AMERICORP Program and Hourly Rate Explanation

The Florida Park Service participates in the AmeriCorps program – funded with 44% state and 56% federal dollars. AmeriCorp members are paid a monthly stipend of \$1,550.00 for cost of living expenses which is generated through our state payroll system. AmeriCorp members are an agent of the state, but not as an employee of the Department. The functionality of the People First system has been updated to allow the manual processing of these stipend payment each month. However, the work around to processing these payments thru People First requires that the employee’s hour rate of pay to \$155.00 per hour. The Bureau of Human Resource Management is responsible for ensuring the accurate processing of the stipend payments (less taxes) each month.
