Re: Retained Spring Training Franchise

Enclosed please find the following items regarding our certification as a Retained Spring Training Franchise:

1. Annual Audit
2. A detailed report (including a one-page summary) on all local and state funds expended to date on the project being financed under Section 288.11631, F.S.;
3. A copy of the contract between the certified local governmental entity and the spring training team;
4. A statement regarding the cost-benefit analysis of the team's impact on the community;
5. Attendance records for the 2023 spring training season.
6. Evidence that the County continues to meet the certification criteria

If you have any questions, please do not hesitate to contact me at (941) 235-5001.

Sincerely,

Tommy Scott, Director

MESSAGE FROM YOUR CLERK AND COUNTY COMPTROLLER

After winning the Charlotte County Chamber of Commerce's Business of the Year Award in 2021, the Charlotte County Clerk of Court's office didn't rest on its laurels in 2022!

This past year's primary focus was providing better, more efficient, and convenient services to all Charlotte County residents. In early 2022, we held a special passport event which helped families juggling hectic work and school schedules by providing extended office hours for processing passport applications and taking FREE passport photographs. Later in the year, we then launched a self-help legal section of our website offering litigants without attorneys legal forms to use in their cases. We also teamed up with the Charlotte County Legal Aid Society to provide FREE 20 minute legal consultations for pro se litigants. Additionally, we increased hours in our Murdock passport office so Port Charlotte and Englewood residents could more conveniently apply for and receive their passports.

The last time a Clerk's office branch existed in Englewood was 2009, almost 15 years ago. Listening to our local citizens, we responded by opening a new, state-of-the-art Clerk's office branch in Englewood this year, which provides all our West County citizens more services and convenience. Dedicating this office to the Englewood community, as well as enhancing our online services, resulted in a nomination for "Excellence in Business" by the Englewood Chamber of Commerce.

Throughout 2022, our marriage license office offered holiday-themed weddings. Valentine's Day, Halloween, Fall Festival, and Winter Wonderland were all represented this year, and the couples married during our holiday-themed weddings truly enjoyed their special day at the Clerk's office.

Our office not only accepts its responsibility for providing high quality services to our community, but it also feels an obligation to be a helpful community partner within Charlotte County. Through bake sales, raffle auctions, and pet food donations, as well as a program which allows jurors to easily donate their juror pay to a local charity rather than collect it, the Clerk's office provided monetary assistance to local non-profits totaling over \$24 thousand in 2022.

In addition, we extended our community outreach and donations to Meals on Wheels of Charlotte County, Virginia B. Andes Community Clinic, the Center for Abuse and Rape Emergencies (CARE), Animal Welfare League of Charlotte County, and the Boys & Girls Clubs of Charlotte County.

In 2022, for the sixth straight year since I was first elected in 2016, the Clerk's office reduced its budget – this year by 1.8% -- without eliminating the number or quality of services we provide to local residents. As a result, your Clerk's office returned \$794,533 in taxpayer funds to the Charlotte County Board of County Commissioners this year, despite rising staff health care costs and increased Florida Retirement System (FRS) rates. Since taking office in 2017, the Clerk's office has returned over \$2.8 Million in taxpayer funds to Charlotte County.

As the steward of all Charlotte County funds, the Clerk's office has an awesome responsibility making sure that all funds are both safe and invested wisely. During 2022, at its highest point the Clerk's office we managed a Charlotte County investment portfolio of \$882 million, which earned \$6.3 million for the year. Since I took office in 2017, over \$39 million has been earned on county funds controlled by your Clerk's office.

Despite the many unique challenges brought about by Hurricane Ian in 2022, the Clerk's office increased the number, efficiency, and convenience of its services, all while reducing its budget and returning budget funds to Charlotte County and supporting our local non-profits. Since my first election in 2016, my goal has always been finding ways to provide better, more efficient, and more convenient ways of providing services to our citizens, while still reducing our budgetary costs. Hard work and an excellent staff has made this lofty goal attainable each and every year. I look forward to continuing this successful trend in 2023!

For more information about our office and to access all of our new features, please visit us at CharlotteClerk.com.

Sincerely,

INTRODUCTORY SECTION

ROGER D. EATON
Clerk of the Circuit Court and County Comptroller

350 E. Marion Ave. Punta Gorda, FL 33950 • 941.505.4716

March 30, 2023

To the Honorable Bill Truex, Chairman,
Members of the Board of County Commissioners,
Constitutional Officers, and
Residents of Charlotte County, Florida

We are pleased to present to you the Charlotte County (the "County"), Florida Annual Comprehensive Financial Report, for the fiscal year ended September 30, 2022. This report was prepared by the Comptroller Division under the supervision of the Clerk of the Circuit Court & County Comptroller. Chapter 218.39, Florida Statutes, and the Rules of the Florida Auditor General, Chapter 10.550, Local Governmental Entity Audits require an annual independent Certified Public Accountant's financial audit of all counties. This report fulfills that requirement.

This report was prepared in accordance with generally accepted accounting principles (GAAP) by the Comptroller's Division of the Clerk of the Circuit Court. Responsibility for the accuracy of the presented data, as well as the completeness and fairness of its presentation, including all disclosures, rests with the Clerk of the Circuit Court as County Comptroller of Charlotte County, and is contingent upon the internal controls established for this purpose.

Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against loss from unauthorized use or disposition, the reliability of financial records in preparing financial statements, and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived, and evaluation of costs and benefits requires estimates and judgments by management. We believe the County's internal accounting controls adequately safeguard assets and provide reasonable assurance of proper recording of financial transactions.

The County's financial statements for the fiscal year ended September 30, 2021 have been audited by Cherry Bekaert LLP, an independent firm of Certified Public Accountants. Cherry Bekaert LLP has issued unmodified ("clean") opinions on the financial statements which are included in the front of the financial section of this report. In addition to meeting the requirements set forth in state statutes, the audit was also designed to meet the requirements of the Federal Single Audit Act and related U.S. Office of Management and Budget's Uniform Guidance, and the Florida Single Audit Act as defined in Section 215.976, Florida Statutes. Auditing standards generally accepted in the United States of America and the standards set forth in the U.S. Government Accountability Office's *Government Auditing Standards* were used by the auditors in conducting this engagement.

An Internal Audit Division is maintained by the Clerk of the Circuit Court and County Comptroller and provides services to the Board of County Commissioners for the Clerk of the Circuit Court and County Comptroller. Internal Audit reports can be found on the Clerk’s website.

Government accounting and auditing principles require that management provide a narrative introduction, overview and analysis to accompany the basic financial statements in the form of Management’s Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The MD&A can be found immediately following the independent auditor’s report.

Profile of Government

Charlotte County was established in 1921, and is located on the southwestern Florida Coast. With an average age of 58.50 years, Charlotte County is considered primarily a retirement community. Charlotte County’s largest industries are professional & business services, trade, transportation and utilities, construction, education & health services, financial activities, leisure and hospitality, and other and unclassified services. Charlotte County encompasses 680 square miles of land and over 200 miles of natural shoreline and canals. Punta Gorda is the only incorporated city within the County borders.

The graph of Charlotte County Employment by Industry below was prepared with information provided by the Florida Office of Economic and Demographic Research.

The County is a political subdivision and a charter county of the State of Florida established by and operating pursuant to the Constitution of the State of Florida, Article VIII, Section 1(g). The Florida Constitution provides for “home rule” county charter government when approved by the voters by

referendum. Charlotte County voters approved a charter form of county government effective January 1, 1986. The charter was amended in November 1992, November 1998, November 2010, and November 2016. Counties operating under charters have all the powers of local self-government not inconsistent with general law, or with special law approved by vote of the electors. The County, pursuant to its home rule powers, may enact county ordinances not inconsistent with general law. Every six years, the County is required by law to review its charter. At the March 23, 2021 regular board meeting, the Charlotte County Board of County Commissioners selected the fifteen regular and three alternate members from the pool of applicants.

Legislative control is vested with a five-member Board of County Commissioners, each of whom is elected to a four-year term. The day-to-day operational direction of the County is the responsibility of the appointed County Administrator. The operation of other specific government functions resides with five constitutional officers elected to four-year terms. They are the Clerk of the Circuit Court and County Comptroller, Property Appraiser, Sheriff, Supervisor of Elections and Tax Collector.

The Clerk of the Circuit Court and County Comptroller's Office is responsible for safeguarding public records and public funds. The Clerk of the Circuit Court and County Comptroller is independently elected and accountable to Charlotte County residents. In addition to the roles of Chief Financial Officer, Treasurer and Auditor for Charlotte County, the Clerk and Comptroller is the Clerk of the Circuit Court, County Recorder, Ex-Officio Clerk of the Board of County Commissioners and Value Adjustment Board.

The County provides a full range of services including public safety, human services, cultural and recreational programs, and general governmental services. In keeping with the state-mandated Uniform Accounting System, costs are summarized consistent with these financial service classifications.

As required by GAAP, the financial statements of the reporting entity include those of Charlotte County and its component units. A component unit is a legally separate organization for which the elected officials of the primary government are financially accountable. In addition, a component unit may be another organization for which the nature and significance of its relationship with a primary government is such that exclusion would cause the financial statements of the reporting entity to be misleading or incomplete.

The divisions of the Board of County Commissioners and the five Constitutional Officers as well as the following entities are included in this report: Murdock Village Community Redevelopment Agency, Charlotte Harbor Community Redevelopment Agency and Parkside Community Redevelopment Agency. These entities have been included as blended component units. In addition, based on the aforementioned criteria, the County includes the Charlotte County Industrial Development Authority as a discrete component unit.

The Board of County Commissioners does a two-year budget. The first year is adopted and the second year is approved as a planned budget. The revenues and expenditures of the County must be equal in order to present a balanced budget. Florida Statutes provide for the following: that revenues shall be estimated at 95 percent of all receipts reasonably anticipated from all sources; that any reserve for contingencies will be budgeted in each operating fund in an amount not exceeding 10% of the total fund budget; and that a reserve for "Balance to be Carried Forward" will be budgeted in any fund that requires monies to be carried forward into the following year. In no case will this amount exceed the projected cash needs for 90 days of operations, up to a maximum of 20% of the total fund budget. The County complies with these statutes. Transfers between funds, or from reserves in any fund, require the approval of the Board of County Commissioners.

Local Economy

Charlotte County has experienced consistent growth, but remains quieter community with a great deal of activities. Population has grown 1.04% to 196,742. The most recent reported per capita income has grown 13.29% to \$51,667 reported for fiscal year 2021.

The unemployment rate averaged 3.0% for the fiscal year 2022. The average was higher than the state's rate of 2.7%, and lower than the national rate of 3.4%. The average was lower than last year's average of 4.1%. The rate drop is indicative of a recessive economy, while the diminished effect reflects a predominantly retirement family community.

The County has realized continued growth in the area of tourism. Tourist tax revenues collected during fiscal year October 1, 2021 through September 30, 2022 totaled \$7,762,508, which is the highest tourist tax revenue for Charlotte County in one fiscal year, surpassing last year's record. This total represents an increase of \$1,690,528 or 27.8% over the prior year revenues of \$6,071,980.

Tourism Development

2022 saw the return of the Englewood Beach Waterfest and various other successful events. The United States Specialty Sports Association (USSSA) had three significant Prostyle Baseball Events and the National Collegiate Athletic Association (NCAA) brought back the Snowbird Baseball Classic. The Association of Pickleball Professionals (APP) had an event in February with an estimated economic impact of \$2.5 million. Charlotte County remains a draw for baseball, pickleball and water sports. Fiscal Year estimates from Tourism Development are provided below:

DATES	EVENT/TOURNAMENT	PARTICIPANTS	SPECTATORS	ROOM NIGHTS	ECONOMIC IMPACT
10/23-10/24	USSSA Prostyle Baseball – Victory in Pink	1,026	1,539	345	\$611,708
11/6-11/7	USSSA Prostyle Baseball – Sunshine Classic	806	2,015	506	\$745,828
11/18-11/22	Englewood Beach Waterfest	483	14,973	5,015	\$5,100,257
2/18-3/26	NCAA – Snowbird Baseball Classic	1,550	6,850	10,165	\$11,103,810
2/23-2/27	APP Pickleball	783	1,566	2,215	\$2,579,789
3/26-3/27	USSSA Prostyle Baseball – Gold Bat Championship	300	600	813	\$995,059

Airport Authority

The Charlotte County Airport Authority operates and manages the Punta Gorda Airport and the surrounding commerce park. Allegiant Air operates at the Punta Gorda Airport and has hubs in the Midwest, South, Central, and Northeast United States. Allegiant maintains a base of operations at the airport and provides low-cost, nonstop air service to approximately 40 destinations from Punta Gorda. Sun Country Airlines offered seasonal service to Punta Gorda Airport from Minneapolis-St. Paul International Airport for a total of 23,694 passengers. The airport can meet the ever-increasing travel needs and offer expanded destination options for Southwest Florida residents and inbound visitors. Due to temporary travel restrictions and COVID-19 concerns, the passenger count at the Punta Gorda Airport for Fiscal Year 2022 was 1,910,228, a 35% increase over the prior fiscal year.

The airport closed Fiscal Year 2022 with \$21.6 million in operating revenues, an increase of 27.9%, and \$16.4 million in expenses, an increase of 31.5%. The fiscal year 2022 ended with an operating gain of \$5.2 million.

Charlotte Sports Park

The Charlotte Sports Park is one of the showcase facilities within Charlotte County, and a perfect location for special events, corporate functions, sports tournaments, 5K runs and other recreation activities. This 82-acre park is the spring training home of the Tampa Bay Rays. This state-of-the-art facility features a 360 degree fan-friendly pedestrian concourse, a luxury hospitality suite level, two outfield berms, a children's play area, an outfield bar, practice fields, batting cages, a covered pavilion, and meeting rooms. The stadium seating capacity is approximately 7,500. The Charlotte Sports Park is also connected to Tippecanoe Environmental Park which features walking trails, a boardwalk, a canoe/kayak launch and plenty of birding opportunities.

TAMPA BAY RAYS

Long Term Financial Planning

Long term financial planning is at the foundation of the budgetary process. The County is required by statute to consider concurrency when providing for growth management and the level of services vital to a well-constructed planning document. Non-compliance with the statute would cause the state to limit, or deny, continued development in the County. Concurrency is the tool used to determine that the capacity of public facilities is maintained. Public facilities can include, but are not limited to, the following: roads, potable water, sanitary sewer, and drainage as examples. The planning of each of these public facilities is supported by individual master plans, which look at horizons of 10 years or greater. Many of these goals will entail additional funding over the next several years. In the past, growth and appreciation of property values was proof that an investment in quality of life efforts pays off.

Property values for the region have risen consistently since 2013. The County currently reports a total taxable assessed value of \$20,170,843,296. This is a 7.1% increase over the 2021 value of \$18,838,045,279. This is consistent with a steady rise in tax collections reaching \$244,998,565 in 2022.

The County prepares a Capital Improvement Plan, which is adopted by the Board with the annual budget approval. The Capital Improvement Program and the Capital Needs Assessment are collectively referred to as the Capital Improvement Plan. The initial 5-year period is called the Capital Improvement Program, and the following 15-year period is called the Capital Needs Assessment. The preparation of the Capital Improvement Program is consistent with the Charlotte County Comprehensive Plan, the Growth Management Act (Chapter 163, Florida Statutes, 1985) and the corresponding implementing rules (Rule 9J-5, Florida Administrative Code). The Expenditure Plan section identifies the various costs relating to the project. The Funding Plan section identifies the proposed revenue sources for funding the project. The Operating Budget Impact section pertains to additional operating expenses related to the project after completion. The Capital Needs Assessment helps identify County capital needs beyond the initial 6-year horizon.

Since 1994, Charlotte County has used the 1% local option sales tax to fund infrastructure projects that enhance quality of life, invest in our infrastructure and improve public safety. In November 2020, Charlotte County citizens approved the renewal of the one percent (one-cent) local option sales tax with 68% of the vote. The voters decided to extend the 1% local option sales tax from 2021 to 2026. The 1% local option sales tax funds have helped our community in the past and can continue to do so in the future. Tier 1 projects are given priority, and Tier 2 projects are funded if funds are available after the completion of the Tier 1 projects. The 2020 Sales Tax Program includes 16 Tier 1 projects and 7 Tier 2 projects for Charlotte County. Active projects include the Sheriff District 4 HQ with Training Facility budgeted at \$9.3 million, the Family Services Shelter – Phase 2 budgeted at \$10.9 million, the Airport Rescue & Fire Fighting Facility budgeted at \$9,392,610, with \$5 million funded from the 2020 sales tax.

Strategic Initiatives

The strategic focus areas of the County are public services, economic and community development, infrastructure and efficient and effective government. Over the past few years the County Commission has prioritized infrastructure planning and investment. Staff developed a 20-year Capital Needs Plan and a 20-year Capital Maintenance Plan. While these needs are defined, resources are limited, requiring prioritization and effective management.

Airport Rescue & Fire Fighting Simulator – Charlotte County Public Safety is required to train once per year for fighting fires on an aircraft with props, such as an engine or brake system fire. Public Safety is also required to train every three years on an aircraft fuselage. This simulator provides for training in lieu of a mobile facility or traveling to other counties to meet training requirements. This facility includes a full-sized training aircraft simulator, a restroom with showers, a covered shade structure, a propane storage area, and a concrete burn pit for training. A separate control room allows for the safe observation and operation of training activities. The total budget for this project was \$9,392,610 with the actual completion for the turnover and closeout on August 30, 2022.

Family Services Center – Phase 1 – This 2014 Sales Tax Tier 1 project replaced the existing facility with a new code-compliant building. It combines a 6-acre site to be master planned for future phases. The new 17,000 square foot facility houses Charlotte County’s 211 department with additional space for youth services and community partners. This is also collaboration among government and non-profit agencies, with 11 agencies located at the center and 4 additional partners coming aboard when Phase 2 is complete. The total budget for this project was \$10,647,000 funded from the 2014 sales tax, with the actual completion for the turnover and closeout on March 18, 2022.

Transit Facility – Construction of a new Transit Facility located on Veterans Boulevard provides a central location for servicing county-wide citizens. The new location reduces the response time to reach customers. It also provides for a dispatch and operations center with parking for county vehicles at one location. The total budget for design and construction of this project was \$3,697,883 with actual completion for the turnover and closeout of this project on February 8, 2022.

Burnt Store Road Phase II – This project included design, permitting, utility coordination, and construction to widen the remaining middle section of Burnt Store Road (4.4 miles) to a four-lane roadway from a point near Notre Dame Boulevard to a point north of Zemel Road. The design includes an open swale concept with a large median that will accommodate two future lanes. Stormwater ponds, concrete pipes, and structures will be installed to collect wastewater. Water, sewer and reclaimed water mains are included in the project. Six-foot-wide sidewalks will be constructed along the east side and the southwest side of the roadway. LED street lights are also included. FDOT has contributed \$4 million to the construction project through a grant. The remaining funding has been provided through the gas tax. Budgeted costs for design and construction were \$3,331,723 and \$26,392,594 respectively. Actual completion for the turnover and closeout of the project was on April 25, 2022.

Investment Policies to Provide Liquidity

Cash balances of County funds are pooled and invested pursuant to the Investment Policies of the Clerk of the Circuit Court and County Comptroller. As custodian of all County funds, Florida Statutes, Section 28.33, states that the duties for investment of these funds lies with the Clerk of the Circuit Court and County Comptroller. Also, in accordance with the Investment Policies of the Clerk of the Circuit Court and County Comptroller, the Clerk's Office monitors investment opportunities, which will provide a high degree of principal security, adequate liquidity to meet cash flow needs, coupled with an attractive yield respectively. All appropriate funds are invested and earn interest from the date of deposit. The current investment program not only includes funds invested for longer periods, but also includes overnight funds. Funds are currently invested in a multi-tier program. Daily deposits, overnight funds, and float monies all earn interest through our established banking agreements. Short-term funds are invested through the Florida State Board of Administration, Public Funds Interest Checking (Bank of America), Florida Trust Day to Day Fund (Florida Association of Court Clerks and Florida Association of Counties), Florida Investment Trust (FIT), and short-term government obligations. Medium term funds are invested in the Florida Local Government Investments Trust (FLGIT) and the Florida Investment Trust (FIT 1-3 Fund). Longer-term funds are invested in direct obligations of the Federal Government or obligations of governmental agencies, according to the Investment Policies of the Clerk of the Circuit Court and County Comptroller.

The primary objective of the Clerk of the Circuit Court and County Comptroller's investment activities is the preservation of capital. This investment strategy will provide sufficient liquidity such that cash flow requirements are met. The Clerk of the Circuit Court and County Comptroller will strive to maximize the return on the portfolio as a whole but will minimize investment risk. It is the policy of the Clerk of the Circuit Court and County Comptroller to actively manage the investment portfolio within the constraints outlined in this investment policy. Those constraints generally promote the "buy and hold" philosophy as practiced by the Clerk of the Circuit Court and County Comptroller, but the active management approach will, from time to time, provide opportunities to sell securities or "trade" them to improve the overall performance of the portfolio without any appreciable increase in risk. The chart below was generated from the report of investments and interest earned for the

For additional information concerning the investments refer to Note 4 of the Notes to the financial statements.

Awards

This report has been prepared following the guidelines recommended by the Government Finance Officers Association of the United States and Canada (GFOA). The GFOA awards a Certificate of Achievement for Excellence in Financial Reporting to those governments whose annual financial reports are judged to conform substantially to the high standards of public financial reporting, including generally accepted accounting principles promulgated by the Governmental Accounting Standards Board.

Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Charlotte County Florida for its comprehensive annual financial report for the fiscal year ended September 30, 2021. This was the 36th consecutive year that the government has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to GFOA to determine its eligibility for another certificate.

The County has also received GFOA's Award for Outstanding Achievement in Popular Annual Financial Reporting for the fiscal year ended September 30, 2021 for its separately issued popular report. The County has received this award for the inaugural issuance of the report whose contents confirm to program standards of creativity, presentation, understandability and reader appeal.

Acknowledgements

The timely completion and issuance of this comprehensive report could not have been accomplished without the dedicated efforts of the Clerk's Comptroller and Internal Audit Divisions.

We believe that this report clearly indicates the financial health of Charlotte County. We wish to take this opportunity to thank you and the citizens of Charlotte County for the vital role you have historically played in enabling the County to achieve and maintain this high degree of fiscal responsibility.

Respectfully submitted,

ROGER D. EATON

FINANCIAL SECTION

Report of Independent Auditor

To the Honorable Board of County
Commissioners of Charlotte County, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund and the aggregate remaining fund information of Charlotte County, Florida (the "County"), as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the reports of the other auditor, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund and the aggregate remaining fund information of the County as of September 30, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof and the respective budgetary comparison for the for the General Fund, the Charlotte Public Safety Fund, the Street and Drainage Districts Maintenance Fund, and the Cares Act Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of the Charlotte County Clerk of the Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector (collectively, the "Officers"), whose statements reflect 2% of the assets, 1% of the net position, and 17% of the revenue of the County's governmental activities, 16% of the assets, 0% of the fund balance, and 20% of the revenue of the General Fund, and 8% of the assets, 6% of the fund balance/net position, and 70% of the revenue/additions of the aggregate remaining fund information and the Clerk of the Court Fund. Those statements were audited by another auditor whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for the Officers, is based solely on the reports of the other auditor.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the County, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for one year beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Orlando, Florida
March 30, 2023

compliance.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 30, 2023, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and

Other Reporting Required by Government Auditing Standards

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The other supplementary information, as listed in the table of contents, and the schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and Chapter 10.550, Rules of the Auditor General, and the schedule of receipts and expenditures of funds related to the Deepwater Horizon oil spill, are presented for additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America by us and other auditors. In our opinions, based on our audit, the other supplementary information and the schedule of expenditures of federal awards and state financial assistance are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Supplementary Information

Charlotte County, Florida

MANAGEMENT'S DISCUSSION AND ANALYSIS

Charlotte County's discussion and analysis is designed to present the basic financial statements and a narrative review of the County's financial activities for the fiscal year ended September 30, 2022. The basic financial statements are comprised of the government-wide financial statements, fund financial statements and footnotes. In this Management's Discussion and Analysis (MD&A), all amounts in financial charts, unless otherwise indicated, are expressed in thousands of dollars.

FINANCIAL HIGHLIGHTS

Charlotte County's net position was \$1,760.9 million at the close of business September 30, 2022. Total net position of the County increased \$160.4 million or 10%, as compared with the prior year. \$1,296.2 million of the net position is related to governmental activities, an increase of \$105.4 million or 8.9%, and \$464.6 million to business-type activities. At September 30, 2022, total revenues increased by \$70.9 million to \$726.1 million, which was an increase of 10.8%. Total expenses increased by \$67.8 million, an increase of 13.6%, from \$497.8 million to \$565.7 million, the majority of the increase is in general government and public safety in regards to pensions.

The County's business-type activities reported a total net position of \$464.7 million, which is an increase of \$55 million, or 13.4%, when compared to the prior year. Approximately 20% of the total business-type net position, or \$93.1 million, is unrestricted, and thus available for spending at the County's discretion.

On September 28, 2022, Hurricane Ian caused major damage in Charlotte County. The estimated cost of debris removal alone will be in excess of \$80 million. The FEMA reimbursement rate is 75% of eligible costs, with the State of Florida contribution 12.5% and the County responsible for 12.5%, although the State has approved covering the County's 12.5% portion in addition to its own. The process for applying for and receiving reimbursement will continue into 2023. The biggest cost of the hurricane is debris removal. Management believes insurance coverage will be adequate to fund repairs to county facilities and their contents; of 810 insured assets 390 received damage.

USING THE ANNUAL REPORT

Charlotte County's annual report consists of a series of financial statements. The County's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. The report also contains other supplementary information such as additional data on pensions and other post-employment benefits.

GOVERNMENT WIDE FINANCIAL STATEMENTS

Designed to be more like the financial statements of a private entity, the government-wide financial statements present the bottom line of the County as a whole. The Statement of Net Position (pages 19 - 20) combines and consolidates the assets of both governmental and business-type activities into a single, governmental unit, and also takes into account both current and long-term liabilities to present the overall financial health of the government as total net position. The full accrual method is used in compiling the Government-Wide financial statements. The Statement of Activities (pages 21 - 22) provides a picture of revenues versus expenses for governmental activities and business-type activities, showing the increases or decreases in net position as a result. Over time, increases or decreases in the County's net positions are one indicator of whether its financial health is improving or deteriorating.

In the Statement of Activities, the County is divided into two types of activities:

- **Governmental Activities** – This is where most of County activities are reported. All expenses and revenues related to administration, parks and recreation, libraries, public safety, transportation, and capital outlay, for example, are included in this section. Services and capital projects are funded primarily through property tax, franchise fees, communication service fees, state shared revenues, sales tax and impact fees.
- **Business-type Activities** – This is where County water and sewer operations and solid waste collection and disposal are reported.

Also presented in the Statement of Activities is the following:

- **Component Unit** – The Charlotte Industrial Development Authority finances and refinances projects for a public purpose and fosters economic development of the County.

FUND FINANCIAL STATEMENTS

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The County uses fund accounting to ensure and demonstrate compliance with finance related legal requirements. All of the funds can be divided into three categories: governmental funds; proprietary funds and fiduciary funds.

Governmental Fund Financial Statements

Governmental funds are used to account for the same functions reported as governmental activities in the government-wide financial statements. However, governmental fund financial statements focus on near-term outflows of expendable resources as well as on balances of expendable resources available at the end of the fiscal year.

The analysis of the major funds of the County begins on page 23. The fund financial statements are designed to provide the reader with useful information on the major funds, rather than the government as a whole. There are 56 governmental funds. However, only six are classified as major funds in 2022; General Fund, Street and Drainage Districts Maintenance, Charlotte Public Safety, Sales Tax Extensions, Cares Act Fund and Clerk of the Court. The County is unique in that it has many Municipal Services Benefit Units/Taxing Units (MSBU/TUs) that provide street and drainage maintenance and certain capital improvements to its property owners payable by assessments. Although accounted for separately, these are grouped together as a major fund in 2022, as Street and Drainage Maintenance Districts, on the fund financial statements presented on pages 23 - 24 and 26 - 27. Also grouped together in the County's financial statements, although accounted for separately, are Grant funds, Waterway Maintenance MSBUs, Clerk special revenue funds and Sheriff special revenue funds. These are presented on the fund financial statements presented on pages 117 through 136.

Proprietary Fund Financial Statements

Proprietary fund financial statements are prepared on the full accrual basis, like government-wide financial statements. There are two types of proprietary funds: enterprise and internal service. Proprietary funds are different from governmental funds in that their revenues are derived from the operations of the proprietary fund. The County maintains enterprise funds for one sanitation district, the landfill operation, and a utility system which provides water and sewer services. These funds are presented on pages 35 - 39.

There are five internal service type funds: health insurance trust, self-insurance, accrued compensated absences, vehicle maintenance, and Clerk of the Court. Internal service funds differ from enterprise funds in that the revenues supporting these funds are derived from a fee for the services performed or being provided to departments within the governmental entity. Over time these funds will perform at a break-even level, although in some years a slight profit or loss may be realized. These funds are presented on pages 187 - 190.

Fiduciary Fund Financial Statements

Fiduciary funds are not included in the government-wide financial statements because the resources of those funds are not available to support the County's programs, therefore, they do not appear in the government-wide financial statements. The accounting used is much like that of proprietary funds. These funds are presented on pages 192 - 193 of this report.

OTHER INFORMATION

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information concerning Charlotte County's change in contributions to pensions and other post-employment benefits

The Annual Comprehensive Financial Report also presents combining statements for the non-major governmental and proprietary funds and custodial funds, as well as individual fund budget and actual comparison schedules for non-major governmental funds.

GOVERNMENT – WIDE FINANCIAL ANALYSIS

The following is a condensed summary of net position for the primary government for fiscal years 2022 and 2021:

Charlotte County, Florida
Summary of Net Position

Unrestricted	92,185	68,183	93,082	82,326	185,267	150,509
Total Net Position	<u>1,296,213</u>	<u>1,190,796</u>	<u>464,649</u>	<u>409,630</u>	<u>1,760,862</u>	<u>1,600,426</u>

Total assets for Governmental Activities increased \$102.9 million, or 6.5%. Capital assets, net of depreciation, represented 57.3% of total assets at September 30, 2022, and 61.3% of total assets at September 30, 2021. Capital assets represent land, buildings, improvements, equipment, furniture, vehicles, heavy equipment and infrastructure. \$27.1 million of the \$35.2 million increase in capital assets is completion of Burnt Store Rd widening from Zemel Rd to Notre Dame Blvd and \$9.2 million is a new Fire/EMS Aircraft Rescue Building. These increases are offset by infrastructure assets that were donated to Charlotte County utilities as developers completed their projects for water and sewer. \$101.5 million of the Current and Other Assets represent Cash and Investments at fair value, an increase over prior year in large part due to significant increases in ad valorem and sales tax, along with franchise, permit and impact fees.

Total assets for Business-type Activities increased \$44.6 million, or 7.4% compared to September 30, 2021. Capital Assets in Business Activities had additions totaling \$31.7 million, \$24.7 million in additions is due to the Loveland Grand Master and Rotonda Plaza lift stations, \$4.9 million is for El Jobean Vacuum Collection System and \$1.5 million is for force mains on Coliseum Blvd, Conway St and East St.

Deferred Outflows and Inflows of governmental activities - Pension related net outflows of \$38.4 million is an increase of \$114.6 million resulting from differences between expected and actual investment earnings, experiences, assumptions and proportional share. OPEB related net inflows of \$4.3 million is an increase of \$11.1 million, resulting from changes of assumptions and other inputs and amounts paid by the County for OPEB benefits and administrative expenses subsequent to the measurement date of October 1, 2021. More information on changes to deferred outflows/inflows can be found in Note 20 of the financial statements. These pension and OPEB related outflows and inflows will be recognized over time through amortization, and reflected in pension expense for each of the governmental and enterprise entities. The largest portion of the increase in deferred outflows is related to the FRS Trust Fund investment earnings reported, which resulted in an increase of net pension liability state wide.

Total liabilities for Governmental Activities increased \$100.3 million. Current Liabilities increased by \$4.6 million and non-current liabilities increased by \$95.7 million. The majority of the increase in current liabilities, \$3.9 million, is in changes to accrued liabilities for payroll and benefit accruals as well as self insurance claims. As discussed in deferred outflows/inflows the majority of the decrease in non-current liabilities is due to the change in net pension liability, an increase of \$118 million; there was a decrease in loans and bonds payable of \$17.2 million, due to larger payments on outstanding governmental loans in the upcoming fiscal year; there was a decrease of \$.4 million in accrued compensation absences and a decrease of \$8.3 million in total OPEB liability.

Total liabilities for Business-type Activities decreased \$3.5 million, of which loans and bonds payable decreased by \$9.3 million, for borrowings on utility projects in process net of yearly principal payments; net pension liability increased \$8.1 million; landfill closure costs increased \$1.2 million and accounts/contracts payable decreased \$3.4 million from the prior fiscal year.

As noted earlier, net position may serve as a useful indicator, over time, of a government's financial position. Charlotte County's assets and deferred outflows exceeded liabilities and deferred inflows by \$1,760.9 million at September 30, 2022, representing an increase to net position of \$160.4 million for the current year. The reasons for the overall increase in net position are discussed in the following sections for governmental and business-type activities.

The largest portion of Charlotte County's net position, 66.8%, reflects its investment in capital assets such as land, buildings, infrastructure, machinery and equipment, less related debt outstanding used to acquire the assets. At the end of the current fiscal year, Charlotte County reports positive balances in all categories of net position within both governmental and business-type activities. Unrestricted net position for governmental activities increased \$24 million. Unrestricted net position for business-type activities increased \$10.8 million. The unrestricted balance represents assets that are available for spending at the discretion of the Board of County Commissioners. The unrestricted net position of \$185.3 million represents 10.5% of total net position.

The restricted net positions are those provided for by resolution of the Board for the issuance of bonds that are restricted by law or that may not be spent otherwise if collected for a specific purpose. County sales tax extension fund balances are examples of specific purpose funds only expendable on previously established sales tax projects, without action by the Board of County Commissioners. With most special revenue funds, the same restriction is true.

The schedule on the next page compares the revenues and expenses for the primary government for the current and previous fiscal years.

Charlotte County, Florida
Summary of Revenues and Expenses
Fiscal Years ended September 30, 2022 and 2021
(\$000's)

Gasoline, Sales, and Other Taxes	75,166	13 %
Revenue Sharing	34,350	6 %
Interest income (loss)	(6,005)	- %
Miscellaneous	12,131	2 %
Totals	\$ 562,806	100 %

Revenues

Total revenues amounted to \$562.8 million. Ad valorem property taxes of \$175.5 million make up 31% of the total revenues. Ad valorem property taxes increased by \$11.6 million, which represents an increase of 7.1% when compared to 2021. Charlotte County experienced a \$1.3 billion increase in property values, a 7.1% increase from 2021. Millage rates remained flat with prior year. Charlotte County has seen increased construction of residential properties which has added to some of the ad valorem property tax increases.

Charges for Services were \$221.9 million, which represented 39.0% of total revenues and were \$29.0 million higher than 2021. \$10.5 million of the increase is due to increased charges for services in the form of documentary stamp and intangible tax charges. Public safety revenues also increased \$9.2 million, \$7.2 million is due to increases in building construction services permits and fire special assessments along with \$1.4 million to increased charges for ambulance services and \$.4 million for revenue recorded for GASB 87 leases. Transportation revenues increased \$3.5 million due to increased assessments to property owners and human services increased \$1.6 million due to the County's participation in a local provider participation fund with local hospitals in order to receive additional funding for services to the community. \$1.1 million increase in physical environment is due to increased collections of fees and assessments on properties as we saw our population grow. Economic environment saw an increase of \$1.7 million of which \$1.5 million was an affordable housing developer loan that was paid but had been previously written off. Culture and recreation experienced an increase in revenue of \$1 million due to rental fees for fields, concession stand, parking lots and camper fees for summer and school breaks. Recreation services has seen an increase in use of County facilities post-Pandemic.

Grants and Contributions were \$49.7 million, which represented 9% of total revenues and were \$0.2 million higher than 2021. The increase was in the areas of public safety and law enforcement. Operating grants decreased by \$4.6 million in the areas of CARES/ARPA funding and beach renourishment for monies received in the prior year. Capital grants increased by \$4.8 million for road improvements

Gasoline, sales, and other taxes were \$75.17 million, which represented 13.4% of total revenues and which were \$10.6 million higher than 2021. Included in this category are local option fuel taxes, tourist development tax, communication services tax, Florida Power and Light (FPL) franchise fees, and a one cent local option sales tax on Infrastructure. Tourist development tax revenues increased \$1.7 million over the previous fiscal year, evidenced by increased visitors to Charlotte County. The County's one cent infrastructure surcharge generated \$39.4 million in FY 2021 vs \$33.1 million in FY 2021. The current infrastructure sales tax was renewed by voter referendum in November, 2020 and expires on December 31, 2026.

Revenue Sharing was \$34.4 million, which represented 6% of total revenues and which is \$6.2 million higher than FY 2021. Revenue sharing includes the money sent to local governments from the State sales tax, State gas tax, and the State Housing Initiatives Partnership Program (SHIP) fund and funding for court related operations by the Clerk of Courts.

Interest Income was (\$6) million, a decrease from FY 2021 primarily due to negative FMV adjustment of \$10.5 million in FY 2021 offset by a \$4.5 million increase in interest income on cash and investments.

Miscellaneous revenue totaled \$12.1 million as compared to \$5.0 million in FY 2021, an increase of \$7.1 million mostly due to sale of land in Charlotte Harbor Community Redevelopment Agency. There was also an increase of \$.9 in other County land sales, in addition to a \$1.3 million increase due to the adjustment of valuation of Murdock Village land.

Expenses:

Total expenses of \$456.2 million are \$61.9 million or 15.7% higher than the prior year. The following table shows program revenues relative to expenses, excluding \$2.2 million in interest on long-term debt.

	<u>Program Revenues</u>	<u>Expenses</u>
General Government	\$ 111,178	\$ 135,634
Public Safety	62,756	172,943
Physical Environment	12,855	19,807
Transportation	62,489	60,874
Economic Environment	2,467	4,012
Human Services	14,770	25,083
Culture and Recreation	5,121	35,655
Totals	<u><u>\$ 271,636</u></u>	<u><u>\$ 454,008</u></u>

General government expenses of \$135.6 million have increased by \$20.3 million at the entity wide level, 17.6% more than the prior year. General government expenses include the costs of all the administrative and executive departments, the cost of providing legal counsel, and the cost of the comprehensive planning departments, which include planning, zoning and development. Board of County Commissioners expenditures increased \$20.3 million, of which \$16.2 million increase for projects completed this year, including major road widening projects, and a \$.6 million increase in depreciation.

Public safety expenses increased \$29.3 million or 20.4%. \$13.3 million of the increase is related to pension adjustments. Public safety expenses include fire protection, law enforcement, emergency medical services, emergency management and the medical examiner. Sheriff expenses increased \$3.5 million for personnel expenditures. Accrued compensated absences increased \$7.9 million in addition to a \$1.4 million increase in OPEB related expenditures.

Culture and Recreation expenses increased \$2.7 million or 8.1% compared to the prior year. These expenses include Parks and Recreation, Libraries, Tourism department and the Historical center. Salaries and benefits increased \$.8 million, central and indirect costs increased \$.7 million as well as an increase of \$.2 million for promotional advertising over prior year. The Parks and Recreation Department has seen an increase in desire for facilities and activities, post Pandemic. Additionally operations costs for the Charlotte Harbor Event Center and the Stadium increased \$.7 million.

Economic Environment expenses decreased \$0.7 million or 15.5%. This decrease is due to Grants and Aids for assistance to community from the CARES Act of \$1.0 million in prior fiscal year, offset by increased spending for SHIP grants and Local Housing Trust Fund of \$.4 million.

Physical Environment expenses increased \$1.9 million or 10.9% as compared to the prior year. The increase is a result of \$1.7 million dredging project this year for Stump Pass MSTU. In addition, \$.1 million increase due to boater improvement, local vessel issues.

Human Services expenses increased \$3.3 million or 15.3%. \$5.4 million of the increase is due to the County's participation in local provider participation fund with hospitals to assist underserved community members, which was offset by \$2.7 million decrease in CARES funds received in prior year. \$.6 million increase is due to updates to the Family Services Center.

Transportation expenses are \$5.1 million higher than FY 2021. Transportation programs involve bridge, paving and drainage projects and are viewed as significant on-going programs over multiple years. \$4.5 million of the increase is due to paving projects this fiscal year, plus \$.5 million increase in materials and supplies which is consistent with increases in the industry.

Interest on long-term debt decreased \$59 thousand or 2.7%. This is the result of the of lower interest rates on outstanding debt obligations.

Business-type Activities

Revenues

Revenues from business-type activities increased \$14.4 million or 9.7% compared to the prior year. Program Revenues were 82.1% of revenues, \$6.8 million higher than FY 2021.

In the area of solid waste, Charlotte Sanitation District charges for services of \$35.8 million increased by \$3.4 million or 9.5% over the prior year due to growth and increased sanitation charges.

Water and sewer charges for services of \$98.2 million increased \$3.39 million or 3.5% from the prior year. The number of gallons sold for Water and Sewer combined increased by 2.1%; the number of water connections increased by 2,308 and the number of sewer customers increased by 2,098. These are strong indications that population growth continues in Charlotte County. Capital Grants and Contributions of \$28.3 million were \$6.6 million higher than 2021, as large scale water and sewer projects continue to be a focus in the County.

Expenses and Program Revenue

Business-type Activities

	Program Revenue	Expenses
Water and Sewer	\$ 127,455	\$ 74,602
Solid Waste	35,826	34,914
Totals	<u>\$ 163,281</u>	<u>\$ 109,516</u>

Expenses in business-type activities increased by almost \$5.97 million or 5.8%. Water and Sewer Operating expenses were \$4.29 million or 6.1% higher than 2021, while Solid Waste expenses were \$1.68 million or 5.1% higher than FY 2021.

Water and Sewer expenses are \$4.3 million higher than FY 2021. The increase is due to the purchase of pad mounted generators for lift stations, improvements to utility plant controls and systems management including capacity management and operations and maintenance plan updates. The utility also experienced increases to supplies such as meters, chemicals, gas/oil/lubricants and other operating supply costs.

Solid waste collection and disposal expenses of \$34.9 million increased by \$1.7 million or 4.8%. Charlotte Sanitation District expenses increased by \$1.4 million, due to increases from the waste hauler and increased landfill fee expenses.

Financial Analysis of Governmental Funds

As of September 30, 2022, County governmental funds reported combined ending fund balances of \$608.8 million, an increase of \$105.0 million, or 20.8% compared to the previous year. Of the total fund balance, \$278.8 million represents special revenue funds for which balances must be used for the purpose the revenues were collected. \$163.2 million of the fund balance represents capital project fund balances.

The fund balance of the General Fund increased \$30.8 million, to \$122.3 million, during the year ending September 30, 2022. General fund revenues increased by \$12.8 million. Ad Valorem taxes increased by \$2.5 million, primarily due to increased valuations, as discussed earlier. In addition, the local government half-cent sales tax increased \$3 million and fees for services increased \$1.6 million as compared to the prior year. Total General Fund expenditures increased by \$14.8 million. Public Safety expenditures in the General Fund increased by \$8.9 million due to higher CARES Act funding in the prior fiscal year and an increase of \$1.0 million in Culture & Recreation, as programming for community recreation activities resume post COVID.

The fund balance of the Public Safety Fund increased by \$3.7 million to \$10.9 million. Expenditures in the Public Safety fund only include those pertaining to the Sheriff's operations, including the corrections facility, court related security and law enforcement. Approximately 65% of the Sheriff's operating budget funds law enforcement operations, 32% funds the correctional facility, and 3% funds the Sheriff's court operations. Ad Valorem taxes increased by \$6.4 million in the Public Safety fund due to valuation increases. The County's direct costs for the Sheriff & County Correctional facility decreased by \$.2 million. Net Transfers Out to the Sheriff to fund all of his operations increased by \$4.3 million.

Street and Drainage Districts Maintenance combined net fund balances increased \$8.3 million, as compared to fiscal year ended 2021, to a fund balance of \$80.4 million. There are 36 individual street and drainage units that comprise this fund balance, with timing of expenditures of paving programs causing year to year fluctuations in fund balance. Expenditures decreased by \$2.9 million; \$1.7 million due to ongoing paving programs and a \$.8 million due to an increase in debt service payments. Total revenues increased due to a \$2.3 million increase in assessments and to \$3.1 million increase due to receipt of additional assessments, offset by and a decrease of \$.9 million in miscellaneous revenue due to lower interest rates and fair market adjustments to investments.

Sales Tax Extension fund balance is reporting an increase of \$30.4 million; \$3.5 of the increase is due to combining all sales tax funds into one major fund. Total revenue recorded of \$38.3 million is an increase of \$6.1 million is due to increased taxes over the prior year, less a decrease of \$1.1 million due to changes to interest earned and market value adjustments of investments. Expenditures of \$12.1 million is for completion of approved sales tax projects, decrease of \$9.5 million from fiscal year 2021.

CARES Act Fund is a major fund for fiscal year 2022. The revenue of \$19.5 million is from federal grants under the CARES Act and the American Rescue Plan. The expenditures of \$.8 million are to cover ARPA related expenditures. The balance of the American Rescue Plan funds will be recognized and expensed in subsequent years.

Clerk of the Court is a major fund for fiscal year 2022. \$67.3 million in charges for services, documentary stamps of \$54.7 million and \$8.2 million for intangible tax fees. \$62.6 million in expenditures for general government is for the above mentioned documentary stamps and intangible taxes and \$4.6 million is for court related charges.

General Fund Budgetary Highlights

The budgetary comparison schedule is found on pages 29 - 31. During the year the original budget for General Fund revenues and beginning fund balances was amended as follows:

The Revenue amendments in the General Fund totaled \$2.0 million. The amendments consist of intergovernmental grant revenue for emergency management and Transit related grants. Adjustments to the General Fund expenditures budget was \$2.5 million, an increase mainly due to budget adjustments in capital expenditures and purchased services.

The General Fund fund balance for FY 2022 was \$64.4 million higher than the final amended budget. Revenues were \$16.9 million higher than budgeted, of which charges for services were \$4.6 million, and net miscellaneous revenues were \$4.5 million. Total expenditures were \$12.0 million lower than budgeted; salaries and benefits were \$6.8 million lower due to a decrease in availability of staffing, especially in areas such as culture and recreation, and capital expenditures were \$4.0 million lower.

Capital Asset and Debt Administration

At September 30, 2022, the County had \$1.4 billion invested in capital assets, including fire equipment, buildings, park facilities, roads, bridges and water and sewer lines.

Additional information on the County's capital asset activity can be found in notes to the financial statements (Note 9, Capital Assets) found on pages 64 - 65 of this report.

Major projects completed during Fiscal 2022 include the following:

- Burnt Store Road Phase II project included design, permitting, utility coordination, and construction to widen the remaining middle section of Burnt Store Road (4.4 miles) to a four-lane roadway from a point near Notre Dame Boulevard to a point north of Zemel Road. The design includes an open swale concept with a large median that will accommodate two future lanes. Water, sewer and reclaimed water mains are included in the project as well as LED street lighting. The total cost of the completed project was \$27.1 million.
- Airport Rescue and Fire Fighting Simulator will provide required training for fighting fires on aircraft with props including aircraft fuselage. This facility includes a full-sized training aircraft simulator, a restroom with showers, a covered shade structure, a propane storage area as well as a concrete burn pit for training. A separate control room allows for the safe observation and operation of training activities. The cost of this project was \$9.2 million.
- Family Services Center, Phase 1 was a Sales Tax project that replaced an existing facility with a new code-compliant building. It combines a 6-acre site to be master planned for future phases. The new 17,000 square foot facility houses Charlotte County's 211 department with additional space for youth services and community partners. This project is a collaboration among government and non-profit agencies, with 11 agencies located at the center and 4 additional partners which Phase II is completed. The cost of this project was \$8 million.
- Digital Radio System P25 - replacement of exiting analog radio system with a digital (Project 25) system. Funding includes hardware such as controllers and repeaters and software as well as the replacement of existing analog hand-held radios with digital radios. The P25 technology is recognized standard for Public Safety communications and

interoperability (compatibility between agencies). The project impacts various user agencies within the County, including the School Board, Sheriff, Airport Authority, Fire & EMS, Health Department, Property Appraiser and various County departments as well as impacting communication with surrounding counties. The cost of this project was \$6.3 million.

Debt and Lease Liabilities

At September 30, 2022, the County had total bonded debt outstanding of \$71.2 million. This is a decrease of \$17.9 million compared to September 30, 2021, due to scheduled bond payments made throughout the year. Total County, debt has decreased \$25.7 million, which is attributable to a combination of additional draws on current State Revolving Fund loans and a commercial paper roll forward, in the amount of \$13.1 million, offset by debt payments made throughout the year in the amount of \$39.3 million. Lease payables are added this year in accordance with GASB 87 for \$582 thousand. A more detailed discussion of outstanding debt can be found in Note 10 of the financial statements, Long-Term Obligations, in Note 12, Defeased Debt, and in Note 13, Lease Liabilities.

	<u>2022 (\$000's)</u>	<u>2021 (\$000's)</u>	<u>Variance (\$000's)</u>

Lease Payable	582	-	582
Florida Local Government Finance			
Commission	19,050	24,979	(5,929)
State Revolving Fund	66,493	61,319	5,174
Total	<u>\$ 207,444</u>	<u>\$ 233,138</u>	<u>\$ (25,694)</u>

The County has a current bond rating for its Capital Improvement Revenue bonds of A1 from Moody's.

Revenue Bonds consist mostly of Charlotte County Utility debt, which is financed through connection fees and utility operations revenues. The Series 2011 Revenue Bond was advanced refunded in March of 2021 with the Series 2021 Utility Revenue Bond, at a significant savings.

The Florida Local Government Finance Commission issues pooled commercial paper to member counties to fund a variety of infrastructure projects at very affordable interest rates. Most of the borrowings in this category relate to paving projects within the various Municipal Services Benefit Units (MSBU's), and the repayment of the debt is made via special assessments within those benefiting units.

The State Revolving Fund debt consists mainly of loans relating to water and sewer projects throughout the County, also at very low interest rates, as to make these projects affordable. The repayment of the majority of the debt is made via special assessments within those benefiting units. The remaining loans that are not special assessment-related are repaid through Utilities operating and connection fee funds. These loans are cost reimbursement based and repayments on these new loans will begin in 2022 and later. More information can be found on these timelines in Note 10, the financial statements, Long-Term Obligations.

During 2009, both a debt policy and a reserve policy were adopted by the Board of County Commissioners as a result of a voter referendum to amend the County's Charter. These policies are reviewed and approved by the Board annually during the budget process.

The Constitution of the State of Florida, Section 200.181 of the Florida Statutes, and Charlotte County set no legal debt limit. There is no legal debt limit for General Obligation debt in Charlotte County. Additional information on the long-term debt can be found in Note 10 to the financial statements.

ECONOMIC FACTORS AND BUDGETS AND RATES FOR NEXT YEAR

County valuations have increased in the upcoming fiscal year by 6.6%, which is the eighth year of increase since the recession, the economy and building industry has turned around. That increase in valuation equates to a \$11.6 million increase in ad valorem revenues county-wide. The number of new construction permits issued increased from 4,471 in FY 2021 to 6,086 in FY 2022. The County continues to experience expansion through new housing developments.

The Board of County Commissioners, at their final budget public hearing held on September 26, 2022, adopted the budget and associated millage rates. The decision was made to hold millage rates flat with FY 2021 for all areas.

The Board of County Commissioners' strategic goals are being addressed and reflected throughout the budget. The Charlotte County Board of County Commissioners set the following priority outcomes:

1. To be recognized as a community leader in quality of life issues.
2. To improve Charlotte County government's morale and employee satisfaction.
3. To increase and enhance the organization's and Charlotte County's productivity and performance.
4. To enhance and improve our customers' satisfaction.
5. To positively change the image of government.
6. To improve communication both internally and externally.

The Board's Focus Area Goals are an integral part of their Strategic Plan and they consist of public service, economic and community development, infrastructure and efficient & effective government. More detail on the Board's Strategic plan can be found on the County's website at www.charlottecountyfl.gov. We are dedicated to ensuring that Charlotte County Government delivers the programs and services at the highest level as prioritized by the Board of County Commissioners and the community.

CONTACT INFORMATION

This financial report is designed to provide our citizens, taxpayers, customers, and investors and creditors with a general overview of the County's finances and to show its accountability for the money it receives. If you have questions about this report or need additional financial information, contact the Comptroller's Division, Charlotte County Clerk of the Circuit Court, 18500 Murdock Circle, Port Charlotte, Florida 33948. You may also reach the Comptroller's Division by calling 941-743-1413.

CHARLOTTE COUNTY, FLORIDA
RECONCILIATION OF THE BALANCE SHEET OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF NET POSITION
September 30, 2022

Fund balances - total governmental funds.	\$ 608,799,275
Capital assets, net of accumulated depreciation and amortization, used in governmental activities are not financial resources and are, therefore, not reported in the governmental funds.	958,335,992
Land held for resale in governmental activities is derived from capital assets, which are not financial resources, and is, therefore, not reported in the governmental funds.	20,155,569
Other assets are not available to pay for current-period expenditures and, therefore, are deferred in the funds.	1,096,356
Certain liabilities are not due and payable in the current period and, therefore, are not reported in the funds. (See Note 2).	(318,062,962)
The assets and liabilities of Internal Service Funds, in addition to those otherwise allocated, are included in the governmental activities in the Statement of Net Position.	<u>25,888,352</u>
Total net position of governmental activities	<u><u>\$ 1,296,212,582</u></u>

CHARLOTTE COUNTY, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND
CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
For the Fiscal Year Ended September 30, 2022

Net change in fund balances - total governmental funds.	\$ 104,968,624
Capital outlay, reported as expenditures in governmental funds, is shown as capital assets in the Statement of Net Position.	37,942,437
Revaluation and sale of land held for resale is presented on the Statement of Activities.	1,284,750
Depreciation and amortization expense on governmental capital assets are included in the Statement of Activities.	(41,360,837)
Issuance of debt provides current financial resources to governmental funds; however, issuing debt increases long-term liabilities in the Statement of Net Position.	(3,878,000)
Bond, loan and note principal payments are presented as expenditures in governmental funds but not in governmental activities.	21,008,000
The net revenues (expenses) of internal service funds (funds to charge self-insurance, health insurance and vehicle maintenance) are reported with governmental activities.	778,873
Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the funds. In the statement of activities, however, revenues are reported regardless of when available. This is the decrease in deferred inflows for unavailable revenue.	(1,105,935)
In governmental funds expenditures for interest are recognized when paid; however, in the Statement of Activities, interest payable is reported when the liability is incurred.	(4,450)
In governmental funds expenditures are recognized when paid; however, in the Statement of Activities, unamortized costs are reported when the liability is incurred.	59,999
The increase in accrued compensated absences reported in the Statement of Activities does not require the use of current financial resources and, therefore, is not reported as an expenditure in the governmental funds.	(7,546,301)
The increase in other postemployment benefits, deferred outflows, and deferred inflows reported in the Statement of Activities does not require the use of current financial resources and, therefore, is not reported as an expenditure in the governmental funds.	- (2,848,639)
The increase in pension liability, deferred outflows, and deferred inflows related to pensions are reported in the Statement of Activities, but do not require the use of current financial resources and, therefore, are not reported as an expenditure in the governmental funds.	(3,308,594)
The increase in lease liability is reported in the Statement of Activities, but does not require the use of current financial resources and therefore is not reported as an expenditure in the governmental funds.	<u>(573,985)</u>
Change in net position of governmental activities	<u><u>\$ 105,415,942</u></u>

The accompanying notes are an integral part of these financial statements.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies

Organization

Defining the Governmental Reporting Entity

Charlotte County (the “County”) is a political subdivision of the State of Florida. The boundaries for Charlotte County are set out in s.7.08 of the Florida Statutes, and the history note to that section sets out its origins. Section 3, ch 3770, 1887 created DeSoto County from a portion of Manatee County. Section 1, ch 8513, 1921, created Charlotte County from part of DeSoto County. Other parts of that 1921 act created Hardee, Highland, and Glades Counties from other parts of DeSoto County. The 1921 act creating Charlotte and the other three counties took effect on April 23, 1921. It is governed by an elected Board of County Commissioners (the “Board”), which is governed by state statutes and regulations. In addition to the members of the Board of County Commissioners, there are five elected Constitutional Officers: Clerk of the Circuit Court; Sheriff; Tax Collector; Property Appraiser; and Supervisor of Elections, which were established by the Constitution of the State of Florida, Article VIII, Section 1(d). The Constitutional Officers maintain separate accounting records and budgets.

The accompanying basic financial statements present the combined financial position and results of operations and changes in cash flows of the applicable fund types governed by the Board of County Commissioners of Charlotte County, Florida and its Constitutional Officers.

As required by accounting principles generally accepted in the United States, the financial statements of the reporting entity include those of Charlotte County (the primary government) and its component units. A component unit is a legally separate organization for which the elected officials of the primary government are financially accountable. In addition, a component unit may be another organization for which the nature, and significance of its relationship with a primary government is such that exclusion would cause the reporting entity’s financial statements to be misleading or incomplete.

The blended component units, although legally separate entities, are, in substance, part of the government’s operations and so data from these units are combined with data of the primary government.

The component units discussed below, which were created by ordinance or resolutions of the Board of County Commissioners, are included in the County’s reporting entity, because of the significance of the operational and financial relationships with the County. In conformity with the Governmental Accounting Standards Board (GASB) Statement Number 14, The Financial Reporting Entity, as amended by GASB Statement No. 39, Determining Whether Certain Organizations are Component Units, and GASB Statement No. 61, The Financial Reporting Entity, the financial statements of the following component units have been included as blended component units. These component units have substantially the same governing body as the County or provide services entirely or almost entirely to the County and the County has an obligation to provide financial support. The following component units are classified as blended component units:

Murdock Village Community Redevelopment Agency: Established by Ordinance 2003-081, pursuant to Chapter 163, Part III, F.S. The purpose of this dependent special district is to organize and direct redevelopment of the Murdock Village Area of Charlotte County. The Board of the Murdock Village Community Redevelopment Agency is the same as the Board of County Commissioners, which provides substantial funding of operations.

Charlotte Harbor Community Redevelopment Agency: Established by County Resolution 92-251, pursuant to Chapter 163, Part III, F.S. The purpose of this dependent special district is to develop the area known as Charlotte Harbor within Charlotte County. The Board of the Charlotte Harbor Community Redevelopment Agency is the same as the Board of County Commissioners, which provides substantial funding of operations.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Organization (continued)

Defining the Governmental Reporting Entity (continued)

Parkside Community Redevelopment Agency: Established by County Ordinance 2010-054 and Resolution 2011-259, pursuant to Chapter 163, Part III, F.S. The purpose of this dependent special district is to direct redevelopment in the Parkside area of Charlotte County. The Board of the Parkside Community Redevelopment Agency is the same as the Board of County Commissioners, which provides substantial funding of operations.

In addition to the above blended component units and in accordance with GASB Statement No. 14, as amended, the County includes as a discretely presented component unit the Charlotte County Industrial Development Authority.

The Industrial Development Authority (IDA) was established by Ordinance 2006-088, pursuant to Chapter 163, Part III of the Florida Statutes. The purpose is to finance and refinance projects for public purpose and to foster the economic development of the County. The Board is composed of five members, one of whom shall be designated chairman, appointed by the Board of County Commissioners. The Board of County Commissioners must approve the issuance of industrial development bonds, and the IDA retains fees collected in the issuance of such bonds to further promote economic development activities within the County. Florida Statute, Section 218, does not require dependent special districts that are component units to issue separate financial statements.

Charlotte County also has a number of independent special districts, whose financial statements are not included in this report, but are subject to independent audit and whose financial statements are made available to the public by the districts. These include the Babcock Ranch Community District; the Bermont Drainage District; the Central Charlotte Drainage District; the Charlotte County Airport Authority; the Charlotte Soil and Water Conservation District; the East Charlotte Drainage District and five Community Development Districts (CDD's) established pursuant to 190.005 F.S.

Effective for Fiscal Year 2020, the State of Florida Legislature enacted Chapter 2019-163, Laws of Florida, which amended section 163.387(8), Florida Statutes, to require each Community Redevelopment Agency that has revenues or a total of expenditures and expenses in excess of \$100,000 to have performed a separate audit. In accordance with Florida Auditor General Rule 10.557(3), the CRA audit report must include basic financial statements, notes to the financial statements, and management's discussion and analysis and other required supplementary information. All three CRAs, Parkside CRA, Charlotte Harbor CRA and Murdock Village CRA, meet the requirements for separate financial statements to be issued. For further information on these three CRAs the contact information is as follows:

Charlotte County Economic Development Office
18500 Murdock Circle
Port Charlotte, FL 33948

Basic Financial Statements

The basic financial statements consist of the government-wide financial statements and fund financial statements. Both sets of statements distinguish between the governmental and business-type activities of the County.

Government-wide financial statements include a Statement of Net Position and a Statement of Activities. These statements report on the government as a whole, both the primary government and its component units, and provide a consolidated financial picture of the government. As part of the consolidation process, inter-fund activities are eliminated to avoid distorted financial results with the exception of interfund services provided and used. Fiduciary funds of the government are also eliminated from this presentation since these resources are not available for general government funding purposes. The Statement of Net Position reports all financial and capital resources of Charlotte County's governmental and business-type activities. It is presented in a net position format (assets and deferred outflows of resources less liabilities and deferred inflows of resources equal net position) and shown with three

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

components: net investment in capital assets; restricted net position; and unrestricted net position. The Statement of Activities reports functional categories of programs provided by the County and demonstrates how, and to what degree, those programs are supported by program revenue.

Program revenues are classified into three categories: charges for services; operating grants and contributions; and capital grants and contributions. Charges for services refer to direct recovery from customers for services rendered. Grants and contributions refer to revenues restricted for specific programs whose use may be restricted further to operational or capital items. The general revenues section displays revenue collected that help support all functions of our government and contribute to the change in the net positions for the fiscal year.

The County reports the following Major Governmental Funds:

The General Fund is the government's primary operating fund. It accounts for the operations of the Board of County Commissioners and the Constitutional Officers, including the Clerk of the Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector, except those operations required to be accounted for in another fund.

The Charlotte Public Safety Fund is a special revenue fund that accounts for taxes, and other fees collected that are used for the purpose of public safety related to law enforcement.

The Street and Drainage Districts Maintenance Fund is a special revenue fund that accounts for taxes collected to provide construction and maintenance of roads within certain taxing districts.

The Sales Tax Extension Fund is a capital projects fund used to account for voter-approved extension of the one-cent local option sales tax to be used for county-wide infrastructural projects.

The Cares Act Fund is a special revenue fund used to account for revenues and expenditures related to the Covid-19 pandemic and the American Recovery Plan.

The Clerk of the Court is a special revenue fund used to account for activities of the Office of the Clerk.

All other governmental funds are considered nonmajor.

The County reports the following Major Proprietary Funds:

The Charlotte County Landfill accounts for activities related to solid waste disposal for the County.

The Charlotte County Utility System accounts for activities related to the county-owned water and sewer systems.

The County reports the following Nonmajor Proprietary Funds:

The Charlotte Sanitation District accounts for activities related to solid waste collection from within the district.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

Additionally, the County reports the following fund types:

Internal Service Funds account for Clerk of the Court, vehicle maintenance, self-insurance, health insurance trust, and accrued compensated absences provided to other departments or agencies of the government, or to other governments on a cost reimbursed basis.

Custodial Funds are used to account for assets held by public officials in a trustee capacity or as a custodian for individuals, private organizations, other governments and/or other funds. Custodial funds are used to report fiduciary activities that are not reported in pension (and other employee benefit) trust funds, investment trust funds, or private-purpose trust funds. Custodial funds held by the County include: Board: Hurricane Charley Relief Fund; Clerk: Fines and Forfeitures, Tax Deed, Support, Registry of the Court and a Charities fund; Sheriff: Prisoners, Individual Depositors, Cash Bond, Evidence fund, and Concession; Tax Collector: Tax Collector, Tax Redemption, License and Tag, Tourist Development and Charities fund. These funds hold funds prior to disbursement or in a custodial capacity.

(a) Fund Accounting

The accounts of the County are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, deferred outflows of resources, deferred inflows of resources, fund equity, revenues and expenditures, or expenses, as appropriate. Government resources are allocated to, and accounted for, in individual funds, based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

(b) Measurement Focus, Basis of Accounting and Financial Statement Presentation

Charlotte County complies with accounting principles generally accepted (GAAP) in the United States. GAAP includes all relevant GASB pronouncements, and other accounting and financial reporting literature codified by the GASB.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. With the economic resources measurement focus, all assets and deferred outflows of resources and liabilities and deferred inflows of resources associated with the operation of these funds are included on the Statement of Net Position. Government-wide financial statements and proprietary fund financial statements show increases (revenues) and decreases (expenses) in net position. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

(b) Measurement Focus, Basis of Accounting and Financial Statement Presentation (continued)

Governmental fund financial statements are presented using the current financial resources and modified accrual basis of accounting. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of these funds show increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, that is, when they become both measurable and available to pay liabilities of the current period. The County considers all revenues available if they are collected within sixty (60) days after year end, with the exception of the Board's insurance and grant proceeds, for which the period is six months. Primary revenues, such as taxes, special assessments and charges for services, are treated as susceptible to accrual and so have been recognized. Revenues not considered available due to timing are recorded as deferred inflows. Expenditures are recorded when a liability is incurred except for the following, which are recorded as expenditures whenever due: unmatured interest on general long-term debt, accrued compensated absences, other postemployment benefits, pensions, and claims and judgements, which are recorded in long-term debt on the government-wide financial statements.

Revenues and indirect costs are recorded from a transactional basis directly to the appropriate activity classified by those categories reported in the Statement of Net Position. Interfund activities, as a general rule, in effect, have not been eliminated from the government-wide financial statements.

It is the County's practice to first apply restricted resources when an expense is incurred for the purposes for which both restricted and unrestricted net positions are available.

The Proprietary Funds are accounted for using the accrual basis of accounting. Under this method, revenues are recognized when they are earned and expenses are recognized when they are incurred. The operating statements for the Proprietary Fund types report increases (revenues) and decreases (expenses) in total economic net worth. Operating income and expenses are a measure of the earnings and expenses from the ongoing operation of the proprietary funds. Non-operating income and expenses are due to transactions other than the primary operations of the proprietary funds such as interest revenue and expense, grant revenue, and insurance proceeds.

The Custodial Funds are accounted for using an economic resource measurement focus requiring a resource flow statement. Liabilities are recognized when an event occurs that compels the County to disburse fiduciary resources, which is when a demand for resources has been made or when no further action, approval or condition is required to be taken or not by the beneficiary to release the assets.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

(c) Budgets and Budgetary Accounting

The Board adopts budgets for all Board funds except Open Space/Habitat. The Property Appraiser and the Tax Collector adopt budgets for their General Funds independently of the Board, which are approved by the Florida Department of Revenue. The Sheriff, Supervisor of Elections and Clerk of the Circuit Court (to the extent of his function as ex officio Clerk to the Board and amounts above his fee structure as Clerk of the Circuit Court) prepare budgets for their General Fund, which are submitted to, and approved by the Board, and are included in the General Fund and the General Fund Budget to Actual Statement. The Special Revenue funds of the Clerk of the Circuit Court and Sheriff are not submitted or adopted by the Board; therefore, no Budget to Actual Statements are presented.

Chapters 129 and 200 of the Florida Statutes govern the preparation, adoption and administration of the County's annual budget. The budget is required to be balanced; that is, the total of the estimated revenues, including balances brought forward, shall equal the total of the appropriations and reserves. The following procedures are followed by the Board in establishing the operating budget:

1. On or before July 15, a tentative budget for the fiscal year commencing the following October 1 is presented to the Board.
2. The tentative budget is then reviewed by the Board and any necessary changes are made.
3. Public hearings are conducted to inform the taxpayers of the tentative budget and proposed tax levies and to obtain taxpayer comments.
4. On or before September 30, the budget is legally adopted through passage of a resolution.
5. Transfers among expenditure or revenue accounts may be made during the fiscal year with Board approval if a division remains within its total operating budgets. Transfers between funds, or reserves in any fund, require approval of the Board of County Commissioners.

Changes in the adopted total budget of a fund are made only with Board approval of a budget amendment. Such amendments are made for a receipt from a source not anticipated in the budget and received for a particular purpose, including, but not limited to grants, donations, or reimbursements.

6. Section 129.07 of the Florida Statutes prohibits incurring expenditures in excess of total fund appropriations. Appropriations lapse at year-end.
7. Formal budgetary integration is employed as a management control device during the year in all fund types. Estimated beginning fund balances are considered in the budgetary process, but are not included in the financial statements as budgeted revenue.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

(c) Budgets and Budgetary Accounting (continued)

Budgets are adopted on a basis consistent with accounting principles generally accepted in the United States for all Governmental Fund Types. Capital project costs are budgeted in the year they are anticipated to be obligated. In subsequent years, the unused budget is reappropriated until the project is completed. Proprietary Funds are budgeted on a basis consistent with accounting principles generally accepted in the United States, except that capital and debt related transactions are based on cash receipts and disbursements. Estimated beginning fund balances are considered in the budgetary process, but are not included in the basic financial statements as budgeted revenue. Differences between estimated beginning fund balances and actual fund balances, if material, are submitted to the Board as budget amendments.

The annual budgets serve as the legal authorization for expenditures. In accordance with Florida law, expenditures cannot legally exceed the total amount budgeted for each fund. All Board budget amendments, which change the legally adopted total appropriation for a fund, are required to be approved by the Board. Budgets are legally adopted by resolution at the fund level.

Minor supplemental appropriations were necessary during the year and were affected with Board approved budget amendments. If, during the fiscal year, additional revenues become available for appropriations in excess of those estimated in the budget, the Board may make supplemental appropriations for the year up to the amount of such excess.

(d) Bond Issuance Costs and Bond Discount

Bond discount or premium in the government-wide financial statements and the Proprietary Funds are amortized over the life of the bonds using the straight line method, which approximates the interest method. Revenue Bonds payable in the government-wide financial statements and the Proprietary Funds financial statements are shown net of unamortized bond discount or premium. Debt issuance costs, excluding any portion related to prepaid insurance, are expensed in the period incurred.

(e) Encumbrances

Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of monies are recorded as a reservation of fund balance, is employed as an extension of the statutorily required budgetary process under Florida Statutes. Appropriations, even if encumbered, lapse at fiscal year-end. It is the County's intention to substantially honor these lapsed appropriations under authority provided in the subsequent year's budget.

(f) Cash and Investments

The County, for accounting and investment purposes, maintains a cash and investment pool that is available for use by all funds, except those whose cash and investments must be segregated due to legal restrictions.

Interest earned on investments is allocated to the various funds, based upon each funds' equity balance in pooled cash and investments during the allocation period. The County considers highly liquid investments, (including restricted assets) with an original maturity of three months or less when purchased, to be cash equivalents. Gross amounts for purchase and/or sale of investments cannot be segregated by fund.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

(g) Accounts Receivable

The accounts receivable of the County are recorded net of allowance for doubtful accounts of \$17,694,813.

(h) Inventory

Inventory in the Transportation Trust, Greater Charlotte Street Light, Vehicle Maintenance, and Charlotte County Utility System funds are valued at cost (average cost method). The inventory reported in the Special Revenue Funds, Internal Service Funds, and Proprietary Funds consist of materials and supplies. The County uses the consumption method of accounting for inventory. No reserve has been established within the fund balances of the Governmental Fund types.

(i) Land Held for Resale

Land held for resale consists of Murdock Village land, which was purchased over a period of years and is presented on the government-wide financial statements at a net realizable value of \$20,155,569, based upon an independent appraisal provided in September 30, 2022. At the end of fiscal year ended 2020, Lost Lagoon, LLP purchased 101 acres in Murdock Village for the price of \$3,756,000. Other minor private sales were completed during the year which resulted in miscellaneous revenues. A contracted sale for an additional 52 acres is to be purchased by Lost Lagoon, LLP at a later date for \$2,923,625. The contracted sale and independent appraisal are level 2 and 3, respectively, under fair value measurements described on page 56.

(j) Capital Assets

Capital assets include land, buildings and improvements, equipment, intangible assets, construction in progress, and infrastructure assets. Intangible assets consist of software, easements, the water supply agreement with the Peace River/Manasota Key Regional Water Supply, obtained through the transfer of water treatment and distribution system and other items purchased in 1991 from General Development Utilities and the hydraulic capacity of the water transmission pipeline across the Peace River, completed in 2013. Infrastructure assets are defined as public domain capital assets such as roads, bridges, curbs and gutters, streets and sidewalks, drainage systems, lighting systems, and similar assets that are immovable and of value only to the governmental unit. Capital assets are reported in the financial statements in the applicable governmental or business-type activities column, as well as the proprietary fund financial statements. The Board has a threshold for capitalizing capital assets of \$5,000, except as it relates to capitalizing infrastructure, for which the threshold is \$100,000. The Sheriff maintains a lower threshold for capitalizing capital assets of \$1,000. Constructed or purchased assets are recorded at historical cost or estimated historical cost. Donated assets are recorded at the estimated acquisition value on the date of donation. Depreciation is calculated using the straight-line method over the estimated useful lives of the related assets.

CHARLOTTE COUNTY, FLORIDA
 NOTES TO THE FINANCIAL STATEMENTS
 September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

(j) Capital Assets (continued)

The ranges of the useful lives are as follows:

Assets	<u>Years</u>
Buildings	20-40
Infrastructure	20-40
Equipment	5-25
Improvements other than Building	10-45
Intangible Assets	10-35

(k) Right to Use Assets

The County has recorded right to use lease assets as a result of implementing GASB 87. The right to use assets are initially measured at an amount equal to the initial measurement of the related lease liability plus any lease payments made prior to the lease term, less lease incentives, and plus ancillary charges necessary to place the lease into service. The right to use assets are amortized on a straight-line basis over the life of the related lease.

(l) Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position includes a separate section for deferred outflows of resources. This represents a consumption of net assets that applies to a future period and so will not be recognized as an expense/expenditure until then. The deferred outflows presented on the Statement of Net Position include deferred charges on refunding, OPEB (Other Post-Employment Benefits) liability, and pension liability.

Deferred inflows of resources represent an acquisition of net assets by the government that is applicable to a future reporting period. At the governmental fund level this consists of revenues not recognized due to availability criteria under the modified accrual basis. At the Statement of Net Position level, deferred inflows are related to OPEB liability and pension liability.

(m) Compensated Absences

The County's employees accumulate sick and vacation leave based on the number of years of service. Upon termination of employment, employees can receive payment for accumulated leave, if they meet certain criteria.

In Proprietary Funds, accumulated leave is accrued when earned. The amount of accumulated sick and vacation leave, attributable to Governmental Fund Types, would not normally be liquidated with expendable available resources and are, therefore, only recorded in the government-wide Statement of Net Position and are reported in governmental funds only if they have matured.

The compensated absences liability for accrued vacation leave is measured using the salary rate in effect at the balance sheet date and includes amounts related to benefits associated with accrued paid leave. The liability related to sick leave balances for the Board of County Commissioners is measured using frozen salary rates at such dates set by the Board and ratified by the Union. All constitutional officers use current rates in effect at the balance sheet date for sick leave.

NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

(n) Net Position/Fund Balance Classification

Governmental funds report fund balances as either nonspendable or spendable. Spendable fund balances are further classified as restricted, committed, assigned or unassigned, based on the extent to which there are external or internal constraints on the spending of these fund balances.

Nonspendable fund balances include amounts that cannot be spent because they are not in spendable form or legally or contractually required to be maintained intact. The County considers inventories and prepaid items as part of this category.

Spendable Fund Balances:

Restricted Fund Balance: Amounts that are restricted to specific purposes, and are restricted through enabling legislation and are legally enforceable. The legislation that creates the revenue stream must also stipulate the purposes for which that revenue can be used.

Committed Fund Balance: Amounts that are committed for specific purposes by formal action of the government's highest level of decision making authority which, dependent on the nature of the matter, may be in the form of county ordinance, resolution, or agreement, which are equally binding. These amounts are not subject to legal enforceability as are restricted; however, those amounts cannot be used for any other purpose unless the government removes or changes the limitation by taking the same form of action it employed to previously impose the limitation.

Assigned Fund Balance: Amounts that are intended by the government to be used for specific purposes but are neither restricted nor committed. Intent should be expressed by (a) the governing body itself, or (b) a subordinate high-level body or official possessing the authority to assign amounts to be used for specific purposes. Pursuant to Resolution 2011-239, the Board of County Commissioners, the County Budget Director and the County Finance Officer have the authority to assign fund balance.

Unassigned Fund Balance: Is the residual classification for the general fund. This classification represents fund balance that has not been assigned to other funds and that has not been restricted, limited, or assigned to specific purposes within the general fund. Any negative fund balances in other governmental funds would also be classified as unassigned.

In determining the classification of total spendable fund balance remaining at the end of the fiscal year when an expenditure is incurred for purposes for which both restricted and unrestricted amounts are available, expenditures will be applied first to restricted fund balance and then to unrestricted fund balance.

Within unrestricted fund balance, the order in which the expenditures will be applied when an expenditure is incurred for purposes for which amounts in any of those unrestricted fund balance classifications can be used is as follows: Committed, Assigned, Unassigned.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

(n) Net Position/Fund Balance Classification (continued)

Government-wide statements and proprietary fund statements utilize an economic resources measurement focus and categorize net position among the following components:

Net Investment in Capital Assets - indicates that portion of net position which represents the County's equity in capital assets, less the amount of related debt.

Restricted Net Position - indicates that portion of net position which is segregated due to external restrictions imposed by creditors, grantors, contributors, or laws or regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation.

Unrestricted Net Position - indicates that portion of net position which is available for general operations.

(o) Capital Contribution

Capital assets contributed by developers, special assessments for capital projects, and capital related grant revenues are reported as capital contribution revenues in the proprietary fund statement of revenues, expenses and changes in fund net position and in the government-wide statement of activities.

(p) Interfund Transactions

The following is a description of the basic types of interfund transactions made during the year and the related accounting policy:

- Transfers of financial resources between funds are recognized in the funds affected in the period in which the interfund receivables and payables arise.
- The County considers interfund receivables (due from other funds) and interfund liabilities (due to other funds) to be loan transactions to and from other funds to cover temporary cash needs. Accordingly, the related receipts and payments meet the criteria for reporting at a net amount for purposes of cash flow presentations under GASB Statement No. 9, *Reporting Cash Flows of Propriety and Non-Expendable Trust Funds and Governmental Entities that use Proprietary Accounting*.
- During the course of normal operations, the County had monetary transfers between funds to provide operating funds. These transactions are generally reflected as transfers.
- Transactions which constitute reimbursements of a fund for expenditures initially made from it are accounted for as an expenditure in the reimbursing fund and as a reduction of the expenditure in the fund that is reimbursed.

(q) Unamortized Gains or Losses from Debt Refundings

Gains or losses on debt refunding are shown as a deferred inflow/outflow and amortized over the life of the old debt or new debt, whichever is shorter. Amortization is charged to interest expense.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 1 Organization and Summary of Significant Accounting Policies (continued)

Basic Financial Statements (continued)

(r) Use of Estimate

The preparation of financial statements in conformity with accounting principles generally accepted in the United States, as applicable to governmental units, requires management to make use of estimates that affect the reported amounts in the combined financial statements. Actual results could differ from estimates.

Note 2 Reconciliation of Government-Wide and Fund Financial Statements

Explanations of certain differences between the governmental fund balance sheet and the government-wide statement of net position are as follows:

The governmental fund balance sheet includes a reconciliation between fund balance – total governmental funds and net position – governmental activities as reported in the government-wide statement of net position. One element of that reconciliation explains that “certain liabilities are not due and payable in the current period and, therefore, are not reported in the funds.”

The following is a detail of certain liabilities not due and payable in the current period, as well as deferred outflows of resources and deferred inflows of resources, which are not reported in the funds on the Reconciliation of the Balance Sheet of Governmental Funds to the Statement of Net Position. Amounts shown in this line item are exclusive of internal service fund amounts for each category:

Compensated Absences	\$ 21,996,328
Loans/Promissory Note Payable	49,038,000
Special Assessment Loans Payable	20,121,000
Revenue Bonds Payable	12,120,000
General Obligation Debt	15,155,000
Lease Liability	573,985
Total OPEB Liability	42,728,773
Net Pension Liability	188,944,780
Accrued Interest Payable	14,397
Arbitrage Rebate	21,601
Unamortized Premium	1,625,708
Unamortized Deferred Outflow - Loss on Refunding	(784,566)
Unamortized Deferred Outflow - Pension and OPEB Related	(59,584,879)
Unamortized Deferred Inflow - Pension and OPEB Related	<u>26,092,835</u>
Net adjustment to reduce Fund Balance-Total Governmental Funds to arrive at Net Position-Governmental Activities	<u><u>\$ 318,062,962</u></u>

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 3 Property Taxes

All real and tangible personal property taxes are due and payable on November 1 of each year, or as soon thereafter as the tax roll is certified by the County Property Appraiser, and become delinquent on April 1 of the following year. The Tax Collector mails, to each property owner on the tax roll, a notice of taxes levied by the various governmental entities in the County. Discounts are allowed for payment of property taxes before March 1.

Procedures for collecting delinquent taxes, including applicable tax certificate sales, tax deed sales, and tangible personal property seizure sales, are provided by the laws of Florida. The enforceable lien date is approximately two years after taxes become delinquent and occurs only upon request of a holder of a delinquent tax certificate. Property taxes receivable at September 30, 2022, were immaterial and collections were doubtful. Therefore, none are recorded. Key dates in the property tax cycle (latest date, where appropriate) are as follows:

- | | |
|-------------------------|---|
| July 1 | . Assessment roll certified unless extension granted by Department of Revenue. |
| Prior to October 1 | . Millage resolution approved and taxes levied following certification of assessment roll. |
| October 1 | . Beginning of fiscal year which taxes have been levied. |
| November 1 | . Taxes due and payable or as soon thereafter as the Tax Collector receives tax roll. (Levy date) |
| 30 days after levy date | . Property taxes become due and payable (maximum discount 4 percent). |
| March 31 | . Due Date. |
| April 1 | . Taxes become delinquent. (Lien date) |
| June 1 | . Tax sale for delinquent property taxes |

Note 4 Cash and Investments

Deposits

General

All County depositories are banks or savings institutions designated by the State Treasurer as qualified public depositories. Chapter 280 of the Florida Statutes (Florida Security for Public Deposits Act) provides procedures for public deposits to insure deposits in banks and savings and loans are collateralized as public funds.

Financial institutions qualifying as public depositories shall deposit with the Treasurer eligible collateral having a fair value equal to or in excess of the average daily balance times the depository collateral – pledging the level required pursuant to Chapter 280 as computed and reported monthly or 25 percent of the average monthly balance, whichever is greater. The Public Deposit Security Trust Fund has a procedure to allocate and recover losses in the event of a default or insolvency. When public deposits are made in accordance with Chapter 280, no public depositor shall be liable for any loss thereof. Chapter 280 defines deposits as time deposit accounts, demand deposit accounts, and certificates of deposit. The bank balance of deposits insured by Federal Depository Insurance or pursuant to Chapter 280 of the Florida Statutes was \$355,799,928 as of September 30, 2022.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 4 Cash and Investments (continued)

Investments

The County is authorized to invest in the following:

- (1) The Local Government Surplus Funds Trust Fund, the State Investment Pool administered by the State Board of Administration.
- (2) The Florida Local Government Investment Trust, administered by the Florida Association of Court Clerks and Comptrollers and the Florida Association of Counties.
- (3) Negotiable direct obligations of, or obligations of which the principal and interest are unconditionally guaranteed by, the United States Government.
- (4) The Florida Fixed Income Trust administered by WaterWalker Investments.
- (5) Bonds, debentures, notes or other evidence of indebtedness issued or guaranteed by United States Government agencies, provided such obligations are backed by the full faith and credit of the United States Government.
- (6) Bonds, debentures, notes or other evidence of indebtedness, including collateralized mortgage obligations and structured notes, issued or guaranteed by United States Government agencies (Federal Instrumentalities) which are not full-faith and credit agencies.
- (7) Non-negotiable interest-bearing time certificates of deposit, money market accounts or savings accounts in banks/savings and loan associations organized under the laws of the United States, doing business and situated in the State, provided that any such deposits are secured by the Florida Security for Public Deposits Act, Chapter 280, Florida Statutes.
- (8) Repurchase agreements (for purchase and subsequent sale) for any of the investments authorized in numbers 3 and 5 above.
- (9) State and/or local government taxable and tax-exempt debt, General Obligation and/or Revenue Bonds rated at least "Aa" by Moody's and "AA" by Standard & Poor's for long-term debt, or rated at least MIG-2 by Moody's and SP2 by Standard & Poor's for short-term debt.
- (10) Mutual funds comprised of only those investment instruments as authorized in numbers 3, 5, and 8 above.

The County's investments at September 30, 2022 consisted of the following:

The County invests funds throughout the year with the Local Government Surplus Funds Trust Fund (SBA), under the regulatory oversight of the State of Florida. Investments in the SBA consisted of the Florida PRIME at September 30, 2022.

The Florida PRIME has met the criteria as a qualifying pool and was assigned a rating of "AAAm" by the Standard and Poor's Rating Service. As of September 30, 2022, the County had a balance of \$276,064,731 in the Florida PRIME. The County's position in the pool is valued the same as the pool shares based on amortized cost, which approximates fair value, and is treated as cash in financial statement presentation. The Florida PRIME has no limitations or restrictions on withdrawals; however, the Executive Director, in the event of a material event, may limit withdrawals from the fund for 48 hours with the option for the trustees of the fund to extend up to an additional 15 days.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 4 Cash and Investments (continued)

Investments (continued)

The County's investment pools also include investments in the Florida Local Government Investment Trust (FLGIT), a public entity investment trust organized under the laws of the State of Florida. At September 30, 2022, the FLGIT portfolio included certain corporate securities. These securities amounted to 35.78% of the FLGIT portfolio. The corporate securities are rated by Standards and Poor's as "A-" or higher and the mortgage-backed securities are rated "AA+" or higher. FLGIT reports all share information at Net Asset Value (NAV), which reflects fair value accounting. The fair value of the cash position of the County in this external investment pool is the same as the value of the pool shares held by the County. There are no restrictions or terms and conditions on the County in redeeming the investment. Shares are marked to market on a daily basis. There is no regulatory oversight of the external investment pool. The County has no unfunded commitments that are related to this investment. The pool has a current Standard & Poor's rating of "AAA" and a volatility rating of "S1". Standard & Poor's monitors the fund on a monthly basis.

The County's investment pool includes investment in the Florida Fixed Income Trust (FIT), formed through indenture of trust pursuant to Florida Statutes, Sections 163.01 and 218.415. At September 30, 2022, the Florida FIT portfolio included certain corporate securities. These securities amount to 33.79% of the portfolio. The Florida FIT reports all share information at Net Asset Value (NAV), which reflects fair value accounting. The fair value of the position the County has in this external investment pool is the same value of pool shares held by the County. There are no restrictions or terms and conditions on the County redeeming the investments. There is no regulatory oversight of the external investment pool. The County has no unfunded commitments that are related to this investment. The pool has a current Fitch rating of "AAA" and a volatility rating of "S1". Fitch monitors the fund on a monthly basis.

The County's investment policy limits the credit risk of its investments by limiting authorized investments, thus reducing the risk of potential default of investments that are not sound. The County's investments at September 30, 2022 have a Standards and Poor's rating of "AAA" for the direct obligations of the United States Government and each of its agencies and instrumentalities.

In investing public funds, the County strives to maximize return on the portfolio as a whole but will minimize investment risk. The County's formal investment policy provides basic criteria for consideration of length of investments during various periods of interest rate variability, and limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. Currently the County investments have a maximum maturity of four years.

The investments held by the County, including Fiduciary Funds, are measured and recorded using fair value measurement guidelines established by generally accepted accounting principles. These guidelines recognize a three-tiered fair value hierarchy, as follows:

Level 1: Investments reflect unadjusted quoted prices in active markets for identical assets.

Level 2: Investments reflect prices that are based on inputs that are either directly or indirectly observable for an asset (including quoted prices for similar assets), which may include inputs in markets that are not considered to be active. All level 2 prices are provided by an independent third party.

Level 3: Investments reflect prices based upon unobservable inputs for an asset.

 Total All Funds	 \$ 42,409,377	 \$ 17,694,813	 \$ 24,714,564

The Utility System (customers) line item includes \$2,938,945 of special assessment receivables, of which \$381,150 is delinquent.

In the event the County's anticipated pledged revenues are insufficient to cover the County's special assessment debt, the County is obligated to appropriate other legally available non-ad valorem funds.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 6 Lease Receivable

Effective as of October 1, 2021, the financial statements include the adoption of GASB Statement No. 87, Leases. The primary objective of this statement is to enhance the relevance and consistency of information about governments' leasing activities. This statement establishes a single model for lease accounting based on the principle that leases are financing of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and deferred inflow of resources. For additional information, refer to the disclosures below.

Effective as of October 1, 2021, Charlotte County entered into a 66 month lease as a Lessor for the use of the Edgewater T-Mobile Tower. An initial lease receivable was recorded in the amount of \$316,713. As of 9/30/2022, the value of the lease receivable is \$264,291. The lessee is required to make monthly fixed payments of \$4,329. The lease has an interest rate of 0.2130%. The value of the deferred inflow of resources as of 9/30/2022 was \$259,129, and Charlotte County recognized lease revenue of \$57,584 during the fiscal year.

Effective as of October 1, 2021, Charlotte County entered into a 47 month lease as Lessor for the use of the El Jobean Sprint Tower. An initial lease receivable was recorded in the amount of \$185,404. As of 9/30/2022, the value of the lease receivable is \$141,014. The lessee is required to make monthly fixed payments of \$3,746. The lease has an interest rate of 0.4750% The value of the deferred inflow of resources as of 9/30/2022 was \$138,067, and Charlotte County recognized lease revenue of \$47,337 during the fiscal year.

Effective as of October 1, 2021, Charlotte County entered into a 47 month lease as Lessor for the use of the Edgewater Sprint Tower. An initial lease receivable was recorded in the amount of \$185,404. As of 9/30/2022, the value of the lease receivable is \$141,014. The lessee is required to make monthly fixed payments of \$3,746. The lease has an interest rate of 0.4750% The value of the deferred inflow of resources as of 9/30/2022 was \$138,067, and Charlotte County recognized lease revenue of \$47,337 during the fiscal year.

Effective as of October 1, 2021, Charlotte County entered into a 42 month lease as Lessor for the use of the Gulfstream Sunshine Tower. An initial lease receivable was recorded in the amount of \$59,269. As of 9/30/2022, the value of the lease receivable is \$43,427. The lessee is required to make monthly fixed payments of \$1,322. The lease has an interest rate of 0.4750% The value of the deferred inflow of resources as of 9/30/2022 was \$42,481, and Charlotte County recognized lease revenue of \$16,787 during the fiscal year.

Effective as of October 1, 2021, Charlotte County entered into a 41 month lease as Lessor for the use of East Port Utilities Environmental Suites. An initial lease receivable was recorded in the amount of \$17,457. As of 9/30/2022, the value of the lease receivable is \$12,365. The lessee is required to make monthly fixed payments of \$428. The lease has an interest rate of 0.3280% The value of the deferred inflow of resources as of 9/30/2022 was \$12,348, and Charlotte County recognized lease revenue of \$5,110 during the fiscal year.

Lease Liabilities	-	15,477	7,730	7,747	7,760
Total	<u>143,470,107</u>	<u>19,887,492</u>	<u>19,771,776</u>	<u>143,585,823</u>	<u>19,026,875</u>
Long-Term Debt	<u>\$404,952,007</u>	<u>\$165,158,537</u>	<u>\$ 64,167,921</u>	<u>\$505,942,623</u>	<u>\$ 56,654,611</u>

Long-term debt liabilities for internal service funds are included as part of the total for government activities, because they predominantly serve the government funds. At year-end, accrued compensated absences of \$440,451, pension liability of \$1,102,540, and OPEB liability of \$93,247 for the internal service funds are included in the above amounts. For governmental activities, compensated absences, claims and judgments, pension liabilities, and postemployment benefit liabilities are generally liquidated by the General Fund. Other postemployment benefits are funded on a pay-as-you-go basis from the County's General Fund when due.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 10 Long-Term Obligations (continued)

Long-term debt payable at September 30, 2022 is comprised of the following issues:

Revenue Bonds Payable general offerings, Business-type Activities

\$23,955,000 Series 2016 Utility System Refunding Revenue Bonds, issued by Banc of America Preferred Funding Corporation to refund the Series 2006 Utility Revenue Bonds, and to advance refund a portion of the Series 2011 utility refunding revenue bonds, as described above. The 2016 bond matures in 2024, with interest at 1.71% secured by a pledge of 100% of the net revenues of the System operations and connection fees. The total pledged revenue at 9/30/22, which equals remaining principal and interest, is \$8,337,902.

\$ 8,105,000

In the event of default, the Holder may charge a default interest rate equal to the lesser of 12% per annum or the maximum rate permitted by law.

Total Revenue Bonds Payable from general offerings

\$ 8,105,000

\$23,455,000 Series 2008 Utility Refunding Revenue Bonds, issued to refund the Series 1996B (South Gulf Cove Water Expansion Phase 1) and 1998 Utility Bonds, (the 1998 bonds refunded the 1996A bonds that were issued for reserve account insurance), maturing serially through 2023, interest at 3.94%, secured by a pledge of 100% of the net revenues of the System operations and connection fees. The total pledged revenue at 9/30/22, which equals remaining principal and interest, is \$20,387,311.

In the event of default, the bonds shall bear interest rate equal to the less of 12% per annum or the maximum rate permitted by law.

\$ 20,040,000

\$15,935,000 Series 2021, Taxable Utility System Refunding Revenue Bond, issued to refund the Series 2011 Utility Refunding Revenue Bonds (\$64,900,000 issued to refund prior purchases - see note on prior page). The 2021 bonds mature in 2024, with interest at .68%, secured by a pledge of 100% of net revenues of the system operations and connection fees. The advance refunding resulted in a reduction of future debt service payments by approximately \$1.5 million and an economic loss of \$.4 million. The total pledged revenue at 9/30/22, which equals remaining principal and interest, is \$15,942,116.

In the event of default, the bonds shall bear interest equal to the greatest of i) the holder's prime rate plus 4%, ii) the Federal Funds Rate plus 5%, or iii) 10%.

15,790,000

Total Revenue Bonds from direct placements

35,830,000

Total Revenue Bonds from general offerings

8,105,000

Total Revenue Bonds Payable for Business-type Activities

\$ 43,935,000

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 10 Long-Term Obligations (continued)

Restrictive Covenants

Utility System revenue bonds are payable solely from and collateralized by a first lien upon and pledge of the net revenues and certain other fees and charges derived from the operation of the utility system. The pledge of the net revenues derived from the County from these operations does not constitute a lien upon the utility systems or any other property of the County.

The County has established and funded the Closure Reserve Account to ensure the availability of financial resources for the proper closure of the landfill in accordance with Section 403.7125 of the Florida Statutes.

The County has established the Utility System Sinking Fund and Reserve Accounts in accordance with the resolution authorizing the issuance of the utility system revenue bonds. Monies deposited in the sinking fund and reserve accounts are pledged solely for the payment of the principal and interest on the bonds.

The County has established a Renewal and Replacement Fund in accordance with the resolution authorizing the issuance of the utility system revenue bonds. The money deposited in this fund shall only be used for the purpose of paying the cost of major extensions, improvements or extraordinary repairs to the utility system or water facilities.

The Board has pledged Communications Services Taxes (CST) with respect to the Series 2007 Charlotte County Capital Improvement Revenue Bonds, requiring compliance with the flows of funds and establishment of debt service funds and restricted revenue accounts under the Bond Resolution.

The covenants of the various loan agreements, authorizing the various Florida Local Government Finance Commissions loans outstanding, include appropriation in the annual budget amounts of non-ad valorem revenues or other legally available funds sufficient to satisfy the loan repayments.

In the opinion of management, the County is compliant with all debt covenants as of September 30, 2022.

Note 11 Conduit Debt Obligations

In accordance with GASB Interpretation No. 2, Disclosure of Conduit Debt Obligations, an interpretation of NCGA Statement 1, the County discloses certain conduit debt obligations. Conduit debt obligations occur when the governmental entity issues debt bearing its name to lower the cost of borrowing for specific governmental or nongovernmental third parties without being liable for repayment of the debt or interest thereon. The County has conduit debt obligations related to bonds issued in the name of the Charlotte County Industrial Development Authority, a discretely presented component unit who is the party responsible for the repayment of this debt. The County has conduit debt as follows:

Charlotte County Industrial Development Authority - \$87,915,000 Charlotte County Industrial Development Authority Town and Country Utilities Project, Series 2021 Bonds. The principal purpose of this bond is to provide funding for infrastructure of utilities services in the Babcock Ranch development, an approximately 17,787 acre mixed-use, master-planned project located in Charlotte and Lee counties. The outstanding principal balance at September 30, 2022 is \$87,915,000

Charlotte County Industrial Development Authority - \$40,800,000 Charlotte County Industrial Development Authority Town and Country Utilities Project, Series 2019 Bonds. The principal purpose of this bond is to provide funding for infrastructure of utilities services in the Babcock Ranch development, an approximately 17,787 acre mixed-use, master-planned project located in Charlotte and Lee counties. The outstanding principal balance at September 30, 2022 is \$40,800,000.

Note 11 Conduit Debt Obligations (continued)

Charlotte County Industrial Development Authority - \$10,000,000 Charlotte County Industrial Development Authority Town and Country Utilities Project, Series 2015 Bonds. The principal purpose of this bond is to provide funding for infrastructure of utilities servicing the Babcock Ranch development, an approximately 17,787 acre mixed-use master-planned project located in Charlotte and Lee Counties. The outstanding principal balance at September 30, 2022 is \$9,595,000.

Note 12 Defeased Debt

On July 6, 2016 the County issued \$23,955,000 in Utility System Refunding Revenue Bonds, Series 2016, representing a current refunding of the Series 2006 Refunding Bonds and an advance refunding of a portion of the Series 2011 Utility System Refunding Revenue Bonds, plus accrued interest.

These bonds were redeemed through a private placement issue with Banc of America Preferred Funding Corporation. The Series 2016 note will bear interest at a fixed rate of 1.71% per annum.

The amount defeased was as follows:

Series 2011 \$2,060,000 maturing 10/01/2023, callable on 10/01/2021.

Series 2011 \$5,580,000 maturing 10/01/2024, callable on 10/01/2021.

On March 8, 2021 the County issued \$15,935,000 in Taxable Utility System Refunding Revenue Bonds, Series 2021 representing an advance refunding of the Series 2011 Utility System Refunding Revenue Bonds, plus accrued interest. These bonds were redeemed through a private placement issue with Wells Fargo Bank. The Series 2021 note bears interest at a fixed rate of 0.68% per annum.

The amount defeased was as follows:

Series 2011 \$15,415,000, maturing 10/1/2024, callable on 10/01/2021

Note 13 Lease Liabilities

Effective October 1, 2021, the financial statements include the adoption of GASB statement No. 87, Leases. The primary objective of this statement is to enhance the relevance and consistency of information about governments' leasing activities. This statement establishes a single model for lease accounting based on the principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right to use asset. For additional information, refer to the disclosures below.

Effective October 1, 2021, Charlotte County entered into a 15 month lease as Lessee for the use of a parcel of land for Charlotte County Sheriff's Airport office. An initial lease liability was recorded in the amount of \$58,030. Charlotte County is required to make annual variable principal and interest payments of \$58,071 based on the CPI index. The lease has an interest rate of 0.2130%. The value of the right to use asset as of 9/30/2022 of \$58,030 with accumulated amortization of \$45,218 is included in the Governmental Activities right to use asset found in Note 9.

Effective October 1, 2021, Charlotte County entered into a 36 month lease as Lessee for the use of Babcock Ranch Trailer Site. An initial lease liability was recorded in the amount of \$3,288. As of 9/30/2022, the value of the lease liability is \$2,090. Charlotte County is required to make annual fixed payments of \$1,200. The lease has an interest rate of 0.3280%. The value of the right to use asset as of 9/30/2022 of \$3,288 with accumulated amortization of \$1,096 is included in the Governmental Activities right to use asset found in Note 9.

Effective October 1, 2021, Charlotte County entered into a 21 month lease as Lessee for the use of a parcel of land to install communication equipment. An initial lease liability was recorded in the amount of \$73,006. As of 9/30/2022, the value of the lease liability is \$31,717. Charlotte County is required to make monthly fixed payments of \$3,425.

CHARLOTTE COUNTY, FLORIDA

As of 9/30/2022, the value of the lease liability is \$1,847. Charlotte County is required to make monthly fixed payments of \$462. The lease has an interest rate of 0.2130%. The value of the right to use asset as of 9/30/2022 of \$7,382 with accumulated amortization of \$5,379 is included in the Governmental Activities right to use asset found in Note 9.

Effective October 1, 2021, Charlotte County entered into two 13 month leases as Lessee for the use of JM Todd Copier-15282 and 15283. An initial lease liability was recorded in the amount of \$10,985. As of 9/30/2022, the value of the lease liability is \$846. Charlotte County is required to make monthly fixed payments of \$846. The lease has an interest rate of 0.2130%. The value of the right to use asset as of 9/30/2022 of \$10,985 with accumulated amortization of \$9,716 is included in the Governmental Activities right to use asset table found in Note 9.

Effective October 1, 2021, Charlotte County entered into a 24 month lease as Lessee for the use of JM Todd Copier-15623. An initial lease liability was recorded in the amount of \$15,477. As of 9/30/2022, the value of the lease liability is \$7,746. Charlotte County is required to make monthly fixed payments of \$646. The lease has an interest rate of 0.2480%. The value of the right to use asset as of 9/30/2022 of \$15,477 with accumulated amortization of \$7,717 is included in the Business-Type Activities right to use asset found in Note 9

Note 14 Tax Abatements

Charlotte County is authorized, pursuant to Section 196.1995 Florida Statutes, to grant economic development ad valorem tax exemptions after approval via referendum. In 2010, Charlotte County electorate voted to authorize an ad valorem tax exemption incentive.

On April 12, 2016, Charlotte County approved Ordinance No. 2016-18, which approved an ad valorem tax exemption for Cheney Brothers, Inc. (Cheney), a food service distribution company, as an inducement to establish and operate a distribution center and create new jobs in Charlotte County.

Terms of the agreement provided for Cheney to begin construction within thirty months from the date of conveyance

CHARLOTTE COUNTY, FLORIDA

Note 14 Tax Abatements (continued)

and achieve substantial completion within forty-eight (48) months in accordance with all applicable building specifications. In return, Cheney is to receive a 100% ad valorem tax exemption over a ten year term.

Cheney opened in Charlotte County during fiscal year 2016 and employs approximately 600 workers, with long-term plans for up to 900 workers.

For fiscal year ended September 30, 2022, Charlotte County's ad valorem taxes were reduced by \$285,620 under this agreement.

On July 25, 2018, Charlotte County approved Ordinance No. 2018-029, which approved an ad valorem tax exemption to Amigo Pallets PG, Inc, a manufacturer and refurbisher of wooden pallets, as an inducement to establish a manufacturing facility and create new jobs in Charlotte County.

Terms of the agreement provided for Amigo Pallets to construct and operate a manufacturing facility in Charlotte County, along with the creation of up to 12 new full-time jobs.

For fiscal year ended September 30, 2022 Charlotte County's ad valorem taxes were reduced by \$8,205 under this agreement.

Note 15 Deficit Fund Balances of Individual Funds

The following non-major governmental funds had deficit fund balances at September 30, 2022:

Parkside Community Redevelopment - The current deficit fund balance of \$5,056,048 in this special revenue fund is the result of expenditures incurred prior to receipt of revenues anticipated.

Drug Abuse Trust Fund - The deficit fund balance of \$8,860 in this special revenue fund is attributed to budgeted revenues not realized in the current year.

Note 16 Non Current Receivables - Net

Special assessments receivable balance is \$33,753,813. Of this, \$30,814,868 represents the long-term portion of assessments receivable for various water and sewer construction projects. Initial assessments are based upon engineering cost estimates and charged to the various benefiting units after a public hearing to set the assessment rates. Currently there are 10 separate water and/or sewer assessments. Typically the construction cost is funded by state revolving fund loans and the usual repayment period is 15-20 years. During construction and up until completion of the project, these costs and assessments may be changed, some requiring further public hearings if over a set maximum amount.

Note 17 Restricted Net Position

The government-wide Statement of Net Position reports \$309,408,271 of restricted net position, which is restricted by debt service, contractual obligations and enabling legislation related as to the use of funds established by Florida Statutes.

General Information about the FRS (continued)

defined benefit plan and amended in 2000 to provide a defined contribution plan alternative to the defined benefit plan for FRS members effective July 1, 2002. This integrated defined contribution pension plan is the FRS Investment Plan. Chapter 112, Florida Statutes, established the Retiree Health Insurance Subsidy (HIS) Program, a cost-sharing multiple-employer defined benefit pension plan, to assist retired members of any State-administered retirement system in paying the costs of health insurance.

Essentially all regular employees of the County are eligible to enroll as members of the State-administered FRS. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. Such provisions may be amended at any time by further action from the Florida Legislature. The FRS is a single retirement system administered by the Florida Department of Management Services, Division of Retirement, and consists of the two cost-sharing, multiple-employer defined benefit plans and other nonintegrated programs. A annual comprehensive financial report of the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services' Web site (www.dms.myflorida.com).

FRS Pension Plan

Plan Description. The FRS Pension Plan (Plan) is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program (DROP) for eligible employees. The general classes of membership are as follows:

- Regular Class - Members of the FRS who do not qualify for membership in the other classes.
- Elected County Officers Class - Members who hold specified elective offices in local government.
- Senior Management Service Class (SMSC) - Members in senior management level positions.
- Special Risk Class - Members who are employed as law enforcement officers and meet the criteria to qualify for this class.

Employees enrolled in the Plan prior to July 1, 2011, vest at 6 years of creditable service and employees enrolled in the Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the Plan may include up to 4 years of credit for military service toward creditable service. The Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments to eligible participants.

DROP, subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Note 18 Retirement Plans (continued)

Florida Retirement System (FRS) - Defined Benefit Pension Plans (continued)

FRS Pension Plan (continued)

Benefits Provided. Benefits under the Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five (5) highest fiscal years' earnings. For members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight (8) highest fiscal year's earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors' benefits. The following chart shows the percentage value for each year of service credit earned.

<u>Class, Initial Enrollment, and Retirement Age/Years of Service</u>	<u>% Value</u>
<i>Regular Class members initially enrolled before July 1, 2011</i>	
Retirement up to age 62 or up to 30 years of service	1.60
Retirement at age 63 or with 31 years of service	1.63
Retirement at age 64 or with 32 years of service	1.65
Retirement at age 65 or with 33 or more years of service	1.68
<i>Regular Class members initially enrolled on or after July 1, 2011</i>	
Retirement up to age 65 or up to 33 years of service	1.60
Retirement at age 66 or with 34 years of service	1.63
Retirement at age 67 or with 35 years of service	1.65
Retirement at age 68 or with 36 or more years of service	1.68
<i>Elected County Officers</i>	3.00
<i>Senior Management Service Class</i>	2.00
<i>Special Risk Regular</i>	
Service from December 1, 1970, through September 30, 1974	2.00
Service on and after October 1, 1974	3.00

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is 3 percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of 3 percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by 3 percent. Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement contributions. The Florida Legislature establishes contribution rates for participating employers and employees. Contribution rates during the 2021-22 fiscal year were as follows:

<u>Class</u>	<u>10/1/2021 - 6/30/2022</u>		<u>7/1/2022 - 9/30/22</u>	
	<u>Percent of Gross Salary</u>		<u>Percent of Gross Salary</u>

Notes:

(11) Employer rates include 1.66 percent for the postemployment health insurance subsidy for the period 10/1/21 - 6/30/22 and 1.66 percent for the period 7/1/22 - 9/30/22. Also, employer rates, other than for DROP participants, include 0.06 percent for administrative costs of the Investment Plan.

