.

F. Any capital improvements to the Community Use Field may be done by HCC, TSA or the Partnership, at their own cost and expense, unless they agree otherwise in writing, provided that the other two parties first approve such capital improvements in writing, which approval shall not be unreasonably withheld.

G. The parties agree to use the Community Use Field in such manner as to keep it clean, clear of rubbish and garbage, and reasonably safe for players, coaches and fans.

VII. EVENT AND GAME SCHEDULING

1. Initial Annual Scheduling

TSA, HCC and the Partnership shall exchange written schedules of planned games and events by December 31st of the calendar year preceding the calendar year during which such games and events will be held. In doing so, the parties agree to use their best efforts to avoid games or events being held simultaneously or concurrently at the Complex and the Tampa Stadium Site. The parties shall then have until January 31st of the year in which such events will be held to prepare and acknowledge in writing a mutually agreeable schedule of events for the Complex and the Tampa Stadium Site, including the Parking Area, Overflow Parking areas and the Community Use Field (the "Initial Schedule"), which shall follow and be governed by the scheduling and use priorities set forth in Article VII(A) above, unless the parties unanimously agree otherwise in writing.

2. Supplemental Annual Scheduling

TSA, HCC and the Partnership understand that additional games or events may be scheduled at the Complex and/or at the Tampa Stadium Site after the Initial Schedule has been fixed pursuant to Article VII(B)(1) above. Therefore, the parties shall, between May 15th and June 1st of each calendar year, advise each of the other parties in writing of any such additional games and events. The parties shall then have until July 1st of the year in which in such games or events will be held to modify, in writing, the Initial Schedule (the "Modified Schedule"), which shall follow and be governed by the scheduling and use priorities set forth in Article VII(A) above, unless the parties unanimously agree otherwise in writing.

3. Continued Cooperation

The parties agree that they will use their best efforts to meet as frequently as reasonably possible during each year of the Term of this Agreement to review and update the Agreed and/or Approved Schedules and to cooperate to resolve, with a minimum of inconvenience to their respective operations, any pending or anticipated scheduling conflicts.

C. The Partnership agrees that it shall, consistent with the parties' obligation to work together in good faith to schedule and coordinate the games and events for which

EXHIBIT B

George M. Steinbrenner Field License Agreement

the Parking Area, Overflow Parking areas and Community Use Field shall be used, use its best efforts to make one or more of its baseball fields at its Minor League Complex, located at the southeast corner of Himes Avenue and Columbus Drive, available for practices and/or games as may be reasonably necessary in the event of a scheduling conflict with respect to the Community Use Field.

VIII. PERSONAL PROPERTY

All non-fixtures (i.e. batting cages, pitching machines, baseball equipment) placed or moved upon the Complex, including but not limited to the Parking Area and the Community Use Field, by the Partnership, HCC or TSA, and owned by any such party prior to such placement or movement, shall continue to be owned and used by such party at their own risk, provided that any such party shall be liable for any damage or injuries caused to or by such non-fixtures as a result of the negligent handling or use of such non-fixtures by such party, or its employees, agents or invitees. No party may use the personal property of any other party without the express written consent of the other party. The party owning any such personal property shall have the exclusive use of such personal property which, upon expiration of this Agreement, shall remain the personal property of the party owning such personal property.

IX. INSURANCE

A. The Partnership and TSA shall provide, pay for and maintain insurance coverage for the Parking Area, the Overflow Parking areas and the Community Use Field as required by Article XV of the License Agreement.

B. HCC shall be self insured and assume the risk of loss and liability on all risks for its operations at and uses of the Parking Area, the Overflow Parking areas and the Community Use Field. HCC shall, at all times, keep the Partnership, TSA, Hillsborough County and the City of Tampa advised in writing of such self-insurance or other insurance, and shall give the Partnership, TSA, Hillsborough County and the City of Tampa at least thirty (30) days written notice of any change or cancellation of any such self-insurance or other insurance. HCC shall also maintain Workers Compensation and Employers Liability Insurance coverages required by applicable Florida law. HCC shall also self-insure its automobile liability insurance under the terms and conditions required by Florida law. HCC shall also maintain real property insurance in the amount of replacement value of the premises or for property damaged or destroyed which is under the control of HCC.

C. The Partnership and TSA shall have HCC endorsed to their respective liability insurance policies, other than their respective Workers Compensation and Employers Liability coverages, as additional insureds for the uses and operations contemplated under this Agreement.

EXHIBIT B

George M. Steinbrenner Field License Agreement

D. Under all property insurance policies, the Partnership, TSA and HCC shall have its insurance companies waive their rights of subrogation against the other parties. Should at the time of a loss either the Partnership, TSA or HCC not have accomplished this waiver, the waiver requirements shall be void.

E. Certificates of insurance evidencing the insurance coverages and limits required by this Agreement shall be provided to each party by the other within fifteen (15) days of a written request. Each certificate shall be executed by an authorized representative of the insurance companies and HCC's self-insurance fund or administrator, as the case may be, shown on the Certificate with written proof for each insurance company that he/she is their authorized representative and is authorized to execute the Certificate on their behalf, which Certificates shall be in form reasonably acceptable to the parties. Certified, true and exact copies of the insurance policies required by this Agreement will be accepted in place of Certificates of Insurance if properly endorsed to cover the insurance requirements herein. Each party shall provide the other party with replacement Certificates of Insurance at least thirty (30) days prior to the expiration of existing policies.

F. Each party's insurance companies shall provide at least thirty (30) days written notice by certified or registered mail to the other parties of any cancellation or reduction in any of the coverages required by this Agreement.

G. HCC's status as self-insured during the Term of this Agreement, as set forth in Article X(B) above, is not intended nor shall it be construed to be a waiver, release or limitation of any rights or remedies that TSA or the Partnership may have against HCC for any breach of this Agreement or for any other claim under applicable Florida law.

X. INDEMNIFICATION

A. The Partnership agrees to indemnify and hold harmless HCC and TSA, and their respective officers, agents, employees, successors and assigns, against any and all damages, claims, losses, liabilities and expenses (including but not limited to reasonable legal fees and costs incurred to enforce this indemnification) caused by, in connection with, arising out of or resulting from any negligent act or willful misconduct of the Partnership or its partners, employees, officers or agents done in the performance of this Agreement or the material breach or default of any provision thereof.

B. TSA agrees, to the extent permitted by law, to indemnify and hold harmless HCC and the Partnership, and their respective partners, officers, agents, employees, affiliates, successors and assigns, against any and all damages, claims, losses, liabilities and expenses (including but not limited to reasonable legal fees and costs incurred to enforce this indemnification) caused by, in connection with, arising out of or resulting from any negligent act or willful misconduct of TSA or its employees, officers or agents done in the performance of this Agreement or the material breach or default of any provision thereof.

EXHIBIT B

George M. Steinbrenner Field License Agreement

C. HCC agrees, to the extent permitted by law, to indemnify and hold harmless TSA and the Partnership, and their respective partners, officers, agents, employees, affiliates, successors and assigns, against any and all damages, claims, losses, liabilities and expenses (including but not limited to reasonable legal fees and costs incurred to enforce this indemnification) caused by, in connection with, arising out of or resulting from any negligent act or willful misconduct of HCC or its employees, officers or agents done in the performance of this Agreement or the material breach or default of any provision thereof.

D. Notwithstanding the foregoing provisions, the indemnity obligations of TSA and the Partnership under this Article X are limited to available insurance coverages with respect to personal injury tort liability claims so long as such insurance coverages are maintained in accordance with this Agreement.

XI. FORCE MAJEURE

Upon the occurrence of any event, matter or condition beyond the reasonable control of the Partnership, TSA or HCC, including but not limited to war, public emergency or calamity, fire, flood, earthquake, hurricane, strike, act of God, unforeseen site conditions, actions of any governmental entity, operation of any applicable law, governmental rule or regulation, or any court decision, or in the event of a partial or complete taking of all or any portion of the Complex by eminent domain, the obligations of the parties under this Agreement shall be excused and discharged to the extent any such event, matter or condition prohibits, precludes or limits the ability of any such party to perform its obligations hereunder.

XII. NON-RECOURSE (NO LIABILITY FOR PARTNERS)

No partner of the Partnership, including but not limited to any general partner and the managing general partner, shall have any personal liability with respect to the Partnership's obligations hereunder by reason of his or its status as partner.

XIII. RELATIONSHIP BETWEEN THE PARTIES

The relationship between the parties created by this Agreement shall at all times be considered that of licensors and licensees. The parties are neither joint venturers, partners or associates of each other with respect to any matters provided for in this Agreement, nor is any party an agent of any other party. Nothing herein contained shall be construed to create any such relationships between the parties.

XIV. THE LICENSE AGREEMENT

EXHIBIT B

George M. Steinbrenner Field License Agreement

A. The parties agree that the License Agreement shall govern and take precedence in the event of any conflicts or inconsistencies that may exist or arise between this Agreement and the License Agreement.

B. Hillsborough County shall be a signatory, and not a party, to this Agreement, solely for the purpose of granting any necessary approvals stemming from the relationship of the parties in the License Agreement and for extinguishing those rights and obligations under the License Agreement as set forth in Article XIV(C) below. Hillsborough County shall not be deemed a party to this Agreement, except as outlined above, and shall not, by virtue of any obligations it has under the License Agreement, serve as guarantor of HCC's or TSA's obligations under this Agreement, except as may otherwise be provided in the License Agreement.

C. This Agreement shall serve to extinguish any obligations of Hillsborough County and TSA towards the Partnership that may flow from the License Agreement and are related to the Parking Area but only to the extent such obligations are legally unenforceable by virtue of the transfer of ownership or leasehold interest of the Parking Area from TSA and County to HCC under the Purchase Agreement; provided, however, that this provision shall in no way release or discharge Hillsborough County and TSA from their respective obligations under the License Agreement relating to the design, construction, maintenance and insurability of the Improvements under the License Agreement, including but not limited to the Stadium and the Pedestrian Bridge; and further provided that it is the intent of the signatories hereto that this Agreement not supersede the License Agreement in any material respect.

XV. MISCELLANEOUS

A. Each party represents and warrants to the other parties that (i) such party has full right and authority to execute this Agreement and to consummate the transactions herein described and (ii) upon the execution hereof, this Agreement shall constitute the legally binding Agreement and obligation of such party, enforceable in accordance with its terms.

B. The waiver by any party of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition or any subsequent breach of the same or any other term, covenant or condition contained in this Agreement.

C. This Agreement may be executed in more than one counterpart, each of which shall be deemed an original.

D. If any provision of this Agreement shall be determined by a court of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability shall attach only to such provision and shall not in any manner affect or render invalid or

EXHIBIT B

George M. Steinbrenner Field License Agreement

unenforceable any other severable provision of this Agreement, and this Agreement shall be carried out as if any such invalid or unenforceable provision were not contained herein.

E. This Agreement is not assignable by the parties without the express written consent of the other parties; provided, however, in the event of such consent, the covenants and conditions herein contained shall, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators and assigns of the parties hereto.

F. Titles and captions used in this Agreement are only for convenience and shall be considered to be of no effect in the construction or interpretation of any provision or provisions of this Agreement.

G. Time is of the essence of this Agreement and of each and all of its provisions. As used herein, days shall be defined as calendar days. Any obligation for performance by any party shall be delayed if the date for said performance falls on a weekend and/or holiday, in which event the party shall perform on the following day.

**ADDENDUM TO AMENDED AND RESTATED GEORGE M. STEINBRENNER FIELD
LICENSE AGREEMENT**

This Addendum is an addendum to the AMENDED AND RESTATED GEORGE M. STEINBRENNER FIELD LICENSE AGREEMENT (the "Agreement"), which was entered into on April 20, 2016 between THE TAMPA SPORTS AUTHORITY (the "Applicant"), HILLSBOROUGH COUNTY (the "County") and NEW YORK YANKEES PARTNERSHIP (the "Franchise"). The purpose of this Addendum is to ensure that the Agreement at all relevant times continues to meet the requirements of section 288.11631, Florida Statutes.

WHEREAS, section 288.11631, Florida Statutes, is intended to provide a process for the retention of spring training baseball franchises within the State. The Applicant and the Franchise acknowledge that the amount of State incentive funding provided by the State for the Facility is based on the continual use of the Facility by the Franchise for the duration of such incentive funding;

WHEREAS, the purpose of this Addendum is to ensure that the Agreement continuously meets the requirements of section 288.11631, Florida Statutes, and to ensure that the Florida Department of Economic Opportunity ("DEO") can properly and responsibly act as the steward of State funds; and

WHEREAS, it is recognized that the Agreement contains provisions designed to establish business, operational and other obligations and rights not directly related to section 288.11631, Florida Statutes or this Addendum, which provisions are not intended to be modified or affected by this Addendum except to the extent that they limit any rights or remedies of the State or DEO as provided for in this Addendum.

NOW THEREFORE, in consideration of the premises and the mutual covenants and obligations herein contained, and in order to induce DEO to certify Applicant pursuant to section 288.11631, Florida Statutes, the parties intending to be legally bound, hereby agree as follows:

- I. **DEFINITIONS:** Except as otherwise set forth herein, the definitions set forth elsewhere in the Agreement shall not apply to this Addendum and the definitions

set forth in this Addendum shall not apply elsewhere to the Agreement. All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum. The following definitions shall apply to this Addendum:

- A. **Major League Spring Training Home Games** shall mean, with respect to any Spring Training Season, those Spring Training games, as determined by Major League Baseball in its sole discretion, to be played by the Franchise's Major League Baseball Club as the home team at the Facility during such Spring Training Season.
- B. **Spring Training Season** shall mean the annual period during which Major League Baseball conducts Spring Training games in preparation for the Major League Baseball championship season generally running from February 1 through April 15 of each calendar year, but subject to change at the sole discretion of Major League Baseball.
- C. **Facility** shall mean the Applicant's professional sports facility for Spring Training of one or more Major League Baseball Clubs as well as minor league affiliates, including a stadium, team training facilities, practice fields, clubhouses, dedicated on-site parking areas, and other appurtenances and improvements, intended for use by the Franchise.
- D. **Applicant's Bonds** shall mean bonds or refunding bonds as described in section 288.11631(2)(a)(2), Florida Statutes.
- E. **Operative Agreements** shall mean the Agreement, this Addendum, and such other documents and agreements applicable to the Franchise's use of the Facility.
- F. **Franchise Spring Training Season** shall mean, with respect to any calendar year during the term of the Agreement, the use of the Facility by the Franchise's Major League Baseball Club for the full period of such calendar years' Spring Training Season.

II. TERMS AND CONDITIONS

- A. If the Franchise's Major League Baseball Club fails to play each and every one of its Major League Spring Training Home Games (each a "Missed Game") at the Facility during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or approved in writing by both the Applicant and DEO, then, the Franchise shall reimburse the State a portion of the State's yearly distribution applicable to such Franchise Spring Training Season determined by multiplying the amount of such yearly distribution by the fraction obtained by dividing the number of Missed Games by the number of Major League Spring Training Home Games scheduled for such Franchise Spring Training Season. For example, if Applicant is scheduled to receive \$1,000,000 in a year, and the Franchise has 2 Missed Games in a Franchise Spring Training Season that is scheduled to have 16 Major League Spring Training Home Games, the Franchise would be required to repay \$125,000 to DEO, because $\$1,000,000 \times (2 / 16) = \$125,000$. However, if the Franchise has four or more Missed Games during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or pre-approved in writing by the Applicant and DEO, then, at DEO's election, the Franchise shall be deemed to have relocated pursuant to section 288.11631(2)(a)2, Florida Statutes (a "Relocation"). For the avoidance of doubt and for the sake of clarity, an international game, a game played during the Major League Baseball championship season, an exhibition game played in a Major League Baseball stadium or a game played against a college or university team shall not constitute a Major League Spring Training Home Game and therefore shall not constitute a Missed Game.
- B. **Repayment Obligation:** In the event of a Relocation the Franchise shall reimburse the State for the total amount of State distributions expected to be paid from the date of Relocation through the final maturity of the Applicant's Bonds, pursuant to section 288.11631(2)(a)2, Florida Statutes, which reimbursement obligation (the "Addendum Reimbursement") is intended to satisfy, and shall not

be duplicative of, the "State Reimbursement" as defined in Section 15.3 of the Agreement. The payment of the "Addendum Reimbursement" obligation is a partial remedy under terms of the Agreement in the event of a Relocation; provided that the payment of such reimbursement obligation by Franchise shall not release, reduce or otherwise modify any right or remedy available to TSA and/or County under terms of the Agreement in the event of a Relocation. Franchise acknowledges and agrees that nothing in this Addendum shall in any way, directly or indirectly, imply or impose upon TSA or County any intention, duty or obligation to mitigate damages in the event of a Relocation as the agreed upon remedies available to TSA and County in the event of a Relocation are provided in Section 15.3 of the Agreement, it being agreed that said matters have been fully considered and adequately addressed in the Agreement.

- C. **Force Majeure:** Notwithstanding the foregoing, the Franchise shall not be deemed to have a Missed Game to the extent its failure to play a Major League Spring Training Home Game at the Facility was due to an event of Force Majeure; provided, however, that the parties must make reasonable good faith efforts to mitigate the Force Majeure event. For the purpose of this Addendum, "Force Majeure" shall mean and include any act of God, accident, fire, riot or civil commotion, act of public enemy, failure of transportation facilities, enactment, rule, order or act of government or governmental instrumentality (whether domestic or international and whether federal, state or local, except in the case of a rule, order or act by Applicant, or the international equivalent thereof), failure of technical facilities, severe inclement weather or any other cause of any nature whatsoever beyond the control of the parties (including a strike, lockout, or other labor dispute involving Major League Baseball) which was not avoidable in the exercise of reasonable care and foresight. If an event of Force Majeure causes the Franchise's Major League Baseball Club to fail to play at least fifty percent of a Franchise Spring Training Season at the Facility, the parties agree that the Agreement shall be automatically extended beyond the term for one additional Franchise Spring Training Season.

- D. **MLB Requirements:** If Major League Baseball causes the Franchise's Major League Baseball Club to play less than fifty percent of a Franchise Spring Training Season at the Facility, the parties agree that the Agreement shall be automatically extended beyond the term of the Agreement for one additional Full Spring Training Season.
- E. **Third Party Beneficiary:** The State, by and through DEO and DEO's successors and assigns, is an intended third party beneficiary of this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations imposed by, this Addendum. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any rights or remedies that the State or DEO may have under law.
- F. **Order of Priority:** In the event of a conflict between the terms of this Addendum and terms of the Agreement relating specifically to a right, obligation or remedy benefiting DEO which arises from section 288.11631, Florida Statutes or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Agreement, including any terms added to, amended in, or removed from the Agreement after the effective date of this Addendum; provided that this provision shall not be interpreted so as to release or modify any obligation, right or remedy provided in the Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the parties and the Executive Director of DEO. If any modification or amendment is made to either the Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on the rights of DEO under this Addendum, such portion of that modification or amendment that has an adverse effect shall be void ab initio, and ineffective.
- G. **Recitals Incorporated:** The foregoing recitals are incorporated herein and made a part hereof by this reference.

H. **Duplicate Terms:** Because this is an Addendum prepared without reference to the Agreement itself, it may duplicate some existing terms of the Agreement. Such duplication or restatement of terms shall be construed as intentional.

FACILITY RENOVATION AGREEMENT

This Facility Renovation Agreement ("Agreement") is entered into as of the 20th day of April, 2016 (the "Effective Date"), by and between the TAMPA SPORTS AUTHORITY, a body politic and an independent special district under the laws of the State of Florida ("TSA"), NEW YORK YANKEES PARTNERSHIP, an Ohio limited Partnership ("Partnership"), and HILLSBOROUGH COUNTY, FLORIDA ("County"). The foregoing entities are sometimes individually referred to as "Party" and collectively referred to as the "Parties."

