Sentencing Scoresheet Compliance Report

Executive Summary

This report is in fulfillment of 921.002(4)(c) Florida Statutes, which requires that the Florida Department of Corrections shall, no later than October 1 of each year, provide the Legislature with a sentencing scoresheet compliance report. This report shows the rate of compliance of each judicial circuit in providing sentencing scoresheets to the Department.

This report reflects the number of scoresheets received received by the Department and does not attempt to match a scoresheet to an admission event. This report only reflects the data as received without providing edits or attempting to fill in missing data.

Included in this report is the following information:

1. Using FY 2022-23 admissions to retrieve data on offenders sentenced between July 1, 2022 through June 30, 2023, to the Department of Corrections as a baseline for comparing scoresheet submissions, a compliance rate is provided for each judicial circuit. Admissions include all felons convicted and sentenced to state prison, probation or community control as well as modifications to and revocations of supervision. Verified scoresheets reported are those received through September 1, 2023, and through the Department's Digitized Scoresheet System.
2. The statewide rate of compliance during this report period is approximately 74%.
3. For scoresheets received with sentence dates during FY 2022-23 (including those with non-department sanctions), circuit and county totals are provided.
4. Circuit and county totals for scoresheets received with FY 2022-23 sentence dates are listed according to most severe type of sanction, unless deemed undetermined. During FY 2022-23, there were 77,199 total scoresheets received through the Department's Digitized Scoresheet System.

Scoresheets Received Compared with Admissions* to the Department of Corrections by Judicial Circuit (Scoresheets Received for Offenders Sentenced between July 1, 2022 and June 30, 2023)

Note: The Scoresheets Total represents scoresheets received by the Department. This does not reflect an exact one to one match for each scoresheet with an admission event. Those with undetermined sanctions are reflected below as "Sanction Undetermined." Admission event is based on a single, most serious sentence imposed event with sentence dates between July 1, 2022 through June 30, 2023. Additionally, there are **110** scoresheets missing judicial circuit data that are not counted in the overall compliance rate.