(12) Contribution rates are dependent upon retirement class in which reemployed.

The County's contribution to the Plan totaled \$19,620,879 for the fiscal year ended September 30, 2022, excluding HIS plan contributions.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions. At September 30, 2022, the County reported a liability of \$166,696,297 for its proportionate share of the Plan's net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022. The County's proportionate share of the net pension liability was based on the County's 2021-22 fiscal year contributions relative to the 2020-21 fiscal year contributions of all participating members. At June 30, 2022, the County's proportionate share was .45 percent, which is the same as its proportionate share measured as of June 30, 2021.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 18 Retirement Plans (continued)

Florida Retirement System (FRS) - Defined Benefit Pension Plans (continued)

FRS Pension Plan (continued)

For the fiscal year ended September 30, 2022, the County recognized pension expense of \$23,315,523. In addition, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 7,917,111	\$ -
Change of assumptions	20,529,346	-
Net difference between projected and actual earnings on FRS pension plan investments	11,006,934	-
Changes in proportion and differences between County FRS contributions and proportionate share of contributions	3,983,457	(7,009,458)
County FRS contributions subsequent to the measurement date	5,579,422	-
Total	<u>\$ 49,016,270</u>	<u>\$ (7,009,458)</u>

The deferred outflows of resources related to pensions totaling \$5,579,422, resulting from County contributions to the Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2022. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Fiscal Year Ending September 30	Amount
2023	\$ 9,634,095
2024	3,693,250
2025	(3,129,190)
2026	28,127,740
2027	\$ (1,898,505)
Thereafter	-
	<u>\$ 36,427,390</u>

Actuarial Assumptions. The total pension liability in the July 1, 2022, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40 percent
Salary Increases	3.25 percent, average, including inflation
Investment rate of return	6.70 percent, net of pension plan investment expense, including inflation

Mortality rates were based on the PUB-2010 base table with Scale MP-2018.

The actuarial assumptions used in the July 1, 2022, valuation were based on the results of an actuarial experience study for the period July 1, 2013, through June 30, 2018.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 18 Retirement Plans (continued)

Florida Retirement System (FRS) - Defined Benefit Pension Plans (continued)

FRS Pension Plan (continued)

The long-term expected rate of return on pension plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation (1)	Annual Arithmetic Return	Compound Annual (Geometric) Return	Standard Deviation
Cash	1.00 %	2.60 %	2.60 %	1.10 %
Fixed income	19.80 %	4.40 %	4.40 %	3.20 %
Global equity	54.00 %	8.80 %	7.30 %	17.80 %
Real estate (property)	10.30 %	7.40 %	6.30 %	15.70 %
Private equity	11.10 %	12.00 %	8.90 %	26.30 %
Strategic investments	3.80 %	6.20 %	5.90 %	7.80 %
Total	<u>100.00 %</u>			
Assumed Inflation - Mean			2.40 %	1.30 %

Note: (1) As outlined in the Plan's investment policy

Discount Rate. The discount rate used to measure the total pension liability was 6.70 percent and 6.80 percent for the July 1, 2022 and 2021 actuarial valuation, respectively. The Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Sensitivity of the County's Proportionate Share of the Net Position Liability to Changes in the Discount Rate. The following presents the County's proportionate share of the net pension liability calculated using the discount rate of 6.70 percent, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage-point lower (5.70 percent) or 1 percentage-point higher (7.70 percent) than the current rate:

	1% Decrease (5.70%)	Current Discount Rate (6.70%)	1% Increase (7.70%)
County's proportionate share of the net pension liability	\$288,289,784	\$ 166,696,297	\$ 65,029,674

CHARLOTTE COUNTY, FLORIDA

FRS Pension Plan (continued)

Pension Plan Fiduciary Net Position. Detailed information about the Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan. The County reported a payable of \$1,380,454 for the outstanding amount of contributions to the Plan required for the fiscal year ended September 30, 2022.

HIS Pension Plan

Plan Description. The HIS Pension Plan (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided. For the fiscal year ended September 30, 2022, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS Plan benefit, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions. The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. From October 1, 2021 to June 30, 2022, the contribution rate was 1.66 percent of payroll. From July 1, 2022 to September 30, 2022 the contribution rate was 1.66 percent, pursuant to section 112.363, Florida Statutes. The County contributed 100 percent of its statutorily required contributions for the current and preceding 3 years. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or canceled.

The County's contributions to the HIS Plan totaled \$2,219,112 for the fiscal year ended September 30, 2022.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions. At September 30, 2022, the County reported a net pension liability of \$38,359,388 for its proportionate share of the HIS Plan's net pension liability. The net pension liability was measured as of June 30, 2022 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022. The County's proportionate share of the net pension liability was based on the County's 2021-22 fiscal year contributions relative to the total 2020-21 fiscal year contributions of all participating members. At June 30, 2022, the County's proportionate share was .36 percent, which is the same as its proportionate share measured as of June 30, 2021.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 18 Retirement Plans (continued)

HIS Pension Plan (continued)

For the fiscal year ended September 30, 2022, the County recognized HIS pension expense of \$2,559,318. In addition, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 1,164,298	\$ (168,784)
Change of assumptions	2,198,785	(5,934,173)
Net difference between projected and actual earnings on HIS pension plan investments	55,536	-
Changes in proportion and differences between County HIS contributions and proportionate share of HIS contributions	2,007,347	(579,197)
County contributions subsequent to the measurement date	608,548	-
Total	<u>\$ 6,034,514</u>	<u>\$ (6,682,154)</u>

The deferred outflows of resources, totaling \$608,548, was related to pensions resulting from County contributions to the HIS Plan subsequent to the measurement date will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Fiscal Year Ending September 30	Amount
2023	\$ (68,010)
2024	228,184
2025	416,341
2026	223,999
2027	(239,512)
Thereafter	<u>(1,817,191)</u>
	<u>\$ (1,256,188)</u>

Actuarial Assumptions. The total pension liability in the July 1, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40 percent
Salary Increases	3.25 percent, average, including inflation
Municipal Bond Rate	3.54 percent

Mortality rates were based on the PUB-2010 base table with Scale MP-2018.

The actuarial assumptions used in the July 1, 2022 valuation were based on the results of an actuarial experience study for the period July 1, 2013, through June 30, 2018.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 18 Retirement Plans (continued)

HIS Pension Plan (continued)

Discount Rate. The discount rate used to measure the total pension liability was 3.54 percent and 2.16 percent for the July 1, 2022 and 2021 actuarial valuation, respectively. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the FRS Actuarial Assumption Conference. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the County's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate. The following presents the County's proportionate share of the net pension liability calculated using the discount rate of 3.54 percent, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage-point lower (2.54 percent) or 1 percentage-point higher (4.54 percent) than the current rate:

	1% Decrease (2.54%)	Current Discount Rate (3.54%)	1% Increase (4.54%)
County's proportionate share of the net pension liability	\$ 43,886,289	\$ 38,359,388	\$ 33,785,991

Pension Plan Fiduciary Net Position. Detailed information about the HIS Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan. The County reported a payable of \$140,027 for the outstanding amount of contributions to the HIS Plan required for the fiscal year ended September 30, 2022.

SUMMARY

The aggregate amount of net pension liability, related deferred outflows of resources and deferred inflows of resources and pension expense for the County's defined benefit pension plans are summarized below:

	FRS Plan	HIS Plan	Total
Net pension liability	\$ 166,696,297	\$ 38,359,388	\$ 205,055,685
Deferred outflows of resources related to pensions	49,016,270	6,034,514	55,050,784
Deferred inflows of resources related to pensions	(7,009,458)	(6,682,154)	(13,691,612)
Pension expense	23,315,523	2,559,318	25,874,841

CHARLOTTE COUNTY, FLORIDA
 NOTES TO THE FINANCIAL STATEMENTS
 September 30, 2022

Note 18 Retirement Plans (continued)

FRS - Defined Contribution Pension Plan

The SBA administers the defined contribution plan officially titled the FRS Investment Plan (Investment Plan). The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Annual Comprehensive Financial Report.

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. County employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected County Officers, etc), as the FRS defined benefit plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members. Allocations to the investment members' accounts during the 2020-21 fiscal year were as follows:

Class	Percent of Gross Compensation
FRS, Regular	6.30
FRS, Elected County Officers	11.34
FRS, Senior Management Service	7.67

For all membership classes, employees are immediately vested in their own contributions and are vested after 1 year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the FRS Pension Plan is transferred to the Investment Plan, the member must have the years of service required for FRS Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Nonvested employer contributions are placed in a suspense account for up to 5 years. If the employee returns to FRS-covered employment within the 5-year period, the employee will regain control over his or her account. If the employee does not return within the 5-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended September 30, 2022, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the County.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the FRS Pension Plan, or remain in the Investment Plan and rely upon that account balance for retirement income.

The County's Investment Plan pension expense totaled \$5,103,077 for the fiscal year ended September 30, 2022.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 19 Other Postemployment Benefits Plan

Plan Description

In accordance with Section 112.0801, Florida Statutes, because the County provides medical plans to employees of the County and their eligible dependents, the County is also required to provide retirees the opportunity to participate in the group employee health plan. Although not required by Florida Law, the County has opted to pay a portion of the cost of such participation for retired County employees through a single employer defined benefit plan (the “Plan”).

Retired employees (retired on or after 1/1/2004) of the Board of County Commissioners; Clerk of the Circuit Court; Property Appraiser; Supervisor of Elections; and Tax Collector, (the “Agencies”) who retire after 30 years of service, or after the age of 55 with eight years, or six years prior to October 1, 2012, of credited service with the County, and who had continuous medical coverage verified annually, are entitled to participation in the Plan. Currently, for retired employees who have completed 20 years of service with the Agencies who are collecting FRS monthly benefit plans, the health benefit under the Plan provides for the Agencies to contribute a per month supplement. The monthly supplement for eligible non-IAFF (International Association of Fire Fighters) retirees retired before October 1, 2008, is \$5.00 per year of service up to \$150.00 per month. The monthly supplement for eligible non-IAFF retirees retiring on or after October 1, 2008, is \$10.00 per year of service up to \$300.00 per month. The monthly supplement for eligible IAFF retirees retired before January 23, 2008, is \$5.00 per year of service up to \$150.00 per month. The monthly supplement for eligible IAFF retirees retiring on or after January 23, 2008, is \$20.00 per year of service up to \$600.00 per month. The monthly supplement is applied to health premium costs purchased from the Agencies. All retirees retiring after January 23, 2008, covered on another plan may elect to receive a monthly check. All supplements cease when the retiree becomes eligible for Medicare. Dependent coverage is available at full premium cost.

The Charlotte County Sheriff’s Office contributes 100% of the active health premiums up to age 65 for retirees participating in the group health plan who completed at least 25 years of service with the Sheriff’s office. Retirees are then required to reimburse the Sheriff a \$133 monthly subsidy provided by the Florida Retirement System.

Retirees who worked less than 25 years with the Sheriff’s office and are participating in the group health plan are required to contribute 100% of active premiums. An employer-provided implicit subsidy for the health plan will still exist for these participants.

All retirees may elect coverage in the dental and/or vision plans offered by the Sheriff’s office. However, they must contribute 100% of the active premium rates. Spouse coverage is available, as well, at the active premium rates.

Membership

As of September 30, 2022, membership consisted of:

	<u>Agencies</u>	<u>Sheriff</u>
Inactive employees or beneficiaries currently receiving benefit payments	77	56
Inactive employees entitled to, but not yet, receiving benefit payments	-	-
Active employees	1,291	640
Total	1,368	696

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 19 Other Postemployment Benefits Plan (continued)

Funding Policy

Funding for the Plan is on a pay-as-you-go basis from the County’s general assets when due. There is no separate trust through which benefits for retirees are funded. No assets are currently accumulated or earmarked for this purpose.

Total OPEB Liability

The Agencies had an actuarial valuation dated October 1, 2020. The Sheriff had an actuarial valuation with a October 1, 2021 measurement date.

The County's total OPEB liability was determined using the following actuarial methods, assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified.

The Actuarial Methods are:

	Agencies		Sheriff	
Actuarial Cost Method	Entry Age		Entry Age	
Asset Valuation Method	Unfunded		Unfunded	
Actuarial Assumptions:				
Discount Rate	2.19%	(1)	4.77%	(1)
Projected Salary Increases	3.40%-8.20%		6.00%	
Healthcare Cost Trend Rates	6.5%	(2)	7.50%	(3)
Price Inflation Rate	2.40%	(4)	2.50%	(4)

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality and the healthcare cost trend. Calculations for financial reporting purposes are based on the benefits provided under terms of the substantive plan (the plan as understood by the employer and the plan members) in effect at the time of each valuation and on the pattern of sharing of costs between the employer and plan members to that point. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and plan members in the future. Actuarial calculations reflect a long-term perspective. Consistent with the perspective, actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets.

- (1) As required by GASB Statement No. 75, this rate is equal to the tax-exempt municipal bond rate based on an index of 20 year general obligation bonds with an average AA credit rating as of the measurement date.
- (2) Based on the Getzen Model starting at 6.5% gradually decreasing to an ultimate rate of 3.8% in 2041.
- (3) Initial rate of 7.5% in fiscal 2022, then 8.5% in fiscal 2023, grading down to the ultimate trend rate of 3.45% in fiscal 2075.
- (4) Not explicitly used in the valuation except for future projections. Provided for informational purposes only.

Mortality rates for the Agencies and Sheriff are based on the PUB-2010 mortality tables. All mortality rates are those outlined in the previous FRS actuarial valuation reports.

NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 19 Other Postemployment Benefits Plan (continued)

Changes in the Total OPEB Liability

The total OPEB liability as of September 30, 2022 was as follows:

	<u>Agencies</u>	<u>Sheriff</u>	<u>Total</u>
Total OPEB Liability at 9/30/21	\$ 9,734,125	\$ 43,126,651	\$ 52,860,776
Changes for the year:			
Service cost	515,307	3,259,844	3,775,151
Interest	241,976	1,107,193	1,349,169
Difference between Actual and Expected Experience	-	(208,725)	(208,725)
Changes of assumptions or other inputs	154,473	(11,521,674)	(11,367,201)
Benefit payments	<u>(586,627)</u>	<u>(1,235,971)</u>	<u>(1,822,598)</u>
Net changes	<u>325,129</u>	<u>(8,599,333)</u>	<u>(8,274,204)</u>
 Total OPEB Liability at 9/30/22	 <u>\$10,059,254</u>	 <u>\$ 34,527,318</u>	 <u>\$ 44,586,572</u>

Changes in assumptions or other inputs reflect a change in the discount rate from 2.43% to 2.19% for all Agencies and a change from 2.43% to 4.77% for the Sheriff based on the two separate actuarial reports obtained.

Sensitivity of the Total OPEB Liability to Changes in Discount Rate

The following presents the total OPEB liability of the Agencies, as well as what the Agencies' total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (1.19%) or one percent point higher (3.19%) than the current discount rate:

	1% Decrease (1.19%)	Current Discount Rate (2.19%)	1% Increase (3.19%)
Total OPEB Liability	\$ 10,713,523	\$ 10,059,254	\$ 9,424,230

The following presents the total OPEB liability of the Sheriff, as well as what the Sheriff's total OPEB liability would be if it were calculated using a discount rate that is one percentage point lower (3.77%) or one percent point higher (5.77%) than the current discount rate:

	1% Decrease (3.77%)	Current Discount Rate (4.77%)	1% Increase (5.77%)
Total OPEB Liability	\$ 37,666,517	\$ 34,527,318	\$ 31,681,413

Note 19 Other Postemployment Benefits Plan (continued)

OPEB Expense & Deferred Outflow of Resources & Deferred Inflow of Resources Related to OPEB

For the year ended September 30, 2022, the Agencies recognized OPEB expense of \$691,138. At September 30, 2022, the Agencies reported deferred outflows of resources and deferred inflow of resources related to OPEB from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Difference between actual and expected experience	\$ -	\$ 1,026,245
Change of assumptions or other inputs	1,116,327	568,065
Amounts paid by the County for OPEB benefits and administrative expenses subsequent to the measurement date of October 1, 2020	<u>607,651</u>	<u>-</u>
Total	<u>\$ 1,723,978</u>	<u>\$ 1,594,310</u>

For the year ended September 30, 2022, the Sheriff recognized OPEB expense of \$4,031,443. At September 30, 2022, the Sheriff reported deferred outflows of resources and deferred inflow of resources related to OPEB from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$ 12,573	\$ 187,852
Changes of assumptions or other inputs	<u>7,137,975</u>	<u>11,792,011</u>
	<u>\$ 7,150,548</u>	<u>\$ 11,979,863</u>

Amounts reported as deferred outflows of resources related to amounts paid by the County for OPEB benefits and administrative expenses subsequent to the measurement date of October 1, 2021 will be recognized in OPEB expense in the fiscal year ended September 30, 2023 and all other deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expenses as follows:

Year ended September 30:	<u>Agencies</u>	<u>Sheriff</u>
2023	\$ (71,045)	\$ (346,894)
2024	(71,045)	(346,894)
2025	(71,045)	(346,897)
2026	(71,045)	(181,054)
2027	(66,193)	(381,958)
Thereafter	(130,490)	(3,225,618)

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 20 Risk Management

The County is exposed to various risks of loss related to tort; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During the fiscal years 1980 and 1987, the County established the Self Insurance and Health Insurance Funds, respectively included in the financial statements as internal service funds, to account for and finance its uninsured risks of loss. Under these programs, the Self Insurance Fund provides coverage for up to a maximum of \$300,000 for each worker's compensation claim, \$350,000 for each general liability claim, \$5,000 for all other perils other than windstorm per location per loss and a 3% windstorm deductible per location per loss. The County purchases commercial insurance for claims in excess of coverage provided by the funds and for all other risks of loss. The excess coverage for general liability is \$1,500,000 and for property is \$150,000,000. Workers' Compensation is provided pursuant to Statutory requirements and includes Employer Liability of \$1,000,000.

In April of 2009, the County opened an employee health center for use by employees participating in the County's Health Insurance Program. The main purpose was to help contain health insurance costs. In August of 2011, the County became self-insured for its health insurance. Under this program, the Health Insurance Trust Fund provides coverage for up to \$1,000,000 per claim. The County has excess medical insurance to pay for claim costs that exceed this amount. Fees in the amount of \$1,503,667 were paid to Cigna Healthcare to administer health insurance claims. Health insurance claims incurred, but not reported of \$2,339,988, were accrued in the health insurance trust fund as of September 30, 2022. The amount accrued was obtained from the health insurance actuary report. This report is available upon request from the County's Risk Management Department.

All funds and Constitutional Officers of the County, with the exception of the Sheriff, participate in the programs and make payments to the Self Insurance and Health Insurance Funds based on actuarial estimates of the amounts needed to pay prior and future year claims, which is attributable to expected claim payments exceeding funds available. The claims liability of \$4,164,000 in the Self Insurance Fund and \$2,339,988 in the Health Insurance Trust Fund reported at September 30, 2022 is based on the requirements of Governmental Accounting Standards Board Statement No. 10, Accounting and Financial Reporting for Risk Financing and Related Insurance Issues, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. Changes in the self-insurance claims liability amounts in fiscal year 2021 and 2022, are based on an actuarial review at a confidence level of 70% and discounted to present value at an assumed investment yield rate of 4.0% per annum. Changes in the health insurance claims liability amounts for the same periods are the actuarially determined undiscounted amounts.

Settled claims have not exceeded the commercial coverage in any of the past three fiscal years and there has not been a significant reduction in coverage from that of the previous fiscal year.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 20 Risk Management (continued)

Reconciliation of claims liabilities:

	<u>Self Insurance</u>	<u>Board Health Insurance</u>	<u>Sheriff Health Insurance</u>	<u>Total Insurance</u>
Balance at October 1, 2020	\$ 4,634,000	\$ 1,411,009	\$ 1,671,000	\$ 7,716,009

Claim Payments	<u>(2,052,541)</u>	<u>(24,273,890)</u>	<u>(10,447,472)</u>	<u>(36,773,903)</u>
Balance at September 30, 2021	4,392,000	1,616,224	1,718,000	7,726,224
Current Year Claims and Changes in Estimates	2,134,082	28,145,656	11,325,670	41,605,408
Claim Payments	<u>(2,362,082)</u>	<u>(27,421,892)</u>	<u>(11,130,670)</u>	<u>(40,914,644)</u>
Balance at September 30, 2022	<u>\$ 4,164,000</u>	<u>\$ 2,339,988</u>	<u>\$ 1,913,000</u>	<u>\$ 8,416,988</u>

The Sheriff participates in the Statewide Florida Sheriff's Self-Insurance Fund. The fund is managed by representatives of the participating Florida Sheriff's offices and provides professional and automobile liability insurance to participating offices. The Florida Sheriff's Self-Insurance Fund provides liability insurance coverage subject to the following limitations: \$5,000,000 per occurrence and an aggregate of \$10,000,000 ultimate net loss per sheriff during any policy period.

Premiums charged to participating sheriffs are based upon amounts believed by management of the fund to meet the required annual payout during the fiscal year and to pay for the estimated operating costs of the program. For fiscal year ended September 30, 2022, the Sheriff was charged \$981,623 for the self-insurance program.

The Sheriff participates in the Countywide self-insurance program for property liability. For fiscal year ended September 30, 2022, the Sheriff's portion for the self-insurance program, paid by the Board of County Commissioners, was \$748,849.

The Sheriff participates in the Florida Sheriff's Workers' Compensation Self-Insurance Fund. The fund is managed by representatives of participating Florida Sheriff's offices. The total cost for fiscal year ended September 30, 2022 was \$1,381,440.

The Sheriff is self insured for health insurance. The plan is administered by an independent third party that processes the claims. The Sheriff pays the administrator for actual claims and their administrative fee. During the fiscal year, the Sheriff incurred expenses totaling \$12,458,953. In addition to the Self-Insured Plan, the Sheriff and the Charlotte County Board of County Commissioners share expenses in an Employee Health Center Program. This program was developed in hopes to lower healthcare claims for medical services, reduce prescription cost and identify in hopes to mitigate futuer high cost claims risk. Effectively redirecting claims cost from our medical plan to the clinic will result in a two year net savings after operating cost. The Sheriff and Board of County Commissioners have contracted with Crowne Consulting Group to operate this facility.

The Sheriff purchases commercial stop loss insurance for claims in excess of \$125,000 per person. Total premiums paid during the fiscal year for stop loss coverage totaled \$1,231,567.

The Sheriff purchases canine liability, aircraft and marine, life, and disability, independently of the aforementioned self-insurance programs, through third party insurance carriers.

CHARLOTTE COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
September 30, 2022

Note 21 Commitments and Contingencies

The County is currently receiving, and has received in the past, grants which are subject to special compliance audits by the grantor agency and which, upon audit, may result in a request for reimbursement due to disallowed expense amounts. These amounts, if any, constitute a contingent liability of the County. Accordingly, such liabilities are not reflected within the basic financial statements. The County does not believe any contingent liabilities are material.

The County is currently involved in multiple construction projects in which material commitments for future services have been made. The following are projects in which these obligations have been contracted:

	Committed	Payments
Bridges	\$ 5,002,201	\$ 4,533,047
Buildings	65,484,358	38,256,421
Dredging	5,196,647	3,479,737
Parks	6,937,098	1,754,975
Paving	8,913,100	7,152,281
Sidewalks	5,943,335	4,864,282
Stormwater	1,140,719	559,938
Water/Sewer Improvements	43,500,981	25,400,323
Widening	23,820,387	15,994,447

The County currently has significant encumbrances for the governmental funds. These encumbrances include commitments for future expenditures, based on purchase orders or contracts, where the goods or services have been ordered but not received. They do not include construction contracts as they are listed above.

Major Funds	Encumbrance
General Fund	\$ 2,357,835
Charlotte Public Safety	22,080
Street and Drainage Districts	464,820
Sales Tax Extensions	125,281
Cares Act Fund	23,655
Nonmajor Funds	Encumbrance
Other Governmental Funds	\$ 72,323,563

On September 28, 2022, Hurricane Ian caused major devastation to Charlotte County and the surrounding areas. The disaster event caused an increase to expenses over a normal year. Other financial impacts could occur that are unknown as of September 30, 2022.

There are a number of pending lawsuits in which the County is involved. Although the outcome is not readily determinable, resolution of these matters is not expected to have an adverse effect on the financial condition of the County.

Note 22 Miscellaneous Revenues

Miscellaneous revenues in Governmental Activities are composed primarily of contributions and donations from private sources. For the year ending September 30, 2022, the County recognized \$12,130,931 in miscellaneous revenue.

CHARLOTTE COUNTY, FLORIDA
 NOTES TO THE FINANCIAL STATEMENTS
 September 30, 2022

Note 23 Recognition of Closure and Post Closure Cost

Federal and State laws require final cover and closure as well as post closure care of the Charlotte County Zemel Road Landfill. Closure cost estimates, including final cover, anticipated costs of equipment and facilities constructed near or after closure and thirty years of monitoring and maintenance costs, subsequent to closing, amount to \$21,767,962. The estimated life of the landfill, and other factors, may change due to population growth, disposal rates, types of material disposed and other changes in landfill technology. A portion of these costs are reported each period as operating expense based on landfill capacity used as of each balance sheet date.

Landfill capacity of approximately 69.96% has been used to date. The closure cost of \$15,228,349 for this capacity is reflected as a liability at September 30, 2022. Closure and post closure costs of \$6,539,613 remain to be recognized in the estimated 13 years of the remaining useful life.

The Landfill is required by Rule 62-701.630(5)(c) of the Florida Administrative Code to make annual contributions to an interest bearing cash reserve fund. Management believes the Landfill is in compliance with these requirements as of September 30, 2022, with restricted cash and investments of \$11,829,718 held for the purpose of closing the landfill in 2034. In the event closure escrows and interest earnings prove inadequate due to inflation, changes in technology or additional closure/post closure requirements, these costs may need to be covered by charges to future landfill users. The activity in the escrow account for the year ended September 30, 2022 is as follows:

Beginning Balance 9/30/2021	\$ 10,936,652
Deposits	802,970
Interest Earned	90,096
Ending Balance 9/30/2022	\$ 11,829,718

Note 24 Expenditures in Excess of Appropriations

The following fund has expenditures in excess of appropriations for the fiscal year ended September 30, 2022.

Charlotte Public Safety - The \$285,348 in excess expenditures over appropriations is due to increase electricity costs for the locations.

CARES Fund - The fund had expenditures in excess of appropriations in the amount of \$106,165 due to unbudgeted payments for Integrated Response for Intervention and Support (I.R.I.S.)

Radio Communication - The \$21,004 in excess of expenditures over appropriations is due to a higher than anticipated repairs/maintenance costs for buildings/equipment and radios.

N Manasota Key Beach Renourishment - The fund had expenditures in excess of appropriations in the amount of \$2,698,342 for the unbudgeted payment to Sarasota County for their portion of the grant reimbursement for beach renourishment.

**COMBINING & INDIVIDUAL FUND
STATEMENTS & SCHEDULES**

NONMAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

Transportation Trust - To account for gas taxes distributed by the State of Florida, which are designated for the construction and maintenance of county roads.

Fine and Forfeiture - To account for court services required by Florida Statutes to be provided by the Board of County Commissioners.

Law Enforcement Trust - To account for funds held by Charlotte County to be used for specific law enforcement activities.

Drug Abuse Trust - To account for funds collected by authority of Florida Statutes to be disbursed as assistance grants on an annual basis to drug abuse treatment or education programs.

Law Library - To account for County and Circuit Court service charges collected for equipping, maintaining and operating the County's law library.

Legal Aid - To account for County and Circuit Court service charges collected for maintaining, operating and equipping the County's legal aid program.

Radio Communications - To account for the maintenance and improvements to the radio towers throughout the County.

Criminal Justice Education - To account for funds collected by the authority of Florida Statutes to be used for education and training programs for Sheriff's employees.

Student Driver Education - To account for funds collected by authority of Florida Statutes to be used for specific traffic education classes in public and non-public schools.

Crimes Prevention - To account for funds collected by authority of Florida Statutes to be used for crime prevention education and safe neighborhood programs.

Tourist Development Tax Trust - To account for the 3 percent tax on rents for temporary lodgings. This tax, approved by voter referendum, is restricted for use of tourist related expenditures in accordance with the guidelines allowed by Florida Statutes.

Building Construction Services - To account for funds received from permits and other fees for the purpose of engineering, zoning and building enforcement.

Greater Charlotte Street Light - To account for ad valorem taxes collected within the unincorporated areas of the County designated for street lighting.

Open Space/Habitat - To account for funds collected for acquisition of open space/habitat for the purpose of preserving threatened and endangered animals.

Native Tree Replacement - To account for funds collected in lieu of planting or preserving trees on developed properties. Funds received are used to plant native trees on county public lands.

Boater Revolving - To account for special assessments levied on the property owners to finance projects deemed to benefit the properties against which the assessments are levied.

NONMAJOR GOVERNMENTAL FUNDS, Continued

SPECIAL REVENUE FUNDS, Continued

911 and Enhanced 911 - To account for funds collected for providing and maintaining an enhanced emergency telephone service.

Local Housing Assistance Trust - To account for funds used to provide housing assistance to residents of Charlotte County to include State Housing Initiative Program funds.

Chester Cole Trust Fund - To account for funds bequeathed to the Senior Services Department of the Board of County Commissioners.

Charlotte Harbor Community Redevelopment - To account for funding received and appropriate the funds for the sign grant program and redevelopment plans.

Murdock Village Redevelopment - To account for funding received and appropriates the funds for the redevelopment of the area.

Parkside Community Redevelopment - To account for funding received and appropriates the funds for the redevelopment of the area.

Stump Pass Dredging MSBU - To account for funds collected for the purpose of beach renourishment and erosion control projects for the existing beach at Stump Pass.

Don Pedro/Knights Island Beach Renourishment ± To account for funds collected for the purpose of beach renourishment and erosion control projects for the existing beach.

N. Manasota Key Beach Renourishment ± To account for funds collected for the purpose of beach renourishment and erosion control projects for the existing beach.

Impact Fees Trust Fund - To account for revenues received from impact fees that are restricted to capital improvements on roads, parks, libraries, law enforcement, fire protection, and emergency medical services.

Grants - To account for federal and state funded social programs.

Animal Care Trust Fund - To account for revenues and expenses for the care of animals within Charlotte County.

Metropolitan Planning Organization - To account for transportation projects funded through grant programs.

Habitat Conservation Management - To account for development fees collected and expended due to purchasing and development in protected areas.

Habitat Conservation Endowment - To account for development fees collected to fund the post permit operations and management in the protected areas.

Waterway Maintenance Districts - To account for the other taxes and special assessments levied on property owners for their proportionate share of maintenance of waterways.

NONMAJOR GOVERNMENTAL FUNDS, Continued

SPECIAL REVENUE FUNDS, Continued

Road Revolving - To account for special assessments levied on the property owners to finance road improvements deemed to benefit the properties against which the assessments are levied.

Transit - To account for funds received for transportation services.

Stormwater Utility Districts - To account for funds used to provide a stormwater management system and program to the developed properties in Charlotte County.

Barrier Islands Fire Service - To account for other taxes collected to provide fire prevention service with certain districts located in the unincorporated area of the County, which are not part of any independent fire district.

Charlotte County Fire Rescue - Accounts for other taxes collected to provide fire prevention service within certain districts located in the unincorporated area of the County, which are not part of any independent fire district.

Little Gasparilla Fire - To account for other taxes collected to provide fire prevention service with certain districts located in the unincorporated area of the County, which are not part of any independent fire district.

Charlotte County Health Facility - To account for ad valorem taxes collected to provide a health facility.

Local Provider Participation Fund ± To account for hospital assessments to support Medicaid funding shortfalls.

Event Center - To account for revenues received and expended for the Charlotte County Event Center.

Stadium Maintenance & Operations - To account for revenues received and expended for the upkeep of the Charlotte Sports Park stadium.

Hurricane Fund - To account for revenues and expenditures related to the recent hurricane.

Sheriff - To account for revenues collected and held by the Sheriff for specific law enforcement purposes.

DEBT SERVICE FUND

Board of County Commissioners - To account for the resources available to service the payment of current principal and interest due on notes and bonds. This is composed of the Stadium Improvement Debt Service Fund, General Obligation Bonds 2012, and the Transportation Revenue Note 2019.

NONMAJOR GOVERNMENTAL FUNDS, Continued

CAPITAL PROJECTS FUNDS

Capital Projects Fund ± The fund accounts for resources used for the acquisition and/or construction of capital facilities.

Stadium Improvement - To account for resources used for the improvement of the County stadium.

Road Improvements - The fund accounts for gasoline taxes collected to be used for county-wide construction projects that are capacity related.

Infrastructure Fund - To account for excess funds returned by the Sheriff at the end of the fiscal year. The funds are to be used for capital projects or future OPEB expenses.

Growth Increment Fund - To account for tax monies calculated by using the growth portion of the assessed value as identified by the Property Appraiser. These funds are to be used for unfunded capital projects.

NONMAJOR PROPRIETARY FUNDS

INTERNAL SERVICE FUNDS

Internal Service Funds are used to account for the financing of services provided by one department or agency to other departments or agencies of the government on a cost reimbursement basis.

Self-Insurance - To account for the actuarially determined reserve resulting from asserted and incurred, but not reported, claims from insured areas of risk including general, auto liability and workers' compensation.

Health Insurance Trust - To account for health and life insurance premiums collected and disbursed for the purpose of providing health and life insurance coverage to County employees as well as other local governmental agencies.

Vehicle Maintenance - To account for the cost of maintaining the County's fleet of vehicles including construction equipment.

Accrued Compensated Absences - To account for resources collected from Board of &RXQWCommissioners' departments to provide adequate funding as it relates to accrued compensated absences payouts and future liabilities.

Clerk of the Court - To account for the resources available to service the employees of the Clerk of the Circuit Court accrued compensated absences liability.

STATISTICAL SECTION

STATISTICAL SECTION

This part of the Charlotte County Government's annual comprehensive financial report represents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the government's overall financial health.

It is important to understand that the 2008 data will be skewed because of expenditures and revenues related to Hurricane Charley, which occurred in August of 2004.

Contents

Financial Trends

These schedules contain trend information to help the reader understand how the County's financial performance has changed over time. 195 - 204

Revenue Capacity

These schedules contain information to help the reader assess the County's most significant sources of revenue and related trends over the last several years. 205 - 209

Debt Capacity

These schedules contain information to help the reader assess the affordability of the County's current level of debt and the County's ability to issue debt in the future. 210 - 213

Demographics and Economic Information

These schedules offer demographics and economic indicators to help the reader understand the environment within which the County's financial activities take place. 214 - 215

Operating Information

These schedules contain information regarding the number of employees, key operating indicators, and capital assets used in the various programs/functions within the County. These schedules contain service and infrastructure data to help the reader understand how the information in the County's financial report relates to the services that the County provides. 216 - 231

Sources: Unless otherwise noted, the information in these schedules is derived from the Annual Comprehensive Financial Reports for the relevant year.

Note: Tax levies include County ad valorem as well as government type municipal services benefit units, which are also major source of revenue for Charlotte County.

In 2015, the Collections in Subsequent Years figures, beginning with 2010, were adjusted to properly reflect the figures reported in the Tax Collector's records.

Beginning in 2020, all interest and write-offs collected during the year were deducted from the prior year's subsequent collections.

* As of FY17, it includes 4 libraries and 1 Historical Center

** After the last TD audit (November 2016), significant changes were made to the application process. Therefore, many riders who previously technically qualified, no longer officially qualified in the TD ridership classification during fiscal year 2017.

*** 2-1-1 Agents no longer capture in-house call transfers as referrals in the CallPoint database, therefore, this number is a more accurate reflection of the number of actual 2-1-1 referrals.

Independent Auditor's Management Letter

To the Honorable Board of County
Commissioners of Charlotte County, Florida

Report on the Financial Statements

We have audited the financial statements and the related notes to the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of Charlotte County, Florida (the "County"), as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, and have issued our report thereon dated March 30, 2023. We did not audit the financial statements of the Charlotte County Clerk of the Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector (collectively, the "Officers"), whose statements reflect 2% of the assets, 1% of the net position, and 17% of the revenue of the County's governmental activities, 16% of the assets, 0% of the fund balance, and 20% of the revenue of the General Fund, and 8% of the assets, 6% of the fund balance/net position, and 70% of the revenue/additions of the aggregate remaining fund information and the Clerk of the Court Fund. The financial statements of the Officers were audited by another auditor whose reports have been furnished to us, and our opinions, insofar as they relate to data included for the Officers, are based solely on the reports of the other auditor.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* ("Uniform Guidance"); and Chapter 10.550, Rules of the Auditor General.

This letter excludes consideration of the Officers, which were audited by another auditor, and for which separate management letters have been issued.

Other Reporting Requirements

We have issued our Report of Independent Auditor on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Report of Independent Auditor on Compliance for Each Major Federal Awards Program and State Financial Assistance Project and on Internal Control over Compliance Required by Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*; Schedule of Findings and Questioned Costs; and Report of Independent Accountant on Compliance with Local Government Investment Policies and E911 Requirements of Sections 365.172 and 365.173, Florida Statutes. Disclosures in those reports and schedule, which are dated March 30, 2023, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations in the preceding annual financial audit report.

Official Title and Legal Authority

Sections 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. Refer to Note 1 in the notes to the financial statements regarding the creation of the Charlotte County, Florida and each component unit.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the County has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined the County did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the County. It is management's responsibility to monitor the County's financial condition and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Specific Information

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Charlotte County Industrial Development Authority ("IDA"), a discretely presented component unit of Charlotte County, Florida, reported:

- a. The total number of IDA employees compensated in the last pay period of the district's fiscal year as zero.
- b. The total number of independent contractors to whom nonemployee compensation was paid in the last month of the IDA's fiscal year as zero.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as zero.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as zero.
- e. Each construction project with a total cost of at least \$65,000 approved by the County that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as none.
- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the County amends a final adopted budget under Section 189.016(6), Florida Statutes, as zero.

The required information for the Murdock Village Community Redevelopment Agency, Charlotte Harbor Community Redevelopment Agency, and Parkside Community Redevelopment Agency is fulfilled by inclusion in separately presented stand-alone audit reports.

We provide no assurance regarding the information presented above since it was not subjected to auditing procedures.

Deepwater Horizon Oil Spill

Section 10.556(10)(e), Rules of the Auditor General, requires a determination of the County's compliance with federal and state laws, rules, regulations, contracts, or grant agreements related to the receipt and expenditure of funds related to the Deepwater Horizon oil spill. The County's Deepwater Horizon oil spill funds received are unrestricted and, therefore, do not have related compliance requirements.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material, but which warrants the attention of those charged with governance. In connection with our audit of the County, we did not have any such findings.

Purpose of this Letter

The purpose of this management letter is to communicate certain matters prescribed by Chapter 10.550, Rules of the Auditor General. Accordingly, this management letter is not suitable for any other purpose.

**Report of Independent Accountant on Compliance with
Local Government Investment Policies and E911 Requirements of
Sections 365.172 and 365.173, Florida Statutes**

To the Honorable Board of County
Commissioners of Charlotte County, Florida

We have examined the Charlotte County, Florida's (the "County") compliance with the local government investment policy requirements of Section 218.415, Florida Statutes, and E911 requirements of Sections 365.172 and 365.173, Florida Statutes, during the year ended September 30, 2022. Management of the County is responsible for the County's compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on the County's compliance with the specified requirements.

The purpose of this report is to comply with the audit requirements of Sections 218.415, 365.172, and 365.173, Florida Statutes, and Rules of the Auditor General.

In our opinion, the County complied, in all material respects, with the local investment policy requirements of Section 218.415, Florida Statutes, and E911 requirements of Sections 365.172 and 365.173, Florida Statutes, during the year ended September 30, 2022.

SINGLE AUDIT

Report of Independent Auditor on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Honorable Board of County
Commissioners of Charlotte County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, the discretely presented component unit and the aggregate remaining fund information of Charlotte County, Florida, (the “County”) as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the County’s basic financial statements, and have issued our report thereon dated March 30, 2023. Our report includes a reference to another auditor who audited the financial statements of the Charlotte County Clerk of the Circuit Court, Property Appraiser, Sheriff, Supervisor of Elections, and Tax Collector as described in our report on the County’s financial statements. This report does not include the results of the other auditor’s testing of internal control over financial reporting or compliance and other matters that are reported on separately by the other auditor.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County’s internal control over financial reporting (“internal control”) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County’s internal control. Accordingly, we do not express an opinion on the effectiveness of the County’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Orlando, Florida
March 30, 2023

Report of Independent Auditor on Compliance for Each Major Federal Awards Program and State Financial Assistance Project and on Internal Control Over Compliance Required by the Uniform Guidance and Chapter 10.550, Rules of the Auditor General

To the Honorable Board of County
Commissioners of Charlotte County, Florida

Report on Compliance for Each Major Federal Program and State Financial Assistance Project

Opinion on Each Major Federal Program and State Financial Assistance Project

We have audited Charlotte County, Florida's (the "County") compliance with the types of compliance requirements identified as subject to audit in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* and the requirements described in the State of Florida Department of Financial Services' State Projects Compliance Supplement, that could have a direct and material effect on each of the County's major federal programs and state financial assistance projects for the year ended September 30, 2022. The County's major federal programs and state financial assistance projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state financial assistance projects for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"); and Chapter 10.550, Rules of the Auditor General ("Chapter 10.550"). Our responsibilities under those standards, the Uniform Guidance and Chapter 10.550 are further described in the *Auditor's Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state financial assistance project. Our audit does not provide a legal determination of County's compliance with the compliance requirements referred to above.

Responsibility of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to County's federal programs and state financial assistance projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550 will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program and state financial assistance project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, but not for the purpose of expressing an opinion on the effectiveness of County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state financial assistance project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state financial assistance project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state financial assistance project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitation, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550. Accordingly, this report is not suitable for any other purpose.

The accompanying notes are an integral part of these financial schedules.

CHARLOTTE COUNTY, FLORIDA
NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2022

Note 1. General

The accompanying Schedule of Expenditures of Federal Awards and the Schedule of State Financial Assistance (the 'Schedule') includes the federal and state activity of Charlotte County, Florida (the "County"). The County reporting entity is defined in Note 1 to the County's Basic Financial Statements for the fiscal year ended September 30, 2022. All federal financial assistance programs received directly from federal agencies, as well as federal financial assistance programs passed through other government agencies, are included in the schedule.

The Schedule is presented in accordance with uniform guidance.

Note 2. Basis of Accounting

The accompanying Schedule of Expenditures of Federal Awards and the Schedule of State Financial Assistance is presented using the modified accrual basis of accounting, which is described in Note 1 to the County's Basic Financial Statements for the fiscal year ended September 30, 2022.

The County has elected to use the 10 percent de minimis indirect cost rate as covered in 2 CFR 200.414 (f) Indirect Costs.

Note 3. Contingencies

Grant monies received by the County are for specific purposes and are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based upon prior experience, the County does not believe that such disallowances, if any, would have a material effect on the financial position of the County. As of September 30, 2022, there was no material questioned or disallowed costs as a result of grant audits in process or completed of which management was aware. Any adjustments to grant funding are recorded in the year the adjustment occurs.

Note 4. Disaster Grants - Public Assistance (Presidentially Declared Disasters)

After a presidentially declared disaster, Federal Emergency Management Agency ("FEMA") provides Public Assistance (Presidentially Declared Disasters) (Assistance Listing #97.036) to reimburse eligible costs associated with repair, replacement or restoration of disaster-damaged facilities. The federal government makes reimbursements in the form of cost-shared grants that require state matching funds. Current FEMA obligation for Hurricane Irma, which occurred in September 2017, stands at \$9,705,103 in federal funding, excluding County share. \$500,578 of the approved expenditures for Hurricane Irma are recognized on the Schedule in the fiscal year September 30, 2022.

Hurricane Ian struck Charlotte County on September 28, 2022, and was presidentially declared a disaster on September 29, 2022. Federal award for hurricane recovery was issued by FEMA on September 30, 2022, although the amount of obligated Federal Funds was not determined.

CHARLOTTE COUNTY, FLORIDA
NOTES TO SCHEDULES OF EXPENDITURES OF FEDERAL AWARDS
AND STATE FINANCIAL ASSISTANCE
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2022

Note 5. Assistance Provided through COVID-19 Financial Assistance Programs

As a result of the emergency declaration due to the COVID-19 pandemic, Coronavirus Aid, Relief, and Economic Security (CARES) Act became Public Law, which mandated federal financial assistance, inclusive of Local Governments and Health Care Providers. The County received assistance from two Funds established by the Act ± the Coronavirus Relief Fund (CRF) Assistance Listing #21.019 and the Provider Relief Fund (PRF) Assistance Listing #93.498.

During Fiscal Year 2022 CARES Act funding was passed indirectly through other Assistance Listing programs, with the most significant expenditure amount of \$817,843 recorded under Assistance Listing #20.507, managed by the Department of Transportation.

Note 6. Assistance Provided through Provider Relief Funds

The County amount of Provider Relief Funds (“PRF”), Assistance Listing Number 93.498, was distributed through the US Department of Health and Human Services. The County received \$73,623 in PRF funding for eligible expenditures during the fiscal year 2022, which is excluded from SEFA for fiscal year ended September 30, 2022 in accordance with OMB guidance, to be reported at a future date.

Note 7. Assistance Provided through American Rescue Plan Act

Subsequent to CARES Act, American Rescue Plan Act of 2021 (ARPA) was adopted in March 2021. Section 9901 of the Act authorizes Coronavirus State and Local Fiscal Recovery Funds (CSLFRF), funding a variety of local projects in response to the health emergency under Assistance Listing #21.027. Charlotte County expended \$19,528,313 of CSLFRF funds according to the funding agreement with the Department of Treasury during the fiscal year ended September 30, 2022. ARPA funding was also passed through other Assistance Listing programs, with the most significant expenditure amount of \$550,732 recorded under Assistance Listing #93.568, managed by the Department of Health and Human Services.

3. Contract between the local governmental entity and the spring training team

Charlotte Sports Park Agreement

THIS AGREEMENT is made and entered into this 12th day of September 2006, by and between CHARLOTTE COUNTY, a political division of the state of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and the TAMPA BAY DEVIL RAYS, LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

WHEREAS the County and the Rays desire to enter into an agreement for the rehabilitation and use of the Charlotte Sports Park for the purpose for providing a public recreation amenity and hosting the Rays' spring training program.

NOW, THEREFORE, in consideration of the mutual covenants and obligations herein contained, it is mutually covenanted and agreed by and between the parties as follows:

1. Terms of Use

The Rays will engage in exclusive spring training in Charlotte County, Florida for a period of twenty (20) years, commencing with the 2009 major league spring training season. For the purpose of this agreement, the term "spring training" shall be deemed to include that period of time each year during the term of this Agreement which involves major and minor league spring training, exhibition games and extended spring training activities, rehabilitation and instructional league.

The County does hereby permit unto the Rays, its successors and assigns, the use of those certain premises located in Charlotte County, Florida, commonly known as the Charlotte Sports Park and related spring training and administrative facilities to be utilized pursuant hereto.

The Rays shall schedule and make a good faith effort to play a minimum of twelve (12) home major league spring training exhibition games during each and every year during the term of this agreement. The Rays shall also make a reasonable effort to ensure that a minimum of three (3) of these games will be held at night.

2. Project Description

The County shall selectively demolish, construct, and/or renovate current stadium, clubhouse, office space, and related practice facilities and build and/or restore on such site for a cost of not more than \$27,188,920 (hereinafter described below as "the Project"):

- (a) An open-air, natural grass stadium meeting first-class Major League Baseball ("MLB") spring standards, with approximately 6,000 fixed seats (including premium seating) and outfield berm and other general admission areas accommodating up to 1,500 fans;

DEPUTY CLERK

- (b) An approximately 40,000 sf major and minor league clubhouse facility (including administrative office space dedicated to the Rays' use), team store, and other elements of such stadium;
 - (c) One (1) full-size, grass major league practice field;
 - (d) One (1) grass half-field;
 - (e) Four (4) full-size minor league practice fields;
 - (f) On-site parking for approximately 1,500 vehicles plus player/staff/VIP parking for approximately 175 cars;
 - (g) Miscellaneous infrastructure and site improvements related to the creation of a spring training facility.
 - (h) Other elements as mutually agreed upon by the County and the Rays.
- The site and a preliminary concept plan for the Project are generally outlined in Attachment I.

3. **Project Capital Funding**

The "all-in" cost of the Project shall total \$27,188,920 dollars, the funding for which shall come by bonding against the following sources:

- (a) The State of Florida: monies made available to the County under Chapter 288.1162, Florida Statutes providing up to \$500,000 annually for 30 years towards the construction or rehabilitation of a spring training facility, as described in Schedule I;
- (b) Charlotte County: the proceeds from hotel tourist tax funds providing \$900,000 in the year of the execution of this Agreement and growing annually for 22 years (minus \$125,000 that shall be deducted in the year of initial occupancy and each year thereafter and placed in a maintenance and operations fund, as described below) and one-time time initial proceeds from hotel tourist tax funds providing \$450,000, as described in Schedule I.
- (c) Tampa Bay Devil Rays: As consideration for its utilization of the facilities, and upon the Rays occupancy of the Project facilities, the Rays agree to pay the County \$595,190 in the year of initial occupancy with payments in successive years, as described in Schedule I.

Based on the financing sources enumerated above, County shall present the Rays a plan of project finance which includes irrevocable commitments and awarding of funds, pursuant to Chapter 288.1162, Florida Statutes, from the State of Florida, all of which, when combined with the obligations and undertakings elsewhere referenced herein, will provide sources of \$27,188,920 (which include architect fees, design fees and construction costs) which are to be irrevocably committed to the renovation of the baseball complex ("the Project Budget").

This financing plan shall be subject to approval of the Rays, which shall not be unreasonably withheld. The County and Rays shall have mutual approval of the design and renovation program for which the financing plan has been irrevocably committed. In the event either the financing plan or

the renovation plan fails to meet the approval of the Rays, the Rays may terminate this agreement upon 30 days' written notice to the County. After a financing plan and renovation plan have been mutually agreed upon, as set forth above, the cost of any change orders that result in a project cost in excess of \$27,188,920, in addition to being mutually agreed upon, shall be the responsibility of the Rays.

The County further agrees that its financing plan shall provide that if the cost of the Project is ultimately less than \$27,188,920 dollars, then the amount by which the cost of construction ("construction" also includes architect and design fees) is less than \$27,188,920 dollars shall be funded and placed in an asset renewal/reserve fund ("Capital Reserve Fund") to be spent on the facility subject to terms and conditions mutually agreed upon by the County and the Rays. Additionally, the County agrees that its financing plan shall provide for accumulated interest earnings on the bond amount during the project construction period ("Accumulated Construction Interest") to be placed in the same Capital Reserve Fund to be spent on the facility subject to the terms and conditions mutually agreed upon by the County and the Rays.

It is further acknowledged by both parties that the final cash proceeds from the financing plan ("Bond Proceeds") may result in an amount available for the renovation plan that is less than \$27,188,920 due to unknown variables such as the actual financing interest rate or impacts of the taxable status of any of the revenue sources as determined by bond council. In the event such Bond Proceeds are less than \$27,188,920, 50% of the "Accumulated Construction Interest" shall be used to fund initial construction of the Project up to a Project Budget of \$27,188,920. If, after 50% of the "Accumulated Construction Interest" is allocated to the Project Budget, the Project Budget is still less than \$27,188,920, the Rays shall have the right to terminate this agreement upon 30 days written notice to the County.

The parties hereto understand that it is the intention of the County to finance the Project by the issuance of its obligations. It is further the intent of the County that the interest on such obligations be excludable from gross income for federal income tax purposes, to the greatest extent possible pursuant to the provisions of the Internal Revenue Code. In furtherance thereof, the Rays agree that it will take all reasonable actions within its control which are necessary in order for the interest on such obligations be excludable from gross income for federal tax purposes.

The County agrees to submit an application to the Florida Sports Foundation for the State of Florida funding described above by October 1st, 2006. If the State of Florida, through the Florida Sports Foundation, fails to grant the County \$500,000 annually for the next 30 years to undertake the

construction, or if County does not accept such grant from the State and begin construction by July 1, 2007, either the Rays or the County may terminate this agreement upon written notice to the other party, without penalty or liability to either party.

4. Project Design and Construction

- (a) The County and the Rays shall have mutual approval rights of the final design and construction plans, the architect, contractor and all change orders. The design of the stadium shall be in accordance with current MLB standards. The County shall use its diligent, good faith efforts to perform, or cause to be performed, all construction work on the Project according to the approved construction plans on or before February 1, 2009. In the event possession of the Project is not delivered to the Rays on or before February 1, 2009, the County shall pay the Rays liquidated damages of \$2,200 per day for each day after February 1, 2009, until the Project facilities are occupied by the Rays.

County shall not be assessed liquidated damages in the event the Project is delayed due to damage to, or destruction of, the Project due to hurricane, fire, Acts of God or other casualty; however, in the event such an event causes a delay to the Project such that it is not ready for occupancy by August 1, 2010, the Rays shall have the right to terminate this agreement upon thirty (30) days notice to the County.

- (b) The Rays shall have access to the construction project during all normal construction hours and shall receive reasonable notice of and have the right to attend and participate in all meetings between the County and its architect and contractors performing the work on the Project. After a financing plan and renovation plan have been mutually agreed upon, as set forth above, the Rays shall have the right to request the County to make changes to the Project, the construction plans and schedule of completion, and will by obligation pay any cost associated with these changes, provided the cost of such changes cause the cost of the stadium renovations to exceed \$27,188,920. County shall not owe the Rays liquidated damages, nor suffer any penalty or liability whatsoever, in the event the Project cannot be delivered to the Rays by February 1, 2009, due to delays caused by changes to the Project requested by the Rays.
- (c) The parties agree to observe the requirements of the Consultants Competitive Negotiation Act, and all other applicable federal, state

and local laws, and engage architectural, engineering, and construction services necessary to design and build the Project.

- (d) The Rays acknowledge that the County has a three year agreement with the South Coast Independent League (the "League") beginning in 2007 and ending in 2009 for the use of the existing Stadium. The Rays agree that the League is entitled to the use of the Stadium pursuant to its agreement with the County and the parties agree to cooperate in coordinating the construction schedule of the Project to accommodate the League's use of the Stadium so long as it doesn't impede the progress of the Project or the Rays use of the Project or Project site, as described in Item 5 below. County agrees to fully enforce its agreement with the League in regard to its conduct and use of the Project facilities.
- (e) For the duration of this agreement, the parties shall have mutual approval rights over any change to the Project site that results in means of pedestrian access to the Project site being created, eliminated, or altered.

5. Rays Rights-of-Use to Project

Upon completion of construction, the Rays shall retain the following rights to use the Project facilities:

- (a) Each day from February 10th through April 3rd of each calendar year ("Spring Training"): The Rays shall have primary use of the stadium, new clubhouses, administrative office space dedicated to the Rays' use, team store, practice fields, and other associated training facilities (batting cages, gang mounds, etc.). During this time, these facilities may be made available to parties other than the Rays, but only with the express written consent of the Rays;
- (b) Each day from April 4th through July 1st ("Extended Spring Training"): The Rays shall have primary use of the new clubhouses, team store, administrative office space dedicated to the Rays' use, the one (1) full-size, grass major league practice field, two (2) minor league practice fields, and other associated training facilities (batting cages, gang mounds, etc.). During these times, these facilities may be made available to parties other than the Rays, but only with the express written consent of the Rays;
- (c) Before 2pm each day from September 1st through October 31st of each calendar year ("Instructional League"): The Rays shall have primary use of the new clubhouses, team store, administrative office space dedicated to the Rays' use, the one (1) full-size, grass major league practice field, two (2) minor league practice fields, and other

associated training facilities (batting cages, gang mounds, etc.). During these times, these facilities may be made available to parties other than the Rays, but only with the express written consent of the Rays;

- (d) At all other times, the Rays shall maintain sole use of the major league clubhouse, administrative office space dedicated to the Rays' use, team store, and the one (1) full-size, grass major league practice field. In addition, the Rays shall retain the right to restrict access to associated training facilities (batting cages, gang mounds, etc.), one (1) minor league practice field, and the minor league clubhouse if they are reasonably required for the Rays' use and upon three (3) weeks notice to the County. County and the Rays agree that a change in the timeline for "extended spring training" and/or the need for the Rays to locate a rookie league team at the Project site constitute a reasonable basis for such access restrictions;
- (e) The Rays and the County shall also make the Project facilities available for up to one week each year, the date to be mutually agreed upon by the parties, for a Devil Rays Fantasy Camp;
- (f) The Rays may use the facility for clinics, camps, and promotional or marketing events throughout the year, provided that three (3) weeks notice is provided to County and such use does not interfere with County's rights of use as described in Item 6 below.

If the Rays choose to locate a Florida State League ("FSL") team at the Project site, the Rays and the County agree to enter into an amendment to this Agreement to provide for the duties, rights, terms and responsibilities of the parties that will be occasioned by the location of said FSL team at the Project site. Notwithstanding the rights described in Item 6 below, County may not allow a minor league baseball franchise affiliated with any MLB team other than the Rays to play home games at the Project site without the express written consent of the Rays. Furthermore, the parties agree that they will not enter into any amendment to this Agreement if such amendment shall adversely affect the exclusion of interest on the County's obligations which financed the Project from gross income for federal income tax purposes.

The Rays shall have complete operating authority over those areas under its control during the use periods defined above, including, but not limited to, the right to manage ticket sales, concessions, merchandise sales, game-day parking, and all other stadium activities during spring training. The Rays will, at all times, make reasonable efforts to cooperate with others, including the County, in exercising its operating authority during its use periods.

The Rays shall make best efforts to furnish the County with its spring training exhibition game schedule and extended spring training time frame use requirements no later than December 1st of the year prior to the next February opening of spring training activities by the Rays.

During the use periods defined above, the Rays may stage non-baseball related events or activities with the express written consent of the County, such consent not to be unreasonably withheld.

The County and the Rays further agree that the Rays may transfer its right to use of certain Project facilities described above to an affiliated entity or subsidiary of the Rays.

6. County Rights-of-Use to Project

Subject to the Rays' rights of use described above, at all other times, the County shall have the right (and is encouraged by the Rays) to use the facility for concerts, plays, sporting events and tournaments or other revenue-producing or civically-oriented events (collectively defined as non-major league baseball-affiliated events) provided that:

- (a) Such events do not damage the playing fields or cause unreasonable wear and tear to the structures;
- (b) Such events are not inconsistent with the image of Major League Baseball and the Rays;
- (c) Such events do not interfere with the Rays operations; and
- (d) Prominent signage is displayed promoting the Rays' affiliation with the Project during these events.

The County shall have responsibility for all costs associated with these events and shall be responsible for all liabilities arising from the County's use of the Project for non-major league baseball-affiliated events.

During the periods of its use of the facility, the County shall also have the right to display marketing signs in the concourse and stadium, provided that such signs are not in conflict with an exclusive Rays marketing partnership and that the cost of displaying such signs is borne by the County.

During the term of this Agreement, the County shall at all times be permitted to continue its present use of County buildings at the Project site for office space and operations.

7. Rays Rights to Project Revenues

The Rays and County agree that for the duration of this agreement, the Rays shall retain:

- (a) All revenues derived from spring training operations, including, but not limited to, all revenues from ticket sales, food/beverage concessions, pouring rights for sodas, water, and other beverages, merchandise and souvenirs, program sales, advertising and signage, luxury suites, and game day parking;
- (b) Exclusive rights to set the price for spring training exhibition game tickets, food/beverage concessions, merchandise and souvenirs, programs, game-day and spring training parking and all other stadium goods and services associated with spring training operations;
- (c) Exclusive rights to all scoreboards, outfield, and other stadium signage. Such rights shall include the right to control the design and layout of all advertising;
- (d) Subject to the approval of County, such approval not to be unreasonably withheld, the right to sell stadium naming rights. The County shall retain the first \$75,000 annually of said stadium naming rights and revenues (which shall grow 3% annually for the term of this Agreement) in a stadium maintenance and operations fund, as described in Schedule 2 and Item 9 below, with the balance of naming rights revenues going to the Rays;
- (e) Subject to the approval of County, not to be unreasonably withheld, the right to locate cellular phone towers within the stadium lighting structures and all revenues derived from the sale of this right, provided that such sale is not in conflict with the County's ability to maximize revenues from its existing cellular phone tower on the Project site.

The Rays and County further agree to work towards a mutually cooperative relationship on concessions during Rays non-primary use time (i.e. restaurant).

8. County Rights to Project Revenues

The Rays and the County agree that for the duration of this agreement, County shall retain all revenues derived from use of the Project for non-major league baseball-affiliated events staged during those periods of the year when the Rays are not entitled to primary use of the Project facilities, as described in Item 5 above. These include all revenues from facility rental fees, administrative fees, ticket sales, food/beverage concessions, pouring rights for sodas, water, and other beverages, merchandise and souvenirs, program sales, signage and non-spring training day parking.

The Rays and County further agree that these revenues will be dedicated by the County to a maintenance and operations fund, as described in Item 9 below and Schedule 2.

9. Maintenance and Capital Repair

- (a) The County shall maintain, repair, and restore all properties at the facility at no cost to the Rays, except the Rays shall provide for housekeeping and cleaning services to the clubhouse and office space it uses at no cost to the County. The County shall maintain all grounds and turf to Major League Baseball standards, said standards to be provided to the County by the Rays; however, the Rays may, at its option, elect to maintain the playing fields during the periods of its primary use. It is further understood that the County will not be responsible for any maintenance, repairs, or restoration related to damage occurring to property as a result of negligent acts or omissions of the Rays, its officers, agents, or employees.
- (b) The County shall keep and maintain the Project at all times in first-class conditions and up to first-class Major League Baseball spring training standards at the time of reference for use as a ballpark by the Rays and visiting clubs, said conditions to be reasonably approved by the Rays. The County acknowledges that the high quality conditions shall be in place prior to the beginning of and shall continue throughout each spring training season at no expense to the Rays, provided that the Rays may at its option elect to maintain the playing fields during the periods of its primary use. The County shall maintain all facilities and undertake all of its other obligations under this agreement in a manner consistent with other spring training facilities.
- (c) The Rays shall not be required to make any capital investment or expenditure related to the renovations of the facilities as hereinbefore described, or its amenities, except as set forth in Item 4 above.
- (d) If Project facilities are not maintained to the high-quality standards described above, the Rays shall send the County written notice describing what conditions it deems to be sub-standard. Upon receipt of such notice, County shall within 30 days respond in writing to the Rays concerns with a detailed remediation plan. In the event the County's remediation plan is not satisfactory to the Rays, the parties agree to submit any disputes to the resolution procedures described in Item 25.
- (e) In order for the County to fulfill its maintenance and operations obligations described above, the County and the Rays agree to

dedicate the following sources of funds to an annual Maintenance and Operations Fund ("M&O Fund"), described below and in Schedule 2:

- (1) The County agrees to dedicate \$387,043 in County funds, representing the net maintenance and operations budget of the existing facility, to the M&O Fund in the year of initial occupancy. Such payment shall grow by 3% annually for the duration of the term of this Agreement;
 - (2) The Rays, as consideration for primary use of the facility, agree to a payment of \$116,550 to the M&O Fund in the year of initial occupancy. Such payment shall grow annually by 3% for the duration of the term of this Agreement;
 - (3) The County and the Rays agree, as described in Item 7 above, that the County shall retain the first \$75,000 of revenues from stadium naming rights for dedication to the M&O Fund in the year of initial occupancy. Such payment to the M&O Fund from naming rights revenues shall grow annually by 3% for the duration of the term of this Agreement;
 - (4) The County shall commit \$125,000 of hotel tax revenue to the M&O Fund in the year of initial occupancy. Such payment will be made annually for the duration of the term of this Agreement; and
 - (5) The County agrees to commit all revenues derived from use of the Project for non-major league baseball-affiliated events to the M&O Fund. Such revenues are estimated to be \$220,000 in the year of initial occupancy and are expected to grow annually by 3% for the duration of the term of this Agreement.
- (f) The County and the Rays agree that if, in any given year, actual maintenance and operations costs are less than the amount dedicated to the M&O Fund (as described above and in Schedule 2), the difference will be transferred into the Capital Reserve Fund. This will be reviewed annually at the end of the County fiscal year.
- (g) It is recognized that during the construction phase of the renovation plan, the County may incur revenue losses and maintenance savings. To the extent that revenue losses exceed maintenance savings ("Construction Period Losses"), any subsequent maintenance savings, as defined above, would first go towards reimbursing the County as compensation for Construction Period Losses rather than into the Capital Reserve, as defined above.
- (h) The use of the Capital Reserve Fund will be reviewed and approved by both parties. Capital repair and improvements will be given highest priority.

10. Community Benefits

The Rays shall also provide the County with the following amenities, marketing tools, and other community benefits:

- (a) For the duration of this agreement, the Rays agree to provide 30 tickets and one luxury suite per spring training exhibition game for use by County for each such game;
- (b) During the first five (5) years of this agreement, the Rays agree to provide each year 5,000 free tickets to Rays regular season home games to Charlotte County youth groups;
- (c) During each annual Major League Baseball season a marketing package as set forth below:
 - (1) A half-page ad in the regular season souvenir program;
 - (2) Visual message board announcement during each regular season home game played at Tropicana Field proclaiming Charlotte Harbor & the Gulf Islands as the "Official Spring Training Home of the Tampa Bay Devil Rays" and displaying a toll free number and website provided by County;
 - (3) Time to air one 30-second feature ad during each home pre-game on the main scoreboard within one hour of the first pitch, said ad provided by County and subject to approval of the Rays;
 - (4) One visible concourse sign at Tropicana Field;
 - (5) At the request of the Charlotte County Visitor's Bureau, the Rays shall purchase one full-page advertisement in the Visitor's Bureau's annual Official Visitor's Guide at a rate of \$1,450 and participate in co-op advertising with the Visitor's Bureau in the annual Official VISIT FLORIDA Vacation Guide and other mutually beneficial marketing initiatives;
 - (6) To the extent permitted by Major League Baseball Advanced Media ("MLBAM") or the applicable MLB entity at no cost to the Rays, the Rays agree to cross-promotional website links on the spring training section of the official Devil Rays website and on the official Charlotte County tourism website;
 - (7) The Rays agree to work with the County in developing marketing tourism packages that include tickets to at least one spring training exhibition game and to forward information about these packages to season ticket holder (regular season) mailing and/or e-mail lists;
 - (8) For the first (5) years of this agreement and to the extent the Rays produce their own over-the-air ("OTA") television broadcasts, the Rays agree to provide the Charlotte County Visitor's Bureau with time to air one 30-second commercial on each such OTA broadcast.

The copy for the ads and announcements shall be prepared by the Charlotte County Visitor's Bureau and supplied directly to the Rays for distribution, with the express understanding that said ads and announcements will be periodically updated during each baseball season and subject to the approval of the Rays. The Charlotte County Visitor's Bureau shall update all printed ad copy annually, which shall be subject to approval of the Rays. The Charlotte County Visitor's Bureau agrees to pay the cost of production of print advertisement, scoreboard features, and concourse sign and to pay the cost of installation, updating, and repair of the concourse sign.

It is acknowledged that said announcements, print ads, signs, and scoreboard features are to be used solely for the purpose of promoting and advertising the tourism attributes and attractions of Charlotte Harbor & the Gulf Islands and shall not be resold by the County;

- (d) During the first five (5) years of this agreement, the Rays agree to participate in a tourism sales mission each year at a home game during the regular season for up to forty (40) people, providing admission and light refreshments and one luxury suite in order to promote Charlotte Harbor & the Gulf Islands. Dates of the sales mission will be mutually agreed upon by both the Rays and the Charlotte County Visitor's Bureau annually. This provision shall be revisited after five (5) years;
- (e) If the Rays sell a score book at spring training exhibition games, the Rays shall provide Charlotte County Visitor's Bureau a free page in such score book. The Charlotte County Visitor's Bureau will provide the material to be printed, which will be subject to the approval of the Rays;
- (f) While the County acknowledges that there are circumstances that might not make this possible at all times, the Rays, in cooperation with the Charlotte County Visitor's Bureau, agree to use reasonable efforts to locate and secure housing for the Rays players and support staff in Charlotte County. The Rays agree to work with the Charlotte County Visitor's Bureau in scheduling accommodations for visiting teams with Charlotte County as well;
- (g) The parties hereto expressly recognize and agree that the County is undertaking a substantial financial responsibility. It is, therefore, understood and agreed that the Rays will cooperate fully with the County in its efforts to promote the development and success of baseball in Charlotte County. The Rays agree that it will make a good

faith effort, subject to Major League Baseball's rules and regulations, to see that personnel and players will be made reasonably available to participate in cooperative activities involving the promotion and development of professional baseball in Charlotte County;

- (h) The Rays agree to assign a dedicated team liaison to work with the County and the Visitor's Bureau on promotional and public relations efforts;
- (i) The Rays agree to establish a scholarship fund that covers the cost of sending a minimum of three (3) underprivileged Charlotte County children to summer camp. The Rays further agree to work with Charlotte County Parks, Recreation and Cultural Resources Department to kick off this scholarship campaign with a media event;
- (j) The Rays agree, in coordination with the County Parks, Recreation and Cultural Resources Department to stage workshops and clinics annually in Charlotte County to educate and benefit the community.

11. Utilities

County shall pay all utility charges, including but not limited to water, sewer, electricity, and trash removal.

12. Public Services

County will provide all appropriate public services, including without limitation, interior and exterior security, paramedical, crowd and traffic control, at appropriate levels of coverage for all events

13. Day of Game Operations

The Rays will provide for all stadium operations and services during the Rays' spring training exhibition games, it being understood by and between the parties that included therein shall be the costs for advance promotion, advertising, sales, and distribution of tickets to all games, stadium cleanup, ushers, parking attendants, concession attendants, and any other personnel necessary to allow a game to take place.

14. Rays Parking

The Rays shall be responsible for access and security within parking areas designated for its players and support staff. County shall not be responsible for the security of any vehicles parked near the clubhouse. It is understood that the Rays shall be responsible for security of the clubhouse and office space being utilized by the Rays. The County shall install a secure, fenced, and lighted parking area near the clubhouse and offices for use of the Rays and shall provide reasonable security in such parking area for the protection of the members and the Rays.

The Rays will be responsible for attaining, coordinating and/or funding off-site parking for games or events requiring more than 1500 spaces and the County agrees to use its best efforts to assist the Rays in this endeavor.

15. Rays Right to Make Interior Improvements

The Rays shall have the right, from time to time and at its expense, to make all such improvements to, and decorate the interior of the property covered hereunder, as shall be reasonably necessary or appropriate, in the Rays' judgment, for the conduct thereon of its business. Prior to the commencement of any such major alteration, improvement, or decoration, the Rays shall submit said plans and specifications to the County Parks Director or designee for review and approval. If within thirty (30) days after such plans and specifications have been submitted and delivered by the Rays to the County Parks Director or designee for such approval, and the County Parks Director or designee shall not have given the Rays notice of disapproval thereof, stating the reason for such disapproval, then the plans and specifications shall be considered approved by the County for the purposes of this agreement. Such approval, however, will not relieve the Rays of the obligation to seek all other public approvals required under the laws of Charlotte County and/or the State of Florida.

16. Zoning and Land Use Approvals

The County will provide or secure all zoning, subdivision, land use, curb cut, construction, and all other necessary governmental or quasi-governmental approvals, licenses, and permits necessary to construct and operate the Project.

17. Environmental Remediation

County will by June 1, 2007, remediate any environmental, geodetic, or other site conditions that would adversely impact the cost or speed with which the Project can be completed. The Rays shall not be liable for any pre-existing environmental conditions of the Project site. Any costs of environmental remediation will be paid out of the Project Budget, provided that if such remediation costs exceed \$1,000,000 then the parties may terminate the Project without penalty.

18. Insurance, Liabilities, and Indemnities

- (a) The Rays agree to and will at all times defend, indemnify, save, and hold harmless the County from any and all damages, liabilities, claims, demands, expenses, and costs arising out of, or in connection with, any use of the Project facilities by the Rays, its agents, officers, servants or employees, resulting from or any manner arising out of this Agreement with the County, excepting only liability resulting solely from negligence of the County, its agents, invitees, or employees. Subject to the above exception, the Rays shall, upon

request from the County, defend and satisfy any and all suits arising from its use of the Project facilities or site.

(b) The Rays shall maintain liability insurance in the amounts of \$1,000,000 per occurrence and \$2,000,000 annual aggregate and shall designate the County as an additionally named insured to protect County from any liability arising from the use of the Project facilities or site by the Rays. The parties agree to review these amounts every five years. Certificates of insurance shall be provided to County by the Rays prior to the start of Spring Training reflecting liability insurance in the amounts set forth above as well as workers compensation insurance in the coverage amount of at least \$1,000,000 and automobile insurance in the coverage amount of at least \$1,000,000. The County further agrees to supply the Rays with certificates of insurance reflecting the County's worker's compensation and public liability and property damage insurance coverage currently in place.

(c) The County shall be liable for, and to the extent provided by law, shall indemnify, defend, and hold harmless the Rays and all of its officers, agents, and employees from, any lawsuit, claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by the County, its agents, or employees, including claims arising under worker's compensation or other applicable laws for County employees and maintenance personnel working on the Project site, during the performance of this Agreement; except that neither the County, its agents, or its employees will be liable under this item for any claim, loss, damage, cost, charge, or expense arising out of any act, error, omission, or negligent act by the Rays or any of its officers, agents, or employees during the performance of this Agreement. In the event of any lawsuit, claim, loss, damage, cost, charge, or expense involving the joint or concurrent fault of the Rays and the County, each party agrees to bear their own respective damages, loss, liability and costs (excluding attorneys' fees and costs) incurred by each party in proportion to its contribution to the aforementioned actions. In such cases, neither party shall be required to defend or bear the cost of defense of the other party.

19. Disaster Preparations

The Rays agree that the County may, at the County's reasonable discretion, use the Project as a staging area for disaster preparations, response, or other related emergency uses, provided that such use of the Project will not damage the Project so it is unfit to be used for its customary purpose. In the event County elects to use the Project for such a use, County agrees to restore the Project and Project site to the conditions existing prior to said use at the sole cost of County.

20. Taxes

It is the intent of the County and the Rays that the Project (land and improvements) shall be exempt from ad valorem taxes throughout the term of this Agreement.

21. Rights of Assignment

The rights granted to the Rays pursuant to this agreement shall not be assigned, except with the express written consent of the County, except that the Rays may assign this agreement in connection with a sale, merger, re-organization, or other disposition of the Rays or its Major League Baseball franchise so long as the assignee expressly assumes the Rays' obligations and liabilities hereunder. The County shall not assign this agreement without the prior written consent of the Rays.

22. Subordination to MLB Documents

This Agreement and any rights or exclusivities granted by the Rays hereunder shall in all respects be subordinate to each of the following, as may be amended from time to time (collectively, "MLB documents"):

- (a) Any present or future agreement entered into by, or on behalf of, any of the MLB entities or affiliates, or the member clubs acting collectively; or
- (b) The present and future mandates, rules, regulations, policies, bulletins, or directives issued or adopted by the Commissioner or the MLB entities.

The issuance, entering into, amendment or implementation of any of the MLB Documents shall be at no cost or liability to any MLB entity or affiliate or to any individual or entity related thereto.

No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the MLB entities) are conferred by this Agreement, except as specifically approved in writing by MLBAM or the applicable MLB entity.

23. Media Rights

It is expressly acknowledged and agreed by and between the parties that the County has no rights to, and shall receive no revenues from, the Rays' radio or internet broadcast or televising of any games played by the Rays, nor shall the County participate, in any manner, in determining when said games shall be scheduled, televised, or broadcast. The Rays and certain Major League Baseball entities shall have the sole and exclusive rights to record and/or transmit (or to license others to record and/or transmit) any Major League Baseball games played at the stadium via any technology now existing or hereinafter devised (including, without limitation, transmission via over-the-air television, cable television, radio, or on-line

technologies). The Rays shall own all worldwide copyright and all other rights in such games and the recordings and transmissions thereof. All rights to license any transmissions of any portions of the games, including the right to receive and retain all revenues generated from the sale or licensing of such transmission rights, shall belong solely and exclusively to the Rays and certain Major League Baseball entities. The County shall not either (a) record or transmit, or permit others to record or transmit, via any medium all or any part of the games played at the stadium, or (b) otherwise take any other action which is inconsistent with the terms and conditions of this Item 23.

24. Force Majeure

- (a) In the event that the Stadium is damaged or destroyed by hurricane, fire or other Act of God or casualty, the County shall, if practicable, cause the Stadium to be repaired or restored as soon as reasonably possible, and the amounts payable by the Rays hereunder shall be abated for the period from the date of casualty until the completion of the repairs or restoration of such portion or portions of the Stadium as shall have been rendered unusable by such damage.
- (b) If the County, in its sole determination, decides that it is not practicable to repair the Stadium it may elect to terminate this Agreement without penalty. Such election shall be exercised by the County by giving written notice thereof to the Rays within ninety (90) days after such casualty occurs. If the County elects to terminate the Agreement, any payments due from the Rays for future events shall cease to accrue as of the date of such casualty. The Rays shall be required to pay to County any monies owed to County for events that occurred prior to any such casualty.
- (c) If the County elects not to terminate this Agreement, it shall so notify the Rays by written notice within said ninety (90) days specifying the period of time within which the County reasonably estimates that the Stadium may be repaired or restored to its condition prior to the casualty. If such period of time exceeds one (1) year from the start of the repair or restoration to completion, then the Rays may terminate this Agreement without penalty, and shall provide written notice to County of said termination within ninety (90) days of the date of receipt of the notice from the County to the Rays referred to above.

25. Settlement of Disputes Arising Under the Agreement

- (a) Any controversy which shall arise between the Rays and the County regarding the rights, duties, or liabilities hereunder of either party shall be immediately communicated to the other party. In an attempt to settle, the parties agree to non-binding mediation in Charlotte County, Florida, pursuant to the laws of the State of Florida.

(b) This agreement shall be governed by, construed, and enforced in accordance with the laws of the State of Florida. In the event any litigation arises between the parties in connection with this Agreement, venue for said litigation shall lie exclusively in Charlotte County, Florida.

26. Entire Agreement

This agreement contains the entire agreement and understanding between the parties. There are no oral understandings, terms or conditions and neither party has relied on any representation, express or implied, not contained in this agreement or the simultaneous or prior writing heretofore. All prior understandings, terms or conditions are deemed to merge in this agreement and this agreement cannot be changed or supplemented orally, but only by an agreement in writing, and signed by the party against whom enforcement of any waiver, change, modification, or discharge is sought.

27. Severability

If any provision of this Agreement shall be declared invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect.

28. Rights of Renewal

The Rays shall have five (5) options of renewing this agreement for an additional one (1) year period under the same terms and conditions hereof by giving County written notice of its intention to renew same not less than ninety (90) days prior to the expiration of the term hereof.

29. Notice

Any notice required or permitted to be sent hereunder shall be sent by certified mail, return receipt requested, to the parties at the addresses listed below:

If to County:
County Administrator
18500 Murdock Circle
Port Charlotte, FL 33948-1094

with a copy to:
Director Parks, Recreation
and Cultural Resources
2300 El Jobean Road
Port Charlotte, FL 33948

If to Tampa Bay Devil Rays:
Mr. John P. Higgins
Tropicana Field
One Tropicana Drive
St. Petersburg, FL 33705

30. Contact Persons

The parties agree to designate one or more employees to whom all communications pertaining to the day-to-day conduct of the performance of this Agreement shall be addressed.

31. Authority to Execute

County and Rays both warrant to the other that they, and the persons executing this Agreement on behalf of each of them, have the right, power and authority to execute this Agreement.

32. Effective Date

This Agreement shall become effective upon the filing thereof in the public records of the Clerk of the Circuit Court of Charlotte County, Florida.

IN WITNESS WHEREOF, the parties have executed this agreement on the date first mentioned above.

Section Submittal – B

**AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT BETWEEN
CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS BASEBALL, LTD.**

THIS AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment", is made and entered into this 26 day of January, 2010, by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY DEVIL RAYS LTD., n/k/a TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, pursuant to the terms of the Agreement, the County is responsible for maintaining the playing fields at the Sports Park but the Rays have the option of electing to maintain the playing fields during the periods of their primary use; and

WHEREAS, the Rays have requested that County permit the Rays to maintain the Sports Park Fields, as defined herein, on a year-round, full time basis; and

WHEREAS, County and Rays now desire to amend the Agreement to provide for the Rays assuming year-round, full time, responsibility for the maintenance of the Sports Park Fields at the Sports Park.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

1. Purpose.

The purpose of this Amendment is to provide for the assumption of year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5½ practice fields within the Sports Park complex (hereinafter "Sports Park Fields") by the Rays beginning January 12, 2010 (the "Effective Date").

2. SPORTS PARK FIELDS MAINTENANCE.

Rays groundskeeping staff will provide all necessary field maintenance and support for all activities on the Sports Park Fields, including, but not limited to Rays spring training games, Gulf Coast League games, and "non-major league baseball-affiliated events" as defined in Section 6 of the Agreement as concerts, plays, sporting events and tournaments or other revenue-producing or civically-oriented events. The Rays will also assume the County's responsibility to provide field management maintenance and support for the Florida State League team as

outlined in the County's Stadium Lease Agreement with Ripken-Rays Florida Baseball LLC. County acknowledges, and Rays agree, that the Rays have a thorough understanding of the maintenance standards necessary to maintain the Sports Park Fields pursuant to the terms of this Amendment.

3. SPORTS PARK FIELDS MAINTENANCE STAFFING PLAN.

(a) The field maintenance staff for the Sports Park Fields shall be hired and employed by the Rays and will consist of a Head Groundskeeper, Field Maintenance Supervisor, who will report directly to the Head Groundskeeper, six full-time groundskeepers, staff equipment mechanic, and all seasonal and part-time employees who shall report to the Field Maintenance Supervisor. Additionally, the Field Maintenance Supervisor will manage any contracted service providers for field maintenance. Within thirty (30) days of the effective date of this Amendment, Rays agree to interview, and consider hiring, field maintenance staff currently employed by County for employment as Rays field maintenance staff for the Sports Park Fields.

(b) The Rays and County acknowledge the stadium playing field drainage issues which arose during the 2009 baseball season. The County agrees that the Rays are not responsible for any current or future stadium playing field structure or performance issues resulting from either the original construction of the field or from field maintenance by the County which began in January 2009 and will run through the end of the implementation of the Playing Field Action Plan noted below and attached hereto as Attachment A. After the Playing Field Action Plan has been completed Rays shall assume sole responsibility for the maintenance of the stadium playing field. In the event that the Playing Field Action Plan does not adequately resolve the underlying stadium field drainage issues, the Rays are not responsible for any future stadium playing field improvements to address those drainage concerns identified in Attachment A.

(c) To address the stadium playing field drainage concerns, the County will implement the attached Playing Field Action Plan. The County acknowledges that the Rays shall assume no costs associated with the Playing Field Action Plan, including any additional material or labor costs associated with any element of the follow-up protocol, which may be undertaken after January 12th, 2010, including on-going costs associated with acid injection. The County will provide all necessary resources to complete the implementation of the Playing Field Action Plan including the 31-60 day follow up, projected to end no later than February 5th, 2010.

(d) Any potential future field maintenance or reconstruction of any or all of the Sports Park Playing Fields that are unrelated to the stadium field drainage issues identified herein, and the costs for such field maintenance or reconstruction that are not the responsibility of the Rays under the terms of this Amendment, shall be mutually negotiated and agreed upon by Rays and County.

(e) Rays agree to abide by all applicable laws, rules, ordinances and regulations of any federal, state or local governments or agencies in the performance of any work, services or other obligations required of the Rays under the terms of this Amendment.

4. DUTIES OF RAYS SPORTS PARK FIELDS MAINTENANCE SUPERVISOR AND STAFF.

(a) The Field Maintenance Supervisor is a working foreman who assists the Rays Head Groundskeeper in the maintenance of the Sports Park Fields. The Field Maintenance Supervisor will meet with designated County Parks, Recreation and Cultural Resources Staff on a weekly basis to review field conditions, work plans, and discuss upcoming activities including any upcoming use of the Sports Park Fields by either County or Rays. Field Maintenance Supervisor responsibilities shall include, but are not limited to:

- Ensuring the Sports Park Fields are properly maintained to Major League Baseball, Tampa Bay Rays and County specifications
- Addressing the field preparation needs of managers, coaches, trainers and players
- Maintaining a high-level working knowledge of herbicides and pesticides
- Supervising day to day work activities of groundskeepers, including providing daily work direction and task assignment
- Addressing groundskeeper's performance issues
- Making weekly schedule for staff
- Evaluating groundskeeper's performance on an annual basis
- Acting on other duties or projects assigned by the Head Groundskeeper or front office personnel.

(b) The Rays full-time, seasonal and part-time groundskeepers will be responsible for maintaining the Sports Park Fields according to Major League Baseball, Tampa Bay Rays and County standards. Responsibilities shall include the following:

- Applying ball field mechanics, e.g. ensuring accurate distances and measurements
- Working with different types of clay and clay conditioners
- Working with natural and artificial turf
- Working game days - pre-game preparation, raking infield during games, post-game clean up
- Building and maintaining pitching mounds and home plates
- Mowing and edging fields to ensure a safe playing field and appropriate appearance
- Maintaining common areas surrounding facilities
- Maintaining irrigation systems and performing all necessary irrigation of the Sports Park Playing Fields to Major League Baseball, Tampa Bay Rays and County standards.
- Working with herbicides and pesticides
- Safely using all equipment required for above
- Additional duties and projects as required by Head Groundskeeper or Field Maintenance Supervisor.

5. SPORTS PARK FIELDS MAINTENANCE EQUIPMENT.

(a) All equipment necessary to maintain the Sports Park Fields, with the exception of the equipment provided to the Rays by County pursuant to paragraph 5(b) of this Amendment, shall be provided by and paid for by the Rays.

(b) Charlotte County Parks and Recreation will provide the Rays a full list of all County owned field maintenance equipment available for the use of the Rays. ("County Field Maintenance Equipment"), attached hereto as Attachment B, noting (i) the condition of each

piece and hours logged, (2) copies of all maintenance plans and warranty materials, (3) instruction materials, (4) a recommended protocol regarding equipment servicing, and (5) the long-term replacement plan for each piece. The County will continue to maintain all warranties on the County Field Maintenance Equipment, and will be responsible for processing all warranty requests in a timely manner.

(c) The Rays shall provide and pay for regular maintenance for the County Field Maintenance Equipment; however, the County will perform annual reel grinding for all appropriate County Field Maintenance Equipment at County's expense. The Rays staff mechanic will service the County Field Maintenance Equipment on a regular and as-needed basis. The County will conduct semi-annual inspections of the County Field Maintenance Equipment. Any necessary repair or replacement of the County Field Maintenance Equipment, including emergency repairs or replacements, will be agreed-upon by both the Rays and the County. The County will maintain all appropriate insurance on the County Field Maintenance Equipment.

(d) The County will arrange for the delivery of gas and diesel fuel for the field maintenance equipment at no charge to the Rays, but the cost of the gas and diesel fuel shall be paid for by the Rays to County at the current contract price in effect under County's annual contract for gas and diesel fuel purchases.

6. SPORTS PARK FIELDS MAINTENANCE MATERIALS AND SUPPLIES.

(a) The Rays shall be responsible for providing and paying for all maintenance materials and supplies necessary to maintain the Sports Park Fields, including, but not limited to fertilizer, herbicides/pesticides, clay and clay conditioner, nets, protective screens, wind screens, top dressing sand, overseeding supplies, chalk, uniforms, and small tools (e.g. rakes, shovels, brooms, edgers, weed-eaters).

(b) The Rays will also provide all Field Maintenance office supplies, including janitorial supplies, office equipment, phones, computers and other such items and shall be responsible for any and all costs, billings or charges related to same. The County will provide safe and professional work space, including office, garage and storage space, for the Field Maintenance Staff in Building C within the Sports Park complex. The County will also continue to provide garbage and debris removal services for the Sports Park complex.

7. SPORTS PARK FIELDS MAINTENANCE BUDGET.

(a) County and Rays acknowledge that the Agreement provides for in Section 9(e) and in SCHEDULE 2-PROJECT MAINTENANCE AND OPERATIONS FUNDING SOURCES ("Schedule 2"), a schedule of annual payments for the Sports Park facility to the M&O Fund to be paid by County and Rays for maintaining and operating the Sports Park complex and grounds.

(1) The parties agree that the total cost to maintain the Sports Park Fields for the initial year of this Amendment, year 2010 is \$525,285.10 and shall grow annually at a rate of 3% ("Field Maintenance Budget"), as detailed on the schedule of payments, attached hereto as Attachment C.

(2) The County shall deduct the Rays' annual M&O payment obligation, as described in the Agreement, and then tender payment to the Rays for the remainder each year in equal quarterly installments on January 15th, April 15th, July 15th and October 15th during the term of this Amendment. As an example, in 2010, the Rays M&O payment obligation is \$120,047. The County shall deduct this amount from the 2010 Sports Park Fields budget of \$525,285.10 and tender payment to the Rays in the amount of \$405,238.10 in the manner noted above and on Attachment C ("County Obligation to Rays").

(3) The County and the Rays further agree that, in exchange for the payment to the Rays for field maintenance services for the Sports Park Fields noted above, the County shall be entitled to reduce its obligation to fund Maintenance and Operations at the Sports Park, noted in Section 9 and Schedule 2 of the Agreement, in an amount up to the annual County Obligation to Rays for field maintenance. In no event shall the reduction of any County funds to the total M&O budget be greater than the County Obligation to Rays for field maintenance. As noted in Attachment C, in 2010, the Remaining County M&O and Other Event Revenues Obligation will be \$422,266. All other County operating and maintenance obligations noted in the Agreement remain.

(4) As per Section 9 of the Agreement, the County and Rays agree that if, in any given year, actual County maintenance and operations costs at the Sports Park are less than the Remaining County M&O and Other Event Revenues Obligation as noted on Attachment C, the difference will be transferred into the Capital Reserve Fund. This will be reviewed annually at the end of the County fiscal year.

(b) The Rays agree to keep a field maintenance budget for all expenses related to the maintenance of the Sports Park Fields and agree to schedule an annual meeting with County to review the status of that budget. The parties agree to annually review the actual expenditures for the Sports Park Fields maintenance. This would not result in any change to the financial obligation set forth herein to either party but should be viewed as a part of due diligence regarding utilization of taxpayer funds.

B. COUNTY'S RIGHT OF USE OF THE SPORTS PARK AND SPORTS PARK FIELDS.

The parties agree that County shall have use of the Sports Park facility, including the Sports Park Fields, for non major league baseball-affiliated events (as that term is defined in the Agreement) and pursuant to the terms of the Agreement. The parties agree that nothing contained in this Amendment or the Agreement shall be construed as to give the Rays authority to refuse to permit County the use of the Sports Park Fields for any non major league baseball-affiliated events, and the parties agree that the County reserves the right to use the Sports Park Fields for any non major league baseball-affiliated events at County's sole discretion and approval. Prior to the scheduling of any non-major league baseball-affiliated events at the Sports Park, the County will review the scope of the event with the Rays and, if applicable, confirm (1) field availability, and (2) the appropriate field maintenance needs.

Costs for any non-traditional field maintenance needs associated with non major league baseball events are the responsibility of the County-or any third party event vendor. Non-traditional

field maintenance needs include, but are not limited to field conversion activities for special events (e.g. forklift operations for concert stage set up) and repairs to damages to the playing field that result from such use. The County bears general responsibility for any damages to the playing field caused by non-major league baseball events. All conditions regarding non-major league baseball-affiliated events as noted in Section 6 of the Agreement, including the provision that County shall be responsible for all liabilities arising from County's use of the Sports Park Fields for non major league baseball-affiliated events still apply.

9. STADIUM LEASE AGREEMENT - RIPKEN-RAYS FLORIDA BASEBALL LLC.

County and Rays acknowledge that the STADIUM LEASE AGREEMENT between RIPKEN-RAYS FLORIDA BASEBALL LLC (hereinafter referred to as "Ripken") and County, entered into on or about February 10, 2009, provides that the County shall maintain the Sports Park Fields. By signature of Ripken's authorized representative on this Amendment, Ripken hereby consents and agrees to the terms and conditions of this Amendment which provide that the Rays shall be solely responsible for the year-round maintenance of the Sports Park Fields.

10. TERM/TERMINATION.

The term of this Amendment shall begin on the Effective Date and shall terminate simultaneously with the termination of the Agreement; provided, however, that either County or Rays may terminate this Amendment, with or without cause, at any time upon providing nine (9) months written notice of termination to the non-terminating party. In the event this Amendment is terminated by either party, the responsibility for maintaining the Sports Park Fields will revert back to the County on the same terms that are enumerated in the Agreement and all other provisions of the Agreement shall remain in effect.

11. INCORPORATION.

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment, including all exhibits and attachments hereto, is specifically incorporated into and made a substantive part of the Agreement.

12. SEVERABILITY.

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

13. CONFLICT WITH AGREEMENT.

All provisions of the Agreement not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement.

14. ENTIRE AGREEMENT. This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the parties, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this document.

15. **MODIFICATION.** No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed by the parties with the same formality and of equal dignity herewith.

16. **ASSIGNMENT.** This Amendment, or any interest herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances by either party without the prior written consent of the other party.

17. **INDEMNIFICATION.** Rays shall indemnify, hold harmless and, at County's option, defend County, and its officers and employees, from all suits and actions at law, liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of Rays and persons employed or utilized by Rays in the performance of any work or services under this Amendment.

18. **AUTHORITY TO EXECUTE.**

County, Rays and Ripken warrant to the other parties that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment.

19. **EFFECTIVE DATE.**

If fully executed by County, Rays, and Ripken, this Amendment shall take effect on January 12, 2010.

IN WITNESS WHEREOF, the parties have executed this agreement on the dates indicated below.

Attachment A
Playing Field Action Plan

Summary Approach

The following approach deals with the approximate 80,000 SF outfield turf area bordered in red. It does not involve the warning track or infield area.

Approach

1. Irrigation Enhancement to improve water quality
2. Deep Drill Aerification Program – Execution
3. Deep Drill Aerification Program – Follow Up
4. Amended Maintenance Program

Responsibility Matrix

Approach

1. Irrigation Enhancement to improve water quality – Populous, TerraSport, Dan Morgan collaborate and issue appropriate specification/deliverables. HMT contracts for any equipment installation required. County handles any ongoing O&M purchases/activities
2. Deep Drill Aerification Program – Execution - Sports Turf One
3. Deep Drill Aerification Program – Follow Up – Charlotte County
4. Amended Maintenance Program - Dan Morgan issues (Populous & TerraSport review/comment)

2

Deep Drill Aerification Program - Execution

- A. Deep drill aerification with 7/8 inch drill type tines to a fifteen inch depth. Vacuum and remove drill generated debris off of the field. This will shatter layers forming in the soil & gravel. Allow water to pass through & entry of soil conditioning products. Ease surface puddling.
- B. Top dress the playing field surface with 180 EM manufactured coarse sand at a rate of 40 tons per acre. Sand to be amended with sun flower hulls and gypsum. Drag material into drill holes. This will aid in conditioning soil. Allow passage of water; bring soil conditioning products directly to the soil where it is needed. Will ease surface puddling & help short & long term solution to the drainage issues.
- C. Number of Passes
 - Red Area - 3 passes
 - Blue Area - 2 passes
 - Green Area - 1 pass

7/8" diameter holes at 5" on center each way
 - typical for each pass

11/9/09

3

Deep Drill Aerification Program – Follow Up

These follow up steps are to be performed by the County within the first 30 days after the Deep Drill Aerification

- A. Apply additional gypsum at the rate of 25 lbs. per one thousand square feet. Counteracts the poor water quality & conditions the soil which will improve drainage.
- B. Apply soil-coating fertilizer application after completion of the aerification and top dressing at a rate of 200 lbs. per acre. Aid in plant recovery from aerations.
- C. Apply ammonium sulfate 21-0-0 fertilizer at 200 lbs. per acre after completion of the aerification and top dressing. Aid in recovery from aerations. Aid help neutralize bad influences in the soil.
- D. Apply top-dress fertilizer with minors two weeks after aerification. Aids recovery of turf damage & restores color. May want to do this every two weeks.

These follow up steps are to be performed by the County within day 31-60 after the Deep Drill Aerification

1. Apply ammonium sulfate 21-0-0 fertilizer at 200 lbs. per acre. Stimulate new growth.
2. Add In fertilizer help neutralize influence in the soil.
3. Deep tine aerification with 5/8" solid or hollow tines to an eight inch depth in two directions. Vacuum and dispose of cores off of the field. Type of tine & field procedures will have to be adjusted per field conditions at the time of aerification. Depending on the weather & field conditions at the time. The idea is to continue conditioning the soil to improve root growth & drainage. If the turf is not very strong at this time substitute Aerway solid tine aerification.
4. Top dress the playing field surface with 180 PM manufactured coarse sand at a rate of 2.5 tons per acre. This should be done after the seed is broadcast.
5. Apply gypsum at the rate of 25 lbs. per one thousand square feet. This application will supplement material already in the ground & condition the soil for better drainage.
6. Verticut field very lightly in preparation for rye grass over seeding. Light verticutting is a common practice before overseeding. This is optional depending on the density of the turf. If the turf manager feels due to the close timing of the aerifications & has thin or worn turf this may be detrimental this step maybe skipped.
7. Apply a pre-plant fertilizer 9-7-7 at a rate of 300 lbs. per acre. This will help the establishment of the new turf. Having no knowledge of the other recent fertilizations or soil fertility testing this is a safe procedure. It is very possible to double the rate with no ill effects.
8. Over seed turf areas with rye grass seed at a rate of ten lbs. per thousand. This is a recommended rate. A rate of 15 pounds per thousand might be better initially but may create a problem next spring during transition back to Bermuda grass. This should be the turf manager's call at the time of application.
9. Apply foliar fertilizer application two weeks after over seeding. This will help new seed establish & improve hardiness.
10. Apply a fungicide application as needed for disease prevention to established rye grass. Disease is very possible at this stage especially with contrary weather conditions. Preventative or curative applications should be applied as needed.

Return to annual maintenance programs as recommended by the agronomic team

11/9/09

4

Amended Maintenance Program

Revise and reissue the July 2008 Maintenance Program to specifically define program to be followed by entity maintaining the outfield turf area outlined in red.

ATTACHMENT C

Amends AGR 2006-053

**SECOND AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT
BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS
BASEBALL, LTD.**

THIS SECOND AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment", is made and entered into this 25th day of January, 2011, by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, on or about January 26, 2010, the County and the Rays entered into an Amendment to the Charlotte Sports Park Agreement (the "First Amendment") wherein the Rays assumed year-round, full time, responsibility for the maintenance of the Sports Park Fields at the Sports Park; and

WHEREAS, the Rays have now requested that the County amend the Agreement to permit the Rays to occupy Building "B" at the Sports Park and to provide that the Rays will assume the responsibilities for landscaping maintenance for the common grounds surrounding the Sports Parks Fields, as further described and designated in this Amendment, on a year-round, full time basis.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

1. Purpose.

The purpose of this Amendment is to permit the Rays to occupy Building "B" at the Sports Park and the assumption of year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Parks Fields by the Rays.

2. Building B - Charlotte County Sports Park

(a) Beginning January 26th 2011, the Rays will have sole use of Building B, as designated and identified on Exhibit A which is attached hereto and incorporated herein by reference, consistent with those areas of the Sports Park outlined in Section 5(d) of the Agreement; however, the Rays will make reasonable good faith efforts to make the locker room and shower/grooming areas available for tournaments or other meetings/events booked and/or approved by the County during all times of the year, except for those designated under Section 5 (a), (b) and (c) in the Agreement (spring training, extended spring training, instructional

league). The County is solely responsible for any improvements required to make the locker room/grooming areas available to the public for tournaments or other meetings/events booked and/or approved by the County, including any improvements required by the Americans with Disabilities Act.

(b) The Rays will not charge a fee for use of the locker room and shower/grooming areas for tournaments or other meetings/events. The County will be responsible for cleaning these areas after any tournament or other event. Building B shall be covered under Section 9(a) of the Agreement, and as per that section, the County shall maintain, repair, and restore all properties at the facility at no cost to the Rays, except the Rays shall provide for housekeeping and cleaning services to the clubhouse and office space it uses at no cost to the County. Additionally, as per Section 9(a) of the Agreement, the County will not be responsible for any maintenance, repairs, or restoration related to damage occurring to property as a result of negligent acts or omissions of the Rays, its officers, agents, or employees.

(c) Section 5(d) of the Agreement is clarified to include the entirety of the building housing both major and minor league clubhouses, as well as the Rays' administrative offices, as a defined area of sole use by the Rays.

(d) Building B will be turned over to the Rays in a clean condition; all materials and items currently housed in Building B will be removed before January 26th with the exception of any items currently stored in the existing laundry room within Building B, which will still be available for County storage.

(e) Similar to current provisions within the Agreement, the Rays, at their sole discretion and cost, may make reasonable facility enhancements to Building B, including, but not limited to lighting, painting, etc. Any major capital improvements to Building B would require the approval of the County, and can be considered for CIP funds. During the term of this Amendment either the Rays or the County have the right to present to the other party ideas for major capital improvements to Building B that would encourage and support additional use of Building B as a first-class major league baseball facility.

3. Landscape Maintenance - Charlotte County Sports Park

(a) The following lists the overall scope of services the Rays will provide for landscape maintenance within the Project Area, as noted on the attached Exhibit A. The term "Project Area" as used in this Amendment and as shown on Exhibit A shall mean and include those common grounds within the Project Area exclusive of the Sports Fields.

- Mow and edge all common areas
- Trim all trees and bushes
- Maintain seasonal and annual plantings in all islands and beds , including the green roof
- Keeps islands, beds and fence lines weed free, including the green roof bed located on the roof of the Rays Clubhouse
- Spray herbicides/pesticides as needed.

(b) The County will continue to be responsible for maintaining all areas outside of the Project Area, including, but not limited to the stadium parking lot and right-of-ways along El Jobean Road and Esther Street, and the regular maintenance and any necessary repairs to the irrigation system within the Project Area; except that the Rays shall be responsible for any damages/repairs to the irrigation system, including sprinkler heads, caused by the Rays. The County will also provide the Rays the use of a lift once a year for tree trimming, at a time

coordinated with the Rays Head Groundskeeper, small start-up tools for the services provided to the extent available, and be responsible for the replacement of any trees, bushes or sod that die from hard weather, frost or other Acts of God.

4. Energy Savings Plan

County and the Rays agree to work together to identify opportunities for energy savings that do not negatively impact overall operations around and throughout the overall Sports Park facility. The parties agree to work together to develop an action plan within ninety (90) days of the effective date of this Amendment identifying possible energy savings methods or programs.

5. TERM.

The term of this Amendment shall begin on the Effective Date and shall terminate simultaneously with the termination of the Agreement.

6. INCORPORATION.

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement.

7. SEVERABILITY.

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

8. CONFLICT WITH AGREEMENT.

All provisions of the Agreement not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement.

9. ENTIRE AGREEMENT. This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the parties, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this document.

10. MODIFICATION. No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed by the parties with the same formality and of equal dignity herewith.

11. ASSIGNMENT. This Amendment, or any interest herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances by Rays without the prior written consent of County.

12. **INDEMNIFICATION.** Rays shall indemnify, hold harmless and, at County's option, defend County, and its officers and employees, from all lawsuits, actions at law, liabilities, damages, losses, and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of Rays and any persons employed or utilized by Rays in the performance of services under this Amendment or the use of any facilities.

13. **AUTHORITY TO EXECUTE.**

County and Rays warrant to the other party that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment.

14. **EFFECTIVE DATE.**

This Amendment shall take effect upon the filing of a fully executed copy with the Clerk of the Circuit Court of Charlotte County, Florida.

IN WITNESS WHEREOF, the parties have executed this agreement on the dates indicated below.

**THIRD AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT BETWEEN
CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS BASEBALL, LTD.**

THIS THIRD AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment", is made and entered into this 9 day of September, 2014, by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park" or "facility") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, pursuant to the terms of the Agreement, an asset renewal/reserve fund (the "Capital Reserve Fund") was established to be spent on the facility subject to the terms and conditions mutually agreed upon by the Rays and the County, with capital repair and improvements given the highest priority; and

WHEREAS, the balance of the Capital Reserve Fund has been depleted over the years; and

WHEREAS, the County and Rays (collectively the "Parties") now wish to amend the Agreement by providing for additional funding from each of the Parties to be placed in the Capital Reserve Fund.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

1. Purpose.

The purpose of this Amendment is to provide for additional capital reserve funding contributions by the County and the Rays. The Rays agree to pay to the County for placement in the Capital Reserve Fund the amount of fifty thousand dollars (\$50,000) per calendar year for the years 2014, 2015, and 2016. In addition to these payments made by the Rays, the County agrees to place in the Capital Reserve Fund an additional fifty thousand dollars (\$50,000) per calendar year for the years 2014, 2015, and 2016. The Parties agree that these payments are to be made in addition to any funds already designated for placement in the Capital Reserve Fund under the Agreement, and are to be made on or before December 1st of each year.

2. TERM.

The term of this Amendment shall begin on the Effective Date and shall terminate on December 31, 2016.

3. INCORPORATION.

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement.

4. SEVERABILITY.

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

5. CONFLICT WITH AGREEMENT.

All provisions of the Agreement not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement.

6. ENTIRE AGREEMENT.

This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the parties, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this document.

7. MODIFICATION.

No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed by the parties with the same formality and of equal dignity herewith.

8. ASSIGNMENT.

This Amendment, or any interest herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances by Rays without the prior written consent of County.

9. AUTHORITY TO EXECUTE.

County and Rays warrant to the other party that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment.

10. EFFECTIVE DATE.

This Amendment shall take effect upon the filing of a fully executed copy with the Clerk of the Circuit Court of Charlotte County, Florida.

IN WITNESS WHEREOF, the parties have executed this agreement on the dates indicated below.

FOURTH AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS BASEBALL, LTD.

THIS FOURTH AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment," is made and entered into by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park" or "facility") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, on or about January 26, 2010, the County and the Rays entered into the First Amendment to the Agreement to provide for the Rays to assume full-time, year-round maintenance of the Sports Park Fields at the Sports Park; and

WHEREAS, on or about January 25, 2011, the County and the Rays entered into the Second Amendment to the Agreement which allowed the Rays to occupy Building "B" at the Sports Park and to provide landscaping maintenance for the common grounds surrounding the Sports Park Fields on a full-time, year-round basis; and

WHEREAS, on or about September 9, 2014, the County and the Rays entered into the Third Amendment to the Agreement which provided for additional funding from each of the Parties to be placed in the Capital Reserve Fund; and

WHEREAS, pursuant to the terms of the Agreement, the County and the Rays (collectively the "Parties") now wish to amend the Agreement by providing for the leasing of field maintenance equipment to be used at the Sports Park and providing for joint funding from the Parties.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

1. PURPOSE.

The purpose of this Amendment is to provide for the leasing of field maintenance equipment by the Rays as agreed upon by the Parties in replacement of the County Field Maintenance Equipment provided to the Rays as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement. The Parties agree upon the necessary replacement of the County Field Maintenance Equipment and recognize that the leasing of field maintenance equipment will provide greater operational efficiency, and agree that the Rays shall be responsible for leasing field maintenance equipment for use at the Sports Park.

