Fiduciary Funds

Fiduciary Funds are used to account for resources that are managed in a trustee capacity or as an agent for other parties or funds.

Employees' Pension Fund - to account for the financial operation and condition of the major employee retirement system.

Firefighters' Relief and Pension Fund - to account for the financial operation and condition of the Firefighters' Relief and Pension Plan, closed to new members in 1962, and containing 12 retired members with no active members. The Plan was fully funded effective with fiscal year 2007.

Police Supplemental Pension Fund - to account for the financial operation and condition of a supplemental pension plan funded by the State for sworn police officers.

Firefighters' Supplemental Pension Fund - to account for the financial operation and condition of a supplemental pension plan funded by the State for firefighters.

Custodial Fund - to account for fiduciary activities that are not held in a trust or equivalent arrangement that meets specific criteria.

CITY OF CLEARWATER, FLORIDA

STATISTICAL SECTION

This section of the City's ACFR presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information say about the City's overall financial health. This information has not been audited by the independent auditor.

Financial Trends

These schedules contain trend information to help the reader understand how the City's financial performance and well-being changed over time.

Schedule 1	Net Position by Component
Schedule 2	Changes in Net Position
Schedule 2a	Program Revenues by Function/Program
Schedule 3	Fund Balances of Governmental Funds
Schedule 4	Changes in Fund Balances of Governmental Funds

Revenue Capacity

These schedules contain information to help the reader assess the City's significant local revenue, the property tax.

Schedule 5	Assessed Value and Estimated Actual Value of Taxable Property
Schedule 6	Direct and Overlapping Property Tax Rates
Schedule 7	Property Tax Levies and Collections
Schedule 8a	Principal Real Property Taxpayers
Schedule 8b	Principal Personal Property Taxpayers

Debt Capacity

These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt, and the City's ability to issue additional debt in the future.

Schedule 9	Ratios of Outstanding Debt by Type
Schedule 10	Ratios of General Bonded Debt Outstanding
Schedule 11	Direct and Overlapping Governmental Activities Debt
Schedule 12	Legal Debt Margin Information
Schedule 13	Pledged-Revenue Coverage

CITY OF CLEARWATER, FLORIDA

STATISTICAL SECTION (CONTINUED)

Economic and Demographic Information

These schedules offer economic and demographic indicators to help the reader understand the environment within which the City's financial activities take place.

Schedule 14	Demographic and Economic Statistics
Schedule 15	Principal Employers

Operating Information

These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs.

Schedule 16	Full-time Equivalent City Government Employees by Function/Program
Schedule 17	Operating Indicators by Function/Program
Schedule 18	Capital Assets Statistics by Function/Program

Sources: Unless otherwise noted, the information in this section is derived from the City's annual comprehensive financial reports for the relevant year.

Notes:

The Harborview Center Fund was closed in FY 2014 and its operations transferred to the General Fund during the year ended September 30, 2014.

Fiscal years prior to 2015 are not restated for GASB-68.

Fiscal years prior to 2018 are not restated for GASB-75.

Fiscal year 2021 decrease in governmental activities expenses partially due to significant increase in net pension asset and related decrease in pension expense.

Fiscal year 2022 increase in governmental activities expense partially due to elimination of net pension asset and related increase in pension expense, due to investment market downturn.

Notes:

^a Reduction in Local Business Tax in 2016 is due to the deferral of receipts for following fiscal year renewals received during July, August and September.

^b Amounts previously reported as "Other Taxes" in fiscal years 2013-2019 have been separately itemized.

Fiscal 2022 decrease in investment earnings due to a large unrealized current year loss on investments resulting from a significant increase in interest rates during fiscal 2022.

Notes:

Fiscal years prior to 2015 are not restated for GASB-68.

Fiscal years prior to 2018 are not restated for GASB-75.

^a The decrease in 2013 investment earnings was due to a low interest rate environment along with an unrealized loss in market value at September 30, 2013.

^b The increase in 2019 investment earnings was due to an unrealized gain in market value as of September 30, 2019 as well as an increase in the average balance of cash and investments.

^c The increase in 2019 property taxes was due to an increase in the millage rate from 5.155 to 5.955 as well as an increase in property values.

^d The decrease in 2021 investment earnings was due to a decrease interest rates as well as an unrealized loss in market value as of September 30, 2021.

^e The decrease in 2022 investment earnings was due to an unrealized loss in market value as of September 30, 2022 due to rising interest rates.

^f GASB-87 implemented in fiscal year 2022.

^a Properties are assessed at approximately 85% of market value to reflect cost of sales, personal property included in market value, etc.

^b Chapter 193.155, Florida Statutes, provides for an annual cap on assessment increases for "Homestead properties" (properties qualifying for Homestead exemption). The cap is the lower of 3% of the assessed value of the property or the percentage change in the Consumer Price Index for All Urban Consumers.

^c Rate is per \$1,000 of assessed value

Subtotal, overlapping debt			24,990
City direct debt			<u>42,111</u>
Total direct and overlapping debt			<u><u>\$ 67,101</u></u>

Sources: Assessed value data used to estimate applicable percentages provided by Pinellas County Property Appraiser. Debt outstanding data is provided by each respective governmental unit.

Pinellas County Government debt is reported as of September 30, Pinellas County School Board debt is reported as of June 30.

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the city. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of Clearwater. This process recognizes that, when considering the city's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account.

^a The percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of another governmental unit's taxable assessed value that is within the City's boundaries and dividing it by each unit's total taxable assessed value.

Non-Ad Valorem Revenue Bonds

There are no pledged revenues for the Non-Ad Valorem Revenue Bonds. The City covenanted and agreed to budget and appropriate amounts from Non-Ad Valorem Revenues sufficient to pay principal and interest when due. Such covenant to budget and appropriate does not create any lien or pledge of such Non-Ad Valorem Revenues.

(a) Pledged revenues for the Spring Training Facility Revenue Bonds include payments received from the State of Florida pursuant to Section 212.20, Florida Statutes, and payments from Pinellas County through February 2021, pursuant to an inter-local agreement dated December 1, 2000, along with related interest earnings.

**City of Clearwater, Florida
Continuing Disclosure – Gas System Revenue Bonds
Series 2013 and 2014**

The System:

Rates, Fees and Charges

Clearwater Gas System (CGS) is not subject to regulation by any State agency in establishing or revising its rates. The rate structure for customers receiving firm natural gas service consists of three distinct groups of charges:

- (1) the Purchased Gas Adjustment (PGA) rate;
- (2) rate riders including the Energy Conservation Adjustment (ECA), the Usage and Inflation Adjustment (UIA), and the regulatory imposition adjustment (RIA); and
- (3) the base rates.

The PGA rate is the mechanism by which CGS recovers the cost of natural gas it purchases and distributes to its customers. The ECA is designed to recover costs associated with energy conservation and demand management. The UIA is designed to mitigate operational and financial risk associated with fluctuations in demand and inflationary cost increases. The RIA is designed to recover the cost of regulatory imposed programs. The base rates (customer and commodity charges) effectively recover all other costs of distributing natural gas to customers.

The current rate structure in effect at September 30, 2022 is based on a Natural Gas Rate Study completed in December 2020, and was adopted by Ordinance 9433-21 to be effective for all gas bills and services rendered on or after March 1, 2021. The Residential Customer Charge was increased by \$2 per month effective March 1, 2021 and then an additional \$2 per month effective March 1, 2022. The Commercial Non-Fuel energy charge decreased by \$0.04 per therm effective March 1, 2021. These changes were not revenue neutral in the first year and reduced reserve levels by approximately \$559,000; however, reserves are projected to remain above the minimum 180-day reserve requirement throughout the five-year forecast period included in the rate study.

Where competitive fuel sources or transportation service are available to the customer, the City Council has authorized the City Manager to enter into contract gas service rates at special rates and/or conditions as required to obtain/retain the customer load. Such contract service must meet the normal construction feasibility formula to insure profitable payback to CGS. In addition to the above rate changes, all customers served under contract rates as of February 28, 2021 were allowed to remain on their existing contracts until the next expiration date, at which time the contract was automatically discontinued and the customer was moved to the applicable standard rate unless a new contract was executed. This resulted in a reduction of contract customers from 181 (impacting 6.0% of revenues) at September 30, 2021 to 34 (impacting 1.0% of revenues) as of September 30, 2022.

GAS SUPPLY

On August 1, 1990, the Federal Energy Regulatory Commission (FERC) deregulated the natural gas pipeline industry. This allows other natural gas suppliers and local distribution companies, like the City of Clearwater, to transport gas over the Florida Gas Transmission (FGT) pipelines as opposed to purchasing natural gas supply from only FGT.

The two natural gas transmission companies that serve within the State of Florida are Florida Gas Transmission (FGT) and Gulfstream. Currently FGT is the sole provider of transportation service to the City. Florida Gas Transmission is a natural gas pipeline which brings gas from Texas, Louisiana, Mississippi, and Alabama into Florida. The pipeline is owned 50% by Energy Transfer Partners (Owner/Operator) and 50% by Kinder Morgan Partnership, each respectively representing units in Citrus Corporation.

The City joined Florida Gas Utility (FGU) in October 2000 by Resolution 00-35. FGU is responsible for the purchase & management of the City's natural gas supply. An updated All Requirements Gas Service Agreement, which was approved by Resolution 02-02 in January 2002, required the City to purchase 100% of its supply through FGU. FGU was formed through an Interlocal Agreement among its members. The Interlocal Agreement became effective on September 1, 1989 and consisted of five municipal utilities. Over the next several years, additional electric and gas distribution utilities joined FGU, bringing its current membership to 25.

In addition, the City has entered into a Gas Supply & Transportation Agreement with Peoples Gas System (PGS), dated 12/02/04, to purchase natural gas to serve customers located in our Central Pasco territory, generally east of the Suncoast Parkway in Pasco County. The City received a letter from FGU Council, dated 8/31/04, granting the City permission to utilize TECO Peoples Gas as a third party gas supplier since FGU is unable and unwilling to provide gas to the City within the meaning of the provisions of Section 3 (a)(i) and (ii) of the All Requirements Gas Service Agreement between the City and FGU.

The City has two Firm Transportation Service agreements (FTS-1 & FTS-2) with FGT in order to deliver natural gas to the City's four gate stations. FGU is currently managing the City's Phase II (FTS-1) and Phase III (FTS-2) transportation capacity on a daily basis. Table 1 shows the breakdown of the City's annual gas supply entitlements with FGT. The total annual entitlement is 3,212,226 decatherms of natural gas transportation.

Table 1 Breakdown of Transportation Capacity

Service Area

The Clearwater Gas System (CGS) is owned and operated as an enterprise utility by the City of Clearwater. CGS operates over 1,075 miles of underground gas main and handles the supply and distribution of both natural and propane (LP) gas throughout northern Pinellas County and western Pasco County. As a “full service” gas utility, CGS provides gas appliance sales, installation of inside customer gas piping, domestic and commercial gas equipment service, construction and maintenance of underground gas mains and service lines, and 24-hour response to any gas emergency within the service area. The Florida Public Service Commission and the Federal Department of Transportation regulate CGS for safety.

CGS has been serving customers in the Clearwater area for nearly 100 years (since 1924) when operations began with a manufactured gas plant operation from coal and coke. In 1959, when natural gas transmission lines were finally extended to the Florida peninsula, CGS discontinued manufacturing gas and began receiving piped natural gas from Florida Gas Transmission.

Clearwater Gas System serves over 31,000 customers in a 330 square mile service territory, which includes 20 municipalities as well as the unincorporated areas of northern Pinellas County and western Pasco County. The Pinellas County service territory is 158 square miles and extends generally from Ulmerton and Walsingham Roads on the south to the Pasco County line on the north and from the Gulf of Mexico on the West to the Hillsborough County line on the east. This includes all of the Pinellas beach communities south to Redington Beach. The Pasco County service territory is 172 square miles and extends from the Gulf of Mexico on the West inland about 20 miles to just east of State Road 41 and Land O’ Lakes and from the Pinellas and Hillsborough County lines on the South to generally State Road 52 on the north. The CGS service territory extends 42.3 miles from the southwestern-most to the northwestern-most points.

Clearwater Gas System prides itself in being a competitive and public service-minded utility, providing safe, economical and environmentally-friendly gas, which is made in America, available in our communities for all of the homes and businesses in our service area, with special focus on the residential customers who make up over 91% of our customer base.

Rates, Fees and Charges

The City uses a three-tiered rate structure for water and sewer usage. The base rate for water includes a minimum usage for residential and nonresidential water rates. Any usage over the minimum is billed at one rate per 1,000 gallons up to a designated level and at a second rate for usage over that level. For irrigation, there is a base rate, with no usage allowance, and a charge per 1,000 gallons of water usage up to a designated level and a higher charge for usage over that amount. The sewer base rate includes a minimum usage and a fixed charge per 1,000 gallons of water usage over the basic allowance. The minimum usage and second and third tier usage levels vary with the size of the meters. For fiscal year 2022 there were no changes to the three-tiered rate structure for water or sewer usage.

Rates, Fees, and Charges

The City uses a measurement of one equivalent residential unit or ERU as the basis for the stormwater management utility fee. The rates per ERU from the inception of the utility are as follows:

<u>Effective Date</u>	<u>Rate per ERU</u>	<u>Effective Date</u>	<u>Rate per ERU</u>
January 1, 1991	\$3.00	October 1, 2010	\$12.51
October 1, 1998	4.00	October 1, 2011	13.04
October 1, 1999	4.17	October 1, 2012	13.40
October 1, 2000	4.35	October 1, 2013	13.77
October 1, 2001	4.54	October 1, 2014	14.15
January 1, 2002	6.13	October 1, 2015	14.33
October 1, 2002	7.16	October 1, 2016	14.51
October 1, 2003	8.01	October 1, 2017	14.58
October 1, 2004	8.65	October 1, 2018	14.65
October 1, 2005	9.35	October 1, 2019	13.40
October 1, 2006	9.71	October 1, 2020	13.40
October 1, 2007	10.51	October 1, 2021	13.40
October 1, 2008	11.14	October 1, 2022	13.64
October 1, 2009	11.80		

Single-family homes, multifamily units, condominium units, apartments and mobile homes are rated as one ERU per dwelling unit. Nonresidential property is charged at the rate of 1,830 square feet of impervious area per ERU.

Source: City of Clearwater, Florida

- (1) Revenues derived from the Local Option Gas Tax may only be used for transportation operations and maintenance. As such, local option gas tax funds are not available to pay debt service on the Series 2022 Bonds.
- (2) A portion of Infrastructure Sales Surtax funds are restricted legally or by City Council policy to be used for specific capital improvement projects, and thus may only be used with respect to certain capital projects after a special public hearing is held. Thus, a special public hearing would be required for the City's Infrastructure Sales Surtax Revenues to be available to pay debt service on the Series 2022 Bonds. The current Infrastructure Sales Surtax will expire on December 31, 2029, which is prior to the expiration of the Series 2022 Bonds.
- (3) The County Fire Protection Tax funds are revenues from the County that are reimbursed to the City for provision of fire services to the unincorporated areas within the designated Clearwater Fire District. County Fire Protection Tax funds are restricted legally for such purposes and may not be used to pay debt service on the Series 2022 Bonds.
- (4) The County Emergency Medical Services ("EMS") Tax funds are revenues from the County that are reimbursed to the City for provision of EMS services to the unincorporated areas within the designated Clearwater Fire District. County EMS Tax funds are restricted legally for such purposes and may not be used to pay debt service on the Series 2022 Bonds.
- (5) Other Intergovernmental Revenues are derived from a number of sources including Florida Department of Transportation reimbursements for traffic signals and street lighting, mobile home licenses, alcoholic beverage licenses, firefighters' supplemental compensation, rebates on municipal vehicle fuel, the Pinellas Library Cooperative, County traffic signal reimbursements, and other reimbursements from the County for the use of Fire and EMS vehicles in the Clearwater Fire District.
- (6) The Enterprise Fund Transfers revenue include the total amount of transfers from each enterprise fund (with the exception of the Gas Fund) to the General Fund calculated at 5.5% of gross revenues in the prior fiscal year; the annual dividend transferred from the Gas Fund to the General Fund; and net parking fine revenues transferred from the Parking enterprise fund to the General Fund.
- (7) May not add due to rounding.
- (8) Negative miscellaneous revenues for fiscal year 2022 are due to a significant unrealized investment loss at 9/30/2022 due to a significant increase in interest rates.

Source: City of Clearwater, Florida Annual Comprehensive Financial Report for the Fiscal Year Ended September 30, 2022.

- (1) The increase in 2019 investment earnings was due to an unrealized gain in market value as of September 30, 2019, as well as an increase in the average balance of cash and investments.
- (2) The increase in 2019 property taxes was due to an increase in the millage rate from 5.155 to 5.955 mills, as well as an increase in property values.
- (3) The decreases in 2021 and 2022 investment earnings was primarily due to unrealized losses in market value at September 30, 2021 and September 30, 2022, caused by increases in interest rates.
- (4) The increase in capital outlay expenditures in 2022 was primarily due to expenditures for the Imagine Clearwater waterfront park and amphitheater project.
- (5) The large increase in other long term debt issued for fiscal year 2022 was due to issuance of the Series 2022 Non-ad Valorem revenue bonds.

**City of Clearwater, Florida
Fire Services Program**

Pursuant to agreements between the City of Clearwater, the Pinellas County Fire Authority and the Pinellas County Emergency Medical Services Authority, the City has provided fire and emergency medical services to the respective authorities. With respect to fire services, the services are provided for the benefit of properties located outside the corporate limits of the City, but within a designated service area. Emergency medical services are provided for the benefit of persons residing both inside and outside the corporate limits of the City, based on the Authority's nearest unit dispatch policy.

With respect to the Fire Services Program, a budget was prepared by Fire Department personnel covering proposed expenditures for fiscal year ending September 30, 2022, for the Fire Department as a whole. Since the funding for the Emergency Medical Services Program is based on the level fixed in prior years, the Fire Services Program budget is essentially the residual obtained by deducting the approved level of funding for the Emergency Medical Services Program from the budgeted amounts included in the total Fire Department budget. This budget was submitted to, and duly approved by, the relevant Authority prior to the commencement of the fiscal year. Income received from Pinellas County Fire Protection Authority and valid program expenditures for the Fire Services Program for the fiscal year ended September 30, 2022 are summarized below.

Total Revenue Received from Pinellas County Fire Protection Authority	\$ 2,485,600
Total Fire Service Expenditures for Fiscal Year Ended September 30, 2022	\$ 2,647,916

The Fire Service Program does not currently utilize an equipment reserve.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Honorable Mayor and City Council Members
City of Clearwater, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Clearwater, Florida (the "City"), as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated April 28, 2023. We have also audited the financial statements of each of the City's nonmajor governmental funds, nonmajor enterprise funds, internal service funds, and fiduciary funds presented as supplementary information in the accompanying combining and individual fund statements as of and for the year ended September 30, 2022, as listed in the table of contents.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs as item 2022-001 that we consider to be significant deficiencies.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements.

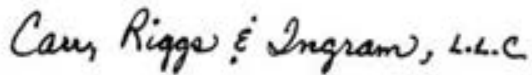

However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

City of Clearwater, Florida’s Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the City of Clearwater, Florida’s response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The City of Clearwater, Florida’s response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS’ REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON EACH MAJOR STATE PROJECT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

To the Honorable Mayor and City Council Members
City of Clearwater, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited the City of Clearwater, Florida’s (the “City”) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the requirements described in the *State of Florida Department of Financial Services’ State Projects Compliance Supplement* that could have a direct and material effect on each of City’s major federal programs and state projects for the year ended September 30, 2022. The City’s major federal programs and state projects are identified in the summary of auditors’ results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City of Clearwater complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, Rules of the Auditor General, *Florida Single Audit Act Audits – Local Governmental Entity Audits*. Our responsibilities under those standards and the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, are further described in the Auditors’ Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of City’s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to City’s federal programs and state projects.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about City's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, Rules of the Auditor General, we:

- ☒ Exercise professional judgment and maintain professional skepticism throughout the audit.
- ☒ Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- ☒ Obtain an understanding of City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, Rules of the Auditor General, but not for the purpose of expressing an opinion on the effectiveness of City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.550, Rules of the Auditor General. Accordingly, this report is not suitable for any other purpose.

City of Clearwater, Florida
Notes to Schedule of Expenditures of Federal Awards
and State Financial Assistance Projects
For the Year Ended September 30, 2022

NOTE 1 – Basis of Presentation

(a) Reporting Entity

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance Projects (“Schedule”) presents the activity of all federal financial and state grant activity projects of the City of Clearwater, Florida (the “City”). Federal and state financial assistance received directly from federal and state agencies, and federal financial assistance passed through other governmental agencies are included on the schedules. The information in this schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.550.

(b) Disaster Grants – Public Assistance (Presidentially Declared Disaster) (97.036)

After a Presidentialy Declared Disaster, the Federal Emergency Management Agency (FEMA) provides a Public Assistance Grant to reimburse eligible costs associated with emergency response, debris removal, and eligible costs associated with repair, replacement, or restoration of disaster-damaged facilities. The Federal Government reimburses in the form of cost-shared grants.

During fiscal 2022, FEMA approved \$0 of eligible expenditures that were incurred in prior years and included in the Schedule.

NOTE 2 – Basis of Accounting

The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance Projects is presented using the modified accrual or accrual basis of accounting, depending on the type of fund in which the grant is recorded, as described in Note I.C. to the City’s basic financial statements.

NOTE 3 – ALN/CSFA Numbers

ALN numbers represent Assistance Living Numbers and apply only to federal awards. CSFA numbers represent Catalog of State Financial Assistance and apply only to state financial assistance.

NOTE 4 – Subrecipients

Of the federal and state expenditures presented in the Schedule, the City provided federal and state awards to subrecipients as follows:

Program Title	Federal ALN/ State CFSA	Amount Provided To Subrecipients
U.S. HUD Community Development Block Grant	14.218	\$927,526
U.S. HUD Home Investment Partnerships Program	14.239	\$ 7,500

City of Clearwater, Florida
Notes to Schedule of Expenditures of Federal Awards
and State Financial Assistance Projects
For the Year Ended September 30, 2022

NOTE 5 – Loans Outstanding

The current year additions related to the loans are included in the Schedule of Expenditures of Federal Awards and State Financial Assistance Projects. The City had the following loan balances outstanding, net of \$11,766,586 allowance for uncollectable accounts, at September 30, 2022:

14.218	Community Development Block Grant	\$ 841,331
14.239	Home Investment Partnership Program	1,725,283
40.901	State Housing Initiative Partnership	<u>2,147,588</u>
		<u>\$ 4,714,202</u>

NOTE 6 – Indirect Cost Rate

The City did not utilize the 10% de minimis indirect cost rates for reimbursement of grant expenditures for the fiscal year ended September 30, 2022.

SECTION II – FINANCIAL STATEMENT FINDINGS

Significant Deficiency

Finding Number: 2022-001 Financial Reporting

Criteria: The City is required to record transactions in accordance with generally accepted accounting principles.

Condition: The carrying amount of liabilities for estimated unpaid claims was overstated in the financial statements.

Cause: The City did not appropriately record the carrying amount of liabilities for estimated unpaid claims at present value in the financial statements in accordance with generally accepted accounting principles.

Effect: A correcting adjustment was recorded in the amount of \$741,185 to discount the estimated claim liability at year-end to present value.

Recommendation: The City should review accounting policies and processes to ensure transactions are recorded in accordance with generally accepted accounting principles.

Response: See attached Corrective Action Plan.

SECTION III – FEDERAL AWARD FINDINGS

None noted.

SECTION IV – SUMMARY OF PRIOR YEAR AUDIT FINDINGS

No prior year audit findings.

MANAGEMENT LETTER

To the Honorable Mayor and City Council Members
City of Clearwater, Florida

Report on the Financial Statements

We have audited the financial statements of the City of Clearwater, Florida (the "City"), as of and for the fiscal year ended September 30, 2022, and have issued our report thereon dated April 28, 2023.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditors' Report on Compliance for Each Major Federal Program and State Project and Report on Internal Control over Compliance; Schedule of Findings and Questioned Costs; and Independent Accountants' Report on an examination conducted in accordance with AICPA Professional Standards, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, Rules of the Auditor General. Disclosures in those reports and schedule, which are dated April 28, 2023, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding financial audit report.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the City met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based in part on representations made by management and review of financial information provided by same.

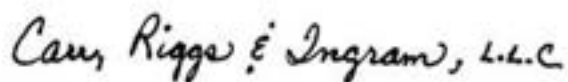

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we identified a significant deficiency related to an adjustment to discount the estimated claim liability at year-end to present value. Additionally, we identified a control deficiency related to an understatement of tax revenue during the year for communications services tax revenue. We recommend that management continue to improve the fiscal year-end closing process for recording transactions in accordance with generally accepted accounting principles.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS’ REPORT ON COMPLIANCE WITH SECTION 218.415, FLORIDA STATUTES

To the Honorable Mayor and City Council Members
City of Clearwater, Florida

We have examined City of Clearwater, Florida’s, (the “City”), compliance with the requirements of Section 218.415, Florida Statutes, *Local Government Investment Policies*, during the year ended September 30, 2022. Management is responsible for the City’s compliance with the requirements. Our responsibility is to express an opinion on the City’s compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the City complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the City complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination does not provide a legal determination on the City’s compliance with specified requirements.

In our opinion, the City complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2022.

This report is intended solely for the information and use of management and the State of Florida Auditor General and is not intended to be and should not be used by anyone other than these specified parties.

If a terrorist attack does not result in damage to the Dunedin Facilities but nonetheless interferes with the Club's use of same, it shall be considered an Enumerated Event and addressed in accordance with this Section 32.

- (c) Effect of Suspension. During any suspension of the Agreement hereunder, the Annual Capital Payment shall be suspended only if it was the actions or omissions of the City or those for whom the City is at law responsible that caused the Club to be prevented from using the Dunedin Facilities or any material part thereof. The provisions of this Agreement which are not directly affected by the Club being unable to use the Dunedin Facilities or such material part thereof shall remain in full force and effect during the period of such suspension. During the period of such suspension, the Club shall be entitled to conduct its games, practices and other activities at alternate facilities of its choice and the Club will be deemed to have played the required number of such games as specified subsection 3(a) of the Agreement. For certainty, in the event that any Home Major League Team ST Games or Home Minor League Games are cancelled or otherwise impacted during any period of suspension, the Club's game-related obligations under the Agreement shall not apply (including, but not limited to, its obligations in connection with marketing and promotional opportunities and the collection and remittance of the Capital Replacement Surcharge).
- (d) Termination of Agreement. Notwithstanding anything else in this Section 32, if the period of the suspension hereunder extends beyond twelve (12) months and such arises by reason of a national or local emergency, an actual or threatened terrorist attack, the United States being in a state of war, a labor dispute (other than a lock-out or strike of Major League Baseball players), or the gross negligence or willful misconduct of the City (including its employees and agents), then the Club shall have the option, exercisable in its sole discretion, to terminate this Agreement without liability to the City therefore.

33. **I R I M N**

- (a) Establishment and Funding. During the Term of this Agreement, the City shall maintain an interest bearing fund for the purpose of Capital Replacement expenditures which shall be known as the **it R I m n n**. The Capital Replacement Fund shall be used solely for Capital Replacement expenditures. The Capital Replacement Fund shall be funded from the following sources:
 - (i) Amounts paid to the City by the Club on account of the Capital Replacement Surcharge, in accordance with subsection 12(d) of this Agreement,
 - (ii) That portion of the Annual Naming Rights Revenues paid to the City by the Club in accordance with subsection 20(a) of this Agreement,
 - (iii) Proceeds of any taxable debt instrument issued by the City to fund a portion of the costs of the Project or other non-debt proceeds contributed by the City to pay a portion of the costs of the Project that are not, as agreed by the Club, needed to pay costs of the Project, and
 - (iv) All interest accrued on amounts held within the Capital Replacement Fund.

- (l) Right of First Refusal. In the event that the City shall obtain title to the property immediately east of the Grant Field Facilities, presently belonging to the Pinellas County School Board, presently occupied by Curtis Fundamental Elementary School, then and in that event the City does hereby grant a right of first refusal to lease the same property to the Club in the event that the City shall offer such property for lease or sale to a third party. In the event that the City offers such property for lease or sale and receives an offer of lease or purchase on said property, the City shall give the Club thirty (30) days written notice of such contract and the Club shall have the right for thirty (30) calendar days from the date of receipt of such notice to advise the City in writing that it wishes, at the Club's option, to lease or purchase said property on the same economical terms and conditions set forth in the offering contract. In the event that the Club choose to exercise such right of first refusal, it shall present a contract reflecting the same terms and conditions as the offering contract within the aforesaid thirty (30) day period. The right of first refusal shall be coterminous with the Term of this Agreement.
- (m) The parties hereby agree to furnish upon request to each other such further information, to execute and deliver to each other such other documents, and to do such other acts and things, all as the other party may reasonably request for the purpose of carrying out the intent of this Agreement. In the event that this Agreement is executed prior to the finalization of the Development Agreement, the parties shall update this Agreement to include any references to provisions of the Development Agreement that may be required.

37. DEFAULT.

- (a) The occurrence of one or more of the following shall constitute an event of default:
- (i) The Club fails to pay or cause to be paid, in full and when due, any installment in connection with the Annual Capital Contribution called for herein and the Club does not cure such failure within forty five (45) days of receipt of notice of such default from the City. In the event of a default arising from the failure to make payment of an installment in connection with the Annual Capital Contribution, the City may declare that all Annual Capital Contributions shall accelerate to maturity and all such Annual Capital Contributions shall become immediately due and payable.
- (ii) The failure by either party to perform, observe or comply with timely, at any time during the Term, any term, representation, condition, obligation, covenant, or other provision requiring performance of that party under this Agreement (except the payment of any installment on account of the Annual Capital Contribution) and such failure is not cured within sixty (60) days after written notice, specifying the nature of such failure and requesting that it be remedied, given by the non-defaulting party to the defaulting party, unless the non-defaulting party shall agree in writing to an extension of such time prior to expiration; provided, however, if the failure stated in the notice cannot reasonably be corrected within the applicable period, no event of default shall be deemed to exist hereunder if corrective action is instituted by the defaulting party promptly upon receipt of the written notice and is diligently pursued until corrected.
- (iii) The dissolution or liquidation of the Club, or adjudication of the Club as bankrupt, or the

Player Shoot Room.

g g g g g g g g

This room can be on second floor and must be physically separate from weight room (to ensure that noise and music from weight room is not heard within this space), but also needs to be relatively easily accessible to/from the Major League clubhouse.

g g g g g g g g

Covered Office Balcony with Field View.

g g g g g g g g

Reception and office spaces:

Exhibit "C"
Im rooms

Coaching Staff Workroom.

Roving Instructor and Other Baseball Staff Offices.

Equipment Room / Equipment Storage / Offices.

Loading space for Minor League equipment area needs to physically separate from the loading space for the Major League equipment area, so that if there was load-in or load-out happening on the same day, they would not affect one another.

Laundry.

Exhibit "C" Improvements

Ver. 3.0 - As of September 9, 2016

- *Commercial Grade Kitchen Space (and associated storage and service areas).* Require kitchen, serving and storage facilities that would allow us to prepare and serve food to 200+ people in one sitting. Requires industrial/commercial appliances (walk-in freezers, walk-in refrigerators, cooking equipment, exhaust hoods, etc.), plumbing, venting, etc. Kitchen would obviously have to be designed to current standards and to meet the full needs of the team, however, we know that the following are important
 - Likely requires about 1,000 square feet for the kitchen area
 - Plans need to include appropriate serving counters and stations (e.g. salad bar) that are integrated in some manner into the dining room space (which space is described below). Idea is such that the kitchen, serving and dining are all open and very much connected spaces.
 - Require separate secured pantry/ storage room of approximately 250 square feet.
 - Optimally, would like to have garage door or other large access directly from the exterior of the building into the kitchen and the kitchen storage room, so that items can be loaded directly from vehicles. Would also want built-in floor to ceiling shelving in storage room.
- *Divisible Dining/Multi-Purpose Room.* Require 3,000 square foot dining room (needs to be able to hold 225 people seated around tables). Would like the ability to sub-divide the space with partitions (so one side could be used for dining while people are having a class or large meeting on the other side). Should be wired for televisions, projector, etc.
 - *Nutrition area.* Want a portion of the dining room space to include counters and cabinet space to be used as a "nutrition area", including supplements, nutrition bars, juice bar, smoothie station with blenders, etc
- *Umpire's room.* Locker area of around 250 square feet. Must be out of the way, with direct access to fields and limited access to other clubhouse sections. Some of the specifics include:
 - 4 lockers, 4 locker chairs, and a table with 4 chairs for umpires to use for meals
 - Bathroom with 2 shower heads, 2 sinks, 1 toilet and 1 urinal (need about 180 square feet for that).
- *Additional storage.* Would like to ensure that we have an additional storage space / room of approximately 250 square feet within Minor League portion of the building

- c) The Net Ticket Revenue to the City will be distributed to the City no later than May 1 of each year. Net Ticket Revenue distributed to the City after May 1 of each year shall bear interest at 12% per annum simple interest.
- d) The Club shall be entitled to collect and retain all gross receipts for admission to all Winter Instructional Games and practices and all games played by the Minor League team at the Dunedin Facilities.

In addition to the Net Ticket Revenue distributed as set forth above, in 2018 the Club will pay to the City the sum of \$1.50 for each ticket sold for each Spring Training game. Payment will be net of taxes. This payment will be referred to as the "Ticket Surcharge". In the next subsequent calendar year and in all subsequent calendar years, the Ticket Surcharge will be recalculated with reference to the Consumer Price Index, as hereinafter set forth and shall be rounded up to the nearest \$.05. Such Consumer Price Index shall be redetermined on each September and thereafter for each succeeding calendar year as follows:

Such Surcharge shall be determined by dividing the then existing Surcharge as of September in the current year by the index number for the month of September of the preceding year as it appears in the column "ALL ITEMS" in the Consumer Price Index, as is published by the Bureau of Labor Statistics, United States Department of Labor, Consumer Price Index for all Urban Consumers (CPI-U) South urban and then multiplying that amount by the amount of the then existing surcharge. The resulting surcharge will then be rounded up to the nearest \$.05 and shall apply for the next Spring Training season. In the event that the Consumer Price Index ceases to be published by the U.S. Department of Labor, the closest comparable index will be used for the above purpose.

I I RI

The City will receive a share of Concession Revenues for home Spring Training games as is provided herein.

The City will receive no Concession Sharing for games with fewer than 3,800 attendees, the calculation of which will include tickets sold and tickets distributed free of charge.

For Spring Training games, the City will receive in 2018, the amount of \$.85 per attendee in excess of 3,800 per home Spring Training game. This amount will be subject to the CPI adjustment for the second calendar year and consecutive calendar years, if any, in accordance with the Consumer Price Index adjustment rounded up to the nearest \$.05 using the same adjustment formula as set forth in Section 7 of this Exhibit "D".

One half of the amount received by the City for Concession Revenue will be paid into the Capital Replacement Fund as is set forth in Section 24 of this Exhibit "D" until such Fund is fully funded and thereafter will be retained by the City until the Fund requires replenishment.

E I - E I RE ER E

[Intentionally Deleted]

E I E L

The occurrence of one or more of the following is an event of default:

- a) The Failure by either party to perform, observe or comply with timely, any term, representation, condition, obligation, covenant, or other provision requiring performance of that party under this Exhibit "D" and such failure is not cured within sixty (60) days after written notice, specifying the nature of such failure and requesting that it be remedied, given by the non-defaulting party to the defaulting party, unless the non-defaulting party shall agree in writing to an extension of such time prior to expiration; provided, however, if the failure stated in the notice cannot reasonably be corrected within the applicable period, no event of default shall be deemed to exist hereunder if corrective action is instituted by the defaulting party promptly upon receipt of the written notice and is diligently pursued until corrected.
- b) The dissolution or liquidation of the Club, or the filing of a voluntary or involuntary petition applicable to the Club in any proceeding for the Club's reorganization or liquidation under the provisions of the Federal Bankruptcy Code, or adjudication of the Club as bankrupt, or the appointment of a receiver of any of the Club's property, or the assignment of any of the Club's property for the benefit of its creditors, if the Club fails to lift, stay or dismiss promptly any such proceedings or any execution, garnishment or attachment that will materially and adversely impair the Club's operation.
- c) The Club abandons the Dunedin Facilities.
- d) The Club disposes of all or substantially all of its assets, other than to a permitted assignee.
- e) The filing of a voluntary or involuntary petition applicable to the Club in any proceeding for the Club's reorganization or liquidation under the provisions of the Federal Bankruptcy Code, if the Club fails to lift, stay or dismiss promptly such proceeding or similar proceedings under Canadian law.

Whenever any event of default by the Club shall have occurred and be continuing, the City may take any of the following remedial steps:

- (1) In the event of a monetary default, abandonment of the Dunedin Facilities by the Club or a wrongful termination of this Exhibit "D" by the Club, the City may reenter and take possession of the Dunedin Facilities without terminating this Exhibit "D",

Exhibit "D"

exclude the Club from possession thereof and lease or otherwise use the Dunedin Facilities for the account of the City and may require the acceleration of the annual payments as set forth above without setoff or other defense by the Club arising from the City's reentry and use of the Dunedin Facilities and such setoff or defenses of the Club are specifically waived.

- (II) Take any act or law or in equity as it may appear necessary or desirable to collect any amount to be paid by the Club hereunder when due, or to enforce any obligation or covenant or agreement of the Club under this Exhibit "D"; provided, however, no such enforcement shall include a requirement of the Club to play home Spring Training games at the Dunedin Facilities during the period that this Exhibit "D" is operable, the City's remedies in respect of any default in so playing being limited to monetary damages.

In the event that an event of default by the City shall have occurred and be continuing, the Club may institute such action against the City as the Club may deem necessary to complete performance or may perform the City's obligations hereunder and deduct the cost of so doing from payments required to be made hereunder to the City; provided, however that no such action shall seek to impose, or impose, any pecuniary liability upon the City, or any personal or pecuniary liability upon any member of the City Commission, employee, attorney or contractual representative of the City and any such claim, legal right or cause of action is specifically waived and foregone hereby.

No delay or omission to exercise any right or power accruing upon any event of default shall impair any right or power or shall be construed to be a waiver thereof by any such right or power may be exercised from time to time and as often as may be deemed expedient.

In the event either party shall default under any of the provisions of this Exhibit "D" and the other party should employ attorneys or incur other expenses for the collection of any amount due hereunder or the enforcement of performance or observance of any obligation or agreement herein contained, the non-breaching party if successful in such proceedings, shall be entitled to recover from the breaching party the reasonable fees of such attorneys and such other expenses so incurred.

In the event any agreement contained in this Exhibit "D" should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Except as limited by applicable law or this paragraph, no remedy conferred upon or reserved to the parties is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and in addition to any other remedy given under this Exhibit "D" or now hereafter existing at law or in equity or by statute.

E E R E E D

[Intentionally Deleted]

Exhibit "D"

SECTION 31- FORCE MAJEURE

Neither party shall be liable for any loss or damage sustained by the other party, nor shall either party be considered in default for any event occurring or failing to occur or any state of facts existing as a result of any delay in performance or noncompliance of any provision of this Exhibit "D" that results from an action, event, omission or cause beyond its reasonable control and without its fault or negligence, including but not limited to civil commotion, riots, wars, fires, explosions, floods, earthquakes, wind or hurricane damage, embargos, or actions of civil or military authority.

Cost Benefit Analysis of the Franchise's Impact

City of Dunedin

2023 Annual Report on Spring Training Activities

To the Florida Department of Economic Opportunity

FDEO 2023 Annual Report

City of Dunedin

Cost Benefit Analysis Summary

The economic impact of Blue Jays spring training baseball has been studied annually by Dr. Mark A. Bonn, Ph.D., of Bonn Marketing, Inc. Bonn Marketing and the Florida Sports Foundation presented the 2009 Major League Baseball Florida Spring Training Economic Impact Study. The City of Dunedin again contracted with Bonn Marketing to provide the cost benefit and economic impact analysis for the 2023 spring training season.

Section V

Compliance with Criteria In Effect When Certified

City of Dunedin

2023 Annual Report on Spring Training Activities

To the Florida Department of Economic Opportunity

City of Dunedin Compliance with Criteria In Effect When Certified under Section 288.11631, Florida Statutes

Criterion No. 1

The applicant is responsible for the construction or renovation of the facility for a spring training franchise or holds title to the property on which the facility for a spring training franchise is located.

Compliance with Criterion No. 1

The applicant presents warranty deeds for the property on which the spring training activities take place and on which the construction/renovation was completed. (See Appendix)

Criterion No. 2

The applicant has a certified copy of a signed agreement with a spring training franchise. The signed agreement with a spring training franchise for the use of a facility must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating a facility for a spring training franchise. If no such bonds are issued for the public purpose of constructing or renovating a facility for a spring training franchise, the signed agreement with a spring training franchise for the use of a facility must be for at least 20 years. Any such agreement with a spring training franchise for the use of a facility cannot be signed more than 4 years before the expiration of any existing agreement with a spring training franchise for the use of a facility. The agreement must also require the franchise to reimburse the state for state funds expended by an applicant under this section if the franchise relocates before the agreement expires. The agreement may be contingent on an award of funds under this section and other conditions precedent.

Compliance with Criterion No. 2

The applicant presents copies of the signed agreements related to spring training activities at the facilities. (See Section II)

Criterion No. 3

The applicant has made a financial commitment to provide 50 percent or more of the funds required by an agreement for the construction or renovation of the facility for a spring training franchise. The commitment may be contingent upon an award of funds under this section and other conditions precedent.

Compliance with Criterion No. 3

The applicant presents evidence of local match in the form of a newspaper article stating that funds are committed from the local tourist development tax, a City of Dunedin resolution authorizing the license agreement, construction project and funding, and excerpts from the City of Dunedin's Adopted Annual Budget 2023 related to stadium fund revenues and expenditures. (See Appendix)

Criterion No. 4

The applicant demonstrates that the facility for a spring training franchise will attract a paid attendance of at least 50,000 persons annually for the spring training games.

Compliance with Criterion No. 4

Over a fourteen-year period (2006 – 2019) the average attendance at spring training games at the Dunedin facility has been 67,953. At no time during that period did attendance drop below 50,000. (See Appendix)

In 2020, the first spring training season held in the newly renovated stadium, the COVID-19 pandemic forced the cancelation of 5 of the 16 scheduled games or 31% of the schedule. Overall attendance for the 2020 season was 46,865, an average of 5,207 per game or 61% capacity. Using these figures, the applicant believes attendance for the full season, had it been played, would again exceed 50,000 by a large margin.

The 2021 season was wholly impacted by the continuing COVID-19 pandemic. Stadium capacity was limited to 1,275 people per game, in accordance to CDC guidelines for live sporting events. Of 14 games played, average attendance was 1,131 or about 87% capacity.

The 2022 season was delayed due to the MLB lockout, which ended on March 10, 2022. All spring training games were cancelled until March 17, 2022, shortening the season to 9 home games, one of which was a rainout. In addition to an overall feeling of disenchantment amongst fans throughout the league, the ongoing COVID-19 pandemic continued to affect attendance as several surges occurred over the course of the season. Of 8 games played, average attendance was 3,811. Despite the lockout and pandemic,

the applicant believes attendance would still have exceeded 50,000 had the regular number of games been played, based on the per game average of 3,811.

The 2023 season was the first full spring training season held at the renovated stadium and attendance for all home games was exceptional. Sixteen games were played, averaging 5,850 fans per game. Total attendance for the 2023 Spring Training season was 93,596.

Criterion No. 5

The facility for a spring training franchise is located in a county that levies a tourist development tax under Section 125.0104, Florida Statutes.

Compliance with Criterion No. 5

Pinellas County does levy a tourist development tax, as indicated by information taken from the Pinellas County Tourist Development Council's website. (See Appendix)

Section VI

Compliance with Section 288.1167, Florida Statutes

City of Dunedin

2023 Annual Report on Spring Training Activities

To the Florida Department of Economic Opportunity

FDEO 2023 Annual Report

City of Dunedin

The City of Dunedin's policy is to provide fair and equitable opportunity for all business entities to compete for contracts and services to be provided to the city. With regard to the operations at the spring training facilities, under the terms of the license agreement with the spring training franchise, the city does not have any concession or operational service contract opportunities for the current year.

Section VII

Certification of Information and Documentation

City of Dunedin

2023 Annual Report on Spring Training Activities

To the Florida Department of Economic Opportunity

August 21, 2023

Florida Department of Economic Opportunity
Division of Strategic Business Development
107 East Madison Street, MSC 80
The Caldwell Building
Tallahassee, FL 32399-0001
ATTN: Cory Strickland, FCCM

Dear Cory:

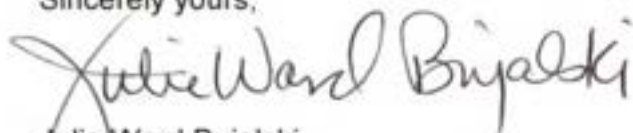

The City of Dunedin is pleased to submit this Annual Report to the Florida Department of Economic Opportunity, related to Spring Training activities pursuant to the 2018 funding agreement between the City and the FDEO (Contract Number SB 18-007).

In accordance with the reporting requirements of Section 288.11631, FS as outlined in that agreement, I am certifying by this letter that the information contained in this Annual Report is true and correct.

Please do not hesitate to contact us if you have any questions or need additional information.

The City of Dunedin appreciates your assistance in the retention of our Spring Training franchise.

Sincerely yours,

Julie Ward Bujalski
Mayor, City of Dunedin

cc: Jennifer K. Bramley, City Manager
Jorge M. Quintas, Deputy City Manager

Efforts to Promote and Advertise the Dunedin Facility

City of Dunedin

2023 Annual Report on Spring Training Activities

To the Florida Department of Economic Opportunity

FDEO 2023 Annual Report

City of Dunedin

The applicant has utilized multiple methods to promote the 2023 Spring Training season and facility. In addition to local and national news outlets and the City of Dunedin website, the applicant promoted Spring Training on several social media accounts. The City's Facebook page has over 37,000 followers, Instagram has 9,800 followers, Twitter 4,800 followers and the YouTube channel has 2,000 subscribers.

Additionally, the City of Dunedin Communications Department met with the Blue Jays social media team and collaborated on sharing content across several platforms.

The applicant has included sample entries from the City of Dunedin website, various social media posts, and news coverage of the 2023 "Welcome Back, Blue Jays" event.

Blue Jays

For more than 40 years, the Toronto Blue Jays have a home in Dunedin, Florida and are the only Major League franchise to have never changed where they play their Spring Training baseball. Chosen as the Spring Training home for the Toronto Blue Jays in 1977, Dunedin has served as a proud host of Major League Spring Training ever since.

Spring Training - Resident Information v

Parking Passes for residents who live within the vicinity of TD Ballpark

The Toronto Blue Jays Spring Training Season will take place from Sunday, February 26th through Monday, March 27th, 2023. The Spring Training Resident Parking Permit Program will be in effect and enforced on game days only. Please see the Resident Permit Parking Map for the area in the vicinity of the stadium. The yellow highlighted areas denote the streets which the City signs as "No Parking Except for Resident Permits". The green line represents the perimeter boundary for those individual residents or businesses that may request resident parking permits.

Resident Parking Permits will be available beginning Monday, February 6, 2023 and can be picked up at the Pinellas County Sheriff's Office located at 2496 Bayshore Boulevard, or at the City of Dunedin Community Development Office located at 1415 Pinehurst Road, Unit F.

Residents will receive a maximum of two (2) permits each per any one address within the limits of the green perimeter area of the [map](#). In order to receive a permit, the permittee must show a driver's license or proof of ownership.

Questions? Contact Dunedin Parks & Recreation at 727-812-4531.

TD Ballpark

TD Ballpark - the Spring Training home for the Toronto Blue Jays for more than 40 years! TD Ballpark provides an experience of watching the best in the game.

TD Ballpark (originally Dunedin Stadium at Grant Field) is a community ballpark located in Dunedin, Florida at 373 [Douglas Avenue](#) where spectators can enjoy the Toronto Blue Jays Major League Spring Training games, Dunedin Blue Jays Minor League games, and other community events throughout the year.

The newly renovated stadium features a capacity of 8,500, up from the original capacity of 5,500, with new standing room and "party deck" viewing and a grandstand extension stretching down the third baseline, including a new indoor, air-conditioned "Eddie's" lounge area. New features also include a boardwalk that wraps around the entire outfield, allowing fans the ability to stroll along the 360-degree access around the stadium. In right center field, an outdoor tiki bar beckons, and drink rails line the walkway so fans can stop and catch the action. There is a new LED scoreboard and Jays Shop, in addition to renovated bathrooms, concessions and suites.

Historical Name: TD Ballpark was originally called Dunedin Stadium at Grant Field. Grant Field opened in 1930 and was named after the mayor of Dunedin Albert J. Grant (served 1927-1928), who had donated the land. The first Toronto Blue Jays game ever was played there on March 11, 1977 when the Blue Jays beat the New York Mets 3-1. From 1977-1989, the Blue Jays played at Grant Field, which had a seating capacity of 3,417. The stadium has also been known as Knology Park (2004-2008) and Florida Auto Exchange Stadium (2010-2017). In November 2019, the Jays announced that TD Bank had acquired naming rights for the renovated stadium, which would be named TD Ballpark, as it is today.

Player Development Complex

A state-of-the-art facility unlike any other! Sitting on a 65-acre site, the Player Development Complex (PDC) is the training facility of the Toronto Blue Jays Major and Minor League operations. The 115,000 square-foot building is located at 3031 Garrison Road, Dunedin, approximately 10 minutes away from TD Ballpark where the Blue Jays play their games.

Player Development Complex Features

- 6 Fields (5 brand new)
- 2 Half Fields
- Covered Practice Field
- 20 Gang Mounds
- 12 Covered Batting Cages
- Speed Hill
- Observation Tower
- Weight Room
- Movement Studio
- Sports Science Labs
- Hydrotherapy Room (hot/cold tubs, pool)
- Training Room
- Clubhouse (lockers, equipment & laundry rooms)
- Kitchen & Dining Areas
- Workrooms, Conference & Meeting Rooms
- Media Room
- Barber Shop & Nutrition Stations
- Player Lounge & Family Room

Player Development Complex Earns Two Green Globes Rating

The Player Development Complex is certified by The Green Building Initiative and received a Two Green Globes rating for new construction. This level of sustainability is an outstanding accomplishment. The certification and Two Green Globes rating demonstrates leadership in applying the best practices regarding energy, water, and environmental efficiency. The Blue Jays and the City of Dunedin are very proud of this

recognition and thankful to all the staff and team members for their dedicated work and commitment towards reaching this great achievement!

Blue Jays Fan Fest draws big crowd to TD Ballpark

By JEFF ROSENFELD, Tampa Bay Newspapers
Feb 21, 2023

1 of 19

The Toronto Blue Jays kicked off their spring training season with a free fan fest at TD Ballpark that was highlighted by a golf cart parade.

Photos by JEFF ROSENFELD

DUNEDIN — The Toronto Blue Jays kicked off their 2023 spring training season in true Dunedin style — with a golf cart parade around town that culminated with the colorful procession pulling into TD Ballpark to as much fanfare as the crowd could muster coming off the city's Mardi Gras parade the night before.

But no hangover was going to prevent Jays fans from coming out and enjoying the free event sponsored by Duke Energy on Feb. 19, as the Major League Baseball team treated thousands of patrons to free hot dogs and sodas, live entertainment, games, prizes, photo ops on the field and more.

According to team officials, the open house is a tradition in Dunedin that was halted by the pandemic, meaning this was some fans' first opportunity to see the refurbished ballpark at 373 Douglas Ave.

"This is something we've done for a while, but it's the first one since COVID, so for some fans this is their first chance to see the ballpark's renovations," Chris Valentine, an account executive and broadcaster for the Dunedin Blue Jays minor league club, said of the \$80 million remodel completed in 2020.

"A lot of Canadians haven't been here for a few years due to the pandemic," Valentine said. "So it's great to have them back."

Indeed, many fans of all ages came to bask in the warm February sun and gear up for the Jays' Grapefruit League season, which starts with the home opener against the Yankees on Sunday, Feb. 26.

"We were preparing for 2,000 or 2,500 people, but I think we'll end up beating that," Valentine said, adding the lines on the lower concourse made the park look as full as it typically does before a first pitch.

As he stood with a group of friends near the DJ booth, where kids and adults danced under a steady stream from a bubble machine, Canadian native Tom Bonell said he was impressed with the event.

"I've been a Blue Jays fan all my life, but I've only been to Dunedin once before," Bonell said as he showed off a souvenir poster of Jays star Vlad Guerrero Jr. that he purchased for \$20. "This is awesome. It's a beautiful stadium and Dunedin is a very cool community. I love the area. It seems like a lot of fun."

INTRODUCTORY SECTION

April 4, 2023

Honorable Mayor, Members of the City Commission
and Citizens of the City of Dunedin, Florida

Mayor, Commissioners, and Citizens:

We hereby issue the Annual Comprehensive Financial Report (ACFR) of the City of Dunedin, Florida (the “City”) for the fiscal year ended September 30, 2022. This report fulfills the requirements set forth in Florida Statutes Chapter 218.39 and Rules of the Auditor General of the State of Florida, Chapter 10.550. This report presents a complete set of financial statements presented in conformity with Generally Accepted Accounting Principles (GAAP), and audited in accordance with Generally Accepted Auditing Standards by a firm of licensed certified public accountants.

The report consists of management’s representations concerning the finances of the City. Management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations, the City’s management team has established a comprehensive internal control framework designed to both protect the government’s assets from loss, theft, or misuse and to compile sufficient reliable information for the presentation of the City’s financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the City’s comprehensive framework of internal controls has been designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The City’s financial statements have been audited in accordance with Generally Accepted Auditing Standards by MSL, P.A. The goal of the independent audit was to provide reasonable assurance that the financial statements of the City for fiscal year ended September 30, 2022 are free of material misstatement. The audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditors concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion on the City of Dunedin’s financial statements for the year ended September 30, 2022. The independent auditor’s report is located at the front of the financial section of this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management’s Discussion and Analysis (MD&A). This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it. The City’s MD&A can be found immediately following the report of the independent auditors.

Profile of the Government

The City, incorporated in June 1899, is located in the western part of the state, bordering the north side of Clearwater, Florida. The City currently occupies a land area of 10 square miles and serves a population of approximately 36,817. The City is empowered to levy a property tax on both real and personal properties located within its boundaries. It also is empowered by State statute to extend its corporate limits by annexation, which occurs periodically when deemed appropriate by the governing council.

The City operates under the Commission-Manager form of government. Policy-making and legislative authority are vested in a governing body consisting of the Mayor and four Commissioners. The City Commission is responsible for, among other things, passing ordinances, adopting the budget, appointing committees, and hiring the City Manager, City Clerk, City Attorney and the independent auditor. The City Manager is responsible for carrying out the policies and ordinances of the City Commission, overseeing the day-to-day operations of the government, and appointing the heads of the various departments. The City Commission is elected on a non-partisan basis. Commission members, to include the Mayor, serve four-year staggered terms. The Mayor and the City Commission members are elected at large.

The City provides a full range of services, including fire protection and contracted law enforcement; the construction and maintenance of highways, streets, and other infrastructure; library; parks and recreation; marina; golf course, spring training facilities (for the Toronto Blue Jays); water and sewer; reclaimed water; and solid waste. The City also has a Community Redevelopment Agency which is reported within the City's financial statements. Although a legally separate entity, because of their close relationship with the City, the CRA is reported as though they are part of the City (i.e. a blended presentation). Information on this entity can be found under the Reporting Entity section of the Notes to the Financial Statements, on page 57.

The City Commission is required to hold two (2) public hearings on the proposed budget and to adopt a final budget by no later than September 30, the close of the City's fiscal year. The annual budget serves as the foundation for the City's financial planning and control. The appropriated budget is prepared by fund, function (e.g., public safety), and department (e.g., fire). All of the City's governmental funds are annually appropriated. Department Heads may make transfers of appropriations within a department and fund. Transfers of appropriations between funds, however, require the approval of the City Commission. Budget-to-Actual comparisons are provided in this report for each individual governmental fund for which an appropriated annual budget has been adopted. For the general, stadium, penny and ARPA funds, these comparisons are presented on pages 41 - 44 as part of the basic financial statements. For other governmental funds with appropriated annual budgets, the comparisons are presented on pages 134 - 138.

