402 South Monroe Street
Tallahassee, FL 32399

Dear Governor, President and Speaker:

Pursuant to the provisions of [section 316.0083](#), Florida Statutes, the Department of Highway Safety and Motor Vehicles respectfully submits the enclosed summary report on the use of traffic infraction detectors at red light intersections in Florida.

This report is a compilation of information the Department received from counties and municipalities through an on-line survey. The survey requested information on statistical data, enhancement to traffic safety, and procedural policies or guidelines jurisdictions follow in operating their red light camera programs during Fiscal Year 2022-2023 (July 1, 2022 to June 30, 2023).

The Department requested that survey responses be submitted by October 2, 2023. It should be noted that any actions that jurisdictions may have taken related to their program subsequent to that date would not be reflected in this report. In addition, for your reference, we are including the individual survey responses from each responding jurisdiction.

Should you need additional assistance or have further questions, please do not hesitate to contact me at (850) 617-3100.

Respectfully,

Dave Kerner
Executive Director

Red Light Camera Summary Report

Leaders in Service • Agents of Progress • Champions for Safety

Fiscal Year 2022–2023

DECEMBER 30, 2023

Florida Department of Highway Safety and Motor Vehicles Red Light Camera Report for Fiscal Year 2022-2023

Introduction

The Florida Department of Highway Safety and Motor Vehicles (the department) is required by statute to provide reporting on the data related to traffic infraction detector (red light camera) violations and citations.

[Section 316.0083\(4\)\(a\)](#), Florida Statutes, directs each county or municipality that operates traffic infraction detectors (red light cameras) to submit a report by October 1, annually, to the Florida Department of Highway Safety and Motor Vehicles (the department) which details the results of using the traffic infraction detectors, and the procedures for enforcement for the preceding state fiscal year. The information submitted by the counties and municipalities must include statistical data and information required by the department to complete the report required under paragraph (b).

[Section 316.0083\(4\)\(b\)](#), Florida Statutes, directs the department to provide a summary report on the use and operation of red light cameras in Florida. The summary report must include a review of information submitted to the department by the counties and municipalities and must describe the enhancement of the traffic safety and enforcement programs.

The terms “Traffic Infraction Detector” and “Red Light Camera” are interchangeable, but this report will use red light camera, or RLC, for simplicity.

The counties and municipalities covered in this report will be referred to as jurisdictions.

Notices of Violation will be referred to as NOVs.

Uniform Traffic Citations will be referred to as UTCs.

Part 1

Survey Methodology

The department created an online survey to gather information and data from jurisdictions responsible for the administration of red light cameras during Fiscal Year 2022-2023. The 35-question survey included topics such as procedures, NOVs, and program size, and covered activity that occurred from July 1, 2022, through June 30, 2023. As there is no statewide oversight of red light camera programs, the department identifies which jurisdictions potentially operated red light cameras during the reporting period utilizing a report from the Department of Revenue of monies remitted to them from RLC programs. Jurisdictions were also asked to complete a spreadsheet of their camera and intersection locations and dates of operation. With this self-reported information, the department independently collected crash data related to red light camera intersections throughout the state.

Surveys were distributed to all jurisdictions who responded to previous red light camera surveys, and to those who remitted red light camera monies to the Department of Revenue during the reporting period.

Summary of Survey Responses

In total, 41 jurisdictions appeared on the Department of Revenue report for remittance of RLC penalties during Fiscal Year 2022-2023. Of the 41 jurisdictions, one indicated they are no longer operating an RLC program (Sweetwater), even though monies were remitted after the conclusion of their program. Violations are sometimes paid late, which is why some jurisdictions remitted monies after the conclusion of their program. The survey portion of this report focuses on 40 jurisdictions that indicated red light cameras were operational during the reporting period of July 1, 2022 through June 30, 2023. Reference Appendix F for a list of the 40 jurisdictions and their responses.

The following information is the Camera and Intersection Data as reported by local jurisdictions in the R L C survey:

- There were 495 red light cameras active as of July 1, 2022, compared to 491 as of July 1, 2021.
- There were 476 red light cameras active as of June 30, 2023, compared to 487 as of June 30, 2021.
 - 32 jurisdictions had no change in the number of red light cameras, including 1 jurisdiction that cancelled their program at the end of the fiscal year (Doral).
 - 5 jurisdictions had an increase in the number of red light cameras.
 - 3 jurisdictions had a decrease in the number of red light cameras, which includes 1 jurisdiction that cancelled their program during the fiscal year (Manatee County).
- There were 301 intersections with active RLCs as of July 1, 2022, compared to 302 as of July 1, 2021.
- There were 297 intersections with active RLCs as of June 30, 2023 compared to 298 as of June 30, 2022.
 - 35 jurisdictions had no change in the number of intersections with RLCs.
 - 3 jurisdictions had an increase in the number of intersections with RLCs.
 - 2 jurisdictions had a decrease in the number of intersections with RLCs, which includes 1 jurisdiction that cancelled their program (Manatee County).

The following information is the Notice of Violation Data as reported by local jurisdictions in the R L C survey:

- A total of 976,478 NOVs were issued. Of these:
 - 596,518 NOVs were paid;
 - 5,572 were contested and are pending;
 - 1,122 were contested and dismissed;
 - 3,846 were contested and upheld;
 - 260,360 were issued as UTCs;
 - 9,570 are pending issuance as UTCs, which includes 8 jurisdictions that left the survey field blank; and
 - 99,490 are of unknown status as processing and updates of NOVs vary by jurisdiction.

Table 1 below shows the number of NOVs issued for red light camera violations over the past nine fiscal years, which run from July 1st through June 30th. Also provided are the number of citations for running a red light issued in-person by law enforcement. The NOV data is self-reported by jurisdictions. The citation data is collected from the department database as of November 20, 2022.

Table 1: Notices of Violation and In-Person Citations by Fiscal Year		
Fiscal Year	Notices of Violation	In-Person Citations
2014-2015	963,039	57,546
2015-2016	1,227,927	50,755
2016-2017	1,173,232	48,129
2017-2018	1,159,392	50,249
2018-2019	1,054,234	51,939
2019-2020	1,127,450	42,879
2020-2021	955,297	41,150
2021-2022	1,014,273	47,415
2022-2023	976,478	50,751

Table 2 below shows the number of unpaid R L C violations resulting in a U T C being issued.

Table 2: RLC Violations Issued as UTCs	
Fiscal Year	UTCs
2014-2015	300,224
2015-2016	383,538
2016-2017	359,289
2017-2018	352,539
2018-2019	332,238
2019-2020	243,604
2020-2021	212,229
2021-2022	264,442
2022-2023	260,360

Citation data collected from department database as of November 20, 2022.