Recitals

WHEREAS, TSA, Partnership and County are parties to a License Agreement originally dated January 14, 1994 and amended and restated on date hereof (the "GMS License Agreement") which grants Partnership a license to use certain real property, a 10,000 seat baseball stadium and related spring training facilities in Tampa, Florida (the "GMS Facility"); and

WHEREAS, County owns the GMS Facility and TSA manages it and, as such, both have an interest in maintaining the appearance, value and useful life of the GMS Facility; and

WHEREAS, TSA and Partnership are also parties to a second License Agreement, originally dated August 21, 1989, which is also amended and

restated on same date hereof (the "Himes License Agreement") which grants Partnership a license to use certain real property, including structures and other professional baseball training facilities serving as an appurtenance to Partnership's Major League team, Minor League affiliates and other related activities, all of which support and serve Partnership's spring training activities (the "Himes Facility"); and

WHEREAS, the GMS Facility and the Himes Facility (sometimes collectively referred to as the "Facilities") are both essential components of Partnership's professional baseball spring training and professional player development operations in Tampa; and

WHEREAS, the Parties agree that it is in the public interest to maintain the Facilities in good repair and condition in a manner consistent with current standards and conditions prevailing at similarly situated major league baseball training facilities existing within the State of Florida and that a need exists for a coordinated effort between the Parties to renovate and improve the Facilities; and

WHEREAS, pursuant to the GMS License Agreement and Himes License Agreement, Partnership has certain rights to perform or cause to be performed, at its sole expense, permanent improvements, renovations, alterations or additions to the GMS Facility and the Himes Facility, respectively; and

WHEREAS, in 1996 TSA transferred fee simple interest in the land upon which the Himes Facility is situated to the Hillsborough County Aviation Authority, and entered into related agreements whereby TSA and Partnership

retained long term rights of use in the Himes Facility and thus also have an interest in maintaining the appearance, value and useful life of the Himes Facility; and

WHEREAS, Partnership has caused certain improvements, additions and renovations to be made to both Facilities at a cost of \$6,245,041, a list of which is attached hereto as Exhibit "A" ("Previously Completed Facilities Improvements"); and

WHEREAS, Partnership is desirous of making and paying for additional improvements to the Himes Facility (the "Planned Himes Facility Improvements"); and

WHEREAS, Partnership is desirous of making and paying for a portion of the cost of additional improvements to the GMS Facility, which is owned by County and managed by TSA (the "Planned GMS Facility Improvements"), and County and TSA agree to provide or cause to be provided certain funding through TSA for a portion of the cost of the Planned GMS Facility Improvements, pursuant to the terms and conditions of this Agreement. The Planned Himes Facility Improvements and the Planned GMS Facility Improvements are listed in Exhibit "B" hereto and are sometimes collectively referred to as the "Projects"); and

WHEREAS, in conjunction with their desire to provide certain assistance and funding toward the Planned GMS Facility Improvements, TSA or the County intends to file an application with the State of Florida, Department of Economic Opportunity, pursuant to Section 288.11631, Florida Statutes, for

certification to receive state funding for a facility for a spring training franchise for a portion of the cost of the Planned GMS Facility Improvements, and, except as otherwise expressly provided for in this Agreement, it is the agreement of the Parties that the rights and obligations arising from and under this Agreement shall be contingent upon obtaining such certification and funding by the State in the amount applied for; and

WHEREAS, in consideration for TSA and County entering into this Agreement to provide the reimbursements as herein described, Partnership will, in addition to making and paying for the Previously Completed Facilities Improvements at a cost of \$6,245,041; (i) make and pay for the Planned Himes Facility Improvements as provided for in this Agreement at an approximate cost of \$4,136,600, (ii) make the Planned GMS Facility Improvements and pay a portion of the cost thereof in the minimum amount of at least \$659,305 (the "Partnership Equity") without reimbursement, and (iii) enter into on the Effective Date hereof an amendment and restatement of the GMS License Agreement (the "Amended GMS License Agreement") and an amendment and restatement of the Himes License Agreement (the "Amended Himes License Agreement"), the terms of which provide for, among other things, a term of approximately thirty (30) years, commencing on the Effective Date, for Partnership's license of the Facilities and the payment of license fees as set forth in Exhibit "C" of the Amended GMS License Agreement and Amended Himes License Agreement, respectively; and

WHEREAS, the Parties recognize that an aggregation of funds available to the Parties for purposes of constructing the Projects and a coordination of

resources and efforts would dramatically increase efficiencies in completing the Projects.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, receipt of which is hereby acknowledged, the Parties agree as follows:

1. **The Projects**. Partnership agrees, at its sole expense, to design, construct and complete the Projects, consisting of "Planned GMS Facility Improvements" and the "Planned Himes Facility Improvements", all in accordance with applicable law, codes and ordinances. In connection therewith, Partnership has contracted directly with a licensed architectural firm (the "Architect") to prepare the design of the Projects. Partnership shall cause the Architect to prepare drawings and specifications for the Projects for review and approval by TSA, which approval shall not be unreasonably withheld or delayed, as provided in the attached Design Review and Construction Protocol and Procedures (Exhibit "C"). Also, Partnership, at its sole expense, shall also engage a general contractor (the "Contractor") and such other companies and individuals (but not including employees and staff of Partnership and affiliates) as may be approved by TSA to complete the Projects. The entire agreement, including the construction schedule (the "Contractor's Agreement") shall be subject to prior approval by TSA, which approval shall not be unreasonably withheld or delayed. The workmanship and materials used in the construction of the Projects shall be of quality at least comparable to the workmanship and materials used in the original construction of the GMS Facility or the Himes Facility, as the case may be. Partnership shall cause TSA and County to be

named as third party beneficiaries to Partnership's agreements with both the Architect and the Contractor.

2. Scope of Work.

A. The Planned GMS Facility Improvements consist of 35 projects ("GMS Projects") which have been identified, are currently in the design stage, and are listed on Exhibit "B". Exhibit "B" also identifies the estimated cost to complete each GMS Project. The Parties acknowledge and agree that the monetary amounts for each of the GMS Projects provided for in Exhibit "B" are estimates, and that, subject to the approval of TSA and the terms and conditions of this Agreement, including, but not limited to the Reimbursement Cap (hereafter defined), Partnership may allocate such amounts among the GMS Projects as required for the completion thereof.

B. The Planned Himes Facility Improvements consists of one project ("the Himes Project") which is currently in the design stage, and is also included in Exhibit "B". The monetary amount for the Himes Project stated on Exhibit "B" is also an estimate but there shall not be allowed any allocation between the GMS Projects and the Himes Project, except as specifically provided for under Section 3.D. herein.

C. The Planned GMS Facility Improvements and the Planned Himes Facility Improvement are hereby approved, subject to approved design and completed construction as required herein.

D. TSA and County, combined, shall not be responsible for any financial contribution, reimbursement or expenditure in excess of \$35,765,396 relating to the Planned GMS Facility Improvements (the "Reimbursement Cap"). The Parties acknowledge and agree that the foregoing amount is comprised of the sum of net proceeds, after reserves, underwriting discount and

issuance costs of the Bonds (hereinafter defined) payable from the Fourth Percent TDT (hereinafter defined) as described in Section 3.G. of this Agreement, in an amount estimated to be \$22,130,146 and net proceeds after underwriting discount, issuance costs and certain pre-development costs of the Bonds payable from the State Sales Tax Payments (hereinafter defined) as described in Section 3.H. of this Agreement, in an amount estimated to be \$13,635,250. Neither TSA nor County shall have any responsibility for any financial contribution, reimbursement or expenditure relating to the Planned Himes Facility Improvement, it being acknowledged by the Parties that Partnership shall be responsible for the entirety of the cost of the Planned Himes Facility Improvement and that said Planned Himes Facility Improvement shall not be reimbursable hereunder. Partnership does hereby guarantee the full and satisfactory completion of all Projects as described in Exhibit "B" in accordance with the timeline set forth in the Contractor's Agreement as provided for in the following paragraph. Moreover, Partnership is responsible for paying for any and all costs of designing and constructing the Projects in excess of the Reimbursement Cap. The Contractor's Agreement will include a construction schedule for each Project listed in Exhibit "B" which is within Contractor's Scope of Work.

E. Partnership's obligation to timely complete the Projects shall be subject only to delays of Partnership or the Contractor which are beyond the reasonable control of, and are not caused by the fault or negligence of Partnership or the Contractor; which directly impact the Projects and wholly or partially prevent the performance of any of the duties, responsibilities or obligations of Partnership or the Contractor, including (i) acts of God, (ii) an act of the public enemy, (iii) fire, explosion or other serious casualty, (iv) unusually severe weather (such as hurricane, earthquake or flood), (v) war directly

involving the United States (whether declared or not), including war-like circumstances, invasion, mobilization, revolution or rebellion, (vi) terrorist activities, riot or civil commotion, (vii) strike, work-stoppage or other labor disturbance, (viii) military usurpation of power or (ix) the imposition of new regulation or orders of governmental authority.

F. Partnership will ensure that all Projects are completed and have received final approval as described in Paragraph 10 of Exhibit "C" of this Agreement ("Final Approval") prior to February 28, 2018. TSA shall reimburse Partnership for the cost of the GMS Projects as provided in, and subject to the terms and conditions of this Agreement, provided that TSA and the County, combined, shall not be responsible for any financial contribution, reimbursement or expenditure in excess of the Reimbursement Cap.

G. In addition to other obligations set forth herein, Partnership and TSA agree to abide by, and Partnership agrees to require its Contractor to abide by and follow, the protocols, procedures and scheduling set forth in Exhibit "C" hereto. Partnership shall promptly and completely pay for all design and construction of the Projects, including builder's risk insurance for the Projects, and does hereby guarantee full and satisfactory completion of the Projects, which guarantee is in addition to the payment and performance bonds which shall be required of the Contractor.

3. Reimbursements from TSA to Partnership for GMS Projects.

A. Upon: (i) TSA's Final Approval of a GMS Project (ii) payment therefor by Partnership, and (iii) satisfaction of the requirements of Sections 3.A., 3.B. and 3.C., Partnership shall be entitled to request reimbursement from TSA as provided in this Section 3 for each such GMS Project, up to, but not to exceed, the Reimbursement Cap, but subject to the

following: (i) Partnership shall not be entitled to request reimbursement for the first \$659,305 of costs of the GMS Projects (the "Partnership Equity"), and (ii) the final reimbursement of up to \$4,136,600 of costs of the GMS Projects (the "Reimbursement Holdback") shall not be reimbursed until the conditions set forth in Sections 3.A., 3.B., 3.C. and 3.D. are satisfied.

B. Except for the Partnership Equity and the Reimbursement Holdback, at such time as the requirements of Section 3.A. have been satisfied, evidencing, among other things, that Partnership has constructed, in conformance with the drawings and specifications approved by TSA, and paid for a GMS Project, and submittal by Partnership of a request for reimbursement in form reasonably acceptable to TSA, TSA shall thereafter reimburse Partnership within thirty (30) days of TSA's receipt of the documentation identified in Section 3.A. above and Section 3.C. below, in satisfactory form and content, for Partnership expenditures for each such GMS Project that has been completed and approved by TSA in accordance with this Agreement; except, however, as permitted by Section 2.A. hereof, including approval by TSA after the submission of drawings and specifications, the total amount of reimbursement for an individual GMS Project shall not exceed the total cost value of said GMS Project as listed on Exhibit "B" hereto.

C. Upon completion of each Project as approved by TSA, Partnership shall submit to TSA the following documentation: (i) documentation demonstrating that Partnership has expended the Partnership Equity for GMS Projects; (ii) a certification to TSA that the Project has been completed and finally accepted, together with lien waivers from the Contractor and all other third party contractors, subcontractors and materialmen; (iii) documentation of the out-of-pocket costs incurred by Partnership in designing

and constructing the Project; (iv) a certificate from the Architect, in a form as TSA may reasonably request, that the Project has been constructed in substantial conformance with the Architect's drawings and specifications; and (v) a certificate from the Architect, in a form as TSA may reasonably request, that the out-of-pocket costs incurred by Partnership in designing and constructing the Project constitute commercially reasonable costs for the Project.

D. In addition to satisfying the requirements provided for in Sections 3.A, 3.B. and 3.C., Partnership shall not be entitled to reimbursement for the Reimbursement Holdback until Partnership receives Final Approval for the Himes Project. In the event Partnership does not expend at least \$4,136,000 in costs for the Himes Project, Partnership shall not be reimbursed for the difference between \$4,136,000 and the actual expenditures for the Himes Project unless, and only to the extent, Partnership spends at least such difference on GMS Projects.

E. Notwithstanding anything in this Section 3 to the contrary, requests for direct purchases by TSA of certain specific material and equipment, as described in Section 6, may be initiated at any time, in Partnership's reasonable discretion, provided that all conditions and procedures and limitations of Section 6 are satisfied.

F. TSA and County acknowledge their obligation to take such actions as are described in this Agreement in order to provide for the financing of TSA's reimbursements to Partnership in accordance with this Agreement. Unless an alternative method of financing is otherwise determined by the County in its sole and absolute discretion, the County or TSA shall issue from

time to time revenue bonds or other evidence of indebtedness, the interest paid on which bonds or indebtedness may or may not be exempt from federal income taxation (collectively, the "Bonds") to finance the reimbursements to be made by TSA to Partnership as provided for in this Agreement and to finance the expenses described in Section 9.A. of this Agreement. For purposes of this Agreement, the Bonds shall include any revenue bonds or other evidence of indebtedness issued to refund or otherwise refinance the Bonds. Unless otherwise determined by the County in its sole and absolute discretion to raise funds in an alternative method, the Parties acknowledge that the proceeds of at least two (2) series of the Bonds as described in Sections 3.G. and 3.H. below shall be dedicated as the sole source of funds to be provided to fund such reimbursements.

G. Unless an alternative method of financing is otherwise determined by County in its sole and absolute discretion, one (1) of the series of the Bonds to be issued to finance and/or refinance the reimbursements to be made by TSA to Partnership as provided for in this Agreement, shall be payable solely from the County contribution of legally available revenues received by the County from the additional one percent (1%) tourist development tax that the County is authorized to levy, impose and collect pursuant to Section 125.0104(3)(l), Florida Statutes, as amended, in an amount sufficient to fund all debt service requirements of this particular series of Bonds (the "Fourth Percent TDT"), subject and subordinate in all respects to obligations for indebtedness other than the Bonds heretofore or hereinafter incurred and secured by, or paid with, the Fourth Percent TDT and any obligations for County and TSA indebtedness issued on a parity therewith and the reserve requirements provided

for in Section 4.D.2. of Hillsborough County Ordinance 78-10, as amended by Section 2 of Hillsborough County Ordinance 03-3.

H. Unless an alternative method of financing is otherwise determined by the County in its sole and absolute discretion, another of the series of the Bonds to be issued to finance and/or refinance the reimbursements to be made by TSA to Partnership as provided for in this Agreement, shall be payable solely from the sales tax payments received from the State of Florida pursuant to Section 288.11631, Florida Statutes (the "State Sales Tax Payments"), as provided in Section 14 below.

I. Notwithstanding anything herein to the contrary, neither the obligation to issue the Bonds by County or TSA as provided for in this Agreement nor County's and TSA's other obligations under this Agreement, create any lien upon or pledge of the Fourth Percent TDT nor is County precluded from pledging in the future the Fourth Percent TDT, nor do such obligations give any person any form of claim on the Fourth Percent TDT as opposed to claims of general creditors of the County. Moreover, in no event shall the obligation to issue the Bonds as provided for in this Agreement nor County's and TSA's other obligations under this Agreement be or constitute a general obligation or indebtedness of the County or TSA, a pledge of the ad valorem taxing power of the County or a general obligation or indebtedness of the County or TSA within the meaning of the Constitution of the State of Florida or any other applicable law. No person shall ever have the right to compel the exercise of the ad valorem taxing power of the County, or any other governmental entity or taxation in any form on any real or personal property to satisfy County's obligation to issue the Bonds under this Agreement or satisfy any other County or TSA obligations provided for in this Agreement.

4. Compliance with Laws and Hillsborough County DM/DWBE Guidelines.

A. Partnership shall comply with, and shall cause the Contractor and the Architect to comply with all applicable laws, regulations, codes and rules governing the design, construction and completion of the Projects, including but not limited to, those relating to ADA. Partnership shall cause the Contractor to make good faith efforts in contracting for services and/or materials to achieve the minority and women employment representations in each applicable trade area as established by the U.S. Department of Labor for the Standard Metropolitan Statistical Area that includes Hillsborough County. When practicable, the Contractor shall make use of County's policies and procedures regarding the utilization of Disadvantaged Minority/Disadvantaged Women Business Enterprises and Small Business Enterprises, to identify prequalified subcontractors with whom to contract in order to facilitate achievement of such minority and women participation.

B. Partnership shall also comply with: (i) Hillsborough County, Florida – Code of Ordinances and Laws, Part A, Chapter 30, Article II (Hillsborough County Human Rights Ordinance), as amended, which prohibits illegal discrimination on the basis of actual or perceived race, color, sex, age, religion, national origin, disability, marital status, sexual orientation, or gender identity or expression, in employment, public accommodations, real estate transactions and practices, County contracting and procurement activities, and credit extension practices; and (ii) the requirements of all applicable federal, state and local laws, rules, regulations, ordinances and executive orders prohibiting and/or relating to discrimination, as amended and supplemented,

which laws, rules, regulations, ordinances and executive orders are incorporated herein by reference.

5. **Authority.** The President/CEO of TSA has been authorized by TSA to exercise day to day decision making on behalf of TSA relating to the Projects and the implementation of this Agreement, subject to the limitations and specific provisions of the Resolution granting such authorization. Upon adoption of such Resolution by the TSA board, any directive, consent or decision relating to this Agreement and its performance bearing the signature of the President/CEO shall carry a presumption that it is valid and enforceable as an act of TSA.

6. **Direct Purchases.**

Partnership may, in its reasonable discretion, make written requests for TSA to direct purchase certain specific material and equipment for the Projects that shall be owned by TSA or County. Any such request shall be subject to approval by TSA. In the event Partnership makes such a written request, in its reasonable discretion, and the purchase arrangements for such specific material and equipment hereunder should ever be disapproved by the Florida Department of Revenue (the "FDOR"), or held to be invalid by a final, non-appealable judicial order, then TSA shall pay any applicable sales taxes on the requested purchases, plus any interest and penalties, subject to other applicable terms hereof. The obligations of TSA under the terms of this Section 6, and specifically its duty to directly purchase any item hereunder, are strictly conditioned upon Partnership (i) establishing a non-recourse revolving line of credit in favor of TSA, and in form acceptable to TSA, in the amount of such

purchase orders and (ii) following the TSA procedures for processing direct purchases hereunder, which procedures are attached hereto as Exhibit "D", and which are hereby agreed to by Partnership. Moreover, Partnership agrees that it will not request or be entitled to any reimbursement pursuant to Section 3 of this Agreement for any Projects or portion thereof purchased directly by TSA pursuant to this Section 6.

7. Indemnification.

A. Only with respect to the specific Projects governed by this Agreement, Partnership shall defend, indemnify and hold harmless TSA, County, their officers, employees, and agents (collectively, the "Indemnitees") from and against any and all losses, liabilities, costs, expenses, damages, claims, demands, actions, suits, judgments and other obligations, including without limitation, reasonable attorneys' fees, expenses and court costs at an administrative level, administrative hearings, trial and all appellate levels (collectively, "Adverse Consequences") arising from or as a result of, or in connection with, any action or claim by a third party, including the FDOR, (i) asserting that the requirements of Section 287.055 or 255.20, Florida Statutes, TSA's enabling act or other applicable procurement or tax laws or regulations have been violated as a result of the Parties' adoption or implementation of the procedures for the design, construction and completion of the Projects as provided in this Agreement, including, but not limited to TSA's direct purchase of certain material and equipment therefor as set forth in this Agreement, or any action taken by TSA in connection therewith, (ii) asserting that sales taxes, penalties or interest are due and payable on TSA's purchase of certain material and equipment pursuant to this Agreement, or (iii) creating any occurrence or

event under this Section 7 resulting in a duty of TSA to pay sales taxes, penalties or interest.

B. Only with respect to the specific Projects governed by this Agreement, Partnership shall also defend, indemnify and hold harmless the Indemnitees from Adverse Consequences arising from a negligent act or omission by Partnership or Contractor, or their officers, agents, employees, contractors, guests and invitees, or the breach in the performance of Partnership or Contractor under any contract relating to the Projects, including purchase orders or other documentation for the design, insurance, fabrication, delivery, installation or construction of such material and equipment, including claims for personal injury, death or property/equipment damage.

C. Any third party claim described in Sections 7.A. and 7.B. above is hereafter defined as a "Third Party Claim."

D. In the event of a Third Party Claim, the Indemnitees shall promptly notify Partnership thereof in writing; provided, however, that no delay on the part of the Indemnitees in notifying Partnership shall relieve Partnership from any obligation hereunder unless (and then solely to the extent) Partnership thereby is prejudiced.

E. Partnership shall have the right to defend the Indemnitees against the Third Party Claim with counsel of its choice satisfactory to the Indemnitees so long as (i) Partnership notifies the Indemnitees in writing within fifteen (15) calendar days after the Indemnitees have given notice of the Third Party Claim that Partnership shall defend the Indemnitees from and against the entirety of any Adverse Consequences the Indemnitees may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third Party

Claim, and (ii) Partnership conducts the defense of the Third Party Claim actively and diligently.

F. So long as Partnership is conducting the defense of the Third Party Claim in accordance with Sections 7.A. through 7.E. above, (i) the Indemnitees may retain separate co-counsel at their sole cost and expense and participate in the defense of the Third Party Claim, (ii) the Indemnitees shall not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of Partnership, and (iii) Partnership shall not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnitees.

G. If any of the conditions in Sections 7.A. through 7.E. above is or becomes unsatisfied, however, (i) the Indemnitees may defend against, and consent to the entry of any judgment or enter into any settlement with respect to, the Third Party Claim in any manner they may deem appropriate (provided that the Indemnitees need not consult with, or obtain any consent from Partnership, but shall give prior notice thereof to Partnership), (ii) Partnership shall reimburse the Indemnitees promptly and periodically for the costs of defending against the Third Party Claim (including, without limitation, reasonable attorneys' fees, expenses and court costs at an administrative level, administrative hearings, trial and all appellate levels), and (iii) Partnership shall remain responsible for any Adverse Consequences the Indemnitees may suffer resulting from, arising out of, relating, to, in the nature of, or caused by the Third Party Claim to the fullest extent provided in this Section 7.

H. So long as Partnership is conducting the defense of any Third Party Claim in accordance with Sections 7.A. through 7.E. above, the Indemnitees shall provide reasonable assistance to Partnership in the defense of such Third Party Claim.

I. The Parties agree and stipulate that this Agreement does not constitute a "construction contract" under the provisions of Section 725.06, Florida Statutes.

8. THIS SECTION INTENTIONALLY LEFT BLANK

9. Design Review, Project Administration and Legal Costs.

A. All reasonable costs and fees paid by TSA to its design review consultants, its project administration consultants and its attorneys in connection with this Agreement and TSA's performance of its obligations and rights hereunder, the Amended GMS License Agreement, the Amended Himes License Agreement, and all Resolutions, Exhibits and other documents and activities reasonably relating thereto (the "Renovation Documents"), together with all reasonable costs, (including, but not limited to, any underwriting discount, rating agency fees and printing expenses), reasonably required debt service reserve funds, and fees of County's and TSA's Financial Advisor, Bond Counsel and Disclosure Counsel in connection with the Bonds, in the estimated amount of \$2,289,604, shall be funded out of the proceeds of the Bonds, provided that no such costs and fees shall reduce the Reimbursement Cap.