Local Economy

Dunedin is a city located to the north and west of Tampa, Florida and directly to the north of Clearwater, Florida. The city mainly consists of residential land use (56 percent), with industrial and commercial land uses comprising only 6 percent of the City's land area. The economy of Dunedin is primarily dependent upon tourism, services and retirement living. Major employers include the Pinellas County School System, Mease Dunedin Hospital (a medical complex), Publix Supermarkets, the City of Dunedin, Bay Care Home Care, and Coca-Cola North America. The service industry (banking, retailing, personal services, etc.) has risen significantly to meet the demands of the area's population. Some local demographic data is presented below.

As of September 2022, the City's unemployment was at 2.3 percent and total population at 36,817. The median age was 56.7 years of age and median household income was \$53,534, based on the most recent census data. Approximately 35.8 percent of Dunedin's residents were of retirement age (65 and over) in 2022. The local economy is also influenced during the winter months by a seasonal population of approximately 4,000 people.

Dunedin attractions include: Caladesi Island and Honeymoon Island State Parks located on coastal waters on St. Joseph Sound located within Dunedin's city limits; the Pinellas County Trail; and the newly renovated Spring Training Facility for the Toronto Blue Jays, a major league baseball team. Dunedin has a very low vacancy rate for office and commercial buildings; comparatively few vacant or foreclosed homes; and many events and activities in the City that keep it vibrant and fun year-round. Dunedin remains a choice area in which to reside.

The City has experienced nine consecutive years of increases in taxable property values. In the two most recent years, total taxable assessed value increased year over year by 8.3% and 8.4% in FY 2021 (2020 taxable value) and FY 2022 (2021 taxable value), respectively. Ad valorem taxes collected also increased year over year by \$1.0 million or 8.0% in fiscal year 2021; and \$1.1 million or 8.7% in fiscal year 2022. The increase in property tax revenue is due to higher property values. Property taxes were 34.3% of the general fund revenues in fiscal year 2022.

The general fund's main revenue sources include property tax, utility taxes, state revenue sharing and half cent sales taxes. In fiscal year 2022 utility taxes represent 14.1% of the general fund's revenue. Utility taxes have been relatively consistent over the past several years. State revenue sharing and half cent sales taxes combined increased by \$0.6 million in FY 2022, and together make up 13.2% of general fund revenue. Infrastructure sales tax revenues in the penny fund increased from \$4.6 million in fiscal year 2021 to \$5.3 million in fiscal year 2022, an increase of 16.0%. This revenue source represents approximately 11.2% of the Governmental Activities revenue. During fiscal year 2022, the City received \$18.3 million in grant funds from the United States Treasury Department pursuant to the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program, to support response to and recovery from the Covid-19 public health emergency. An amount of \$3.4 million was applied to eligible expenditures during the fiscal year, with the balance to be used towards future programs and initiatives.

As a result of its strong local economy, sound fiscal policies, strong management, and strong budget flexibility and liquidity the City of Dunedin's S&P Global Rating remains at AA+.

Long-term Financial Planning and Major Initiatives

The City prepares an annual Business Plan which includes initiatives and a six-year Capital Improvements Program (CIP) that includes a long range financial plan (LRFP) for all Funds. The City Manager proposes the Business Plan to the City Commission annually and the City Commission approves the final Business Plan during the annual budget process. The Business Plan is an integral part of the City's planning and budget development process, but does not appropriate funds. The Business Plan provides information to assess the City's long term financial condition in comparison to the short term focus of the annual operating budget and ACFR. Projections are updated and the first year's initiatives and capital projects are incorporated into the next operating budget. The LRFP projects the City's major revenues, operating expenditures, fund balance and capital projects over a rolling six year period.

The City's responsible fiscal policies have placed the City in a stronger financial condition which is illustrated by the general fund's unassigned fund balance. At year end, that balance was \$9.0 million or 65.8% of fund balance, and 24.9% of the fiscal year 2022 adopted general fund operating budget. The goal for unassigned fund balance at year end is 15.0% of the current year's adopted operating expenditure budget.

Acknowledgements

Preparation of the ACFR and completion of the audit was made possible by the dedicated efforts of staff of the Finance Department. The City's Auditors, MSL, P.A. are commended for their professionalism in conducting the audit. MSL's expertise added credibility to contents found within this ACFR. Last, but certainly

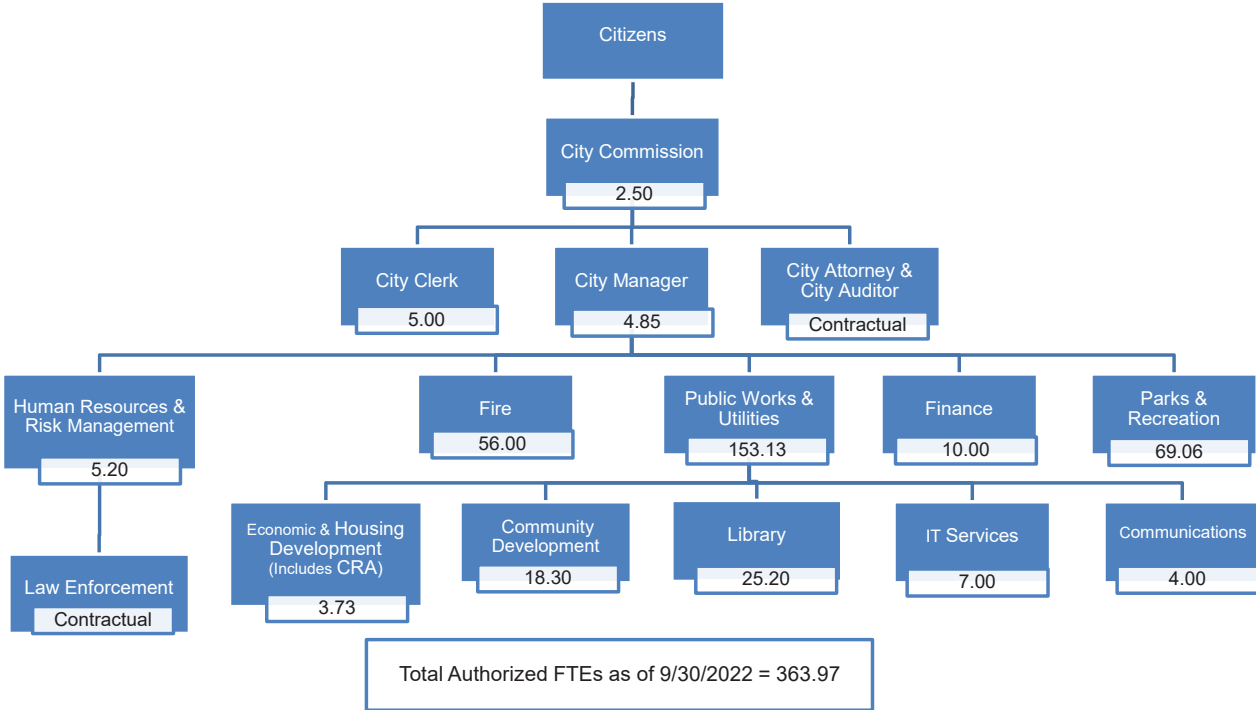

not least, we would also like to express our appreciation to the Mayor and the City Commission for their support. With their continued leadership, the City can look forward to a secure financial future.

Respectfully submitted,

Jennifer Bramley
City Manager

City of Dunedin, Florida
Certificate of Achievement

For the year ended September 30, 2021

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Dunedin, Florida, for its annual comprehensive financial report for the fiscal year ended September 30, 2021.

In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe our current annual comprehensive financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

FINANCIAL SECTION

INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Dunedin, Florida (the City) as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, as listed in the table of contents.

In our opinion, based on our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City, as of September 30, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund and each major special revenue fund thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of the City's Municipal Firefighters' Pension Trust Fund which represents 100% of the assets and net position of the fiduciary fund. Those financial statements were audited by other auditors, whose report thereon has been furnished to us and our opinion, insofar as it relates to the amounts included for the aforementioned fiduciary fund, is based solely on the report of the other auditors.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

INDEPENDENT AUDITOR'S REPORT *(Continued)*

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis-of-Matter

As discussed in Note 1.F to the financial statements, in the fiscal year ended September 30, 2022, the City adopted the provisions of Government Accounting Standards Board Statement ("GASBS") Number 87, *Leases*. Our opinion is not modified with respect to this matter.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and Required Supplementary Information (other than MD&A), as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

INDEPENDENT AUDITOR'S REPORT
(Concluded)

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements as a whole. The combining and individual fund statements and schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund statements and schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and the statistical sections, as listed in the table of contents, but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 4, 2023, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

As management of the City of Dunedin, Florida (the "City"), we offer readers of the City's financial statements this narrative overview and analysis of the City's financial activities for the fiscal year ended September 30, 2022. We encourage readers to consider the information presented here in conjunction with the additional information furnished in our letter of transmittal, the basic financial statements, and the accompanying notes to the financial statements, which are included in this report.

Financial Highlights

- The City's net position (assets and deferred outflows over liabilities and deferred inflows) is \$247.9 million at the close of fiscal year 2022, an increase of \$9.4 million, or 4.0% over the net position at the prior fiscal year end. This change in net position consisted of an increase to governmental activities of \$7.2 million, and to business-type activities of \$2.2 million over prior fiscal year end.
 - Of this net position amount, \$175.5 million (70.8%) is net investment in capital assets and \$22.0 million (8.9%) is restricted. The remaining \$50.4 million (20.3%) represents unrestricted net position, which may be used to meet the City's ongoing obligations to citizens, creditors and other agencies.
 - General revenues total \$32.4 million or 40.8% of all revenues. Program-specific revenue in the form of charges for services, operating grants and contributions, and capital grants and contributions total \$47.0 million or 59.2% of all revenues.
- As of the close of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$34.1 million, a decrease of \$9.0 million (21.0%) in comparison with the prior year combined ending fund balances. Unassigned fund balance was \$9.0 million, and therefore available for spending at the City's discretion. The remainder is nonspendable, restricted, committed, or assigned for contracts, programs, or debt.
- At the end of the current fiscal year, unrestricted fund balance (the total of the *committed*, *assigned*, and *unassigned* components of *fund balance*) for the general fund was \$11.7 million, or approximately 34.8% of total general fund expenditures including transfers out.
- The City's total outstanding debt obligations increased by \$1.1 million during the current fiscal year. Governmental activities debt increased by a net \$1.4 million primarily as a result of new debt being issued in the amount of \$4.1 million to fund the purchase of real property to be used as a public parking lot. Reduction in debt outstanding of \$2.7 million was the result of scheduled debt service payments on outstanding obligations. Debt obligations for business-type activities decreased by \$0.3 million, primarily attributable to payment of scheduled debt service on outstanding bonds, notes and financed lease purchases (\$1.8 million), offset by increases to the funding provided under the State Revolving Fund loan program towards the construction and refurbishment of the Water Treatment Plant (\$1.5 million). These changes are illustrated in the "Outstanding Debt" table and in the notes to the financial statements (see Note 4.B., Long-Term Obligations).
- As a result of implementing GASB Statement No. 87 (Leases) during fiscal year 2022, a liability for leases payable was recognized in the amount of \$2.7 million at September 30, 2022.

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

Overview of the Financial Statements

This discussion and analysis serves as an introduction to the City's basic financial statements. The City's statements consist of three components: government-wide financial statements, fund financial statements, and notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The *government-wide financial statements* are designed to provide readers with a broad overview of the City's finances in a manner similar to a private sector business.

The *statement of net position* presents information on all of the City's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *statement of activities* presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported for some items that will only result in cash flows during future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, transportation, economic environment, and culture and recreation. The business-type activities of the City include solid waste, water/sewer utility, stormwater utility, and marina operations.

The government-wide financial statements include not only the City of Dunedin itself, but also the Community Redevelopment Agency (CRA). Although the CRA is legally separate, it is financially accountable to the City. The City Commission serves as the governing body for the CRA.

The government-wide financial statements can be found on pages 31 - 33 of this report.

Fund financial statements. A *fund* is a grouping of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds. *Governmental funds* are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The City maintains nine individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for the General Fund, the Community Redevelopment Agency Fund, the Penny Fund, and the American Rescue Plan Act Fund, all of which are considered major funds. Data from the other five governmental funds are combined into a single, aggregated presentation. The nonmajor government funds are the Public Art Fund, Impact Fee Fund, Building Fund, County Gas Tax Fund, and Stadium Fund. Individual fund data for each of these non-major governmental funds is provided in the combining and individual fund statements and schedules section of this report.

The City adopts an annual appropriated budget for its governmental funds and prepares budgetary comparison statements to demonstrate compliance.

The basic governmental fund financial statements can be found on pages 34 - 44 of this report.

Proprietary funds. The City maintains two different types of proprietary funds. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The City uses enterprise funds to account for its solid waste, water and wastewater utility, stormwater utility, and marina operations. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City uses internal service funds to account for vehicle maintenance, building maintenance, self-insurance functions, and information technology services. All four services have been allocated between governmental and business-type activities based on contribution rates within the government-wide financial statements.

Proprietary fund statements provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information on each enterprise activity, all of which are considered to be major funds of the City. Conversely, the four internal service funds are combined into a single, aggregated presentation in the proprietary fund financial statements. Individual fund data for the internal service funds are provided in the form of combining statements in the combining and individual fund statements and schedules section of this report.

The basic proprietary fund financial statements can be found on pages 46 - 52 of this report.

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are *not* reported in the government-wide financial statements because the resources of those funds are *not* available to support the City's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds. The fiduciary fund financial statements can be found on pages 54 - 55 of this report.

Notes to the financial statements. The notes provide additional information essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements are found on pages 57 - 113 of this report.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the City's progress in funding its obligation to provide pension and other postemployment benefits (OPEB) to its employees. Required supplementary information regarding pension and OPEB funding can be found on pages 116 - 123 of this report.

The combining statements referred to earlier in connection with nonmajor governmental funds and internal service funds are presented immediately following the required supplementary information on pensions and OPEB. Combining statements and other supplementary information schedules can be found on pages 125 - 141 of this report.

Government-wide Financial Analysis

As noted earlier, net position, over time may serve as a useful indicator of a government's financial health. In the case of the City of Dunedin, assets and deferred outflows of \$403.2 million exceeded liabilities and deferred inflows of \$155.3 million by \$247.9 million as of September 30, 2022.

As illustrated in the table on the next page, the largest portion of the City's net position (70.8%) reflects its net investment in capital and right to use leased assets (i.e., land, buildings, infrastructure, improvements other than buildings, and machinery and equipment). The City uses these assets to provide a variety of services to its residents. Accordingly, these assets are not available for future spending. Although the City's investment in capital and right to use leased assets is reported net of related debt, it should be noted that the resources used to repay this debt must be provided from other sources, since the assets themselves cannot be used to liquidate these liabilities.

The restricted portion of the City's net position represents resources that are subject to external restrictions on how they may be used, e.g., for debt and capital improvements. Restricted net position increased \$4.9 million during the year, from \$17.1 million to \$22.0 million.

The remaining balance represents the City's unrestricted net position. As of September 30, 2022, the City's unrestricted net position was \$50.4 million, an increase of \$7.0 million from the prior fiscal year-end. The unrestricted portion of net position is used to meet the City's ongoing obligations to citizens and creditors.

Governmental activities. The manner in which the City's net position changed during the most recent fiscal year is reflected in the statement of activities, a summary of which is shown in the table on the next page. This statement divides the activities between governmental activities and business-type activities. Governmental activities increased the City's net position by \$7.0 million before transfers. Key elements of this change are as follows:

- Revenues were down in fiscal year 2022 by \$ 4.8 million, or 9.3%, totaling \$47.5 million compared to the prior year's total of \$52.3 million. Capital grants and contributions decreased by \$10.7 million, primarily due to \$6.0 million less funding received from the Toronto Blue Jays Club in FY 2022 compared to FY 2021 towards the construction of the spring training facility. Additionally, \$4.5 million in privately-donated funds were received during FY 2021 towards the purchase of environmentally sensitive land, which was a non-recurring transaction. An investment loss of \$0.3 million was recognized as a result of fair value of securities held in the City's investment pool declining at September 30, 2022 compared to market.
- Partially offsetting these decreases, property tax revenue increased \$1.1 million, or 8.7% from fiscal year 2021 as a result of increased property values. Operating grant revenue increased from \$1.1 million to \$4.5 million between FY 2021 and FY 2022, or \$3.4 million as a result of the receipt and use of funding under the Coronavirus State and Local Fiscal Recovery (SLFRF) program in response to the Covid-19 public health emergency. Intergovernmental revenue was up by \$1.4 million in FY 2022

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

compared to the prior fiscal year, with increases in revenues recognized for infrastructure (penny) taxes (\$0.7 million), half-cent sales taxes (\$0.3 million), franchise fees for electric and gas (\$0.2 million), and state revenue sharing (\$0.3 million).

- Total expenses incurred in FY 2022 amounted to \$40.4 million; up \$4.9 million, or 13.9% from the \$35.5 million in FY 2021. Most City programs saw increases in expenses during the current fiscal year, with the most significant increases occurring in general government (\$0.4 million), economic environment (\$0.4 million), and culture and recreation (\$3.9 million).
 - Expenses for general government activities increased primarily as a result of \$0.2 million in additional charges to the general fund, over and above the prior year allocation, for funding the self insurance internal service fund based on anticipated claims history and the annual actuarial valuation study. In addition, \$0.2 million was charged to the American Rescue Plan Act fund for expenditures eligible for funding from the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) grant program, which were initially received during fiscal year 2022.
 - Increases in expenses under the economic environment program were primarily a result of \$0.4 million in funds being provided to the Florida Department of Transportation during FY 2022 to perform all design and survey work activities relative to the Complete Streets Urban Corridor Improvement project (Skinner Boulevard).
 - Culture and recreation program expenses increased approximately \$3.9 million between the two fiscal years primarily as a result of a non-recurring full accrual accounting entry made in fiscal year 2021. During FY21 the City accepted donations from a private party to assist in funding the acquisition of environmentally sensitive lands, which required an accounting adjustment to credit capital outlay expenses during the year; an entry that would have been non-recurring during current fiscal year 2022.

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

As the bar chart above illustrates, governmental activities typically do not pay for themselves. For example, public safety expenses exceed program revenues by \$6.4 million and culture and recreation expenses exceed program revenues by \$10.3 million.

The pie chart on the next page shows that overall, 31.5% of offsetting revenues for governmental activity expenses come from specific charges for services (17.4%) and grants (14.1%). The remaining 68.5% of revenue supporting governmental activities comes from property taxes (29.7%), utility service taxes (10.9%), infrastructure surtax (11.2%), and other taxes, fees and revenue sharing (16.7%).

**CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022**

Business-type activities. Business-type activities increased the City’s net position in FY 2022 by \$2.4 million before transfers. Key elements of this increase are as follows:

- Charges for services revenues recognized in fiscal year 2022 for business-type activities increased by \$2.0 million, or 6.7% from prior fiscal year 2021.
 - Solid Waste utility charges for services revenue increased from \$6.1 million to \$6.3 million, or 3.4% between FY 2021 and FY 2022. Effective October 1, 2021, solid waste rates for residential and non-residential customers increased by 2.0% over the prior year’s rate, which accounts for the majority of the dollar increase in revenue.
 - Water and Sewer utility charges for services revenue was up \$1.5 million or 8.0%, from \$18.9 million to \$20.4 million, in line with the 6.0% average rate increase which went into effect October 1, 2021 for water/sewer unit charges and use fees.
 - Stormwater charges for services rose to \$4.2 million in fiscal year 2022, an increase of \$0.2 million, or 6.1% over the \$4.0 million realized in prior fiscal year 2021. Per City ordinance, stormwater utility rates increased from the prior year by 1.5% effective October 1, 2021, accounting for a portion of the additional charges for services revenue in FY 2022. In addition, as a result of the timing of billing cycles between the two years, approximately eight (8) additional days of charges (revenue) were accrued to fiscal year 2022 in comparison to the prior fiscal year, accounting for the majority of the remaining increase in stormwater charges for services revenue from FY 2021 to FY 2022.

CITY OF DUNEDIN, FLORIDA
MANAGEMENT’S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

- Total expenses, excluding transfers-out for business-type activities decreased by \$1.0 million in fiscal year 2022, or 3.3% from the prior fiscal year 2021. Expenses between the two fiscal years for the solid waste and water/sewer utilities were relatively stable, as were expenses for the marina enterprise fund. The stormwater utility fund, however, saw a reduction in expenses from \$4.8 million to \$3.9 million, a decrease of \$0.9 million, or 18.8% between the two fiscal years. The primary contributing factor to the significant reduction in expense was \$0.8 million in costs incurred during fiscal year 2021 towards the upgrade of the storm drain system, a non-recurring expense in fiscal year 2022.

Unlike governmental activities, business-type activities are typically able to pay for themselves through specific user charges and other revenue sources. The bar chart below illustrates this case for the City’s solid waste, water/sewer utility, stormwater utility, and marina funds, each of which generated revenues sufficient to cover operational expenses during current fiscal year 2022.

	Solid Waste	Water/Sewer Utility	Stormwater Utility	Marina
Program Revenues	\$ 6,443,276	\$ 20,788,093	\$ 4,236,395	\$ 592,104
Expenses	5,863,406	18,893,008	4,234,272	529,405

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

Fund Level Financial Analysis

Governmental funds. As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The general fund, stadium fund, penny sales tax fund, ARPA fund, and a variety of special revenue funds are recorded in the *governmental funds*. The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$34.1 million, a decrease of \$9.0 million in comparison with the prior fiscal year. Approximately 26.5% of this amount (\$9.0 million) constitutes unassigned fund balance, which is available for spending. The remainder of the fund balance is either *nonspendable, restricted, committed, or assigned*, to indicate that it is: not in spendable form (\$1.6 million), legally restricted for specific purposes by entities outside the City's control (\$20.8 million), committed for particular purposes (\$1.1 million), or assigned for particular purposes (\$1.6 million). For additional information, see Note 6 – Fund Balance Reporting.

As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Unassigned fund balance represents approximately 27.1% of total general fund expenditures for the current fiscal year, while total fund balance represents 102.4% of that same amount.

The total fund balance of the City's general fund increased by \$4.3 million (45.8%) during fiscal year 2022. The most significant factors contributing to the increase include the following:

- Revenues from property taxes increased by \$1.0 million, or 8.2% during FY 2022 compared to the prior year, primarily as a result of higher taxable assessed property values. The Pinellas County Property Appraiser estimated an increase of 8.4% in assessed taxable property values within the City of Dunedin during the year generally as a result of economic upturns and increased real estate market values.
- Intergovernmental revenue of \$7.7 million was realized during FY 2022, an increase of \$2.2 million over the \$5.5 million received in prior FY 2021. Primary contributors to this increase include \$1.6 million in additional grant funds received during FY 2022 to reimburse Covid-related expenditures, and an increase in proceeds from the local government half-cent sales tax and State revenue-sharing of \$0.3 million each as a result of continued economic improvements and upturns after the initial impacts from the Covid-19 pandemic.
- Charges for services revenue was up by \$0.9 million, from \$6.0 million in FY 2021 to \$6.9 million in FY 2022 primarily due to additional fees generated from recreational activities. The City recognized increased revenue of \$0.7 million in FY 2022 in the areas of summer and sports camps, facility rentals, swimming pool usage, fitness and gym memberships, and other leisure and recreational activities and events sponsored by the City which continued to be limited in availability during prior fiscal year 2021 as a result of the Covid-19 pandemic.

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

- Revenue from contributions and donations saw an increase of \$0.4 million in FY 2022 compared to prior FY 2021, primarily as the result of significant cash donations and endowments made during the current fiscal year by private individuals towards the betterment of the City's public library.
- Partially offsetting the above-described revenue increases during FY 2022, revenues from fines was \$0.5 million less in the current fiscal year compared to prior fiscal year 2021. During FY 2021, the City took temporary ownership of certain real property as a result of an unsatisfied code enforcement action. The property was later sold at auction during FY 2021, with the net proceeds of \$0.4 million being recognized as fine revenue. This type of revenue is non-recurring in nature.
- Expenditures related to the general government program increased by \$0.2 million in FY 2022 compared to prior FY 2021, from \$5.3 million to \$5.5 million, primarily due to a \$0.2 million increase in internal charges from the self-insurance internal service fund to the general fund to cover increased premiums for general liability risk coverage on existing City facilities and new assets and resources coming online in fiscal year 2022, as well as for anticipated worker's compensation claims based on the most recent actuarial valuation.
- Public safety program expenditures increased \$0.7 million in fiscal year 2022 compared to the prior year. The most significant factor contributing to the increase was labor costs of the City's fire and emergency medical operations, which increased approximately 5.5% as a result of scheduled wage rate adjustments, increased staffing, and rising costs of employee benefits provided.
- Expenditures for the remaining programs of physical environment, transportation, and culture and recreation were relatively stable from FY 2021 to FY 2022, with variances between the years of less than 2.0%.

The total fund balance of the community redevelopment agency fund increased \$31,629 (2.4%) during fiscal year 2022. Significant factors contributing to the change in fund balance include the following:

- Proceeds from the issuance on revenue bonds were recorded during FY 2022 in the amount of \$4.1 million for the purchase of land to be used for public parking. This issuance of debt would be considered as a non-recurring revenue source.
- Property tax revenue increased by \$0.2 million from FY 2021 to FY 2022 as a result of increased taxable assessed values of real property within the City.
- Partially offsetting the above-noted fund balance increases, an amount of \$0.4 million in expenditure was incurred during FY22 as a result of providing funds to the State of Florida, Department of Transportation, for design and survey services towards the Skinner Boulevard Complete Streets Urban Corridor Improvement Project.
- A non-recurring capital outlay expenditure of \$4.0 million was recorded during fiscal year 2022 as a result of the acquisition of real property (land) for use as public parking lot.
- Debt service expenditure incurred during FY 2022 on the above noted \$4.2 million borrowing amounted to \$0.3 million.

The penny sales tax fund has a total fund balance of \$10.2 million, all of which is restricted for a specific purpose. The net decrease in fund balance during the current year was \$14.1 million. Primary contributors to the fund balance change include the following:

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

- During FY 2021 the City received revenue in the form of contributions totaling \$4.5 million from private donors towards the purchase of environmentally sensitive lands referred to as the Gladys Douglas Preserve. The total acquisition price of the land was \$10.0 million, with funding provided by the City, Pinellas County, and the \$4.5 million from the not-for-profit. This revenue was non-recurring during FY 2022.
- Surplus property was sold during the prior fiscal year to a real estate developer as part of the City's initiative to revitalize the downtown corridor and stimulate economic development, with the City recognizing \$1.7 million in sales proceeds during FY 2021. This revenue was non-recurring during FY 2022.
- In FY 2021 the City authorized the issuance of debt, and subsequently received proceeds totaling \$20.7 million to be used towards funding capital costs associated with the construction of a new City Hall building. This revenue was non-recurring during FY 2022.
- Partially offsetting the above-noted revenue reductions between the prior and current fiscal years, during FY 2022 the City received an additional \$0.6 million in infrastructure (penny) surtaxes as a result of economic upturns during the year.
- Capital outlay expenditures incurred towards the construction of the City Hall building rose from \$3.3 million in FY 2021 to \$15.0 million in FY 2022, an increase of \$11.7 million. The construction phase of the project began approximately midway through prior fiscal year 2021. Compared to an approximate half-year of capital construction costs recognized during FY 2021, a full year of expenditures were incurred during FY 2022.
- As mentioned above, the City acquired environmentally sensitive land during FY 2021, with the City contributing \$2.0 million, private donors \$4.5 million, and Pinellas County the balance. The \$6.5 million provided by the City and private donors combined was recognized as a non-recurring capital outlay expenditure during FY 2021.

The American rescue plan act fund was established during fiscal year 2022, and has no fund balance as of September 30, 2022. During FY 2022 the City recognized the receipt of \$16.3 million in funds from the United States Treasury pursuant to the Coronavirus State and Local Fiscal Recovery program, which awarded state and local governments relief funding for economic impacts associated with the Covid-19 virus. During the year \$1.3 million in funds were applied to grant-eligible expenditures, with the balance of \$15.0 million recognized as unearned revenue.

As noted earlier the City maintains nine individual governmental funds. The four funds discussed above are all considered major funds. The other five governmental funds (public art, impact fee, building, county gas tax, and community redevelopment agency) are considered nonmajor funds and are summarized in aggregate below.

- The nonmajor funds have a total fund balance of \$5.4 million. The combined fund balances decreased by \$0.1 million during FY 2022, with the most significant increase and decrease attributable to the building fund (\$0.1 million) and impact fee fund (\$0.2 million), respectively. The remaining three nonmajor funds each realized insignificant changes in fund balance between FY 2021 and FY 2022, totaling less than \$0.1 million in the aggregate.
- Building fund fee revenue of \$1.3 million exceeded expenditures of \$1.2 million by \$0.1 million, resulting in a net increase in fund balance of \$0.1 million at the end of fiscal year 2022. In

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

comparison to the prior year, FY 2022 fee revenue was \$0.2 million less, and operational expenditures \$0.1 million higher.

- Within the impact fee fund, fee revenue applicable to the City's parks and community development programs (parkland impact fees) increased from \$0.1 million to \$0.2 million between FY 2021 and FY 2022 as a result of increased, or more impactful economic development activity during the year. Capital outlay expenditures of \$0.5 million were incurred in FY 2022 towards the acquisition of lands to be used for parks and recreation, pursuant to the underlying City ordinance. By comparison, \$0.1 million in capital outlay was expended in prior fiscal year 2021.

Proprietary funds. The City's proprietary funds report the same type of information found in the government-wide financial statements, but in more detail.

- In the solid waste fund, net position increased \$0.3 million in comparison to the prior fiscal year end, from \$2.2 million to \$2.5 million. Charges for services revenue increased marginally by \$0.2 million, or 3.4% during FY 2022 compared to prior FY 2021, in line with the authorized rate increase of 2.0% which went into effect at the start of the fiscal year. Expenses for personal services (wages and benefits) of solid waste operations staff increased by \$0.1 million during FY 2022 compared to prior FY 2021, primarily as a result of scheduled wage increases and rising costs of City-supplied employee benefits.
- In the water/sewer utility fund, net position increased by \$1.3 million (3.6%) during fiscal year 2022. Water/sewer operating revenues increased \$1.5 million (7.8%) during 2022, in line with the 6.0% average increase in water and sewer unit charges and usage fee rates which went into effect October 1, 2021. Operating expenses increased year-over-year by \$1.1 million (6.1%), from \$17.7 million to \$18.8 million primarily as a result of increased maintenance and repair costs of water/sewer facilities (\$0.5 million). This increase in operational expenses was partially offset by a FY 2022 reduction in interest fee expense related to a loan from the State to fund the refurbishment of the wastewater treatment plant due to less funding provided by the State towards project costs during FY 2022 compared to the prior fiscal year.
- In the stormwater utility fund, FY 2022 ending net position increased by \$0.2 million (1.5%) from fiscal year 2021. Current year revenues totaling \$4.2 million are \$0.2 million, or 6.0% higher than the \$4.0 million recorded in FY 2021. City ordinance provided for a stormwater rate increase of 1.5% effective at the beginning of FY2022, accounting for a portion of the revenue increase. The balance of the revenue increase primarily results from the accrual of unbilled utility revenue. At fiscal year end, stormwater utility revenue that has been earned as a result of services provided prior to September 30, but which has not yet been billed to the customers, is accrued (recorded) as FY 2022 revenue. The City's utility customers are billed according to multiple cycles which cover a 30 to 31-day period, but which don't necessarily coincide with the first or last day of any given month. The timing of the cycles at the end of FY 2022 in comparison to the end of prior fiscal year 2021 resulted in approximately \$0.1 million in additional 'charges for services' revenue being accrued, and recorded as current year revenue. Total operating expenses were \$0.8 million (16.7%) lower than prior fiscal year 2021. Repair and maintenance costs of \$0.9 million incurred in FY 2021 were unusually high, primarily due to stormwater system needs. Repair and maintenance incurred during FY 2022 amounted to \$0.1 million, for a reduction of \$0.8 million in costs between FY 2021 and FY 2022.

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

- In the marina fund, net position at the end of FY 2022 increased \$34,630, or 1.2% from fiscal year 2021. Operating revenue earned during fiscal year 2022 was comparable to that earned in prior fiscal year 2021. Operating expense categories of personal services, supplies and services, and depreciation each saw nominal increases from FY 2021 to FY 2022, for a combined total increase of \$46,360, or 9.0%.

General Fund Budgetary Highlights

Original budget compared to final budget

Revenues. Budgeted revenues in the general fund increased \$2,039,100 through budget amendments. This change was primarily a result of appropriating \$2,020,000 in grant funds received from the United States Department of Treasury, through the Florida Division of Emergency Management to reimburse expenditures under the Coronavirus State and Local Fiscal Recovery program. The City utilized these monies to fund a portion of the contractual cost of retaining law enforcement services from the Pinellas County Sheriff's Office. The remaining \$19,100 in increased revenue appropriations were related to, and essential as a result of the City implementing GASB Statement No. 87, Leases, during FY 2022.

Expenditures. Budgeted expenditure appropriations in the general fund increased \$2.5 million. Significant changes to expenditure appropriations included:

- Increase of \$0.8 million related to encumbered funds carried forward from FY 2021 to FY 2022 for purchase orders and contracts with committed obligations.
- Increase of \$0.4 million to cover unanticipated increases in labor overtime incurred by fire operations and emergency medical services personnel.
- Increase of \$1.2 million to accommodate accounting changes required of Governmental Accounting Standards Board Statement No. 87, Leases, which was implemented by the City during fiscal year 2022. Under the Statement, any leases of nonfinancial assets by the City meeting certain criteria require the initial recognition of a capital outlay expenditure equivalent to the net present value of future lease payments. The \$1.2 million accommodated capital outlay expenditures for the City's lease of a building, parking facilities, and copier equipment.

Final budget compared to actual results

Revenues. Actual general fund revenues were higher than budget by \$2.2 million or 6.5%. This variance was primarily attributable to the following:

- Actual intergovernmental revenue collected for half-cent sales tax proceeds and funds allocated to the City from the State under the revenue sharing program each exceeded budget by \$0.3 million (\$0.6 million combined) as a result of economic recoveries exceeding what was originally anticipated and forecast during the budget development process.
- Revenue realized in charges for services exceeded budget by \$0.7 million, primarily in the area of leisure and recreation. Fees collected for participation in athletic, leisure and social well-being programs offered by the City, as well as aquatics, youth and senior services, and special events undertaken or sponsored by the City collectively exceeded budget by \$0.6 million as a result of a robust sense of community participation in health, social, leisure, athletic and entertainment programs offered by the City.

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

Expenditures. Actual general fund expenditures were under budget by \$3.0 million or 8.2%. Significant variances in budget-to-actual expenditures were as follows:

- General government program expenditures were \$0.6 million under budget.
 - Professional fees for contractual legal services were \$0.2 million less than budget as a result of reduced needs for attorney services to preside over legal matters of the City.
 - Personnel services (labor) of the City's Finance Department were \$0.1 million lower than budget due to extended position vacancies.
 - Contractual and professional services expenditures incurred by the City's Planning and Economic Development Departments were under budget by \$0.3 million as a result of multiple projects being deferred due to redesigns or increased cost estimates. Along with operational expenditures, related capital outlay and aids & grants expenditures budgeted for FY 2022 were also delayed or deferred by these departments for similar reasons.
- Culture and recreation program expenditures were \$1.3 million less than amount budgeted.
 - Contingent or planned maintenance and repair services on parks and recreational facilities and equipment were budgeted at \$1.2 million, with actual expenditures amounting to \$0.4 million, or \$0.8 million less than budget.
- Capital outlay expenditures budget of \$2.1 million was \$0.8 million over actual expenditures of \$1.3 million.
 - \$0.4 million budgeted for the purchase of SCBA air pack replacements for fire operations was unspent as a result of other initiatives taking priority during the year. This equipment was acquired in early FY 2023.
 - \$0.2 million budgeted for enhancements to the Patricia Avenue corridor was unspent as a result of project delays. The project is scheduled to move forward in FY 2023.
 - \$0.1 million budgeted for replacement of playground equipment at the City Library went unexpended during fiscal year 2022 due to City leadership decisions to utilize alternate funding sources, including grants and public donations, for the project, which has been re-budgeted accordingly in FY 2023.

Capital Asset and Debt Administration

Capital assets. The City's investment in capital assets for its governmental and business-type activities as of September 30, 2022 amounts to \$285.9 million (net of accumulated depreciation / amortization). This investment in capital assets includes land, buildings, system improvements, machinery and equipment, park facilities, roads, highways, and bridges. The total net increase in capital assets for the current fiscal year was approximately \$17.0 million or 6.3%, consisting of an increase of \$18.0 million to governmental activities and a decrease of \$1.0 million to business-type activities.

Significant changes to governmental activities capital asset balances between FY 2021 and FY 2022 include the following:

- Land increased by \$4.5 million primarily as a result of the acquisition of real property (land) for \$4.0 million, which is to be used as a public parking lot.
- Buildings decreased by \$3.7 million, primarily consisting of \$1.3 million in additions for the renovation of a building for use by the Parks Department maintenance facility, and \$5.0 annual depreciation expense on existing City buildings.

CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022

- Construction in Progress increased by \$15.1 million pertaining to FY 2022 capital outlay expenditures incurred towards the City Hall construction project.
- Right to use leased assets increased by \$2.7 million due to the implementation of GASB Statement No. 87 during the fiscal year. The Statement provides for the recognition of the net present value of leased nonfinancial assets meeting certain qualifying criteria as capital assets during the term of the lease.

The decrease in business-type activities net capital assets balance is primarily a net result of the following:

- Annual depreciation expense, which amounted to \$5.9 million FY 2022, decreased the overall capital asset balance.
- Refurbishment and/or replacement of multiple wastewater lift stations during fiscal year 2022, accounted for in both the Improvements and Construction in Progress categories, resulted in approximately \$2.0 million in capital outlay expenditures and related increases to the capital asset balance for business-type activities.
- Contractual design services for upgrades to the wastewater plant's electrical system and project costs associated with the sewer pipe lining program contributed to the net increase in the net capital assets by an amount of \$1.5 million.
- In the stormwater fund, FY 2022 capital expenses of \$0.6 million incurred towards drainage improvements at Cedarwood and Lyndhurst increased capital assets from FY 2021 to FY 2022.

City of Dunedin, FL Capital Assets (Net of Depreciation / Amortization)

**CITY OF DUNEDIN, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2022**

Outstanding debt obligations. At the end of the current fiscal year, the City had total borrowed debt outstanding of \$107.9 million. Of this amount, \$0.7 million is for financed purchases, and \$107.2 million of the City's debt represents notes and bonds secured by specific revenue sources (i.e., revenue bonds) and State Revolving Fund loans. The City's total outstanding debt increased by \$1.1 million during the current fiscal year. This net increase is the result of new debt incurred during FY 2022 to acquire real property (land) for public parking (\$4.1 million) and to construct a water treatment plant (\$1.3 million), less debt service payments (\$4.3 million) on existing debt during the fiscal year. Additional information on the City's long-term debt can be found on pages 81 - 91 in the notes to the financial statements (see Note 4.B.).

	City of Dunedin, FL Outstanding Debt

Economic Factors Impacting Next Year's Budget

The following factors were considered in preparing the City's budget for the 2023 fiscal year:

- The unemployment rate in Dunedin as of September 2022 was 2.3%, which is lower than the State of Florida's unemployment rate of 2.7% as of the same date.
- Dunedin's property tax rate will remain unchanged at 4.1345 mills.
- The City's taxable value is estimated to grow by 12.7%.
- The American Rescue Plan Act of 2021 (ARPA) established the Coronavirus State and Local Fiscal Recovery Funds for State and Local governments to assist in their response to the Covid-19 emergency and its economic impacts. The ARPA grant allocation for the City was \$18.3 million, received in FY 2022. City leadership has formulated strategies and plans on the most effective, critical, and essential needs and uses for these funds within the City and will continue to evaluate such needs and uses into fiscal year 2023 and beyond, as warranted.

Requests for Information

This financial report is designed to provide a general overview of the City's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Director of Finance, at 737 Loudon Avenue, Dunedin, Florida, 34698.

City of Dunedin, Florida
Reconciliation of the Balance Sheet of Governmental Funds
to the Statement of Net Position
September 30, 2022

Total fund balances - governmental funds		\$ 34,102,427
Amounts reported for governmental activities in the statement of net position are different because:		
Capital and right to use leased assets used in governmental activities are not financial resources and, therefore, are not reported in the funds.		203,292,508
Other long-term assets are not available to pay for current period expenditures and therefore, are reported as deferred inflows / unavailable revenue in the funds.		333,394
Deferred outflows/inflows of resources reported in the statement of net position:		
Net deferred outflows - pensions and OPEB	\$ 2,791,480	
Net deferred inflows - pensions and OPEB	<u>(4,997,101)</u>	(2,205,621)
Internal service funds are used by management to charge the costs of fleet and facility management and insurance to individual funds. The assets and liabilities of the internal service funds are included in governmental activities in the statement of net position.		13,284,971
Long-term liabilities are not due and payable in the current period and, therefore, are not reported in the funds.		
Accrued interest payable	(910,251)	
Revenue bonds payable	(34,421,204)	
Leases payable	(2,633,154)	
Notes payable	(23,829,000)	
Compensated absences	(1,709,333)	
Firefighters' net pension asset	2,311,635	
FRS net pension liability	(964,236)	
FRS HIS net pension liability	(253,218)	
OPEB liability	<u>(1,003,481)</u>	<u>(63,412,242)</u>

City of Dunedin, Florida
Reconciliation of the Statement of Revenues,
Expenditures, and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the year ended September 30, 2022

Net change in fund balances - total governmental funds \$ (9,048,339)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation / amortization expense. The details of this difference are as follows:

Expenditures for capital and leased assets	26,540,641	
Less current year depreciation / amortization	(7,517,713)	
Net book value of disposed assets	<u>(45,629)</u>	18,977,299

Other long-term assets are not available to pay for current period expenditures and therefore, are reported as deferred inflows / unavailable revenue in the funds. (14,663)

Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.

Debt Issuance	(4,114,000)	
Lease financing	(2,901,024)	
Principal payments	2,888,867	
Premium amortization	<u>102,482</u>	(4,023,675)

The net effect of pension contribution expense is to decrease net position. 824,120

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in the governmental funds.

Change in compensated absences / OPEB liability	(96,841)	
Change in accrued interest expense	<u>(78,183)</u>	(175,024)

Internal service funds are used by management to charge the costs of vehicle maintenance, facility maintenance, and self insurance to individual funds. The net income (loss) of the internal service funds is reported with governmental activities. 642,619

Change in net position of governmental activities \$ 7,182,337

Fiduciary Funds

Fiduciary Funds are used to account for resources that are managed in a trustee capacity or as an agent for other parties or funds.

Pension Trust

To account for the accumulation of resources to be used for the retirement annuities of all firefighters. The City contributes an amount determined by an annual actuarial study.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the City have been prepared in accordance with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the standard-setting body for governmental accounting and financial reporting. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes GAAP for governmental units. The more significant of these accounting policies are described below.

A. REPORTING ENTITY

The City of Dunedin, Florida (the "City"), which was founded on June 1, 1899, and incorporated under Chapter 4877, Acts of 1899 of the State of Florida, has a population of approximately 36,817 (which includes seasonal residents) living within an area approximating 10 square miles. The City is contiguous to the northern side of Clearwater, Florida. The City operates under a Charter originally adopted January 6, 1926, and a Commission-Manager form of government. The most recent revision to the City's Charter was on July 27, 2017. The City is a Florida municipal corporation with a five member City Commission comprised of the Mayor (elected at large) and four commissioners. The City's primary operations include providing emergency services, transportation, economic development, social and human services, culture and recreation, as well as water, sewer and solid waste services.

In evaluating the City as a reporting entity, management has addressed all potential component units (traditionally separate reporting entities) for which the City may or may not be financially accountable and, as such, may be included within the City's Financial Statements. In accordance with GASB Statement No. 14, the City (i.e. the primary government) is financially accountable if it appoints a majority of the potential component unit's governing board, and (1) it is able to impose its will on the organization, or (2) there is a potential for the potential component unit to provide specific financial benefit to or impose specific financial burden on the City. Further, GASB Statement No. 61 amended Statement No. 14, providing that in order to report a component unit's financial activities as if they were essentially part of the primary government, then (1) the two entities must have a financial benefit or burden relationship, or (2) management of the primary government must have operational responsibility for the activities of the component unit. Additionally, the primary government is required to consider other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Based on the foregoing criteria, the Community Redevelopment Agency (CRA) has been included in the City's financial statements in a blended presentation. The City Commission serves as the CRA Board and has operational responsibility for the CRA. The financial activity of the CRA is presented in this report as a nonmajor governmental special revenue fund of the primary government.

B. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Individual fund financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. All other funds (nonmajor) are combined according to their category, governmental or internal service, and are reported in a single column. Combining statements for nonmajor funds are found beginning on page 130 of this report.

C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND FINANCIAL STATEMENT PRESENTATION

The basis of accounting refers to when revenues, expenditures/expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments are recorded when payment is due.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Property taxes, franchise taxes, intergovernmental revenues, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the City.

The City reports the following major governmental funds:

- The *General Fund* is the City's primary operating fund. It accounts for all financial sources of the general government, except those required to be accounted for in another fund.
- The *Community Redevelopment Agency (CRA) Fund* is a special revenue fund to account for the receipt, custody and expenditure of property tax increment funds associated with related redevelopment projects.
- The *Penny Fund* is a special revenue fund to account for the costs of public safety equipment, vehicles, and infrastructure having a life expectancy of five (5) or more years, and is funded by proceeds from the one-cent sales surtax approved by Pinellas County, Florida voters.
- The *American Rescue Plan Act Fund* is a special revenue fund to account for the receipt and disbursement of revenues received under the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program to support response to and recovery from the Covid-19 public health emergency.

The City reports the following major proprietary funds:

- The *Solid Waste Fund* is an enterprise fund to account for the provision of solid waste services to the residents of the City and some County residents. All activities necessary to the provisions of this service are accounted for in this fund.
- The *Water/Sewer Utility Fund* is an enterprise fund to account for the provision of water and sewer services to residents of the City, and some County residents. All activities necessary for the provision of these services are accounted for in this fund.
- The *Stormwater Utility Fund* is an enterprise fund to account for the provision of services for the collection, storage, treatment and conveyance of stormwater for the benefit of all developed property within the City.
- The *Marina Fund* is an enterprise fund to account for the financing, operation and maintenance of the City marina and the associated real property.

Additionally, the City reports the following fund types:

- The *Internal Service Funds* account for building maintenance, vehicle maintenance, self-insurance (risk management for property and casualty and health), and information technology provided by one department to other departments of the City on a cost reimbursement basis.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

- The *Pension Trust Fund* is a fiduciary fund and accounts for the activities of the Firefighters' Retirement Plan, which accumulates resources for pension benefit payments to firefighters.

As a general rule the effect of the interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the City's water and sewer function and various other functions of the City. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as *program revenues* include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including restricted investment earnings. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the solid waste, water/sewer utility, stormwater utility, and marina enterprise funds and of the City's internal service funds are charges to customers for sales and services. Operating expenses for these funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition, such as water/sewer utility fund impact fees, are reported as non-operating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

D. ASSETS, LIABILITIES, DEFERRED OUTFLOWS/INFLOWS OF RESOURCES AND FUND BALANCE/NET POSITION

1. Cash, Cash Equivalents and Investments

The City considers cash on hand and demand deposits with an original maturity of 90 days or less to be cash and cash equivalents. In addition, each fund's equity in the City's investment pool has been treated as a cash equivalent since cash may be withdrawn from the pool at any time without prior notice or penalty.

State statutes and local law authorize the City to invest in direct obligations of the United States, Federally-supported agencies and instrumentalities, Florida government investment pools, commercial paper, repurchase agreements, debt of Florida political subdivisions, money market mutual funds, time deposits, savings accounts and bankers acceptances.

The City categorizes its fair value measurements within the fair value hierarchy established in accordance with GASB Statement No. 72, *Fair Value Measurement and Application*. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. Types and amounts of investments held at fiscal year-end are described in Note 4.A.

2. Receivables and Payables

Activity between funds that is representative of short-term lending/borrowing arrangements outstanding at the end of the fiscal year is referred to as "due to/from other funds". All other outstanding balances between funds not expected to be repaid within the availability period are reported as advances. Any residual balances outstanding between the governmental and business-type activities are reported in the government-wide statements as "internal balances."

Accounts receivable are recorded in the general, special revenue, enterprise, and internal service funds. Where appropriate, an associated allowance for doubtful accounts has been established.

Utility (water/sewer and stormwater), solid waste and marina operating revenues are generally recognized on the basis of monthly cycle billings. The City records utility revenue and receivables for services delivered during the current fiscal year which will be billed during the next fiscal year. Unbilled revenue for utility services as of September 30, 2022 amounts to \$2,443,979.

3. Leases Receivable

The City's leases receivable is measured at the present value of future lease payments expected to be received during the term of the leases. A deferred inflow of resources is also recorded for each lease at the initiation of the agreement, in an amount equal to the initial lease receivable. The deferred inflow of resources is amortized over the term of the leases in amounts and frequencies equal to the principal reduction on the outstanding lease values.

4. Inventories

All City inventories are maintained on a consumption basis of accounting where items are purchased for inventory and charged to the expenditure accounts as the items are consumed. Inventories held by the General Fund consist principally of general office, printing, traffic control and maintenance supplies. Inventories included in the Water/Sewer Utility Fund consist of parts held for repair and maintenance of the system. Inventories included in the Internal Service Funds consist of maintenance parts, tires, fuels and supplies. Inventories are stated at average or weighted average cost. Appropriate allowances have been recorded for obsolete and surplus items. Inventories are equally offset by a fund balance reserve categorized as nonspendable, which indicates that they do not constitute "available spendable resources" even though they are a component of current assets.

5. Prepaid Items

Payments made to vendors for services that will benefit subsequent fiscal years are recorded as prepaid items. The cost of these items are recorded as expenditures when consumed rather than when purchased. Prepaid items are equally offset by a fund balance reserve categorized as nonspendable, which indicates that they do not constitute "available spendable resources" even though they are a component of current assets.

6. Restricted Assets

A portion of assets are restricted due to constraints that are either 1) externally imposed by creditors (debt covenants), grantors, contributors, or laws or regulations of other governments or 2) imposed by law through constitutional provisions or enabling legislation. Cash and cash equivalents held as customer deposits and impact fee revenues are shown as restricted.

7. Capital Assets

Capital assets, which include property, plant, equipment and infrastructure, are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are recorded at acquisition value at the date of donation.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Capital assets of the primary government are depreciated using the straight-line method over the following estimated useful lives:

Assets	Years
Buildings	10-30
Building Improvements	7-50
Infrastructure	15-50
Improvements other than Buildings	7-50
Machinery and Equipment	5-30

8. Right to Use Leased Assets

Leased assets, which include computer hardware services, postage and copier equipment, real property for use as parking facilities, a parking garage, and building space, are recorded in the City's financial statements as a result of implementing Governmental Accounting Standards Board (GASB) Statement No. 87. These leased assets are initially measured at an amount equal to the related lease liability, and are amortized on a straight-line basis over the term of the related lease agreement.

9. Deferred Outflows of Resources

Deferred outflows of resources represent a consumption of net assets that applies to future periods and will not be recognized as an outflow of resources (expense/expenditure) until that future time.

10. Accumulated Unused Compensated Absences

The City records the "vested portion of accumulated unused compensated absences" at the end of each fiscal year, based on each employee's accumulated unused hours and rate of pay. The accumulated unused portion as of September 30 is treated as both a short-term and long-term liability.

It is the City's policy in its Proprietary Funds to reflect on an accrual basis the amounts of earned but unused vacation leave and that portion of earned but unused sick leave estimated to be payable upon retirement.

11. Long-term Obligations

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts, and any losses on the refunding of any bond issuances (gain or loss on defeasance), are amortized over the life of the bonds using the straight-line method, which approximates the effective interest method. Loss on defeasance is the difference between the reacquisition price of the refunded debt and the net carrying amount at the time of the refunding. Bonds payable are reported net of the applicable unamortized bond premium or discount or deferred loss on refunding.

12. Postemployment Health and Life Insurance Benefits

The City makes available healthcare insurance for eligible retirees through the City's group health insurance plan, which covers both active and retired members. Retirees pay the full cost of healthcare insurance, which is a single, blended premium rate that is used for both active employees and retired members. The City follows the provisions of GASB Statement No. 75, "Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions" by recognizing annual Other Postemployment Benefits (OPEB) expense and related obligations.

13. Unearned Revenue

Certain receipts are unearned because the money has been received, but not earned. These payments are received in advance of the services provided. The unearned revenue will be recognized as revenue in the fiscal year it is deemed earned or in the year that it becomes available.

14. Deferred Inflows of Resources

Deferred inflows of resources represent an acquisition of net assets that applies to future periods and therefore will not be recognized as an inflow of resources (revenue) until that future time.

15. Fund Balance / Net Position

Fund balance of governmental funds is reported in various categories based on the nature of any limitations requiring the use of resources for specific purposes. The City has established limitations on the use of resources through commitments (committed fund balance) or assignment (assigned fund balance).

The committed fund balance classification includes amounts that can be used only for specific purposes determined by a formal action of the City's Commission, via resolution and must be removed in the same fashion.

Amounts in assigned fund balance are also intended to be used for specific purposes but do not meet the criteria to be classified as committed. The Commission has by resolution authorized the City Manager or Finance Director to assign fund balance.

Net position reported in the government-wide and proprietary fund financial statements is categorized as net investment in capital assets, restricted or unrestricted. The first category represents net position related to net investment in capital assets. Restricted net position represents net position restricted for capital projects, community redevelopment, the stadium, housing services, public safety, bequests, and other externally imposed constraints or imposed by law through constitutional provisions or enabling legislation.

16. Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is employed as an extension of formal budgetary integration in the general fund and special revenue funds. Since they do not constitute expenditures or liabilities, encumbrances outstanding at year end are reported as restricted, committed, or assigned fund balances, depending on the nature of each encumbrance.

E. REVENUES, EXPENDITURES AND EXPENSES

1. Property Taxes

All real and tangible personal property taxes are due and payable on November 1 of each year, or as soon thereafter as the assessment roll is certified by the County Property Appraiser. The County mails to each property owner on the assessment roll a notice of tax levy by the various governmental entities in the County. Taxes may be paid upon receipt of such notice with discounts at the rate of 4% if paid in November, 3% if paid in December, 2% if paid in January and 1% if paid in February. Taxes paid during the month of March are without discount. All unpaid taxes on real and tangible personal property become delinquent on April 1 of the year following the year in which the taxes were assessed.

On or before April 25 of each year, a list of delinquent personal property tax payers is advertised. Warrants are issued directing seizure and sale of the personal property of the taxpayer if the delinquent taxes are not paid before May 1. On or before June 1 of the following year in which taxes are assessed, liens are filed and tax certificates are sold on all real estate parcels with outstanding taxes.

The City is permitted by state law to levy taxes up to 10 mills of assessed valuation (exclusive of taxes levied for the payment of bonds). The millage rate levied by the City for the fiscal year ended September 30, 2022 was 4.1345.

2. Operating Subsidies, Grants, and Impact Fees

Grants to proprietary funds used for construction or to finance current operations are recorded as contributions or non-operating revenue, respectively, when earned.

Impact fees represent a capacity charge for the proportionate share of the cost of expanding, oversizing, separating or constructing new additions to the Utility System. The City is obligated to expend these funds only to provide expanded capacity to the system. Water and sewer impact fee revenues are classified as contributions.