Personnel

Jurisdictions were requested to identify who reviews the camera images before issuing NOVs, who reviews contested NOVs and who ultimately issues UTCs. Personnel categories included Law Enforcement Officer, Non-sworn Government Employee, Non-sworn Contractor Employee or Vendor, and Other.

Table 3: Jurisdiction Counts of Personnel Responsible for NOV and UTC Actions			
Personnel	Review Camera Images	Review Contested Notices of Violation	Issue Uniform Traffic Citations
Law Enforcement Officers	35	34	34
Non-Sworn Government Employees	19	13	15
Non-Sworn Contractor Employees/Vendors	1	1	0
Other Personnel	4	5	4

Note: Jurisdictions could select multiple options for each question, so numbers may not sum to the total number of respondents. The data is presented as it was reported by the local jurisdictions in the R L C survey.

Right-Hand Turns

Pursuant to [section 316.0083](#), Florida Statutes:

An NOV and UTC may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a careful and prudent manner at an intersection where right-hand turns are permissible.

An NOV and UTC may not be issued under this section if the driver of the vehicle came to a complete stop after crossing the stop line and before turning right if permissible at a red light, but failed to stop before crossing over the stop line or other point at which a stop is required.

The terms in this section of the statute are left to the interpretation of each respective jurisdiction. Appendix G provides right turn definitions provided to the department. For Fiscal Year 2022-2023, 21 of 40, or 52.5%, of the responding jurisdictions issued NOVs for persons making right turns on red signals. Nineteen jurisdictions indicated that they do not track the number of violations issued for right turns on red.

Alternative Safety Measures

The department also requested what other actions jurisdictions had taken to improve safety measures at intersections during the reporting period. Twenty-five of 40 jurisdictions, or 62.5 percent, indicated they had implemented more than one alternative action. Four jurisdictions, or 10 percent, indicated they had implemented just one action. Eleven jurisdictions, or 27.5 percent, indicated they had not implemented any other actions. The results of this question are shown below in Table 4. Appendix F provides responses by jurisdiction.

Table 4: Alternative Safety Measures					
Safety Measure	At intersections with RLC's	At intersections without RLC's	At Both	None	Other
Education and Outreach	10	0	7	23	0
Engineering, Roadway/Geometric	4	2	4	30	0
Engineering, Signalization/Operation	7	2	4	27	0
Increased other type of signage	9	2	2	27	0
Increased RLC-related signage	18	0	0	22	0
Lighting	6	1	6	27	0
Restriping	7	2	8	23	0
Other (social media, tree trimming at stop lights, radar, etc.)	7	0	0	0	2

Other Survey Results Data as reported by local jurisdictions in R L C Survey

Only 15 percent of the jurisdictions, 6 out of 40, reported that court cases have impacted their red light camera program. Seven jurisdictions indicated they have conducted an independent red light camera analysis. Thirty-eight jurisdictions responded they are continuing their program in Fiscal Year 2023-2024. Thirty-four jurisdictions responded that they report crashes electronically, one reports via paper, and five submit both.

Table 5 below shows red light camera vendors used by jurisdictions.

Table 5: Jurisdiction Counts of Red Light Camera Vendors	
Vendor	Number of Jurisdictions
American Traffic Solutions or Verra Mobility	30
Novoa Global	4
Red Flex	2
Red Speed USA	2
Conduent	2
Sensys Gatso Group	2

Table 6 below shows factors used to determine the success or failure of red light camera locations as reported by jurisdictions. Please note that jurisdictions may have selected more than one factor.

Table 6: Factors that Determine Success or Failure of Red Light Camera Locations		
Factor	# of Jurisdictions	% of Total
Number of Crashes	39	97.5%
Pedestrian Safety	38	95.0%
Revenue	5	12.5%
Other (see Appendix F)	2	5.0%

Table 7 below shows other uses of red light camera footage reported by jurisdictions.

Table 7: Jurisdiction Use of RLC Footage		
Use	# of Jurisdictions	% of Total
Crash Investigation	40	100.0%
Criminal Investigation	40	100.0%
Missing Person	11	27.5%
Other (see Appendix F)	4	10.0%

Jurisdictions were asked to rank the importance of various factors when selecting locations to install red light cameras. The results are shown in Table 8.

Table 8: Importance of Factors When Selecting Intersections for R L C's				
Factor	Very Important	Somewhat Important	Not Important	Not Applicable or Blank
Citizen Complaints	25	13	2	0
Law Enforcement Officer Observations	26	10	3	1
Pedestrian Safety	39	1	0	0
Traffic Citation Data	23	11	3	3
Traffic Crash Data	40	0	0	0
Traffic Volume	30	5	5	0

Part 2 Crash Analysis

As with previous fiscal year reports, jurisdictions self-reported the dates of operation and locations of intersections with red light cameras. Intersections were selected to be included in the crash analysis based on their dates of operation. Taking input from jurisdictions who operate red light camera programs, the department refined its methodology to **only include crashes** that occurred on or after July 1, 2012. Therefore, intersections were only included if the activation date was between January 1st, 2013 and December 31st, 2022, allowing at least six months before and after the date the camera was activated. In total, 128 intersections were included in the crash analysis from 27 jurisdictions.

Note: While the methodology remains consistent with prior reports, we worked closely with our partners to verify the locations of red light camera intersections and dates of camera operation. This additional step further validated the analysis.

Crashes occurring within 250 feet of the center of the intersection were analyzed before and after the installation of cameras at each intersection. Table 9 shows the breakdown of crashes analyzed based on their distance from the center of the intersection.

Table 9: Number of Crashes by Feet from Intersection			
Feet from Intersection	Number of Crashes	Percent of Total	Running Total
0 Feet	12,773	38.87%	38.87%
1 to 50 Feet	7,400	22.52%	61.38%
51 to 100 Feet	4,416	13.44%	74.82%
101 to 150 Feet	3,937	11.98%	86.80%
151 to 200 Feet	2,759	8.40%	95.20%
201 to 250 Feet	1,579	4.80%	100.00%
Grand Total	32,864	100.00%	

This data was provided by Signal Four Analytics using intersection location information and operation dates reported by local jurisdictions.

Measures were taken to exclude crashes that occurred anywhere other than the roadway, such as parking lots. The before and after periods used for analysis were unique to each intersection based on the dates of operation, with an equal number of days within each window. Crashes were broken down by manner of collision, injury severity, inclusion of a non-motorist, and whether the crash report indicated a driver ran a red light. See Appendix D for the definition of a non-motorist.

Table 10 shows the breakdown of crashes that occurred before and after the activation of red light cameras at intersections included in the analysis. Again, the department excludes crashes that occurred outside of the roadway. Reference Appendix A for a more detailed breakdown of crashes by reporting jurisdiction. Appendix B is specific to crashes where the officer indicated a driver ran a red light, and Appendix C is specific to crashes involving non-motorists.