B. In the event this Agreement terminates pursuant to Section 14 below or for any other reason other than as a result of a breach of this

Agreement by County or TSA, then Partnership agrees to reimburse TSA and County for the cost of their design review consultants, project administration consultants and attorneys in connection with the Renovation Documents, the Bonds, and any professionals, consultants or auditors employed or contracted by the TSA or County in order to comply with Chapter 288, Florida Statutes, rules of the Department of Economic Opportunity ("DEO"), the FDOR or of this Agreement, provided that Partnership's total liability under this Section 9.B. shall not exceed \$150,000. Partnership shall have the right to receive copies of, but not approve, all invoices which it is required to reimburse pursuant to this Section 9.B.

10. Post Construction Contract Administration.

A. Partnership shall diligently acquire and maintain all contract documents, including but not limited to final, revised plans, specifications, change orders, manuals and warranties, and as-built plans (if created) and shall provide copies to TSA. Partnership shall be responsible for post construction administration, including but not limited to preparation of punch lists, punch list inspections and follow through, Final Approval inspections, warranty notices and documents relating to contract and warranty enforcement, correction and/or repair of errors and defects, and maintenance of legal actions relating to any breach of contract, breach of warranty and/or defective construction.

B. Partnership shall take all actions necessary, including but not limited to making demands on the Architect, the Contractor or others, filing and maintaining legal actions or other proceedings to protect the Facilities and to enforce the rights of Partnership, County and TSA with regard to same. The foregoing shall apply to all construction and contracts, except as to items directly purchased by TSA. As to those items purchased by TSA, Partnership

shall conduct periodic inspections and report any defects or potential warranty claims to TSA. Enforcement of warranty or defective construction claims on those items shall be the responsibility of TSA. However, Partnership shall reimburse TSA for all third party costs reasonably incurred by TSA, including but not limited to correction/repair costs, legal, architectural, engineering and other professional or expert costs and fees incurred by TSA in relation to or arising from its enforcement and claims administration activities as set forth in this Section 10.A. and 10.B., whether directly purchased by TSA or not; provided Partnership is given at least 5 days advance written notice of TSA's intent to incur these third party costs, except that in emergency situations TSA shall provide reasonable advance notice. Partnership shall have the right to receive copies of, but not approve, all invoices which it is required to reimburse pursuant to this Section 10.B.

11. **Time of the Essence.** Time is of the essence in the performance of all Parties' obligations contemplated hereunder. Partnership shall cause a "Time of the Essence" clause, as well as default provisions, to be placed in the Contractor's Agreement.

12. **Adoption of Certain Definitions.** All terms used in this Agreement in capitalized form, unless otherwise defined in this Agreement, shall have the same meanings as ascribed to them in the Amended GMS License Agreement.

13. **Governing Law and Dispute Resolution.** This Agreement shall be governed and enforced in accordance with the laws of the State of Florida. Any dispute arising out of or relating to this Agreement shall be resolved by a

state court of appropriate jurisdiction in Hillsborough County, Florida, it being agreed hereby that both venue and jurisdiction are appropriate in said state courts.

14. Application for, Certification and Agreement to Receive State Funding; Agreement Contingencies.

A. TSA and County acknowledge that the completion of the Projects contemplated by this Agreement will serve a paramount public purpose. As a result, within 30 days following the execution and delivery of this Agreement and the delivery to TSA of a fully and correctly completed application and all documents and information required or requested by the State of Florida and any documentation reasonably requested by TSA, TSA or County shall file an application as deemed appropriate by the Applicant, for certification pursuant to Section 288.11631, Florida Statutes, for retention of a Major League Baseball spring training baseball franchise. The Parties agree that the rights and obligations arising from and under this Agreement, including but not limited to, the obligation of Partnership to construct and fund the Projects, the obligation of TSA to reimburse Partnership as provided for in this Agreement, and the obligation to provide for the financing of such reimbursement provided for in Section 3.F. of this Agreement, shall be contingent upon TSA's or County's receipt of certification to receive State funding for a facility for a spring training franchise pursuant to Section 288.11631, Florida Statutes, in an amount sufficient to generate at least \$13,635,250 (in the estimation of the County's Financial Advisor based on market conditions then existing) in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs estimated to total \$489,750 as

described in Section 3.H. of this Agreement (the "Minimum Amount") and execution of an agreement by TSA or County and DEO providing for, among other things, an award of State funding to be distributed which award is sufficient to generate at least the Minimum Amount (collectively, the "Certification"). Should the Certification fail to occur on or before September 1, 2016, or up to sixty (60) days thereafter if approved by Partnership, TSA and the County Administrator of County, the Renovation Documents shall be automatically terminated, and shall be null and void, unless otherwise mutually agreed in writing by all Parties or unless Partnership elects to prevent such termination as provided below. The foregoing notwithstanding, in the event the Certification is to receive State funding in an amount less than the Minimum Amount, Partnership shall have the right to prevent the termination of the Renovation Documents by agreeing to provide additional funds to offset the insufficiency by providing TSA and County written notice thereof within thirty (30) days following the Certification. In the event Partnership exercises such right, the first (\$35,765,396) and third (\$13,635,250) monetary amounts provided for in Section 2.D. of this Agreement shall be deemed to be reduced by, and the third (\$659,305) monetary amount provided for in the twelfth recital clause and the first (\$659,305) monetary amount provided for in Section 3.A. of this Agreement shall be deemed to be increased by, the difference between \$13,635,250 and the monetary amount in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs resulting from the actual award from the State in the estimation of County's Financial Advisor based on market conditions then existing.

B. Although TSA or County shall be the applicant under the provisions of Section 288.11631, Florida Statutes, it is agreed that the

assistance and full cooperation of Partnership shall be essential to the success of the application. As a result, Partnership agrees to promptly provide such assistance and information as may be reasonably requested by TSA or County in relation to the application process, shall provide in good faith any and all data or information provided by Partnership in connection therewith, and does hereby agree to indemnify, defend and hold harmless TSA and County from and against all claims, losses, suits and costs relating to any inaccuracy of the information and data provided by Partnership during the application process and thereafter, should funding by the State occur.

C. Partnership agrees to fully abide by and adhere to all requirements and obligations arising from Chapter 288 Florida Statutes, rules of the DEO or of this Agreement, to provide full and expeditious assistance to TSA and County in formulating and providing reports and data required by the DEO or the State of Florida. Partnership further agrees to reimburse TSA and County on an annual basis, for (i) fifty percent (50%) of the initial \$10,000 of the cost of any professionals, consultants or auditors employed or contracted by the TSA or County in order to comply with Chapter 288, Florida Statutes, rules of the DEO, the FDOR or of this Agreement and (ii) one hundred percent (100%) of the amount, if any, that such cost exceeds \$10,000.

15. **Prevailing Party.** In the event of a dispute arising under this Agreement, whether or not a lawsuit or other proceeding is filed, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs, including attorneys' fees and costs incurred in litigating entitlement to attorneys' fees and costs, as well as in determining or quantifying the amount of recoverable attorneys' fees and costs. The reasonable costs to which the prevailing party is entitled shall include any costs that are taxable under any

applicable statute, rule or guideline, as well as any non-taxable costs reasonably incurred in connection with the dispute, including, but not limited to, costs of investigation, copying, electronic discovery, information technology charges, telephone and mailing costs, consultant and expert witness fees, travel expenses, court reporter fees and transcript charges, and mediator fees, regardless of whether such costs would be otherwise taxable.

16. **Recitals.** The introductory recitals of this Agreement are true and correct and are incorporated in this Agreement by reference.

Exhibit C

Design Documents Review and
Construction Protocol and Procedures

Documents Review Phase

1) Partnership shall provide 100% drawings and specifications along with construction schedules for each Project listed on Exhibit "B" to TSA for review. In acknowledging this is a design-build delivery system for the Projects, TSA agrees that drawings and specifications for certain Projects may be delivered in stages rather than as a complete set of drawings and specifications for such Projects, and that TSA will be asked to approve those drawings and specifications in stages. All drawings and specifications shall be forwarded in electronic format for distribution by Partnership to TSA. Four half sized drawing sets and four sets of specifications in hard copy format shall also be provided directly to TSA for use by its staff. TSA shall conduct a general review of the drawings and specifications and provide comments within fourteen days (14) of receipt.

2) Project(s) may be divided by the Partnership into subprojects for purposes of document review only and not for purposes of Final Approval (defined below) or reimbursement, with a separate schedule of values for each.

3) Some Projects may represent replacement only of specific products/items and will not require construction drawings, only written specifications sufficient to indicate the basis for design.

4) Within fourteen (14) days of TSA providing comments to Partnership as outlined in Paragraph 1 above, the Partnership shall provide any comments responsive to TSA's comments, which shall include specific and actionable suggestions for incorporation of the TSA comments into the documents.

5) Upon reaching an agreement with TSA on the suggestions required by Paragraph 4 above, Partnership's Architect shall submit revised drawings and specifications to TSA in electronic and hard copy format as previously defined for review for compliance with all previous TSA comments. These will represent the bidding/permitting documents.

6) Upon TSA's acceptance of the drawings and specifications for all or a portion of a particular Project, TSA shall provide to Partnership written authorization to proceed with construction.

7) Subsequent to this approval by TSA, any future drawings and specifications that reflect non-material changes to a Project, including changes made through Change Orders under the Contractor's Agreement or otherwise, shall require TSA review and approval in accordance with the above-referenced protocol, except that TSA shall provide its comments to such proposed changes within seven (7) days of receipt of the proposed changes. In addition to TSA review and approval in accordance with the above-referenced protocol, any future drawings and specifications that reflect material changes to a Project shall require County approval. For purposes of this Exhibit "C" and this paragraph #7 specifically, a "material change" shall mean (i) the addition of a new Project, (ii) the deletion or discontinuation of a project listed on Exhibit "B" so that it will not be completed, or (iii) any change that does not provide for at least the functional equivalent of what is to be replaced or redesigned by the change, provided that the possible elimination of the vomitory expansion has already been approved and shall not require County approval.

Construction Phase

8) Once final construction and/or completion of a Project has been approved and accepted by the Partnership and beneficial occupancy can take place,

Partnership shall schedule a walk through with TSA for the purpose of performing a final inspection of each Project as identified on Exhibit "B" to the Facility Renovation Agreement. A punch list of items remaining to be completed on each Project shall be agreed upon.

9) Partnership shall provide to TSA a separate schedule of costs incurred and copies of progress payment requests and payments made by Partnership relating to those requests at the time that the walk through inspection takes place.

Final Approval

10) Upon completion of corrections or completion of punch list items satisfactory to Partnership and TSA, and examination of the documents outlined in paragraph 9 for each Project, TSA shall provide written notice to Partnership that said Project has received final approval for purposes of meeting the requirements for reimbursement under Section 3 of the Facility Renovation Agreement ("Final Approval"). Achieving Final Approval shall not relieve Partnership of any other requirement for reimbursement set forth within Section 3 of the Facility Renovation Agreement.

Exhibit D Facility Renovation Agreement

Direct Purchase Procedures

These procedures are designed for the efficient management and implementation of certain purchases of materials and equipment by the Tampa Sports Authority ("TSA") as part of construction activities under that certain Facility Renovation Agreement to which these procedures are attached as Exhibit D. Unless otherwise specifically provided herein, the terms and words herein shall have the same meaning as within the Facility Renovation Agreement.

A. Administration.

1. All direct purchases shall be administered by and processed through the office of Vice President of Finance, Tampa Sports Authority. Any request for a direct purchase by Partnership should be addressed to:

David Byrne
Vice President of Finance
Dbyrne@TampaSportsAuthority.com

2. In an effort to allow TSA to staff appropriately, Partnership shall provide TSA with a listing of items that will be evaluated for direct purchase by May 31, 2016. This listing will be updated with inclusions/exclusions each month thereafter until the completion of the renovation. This listing will denote the approximate timing of the project/item purchase and will indicate any project/items that will require a pre-bid conference.

3. TSA will process the purchase only if sufficient funds are available to TSA. TSA will notify Partnership immediately of the unavailability of funds for any requested purchase.

B. Purchases through TSA standard procurement process.

1. At a minimum of 30 days prior to the time when Partnership would like the bids received, Partnership will provide to TSA a completed bid form as approved in advance by TSA. This bid form will indicate a Partnership or Contractor representative that can be contacted by the vendors with questions regarding the bid specifications and project. Any changes to the bid form as initially approved by TSA shall be clearly denoted by Partnership for TSA review.

2. TSA shall evaluate the completed bid form. If there are no revisions or clarifications deemed necessary by Partnership and acceptable to TSA, TSA shall then advertise the bid in accordance with TSA procurement requirements.

3. All written questions and answers provided to Partnership or the Contractor representative shall be provided to TSA prior to them being answered, to allow for the proper posting of this information to all potential vendors.

4. 10 days after the bid due date, TSA shall evaluate and rank the responsive bids. Partnership will provide a representative to work with TSA in the bid review process. TSA will provide these rankings to Partnership.

5. Partnership will notify TSA in writing within 30 days of the receipt of the rankings if they would like to proceed with the winning bid. TSA will notify all bidders of the selection or cancelation of the bid.

C. Purchasing through alternative methods.

1. In order to minimize costs and ensure consistency of quality, style, product and design with existing Facility features, as well as Facility Improvements being purchased, constructed or otherwise acquired by Partnership outside of this direct purchase procedure, to the extent practical, TSA will attempt to utilize existing vendors, contractors and professionals contracted by Partnership for the Facility Improvements; provided, however, that all purchases by TSA hereunder shall be in

compliance with laws, regulations or policies applicable to TSA relating to procurement of products, equipment, services, goods and materials.

2. In the case of purchases through alternative methods, subject to prior approval by TSA, Partnership or its Contractor shall negotiate and prepare purchase orders, as agent for the TSA, for the procurement of certain materials and equipment, to be purchased by TSA and incorporated into the project by Partnership or Contractor, that normally would require the payment of Florida sales tax if the purchaser was not a tax-exempt entity ("Materials"). Each purchase order shall define TSA as the purchaser and ultimate consumer of the Materials and will include TSA's State of Florida sales tax exemption number set forth in TSA's Florida Department of Revenue Certificate of Exemption. TSA will provide Partnership or Contractor with purchase orders for this purpose, including applicable warranty requirements.

3. After execution of the purchase orders by TSA, Partnership or Contractor shall submit the purchase orders to the supplier of the Materials (the "Supplier"). TSA will also provide copies of its certificate of exemption, which Partnership or Contractor shall submit to the Supplier along with the executed purchase orders.

D. General provisions relating to all purchases.

1. Partnership or Contractor shall be responsible for ordering, inspecting, accepting delivery, storing, handling, installing, and quality control for the Materials purchased, all in accordance with the terms and conditions of these procedures.

2. Upon submission of the invoice for such Materials by the Supplier to TSA, approval of the invoice by TSA, Partnership or Contractor, and acceptance of the Materials by Partnership and TSA, the invoice (which shall be made out to TSA and not Partnership or Contractor) shall be paid by TSA to the Supplier, contingent upon availability of funds. After payment is made to the Supplier, a deductive Change Order to the Contractor's Agreement shall be issued by Partnership and signed by Contractor reducing the Contract Price by the amount of such direct payment to the Supplier and the corresponding sales tax previously included in the Contract Price for the purchased Materials.

3. Materials shall be delivered by Supplier to the project site. Title to all the Materials shall immediately be vested in TSA as the ultimate consumer, upon acceptance of the Materials and payment by TSA to Supplier. Partnership shall obtain such insurance to protect the Materials from risk of loss prior to incorporation by Construction Manager into the Work.

4. Once the item is received by the Contractor/Partnership, TSA will immediately be provided the receiving documents and accompanying invoice(s). Additionally, TSA will be provided the opportunity to place a County issued property tag on the item.

5. Any costs incurred by TSA as a result of a direct purchase process, including, but not limited to advertising, legal fees or additional staff, will be the responsibility of Partnership. TSA will provide notice to Partnership of an estimate of anticipated additional staff costs in advance of incurring these costs.

FIRST AMENDMENT TO
NEW YORK YANKEES FACILITY RENOVATION AGREEMENT

This First Amendment to New York Yankees Facility Renovation Agreement ("First Amendment") is entered into as of the 25th day of October, 2016, by and between the TAMPA SPORTS AUTHORITY, a body politic and an independent special district under the laws of the State of Florida ("TSA"), NEW YORK YANKEES PARTNERSHIP, an Ohio limited Partnership ("Partnership"), and HILLSBOROUGH COUNTY, FLORIDA ("County"). The foregoing entities are sometimes individually referred to as "Party" and collectively referred to as the "Parties."

Recitals

WHEREAS, TSA, Partnership and County are parties to a New York Yankees Facility Renovation Agreement dated as of April 20, 2016 (the "FRA") relating to the design, construction and financing of certain renovation improvements to Partnership's spring training facilities in Tampa, Florida; and

WHEREAS, the Parties desire to amend the FRA as herein provided and such action is in the best interest of the Parties; and

WHEREAS, capitalized terms set forth in this First Amendment shall have the meanings set forth in the FRA if not otherwise defined herein.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, receipt of which is hereby acknowledged, the Parties wish to amend the FRA as follows:

1. Extension of Termination Date. The fourth sentence of Section 14.A. of the FRA is hereby amended to extend the effective termination date of the FRA by removing the date "September 1, 2016" and inserting in lieu thereof the date "December 31, 2016."

The Parties further agree that the ability to extend such date by approval of Partnership, TSA and the County Administrator of County as provided in the fourth sentence of Section 14.A. shall remain applicable and in full effect.

2. DEO Agreement Terms, Conditions and Indemnifications. The FRA is amended by adding thereto a new Section 8 to read as follows:

8. Terms, Conditions and Indemnifications Relating to the DEO Agreement.

A. It is contemplated that, in furtherance of the agreement of the Parties to seek certification and funding by the State of Florida pursuant to sections 212.20 and 288.11631, F.S ("the Act"), an agreement between TSA, as the Applicant, and DEO (hereinafter defined) will be entered into entitled "Sports Development Program Agreement (the "DEO Agreement"). The DEO Agreement will govern the rights and obligations of TSA and DEO with respect to funding under the Act.

B. The DEO Agreement, when fully effective, will impose requirements and conditions upon TSA, as Applicant, which requirements relate either to the GMS Projects for which funding from the DEO is being sought or to the funding itself.

(1) Those requirements will include, among other things: (a) the maintenance and production of documentation evidencing compliance with the Act by TSA and Partnership; (b) production of annual reports and accountings of expenditures for the GMS Projects; (c) production of all amendments, modifications, extensions and assignments of the GMS License Agreement, this Agreement and other relevant contracts; (d) production of yearly cost benefit analyses; (e) evidence of efforts to promote the GMS Facility; (f) progress and status reports relating to construction and completion of the GMS Projects; and

(g) such other documentation and information as may be requested by DEO relating to the GMS Projects or to the DEO Agreement. Partnership agrees to assist and support TSA to the fullest extent possible, in complying with any and all such requirements, including, if requested by TSA, the production of documents and information within Partnership's custody, possession and/or control. Partnership shall, on an annual basis, reimburse TSA's costs, consulting, expert and attorneys' fees reasonably expended in the process of complying with the DEO's requirements, said costs and fees to be shared between TSA and Partnership in the manner as provided for under Section 14.C. hereof. As an example, if, in a given year, TSA reasonably incurs \$10,000.00 of costs and fees to comply with DEO's requirements, and \$10,000.00 of costs and fees under Section 14.C., Partnership would reimburse TSA a total of \$15,000.00.

(2) The DEO Agreement will also place contractual responsibility and liability upon TSA, as Applicant, for the work performed and costs incurred, in connection with the GMS Projects, and will require TSA to fully indemnify, protect and hold harmless DEO and the State of Florida from all claims, suits, costs and losses, unless such claims, suits, costs and losses are the result of acts or omissions of DEO. Partnership acknowledges that it has accepted, by virtue of this Agreement, full responsibility for the costs, work and timely completion of the GMS Projects and has agreed to indemnify TSA as provided under Section 7 hereof. In addition to the indemnities provided in Section 7 or otherwise in this Agreement, Partnership shall defend, indemnify and hold harmless TSA from and against any and all Adverse Consequences arising from or as a result of, or in connection with, any action or claim by DEO or the State of Florida under the indemnity provisions of the DEO Agreement, provided, however, that Partnership is not obligated to indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of TSA, and provided further that with

respect to any indemnity claim of DEO against TSA for which TSA seeks indemnity against Partnership, TSA shall have the same obligations to Partnership as DEO has to TSA under the DEO Agreement's indemnity provisions and Partnership shall have the same rights as TSA under those provisions.

(3) The DEO Agreement may require TSA, as the Applicant, to ensure that contracts entered into by TSA or Partnership in connection with the GMS Projects, contain certain provisions requiring compliance with certain requirements, including the DEO Agreement and all applicable laws, including, but not limited to, the Florida Public Records Act, applicable regulations, audit, accounting, performance and reporting requirements, confirming their independent status and disavowing any agency, joint venture, partnership or similar status with DEO or the State of Florida. Partnership agrees to insert or cause to be inserted into all of its contracts relating to the GMS Projects, effective as of the date determined by DEO to be appropriate, all provisions that are required of TSA and its contractors under the DEO Agreement and as required or requested by DEO to ensure that no condition exists among such contracts or contractors that would violate the DEO requirements or cause TSA to be in violation thereof.