3. Interfund Transactions

Interfund sales and purchases are accounted for as fund revenues, expenditures or expenses (as appropriate). Transactions which constitute reimbursements to a fund for expenditures (expenses) initially made are recorded as expenditures or expenses (as appropriate) in the reimbursing fund, and as reductions of the expenditures (expenses) in the reimbursed fund. All interfund transactions except loans and reimbursements are accounted for as transfers.

4. Administrative Charges

Certain administrative expenses are incurred by the General Fund on behalf of the other funds. In addition, some administrative charges are incurred by the Water/Sewer Utility Fund for services rendered that benefit other funds. Both the General Fund and the Water/Sewer Utility Fund receive payment for these services based on a percentage allocation in accordance with budgeted appropriations. These administrative reimbursements for the year ended September 30, 2022, are presented on the following page.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Reimbursements to the General Fund were charged to the following funds:

Fund	Amount
Building	\$ 63,100
Solid Waste	507,100
Water/ Sewer Utility	1,561,700
Marina	45,800
Stormwater	331,600
Total	\$ 2,509,300

Reimbursements to the Water/Sewer Utility Fund were charged to the following funds:

Fund	Amount
Solid Waste	\$ 93,500
Stormwater	61,300
Total	\$ 154,800

F. IMPLEMENTATION OF NEW ACCOUNTING PRINCIPLES

1. Governmental Accounting Standards Board (GASB) Statement No. 87

During the current fiscal year, the City adopted the provisions of GASB Statement No. 87, Leases. The objective of this statement is to better meet the informational needs of financial statement users by improving accounting and financial reporting for leases by governments. The statement requires recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized inflows of resources or outflows of resources based on the payment provisions of the lease agreement. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. As a lessee, the City is required to recognize a lease liability and an intangible right-to-use lease asset, and as a lessor is required to recognize a lease receivable and a deferred inflow of resources.

NOTE 2 – RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The governmental fund balance sheet includes a reconciliation between *fund balance-governmental funds* and *net position-governmental activities* as reported in the government-wide statement of net position.

The governmental funds statement of revenues, expenditures, and changes in fund balances includes a reconciliation between *net changes in fund balances–total governmental funds* and *changes in net position of governmental activities* as reported in the government-wide statement of activities.

NOTE 3 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. THE CITY'S BUDGET POLICY IS SUMMARIZED AS FOLLOWS:

1. Annual budgets are adopted on a basis consistent with generally accepted accounting principles for all funds. All annual appropriations lapse at fiscal year-end.
2. The City Manager submits to the City Commission a proposed operating budget for the fiscal year. The operating budget includes proposed expenditures/expenses and the means of financing.
3. Public hearings are conducted to obtain taxpayer comments.
4. The budget is approved by the City Commission through the passage of a resolution. The level on which expenditures/expenses may not legally exceed appropriations is at the fund level.
5. The appropriated budget is prepared by fund, function and department. The City Manager is authorized to transfer budgeted amounts between departments, and make budget transfers affecting personnel, provided these changes have a zero net effect on the City's budget. All increases and decreases in fund balance, personnel budget changes, and transfers between funds, must have City Commission approval.

B. ESTABLISHMENT/ELIMINATION OF FUNDS

During the fiscal year ended September 30, 2022 the American Rescue Plan Act special revenue fund was established to account for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) utilized in response to and recovery from the Covid-19 public health emergency. The fund is considered a major fund of the City.

NOTE 4 – DETAIL NOTES - ALL FUNDS

A. ASSETS

1. Cash and Cash Equivalents and Investments

The City of Dunedin maintains a cash and investment pool that is available for use by all funds. Each fund's portion of this pool is reported in "Cash and Cash Equivalents." Interest earned by this pool is distributed monthly to each fund based on the fund's cash balance.

The City's investment policy and guidelines are defined by City ordinance. The written investment policy was last revised, by City Commission approval, on July 23, 2019. The policy specifies limits by instrument and institution (within instrument) and establishes a diversified investment strategy, minimum credit quality and authorized institutions available as counterparties. In addition to authorizing investment instruments, the City's policy also identifies various portfolio parameters addressing issuer diversification, term-to-maturity and liquidity. Implementation and

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

direction, within policy limits, is managed by the Director of Finance, with City Manager approval required for all transactions.

The investment policy of the City of Dunedin Municipal Firefighters Pension Trust Fund was created by, and is periodically amended by, the pension board.

a. Custodial Credit Risk – Cash and Investments

Custodial credit risk is defined as the risk that a government will not be able to recover deposits or the value of its investments in the event of a failure of a depository financial institution or a third party holding the investment securities.

The City's investment policy requires that time deposits, demand deposits, savings accounts and non-negotiable certificates of deposit must be held by institutions organized under the laws of Florida and/or in national banks organized under the laws of the United States and doing business and situated in Florida as qualified public depositories, ensuring that any such deposits are secured and collateralized according to the Florida Security for Public Deposits Act (Chapter 280 of the Florida Statutes). In addition, the policy requires all investment securities to be held by a third party custodian in the name of the City.

Securities transactions between a broker-dealer and the custodian involving the purchase or sale of securities must be made on a "delivery vs. payment" basis to ensure that the custodian will have the security or money, as appropriate, in hand at the conclusions of the transaction.

As of September 30, 2022, the bank balance of the City's cash deposits was \$7,452,783. The bank balance is insured by federal depository insurance and, for the amount in excess of such federal depository insurance, is collateralized pursuant to Chapter 280, Florida Statutes. Under this Chapter, in the event of default by a participating financial institution (a qualified public depository), all participating institutions are obligated to reimburse the government entity for the loss.

The investment policy of the City of Dunedin Municipal Firefighters Pension Trust Fund (the Firefighters Pension Plan) requires all securities to be held by a third party custodian (Salem Trust Company) in the name of the Firefighters Pension Plan. Securities transactions between a broker-dealer and the custodian involving the purchase or sale of securities must be made on a "delivery vs. payment" basis to ensure that the custodian will have the security or money, as appropriate, in hand at the conclusion of the transaction.

As of September 30, 2022, the Firefighters Pension Plan's investments are managed under separate investment agreements with Great Lakes Advisors, LLC, Rockwood Capital Advisors, LLC and Harding Loevner LP. These agreements give Salem Trust Company the custodianship, but gives Great Lakes Advisors, LLC, Rockwood Capital Advisors, LLC and Harding Loevner LP the authority to manage the investments. These assets are invested in accordance with specific investment guidelines as set forth in the Plan.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

The Firefighters Pension Plan invests in Barings Core Property Fund, which is an alternative real estate investment vehicle. The real estate funds are open end, commingled private real estate portfolios valued using the net asset value (NAV) provided by the investment managers of the fund. The NAV is based on the value of the underlying assets owned by these funds minus its liabilities and then divided by the number of shares or percentage of ownership outstanding. The investments of the fund are valued quarterly. Withdrawal requests must be made 60 days in advance and may be paid in one or more installments.

b. Credit Risk

Credit risk is the risk resulting from potential default of investments that are not financially sound. The City's investment policy limits credit risk by restricting authorized investments to include only the following types, along with the following minimum credit rating, where applicable:

- U.S. Treasuries
- U.S. Agencies and Government Sponsored Enterprises (AAA/Aaa)
- Local Government Investment Pools (AAAm or equivalent)
- The State Board of Administration (SBA) or Florida PRIME (AAAm or equivalent)
- General or Revenue Debt Obligations of State and Local Governments (AAA/Aaa)
- Money Market Mutual Funds (AAAm)
- Money Market Savings Account
- Bank Deposits / Certificates of Deposit
- Corporate Debt Instruments and Commercial Paper (AA-/Aa3)
- Repurchase Agreements (A1+/P1/F1+)

The City's cash and cash equivalents and investments consisted of the following as of September 30, 2022:

Investment Type	Fair Value	Rating	Rating Agency	% of Total	Weighted Average Maturity	Hierarchy Level
Florida Fixed Income Trust (FL-FIT)	\$ 4,253,433	AAAf	Fitch	4.36%	33 Days	n/a
Florida Surplus Asset Trust Fund (FLSAFE)	4,980,216	AAAm	Standard & Poor	5.10%	40 Days	n/a
US Government Agencies	22,747,403	Aaa	Moody's	23.29%	841 Days	2
Treasury Notes	17,813,900	Aaa	Moody's	18.24%	152 Days	1
FLCLASS	11,246,772	AAAm	Standard & Poor	11.52%	68 Days	n/a
Florida Short Term Asset Reserve (FLSTAR)	10,076,318	AAAm	Standard & Poor	10.32%	10 Days	n/a
Morgan Stanley Money Market Fund	7,058,513	AAAm	Standard & Poor	7.23%	13 Days	n/a
SBA - Florida PRIME	2,401,349	AAAm	Standard & Poor	2.47%	15 Days	n/a

Cash in bank	7,406,333			7.58%		n/a
Cash with Fiscal Agent	6,623,882			1.89%		n/a
Petty cash	3,528			0.00%		n/a
Total Cash and Investments	\$ 97,662,357					

Florida SAFE is a surplus asset trust fund, which was developed by and for Florida local governments. Florida SAFE adheres to the requirement to maintain a net asset value of \$1.00 per share or higher. Florida SAFE invests its proceeds in U.S. Government Agencies and Commercial Paper. Florida CLASS and FL Star are intergovernmental investment pools

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

authorized under Section 218.415 Florida Statutes. SBA-Florida PRIME operates as a ‘2a-7 like’ fund. The Morgan Stanley Fund is an exchange traded Institutional Liquidity Fund that focuses on preserving capital and liquidity. There are no withdrawal restrictions for any of the investments referenced in this paragraph.

In accordance with GASB Statement 72, *Fair Value Measurement and Application*, the City categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset.

- Level 1 inputs are quoted prices in active markets for identical assets
- Level 2 inputs are significant other observable inputs
- Level 3 inputs are significant unobservable inputs

The Firefighters Pension Plan’s investment guidelines limit its fixed income investments to a credit quality rating of “A” or equivalent as rated by Moody’s or by Standard & Poor’s bond rating services at the time of purchase. Fixed income investments which are downgraded below the minimum rating must be liquidated at the earliest beneficial opportunity.

Investments held by the Firefighters Pension Plan are summarized as follows:

Investment Type	Fair Value	Standard & Poor's Rating	% of Total	Effective Duration (In	Hierarchy Level
U.S. Government Obligations	\$ 5,105,572	AA	16.21%	5.9	1
U.S. Government Agencies	711,094	AA	2.26%	4.3	2
Corporate Obligations	1,851,824	BAA-A	5.88%	7.6	2
Temporary Investment Funds	779,750	AAA	2.48%	Daily	2
Domestic Stocks	15,999,747		50.80%		1
International Stocks	3,467,803		11.01%		1
Real Estate Investment Fund	3,577,104		11.36%		n/a
Total Pension Funds	\$ 31,492,894				

For both City owned investments and Firefighter Pension owned investments, standardized hierarchy levels are indicated in the investment type listings shown in the table on the previous page. The levels were established to provide an understanding of the techniques used to arrive at fair value. Investments classified as Level 1 use quoted prices at September 30 in active markets from the custodian bank’s external pricing vendor. Investments classified as Level 2 are evaluated prices from the custodian bank’s external pricing vendor. This pricing methodology involves the use of evaluation models, such as matrix pricing, which are based on the investments’ relationship to benchmark quoted prices.

c. Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributable to the quantity of investment in a single issuer. To limit this risk, the City’s investment policy requires diversification of the portfolio with maximum limits on what can be invested per investment type. In addition to a maximum level of investment in aggregate by security type, no more than 25% of the City’s

investment portfolio may be invested in a single issuer. The maximum concentration limits per investment type allowed by the City's investment policy are as follows:

- U.S. Treasuries – 95%
- U.S. Agencies and Government Sponsored Enterprises – 40%
- Local Government Investment Pools – 75%
- The State Board of Administration (SBA) or Florida PRIME – 5%
- General or Revenue Debt Obligations of State and Local Governments – 10%
- Money Market Mutual Funds – 50%
- Money Market Savings Account – 40%
- Certificates of Deposit – 40%
- Corporate Debt Instruments and Commercial Paper – 10%, 40%
- Repurchase Agreements – 10%

The Firefighters Pension Plan's policy limits investments in foreign fixed income or equity securities to 25% of the total portfolio. The equity and bond investment mix is targeted at 65% equities and 25% bonds. In addition, not more than 5% of the portfolio may be invested in common stock of any one issuing company. The Firefighters Pension Plan had no investments that individually represented 5% or more of the Plan's net assets available for benefits as of September 30, 2022.

d. Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment in debt securities. Generally, the longer time to maturity equates to greater exposure to interest rate risk. The City manages its exposure to fair value losses arising from increasing rates through its adopted investment policy. The City's policy limits its fixed portfolio's weighted average maturity to 3 years and the duration of the overall portfolio to 5 years. At September 30, 2022 the City's investments in U.S. Government Agencies and U.S. Treasury Notes had weighted average maturities of 2.3 years and 0.4 years, respectively.

The Firefighters Pension Plan's investment policy limits the effective duration of its fixed income portfolios through the adoption of the Barclays Capital Aggregate Bond Index benchmark. The U.S. Government obligations had an effective duration of 5.9 years; the U.S. Government agencies 4.3 years, and corporate obligations 7.6 years.

2. Receivables

a. Receivables

Receivables as of the fiscal year ended September 30, 2022 for the City's major governmental and enterprise funds, including the applicable allowances for uncollectible accounts, are as follows:

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

	General	Community Redevelopment Agency	Penny	Solid Waste	Water/ Sewer Utility	Storm- water Utility	Marina	Total
Receivables:								
Accounts Billed	\$ 844,628	\$ 1,158	\$ -	\$ 212,499	\$ 640,078	\$ 130,233	\$ 36,618	\$1,865,214
Accounts Unbilled	-	-	-	519,952	1,561,470	362,557	-	2,443,979
Liens	-	-	-	7,301	2,898	1,655	-	11,854
Connection Fees	-	-	-	-	116,224	-	-	116,224
Leases	130,638	-	-	-	43,772	-	25,745	200,155
Interest	42,643	3,119	13,595	4,540	52,066	14,051	1,976	131,990
Gross Receivables	1,017,909	4,277	13,595	744,292	2,416,508	508,496	64,339	4,769,416
Less: Allowance for Uncollectibles	-	-	-	9,557	29,672	5,167	-	44,396
Net Total Receivables	\$1,017,909	\$ 4,277	\$ 13,595	\$ 734,735	\$ 2,386,836	\$ 503,329	\$ 64,339	\$4,725,020

As the operator of Solid Waste, Utilities, and Marina programs, the City grants credit to their customers, substantially all of whom are City residents. Non-current receivables are not included in the chart above.

Governmental funds do not record revenue in connection with resources that have been received, but not yet earned. Governmental funds report *unavailable revenue* in connection with receivables for revenues that are not considered to be available to liquidate current period liabilities.

b. Notes Receivable

On March 11, 2016 the City entered into a Development Agreement with Developer, 203 N. Marion Street, L.L.C. to convey City property valued at \$400,000. During the same time period the same Developer and the City entered into a Parking Garage Lease whereby the City will lease 215 parking spaces from the Developer. In return for the conveyance of the City property to the Developer, the Developer will pay its purchase obligation amortized over a 20 year period with interest and annual installments of \$32,211. The payments to the City will be applied against the City's obligations under the terms of the Lease. The principal amount outstanding on the note receivable as of September 30, 2022 is \$333,394.

c. Leases Receivable

A lease is defined as a contractual agreement that conveys control of the right to use another entity's nonfinancial asset, for a minimum period of more than one year, in an exchange or exchange-like transaction.

As a lessor, the City has entered into agreements involving the lease of water tower space, land, and building space. Certain building space is leased from an entity by the City, then subleased by the City to other tenants. Real property (land) owned by the City is leased to a tenant for operation of cellular communication equipment, who subleases a portion of such

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

property to other cellular communication providers, with the City recognizing lease fees from both the lessee and sublessees. The related receivables for all leases are presented in the Statement of Net Position in amounts equal to the present value of lease payments expected to be received during the lease term. The total amount of inflows of resources, including lease revenue, interest revenue, and other lease-related inflows recognized during the fiscal year ended September 30, 2022 was \$277,788.

The City entered into an agreement on October 1, 2015, for the lease of building space for use as an artisan incubator. On December 17, 2015 and February 22, 2016, the City entered into two separate agreements to sublease a portion of the building space. Each lease agreement was retroactive to a start date of October 1, 2015, for a term of five years, terminating September 30, 2020. Both lease agreements were extended for a period of two additional years, through September 30, 2022. Amended and restated sublease agreements executed with each tenant provide for an additional two-year term, through September 30, 2024, with an option to renew for an additional year. Combined, the agreements require annual lease payments of \$50,910 and \$54,910 during FY 2023 and FY 2024, respectively.

An agreement was entered into on July 1, 2019, for the lease of a portion of real property (land and a building) owned by the City for use as a vehicle maintenance facility. The term of the agreement is for five years, terminating June 30, 2024, with an option to automatically renew the lease for up to three additional five-year terms (through June 30, 2039). The lease agreement requires annual lease payments of from \$47,264 during the initial year of the lease, escalating to \$82,771 during the final year of the agreement (if fully renewed).

An agreement was entered into on November 1, 2020, for the lease of building space for use as a business premise for the retail and wholesale sale of food, drink, and sundry products. The term of the agreement is ten years, with an option to renew for one additional five-year term at the end of the initial term. The lease agreement requires annual lease payments of from \$36,000 during the initial year of the lease, escalating to \$62,340 during the final year of the agreement (if the agreement is renewed for the additional five-year term).

Agreements were entered into on October 21, 2000 and February 24, 2015, with two separate lessees for the lease of space on the City's water tower for the installation and operation of cellular communication equipment. The first agreement was for a term of five years, renewable for three additional five-year terms. An amendment to the agreement, effective November 1, 2014, modified the remaining term to five additional five-year periods, terminating October 31, 2044. However, the City has advised the lessee of its intent to terminate the agreement effective October 31, 2024. During FY 2022, the City received \$28,750 in rent under the agreement. The second agreement is for an initial term of five years, renewable for four additional five-year terms, terminating February 23, 2040. Annual rent is \$25,000 during the initial five-year term, escalated by 15.0% at the commencement of each additional five-year term. The updated annual lease amount remains in effect for the duration of the five-year term.

An agreement was entered into on August 12, 1998, for the lease of real property for the purpose of installing, operating and maintaining cellular communication equipment. The

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

term of the original agreement was for five years, renewable for four additional five-year periods. A third amendment to the agreement, effective December 4, 2018, provided for an extended term of three additional five-year extensions, expiring January 21, 2039. During FY 2022, annual rent paid was \$46,805, with such amount to be escalated annually based on the consumer price index, with annual increases being no less than 2.0% and no greater than 5.0%. The lessee may enter into sublease agreements from time to time with other cellular communication providers, with the City realizing a portion of such proceeds paid the primary lessee. During FY 2022, the City received \$25,816 in rent from sublessees.

3. Capital Assets

d. Other Significant Commitments

The City had active projects as of September 30, 2022. The major projects are listed below:
 At year end, the City’s significant outstanding purchase commitments were as follows:

<u>Project</u>	<u>Remaining Commitment</u>
Construction of city hall complex	\$ 4,225,359
SCBA air pack replacements for Fire Operations	369,925
Consulting services for ARPA grant funding	298,677
Purchase of ASL sanitation truck	374,273
Construction of Water Treatment Plant	360,371
Wastewater treatment plant electrical system upgrades	3,877,895
Wastewater treatment plant SCADA system upgrades	879,515
Wastewater lift stations rehabilitation	577,627
Design services - Cedarwood & Lyndhurst drainage	206,342
	<u>\$ 11,169,984</u>

The remaining commitment amounts were encumbered at fiscal year-end.

4. Right to Use Leased Assets

a. Right to Use Leased Asset Activity

The City has recorded right to use leased assets. The assets are leased computer hardware, postage and copier equipment, real property for public parking, a parking garage, and building space. The right to use leased assets are amortized on a straight-line basis over the terms of the related leases.

Leased/right to use asset activity for the fiscal year ended September 30, 2022, is as noted on the following page:

	<u>\$ 29,190</u>		<u>\$ 29,190</u>

The Stormwater Utility Fund advanced \$59,500 to the General Fund in fiscal year 2021 for funding assistance to purchase radios for the Fire Department. An amount of \$30,310 was paid back during current fiscal year 2022, with the balance of \$29,190 scheduled for repayment during fiscal year 2023.

6. Leases

A lease is defined as a contractual agreement that conveys control of the right to use another entity's nonfinancial asset, for a minimum period of more than one year, in an exchange or exchange-like transaction.

As a lessee, the City leases computer hardware services, postage and copier equipment, real property for use as parking facilities, a parking garage, and building space. The City also subleases building space to other entities. The related obligations are presented in amounts equal to the present value of lease payments payable during the remaining lease term. For one existing agreement involving the lease of land for use as a parking lot, the annual rent paid by the City is equal to the amount paid for property taxes on the subject land by the owner. As such, this payment is variable from year to year. For measurement of the total lease liability as presented on the following page, the current year's lease payment value is assumed to remain consistent throughout the lease term. As the lessee, a lease liability and associated lease asset is recognized on the government-wide Statement of Net Position.

The City's leased assets are recorded at a cost of \$2,958,942, less accumulated amortization of \$270,056.

B. LONG-TERM OBLIGATIONS

The following presents the City's long-term obligations for the fiscal year ended September 30, 2022:

1. Leases

The City has entered into agreements to lease certain equipment, real property, and buildings. The lease agreements qualify as other than short-term leases under Governmental Accounting Standards Board (GASB) Statement No. 87 and, therefore, have been recorded at the present value of the future minimum lease payments as of the date of implementation of the Statement.

An agreement was executed on April 1, 2018, to lease a postage meter. The lease term ends March 31, 2023, and requires quarterly payments of \$720 over the term. For this lease, an intangible asset has been recorded with a net book value of \$1,427 at September 30, 2022.

An agreement was executed on April 5, 2022, for the lease of real property to be utilized as a public parking lot. The lease term ends May 31, 2027, with an option to renew for two additional one-year terms. The agreement calls for semi-annual payments starting at \$20,000, escalating to \$22,000 over the term of the lease. For this lease, an intangible asset has been recorded with a net book value of \$257,422 at September 30, 2022.

An agreement was executed on April 9, 2015, for the lease of real property to be utilized as a public parking lot. The initial lease term ended April 30, 2018, with options to renew for additional one-year terms through April 30, 2023. The agreement requires monthly payments of \$500. For this lease, an intangible asset has been recorded with a net book value of \$15,009 at September 30, 2022.

An agreement was executed on March 19, 2020, for the lease of real property to be utilized as a public parking lot. The lease term ends July 31, 2023, with an option to renew for three additional one-year terms. The agreement stipulates the City is to reimburse the lessor for the annual property taxes assessed on the subject land. As such, the ongoing lease payment requirements are considered to be variable in value. For measurement of the total lease liability, the current fiscal year's lease payment value is assumed to remain consistent throughout the lease term. For this lease, an intangible asset has been recorded with a net book value of \$21,371 at September 30, 2022.

An agreement was executed on December 1, 2021, for the lease of computer hardware and maintenance services. The lease term ends November 30, 2023, with an option to renew for two additional one-year terms. The agreement requires annual payments of \$11,500. For this lease, an intangible asset has been recorded with a net book value of \$13,144 at September 30, 2022.

An agreement was executed on October 1, 2015, for the lease of building space to be used as an artisan incubator. The initial lease term ended September 30, 2020, with an option to renew for up to an additional five years. At the end of the initial term, the lease was renewed and extended for two additional years, ending September 30, 2022. A restated and amended lease agreement was entered into effective October 1, 2022, for a period of two years, terminating on September

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

30, 2024. The current agreement requires quarterly payments of \$27,659, escalating to \$31,667 by lease end. For this lease, an intangible asset has been recorded with a net book value of \$238,382 at September 30, 2022.

An agreement was executed on March 11, 2016, for the lease of space in a building structure (parking garage) for public parking, including a maintenance component to cover taxes, insurance, repair & maintenance, and utilities. The lease term ends January 31, 2038. The agreement requires annual payments of \$182,323, including the maintenance fee. For this lease, an intangible asset has been recorded with a net book value of \$2,088,040 at September 30, 2022.

Multiple agreements have been executed, effective on various dates, to lease copier equipment. The ending lease terms vary, and typically are for a period of from one to four years. Combined, fixed lease payment requirements amount to \$2,330 per month for all leased copiers. For these leases, intangible assets have been recorded with a combined net book value of \$33,961 at September 30, 2022.

Except for the payment of a lease fee equivalent to the property taxes assessed on the real property to be used as a public parking lot as described above, there are no variable payment components to any of the above-described leases. The lease liability for each agreement is measured at a discount rate of 2.43%, which is an imputed borrowing rate based on an independent actuarial valuation of the City's post-employment benefits program.

As of September 30, 2022, the City had minimum principal and interest payment requirements for its leasing activities, including its subleasing activities, with a remaining term in excess of one year, as follows:

	Liability Beginning Balance	Total Principal	Total Interest	Total Payment	Liability Ending Balance
Governmental Activities:					
Fiscal year ending September 30, 2022	\$ 2,924,996	\$ 278,060	\$ 6,257	\$ 284,318	\$ 2,646,936

2. Financed Purchase Agreements

On July 12, 2019, the City entered into a lease-purchase agreement to finance \$191,584 for a grapple truck to be used by the Solid Waste operations. This five-year financed purchase agreement has a 2.16% interest rate and provides for annual payments of \$40,838.

On September 4, 2020, the City entered into a lease-purchase agreement to finance \$503,484 for two garbage trucks to be used by the Solid Waste operations. This five-year financed purchase agreement has an interest rate of 1.85% and provides for annual payments of \$106,354.

On January 21, 2022, the City entered into a lease-purchase agreement to finance \$333,808 for a refuse truck to be used by the Solid Waste operations. This five-year financed purchase agreement has an interest rate of 1.69% and provides for annual payments of \$70,184.

The future minimum lease obligations and the net present value of these minimum lease payments at September 30, 2022 were as follows:

Fiscal Year	Annual Payments
2023	\$ 217,376
2024	217,376
2025	176,538
2026	70,184

Total Minimum Lease Payments	751,658
Less: Amount Representing Interest	<u>31,139</u>
Present Value of Minimum Lease Payments	<u>\$ 720,519</u>

3. Bonds and Notes Indebtedness

a. Community Center, Sales Tax Refunding Revenue Bonds, Series 2015

On January 23, 2015, the City issued \$6,505,000 Sales Tax Refunding Revenue Bond, Series 2015, authorized by Resolution Nos. 14-37, 14-38 and 15-04, collectively the 2015 Bond Resolution. The City’s sales tax revenues are pledged as collateral. The purpose of incurring the debt was to fully advance refund all amounts outstanding of \$10,000,000 Sales Tax Revenue Bonds, Series 2005. The original bonds were used to pay or reimburse the costs of acquisition, construction, and equipment installation for the City Community Center.

The net proceeds of the Series 2015 Bonds were deposited into an irrevocable trust with an escrow agent to provide funds for future debt service payments. The Series 2005 Bonds were redeemed on October 1, 2015. The City advance refunded the Series 2005 Bonds to reduce its total debt service payments over 10 years by \$553,000 and to obtain an economic gain (difference between the present values of the debt service payments on the old and new debt) of \$498,000.

The term, interest rate and payments are as follows:

Original Amount Issued	\$	6,505,000
Final Maturity		October 1, 2025
Interest Rate		1.960%
Annual Payments Range	\$	<u>669,000 - 676,000</u>
Amount Outstanding at September 30, 2022	\$	<u>2,590,000</u>

b. Spring Training Facility, State Sales Tax Revenue Bonds, Series 2018; Spring Training Facility, Taxable Non-Ad Valorem Revenue Bonds, Series 2018A; and Fire Station Project, Non-Ad Valorem Refunding Revenue Bonds, Series 2018B

On December 13, 2018, pursuant to Resolution Nos. 18-28, 18-29 and 18-30, the City issued \$12,310,000 of State Sales Tax Payments Revenue Bonds, Series 2018; and \$20,225,000 of Taxable Non-Ad Valorem Revenue Bonds, Series 2018A. The purpose of the borrowings was to fund a portion of the cost of the design, construction, renovation, expansion, improvement, and equipping of the spring training facilities utilized by the Toronto Blue Jays, a Major League Baseball team. The Series 2018 and Series 2018A bonds are 20 and 25 year bonds, respectively.

The debt service on the Series 2018 bonds is payable solely from sales tax payments distributable to the City from the State of Florida, pursuant to sections 288.11631 and 212.20(6) (d)6.e., Florida Statutes. The bonds were sold to Bank of America Merrill Lynch, the bond underwriter. Funds are directly remitted monthly from the State to the bond paying agent pursuant to an agreement between City and the State of Florida Department of

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Economic Opportunity for paying the scheduled debt service. The Series 2018A bonds are secured by a pledge of and are payable solely and secured by non-ad valorem revenues budgeted and appropriated by the City.

Pursuant to Resolution No. 18-28, the City issued, on December 13, 2018, \$840,000 of Non-Ad Valorem Refunding Revenue Bonds, Series 2018B, for the purpose of refinancing the City's outstanding debt associated with the Non-Ad Valorem Note, Series 2013, authorized by Resolution No. 13-49. The outstanding principal on the Series 2013 Note was \$909,000 at the time of the refunding. The Series 2018B bonds are 10 year bonds, issued at a premium of \$101,526. The original Series 2013 debt was in the amount of \$1,280,000, with the funds being borrowed for the purpose of partially funding the construction of Fire Station No. 61.

The terms, interest rates and payments are as follows:

	<u>Series 2018</u>
Original Amount Issued	\$ 12,310,000
Final Maturity	October 1, 2038
Interest Rate	5.000%
Annual Payments Range	<u>\$ 974,000 - 986,000</u>
Amount Outstanding at September 30, 2022	<u>\$ 11,245,000</u>

	<u>Series 2018A</u>
Original Amount Issued	\$ 20,225,000
Final Maturity	October 1, 2043
Interest Rate Range	3.370% - 4.750%
Annual Payments Range	<u>\$ 1,321,000 - 1,347,000</u>
Amount Outstanding at September 30, 2022	<u>\$ 18,540,000</u>

	<u>Series 2018B</u>
Original Amount Issued	\$ 840,000
Final Maturity	October 1, 2028
Interest Rate	5.000%
Annual Payments Range	<u>\$ 103,000 - 107,000</u>
Amount Outstanding at September 30, 2022	<u>\$ 625,000</u>

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

c. City Hall, Non-Ad Valorem Revenue Note, Series 2021

On June 16, 2021, the City issued \$20,711,000 of Non-Ad Valorem Revenue Notes, Series 2021. The purpose of the borrowing was to finance the costs of design and construction of a new City Hall office building. Together with project proceeds, the amount borrowed included approximately \$67,600 in financing costs. The Series 2021 Note is payable solely from pledged revenues, which consist primarily of non-ad valorem revenues budgeted, appropriated and deposited in the manner provided in the note resolution.

The terms, interest rates and payments are as follows:

Original Amount Issued	\$	20,711,000
Final Maturity		October 1, 2029
Interest Rate		1.239%
Annual Payments Range		<u>\$2,628,000</u>
Amount Outstanding at September 30, 2022	\$	<u>20,015,000</u>

d. Real Property, Non-Ad Valorem Revenue Note, Series 2021B

On November 18, 2021, the City issued \$4,114,000 of Non-Ad Valorem Revenues Notes, Series 2021B to finance the purchase of real property to be used as a public parking lot. The financing included costs of issuance in the amount of \$50,329.00. An interlocal agreement between the City and the Community Redevelopment Agency (CRA) provides terms whereby the CRA shall reimburse the City for its obligations incurred by the financing by paying to the City the annual amount of the principal and interest on the borrowing attributable to the CRA.

The terms, interest rates and payments are as follows:

Original Amount Issued	\$	4,114,000
Final Maturity		August 1, 2032
Interest Rate		1.515%
Annual Payments Range		<u>\$ 414,000</u>
Amount Outstanding at September 30, 2022	\$	<u>3,814,000</u>

e. Water and Sewer System Refunding Revenue Bonds, Series 2012

On June 8, 2012, the City issued \$17,900,000 of Water and Sewer System Refunding Revenue Bonds, Series 2012. These bonds were issued at a premium of \$1,125,672 and refunded several outstanding debt issues, including the 1994 Reclaimed Water Credit Facility from SunBank of Tampa Bay - \$317,744; a portion of the 2007 Utility Revenue Bonds, and accrued interest - \$11,789,096; a portion of the 2006 Utility System Refunding Bonds, and accrued interest - \$3,074,241. Additionally, these bonds provided project funds in the amount of \$2,208,080, and included SWAP termination fees and interest in the amount of \$180,420 and costs of issuance of \$215,637. The City contributed \$120,658 toward issue costs.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Scheduled payments of principal and interest is guaranteed under a municipal bond insurance policy issued by Assured Guaranty Municipal Corporation. The bonds are secured by a pledge of net revenues of the system. A debt service reserve fund surety policy was purchased in lieu of holding a debt service reserve. The rate covenant requires net revenues in each fiscal year sufficient to pay one hundred and twenty-five percent of the annual debt service requirement on all outstanding bonds of the fund.

The term, interest rate and payments are as follows:

Original Amount Issued	\$	17,900,000
Final Maturity		October 1, 2027
Interest Rate Range		3.000% - 5.000%
Annual Payments Range		<u>\$ 1,564,000 - 1,579,000</u>
Amount Outstanding at September 30, 2022	\$	<u>8,515,000</u>

f. Stormwater System Revenue and Refunding Bonds, Series 2012

On June 8, 2012, the City issued \$5,876,000 of Stormwater System Refunding Revenue Bonds, Series 2012. These bonds were issued at a premium of \$84,971 and refunded the following issues: a portion of the 2007 Utility Revenue Bonds, and accrued interest - \$2,610,624; a portion of the 2006 Utility System Refunding Bonds, and accrued interest - \$104,912. Additionally, these bonds provided project funds in the amount of \$3,100,296, and included costs of issuance in the amount of \$159,054 and accrued interest of \$5,580 on the SWAP termination. The City contributed \$19,495 toward issue costs. The bonds are secured by a lien on pledged revenues which are gross revenues of the system.

On January 15, 2021, the City issued a \$3,968,000 Stormwater System Refunding Revenue Note, Series 2021 to refund the outstanding Refunding Revenue Bonds, Series 2012.

The term, interest rate and payments are as follows:

Original Amount Issued	\$	5,876,000
Final Maturity		October 1, 2032
Interest Rate		1.390%
Annual Payments Range		<u>\$ 367,000 - 368,000</u>
Amount Outstanding at September 30, 2022	\$	<u>3,744,000</u>

g. Stormwater System Revenue Bonds, Series 2014

On December 18, 2014, the City issued \$6,120,000 Stormwater System Revenue Bonds, Series 2014, pursuant to Resolution Nos. 12-18 and 14-36. The purpose of incurring the debt was to finance and/or reimburse the costs of design, permitting, acquisition, construction and reconstruction of improvements to the stormwater system. Together with project proceeds, the amount borrowed included approximately \$132,000 in financing costs.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

The term, interest rate and payments are as follows:

Original Amount Issued	\$	6,120,000
Final Maturity		October 1, 2044
Interest Rate Range		2.375% - 4.000%
Annual Payments Range	\$	<u>335,000 - 342,000</u>
Amount Outstanding at September 30, 2022	\$	<u>5,200,000</u>

h. Pledged Revenue Disclosures

The City has pledged a portion of future non ad valorem revenues for the repayment of the Spring Training Facility Revenue Bonds, and the Fire Station Project Refunding Revenue Bonds. Future State and County revenues were also pledged for the repayment of the Spring Training Facility Bonds. For the current year, principal and interest paid towards the Fire Station Bonds amounted to \$108,125. During the current year, principal and interest paid towards the Spring Training Facility Bonds totaled \$2,332,650. Legally available non ad valorem revenues were \$10,772,560 while payments from the State totaled \$500,004.

The City has pledged a portion of future half cent sales tax revenue to repay the Community Center Refunding Bonds. Principal and interest payments of \$671,791 were paid in the current year and half cent sales tax revenues were \$3,051,926.

The City has pledged the net revenues of the water/sewer and stormwater utility systems to repay the Water and Sewer System Refunding Revenue Bonds, Series 2012. Principal and interest payments paid for the current year and net revenue for the water/sewer utility were \$1,451,045 and \$5,535,449 respectively. Principal and interest payments paid for the current year and net revenue for the stormwater utility were \$119,418 and \$1,988,419, respectively.

The City has pledged the gross revenues of the stormwater utility system to repay the Stormwater System Revenue and Refunding Bonds, Series 2012 and the Stormwater System Revenue Bonds, Series 2014. The current year principal and interest paid for these stormwater bonds were \$616,605 and total gross revenues were \$4,189,007.

j. State Revolving Fund Note Payable, DW520260, DW520261 and WW5202C0

The City approved three loan agreements with the State of Florida for State Revolving Funds (SRF). The purpose of this type of funding is to provide low-interest loans to plan, design, and build water and sanitation infrastructure. The City is utilizing this funding to construct a reverse-osmosis water treatment plant and for planning associated with the design and construction of a wastewater pollution control facility.

This type of loan is structured as a cost-reimbursement agreement. Eligible expenses are submitted to the State for review and reimbursement. These reimbursement payments, over time, become the principal amount of the loan. For both agreements, the City is eligible for funds totaling up to \$32.4 million.

Debt service on the SRF loans DW520260 and DW520261 is not included in the Debt Service Requirements table reflected on the previous page because the loans are not fully drawn. If, when the loans are fully drawn, repayments on the loans will commence in November, 2023 with semi-annual payments due in the annualized amounts reflected below.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Loan DW520260 was awarded in April 2018 for the planning and design portion of the water treatment plant project. The term, interest rate, and payments are as follows:

Original Amount	\$	4,048,295
Final Maturity		May 15, 2033
Interest Rates		1.84%
Annual Payments	\$	459,600
Amount Outstanding at September 30, 2022	\$	<u>3,828,813</u>

Loan DW520261 was awarded in July 2019 for the construction phase of the water treatment plant project. The term, interest rate, and payments are as follows:

Original Amount	\$	28,270,737
Final Maturity		May 15, 2043
Interest Rates		1.03%
Annual Payments	\$	1,622,330
Amount Outstanding at September 30, 2022	\$	<u>27,100,387</u>

Loan WW5202C0 was awarded in October 2020 for the planning phase of the wastewater facility project. The term, interest rate, and payments are as follows:

Original Amount	\$	100,000
Final Maturity		October 15, 2041
Interest Rates		0.09%
Annual Payments	\$	4,264
Amount Outstanding at September 30, 2022	\$	<u>84,773</u>

4. Changes in Long-Term Liabilities

Long-term liability activities for the year ended September 30, 2022, were as follows:

	Beginning Balance	Additions	Reductions	Ending Balance	Due Within One Year
Governmental Activities:					
Bonds and notes payable	\$ 55,336,000	\$ 4,114,000	\$ (2,621,000)	\$ 56,829,000	\$4,426,000
Deferred amounts for:					
Unamortized premiums	1,523,687	-	(102,482)	1,421,205	102,482
Compensated absences	1,897,925	1,571,559	(1,556,468)	1,913,016	1,577,503
OPEB liability	1,251,270	140,331	(256,663)	1,134,938	-
Net pension liability	464,015	1,310,326	(556,887)	1,217,454	-
Leases payable	-	2,924,996	(278,060)	2,646,936	318,126
Claims	1,260,565	2,856,996	(2,948,140)	1,169,421	248,400
Governmental activity long-term liabilities	<u>\$ 61,733,462</u>	<u>\$12,918,208</u>	<u>\$ (8,319,700)</u>	<u>\$ 66,331,970</u>	<u>\$6,672,511</u>
Business-Type Activities:					
Bonds and notes payable	\$ 48,839,233	\$ 1,227,741	\$ (1,594,000)	\$ 48,472,974	\$1,742,000
Deferred amounts for:					
Unamortized premiums	597,238	-	(88,729)	508,509	88,729
Financed purchases	523,846	333,808	(137,135)	720,519	204,333
Compensated absences	1,050,386	629,620	(714,780)	965,226	794,564
OPEB liability	641,527	71,617	(130,989)	582,155	-
Net pension liability	753,604	798,694	(339,430)	1,212,868	-
Leases payable	-	33,946	(12,126)	21,820	12,382
Business-type activity long-term liabilities	<u>\$ 52,405,834</u>	<u>\$ 3,095,426</u>	<u>\$ (3,017,189)</u>	<u>\$ 52,484,071</u>	<u>\$2,842,008</u>

Internal service funds predominately serve governmental funds. Accordingly, long-term liabilities for them are included as part of the above totals for governmental activities. At year-end, \$203,683 and \$131,457 of internal service funds' compensated absences and OPEB liability, respectively, are included in the above amounts. Claims in the governmental activities are liquidated in the self insurance internal service fund. Compensated absences and net pension obligations are liquidated in the respective general, special revenue, or proprietary funds from which expenses are paid. The OPEB liability has been liquidated by all of the City's funds in the form of health insurance premiums paid. The amount paid by each fund is derived from the number of employees in each fund.

NOTE 5 – OTHER INFORMATION

A. PENSION

1. Florida Retirement System (FRS) and Retiree Health Insurance (HIS) Program

In fiscal year 2015, the City implemented GASB Statement No. 68, *Accounting and Financial Reporting for Pension*, for reporting the employers' proportionate share of the net pension liabilities for the FRS and HIS defined benefit pension plans.

Detailed information about FRS and HIS Pension Plans' fiduciary net positions are available in the separately issued FRS Annual Comprehensive Financial Report (ACFR). The FRS ACFR is available by mail P.O. Box 9000, Tallahassee, Florida 32315-9000; by telephone at (850) 907-6500; by e-mail at rep@dms.myflorida.com; or at the Division's Web site (http://www.dms.myflorida.com/workforce_operations/retirement/publications).

Florida Retirement System (FRS)

Plan Description - All of the City's non uniformed full-time employees (hired before January 1, 1996) participate in the Florida Retirement System (FRS). It is a cost-sharing, multiple-employer defined benefit pension plan.

The City of Dunedin contributes to the FRS for the benefit of these employees. This retirement system is administered by the Florida Department of Management Services, Division of Retirement.

FRS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Annual cost of living adjustments are based on the participant's years of service prior to July 1, 2011. Chapter 121 of the Florida Statutes assigns the authority to establish and amend benefit provisions to the Department of Management Services through the Division of Retirement.

Benefits are computed on the basis of age, average final compensation, and service credit. Regular class employees who retire at or after age 65 with 8 years of credited service (age 62 with 6 years of service if enrolled prior to July 1, 2011) regardless of age are entitled to a retirement benefit payable monthly for life equal to 1.60% to 1.68% (depending on their service class) of their average final compensation for each year of credited service. Final average compensation is the employee's average of the five highest years of salary earned during credited service.

Vested employees with less than 33 years of service (30 years of service if enrolled prior to July 1, 2011), may retire before normal retirement age and receive benefits that are reduced 5% for each year prior to normal retirement age or date.

The FRS Deferred Retirement Option Program (DROP) is available under the FRS Pension Plan when the member first reaches eligibility for normal retirement. DROP allows a member to retire

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

while continuing employment for up to 60 months. While in DROP, the member's retirement benefits (increased by a cost-of-living adjustment each July) accumulate in the FRS Trust Fund and earn interest compounded monthly, equivalent to an effective annual rate of 6.5%.

The election to participate in DROP must be made within 12 months of the member's normal retirement date, unless the member is eligible to defer the election. To participate for the maximum DROP period, the member must enter DROP upon first reaching eligibility for normal retirement, or upon reaching an eligible deferral date as described below:

- A member of the Regular Class, Elected Officers' Class, or the Senior Management Service Class who reaches his or her normal retirement date before reaching age 57 may defer DROP entry until age 57 and still participate for 60 months.
- A member of the Elected Officers' Class who reaches his or her normal retirement date during a term of office may defer the DROP election until the next succeeding term in that office and still participate for up to 60 months or until the end of the succeeding term, whichever is less.

Upon termination, the DROP account is paid out as a lump-sum payment, a rollover, or a combination partial lump-sum payment and rollover, and monthly benefits are paid to the member in the amount as calculated upon entry into DROP, plus cost-of-living adjustments for intervening years.

In most cases, the DROP participant must cease employment after a maximum of 60 months in DROP, must satisfy the termination requirements for retirement, and is subject to reemployment restrictions thereafter. However, effective July 1, 2002, a DROP participant who holds an elective office covered by the Elected Officers' Class may end DROP participation and postpone compliance with termination requirements and reemployment limitations until he or she no longer holds the elective office (including consecutive terms in the same office). For the period of time between the end of DROP participation and termination, no retirement credit is earned and the member's DROP accumulation accrues no additional monthly benefits (but continues to earn interest).

The FRS funding policy provides for monthly employer contributions at actuarially determined rates that, expressed as percentages of annual covered payroll are adequate to accumulate sufficient assets to pay benefits when due. The FRS requires a 3% contribution for members effective July 1, 2011. Governmental employers are required to make contributions based on statewide rates. The FRS establishes contributions based on the state fiscal year, which begins July 1st. For the period of October 1, 2021 to June 30, 2022, the contribution rates, by job class, were as follows: regular employees 10.82%, senior management 29.01%, and DROP participants 18.34%. The City's contribution includes .06% for an administrative and educational fee. For the period of July 1, 2022 to September 30, 2022, the contribution rates, by job class, were as follows: regular employees 11.91%, senior management 31.57%, and DROP participants 18.60%. The City's contribution includes .06% for an administrative and educational fee. These fees do not apply to DROP participants. FRS also provides disability and survivors' benefits. Benefits are

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

established by Florida State Statute. The contribution requirements of employers are established and may be amended by the Division of Retirement.

The City's contributions to the FRS Pension Plan (not including the 1.66 percent HIS Program Contributions or employee contributions) totaled \$214,064 for fiscal year ending September 30, 2022. Employee contributions totaled \$38,088 for the same period.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions – At September 30, 2022 the City reported a liability of \$1,910,035 for its proportionate share of the FRS Pension Plan net pension liability. The City's proportionate share of the total FRS net pension plan liability was 0.005133395%.

For the year ended September 30, 2022, the City recognized a negative pension expense of \$122,006 for the FRS Pension Plan, compared to a negative expense of \$387,958 at the prior fiscal year end. The City's proportionate share of the net pension liability rose from \$0.5 million at the end of prior FY 2021 to \$1.9 million at the end of FY 2022, and the pension plan's funded ratio decreased from 96.4% to 82.9% during the same period, both factors of which contributed to the increased expense recognition in the current fiscal year. At September 30, 2022 the City reported deferred outflows of resources and deferred inflows of resources related to pensions for the FRS Pension Plan from the following sources:

	Deferred Outflow of Resources	Deferred Inflow of Resources
	<u> </u>	<u> </u>
Differences between expected and actual experience	\$ 90,716	\$ -
Changes of assumptions	235,229	-
Net difference between projected and actual earnings	126,119	-
Changes in City proportion	-	626,672
Subtotal	<u>452,064</u>	<u>626,672</u>
City contributions subsequent to the measurement date	47,745	-
Total	<u>\$ 499,809</u>	<u>\$ 626,672</u>

The deferred outflows of resources related to pensions totaling \$47,745 resulting from City contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2023. Other amounts reported for the FRS Pension Plan as deferred outflows of resources and deferred inflows of resources related to the pensions will be recognized in pension expense as follows:

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Year ended September 30:	
2023	\$ (79,346)
2024	(114,089)
2025	(176,056)
2026	208,637
2027	(13,754)
Thereafter*	-
	<u>\$ (174,608)</u>

* Note that additional future deferred inflows and outflows of resources may impact these numbers.

Actuarial Assumptions – The total pension liability for the FRS Pension Plan was determined by an actuarial valuation as of the valuation date, calculated based on the discount rate and actuarial assumptions listed below.

The actuarial assumptions that determined the total pension liability of the FRS Pension Plan as of June 30, 2022, were based on the results of an actuarial experience study for the period July 1, 2013 through June 30, 2018.

Valuation Date	July 1, 2022
Measurement date	June 30, 2022
Discount rate	6.70%
Investment rate of return	6.70%
Inflation	2.40%
Salary increases, including inflation	3.25%
Mortality	PUB-2010 base table with projection scale MP-2018
Actuarial cost method	Individual Entry Age

The FRS Actuarial Assumption Conference is responsible for setting the assumptions used in funding valuations of the defined pension plan pursuant to section 216.136 (10), Florida Statutes. There were no substantive changes in actuarial assumptions between the current and prior year.

Discount Rate – The discount rate used to measure the total pension liability for the FRS Pension Plan disclosed above is based on a projection of cash flows that assumed that employee contributions will be made at the current contribution rate and the contributions from participating members will be made at statutorily required rates, actuarially determined. Based on those assumptions, the FRS Pension Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Long-Term Expected Rate of Return – To develop an analytical basis for the selection of the long-term assumption for the FRS Pension Plan, the 2021 FRS Actuarial Assumptions Conference reviewed long-term assumptions developed by multiple contracted capital market assumptions teams. The table below shows resulting assumptions for each of the asset classes in which the plan was invested based on the long-term target asset allocation. The allocation policy’s description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. These assumptions are not based on historical returns, but instead are based on a forward-looking capital market economic model. The expected real rate of return is presented in arithmetic means.

Asset Class	Target Allocation	Long-Term Arithmetic Expected Real Rate of Return
Cash	1.0%	2.6%
Fixed Income	19.8%	4.4%
Global Equity	54.0%	8.8%
Real Estate	10.3%	7.4%
Private Equity	11.1%	12.0%
Strategic Investments	3.8%	6.2%
Total	100.0%	

Sensitivity of the City’s Proportionate Share of the Net Position Liability to Changes in the Discount Rate – The following presents the City’s proportionate share of the net pension liability of the FRS Pension Plan calculated using the discount rate of 6.70 percent. Also presented is what the City’s proportionate share of the FRS Pension Plan net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (5.70 percent) or 1-percentage-point higher (7.70 percent) than the current rate:

	1% Decrease 5.70%	Current Discount Rate 6.70%	1% Increase 7.70%
City's proportionate share of the FRS Pension Plan net pension liability	\$ 3,303,275	\$ 1,910,035	\$ 745,121

Retiree Health Insurance Subsidy (HIS) Program Defined Benefit Pension Plan

Plan Description – The HIS Pension Plan is a cost-sharing multiple-employer defined benefit pension plan established to provide a monthly subsidy payment to retired members of any state-administered retirement system in order to assist such retired members in paying the costs of health insurance. Persons are eligible for health insurance subsidy payments who are retired

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

under a state-administered retirement system, or a beneficiary who is a spouse or financial dependent entitled to receive benefits under a state-administered retirement system except those individuals who are pension recipients under Section 121.40, 237.08(18)(a) and 250.33, Florida Statutes, or recipients of health insurance coverage under Section 110.1232, Florida Statutes or any other special pension or relief act are not eligible for such pension payments. A person is deemed retired from a state-administered retirement system when he or she terminates employment with all employers participating in the Florida Retirement System and:

- For a member of the FRS investment plan, the participant meets the age or service requirements to qualify for normal retirement per Section 121.021(29), Florida Statutes and meets the definition of retiree in Section 121.4501(2), Florida Statutes.
- For a member of FRS defined benefit pension plan, or any employee who maintains creditable service under the pension plan and the investment plan, the member begins drawing retirement benefits from the pension plan.

Any person retiring on or after July 1, 2001, as a member of the FRS including a member of the investment plan, must satisfy the vesting requirements for his or her membership class under the pension plan as administered under Chapter 121, Florida Statutes. Any person retiring due to disability must qualify for a regular or in-line-of-duty disability per provisions under Chapter 112, Florida Statutes.

Benefits Provided – The benefit of the HIS Pension Plan is a monthly payment to assist retirees of state-administered retirement systems in paying their health insurance costs and is administered by the Department of Management Services, Division of Retirement. HIS benefits are not guaranteed and are subject to annual legislative appropriation. In the event the legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or canceled.

For the fiscal year ended June 30, 2020, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of creditable service completed at the time of retirement multiplied by \$5. The payments are at least \$30 but not more than \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under a state-administered retirement system must provide proof of health insurance coverage, which can include Medicare. Terms of the benefits provided by the Plan may be amended only by the State Legislature with a change in the Statutes governing the Plan.

Contributions – The HIS Pension Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended June 30, 2022, the contribution rate was 1.66 percent of payroll pursuant to section 112.363, Florida Statutes. There are no employee contributions required for the HIS Pension Plan. HIS Pension Plan contributions are deposited in a separate trust fund from which HIS payments are authorized.

The City's contributions to the HIS Pension Plan totaled \$27,223 for the fiscal year ended September 30, 2022.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions – At September 30, 2022 the City reported a liability of \$520,287 for its proportionate share of the HIS Pension Plan net pension liability. The City’s proportionate share of the total HIS net pension plan liability was 0.004912211%.

For the year ended September 30, 2022, the City recognized a negative pension expense of \$111,176 for the HIS Pension Plan as a result of the City’s proportionate share of the net pension liability being reduced from \$0.7 million to \$0.5 million between fiscal year ends 2021 and 2022. At September 30, 2022 the City reported deferred outflows of resources and deferred inflows of resources related to pensions for the HIS Pension Plan from the following sources:

	Deferred Outflow of Resources	Deferred Inflow of Resources
Differences between expected and actual experience	\$ 15,792	\$ 2,289
Changes of assumptions	29,823	80,487
Net difference between projected and actual earnings	753	-
Changes in City proportion	-	334,840
Subtotal	<u>46,368</u>	<u>417,616</u>
City contributions subsequent to the measurement date	5,944	-
Total	<u>\$ 52,312</u>	<u>\$ 417,616</u>

The deferred outflows of resources related to pensions totaling \$5,944 resulting from City contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2023. Other amounts reported for the FRS Pension Plan as deferred outflows of resources and deferred inflows of resources related to the pensions will be recognized in pension expense as follows:

Year ended September 30:	
2023	\$(103,642)
2024	(84,386)
2025	(68,408)
2026	(59,592)
2027	(42,430)
Thereafter*	<u>(12,790)</u>
	<u><u>\$(371,248)</u></u>

* Note that additional future deferred inflows and outflows of resources may impact these numbers.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Actuarial Assumptions – Actuarial valuations for the HIS Program are conducted biennially. The July 1, 2022, HIS valuation is the most recent actuarial valuation and was used to develop the liabilities for the June 30, 2022, financial reporting exhibits shown on the following page. Liabilities originally calculated as of the actuarial valuation date have been recalculated as of a later GASB Measurement Date using standard actuarial roll forward procedures. The discount rates used at the two liability measurement dates differ due to changes in the applicable municipal bond index between dates.

The actuarial assumptions that determined the total pension liability of the HIS Pension Plan as of June 30, 2022, were based on the results of an actuarial experience study for the period July 1, 2013 through June 30, 2018.

Valuation Date	July 1, 2022
Measurement date	June 30, 2022
Discount rate	3.54%
Investment rate of return	N/A
Bond Buyer General 20-Bond Municipal Bond	3.54%
Inflation	2.40%
Salary increases, including inflation	3.25%
Mortality	PUB-2010 base table with projection scale MP-2018
Actuarial cost method	Individual Entry Age

Discount Rate – In general the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the long-term expected rate of return for benefit payments prior to the projected depletion date. Because the HIS Pension Plan is essentially funded on a pay as you go basis, the depletion date is considered to be immediate, and the single rate is equal to the municipal bond rate selected by the plan sponsor. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index. The discount rate increased by 1.38% from 2.16% at June 30, 2021 to 3.54% at June 30, 2022 due to changes in the applicable municipal bond index.

Long-Term Expected Rate of Return – as stated above, the HIS Pension Plan is essentially funded on a pay as you go basis. As such, there is no assumption for a long-term expected rate of return on a portfolio, no assumption for cash flows into and out of the pension plan, or assumed asset allocation.

