Dear Secretary Hamilton,

In accordance with Section 403.0645, Florida Statutes, the Florida Department of Highway Safety and Motor Vehicles (FLHSMV) is hereby responding to the **2022 Annual Agency Reuse Report** requirement. FLHSMV owns or leases office space at approximately 74 facilities statewide. At this time, none of these office locations utilize reclaimed water; however, FLHSMV supports the use of reclaimed water and will endeavor to use reclaimed water at our office locations where municipalities offer these services, and where funding allows.

If you have any questions, please do not hesitate to contact me.

Thank you,

Mitch Fenton