(4) The DEO Agreement will require that TSA, as the Applicant, retain and maintain certain enumerated and identified records and types of records, relating to the expenditure of State or DEO funds, for the GMS Projects and to the DEO Agreement, in accordance with generally accepted procedures, and that those records be made available to DEO or other enumerated governmental agencies or offices; and that TSA comply with certain audit requirements and standards. Partnership agrees to fully and promptly comply with any request by TSA or DEO for such records, to maintain and provide such records at its cost, and to require its

contractors, subcontractors, agents and consultants to comply with such requirements and requests by DEO.

(5) In addition to the requirements identified in this Section 8. B(1) through (4), the DEO Agreement may include numerous other requirements of TSA, as the Applicant, and its contractors. Partnership agrees that, because of the obligations it has assumed in this Agreement pertaining to the design, construction, management and payment for the GMS Projects, it shall take all actions and provide all assistance necessary, as reasonably determined by TSA, for the satisfactory completion by TSA of all requirements of TSA, as Applicant, under the DEO Agreement. In addition, Partnership agrees to reimburse TSA on an annual basis for all out of pocket expenses and fees reasonably incurred by TSA during the certification and funding process and thereafter arising from and in accordance with requirements imposed upon TSA, as the Applicant, under the DEO Agreement, said costs and fees to be shared between TSA and Partnership in the manner as provided for under Section 14.C. hereof. Further, Partnership shall defend, indemnify and hold harmless the Indemnitees from and against any Adverse Consequences arising from or as a result of, or in connection with, any action or claim by a third party, including but not limited to DEO, the State of Florida or any other party resulting partially or wholly from or in connection with any negligent act or omission, breach of contract or default by Partnership, its agents, contractors or subcontractors with respect to any of its obligations set forth in this Section 8 or arising from or relating to the DEO Agreement; provided, however, that the duty to indemnify shall not apply with respect to any claim resulting from the negligent acts or omissions of TSA.

C. In the event of the occurrence of any requirement for indemnification by Partnership under this Section 8, the process, terms and

procedures for indemnification set forth in Section 7, D.,E.,F.,G. and H. shall apply.

3. **Effect of First Amendment on FRA.** All other terms and conditions of the FRA not modified herein, shall remain in full force and effect.

4. **First Amendment Effective Date.** This First Amendment shall become effective on the date upon which it has been executed by all Parties.

[signatures appear on the next page]

APPROVAL OF EXTENSION OF DATE OF CERTIFICATION

The undersigned, as the President and CEO of the TAMPA SPORTS AUTHORITY, ("TSA"), the County Administrator of HILLSBOROUGH COUNTY, FLORIDA ("County") and the authorized signator for the NEW YORK YANKEES PARTNERSHIP, an Ohio limited Partnership ("Partnership") do hereby certify as follows:

1. On or about the 20th day of April, 2016, TSA, County and Partnership entered into a NEW YORK YANKEES FACILITY RENOVATION AGREEMENT (the "Original Facility Renovation Agreement") relating to the design, construction and financing of certain renovations and improvements to Partnership's spring training facilities in Tampa, Florida; and

2. On the same date, the foregoing parties entered into certain other related agreements, including an Amended and Restated George M. Steinbrenner Field License Agreement, and an Amended and Restated Himes Player Development Complex License Agreement (the "Renovation Documents"), and

3. On or about the 25th day of October, 2016, the foregoing parties entered into a First Amendment to New York Yankees Facility Renovation Agreement (the "First Amendment to FRA"), a First Amendment to Amended and Restated George M Steinbrenner Field License Agreement, and a First Amendment to Amended and Restated Himes Player Development Complex License Agreement (the Original Facility Renovation Agreement and the First Amendment to FRA are collectively referred to as the "FRA"); and

4. The FRA contains, at Section 14 A. thereof, the following provision:

"A. TSA and County acknowledge that the completion of the Projects contemplated by this Agreement will serve a paramount public purpose. As a result, within 30 days following the execution and delivery of this Agreement and the delivery to TSA of a fully and correctly completed application and all documents and information required or requested by the State of Florida and any documentation reasonably requested by TSA, TSA or County shall file an application as deemed appropriate by the Applicant, for certification pursuant to Section 288.11631, Florida Statutes, for retention of a Major League Baseball spring training baseball franchise. The Parties agree that the rights and obligations arising from and under this Agreement, including but not limited to, the obligation of Partnership to construct and fund the Projects, the obligation of TSA to reimburse Partnership as provided for in this Agreement, and the obligation to provide for the financing of such reimbursement provided for in Section 3.F. of this Agreement, shall be contingent upon TSA's or County's receipt of certification to receive State funding for a

facility for a spring training franchise pursuant to Section 288.11631, Florida Statutes, in an amount sufficient to generate at least \$13,635,250 (in the estimation of the County's Financial Advisor based on market conditions then existing) in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs estimated to total \$489,750 as described in Section 3.H. of this Agreement (the "Minimum Amount") and execution of an agreement by TSA or County and DEO providing for, among other things, an award of State funding to be distributed which award is sufficient to generate at least the Minimum Amount (collectively, the "Certification"). Should the Certification fail to occur on or before December 31, 2016, or up to sixty (60) days thereafter if approved by Partnership, TSA and the County Administrator of County, the Renovation Documents shall be automatically terminated, and shall be null and void, unless otherwise mutually agreed in writing by all Parties or unless Partnership elects to prevent such termination as provided below. The foregoing notwithstanding, in the event the Certification is to receive State funding in an amount less than the Minimum Amount, Partnership shall have the right to prevent the termination of the Renovation Documents by agreeing to provide additional funds to offset the insufficiency by providing TSA and County written notice thereof within thirty (30) days following the Certification. In the event Partnership exercises such right, the first (\$35,765,396) and third (\$13,635,250) monetary amounts provided for in Section 2.D. of this Agreement shall be deemed to be reduced by, and the third (\$659,305) monetary amount provided for in the twelfth recital clause and the first (\$659,305) monetary amount provided for in Section 3.A. of this Agreement shall be deemed to be increased by, the difference between \$13,635,250 and the monetary amount in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs resulting from the actual award from the State in the estimation of County's Financial Advisor based on market conditions then existing."

5. It is anticipated that the Certification, as defined in and contemplated by said section 14.A., will not occur by December 31, 2016, through no fault of the TSA, the County or the Partnership; and

6. Partnership has requested and the President and CEO of TSA and the County Administrator of County desire to provide for the extension of the term of the FRA and the Renovation Documents for sixty (60) days by approving the extension of the date by which the Certification must occur from December 31, 2016 to March 1, 2017;

7. In accordance with the provisions of Section 14.A of the FRA, the undersigned do hereby approve a sixty (60) day extension (from December 31, 2016 to March 1, 2017) of the date by which the Certification must occur.

IN WITNESS WHEREOF, we have hereunto affixed our official signatures on the dates indicated below.

COST-BENEFIT ANALYSIS

**New York Yankees Spring Training
Tampa, Florida**

2021 Economic Impact Report

Spring Training is vital to the health and vibrancy of the economy of Hillsborough County. Demonstrating this impact, the following information has been compiled with certain specific data (e.g., purpose of attendee visits) and methodologies from the 2009 Major League Baseball Florida Spring Training Economic Impact Study Report (“MLB Impact Study”) published in June of 2009 by the Florida Sports Foundation and the Bonn Marketing Research Group, Inc. The information contained herein represents the estimated Economic Impact to Hillsborough County and the Tampa Bay region as a result of the Direct Spending on accommodations, restaurants, groceries, shopping, entertainment & transportation (“Direct Spending”) associated with New York Yankees Spring Training games, events or activities which occurred in Tampa, FL in 2021 (“Yankees Spring Training”) in a manner consistent with the MLB Impact Study as updated with 2021 spending statistics. Please note that safety measures, which included fewer games, social distancing, and capacity limitations, were in place due to the coronavirus pandemic (“Covid-19. George M. Steinbrenner hosted 14 home games, but at a capacity cap that was approximately 28% due to Covid-19).

Attendance:

Yankees Spring Training Season	Total Attendance	Number of Home Games	Average Attendance Per Home Game
2021	35,215	14	2,515

* 14 home games were played at 28% capacity due to Covid-19 safety precautions

Attendee Purpose:

- 2.) **Out-of-State-Other Purpose:** A visiting party from outside of Florida that visited the area for vacation, but attended Yankees Spring Training.
- 3.) **Non-County-Primary Purpose:** A visiting party in attendance from another County in Florida that visited expressly for Yankees Spring Training.
- 4.) **Non-County-Other Purpose:** A visiting party to Hillsborough County for another purpose, but attended Yankees Spring Training.
- 5.) **Local:** A Hillsborough County resident.

Using the Total Direct Spending in the above chart, the indirect and induced effects were estimated using multipliers based on the IMPLAN system. These multipliers are specific to the local market and are used to estimate a total economic impact resulting from Direct Spending. Indirect effect indicates the secondary impact caused by changing input of needs in directly affected industries, and induced effect is caused by the changes in household spending due to additional employment generated.

As the following chart indicates, the total Economic Impact from attendees as a result of the 2021 Yankees Spring Training is estimated to be \$48,869,876 (Due to Covid-19 all 14 home games were played, but with limited capacity restrictions).

1. Local, State, and Team Funded Expenses

Pursuant to Section 4(h)(1) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide a detailed accounting of all local and state funds expended to date on the project as of the date of submission of this Annual Report. In addition to this detailed accounting, WVID must submit a summary of all local, state, and private funds expended on the project as of the date of submission of this Annual Report.

Prior to the financing closing date, the Atlanta National League Baseball Club, LLC (“ANLBC”) directly contributed \$5,381,903.88 of private monies toward the design and construction of the project. Thereafter, in conjunction with its financing of the project, WVID entered into that certain *Custodian and Depositary Agreement*, dated December 21, 2017, by and between WVID, Sarasota County (the “County”), ANLBC, and U.S. Bank National Association as collateral agent and depositary bank (the “Custodian Agreement”). Pursuant to the Custodian Agreement, the District established three (3) separate bank accounts to hold the construction funding for the project- a County Construction Subaccount, a State Sales Tax Bonds Construction Subaccount, and a Construction Account (collectively, hereinafter referred to as the “Accounts”). Upon the depletion of the entirety of the Accounts, ANLBC is obligated to remit funding to the District for any remaining expenses relative to the design and construction of the stadium facility.

Please see the below chart for a summary of the amounts deposited into each of the Accounts, and the amounts disbursed for the design and construction of the stadium facility through the date of this Annual Report.

2. Spring Training Facility Agreements

NON-RELOCATION AGREEMENT

This Non-Relocation Agreement (this "Agreement") is made and entered into as of this ___ day of May, 2017 by and among Sarasota County, Florida, a charter county and political subdivision of the State of Florida (the "County"), West Villages Improvement District, an independent special district created pursuant to Chapter 189, Florida Statutes and Chapter 2004-456, Laws of Florida, Acts of 2004, as amended ("WVID") and Atlanta National League Baseball Club, LLC, a Georgia limited liability company ("ANLBC"). The County, WVID and ANLBC shall be referred to herein jointly as the "Parties" and each, individually, as a "Party".

RECITALS

WHEREAS, ANLBC is the owner and operator of the Major League Baseball franchise known as the Atlanta Braves ("Team").

WHEREAS, contemporaneously with the execution of this Agreement, (i) the County and ANLBC, have entered into a Facility Operating Agreement (the "Facility Operating Agreement") providing for the operation and management of the Facility by ANLBC; and (ii) the County, ANLBC, WVID, the City of North Port, a Florida municipal corporation ("City"), Manasota Beach Ranchlands, LLLP, a Florida limited liability limited partnership ("Developer"), and Calben (US) Corporation, a Delaware corporation ("Developer Guarantor") have agreed to enter into a Development Agreement providing for the design, development, construction and financing and administration of the Facility as described therein on the Facility Site (the "Development Agreement"). Capitalized terms used but not defined in this Agreement have the meanings set forth in the Facility Operating Agreement.

WHEREAS, as a material inducement to (i) the County to enter into the Facility Operating Agreement and (ii) the County, City, WVID, Developer and Developer Guarantor to enter into the Development Agreement, ANLBC has agreed to enter into this Agreement to assure that the Team will play its Grapefruit League Home Games at the Facility for the Term and on the other terms and conditions set forth herein.

NOW, THEREFORE, the Parties agree as follows:

1. **Definitions.**

"Alternate Site Condition" shall mean the existence of any one of the following conditions:

- i. MLB determines the condition of the Facility is or reasonably is expected at the scheduled time of any Grapefruit League Home Games to be (e.g., due to an impending or recently occurring storm) such that MLB Rules and Regulations (including, without limitation, a specific MLB directive) prohibits the playing of Grapefruit League Home Games at the Facility in a written direction, declaration or ruling addressed to ANLBC and provided ANLBC has forwarded a copy of such written direction, declaration or ruling to the County and WVID;

- ii. all or a Significant Portion of the Facility is damaged or destroyed by fire or other casualty as described in Section 25 of the Facility Operating Agreement;
- iii. all or a Significant Portion of the Facility is being utilized for disaster preparedness, disaster response or shelter as described in Section 19 of the Facility Operating Agreement, or
- iv. a Governmental Authority determines the use or occupancy of any material portion of the Facility is (a) not permitted under any Applicable Law or (b) is unsafe for customary usage.

"ANLBC Personnel" shall mean the individual officers, directors, partners, shareholders, members, employees and agents of ANLBC and their Affiliates.

"Bankruptcy Code" shall mean the United States Bankruptcy Code.

"Final Order" shall mean when a court of competent jurisdiction determines, in a final and non-appealable order, that ANLBC has breached its covenants under Section 2 of this Agreement.

"Infrastructure" shall mean the off-Facility Site roadway design, permitting and construction to facilitate ingress and egress to the Facility Site meeting all applicable governmental standards and requirements, and wastewater and water infrastructure design, permitting and construction, bringing utilities (stubbed to the Facility Site) to serve the Facility for its intended purpose, as will be more particularly described in the Development Agreement, to be performed, or caused to be performed by Developer as provided in this Agreement.

"Liquidated Damages" shall mean the sum of (a) the outstanding balance of principal and interest of the WVID Debt as well as any required call premiums; provided, however, that if the WVID Debt is not callable, the amount required to fully fund an escrow to pay-off the WVID Debt on the first call date plus all required debt service payments plus any required call premiums through the call date, (b) the present value of all unpaid ANLBC payments to the Capital Maintenance Fund due and payable for the remainder of the Term under the Facility Operating Agreement, (c) the amount required to pay-off the County Bonds including the amount of outstanding principal and interest as well as any required call premiums; provided, however, that if the County Bonds are not callable, the amount required to fully fund an escrow to pay-off the County Bonds on the first call date plus all required debt service payments plus any required call premiums through the call date, (d) the lesser of (x) the amount required to reimburse Developer and WVID for Infrastructure and (y) the then unamortized amount of Infrastructure (based on actual depreciation in accordance with the applicable financial statements for the first five years, then thereafter straight-line depreciation over a subsequent period of 25 years), (e) in the event that the County will not continue to use the Facility as a ballpark, the expense required by Developer to gain repossession of the land plus the cost to clear the ballpark from the Facility Site, (f) any amounts outstanding related to the design and/or construction agreements for the project, to which WVID is a party, and (g) any additional

professional costs incurred by Developer and WVID as a result of any Non-Relocation Default. Present value for purposes of this paragraph shall be calculated by utilizing a discount rate of two and a half (2.5) percent.

"Non-Relocation Default" shall mean any breach by ANLBC of any of the terms, covenants or agreements of Section 2 of this Agreement.

"Non-Relocation Covenants" shall mean the collective covenants made by, and obligations imposed on, ANLBC pursuant to Section 2 of this Agreement.

"Non-Relocation Term" shall mean the term of this Agreement, commencing with the funding of the County Bonds and WVID Debt and ending on the termination of this Agreement pursuant to Section 5.4 of this Agreement.

2. Covenant to Play Grapefruit League Home Games at the Facility. In compliance with Section 288.11631(2)(a)2., Florida Statutes, the County covenants and agrees not to amend the Facility Operating Agreement in a manner which would permit the use of the Facility by ANLBC for a team that is less than the length of the term of the State Sales Tax Payment Bonds. Subject to Section 3 of this Agreement, ANLBC covenants and agrees that throughout the Non-Relocation Term, as applicable:

2.1 ANLBC shall maintain and operate the Facility in the County;

2.2 the Team shall play all of its scheduled Grapefruit League Home Games at the Facility; and

2.3 ANLBC (a) shall not enter into any contract or agreement, or make any request or application to MLB, to (i) relocate or operate its Spring Training facility outside of the County in violation of Section 2.1 or (ii) have the Team play any Home Game in any location other than the Facility in violation of Section 2.2; and (b) shall not (i) entertain any offer or proposal to relocate the Team to a location other than the Facility, (ii) solicit an offer or proposal from any Person to enter into discussions regarding moving the Team to a location other than the Facility, (iii) enter into negotiations with third parties concerning the relocation of the Team to a location other than the Facility, or (iv) otherwise attempt to cause the playing of Grapefruit League Home Games at a location other than the Facility, except as provided in Section 3.

3. Exceptions.

3.1 Notwithstanding the provisions of Section 2, the Team shall be permitted to play what would otherwise be a Home Game at a location other than the Facility in the event of an Alternate Site Condition; provided, however, that ANLBC shall not be relieved of its obligations with regard to the Facility Debt.

3.2 Up to three (3) Grapefruit League Home Games per season (not including any games played in different locations under Section 3.1 above), in an international or other location as requested by MLB or another MLB Club; provided that, ANLBC shall provide prior written notice, as specified in Section 15, to the County and WVID not later

than January 1 of any operating year of such Grapefruit League Home Game scheduled for the upcoming MLB season. Notwithstanding the foregoing, ANLBC remains expressly obligated to exhibit, promote, schedule and play or conduct at least eighty percent (80%) or fifteen (15) Grapefruit League Home Games per season (whichever is greater) in the main stadium of the Facility, between the Team and another Major League Club, with at least two (2) such games scheduled to begin after 6:00 pm, subject to MLB Rules and Regulations.

3.3 If Substantial Completion occurs on or after the date on which one-half of the Team's Grapefruit League Home Games have been played, the covenants in Section 2 shall not become effective until the start of the succeeding MLB Spring Training season.

3.4 ANLBC may take any actions otherwise prohibited by Sections 2.1, 2.2 and 2.3, in connection with any change in location permitted by this Section 3.

3.5 ANLBC may take the actions otherwise prohibited in Section 2.3 during the last three (3) years of the Term of the Facility Operating Agreement in connection with any proposed relocation or playing of the Team's Grapefruit League Home Games that would not be played until after the conclusion of the Term. ANLBC shall notify County, WVID and Developer within three (3) business days of making any such request or application and forty eight (48) hours after entering into any such contract or agreement. Should ANLBC enter into such contract or agreement, or make any such request or application to MLB, then ANLBC shall lose the ability to unilaterally extend the term of the Facility Operating Agreement.

3.6 Without limiting the generality of any other provision of this Agreement, the covenants of ANLBC provided in Section 2 shall not apply. (i) if ANLBC obtains both the County and WVID's written consent, which consent shall be within the sole and absolute discretion of each of the County and WVID, prior to any action(s) otherwise prohibited under such section; provided, however, any actions which would allow the Team to permanently relocate from the County shall also require MLB Approval; and (ii) at any time after the termination of this Agreement.

4. Alternate Site Condition.

4.1 Notwithstanding the provisions of Section 2, if, at any time during the Non-Relocation Term, an Alternate Site Condition shall exist, then (i) the Team shall be entitled to make arrangements to temporarily play at alternate sites for its Grapefruit League Home Games and (ii) ANLBC shall be temporarily relieved of its obligations under Sections 2.1, 2.2 and 2.3 hereunder and shall be entitled to allow the Team to play its Grapefruit League Home Games at such alternate sites, but only during the period of time that any such Alternate Site Condition shall exist; provided, however, that if the Alternate Site Condition shall be of such a nature that its expected expiration cannot reasonably be ascertained by ANLBC, the County or WVID, then ANLBC shall be entitled to honor any commitment it might reasonably have made for the Team to play its Grapefruit League Home Games at an alternate site even if that commitment extends beyond the date such Alternate Site Condition ends. ANLBC shall not, however, make

any commitment that extends beyond the end of the Spring Training season in or prior to which such Alternate Site Condition occurs, except that, if, as of August 1, such Alternate Site Condition is reasonably expected (as determined in accordance with Section 4.2) to continue to exist as of the Team's first Grapefruit League Home Game of the subsequent Spring Training season, then ANLBC shall be entitled to commit to play its Grapefruit League Home Games at an alternate site for the duration of such Spring Training season, provided, however, ANLBC shall use its reasonable best efforts to cause the Team to play its Grapefruit League Home Games at the Facility as soon as possible after the Alternate Site Condition has ended.

4.2 Not later than August 1 of any operating year in which an Alternate Site Condition continues to exist, ANLBC shall give the County, WVID and Developer a written notice setting forth the date it reasonably believes such Alternate Site Condition will terminate (the "Proposed Date"). If both of the County and WVID fail to object to such notice within thirty (30) business days of receipt of such notice, they will be deemed to have accepted the Proposed Date and ANLBC's right to contract with alternate sites under Section 4.1 shall be based on such date. If the County and/or WVID timely objects to the Proposed Date, ANLBC, WVID and the County shall use good faith efforts to resolve such dispute within the next five (5) business days. The County, WVID and ANLBC shall consult, and reasonably cooperate, with one another following any Alternate Site Condition so that ANLBC can most effectively find and contract for an alternate site during the duration of such Alternate Site Condition.

4.3 ANLBC shall use commercially reasonable and diligent efforts to mitigate and overcome any Alternate Site Condition that results in the Team's Grapefruit League Home Games not being played at the Facility to the extent such event or condition is within the reasonable control of ANLBC, but this undertaking shall not be construed to require ANLBC to take any action, or to relieve the County of any obligation it may have, with respect to a condemnation under Section 26 of the Facility Operating Agreement, casualty or Force Majeure that is the County's responsibility under the Facility Operating Agreement.