2. EQUIPMENT LEASE, PAYMENT.

The Rays shall enter into a four-year lease (the "Lease") with a third-party provider for field maintenance equipment. The Parties agree that the estimated annual cost for the Rays to lease the field maintenance equipment will be Eighty-Two Thousand Dollars (\$82,000), and the County shall annually during the term of the Lease be responsible for contributing Forty-One Thousand Dollars (\$41,000) from the Maintenance and Operations Fund described in the Agreement. In the event that the actual annual lease amount is less than estimated, the County shall be entitled to offset its contribution in future years during the term of the Lease to equal a fifty percent (50%) contribution of the actual total lease amount. The Rays shall initially provide the executed field maintenance equipment lease to the County on or before April 2, 2016. The County shall perform its obligations herein annually during the term of the Lease by tendering payment to the Rays on or about April 2 of each year after receiving confirmation from Rays that the four-year field maintenance equipment lease remains binding and valid. The County will not have any responsibilities with regard to the leased field maintenance equipment, including but not limited to maintenance, repair, storage, theft, or loss, unless damage, theft, or loss of the equipment occurs by the fault of the County.

3. TERM.

This Amendment shall become effective upon the filing of a fully executed copy with the Clerk of the Circuit Court of Charlotte County, Florida. This Amendment and the obligations herein shall be effective for the four-year term of the Rays' field maintenance equipment lease. Upon the expiration or early termination of the four-year field maintenance equipment lease, all duties and obligations herein regarding the leased field equipment shall automatically terminate. It is anticipated that the Parties shall assess options for the replacement of the field maintenance

equipment on or before the expiration of the four-year field maintenance lease, with a plan for the replacement of this equipment upon the expiration or early termination of the lease to be agreed upon in partnership between the Parties.

4. INCORPORATION.

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement.

5. SEVERABILITY.

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

6. CONFLICT WITH AGREEMENT.

All provisions of the Agreement not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement.

7. ENTIRE AGREEMENT.

This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the parties, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this document.

8. MODIFICATION.

No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed by the parties with the same formality and of equal dignity herewith.

9. ASSIGNMENT.

This Amendment, or any interest herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances by Rays without the prior written consent of County

10. AUTHORITY TO EXECUTE.

County and Rays warrant to the other party that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment.

II. EFFECTIVE DATE

This Amendment shall become effective upon the filing of a fully executed copy with the Clerk of the Circuit Court of Charlotte County, Florida.

IN WITNESS WHEREOF, the parties have executed this agreement on the dates indicated below.

FIFTH AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS BASEBALL, LTD.

THIS FIFTH AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT, hereinafter referred to as the "Amendment", is made and entered into by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, hereinafter referred to as the "County", and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705, hereinafter referred to as the "Rays".

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (hereinafter the "Agreement") whose purpose was for the rehabilitation and use of the Charlotte Sports Park (hereinafter the "Sports Park" or "facility") as well as providing for a public recreation amenity and hosting the Rays' spring training program; and

WHEREAS, the Parties executed a First Amendment to the Agreement on January 26, 2010 to provide for the assumption of year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5 ½ practice fields within the Sports Park complex by the Rays; and

WHEREAS, the Parties executed a Second Amendment to the Agreement on January 25, 2011 to permit the Rays to occupy Building "B" at the Sports Park and the assumption of year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Parks Fields by the Rays; and

WHEREAS, the Parties executed a Third Amendment to the Agreement on September 9, 2014 to provide for additional capital reserve funding contributions by the County and the Rays; and

WHEREAS, the Parties executed a Fourth Amendment to the Agreement on February 23, 2016 to provide for the leasing of field maintenance equipment by the Rays as agreed upon by the Parties in replacement of the County Field Maintenance Equipment provided to the Rays as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, pursuant to the terms of the Agreement amended on September 9, 2014, an asset renewal/reserve fund (the "Capital Reserve Fund") was established to be spent on the facility subject to the terms and conditions mutually agreed upon by the Rays and the County, with capital repair and improvements given the highest priority; and

WHEREAS, the balance of the Capital Reserve Fund has been depleted over the years; and

WHEREAS, the County and Rays (collectively the "Parties") now wish to amend the Agreement by providing for additional funding from each of the Parties to be placed in the Capital

Reserve Fund; and

WHEREAS, the Agreement and any subsequent amendments thereto are silent as to the priority of any insurance coverage the parties maintain or are required to maintain, and the parties desire to clarify the parties responsibilities as it relates to maintaining insurance coverage; and

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby covenant and agree as follows:

1. **PURPOSE.**

The purpose of this Amendment is to provide for additional capital reserve funding contributions by the County and the Rays and to clarify insurance provisions. The Rays agree to pay to the County for placement in the Capital Reserve Fund the amount of fifty thousand dollars (\$50,000) per calendar year for the years 2017, 2018, and 2019. In addition to these payments made by the Rays, the County agrees to place in the Capital Reserve Fund an additional fifty thousand dollars (\$50,000) per calendar year for the years 2017, 2018, and 2019. The Parties agree that these payments are to be made in addition to any funds already designated for placement in the Capital Reserve Fund under the Agreement, and are to be made on or before December 1st of each year; and

In addition to the terms set forth in paragraph 18(a) of the "Agreement" it is agreed that all commercial general liability and auto liability insurance policies maintained by the Rays shall be primary insurance with respect to any liability insurance maintained by the County, its officers, employees, agents and volunteers for claims arising in connection with the Rays' operations under the lease or any Amendments thereto. Any liability insurance or self-insurance maintained by the County, its officers, employees, agents and volunteers shall be excess of the Rays insurance and shall not contribute with it for claims arising in connection with the Rays' operations under the lease or any Amendments thereto.

2. **DEFINITIONS.**

Whenever the following terms are used in the Agreement or this Amendment they shall have the meanings specified below:

"BOC" shall mean the Office of the Commissioner of Baseball, an unincorporated association comprised of the MLB Clubs who are party to the Major League Constitution, and any successor organization thereto.

"Club" shall mean the Major League Baseball franchise currently known as the Tampa Bay Rays.

"Commissioner" shall mean the Commissioner of Baseball as elected under the Major League Constitution or, in the absence of a Commissioner, any Person succeeding to the powers and duties of the Commissioner pursuant to the Major League Constitution.

"Executive Council" shall mean the Executive Council of Major League Baseball that is

governed by Article III of the Major League Constitution, and any successor body thereto.

“Major League Baseball” or “MLB” shall mean, depending on the context, any or all of (a) the BOC, each other MLB Entity and/or all boards and committees thereof, including, without limitation, Executive Council and the Ownership Committee, and/or (b) the MLB Clubs acting collectively.

“Major League Constitution” shall mean the Major League Constitution adopted by the MLB Clubs (which amended and superseded the Major League Agreement dated January 1, 1975, the Agreement in re Major Leagues Central Fund dated as of December 8, 1983, as amended, and the respective constitutions of the former American and National Leagues of Professional Baseball Clubs) as the same may be amended, supplemented or otherwise modified from time to time in the manner provided therein and all replacement or successor agreements that may in the future be entered into by the MLB Clubs.

“MLB Approval” shall mean, with respect to the MLB Clubs, the Commissioner, the BOC or any other MLB Entity, any approval, consent or no-objection letter required to be obtained from such Person(s) pursuant to the MLB Rules and Regulations (as exercised in the sole and absolute discretion of such Person(s)).

“MLB Club” shall mean any professional baseball club that is entitled to the benefits of, and bound by the terms of, the Major League Constitution.

“MLB Entity” shall mean each of the BOC, Major League Baseball Properties, Inc., The MLB Network, LLC, MLB Advanced Media, L.P., and/or any of their respective present or future affiliates, assigns or successors.

“MLB Governing Documents” shall mean the following documents as in effect from time to time and any amendments, supplements or other modifications thereto and all replacement or successor documents thereto that may in the future be entered into: (a) the Major League Constitution, (b) the Basic Agreement between the MLB Clubs and the Major League Baseball Players Association, (c) the Professional Baseball Agreement between the BOC, on behalf of itself and the MLB Clubs, and the National Association of Professional Baseball Leagues, (d) the Major League Rules (and all attachments thereto), (e) the Interactive Media Rights Agreement, effective as of January 20, 2000, by and among the BOC, the various MLB Clubs, MLB Advanced Media, L.P. and various other MLB Entities and (f) each agency agreement and operating guidelines among the MLB Clubs and any MLB Entity, including, without limitation, the Amended and Restated Agency Agreement, effective as of January 1, 2013, by and among Major League Baseball Properties, Inc., the various MLB Clubs and the BOC (and the Operating Guidelines related thereto).

“MLB Rules and Regulations” shall mean (a) the MLB Governing Documents, (b) any present or future agreements or arrangements entered into by, or on behalf of, the BOC, any other MLB Entity or the MLB Clubs acting collectively, including, without limitation, agreements or arrangements entered into pursuant to the MLB Governing Documents, and (c) the present and future mandates, rules, regulations, policies, practices, bulletins, by-

laws, directives or guidelines issued or adopted by, or behalf of, the Commissioner, the BOC or any other MLB Entity as in effect from time to time.

“Ownership Committee” shall mean the Ownership Committee of Major League Baseball and any successor body thereto.

“Person” shall mean any individual, firm, corporation, partnership, limited liability company, trust, joint venture, governmental entity or other entity.

“Spring Training Season” shall mean the training period for MLB Clubs comprised of a series of workouts, practices and exhibition games preceding the start of the Regular Season.

3. **MLB SUBORDINATION.**

Section 22 of the Agreement is hereby deleted in its entirety and replaced with the following:

“Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by the Club hereunder shall in all respects be subordinate to the MLB Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which the County is granted rights is limited to, and nothing herein shall be construed as conferring on the County rights in areas outside of, the Spring Training territory of the Tampa Bay Rays, as established and amended from time to time. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.”

4. **TERMINATION.**

Notwithstanding any other provision of the Agreement, the County shall not terminate the Agreement, and the County shall not take possession of the facility upon an event of default or exercise any other remedy made available to it thereunder, during any Spring Training Season.

5. **INCORPORATION.**

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement.

6. **SEVERABILITY.**

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

7. **CONFLICT WITH AGREEMENT.**

All provisions of the Agreement not in conflict with this Amendment shall remain in full force

and effect. To the extent of any conflict with the Agreement, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement.

8. **ENTIRE AGREEMENT.**

This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the parties, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this document.

9. **MODIFICATION.**

No modification, amendment or alteration in the terms or conditions contained herein shall be effective unless contained in a written document executed by the parties with the same formality and of equal dignity herewith. Notwithstanding anything to the contrary, neither the Agreement nor this Amendment may be amended, supplemented or otherwise modified, and no provision therein or herein may be waived, unless all necessary MLB Approvals have been obtained in advance thereof.

10. **ASSIGNMENT.**

This Amendment, or any interest herein, shall not be assigned, transferred or otherwise encumbered, under any circumstances by Rays without the prior written consent of County.

11. **AUTHORITY TO EXECUTE.**

County and Rays warrant to the other party that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment.

12. **EFFECTIVE DATE.**

This Amendment shall take effect upon the filing of a fully executed copy with the Clerk of the Circuit Court of Charlotte County, Florida.

IN WITNESS, WHEREOF, the parties have executed this agreement on the dates indicated below.

BETWEEN CHARLOTTE COUNTY, FLORIDA, AND
CBI-RAYS, LLC**

THIS SIXTH AMENDMENT to the STADIUM LEASE AGREEMENT (hereinafter referred to as "Sixth Amendment") is made and entered into this 13th day of December, 2016, by and between CBI-RAYS, LLC (hereinafter referred to as "CBI"), a Delaware limited liability company, who maintains an office at 21 Land N Sea Drive, Wakefield, RI, 02879, and CHARLOTTE COUNTY, FLORIDA (hereinafter referred to as the "County"), a political subdivision of the State of Florida, whose address is 18500 Murdock Circle Port Charlotte, Florida 33948.

WITNESSETH

WHEREAS, the County owns and operates a baseball stadium and related facilities thereto, known as the Charlotte Sports Park (the "Charlotte Sports Park"), located at 2300 El Jobean Road, Port Charlotte, Florida 33948; and

WHEREAS, RIPKEN-RAYS FLORIDA BASEBALL, LLC (hereinafter referred to as "Ripken") and the County entered into a Stadium Lease Agreement for the Charlotte Sports Park on or about August 26, 2008 (hereinafter "Agreement");

WHEREAS, Ripken and the County similarly entered into a Master Concession Agreement on or about February 10, 2009 (hereinafter "MCA"); and

WHEREAS, Ripken and the County entered into a First Amendment to Stadium Lease Agreement for the Charlotte Sports Park on or about December 13, 2011, which included a provision fully incorporating the terms of the MCA into the Agreement and extending the term of the MCA to run concurrent with the term of the Agreement, as well as a provision extending the lease term of the Agreement to September 30, 2014; and

WHEREAS, Ripken and the County entered into a Second Amendment to Stadium Lease Agreement for the Charlotte Sports Park on or about October 6, 2014, which extended the lease term of the Agreement to December 31, 2014, in order to negotiate the terms of a new lease agreement; and

WHEREAS, Ripken and the County entered into a Third Amendment to Stadium Lease Agreement for the Charlotte Sports Park on or about December 15, 2014, which extended the lease term of the Agreement to September 30, 2015; and

WHEREAS, Ripken and the County entered into a Fourth Amendment to Stadium Lease

Agreement for the Charlotte Sports Park on or about September 8, 2015, which extended the lease term of the Agreement to September 30, 2016; and

WHEREAS, Ripken assigned all rights, duties, and obligations pursuant to the Agreement to CBI on December 23, 2015; and

WHEREAS, CBI and the County entered into a Fifth Amendment to Stadium Lease Agreement for the Charlotte Sports Park on or about on September 27, 2016 which extended the lease term of the Agreement to December 13, 2016; and

WHEREAS, CBI and the County now desire to amend the terms of the Agreement by extending the term of the Agreement, adding an option to extend the term, and revising the financial obligations of the parties.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, and other good and valuable consideration, the receipt, sufficiency and adequacy of which are hereby expressly acknowledged, the County and CBI, each intending to be legally bound, do hereby mutually agree as follows:

A. Paragraph 1 of the Agreement, as amended, is hereby further amended as follows (strikethrough sections are deletions; underlined sections are additions):

1. Definitions. As used herein, the following terms shall have the following meanings:

(i) CBI Event. The term "CBI Event" shall mean and include any and all events promoted and held by CBI in the Charlotte Sports Park other than Club Home Games and Club Practice Sessions. There shall be no charge for the first CBI Event, and CBI shall pay a fee of \$1,000 each for the second and third CBI Event each year. Beginning with the fourth CBI Event held each year, all additional CBI Events ~~and, unless specifically specified herein,~~ shall be subject to standard County facility rental fees and rules; however, no rental fees shall be applicable for any event or special promotion held in conjunction with a Club Home Game day.

B. Paragraph 2 of the Agreement, as amended, is hereby further amended as follows (strikethrough sections are deletions; underlined sections are additions):

2. Term. The term of the Agreement shall commence upon the execution hereof by all parties hereto and shall expire on ~~December 13, 2016~~ December 31, 2018. Subject to County's approval, CBI may request to extend this Agreement under the same terms and conditions for one (1) additional year

beginning January 1, 2019 and ending on December 31, 2019 by providing written notice to County of its intent to extend the Agreement at least 120 days prior to the expiration of the term of the Agreement."

C. Paragraph 3 of the Agreement, as amended, is hereby further amended as follows (strikethrough sections are deletions; underlined sections are additions):

3. Use of Premises. (c) CBI shall have the right to occupy and use the designated downstairs offices located in Building "A" of the Charlotte Sports Park on a year-round basis throughout the term of this Agreement, as depicted in Exhibit "B," as revised. Any expenses related to CBI's office needs such as phone, technology, fixtures, furniture and equipment shall be borne by CBI. ~~County will have limited use of the largest office space until April 3, 2012 for activities related to the Tampa Bay Rays Spring Training season; after which time County shall no longer have usage rights. On or before October 1, 2018, County shall vacate and turn over the remainder of Building "A" for the use of CBI, with the exception of the eight (8) areas depicted in Exhibit "C" attached hereto. County shall retain the right to use these areas in Building "A" during the time periods listed in Exhibit "C".~~

D. Paragraph 7 of the Agreement, as amended, is hereby further amended as follows (strikethrough sections are deletions; underlined sections are additions):

7. Payments. CBI, in consideration of the use of the Stadium, the Offices and associated building facilities and the revenue earned pursuant to this Agreement, agrees to:

(a) Pay the County forty thousand dollars (\$40,000.00) per Baseball Season in base rent, ~~payable in equal quarterly installments of ten thousand dollars (\$10,000.00), commencing on January 2, 2012. After the installment payment obligation commences, such installments shall be made on or before January 2nd, April 1st, July 1st, and October 1st of each year~~ which shall be collected pursuant to subsection 7(e) herein.

(b) Pay the County \$500.00 per Club Home Game ~~payable no later than sixty (60) days following the final Club Home Game,~~ to offset certain County maintenance costs related to the Stadium, which shall be collected pursuant to subsection 7(e) herein.

(c) Pay the County for each admission ticket to each of the Club Home Games based on the National Association of Professional Baseball Leagues ("NAPBL") annual report, payable

pursuant to subsection 7(e) herein and no later sixty (60) days following the close of each Baseball Season according to the following attendance schedule:

0 – 74,999	None
75,000 - 110,000	.40 each ticket
110,001 - 135,000	.50 each ticket
135,001 or greater	.60 each ticket;

(d) Reimburse the County for any expenses, costs or repairs – including utilities and garbage collection costs described in Paragraph 14 – which are the responsibility of CBI pursuant to the terms of this Agreement, in accordance with subsection 7(e) herein.

(e) During each of the two initial term Baseball Seasons and any option term, the County shall not require CBI to make any payments required under this Agreement until after the close of each Baseball Season. At the close of each Baseball Season, the County Administrator or designee, shall apply a credit of One Hundred and Ten Thousand Dollars (\$110, 000.00) to the total amount owed by CBI pursuant to the Agreement. County shall provide CBI with an itemized accounting of all payments due and credits applied during each Baseball Season and an invoice for any amounts owed at the conclusion of each Baseball Season. CBI shall pay all amounts owed within Sixty (60) days after receiving the end of season invoice.

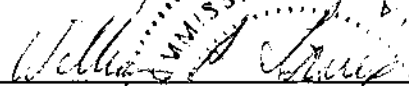

E. Any terms used in this Sixth Amendment shall have the same meanings and definitions as they have in the Agreement. All other provisions of the Agreement, as amended, not in conflict with this Sixth Amendment shall remain in full force and effect.

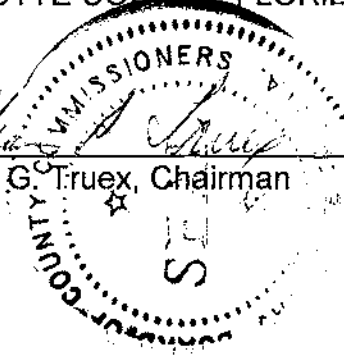

F. This Sixth Amendment shall become effective on the date the last party executes the Sixth Amendment, said date to be entered in the spaces provided in the first paragraph of this Sixth Amendment.

IN WITNESS WHEREOF, this Sixth Amendment to the Stadium Lease Agreement has been executed by duly authorized officers of CBI and duly authorized officials of the County each of whom hereby represents and warrants to the other that he/she has the full power and authority to execute this Sixth Amendment in such capacity, all as of the day and year first above written.

SIXTH AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS BASEBALL, LTD.

THIS SIXTH AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT (the "Amendment") is made and entered into by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, (the "County"), and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705 (the "Rays"), (collectively, the "Parties").

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (the "Agreement") to rehabilitate and use the Charlotte Sports Park (the "Sports Park" or "facility"), to provide a public recreation amenity, and to host the Rays' spring training program; and

WHEREAS, the Parties executed a First Amendment to the Agreement on January 26, 2010 to provide that the Rays would assume year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5½ practice fields within the Sports Park complex; and

WHEREAS, the Parties executed a Second Amendment to the Agreement on January 25, 2011 to permit the Rays: (a) to occupy Building "B" at the Sports Park and (b) to assume year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Park Fields; and

WHEREAS, the Parties executed a Third Amendment to the Agreement on September 9, 2014 requiring that the Rays and the County provide for additional capital reserve funding contributions; and

WHEREAS, the Parties executed a Fourth Amendment to the Agreement on February 23, 2016 to permit the Rays to lease field maintenance equipment as a replacement for County Field Maintenance Equipment ~~as set forth in~~ Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, the Parties executed a Fifth Amendment to the Agreement on June 19, 2017 to provide for additional capital reserve funding contributions by the Parties, to clarify certain insurance provisions, to amend or create new definitions used in the Fifth Amendment and the Agreement, to amend section 22 of the Agreement related to MLB Subordination, and, County agreed not to terminate the Agreement during any Spring Training Season; and

WHEREAS, the Rays wish to exercise three of its five options to renew pursuant to section 28 of the Agreement for a total renewal of three years; and

DMW
5

WHEREAS, the Parties wish to extend their prior agreement to provide that each party shall contribute an additional fifty thousand dollars (\$50,000.00) per calendar year for each year of the three-year renewal described in this Amendment; and

WHEREAS, the Parties wish to clarify that if the County receives a liquor license after making application, the County will transfer (while maintaining ownership) the license to a Rays-designated vendor that will provide concession services during spring training; and that the Rays will provide liquor license liability insurance with the County as a named insured; that the Rays agree that the indemnification clause in paragraph 18 of the Charlotte Sports Park agreement shall also apply to any liability or insurance issues arising from the Rays-Designated Vendor's use of the liquor license; and, that the County may terminate the license transfer under certain circumstances.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained in this Amendment, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. **RAYS' EXERCISE OF ITS RIGHT TO RENEW.**

The Rays hereby exercise three of its five options to renew pursuant to section 28 of the Agreement for a total renewal of three years and the County consents to the renewal.

2. **EXTENSION OF CONTRIBUTIONS TO THE CAPITAL RESERVE FUND.**

The Rays agree to pay to the County for placement in the Capital Reserve Fund the amount of fifty thousand dollars (\$50,000) per calendar year for the years 2020, 2021, and 2022. In addition to these payments made by the Rays, the County agrees to place in the Capital Reserve Fund an additional fifty thousand dollars (\$50,000) per calendar year for the years 2020, 2021, and 2022. The Parties agree that these payments are to be made in addition to any funds already designated for placement in the Capital Reserve Fund under the Agreement, and are due and owing on or before December 1st of each calendar year without demand by either party.

3. **USE OF COUNTY'S LIQUOR LICENSE, LIABILITY INSURANCE; INDEMNITY; TERMINATION.**

The Parties acknowledge that the County will apply for a liquor license at Rays request. Pursuant to the application, the County will also apply to transfer the license, while retaining ultimate ownership pursuant to section 561.20(2)(h), Fla. Stat., to a concession vendor identified by the Rays to operate the liquor license pursuant to the Agreement as amended ("Rays-Designated Vendor"). The Rays agree to obtain a \$1 million liquor liability insurance policy to sell alcoholic beverages with the County as Certificate Holder and as an additional insured for as long as the County's liquor license is in use at Charlotte Sports Park and the Agreement remains in effect, which use may be terminated by either party on good cause and after delivering written notice to the other party and granting ten (10) days to allow the notified party to cure. The Parties acknowledge and agree that the Agreement's provisions shall apply to the liquor license

and any liability or claims related to or arising under or from the Rays-Designated Vendor's use of the liquor license, and specifically, that paragraph 18 of the Agreement shall be construed to cover all matters related to the Rays-Designated Vendor's use of the liquor license. The Parties further acknowledge and agree that the Agreement's provisions shall not apply to any liability or claims related to or arising under or from the use of the liquor license by a vendor other than the Rays-Designated Vendor, and specifically, that Paragraph 18 of the Agreement shall be construed not to cover matters related to use of the liquor license other than the Rays-Designated Vendor's use of the liquor license. The Parties acknowledge and agree that the County may terminate the Rays-Designated Vendor and transfer the liquor license for good cause by notifying the Rays of the County's decision to terminate the Rays-Designated Vendor. If the County decides to terminate the license transfer, such termination shall take effect thirty (30) days after delivery of a notice of termination upon the Rays as provided in the Agreement.

4. **INCORPORATION.**

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement, as amended.

5. **SEVERABILITY.**

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

6. **CONFLICT WITH AGREEMENT.**

All provisions of the Agreement, as amended, not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, as amended, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement, as amended.

7. **ENTIRE AGREEMENT.**

~~This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the Parties regarding this Amendment, and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this Amendment.~~

8. **MODIFICATION.**

No modification, amendment or alteration in the terms or conditions contained in this Amendment shall be effective unless contained in a written document executed by the Parties. Notwithstanding anything in this Amendment to the contrary, neither the Agreement nor this Amendment may be amended, supplemented or otherwise modified, and no provision the Agreement or this Amendment may be waived, unless all necessary MLB Approvals have been obtained in advance.

9. **ASSIGNMENT.**

This Amendment, or any interest in this Amendment, must not be assigned, transferred or otherwise encumbered, under any circumstances by Rays without the prior written consent of County.

10. **AUTHORITY TO EXECUTE.**

County and Rays warrant to the other party that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment.

11. **EFFECTIVE DATE.**

This Amendment shall take effect upon signing by the Chair of the County's Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates set after or preceding their respective signatures.

**SEVENTH AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT
BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS
BASEBALL, LTD.**

THIS SEVENTH AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT (the "Amendment") is made and entered into by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, (the "County"), and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705 (the "Rays"), (collectively, the "Parties").

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (the "Agreement") to rehabilitate and use the Charlotte Sports Park (the "Sports Park" or "facility"), to provide a public recreation amenity, and to host the Rays' spring training program; and

WHEREAS, the Parties executed a First Amendment to the Agreement on January 26, 2010 to provide that the Rays would assume year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5½ practice fields within the Sports Park complex; and

WHEREAS, the Parties executed a Second Amendment to the Agreement on January 25, 2011 to permit the Rays: (a) to occupy Building "B" at the Sports Park and (b) to assume year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Park Fields; and

WHEREAS, the Parties executed a Third Amendment to the Agreement on September 9, 2014 requiring that the Rays and the County provide for additional capital reserve funding contributions; and

WHEREAS, the Parties executed a Fourth Amendment to the Agreement on February 23, 2016 to permit the Rays to lease field maintenance equipment as a replacement for County Field Maintenance Equipment as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, the Parties executed a Fifth Amendment to the Agreement on June 19, 2017 to provide for additional capital reserve funding contributions by the Parties, to clarify certain insurance provisions, to amend or create new definitions used in the Fifth Amendment and the Agreement, to amend section 22 of the Agreement related to MLB Subordination, and, County agreed not to terminate the Agreement during any Spring Training Season; and

WHEREAS, the Parties executed a Sixth Amendment to the Agreement on November 12, 2019 to renew pursuant to section 28 of the Agreement for a total renewal

min
5

of three years; to extend their prior agreement to provide that each party shall contribute an additional fifty thousand dollars (\$50,000.00) per calendar year for each year of the three-year renewal described in this Amendment; and, to clarify certain matters related to a potential County liquor license; and

WHEREAS, the Parties wish to extend the Rays authority to lease field maintenance equipment as a replacement for County Field Maintenance Equipment as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained in this Amendment, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. **AMENDMENT FOUR IS NULL AND VOID.**

The Parties agree that Amendment Number 4 to the Agreement dated February 23, 2016 is hereby deemed null and void and of no further effect upon the Parties.

2. **PURPOSE.**

The purpose of this Amendment is to provide for the leasing of field maintenance equipment by the Rays as agreed upon by the Parties in replacement of the County Field Maintenance Equipment provided to the Rays as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement. The Parties agree upon the necessary replacement of the County Field Maintenance Equipment and recognize that extending the lease of field maintenance equipment will continue to provide greater operational efficiency, and agree that the Rays shall be responsible for leasing field maintenance equipment for use at the Sports Park.

3. **EQUIPMENT LEASE; PAYMENT.**

The Rays shall enter into a four-year lease (the "Lease") with a third-party provider for field maintenance equipment. The Parties agree that the estimated annual cost for the Rays to lease the field maintenance equipment will be ninety three thousand four hundred fifty two and 28/100 dollars (\$93,452.28), and the County shall contribute annually during the term of the Lease the sum of forty-six thousand seven hundred twenty six and 14/100 dollars (\$46,726.14) from the Maintenance and Operations Fund described in the Agreement. If the actual annual lease amount is less than estimated, the County shall be entitled to offset its contribution in future years during the term of the Lease to equal a fifty percent (50%) contribution of the actual total lease amount. The County shall perform its obligations annually during the term of the Lease by tendering payment to the Rays on or about April 2 of each year after receiving confirmation from Rays that the four-year field maintenance equipment lease remains binding and valid. The County shall not be liable for any additional costs arising under the Lease of field maintenance equipment, including but not limited to maintenance, repair, storage, theft, or loss, unless damage, theft, or loss of the equipment occurs by the fault of the County and prompt demand is made by the Rays and received by the County.

4. **TERM.**

This Amendment shall become effective upon execution by the County. This Amendment shall be effective for the four-year term of the Lease. Upon the expiration or early termination of the Lease, all duties and obligations of the Lease shall automatically terminate. The Parties will assess options for the replacement of the field maintenance equipment on or before the expiration of the Lease, with a plan for the replacement of this equipment upon the expiration or early termination of the Lease to be agreed upon in partnership between the Parties.

5. **INCORPORATION.**

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement, as amended.

6. **SEVERABILITY.**

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

7. **CONFLICT WITH AGREEMENT.**

All provisions of the Agreement, as amended, not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, as amended, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement, as amended.

8. **ENTIRE AGREEMENT.**

This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the Parties regarding this Amendment, and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this Amendment.

9. **MODIFICATION.**

No modification, amendment or alteration in the terms or conditions contained in this Amendment shall be effective unless contained in a written document executed by the Parties. Notwithstanding anything in this Amendment to the contrary, neither the Agreement nor this Amendment may be amended, supplemented or otherwise modified, and no provision of the Agreement or this Amendment may be waived, unless all necessary MLB Approvals have been obtained in advance.

10. **ASSIGNMENT.**

This Amendment, or any interest in this Amendment, must not be assigned, transferred or otherwise encumbered, under any circumstances by Rays without the prior written consent of County.

11. **AUTHORITY TO EXECUTE.**

County and Rays warrant to the other party that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment.

12. **EFFECTIVE DATE.**

This Amendment shall take effect upon signing by the Chair of the County's Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates set after or preceding their respective signatures.

**EIGHTH AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT
BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS
BASEBALL, LTD.**

THIS EIGHTH AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT (the "Amendment") is made and entered into by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, (the "County"), and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705 (the "Rays"), (collectively, the "Parties").

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (the "Agreement") to rehabilitate and use the Charlotte Sports Park (the "Sports Park" or "facility"), to provide a public recreation amenity, and to host the Rays' spring training program; and

WHEREAS, the Parties executed a First Amendment to the Agreement on January 26, 2010 to provide that the Rays would assume year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5½ practice fields within the Sports Park complex; and

WHEREAS, the Parties executed a Second Amendment to the Agreement on January 25, 2011 to permit the Rays: (a) to occupy Building "B" at the Sports Park and (b) to assume year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Park Fields; and

WHEREAS, the Parties executed a Third Amendment to the Agreement on September 9, 2014 requiring that the Rays and the County provide for additional capital reserve funding contributions; and

WHEREAS, the Parties executed a Fourth Amendment to the Agreement on February 23, 2016 to permit the Rays to lease field maintenance equipment as a replacement for County Field Maintenance Equipment as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, the Parties executed a Fifth Amendment to the Agreement on June 19, 2017 to provide for additional capital reserve funding contributions by the Parties, to clarify certain insurance provisions, to amend or create new definitions used in the Fifth Amendment and the Agreement, to amend section 22 of the Agreement related to MLB Subordination, and, County agreed not to terminate the Agreement during any Spring Training Season; and

WHEREAS, the Parties executed a Sixth Amendment to the Agreement on November 12, 2019 to renew pursuant to section 28 of the Agreement for a total renewal

of three years; to extend their prior agreement to provide that each party shall contribute an additional fifty thousand dollars (\$50,000.00) per calendar year for each year of the three-year renewal described in this Amendment; and, to clarify certain matters related to a potential County liquor license; and

WHEREAS, the Parties executed a Seventh Amendment to the Agreement on February 25, 2020 to permit the Rays to lease field maintenance equipment as a replacement for County Field Maintenance Equipment as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, the Parties wish to amend the Agreement for 2021 only in order to extend the "Spring Training" time period set forth in Paragraph 5(a) to April 30, 2021.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained in this Amendment, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. **PURPOSE.**

Paragraph 5(a) of the Agreement is hereby amended as follows:

- (a) by deleting the date of "April 3rd" set forth therein and by replacing it with "April 30th." However, in the event the Sports Park is needed as the Rays' alternate training site ("ATS") as required by Major League Baseball beyond April 30, 2021, it is the understanding and agreement of the parties that the use by the Rays of the facilities required for the ATS (including Field 5, Building A, and the stadium field) shall continue until the date such facilities are no longer required as the ATS;
- (b) by providing that on or before May 15, 2021, the Rays will pay the County the following fees (collectively, the "Fees") for each usage of the stadium between the dates of April 4, 2021, and April 30, 2021: (i) no charge for any usage that does not constitute the playing of a "Game" (as that term is defined hereinafter); (ii) \$500 for each Game played during the day; and (iii) \$600 plus \$125 per hour for each Game played at night with the stadium lights on. For purposes of the foregoing, the term "Game" shall refer to the playing of any baseball game by the Rays, whether such game is against a third party opponent or is an intersquad game. In the event the Rays' use of the Sports Park as the ATS extends beyond April 30, 2021, the Rays will pay the same Fees for usage of the stadium, with said Fees to be paid on or before the 15th day of the calendar month immediately following each month of usage after April 30th;
- (c) by providing that during the time period after April 3, 2021, the Rays shall reimburse the County for the out-of-pocket costs (collectively, the "ATS Expenses") incurred by the County as a result of the Rays' usage of the Sports

Park as the ATS; provided, however, the parties hereby agree that, as a result of the Rays' payment of the Fees, the ATS Expenses shall not include any expenses incurred by the County in connection with the playing of the Games.

- (d) by providing that during the Spring Training time period, the Rays shall have the right to use the offices on the first floor of that certain building at Charlotte Sports Park designated as Building "A" on Exhibit A attached hereto and incorporated herein by reference.

2. **TERM.**

This Amendment shall become effective upon execution by the County and it shall terminate on September 1, 2021.

3. **INCORPORATION.**

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement, as amended.

4. **SEVERABILITY.**

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

5. **CONFLICT WITH AGREEMENT.**

All provisions of the Agreement, as amended, not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, as amended, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement, as amended.

6. **ENTIRE AGREEMENT.**

This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the Parties regarding this Amendment, and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this Amendment.

7. **MODIFICATION.**

No modification, amendment or alteration in the terms or conditions contained in this Amendment shall be effective unless contained in a written document executed by the Parties. Notwithstanding anything in this Amendment to the contrary, neither the Agreement nor this Amendment may be amended, supplemented or otherwise modified,

and no provision of the Agreement or this Amendment may be waived, unless all necessary MLB Approvals have been obtained in advance.

8. **ASSIGNMENT.**

This Amendment, or any interest in this Amendment, must not be assigned, transferred or otherwise encumbered, under any circumstances by Rays without the prior written consent of County.

9. **AUTHORITY TO EXECUTE.**

County and Rays warrant to the other party that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment. Specifically, without limitation, the Rays warrant to the County that all necessary MLB Approvals have been obtained in advance.

10. **EFFECTIVE DATE.**

This Amendment shall take effect upon signing by the Chair of the County's Board of County Commissioners.

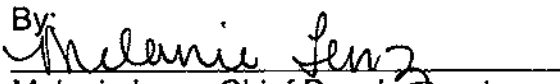

THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, the parties hereto have executed this Amendment on the dates set after or preceding their respective signatures.

**NINTH AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT
BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS
BASEBALL, LTD.**

THIS NINTH AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT (the "Amendment") is made and entered into by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, (the "County"), and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705 (the "Rays"), (collectively, the "Parties").

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (the "Agreement") to rehabilitate and use the Charlotte Sports Park (the "Sports Park" or "facility"), to provide a public recreation amenity, and to host the Rays' spring training program; and

WHEREAS, the Parties executed a First Amendment (the "First Amendment") to the Agreement on January 26, 2010 to provide that the Rays would assume year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5½ practice fields within the Sports Park complex; and

WHEREAS, the Parties executed a Second Amendment (the "Second Amendment") to the Agreement on January 25, 2011 to permit the Rays: (a) to occupy Building "B" ("Building B") at the Sports Park as described in the Second Amendment and (b) to assume year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Park Fields; and

WHEREAS, the Parties executed a Third Amendment to the Agreement on September 9, 2014 requiring that the Rays and the County provide for additional capital reserve funding contributions; and

WHEREAS, the Parties executed a Fourth Amendment to the Agreement on February 23, 2016 to permit the Rays to lease field maintenance equipment as a replacement for County Field Maintenance Equipment as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, the Parties executed a Fifth Amendment to the Agreement on June 19, 2017 to provide for additional capital reserve funding contributions by the Parties, to clarify certain insurance provisions, to amend or create new definitions used in the Fifth Amendment and the Agreement, to amend section 22 of the Agreement related to MLB Subordination, and, County agreed not to terminate the Agreement during any Spring Training Season; and

WHEREAS, the Parties executed a Sixth Amendment to the Agreement on November 12, 2019 to renew pursuant to section 28 of the Agreement for a total renewal of three years; to extend their prior agreement to provide that each party shall contribute an additional fifty thousand dollars (\$50,000.00) per calendar year for each year of the three-year renewal described in this Amendment; and, to clarify certain matters related to a potential County liquor license; and

WHEREAS, the Parties executed a Seventh Amendment to the Agreement on February 25, 2020 to permit the Rays to lease field maintenance equipment as a replacement for County Field Maintenance Equipment as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, the Parties executed an Eighth Amendment on or about March 23, 2021 to extend for 2021 only the "Spring Training" time period set forth in Paragraph 5(a) to April 30, 2021 or later; and

WHEREAS, the Parties wish to amend various provisions of the Agreement, as set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained in this Amendment, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. **AMENDMENTS.**

(A) Subparagraph 5(a) of the Agreement is hereby amended by providing that during the Spring Training time period of February 10th through April 3rd of each calendar year ("Spring Training"), the Rays shall have the right to use the offices on the first floor of that certain building ("Building A") at Charlotte Sports Park designated as Building "A" on Exhibit A attached hereto and incorporated herein by reference. The Rays shall reimburse the County for county staff costs for parking and fan host operations incurred by the County pursuant to this subparagraph.

(B) Subparagraph 5(b) of the Agreement is hereby amended by deleting said subparagraph in its entirety and by substituting therefor the following:

"(b) Each day from April 4th through August 31st of each calendar year ("MiLB Season"): The Rays shall have primary use of the stadium (the "Stadium") at the Sports Park, clubhouses, administrative office space dedicated to the Rays' use (including without limitation the second floor offices of the clubhouse building and Building B), team store, all practice fields at the Sports Park, and other associated training facilities (e.g. batting cages, gang mounds, etc.). It is the express intention of this subparagraph that during the MiLB Season, the Rays shall have access to the same facilities at the Sports Park as the Rays have access to during Spring Training except the Rays will not have access to Building

A during the MiLB Season. During the MiLB Season, these facilities may be made available by the County to parties other than the Rays, but only with the express written consent of the Rays in each instance. The Rays shall reimburse monthly the County for the out-of-pocket costs incurred by the County as a result of the Rays' usage of the Sports Park pursuant to this subparagraph.

On or before the 15th day of each month from May through September, the Rays will pay the County the following fees (collectively, the "Fees") for each usage of the Stadium: (i) no charge for any usage that does not constitute the playing of a "Game" (as that term is defined hereinafter); (ii) \$500 for each Game played during the day; and (iii) \$600 plus \$125 per hour for each Game played at night with the stadium lights on. For purposes of the foregoing, the term "Game" shall refer to the playing of any baseball game by the Rays, whether such game is against a third party opponent or is an intersquad game.

During the MiLB Season, the Rays intend to open to fans as free community events as many Gulf Coast League ("GCL") home games (the "GCL Games") as feasible. The Rays will staff and operate the GCL Games at the Rays' expense. The Rays also may open to fans Extended Spring Training and Instructional League games from time to time. The Rays shall reimburse monthly the County for out-of-pocket and staff costs incurred by the County as a result of the Rays' usage of the Sports Park pursuant to this subparagraph.

(C) Section 6 of the Agreement and Section 8 of the First Amendment are hereby amended by adding thereto the following:

"The Rays shall have the right, but not the obligation, to use the Stadium for all of the Games, based on the schedule determined and established by the GCL each year (the "GCL Schedule"). The County shall have the right as contemplated in paragraph 6 of the Agreement, but not the obligation, to utilize the Sports Park, including the stadium, the Visitor's Clubhouse, practice fields and outdoor amenities, for no fewer than two (2) "Events" (as that term is defined hereinafter) per month during the MiLB Season. The Rays shall provide the County with a copy of the GCL Schedule in an expeditious manner following the Rays' receipt of the GCL Schedule. Following the Rays' provision of the GCL Schedule to the County, the Rays and the County will confer in order to review the GCL Schedule and each party's planned schedule and usage of the Stadium for other events during the MiLB Season. Thereafter, in the event the County wishes to schedule a proposed event (the "Event") at the Sports Park, the County will provide email notice (the "Event Notice") of such proposed usage at least thirty (30) calendar days prior to the date of the proposed event to the Rays' representatives (the "Representatives") designated by the Rays from time to time [the Rays hereby designate Jeff McLerran (jmclerran@raysbaseball.com) and Dan Moeller (dmoeller@raysbaseball.com) as the designated recipients of all such notices until changed by email notice by the Rays to the County]. Within ten (10) calendar days after the date the Event Notice was sent to the Representatives, the Rays will

advise the sender of the Event Notice by return email whether any conflict or other issue or problem exists with respect to the County staging the Event. If the Rays do not reply to the Event Notice within such ten (10) day period, the sender of the Event Notice will telephone either of the Representatives to confirm that the Representative received the Event Notice [Jeff McLerran (913) 449-7642/Dan Moeller (727) 644-2473], and if the Representative did receive the Event Notice, the Event will be deemed to be approved by the Rays.”

(D) Subparagraph 10(j) of the Agreement is hereby amended by deleting said subparagraph in its entirety and by substituting therefor the following:

“(j) In order to educate and benefit the community, the Rays agree, in coordination with the Community Services Department, to stage one (1) clinic for five (5) days each during the MiLB Season with participation by certain Rays’ players and staff members, and with the specific weeks to be mutually agreed upon each year. The Rays further agree to participate in one (1) community appearance (each, an “Appearance”) each calendar month during the MiLB Season. Each Appearance shall be organized by the County, shall be held at a mutually agreed upon time and location, and shall involve the participation of up to ten (10) Rays’ players as selected by the Rays. The Rays shall reimburse the County for county staff costs incurred by the County as a result of the Rays’ clinics and appearances. The Rays shall pay any costs for security for clinics and appearances and shall pay such costs directly to the providers of such security services.

2. **TERM.**

This Amendment shall become effective upon execution by the County and it shall terminate simultaneously with the termination of the Agreement.

3. **EIGHTH AMENDMENT TERMINATED.**

The parties hereby terminate the Eighth Amendment to the Agreement dated on or about March 23, 2021, which is null and void and of no further effect.

4. **INCORPORATION.**

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement, as amended.

5. **SEVERABILITY.**

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

6. **CONFLICT WITH AGREEMENT.**

All provisions of the Agreement, as amended, not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, as amended, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement, as amended.

7. **ENTIRE AGREEMENT.**

This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the Parties regarding this Amendment, and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this Amendment.

8. **MODIFICATION.**

No modification, amendment or alteration in the terms or conditions contained in this Amendment shall be effective unless contained in a written document executed by the Parties. Notwithstanding anything in this Amendment to the contrary, neither the Agreement nor this Amendment may be amended, supplemented or otherwise modified, and no provision of the Agreement or this Amendment may be waived, unless all necessary MLB Approvals have been obtained in advance.

9. **ASSIGNMENT.**

This Amendment, or any interest in this Amendment, must not be assigned, transferred or otherwise encumbered, under any circumstances by Rays without the prior written consent of County.

10. **AUTHORITY TO EXECUTE.**

County and Rays warrant to the other party that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment. Specifically, without limitation, the Rays warrant to the County that all necessary MLB Approvals have been obtained in advance.

11. **EFFECTIVE DATE.**

This Amendment shall take effect upon signing by the Chair of the County's Board of County Commissioners.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment on the dates set after or preceding their respective signatures.

**TENTH AMENDMENT TO CHARLOTTE SPORTS PARK AGREEMENT
BETWEEN CHARLOTTE COUNTY, FLORIDA AND TAMPA BAY RAYS
BASEBALL, LTD.**

THIS TENTH AMENDMENT TO THE CHARLOTTE SPORTS PARK AGREEMENT (the "Amendment") is made and entered into by and between CHARLOTTE COUNTY, a political subdivision of the State of Florida, 18500 Murdock Circle, Port Charlotte, Florida 33948-1094, (the "County"), and TAMPA BAY RAYS BASEBALL LTD., One Tropicana Drive, St. Petersburg, Florida 33705 (the "Rays"), (collectively, the "Parties").

FINDINGS

WHEREAS, on or about September 12, 2006, the County and the Rays entered into the Charlotte Sports Park Agreement (the "Agreement") to rehabilitate and use the Charlotte Sports Park (the "Sports Park" or "facility"), to provide a public recreation amenity, and to host the Rays' spring training program; and

WHEREAS, the Parties executed a First Amendment to the Agreement on January 26, 2010 to provide that the Rays would assume year-round responsibility for maintaining the Charlotte Sports Park stadium field and 5½ practice fields within the Sports Park complex; and

WHEREAS, the Parties executed a Second Amendment to the Agreement on January 25, 2011 to permit the Rays: (a) to occupy Building "B" ("Building B") at the Sports Park as described in the Second Amendment and (b) to assume year-round responsibility for landscaping maintenance for the common grounds surrounding the Sports Park Fields; and

WHEREAS, the Parties executed a Third Amendment to the Agreement on September 9, 2014 requiring that the Rays and the County provide for additional capital reserve funding contributions; and

WHEREAS, the Parties executed a Fourth Amendment to the Agreement on February 23, 2016 to permit the Rays to lease field maintenance equipment as a replacement for County Field Maintenance Equipment as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, the Parties executed a Fifth Amendment to the Agreement on June 19, 2017 to provide for additional capital reserve funding contributions by the Parties, to clarify certain insurance provisions, to amend or create new definitions used in the Fifth Amendment and the Agreement, to amend section 22 of the Agreement related to MLB Subordination, and, County agreed not to terminate the Agreement during any Spring Training Season; and

WHEREAS, the Parties executed a Sixth Amendment to the Agreement on November 12, 2019 to renew pursuant to section 28 of the Agreement for a total renewal of three years; to extend their prior agreement to provide that each party shall contribute an additional fifty thousand dollars (\$50,000.00) per calendar year for each year of the three-year renewal described in this Amendment; and, to clarify certain matters related to a potential County liquor license; and

WHEREAS, the Parties executed a Seventh Amendment to the Agreement on February 25, 2020 to permit the Rays to lease field maintenance equipment as a replacement for County Field Maintenance Equipment as set forth in Paragraph 5 "Sports Park Fields Maintenance Equipment" of the First Amendment to the Agreement; and

WHEREAS, the Parties executed an Eighth Amendment on or about March 23, 2021 to extend for 2021 only the "Spring Training" time period set forth in Paragraph 5(a) to April 30, 2021 or later; and

WHEREAS, the Parties executed a Ninth Amendment on or about May 25, 2021 to clarify the Rights-of-Use to Project, amend County Rights to Project Revenue, and terminate the Eighth Amendment to the Agreement; and

WHEREAS, the Parties wish to amend the Agreement to accommodate the Rays' MLB schedule, including a delayed Spring Training; and

WHEREAS, the Parties wish to amend various provisions of the Agreement, as set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained in this Amendment, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. **AMENDMENTS.**

Subparagraph 5(a) of the Agreement is hereby amended ***for calendar year 2022 only*** by providing that the Spring Training time period shall commence on February 10th and shall run through April 4th. Currently scheduled events shall not be disturbed by this amendment and the Rays acknowledge and agree that the Rays waive any right to interfere or make any claim for damages or injunctive relief against the County with regard to events scheduled before the date of adoption of this amendment.

Subparagraph 5(b) of the Agreement is hereby amended ***for calendar year 2022 only*** by providing that during Spring Training, the Rays will pay the County the following fees (collectively, the "Fees") for each usage of the Stadium ***only if eligible MiLB games are played after May 1, 2022***: (i) no charge for any usage that does not constitute the playing of a "Game" (as that term is defined in the Agreement, as amended by the Ninth

Amendment); (ii) \$500 for each Game played during the day; and (iii) \$600 plus \$125 per hour for each Game played at night with the stadium lights on.

The Parties intend that the above amendments be temporary and only apply to calendar year 2022, after which time the Parties intend to revert to the provisions contained in the Ninth Amendment. Where necessary, the Parties wish that the Agreement, as amended, be interpreted to authorize the Rays to utilize the Stadium for Spring Training pursuant to the MLB schedule while also protecting the County's rights to use of the Stadium and to be compensated for the Games.

2. **TERM.**

This Amendment shall become effective upon execution by the County and it shall terminate on May 1, 2022.

3. **INCORPORATION.**

The "Findings" provisions of this Amendment are specifically incorporated into and made a substantive part of this Amendment, and this Amendment is specifically incorporated into and made a substantive part of the Agreement, as amended.

4. **SEVERABILITY.**

If any provision of this Amendment shall be declared invalid or unenforceable, the remainder of this Amendment shall continue in full force and effect.

5. **CONFLICT WITH AGREEMENT.**

All provisions of the Agreement, as amended, not in conflict with this Amendment shall remain in full force and effect. To the extent of any conflict with the Agreement, as amended, the provisions of this Amendment shall control. Any terms used in this Amendment shall have the same meanings and definitions as they have in the Agreement, as amended.

6. **ENTIRE AGREEMENT.**

This Amendment incorporates and includes all prior negotiations, correspondence, agreements or understandings between the Parties regarding this Amendment, and the Parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Amendment that are not contained in this Amendment.

7. **MODIFICATION.**

No modification, amendment or alteration in the terms or conditions contained in this Amendment shall be effective unless contained in a written document executed by the Parties. Notwithstanding anything in this Amendment to the contrary, neither the Agreement nor this Amendment may be amended, supplemented or otherwise modified, and no provision of the Agreement or this Amendment may be waived, unless all necessary MLB Approvals have been obtained in advance.

8. **ASSIGNMENT.**

This Amendment, or any interest in this Amendment, must not be assigned, transferred or otherwise encumbered, under any circumstances by Rays without the prior written consent of County.

9. **AUTHORITY TO EXECUTE.**

County and Rays warrant to the other party that they, and the persons executing this Amendment on behalf of each of them, have the right, power and authority to execute this Amendment. Specifically, without limitation, the Rays warrant to the County that all necessary MLB Approvals have been obtained in advance.

10. **EFFECTIVE DATE.**

This Amendment shall take effect upon signing by the Chair of the County's Board of County Commissioners.

4. Cost benefit analysis

On September 28, 2022 Hurricane Ian made landfall in Southwest Florida. The strong category four hurricane damaged the Charlotte Sports Park making it unusable for the Tampa Bay Rays for the 2023 Spring Training Season. Repairs are underway so that the 2024 Spring Training Season will resume in Charlotte County.

Therefore, there was no Economic Impact Summary prepared for the 2023 Spring Training Season.

5. Written evidence that the County continues to meet the certification criteria in effect at the time the County was certified pursuant to section 288.11621

Evidence that the certified governmental entity continues to meet the criteria in effect when the applicant was certified

1. A “unit of local government” as defined in s. 218.369 is responsible for the acquisition, construction, management, or operation of the facility for a retained spring training franchise or holds title to the property on which the facility for a retained sprint training franchise is located. **Yes, the facility is County owned and holds the title to the property.**
2. The applicant has a verified copy of a signed agreement with a retained spring training franchise for the use of the facility for a term of at least 15 years. **Yes, the signed agreement is on file.**
3. The applicant has a financial commitment to provide 50 percent or more of the funds required by an agreement for the acquisition, construction, or renovation of the facility for a retained spring training franchise. The agreement can be contingent upon the awarding of funds under this section and other conditions precedent to use by the spring training franchise. **Yes, the financial commitment is on file.**
4. The applicant has projections, verified by the Office of Tourism, Trade, and Economic Development, which demonstrate that the facility for a retained spring training franchise will attract a paid attendance of at least 50,000 annually. Due to the Hurricane Ian the County had no attendance in 2023. **Yes, the County has attendance records.**

Year	Attendance
2009	103,255
2010	72,448
2011	74,082
2012	87,112
2013	90,935
2014	78,624
2015	71,472
2016	68,566
2017	81,752
2018	64,689
2019	67,001
2020	44,511
2021	14,651

RE: Annual Report Requirement - Statute 288.11631(4)
Retained Spring Training Franchise Facility

Enclosed please find the following information, intended to fulfill the requirements of the 2010 Legislature's request for a 'Retained Spring Training Franchise' annual report.

- A detailed report, along with a one-page summary, on all local and state funds expended to date
See Schedule of Revenues & Expenditures
See also - excerpts from the Special Obligation Revenue Bonds, Series 2016 "Official Statement" including sources/uses of funds, project description and certification notation
- A copy of the contract between the City of Bradenton and the Pittsburgh Pirates
See 2006 Lease Agreement and subsequent documents
- The Pirates' impact on the community
The City of Bradenton and Manatee County did not contract with a market research firm this year.
Enclosed are related articles compiled from outside sources.
- Evidence that the city continues to meet the criteria in effect when certified
See 2023 Annual Report regarding the Pittsburgh Pirates and their Class "A" affiliate Bradenton Marauders

Please feel free to contact me for further information at (941) 932-9442 or
rob.perry@bradentonFL.gov.

Sincerely,

Rob Perry
City Administrator

CITY OF BRADENTON RETAINED SPRING TRAINING FRANCHISE 2023 ANNUAL REPORT

The following information is presented to fulfill the requirements of State Statute 288.11631(4): Submission of a Retained Spring Training Franchise annual report. The City of Bradenton is in a long-term lease arrangement with Major League Baseball's Pittsburgh Pirates.

CRITERIA #1. *A "unit of local government" as defined in F.S. 218.369 is responsible for the acquisition, construction, management, or operation of the facility for a retained spring training franchise or holds title to the property on which the facility for a retained spring training franchise is located.*

The City of Bradenton, a 'unit of local government,' holds title to the properties on which the Pittsburgh Pirates' spring training facilities are located. The Pirates have two separate facilities – Pirate City and the former McKechnie Field, now known as LECOM Park.

CRITERIA #2. *The applicant has a verified copy of a signed agreement with a retained spring training franchise for the use of the facility for a term of at least 15 years.*

The City of Bradenton, in 2006, entered into a 30-year lease agreement with the Pittsburgh Pirates. The lease and development agreement are included with this report and include both Pirate City and LECOM Park.

CRITERIA #3. *The applicant has a financial commitment to provide 50 percent or more of the funds required by an agreement for the acquisition, construction, or renovation of the facility for a retained spring training franchise. The agreement can be contingent upon the awarding of funds under this section and other conditions precedent to use by the spring training franchise.*

Through the issuance of an \$18.6 million bond, the City of Bradenton provided more than 50% of the cost of renovating the Pirates' spring training facilities. Bradenton also contributes annually to a capital 'reserve' fund for continued improvements to the facilities. In addition to the improvements made in 2007, a \$10 million renovation to McKechnie Field (LECOM) was made in 2012, leading *Ballpark Digest* to honor McKechnie Field as the "Best Ballpark Renovation" of 2013, the Best Florida Spring-Training Park of 2017, and the Best High-A Minor League Stadium in Florida in 2018. In 2017 a \$999,507 contribution from the TDC resulted in the installation of a new scoreboard at LECOM Park. Additionally, a Grant from the Department of Economic Development resulted in the construction of an additional field at the Tournament Sports Park at Pirate City. Ahead of the 2019 Spring Training Season the City of Bradenton used the capital 'reserve' funds for two improvement projects at LECOM Park, which included redoing the field to improve drainage and a dugout expansion. In 2020, the City of Bradenton used CARES Act funds received from Manatee County in the amount of \$215,235 to make health and safety updates to LECOM Park such as: touchless faucets, touchless flush valves, touchless soap dispensers and touchless payment systems, as well as health and safety signage and sanitization products.

CRITERIA #4. *The applicant has projections, verified by the Office of Tourism, Trade, and Economic Development, which demonstrate that the facility for a retained spring training franchise will attract a paid attendance of at least 50,000 annually.*

The Pirates' facilities host both Major League spring training AND the Bradenton Marauders, the Pirate's "A" club of the Florida State League. As reported by the Florida Grapefruit League, the 2022 Spring Training Season was revised due to the Major League Lockout by limiting the number of games played.

Despite this, annual attendance at LECOM Park for 2023:

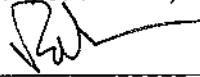

Pirates: 16 home games. 84,231 total attendance.

Marauders: 66 games. 67,325 in attendance

CRITERIA #5. *The facility for a retained spring training franchise is located in a county that is levying a tourist development tax pursuant to F.S. 125.0104.*

The City of Bradenton is located in Manatee County, which levies a 5% tourist development tax.

Respectfully submitted,

Rob Perry, City Administrator

City of Bradenton

McKechnie Field/Pirate City - Debt History

1987 – 1995 maturity date

Florida League of Cities Loan

- Allocated up to \$4,000,000 for “municipal purposes”
- Drew down \$3,000,000 for renovations to McKechnie Field in 1992
- Balloon payment \$3,035,100 due December 1995

1995 – 2015 maturity date

Subordinate Lien Special Revenue Refunding Bonds - \$4,575,000

- Issued to refund the Golf Course Revenue Bonds - Series 1985 and the McKechnie Field capital improvements financed by the Florida League of Cities loan
- Allocation: 76% McKechnie; 24% Golf Course
- Paid off (final payment made 2012)

1998 – 2008 maturity date

Capital Improvement Revenue Bonds Series 1998 - \$3,150,000

- Issued to finance capital improvements to Pirate City
- Final payment of \$87,500 made June 1, 2008

2007 – 2037 maturity date

Special Obligation Revenue Bonds Series 2007 - \$18,645,000

- Issued to finance capital improvements to Pirate City and McKechnie Field
- State of Florida Retained Spring Training Facilities grant revenue - \$500,000/annually toward debt service
- Advance refunded in 2016 with the Special Obligation Revenue Refunding Bond Series 2016 - \$14,280,000

2011 – 2027 maturity date

Special Obligation Revenue Bond Series 2012 - \$7,500,000

- Issued to finance capital improvements to McKechnie Field
- Final payment of \$2,750,165 due February 1, 2027

2016 – 2037 maturity date

Special Obligation Revenue Refunding Bond Series 2016 - \$14,280,000

- Issued to advance refund all of the City’s outstanding Special Obligation Revenue Bond Series 2007 - \$18,645,000
- Final payment of \$994,700 due September 1, 2037

LEASE AND OPERATING AGREEMENT

THIS LEASE AND OPERATING AGREEMENT (this "Lease") is made and entered into as of the 28th day of December, 2006 (the "Effective Date") by and between THE CITY OF BRADENTON, a municipal corporation of the State of Florida (the "City"), and PITTSBURGH ASSOCIATES, a Pennsylvania general partnership (the "Team").

RECITALS:

- A. The City owns McKechnie Field (as defined below) and Pirate City (as defined below).
- B. The Team owns and operates a major league professional baseball team known as the Pittsburgh Pirates and is affiliated with minor league professional baseball teams in various cities throughout the United States.
- C. The Team has been using McKechnie Field and Pirate City pursuant to the Existing Lease (as defined herein).
- D. The City and the Team desire to terminate the Existing Lease and to enter into this Lease so that the Team can continue to use McKechnie Field and Pirate City as a spring training site and for other purposes on the terms and conditions contained herein.
- E. It is in the City's best interest to enter into this Lease because of the substantial revenues that will be earned by the City's residents and businesses from the sale of goods and services necessary to supply the personnel engaged in the activities of the Team, because of the substantial tourist business such activities will attract and because of the substantial publicity and goodwill that the City will receive in the cities whose baseball teams are training in the City.

NOW, THEREFORE, in consideration of the mutual promises, undertakings and covenants hereinafter set forth, and intending to be legally bound hereby, the City and the Team covenant and agree as follows:

ARTICLE 1 LEASE

Section 1.1 Defined Terms.

In addition to other terms defined herein, the following terms, as used in this Lease, shall have the meaning set forth below:

"Advertising" shall mean, collectively, all advertising, sponsorship, and promotional activity, signage, designations (including "pouring rights" or similar designations and rights of exclusivity and priority), messages and displays of every kind and nature, whether now existing or developed in the future, including permanent, non-permanent, and transitory signage, or advertising displayed on permanent or non-permanent advertising panels or on structures, fixtures, or equipment (such as scoreboard advertising and canopy advertising); audio or video public address advertising and message board advertising; programs; electronic insertion and

other forms of virtual signage; sponsor-identified projected images; advertising on or in schedules, admission tickets, and yearbooks; all other print and display advertising; promotional events sponsored by advertisers; advertising display items worn or carried by Concessionaire or personnel engaged in the operation of any Event; and logo, slogan or other forms of advertising affixed to or included with cups, hats, T-shirts; advertising of Concessions; advertising through Broadcast Rights; and other Concessions, promotional or premium items.

"Advertising Rights" shall mean the right to display, control, conduct, lease, permit, sell and enter into agreements regarding the display of all Advertising in the Complex.

"Affiliate" of a specified Person shall mean any corporation, partnership, limited liability company, sole proprietorship or other Person that directly or indirectly, through one or more intermediaries controls, is controlled by or is under common control with the Person specified. The term "control" means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a Person.

"Alterations" shall mean any alteration, addition, modification or improvement to the Complex that does not constitute Capital Repair Work.

"Appurtenant Property Rights" shall mean all air rights and easements necessary for the efficient operation of the Complex in a manner consistent with a first-class MLB spring training facility including any permanent easements for Utilities, parking, ingress, egress, air and light that benefit the Complex identified on Exhibit 1.

"Architect" shall mean Fawley Bryant Architects, Inc. or any other design professional designated by the parties to perform work in connection with this Lease.

"Broadcast Rights" shall mean the rights and other fees and arrangements relating to the production and distribution of the Events for commercial televisions, noncommercial televisions (by over-the-air, cable or otherwise), internet and other interactive media, and any other media hereinafter available whether or not within the current contemplation of the Parties, including direct sales of Advertising by the Team, radio broadcast or any other media fees and revenues, and any income attributable to such broadcasts (whether in or out of the local market).

"Capital Reserve Fund" shall mean the account established, pursuant to the terms of Section 7.3 hereof for the purpose of funding Capital Repair Work.

"Capital Repair Work" shall mean (a) all capital modifications, replacements or additions to the Complex that are reasonably necessary to keep the facilities and amenities of the Complex in good repair and sound condition and the cost of which may properly be capitalized under GAAP as a capital expenditure; (b) repairs and replacements that are reasonably necessary to maintain the roof, foundation and the structural integrity of the Complex, and preserve its usefulness for the purposes for which it is being leased hereunder; and (c) repairs or replacements with an estimated cost in excess of \$100,000 subject to annual CPI increases;

"Capital Repair Plans" shall mean the drawings and specifications and other documents that clearly delineate the work to be performed in completing Capital Repair Work.

"City" shall mean the City of Bradenton, Florida.

"City Event" shall mean an event at the Complex that (a) is sponsored by the City or any entity other than the Team and (b) is scheduled with the approval of the Team in accordance with Section 4.4 hereof.

"City Event Specific Concessions" shall have the meaning set forth in Section 6.10(b) hereof.

"City Indemnified Persons" shall mean the City and its board members, officers, employees and agents.

"Claim" shall mean any claim, demand or dispute between the Parties relating to this Lease.

"Commencement Date" shall mean the date of substantial completion, upon which the work related to the construction of the Complex is essentially and satisfactorily complete in accordance with the Final Design and related documents, such that the Complex is ready for opening to the general public and full occupancy or use by the Team. A minor amount of work, as determined by and at the discretion of the Team, such as installation of minor accessories or items, a minor amount of painting, minor replacement of defective work, minor adjustment of controls or sound systems, or completion or correction of minor exterior work that cannot be completed due to weather conditions, will not delay determination of substantial completion. In no event shall substantial completion be deemed to have occurred unless such certificates required by all Laws for opening of the Complex to the general public have been issued to the Team.

"Communication System" shall mean the internal broadcasting system at the Complex, including public address system, scoreboards, game clocks, televisions, matrix boards, loudspeaker systems, public address systems, timers, clocks, message centers (including electronic message boards), video screens, signs, marquees and any other facilities within the Complex designed to communicate with spectators at Events (and all control rooms and equipment rooms for the same).

"Complex" shall mean McKechnie Field and Pirate City.

"Concessionaire" shall have the meaning set forth in Section 6.10(a) hereof.

"Concession Operations" shall mean the exercise and operation of all Concession Rights at the Complex.

"Concession Rights" shall mean, collectively, the right to sell, display, distribute and store Concessions and to conduct catering and banquet sales and service (including catering service with respect to Suites, private clubs and party areas).

"Concessions" shall mean all food and beverages, novelties and merchandise, or other such products sold by the designated Concessionaire at the Complex.

"Contractor" shall mean NDC Construction Company or any other Contractor designated by the parties to perform services in connection with this Lease.

"County" shall mean the County of Manatee, State of Florida.

"CPI Increases" shall mean increases, calculated from January 1 of the calendar year in which the Commencement Date occurs to such date as may be relevant, in the index known as the United States Department of Labor Bureau of Labor Statistics, Consumer Price Index, All Urban Consumers, United States City Average, All items (1982-84=100) (the "CPI") or the successor index that most closely approximates the CPI as agreed to by the City and the Team.

"Damages" shall mean any loss, liability, claim, damage, cost and expense, including costs of investigation and defense and reasonable attorneys' fees, whether the action is for money damages, or for equitable or declaratory relief.

"Development Agreement" shall mean that certain Development Agreement between the Team and the City of even date herewith.

"Emergency Repairs" shall mean any repairs, maintenance, modifications or improvements, which, if not immediately made, would endanger the health and safety of the people working in or attending an Event in the Complex, would cause imminent damage to any significant component of the Complex, or would render the Complex, or any material portion of its mechanical, electrical or plumbing systems or other significant component thereof, unusable for previously scheduled Events.

"Event" shall mean City Events and Team Events at the Complex.

"Event of Default" shall have the meaning set forth in Article 10 hereof.

"Existing Lease" shall mean that certain Amended and Restated Agreement and Lease, by and between the City and the Team, dated August 14, 1991, together with the amendments dated February 3, 1992, June 23, 1992, and May 14, 1998, and any other amendments or supplements thereto executed by the Parties prior to the Effective Date.

"Expiration Date" shall mean the date that is the last day of the Initial Term.

"Extension Terms" shall mean any extension terms beyond the Initial Term as provided in Section 2.3 hereof.

"Final Design" shall mean the design of the Complex reflected in Construction Drawings and Specifications, as defined in the Development Agreement.

"Force Majeure" shall mean acts of God, accidents, fire or other casualty, earthquake, hurricane, tornadoes, named storms, flood, war, riot, intervention by civil or military authorities of government, insurrection, or other civil commotion, governmental action, material shortages, work stoppages (including any strike, boycott, labor dispute or other work stoppage) or any other similar or like event or occurrence beyond the reasonable control of a Party hereto, that causes

such Party to be delayed or hindered in, or prevented from, the performance of any covenant or obligation hereunder.

"GAAP" shall mean generally accepted accounting principles set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board or in such other statements by such other entity as may be in general use (such as GASB) by significant segments of the accounting profession, which are applicable to the circumstance as of the date of determination.

"Government Securities" shall mean (a) any bonds or other obligations of the United States of America which, as to principal and interest, constitute direct obligations of or are guaranteed by the United States of America for the full and timely payments thereof; (b) any bonds, debentures, participation certificates, notes or other obligations of any agency or other corporation which had been or may hereafter be created by or pursuant to an act of Congress of the United States as an agency or instrumentality thereof, the bonds, debentures, participation certificates, notes or other obligations of which are unconditionally guaranteed by the United States of America as to full and timely payment of the principal of and interest thereon; and (c) any certificates or other evidences of a direct ownership interest in obligations of the character described in clauses (a) and (b) hereof or in consisting solely of the principal thereof or solely of the interest thereon, which certificates or other evidences are maintained in the records of the Federal Reserve and are held by a custodian, provided that Government Securities shall not include any unit investment trusts, money market mutual funds, or other mutual funds.

"Governmental Authority" shall mean any federal, state, county, city, local or other government or political subdivision or any agency, authority, board, bureau, commission, department or instrumentality thereof.

"Hazardous Materials" shall mean any hazardous substance, pollutant or contaminant as defined in the Comprehensive Environmental Response, Compensation and Liability Act, as amended (42 U.S.C. §§ 9601 et seq.), or the regulations promulgated thereunder; (b) any hazardous waste or hazardous substance as defined or regulated by applicable state or local statutes, laws, ordinances, rules or regulations; (c) any substance containing petroleum, as that term is defined in section 9001(8) of the Resource Conservation and Recovery Act, as amended (42 U.S.C. § 6991(8)) or in 40 C.F.R. § 280.1; or (d) any other substance for which any governmental entity with jurisdiction over the Complex requires special handling in its storage, treatment or disposal.

"Initial Term" shall mean the time period beginning on the Commencement Date and ending on October 31 of the year in which the thirtieth (30th) full Season following the Commencement Date is concluded.

"Laws" any law, statute, code, ordinance, rule, regulation or constitutional or charter provision, duly enacted or adopted by any Governmental Authority.

"Lease" shall mean this Lease and Operating Agreement by and between the City and the Team.

"Lease Term" shall mean the Initial Term and the Extension Terms, if any.

"Lease Year" shall mean each period of twelve (12) months occurring during the Lease Term, beginning on the Commencement Date; provided, that if the Commencement Date is January 1, then the first Lease Year shall be the partial calendar year from the Commencement Date to November 1st and all subsequent Lease Years shall commence on the first day of January.

"Legal Requirements" shall mean all present and future Laws (including environmental Laws) applicable to the design, development, construction, equipping, use, occupancy, possession, operation, maintenance and management of the Complex.

"Major League Baseball" or "MLB" shall mean, collectively, the Office of the Commissioner of Baseball, the Commissioner of Baseball, the Major League Baseball clubs, the Ownership Committee of Baseball, and/or any other Person appointed by any of the foregoing, or any successor substitute association or entity of which the Team is a member or joint owner and which engages in professional baseball in a manner comparable to Major League Baseball.

"Manage" or "Management" shall mean manage, coordinate, control, operate and supervise the conduct and operation of the ordinary and usual business and affairs pertaining to or necessary for the proper operation, maintenance and management of the Complex, all in accordance with the terms and provisions of this Lease.

"City's Suite" shall mean that Suite, identified in the Final Design, that shall be licensed to the City for access and use by the City for all Events and City functions and business.

"McKechnie Field" shall mean the baseball complex located at 1601 9th Street West, Bradenton, Florida, commonly known as McKechnie Field, including the land, the stadium and grandstands, press box, Concessions, the baseball playing field, batting cages, the clubhouses and locker room facilities, offices, restroom facilities, parking areas, roads, walkways, all fixtures and nonmovable equipment affixed thereto or located thereat, all as set forth in the Final Design, and any improvements made to the foregoing from time to time pursuant to this Agreement or otherwise.

"MLB Rules and Regulations" shall mean, collectively, the Major League Agreement, the Major League Constitution, the Major League Rules, and any other rules, guidelines, regulations or requirements of the Office of the Commissioner of Baseball, the Commissioner, Major League Baseball Enterprises, Inc., Major League Baseball Properties, the Ownership Committee of Baseball, and/or any other Person appointed by any of the foregoing that are generally applicable to MLB clubs, as applicable, all as the same now exist or may be amended or adopted in the future.

"Naming Rights" shall mean the sole and exclusive right to grant the privilege to, or to sell to, any third party or parties the right to name and rename all, or separately name and rename any portions, of the Complex (and to retain the proceeds therefrom).

"Operating Expenses" shall mean all necessary expenses incurred by the Team in connection with the Management of the Complex and the performance of its duties hereunder,

including Utility costs, (excluding reclaimed water), insurance costs and, to the extent applicable, Real and Personal Property Taxes and costs of Routine Maintenance.

"Parties" shall mean the City and the Team.

"Permits" shall mean any permit, license or approval to be issued by any Person, including required permits for the operation of the Complex or for the installation, alteration or repair of any improvements related in any manner to the Complex.

"Permitted Encumbrances" shall mean easements and other similar matters of record that are listed in Exhibit 4 hereto.

"Person" shall mean any natural person, sole proprietorship, corporation, partnership, trust, limited liability company, limited liability association, unincorporated association, joint venture, joint-stock company, Governmental Authority, or any other entity.

"Pirate City" shall mean the baseball facilities located at 27th Street East and 18th Street East, Bradenton, Florida, commonly known as the Pirate City Baseball Training Facility, adjacent to and including the dormitory, which facilities include four baseball playing fields with fencing, a half field, a combination field maintenance building and observation tower, a clubhouse and locker room facilities, all-purpose room, related facilities and any improvements made to the foregoing from time to time pursuant to this Agreement or otherwise.

"Prime Rate" shall mean that rate of interest published from time to time in the Money Rates column of The Wall Street Journal as the "Prime Rate" or "Prime Interest Rate."

"Real and Personal Property Taxes" shall mean all real estate taxes, personal property taxes, assessments and other governmental levies and charges, general and special, ordinary and extraordinary, of any kind or nature, lawfully levied or assessed by federal, state, County or municipal government, upon or with respect to the Complex and any and all other improvements hereafter constituting a part of the Complex, any tax on the Team's rights hereunder in the nature of a leasehold tax, or any taxes in lieu thereof.

"Restoration Fund" shall mean such fund as the Team shall establish to hold and disburse insurance proceeds.

"Routine Maintenance" shall mean the provision of all labor and materials that are required to (a) keep the Complex in good order and repair that is of a routine, regular and predictable nature, and (b) keep the Complex clean and free of debris. Routine Maintenance shall not include Capital Repair Work. Routine Maintenance shall include the following:

- (1) performing all preventative or routine maintenance that is stipulated in operating manuals for the equipment as regular, periodic maintenance procedures;
- (2) regular maintenance procedures for the HVAC system, including periodic cleaning, lubricating and changing of air filters;

- (3) groundskeeping and maintenance of the surface of the field, including mowing, seeding, fertilizing, marking lines, installing and removing bases and the pitcher's mound and minor repatching of sod;
- (4) changing of standard, isolated light bulbs, fuses and circuit-breakers as they burn out;
- (5) cleaning all portions of the Complex immediately after each Event;
- (6) touch-up painting; and
- (7) readying the playing field each Lease Year for the upcoming Season.

"Site Plan" shall mean the site plan attached hereto as Exhibit 2.

"Suite Revenues" shall mean all revenue generated by the subleasing or sublicensing of the Suites.

"Suites" shall mean the private suites at McKechnie Field identified in the Final Design.

"Team Agents" shall mean the Team's subtenants, invitees, licensees, Concessionaire, partners, members, shareholders, directors, governors, officers, employees and agents, and their respective successors and assigns.

"Team Event" shall mean all events at the Complex scheduled by the Team, including MLB exhibition games, public assemblies, the holding of athletic contests and exhibitions, sporting events and tournaments, conventions, musical and dramatic performances and other business, social, cultural, scientific and recreational events, as is an appropriate use of the Complex in the sound judgment of the Team.

"Team Indemnified Persons" shall mean the Team and its partners, members, shareholders, directors, governors, officers, employees and agents.

"Utilities" shall mean heat, water and sewer, gas, electricity, telephone, cable communications and other Utilities serving the Complex.

Section 1.2 Construction of Terms.

As the context of this Lease may require, terms in the singular shall include the plural (and vice versa) and the use of feminine, masculine or neuter genders shall include each other. Wherever the word "including" or any variation thereof, is used herein, it shall mean "including, without limitation" and shall be construed as a term of illustration, not a term of limitation. Wherever the word "or" is used herein, it shall mean "and/or".

ARTICLE 2
TERM

Section 2.1 Grant.

Subject to the terms, conditions and provisions of this Lease, the City hereby leases to the Team, and the Team hereby leases from the City, the entire Complex. The Team shall have sole and exclusive possession of the Complex, subject to the right of the City to enter thereon pursuant to this Lease. The Team is hereby granted full use of all Appurtenant Property Rights, subject to the terms and conditions thereof.

Section 2.2 Lease Term.

The Initial Term shall continue through the Expiration Date, unless extended pursuant to Section 2.3 hereof or otherwise terminated in accordance with the provisions of this Lease. When the Commencement Date is established, the Parties shall execute and deliver an "Acknowledgment of Commencement Date" in the form attached to this Lease as Exhibit 3.

Section 2.3 Extension Terms.

Provided that no Event of Default by the Team shall have occurred and be continuing under this Lease, the Team shall have the right to extend the term of this Lease for up to two (2) additional and consecutive renewal periods of five (5) years each (if exercised, each five year period being referred to as an "Extension Term"). To extend the term of this Lease for an Extension Term, the Team must give written notice to the City not later than twelve (12) months prior to the expiration of the Initial Term or each Extension Term, as the case may be (the "Extension Date(s)"). If the Team fails to properly provide such notice on or before the Extension Date then, at the end of the Initial Term or the applicable Extension Term, as the case may be, this Lease shall expire. The City may, after receipt of notice from the Team of its desire to extend the Term of this Lease, decline to extend the Term if it provides notice to the Team within thirty (30) days after receipt of the Team's request that it is declining the request. Any Renewal Term shall follow the same terms and conditions as set forth herein for the Initial Term.

ARTICLE 3
FINANCIAL MATTERS

Section 3.1 Rent.

During the Initial Term, the Team shall not pay rent, but shall be responsible for Routine Maintenance and Operating Expenses as set forth in this Lease.

Section 3.2 Real Estate and Personal Property Tax.

The parties acknowledge that the complex is not exempt from real property ad valorem taxes. The City shall be responsible for payment of all real property ad valorem taxes and any personal property ad valorem taxes levied on personal property owned by it. The parties agree that the Team shall assist, when reasonably possible, the City in any efforts that the City may take to reduce or eliminate real property ad valorem taxes on the complex including supporting

the passage of legislation or transfer of title, provided any such legislation or transfer of title does not effect either parties' rights or responsibilities nor shall the Team be required to expend any funds in assisting the City.

ARTICLE 4 USE AND OWNERSHIP OF PREMISES

Section 4.1 Suitability for Use.

Acceptance by the Team of the Complex shall, for all purposes of this Lease, establish that the Complex is in all respects fit for their intended purpose and suitable for use as of the Commencement Date.

Section 4.2 Team's Permitted Uses.

Acceptance by the Team of the Complex shall, for all purposes of this Lease, establish that the Complex is in all respects fit for its intended purpose and suitable for use as of the Commencement Date. Subject to the City's right to engage in and conduct City Events, the Team shall have the exclusive right to use, occupy and operate the Complex for any lawful purpose, including the spring training games, holding of athletic contests and exhibitions, sporting events and tournaments, winter instruction league, summer rookie league, storage of personal property, conventions, musical and dramatic performances and other business, social cultural, scientific and recreational events, as is an appropriate use of the Complex in the sole discretion of the Team.

Section 4.3 Ownership of Project.

The City shall own the Complex. All other fixtures, furnishings and equipment that are paid for by the Team shall be owned by the Team.

Section 4.4 City Events.

(a) Scheduling. City Events shall only be scheduled on dates approved by the Team in its sole discretion and the City shall provide not less than sixty (60) days' written notice to the Team of dates on which it desires to schedule City Events. Such notice shall include the date, time and length of the event and a general description of the event. The City Event shall have use of such areas within the Complex as are reasonably necessary for the event and on such terms and conditions as apply to other similar uses of the Complex. City Events may not be scheduled on dates previously scheduled by the Team, and City Events shall be moved to another date upon not less than ten (10) days' prior written notice of the Team if the Complex is required for a Team Event or such shorter notice due to re-scheduling an MLB exhibition game due to weather. MLB exhibition games shall have absolute priority for use of the Complex. No City Event shall be permitted that will, in the reasonable judgment of the Team, result in damage to, or unreasonable use of the Complex, including the playing surface of the McKechmie Field. In determining whether to cancel any City Event, the Team shall consider (i) the intensity of the proposed use with respect to its potential adverse impact on the playing surface of the Complex and (ii) the timing of such City Event with respect to the date of the next MLB exhibition game.

(b) Fees. The Team shall not charge the City any rental or other fee for use of the Complex for an City Event, but the City shall reimburse the Team for the costs incurred by the Team to perform (i) Routine Maintenance and (ii) repairs of damage to the Complex not covered by insurance required by this Lease to be maintained by the Team and attributable to the use of the Complex for each City Event. Payments due to the Team for the foregoing expenses shall be made within thirty (30) days after submission of an invoice by the Team to the City stating in detail such expenses. The City shall comply with the rules and regulations developed by Team with respect to the Complex and shall carry, and provide to the Team evidence of, liability insurance naming the Team as an additional insured with respect to any such City Event with coverages and limits as are appropriate for the event in question but in no event less than \$1,000,000 per claim and \$2,000,000 annual aggregate.

(c) Disaster Staging Uses. The City may, in each instance of actual or imminently threatened natural disaster, use the Complex as a staging area for disaster preparations, response or other related uses ("Disaster Staging Uses"), provided that (i) there will not be any cost to the Pirates and (ii) the City will immediately restore any resulting damage to the playing fields or any other element of the leased premises caused as a result of the Disaster Staging Use. The City shall not be responsible to the Pirates for any loss of revenue or consequential damages resulting from the Disaster Staging Uses, except any attributable to its failure to duly effect any such restoration and restore full use of the complex to the Pirates immediately following the end of the disaster.

Section 4.5 Assignment of Warranties.

The Team shall have the benefit of all warranties relating to construction and renovation, and to fixtures, machinery and equipment installed in the Complex that are made and delivered by either (a) the Person or Persons constructing and renovating the Complex or (b) any manufacturer of any fixtures, machinery or equipment, and the City hereby assigns and transfers, to the fullest extent assignable and transferable to the Team, during the Lease Term, all of its right, title and interest in and to all such warranties. If not assigned, then the City shall cooperate with the Team in the enforcing of such warranties.

Section 4.6 Parking.

The City shall provide, without charge, parking space at the Pirate City for the Team's players, the Team's staff, and other personnel and for all radio, television and press personnel. The City shall provide, without charge, parking space for a minimum of two buses at McKechnie Field. The City shall also provide for such uses parking spaces at McKechnie Field for spring training games, which spaces shall be located directly behind right field of McKechnie Field near the existing retention pond and shall be accessible from 17th Avenue West.

Section 4.7 Eminent Domain.

In the event of any taking or condemnation in the exercise of the power of eminent domain of all or a material portion of the Complex (materiality being determined by the effect on the Team's operation, use and enjoyment of the Complex), the Team shall have the option to terminate this Lease and shall be entitled to its proportionate share (as lessee hereunder) of any

award or compensation in respect of such taking or condemnation. The Team shall be entitled to assert claims that it might have against the condemning authority for relocation expenses, the value of fixtures and improvements affixed or made by the Team to the Complex and any other payments lawfully due to the Team.

ARTICLE 5 SURRENDER

Section 5.1 Surrender of the Complex.

(a) General. Upon the expiration or termination of this Lease (by lapse of time or otherwise), the Team shall peaceably deliver up and surrender the Complex to the City in good order and repair, normal ordinary wear and tear and damage by insured casualty excepted; provided, however, that nothing contained herein shall be construed as an obligation by the Team to repair the Complex prior to such surrender except to the extent that such obligations are specifically imposed upon the Team hereunder. The Team shall surrender to the City all keys for the Complex at the place then fixed for the receipt of notices by the City, and shall notify the City in writing of all combinations of locks, safes and vaults, if any. The Team's obligations to observe and perform the covenants set forth in this Section shall survive the expiration or earlier termination of this Lease (by lapse of time or otherwise).

(b) Team's Trade Fixtures. Upon the expiration or termination of this Lease (by lapse of time or otherwise), the Team may remove all fixtures, equipment and furniture that were paid for by the Team and, in such event, repair any damage caused to the Complex due to the removal of such property at the Team's expense. If the Team fails to remove such property within six (6) months after the expiration or earlier termination of the Lease, such property shall be deemed abandoned. The City may, at its option, (i) cause that property to be removed at no expense to the Team, (ii) sell all or any part of such property at public or private sale, without notice to the Team; or (iii) declare that title to such property shall be deemed to have passed to the City.

ARTICLE 6 OPERATIONS

Section 6.1 Team's Covenants.

(a) Operations. The Team shall have sole responsibility for the operation, direction, management and supervision of the Complex and its staff, subject, however, to the terms of this Lease and rights expressly reserved to the City hereunder. The Team shall have the exclusive right and shall be solely responsible for Management of the Complex. The Team shall have such Management rights and responsibilities and shall provide, perform and take, or cause to be provided, performed or taken, all such applicable Management services and actions customarily performed or taken by managers or operators of MLB spring training facilities and as are reasonably necessary or advisable to operate and maintain the Complex as a MLB spring training facility (based on its age and utility) in accordance with the terms and provisions of this Agreement.

(b) MLB Exhibition Games. The Team shall schedule and play no less than 10 MLB exhibition games at McKechnie Field during each Season, unless otherwise required by MLB Rules and Regulations.

(c) Maintenance and Repair. At all times during the Lease Term, the Team shall perform all Routine Maintenance and comply with all other obligations relating to the Management of the Complex as are required by this Lease. If the Team, in its sole discretion, decides to finance the cost of any replacement or renewal of equipment, machinery, furniture or furnishings at the Complex, then the City shall cooperate with the Team in all reasonable respects in the obtaining such financing and shall execute any documents or releases or renewals to have a valid first lien or security interest in such replacement or renewal; provided, however, that the Team shall be solely liable and shall promptly pay all amounts due under any financing arrangement and the City shall have no responsibility with respect thereto.

Section 6.2 City Covenants.

(a) Liquor Licenses. The City shall cooperate with the Team to obtain all liquor licenses that are reasonably requested by the Team for the Complex. These licenses are in addition to the number authorized by Law and shall be issued in the name of the Team.

Section 6.3 Team's Revenues.

The Team shall have the sole and exclusive right to receive and retain all revenues of every kind and description, except for City Events (less operating expenses incurred by the Team in connection with the Event) whether from means now existing or developed in the future, and whether or not in the current contemplation of the Parties, arising from or relating to the use, occupancy, operation or existence of and from the Complex, including revenue from the sale of admission tickets (net of any applicable taxes or impositions), Broadcast Rights, Advertising Rights, Advertising, Concessions, ticket operations, Communication System, Suite revenues, club seat revenues, seat licensing revenues, memberships, Complex tours, Naming Rights, retail areas, and the Team's revenues under any parking agreements.

Section 6.4 Naming Rights.

(a) Team's Rights. The Team shall have the sole and exclusive right to all Naming Rights for the Complex, provided that (i) the term during which any such name shall apply shall expire no later than the expiration of the Lease Term (whether on its scheduled termination date or by earlier exercise of any termination rights in this Lease), (ii) the Team shall not permit any name to be given to the Complex or any portion thereof that would be in violation of any Law, and (iii) before agreeing to any Naming Rights Agreement to McKechnie Field that takes McKechnie Field out of the name, the Team shall give reasonable notice to the City and the City must consent to the change which consent shall not be unreasonably withheld. No name shall be used which is inconsistent with a wholesome public image for the Complex.

(b) City's Responsibilities. The City shall exclusively use the name(s) given to all or any part or parts of the Complex in accordance with the terms of this Section in all correspondence, communications, Advertising and promotion it or they may undertake with

respect to the Complex, including in connection with the promotion of City Events subsequent to receipt of written notice from the Team of the determination of such name.

Section 6.5 Advertising.

(a) Team's Rights to Advertising. The Team shall have the sole and exclusive right to exercise all Advertising Rights within the Complex and on the Communication Systems and to receive all revenues from all Advertising in, on, from or with respect to such areas and facilities for all Events. Notwithstanding the above, the Team agrees that the City will have a sign at McKechnie Field in its current or at an equivalent location as determined by Team. It is further agreed that City shall receive, at no cost, the radio spots and ad space in the Team's On-Deck publication equivalent to the Existing Lease.

(b) "Blocking" and "Insertion" Technology. To the extent that any City Event is broadcast or transmitted by any means of video, television, internet or similar technology, the license agreement shall provide that, during such broadcast or transmission of such City Event, the City shall prevent the use of any so called "blocking" technology (whereby any Advertising located in the Complex may be obscured, altered or replaced) or "insertion" or "virtual advertising" technology (whereby Advertising not actually present at the Complex shall be inserted into and as part of any broadcast or transmission) as part of any broadcast or transmission of a City Event.

Section 6.6 Broadcast Rights.

The Team shall have the sole and exclusive right to, and to authorize and license others to, exercise Broadcast Rights with respect to all Events and to retain all revenues derived therefrom. The City hereby grants to the Team (if and then only to the extent that the City has rights therein or thereto) an exclusive, royalty-free license, to include in any Broadcast Rights (or fixation thereof) exercised, with respect to any Event, any likeness, image, sound or such other item visible or available in the Complex from time to time.

Section 6.7 Communication System.

The Team shall have sole and exclusive control of and over the Communication System at the Complex and the sole and exclusive right to retain all revenues therefrom.

Section 6.8 Royalty Free License.

The City hereby grants to the Team an exclusive (subject to the rights of the City as specifically set forth in this Agreement), royalty free license to make any lawful use of the name, identity and image of all or part or parts of the Complex and immediately adjacent areas to the Complex and to retain all revenues therefrom.

Section 6.9 Suites, Club Seats, Personal Seat Licenses and Tickets.

(a) Team's Rights to Suites. Subject to Section 6.9(b) hereof, the Team shall have the sole and exclusive right to sublease or sublicense any or all of the Suites to third parties for all Events and to retain all revenues therefrom as the Team shall determine in return for the users'

payment of licensing or use fees, upon such written terms and conditions as are determined by the Team (provided that any such sublease or sublicense agreement shall not extend past the expiration of the Lease Term). Any subtenant or sublicensee of a Suite shall be obligated to obtain admission tickets to the Suites for all Events for which it wishes to use the Suite. All Suite Revenues shall be paid to and retained by the Team. As between the City and the Team, the Team shall have the sole and exclusive responsibility for marketing, leasing, operating, maintaining and performing Routine Maintenance on or to the Suites and the Suite equipment, furnishings and fixtures, and paying the costs of all Utilities used or consumed in connection with the use of the Suites; provided, however, that the Team may require its subtenants and sublicensees to pay all or any portion of the foregoing costs.

(b) City's Suite. Notwithstanding anything contained herein to the contrary, the Team shall furnish to the City, for no consideration or rent therefor, the City's Suite. The City shall be responsible to pay, with respect to the City's Suite, food, beverage, and other variable costs typically paid separately by suiteholders, and all maintenance, repair and cleaning costs associated with the City's Suite, and for Team Events (excluding MLB exhibition games), the costs of tickets for said Team Events, and shall hold the Team harmless to the same extent as other suiteholders for such other events or occurrences with respect to the City's Suite and the conduct of invitees to the City's Suite. The City agrees to execute and deliver to the Team a suite license agreement consistent with the foregoing.

(c) Club Seats. The Team shall have the sole and exclusive right to sell licenses for the use of club seats, charter seats or premium seating for all Events. All revenue generated by the licensing or rental of the club seats shall be paid to and retained by the Team.

(d) Tickets. The Team agrees to make available for purchase 4 tickets to the National League Championship Series and 4 tickets to the World Series in any season of this Lease in which Team participates in such post-season games.

Section 6.10 Operation of Concessions.

(a) Team's Rights. The Team shall have the sole and exclusive right and responsibility to exercise, and retain all revenues from the exercise of, Concession Rights and the sole and exclusive right and responsibility to manage the Concession Operations, including the right and responsibility to (i) from time to time select and contract with one or more Concessionaires or itself act as such Concessionaire (any such Person or tenant when so acting, being herein referred to as a "Concessionaire") to operate and be responsible for all Concession Operations; (ii) to administer any such Concession agreements, and to retain all associated revenue; (iii) determine the types, brands and marketing of all products sold within the Complex, and the prices to be charged for such items. Team will take into account any concerns expressed by City about local preferences so long as City gives Club reasonable notice of said concerns; and (iv) determine the location of Concession Operations. Any Concession agreements entered into by the Team and any other Concessionaire shall be for such duration as the Team shall determine (but which, in the aggregate, will ensure Concession Operations during the Lease Term, but shall terminate not later than the termination of this Lease).

(b) City Events. Without limiting the exclusivity of the Team's rights under this Lease, the Concession agreements shall provide that the City shall have the right (using Concessionaire if the Team shall so require) to sell, display and distribute non-perishable hard and soft Concession items that are specifically and exclusively related to the particular City Event, and that are supplied to Concessionaire by or on behalf of the City, and that do not contain any Advertising or sponsor identification not consistent with the provisions of this Lease (collectively, "City Event Specific Concessions"). If the Team requires the use of Concessionaire with respect to the sale, display or distribution of the City Event Specific Concessions, Concessionaire shall have the right to determine in its reasonable judgment the appropriate number and locations of such Concession Operations. The City shall use or cause to be used on an exclusive basis (and the Team shall make available) Concessionaire for all such Concession Operations in the Complex during any City Event. Except with respect to the City Event Specific Concessions, the City shall in its Concession agreements, agree to comply with all provisions of the Concession agreements entered into by the Team, including any exclusivities or priorities of which the Team has provided the City with written notice.

Section 6.11 Utilities.

The Team shall be solely responsible for and promptly pay or cause to be paid all charges for the use and consumption of Utilities serving the Complex. The City shall assist the Team in obtaining the lowest rates available for such Utilities.

ARTICLE 7
REPAIRS, MAINTENANCE AND ALTERATIONS

Section 7.1 Team's Covenants.

At all times during the Lease Term, and subject to the provisions of this Article 7 relating to Capital Repair Work, the Team shall, at its sole cost and expense, keep and maintain the Complex in compliance with all Laws and MLB Rules and Regulations, and in good, clean, safe and sanitary condition and repair, and shall perform all Routine Maintenance and make all ordinary and necessary repairs and replacements required for day-to-day operations. All repairs and replacements shall utilize materials or component parts of substantially the same quality as those being repaired or replaced.

Section 7.2 Capital Repair Work.

Subject to the provisions of this Lease, all Capital Repair Work shall be performed by the Team, as required by and at the times and subject to the terms and provisions of this Article 7.

Section 7.3 Capital Reserve Fund.

(a) Establishment. The Capital Reserve Fund shall be held in a joint account with a national bank or other fiscal agent mutually agreeable to the Parties. All funds in the Capital Reserve Fund shall be invested in Government Securities. Investment income earned on the amounts in the Capital Reserve Fund shall be added to the principal of the Capital Reserve Fund and used as provided in this Lease.

(b) Deposits into the Capital Reserve Fund. On the Commencement Date, the City shall make an initial deposit into the Capital Reserve Fund of \$375,000 and an additional \$375,000 shall be deposited into the account within one year of the Commencement Date. The City shall also annually deposit into the Capital Reserve Fund One Hundred Twenty Five Thousand Dollars (\$125,000), subject to annual CPI Increases up to a maximum of 4-1/2%. This annual deposit shall be made no later than October 31st of each lease year. Notwithstanding anything to the contrary contained elsewhere in this Lease, any proceeds remaining unspent from the construction and renovation of the Complex after application of such proceeds in accordance with the Development Agreement shall also be deposited into the Capital Reserve Fund. Such unspent monies may be utilized at the discretion of the Team during a period of two (2) years following the Commencement Date to make any modifications, upgrades and enhancements to the Complex as may be desired by the Team.

(c) Payment for Capital Repair Work. The proceeds of the Capital Reserve Fund shall not be used for Routine Maintenance, but shall be used for the payment of Capital Repair Work as set forth herein. Subject to the terms of this Lease, the Team shall pay the cost of Capital Repair Work from the Capital Reserve Fund. To the extent that funds in the Capital Reserve Fund are not sufficient to pay for any Capital Repair Work, then the Parties shall negotiate in good faith an equitable allocation between the Parties of how such Capital Repair Work should be funded. In any event, the Team may, in its sole and absolute discretion, elect to pay for such shortfall. All withdrawals from the Capital Reserve Fund shall be disbursed by the City to Team pursuant to the procedures set forth in Exhibit 6 hereof.

Section 7.4 Performance of Capital Repair Work.

(a) Procedures. The Team shall notify the City of Capital Repair Work to be made to the Complex. If the City disagrees as to whether the proposed work qualifies as Capital Repair Work, it shall deliver written notice to the Team, which notice shall specify in detail the reasons why the City asserts that the proposed work does not meet the definition of Capital Repair Work under this Lease. If the Parties are unable to resolve their disagreement, then the issue shall be resolved pursuant to Section 13.19 hereof. Until such Claim is resolved, the Team shall have the right to use the Capital Reserve Fund to pay for Capital Repair Work, but shall replenish any amounts withdrawn in accordance with the resolution of the Claim by settlement of the parties or pursuant to Section 13.19 hereof.

(b) Design and Construction Defects. The City and the Team shall jointly pursue recovery against the Persons responsible for the cost of repairs required in substantial part as a result of design defects and/or construction defects, whether or not covered by a warranty.

(c) Capital Repair Plans. Once the Team has identified Capital Repair Work, the Team shall select an architect or engineer, subject to any statutory requirements if applicable, to prepare any necessary Capital Repair Plans. The architect's fees and expenses and all other costs associated with preparing the Capital Repair Plans shall be paid out of the Capital Reserve Fund. The Team shall deliver copies of the Capital Repair Plans to the City. The City shall have seven (7) days in which to provide written notice to the Team of any reasonable objection to such Capital Repair Plans. If the City does not object to any Capital Repair Plans, the City shall be deemed to have given approval.

Section 7.5 Emergency Repairs.

Subject to the terms of this Section, Emergency Repairs shall be made by the Team. If such repair qualifies as a Capital Repair Work, the Capital Reserve Fund shall be an eligible funding source for such repairs.

Section 7.6 Title to Alterations and Capital Repair Work.

All Alterations and Capital Repair Work made to the Complex shall become a part of the Complex, shall be the property of the City, and shall remain upon and be surrendered with the Complex at the end of the Lease Term.

Section 7.7 Alterations.

(a) The Team, at its discretion and at its sole cost and expense, may make any Alterations that do not (i) materially affect the aesthetics, sightlines, structure or systems of the Complex or (ii) violate any Laws. The Team shall be responsible for the cost and expense of any such Alterations.

(b) All Alterations made by the Team shall, during the Lease Term, be considered the property of the Team; provided, however, that upon the termination or expiration of this Lease for any reason, such Alterations, unless personal property or trade fixtures of the Team, shall become part of the Complex.

Section 7.8 Liens.

The Team shall keep the Complex free from, and shall indemnify, defend and hold harmless the City with respect to, all liens filed in connection with work performed by contractors, subcontractors or suppliers under contract with the Team. If the City gives its consent to the making of any Alteration, such consent shall not be deemed to constitute the City's consent to subject its interest in the Complex to any lien which may be filed in connection therewith.

Section 7.9 Performance.

Any Alteration or Capital Repair Work made by or for the Team shall be completed (a) in a good, workmanlike, and prompt manner, using materials and equipment at least substantially equal in quality and class to the then-standards for the Complex established by the Team and the City, (b) by an experienced, reputable contractor, and (c) in compliance with Laws and any insurance requirements. The Team shall maintain copies of "as built" drawings relating to any Alterations or Capital Repair Work (or, as applicable, final working drawings thereof, if any) and copies of contracts, invoices, evidence of payment and all other records of any Alteration or Capital Repair Work and shall, within thirty (30) days after request by the City, furnish the City with copies of such records. Prior to the commencement of any work, the Team or the City, as the case may be, shall obtain and furnish copies to the other Party of all necessary governmental Permits and certificates for the commencement and performance of any such Alteration or Capital Repair Work, together with evidence of workers' compensation insurance of its contractors in statutory limits, "all risk" or "special form" builder's risk property insurance and

general liability insurance, with a completed operation endorsement, for any occurrence in or about the Complex (or such other insurance which is then commercially available to cover such risks), under which the City and the Team shall be named as an additional insureds and loss payees, in such limits as the City and the Team may reasonably require, with insurers reasonably satisfactory to each Party. Each Party shall be furnished with evidence that all required insurance is in effect at or before the commencement of any Alteration or Capital Repair Work and, on request, at reasonable intervals thereafter during the continuation of such work.

ARTICLE 8 INDEMNIFICATION

Section 8.1 Indemnification and Payment of Damages by Team.

(a) The Team shall indemnify, defend and hold harmless the City Indemnified Persons for, and shall pay to the City Indemnified Persons the amount of any Damages, whether or not involving a third-party claim, arising, directly or indirectly, from or in connection with:

(i) any breach of any representation or warranty made by the Team in this Lease or in any schedule or exhibit attached hereto or any other certificate or document delivered by the Team to the City pursuant to this Lease; and

(ii) any breach by the Team of any covenant or obligation of the Team in this Lease.

(iii) Notwithstanding the foregoing, indemnification for any action lying in tort shall be limited to \$500,000.00 per person or \$1,000,000.00 for claims claims or judgments arising out of the same incident or occurrence or the amounts set forth in Florida Statutes 768.28, as may be amended from time to time, whichever is greater.

(b) If the Team fails to make any payment of any sums payable by the Team to the City Indemnified Persons on the date due by contract, which failure shall continue for thirty (30) days, then such payment shall bear interest at a rate of interest equal to the lesser of four percent (4%) above the Prime Rate or the highest rate permitted by Law, payable from the date such payment was due to the date of payment thereof.

Section 8.2 Indemnification and Payment of Damages by City.

(a) The City shall indemnify, defend and hold harmless the Team and the Team Indemnified Persons for, and shall pay to the Team Indemnified Persons the amount of Damages, whether or not involving a third-party claim, arising, directly or indirectly, from or in connection with:

(i) any breach of any representation or warranty made by the City in this Lease or in any schedule or exhibit attached hereto or any other certificate or document delivered by the City to the Team pursuant to this Lease; and

(ii) any breach by the City of any covenant or obligation of the City in this Lease.

(iii) Notwithstanding the foregoing the City's obligation to indemnify shall be limited to the sum of \$500,000.00 per person or \$1,000,000.00 for claims or judgments arising out of the same incident or occurrence or the amounts set forth in Florida Statutes 768.28 as may be amended from time to time which ever is greater. Nothing contained herein shall perate as a waiver of any sovereign immunity available to the City for any claims brought directly against the City by any thirty party.

(b) If the City fails to make any payment of any sums payable by the City to the Team Indemnified Persons on the date due by contract, which failure shall continue for thirty (30) days, then such payment shall bear interest at a rate of interest equal to the lesser of four percent (4%) above the Prime Rate or the highest rate permitted by Law, payable from the date such payment was due to the date of payment thereof.

ARTICLE 9 INSURANCE; RESTORATION

Section 9.1 Maintenance of Insurance.

Throughout the Lease Term, the Team shall maintain, the following insurance (with customary sublimits and deductibles): (i) "all risk" or "special form" commercial property insurance covering the Complex to a limit of not less than the replacement cost thereof (with the Team and the City as the named insureds thereunder); and (ii) commercial general liability insurance and liquor liability insurance, including a contractual liability endorsement and personal injury liability endorsement in respect of the Complex and conduct and operation of business therein. The Team shall be responsible for any deductible sums due and payable under any insurance required to be maintained under this Lease. The Team shall name the City as an "additional insured" on all commercial general liability policies. Such insurance shall provide coverage against all claims against the Team and the City for bodily injury (including death) and property damage resulting directly or indirectly from the control and operation of the Complex by the Team, and any act, omission or activities of the Team, its officers, employees or agents, in connection with the Complex, with a company or companies licensed to do business in the State of Florida and with a rating by Best's Insurance Reports or any successor publication of comparable standing of A / VII or better. Such commercial general liability insurance shall initially be in minimum amounts of Ten Million Dollars (\$10,000,000) per occurrence and Twenty Million Dollars (\$20,000,000) annual aggregate, which can be obtained by any combination of primary and excess coverages. Certificates of insurance shall be delivered by the Team to the City on or before the Commencement Date and annually thereafter. The Team shall cause each such policy to contain an endorsement prohibiting cancellation or reduction of coverage without first giving the City at least thirty (30) days' prior written notice of such proposed action. The amounts of coverage required under this Section shall be reviewed by the Parties periodically, not less often than every four (4) years, and shall be increased following such review to amounts determined by the Parties to be commercially reasonable.

Section 9.2 Failure to Maintain Insurance.

If the Team fails or refuses to procure or maintain the insurance required by this Lease or to comply with any reasonable loss control measure recommended by any insurer, after notice to

the Team, the City shall have the right, at its election, to procure and maintain such insurance or to perform any loss control recommendation, in which event, any reasonable premium paid by the City on behalf of the Team or cost to comply with loss control recommendations shall be due and payable by the Team to the City on the first day of the month following the date on which such premium or cost was paid. The City shall give the Team notice of such payment within ten (10) days of such payment stating the amount of such payment.

Section 9.3 Waiver of Recovery.

Notwithstanding any provision of this Lease to the contrary, neither the Team nor the City shall be liable to the other Party or to any insurance company (by way of subrogation or otherwise), insuring the other Parties for any loss or damage to property, or any resulting loss of income, even though such loss or damage may have been occasioned by the negligence of any such Party, its agents or employees, if and to the extent any such loss or damage is covered or is required to be covered by insurance benefiting the Party suffering such loss or damage, and each Party shall pay its own deductible amount with respect to any insurance it is required to carry.

Section 9.4 Restoration.

(a) All insurance proceeds payable with respect to any casualty to the Complex where the proceeds payable are less than One Million Dollars (\$1,000,000), as such sum may be increased during the Lease Term, based upon annual CPI Increases, shall be disbursed directly to the Team, and the Team shall promptly restore the Complex to a condition comparable to that previously existing, subject to such plans and specifications, and pursuant to such contracts, as are approved by the City in the manner applicable to Alterations under this Lease.

(b) All other proceeds of property insurance payable for replacement, restoration or repair of the damaged portions of the Complex under the policies required hereunder shall be deposited in the Restoration Fund and invested in Government Securities. The interest or income received on all deposits or investments of any moneys in the Restoration Fund shall be added to the Restoration Fund. Restoration shall be performed by the Team and payment from the Restoration Fund shall be in accordance with the following conditions:

(i) there shall be paid to the Team from such insurance proceeds such part thereof as shall equal the cost of making such temporary repairs or doing such other work as in the reasonable opinion of an architect (selected by the Team) may be necessary in order to protect the Complex pending the adjustment of the insurance loss;

(ii) there shall be paid to the Team from such insurance proceeds such part thereof as shall equal the cost of repairing, restoring or reconstructing the Complex or of any part thereof or of erecting a new building or structure or improvement or part thereof so that upon completion of such repairs, restoration, reconstruction, or erection of the building or structure or improvement shall be equal to the value of the replacement value of the building or structure or improvement;

(iii) payments pursuant to the paragraphs (i) or (ii) of this Subsection 9.2(b)(iii) from such insurance proceeds shall be made by the Team from the Restoration Fund from time to time as the work progresses in amounts equal to the cost

of labor and materials incorporated into and used in such work and builders', architects' and engineers' fees and other charges in connection with such work upon delivery to the Team of a certificate of the architect or engineer in charge of such work certifying that the work has been performed in accordance with the applicable contract documents and that such amounts are then due and owing under the applicable contract.