Sensitivity of the City’s Proportionate Share of the Net Position Liability to Changes in the Discount Rate – The following presents the City’s proportionate share of the net pension liability of the HIS Pension Plan calculated using the discount rate of 3.54 percent. Also presented is what the City’s proportionate share of the FRS Pension Plan net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (2.54 percent) or 1-percentage-point higher (4.54 percent) than the current rate:

3. Firefighters' Retirement Fund

The City of Dunedin Municipal Firefighters' Pension Trust Fund issues a publicly available financial report that includes financial statements and required supplementary information for single employer pension plans. That report may be obtained by writing to: Saltmarsh, Cleaveland & Gund, 201 N. Franklin St., Suite 1625, Tampa, FL, 33602.

GASB Statement 67 *Financial Reporting For Pension Plans*, requires certain disclosures to be made for state and local government pension plans. It requires the net pension liability (asset) to be measured as the total pension liability, less the amount of the pension plan's fiduciary net position. The total pension liability (asset) should be determined by (a) an actuarial valuation as of the date of measurement, or (b) the use of update procedures to roll forward the measurement date amounts from an actuarial valuation as of a date no more than 24 months prior to the pension plan's fiscal year end. Since the Firefighters' Pension Plan issues its own financial statements incorporating these disclosures, these disclosures are not included in the City's notes to its financial statements.

Contributions are received from members through payroll deductions at 5.5% of wages. Employer contributions include Chapter 175 Premium Tax Refunds received from the State of Florida under Florida Statutes and any additional amount determined by the actuary to fund the plan properly according to State Laws. If a non-vested firefighter retires, dies, becomes disabled, or terminates employment with the City, accumulated contributions paid by the firefighter are refunded to the firefighter or the designated beneficiary.

Plan Membership in the Plan as of October 1, 2020:

Group	Number of Employees
Inactive plan members or beneficiaries currently receiving benefits	53
Inactive plan members entitled to but not yet receiving benefits	5
Active plan members	44
Total	<u>102</u>

Pension Benefits under the Plan include retirement benefits as well as death and disability benefits. To be eligible for normal retirement the participant must be age 55 with 10 years of service or age 52 with 25 years of service. Benefits are equal to 3% of the participant's average

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

final compensation for each of the first 25 years of credited service and 2% of average compensation for each year in excess of 37.5 years. Service between 25 and 37.5 years does not add benefits. Beginning in April 2003, a supplemental monthly benefit of \$3 per year of service, not to exceed \$75, was added for future retirees. In fiscal year 2016 the supplemental monthly benefit was increased to \$13 per year of service, and the limitation not to exceed \$75 was increased to \$325. In fiscal year 2019 the supplemental monthly benefit was increased to \$16 per year of service and the limitation to \$400. A participant is vested after ten years of service.

Deferred Retirement Option Plan (DROP) is available to any plan member who is eligible to receive a normal retirement pension. Upon electing to participate in DROP, the member becomes a retiree for all Plan purposes while continuing his or her active employment as a firefighter. He or she ceases to accrue any further benefits under the pension plan. Normal retirement payments that would have been payable to the member as a result of retirement are accumulated and invested in the DROP to be distributed to the member upon his or her termination of employment. Participation in the DROP ceases for a Plan participant after the earlier of 5 years or the attainment of thirty years of service.

Basis of Accounting - The accrual basis of accounting is used for the Plan. Under the accrual basis of accounting, revenues are recognized when they are earned and collection is reasonably assured, and expenses are recognized when the liability is incurred. Plan member contributions are recognized in the period in which the contributions are due. City contributions to the plan, as calculated by the Plan's actuary, are recognized as revenue when due. Benefits and refunds are recognized when due and payable, in accordance with the terms of the plan. Investments are measured at fair value based on quoted market prices for securities held by the Plan.

Valuation of Investments – Investments of common stock and bonds traded on a national securities exchange are valued at the last reported sales price on the last business day of the plan year; securities traded in the over-the-counter market and listed securities for which no sale was reported on that date are valued at the mean between the past reported bid and asked prices; investments in securities not having an established market value are valued at fair value as determined by the Board of Trustees. The fair value of an investment is the amount that the Plan could reasonably expect to receive for it in a current sale between market participants, other than in a forced or liquidated sale. Investment transactions are recorded on a trade date basis.

Investment income is recognized on the accrual basis as earned. Unrealized appreciation or depreciation in fair value of investments includes the differences between cost and fair value of investments held. The net realized and unrealized investment appreciation or depreciation for the year is reflected in the Statement of Change in Fiduciary Net Pension.

The City's Firefighters' Pension Plan's net pension asset recorded in the September 30, 2022 financial statements was measured as of September 30, 2021 and the total pension asset used to calculate the net pension asset was determined by an actuarial valuation as of that date.

The City's firefighters' net pension asset at September 30, 2022 will agree to the Change in Net Pension Liability (Asset) schedule that is presented on the following page. The City's firefighters'

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

pension plan’s fiduciary net position used in the calculation is dated as of the measurement date of September 30, 2021 and will agree to the Pension Plan’s financial statements as of September 30, 2021.

Actuarial Assumptions – The total pension liability (asset) was determined by an actuarial valuation as of October 1, 2020 updated to September 30, 2021 using the following actuarial assumptions:

Inflation	2.50%
Salary increases	Service Based
Discount Rate	7.25%
Investment rate of return	7.25%
<i>Mortality Rate Healthy Lives:</i>	
Female: PubS.H-2010 (Below Median) for Employees, set forward one year.	
Male: PubS.H-2010 (Below Median) for Employees, set forward one year.	
<i>Mortality Rate Healthy Inactive Lives:</i>	
Female: PubS.H-2010 (Below Median) for Healthy Retirees, set forward one year.	
Male: PubS.H-2010 (Below Median) for Healthy Retirees, set forward one year.	
<i>Mortality Rate Disabled Lives:</i>	
Female: 80% PubG.H-2010 for Disabled Retirees / 20% PubS.H2010 for Disabled Retirees.	
Male: 80% PubG.H-2010 for Disabled Retirees / 20% PubS.H2010 for Disabled Retirees.	

The inflation assumption remained the same as prior year at 2.50%.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included the pension plan’s target asset allocation as of September 30, 2021, are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Domestic Equity	52.50%	7.50%
International Equity	12.50%	8.50%
Domestic Fixed Income	25.00%	2.50%
Real Estate	10.00%	4.50%
Total	<u>100.00%</u>

Net investment income	-	5,924,254	(5,924,254)
Benefit Payments, Including Refunds of Employee Contributions	(1,887,729)	(1,887,729)	-
Administrative expense	-	(92,221)	92,221
Net changes	2,437,402	5,037,792	(2,600,390)
Balance at September 30, 2022	\$ 34,999,774	\$ 37,311,409	\$ (2,311,635)

Discount Rate – The discount rate used to measure the total pension liability was 7.25 percent. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the City’s contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of Net Pension Liability to Changes in the Discount Rate – The following table illustrates the impact of interest rate sensitivity on the net pension liability (asset) as of September 30, 2022.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

	1% Decrease 6.25%	Current Discount Rate 7.25%	1% Increase 8.25%
City's net pension liability (asset)	\$ 1,597,963	\$ (2,311,635)	\$ (5,594,165)

Detailed information about the pension plan's fiduciary net position is available in a separately issued Plan financial report.

For the year ended September 30, 2022, the City will recognize a pension expense of \$222,152. At September 30, 2022, the City reported deferred outflows of resources and deferred inflows of resources related to pension from the following sources:

	Deferred Outflow of Resources	Deferred Inflow of Resources
Differences between expected and actual experience	\$ 5,719	\$ 310,130
Changes of assumptions	864,513	96,333
Net difference between projected and actual earnings on Plan investments	615,456	3,523,415
	<u>1,485,688</u>	<u>3,929,878</u>
Employer and state contributions subsequent to the measurement date	868,044	-
Total	<u>\$ 2,353,732</u>	<u>\$ 3,929,878</u>

The deferred outflows of resources related to the City contributions to the Plan subsequent to the measurement date, will be recognized as a reduction of the net position liability (asset) for the year ended September 30, 2022. Deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended September 30:	
2023	\$ (602,775)
2024	(430,200)
2025	(703,820)
2026	(707,395)
	<u>\$ (2,444,190)</u>

The following summarizes net pension asset, net pension liability, and deferred inflow/outflow of resources previously disclosed for the Defined Benefit Pension Plans:

	<u>\$ 118,687</u>	<u>\$ 2,905,853</u>	<u>\$ 4,974,166</u>	<u>\$ (11,030)</u>

3. Defined Contribution Plan

Beginning January 1, 1996, the City began providing retirement benefits for all of its regular status employees not covered under the Florida Retirement System or the Municipal Firefighters' Pension Trust Fund through a non-contributory defined contribution plan administered by Empower Retirement under their prototype Profit-Sharing Plan and Trust Agreement. At September 30, 2022 there were 265 Plan members in the defined contribution plan. Benefits depend solely on amounts contributed to the Plan plus investment earnings. The City's contributions for each employee (and interest allocated to the employee's account) are fully vested after five years of continuous service, 75% vested after four years of service, and 50% vested after three years of service.

City contributions for, and interest forfeited by, employees who leave employment before five years are used to reduce the City's current-period contribution requirement. Plan provisions and contribution requirements are established and may be amended by the City Commission.

The City's total payroll for fiscal year ended September 30, 2022 upon which contributions were based, was approximately \$16.1 million. The City's contributions are calculated using the participant's total compensation. City contributions for the years ended September 30, 2022, 2021, and 2020 were \$1,177,518, \$1,118,222, and \$1,120,984, respectively.

B. SELF INSURANCE PROGRAM

As a public entity, the City always has the potential risk for exposure to: torts; theft of, damage to and destruction of assets; errors and omissions by employees; injuries to employees and citizens; and natural disasters.

In 2009, the City established a Self-Insurance Fund which is an Internal Service Fund to account for and finance a portion of any uninsured loss. The City utilizes this fund to self-insure the first \$100,000 of property damage per occurrence (except named storms). Other deductibles include 5% for Named Storm, subject to a minimum of \$500,000; (\$100,000 for all other wind damage), and the first \$350,000 of any employee work-related injuries (i.e. workers compensation claims). The City is also insured for all automobile physical damage, subject to the first \$25,000. Separate insurance policies are maintained for other purposes, such as Camp liability for City camps and before/after school care, Marina Operators Liability for the Dunedin Marina, Medical Professional liability for the City's fire department personnel, Public Officials liability for City personnel, and Storage Tank 3rd Party liability to mitigate liability created by fuel tank environmental pollution.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Such coverages are fully insured and, in most cases, subject to a deductible. All claims for general liability, settlements, as well as insurance premiums and deductibles for covered assets are included within the City's Self-Insurance Fund.

The City is a governmental entity entitled to all statutory protection for such entities, including Fla. Statutes § 768.28 (5). Settled claims have not exceeded the overall program premiums since the plan's inception.

The self insurance program is supported by funding provided by various City departments and accounting funds, based on the following allocations:

- For potential property damage or loss funding is allocated based on property asset values maintained by departments,
- For potential general liability claims funding is allocated based on fund/department operating expenditure/expense percentages, and
- For potential worker's compensation claims funding is allocated based on job classifications assigned to the departments.

The Fund maintains a minimum of \$3.5 million in reserves per Resolution No. 15-05 adopted on January 22, 2015.

The claims liability of \$897,820, reported in the Fund at September 30, 2022, is based on information identified prior to the issuance of the financial statements, and indicates that a liability has been incurred as of the date of the financial statements and that the amount of the loss can be reasonably estimated. These liabilities, including IBNR (incurred but not reported claims), are based on the estimated ultimate cost of settling the claims (excluding the effects of inflation and other societal and economic factors), using past experience adjusted for current trends and any other factors that would modify past experiences. Claims liabilities also include specific incremental claim adjustment expenses. Changes in the Fund's claims liability amount during the year ended September 30, 2022, are as follows:

	Workers Compensation	Property and Liability	Total
Claims reserve, September 30, 2020	\$ 612,454	\$ 267,955	\$ 880,409
Plus: Incurred claims and reserve adjustments	201,559	567,923	769,482
Less: Paid claims and reserve adjustments	<u>(204,605)</u>	<u>(480,020)</u>	<u>(684,625)</u>
Claims reserve, September 30, 2021	609,408	355,858	965,266
Plus: Incurred claims and reserve adjustments	27,401	248,520	275,921
Less: Paid claims and reserve adjustments	<u>(78,401)</u>	<u>(264,966)</u>	<u>(343,367)</u>
Claims reserve, September 30, 2022	<u>\$ 558,408</u>	<u>\$ 339,412</u>	<u>\$ 897,820</u>

The City is also self-insured for its Employee Health Plans. The Health Benefits Fund was established October 1, 2010. The Fund is accounted for in an Internal Service Fund and is externally administered, for an annually contracted amount that is based on dollar value of claims

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

processed. Contributions to the health plans (i.e. medical and dental insurance) for City employees and their dependents are shared by the City and the employee. Administrative fees are paid primarily out of this fund. Stop-loss insurance is maintained for this program at \$110,000 per individual with an annual aggregate stop-loss of 125% of total claims. No claims have exceeded the annual aggregate maximum since the Plan’s inception.

Changes in the Fund’s claims liability amount during the year ended September 30, 2022, are as follows:

	Health Benefit Plan
Claims reserve, October 1, 2020	\$ 167,503
Plus: Incurred claims and reserve adjustments	3,782,947
Less: Paid claims and reserve adjustments	<u>(3,655,151)</u>
Claims reserve, September 30, 2021	295,299
Plus: Incurred claims and reserve adjustments	2,581,075
Less: Paid claims and reserve adjustments	<u>(2,604,773)</u>
Claims reserve, September 30, 2022	<u><u>\$ 271,601</u></u>

C. OTHER POST-EMPLOYMENT BENEFITS (OPEB)

GASB Statement No. 75, “Accounting and Financial Reporting for Postemployment Benefits Other than Pensions”, established new accounting and reporting requirements for postretirement benefits (OPEB). The standard does not require funding of OPEB expense, but any difference between amounts funded to the plan and the OPEB liability is required to be recorded in the employer's financial statement as an increase (or decrease) in the net liability. The plan is ‘pay as you go’, therefore the full OPEB liability is recorded in the statements.

Plan Description and Funding Policy

The City of Dunedin has a single-employer defined benefit plan (OPEB) that covers eligible retirees and their dependents, who may continue to participate in the City's health insurance programs at the “blended” employee group rate which is determined annually by the City and approved by the City Commission. Retirees have 31 days to elect to enroll in the City’s health insurance plan in which they were participating at the time of retirement unless otherwise stated in a plan document or collective bargaining agreement. As of the latest actuarial valuation date, a total of 326 active employees and 3 retired, inactive employees were participating in the City’s health program. The City provides no funding for any portion of the premiums after retirement; however, the City recognizes that there is an "implicit subsidy" arising as a result of the blended rate premium since retiree health care costs, on average, are higher than active employee healthcare costs. The plan is not accounted for as a trust fund since an irrevocable trust has not been established to fund the plan. The plan does not issue a separate financial report.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Total OPEB Liability

The measurement date for the City's OPEB liability is September 30, 2022, the same as the reporting date. The measurement period for the OPEB cost was October 1, 2021 to September 30, 2022. The components of the City's OPEB liability at September 30, 2022 are as follows:

Total OPEB liability	\$ 1,717,093
OPEB Plan fiduciary net position	-
City's net OPEB liability	<u>\$ 1,717,093</u>
 OPEB Plan fiduciary net position as a percentage of total OPEB liability	 0.00%

Actuarial Assumptions - The total OPEB liability at September 30, 2022 was based on an actuarial valuation date of September 30, 2021. Significant methods and assumptions used for this valuation are as follows:

Inflation Rate	2.50%
Discount Rate	4.77%
Healthcare cost trend rate	4.00%

Mortality rates were based on the Pub-2010 mortality tables. All tables include fully generational adjustments for mortality improvements using gender-specific improvement scale MP-2018.

Discount Rate – The discount rate used to measure the total OPEB liability at September 30, 2022 was 4.77%, up from the September 30, 2021 rate of 2.43%. Because the City's OPEB costs are funded on a pay-as-you-go structure, in accordance with GASB Statement No. 75 a municipal bond rate must be used to in valuing the total OPEB liability. For the current valuation, the discount rate was based on the S&P Municipal Bond 20 Year High Grade Rate Index as published by the S&P Dow Jones Indices nearest the measurement date. The Index consists of bonds in the S&P Municipal Bond Index with a maturity of 20 years. Eligible bonds must be rated at least AA by Standard and Poor's Rating Services, Aa2 by Moody's or AA by Fitch. If there are multiple ratings, the lowest rating is used.

Changes in the Total OPEB Liability

	<u>Total OPEB Liability</u>
Balance at September 30, 2021	\$ 1,892,798
<i>Changes for the Year:</i>	
Service cost	162,350
Interest	49,598
Changes in assumptions	(359,355)
Differences between expected and actual experience	-
Benefit payments	<u>(28,298)</u>
Net Changes	<u>(175,705)</u>
Balance at September 30, 2022	<u>\$ 1,717,093</u>

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Sensitivity of the total OPEB Liability to Changes in the Discount Rate – The following table represents the total OPEB liability, calculated using the discount rate of 4.77%, as well as what the City’s total liability would be if it were calculated using a discount rate that is one percentage-point lower (3.77%) or one percentage-point higher (5.77%) than the current discount rate:

	1% Decrease <u>3.77%</u>	Current Discount Rate <u>4.77%</u>	1% Increase <u>5.77%</u>
Total OPEB Liability	\$ 1,865,533	\$ 1,717,093	\$ 1,577,638

Sensitivity of the total OPEB Liability to Changes in the Healthcare Cost Trend Rates – The following table represents the total OPEB liability, calculated using the healthcare cost trend rate of 4.00%, as well as what the City’s total liability would be if it were calculated using a healthcare cost trend rate that is one percentage-point lower (3.00%) or one percentage-point higher (5.00%) than the current discount rate:

	1% Decrease <u>3.00%</u>	Current Healthcare Cost Trend Rate <u>4.00%</u>	1% Increase <u>5.00%</u>
Total OPEB Liability	\$ 1,496,822	\$ 1,717,093	\$ 1,979,810

OPEB Expense, Deferred Outflows of Resources and Deferred Inflow of Resources Related to OPEB – For the year ended September 30, 2022 the City recognized OPEB expense of \$197,210. At September 30, 2022, the City has deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflow of Resources	Deferred Inflow of Resources
Differences between expected and actual experience	\$ 183,540	\$ 188,594
Changes of assumptions	139,706	548,533
Total	<u>\$ 323,246</u>	<u>\$ 737,127</u>

Deferred outflow of resources above will be recognized as OPEB expense in the following years:

Year ended September 30:	
2023	\$ (16,738)
2024	(16,738)
2025	(16,735)
2026	(21,599)
2027	(44,887)
Thereafter*	<u>(297,184)</u>
	<u>\$ (413,881)</u>

* Note that additional future deferred inflows and outflows of resources may impact these numbers.

D. CONTINGENCIES AND COMMITMENTS

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the State of Florida. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time, although the City expects such amounts, if any, to be immaterial. Various other suits and claims, arising in the ordinary course of the City's operations, are pending against the City of Dunedin. These claims consist of personal injury, discrimination, property damage and sales tax. The ultimate effect of such litigation cannot be ascertained at this time, but are not expected to be material.

E. FEDERAL AND STATE GRANTS

The City participates in a number of federal and state grant programs. These programs are subject to audit by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based upon prior experience, the City does believe, the amount of disallowances, if any, would have a material effect on the financial position of the City.

Nonspendable Fund Balance – Amounts that are (a) not in spendable form or (b) legally or contractually required to remain intact.

Restricted Fund Balance – Amounts that can be spent only for specific purposes stipulated by (a) external resource providers such as creditors (by debt covenants), grantors, contributors, or laws and regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.

CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022

Committed Fund Balance – Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the City Commission, which is the City’s highest level of decision making authority, with same formal action (resolution) occurring prior to the City’s fiscal year-end. Commitments may be modified or removed only by the City Commissioners taking the same formal action that imposed the constraint originally.

Included in committed fund balance are Cemetery revenues from the sale of burial spaces as established by Resolution 94-20 which was amended by Resolution 08-27, contributions to the G. Koutsourais fund to provide recreational activities for Dunedin’s youth (Resolution 93-58), and fees collected and held in the Tree Bank for the purchase of trees to be used on city owned property. The Tree Bank was established as part of the city’s Code of Ordinances (Section 105-43.18).

Assigned Fund Balance – Includes spendable fund balance amounts established by an official (either the City Manager or Finance Director) authorized by the City Commission that are intended to be used for specific purposes that are neither considered restricted nor committed. Such authorization was established via Resolution 12-09.

The table below shows the breakout of encumbrances by major and nonmajor governmental funds in the aggregate, and the General Fund’s subsequent year’s budget. The total of the General Fund’s encumbrances and subsequent year’s budget are included in assigned fund balance.

Encumbrances

Major governmental funds:	
General Fund	\$ 648,243
CRA Fund	92,832
Penny Fund	5,184,525
ARPA Fund	<u>382,281</u>
Total Major funds	6,307,881
Other Governmental Funds	<u>69,888</u>
Total Encumbrances	<u><u>\$ 6,377,769</u></u>
<u>Subsequent Year's Budget</u>	
General Fund	<u><u>\$ 927,328</u></u>

Unassigned Fund Balance – The residual classification for the General Fund, representing fund balance that has not been assigned to other funds and that has not been restricted, committed, or assigned to specific purposes within the General Fund. Unassigned fund balance may also include negative balances for any governmental fund, except for the General Fund, if expenditures incurred for specific purposes exceed the amounts restricted, committed, or assigned to those purposes.

Regarding spending priorities, the City’s fund balance guideline does not address prioritization among fund balance categories. However, it is assumed that restricted funds will be spent first unless there are legal documents that prohibit doing this, such as grant agreements. For unrestricted fund balance amounts, committed would be reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

**CITY OF DUNEDIN, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
SEPTEMBER 30, 2022**

NOTE 7 – FUND BALANCE DEFICITS

The following fund had a deficit fund balance at September 30, 2022:

<u>Fund Name</u>	<u>Deficit Amount</u>
Public Art Fund	\$ (3,084)

The Public Art Fund was established in FY 2020 to account for the receipt and disbursement of revenues and expenditures associated with contributions received from private owners and developers who are subject to the City’s design/review process, or as required by City ordinance related to capital improvement projects. As of fiscal year end, the fund had not realized revenues sufficient to cover the minor expenditures incurred during the fiscal year under the guidelines of the public art program. The anticipation is that future year revenues will reverse the deficit balance in the fund.

REQUIRED SUPPLEMENTARY INFORMATION
SEPTEMBER 30, 2022**

City of Dunedin Municipal Firefighters' Retirement System

Notes to Schedule of Changes in the Net Pension:

The City implemented GASB Statement No. 68 for the fiscal year ended September 30, 2016, using a measurement date of September 30, 2015. Information for years prior to September 30, 2013 is not available.

The Covered Payroll numbers shown are in compliance with GASB 82, except for the 09/30/2015 measurement period which includes DROP payroll.

Changes of Benefits Terms: For measurement date 09/30/2016, Ordinance 16-22 was adopted. The change was an increase in the Supplemental benefit from \$3 to \$13 per month per year of service up to a maximum of \$325 for Members who retire on or after October 1, 2016 or enter the DROP on or after October 1, 2014.

Changes of Assumptions: For measurement date 09/30/2016, as a result of an October 3, 2016 Experience Study and as a result of recent State legislation, the Board has made the following assumption changes:

The assumed rates of mortality were changed to match those used by the FRS for special risk employees in their July 1, 2015 valuation report.

The expected withdrawal rates were reduced, as shown in the Actuarial Assumptions and Methods section of the 10/01/2016 valuation report.

The investment return assumption was reduced from 7.75% to 7.50% per year, net of investment related expenses.

The assumed rates of individual salary increase were reduced as shown in the Actuarial Assumptions and Methods section of the 10/01/2016 valuation report.

The assumed rates of retirement were reduced at each age, as shown in the Actuarial Assumptions and Methods section of the 10/01/2016 valuation report.

In addition, the inflation assumption rate was lowered from 3.0% to 2.5%, matching the long-term inflation assumption utilized by the Plan's investment consultant.

Changes of Assumptions: For measurement date 09/30/2019, amounts reported as changes of benefit terms resulted from the provisions of Chapter 112.1816, Florida Statutes.

Effective July 1, 2019, a death or disability (under the Plan's definition of total and permanent disability) for a Firefighter due to the diagnosis of cancer or circumstances that arise out of the treatment of cancer will be treated as duty-related.

Additionally, the Supplemental Benefit has been increased from \$13 per month per year of service to \$16 per month per year of service.

Nonmajor Governmental Funds

Special Revenue Funds

Special Revenue Funds are used to account for the receipt, custody, and expenditure of revenues from specific sources for which the City is required legally to limit expenditures to particular uses and to account separately for these resources.

Public Art

To account for the receipt and disbursement of revenues and expenditures associated with contributions received from private owners and developers who are subject to the City's design/review process, or as required by City ordinance related to capital improvement projects.

Impact Fees

To account for the receipt and disbursement of fees levied to pay for future parkland, fire department capital outlays, law enforcement capital outlays, and transportation capital outlays. This fund is also used to collect for and disburse to the County its share of transportation impact fees.

Building

To account for the revenue and expenditures associated with the enforcement of the Florida Building Code. In addition, the fund was established to ensure that the existing permit fee structure covers operating expenses and that funds are being used in accordance with State law.

County Gas Tax

To account for the costs of road and street improvements funded by proceeds of the Pinellas County gas tax.

Stadium

To account for the receipt and disbursement of revenues from various recreational activities as mandated upon the issuance of Capital Improvement Recreation Certificates.

STATISTICAL SECTION

Statistical Section

This part of the City of Dunedin’s annual comprehensive financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the government’s overall financial health.

<u>Contents</u>	<u>Page</u>
Financial Trends	143
These schedules contain trend information to help the reader understand how the government’s financial performance and well-being have changed over time	
Revenue Capacity	157
These schedules contain information to help the reader assess the government’s most significant local revenue source, the property tax	
Debt Capacity	163
These schedules present information to help the reader assess the affordability of the government’s current levels of outstanding debt and the government’s ability to issue additional debt in the future	
Demographic and Economic Information	171
These schedules offer demographic and economic indicators to help the reader understand the environment within which the government’s financial activities take place	
Operating Information	175
These schedules contain service and infrastructure data to help the reader understand how the information in the government’s financial report relates to the services the government provides and the activities it performs	

Sources: Unless otherwise noted, the information in these schedules is derived from the annual comprehensive financial reports for the relevant year.

COMPLIANCE SECTION

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Dunedin, Florida (the City) as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated April 4, 2023. Our report includes a reference to other auditors who audited the financial statements of the City's Municipal Firefighters' Pension Trust Fund, as described in our report on the City's financial statements. The financial statements of the City's Municipal Firefighters' Pension Trust Fund were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or compliance and other matters associated with the City's Municipal Firefighters' Pension Trust Fund.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's basic financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, grant agreements and contracts, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the City in a separate letter dated April 4, 2023.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR
FEDERAL PROGRAM AND MAJOR STATE PROJECT AND ON INTERNAL CONTROL
OVER COMPLIANCE AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL
AWARDS AND STATE FINANCIAL ASSISTANCE IN ACCORDANCE WITH THE UNIFORM
GUIDANCE AND CHAPTER 10.550, *RULES OF THE AUDITOR GENERAL***

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

Report on Compliance for Each Federal Program and State Project

We have audited the compliance of the City of Dunedin, Florida (the City) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* and the requirements described in the Department of Financial Services State Projects *Compliance Supplement* that could have a direct and material effect on each of its major federal programs and major state projects for the fiscal year ended September 30, 2022. The City’s major federal programs and state projects are identified in the summary of auditor’s results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and major state projects for the fiscal year ended September 30, 2022.

Basis for Opinion for Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, *Rules of the Auditor General*. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City’s compliance with the compliance requirements referred to above.

Responsibility of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the City’s federal programs and state projects.

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance; and Chapter 10.550, *Rules of the Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

Report on Internal Control over Compliance (Continued)

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards and State Financial Assistance required by the Uniform Guidance and Chapter 10.550, Rules of the Auditor General

We have audited the basic financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We issued our report thereon dated April 4, 2023, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance is presented for the purposes of additional analysis, as required by the Uniform Guidance, Chapter 69I-5, *Schedule of Expenditures of State Financial Assistance*, Rules of the Department of Financial Services, and Chapter 10.550, *Rules of the Auditor General*, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

SECTION IV – PRIOR-YEAR AUDIT FINDINGS

No matters are reported.

INDEPENDENT ACCOUNTANT'S REPORT

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

We have examined the compliance of the City of Dunedin, Florida (the City) with the requirements of Sections 218.415, Florida Statutes, during the fiscal year ended September 30, 2022. Management is responsible for the City's compliance with those requirements. Our responsibility is to express an opinion on the City's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the City complied with those requirements, in all material respects. An examination involves performing procedures to obtain evidence about the City's compliance with those requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the City's compliance with specified requirements.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, the City complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2022.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

Report on the Financial Statements

We have audited the basic financial statements of the City of Dunedin, Florida (the City) as of and for the fiscal year ended September 30, 2022, and have issued our report thereon dated April 4, 2023.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have also issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditor's Report on Compliance for Each Major Federal Program and Major State Project and on Internal Control over Compliance and Report on Schedule of Expenditures of Federal Awards and State Financial Assistance in Accordance with the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*; Schedule of Findings and Questioned Costs; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule, which are dated April 4, 2023, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. In connection with the preceding audit, there were no findings or recommendations.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

Honorable Mayor and
Members of the City Commission
City of Dunedin, Florida

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require that we apply appropriate procedures and report the results of our determination as to whether or not the City has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based, in part, on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management, accounting procedures, and internal controls. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.c, *Rules of the Auditor General*, requires that we determine whether or not a special district that is a component unit of a county, municipality, or special district, provided the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, *Rules of the Auditor General*, see separately issued financial statements for the City of Dunedin CRA.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires that we communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Mayor, City Commission, and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

MASTER'S DEED

THIS INSTRUMENT, Made this 6th day of June, A.D. 1937, Between Harry L. Thompson, as Special Master in Chancery, of the first part, and City of Dunedin, a municipal corporation under the laws of the State of Florida, in Pinellas County, Florida, of the second part;

WHEREAS, the Circuit Court of the Sixth Judicial Circuit of the State of Florida, in and for Pinellas County, in Chancery, on the 11th day of May, 1937, among other things ordered, adjudged and decreed, in a certain cause then pending in said Court, between City of Dunedin, a municipal corporation, complainant, and Rhea & Company, Incorporated, a dissolved Florida corporation, and all unknown persons or parties claiming any right, title and interest in, to or over the herein described property through, under or from said dissolved corporation, and Virginia Park Company, Inc., a dissolved Florida corporation, and all unknown persons or parties claiming any right, title and interest in, to or over the herein described property through, under or from said dissolved corporation, defendants, that the premises described in said decree, and hereinafter particularly described, be sold by the undersigned Special Master in parcels as therein described to the highest and best bidder for cash on some Rule Day of said Court during the legal hours of sale at the front door of the Court House in Clearwater, Pinellas County, Florida, after first publishing a notice of the time, place and manner of sale in a newspaper of general circulation published in Pinellas County, Florida, for two consecutive weeks, and

WHEREAS, the said Special Master, in pursuance of the said order and decree of the said Court in Chancery, after first giving and publishing notice of the time and place of sale, together with a description of the premises to be sold, as aforesaid, for two consecutive weeks in The Dunedin Times, a newspaper of general circulation published at Dunedin, in Pinellas County, Florida, did, on the 7th day of June, 1937, sell at public auction the said premises, in parcels as hereinafter particularly described, agreeable to the order aforesaid; at which sale the said premises, in parcels, were sold to the said party of the second part for the total sum of Twenty-five Hundred (\$2500.00) Dollars, as follows:

Parcel One. NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 34, Township 28 South, Range 15 East, less a lot in NE corner running east and west 345 feet and north and south 635 feet known as school tract,

for the sum of Two Thousand (\$2000.00) Dollars, that being the highest sum bid for the same; and

Parcel Two. That lot beginning 25 feet south and 25 feet west of NW corner of NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 34-28-15, and running west 196 feet, south 100 feet, east 196 feet, north 100 feet to P.O.B.,

for the sum of Five Hundred (\$500.00) Dollars, that being the highest sum bid for the same, and

WHEREAS, the said undersigned Special Master, party of the first part, did thereafter make his report of sale, together with all his acts and doings thereunto to said Court, and the Court did, on the 18th day of June, 1937, by order and decree, confirm the sale so made and so reported, and did order and direct said Special Master to make, execute and deliver a Master's Deed conveying said described property to the said City of Dunedin a municipal corporation, the purchaser at said sale, and in and by said order the said Court did fully ratify and confirm the sale so made,

NOW, THEREFORE, THIS INDENTURE WITNESSETH: That the said Special Master, in order to carry into effect the said sale so made as aforesaid, in pursuance of the said decree of the said Court of Chancery, in consideration of the premises, and of the said sum of Twenty-five Hundred (\$2500.00) Dollars, paid at the time of the execution hereof, by the said party of the second part to the said Special Master, the receipt whereof he does hereby acknowledge, has granted, bargained, sold, aliened, released, conveyed and confirmed, and by these presents does grant, bargain and sell, alien, release, convey and confirm unto the said party of the second part, and to its successors and assigns forever, the certain parcels of land in the County of Pinellas, State of Florida, described as follows:

School

NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 34, Township 28 South, Range 15 East, less a lot in NE corner running east and west 345 feet and north and south 635 feet known as school tract, and

VFW

That lot beginning 25 feet south and 25 feet west of NW corner of NW $\frac{1}{4}$ of SE $\frac{1}{4}$ of Section 34-28-15, and running west 196 feet, south 100 feet, east 196 feet, north 100 feet to P.O.B.,

together with all and singular the rights, members, privileges, hereditaments and appurtenances to the same belonging or in anywise appertaining.

TO HAVE AND TO HOLD all and singular the said premises, above mentioned and described, and hereby granted and conveyed, or intended so to be, with the appurtenances, unto the said party of the second part, its successors

and assigns, forever.

IN WITNESS WHEREOF, the said Special Master in Chancery, as aforesaid, has herunto set his hand and seal, the day and year first above written.

Updated April 24 2018

DUNEDIN — The Pinellas County Commission pulled the final trigger Tuesday on dedicating \$41.7 million in bed taxes for upgrades to the Toronto Blue Jays' stadium and spring training facilities, a pledge that amounts to covering more than half of the project.

It is a milestone following years of uncertainty over whether the city could garner the funding to build a state of the art facility to keep the Blue Jays in Dunedin after 40 years.

PREVIOUS COVERAGE: *Dunedin, Toronto Blue Jays appear headed toward \$81 million spring training deal*

In November, the city locked-in the team to stay for another 25 years with a new licensing agreement. But the county's funding commitment to the \$81 million renovation of Florida Auto Exchange Stadium and the training site at the Englebert Complex on Solon Avenue was the major piece needed before the development agreement can be signed, sealed and delivered.

ADVERTISEMENT

The unanimous vote by the County Commission was enough to bring Mayor Julie Ward Bujalski to tears.

"I could not be more proud," Bujalski said Tuesday. "We have a huge quality of life here and no one thing makes our quality of life. It's a combination of things. Spring training is part of that."

But the deal comes with serious risk, enough for City Attorney Tom Trask, hired financial advisors and the board of finance to warn against it.

According to the staggered agreement, the county will split its payment over several years: \$1.3 million is available now, \$14.8 million will be paid Oct. 1 and \$25.6 million in fiscal year 2020. The money is coming from the 6 percent bed tax paid by visitors in hotels, motels and other overnight rentals.

Trask said "it was always presented" to him the county would pay the funds upfront. Staggered payouts in the contract pose serious risk if the county fails to pay up mid-construction, either because a sudden emergency like a storm or if state law changes to prevent bed tax dollars be used for stadiums.

City Manager Jennifer Bramley said she has unequivocal assurance the county "has never reneged on a funding agreement and does not intend to do so now."

ADVERTISEMENT

The City Commission voted unanimously Monday to approve the agreement so the county could vote on it Tuesday. In a lengthy Sunday evening phone conversation with Blue Jays President Mark Shapiro, Bramley said he told her the team would look elsewhere if the approval of the funding agreement was postponed for more negotiations.

Commissioner Heather Gracy said the partnership is about trust.

"I'm nervous, but I will double down on Dunedin like I normally do, and I trust the county," Gracy said. "I certainly trust our partners on the field."

The county's share for the stadium is the largest gift of bed taxes negotiated last year. It also contributed \$26 million for the Clearwater Marine Aquarium; \$6 million for the Museum of the American Arts and Crafts Movement; \$5.5 million for Ruth Eckerd Hall; \$1.9 million for the Countryside Sports Complex; and \$495,000 for the Eddie C. Moore Softball Complex.

The city will pay \$5.6 million for the project, which is already on hand. The state has pledged \$13.6 million, contingent on the county's agreement passing Tuesday, and the Blue Jays will contribute \$20 million.

PREVIOUS COVERAGE: *Clock is ticking for Dunedin to sign deal with Toronto Blue Jays*

But the city will have to issue bonds for the state and team's \$33 million combined share, to be repaid over two decades. Bujalski said construction will be contracted in phases to keep up with the flow of funding.

The Blue Jays has also agreed to fund an additional \$25 million over 25 years in maintenance, operations and repairs on facilities the city will own.

Bujalski said the city will now finalize a development agreement with the team and select an architect. She hopes construction can begin before the end of the year.

In approving the funding, County Commissioner Charlie Justice said while there's debate over whether tax money should fund stadiums, the enterprise directly benefits residents.

Commissioner Dave Eggers, former mayor of Dunedin, said the Blue Jays' commitment to permitting high school students to play in the stadium is a detail that sweetens the deal.

"All of these dollars we are spending on private ventures have public purpose," Eggers said. "It is about kids playing on these fields. It doesn't happen everywhere. ... It is about the Blue Jays really embracing what our community is all about."

RESOLUTION 17-52

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF DUNEDIN APPROVING THE FORM OF AND AUTHORIZING THE EXECUTION AND DELIVERY OF A LICENSE AGREEMENT BETWEEN THE CITY OF DUNEDIN ("CITY") AND ROGERS BLUE JAYS BASEBALL PARTNERSHIP ("BLUE JAYS"); APPROVING THE FORM OF AND AUTHORIZING THE EXECUTION AND DELIVERY OF AN AGREEMENT FOR THE CONSTRUCTION AND RENOVATION OF THE DUNEDIN SPRING TRAINING FACILITIES BETWEEN THE CITY AND THE BLUE JAYS; AUTHORIZING THE CONTRIBUTION OF \$5,663,000 TOWARD THE COST OF IMPROVEMENTS TO THE CITY'S SPRING TRAINING FACILITIES AND THE DEDICATION OF APPROXIMATELY 31.1 ACRES OF THE VANECH RECREATIONAL COMPLEX FOR THE EXPANSION OF THE DUNEDIN SPRING TRAINING FACILITIES; AUTHORIZING APPROPRIATE CITY OFFICERS TO TAKE FURTHER ACTION REQUIRED TO IMPLEMENT THIS RESOLUTION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the history of Major League Baseball (MLB) in Dunedin began in 1977 when the expansion team Toronto Blue Jays flew south for their first Grapefruit League season; and

WHEREAS, Dunedin has been the site for every Toronto Blue Jays Spring Training season since 1977, making the Toronto Blue Jays the only major league franchise to have never changed Spring Training cities; and

WHEREAS, the Toronto Blue Jays' Spring Training activities have provided significant positive economic impact to Dunedin since 1977; and

WHEREAS, the current License Agreement with the Toronto Blue Jays has been in place since December 15, 2000 and currently extends until December 31, 2019 subject to annual renewal options; and

WHEREAS, on April 4, 2013, the Dunedin City Commission adopted Resolution 13-16, confirming its commitment to keep the Toronto Blue Jays Spring Training in the City of Dunedin; and

WHEREAS, the Toronto Blue Jays have requested the redevelopment, expansion and renovation of the Dunedin Stadium, Cecil P. Englebert Recreational Complex and the Vanech Recreation Complex (collectively, the

"Dunedin Spring Training Facilities") at a project cost of approximately \$81 million; and

WHEREAS, on October 6, 2016, the Dunedin City Commission adopted Resolution 16-26, authorizing staff to apply for funding through the Florida Department of Economic Opportunity and the Pinellas County Tourist Development Council to pay a portion of the costs for improvements to the Dunedin Spring Training Facilities; and

WHEREAS, in order to apply for State of Florida funding pursuant to Section 288.11631, Florida Statutes, the City and the Toronto Blue Jays have to approve and enter into a new License Agreement (the "2017 License Agreement"), the form of which is attached hereto as Exhibit "A," which provides for a term at least equal to the term of the requested State funding; and

WHEREAS, in order to comply with the application process set forth in Section 288.11631, Florida Statutes, the City and the Toronto Blue Jays have to approve and enter into an Agreement for the Construction and Renovation of the Dunedin Spring Training Facilities (the "Agreement for Construction and Renovation") in order to demonstrate the required local match of funding sources for the costs of the renovation and expansion of the Dunedin Spring Training Facilities; and

WHEREAS, the City desires to approve the forms of the 2017 License Agreement and the Agreement for Construction and Renovation, and to authorize the execution and delivery thereof; and

WHEREAS, the City further wants to confirm its contribution to the costs of the improvements and renovations to the Dunedin Spring Training Facilities.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF DUNEDIN, FLORIDA, IN SESSION DULY ASSEMBLED:

Section 1. That the foregoing recitals are hereby incorporated into this Resolution as if fully set forth herein.

Section 2. That the 2017 License Agreement, substantially in the form attached hereto as Exhibit "A" is hereby approved, and the Mayor, or in her absence the Vice-Mayor and the City Manager, or in her absence, the Deputy City Manager, are hereby authorized and directed to execute and deliver, and the City Clerk is hereby authorized and directed to attest, the 2017 License Agreement on behalf of the City, upon the approval as to form by the City Attorney, with such changes, insertions and omissions as may be approved by the Mayor, the Vice-Mayor, the City Manager, the Deputy City Manager, the City Clerk and the City Attorney; their execution of the License Agreement shall constitute conclusive evidence of such approval.

Section 3. That the Agreement for Construction and Renovation, substantially in the form attached hereto as Exhibit "B" is hereby approved, and the Mayor, or in her absence the Vice-Mayor and the City Manager, or in her absence, the Deputy City Manager, are hereby authorized and directed to execute and deliver, and the City Clerk is hereby authorized and directed to attest, the Agreement for Construction and Renovation on behalf of the City, upon the approval as to form by the City Attorney, with such changes, insertions and omissions as may be approved by the Mayor, the Vice-Mayor, the City Manager, the Deputy City Manager, the City Clerk and the City Attorney; their execution of the Agreement for Construction and Renovation shall constitute conclusive evidence of such approval.

Section 4. That the City confirms and ratifies its agreement to contribute \$5,663,000 toward the cost of the improvements to the Dunedin Spring Training Facilities, and to dedicate approximately 31.1 acres of the Vanech Recreation Complex to the expansion of the Dunedin Spring Training Facilities, in accordance with the 2017 License Agreement and the Agreement for Construction and Renovation, and to undertake its obligations under the 2017 License Agreement and the Agreement for Construction and Renovation, to apply for funding from the Florida Department of Economic Opportunity for a Certified Retained Spring Training Facility, to finalize the terms of the contribution from Pinellas County in the amount of \$41,700,000, to undertake the procurement of necessary professions and construction related services necessary for the design and construction of the improvements to the Dunedin Spring Training Facilities.

Section 5. That the Mayor or Vice Mayor, the City Manager or the Deputy City Manager, the City Attorney, the Finance Director, their designee or any other appropriate officers of the City are hereby authorized and directed to proceed with the completion and filing of an application (the "Application") with the Florida Department of Economic Opportunity ("DEO") to have the Dunedin Spring Training Facilities Certified as a Retained Spring Training Facility as contemplated by the License Agreement and the Agreement for Construction and Renovation, and in connection therewith, to execute any and all applications, certifications or other instruments or documents required by DEO, the License Agreement or the Agreement for Construction and Renovation, or any other document referred to above as a prerequisite or precondition to the submission of the Application to DEO, and any such representation made therein shall be deemed to be made on behalf of the City. All action taken to date by the officers of the City in furtherance of the Application to DEO is hereby approved, confirmed and ratified. It is expressly understood by the Commission that prior to the formal submission of the application to DEO, the City will have received from Pinellas County a commitment to provide a \$41,700,000 contribution to the construction, expansion and renovation of the Dunedin Spring Training Facilities.

Section 6. That this Resolution shall be effective immediately upon its adoption.

PASSED AND ADOPTED BY THE CITY COMMISSION OF THE CITY
OF DUNEDIN, FLORIDA, THIS 2nd day of November, 2017.

Julie Ward Bujalski

STADIUM FUND ANALYSIS

The Stadium Fund is a special revenue fund created to account for the receipt and disbursement of funds related to the City's stadium, including operations and debt service.

AVAILABLE FUND BALANCE

The City anticipates ending FY 2019 with a significantly increased fund balance. Intergovernmental revenues from the County and State of Florida, offset by debt issuance, will allow construction on the stadium to begin in FY 2019, and increase the fund balance for continued construction in FY 2020.

Ending Available Fund Balance
Stadium Fund

REVENUE

The major change in revenues for FY 2019 will be approximately \$33.7M in debt proceeds for the reconstruction of the Dunedin Stadium and the Englebert Complex. Negotiations with the Toronto Blue Jays are completed in FY 2018, and the plans for reconstruction will commence in FY 2019.

EXPENDITURES

Construction for the new Spring Training facilities is estimated to cost in excess of \$81M and will be shared among the State of Florida, Pinellas County, City of Dunedin, and Toronto Blue Jays. Major changes to expenditures in FY 2019 include a principal payment of \$1.29M and interest expenditure of \$1.63M.

STADIUM FUND ANALYSIS

The Stadium Fund is a special revenue fund created to account for the receipt and disbursement of funds related to the City’s stadium, including operations, capital outlay and debt service.

AVAILABLE FUND BALANCE

The Stadium Fund anticipates ending FY2023 with a decrease of \$356,000 in fund balance. The estimated fund balance in FY2022 included \$1.4M of Capital Reserve for future repairs and maintenance of the Stadium and Spring Training facilities with an increase to \$1.74M in FY 2023. The Stadium and Spring Training Facilities currently are maintained by the Toronto Blue Jays.

Ending Available Fund Balance

REVENUE

FY2023 revenues have decreased \$771,500 below FY2022 due primarily to a reduction in transfers in of \$265,000 and a \$500,000 reduction of intergovernmental revenue. Charges for services will increase \$5,000, or 1.3%. Charges for Services have normalized as the stadium is in full use.

**Revenue Comparison
Stadium Fund**

STADIUM FUND ANALYSIS

EXPENDITURES

Overall, in FY2023 the Stadium Fund expenditures are projected to decrease by \$361,900 or 10.6%, compared to the FY 2022 budget due to a decrease in transfer out of \$500,000 in FY 2022 and a increase in operating expense mainly due to a \$136,000 increase in Property Insurance costs.

³ MLB lockout shortened the spring training season to nine home games, one of which was canceled due to rain

FDEO 2023 Annual Report

City of Dunedin

**Documentation of Compliance with Criteria in Effect When the Applicant was Certified
for Funding**

Criterion 5

Sec. 118-32. - Use of revenues; tourist development plan.

(a) *Tourist development plan.* The tax revenues received pursuant to this article shall be used to fund the Pinellas County tourist development plan hereby adopted as follows; however, the board may, by a majority-plus-one vote, authorize other allocations in accordance with statutory uses in instances when the Board of County Commissioners or the Governor of the State of Florida has declared a state of emergency:

(1) Categories of allowable uses of tax revenues:

- a. *Category A (promotions, advertising/marketing):* Promoting and advertising tourism in the state, nationally and internationally, and funding for the following: (i) marketing special events and programs; (ii) providing promotional or operating support for exhibits or programs provided by museums owned and operated by not-for-profit organizations and open to the public; (iii) providing promotional support for zoological parks that are owned and operated by not-for-profit organizations and open to the public; and (iv) event and program sponsorships; however, funding of not more than \$2,000,000.00 annually for subsection (i), herein. Grant guidelines shall be established by the tourist development council, which shall be subject to approval by the board of county commissioners, to determine eligibility, the application process, and award criteria and priorities for subsection (i), (ii), and (iii) funding herein.
- b. *Category B (CVB, promotions, advertising/marketing):* Funding the St. Petersburg/Clearwater Convention and Visitors Bureau; funding budget reserves as authorized by law; and funding convention bureaus, tourist bureaus, tourist information centers and news bureaus by contract with the chambers of commerce or similar associations in Pinellas County.
- c. *Category C (beach improvement/nourishment):* Funding beach improvement, maintenance, renourishment, restoration and erosion control.
- d. *Category D (capital funding/debt service other):* Funding annually as matching funds (applicants must have at least \$1.00 for every \$1.00 of Category D tourist tax funding) to acquire, construct, extend, enlarge, remodel, repair, improve, maintain, or provide debt service on one or more publicly owned and operated convention centers, coliseums, or auditoriums as well as aquariums or museums that are publicly owned and operated or owned and operated by not-for-profit organizations and open to the public, and sports and recreation facilities not eligible for Category E funding below (hereinafter referred to as "eligible facilities"). Eligible facilities must be located within Pinellas County and demonstrate the ability to attract tourists from the State of Florida, nationally or internationally. Funding guidelines shall be established by the tourist development council, which shall be subject to approval by the board of county commissioners. These purposes may be implemented through service contracts and leases with parties with sufficient expertise or financial capabilities to operate such eligible facilities.
- e. *Category E (debt service/professional sports and convention center capital costs):* Funding for debt service payments for bonds issued to finance the construction, reconstruction, or renovation of any of the following facilities: (i) a professional sports franchise facility located within Pinellas County either publicly owned and operated, or publicly owned and operated by the owner of a professional sports franchise or other lessee with sufficient expertise or financial capability to operate such facility, and to pay the planning and design costs incurred prior to the issuance of such bonds; (ii) a retained spring training facility located within Pinellas County either publicly owned and operated, or publicly owned and operated by the owner of a professional sports franchise or other lessee with sufficient expertise or financial capability to operate such facility, and to pay the planning and design costs incurred prior to the issuance of such bonds; or (iii) a convention center located within

Pinellas County, and to pay the planning and design costs prior to the issuance of such bonds. Funding guidelines shall be established by the tourist development council, which shall be subject to approval by the board of county commissioners.

- (2) It is the intent of the board of county commissioners that the total tourist development tax revenue shall be allocated as follows for the fiscal year in which it is collected:
 - a. Sixty percent of the total tourist development tax revenue may be used for Categories A and/or B and any monies not utilized accordingly shall become reserves to be used for future Category A and/or B uses.
 - b. Forty percent of the total tourist development tax revenue may be used for Categories C, D and E and any monies not utilized accordingly shall become reserves to be used for future Categories C, D and/or E uses.
- (3) Notwithstanding the allocations in subsection (b)(2) above, there currently exist ongoing financial commitments which, until such time as satisfied and no longer outstanding, shall be funded as follows:
 - a. Payment of debt service on bonds issued by the City of Dunedin to finance the construction, reconstruction or renovation of a retained spring training facility, which shall be paid as necessary out of the fifth percent tourist development tax through February 15, 2016, at which time this obligation will be fully satisfied, and the fifth percent may then be used as otherwise provided for in the tourist development plan.
 - b. Payment of capital project funds for the Dali Museum which shall be paid out of the second percent tourist development tax in equal quarterly installments of \$125,000.00 commencing on October 15, 2015, and continuing through July 15, 2020, at which time this obligation will be fully satisfied, and the second percent may then be used as otherwise provided for in the tourist development plan.
 - c. Payment of debt service on bonds issued by the City of Clearwater to finance the construction, reconstruction or renovation of a retained spring training facility, which shall be paid out of the fifth percent tourist development tax through February 15, 2021, at which time this obligation will be fully satisfied, and the fifth percent may then be used as otherwise provided for in the tourist development plan.
- (b) *Review of the plan.* The tourist development council shall review the tourist development plan at least every five years and forward its recommendations for revisions, if any, to the plan to the board of county commissioners for consideration. The board of county commissioners shall review the tourist development plan recommendations and determine the most effective use of the revenues derived from the tax.
- (c) *Amendment of the plan.* The tourist development plan provided for in this section may not be amended except by ordinance enacted by an affirmative vote of a majority plus one additional member of the board of county commissioners.

(Ord. No. 78-20, § 2, 8-29-78; Ord. No. 82-19, § 1, 7-13-82; Ord. No. 88-14, § 2, 5-10-88; Ord. No. 93-87, § 2, 10-19-93; Ord. No. 97-38, § 1, 6-10-97; Ord. No. 01-8, § 1, 1-30-01; Ord. PROJECT INFORMATION

Project Name: 2002 Stadium Renovations at Tigertown
Project Location: 2220 North Lake Avenue, Lakeland, FL 33805

FINANCIAL SUMMARY

State Funds Requested:	\$20,000,000
Local Match:	
Polk County Tourist Development:	\$20,891,220
Detroit Tigers Lease:	\$10,600,000
Local Cash Match:	\$13,167,208
In Kind Match:	\$15,911,748
Total Project Cost:	\$80,570,176

Brief Project Description:

Major Renovation and expansion of newly christened Publix Field at Joker Marchant Stadium for a spring training franchise which is vital to Lakeland and the surrounding economy. Such major improvements ensures the continuation of the economic benefits generated through the Detroit Tigers and the Lakeland Flying Tigers for another 20 years, and the enhanced opportunities for year round tourist and promotional events at the venue.

Dear Cory:

In accordance with the reporting requirements contained in the Spring Training Program Agreement between the City of Lakeland and the Florida Department of Economic Opportunity, I have reviewed the Annual Report, and I certify that the information and documentation contained in the report is true and correct.

We appreciate the State of Florida's support on this great project and are pleased to provide this information to you. If you have any questions, please don't hesitate to contact us.

Sincerely,

H. William Mutz
Mayor

RE: Annual Report

To Whom It May Concern,

I have reviewed the requirements of the application that the City filed in 2015, and also The Spring Training Program Agreement dated October 20, 2016 (Program Agreement) with regard to the continuing requirements for Grant eligibility. I have also reviewed the City's records with regard to the use of the Grant funds, the City's expenditure as its match for Grant funds, other financial reporting of the City of Lakeland, and the existing lease documents related to Lakeland's long-term facility lease with the Detroit Tigers. Based on the foregoing, I am able to verify that the City of Lakeland is in compliance with all statutory requirements and the requirements of the Program Agreement as of the date hereof.

If you have any questions, please feel free to contact me.

Sincerely,

Palmer C. Davis
City Attorney

PCD

August 28, 2023

Florida Department of Economic Opportunity
107 E. Madison Street, MSC 80
Caldwell Building
Tallahassee, FL 32399

To Whom It May Concern,

I have reviewed our previous correspondence, the City's existing records, and provide this as part of the City's reporting obligation.

Based on the foregoing, I can advise that the representations in our application remain true and correct as stated. Therefore, it is my opinion that the City continues in compliance with all of the grant requirements contained in Fla. Stat. 288.11631 (2)(a)1-6.

I have also reviewed any concession contracts related to the facility and determined that there are no concession agreements or service contracts with the applicant that would implicate Fla. Stat. 288.1167. Also, the Detroit Tigers have a contractual obligation to comply with all DEO requirements that are imposed on the City. In so doing, contracts awarded are based on the same terms and conditions and in accordance with the goals set forth in Fla. Stat. 287.09451. Most tasks are performed by City or team forces, so there is no need for service contacts with the facility.

I hope this has been responsive to your request.