Table 10: Manner of Collision: Crashes Before and After R L C's Were Installed		
Type of Crash	Before RLC Installed	After RLC Installed
Front to Rear	7,762	8,020
Angle	3,397	3,520
Sideswipe, Same Direction	2,528	3,115
Other	1,091	937
None reported	847	529
Front to Front	296	333
Unknown	120	81
Sideswipe, Opposite Direction	92	81
Rear to Side	40	36
Rear to Rear	21	18
Fatal Crashes	33	31
Grand Total	16,227	16,701

Table 11 shows the breakdown of crashes by the level of injury severity.

Table 11: Highest Injury Severity in Crashes Before and After RLCs Installed		
Type of Crash	Before RLC Installed	After RLC Installed
Property Damage Only Crashes	12,322	13,021
Injury Crashes	3,839	3,618
Fatality Crashes	33	31

(Data provided by Signal Four Analytics using intersection location information and operation dates reported by local jurisdictions.)

The department maintains partnerships with local jurisdictions to improve the completeness and accuracy of crash report data. The crash analysis should be put into context of the overall complexity of the issue at hand, as many factors may contribute to the change in number of crashes outlined in this report.

One such factor is the increase in Vehicle Miles Traveled, or VMT. The probability of a crash occurring increases as people drive more, and VMT in Florida increased 16.2 percent from calendar years 2012 to 2022. For more information, see the links under Supplemental Resources below.

Another factor is the fluctuation in crash reports with accurate location information, latitude, and longitude. In order to analyze crashes that occurred at certain intersections, it is necessary to know both the location of the intersection and the location of the crashes. Intersection locations, latitude, and longitude were submitted along with the survey; however, latitude and longitude are not included in every crash report.

Part 3

Recommendations

The following recommendations would allow for more accurate reporting of information that cannot currently be tracked through existing systems.

1. Require jurisdictions to track camera information including location with GPS coordinates and dates of operation.
2. To ensure the ability to reconcile N O Vs issued with monies remitted and U T C counts, require jurisdictions that end their red light camera operations to maintain all data regarding the program for a minimum of two years.
3. Require jurisdictions to track the issuance of N O Vs, including the status of those violations paid, contested, and issued as U T Cs.
4. Require jurisdictions to track the issuance of N O Vs for right-hand turn violations.
5. Create a standard for administering violations for right-hand turns on red signals. Define “careful and prudent manner” to allow for a uniform procedure statewide.
6. Require jurisdictions to report alternative safety countermeasures taken prior to and after the installation of red light cameras.
7. To determine the enhancement of traffic safety, the department recommends a more thorough analysis be conducted by an independent organization using appropriate local and state agency resources.

The department will continue to collaborate with local jurisdictions operating red light camera programs to improve the data collection and reporting methodology associated with evaluation of the active programs across the state.

Appendix D: Glossary of Terms

Angle Crash	A crash in which two vehicles impact at an angle. For example, the front of one vehicle impacts the side of another vehicle.
Fatal Crash	A crash in which any person involved dies within a 30-day period after the crash occurred.
Injury Crash	A crash in which any person involved complained of, or showed, any visible signs of injury.
Non-Injury Crash	A crash in which no persons involved were injured.
Non-Motorist	Any person other than an occupant of a motor vehicle in transport. This includes pedestrians, occupants of other motor vehicles not in transport, and occupants of transport vehicles other than motor vehicles.
Rear-End Crash	A crash in which the front of one vehicle impacts the back of another vehicle.

Appendix E

Red Light Camera Survey Questions for Fiscal Year 2022-2023

Welcome to Florida Department of Highway Safety and Motor Vehicle's annual survey on the use and operation of traffic infraction detectors, commonly known as red light cameras, for the 2022-2023 fiscal year.

As per Florida Statutes Section 316.0083(4)(b), the Florida Department of Highway Safety and Motor Vehicles has been directed to compile an annual comprehensive summary report on this topic. The primary objective of this survey is to collect essential information from Florida municipalities, counties, and other jurisdictions that currently employ red light cameras. Please note that your responses will not be anonymous, but the contact information you provide will not be included in the final report.

We value your input, as it will greatly contribute to the report's accuracy and completeness. The survey is expected to take approximately 15 to 20 minutes to complete, depending on the availability of the requested information. Please be advised that the deadline for submitting your responses is October 2nd, 2023.

Thank you for taking the time to participate in this survey and for helping us gather the necessary data. If you experience any issues or have questions regarding this survey, please reach out to Rhonda MacKinnon at (850) 617-2690 or at RhondaMacKinnon@flhsmv.gov.

Category: Responder Information

Question 1. Please enter your contact information: Name, Agency, Email Address, Phone Number, and Phone Extension (if applicable).

Question 2. Please select the jurisdiction (city or county) you represent.

Category: Red Light Camera Information

Question 3. Did your respective jurisdiction **operate red light cameras** within the reporting period of July 1, 2022 through June 30, 2023? Yes or No

Question 4. What department oversees the red light camera program in your jurisdiction?

Question 5. Did your jurisdiction **discontinue its red light camera program** during the reporting period, **July 1, 2022 through June 30, 2023**? Yes or No

Question 6. If yes, please enter the date that your jurisdiction discontinued its program.

Question 7. What **red light camera vendor(s)** does your jurisdiction use? Please select any you may have used during the reporting period, **July 1, 2022, through June 30, 2023**. Choices: American Traffic Solutions (ATS), Conduent, Novoa Global, Redspeed, Redflex, Sensys Gatso, Verra Mobility, Other (please specify).

Question 8. As of **July 1, 2022**, how many **red light cameras** were operational in your jurisdiction?

Question 9. As of **June 30, 2023**, how many **red light cameras** were operational in your jurisdiction?

Question 10. As of **July 1, 2022**, at how many **intersections** were red light cameras operational in your jurisdiction?

Question 11. As of **June 30, 2023**, at how many **intersections** were red light cameras operational in your jurisdiction?

Category: Red Light Camera Violations

Question 12. Please provide the following information regarding **Notices of Violation** issued for red light camera violations in your jurisdiction during the reporting period of **July 1, 2022 - June 30, 2023**.

Total Notices of Violation Issued

Notices of Violation Paid

Notices of Violation Contested, but Pending Final Outcome

Notices of Violation Contested and Dismissed

Notices of Violation Contested and Upheld

Notices of Violation that Resulted in Uniform Traffic Citations Being Issued

Notices of Violation Pending Issuance as Uniform Traffic Citations

Question 13. How many **registration holds** did your jurisdiction request as a result of red light camera violations during the reporting period of **July 1, 2022 - June 30, 2023**? If you do not know, please leave this field blank.