(c) Any deductibles paid (not to exceed \$50,000, subject to CPI Increases) by the Team under this Section 9.2 shall be reimbursed out of the Capital Reserve Fund.

(d) In the event that any of the insurance proceeds paid by the insurance companies shall remain after the completion of such repairs, restoration, reconstruction or erection, and after payment to the Team of any business interruption or other business loss that it is entitled to be compensated for under the applicable policies, the excess shall be deposited in the Capital Reserve Fund.

(e) In the event that the insurance proceeds paid, as hereinabove provided, together with the funds available in the Capital Reserve Fund are insufficient for making such permanent repairs, restoration or reconstruction or erection and no Party is willing to provide the additional funds needed therefor, the City or the Team shall notify the other Party of such determination in writing and thereupon this Lease shall cease and terminate. In such case, after payment under the applicable policies to the Team for any entitled compensation for business interruption, other business loss or damaged furniture, fixtures and equipment paid for by the Team, then the total insurance proceeds paid shall be paid to the City.

ARTICLE 10 DEFAULT AND REMEDIES

Section 10.1 Events of Default.

Each of the following shall constitute an "Event of Default" under this Lease:

(a) Team Event of Default.

(i) The Team's failure to perform or observe any covenant or condition of this Lease, which failure shall continue for thirty (30) days after receipt of written notice to the Team by the City identifying with particularity the failure or violation; provided that, so long as such failure is of a non-monetary nature susceptible to cure but is not reasonably capable of being cured within such thirty (30)-day period, there shall exist no Event of Default if the Team promptly advises the City of the Team's intention to duly institute all steps necessary to cure such default and the Team promptly commences cure of such failure, and diligently pursues such cure to completion; and

(ii) Any representation or warranty made by the Team herein shall prove to have been incorrect when made, in any material respect.

(b) City Event of Default.

(i) The City's failure to fund the Capital Reserve Fund in the amounts required by this Lease, or the City's failure to perform or observe any other covenant or condition of this Lease, which failure shall continue for thirty (30) days after receipt of written notice to the City by the Team identifying with particularity the failure; provided that, so long as such failure or violation is of a non-monetary nature susceptible to cure but is not reasonably capable of being cured within such thirty (30)-day period, there shall exist no Event of Default if the City promptly advises the Team of the City's intention to duly institute all steps necessary to cure such default and the City promptly commences cure of such failure or violation, and diligently pursues such cure to completion; and

(ii) Any representation or warranty made by the City herein shall prove to have been incorrect when made, in any material respect.

Section 10.2 Injunctive Relief, Specific Performance.

The Parties acknowledge that the rights conveyed by this Lease and the covenants of the Parties are of a unique and special nature, and that any violation of this Lease shall result in immediate and irreparable harm to the Team, the City or the City, as the case may be, and that in the event of any actual or threatened breach or violation of any of the provisions of this Lease, the affected Party shall be entitled as a matter of right to an injunction or a decree of specific performance from any equity court of competent jurisdiction. Each Party waives the right to assert the defense that such breach or violation can be compensated adequately in Damages in an action at law.

Section 10.3 Remedies Cumulative; Waiver.

All rights and remedies set forth in this Lease are cumulative and in addition to the Parties' rights and remedies at law or in equity. A Party's exercise of any such right or remedy shall not prevent the concurrent or subsequent exercise of any other right or remedy. A Party's delay or failure to exercise or enforce any rights or remedies shall not constitute a waiver of any such rights, remedies or obligations. No Party shall be deemed to have waived any default unless such waiver is expressly set forth in an instrument signed by such Party. If a Party waives in writing any default, then such waiver shall not be construed as a waiver of any covenant or condition set forth in this Lease except as to the specific circumstances described in such written waiver. Neither payment of a lesser amount than the sum due hereunder nor endorsement or statement on any check or letter accompanying such payment shall be deemed an accord and satisfaction, and the other Party may accept the same without prejudice to the right to recover the balance of such sum or to pursue any other remedy.

Section 10.4 Waiver of Consequential, Special and Punitive Damages.

Notwithstanding anything in this Lease to the contrary, the Team and the City waive against each other and their respective Affiliates any claims or causes of action for consequential, special and punitive damages or losses (including loss of use or anticipated profits) that either Party may suffer as a result of the breach or other default of this Agreement by

the other Party. This mutual waiver is applicable, without limitation, to all consequential, special and punitive damages due to either Party's termination of this Agreement.

ARTICLE 11
REPRESENTATIONS AND WARRANTIES

Section 11.1 Representations and Warranties of City.

The City hereby represents and warrants to the Team the following as of the date of execution of this Lease:

(a) Organization. The City is a political subdivision, duly organized, validly existing, and in good standing under the Laws of the State of Florida.

(b) Authorization, Validity and Enforceability. The City has all requisite power and authority to enter into this Lease and to carry out the actions contemplated hereby. The execution, delivery, and performance of all obligations of the City under this Lease have been duly authorized and approved by all necessary City action. This Lease, when executed, shall constitute the valid and legally binding obligations of the City, enforceable against it in accordance with their respective terms.

(c) No Conflicts. The execution, delivery and performance of this Lease shall not result in a violation of, in any material respect, of any provision of any other agreements, charters, instruments, contracts, judgments or decrees to which the City is a party, or by which the City or its assets may be bound or affected.

(d) No Violation of Laws. The City has complied in all material respects with all Legal Requirements, and the City is not in default with respect to any judgment, order, injunction or decree of any court, administrative agency, or other Governmental Authority that is in any respect related to the transactions contemplated in and by this Lease.

(e) Litigation. There is no action, suit, proceeding or investigation at law or in equity or by or before any Governmental Authority now pending or, to the actual knowledge of the City, threatened against or that affects the City seeking to restrain or prohibit, or seeking Damages or other relief in connection with, the execution of this Lease and the performance of the transactions contemplated herein or that might materially and adversely affect the use and operation of the Complex as contemplated in and by this Lease or the performance of the City hereunder.

(f) Site Possession and Title. The City holds good and marketable title to the Complex and the Appurtenant Property Rights, free and clear of all liens and encumbrances other than the Permitted Encumbrances. If any Title Defect shall materially diminish, impair or disturb the rights of the Team under this Lease, as determined by the Team in its reasonable judgment, the City shall take all reasonable actions, at its sole cost and expense, to promptly eliminate such Title Defect. The Team acknowledges that a Permitted Encumbrance shall not constitute a Title Defect. Except as expressly permitted under this Lease and except for Permitted Encumbrances, the City shall not create any lien, encumbrance, easement, license,

right-of-way, covenant, condition or restriction that would encumber the Complex and materially diminish, impair or disturb the rights of the Team under this Lease.

(g) Environmental Matters. The City has not stored, handled, treated or disposed of, nor has it allowed or arranged for any third parties to store, handle, treat or dispose of, on or about the Complex, Hazardous Materials that could result in any liability or obligation to the Team or that could result in any injury or disease to users of the Complex, including the Team and spectators; nor is the City aware of any release (as such term is defined in CERCLA, as defined below) of any Hazardous Materials on, beneath or adjacent to the Complex that could result in any such liabilities, obligations, injuries or disease.

(h) Legal Opinion of City's Counsel. The City agrees to deliver to the Team, upon the commencement date of this Lease, a legal opinion from the law firm of William R. Lisch, PA, stating that:

(i) The City has all requisite power and authority to enter into, execute and deliver this Lease, and the execution, delivery and performance by the City has been duly authorized by all necessary action of the City; and

(ii) This Lease constitutes the legal, valid and binding obligation of the City enforceable against the City in accordance with its terms.

Section 11.2 Representations and Warranties of Team.

The Team hereby represents and warrants to the City the following as of the date of execution of this Lease:

(a) Organization. The Team is a general partnership duly organized, validly existing and in good standing under the Laws of State of Pennsylvania.

(b) Authorization, Validity and Enforceability. The Team has all requisite power and authority to enter into this Lease and to carry out the actions contemplated hereby. The execution, delivery and performance of all obligations of the Team under this Lease have been duly authorized and approved by all necessary Team action. All corporate action necessary for the authorization, execution, delivery and performance of all obligations of the Team under this Lease has been taken. All consents and approvals of any Person required in connection with the execution of this Lease has been obtained. This Lease, when executed, shall constitute the valid and legally binding obligations of the Team enforceable against it in accordance with their respective terms.

(c) No Conflicts. The execution, delivery and performance of this Lease shall not result in a violation of, in any material respect, any provision of any other agreements, instruments, contracts, judgments or decrees to which the Team is a party or by which the Team or its assets may be bound or affected nor shall the execution, delivery and performance of this Lease result in the breach of or constitute a default under any agreement or instrument to which the Team is a party or by which the Team or its assets may be bound or affected.

(d) No Violations of Laws. The Team has not received written notice as of the date of execution of this Lease asserting any noncompliance in any material respect by the Team with Legal Requirements, and the Team is not in default with respect to any judgment, order, injunction or decree of any court, administrative agency, or other Governmental Authority that is in any respect material to the transactions contemplated in and by this Lease.

(e) Litigation. There is no action, suit, proceeding or investigation at law or in equity or by or before any Governmental Authority now pending or, to the actual knowledge of the Team, threatened against or which affects the Team seeking to restrain or prohibit, or seeking Damages or other relief in connection with, the execution of this Lease and the performance of the transactions contemplated herein or that might materially and adversely affect the use and operation of the Complex as contemplated in and by this Lease or the performance of the Team hereunder.

(f) Legal Opinion of Team. The Team agrees to deliver to the City, upon the commencement date of this Lease, a legal opinion from the law firm of Reed Smith, stating that:

(i) The Team has been duly formed and is validly existing under the laws of the State of Pennsylvania;

(ii) The Team has all requisite power and authority to enter into, execute and deliver this Lease, and the execution, delivery and performance by the Team has been duly authorized by all necessary action of the Team; and

(iii) This Lease constitutes the legal, valid and binding obligation of the Team enforceable against the Team in accordance with its terms.

ARTICLE 12 TERMINATION OF EXISTING LEASE

As of the Commencement Date, the Existing Lease shall terminate and be of no further force or effect and all obligations and rights thereunder shall be deemed superseded by the terms and conditions of this Lease. The Parties agree to execute and record in the local land records any releases to evidence of record the foregoing termination. From and after the Commencement Date, this Lease shall govern the rights and responsibilities of each Party with respect to the Complex and any other subject matter contained in this Lease.

ARTICLE 13 MISCELLANEOUS

Section 13.1 Recording of the Lease.

This Lease shall not be recorded, but at the request of either the City or the Team, the Parties shall promptly execute, acknowledge and deliver to each other a memorandum of lease in the form of Exhibit 5 sufficient for recording. Such memoranda shall not be deemed to change or otherwise affect any of the obligations or provisions of this Lease.

Section 13.2 Additional Documents and Approval.

(a) The Parties, whenever and as often as each shall be reasonably requested to do so by the other Party, shall execute or cause to be executed any further documents and take any further actions as may be reasonably necessary or expedient in order to consummate the transactions provided for in, and to carry out the purpose and intent of, this Lease. Furthermore, the City shall take all ministerial actions and proceedings reasonably necessary or appropriate to remedy any apparent invalidity, lack or defect in authorization, or illegality, or to cure any other defect that has been asserted or threatened.

(b) The City and the Team further covenant and agree to cooperate and assist each other in the creation, establishment, granting or conveying, either by easement, declaration, license or any other instrument or agreements (whether recorded or unrecorded) as either Party may deem necessary or reasonably advisable (and subject to the consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed) to provide for the continued and uninterrupted use of Utilities, ingress/egress and other easements necessary for the operation of the Complex.

Section 13.3 Good Faith.

In exercising its rights and fulfilling its obligations under this Lease, each of the Parties shall act in good faith. Notwithstanding the foregoing, each Party acknowledges that in each instance under this Lease where a Party is obligated to exercise good faith or to use good faith, diligent or other similar efforts, such Party shall not be required to expend any funds, or grant any other consideration of any kind, in the performance of such undertaking, and each Party further acknowledges that the obligation of any Party to act in good faith, or undertake good faith, diligent or other similar efforts does not constitute a warranty, representation or other guaranty that the result that the Parties are attempting to achieve shall be successfully achieved and no Party shall be liable for any failure to achieve the result or results intended so long as the Party has complied with its obligation to act in good faith.

Section 13.4 Form of Notices; Addresses.

All notices, requests, consents or other communications required under this Lease shall be in writing and shall be deemed to have been properly given if served personally, or if sent by United States registered or certified mail, telefax or overnight delivery service to the Parties as follows (or at such other address as a Party may from time to time designate by notice given pursuant to this Section):

To the Team: Pittsburgh Associates
PNC Park at North Shore
115 Federal Street
Pittsburgh, PA 15212
Attention: Vice President and General Counsel
Fax: 412-325-4948

With a Copy to: Pirate City Baseball Training Facility
1801 27th Street East
Bradenton, FL 33505
Attention: Director of Florida Operations
Fax: (941) 747-9549

To the City: City of Bradenton
101 Old Main Street
Bradenton, FL 34205
Attention: Mayor
Fax: (941) 932-9458

With a Copy to: William R. Lisch, PA
519 13th Street West
Bradenton, Florida 34205
Fax: (941) 748-6588

Each notice shall be deemed given and received on the date delivered if served personally or by overnight delivery service, or, if sent by United States registered or certified mail, or fax transmission, then one (1) day after its delivery to the address of the respective Party, as provided in this Article, except that with respect to the notices pertaining to matters that are to be accomplished within less than three (3) days (e.g., requests for consent when the Person whose consent is sought has one (1) day to respond in the granting or denying of such consent), notice shall be deemed given simultaneously with its delivery. Notices sent by a Party's counsel shall be deemed notices sent by such Party.

Section 13.5 Force Majeure.

The nonoccurrence of any condition under this Lease shall not give rise to any right otherwise provided in this Lease when such failure or non-occurrence is due to the occurrence of a Force Majeure condition and without the fault of the Party claiming an extension of time to perform. An extension of time for such cause, if any, shall be limited to the period of delay due

to such cause, which period shall be deemed to commence from the time of the commencement of the cause, provided that, if notice by the Party claiming such extension is sent to the other Party more than thirty (30) days after the commencement of the cause, the period shall be deemed to commence thirty (30) days prior to the giving of such notice. Times of performance under this Lease also may be extended as mutually agreed upon in writing by the City and the Team. However, failure to agree to a proposed extension of time for performance shall not be deemed grounds for delay or failure to timely cure an Event of Default under this Lease.

Section 13.6 Calculation of Time.

Unless otherwise stated, all references to "day" or "days" shall mean calendar days.

Section 13.7 Time is of the Essence.

Time is of the essence with respect to the performance of each of the covenants and obligations contained in this Lease.

Section 13.8 Incorporation by Reference.

All exhibits, schedules or other attachments referenced in this Lease are hereby incorporated into this Lease by such reference and are deemed to be an integral part of this Lease.

Section 13.9 Entire Agreement.

This Lease contains the sole and entire agreement between the Parties with respect to its subject matter and supersedes any and all other prior written or oral agreements between them with respect to such subject matter.

Section 13.10 Amendment.

No amendment, modification or termination of this Lease shall be valid unless in writing and duly executed by the Party affected by the amendment, modification or termination. The Parties acknowledge that the Team may be required to obtain the consent of MLB in connection with any amendment or modification of this Lease.

Section 13.11 Binding Effect: Assignment.

This Lease shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Neither this Lease nor any of the rights, interests or obligations hereunder shall be assigned by either of the Parties without the prior written consent of the other Party, except that the Team may assign or transfer this Lease by merger, consolidation, sale of assets or otherwise to any other Person that owns or operates in the City of Pittsburgh, Pennsylvania, the MLB club known as the Pittsburgh Pirates.

Section 13.12 Headings.

The headings contained in this Lease are for convenience of reference only, and shall not limit, extend or otherwise affect the meaning hereof.

Section 13.13 No Presumption Against Drafter.

This Lease has been negotiated at arm's length and between Persons sophisticated and knowledgeable in the matters dealt with herein. In addition, each Party had been represented by experienced and knowledgeable legal counsel. Accordingly, this Lease shall be interpreted to achieve the intents and purposes of the Parties, without any presumption against the Party responsible for drafting any part of this Lease.

Section 13.14 Severability.

If any term or provision of this Lease or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it was held invalid or unenforceable, shall not be affected thereby, and each term or provision of this Lease shall be valid and enforceable to the fullest extent permitted by Law.

Section 13.15 Third Party Beneficiaries.

Nothing in this Lease, express or implied, is intended to (a) confer upon any entity or person other than the Parties and their permitted successor(s) and assigns any rights or remedies under or by reason of this Lease as a third-party beneficiary or otherwise except as specifically provided in this Lease, or (b) authorize anyone not a party to this Lease to maintain an action pursuant to or based upon this Lease.

Section 13.16 Governing Law.

This Lease shall be governed by and construed in accordance with the Laws of the State of Florida, notwithstanding its conflicts of law or choice of law provisions.

Section 13.17 Counterparts.

This Lease may be executed and delivered in counterparts, each of which shall be deemed to be an original and all of which, taken together, shall be deemed to be one agreement.

Section 13.18 Relationship of Parties.

It is agreed that nothing contained in this Lease shall be deemed or construed as creating a partnership or joint venture among the Parties.

Section 13.19 Dispute Resolution.

For purposes of this Section only, the term "Claim" shall mean any Claim other than for specific performance or injunctive relief between or among the Parties that cannot be resolved by

their respective representatives. Any such claim shall be submitted to non-binding mediation administered in accordance with the Commercial Arbitration Rules and Mediation Procedures of the American Arbitration Association (AAA) then in effect. Unless the Parties otherwise agree, within seven (7) days after the selection of the mediator, the Parties and the mediator shall participate in a pre-mediation conference to determine the time and place of the mediation and the procedures that will govern the mediation. The cost and expense of the mediator shall be equally shared by the Parties and each Party shall submit to the mediator any information or position papers that the mediator may request to assist in resolving the Claim. If a Claim has not been resolved within sixty (60) after submission of the Claim to mediation, then either Party may submit the Claim to binding arbitration in accordance with the Commercial Arbitration Rules and Mediation Procedures of the AAA then in effect. All arbitration proceedings shall be held in Bradenton, Florida or any other City the parties agree to. Demand for arbitration shall be filed in writing with the other Party and with the American Arbitration Association. The demand for arbitration may be filed at the same time as the demand for mediation but the arbitration proceedings shall be stayed until the time period for the mediation proceedings referenced above has expired. The demand for arbitration shall be made within a reasonable time after the Claim, but in no event shall the demand for arbitration be made after the date when institution of legal or equitable proceedings based on such Claim would be barred by the applicable statutes of limitations. The prevailing party in the arbitration proceeding shall be entitled to recover its reasonable costs, expenses and attorneys' fees as part of the award. The award rendered by the arbitrator or arbitrators shall be final and judgment may be entered upon it in accordance with applicable Law in any court having jurisdiction thereof. The agreement to arbitrate under this Section shall be specifically enforceable under applicable Law in any court having jurisdiction thereof.

Section 13.20 Nondiscrimination.

There shall be no discrimination against or segregation of any person, or group of persons, on account of sex, marital status, race, color, creed, religion, national origin, disability or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Complex. Neither the Team nor any person claiming under or through it shall establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of licensees, sublicensees or vendors (if any), using or operating at Complex or any portion thereof.

Section 13.21 Quiet Enjoyment.

If and so long as the Team shall comply with all of the covenants, conditions and provisions of this Lease on the Team's part to be observed and performed hereunder, the Team shall peaceably and quietly have, hold and enjoy the Complex for the Lease Term, without hindrance or interruption by the City or any Person lawfully claiming the Complex, subject, nevertheless, to all of the provisions of this Lease.

Section 13.22 Estoppel Certificate.

Each of the City and the Team, respectively, agrees that at any time and from time to time within fourteen (14) days' after receipt of a written request by the other Party, the Team or

the City, as the case may be, shall execute, acknowledge and deliver to the other Party a statement in writing certifying: (a) that this Lease is unmodified and in full force and effect or, if there have been modifications, that the same are in full force and effect as modified and identifying the modifications; (b) that the City or the Team, as the case may be, is not, to knowledge of the City or the Team, as case may be, in default under any provisions of this Lease or, if there has been a default, the nature of such default; (c) that all work with respect to the Complex to be performed by the City or the Team, as the case may be, under this Lease has been performed, or if not so performed, specifying the work to be performed; and (d) any other matter that the City or the Team, as the case may be, or such prospective mortgagee or other lender shall reasonably request. It is intended that any such statement may be relied upon by any person, prospective mortgagee of, or assignee of any mortgage, upon such interest.

[THE REMAINDER OF THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Parties have executed this Lease as of the date stated in the first paragraph of this Lease.

EXHIBITS

- Exhibit 1 - Legal Description of the Land Comprising the Complex and Description of Appurtenant Property Rights
- Exhibit 2 - Site Plan
- Exhibit 3 - Form of Acknowledgment of Commencement Date
- Exhibit 4 - Permitted Encumbrances
- Exhibit 5 - Form of Memorandum of Lease
- Exhibit 6 - Payment Procedures for Capital Repair Work

EXHIBIT 1

**LEGAL DESCRIPTION OF THE LAND COMPRISING THE COMPLEX
[AND DESCRIPTION OF APPURTENANT PROPERTY RIGHTS]**

General Description of Exhibit Content: A metes and bounds description of the land upon which the Complex is located and a description of all easements benefiting the Complex.

Party Responsible to Prepare Exhibit: The City and the Team with the assistance of surveyor.

Parties to Review and Approve: The Team and the City.

EXHIBIT 2

SITE PLAN

General Description of Exhibit Content: A copy of the Site Plan showing the Complex site limits and the parking facilities.

Party Responsible to Prepare Exhibit: The Architect.

Parties to Review and Approve: The Team and the City.

EXHIBIT 3

FORM OF ACKNOWLEDGMENT OF COMMENCEMENT DATE

EXHIBIT 4

PERMITTED ENCUMBRANCES

General Description of Exhibit Content: A list of all title matters affecting the Complex and Appurtenant Property Rights.

Party Responsible to Prepare Exhibit: The City, based upon title examination by a national title insurance company approved by the Team.

Parties to Review and Approve: The Team and the City.

EXHIBIT 5

FORM OF MEMORANDUM OF LEASE

EXHIBIT 6

PAYMENT PROCEDURES FOR CAPITAL REPAIR WORK

1. Each month, when applicable, the Team shall submit to the [Trustee/Escrow Agent and the City] a request for disbursement from the Capital Reserve Fund ("Disbursement Request"), with a copy to the City. Each Disbursement Request shall be certified as true and correct by the Team to the best of its knowledge and belief and shall contain a statement setting forth (a) the name, address and federal taxpayer identification number of the payee, (b) the amount to be paid, (c) a description of the goods or services provided to the Complex by such payee and (d) if applicable, the wire transfer instructions for such payee. Each Disbursement Request shall have attached to it a copy of the invoice of the payee for whom payment is being requested, and, to the extent applicable, a partial waiver of lien of the contractor and its subcontractors covering all construction work undertaken since the last payment application of such contractor.

2. The period covered by each Disbursement Request shall be one (1) calendar month. The Disbursement Request shall be delivered to the [Trustee/Escrow Agent and the City] on or before the tenth (10th) day of the month. If a Disbursement Request is not submitted by the tenth (10th) day of a particular month, then it shall be included in the next month's Disbursement Request. On or before the twentieth (20th) day of each month, the [Trustee/Escrow Agent] shall disburse funds from the Capital Reserve Fund to the Team for payment to the payees identified in the Disbursement Request.

DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (this "Agreement") is made as of the 12 day of June, 2007, by and among THE CITY OF BRADENTON, a municipal corporation of the State of Florida (the "City"), and PITTSBURGH ASSOCIATES, a Pennsylvania limited partnership (the "Team").

RECITALS

A. The City has agreed to pay the construction and renovation costs for the following: (i) demolition of the dormitory facilities and other structures at Pirate City; (ii) construction of new dormitories and other improvements at Pirate City, including the baseball fields and administrative building, and (iii) certain renovations to McKeehan Field.

B. In consideration of the above, the Team has agreed to a 30-year lease of the Pirate City facilities and McKeehan Field.

C. The City has determined that the design, financing, construction and operation of the Project (as defined below) and the performance of this Agreement are in the best interests of the City and serve a public purpose.

NOW, THEREFORE, in consideration of the mutual promises, undertakings and covenants hereinafter set forth, and intending to be legally bound hereby, the City and the Team covenant and agree as follows:

ARTICLE I DEFINITIONS

Section 1.1 Defined Terms

In addition to other terms defined herein, the following terms used in this Agreement shall have the meaning set forth below:

"Agreement" shall mean this Development Agreement between the City and the Team.

"Architect" shall mean Fawley Bryant Architects, Inc.

"Architect Agreement" shall mean the Architect Agreement, to be entered into by and between the City and the Architect, as the same may be amended, modified or supplemented from time to time in accordance with the terms of this Agreement.

"Change Orders" shall mean any change orders or change directives that amend or modify the Contract Documents.

"City Contribution" shall be the entire Project Costs.

"City" shall mean the City of Bradenton, Florida.

"City Indemnified Persons" shall mean the City and its elected officials, appointed officials, board members, officers, employees, agents and attorneys.

"City Representative" shall mean Carl Callahan or any successor to the foregoing person designated in writing by the City by written notice to the Team.

"Claim" shall mean any claim, demand or dispute between the Parties relating to this Agreement or the Project.

"Complex" shall mean Pirate City and McKeechie Field.

"Construction Drawings and Specifications" shall mean the working drawings and specifications describing the site, character, appearance, functionality, design, construction, materials, finishes, structure and mechanical, electrical and all other systems, amenities and components of the Complex prepared from the approved Design Development Documents.

"Construction Team" shall mean (a) the City, (b) the Team, (c) Contractor, (d) Architect, (e) any other consultants deemed necessary by the City or the Team to assist in the design, construction or development of the Complex.

"Contract Documents" shall mean the Contractor Agreement, the Architect Agreement, the final Construction Drawings and Specifications for the Complex and any Change Orders or other equivalent construction contract documents entered into to complete the Project.

"Contractor" shall mean NDC Construction Company.

"Contractor Agreement" shall mean the Contractor Agreement between the City and Contractor, as the same may be amended, modified or supplemented from time to time in accordance with the terms of this Agreement.

"County" shall mean the County of Manatee, State of Florida.

"Damages" shall mean any loss, liability, claim, damage, cost and expense, including costs of investigation and defense and reasonable attorneys' fees, whether the action is for money damages, or for equitable or declaratory relief.

"Design Development Documents" shall mean drawings and specifications based upon, and referring, the Schematic Design Documents and illustrating the scope, relationship, forms, size, functionality and appearance of the Complex and shall provide detail regarding the exteriors of the Complex by means of plans, sections and elevations, typical construction details, equipment layouts and specifications.

"Design Documents" shall refer to, as applicable, the Schematic Design Documents, the Design Development Documents and the Construction Drawings and Specifications.

"Event of Default" shall have the meaning set forth in Section 8.1 hereof.

"Force Majeure" shall mean acts of God, accidents, fire or other casualty, earthquake, hurricane, tornadoes, named storms, flood, war, riot, intervention by civil or military authorities of government, insurrection, or other civil commotion, governmental action (excluding any governmental action or inaction with respect to the granting or withholding of any governmental approvals or Permits needed for the construction or operation of the Ballpark or the acquisition of the Site), material shortages, strikes, boycotts, lockouts or labor disputes, or any other similar or like event or occurrence beyond the reasonable control of a Party hereto, that causes such Party to be delayed or hindered in, or prevented from, the performance of any covenant or obligation hereunder.

"Governmental Authority" shall mean any federal, state, county, city, local or other government or political subdivision or any agency, city, board, bureau, commission, department or instrumentality thereof.

"Guaranteed Maximum Price" or "GMP" shall mean the Guaranteed Maximum Price for the cost of constructing, renovating, furnishing and equipping the Complex, which shall be established as set forth in the Contractor Agreement.

"Law" shall mean any law, statute, code, ordinance, regulation or constitutional or charter provision, duly enacted or adopted by any Governmental Authority.

"Lease" shall mean the Lease and Operating Agreement to be entered into by the City and the Team, the form of which is attached hereto as Exhibit L.

"Legal Requirements" shall mean all present and future Laws applicable to the design, development, construction, equipping, use, occupancy, possession, operation, maintenance and management of the Project, including, without limitation, all Laws relating to the issuance of any bonds by any Governmental Authority in connection with the financing of the Project.

"Major League Baseball" or "MLB" shall mean, collectively, the Office of the Commissioner of Baseball, the Commissioner of Baseball, the Major League Baseball clubs, Major League Baseball Enterprises, Inc., Major League Baseball Properties, the Ownership Committee of Baseball, and/or any other Person appointed by any of the foregoing, or any successor substitute association or entity of which the Team is a member or joint owner and which engages in professional baseball in a manner comparable to Major League Baseball.

"McKechnie Field" shall mean the baseball complex located at 1600 9th Street West, Bradenton, Florida, commonly known as McKechnie Field.

"Parties" shall mean the City and the Team.

"Permits" shall mean any permit, license or approval to be issued by any Person, including, but not limited to, required permits for construction, demolition, installation, alteration or repair of any improvements related in any manner to the Project.

"Person" shall mean any natural person, sole proprietorship, corporation, partnership, trust, limited liability company, limited liability association, unincorporated association, joint venture, joint-stock company, Governmental Authority, or any other entity.

"Pirate City" shall mean the baseball facilities known as Pirate City Baseball Training Facility, located at 1801 27th Street East, Bradenton, Florida.

"Prime Rate" shall mean that rate of interest published from time to time in the Money Rates column of The Wall Street Journal as the "Prime Rate" or "Prime Interest Rate."

"Project" shall mean (a) the planning, development, design, construction and renovation of McKeehan Field and (b) the planning, development, design, construction and renovation of Pirate City. The Project is generally described on Exhibit 2.

"Project Budget" shall mean the budget of the Project Costs and shall contain a reasonably detailed breakdown of the various elements of the Project Costs as approved by the Parties.

"Project Costs" shall mean all costs and expenses of planning, designing, constructing, renovating, and equipping the Complex, including architectural, design and engineering services associated with the planning, design construction and renovation of the Complex; all costs and expenses of Permits and costs and expense for obtaining all Permits or approvals associated with the Complex; all costs and expenses that would be categorized as soft costs in accordance with industry standards for the design and construction of major construction projects, such as the Complex, including design fees, development costs, insurance and third party professional services, all labor, materials, equipment and services to be provided in connection with the renovation of the Complex, including, all costs and expenses included in the O&M, all costs and expenses incurred in connection with the purchase and installation of all machinery, furnishings, fixtures and equipment required for the operation of the Complex; and adequate construction contingencies and reserves, but in no event shall "Project Costs", for the purposes of this Development Agreement, include the costs of capital improvements reserves, bond reserves, capitalized interest or financing costs.

"Project Schedule" shall mean the master project schedule, as updated in accordance with the Contractor Agreement, and attached hereto as Exhibit 3.

"Schematic Design Documents" shall mean, as applicable, with respect to the Complex, the schematic design documents prepared by the Architect of the various Complex components, showing, among other things, the building exterior spaces and major architectural and interior finishes; including those items set forth in Exhibit 4.

"Site" shall mean the property identified in the Site Plan as the "McKeehan Field" and "Pirate City."

"Site Plan" shall mean the site plan attached hereto as Exhibit 5.

"Substantial Completion" shall mean that the work under the Contract Documents is essentially and satisfactorily complete, such that the Complex is ready for opening to the general public and full occupancy and use by the Team. A minor amount of work, as determined by and at the discretion of the Team, such as installation of minor accessories or items, a minor amount of

painting, minor replacement of defective work, minor adjustment of controls or sound systems, or completion or correction of minor exterior work that cannot be completed due to weather conditions, will not delay determination of substantial completion. In no event shall substantial completion be deemed to have occurred unless such certificates required by all Legal Requirements for opening of the Complex to the general public have been issued to the Team.

"Team" shall mean Pittsburgh Associates.

"Team Indemnified Persons" shall mean the Team and its partners, officers, employees, agents and attorneys.

"Team Representative" shall mean Trevor Gooby or Dennis DePru, or any successor to the foregoing person designated by the Team by written notice to the City.

Section 1.2 Construction of Terms.

As the context of this Agreement may require, terms in the singular shall include the plural (and vice versa) and the use of feminine, masculine or neuter genders shall include each other. Wherever the word "including" or any variation thereof, is used herein, it shall mean "including, without limitation," and shall be construed as a term of illustration, not a term of limitation. Wherever the word "or" is used herein, it shall mean "and/or".

ARTICLE 2 ARCHITECT AND DESIGN

Section 2.1 Architect Agreement.

(a) The City has entered into an Architect Agreement upon the terms approved by the Team in accordance with this Agreement. See Exhibit 8. The Architect Agreement shall include provisions requiring:

- (i) An indemnification in favor of the City and the Team;
- (ii) Provisions requiring the Architect to maintain insurance acceptable to the Team and the City, including the coverages, limits of liability and other requirements set forth in Exhibit 6;
- (iii) Acknowledgement of the Team as a third party beneficiary of the Architect Agreement;
- (iv) The Architect to promptly deliver such documents and other information as reasonably requested by the Team, and otherwise cooperate with the Team, to meet the Project Schedule deadlines;
- (v) The Architect to design the Complex and be responsible for providing documents necessary for approvals of the design of the Complex at the times and occasions set forth in Section 2.3;

(vi) The Architect to discharge any lien filed by it or its respective subcontractors or consultants for labor performed or materials or services furnished in connection with the construction and renovation of the Complex;

(vii) The Architect to perform its services in accordance with all Laws; and

(viii) The Architect to provide the Contractor with information reasonably required by the Contractor for cost estimating and scheduling, to consult with the Contractor regarding matters affecting cost and schedule, to cooperate with the Team and the City and Contractor in reconciling the design, program, Project Schedule and Project Budget, and to produce documents that are consistent with the Team and the City approvals.

(b) Changes to Architect Agreement. The Team shall have the right to approve any change, modification or amendment to the Architect Agreement. The City shall submit to the Team Representative for review and approval any such proposed change, modification or amendment. The Team shall have ten (10) days to approve or disapprove such change. Approval shall not be unreasonably withheld, conditioned or delayed and the Team shall state the reasons for any disapproval in writing.

(c) Right to Attend Meetings. The Team Representative shall receive notice of all design meetings, have the right to attend all design meetings regarding the design of the Complex and to receive all documents from the Architect at the same time as the City shall receive them. All design meetings shall be held in Bradenton, Florida unless otherwise agreed by the Parties and shall be scheduled at a time that generally allows the Team Representative to attend.

Section 2.2 Project Representatives.

(a) Team Representative. The Team has designated the Team Representative as its agent and representative authorized to act on the Team's behalf with respect to the Project. The Team reserves the right to change its representative, and the Team shall notify the City in writing prior to such change. The City shall have the right to approve any replacement of the Team Representative, which approval shall not be unreasonably withheld, conditioned or delayed. The Team Representative is the Team's exclusive representative to the City insofar as this Agreement is concerned. All instructions from the Team to the City relating to this Agreement shall be issued or made in writing through the Team Representative. All communications and submittals from the City to the Team shall be issued or made through the Team Representative, unless the Team or the Team Representative shall otherwise direct in writing.

(b) City Representative. The City has designated the City Representative as its agent and representative authorized to act on the City's behalf with respect to the Project. The City reserves the right to change its representative, and the City shall notify the Team in writing prior to such change. The Team shall have the right to approve any replacement of the City Representative, which approval shall not be unreasonably withheld, conditioned or delayed. The City Representative is the City's exclusive representative to the Team insofar

as this Agreement is concerned. All instructions from the City to the Team relating to this Agreement shall be issued or made in writing through the City Representative. All communications and submittals from the Team to the City shall be issued or made through the City Representative, unless the City or the City Representative shall otherwise direct in writing.

Section 2.3 Design Approval Process.

(a) Schematic Design Documents. The Parties have approved the Schematic Design Documents.

(b) Design Development Documents. Based upon the Schematic Design Documents, the City shall cause the Architect to prepare the Design Development Documents and submit the Design Development Documents to the Team Representative and the City Representative on or before the date for delivery set forth in the Project Schedule. The Team Representative and the City Representative, and such other staff and personnel as each Representative deems appropriate, shall meet as necessary to review the Design Development Documents and confirm that they comply with the design intent of the Schematic Design Documents. The Team Representative and the City Representative shall use good faith efforts to resolve any disagreements in an expeditious manner so as not to delay the mutual approval of the Design Development Documents.

(c) Construction Drawings and Specifications. Upon approval of the Design Development Documents, the City shall cause the Architect to prepare Construction Drawings and Specifications based on the approved Design Development Documents. The Team Representative and the City Representative shall review and approve the Construction Drawings and Specifications and confirm that the Construction Drawings and Specifications comply with the design intent of the Design Development Documents. The City shall cause the Architect to coordinate with the Contractor to organize the Construction Drawings and Specifications in such a manner as to prepare bid documents for competitive pricing.

(d) Contractor to Provide Estimates. With each submittal of the documents specified in this Section, the Contractor shall provide a detailed estimate of the cost based upon the documents delivered to the Team Representative and the City Representative. The Contractor shall meet with the Team Representative and the City Representative as requested to provide information regarding the estimate and value engineering proposals.

ARTICLE 3
CONSTRUCTION MATTERS

Section 3.1 Construction Administration.

(a) Contractor Agreement. The City has entered into a Contractor Agreement upon the terms approved by the Team and in accordance with the terms of this Agreement. The Contractor Agreement shall include provisions requiring:

- (i) an indemnification in favor of the City and the Team;

(ii) the Contractor to maintain insurance acceptable to the City and the Team, including the coverages, limits of liability and other requirements set forth in Exhibit 7;

(iii) acknowledgement of the Team as a third party beneficiary of the agreement;

(iv) compliance with all Laws;

(v) the Contractor to promptly deliver such documents and other information as reasonably requested by the City or the Team and otherwise cooperate with the City and the Team to meet the Project Schedule; and

(vi) the Contractor to discharge any lien filed by it or its respective subcontractors or consultants for labor performed, or materials or services furnished in connection with the Project.

(b) City Oversight of Contractor. The City, in cooperation with the Team, shall cause the Contractor to:

(i) Prepare the Project Budget to be approved by the Parties;

(ii) Develop a Project Schedule and cause the Project Schedule to be updated on at least a monthly basis and deliver a copy of same to the Team Representative and the City Representative;

(iii) Provide detailed estimates as set forth in Section 2.3(d) hereof;

(iv) Develop a GMP for approval by the Team and the City;

(v) Obtain or cause to be obtained, in coordination with the Architect, all Permits;

(vi) Maintain complete and accurate books and records, consistent with industry standards, regarding the design, construction and renovation of the Complex, including records relating to the Contract Documents, shop drawings, Change Orders, as built drawings, applications for payment, Permits, insurance policies, correspondence, bills, vouchers, receipts and lien waivers;

(vii) Develop and implement a plan for construction staging and storage;

(viii) Furnish promptly to the Team Representative all documents and information required to be provided pursuant to this Agreement and all other information that the Team Representative may reasonably request.

(ix) Notify promptly the Parties of any claim, suit, proceeding or action that is initiated or threatened in connection with the Project;

(x) Make available to the Team Representative copies of all Project meeting minutes and, upon written request of the Team Representative, all Project documents;

(xi) Make available to the Team copies of all contracts and subcontracts relating to the Project, and all amendments thereto;

(xii) Provide the Team Representative with monthly progress reports containing such financial information as the Team may reasonably request relating to Project Costs and including a status report on the progress of the Project; and

(xiii) Supervise and coordinate the Project so that the Complex is constructed, renovated, equipped and furnished in a good and workmanlike manner in accordance with the Contract Documents, lien free, and achieves Substantial Completion on or before February 1, 2008 (subject to Force Majeure) in accordance with all Legal Requirements.

(c) Changes to Contractor Agreement. The Team shall have the right to approve any change, modification or amendment to the Contractor Agreement. The City shall submit to the Team Representative for review and approval any such proposed change, modification or amendment. The Team shall have ten (10) days to approve or disapprove such change. Approval shall not be unreasonably withheld, conditioned or delayed and the Team shall state reasons for any disapproval in writing.

(d) Change Orders. The City shall promptly submit to the Team Representative for review and approval any Change Orders. The Team Representative shall review the Change Order in an expeditious manner so that the City shall have sufficient time to respond within the period of time provided in the Contractor Agreement for responding to Change Orders. The Team Representative shall exercise good faith efforts to respond to diligently and expeditiously as possible to any requested Change Order. In the event that the Team Representative disapproves a Change Order, the Team Representative shall state, with specificity, the reason for disapproval.

(e) Team's Right Attend Meetings. The Team Representative shall receive from the City advance notice of all Project meetings. During the term of this Agreement, the Team Representative and the City Representative shall have the right to attend all of the Construction Team meetings, inspect the Complex at all reasonable times and subject to all Site safety rules, and receive all documents provided to the City at the same time as provided to the City. The Team Representative and the City Representative shall meet regularly in order to keep the Parties informed throughout the duration of the planning, design, construction and renovation of the Complex.

Section 3.2 Lists of Contractors and Subcontractors.

Upon the request of the Team, the City shall promptly furnish to the Team correct lists of all contractors and subcontractors employed in connection with the construction and renovation of the Complex and true and correct copies of all executed contracts, subcontracts and purchase orders therefor.

Section 3.3 City Responsibilities.

(a) The City shall be responsible for the administration of the Architect Agreement and the Contractor Agreement, subject to the rights of the Team as set forth herein.

(b) The City shall select and negotiate contracts with all consultants and professionals that shall comprise the Construction Team, subject to consultation with and final approval by the Team.

(c) The City shall provide accounting services for the Project.

(d) The City shall furnish to the Team monthly reports containing (i) a status of design planning, (ii) a comparison of the Project Budget to costs incurred through the date of the report, and an analysis of the reasons for variances, (iii) a narrative comparison of the Project Schedule to the work actually completed through the date of the report, and an analysis of the reasons for variances, (iv) any revision to the Project Schedule and/or Project Budget, made during the month covered by the report, and (v) the status of any municipal requirements and activities required to facilitate the approval of the Project.

(e) The Team shall have the right to review and approve the use of contingencies established in the Project Budget.

(f) The City shall, in coordination with the Contractor, the Architect and the Team, develop procedures for reviewing and processing applications for payments by the Contractor, and procedures for payment of other Project Costs, including payments to other consultants. Any such procedures shall include the right of the Team Representative to review and approve the applications for payments and invoices.

(g) The City shall take all action reasonably required to comply with all Legal Requirements and take all reasonable action to cause the Architect, the Contractor, and all other agents and contractors to design and construct the Complex in accordance with Legal Requirements.

(h) The City, together with the Team Representative, shall supervise punchlist and warranty work after the date of Substantial Completion of the Complex.

Section 3.4 Permits.

The City shall comply with and keep in effect all Permits and other approvals obtained from any Governmental Authorities, regardless of the procuer of such Permits, that relate to the construction and renovation of the Complex.

Section 3.5 Insurance.

(a) The City shall cause the Architect and the Contractor to maintain the insurance coverages as described in Exhibit 6 and Exhibit 7, respectively.

(b) Risks of Damage or Destruction Prior to Completion. The City shall obtain a builder's risk policy of property insurance for the Complex, which provides coverage for direct physical loss or damage resulting from an insured peril at the Complex or to personal property that is at the Complex, in storage or in transit. This coverage may include sublimits for delay in completion (including gross earnings and soft costs) and for hurricane, windstorm and flood coverage as agreed to by the Parties. The policy shall be an "all risk" or "special form" policy. The City shall apply the proceeds of any recovery under such builder's risk policy of property insurance toward restoration of the damage giving rise to such proceeds and to other costs arising out of such damage. All such insurance proceeds shall be considered project funds and will be deposited in the appropriate Project Accounts in order to pay for the Project Costs.

ARTICLE 4 FINANCING OF THE PROJECT

Section 4.1 Project Budget

The Team and the City agree that the Project Costs shall be paid out of the Project Budget. The Project Budget shall be funded by the City and the Team shall not be responsible for any Project Costs.

Section 4.2 Use of Project Costs

The Parties shall cooperate with each other and the other members of the Project Team to assure that as many program elements, amenities and design features as are reasonable for a first-class MLB spring training facility are included in the Project Costs. The City shall be responsible for payment of any costs in excess of the Project Costs, which payment shall be made at such time as any portion thereof is legally required to be paid with respect to the Complex.

ARTICLE 5 REPRESENTATIONS AND WARRANTIES OF CITY

The City hereby represents and warrants to the Team that, as of the date of execution of this Agreement:

Section 5.1 Authorization, Validity and Enforceability

The City has all requisite power to enter into this Agreement and to carry out the actions contemplated hereby. The execution, delivery, and performance by the City of this Agreement have been duly authorized and approved by all necessary City action. This Agreement when executed, shall constitute the valid and legally binding obligations of the City, enforceable against it in accordance with their respective terms.

Section 5.2 No Conflicts

The execution, delivery and performance of this Agreement shall not result in a violation of, in any material respect, of any provision of any other agreements, charters, instruments,

contracts, judgments or decrees to which the City is a party, or by which the City or its assets may be bound or affected.

Section 5.3 No Violation of Laws.

The City has complied in all material respects with all Legal Requirements, and the City is not in default with respect to any judgment, order, injunction or decree of any court, administrative agency, or other Governmental Authority that is in any respect related to the transactions contemplated in and by this Agreement.

Section 5.4 Litigation.

To the best of the City's knowledge, there is no action, suit, proceeding or investigation at law or in equity or by or before any Governmental Authority now pending or threatened against the City seeking to restrain or prohibit, or seeking Damages or other relief in connection with, the execution of this Agreement and the performance of the transactions contemplated herein or the performance of the City hereunder.

ARTICLE 6
REPRESENTATIONS AND WARRANTIES OF TEAM

The Team hereby represents and warrants to the City that, as of the date of execution of this Agreement:

Section 6.1 Organization.

The Team is a Pennsylvania limited partnership duly organized, validly existing and in good standing under the Laws of State of Pennsylvania.

Section 6.2 Authorization, Validity and Enforceability.

All corporate action necessary for the authorization, execution, delivery and performance of all obligations of the Team under this Agreement has been taken. All consents and approvals of any Person required in connection with the execution of this Agreement have been obtained. This Agreement, when executed, shall constitute valid and legally binding obligations of the Team enforceable in accordance with its respective terms.

Section 6.3 No Conflicts.

The execution, delivery and performance of this Agreement shall not result in a violation of, in any material respect, any provision of any other agreements, instruments, contracts, judgments or decrees to which the Team is a party or by which the Team or its assets may be bound or affected (including the Constitution, by-laws, rules and regulations of Major League Baseball), nor shall the execution, delivery and performance of this Agreement result in the breach of or constitute a default under any loan or credit agreement, or other agreement or instrument to which the Team is a party or by which the Team or its assets may be bound or affected.

Section 6.4 No Violations of Laws.

The Team has not received written notice as of the date of execution of this Agreement asserting any noncompliance in any material respect by the Team with Legal Requirements, and the Team is not in default with respect to any judgment, order, injunction or decree of any court, administrative agency, or other Governmental Authority that is in any respect material to the transactions contemplated in and by this Agreement.

Section 6.5 Litigation.

To the best of the Team's knowledge, there is no action, suit, proceeding or investigation at law or in equity or by or before any Governmental Authority now pending or threatened against or which affects the Team that has been served upon or of which the Team has knowledge, that could have a material adverse affect upon the Team's performance under this Agreement or the financial condition or business of the Team.

ARTICLE 7
GENERAL CONDITIONS

Section 7.1 City's Conditions.

The obligations of the City to perform this Agreement are subject to the satisfaction of each of the following conditions (any of which may be waived by the City, in whole or in part):

- (a) Lease Agreement. The Team shall have executed and delivered the Lease Agreement.
- (b) Accuracy of Representations. All of the representations and warranties of the Team in this Agreement must have been accurate in all material respects as of their respective dates of execution and delivery.
- (c) Performance. All of the covenants and obligations that the Team is required to perform or to comply with pursuant to this Agreement prior to the date of the City's performance, as applicable, including the delivery of all documents and notices provided for therein, must have been performed and complied with in all material respects.
- (d) No Injunction. There shall not be in effect any Legal Requirements or any injunction or other order that prohibits the consummation of this Agreement.
- (e) Delivery of Other Documents. The Team shall have delivered all documents and notices required by this Agreement including, opinions of counsel that shall, among other things, verify the due authorization for the execution and delivery of the Agreement by the Team.

Section 7.2 Team's Conditions.

The obligations of the Team to perform this Agreement are subject to the satisfaction of each of the following conditions (any of which may be waived by the Team, in whole or in part):

(a) Lease Agreement. The City shall have executed and delivered the Lease Agreement.

(b) Accuracy of Representations. All of the City's representations and warranties in this Agreement must have been accurate in all material respects as of the date hereof.

(c) Performance. All of the covenants and obligations that the City is required to perform or to comply with pursuant to this Agreement prior to the date of the Team's performance, including the delivery of all documents and notices provided for therein, must have been performed and complied with in all material respects.

(d) No Injunction. There must not be in effect any Legal Requirements or any injunction or other order that prohibits the consummation of this Agreement.

(e) Delivery of Other Documents. The City shall have delivered all documents and notices required by this Agreement including opinions of counsel that shall, among other things, verify the due authorization for the execution and delivery of the Agreement by the City.

ARTICLE B DEFAULT AND REMEDIES

Section 8.1 Events of Default.

Each of the following shall constitute an Event of Default under this Agreement:

(a) Team Event of Default.

(i) The Team's violation or failure to perform or observe any covenant or condition of this Agreement, which failure or violation shall continue for thirty (30) days after receipt of written notice to the Team by the City identifying with particularity the failure or violation, provided that if such failure or violation is susceptible to cure but is not reasonably capable of being cured within such thirty (30)-day period, there shall exist no Event of Default provided that the Team promptly advises the City of the Team's intention to duly institute all steps necessary to cure such default and the Team promptly commences cure of such failure or violation, and diligently pursues such cure to completion; and

(ii) Any representation or warranty made by the Team herein shall prove to have been incorrect when made, in any material respect.

(b) City Event of Default.

(i) The City's violation or failure to perform or observe any covenant or condition of this Agreement, which failure or violation shall continue for thirty (30) days after receipt of written notice to the City by the Team identifying with particularity the failure or violation, provided that, if such failure or violation is susceptible to cure but is not reasonably capable of being cured within such thirty (30)-day period, there shall exist no Event of Default provided that the City promptly advises the Team of the City's

intention to duly institute all steps necessary to cure such default and the City promptly commences cure of such failure or violation, and diligently pursues such cure to completion; and

(ii) Any representation or warranty made by the City herein, shall prove to have been incorrect when made, in any material respect.

Section 8.2 Remedies Cumulative; Waiver.

All rights and remedies set forth in this Agreement are cumulative and in addition to the Parties' rights and remedies at law or in equity. A Party's exercise of any such right or remedy shall not prevent the concurrent or subsequent exercise of any other right or remedy. A Party's delay or failure to exercise or enforce any rights or remedies shall not constitute a waiver of any such rights, remedies or obligations. No Party shall be deemed to have waived any default unless such waiver is expressly set forth in an instrument signed by such Party. If a Party waives in writing any default, then such waiver shall not be construed as a waiver of any covenant or condition set forth in this Agreement except as to the specific circumstances described in such written waiver. Neither payment of a lesser amount than the sum due hereunder nor endorsement or statement on any check or letter accompanying such payment shall be deemed an accord and satisfaction, and the other Party may accept the same without prejudice to the right to recover the balance of such sum or to pursue any other remedy.

Section 8.3 Force Majeure.

The nonoccurrence of any condition under this Agreement shall not give rise to any right otherwise provided in this Agreement when such failure or non-occurrence is due to the occurrence of a Force Majeure condition not without the fault of the Party claiming an extension of time to perform. An extension of time for any such cause, if any, shall be limited to the period of delay due to such cause, which period shall be deemed to commence from the time of the commencement of the cause, provided that, if notice by the Party claiming such extension is sent to the other party more than thirty (30) days after the commencement of the cause, the period shall be deemed to commence thirty (30) days prior to the giving of such notice. Times of performance under this Agreement also may be extended as mutually agreed upon in writing by the City and the Team. However, failure to agree to a proposed extension of time for performance shall not be deemed grounds for delay or failure to timely cure an Event of Default under this Agreement.

ARTICLE 9 INDEMNIFICATION

Section 9.1 Indemnification and Payment of Damages by Team.

The Team shall indemnify, defend and hold harmless the City Indemnified Persons for, and shall pay to the City Indemnified Persons from a third party claim, the amount of any Damages arising, directly or indirectly, from or in connection with:

(a) any breach of any representation or warranty made by the Team in this Agreement or exhibit attached hereto or any other certificate or document delivered by the Team to the City pursuant to this Agreement; and

(b) any breach by the Team of any covenant or obligation of the Team in this Agreement.

(c) Notwithstanding the foregoing, indemnification for any action lying in tort shall be limited to \$500,000 per person or \$1,000,000 for claims or judgments arising out of the same incident or occurrences or the amounts set forth in Florida Statutes 768.28, as may be amended from time to time, whichever is greater.

(d) If the Team fails to make any payment of any sums payable by the Team to the City Indemnified Persons on the date due by contract, which failure shall continue for thirty (30) days, then such payment shall bear interest at a rate of interest equal to the lesser of four percent (4%) above the Prime Rate or the highest rate permitted by Law, payable from the date such payment was due to the date of payment thereof.

Section 9.2 Indemnification and Payment of Damages by the City.

The City shall indemnify, defend and hold harmless the Team and the Team Indemnified Persons for, and shall pay to the Team Indemnified Persons the amount of Damages from a third party claim arising, directly or indirectly, from or in connection with:

(a) any breach of any representation or warranty made by the City in this Agreement or in any schedule or exhibit attached hereto or any other certificate or document delivered by the City to the Team pursuant to this Agreement; and

(b) any breach by the City of any covenant or obligation of the City in this Agreement.

(c) Notwithstanding the foregoing, the City's obligation to indemnify shall be limited to the sum of \$500,000 per person per occurrence or \$1,000,000 for claims or judgments arising out of the same incident or occurrence or the amounts set forth in the Florida Statutes 768.28 as may be amended from time to time which ever is greater. Nothing contained herein shall operate as a waiver of any sovereign immunity available to the City for any claims brought directly against the City by any third party.

(d) If the City fails to make any payment of any sums payable by the City to the Team Indemnified Persons on the date due by contract, which failure shall continue for thirty (30) days, then such payment shall bear interest at a rate of interest equal to the lesser of four percent (4%) above the Prime Rate or the highest rate permitted by Law, payable from the date such payment was due to the date of payment thereof.

ARTICLE 10
MISCELLANEOUS

Section 10.1 Survival of Covenants, Agreements, Representations and Warranties.

No action taken pursuant to or related to this Agreement, including any investigation by or on behalf of a Party, shall be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, condition or agreement in this Agreement.

Section 10.2 Additional Documents and Approval.

The Parties, whenever and as often as each shall be reasonably requested to do so by one of the other Parties, shall execute or cause to be executed any further documents and take any further actions as may be reasonably necessary or expedient in order to consummate the transactions provided for in, and to carry out the purpose and intent of, this Agreement. Furthermore, the City shall take all ministerial actions and proceedings reasonably necessary or appropriate to remedy any apparent invalidity, lack or defect in authorization, or illegality, or to cure any other defect that has been asserted or threatened.

Section 10.3 Good Faith.

In exercising its rights and fulfilling its obligations under this Agreement, each of the Parties shall act in good faith. Notwithstanding the foregoing, each Party acknowledges that in each instance under this Agreement where a Party is obligated to exercise good faith or to use good faith, diligent or other similar efforts, such Party shall not be required to expend any funds, or grant any other consideration of any kind, in the performance of such undertaking, and each Party further acknowledges that the obligation of any Party to act in good faith, or undertake good faith, diligent or other similar efforts does not constitute a warranty, representation or other guaranty that the result that the Parties are attempting to achieve shall be successfully achieved and no Party shall be liable for any failure to achieve the result or results intended so long as the Party has complied with its obligation to act in good faith.

Section 10.4 Notice of Matters.

In the event that any Party receives knowledge about any matter that may constitute a breach of any of its warranties or covenants set forth in this Agreement that arises after the date of this Agreement, it shall promptly notify the other Parties of the same in writing.

Section 10.5 Form of Notices; Addresses.

All notices, requests, consents or other communications required under this Agreement shall be in writing and shall be deemed to have been properly given if served personally, or if sent by United States registered or certified mail, fax, or overnight delivery service to the Parties as follows (or at such other address as a Party may from time to time designate by notice given pursuant to this Section):

To the Team: Pittsburgh Associates
PNC Park at North Shore
115 Federal Street
Pittsburgh, PA 15212
Attention: Vice President and General Counsel
Fax: 412-325-4948

With a Copy to: Pirate City Baseball Training Facility
1801 27th Street East
Bradenton, FL 33505
Attention: Director of Florida Operations
Fax: 941-747-8151

To the City: City of Bradenton
~~Bradenton, FL 33505~~ 101 Old Main St.
Attention: Mayor Bradenton, FL 34205
~~Fax: 941-747-5759~~ 941-982-9809

With a Copy to: _____

Attention: _____
Fax: _____

Each notice shall be deemed given and received on the date delivered if served personally or by overnight delivery service, or, if sent by United States registered or certified mail, or fax transmission, then one (1) day after its delivery to the address of the respective Party, as provided in this Article, except that with respect to the notices pertaining to matters that are to be accomplished within less than three (3) days (e.g., requests for consent when the Person whose consent is sought has one (1) day to respond in the granting or denying of such consent), notice shall be deemed given simultaneously with its delivery. Notices sent by a Party's counsel shall be deemed notices sent by such Party.

Section 10.6 Calculation of Time.

Unless otherwise stated, all references to "day" or "days" shall mean calendar days.

Section 10.7 Time is of the Essence.

Time is of the essence of this Agreement. The City shall cause the work under the Contract Documents to meet the Project Schedule, which shall not be altered except by a Change Order agreed to by the Parties. The City acknowledges (a) that Substantial Completion of the Project by February 1, 2008 is of paramount importance to the Team because of the unique nature of the Project and the expense involved in training or playing in a substitute facility, and (b) that the Team shall suffer significant damages, including lost revenues, rental expenses for spring training facilities and player/employee housing, and related costs and expenses if the Project does not achieve Substantial Completion by February 1, 2008.

Section 10.8 Incorporation by Reference.

All exhibits, schedules or other attachments referenced in this Agreement are hereby incorporated into this Agreement by such reference and are deemed to be an integral part of this Agreement.

Section 10.9 Entire Agreement.

This Agreement contains the sole and entire agreement between the Parties with respect to their subject matter and supersedes any and all other prior written or oral agreements between them with respect to such subject matter.

Section 10.10 Amendment.

No amendment, modification or termination of this Agreement shall be valid unless in writing and duly executed by the Party affected by the amendment, modification or termination.

Section 10.11 Binding Effect; Assignment.

This Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of the Parties hereto. The Texas and the City shall not assign its respective interests under this Agreement without the prior written consent of the other Party.

Section 10.12 Headings.

The headings contained in this Agreement are for convenience of reference only, and shall not limit, extend or otherwise affect the meaning hereof.

Section 10.13 No Presumption Against Drafter.

This Agreement has been negotiated at arm's length and between Persons sophisticated and knowledgeable in the matters dealt with herein. In addition, each Party had been represented by experienced and knowledgeable legal counsel. Accordingly, this Agreement shall be interpreted to achieve the intents and purposes of the Parties, without any presumption against the Party responsible for drafting any part of this Agreement.

Section 10.14 Severability.

If any term or provision of this Agreement or the application thereof to any Person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to Persons or circumstances other than those as to which it was held invalid or unenforceable, shall not be affected thereby, and each term or provision of this Agreement shall be valid and enforceable to the fullest extent permitted by Applicable Law.

Section 10.15 Third Party Beneficiaries.

Nothing in this Agreement, express or implied, is intended to (a) confer upon any Person other than the Parties and their permitted successor(s) and assigns any rights or remedies under or by reason of this Agreement as a third-party beneficiary or otherwise except as specifically provided in this Agreement; or (b) authorize anyone not a Party to this Agreement to maintain an action pursuant to or based upon this Agreement.

Section 10.16 Governing Law.

This Agreement shall be governed by and construed in accordance with the Laws of the State of Florida, notwithstanding its conflicts of law or choice of law provisions. The parties agree that venue shall lie for any actions in Manatee County only.

Section 10.17 Counterparts.

This Agreement may be executed and delivered in three or more counterparts, each of which shall be deemed to be an original and all of which, taken together, shall be deemed to be one Agreement.

Section 10.18 Relationship of Parties.

It is agreed that nothing contained in this Agreement shall be deemed or construed as creating a partnership or joint venture among the Parties.

Section 10.19 Dispute Resolution.

For purposes of this Section only, the term "Claim" shall mean any Claim other than for specific performance or injunctive relief between or among the Parties that cannot be resolved by their respective representatives. Any such claim shall be submitted to non-binding mediation administered in accordance with the Commercial Arbitration Rules and Mediation Procedures of the American Arbitration Association (AAA) then in effect. Unless the Parties otherwise agree, within seven (7) days after the selection of the mediator, the Parties and the mediator shall participate in a pre-mediation conference to determine the time and place of the mediation and the procedures that will govern the mediation. The cost and expense of the mediator shall be equally shared by the Parties and each Party shall submit to the mediator any information or position papers that the mediator may request to assist in resolving the Claim. If a Claim has not been resolved within sixty (60) after submission of the Claim to mediation, then either Party may submit the Claim to binding arbitration in accordance with the Commercial Arbitration Rules and Mediation Procedures of the AAA then in effect. All arbitration proceedings shall be held in Bradenton, Florida. Demand for arbitration shall be filed in writing with the other Party and with the American Arbitration Association. The demand for arbitration may be filed at the same time as the demand for mediation but the arbitration proceedings shall be stayed until the time period for the mediation proceedings referenced above has expired. The demand for arbitration shall be made within a reasonable time after the Claim, but in no event shall the demand for arbitration be made after the date when institution of legal or equitable proceedings based on such Claim would be barred by the applicable statutes of limitations. The prevailing party in the arbitration proceeding shall be entitled to recover its reasonable costs, expenses and attorneys' fees as part

of the award. The award rendered by the arbitrator or arbitrators shall be final and judgment may be entered upon it in accordance with applicable Law in any court having jurisdiction thereof. The agreement to arbitrate under this Section shall be specifically enforceable under applicable Law in any court having jurisdiction thereof.

- Install water fountains, pave parking area, other miscellaneous improvements

Pirate City

- Construct new office/dormitory building
- Reconstruct north parking lot, increasing parking 40%
- Construct clubhouse addition and renovation
- Renovation of "half-field", install artificial turf infield
- Construct fifth practice field, including batter's eye and seating
- Construct public restroom and concession facility at practice field
- Reconstruct fire access lane
- Install access gates at parking entry for security
- Install chain link security fencing
- Add 500-gallon above-ground fueling station

EXHIBIT 3

PROJECT SCHEDULE

1. General Description of Exhibit Content: A copy of the master project schedule containing all major milestone dates for the Project including, without limitation: outside dates for funding of the City Contributions, milestones (and review periods) for delivery of the Design Development Documents and Construction Drawings and Specifications, construction start date, major construction milestones (including substantial completion dates), outside dates for permitting and other approvals.
2. Party Responsible to Prepare Exhibit: The Contractor and the Architect with input from the City and the Team.
3. Parties to Review and Approve: The City and the Team.

EXHIBIT 4

SCHEMATIC DESIGN DOCUMENTS

1. General Description of Exhibit Content: A list of the Schematic Design Documents and any other design documents that describe the Project.
2. Party Responsible to Prepare Exhibit: The Architect.
3. Parties to Review and Approve: The City and the Team.

EXHIBIT 1

SITE PLAN

1. General Description of Exhibit Content: A copy of the Site Plan showing the site limits for Pirate City Training Facility and McKeechule Field and the related parking facilities.
2. Party Responsible to Prepare Exhibit: The Architect.
3. Parties to Review and Approve: The City and the Team.

EXHIBIT 6

ARCHITECT INSURANCE REQUIREMENTS

1. **General Liability Insurance.** (a) Workers' compensation and employer's liability insurance to the full extent as required by law, including Employers Liability coverage of at least \$1,000,000; (b) Commercial general liability coverage, including contractual liability and public liability coverage, in not less than the following amounts: (i) Bodily injury: \$1,000,000 each occurrence and \$2,000,000 annual aggregate; (ii) Property damage: \$1,000,000 each occurrence and \$2,000,000 annual aggregate; (iii) Business automobile liability insurance covering owned, non-owned and leased vehicles, with a combined single limit of \$500,000 per occurrence; and (iv) Excess or umbrella liability of \$3,000,000. These policies (other than the workers' compensation) shall name the Team and the City as additional insureds and shall be primary to any liability insurance carried by any of the additional insureds.

2. **Professional Liability Insurance.** Professional liability insurance, covering claims arising out of the performance of Architect's professional services for the Project, with minimum limits of \$1,000,000 per claim and \$2,000,000 annual aggregate and with a deductible of not more than \$100,000 per claim. Architect shall keep such insurance in effect for a period of not less than two (2) years after the date of completion of its services for the Project. If such professional liability insurance is written on a claims-made basis, such insurance shall have a retroactive date no later than the date of the Architect Agreement and shall include a supplemental extended reporting period provision.

3. **Other Insurance Requirements.** The insurance coverages described above shall be placed with insurance companies rated A minus VII or better by the current edition of Best's Key Rating Guide. Such insurance companies shall be authorized to do business in the State of Florida and shall incorporate a provision requiring the giving of written notice to Owner at least thirty (30) days prior to the cancellation, non-renewal or material modification of any such policies. Architect shall submit valid certificates of insurance in form and substance satisfactory to the Team and the City evidencing the effectiveness of the referenced insurance policies, along with the original copies of the amendatory riders to any such policies. Architect shall also deliver to the Team and the City copies of any insurance policies required under this Agreement within ten (10) days after Owner's request for such policies.

EXHIBIT 7

CONTRACTOR INSURANCE REQUIREMENTS

A. Limits

1. Commercial General Liability
\$1,000,000 Each Occurrence
\$2,000,000 General Aggregate--Per Project Aggregate
Products/Completed Operations Aggregate--Per Project Aggregate
Personal Injury
2. Business Automobile
\$1,000,000 Combined Single Limit
3. Workers' Compensation/Employers' Liability (Stop Gap)
Workers' Compensation - Coverage A
\$1,000,000 Each Accident
\$1,000,000 Disease--Policy Limits
\$1,000,000 Disease--Each Employee
4. Umbrella Liability (coverage to "follow form" of underlying insurance)
\$5,000,000

B. Other Requirements

1. Commercial General and Umbrella Liability Insurance. Contractor shall maintain Commercial General Liability (CGL), and Commercial Umbrella liability insurance with limits as set forth above. If such CGL contains a general aggregate limit, it shall apply separately to this Project.
 - (a) CGL insurance shall be written on ISO occurrence form CG 00 01 10 93 (or a substitute form providing equivalent coverage) and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury and advertising injury and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).
 - (b) Owner and the entities listed in Section 5(d) below shall be included as additional insureds under the CGL and under the commercial umbrella liability policy, using ISO additional insured endorsement CG 20 10 10 93, or a substitute providing equivalent coverage, with changes requested by Owner. Contractor shall deliver to each additional insured a copy of the additional insured endorsement. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance programs carried by Owner. If any additional insured has other insurance that is

applicable to the loss such other insurance shall be on an excess or contingent basis.

- (c) There shall be no endorsement or modification of the CGL limiting the scope of coverage for liability arising from pollution, explosion, collapse, underground property damage or employment-related practices.

2. **Continuing Completed Operations Liability Insurance.** Contractor shall maintain the completed operations coverage for at least two (2) years following final completion of Contractor's Work.

- (a) Continuing CGL insurance shall be written on ISO occurrence form CG 00 01 10 93 (or a substitute form providing equivalent coverage) and shall, at minimum, cover liability arising from products-completed operations and liability assumed under an insured contract.
- (b) Continuing CGL insurance shall have products-completed operations aggregate of at least two times the "each occurrence" limit.
- (c) Continuing commercial umbrella coverage, if any, shall include liability coverage for damage to the completed work equivalent to that provided under ISO form CG 00 01.

3. **Business Auto and Umbrella Liability Insurance.**

- (a) Such insurance shall cover liability arising out of any auto (including owned, hired and non-owned autos).
- (b) Business auto coverage shall be written on ISO form CA 00 01, CA 00 03, CA 00 12, CA 00 20, or substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage equivalent to that provided in the 1990 and later editions of CA 00 01.
- (c) Pollution liability coverage equivalent to that provided under the ISO pollution liability broadened coverage for covered autos endorsement (CA 99 48) shall be provided, and the Motor Carrier Act endorsement (MCS 90) shall be attached.

4. *Workers' Compensation and Employers' Liability.* The alternate employer endorsement (WC 00 03 01 A) shall be attached showing Owner in the schedule as the alternate employer.
5. *General.* All policies shall:
 - (a) Be written by insurance companies with a Best's Rating of no less than "A:VII".
 - (b) Provide that coverage shall not be suspended, voided, canceled, non-renewed, reduced in scope or limits except after thirty (30) days' prior written notice by certified mail, return receipt requested, has been given to Owner.
 - (c) Apply separately to each insured and additional insured against a whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
 - (d) Name the following entities as additional insureds: the City, Pittsburgh Associates, Pittsburgh Baseball, Inc., and, as applicable; their respective subsidiaries, affiliates, officers, directors employees.
 - (e) (i) provide defense as an additional benefit and not within the limits of liability, (ii) be endorsed to provide a waiver of subrogation in favor of the additional insureds, and (iii) with respect to workers' compensation and employer's liability insurance, contain stop gap endorsement for monopolistic states.

EXHIBIT 7

CITY AGREEMENT WITH ARCHITECT

In the opinion of *Mohr, Giblin & Nickerson, P.A.*, Bond Counsel, under existing statutes, regulations, ratings and court decisions and subject to the conditions referred to herein under "TAX EXEMPTION," interest on the Series 2016 Bonds is (a) excludable from gross income for federal income tax purposes and (b) not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. Such interest, however, will be includable in the calculation of a corporation's alternative minimum taxable income and may be subject to other federal income tax consequences referred to herein under "TAX EXEMPTION."

\$14,280,000
CITY OF BRADENTON, FLORIDA
SPECIAL OBLIGATION REVENUE REFUNDING BONDS,
SERIES 2016

Date: Date of Delivery

Over September 1 (see inside cover)

The City of Bradenton, Florida Special Obligation Revenue Refunding Bonds, Series 2016 (the "Series 2016 Bonds") will be issued only as fully registered bonds and will be initially registered only in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Series 2016 Bonds. The Series 2016 Bonds will be available to purchasers in denominations of \$5,000 and any multiple thereof only under the book-entry system maintained by DTC through brokers and dealers who are, or act through, DTC Participants. Purchasers will not receive delivery of the Series 2016 Bonds. So long as any purchaser is the Beneficial Owner (as defined herein) of a Series 2016 Bond, the purchaser must maintain an account with a broker or dealer who is, or acts through, a DTC Participant to receive payment of principal of and interest on such Series 2016 Bond. See "DESCRIPTION OF THE SERIES 2016 BONDS - Book-Entry Only System" herein. Interest on the Series 2016 Bonds will be payable semiannually on March 1 and September 1 of each year, commencing on September 1, 2016.

The Series 2016 Bonds are being issued pursuant to the Constitution and laws of the State of Florida, particularly Chapter 188, Florida Statutes, and other applicable provisions of law, and Resolution 16-83, adopted by the City Council of the City of Bradenton, Florida (the "City") on June 8, 2016 (the "Resolution") for the purpose of providing funds, together with other legally available funds of the City, to (i) refund the City's outstanding Special Obligation Revenue Bonds, Series 2007, and (ii) pay the costs of issuance of the Series 2016 Bonds.

The Series 2016 Bonds are subject to optional redemption prior to maturity as described herein.

The principal and interest on the Series 2016 Bonds are payable from and secured by a pledge of and lien upon (1) the Pledged Revenues (consisting of Retained Spring Training Franchise Sales Tax Revenues as such term is defined herein), and (2) and applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in the funds established by the Resolution, other than the Reserve Fund, all in the manner and to the extent described herein and in the Resolution (collectively, the "Pledged Funds"). The City has covenanted to appropriate in its annual budget, by amendment, if necessary, such amounts of Non-Ad Valorem Revenues (as defined herein and in the Resolution) which are not otherwise pledged, restricted or encumbered, as shall be necessary, after taking into consideration the Pledged Funds, to pay the principal of and interest on the Series 2016 Bonds when due and all required rebate payments and to fund the Reserve Fund to the extent of any deficiencies therein. Such covenant to appropriate Non-Ad Valorem Revenues is not a pledge by the City of such Non-Ad Valorem Revenues and is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds or other debt instruments) and also to the payment of services and programs which are for essential public purposes affecting the health, safety and welfare of the inhabitants of the City or which are legally mandated by applicable law. The City currently intends to pay debt service on the Series 2016 Bonds first with Pledged Revenues and thereafter from appropriated Non-Ad Valorem Revenues. See "SECURITY FOR THE SERIES 2016 BONDS" herein.

THE SERIES 2016 BONDS SHALL NOT BE OR CONSTITUTE GENERAL OBLIGATIONS OR INDEBTEDNESS OF THE CITY AS "BONDS" WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION, BUT SHALL BE SPECIAL OBLIGATIONS OF THE CITY, PAYABLE SOLELY FROM AND SECURED BY THE PLEDGED FUNDS (INCLUDING AMOUNTS BUDGETED AND APPROPRIATED BY THE CITY FROM NON-AD VALOREM REVENUES IN ACCORDANCE WITH THE RESOLUTION), IN THE MANNER SET FORTH IN THE RESOLUTION. NO HOLDER OF ANY SERIES 2016 BOND SHALL ENTER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAKING POWER TO PAY SUCH SERIES 2016 BOND, OR BE ENTITLED TO PAYMENT OF SUCH SERIES 2016 BOND FROM ANY MONIES OF THE CITY, EXCEPT FROM PLEDGED FUNDS, IN THE MANNER AND TO THE EXTENT PROVIDED IN THE RESOLUTION.

This cover page contains certain information for quiet reference only. It is not a summary of this issue. Investors must read this entire Official Statement to obtain information essential to the making of an informed investment decision.

The Series 2016 Bonds are offered when, as and if issued and accepted by the Underwriter, subject to the approving legal opinion of *Mohr, Giblin & Nickerson, P.A.*, Tampa, Florida, Bond Counsel, and certain other conditions. Certain legal matters will be passed upon for the City by the City Attorney, William R. Lisch, Esq., Bradenton, Florida. Certain legal matters will be passed on for the Underwriter by *Bryant Miller Olive P.A.*, Tampa, Florida. *RBC Capital Markets, LLC* serves as financial advisor to the City with respect to the offering of the Series 2016 Bonds. It is expected that settlement for the Series 2016 Bonds will occur through the facilities of DTC in New York, New York, on or about July 14, 2016.

OFFICIAL STATEMENT

Relating to

\$14,280,000

CITY OF BRADENTON, FLORIDA SPECIAL OBLIGATION REVENUE REFUNDING BONDS, SERIES 2016

INTRODUCTORY STATEMENT

This Official Statement including the cover page, inside cover page and appendices, is provided by the City of Bradenton, Florida (the "City"), in order to set forth certain information regarding the City and the City's \$14,280,000 aggregate principal amount of Special Obligation Revenue Refunding Bonds, Series 2016 (the "Series 2016 Bonds"), authorized by Resolution No. 16-33, adopted by the City Council (the "Council") on June 8, 2016 (the "Resolution"). This Introduction is subject in all respects to the more complete information and definitions contained or incorporated in this Official Statement and should not be considered to be a complete statement of the facts material to making an informed investment decision.

The Series 2016 Bonds are being issued pursuant to the Constitution and laws of the State of Florida, particularly Chapter 166, Florida Statutes, the Charter of the City, and other applicable provisions of law, and the Resolution. The Series 2016 Bonds need not be approved by a vote of the electors of the City.

The Series 2016 Bonds are being issued for the purpose of providing funds, together with other legally available funds of the City, to (i) refund the City's outstanding Special Obligation Revenue Bonds, Series 2007 (the "Refunded Bonds"), and (ii) pay the costs of issuance of the Series 2016 Bonds. See "PLAN OF REFUNDING" herein.

The principal of and interest on the Series 2016 Bonds are payable from and secured by a pledge of and lien upon (1) the Pledged Revenues (consisting of Retained Spring Training Franchise Sales Tax Revenues as such term is defined herein) and (2) until applied in accordance with the provisions of the Resolution, all moneys, including investment thereon, in the funds established by the Resolution, other than the Reserve Fund, all in the manner and to the extent described herein and in the Resolution (collectively, the "Pledged Funds"). The City has covenanted to appropriate in its annual budget, by amendment, if necessary, such amounts of Non-Ad Valorem Revenues (as defined herein and in the Resolution) which are not otherwise pledged, restricted or encumbered, as shall be necessary, after taking into consideration the Pledged Revenues, to pay the principal of and interest on the Series 2016 Bonds when due and all required rebate payments and to fund the Reserve Fund to the extent of any deficiencies therein. Such covenant to appropriate Non-Ad Valorem Revenues is not a pledge by the City of such Non-Ad Valorem Revenues and is subject in all respects to the payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds or other debt instruments) and also to the payment of services and programs which are for essential public purposes affecting the health, safety and welfare of the inhabitants of the City or which are legally mandated by applicable law. The City currently intends to pay debt service on the Series 2016 Bonds first with Pledged Revenues and thereafter from appropriated Non-Ad Valorem Revenues. See "SECURITY FOR THE SERIES 2016 BONDS" herein.

All capitalized terms used in this Official Statement not normally capitalized and not otherwise defined herein, shall have the same meaning as provided in the Resolution. The form of the Resolution is attached to this Official Statement as APPENDIX C. The descriptions of the Series 2016 Bonds, the documents authorizing and securing the same, and the information from various reports and statements contained herein are not comprehensive or definitive. All references herein to such documents, reports and statements are qualified by the entire, actual content of such documents, reports and statements. Copies of such documents, reports and statements referred to herein that are not included in their entirety in this Official Statement may be obtained from the City.

THE CITY

The City, incorporated in 1933, is located on the west coast of Florida, in Manatee County (the "County"), approximately forty miles south of Tampa on the southern reaches of Tampa Bay. The City encompasses 14.55 square miles and has a population of approximately 52,534. The City provides a full range of services including police, fire, planning and development, water, sewer, solid waste and recycling services, as well as providing cultural and recreational facilities. For additional information concerning the City, see "APPENDIX A - General Information Regarding the City of Bradenton and Manatee County, Florida" attached hereto.

PLAN OF REFUNDING

Pursuant to the Bond Resolution, the City has determined it to be in its best interest to refund the Refunded Bonds currently outstanding in the amount of \$14,705,000 with proceeds from the Series 2016 Bonds and other legally available moneys of the City.

Concurrently with the delivery of the Series 2016 Bonds, proceeds from the Series 2016 Bonds, together with other legally available moneys of the City, shall be deposited into an escrow deposit trust account (the "Escrow Account") pursuant to the terms and provisions of the Escrow Deposit Agreement between the City and U.S. Bank National Association, Orlando, Florida, as Escrow Agent thereunder (the "Escrow Deposit Agreement"). The moneys deposited pursuant to the Escrow Deposit Agreement shall be applied to the purchase of certain United States Treasury obligations (the "Escrow Securities") so as to produce sufficient funds to pay the principal of, and interest on the Refunded Bonds as the same become due or are earlier redeemed. The Refunded Bonds will be called for redemption on September 1, 2017 (the "Redemption Date") at a redemption price of 100% of the principal amount of such Refunded Bonds, plus accrued interest to the Redemption Date. Upon the deposit of such moneys in the Escrow Account, in the opinion of Bond Counsel, rendered in reliance upon certain mathematical computations performed by Raymond James & Associates, Inc., the Underwriter, as verified by Integrity Public Finance Consulting LLC, Jacksonville, Florida (the "Verification Agent") as described below, the Refunded Bonds shall be deemed to be paid and shall no longer be deemed to be secured by or entitled to the benefits of the Resolution pursuant to which they were issued. The Verification Agent is a wholly owned subsidiary of Bryant Miller Olive P.A. The holders of the Refunded Bonds shall be entitled to payment solely out of the moneys and Escrow Securities deposited pursuant to the Escrow Deposit Agreement. The moneys and Escrow Securities on deposit in the Escrow Fund will not be available for payment of the Series 2016 Bonds.

Upon delivery of the Series 2016 Bonds, the Verification Agent will verify the accuracy of the arithmetical computations of the adequacy of the maturing principal amount of, and interest on the Escrow Securities, together with any uninvested amounts, to be held in the Escrow Account to pay the

principal and interest on the Refunded Bonds on the Redemption Date, and the "yield" on the Series 2016 Bonds and on the Escrow Securities considered by Bond Counsel in connection with its opinion that the Series 2016 Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Code, as amended. See "VERIFICATION OF MATHEMATICAL COMPUTATIONS" herein.

In reliance upon the above-referenced schedules, at the time of delivery of the Series 2016 Bonds, Bond Counsel will deliver to the Underwriter and the City an opinion to the effect that all covenants, agreements and other obligations of the City to the holders of the Refunded Bonds have ceased, terminated and become void and are discharged and satisfied.

Estimated Attendee Economic Impacts	Direct Expenditures	Economic Impact
Commercial Lodging Visitors (Spring Training Primary Factor in Manatee Visit)	\$21,940,071.75	\$34,913,340.00

The Bradenton Marauders team up with local kids for once-in-a-lifetime opportunity

WWSB ABC7 News at 6pm

By Brendan Mackey

Published: Jul. 27, 2023 at 9:28 AM EDT

BRADENTON, Fla. (WWSB) -- For the 3rd year in row The Bradenton Marauders and The Boys and Girls Clubs of Manatee County teamed up for young baseball fans.

Dawn Stanhope, President and CEO of Boys and Girls Clubs of Manatee County says, "For our kids to not only get to go out on the field, but to meet some players, get their hats and their balls signed, it just really lifts their spirits. It gives them an excitement that will just live on for the rest of their lives."

The Marauders are an affiliate with the Pittsburgh Pirates, making the Junior RBI program possible at Lecom Park. The day was a "homerun" once again where over 50 kids got to learn firsthand about the fundamentals of baseball.

One 5th grader named Rylee said, "They give you advice on the field. It feels great to be out here with them."The camp focuses on teaching kids in communities where the sport may not be as accessible. Many of these kids are inspired to keep playing which is a good sign for local baseball. We have some stars in the making.

Termarr Johnson, Marauder says, "There are a lot of future players out here, Future Marauders, Future pirates. I'm excited for these guys to just keep going on with their career."

Pittsburgh Pirates: Spring Training Back To 'Normal' In Bradenton

As a full spring training season returns, Pittsburgh Pirates, Manatee County celebrate 100 years of Major League Baseball in the area.

As a full spring training season returns, Pittsburgh Pirates, Manatee County celebrate 100 years of Major League Baseball in the area. (Tiffany Prizzano/Patch)

BRADENTON, FL — It's a big year for the Pittsburgh Pirates and Manatee County, as spring training returns to the area for its first full, regular season since the start of the COVID-19 pandemic.

ADVERTISEMENT

The team's first home game takes place Saturday afternoon. [Find a full schedule here.](#)

"There's a lot more certainty, which we have not had in the last three years, and that's nice," Craig Warzecha, general manager of the Bradenton Marauders minor league team and director of sales and marketing for the Pirates' Florida operations, told Patch. "Looking back to March 2020, spring training got shut down just about midway through (the season.) March 12. It's a day etched in my mind. We were supposed to have a night game the next night."

Find out what's happening in Bradenton with free, real-time updates from Patch.

Your email address

In 2021, with strict COVID-19 protocols, the Pirates' LECOM Park could only operate at about 25 percent capacity. Then, in 2022, the MLB lockout started the start of the spring training season.

"We only had about nine games," Warzecha said. "This year we're excited for normal spring training with a full schedule ... It's a strong schedule for us."

Empty rectangular box

ADVERTISEMENT

This year also happens to mark the 100th anniversary of Major League Baseball in Bradenton, which the team will honor throughout spring training at LECOM Park.

Before the Phillies, which came to Bradenton in 1969, the St. Louis Cardinals first played in the area in 1923, Jim Trdinich, director of player relations, said. The years include the Philadelphia Phillies, the Boston Red Sox, the Boston/Milwaukee Braves and Kansas City/Oakland Athletics.

ADVERTISEMENT

The area was also home to a Negro Leagues team, the Bradenton Nine Devils, and a member of the Florida State League, the Bradenton Growers, in 1914. To educate those attending spring training games about this history, the team has displayed 11 large panels featuring information about these varied teams at LECOM Park, Trdinich said.

"And we want to make it a year-long celebration. We don't want it to begin and end with spring training. We're just kickstarting the celebration with this year," he said.

Spring training has a large economic impact on the region, bringing in about \$40 million during the six-week period, according to Elliott Falcione, director of economic development.

That makes this year's full spring training season — "the first one in a few years" — so exciting for businesses and tourist attractions, he said. "Tourism is a big part of our future in Bradenton, to focus on urban core redevelopment. That includes how can the city and the county use the LECOM Park."

Still, even with canceled and delayed seasons, there wasn't much of an economic loss to the region. Because of the area's diversity, the county isn't as dependent on baseball as other areas.

"It's peak tourism season and we have a diversified brand in the marketplace. When you have rainouts or a lockout situation or you have any kind of disruption, we can sustain tourism," Falcione said. "Just like during COVID — we were only 10 percent down in tourism in 2020."

ADVERTISEMENT

ADVERTISEMENT

"And even though the economic impact last year (during the MLB lockout) was less than \$40 million, we still had a strong pent up demand of leisure vacations in our area," he said. "They came knowing baseball was not playing. You cannot put all your eggs in one basket."

Still, many local businesses, especially those near LECOM Park, are excited to welcome spring training back, Falcione added. "Hotels, restaurants, bars near the ballpark will all see extra business."

Denise Tschida, owner of Motorworks Brewing, just a short walk to the stadium, said March is usually their busiest time of year because of spring training.

"Even though it's only 16 games, it brings a lot of people from all the world, really, to this area," she told Patch. "It's really wonderful to have the Pirates as our neighbors. Every year, we're very excited about it and even more so this year. Three years ago, we were shocked when we were shut down on March 17 at 5 p.m., but hopefully, we're well beyond that. And we're all geared up with lots of yellow and gold shirts. Our staff is ready. And it looks like the weather will be great."

ADVERTISEMENT

During spring training, Motorworks opens up inexpensive parking for those attending games, charging them \$5 and offering the, \$2 back on a drink if they come in before or after the game.

"So, they mosey on down to the game and hopefully come back and enjoy our beer and our live entertainment in Florida's largest beer garden," Tschida said. "It's a fun month and good revenue for us and good exposure to the world."

Why Missouri football game this week could have prime-time, national TV implications

Sometimes you can even chat up some of the players or get a photo with them.

Umpires at LECOM Park in Bradenton have been saying, "Let's play ball" in Manatee county since the Pittsburgh Pirates made the city their spring home in 1969.

Over the years, \$20 million has gone into the renovation of LECOM, which opened in 1923 as McKechnie Field, in honor of Pittsburgh native, former Bradenton resident, and Hall of Fame manager Bill McKechnie.

The Pirate City complex is now an ultramodern training facility where the Pirates stay and work out during spring training.

Pirate City is located at 1701 27th Street East, and during spring the facility is open to the public where fans have a chance to watch the team run drills.

And after spring training, the baseball doesn't stop. Catch the minor league team games with the Bradenton Marauders starting in April.

HOTELS TO STAY NEAR THE BALLPARK

Pirate fans can stay within walking distance of LECOM stadium, book a room at Hampton Inn and Suites, or Spring Hill Suites by Marriott both in Downtown Bradenton.

REPORT

STADIUM PARKING ON GAME DAY

Parking near LECOM Park 9th Street West is limited.

The stadium has two designated lots: the outfield parking lot costs \$10 per vehicle, the pirates home Plate lot costs \$20 per vehicle, and self-parking is also offered at the home plate lot but availability is extremely limited.

Pirates spring training season ticket holders will receive a \$2 discount at any of these lots by displaying their season ticket holder ID card.

Additional parking can be found east of the ballpark on 6th Street West for \$8 per vehicle.

The Pittsburgh Pirates are celebrating their 50th spring training in Bradenton. Herald file photo

FOOD & BREWS

Food and drink options are plentiful restaurants in Downtown Bradenton and around the ballpark include:

- Motorworks Brewing
- Birdrock Taco Shack
- Oak & Stone
- O'Bricks Irish Pub and Martini Bar
- Tom's Badass Bar and Grill
- Caddy's Bradenton
- Sage Biscuit Cafe

OTHER LOCAL ATTRACTIONS

The Bradenton area has more to offer than baseball. If you're in need of a break from fastballs and the cheering crowds, or a shift in activities that the kids can enjoy, here's a list of attractions near the stadium:

Get 93% off your first month. Subscribe today for \$1.

- Bradenton Riverwalk Skateboard Park
- Riverwalk Splash Park
- Village of the Arts
- Mixon Fruit Farms
- The Nest at Robinson Preserve

FUN IN THE SUN

Beat the heat at the ballpark and cool down at one of these area beaches:

- Anna Maria Public Beach
- Holmes Beach

- Cortez Beach
- Coquina Beach
- Lido Key Beach
- Siesta Key Beach

SHOPPING IN THE AREA

Don't forget to shop, a lot of boutiques to discover and high-end malls to visit like:

- Ellenton Premium Outlets
- UTC Mall
- St. Armand's Circle
- Tampa International Mall

City of Bradenton, Florida
Office of the City Administrator

March 16, 2023

The Honorable Mayor, City Council,
and Citizens of the City of Bradenton, Florida

Dear Mayor, Council, and Citizens:

I am proud to present the City of Bradenton Annual Comprehensive Financial Report. This report addresses the City's finances for the fiscal year ended September 30, 2022. The accuracy of the data, the completeness and fairness of the presentation and the disclosures are the responsibility of the City Administrator, the Chief Financial Officer of the City. The data presented is believed to be accurate in all material respects and is presented to fairly reflect the financial position of the City. All disclosures necessary for a comprehensive understanding of the City's financial activity are included within this financial report.

The City Administrator is responsible for establishing and maintaining internal controls to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against loss from unauthorized use or disposition, along with the reliability of financial records for preparing financial statements and maintaining accountability of assets. These controls have been integrated into the basic functions of the City's accounting system. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived, and the evaluation of costs and benefits requires estimates and judgments by management. All internal control evaluations occur within this framework. We believe that the City's internal accounting controls adequately safeguard assets and provide reasonable assurance of proper recording of financial transactions.

Chapter 11.45 of the Florida Statutes requires all Florida municipalities to undergo a financial audit, conducted by an independent Certified Public Accountant. This requirement has been met for the fiscal year ended September 30, 2022, and the reports of the City's independent auditing firm have been included in this document. In addition to meeting the requirements set forth in state statutes, the audit was also designed to meet the requirements of the Uniform Guidance and Florida Single Audit Act. The independent auditor's report on the basic financial statements and combining and individual fund statements and schedules, and the single audits are included in the Financial Section of this report.

The City of Bradenton operates under a charter adopted on May 19, 1903. The City Council is the legislative body for the City of Bradenton and is made up of five residents elected by the City voters. Each council person lives in and represents an individual ward, but all are elected "at large." In addition to the City Council, the voters elect a mayor that serves as the Chief Elected Official. As of September 30, 2022, the City's elected officials were:

Mayor: Gene Brown
Ward 1: Jayne Kocher

Term to Expire: 2024
Term to Expire: 2024

Ward 2: Marianne Barnebey	Term to Expire: 2022
Ward 3: Patrick Roff	Term to Expire: 2022
Ward 4: William Sanders	Term to Expire: 2022
Ward 5: Pam Coachman	Term to Expire: 2024

Governmental accounting and auditing principles require that management provides a narrative introduction, overview and analysis of the basic financial statements in the form of Management’s Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City of Bradenton’s MD&A begins on page 4, immediately following the Independent Auditor’s Report.

City Organization. The City of Bradenton is centrally located on the west (Gulf) coast of Florida, approximately forty miles south of Tampa. Bradenton encompasses 14.55 square miles and has a population of 56,923. The City of Bradenton provides a full range of services including public safety (police and fire), planning and community development, public works and utilities including water, sewer, stormwater, solid waste and recycling services, as well as recreational facilities. Bradenton has proudly served as the southern home to Major League Baseball’s Pittsburgh Pirates since 1968.

Formal budgetary integration is employed as a management control device throughout the year. All City departments submit their budget requests to the City Administrator during May of each year. After various work sessions are completed at the department and legislative levels, the tentative budget is submitted to the public by the City Council, and public hearings are held to obtain taxpayers’ comments. A final public hearing is held when the final budget is adopted by Resolution during September of each year. Budget adjustments of less than \$10,000 are approved administratively by the City Clerk; budget adjustments greater than \$10,000 and amendments to the total budget must be approved by City Council via Resolution. The legal level of control is the total fund appropriation. Expenditures may not exceed appropriations at this level.

Budget-to-actual comparisons are presented in this report for each individual fund for which the annual budget has been adopted. For the general fund, major special revenue fund, and major capital project funds these comparisons are included in the Required Supplementary Information section. The non-major special revenue funds, debt service funds, and capital project funds are included in the Combining and Individual Fund Statements and Schedules section of this report.

Local economy. The City of Bradenton and surrounding Manatee County had traditionally been one of the fastest growing regions in the state. The years of recession had a potentially devastating financial impact on the local economy. Construction and the real estate industries were virtually non-existent during that time. With that being said, the City of Bradenton and Manatee County have a diversified economic base that relies on service, retail, light manufacturing, agriculture and particularly tourism. That diversity, along with fiscal responsibility, allowed the City to rebound better than most.

The most recent economic indicators point to a somewhat stable local economy. Real estate has continued to show some strength, as evidenced by an 7.2% increase in total taxable assessed values, which follows a 5.5% increase from the previous year. Unemployment has dropped from 4.0% last year to a current level of 2.7%.

Long-term financial planning. During fiscal year 2011, the Bradenton City Council approved and adopted a formal Fund Balance Policy. The 2022 unassigned fund balances in the General Fund have been maintained to insulate the general governmental operations from any fluctuations that may be associated with the current economy, or in the event of a natural or man-made disaster.

During September of 2022, most of Florida was impacted by Hurricane Ian. The financial impact to the City is still being assessed. The City continues to work on reimbursement requests with FEMA during the year. These storm payments and reimbursements are, and will continue to be, accurately reflected in the City’s financial reporting.

Relevant financial policies. For several years, a poor real estate market and rampant foreclosures resulted in a severe reduction in property values. In a bold move, and after substantial cost cutting, City Council consistently

voted to raise property tax revenues to fend off a further deterioration of our financial condition. City leaders were not deterred from their goal to provide and maintain infrastructure for future growth and to practice sound fiscal responsibility with the City's resources to continue to maintain the quality of life for the citizens of Bradenton. Now, over a dozen years later, the City is pleased to produce financial reports that reflect the impact of the half-cent sales tax adopted in 2016 and implemented in 2017. This additional infrastructure funding allows the City to make those improvements that were set aside during those times of fiscal restraint.

Understanding and meeting the needs of the citizens is a challenging and metamorphic process. The City, through sound, prudent and sustainable budgeting practices, has been able to provide programs, infrastructure, and facilities to meet the current needs of its citizens. In order to meet these challenges, the City Council and management have consistently governed by the following tenets:

1) *Live within your means*, 2) *Look to the future*, 3) *Don't defer critical items*, 4) *Dedicate your surplus funds* and 5) *Be prepared for a rainy day*.

The City Administrator's staff monitor the daily cash needs of the City and invests these funds in accordance with the City's investment policy. In concert with monitoring these daily needs, the remainder of the surplus funds are under professional management that allows them to be more aggressively invested, but still within the policy as approved by City Council.

Major Initiatives. The City adopted a series of policies and initiatives that are intended to provide short-term relief to our business community, taking advantage of a strong economic recovery that will aid all of our citizens. The City, primarily through its three Community Redevelopment Areas, is aggressively implementing workforce development strategies, incentives for in-fill development and 'place branding' through the continuing efforts of Realize Bradenton. This strategy appears to be working well as there has been a very visible surge in interest in downtown Bradenton. New parks, restaurants, a recently completed 130-room hotel, and a 500-space parking garage are proof that downtown Bradenton has become a popular destination. Additionally, a visually pleasing "streetscape" program has been completed, further demonstrating confidence in our strong economic base.

Considerable efforts continue to be devoted to ensuring that our citizens' quality of life is both maintained and enhanced. Our continuing efforts to expand both our potable water Aquifer Storage and Recovery (ASR) and reclaimed water systems continue to reap results that improve the reliability of the City's overall water supply. Our ASR program is nearing completion of the cycle-testing phase to demonstrate for State regulatory agencies our ability to safely achieve an underground storage volume of 350 million gallons, adding 27% to the storage volume of the Bill Evers Reservoir. Once the cycle-testing is completed we expect to receive an operational permit for the system. At the end of fiscal year 2022, the City has over 500 MG of potable water stored underground in this new ASR system.

Multiple projects have been completed to expand our reclaimed water system allowing us to increase our beneficial use of this valuable resource by up to 5 million gallons per day, with a corresponding decreasing volume of treated water discharged to the Manatee River. The City recently completed a project to change the disinfection process for reclaimed water to allow our primary customer, Braden River Utilities, to inject the reclaimed water into an ASR well. This would allow the City to pump reclaimed water during wet weather periods.

Over the past eight years, the City has replaced over 10 miles of old cast iron water mains throughout the City to increase the reliability of the water distribution system. The majority (98%) of the mains replaced were 6-inch cast iron, and all were replaced with new 8-inch PVC pipe. The replacements also include installation of all new service lines for homes and new fire hydrants and valves. Our ongoing program to upgrade the system of 64 sewage lift stations throughout the City is continuing. These upgrades include providing improved electrical controls and SCADA to allow for remote monitoring of the operations of all stations and will provide better assurance for uninterrupted wastewater collection and transmission for our citizens.

A new project in design seeks to install an injection well at the Wastewater Treatment Plant (WWTP) for excess reclaimed water to serve as a fresh water barrier against salt water intrusion into the regional aquifer. This project will include construction of a fourth settling tank at the WWTP specifically for wet weather flows. A sister project

to the injection well is the addition of a new wet-weather clarifier for the WWTP to allow the plant to handle the high level of wet weather flow that enters the plant. The new 150-foot diameter clarifier design was completed in fiscal year 2022 and is expected to commence construction in fiscal year 2023.

An annual sanitary sewer program to line old leaking sewers and brick manholes is continuing, with the intent to preserve the treatment capacity of our wastewater treatment plant. This program was accelerated in 2021 and 2022 via the influx of roughly \$8M of American Rescue Plan Act (ARPA) funding that the City dedicated to the sewer/manhole lining program.

A City-Wide stormwater model was developed that will be the planning tool for new stormwater improvement projects. Several projects have already been completed based on the model. The next major project being pursued is cooperatively funded by Southwest Florida Water Management District (SWFWMD) and will redirect stormwater from the southern half of the Village of the Arts away from Wares Creek and take it to the Manatee River. This multi-year project was advertised for construction in 2022 and construction will commence in 2023. The City was also fortunate to procure a Resiliency Grant from the State of Florida to complete a nearly \$3M stormwater project on the eastside that will address on-going drainage issues in a disadvantaged community. Design of this new project commenced in 2022 and should go to construction in later 2023.

City staff are in the process of upgrading all existing street lights in the City to LED lamps that provide enhanced street lighting. At the end of fiscal year 2022, 72% of the more than 2,800 city-maintained street lights have been upgraded to LED fixtures. In addition, the City is partnering with Florida Power & Light to install new street lights along a one mile stretch of 48th Street Court East, north of Manatee Avenue. This segment of the street currently has no street lighting. Installation of the new lights is expected in 2023.

An expansion of the Riverwalk commenced construction in March 2021 to essentially double the size of the park and tie it on the east end to a redevelopment of the Mineral Springs Park. The expansion is being completed in four (4) phases, the first of which, Riverwalk East at Mineral Springs was completed in August 2022 and a grand opening of the phase was held in September 2022. The phase includes an interactive water feature celebrating the original Mineral Spring, a living shoreline in place of a concrete seawall with oyster habitat restoration, a new pier and a connected boardwalk over the Manatee River. The remaining three phases of the park expansion are scheduled to be completed in 2023. The City is also partnering with the Suncoast Rotary to construct a major upgrade to Lewis Park that will transform the park into a fully ADA accessible playground, with all new equipment and related amenities, and artificial turf surfacing under the new equipment.

In fiscal year 2022, the City also began a project to design a replacement for Fire Station #2 on the eastside. This follows on the heels of the completion of the construction of the new Fire Station #3 on the westside. In addition, planning has begun on a design project that will convert the city-owned Red Cross building, adjacent to the new Fire Station #3, into a new Public Safety Operations Center (PSOC). The new PSOC building will serve as the City's operations center during emergency situations, and serve as a forward operating center for first-in teams to the high coastal hazard zones in western Bradenton and Manatee County.

A project to construct new sidewalks in the service area of Manatee High School 100% funded by Florida Department of Transportation (FDOT) under the Sidewalk to Schools program began construction in 2022 and is set for completion in early 2023. A second Sidewalk to Schools project has also been approved by FDOT for new sidewalks for the Manatee Elementary School service area. This project is in design and construction is set for 2023. In addition, in fiscal year 2022 the first year of a concerted effort to replace damaged sidewalk panels was undertaken. Three separate sidewalk replacement projects were completed in three city wards. Additional sidewalk projects are planned for fiscal year 2023. Finally, our enhanced paving program has successfully repaved nearly 40% of city roadways since 2012.

These projects reflect the City's commitment to its citizens during this time of economic health.

Awards. Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Bradenton for its Annual Comprehensive Financial Report for fiscal year ended September 30, 2021. This was the forty-eighth year that the City of Bradenton has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized Annual Comprehensive Financial Report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current Annual Comprehensive Financial Report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

Acknowledgments. This report was completed through the dedication of the City of Bradenton's fine staff of professionals in the Finance Department. I would like to express my appreciation and thanks to the audit firm of Christopher, Smith, Leonard & Stanell, P.A., who helped us with their comments and advice. Finally, I thank Mayor Brown and the City Council for their guidance and support in planning and conducting the financial operations of the City of Bradenton in a responsible and progressive manner.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rob Perry", with a long horizontal flourish extending to the right.

INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and Members of the City Council
City of Bradenton, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Bradenton, Florida (City) as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City, as of September 30, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of the City of Bradenton Firefighters' Retirement System, which represent 33%, 34%, and 16%, respectively, of the assets, net position, and revenues of the aggregate remaining fund information as of September 30, 2022, and the respective changes in financial position for the year then ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the City of Bradenton Firefighters' Retirement System, is based solely on the report of the other auditors.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Change in Accounting Principle

As described in Note A to the financial statements, in 2022, the City adopted new accounting guidance, Governmental Accounting Standards Board Statement No. 87, *Leases*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and other required supplementary information as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of Management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements.

We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The accompanying combining and individual nonmajor fund financial statements and schedule of expenditures of federal awards and state financial assistance as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and Chapter 10.550, *Local Governmental Entity Audits*, Rules of the Auditor General of the State of Florida, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America by us and other auditors. In our opinion, based on our audit and the report of the other auditors, the combining and individual nonmajor fund financial statements and schedule of expenditures of federal awards and state financial assistance are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 16, 2023, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

As the City Administrator of the City of Bradenton, I offer readers of our financial statements this narrative overview and analysis of our financial activities for the fiscal year ended September 30, 2022. I encourage readers to consider the information presented here in conjunction with additional information I have furnished in my transmittal letter on page 'i' of this report, and the City's financial statements beginning on page 21.

FINANCIAL HIGHLIGHTS

- The assets and deferred outflows of resources of the City exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$272,300,805 (net position). Of this amount, \$112,374,464 (unrestricted net position) may be used to meet the government's ongoing obligations to citizens and creditors.
- The government's total net position increased \$14,256,524, or 5.52% in comparison to the prior year.
- As of the close of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$90,854,616, an increase of \$2,348,804 in comparison with the prior year.
- At the end of the current fiscal year, the unassigned fund balance for the General Fund was \$40,377,603, or 88.00% of total General Fund expenditures.
- Total governmental fund revenues increased \$3,784,943, or 5.98% in comparison to the prior year.
- Total governmental fund expenditures increased \$6,285,404, or 10.89% in comparison to the prior year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The Statement of Net Position presents information on all of the City's *assets*, *deferred outflows of resources*, *liabilities*, and *deferred inflows of resources* at the end of the fiscal year. The difference between assets and deferred outflows of resources and its liabilities and deferred inflows of resources is reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Statement of Activities presents *revenues* and *expenses*, and shows how the government's net position changed during the most recent fiscal year. All *changes in net position* are reported in a manner similar to the approach used by a private-sector business in that revenues are recognized when earned or established criteria are satisfied, and expenses are reported when incurred. Accordingly, revenues are reported even when they may not be collected for several months after the end of the accounting period, and expenses are recorded even though they may not have used cash during the current period.

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, transportation, culture and recreation, and economic environment. The business-type activities of the City include the water-sewer utility, sanitation, the parking system and the public golf course (River Run Golf Links).

The financial statements also reflect the presentation of the City's *component unit*, the City of Bradenton Community Redevelopment Agency, composed of three Community Redevelopment Areas (CRAs). The Bradenton City Council acts as the decision-making Board for all the CRAs. The Bradenton Downtown Development Authority currently serves as an Advisory Board to the City Council for the City's Downtown and 14th Street CRAs. The Central Community Redevelopment Area has its own Advisory Board. The CRAs also have their own cost allocation fund to allocate certain revenues and expenditures amongst the three Areas. The CRAs were created with a stated purpose to revitalize a specific area within the central core of Bradenton. These component units are blended component units that, for all practical purposes, are treated as part of the primary government and are included as special revenue funds.

The City's government-wide financial statements can be found on pages 21-22 of this report.

Fund Financial Statements

Unlike government-wide financial statements, the focus of fund financial statements is directed to *specific activities* of the City rather than the City as a whole. Except for the General Fund, a specific fund is established to satisfy managerial control over resources or to satisfy finance-related legal requirements. The City's fund financial statements are divided into three categories: (a) governmental funds, (b) proprietary funds, and (c) fiduciary funds.

Governmental Funds

Governmental fund financial statements consist of a Balance Sheet and a Statement of Revenues, Expenditures and Changes in Fund Balances. These statements are prepared using an accounting basis that is significantly different from that used to prepare the government-wide financial statements.