Sincerely,

Palmer C. Davis
City Attorney

PCD

July 31, 2023

Bob Donahay
Parks & Recreation Director
City of Lakeland
228 S. Massachusetts Ave.
Lakeland, FL 33801

Mr. Donahay:

For the first time in four years, 2023 saw some normalcy return to Spring Training. This also resulted in Tigers returning to a normal attendance number and resuming their usual ranking in the Grapefruit League. Additionally, the long-time partnership that exists between the City of Lakeland, the Detroit Tigers and Polk County Tourism and Sports Marketing (PCTSM) is still going strong. It is our pleasure to assist you with a review of the benefits generated by the Detroit Tigers and their impact on Lakeland and Polk County. PCTSM is the official destination marketing organization and sports commission for Polk County, Florida and regularly evaluates the impact of events held in our community.

Our community and the Detroit Tigers still continue to enjoy the longest relationship between a team and Spring Training City. For 87 years, the Detroit Tigers have called Lakeland home for their spring training, with 58 of those years being at Tigertown. In addition, the Lakeland Flying Tigers and the Detroit Tigers minor league operations are all based in Lakeland. The Tiger's organization has made a strong commitment to our community year-round.

As always, the exact impact depends upon many factors that can create a swing in any year and there has not been a statewide study of Spring Training since the 2018 State Economic Impact Study. However, if you were to use that as a guide, the overall impact to the City of Lakeland and Polk County was in the range of \$50-\$60 million in 2023. The Tigers have had great success in attracting visitors/spectators to our area and is the main reason Michigan is one of the top feeder markets for Polk County. This past year the average per game attendance for the 16 home games was 6,371, placing the Tigers fourth in the Grapefruit league for per game attendance, a three-spot increase per game than in 2022. Total attendance was 101,946 putting the Tigers with the fifth highest number in the Grapefruit League. The average attendance was 357 people per game above the state average, a great accomplishment considering the Grapefruit Leagues has some of the most well attended teams. The Tiger visitors are an important part of our visitor mix.

In addition, PCTSM and the Tigers hold several events throughout the year including the Florida Junior College State Championships, Tigers Fantasy Camp, visiting Florida State League teams, Tigers Minor League coaches, organizational meetings, and showcase events. All of which create a positive impact for our community.

Major League Baseball and specifically, the Detroit Tigers Spring Training, has been, is currently, and will always be an extremely beneficial investment for Lakeland and Polk County.

I am happy to provide any additional information if needed.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Zimmerman", is written over a light blue circular background.

Marc Zimmerman
Senior Economic Development Manager

RECEIVED

SPRING TRAINING FACILITY DEVELOPMENT AGREEMENT FEB 04 2015

City Clerk's Office

THIS SPRING TRAINING FACILITY DEVELOPMENT AGREEMENT is made and entered into on this 15th day of January, 2015 ("Signature Date") by and between the CITY OF LAKELAND, FLORIDA, a municipal corporation existing under the laws of the State of Florida ("City") whose address is 228 S. Massachusetts Avenue, Lakeland, Florida 33801, and the DETROIT TIGERS, INC., A Michigan Corporation, ("Tigers") whose address is Comerica Park, 2100 Woodward Avenue, Detroit, MI 48201-3470, collectively called the "Parties" hereto.

WITNESSETH

WHEREAS, the City owns and operates a Major League Baseball Spring Training stadium ("Major League Stadium"), training facilities, practice fields, clubhouses and offices, parking facilities and other appurtenances and improvements on a site located at 2301 Lakeland Hills Boulevard, Lakeland, Florida, known as Tigertown or the Joker Marchant Stadium Complex, more particularly described on Exhibit "A"; and

WHEREAS, the Tigers own and operate a professional baseball franchise known as the Detroit Tigers, whose operation includes, but is not limited to a Major League Club and Minor League Club and all ancillary operation associated therewith; and

WHEREAS, the Tigers and the City are presently parties to that certain Use Agreement dated September 29, 2000 (hereinafter referred to as "Use Agreement") attached as Exhibit "B", wherein the Tigers lease the Joker Marchant Stadium Complex for the purpose of conducting Major League Spring Training and Minor League Baseball operations, which Use Agreement will expire by its terms on December 31, 2016; and

WHEREAS, the City and the Tigers have historically had a long term and amicable relationship where the Tigers have conducted Spring Training and other baseball operations in Lakeland for 78 years, becoming a significant part of the fabric of the community of Lakeland, contributing to the economic well-being of the community of Lakeland, and is of considerable value to its citizens; and

WHEREAS, the City wishes to induce the Tigers to continue to conduct baseball operations at the Joker Marchant Stadium Complex for an extended period of time and

in order to induce the Tigers to do so, are willing to make substantial renovations and improvements to the facilities at the Joker Marchant Stadium Complex where the Tigers baseball operations are conducted; and

WHEREAS, the City and the Tigers wish to provide for an agreement whereby they will agree on the collaborative manner for Improvements to be made, the method of financing any improvements, the process for the design and construction of the Improvements, and the schedule whereby the Improvements will be made all of which shall be memorialized in this Spring Training Facilities Development Agreement (hereinafter referred to as "Development Agreement") which may be amended from time to time by agreement of the Parties, in writing; and

WHEREAS, in reliance on the City's agreement and commitment to construct the Improvements, in an amount not to exceed \$37,000,000, the Tigers are willing to enter into a long term agreement for a minimum of twenty (20) years in accordance with the Spring Training Facility Lease and Use Agreement ("Lease Agreement") of even date herewith and attached hereto as Exhibit "C"; and

WHEREAS, in addition, the Parties acknowledge that the financing plan for the Improvements shall require the City to issue Bonds which shall provide the necessary funds to pay the costs of the Improvements, which shall be called the Project Bonds, which Project Bonds will require a financial commitment by the City and the Tigers; and

WHEREAS, in order to secure financing for the Improvements, the City has entered into that certain Interlocal Agreement with Polk County dated November 15, 2013 and attached as Exhibit "D", which Interlocal Agreement requires Polk County to pay to the City certain proceeds from the Polk County Tourist Development Tax. In addition, the City will seek approval from the State of Florida Department of Economic Opportunity as a certified Spring Training Facility as that term is defined in Florida Statute 288.11631 to provide additional funding to support the Project Bonds; and

WHEREAS, the City relies on the intention of the Tigers to enter into the Lease Agreement, so long as the Improvements are constructed, and the Parties wish to memorialize each parties commitments with respect to the matters contained herein; and

WHEREAS, the Parties also acknowledge that it is necessary to enter into an extension of the existing Use Agreement that, if necessary will remain in force and effect until the Improvements are substantially completed and the Lease Agreement becomes effective.

THEREFORE, in consideration of the mutual covenants and promises herein contained, the Parties agree as follows:

1. **DEFINITIONS.** For the purpose of this Development Agreement, the terms:

- a. "**BOC**" shall mean the Office of the Commissioner of Baseball, an unincorporated association comprised of the Major League Clubs who are party to the Major League Constitution, and any successor organization thereto.
- b. "**Commissioner**" shall mean the Commissioner of Baseball as elected under the Major League Constitution or, in the absence of a Commissioner, any Person succeeding to the powers and duties of the Commissioner pursuant to the Major League Constitution.
- c. "**Development Period**" shall mean the period commencing with the conceptual design of the Joker Marchant Stadium Improvements and terminate upon the occurrence of all or substantially all activities required by this Development Agreement or the Effective Date of the Lease Agreement whichever is earlier. The Parties contemplate that the activities that will occur during the Development Period shall include, but not be limited to, conceptual design and schematics, preparation of financing plans, preparation of construction plans and specifications for permitting of the Improvements, installation of all infrastructure and facilities, selection of and contracting with a construction manager, planning for and issuing bonds to fund the costs of the Improvements, application for and approval as a Certified Spring Training Facility by the Department of Economic Opportunity, and all other activities required to plan, design, finance and construct the Improvements.
- d. "**Escrow Agreement**" shall mean that certain Escrow Agreement of even date herewith and attached hereto as **Exhibit "E"**.
- e. "**Improvements**" shall mean those Improvements more particularly set forth in Section 5.
- f. "**Interlocal Agreement**" shall mean that certain Interlocal Agreement between the City of Lakeland and Polk County dated November 15, 2013 and attached hereto as **Exhibit "D"**.
- g. "**Major League Baseball**" shall mean, depending on the context, any or all of (a) the Office of the Commissioner of Baseball and each other MLB

Entity and/or all boards and committees thereof, including, without limitation, Executive Council and the Ownership Committee, and/or (b) the Major League Baseball Clubs acting collectively.

- h. "Major League Baseball Club(s)" or "Major League Club(s)" shall mean any professional baseball club that is entitled to the benefits, and bound by the terms, of the Major League Constitution.
- i. "Major League Constitution" shall mean the Major League Constitution adopted by the Major League Clubs (which amended and superseded the Major League Agreement dated January 1, 1975, the Agreement in re Major League Central Fund dated as of December 8, 1983, as amended, and the respective constitutions of the former American and National Leagues of Professional Baseball Clubs) as the same may be amended, supplemented or otherwise modified from time to time in the manner provided therein and all replacement or successor agreements that may in the future be entered into by the Major League Clubs.
- j. "Milestone Events" shall mean the significant events on which the parties rely that must occur to facilitate the development, design, financing and construction of the Improvements, more particularly described in Paragraph 3, described as follows:
 - i. Conceptual approval by the City Commission of the City of Lakeland for the work necessary to proceed with a plan to implement the improvements and to enter into a long term lease agreement with the Tigers.
 - ii. Approval by Polk County and the City of Lakeland of that certain Interlocal Agreement for Tourist Development Tax Funding for Improvement for Joker Marchant Stadium dated November 25, 2013 together with any modification or amendments properly authorized and executed thereto.
 - iii. Enactment by the State of Florida of the appropriate legislative act necessary to modify Florida Statute 212.20 (6)(d)(6)(e) to increase available funding amounts and to allow those funding amounts to be paid over a twenty year period and amendments to Florida Statute 288.11631(2)(a)(2) to modify the amount to be reimbursed to

the State by a spring training franchise if the franchise breaches its agreement with the host site as well as Fla. Stat. 288.11631 (2)(c)(2) modifying the certification criteria for an applicant.

- iv. Application for certification by the State of Florida to be a Certified Applicant pursuant to Fla. Stat. 288.11631 no later than April 1, 2015.
- v. Approval by the City Commission of the City of Lakeland of a contract for site design and engineering, architectural design, plan preparation, and permitting with HKS Architects or any other design firm acceptable to the parties for the design of the improvements.
- vi. Approval by the City Commission of the City of Lakeland, and the Detroit Tigers of a Letter of Intent outlining the material business terms of a long term lease agreement and construction of the Project.
- vii. Approval by the City Commission of the City of Lakeland of a contract with a construction manager or managers for the construction of the Improvements.
- viii. Execution of the Modification of Use Agreement in substantially the form attached as Exhibit "F" to become effective according to its terms.
- ix. Approval of final construction drawing for the Improvements by the City and the Tigers.
- x. Issuance of a Notice to Proceed to the Construction Manager to commence construction of the Improvements.
- xi. Approval as a Certified Applicant as defined by Fla. Stat. 288.11631 for the Retention of Major League Baseball spring Training Baseball Franchises no later than January 1, 2016.

- xii. Substantial Completion of the Improvements, and issuance of a partial or temporary Certificate of Occupancy.
 - xiii. Execution of the Lease Agreement.
 - xiv. Issuance of an unrestricted Certificate of Occupancy for the Improvements.
 - xv. Construction Contract and Project Closeout
- k. "Minor Leagues" shall mean the professional baseball leagues which are members of the National Association of Professional Baseball Leagues, Inc. Each league is known individually as a Minor League.
- l. "Minor League Season" shall mean the season of baseball activities commencing at the conclusion of the Spring Training Season and terminating on or about December 31, of each calendar year.
- m. "MLB Entity" shall mean each of the Office of the Commissioner of Baseball, Major League Baseball Enterprises, Inc., Major League Baseball Properties, Inc., The MLB Network, LLC, MLB Advanced Media, L.P., and/or any of their respective present or future affiliates, assigns or successors.
- n. "Spring Training" shall mean the operations and activities of the Major League Clubs and the Minor League Clubs in training for the next season of Major League Baseball.
- o. "Spring Training Season" shall be deemed to include that time each year reasonably required for the preparation of the Leased Premises, planning for the start of Spring Training, for additional Minor League player training between the end of Major League Baseball Spring Training and the commencement of the Minor League season, and a reasonable period for the "winding down" of Spring Training activities by the Tigers.
- p. "Tigertown Complex" or "The Joker Marchant Stadium Complex" shall mean the Joker Marchant Stadium and all ancillary practice fields, clubhouse facilities, offices, and all other facilities which support the baseball operation of the Tigers.

2. **USE AGREEMENT EXTENSION.** It is the intention of the Parties that the Use Agreement in effect on the Effective Date, dated September 29, 2000 and attached as Exhibit "B", be extended for a period to commence on December 31, 2016 and terminate upon a date to allow sufficient time for the design and construction of the improvements to the facility and the execution of the Lease Agreement. In the event that all of the Milestone Events have not occurred by December 31, 2016, the Parties agree that the Modification of Use Agreement shall become effective and shall remain in full force and effect until the Lease Commencement Date. The Lease Commencement Date shall be the date upon which the last Milestone Event has occurred or been waived by written agreement of the Parties. The Modification of Use Agreement is attached hereto as Exhibit "F", and shall be executed concurrently with the execution of this Development Agreement. Prior to its effective date, the Modification of Use Agreement shall be held in escrow by the City Clerk of the City of Lakeland in accordance with the terms of the Escrow Agreement attached hereto as Exhibit "E".

3. **LEASE AGREEMENT.** A fundamental consideration for the City's obligations contained herein, is their intention that the Parties enter into a successor lease and use agreement to ensure that the Tigers continue to conduct baseball activities at the Joker Marchant Stadium Complex for a significant time in the future. Additionally as a fundamental consideration of the Tigers obligations contained herein is their reliance on the City's agreement to design, fund, and construct the Improvements consistent with that consideration. Intending to evidence their respective commitments, the Parties have executed the Lease Agreement attached hereto as Exhibit "C" and incorporated herein by this reference in order to provide the terms and conditions upon which the Tigers will continue to conduct baseball activities at the Joker Marchant Stadium Complex. The Parties agree that the executed Lease Agreement shall be held in escrow by the City Clerk according to the terms of the Escrow Agreement until all of the Milestone Events have occurred, or been waived in writing by the Parties. The occurrence of the issuance of a Certificate of Occupancy for the Improvements set forth as Milestone Event (xiii) is deemed to be the final Milestone Event necessary to commence the Lease Agreement on the Lease Commencement Date whereupon this Development Agreement shall terminate and the Lease Agreement shall become effective.

4. **TERM.** The Term of this Development Agreement shall commence on the Effective Date and terminate on the occurrence of last event required hereunder to be performed or the Lease Commencement Date as that term is defined in the Lease Agreement, whichever is later.

5. TIGERTOWN COMPLEX IMPROVEMENTS. In order to induce the Tigers to enter into the Lease Agreement, The City agrees to construct and deliver for the Tigers' full and beneficial use, the Improvements; which shall include:

- a. New Major League Clubhouse and support facilities
- b. Demolition of existing major league clubhouse
- c. New Minor League Clubhouse and support facilities
- d. Renovation and re-purposing of Minor league Clubhouse
- e. New Concourse expansion to create a "360 walk-around" Joker Marchant Stadium
- f. Demolition of existing 3rd base pre-stressed bleachers and replacement with stadium seating.
- g. New Stadium Club and seating area on 1st base side
- h. Expansion and renovation of Press Box facilities
- i. Relocation of two existing suites
- j. New food service pantry for second level
- k. Relocation of existing Grandstand second level restrooms
- l. New elevator and stair tower
- m. New administrative offices Major and Minor Leagues
- n. New concessions and restrooms at stadium main concourse
- o. New climate controlled team store
- p. Expand left field berm, patio, and seating. Include party deck and outdoor kitchen
- q. Relocate bullpens
- r. Replace Video Board
- s. Expand and remodel existing Visiting Team Locker Room
- t. Replace existing Major League batting Cage across runway
- u. Relocate Parks and Recreation maintenance as required in repurposed buildings.
- v. New Multi-tiered practice field quad observation tower-toilets, office, video review room, and storage
- w. New Walkway Canopy between existing Cafeteria and Dormitory
- x. Renovation of existing food preparation and equipment in Cafeteria
- y. Reconfigure and upgrade walkway between facilities
- z. Replace natural turf on one field with artificial turf
- aa. Evaluate the cafeteria and recreation hall

It is the intention of the Parties that the design and construction of the Improvements be a collaborative effort and each Party agrees to make available the necessary personnel and other resources to facilitate each party's responsibility during

the design and construction phase of the Improvements. The Parties will work collaboratively to include as many of the foregoing Improvements as possible within the budgetary limitations, provided, however, the Tigers shall make all final decisions as to which Improvements are included and the order of construction. Tigers agree to use their best efforts to provide a timely and prompt response to any design approvals submitted.

6. **DESIGN.** The final design plans, when mutually approved by the Parties in writing, and shall thereafter become a part hereof, and shall specifically include a full and reasonably complete description of the physical facilities covered hereunder. The Parties agree that neither Party shall unreasonably withhold nor delay approval of the final design plans. Notwithstanding anything herein to the contrary, the Tigers will have the right to approve the final design plans of the Improvements, including without limitation, the overall layout, space allocation, graphics, materials used, signage, and color scheme that may be incorporated into the Improvements. The Tigers agree that any approvals required by this Development Agreement shall be reviewed in a reasonable time, and that approval shall not be unreasonably withheld.

7. **PROJECT BONDS.** It is acknowledged by the Parties that the City will issue Project Bonds ("Project Bonds") to finance the cost of the Improvements. In order to defease the Project Bonds, the City shall pledge certain non ad valorem revenues that it shall determine, as well as other revenue sources. The City relies on the proceeds pledged under the Tourist Development Tax commitment of Polk County as set forth in the Interlocal Agreement, as well as qualifying for funds made available from the State of Florida to certified Applicants as defined by Fla. Stat. 288.11631 for the Retention of Major League Baseball spring training baseball franchises. The Tigers agree to make good faith efforts to assist and, upon agreement, to execute any documents reasonably necessary to facilitate the issuance of the Project Bonds, and to comply with the requirements of the Team in the Interlocal Agreement in addition to the requirements of Fla. Stat. 288.11631, et. seq.

A. **Modifications.** The Parties recognize that a large portion of the Project Costs for the Spring Training Facility will be constructed with proceeds from the Project Bonds. Accordingly, the Parties agree to take reasonable steps to cooperate in resolving any issues that arise in connection with such Project Bonds to assist the City to qualify the Project Bonds for tax exempt status under federal tax laws, and to use its good faith efforts to provide all reasonable documents and/or modifications hereto necessary to accomplish the issuance of the Project Bonds.

8. HOLD HARMLESS/INSURANCE. The Parties agree to and will at all times indemnify, save and hold the other harmless from any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including attorney's fees at trial or appellate level, and all court costs arising out of injury to or death of persons and damage to any and all property, including loss of use thereof, resulting from or in any manner arising out of the other Party's intentional or negligent conduct. The City agrees to and will at all times indemnify, save and hold the Tigers harmless from any and all damages, liabilities, claims, demands, expenses and costs of every kind and nature, including attorney's fees at trial or appellate level, and all court costs arising out of or in connection with, the design and construction of the Spring Training Facility, including claims brought by any person relating to compliance with federal or state disability laws or requirements. The Tigers acknowledge that any indemnification by the City is limited by law in accordance with the monetary limits set forth in Fla. Stat. 768.28. The City agrees that any contractor or construction manager that it may hire shall provide adequate insurance coverage for their work on the Improvements, naming the City and the Tigers as an additional insureds.

9. NOTICE. Any notice required to be given hereunder shall be in writing, and mailed by U .S. Certified Mail, Return Receipt Requested, addressed to the Parties as follows unless a different addressee is later designated by either party under this notice provision:

For notices to the Tigers:

Mr. David Dombrowski
President, General Manager and CEO
Detroit Tigers, Inc.
2100 Woodward Avenue
Detroit, MI 48201-3470

For notices to the City:

City Manager's Office
228 S. Massachusetts Avenue
Lakeland, Florida 33801
(863) 834-6268

With a copy to:

City Attorney's Office
228 S. Massachusetts Avenue
Lakeland, Florida 33801
(863) 834-6010

10. CITY DEFAULT/REMEDIES. It is understood that the City has agreed to undertake certain obligations set forth in this Development Agreement in order to induce the Tigers not to elect an early termination of the Lease Agreement. It is further agreed that the City will sustain substantial economic damages if the Tigers would fail to fulfill one or more of the obligations set forth herein. Accordingly, the Parties agree that the City shall be entitled to receive the following remedies in the event that one or more of the following defaults shall occur:

A. **Tigers Defaults:** The Tigers shall have defaulted on its obligations set forth herein (individually and collectively referred to as "Tigers Default") if any of the following occurs:

i. The Tigers fail to perform any of the requirements of this Development Agreement or its performance is substantially delayed. In the event that the City may claim a default by the Tigers, they shall provide written notice to the Tigers which notice shall set forth with particularity the nature of the default. The Tigers shall have no less than 30 days in which to cure the default.

B. **City Default Remedies.** Upon the occurrence of a Tigers Default, which has not been cured by the Tigers, the following remedies shall be available to the City:

i. The City may elect, by written notice delivered to the Tigers within sixty (60) days from the date on which a Tigers Default shall have occurred, to terminate this Development Agreement and all obligations of the City under this Development Agreement and under the Lease Agreement which shall be voided and of no further effect; and

C. **Completion Default.** In the event the Tigers fulfill the obligations set forth herein, but the City fails to substantially complete construction of the Improvements by March 1, 2017 or such later date as the Parties shall agree in writing, the City shall have defaulted in its obligation to the Tigers ("Completion Default") which shall result in damages to the Tigers. The Tigers shall have a

duty to act in good faith to mitigate any losses it may experience, and the City shall compensate the Tigers for any losses in net revenues it may experience by reason of a Completion Default and will ensure that the Tigers receive no less net revenue than in the 2016 Spring Training Season. Such compensation shall, in the first instance, come from an assignment of those damages available from the Construction Manager pursuant to Section 2.2.11 of the contract between the City and the Construction Manager for the Improvements, which by execution hereof, the City does hereby assign. In the event the funds from the Construction Manager are not sufficient to cover the Tigers' losses, the City's obligation to compensate the Tigers for lost revenue shall not exceed \$100,000.00 per game affected by the Completion Default.

D. Completion Default Remedies. Upon the occurrence of a Completion Default by the City, the following remedies shall be available to the Tigers:

- i. The Tigers and the City shall reach agreement on how the City in conjunction with the Tigers may provide an alternate site to conduct Spring Training games. The agreement shall also provide the appropriate remedies acceptable to the Tigers. If the Completion Default continues beyond December 31, 2017, the Tigers may terminate this Development Agreement without further penalty.

11. GENERAL PROVISIONS.

A. This Development Agreement shall be governed by, construed and enforced in accordance with the laws of the State of Florida. Venue for any action shall be Polk County, Florida or the US District Court for the Middle District of Florida, Tampa, and Division.

B. The Parties agree to reasonably cooperate to execute and deliver any instruments in writing, necessary to carry out any agreement, term, condition or assurance in this Development Agreement, whenever the occasion shall arise and request for such instrument shall be made.

C. The specified remedies to which the Parties may resort under the terms of this Development Agreement are cumulative and not intended to be exclusive of any other remedies or means of redress to which the Parties may be lawfully entitled in case of any breach or threatened breach by either Party of any provision or provisions of this Development Agreement.

D. This Development Agreement and its associated documents contain the entire agreement and understanding between the Parties. There are no oral understandings, terms or conditions and neither party has relied on any representation, express or implied, not contained in this Development Agreement or the simultaneous or prior writings heretofore. All prior understandings, terms or conditions are deemed to merge in this Development Agreement, and this Development Agreement cannot be changed or supplemented orally, but only by an agreement in writing and signed by the Party against whom enforcement of any waiver, change, modification or discharge is sought; provided that no such waiver, change, modification or discharge shall be effective until such time as all necessary approvals have been obtained from Major League Baseball.

E. If any provisions of this Development Agreement shall be declared invalid or unenforceable by a court of competent jurisdiction, the remainder of the Development Agreement shall continue in full force and effect.

F. Notwithstanding anything herein to the contrary, the Parties hereto hereby acknowledge and agree that this Development Agreement is subject to the terms of Section 30G of the Lease Agreement, the terms of which are incorporated by reference herein, as if set forth in their entirety herein.

G. A "Force Majeure Event" is any event that (a) restricts or prevents performance by either Party under this Development Agreement, (b) is not within the reasonable control of the Party affected or caused by the default or negligence of the affected Party and (c) cannot be overcome or avoided by the exercise of due care. Force Majeure Events include, but not limited to, failure of a Party to perform due to drought, flood, earthquake, storm, fire, lightning, epidemic, war, terrorism, acts of other governmental authorities, civil disturbances, sabotage, or other similar events beyond the affected Party's control, inability to obtain and maintain permits from any governmental authority for the facility (except permits issued by the City or as to which the City has oversight or control), restraint by court order, and changes in applicable federal or state law (excluding laws or ordinances enacted by the City) that affect performance under this Development Agreement. Except for the obligation of each Party to make payments of amounts owed to the other Party, each Party is excused from performance and will not be considered to be in default with respect to any obligation if performance cannot occur due to a Force Majeure Event. Neither Party shall be relieved of its obligations under this Development Agreement solely because of increased costs or other adverse economic

consequences that may be incurred through the performance of such obligations.

If a Party's ability to perform its obligation under this Development Agreement is affected by a Force Majeure Event, the Party claiming such inability shall (i) promptly notify the other Party of the Force Majeure Event and its cause and confirm the same in writing within five (5) business days of its discovery, (ii) promptly supply such available information about the Force Majeure Event and its cause as reasonably may be requested by the other Party and (iii) initiate reasonable efforts to remove the cause of the Force Majeure Event or to lessen its effect.

The suspension of performance arising from a Force Majeure Event shall be of no greater scope and no longer duration than reasonably necessary. The excused Party shall use its reasonable efforts to remedy its inability to perform.

12. DISPUTE RESOLUTION.

A. The Parties agree to attempt to settle any dispute or controversy that may arise between the Tigers and the City regarding any provision or obligation set forth in this Development Agreement by mediation. A mediator will be selected by the Parties who will endeavor to resolve in a mutually satisfactory way, any such dispute or controversy in accordance with the laws of the State of Florida. The Party desiring the mediation shall give written notice thereof to the other Party specifying the specific question or questions to be mediated.

B. If a mediator is unable to satisfactorily resolve the question or questions to be mediated within sixty (60) days of commencing the mediation, the Parties agree to then submit the question or questions to resolution by binding arbitration conducted in accordance with applicable Commercial Arbitration Rules of the American Arbitration Association ("AAA") then in effect or such other procedure upon which the Parties may agree.

C. The arbitration shall be expedited to completion within ninety (90) days after notice of electing to arbitrate sent by one Party to the other Party. Both Parties shall agree in good faith to cooperate and facilitate the completion of the arbitration within said ninety (90) day period.

D. In the event the Parties are unable to agree on a single arbitrator within thirty (30) days of the notice of electing to arbitrate, each Party shall within ten (10) business days thereafter select an arbitrator from a panel of eligible arbitrators provided by AAA and thereafter the two selected arbitrators shall select a third arbitrator.

E. If the arbitrator (or if a panel is selected) feels that he or she requires input from third party consultants, the arbitrator shall be entitled to hire any such consultant provided that such consultant is unbiased and has no relationship with either Party. The cost of the arbitration, including all fees and expenses of the arbitrator, shall be borne or apportioned in accordance with the reward of the arbitrator.

F. Discovery in the arbitration will be conducted in accordance with the Florida Rules of Civil Procedure.

G. After all the evidence has been presented and the hearing has concluded, the arbitrator shall issue an award within thirty (30) days. A judgment upon that award shall be enforceable in any court having jurisdiction of such matters in the State of Florida.

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the 16 day of January, 2017.

EXHIBIT "B"

USE AGREEMENT
(Detroit Tigers)

THIS AGREEMENT, made and entered into this 29th day of September, 2000, by and between the **CITY OF LAKELAND, FLORIDA**, a municipal corporation existing under the laws of the State of Florida (hereinafter referred to as the "City"), and **DETROIT TIGERS, INC.**, a Michigan corporation (hereinafter referred to as the "Club").

WHEREAS, on March 6, 2000, the parties entered into a Use Agreement relating to the use by the Detroit Tigers and the Lakeland Tigers of certain facilities owned by the City and located within the City and commonly referred to as Tigertown and Joker Marchant Stadium, which Agreement will expire on December 31, 2003; and

WHEREAS, the City and the Club desire to enter into a new Use Agreement relating to the use by the Detroit Tigers and Lakeland Tigers of Joker Marchant Stadium and related facilities referenced herein, contingent upon the Facilities, as defined herein, being certified as a "facility for a retained spring training franchise" and the City being awarded funds, pursuant to §288.1182, Florida Statutes.

NOW, THEREFORE, in consideration of the mutual covenants and obligations herein contained and the further consideration of the payments required to be made by the Club to the City, it is mutually covenanted and agreed by and between the parties as follows:

1. **Lease.** The City does hereby permit unto the Club, its successors and assigns, the use of those certain premises located in Lakeland, Polk County, Florida, commonly known as Joker Marchant Stadium, which shall include the baseball field and grounds, grandstand, bleachers and seating facilities, clubrooms, shower rooms, offices, ticket offices locker facilities, press box, concession stands and equipment, and the facilities commonly known as Tigertown, which includes the John Felzer Dormitory, Hangar No. 1, the cafeteria, the 5 ½ baseball diamonds, and the administration offices (collectively referred to as the "Facilities").
2. **Term.** The term of this Use Agreement shall be for fifteen (15) years, commencing on January 1, 2001 and ending December 31, 2016, subject to the contingency set forth in Section 19, herein below.
3. **Major League Team.** The Club agrees to bring to the City each year of the term hereof a major league baseball team for its spring training and conditioning program, subject, however, to any restrictions or limitations which may occur or arise by virtue of war, travel restrictions, labor disputes, or the direction of the Commissioner of Baseball. The Club shall utilize its best effort to schedule at the Facilities a maximum number of games with other major league clubs during each spring training season.
4. **Use of Premises.** The Club shall have priority use of the Facilities during the entire months of February and March and during the first two (2) weeks in April in each year; provided, however, that such use shall not be exclusive and the City's Director of Parks and Recreation may schedule other events, including baseball games, when the use of the Facilities is not required by the Club or its affiliated farm clubs. The Club shall also have the right to

priority use of the Facilities for an additional period not to exceed one hundred and eighty (180) days during each year to conduct post-season training camps, summer clinics and try-out camps. The Club shall give the City's Director of Parks and Recreation (the "Director") not less than three (3) months' written notice of its intent to use same for such additional period.

Additionally, the Club shall have priority use of Joker Marchant Stadium on those dates and during those hours when regular season or play-off home games are scheduled for Lakeland, Florida by the Florida State Baseball League; provided, however, that such use shall not be exclusive and the Director may schedule other events, including baseball games, when the use of the premises is not required by the Club. The Club shall also have the right to priority use of the Facilities for dates reasonably necessary for practice sessions prior to or during the course of the regular baseball season and League play-off games.

In the event that the Club wishes to use the Facilities, in whole or in part, at times or for purposes not delineated above, the Club may request same in writing to the Director, who shall have the absolute discretion to approve or disapprove same, and to prescribe such terms and conditions as may be reasonable or necessary.

The City may use all or any part of the Facilities when not being utilized by the Club.

5. **Maintenance and Repair.** The City agrees to maintain the facilities in first-class condition for use as a baseball park by the Club and visiting clubs, said condition to be reasonably approved by the Club, including, but not limited to, such lights and lighting equipment as the Club may determine is necessary for the playing of baseball games at night.

The City shall furnish at its own cost all necessary equipment, labor and materials in connection with the maintenance and repair of the Facility, with the exception of the following, which shall be at the cost of the Club:

- A. Overtime wages for any City maintenance employee working in excess of forty (40) hours per week, when such overtime is caused or requested by the Club and which wages shall be reimbursed to the City by the Club on a monthly basis upon invoice.
- B. All costs associated with employees utilized by the City for the purpose of maintaining the Tigertown baseball fields. To the extent that these costs are incurred in connection with hiring additional employees other than those that are regular employees of the City, said additional employees shall be temporary employees of the City for purposes of Worker's Compensation coverage, but shall not be participants in the City's group insurance plan.
- C. All actual costs incurred by the City in connection with furnishing labor and materials to maintain the Facilities during the optional one hundred and eighty (180) day period of additional use by the Club.
- D. All actual costs associated with annual operation and maintenance of the cafeteria and Fetzer Hall associated with the Club's use thereof, including equipment, with the exception of permanently installed equipment and fixtures.

- E. The repair of the Facilities occasioned by the negligent conduct of the Club, its agents and employees, reasonable wear and tear excepted. The Club shall also use its best efforts to protect the Facilities when being used and occupied by the Club and employ any necessary security personnel at its own cost and expense.

The City shall also furnish at its expense all utilities, including heat, water and hot water necessary for the club's use of the Facilities, except for gas, which shall be paid for by Club.

6. Obligations of Club. The Club agrees that the Club will furnish, at its cost and expense, all necessary baseball equipment, including batting cages. The City may use the batting cages during the periods that the Facilities are not occupied or used by the Club, provided that the City returns the equipment to the Club in as good condition as when received, or make reimbursement for the value thereof, except for normal wear and tear, damage from fire and acts of God. The Club shall also pay for such reimbursable items as the Club and the City may agree, such as cleaning supplies and equipment and materials specifically required for baseball operations.
7. Rights of Club. Subject to paragraphs 8 and 9, the Club shall have the exclusive right to and complete control of all ticket sales, concession operations, scorebook/program and sales of all novelties and souvenirs, field and stadium advertising, suite rental and service and all revenue derived therefrom. Placement of field and stadium advertising shall be at the discretion of the Club, subject to the approval of the Director of Parks and Recreation, which approval shall not be unreasonably withheld.
8. (a) Fees. Incidental to the use of the Facilities by the Detroit Tigers, the Club shall pay to the City a rental fee of fifteen (15%) percent of the following:
1. Gross ticket sales receipts from each exhibition game or other event by the Club for which an admission fee is charged.
 2. Gross sales receipts from the sale of all novelties, souvenirs, concessions and stadium advertising.
- (b) Incidental to the use of the Facilities by the Lakeland Tigers, the Club shall pay to the City a rental fee of:
1. Fifteen (15%) percent of gross sales receipts from the sale of all concessions, suite rentals and operations, souvenirs and novelties operations only.
 2. A fee equal to the greater of twelve (12%) percent of gross ticket sales, or \$120.00 per day game/\$160.00 per night game.
- (c) One dollar and fifty cents (\$1.50) per ticket stadium facility charge will be paid to the City and applied to relief of the loan until its obligation is met. At that time, this amount reverts to the Club.

All fees payable pursuant to Sec. 8.(a)1. and 2., 8.(b)1. and 2. and (c) shall be applied to relief of the loan until the obligation is met. The Club's total annual obligation for fees payable pursuant to this Section 8 for any calendar year shall not exceed \$300,000.00.

The term "gross receipts" shall be defined as gross sales proceeds, less deductions for any applicable state, federal or local taxes.

There shall be no payment required with respect to scorebook/program receipts.

9. **Annual Rent.** The Club shall pay annual rental of Seventeen Thousand (\$17,000.00) Dollars for Tigertown to be paid prospectively on January 1 of each year, with a four (4%) percent discount if paid prior to due date. This amount of money will be placed in the special Tigertown improvements account to be used as directed by the Club for replacement and improvements of minor league facilities.
10. **Payment:** Except for the annual rent and overtime expenses which are paid quarterly, any and all payments required by this Agreement to be made by the Club shall be paid to the City together with a full and final accounting 30 days after the conclusion of the spring training season, the Lakeland Tigers season or other activity. Payment shall be made to the Parks and Recreation Director, City Hall, Lakeland, Florida, or such other person or office designated by the City in writing.
11. **Insurance.** The Club shall maintain adequate liability insurance, designating the City as a named insured, to protect the City from any liability arising from the use of the Facilities by the Club. The minimum limits of such policy of insurance shall be \$500,000.00 for injury to any one person; \$1,000,000.00 for injuries arising out of a single occurrence; and \$100,000.00 for property damage resulting from a single occurrence.
12. **Damage or Destruction.** In the event any of the Facilities shall be damaged by fire or other casualty and such Facilities shall have been insured against such loss by the City, then the entire proceeds of any such policy of insurance shall be paid to the City, free of any claim or right of the Club. The City shall have the right to restore or reconstruct any damaged or destroyed building or premises, and any reconstructed building shall become a part of the Facilities. In the event such portions of the Facilities are destroyed as to render the entire Facilities unsuitable in the Club's judgment for the Club's operation, the Club shall have the right to play elsewhere until such restoration or reconstruction is completed and, if the City neither reconstructs the premises within either 60 days or by October 30 immediately following the destruction, then, in either case at the Club's option, the Club shall have the right to terminate this Agreement by providing written notice and without further obligation or responsibility. In that event, the City shall refund to the Club on a pro rata basis any prepaid rents which may have been made prior to the date of termination.
13. **Taxes.** The Club shall be responsible for and pay any and all sales or other tax incidental to this Agreement. In the event that ad valorem taxes are assessed against the Facilities or any portion thereof as a result of the Club's use of same, the Club shall be responsible for its prorata portion of such taxes.
14. **Termination.** This Agreement may be terminated by either party upon material breach by the other party, upon thirty (30) days' prior written notice, certified mail, return receipt requested (deemed made upon receipt) and failure by the defaulting party to cure the same within said 30 days. In the event that the Club fails to cure any such breach and there remains an outstanding balance on the loan referenced in Section 8 heretof, the Club shall pay the City

\$10,000.00 as liquidated damages, which shall be the City's sole and exclusive remedy as a result thereof.

15. Option. The Club shall have the option to renew this Agreement for an additional term of ten (10) years by giving the City written notice of its intention to renew same not less than one (1) year prior to the expiration of the initial term hereof. The rental imposed during such renewed term shall be the amount agreed upon by the parties hereto prior to the commencement of the renewal.
16. Subcontractors. If any services permitted by this Agreement are subcontracted by the Club, any such subcontractor shall either be included as an additional insured under the Club's insurance policy, or shall file with the City a Certificate of Insurance evidencing compliance with Paragraph 11 hereof.
17. Agreement of City Regarding Revenue. The City agrees to take such action as is necessary under the laws of the State of Florida to plan and budget for receipt of a sufficient appropriation of funds to discharge its obligations hereunder; provided, however, if the City has not appropriated sufficient funds to enable it to discharge its obligations then, notwithstanding any other provision contained herein, this Agreement may be terminated effective upon expiration of the fiscal year in which sufficient funds were last appropriated to satisfy the obligations.
18. Assignability/Amendment. This Agreement shall be binding and inure to the benefits of the successors of each of the parties, but it is mutually agreed that this Agreement shall not be assigned by the Club to any person, firm or corporation without the written consent of the City, which consent shall not be unreasonably withheld.

Notwithstanding the foregoing, no consent is required in the event that the Club sells its major league franchise rights, said sale is approved by Major League Baseball and the team continues to play its regular season baseball games in the Metropolitan Detroit area.

Any amendment to this Agreement shall not be effective unless in writing and approved by the Office of the Commissioner of Baseball.

19. Covenants Contingent. The parties expressly acknowledge and agree that the mutual covenants undertaken in this Agreement are contingent on presentation by the City to the club of a plan of project finance which includes irrevocable commitments and awarding of funds, pursuant to §288.1182, Florida Statutes, from the State of Florida, Polk County and the City of Lakeland, all of which, when combined with the obligations and undertakings elsewhere referenced herein, will provide sources of no less than \$9.5 million which are to be irrevocably committed to the project. This financing plan shall be subject to the approval of the club, which shall not be unreasonably withheld. Further, the club shall have approval of the renovation program for which the financing plan has been irrevocably committed, such approval not to be unreasonably withheld.

IN WITNESS WHEREOF, the parties have executed this Agreement on the date indicated below.

EXHIBIT "C"

SPRING TRAINING FACILITY LEASE AND USE AGREEMENT

THIS SPRING TRAINING FACILITY LEASE AND USE AGREEMENT ("Lease") is made and entered into on this 18th day of January, 2015 ("Effective Date") by and between the **CITY OF LAKELAND, FLORIDA**, a municipal corporation existing under the laws of the State of Florida ("City") whose address is 228 S. Massachusetts Avenue, Lakeland, Florida 33801, and the **DETROIT TIGERS, INC.** ("Tigers") whose address is Comerica Park, 2100 Woodward Avenue, Detroit, MI 48201-3470, hereinafter referred to as ("Parties"). The Lease Commencement Date as defined in Section 1 hereof is the 16th day of January, 2015.

WITNESSETH

WHEREAS, the City owns a Major League Baseball Spring Training stadium (the "Joker Marchant Stadium"), together with training facilities, 5.5 practice fields, clubhouse and offices, dedicated parking facilities and other appurtenances and improvements on the site known as the Tigertown site described on Exhibit "A" ("Site") attached hereto (collectively "Spring Training Facility" or alternatively "Leased Premises"); and

WHEREAS, the Spring Training Facility being referenced herein was developed and constructed by the City in compliance with all the terms and conditions of the "Spring Training Facility Development Agreement" ("Development Agreement") dated January 18, 2015, entered into by the Parties for the purpose of the planning, design, funding, and construction of the Joker Marchant Stadium Complex Improvements, as that term is defined in the Development Agreement all as set forth in the Development Agreement; and

WHEREAS, the Tigers, the sole owner of the Detroit Tigers professional baseball franchise, are willing to engage in Major League Baseball Spring Training in the City, conduct Minor League Baseball activities in the City and to Lease the Spring Training Facility for the Term as defined herein; and

WHEREAS, the Tigers desire to occupy the Spring Training Facility pursuant to this Lease commencing with the Spring Training Season for 2017; and

WHEREAS, the lease of the Spring Training Facility and its appurtenances by the Tigers will further improve and promote gainful employment and tourism within the City, provide an economic benefit to the City and generally enhance the economic prosperity of the City, Polk County, and the State of Florida and their residents; and

WHEREAS, the City, as the owner of the Spring Training Facility, has the legal authority to enter into this Agreement and the City Commission of the City of Lakeland finds that doing so is for a valid public purpose and is otherwise in the best interest of citizens.

NOW, THEREFORE, in consideration of the premises mutual covenants and promises herein contained, the Parties hereto agree as follows:

INCORPORATION: The above recitals are incorporated herein by this reference.

1. **TERM.**

This Lease shall become effective and the term of this Lease shall commence on the date on which the Tigers shall enjoy full beneficial occupancy of the Spring Training Facility ("Lease Commencement Date") following the construction of the Improvements, such Improvements more particularly set for on Exhibit "B", and shall extend for a period of twenty (20) years, thereafter (the "Term"). Lease Commencement Date is defined as the date on which the City delivers to the Tigers a facility that is substantially complete and for which a temporary or final official Certificate of Occupancy for the Improvements, has been issued by the City, entitling the Tigers to occupy and enjoy the full beneficial use of the full Spring Training Facility for its intended purposes. The Tigers shall have one (1) separate, consecutive ten (10) year option to extend the Term for a renewal term at its discretion and pursuant to the same provisions hereof. No later than one (1) year prior to the expiration of the Term, the Tigers shall give written notice to the City of its election to extend. During the Term, or any renewal term, the Tigers shall engage in regularly-scheduled Major League Baseball Spring Training and Minor League Baseball Activities exclusively in the City at the Spring Training Facility.

2. DEFINITIONS.

A. For the purpose of this Lease, the terms:

(i) **"BOC"** shall mean the Office of the Commissioner of Baseball, an unincorporated association comprised of the Major League Clubs who are party to the Major League Constitution, and any successor organization thereto.

(ii) **"Championship Season"** shall mean the regular annual period of play of professional baseball games by the clubs of a professional baseball league, except as to the division series, the league championship series of Major League Baseball or the World Series, resulting in the determination of one of its members as the champion of that league or Major League Baseball.

(iii) **"Commissioner"** shall mean the Commissioner of Baseball as elected under the Major League Constitution or, in the absence of a Commissioner, any Person succeeding to the powers and duties of the Commissioner pursuant to the Major League Constitution.

(iv) **"Interlocal Agreement"** shall mean that certain Interlocal Agreement between the City of Lakeland and Polk County dated November 15, 2013 and attached hereto as Exhibit "C".

(v) **"Joker Marchant Stadium Complex"** shall mean the Stadium and all facilities used for Baseball Activities.

(vi) **"Lakeland Flying Tigers"** shall mean the minor league baseball team owned and operated by the Tigers, and located in Lakeland, Florida.

(vii) **"Major League Baseball" or "MLB"** shall mean, depending on the context, any or all of (a) the BOC and each other MLB Entity and/or all boards and committees thereof, including, without limitation, Executive Council and the Ownership Committee, and/or (b) the Major League Baseball Clubs acting collectively.

(viii) "Major League Baseball Club(s)" or "Major League Club(s)" shall mean any professional baseball club that is entitled to the benefits, and bound by the terms, of the Major League Constitution.

(ix) "Major League Constitution" shall mean the Major League Constitution adopted by the Major League Clubs (which amended and superseded the Major League Agreement dated January 1, 1975, the Agreement in re Major League Central Fund dated as of December 8, 1983, as amended, and the respective constitutions of the former American and National Leagues of Professional Baseball Clubs) as the same may be amended, supplemented or otherwise modified from time to time in the manner provided therein and all replacement or successor agreements that may in the future be entered into by the Major League Clubs.

(iv) "Major League Stadium" shall mean the Joker Marchant Stadium Complex.

(v) "Minor Leagues" shall mean the professional baseball leagues which are members of the National Association of Professional Baseball Leagues, Inc. Each such league is known individually as a Minor League.

(vi) "MLB Agency Agreement" means the Amended and Restated Agency Agreement, effective as of January 1, 2013, by and among Major League Baseball Properties, Inc., the various Major League Baseball Clubs and the BOC (and the Operating Guidelines related thereto), as may be amended, supplemented or otherwise modified from time to time.

(vii) "MLB Approval" shall mean, with respect to the Major League Baseball Clubs, the Commissioner, the BOC or any other MLB Entity, any approval, consent or no-objection letter required to be obtained from such Person(s) pursuant to the MLB Rules and Regulations (as exercised in the sole and absolute discretion of such Person(s)).

(viii) "MLB Entity" shall mean each of the BOC, Major League Baseball Enterprises, Inc., Major League Baseball Properties, Inc.,

The MLB Network, LLC, MLB Advanced Media, L.P., and/or any of their respective present or future affiliates, assigns or successors.

(ix) "MLB Governing Documents" shall mean the following documents as in effect from time to time and any amendments, supplements or other modifications thereto and all replacement or successor documents thereto that may in the future be entered into: (a) the Major League Constitution, (b) the Basic Agreement between the Major League Baseball Clubs and the Major League Baseball Players Association, (c) the Professional Baseball Agreement, (d) the Major League Rules (and all attachments thereto), (e) the Interactive Media Rights Agreement, effective as of January 20, 2000, by and among the BOC, the various Major League Baseball Clubs, MLB Advanced Media, L.P. and various other MLB Entities and (f) each agency agreement and operating guidelines among the Major League Baseball Clubs and any MLB Entity, including, without limitation, the MLB Agency Agreement.

(x) "MLB Rules and Regulations" shall mean (a) the MLB Governing Documents, (b) any present or future agreements or arrangements entered into by, or on behalf of, the BOC, any other MLB Entity or the Major League Baseball Clubs acting collectively, including, without limitation, agreements or arrangements entered into pursuant to the MLB Governing Documents, and (c) the present and future mandates, rules, regulations, policies, practices, bulletins, by-laws, directives or guidelines issued or adopted by, or behalf of, the Commissioner, the BOC or any other MLB Entity as in effect from time to time.

(xi) "Person" shall mean any individual, trust, estate, partnership, joint venture, company, corporation, association, limited liability company, governmental authority or entity or any other legal entity or business or investment enterprise.

(xii) "Professional Baseball Agreement" shall mean that certain agreement of the BOC, on behalf of itself and the Major League Baseball Clubs, and the National Association of

Professional Baseball Leagues, Inc., as the same now exists or may be amended, supplemented or otherwise modified from time to time or any replacement or successor agreement thereto.

(xiii) "Spring Training" shall mean the operations and activities of the Major League Clubs and the Minor League Clubs in training for the next Championship Season.

(xiv) "Spring Training Season" shall be deemed to include that time each year reasonably required for the preparation of the Leased Premises, planning for the start of Spring Training, for additional Minor League player training between the end of Major League Baseball Spring Training and the commencement of the Minor League Championship Season, and a reasonable period for the "winding down" of Spring Training activities by the Tigers.

(xv) "Spring Training Territory" shall mean, with respect to the Tigers, that territory (i) within the Tigers Home Television Territory, and (ii) with respect to spring training related rights and benefits set forth in this Lease, in and immediately surrounding the Leased Premises, immediately prior to, during or immediately after the period that the Tiger's Major League Baseball Spring Training games are played, in each case as and to the extent provided for in the MLB Agency Agreement as such territory may be amended from time to time pursuant thereto.

3. LEASED PREMISES.

In consideration of and pursuant to the covenants, agreements, and conditions set forth herein, the City does hereby lease, let, demise, and rent unto the Tigers, and the Tigers do hereby rent and lease the Spring Training Facility, particularly depicted on a Schematic Drawing labeled HKS drawing "Tiger Town/Joker Marchant Stadium Renovations dated May 21, 2014 and attached as Exhibit "D" ("Leased Premises") from City for the following purposes:

- A. Throughout the Term, on a year-round basis, the right to use the Leased Premises on an exclusive basis for any Major League and Minor League Baseball activities or operations, including without

limitation any player rehabilitation programs, player development activities, Instructional League activities and operations, and all other similar events related to the operations of Tigers professional baseball activities; (the foregoing Spring Training, Major League Baseball activities and Minor League Baseball activities collectively defined herein as "Baseball Activities").

- B. Throughout the Term, on a year-round basis, the right to use on an exclusive basis the offices, clubhouse area, the Practice Fields, and other locations (the "Tigers Exclusive Use Areas") as set forth on Exhibit "E" attached hereto and including any other areas on the Leased Premises that may be constructed or renovated following the date hereof which may be designated by the City and the Tigers as included in the Tigers Exclusive Use Areas, but in each case subject to the written approval of the City, which approval shall not be unreasonably withheld or delayed;
- C. Throughout the Term, on a year-round basis, the right to use the Leased Premises for the purpose of sponsoring or conducting non baseball activities, subject to the issuance of any required City permits generally applicable for such activities in the Major League Stadium, such as, by way of example only and without limitation, sponsoring or conducting musical concerts, theatrical performances, or any other event intended for general entertainment purposes ("Tigers Non- Baseball Event").
- D. During the Term and for so long as same has not been terminated by reason of a Tigers Default (as defined below), no professional baseball activities or baseball activities conducted by any organizations, other than Tigers Baseball Activities permitted in this Lease Agreement shall be permitted on the Leased Premises without the prior written consent of the Tigers and the City ; and
- E. Throughout the Term of the Lease, the Tigers shall be granted uninterrupted access to and egress from the Leased Premises and any other improvements from time to time located on the Leased Premises including, without limitation, access to and egress from all areas owned, licensed or otherwise controlled by the City that are reasonably necessary for the Tigers to exercise its rights and

perform its obligations under this Lease, subject only to any rights created by Florida law and to the right of the City during times declared by the State of Florida and the City to be a public emergency, to restrict access, egress and/or use of all or portions of the Leased Premises to serve as temporary staging areas or for such other purposes as the City declares necessary and expedient to protect the public's safety, health and welfare ("City Emergency Use").

4. PROJECT BONDS.

It is contemplated by the Parties that the City will issue Project Bonds ("Project Bonds"), in an amount not to exceed \$37,000,000, in order to finance the cost of the improvements. In order to defease the Project Bonds, the City shall pledge certain non ad valorem revenues, as well as other revenue sources. The City relies on the proceeds pledged under the Tourist Development Tax commitment of Polk County as set forth in the Interlocal Agreement, as well as qualifying for funds made available to certified Applicants as defined by Fla. Stat. 288.11631 for the Retention of Major League Baseball spring training baseball franchises. The Tigers agree to make good faith efforts to assist and to, upon agreement, execute any documents reasonably necessary to facilitate the issuance of the Project Bonds, and to comply with the requirements of the Team in the Interlocal Agreement in addition to the requirements of Fla. Stat. 288.11631, et. seq.

- A. **Modifications.** The Parties recognize that a large portion of the Project Costs for the Spring Training Facility will be constructed with proceeds from the Project Bonds. Accordingly, the Parties agree to take reasonable steps to cooperate in resolving any issues raised to assist the City to qualify the Project Bonds for tax exempt status under federal tax laws, and to exercise its good faith efforts to provide all reasonable documents and/or modifications hereto necessary to accomplish the issuance of the Project Bonds. Notwithstanding the foregoing, the Tigers shall not be required to sign any documents or agree to any modifications that the Tigers determine will have a negative impact on their operations, use of the Spring Training Facility or income.

5. USE.

- A. During the Term, the Tigers shall be entitled to peacefully hold and enjoy the exclusive use of the Spring Training Facility for its Major League Baseball Activities and the uses permitted pursuant to Section 3 throughout the Term of the Lease without unreasonable interruption or interference by the City or any person claiming by, through and under the City, except (i) for the City's Emergency Use in accordance with the provisions of Section 3 and (ii) to the extent that concurrent rights to use the Leased Premises may be exercised or granted to others by the City hereunder in accordance with the provisions of this Section 5. The City has the right to use the Leased Premises (excluding the Tigers Exclusive Use Areas) for any City Event. "City Event" shall mean those events sponsored and conducted by the City, following authorization by the Tigers, so long as (a) such use would not interfere with the Tigers Baseball Activities and/or (b) such use would not negatively impact the condition of any playing field on the Leased Premises such that the field condition would no longer meet Major League Baseball standards, and/or (c) such use would not interfere with Tigers Exclusive Use Areas. In any case, the City shall notify the Tigers in writing no less than thirty (30) days prior to any such use and the Tigers shall have a right of first refusal to conduct and manage the event. The Tigers may, in the exercise of their reasonable discretion, object to the use, and/or determine that such use would negatively impact the condition of any playing field on the Leased Premises such that the field condition would no longer meet Major League Baseball standards. If the Tigers deliver a written notification to the City setting forth the reasons for its objections, the City agrees it will not use the Leased Premises for the City Event.
- B. The Tigers shall advise the City of its Intended Spring Training Season schedule as soon as practicable each year following the confirmation of such schedule to enable the City to schedule events on the Leased Premises. Subject to having been made available to the Tigers by Major League Baseball, no later than November 15 of

any year during the Term, and subject to additional changes required by Major League Baseball, the Tigers shall furnish the City with its final Spring Training exhibition game schedule and any extended use requirements, if any, for the upcoming year.

- C. In connection with use of the Leased Premises for City Events, in no event shall the City use any Tigers property or equipment without the express written consent of the Tigers. The City shall promptly repair or replace any damaged property or equipment owned by the Tigers or its concessionaire if such damage resulted from the City's use or any other third party's use of the Leased Premises to the extent such third party use was authorized or permitted by the City or resulted from the City's negligence.
- D. The Tigers shall serve as the primary scheduler and booking authority for all events at the Major League Stadium and practice facilities. In the event the Tigers wish to use the Major League Stadium for a Tigers Non-Baseball Event outside of a Spring Training Season, the Tigers shall give the City reasonable written notice thereof. If the proposed date of any such proposed Tigers Non-Baseball Event conflicts with a previously scheduled City Event, the City agrees to give consideration to the Tigers request to hold such Tigers Non-Baseball Event. However, the City shall have the exclusive right to allow or not allow the Tigers to use the Major League Stadium for its proposed Tigers Non-Baseball Event.
- E. In the event that the Tigers use the Major League Stadium for a Tigers Non-Baseball Event, the Tigers agree to pay for any physical modifications or necessary restoration to the Major League Stadium to accommodate the Tigers Non-Baseball Event, security, equipment, utility, costs, royalties, fees for performers, advertising and promotional costs.