Question 14. How does your jurisdiction **submit traffic crash data** to the Florida Department of Highway Safety and Motor Vehicles? All Electronically, All Paper, or Both

Question 15. Have **court cases impacted** your jurisdiction's **red light camera program**? Yes or No

Question 16. If yes, please explain how court cases have impacted your jurisdiction's red light camera program.

Appendix E

Red Light Camera Survey Questions for Fiscal Year 2022-2023

Category: Program Information

Question 17. Please **rate** the following **factors by importance** when selecting which **intersections to install red light cameras** in your jurisdiction. Factors: Traffic Citation Data, Citizen Complaints, Law Enforcement Officer Observations, Traffic Volume, Pedestrian Safety, Traffic Crash Data, or Other. Ratings: Very Important, Somewhat Important, Not Important, or N/A.

Question 18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in your jurisdiction.

Question 19. Were **any existing red light cameras relocated** within your jurisdiction during the reporting period of **July 1, 2022 - June 30, 2023**? Yes or No

Question 20. If yes, how many cameras were relocated?

Question 21. Why were the cameras relocated?

Question 22. What **factors** are used to **determine the success or failure of each camera location** within your jurisdiction? Please select all that apply: Number of crashes, Pedestrian safety, Revenue, or Other (please specify)

Category: Procedures

Question 23. Who **reviews** the camera **images before Notices of Violation are issued** within your jurisdiction? Please select all that apply: Law Enforcement Officer, Non-sworn Government Employee, Non-sworn Contractor Employee (Vendor), or Other (please specify)

Question 24. Who **reviews contested Notices of Violation** within your jurisdiction? Please select all that apply: Law Enforcement Officer, Non-sworn Government Employee, Non-sworn Contractor Employee (Vendor), or Other (please specify)

Question 25. Who **issues Uniform Traffic Citations** in your jurisdiction if **Notices of Violation are unpaid and uncontested**? Please select all that apply: Law Enforcement Officer, Non-sworn Government Employee, Non-sworn Contractor Employee (Vendor), or Other (please specify)

Category: Right-Hand Turns

Question 26. Does your jurisdiction **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**? Yes or No

Question 27. How many **Notices of Violation** were issued within your jurisdiction **for improper right turns on a red signal** during the reporting period of **July 1, 2022 - June 30, 2023**? If you do not know, please leave this field blank.

Question 28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible." **Please provide the definition used by your jurisdiction when determining if a violation should be issued.**

Category: Additional Information

Question 29. What **action(s)** has your jurisdiction taken **to improve safety measures** as a result of your red light camera program? If your jurisdiction has not taken an action which is listed, please select N/A.

At intersections with red light cameras:

Education and Outreach

Engineering, Roadway/Geometric

Engineering, Signalization/Operations

Increased other type of signage

Increased red light camera-specific signage

Lighting

Re-striping

Other

At intersections without red light cameras:

Education and Outreach

Engineering, Roadway/Geometric

Engineering, Signalization/Operations

Increased other type of signage

Increased red light camera-specific signage

Lighting

Re-striping

Other

Appendix E

Red Light Camera Survey Questions for Fiscal Year 2022-2023

Question 30. Please describe any other action(s) that your jurisdiction has taken to improve safety measures as a result of your red light camera program.

Question 31. Has **red light camera footage** been used to **investigate other crimes or cases** not related to red light violations within your jurisdiction? Yes or No

Question 32. Please describe the **other situations in which red light cameras** have been used within your jurisdiction. Select all that apply. Crash investigations, Criminal investigations, Missing Persons, or Other (please specify).

Question 33. Has your jurisdiction **conducted** an independent **red light camera analysis**? Yes or No

Question 34. Please provide any **specifications or clarifications for any of your responses** to this survey.

Question 35. Is your jurisdiction **continuing its red light camera program** in this fiscal reporting year **July 1, 2023 - June 30, 2024**? Yes or No

We thank you for your time spent taking this survey.
Your response has been recorded.

Appendix F: Jurisdiction Responses to Survey

Responses for the questions below are provided for only those jurisdictions that responded to each particular question.

Question 1. Please enter your contact information: - Name, Agency, Email Address, Phone Number, Phone Extension (if applicable)

This information is available upon request.

Question 2: Please select the jurisdiction (city or county) you represent, and

Question 4: What department oversees the red light camera program in your jurisdiction?

Aventura	Community Development
Bal Harbour	Police Department
Belle Isle	Police Department
Boynton Beach	TRAFFIC UNIT
Clearwater	Support Services Division
Coral Gables	Police Department
Crestview	Police Department
Davie	Police Department
Doral	Traffic Section for the Police Department
Florida City	Florida City Police Department
Green Cove Springs	Police Department
Gulf Breeze	Police Department
Haines City	Police Department
Hillsborough County	Sheriff's Office
Key Biscayne	Police Operations - Traffic Division
Kissimmee	Kissimmee Police Department Traffic Enforcement Unit
Lakeland	Lakeland Police Department Special Operations Division
Maitland	Police Department
Manatee County	Public Safety, Code Enforcement Division
Medley	Police Department
Miami Beach	Miami Beach Police Accident Investigation Unit
Miami Gardens	Traffic Unit
Miami Springs	Police Department
New Port Richey	Police Department
North Miami Beach	Police Department
Ocoee	Police Department
Opa-locka	Traffic Unit
Orange County	Orange County Public Works - Traffic Engineering Division
Orange Park	Orange Park Police Department
Orlando	Orlando Police Department
Osceola County BOCC	Transportation & Transit
Pinecrest	Police Department
Port Richey	City of Port Richey Police Department
Sarasota	Sarasota Police Department
South Miami	Police Department
Sunrise	Traffic Unit - Intersection Safety Program
Tampa	Tampa Police Department
West Miami	Traffic Unit
West Park	Part Time Sworn Police Officer
Winter Park	Winter Park Police Department

Question 3. Has your respective jurisdiction operated red light cameras within the reporting period of July 1, 2022 through June 30, 2023?

Aventura	Yes
Bal Harbour	Yes
Belle Isle	Yes
Boynton Beach	Yes
Clearwater	Yes
Coral Gables	Yes
Crestview	Yes
Davie	Yes
Doral	Yes
Florida City	Yes
Green Cove Springs	Yes
Gulf Breeze	Yes
Haines City	Yes
Hillsborough County	Yes
Key Biscayne	Yes
Kissimmee	Yes
Lakeland	Yes
Maitland	Yes
Manatee County	Yes
Medley	Yes
Miami Beach	Yes
Miami Gardens	Yes
Miami Springs	Yes
New Port Richey	Yes
North Miami Beach	Yes
Ocoee	Yes
Opa-locka	Yes
Orange County	Yes
Orange Park	Yes
Orlando	Yes
Osceola County BOCC	Yes
Pinecrest	Yes
Port Richey	Yes
Sarasota	Yes
South Miami	Yes
Sunrise	Yes
Tampa	Yes
West Miami	Yes
West Park	Yes
Winter Park	Yes

Question 5. Did your jurisdiction discontinue its red light camera program during the reporting period, July 1, 2022 through June 30, 2023?