In general, these financial statements have a short-term emphasis and, for the most part, measure and account for cash and other assets that can easily be converted to cash. For example, amounts reported on the balance sheet include items such as cash and receivables collectible within a short period of time, but do not include capital assets such as land and buildings. Fund liabilities include amounts that are to be paid within a short period after the end of the fiscal year. The difference between a fund's total assets and deferred outflows of resources net of total liabilities and deferred inflows of resources is labeled as the *fund balance*, and generally indicates the amount that can be used to finance the next fiscal year's activities. The Statement of Revenues, Expenditures and Changes in Fund Balances for governmental funds reports only those revenues and expenditures that were collected or paid during the current period or very shortly after the end of the year.

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

For the most part, balances and activities accounted for in the governmental funds are also reported in the governmental activities columns of the government-wide financial statements. Due to the difference in the accounting basis used to prepare fund financial statements and government-wide financial statements, there are often significant differences between the totals presented. For this reason there is an analysis after the Balance Sheet that reconciles the total fund balances to the amount of net position presented in the governmental activities column on the Statement of Net Position. There is also an analysis after the Statement of Revenues, Expenditures and Changes in Fund Balances that reconciles the total change in fund balances for all governmental funds to the change in net position as reported in the governmental activities column in the Statement of Activities.

The City presents, in separate columns, funds that are most significant to the City (*major funds*). All other governmental funds are aggregated and reported in a single column (*non-major funds*).

The City's governmental fund financial statements are presented on pages 23-28 of this report.

Proprietary Funds

Proprietary fund financial statements consist of a Statement of Net Position; Statement of Revenues, Expenses and Changes in Fund Net Position; and Statement of Cash Flows. These statements are prepared using an accounting basis that is similar to the basis used to prepare the government-wide financial statements. For financial reporting purposes, proprietary funds are grouped into *enterprise funds* and *internal service funds*.

Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The City uses enterprise funds to account for its water-sewer utility, sanitation, parking system and golf course functions. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City uses separate internal service funds to account for its self-insurance programs. Because all of these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

Proprietary fund financial statements provide the same type information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the major enterprise funds, which are water-sewer, sanitation and parking. The City's golf course, the remaining non-major enterprise fund, is presented as such on the proprietary funds financial statements. All internal service funds are considered to be non-major funds and are combined into a single, aggregated presentation in the proprietary fund financial statements.

The proprietary fund financial statements can be found on pages 29-32 of this report.

Fiduciary Funds

Fiduciary fund financial statements consist of a Statement of Fiduciary Net Position and a Statement of Changes in Fiduciary Net Position. Assets held by the City for other parties either as a trustee or as an agent, and that cannot be used to finance the City's own operating programs, are reported in the *fiduciary funds*. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds. The City reports pension trust funds that present the results of two defined benefit pension plans.

The fiduciary fund financial statements can be found on pages 33-34 of this report.

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

Notes to the Financial Statements

The notes provide additional information essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 35-102 of this report.

Other Supplementary Information

In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information. This information concerns the City's progress in funding its obligation to provide pension and other post-employment benefits to its employees. It also includes budget-to-actual information regarding the General Fund and major special revenue funds.

Required supplementary information can be found on pages 103-121 of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time to be an indicator of a government's financial position. The City of Bradenton's assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$272,300,805 at the close of the 2022 fiscal year. The following schedule is a summary of the Statement of Net Position found on page 21 of this report.

	Net Position					
	Governmental Activities		Business-type Activities		Total	
	2022	2021	2022	2021	2022	2021
Assets						
Current and other assets	\$ 148,784,270	\$ 127,973,953	\$ 69,241,704	\$ 62,621,523	\$ 218,025,974	\$ 190,595,476
Internal balances	(557,977)	(1,669,996)	557,977	1,669,996	-	-
Capital assets, net depreciation	83,371,118	74,857,158	113,891,433	112,745,248	197,262,551	187,602,406
Total assets	231,597,411	201,161,115	183,691,114	177,036,767	415,288,525	378,197,882
Deferred Outflows of Resources

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

The City's overall financial position remains strong in spite of the impact the COVID-19 pandemic has had on the local, state and national economies. The increase of \$14,256,524 in net position is evidence that the City has been able to maintain a solid financial base. The City remains true to its conservative principles and, with few exceptions, maintains a conservative fiscal approach stressing a pay-as-you-go strategy. Non-recurring revenues, such as those from the sale of property, are funneled back into capital assets and infrastructure. This strategy works well in all economic conditions.

A significant portion of the City's total net position (55.67%) reflect its *net investment in capital assets* (i.e., land, buildings, improvements, infrastructure and equipment) less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available to use for future spending. Although the City's investment in its capital assets is reported net of related debt, it should still be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of the City's net position (3.06%) represents resources that are subject to external restrictions on how they may be used. The remaining balance of *unrestricted net position*, \$112,374,464, may be used to meet the government's ongoing obligations to citizens and creditors.

A review of the comparative ratios of current unrestricted assets to current liabilities for the fiscal years 2022 and 2021 reveals that the City continues to maintain healthy ratios for both governmental and business-type activities. The City Council understands that the pressures of potential downturns in the economy along with the inherent risks associated with our close proximity to the Gulf of Mexico, and other natural disasters such as the ongoing pandemic, require that the current level of unrestricted fund balance should be maintained to help avoid the negative impacts of such risks.

Change in net position	5,594,405	12,706,549	8,662,119	9,427,556	14,256,524	22,134,105
Net position, beginning	124,482,271	111,775,722	133,562,010	124,134,454	258,044,281	235,910,176
Net position - end of year	<u>\$ 130,076,676</u>	<u>\$ 124,482,271</u>	<u>\$ 142,224,129</u>	<u>\$ 133,562,010</u>	<u>\$ 272,300,805</u>	<u>\$ 258,044,281</u>

Governmental activities reported an increase in the City's net position of \$5,594,405. This increase represents 4.30% of the governmental activities year-end net position which compares to the \$12,706,549 increase in the governmental activities year-end net position in the prior year. The City received higher property tax revenues and infrastructure sales tax monies in fiscal year 2022 leading to a healthy increase in net position.

- General government expenses increased by \$2,104,583, and public safety expenses increased by \$8,292,603 largely due to rising personnel and operating costs. Economic Environment expenses decreased \$(941,361), from \$3,405,594 to \$2,464,233 due to decreased grant and operating expenditures. The City remains committed to providing the basic government services and the public safety expected by its citizens. The City consistently monitors the revenues and expenses with the goal of achieving the reasonable balance between the citizens' expectations and the City's ability to deliver those services in a fiscally responsible manner.

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

- Another item of note that appears to require constant monitoring is the general trend of increasing costs associated with other post-employment benefit and pension liabilities. The current year activity was a \$(6,564,382) decrease in the liability for other post-employment benefits and a \$45,212,586 increase in the liability for pensions. Although not requiring the immediate use of City resources for funding, other post-employment benefit liabilities and pension liabilities have contributed significantly to the reduction in the City's net position.

The City is working diligently to reduce the long-term negative impact associated with other post-employment benefit liabilities. Over the past few years, the City has implemented widespread changes to the employee and retiree benefit packages. The City will continue to consider changes to its benefit packages while taking into account their importance to the City's overall recruitment and retention goals. The City will need to determine if further changes may be necessary to reduce the long-term economic impacts on the City's financial position, as well as ensure the long-term viability of such plans and benefits.

Historically the decision as to the number and level of services to provide has been dependent on our citizens' *willingness* to pay for such services. The City recognizes that many of our decisions need to truly reflect our citizens' *ability* to pay for such services.

The following chart compares expenses with program revenues for the City's governmental activities. This chart particularly illustrates the City's commitment to the public safety of its citizens.

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

The following graph shows the composition of general revenues for the City's governmental activities:

Business-Type Activities

Business-type activities are designed as fee-based activities. Fees are implemented in such a way that they will completely cover the cost of operations without being supplemented from governmental sources.

The increase in net position for business-type activities totaled \$8,662,119 and \$9,427,556 for the fiscal years 2022 and 2021, respectively. This net change in position represents a 6.49% increase compared to the 7.59% increase in the prior year.

Included in the above numbers is a \$8,436,460 increase in the net position of the Water-Sewer Fund. Operating income of \$8,470,731 accounted for most of the increase, net of transfers to other funds of \$255,500.

For the past several years the solid waste operations (Sanitation Fund) have produced an increase in net position. The \$672,944 increase in 2022 is less than the \$1,200,749 increase for 2021. The contributing explanation for this decrease is attributed to a couple of factors: (1) significant decrease in interest and investment earnings, and (2) transfers to other funds.

The Parking Fund's net position decreased \$(259,917) in 2022, compared to an increase of \$1,024,242 in 2021. The increase in 2021 was aided by transfers from other funds of \$2,033,660, whereas in 2022 the transfers from other funds was \$1,098,400. An operating loss of \$714,028, net interest expense of \$669,289, and a private sector capital contribution of \$25,000 account for the remaining 2022 change in net position of the Parking Fund. The 500-space City Centre parking structure went into limited use in May, 2019, but did not open to the public until fiscal year 2020. Due to the pandemic, general usage of all parking lots was down.

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

Therefore, the City made the decision to allow free parking to help stimulate the business traffic in the downtown core. All City parking operations will continue to be evaluated as the pandemic eases and business operations return to normal.

Almost since its inception in 1987 River Run Golf Links, the City's publicly owned golf course, had posted handsome financial returns that had been returned into the golf course in the form of capital improvements or financial reserves. It is these reserves that have allowed the golf course to weather a number of years of decreases in net position prior to 2021. An increase of \$71,864 this year that has been a result of a continued resurgence in the interest in golf to escape the confines of the pandemic. The number of rounds played in 2022 showed an increase (65,646 rounds compared to 36,560) from over ten years ago, as well as a 17.62% increase over 2021. The City will continue to evaluate the short and long-term viability of River Run Golf Links as a municipal operation.

The following chart compares expenses with program revenues for the City's business-type activities:

FINANCIAL ANALYSIS OF THE CITY'S FUNDS

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The fund financial statements for the governmental funds are provided on pages 23-28. The focus of the City's governmental funds is to provide information on near-term inflows, outflows and balances of the spendable resources. Such information is useful in assessing the City's financing requirements. In particular, the fund information provided in accordance with GASB 54 will serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$90,854,616, an increase of \$2,348,804. This is in comparison with the prior year's increase of \$4,294,226. The increase between the years is primarily a result of a increase in tax and grant revenues. Approximately 44.44% of the ending fund balance of \$90,854,616 constitutes the unassigned fund balance of \$40,377,603, which is available for spending at the City's discretion.

Another \$39,819,366 has been set aside by City Council as either committed or assigned fund balance. The remaining \$10,657,647 of the fund balance is either restricted or non-spendable, indicating that it is not available for new spending because it has previously been restricted for (1) advances due from other funds (2) bond retirement, or (3) inventories, grants and impact fees for future expenditures.

General Fund

During 2022, the General Fund's fund balance experienced a \$2,747,062 increase, which represents 5.99% of total General Fund expenditures. This increase is mainly the result of higher tax revenues.

Public safety expenditures increased \$392,542 primarily as a result of salary increases and promotions.

It should be noted that, consistent with previous years, most General Fund operations experienced low to moderate increases in expenditures while delivering the same high-quality services our citizens expect.

State Housing Initiatives Partnership Program (SHIPP) Fund

During 2022, the SHIPP Fund's fund balance increased \$55,930. This increase is primarily due to lien payment revenue. The funds received from the State are expended on housing projects.

Half Cent Infrastructure Surtax Fund

The Half Cent Infrastructure Surtax Fund's total revenues increased by \$625,172 during 2022. This is mainly due to higher tax revenues. Overall the fund balance decreased \$(2,114,788) due to increased capital outlay expenditures.

City of Bradenton, Florida
Management’s Discussion and Analysis
September 30, 2022

American Rescue Plan Act Fund

In June of 2022 the City received the second tranche of \$5,395,919 in American Rescue Plan Act funds from the U.S. Treasury which brings the total received to \$10,791,837. Several projects began during fiscal year 2022 incurring \$1,177,890 in expenditures. The remainder of the funds were recorded as unearned revenue.

General Fund - Budgetary Highlights

Operating a government the size of the City of Bradenton is a dynamic process. Budget amendments are approved throughout the year. Budget-to-actual statements and schedules are provided in the financial statements for the General Fund on pages 104 and 123-126. Budget data is provided for both the original adopted budget and the final budget for fiscal year 2022.

Budgeted Revenues: The City consistently takes a very conservative approach to budgeting revenues. An evaluation of the City’s original budget reveals that very few significant adjustments were necessary. One noted exception is that the City has consistently waited for revenues such as forfeiture funds and unclaimed property funds to materialize before creating a budget, in keeping with the statutes that authorize such funds.

Budgeted Expenditures: Significant General Fund budget changes, followed by brief reasons for the changes, are shown below.

Building	\$ 103,536	Bank fees
Code Enforcement	\$ 63,000	Legal fees covered by code enforcement liens
Disaster Fund	\$ 148,093	Hurricane Ian
Electrical	\$ 142,278	Purchase of bucket truck
Fire	\$ 123,147	Overtime
General Fund	\$ 670,859	Transfer funds to capital project fund
Landscape and Grounds	\$ 60,000	Increase in tree fund expenditures
Landscape and Grounds	\$ 91,735	Temporary help to cover employee vacancies
Law Enforcement	\$ 110,027	Cover year end shortage-fuel
Legal	\$ 123,614	Legal fees

Overall, the General Fund expenditures were under the final budget by \$2,656,958 or 5.47% of the total final budget of the General Fund.

Proprietary Funds

The fund financial statements for the City’s proprietary funds provide essentially the same information found in the government-wide financial statements, but in greater detail.

Enterprise Funds: The City of Bradenton’s enterprise funds are the Water and Sewer Fund, the Sanitation Fund, the Parking Fund, and the Golf Course Fund. These funds are defined as business-type activities because they most resemble a business operation. Revenues are generated primarily through charges for services and will closely follow what it costs to provide that service to the citizens.

At September 30, 2022, total net position amounted to \$141,112,324 for the enterprise funds compared to \$132,190,973 at the end of 2021. Net position changes are a result of operations of \$9,135,758, non-operating

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

revenues and expenses of \$(1,332,206), capital contributions of \$462,637 and net transfers from other funds of \$655,162.

A review of the water-sewer fund indicates that a solid rate base allowed for a 9.52% increase in operating revenues, with a slight (5.11%) increase in operating expenses when compared to prior year. A resulting \$8,436,460 increase in net position for the Water and Sewer Fund is reflected for the 2022 fiscal year.

The Sanitation Fund accounts for the revenue associated with collection of solid waste for both residential and commercial customers. By continuously looking for operating efficiencies, the City has successfully stabilized the operating costs associated with solid waste but was impacted by inflation for the 2022 fiscal year. For the current year operating revenue increased \$323,995 or 3.49%. Operating expenses increased by \$146,915 or 1.79%, as compared to a 11.18% decrease in 2021. The net result was operating income of \$1,271,026 and a change in net position of \$672,944. These results are compared to the operating income of \$1,093,946 and an increase in net position of \$1,200,749 in 2021.

The Parking Fund accounts for the revenue and expenses associated with the City's public parking operations. The City Centre parking structure has provided 'free' parking to encourage its use during the pandemic, and so no revenue was derived from the garage during the year. Operating revenue decreased \$(2,649) or (1.26)% compared to the prior year. Operating expenses increased by \$32,428 or 3.65%. The net result was an operating loss of \$(714,028). Combined with transfers of \$1,098,400 from the general fund and CRA for costs associated with the new City Centre Parking Structure, the change in net position was \$(259,917). These results are compared to the operating loss of \$(678,951) and an increase in net position of \$1,024,242 in 2021.

Internal Service Funds: Internal Service Funds are designed to recover the costs of general services provided to the other fund groups. The City uses internal service funds primarily to account for the self-insurance programs for property, medical and workers' compensation.

In 2022, the medical self-insurance program showed an increase in claims of \$879,139 or 12.33% compared to prior year. This year's results reflect a \$(1,265,026) decrease in net position compared to the \$(507,213) decrease in 2021. The City closely monitors its service utilization and will monitor the increase in claims closely. In recent years, efficiencies have been created, including the use of an employee telehealth program, which have provided cost savings to the plan.

The workers' compensation self-insurance program had an increase in claim costs of \$401,470 or 47.40% compared to prior year, while the estimated claims payable decreased in the current year by \$(245,108). Net position for workers' compensation increased \$238,113, compared to an increase of \$521,498 in the prior year. A significant amount of the increase in costs can be attributed to a single vehicle accident resulting in one employee's catastrophic injury in fiscal year 2021 and an injury that occurred in fiscal year 2022.

The property insurance program had a decrease in claim costs of \$(10,280) or (3.50)% compared to prior year. Net position for property insurance decreased \$(277,302) or (11.54)% compared to prior year. The City continues to be diligent in its efforts to maintain City property to meet safety standards.

Overall, the net position for the internal service funds decreased from \$18,553,917 in 2021 to \$17,249,702 in 2022, or (7.03)%.

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

CAPITAL ASSETS

The City's investment in capital assets for its governmental and business-type activities as of September 30, 2022, amounts to \$197,206,782 (net of accumulated depreciation). This investment in capital assets includes land, buildings, improvements, machinery and equipment, and construction in progress. In previous years, the investment in capital had focused on planning and completing only those projects for essential services or enhanced business development. The additional half-cent sales tax approved by the City's residents in November 2016 is providing an estimated \$4,000,000 in annual revenue until 2031 that will, by law, be used for improvements to the City's infrastructure. This revenue is greatly enhancing the City's ability to fund capital projects.

Considerable investment in capital assets continues to be devoted to ensuring that the citizens of Bradenton's quality of life is both maintained and enhanced. The City's ongoing efforts to expand both the potable water Aquifer Storage and Recovery (ASR) and reclaimed water systems continue to reap results that improve the reliability of the City's overall water supply. This ASR program is working toward achieving a viable underground storage volume of 350 million gallons, adding 27% to the storage volume of the City's Evers Reservoir. An operational permit for ASR-2 is expected in the coming fiscal year, which will make this storage system fully usable for meeting water supply needs moving forward. At the end of fiscal year 2022, the City has over 500 million gallons of potable water stored underground in the ASR systems.

Multiple projects have been completed to expand the City's reclaimed water system, accounting for an increase in the beneficial use of this valuable resource by up to 5 million gallons per day. We continue to coordinate with our primary reuse customer, Braden River Utilities, to maximize the daily flow of reclaimed water to Lakewood Ranch and recently completed a project changing the disinfection process allowing the City to pump reclaimed water even during wet weather periods.

Over the past eight years, more than 10 miles of old cast-iron water mains have been replaced throughout the City to increase the reliability of the water distribution system. The replacements also include installation of all new service lines for homes and new fire hydrants and valves. In addition, a project to upgrade the City's 64 sewage lift stations is ongoing. The upgrades include providing improved electrical controls and a supervisory control and data acquisition (SCADA) system to allow for remote monitoring of the operations of all stations. This will provide better assurance for uninterrupted wastewater collection and transmission for citizens.

A new project in design seeks to install an injection well at the Waste Water Treatment Plant (WWTP) for excess reclaimed water to serve as a fresh water barrier against salt water intrusion into the regional aquifer. This project will include construction of a fourth settling tank at the WWTP specifically for wet weather flows. A sister project to the injection well is the addition of a new wet-weather clarifier for the WWTP to allow the plant to handle the high level of wet weather flow that enters the plant. The new 150-foot diameter clarifier design was completed in fiscal year 2022 and is expected to commence construction in fiscal year 2023.

An annual sanitary sewer program to line old leaking sewers and brick manholes is continuing, with the intent to preserve the treatment capacity of our Waste Water Treatment Plant. This program was accelerated in 2021 and 2022 via the influx of roughly \$8M of American Rescue Plan Act funding that the City dedicated to the sewer/manhole lining program.

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

A City-Wide stormwater model was developed that will be the planning tool for new stormwater improvement projects. Several projects have already been completed based on the model. The next major project being pursued is cooperatively funded by the Southwest Florida Water Management District (SWFWMD) and will redirect stormwater from the southern half of the Village of the Arts away from Wares Creek and take it to the Manatee River. This multi-year project was advertised for construction in 2022 and construction will commence in 2023. The City was also fortunate to procure a Resiliency Grant from the State of Florida to complete a nearly \$3M stormwater project on the eastside that will address on-going drainage issues in a disadvantaged community. Design of this new project commenced in 2022 and should go to construction in late 2023.

We are also continuing our program to upgrade all existing street lights in the city to energy-efficient LED lamps. City staff are replacing the light fixtures whenever an existing fixture burns out. At the end of fiscal year 2022, 72% of the more than 2,800 city-maintained street lights have been upgraded to LED fixtures. In addition, the City is partnering with Florida Power & Light to install new street lights along a one mile stretch of 48th St. Ct. E., north of Manatee Avenue. This segment of the street currently has no street lighting. Installation of the new lights is expected in 2023.

An expansion of the Riverwalk commenced construction in March 2021 to essentially double the size of the park and tie it on the east end to a redevelopment of the Mineral Springs Park. The expansion is being completed in four phases, the first of which, Riverwalk East at Mineral Springs was completed in August 2022 and a grand opening of the phase was held in September 2022. The phase includes an interactive water feature celebrating the original Mineral Spring, a living shoreline in place of a concrete seawall with oyster habitat restoration, a new pier and a connected boardwalk over the Manatee River. The remaining three phases of the park expansion are scheduled to be completed in 2023. The City is also partnering with the Suncoast Rotary to construct a major upgrade to Lewis Park that will transform the park into a fully ADA accessible playground, with all new equipment and related amenities, and artificial turf surfacing under the new equipment.

In fiscal year 2022, the City began design on a replacement for Fire Station #2 on the eastside. This follows on the heels of the completion of the construction of the new Fire Station #3 on the westside. In addition, planning has begun on a design project that will convert the city-owned Red Cross building, adjacent to the new Fire Station #3, into a Public Safety Operations Center (PSOC). The new PSOC building will serve as the City's operations center during emergency situations, and serve as a forward operating center for first-in teams to the high coastal hazard zones in western Bradenton and Manatee County.

A project to construct new sidewalks at Manatee High School began construction in 2022 and is set for completion in early 2023. This project is funded by the Florida Department of Transportation (FDOT) under the Sidewalk to Schools Program. A second Sidewalk to Schools project has been approved by FDOT for new sidewalks for the Manatee Elementary School. This project is in design phase and construction is set for 2023. In addition, in fiscal year 2022 the first year of a concerted effort to replace damaged sidewalk panels was undertaken. Three separate sidewalk replacement projects were completed in three city wards. Additional sidewalk projects are planned for fiscal year 2023. Finally, our enhanced paving program has successfully repaved nearly 40% of city roadways since 2012.

For additional information regarding capital assets, please see Note G on pages 57 and 58 of this report.

DEBT ADMINISTRATION

At the end of the current fiscal year, the City had total bonded debt outstanding of \$43,863,177, with no general obligation debt. The \$2,982,456 decrease from the prior year is primarily due to the debt associated with the payoff of the Central Community Redevelopment Agency \$2,500,000 Promissory Note, payoff of two Parking Garage Promissory Notes, and Public Works infrastructure improvement projects. All City debt represents bonds secured solely by specified revenue sources.

	Bond Debt and Loans Payable					
	Governmental Activities		Business-type Activities		Total	
	2022	2021	2022	2021	2022	2021
Revenue bonds	\$ 20,840,463	\$ 22,058,206	\$ 7,224,384	\$ 7,435,439	\$ 28,064,847	\$ 29,493,645
Notes	187,020	256,117	15,611,310	17,095,871	15,798,330	17,351,988

The City continues to maintain a relatively low debt-to-assets ratio and far exceeds all required debt service coverage ratios. The City has been assigned an issuer rating of "AA-" by Standard & Poor's and "Aa2" by Moody's.

Additional information concerning long-term debt can be found in Note I on pages 61-71 of this report.

ECONOMIC FACTORS AND YEAR 2023 BUDGET

Factors considered in preparing the City of Bradenton's budget for the 2023 fiscal year included the following items:

- The City experienced an increase in taxable assessed values of 14.18%. This increase in property values is estimated to generate more than \$3,700,000 in additional revenue.
- The property tax millage rate decreased to 5.8351 mills in 2023.
- Other Revenue Sources – It is anticipated the City's other large sources of revenue (sales tax, franchise fees, etc.) may remain relatively stable; however the City's financial leaders remain concerned about

City of Bradenton, Florida
Management's Discussion and Analysis
September 30, 2022

weathering the effects of the pandemic, in addition to changes in legislation due to the current political climate and/or its related impacts to the economy.

- Building Permit Fees – Building permit fees, which must be utilized to fund only building services, are projected to be slightly higher or consistent with the prior year. Bradenton continues to see growth in construction and development.
- The City's local unemployment rate decreased significantly, going from 4.0% to 2.7%. This decrease is consistent with decreases at the state and national levels, and may also be attributed lessening effects of the pandemic.
- City population increased by .86% to 56,923.
- Union contracts are in place through the following dates: AFSCME - 9/2025, Police - 9/2025, Fire - 9/2025.
- Sales Tax – A fifteen (15) year one-half cent sales tax was passed by the voters in November 2016. The increased tax has resulted in an estimated \$4,000,000 in additional revenues each year to be used for infrastructure-related items. Sales estimates have not seen the decreases that were initially forecast during the pandemic. Revenue levels are anticipated to remain similar to prior years.
- The City continues ongoing communication with the Manatee County Property Appraiser and closely monitors national, state and local economic indicators to determine any impact on its financial forecasts.

The City taxes its citizens in a manner that provides a balance of essential services with the quality of life they have come to expect. City Council continuously evaluates this balance, and takes into account the annual forecast of property valuations when setting the millage rate. This approach has resulted in a millage rate that has remained consistent over the past nine years.

REQUESTS FOR INFORMATION

This financial report is designed to provide users with a general overview of the City of Bradenton's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the City of Bradenton, Department of Finance, Old Main Street, Bradenton, Florida 34205; or through the City's website at www.cityofbradenton.com.

Reconciliation of Fund Balance to Net Position

Total fund balances for governmental funds \$ 90,854,616

Amounts reported for governmental activities in the statement of net position are different because:

Lease assets used in governmental activities are not financial resources and therefore, are not reported in the governmental funds

Lease interest receivables	160,681
Lease receivables	17,408,288

Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the governmental funds.

Cost	\$ 145,076,592	
Less accumulated depreciation	<u>(61,705,474)</u>	83,371,118

Deferred outflows of resources are not due and payable in the current period and therefore are not reported in the governmental funds. These deferred outflows of resources consist of pension related contributions, loss on refunding of debt and OPEB.

29,351,172

Other long-term assets are not available to pay for current period expenditures and, therefore, are not reported in the governmental funds:

Long-term receivables and due from other governments	5,261,898
--	-----------

Internal service funds are used by management to charge the cost of self-insurance property insurance, medical and workers' compensation insurance funds. The assets and liabilities of internal service funds are included in governmental activities in the statement of net position.

16,137,897

Deferred inflows of resources are not available to pay for current expenditures and therefore are not reported in the governmental funds. These deferred inflows of resources consist of leases, pension and OPEB related items.

(26,561,201)

Long-term liabilities are not due and payable in the current period and, therefore, are not reported in the governmental funds:

Notes payable	(187,020)	
Revenue bonds payable, net	(20,840,463)	
Total OPEB liability	(18,194,769)

The notes to the financial statements are an integral part of this statement.

Reconciliation of the Change in Fund Balance to the Change in Net Position

Amounts reported for governmental activities in the statement of activities are different because:

Net change in fund balances, total governmental funds	\$	2,348,804
---	----	-----------

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlay additions exceeded depreciation in the current period:

Capital outlay	\$ 22,545,556		
Less depreciation expense	<u>(5,018,870)</u>		17,526,686

The net effect of various miscellaneous transactions involving capital assets (i.e., sales, trade-ins and donations).

Net book value of capital assets disposed	<u>(9,012,726)</u>		(9,012,726)
---	--------------------	--	-------------

The issuance of long-term debt (e.g. bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal or long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position. Also, governmental funds report the effect of premiums, discounts and similar items when debt is first issued or refunded, whereas these amounts are deferred and amortized in the statement of activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.

Principal repayments:

Notes payable	69,097		
Revenue bonds payable	1,089,600		
Amortization of discounts/premiums and deferred outflows for loss on refunding	<u>87,146</u>		1,245,843

Some revenues in the statement of activities do not provide current financial resources.

Change in unavailable revenue		(343,619)
Change in lease interest receivables		160,681
Change in lease receivables		17,408,288

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds (future use).

Lease-related inflows of resources	(17,186,850)		
Other Postemployment Benefits (OPEB) and related deferrals	(1,832,775)		
Compensated absences	(25,801)		
Accrued interest payable	4,288		
Net pension asset/liability and related deferrals	<u>(3,653,431)</u>		(22,694,569)

Internal service funds are used by management to charge the cost of medical, property and workers' compensation insurances. This is the change in net position allocated to governmental activities.

Change in net position of governmental activities	\$	<u>5,594,405</u>

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the City of Bradenton, Florida (the “City”) have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies are described below.

Reporting Entity

The City of Bradenton, Florida, was incorporated in 1903. It is located on the west coast of Florida, approximately midway down the state, and is comprised of 14.55 square miles with a population of 56,923. The current charter was authorized under Chapter 22219, Laws of Florida, Special Acts of 1943. The City is a municipal corporation and operates under a mayor-council form of government. It provides services to its residents in the form of law enforcement, fire and public safety, street maintenance, code enforcement, culture and recreation, water and sewer, sanitation, planning and zoning, and general administrative services.

This report includes all funds, departments, agencies, boards and commissions, and other organizational units that are administered by the mayor and/or controlled by, or dependent upon the City Council as set forth in the City Charter. The City, a primary government, has reviewed for inclusion all potential component units for which it may be financially accountable, and other organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the City's financial statements to be misleading or incomplete. GASB Statement No. 61, *The Financial Reporting Entity: Omnibus, which amended GASB Statement No. 14*, has set forth criteria to be considered in determining financial accountability. This criteria includes appointing a voting majority of an organization's governing body and (1) the ability of the City to impose its will on that organization, or (2) the potential for the organization to provide specific financial benefits to or impose specific financial burdens on the City.

Blended Component Units: There is one (1) component unit which is legally separate from the City, but is so intertwined with the City that it is, in substance, the same as the City. It is reported as part of the City and blended into the appropriate funds. Resolution 15-17, adopted in June 2015, authorizes the City Council of the City of Bradenton to declare itself the Community Redevelopment Agency (CRA) for the City of Bradenton pursuant to the provisions of Florida Statute 163.357. The purpose of this entity is to revitalize targeted areas in the City, comprising the redevelopment areas set forth in Resolution 79-55, as amended and Resolution 93-62 and Resolution 00-39. The CRA reports three different funds in these financial statements, one for each area. The areas are described as follows:

a. **Bradenton Community Redevelopment Area (CRA)**

The Bradenton CRA is a dependent special district created pursuant to Florida Statute 163 and City of Bradenton Ordinance 2219 passed by the Bradenton City Council on May 28, 1980. The City provides funding on an annual basis to the CRA via ad valorem tax based on the 1980 base year.

b. **14th Street Community Redevelopment Area (CRA)**

The 14th Street CRA is a dependent special district created pursuant to Florida Statute 163 and City of Bradenton Ordinance 2504 passed by the Bradenton City Council on November 24, 1993. The City provides funding on an annual basis to the CRA via ad valorem tax based on the 1993 base year. The Downtown Development Authority (DDA) serves as an advisory board to both the Bradenton CRA and the 14th Street CRA. The DDA is an administrative unit only, with no assets, liabilities, equity, revenue or expenses/expenditures as of the year ended September 30, 2022.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

c. Central Community Redevelopment Area (CCRA)

The Central CRA is a dependent special district created by the Community Redevelopment Act of 1969, Chapter 163 Part III, Florida Statutes, and City of Bradenton Ordinance 2628 passed by the Bradenton City Council on July 12, 2000. The Community Redevelopment Plan provides a framework for coordinating and facilitating public and private redevelopment of the Central Redevelopment District and adjacent areas. Seven community members serve as an advisory board to the CCRA.

d. Community Redevelopment Agency Cost Allocation Fund

The Community Redevelopment Agency created a cost allocation fund to allocate the revenues and expenditures to the three different areas based on different percentages depending on the situation. As of September 30, 2022, the allocation of revenues and expenditures are included in the other CRA funds.

The City of Bradenton Community Redevelopment Agency is, by GAAP definition, a component unit of the City, as the City exercises financial accountability over, and has a benefit/burden relationship with it. The members of the City Council serve as the Board for all component units of the City, and therefore serve as the Board for the CRA. The financial statements of each CRA area are also included as nonmajor special revenue funds in the City's Annual Comprehensive Financial Report.

There were no component units for which the CRA was financially accountable.

The Mayor and City Council are also responsible for appointing members to the boards of the following organizations. The City's accountability for these organizations does not extend beyond making the appointments, except as noted above.

Architectural Review Board	Construction Board of Rules and Appeals
Affordable Housing Advisory Board	Code Enforcement Board
Planning Commission	Bradenton Housing Authority
Merit Board	Police Pension Board
Tree and Land Preservation Board	Central Community Redevelopment Agency
Fire Pension Board	Nuisance Abatement Board
Grievance Board	

Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the non-fiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include: (1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment, and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund, and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flow. Property taxes, grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considered property taxes and other revenue sources as available if they were collected within 60 days after fiscal year-end. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to the net pension liability, compensated absences, claims and judgments, and other postemployment benefits (OPEB), are recorded only when payment is due.

Property taxes, sales taxes, franchise taxes, licenses, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the City.

The City reports the following major governmental funds:

- a. The *General Fund* is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.
- b. The *State Housing Initiatives Partnership Program (SHIP) Fund* is used to account for the receipt, custody and expenditures of State Housing Initiatives Partnership grant funds.
- c. The *Half Cent Infrastructure Surtax Fund* is used to account for the receipt, custody and expenditures of the Half Cent Infrastructure Surtax adopted by the voters in November of 2016.
- d. The *American Rescue Plan Act Fund* is used to account for the receipt, custody and expenditures of the funds received from the U.S. Treasury as part of the American Rescue Plan Act.

The City reports the following major proprietary funds:

- a. The *Water and Sewer Fund* is used to account for the activities of the City's water and wastewater utility. The City operates the water and sewer treatment plants, sewage pumping stations and collection system, the storm water runoff system, and the water distribution system.
- b. The *Sanitation Fund* is used to account for the activities of the City's solid waste collection.
- c. The *Parking Fund* is used to account for the activities of the City's public parking function.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Additionally, the City reports the following fund types:

- a. *Internal service funds* account for the property insurance, medical self-insurance, and workers' compensation self-insurance provided to other departments on a cost reimbursement basis.
- b. The *pension trust funds* account for the activities of the City's fire and police pension trust funds, which accumulate resources for pension benefit payments to qualified fire and police pension employees.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are Payments in Lieu of Taxes, and other charges between the City's water and sewer function and various other functions of the City. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as program revenues include: (1) charges to customers or applicants for goods, services, or privileges provided, (2) operating grants and contributions, and (3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the water/sewer, parking and sanitation enterprise funds and of the City's internal service funds are charges to customers for sales and services. The water/sewer fund also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

Assets, Liabilities and Net Position or Equity

a. Deposits and investments

The City's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

The City maintains a pool of cash and investments in which each fund participates on a dollar equivalent and transaction basis. The balance of the pooled cash is reflected in the balance sheet or statement of net position, and each fund's portion of the pooled investments is reflected in each respective fund's balance sheet or statement of net position as "cash and cash equivalents." Interest is distributed monthly based upon an average monthly balance. The investments of the police and fire pension trust funds are held by an investment banker selected by the respective individual pension board's Investment Committee.

State statutes authorize the City to invest its surplus public funds in the Local Government Surplus Funds Trust Fund, obligations of the U.S. Treasury, agencies and instrumentalities of the U.S. Government and interest-bearing time deposits with banks and/or savings and loans who qualify as authorized depositories under Florida law or according to the City's established investment policy statement. In addition to state statutes, the City is also authorized to invest surplus funds in accordance with the City of Bradenton Investment Policy Statement. The pension trust funds are also authorized to invest in corporate stocks, bonds and commercial paper subject to certain restrictions.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Investments for the City, as well as for its component units, are reported at fair value. The State Board of Administration Pooled Trust Fund (LGIP) operates in accordance with the appropriate state laws and regulations. Securities traded on a national or international exchange are valued at the last reported sales quote at current exchange rates. Investments that do not have an established market are reported at estimated fair value, based on market indicators regarded as measures of equity or fixed income performance results. The City does not have a significant amount of investments valued at other-than-quoted market prices. Amortization of premium and accretion of discount on investments purchased are not recorded over the term of the investment. The effect of this policy on the financial statements of the various funds is not significant. The reported value of the pool is the same as the fair value of the pool shares.

The Florida Municipal Investment Trust (FMIVT) is an authorized investment under section 218.415(15), Florida Statutes, for units of local government in the State of Florida. It was created to offer diversified and professionally managed portfolios for the investment of the assets of participating municipalities. The Trustees of the Trust are designated as having official custody of the funds, which are invested by the purchase of shares of beneficial interest in the Trust. The Trust operates as a fiduciary trust fund under governmental accounting rules that require the Trust to prepare a series of financial statements. The FMIVT is a Local Government Investment Pool (LGIP) and, therefore, considered an external investment pool for GASB reporting purposes. The City's investment is the FMIVT portfolio, not the individual securities held within each portfolio.

b. Receivables and payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances." Customer accounts (trade) receivables in the Water and Sewer Fund are shown net of an allowance for uncollectibles of \$190,000.

c. Inventories and prepaid items

All inventories are valued at cost (using average cost) in governmental-type funds and the lower of cost (average cost) or net realizable value in business-type funds. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed rather than when purchased.

d. Restricted assets

The City had no restricted assets as of September 30, 2022.

e. Capital assets

Capital assets, which include property, buildings, improvements, equipment, and infrastructure assets (i.e., roads, bridges, sidewalks and similar items) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two (2) years. Such assets are recorded at historical cost, or estimated

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of the donation.

The cost of normal maintenance and repairs that do not add to the value of the assets or materially extend assets' lives are not capitalized.

Property, plants and equipment of the primary government, as well as the component units, are depreciated using the straight-line method over the following estimated lives:

Buildings and improvements	20 - 50 years
Improvements other than buildings	20 - 50 years
Equipment	2 - 35 years
Infrastructure	50 - 75 years

f. Compensated absences

Accumulated unpaid vacation pay and the benefits associated with it are accrued when incurred in all proprietary fund types. In governmental fund types, the cost of vacation pay is recognized when payments are made to employees or when matured, as a result of employee resignation or retirement. The general fund is the primary fund utilized to liquidate the liability for compensated absences.

All vacation pay is accrued when incurred in the government-wide financial statements. Sick leave is not recorded in the financial statements because sick leave is not vested.

g. Long-term obligations

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are expensed in the period incurred.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued and premiums are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from actual debt proceeds received, are reported as debt service expenditures.

h. Fund equity

Fund equity at the governmental fund financial reporting level is classified as "fund balance." Fund equity for all other reporting is classified as "net position."

Fund Balance: Generally, fund balance represents the balance of assets and deferred outflows of resources, less liabilities and deferred inflows of resources under the current financial resources measurement focus of accounting. In the fund financial statements, governmental funds report fund balance classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Fund balances are classified as follows:

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

- *Non-spendable:* Fund balances are reported as “non-spendable” when amounts cannot be spent because they are either: (a) not in spendable form (i.e., items that are not expected to be converted to cash) or (b) legally or contractually required to be maintained intact.
- *Restricted:* Fund balances are reported as “restricted” when there are limitations imposed on their use either through the enabling legislation adopted by the City or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments.
- *Committed:* Fund balances are reported as “committed” when they can be used for only specific purposes pursuant to constraints imposed by formal action of the City Council through the adoption of a resolution. Only the City Council may modify or rescind the commitment, also through a resolution.
- *Assigned:* Fund balances are reported as “assigned” when amounts are constrained by the City’s intent to be used for specific purposes, but are neither restricted nor committed. The City Council has adopted a fund balance policy that has authorized the City Administrator to assign fund balances.
- *Unassigned:* Fund balances are reported as “unassigned” as the residual amount when the balances do not meet any of the above criterion. The City reports positive unassigned fund balances only in the General Fund. Negative unassigned fund balances may be reported in the other funds.

Emergency and Disaster Reserve: The City maintains in the General Fund's committed fund balance not less than 10% of the total budgeted operating expenditures of the current fiscal year to be used for an Emergency and Disaster Reserve in accordance with the fund balance policy adopted by the City Council. This balance is needed to prepare for events including, but not limited to revenue declines (whether anticipated or unforeseen), unanticipated expenditures, and/ or unfunded mandates that exceed 5% of the General Fund operating expenditures. If these revenues are utilized for the above purposes, the City should attempt to replenish this reserve as soon as economically feasible. The balance is \$4,588,403 as of September 30, 2022.

Net Position: Net position represents the difference between the assets, deferred outflows of resources, liabilities, and deferred inflows of resources. In the Statement of Net Position, the net investment in capital assets consists of capital assets net of accumulated depreciation, reduced by the outstanding balances of any borrowings used for the acquisition, construction or improvement of those assets. Net investment in capital assets excludes unspent debt proceeds. Net positions are reported as restricted when there are limitations imposed on their use either through enabling legislation or through external restrictions imposed by creditors, grantors, laws or regulations. All net positions not reported as net investment in capital assets and restricted net position, are reported as unrestricted net position.

Flow Assumption: The City spends “restricted” amounts first when both restricted and unrestricted fund balances are available, unless there are legal documents or contracts that prohibit doing so. Additionally, the City would first use “committed” fund balance, followed by “assigned” fund balance and then “unassigned” fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

i. Deferred outflows / inflows of resources

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense / expenditure) until then. The City has the following items that qualify for reporting in this category. One element relates to the offset of the fair value of the City’s swap agreement, another one is the loss on debt refunding, and the others relate to the City’s pension and OPEB plans, discussed below. As certain swap agreements qualify as effective hedges, the change in the fair value occurs each year, and the liability and the deferred outflow are adjusted.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net assets that applies to future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City has the following items, which arise only under a modified accrual basis of accounting that qualify for reporting in this category: a) lease related inflows of resources and b) pension and OPEB plans which are reported only in the statement of net position. On the balance sheet, the governmental funds report unavailable revenues from long-term receivable transactions as deferred inflows of resources. Those amounts are deferred and will be recognized as an inflow of resources in the period in which the amounts become available.

Pension Plan and OPEB Adjustments: These deferred items are recognized and measured in financial statements prepared using the economic resources measurement focus and the accrual basis of accounting. The deferral is for changes in the net pension liability that are not included in pension expense, as well as total OPEB liability not included in OPEB expense, and must be amortized in a systematic and rational manner over a closed period depending on cause beginning with the current period. These causes may include changes of future economic and demographic assumptions or other inputs, differences between expected and actual experience with regard to economic or demographic factors, and differences between projected and actual earnings on pension plan investments.

Employer contributions subsequent to the measurement date of the net pension liability are required to be reported as deferred outflows of resources.

j. Deficit fund equity

For the year ending September 30, 2022, the Community Development Program Fund had a deficit fund balance of \$8,404.

k. Accounting estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, as applied to governmental units, requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows, deferred inflows and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from the estimates.

l. Implementation of new accounting standard

Effective October 1, 2021, the City adopted new accounting guidance by implementing the provisions of Governmental Accounting Standards Board (GASB) Statement No. 87, *Leases* (GASB No. 87), which requires lessees recognize certain lease assets and liabilities for leases that previously were classified as operating leases based on the foundational principle that leases are financings of the right-to-use an underlying asset. Similarly, GASB No. 87, also requires lessors to recognize certain lease assets and deferred inflows of resources for leases meeting the same recognition principles. Accordingly, the City recognized lease interest receivables, lease receivables, and lease-related deferred inflows of resources in the Statement of Net Position.

The implementation of this new standard required the initial recognition in the Golf Course Fund of a right-to-use asset of \$64,349 and a lease liability of \$63,161 as of October 1, 2021. The implementation of this new standard also required the initial recognition of lease interest receivables of \$204,287, lease receivables of \$17,461,679, and lease related deferred inflows of resources of \$17,461,679 in the

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

governmental activities. The adoption of GASB No. 87 had no effect on net position or fund balance, as previously reported.

NOTE B – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

Budgetary Information

The appropriated budget is the expenditure authority created by the Appropriation Resolution, which is entered into by City Council along with related estimated revenues for all funds.

Each fund's appropriated budget is prepared on a detailed line-item basis. Revenues are budgeted by source. Expenditures are budgeted by fund, by department, and by character (personal services, operating expenditures, capital outlay, debt service, and grants and aid). The legal level of control is the total fund appropriation. Expenditures may not exceed appropriations at this level. All budgetary revisions at this level are subject to final review by Bradenton's City Council. Within the control levels, management may transfer appropriations without formal Council approval. Revisions to the budget are made throughout the year. The City follows these procedures in establishing the budgetary data reflected in the financial statements:

- a. Prior to October 1, the City Administrator submits a proposed operating budget for the fiscal year commencing October 1. The operating budget includes proposed expenditures and the means of financing them, by fund.
- b. Prior to October 1, public hearings are conducted by the City to obtain taxpayer comments.
- c. Prior to October 1, a budget is legally enacted through passage of a resolution which restricts total expenditures by fund.

Budgets for governmental funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America, on the modified accrual basis. The budgets for proprietary fund operations are adopted on a basis consistent with accounting principles generally accepted in the United States of America except that they exclude depreciation and the results of capitalizing interest income and expense relative to construction projects on tax-exempt borrowings. Separate budgets are also adopted to control payment of revenue bond principal and interest and capital outlay for proprietary funds on a non-GAAP basis. Appropriations lapse at year end. Formal budgetary integration is employed as a management control device during the year for all funds. The presented budgetary information has been amended in a legally permissible manner.

NOTE C – DEPOSITS AND INVESTMENTS

Deposits

At September 30, 2022, the City's cash-in-bank was fully insured by Federal Depository Insurance and the multiple financial collateral pool required by Sections 280.07 and 280.08, Florida Statutes. Hence, there is no custodial credit risk for the deposits of the City and/or its component units.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City's investment performance is measured and compared to the Barclay's Aggregate Intermediate Bond Index and ranked against an appropriate peer group of fixed-income managers over rolling three to five-year periods. By mirroring the Barclay's Aggregate Intermediate Bond Index, the portfolio is being measured against a relatively short-term conservative index. The City has no formal interest rate policy. The City uses the weighted average maturity method (WAM) for its FMIvT 0-2 Year High Quality Bond (Modified Duration of 0.63 and WAM of 0.7), the 1-3 Year High Quality Bond (Modified Duration of 1.39 and WAM of 1.50), and the Intermediate HQ Bond Fund (Modified Duration of 4.06 and WAM of 4.70).

Concentration of credit risk is the risk of loss attributable to the quantity of the City's investment in a single issuer. The City investment pools have no concentration of credit risk.

Credit risk results from potential default of investments that are not financially sound.

The City invests funds throughout the year with the Local Government Surplus Funds Trust Fund (SBA), an investment pool administered by the State Board of Administration under regulatory oversight of the State of Florida. Throughout the year and as of September 30, 2022, the SBA contained certain floating and adjustable-rate securities which were indexed based on the prime rate and/or one- and three-month LIBOR rates. The SBA Fund A met the criteria to be "2A-7 Like" as defined in GASB 31 and the City held \$63,733,822 in the SBA at September 30, 2022. Furthermore, the City's investment policy limits its domestic corporate bond issues with an investment grade rating (within top four rating classifications with the lowest rating not below Baa3/BBB- by Moody's or Standard & Poor's), obligations of the United States Government or any agency or instrument thereof and to repurchase agreements fully collateralized by such United States Government obligations, and provided that such investment company or investment trust takes delivery of such collateral either directly or through an authorized custodian. Funds held with the SBA are recognized at amortized cost.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

The City invests funds through the Florida Surplus Asset Fund Trust (FL SAFE) which is a local government investment pool (LGIP) trust fund, organized under Florida Statutes 163-01, et seq, to be a Stable Net Asset Value investment pool. As such a LGIP trust, FL SAFE pools and invests the funds of its Florida local government participants within the Investment Policy, established by the FL SAFE Board, and limitation set forth in the Indenture of Trust. FL SAFE is overseen by a Board of Trustees comprised of Florida local government officials, who are themselves participants in FL SAFE as the investment officer or designee for their own local government. The primary objectives of FL SAFE are to provide safety, liquidity, transparency and yield for Florida government entities. The fund includes a liquid money market like investment, called the "FL SAFE Fund" and one or more Term Series portfolios, as may be established from time to time, each of which has a fixed duration. The Fund has received and maintained a AAAM rating since 2007 from Standard and Poor's ("S&P"). According to S&P's rating criteria, the AAAM rating signifies excellent safety of invested principal and a superior capacity to maintain a \$1.00 per share net asset value. Funds held with the FL SAFE are recognized at net asset value.

FMIvT investment guidelines state that each fund will seek to maintain a bond fund credit rating from a nationally recognized statistical rating organization of AAA. Funds having an AAA bond fund credit rating are composed of a preponderance of assets that carry the highest credit ratings from a NRSRO. Funds having an AA bond fund credit rating are composed of a large percentage of assets that carry the highest credit rating from a NRSRO. The funds may invest in corporate bonds issued by any corporation in the United States of America with at least an A rating and collateralized mortgage obligations having a rating of AAA. The City invested in the FMIvT 0-2 Year High Quality Bond, the 1-3 Year High Quality Bond, and the Intermediate HQ Bond Fund. At September 30, 2022, Fitch rated the portfolio investments as AAAs/S1, AAAs/S2, and AAAs/S3, respectively. Funds held with FMIvT are recognized at fair value based on the FMIvT portfolio, not the individual securities held within each FMIvT portfolio.

The City also invests funds through the Florida Cooperative Liquid Assets Securities System (FLCLASS). FLCLASS follows Financial Accounting Standards Board (FASB) Accounting Standards Topic (ASC) 820 Fair Value Measurement and Disclosure for financial reporting purposes. FLCLASS does not meet all of the specific criteria outlined in GASB 79 Paragraph 4 therefore the City measures its investments at fair value as provided in Paragraph 11 of GASB Statement 31, as amended. FLCLASS is rated by S&P Global Ratings and the current rating is AAAM.

The dollar weighted average days to maturity (WAM) of FLCLASS at September 30, 2022 is 26 days. Next interest rate reset dates for floating rate securities are used in the calculation of the WAM. The weighted average life (WAL) of FLCLASS at September 30, 2022 is 67 days.

Rate of return – For the year ended September 30, 2022 the annual money-weighted rate of return on the City's investments, net of City's investment expense, was -1.53 percent. The money-weighted rate of return express investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Custodial credit risk investments is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The City investment pool does not hold investments or collateral securities that have a custodial credit risk exposure.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Fair Value Measurements - The City categorizes its fair value measurements within fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation of inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted market prices for similar assets or liabilities in active markets, primarily fixed income prices provided by a vendor or broker/dealer; and Level 3 inputs are significant unobservable inputs.

The City has the following recurring fair value measurements as of September 30, 2022:

Investment Type	Fair Value	Level 1	Level 2	Level 3
U.S. Government securities	\$ 21,073,474	-	21,073,474	-
FMIvT	9,487,778	-	9,487,778	-

Police Pension Fund

The police pension fund has an established investment policy under which the general investment objective is to obtain a reasonable total rate of return—defined as interest and dividend income plus realized and unrealized capital gains or losses—that is greater than the actuarial interest rate assumption on an annual basis and over rolling three-year periods. Additionally, the trustees, in performing their investment duties, shall comply with fiduciary standards set forth in the Employee Retirement Income Security Act of 1974 19 U.S.C. s 1104 (a) (1) (A)-(C).

Investment Type	Fair Value	Less than 1 Year	Years 1-5	Years 6-10	Years More Than 10	Average Rating
U.S. Government securities	\$ 941,126	-	511,873	-	429,253	AA1-AA+
Corporate bonds	1,850,682	127,214	1,170,485	278,304	274,679	A-BAA1
Domestic stock	21,692,923	21,692,923	-	-	-	NR
Convertible preferred stock	559,095	559,095	-	-	-	NR
Convertible corporate bonds	3,781,660	215,302	3,308,452	219,051	38,855	A3/Ba1
Foreign stock	2,060,150	2,060,150	-	-	-	NR
Foreign bonds	321,010	39,872	246,935	34,203	-	NR
Mutual funds	29,332,907	29,332,907	-	-	-	NR
Mortgage backed	1,116,896	-	5,203	110,519	1,001,174	AA1
Collateralized mortgage backed	864,614	1,351	296,041	17,885	549,337	AAA
Real estate	9,801,200	9,801,200	-	-	-	NR
Money market/cash	7,672,156	7,672,156	-	-	-	NR
Total fair value	<u>\$ 79,994,419</u>	<u>71,502,170</u>	<u>5,538,989</u>	<u>659,962</u>	<u>2,293,298</u>	

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The police pension fund realizes that reasonable consistency of return and protection of assets against the inroads of inflation are paramount. However, the volatility of interest rates and securities markets make it necessary to judge results within the context of several years rather than over short periods of one or two years or less. The police pension fund has no formal interest rate policy.

Concentration of credit risk is the risk of loss attributable to the quantity of the government’s investment in a single issuer. The police pension fund has no concentration of credit risk. The investments held by the police pension fund shall be diversified to the extent practical to control the risk of loss resulting from overconcentration of assets in a specific maturity, issuer, instrument, dealer, or bank in which financial instruments are bought and sold.

Credit risk. The fixed income securities are limited to those traded on a recognized national exchange or over-the-counter, and rated within the top four ratings (Standard & Poor’s AAA, AA, A, BBB or Moody’s Aaa, Aa, A, Baa). However, at least 80% of the fixed income must be rated within the top three ratings.

Rate of return – For the year ended September 30, 2022, the annual money-weighted rate of return on the plan investments, net of the plan’s investment expense, was -14.82 percent. The money-weighted rate of return expresses investment performance, net of investment expenses, adjusted for the changing amounts actually invested.

Custodial credit risk—investments is the risk that, in the event of the failure of the counterparty, the police pension fund will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The police pension fund does not hold investments or collateral securities that have a custodial credit risk exposure.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Foreign currency risk is the risk that foreign currencies will fluctuate relative to the U.S. dollar, but it is believed the diversification benefits outweigh the potential risks. The City has nominal exposure to foreign currencies due to investments in non-U.S. markets implemented through our money managers' portfolios.

Other limitations. The police pension fund limits its investments as follows: Not more than 5% of the fund's assets at cost shall be invested in the common stock or capital stock of any one issuing company, nor shall the aggregate investment in any one issuing company exceed 5% of the outstanding capital stock of the company. The REITs that trade on a major exchange shall not exceed 10% of the fund's assets at cost.

Fair Value Measurements. The City categorizes its fair value measurements within fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation of inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted market prices for similar assets or liabilities in active markets, primarily fixed income prices provided by a vendor or broker/dealer; and Level 3 inputs are significant unobservable inputs.

The Police Pension Fund has the following recurring fair value measurements as of September 30, 2022:

Investment Type	Fair Value	Level 1	Level 2	Level 3
U.S Government securities	\$ 941,126	-	941,126	-
Corporate bonds	1,850,682	-	1,850,682	-
Domestic stock	21,692,923	21,692,923	-	-
Convertible preferred stock	559,095	-	559,095	-
Convertible corporate bonds	3,781,660	-	3,781,660	-
Foreign stock	2,060,150	2,060,150	-	-
Foreign bonds	321,010	-	321,010	-
Mutual funds	29,332,907	21,739,944	7,592,963	-
Mortgage backed	1,116,896	-	1,116,896	-
Collateralized mortgage backed	864,614	-	864,614	-
Total investments by fair value level	<u>62,521,063</u>	<u>45,493,017</u>	<u>17,028,046</u>	<u>-</u>
Investments measured at net asset value (NAV):				
Real estate	<u>9,801,200</u>			
Total investments measured at NAV	<u>9,801,200</u>			
Total investments measured at fair value and NAV	<u>72,322,263</u>			
Investments not subject to level disclosure:				
Money market/cash	<u>7,672,156</u>			
	<u>\$ 79,994,419</u>			

Real estate funds. This type includes two real estate funds that invest primarily in U.S. commercial real estate. The fair values of the investments in this type have been determined using the net asset value (NAV) per share (or its equivalent) of the Plan's ownership interest in partners' capital. Distributions from each fund will be received as the underlying investments of the funds are liquidated. Because it is not probable that any individual investment will be sold, the fair value of each individual investment has been determined using the NAV per share (or its equivalent) of the Plan's ownership interest in partners' capital. Once it has been determined which investments will be sold and whether those investments will be sold individually or in a group, the investments will be sold in an auction process. The investee fund's management is required to approve of the buyer before the sale of the investments can be completed. There were no known unfunded commitments for the City's funds.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Firefighters' Pension Fund

The firefighters' pension fund has an established investment policy under which the primary objective is to earn a total rate of return of a target index. The target index for the Bradenton Firefighters' Pension Fund is defined as a 45% investment in the Russell 1000 Stock Index; a 15% investment in the MSCI ACWI ex-US, a 15% investment in the Bloomberg Barclays Intermediate Aggregate Index, a 5% investment in the Bloomberg Barclays Global Credit (Hedged) Index, a 5% in Bloomberg Barclays US Treasuries Inflation Linked Index, 10% in NCREIF ODCE Index and 5% Strategy Designate. On a relative basis, it is expected that the total portfolio performance will rank in the top 50th percentile of the appropriate peer universe over three and five-year time periods. On an absolute basis, the objective is that the return of the total portfolio will equal or exceed the actuarial earnings assumption (7.00%) and provide inflation protection by meeting Consumer Price Index plus 3%.

Other objectives of the firefighters' pension fund are as follows:

Equity Performance – The combined equity portion of the portfolio, defined as common stocks and convertible bonds, is expected to perform at a rate at least equal to the 75% Russell 1000 Index, 25% MSCI World x-U.S. Index. Individual components of the equity portfolio will be compared to the specific benchmarks defined in each Investment Manager addendum. All portfolios are expected to rank in the top 45th percentile of the appropriate peer universe over three and five-year time periods. The equities must adhere to the following guidelines: a) must be traded on a national exchange or electronic network, b) not more than 5% of the Plan's assets, at the time of purchase, shall be invested in the common stock, capital stock or convertible stock of any one issuing company, nor shall the aggregate investment in any one issuing company exceed 5% of the outstanding capital stock of the company, and c) additional criteria may be outlined in the manager's addendum.

Fixed Income Performance – The overall objective of the fixed income portion of the portfolio is to add stability and liquidity to the total portfolio. The fixed income portion of the portfolio is expected to perform at a rate at least equal to the 60% Bloomberg Barclays Intermediate Aggregate Bond Index, 20% Bloomberg Barclays Global Credit (Hedged), and 20% Bloomberg Barclays U.S. Treasuries Inflation Linked Index. All portfolios are expected to rank in the top 50th percentile of the appropriate peer universe over three and five-year time periods. The fixed income must adhere to the following guidelines; a) all direct investment in fixed income investments shall have a minimum average categorical rating of "Investment Grade" or higher as reported by a major credit rating service, b) the value of bonds issued by any single corporation shall not exceed 3% of the total fund, and c) additional criteria may be outlined in the manager's addendum.

Treasury Inflation Protection Securities (TIPS) – The overall objective of the TIPS portfolio is to provide inflation protection while adding stability to the total fund. The TIPS portfolio is expected to approximate the structure and performance of the Bloomberg Barclays US Treasuries Inflation Linked Index.

Real Estate - The overall objective of the real estate portion of the portfolio is to provide an attractive level of income with minimal volatility to the fund. This portion of the fund is expected to provide an absolute rate of return, and as benchmarked to the NCREIF ODCE Index.

Alternative - The overall objective of the alternative portion of the portfolio is to reduce the overall volatility of the portfolio and enhance returns. This portion of the portfolio will be measured against an appropriate benchmark that is strategy designate.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

The firefighters' pension plan investment policy further limits risk by: (1) investing in equity securities that do not exceed 70% at fair value of the fund's total fair value, (2) foreign securities shall not exceed 25% of Plan's fair value, and (3) all securities must be readily marketable.

Investment Type	Fair Value	Less than 1 Year	Years 1-5	Years 6-10	Years More Than 10	Average Rating
U.S. Government securities	\$ 5,354,715	405,252	1,585,644	2,803,556	560,263	AA+

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The objective of the firefighters' pension fund is to preserve the purchasing power of the fund's assets and earn a reasonable rate of return (after inflation) over the long term while minimizing the short-term volatility of results. The firefighters' pension fund has no formal interest rate policy.

Concentration of credit risk is the risk of loss attributable to the quality of the government's investment in a single issuer. The firefighters' pension fund has no concentration of credit risk.

Rate of return – For the year ended September 30, 2022, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expenses, was -13.83 percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Credit risk. The firefighters' pension fund investment guidelines are in accordance with Section 112.661, Florida Statutes.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Custodial credit risk is the risk that, in the event of the failure of the counterparty, the firefighters' pension fund will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The firefighters' pension fund does not believe that it has a custodial risk exposure as all of its securities are insured, registered, and held by an outside custodian.

Foreign currency risk is the risk that foreign currencies will fluctuate relative to the U.S. dollar, but it is believed the diversification benefits outweigh the potential risks. The City has nominal exposure to foreign currencies due to investments in non-U.S. markets implemented through our money managers' portfolios.

Other limitations. The firefighters' pension fund investments in Collateralized Mortgage Obligations (CMOs) shall be limited to 15% of the market value of the total fixed income portfolio and shall be restricted to those issues backed by securities issued by the Government National Mortgage Association (GNMA), the Federal Home Loan Mortgage Corporation (FHLMC), or the Federal National Mortgage Association (FNMA). Also, the investments must pass the FFIEC High Risk Security Test on an annual basis. Any security in the portfolio that fails the FFIEC test shall be sold at the earliest beneficial opportunity.

Fair Value Measurements. The City categorizes its fair value measurements within fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation of inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are inputs other than quoted market prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted market prices for similar assets or liabilities in active markets, primarily fixed income prices provided by a vendor or broker/dealer; and Level 3 inputs are significant unobservable inputs.

The Fund holds units in investments in which the fair value is measured on a recurring basis using net asset value per share (or its equivalent) as a practical expedient.

The Fund does not anticipate restrictions, other than those outlined in the table below, on the ability to sell individual investments at the measurement date. Additionally, the Fund does not anticipate that NAV-driven investments will become redeemable at valuations materially different from the corresponding NAV listed below. The Fund has no prescribed time frame to liquidate the investments.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

The Firefighters' Pension Fund has the following recurring fair value measurements as of September 30, 2022:

Investment Type	Fair Value	Level 1	Level 2	Level 3
Mortgage backed securities	\$ 2,465,918	-	2,465,918	-
Government securities	5,354,715	-	5,354,715	-

Investments not subject to level disclosure:				
Short term investments and money market	1,415,615			
	\$ 63,917,508			

International Equity Fund

The International Equity Fund was formed under an agreement of a trust. Effective May 31, 2015, the fund changed its name from RBC GAM International Fund to International Equity Fund. State Street Bank and Trust Company is the trustee, custodian and recordkeeper of the fund. RBC Global Asset Management, Inc. is the fund's investment manager. Polaris Capital Management, Inc. is the fund's subadvisor. The investment objective of the fund is to seek long-term growth of capital, primarily through a diversified portfolio of non-U.S. equity securities that the subadvisor believes to be undervalued.

U.S. Real Estate Investment Fund, LLC

U.S. Real Estate Investment Fund, LLC is a limited liability company organized under the laws of the State of Delaware on July 31, 2006 pursuant to the Delaware Limited Liability Company Act. The Fund commenced operations on January 1, 2007. The Fund's investment objectives are to invest in a pool of real estate assets that are diversified by geography and property type, with a focus on yield-driven investments and, to a lesser extent, on value-added investments. The Manager of the Fund is Intercontinental Real Estate Corporation. The Fund is an open-end, commingled real estate investment fund and is intended to have an indefinite term. The Fund may be terminated by the Manager or by the written consent of the members collectively owning not less than two-thirds of the outstanding interest.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

NOTE D – NOTES RECEIVABLE

Florida Cultural Group, Inc.

In May 2016, the City loaned the Florida Cultural Group, Inc. (a Florida nonprofit corporation) \$2,300,000. Florida Cultural Group, Inc. is to repay the loan, with interest on the principal advanced, at a rate of 2.00% per annum. Florida Cultural Group, Inc. shall pay to the City interest only payments on the daily outstanding principal balance of this note, annually, beginning May 3, 2017 and continuing on the same day each year through May 3, 2019, the maturity date. Upon the maturity date, all principal and outstanding accrued interest shall be due and payable. Notwithstanding the foregoing, provided no uncured default exists under the loan documents, Florida Cultural Group, Inc. had the option to elect two (2) additional extensions of the maturity date of one (1) year each, individually. Florida Cultural Group, Inc. elected the second year extension which made the maturity date of the loan May 3, 2021. On April 28, 2021 the loan was modified again to add three additional one-year options thereby extending the maturity date to June 30, 2024. As of September 30, 2022, \$2,300,000 remains outstanding on the note.

Other

The City has other long-term receivables in the amount of \$2,752,420. These receivables represent amounts owed by individuals in conjunction with the rehabilitation of private property and financing for locally owned businesses.

The total amount of long-term receivables discussed above is \$5,052,420 and is included within the governmental funds and governmental activities total accounts receivable balance in the balance sheet and the statement of net position as of September 30, 2022.

NOTE E – PROPERTY TAX

Property taxes are levied on November 1 of each year and are payable upon receipt of the Notice of Tax Levy. The Manatee County Tax Collector’s Office bills and collects property taxes on behalf of the City.

The tax rate to finance general governmental services for the fiscal year ended September 30, 2022 was 5.8976 per \$1,000 of assessed taxable property value. Property tax revenues are currently recognized in the fiscal year during which the taxes are levied.

On May 1 of each year, unpaid taxes become a lien on the property. The past-due tax certificates are sold at public auction and the proceeds collected are remitted to the City.

No accrual for the property tax levy becoming due in November 2022 is included in the accompanying financial statements since such taxes do not meet the necessary measurable and available criteria. The City of Bradenton (Manatee County) property tax calendar is as follows:

July 1	Assessment roll validated
September 30	Millage resolution approved
October 1	Beginning of fiscal year for which tax is to be levied
November 1	Tax bills rendered
November 1 – March 31	Property taxes due with various discount rates
April 1	Taxes delinquent
May 31	Tax certificates sold by Manatee County

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

NOTE F - LESSOR LEASE AGREEMENTS

The City entered into three long-term land leases in 1980, 2002 and 2016 that expire in 2079, 2101, and 2085, respectively. The annual rents range from \$53,713 to \$201,525 with provisions for CPI adjustments. Written notice and agreement between both parties is required to modify the terms of the leases.

The City is engaged in thirteen cell tower lease agreements which allows the lessee to rent space on the City's water towers. The agreements are for a term of five years each with up to three automatic extensions of five years each. If the lessee wishes to terminate the lease they must give written notice at least six months prior to the end of the original or extended lease term. The agreements expire between 2027 and 2036 and the monthly base rent ranges from \$1,816 to \$3,281. Each agreement includes CPI adjustments ranging from yearly to every five years.

During 2022, the City entered into five retail space leases. Each agreement is for a term of 36 months with the right to two successive extensions for a term of one year each so long as the tenant is open and operating its business and has not been in default under the lease. If the tenant desires to extend the term of the lease, written notice must be given not less than six months prior to the expiration of the existing term. The initial monthly base rent ranges from \$903 to \$1,406 and increases 3% beginning at the commencement of the second lease year and on the anniversary date of each lease year thereafter.

Lease-related revenue for governmental activities for the year ended September 30, 2022 was as follows:

Lease revenue	
Land	\$ 94,406
Equipment	392,764
Building	<u>128,215</u>
Total lease revenue	615,385
Interest revenue	523,758
Variable and other revenue	-
Total	<u><u>\$ 1,139,143</u></u>

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Expected future minimum reductions of the lease receivable are as follows:

NOTE H – INTERFUND RECEIVABLES, PAYABLES AND TRANSFERS

Interfund due to/due from balances at September 30, 2022, consisted of:

		Due to:		
		General Fund	Nonmajor	Total
Due from:	American Rescue Plan Act	\$ 475,000	-	475,000
	State Housing Initiatives Partnership Program	175	-	175
	Nonmajor Governmental	186,686	5,377	192,063
		\$ 661,861	5,377	667,238

All advances are from loans made to establish working capital; there are budgeted collections for the subsequent year.

		Advances from:	
		General Fund	
Advances to:	Nonmajor Governmental	\$ 166,617	
	Sanitation	553,828	
		\$ 720,445	

All remaining balances resulted from the time lag between the dates that: (1) interfund goods and services are provided and reimbursable expenditures occur, (2) transactions are recorded in the accounting system, and payments between funds are made.

Interfund transfers for the year ended September 30, 2022, consisted of:

		Transfers to:					
		General	Half Cent	Parking	Sanitation	Nonmajor Governmental	Total
Transfers from:	General Fund	\$ -	-	498,400	62,262	4,587,283	5,147,945
	Water and Sewer	255,500	-	-	-	-	255,500
	Sanitation	250,000	-	-	-	-	250,000
	Nonmajor Governmental	446,838	500,000	600,000	-	3,313	1,550,151
	Total	\$ 952,338	500,000	1,098,400	62,262	4,590,596	7,203,596

Transfers are used to: (1) move revenues *from* the fund that statute or budget requires to collect them *to* the fund that statute or budget requires to expend them; (2) move receipts restricted to debt service *from* the funds collecting the receipts *to* the debt service fund as debt service payments become due; and (3) use unrestricted revenues collected in the general fund to finance various programs accounted for in other funds in accordance with budget authorizations.

For The Fiscal Year Ended September 30, 2022

NOTE I – LONG-TERM LIABILITIES

Long-Term Liability Activity

Long-term liability activity for the year ended September 30, 2022, is shown below and on the following page.

Payments on bonds and notes that pertain to the City’s governmental activities are made by the debt service fund. The compensated absences liability, net pension liabilities and OPEB liability, attributed to governmental activities, will be liquidated by the general fund, as in prior years. The respective fund has been used to liquidate the liability for compensated absences and OPEB obligation in business-type activities. Payments on notes payable for the Central Community Redevelopment Area and the 14th Street Redevelopment Area are paid out of their respective individual funds.

Notes Payable	
<p>\$1,000,000 Central Community Redevelopment Agency Promissory Note, Series 2005A: The purpose of this note was to refinance the CCRA Promissory Note, Series 2003 and to finance certain project costs. Interest and principal shall be due and payable in arrears on the first day of each and every February, May, August, and November. The interest rate on the note is 63.7% of the 30 day LIBOR rate plus 91 basis points as set at the beginning of each quarter and is payable quarterly. As a means of lowering its borrowing costs, the original principal amount was swapped to an annual fixed rate of 4.14%, payable in quarterly installments through February 1, 2025. Under terms of the Interest Rate Swap Agreement with Bank of America, the CCRA receives 63.7% of the 30 day LIBOR rate plus 91 basis points on the unamortized principal of the swap amount. Final maturity is February 1, 2025. This note has certain loan covenants which the CCRA is in compliance with as of September 30, 2022. Moneys derived from the Tax Increment Revenues and investment earnings thereon are pledged to secure this loan.</p>	<u>\$ 187,020</u>

Other Long-Term Debt Information

Conduit Debt:

From time to time, the City issues revenue bonds to provide financial assistance to private-sector entities or other third parties for the acquisition and construction of industrial and commercial facilities. The bonds are secured by the property financed and are payable solely from payments received on the underlying loans and agreements. The City is not obligated in any manner for repayment of the bonds as discussed above. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. As of September 30, 2022, there was one Industrial Revenue Bond outstanding with an aggregate principal amount payable of \$2,910,515.

Unused Lines of Credit:

The City has no unused lines of credit.

Assets Pledged as Collateral for Debt:

The City has no capital assets, whether real or personal property, pledged as collateral for debt other than the sweepers. All debt is secured by revenue streams.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Default Remedies:

In the event that the City defaults on any of its obligations, creditors, trustees and bondholders have available remedies of law, including the right to mandamus proceedings. Additional remedies are specified in certain of the Promissory Notes or Trust Indentures.

In the case of the \$1,000,000 Central CRA promissory note, the 2012 \$7,500,000 Special Obligation Revenue Refunding Bond, the \$14,280,000 Special Obligation Revenue Bond, the \$5,285,000 Series 2011 Tax Increment Revenue Bonds, and the one remaining Promissory Note for the Judicial Parking Garage, all agreements give the Bank the option to declare the total loan balance due and payable upon an event of default. The promissory notes named in this paragraph are direct borrowings.

State Revolving Fund loans provide for a number of remedies providing finance-related consequences in an event of default. The Department of Revenue may:

- Establish rates and collect fees and charges for use of the City's Water and Sewer System.
- Intercept the delinquent amount plus a penalty not to exceed interest at a rate of 18% per year from any unobligated funds due to the City under any revenue or tax sharing fund established by the State.
- Notify financial market credit rating agencies and potential creditors.
- Sue for payment of amounts due, as well as interest and associated costs.
- Accelerate the repayment schedule or increase the financing rate on the unpaid principal to as much as 1.667 times the original rate.

In the case of default on the sweeper loan, the loan originator shall have the right to take one or any combination of the following remedial steps:

- The loan originator may declare all loan payments and other amounts payable by the City hereunder to the end of the then current budget year to be immediately due and payable.
- Upon written request by the loan originator, the City shall, within a reasonable timeframe established by the loan originator, use its best efforts to sell the equipment in a commercially reasonable manner. The proceeds of the sale should be provided to the loan originator.
- Alternatively, the loan originator may require the City at the City's expense redeliver any or all of the equipment to the loan originator.
- The loan originator may take whatever action at law or in equity that may appear necessary or desirable to enforce its rights.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Interest Rate Swaps

As of September 30, 2022, the City has two interest rate swap agreements that reduce the economic risks associated with variability in cash outflows for interest on notes as discussed above. The *terms* and *objectives* of the interest rate swaps are as noted in the description of debt above.

	Changes in Fair Value	Fair Value at September 30, 2022	Notional Value at September 30, 2022
Governmental activities, fair value hedges			
Pay fixed-receive variable interest rate swap contract			
CCRA Series 2005A	\$ (13,065)	(1,709)	187,020
Total Governmental activities	(13,065)	(1,709)	187,020
Business-type activities, fair value hedges			
Pay fixed-receive variable interest rate swap contract			
Parking Garage Note I	(63,882)	(4,983)	923,766
Total Business-type activities	(63,882)	(4,983)	923,766
	\$ (76,947)	(6,692)	1,110,786

The following table represents debt service payments on the variable rate notes, net of swap payments associated with the notes at year end. The variable interest at September 30, 2022 is assumed to be constant over the life of the note.

Year	Principal	Variable Interest	Swap Interest	Net Cash Flows
2023	472,867	4,429	51,075	528,371
2024	491,462	1,056	16,622	509,140
2025	146,457	-	1,634	148,091
	\$ 1,110,786	5,485	69,331	1,185,602

Fair Value: Because interest rates declined since execution of the swaps, the swaps had a negative fair value of \$6,692, as of September 30, 2022. The fair value was estimated using the zero-coupon method, calculating the future net settlement payments required by the swap assuming that the current forward rates implied by the yield curve correctly anticipate future spot interest rates. These payments are then discounted using the spot rates implied by the current yield curve for hypothetical zero coupon bonds due on the date of each future net settlement on the swap.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Credit Risk: As of September 30, 2022, the City was not exposed to credit risk because the swap had a negative fair value. However, should interest rates change and the fair value of the swaps become positive, the City would be exposed to credit risk in the amount of the derivative's fair value.

Basis Risk: The swap does not expose the City to basis risk. The interest rate on the notes and swap are the same.

Termination Risk: The City, or the counterparty, may terminate the swap if the other party fails to perform under the terms of the contract. If at the time of termination the swap has a negative fair value, the City would be liable to the counterparty for a payment equal to the swap's fair value.

City Retirement Plans

The City has two pension funds – Firefighters' Pension Fund and Police Officers' Pension Fund. The Firefighters' Pension Fund and Police Officers' Pension Fund are single-employer, defined benefit pension plans for the fire and police departments. Each plan's financial statements are prepared using the accrual basis of accounting. The preparations of the financial statements of all plans conform to the provisions of GASB Statements No. 67 and 68. For purposes of measuring the net pension (asset) liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the City's pension funds - Firefighters and Police Officers' Pension Trust Funds and additions to/deductions from the fiduciary net position of each plan have been determined on the same basis as they are reported by the City. Benefits and refunds of both plans are recognized using the completed transaction method. The City's plans are treated as fiduciary funds in the financial section of the financial statements. Employer and plan member contributions are recognized in the period that contributions are due. Investments are reported at fair value.

Separate audited financial statements are issued for the Firefighters' Pension Fund. This report may be obtained from the City of Bradenton's Finance Department. No separate audited financial statements are issued for the Police Officers' Pension Fund.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

All other employees participate in the Florida State Retirement System, a multiple-employer, cost-sharing public employee pension plan discussed further in this note.

Firefighters' Pension Plan

Plan Description

The City's Firefighters' Retirement System (the "Plan"), a defined benefit single-employer public employee retirement plan, is administered in accordance with City of Bradenton Ordinance No. 2910 as approved January 27, 2010, along with subsequent amendments. The plan is subject to the provisions of Chapters 112 and 175 of the Florida Statutes. Each person employed by the City's Fire Department as a full-time Firefighter becomes a member of the Plan as a condition of their employment. All Firefighters are therefore eligible for all plan benefits as provided for in the plan document and by applicable law.

Plan Administration

The Plan is a single-employer defined benefit pension plan administered by the Plan's Board of Trustees comprised of: Two City residents appointed by the City Council, two Firefighters elected by majority of covered Members, and a fifth Member elected by the other four and appointed by City Council (as a ministerial duty).

Plan Membership

At September 30, 2022, membership consisted of:

Actives	59
Service retirees	47
DROP retirees	9
Beneficiaries	9
Terminated vested	1
Disability retirees	10
Total members	<u>135</u>

Benefits Provided

The plan covers permanent and probationary City employees who are classified as uniform fire personnel. Any participant who has creditable service of ten years and has attained age 55, or has creditable service of 25 years is eligible for normal retirement. Such a retiree would receive a normal retirement benefit of 3% of average final compensation (average of the employee's salary for the two best years of the last ten years of credited service, or the career average, whichever is greater) multiplied by years of credited service.

Any participant who has creditable service of ten years and has attained age 50, or has creditable service of 20 years, is eligible for early retirement and may elect a deferred or immediate benefit. A deferred benefit is calculated and commences in accordance with the normal retirement formula except that credited service and average final compensation are determined as of the early retirement date. An immediate benefit commences on the early retirement date and is determined in accordance with an actuarially adjusted early retirement formula.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

The plan provides for pre-retirement death benefits for both vested and non-vested members. If a member was vested, the beneficiary may elect to receive a refund of the member's accumulated benefits or a computed benefit payable over ten years. The beneficiary can make an election to receive a ten-year benefit immediately, or at the retiree's scheduled early or normal retirement date. The ten-year benefit is calculated as for normal retirement based on the deceased member's credited service and average final compensation as of the date of death and reduced as for early retirement, if applicable. The beneficiary of a deceased non-vested member shall receive a refund of the member's accumulated contributions.

For members hired prior to January 13, 2016, beginning on the first October 1 following the attainment of age 55, and on each subsequent October 1 thereafter, the monthly benefit of each retiree (or their beneficiary or joint annuitant) who is receiving a normal or early retirement benefit shall be increased by 3 percent. These increases shall cease after the increase following the date when the retiree attains (or would have attained) age 64 (for a total of up to ten annual increases). The monthly benefit for every retiree, or their beneficiary, who was receiving a normal, early or disability retirement benefit or pre-retirement benefit or pre-retirement death benefit on or before October 1, 1999, is increased by \$10 for each year of full retirement up to a maximum of \$100. For members hired on or after January 13, 2016, beginning 5 years after retirement or entry into the deferred retirement option plan, the monthly benefit of each retiree who is receiving a normal or early retirement benefit shall be increased annually by 2.3 percent with increases continuing for the life of the retiree and following the retiree's death, for the life of the retiree's beneficiary or joint annuitant. Current members, DROP participants, and current normal or early retirees retiring on or after December 1, 2011, who had not yet received a cost-of-living adjustment (COLA) increase as of January 13, 2016 were eligible to make a one-time irrevocable election to maintain the 3 percent COLA provision or elect the 2.3 percent COLA as discussed above. The election was to be made in writing no later than July 13, 2016. If no election was made, the member, DROP participant, or eligible retiree will receive the 3 percent COLA discussed above. DROP participants who have previously received a COLA increase are ineligible to make the election.

The plan provides disability benefits for both duty-related and non-duty-related disabilities. Disability caused by performance of duties is computed at 3% of average final compensation multiplied by years of credited service. Duty-related disability benefits cannot be less than 42% of the average final compensation of the member. Every plan participant with ten years or more of credited service is eligible to receive non-line-of-duty disability benefits. A non-line-of-duty disability is computed at 2% of the average final compensation multiplied by the total years of credited service. Non-line-of-duty disability benefits cannot be less than 25% of the average final compensation of the member.

In April 2016, the City approved Ordinance No. 2981 which amended the COLA, DROP, and Pre-Retirement Death Provisions and established a Share Plan. The Share Plan is an additional plan component to provide special benefits in the form of supplemental retirement, termination, death and disability benefits. These benefits are to be funded solely and entirely by premium tax monies for each plan year which are allocated to this supplemental component. The Fire Pension Board shall create individual "Member Share Accounts" for all actively employed plan members and DROP participants. Each member or DROP participant shall have a member share account for his or her share of the Florida Statute Chapter 175 tax revenues, forfeitures, income, and expense adjustments relating thereto.

Chapter 2019-21, Laws of Florida was signed into effect granting disability benefits to firefighters participating in an employer-sponsored retirement plan. Effective July 1, 2019, "the retirement plan must consider the firefighter totally and permanently disabled in the line of duty if he or she meets the retirement plan's definition of totally and permanently disabled due to the diagnosis of cancer or circumstances that arise out of the treatment of cancer." For this purpose, "cancer" is as defined in Section 112.1816(1), Florida Statutes.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

This benefit change only relates to the disability benefits for the Pension Fund and does not provide for other benefits that are provided for in Florida Statutes Section 112.1816.

During the year ended September 30, 2022, the plan received state monies totaling \$499,738. The City will use any state monies, up to \$700,000 to offset its funding requirements. 50% of the state monies received by the City in excess of \$700,000 shall be allocated to the Share Plan, with the remaining 50% to be used by the City.

Deferred Retirement Option Program (DROP)

Plan members can enter the DROP program upon satisfaction of Normal Retirement requirements (earlier of 1) age 55 and 10 years of service, or 2) 25 years of service, regardless of age). Participation is allowed up to 60 months. At the election of the Member, the account is credited with either: 1) the actual net rate of investment return (total return net of brokerage commissions and transactions costs), or 2) 6.5% per year. The income is credited each fiscal quarter and the Member may change the method of crediting income once during the DROP period. The DROP balance as of September 30, 2022 is \$1,988,383.

Contributions

As a condition of participation, firefighters' are required to contribute to the Plan. The percentage increased effective April 15, 2013, from 8% to 10% currently of their earnings. If an employee separates from service before achieving ten years of credited service, the employee may either request a refund of their accumulated contribution or they may leave it deposited with the plan. If an employee has more than ten years of credited service upon termination, the member, upon reaching normal retirement, is entitled to a monthly retirement benefit equal to 3% of their average final compensation multiplied by years of credited service, provided the member does not elect to withdraw their accumulated contributions and they survive to the normal retirement date.

Other contributions are received from the State of Florida and the City. The State of Florida contribution results from the City's share of insurance tax. The City contributes an amount to make the fund actuarially sound, but not less than 8% of payroll.

The City/State actuarially determined required contribution for the year ended September 30, 2022 was \$1,535,336.

Investments

The investments are reported at fair value. Securities traded on a national exchange are valued at the last reported sales price at current exchange rates. Mortgages are valued on the basis of future principal and interest payments, and are discounted at prevailing interest rates for similar instruments. Investments that do not have an established market are reported at estimated fair value.

For the year ended September 30, 2022, the annual money-weighted rate of return on Pension Plan investments, net of Pension Plan investment expense, was -13.83 percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

The following was the Firefighters' Pension Fund's adopted asset allocation policy as of September 30, 2022.

Asset Class	Target Allocation
All Cap Value Equity	13.5%
Broad Growth Equity	13.5%
Domestic Broad Cap Equity	18.0%
International Equity	15.0%
Fixed Income (Core)	15.0%
Global Fixed Income	5.0%
Private Real Estate	10.0%
Infrastructure	5.0%
TIPS	5.0%
Total	100.0%

Net Pension (Asset) Liability

The measurement date is September 30, 2022. The measurement period for the pension expense was October 1, 2021 to September 30, 2022. The reporting period is October 1, 2021 through September 30, 2022.

The total pension liability, net pension (asset) liability, and certain sensitivity information shown in this report are based on an actuarial valuation performed as of October 1, 2021. The total pension (asset) liability was rolled-forward from the valuation date to the plan's fiscal year ending September 30, 2022, (measurement date) using generally accepted actuarial assumptions.

The Total Pension Liability was determined by an actuarial valuation as of October 1, 2021 updated to September 30, 2022 using the following actuarial assumptions:

Inflation	2.50%
Salary increases	service based
Discount rate	7.00%
Investment rate of return	7.00%

Mortality Rate Healthy Active Lives: Female - PubS.H-2010 for Employees, set forward one year. Male - PubS.H-2010 for Employees, set forward one year.

Mortality Rate Healthy Retiree Lives: Female - PubS.H-2010 for Healthy Retirees, set forward one year. Male - PubS.H-2010 for Healthy Retirees, set forward one year.

Mortality Rate Beneficiary Lives: Female - PubG.H-2010 for Healthy Retirees. Male: PubG.H-2010 for Healthy Retirees, set back one year.

Mortality Rate Disabled Lives: 80% PubG.H-2010 for Disabled Retirees / 20% PubS.H-2010 for Disabled Retirees.

All rates are projected generationally with Mortality Improvement Scale MP-2018.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Long-Term Expected Rate of Return

The pension plan investments were determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic real rates of return for each major asset class included in the Plan's target asset allocation as of September 30, 2022 are summarized in the following table:

<u>Asset Class</u>	<u>Long Term Expected Real Rate of Return</u>
All Cap Value Equity	7.5%
Broad Growth Equity	7.5%
Domestic Broad Cap Equity	7.5%
International Equity	8.5%
Fixed Income (Core)	2.5%
Global Fixed Income	3.5%
Private Real Estate	4.5%
Infrastructure	4.5%
TIPS	2.5%

Discount Rate

The discount rate used to measure the total pension liability was 7.00 percent. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that sponsor contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Actuarial Assumption Changes

There were no actuarial assumption changes in the October 1, 2021 actuarial valuation.

Fiduciary Net Position

The Plan's fiduciary net position has been determined on the same basis used by the pension plan.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Changes in the Net Pension (Asset) Liability

The following table shows the changes in the net pension (asset) liability based on the actuarial information provided to the Firefighters' Pension Fund.

	Change In Net Pension (Asset) Liability		
	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension (Asset) Liability (a) - (b)
Balances at September 30, 2021	\$ 72,744,915	\$ 76,017,254	\$ (3,272,339)
Changes for the year:

Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Police Officers' Pension Plan

Plan Description

The City's Police Officers' Pension Plan (the "plan"), a defined benefit single-employer public employee retirement plan, was established under the Code of Ordinances for the City of Bradenton, Florida, Subpart B, Article IV, and was most recently amended under Ordinance No. 2963 (adopted May 28, 2014). The Plan is also governed by certain provisions of Chapter 185, Florida Statutes, Part VII, Chapter 112, Florida Statutes and the Internal Revenue Code.

The Plan does not issue a stand-alone financial report and is included within the City's Annual Comprehensive Financial Report.

Plan Administration

The Plan is a single-employer defined benefit pension plan administered by the Plan's Board of Trustees comprised of: Two City residents appointed by the City Council, two Police Officers elected by majority of covered Members, and a fifth Member elected by the other four and appointed by City Council (as a ministerial duty).

Plan Membership

As of September 30, 2022, membership consisted of:

Active	107
Retirees, beneficiaries and DROP	86
Disability retirees	18
Terminated vested members	4
Total Members	<u>215</u>

Benefits Provided

The plan covers each person employed by the City of Bradenton Police Department as a full-time Police Officer as a condition of his/her employment. All Police Officers are eligible for all plan benefits as provided for in the plan document and by applicable law. Notwithstanding, the Police Chief may, upon employment as Police Chief, elect in writing to not be a member of the System.

Effective June 1, 2013 the plan had two tiers of retirement benefits. Anyone hired prior to June 1, 2013 would be in Tier 1 with eligibility for retirement upon the earlier of the attainment of age 45 and the completion of 20 years of credited service, or the attainment of age 55 and the completion of 10 years of credited service. Such retiree would receive a normal retirement based on credited service and average final compensation. "Average Final Compensation" (AFC) is 1/12 of the average salary of the two best years if 20 or more years of credit service (the period used to determine the average final compensation is changed to three years for the employees who are not vested as of January 31, 2015), three best years if less than 20 years of credited service, but at least 10 years of credited service or five best years if 5 or more years of credited service, but less than 10 years. The normal retirement is calculated by multiplying 3% times years of service of credited service times average final compensation plus \$10.00 for each year of credited service if the retiree retires with 20 or more years of credited service. Effective after June 30, 2013, pensionable earnings excludes payments for overtime in excess of 300 hours per calendar year. Also, effective February 1, 2014, the definition of pensionable earnings is changed to exclude pay from "contracted special details." The maximum payout amount of unused sick and vacation leave that is included in pensionable earnings is the member's balance as of June 30, 2013. The balance as of June 30, 2013 is

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

calculated as the member's current hourly rate times the current unused vacation leave hours plus half of the current unused sick leave hours.

Members who are hired on or after June 1, 2013 will be a participant in Tier 2. These members are eligible for normal retirement with the earlier of the attainment of age 50 and the completion of 25 years of credited service, or the attainment of age 55 with 10 years of service. The averaging period used to determine average final compensation is five years. The benefit multiplier is reduced from 3% to 2.75% per year of service and the annual cost of living adjustment is delayed until age 55 and ends at age 65. For eligible members who retire on or after February 1, 2014, the annual cost of living adjustment stops at the age of 65.

The plan provides for pre-retirement death benefits for both vested and non-vested members. If a member loses their life directly in the performance of duties as a Police Officer, his/her spouse, if any, shall receive and be paid as a monthly benefit a sum equal to 3% of average final compensation, multiplied by total years of credit service, but in any event, the minimum amount paid shall be 60% of average final compensation, with such pension to be paid for the remainder of the spouse's natural life, and the Fund shall pay in addition thereto the sum of \$20.00 per month for each eligible child. The pension benefit offered by this subsection shall be in lieu of any other benefits provided by the system.

Supplemental Benefit - Share Plan

Pursuant to Florida law, a separate member "share account" has been created for each member of the plan. This supplemental benefit may or may not be funded and thus, the member may or may not receive a retirement benefit from the share plan. If the share plan is funded, at retirement, termination (vested), disability or death, there shall be an additional benefit paid to the member. The share plan is funded solely with state premium tax money and the funding that is received for this Share Plan is allocated to the member's share account based on a formula which gives the member an allocation based on an equal share for each member. The member's share account receives its proportionate share of the income or loss on the assets in the plan.

Deferred Retirement Option Program (DROP)

When an employee becomes eligible for normal retirement, and is still employed by the City as a Police Officer, he/she has the option of "retiring" from the pension plan but continuing his/her employment as a Police Officer for up to an additional five years. An election to participate in the DROP shall constitute an irrevocable election to resign from the service of the City not later than 5 years from the commencement of DROP participation. The employee must request, in writing, to enter the DROP within 12 months following the date on which the employee first becomes eligible for normal retirement. Upon entering the DROP, the employee's retirement benefit is immediately calculated and each monthly benefit payment is deposited into a DROP account. The account is credited with interest at the rate of 6.5% per annum. The DROP balance as of September 30, 2022 is \$1,858,312.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Contributions

As stated each person employed by the City of Bradenton Police Department as a full-time Police Officer must contribute into the pension plan except for the Police Chief if he/she chose to opt out of the plan. The member contribution rates increased from 6% of pay to 7.5% beginning the first full pay period after the effective date of Ordinance No. 2963 and to 9% effective the first full pay period in October 2014. A start/restart is implemented based on the following; 1) the pension benefits are reduced to the Chapter 185 minimums and then immediately restored to the level in place prior to the reduction, such that there is not reductions in the benefits for any members, 2) the difference in cost between the current plan and the Chapter 185 plan is added to the base State contribution from 1998 resulting in a new adjusted base amount, and 3) as agreed in the collective bargaining agreement, the accumulated excess premium tax monies on October 1, 2013 will be used in its entirety to reduce the City's annual required pension contribution as a one-time offset.

If an employee separates from service before achieving ten years of credited service, the employee may either request a refund of the accumulated contribution or they may leave it deposited with the plan for up to five years.

Other contributions are received from the State of Florida and the City. The State of Florida contribution results from the City's share of insurance tax. The City contributes an amount to make the fund actuarially sound, but not less than 8% of payroll. The City's contributions for the year ended September 30, 2022 was \$2,185,873 and the State's was \$607,670 for a total of \$2,793,543.

Investments (Pension Plan Reporting)

The investments are reported at fair value. Securities traded on a national exchange are valued at the last reported sales price at current exchange rates. Mortgages are valued on the basis of future principal and interest payments, and are discounted at prevailing interest rates for similar instruments. Investments that do not have an established market are reported at estimated fair value.

Rate of Return (Pension Plan Reporting)

For the year ended September 30, 2022, the annual money-weighted rate of return on Pension Plan investments, net of Pension Plan investment expense, was -14.82 percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Net Pension Liability (Pension Plan Reporting)

The components of the net pension liability at the measurement date of September 30, 2022, which is rolled forward from the actuarial valuation date of October 1, 2021, were as follows:

Total Pension Liability	\$ 103,009,458
Plan Fiduciary Net Position	(79,911,596)
City's Net Pension Liability	\$ 23,097,862
Plan Fiduciary Net Positions as a percentage of Total Pension Liability	77.58%

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Actuarial Methods and Assumptions (Pension Plan Reporting)

Valuation Date	October 1, 2021
Plan Year	October 1 – September 30
Actuarial Cost Method	Entry Age Normal
Inflation	2.5%
Salary Increases	6.7% to 9.1% depending on service, including inflation
Investment Rate of Return	7.35%, includes inflation, net of investment inflation
COLA Rate Assumption	1.25%
Retirement Age	Experience – based table of rates that are specific to the type of eligibility condition
Mortality	The same versions of PUB-2010 Headcount-Weighted Mortality Tables as used by the Florida Retirement System (FRS) for Special Risk Class members in their July 1, 2020 actuarial valuation (with mortality improvements projected for healthy lives to all future years after 2010 using Scale MP-2018. Florida Statutes Chapter 112.63(1)(f) mandates the use of mortality tables from one of the two most recently published FRS actuarial valuation reports.

The Wage Inflation Rate is defined to be the portion of total pay increases for an individual that are due to macro-economic forces including productivity, price inflation, and labor market conditions. The wage inflation rate does not include pay changes related to individual merit and seniority effects.

Long-Term Expected Rate of Return (Pension Plan Reporting)

The assumed real rate of return over wage inflation is defined to be the portion of total investment return that is more than the assumed wage inflation rate. Considering other economic assumptions, the 7.35% investment return rate translates to an assumed real rate of return over wage inflation of 4.85%.

<u>Asset Class</u>	<u>Long Term Expected Real Rate of Return</u>
Domestic equity	7.1%
International equity	3.1%
Bonds	2.0%
High yield bonds	4.2%
TIPS	2.3%
Convertibles	6.4%
REITS	6.9%
Real estate	6.4%
Infrastructure	5.6%

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Discount Rate (Pension Plan Reporting)

The discount rate of 7.35% was used to measure the total pension liability. This single discount rate was based on the expected rate of return on pension plan investments of 7.35%. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Changes in the Net Pension Liability (Pension Plan Reporting)

The following table shows the changes in the Net Pension Liability based on the actuarial information provided to the Police Officers' Pension Fund. GASB Statement No. 67 Disclosures for Fiscal Year Ending September 30, 2022.

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (a) - (b)

Sensitivity of the Net Pension Liability to Changes in the Discount Rate (Pension Plan Reporting)

Regarding the sensitivity of the net pension liability to changes in the single discount rate, the following presents the plan's net pension liability, calculated using a single discount rate of 7.35%, as well as what the plan's net pension liability would be if it were calculated using a single discount rate that is 1-percentage-point lower (6.35%) or 1-percentage-point higher (8.35%) than the current rate:

	1% Decrease 6.35%	Current Discount Rate 7.35%	1% Increase 8.35%
City's Net Pension Liability	\$ 36,285,933	\$ 23,097,862	\$ 12,296,190

Net Pension Liability (Employer Reporting)

The net pension liability of the retirement system recorded in the City's Financial Statements for the Police Officers' Pension Fund as of September 30, 2022 is based on an actuarial valuation date of October 1, 2021 rolled forward to a measurement date of September 30, 2022. The following table illustrates the Net Pension Liability under GASB 68, which is effective for September 30, 2017 fiscal year and later:

	Fiscal Year Ending September 30, 2022
Total Pension Liability	\$ 103,009,458
Plan Fiduciary Net Position	(79,911,596)
City's Net Pension Liability	<u>\$ 23,097,862</u>

Plan Fiduciary Net Positions as a percentage of Total Pension Liability 77.58%

The actuarial assumptions, long-term expected rate of return on pension plan investments, and the discount rate used to measure the total pension liability are the same as those used for the pension plan reporting discussed earlier in this note.

Pension Expense and Deferred Outflows/Inflows of Resources Under GASB Statement No. 68

For the year ended September 30, 2022, the City recognized pension expense of \$4,202,733. The following table illustrates the deferred inflows and outflows at the end of fiscal year under GASB Statement No. 68:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ -	2,035,010
Changes of assumptions	268,879	357,618
Net difference between projected and actual earnings on pension plan investments	12,038,141	-
	\$ 12,307,020	2,392,628

Future Years' Recognition of Deferred Outflows/Inflows

The outcome of the deferred outflows of resources related to pensions resulting from employer and State contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2023. There were no contributions for fiscal year 2022 subsequent to September 30, 2022. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended September 30		
2023	\$	1,954,306
2024		1,525,579
2025		2,171,684

Other Employees' Pension Plans

Florida Retirement System

General Information - All of the City's non-public safety employees participate in the Florida Retirement System (FRS). As provided by Chapters 121 and 112, Florida Statutes, the FRS provides two cost sharing, multiple employer defined benefit plans administered by the Florida Department of Management Services, Division of Retirement, including the FRS Pension Plan ("Pension Plan") and the Retiree Health Insurance Subsidy ("HIS Plan"). Under Section 121.4501, Florida Statutes, the FRS also provides a defined contribution plan ("Investment Plan") alternative to the FRS Pension Plan, which is administered by the State Board of Administration ("SBA"). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university, community college, or a participating city or special district within the State of Florida. The FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefits are established by Chapter 121, Florida Statutes, and Chapter 60S, Florida Administrative Code. Amendments to the law can be made only by an act of the Florida State Legislature.

The State of Florida annually issues a publicly available financial report that includes financial statements and required supplementary information for the FRS. The latest available report may be obtained by writing to the State of Florida Division of Retirement, Department of Management Services, P.O. Box 9000, Tallahassee, Florida 32315-9000, or from the Web site:

www.dms.myflorida.com/workforce_operations/retirement/publications.

Pension Plan

Plan Description – The Pension Plan is a cost-sharing multiple-employer defined benefit pension plan, with a Deferred Retirement Option Program ("DROP") for eligible employees.

Benefits Provided - Benefits under the Pension Plan are computed on the basis of age, average final compensation, and service credit. For Pension Plan members enrolled before July 1, 2011, Regular class members who retire at or after age 62 with at least six years of credited service or 30 years of service regardless of age are entitled to a retirement benefit payable monthly for life, equal to 1.6% of their final average compensation based on the five highest years of salary, for each year of credited service. Vested members with less than 30 years of service may retire before age 62 and receive reduced retirement benefits. Special Risk Administrative Support class members who retire at or after age 55 with at least six years of credited service or 25 years of service regardless of age are entitled to a retirement benefit payable monthly for life, equal to 1.6% of their final average compensation based on the five highest years of salary, for each year of credited service. Special Risk class members (sworn law enforcement officers, firefighters, and correctional officers) who retire at or after age 55 with at least six years of credited service, or with 25 years of service regardless of age, are entitled to a retirement benefit payable monthly for life, equal to 3.0% of their final average compensation based on the five highest years of salary for each year of credited service. Senior Management Service class members who retire at or after age 62 with at least six years of credited service or 30 years of service regardless of age are entitled to a retirement benefit payable monthly for life, equal to 2.0% of their final average compensation based on the five highest years of salary for each year of credited service. Elected Officers' class members who retire at or after age 62 with at least six years of credited service or 30 years of service regardless of age are entitled to a retirement benefit payable monthly for life, equal to 3.0% (3.33% for judges and justices) of their final average compensation based on the five highest years of salary for each year of credited service.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

For Plan members enrolled on or after July 1, 2011, the vesting requirement is extended to eight years of credited service for all these members and increasing normal retirement to age 65 or 33 years of service regardless of age for Regular, Senior Management Service, and Elected Officers' class members, and to age 60 or 30 years of service regardless of age for Special Risk and Special Risk Administrative Support class members. Also, the final average compensation for all these members will be based on the eight highest years of salary.

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the Pension Plan before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is three percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of three percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by three percent. Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

In addition to the above benefits, the DROP program allows eligible members to defer receipt of monthly retirement benefit payments while continuing employment with a FRS employer for a period not to exceed 60 months after electing to participate. Deferred monthly benefits are held in the FRS Trust Fund and accrue interest. There are no required contributions by DROP participants.

Contributions – Effective July 1, 2011, all enrolled members of the FRS, other than DROP participants, are required to contribute three percent of their salary to the FRS. In addition to member contributions, governmental employers are required to make contributions to the FRS based on state-wide contribution rates established by the Florida Legislature. These rates are updated as of July 1, of each year. The employer contribution rates by job class for the periods from October 1, 2021 through June 30, 2022 and from July 1, 2022 through September 30, 2022, respectively, were as follows: Regular—10.82% and 11.91%; Special Risk Regular Support—25.89% and 27.83%; Senior Management Service—29.01% and 31.57%; Elected Officers'—51.42% and 57.00%; and DROP participants—18.34% and 18.60%. These contribution rates include 1.66% HIS Plan subsidy contributions for the same periods.

The City's contributions, including employee contributions, to the Pension Plan totaled \$1,666,898 for the fiscal year ended September 30, 2022.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions – At September 30, 2022, the City reported a liability of \$14,534,649 for its proportionate share of the Pension Plan's net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022. At June 30, 2022, the City's proportionate share was .039063199% which was an increase of .000147925% from its proportionate share measured as of June 30, 2021.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

For the fiscal year ended September 30, 2022, the City recognized pension expense of \$2,173,106. In addition the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 690,312	-
Changes of assumptions	1,790,003	-
Net difference between projected and actual earnings on pension plan investments	959,721	-
Changes in proportion and differences between City Pension Plan contributions and proportionate share of contributions	650,255	68,996
City Pension Plan contributions subsequent to the measurement date	439,927	-
	<u>\$ 4,530,218</u>	<u>68,996</u>

The deferred outflows of resources related to the Pension Plan, totaling \$439,927 resulting from City contributions to the Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2023. Other amounts reported as deferred outflows and deferred inflows of resources related to the Pension Plan will be recognized in pension expense as follows:

Year Ended September 30	
2023	\$ 972,487
2024	366,965
2025	(328,413)
2026	2,857,456
2027	152,800
Thereafter	-
	<u>\$ 4,021,295</u>

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Actuarial Assumptions – The measurement date was June 30, 2022 and the valuation date was July 1, 2022. The total pension liability in the July 1, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40%
Salary increase	3.25% average, including inflation
Investment rate of return	6.70%, net of pension plan investment expense, including inflation
Mortality rates were based on the PUB-2010 base table, projected generationally with Scale MP-2018	

The actuarial assumptions used in the July 1, 2022, valuation were based on the results of an actuarial experience study for the period July 1, 2013 through June 30, 2018. The investment rate of return was decreased from 6.80% to 6.70%. The maximum amortization period was decreased to 20 years for all current and future amortization bases.

The long-term expected rate of return on Pension Plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy’s description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

Asset Class	Target Allocation (1)	Annual Arithmetic Return
Cash	1.00%	2.60%
Fixed income	19.80%	4.40%
Global equity	54.00%	8.80%
Real estate	10.30%	7.40%
Private equity	11.10%	12.00%
Strategic investments	3.80%	6.20%
Total	100.00%	

(1) As outlined in the Pension Plan's investment policy

Discount Rate - The discount rate used to measure the total pension liability was 6.70%. The Pension Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculation the total pension liability is equal to the long-term expected rate of return.

Sensitivity of the City’s Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following represents the City’s proportionate share of the net pension liability calculated using the discount rate of 6.70%, as well as what the City’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (5.70%) or one percentage point higher (7.70%) than the current rate:

	1% Decrease (5.70%)	Current Discount Rate (6.70%)	1% Increase (7.70%)
City's proportionate share of net pension liability	\$ 25,136,676	14,534,649	5,670,093

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Pension Plan Fiduciary Net Position - Detailed information regarding the Pension Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan - At September 30, 2022, the City had no payable for outstanding contributions to the FRS Pension Plan required for the fiscal year ended September 30, 2022.

Health Insurance Subsidy (HIS) Plan

Plan Description – The HIS Plan is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida legislature at any time. The benefit is a monthly payment to assist retirees of State-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement.

Benefits Provided – For the fiscal year ended September 30, 2022, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month. To be eligible to receive these benefits, a retiree under a State-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions – The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended September 30, 2022, the HIS contribution for the period October 1, 2021 through June 30, 2022 and from July 1, 2022 through September 30, 2022 was 1.66%. The City contributed 100% of its statutorily required contributions for the current and preceding three years. HIS Plan contribution are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled.

The City's contributions to the HIS Plan totaled \$269,215 for the fiscal year ended September 30, 2022.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions – At September 30, 2022, the City reported a liability of \$4,712,434 for its proportionate share of the HIS Plan's net pension liability. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2021 and update procedures were used to determine liabilities as of July 1, 2022. At June 30, 2022, the City's proportionate share was .044492198%, which was a decrease of .000334132% from its proportionate share measured as of June 30, 2021.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

For the fiscal year ended September 30, 2021, the City recognized pension expense of \$270,957. In addition, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 143,034	20,735
Changes of assumptions	270,120	729,011
Net difference between projected and actual earnings on pension plan investments	6,823	-
Contributions and proportionate share of contributions	171,805	72,434
City Pension Plan contributions subsequent to the measurement date	66,201	-
	\$ 657,983	822,180

The deferred outflows of resources related to the HIS Plan, totaling \$66,201 resulting from City contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the HIS Plan will be recognized in pension expense as follows:

Year Ended September 30	Amount
2023	\$ (55,176)
2024	(29,754)
2025	(13,604)
2026	(30,113)
2027	(69,896)
Thereafter	(31,855)
	\$ (230,398)

Actuarial Assumptions – The measurement date was June 30, 2022 and the valuation date was July 1, 2022. The total pension liability in the July 1, 2022, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40 %
Salary increases	3.25%, average, including inflation
Municipal bond rate	3.54 %

Mortality rates were based on the Generational Pub-2010 with Projection Scale MP-2018.