6. **GAMES PLAYED.**

The Tigers will play each and every one of its regularly scheduled Spring Training home games exclusively at the Spring Training Facility. Such exclusivity shall not include any exhibition games scheduled to be played by

the Tigers following the conclusion of the Major League Baseball Spring Training schedule and prior to the immediate ensuing Major League Baseball Championship Season, or any game approved by the BOC to be played at an Independent site where the Tigers shall be designated as the "Home Team" for the purpose of that game.

7. **TICKET SALES.**

The Tigers shall set the Spring Training and Tigers Non-Baseball Events ticket prices, shall manage all ticketing operations, including ticket sales ("Ticket Sales") for Spring Training games, Minor League games, and Tigers Non-Baseball Events, and shall be entitled to receive the Gross Revenues From Ticket Sales collected by the Tigers on an annual basis during the Term. All Gross Revenues From Ticket Sales shall be the sole and exclusive property of the Tigers, unless otherwise specified herein.

A. For purposes of this Lease, "Gross Revenue From Ticket Sales" shall mean the total gross revenues from Ticket Sales less any taxes or charges imposed by any governmental, regulatory or taxing authority generally included in the gross price of the ticket to the purchaser and required to be remitted by the Tigers to the governmental, regulatory or taxing authority and the portion of such receipts from Spring Training game Ticket Sales payable to a visiting Major League Club.

8. **PARKING PROVISIONS.**

A. The City agrees to provide, or cause to be provided, an adequate number of parking spaces to be located within one-half (1/2) mile radius of the Major League Stadium. The parking plan shall be subject to change at the discretion of the City subject to the approval of the Tigers, such approval not to be unreasonably withheld. In the event the City plans to reconfigure the parking plan in any material fashion from the configuration existing on the Effective Date, the City shall deliver to the Tigers, for the Tigers approval (not to be unreasonably withheld), the proposed revised parking plan at least ninety (90) days prior to the start of the applicable Spring Training Season.

- B. Except as may be otherwise agreed by the Parties in writing, the City reserves the right to operate the parking, and collect and retain all parking fees and related revenues derived from any and all activities conducted at the Spring Training Facility throughout the Term. The City shall be entitled to retain gross parking revenues which are derived from any event or activity undertaken at the Spring Training Facility.
- C. The fees to be charged for all parking at the Spring Training Facility shall be determined by the City, in consultation with the Tigers, and shall be referred to as "Gross Parking Revenues". The Parties shall meet and confer on any intended changes to parking fees.
- D. All public parking areas located at the Spring Training Facility shall be managed and operated exclusively by the City throughout the Term. On an annual basis the City shall remit to the Tigers 20% of all Gross Parking Revenues, for all events that include use of the Major League Stadium along with a written accounting of all such parking revenues (the "Year End Statement").
- E. **Audit Right.** Provided that the Tigers notify the City in writing on or before the date which is Ninety days (90) days after Tigers' receipt of the Year End Statement of Tigers' intention to conduct an inspection or audit, Tigers and/or Tigers' designee may inspect or audit City's records relating to Gross Parking Revenues for the year that is the subject of such Year End Statement. If such inspection or audit reveals that an error was made in the calculation of Tigers' share of Gross Parking Revenues previously allocated to the Tigers, then the City shall make up to Tigers any underpayment of any such amounts. Tigers shall pay the cost of such audit or inspection unless the results thereof reveal that City understated by five percent (5%) or more the amount of Gross Parking Revenues, in which case City shall pay the cost of such audit or inspection.

9. **CONCESSIONS.**

The Tigers or its designee(s) shall control the sale of all foods, beverages, merchandise, novelties and logo items mentioned below and the like (commonly called "Concessions") on the Leased Premises. The

Tigers shall be free to contract with a third party to operate such concessions on terms and conditions approved by the Tigers in its sole discretion, so long as the Tigers cause such third party(ies) to conduct such concession operations in accordance with applicable State Laws, City ordinances and regulations pertaining to health and safety standards applicable to the sale of food and beverages to the general public. No tobacco products may be sold.

- A. The Tigers agree to consult periodically with the City concerning concession and advertising prices. The Gross Revenues From Concessions shall be the sole and exclusive property of the Tigers. *Gross Revenues From Concessions* shall mean total concession revenues from all operations on the Leased Premises, including, but not limited to Spring Training operations, less all taxes and charges imposed by any governmental, regulatory, or taxing authority.
- B. The Tigers, or its designee(s), may, during the Term, publish and sell or dispense scorecards, yearbooks and novelty items carrying the logo or marks of the Tigers or of any other Major League Baseball Club on the Leased Premises. The revenues derived from such logo items, scorecards and yearbooks, shall be included in the calculation of Gross Revenues from Concessions.
- C. The Tigers, or its designee, shall be responsible for paying all costs and expenses of concessions operations. As the concessionaire, the Tigers or its designee shall operate the concessions in a manner consistent with applicable Industry standards for comparable concession operations, including providing a sufficient number of properly trained concession personnel to provide the concessions to those attending all events held at the Leased Premises. In addition, the Tigers agree to provide (or cause to be provided) a reasonable selection of quality items for purchase by those attending all events at the Leased Premises.
- D. The City shall notify the Tigers of any City Events for which it desires that the Tigers provide concessions operations no less than fifteen (15) business days prior to the date of such City Event. Except as may be otherwise agreed by the Parties in writing, the

Tigers will provide such operations for any such City Event requested by the City. The Tigers will negotiate and remit a reasonable percentage of net revenues from concessions to the City.

- E. The City shall purchase and maintain, in good working condition, the fixtures which shall be defined as those pieces of equipment and apparatus that are permanently attached and as may be further identified in final Construction Drawings approved by the Parties.
- F. The Tigers or its designee shall purchase and maintain all equipment reasonably necessary for the operation and sale of concessions for Spring Training events held at the Leased Premises during the Term. Concession equipment and all other equipment acquired by the Tigers (or its designee) shall be the property of the Tigers (or its designee) both during and after the Term. The City acknowledges and agrees that all concessions equipment on the Leased Premises as of the commencement of the Term hereof belongs to the Tigers or its designee.
- G. The Tigers shall maintain standards of cleanliness and product quality consistent with general industry standards and applicable license laws and regulations for comparable concession operations conducted at a Major League Spring Training Facility. The Tigers shall consult annually with the City as to these issues and pricing, and shall give due consideration to the views of the City regarding these issues.

10. MESSAGE/CENTER/BILLBOARD ADVERTISING/SPONSORSHIP/NAMING RIGHTS.

- A. All revenues received from all advertising, promotions or sponsorships, billboard signage (i.e., outfield fence, concourses and other advertising signage collectively "Advertising Inventory" subject to approval by the City, advertising rights and, without limitation, all rights with regard to the naming of the Spring Training Facility or any part thereof shall be the property of the Tigers, subject to the provisions of this section. Naming rights shall not be subject to termination by the City until the expiration of this Lease and any extensions thereof. Revenue derived from naming rights shall be

shared. If the Tigers are the procuring cause for acquiring a naming sponsor, the revenue shall be shared with 75% share to the Tigers and 25% share to the City. If the City is the procuring cause for acquiring a naming sponsor, the revenue shall be shared with 50% share to the City and 50% share to the Tigers. In the event there are compelling offers on the naming rights with similar economic terms the Tigers shall have the right to select the sponsor.

- B. The Tigers shall have the right to sell message center advertising. In no event may either party sell any message center advertising to an entity if the sale of such advertising would cause the Tigers to breach any exclusivity granted to a naming rights or presenting sponsor. The Tigers agree that they will not allow advertising of any products deemed inappropriate by the City.
- C. The Tigers shall provide all reasonable and necessary maintenance and repair of the electronic scoreboard system in a manner acceptable to the City. If required, the City will assist in providing access for trained and qualified technicians.
- D. The City shall use all reasonable, lawful and permissible efforts to assist the Tigers in obtaining any and all permits or licenses required under the laws or regulations of any governmental authority and necessary for the scoreboard message center and billboard or fixed signage advertising. The City shall also not act unreasonably to withhold or delay its approval of any such permits or licenses required under its laws or regulations.

11. FEEs FROM THIRD PARTIES AND MISCELLANEOUS REVENUE.

Except for approved City Events, the Tigers shall be entitled to retain any and all fees from third parties for the use of the Spring Training Facility during the Term, as well as any other moneys, without limitation, generated pursuant to other activities not enumerated herein. Use of the Spring Training Facility by other entities shall be subject to an agreement by and between any such entity and the Tigers on terms determined by the Tigers, subject to approval by the City, which shall not be unreasonably withheld or delayed. The Tigers acknowledge and agree that Polk County Sports Marketing is entitled to up to nine (9) event days at the Spring Training

Facility and agree to cooperate to schedule and facilitate such events.

12. LEASE PAYMENTS.

As consideration for this Lease and as rent due to the City for the lease of the Leased Premises to the Tigers, the Tigers agrees to pay to the City a guaranteed, base annual lease payment in the amount of Three Hundred Thousand Dollars (\$300,000.00) ("Base Annual Rent") beginning June 1, 2017 and on each anniversary thereof during the Term.

- A. **Management Services Fee:** In addition to the rent, as a service fee, the Tigers shall pay to the City Two Hundred Thirty Thousand dollars (\$230,000.00) annually as a Management Services Fee. The Management Services Fee shall be increased every five (5) years by the percentage change in the CPI-U, US City Average, all items not seasonally adjusted 1982-1984 = 100 base year. The City shall be responsible for payment of the Florida Sales Tax of such amount in accordance with Fla. Stat. 212.031 as it may be amended, revised or re-numbered from time to time.

13. BROADCASTING.

The Tigers shall retain any and all broadcasting and television rights for any games played by the Tigers (or any Tigers Minor League affiliate) at the Major League Stadium.

14. OPERATING MAINTENANCE AND CAPITAL IMPROVEMENTS.

A. **OPERATING MAINTENANCE.**

- (1) Throughout the Term and except as otherwise expressly provided herein, the City shall, at its sole expense, provide all cleaning, repair and operational maintenance services for the Leased Premises including without limitation the Major League Stadium and practice fields, in conformity with Major League Baseball standards and otherwise consistent with the maintenance standards and practices adhered to by the City in

connection with its maintenance of Joker Marchant Stadium, to the same standard as prior to the Effective Date. For purposes of this Lease Agreement, cleaning, repair and operational maintenance services shall mean those ordinary cleaning, maintenance and repair services necessary to keep the premises in a first-class, and good working and playing condition and are the ordinary and recurring expenses for current repair and maintenance that do not improve an asset or add to its useful life, including, without limitation, painting, waterproofing and any expenditures that would otherwise be treated as capital expenditures in accordance with generally acceptable accounting principles but become necessary as the result of the City's failure to conduct appropriate operational maintenance services or from ordinary wear and tear. The City shall repair and maintain the exterior of all buildings to include building envelope, painting, roofs, and other exterior maintenance. The City shall also repair and maintain interior electrical, plumbing, and HVAC systems as needed.

- (2) The Leased Premises shall be maintained by the City pursuant to the terms of this Lease and in accordance with Major League Baseball standards, generally. The maintenance of the athletic fields located at the Leased Premises shall include, without limitation, fertilization, irrigation, weed and vegetation control, and pest control shall be done after normal game and practice hours to ensure minimum interruption with Tigers Baseball Activities.
- (3) The Tigers shall be responsible for providing janitorial services, to include paper products for the portion of the facility used exclusively by the Tigers ("Tigers Exclusive Use Areas"). The City will provide clean-up services for the Spring Training Stadium.
- (4) In connection with City Events and any city emergency use, the City shall, at its sole expense, provide all clean up, repair and operational maintenance services for the Leased Premises and shall restore the Leased Premises to the same condition as it was prior to any such City Event.

- (5) The City shall furnish at its own cost all necessary equipment, labor and materials in connection with the maintenance and repair of the Facility, with the exception of the following, which shall be at the cost of the Tigers:
- a. Overtime wages for any City maintenance employee working in excess of forty (40) hours per week, when such overtime is caused or requested by the Tigers and which wages shall be reimbursed to the City by the Tigers on a monthly basis upon invoice.
 - b. All costs associated with employees utilized by the City for the purpose of maintaining the Tigertown baseball fields. To the extent that these costs are incurred in connection with hiring additional employees other than those that are regular employees of the City, said additional employees shall temporary employees of the City for purposes of Worker's Compensation coverage, but shall not be participants in the City's group insurance plan.

B. CAPITAL IMPROVEMENTS.

- (1) The City and the Tigers shall establish an account (the "Capital Improvements Fund") for mutually agreed upon capital improvement projects to benefit the Leased Premises. No later than April 1 of each calendar year during the Term, the City and the Tigers shall contribute funds to the Capital Improvement Fund in accordance with the schedule of contributions to the Capital Improvement Fund as set forth in the attached Exhibit "F".
- (2) The City shall be responsible for and undertake capital improvements to the Leased Premises in accordance with the terms herein and in conformity with high quality industry standards. For purposes of this Lease Agreement, "Capital Improvements" shall mean those improvements that restore an asset or add to its useful life, or relate to assets having a useful life of more than twelve (12) months, in accordance

with generally accepted accounting principles, but shall expressly exclude capital expenditures to concession and novelty equipment, portable concession units, and equipment owned solely by the Tigers. The City shall only undertake those Capital Improvements that have been approved by the Tigers in writing.

- (3) **Fetzer Hall Remodel.** The City shall remodel and upgrade Fetzer Hall in a manner to be determined by the Parties. ("Fetzer Project"). The City shall, in 2017, fund \$400,000 for remodel design costs. In 2018, the City shall contribute up to an additional \$3,600,000 for construction. The City's obligation for the Fetzer Project may be delayed at the discretion of the Tigers. In the event that the actual costs of the Fetzer Project are less than \$4,000,000, the City shall contribute the difference between \$4,000,000 and the actual Fetzer Project costs toward their capital contribution requirement; provided however that this provision shall be the City's only obligation with regard to Fetzer Hall. The funds for the Fetzer Project shall not come from the Project Bond funds.

15. FIXTURES.

Throughout the Term, the City shall be solely responsible for providing all fixtures necessary to operate the Leased Premises for purposes contemplated herein except as expressly provided herein with respect to telephones, concession, novelty and all baseball related equipment. In addition, the City shall be responsible throughout the Term for the cost of replacing any fixtures not in good and working order, for which they are responsible and consistent with their obligation under Section 14.

16. TOURIST PROMOTION.

The Parties hereto expressly recognize and agree that the City is undertaking substantial financial responsibility to induce the Tigers to continue their use of the Leased Premises for Spring Training. The City and the Tigers agree to develop an ongoing promotional partnership for the purpose of promoting the City of Lakeland and Polk County, as well as promotion of the Tigers Spring Training games and ticket sales

thereof. Accordingly, the Tigers agree to cooperate in good faith with the City in its effort to promote the development and success of Major League Baseball activities in the area. The Tigers shall endeavor in good faith effort to cause personnel and players to participate in a reasonable number of cooperative activities involving the promotion and development of professional baseball in the City during Spring Training.

A. The Tigers shall provide the City and Polk County with advertising and promotional opportunities to be agreed upon by the Parties during each year of the Term:

- (1) The City shall be entitled to one (1) event prior to a Tigers home game at Joker Marchant Stadium, which shall include game tickets and food and beverage service for eighteen (18) guests. The date of such event shall be mutually agreed upon by the Parties but subject to availability as determined by the Tigers in its sole discretion.
- (2) The Tigers will provide the City at no charge the use of a suite (including complimentary parking passes for suite attendees) at the Major League Stadium ("City Suite") for one (1) Major League Spring Training Game to help the City promote tourism, economic development and community goodwill.
- (3) In consideration of the benefits provided herein, the Tigers shall provide the City, at no charge, with fourteen (14) admission tickets (or such other lower number for any game as are actually requested by the City) for each Spring Training game to be used by the City for purposes of promoting City tourism, economic development and/or community goodwill, the location of which shall be at the discretion of the Tigers.
- (4) The Tigers shall give reasonable consideration to providing a limited number of additional Spring Training admission tickets to the City for their business and promotional use.

B. The City shall use reasonable efforts to promote the presence of the Tigers baseball operations by all reasonable methods

incidental to regular tourist promotional activities conducted by the City. In addition, the City shall use reasonable efforts to promote ticket sales for Tigers events at the Major League Stadium. The City's promotion of the Tigers shall be limited to the Spring Training Territory of the Tigers.

- C. The Tigers and the Polk County Visitors and Convention Bureau shall meet on or before November 1st of each year throughout the Term for the purpose of finalizing a mutually beneficial promotional campaign to be jointly undertaken.
- D. The Tigers agree that in connection with Tigers Baseball Activities, it shall make a good faith reasonable effort to rent or encourage visitors to the Spring Training Facility to rent hotel rooms and overnight accommodations from businesses located within the City that are subject to the City Tourist Development Tax.

17. SERVICES AND PERSONNEL.

- A. The Tigers (or its designee) shall hire and be responsible and pay for concession, ticketing, advertising, and other personnel necessary to service patrons attending: (1) the Tigers Spring Training games (2) Tigers Baseball Activities, and (3) Tigers Non-Baseball Events presented at the Major League Stadium. Such personnel shall include, but are not limited to, ushers, ticket takers, concession workers, first aid attendants, parking attendants, hired by the Tigers, and other related personnel. The Tigers personnel shall be responsible for maintaining their respective work areas in a neat and orderly fashion.
- B. The City shall provide police/security protection inside and outside the Stadium for Spring Training events during the Term of this Lease Agreement or any renewal terms, in accordance with Major League Baseball requirements. For Tigers Non-Baseball Events and for City Events, the party who sponsors such event shall provide security for such event.
- C. At all times during Spring Training, the Tigers shall be responsible for providing its own private security personnel to staff the Tigers

Exclusive Use Areas.

18. VIOLETION OF LAWS.

- A. The Tigers shall pay all lawful taxes, assessments, licenses and charges on its operations, and on goods, merchandise, fixtures, appliances, equipment and property owned solely by the Tigers and located on or about the Leased Premises (the "Tigers Assets"). Should any improvements to the Tigers Assets made by the Tigers become subject to taxes, the Tigers agrees to pay any and all lawful taxes, assessments or charges which at any time may be levied by any federal, state, City, city or any tax or assessment levying body (i) against the Tigers, (ii) upon the Leased Premises; (iii) upon any interest in this Lease or any possessory right which the Tigers may have in or to the Leased Premises, or (iv) in the improvements thereon by reason of the Tigers use or occupancy thereof. Any leasehold improvements shall immediately become property of the City for its public use.
- B. The Tigers shall not in any manner, directly or indirectly, violate the laws, ordinances, rules or regulations of any federal, state, City, city or other governmental authority or agency in connection with the use and occupancy of the Leased Premises under the terms of this Lease.

19. TIGERS ALTERATIONS.

- A. During the terms of this Lease, The Tigers shall not make any permanent alterations or permanent additions to the physical structure of the Leased Premises without first requesting and obtaining written approval from the City, which approval shall not be unreasonably withheld. The Tigers shall repair or cause to be repaired, any damage to the structures, water apparatus, electric lights, or any fixtures, appliances, furniture, lockers or other appurtenances of said premises, which damages result from any gross negligence or willful misconduct of any of the Tigers, its assigns, agents or employees, and to pay, or cause to be paid to the City, the costs for all reasonable and necessary repairs arising from such gross negligence or willful misconduct; provided, however, that, damage

by the natural elements or ordinary wear and tear shall in no event be the responsibility of the Tigers.

- B. Upon the termination of this Lease, the Tigers shall return to the City all equipment and personal property of the City in the exclusive possession of the Tigers, its assigns, agents or employees. All such equipment and property shall be in good condition, subject to ordinary wear and tear, damage by the natural elements or damage caused by parties other than the Tigers, its agents, assigns or employees.
- C. Immediately prior to and following Spring Training during each year of the Term, the City and the Tigers shall jointly perform an inspection of the Leased Premises that shall include an inventory of all equipment and personal property of the City and the Tigers thereon.

20. UTILITIES.

Utilities shall be paid for the facilities with responsibility for their payment as set forth in Exhibit "G". Except as provided therein, the City shall be responsible for the cost of all utilities with respect to the Leased Premises, including but not limited to, electricity, water, sewage, and trash removal that are not billed directly to the Tigers. Notwithstanding the foregoing, the Tigers shall reimburse the City for electrical costs incurred to provide field lighting for any evening games played by the Tigers at the Major League Baseball Stadium during the Term to include Minor League games, and shall be responsible for electricity charges related to the Tigers Exclusive Use Areas. The Tigers will be responsible for the installation and maintenance of all telephone hardware and equipment. All utilities shall be separately metered or allocated between the Tigers and the City in a manner that is acceptable to both parties.

21. OPERATIONS.

The Parties hereby agree that the exclusive use of the Leased Premises by the Tigers during the Spring Training Season includes operational jurisdiction over the various service providers, subcontractors, and other persons or entities who may be involved or working at the Leased

Premises, but shall not include operational jurisdiction over any City employees unless expressly agreed by the Parties. Accordingly, the Tigers shall manage the agreed upon operations for the Spring Training games, including ticket sales and distribution of tickets. The Tigers will endeavor in good faith to cooperate with other parties using the Leased Premises, including the City, when managing personnel on the Leased Premises during the Spring Training Season.

22. ASSIGNMENT/SUBLEASE.

The rights granted to the Tigers pursuant to this Lease shall not be assigned, except with the prior written consent of the City; provided, however, that any assignment or transfer pursuant to the sale of all or substantially all of the assets and/or ownership interest of the Tigers shall not require City's consent hereunder.

The City shall also have the right to approve any sublessee or sublease agreement, which subleases all or part of the Major League Stadium provided that such approval shall not be unreasonably withheld or delayed.

23. TAXES.

The City represents that (1) as of the date hereof, it has and shall continue to have throughout the Term, all ownership interests in the Leased Property, (2) as such, has the full authority to grant the Tigers the rights provided hereunder, and (3) this Lease has been entered into for the public purpose of promoting tourism, gainful employment and economic growth in Lakeland and the State of Florida. It is the intent and understanding of the Parties that the leasehold interest held by the Tigers pursuant to this Lease shall be exempt from ad valorem taxation pursuant to Chapter 196.199, Florida Statutes. If, for any reason during the Term, all or any portion of its leasehold interest or other rights or benefits held by the Tigers under this Lease becomes subject to ad valorem taxation, such tax shall be paid by the City as provided by law.

24. HOLD HARMLESS/INSURANCE.

- A. Subject to the limitations as set out in Fla. Stat. 768.28 and Fla. Stat. 252.51, the City shall indemnify, defend, and hold harmless the Tigers and the members, partners, officers, employees, affiliates,

representatives and agents for the Tigers (the "Tigers Indemnified Parties"), from and against any and all claims, actions, damages, liability, costs and expenses, including reasonable attorneys' fees and court costs, arising out of the use, maintenance or operation of the Leased Premises by the City or any of its designees, approved third party lessees, agents, employees, or contractors, or arising out of the actions, omissions to act, or negligence of the City or any third party using the Leased Premises with permission from or the approval of the City in accordance with its rights hereunder, or the City's breach of any representation, warranty or agreement with the Tigers including, but not limited to, bodily injury, death and/or property damage or any other lawful expense. The City agrees to defend all actions to which such indemnity applies and to conduct the defense thereof at the City's sole expense and by the City's counsel, which counsel shall be satisfactory to the Tigers, but such approval shall not be unreasonably withheld or delayed. The City may not settle any suit, action or claim to which an indemnification obligation applies without the prior written approval of the Tigers, which approval shall not be unreasonably withheld or delayed.

- B. The Tigers shall indemnify, defend, and hold harmless the City from and against any and all claims, actions, damages, liability, costs and expenses, including reasonable attorney's fees and court costs (collectively, "Claims"), to the extent such Claims arise out of the use of the Leased Premises by the Tigers or any of its agents, employees, or contractors (the "Tigers Parties") or to the extent such Claims arise out of the actions, omissions to act, or negligence of the Tigers or any third party using the Leased Premises for professional baseball activities or related events with permission from or the approval of the Tigers in accordance with its rights hereunder, or the Tigers' breach of any representation, warranty or agreement with the City including, but not limited to, bodily injury, death and/or property damage or any other lawful expense. The Tigers agree to defend all actions to which such indemnity applies and to conduct the defense thereof at the Tigers sole expense and by the Tigers counsel. The Tigers may not settle any suit, action or claim to which an indemnification obligation applies without the prior written approval of the City, which approval shall not be unreasonably withheld or delayed.

C. The Tigers shall maintain insurance with a company or companies reasonably acceptable to the other, which company or companies shall have at least an AM Best rating of A-. The Tigers agree to maintain insurance policies as follows:

- (1) Workers' compensation insurance in an amount not less than is required by Florida law, including Employers Liability with limits of \$1,000,000 per employee for Bodily Injury by disease and \$1,000,000 aggregate for Bodily Injury by disease.
- (2) Commercial general liability insurance with a limit of \$5,000,000.00 or such other greater amount as the Tigers shall determine is reasonably prudent; and Automobile Liability insurance covering all owned, non-owned and hired autos with limits of \$5,000,000 per accident. These limits may be evidenced by any combination of primary and excess coverage.
- (3) The Tigers shall name the City as an additional insured on all commercial general liability insurance policies as required herein. Such additional insured coverage shall be subject to and limited to the Tiger's indemnity obligations set forth in Para. 24(B). The Tigers shall issue certificates evidencing such insurance policy to the City no less than thirty (30) days prior to Spring Training each year.

D. The City of Lakeland is a municipal corporation organized and existing in accordance with the laws of the State of Florida and is a qualified self-insured entity in accordance with Florida law. For policies subject to a self-insured retention, the City shall remain responsible (i.e., contractually liable) to the same extent that an open market insurance carrier would be if self-insurance had not been used. The City of Lakeland will maintain coverage as more specifically provided below:

- (1) Fire, theft and comprehensive coverage for vehicle and equipment damage. This pertains to both City owned as well as that which is owned by others but are under the control and custody of this City through contract or other such formal agreement.
- (2) Comprehensive General Liability covering claims for both bodily

injury and property damage exposures for which the City may be deemed liable. The coverage is \$1,000,000 per occurrence with a \$3,000,000 policy aggregate. Excess liability covering multiple perils is \$4,000,000 per occurrence and \$4,000,000 policy aggregate.

- (3) **Business Automobile Liability** for both bodily injury and property damage exposures for which the city may be deemed responsible. This includes any vehicle being operated under the direction of the City of Lakeland. Auto Liability covers all owned, non-owned and hired vehicles with limits of \$1,000,000 per occurrence.
- (4) **Workers' Compensation** coverage including Employers Liability as required by the State of Florida. In addition the City carries an umbrella policy from its excess Workers Compensation carrier for \$1,000,000 per employee.
- (5) The City shall name the Tigers as an additional insured on all Comprehensive General Liability and Excess coverage as required herein and the City shall issue certificates evidencing such coverage to the Tigers no less than thirty (30) days prior to Spring Training each year.
- (6) The City shall provide all risk property insurance including windstorm and flood for the full replacement value of the Joker Marchant Stadium Complex.

25. FIRE OR OTHER CASUALTY.

- A. The City shall insure the Leased Premises against damage or destruction by fire or other casualty under an all risk property form applicable to the Leased Premises. The City shall ensure that the Leased Premises are covered for 100% replacement value. If any part of either of the Leased Premises is damaged or destroyed by fire or other casualty insured under the all-risk property form applicable to the Leased Premises, and the Leased Premises are unavailable for more than one (1) Spring Training Season, then the Tigers may terminate this Lease by written notice to the City within one hundred twenty (120) days

after the later date of such damage or destruction or unavailability of the Leased Premises, is known by the Tigers. In the event the Tigers elect to terminate the Lease, each Party shall be entitled to the proceeds of any insurance it has procured, there shall be an abatement of all monies due hereunder, and the Tigers shall be entitled to 50% of any Capital Improvements Fund available as of the date of such damage or destruction. Upon payment of any sums then owing by either Party to the other, the Parties shall be released from all future liability hereunder except for liability under the indemnity provisions hereof, which shall survive termination of this Lease. The Tigers shall provide Fire Legal Liability for damages by fire to the Leased Premises occupied exclusively by the Tigers in the amount of \$100,000.

- B. If the Tigers do not elect to terminate this Lease as a result of damage, destruction or unavailability of either of the Leased Premises, then at its expense, the City shall restore the Leased Premises to as good as condition as existed immediately prior to the damage or destruction and the Tigers shall not be released from any obligations hereunder except that there will be a release from all monetary payments due hereunder for the period of unavailability.
- C. If either of the Leased Premises is damaged or destroyed by fire or other casualty and the Leased Premises are unavailable for less than one Spring Training season during the Term, the City shall promptly repair and rebuild the Leased Premises. In such event, all Tigers obligations hereunder shall be suspended during the period of time for which the Leased Premises are unavailable.
- D. If during any period the Leased Premises are unavailable, the Tigers must find an alternative location for Spring Training, the City shall make reasonable efforts, if requested by the Tigers, to secure a temporary, substitute Spring Training Facility for the Tigers, which satisfies the reasonable needs of the Tigers to conduct Spring Training activities.
- E. Except to the extent provided for in this paragraph or elsewhere in this Lease, neither the monies payable by the Tigers nor any of the Tigers other obligations under any provisions of the Lease shall be affected by any damage to or destruction of the Leased Property by any cause whatsoever.

- F. The City and the Tigers, on behalf of themselves and all others claiming under them (including any insurer) waive all claims, demands, or rights of Indemnity that either of them may have against the other (including all rights of subrogation) arising out of damage to any property, real or personal, resulting from fire or other casualties, no matter what the cause thereof may be. The parties waive their respective rights, as set forth herein, because adequate insurance is to be maintained by each of them to protect themselves against all such casualties and they have obtained or agree to obtain from their insurance carriers appropriate "waiver of subrogation" provisions in all such policies of insurance.

26. DISPUTE RESOLUTION.

- A. The Parties agree to attempt to settle any dispute or controversy that may arise between the Tigers and the City regarding any provision or obligation set forth in this Lease by mediation. A mediator will be selected by the parties who will endeavor to resolve in a mutually satisfactory way, any such dispute or controversy in accordance with the laws of the State of Florida. The Party desiring the mediation shall give written notice thereof to the other Party specifying the specific question or questions to be mediated.
- B. If a mediator is unable to satisfactorily resolve the question or questions to be mediated within sixty (60) days of commencing the mediation, the Parties agree to then submit the question or questions to resolution by binding arbitration conducted in accordance with applicable Commercial Arbitration Rules of the American Arbitration Association ("AAA") or such other process upon which they may agree, then in effect.
- C. The arbitration shall be expedited to completion within ninety (90) days after notice of electing to arbitrate sent by one Party to the other Party. Both Parties shall agree in good faith to cooperate and facilitate the completion of the arbitration within said ninety (90) day period.
- D. In the event the Parties are unable to agree on a single arbitrator within thirty (30) days of the notice of electing to arbitrate, each Party shall within ten (10) business days thereafter select an arbitrator from a panel of eligible arbitrators provided by AAA and thereafter the two selected

arbitrators shall select a third arbitrator.

- E. If the arbitrator (or if a panel is selected) feels that he or she requires input from third party consultants, the arbitrator shall be entitled to hire any such consultant provided that such consultant is unbiased and has no relationship with either Party. The cost of the arbitration, including all fees and expenses of the arbitrator, shall be borne or apportioned in accordance with the award of the arbitrator.
- F. Discovery in the arbitration will be conducted in accordance with the Florida Rules of Civil Procedure.
- G. After all the evidence has been presented and the hearing has concluded, the arbitrator shall issue an award within thirty (30) days. A judgment upon that award shall be enforceable in any court having jurisdiction of such matters in the State of Florida.

27. SUSPENSION OF PLAY.

If for any reason beyond the reasonable control of the Parties, including without limitation, as a result of any act of nature or force majeure, national emergency, state of war, or because of a labor strike, lock-out, or other cause of similar nature, the Leased Premises are unavailable for an entire Spring Training Season shall be regarded as suspended for the period of unavailability without liability to either Party, and the Term shall be extended for one (1) additional calendar year so long as the period of unavailability is no more than one (1) Spring Training Season during the Term. If the Leased Premises shall be unavailable for more than one Spring Training Season during the Term, the Tigers shall have the right to terminate the Lease subject to the requirements of Section 30.

28. NOTICES.

Any notice required to be given hereunder shall be in writing and shall be deemed received (i) upon actual receipt if sent by overnight delivery by a nationally recognized courier or by the U.S. Postal Services, Express Mail, postage prepaid, (ii) five (5) days after deposit if sent by U.S. certified mail, return receipt requested, or (iii) upon actual confirmed receipt if sent by facsimile copy:

For notices to the Tigers:

**Mr. David Dombrowski
President, General Manager and CEO
Detroit Tigers, Inc.
2100 Woodward Avenue
Detroit, MI 48201-3470**

For notices to the City:

**City Manager's Office
228 S Massachusetts Avenue
Lakeland, Florida 33801
(863) 834-6268**

With a copy to:

**City Attorney's Office
228 S Massachusetts Avenue
Lakeland, FL 33801
(863) 834-6010**

In addition to the formal notices required by this Lease, the Tigers shall coordinate in good faith its activities hereunder with the City through the City's Director of Parks and Recreation, or such other person as the City Manager may designate from time to time. Pursuant to the notice provision above, it is hereby agreed that the said Director or other, designee is authorized to represent the City with respect to matters covered by this Lease. In similar fashion, the Tigers shall designate one person who shall be authorized to represent the Tigers in such matters. In the absence of the Tigers making a specific designation to the contrary, this person shall be the person named above by the Tigers to receive all notices.

29. PERMITS.

The Tigers, at its sole expense, shall comply with all laws, orders and regulations of federal, state and City authorities, and with any directions given by any public officer pursuant to law, which shall impose any duty upon the Tigers with respect to the Tigers use of the Leased Premises. The City shall obtain permits or licenses or take necessary corrective action to ensure the acquisition of any permit directly related to the City's repair, renovation or maintenance of the Leased Facilities and compliance with building codes. The Tigers, at its sole expense, shall obtain all licenses or permits which may be required for the conduct of its business within the terms and conditions of this Lease, and the City, if necessary, will join with the Tigers in applying for all such permits or licenses. To the extent permitted by law, the City will assist and cooperate with the Tigers in securing permits for the operation of the Leased Premises. The City shall also not act unreasonably to withhold its approval of any such permits or licenses required under its laws or regulations.

30. TERMINATION AND REMEDIES.

- A. The City may terminate this Lease upon sixty (60) days' written notice to the Tigers of any of the following events (collectively hereinafter referred to as the "Tiger Defaults");
- (1) If the Tigers vacate the Leased Premises, or cease to conduct a majority of its Baseball Activities at the Joker Marchant Stadium;
 - (2) If, by order of a competent authority, a receiver, liquidator or trustee of the Tigers or any of its property shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days of the making of such order, or if by decree of such authority the Tigers shall be adjudicated or determined to be bankrupt or insolvent, or if the Tigers shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;
 - (3) If the Tigers fail to make any payments to the City pursuant

to this Lease within one hundred twenty (120) days following written notice of such payment default, or

(4) If the Tigers breach any material provision, agreement or obligation hereunder that is not cured within sixty (60) days of written notice of such breach delivered to the Tigers; provided, however, that if such breach cannot be cured within such sixty (60) day period, but the breach is capable of cure within a reasonable period of time which is acceptable to the City, and the Tigers diligently pursues such cure, the Tigers shall be allowed such agreed upon time period to cure such default.

B. Upon an event of a Tigers Default, the City, shall have any remedy available at law or equity.

C. Termination. Subject to Section 30F, in the event the City should elect to terminate the Lease following a Tigers Default, the City's remedies are as follows:

(1) The City shall have the right to re-enter or repossess the Leased Premises by force, summary proceedings, surrender or otherwise, and may dispossess and remove the Tigers, or any other occupants thereof, without being liable for any prosecution therefor, provided, however, that the City shall have no right to the Tigers assets and the Tigers shall have the right to remove all Tigers assets from the Leased Premises.

(2) The City shall have the right to file an action to collect any monetary obligations accrued through the date of termination.

(3) The City shall have the right to re-let the Leased Premises. Should the City incur necessary and reasonable expenses in enforcing its rights hereunder, specifically including reasonable attorney's fees and court costs, said reasonable expenses shall be borne by the Tigers.

(4) Termination Fee. The City shall be entitled to a termination fee

in an amount necessary to pay the unamortized portion of the debt on the Improvements, and to pay debt service on the Project Bonds. The City shall take all steps necessary to relet the Stadium complex and to further mitigate damages that it may incur as a result of a Termination by the Tigers.

- (5) The Tigers shall remit to the State of Florida any payments required by Fla. Stat. 288.11631.
- D. In addition to any other remedies available to it as provided herein or at law or equity, the Tigers may terminate the Lease upon thirty (30) days' written notice to the City of a breach by the City of any material provision, agreement or obligation hereunder ("City Default") that is not cured within sixty (60) days of notice of such breach ; provided , however, that if such breach cannot be cured within such sixty (60) day period, but the breach is capable of cure within a Reasonable period of time which is acceptable to the Tigers, and the City diligently pursues such cure, the City shall be allowed such agreed upon time period to cure such default. Following the termination of this Lease by the Tigers, the Tigers shall be relieved of all liabilities and obligations accruing after the effective date of termination.
- E. In the event of a City Default, and in addition to the remedy permitted by Paragraph (D) above or at law or equity, the Tigers are granted the remedy of "Self Help" to be exercised at its sole and exclusive discretion, by taking such action as the Tigers deems necessary to cure such default, and the City shall, upon demand made by the Tigers, reimburse the Tigers for the cost of curing such City Default, plus an administrative fee equal to ten (10) percent of the cost to the Tigers to cure such default. . In the event the City fails to reimburse the Tigers for the cost of curing the City Default within thirty (30) days from demand for payment by the Tigers, the Tigers may deduct such amount from the Base Annual Rent payable under this Lease, or from any other sums due the City hereunder . The taking of actions by the Tigers to mitigate a City Default shall not be deemed a cure of such default.
- F. Notwithstanding anything to the contrary herein, under no

circumstances may the Tigers rights to use the Leased Premises be terminated between January 1st and April 30th of any year during the Term

31. GENERAL PROVISIONS.

This Lease shall be governed by, construed and enforced in accordance with the laws of the State of Florida. Venue for claim shall be Polk County, Florida or the U.S. District for the Middle District of Florida, Tampa Division.

- A. The covenants, terms, conditions, provisions and undertakings in this Lease, or in any renewals thereof, shall extend to and be binding upon the heirs, personal representatives, executors, administrators, successors and assigns of the respective Parties hereto as if they were in every case named and expressed and wherever reference is made to either of the Parties hereto it shall be held to include and apply also to the heirs, personal representatives, executors, administrators, successors and assigns of such Party as if in each and every case so expressed.
- B. The Parties agree to execute and deliver any instruments in writing, which are necessary to carry out any agreement, term, condition or assurance in this Lease, whenever the occasion shall arise and request for such instrument shall be made.
- C. The specified remedies to which the Parties may resort under the terms of this Lease are cumulative and not intended to be exclusive of any other remedies or means of redress to which the Parties maybe lawfully entitled in case of any breach or threatened breach of any provision or provisions of this Lease.
- D. This Lease and any exhibits attached hereto contain the entire Agreement and understanding between the Parties and is a complete and exclusive statement of the terms thereof. Except for any conditions or terms contained in the Spring Training Facility Agreement (defined above) that are unsatisfied as of the effective date of this Lease, this Lease shall supersede all prior oral and written understandings or agreements, terms or conditions relating to

the Leased Premises, and neither Party has relied on any representation, express or implied, not contained in this Lease or the simultaneous or prior writings heretofore. Any amendment or modification of this Lease may not be changed or supplemented orally, but shall be in writing and signed by the Parties. This Lease may not be amended, supplemented or otherwise modified, and no provision of this Lease may be waived, unless all necessary MLB Approvals have been obtained in advance thereof.

- E. Each of the Parties represents and warrants that as of the date hereof and throughout the Term (1) it has all requisite authority to enter into this Lease and to perform its obligations hereunder, (2) that the execution and delivery of this Lease and the performance of its obligations hereunder have been duly authorized by all necessary action on the part of such Party, and (3) upon due execution and delivery by such part, constitutes a legal, valid and binding obligation of the part, enforceable against such Party in accordance with its terms.
- F. If any term or other provision of this Lease is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms and provisions of this Lease shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto shall negotiate in good faith to modify the Lease so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.
- G. Notwithstanding any other provision of this Lease, this Lease and any rights or exclusivities granted by the Tigers hereunder shall in all respects be subordinate to the MLB Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which the City is

granted rights is limited to, and nothing herein shall be construed as conferring on the City rights in areas outside of, the Spring Training Territory of the Tigers. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Lease, except as are specifically approved in writing by the applicable MLB Entities.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed and their respective seals to be hereunto affixed, the day and year first above written.

EXHIBIT "D"

**INTERLOCAL AGREEMENT
FOR TOURIST DEVELOPMENT TAX FUNDING
FOR IMPROVEMENTS TO
JOKER MARCHANT STADIUM**

THIS INTERLOCAL AGREEMENT ("Agreement") is entered into as of the Effective Date (hereinafter defined) by and between the City of Lakeland, Florida, a Florida municipal corporation (the "City"), and Polk County, a political subdivision of the State of Florida (the "County"), their respective successors and assigns (the City and the County may sometimes be referred to herein collectively as the "Parties").

WITNESSETH

WHEREAS, Florida Statutes, Section 163.01, the Florida Interlocal Cooperation Act of 1969 (the "Cooperation Act"), at Subsection 163.01(4), provides that public agencies of the State of Florida, which by definition include cities and counties, may exercise jointly with any other public agency of the State of Florida any power, privilege, or authority which such agencies share in common, and which each might exercise separately, by contract in the form of an interlocal agreement; and

WHEREAS, the City is the owner and operator of The Joker Marchant Stadium Complex, a public facility located at 2301 Lakeland Hills Boulevard, Lakeland, Florida 33805 that is comprised of Joker Marchant Stadium, Two Batting Cages, Weight Room, Major League Locker Room, Minor League Clubhouse, Fetzer Hall Dormitories, Cafeteria, and Recreation Hall, Tigers Administration Building, 5.5 Practice Fields, Bunting and drills field, Long mounds, Maintenance and Storage Building (the "Complex"); and

WHEREAS, the Complex is a "professional sports franchise facility" and a "retained spring training franchise facility" within the meaning of Section 125.0104(3)(f), Florida Statutes, and a "Facility" within the meaning of Sections 288.11621(1)(d) and 288.11631(1)(d), Florida Statutes, in that the Complex has been the spring training home of the Detroit Tigers major league baseball team since 1966 and is the home of the Lakeland Flying Tigers minor league baseball team (the Detroit Tigers major league baseball team and the Lakeland Flying Tigers minor league baseball team shall collectively be referred to as the "Team"); and

WHEREAS, the City intends to undertake a project for the renovation and expansion of the Complex as more particularly described in Section 4.2 (collectively, the "Improvements") in order to induce the Team to extend their current lease or enter into a new lease with the City for an additional twenty (20) year period, and, in connection therewith, will apply for State funding for renovation of a spring training facility pursuant to Section 288.11631, Florida Statutes for the purpose of funding a portion of the Improvements; and

WHEREAS, the Improvements by the City comply with and will further the purposes of the County's plan of tourist development devised in accordance with Section 125.0104(4), Florida Statutes; will promote the influx of tourists to the City and the County, and thereby benefit the local economy; and will be of substantial benefit to the entire City and County; and

WHEREAS, it is the purpose and intent of the Parties, this Agreement, and the Cooperation Act to permit the City and the County to make the most efficient use of their respective powers, resources and capabilities by enabling them to cooperate on the basis of mutual advantage and thereby to provide for the Improvements in the manner that will best

accord with the existing resources available to each of them and with the geographic, economic, population and other factors influencing the needs and developments within their respective jurisdictions; and

WHEREAS, it is the purpose of the Cooperation Act to provide for a means by which the City and the County may exercise their respective powers, privileges and authorities which they share in common and which each might exercise separately; and

WHEREAS, the City has committed to incur all or a portion of the Indebtedness (hereinafter defined) for the Improvements, and the County has elected to pledge a portion of the revenues from its tourist development tax, authorized by Section 125.0104, Florida Statutes (the "Tourist Development Tax"), in the amounts set forth in Section 3.2, to pay a portion of the Indebtedness, all in accordance with the intent and purposes of the Cooperation Act permitting local governments to, among other things, provide from their treasuries the financial support for the purposes set forth in interlocal agreements; and

WHEREAS, the City and the County have ascertained that the method or formula for equitably providing for and allocating and financing the capital costs for the Improvements and the payment of the Indebtedness therefor, including payments to reserve funds and payments of principal and interest on obligations as established by the Parties, are reasonable on the basis of the amount of services rendered or to be rendered, benefits received or conferred and on all other equitable bases; and

WHEREAS, in order to induce the Team to extend their current lease or enter into a new lease with the City for an additional twenty (20) year period the County deems it proper and appropriate to pledge a portion of the Tourist Development Tax to pay a portion of the Indebtedness, as more specifically set forth herein; and

WHEREAS, the City and the County wish by this Agreement to provide for the terms and conditions of the commitment of the City and the County created hereby and to secure the payment of the Indebtedness, in order to further the purposes stated herein.

NOW, THEREFORE, in consideration of the promises, mutual covenants and conditions contained herein, the Parties agree as follows:

SECTION 1: Recitals

The above recitals are true and correct and incorporated herein.

SECTION 2: Authority

This Agreement is entered into pursuant to the provisions of Section 163.01, Florida Statutes; Chapter 166, Florida Statutes; Chapter 125, Florida Statutes; and other applicable provisions of law.

SECTION 3: Covenants and Obligations of the County

3.1 Subject to the terms and conditions of this Agreement, the County does hereby covenant and pledge a portion of the fourth percent of the Tourist Development Tax for the purposes provided herein, for a term of twenty (20) years. In order to finance the Improvements, the City shall issue bonds, amortized over a twenty (20) year period, in the approximate amount of \$37,000,000.00 (the "Indebtedness"). The City shall issue all such bonds in a one-time, single issuance, and the Parties expressly acknowledge and agree that this Agreement, and the County's obligations hereunder, shall not apply to any bonds issued by the City following such initial issuance, whether issued in connection with the financing of the Improvements or not; provided, however, this provision shall not operate to limit either Party's rights under Section 4.6 of this Agreement.

3.2 The County shall make a single annual payment to the City, commencing September 30, 2017 and every September 30th thereafter in an amount equal to the lesser

of: (i) 39.4% of the actual amount of principal and interest due on the Indebtedness for that particular year; or (ii) the amount of annual principal and interest necessary to defease a principal amount of \$14,560,000.00, over a twenty (20) year term, at a maximum interest rate of 4.5%. Such annual payments by the County shall be applied toward payment of the Indebtedness, and the County shall make such annual payments to the City until the County's obligation under this Agreement is satisfied, or sooner terminated. The annual payment shall represent both principal and interest on the County's portion of the indebtedness as set forth on the Estimated Bonded Debt Amortization Schedule shown in Exhibit "A" attached hereto and incorporated herein. Exhibit "A" is provided for illustration purposes only and shall not be construed as adding to or limiting the obligation of the Parties pursuant to this Agreement. Upon the issuance of the Indebtedness, the actual amortization schedule for the Indebtedness shall be used to calculate the annual payments due and shall be incorporated into this Agreement as an addendum. The Parties agree that the sum of all annual principal payments provided by the County herein will not exceed \$14,560,000, nor constitute more than 39.4% of a total project cost of at least 37,000,000.

3.3 On any annual payment date, the County may elect to terminate its obligations under this Agreement by paying to the City an amount equal to the County's share of the unpaid principal amount due on the Indebtedness through maturity of this Agreement.

3.4 With the exception of those revenues previously pledged for improvements to the Lakeland Civic Center, the County covenants and agrees to apply the annual revenues derived from the fourth percent of the Tourist Development Tax up to the annual proportionate share of the limits set forth in Section 3.2 to satisfy its annual payment

obligations under this Agreement prior to applying said revenues to any other purpose. The Parties acknowledge and agree that all surplus funds generated annually from the fourth percent of the Tourist Development Tax in excess of what is necessary to satisfy and discharge the County's annual obligations hereunder, including any carried over amount from the prior year, if any, as set forth below, may be utilized by the County for any purpose authorized by Section 125.0104(3)(f), Florida Statutes. In the event the revenue generated from the fourth percent of the Tourist Development Tax is insufficient in any given fiscal year for the County to meet its obligations hereunder, then the County shall carry the shortfall forward so that it becomes due and payable with the next annual payment. In the event full payment has not been made at the end of the twenty year financing period provided herein, the Parties agree that this Agreement, and the County's obligation to make payments hereunder, shall be extended for such additional period of time as is necessary for the County to make full payment to the City.

SECTION 4: Covenants and Obligations of the City

Subject to the terms and conditions of this Agreement, the City does hereby covenant and agree as follows:

4.1 In order to finance the Improvements, the City shall proceed with all steps necessary to obtain financing and related costs for the Improvements, and shall diligently pursue completion of the Improvements being financed with the proceeds of the debt instrument(s);

4.2 The City shall apply for State incentive funding for renovations for a spring training franchise facility pursuant to Section 288.11631, Florida Statutes, and the City shall use the proceeds of such funding for the sole purpose of financing a portion of the costs of the Improvements by servicing the debt obtained to finance the Improvements as

indicated in Section 4.1;

4.3 The City shall apply the proceeds from any lease or financial revenue sharing agreement with the Team for the funding of the Improvements to service the debt obtained to finance the Improvements as indicated in Section 4.1; provided, however that this provision shall not apply to any leases entered into for improvements or uses which are not in whole, in part, or in any manner materially associated with the Improvements for which the County funds are intended and which are governed by this Agreement. The Improvements shall consist of:

- a. New Major League Clubhouse and support facilities
- b. Demolition of existing major league clubhouse
- c. New Minor League Clubhouse and support facilities
- d. Renovation and re-purposing of Minor league Clubhouse
- e. New Concourse expansion to create a "360 walk-around" Joker Marchant Stadium
- f. Demolition of existing 3rd base pre-stressed bleachers and replacement with stadium seating
- g. New Stadium Club and seating area on 1st base side
- h. Expansion and renovation of Press Box facilities
- i. Relocation of two existing suites
- j. New food service pantry for second level
- k. Relocation of existing Grandstand second level restrooms
- l. New elevator and stair tower
- m. New administrative offices Major and Minor Leagues
- n. New concessions and restrooms at stadium main concourse

- o. New climate controlled team store
- p. Expand left field berm, patio, and seating. Include Party Deck and outdoor kitchen
- q. Relocate bullpens
- r. Relocate Video Board
- s. Expand and remodel existing Visiting Team Locker Room
- t. Replace existing Major League batting Cage across runway
- u. Relocate Parks and Recreation maintenance as required in repurposed buildings
- v. New Multi-tiered practice field quad observation tower-toilets, office, video review room, and storage
- w. Demolition of Hanger #3 replace with secured parking
- x. New Walkway Canopy between existing Cafeteria and Dormitory
- y. Renovation of existing food preparation and equipment in Cafeteria
- z. Reconfigure and upgrade walkway between facilities
- aa. Replace natural turf on one field with Artificial Turf.

4.4 The City shall be obligated to pay and shall satisfy any remaining obligation in conjunction with the Indebtedness as indicated in Section 4.1, with no additional contribution from the County except as specifically provided in Section 3;

4.5 The City covenants and agrees not to mortgage, sell, dispose of, transfer or otherwise convey any interest in the Complex during the term of this Agreement without the written consent of the County and any proceeds from any such disposition shall first be applied against the Indebtedness;

4.6 The City covenants and agrees not to modify or amend any of the debt

instruments secured in connection with the financing of the Improvements in any manner which would shorten, lengthen, enlarge or modify the obligations of the County hereunder, or to refund any bonds without prior written consent of the County; and in the event such modification or amendment is made which reduces the total debt service payment on the Indebtedness, then the County's share of the debt service obligation shall be reduced proportionately;

4.7 The City shall prepare the annual payment calculations based upon the actual amortization schedule as described in Section 3.2 and submit a written copy of such calculation to the County on or before August 1 immediately preceding each required annual payment date; and

4.8 As consideration for the County's pledge made herein, the City shall permit the County to use the Complex, or portions thereof, for not more than four (4) special events per year during the term of this Agreement, which events shall not exceed a maximum of nine (9) days per year, collectively, and shall not conflict or interfere with the activities of the Team. The County agrees to reimburse the City for its reasonable staff and maintenance costs incurred as a result of the County's use of the Complex.

SECTION 5: Conditions

The Parties acknowledge and agree that the County's performance under this Agreement is contingent upon the following conditions:

5.1 The City must receive written acknowledgment from the State of its award of not less than \$20,000,000 of incentive funding pursuant to Section 288.11631, Florida Statutes, as further described in Section 4.2. The City shall provide a copy of such acknowledgment to the County within five (5) business days of receipt. In the event the City is unable to secure such funding, this Agreement shall be *void ab initio*, the County

shall have no obligation hereunder, and any payments made by the County to the City pursuant to this Agreement shall be immediately returned to the County in full; and

5.2 The City must enter into an agreement with the Team for the lease of the Complex for a term of not less than twenty (20) consecutive years (the "Lease"). The City shall provide a copy of the fully executed Lease to the County within five (5) business days of full execution. In the event the Lease is not executed for any reason, whether through any fault or no fault whatsoever of the City, this Agreement shall immediately terminate and be of no further force or effect, and the County shall have no further obligation hereunder. In the event that the Lease is terminated by the City or the Team, or the Team relocates its home spring training games or the Lakeland Flying Tigers home games to another location prior to the completion of the Lease term (individually, a "Default Event" and collectively, the "Default Events"), then the County shall have the right to terminate this Agreement by providing written notice thereof to the City, and, in such event, the County shall have no further obligations hereunder; provided, however, that if the Lease is terminated through no fault of the City, then prior to the County terminating this Agreement, the City shall be permitted to pursue the enforcement of its remedies under the Lease for a period not to exceed 24 months from the date of the Lease termination (the "Enforcement Period"). If during the Enforcement Period the County determines in its reasonable discretion that the City is not diligently pursuing its Lease remedies, or if the Enforcement Period expires and any of the Default Events remain uncured, then the County shall have the right to terminate this Agreement effective immediately. Within sixty (60) days from the date of such termination, the City shall reimburse the County in full for any principal and interest payments made by the County pursuant to Section 3.2, from the date on which the Default Event(s) first occurred through the date this Agreement

is terminated. Said reimbursement to the County by the City shall also include interest on all the debt service payments from the date the County makes such payments, to the date this Agreement is terminated. Such interest shall accrue at the annual average rate of the State Board of Administration's Florida Prime 30-day average yield for the months of October through September of the previous fiscal year.

SECTION 6: No Lien on Nor Pledge of Ad Valorem Revenues

The pledge of the City and the County, respectively, as set forth herein, shall not constitute nor create a lien, either legal or equitable, on any of the City's or the County's respective ad valorem revenues or funds. Neither the City nor the County shall ever be required to levy ad valorem taxes on any property within its respective boundaries to pay their respective shares of the debt service payments or any other payments provided herein.

SECTION 7: Indemnification

Without waiving sovereign immunity pursuant to Section 768.28, Florida Statutes, each party will indemnify the other from and against any and all claims, demands, causes of action, losses, damages, penalties and expenses, including attorneys' fees, arising from or incurred because of any loss or damage sustained as a result of the indemnifying party's failure to comply with the provisions of this Agreement, to the extent permissible by Florida law. Nothing herein shall be deemed a waiver, express or implied, of either party's sovereign immunity or an increase in the limits of liability pursuant to Section 768.28, Florida Statutes, regardless of whether any such obligations are based in tort, contract, statute, strict liability, negligence, product liability or otherwise.