Aventura	No
Bal Harbour	No
Belle Isle	No
Boynton Beach	No
Clearwater	No
Coral Gables	No
Crestview	No
Davie	No
Doral	Yes
Florida City	No
Green Cove Springs	No
Gulf Breeze	No
Haines City	No
Hillsborough County	No
Key Biscayne	No
Kissimmee	No
Lakeland	No
Maitland	No
Manatee County	Yes
Medley	No
Miami Beach	No
Miami Gardens	No
Miami Springs	No
New Port Richey	No
North Miami Beach	No
Ocoee	No
Opa-locka	No
Orange County	No
Orange Park	No
Orlando	No
Osceola County BOCC	No
Pinecrest	No
Port Richey	No
Sarasota	No
South Miami	No
Sunrise	No
Tampa	No
West Miami	No
West Park	No
Winter Park	No

Question 6. Please enter the date that your jurisdiction discontinued its program.

Doral	06/30/2023
Manatee County	10/14/2022

Question 7. What red light camera vendor(s) does your jurisdiction use? Please select any you may have used during the reporting period, July 1, 2022, through June 30, 2023.

Aventura	American Traffic Solutions (ATS), now known as Verra Mobility
Bal Harbour	American Traffic Solutions (ATS)
Belle Isle	Novoa Global
Boynton Beach	American Traffic Solutions (ATS)
Clearwater	Verra Mobility
Coral Gables	Redspeed
Crestview	Novoa Global
Davie	Verra Mobility
Doral	Verra Mobility
Florida City	Verra Mobility
Green Cove Springs	American Traffic Solutions (ATS)
Gulf Breeze	Novoa Global
Haines City	Verra Mobility
Hillsborough County	American Traffic Solutions (ATS)
Key Biscayne	Verra Mobility
Kissimmee	Redflex
Lakeland	Verra Mobility
Maitland	Sensys Gatso
Manatee County	Conduent
Medley	Verra Mobility
Miami Beach	Conduent
Miami Gardens	Verra Mobility
Miami Springs	Verra Mobility
New Port Richey	Verra Mobility
North Miami Beach	Verra Mobility
Ocoee	Verra Mobility
Opa-locka	American Traffic Solutions (ATS), Verra Mobility
Orange County	Verra Mobility
Orange Park	Verra Mobility
Orlando	Verra Mobility
Osceola County BOCC	American Traffic Solutions (ATS)
Pinecrest	Redflex, Verra Mobility
Port Richey	American Traffic Solutions (ATS)
Sarasota	Redspeed
South Miami	Verra Mobility
Sunrise	American Traffic Solutions (ATS), now known as Verra Mobility
Tampa	Verra Mobility
West Miami	American Traffic Solutions (ATS)
West Park	Verra Mobility
Winter Park	Novoa Global, Sensys Gatso

Question 8: As of July 1, 2022, how many red light cameras were operational in your jurisdiction?

Port Richey	No
Sarasota	No
South Miami	No
Sunrise	No
Tampa	No
West Miami	No
West Park	No
Winter Park	No

Question 16: Please explain how court cases have impacted your jurisdiction's red light camera program.

Aventura	Jimenez v Aventura - Upheld by Florida Supreme Court Aventura v Stein - further affirmed the validity of the program
Florida City	Yes, they have helped bring in more revenue.
Maitland	Court decisions directly affect the policies and procedures of our program.
Miami Gardens	We have experienced higher level of hearings due to inaccurate reporting of information by the media; stating that the cameras were taken down and ruled by the courts to be illegal.
Opa-locka	Miami Dade Courts are dismissing too many violations or changing violation prices.

Question 17: Please rate the following factors by importance when selecting which intersections to install red light cameras in your jurisdiction.

Traffic Citation Data:

Question 20: How many cameras were relocated?

Florida City	1
--------------	---

Question 21: Why were the cameras relocated?

Florida City	Road Construction
--------------	-------------------

Question 22: What factors are used to determine the success or failure of each camera location within your jurisdiction? Please select all that apply.

Aventura	Number of crashes			
Bal Harbour	Number of crashes	Pedestrian safety		
Belle Isle	Number of crashes	Pedestrian safety		
Boynton Beach	Number of crashes	Pedestrian safety		
Clearwater	Number of crashes	Pedestrian safety		
Coral Gables	Number of crashes	Pedestrian safety		
Crestview	Number of crashes	Pedestrian safety		
Davie	Number of crashes	Pedestrian safety	Revenue	Other: We base our success on seeing a decrease in the number of crashes and a decrease in revenue from RLC violations as an indication that drivers are complying and running fewer red lights.
Doral	Number of crashes	Pedestrian safety		
Florida City	Number of crashes	Pedestrian safety	Revenue	
Green Cove Springs	Number of crashes			
Gulf Breeze	Number of crashes	Pedestrian safety		
Haines City	Number of crashes	Pedestrian safety		
Hillsborough County	Number of crashes	Pedestrian safety		
Key Biscayne	Number of crashes	Pedestrian safety		
Kissimmee	Number of crashes	Pedestrian safety		
Lakeland	Number of crashes	Pedestrian safety		
Maitland	Number of crashes	Pedestrian safety		
Manatee County	Number of crashes	Pedestrian safety		
Medley	Number of crashes	Pedestrian safety		
Miami Beach	Number of crashes	Pedestrian safety		
Miami Gardens	Number of crashes	Pedestrian safety		
Miami Springs	Number of crashes	Pedestrian safety	Revenue	Other: Increase or decrease in the number of violations issued over a specific period of time
New Port Richey	Number of crashes	Pedestrian safety		
North Miami Beach	Number of crashes	Pedestrian safety		
Ocoee	Number of crashes	Pedestrian safety		
Opa-locka	Number of crashes	Pedestrian safety	Revenue	Other: Reduction of Crashes and Violations
Orange County	Number of crashes	Pedestrian safety	Revenue	
Orange Park	Number of crashes	Pedestrian safety		
Orlando	Number of crashes	Pedestrian safety	Revenue	Other: Relative reduction in the number of angle crashes at the intersection; despite the severe increase in vehicle speed and traffic counts.
Osceola County BOCC	Number of crashes	Pedestrian safety		
Pinecrest	Number of crashes	Pedestrian safety		
Port Richey	Number of crashes	Pedestrian safety	Revenue	
Sarasota	Number of crashes	Pedestrian safety		
South Miami		Pedestrian safety		
Sunrise	Number of crashes	Pedestrian safety		
Tampa	Number of crashes	Pedestrian safety		
West Miami	Number of crashes	Pedestrian safety		
West Park	Number of crashes	Pedestrian safety		
Winter Park	Number of crashes	Pedestrian safety		

Question 23: Who reviews the camera images before Notices of Violation are issued within your jurisdiction? Please select all that apply.