The actuarial assumptions used in the July 1, 2022, valuation were based on certain results of the most recent experience study for the FRS Pension Plan.

Changes in Actuarial Assumptions

- The demographic assumptions for the Special Risk class were updated to reflect plan changes due to HB5007, HB689, and SB838.
- The election assumption for the vested terminated members was updated from 20% to 50% to reflect recent experience.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

- The municipal bond rate used to determine total pension liability was increased from 2.16% to 3.54%.

Discount Rate

The discount rate used to measure the total pension liability was 3.54%, which increased from 2.16%. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the HIS Plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the City’s Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following represents the City’s proportionate share of the net pension liability calculated using the discount rate of 3.54%, as well as what the City’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (2.54%) or one percentage point higher (4.54%) than the current rate:

	1% Decrease (2.54%)	Current Discount Rate (3.54%)	1% Increase (4.54%)
City's proportionate share of net pension liability	\$ 5,391,412	4,712,434	4,150,595

Pension Plan – Fiduciary Net Position Detailed information regarding the HIS Plan’s fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan – At September 30, 2022, the City had no payable for outstanding contributions to the HIS Plan required for the fiscal year ended September 30, 2022.

NOTE K – POST EMPLOYMENT BENEFITS OTHER THAN PENSIONS (OPEB)

Plan Description: Pursuant to the provision of Section 112.0801, Florida Statutes, retired police officers, firefighters and general employees, as well as their dependents, are permitted to remain covered under the City’s medical plans as long as they pay the premium, not exceeding the rate developed by blending the claims experience of all plan members for the plan and coverage elected.

The City subsidizes the premium rates paid by the retirees by allowing them to participate in the plan at the blended group (implicitly subsidized) premium rates for both active and retired employees. These rates provide an implicit subsidy for retirees because, on an actuarial basis, their current and future claims are expected to result in higher costs to the plan on average than those of active employees.

The Plan does not issue a separate financial report.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Summary of Membership Information:

The following table provides a summary of the number of participants in the plan as of September 30, 2022 (the latest valuation date):

Inactive plan members or beneficiaries currently receiving benefits	162
Inactive plan members entitled to but not yet receiving benefits	-
Active plan members	<u>443</u>
Total plan members	605

Funding Policy: Currently, the City’s OPEB benefits are unfunded. There is no separate trust fund or equivalent arrangement into which the City would make contributions to advance-fund the obligation as it does for its pension plans. Therefore, the ultimate subsidies which are provided over time are financed directly by general assets of the City, which are invested in short-term fixed income instruments according to its current investment policy.

Effective October 1, 2010 the City made the following changes to the policy: (1) added the mandate that Medicare-eligible retirees must sign up for both Medicare Parts A and B, which increased the assumption that Medicare would cover 35% of eligible costs to 60% of all costs incurred by retirees age 65 and older including, but not limited to medical claim costs, prescriptions claim costs, administrative fees, and reinsurance premiums; and (2) trend rates for premium increases applicable to contributions paid by retirees eligible for discounted coverage increased from no (0%) retiree health care cost increases throughout the projection period to an 8% increase for the year beginning October 1, 2010 and matching the rates of assumed cost increases thereafter. In August 2012, additional policy changes were made; retired employees will now need 20 years of service with the City to be eligible for an insurance subsidy. The subsidy is limited to the employee only.

Part of the City’s periodic contribution to the Florida Retirement System (FRS) on behalf of its general employees is a contribution toward the Health Insurance Subsidy (HIS) managed by FRS. Currently, HIS provides eligible employees with a lifetime benefit equal to \$5 per month per year of service (up to a maximum of \$150 per month) after they retire to be used toward the payment of any insurance-related premiums.

The State of Florida is treating the HIS program as a Cost-Sharing Multiple-Employer defined benefit pension plan like FRS, rather than being classified as an Agent Multiple-Employer defined benefit OPEB plan. See Note J for details related to this plan.

Total OPEB Liability

The City's total OPEB liability of \$24,060,790 was determined by an actuarial valuation as follows:

Valuation Date	September 30, 2020
Measurement Date	September 30, 2022
Roll Forward Disclosure	The total OPEB liability was rolled forward from the September 30, 2020 valuation date to the September 30, 2022 measurement date using standard actuarial techniques.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Methods and Assumptions Used to Determine Total OPEB Liability:

Actuarial Cost Method	Entry Age Normal
Normal Inflation	2.25%
Discount Rate	4.40%
Salary Increases	
General Employees:	Salary increase rates used for Regular Class members in the July 1, 2020 actuarial valuation of the Florida Retirement System; 3.4% - 7.8%, including inflation.
Police and Fire:	Salary increase rates based on those used in the respective October 1, 2020 actuarial valuations of the City's pension plans.
Retirement Age	Experience-based table of rates that are specific to the type of eligibility condition and employment class.
Mortality	Mortality rates are the same as used in the July 1, 2020 actuarial valuation of the Florida Retirement System for non-K-12 Instructional Regular Class and Special Risk Class members. These rates were taken from adjusted Pub-2010 mortality tables published by the Society of Actuaries with generational mortality improvements using Scale MP-2018. Adjustments to referenced tables are based on the results of a statewide experience study covering the period 2013 through 2018.
Healthcare Cost Trend Rates	Based on the Getzen Model, with trend rates starting at 6.25% for per capita costs and 0% for premiums (to reflect actual premiums) for the year beginning in 2021, followed by 6.00% for the year beginning in 2022 and gradually decreasing to an ultimate trend rate of 3.99%.
Aging factors	Based on the 2013 SOA Study "Health Care Costs - From Birth to Death".
Expenses	Administrative expenses are included in the per capita health costs.

Other Information:

The discount rate was changed from 2.19% as of the beginning of the measurement period to 4.40% as of September 30, 2022 (based on the Long-Term Municipal Bond Rate).

There were no benefit changes during the year.

Since the City's plan does not have formal assets, the discount rate should equal the tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating as of the measurement date. For the purpose of this actuarial roll-forward, the municipal bond rate is 4.40% (based on the daily rate of Fidelity's 20-year "Municipal GO AA" index closest to but not later than the measurement date). The discount rate was 2.19% as of the beginning of the measurement year.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

Changes in the Total OPEB Liability

A. Total OPEB Liability

	2022
Service cost	\$ 1,248,438
Interest on the total OPEB liability	685,058
Changes of benefit terms	-
Difference between expected and actual experience of the total OPEB liability	-
Changes of assumptions and other inputs	(7,313,062)
Benefit payments	(1,184,816)
Net change in total OPEB liability	(6,564,382)
Total OPEB Liability - Beginning	30,625,172
Total OPEB Liability - Ending	\$ 24,060,790
 B. Covered Employee Payroll	 \$ 26,261,352
C. Total OPEB Liability as a Percentage of Covered Employee Payroll	 91.62%

Regarding the sensitivity of the total OPEB liability to changes in the discount rate, the following presents the plan's total OPEB liability, calculated using a discount rate of 4.40%, as well as what the plan's total OPEB liability would be if it were calculated using a discount rate that is one percent lower or one percent higher:

Sensitivity of Total OPEB Liability to the Discount Rate Assumption

	Current Discount	
1% Decrease	Rate Assumption	1% Increase
3.40%	4.40%	5.40%
\$ 27,000,178	\$ 24,060,790	\$ 21,597,872

Regarding the sensitivity of the total OPEB liability to changes in the healthcare cost trend rates, the following presents the plan's total OPEB liability, calculated using the assumed trend rates as well as what the plan's total OPEB liability would be if it were calculated using a trend rate that is one percent lower or one percent higher:

Sensitivity of Total OPEB Liability to the Healthcare Cost Trend Rate Assumption

	Current Healthcare	
1% Decrease	Trend Rate Assumption	1% Increase
	Cost	
\$ 21,916,421	\$ 24,060,790	\$ 26,677,724

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

For the year ended September 30, 2022, the City recognized OPEB expense of \$1,591,830. At September 30, 2022, the City reported deferred outflows and deferred inflows related to OPEB as follows:

	Deferred Outflows of Resources	Deferred Inflows of Resources	Net Outflows of Resources
Difference between expected and actual experiences	\$ -	\$ 835,797	\$ (835,797)
Assumption changes	3,631,373	6,668,726	(3,037,353)
Total	\$ 3,631,373	\$ 7,504,523	\$ (3,873,150)

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense in future years as follows:

Year Ending September 30,	Net Deferred Inflows of Resources
2023	\$ (341,666)
2024	(341,666)
2025	(256,033)
2026	(466,370)
2027	(733,396)
Thereafter	(1,734,019)
Total	\$ (3,873,150)

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

NOTE L – DEFERRED COMPENSATION PLAN

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. This plan, available to all City employees, permits them to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency. The plan is classified as an other employee benefit plan.

Plan amendments have been made so that the plan is in compliance with IRC Section 457, as amended by the 1996 changes to the tax code. The assets are now held in various custodial accounts. All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, or rights are solely the property and rights of the various participants of the plan.

NOTE M – RISK MANAGEMENT AND SELF-INSURANCE PROGRAMS

Risk Management: The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the City carries commercial insurance.

Medical Self-Insurance Program: The City maintains a self-insurance program with regard to medical benefits for employees and dependents. The City contributes \$10,733 for each budgeted staff position. Dependent and retiree coverage is optional and the cost is paid by employee contributions. Risks in excess of fixed individual limits of \$225,000 annually are co-insured with an outside insurance carrier.

Workers' Compensation Self-Insurance Program: The City maintains a self-insurance program with regard to workers' compensation benefits for employees. The City pays the entire cost of the program. Risks in excess of \$350,000 annually are co-insured with an outside insurance carrier.

Both the medical self-insurance and the workers' compensation plans are accounted for through separate internal service funds. Revenues for these funds consist of amounts contributed by employees and other City funds. Both revenues and the related charges are recorded as interfund services. Accordingly, the related charges are reflected as expenditures, or expense items, in the appropriate funds.

The medical self-insurance plan is reviewed annually by an actuarial firm. The study is used to determine the basis for premiums charged to City employees' dependents (medical insurance). The City also reviews the workers' compensation program to determine the basis for premiums charged to various City departments for their workers' compensation insurance.

Estimated liabilities for claims incurred but not reported are accrued based on projections from historical data.

There have been no significant reductions in insurance coverage for the current fiscal year. Settlement amounts have not exceeded insurance coverage for the current year or the three prior years.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

The self-insurance funds establish a liability for both reported and unreported events, which includes estimates of both future payments of losses and related claim adjustment expenses. The following represents the changes in approximate aggregate liabilities for the City from October 1, 2021 to September 30, 2022:

	Medical Self-Insurance	Workers' Compensation Self-Insurance
Liability balance, September 30, 2020	\$ 516,000	582,762
Claims and changes in estimates	7,131,061	774,532
Claims payments	(7,131,061)	(846,940)
Liability balance, September 30, 2021	516,000	510,354
Claims and changes in estimates	8,010,200	1,493,518
Claims payments	(8,010,200)	(1,248,410)
Liability balance, September 30, 2022	<u>\$ 516,000</u>	<u>755,462</u>
Cash available to pay claims at September 30, 2022	<u>\$ 3,906,135</u>	<u>12,506,456</u>

NOTE N – CONTINGENT LIABILITIES

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies, principally the Federal and state governments. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the City expects such amounts, if any, to be immaterial.

The City is a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, it is the opinion of the City Council that resolution of these matters will not have a materially adverse effect on the financial condition of the City.

Pursuant to City Resolution and an Interlocal Agreement, the City has covenanted with the City's blended component unit, the City of Bradenton Community Redevelopment Agency, holder of the Series 2011 Tax Increment Revenue Bonds that the City shall appropriate in its annual budget by amendment, if necessary, solely from non-ad valorem revenues lawfully available in each fiscal year, amounts which shall be sufficient to pay the debt service payments on the Series 2011 Tax Increment Revenue Bonds to the extent increment tax revenues are sufficient for such purposes. The bonds outstanding balance is \$4,220,000 as of September 30, 2022.

City of Bradenton, Florida
Notes To The Financial Statements
For The Fiscal Year Ended September 30, 2022

NOTE O – TAX ABATEMENTS

In 2011, the Community Redevelopment Agency (CRA), a blended component unit of the City, entered into a 15-year development agreement with Widewaters Bradenton, LLC (Widewaters) for the renovation and refurbishing of a 1962 historical building into a modern day hotel. The agreement reimburses Widewaters for 100% of the ad valorem property taxes of the property site for fifteen years. In years eleven through fifteen, the reimbursement is capped at the amount remitted for year ten, increased by any reduction in that amount based upon any property tax exemptions granted related to the hotel. Per the agreement, the abatement commenced in fiscal year 2018 in which the City reimbursed Widewaters 100% of its ad valorem tax in the amount of \$98,970. For fiscal year 2021, \$112,840 was abated and for fiscal year 2022, \$83,088 was abated.

In 2016 the CRA entered in to a economic development and incentives agreement with JIC Grand Palms, the developer. JIC Grand Palms intends to construct seventy-two new affordable senior housing apartments in the City of Bradenton. The CRA has agreed to pay the annual equivalent of certain taxing authority real property taxes collected on the project site. Beginning with the reassessment year and continuing for five consecutive years, the annual property tax assessment shall be the difference between the ad valorem property taxes paid by the developer for the project site during the taxable year and the ad valorem property taxes due for the project site from the taxing authorities to the CRA using the base year of 2016. The CRA will reimburse 50% of the difference for each tax year. For fiscal year 2021, the reimbursement was \$13,562 and for fiscal year 2022, the reimbursement was \$15,011.

In 2016 the CRA entered in to a funding agreement with Sunz Insurance. Sunz Insurance relocated to a six-story building within the CRA. The relocation involved the renovation and operation of the building as well as promoting economic development by providing jobs and income to the residents of the area. The city and county property taxes are to be rebated based on the increased value of building improvements over an agreed-upon period of 15 years. In fiscal year 2021, the City reimbursed Sunz Insurance \$16,521 and in fiscal year 2022, the City reimbursed Sunz Insurance \$32,908.

The tax abatement program is part of the overall revitalization and economic redevelopment of the downtown area. The tax incentive program is part of reaching the goal of attracting the types of businesses the City desires for the long-term health of the City.

Required Supplementary Information

In accordance with the Governmental Accounting Standards Board Statement Number 34, the following budgetary comparison for the General Fund, the State Housing Initiatives Partnership Program (SHIPP) Fund (a major special revenue fund), the Half Cent Infrastructure Surtax Fund (a major capital project fund) and the American Rescue Plan Act (a major capital projects fund) are required supplementary information.

REQUIRED SUPPLEMENTARY INFORMATION

Notes to the Schedule of Contributions

Valuation Date	October 1, 2020
Actuarially determined contribution rates are calculated as of October 1, two years prior to end of the fiscal year in which contributions are reported.	
Methods and assumptions used to determine contribution rates	
Funding Method	Entry Age Normal Actuarial Cost Method. The following loads are applied for determination of the Sponsor dollar funding requirement: Interest - A half year, based on the current 7.00% assumption Salary - A full year, based on the current 6.58% assumption
Amortization Method	New UAAL amortization bases are established according to the following amortization periods: Experience: 10 years; Assumption/method changes: 20 years; Benefit changes: 30 years.
Cost-of-living adjustment	Hired On or After January 13, 2016, 2.3% per year for lifetime, as defined by plan provisions. For members hired before January 13, 2016 and did not elect the new COLA structure, 3.00% per year from age 55 through age 64.
Mortality	Healthy Retiree Lives: Female: PubS.H-2010 for Healthy Retirees, set forward one year. Male: PubS.H-2010 for Healthy Retirees, set forward one year. Healthy Active Lives: Female: PubS.H for Employees, set forward one year. Male: PubS.H-2010 for Employees, set forward one year. Beneficiary Lives: Female: PubG.H-2010 for Healthy Retirees. Male: PubG.H-2010 for Healthy Retirees, set back one year. Disabled Lives: 80% PubG.H-2010 for Disabled Retirees/20% PubS.H-2010 for Disabled Retirees. All rates are projected generationally with Mortality Improvement Scale MP-2018. The previously described mortality assumption rates were mandated by Chapter 2015-157, Laws of Florida. This law mandates the use of the assumptions used on either of the two most recent valuations of the Florida Retirement System (FRS). The above rates are those outlined in Milliman's July 1, 2021 FRS valuation report for special risk employees, with appropriate adjustments made based on plan demographics.
Interest Rate	7.00% per year, compounded annually, net of investment related expenses.
Termination Rates	See table below.
Disability Rates	See table below. It is assumed that 90% of disablements and active Member deaths are service related.
Retirement Age	Earlier of 1) age 55 and the completion of 10 years of service or 2) 25 years of service, regardless of age. Also, any member who has reached retirement age is assumed to continue employment for one additional year.
Early Retirement	Any participant who has creditable service of ten years and has attained age 50, or has creditable service of 20 years, is eligible for early retirement and may elect a deferred or immediate benefit.
Projected Salary Increases	See table below.
Asset Smoothing Methodology	The Actuarial Value of Assets is brought forward using the historical four-year geometric average of Market Value Returns (net-of-fees). Over time, this may result in a de minimis bias that is above or below the Market Value of Assets.
Payroll Growth	None for purposes of amortizing the unfunded actuarial accrued liability.

Termination and Disability Rate Table	
Age	% Becoming Disabled During the Year
20	0.14%
30	0.18%
40	0.30%
50	1.00%
Credited Service	Probability of Withdrawal
0-4	3%
5+	2%

Projected Salary Increases	
Credited Service	Assumed Increase
0-3	13.5%
4	7.5%
5-24	5.5%
25+	5.0%

Actuarial Assumption Changes

For the September 30, 2021 measurement date, the investment rate of return was lowered from 7.50% to 7.00%.

For measurement date September 30, 2020, as mandated by Chapter 2015-157, Laws of Florida, the assumed rates of mortality were changed to the rates used in Milliman's July 1, 2019 FRS valuation report for special risk employees. Additionally, the investment return assumption was reduced from 7.75% to 7.5%, net of investment related expenses.

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage of Payroll, Closed
Remaining Amortization Period	30 Years
Asset Valuation Method	5-year smoothed market
Inflation	2.50%
Salary Increases	6.7% to 9.1% depending on service, including inflation
Investment Rate of Return	7.35%
COLA Rate Assumption	1.25%
Payroll Growth Assumption	4.0%, For financing the unfunded liabilities, the payroll growth may not exceed the average payroll growth rate over the last 10 years. At the Valuation Date, this average was 1.45%.
Retirement Age	Experienced-based table of rates that are specific to the type of eligibility condition
Mortality	The same versions of PUB-2010 Headcount-Weighted Mortality Tables as used by the Florida Retirement System (FRS) for Special Risk Class members in their July 1, 2019 actuarial valuation (with mortality improvements projected for healthy lives to all future years after 2010 using Scale MP-2018). Florida Statutes Chapter 112.63(1)(f) mandates the use of mortality tables from one of the two most recently published FRS actuarial valuation reports.

Actuarial Assumption Changes

Effective October 1, 2021, the investment return assumption was lowered from 7.45% to 7.35%.

CITY OF BRADENTON, FLORIDA
FLORIDA RETIREMENT SYSTEM

NOTES TO REQUIRED SUPPLEMENTARY INFORMATION - FRS/HIS

Actuarial Methods and Assumptions

Actuarial assumptions for both defined benefit plans (FRS and HIS) are reviewed annually by the Florida Retirement System Actuarial Assumptions Conference. The FRS Pension Plan has a valuation performed annually. This HIS Program has a valuation performed biennially that is updated for GASB reporting in the year a valuation is not performed. The most recent experience study for the FRS Pension Plan was completed for the period July 1, 2013, through June 30, 2018. Because the HIS Program is funded on a pay-as-you-go basis, no experience study has been completed for this program. The actuarial assumptions that determined the total pension liability for the HIS program were based on certain results of the most recent experience study for the FRS pension plan.

The total pension liability for the FRS and HIS plan was determined by an actuarial valuation as of July 1, 2022. Both plans used the individual entry age normal actuarial cost method. Inflation increases for both plans is assumed at 2.40%. Payroll growth for both plans is assumed at 3.25%. Both the discount rate and the long-term expected rate of return used for the FRS Pension Plan investments is 6.70%. The plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return. Because the HIS Program uses a pay-as-you-go funding structure, a municipal bond rate of 3.54% was used to determine the total pension liability for the program. Mortality assumptions for the FRS plan was based on the PUB-2010 base table, projected generationally with Scale MP-2018, and mortality assumptions for the HIS program were based on the Generational PUB-2010 with Projection Scale MP-2018.

The following changes in actuarial assumptions occurred in 2022:

- FRS: The discount rate and long-term expected rate of return, net of investment expense decreased from 6.80% to 6.70%.
- HIS: The municipal bond rate used to determine the total pension liability increased from 2.16% to 3.54%; the demographic assumptions for the Special Risk class were updated to reflect plan changes due to HB5007, HB689, and SB838; and the election assumption for vested terminated members was updated from 20% to 50% to reflect recent experience.

B. Covered Employee Payroll	\$ 26,261,352	\$ 22,955,271	\$ 29,764,717	\$ 24,800,413	\$ 27,459,360
C. Total OPEB Liability as a Percentage of Covered Employee Payroll	91.62%	133.41%	97.42%	108.48%	84.58%

Actuarial Assumption Changes

The discount rate was changed from 2.19% as of the beginning of the measurement period to 4.40% as of September 30, 2022.

Actuarial Assumption Changes made in the September 30, 2020 valuation include the following:

- Per capita costs and premiums were updated.
- The healthcare cost trend assumption was revised to reflect the removal of the additional trend to model the excise ("Cadillac") tax as a result of the repeal of the excise tax in December 2019.
- Assumed rate of inflation was revised from 2.5% to 2.25% and the healthcare cost trend assumption was revised to reflect that change.
- For Police Officers and Firefighters, mortality rates were changed to those used in the July 1, 2020 actuarial valuation of the Florida Retirement System.

For General Employees, changes in demographic assumptions developed in a statewide experience study conducted by the Florida Retirement System covering the period 2013 through 2018 and adopted for its July 1, 2020 valuation. For more information regarding these rates, refer to the July 1, 2020 actuarial valuation report of the Florida Retirement System.

Benefit Changes:

During the year ended September 30, 2022, there were no changes in benefits.

Note:

There are no assets accumulated in a trust that meets the criteria of GASB codification P22.101 or P52.101 to pay related benefits for the OPEB plan.

Combining and Individual Fund Statements and Schedules

These financial statements provide a more detailed view of the “Basic Financial Statements” presented in the preceding subsection.

Combining statements are presented when there is more than one fund of a given fund type. Individual fund statements are presented when there is only one fund of a given type. They are also necessary to present budgetary comparisons.

Financial schedules are presented to provide greater detailed information than reported in the financial statements. Schedules also present information that is spread throughout the statements that can be brought together and shown in greater detail.

Nonmajor Governmental Funds

Special Revenue Funds

Special revenue funds are used to account for the proceeds of specific revenue sources (other than special assessments) or to finance specified activities as required by law or administrative regulation.

Community Development Program

To account for the receipt, custody and expenditure of Community Development Program grant funds. These funds are restricted for exclusive use in the Community Development Block Grant program.

Central Community Redevelopment Area

The Central Community Redevelopment Area is a dependent special district created by the Community Redevelopment Act of 1969, Chapter 163 Part III, Florida Statutes, and City of Bradenton Ordinance 2628 passed by the Bradenton City Council on July 12, 2000. The Central Community Redevelopment Area provides a framework for coordinating and facilitating public and private redevelopment of the Central Community Redevelopment District and adjacent areas.

Bradenton Community Redevelopment Area

The Bradenton Community Redevelopment Area is a dependent special district created pursuant to Florida Statute 163 and City of Bradenton Ordinance 2219 passed by the Bradenton City Council on May 28, 1980.

Bradenton 14th Street Community Redevelopment Area

The Bradenton 14th Street Community Redevelopment Area is a dependent special district created pursuant to Florida Statute 163 and City of Bradenton Ordinance 2504 passed by the Bradenton City Council on November 24, 1993.

Community Redevelopment Agency Cost Allocation

To account for and reallocate certain revenue and expenditures to the appropriate Community Redevelopment Area. As of September 30, 2022, the allocation of revenues and expenses were included in the other CRA funds.

Criminal Justice Education

To account for the revenues and expenditures associated with the Criminal Justice Education Program for the Police Department. The revenues may be used for criminal justice education and training for the local government unit's officers and support personnel.

Police Explorers

To account for the revenues and expenses associated with the Police Explorers program which allows young adults to develop an awareness of the purpose, mission and objectives of law enforcement agencies.

Nonmajor Governmental Funds (Continued)

Police Federal Forfeiture

To account for federal forfeiture proceeds, which can be expended for any activity calculated to enhance future investigations, support investigations and operations that may result in further seizures and forfeitures.

State Forfeiture

To account for revenues from the sale of forfeited property and expenditures of those funds for law enforcement purposes such as crime prevention and safe neighborhoods.

Abandoned Property

To account for funds and property seized and abandoned to the City to be used for law enforcement purposes.

Twin Dolphin Marina Grant

To account for the revenues and expenditures associated with a grant provided by the Florida Boating Improvement Program for the Twin Dolphin Marina Dock C Replacement.

Miscellaneous Grants

This fund is to account for the funding for miscellaneous grants that the City receives where the revenues are restricted by grant agreements to be used on specific, approved expenditures.

Disaster

This fund is to account for the expenditures and the corresponding reimbursements from outside agencies related to the damage caused by Hurricane Irma.

Nonmajor Governmental Funds (Continued)

Debt Service Funds

Debt service funds are used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Special Obligation Series 2012

3.08% interest rate, payable in installments from approximately \$260,000 to \$2,750,000, maturing in 2027. These funds are restricted for the repayment of the debt's principal and interest.

Special Obligation Series 2016

4.00% - 5.00% interest rate, payable in installments from approximately \$455,000 to \$980,000, maturing in 2039. These funds are restricted for the repayment of the debt's principal and interest.

Capital Projects Funds

Capital projects funds are used to account for the acquisition and construction of major capital facilities other than those financed by proprietary funds and trust funds.

Road Impact Fee

To account for the receipt, custody and expenditure (including transfers) of impact fee revenue. By City ordinance, these funds shall be used exclusively for acquisitions, expansions, or capital improvements within the citywide roads impact fee district. In the event that bonds or similar debt instruments are issued for advanced provision of capital facilities for which roads impact fees may be expended, the impact fees may be used to pay debt service on such bonds or similar debt.

Nonmajor Governmental Funds (Continued)

Capital Projects Funds(Continued)

Parks and Recreational Impact Fee, West

To account for the receipt, custody and expenditure (including transfers) of impact fee revenue. By City ordinance, these funds shall be used exclusively for acquisitions, expansions, or capital improvements within the Parks and Recreation Impact Fee West District. In the event that bonds or similar debt instruments are issued for advanced provision of capital facilities for which parks and recreation impact fees may be expended, the fees may be used to pay debt service on such bonds or similar debt instruments.

Parks and Recreational Impact Fee, East

To account for the receipt, custody and expenditure (including transfers) of impact fee revenue. By City ordinance, these funds shall be used exclusively for acquisitions, expansions, or capital improvements within the Parks and Recreation Impact Fee East District. In the event that bonds or similar debt instruments are issued for advanced provision of capital facilities for which parks and recreation impact fees may be expended, the fees may be used to pay debt service on such bonds or similar debt instruments.

Public Safety Police Protection

To account for the receipt, custody and expenditure (including transfers) of impact fee revenue. By City ordinance, the funds collected from public safety impact fees shall be solely for the purpose of acquiring, equipping, and/or making capital improvements to public safety facilities under the jurisdiction of the City. In the event bonds or similar debt instruments are issued for advance provision of capital facilities for which public safety impact fees may be expended, the fees may be used to pay debt service on such bonds or similar debt.

Public Safety Fire Protection

To account for the receipt, custody and expenditure (including transfers) of impact fee revenue. By City ordinance, the funds collected from public safety impact fees shall be solely for the purpose of acquiring, equipping, and/or making capital improvements to public safety facilities under the jurisdiction of the City. In the event bonds or similar debt instruments are issued for advance provision of capital facilities for which public safety impact fees may be expended, the fees may be used to pay debt service on such bonds or similar debt.

General Projects

To account for general City construction projects that are financed by general government resources. These funds are committed for capital improvement projects within the City.

Pirate City Capital Reserve

A reserve fund designated for future capital repairs and maintenance for the Pittsburgh Pirates' spring training complex.

Internal Service Funds

Internal service funds account for the cost of operating certain facilities used by other City departments. The costs are billed to other departments based on the cost of providing units of service.

Medical Self-Insurance Program

To account for the receipt, custody and expense of medical self-insurance program funds.

Workers' Compensation Self-Insurance Program

To account for the receipt, custody and expense of workers' compensation self-insurance program funds.

Property Insurance

To account for insurance of properties for all City departments.

Fiduciary Funds

Trust Funds

Trust funds are used to account for assets held by the government in a trustee capacity. They are accounted for in essentially the same manner as enterprise funds since capital maintenance is critical.

Pension Trust Funds

Firefighters' Pension Fund

To account for the financial operation and condition of the firefighters' pension fund.

Police Officers' Pension Fund

To account for the financial operation and condition of the police officers' pension fund.

Statistical Section

This part of the City of Bradenton’s Annual Comprehensive Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City’s overall financial health.

Contents	Page
Financial Trends.....	174
<i>These schedules contain trend information to help the reader understand how the City’s financial performance and well-being have changed over time.</i>	
Revenue Capacity	179
<i>These schedules contain information to help the reader assess the City’s most significant local revenue source, the property tax.</i>	
Debt Capacity	185
<i>These schedules present information to help the reader assess the affordability of the City’s current levels of outstanding debt, and the City’s ability to issue additional debt in the future.</i>	
Demographic and Economic Information	191
<i>These schedules offer demographic and economic indicators to help the reader understand the environment within which the City’s financial activities take place.</i>	
Operating Information	193
<i>These schedules contain service and infrastructure data to help the reader understand how the information in the City’s financial report relates to the services the City provides and the activities it performs.</i>	

Source

Unless otherwise noted, the information in these schedules is derived from the City of Bradenton’s Annual Comprehensive Financial Reports for the relevant year(s).

Note: Property tax levies, based on assessed values as of January 1, become due and payable on November 1 of each year. A 4% discount is allowed, if the taxes are paid in November; the discount declines by 1% each month thereafter. Accordingly, taxes collected will never be 100% of the tax levy. Taxes become delinquent on April 1 of each year and tax certificates for the full amount of any unpaid taxes and assessments must be sold not later than June 1 of each year.

Total direct and overlapping debt			<u>\$ 101,319,271</u>

Source: Manatee County Government

Notes: ⁽¹⁾The percentage of Overlapping Debt Applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of the County's taxable assessed value that is within the City's boundaries and dividing it by the County's total taxable value.

Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the City. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of the City. This process recognizes that, when considering the City's ability to issue and repay long-term debt, the entire burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Honorable Mayor and Members of the City Council
City of Bradenton, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Bradenton, Florida (City), as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated March 16, 2023. Our report includes a reference to other auditors who audited the financial statements of the City of Bradenton Firefighters' Retirement System, as described in our report on the City's financial statements. This report does not include the results of the other auditor's testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM
AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE
UNIFORM GUIDANCE AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

To the Honorable Mayor and Members of the City Council
City of Bradenton, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited the City of Bradenton, Florida's (City) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* and the Department of Financial Services' *State Projects Compliance Supplement* that could have a direct and material effect on each of the City's major federal programs and state projects for the year ended September 30, 2022. The City's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General. Our responsibilities under those standards, the Uniform Guidance and Chapter 10.550, Rules of the Auditor General are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the City's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the City's federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.550, Rules of the Auditor General will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

Note A - Basis of Presentation

The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Audits*. Some amounts presented in this schedule may differ from amounts presented in, or used in the presentation of, the basic financial statements. The City elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

Note B - Contingencies

Grant monies received and distributed by the City are for specific purposes and are subject to review by the grantor agencies. Such agencies may result in requests for reimbursement due to disallowed expenditures. Based on prior experience, the City does not believe that such allowances, if any, would have a material effect on the financial statements of the City. As of March 16, 2023 there were no material questioned or disallowed costs as a result of grant audits in process or completed.

MANAGEMENT LETTER

To the Honorable Mayor and Members of the City Council
City of Bradenton, Florida

Report on the Financial Statements

We have audited the financial statements of the City of Bradenton, Florida (City) as of and for the fiscal year ended September 30, 2022, and have issued our report thereon dated March 16, 2023. We did not audit the financial statements of the City of Bradenton Firefighters' Retirement System; those financial statements were audited by other auditors.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditor's Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance; Schedule of Findings and Questioned Costs; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated March 16, 2023, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This information is disclosed in the notes to the financial statements.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the City met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the City. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c., Rules of the Auditor General, requires, if appropriate, that we communicate the failure of a special district that is a component unit of a county, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Specific Information for a Dependent Special District

Information required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General is reported in the City of Bradenton Community Redevelopment Agency's audit report.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Mayor, the City Council and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

To the Honorable Mayor and Members of the City Council
City of Bradenton, Florida

We have examined the City of Bradenton, Florida's (City's) compliance with Section 218.415, Florida Statutes, regarding the investment of public funds during the year ended September 30, 2022. Management of the City is responsible for the City's compliance with the specified requirements. Our responsibility is to express an opinion on the City's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the City complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the City complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the City's compliance with specified requirements.

In our opinion, the City complied in all material respects, with Section 218.415, Florida Statutes, regarding the investment of public funds for the year ended September 30, 2022.

This report is intended solely for the information and use of the City and the Auditor General of the State of Florida, and is not intended to be and should not be used by anyone other than these specified parties.

Dear Mr. Cory,

The City of Clearwater is pleased to submit this Annual Report to the Florida Department of Economic Opportunity, related to Spring Training activities pursuant to the 2003 funding agreement between the City and the FDEO.

In accordance with the reporting requirements of Section 288.11621, F.S. as outlined in that agreement, I am certifying by this letter that the information contained in this Annual Report is true and correct.

Please do not hesitate to contact us if you have any questions or need additional information.

The City of Clearwater appreciates your assistance in the retention of our Spring Training franchise.

Sincerely,

Reynold Choo

Controller, City of Clearwater (Parks & Recreation)

SPORTS FACILITY USE AGREEMENT

THIS SPORTS FACILITY USE AGREEMENT (the "Agreement") is made and entered into as of December 31, 2000, by and among THE CITY OF CLEARWATER, FLORIDA, a municipal corporation ("City") and THE PHILLIES, a Pennsylvania limited partnership ("The Phillies").

1. Recitals.

Unless otherwise defined herein, capitalized terms used in this Section 1 shall have the meaning ascribed to them in Section 2 of this Agreement.

1.1 Club. The Phillies owns the Philadelphia franchise for a MLB club in the National League of Professional Baseball Clubs.

1.2 Economic and Industrial Development. The City may in accordance with applicable Florida law engage in economic and industrial development activities (such as those contemplated by this Agreement) which improve the condition of the residents and businesses of the City, which contribute to the overall economic condition of the City as a whole, and which may provide jobs for residents of the City as well as providing recreational and entertainment activities for the use and enjoyment of the residents of the City.

1.3 Intergovernmental Agreement. The City and The Phillies believe that conducting The Phillies' MLB Spring Training Season games in Clearwater will create significant economic, recreational, cultural and other benefits to Clearwater and to Pinellas County. For the foregoing reasons, the City is concurrently herewith entering into an intergovernmental agreement with Pinellas

County for funding of a portion of the costs of the development of the Sports Facility as contemplated by the SFDA. In addition, the City has represented to The Phillies and The Phillies acknowledge that the City has represented to it that the City is unable to finance the public sector costs of the Sports Facility but for the assistance and cooperation of and providing of funds by other Public bodies.

1.4 Spring Training Season. The Phillies is willing to conduct its home Spring Training Season activities at the Sports Facility, on the terms set forth in this Agreement.

1.5 Public Interest. The City finds that this Agreement is in the public interest and that the public funds are to be expended for a public purpose.

2. Definitions.

The following terms shall have the meanings ascribed to them as follows:

2.1 "Affiliate" or "Affiliated" of any Person (the "Subject Person") means any other Person who (i) controls, is directly or indirectly controlled by, or is under common control with, the Subject Person; or (ii) is a general partner, officer or director of the Subject Person or of any Person described in clause (i) above.

2.2 "Civic Event" means an event (which may, but need not, be a Revenue Event) held at the Sports Facility which is for charitable, community or civic purposes, the net ticket revenues from which, if any, may be distributed only to a charitable, community or civic organization.

2.3 "Claim" shall have the meaning set forth in Section 13.3.

2.4 "Club" means the MLB franchise owned by The Phillies, or successors thereto.

2.5 "Commercial Space" means the space and facilities in the Sports Facility that are described as such in the Scope of Work.

2.6 "Consulting Engineer" means a qualified consulting engineer mutually selected and equally paid by the parties, as provided in Section 9.2 hereof.

2.7 "CPI Index" means the Consumer Price Index for Urban Wage Earners and Clerical Workers specified for "All Items" for Tampa, St. Petersburg and Clearwater, Florida published by the Bureau of Labor Statistics of the United States Department of Labor (1982 - 84 =100). If the method by which such index is calculated is hereafter substantially changed, appropriate adjustments will be made by the parties to produce results approximating as nearly as possible the results which would have been obtained absent such change. A change in the base year shall be deemed such a substantial change. If the index is no longer published or otherwise becomes unavailable to the public, a reasonable substitute index shall be mutually agreed upon by the City and The Phillies.

2.8 "CPI Adjustment" shall have the meaning set forth in Section 6.1.

2.9 "Concession Facilities" means these portions of the Sports Facility (other than the Commercial Space), used for the preparation, storage, display and sale of food, beverages, merchandise and other products at events.

2.10 "Default" shall have the meaning set forth in Section 17.1.

2.11 "Defaulting Party" shall have the meaning set forth in Section 17.1.

2.12 "Default Rate" means an annual rate of interest equal to the prime rate of interest charged from time to time by Citibank (or some other bank agreed upon by the parties) plus one and one-half percent but in no event greater than the amount permitted by Chapter 218, Part VII, Florida Statutes. As used in the preceding sentence, the "prime rate of interest charged from time to time by Citibank shall mean the rate of interest announced from time to time by Citibank for loans to its commercial customers with the highest credit rating.

2.13 "Disaster Staging Uses" shall have the meaning set forth in Section 5.5.

2.14 "Environmental Laws" means any and all currently existing or subsequently enacted or effective federal, state, and local laws, statutes, codes, rules, regulations, ordinances, orders, standards, permits, licenses and requirements (including, but not limited to, consent decrees, judicial decisions and administrative orders) and any amendments, implementing regulations and reauthorizations thereto in effect during the Term regulating, dealing with, pertaining to or imposing liability or standards of conduct concerning the use, exposure, generation, manufacture, transportation, treatment, storage, disposal, emission, release, discharge, remediation or abatement of hazardous substances, or the preservation, conservation or regulation of the environment.

2.15 "Event" means a Phillies Event, a Partnership Event or a Civic Event.

2.16 "Expedited ADR" means the Expedited Alternative Dispute Resolution procedures attached to this Agreement as Exhibit A.

2.17 "Fields" means collectively the three baseball playing fields within the Sports Facility.

2.18 "Force Majeure" shall have the meaning set forth in Section 19.4.

2.19 "Grapefruit League" means the collection of MLB clubs that conduct their spring training operations in the State of Florida and who play exhibition games among each other during the spring training season, which collection is commonly known and referred to as the Grapefruit League.

2.20 "Home Game" means every regularly scheduled Grapefruit League exhibition game to be played between the Club and a MLB team during the Spring Training Season of each year during the Term (exclusive of so-called "B games"), including split-squad games, as to which the Club is designated as the home team. (For this purpose, the term "B game" shall mean the one game

of two, that are played by The Phillies on the same day for which no admission is charged and which may be played either at the Stadium or at another location, such as the Carpenter Complex.

2.21 "Improvements" means the Stadium, and all other improvements to real property now or hereafter located on the Site, including, without limitation, all improvements described in the Scope of Work and the Site Plan.

2.22 "Legal Requirements" means all federal, state, county, municipal and other governmental laws (including applicable constitutions), ordinances, codes, rules, regulations, statutes and orders (including court and administrative agency orders), all covenants and restrictions of record and the requirements of all fire insurance underwriters or rating bureaus, applicable to the Sports Facility.

2.23 "Luxury Suites" means the private suites identified as such on the Scope of Work.

2.24 "Minor League Affiliate" means any minor league team which has a player development agreement with or is an Affiliate of The Phillies.

2.25 "MLB" means Major League Baseball or any successor or substitute association or other entity which engages in professional baseball competition comparable to Major League Baseball, of which The Phillies is or becomes a member.

2.26 "MLB Agreements" means the following governing documents and agreements, as they may be amended from time to time: the Major League Constitution, the Major League Rules, the Major League Agreement, the Major League Central Fund Agreement, the collective bargaining agreement between the MLB and the MLB Players Association, the directives, rules and bulletins from the National League of Professional Baseball Clubs and/or the Office of the Commissioner of MLB and the Professional Baseball Leagues Agreement and any future MLB instruments or

requirements which may govern The Phillies and/or with respect to which The Phillies is required to comply.

2.27 "Non-Defaulting Party" shall have the meaning set forth in Section 17.1.

2.28 "Office Space" means the space in the Sports Facility provided to The Phillies for office purposes, as shown in the Scope of Work.

2.29 "Offset Amount" means for each calendar year during the Term the sum of (i) all reimbursements by The Phillies' relating to field maintenance supplies, as contemplated by Section 9.1; (ii) The Phillies Utilities Share; and (iii) all Sports Facility operating and maintenance labor costs paid by The Phillies.

2.30 "Partnership Event" shall have the meaning set forth in Section 5.4.

2.31 "Person" means any individual, trust, estate, partnership, joint venture, company, corporation, association, limited liability company, governmental authority or entity or any other legal entity or business or investment enterprise.

2.32 "Phillies Event" means an Event conducted by or for The Phillies at the Sports Facility, including without limitation MLB and Minor League baseball games, but excluding Partnership Events and Civic Events.

2.33 "Phillies Exclusive Use Areas" means the Office Space and any other spaces (such as the weight training rooms) identified as such in the Scope of Work.

2.34 "Phillies Maintenance Obligations" shall have the meaning set forth in Section 9.1.

2.35 "Phillies Possessory Tax Share" shall have the meaning set forth in Section 11.1.

2.36 "Phillies Users" shall have the meaning set forth in Section 5.

2.37 "Phillies Utilities Share" shall have the meaning set forth in Section 8.2.

2.38 "Public Uses" shall have the meaning set forth in Section 5.2.

2.39 "Revenue Event" means any use of the Sports Facility for concerts, plays, pageants or other revenue producing events unrelated to MLB or minor league baseball, for which a paid admission is required to attend.

2.40 "Satisfaction Date" shall have the meaning set forth in Section 20.3.

2.41 "Scope of Work" means the schematic drawings and program narrative set forth in an Exhibit to the SFDA.

2.42 "SFDA" means the Sports Facility Development Agreement to be entered into between the City and The Phillies, pursuant to which The Phillies will construct the Sports Facility on the Site on behalf of the City.

2.43 "Site" means the land area described in the Site Plan.

2.44 "Site Plan" shall mean the Exhibit to the SFDA designated as the Site Plan.

2.45 "Sports Facility" means the Site and all Improvements now or hereafter located on it as described in the Scope of Work and the Site Plan and all personal property used in connection therewith other than personal property owned by The Phillies.

2.46 "Sports Facility Manager" shall mean City's Park & Recreation Director or his or her designee.

2.47 "Spring Training Season" shall mean the period in each calendar year in which spring training activities are customarily conducted for MLB teams, which period currently commences on or about February 15 of each year and ends on or about March 31 of each year.

2.48 "Stadium" means the baseball stadium building located in the Sports Facility where Home Games are to be played by The Phillies, including (in addition to the stadium building itself)

the public Parking Lots adjacent to the stadium building, and all landscaped areas and other improvements to real property related to the stadium building, all as more fully described in the Scope of Work and the Site Plan.

2.49 "Term" shall have the meaning set forth in Section 3.1.

3. Term.

3.1 Initial Term. The initial term of this Agreement shall commence ("Commencement Date") on the later of (i) January 1, 2003 or (ii) the date on which the entire Sports Facility is "Complete" (as defined in the SFDA) and shall end on December 31 of the year in which occurs The Phillies' twentieth full Spring Training Season at the Sports Facility . The "Term" shall mean the initial term as such term may be extended, renewed or terminated as provided for in this Agreement.

3.2 Rights of The Phillies Prior to Commencement Date. This Agreement becomes effective as of the date hereof. Prior to the Commencement Date, The Phillies shall have all rights hereunder necessary or convenient to enable The Phillies to prepare for its operations at the Sports Facility during the Term and to the exercise of the approvals and consents granted to it hereunder and under the SFDA, including, without limitation, the right to enter onto the Sports Facility. The Phillies' rights, obligations, and duties pursuant to Section 13 shall be applicable to any such activities of The Phillies at the Sports Facility prior to the Commencement Date.

3.3 Options to Renew. The Phillies shall have, and the City hereby grants to The Phillies, the option of renewing this Agreement and of extending the initial term for an additional five-year period, on the same terms as are set forth in this Agreement. That option shall be exercisable by The Phillies by written notice to the City not less than one year prior to the then scheduled expiration of the Term; provided that the option may not be exercised at a time when The Phillies are in Default

hereunder. If The Phillies duly exercise that option and if the parties hereto shall thereafter so agree, this Agreement may be extended for three additional five-year periods, on such terms as may be contained in such future agreements to extend.

3.4 Jack Russell Stadium Lease. The lease between the City and The Phillies relating to Jack Russell Stadium, as heretofore and hereafter amended, shall, without further act or deed, end on the Commencement Date, as if the Commencement Date had been expressly fixed in that lease as the last day of the term thereof.

4. Certain Covenants of the Parties.

4.1 Ownership of Sports Facility. The City covenants and agrees that, at all times during the Term, the Sports Facility will be owned by the City, with complete and sufficient right to make use of the Sports Facility available to The Phillies on the terms and with the rights herein provided, subject only to restrictions of record as of the date hereof as reflected in the title report delivered by the City pursuant to the SFDA. This Agreement does not create or grant any real property interest or similar right, title or interest in the Sports Facility to The Phillies or any of its Affiliates.

4.2 Delivery of the Sports Facility. Subject to the timely completion of all actions required of The Phillies under the SFDA, the City covenants and agrees to make the Sports Facility available for The Phillies' use on the Commencement Date, in a new, clean and completed condition, and that the Sports Facility, in its condition as existing on the Commencement Date, shall be in full compliance with all applicable Legal Requirements then in effect, all in accordance with the SFDA.

4.3 Home Field Commitment. Subject to Force Majeure and the requirements of any MLB Agreements and so long as City is not in Default, The Phillies covenants and agrees that it shall, during the Term, utilize the Stadium as its "home field" for all Home Games; provided,

however, nothing contained herein shall limit The Phillies' right to be occasionally designated and act as home team for games at venues other than the "home field" of either participating team (recent examples of which have been games played in Las Vegas and Seattle).

4.4 Florida State League Commitment. Subject to Force Majeure and the requirements of any MLB Agreements and so long as the City is not in Default, The Phillies covenants and agrees that it will during the Term cause a Minor League Affiliate in the Florida State League to play its regularly scheduled home games at the Sports Facility during the first three full Florida State League seasons following the commencement of the Term.

4.5 Environmental Laws Indemnity. The City covenants and agrees to indemnify, defend and hold harmless The Phillies from any liabilities arising under the Environmental Laws from the use of the Sports Facility by Phillies Users as contemplated by this Agreement, except to the extent such liabilities may be caused by the wrongful or negligent act of a Phillies User.

5. Use of Sports Facility. The exclusive right to use the Sports Facility shall throughout the Term be vested solely in The Phillies and its Affiliates and its and their partners, officers, employees, licensees, franchisees, independent contractors and permittees ("Phillies Users"), subject only to the limitations and exceptions hereinafter in this Section specifically set forth.

5.1 Phillies Use. The Phillies Users may use the Sports Facility only for the following purposes:

5.1.1 For all MLB Spring Training Season operations, including without limitation playing Home Games, so-called "B games" and intra-squad games and training and player development activities.

5.1.2 For all Minor League spring training season operations, including without limitation playing home games and intra-squad games and training and player development activities.

5.1.3 For all Minor League regular season operations, including without limitation playing Florida State League and Gulf Coast League home games and intra-squad games and training and player development activities, and any Minor League playoff and championship games and Minor League all-star games.

5.1.4 For all Florida Instructional League operations, including without limitation home games and intra-squad games and training and player development activities.

5.1.5 For all MLB and Minor League "mini-camp" operations, including without limitation intra-squad games and training and player development activities.

5.1.6 For all baseball fantasy camp, youth camp, youth instructional and like activities.

5.1.7 To use the Office Space for any office uses, in the pursuit of any aspect of the business and operations of the Phillies Users whatsoever.

5.1.8 To use the Commercial Space as a restaurant/sports bar, souvenir/sporting goods store and/or other synergistic uses open to the general public.

5.1.9 For Phillies Events.

5.1.10 For Civic Events sponsored by The Phillies, alone or with the City.

5.1.11 For any other lawful purpose directly or indirectly related to any of the foregoing uses.

5.2 Public Uses. Subject to Section 5.3, City shall have the right to authorize use of the Sports Facility for these, and only these purposes (the "Public Uses"):

5.2.1 For baseball and softball games played without an admission charge by St. Petersburg Junior College, Clearwater's two public high schools and youth baseball and like organizations; provided, however, that the user shall reimburse The Phillies for the cost of The Phillies Maintenance Obligations allocated to such games played other than by St. Petersburg Junior College and Clearwater High School.

5.2.2 For any other Civic Events proposed by the City and approved by The Phillies, such approval not to be unreasonably withheld.

5.2.3 For Partnership Events, at the rate of up to twelve per calendar year during the Term.

5.2.4 For Disaster Staging Uses.

5.3 Limitations on Public Uses. The Public Uses shall be subject to the following limitations:

5.3.1 Public Uses shall be limited to those areas of the Sports Facility that are necessary and appropriate therefor in each instance and in no event shall use be made of the Phillies Exclusive Use Areas (of which The Phillies are hereby granted the exclusive right to use). Whether the Commercial Space and/or the Concession Facilities shall be operated during Events which constitute Public Uses (any such operations to be effected solely by The Phillies and/or any concessionaire of The Phillies) shall be determined by The Phillies at its discretion; provided, however, that when requested by the City in respect of any Events which constitute the Public Uses where attendance is reasonably projected to exceed 200, Concession Facilities shall be opened by

The Phillies, to the extent that The Phillies deem appropriate, based on a reasonable estimate of attendance.

5.3.2 The City shall make mutually satisfactory arrangements in advance with The Phillies, for The Phillies to provide (but at the expense of the City) appropriate staffing and operations during each Event which constitutes a Public Use, such as ticket takers, ushers, parking attendants, food and beverage preparers and servers, security and paramedical personnel.

5.3.3 Each Public Use may be scheduled only at a time that is reasonably acceptable to The Phillies, it being understood that each of the uses specified in Sections 5.1.1 through 5.1.6 inclusive shall have absolute scheduling priority over every Public Use, except Disaster Staging Uses.

5.3.4 Each Public Use (other than those provided for in Section 5.2.1 and 5.2.4) shall be subject to The Phillies' prior approval, which may be withheld by The Phillies only if in its reasonable judgment conducting the Public Use at the Sports Facility would risk damage to the playing fields or cause unreasonable wear and tear to structures or, in the reasonable judgment of The Phillies, be inconsistent with the image of MLB and The Phillies.

5.4 Partnership Events. The City shall be responsible at its expense to book, manage and conduct significant Revenue Events at the Sports Facility, at a rate of at least six but not more than twelve per calendar year throughout the Term (each, a "Partnership Event"). For purposes hereof, a "significant Revenue Event" shall mean an Event, the reasonably anticipated net revenues from which are expected to be not less than \$15,000 (in 2003 dollars, subsequently adjusted by the CPI). The Phillies shall be responsible for ticket taking, food and beverage, merchandise and broadcasting

operations only, at prices set by The Phillies subject to the City's approval, not to be unreasonably withheld.

5.5 Disaster Staging Uses. The City may, in each instance of actual or imminently threatened natural disaster, use the Sports Facility as a staging area for disaster preparations, response or other related uses ("Disaster Staging Uses"), provided that (i) there will not be any cost to The Phillies and (ii) the City will immediately restore any resulting damage to the playing field or any other element of the Sports Facility caused as a result of the Disaster Staging Use. (Any loss caused by the natural disaster, as opposed to the City's Disaster Staging Use, is governed by Section 14 hereof.) The City shall not be responsible to The Phillies for any loss of revenue or consequential damages resulting from Disaster Staging Uses, except any attributable to its failure to duly effect any such restoration and restore full use of the Sports Facility to The Phillies immediately following the end of the disaster.

6. Use Fee. From and after the Commencement Date, The Phillies shall pay, in arrears, a use fee to the City at the rate of \$70,000 per calendar year during the Term, subject to adjustment pursuant to Section 6.1 (as so adjusted, the "Use Fee") and to offset pursuant to Section 6.2. The Use Fee for each calendar year during the Term shall be payable by March 31st of the following year.

6.1 Adjustment. The Use Fee for the second and each subsequent full calendar year during the Term shall be subject to an adjustment (a "CPI Adjustment"), for any change in the CPI Index between that for December of the year prior to the first such full calendar year and that for December of the year prior to the calendar year with respect to which the calculation is being made.

6.2 Offset. The Phillies may offset against and deduct from the Use Fee payable in respect of any whole or partial calendar year during the Term, the Offset Amount attributable to that period.

7. Revenues. Except as otherwise specifically provided in this Section 7, The Phillies alone shall be entitled to retain all revenues generated on and from the Sports Facility during the Term from all sources whatsoever, including by way of illustration but not limitation, all ticket, premium seating, luxury suite, food and beverage, signage, merchandise, broadcasting, sponsorship and parking revenues and all revenues from the operation of the Commercial Space and fantasy camps.

7.1 Revenues from Partnership Events and Civic Events. All ticket, food and beverage, merchandise, parking and broadcasting revenues generated on and from the Sports Facility (excluding only revenues derived from the Luxury Suites and the Commercial Space) attributable to each Partnership Event and each Civic Event, net of the direct incremental cost to The Phillies of operating and maintaining the Sports Facility (excluding the Luxury Suites and the Commercial Space) attributable solely to such use (which shall not include administrative or overhead costs or the like or any utility charges or other costs that would have been incurred irrespective of such use) will be: (i) in the case of Partnership Events, shared equally by The Phillies and the City; and (ii) in the case of Civic Events, will be retained by The Phillies (except for any net ticket revenues, which shall be distributed by The Phillies to the appropriate charitable, community or civic organization), in each case within thirty days following the Event. The Phillies shall institute a method of accounting for the collection and calculation of the net revenues collected in respect of Partnership Events and Civic Events and shall furnish to the City appropriate accounting statements in respect of such Events, which shall be prepared in accordance with generally accepted accounting

principles. The City may, upon reasonable notice and during normal business hours, examine, inspect and copy the books and records of The Phillies pertaining to such net revenues and, at its own expense, cause an audit to be performed of such pertinent books and records.

7.2 Naming Rights. The City hereby grants to The Phillies the power and authority from time to time during the Term to assign or license to a third party the right to name (i) all (e.g. "ABC Sports Facility" or "DEF Stadium") or (ii) portions (e.g. "GHI Bullpen" or "JKL Pavilion") of the Sports Facility and to retain all net proceeds therefrom. The term "net proceeds" for this purpose means the gross proceeds from the assigning or licensing of such naming rights less any direct costs associated with conducting the naming process and, in cases where any additional benefits (e.g. suite usage, tickets, stadium signage, advertising etc) may be included as part of the naming rights package and not separately priced, then the fair market value of such additional benefits shall also be deducted. The City shall have the right to disapprove any such name only, if in the City's reasonable judgment, such name is inconsistent with a wholesome public image for the Sports Facility. The net proceeds from any naming of the whole Stadium or the Sports Facility referred to in clause (i) (but not from any naming of portions thereof, as referred to in clause (ii)) shall be shared as follows: two-thirds to The Phillies and one-third to the City.

7.3 Signage During Partnership and Civic Events. Temporary signs identifying and promoting participants in or sponsors of Partnership Events or Civic Events may be displayed during the Event, provided, however, that: (i) no such signage shall relate to a product, service or Person which competes with the Person (or that one Person from time to time designated by The Phillies, at any time or times when there may be more than one such Person) for which all or any part of the Sports Facility is named or with that Person's products or services or with any products or services

designated by The Phillies as falling within either of up to two exclusive product categories (e.g. soft drinks, beer, banking etc) for the Sports Facility; (ii) no such display may obscure fixed signage then located in the Sports Facility; and (iii) the City shall be responsible at its expense for the removal thereof immediately upon conclusion of the Event.

8. Operation of the Sports Facility. Subject to Section 5.5, The Phillies shall have the sole right and obligation to operate the Sports Facility during the Term (which it shall do in a first-class manner and in compliance with all applicable Legal Requirements), including without limitation, the right and obligation to perform any ticket taking, food and beverage, merchandising, parking and broadcasting operations.

8.1 Operating Staff. The Phillies shall employ or retain all Persons necessary to discharge its operating responsibilities and shall bear the expense of their compensation.

8.2 Utilities. All electric, gas, water, sanitary sewer, storm sewer and trash disposal service provided to and used at the Sports Facility during the Term will be contracted for and either paid by the City or shall be provided by the City. The Phillies will reimburse the City for twenty-five percent of the total cost thereof as incurred by the City and at the rate charged to similar users, in the case of utilities supplied by the City, payable within thirty days of each monthly bill therefor from the City, accompanied by evidence of payment and/or of such rates so charged (such twenty-five percent reimbursements are herein referred to as the "Phillies Utilities Share")

8.3 Parking. In addition to operating all parking areas at the Sports Facility, The Phillies shall have the right to make arrangements for offsite parking for Events at the Sports Facility, including without limitation at the Carpenter Sports Facility, St. Petersburg Junior College and under the Florida Power Corporation right of way. For each Home Game, The Phillies will engage such

civic organization that the City shall propose (subject to The Phillies' approval, not to be unreasonably withheld) to staff the public parking areas at the Sports Facility and at any utilized offsite parking areas. The Phillies will pay to that organization for such services an honorarium of \$1,250 per Game, which figure shall be subject to a CPI Adjustment.

8.4 City Services. City will provide all appropriate City services at appropriate levels of coverage for all Events, including without limitation, police surrounding the Sports Facility for security and traffic control purposes and to prevent scalping and unauthorized sale of merchandise at the Sports Facility and paramedical services. (For this purpose, "scalping" shall mean the selling of tickets for more than \$1 above face amount, and the "unauthorized sale of merchandise" shall mean the sale of goods by a Person who has not been authorized by The Phillies to make such sales and the sale of unlicensed goods, whenever a license is required for such sale to be given by The Phillies, MLB or other holders of the marks embodied on such goods.) The Phillies will provide necessary security and paramedical services within the Sports Facility.

9. Maintenance and Repair of Sports Facility. The following provisions govern the maintenance and repair of the Sports Facility.

9.1 Phillies Cleaning and Maintenance Obligations. The Phillies shall have the obligation to keep the Sports Facility clean and to provide light housekeeping (e.g. changing bulbs, towels, etc) for the interior areas of the Sports Facility. The Phillies shall be responsible for the ordinary and customary day-to-day maintenance of the following (and only the following) portions of the Sports Facility: (i) the playing fields, (ii) the Phillies Exclusive Use Areas, (iii) the Luxury Suites, and (iv) the Commercial Space (together, the "Phillies Maintenance Obligations"). The City shall acquire for and supply to The Phillies all field care (e.g. clay, sod, sand, fertilizer and chemicals) and other

supplies necessary for The Phillies to discharge the Phillies Maintenance Obligations relating to the playing fields, and The Phillies shall reimburse the City for its actual out-of-pocket costs therefor. Notwithstanding anything herein to the contrary, any City employee providing City Services to the Sports Facility shall be operating under the direction and control of the City, and shall be subject to any applicable City rule, regulation or policy, provided however, that The Phillies may directly engage City employees during the off-duty time, in which case such City employees shall be deemed to operate under The Phillies control.

9.2 City Maintenance, Repair etc. Obligations. Except for The Phillies Maintenance Obligations, the City shall have the obligation to provide all maintenance, repairs, restorations, refurbishments and replacements, whether interior or exterior, structural or non-structural, routine or extraordinary, ordinary or capital in nature, as shall be necessary to keep the Sports Facility clean, safe and in good order, condition and repair, and in compliance with all applicable Legal Requirements and in first class condition and up to first class MLB spring training stadium standards at the time of reference, provided however, that (subject to Sections 14 and 15 hereof) this obligation shall not operate to require the City to construct a new Sports Facility, or to substantially reconstruct the Sports Facility during the Term hereof. The Consulting Engineer shall annually determine which capital repairs, restorations, refurbishments and replacements are needed to be done currently and which capital repairs, restorations, refurbishments and replacements shall be scheduled to be done in the future, and when. The costs of the Consulting Engineer shall be borne equally by The Phillies and the City. The determinations of the Consulting Engineer shall be conclusive on both the City and The Phillies.

9.3 Upgrading of the Sports Facility. The City shall from time to time, as needed, upgrade, modernize and otherwise improve the Sports Facility so that during the Term of this Agreement, the Sports Facility shall not only meet all applicable MLB standards but shall, in addition, include that level of amenities and technological facilities as is comparable at the time of reference to those of first class MLB spring training facilities of comparable age (such as Roger Dean Stadium in Jupiter, FL, City of Palms Park in Ft. Myers, FL and Hohokam Stadium in Mesa, AZ). Without limiting the generality of the foregoing, at such time as any technological improvements (e.g., video rooms) have been incorporated in at least two of those three comparable MLB spring training facilities, then the City shall install such technological improvements in the Sports Facility. However, this provision shall not require the City to expend monies within the last five years of the Term, unless The Phillies agree to (i) exercise the option to renew provided for in Section 3.3 hereof (in which event, if necessary, the one-year notice period for exercising such option shall be waived), or (ii) if the option to renew has already been exercised, The Phillies and the City agree to extend the Term by at least five years.

9.4 Sports Facility Manager. The Sports Facility Manager shall be responsible for the day-to-day oversight of the maintenance, repair and condition of the Sports Facility, and shall be the representative of the City with whom The Phillies may communicate. The Sports Facility Manager shall have authority to bind the City to the fullest extent permitted by law, provided, however, that the Sports Facility Manager shall not have the legal authority to bind the City to financial obligations without the prior approval of City's governing body.

9.5 Personnel. The City shall provide such level of qualified and properly trained personnel to perform its obligations under Section 9.2.

9.6 Capital Expenditures. The Consulting Engineer shall, by November 1 of each calendar year during the Term, submit to the parties his recommendation as to what capital repairs, refurbishments, restorations, replacements and upgrades are to be done currently and schedule those to be done in the future, which are necessary, in the judgment of the Consulting Engineer, in order for the City to fulfill its obligations under this Section 9. On December 1 of each calendar year during the Term the City shall furnish to The Phillies a capital expenditure schedule prepared by the City, with due regard to such recommendations, setting forth in detail the projected capital repairs and improvements expenditures scheduled for the following calendar year and shall appropriately budget any amounts necessary to do so. The Phillies shall be afforded the right to have input in the preparation of such schedule and it shall be subject to The Phillies' approval, which shall not be unreasonably withheld.

9.7 Action by The Phillies. Without limiting The Phillies' rights under Section 17, if The Phillies in good faith determines that any portion of the Sports Facility (excluding only the playing fields) is not being maintained and/or repaired by the City in accordance with the standards and requirements set forth in Sections 9.2, 9.3 and 9.6, The Phillies shall have the right, but not the obligation, to advance funds for or otherwise provide appropriate maintenance and/or repair, subject to the following provisions:

9.7.1 Notice Practicable. If practicable, The Phillies shall give written notice to the City specifying the nature of the required work, and the date by which The Phillies reasonably considers it necessary to commence such work following its receipt of such a notice:

(i) The City may commence such work prior to the date and time so specified by The Phillies and prosecute the same diligently to completion; if the City does so, The Phillies shall not undertake such work itself.

(ii) If the City disputes whether the requested work required to fulfill the City's obligations under this Agreement, the City shall so inform The Phillies in writing prior to the date and time specified by The Phillies in its notice. If the City gives timely notice, the dispute shall be submitted to Expedited ADR prior to the date and time specified by The Phillies in its notice.

(iii) If (a) the City does not commence such work prior to the date and time specified by The Phillies and prosecute the same diligently to completion, or (b) the City fails to give timely notice of a dispute, or (c) it is not practicable to submit the matter to Expedited ADR prior to the date and time specified by The Phillies in its notice, then in any such event, The Phillies may commence the work necessary to remedy the matter on an emergency basis and prosecute the same diligently to completion.

9.7.2 Emergency. If The Phillies in good faith determines that the work must be performed on an emergency basis (that is, it must be performed in order to prevent an imminent danger to health or safety or it is otherwise not practicable to give notice provided in this Section 9.7), then The Phillies may commence work to remedy the matter on an emergency basis and prosecute the same diligently to completion.

9.7.3 Payment to The Phillies. The City shall promptly reimburse The Phillies on demand for any amounts expended pursuant to this Section 9.7 (including interest at the Default Rate from the date that is 30 days after the date of demand until paid if such amount is not paid by the 45th

day following the date of demand). If the City disputes that the work was required to fulfill the City's obligations hereunder, Expedited ADR shall be convened to resolve the dispute.

(i) If and to the extent it is determined by Expedited ADR that work was not required to fulfill the City's obligations hereunder, then The Phillies shall not be entitled to any reimbursement for any sums expended by The Phillies.

(ii) If and to the extent it is determined by Expedited ADR that the work was required to fulfill the City's obligations hereunder, then the City shall immediately reimburse The Phillies for all sums expended by The Phillies on the work, plus interest at the Default Rate.

9.8 Surrender. At the termination of this Agreement, by lapse of time or otherwise, The Phillies shall surrender possession of the Sports Facility to the City and deliver all keys or such other access equipment or devices. In addition, The Phillies shall remove The Phillies' furniture, trade fixtures and other items of movable personal property of every kind and description from the Sports Facility and restore any damage caused thereby, such removal and restoration to be performed prior to the end of the Term or within sixty days following any earlier termination of this Agreement. If The Phillies fail to remove any such items, the City may do so, and The Phillies shall pay to the City upon demand the cost of removal and of restoring the Sports Facility. All obligations of The Phillies under this Section shall survive the expiration of the Term or sooner termination of this Agreement.

10. Alterations and Additions by The Phillies.

10.1 Minor Improvements. The Phillies shall have the right (following reasonable notice thereof to the City for its information only), but not the obligation, to make minor improvements to the Phillies Exclusive Use Areas without City's approval, consisting of any work, installation,

construction or the like which does not require a permit from any federal, state or local governmental agency (e.g., installation of additional shelving in the Office).

10.2 All Other Improvements. Except for the "minor improvements" described in Section 10.1, The Phillies shall not construct any improvements on or otherwise alter, change or improve any part of the Sports Facility, without the prior written consent of the Sports Facility Manager, upon such terms and conditions as he may reasonably deem necessary. Requests by The Phillies to construct any such improvements on or otherwise to alter, change or improve any part of the Sports Facility shall be presented to the Sports Facility Manager in written form and he shall act thereon within a reasonably prompt time. If the Sports Facility Manager gives his consent to The Phillies' undertaking such work (which consent shall not be unreasonably withheld), the consent shall be deemed conditioned upon The Phillies' acquiring any necessary permit to do so from applicable governmental agencies, furnishing a copy thereof to the Sports Facility Manager prior to the commencement of the work and complying with all conditions of said permit in a prompt and expeditious manner.

10.3 Ownership of Such Improvements. All improvements, alterations or other changes made by The Phillies to any part of the Sports Facility pursuant to this Agreement, other than that which is so affixed to the Sports Facility that it cannot be removed without material damage to it, shall remain the personal property or equipment of The Phillies and may be removed by The Phillies upon expiration or termination of this Agreement provided that The Phillies restore and repair any damage caused by the removal.

10.4 No Limitation. Nothing in this Section 10 shall in any way limit or reduce the obligation of the City to maintain the Sports Facility as provided in Section 9 and elsewhere in this Agreement.

11. Taxes.

11.1 Possessory Taxes. It is the intent of the parties that the Sports Facility (land and Improvements) shall be exempt from any and all real property ad valorem taxes and from payments in lieu of such taxes throughout the Term. However, should all or any part or parts of the Sports Facility become subject to any such taxes, then the parties shall each cooperate and use their respective best efforts (i) to cause Pinellas County to return its share of any such taxes and (ii) to secure legislation exempting the Sports Facility from such taxes. In the interim, The Phillies and the City shall each pay one-half of any such taxes, net of any City ad valorem real property taxes, which shall be paid by City. Any such payments by The Phillies are herein referred to as the "Phillies Possessory Tax Share."

11.2 Tax Protection. The City shall throughout the Term hold The Phillies harmless from all other local (as opposed to Federal, State or County) taxes (except for income, sales and like taxes of general application), including without limitation amusement/ticket taxes, any increase in the sales tax rate applicable to tickets, use and occupancy taxes and surcharges on the Stadium or Sports Facility-derived revenues.

12. Insurance.

12.1 Liability Insurance.

12.1.1 Phillies Non-Property Coverage. The Phillies shall maintain at its expense during the Term of this Agreement the following insurance:

(i) Commercial general liability (including athletic participants coverage) against claims for bodily injury, personal injury and property damage based upon, involving or arising out of the use of the Sports Facility and all areas appurtenant to it. Such insurance shall be on an occurrence basis, providing coverage in an amount not less than \$5,000,000 per occurrence, and not less than \$5,000,000 general aggregate (per location), and not less than \$5,000,000 coverage for products and completed operations liability, and not less than \$5,000,000 coverage for personal and advertising injury, with deductibles of up to \$100,000 per person and \$200,000 per occurrence..

(ii) Statutory workers' compensation and employers' liability coverage in an amount no less than \$500,000 bodily injury each accident, \$500,000 bodily injury by disease each employee and \$500,000 bodily injury by disease policy limit.

(iii) Automobile liability for bodily injury and property damage arising from the use of The Phillies' owned, non-owned and hired vehicles, in an amount not less than \$5,000,000 per accident.

(iv) Garagekeepers legal liability coverage in the amount of \$1,000,000.

12.1.2 City's Non-Property Coverage. The City shall maintain at its expense during the Term of this Agreement the following non-property insurance:

(i) Auto Liability and General Liability: Self-Insured Level: \$100,000 per Person/\$200,000 per Occurrence self-insured retention with the statutory limits per Section 768.28

Florida Statutes. Excess Insurance: \$5,000,000 per occurrence excess insurance (no aggregate applicable) with self-insured retention of \$500,000.

(ii) Workers' Compensation: Statutory workers compensation coverage per occurrence with self-insured retention of \$500,000.

12.2 Property Coverage. The City shall maintain at its expense during the Term of this Agreement the following property related insurance:

12.2.1 Property insurance for 100% of full replacement value of the Sports Facility (including all improvements and personal property), with deductibles not exceeding \$50,000 per occurrence against loss by so-called "all risk" perils, including but not limited to fire, extended coverage, storm (including without limitation wind, flood and hurricane coverage), boiler and machinery, vandalism, malicious mischief, flood and earthquake. Such insurance is to contain a replacement cost endorsement, and endorsements eliminating any and all coinsurance provisions.

12.2.2 For any work of construction conducted on the Site by or at the direction of the City, builder's risk insurance with the same limits and coverages as set forth in Subsection 12.2.1, provided that at the City's election, such insurance may be maintained by the contractor(s) performing the construction work at the Sports Facility.

12.2.3 City Property Self-Insurance or Self-Funding. Any provision of this Agreement to the contrary notwithstanding, while the City shall maintain insurance coverage and limits as provided for in this Agreement, parties hereto specifically agree that the City may do so by self-insurance and/or by purchase at the sole option of the City. To the extent required by the terms of this Agreement, insurance coverage and limits shall be evidenced by delivery to The Phillies of letters of self-insurance or self-funding executed by the City's Risk Manager, or by certificates of

insurance executed by either the agent for the insurers or the insurers or by copies of policy declaration pages. Such letters, certificates, and policy declaration pages shall list coverage (including the amount of insurance per claim and per occurrence, any gap in coverage, and the amount of the excess insurance) and policy limits with expiration dates and major policy terms and endorsements.

12.3 General. All insurance policies obtained pursuant to this Section 12 shall: (i) be with companies legally authorized to do business in the State of Florida and which possess a minimum rating of A- or better and a minimum class VIII financial size category (as listed at the time of issuance by A.M. Best Insurance Reports), which are reasonably acceptable to the other parties; and (ii) shall name as an additional insured each other party and such Affiliates of that party as it shall reasonably request. Upon commencement of the Term, each party shall furnish or cause to be furnished to the other party a certificate of insurance evidencing all such insurance policies. Renewal certificates shall be delivered by each party to the others at least ten days prior to the expiration of any policy of insurance. No such policy shall be cancelable or subject to reduction of coverage except after thirty days' prior written notice to all parties hereto.

12.4 Remedies. If any party fails to obtain, keep in force or provide evidence of any of the insurance policies or self-insurance coverage required by this Section 12, the other party may give written notice to the defaulting party, and the defaulting party shall have until the earlier of (i) five days after its receipt of such notice, or (ii) regardless of whether notice shall have been given, one day before the date the required insurance will lapse, to cure the default. If the default is not cured within such period, then the other parties shall have the remedies set forth in Section 17.

12.5 Waiver of Subrogation. Each party hereby releases and relieves the other party, and

waives its entire right of recovery against the other party, for direct or consequential loss or damage arising out of an incident to the perils covered by any insurance carried by the other party or which would have been carried had such other parties fulfilled their obligations hereunder to carry insurance, whether or not due to the negligence of the released party or its agents, employees, contractors or invitees. If necessary, all property insurance policies required by this Agreement shall be endorsed to so provide.

13. Indemnification. The indemnifications provided for in this Section 13 shall relate only to the extent that the liability in question has not produced insurance proceeds to the indemnitee.

13.1 By The Phillies. Subject to Section 12.5, The Phillies agrees to and will at all times defend, indemnify, save and hold the City and their Affiliates, and their respective elected officials, officers, agents, employees, successors and assigns harmless, on a current basis, for, from and against any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including reasonable attorney's fees, costs of investigation and discovery, and all court costs, arising out of:

13.1.1 Injury to or death of persons (including personnel or employees of the City or The Phillies), and damage to any and all property, including loss of use thereof, resulting from or in any manner arising out of any willful and wanton or grossly negligent act or omission of The Phillies or any Affiliate of The Phillies or any of their respective agents, officers or employees, in connection with the operation or use of the Sports Facility.

13.1.2 Any breach or default in the performance of any obligation on The Phillies' part to be performed under the terms of this Agreement.

The foregoing indemnification obligations of The Phillies shall not extend to liabilities caused, in whole or in part, by any willful, wanton, or grossly negligent act or omission of the City or any of its agents, officers or employees to the extent such act or omission caused the liability and shall survive the termination of this Agreement for all acts committed or omissions made prior to the effective date of the termination of this Agreement.

13.2 By the City. Subject to Section 12.5, the City, to the extent permitted by applicable law, including, but not limited to Section 768.28, Florida Statutes, agrees to and will at all times defend, indemnify save and hold The Phillies and its Affiliates and their respective employees, agents, officers, directors, shareholders, partners, successors and assigns, harmless, on a current basis, for, from and against any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including reasonable attorneys' fees, costs of investigation and discovery, and all court costs, arising out of:

13.2.1 Injury to or death of persons (including personnel or employees of the City or The Phillies), and damage to any and all property, including loss of use thereof, resulting from or in any manner arising out of or in connection with any willful, wanton or grossly negligent act or omission of the City or any Affiliate of City or any of their respective agents, officers or employees, in connection with the operation or use of the Sports Facility to the extent such act or omission caused the injury.

13.2.2 Any breach or default in the performance of any obligation on the City's part to be performed under the terms of this Agreement.

The foregoing indemnification obligations of the City shall not extend to liabilities caused by any willful, wanton, or negligent act or omission of The Phillies or any Affiliate of The Phillies

or any of their respective agents, officers or employees to the extent such act or omission caused the liability and shall survive the termination of this Agreement for all acts committed or omissions made prior to the effective date of the termination of this Agreement.

13.3 Procedure for Indemnification -- Third Party Claims.

13.3.1 Promptly after receipt by an indemnified party under Sections 12.1 or 12.2 of notice of a claim against it ("Claim"), such indemnified party shall, if a claim is to be made against an indemnifying party thereunder, give notice to the indemnifying party of such Claim, but the failure to notify the indemnifying party will not relieve the indemnifying party of any liability that it may have to any indemnified party, except to the extent that the indemnifying party demonstrates that the defense of such action is prejudiced by the indemnified party's failure to give such notice.

13.3.2 If any Claim is made against an indemnified party and it gives notice to the indemnifying party of such Claim, the indemnifying party will be entitled to participate in the defense of such Claim and, to the extent that it wishes (unless (i) the indemnifying party is also a party to such Claim and the indemnified party determines in good faith that joint representation would be inappropriate, or (ii) the indemnifying party fails to provide reasonable assurance to the indemnified party of its financial capacity to defend such Claim and provide indemnification with respect to such Claim), to assume the defense of such Claim with counsel satisfactory to the indemnified party and its insurers and, after notice from the indemnifying party to the indemnified party of its election to assume the defense of such Claim, the indemnifying party will not, as long as it diligently conducts such defense, be liable to the indemnified party under such Section for any fees of other counsel or any other expenses with respect to the defense of such Claim in each case subsequently incurred by the indemnified party in connection with the defense of such Claim, other

than reasonable costs of investigation. If the indemnifying party assumes the defense of a Claim (i) no compromise or settlement of such claims may be effected by the indemnifying party without the indemnified party's consent unless (a) there is no finding or admission of any violation of Legal Requirements or any violation of the rights of any Person and no effect on any other Claims that may be made against the indemnified party, and (b) the sole relief provided is monetary damages that are paid in full by the indemnifying party and (b) the indemnifying party will have no liability with respect to any compromise or settlement of such claims effected without its consent. If notice is given to an indemnifying party of a Claim and the indemnifying party does not, within thirty days after the indemnified party's notice is given (or such lesser period of time as may be necessary to avoid a Default on such Claim), give notice to the indemnified party of its election to assume the defense of such Claim, the indemnifying party will be bound by any determination with respect to said Claim or any compromise or settlement effected by the indemnified party.

13.3.3 Notwithstanding the foregoing, if an indemnified party determines in good faith that there is a reasonable probability that a Claim may adversely affect it or its Affiliates other than as a result of monetary damages for which it would be entitled to indemnification under this Agreement, the indemnified party may, by notice to the indemnifying party, assume the exclusive right to defend, compromise, or settle such Claim, but the indemnifying party will not be bound by any determination of a Claim so defended or any compromise or settlement effected without its consent (which may not be unreasonably withheld).

13.4 Procedure for Indemnification -- Other Claims. A claim for indemnification for any matter not involving a third-party claim may be asserted by notice to the party from whom indemnification is sought.

14. Damage or Destruction.

14.1 Decision to Rebuild. In the event that the Sports Facility or any part thereof is damaged or destroyed by fire, flood or other similar or dissimilar cause whatsoever, the City shall promptly commence and thereafter diligently proceed to repair and rebuild the Sports Facility to its condition immediately prior to such damage or destruction, provided, however, if such damage or destruction involves the entire Sports Facility or any substantial part thereof and occurs less than five years prior to the end of the Term, the City may elect to terminate this Agreement unless The Phillies agree to (i) exercise the option to renew provided for in Section 3.3 hereof (in which event, if necessary, the one-year notice period for exercising such option shall be waived), or (ii) if the option to renew has already been exercised, The Phillies and the City agree to extend the Term by at least five years. In the event that such damage or destruction is of such an extent as would substantially and adversely affect The Phillies' activities at the Sports Facility, the City shall use its best efforts to provide to The Phillies the use of alternate first class MLB spring training facilities, in reasonable proximity to the Sports Facility, on a basis that preserves to The Phillies the net benefit of the economic terms of this Agreement and that affords business interruption protection to The Phillies against lost revenues. If the City meets the requirements of the next preceding sentence and has been and remains in substantial compliance with its obligations under the first sentence of this Section 14.1, then The Phillies shall use those alternate facilities during the period of interruption and, for each full Spring Training Season during the initial 20-year portion of the Term hereof that such use continues, that initial term shall be extended by one year.

14.2 Failure To Repair. If the City is obligated to repair or rebuild the Sports Facility under the provisions of this Section 14 and does not commence such repair or rebuilding within

ninety days after the occurrence of the damage or destruction, or if the City commences such repair or rebuilding but do not prosecute the same diligently to completion, then the City shall be deemed to be in Default under this Agreement and The Phillies shall have the rights and remedies set forth in Section 17.

14.3 Phillies Option to Rebuild or Repair. In the event the City fails to commence such repairs or rebuilding within 90 days of the occurrence of the casualty, The Phillies shall have the right, but not the obligation, to undertake such repairs or rebuilding. In the event The Phillies so undertake such repairs or rebuilding, The Phillies shall be entitled to reimbursement of the actual costs thereof by the City as incurred, within 45 days of all invoices therefor, with interest thereafter at the Default Rate.

15. Condemnation.

15.1 Total Taking. In the event the entire Sports Facility is appropriated or taken under the power of eminent domain, or sold under threat thereof (all of which will be referred to as a "condemnation"), by any public or quasi-public authority, The Phillies shall have the option to terminate this Agreement as of the date the condemning authority takes title or possession, whichever first occurs. The Phillies shall have no claim to the award in condemnation for the City's interest in the Site and Sports Facility; provided, however, that The Phillies shall have a claim to the portion of the award in condemnation that represents compensation for the taking of the interest of The Phillies under this Agreement, including without limitation its right to retain net revenues from the operation thereof.

15.2 Partial Taking. In the event that only a portion of the Sports Facility is condemned, this Agreement shall terminate as to the part so taken as of the date the condemning authority takes

title or possession, whichever first occurs; provided, however, that if so much of the Sports Facility is taken by such condemnation as would substantially and adversely affect The Phillies' operations at the Sports Facility, The Phillies shall have the option, to be exercised in writing within one hundred eighty days after the City shall have given The Phillies written notice of the condemnation (or in the absence of such notice, within one hundred eighty days after the condemning authority shall have taken possession), to terminate this Agreement as of the date the condemning authority takes such possession. If The Phillies does not give timely notice to terminate, this Agreement shall remain in full force and effect as to the remainder of the Sports Facility that is suitable for the use then being made of the Sports Facility by The Phillies; if and so long as The Phillies deem it advisable, The Phillies may utilize alternative facilities; and the City shall, to the extent of condemnation proceeds received by it, acquire or add adjacent property and construct additional Improvements with reasonable diligence, in order to restore the Sports Facility as nearly as possible to the condition immediately before the condemnation. Whether this Agreement terminates or continues in full force or effect, The Phillies shall have no claim to the award in condemnation for the City's interest in the Sports Facility; provided, however, that The Phillies shall have a claim to the portion of the award in condemnation that represents compensation for the taking of the interest of The Phillies under this Agreement, including without limitation its right to retain net revenues from the operation thereof.

15.3 Failure To Repair. If the City is obligated to make the Sports Facility suitable for use by The Phillies following a condemnation under the provisions of this Section 15 and does not commence to acquire or add adjacent property or construct additional Improvements necessary to do so within ninety days after the date of the condemnation, or if the City commences such

acquisition or construction but does not prosecute the same diligently to completion, the City shall be deemed in Default under this Agreement and The Phillies shall have the rights and remedies set forth in Section 17.

15.4 Phillies Option to Rebuild or Repair. In the event the City fails to commence such repairs or rebuilding within 90 days of the occurrence of the condemnation, The Phillies shall have the right, but not the obligation, to undertake such repairs or rebuilding. In the event The Phillies so undertake such repairs or rebuilding, The Phillies shall be entitled to reimbursement of the actual costs thereof by the City as incurred, within 45 days of all invoices therefor, with interest thereafter at the Default Rate.

16. Assignment.

16.1 Assignment by The Phillies. The Phillies shall not sell, assign, encumber, pledge, or otherwise transfer all or any portion of its interest in this Agreement without the prior written consent of the City, except as follows:

16.1.1 The Phillies shall have the right to transfer all of its rights and obligations under this Agreement to any Person that shall thereafter own the MLB franchise now held by The Phillies; provided, however, that such transferee shall assume the obligations of The Phillies under this Agreement; and provided, further, that MLB approves the transfer of such MLB franchise to such transferee and the City has been provided with satisfactory evidence of such assumption and approval.

16.1.2 The Phillies shall also have the right to transfer its interest in this Agreement freely to another MLB club; provided, however, that such transferee shall assume the obligations of The Phillies under this Agreement.

16.1.3 No transfer under this Section 16 shall release The Phillies from any pre-existing liabilities under this Agreement, including, but not limited to any indemnification obligations of The Phillies which arise prior to the date of such transfer.

16.2 Assignment by City. The City shall have the right to assign certain rights under this Agreement to a non-profit organization controlled by the City, provided that such assignment will not affect The Phillies rights and remedies against the City under this Agreement and the City shall at all times remain primarily liable for their obligations hereunder. Except as aforesaid, the City may not assign its rights and duties under this Agreement without the consent of The Phillies.

17. Default.

17.1 Default. If any party hereto (the "Defaulting Party") shall fail to perform any of its obligations under this Agreement, then the Party not in default (the "Non-Defaulting Party") shall provide notice of such failure to the Defaulting Party and afford the Defaulting Party a grace period to cure said failure, as follows:

17.1.1 Where a grace period is specifically provided for in any section of this Agreement, that specific grace period shall apply.

17.1.2 Where a grace period is not specifically provided for in any other section of this Agreement, the Defaulting Party shall afford the Non-Defaulting Party a grace period of: (i) five business days to cure monetary failure; and (ii) thirty days to cure any non-monetary default; provided, however, that if any non-monetary failure cannot be cured within such thirty day period, the Defaulting Party shall be afforded such additional time as shall be reasonably required to cure such failure, if the Defaulting Party has commenced the appropriate cure within said initial thirty day period and thereafter proceeds with reasonable diligence to cure said failure.

17.1.3 If any failure to perform shall not have been cured by the expiration of the applicable grace period, then a "Default" shall be deemed to have occurred and the Non-Defaulting Party shall have the rights and remedies set forth below.

17.1.4 Termination of this Agreement.

17.2 Non-Defaulting Party's Rights and Remedies. If a Default shall occur, the Non-Defaulting Party shall have the right (but not the obligation):

17.2.1 To cure such default on behalf of the Defaulting Party, in which event the Defaulting Party shall immediately reimburse Non-Defaulting Party for all sums paid by it to effect such cure, together with interest thereon at the Default Rate; and

17.2.2 To collect all sums paid by it to effect such cure, together with interest thereon at the Default Rate, by set off against all sums next-to-become-due to the Defaulting Party under this Agreement.

17.3 Cumulative Rights. The remedies heretofore described in this Section 17 shall be in addition to any other remedy the Non-Defaulting Party may have at law and in equity in the event of a Default, including without limitation:

17.3.1 An action to recover monies then due and owing from the Defaulting Party, together with interest thereon at the Default Rate from the date on which such monies were due;

17.3.2 An action for specific performance of non-monetary covenants and agreements on the part of the Defaulting Party; and/or

17.3.3 An action for recovery of all actual losses, costs and reasonable attorneys' fees incurred by the Defaulting Party in connection with the default.

17.4 Injunctive Relief. Without limiting any other remedies of the City on account of a Default by The Phillies hereunder, The Phillies further acknowledges that the City will be irreparably harmed if The Phillies violate this Agreement by the transfer, move or other relocation of The Phillies' spring training activities to, and/or the playing of Home Games at, any locations other than the Sports Facility during the Term otherwise than as provided or permitted by this Agreement. Accordingly, The Phillies hereby agree that in the event of such a violation or threatened violation of this Agreement, the City shall be entitled to seek and obtain, and The Phillies hereby consent to the entry of, a temporary restraining order, together with preliminary and permanent injunctive relief, from any court of competent relief to enjoin any such violation or threatened violation. The Phillies waive any requirement that the City post a bond or other security in connection with such injunctive relief. In the event of such attempted or actual transfer, move or other relocation of The Phillies' spring training activities to, or the playing of Home Games at, any location other than the Sports Facility, and City is not able to obtain the injunctive relief provided for in this Section 17.4, the City shall be entitled, at its option, to seek monetary damages.

17.5 Emergency. Nothing in this Section 17 shall be deemed to limit The Phillies' right to take action in emergencies pursuant to Section 9.7.

18. Legal Opinions.

18.1 By the City. Concurrently with the execution and delivery of this Agreement, the City has provided to The Phillies an opinion of its City Attorney advising The Phillies that (i) the City is a duly organized and existing municipal corporation of the State of Florida and is authorized to enter into and perform under this Agreement, (ii) execution of this Agreement by the City is duly authorized, (iii) all notices required by Florida law and all necessary action required for the execution

and delivery of this Agreement or otherwise required under applicable law have been obtained, and (iv) this Agreement is valid, binding and enforceable against the City in accordance with its terms, subject only to such exceptions as are set forth expressly in such opinion and are reasonably acceptable to The Phillies, as evidenced by its execution of this Agreement.

18.2 By The Phillies. Concurrently with the execution and delivery of this Agreement, The Phillies has provided to the City an opinion of its general counsel advising the City that (i) The Phillies is a duly organized and existing limited partnership of the Commonwealth of Pennsylvania and is authorized to enter into and perform under this Agreement, (ii) execution of this Agreement by The Phillies is duly authorized, and (iii) this Agreement is valid, binding and enforceable against The Phillies in accordance with its terms, subject only to such exceptions as are set forth expressly in such opinion and are reasonably acceptable to the City, as evidenced by its execution of this Agreement.

19. Miscellaneous.

19.1 Estoppel Certificates. Each party (as "responding party") shall at any time within fifteen days after written request from the other party ("requesting party") execute, acknowledge and deliver to the requesting party a statement in writing as of the date of such certification (i) certifying that this Agreement is unmodified and in full force and effect (or if modified, stating the nature of such modification and certifying that this Agreement, as so modified, is in full force and effect), (ii) acknowledging that there are not, to the responding party's knowledge without inspection, audit or investigation, any uncured defaults on the part of the requesting party (or specifying such defaults, if any are claimed), and (iii) providing such other information regarding this Agreement as may reasonably be requested by the requesting party. Any such statements may be conclusively relied

upon by any prospective purchaser or encumbrancer of The Phillies or of its interests herein and by any bond holders, underwriters and financiers of the City.

19.2 Consents. Whenever a party's approval, permission, concurrence, consent or satisfaction is required under this Agreement, such approval, permission, concurrence, consent or satisfaction shall not be unreasonably withheld or delayed, except as and to the extent expressly provided to the contrary in this Agreement; provided, however that neither party shall be required to waive a Default hereunder.

19.3 Additional Instruments. The parties agree to execute and deliver any instruments in writing, necessary to carry out any agreement, term, condition or assurance in this Agreement, whenever the occasion shall arise and reasonable request for such instrument shall be made. In addition, as soon as practicable following the Commencement Date hereunder, the parties shall execute a written supplement to this Agreement setting forth such Commencement Date. With respect to the City, any obligations pursuant to this Section 19.3 shall be subject to obtaining any required governmental approvals.

19.4 Force Majeure. A party shall not be in Default under this Agreement if and to the extent it is unable to fulfill any of its obligations under this Agreement because it is prevented, hindered or delayed in doing so by reason of a strike, lockouts, labor dispute, boycott, material or energy shortage, casualty loss, weather conditions, acts of God, order of any government officer or court (but excluding, as to the City, orders promulgated by the City themselves), national emergency or war (collectively, "Force Majeure").

19.5 Notices. Any notice required to be given hereunder shall be in writing and sent by either overnight courier service or United States certified or registered mail, postage prepaid, addressed to the parties as follows:

If to City:

City of Clearwater
112 South Osceola Avenue, 3rd Floor
Clearwater, Florida 33756
Attention: City Manager

With a copy to Counsel for City:

Pam Akin, Esquire
112 South Osceola Avenue, 3rd Floor
Clearwater, Florida 33756

If to The Phillies:

Veterans Stadium
P.O. Box 7575
Philadelphia, PA 19101
Attention: David P. Montgomery,
President

and

Attention: William Y. Webb,
Vice President, General
Counsel and Secretary

Notices shall be deemed given when actually received or when delivery is refused. The address for notices to a party may be changed, from time to time, by notice from such party given as herein required.

19.6 No Joint Venture. The City and The Phillies do not intend by entering into this Agreement to create a partnership, joint venture or any relationship other than that of independent contractors and licensor and licensee. Nothing in this Agreement shall be construed to create such a partnership, joint venture or other relationship, nor shall it be construed to create any pledging of the credit of the City or the faith and credit of the City.

19.7 Governing Law. This Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Florida, and the proper venue shall be in Pinellas County, Florida.

19.8 Construction of this Agreement. This Agreement shall not be construed for or against any party on the basis that such Party drafted any portion of this Agreement. In construing this Agreement, feminine or neuter pronouns shall be substituted for those masculine in form and vice versa, and plural terms shall be substituted for singular and singular for plural, in any place in which the context so requires.

19.9 Binding Effect. Subject to Section 16, the covenants, terms, conditions, provisions and undertakings in this Agreement, or in any renewals hereof, shall extend to and be binding upon the successors and assigns of the respective parties hereto as if they were in every case named and expressed, and wherever reference is made to either of the parties hereto, it shall be held to include and apply also to the successors and assigns of such party as if in each and every case so expressed.

19.10 Entire Agreement. This Agreement and the SFDA, together with the attached exhibits and simultaneous writings, contain the entire agreement and understanding between the parties relating to its subject matter. There are no oral understandings, terms or conditions, and

neither party has relied on any representation, express or implied, not contained in this Agreement or in simultaneous writings. All prior understandings, terms or conditions are deemed to merge in this Agreement, and this Agreement cannot be changed or supplemented orally, but only by an agreement in writing and signed by the party against whom enforcement of any waiver, change, modification or discharge is sought. Without limiting the generality of the foregoing, this Agreement and the SFDA replace and supersede that certain Clearwater Stadium Project Term Sheet dated September 8, 2000 by and between the City and The Phillies in its entirety and such Term Sheet is hereby terminated.

19.11 Severability. If any provision of this Agreement shall be declared invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect.

19.12 Captions. The headings of this Agreement are for convenience only and shall not be deemed a part of this Agreement, nor shall they be deemed to affect the meaning or construction of any portion of this Agreement.

19.13 Time of Essence. Time is of the essence of this Agreement.

19.14 Interest on Delinquent Amounts. Any amounts owing from one party to the other party under this Agreement and not paid when due shall bear interest from and after the due date at the Default Rate until paid, provided however, that no such interest shall accrue on any City obligation to pay until the expiration of 45 days after the date such payment is due.

19.15 Waivers. No waiver of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent right by any party under the same or any other provision.

19.16 Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive, but shall, wherever possible, be cumulative with all other remedies at law or in equity.

19.17 Right of Offset. Each party hereto, without waiving its rights under Section 17, shall be entitled to set off against sums due from it hereunder to any other party any amounts owing to it (including Default Interest if any) by such other party.

19.18 Attorneys' Fees. If an action or proceeding is brought to enforce the terms hereof or declare rights hereunder, including without limitation Expedited ADR, the prevailing party in any such action or appeal therefrom shall be entitled to its reasonable attorneys' fees and costs, which shall include the costs of consultants and experts, to be paid by the losing party as fixed by the court or arbitrator(s) in the same or a separate action or proceeding.

19.19 Amendment. All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the City or The Phillies. This Agreement may not be changed, modified or rescinded except in writing by the City and The Phillies, and any attempt at oral modification of this Agreement shall be void and of no effect.

19.20 Authority. Each party hereto hereby represents and warrants to the other that it has the authority to enter into this Agreement and to undertake and perform its respective obligations hereunder.

19.21 Exhibits. Exhibit A is attached hereto and incorporated by this reference thereto.

19.22 Liability Limitation. Except as otherwise provided herein, no individual who is a general partner of The Phillies, or a member of the City Commission or an officer, employee or agent of any party hereto shall be liable to any other party, or any successor in interest thereto, for any default by a party hereunder.

19.23 Certain Disputes. Any dispute between the parties arising under Sections 9 and 10 of this Agreement shall be resolved by Expedited ADR.

20. Conditions.

20.1 Conditions Precedent to Parties' Rights and Obligations. All of the parties' respective rights and obligations under this Agreement are expressly conditioned upon the occurrence of the following, each by the date respectively indicated:

20.1.1 Issuance of Certification from the Florida Office of Tourism regarding a "retained spring training franchise facility" shall have issued by January 2, 2001.

20.1.2 The specific site for the Sports Complex shall by February 15, 2001 have been agreed to by the parties and reflected upon a detailed site plan initialed by the parties, which shall become Exhibit B to this Agreement.

20.1.3 The parties shall, within 15 days following satisfaction of the conditions in Section 20.1.2, have: (i) executed and delivered a definitive SFDA; (ii) have agreed upon a detailed Scope of Work, an initialed copy of which shall become Exhibit C to this Agreement; and (iii) have executed and delivered a definitive lease for the Carpenter Complex, which will terminate the existing lease dated September 26, 1966, as amended, and which: (x) shall be for a term coextensive with the Term; (y) shall conform to the relevant allocation provisions of this Agreement; and (z) call for fixed rent in arrears at the annual rate of \$204,000 for 20 years from the start of the Term.

20.2 Waiver. Each of the conditions precedent specified in Sections 20.1 and 20.4 may only be waived in a writing duly executed and delivered by both parties; provided, however, that The Phillies may, by written notice to City, extend from time to time each of the dates specified in Section 20.1.

20.3 Satisfaction Date. The date on which the last of all of the conditions precedent specified in Section 20.1 has been duly satisfied or duly waived is herein referred to as the "Satisfaction Date."

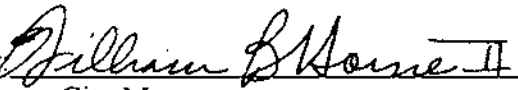

20.4 Further Condition Relating to Litigation. If on the Satisfaction Date any litigation other than bond validation proceedings is pending to restrain or enjoin the performance of this Agreement and/or of the SFDA and/or of any material aspect of either and/or to seek material damages in respect thereto and is neither withdrawn nor dismissed with prejudice by October 1, 2001, either party may (but need not) elect to terminate this Agreement by written notice given within 30 days thereafter.

21. Marketing Programs. The Phillies and the City hereby agree that The Phillies will provide trade out value in marketing programs to match the financial contributions made by Pinellas County toward the funding of the Sports Facility. These marketing trade out programs may include, but are not limited to destination advertising, tourism public relations campaigns, tourism direct sales activities and/or other marketing programs mutually agreed upon between the Pinellas County Convention and Visitors Bureau and The Phillies. Representatives of The Phillies and the Convention and Visitor's Bureau shall meet as often as they mutually determine to be needed (but at least annually) to agree to a specific program of destination marketing and/or ticket opportunities of the trade out program for the upcoming calendar year. This marketing trade out program shall be the sole responsibility of The Phillies.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

EXHIBIT A

All claims, demands, disputes, controversies and differences that may arise under this Agreement between the parties, concerning any controversies under the Sections of this Agreement making reference to the use of Expedited ADR shall be resolved by Alternative Dispute Resolution as set forth below:

1. Disputes submitted to Expedited ADR hereunder will be conducted before a "Panel" designated in the manner provided in Section 2 below. The decision of the Panel will be final and binding upon the parties as to all matters in dispute and will be enforceable by a court of competent jurisdiction. The rules of the American Arbitration Association will be used for guidance in establishing procedures for the arbitration, but their use will not be mandatory unless the parties are unable to agree on an alternative body of rules.

2. In the case of disputes involving construction matters at the Sports Facility, the Panel will consist of three persons selected by the parties from a list of twenty-one persons with at least ten years experience in the construction business furnished by the Florida Chapter of the American Arbitration Association. In the case of disputes involving operations at the Sports Facility, the Panel will consist of three persons selected by the parties from a list of eleven persons, each of whom must have at least ten years of experience in the stadium/arena management business furnished by the Florida Chapter of the American Arbitration Association. The Panel of three will be selected from such list by the mutual agreement of the parties. If, within three days following the day on which the list is furnished to the parties, the parties are unable to agree on the composition of the Panel, then representatives of the parties will meet promptly and the following procedures will be used: The Phillies will strike the name of a person on the list. Within fifteen minutes thereafter, the Public Bodies will strike a name from the list. At fifteen minute intervals thereafter, each party will strike a name from the list. If a party fails to strike a name within the allotted time period, it will forego its turn to strike a name. The last three names on the list will constitute the Panel.

3. Within thirty days following the appointment the Panel as provided for above, the Panel shall hold a hearing which hearing shall be held at Tampa, Florida, or at any other place agreed to by the parties involved.

4. The Public Bodies or The Phillies may join any other party to the arbitration which is needed for just adjudication. The standard for joinder of any other party shall be that provided under Rule 19 of the Florida Rules of Civil Procedure.

5. If the Panel determines that either party's position in the dispute was without merit, such party will pay the other party's reasonable attorneys' fees and costs related to the arbitration, including the costs and fees of the Panel, fees to the American Arbitration Association and other costs of such arbitration otherwise payable by such party in the arbitration proceedings. In all other

cases, the parties will share equally the costs of such arbitration and will pay their own attorneys' fees.

6. At least ten days prior to the hearing, the parties shall meet and exchange exhibits and pre-hearing statements and stipulate and agree on non-disputed facts. No exhibit shall be admitted unless listed on the pre-hearing statement and exchanged between the parties. No witness may be presented unless indicated on the pre-hearing statement or unless produced for rebuttal purposes. Prior to or at the hearing, each party shall submit a memorandum not to exceed five pages outlining the relevant issues for the Panel. At the hearing, the laws of evidence of the State of Florida shall apply, and the Panel shall allow each party to present that party's case, evidence and witnesses and render its award, including a provision for payment of attorneys' fees and costs of arbitration to be paid by one or both of the parties to this Agreement, as the Panel deems just.

INTERLOCAL AGREEMENT

This INTERLOCAL AGREEMENT (the "Interlocal Agreement") is made as of this 1st day of December, 2000, by and between PINELLAS COUNTY, FLORIDA, a political subdivision of the State of Florida (the "County") and the CITY OF CLEARWATER FLORIDA, a municipal corporation of the State of Florida (the "City").

WITNESSETH:

WHEREAS, it is the purpose and intent of this Interlocal Agreement, the parties hereto and the Florida Interlocal Cooperation Act of 1969 ("Cooperation Act"), to permit the City and the County to make the most efficient use of their respective powers, resources and capabilities by enabling them to cooperate on the basis of mutual advantage and thereby to provide the facilities provided for herein in the manner that will best accord with the existing resources available to each of them and with geographic, economic, population and other factors influencing the needs and developments within their respective jurisdictions; and

WHEREAS, the purpose of the Cooperation Act is to provide for a means by which the City and the County may exercise the respective powers, privileges and authorities which they share in common and which each might exercise separately in a joint manner; and

WHEREAS, the parties further intend to enter into this Interlocal Agreement in order to show evidence of indebtedness of the County to the City; and

WHEREAS, the City has now entered into an Agreement (the "Baseball Agreement") for the use, management and operation of a retained spring training franchise facility consisting of spring training practice fields and a baseball stadium (the "Baseball Facility") with [The Phillies] (the "Team") pursuant to which the Team has agreed to retain its spring training program in the City and utilize the Baseball Facility and such Baseball Agreement and the location of the Team in the City will create beneficial economic development in the County; and

WHEREAS, the City intends on financing the cost of the Baseball Facility through the issuance of one or more series of revenue bonds to be issued by the City (the "City Bonds"), together with other funds of the City and the Team, and has requested that the County provide additional funds to support the repayment of the City Bonds; and

WHEREAS, the County is desirous of assisting the City by providing monthly payments to the City (the "County Payments") for the purpose of assisting the City in the repayment of the City Bonds

and otherwise assisting in the payment of the costs of the Baseball Facility; and

WHEREAS, the retention of the Team and the construction of the Baseball Facility in the City is designed to increase tourist-related business activities in the County and the Baseball Facility constitutes a facility which may be financed with the County's tourist development tax revenues in accordance with Section 125.0104, Florida Statutes; and

WHEREAS, this beneficial economic impact arising from the Team is a material and necessary inducement to the County in its decision to make the County Payments for the purposes herein provided; and

WHEREAS, the County and the City desire to equitably determine and to contract and provide herein the manner in which the County Payments shall be paid to the City as additional funds for the payment of a portion of the debt service on the City Bonds for which the County shall be obligated to pay in the manner herein provided, and for which this Interlocal Agreement shall constitute the evidence of indebtedness of the County; and

WHEREAS, the County and the City desire to determine and to contract and provide herein the manner in which the County Payments shall be deposited in the County Payments Account and expended to pay the County Payments and further to be deposited for payment of the County indebtedness evidenced hereby to be utilized for payment of the debt service on the City Bonds; and

WHEREAS, the County has determined and agreed to budget and appropriate and to pay over to the City the County Payments;

NOW, THEREFORE, in consideration of the mutual covenants of this Interlocal Agreement, the City and County agree as follows:

ARTICLE I

AUTHORITY AND DEFINITIONS

SECTION 1.01. Authority.

This Agreement is entered into pursuant to the provisions of Section 163.01, Florida Statutes; Article VIII, Sections 1 and 2 of the Constitution of the State of Florida; Chapter 166, Florida Statutes; Pinellas County Home Rule Charter; Section 125.0104(1), Florida Statutes; and other applicable provisions of law (collectively, the "Act").

SECTION 1.02. Definitions.

“Bond Ordinance” means that certain Ordinance No. 6675-01 of the City, as amended and supplemented, providing for the issuance of the City Bonds.

“Bond Year” means with respect to the City Bonds, the Bond Year as defined in the Bond Ordinance.

“City Bonds” means the City of Clearwater, Florida Revenue Bonds (Spring Training Facility), Series 2001, issued in one or more series pursuant to the Bond Ordinance.

“County Payments” means the payments to be made by the County as provided by Section 2.01 hereof, in the annual amount of \$587,650.00, payable in equal monthly payments of \$48,970.83 (which amount is one-twelfth of the annual amount), commencing on the first County Payment Date, and continuing for a total of two hundred forty (240) months for a total of two hundred forty (240) monthly payments.

“County Payment Date” means the fifteenth calendar day of each month, commencing with the second month immediately following the month in which the City receives certification from the State of Florida that the Project constitutes a “facility for a retained spring training franchise” in accordance with Section 288.1162(5), Florida Statutes, on which dates an installment of County Payments is to be made to the City.

“County s Payment Account” means the account created within the Revenue Fund in the Bond Ordinance funded from payments made by the County constituting County Payments pursuant to this Interlocal Agreement.

“Debt Service Fund” means the fund designated in the Bond Ordinance from which the principal of, premium, if any, amortization payments and interest on the City Bonds are paid.

“Debt Service Payments” means the payments required to be made by the City for debt service on the City Bonds, in the manner provided in the Bond Ordinance.