SECTION 8: Term

Unless extended by mutual written agreement of the Parties, or unless otherwise provided in this Agreement, this Agreement shall expire when the County's financial

obligations as set forth in Section 3 have been satisfied.

SECTION 9: Effective Date

Pursuant to Section 163.01(11), Florida Statutes, this Agreement shall become effective upon the filing of the fully executed Agreement with the Clerk of the Circuit Court for Polk County, Florida.

SECTION 10: Notice

Any notice or correspondence required under this Agreement shall be provided to the other party by personal hand delivery, by recognized overnight courier service, postage prepaid, or by certified mail, return receipt requested, to the other party at the address set forth below:

Polk County, Florida
County Manager's Office
P.O. Box 9005, Drawer CA01
Bartow, Florida 33831

City of Lakeland, Florida
City Manager's Office
228 South Massachusetts Avenue
Lakeland, Florida 33801

SECTION 11: Third-Party Rights

Nothing in this Agreement is intended, nor shall be construed, to confer any rights or benefits upon any party other than the City and the County.

SECTION 12: Assignment

Neither this Agreement nor any interest herein may be assigned, transferred, or encumbered under any circumstances.

SECTION 13: Severability

The invalidity, illegality, or unenforceability of any provision of this Agreement, or the occurrence of any event rendering any portion or provision of this Agreement void, shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not

contain the particular portion or provision held to be void. The Parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Section shall not prevent the entire Agreement from being void should a provision which is of the essence of the Agreement be determined to be void.

SECTION 14: Controlling Law / Members of the City and County Not Liable

All covenants, stipulations, obligations and agreements of the County and the City contained in this Agreement shall be deemed to be covenants, stipulations, obligations and agreements of the County and the City, respectively, to the full extent authorized by the Cooperative Act and provided by the Constitution and the laws of the State of Florida. No covenant, stipulation, obligation or agreement contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member of the governing body or agent or employee of the City or the County in its, his, her or their individual capacity and neither the members of the governing body of the City or the County nor any official executing this Agreement shall be liable personally or shall be subject to any accountability by reason of the execution by the City or the County of this Agreement or any act pertaining hereto.

SECTION 15: LIMITATION OF LIABILITY

IN NO EVENT, SHALL THE COUNTY BE LIABLE TO THE CITY FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES OF ANY KIND OR NATURE, INCLUDING LOSS OF PROFIT, WHETHER FORESEEABLE OR NOT, ARISING OUT OF OR RESULTING FROM THE NONPERFORMANCE OR BREACH OF THIS AGREEMENT BY THE COUNTY WHETHER BASED IN CONTRACT,

**COMMON LAW, WARRANTY, TORT, STRICT LIABILITY, CONTRIBUTION,
INDEMNITY OR OTHERWISE.**

SECTION 16: Governing Law and Venue

This Agreement shall be governed in all respects by the laws of the State of Florida and any litigation with respect thereto shall be brought only in the courts of Polk County, Florida or the United States District Court, Middle District of Florida, Tampa Division.

SECTION 17: Attorneys' Fees and Costs

Each party shall be responsible for its own legal and attorneys' fees, costs and expenses incurred in connection with any dispute or any litigation arising out of, or relating to this Agreement, including attorneys' fees, costs, and expenses incurred for any appellate or bankruptcy proceedings.

SECTION 18: Waiver

A waiver by either the County or the City of any breach of this Agreement shall not be binding upon the waiving party unless such waiver is in writing. In the event of a written waiver, such a waiver shall not affect the waiving party's rights with respect to any other or further breach. The making or acceptance of a payment by either party with knowledge of the existence of a default or breach shall not operate or be construed to operate as a waiver of any subsequent default or breach.

SECTION 19: Annual Appropriations

The City acknowledges that the County, during any fiscal year, shall not expend money, incur any liability, or enter into any agreement which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any agreement, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such agreement. Nothing herein

contained shall prevent the making of agreements for a period exceeding one year, but any agreement so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years. Accordingly, the County's performance and obligation to pay under this Agreement is contingent upon annual appropriation.

SECTION 20: Entirety of Agreement

The Parties agree that this Agreement sets forth the entire understanding between the Parties as to the subject matter contained herein, and that there are no promises or understandings between the Parties other than those stated herein. This Agreement supersedes all prior agreements, contracts, proposals, representations, negotiations, letters or other communications between the City and the County pertaining to the matters stated herein, whether written or oral.

SECTION 21: Amendment

This Agreement may not be modified, added to, superseded or otherwise altered unless such modifications, additions or other alterations are evidenced in writing signed by both the County and the City.

State:	<u>1,000,000.00</u>
TOTAL:	\$2,831,518.99

3. The total estimated capital proceeds received over the 20-year financing period are projected to be:

County:	\$14,560,000.00
City/Team:	9,440,000.00
State:	<u>13,000,000.00</u>
TOTAL:	\$37,000,000.00

EXHIBIT "E"

ESCROW AGREEMENT

This Escrow Agreement ("Agreement") is entered into this 16th day of January, 2015, by and between the CITY OF LAKE LAND, a political subdivision and charter City of the State of Florida ("City"), the DETROIT TIGERS, INC., a Michigan Corporation, ("Tigers"), THE OFFICE OF THE CITY CLERK FOR THE CITY OF LAKE LAND, FLORIDA (the "Escrow Agent"), (collectively with the City Clerk, "Escrow Agents" or individually an "Escrow Agent") and together with the City and the Tigers, the "Parties", or individually, a "Party").

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledge, the Parties agree as follows:

This Agreement relates to that certain Spring Training Facility Development Agreement dated January 16, 2015, by and between the City and the Tigers (the "Development Agreement").

Pursuant to Section 3 of the Development Agreement, the City and the Tigers have entered into that certain Spring Training Facility Lease Agreement between the City and the Tigers with a Signature Date of January 16, 2015 (the "Lease Agreement").

Escrow Agent, the City Clerk, hereby acknowledges receipt of two originals of the Lease Agreement Originals (collectively, the "Lease Agreement Originals"), executed by both the City and the Tigers, and the Escrow Agent agree that the Original Lease Agreements shall be held in escrow (the "Escrow") until the Lease Commencement Date, as defined in the Lease Agreement Originals, and receipt of the joint written instructions of the City and the Tigers to release the Lease Agreement Originals from Escrow, at which time Escrow Agents shall deliver from Escrow one Lease Agreement Original to the City and one Lease Agreement Original to the Tigers. In addition, the City Clerk acknowledges receipt of two originals of the Modification of the Use Agreement ("Modification Originals"). The City Clerk shall hold the Modification Originals in escrow until December 31, 2016. If the Lease Commencement date is prior to December 31, 2016, the Modification Originals shall be destroyed.

Upon completion and delivery of the Lease Agreement Originals,

Escrow Agent shall be automatically released and discharged of their escrow obligations hereunder. Escrow Agent will have no liability under this Agreement.

In the event conflicting demands are made on an Escrow Agent, or an Escrow Agent, in good faith, believes that any demands with regard to the Lease Agreement Originals are in conflict or are unclear or ambiguous, such Escrow Agent may bring a declaratory or interpleader action in an appropriate court. Such action shall not be deemed to be the "fault" of the Escrow Agent bringing the action, and the Escrow Agent is entitled to reimbursement from the City and the Tigers for its reasonable costs and attorney's fees in connection with the same, through final appellate reviews.

Limitations of Liability: Without limitation, the Escrow Agent shall not be liable for:

- a. The legal effect, insufficiency, or undesirability of any instrument deposited with or delivered by or to an Escrow Agent or exchanged by the Parties hereunder, whether or not Escrow Agents prepared such instrument.
- b. Escrow Agents act hereunder as a depository only, and are not responsible or liable in any manner whatever for the sufficiency, correctness, genuineness or validity of any instrument deposited with it hereunder, or with respect to the form or execution of the same; of the identity, authority, or rights of any person executing or depositing the same.
- c. An Escrow Agent shall not be required to take or be bound by notice of default of any person, or take any action with respect to such default involving any expense or liability, unless notice in writing is given to the Escrow Agents of such default and unless they are indemnified in a manner satisfactory to it against any such expense or liability. These instructions shall not be subject to rescission or modification except upon receipt by Escrow Agents of written instructions of all the Parties hereto or their successors in interest, and no such modification shall be effective unless and until consented to in writing by the Escrow Agents.
- d. An Escrow Agent shall be protected in acting upon any notice, request, waiver, consent, receipt or other paper or document believed by Escrow Agent to be genuine.

- e. An Escrow Agent shall not be liable for any error or judgment or for any act done or step taken or omitted by it in good faith, or for any mistake of fact or law, or for anything which it may do or refrain from doing in connection herewith, except its own gross negligence or wilful misconduct, and Escrow Agents shall have no duties to anyone except those signing these instructions.
- f. Escrow Agent may consult with legal counsel in the event of any dispute of questions as to the construction of the foregoing instructions, or the Escrow Agents' duties hereunder, and an Escrow Agent shall incur no liability and shall be fully protected in acting in accordance with the opinion and instructions of such counsel.
- g. An Escrow Agent's compliance with any legal process, subpoena, writ, order, judgment or decree of any court, whether issued with or without jurisdiction, whether or not subsequently vacated, modified, set aside or reversed.

Any notice given to an Escrow Agent must be delivered by certified U.S. mail, return receipt request, or by a national overnight courier service, such as FedEx, delivered to the following addresses:

TO TIGERS: Mr. David Dombrowski
President, General Manager and CEO
Detroit Tigers, Inc.
2100 Woodward Avenue
Detroit, MI 48201-3470

TO CITY: Timothy J. McCausland, Esq.
City of Lakeland
City Attorney's Office
228 S. Massachusetts Avenue
Lakeland, Florida 33801

Any notice delivered by the City or the Tigers to an Escrow Agent shall concurrently be delivered to the other Escrow Agent and to the other Party.

This Agreement, and any document or instrument entered into, given or made pursuant to this Agreement or authorized hereby, and any amendment or

supplement thereto may be executed in two or more counterparts, and, when so executed, will have the same force and effect as though all signatures appeared on a single document. Any signature page of this Agreement or of such amendment, supplement, document or instrument may be detached from any counterpart without impairing the legal effect of any signatures thereon, and may be attached to another counterpart identical in form thereto but having attached to it one or more additional signature pages. Facsimile or PDF copies of any amendment to this Agreement executed by the Parties may be relied upon as an original signature.

The City and the Tigers recognize and acknowledge that Escrow Agent is City Clerk for the City, and that Escrow Agent has agreed to serve as Escrow Agent only as a convenience to the Parties.

MODIFICATION OF USE AGREEMENT
(Detroit Tigers)

THIS AGREEMENT, made and entered into this 16th day of January, 2015, by and between the CITY OF LAKELAND, FLORIDA, a municipal corporation existing under the laws of the State of Florida (hereinafter referred to as the "City") whose address is 228 S Massachusetts Avenue, Lakeland, Florida 33801, and DETROIT TIGERS, INC., a Michigan corporation (hereinafter referred to as the "Club") whose address is whose address is Comerica Park, 2100 Woodward Avenue, Detroit, MI 48201-3470, collectively referred to as ("Parties").

WHEREAS, on September 29, 2000, the Parties entered into a Use Agreement ("Use Agreement") attached hereto as Exhibit "A" relating to the use by the Detroit Tigers and the Lakeland Flying Tigers of certain facilities owned by the City and located within the City and commonly referred to as Tigertown and The Joker Marchant Stadium Complex; which Use Agreement expires on December 31, 2016; and

WHEREAS, the Use Agreement sets forth the terms and conditions upon which the Club would conduct their spring training and minor league baseball activities at the Joker Marchant Stadium Complex; and

WHEREAS, City and the Club are also Parties to that certain Spring Training Facility Development Agreement (Development Agreement) that provides for the planning, design, funding and construction of the Joker Marchant Stadium Complex Improvements ("Improvements") as that term is defined therein; and

WHEREAS, the Development Agreement contemplates the occurrence of a sequence of certain Milestone Events as are defined therein which following their occurrence will culminate in construction of the Improvements resulting in the newly renovated Spring Training Facility necessary to induce the Club to enter into a successor lease agreement with a minimum term of twenty (20) years; and

WHEREAS, the City and the Club desire, if it becomes necessary, to enter into a modification of the Use Agreement to extend the Term from its expiration to the commencement date of a successor lease agreement, but in no event later than January 1, 2018.

NOW, THEREFORE, in consideration of the mutual covenants and obligations herein contained it is mutually covenanted and agreed by and between the Parties that the Use Agreement shall be amended as follows:

Term. The term of this Use Agreement shall be extended for period commencing on the expiration of the Use Agreement and extending until the earlier of the Lease Commencement Date of the successor lease agreement or January 1, 2018. The Parties hereto agree that the revisions set forth in this Modification of Use Agreement shall supersede and modify the corresponding provisions in the Agreement. All other terms of the Agreement not inconsistent herewith shall remain in effect.

IN WITNESS WHEREOF, the Parties have executed this Modification of Use Agreement on the date indicated above.

EXHIBIT "A"
USE AGREEMENT
(Detroit Tigers)

THIS AGREEMENT, made and entered into this 29th day of September, 2000, by and between the **CITY OF LAKE LAND, FLORIDA**, a municipal corporation existing under the laws of the State of Florida (hereinafter referred to as the "City"), and **DETROIT TIGERS, INC.**, a Michigan corporation (hereinafter referred to as the "Club").

WHEREAS, on March 6, 2000, the parties entered into a Use Agreement relating to the use by the Detroit Tigers and the Lakeland Tigers of certain facilities owned by the City and located within the City and commonly referred to as Tigertown and Joker Marchant Stadium, which Agreement will expire on December 31, 2003; and

WHEREAS, the City and the Club desire to enter into a new Use Agreement relating to the use by the Detroit Tigers and Lakeland Tigers of Joker Marchant Stadium and related facilities referenced herein, contingent upon the Facilities, as defined herein, being certified as a "facility for a retained spring training franchise" and the City being awarded funds, pursuant to §288.1182, Florida Statutes.

NOW, THEREFORE, in consideration of the mutual covenants and obligations herein contained and the further consideration of the payments required to be made by the Club to the City, it is mutually covenanted and agreed by and between the parties as follows:

1. **Lease.** The City does hereby permit unto the Club, its successors and assigns, the use of those certain premises located in Lakeland, Polk County, Florida, commonly known as Joker Marchant Stadium, which shall include the baseball field and grounds, grandstand, bleachers and seating facilities, clubrooms, shower rooms, offices, ticket offices locker facilities, press box, concession stands and equipment, and the facilities commonly known as Tigertown, which includes the John Fetzer Dormitory, Hangar No. 1, the cafeteria, the 5 ½ baseball diamonds, and the administration offices (collectively referred to as the "Facilities").
2. **Term.** The term of this Use Agreement shall be for fifteen (15) years, commencing on January 1, 2001 and ending December 31, 2016, subject to the contingency set forth in Section 19, herein below.
3. **Major League Team.** The Club agrees to bring to the City each year of the term hereof a major league baseball team for its spring training and conditioning program, subject, however, to any restrictions or limitations which may occur or arise by virtue of war, travel restrictions, labor disputes, or the direction of the Commissioner of Baseball. The Club shall utilize its best effort to schedule at the Facilities a maximum number of games with other major league clubs during each spring training season.
4. **Use of Premises.** The Club shall have priority use of the Facilities during the entire months of February and March and during the first two (2) weeks in April in each year; provided, however, that such use shall not be exclusive and the City's Director of Parks and Recreation may schedule other events, including baseball games, when the use of the Facilities is not required by the Club or its affiliated farm clubs. The Club shall also have the right to

priority use of the Facilities for an additional period not to exceed one hundred and eighty (180) days during each year to conduct post-season training camps, summer clinics and try-out camps. The Club shall give the City's Director of Parks and Recreation (the "Director") not less than three (3) months' written notice of its intent to use same for such additional period.

Additionally, the Club shall have priority use of Joker Marchant Stadium on those dates and during those hours when regular season or play-off home games are scheduled for Lakeland, Florida by the Florida State Baseball League; provided, however, that such use shall not be exclusive and the Director may schedule other events, including baseball games, when the use of the premises is not required by the Club. The Club shall also have the right to priority use of the Facilities for dates reasonably necessary for practice sessions prior to or during the course of the regular baseball season and League play-off games.

In the event that the Club wishes to use the Facilities, in whole or in part, at times or for purposes not delineated above, the Club may request same in writing to the Director, who shall have the absolute discretion to approve or disapprove same, and to prescribe such terms and conditions as may be reasonable or necessary.

The City may use all or any part of the Facilities when not being utilized by the Club.

5. Maintenance and Repair. The City agrees to maintain the Facilities in first-class condition for use as a baseball park by the Club and visiting clubs, said condition to be reasonably approved by the Club, including, but not limited to, such lights and lighting equipment as the Club may determine is necessary for the playing of baseball games at night.

The City shall furnish at its own cost all necessary equipment, labor and materials in connection with the maintenance and repair of the Facility, with the exception of the following, which shall be at the cost of the Club:

- A. Overtime wages for any City maintenance employee working in excess of forty (40) hours per week, when such overtime is caused or requested by the Club and which wages shall be reimbursed to the City by the Club on a monthly basis upon invoice.
- B. All costs associated with employees utilized by the City for the purpose of maintaining the Tigertown baseball fields. To the extent that these costs are incurred in connection with hiring additional employees other than those that are regular employees of the City, said additional employees shall be temporary employees of the City for purposes of Worker's Compensation coverage, but shall not be participants in the City's group insurance plan.
- C. All actual costs incurred by the City in connection with furnishing labor and materials to maintain the Facilities during the optional one hundred and eighty (180) day period of additional use by the Club.
- D. All actual costs associated with annual operation and maintenance of the cafeteria and Fetzer Hall associated with the Club's use thereof, including equipment, with the exception of permanently installed equipment and fixtures.

- E. The repair of the Facilities occasioned by the negligent conduct of the Club, its agents and employees, reasonable wear and tear excepted. The Club shall also use its best efforts to protect the Facilities when being used and occupied by the Club and employ any necessary security personnel at its own cost and expense.

The City shall also furnish at its expense all utilities, including heat, water and hot water necessary for the club's use of the Facilities, except for gas, which shall be paid for by Club.

6. **Obligations of Club.** The Club agrees that the Club will furnish, at its cost and expense, all necessary baseball equipment, including batting cages. The City may use the batting cages during the periods that the Facilities are not occupied or used by the Club, provided that the City returns the equipment to the Club in as good condition as when received, or make reimbursement for the value thereof, except for normal wear and tear, damage from fire and acts of God. The Club shall also pay for such reimbursable items as the Club and the City may agree, such as cleaning supplies and equipment and materials specifically required for baseball operations.
7. **Rights of Club.** Subject to paragraphs 8 and 9, the Club shall have the exclusive right to and complete control of all ticket sales, concession operations, scorebook/program and sales of all novelties and souvenirs, field and stadium advertising, suite rental and service and all revenue derived therefrom. Placement of field and stadium advertising shall be at the discretion of the Club, subject to the approval of the Director of Parks and Recreation, which approval shall not be unreasonably withheld.
8. (a) **Fees.** Incidental to the use of the Facilities by the Detroit Tigers, the Club shall pay to the City a rental fee of fifteen (15%) percent of the following:
1. Gross ticket sales receipts from each exhibition game or other event by the Club for which an admission fee is charged.
 2. Gross sales receipts from the sale of all novelties, souvenirs, concessions and stadium advertising.
- (b) Incidental to the use of the Facilities by the Lakeland Tigers, the Club shall pay to the City a rental fee of:
1. Fifteen (15%) percent of gross sales receipts from the sale of all concessions, suite rentals and operations, souvenirs and novelties operations only.
 2. A fee equal to the greater of twelve (12%) percent of gross ticket sales, or \$120.00 per day game/\$160.00 per night game.
- (c) One dollar and fifty cents (\$1.50) per ticket stadium facility charge will be paid to the City and applied to relief of the loan until its obligation is met. At that time, this amount reverts to the Club.

All fees payable pursuant to Sec. 8.(a)1. and 2., 8.(b)1. and 2. and (c) shall be applied to relief of the loan until the obligation is met. The Club's total annual obligation for fees payable pursuant to this Section 8 for any calendar year shall not exceed \$300,000.00.

The term "gross receipts" shall be defined as gross sales proceeds, less deductions for any applicable state, federal or local taxes.

There shall be no payment required with respect to scorebook/program receipts.

9. Annual Rent. The Club shall pay annual rental of Seventeen Thousand (\$17,000.00) Dollars for Tigertown to be paid prospectively on January 1 of each year, with a four (4%) percent discount if paid prior to due date. This amount of money will be placed in the special Tigertown improvements account to be used as directed by the Club for replacement and improvements of minor league facilities.
10. Payment: Except for the annual rent and overtime expenses which are paid quarterly, any and all payments required by this Agreement to be made by the Club shall be paid to the City together with a full and final accounting 30 days after the conclusion of the spring training season, the Lakeland Tigers season or other activity. Payment shall be made to the Parks and Recreation Director, City Hall, Lakeland, Florida, or such other person or office designated by the City in writing.
11. Insurance. The Club shall maintain adequate liability insurance, designating the City as a named insured, to protect the City from any liability arising from the use of the Facilities by the Club. The minimum limits of such policy of insurance shall be \$500,000.00 for injury to any one person; \$1,000,000.00 for injuries arising out of a single occurrence; and \$100,000.00 for property damage resulting from a single occurrence.
12. Damage or Destruction. In the event any of the Facilities shall be damaged by fire or other casualty and such Facilities shall have been insured against such loss by the City, then the entire proceeds of any such policy or insurance shall be paid to the City, free of any claim or right of the Club. The City shall have the right to restore or reconstruct any damaged or destroyed building or premises, and any reconstructed building shall become a part of the Facilities. In the event such portions of the Facilities are destroyed as to render the entire Facilities unsuitable in the Club's judgment for the Club's operation, the Club shall have the right to play elsewhere until such restoration or reconstruction is completed and, if the City neither reconstructs the premises within either 60 days or by October 30 immediately following the destruction, then, in either case at the Club's option, the Club shall have the right to terminate this Agreement by providing written notice and without further obligation or responsibility. In that event, the City shall refund to the Club on a pro rata basis any prepaid rents which may have been made prior to the date of termination.
13. Taxes. The Club shall be responsible for and pay any and all sales or other tax incidental to this Agreement. In the event that ad valorem taxes are assessed against the Facilities or any portion thereof as a result of the Club's use of same, the Club shall be responsible for its prorata portion of such taxes.
14. Termination. This Agreement may be terminated by either party upon material breach by the other party, upon thirty (30) days' prior written notice, certified mail, return receipt requested (deemed made upon receipt) and failure by the defaulting party to cure the same within said 30 days. In the event that the Club fails to cure any such breach and there remains an outstanding balance on the loan referenced in Section 8 hereof, the Club shall pay the City

\$10,000.00 as liquidated damages, which shall be the City's sole and exclusive remedy as a result thereof.

15. Option. The Club shall have the option to renew this Agreement for an additional term of ten (10) years by giving the City written notice of its intention to renew same not less than one (1) year prior to the expiration of the initial term hereof. The rental imposed during such renewed term shall be the amount agreed upon by the parties hereto prior to the commencement of the renewal.
16. Subcontractors. If any services permitted by this Agreement are subcontracted by the Club, any such subcontractor shall either be included as an additional insured under the Club's insurance policy, or shall file with the City a Certificate of Insurance evidencing compliance with Paragraph 11 hereof.
17. Agreement of City Regarding Revenue. The City agrees to take such action as is necessary under the laws of the State of Florida to plan and budget for receipt of a sufficient appropriation of funds to discharge its obligations hereunder; provided, however, if the City has not appropriated sufficient funds to enable it to discharge its obligations then, notwithstanding any other provision contained herein, this Agreement may be terminated effective upon expiration of the fiscal year in which sufficient funds were last appropriated to satisfy the obligations.
18. Assignability/Amendment. This Agreement shall be binding and inure to the benefits of the successors of each of the parties, but it is mutually agreed that this Agreement shall not be assigned by the Club to any person, firm or corporation without the written consent of the City, which consent shall not be unreasonably withheld.

Notwithstanding the foregoing, no consent is required in the event that the Club sells its major league franchise rights, said sale is approved by Major League Baseball and the team continues to play its regular season baseball games in the Metropolitan Detroit area.

Any amendment to this Agreement shall not be effective unless in writing and approved by the Office of the Commissioner of Baseball.

19. Covenants Contingent. The parties expressly acknowledge and agree that the mutual covenants undertaken in this Agreement are contingent on presentation by the City to the club of a plan of project finance which includes irrevocable commitments and awarding of funds, pursuant to §288.1182, Florida Statutes, from the State of Florida, Polk County and the City of Lakeland, all of which, when combined with the obligations and undertakings elsewhere referenced herein, will provide sources of no less than \$9.5 million which are to be irrevocably committed to the project. This financing plan shall be subject to the approval of the club, which shall not be unreasonably withheld. Further, the club shall have approval of the renovation program for which the financing plan has been irrevocably committed, such approval not to be unreasonably withheld.

IN WITNESS WHEREOF, the parties have executed this Agreement on the date indicated below:

Economic Impact of the Detroit Tigers Spring Training in Lakeland, Florida 2023

Spring Training is vital to the health and vibrancy of Lakeland's local and regional economy. Each Spring, the City hosts players, coaches, visitors and guests for a period of time to practice and play exhibition games in preparation of the start to the Major League Baseball (MLB) season. After consecutive seasons in 2020 and 2021 that were disrupted by the COVID-19 pandemic, MLB lifted attendance restrictions in 2022, allowing tickets to be made available and for all seats. This move increased the per game attendance, but with just 9 home games played in 2022, the number of overall visitors to Lakeland remained lower than pre-pandemic attendance averages. For 2023, the Tigers MLB Spring Season brought renewed interest and accessibility which resulted in a 140% increase in overall attendance.

Demonstrating the impact of this change, the following information has been compiled to capture the specific economic impact of Spring Training in Lakeland. To do that, Lakeland has completed the information contained in this document using the methodologies derived from the MLB Florida Spring Training Economic Impact Study Report which was published in June of 2009 by the Florida Sports Foundation and Bonn Marketing Research Group, Incorporated. The estimates were calculated with the support of attendance figures provided through a zip code analysis of the 2023 attendees that purchased admission tickets with credit cards. The information contained herein represents the estimated Economic Impact to Lakeland as a result of the direct spending associated with the 2023 Detroit Tigers Spring Training season. Please note that this information does not include the associated impact to labor, income and employment in Lakeland as a direct result of the Tigers Spring Training activities.

The attendees, for this purpose, are separated into five distinct categories:

- **Out-of-State-Primary Purpose:** This indicates a visiting party from outside of Florida that came to the area expressly for the Detroit Tigers Spring Training.
- **Out-of-State-Other Purpose:** This indicates a visiting party from outside of Florida for that came to the area for another purpose, but attended Spring Training activities in Lakeland.
- **Non-County-Primary Purpose:** This indicates attendance from another County in Florida that visited expressly for the Tigers Spring Training.
- **Non-County-Other Purpose:** This indicates attendance to Polk County for another purpose, but included Spring Training activities.
- **Local:** These include all Polk County residents.

Total attendance for the Detroit Tigers 2023 Spring Training season in Lakeland was 101,940. With 16 games played, the Tigers averaged 6,371 attendees per game. Of that total, 91,051 attendees purchased admission tickets using credit cards. With the use of zip code analysis from these 91,051 attendees, the tables below were created to provide a total average expense within the five unique categories that are being measured.

Out-of-State-Primary Purpose	
Approximately 23.12% are Out-of-State Primary Purpose	21,051
Number of Out-of-State Parties (Average party size = 3 people)	7,017
Cumulative number of nights stayed (Average stay is 7.53 nights)	52,838
Average expense for out-of-area expenses (\$371.28 per party) per day	\$ 19,617,692.64
Out-of-State-Other Purpose	
Approximately 24.94% are Out-of-State Other Purposes	22,708
Number of Out-of-State Parties (Average party size = 3.08 people)	7,373
Cumulative number of nights stayed (Average stay is 9.66 nights)	71,223
Average expense for out-of-area expenses (\$395.43 per party) per day	\$ 28,163,710.89
Non-County-Primary Purpose	
Approximately 24.22 % are Non-County Primary Purpose	22,053
Number of Non-County Parties (Average party size = 2.81 people)	7,848
Cumulative number of nights stayed (Average stay is .39 nights)	3,061
Average expense for out of area expenses (\$171.73 per party) per day	\$ 525,665.53
Non-County-Other Purpose	
Approximately 3.55% are Non-County Other Purpose	3,232
Number of Non-County Parties (Average party size = 2.68 people)	1,206
Cumulative number of nights stayed (Average stay is 3.36 nights)	4,052
Average expense for out-of-area expenses (\$314.00 per party) per day	\$ 1,272,328.00
Local	
Approximate Number of Local Attendees (Polk County)	16,539
Estimated Direct Expenditures of Local Residents associated with Attendance (\$50)	\$ 826,950.00
Estimated Total Direct Expenses by Attendees	
	\$ 50,406,347.06

Using the total direct expenses above, the indirect and induced effects were estimated using the multiplier provided within the above reference report to estimate a total economic impact resulting from Direct Expenses. Indirect effect indicates the secondary impact caused by changing input of needs of directly affected industries, and Induced effect is caused by the changes in household spending due to additional employment generated by direct and indirect spending.

	Direct Spending	Multiplier	Indirect and Induced Spending	Total Economic Impact
Out-of-State Primary Purpose	\$ 19,617,692.64	1.70	\$ 13,732,384.84	\$ 33,350,077.48
Out-of-State Other Purpose	\$ 28,163,710.89	1.70	\$ 19,714,597.62	\$ 47,878,308.51
Non-County Primary Purpose	\$ 525,665.53	1.73	\$ 383,735.84	\$ 909,401.37
Non-County Primary Purpose	\$ 1,272,328.00	1.69	\$ 877,906.32	\$ 2,150,234.32
Local Attendees	\$ 826,950.00	1.69	\$ 570,595.50	\$ 1,397,545.50
	\$ 50,406,347.06		\$ 35,279,220.12	\$ 85,685,567.18

The total Economic Impact of the 2023 Detroit Tigers Spring Training season is estimated to be **\$85,685,567.18**.

This analysis of the Detroit Tigers 2023 Spring Training season in Lakeland is intended to provide background and specifics as to the economic impact of the MLB Spring Training and its effect on the City of Lakeland. During the 2023 season, the Tigers played 16 home games against MLB opponents at Joker Merchant Stadium in Lakeland. Of the 16 games played, the Tigers averaged 6,371 attendees per game for a grand total of 101,940 individuals.

2023 Detroit Tiger Spring Training Total Attendance in Lakeland, Florida

2023	Season Attendance	Number of Home Games	Average Attendance per Game
Detroit Tigers	101,940	16	6,371

This attendee distribution has been broken down even further with information obtained from credit card receipts during the 2023 Tigers Spring Training season. Again, zip code analysis was used to learn more about the geographic location of the individuals who were attending Spring Training games in Lakeland. This information was based upon the zip codes provided by the 91,051 tickets purchased by individuals to attend Detroit Tiger games during the 2023 Spring Training season.

Working solely with percentages, it was determined that internationally, 6.11% of the tickets sold for games were from outside the United States, with all of these coming from Canada. Within the United States, 42.13% of the tickets sold were from Florida and 23.98% were from Michigan, followed by Colorado with 3.48%, Pennsylvania with 3.14%, New York with 2.92%, Illinois with 2.73%, Missouri with 2.03%, Ohio with 1.98%, Maryland with 1.43%, and New Jersey with 1.29%. After these states, approximately 1% of the tickets sold in the U.S. were from Arizona, California, Indiana, Kansas, North Carolina and Virginia. Based on the 91,051 tickets sold using credit cards, it was determined that 61.56% of individuals purchased tickets for a Spring Training game in Lakeland from outside of the state of Florida.

U.S. Geography	Number of Attendees	% of Tickets sold in U.S.	Total % of Tickets Sold
Florida	36,377	42.13%	38.44%
Michigan	20,708	23.98%	21.88%

Statewide, 45.47% of Tiger Spring Training tickets sold in Florida were from Polk County. Other counties in Florida that purchased the most tickets during the 2023 season included Orange with 9.04%, Hillsborough with 8.76%, Pinellas with 4.77%, Lake with 4.67%, Seminole with 2.69%, Pasco with 2.67%, Osceola with 2.18%, Palm Beach with 2%, Broward with 1.84%, Sumter with 1.47%, Brevard and Duval with 1.24%, Volusia with 1.13% and Okaloosa with 1.03%.

The geographic distributions provided herein support the data and multipliers provided within the 2009 MLB Florida Spring Training Economic Impact Study Report. With accurate assumptions

and firm knowledge, we are better able to capture the spending patterns of attendees which in turn can be reflected in the overall economic analysis.

Joker Marchant Stadium

Spring Training home of the Tigers since 1966

Ballpark address:
2301 Lakeland Hills Blvd.
Lakeland, FL 33805

Opened: 1966
Capacity: 9,000

[SEND THIS PAGE TO A FRIEND](#)

THIS PAGE WILL BE UPDATED LATER TO REFLECT THE CHANGES THAT WERE MADE TO THE STADIUM FOR 2017. DUE TO ITS RENOVATION, SOME INFORMATION BELOW WILL BE INACCURATE.

Location

Joker Marchant Stadium is a short drive from I-4. Appropriate for a team from the Motor City, the ballpark's neighbors are auto dealerships. Lakeland's local Honda, Acura and GMC dealerships are in the ballpark's backyard – cars for sale are literally in the shadows of the third base side grandstand.

Directions

Take I-4 to Exit 33 and follow Route 33 South (Lakeland Hills Blvd.) for about 2½ miles and the ballpark will be on your left.

Parking

Although the lot surrounds the stadium, most people park on its first base side in either a grass field or paved lot. You don't want to park on the stadium's third base side, as the limited spaces there are in harm's way. Harm being foul balls. The large grass field behind left field is safe. Just take Granada Street and enter it via Horton Way. A cheaper parking alternative is available at Christ Lutheran Church, which is across the street from the stadium's left field lot entrance. The parking fee there is only \$5 and you'll have the added benefit of avoiding post game parking lot congestion. Just look for the church's \$5.00 baseball parking signs and some older-aged volunteers, whom are church congregation members that in many years also operate a charity hot dog concession in their parking lot that is alongside Granada and about 50 yards from the stadium lot entrance. And when that paved lot fills up, you can also park for \$5 or less at the nearby Peak Worship church, where donations are accepted to park on their lawn, which is along Granada Street too but is a few minutes walk further from the stadium.

Stadium Cost: \$10

Stadium Information

With its Mediterranean-style facade and nicely landscaped exterior, Joker Marchant Stadium is a lovely site to behold. Surrounded by lush trees, it's the centerpiece of the Tigertown complex and has been hosting Tigers spring training games for five decades. The team has trained in Lakeland even longer, since 1934 (excepting the World War II years of 1943-45). The relationship between the city and team is the longest in spring training history. Built for just \$360,000 in 1966, Joker Marchant Stadium was erected with concrete structure during a time when other stadiums were being built with structural steel (concrete withstands rust, structural steel does not). It has expanded over the years from its original capacity of 4,900 through renovations. The most recent one, completed just prior to the 2003 season at a cost of \$10 million, added a berm in left field. The stadium was named after the city's former Parks and Recreation Director, Marcus "Joker" Marchant, who was instrumental in establishing the Tigertown complex.

Fast Facts

- The single lane streets outside the stadium are named for past Tiger greats (Kaline Drive and Horton Way).
- Fans enter the stadium through its narrow home plate gate or via the much wider first and third base gates.
- The ticket office is adjacent to the home plate gate and has a covered waiting area that's partially paved with engraved personalized bricks. Will call tickets can be picked up at each of the 8 windows.
- The concourse is behind the stadium and is completely covered. On the portion behind the main grandstand are a handful of scattered picnic tables.
- The bullpens are next to each other directly behind the right-center field wall. Fans can look down into them from the wide walkway above their location.
- The clubhouses and Tigers' executive offices are housed in the lengthy three-story building that is alongside the backside of the right field concourse.
- A large screen video board debuted in 2017 to serve as the stadium's main scoreboard. It hovers in left-center field behind the berm.
- There is one permanent location selling Tigers merchandise. That's the team store, called The D Shop, which can be walked into from the concourse behind home plate and is close to the portal leading to sections 105 & 106 and 205 & 206. Smaller selections of souvenirs are also available at stands set up on each side of the concourse.

Practice Fields

- The Tigertown complex is behind the outfield and includes six practice fields. Fields 1 through 4 are in a cloverleaf formation. The other two fields are named for a pair of Tigers legends and are on opposite ends of the complex. Al Kaline Field is found behind the Joker Marchant Stadium berm while Hank Greenberg Field is near the Tigertown entrance gate.
- Once the Tigers' spring training schedule begins, fans are not allowed into Tigertown to watch any of the back field practicing. However, fans can stand behind the outfield fences of three of the fields – #2 and #3, plus Al Kaline Field, which is the Tigers' main practice field. For all three fields, plenty of standing room is available in batting practice home run territory between the easy-to-see through chain-linked fences and Granada Street.
- The Tigers take their batting practice inside of the stadium, generally starting three hours before game time and ending just as the gates open. But fans can pay an extra \$5 to get into the stadium early to see Tigers BP. The cost of the "BP Pass" can be added to the price of a game ticket when bought online or at the box office, where already bought tickets can be upgraded, and early admission is through the 3rd Base gate only, as only the left field berm and left field line grandstand will be open. The time for early batting practice admittance can vary slightly. It's usually 10:00 a.m. but it actually depends on when the Tigers start hitting, which could be later, with their BP generally starting by 10:15 at the latest.

Types of Seating

Fans have their choice between traditional stadium seats with chair backs and armrests, bleachers with or without seat backs, or the outfield lawn.

- Stadium seats: Sections 100-112 and 200-210.
- Bleachers: none
- Berm: A 45-foot sloped hill with a capacity of 400 people encompasses all of left field.

Notes about the seating

- The Tigers dugout is on the first base side. To make sure you're on the home side of the stadium, buy your tickets in sections 100-106 or 200-206.
- An aisle divides the stadium's main grandstand into two distinct sections. Box seats are below the aisle. Reserved seats above it. There are far more reserved seats than box seats.
- All stadium seats have cup holders.
- Handicapped accessible seating is spread throughout the grandstand. It can be found on the aisle above sections 100 and 111, in a dedicated space within section 202, in a raised platform atop section 203, and at the top of sections 209, 212-216 and 302. (Note: Wheelchair spaces and companion seating are designated as row U in sections 212, 214-216 and row W for section 213.)
- The protective netting spans pretty much all of the grandstand, going from sections 100-115 (only most of section 116 is spared).

- Standing room is plentiful on or around the berm. Limited standing room is available directly behind the box seats in the open space between the third base grandstand and bleachers plus in a similar area on the stadium's first base side.
- Ushers in the main grandstand keep its narrow cross-aisle clear at all times and will generally prevent anyone from trying to sneak into a box seat that's sans a ticket for one. They will, however, let you plop down anywhere else in the stadium if you can find an available seat.

Sections and rows

- Rows for sections in the stadium's lower grandstand range as follows:
AA to EE in section 100; AA to HH in sections 101-102; FF to HH in sections 103-104; AA to HH in sections 105-108; FF to HH in sections 109-110; AA to HH in sections 111-116
- Rows for sections in the stadium's upper grandstand range as follows:
A to Q in sections 200-201; D to X in section 202; A to W in sections 203-204; A to M in section 205; A to Q in sections 206-207; A to M in section 208; A to X in sections 209-210; G to W in section 211; A to T in section 212; A to W in section 213; A to T in sections 214-216
- Rows for sections in the stadium's club level range as follows:
A to F in sections 300-302
- Rows I and O are skipped in all sections.

Tickets

- The first three rows of sections 100-113 are sold as Field Box.
- Sections 100-102 are sold as 1st Base Box (except for the 3 rows of Field Box seats).
- Sections 103-113 are sold as Infield Box (except for the 3 rows of Field Box seats).
- Sections 114-116 are sold as Left Field Box.
- Sections 200-213 are sold as Reserved.
- Sections 214-216 are sold as Left Field Reserved.
- Sections 300-302 are sold as 34 Club.
- Space on the left field lawn is sold as Berm.
- Standing space on the right field concourse is sold as Runway.
- Prior to their 3rd birthday, children do not need a ticket.

Seats to avoid

Some of the best seats in the house unexpectedly have a protective net in front of them. All Box seats in sections 101 and 102 are affected. They are the first two sections to the right of the Tigers' dugout. Stay away from them unless you don't mind looking through the black netting normally only found behind home plate, where a screen is not as annoying because it's expected.

The final flawed seats worth mentioning are the front rows (row A) of sections 203-210, from where fans have to deal with the double annoyance of obstruction by a too high handrail and foot traffic passing by on the aisle in front of them.

Seats in the shade

The stadium's roof covers rows N & up in sections 202-210. Not only are all seats in those rows covered (and thereby shaded), but because the sun is positioned behind the main grandstand shade is able to creep down further in the nine sections that the roof partly covers. For the typical 1:05 afternoon start, seats that are fully shaded can be found in rows E & up in sections 202-205, F & up in section 206, G & up in section 207, J & up in section 208, and L & up in sections 209-210. Once daylight saving time begins, the seats that receive shade at the beginning of the game shift to at least rows G & up in sections 202-204, F & up in section 205, H & up in section 206, K & up in section 207, L & up in section 208, and N & up in sections 209-210. As the game progresses, more entire rows of seats in sections 206-210 become shaded.

VIP seating

There are six suites, each named after a Tiger legend, on either side of the press box. Two are on the first base side of home plate and four extend down the third base line. All six have balconies with stadium seats.

Game Day

Gates open approximately 2 hours before first pitch - at 11:00 a.m. for an afternoon (1:05) start.

Food, drink and bag policy

- No food can be brought into the stadium.
- Fans are allowed to bring in a sealed bottle of water. Aside from never opened water, all other bottles, cans, thermos jugs and liquid containers are not permitted in the stadium.
- Bags are allowed up to a maximum size of 16" x 16" x 8".

Getting autographs

The Tigers' clubhouse is down the right field line and Tigers players will sign for fans gathered in the box seats between it and their dugout, both before and after the game. The visiting team uses the same clubhouse but their players usually take a route to it that cuts across the field, whereas the Tigers walk along the warning track close to the first base stands. So Lakeland's ballpark is a so-so one for home team autographs and a lousy place for those who prefer signatures from the visiting team. Serious autograph hounds will want to head to the right field corner outside of the stadium following the game and take their chances on a Tiger or two emerging from their clubhouse. The visiting team's bus will also be parked nearby, but behind the fence in a restricted area. So once again fans of the visiting team will likely be thwarted in their autograph pursuits.

Unique ballpark fare

Your taste buds will love the Lakeland concession stands. The Little Caesars Pizza stand is a natural fit, given that Tigers owner Mike Ilitch owns the pizza chain. A brat with sauerkraut and turkey burger is on the ballpark menu, in addition to the regular hamburgers, hot dogs and grilled chicken sandwiches that are found at the eight-sided hut on the first base concourse. Specialty stands set up throughout the back of the main concourse are the place to find a whole bunch of not normal ballpark food. Long prominent among them is the stand standing on the third base concourse that serves up big turkey legs along with pulled pork and BBQ nachos. The rest of the rotation can change yearly, with 2015 seeing the introduction of a booth hawking Flint-style Coney Island dogs. The craft beer bar on the first base side concourse has the best non-tap beer selection in the stadium, which serves a small variety of typical or otherwise popular selections on draft (think Miller Lite and Yuengling Lager). Fountain drink pouring rights belong to Pepsi.

Ballpark Area Info

Lakeland is the only remaining spring training site in Florida that doesn't have a beach or major amusement park within a 10 mile or

so drive. Really, it's just a sleepy central Florida town best known as the home of Publix Super Markets and as a destination for aviation buffs ([Fantasy of Flight](#) is nearby). As its name would suggest, Lakeland does have lots of lakes, one of which (Lake Parker) you can see from the upper third base grandstand. But unlike the majority of other Grapefruit League cities, it's not a place you'd normally visit outside of spring training although there is one site that many folks do stop by year-round to see. That would be the "[Child of the Sun](#)" collection of buildings found at Florida Southern College, which is about four miles from the stadium, that were designed by the legendary American architect Frank Lloyd Wright. The college's campus is home to a dozen such buildings, making it the largest single-site collection of Wright's architecture in the world.

Travelers' notes

- The stadium is just a couple miles south of I-4.
- [Henley Field](#), the Tigers' original spring training home in Lakeland, is just 1.4 miles from Joker Marchant Stadium and is still used by Florida Southern College, a Division II school that has won 9 baseball championships.
- The stadium's location is less remote than it feels, but Lakeland is definitely not the typical tourist town in a state full of them.

No Major League team has had a longer relationship with its current Spring Training home than the Tigers have with Lakeland. But while the Tigers have been training in

Lakeland since 1934 (except for World War II), their Minor League team in Lakeland doesn't go back quite as far. In fact, Lakeland's Minor League team began as a Cleveland Indians affiliate, then was a San Francisco Giants affiliate before becoming part of the Tigers farm system in 1963. That's still a long history as Minor League teams go. It's the only full-season Minor League affiliate in the system that the Tigers actually own.

The team was known as the Lakeland Tigers for 44 years before making a slight change to the Flying Tigers in honor of the World War II pilots who received their flight training in Lakeland at the air school where Joker Marchant Stadium and the Tigertown complex currently stand.

Like several Florida State League teams, the Flying Tigers play in the same ballpark that the Major Leaguers use for Spring Training. It's a big ballpark for the big boys, so it plays even bigger for youngsters getting their first taste of full-season pro ball. The backdrop is familiar from Spring Training, from the grassy berm beyond the left-field fence to the giant deck and Tigers administration building over the bullpens beyond the right-field fence. Attendance, of course, is usually smaller for the Flying Tigers than for Spring Training, but the result is a more intimate atmosphere in a ballpark where the seats are fairly close to the playing field.

Art or Photo Credit: Tom Hagerty/MiLB.com

The stadium is named after former Lakeland parks and recreation director Joker Marchant, who was instrumental in the construction of the park in the 1960s. A statue of Marchant stands just outside the ballpark to greet fans. The park has had several renovations since then, the most recent one ahead of the 2017 season to modernize the seating down the third-base line, build a concourse that wraps around the field, add a bar area to the left-field berm, as well as a party area in the right-field corner and a hospitality area – known as the ‘34 Club in honor of the team’s first year training in Lakeland -- atop the stands down the first-base line. The result is a fairly comfortable ballpark that has aged well.

Art or Photo Credit: Tom Hagerty/MiLB.com

Concessions

The Flying Tigers offer a pretty standard fare of ballpark foods for home games, available along the concourse behind the stands. The '34 Club features a wide variety of choices in a comfortable indoor setting, providing shade and comfort from the Florida summers. The Flying Tigers have all-you-can-eat promotions during the season and a Sunday brunch in the '34 Club before Sunday afternoon games. If you're looking to take in the elements while enjoying the game from a unique view, the bar area atop the left-field berm provides a good choice of drinks in a laid-back setting.

Art or Photo Credit: Tom Hagerty/MiLB.com

Mascot

SouthPaw is the Florida brethren of Detroit's popular Tiger mascot, PAWS. His striped face is all over the ballpark, including on a giant bounce house for kids stationed along the center-field concourse.

Where to Stay

Headed to the stadium and looking for a hotel nearby? Your Wyndham is waiting. As the Official Hotel of Minor League Baseball, Wyndham Hotels & Resorts welcomes baseball fans with a portfolio of 24 trusted brands. Find Hotels by Wyndham closest to the ballpark below and book now at [wyndhamhotels.com](https://www.wyndhamhotels.com).

Local Attractions

While Lakeland is conveniently located between Tampa and Orlando, making it a great stop for a Central Florida vacation, there's plenty to do in town. The [Circle B Bar Reserve](#) is a converted cattle ranch that's now a wildlife preserve and nature discovery center, providing closeup looks at everything from plants and flora to osprey, bald eagles and alligators along marshland and trails.

Florida Southern College, just south of downtown Lakeland, boasts the largest single-site collection of architecture from the great Frank Lloyd Wright, and has been designated a National Historic Landmark. The school offers guided and self-guided walking tours showing each of [Frank Lloyd Wright's 13 campus structures](#).

[Hollis Garden](#) is a beautiful botanical display complete with artwork and fountains located along Lake Mirror downtown.

While you're downtown, you can also check out [Polk Theatre](#), a restored historic venue built in 1928 as a vaudeville and movie palace with Italian renaissance stylings. Its second life features everything from symphonies and ballets to plays and classic films.

Got a kid into LEGO building sets or nostalgic for the days when you built them yourself? The Legoland Florida resort and theme park is just minutes away in nearby Winter Haven. It features rides, attractions, a water park and a mini-land of LEGO versions of attractions from across the country.

Food and Drink

Joker Marchant Stadium is located in between the dining areas of downtown Lakeland and north-side restaurants near Interstate 4. The downtown area features a wealth of spots to catch a foodie's interest. [Harry's Seafood Bar and Grille](#) is a local mainstay offering Cajun and Creole dishes. [Frescos Southern Kitchen](#) serves up modern and traditional southern eats along with a wide bar menu and live music. [Mojo Federal Swine and Spirits](#) serves up BBQ in a blues-themed setting. [Molly McHugh's Irish Pub](#) was opened by an Irish immigrant nearly 40 years ago, and features live entertainment and beers nightly. [Black and Brew](#) is a spacious downtown coffeehouse offering a wide lunch menu of soups, salads and sandwiches.

Closer to I-4 on Florida Avenue sits a swath of chain restaurants. One that could particularly interest Michiganders is **Ford's Garage**, a burger and craft beer haven with an auto theme decorated with parts of vintage Ford vehicles and classic-style service stations.

Moving On

Lakeland sits at the eastern edge of the Tampa-St. Petersburg cluster of Florida State League teams. George M. Steinbrenner Field, home of the Yankees-affiliated Tampa Tarpons, is about a half-hour drive depending on traffic. Phillies and Blue Jays affiliates in Clearwater and Dunedin respectively are about an hour away. The Bradenton Marauders, a Pirates affiliate, are just over an hour's drive.

The Road to Detroit

Minor League Baseball's realignment before the 2021 season moved the Flying Tigers from High-A to Single-A, making it the first full-season stop along the Tigers' farm system. While the rest of the system is up north, the Tigertown complex makes this an ideal starting point for future Tigers and their fans.

Single-A: Lakeland Flying Tigers

High-A: West Michigan Whitecaps

Double-A: Erie SeaWolves

Triple-A: Toledo Mud Hens

Detroit Tigers BBQ to be held Feb. 22 in Lakeland

**Sara-Megan Walsh**

The Ledger

Published 5:05 a.m. ET Feb. 12, 2023

LAKELAND — Lakeland will welcome the Detroit Tigers back to city for 2023 spring training with the 76th annual Tiger BBQ.

The event, presented by Rodda Construction, will be held Feb. 22 from 6-8 p.m. on Publix's Field at Joker Marchant Stadium, located at 2301 Lakeland Hills Blvd. in Lakeland.

Popular eatery burns: Fire at Texas Cattle Company causes extensive damage

Market coming soon: South Lakeland Aldi set to open this month

The Tigers have trained in Lakeland since 1934, the longest continuous relationship between a major league team and its spring host. The annual barbecue started in 1946 when former Lakeland Mayor Jimmie Musso organized one in his backyard for the team. So many people attended that the following year the barbecue was held in a World War II hanger where Tiger Town now stands.

Tickets cost \$40 per person and can be purchased online at visitcentralflorida.org/tigerbbq. The price includes access to a traditional southern barbecue featuring pulled pork, chicken quarters, ribs, sausage, shrimp cocktail, coleslaw, baked beans and roasted corn. Guests will also receive a souvenir mug.

The proceeds from the event go to the Detroit Tigers Foundation of Florida, Inc., which provides athletic opportunities for underprivileged children in Polk County. For more information on Spring Training tickets, call the Lakeland ticket office at 863-686-8075 or visit tigers.com/springtraining.

Detroit Tigers Spring Training Schedule Reflects a Return to Normal

By Barry Friedman
September 1, 2022

After their traditional opener against a local college team, the Detroit Tigers launch Spring Training 2023 at home in Lakeland on Feb. 23 against the Philadelphia Phillies and end at home on March 26 against the Tampa Bay Rays.

With a full 32-game lineup, the schedule looks a lot like seasons prior to the pandemic-shortened 2020 or the 2022 lineup abbreviated by the MLB walkout, [The Detroit Free Press reports](#).

Before a full return to Detroit, the Tigers face the Rays again for Opening Day on March 30 in St. Petersburg.

The Tigers have made Lakeland their Spring Training Home since 1934 and have played at Marchant Stadium since 1966.

Tigers 2023 Spring Training schedule

- Feb. 25 vs. Philadelphia, 1:05
- Feb. 26 vs. Baltimore, 1:05
- Feb. 27 at N.Y. Yankees (Tampa), TBA
- Feb. 28 at Toronto (Dunedin), TBA
- March 1 vs. Pittsburgh, 1:05
- March 2 vs. Baltimore, 1:05
- March 3 at N.Y. Yankees (Dunedin), TBA (SS)
- March 3 at Philadelphia (Clearwater), TBA (SS)
- March 4 vs. Toronto, 1:05

- March 5 at Minnesota (Fort Myers), TBA
- March 6 at Boston (Fort Myers), TBA
- March 7 vs. St. Louis, 1:05
- March 8 vs. Washington, 1:05
- March 9 at Pittsburgh (Bradenton), TBA
- March 10 vs. N.Y. Yankees, 1:05
- March 11 at Atlanta (North Port), TBA
- March 12 vs. Minnesota, 1:05
- March 13 at Tampa Bay (Port Charlotte), TBA (SS)

City of Sarasota OTTED Grant for Retention of Spring Training Facility

Baltimore Orioles Spring Training Facilities

2023 Annual Report

August 16, 2023

Cory Strickland, FCCM
Partnership Manager
Division of Strategic Business Development
Florida Department of Economic Opportunity
107 E. Madison Street
Caldwell Building
Tallahassee, FL 32399

Re: City of Sarasota OTTED Grant for
Retention of Spring Training Facility

Dear Mr. Strickland:

Pursuant to F.S. 288.11631(4), we are submitting the following exhibits, which are required as part of our annual report for the above-referenced grant:

1. A one page summary clearly documenting the local and state funds expended on the facility through June 30, 2023.
2. Copies of both the Memorandum of Understanding (MOU) between Sarasota County and the Baltimore Orioles, and the Interlocal Agreement between the City of Sarasota and Sarasota County are included to evidence the contractual relationships.
3. A summary of the current economic impact of the spring training facility on the local level.
4. Please see attached letter with attachments, updating the items previously supplied to Dr. Brill that evidences we continue to meet the criteria in effect when the City of Sarasota was certified and recertified.

If you have any questions regarding the documents submitted, please contact me.