5. **Remedies.** ANLBC (a) acknowledges that the Non-Relocation Covenants are an essential part of the bargain and consideration of the Operative Agreements and are necessary to protect the business and goodwill of the County, WVID and Developer, (b) recognizes that the Facility is being constructed and certain debt is being incurred to construct the Facility and to permit the Grapefruit League Home Games to be played at the Facility during the Non-Relocation Term; (c) recognizes that having the Team play its Grapefruit League Home Games in the Facility throughout the Non-Relocation Term provides a unique value to County, WVID, and Developer, including generating new jobs, additional revenue sources and economic development and increased tourism for the County; and (d) acknowledges and agrees that any breach by the Team of the Non-Relocation Covenants shall cause irreparable and continual harm to the County, WVID and Developer and that damages for a default under such Non-Relocation Covenants cannot be estimated with any degree of certainty and that monetary damages cannot fairly or adequately compensate the County, WVID or Developer for a breach of such Non-Relocation Covenants. Further, the Parties acknowledge that (i) ANLBC's obligations under the Non-Relocation Covenants are unique, are the essence of the bargain and are essential

consideration for this Agreement and the other agreements being entered into by the Parties related to the Facility, including, but not limited to the Operative Agreements; and (ii) the determination of damages caused by a Non-Relocation Default, the effects of which would be suffered by the City, County and WVID community (including Developer) would be difficult, if not impossible, to ascertain. Therefore, the Parties acknowledge and agree that there exists no adequate and complete remedy at law to enforce this Agreement against the ANLBC and that equitable relief by way of specific performance or injunction is the only appropriate remedy for the enforcement of this Agreement, notwithstanding the provisions for liquidated damages provided elsewhere in this Section 5. In amplification and not in limitation of the foregoing, the County, WVID and Developer acknowledge and agree that, upon discovery of a Non-Relocation Default, or the threat of a Non-Relocation Default, the County and WVID shall promptly communicate with each other and shall cooperatively and jointly seek equitable relief before attempting to avail themselves of the liquidated damages provision set forth in Section 5.2, provided that equitable relief is a remedy available and enforceable at the time of the Non-Relocation Default. Notwithstanding the prior sentence, the County agrees that time is of the essence in responding to the occurrence or threat of a Non-Relocation Default and agrees to take reasonable steps to timely prepare and file a complaint for injunctive relief, and seek a temporary restraining order and/or other immediate injunctive relief, against ANLBC upon discovering the occurrence or threat of a Non-Relocation Default. Upon the occurrence of any other breach or misrepresentation in this Agreement by ANLBC, the County and WVID shall cooperatively discuss the joint pursuit of the remedies set forth in Section 5.1, Section 5.2, or to the extent applicable, Section 5.3. WVID and Developer shall each have the option to individually pursue the remedies set forth in Section 5.1, Section 5.2, or Section 5.3 (in each case, as applicable).

5.1 Declaratory or Injunctive Relief. Upon the occurrence of an ongoing Non-Relocation Default, the County and WVID shall cooperate in a joint effort to seek injunctive relief prohibiting or mandating action by ANLBC in accordance with, or declaratory relief with respect to, the Non-Relocation Covenants. ANLBC agrees that, in the event of any of the actual or threatened (in the reasonable opinion of the County and WVID) breach by ANLBC of any one of the Non-Relocation Covenants (i) the County and WVID shall be entitled to seek and obtain, a temporary restraining order, together with temporary, preliminary and permanent injunctive or other equitable relief, from any court of competent jurisdiction, to restrain or enjoin any actual or threatened breach by ANLBC of any Non-Relocation Covenant without the necessity of posting a bond or other security and without any further showing of irreparable harm, balance of harms, consideration of the public interest or the inadequacy of monetary damages as a remedy, (ii) the administration of an order for injunctive relief would not be impractical and, in the event of any breach of any Non-Relocation Covenant by ANLBC, the balance of hardships would weigh in favor of entry of injunctive relief, and (iii) the County and WVID may, jointly or individually, enforce any Non-Relocation Covenant contained in this Agreement through specific performance. The Parties hereby agree and irrevocably stipulate that (a) the rights of the County and WVID to injunctive relief pursuant to this Non-Relocation Agreement shall not constitute a "claim" pursuant to Section 101(5) of the Bankruptcy Code and shall not be subject to discharge or restraint of any nature in any bankruptcy proceeding involving ANLBC, (b) this Agreement is not an "executory contract" as contemplated by Section 365 of the Bankruptcy Code, and (c) action(s) taken by the County and WVID pursuant to this Section 5.1 shall not in any way prejudice any

other rights or remedies that the County or WVID may have under Section 5.2 or Section 5.4 of this Agreement or under the other Operative Agreements if a court of competent jurisdiction fails to provide injunctive or other equitable relief prohibiting ANLBC's violation of the Non-Relocation Covenants or, in the case of the remedies set forth in Section 5.4, fails to award Liquidated Damages under Section 5.2; provided, that ANLBC shall be obligated to pay the costs of litigation and any additional costs incurred by the County and WVID in enforcing its rights under this Agreement, and ANLBC shall comply with any and all provisions under the Operative Agreements until such time the Operative Agreements are terminated.

5.2 Liquidated Damages. ANLBC acknowledges and agrees that, if upon the occurrence of a Non-Relocation Default, in the event equitable relief is not granted by a court of competent jurisdiction for any reason or is otherwise unavailable, the payment by ANLBC of liquidated damages is the next most appropriate remedy. Therefore, in the event of a Non-Relocation Default, and the failure of any court to grant the equitable relief described in Section 5.1 above, ANLBC shall pay Liquidated Damages to the County, WVID and Developer; provided, however, that in no event may the County, WVID or Developer seek or obtain such Liquidated Damages or any portion thereof if the actions taken by ANLBC in contravention of the Non-Relocation Covenants occur after the expiration of the Non-Relocation Term. Notwithstanding anything to the contrary herein, the Parties acknowledge the amount designated as Liquidated Damages does not constitute the full amount of damages the County, WVID and Developer would suffer as a result of a Non-Relocation Default, and further, that the allocation of Liquidated Damages as between County, WVID and Developer will be based on the respective amounts established for the County, WVID and Developer identified in the definition of Liquidated Damages in Section 1 above. Furthermore, in the event of a Non-Relocation Default, and the failure of any court to grant the equitable relief described in Section 5.1 above, in compliance with Section 288.11631(2)(a)2., ANLBC shall reimburse the State of Florida for state funds expended by WVID under such section if ANLBC relocates before this Agreement expires; however, if the State Sales Tax Payment Bonds were issued to construct the Facility for a spring training franchise, the required reimbursement must be equal to the total amount of state distributions expected to be paid from the date ANLBC breaks this Agreement with WVID through the final maturity of the State Sales Tax Payment Bonds.

5.3 Other Breach. In the event of any breach of or misrepresentation in this Agreement by ANLBC (other than a Non-Relocation Default subject to the remedies set forth in Section 5.1 or, if applicable, Section 5.2), or in the event of a Non-Relocation Default for which, notwithstanding the intent of the Parties, the County and WVID are unable to obtain the relief set forth in Section 5.1 or, if applicable, Section 5.2, the County, WVID and Developer, jointly or individually, shall have the right (i) to institute any and all proceedings or claims permitted by law or equity to recover any and all amounts necessary to compensate the County, WVID and Developer for all damages proximately caused by ANLBC's breach under this Agreement, and (ii) to institute any and all proceedings or claims permitted by law or equity to compel specific performance with respect to ANLBC's obligations under this Agreement and one or more actions to seek to obtain a temporary restraining order, together with such other temporary,

preliminary and permanent injunctive or other equitable relief, from any court of competent jurisdiction capable of issuing or granting such relief, to compel ANLBC to comply with or refrain or cease from breaching or violating the terms, covenants and conditions

5.4 Termination.

5.4.1 Upon the entry of a Final Order with respect to a default by ANLBC, the County and WVID shall have the right, but not the obligation, to jointly give to ANLBC written notice of its intention to terminate this Agreement and all other Operative Agreements (a "Final Notice"), subject to ANLBC's continuing obligation to pay any and all damages due and payable under this Agreement, including, but not limited to the Liquidated Damages. After the expiration of a period of ninety (90) days from the date such Final Notice is given, unless the default is cured, this Agreement and the other Operative Agreements may, at the jointly agreed option of the County and WVID, be terminated without liability to the County or WVID by delivery of further written notice to ANLBC, which termination shall be effective following the end of any then current Spring Training season, subject to ANLBC's continuing obligation to pay any and all damages due and payable under this Agreement, including, but not limited to the Liquidated Damages. If, however, within such ninety (90) day period, ANLBC's default under Section 2 of this Agreement is cured, then this Agreement and the other Operative Agreements shall not terminate by reason of such Final Notice.

5.4.2 This Agreement, and all obligations of the Parties under this Agreement shall terminate without further action by, or liability to, any Party upon the expiration or termination of the Facility Operating Agreement for any reason expressly permitted under the Facility Operating Agreement, provided further that upon a termination of the Facility Operating Agreement by the County upon the entry of a Final Order that ANLBC has breached Section 2 of this Agreement, this Agreement shall only terminate as provided in Section 5.4.1 of this Agreement. For the avoidance of doubt, until the end of the Non-Relocation Term, ANLBC shall remain bound by, and shall not be relieved of, its obligations under this Agreement upon a termination by the County of the Facility Operating Agreement due to a breach of Section 2 hereof by ANLBC as described in the preceding sentence. Except for the provisions of this Agreement that are expressly to survive termination, and except as provided in this Section 5.4.2, in the event of a termination of this Agreement and the Facility Operating Agreement under Section 5.4 of this Agreement, then all obligations of the Parties under this Agreement and the Facility Operating Agreement shall also automatically terminate, except for those obligations which by their express terms survive the termination or expiration of this Agreement, as discussed herein, or the Facility Operating Agreement.

5.4.3 This Agreement, and all obligations of the Parties under this Agreement shall terminate without further action by, or liability to, any Party

upon the expiration or termination of the Development Agreement for any reason expressly permitted under such Agreement.

5.4.4 Termination of this Agreement, the Facility Operating Agreement, the Development Agreement or any combination thereof, shall not alter any existing claim of any Party for breaches of such agreement(s) occurring prior to such termination and the obligations of the Parties thereto with respect to such existing claims shall survive termination.

5.4.5 Any such termination shall not apply to any provisions in any agreements that impact the Facility Debt.

5.5 **Cumulative Remedies.** Except as expressly set forth in Section 5.1, Section 5.2 and Section 5.4 of this Agreement, each right or remedy of the County, WVID or Developer provided for herein shall be cumulative of and shall be in addition to every other right or remedy of the County, WVID and/or Developer provided for in this Agreement, and the exercise (or the beginning of the exercise) by the County, WVID or Developer of any one or more of the rights or remedies provided for in this Agreement, shall not preclude the simultaneous or later exercise by the County, WVID or Developer of any or all other rights or remedies provided for in this Agreement or the Facility Operating Agreement or hereafter existing at law or in equity, by statute or otherwise.

6. **Governing Law; Interpretation.** This Agreement shall be construed and enforced in accordance with the laws of the State of Florida. The Parties hereby agree that venue and jurisdiction for all legal proceedings arising out of or relating to this Agreement shall be exclusively in the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida and the parties irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the venue of any such proceeding which is brought in such a court. The headings of sections and paragraphs in this Agreement are for convenience only and shall not be construed in any way to limit or define the content, scope or intent of the provisions hereof. As used in this Agreement, the singular shall include the plural, and masculine, feminine and neuter pronouns shall be fully interchangeable where the context so requires. Time is of the essence of this Agreement.

7. **Entire Agreement.** This Agreement constitutes the sole and entire agreement among the Parties with respect to this Agreement and supersedes all prior written or oral agreements among them relating to that subject matter, including, without limitation, the Term Sheet. Waiver by any Party of any breach of any provision of this Agreement shall not be considered as or constitute a continuing waiver or a waiver of any other breach of the same or other provision of this Agreement.

8. **Representations and Warranties.**

8.1 ANLBC hereby represents and warrants to the County and WVID as follows:

8.1.1 the execution, delivery and performance by ANLBC of this Agreement have been duly authorized by all necessary corporate action, and do

not and will not contravene or conflict with (i) the certificate of existence or bylaws of ANLBC, (ii) any provision of MLB Rules and Regulations, (iii) any law, order, rule, regulation, writ, injunction or decree now in effect of any government, governmental instrumentality or court having jurisdiction over ANLBC, or (iv) any loan agreement or other contractual restriction binding on or affecting ANLBC or any of its property or assets, except where any of the foregoing could not reasonably be expected to have a material adverse effect on ANLBC;

8.1.2 this Agreement is a legal, valid and binding obligation of ANLBC enforceable against ANLBC in accordance with its terms.

8.1.3 there is no known action, proceeding or investigation pending or, to the knowledge of ANLBC, affecting ANLBC, which may adversely affect the ability of ANLBC to fulfill and perform its obligations and its other undertakings under this Agreement. ANLBC is not in default with respect to any judgment, order, injunction or decree of any Governmental Authority which is in any respect material to the transactions contemplated in and by this Agreement;

8.1.4 ANLBC is a limited liability company duly formed, validly existing, and in good standing under the laws of the State of Georgia, and

8.1.5 ANLBC is a member in good standing of MLB and is in compliance in all material respects with all applicable MLB Rules and Regulations which are relevant to the transactions contemplated herein.

8.2 County hereby represents and warrants to ANLBC and WVID as follows:

8.2.1 the execution, delivery and performance by County of this Agreement have been duly authorized by all necessary governmental action, and do not and will not contravene or conflict with any statutes, regulations, rules, agreements, charters, instruments, contracts, judgments, orders, stipulations, injunctions, decrees or other restrictions to which the County or its assets may be bound or affected.

8.2.2 this Agreement is a legal, valid and binding obligation of the County enforceable against County in accordance with its terms, and

8.2.3 there is no known action, proceeding or investigation pending or, to the knowledge of County, affecting County, which may adversely affect the ability of County to fulfill and perform its obligations and its other undertakings under this Agreement. County is not in default with respect to any judgment, order, injunction or decree of any Governmental Authority which is in any respect material to the transactions contemplated in and by this Agreement.

8.3 WVID hereby represents and warrants to ANLBC and County as follows:

8.3.1 the execution, delivery and performance by WVID of this Agreement have been duly authorized by all necessary governmental action, and do not and will not contravene or conflict with any statutes, regulations, rules, agreements, charters, instruments, contracts, judgments, orders, stipulations, injunctions, decrees or other restrictions to which the WVID or its assets may be bound or affected;

8.3.2 this Agreement is a legal, valid and binding obligation of WVID enforceable against WVID in accordance with its terms; and

8.3.3 there is no known action, proceeding or investigation pending or, to the knowledge of WVID, affecting WVID, which may adversely affect the ability of WVID to fulfill and perform its obligations and its other undertakings under this Agreement. WVID is not in default with respect to any judgment, order, injunction or decree of any Governmental Authority which is in any respect material to the transactions contemplated in and by this Agreement.

9. **Successors and Assigns: Third Party Beneficiaries**

9.1 This Agreement shall bind ANLBC and its assigns and successors; provided that ANLBC shall not be entitled to transfer or assign its obligations hereunder without the prior written consent of the County and WVID, which consent shall be in their sole discretion and may be conditioned upon ANLBC's remaining liable under this Agreement if the County and WVID are not reasonably satisfied with the creditworthiness of the transferee, provided, further, however, that ANLBC may, without the prior written consent of the County or WVID, transfer and assign, whether via stock sale, merger, asset acquisition or otherwise, its obligations hereunder to any Person that acquires all or a majority of the outstanding stock or assets of ANLBC, including therewith the Team's Major League Baseball franchise upon receipt of MLB Approval (a "Transferee"), provided that (i) such Transferee assumes, in a writing reasonably satisfactory to the County and WVID, all of the obligations of ANLBC under this Agreement (unless such acquisition is in the form of a stock acquisition and ANLBC remains a Party to this Agreement), and (ii) such Transferee assumes all of the other obligations of ANLBC and its Affiliates under the other Operative Agreements. ANLBC shall provide the County and WVID written evidence of MLB Approval of the Transferee within ten (10) business days after ANLBC's receipt thereof.

9.2 This Agreement shall bind the County, WVID and their respective assigns and successors; provided that neither the County nor WVID may transfer or assign this Agreement or any of their respective rights and obligations hereunder without the prior written consent of ANLBC.

9.3 Developer may assign its rights hereunder as a whole in connection with an assignment of its rights under the Development Agreement and subject to the same conditions as are set forth in the Development Agreement. The assignment of obligations is not referenced in this Section 9.3 because Developer has no obligations under this Agreement.

(xiv) The right to operate the Team's offices which may include, in ANLBC's sole discretion, relocating its scouting and player development operations to the Facility;

(xv) The right to license, manage and operate all parking areas on the Facility Site (including, without limitation, an exclusive Team parking area to be agreed and designated by the Parties in a written agreement prior to Substantial Completion) and set all parking fees associated therewith, excluding parking associated with Third Party Events;

(xvi) The right to employ or retain (as agents, employees or independent contractors), suspend, terminate, supervise and control, in accordance with applicable laws, all personnel (whether full-time, part-time or temporary) that ANLBC determines to be necessary, including, without limitation, ticket sellers, ticket takers, ushers, medical personnel, maintenance crews and security personnel (other than public safety personnel), and determine the compensation, benefits and other matters in connection with such personnel;

(xviii) The right to control the issuance of all credentials for events at the Facility, other than Third Party Events; and

(xix) The right to license, operate and conduct such other lawful activities associated with MLB, Minor League Baseball, the Team or its business.

(b) Right to Sublicense. ANLBC shall be permitted to enter into contracts or licenses, retain vendors and otherwise take all other actions necessary and desirable to utilize the

exclusive rights set forth herein including, without limitation, the right to sublicense ANLBC's operational rights to the owner of a Florida State League team with which ANLBC has a professional development contract, provided the same are lawful and are within the scope of this Agreement. Notwithstanding the exercise of any rights to sublicense, ANLBC shall remain responsible to the County under this Agreement.

(c) All Areas. Other than during Third Party Events and public use of the Public Plaza and the Multipurpose Fields as described in Section 5(e) below, ANLBC shall have the exclusive right to use and possess all areas of the Facility and the Facility Site during the Term (and any Extension Term) of this Agreement subject to the County's limited right to enter and inspect the Facility for reasonable purposes from time to time during normal business hours and following the delivery of prior notification to ANLBC. The County shall fully and promptly restore any damage to the Facility or the Facility Site in connection with such entry and inspection.

(d) County Events, City Events and Developer Events.

(i) During the Term, the County shall have the right to use the main stadium portion of the Facility and such other areas of the Facility as ANLBC and the County may mutually agree but excluding ANLBC's offices and the major and minor league clubhouses, for up to ten (10) civic-oriented non-profit events (not to exceed twenty (20) calendar days total but subject to a potential increase in the number of days per Section 5(d)(iv) below if agreed to by ANLBC) (the "County Events") per year outside of the Braves' Spring Training season (and the County has authorized the City to use up to three (3) of those County Events, not to exceed six (6) calendar days total but subject to a potential increase in the number of days per Section 5(d)(iv) below if agreed to by ANLBC) (the "City Events"), for City-sponsored civic oriented non-profit events). Developer shall have the right to conduct up to five (5) events per year utilizing the main stadium portion of the Facility and such other areas of the Facility as ANLBC and the Developer may mutually agree but excluding ANLBC's offices and the major and minor league clubhouses (not to exceed ten (10) calendar days total) (the "Developer Events"). The County Events, City Events and Developer Events are collectively referred to herein as the "Third Party Events". In no event may any of the Third Party Events take place during the time period from January through the conclusion of Spring Training. ANLBC and the City will enter into the City Use Agreement prior to the Commencement Date which shall set forth the terms and conditions of the City's use of the Facility for the City Events. ANLBC and the Developer will enter into the Developer License Agreement prior to the Commencement Date which shall set forth the terms and conditions of the Developer's use of the Facility for the Developer Events. Both the City Use Agreement and Developer License Agreement shall be subject to the County approval and shall require insurance in the amounts set forth in Exhibit E that names the County as an additional insured for all City and Developer Events.

(ii) ANLBC (or its sublicensed vendors) will be responsible for staffing, managing, and operating the Facility (including set-up, trash and litter clean-up, utilities, and a five percent (5%) administrative fee) during all Third Party Events, and the County, City or Developer, as applicable, shall, unless otherwise agreed, be responsible for paying ANLBC its direct costs associated with such staffing, managing and operating (including set-up, trash and litter clean-up, utilities, and a five percent (5%) administrative fee).

(iii) Except for reimbursement of expenses incurred by ANLBC in connection with the staffing of Third Party Events as set forth above, the County, City or Developer, as appropriate, shall have the right to retain all revenues from such Third Party Events.

(iv) Prior to each Spring Training Season, but no later than November 30 of the year preceding such Spring Training Season, representatives of ANLBC, the County, City and Developer shall meet to discuss and agree in writing upon the dates when each of the County, City and Developer may use the main stadium portion of the Facility for Third Party Events, such dates and events subject to ANLBC's prior, written approval in its reasonable discretion, not to be unreasonably withheld, delayed or conditioned, in each instance and the County, City and the Developer acknowledge and agree that ANLBC planned events (which include, without limitation, Home Games and ANLBC Events) have priority over Third Party Events. Notwithstanding the foregoing, ANLBC agrees in good faith to reasonably allow proposed modifications to the agreed upon schedule of Third Party Events subject to proposed and anticipated ANLBC Events at the Facility. The reasonableness of such modifications is to be determined in light of the justification of the requesting party for the schedule modification, the timeliness of the schedule modification request, and the frequency of schedule modification requests.