“Non-Ad Valorem Revenues” shall mean all legally available non-ad valorem revenues or taxes of the County (including ad valorem taxes to the extent the use thereof for securing bonds or other debt obligations of the County has been approved by referendum), which are legally available to make the payments required by this Interlocal Agreement, but only after provision has been made by the County for payment of services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the County or which are legally mandated by applicable law.

ARTICLE II

FLOW OF FUNDS AND PAYMENTS

SECTION 2.01. Payments by the County to the City.

The County hereby covenants and agrees to pay on or before each County Payment Date, commencing with the first County Payment Date, an amount equal to the amount of the respective County Payment due on such date, to the City to assist the City in paying a portion of the costs of the construction and equipping of the Baseball Facility, and following the issuance of the City Bonds, for deposit into the County's Payment Account held by the City.

SECTION 2.02. Payments by the City to the Debt Service Fund.

The City hereby covenants and agrees as follows:

(a) The City shall accept the monies delivered by the County pursuant to Section 2.01 hereof to assist the City in paying a portion of the costs of the construction and equipping of the Baseball Facility, and following the issuance of the City Bonds, the City shall deposit all subsequent County Payments into the County's Payment Account held by the City under the Bond Ordinance.

(b) After the date on which the City Bonds are issued, the City shall, on or before the first business day prior to the date upon which the monies on deposit in the County's Payment Account are to be transferred to the Debt Service Fund, transfer and deposit all amounts received from the County representing County Payments into the Debt Service Fund.

(c) The City shall on each payment date for the City Bonds pay from and exhaust all monies in the Debt Service Fund so deposited from the proceeds of the County Payments paid by and received from the County for the Debt Service Payments prior to using any other revenues of the City which are pledged for the repayment of the City Bonds.

SECTION 2.03 Payments by the County.

The obligation of the County to pay over to the City the County Payments is indebtedness of the County and this Interlocal Agreement is hereby issued by the County as evidence of such indebtedness. The County shall keep accurate books and records, and shall record the amount the County has transferred pursuant to Section 2.01 hereof to the City.

ARTICLE III

TERM AND MISCELLANEOUS

SECTION 3.01 Term.

This Agreement shall commence on December 1, 2000 (but only in the event that the City receives certification that the Baseball Facility constitutes a "facility for a retained spring training franchise" in accordance with Section 288.1162(5), Florida Statutes), and shall terminate at midnight on the earliest date on which (i) the final County Payment is made in accordance with this Agreement, (ii) the Bonds are retired in full or legally defeased, or (iii) the City issues bonds to refund, in full, the City Bonds, and the County elects, at its option, to terminate any further County Payments hereunder. On the date that the City Bonds are retired in full or otherwise legally defeased in accordance with the Bond Ordinance, any County Payments not then paid or due shall thereafter be canceled, and no further County Payments by the County shall be required hereunder.

SECTION 3.02 Filing and Effective Date.

This Agreement shall become effective upon (i) the execution of this Agreement by the proper officers of the City and the County as of the date set forth above and (ii) upon the filing with the Clerk of the Circuit Court of Pinellas County, Florida as required by Section 163.01(11), Florida Statutes.

SECTION 3.03 Severability.

If any one or more of the covenants, agreements or provisions of this Agreement should be held contrary to any express provision of law or contrary to any policy of expressed law and held invalid, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separate from the remaining covenants, agreements or provisions of this Agreement which shall remain fully enforceable.

SECTION 3.04 Controlling Law; Members of City and County Not Liable.

All covenants, stipulations, obligations and agreements of the City and the County contained in this Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the City and the County, respectively, to the full extent authorized by the Act and provided by the Constitution and laws of the State of Florida. No covenant, stipulation, obligation or agreement contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member of the governing body or agent or employee of the City or the County in its, his or their individual capacity, and neither the members of the governing body of the City or the County nor any official executing this Agreement shall be liable personally or shall be subject to any accountability by reason of the execution by the City or the County of this Agreement or any act pertaining hereto.

SECTION 3.05 Miscellaneous.

A. Budget and Appropriation by the County. The County shall include in its annual budget and appropriate, sufficient legally available Non-Ad Valorem Revenues of the County, for the timely payment of all County Payments due to be made in each fiscal year at such times as shall be

required. In no event shall the County be required to make any payments required hereunder except from funds duly budgeted and appropriated in accordance with this Section 3.05. Such covenant and agreement on the part of the County shall be cumulative and shall continue until all County Payments shall have been budgeted, appropriated and actually paid. The County agrees that this covenant and agreement shall be deemed to be entered into for the benefit of the holders of the City Bonds and that this obligation may be enforced in a court of competent jurisdiction. Notwithstanding the foregoing or any provision of this Interlocal Agreement to the contrary, the County does not covenant to maintain any services or programs now maintained or provided by the County, including those programs and services which generate Non-Ad Valorem Revenues. This covenant and agreement shall not be construed as a limitation on the ability of the County to pledge all or a portion of such Non-Ad Valorem Revenues for other legally permissible purposes. Nothing herein shall be deemed to pledge ad valorem taxation revenues or to permit or constitute a mortgage upon any assets owned by the County and no person may compel the levy of ad valorem taxes on real or personal property within the boundaries of the County for the payment of the County's obligations hereunder. The City Bonds and the obligations of the County hereunder shall not be or constitute general obligations or indebtedness of the County as "bonds" within the meaning of the Constitution of the State of Florida, and no holder or holders of any City Bonds shall ever have the right to compel the exercise of the ad valorem taxing power of the County or taxation in any form of any real or personal property therein.

However, the covenant to budget and appropriate in its general annual budget for the purposes and in the manner stated herein, has the effect of making available for the payment of the obligations of the County the Non-Ad Valorem Revenues of the County in the manner provided herein and placing on the County a positive duty to appropriate and budget, by amendment, if necessary, amounts sufficient to meet its obligations hereunder; subject, however, in all respects to the restrictions of Chapter 125, Florida Statutes, which makes it unlawful for any county to expend moneys not appropriated and in excess of such county's current budgeted revenues. The obligation of the County to make such payments from its Non-Ad Valorem Revenues is subject to the availability of money in the treasury of the County and funding requirements for essential services of the County; however, such obligation is cumulative and would carry over from Fiscal Year to Fiscal Year. The County further covenants that this Interlocal Agreement shall be entered into for the benefit of the holders of the City Bonds and that the obligations of the County to pay the County Payments to the City may be enforced in a court of competent jurisdiction in accordance with the remedies set forth herein.

Notwithstanding the foregoing, the City recognizes that the County intends, but is not required, to utilize the County's tourist development tax revenues levied pursuant to Section 125.0104, Florida Statutes, to fund each years' appropriation for County Payments.

B. Annual Budgets. The County shall prepare, approve and adopt each year, in the manner provided by law, a detailed annual budget pursuant to which it shall allocate, appropriate and provide for the deposits and payments of sufficient legally available Non-Ad Valorem Revenues of the County for the ensuing Fiscal Year required by this Agreement. The covenant and agreement by the County to

budget and appropriate such amount shall be cumulative and shall continue each Fiscal Year until all required County Payments have been budgeted, appropriated and actually paid by the County to the City for deposit as provided herein.

C. Reports and Annual Audits. The County shall, as soon as practicable after the end of each Fiscal Year, cause the books, records, accounts and the data relating to the County Payments for such Fiscal Year to be properly audited by an independent certified public accountant of recognized standing.

D. Enforcement of Collections. The County is currently authorized to receive sufficient legally available non ad-valorem revenues to enable it to budget and appropriate the County Payments. The County will diligently enforce its right to receive such revenues and will not take any action which will impair or adversely affect its right to receive such funds or impair or adversely affect in any manner its obligations hereunder. The County shall be unconditionally and irrevocably obligated to take all lawful action necessary or required to enable the County to receive sufficient revenues to so budget and appropriate the County Payments as now permitted or provided by law or as may later be authorized, and to make the transfers required by this Agreement.

E. Reduction of Non-Ad Valorem Revenues. During such time as the obligations of the County to make County Payments hereunder are outstanding, the County covenants that it will not reduce the rate or rates at which any Discretionary Non-Ad Valorem Revenues are charged or collected if such reduction, in and of itself, would cause, Non-Ad Valorem Revenues in such Fiscal Year to be less than 120% of the debt service in such year on debt payable from Non-Ad Valorem Revenues, including for this purpose, the County Payments. "Discretionary Non-Ad Valorem Revenues" means any component of the Non-Ad Valorem Revenues as to which the County has the authority to determine the rate or rates charged or collected. Notwithstanding the foregoing or any provision of this Interlocal Agreement to the contrary, the County shall not be prohibited from reducing Non-Ad Valorem Revenues if such reduction is required by the laws of the State of Florida or the United States of America.

F. City Covenant as to Use of Baseball Facility. The City and the County recognize that the Baseball Facility constitutes a facility for a retained spring training franchise and as such is a facility which may be financed, in whole or in part, with the proceeds of the County's tourist development tax. In the event the Baseball Facility ceases to be used by the Team, or another major league baseball club, as its spring training facility, the City will notify the County in writing of any proposed alternate use of the Baseball Facility, which use will be restricted to a use which may be financed with the proceeds of the tourist development tax as set forth in Section 125.0104, Florida Statutes; provided however, that prior to any change in the use of the Baseball Facility, the County will have provided written notice to the City either that (i) the County agrees that such alternate use is for a use that may be financed with tourist development taxes, (ii) the County agrees that the proposed alternate use is in the best interest of the City and the County and will utilize a funding source other than appropriations of tourist development tax

revenues to fund its annual appropriation of County Payments, or (iii) the County will require the City to retire or refund the City Bonds prior to implementing any such proposed change in use of the Baseball Facility. In the event the Baseball Facility ceases to be used for baseball spring training activities or an alternate use permitted by Section 125.0104, Florida Statutes, and it is determined that the City's use of the Baseball Facility is not in accordance with the covenants of the City set forth in this Section 3.05(F), the County shall give the City written notice of such impermissible use, and the City shall have a period of sixty (60) days after receipt of such notice to change the use of the Baseball Facility to a permitted use, and if the City fails to conform the use of the Baseball Facility within such period to a use permitted by this Section 3.05(F), the County shall be entitled to enforce the City's covenant set forth in this section 3.05(F).

SECTION 3.06 Modification or Amendment.

This Agreement may be amended with the written consent of the County and the City.

SECTION 3.07 Fees, Costs and Expenses.

The City hereby agrees to pay or reimburse the County for all reasonable fees, costs and expenses incurred by the County with respect to the negotiation, execution and delivery of this Agreement, including, without limitation, fees and expenses of bond counsel or other outside counsel, its financial advisor, and all similar fees, costs and expenses, including the costs of validation.

SECTION 3.08 Marketing of Baseball Facility.

The County hereby agrees to assist, where feasible, the City in any and all efforts to market the Baseball Facility by the City to potential users thereof. The City hereby agrees to require, as part of any licence, use or similar agreement with the Team or any other major league baseball team for the use of the Baseball Facility, a provision that the Team or such other major league baseball team will be required to provide equivalent dollar value in the form of marketing trade out opportunities for each County Payment made hereunder. Marketing trade out opportunities may include, but are not limited to, destination advertising (both traditional and internet), tourism public relations campaigns, tourism direct sales activities and/or other programs mutually agreed upon between the Pinellas County Convention and Visitors Bureau and the Team or such other major league baseball team then using the Baseball Facility. The County acknowledges that the marketing program shall be the sole responsibility of the Team or such other major league baseball team then using the Baseball Facility.

IN WITNESS WHEREOF, the parties hereto have entered into this Agreement as of the day and year first above written.

#38 INTERLOCAL AGREEMENT WITH CITY OF CLEARWATER RE COUNTY'S FINANCIAL COMMITMENT OF TOURIST DEVELOPMENT FUNDS TO SPRING TRAINING BASEBALL FACILITY - APPROVED FOR EXECUTION

Interim County Administrator D. Gay Lancaster recommended approval of an Interlocal Agreement with the City of Clearwater re the County's financial commitment of Tourist Development funds to the spring training baseball facility, as outlined in her agenda memorandum dated December 19, 2000.

Director of the Department of Management and Budget Mark Woodard presented an update of the agreement and in response to queries by the members, reviewed the financial obligations of the parties.

Responding to queries by the members, City of Clearwater General Services Administrator Keith Ashby reviewed the particulars of the contract and explained the site issues.

Commissioner Latvala moved, seconded by Commissioner Welch and carried, that the recommendation of the Interim County Administrator be approved.

01/08/01 Returned to Co. Atty's off for corrections to document.
01/10/01 Per Della Wisoker, Co. Atty. Susan Churute advised as agent is not County document, execute as is.
1-11-01 I ^{agreement} sent to Recording At Chris Beach, Recording services.

Florida Department of Economic Opportunity Annual Spring Training Report 2023

Submitted by the City of Clearwater

Phillies

Economic Impact of the Philadelphia Phillies Spring Training in Clearwater, Florida 2023

Utilizing the data and methodology in the “2009 Major League Baseball Florida Spring Training Economic Impact Study Report,” June 2009 by the Florida Sports Foundation and the Bonn Marketing Research Group, Inc., the following represents the estimated Economic Impact to Clearwater just resulting from Direct Spending associated with the Philadelphia Phillies Spring Training. Please note this does not include the impact to labor income and employment in Clearwater as a result of Spring Training.

The attendees, for this purpose, are separated into five category types:

- **Out-of-State-Primary Purpose:** This indicates a visiting party from outside of Florida that came to the area expressly for the Philadelphia Phillies Spring Training.
- **Out-of-State-Other Purpose:** This indicates a visiting party from outside of Florida for that came to the area for another purpose but attended Spring Training activities.
- **Non-County-Primary Purpose:** This indicates attendance from another County in Florida that visited expressly for Phillies Spring Training.
- **Non-County-Other Purpose:** This indicates attendance to Pinellas County for another purpose but included Spring Training activities.
- **Local:** These include all Pinellas County residents.

Total attendance for the Philadelphia Phillies Spring Training was **135,419**.

The results are as follows:

Approximately 23.12% are Out-of-State Primary Purpose	31,309
Number of Out-of State Parties (Average party size= 3 people)	10,436
Cumulative number of nights stayed (Average stay is 7.53 nights)	78,585
Average expense for out-of-area expenses (\$371.28 per party) per day	\$29,188,927
Approximately 24.94% are Out-of-State Other Purpose	33,773
Number of Out-of State Parties (Average party size= 3.08 people)	10,965
Cumulative number of nights stayed (Average stay is 9.66 nights)	105,926
Average expense for out-of-area expenses (\$395.43 per party) per day	\$41,886,307
Approximately 24.22% are Non-County Primary Purpose	32,798
Number of Non-County Parties (Average party size= 2.81 people)	11,672
Cumulative number of nights stayed (Average stay is .39 nights)	4,552
Average expense for out-of-area expenses (\$171.73 per party) per day	\$781,733

Approximately 3.55% are Non-County Other Purpose	4,807
Number of Non-County Parties (Average party size= 2.68 people)	1,794
Cumulative number of nights stayed (Average stay is 3.36 nights)	16,153
Average expense for out-of-area expenses (\$314.00 per party) per day	\$5,071,972
Approximate Number of Local Attendees	32,737
Estimated Direct Expenditures of Local Residents associated with Attendance (\$50)	\$1,636,857
Estimated Total Direct Expenses by Attendees	\$78,565,796

Using the total direct expenses above, the indirect and induced effect was estimated using the multiplier provided in the above reference report to estimate a total economic impact resulting from Direct Expenses. Indirect effect indicates the secondary impact caused by changing input of needs of directly affected industries, and Induced effect is caused by the changes in household spending due to additional employment generated by direct and indirect spending.

	Direct Spending	Indirect	Induced	Total Economic Impact	Multiplier
Out-of-State Primary Purpose	\$29,188,927	\$9,928,206	\$10,499,614	\$49,616,748	1.70
Out-of-State Other Purpose	\$41,886,307	\$14,247,043	\$15,067,017	\$71,200,368	1.70
Non-County Primary Purpose	\$781,733	\$285,304	\$285,304	\$1,352,340	1.73
Non-County Other Purpose	\$5,071,972	\$1,748,956	\$1,748,956	\$8,569,884	1.69
Local Attendees	\$1,636,857	\$564,433	\$564,433	\$2,765,724	1.69
	\$78,565,796	\$26,773,943	\$28,165,324	\$133,505,064	

The total economic impact as a result of Direct Spending during the 2023 Philadelphia Phillies spring training is estimated to be **\$133,505,064**.

Spectrum Field- Spring Training Facility Expenses Through FY2022-2023

- Stadium Construction (Completed 2003):

State	\$8,200,000
Pinellas County	\$8,200,000
City of Clearwater	\$5,600,000
Phillies	\$12,900,000
<u>Total</u>	<u>\$34,900,000</u>

- Capital Improvements, Operating Expenses and Salaries, FY2003-2004 through FY 2022-2023

(City of Clearwater Cost Code 1888*1883)

\$29,580,564

ELIGIBILITY REQUIREMENTS

1. A verified copy of signed agreement with the spring training franchise for the use of the facility for a term of at least 15 years.
 - *A copy has been provided and the term is greater than 15 years.*
2. Financial commitment to provide 50% or more of the funds required by an agreement for the acquisition, construction, or renovation of the spring training facility.
 - *The total project cost just for construction was \$34,900,000. OTTED provided \$8,200,000.*
3. Projected paid attendance, verified by OTTED, which demonstrate that the facility will attract a paid attendance of at least 50,000 annually.

- *Spring Training Attendance was the following:*

2004:	113,037
2005:	104,693
2006:	105,382
2007:	121,519
2008:	114,715
2009:	133,620
2010:	136,523
2011:	143,226
2012:	157,892
2013:	142,806
2014:	121,915
2015:	132,633
2016:	112,781
2017:	128,236
2018:	124,824
2019:	129,889
2020:	69,587 [†]
2021:	31,019
2022:	45,680
2023:	135,419

Note these do not include other paid attendance events held at the facility.

† 2020 Spring Training Attendance previously unreported due to COVID-19 delay.

4. The facility is located in a county that is levying a tourist development tax.
 - *Pinellas County levies a 6% tourist development tax.*
5. A unit of local government, i.e., city, county, must be responsible for the acquisition, construction, management, or operation of the new facility or holds title to the property on which the facility is located.
 - *The City of Clearwater is responsible for the acquisition of the land, construction, management,*

and operation of the facility, and holds title to the property.

CITY OF CLEARWATER, FLORIDA
ANNUAL COMPREHENSIVE FINANCIAL REPORT
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2022

ON THE COVER

Crest Lake Park, located at 201 S. Glenwood Ave., underwent a \$6.4 million renovation to become one of the city's signature parks. The project was funded through the city's BP Deepwater Horizon oil spill settlement money.

Visitors can now enjoy a variety of new amenities including wider sidewalks around the lake and through the park, new lighting, irrigation, landscaping and grassing, four new play areas including a splash pad, restrooms, two picnic shelters, improvement to the shoreline, a lighted fountain in the lake, rain gardens to filter stormwater, an arboretum, lakeside scenic boardwalks and decks, two sand volleyball courts and improved parking areas.

TELEPHONE (727) 562-4040 FAX (727) 562-4052

CITY MANAGER

April 28, 2023

The Honorable Mayor, Councilmembers,
and Citizens of the City of Clearwater:

The City of Clearwater Charter (Section 2.01(c)3), Florida Statutes, and various covenants relating to debt and pension obligations of the City require an annual audit of the financial statements of all funds of the City by a firm of licensed certified public accountants. These statements must be presented in conformity with generally accepted accounting principles (GAAP) and audited in accordance with generally accepted auditing standards (GAAS). Pursuant to these requirements we hereby issue the annual comprehensive financial report of the City of Clearwater for the fiscal year ended September 30, 2022.

This report consists of management's representations concerning the finances of the City. Consequently, management assumes full responsibility for the completeness and reliability of all the information presented in this report. To provide a reasonable basis for making these representations, management of the City has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the City's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the City's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

Carr Riggs Ingram, a firm of licensed certified public accountants, has audited the City's financial statements. The goal of the independent audit was to provide reasonable assurance that the financial statements of the City for the fiscal year ended September 30, 2022, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded that there was a reasonable basis for rendering an unmodified opinion that the City's financial statements for the fiscal year ended September 30, 2022, are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of the report.

The independent audit of the financial statements of the City was part of a broader, federally mandated "Single Audit" designed to meet the special needs of federal and state grantor agencies. The standards governing Single Audit engagements require the independent auditor to report not only on the fair presentation of the financial statements, but also on the audited government's internal controls and compliance with legal requirements, with special emphasis on internal controls and legal requirements involving the administration of federal and state awards. These reports are in the Single Audit section of this report.

Brian J. Aungst Sr., Mayor

Mark Bunker, Councilmember
Kathleen Beckman, Councilmember

David Allbritton, Councilmember
Lina Teixeira, Councilmember

"Equal Employment and Affirmative Action Employer"

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of the Management's Discussion and Analysis report (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City's MD&A can be found immediately following the report of the independent auditors.

Profile of the City of Clearwater, Florida

Clearwater is located on the Pinellas Peninsula on Florida's west coast. It is directly located on the Gulf of Mexico, 20 miles west of Tampa and 20 miles north of St. Petersburg. Clearwater is the county seat of Pinellas County and one of the largest cities in the Tampa Bay area. The Clearwater area offers a semitropical climate and 28 miles of beautiful beaches. Consequently, tourism is an important component of the economy. In addition to tourism and its related hospitality and service sectors, Clearwater enjoys a diversity of manufacturing businesses; professional, financial, and insurance service industries; high-tech companies; corporate headquarters; and a growing healthcare ecosystem.

The City operates under the council/manager form of government. Policymaking and legislative authority are vested in the City Council, which consists of a mayor and four members elected at large on a non-partisan basis. The City Council is responsible for adopting ordinances, adopting the budget, and hiring the City Manager and City Attorney. The City Manager is responsible for carrying out the policies and ordinances of the City Council, for overseeing the day-to-day operations of the City, and for appointing the heads of the City's departments.

The City provides police and fire protection; construction and maintenance of streets, bridges, sidewalks, storm drainage, public parks, and recreation facilities; planning, zoning, subdivision, and building code regulation and enforcement; redevelopment of commercial and residential neighborhoods; supervised recreation programs; public libraries; water supply and distribution; waste water collection, treatment, and disposal; natural gas distribution; solid waste collection and recycling; stormwater management; marina, airpark, downtown boat slips, and public fishing pier operations; and operation of the city-wide parking system.

The annual budget serves as the foundation for the City's financial planning and control. Per the City Code of Ordinances, the City Manager is required to provide to the City Council an operating budget for the ensuing fiscal year, a capital improvement budget, and a five-year capital improvement program, along with an accompanying budget message no later than 60 days prior to the end of the fiscal year. The Council is required to hold public hearings on the budget and to adopt a final operating budget and capital improvement budget no later than September 30, the last day of the City's fiscal year. The appropriated budget is prepared by fund and by department within fund.

After five consecutive years of decline in City taxable property values, we have now experienced ten consecutive years of increases: 3.3%, 6.0%, 6.6%, 7.4%, 8.3%, 9.6%, 6.7%, 6.8%, 5.4% and 13.2% increases for January 1, 2013 thru January 1, 2022 tax rolls, respectively.

The unemployment rate for the Tampa metro area at September 30, 2022 was 2.5% versus 3.7% at September 30, 2021, which compared favorably to the national rate of 3.5% and the state unemployment rate of 2.7% as of September 30, 2022. Local tourism was significantly impacted by COVID-19, but has recovered to exceed pre-COVID levels. We remain optimistic that pent-up travel demand and the attractiveness of domestic vacation destinations will continue to fuel the strong demand in area tourism.

Clearwater Beach remains one of the nation's most unique travel destinations. The City's Beach by Design Redevelopment Plan, anchored by Beach Walk, resulted in significant economic redevelopment on Clearwater Beach. Beach Walk is a winding beachside promenade that stretches from north to south beach and features lush landscaping, artistic touches, and clear views of the water line. It is a walkable destination that connects people to the beach, and nearby restaurants and shops. It is one of the reasons that Clearwater Beach was ranked the #1 beach in the United States and #6 in the world by TripAdvisor.

Long-term Financial Planning

Financial planning continues to be of critical importance to the City in meeting the challenges of both the immediate and foreseeable future. City staff and the City Council annually participate in a Strategic Planning council meeting to review priorities and financial condition in preparation for the annual budget process. This includes a review of current long-term forecasts for the General Fund and major utility funds. The City annually

updates a General Fund Financial Sustainability Analysis that includes a ten-year forecast of General Fund revenues and expenditures. Similar rate studies for the major utility funds are performed at least every five years, and provide similar ten-year forecasts presented to City Council by the rate study consultant.

Major projects undertaken by the City will continue to have long term financial implications for existing as well as future resources and revenues. The planning and decisions undertaken by the City are always evaluated in the context of the financial burden that will be placed on both current and prospective residents, as well as the potential economic and environmental impacts.

Relevant Financial Policies

It is a policy of the City Council to maintain a minimum fund balance in the General Fund equal to eight and one-half percent (8.5%) of the subsequent year's budgeted expenditures to meet unanticipated financial needs. Per Council policy, excess funds may be appropriated by the City Council for specific capital improvement projects or other one-time needs.

It is a policy of the City Council that all enterprise fund operations shall be self-supporting. Council policy requires a review of rate schedules every five years, at a minimum, to help ensure that enterprise funds are self-supporting. Additionally, Council policy requires that unrestricted fund balances of the utility enterprise funds be maintained at a level equivalent to the greater of six months of operation and maintenance expenses, or other minimum reserve levels indicated in the current rate study for the utility enterprise fund. The minimum reserve level for non-utility enterprise funds is three months of operation and maintenance expenses.

Major Initiatives

The City continues to proactively fund capital projects to support the City's five utility operations, which consist of Water and Sewer, Stormwater, Solid Waste, Recycling, and Gas Utility operations. A total of \$51.2 million is budgeted for utility capital projects for fiscal year 2023 with a total of \$370.2 million budgeted over the next six years.

Downtown Clearwater is experiencing a period of rebirth, as the sleepy downtown undergoes a transformation, due to the activation of local art, activities at Station Square Park, and a full roster of events and activities happening in the heart of Downtown Clearwater all year long. The downtown area is well-poised to continue its growth, largely due to the long-anticipated waterfront redevelopment and grand re-opening of Coachman Park this Summer of 2023.

Additionally, the City is embarking on a significant development of the downtown waterfront bluff area. In November 2022, Clearwater residents voted in favor of the redevelopment of two prime downtown waterfront city-owned sites, which will offer mixed-use retail and residential uses. A development agreement for the properties includes a 158-room hotel, construction of 500-600 apartments, new dining and retail options, new event and green space, and additional parking. These additions to Clearwater's downtown are expected to spearhead strong economic redevelopment of the downtown area. Finally, in addition to the downtown and beach areas, U.S. Highway 19 – a major north-south corridor through the heart of the city – is experiencing rapid redevelopment.

The North Marina Master Plan initial phase is concluded and includes new parking, improved design and landscape of existing parking areas, expanded public use and amenity areas, additional open space, and enhanced decorative lighting.

The ULI initiatives remain a high priority for the City during fiscal year 2022. Additional related projects remaining include streetscaping in the Downtown Gateway, construction of a festival core in the same area, and Complete Streets planning initiatives. North Ward Elementary School has been acquired and is in the early planning stages of an adaptive reuse that will renovate and preserve the historic structures of this beloved 100-year-old building in the North Marina Area. These projects and others are of a size and substance to redefine the face of downtown and surrounding areas.

Another major initiative includes advancing the City's sustainability and resiliency efforts per Council's fiscal 2021 adoption of the City's "Greenprint 2.0", which is an update to the original Clearwater Greenprint plan adopted in 2011. Greenprint 2.0 is a sustainability plan that defines overarching goals and objectives, as well as specific

actions, to improve Clearwater's environment, economy, resilience, and public health while reducing the city's greenhouse gas emissions. Goals include the reduction of city-wide greenhouse gas emissions to 25% below 2007 levels by the year 2035 and 80% below 2007 levels by the year 2050. Additional goals include replacement of 100% of the City's light-duty vehicles with electric or carbon-free fuel vehicles by 2050, as well as 50% of the City's heavy-duty and freight trucks.

Finally, a major redevelopment initiative is the creation of a new tax increment financing district for the area directly north of the downtown district, commonly referred to as the North Greenwood area. A series of community meetings were held over the past year to solicit citizen input, culminating in City Council approval of the new Community Redevelopment Agency (CRA) Redevelopment Trust in February 2023. Additionally, City Council has provided \$5 million in ARPA-related funding for the new tax increment district to ensure it gets off to a strong and productive start.

Awards and Acknowledgements

The Government Finance Officers Association (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City for its annual comprehensive financial report for the fiscal year ended September 30, 2021. This was the 43rd consecutive year that the City received this prestigious award. In order to be awarded a Certificate of Achievement, the government published an easily readable and efficiently organized annual comprehensive financial report. This report satisfied both GAAP and applicable legal requirements. A Certificate of Achievement is valid for a period of one year only. We believe that our current financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

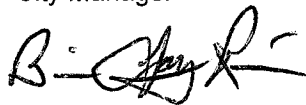

In addition, the City received the GFOA's Distinguished Budget Presentation Award for the fiscal year 2022 Budget document, the 36th consecutive year that this award has been received. In order to qualify, the City's Budget document was judged to be proficient in several categories including as a policy document, a financial plan, an operations guide, and a communications device.

We wish to thank the many members of the Citywide Audit Team, which is composed of individuals in the Finance Department and other financial staff throughout the City, for their professionalism and dedication in producing this report. A special thank you goes to Monica Mitchell, Assistant Finance Director, for her leadership in completion of this report. Sincere appreciation is also extended to the City's external auditors, Carr Riggs Ingram, for their advice and assistance in the preparation of this report. Finally, we would like to thank the City Council for their interest, continued support, and leadership in planning and conducting the financial operations of the City in a progressive and responsible manner.

Sincerely,

Jennifer Poirrier
City Manager

INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor and City Council Members
City of Clearwater, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Clearwater, Florida (the "City"), as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents. We have also audited the financial statements of each of the City's nonmajor governmental funds, nonmajor enterprise funds, internal service funds and fiduciary funds presented as supplementary information in the accompanying combining and individual fund statements as of and for the year ended September 30, 2022, as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Clearwater, Florida, as of September 30, 2022, and the respective changes in financial position and, where applicable, cash flows thereof, and the respective budgetary comparison for the General Fund and the Special Development Fund, for the year then ended in accordance with accounting principles generally accepted in the United States of America. In addition, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each of the nonmajor governmental funds, nonmajor enterprise funds, internal service funds, and fiduciary funds of the City of Clearwater, Florida as of September 30, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of a Matter

Change in Accounting Principle

As discussed in Note I.F. to the financial statements, in the current year the City of Clearwater, Florida adopted new accounting guidance, GASB No. 87, *Leases*. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- ∃ Exercise professional judgment and maintain professional skepticism throughout the audit.
- ∃ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- ∃ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- ∃ Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- ⊞ Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The accompanying combining and individual nonmajor fund financial statements and schedules, the schedule of receipts and expenditures of funds related to the deepwater horizon oil spill, and the schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and Chapter 10.550, *Rules of the Auditor General*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and schedules, the schedule of receipts and expenditures of funds related to the deepwater horizon oil spill, and schedule of expenditure of federal awards and state financial assistance are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

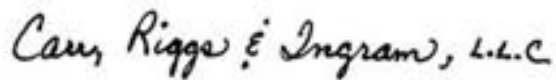

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditors' report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 28, 2023, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

A handwritten signature in black ink that reads "Carr, Riggs & Ingram, L.L.C." The signature is written in a cursive, slightly slanted style.

Clearwater, Florida

April 28, 2023

Management's Discussion and Analysis

This *Management's Discussion and Analysis* report provides the reader with a narrative overview and analysis of the financial activities of the City for the fiscal year ended September 30, 2022. *Management's Discussion and Analysis (MD&A)* should be read in conjunction with the City's *Transmittal Letter*, which begins on page v of this report.

Financial Highlights

- The City's assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources at the close of fiscal year 2022 by \$1.3 billion (*net position*). Of this amount, \$621.4 million (*unrestricted net position*) may be used to meet the government's ongoing obligations to citizens and creditors.
- The City's total net position increased by \$15.2 million, or 1.2%, from the prior year's net position. Net position for governmental activities increased by \$14.4 million, or 2.3%, while the business-type net position increased by \$749 thousand, or 0.12%.
- Governmental net position increased \$14.4 million in fiscal 2022, versus an increase of \$87.8 million in fiscal 2021. An increase of \$78.1 million in governmental program expenses, most significantly in the public safety, culture and recreation, and transportation programs, offset by an increase in governmental program revenues of \$22.6 million, resulted in an increase in net program expenses of \$55.5 million. Total general revenues for governmental activities decreased by \$16.5 million, or 13.2%, primarily due to a decrease of \$25.2 million in investment earnings due to a decrease in market valuation of the City's investment portfolio due to rising interest rates, offset by a \$3.7 million increase in property taxes, a \$3.3 million increase in sales taxes, and a \$1.1 million increase in state revenue sharing. Transfers from business-type activities decreased \$1.3 million.
- Business-type net position increased \$749 thousand in fiscal 2022, versus an increase of \$35.1 million in fiscal 2021. Net revenue from business-type activities, before investment earnings and transfers, decreased \$5.9 million, or 12.7%, as the result of an increase in program expenses of \$21.6 million, offset by an increase in charges for services of \$13.1 million and an increase in grants and contributions of \$2.6 million. The most significant increase in charges for services was in the Water & Sewer Utility (\$5.6 million), where charges for services increased as a result of a 4% rate increase effective October 1, 2021; the Gas Utility (\$4.3 million) where charges for services increased due to a new rate structure with rate increases effective March 1, 2021 and March 1, 2022; the Solid Waste Utility (\$1.5 million) due to a rate increase of 3.75% effective October 1, 2021; and the Marine Fund (\$1.2 million) due to increased resale revenues resulting from higher fuel costs as well as slip rental increases effective May 2022. General revenues decreased \$29.8 million due to a decrease in market valuation of the City's investment portfolio due to rising interest rates. Transfers to governmental activities decreased \$1.3 million.
- As of September 30, 2022, the City's governmental funds reported combined ending fund balances of \$194.2 million, an increase of \$15.5 million, or 8.7%, in comparison with the prior year. Of this amount, \$58.5 million (or 30.1%) is *available for spending* at the government's discretion (*unassigned fund balance*).
- As of September 30, 2022, unrestricted fund balance (the total of the *committed*, *assigned* and *unassigned* components of *fund balance*) for the general fund was \$58.5 million, or 40.5% of total fiscal 2022 general fund expenditures.
- Total outstanding long-term liabilities increased \$12.7 million from the prior year, primarily due to an increase in bonds payable in the amount of \$16.4 million and an increase in the net pension liability of \$7.0 million, and an increase in the liability for compensated absences of \$320 thousand; offset by a decrease in lease obligations of \$521 thousand, a decrease in claims payable of \$325 thousand, a decrease in financed purchase agreements of \$5.8 million and a decrease in the liability for other postemployment benefits of \$4.5 million.

Overview of the Financial Statements

This discussion and analysis (MD&A) is intended to serve as an introduction to the City of Clearwater's *basic financial statements*. The City's basic financial statements are comprised of three components: 1) *government-wide financial statements*, 2) *fund financial statements*, and 3) *notes to the financial statements*. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The government-wide financial statements are the *statement of net position* and the *statement of activities*. These statements report information about the City as a whole using accounting methods similar to those used by private-sector businesses. Emphasis is placed on the net position of *governmental activities* and *business-type activities*, and the *change in net position*. Governmental activities are principally supported by taxes and intergovernmental revenues. Governmental activities include most of the City's basic services, including police, fire, public works, parks and recreation, and general administration. Business-type activities are intended to recover all or a significant portion of their costs through user fees and charges. The City's water and sewer system, stormwater system, gas system, solid waste and recycling, marine, aviation, Clearwater Harbor Marina, and parking system operations are reported as business-type activities.

- The *statement of net position* presents information on all of the City's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator as to whether the financial position of the City is improving or deteriorating. Net position is reported in three major categories: 1) net investment in capital assets; 2) restricted; and 3) unrestricted.
- The *statement of activities* presents information showing how the City's net position changed as a result of the year's activities. All changes in net position are recorded in the period in which the underlying event takes place, which may differ from the period in which cash is received or disbursed. The Statement of Activities displays the expense of the City's various programs net of related revenues, as well as a separate presentation of revenues available for general purposes.

The government-wide financial statements include not only the City of Clearwater itself but also the Clearwater Redevelopment Agency (CRA). The CRA, though legally separate, is reported as part of the *primary government* as a *blended* component unit because the City Council serves as the CRA's governing board and City management has operational responsibility for the CRA.

Fund Financial Statements

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The fund financial statements provide detailed information about the City's major funds – not the City as a whole. *Fund accounting* helps to ensure and demonstrate *compliance* with finance-related legal requirements. Based on restrictions on the use of monies, the City has established many funds that account for the multitude of services provided to residents. These fund financial statements focus on the City's most significant funds: *governmental*, *proprietary*, and *fiduciary*.

Governmental funds. *Governmental funds* are used to report most of the City's basic services. These funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. The funds focus on the *inflows and outflows of current resources* and the *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City maintains eleven individual governmental funds. Information is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenues, expenditures, and changes in fund balances for the

General, Special Development, Special Programs, and Capital Improvement funds, which are considered to be major funds. Data from the other seven governmental funds are combined into a single aggregated columnar presentation. Individual fund data for each of these nonmajor governmental funds is provided in *Combining and Individual Fund Statements and Schedules* section of this report.

Annual appropriated budgets are adopted for the General Fund, the Special Development Special Revenue Fund, and the Community Redevelopment Agency Special Revenue Fund. Budgetary comparison statements and/or schedules have been provided for these funds to demonstrate budgetary compliance.

The basic governmental fund financial statements can be found on pages 22-27 of this report.

Proprietary funds. The City maintains two different types of proprietary funds. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses enterprise funds to account for the fiscal activities related to water and sewer, gas, solid waste & recycling and stormwater utilities, along with marine, aviation, parking system, and Clearwater Harbor Marina downtown boat slip operations. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City uses internal service funds to account for the City's building maintenance, custodial services, self-insurance program, risk management program, employee group insurance, vehicle acquisition and maintenance, and various support activities including data processing, telecommunications, and postal services. All of the City's internal service funds predominantly benefit governmental activities and consequently have been aggregated and included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the Water and Sewer Utility, Gas Utility, Solid Waste & Recycling Utility, and Stormwater Utility enterprise funds, which are considered to be *major* funds of the City. The remaining four *non-major* enterprise funds are combined into a single aggregated presentation in the proprietary fund financial statements. Similarly, governmental activity *internal service* funds are aggregated into a single presentation. Individual fund data for the non-major enterprise funds and the internal service funds is provided in the form of *combining statements* in the supplementary information section of this report.

The basic proprietary fund financial statements can be found on pages 28-39 of this report.

Fiduciary funds. *Fiduciary funds* are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of the fiduciary funds are not available to support the City's own programs. The accounting used for fiduciary funds is similar to proprietary funds.

The City of Clearwater maintains two different types of fiduciary funds. *Pension trust funds* are used to report resources held in trust for retirees and beneficiaries covered by the City's pension plans. A *custodial fund* is used to report resources held by the City in a custodial capacity for individuals, private organizations and other governments, such as the Clearwater Downtown Development Board.

The fiduciary fund statements can be found on pages 40-41 of this report.

Notes to the Financial Statements

The *notes to the financial statements* provide additional information that is essential for a full understanding of the information provided in the government-wide and fund financial statements, including the City's progress in funding its obligations to provide pension benefits and other post-employment benefits to its employees.

The notes to the financial statements can be found on pages 44-112 of this report.

Other Information

In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the City's progress in funding its obligations to provide pension benefits and other post-employment benefits to its employees.

Required supplementary information can be found on pages 113-119 of this report.

The *combining statements* referred to earlier in connection with non-major governmental funds, non-major enterprise funds, and internal service funds, are presented immediately following the required supplementary information.

Combining and individual fund statements can be found on pages 124-143 of this report.

Government-Wide Financial Analysis

The total net position of the City increased in both fiscal 2021 and fiscal 2022. As noted earlier, *net position* may serve over time as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$1.3 billion at the close of the fiscal year ended September 30, 2022. This represents an increase of \$15.2 million from the September 30, 2021 total net position of \$1.3 billion. The City reports positive balances in all three categories of net position, both for the government as a whole as well as for its separate governmental and business-type activities, for both the current year and the prior year, as indicated in the following table:

City of Clearwater, Florida - Net Position						
	Governmental Activities		Business-type Activities		Total	
	2022	2021	2022	2021	2022	2021
Assets						
Current and other assets	\$305,916,983	\$534,164,114	\$367,906,428	\$389,951,851	\$ 673,823,411	\$ 924,115,965
Capital and right to use assets	336,840,569	301,221,878	422,821,587	435,181,441	759,662,156	736,403,319
Total assets	<u>642,757,552</u>	<u>835,385,992</u>	<u>790,728,015</u>	<u>825,133,292</u>	<u>1,433,485,567</u>	<u>1,660,519,284</u>
Deferred Outflows of Resources						
	126,021,377	19,282,621	25,026,691	12,305,934	151,048,068	31,588,555
Liabilities						
Current and other liabilities	20,633,840	24,681,069	32,440,255	23,710,370	53,074,095	48,391,439
Long-term debt outstanding:						
Due within one year	16,246,953	14,631,732	2,925,032	7,835,406	19,171,985	22,467,138
Due in more than one year	69,101,852	40,652,449	144,022,024	159,099,549	213,123,876	199,751,998
Total liabilities	<u>105,982,645</u>	<u>79,965,250</u>	<u>179,387,311</u>	<u>190,645,325</u>	<u>285,369,956</u>	<u>270,610,575</u>
Deferred Inflows of Resources						
	21,215,210	147,538,435	10,173,276	21,349,200	31,388,486	168,887,635
Net position						
Net investment in capital assets	296,598,838	283,538,240	284,557,636	285,263,520	581,156,474	568,801,760
Restricted	53,555,294	295,043,664	11,607,679	48,861,477	65,162,973	343,905,141
Unrestricted	291,426,942	48,583,024	330,028,804	291,319,704	621,455,746	339,902,728
Total net position	<u>\$641,581,074</u>	<u>\$627,164,928</u>	<u>\$626,194,119</u>	<u>\$625,444,701</u>	<u>\$ 1,267,775,193</u>	<u>\$ 1,252,609,629</u>

A large portion of the City's net position (\$581.2 million or 45.8%) represents its net investment in capital assets (e.g., land, infrastructure, land improvements, buildings, and equipment, less any related outstanding debt used to acquire those assets). The City uses these capital assets to provide services to citizens, and consequently these assets are not available for future spending. Although the City's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other resources, since the capital assets themselves will not be used to liquidate these liabilities.

There was an increase of \$13.1 million (4.6%) in *net investment in capital assets* for *governmental activities* versus the previous year. The increase was due to a net increase of \$35.6 million in governmental capital and right to use assets for the current fiscal year, offset by an increase in related bonds payable of \$24.9 million net of unspent bond proceeds, an increase of \$1.7 million in accounts and contracts payable, a decrease of \$521 thousand in lease obligations, and a decrease of \$5.4 million in financed purchase agreements. The increase in governmental capital and right to use assets of \$35.6 million resulted from capital asset additions of \$57.9 million offset by depreciation expense of \$22.8 million, and

net capital asset retirements of \$850 thousand, in addition to a decrease in right to use assets of \$486 thousand, net of accumulated amortization.

Net investment in capital assets for business-type activities decreased by \$706 thousand (0.25%) versus the previous year due to a net decrease in business-type capital assets of \$12.3 million consisting of \$21.2 million of net capital asset additions, offset by \$23.1 million in current year depreciation expense, and net capital asset retirements of \$10.4 million, offset by an increase of \$2.0 million in accounts and contracts payable, and a decrease of \$13.6 million in related debt.

An additional portion of the City's net position (\$65.2 million or 5.2%) represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position (\$621.4 million or 49.0%) may be used to meet the government's ongoing obligations to citizens and creditors.

Changes in Net Position

The following table reflects the changes in net position for the years ended September 30, 2022, and September 30, 2021:

City of Clearwater, Florida - Changes in Net Position						
	Governmental Activities		Business-type Activities		Totals	
	2022	2021	2022	2021	2022	2021
Revenues						
Program revenues:						
Charges for services	\$ 50,827,327	\$ 46,394,836	\$ 217,723,842	\$ 204,663,545	\$ 268,551,169	\$ 251,058,381
Operating grants and contributions	31,434,799	12,539,474	83,528	83,232	31,518,327	12,622,706
Capital grants and contributions	1,821,315	2,595,410	5,182,740	2,545,672	7,004,055	5,141,082
General revenues:						
Property taxes	76,820,577	73,092,866	-	-	76,820,577	73,092,866
Sales taxes	26,167,426	22,841,758	-	-	26,167,426	22,841,758
Utility taxes	18,467,096	17,745,583	-	-	18,467,096	17,745,583

Governmental Activities

Net position of governmental activities increased by \$14.4 million from \$627.2 million to \$641.6 million as of September 30, 2022. This represents a 2.3% increase in net position for governmental activities.

Total expenses for governmental activities increased by \$78.1 million, or 71.2%, versus the prior year. Although increases were budgeted in every program due to rising personnel and operating costs, the most significant increases were experienced in the public safety program (\$58.2 million), the culture and recreation program (\$8.4 million) and the transportation program (\$6.3 million), largely due to a large increase in the net pension asset and related decrease in pension expense during fiscal 2021, and subsequent elimination of the net pension asset in fiscal year 2022 due to investment losses resulting from the investment market downturn.

Total program revenues for governmental activities increased by \$22.6 million, or 36.7%, versus the prior year. This increase was due to a \$4.4 million increase in charges for services and an increase in operating grants and contributions of \$18.9 million, offset by a decrease of \$774 thousand in capital grants and contributions. The increase in operating grants and contributions is primarily due to an increase in the general government program of \$19.0 million resulting from the recognition of \$22.5 million in Coronavirus State and Local Fiscal Recovery Funds (SLFRF) authorized by the American Rescue Plan Act (ARPA), offset by a decrease of \$3.0 million in the public safety program due to one-time grants received in fiscal 2021 from Pinellas County for CARES Act funding (\$2.0 million) as well as reimbursements from FEMA of \$1.3 million for Hurricane Irma.

Total general revenues for governmental activities decreased by \$16.6 million, or 13.2%, primarily due to a decrease of \$25.2 million in investment earnings due to a decrease in market valuation of the City's investment portfolio resulting from rising interest rates, offset by a \$3.7 million increase in property taxes, a \$3.3 million increase in sales taxes, and a \$1.1 million increase in state revenue sharing. Because the millage rate did not change from the previous year, the increase in property taxes is due to an increase in taxable property values of approximately 5.2%, including new construction. The bulk of the increase is due to increases in current values, while new construction and annexations account for a smaller portion of the increase. Transfers from business-type activities decreased \$1.3 million.

The cost of all governmental activities this year was \$187.7 million. This reflects an increase of \$78.1 million, or 71.2%, from the fiscal 2021 total of \$109.6 million. However, as shown on the *Statement of Activities*, the amount that the City's taxpayers ultimately financed for fiscal 2022 activities totaled \$103.6 million, because some of the cost was paid for by those who directly benefited from the programs (\$50.8 million) or by other governments and organizations that subsidized certain programs with grants and contributions (\$33.3 million). This total of \$103.6 million is \$55.5 million, or 115.4%, greater than the fiscal 2021 amount financed from general revenues. A large contributor to this increase was decreased fiscal 2021 pension expense due to a large increase in the net pension asset, along with fiscal 2022 elimination of the net pension asset, and increases in salaries and benefits for governmental operations City-wide.

**Expenses and Program Revenues - Governmental Activities
For the Year Ended September 30, 2022**

**Revenues by Sources - Governmental Activities
For the Year Ended September 30, 2022**

Business-type Activities

Net position for business-type activities increased by \$749 thousand, from \$625.44 million at September 30, 2021, to \$626.19 million as of September 30, 2022. This represents an increase of 0.12% in net position for business-type activities. Net revenue from business-type activities, before investment earnings and transfers, decreased from \$46.7 million for the prior year to \$40.8 million for fiscal 2022. This \$5.9 million, or 12.7%, decrease was primarily the result of an increase in program expenses of \$21.6 million, partially offset by an increase in charges for services of \$13.1 million and an increase in grants and contributions of \$2.6 million.

Total program revenues for business-type activities increased by \$15.7 million, or 7.6%, to \$223.0 million versus the prior year total of \$207.3 million, due primarily to an increase of \$13.1 million (6.4%) in charges for services primarily due to scheduled rate increases in the Water and Sewer, Gas, and Solid Waste Utility funds, and an increase of \$2.6 million (100.3%) in capital grants and contributions, primarily due to an increase in contributions from the City of Safety Harbor for improvements at the Northeast Wastewater Treatment Plant in the Water and Sewer Utility (\$3.2 million), offset by a decrease in funding from the Florida Department of Transportation for the Hangar C Replacement project at the Clearwater Airpark in the Aviation Fund (\$441 thousand) as a result of project completion in fiscal 2022.

Total expenses for business-type activities increased by \$18.4 million, or 11.5%, from \$160.6 million in fiscal 2021 to \$179.0 million for fiscal 2022. The most significant increases are in the Water & Sewer Utility (\$15.2 million), the Gas Utility (\$6.1 million) and the Marine Fund (\$1.6 million), offset by a decrease of \$1.8 million in the Stormwater Utility. A significant contributor to the increases was a prior year large increase in the net pension asset, and related decrease in pension expense, versus an elimination of the net pension asset in fiscal 2022 due to the investment market downturn. Transfers to governmental activities decreased \$1.3 million, or 12.6%.

Financial Analysis of the City's Funds

As noted earlier, the City uses *fund accounting* to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the City's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. The City reports the General Fund, Special Development Fund, Special Programs Fund, and Capital Improvement Fund as *major* governmental funds.

The City's governmental funds for the year ended September 30, 2022, reflect a combined *fund balance* of \$194.2 million versus \$178.6 million for the prior year, an increase of \$15.5 million. A total of \$58.5 million, or 30.11%, represents *unassigned fund balance* available for spending at the government's discretion. The remainder of the fund balance is classified as *assigned* (\$1.3 million or 0.69%) to indicate that it is intended to be used for specific purposes supported by management's intent; *committed* (\$45.8 million or 23.59%) to indicate that it can be used only for the specific purposes determined by a formal vote of the City Council; *restricted* (\$88.5 million or 45.56%) to indicate that it can be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation; or *nonspendable* (\$84 thousand or 0.04%) to indicate that it cannot be spent or is legally or contractually required to remain intact.

The General Fund is the chief operating fund of the City. Fund balance decreased from \$68.4 million to \$59.3 million, a decrease of \$9.1 million or 13.4% during the current fiscal year versus an increase of \$19.1 million for fiscal 2021. Expenditures increased \$9.3 million (6.9%) due to budgeted increases in every department due to rising personnel and operating costs, while total revenues increased by \$104 thousand (0.07%). A decrease in investment earnings of \$9.5 million resulting from a decrease in market valuation of the City's investment portfolio due to rising interest rates was largely offset by an increase in taxes primarily due to an increase in taxable property values of approximately 5.2%, including new construction; an increase in intergovernmental revenues of \$2.6 million primarily due to increases in half-cent sales tax of \$1.0 million, state revenue sharing of \$1.1 million, and funding for public safety pensions of \$375 thousand; an increase of \$754 thousand in licenses and permits due to increased building activity; and an increase of \$878 thousand in charges for services representing the first increase since 2019 pre-COVID activity. Transfers in increased \$21.2 million primarily due to a transfer of \$22.5 million from the Special Programs Fund to recognize ARPA funding, while transfers out increased \$41.5 million. In addition to \$20.1 million transferred back to the Special Programs Fund and to the Capital Improvement Fund for ARPA-designated initiatives, additional significant transfers out include \$7.4 million to the Capital Improvement Fund for the New City Hall project, \$2.8 million to the Capital Improvement Fund for the Fire Station 46 project, \$2.3 million to the Clearwater Harbor Marina Fund for the Clearwater Harbor Marina Replacement & Upgrade project, \$1.0 million to the Capital Improvement Fund for the Traffic Signals project, \$700 thousand to the Capital Improvement Fund for the Athletic Field Structures project, \$700 thousand to the Administrative Services Fund for the Citywide Connectivity project, \$610,000 to the Capital Improvement Fund for the City Hall Demo project, and \$600 thousand to the Capital Improvement Fund for the Clearwater Municipal Cemetery Renovations project.

The fund balance of the Special Development Fund increased from \$14.3 million to \$16.3 million, an increase of \$2.0 million or 14.3%, during the current fiscal year versus an increase of \$2.7 million for fiscal 2021. Total revenues decreased by \$1.5 million, primarily due to decrease in investment earnings of \$4.4 million resulting from a decrease in market valuation of the City's investment portfolio due to rising interest rates, offset by an increase in infrastructure sales taxes of \$2.3 million due to a rebounding economy, and an increase in licenses, permits and fees of \$400 thousand due to increased building activity. Transfers out decreased by \$856 thousand primarily due to a decrease in transfers to the Capital Improvement Fund to fund projects.

Fund balance in the Special Programs Fund increased from \$17.2 million to \$25.3 million, an increase of \$8.1 million or 47.3% during the current fiscal year versus an increase of \$2.8 million for fiscal 2021. Revenues increased \$17.1 million, or 256.6%, primarily in the intergovernmental revenue category, due to the recognition of \$22.5 million in Coronavirus State and Local Fiscal Recovery Funds (SLFRF) authorized by the American Rescue Plan Act (ARPA), offset by a decrease of \$2.7 million in investment earnings due to decrease in market value of the City's investment portfolio resulting from rising interest rates. Expenditures increased \$855 thousand, primarily in the public safety program due to increased expenditures in law enforcement programs. Transfers in increased \$11.2 million, primarily due to ARPA funding received

from the General Fund for various programs. Transfers out increased \$22.1 million, primarily due to ARPA funds initially allocated to General Fund government operations as revenue recovery.

The fund balance for the Capital Improvement Fund increased from \$67.5 million to \$79.3 million during the current fiscal year. This increase of \$11.8 million is primarily the result of current year funding received from other funds in excess of capital project expenditures. This is typical volatility for the Capital Improvement Fund due to timing differences between project funding and project spending.

The fund balances for Other (non-major) Governmental Funds posted an increase of \$2.7 million (from \$11.3 million to \$14.0 million) during the current fiscal year.

Proprietary Funds

The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. The City reports the Water and Sewer Utility Fund, the Gas Utility Fund, the Solid Waste & Recycling Utility Fund, and the Stormwater Utility Fund as major funds.

The Water and Sewer Utility Fund realized a \$2.9 million decrease in net position versus a \$23.6 million increase for the prior year. Operating revenues increased by \$5.6 million, or 5.8%, while operating expenses increased \$16.1 million, or 24.0%. This resulted in a net decrease in operating income of \$10.5 million from \$29.7 million in fiscal 2021 to \$19.2 million in 2022. Additionally, capital grants and contributions increased by \$3.2 million, or 185.6%, primarily due to an increase in contributions from the City of Safety Harbor for improvements at the Northeast Wastewater Treatment Plant, while investment earnings decreased by \$16.5 million (3421.2%) due to a decrease in market valuation of the City's investment portfolio resulting from rising interest rates. The increase in operating revenues was primarily the result of a 4.0% rate increase effective October 1, 2021. The most significant increases in operating expenses were in professional services (\$5.6 million) primarily due to the reclassification of abandoned projects from construction in progress to expense, repairs and maintenance (\$9.0 million) due to increased repair and replacement projects, and insurance premiums (\$570 thousand) due to increased chargebacks by the Central Insurance Fund due to increased excess insurance premiums and claims history.

The Gas Utility Fund realized a decrease of \$295 thousand in net position versus a \$2.9 million increase for the prior year. Operating revenues increased by \$4.3 million, or 10.0%, from the prior year, while operating expenses increased by \$6.4 million (17.6%). This resulted in a net decrease in operating income of \$2.1 million from \$6.5 million in 2021 to \$4.4 million in 2022. Operating revenues increased primarily due to an increase of \$4.9 million in charges for services resulting from a new rate structure with rate increases effective March 1, 2021 and March 1, 2022. The increase in operating expenses was primarily due to an increase in purchases for resale of \$6.4 million resulting from increased natural gas commodity prices.

The Solid Waste & Recycling Utility Fund realized a \$2.2 million increase in net position versus a \$3.9 increase in the prior year. Operating revenues increased by \$1.7 million, or 5.9%, while operating expenses decreased by \$15 thousand (0.06%), resulting in an increase of \$1.7 million in operating income. The increase in operating revenues was primarily due to a rate increase of 3.75% effective October 1, 2021, as well as an increase in commercial collections. Operating expenses remained fairly flat with a decrease of \$15 thousand.

The Stormwater Utility Fund realized a decrease in net position of \$75 thousand versus a prior year increase of \$2.7 million. Operating revenues increased by \$52 thousand, or 0.30%, and operating expenses decreased \$1.4 million, or 11.8%, resulting in an increase of \$1.5 million in operating income. Operating revenues were fairly flat with an increase of \$52 thousand. There were no rate changes in fiscal 2022. Operating expenses decreased primarily due to a decrease of \$204 thousand in interfund service charges, a decrease of \$378 thousand in personal services, and a decrease of \$804 thousand in repairs and maintenance due to a reduction in repair and replacement projects.

Unrestricted net position and changes in net position of the proprietary funds for fiscal years 2022 and 2021:

Fund	Unrestricted Net Position		Change in Net Position	
	2022	2021	2022	2021
Water and Sewer Utility	\$ 171,595,982	\$ 157,804,554	\$ (2,903,563)	\$ 23,555,488
Gas Utility	28,738,358	24,561,180	(294,961)	2,921,159

Other funds	48,464,070	30,843,736	5,029,857	5,615,523
Totals	\$ 331,385,030	\$ 289,481,071	\$ 3,944,277	\$ 38,649,675

General Fund Budgetary Highlights

The final amended budget for General Fund expenditures reflected a net increase of \$664,328, or 0.45%, from the original budget. Key elements of this increase were as follows:

- First Quarter Budget Amendments included an increase of \$3,786 for employee recognition in various departments for the quarterly safety award; an increase of \$139,700 in the City Attorney's Office to cover unbudgeted personnel expenses due to the retirement and replacement of the City Attorney; an increase of \$115,000 in CRA Administration to fund a new Assistant Director position; an increase of \$241,980 in Human Resources for cultural assessment consulting services; a decrease of \$167,750 in Police Department salaries to fund overtime for special events in the Special Programs Fund; and a decrease of \$53,314 in Police Department contractual services to fund the Police Body Worn Camera program in the Special Programs Fund.
- Mid-Year Budget Amendments included an increase of \$50,000 in Economic Development and Housing for consulting services; a decrease of \$18,691 in Parks & Recreation to fund the Crest Lake Park Improvement project in the Capital Improvement Fund; an increase of \$400,000 in Planning & Development for building inspections and plans review; and an increase of \$30,063 in the Police Department for refurbishment of command vehicles.
- Third Quarter Budget Amendments included an increase to the Fire Department of \$398,032 for the Fire Supplemental Pension Plan; a decrease of \$600,000 in Parks & Recreation to fund the Clearwater Municipal Cemetery Renovations project in the Capital Improvement Fund; and an increase to the Police Department of \$125,522 for the Police Supplemental Pension Plan.

Final budgeted revenues reflect a net increase of \$9,598,000, or 6.3%, from the original budget primarily due to:

- First Quarter Budget Amendments included an increase of \$139,700 in Intergovernmental revenue to bring the budget in line with actual state revenue sharing received from the state.
- Mid-Year Budget Amendments included an increase of \$400,000 in other permits and fees to reflect an increase in building and sign permit revenues collected.
- Third Quarter Budget Amendments included an increase of \$535,496 in Ad Valorem Taxes to reflect actual property tax collections to date; an increase of \$480,000 in Utility Taxes to bring the budget in line with anticipated receipts for the year; an increase of \$75,000 in Local Option, Fuel and Other Taxes to bring the budget in line with actual business tax receipts for the year; an increase of \$742,450 in Franchise Fees to bring the budget in line with anticipated receipts for the year; an increase of \$1,070,000 in Other Permits and Fees to bring the budget in line with anticipated building and sign permit receipts for the year; an increase of \$3,999,854 in Intergovernmental revenue to include an increase of \$1,226,300 to state revenue sharing, and increase of \$1,710,000 to local half cent sales tax, an increase of \$523,554 to public safety supplemental revenue, an increase of \$240,000 to fire tax and an increase of \$300,000 to EMS tax; an increase of \$400,000 in Charges for Services to reflect increases in Pier 60 revenues; and an increase of \$1,755,500 in Miscellaneous revenue to include \$200,000 to interest earnings, \$950,000 to beach rental contracts, and \$605,500 to surplus land sales to recognize the proceeds from the sale of the Range Road property.

Final budgeted “transfers in” from other funds reflect an increase of \$22,332,742 or 198.1%, from the original budget primarily due to:

- A transfer of \$3,786 from the Central Insurance Fund to recognize safety award funding; and
- A transfer of \$115,000 from the Community Redevelopment Agency to fund a new Assistant Director position;
- A transfer of \$30,063 from the Capital Improvement Fund to return unspent funds from the Command Bus Refurbishment project;
- A transfer of \$22,483,893 from the Special Programs Fund to recognize ARPA funding; and
- A decrease of \$300,000 from the Gas Utility Fund to bring revenues in line with actual gas dividends received.

Final budgeted “transfers out” reflect an increase of \$38,134,449 or 236.8%, from the original budget primarily due to:

- A transfer of \$167,750 to the Special Programs Fund for overtime expenses in the Special Events program;
- A transfer of \$53,314 to the Special Programs Fund for the Police Body Worn Camera program;
- A transfer of \$400,000 to the Capital Improvement Fund for the Sailing Center Dock Replacement project;
- A transfer of \$300,000 to the Capital Improvement Fund for the Greenprint Implementation project;
- A transfer of \$2,800,000 to the Capital Improvement Fund for the Fire Station 46 project;
- A transfer of \$18,690 to the Capital Improvement Fund for the Crest Lake Park Improvement project;
- A transfer of \$2,289,695 to the Clearwater Harbor Marina Fund for the Clearwater Harbor Marina Replacement & Upgrade project;
- A transfer of \$7,350,000 to the Capital Improvement Fund for the New City Hall project;
- A transfer of \$600,000 to the Capital Improvement Fund for the Clearwater Municipal Cemetery Renovations project;
- A transfer of \$370,000 to the Debt Service Fund for initial Imagine Clearwater bond payments;
- A transfer of \$5,000,000 to the Special Programs Fund for the ARPA North Greenwood CRA program;
- A transfer of \$3,500,000 to the Administrative Services Fund for the ARPA Fiber Upgrades project;
- A transfer of \$3,300,000 to the Special Programs Fund for the ARPA Affordable Housing program;
- A transfer of \$2,000,000 to the Capital Improvement Fund for the ARPA Streets and Sidewalks project;
- A transfer of \$2,000,000 to the Capital Improvement Fund for the ARPA Solar Panels project;
- A transfer of \$1,000,000 to the Special Programs Fund for the ARPA Pinellas Community Foundation program;
- A transfer of \$1,000,000 to the Special Programs Fund for the ARPA Non-Profit Grants program;
- A transfer of \$1,000,000 to the Special Programs Fund for the ARPA Education Grants and Partnerships program;
- A transfer of \$700,000 to the Capital Improvement Fund for the ARPA State Street Park Improvements project;
- A transfer of \$625,000 to the Capital Improvement Fund for the Main Library Renovation project;
- A transfer of \$610,000 to the Capital Improvement Fund for the City Hall Demo project;
- A transfer of \$700,000 to the Capital Improvement Fund for the Athletic Field Structures project at Sid Lickton and Countryside little league fields;
- A transfer of \$200,000 to the Capital Improvement Fund for the Public Works Complex project to fund temporary office buildings;
- A transfer of \$200,000 to the Capital Improvement Fund for the Neighborhood Reinvestment Fund project for placemaking and neighborhood engagement;
- A transfer of \$1,000,000 to the Capital Improvement Fund for the Traffic Signals project to fund signal integrations with the County’s Intelligent Transportation Systems (ITS);
- A transfer of \$700,000 to the Administrative Services Fund for the Citywide Connectivity project to fund scheduled buildout of the City’s fiber network; and
- A transfer of \$250,000 to the Administrative Services Fund for the Business Process Review & Improvement project to fund the evaluation of business processes and innovative solutions.

Total actual revenues for the General Fund for fiscal 2022 were \$8.1 million, or 5.0%, less than final budgeted revenues. The most significant shortfall was a \$10.4 million investment loss due to depreciation in the fair value of investments resulting from rising interest rates, offset by excesses of \$717 thousand in utility taxes, \$381 thousand in licenses, permits and fees, \$622 thousand in intergovernmental revenues, and \$589 thousand in miscellaneous revenues.

Fiscal 2022 actual expenditures for the General Fund were \$4.9 million (3.3%) less than final budgeted expenditures, primarily due to budget savings across most City departments for fiscal 2022.

Capital and Right to Use Asset and Debt Administration

Capital and Right to Use Assets

Capital assets include land, buildings and building improvements, improvements other than buildings, machinery and equipment, and infrastructure. The infrastructure asset category includes long-lived capital assets, typically stationary in nature, such as roads, sidewalks, and bridges. *Right to use assets* include buildings and machinery and equipment accounted for in accordance with GASB Statement No. 87, *Leases*, implemented in fiscal 2022. As of September 30, 2022, the City reported capital assets and right to use assets totaling \$759,662,156 (net of accumulated depreciation and amortization).

City of Clearwater, Florida - Capital and Right to Use Assets*
(amounts in thousands)

	Governmental Activities		Business-type Activities		Total	
	2022	2021	2022	2021	2022	2021
Capital assets:						
Land	\$ 92,467	\$ 92,281	\$ 30,599	\$ 30,829	\$ 123,066	\$ 123,110

* Net of accumulated depreciation and amortization

Net capital and right to use assets for the City's *governmental activities* increased from \$303.1 million (as restated) to \$336.8 million, reflecting an increase of \$33.7 million for the current fiscal year. Capital asset additions of \$57.9 million were offset by depreciation expense of \$22.8 million, and net capital asset retirements totaling approximately \$850 thousand. Right to use assets decreased \$486 thousand, net of accumulated amortization, with the implementation of GASB Statement No. 87 in fiscal 2022. Major fiscal 2022 completed governmental capital projects include \$6.7 million for Crest Lake Park Improvements, \$786 thousand for sound mitigation panels at the police firearms training range, and \$552 thousand for the Belmont Park Revitalization project.

Net capital assets for the City's *business-type activities* decreased from \$435.2 million to \$422.8 million, reflecting a decrease of \$12.3 million for the current fiscal year. Capital asset additions of \$21.2 million were offset by depreciation expense of \$23.1 million, and net capital asset retirements totaling \$10.4 million. Major fiscal 2022 completed business-type capital projects include \$1.3 million for the replacement of Hangar C at the airpark and \$572 thousand for the completion of a shed and dumpster pads at the Clearwater Gas Complex.

Additional information on the City's capital assets can be found in Note III (C), and information on right to use assets can be found in Note III (D) of the notes to the financial statements.

Long-term debt and other long-term liabilities

The City's total long-term liabilities increased from \$224.1 million to \$236.8 million, an increase of \$12.7 million or 5.7%. Long-term liabilities for governmental activities increased by \$28.2 million, or 49.3%, while long-term liabilities for business-type activities decreased by \$15.5 million or 9.3%. Key factors contributing to these changes included:

- The increase in long-term liabilities of \$28.2 million for governmental activities is primarily due to an increase in revenue bonds payable of \$30.9 million, an increase in compensated absences of \$435 thousand, an increase in net pension liability of \$6.2 million, offset by a decrease in lease obligations of \$521 thousand, a decrease in claims payable of \$325 thousand, a decrease in financed purchase agreements of \$5.4 million and a decrease in the liability for other postemployment benefits of \$3.1 million.
- The decrease in long-term liabilities of \$15.5 million for business-type activities is primarily due to a reduction in revenue bonds payable of \$14.5 million, a decrease in financed purchase agreements of \$360 thousand, a decrease in compensated absences of \$115 thousand, and a decrease in the liability for other postemployment benefits of \$1.4 million, offset by an increase in net pension liability of \$817 thousand.
- The City's bonds payable as of September 30, 2022, consists entirely of revenue bonds and direct placement bank loans (secured solely by specified revenue sources) with no general obligation debt or special assessment debt outstanding. Governmental activities revenue bonds totaled \$34.7 million while revenue bonds and direct placement bank loans for business-type activities totaled \$140.8 million.

The City's Charter limits indebtedness to 20% of the assessed valuation of non-exempt real estate. The current debt limitation is approximately \$3.2 billion, which is significantly in excess of the City's applicable indebtedness of approximately \$169.4 million at September 30, 2022.

Additional information on the City's long-term debt can be found in Note III (I) of the notes to the financial statements.

Economic Factors and Year 2023 Budgets and Rates

Factors considered in preparing the City of Clearwater's budget for fiscal year 2023 included:

- Taxable property values for 2022 have increased by approximately 13.2%, from \$13.4 billion to \$15.2 billion, including new construction. The bulk of this increase (\$1.5 billion) is related to increases in current values, while the value of new construction and annexations totals \$249.1 million. Taxable values have experienced a dramatic rise this year due to the real estate market in the Tampa Bay area. Clearwater residents that qualify for homestead will recognize the Save Our Homes cap which limits the increase in assessed value to a cap of 3%, well below the actual growth in the real estate market. Due to the growth in property values, a reduced millage rate of 5.8850 mills was approved for fiscal year 2022/23, a decrease of .07 mills from the prior year's rate of 5.955, which the city levied for four consecutive years.
- Total full-time equivalent (FTE) positions for 2022/23 are budgeted at 1,876.0 FTEs for all City operations, an increase of 27.3 FTEs from the 2021/22 amended budget. In the General Fund, this represents a net increase of 38 for a total of 1,151.9 FTEs. All other funds total 724.1 FTEs, a net decrease of 10.7 FTEs from the current amended budget.
- The actuary report for the Employees' Pension Plan as of January 1, 2022, indicates that a minimum required City contribution of \$11.7 million, 12.44% of total covered payroll, is required for fiscal year 2022/23. This is an increase of approximately \$298,000 from the City's fiscal year 2021/22 required contribution of \$11.4 million. The plan's credit balance, which reflects actual contributions in excess of actuarial required contributions in prior years, increased from \$31.55 million to \$33.82 million during calendar year 2021, primarily due to interest earned on the credit balance. This credit balance is available to subsidize volatile employer contribution requirements during future investment market downturns. Due to negotiated enhancements in Police pension benefits during fiscal 2020, the actuary provides separate contribution rates for non-hazardous and hazardous employees. The proposed budget plans for a contribution rate of 6.46% for non-hazardous and 20.90% of hazardous covered payroll in fiscal year 2022/23, as provided in the actuarial valuation. This represents a slight decrease in the contribution rate for hazardous employees in comparison to the current fiscal year.
- For fiscal year 2022/23, the cost of medical care for employees is budgeted at \$22.4 million across all City operations, representing an estimated 15% increase. Included in this total is \$1.7 million to fund the operating costs of the employee health clinic. The budgeted cost for medical care to the General Fund is estimated at \$13.9

million, an increase of \$1.7 million, or 14%, over the current budget. Total cost for health insurance, to include coverage of dependents and retirees, is estimated at \$24.1 million, which is budgeted in the Central Insurance Fund. Revenues from payroll deductions are budgeted to offset this expense.

- A water and sewer fund rate study update was completed in July 2022. Based upon this rate study, 3% annual increases are planned. This new rate structure was approved by the City Council in September 2022, with annual 3% increases effective each October 1, through fiscal year 2027. A Gas rate study was completed in December 2020, which projected the financial position of the Gas Fund through 2025 and a cost-of-service analysis for each of the various classes of customers served. A new rate structure was established which was approved by the City Council in February 2021 including rate increases on March 1, 2021 and March 1, 2022. A solid waste and recycling rate study update was completed in May 2021. This confirmed the current rate structure which was approved by the City Council in August 2019. Effective each October 1, rates will increase by 3.75% annually, through fiscal year 2024. A stormwater rate study was completed in July 2022. Based upon this rate study, 1.75% annual increases are planned, effective October 1, 2022 through fiscal year 2027. This new rate structure was approved by the City Council in September 2022, with annual 1.75% increases effective each October 1 through fiscal year 2027.

Contacting the City's Financial Management

This financial report is designed to provide a general overview of the City's finances for all those with an interest in our government and to show the City's accountability for the money it receives. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to: City of Clearwater, Finance Department, 100 South Myrtle Avenue, Clearwater, Florida 33756-5520.

City of Clearwater, Florida
Reconciliation of the Balance Sheet of Governmental Funds
to the Statement of Net Position
September 30, 2022

Total fund balances of governmental funds		\$ 194,156,038
Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds. The cost of the assets totals \$679,387,728 and the accumulated depreciation totals \$343,938,551.		335,449,177
Right to use leased assets used in governmental activities are not financial resources and therefore are not recognized in the funds:		
Right to use assets		2,272,992
Accumulated amortization		(881,600)
Unavailable revenues that are not available as financial resources in the current period and therefore are not recognized in the funds:		
Deferred inflows - mortgage notes	\$ 4,846,447	
Deferred inflows - intergovernmental revenues	164,197	
Accrued property taxes	53,827	
Accrued liens	459,034	
Accrued permit fees	<u>20,777</u>	
		5,544,282
The net pension asset related to governmental activities does not represent financial resources and is not reported in the funds.		1,289,199
Deferred outflows relating to deferred amounts on refundings, pensions, and OPEB are not financial resources and, therefore, are not reported in the funds		126,021,377
Deferred inflows relating to pensions and other postemployment benefits are not current liabilities or financial uses and, therefore, are not reported in the funds		(17,245,662)
Accrued pollution remediation obligation expenses are not financial uses and, therefore, are not reported in the funds.		(177,177)
Accrued general long-term debt and lease interest expenses are not financial uses and, therefore, are not reported in the funds.		(303,628)
The assets and liabilities of the internal service funds (funds used to charge the costs of certain activities to individual funds) are included in the governmental activities in the statement of net position.		
Net position of internal service funds	90,583,804	
Less: Capital assets included in total governmental capital assets above	(26,367,881)	
Less: Right to use assets included in total governmental capital assets above	(955,226)	
Less: Deferred outflows included in total governmental above	(5,452,567)	
Add: Deferred inflows included in total governmental above	1,331,598	
Add: Financed purchases included in total governmental below	6,501,850	
Add: Lease liabilities included in total governmental below	942,769	
Add: Compensated absences included in total governmental below	906,391	
Add: Other post-employment benefits included in total governmental below	1,940,395	
Add: Net pension liability included in total governmental below	263,126	
Less: Adjustment to reflect the consolidation of internal service fund activities related to enterprise funds	<u>1,356,226</u>	
		71,050,485
Lease interest revenues are not recognized in the current period because the resources are not available and, therefore, are not reported in the funds.		11,892
Long-term liabilities, including bonds payable, are not due and payable in the current period and, accordingly, are not reported in the funds.		
Long-term liabilities at year-end consist of:		
Bonds payable	(33,480,000)	
Add: Issuance premium (to be amortized as a reduction of interest expense)	(1,251,447)	
Financed purchases	(7,380,273)	
Lease liabilities	(1,356,287)	
Other post-employment benefits	(16,023,252)	
Compensated absences	(9,952,837)	
Net pension liability	<u>(6,162,205)</u>	
		(75,606,301)
Total net position of governmental activities		<u><u>\$ 641,581,074</u></u>

The notes to the financial statements are an integral part of this statement.

City of Clearwater, Florida
Reconciliation of the Statement of Revenues, Expenditures, and
Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the Year Ended September 30, 2022

Net change in fund balances - total governmental funds \$ 15,518,953

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures while governmental activities report depreciation expense to allocate those costs over the life of the assets. This is the amount by which capital outlays exceeded depreciation in the current period.

Expenditures for capital assets	\$ 51,939,159	
Less current year depreciation	(12,661,626)	
Right to use leased assets	754,674	
Amortization	<u>(318,508)</u>	
		39,713,699

The net book value of capital asset dispositions is reported in the Statement of Activities but does not require the use of current financial resources and therefore is not reported in the funds. (837,539)

Financed purchases provide current financial resources to governmental funds; however, financed purchases increase long-term liabilities in the Statement of Net Position. In the current year these amounts are:

Revenue bond proceeds		(31,225,939)
Proceeds from financed purchases		(754,674)

Deferred outflows and deferred inflows are not current resources or uses of current financial resources and consequently are not reported in the funds:

Current year change in deferred outflows		102,258,607
Current year change in deferred inflows		123,789,842

Repayment of long term debt principal is an expenditure in the governmental funds; however, the repayment reduces long-term liabilities in the Statement of Net Position. Current year amounts are:

Revenue bond principal payments	295,000	
Lease obligations principal payments	341,156	
Financed purchase principal payments	<u>710,801</u>	
		1,346,957

Net pension asset is not a current financial resource and consequently is not reported in the funds; however, it is an asset in the Statement of Net Position.

Current year change in the net pension asset		(215,207)
--	--	-----------

Net pension liability does not require the use of current financial resources and consequently is not reported in the funds. However it is a liability in the Statement of Net Position.

Current year change in the net pension liability		(232,897,045)
--	--	---------------

Liability for other post-employment benefits (OPEB) does not require the use of current financial resources and consequently is not reported in the funds; however, it is a liability in the Statement of Net Position.

Current year change in the liability for other post-employment benefits		2,669,093
---	--	-----------

Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds:

Current year change in compensated absences	(528,051)	
Amortization of bond discounts and premiums	25,039	
Current year change in pollution remediation obligation	18,243	
Current year change in accrued interest expense	<u>(286,885)</u>	
		(771,654)

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds:

Current year change in accrued property taxes receivable		(35,855)
Current year change in accrued liens receivable		(93,239)
Current year change in accrued lease interest receivable		11,892
Current year change in deferred permit fees		2,400

The net revenues of internal service funds (funds used to charge the costs of certain activities to individual funds) for governmental activities are reported in the Statement of Activities but not in the governmental funds. (4,064,145)

Total change in net position of governmental activities \$ 14,416,146

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Note I – Summary of Significant Accounting Policies

The City of Clearwater was first incorporated in 1915 and reestablished in 1923 as a municipal corporation by Chapter 9710, Special Laws of Florida, 1923, as amended. The City is a Florida municipal corporation governed by a five-member City Council including a mayor-council member. The City has an estimated population of 119,208 and is located in the four-county Tampa-St. Petersburg-Clearwater Metropolitan Statistical Area (MSA), which has an estimated population of 3,285,257.

The financial statements of the City of Clearwater, Florida, reporting entity (City) have been prepared in accordance with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the standard-setting body for governmental accounting and financial reporting. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting standards which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes GAAP for governmental units. The City's more significant accounting policies are described below.

I.A. Financial Reporting Entity

In evaluating the City as a reporting entity, management has included in the accompanying financial statements the City of Clearwater (the primary government) and its component units, entities for which the government is financially accountable. The City has adhered to the standards set forth in GASB Statement No. 14, as amended by GASB Statement No. 39, GASB Statement No. 61 and GASB Statement No. 90, in reporting the primary government (including blended component units), the reporting entity, and related organizations.

Blended Component Unit – Clearwater Community Redevelopment Agency: Component units that meet the criteria for blended presentation are reported in a manner similar to that of the primary government itself. Accordingly, throughout this report, data presented for the primary government includes data of the following blended component unit. The Clearwater Community Redevelopment Agency (CRA) is a dependent special district created by Local Ordinance by authority of Chapter 163, Part III, of the Florida Statutes. Although it is legally separate, is reported as if it were part of the City (blended component unit) because the City Council serves as the governing board of the CRA, and City management has operational responsibility for the CRA. Therefore, financial statements for the CRA are included in the City's annual comprehensive financial report as a governmental non-major special revenue fund and a governmental non-major capital projects fund. In accordance with Chapter 163.387(8), Florida Statutes, and Rule 10.556, Rules of the Auditor General, separate audited financial statements are available from the City of Clearwater Finance Department.

Related Organization – Clearwater Housing Authority (CHA): CHA is a dependent special district created by General Law by authority of Chapter 421, Part I, Florida Statutes. As a public housing authority, CHA receives primary funding from the Federal Department of Housing and Urban Development (HUD). The City Council appoints the governing board; however, the City Council is not able to impose its will on the CHA, nor does the City have any responsibility for the budget, debt, financing deficits, or fiscal management of CHA. Consequently, it is not a component unit of the City of Clearwater. Separate audited financial statements of CHA as of March 31, 2022 are available from CHA.

Related Organization – Downtown Development Board: The City of Clearwater serves as administrative agent for the Clearwater Downtown Development Board (DDB). The Downtown Development Board is an independent special district created by Special Act by authority of Chapter 189.031, Florida Statutes. The DDB is governed by a board elected by its members, levies ad valorem taxes (0.9700 mills for fiscal 2022) on downtown properties, and is not financially dependent upon the City. Consequently, it is not a component unit of the City of Clearwater. The DDB's cash balance held by the City as administrative agent is reflected in the City's fiduciary custodial fund. Separate audited financial statements of the DDB as of September 30, 2022 are available from the City of Clearwater Finance Department.

Jointly governed organization – Florida Gas Utility: The City of Clearwater is a member of the Florida Gas Utility (FGU), a non-profit municipal public entity created for the primary purpose of reducing the costs of purchased gas for its members. FGU is a public body corporate and politic pursuant to Section 163.01, Florida Statutes (the Florida Interlocal Cooperation Act), as amended, and the Interlocal Agreement, dated September 1, 1989, which was subsequently amended by the

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Amended Interlocal Agreement on June 1, 1992, amended and restated by the Amended and Restated Interlocal Agreement, dated July 1, 1996, then amended and restated by the Second Amended and Restated Interlocal Agreement, dated July 27, 1999, and then amended and restated by the Third Amended and Restated Interlocal Agreement dated March 25, 2011 (the Interlocal Agreement), executed and delivered among FGU and its members, which include municipalities, municipal utilities, and an interlocal agreement consisting of such entities. Due to the diverse needs of municipal utility systems, FGU established itself as a project-oriented agency. Under this structure, each member has the option to participate in a project. FGU has the authority to, among other things, plan, finance, acquire, construct, manage, operate, deliver, service, utilize, own, broker, exchange, and distribute natural gas, or other energy and energy services, pursuant to the Interlocal Agreement. As of September 30, 2022, FGU has 25 members. Separate audited financial statements of FGU as of September 30, 2022, are available from FGU.

I.B. Basis of Presentation

The City's Basic Financial Statements contain three components: government-wide financial statements, fund financial statements, and notes to the financial statements.

I.B.1. Government-wide financial statements. The government-wide financial statements report information on all of the nonfiduciary activities of the primary government and its component unit using the accrual basis of accounting, which is similar to the accounting used by private-sector businesses. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of net position presents information on all assets, deferred outflows of resources, liabilities, and deferred inflows of resources of the City. Net position is defined as the residual of all other elements presented in a statement of financial position. Net position is the difference between (a) assets and deferred outflows of resources and (b) liabilities and deferred inflows of resources. Changes in net position may serve as an indicator of whether the financial position of the City is improving or deteriorating.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. The operating grants include operating-specific and discretionary (either operating or capital) grants while the capital grants column reflects capital-specific grants. Taxes and other items not properly included among program revenues are reported instead as general revenues. All revenues and expenses are reported as soon as the underlying transaction has occurred, regardless of when cash is received or paid.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are payments-in-lieu of taxes and other interfund services provided and used. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

I.B.2. Fund financial statements. Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. An emphasis is on the major funds in either the governmental or business-type categories. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. Non-major funds (by category) are summarized into a single column.

The City reports the following major governmental funds:

The General Fund is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

The Special Development Fund is a special revenue fund used to account for impact fees, property taxes for road improvements, local option gas taxes, infrastructure taxes, and other revenues which are restricted legally or by City Council policy to be used for specific capital improvement projects.

The Special Programs Fund is a special revenue fund used to account for grants and contributions, the use of which is restricted for certain programs.

The Capital Improvement Fund is used to provide combined accounting presentation for all City capital improvement projects except those financed from proprietary funds or bond proceeds where bond ordinance provisions require the segregation of bond proceeds in separate funds.

The City reports the following major enterprise funds:

The Water and Sewer Utility enterprise fund is used to account for the financing, construction, operation, and maintenance of the water and sewer services of the City from charges made to users of the service.

The Gas Utility enterprise fund is used to account for the financing, construction, operation, and maintenance of the gas services of the City from charges made to the users of the service.

The Solid Waste & Recycling Utility enterprise fund is used to account for the financing, construction, operation, and maintenance of the solid waste and recycling services of the City from charges made to the users of the service.

The Stormwater Utility enterprise fund is used to account for the financing, construction, operation, and maintenance of the stormwater management system of the City from charges assessed against each developed property.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the proprietary fund's principal ongoing operations. Operating expenses for proprietary funds include the cost of sales and service, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Additionally, the City reports the following fund types:

Internal service funds account for fleet management, information technology, telephone, employee relations, facilities management, radio communications, insurance, and risk management services provided to other City departments on a cost reimbursement basis. The Garage, Administrative Services, General Services, and Central Insurance funds primarily benefit governmental funds and are consequently included as governmental activities.

Pension trust funds account for the financial operation and condition of the Employees' Pension Plan, the Firefighters' Relief and Pension Plan, the Police Supplemental Pension Plan, and the Firefighters' Supplemental Pension Plan.

The custodial fund accounts for the receipt, custody, and expenditure of monies held temporarily in an agency capacity for other parties.

The pension trust funds and the custodial fund are fiduciary funds used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not included in the government-wide financial statements because the resources of these funds are not available to support the City's own programs.

I.C. Measurement Focus and Basis of Accounting

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers property tax revenues to be available if they are collected within 60 days of the end of the current fiscal year. Other revenues are considered to be available if they are collected within 90 days of fiscal year-end. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Intergovernmental revenues, representing grants and assistance received from other governmental units, are generally recognized as revenues in the period when all eligibility requirements, as defined by GASB Statement No. 33, have been met, and funds are available from the grantor agency or government.

Taxes, franchise fees, licenses, and interest associated with the current fiscal period are all considered susceptible to accrual and so have been recognized as revenues of the current fiscal period for the governmental funds. All other revenue items are considered to be measurable and available only when cash is received by the City.

I.D. Statements of cash flows

For purposes of the statements of cash flows, investments with original maturities of three months or less are considered to meet the definition of cash equivalents. The majority of the investments in which the City's proprietary funds have equity are held by the City's consolidated pool of cash and investments. Since fund equities in this cash management pool have the general characteristics of demand deposits in that additional funds may be deposited at any time, and funds may be withdrawn at any time without prior notice or penalty, each fund's equity account is considered a cash equivalent regardless of the maturities of investments held by the pool. Funds with deficit (overdraft) positions within the consolidated pool report the deficits as interfund payables to the City's Capital Improvement Fund.

I.E. Assets, Liabilities, and Net position or Fund Balance

I.E.1. Deposits, pooled cash, and investments

Cash and investments are presented on the balance sheet in the basic financial statements at fair value in accordance with Generally Accepted Accounting Principles.

Investments with original maturities of three months or less are considered to meet the definition of cash equivalents. The majority of the investments are held by the City's consolidated pool of cash and investments. The City utilizes the consolidated cash pool to account for cash and investments of all City funds other than those that are required by ordinance to be physically segregated. The consolidated cash pool concept allows each participating fund to benefit from the economies of scale and improved yield that are inherent to a larger investment pool. Formal accounting records detail the individual equities of the participating funds. The cash pool utilizes a single checking account for all City receipts and disbursements.

Since fund equities in this cash management pool have the general characteristics of demand deposits in that additional funds may be deposited at any time and funds may be withdrawn at any time without prior notice or penalty, each fund's equity in pooled cash account is considered a cash equivalent, regardless of the maturities of investments held by the pool.

All individual fund cash equity in a deficit (overdraft) position with respect to the consolidated cash pool is reclassified at year-end to short-term interfund payables to the Capital Improvement Fund. The Capital Improvement Fund is the fund selected by management to reflect the offsetting interfund receivables in such cases.

The City Charter and the current Investment Policy, adopted by the City Council on September 9, 2010, authorize consolidated cash pool investments in the following: direct federal government obligations; federal agencies and instrumentalities; SEC registered money market funds with the highest credit quality rating; interest bearing time deposits

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

or savings accounts in qualified public depositories; debt issued by the State of Florida or any political subdivision thereof including pools; securities of open-end or closed-end management-type investment companies as defined in the policy; collateralized repurchase agreements and reverse repurchase agreements; local government investment pools per Section 163.01, Florida Statutes; and commercial paper of prime quality as defined in the policy. All investments are reported at fair value.

The City utilizes a conservative investment philosophy when it invests its pooled cash funds in that the return of the principal is more important than the return on the principal. The City does not actively trade its portfolio and generally holds investments until maturity. Using a laddered approach to maturities and timing maturities to cash needs, the City does not anticipate selling investments to meet cash flow requirements.

Under the City's Investment Policy, a performance measurement standard has been established. The performance measure chosen is a weighted average of the overnight interest rate; and three-month, six-month, one-year, three-year, five-year, and ten-year Treasury rates, respectively. For the fiscal year ended September 30, 2022, the performance measure weighted average was 1.72%. The actual pooled cash earnings performance before bank charges was 0.90%.

Investments being held outside of the consolidated cash pool include escrowed debt service investments and employee retirement investments. Permissible escrowed debt service investments are specifically defined in each individual debt instrument, but generally follow the same limitations applicable to consolidated cash pool investments. The City maintains four different employee retirement programs, and each one has its own list of permitted investments. Generally, each plan allows the same type of investments as the consolidated cash pool, but additionally allows some portion of its assets to be invested in corporate bonds, notes of corporations, and stocks that are listed on one or more of the recognized national or international stock exchanges.

I.E.2. Receivables and payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e. the current portion of interfund loans) or "advances to/from other funds" (i.e. the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds." Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances".

All trade and property tax receivables are shown net of an allowance for uncollectible accounts. Trade accounts receivable less than 60 days are included in the trade accounts receivable allowance for uncollectible accounts at the five-year average loss experience rate of 2.14%. Trade accounts receivable in excess of 60 days are reserved at 40%. The property tax receivable allowance for uncollectible accounts is 10% of the current year portion of the receivable, and 30%, 50%, 70%, 90%, and 95% for the receivable portions attributable to the prior five years respectively (fiscal 2017 thru 2021), and 100% of the receivable attributable to fiscal years 2016 and prior.

Property tax revenue is recognized in the fiscal year for which the taxes are levied, provided the availability test is met, in conformance with National Council on Governmental Accounting Interpretation No. 3. Property taxes for the following fiscal year are levied by City Council action in September of each year. This levy is apportioned to property owners based on the previous January 1 assessed values. Tax bills are mailed out on or about November 1, and the collection period runs from November 1 through March 31. On April 1, unpaid property taxes are considered delinquent and become a lien. Tax certificates are sold in June for real property with delinquent taxes.

Since taxes are not collected prior to November 1, the City does not record revenue for advance collections. Uncollected taxes receivable at year-end are recorded, with an appropriate allowance for estimated uncollectible amounts. The net amount deemed to be collectible but not current (not expected to be collected within sixty days after the close of the fiscal year) is shown as deferred inflows in the appropriate fund.

All delinquent property taxes, except those levied specifically for the restricted purposes of financing activities accounted for in the Special Development Fund, are recorded in the General Fund. Property tax revenues are recognized in the General

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Fund and the required transfers to the appropriate debt service or pension fund are recorded as transfers from the General Fund.

The City is permitted by State law to levy ten mills without referendum. Additional millage not subject to the ten mill limitation is authorized if approved by referendum, for a period not to exceed two years. The tax rate of 5.9550 mills for the year ended September 30, 2022 is the same rate that was levied the in the prior year.

Water, gas, stormwater, solid waste and recycling charges to customers are based on actual consumption. Consumption is determined on a monthly cycle basis. The City recognizes the unbilled consumption as revenue as of September 30th.

I.E.3. Inventories and prepaid items

Inventories of proprietary funds are stated at cost and valued on the first-in first-out (FIFO) basis. In governmental funds, the majority of inventory items are accounted for under the purchase method, which provides that expenditures are recognized when the inventory item is purchased. The only governmental fund inventory that is accounted for under the consumption method is the General Fund inventory of items for resale at the City's public fishing pier. Under the consumption method, the expenditure/expense is recognized when the inventory item is sold (or consumed).

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed rather than when purchased.

I.E.4. Restricted assets

Certain resources of the City's enterprise funds are classified as restricted assets. Restricted assets include: Water and Sewer improvement charges restricted by the authorizing ordinances to the construction of additions and improvements to the water and sewer systems; Water & Sewer Utility, Gas Utility and Solid Waste & Recycling Utility restricted customer deposits; assets of the Water & Sewer Utility, Gas Utility, and Stormwater Utility funds restricted under the provisions of authorizing ordinances for revenue bonds to the payment of future revenue bond debt service, system construction, and renewals and replacements; and the net pension assets of the enterprise and internal service funds that are in an irrevocable trust restricted for pensions.

I.E.5. Capital and right to use assets

Capital assets, which include property, plant, equipment, and certain infrastructure assets, (e.g. roads, bridges, etc.) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets, as defined by the City, are assets with an initial individual cost of more than \$5,000 (amount not rounded) and useful life greater than one year. Individual assets that cost less than \$5,000, but that operate as part of a network system, may be capitalized in the aggregate, using the group method. Additionally, higher thresholds for capitalization apply to the following categories: land improvements, \$50,000; buildings, building improvements, and utility systems, \$100,000; intangible assets, \$100,000; and infrastructure, \$500,000. Capital assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. When City crews contribute to the completion of a capital asset, time and materials are capitalized to the project cost.

Right to use assets, which include buildings and equipment, are amortized on a straight-line basis over the life of the related lease.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Property, plant, equipment, and intangible assets of the primary government are depreciated using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings	10 – 40
Public domain infrastructure	20 – 40
Utility systems	18 – 40
Machinery & equipment	3 – 15
Vehicles	5 – 10
Intangible assets	5 – 20

I.E.6. Compensated absences

It is the City’s policy to permit employees to accumulate earned but unused vacation and sick pay benefits. Vacation and sick leave “caps” vary depending upon an employee’s bargaining unit, hire date, etc., but generally employees may accumulate vacation time not exceeding 320 hours and sick leave not exceeding 1,560 hours. Upon retirement from City service a qualified employee is paid for all vacation time not exceeding the applicable vacation “cap” and one-half of accumulated unused sick leave not exceeding the sick leave cap (i.e. maximum pay-out of 780 hours for an employee with a 1,560 hour cap). The City accrues for all earned but unused vacation pay up to the applicable cap and the portion of unused sick leave estimated to be payable upon retirement. The current portion of compensated absences is the amount estimated to be used in the following year. For governmental activities, compensated absences are liquidated within the same governmental funds where the employee vacation and/or sick leave was earned.

I.E.7. Long-term obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable unamortized bond premium or discount. Bond issuance costs are expended when incurred.

In the fund financial statements, governmental fund types recognize bond premiums and discounts during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

I.E.8. Deferred outflows/inflows of resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption on net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense) until that time.

Similarly, in addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net assets that applies for a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

reports deferred inflows related to pensions and other post-employment benefits (OPEB) in the government-wide and all enterprise and internal service fund statements. Deferred inflows related to business tax receipts are reported in both the government-wide and governmental fund statements, while deferred inflows related to property taxes, code enforcement liens, mortgage notes, and intergovernmental revenues are reported in the governmental fund financial statements, but not the government-wide statements, when the receivable is recorded but the revenue is not available.

Deferred outflows related to deferred amounts on bond refundings are reported in the Water and Sewer Utility, Gas Utility and Stormwater Utility funds, as well as in the government-wide statements. These amounts represent the difference between the reacquisition price and the net carrying amount of the old debt, which is amortized over the remaining life of the old debt or the life of the new debt, whichever is shorter.

Changes in total pension liability arising from the differences between expected and actual experience, changes of assumption of future economic and demographic factors and the net difference between projected and actual earnings on pension plan investments are recognized as deferred outflows of resources or deferred inflows of resources and are reported in all enterprise and internal service funds, as well as in the government-wide statements. Changes between expected and actual experience and changes of assumptions are recognized in pension expense over a closed period equal to the average of the expected remaining service lives of all active and inactive employees, while the difference between projected and actual earnings is recognized in pension expense over a closed five-year period.

Differences between expected and actual experience and changes in assumptions related to OPEB are recognized as deferred outflows of resources or deferred inflows of resources and are reported in all enterprise and internal service funds, as well as in the government-wide statements, using a systematic and rational method over a closed period equal to the average of the expected remaining service lives of all employees that are provided with OPEB through the OPEB plan (active employees and inactive employees), determined as of the beginning of the measurement period. At October 1, 2021, the beginning of the current measurement period, the average of the expected remaining services lives for purposes of recognizing the applicable deferred outflows and inflows of resources established in the current measurement period was 7.1 years.

Deferred inflows related to leases in which the City is the lessor are recorded in the General Fund, Water and Sewer Utility Fund, Marine Operations Fund, and the government-wide statements. The deferred inflow of resources is recorded in an amount equal to the corresponding lease receivable at inception of the lease, and is recognized as revenue in a systematic and rational manner over the term of the lease.

I.E.9. Net position flow assumption

Sometimes the City will fund outlays for a particular purpose from both unrestricted resources and restricted resources, such as restricted bond or grant proceeds. In order to calculate the amounts to report as restricted net position and unrestricted net position in the government-wide and proprietary fund financial statements, a flow assumption must be made regarding the order in which the resources are considered to be applied. It is the City's policy to consider restricted net position to have been depleted before unrestricted net position is applied.

I.E.10. Fund balance flow assumption

Sometimes the City will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned and unassigned fund balance in the governmental fund financial statements, a flow assumption must be made regarding the order in which the resources are considered to be applied. It is the City's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

I.E.11. Fund balance policies

The fund balance of governmental funds is reported in various classifications that comprise a hierarchy based primarily on the extent to which the government is bound to observe constraints imposed upon the use of the resources reported in the governmental funds. Each classification of fund balance is based on the relative strength of the constraints that control how specific amounts can be spent. The order of spending follows the same hierarchy. Restricted resources are applied first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned or unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Nonspendable fund balance represents amounts that cannot be spent, such as inventories, prepaid amounts, and amounts that are legally or contractually required to remain intact.

Restricted fund balance includes amounts that can be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation.

Committed fund balance includes amounts that can be used only for the specific purposes determined by the adoption of an ordinance prior to the end of the fiscal year by the City Council, the highest level of decision-making authority. Once adopted by ordinance, a commitment can only be revised or removed by the adoption of another ordinance.

Assigned fund balance includes amounts that are intended to be used by the government for specific purposes but do not meet the criteria to be classified as restricted or committed because they are supported by management's intent rather than a formal action of the City Council. The Finance Director is authorized by Section 2.511 of the Code of Ordinances to assign fund balance. Since assignments only exist temporarily, no further action is required to revise or remove them.

Unassigned fund balance includes amounts not classified above. Positive unassigned fund balance may only be reported in the general fund. In all other funds, unassigned fund balance is limited to negative residual fund balances.

Minimum fund balance. Per City Council Policy, a minimum General Fund unassigned balance of 8.0% of the subsequent year's budgeted expenditures must be maintained as a contingency fund for unanticipated financial needs. In addition, 0.5% of the subsequent year's budgeted expenditures must be maintained to fund unanticipated retirements of employees residing in General Fund departments. Budgeted appropriations will maintain these minimum reserves of 8.5% of subsequent year's budgeted expenditures, with excess reserves available for specific capital improvement projects or other "one-time" needs.

Stabilization arrangement. As of September 30, 2022, the City Council has not established a separate revenue stabilization reserve.

I.E.12. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from the estimates.

I.F. Adoption of new GASB pronouncements

During the fiscal year ended September 30, 2022, the City implemented the following GASB pronouncements:

GASB Statement No. 87, *Leases*. Issued June 2017, this Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities.

Note II – Stewardship, Compliance, and Accountability

II.A. Budgets and budgetary accounting

Annual budgets are legally adopted for the General Fund, Special Development special revenue fund, and the Community Redevelopment Agency special revenue fund. The budgets for the General Fund and the Special Development Fund are adopted on a basis consistent with GAAP, and appropriations lapse at year-end. The Community Redevelopment Agency (CRA) Fund annual budget is adopted by the trustees of that agency in accordance with state law. The level of budgetary control is the total fund. The CRA Fund Budget is adopted on a basis consistent with GAAP, and all appropriations lapse at year-end.

The level of budgetary control established by the legislative body, the level on which expenditures may not legally exceed appropriations, is the individual fund. In accordance with provisions of Ordinance 5025-90 and with Section 2.519(4) of the Clearwater Code, the City Manager may transfer part or all of any unencumbered appropriation balance among programs within an operating fund, provided such action does not result in the discontinuance of a program. Such transfers must be included in the next budget review presented to the City Council. Upon detailed written request by the City Manager, the City Council may by ordinance transfer part or all of any unencumbered appropriation balance from one fund to another.

As established by administrative policy, department directors may transfer money from one operating code to another within a program without a formal written amendment. Formal requests for budget amendments from department directors are required for transfers, capital expenditures, and reserves. Thus, certain object classifications within departmental and/or program budget appropriations are subject to administratively imposed controls, in addition to the legal controls imposed by City Council action described above.

Budget amounts presented in the accompanying financial statements reflect all amendments adopted by the City Council and the governing board of the component unit. All amendments were adopted in conformance with legal requirements. Individual amendments, as well as the net effects of all amendments during the fiscal year, were not material in relation to the original appropriations for the governmental funds in the aggregate.

Budgets for the Capital Projects Funds, the Special Programs Fund, the SHIP Local Housing Assistance Trust Fund, and the Pinellas County Local Housing Assistance Trust Fund are adopted on a multi-year completed program basis, where budgetary appropriations do not lapse at year-end, but may extend across two or more fiscal years. A comparison of annual results with these budgets would not be meaningful and is therefore not included in this report.

All City Council adopted budgets are integrated into the formal accounting system to allow for monthly comparison of projected and actual results in all funds for which budgets are adopted.

Note III – Detailed Notes on All Funds

III.A. Deposits and investments

Investments with original maturities of three months or less are considered to meet the definition of cash equivalents. The majority of the investments in which the City's proprietary funds have equity are held by the City's consolidated pool of cash and investments. Since fund equities in this cash management pool have the general characteristics of demand deposits, in that additional funds may be deposited at any time, and funds may be withdrawn at any time without prior notice or penalty,

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

each fund's equity account is considered a cash-equivalent regardless of the maturities of investments held by the pool. Funds with deficit (overdraft) positions within the consolidated pool report the deficits as interfund payables to the City's Capital Improvement Fund.

Fair Value and Net Asset Value

The City of Clearwater and the City's pension plans categorize fair value measurements within the fair value hierarchy established by GAAP. The hierarchy is based on the valuation inputs used to measure the fair value of the securities and assets. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 are significant unobservable inputs. Certain investments held by the City and the pension plans are valued at net asset value (NAV) per share when an investment does not have a readily determined fair value, provided that the NAV is calculated and used as a practical expedient to estimate fair value in accordance with GAAP requirements.

Equity and Fixed Income Securities – Equity securities, classified in Level 1 of the fair value hierarchy, are valued using prices quoted in active markets issued by pricing vendors for these securities. Fair value is defined as the quoted market value on the last trading day of the period. These prices are obtained from various pricing sources by the City's custodian bank, Wells Fargo, for the City's pooled cash investments. Prices for pension investments are obtained by the custodial agents for each of the pension plans. Debt and equity securities classified in Level 2 of the fair value hierarchy are valued using prices determined by matrix pricing techniques maintained by various pricing vendors for these securities. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices. Debt and equity securities classified in Level 3 of the fair value hierarchy, when applicable, are securities whose stated market price is unobservable by the marketplace; often these securities are priced by the issuer or industry groups.

Real Estate Funds – Investments in real estate funds are valued at estimated fair value, as determined in good faith by the General Partner (GP). These investments are initially valued at cost with subsequent adjustments that reflect third party transactions, financial operating results, and other factors deemed relevant by the GP. These assets are valued at NAV.

Deposits

All cash of the City is entirely insured either by federal depository insurance or via banks' participation as qualified public depositories pursuant to Florida Statutes, Chapter 280, "Security for Public Deposits". The City is required to verify that monies are invested in "qualified public depositories" as defined in Florida Statutes section 280.02.

Pooled Cash and Investments

To increase returns and minimize fees, the City follows the practice of pooling available cash and investments of all funds, with the exception of retirement plan investments and assets held under Bond Trust Indenture Agreements. Please refer to Note I.E.1. for a discussion of allowable investments under the pooled cash and investments investment policy. All investments at year-end were in compliance with the pooled cash and investments investment policy.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Pooled cash and investments as of September 30, 2022 are classified in the accompanying financial statements as follows:

Statement of net position

09/30/22

Primary Government:	
Cash and investments	\$ 596,525,701
Restricted cash and investments	25,738,612

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Interest Rate Risk – Pooled Cash and Investments:

As a means of limiting exposure to fair value losses arising from rising interest rates, the City's pooled cash investment policy prohibits investments in securities maturing more than fifteen years from the date of purchase, unless matched to a specific cash flow requirement. Additionally, the policy allows no more than 10% of the portfolio to have maturities in excess of ten years unless specifically matched against a debt or obligation. Finally, the investment policy states that it is the City's intent to keep the weighted average maturity to three years or less, except for temporary situations due to market conditions and/or cash needs when the average maturity may exceed three years but shall not exceed five years. Weighted average maturities for the City's pooled cash investments are indicated in the table above.

Credit Risk – Pooled Cash and Investments:

The City's pooled cash investment policy, in accordance with Florida Statutes, allows investments to direct obligations of the United States, federal agencies, debt issued by the State of Florida or any political subdivision, and commercial paper of prime quality of the highest letter and numerical rating as provided by at least one nationally recognized rating service. Ratings for the City's pooled cash investments are disclosed in the preceding table.

Concentration of Credit Risk – Pooled Cash and Investments:

The City's pooled cash investment policy limits the investment in any one issuer to 40% of the portfolio. Concentrations of the various issuers are disclosed in the preceding table.

Custodial Credit Risk – Pooled Cash and Investments:

Monies on deposit with financial institutions are held in qualified public depositories pursuant to State of Florida Statutes, Chapter 280, which provides protection against any loss to public depositors. Consistent with the City's investment policy, investment securities owned by the City are held by the City's custodian in the City's name and all purchases use the "delivery versus payment" procedure.

Fair Value and Net Asset Value Measurement:

The City has adopted the provisions of GASB Statements No. 72 and No. 79 and fully disclosed in the notes to the financial statements the fair value hierarchy and the methods of valuing the related investments as required under generally accepted accounting principles. The City of Clearwater categorizes fair value measurements within the fair value hierarchy established by GAAP. The hierarchy is based on the valuation inputs used to measure the fair value of the securities and assets. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 are significant unobservable inputs. Certain investments held by the City are valued at net asset value (NAV) per share when an investment does not have a readily determined fair value, provided that the NAV is calculated and used as a practical expedient to estimate fair value in accordance with GAAP requirements.