Aventura	Law Enforcement Officer		
Bal Harbour	Law Enforcement Officer		
Belle Isle	Law Enforcement Officer	Non-sworn Government Employee	
Boynton Beach	Law Enforcement Officer	Non-sworn Government Employee	
Clearwater	Other: Retired Police Sergeant		
Coral Gables	Non-sworn Government Employee		
Crestview	Law Enforcement Officer	Other: Non-sworn Community Service Aide	
Davie	Law Enforcement Officer	Non-sworn Government Employee	Other: Former Law Enforcement Officer with over 30 years experience. He is assisted occasionally by Sworn Officers if the need arises.
Doral	Law Enforcement Officer		
Florida City	Law Enforcement Officer		
Green Cove Springs	Law Enforcement Officer		
Gulf Breeze	Law Enforcement Officer	Non-sworn Government Employee	
Haines City	Law Enforcement Officer		
Hillsborough County	Law Enforcement Officer		
Key Biscayne	Law Enforcement Officer		
Kissimmee	Law Enforcement Officer		
Lakeland	Law Enforcement Officer		
Maitland	Law Enforcement Officer	Non-sworn Government Employee	Non-sworn Contractor Employee or Vendor
Manatee County	Law Enforcement Officer		
Medley	Law Enforcement Officer	Non-sworn Government Employee	
Miami Beach	Non-sworn Government Employee		
Miami Gardens	Law Enforcement Officer	Non-sworn Government Employee	
Miami Springs	Law Enforcement Officer	Non-sworn Government Employee	
New Port Richey	Non-sworn Government Employee		
North Miami Beach	Law Enforcement Officer	Non-sworn Government Employee	
Ocoee	Law Enforcement Officer	Non-sworn Government Employee	
Opa-locka	Law Enforcement Officer	Non-sworn Government Employee	
Orange County	Law Enforcement Officer	Non-sworn Government Employee	
Orange Park	Law Enforcement Officer		
Orlando	Non-sworn Government Employee	Other: State of Florida Certified Traffic Infraction Enforcement Officers with previous sworn Law Enforcement experience.	
Osceola County BOCC	Law Enforcement Officer		
Pinecrest	Law Enforcement Officer		
Port Richey	Law Enforcement Officer	Non-sworn Government Employee	
Sarasota	Law Enforcement Officer		
South Miami	Law Enforcement Officer		
Sunrise	Law Enforcement Officer	Non-sworn Government Employee	
Tampa	Law Enforcement Officer		
West Miami	Law Enforcement Officer		
West Park	Law Enforcement Officer		
Winter Park	Law Enforcement Officer	Non-sworn Government Employee	

Question 24: Who reviews contested Notices of Violation within your jurisdiction? Please select all that apply.				
Aventura	Law Enforcement Officer			
Bal Harbour	Law Enforcement Officer			
Belle Isle	Law Enforcement Officer	Non-sworn Government Employee		
Boynton Beach	Law Enforcement Officer	Non-sworn Government Employee		
Clearwater	Other: Retired Police Sergeant			
Coral Gables	Non-sworn Government Employee	Non-sworn Government Employee		
Crestview	Law Enforcement Officer	Other: Non-sworn Community Service Aide		
Davie	Non-sworn Government Employee	Other: Former Law Enforcement Officer with over 30 years experience. He is assisted occasionally by Sworn Officers if the need arises.		
Doral	Law Enforcement Officer			
Florida City	Law Enforcement Officer			
Green Cove Springs	Law Enforcement Officer			
Gulf Breeze	Law Enforcement Officer			
Haines City	Law Enforcement Officer			
Hillsborough County	Law Enforcement Officer			
Key Biscayne	Law Enforcement Officer			
Kissimmee	Law Enforcement Officer			
Lakeland	Law Enforcement Officer			
Maitland	Law Enforcement Officer	Non-sworn Government Employee	Non-sworn Contractor Employee or Vendor	Other: Legal Advisor
Manatee County	Law Enforcement Officer			
Medley	Law Enforcement Officer			
Miami Beach	Law Enforcement Officer			
Miami Gardens	Law Enforcement Officer			
Miami Springs	Law Enforcement Officer			
New Port Richey	Non-sworn Government Employee			
North Miami Beach	Law Enforcement Officer	Non-sworn Government Employee		
Ocoee	Law Enforcement Officer	Non-sworn Government Employee		
Opa-locka	Law Enforcement Officer	Non-sworn Government Employee		
Orange County	Non-sworn Government Employee			
Orange Park	Law Enforcement Officer			
Orlando	Other: A contested Notice of Violation is reviewed by the issuing Traffic Infraction Enforcement Officer. When a request for a hearing is filed, the Local Administrative Hearing is decided by an Administrative Hearing Officer.			
Osceola County BOCC	Law Enforcement Officer			
Pinecrest	Law Enforcement Officer			
Port Richey	Law Enforcement Officer	Non-sworn Government Employee		
Sarasota	Law Enforcement Officer			
South Miami	Law Enforcement Officer			
Sunrise	Law Enforcement Officer	Non-sworn Government Employee		
Tampa	Law Enforcement Officer			
West Miami	Law Enforcement Officer			
West Park	Law Enforcement Officer			
Winter Park	Law Enforcement Officer	Non-sworn Government Employee		

Question 25: Who issues Uniform Traffic Citations in your jurisdiction if Notices of Violation are unpaid and uncontested? Please select all that apply.