(v) The County is self-insured for all liability claims and related expenses pursuant to Section 768.28, Florida Statutes. The City Use Agreement and the Developer License Agreement shall have indemnification obligations of the City and the Developer related to City Events and Developer Events, respectively.

(vi) In no event shall the County, City or Developer be permitted to use the Facility Site in a manner that causes or may cause any material damage to any playing surface or any part of the Facility Site (e.g., football games, rodeos, tractor pulls, etc.) unless otherwise approved in writing by ANLBC. Any damage to the Facility Site or playing surface occurring during Third Party Events caused by someone other than ANLBC, shall be immediately repaired by the responsible user (the County, City or Developer, as applicable), at the sole expense of such Party to the condition the Facility Site was in prior to the Third Party Event. The use of the Facility Site for Third Party Events shall include the public portions of the Facility and the Facility Site, the playing surface and the media areas. ANLBC will also consider the County requests to open other areas of the Facility and the Facility Site (excluding ANLBC's offices and exclusive Team parking areas) for use during City and County Events provided that such use will not conflict with ANLBC's ongoing operations and the opening of such other areas shall be in ANLBC's sole and reasonable discretion.

(e) Additional Benefits and Use of Public Plaza and Multipurpose Fields.

(i) ANLBC agrees to make available, during each Braves' Spring Training season during the Term, six (6) season tickets between the dugouts (in groups of two (2) and four (4)), a suite for two (2) games (food and beverage excluded) and two (2) parking passes to the County. The hourly suite, tickets and parking provided to the County hereunder shall be used for tourism promotion and economic development purposes.

(ii) During the Term, ANLBC agrees that the City, the County, WVID and the general public will have access and use of the Public Plaza and the Multipurpose Fields at times when there is not a Home Game, an ANLBC Event, or a conflicting Third Party Event, and provided such access and use does not interfere with the primary purpose of the Facility as the Team's training center or unduly burden or impact the Team's operations at the Facility. To maximize the public use of the Public Plaza and the Multipurpose Fields, ANLBC, the County, the City, and WVID shall communicate on a quarterly basis to create a schedule of proposed organized City, the County, and WVID use of the Public Plaza and the Multipurpose Fields for the following quarter. Certain organized use of the Public Plaza and/or the Multipurpose Fields by the City, County and/or WVID, as applicable, will require access to and use of restrooms by the general public, which will require advance coordination with ANLBC. As part of the quarterly communication process described above, the City, County and WVID shall each identify the times when their respective planned use of the Public Plaza and/or the Multipurpose Fields will require the use of restrooms. ANLBC agrees to make restrooms open and accessible for the coordinated organized public uses when the need is identified by the City, County or WVID provided such access and use does not interfere with the primary purpose of the Facility as the Team's training center or unduly burden or impact the Team's operations at the Facility and provided further, that the City, the County, or WVID, as applicable, shall be responsible for the cleaning and maintenance of such public restrooms in connection with such public use. The County acknowledges that ANLBC Home Games, ANLBC Events and ANLBC's general business and baseball operations at the Facility and the Facility Site shall take scheduling priority over the County's, the City's, WVID's and the general public's use of the Public Plaza and the Multipurpose Fields. It is expressly agreed that outside of Home Games, ANLBC Events, conflicting Third Party Events, and organized City, the County, or WVID use of the Public Plaza and the Multipurpose Fields, the Public Plaza and Multipurpose Fields will be open to use by the general public to enhance the role of the Facility and the Facility Site in the betterment of the community provided such use does not interfere with the primary purpose of the Facility as the Team's training center or unduly burden or impact the Team's operations at the Facility. To the extent permitted by applicable law, the County, City, and WVID, as applicable, shall be responsible for the prompt and complete restoration of any damage caused to the Public Plaza or the Multipurpose Fields during such public use.

(iii) Depending on the nature of the event and/or activity taking place in the Public Plaza and/or the Multipurpose Fields, ANLBC and the County will discuss in good faith requiring participants in the County and/or City recreational programs to sign a release of liability waiver prior to participating in such events and/or activities

6. ANLBC Financial Commitments.

(a) Annual Fee. ANLBC shall pay to WVID an Annual Fee, the initial payment due on the earlier of (a) Substantial Completion or (b) thirty (30) days prior to the District's first Debt Service Payment, in an amount equal to the outstanding annual debt service on the WVID Debt, excluding the City Contribution and Developer Contribution, issued to fund the construction of the Facility, with the amount of the Annual Fee payments to be made by ANLBC hereunder to be set forth in a definitive written agreement signed by ANLBC, WVID and the County, each acting in good faith (the "Annual Fee Confirmation"). The Annual Fee

shall be paid in two (2) equal annual payments, with such payments due thirty (30) days prior to the time WVID's two (2) annual debt service payments are due on the Facility as set forth in the Annual Fee Confirmation. The amount of the Annual Fee shall not be subject to increase without an updated and revised Annual Fee Confirmation executed by ANLBC and the County. In the event the actual cost of the Facility is less than the Project Budget, the Annual Fee shall be reduced, recalculated, and pro-rated, and shall be agreed upon in writing by ANLBC and the County in an updated and revised Annual Fee Confirmation based on the corresponding reduction in debt service needed to service the debt on the WVID Debt. The Annual Fee shall be used solely to fund scheduled debt service on the WVID Debt, and is to be paid by ANLBC to WVID for payment on the debt service on the WVID Debt.

(b) Concessionaire Allocation of Annual Fee. The Parties acknowledge and agree that 15% of the Annual Fee reflects ANLBC's use of the Facility for the purpose of operating food and drink concessionaire services within the premises, and 85% of the Annual Fee reflects ANLBC's use of the remaining facilities comprising the Facility. ANLBC shall be solely responsible to defend the allocation to the Florida Department of Revenue pursuant to Section 17(b) hereof and to pay the taxes imposed by the applicable Governmental Authority.

(c) Extension Term Fee. During any Extension Term, ANLBC will pay an annual payment of \$250,000 to the County on or before February 1 of each year of the Extension Term, which will be reinvested in the Facility as mutually agreed by ANLBC and the County.

(d) ANLBC FF&E. ANLBC shall be responsible for FF&E it deems necessary for installation at the Facility to operate the Team and to otherwise operate and manage the Facility. Such FF&E will include initial purchase of Facility scoreboard and scoreboard support structures, control room equipment and non-permanent concessions equipment but will not include concession stand build out (including permanent fixtures such as hoods and sinks which are included in the Project Budget). With the exception of the main scoreboard and associated scoreboard support structures, all FF&E paid for by ANLBC shall remain the property of ANLBC and may be removed by ANLBC at the conclusion of the Term. Any damage caused due to the removal of such FF&E shall be repaired diligently at the sole cost and expense of ANLBC.

7. Completion.

(a) Braves Completion Deadline. Per the terms of the Term Sheet, WVID has agreed to use commercially reasonable efforts to achieve Substantial Completion and receive all necessary approvals for the intended purpose of the Team conducting Spring Training operations and playing Spring Training games at the Facility on or before the Braves Completion Deadline.

(b) ANLBC Remedies. The County acknowledges and agrees that completion of the Facility on time is of great importance to ANLBC. No liability shall accrue to the County under this Agreement if the Braves Completion Deadline is not met, except if as a result of a material default by the County of its obligations hereunder or under the Operative Agreements, in which case the County shall assist ANLBC with finding an alternative temporary Spring Training site reasonably acceptable to ANLBC until such time as the Facility is complete. If the Braves Completion Deadline is not met other than as a result of an uncured material breach by

ANLBC of the Development Agreement, and the County has issued the County Bonds and WVID has issued the Facility Debt, ANLBC shall begin making its Annual Fee payments as set forth at Section 6(a) above, but until the Team is able to hold Spring Training operations and play Spring Training games at the Facility a pro rata portion of the Annual Fee (based on Spring Training Home Games missed) shall be reimbursed by WVID from financing reserves, if available, once sufficient for such reimbursement, if permitted under the Facility Debt documents. Any rights and remedies of ANLBC as a third party beneficiary under the architect agreement or construction management agreement, as applicable, and the right to reimbursement from any insurance proceeds it receives as an additional insured with respect to the foregoing shall be set forth in the Development Agreement.

8. Revenue Streams. Except as specifically set forth in this Agreement with respect to Third Party Events, ANLBC shall have the sole and exclusive right to retain all revenues, fees, and other amounts generated by ANLBC pursuant to this Agreement from the use, operation and management, license and/or sublicense of the Facility and the Facility Site from all sources, whether now existing or developed in the future and whether or not currently contemplated by the Parties, including, without limitation, all revenues from the exclusive rights granted to ANLBC in Section 5(a)(ii)-(vii) above.

9. Naming and Sponsorship Rights. ANLBC agrees to consult in good faith with the County on the sale of the naming rights to the Facility and agrees it will not sell naming rights to the Facility to any entity engaged in any business involving tobacco, illegal activity, sexually suggestive conduct and/or obscene or pornographic materials. Otherwise, ANLBC shall have the exclusive right to sell naming rights to the Facility, and to retain all revenues derived from such sale. The County acknowledges that ANLBC reserves the exclusive right to sell sponsorship, entitlement and/or naming rights to other designated areas of the Facility and the Facility Site and to retain all revenues related to such sales for such other areas. Following receipt by the County of written notice from ANLBC of the name of the Facility, the County shall exclusively use the name or names given to the Facility or any portion thereof in all correspondence, communications, advertising, websites, social media and promotions the County may undertake or utilize with respect to the Facility, including all press releases and in connection with the promotion of any City Events, County Events or Developer Events, subject to ANLBC approval for each initial use (and provided that each subsequent use is consistent with the initial approval). The County shall include the name of the Facility on all directional or other signage that is installed by the County that refers to or identifies the Facility. ANLBC will include references to the name "the West Villages" or something similar when referencing the Facility when appropriate or reasonable (e.g., SunTrust Park at The West Villages). However, the County acknowledges that there will be times when only the Facility name is utilized (e.g., SunTrust Park). ANLBC has agreed not to sell naming rights and/or sponsorship rights to the Facility to any home builder competitive with Developer or its affiliates as of the date of sale of such naming rights.

10. Marketing and Promotion of the Facility. It is recognized that the Facility will be located within the City of North Port and ANLBC will use commercially reasonable efforts to market and promote the City of North Port and Sarasota County in its marketing and promotion of the Facility and as more fully provided for herein. ANLBC acknowledges that the County and the City are undertaking a substantial financial responsibility to provide funding for the Facility.

ANLBC, the County and the City shall endeavor to develop an ongoing promotional relationship for the purpose of promoting Sarasota County, the City of North Port and the Greater Sarasota County region as a desirable and attractive year-round vacation and meeting destination venue and for the promotion of the Braves' Spring Training games and ticket sales related thereto. In consultation with the Sarasota Convention and Visitors' Bureau (d/b/a Visit Sarasota County) and the Sarasota Tourism Development Council, ANLBC shall make available on an annual basis certain promotional and tourism opportunities including but not limited to signage inside SunTrust Park as reasonably determined by ANLBC in consultation with the City and the County, a Sarasota County/City of North Port promotional day at SunTrust Park, use of a suite at SunTrust Park during such Sarasota County/City of North Port promotional day (food and beverage to be purchased separately by the County and City from ANLBC's concessionaire), participation in off-season Fan Fest Events, promotion of the Facility, the City of North Port and Sarasota County on the Team website, during in-game promotional video opportunities at SunTrust Park, and on ANLBC controlled radio and television broadcasts. The County, the City, Visit Sarasota County, and ANLBC shall meet on an annual basis to develop and review a mutually agreeable promotional plan.

11. **Public Safety and Security.** ANLBC shall, at ANLBC's expense, provide all necessary public safety personnel, including but not limited to law enforcement, fire, emergency medical service, traffic management personnel as well as qualified security and crowd control personnel to protect the public health, safety and welfare at all Home Games and ANLBC Events. The required amount of public safety and security shall be determined in conjunction with Government Authorities and be consistent with MLB standards for similar events and Comparable Spring Training Facilities. The County (or City or Developer, as applicable) shall, at its expense, provide all necessary public safety personnel, including but not limited to law enforcement, fire, emergency medical service, traffic management personnel as well as qualified security and crowd control personnel to protect the public health, safety and welfare at all County Events (or City Events or Developer Events as applicable) and in connection with the permitted use of the Public Plaza or the Multipurpose Fields as set forth at Section 5.16(K) of this Agreement. ANLBC will work in good faith with the City to utilize City police officers when and if necessary including for Home Games, ANLBC Events and Third Party Events.

12. **Utilities.** The Facility Site shall be furnished with domestic water, sufficient electrical capacity to operate and manage the Facility Site as contemplated herein (including, without limitation, capacity for lighting and equipment for night baseball games), sewage, field and grounds irrigation and drainage systems with maximum outsource, and telephone service and similar services, and ANLBC shall bear the monthly operating cost of all such Facility Site utilities at all times other than during use for Third Party Events for which utilities costs will be determined by ANLBC in good faith and promptly paid by City, the County or Developer as applicable.

13. **Operation and Maintenance Expenses.** Except for Capital Maintenance and Repairs, ANLBC shall be responsible for all costs and expenses in connection with its use, operation and management of the Facility and the Facility Site including, but not limited to, utilities, any assessments or charges imposed by WVID for the operation and maintenance of stormwater management facilities that serve the Facility and the Facility Site, cleaning and routine maintenance, but excluding costs and expenses for cleaning and utilities for Third Party

Events for which City, the County or Developer, as applicable, shall be responsible. ANLBC shall maintain and operate the Facility in a manner consistent with other Comparable Spring Training Facilities.

14. Capital Maintenance and Repairs and Capital Maintenance Fund.

(a) Subject to the terms and conditions set forth herein, the County and ANLBC shall each fund fifty percent (50%) of all costs arising in connection with the Capital Maintenance and Repair of the Facility and the Facility Site pursuant to the Program Requirements and in a manner consistent with other Comparable Spring Training Facilities from the Capital Maintenance Fund. Notwithstanding the foregoing, any repairs required for any Discretionary Improvements made by ANLBC and Trade Fixtures shall be the sole responsibility of ANLBC, and funds for such repairs shall not be drawn from the Capital Maintenance Fund (as set forth below).

(b) All disbursements of such funds shall be subject to the County's and ANLBC's approval (which approval shall not be unreasonably withheld). ANLBC, as the operator of the Facility, shall be responsible for implementing such Capital Maintenance and Repairs. Any Capital Maintenance and Repair necessitated by an Emergency shall not require prior submission to the County and may be made by ANLBC in its reasonable discretion; provided, however, that ANLBC shall immediately provide written notice to the County in the event of an Emergency and provide the County with all pertinent information pertaining thereto that the County may request and the County shall reimburse ANLBC for any reasonable costs in connection with the same. ANLBC shall promptly cause all non-Emergency Capital Maintenance and Repairs to be implemented after approval of such Capital Maintenance and Repairs by ANLBC and the County.

(c) ANLBC and the County shall each fund fifty percent (50%) of the agreed upon, minimum annual contributions to the Capital Maintenance Fund pursuant to the CMF Funding Schedule on or before May 1 during each year of the Term, which CMF Funding Schedule may be subject to revision from time to time by the Parties in writing. The County and ANLBC agree that none of the funds deposited into the Capital Maintenance Fund shall be expended within the first three (3) years of the Term.

(d) The Capital Maintenance Fund shall be maintained as a separate account by the County and the amounts in the Capital Maintenance Fund, including all earnings on such amounts, shall be disbursed from time to time solely for the purpose of funding Capital Maintenance and Repairs at the Facility and the Facility Site during the Term.

(e) Beginning in the fourth year following Substantial Completion and every five (5) years thereafter, ANLBC and the County shall participate in a joint facility assessment that includes an independent third party analysis by a party mutually acceptable to ANLBC and the County of the structural and engineering elements of the Facility and the Facility Site. The cost of such analysis shall be paid for from the Capital Maintenance Fund. The analysis shall be done outside of Spring Training and the findings of such analysis shall be utilized by the Parties as a tool in addressing the priority of work to be funded from the Capital Maintenance Fund but

such findings shall not create any obligations on the part of ANLBC or the County to complete any of the proposed work set forth in such analysis.

(f) Beginning in the third year following Substantial Completion and each calendar year thereafter, the County and ANLBC shall cooperatively develop a rolling five (5) year plan of Capital Maintenance and Repairs that will act as a guide to maximize the efficiency of Capital Maintenance and Repairs. No later than June 1 of each calendar year, ANLBC shall submit to the County its proposed plan of Capital Maintenance and Repairs for the next five (5) years as well as those Capital Maintenance and Repairs to be accomplished in the succeeding year. The submittal shall include reasonable detail as to the reason for and expected cost of proposed Capital Maintenance and Repairs. No later than August 1 of each calendar year, ANLBC will be notified of the County's approval or disapproval for funding of such Capital Maintenance and Repairs for the succeeding year as well as the County's approval or modification of the Capital Maintenance and Repairs plan for the next five (5) years as well as reasonable detail regarding Capital Maintenance and Repair items requested by ANLBC but disapproved by the County. In no instance is the County required to exceed the amount of funding in the Capital Maintenance Fund in any given year.

(g) The funds in the Capital Maintenance Fund shall be managed and invested by the County in such investments as are permitted under applicable county, state and federal law and regulations and in accordance with the County's Investment Policy.

(h) In the event that the actual cost of Capital Maintenance and Repairs for the then-current year exceeds the total amount in the Capital Maintenance Fund, the County and ANLBC shall negotiate in good faith to agree upon any additional contributions to the Capital Maintenance Fund to be paid by the County and ANLBC. In the event there are any monies in the Capital Maintenance Fund at the end of the Term or the earlier termination of this Agreement, then following the completion of any remaining Capital Maintenance and Repair, such remaining monies shall be divided by the Parties pro-rata, based on the percentage of contribution by each Party to the Capital Maintenance Fund.

(i) The County and ANLBC shall not have any obligation to fund the Capital Maintenance Fund during any Extension Term.

15. ANLBC Improvements.

(a) Discretionary Improvements. Notwithstanding the obligations of ANLBC and the County to fund Capital Maintenance and Repairs as set forth herein, ANLBC shall have the right, from time to time, in its sole discretion and at its own expense, to make alterations and improvements to the Facility, as shall be reasonably necessary or appropriate, in ANLBC's judgment, for ANLBC conduct of its business without the need for prior review or approval by the County (collectively, "Discretionary Improvements"); provided, however, that ANLBC shall obtain the prior written approval of the County for any improvements that materially affect the structural elements or components of the Facility. Such alterations or improvements shall be performed in a lien-free and good and workmanlike manner. These Discretionary Improvements are beyond the Program Requirements and the repair and replacement of such improvements will not be eligible for the use of monies in the Capital Maintenance Fund.

(b) **MLB Required Improvements.** ANLBC shall provide the County with written notice of any alterations or improvements to the Facility required to comply with the MLB Rules and Regulations or MiLB requirements (if applicable) and ANLBC shall be obligated to make any such alterations and improvements at its expense as it deems reasonably necessary in such time frame as is required to comply with the MLB Rules and Regulation or MiLB requirements (if applicable). ANLBC and the County will work in good faith to evaluate whether the respective annual contributions to the Capital Maintenance Fund are sufficient to cover the repair and replacement of MLB required improvements beyond the Program Requirements.

16. **Return of Facility.**

(a) Pursuant to the Development Agreement, subject in all cases to Developer's option to purchase the Facility Site, if any, at the termination or expiration of this Agreement, ANLBC agrees to return the Facility to its original or subsequently improved condition, ordinary wear and tear, casualty, or condemnation excepted, and to return to the County all equipment and personal property of the County in good working condition, ordinary wear and tear excepted, in each case after a joint inspection of the Facility by the County and ANLBC. Promptly after such inspection at the termination of any occupancy, ANLBC shall have the option to either (i) make any necessary repairs; or (ii) pay the County for any damages to the premises or to personal property, ordinary wear and tear excepted, except to the extent said damage was caused by the assigns, agents, affiliates, employees or officers of the County. ANLBC shall have the right upon termination of this Agreement, within sixty (60) days thereafter, to remove from the premises all movable property which is not permanently affixed to the structure and which is not owned by the County, including without limitation all concession equipment and broadcasting equipment, whether or not such items are deemed movable and whether or not they are permanently affixed to the structure, provided that ANLBC repair any damage caused by removal of such items to the reasonable satisfaction of the County.

(b) Except for the main Facility scoreboard, all FF&E paid for by ANLBC shall remain the property of ANLBC and may be removed by ANLBC at the conclusion of the Term. Any damage caused due to the removal of such FF&E shall be at the sole cost and expense of ANLBC.

(c) All Trade Fixtures shall be owned by ANLBC and ANLBC shall have the right to remove any such Trade Fixtures at the end of the Term, provided ANLBC has repaired or restored the area from which such Trade Fixture has been removed. By way of example, and not limitation, ANLBC may not remove the main Facility scoreboard but ANLBC would be allowed to remove a secondary (not included in Program Requirements) sponsored video board paid for and installed by ANLBC; however any wiring or other infrastructure supporting such video board shall remain at the Facility. Any Trade Fixture desired to be installed by ANLBC requires the County's prior written consent, such consent not to be unreasonably withheld, delayed or conditioned.