Fixed Income Securities – Fair value is defined as the quoted market value on the last trading day of the period. These prices are obtained from various pricing sources by the City's custodian bank, Bank of America, for the City's pooled cash investments. Debt securities classified in Level 2 of the fair value hierarchy are valued using prices determined by matrix pricing techniques maintained by various pricing vendors for these securities. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

The City has the following recurring fair value and net asset value measurements as of September 30, 2022:

(in thousands)		Quoted Prices in Active Markets for Identical <u>Assets (Level 1)</u>	Significant Other Observable <u>Inputs (Level 2)</u>	Significant Unobservable <u>Inputs (Level 3)</u>
Investments measured at fair value:				
U.S. Government securities	\$ 12,457	\$ 12,457	\$ -	\$ -
Federal Agency securities	419,561	-	419,561	-
Municipal obligations	9,053	-	9,053	-
Mortgage backed securities	59,951	-	59,951	-
Asset backed securities	418	-	418	-
Total investments measured at fair value	<u>501,440</u>	<u>\$ 12,457</u>	<u>\$ 488,983</u>	<u>\$ -</u>
Investments measured at net asset value:				
Florida Safe Investment Pool	13,198			
Florida Cooperative Liquid Assets Securities System	104,880			
Total investments measured at net asset value	<u>118,078</u>			
Total pooled cash investments	<u>\$ 619,518</u>			

The Florida SAFE Investment Pool (FLSAFE) and the Florida Cooperative Liquid Assets Securities System (FLCLASS) are independent local government investment pools created under the laws of Florida to provide eligible units of local government with investment vehicles to pool their surplus funds. FLSAFE and FLCLASS investment pools are Stable Net Asset Value investment pools rated AAAM by Standard & Poors. The investment advisor and administrator for the FLSAFE investment pool is PMA Financial Network, Inc. and the investment advisor and administrator for the FLCLASS investment pool is Public Trust Advisors, LLC.

The two local government investment pools, Florida Safe Investment Pool (FLSAFE) and Florida Cooperative Liquid Assets Securities System (FLCLASS), have no unfunded commitments and both provide same day or next day redemption. The investment strategies of both prioritize safety of principal and liquidity over return, consistent with the City's investment strategy, investing in high-quality short-term investments.

Pension Plan Assets

The City reports four pension funds in the accompanying financial statements. Each of the plans has a separate governing board of trustees, a separate investment policy, and differing investment restrictions/risks. Consequently, each is disclosed separately below. All investments at year-end were in compliance with the respective plan investment policies. Please refer to Note I.E.1. for a discussion of allowable investments under the pension plans.

Investments are reported at fair value or net asset value, as disclosed, and are managed by third party money managers. The City's independent custodian and the individual money managers price each instrument (using various third-party pricing sources) and reconcile material differences. Investments in certain alternative investments are valued using the net asset value (NAV) per shares outstanding.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Interest Rate Risk – Employees’ Pension Plan:

As a means of limiting exposure to fair value losses arising from rising interest rates, the Employees’ Pension Plan investment policy limits the investment in fixed income investments to no more than 40% of the portfolio. There are no limits related to weighted average maturities due to the long-term nature of pension plan investing.

Credit Risk – Employees’ Pension Plan:

The Employees’ Pension Plan investment policy limits credit risk by restricting equity investments to corporations that are listed on one of the national or international stock exchanges. Additionally, fixed income corporate bonds must carry an “investment grade” rating as established by one of the nationally recognized rating agencies. As of September 30, 2022, the Plan had \$5,461,764 invested in domestic corporate bonds that had fallen below investment grade (Ba1 and lower) as the result of investment downgrades, as indicated on the previous table. The respective money managers notified the Plan administrators of the downgrades and the planned courses of action related to these securities on a timely basis, consistent with the policy’s individual manager guidelines.

Concentration of Credit Risk – Employees’ Pension Plan:

The Employees’ Pension Plan investment policy limits concentration of credit risk by limiting the investment in common stock or capital stock of any one corporation to 3% of the plan equity assets, unless due to a higher percentage included in a nationally recognized market index at least as broad as the Standard and Poor’s Composite Index of 500 companies, or upon a specific finding by the investment committee that such higher percentage is in the best interest of the fund. Additionally, the individual manager guidelines associated with the policy provide further diversification of both equity and fixed income investments to minimize concentration of credit risk.

Custodial Credit Risk – Employees’ Pension Plan:

This is the risk that in the event of the failure of a counterparty, the Plan will not be able to recover the value of its investments that are in the possession of an outside party. Consistent with the Plan’s investment policy, investments are held by the Plan’s custodial bank and registered in the Plan’s name.

Foreign Currency Risk – Employees’ Pension Plan:

Risk of loss arises from changes in currency exchange rates. The Employees’ Pension Plan investment policy does not have a formal policy to limit foreign currency risk, other than a guideline of no more than 25% of the plan assets invested in international equities.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

The Pension Plan’s exposure to foreign currency risk as of September 30, 2022 is as follows:

<u>Investment</u>	<u>Currency</u>	<u>Fair Value</u>
Common Stock	Euro currency	\$ 17,465,001
Common Stock	Japanese yen	11,153,845
Common Stock	British pound sterling	10,061,102
Common Stock	Swiss franc	6,094,215
Common Stock	Australian dollar	2,249,501
Common Stock	Hong Kong dollar	1,390,823
Common Stock	Swedish krona	1,372,591
Common Stock	Singapore dollar	1,054,127
Common Stock	Norwegian krone	969,776
Common Stock	South Korean won	771,986
Common Stock	Canadian dollar	382,113
Total		\$ 52,965,080

Fair Value and Net Asset Value Measurement:

The Employees’ Pension Plan has adopted the provisions of GASB Statement No. 72 and fully disclosed in the notes to the financial statements the fair value hierarchy and the methods of valuing the related investments as required under the generally accepted accounting principles. The City’s independent custodian and the individual money managers price each instrument (using various third-party pricing sources) and reconcile material differences. Investments in certain alternative investments are valued using the net asset value (NAV) per shares outstanding.

The Employees’ Pension Plan categorizes fair value measurements within the fair value hierarchy established by GAAP. The hierarchy is based on the valuation inputs used to measure the fair value of the securities and assets. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 are significant unobservable inputs. Certain investments held by the pension plan are valued at net asset value (NAV) per share when an investment does not have a readily determined fair value, provided that the NAV is calculated and used as a practical expedient to estimate fair value in accordance with GAAP requirements.

Equity and Fixed Income Securities – Equity securities, classified in Level 1 of the fair value hierarchy, are valued using prices quoted in active markets issued by pricing vendors for these securities. Fair value is defined as the quoted market value on the last trading day of the period. These prices are obtained from various pricing sources by the City’s custodian bank, Bank of America, for the City’s pooled cash investments. Prices for pension investments are obtained by the custodial agents for each of the pension plans. Debt and equity securities classified in Level 2 of the fair value hierarchy are valued using prices determined by matrix pricing techniques maintained by various pricing vendors for these securities. Matrix pricing is used to value securities based on the securities’ relationship to benchmark quoted prices. Debt and equity securities classified in Level 3 of the fair value hierarchy, when applicable, are securities whose stated market price is unobservable by the marketplace; often these securities are priced by the issuer or industry groups.

Real Estate Funds – Investments in real estate funds are valued at estimated fair value, as determined in good faith by the General Partner (GP). These investments are initially valued at cost with subsequent adjustments that reflect third party transactions, financial operating results, and other factors deemed relevant by the GP. These assets are valued at NAV.

<u>Investments:</u>				
U.S. Treasury Note	1,787,273	62.21%	0.58	Aaa
U.S. Agency - Federal Agricultural Mortgage Corp. (FAMCA)	1,011,384	35.21%	1.62	Aaa
Total investments	<u>2,798,657</u>			
Total managed cash and investments	<u>\$ 2,872,664</u>	100.00%		

Interest Rate Risk – Firefighters' Relief and Pension Plan:

As a means of limiting exposure to fair value losses arising from rising interest rates, the Firefighters' Relief and Pension Plan investment policy stipulates that the Plan does not trade securities and will typically hold securities to maturity. There are no limits related to weighted average maturities due to the long-term nature of pension plan investing.

Credit Risk – Firefighters' Relief and Pension Plan:

The Firefighters' Relief and Pension Plan investment policy limits credit risk by restricting the fixed income investments to investment grade securities, per a nationally recognized ranking agency.

Custodial Credit Risk – Firefighters' Relief and Pension Plan:

Monies on deposit with financial institutions are held in qualified public depositories pursuant to State of Florida Statutes, Chapter 280, which provides protection against any loss to public depositors. Consistent with the City's investment policy, investment securities owned by the Plan are held by the City's custodian in the City's name and all purchases use the "delivery versus payment" procedure.

Concentration of Credit Risk – Firefighters' Relief and Pension Plan:

The Firefighters' Relief and Pension Plan investment policy limits concentration of credit risk by limiting the recommended target allocation of the plan to domestic fixed income to 70% of the portfolio, with the remainder of the portfolio allocated to the City's well-diversified pooled cash portfolio (see above disclosure). There are no additional limitations on concentrations with individual issuers or agencies due to the relatively small portfolio of this closed pension plan.

Foreign Currency Risk – Firefighters' Relief and Pension Plan:

The Firefighters' Relief and Pension Plan investment policy does not permit investment in foreign fixed income or equity securities.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Fair Value Measurement:

The Firefighters' Relief and Pension Plan has the following recurring fair value measurements as of September 30, 2022:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Federal agency securities	\$ 2,798,657	\$ 1,787,273	\$ 1,011,384	\$ -

Police Supplemental Pension Plan

At year-end, the Police Supplemental Pension Plan cash and investment balances were as follows:

	<u>Carrying Amount</u>	<u>% of Portfolio</u>	<u>Weighted avg maturity (years)</u>	<u>Moody's Rating</u>
<u>Cash and cash equivalents:</u>				
Cash in bank	\$ 11,840	0.08%	N/A	N/A
Cash in managed investment accounts	2,021,635	13.78%	N/A	N/A
Total cash and cash equivalents	<u>2,033,475</u>			
<u>Investments:</u>				
Domestic equity mutual funds	10,185,334	69.41%	N/A	N/R
International equity mutual funds	2,454,475	16.73%	N/A	N/R
Total investments	<u>12,639,809</u>			
Total managed cash and investments	<u>\$ 14,673,284</u>	100.00%		

Interest Rate Risk – Police Supplemental Pension Plan:

As a means of limiting exposure to fair value losses arising from rising interest rates, the Police Supplemental Pension Plan investment policy limits the duration of the fixed income portfolio to less than 135% of the duration of the Bloomberg Barclay's Intermediate Aggregate Bond Index.

Credit Risk – Police Supplemental Pension Plan:

The Police Supplemental Pension Plan investment policy limits credit risk by restricting equity investments to securities that are fully and easily negotiable. Investments in corporations whose stock has been publicly traded for less than one year are limited to 15% at cost value of the equity portfolio. Investment in equity securities whose market capitalization is less than \$10 billion dollars shall be limited to 25% of the total equity portfolio. Exchange traded funds (ETF's) or Exchange Traded Notes (ETN's) may not exceed 10% at cost value of any equity manager's portfolio. Investments in real estate shall not exceed 25% (at market valuation) of the value of the total fund assets. Investments in absolute or real return strategies shall not exceed 25% of the value of the total fund assets. The average credit quality of the bond portfolio shall be "A" or higher, and those securities rated below "BBB" shall not exceed 15% of the entire fixed income portfolio.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Concentration of Credit Risk – Police Supplemental Pension Plan:

The Police Supplemental Pension Plan investment policy limits concentration of credit risk by limiting the investment in common stock or capital stock of any one issuing company within an investment manager’s portfolio to 5% of the portfolio. Similarly, no more than 5% at cost value of a fixed income investment manager’s portfolio may be invested in the securities of any single corporate issuer per the plan investment policy. Finally, investments in collateralized mortgage obligations are limited to 25% of the market value of the investment manager’s total portfolio.

Custodial Credit Risk – Police Supplemental Pension Plan:

This is the risk that in the event of the failure of a counterparty, the Plan will not be able to recover the value of its investments that are in the possession of an outside party. Plan investments are held by the Plan’s custodial bank and registered in the Plan’s name.

Foreign Currency Risk – Police Supplemental Pension Plan:

Risk of loss arises from changes in currency exchange rates. The Police Supplemental Pension Plan requires that no more than 25% of the market value of the plan’s total assets may be invested in foreign equity securities, commingled or mutual funds. Direct investment in foreign companies is limited to those traded on a national exchange and/or American Depository Receipts (ADR’s).

Fair Value Measurement:

The Police Supplemental Pension Plan has the following recurring fair value measurements as of September 30, 2022:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>

Investments in absolute or real return strategies shall not exceed 20% of the value of the total fund assets. The average credit quality of the bond portfolio shall be "A" or higher, and those securities rated below "BBB" shall not exceed 15% of the entire fixed income portfolio.

Concentration of Credit Risk – Firefighters' Supplemental Pension Plan:

The Firefighters' Supplemental Pension Plan investment policy limits concentration of credit risk by limiting the investment in common stock or capital stock of any one issuing company within an investment manager's portfolio to 5% of the portfolio. Similarly, no more than 5% at cost value of a fixed income investment manager's portfolio may be invested in the securities of any single corporate issuer per the plan investment policy. Finally, investments in collateralized mortgage obligations are limited to 25% of the market value of the investment manager's total portfolio.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Custodial Credit Risk – Firefighters’ Supplemental Pension Plan:

This is the risk that in the event of the failure of a counterparty, the Plan will not be able to recover the value of its investments that are in the possession of an outside party. Plan investments are held by the Plan’s custodial bank and registered in the Plan’s name.

Foreign Currency Risk – Firefighters’ Supplemental Pension Plan:

Risk of loss arises from changes in currency exchange rates. The Firefighters’ Supplemental Pension Plan requires that no more than 25% of the market value of the plan’s total assets may be invested in foreign equity securities, commingled or mutual funds. Direct investment in foreign companies is limited to those traded on a national exchange and/or American Depository Receipts (ADR’s).

Fair Value Measurement:

The Firefighters’ Supplemental Pension Plan has adopted the provisions of GASB Statement No. 72 and fully disclosed in the notes to the financial statements the fair value hierarchy and the methods of valuing the related investments as required under generally accepted accounting principles. The Plan has the following recurring fair value measurements as of September 30, 2022:

	<u>Fair Value</u>	<u>Quoted Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
U.S. Treasury obligations	\$ 657,215	\$ 657,215	\$ -	\$ -
Municipal obligations	133,526	-	133,526	-

III.B. Receivables

Receivables as of year-end for the City’s governmental, proprietary and internal service funds, including the applicable allowances for uncollectible accounts for the proprietary funds, are segregated on the fund financial statements. Mortgages, Notes, and Other Loans in the amount of \$4,846,448 are reported on the Governmental Funds Balance Sheet, net of an allowance for uncollectible accounts in the amount of \$11,928,413. The gross receivable of \$16,774,861 includes \$1,089,993 of long-term loans receivable that are not expected to be collected within the next fiscal year. Mortgage notes receivable and the related payment history are reviewed individually on an annual basis to determine collectability for allowance and bad debt determinations.

Receivables as of year-end for the primary government’s individual major funds, as well as non-major funds and internal service funds in the aggregate, are as follows:

III.C. Lease Receivables

The City, as a lessor, has entered into the following lease agreements:

Fields, Inc. d/b/a Barefoot Beach House leases the premises on Clearwater Beach at 332 South Gulfview Blvd. to operate a food and beach accessory concession and restroom complex. The lease terminates on December 31, 2024. There are no further renewals available. Monthly fixed base rent payments of \$8,334 are received in the General Fund, as well as additional rent which varies based on gross sales. A lease receivable of \$223,079 and a deferred inflow of \$230,355 are recorded in the General Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate is 0.743%.

Alexandra of Clearwater Beach, Inc. leases the premises on Clearwater Beach at 10 Pier 60 Drive to operate a food and beach accessory concession and restroom complex. The lease terminates on February 28, 2027. There are no further renewals available. Fixed base rent of \$50,000 is due annually on March 1st, in addition to fixed monthly rent of \$10,000 and additional rent which varies based on gross sales. A lease receivable of \$712,919 and a deferred inflow of \$726,483 are recorded in the General Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate is 1.090%.

Clearwater Community Sailing Association, Inc. leases the premises on Clearwater Beach (3,658 square feet of real property and improvements) at 1001 Gulf Blvd., known as the Clearwater Community Sailing Center, and two additional tracts of land. The lease terminates on February 29, 2024. There are no renewals available. Monthly base rent of \$1,459 is received in the General Fund, and is subject to increase annually on March 1st based on the CPI for all Urban Consumers (CPI-U), South Urban Area, for the twelve-month period ending December 31st. A lease receivable of \$24,711 and a deferred inflow of \$26,058 are recorded in the General Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate is 0.529%.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Clearwater Golf Club, LLC leases the golf course located at 525 Betty Lane North, known as the Clearwater Country Club. The lease terminates on April 30, 2041. There are no renewals available. In lieu of rent, the Club at its sole expense will perform the renovations and construction stated in the agreement, valued at approximately \$1.2 million, during the five-year period ending April 30, 2027. A lease receivable of \$1,066,452 (present value of the required improvements using a discount rate of 2.36%) and a deferred inflow of \$1,044,235 are recorded in the General Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate is 2.36%.

Martin Luther King, Jr. Neighborhood Family Center, Inc. leases 530 square feet of office space at the North Greenwood Aquatics and Recreation Complex located at 900 North Martin Luther King, Jr. Avenue. The lease terminates on September 30, 2026 if not renewed for an additional five-year term. Quarterly rent of \$5,000 is received in the General Fund, and may be adjusted for the renewal term, if exercised, to reflect applicable changes in the use of the premises or the cost of operating the facility. A lease receivable of \$78,177 and a deferred inflow of \$82,789 are recorded in the General Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate is 1.090%.

The Philadelphia Phillies baseball club leases the stadium known as BayCare Ballpark, located at 601 North Old Coachman Road, for use as a spring training facility and also the home of their Class A affiliate, the Clearwater Threshers. The lease terminates on December 31, 2023 if renewal options are not exercised. Annual rent of \$204,000 is received in the General Fund. A lease receivable of \$202,927 and a deferred inflow of \$255,088 are recorded in the General Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate is .529%.

Clearwater Golf Associates, Inc. leases a golf course located at 1875 Airport Road, known as The Landings Golf Club of Clearwater. The lease terminates on February 28, 2029. There are no renewals available. Quarterly fixed rent of \$3,000 is received in the General Fund, as well as 3% of gross revenues in excess of \$1.1 million annually. A lease receivable of \$71,715 and a deferred inflow of \$72,464 are recorded in the General Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate is 1.390%.

A portion of the water tower premises at 1751 Kings Highway and Weston Drive is leased to T-Mobile (formerly MetroPCS California/Florida, Inc.) for location of a cell tower and related equipment. The lease terminates on December 18, 2025. There are no further renewals available. Annual lease payments are received in the Water and Sewer Utility Fund. A lease receivable of \$113,325 and a deferred inflow of \$139,263 are recorded in the Water and Sewer Utility Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate is 0.916%.

A portion of the water tower premises at 3200 SR-580 and McMullen Booth Road (5,525 square feet) is leased to Crown Castle (formerly GTE Mobilnet of Tampa, Inc.) for location of a cell tower and related equipment. The lease terminates on September 30, 2025 if not renewed for additional five-year terms through 2040. Annual lease payments are received in the Water and Sewer Utility Fund. A lease receivable of \$78,397 and a deferred inflow of \$91,671 are recorded in the Water and Sewer Utility Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate is 0.916%.

Fifty-one commercial boat slips at the Clearwater Beach Marina are leased to various parties for a term of five years. There is no renewal option. Termination dates range from April 30, 2024 to November 2, 2026. Monthly lease payments ranging from \$487.44 to \$2,561.27, based on the passenger capacity and number of vessels in the slip, are received in the Marine Operations Fund. There are no scheduled rent increases; however, the City Manager is authorized to adjust vessel slip rent increases or decreases up to ten percent annually, based on surveys of rates charged by other municipal and local area marinas. Current rates reflect the most recent increase on May 1, 2022. A lease receivable of \$1,107,211 and a deferred inflow of \$1,126,134 are recorded in the Marine Operations Enterprise Fund and the government-wide statements as of September 30, 2022. The City's incremental borrowing rate ranges from 0.743% to 1.264% for these leases.

Clearwater Angler, LLC d/b/a The Bait Shop leases the building at 45 Causeway Blvd., located at the Clearwater Beach Marina. The lease terminates on September 30, 2023 if the second and final renewal is not exercised. Monthly lease payments of \$2,864, increasing 3% to \$2,950 on October 1, 2022, are received in the Marine Operations Fund. A lease

Net governmental right to use assets	<u>\$ 1,877,317</u>	<u>\$ (485,925)</u>	<u>\$ -</u>	<u>\$ 1,391,392</u>

The City is a lessee of the following right to use assets:

The City leases the 6th floor (13,024 square feet) of One Clearwater Tower located at 600 Cleveland Street for use as a temporary City Hall. The lease terminates on January 31, 2024 if the five-year renewal option is not exercised. Monthly lease payments of \$21,935, increasing to \$22,597 on January 1, 2023, are paid from the General Fund. The City has recorded a lease liability in the government-wide statements in the amount of \$357,219 as well as a right to use asset in the amount of \$373,357, net of accumulated amortization, as of September 30, 2022. The City's incremental borrowing rate is 0.529%.

The City leases 2,660 square feet of office space. The lease terminates on April 30, 2023. There are no renewal options. Monthly lease payments of \$4,167 are paid from the General Fund. The City has recorded a lease liability in the government-wide statements in the amount of \$29,115 as well as a right to use asset in the amount of \$33,063, net of accumulated amortization, as of September 30, 2022. The City's incremental borrowing rate is 0.529%.

The City leases a 56' X 24' modular unit to be used as a temporary fire station during the construction of Fire Station #46. The lease terminates on July 31, 2023. There are no renewal options. Monthly lease payments of \$2,725 are paid from the appropriate capital project in the Capital Improvement Fund. The City has recorded a lease liability in the government-wide statements in the amount of \$27,184 as well as a right to use asset in the amount of \$29,746, net of accumulated amortization, as of September 30, 2022. The City's incremental borrowing rate is 0.529%.

The City leases Suite 400 (3,719 square feet) in the Powell Professional Center located at 401 Corbett Street for use as an employee health clinic. The lease terminates on May 31, 2024. There are no renewal options. Monthly lease payments of \$6,864, increasing to \$7,070 on June 1, 2023, are paid from the Central Insurance Fund. The City has recorded a lease liability in the Central Insurance Internal Service Fund and the government-wide statements in the amount of \$138,841 as well as a right to use asset in the amount of \$143,092, net of accumulated amortization, as of September 30, 2022. The City's incremental borrowing rate is 0.743%.

The City leases various computer equipment from Hewlett-Packard Financial Services Company for terms of 36 months. There are twelve leases outstanding with termination dates ranging from December 31, 2022 to June 30, 2025. There are no renewal options. Quarterly lease payments ranging from \$3,588 to \$28,746 are paid from the Administrative Services Fund. The City has recorded a lease liability in the Administrative Services Internal Service Fund and the government-wide statements in the amount of \$803,928 as well as a right to use asset in the amount of \$812,134, net of accumulated amortization, as of September 30, 2022. The City's incremental borrowing rate ranges from 0.308% to 2.552% for these leases.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Future lease payments on right to use assets are as follows:

	Principal	Interest	Total
2023	\$ 924,633	\$ 10,927	\$ 935,560
2024	354,205	4,397	358,602
2025	77,449	787	78,236
	<u>\$ 1,356,287</u>	<u>\$ 16,111</u>	<u>\$ 1,372,398</u>

The City does not report any right to use assets in the proprietary fund statements or business-type activities in the government-wide statements.

MSB Parking Garage Rehabilitation	Parking Fund	523,061
Total Construction Commitments		<u>\$ 56,342,129</u>

III.G. Interfund receivables, payables, and transfers

III.G.1. Interfund balances

As discussed in Note III.A., individual fund deficits in the consolidated cash pool, if any, have been reclassified as of September 30, 2022, as interfund loans from the Capital Improvement Fund, which was selected by management for this purpose. This reclassification results in a corresponding reduction in the cash equity in the Capital Improvement Fund, offset by an increase in interfund receivables.

As of September 30, 2022, there were no funds with a cash pool deficit.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

The amounts of the reclassified cash pool deficits, if any, as well as the current portion of other individual fund interfund payable and receivable balances are classified as Due from/to Other Funds. The long-term portions of other interfund balances are classified as Advances to/from Other Funds.

Fund	Due from Other Funds	Due to Other Funds	Advances to Other Funds	Advances from Other Funds
General Fund	\$ -	\$ 133,011	\$ -	\$ 444,103
Special Revenue Funds:				
Special Programs Fund	-	-	325,440	-

Descriptions of interfund loans as of September 30, 2022:

An internal loan from the Special Programs special revenue fund to the Community Redevelopment Agency Fund in the amount of \$325,440, approved on September 1, 2011, for the environmental cleanup of the Car Pro site in the East Gateway area of the downtown. This loan is interest-free and is to be repaid upon the sale of the developed parcel. Because the first principal payment is not due within one year, this loan is classified as an advance.

An internal loan from the Central Insurance Fund to the Solid Waste/Recycling Utility Fund in the amount of \$3.5 million, approved November 16, 2017, to partially fund the construction of a Solid Waste Transfer Station. This loan provides for 10 equal payments of \$396,812, including interest at 2.35%, beginning September 30, 2019 and ending September 30, 2028. The current portion of this loan (\$345,190) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$1,851,509) is classified as an advance.

An internal loan from the Capital Improvement Fund to the General Fund in the amount of \$125,584 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$26,675, including interest at 2.04%, beginning May 31, 2020 and ending May 31, 2024. The current portion of this loan (\$25,619) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$26,141) is classified as an advance.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

An internal loan from the Capital Improvement Fund to the Water & Sewer Utility Fund in the amount of \$191,586 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$40,694, including interest at 2.04%, beginning May 31, 2020 and ending May 31, 2024. The current portion of this loan (\$39,083) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$39,880) is classified as an advance.

An internal loan from the Capital Improvement Fund to the Solid Waste & Recycling Utility Fund in the amount of \$395,983 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$84,109, including interest at 2.04%, beginning May 31, 2020 and ending May 31, 2024. The current portion of this loan (\$80,779) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$82,427) is classified as an advance.

An internal loan from the Capital Improvement Fund to the Garage Fund in the amount of \$3,363,457 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$714,414, including interest at 2.04%, beginning May 31, 2020 and ending May 31, 2024. The current portion of this loan (\$686,134) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$700,132) is classified as an advance.

An internal loan from the Capital Improvement Fund to the General Fund in the amount of \$174,984 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$36,054, including interest at 1.00%, beginning July 1, 2022 and ending July 1, 2026. The current portion of this loan (\$34,647) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$106,033) is classified as an advance.

An internal loan from the Capital Improvement Fund to the Solid Waste & Recycling Fund in the amount of \$518,874 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$106,909, including interest at 1.00%, beginning July 1, 2022 and ending July 1, 2026. The current portion of this loan (\$102,737) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$314,417) is classified as an advance.

An internal loan from the Capital Improvement Fund to the Administrative Services Fund in the amount of \$56,170 to fund the purchase of computers and network equipment. This loan provides for 3 equal payments of \$19,005, including interest at 0.75%, beginning July 1, 2022 and ending July 1, 2024. The current portion of this loan (\$18,723) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$18,863) is classified as an advance.

An internal loan from the Capital Improvement Fund to the General Services Fund in the amount of \$35,046 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$7,221, including interest at 1.00%, beginning July 1, 2022 and ending July 1, 2026. The current portion of this loan (\$6,939) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$21,236) is classified as an advance.

An internal loan from the Capital Improvement Fund to the Garage Fund in the amount of \$5,140,518 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$1,059,151, including interest at 1.00%, beginning July 1, 2022 and ending July 1, 2026. The current portion of this loan (\$1,017,824) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$3,114,948) is classified as an advance.

An internal loan from the Capital Improvement Fund to the General Fund in the amount of \$384,674 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$83,516, including interest at 2.80%, beginning August 1, 2023 and ending August 1, 2027. The current portion of this loan (\$72,745) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$311,929) is classified as an advance.

An internal loan from the Capital Improvement Fund to the Water & Sewer Utility Fund in the amount of \$351,081 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$76,223, including interest at 2.80%, beginning August 1, 2023 and ending August 1, 2027. The current portion of this loan (\$66,393) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$284,689) is classified as an advance.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

An internal loan from the Capital Improvement Fund to the Administrative Services Fund in the amount of \$49,969 to fund the purchase of computers and network equipment. This loan provides for 3 equal payments of \$17,581, including interest at 2.75%, beginning August 1, 2023 and ending August 1, 2025. The current portion of this loan (\$16,206) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$33,763) is classified as an advance.

An internal loan from the Capital Improvement Fund to the Garage Fund in the amount of \$2,554,384 to fund the purchase of radio equipment. This loan provides for 3 equal payments of \$898,715, including interest at 2.75%, beginning August 1, 2023 and ending August 1, 2025. The current portion of this loan (\$828,470) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$1,725,914) is classified as an advance.

An internal loan from the Capital Improvement Fund to the Garage Fund in the amount of \$3,729,841 to fund the purchase of vehicles and other equipment. This loan provides for 5 equal payments of \$809,783, including interest at 2.80%, beginning August 1, 2023 and ending August 1, 2027. The current portion of this loan (\$705,347) is due within one year and is therefore classified as due to/due from other funds, while the long-term portion (\$3,024,494) is classified as an advance.

III.G.2. Interfund transfers

Transfers are primarily used to 1) transfer revenues that have been collected in the required fund per state law to the funds and activities that state law allows for expenditures; 2) transfer of “payment in lieu of taxes” contributions from the utility funds to the General Fund; 3) transfer funding from governmental funds to debt service and capital improvements funds; and 4) transfer matching funds from the General Fund to various grant programs.

Other non-routine interfund transfers occurring during the current fiscal year included: A transfer of \$4,752 from the Central Insurance Fund to various funds for perfect claims safety award; a transfer of \$115,000 from the Community Redevelopment Agency Fund to the General Fund for a new Assistant Director position; a transfer of \$400,000 from General Fund to the Capital Improvement Fund for the Sailing Center Dock Replacement project; a transfer of \$300,000 from General Fund to the Capital Improvement Fund for the Greenprint Implementation project; a transfer of \$2.8 million from General Fund to the Capital Improvement Fund for the Fire Station 46 project; a transfer of \$1,344 from the Special Programs Fund to the Capital Improvement Fund for the Studio/Production Equipment project; a transfer of \$30,063 from the Capital Improvement Fund to the General Fund to return unspent funds in the Command Bus Refurbishment project; a transfer of \$2.3 million from the General Fund to the Clearwater Harbor Marina Fund for the Clearwater Harbor Marina Replacement & Upgrade project; a transfer of \$7.4 million from the General Fund to the Capital Improvement Fund for the New City Hall project; to record a transfer of \$13,000 from the Administrative Services Fund to the Aviation Fund for the Security System Upgrade project; a transfer of \$250,000 from the General Fund to the Marina Fund for the Beach Marina Upgrade project; a transfer of \$350,000 from the Special Development Fund to the Capital Improvement Fund for the Park Land Acquisition project; and a transfer of \$22 million from the Special Programs Fund to the General Fund, and then transfers from the General Fund to the Capital Improvement Fund and the Special Programs Fund for ARPA projects and programs approved by City Council.

City of Clearwater, Florida

Total interfund transfers	<u><u>\$ 114,386,506</u></u>

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

III.H. Financed Purchases

The City purchases various equipment for governmental and business-type activities under financed purchase agreements (direct borrowings). The equipment is purchased with cash and subsequently provided as collateral via a financing agreement, typically for a five-year term. Obligations under these financed purchase agreements are recorded at the present value of their future minimum payments as of date of inception. Purchase of the assets is recorded as a cash outflow and the subsequent receipt of the financing proceeds is recorded as "proceeds from issuance of debt" for Statement of Cash Flows reporting.

Capitalized equipment subject to financed purchase agreements as of September 30, 2022:

	Governmental Activities	Business-type Activities
Equipment	\$ 20,887,792	\$ 1,113,570
Less: Accumulated Depreciation	(12,763,002)	(556,226)
Total	\$ 8,124,790	\$ 557,344

The future minimum payments under financed purchase agreements are as follows as of September 30, 2022:

<u>Year Ending Sept. 30</u>	Governmental Activities	Business-type Activities
2023	3,948,757	219,324
2024	2,099,255	176,966
2025	1,458,967	146,279
	7,506,979	542,569
Deduction of the amount of imputed interest necessary to reduce net minimum lease payments to present value	(126,706)	(9,816)
	\$ 7,380,273	\$ 532,753

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

III.I. Long-term debt

III.I.1. Bonds Payable

Total revenue bonds and direct placement bank loans for business-type activities	133,900,000
Total bonds payable	\$167,380,000

III.I.2. Restrictive covenants and collateral requirements

The Revenue Bonds (Spring Training Facility), Series 2002, are special, limited obligations of the City, payable solely from and secured by a lien upon and pledge of the (i) payments received by the City from the State of Florida pursuant to Section 212.20, Florida Statutes (State payments); and (ii) payments received by the City from Pinellas County, Florida pursuant to the Interlocal Agreement dated December 1, 2000 (County payments). The pledge of the State Payments and County Payments does not constitute a lien upon any property of the City. Furthermore, neither the City, Pinellas County, the State of Florida, nor any political subdivision thereof has pledged its faith or credit or taxing power to the payment of the bonds. However, the City has pledged, per a municipal bond insurance debt service agreement, to supplement State and County payments with non-ad valorem City revenues, if necessary, to pay debt service.

The Non-Ad Valorem Revenue Bonds (Imagine Clearwater Improvements), Series 2022, are limited obligations of the City, payable solely from non-ad valorem revenues of the City and secured by a covenant to budget and appropriate funds sufficient for the payment of principal and interest and certain other required payments in each fiscal year. The pledge of non-ad valorem revenues does not constitute a lien upon any property of the City, nor do the bonds constitute a general indebtedness of the City.

The Water and Sewer Revenue Refunding Bonds, Series 2017, Series 2017B and Series 2020, are limited obligations of the City payable solely from and secured by a lien upon and pledge of the net revenues of the City's water and sewer system (System). The pledge of the System's net revenues does not constitute a lien upon any property of the City. The covenants of the ordinances authorizing the bonds include, among other things, an obligation of the City to fix and maintain such rates, and collect such fees, rentals and other charges for the services and facilities of the System and revise the same from time to time whenever necessary, which will provide gross revenues in each fiscal year sufficient to pay the cost of operation and maintenance of the system; one hundred fifteen percent (115%) of the bond service requirement becoming due in such fiscal year on the outstanding bonds; plus one hundred percent (100%) of all reserve and other payments required to be made pursuant to the ordinances authorizing the bonds. The City further covenants that such rates, fees, rentals and other charges will not be reduced so as to render them insufficient to provide gross revenues for such purpose.

The Gas System Revenue Refunding Bonds, Series 2013 and Series 2014, are limited obligations of the City payable solely from and secured by a lien upon and pledge of the net revenues of the City's gas system (System). The pledge of the System's net revenues does not constitute a lien upon any property of the City. The covenants of the ordinances authorizing the bonds include, among other things, an obligation of the City to fix, establish, revise from time to time whenever necessary, maintain and collect always, such fees, rates, rentals and other charges for the use of the product, services and facilities of the System which will always provide revenues in each year sufficient to pay, and out of such funds pay, 100% of the cost of operations and maintenance of the System in such year and all reserve and other payments provided for in the ordinances authorizing the bonds, along with one hundred twenty five percent (125%) of the bond service requirement due in such year on all outstanding bonds.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

The Stormwater Revenue Refunding Bonds, Series 2012, are limited obligations of the City payable solely from and secured by a lien upon and pledge of the net revenues of the City's stormwater management system (System). The pledge of the System's net revenues does not constitute a lien upon any property of the City. The covenants of the ordinances authorizing the bonds include, among other things, an obligation of the City to fix, revise from time to time whenever necessary, and maintain and collect always such fees, rates, rentals and other charges for use of the products, services, and facilities which will always provide net revenues in each year sufficient to pay one hundred fifteen percent (115%) of the bond service requirement becoming due in such fiscal year on the outstanding bonds. The City further covenants that such rates, fees, rentals and other charges will not be reduced so as to render them insufficient to provide revenues for such purpose. Additionally, the covenants of each of the above issues includes a "Reserve Requirement" equal to the lesser of the Maximum Bond Service Requirement for any given year; 125% of the Average Annual Bond Service Requirement; or the largest amount as shall not adversely affect the exclusion of interest on the Bonds from gross income for Federal income tax purposes. A Reserve Fund has been funded for the Series 2012 Bonds.

Annual debt service requirements to maturity for revenue bonds and direct placement bank loans are as follows:

Year Ending September 30	Governmental Activities		Business-type Activities			
	Revenue Bonds		Revenue Bonds		Direct Placement Bank Loans	
	Principal	Interest	Principal	Interest	Principal	Interest
2023	\$ 310,000	\$ 1,129,744	\$ 2,915,000	\$ 4,222,044	\$ 3,020,000	\$ 834,798

III.1.3. Pledged revenues

State of Florida and Pinellas County Payments Pledged: The City has pledged future revenues derived from payments received from the State of Florida pursuant to Section 212.20, Florida Statutes, and payments from Pinellas County, Florida pursuant to an Interlocal Agreement, together with any investment income earned on the revenues, to repay \$14.8 million in Spring Training Facility Revenue bonds issued in September 2002. Proceeds from the bonds provided financing for a portion of the costs of the acquisition, construction, rehabilitation, and equipping of a spring training facility to be used by the Philadelphia Phillies major league baseball team. The bonds are payable solely from the State of Florida and Pinellas County, Florida payments and are payable through March 2031. Annual principal and interest payments on the bonds are expected to require less than 100 percent of net revenues. The total principal and interest remaining to be paid on the bonds is \$4,387,031. Principal and interest paid for the current year and total revenue received were \$488,983 and \$458,667, respectively.

Non-Ad Valorem Revenues: The City has covenanted and agreed to appropriate in its annual budget, by amendment if necessary, sufficient amounts of non-ad valorem revenues for payment of the principal and interest and to make certain other payments as required, for each fiscal year in which the Non-Ad Valorem Revenue Bonds (Imagine Clearwater Improvements) Series 2022, remain outstanding. Proceeds from the bonds provided financing for the cost of acquisition, construction or equipping of the Imagine Clearwater Project and to pay related costs of issuance of the Series 2022 bonds.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Annual principal and interest payments on the bonds are expected to require less than 100 percent of net revenues. The total principal and interest remaining to be paid on the bonds is \$54,611,356. Debt service payments commence on April 1, 2023; therefore, no principal and interest payments were made in the current year.

Water and Sewer Utility Net Revenues Pledged: The City has pledged future net revenues of the City of Clearwater, Florida, Water & Sewer Utility, defined as all income or earnings, including any income from the investment of funds, derived by the City from the operation of the utility after deduction of current expenses for the operation, maintenance and repair of the system, but not including reserves for renewals and replacements, for extraordinary repairs or any allowance for depreciation to repay:

\$69.3 million Water and Sewer Revenue Refunding bonds issued in February 2017. Proceeds from the bonds provided financing to refund and redeem the outstanding principal maturing on or after December 1, 2020 of the City's Water and Sewer Revenue Bonds, Series 2009A. The bonds are payable solely from the Water and Sewer Utility net revenues and are payable through December 2039.

\$29.1 million Water and Sewer Revenue Refunding bond, a direct placement bank loan, issued in September 2017. Proceeds from the bonds provided financing to refund and redeem the outstanding principal maturing on or after December 1, 2022 of the City's Water and Sewer Revenue Refunding Bonds, Series 2011. The bonds are payable solely from the Water and Sewer Utility net revenues and are payable through December 2032.

\$20.4 million Water and Sewer Revenue Refunding bonds issued January 2020. Proceeds from the bonds provided financing to refund and redeem the outstanding principal maturing on or after December 1, 2020 of the City's Water and Sewer Revenue Refunding bond, Series 2014, a direct placement bank loan. The bonds are payable solely from the Water and Sewer Utility net revenues and are payable through December 2032.

Annual principal and interest payments on the bonds are expected to require less than 85 percent of net revenues. The total principal and interest remaining to be paid on the bonds is \$162,104,940. Principal and interest paid for the current year (\$8,745,155) required 55.65% of total net revenue (\$15,714,393).

Stormwater Utility Net Revenues Pledged: The City has pledged future net revenues of the City of Clearwater, Florida, Stormwater Utility, defined as all income or earnings, including any income from the investment of funds, derived by the City from the operation of the utility after deduction of current expenses for the operation, maintenance and repair of the system, but not including reserves for renewals and replacements, for extraordinary repairs or any allowance for depreciation to repay:

\$19.4 million Stormwater Revenue Refunding bonds issued in February 2012. Proceeds from the bonds provided sufficient funds to be available on March 5, 2012 to pay and redeem the City's outstanding Stormwater Revenue Bonds, Series 2002. The bonds are payable solely from the Stormwater Utility net revenues and are payable through November 2032.

Annual principal and interest payments on the bonds are expected to require less than 60 percent of net revenues. The total principal and interest remaining to be paid on the bonds is \$14,807,388. Principal and interest paid for the current year (\$9,318,962 including \$7,885,000 to redeem all outstanding principal on the 2013 Stormwater Revenue Refunding Bond, a direct placement bank loan) required 147.84% of total net revenue (\$6,303,234).

Gas System Utility Net Revenues Pledged: The City has pledged future net revenues of the City of Clearwater, Florida, Gas System Utility defined as all income or earnings, including any income from the investment of funds, derived by the City from the operation of the utility after deduction of current expenses for the operation, maintenance and repair of the system, but not including reserves for renewals and replacements, for extraordinary repairs or any allowance for depreciation to repay:

\$7.4 million Gas System Revenue Refunding bond, a direct placement bank loan, issued in June 2013. Proceeds from the bonds provided financing to refund the outstanding principal of the Gas System Revenue Refunding bonds, Series 2004. The bonds are payable solely from the Gas System Utility net revenues and are payable through September 2026.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

\$5.4 million Gas System Revenue Refunding bond, a direct placement bank loan, issued in June 2014. Proceeds from the bonds provided financing to refund the outstanding principal of the Gas System Revenue Refunding bonds, Series 2005. The bonds are payable solely from the Gas System Utility net revenues and are payable through September 2027.

Annual principal and interest payments on the bonds are expected to require less than 60 percent of net revenues. The total principal and interest remaining to be paid on the bonds is \$7,807,164. Principal and interest paid for the current year (\$909,070) required 15.60% of total net revenue (\$5,827,158).

III.I.4. Advance refunding of bonds

On September 21, 2017, the City issued at a discount \$29,080,000 of Water & Sewer Revenue Refunding Bonds, Series 2017B, a direct placement bank loan, for the purpose of advance refunding and redeeming on December 1, 2021, \$30,465,000 principal of Water & Sewer Revenue Refunding Bonds, Series 2011, maturing on or after December 1, 2022. The net proceeds in the amount of \$34,708,045 (after payment of \$91,402 plus additional cash of \$5,792,147 from released debt service reserve escrow), were deposited into an irrevocable trust with an escrow agent to provide for all future debt service payments on the refunded bonds. The refunding transaction resulted in an aggregate debt service reduction in the amount of \$9,757,105 and an economic gain (difference between the present value of the debt service payments on the old and new debt) of \$2,336,358.

There was no outstanding principal of the refunded bonds as of September 30, 2022.

A portion of the proceeds of the above-referenced bond issues was deposited into an irrevocable trust with an escrow agent and used to purchase securities of the United States Government and related agencies at various maturities and interest rates sufficient to meet all debt service requirements of the refunded debt. These assets are administered by trustees and are restricted to use for retirement of the refunded debt. The liability for the refunded bonds and the related securities and escrow accounts are not included in the accompanying financial statements as the City defeased its obligation for payment of the refunded debt upon completion of the refunding transactions.

III.I.5. Early redemption of bonds

On November 1, 2021, the city exercised a total early redemption option of the 2013 Stormwater Revenue Refunding Bond, a direct placement bank loan issued by STI Institutional & Governmental, Inc. The payout amount consisted of the principal balance of \$7,885,000 and accrued interest in the amount of \$117,487.

III.I.6. Non-Ad valorem revenue bonds

On November 21, 2019, City Council adopted Resolution 19-34 authorizing the issuance of not-to-exceed \$30 million of City of Clearwater, Florida Non-Ad Valorem Revenue Bonds (Imagine Clearwater Improvements) to finance and/or reimburse a portion of the costs of acquisition, design, construction, reconstruction, renovation, expansion, improving and equipping the Imagine Clearwater project at Coachman Park. The bonds would be issued as covenant to budget and appropriate legally available non-ad valorem revenue bonds (CBA bonds), which are not a traditional revenue pledge but rather a covenant, or “promise”, to budget and appropriate non-ad valorem revenues each budget year, sufficient to pay debt service and other costs of the bonds. On February 6, 2020, City Council adopted Ordinance 9357-20, ratifying the adoption of Resolution 19-34, and authorizing the issuance of bonds to finance a portion of the costs of the Imagine Clearwater project in accordance with the Clearwater Code of Ordinances.

Pursuant to a hearing on September 1, 2020, a Final Judgement was issued by the Circuit Court for Pinellas County validating and confirming the bonds, including the City’s authority to issue the bonds; the legality and validity of the bonds; the legality and validity of the proceedings authorizing the issuance and execution of the bonds including the bond resolution and bond ordinance, and the adoption of both the bond resolution and bond ordinance; the lawfulness of the City’s covenant

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

to budget, appropriate and deposit non-ad valorem revenues in the manner and to the extent provided in the bond resolution and the pledge of funds to secure payment of the bonds; and the legality and validity of all matters and proceedings in connection therewith.

The bonds were issued on July 14, 2022.

III.I.7. Changes in long-term liabilities

(a) Financed purchase agreements (direct borrowings):

On September 19, 2013, City Council approved a Master Lease Purchase Agreement with The Bankcorp Bank d/b/a Mears Motor Leasing to finance the acquisition of vehicles and equipment from October 1, 2013 through September 30, 2018. Since the agreement expired at the end of fiscal 2018, there is no remaining line of credit as

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

of September 30, 2022. The vehicles and equipment were purchased by the city with cash and subsequently provided as collateral to the lender. The city has the option to prepay without any prepayment penalty. In the event that insufficient funds are appropriated in any fiscal year to pay amounts due, the agreement will terminate on the last day of the fiscal year for which payments were made, and the city will surrender the vehicles and equipment to the lender. In the event of default, the lender's sole remedy is to sue for compensatory damages, which are agreed to be any accrued and unpaid rental payments, provided that the vehicles and equipment are surrendered to the lender in proper working order.

On February 1, 2019, City Council approved a Master Lease Purchase Agreement with SunTrust Equipment Finance and Leasing Corp. (now Truist Equipment Finance Corp.) to provide a line of credit in the amount of \$36,650,000 to finance the acquisition of vehicles and equipment from October 1, 2018 through September 30, 2023. The remaining line of credit as of September 30, 2022 is \$25,945,345. The vehicles and equipment were purchased by the city with cash and subsequently provided as collateral to the lender. The city has the option to prepay in whole but not in part on any payment date as set forth in the applicable Payment Schedule, if and to the extent the Payment Schedule permits such prepayment, with written notice given not less than thirty days prior to the payment date. In the event that that sufficient funds are not appropriated for the following fiscal year, the city will be deemed to not have renewed the agreement, the agreement will terminate at the end of the current fiscal year, and the city will be required to return the equipment to the lender. In the event of default, the lender may, at its option, declare all payments due to the end of the current budget year to be immediately due and payable, terminate the agreement and repossess any or all of the equipment, or exercise any other remedy available at law or in equity with respect to such default.

The reduction in financed purchases of \$5,406,861 includes \$4,696,060 for internal service funds and \$710,801 for governmental funds. There are no additions for governmental funds for fiscal 2022.

- (b) Compensated absences are paid by the fund where salaries are incurred, which is primarily the General Fund for governmental activities.
- (c) Since the OPEB plan's inception in fiscal 2008, other postemployment benefits costs are allocated to and paid by funds based on their percentage of full-time equivalent employees, which is primarily the General Fund for governmental activities.
- (d) The Central Insurance Fund, an internal service fund, accrues for estimated claims and pays claims for all departments.
- (e) Direct placement bank loans outstanding include:
 - \$3,880,000 for Gas System Revenue Refunding Bond, Series 2013, issued by STI Institutional & Governmental, Inc. Net revenues derived by the City from the operation of the respective utility system are pledged as security for the loans. In the event of default as defined in the City's bond ordinance, the default rate of interest shall be the lesser of the maximum rate permitted by law or 18%. There are no termination or acceleration provisions that have finance-related consequences.

\$3,285,000 for Gas System Revenue Refunding Bond, Series 2014, issued by TD Bank, N.A. Net revenues derived by the City from the operations of the respective utility systems are pledged as security for the loans. In the event of default as defined by the City's bond ordinance, the default rate of interest shall be Prime Rate plus 4%. There are no termination or acceleration provisions that have finance-related consequences.

\$28,375,000 for Water and Sewer Revenue Refunding Bond, Series 2017B, issued by Raymond James Capital Funding, Inc. Net revenues derived by the City from the operation of the City's water and sewer utility are pledged as security for the loan. In the event of default as defined by the City's bond ordinance, the default rate of interest shall be the greater of (a) Prime Rate plus 3%, (b) the Federal Funds Rate plus 5%, or (c) 7% per annum. There are no termination or acceleration provisions that have finance-related consequences.

For the Year Ended September 30, 2022

Significant restrictions in Special Programs Fund include public safety restrictions for law enforcement programs (\$1,770,978) and EMS programs (\$1,360,778); physical environment restrictions for tree replacements (\$968,910); and economic environment restrictions for economic development programs (\$8,337,071) and low-income housing (\$5,858,899). Significant commitments include general government commitments for electronic plan submittal program (\$134,488), Nagano Sister City program (\$163,386), the lien foreclosure program (\$631,889) and the planning studies fund (\$392,854); commitments to public safety for emergency operations (\$2,088,240), police vehicles (\$366,666), and law enforcement programs (\$87,116); and commitments to human services for grant programs (\$2,240,110).

Amounts in the Capital Improvement Fund all relate to funding for various capital projects.

Significant restrictions in the non-major governmental funds include economic environment restrictions for low-income housing (\$1,747,549) and community redevelopment (\$11,484,872); and culture and recreation restrictions for debt service (\$780,258).

Note IV - Other Information

IV.A. Risk management

The City is self-insured within certain parameters for losses arising from claims for general liability, auto liability, police professional liability, public official's liability, property damage, and workers' compensation. Insurance coverage has been maintained by the City to pay for or indemnify the City for losses in excess of certain specific retentions and up to specified maximum limits in the case of claims for liability, property damage, and workers' compensation. The liability excess coverage is \$5,000,000 per occurrence (\$10,000,000 aggregate) with self-insured retention of \$500,000. There is workers' compensation coverage to the statutory limit, with self-insured retention of \$600,000. The property damage excess coverage is \$100 million per occurrence, except \$75 million for the perils of Named Storm (per occurrence), Flood (annual aggregate) and Earth Movement (annual aggregate) after either a \$100,000 self-insured retention for perils other than a named storm or 5% self-insured retention for named storm and High Hazard Flood with a \$100,000 minimum. Settled claims have not exceeded excess coverage in any of the past three years.

On October 17, 2012, City Council authorized a partial self-insured funding arrangement with Cigna for health insurance effective for the plan year beginning January 1, 2013. Per this arrangement, the City is self-insured for medical and pharmacy claims up to \$250,000 per person per year. The City has purchased stop loss insurance from Cigna which covers 50% of individual claims for any amount of the claim between the amounts of \$250,000 and \$350,000 and covers 100% of individual claims for any amount of the claim exceeding the amount of \$350,000 per person per year. In accordance with the fully insured arrangement between the City and Cigna prior to January 1, 2013, the City has no liability for health insurance claims incurred prior to this date. The City estimates a liability for health insurance claims incurred but not yet paid as of September 30, 2022 in the amount of \$1,462,151.

The transactions relating to the self-insurance program are accounted for in the Central Insurance Fund, an internal service fund. The billings by the Central Insurance Fund to the various operating funds (the interfund premiums) are based on actuarial estimates of the amounts needed to pay prior and current year claims. The claims liability reported as of September 30, 2022, is based on the requirements of GASB Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Changes in the claims liability amounts in fiscal years 2022 and 2021 were:

	Self Insurance
Balance at September 30, 2020	\$ 9,453,227
Current year claims and changes in estimates	22,000,189
Claims paid	(21,386,216)
Balance at September 30, 2021	10,067,200
Current year claims and changes in estimates	22,520,573
Claims paid	(22,845,269)
Balance at September 30, 2022	\$ 9,742,504

IV.B. Employee retirement systems and pension plans

IV.B.1. Defined benefit pension plans

The City contributes to two separate single-employer, self-administered defined benefit pension plans covering approximately three-fourths of all City employees. The Employees' Pension Plan covers all permanent, full-time City employees who successfully pass the required physical examination, except for firefighters employed prior to July 1, 1963, and certain unclassified (primarily managerial) employees. The Firefighters' Relief and Pension Plan covered eligible firefighters hired prior to July 1, 1963 and is closed to new entrants. As indicated, both plans are self-administered, and the administrative costs of the plans are financed from the respective plan assets.

Each pension fund is accounted for as a pension trust fund; therefore, each is accounted for in substantially the same manner as proprietary funds with an economic resources measurement focus and the accrual basis of accounting. Fund assets, primarily investments, are valued at fair value for balance sheet purposes. Investment values are determined using the estimated fair value determined by averaging estimated fair values obtained from three or more nationally recognized brokers. For purposes of measuring the net pension liability (asset), deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the plans, and additions to/deductions from the plans' fiduciary net position have been determined on the same basis as they are reported by the plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms.

Detailed information about each plan's fiduciary net position is available on pages 113-118 and pages 142-143 of this Annual Comprehensive Financial Report. Neither of these plans issues a stand-alone financial report.

The **Employees' Pension Plan** is authorized by and operates under the provisions of Sections 2.391 through 2.428 of the Municipal Code of the City of Clearwater. Sections 2.391 through 2.401 apply to those participants who attained a vested benefit and terminated employment prior to January 1, 2013. Sections 2.410 through 2.428 apply to those participants who are actively employed by the City of Clearwater as of or after January 1, 2013. Plan provisions have been duly approved as required by the voters in referendums. Since the last valuation, there have been no revisions in benefits. The investment rate assumption has been reduced by 0.05% from 6.55% to 6.50%. This assumption change caused the required City contribution to increase by \$224,890, or 0.24% of covered pensionable payroll.

Management of the Employees' Pension Plan is vested in the Clearwater City Council, serving as the Pension Trustees.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Plan membership/Employees covered by benefit terms. As of the most recent actuarial valuation date, January 1, 2022, the membership of the Employees' Pension Plan was as follows:

	Employees' Pension Plan
Retirees and beneficiaries currently receiving benefits	1,390
Terminated employees entitled to benefits but not yet receiving them	79
Active employees	1,510
Total number of participants	2,979

Benefits provided. The normal retirement benefit is a monthly benefit equal to 2.75% of average monthly compensation (2.00% for participants in non-hazardous duty hired on or after January 1, 2013) for the highest five of the final ten years of service multiplied by the number of years of service to date of retirement. Eligibility for normal retirement occurs upon completion of 10 years of service and the attainment of age 65, or completion of 20 years of service and the attainment of age 55, or completion of 30 years of service regardless of age, for employees hired before January 1, 2013 who are engaged in non-hazardous duty. For employees hired on or after January 1, 2013 who are engaged in non-hazardous duty, eligibility for normal retirement occurs upon completion of 25 years of service and attainment of age 60, or completion of 10 years of service and attainment of age 65. For those engaged in hazardous duty, eligibility occurs upon completion of 20 years of service or upon completion of 10 years of service and attainment of age 55. For all hazardous duty participants and non-hazardous duty participants eligible to retire as of January 1, 2013, the normal monthly benefit is payable for the life of the participant and will continue, after the participant's death, to be paid at the same amount for 5 years to the surviving spouse; after 5 years, the survivor annuity is reduced to 50% of the original amount and ceases upon death or remarriage of the spouse. For non-hazardous duty participants not eligible to retire as of January 1, 2013, the normal benefit is a monthly annuity paid for the life of the participant. There are several other benefit payment options that are computed to be the actuarial equivalent of the normal benefit. The plan provides for an annual cost of living adjustment (COLA) of up to 1.5% for benefits accrued prior to January 1, 2013. For non-hazardous duty participants, there is a five-year delay until the cost of living increase is applied to benefits accrued after January 1, 2013, and for Hazardous Duty Firefighters, there is no cost of living increase for benefits accrued after January 1, 2013. For Hazardous Duty Police Officers actively employed on or after January 1, 2020, there is a COLA of 1.5% on all benefits accrued after January 1, 2013. For all non-grandfathered Hazardous Duty Police Officers (not eligible for normal retirement on January 1, 2013), there will be a five-year delay (after the retirement date) until the COLA is applied to benefits accrued after January 1, 2013. The plan also provides for disability and death benefits, vesting after completion of 10 years of service and the refund of employee contributions in case of a non-vested termination. Covered employees in non-hazardous duty and employees in hazardous duty who are eligible to retire as of January 1, 2013 contribute 8% of their compensation. Covered employees in hazardous duty who are not eligible to retire as of January 1, 2013 contribute 10% of their compensation. It is the City's obligation to provide a sufficient additional contribution to maintain the actuarial soundness of the fund but, in any event, not less than 7% of participating employee's compensation per the ordinance governing the plan.

Contributions. Employer contributions are made in equal installments during the first two quarters of the fiscal year based upon the actuarially determined percentage of payroll and the actual payroll payable at the time contributions are made. The minimum required City contribution is 7% of covered payroll. Member contributions are made continuously throughout the year.

Investment policy. The Employees' Pension Plan Statement of Investment Objectives and Guidelines was adopted by the Pension Trustees on December 16, 2019. The investment policy requires an annual review by the Pension Investment Committee with a recommendation to the Pension Trustees to confirm or revise. The following was the Trustees' adopted asset allocation policy as of September 30, 2022:

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Asset Class	Target Allocation
Core Fixed Income	28.00%
Global Equity	5.00%
U.S. Large Cap Equities	26.00%
U.S Mid Cap Equities	7.00%
U.S. Small Cap Equities	6.00%
International Equities	10.00%
Emerging Markets Equities	3.00%
Private Real Estate and REITS	15.00%
	100.00%

The Employees' Pension Plan has invested in real estate, timber, and infrastructure limited partnership funds. The strategies of these funds are long term and illiquid in nature. As a result, investors are subject to redemption restrictions which generally limit distributions and restrict the ability of limited partners to exit a partnership investment prior to its dissolution. These investments partnerships are valued using their respective net asset value (NAV) and are audited annually. The most significant input into the NAV of such an entity is the fair value of its investment holdings. These holdings are valued by the general partners on a quarterly or semi-annual basis, in conjunction with management and investment advisors, and consultation with valuation specialists. The management assumptions are based upon the nature of the investment and the underlying business. The valuation techniques vary based upon investment type and involve a certain degree of expert judgment. All timber acquisitions are valued per an independent expert third party appraisal within one year of acquisition and similar independent third-party appraisals of fair value are conducted at least every three years thereafter. The infrastructure fund's assets are valued by international recognized accounting firms and/or internationally recognized appraisal firms (independent appraisers) on a quarterly basis, with the independent appraisers rotated at three-year intervals.

Concentrations. As of September 30, 2022, the Employees' Pension Plan held no investments (other than U.S. Government or U.S. Government guaranteed obligations) in any one organization comprising 5% or more of the net position available for benefits.

Rate of return. For the fiscal year ended September 30, 2022, the annual money-weighted rate of return on investments of the Employees' Pension Plan, net of pension plan investment expense, was (15.65)%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Net pension liability. The components of the net pension liability of the City for the Employees' Pension Plan as of September 30, 2022, were as follows:

Total pension liability	\$ 1,089,718,239
Plan fiduciary net position	1,082,738,733
City's net pension liability	\$ 6,979,506
Plan fiduciary net position as a percentage of the total pension liability	99.36%

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

The changes in the net pension liability (asset) of the City for the Employees' Pension Plan for the year ending September 30, 2022 were as follows:

	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability/(Asset) (a) - (b)
Balances at 9/30/2021	\$ 1,055,835,834	\$ 1,325,814,385	\$ (269,978,551)
Changes for the year:			
Service cost	18,718,516	-	18,718,516
Interest	68,447,973	-	68,447,973
Benefit changes	-	-	-
Differences between expected and actual experience	(345,877)	-	(345,877)

Net investment income	-	(204,174,834)	204,174,834
Benefit payments, including refunds of employee contributions	(59,094,243)	(59,094,243)	-
Administrative expense	-	(322,664)	322,664
Net changes	33,882,405	(243,075,652)	276,958,057
Balances at 9/30/2022	<u>\$ 1,089,718,239</u>	<u>\$ 1,082,738,733</u>	<u>\$ 6,979,506</u>

Actuarial assumptions. The total pension liability was determined by an actuarial valuation as of January 1, 2022 (Valuation Date), using the following actuarial assumptions, applied to September 30, 2022 (Measurement Date):

Inflation	2.25%
Salary increases	Hazardous Duty - 4.50% to 7.60%, including 2.25% inflation, based on merit and seniority Non-Hazardous Duty - 2.75% to 6.50%, including 2.25% inflation, based on merit and seniority
Investment rate of return	6.50% net of investment expense

The actuarial assumptions used in the January 1, 2022 valuation were based on the results of an Experience Investigation for the Five Years Ended December 31, 2017.

Since the last valuation, the investment return assumption was reduced by 0.05% from 6.55% to 6.50%. This assumption change caused the required City contribution to increase by \$224,890, or .024% of covered pensionable payroll.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Long-term expected rate of return. The long-term expected rate of return on investments of the Employees' Pension Plan was determined using a building-block method in which expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These real rates of return are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. For each major asset class that is included in the pension plan's target asset allocation as of September 30, 2022, these best estimates are summarized in the following table:

<u>Asset Class</u>	<u>Long-Term Expected Real Rate of Return</u>
Core Fixed Income	1.10%
Global Equity	4.43%
U.S. Large Cap Equities	4.65%
U.S. Mid Cap Equities	4.90%
U.S. Small Cap Equities	4.90%
International Equities	3.65%
Emerging Markets Equities	4.65%
Private Real Estate and REITS	5.90%

Discount rate. A single discount rate of 6.50% was used to measure the total pension liability. The single discount rate was based on the expected rate of return on pension plan investments of 6.50%. The projection of cash flows used to determine single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the net pension liability (asset) to changes in the discount rate. The following presents the Employee Pension Plan's net pension liability (asset), calculated using a single discount rate of 6.50%, as well as what the plan's net pension liability (asset) would be if it were calculated using a single discount rate that is one percent lower or one percent higher.

1% Decrease 5.50%	Discount Rate Assumption 6.50%	1% Increase 7.50%
\$ 143,296,204	\$ 6,979,506	\$ (105,962,663)

Pension expense and deferred outflows of resources and deferred inflows of resources related to pensions. For the year ended September 30, 2022, the City recognized pension expense of \$18,188,876 for the Employees' Pension Plan. When combined with the Firefighters' Relief and Pension Plan's pension expense of \$74,105, the City recognized \$18,262,981 of pension expense for fiscal 2022. As of September 30, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to pension from the following sources:

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

	Deferred Outflows of Resources	Deferred Inflows of Resources	Net Deferred Outflows (Inflows) of Resources
Differences between expected and actual experience	\$ 2,222,176	\$ 1,127,492	\$ 1,094,684
Changes in assumptions	12,830,929	9,806,494	3,024,435
Net differences between projected and actual earnings on pension plan investments	126,403,796	-	126,403,796
Total	\$ 141,456,901	\$ 10,933,986	\$ 130,522,915

Amounts reported as deferred outflows or resources and deferred inflows on resources related to pensions will be recognized in pension expense as follows:

Year ended September 30:	
2023	\$ 26,789,635
2024	20,721,641
2025	24,126,768
2026	58,884,871
2027	-
Thereafter	-
	<u>\$ 130,522,915</u>

The **Firefighters' Relief and Pension Plan** is authorized and operated under the provisions of Subpart B, Article I (Laws of Florida, Chapter 30658, 1955 and amendments), Sections 1 through 27 of the Municipal Charter and Related Law of the City of Clearwater and Chapter 26, Article III, Sections 26.50 through 26.52 of the Municipal Code of the City of Clearwater. Since the last actuarial valuation, the administrative expense assumption was changed from a flat \$9,500 to a 3.00% loading of the future benefit liability.

Management of the Firefighters' Relief and Pension Plan rests with the Board of Trustees, which consists of the Mayor, the Fire Chief and three members of the Fire Department, which can be either active or retired members of the Firefighters' Relief and Pension Plan, as stipulated in Chapter 2008-287, Laws of Florida. In the event that no member of the plan is available to stand for election, then a current firefighter of the department below the rank of chief who is willing to serve shall be placed on the ballot. If no one is available to stand for election, or if no one is available to participate in the voting, then members of the Board of Trustees will be appointed by the City Council from membership of the City Council.

Plan membership/Employees covered by benefit terms. As of the most recent actuarial valuation date, October 1, 2022, the membership of the Firefighters' Relief and Pension Plan was as follows:

Retirees and beneficiaries currently receiving benefits	Firefighters' Relief and Pension Plan
Terminated employees entitled to benefits but not yet receiving them	12
Active employees	-
Total number of participants	<u>12</u>

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Benefits provided. The normal retirement benefit is a monthly benefit in the amount of 50% of the prevailing wage at the date of retirement of the lowest rank held by the participant during the three years immediately preceding retirement plus 2% of such prevailing wage for each year of service in excess of 20 years up to a maximum of 60%. Participants retiring at the age of 65 years are entitled to a benefit of 60% of the prevailing wage of the lowest rank held by the participant during the three years immediately preceding retirement. The ending rate of pay specified above may not exceed the highest rate of pay for the rank of Captain. Eligibility for normal retirement occurs upon completion of 20 years of service or attainment of age 65. The monthly benefits are payable for the life of the participant and continue, after the participant's death, to be paid to certain eligible surviving beneficiaries at an amount that is one-half of the amount received by the participant. Benefits are also provided for children of the deceased participant who are less than 18 years of age subject to certain limitations as to amount. The plan also provides for disability and death benefits and for vesting upon completion of at least 12 years of service. The plan provides for post-retirement cost of living increases equal to the increase in the prevailing wage for the rank at which the participant retired with a limitation for those retiring on or after January 1, 1972, of 100% of the initial pension benefit for total cost of living increases. Participating employees are required to contribute 6% of their salaries up to the equivalent of the salary of a fireman holding the rank of Captain. Effective with the fiscal year ended September 30, 2007, the Firefighters' Relief and Pension Plan, with no remaining active members (only retirees), is fully funded per the requirements of the governing Ordinance. The City may elect to contribute should future valuations show an actuarial need for such.

Contributions. Effective with the fiscal year ended September 30, 2007, the Firefighters' Relief and Pension Plan, with no remaining active members (only retirees), was fully funded per the requirements of the governing Ordinance. There were no contributions to the plan, as it is a fully funded plan with no active participants. The City may elect to contribute should future annual valuations show an actuarial need for such.

Investment policy. The Firefighters' Relief and Pension Plan investment policy was adopted on September 28, 2000. It must be reviewed annually by the Board of Trustees. The following was the adopted asset allocation policy as of September 30, 2022:

<u>Asset Class</u>	<u>Target Allocation</u>
Domestic Fixed Income	0 - 70%
Pooled Cash	30% - 100%

Concentrations. As of September 30, 2022, the Firefighters' Relief and Pension Plan held no investments (other than U.S. Government or U.S. Government guaranteed obligations) in any one organization comprising 5% or more of the net position available for benefits.

Rate of return. For the fiscal year ended September 30, 2022, the annual money-weighted rate of return on investments of the Firefighters' Relief and Pension Plan, net of pension plan investment expense, was .58%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Net pension liability (asset). The components of the net pension liability (asset) of the City for the Firefighters' Relief and Pension Plan as of September 30, 2022, were as follows:

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Total pension liability	\$	1,623,517
Plan fiduciary net position		2,912,716
City's net pension liability (asset)		(1,289,199)
Plan fiduciary net position as a percentage of the total pension liability		179.41%

The changes in the net pension liability (asset) of the City for the Firefighters' Relief and Pension Plan for the year ending September 30, 2022 were as follows:

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability/(Asset) (a) - (b)
	Balances at 9/30/2021	\$ 1,743,078	\$ 3,247,484
Changes for the year:			
Service cost	-	-	-
Interest	40,834	78,247	(37,413)
Differences between expected and actual experience	67,373	-	67,373
Assumption changes	-	-	-
Contributions - employer	-	-	-
Contributions - employee	-	-	-
Net investment income	-	(176,377)	176,377
Benefit payments, including refunds of employee contributions	(227,768)	(227,768)	-
Administrative expense	-	(8,870)	8,870
Net changes	(119,561)	(334,768)	215,207
Balances at 9/30/2022	\$ 1,623,517	\$ 2,912,716	\$ (1,289,199)

Actuarial assumptions. The total pension liability was determined by an actuarial valuation as of October 1, 2021 (Valuation Date), using the following actuarial assumptions, applied to September 30, 2022 (Measurement Date):

Inflation	2.00%
Salary increases	N/A
Investment rate of return	2.50% net of investment expense

For non-disabled retirees, sex-distinct rates set forth in the PUB-2010 Headcount-Weighted Healthy Retiree Mortality Table for public safety employees (Below Median table for males), with full generational improvements in mortality using Scale MP-2018 and with ages set forward one year; for disabled retirees, sex-distinct rates set forth in the PUB-2010 Headcount-Weighted Disabled Retiree Mortality Table (80% general employee rates plus 20% public safety employee rates), with full generational improvements in mortality using Scale MP-2018.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Long-term expected rate of return. Because the Firefighters' Relief and Pension Plan is limited to investments in fixed income securities and pooled cash, the long-term expected rate of return will approximate the discount rate of 2.50%.

Discount rate. A discount rate of 2.50% was used to measure the total pension liability. The discount rate was based on the actuary's expectation of future yields and consideration of the City's projection of future weighted yield based on current asset holdings.

Sensitivity of the net pension liability (asset) to changes in the discount rate. The following presents the Firefighters' Relief and Pension Plan's net pension liability (asset), calculated using a discount rate of 2.50%, as well as what the plan's net pension liability (asset) would be if it were calculated using a single discount rate that is one percent lower or one percent higher.

1% Decrease 1.50%	Discount Rate Assumption 2.50%	1% Increase 3.50%
\$ (1,195,807)	\$ (1,289,199)	\$ (1,373,289)

Pension expense and deferred outflows of resources and deferred inflows of resources related to pensions. For the year ended September 30, 2022, the City recognized pension expense of \$74,105 for the Firefighters' Relief and Pension Plan. When combined with the Employees' Pension Plan's pension expense of \$18,188,876, the City recognized \$18,262,981 pension expense for fiscal 2022. As of September 30, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to pension from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources	Net Deferred Outflows (Inflows) of Resources
Differences between expected and actual experience	\$ -	\$ -	\$ -
Changes in assumptions	-	-	-
Net differences between projected and actual earnings on pension plan investments	141,102	-	141,102
Total	\$ 141,102	\$ -	\$ 141,102

Amounts reported as deferred outflows or resources and deferred inflows on resources related to pensions will be recognized in pension expense as follows:

Year ended September 30:	
2023	\$ 35,275

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

IV.B.2. Police Supplemental Pension Fund

A supplemental defined contribution pension plan exists for all eligible policemen, which is funded by earmarked revenues received from the State and is administered by the Board of the Police Supplemental Pension Plan. The revenues received from the State are allocated among eligible police officers based on the number of days employed as Clearwater Police Officers. These revenues received from the State of Florida “on-behalf” of the City’s employees, which comprise the plan contributions, totaled \$1,248,522 for the year ended September 30, 2022, and are obtained from an eighty-five one hundredths of one percent (0.85%) excise tax on the gross receipts from premiums collected on casualty insurance policies covering property within the City’s corporate limits. These monies were recognized as General Fund revenues and General Fund police department expenditures in the current year. The current year contributions represent 5.58% of covered employees’ gross payroll. The fair value of cash and investments as of September 30, 2022, totaled \$14,661,444.

The Police Supplemental Pension Fund is authorized by and operates under the provisions of Sections 2.471 through 2.480 of the Municipal Code of the City of Clearwater and Chapter 185 of Florida Statutes. Under the plan provisions, the total monies received during each fiscal year, after payment or provision for all costs and expenses of management and operation of the plan, are allocated to participants based on the total number of shares to which each participant is entitled. Each participant is entitled to one share in the fund for each day of service as a police officer of the City.

All police officers, as defined in Section 26.70(g) of the Code of Ordinances of the City of Clearwater, who are elected, appointed, or employed full-time by the City are eligible to participate in the plan. There are no employee contributions to the supplemental plan. Benefits are fully vested for a lump sum distribution after twenty years from the date of hire, with provision for partial vesting after ten or more years under the plan. Accumulated benefits are payable in full in case of death while employed by the City or in case of total and permanent job-related disability. Non-vested participants’ account values upon termination of employment during any fiscal year are added to the monies received during that fiscal year for allocation to the remaining participants in the plan based on total days worked.

Plan assets, primarily investments, are valued at fair value for balance sheet purposes. Investment values are determined using the estimated fair value determined by averaging estimated fair values obtained from three or more nationally recognized brokers.

For the fiscal year ended September 30, 2022, the gross payroll of the covered officers was \$22,359,515; the City’s total gross payroll for the same period was \$114,426,922.

Since the entitlement to benefits is based entirely upon the allocation of monies received by the plan to the participants’ share accounts, there is no actuarial liability on the part of either the State or the City.

IV.B. 3. Firefighters’ Supplemental Pension Fund

A supplemental defined contribution pension plan exists for all eligible firefighters, which is funded by earmarked revenues received from the State and is administered by the Board of the Clearwater Firefighters’ Supplemental Pension Plan. The revenues received from the State are allocated among eligible firefighters based on the number of days worked during the previous year. These revenues received from the State of Florida “on-behalf” of the City’s employees, which comprise the plan contributions, amounted to \$1,393,032 in the year ended September 30, 2022, and are obtained from a one and eighty-five one hundredths percent (1.85%) excise tax on the gross receipts from premiums collected on property insurance policies covering property within the City’s corporate limits. These monies were recognized as General Fund revenues and General Fund fire department expenditures in the current year. The current year contributions represent 7.47% of covered employees’ gross payroll. The fair value of cash and investments as of September 30, 2022, totaled \$19,344,796.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

As the plan is described as a money purchase pension plan, whereby contributions are allocated based on the number of days worked during the fiscal year ended September 30, and interest earnings allocated based on the beginning balances in each participant's account, there is no actuarial liability on the part of the State or the City.

The Firefighters' Supplemental Pension Fund is authorized by and operates under the provisions of Sections 2.441 through 2.455 of the Municipal Code of the City of Clearwater and Chapter 175 of Florida Statutes. Eligibility requires two years of credited calendar year service as a firefighter with concurrent participation in the Employees' Pension Plan. There is no employee contribution to the supplemental plan, and benefits are vested for a lump sum distribution at ten years unless there is early retirement, disability or death. Non-vested participants' account values upon termination of employment are reallocated among the remaining participants based on days worked during the previous year.

Plan assets, primarily investments, are valued at fair value for balance sheet purposes. Investment values are determined using the estimated fair value determined by averaging estimated fair values obtained from three or more nationally recognized brokers.

For the fiscal year ended September 30, 2022, the gross payroll of covered firefighters was \$18,647,955; the City's total gross payroll for the same period was \$114,426,922.

IV.B.4. Pension Plan Financial Statements

Separate financial statements are provided in the Notes per the guidance of GASB Statement No. 34 as follows:

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

IV.B.5. 401(a) Defined Contribution Plan

For all management employees not covered under either of the defined benefit pension plans, the City provides pension benefits through a 401(a) defined contribution plan. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Employees are participants from the date of employment and are fully vested upon enrollment. The plan is totally contributory on the part of the City in an amount equal to 15% of compensation on behalf of the City Manager and the City Attorney and 8% of compensation on behalf of all other management contract employees and Assistant City Attorneys. The City makes bi-weekly contributions to the Trust throughout the plan year to meet its funding obligations under the plan. Plan provisions and contribution requirements are established and may be amended by the City Council.

MissionSquare Retirement, the trustee for the defined annuity, offers participants a variety of investment options.

The City's total gross payroll for the fiscal year ended September 30, 2022 was \$114,426,922. The Plan members' payroll for the same period totaled \$5,301,938. The City's contribution, per the above contribution rates, totaled \$460,102.

IV.B.6. Deferred compensation plan

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all City employees, permits them to defer a portion of their salary until future years. Participation in the plan is optional. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency.

Effective January 1, 1997, Federal legislation converted the Section 457 deferred compensation assets from City assets to employee assets. As a result of these changes, plan assets are no longer subject to the claims of the City's general creditors.

Consequently, these assets are no longer reported in the accompanying financial statements, in compliance with GASB Statement No. 32.

IV.C. Post-employment Benefits Other Than Pension (OPEB)

Plan Description. The City of Clearwater administers a single-employer defined benefit healthcare plan (the "Plan") that provides medical insurance benefits to its employees and their eligible dependents. Because the City provides a medical plan to active employees of the City and their eligible dependents, the City is also required by Section 112.0801, Florida Statutes, to provide retirees with the opportunity to participate in this Plan. While the City does not directly contribute towards the costs of retiree premiums via an explicit subsidy, the ability of retirees to obtain health insurance coverage at a group rate which includes active employees, constitutes a significant economic benefit to retirees, or an "implicit" subsidy. This implicit subsidy is considered an "other post-employment benefit" (OPEB) obligation of the City. Since the City is currently funding this OPEB obligation on a pay-as-you-go basis, there are no plan assets accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75. The OPEB expense recognized each fiscal year is equal to the change in the total OPEB liability from the beginning of the year to the end of the year, not including the impact of employer contributions, adjusted for deferred recognition of the liability.

Benefits provided. Benefit provisions for the Plan are established by the City Council and may be amended by the City Council. The retirees pay the full group premium amount for health insurance with no explicit subsidy from the City. Additionally, the City provides and pays for \$1,000 of term life insurance for retirees who retired before October 1, 2008. The term life insurance benefit provision was also established, and may be amended, by action of the City Council. Contribution rates for the Plan are established on an annual basis by the City Council. Eligible retirees and their covered dependents receiving benefits contribute 100% of their premium costs for health insurance and 0% of the cost for the \$1,000 term life insurance.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Employees covered by benefit terms. As of September 30, 2022 (measurement date), the following employees were covered by the benefit terms:

Inactive plan members or beneficiaries currently receiving benefits	563
Inactive plan members entitled to but not yet receiving benefits	74
Active plan members	1,569
Total plan members	2,206

Total OPEB Liability. The City's total OPEB liability of \$23,056,033 was measured as of September 30, 2022 and was determined by an actuarial valuation as of January 1, 2022. The Total OPEB Liability was rolled forward 9 months from the Valuation Date to the Measurement Date using standard actuarial techniques.

Actuarial assumptions and other inputs. The total OPEB liability in the January 1, 2022 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Actuarial cost method	Entry age normal
Inflation	2.25%
Discount rate	4.40%
Healthcare cost trend rates	Based on the Getzen Model, with trend starting at 5.75% and gradually decreasing to an ultimate trend rate of 3.99%

The discount rate is based on Fidelity Investments' "20-Year Municipal GO AA Index" as of the most recent date available on or before the measurement date.

Mortality rates are the same as used in the July 1, 2021 actuarial valuation of the Florida Retirement System for non-K-12 Instructional Regular Class and Special Risk Class members. These rates were taken from adjusted Pub-2010 mortality tables published by the Society of Actuaries with generational mortality improvements using Scale MP-2018. Adjustments to referenced tables are based on the results of a statewide experience study covering the period 2013 through 2018.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

The changes in the total OPEB liability for the measurement year ending September 30, 2022 were as follows:

	Total OPEB Liability
Balance at 9/30/2021	\$ 27,520,408
Changes for the year:	
Service cost	2,412,125
Interest	645,529
Changes in benefit terms	-
Differences between expected and actual experience	(5,128,309)
Changes in assumptions and other inputs	(1,481,029)
Benefit payments	(912,691)
Net changes	(4,464,375)
Balance at 9/30/2022	\$ 23,056,033

Changes in assumptions and other inputs reflect a change in the discount rate from 2.19% at the beginning of the measurement period to 4.40% at the end of the measurement period. In addition, per capita costs and premiums were updated based on information provided.

Sensitivity of the total OPEB liability to changes in the discount rate. The following presents the City's total OPEB liability calculated using a discount rate of 4.40%, as well as what the City's total OPEB liability would be if it were calculated using a discount rate that is one percent lower or one percent higher.

1% Decrease 3.40%	Discount Rate Assumption 4.40%	1% Increase 5.40%
\$ 25,375,094	\$ 23,056,033	\$ 21,002,300

Sensitivity of the total OPEB liability to changes in the healthcare cost trend rates. The following presents the City's total OPEB liability calculated using the current healthcare cost trend rate assumption based on the Getzen Model of 5.75% and gradually decreasing to an ultimate trend rate of 3.99%, as well as what the City's total OPEB liability would be if it were calculated using a trend rate that is one percent lower or one percent higher.

1% Decrease	Current Healthcare Cost Trend Rate Assumption	1% Increase
\$ 20,208,374	\$ 23,056,033	\$ 26,529,187

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

OPEB expense and deferred outflows of resources and deferred inflows of resources related to OPEB. For the year ended September 30, 2022, the City recognized OPEB expense of \$1,129,941. As of September 30, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>	<u>Net Deferred Inflows of Resources</u>
Differences between expected and actual experience	\$ -	\$ 6,874,566	\$ (6,874,566)
Changes in assumptions and other inputs	1,421,612	4,049,713	(2,628,101)
Total	<u>\$ 1,421,612</u>	<u>\$ 10,924,279</u>	<u>\$ (9,502,667)</u>

Amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year ended September 30:	
2023	\$ (1,927,712)
2024	(1,794,897)
2025	(2,278,638)
2026	(1,532,343)
2027	(945,097)
Thereafter	(1,023,980)
	<u>\$ (9,502,667)</u>

IV.D. Securities lending transactions

The City of Clearwater Employees' Pension Plan participates in securities lending transactions, as authorized by the Pension Trustees on April 14, 2003, via a Securities Lending Authorization Agreement with Northern Trust Company, which is also the pension plan's custodian. Securities are loaned versus collateral that may include cash, U.S government securities, and irrevocable letters of credit. U.S. securities are loaned versus collateral at 102% of the market value of the securities plus any accrued interest. Non-U.S. securities are loaned versus collateral at 105% of the market value plus any accrued interest. The Plan's investment policy places no restrictions on the amount of securities that can be loaned.

Non-cash collateral cannot be pledged or sold unless the borrower defaults. All securities loans can be terminated on demand by either the lender or the borrower. The average term for the pension plan's loans as of September 30, 2022 was 100 days.

Cash open collateral is invested in a short term investment pool, the Northern Trust Collective SL Core Short Term Investment Fund (CORECOLL). The fund had an average weighted maturity, lower of maturity date or interest reset date, of 26 days, and an average weighted maturity, maturity date, of 102 days, as of September 30, 2022.

There were no significant violations of legal or contractual provisions, nor any borrower or lending agent default losses known to the securities lending agent. The Plan did not impose any restrictions on the amount of loans made by Northern Trust during fiscal year 2022.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

There are no dividends or coupon payments owing on the securities lent. Securities lending earnings are credited to participating clients on approximately the fifteenth day of the following month.

Indemnification deals with the situation in which a client's securities are not returned due to the insolvency of a borrower and Northern Trust has failed to live up to its contractual responsibilities relating to the lending of those securities. Northern Trust's responsibilities include performing appropriate borrower and collateral investment credit analyses, demanding adequate types and levels of collateral, and complying with applicable Department of Labor and Federal Financial Institutions Examination Council regulations concerning securities lending.

The following is a summary of securities on loan and their collateral at fair value:

Security Type	Securities Collateralized by Cash	
	Loaned Securities	Cash Collateral
U.S. Equity	\$ 46,093,591	\$ 47,624,532
U.S. Corporate Fixed	19,652,058	20,234,532
U.S. Government Fixed	41,065,284	42,170,286
U.S. Agencies	881,318	905,040
Global Equities	780,328	820,917
Total	\$ 108,472,579	\$ 111,755,307

On the statement of fiduciary net position, a securities lending asset of \$111,755,307 was reported that represents the fair value of the investments made with cash collateral as of September 30, 2022. In addition, a securities lending obligation of \$111,755,307 was reported that represents the collateral that the City is required to maintain to cover the fair value of the loaned securities.

IV.E. Contingencies and commitments

Pollution Remediation Claims Liabilities

Pursuant to GASB Statement No. 49, *Accounting and Financial Reporting for Pollution Remediation Obligations*, the City is required to analyze known polluted sites to determine future component cost outlays, including estimation where required, for pollution remediation. As of September 30, 2021, accruals totaled \$457,288, consisting of \$173,022 for the Harbor Drive Fill Area site, \$22,398 for the Joe DiMaggio Sports Complex site, and \$261,868 for assessment and remediation at the Gas Plant site (see the Soil and groundwater contamination site note below).

During fiscal year 2022 there was an increase to estimates and contractual commitments in the amount of \$72,400, and reductions/payments totaled \$73,087. As of September 30, 2022, accruals totaled \$456,601, consisting of \$169,169 for the Harbor Drive Fill Area site, \$8,008 for the Joe DiMaggio Sports Complex site, and \$279,424 for assessment and remediation at the Gas Plant site.

In addition to the above sites for which accruals exist, the City has 14 other sites that have known contamination from petroleum products, metals, arsenic, chlorine or coal tar. Seven of these sites are on the State of Florida Petroleum Clean-up Program. When any of these seven sites will be scheduled for cleanup cannot be determined at this time. They are under monitoring plans or are awaiting responses from the FDEP on data submitted by the City. Any additional cleanup costs for these sites cannot be estimated at this time.

The Solid Waste Fuel Site was added to the list in 2022 due to a fuel spill resulting from a failed tank component. The site is still being assessed for cleanup costs, and remains under a Restrictive Covenant with FDEP. Soil and groundwater impacts are thought to be minimal.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

On November 19, 2013, the FDEP approved the certification of closure construction completion of the former fill area at Philip Jones Field. However, this site remains on the list as it includes the Harbor Drive Fill Area. Remediation of Phillip Jones Ballfield is complete, and the site is currently under monitoring and maintenance. A closure plan for the Harbor Drive Fill Area has been approved by FDEP, and cleanup is scheduled for 2023.

Soil and groundwater contamination site

The City is the owner of property located at 400 North Myrtle Avenue, Clearwater, Pinellas County, Florida ("Property"). The Property occupies approximately six acres and is currently used by the City Gas Division ("CGS") as its administrative offices and operating facility. The City operated a manufactured gas plant at the Property from approximately 1929 to 1960. Following the discovery in June 1990 of soil and groundwater impacts at the Property allegedly resulting from the prior operation of the manufactured gas plant, the Florida Department of Environmental Protection ("FDEP") directed the City to implement measures to delineate the area and vertical extent of the impacts at the Property and, if necessary, implement appropriate remedial actions.

Contamination assessment activities were initiated at the Property in 1995. On April 17, 1996, the City executed an Intergovernmental Agreement with FDEP, governing the scope of assessment and remediation work performed at the Property. The material terms and conditions of the Intergovernmental Agreement require the City to perform contamination assessment activities to delineate the area and vertical extent of soil and groundwater impacts and, if necessary, to remediate such impacts to the extent required by Florida law.

Field activities to delineate the extent of impacts were performed from 1995 to 2003. The results of the final field work are presented in a Supplemental Assessment Report dated May 2003, in which the City's consultant concluded that field activities to delineate the extent of soil and groundwater impacts were complete and that a risk assessment should be undertaken to evaluate an appropriate remedy for the reported impacts.

By letter dated April 19, 2004, FDEP directed the City to install two additional monitoring wells within the source area on site to delineate the vertical extent of groundwater impacts. The City and FDEP previously discussed the potential harm to the underlying aquifer that may result from the installation of monitoring wells through a source area and the underlying clay confining unit during a meeting with FDEP held on November 29, 2003. Based on the advice of its environmental consultant and other specialists consulted concerning this issue, the City has consistently maintained that the installation of the additional monitoring wells requested by FDEP will likely provide a pathway for the migration of impacts into the aquifer underlying the clay confining unit that is otherwise not presently impacted by the former operations of the MGP based on existing perimeter monitoring well data. The City responded to the FDEP by letter dated April 29, 2004, requesting that FDEP advise the City whether the directive to install the additional vertical extent wells was deemed by FDEP to be final agency action that would otherwise be subject to review in an administrative proceeding. The City's April 29, 2004 response included a request for an extension of time to file an administrative proceeding in the event that FDEP deemed the April 19, 2004 FDEP communication to be final agency action.

During fiscal 2005, the Myrtle Avenue Utility and Roadway Widening project began, requiring extensive dewatering during construction. Consulting, equipment, laboratory, permitting, and labor costs for dewatering in areas where there was suspected or known contamination from the former MGP plant were charged to the City of Clearwater Gas Division. All activities related to the Myrtle Avenue dewatering project were documented in the "Supplemental Site Assessment Report – North Myrtle Ave Roadway Corridor" dated March 2007.

On January 17, 2008, FDEP issued a letter to the City stating FDEP was willing to replace the need for additional vertical delineation wells with periodic sampling of existing deep wells, as long as they remain unaffected by the contaminants of concern on the site. In May 2009, FDEP issued a status report on all Manufactured Gas Plant sites in Florida. The report referenced the January 17, 2008 letter and reaffirmed FDEP's agreement to forego additional on-site vertical delineation if the City continued to monitor the perimeter wells on the facility. On June 22, 2009, the perimeter monitoring wells were

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

tested, and the results were reported to FDEP. On February 3, 2010, FDEP issued a letter that formally accepted Clearwater Gas System's Contamination Assessment Report (CAR) and required no further site assessment activities. Furthermore, the DEP required CGS to re-sample all monitoring wells on the site within 60 days of the February 3, 2010 letter.

In May 2010, CGS issued a Request for Proposal (RFP) to prepare a Feasibility Study, for DEP approval, that would offer a long-term corrective action plan for the gas plant site. Arcadis, Inc. was selected to conduct the Feasibility Study; however, two months into the project the City's environmental legal counsel recommended an alternate method of site remediation. They proposed that the City work with the University of Waterloo (Canada) to treat the contaminated soils with sodium persulfate, a chemical oxidant, which would stop the off-site groundwater impacts that were experienced on the Pinellas County Health Department site. Chemical oxidation is accepted as a very effective method of dealing with Manufactured Gas Plant residuals. This project was approved by the City Council in January 2011, and was scheduled to last approximately 6 years at an estimated cost of \$600,000.

In May 2017 it was determined that the University of Waterloo project was not working as originally projected. The sodium persulfate was not oxidizing the source material enough to grant site closure. Therefore, it was determined to abandon the project and look at other remedies for the site. The City's environmental legal counsel proposed to convert the site to a Brownfield site in order to obtain full site closure. This would be done in conjunction with the site redevelopment of all CGS buildings at 400 North Myrtle Avenue.

On December 7, 2018, City Council approved a Brownfield Site Rehabilitation Agreement (BSRA) with the FDEP. Under this agreement, no further active remediation will be required, and the site will be closed with a restrictive covenant to include an impervious cap to address remaining soil contamination at the site and prohibit the withdrawal of groundwater for any purpose within the site property. The groundwater use restriction will also be required to be imposed on the adjacent Pinellas County Health Department property.

A Site Environmental Management Plan ("SEMP") was subsequently created to provide guidance to contractors performing work at the site for encountering, handling and managing contaminated soils. In addition, a Remedial Action Plan ("RAP") was administered in March 2018, which includes the SEMP, and Engineering Control Maintenance Plan and a Declaration of Restrictive Covenant ("DRC") that will be required by the FDEP to obtain final site closure. Once the CGS redevelopment project is complete, the City will request final site closure. Full site closure is anticipated in fiscal 2025.

Benefits of closing the site under the Brownfield Program include liability projections to the City as set forth in F.S. Section 376.82(2)(a) and the opportunity for the City to obtain voluntary cleanup tax credits ("VCTC") for the cost of constructing the impervious cap and completion of site closure activities. For eligible costs recovered by the City through VCTC's, the City is able to then sell the VCTC's on the market. Such sales typically net 80-90% recovery for municipalities taking similar actions. The City was awarded \$744,076 in tax credits for calendar years 2017-2020. The City issued Bid #44-21 to sell the tax credit certificates issued by FDEP. Fallbrook Tax Credits LLC submitted the highest bid of \$0.9112 on the dollar, which yielded \$678,002 from the sale of the tax certificates.

The City has pursued insurance claims under certain insurance policies covering the Property for the period from June 1961 through July 1986. On September 17, 2001, the City agreed to reduce its claim against Southern American Insurance Company ("SAIC"), the sole remaining excess carrier with the City, at an undiscounted value of \$300,000. In December 2007, the liquidator managing the SAIC liquidation made an initial payment to the City in the amount of \$96,000. In September 2008, a second distribution payment of \$174,000 was issued to the City. Finally, in December 2009, the City received a payment of \$30,000 for a total collection amount of \$300,000. In total, the City has recovered \$787,500 on all outstanding insurance claims.

From 1993 through September 30, 2022, the City has spent \$1,760,753 on MGP assessment activities, which includes both environmental consultant and legal fees.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

Contractual Commitment – Water and Sewer Utility

Under the terms of a 30-year contract between the City and Pinellas County, which is effective through September 30, 2035, the maximum amount of water available to the City is 15 million gallons per day on an annual average basis with no minimum quantity purchase requirement. Effective October 1, 2021, the rate, which is set by the Pinellas County Board of County Commissioners (BOCC), was \$4.2581 per 1,000 gallons. The rate effective October 1, 2022 is \$4.3007 per 1,000 gallons. The cost of water purchased from the County during fiscal years 2021 and 2022 was \$7,285,633 and \$7,976,674 respectively.

Grant Revenues

During the current fiscal year and prior fiscal years, the City received revenues and contributions related to grants from the State of Florida, the federal government, and other grantors. These grants are for specific purposes and are subject to review and audit by the grantor agencies. Such audits could result in requests for reimbursement for expenditures disallowed under the terms of the grants. Based upon prior experience, City management believes such disallowances, if any, will not be significant.

Encumbrances

Encumbrance accounting is used in governmental funds to ensure effective budgetary control and accountability and to facilitate effective cash planning and control. As of September 30, 2022, encumbrances expected to be honored upon performance by the vendor in the coming year were:

General fund	\$ 737,201
Special Programs Fund	660,433
Capital Improvement fund	54,705,218
Nonmajor governmental funds	1,274,381
	\$ 57,377,233

Tax Abatements

In accordance with Chapter 29, Article VII of the Clearwater Code of Ordinances, Article VII, Section 3 of the Constitution of the State of Florida, and Section 196-1995, Florida Statutes, the City Council may grant Economic Development Ad Valorem Tax Exemptions of up to 75 percent of the assessed value of the qualifying property for up to ten years to new businesses and expansions of existing businesses which create employment opportunities that will benefit the entire community.

For the fiscal year ending September 30, 2022, the City abated real and tangible personal property taxes totaling \$146,551 under this program, consisting of the following agreements:

A Business Maintenance and Continued Performance Agreement with Skye Lane Properties, LLC dated January 14, 2014, for the relocation of 54 jobs from St. Petersburg, the creation of 11 new jobs, the investment of \$6.1 million in the expansion of the property, including the renovation of the facility, construction of a tri-level parking deck, and the purchase of new furniture, fixtures and equipment. This agreement, which commenced in fiscal 2016, grants an exemption of ad valorem taxes of 75 percent for the first five years and 50 percent for the next five years. In the event of default, Skye Lane Properties, LLC will be subject to the taxes exempted plus annual interest at the maximum rate allowed by law. Tax abatements since inception total \$83,385.

A Business Maintenance and Continued Performance Agreement with Instrument Transformers, Inc. dated March 10, 2014 and amended February 11, 2016, for the creation of 143 new jobs and the investment of \$49 million in the expansion of the Clearwater facility, including the purchase or lease of new equipment. This agreement, which commenced in fiscal 2017, grants an exemption of ad valorem taxes of 75 percent for ten years. In the event of default, Instrument Transformers, Inc.

City of Clearwater, Florida
Notes to the Basic Financial Statements
For the Year Ended September 30, 2022

will be subject to the taxes exempted plus annual interest at the maximum rate allowed by law. Tax abatements since inception total \$716,633.

IV.F. Pending litigation

In the normal course of operations, the City is a defendant in various legal actions, the ultimate resolution of which is not expected to have a material effect on the financial statements, other than for amounts that have been reserved and recorded as liabilities in the Central Insurance Fund.

IV.G. Conduit debt

The City has one issue of conduit debt outstanding as follows:

<u>Description / Purpose</u>	<u>Original Issue Amount</u>	<u>Amount Outstanding at 9/30/21</u>	<u>Amount Outstanding at 9/30/22</u>
Drew Gardens Refunding Bonds / residential rental facility	\$ 3,425,000	\$ 1,030,000	\$ 840,000

The City issued Mortgage Revenue Refunding Bonds, Series 1992A (FHA Insured Mortgage Loan – Drew Gardens Project), dated August 1, 1992, in the amount of \$3,425,000, to provide a portion of the money required to refund a prior issue of the bonds of the Issuer that were issued to provide money to make a mortgage loan insured by the Federal Housing Administration pursuant to Section 221(d)(4) of the National Housing Act of 1934, as amended, to pay the cost of acquiring, constructing, improving and equipping a 180-unit multifamily residential rental housing facility owned by Drew Gardens Associates, Ltd., a Florida limited partnership, and to pay certain costs of the refunding. The bonds are payable solely from and secured by a lien upon and a pledge of the pledged revenues, consisting mainly of the bond proceeds. No additional commitments were extended by the City. As of September 30, 2022, the bonds have an aggregate outstanding principal amount payable of \$840,000. The bonds do not constitute a debt, liability, or obligation of the City of Clearwater, the State of Florida, or any political subdivision thereof and, accordingly, have not been reported in the accompanying financial statements.

IV.H. Deepwater Horizon Oil Spill

Following the Deepwater Horizon Oil Spill of April 2010, the City incurred reduced revenues that were determined to be directly or indirectly attributed to the oil spill. On July 13, 2015, the City adopted Resolution 15-18 and accepted a full and final settlement of all claims against BP Exploration and Production, Inc. and others in the amount of \$6,480,352, net of \$1,658,687 attorney's fees. A total of \$80,352 was returned to General Fund reserves in fiscal 2019, and the remaining \$6,400,000 of the proceeds were identified as a funding source for the Crest Lake Park Improvements project, which is accounted for in the Capital Improvement Fund. As of September 30, 2022, \$6,400,000 of the proceeds were expended on this project.

¹ A portion of the plan's credit balance was applied to meet the remainder of the actuarially determined contribution for the fiscal year ending September 30, 2014.

² The definition of Covered Payroll for GASB Statement Nos. 67 and 68 was changed under GASB Statement No. 82 to be the pensionable earnings for members of the Plan. As a result, the Covered Payroll amount previously reported for fiscal year 2015 has been revised to reflect this change.

Notes to Schedule of Contributions

Valuation Date: January 1, 2021
Notes: Actuarially determined contributions are calculated as of January 1, which is nine months prior to the beginning of the fiscal year in which contributions are reported.

Methods and Assumptions Used to Determine Contribution Rates:

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Dollar, Closed
Remaining Amortization Period	25 years (longest remaining period); 12 years (single equivalent period)
Asset Valuation Method	5-year smoothed market; 20% corridor
Inflation	2.25%
Salary Increases	2.75% to 7.60% depending on service; including inflation
Investment Rate of Return	6.55%
Retirement Age	Experience-based table of rates that are specific to the employment classification and type of eligibility condition.

Mortality
 Hazardous Duty Employees: PUB-2010 Headcount Weighted Safety Healthy Employee Mortality Table (for pre-retirement mortality) and the PUB-2010 Headcount Weighted Safety Healthy Retiree Mortality Table (for post-retirement mortality), with separate rates for males and females and ages set forward one year, with mortality improvements projected to all future years after 2010 using Scale MP-2018. For males, the base mortality rates for both pre-retirement and post-retirement mortality are based on the Below Median Healthy tables. These are the same rates used for Special Risk Class members of the Florida Retirement System (FRS) in the July 1, 2019 valuation, as mandated by Chapter 112.63, Florida Statutes.

Nonhazardous Duty Employees: PUB-2010 Headcount Weighted General Below-Median Employee Mortality Table (for pre-retirement mortality) and the PUB-2010 Headcount Weighted General Below-Median Healthy Retiree Mortality Table (for post-retirement mortality), with separate rates for males and females and mortality improvements projected to all future years after 2010 using Scale MP-2018. For males, the base mortality rates are set back one year. These are the same rates used for Regular Class members of the Florida Retirement System (FRS) in the July 1, 2019 valuation, as mandated by Chapter 112.63, Florida Statutes.

Other Information:
Notes
 Effective with the January 1, 2021 valuation, the investment return assumption was reduced from 6.65% to 6.55%. Additionally, the mortality tables and improvement scales were updated to reflect the updated mortality assumptions used in the July 1, 2019 Florida Retirement System (FRS) Actuarial Valuation, as mandated by Florida Statutes Chapter 112.63(1) (f). Please refer to the January 1, 2021 valuation report dated April 26, 2021 for additional details.

Data unavailable prior to 2014.

**Firefighters' Relief and Pension Plan
Schedule of Contributions**

There have been no employer contributions for the last ten fiscal years.

Notes to Schedule of Contributions

Effective with the fiscal year ended September 30, 2007, the Firefighters' Relief and Pension Plan, with no remaining active members (only retirees), was fully funded per the requirements of the governing Ordinance. The City may elect to contribute should future valuations show an actuarial need for such.

Total OPEB liability as a percentage of covered-employee payroll	20.92%	27.19%	25.98%	34.45%	29.33%

Notes to Schedule:

Valuation Date: January 1, 2022
Measurement Date: September 30, 2022

Roll Forward Procedures: The Total OPEB Liability was rolled forward nine months from the Valuation Date to the Measurement Date using standard actuarial techniques.

Methods and Assumptions Used to Determine Total OPEB Liability:

Actuarial Cost Method	Entry Age Normal
Inflation	2.25%
Discount Rate	4.40%
Salary Increases	Salary increase rates used in the January 1, 2022 actuarial valuation of the City of Clearwater Employees' Pension Plan.
Retirement Age	Retirement rates used in the January 1, 2022 actuarial valuation of the City of Clearwater Employees' Pension Plan.
Mortality	Mortality rates are the same as used in the July 1, 2021 actuarial valuation of the Florida Retirement System for non-K-12 Instructional Regular Class and Special Risk Class members. These rates were taken from adjusted PUB-2010 mortality tables published by the Society of Actuaries with generational mortality improvements using Scale MP-2018. Adjustments to referenced tables are based on the results of a statewide experience study covering the period 2013 to 2018.
Healthcare Cost Trend Rates	Based on the Getzen Model, with trend starting at 5.75% and gradually decreasing to an ultimate trend rate of 3.99%.
Aging Factors	Based on the 2013 SOA Study "Health Care Costs - From Birth to Death".
Expenses	Administrative expenses are included in the per capita health costs.

Other Information:

The following assumption changes have been reflected in the Schedule of Changes in the Total OPEB Liability for the measurement period ending September 30, 2022:

- The discount rate was changed from 2.19% as of the beginning of the measurement period to 4.40% as of September 30, 2022 (based on the Long-Term Municipal Bond rate). This change significantly decreased the Total OPEB Liability.

- Medical claims costs and premiums were updated based on actual claims and premium information provided for this valuation. This change increased the Total OPEB Liability.

There were no benefit changes during the year.

Data unavailable prior to 2018.

Note: There are no assets accumulated in a trust that meets the criteria of GASB codification P22.101 or P52.101 to pay related benefits for the OPEB plan.

This Page Intentionally Left Blank

Nonmajor Governmental Funds

Special Revenue Funds

Special revenue funds are used to account for specific revenues that are legally restricted to expenditures for particular purposes.

Community Redevelopment Agency Fund – to account for receipt, custody, and expenditure of property tax increment funds associated with related redevelopment projects.

Local Housing Assistance SHIP Trust Fund – to account for monies allocated to the City under the State Local Housing Assistance SHIP grant program.

Pinellas County Local Housing Assistance Trust Fund – to account for monies allocated to the City under the Pinellas County Local Housing Assistance grant program.

Debt Service Funds

Debt service funds provide separate accounting records for all debt interest, principal, and reserve requirements for general government long-term. Debt of proprietary funds is serviced through restricted accounts maintained within the individual enterprise or internal service fund associated with the debt.

Non-Ad Valorem Revenue Bonds – to account for the advance monthly accumulation of resources by transfer of General Revenues from the General Fund and the payment of currently maturing installments of principal and interest each year.

Notes and Mortgages Debt Service Fund - to account for the advance monthly accumulation of resources by transfer of General Revenues from the General and Special Revenue Funds and the payment of currently maturing installments of principal and interest on the various note and mortgage obligations of the governmental funds during each fiscal year.

Spring Training Facility Revenue Bonds Debt Service Fund – to account for the advance monthly accumulation of resources received from the State of Florida and Pinellas County, and the payment of currently maturing installments of principal and interest each year.

Capital Projects Funds

Capital projects funds are used to account for resources to be used for the acquisition or construction of **major** capital improvement projects, other than those financed by proprietary funds. A major capital improvement project is a property acquisition, a major construction undertaking, or a major improvement to an existing facility or property, with a cost greater than \$25,000 and a minimum useful life of at least five years.

Community Redevelopment Agency Capital Projects Fund – to provide separate accounting records for the acquisition or construction of capital improvement projects for the Clearwater Community Redevelopment Agency.

Nonmajor Enterprise Funds

Enterprise funds are used to account for the financing, acquisition, operation, and maintenance of governmental facilities that are supported primarily by user charges.

Marine Operations Fund - to account for the financing, operation, and maintenance of the City's marine operations (excluding the downtown boat slips) and associated real property from rents collected from users.

Aviation Operations Fund - to account for the financing, operation, and maintenance of the City's airpark operations from rents collected from users.

Parking System Fund - to account for the financing, construction, operation and maintenance of the City's parking system, including on- and off-street parking on Clearwater Beach and Downtown Clearwater, from parking charges.

Clearwater Harbor Marina Fund - to account for the financing, operation, and maintenance of the City's downtown boat slips from boat slip rentals.

Internal Service Funds

Internal service funds are used to account for services and commodities furnished by a designated department to other departments within the City or to other governments on a cost reimbursement basis.

Garage Fund - to account for the cost of automotive and other motorized equipment of the City. The acquisition cost of new or upgraded equipment is financed through user departments and the asset value is simultaneously contributed to the Garage Fund. The cost of replacement of existing equipment is financed by the Garage Fund.

Administrative Services Fund - to account for various support activities including information technology, printing, mailing, and telephone services. The cost for these services is charged to user departments based on the cost of providing units of service.

General Services Fund - to account for various support activities including building maintenance and custodial services for all City departments and facilities. The cost for these services is charged to user departments based on the cost of providing units of service.

Central Insurance Fund - to account for the City's limited self-insurance program wherein all funds are assessed charges based on damage claims incurred and on management's assessment of individual funds' risk exposure. All claims and premiums are paid out of this fund, together with other costs necessary to administer the program. Medical self-insurance costs and employee health clinic operating expenses are also paid from this fund.