Aventura	Law Enforcement Officer	
Bal Harbour	Law Enforcement Officer	
Belle Isle	Law Enforcement Officer	Non-sworn Government Employee
Boynton Beach	Law Enforcement Officer	Non-sworn Government Employee
Clearwater	Other: Retired Police Sergeant	
Coral Gables	Non-sworn Government Employee	
Crestview	Law Enforcement Officer	Other: Non-sworn Community Service Aide
Davie	Non-sworn Government Employee	Other: Former Law Enforcement Officer with over 30 years experience.
Doral	Law Enforcement Officer	
Florida City	Law Enforcement Officer	
Green Cove Springs	Law Enforcement Officer	
Gulf Breeze	Law Enforcement Officer	
Haines City	Law Enforcement Officer	
Hillsborough County	Law Enforcement Officer	
Key Biscayne	Law Enforcement Officer

Miami Springs	Law Enforcement Officer	
New Port Richey	Non-sworn Government Employee	
North Miami Beach	Law Enforcement Officer	Non-sworn Government Employee
Ocoee	Law Enforcement Officer	Non-sworn Government Employee
Opa-locka	Law Enforcement Officer	Non-sworn Government Employee
Orange County	Non-sworn Government Employee	
Orange Park	Law Enforcement Officer	
Orlando	Non-sworn Government Employee	Other: State of Florida Certified Traffic Infraction Enforcement Officers with previous sworn Law Enforcement experience.
Osceola County BOCC	Law Enforcement Officer	
Pinecrest	Law Enforcement Officer	
Port Richey	Law Enforcement Officer	Non-sworn Government Employee
Sarasota	Law Enforcement Officer	
South Miami	Law Enforcement Officer	
Sunrise	Law Enforcement Officer	Non-sworn Government Employee
Tampa	Law Enforcement Officer	
West Miami	Law Enforcement Officer	
West Park	Law Enforcement Officer	
Winter Park	Law Enforcement Officer	Non-sworn Government Employee

Question 26: Does your jurisdiction issue Notices of Violation (based on red light camera detection) for persons making improper right turns on a red signal?

Aventura	Yes
Bal Harbour	Yes
Belle Isle	Yes
Boynton Beach	No
Clearwater	No
Coral Gables	Yes
Crestview	No
Davie	No
Doral	No
Florida City	Yes
Green Cove Springs	Yes
Gulf Breeze	No
Haines City	No
Hillsborough County	No
Key Biscayne	Yes
Kissimmee	Yes
Lakeland	Yes
Maitland	Yes
Manatee County	Yes
Medley	No
Miami Beach	No
Miami Gardens	Yes
Miami Springs	Yes
New Port Richey	Yes
North Miami Beach	No
Ocoee	Yes
Opa-locka	Yes
Orange County	Yes
Orange Park	No
Orlando	No
Osceola County BOCC	No
Pinecrest	No
Port Richey	No
Sarasota	No
South Miami	No
Sunrise	Yes
Tampa	Yes
West Miami	Yes
West Park	No
Winter Park	Yes

Question 27: How many Notices of Violation were issued within your jurisdiction for improper right turns on a red signal during the reporting period of July 1, 2022, through June 30, 2023? If you do not know, please leave this field blank.

Aventura	39,671
Bal Harbour	field left blank
Belle Isle	field left blank
Coral Gables	field left blank
Florida City	5,441
Green Cove Springs	34
Key Biscayne	5
Kissimmee	field left blank
Lakeland	2,532
Maitland	field left blank
Manatee County	field left blank
Miami Gardens	28,687
Miami Springs	6,214
New Port Richey	334
Ocoee	15,523
Opa-locka	field left blank
Orange County	278
Sunrise	5,281
Tampa	2,936
West Miami	field left blank
Winter Park	field left blank

Question 28: Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a careful and prudent manner at an intersection where right-hand turns are permissible." Please provide the definition used by your jurisdiction when determining if a violation should be issued.

Aventura	Was the driver careful & prudent driving through the intersection? Was the driver traveling more than 5 miles per hour through the intersection?
Bal Harbour	Did the vehicle slow down before turning and were pedestrians yield to?
Belle Isle	Vehicle does not come to a complete stop given time to observe traffic in a careful and prudent manner.
Coral Gables	When a vehicle or a pedestrian has the right of way.
Florida City	We use BRQ and our discretion to determine what is a careful and prudent turn.
Green Cove Springs	Safe and prudent manner.
Key Biscayne	If the right hand turn on red is observed to not be careful and prudent.
Kissimmee	Only when a right turn on red is prohibited by posted signage.
Lakeland	We follow the Florida State Statute and our BRQ's after a review of the violation to determine if the turn was safe and prudent.
Maitland	A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a careful and prudent manner at an intersection where right-hand turns are permissible.
Manatee County	Red light camera violations are issued if you: <ul style="list-style-type: none"> •Cross the stop line and enter the intersection after the light has turned red, or •Fail to come to a complete stop at a red light before completing a right turn, or •Make a right turn during a red light at an intersection with a "No Right on Red" sign.
Miami Gardens	A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a careful and prudent manner at an intersection where right hand turns are permissible. A notice of violation and a traffic citation may not be issued under this section if the driver of a vehicle came to a complete stop after crossing the stop line and before turning right if permissible at a red light, but failed to stop before crossing over the stop line or other point at which a stop is required.
Miami Springs	The vehicle should be traveling LESS than 15 mph. Drivers must yield to the right of way to other vehicles and to pedestrians attempting to cross the street in the crosswalk.
New Port Richey	The reviewer considers the totality of the circumstances to include, but not limited to: Speed, Traffic Volume, Weather Conditions, Roadway Conditions, and Pedestrian Actions.
Ocoee	In the review process, we identify vehicles travelling 12mph or less to be careful and prudent in our business rules. Furthermore, any vehicle that stops before the apex of the curve is considered not to be in violation. We fall back on Florida Statutes, section 316.074.
Opa-locka	Speed of Violation 13 miles per hour or greater, Traffic Conditions, Pedestrians, Bicyclist, Near Crashes, Combination of Traffic Offenses.
Orange County	A right turn on red violation may be issued at 1 particular intersection, but only when the additional No right turn sign is illuminated during specific hours
Sunrise	A right turn on red conducted at a speed greater than 15 mph or a vehicle who fails to yield the right of way to pedestrians or other vehicle in the intersection.
Tampa	Making a right turn on red at greater than 15 miles per hour, or if there is a pedestrian in close proximity.
West Miami	Unknown
Winter Park	You can make a right hand turn in a "careful and prudent mannor" after coming to a complete stop pursuant to the directives of Florida Statutes

Question 29: What action(s) has your jurisdiction taken to improve safety measures as a result of your red light camera program?