17. **Taxes.**

(a) Ad Valorem Taxes. Following conveyance of the Facility and the Facility Site from WVID to the County, the County will continue to own the Facility and the Facility Site throughout the Term and will be authorized to grant ANLBC the rights provided hereunder. This Agreement has been entered into for the paramount public purpose of promoting tourism, gainful employment and economic growth in the County and the State of Florida. The County is constitutionally immune from payment of ad valorem taxes for any real property that it owns but shall remain solely responsible for the full amount of any and all real property ad valorem taxes, if any, which may be assessed or imposed upon the Facility apart from the ANLBC FF&E and Trade Fixtures. Accordingly, it is the intent of the parties that ANLBC's occupancy and use of the Facility hereunder shall be exempt from ad valorem taxation. If, for any reason during the Term, any or all of the interests or other rights or benefits held by ANLBC under this Agreement become subject to ad valorem taxation, such tax shall be paid by ANLBC.

(b) Taxes Regarding ANLBC's Operations. ANLBC shall be responsible for the full amount of any and all taxes, assessments, licenses and charges on its operations. The County represents and warrants that no taxes, surcharges, franchise tax, impact fees, development contributions, assessments or similar charges shall be levied by the County against ANLBC that are not generally applicable to all other businesses in the County. ANLBC shall have the right to contest, at its sole cost and expense, the validity or amount, in whole or in part, of any taxes or other impositions imposed against ANLBC by appropriate proceedings timely pursued in accordance with any protest procedures permitted by any applicable Governmental Authority.

18. Operating Permits. ANLBC shall secure such permits, variances, and licenses as may be necessary or desirable to operate the Facility as is contemplated by this Agreement. To the extent permitted by law, the County will assist and cooperate with ANLBC in securing permits or licenses for the operation of the Facility and shall not unreasonably withhold, delay or condition its approval in connection therewith.

19. Disaster Preparedness, Disaster Response, and Shelter. The Facility Site may be used, in areas agreed upon by the Parties, for emergency response personnel and equipment, debris and debris-removal equipment for natural disaster preparations, response, and potential shelter. Such uses by the County shall be reasonably limited in scope and duration, and the County shall undertake reasonable measures to mitigate damage or negative impacts to the Facility Site in connection with such use. The County shall provide notice regarding any such use to ANLBC prior to such entry to the extent practicable, shall provide regular notices to ANLBC during the period of such use, and shall permit reasonable access to the Facility Site by ANLBC and its agents at all times during such use. In the event the County uses the Facility Site pursuant to this Section 19, the County agrees to completely remove all disaster/hurricane-related debris and materials from the Facility Site and take such other remedial action as may be necessary within a reasonable period of time prior to the Spring Training Period so as to allow ANLBC full beneficial use of the Facility Site. The County shall be responsible for all damage, clean-up, maintenance, repairs and costs and expenses in connection with the use of the Facility Site for disaster purposes, and the County shall promptly clean up, and fully repair and restore the Facility Site, all at no cost or liability to the ANLBC.

20. Insurance.

ANLBC hereby agrees to furnish renewal certificates throughout the term of the Agreement. without interruption or interference by any Person including, specifically, the County, and the County shall defend ANLBC in such peaceful and quiet use and possession against the claims of all Persons claiming by, through or under the County, except to the extent that certain rights to use the Facility Site, or any portion of it, may be reserved to the County for County Events in accordance with this Agreement. There shall be no use of personal property owned or controlled by ANLBC without ANLBC prior written consent.

25. Destruction of Facility.

(a) If all or any Significant Portion of the Facility is damaged or destroyed by fire or other casualty, the County shall repair and rebuild the Facility (using proceeds from the Property insurance maintained by the County on the Facility and its structural components) with thorough diligence to its condition immediately before such loss or the condition required by law, whichever is greater, with such repair and rebuilding to be completed as soon as is possible giving due attention to the Spring Training Season after such fire or other casualty occurs and in any event not later than two years after such fire or other casualty occurs. For the purposes of this Section 25, Section 26 (below) and Section 3.4 of the Non-Relocation Agreement, "Significant Portion" of the Facility shall mean the loss of the use of a portion of Facility that materially interferes with the intended use and function of the Facility to exhibit, promote, schedule and play or conduct Home Games. If there is substantial interference with the operation of ANLBC's activities or use of the Facility, then ANLBC will be temporarily authorized to use other Spring Training facilities and to schedule its activities or events at other Spring Training facilities. It is specifically understood by and between the Parties that during the period of such interference, ANLBC shall have the right to schedule its activities or events at other Spring Training facilities and ANLBC's obligations pursuant to this Agreement shall be abated during such interruption. If the Facility is not, cannot, or will not be restored to the condition immediately before such casualty or the condition required by law, whichever is the greater, within two years after the fire or other casualty occurs, ANLBC may terminate this Agreement and neither Party shall have any claim whatsoever against the other Party as a result thereof.

(b) If the Facility shall be destroyed or materially damaged, during the final five (5) years of the Term (or any Extension Term), and provided that the Facility Debt and the County Bonds have been fully repaid, ANLBC may elect to terminate this Agreement upon delivery of written notice given no later than thirty (30) days after any such event to the County as of the end of the month of such written notice, and payment of any Annual Fee payable through the effective date of such termination, pro-rated on a per diem basis. Upon the delivery of such notice and the making of any payments required hereunder, this Agreement shall terminate on the date specified in such notice and ANLBC shall have no further obligations in connection with this Agreement. ANLBC acknowledges and agrees that all insurance arising from such damage or destruction shall be paid to the County.

(a) If all or a Significant Portion of the Facility or the Facility Site is taken by any State of Florida or United States public authority pursuant to the power of eminent domain, then this Agreement shall terminate as of the date possession is taken by the public authority.

(b) If part of the Facility or a Significant Portion of the Facility Site is taken by any State of Florida or United States public authority pursuant to the power of eminent domain and in the reasonable opinion of either the County or ANLBC it is not economically feasible to continue this Agreement, either Party may terminate this Agreement under the following terms and conditions:

(i) Such termination by either Party shall be made by written notice to the other given not later than ninety (90) days after the date possession is taken by the public authority.

(ii) Termination shall be effective thirty (30) days after such notice is given at which time ANLBC will return the Facility to the County.

(c) If neither the County nor ANLBC elect to terminate this Agreement, the County shall make such repairs or alterations, if any, as are required to render the remainder of the premises useable for its intended purposes.

(d) ANLBC may assert a claim against the condemning authority to disruption or relocation of ANLBC's business or for ANLBC's property located on the premises but not for the Facility or Facility Site improvements.

27. Recording. This Agreement, and ANLBC interest in the Facility and the Facility Site shall be recorded in the Official Records of Sarasota County, Florida.

29. Assignment.

(a) Neither Party may assign its rights or obligations under this Agreement (whether via merger, stock or asset sale, recapitalization, or otherwise) without the prior, written consent of the other Party; provided, however, the County acknowledges and agrees that ANLBC may assign its rights and obligations hereunder as a whole to any successor-in-interest or new owner of the Team; provided that (i) such transaction received MLB Approval, (ii) any such successor-in-interest has credit worthiness substantially similar to ANLBC and provides evidence of such that is deemed satisfactory to the County in its reasonable discretion, and (iii) such successor-in-interest or new owner has assumed the obligations of ANLBC under this Agreement, including acceptance of the obligations of the Non-Relocation Agreement, except in the event of a change of control of ANLBC pursuant to which ANLBC remains a Party to this Agreement, which shall not require consent provided such transaction received MLB Approval.

(b) Developer may assign its rights hereunder as a whole in connection with an assignment of its rights under the Development Agreement and subject to the same conditions as are set forth in the Development Agreement. The assignment of obligations is not referenced in this Section 29(b) because Developer has no obligations under this Agreement.

30. Binding Effect. This Agreement shall inure to the benefit of and remain fully binding upon the parties hereto and their respective successors and permitted assigns.

31. Default, Remedies, and Termination.

(a) If either Party hereto (the "Defaulting Party") shall fail to perform any of its obligations under this Agreement, then the Party not in default (the "Non-Defaulting Party") shall provide notice of such failure to the Defaulting Party and afford the Defaulting Party a grace period to cure said failure, as follows:

(i) Where a grace period is specifically provided, that specific grace period shall apply.

(ii) Where a grace period is not specifically provided, the Defaulting Party shall afford the Non-Defaulting Party a grace period of: (i) ten (10) business days to cure monetary failure; and (ii) thirty (30) days to cure any non-monetary default; provided, however, that if any non-monetary failure cannot be cured within such thirty (30) day period, the Defaulting Party shall be afforded such additional time as shall be reasonably required to cure such failure, if the Defaulting Party has commenced the appropriate cure within said initial thirty (30) day period and thereafter proceeds with reasonable diligence to cure said failure.

(iii) If any failure to perform shall not have been cured by the expiration of the applicable grace period, then an "Event of Default" shall be deemed to have occurred and the Non-Defaulting Party shall have the rights and remedies set forth in Section 31(b) below.

(b) If an Event of Default shall occur, the Non-Defaulting Party shall have the right but not the obligation to cure such default on behalf of the Defaulting Party, in which event

the Defaulting Party shall immediately reimburse the Non-Defaulting Party for all sums paid by it to effect such cure, together with interest thereon at the annual rate of interest equal to the prime rate of interest charged by the County's primary financial institution to its commercial customers with the highest credit rating plus one and one-half percent (the "Default Rate").

(c) Dispute Resolution in an Event of Default. If an Event of Default shall occur and is not cured under Section 31(b) above, then prior to the Non-Defaulting Party filing any lawsuit to terminate this Agreement in accordance with Section 31(d) below, the Parties shall be required to submit such dispute or controversy to non-binding mediation. Under no circumstances, however, shall the Parties be permitted to resolve the dispute or controversy through mediation or otherwise in a manner that compromises or otherwise negatively impacts the repayment of the Facility Debt.

(d) Termination by Non-Defaulting Party. If the Parties cannot resolve the dispute or controversy through mediation under Section 31(c) above, the Non-Defaulting Party may file a lawsuit seeking a declaration that it has the right to terminate this Agreement only after providing the Defaulting Party with thirty (30) days prior written notice that one of the following events (collectively hereinafter referred to as the "Termination Events") has occurred and is continuing:

(i) If, by order of a competent authority, a receiver, liquidator or trustee of Defaulting Party shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days after the making of such order, or if by decree of such authority Defaulting Party shall be adjudicated or determined to be bankrupt or insolvent, or if Defaulting Party shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;

(ii) If Defaulting Party fails to make any payments pursuant to this Agreement within sixty (60) days following receipt of written notice of such Termination Event (following the expiration of the grace period set forth at Section 31(a)(ii) above); provided however, Defaulting Party shall have the right to withhold any amounts disputed in good faith until the settlement of any such dispute; or

(iii) If Defaulting Party breaches any material provision, agreement or obligation under this Agreement, that is not cured within sixty (60) days after notice of such Termination Event; provided, however, that if such Termination Event cannot be cured within such sixty (60) day period, but the Termination Event is capable of cure within a reasonable period of time which is acceptable to the Non-Defaulting Party, and Defaulting Party diligently pursues such cure, Defaulting Party shall be allowed such agreed upon time period to cure such Termination Event.

For avoidance of doubt, the Parties agree that compliance with this Section 31(d) shall be the sole means by which a Party can seek to terminate this Agreement. Furthermore, notwithstanding anything herein to the contrary, the Non-Defaulting Party shall continue to perform all of its obligations under this Agreement until a court of competent jurisdiction

determines, in a final and non-appealable order, that the Non-Defaulting Party may terminate this Agreement.

(e) Cumulative Rights. The remedies heretofore described in this Section 31 shall be in addition to any other remedy the Non-Defaulting Party may have at law or in equity in the event of an Event of Default, including without limitation:

(i) An action to recover monies then due and owing from the Defaulting Party, together with interest thereon at the Default Rate, from the date on which such monies were due;

(ii) An action for specific performance of non-monetary covenants and agreements on the part of the Defaulting Party; and/or

(iii) An action for recovery of all actual losses, costs and reasonable attorneys' fees incurred by the Non-Defaulting Party in connection with, arising out of or in any way related to the Default.

(e) Non-Relocation Default. In the event ANLBC allows a Non-Relocation Default to occur beyond any applicable cure periods, the County shall have, in addition to the remedies set forth above, all other remedies set forth in the Non-Relocation Agreement.

(f) Spring Training Default. Notwithstanding the provisions set forth in this Section 31, in no event may this Agreement be terminated during Spring Training.

32. Dispute Resolution. The Parties acknowledge that their rights and responsibilities under this Agreement involve coordination and cooperation with respect to the use and operation of as well as Capital Maintenance and Repairs to the Facility and the Facility Site. The Parties agree to undertake commercially reasonable measures to attempt to settle any dispute or controversy that may arise between them regarding any provision or obligation set forth in this Agreement by non-binding mediation prior to filing any lawsuit related to this Agreement.

33. Status of Parties. The Parties hereto shall be deemed and construed as independent contractors for all purposes and not as the agent, employee, representative or servant of the other.

34. No Waiver or Breach. No failure of either Party to insist upon exact compliance with the terms and provisions herein contained shall be deemed or construed as a waiver of any subsequent breach of this Agreement.

35. Severability. If any provisions of this Agreement shall be declared invalid or unenforceable, the remainder of the Agreement shall continue in full force and effect unless so construing the Agreement would produce an inequitable result.

36. Governing Law, Venue and Jurisdiction. This Agreement shall be construed and enforced in accordance with the laws of the State of Florida. The Parties hereby agree that venue and jurisdiction for all legal proceedings arising out of or relating to this Agreement shall be

exclusively in the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida and the parties irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the venue of any such proceeding which is brought in such a court.

37. Waiver of Jury Trial. The parties hereby expressly agree that in the event of litigation regarding this Agreement, any and all rights to jury trial are waived.

38. Multiple Counterparts. This Agreement may be simultaneously executed in several counterparts, each of which shall be original and all of which shall constitute one and the same instrument.

39. Entire Agreement. This Agreement and its exhibits shall constitute the entire agreement between the parties hereto with respect to the subject matter herein contained. There are no agreements or understandings between the parties hereto, whether oral or written, regarding the subject matter hereof, which have not been embodied herein or incorporated herein by reference.

40. Further Assurances and Corrective Instruments. The Parties each agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements and amendments hereto and such further instruments as may be reasonably required for carrying out the intentions of the Parties or facilitating the performance of this Agreement provided that the rights of the Parties in connection with this Agreement are not impaired thereby.

41. MLB and MiLB Subordination. Notwithstanding any other provision of this Agreement, this Agreement, and any rights or exclusivities granted by ANLBC hereunder shall in all respects be subject and subordinate to the MLB Rules and Regulations and the rules and regulations of Minor League Baseball. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity. This Agreement is subject to MLB approval and no amendment of this Agreement may be made without first obtaining all necessary MLB approvals. Nothing herein shall be construed as conferring on the County or WVID any rights outside of the Facility. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities. This Agreement may also be subject to MiLB approval in the event ANLBC elects to play Florida State League games at the Facility.

42. Most Favored Nation Provision. In the event the County or any County created agency or district enters into, or permits (including, without limitation, any grant by the County's acquiescence in a third party's exercise of rights not expressly granted to it) enters into any agreement or other arrangement with any other MLB team or affiliate for a Spring Training or minor league facility with financial terms more favorable than the financial terms set forth herein, the County shall provide written notice of such financial terms to ANLBC, whereupon ANLBC shall have the right to modify the financial terms to the extent necessary to reflect such more favorable financial terms. To the fullest extent permitted by law, ANLBC shall be provided with access to books, records and communications reasonably requested by ANLBC or its

designees in order to ensure the County's compliance with this Section 42. Notwithstanding the foregoing, this Section 42 shall not apply to agreements or arrangements with the Baltimore Orioles that may involve modifications to the existing Memorandum of Understanding between the County and the Baltimore Orioles or other agreements with respect to renovations, improvements, expansions or the provision of additional facilities at either the Ed Smith Stadium Complex or the Buck O'Neil Baseball Complex.

43. Maintenance of Tax-Exempt Status of County Bonds. The Parties each agree not to knowingly take any action or omit to take any action if such action or omission would jeopardize the tax-exempt status of the WVID or County Bonds.

44. Force Majeure. No Party shall be deemed in breach of this Agreement in the event of non-performance due to a Force Majeure; provided, however, that any event involving or relating to any County restrictions or acts or failures to act shall not relieve the County of its obligations pursuant to this Agreement unless the failure to act is as a result of another Force Majeure beyond the reasonable control and without the fault of the Party claiming an excuse from performance. The Parties' respective performance under this Agreement will be suspended during such Force Majeure, each Party shall resume performance of this Agreement upon the conclusion of such Force Majeure, and the Parties shall confer in good faith to determine if any remedial action is necessary as a result of such Force Majeure.

45. No Personal Liability. Nothing herein shall be construed as creating any individual or personal liability on the part of any of the County's elected or appointed officials, officers, boards, commissions, employees, representatives, consultants, servants, agents, attorneys and volunteers or on the part of any of the ANLBC's members, executives, officers, or employees.

(v) **Litigation.** There is no action, suit, investigation or proceeding pending or, to its knowledge, threatened against ANLBC before any court, arbitrator or administrative or Governmental Authority and which, if decided adversely to ANLBC's interest, would have an adverse effect upon the ability of ANLBC to perform its obligations under this Agreement.

47. **Florida State League Team.** The Parties acknowledge and agree that ANLBC does not currently own a Florida State League team but instead provides minor league players and coaches of the Team to a third party owner of a Florida State League team per the terms of a standard player development contract. In the event that ANLBC acquires rights ("FSL Rights")

**INTERLOCAL AGREEMENT REGARDING SPRING TRAINING
STADIUM FINANCING OBLIGATIONS**

This Interlocal Agreement (the "Interlocal Agreement") is made and entered into this 21 day of JULY, 2017 (the "Effective Date"), by and between the City of North Port, Florida, a Florida municipal corporation (the "City") and West Villages Improvement District, an independent special district created pursuant to Chapter 189, Florida Statutes, and Chapter 2004-456, Laws of Florida, as amended ("WVID"). The City and WVID shall be referred to herein jointly as the "Parties" and each, individually, as a "Party."

WITNESSETH:

WHEREAS, WVID is a local unit of special-purpose government established for the purpose of financing, acquiring, constructing, operating and/or maintaining public infrastructure improvements, including without limitation stadiums and ballfields, within and without its boundaries; and

WHEREAS, WVID, the City, Sarasota County, Florida (the "County"), Atlanta National League Baseball Club, LLC ("ANLBC"), Manasota Beach Ranchlands, LLLP (the "Developer"), and Calben (US) Corporation (the "Developer Guarantor") (the Developer Guarantor, together with WVID, the City, the County, ANLBC, and the Developer, are collectively hereinafter referred to as the "Stakeholders") have entered into that certain *Letter of Intent and Term Sheet*, dated March 9, 2017 (collectively, the "Term Sheet"); and

WHEREAS, pursuant to the Term Sheet, WVID shall provide for the design and construction, and the financing thereof, of certain spring training facilities and associated improvements to be utilized by ANLBC (collectively, the "Facility"); and

WHEREAS, pursuant to the Term Sheet, the County, WVID, and ANLBC entered into that certain *Non-Relocation Agreement*, dated May 23, 2017, providing for the Atlanta Braves to play its home spring training games at the Facility for an initial 30-year term ("Non-Relocation Agreement"); and

WHEREAS, the Term Sheet contemplates that the Facility be financed with (i) the proceeds of bonds issued or other form of indebtedness incurred by WVID and secured by grant funding (the "Spring Training Program Grant") awarded by the State of Florida (the "State Contribution"); (ii) a financial contribution from the City (the "City Contribution"); (iii) the net proceeds of bonds issued or other form of indebtedness incurred by the County (the "County Contribution"); (iv) the proceeds of bonds issued or other form of indebtedness incurred by WVID, or another entity, and secured by annual contributions from the Developer (the "Developer Contribution"); and (v) the proceeds of bonds issued or other form of indebtedness incurred by WVID, or another entity, and secured by annual contributions from ANLBC (the "ANLBC Contribution") (the ANLBC Contribution, together with the State Contribution, the City Contribution, the County Contribution, and the Developer Contribution, are collectively hereinafter referred to as the "Facility Funding Obligation"); and

WHEREAS, Exhibit D to the Term Sheet contemplates that WVID shall issue bonds or other indebtedness secured by the Facility Funding Obligation (hereinafter, the "WVID Bonds"), the proceeds of which shall be received by WVID on or before December 31, 2017 (the "Target Funding Date"); and

WHEREAS, notwithstanding the foregoing, so long as the Spring Training Program Grant has been awarded by the State by the Target Funding Date, if the bonds or other indebtedness to be issued by WVID and secured by the Developer Contribution and the ANLBC Contribution (the "WVID Debt") and/or the bonds or other indebtedness to be issued by WVID and secured by the State Contribution (the "State Sales Tax Payments Bonds," and together with the WVID Debt, the "WVID Bonds") is not yet issued and the net proceeds therefrom deposited into the respective subaccount of the WVID Construction Account by the Target Funding Date, WVID may instead acquire temporary funding (hereinafter, the "Temporary Funding") in an amount necessary to preserve the Project Schedule between January 1, 2018 and February 28, 2018, the occurrence of which shall not constitute a default under the Development Agreement (hereinafter defined) or this Agreement, provided that the WVID Bonds shall be issued and the proceeds therefrom deposited to the applicable subaccount of the WVID Construction Account on or before February 28, 2018; and

WHEREAS, the Term Sheet contemplates that the City Contribution is to be comprised of a Three Hundred Thousand Dollar (\$300,000.00) annual contribution to WVID over a period of thirty (30) years, resulting in a total payment of Nine Million Dollars (\$9,000,000.00); and

WHEREAS, there are extensive benefits to the Stakeholders in the event that the City Contribution is paid to WVID as a lump sum payment instead of through the issuance of the WVID Bonds, which benefits include but are not limited to the following: (i) conserves significant staff and legal time, resources, and expenses that otherwise would have been expended relative to the issuance and remittance of the annual payments; (ii) avoids the need to utilize a portion of the City Contribution towards WVID's bond-related expenses such as issuance costs, underwriting fees and costs, and legal, financial advisory, and other consultant fees and expenses; and (iii) streamlines the process of obtaining the Facility Funding Obligation; and

WHEREAS, there are additional benefits specific to the City in the event that the City Contribution is paid as a lump sum payment, which benefits include but are not limited to the following: (i) eliminates the City's need to budget for the City Contribution payments over the next thirty (30) years during unknown market conditions (which allows for the City to better allocate financial resources within the current and/or upcoming fiscal year); (ii) increases the City's future borrowing capacity by eliminating the City's annual payment; (iii) prevents the potential effect of binding future City Commissions relative to the provision of the City Contribution over the next thirty (30) years; and (iv) reduces City staff resources needed to coordinate the payment of the City Contribution semi-annually over the next thirty (30) years; and

WHEREAS, due to financial economies and other efficiencies gained by WVID not issuing the portion of the WVID Bonds secured by the City Contribution provided over a term of thirty (30) years, the Parties now desire for the City Contribution to instead be made a lump sum contribution to WVID in the amount of Four Million Seven Hundred Thousand Dollars (\$4,700,000.00); and

WHEREAS, the terms and conditions of the State Contribution, the County Contribution, the Developer Contribution, and the ANLBC Contribution are more particularly set forth in that certain *Development Agreement* by and between the County, the City, WVID, the Developer, the Developer Guarantor, and ANLBC that has been executed or is to be executed by such parties (hereinafter, the "Development Agreement"); and

WHEREAS, the terms and conditions of the County Contribution are more particularly set forth in the *Development Agreement* and that certain *Interlocal Agreement* by and between the County and WVID as contemplated by the Term Sheet ("County Interlocal Agreement") that has been executed or is to be executed by such parties; and

WHEREAS, the terms and conditions of the State Contribution are more particularly set forth in the *Development Agreement* and that certain *Spring Training Program Agreement* by and between the State and WVID that has been executed or is to be executed by such parties (hereinafter, the "Spring Training Program Agreement"); and

WHEREAS, in accordance with intent of the Term Sheet, WVID and the City desire to enter into this Interlocal Agreement to set forth the rights, duties and obligations of the Parties hereto relative to the provision of the City Contribution.