At intersections with red light cameras:

Aventura	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Increased red light camera-specific signage	Increased other type of signage	Lighting	Re-Striping	
Bal Harbour	Increased red light camera-specific signage	Increased other type of signage					
Belle Isle	Increased red light camera-specific signage	Increased other type of signage					
Boynton Beach	Education and Outreach	Increased red light camera-specific signage					
Clearwater	Education and Outreach	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Increased red light camera-specific signage	Increased other type of signage	Lighting	Re-Striping
Crestview	Education and Outreach	Increased red light camera-specific signage	Increased other type of signage	Re-Striping			
Davie	Education and Outreach	Increased red light camera-specific signage					
Doral	Increased red light camera-specific signage						
Green Cove Springs	Engineering, Roadway/Geometric	Engineering, Signalization/Operations					
Haines City	Education and Outreach	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Increased red light camera-specific signage	Increased other type of signage	Lighting	Re-Striping
Key Biscayne	Education and Outreach	Lighting					
Kissimmee	Education and Outreach	Engineering, Signalization/Operations	Increased red light camera-specific signage	Increased other type of signage	Lighting		
Lakeland	Education and Outreach	Engineering, Roadway/Geometric	Increased red light camera-specific signage				
Manatee County	Re-Striping						
Medley	Education and Outreach	Increased red light camera-specific signage	Lighting	Re-Striping			
Miami Gardens	Education and Outreach	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Increased red light camera-specific signage	Lighting	Re-Striping	
Miami Springs	Education and Outreach	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Lighting	Re-Striping		
Ocoee	Education and Outreach	Engineering, Signalization/Operations	Increased red light camera-specific signage	Lighting	Re-Striping		
Opa-locka	Education and Outreach	Increased red light camera-specific signage	Increased other type of signage				
Orange County	Engineering, Signalization/Operations	Increased other type of signage	Re-Striping				
Orange Park	Re-Striping						
Orlando	Education and Outreach	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Increased red light camera-specific signage	Increased other type of signage	Lighting	Re-Striping
Sarasota	Increased red light camera-specific signage	Re-Striping					
South Miami	Education and Outreach	Increased red light camera-specific signage					
Sunrise	Education and Outreach	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Lighting	Re-Striping		
West Miami	Increased other type of signage	Lighting	Re-Striping				
West Park	Education and Outreach						
Winter Park	Engineering, Signalization/Operations	Re-Striping					

At intersections without red light cameras:

Aventura	Engineering, Roadway/Geometric	Lighting	Re-Striping				
Clearwater	Education and Outreach	Engineering, Roadway/Geometric	Re-Striping				
Crestview	Education and Outreach	Re-Striping					
Haines City	Education and Outreach	Increased other type of signage	Lighting				
Key Biscayne	Education and Outreach	Lighting					
Lakeland	Education and Outreach	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Increased other type of signage	Lighting	Re-Striping	
Miami Gardens	Education and Outreach	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Lighting	Re-Striping		
Miami Springs	Education and Outreach	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Lighting	Re-Striping		
Ocoee	Engineering, Signalization/Operations	Lighting	Re-Striping				
Orange County	Engineering, Signalization/Operations	Increased other type of signage					
Orange Park	Re-Striping						
Orlando	Re-Striping						
Winter Park	Engineering, Roadway/Geometric	Engineering, Signalization/Operations	Increased other type of signage	Re-Striping			

Question 30: Please describe any other action(s) that your jurisdiction has taken to improve safety measures as a result of your red light camera program.

Davie	We replaced all of our Red Light Camera Intersection Signage at our five intersections during this evaluation period. The work was completed at our request by our vendor Verra Mobility. We also periodically sent our Public Works crews to two intersections to trim the tree branches so they did not obstruct the video feed at these locations.
Florida City	Radar, along other traffic control details.
Green Cove Springs	FDOT commissioned a timing study of the 3 intersection's in January 2023 by hiring a certified engineering firm, Iteris Inc, 1907 N. US 301, Suite 120, Tampa, Fla 33619. Helmuth Arens, P.E., PTOE
Haines City	A video was placed on social media of citizens running a red light to show the importance of stopping for red lights.
Kissimmee	Increase in traffic enforcement activity.
Medley	Have been able to identify peak times of traffic to address blocking the intersection.
North Miami Beach	No further action has been taken during this time period.
Ocoee	We utilize sign boards year-round with traffic safety messaging. We have also had to do a lot of tree trimming around our RLC intersections.
Orlando	The City of Orlando and FDOT have placed a yellow back plate behind 90% of the traffic signals where there is a red light camera device. Soon to be 100% as the traffic signal span wires get removed and exchanged with metal mast arm poles. The City of Orlando has placed many (where possible) approach red light warning signs on the left side of the road as well as the required right-hand side of the road.
West Park	Printed material available at City Hall, along with Website content.

Question 31: Has red light camera footage been used to investigate other crimes or cases not related to red light violations within your jurisdiction?

Aventura	Yes
Bal Harbour	Yes
Belle Isle	Yes
Boynton Beach	Yes
Clearwater	Yes
Coral Gables	Yes
Crestview	Yes
Davie	Yes
Doral	Yes
Florida City	Yes
Green Cove Springs	Yes
Gulf Breeze	Yes

Question 33: Has your jurisdiction conducted an independent red light camera analysis?

Aventura	No
Bal Harbour	No
Belle Isle	No
Boynton Beach	No
Clearwater	No
Coral Gables	No
Crestview	No
Davie	No
Doral	Yes
Florida City	No
Green Cove Springs	Yes
Gulf Breeze	No
Haines City	No
Hillsborough County	No
Key Biscayne	No
Kissimmee	Yes
Lakeland	No
Maitland	Yes
Manatee County	No
Medley	No
Miami Beach	Yes
Miami Gardens	Yes
Miami Springs	No
New Port Richey	No
North Miami Beach	No
Ocoee	No
Opa-locka	No
Orange County	No
Orange Park	No
Orlando	No
Osceola County BOCC	No
Pinecrest	No
Port Richey	No
Sarasota	No
South Miami	No
Sunrise	Yes
Tampa	No
West Miami	No
West Park	No
Winter Park	No

Question 34: Please provide any additional specifications or clarifications for any of your responses to this survey.

Crestview	Please use these responses instead of the previous responses, as these are most accurate. Thank you!
Green Cove Springs	An analysis of intersection 3, camera GCS004, and GCS005 was conducted to determine the reason violations had decreased due to the number of violations had a noticeable decrease from September 2022 through May 2023. It was determined that there were some faulty sensors in the roadway not working. The sensors were replaced.
Orlando	The cameras are often used to provide footage for traffic crash Investigators right after an incident. The video footage is often sort out by public records requesters wanting evidence of an incident. The footage has also been used to do an assessment of what occurred during a storm.
West Park	Assisted with multiple crash and homicide investigations for BSO.

Question 35: Is your jurisdiction continuing its red light camera program in this fiscal reporting year, July 1, 2023, through June 30, 2024?

Aventura	Yes
Bal Harbour	Yes
Belle Isle	Yes
Boynton Beach	Yes
Clearwater	Yes
Coral Gables	Yes
Crestview	Yes
Davie	Yes
Doral	No
Florida City	Yes
Green Cove Springs	Yes
Gulf Breeze	Yes
Haines City	Yes