NOW, THEREFORE, in consideration of the recitals, agreements, and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties agree as follows:

Such amount shall be due and payable to WVID in one or more installments, but paid in full no later than the earlier of: (i) the Target Funding Date; or (ii) if the WVID Bonds have not yet been issued as of such date, upon WVID's receipt of the Temporary Funding. - B. Upon receipt, WVID shall deposit the proceeds of the City Contribution in the applicable construction account held by a trustee on behalf of WVID pursuant to a custodian agreement, all in accordance with the Development Agreement for use in financing the costs relative to the design and construction of the Facility. WVID may utilize such funds in the manner set forth in the Development Agreement.
- C. If, as of the Target Funding Date, all Conditions Precedent (hereinafter defined) have been met pursuant to Section 3(A) below, and the City fails to make its payment of the City Contribution, WVID shall provide immediate notice of such default to all of the Parties to the Development Agreement, and WVID shall have the option to terminate this Interlocal Agreement as of the Target Funding Date (hereinafter, a "Default Termination").

SECTION 3. CONDITIONS PRECEDENT.

 - i. The Stakeholders' approval and execution of the Development Agreement;
 - ii. WVID and the County's approval and execution of the County Interlocal Agreement;

- B.** Should any of the foregoing conditions have not been satisfied by the Target Funding Date, the City may terminate this Interlocal Agreement by written Notice to WVID and the parties to the Development Agreement, termination to be effective immediately upon issuance of said Notice.

For ninety (90) days following the issuance of a Negotiation Notice, neither Party shall file any claim or lawsuit to resolve such dispute.

- 8. Boundary Survey.** Prior to Closing, WVID shall, at its expense (but payable from the Project Budget), have an updated boundary survey of the Facility Site prepared by a licensed Florida Land Surveyor that shows the external boundary of the Facility site as well as the boundary of any buildings or structures internal to the Facility Site. The survey shall be certified to WVID, the Developer, and the County. The Development Agreement shall govern any title or survey defects.
- 9. The Closing shall be held in the Office of the County Attorney, 1660 Ringling Boulevard, Second Floor, Sarasota, Florida 34236 or at

a place designated by the County. Alternatively, the Closing may be conducted by delivery of documents in escrow accompanied by escrow instructions with an escrow agent mutually agreeable to WVID and the County. The date of the Closing shall be between five (5) and fifteen (15) days following the satisfactory completion of the preconditions to Closing set forth herein. At the Closing, WVID shall deliver a Special Warranty Deed for the Facility Site to the County together with all easements, if necessary, that are required to provide access to the Facility Site and utility easements required to serve the Facility Site and Facility. At the Closing, WVID shall deliver the Drainage License Agreement. WVID shall also deliver an Owner's Affidavit of No Liens to the County, bill of sale, closing statement, corrective instruments if any, closing agreement and any other documents reasonably requested by the County, as necessary to close the transaction and convey title in the condition required by Section 12 above. It is anticipated that the recording of the Special Warranty Deed and title transfer will be exempt from the levy of Documentary Stamp Taxes. In the event that Documentary Stamp Tax is owed on the transfer, WVID will pay the required tax. WVID shall pay to record any easements, the Drainage License Agreement, corrective instruments if any or other documents other than the Special Warranty Deed. The County shall pay to record the Special Warranty Deed.

- 14. Project Documents.** At the Closing, WVID shall provide to County, at no cost to the County, all site and development plans and permits, construction plans and permits, environmental and stormwater plans, reports and permits, and surveys within its possession, and such other documents within its possession as the County may reasonably request. WVID shall additionally use its best efforts to obtain and provide to County, at no cost to County, all site and development plans and permits, construction plans and permits, environmental and stormwater plans, reports and permits, and surveys not within its possession, and such other documents as the County may reasonably request.
- 15. Consultant Contracts; Construction Contracts; Warranties.** WVID shall comply with the Development Agreement, as it relates to all Consultant Contracts and Construction Contracts, including any warranties arising from the same.
- 16. Evidence of Payment.** WVID shall comply with the provisions of the Development Agreement, as it relates to evidence of payment.
- 17. Facility Operating Agreement.** Following recording of the Special Warranty Deed and transfer of the Facility and the Facility Site to the County, the County shall keep the Facility Operating Agreement in full force and effect, and shall use its best efforts to ensure that ANLBC shall occupy and use the Facility Site and Facility in accordance with the terms of the Facility Operating Agreement. The County, in conjunction with WVID, will enforce the terms of the Non-Relocation Agreement, if required, in order to make certain that ANLBC continues to occupy and use the Facility Site and Facility in accordance with the terms of the Non-Relocation Agreement.

18. Dispute Resolution.

- (a) In the event of a dispute between WVID and the County regarding the performance of the obligation contained herein, the dispute resolution provisions of the Development Agreement shall govern. This process shall substitute for the dispute resolution process set forth in Chapter 164, Florida Statutes.
- (b) This Agreement shall be construed and enforced in accordance with the laws of the State of Florida. The Parties hereby agree that venue and jurisdiction for all legal proceedings arising out of or relating to this Agreement shall be exclusively in the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida, and the parties irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the venue of any such proceeding which is brought in such a court.
- (c) The parties agree to waive all rights to trial by jury for any litigation undertaken concerning this Agreement.

19. Force Majeure. Except for any payment obligation by either party, if either the County or WVID is unable to perform, or is delayed in its performance of any of its obligations under this Interlocal Agreement by reason of any event of Force Majeure, such inability or delay shall be excused at any time during which compliance therewith is prevented by such event and during such period thereafter as may be reasonably necessary for the County or WVID to correct the adverse effect of such event of Force Majeure.

An event of "Force Majeure" shall mean the following events or circumstances to the extent that they delay the County or WVID from performing any of its obligations (other than payment obligations) under this Interlocal Agreement: acts of God, natural disaster, accidents, fire or other casualty, earthquake, hurricane, tornadoes, named storms, flood, war, riot, intervention by civil or military authorities of government, insurrection, or other civil commotion, governmental action (except that, as to the County, governmental action shall exclude any governmental action or inaction with respect to the granting or withholding of any governmental approvals or permits needed for the development of the Facility within the control of the County), material shortages, industry wide strikes, boycotts, lockouts or labor disputes (including, without limitation, labor disputes involving MiLB (as defined in the Facility Operating Agreement) or MLB players that result in missed games), or any other similar or like event or occurrence beyond the reasonable control of a Party (or any Design Professional, Consultant, or Contractor, of any tier) hereto, that causes such Party to be delayed or hindered in, or prevented from, the performance of any covenant or obligation hereunder.

In order to be entitled to the benefit of this Section, a party claiming an event of Force Majeure shall be required to give prompt written notice to the other party specifying in detail the event of Force Majeure and shall further be required to diligently proceed to correct the adverse effect of any Force Majeure. The terms of this Section shall survive the termination of this Interlocal Agreement.

- 20. Entire Agreement.** This Interlocal Agreement embodies the entire understanding of the respective parties hereto regarding the subject matter hereof, and there are no further or other agreements or understandings, written or oral, in effect between parties relating to the subject matter hereof. This Interlocal Agreement may be amended or modified only by an instrument of equal formality executed by authorized representatives of the County and WVLD.
- 21. Severability.** If any provision of this Interlocal Agreement or any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Interlocal Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Interlocal Agreement, and to this end the provisions of this Interlocal Agreement are declared to be severable.
- 22. Mutual Benefit.** This Interlocal Agreement is for the mutual benefit of the named parties only and nothing herein shall be construed as creating any right or cause of action to any party not specifically named herein nor shall any provision of this Interlocal Agreement be construed as constituting a waiver of sovereign immunity.
- 23. Radon Gas.** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.
- 24. Effective Date.** This Interlocal Agreement shall become effective upon filing with the Clerk of the Circuit Court of Sarasota County.

All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum.

II. TERMS AND CONDITIONS

In accordance with the last sentence of paragraph 3.2 page 4 of the Non-Relocation Agreement dated May 22, 2017, ANLBC is obligated to exhibit, promote, schedule and play or conduct at least eighty percent (80%) or fifteen (15) Major League Spring Training Home Games per season (whichever is greater) in the main stadium of the Facility, between the Team and another Major League Club, with at least two (2) such Major League Spring Training Home Games scheduled to begin after 6:00 pm, subject to Major League Baseball Rules and Regulations. DEO may excuse ANLBC in writing from the obligation of this immediately preceding sentence (with or without a Compensatory Prorated Fee as further described below), but if not, then at DEO's sole and absolute discretion, DEO can unilaterally determine and notify ANLBC in writing that ANLBC breached its obligation and owes immediate payment to the State of the total amount of the State distributions due and payable through the final maturity of the Bonds.

Provided, however, that if Forte Majeure or Major League Baseball causes ANLBC and Team to play less than fifty percent (50%) of the Major League Spring Training Home Games at the Facility during each Spring Training Season, then the Agreements shall be automatically extended beyond their Term for one additional full Spring Training Season.

The Compensatory Prorated Fee shall be determined as follows: State's yearly distribution applicable to Spring Training Season multiplied by the fraction obtained by dividing the number of missed Major League Spring Training Home Games (up to 15 games) by 15 yearly Major League Spring Training Home Games. For example: with 2 unexcused missed Major League Spring Training Home Games

in a Spring Training Season, and State paying \$1,000,000 per year, ANLBC would owe state $\$1,000,000 \times (2/15) = \$133,333$.

III. STATE OF FLORIDA AS THIRD PARTY BENEFICIARY

The State of Florida, by and through DEO and DEO's successors and assigns, is an intended third party beneficiary of this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations this Addendum imposes. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any additional legal rights or remedies that the State or DEO may have with the Agreements or otherwise.

IV. ORDER OF PRIORITY

In the event of a conflict between the terms of this Addendum and the Agreements relating specifically to a right, obligation or remedy benefitting DEO which arises from section 288.11631, Florida Statutes or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Agreements, including any terms added to, amended in, or removed from the Agreements after the effective date of this Addendum, provided that this provision shall not be interpreted so as to release or modify any obligation, right or remedy provided in the Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the parties and DEO's Executive Director or DEO's Executive Director's successor in interest. If any modification or amendment is made to either the Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on DEO's rights under this Addendum, such portion of that modification or amendment that has such adverse effect shall be void ab initio and ineffective. The Addendum's recitals are incorporated herein and made a part hereof by this reference. Any duplication of this Addendum with the terms and provisions of the Agreements shall be construed as intentional.

IN WITNESS WHEREOF, this Addendum, has been executed by duly authorized officers of ANLBC, the County, the City, WVID, Developer, Developer Guarantor, and DEO, each of whom hereby represents and warrants that she or he has the full power and authority to execute this Addendum in such capacity, all as of the day and year first above written.

3. Economic Impact Analysis

Pursuant to Section 4(h)(3) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide a cost-benefit analysis of the stadium facility’s impact on Sarasota County (the “County”). This cost-benefit analysis must be substantially similar in content and format to that certain *2009 Major League Baseball Florida Spring Training Economic Impact Study* except that its scope shall be limited to the impact on the County.

Spring Training activities are vital to the economic health of the City of North Port, Florida, Sarasota County, Florida, and surrounding jurisdictions. In order to demonstrate this impact, the following economic impact analysis has been extrapolated utilizing methodologies established in the *2009 Major League Baseball Florida Spring Training Economic Impact Study Report* published in June 2009 and prepared by the Florida Sports Foundation and Bonn Marking Research Group, Inc. The information contained herein represents the estimated economic impact to Sarasota County as a result of spending associated with the Atlanta Braves Spring Training games taking place in North Port, Florida in 2021.

Total economic impact is calculated by aggregating total direct, indirect, and induced spending resulting from the Atlanta Braves Spring Training games in 2021.⁴ Thus, the total estimated economic impact from the Atlanta Braves Spring Training games held in 2021 totals \$30,153,435.22.

Types of Effects/Spending:

- 1. Direct Effects-** Spring Training-related expenditures related to attendee spending, MLB teams, and stadium and concessionaire operating expenditures.
- 2. Indirect Effects-** the secondary impact caused by changing input of needs of directly affected industries.
- 3. Induced Effects-** the changes in household spending due to additional employment generated

⁴ Note, however, that this analysis does not take into account the impact on labor income and employment in Sarasota County as a result of the Atlanta Braves’ Spring Training activities.

Atlanta Braves Spring Training Season	Total Attendance	Number of Home Games	Average Attendance per Home Game	Total Direct Spending	Total Economic Impact
2021	26,027	14	Attendance/ Games	\$17,757,896.88	\$30,153,435.22

Types of Attendees at Atlanta Braves Spring Training Games:

- 1. Out-of-State Primary Purpose-** this indicates a visiting party from outside of Florida that came to Sarasota County expressly for Atlanta Braves Spring Training games.
- 2. Out-of-State Other Purpose-** this indicates a visiting party from outside of Florida that came to Sarasota County for another purpose, but attended Atlanta Braves Spring Training games.
- 3. Non-County Primary Purpose-** this indicates attendance from another County in Florida that visited Sarasota County expressly for Atlanta Braves Spring Training games.
- 4. Non-County Other Purpose-** this indicates attendance from another County in Florida that came to Sarasota County for another purpose, but attended Atlanta Braves Spring Training games.
- 5. Local-** this indicates attendance from a resident of Sarasota County.

5. Certification of Compliance with Section 288.11631, *Florida Statutes*

Pursuant to Section 4(h)(5) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide written evidence that WVID continues to meet the certification criteria in effect when WVID was certified pursuant to section 288.11631, *Florida Statutes* (2017). For the reasons set forth below, WVID continues to meet the criteria for a “certified applicant.”

1. The applicant is responsible for the construction or renovation of the facility for a Spring Training franchise or holds title to the property on which the facility for a Spring Training franchise is located.

WVID is an independent special district established by the Florida Legislature pursuant to Chapter 189, *Florida Statutes*, and Chapter 2004-456, *Laws of Florida*, as amended. WVID received fee simple title to the property upon which the stadium facility is to be constructed on December 21, 2017 through a special warranty deed recorded as Instrument Number 2017156837 in the Official Records of Sarasota County, Florida (the “County”).

2. The applicant has a certified copy of a signed agreement with a Spring Training franchise. The signed agreement with a Spring Training franchise for the use of a facility must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating a facility for a Spring Training franchise

WVID has entered into that certain *Non-Relocation Agreement* dated May 23, 2017 by and between the Atlanta National League Baseball Club, LLC (“ANLBC”), the County, and WVID (the “Non-Relocation Agreement”) and ANLBC and the County have entered into that certain *Facility Operating Agreement* dated May 23, 2017 (the “Facility Operating Agreement”) that together obligate ANLBC to utilize the stadium facility for thirty (30) years, expiring December 31, 2048, with an option for two (2) consecutive five (5) year options to extend the term.

Subsequent to the execution of the Facility Operating Agreement, ANLBC and the County acknowledged the joinder of Florida RentCo, LLC to the Facility Operating Agreement pursuant to that certain *Joinder of Braves Florida RentCo, LLC (Facility Operating Agreement)* dated December 21, 2017 (the “Joinder”) which was required by the terms of financing for the stadium facility.

Copies of each of the Non-Relocation Agreement, the Facility Operating Agreement, and the Joinder are included in Section 2 of this Annual Report.

3. The applicant has made a financial commitment to provide 50 percent or more of the funds required by an agreement for the construction or renovation of the facility for a Spring Training franchise. The commitment may be contingent upon an award of funds under this section and other conditions precedent.

The applicant has provided in excess of 50% of the funds necessary for financing and construction of the stadium facility. Please see the chart below for a summary of the state and matching funding sources for the construction and financing of the stadium facility.

[Continued on Next Page]

<u>Funds</u>	<u>Source of Funds</u>	<u>Utilization</u>	<u>Contribution Amount</u>	<u>Percent of State Funding Source</u>	<u>Percent of Matching Funding Sources</u>

	ANLBC	Security for WVID's issuance of its Senior Secured Notes, Series 2017B,* the proceeds of which were utilized for construction funding	\$41,417,536		0% 24.26%
TOTAL FUNDS**			\$170,709,444		11.72% 88.29%

* includes total cost of funds provided, which are utilized to pay both principal and interest.

**does not include land and infrastructure donations of the West Villages developer in the estimated amount of \$8,000,000 and \$7,000,000, respectively.

4. The applicant demonstrates that the facility for a Spring Training franchise will attract a paid attendance of at least 50,000 persons annually to the Spring Training games.

In 2021, the paid attendance relative to the fourteen (14) Spring Training games held at the stadium facility totaled 26,027. Note that permitted attendance at such games was significantly restricted by Major League Baseball protocols due to the continued impact of the COVID-19 pandemic.

On a going forward basis, it is conservatively anticipated that total average attendance will exceed 73,500 in the first full year of play in which attendance is not restricted. This number is projected to increase to more than 80,000 attendees in the second full year of play in which attendance is not restricted. These projections assume approximately 75% occupancy of fixed seats, and an estimate of 16 home games per season, with a 1% growth rate per year.

5. The facility for a Spring Training franchise is located in a county that levies a tourist development tax under section 125.0104, *Florida Statutes*.

The County has levied a Tourist Development Tax relative to the funding of the stadium facility pursuant to Ordinance No. 2017-025.

6. The applicant is not currently certified to receive state funding for the facility as a Spring Training franchise under this section.

Prior to its award of funding in 2017, WVID has not previously received state funding for a Spring Training stadium facility under section 288.11631, *Florida Statutes*.

6. Certification of Compliance with Section 288.1167, *Florida Statutes*

Pursuant to Section 4(h)(6) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide written evidence, including numerical and/or statistical analysis as applicable, that the WVID is in compliance with section 288.1167, *Florida Statutes*. Section 288.1167, *Florida Statutes*, provides that any applicant who receives Spring Training stadium facility financing must demonstrate that:

- 1) Funds and facilities with respect to food and beverage and related concessions shall be awarded to minority business enterprises on the same terms and conditions as the general food and beverage concessionaire and in accordance with the minority business enterprise procurement goals set forth in section 287.09451, *Florida Statutes*;
- 2) At least 15 percent of a company contracted to manage a professional sports franchise facility or a Spring Training franchise facility is owned by minority business enterprises; or
- 3) At least 15 percent of all operational service contracts with a professional sports franchise facility or a Spring Training franchise facility are awarded to minority business enterprises.

Atlanta National League Baseball Club, LLC, as operator of the stadium facility, has confirmed to WVID that it makes all good faith efforts to award contracts for services to minority business enterprises as defined in section 288.703, *Florida Statutes*, on the same terms and conditions as any other vendor or service providers, as well as in accordance with the minority business enterprise procurement goals set forth in section 287.09451, *Florida Statutes*. As a result, WVID has complied with section 288.1167, *Florida Statutes*, as of the date of this Annual Report.

7. Advertising and Promotions for the Stadium Facility

Pursuant to Section 4(h)(9) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide evidence of efforts to promote and advertise the stadium facility that have taken place during the prior year.

Atlanta National League Baseball Club, LLC participated in multiple marketing plans for its 2021 Spring Training season. The following is a recap of activity:

- Purchased multi-media advertising spots in local radio, print, and television.
- Purchased multi-media advertising spots in local radio, print, and television.
- Actively engaged all social media platforms to consumer/fans.
- Produced live broadcast daily for the Atlanta market that was shown in the Battery Atlanta.
- Promoted facility through a full fledged year round special event calendar including concerts, comedy shows, and a full service restaurant.