Sincerely,

Kelly R. Strickland, CPA, CGFO
Finance Director

Attachments

1. Detailed Report on All Local and State Funds
Expended to Date on the Project Being Financed
Under Section 288.11631, Florida Statutes

City of Sarasota (Baltimore Orioles)

Criterion (F.S. 288.11631)	Response	Documentation
4.(a).1. A detailed report on all local and state funds expended to date on the project being financed.	One-page summary documenting the local and state funds expended on the facility through June 30, 2023.	Exhibit 1 Note: In addition to the one-page summary, included in the Economic Impacts of the Spring Training Facility (Exhibit 3) is the direct County capital expenditures for the stadium for the State Fiscal Year.
4.(a).2. A copy of the contract between the certified local governmental entity and the spring training team.	Copies of both the MOU between Sarasota County and Orioles, and the Interlocal Agreement between the City of Sarasota and Sarasota County.	Exhibit 2
4.(a).3. A cost-benefit analysis of the team's impact on the community.	A summary of the current economic impact of the spring training facility at the local level.	Exhibit 3
4.(a).4. Evidence that the certified applicant continues to meet the criteria in effect when the applicant was certified	Attached letter with attachments, updating the items previously supplied to Dr. Brill that evidences we continue to meet the criteria in effect when the City of Sarasota was certified and recertified.	Exhibit 4

Criterion (per previous F.S. 288.1162)	Response	Documentation
5.(d) An official letter from the City of Fort Lauderdale acknowledging the Baltimore Orioles are relocating to Sarasota from their spring training location in Fort Lauderdale	Reference to Exhibits	Pages 4 and 5 of Exhibit 4
5.(b).2. A signed agreement between Sarasota and Baltimore Orioles for a retained spring training franchise.	Reference to Exhibits	Page 3 of Exhibit 4 and Exhibit 2
5.(b).3. Documentation of the local match for at least 50% funds to be used for the spring training facility as required by section	Reference to Exhibits	Exhibit 1
Written agreement from Sarasota that the state funds will only be used for the renovation or expansion of the Ed Smith Stadium complex and corresponding major league operations	Reference to Exhibits	Pages 1 and 6 of Exhibit 4

2. Copy of Contract Between the Certified Local Governmental Entity and the Spring Training Team

(To fulfill this requirement, the Memorandum of Understanding between Sarasota County and the Baltimore Orioles, and the Interlocal Agreement between the City of Sarasota and Sarasota County are provided to evidence the contractual relationship.)

SARASOTA COUNTY, FL

INTERLOCAL AGREEMENT
BETWEEN THE
CITY OF SARASOTA
AND
SARASOTA COUNTY
FOR
MAJOR LEAGUE BASEBALL SPRING TRAINING USE
BY THE
BALTIMORE ORIOLES

This Interlocal Agreement is entered into this 24th day of July, 2009 by and between the City of Sarasota, Florida and Sarasota County, Florida.

Section 1. Recitals.

- 1.1 The City owns a Major League Baseball Spring Training Complex which is referred to as the City of Sarasota Sports Complex.
- 1.2 The Sports Complex has been used for Major League Baseball Spring Training Activities since 1989. The Sports Complex is presently leased to the Cincinnati Reds Major League Baseball club under a lease that will expire on October 31, 2009
- 1.3 The City and the County each desire that the Sports Complex continue to be used for Major League Baseball Spring Training Activities.
- 1.4 The Sports Complex requires substantial renovation in order to attract a Major League Baseball team to conduct its Spring Training Activities at the Sports Complex.
- 1.5 The City has expressed its desire to transfer ownership of the Sports Complex to the County for use as a substantially renovated Major League Baseball Spring Training facility.
- 1.6 The County is interested in acquiring ownership of the Sports Complex for such use.

Section 2. Legal Authority.

2. This Agreement is entered into under the authority of Chapters 125 and 166, Florida Statutes and Section 163.01, Florida Statutes.

Section 3. Definitions.

“City” means the City of Sarasota, Florida a municipal corporation.

“County” means Sarasota County, Florida a political subdivision of the State of Florida.

“Environmental Monitoring and Reporting Requirements” means obligations of the City under applicable environmental laws and as set forth in a consent order entered into between the City and the Florida Department of Environmental Protection with respect to the Sports Complex.

“Furniture, Fixtures and Equipment” means all of the furniture, fixtures and equipment used and useful in connection with the operation, maintenance and use of the Sports Complex as more fully described on the attached Exhibit “A”.

“OTTED” means the Florida Office of Tourism, Trade, and Economic Development.

“OTTED Funds” means grant funds provide by the State of Florida to the City through OTTED for the purpose of constructing new or substantially renovated Major League Baseball Spring Training facilities in order to attract or retain a Major League Baseball club to conduct its Spring Training Activities within the State of Florida.

“Spring Training Activities” means Major and Minor League player preseason training, Major and Minor League games, player rehabilitation, extended spring training operations and other year-round baseball related activities.

“Sports Complex” means the City of Sarasota Sports Complex consisting of approximately 37 acres of land and improvements located at the intersection of 12th Street and Tuttle Avenue, together with approximately 15 acres of additional lands located North of 12th Street and South of 17th Street more particularly described on the attached Exhibit “B”.

“TDT Revenues” means Tourist Development Tax Revenues collected by the County as authorized by Section 114-64 of the Sarasota County Code, to be used to fund the costs to construct and maintain Major League Baseball Spring Training facility.

Section 4. City Obligations.

4. Subject to the Conditions Precedent set forth in Section 6 hereof, the City agrees as follows:
 - 4.1 The City agrees to transfer ownership of the Sports Complex to the County by fee simple deed at such time as the County shall reasonably request after the lease of the Sports Complex to the Cincinnati Reds has expired.
 - 4.2 The City agrees to continue to perform its Environmental Monitoring and Reporting Requirements after the effective date of this Interlocal Agreement and following transfer of title to the Sports Complex to the County.
 - 4.3 The City agrees to transfer the Furniture, Fixture and Equipment to the County by Bill of Sale to be delivered to the County simultaneously with the delivery of the deed to the Sports Complex.
 - 4.4 The City agrees to provide the County with copies of all documents, surveys and reports pertaining to the condition of and use of the Sports Complex as requested by the County.
 - 4.5 The City agrees to take such action as may reasonably be necessary, including the filing of an amendment to its OTTED grant funding application, to satisfy OTTED that the grant funding will be made available and can be used to fund the substantial renovation of the Sports Complex to be leased to the Baltimore Orioles Major League Baseball club.
 - 4.6 The City agrees to use its best efforts to issue its bonds to be repaid by the OTTED funds no later than thirty (30) days following receipt of notice from the County that it, or its designee, is prepared to authorize a contract for the substantial renovation of the Sports Complex.
 - 4.7 The City agrees to transfer the accumulated OTTED funds and actual OTTED bond proceeds, less reasonable costs of issuance, to the County in an amount estimated to be not less than \$7.5 million within three (3) days after the bond closing.
 - 4.8 The City agrees to provide expedited review and priority scheduling for any permit or development approval submitted to the City by the County, or its designee, in connection with the renovation, expansion or use of the Sports Complex.
 - 4.9 The City agrees to be bound by the terms of the Environmental Indemnification in favor of the Baltimore Orioles and the County as set forth in the attached Exhibit "C." Upon adoption of this Interlocal Agreement, the City and County shall promptly present to the Orioles for acceptance the terms and conditions of Exhibit "C." Upon written acceptance by the Baltimore Orioles, the Environmental Indemnification and the rights and obligations of the City, the County and the Orioles set forth in Exhibit "C" shall be fully enforceable with all remedies at law and in equity available to the City, County and the Orioles.

Section 5. County Obligations.

5. Subject to the Conditions Precedent set forth in section 6 hereof, the County agrees as follows:
 - 5.1 The County agrees to accept the transfer of ownership of the Sports Complex from the City for use as a Major League Spring Training and community use facility. The purchase price to be paid by the County to the City at the time of transfer shall be One dollar.
 - 5.2 The County agrees to use its best efforts to negotiate the terms of a Memorandum of Understanding with the Baltimore Orioles Major League Baseball club which would obligate the County and the Baltimore Orioles to design and complete a substantial renovation to the Sports Complex for use by the Baltimore Orioles pursuant to the terms of a thirty (30) year lease. The Memorandum of Understanding shall include provisions insuring the continued community use of the Sports Complex for not less than twenty-one (21) days per year and may include provisions granting naming rights to the Sports Complex to the Baltimore Orioles.
 - 5.3 The County agrees that it shall take all actions necessary to insure that the Baltimore Orioles continue to occupy the Sports Complex and to otherwise comply with the OTTED grant conditions during the term of the OTTED grant obligations, including the filing of a civil lawsuit seeking injunctive relief or specific performance, if necessary.
 - 5.4 The County agrees to conduct the public hearing necessary to allow it to amend its TDT plan to allow the use of up to one-half of one percent of its TDT Revenues to construct Major League Baseball Spring Training facility.
 - 5.5 The County agrees to use its best efforts to issue its bonds to be repaid from its TDT Revenues no later than thirty (30) days after it notifies the City that it, or its designee, is prepared to authorize a contract for the substantial renovation of the Sports Complex.
 - 5.6 The County agrees that the City shall have no financial obligation to provide funding for the substantial renovation of the Sports Complex other than the City's obligations with respect to the OTTED funds.
 - 5.7 The County agrees that the City shall have no financial obligation to provide funding for the operation and maintenance of or capital repairs and improvements to the Sports Complex during the time that the Sports Complex is in County ownership.
 - 5.8 The County agrees that the City will have no financial obligation to pay ad valorem taxes or assessments levied or imposed against the Sports Complex during the time that the Sports Complex is in County ownership.

- 5.9 The County agrees that the plaques honoring Ed Smith and Red Ermish presently at the Sports Complex will be displayed at the Sports Complex following its substantial renovation.
- 5.10 The County agrees that the City shall have the right to access tickets provided to the County for economic development purposes for Major League Spring Training games through a process to be established by the County provided that such use shall be for economic development purposes.
- 5.11 The County agrees to notify the City at such time as any bonds, including refunding bonds, issued to fund capital improvements to the Sports Complex are repaid in full.

Section 6. Conditions Precedent.

- 6. The obligations of the City and County are conditioned upon the satisfaction of the following conditions precedent:
 - 6.1 Receipt of concurrence from OTTED, or other State office or official having the requisite authority, indicating that the OTTED Funds may be transferred by the City to the County for use in connection with a substantial renovation of the Sports Complex and long term lease of the Sports Complex to the Baltimore Orioles.
 - 6.2 Execution of a Memorandum of Understanding between the County and the Baltimore Orioles pursuant to which the County and the Baltimore Orioles agree to cause the substantial renovation of the Sports Complex using OTTED bond proceeds, and accumulated OTTED funds, TDT bond proceeds, and legally available accumulated TDT funds, and funds contributed to the project by the Baltimore Orioles, if required, as well as agreement on the terms of a lease of not less than thirty (30) years pursuant to which the Baltimore Orioles will be obligated to hold Spring Training Activities at the Sports Complex.

In the event that one or both of the above-described conditions precedent are not satisfied prior to September 30, 2009 then either the City or the County may elect to terminate this Interlocal Agreement by providing written notice of termination to the other party.

Section 7. Future Use and Ownership of the Sports Complex.

- 7.1 The County shall have the obligation to transfer ownership of the Sports Complex back to the City in the event that: (1) Major League Spring Training Activities at the Sports Complex are discontinued by the Baltimore Orioles for a period of two (2) years and no other Major League Baseball club agrees to use the Sports Complex for Spring Training Activities, and (2) the County has repaid any and all debt issued in connection with the substantial

renovation of the Sports Complex or any future capital repair or improvement; provided, however, that the County shall not issue debt having payment obligations that extend beyond the term of the lease, or any lease extension, between the County and the Baltimore Orioles. In order to effectuate this obligation the City must first notify the County in writing that it is of the opinion that the two above-described events have occurred including a demand that ownership of the Sports Complex be transferred back to the City. The purchase price to be paid by the City to the County at the time of transfer shall be One dollar.

- 7.2 Upon transfer of the Sports Complex back to the City the Sports Complex shall be used for public recreational or other public use. In the event that the City desires to make the Sports Complex available for non-public uses the County shall have the option to purchase or lease the Sports Complex from the City. If the Sports Complex is purchased, the purchase price to be paid by the County to the City at the time of transfer shall be the appraised value of the Sports Complex land exclusive of the value of the improvements assuming its use as a publicly owned Sports Complex. If the Sports Complex is leased, the rent to be paid by the County to the City shall be established on the basis that it is a land lease only and shall exclude the value of the improvements.

Section 8. Assignment.

No assignment, delegation, transfer or novation of this Interlocal Agreement or any part thereof shall be made, unless approved in writing by City and County.

Section 9. Notices.

Any notices or other documents permitted or required to be delivered pursuant to this Interlocal Agreement shall be delivered in writing by hand or United States Postal Service, certified mail, return receipt requested to the following address:

Notices to City shall be sent to:
City of Sarasota, Florida
1565 First Street
Sarasota, Florida 34236
Attn: City Manager

Notices to County shall be sent to:
Sarasota County
1660 Ringling Boulevard

Sarasota, Florida 34236
Attn: County Administrator

Section 10. Effective Date.

This Interlocal shall become effective upon recording of a certified copy in the Official Records of Sarasota County pursuant to Section 163.01 (11), Florida Statutes.

IN WITNESS WHEREOF, this Interlocal Agreement was signed and sealed in duplicate by the respective parties hereto.

EXHIBIT "C"

Environmental Indemnification

The City covenants and agrees, at its sole cost and expense, to defend, hold harmless, indemnify, protect and save: (i) the Orioles, including its directors, officers, partners, employees, consultants, vendors, contractors or agents; (ii) any persons or entities owned or controlled by, under common control or affiliated with the Orioles; (iii) the heirs, personal representatives, successors and assigns of each of the aforementioned persons or entities; and (iv) the County, including its commissioners, officers, employees, consultants, vendors, contractors or agents; (individually and collectively, "Indemnified Parties"), now and forever, against and from any demand, claim, assessment, costs, disbursements, expenses, penalty, liability, judgment, verdict, obligation, attorneys fees, suits or proceedings, of any kind and any nature, including personal injury, property damage, death, disability, or other damage of or to any person or property, which may at any time be required, imposed, incurred, asserted or awarded against an Indemnified Party, whether arising directly or indirectly from, or in any way related to:

- a. The existence of any hazardous materials on, in, under, affecting or emanating from all or any portion of (1) the real property located at 12th Street and Tuttle which has historically been used as a Major League Spring Training facility and includes training facilities, practice fields, clubhouses, offices, the "Ed Smith Stadium" and other improvements and fixtures located thereon, as well as (2) the real property located North of 12th Street and South of 17th Street and the corner parcel North of 12th Street (collectively, the "Major League Site");
- b. Any act, omission, event or circumstance existing or occurring in connection with the handling, treatment, containment, removal, storage, decontamination, clean-up, transport or disposal of any hazardous material existing on, in, under, affecting or emanating from all or any portion of the Major League Site, including any development of the Major League Site;
- c. Any violation of any State of Florida or Federal environmental laws, rules, guidelines, regulations or ordinances regardless of whether any act, omission, event or circumstance giving rise to the violation constituted a

violation at the time of the occurrence or inception of such act, omission, event or circumstance; and/or

- d. Any environmental claim or the filing or imposition of any environmental lien against the Major League Site, because of, resulting from, in connection with, or arising out of any of the matters referred to in (a) through (c) above.

In addition, the City shall indemnify the Indemnified Parties for, without limitation, all of the following: (i) the costs of remediation, removal or abatement of hazardous materials from the Major League Site or, when applicable, the surrounding areas; (ii) additional costs required to take necessary precautions to protect against, or to mitigate the effects of, the release of hazardous materials on, in, under, affecting or emanating from the Major League Site or into the air, any body of water, any other public domain or any surrounding areas, including any professional consultative fees and costs related thereto; and (iii) costs incurred to comply, in connection with all or any portion of the Major League Site or, when applicable, any surrounding areas, with all applicable Laws with respect to hazardous materials. Notwithstanding the above, the foregoing indemnity shall not apply to the extent any of the foregoing relates to hazardous materials transported onto the Major League Site by the Indemnified Parties subsequent to execution of this Indemnity.

The City shall provide, in a timely manner and in the manner required by the County's and the Orioles' Project Representatives, Project architects and General Contractor, such environmental information as may be necessary or beneficial to the Project and its timely completion within the established budget, including any consultative reports or other material information regarding the environmental conditions of the Major League Site and or any updates regarding the negotiations with State or Federal environmental agencies to achieve No Further Action (NFA) status for the Major League Site.

The City shall have the right to participate and provide input in any scheduled project development meeting(s) scheduled and attended by the County's and Orioles' Project Representatives, the Project architects and General Contractor wherein decisions as to the Project are made which may materially affect the City's environmental monitoring, remediation, removal, abatement cleanup or indemnification obligations.

The County's and Orioles' Project Representatives, Project architects and General Contractor shall give due and reasonable consideration to the environmental information provided by the City and/or its environmental consultants and will endeavor to accommodate the reasonable requests of the City and its environmental consultants if practicable within the scope and design of the Project and provided that such requests do not cause any unreasonable modification or diminution of the Project or its design and provided that such requests do not cause any unreasonable additional expense or unreasonable delay in the timely completion of the Project.

To the extent that remediation, removal or abatement of hazardous materials on, in, under, affecting or emanating from the Major League Site is necessary, the City, the County and the Orioles shall meet and confer to discuss the various options available for such remediation. Time being of the essence, upon identification of the remediation option(s), subject to permitting and regulating agency approval, the City shall expeditiously retain qualified vendor(s), unless the City, the Orioles and the County agree to otherwise retain qualified vendor(s), to perform the remediation, removal or abatement who shall, upon retention, coordinate with the Orioles' and County's Project representatives, Project architects and General Contractor as to all such remediation, removal or abatement, including as to the dates, times, conditions and manner for the performance of the remediation, removal or abatement.

Without limiting any other obligation of the City herein, any cost or expenses caused by the accommodation or implementation of the City's and/or its environmental consultants' request(s) and remediation, removal or abatement shall be the sole responsibility of the City.

KAREN E. GUSHING
CLERK OF COUNTY COURT
SARASOTA COUNTY

RECITALS

WHEREAS the City of Sarasota (the "City") is the owner of: (1) the real property located at 12th Street and Tuttle which has historically been used as a Major League Spring Training facility and includes training facilities, practice fields, clubhouses, offices, the "Ed Smith Stadium" and other improvements and fixtures located thereon, as well as (2) the real property located North of 12th Street and South of 17th Street and the corner parcel North of 12th Street, which are both utilized for parking for the Major League Spring Training facility and as are more particularly set forth in Exhibit 1 attached hereto (collectively, the "City Land");

WHEREAS, the City adopted its Resolution No. 09R-2094 on May 4, 2009 indicating its willingness to make its Ed Smith Stadium complex available to the Baltimore Orioles for Spring Training and other Major League Baseball purposes and to transfer to the County the aforementioned City Land, along with ancillary parcels of real property (and improvements) in connection therewith for the full beneficial use by the Orioles, which parcels together consist of +/-53 acres of real property more particularly described on Exhibit 1 attached hereto (collectively, with all furniture, fixtures, equipment and improvements, the "Major League Site"), and the City and the County have entered into an interlocal agreement (the "Interlocal Agreement") which includes the foregoing and the purchase of the City Land, including the Major League Site, and other terms and conditions;

WHEREAS, the Orioles own and operate the Major League Baseball Team known as the Baltimore Orioles and currently conduct their Minor League spring training operations in the County at the County-owned Twin Lakes Park containing the Buck O'Neil Baseball Complex described on Exhibit 2, attached hereto, consisting of +/- 36 acres of real property which contains improvements and fixtures located thereon, including but not limited to fields, a clubhouse and other furniture, fixtures, equipment and improvements (collectively, the "Minor League Site");

WHEREAS, the Orioles desire to consolidate its Major League and Minor League spring training operations in the County, including Major League player preseason training, player rehabilitation, extended spring training operations and other year-round baseball-related activities (collectively, "Spring Training Operations") at the Major League Site and the Minor League Site (individually, a "Site" and collectively, the "Sites");

WHEREAS, the County has agreed to provide for the Orioles' use and occupancy of the Sites and to provide, upon the terms and conditions expressed in this Agreement, for certain funds and funding for the renovation and improvement of the Sites, including the Ed Smith

Stadium (the "Major League Stadium"), clubhouses, administration offices, fields, parking facilities, infrastructure, utilities and other usual and customary facilities, furniture, fixtures, and equipment at the Sites and as further described in this Agreement pursuant to the Orioles' Design Plan as more particularly set forth herein (the "Project");

WHEREAS, the County shall provide \$23.7 million to the Project (the "County's Guaranteed Project Funds") from sources identified by the County;

WHEREAS, in order to provide for the County's Guaranteed Project Funds, the County shall conduct the necessary public hearing required to amend its Tourist Development Ordinance to incorporate certain of the project funding into its Tourist Development Plan, thereby permitting it to dedicate up to one-half (1/2) of one percent (1%) of its Tourism Development Tax revenues to service certain County bonds, which it shall cause to be issued in a timely manner. The par amount of the County bonds shall be the maximum amount permitted to be issued without voter referendum as allowed under Section 5.2D of the Sarasota County Charter. The amount of the bonding limitation is currently \$20.715 million. The net proceeds of the County bonds will be made available as project funds and added to such other County funds as may be required to fulfill the County's Guaranteed Project Funds obligation;

WHEREAS, as a condition of the Interlocal Agreement and this Agreement, the City shall promptly issue bonds serviced by funds from the State of Florida Office of Tourism, Trade and Development ("OTTED") and promptly contribute all bond proceeds, net only of reasonable, usual and customary costs and expenses directly associated with issuance of such bonds, to the Project, as more particular set forth herein ("OTTED Funds"). The City may elect, in its sole discretion, to provide the funds from other sources. It is estimated that the net OTTED Funds available from the City will be approximately \$7.5 million;

WHEREAS, together the County's Guaranteed Project Funds and the OTTED Funds are the "Governmental Project Funds". The Governmental Project Funds' principal contribution shall be and not exceed \$31.2 million from all governmental sources. Upon availability in accordance with the schedule contained in this Agreement, the Governmental Project Funds shall be promptly deposited in a dedicated interest-bearing Construction Fund Account and all interest accrued thereon shall inure to the benefit of the Project (the "Maximum Governmental Project Funds");

WHEREAS, the County desires to lease the Sites to the Orioles and the Orioles desire to use and occupy the Sites on a year-round basis for the Orioles' Major League and Minor League Spring Training Operations, baseball-related events and other Orioles' beneficial uses of and to the Sites as provided herein;

WHEREAS, the Board of County Commissioners finds that the Orioles are the only entity capable of using the Sites as Major League Baseball facilities and, pursuant to the authority of Section 2-362(2) of the Sarasota County Code, the County has entered into direct negotiations with the Orioles for the lease of the Sites;

WHEREAS, the Parties recognize that the development of the Project and the lease of the Sites to the Orioles shall be subject to the terms of a definitive Project Development Agreement,

Lease and other relevant documents (collectively, the "Project Documents"), which may contain additional terms and conditions consistent with this Agreement. The Parties agree that the terms set forth herein will be incorporated into the Project Documents and that this Agreement reflects the basic business deal between the Parties and is intended to be binding on the Parties and their respective successors and assigns. The Parties shall use their best efforts, in good faith, to promptly negotiate and execute the Project Documents, unless the Parties deem the provisions of this Agreement are adequate for such purpose(s);

WHEREAS, the benefits and obligations expressed in this Agreement will further improve and promote gainful employment, economic development and tourism within the State of Florida, the County and the City and enhance the economic prosperity of the State of Florida, the County and the City and their residents;

WHEREAS, the benefits and obligations expressed in this Agreement are in the public interest and, among other things, will provide additional recreational facilities, generate significant economic development, tourism and promotional benefits, as more particularly set forth herein;

WHEREAS, the Sites have been used historically by both the City and the County for local youth sports, tournaments, and other community based events, and this community use has brought value to the community in the form of tourism and other benefits and the continuation and importance of which are recognized by the Parties;

WHEREAS, the County intends to utilize the Sites in preparing for and responding to natural disasters, provided that the Orioles and the County shall mutually determine the locations at the Sites for emergency response personnel and equipment and material during the term of the Lease, as more particularly set forth herein;

WHEREAS, the Orioles are a party to a Facility Use Agreement, dated December 28, 2006 with the City of Fort Lauderdale, Florida for the construction and lease of new Major League Baseball and Minor League Baseball facilities upon certain terms, conditions, and conditions precedent set forth therein (the "Ft. Lauderdale FUA"), the Orioles represent and warrant to the County that the conditions precedent to the effectiveness of the Ft. Lauderdale FUA have not been met, and that the Orioles have the right to enter into this Agreement; and

WHEREAS, the County represents and warrants that it has the authority to enter into this Agreement as provided by Chapter 125 F.S. and other relevant provisions of Florida law and provide the Orioles with the rights contained in this Agreement and in the Project Documents.

NOW, THEREFORE, in consideration of the foregoing recitals which are incorporated herein, and the mutual covenants, promises, conditions and representations set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto AGREE AS FOLLOWS:

1. THE PROJECT.

1.1 The Parties acknowledge that certain improvements are required to be made to the

Sites in order for the Orioles to enter into a lease with the County for the full and beneficial use of the Sites and to conduct its Major League and Minor League Spring Training Operations at the Sites. The Parties agree that the design, development and construction process shall be a cooperative mutual endeavor in which the County and the Orioles will work together and participate in all phases of such process. The County and the Orioles each acknowledge and agree that the Project will be financed, designed, developed and constructed in accordance with the terms, conditions and schedules expressed in this Agreement.

1.2 The Orioles will have primary responsibility for and will take the lead in developing the design plans, specifications and elevations for the Project, subject to all applicable County and City codes and ordinances, which Project Design Plan may be amended from time to time ("Project Design Plan") (for illustrative purposes only, attached as Exhibit 3 are preliminary Site sketches). The Project Design Plan shall also include the style, design and materials for all fixtures, furnishings, appointments and equipment. The County shall have the right to participate in all phases of the design process. The Orioles shall keep the County informed on a regular basis as to the development of the Project Design Plan and any material and substantial amendments thereto. The Orioles and the County shall schedule regular briefings to discuss and preliminarily review the Project Design Plan. The Orioles shall present the Project Design Plan, including site sketches and elevations under consideration by the Orioles, to the County within one hundred fifty (150) days after the execution of this Agreement. The County shall have the right to review, comment upon and approve the Project Design Plan and all decisions and documentation with respect thereto, including without limitation, all architectural programs, schematic designs, plans and specifications, and any material amendments thereto which the Orioles deem necessary or desirable after the County's initial approval for the Project Design Plan has been granted. The Orioles shall have the right to select, in its sole discretion, the furniture, fixtures, and equipment in the Orioles' exclusive use areas, including the Orioles' offices, coaches' offices, training rooms, player locker rooms, weight rooms and other exclusive areas such furniture, fixtures, and equipment which shall be comparable to other Major League Baseball spring training facilities. In all instances, the County's review and approval under this Section shall be promptly exercised and shall not be unreasonably withheld, conditioned or delayed. When completed by the Orioles and reviewed and approved by the County, the Project Design Plan shall be attached hereto and to the Project Development Agreement and incorporated herein and therein for all intents and purposes. The Project Design Plan shall include placement of the existing (or new) plaques honoring Ed Smith and Red Ermish presently affixed at the Sports Complex.

1.3 The Project Design Plan for the Project shall include, among other things, specifications for:

1.3.1 A state-of-the-art renovation (and possible expansion) of the Major League Stadium consistent with the quality and appointments of similar substantially renovated spring training facility projects in Florida (e.g., as generally compared against the most recent renovation of comparable cost) with an approximate seating capacity of between 8,500 and 9,000, including approximately 7,500, but not less than 6,500, fixed seat positions plus berm seating, picnic areas, standing room areas, party decks, luxury/corporate suites, sun shading, radio and television booths and broadcasting and telecasting production facilities and studios, press areas, communications and data systems, television monitors and equipment (including all conduit,

wiring, fiber, cable, head-end equipment, data switches and terminals as may be required), camera stations, state-of-the-art scoreboards, sound systems and control room, concession stands/equipment, food preparation areas and kitchens, retail and novelty stores, fan service and first aid areas, locker rooms, weight rooms, and other usual and customary stadium facilities, equipment, areas and amenities.

1.3.2 On the Major League Site: the Major League Stadium plus an additional three and a half (3.5) practice fields of Major League dimensions and quality; a renovated and expanded state-of-the-art clubhouse consisting of approximately 35,000 square feet of air conditioned space, including administration offices, locker rooms, training facilities, weight rooms, and other usual and customary clubhouse facilities, equipment and areas, player development areas, indoor and outdoor batting cages, pitching mounds, dedicated parking facilities, infrastructure, utilities (including wiring, cable, fiber and data equipment), and such other usual and customary improvements, fixtures, furnishings, equipment and amenities as may be necessary for the Orioles' full and beneficial use of and to the Site.

1.3.3 On the Minor League Site: five (5) practice fields of Major League dimensions and quality, a renovated and expanded Minor League clubhouse consisting of approximately 25,000 square feet of air conditioned space, including administration offices, locker rooms, training facilities, weight rooms, and other usual and customary Minor League clubhouse facilities, equipment and areas, player development areas, indoor and outdoor batting cages, pitching mounds, dedicated, but not exclusive, parking facilities, infrastructure, utilities (including wiring, cable, fiber and data equipment), and such other usual and customary improvements, fixtures, furnishings, equipment and amenities as may be necessary for the Orioles' full and beneficial use of and to the Site.

2. PROJECT FINANCING.

2.1 The Governmental Project Funds shall consist of the following:

2.1.1 From the County:

2.1.1.A Net proceeds from the County's bond issue from the issuance of County's bonds in a par amount which shall not exceed the maximum amount permitted to be issued without voter referendum, expected to be approximately \$18.7 Million on or about October 1, 2009.

2.1.1.B Cash collections of one-half (1/2) of one percent (1%) of the County's Tourist Development Tax beginning as of March 1, 2008 estimated to be approximately \$2 million by the date of issuance of the County bonds.

2.1.1.C County cash contributions from legally available non-ad valorem revenues in an amount not to exceed \$3 million.

2.1.1.D And/or such other County funds from legally available, non ad valorem revenues as may be required to fund the County's Guaranteed Project Funds obligation in the amount of \$23.7 million.

2.1.1.E Net proceeds from the City's bond issue from the City's OTTED grant funding or a cash equivalent from legally available, non-ad valorem revenues in an amount no less than \$7.5 million.

2.1.1.F Collectively, the Governmental Project Funds shall be and not exceed \$31.2 million for the Project.

2.2 All Governmental Project Funds shall be made available for the Project no later than thirty (30) days after the execution of the Project Documents (unless otherwise agreed by the Parties and as otherwise contemplated in Section 3.14) and shall immediately be placed in a construction fund account (the "Construction Fund Account") administered by the County for the sole and exclusive benefit of the Project. All interest accrued on the Governmental Project Funds (except for bond debt service reserve fund interest) shall be made available for the Project and together with the Governmental Project Funds shall constitute the Maximum Governmental Project Funds.

2.3 The Orioles shall provide the County, as part of the Project Design Plan, with a detailed cost estimate of the total Project costs, including the uses of the Maximum Governmental Project Funds and such other funds, goods or services as might be required from or arranged by the Orioles ("Project Costs").

2.4 Except as provided in, and subject to the terms of, this Agreement or the Project Documents, and further provided that the County fulfills its obligations in this Agreement and the Project Documents, the Orioles shall complete the Project and shall be responsible for the payment of any and all Project Costs in excess of the Maximum Governmental Project Funds (the "Orioles Project Contributions"). With regard to the funding of any Project Costs in excess of the Maximum Governmental Project Funds, the Orioles, at its discretion, shall either deposit the required funds directly in the Construction Fund Account prior to the incurrence of such excess Project Costs, or shall provide to the County any necessary assurances reasonably required by the County (e.g., letter of credit) that the Orioles Project Contributions shall be available in a timely manner, or discharge such payment obligations directly with vendors, concessionaires, contractors or project service providers, in which case the Orioles shall provide the County with written documentation of the payment discharge or in-kind transaction as more particularly set forth in Subsection 2.5. The Orioles also shall comply with any applicable County ordinance or Florida statute related to construction funding requirements for public projects.

2.5 The Orioles shall have the right to enter into any manner of agreements with its vendors, concessionaires or others to provide goods, materials and/or equipment to the Project, which shall be considered, for all intents and purposes, as part of the Orioles' Project Contributions. (For example, the Orioles' concessionaire for the Major League Stadium may be permitted to provide concessionaire equipment to the Sites.) The Orioles will inform the County, in writing, with a description of any Orioles' Project Contributions to the Sites made by any Orioles' vendors, contractors, concessionaires or other third parties and shall summarize relevant terms of such agreements and any other agreements that could impact the County's ownership interests in the Sites. The description shall be jointly submitted on behalf of the Orioles and the respective vendor, contractor, concessionaire or other such third party as may be

appropriate. Any such third party agreement shall be made in accordance and comply with applicable County ordinances and regulations.

2.6 In connection with the Orioles' Project Contributions, the County and the Orioles shall promptly meet after the execution of this Agreement and review the feasibility of issuing taxable or tax-exempt bonds at the request of the Orioles supported by Orioles' funds and/or rent, as the case may be, payment in lieu of taxes or such other funding mechanism as may be mutually agreeable to the Parties; however, the County shall be under no obligation to establish any such funding mechanism for the Orioles Project Contributions. To the extent that any such mutually agreeable funding mechanism requires the City to issue bonds, the County agrees to request that the City take reasonable steps to issue said bonds. To the extent that bonds are issued as part of the Orioles Project Contributions, the bond proceeds, net of all reasonable and customary expenses and costs, shall be deposited in the Construction Fund Account for the benefit of the Project.

3. DEVELOPMENT AND CONSTRUCTION OF THE PROJECT.

3.1 The County and the Orioles will execute a definitive, long form project development agreement for the Project which shall incorporate the relevant terms and conditions contained in this Agreement, and such other terms and conditions as are customarily included in similar agreements and as may be mutually agreed, and will establish the framework for the design and construction of the Project, within one hundred fifty (150) days after the execution of this Agreement (the "Project Development Agreement"), unless the Parties, in their respective sole discretion, deem the provisions of this Section 3 are adequate for such purpose.

3.2 The Project Development Agreement shall include the Project Design Plan and a detailed schedule outlining the time and actions anticipated necessary with respect to the Project, including a project design schedule that will address the coordination necessary to prepare the project scope, selection criteria and timeline for the procurement process (the "Project Schedule").

3.3 Time being of the essence, the County shall take all such action as is necessary to expeditiously conduct all of its Project reviews and exercise its approval rights, which in all instances may not be unreasonably withheld, conditioned or delayed. The County shall support the issuance of all City permits and approvals necessary for the Project and shall use its best efforts to obtain a commitment from the City in the Interlocal Agreement to provide expedited review and priority scheduling for any permit or development approval submitted to the City for the Project.

3.4 After the Project Development Agreement is finalized and approved by the County, the County agrees to promptly proceed with authorizing and issuing any and all procurements necessary for the Project. To the fullest extent permitted by law, regulation or ordinance, the Orioles shall be permitted to participate with the County and approve the selection of the architects, contractors, subcontractors, vendors and other professionals for the Project. The Orioles shall also have, to the fullest extent permitted by law, primary responsibility for and will take the lead in developing and constructing the Project, the right to approve any agreements to be entered into by the County for the Project (and any phase, portion or work order thereof), and

the right to approve the selection of any goods, materials, equipment, fixtures and furnishings for the Project.

3.5 Time being of the essence, the selection criteria for the architect of record shall include, but not be limited to: whether the architect has past performance with the Project Site(s) and/or with the Orioles; experience in the architectural design of Major League Baseball professional baseball facilities, and in particular, design experience specifically related to Major League Baseball spring training projects; and, professional personnel committed to the Project shall have had significant experience in projects of a similar nature or have worked on at least five (5) similar project types. Time being of the essence, the County, or the Orioles through the Project Development Agreement, shall promptly select and enter into contracts with all architects, contractors, subcontractors, vendors and other professionals for the Project. In the event that the Parties mutually agree to have either the County or the Orioles enter into a contract for the architect of record before the Project Documents are finalized, they shall reach a separate agreement for the funding of that contract from the Construction Fund Account.

3.6 The Project Development Agreement shall require, and the County shall obtain, guaranteed maximum price contract(s) (or such other arrangements as may be mutually agreed to and generally permissible under Florida Statutes) as part of the competitive selection process, in order to ensure that such contract(s) obtain the maximum value in relation to cost for each phase and portion of the Project and control the overall cost of the Project. No amendments or adjustments (including, but not limited to, change orders) shall be made to any maximum price contract(s), except as agreed to by the County and the Orioles. The County agrees not to request any amendments or adjustments (including, but not limited to, change orders) and shall have no right to adjust the scope of the Project and/or the Project Schedule unless mutually agreed. To the extent that the Orioles request an amendment or adjustment (including, but not limited to, change orders) which is agreed to by the County resulting in a Project Cost in excess of the Maximum Governmental Project Funds, then the Orioles shall comply with the provisions set forth in Section 2.4 above. The County agrees that the construction and design contracts which it enters into in connection with the Project shall contain provisions acceptable to the Orioles providing for liquidated damages in commercially reasonable amounts if the Project is not completed on time and prior to the completion date set forth in the Project Development Agreement. All such provisions must comply with Florida Statutes and be agreed to by the County and the Orioles. The County agrees that it shall strictly enforce any such liquidated damage provisions and diligently pursue any liquidated damages to which it is entitled. Any liquidated damages received by the County shall be allocated first to any damages caused to the Project by the breach or other wrongful act to compensate the party harmed. Unless otherwise provided in this Agreement or the Project Documents, the Orioles' sole remedy for damages resulting from any delay in the completion of the Project shall be the rights to receive liquidated damages under the construction and design contracts for the Project. The County shall, at the Orioles' request, take all reasonable action necessary to enforce the liquidated damages or other remedy provisions necessary to effectuate this provision. The County and the Orioles shall not be liable to each other for the payment of any construction delay damages, provided that the delay is not caused by the gross negligence, willful misconduct or the breach of a material provision of this Agreement or the Project Development Agreement. The Parties acknowledge that a construction contract cannot be entered into until the Project Documents are finalized (unless otherwise agreed by the Parties).

3.7 The Project Development Agreement shall require each architect, contractor, subcontractor, vendor or Project professional to secure and retain such policy or policies of insurance as are required by the Project and shall ensure that all contractors and vendors furnish payment and performance bonds in a commercially reasonable amount established by the County and shall list the Orioles as an additional insured party.

3.8 The Project Development Agreement shall also provide that, to the fullest extent permitted by law, the Orioles shall have the right and primary responsibility to coordinate the development and construction of the Project and, at the Orioles' discretion, conduct progress meetings at mutually agreed upon frequency of all of the architect, contractor(s), subcontractor(s), vendors and other professionals. The County shall have the right to retain an owner's representative with experience in the construction of sports facilities. The reasonable and customary cost of the County's owner's representative shall be included in the Project Cost, provided that such costs have been presented to the Orioles for review and approval prior to payment, such review and approval not to be unreasonably withheld, conditioned or delayed. The Orioles may retain a representative and/or design consultant with experience in the construction of sports facilities. The reasonable and customary costs of the Orioles representative and/or design consultant shall be included in the Project Cost, provided that such costs have been presented to the County for review and approval prior to payment, such review and approval not to be unreasonably withheld, conditioned or delayed. The Orioles shall provide for such cost estimates associated with the Orioles' and County's representatives in the Project Design Plan. Except as provided in this Section, the County and the Orioles shall not impose any management or administrative fees to the Project (or any procurement, phase, portion or work order thereof) nor seek reimbursement from the Construction Fund Account for any costs or expenses, other than costs or expenses directly related to the Project that are typically outsourced and outside of the County's operating budget (and specifically not including legal fees, County staff time, internal project management and the like) for which the County seeks reimbursement or payment from the Construction Fund Account. Any such request for payment from the Construction Fund Account shall be first provided to the Orioles for approval, such approval may not be unreasonably withheld, conditioned or delayed. The County and the Orioles shall participate in the development and construction of the Project and shall keep each other fully and timely informed of, and actively involved in, all material decisions regarding the development and construction of the Project, at all phases of the development and construction process. Customary County permit fees shall be chargeable to the Construction Fund Account.

3.9 The Project Development Agreement shall provide that each of the Orioles and the County shall designate representative(s) with authority to act in connection with all issues requiring such Party's approval, agreement or concurrence with regard to the design, development and construction of the Project within all applicable laws, ordinances and policies. All approvals, agreements or concurrences required in Sections 1 and 3 shall be the responsibility of and shall be made by such representative(s). Such representative(s) shall be invited to participate in all development and construction meetings held in connection with the Project.

3.10 The Project Development Agreement shall provide that the County shall place the Governmental Project Funds and any applicable Orioles Project Contributions in the Construction Fund Account for the benefit of the Project. The Orioles shall have the right to monitor the draw

schedule and progress payments, progress of construction and the funds remaining in the Construction Fund Account, and the Orioles shall be regularly kept informed by the County as to the Construction Fund Account balances. The County shall hold the funds in the Construction Fund Account for the benefit of the Project and shall promptly release, without delay, reduction or offset, such funds only upon approval for disbursement by the Orioles and the County, such approval not to be unreasonably withheld, conditioned or delayed.

3.11 If the Project is anticipated to exceed any maximum price contract(s), either because of a change order(s) or for any other reason beyond that which is contained in the Project agreements (and specifically excluding items resulting from an error or omission by the County, the Orioles or any architect, contractor, subcontractor, vendor or other professional), such cost increases must be approved by the Parties. Change orders and/or Project cost overruns resulting from an error or omission by any architect, contractor, subcontractor, vendor or other professional engaged on the Project shall be the responsibility of the person or entity committing such error or omission. Subject to the provisions of Section 2.4 hereof, the Orioles may adjust the scope of the Project, including any procurement, phase, portion or work order thereof; provided, however that any material changes to the Project Design Plan which increases the Project Cost must be reviewed and approved by the County, which approval may not be unreasonably withheld, conditioned or delayed. Notwithstanding the preceding sentence, the Orioles shall not materially and substantially reduce the estimated number of fixed seating positions in the Major League Stadium, the estimated square footage of the Major League clubhouse or the number of fields as set forth in Section 2 hereof without the express prior written approval of the County.

3.12 The County represents and warrants to the best of its knowledge that no zoning changes are necessary or required in order to construct the Project and there are no known restrictions on the Sites. The County agrees to the fullest extent permitted by law to refrain from taking any action to request that the City diminish or restrict the zoning and the Orioles existing zoning rights on the Major League Baseball Site for the duration of the Lease. Should the Orioles intend to seek a zoning change at any time during the Lease, in connection with the Major League Site, the County shall take such action within its control to place such matters before the City for consideration on an expedited basis.

3.13 To the fullest extent permitted by law, the Orioles and/or its designees shall have full rights and discretion as to the placement and orientation of all improvements and uses, points of ingress and egress and internal circulation on the Sites, so long as the required buffers and setbacks and all other requirements of the zoning category and other governing regulations, ordinances and statutes are satisfied and subject to the County's review and approval, which approval shall not be unreasonably withheld, conditioned or delayed. The Orioles and/or its designees, with County input and approval, shall have discretion as to the architectural style and character of all improvements on the Sites, so long as the required buffers and setbacks and all other requirements of the zoning category and other governing regulations, ordinances and statutes are satisfied.

3.14 If the Orioles elect to conduct Major League Spring Training at the Major League Site in 2010, the Orioles shall be entitled to use (or seek reimbursement from) the Construction Fund Account for costs and expenses reasonably incurred to re-brand Ed Smith Stadium for use

by the Orioles, subject to the approval of the County, which approval shall not be unreasonably withheld, conditioned or delayed.

4. LEASE TERM; RENT.

4.1 Lease Term. The Parties shall execute a definitive, long form Lease within one hundred fifty (150) days after the execution of this Agreement, incorporating the relevant terms and conditions contained in this Agreement, and such other terms and conditions as are customarily included in similar leases and as may be mutually agreed, unless the Parties, in their respective sole discretion, deem the provisions of this Section 4 and other applicable provisions of this Agreement are adequate for such purpose. The Term of the Lease shall be for thirty (30) years commencing November 1, 2009 and continuing through October 31, 2039 (the "Term"). The Orioles intend to commence Major League and Minor League Spring Training Operations at the Sites beginning with the 2010 spring training season. The Parties acknowledge that adjustments to the commencement of Spring Training Operations may need to be made based upon the Project schedule and maximizing the value of the Governmental Project Funds, which determination will be made by the Orioles, after consultation with the County. The Orioles agree that during the Term they shall play their Major League spring training home games at the Major League Site, except for those spring training games played by the Orioles as it returns to Baltimore to open the Major League championship season (no more than five spring training games) or as otherwise may be scheduled by Major League Baseball (i.e., international goodwill games) or otherwise provided in this Agreement or the Project Documents. As part of the definitive Lease, the Orioles will enter into a binding and enforceable non-relocation agreement with the County that includes appropriate specific performance and injunctive relief provisions. Except as provided in Section 20 of this Agreement, during the Term, the Orioles shall not relocate its Major League and Minor League Spring Training Operations from the County.

4.2 Rent. The Rent for the Term shall be one dollar and 00/100 (\$1.00), payable in advance for the entire Term at the time of execution of the Lease.

4.3 Revenues Generated. Except as provided herein, the Orioles shall have the sole and exclusive right to all commercial activity on the Sites and to retain any and all proceeds, revenues and fees generated by or through the Orioles' use or occupancy of the Sites during the Term, including, but not limited to all revenues derived from all events at the Sites, all revenues from tickets, parking fees, promotions, sponsorships, advertising, signage, concessions, license fees, and all other sources of revenues. The Lease shall contain agreement(s) for the County use of Major League Site and the Minor League Site as referenced in Section 5 hereof. As to the Orioles' use of the Sites, the Orioles shall have the sole responsibility to pay all sales, use and federal income tax due with respect to revenues and fees that they collect or receive. With respect to the parcel(s) North of 12th Street, the Orioles shall have the right to seek to develop the parcel(s) and shall have the right to make an application(s) for a zoning category change, if necessary, or seek any other zoning mechanism to permit commercial activity on the parcel(s). Such application(s) shall be subject to all County and City processes, procedures, codes and ordinances and the approval(s) of the appropriate governmental entity(ies). The County shall have the right to approve any development proposal submitted by the Orioles.

5. LEASED PREMISES; USE AND OPERATION.

5.1 Major League Site. The County agrees to lease to the Orioles the Major League Site, including all improvements, fixtures and furnishings located or constructed thereon relating to any of the same for the duration of the Term for the Orioles' full beneficial use of and to the Site. The Orioles' right to utilize the Major League Site shall be on an exclusive basis during the Term for all lawful purposes, except as provided in Sections 5.4 and 5.5 herein but the Orioles shall have the exclusive right to use, on a year-round basis, the offices, clubhouse area and other locations on the Major League Site that may be constructed or renovated following the date hereof which may be designated by the Orioles as included in the Orioles' exclusive areas, subject to the County's approval, which may not be unreasonably withheld, conditioned or delayed. During the Spring Training Period, from December 15th to April 30th of each calendar year during the Term (the "Spring Training Period") except as otherwise provided in Section 5.4(a), the Orioles shall have the exclusive use of the Major League Site and may utilize the Major League Site for all lawful purposes.

5.2 Minor League Site. The County agrees to lease to the Orioles the Minor League Site, including all improvements, fixtures and furnishings located or constructed thereon relating to any of the same for the duration of the Term for the Orioles' full beneficial use of and to the Site. Except as otherwise provided in this Agreement, the Orioles shall have the right to utilize the Minor League Site on an exclusive basis for all lawful purposes, from January 15th to April 30th of each calendar year ("Minor League STP"), and on a non-exclusive basis (other than the Orioles' exclusive use areas as defined below, which are exclusive to the Orioles on a year-round basis) for all lawful purposes. During the Minor League STP, the Orioles shall have the full, beneficial and exclusive use of fields number 1 and 2 at all times and the non-exclusive use of fields number 3, 4 and 5 as provided in this Subsection. During the Minor League STP, fields number 3, 4 and 5 shall be exclusive to the Orioles at all times necessary, in the Orioles' reasonable discretion, to conduct its spring training operations. During the Minor League STP, the County may make fields number 3, 4 and 5 available for public recreational purposes with the Orioles' prior approval to each such use and the terms, conditions, dates and times of such use. The Orioles' approval as to any use request under this Subsection shall not be unreasonably withheld, conditioned or delayed. Any public recreational use authorized during the Minor League STP pursuant to this Subsection shall not (a) interfere with the Orioles' spring training baseball activities or (b) be permitted under weather or other conditions which would adversely impact the condition of any playing fields. The County shall require that all public recreation uses of the fields carry full and adequate insurances, naming the Orioles (and the County if appropriate) as a named insured and such other requirements as provided for in Sections 5.4 and 5.8. The Orioles agree that the County shall have the right to enter into an agreement with the high school team which has historically utilized field number 5 during the Spring Training Period for high school practices and games on terms, conditions, dates and times reasonably acceptable to the Orioles and consistent with current practices, this Subsection and Section 5.4. The high school team shall be authorized to display its logo and colors during high school practices, games and tournaments held on field number 5 and shall retain rights to the sponsor recognition signs along the inside face of the outfield fence provided that (i) any such sponsorship or signage does not conflict with an Orioles exclusive sponsorship; and (ii) the Orioles retain the right to also display signs. The Orioles shall have the exclusive right to use, on a year-round basis, the offices, clubhouse area and other locations (the "Team's Exclusive Minor League Areas") and

other areas on the Minor League Site that may be constructed or renovated following the date hereof which may be designated by the Orioles as included in the Team's Exclusive Minor League Areas, but not including the fields and public parking areas, subject to the County's approval, which may not be unreasonably withheld, conditioned or delayed. The subparcel of the Minor League Site set forth in Section 14 shall be, upon completion, deemed part of the Team's Exclusive Minor League Areas.

5.3 Orioles As Promoter of the Sites. During the Term, at all times, the Orioles shall be the "promoter" of the Major League Site and the Minor League Site for all lawful purposes, including all events conducted thereon or therein, except as expressly provided herein. The Orioles shall use commercially reasonable efforts to market the Sites actively during the Term. The Orioles shall be entitled to retain all "promoter" fees, if any, in connection with any for profit events at the Sites, except for Historical Events as defined in section 5.4(a) (unless the Orioles and the Historical Event party expressly agree otherwise).

5.4 Historical Events. The Orioles spring training operations, baseball-related events and other Orioles' beneficial uses of the Sites shall have priority scheduling status at all times on the Sites. The Parties acknowledge that the Sites have at times historically hosted certain events other than spring training operations and baseball-related events. The following shall be referred to as "Historical Events":

(a) Major League Site: (i) Booker High School – six (6) event day uses, including one (1) event use at the Major League Stadium; (ii) Cardinal Mooney High School – six (6) event day uses, including one (1) event use at the Major League Stadium; (iii) Sarasota Baseball Classic, provided that it is not scheduled between December 15th and April 7th in any calendar year; (iv) Florida High School Athletic Association State Baseball Championship Finals at the Major League Site provided that it is not scheduled between December 15th and April 7th in any calendar year and is held for no more than seven (7) consecutive days; (v) the City Blues Festival for three (3) consecutive days or less, provided it is held exclusively on the practice fields adjacent to the stadium, conducted in accordance with historical practice and further provided that City Blues Festival is held in October or the first week of November; (vi) the AAU 14 and under Division 1 National Championships, provided that it is scheduled in July or August; (vii) Circus Sarasota, provided that it is located on the parking parcel North of 12th Street, unless otherwise agreed by the Orioles and Circus Sarasota, and within the months of January and/or February and that it does not interfere with the Orioles' spring training events; and (viii) the Sarasota Spartans youth soccer program for limited use of the parking parcel North of 12th Street during the months August through November on a temporary basis, such temporary use not lasting more than four (4) years from the date of this Agreement. The Orioles shall accommodate the aforementioned Historical Events at the Major League Site (excluding the Orioles' exclusive use areas), under the terms and conditions provided in this Section and consistent with the Orioles' priority of use for spring training operations; and

(b) Minor League Site: During the Minor League STP, as provided in Section 5.2. At times other than during the Minor League STP, the County may utilize the Minor League Site (other than the Team's Exclusive Minor League Areas) for public recreational use under the terms and conditions of Section 5. The Orioles shall endeavor in good faith to work with the County and the community to accommodate the aforementioned Historical Events at the Minor

League Site (excluding the Team's Exclusive Minor League Areas), under the terms and conditions provided in this Section and consistent with the Orioles' priority of use for spring training operations.

(c) Other Uses: In addition to any other Orioles' uses of the Sites, the Orioles may, in its sole discretion, permit the use of the Sites for other historical events, including AAU baseball practices and games, or other historical events.

As to each Historical Event authorized in this Section, the Historical Event shall be conditioned upon the Historical Event party (which may be the County or a third party) obtaining the Orioles' prior approval as to the date and time of the requested Historical Event and entering into a contract with the Orioles for use of the Site requested, which contract shall include a requirement to carry full and adequate insurances, naming the Orioles (and the County as appropriate) as named insureds, provisions for the payment of all actual and incremental costs and expenses associated with the use and such other terms and conditions as may be reasonable or necessary. The Historical Event shall not be on dates and times that (a) interfere with the Orioles' baseball activities or (b) under such weather or other conditions which would adversely impact the condition of any playing fields. To the extent that tickets are sold for Historical Events that are for-profit, if any, the ticket surcharge shall be applicable to all such tickets, unless otherwise determined by the Orioles, in its sole discretion. Any Historical Event must be requested in writing to the Orioles annually prior to November 30th for the following twelve (12) month period. Should the Historical Event desire to propose the scheduling of a Historical Event under this Agreement other than as provided in the preceding sentence, the Historical Event shall propose such event to the Orioles for consideration and approval as soon as practicable and in a reasonable enough period of time to allow the Orioles full consideration of the request.

5.5 County Use of Major League Site. Other than as provided in Section 5.4(a) (with regard to Historical Events), the County may use or authorize for use the Major League Site for civic-oriented non-profit events for up to eight (8) days per year outside of the Orioles' Spring Training Period, as defined in Section 5.1 hereof, and only with the Orioles' prior written approval, not to be unreasonably withheld, conditioned or delayed, at no charge to the County other than for reimbursing the Orioles as provided in Section 5.8 below. The County may sublease its rights contained in this Section 5.5 to the City of Sarasota for City sponsored civic-oriented non-profit events, subject to the Orioles' approval of the third party contract or other agreement governing the event, which approval shall not be unreasonably withheld, conditioned or delayed. The Parties acknowledge that the Sites shall not be used on dates and times that (a) interfere with the Orioles' baseball activities and/or (b) under such weather or other conditions which would adversely impact the condition of any playing fields. The Orioles spring training operations, baseball-related events and other Orioles' beneficial uses of the Sites shall have priority scheduling status at all times on the Sites. For scheduling purposes and to avoid any interference with the Orioles' beneficial use of the Sites, the County shall annually, prior to November 30th of each year, provide the Orioles with a proposed schedule of any civic-oriented non-profit uses for following twelve (12) month period for which the County requests the Orioles' approval. Should the County desire to propose the scheduling of a permissible event under this Agreement other than as provided in the preceding sentence, the County shall propose such event to the Orioles for consideration and approval as soon as practicable and in a reasonable enough period of time to allow the Orioles full consideration of the request. The dates

and times during which the County may use the Major League Site shall be selected by mutual agreement of the Parties and the Orioles agree to take into consideration the historical practice of certain event dates which have been utilized for City and County sponsored events.

5.6 [Intentionally Omitted]

5.7 County Use of Minor League Site. The County may use or authorize for use the Minor League Site, excluding the Team's Exclusive Minor League Areas, in accordance with Section 5.4, for civic-oriented non-profit use subject to the prior approval of the Orioles, not to be unreasonably withheld, conditioned or delayed. The Orioles shall have scheduling priority for the use of the Minor League Site.

5.8 General Conditions of Use of the Sites. The County shall be responsible for the payment of all actual and incremental, out-of-pocket operating and maintenance expenses for all County-authorized civic and recreational uses of the Sites. The costs, reimbursements and expenses for Historical Events requested by third parties under Section 5.4 shall be the responsibility of the requesting party, in accordance with the terms and conditions provided in that section, unless otherwise agreed to by the Orioles. The County shall be responsible to restore the fields and related facilities to the condition at the time prior to such County-authorized civic or recreational use, so as to provide the Orioles with the full beneficial use of and to the Sites. To the extent that the Orioles incur costs or expenses to operate, maintain, repair or restore the Sites as a direct result of the County-authorized civic or recreational use of the Sites, the County shall reimburse the Orioles for such costs and expenses in a timely manner upon invoice. The County shall remain solely responsible for any damage or destruction that may occur as a direct result of such use by the County or its invitees or authorized parties. In accordance with the provisions of Section 5, the Orioles and the County shall enter in an event agreement(s) for any County-authorized use under Section 5.4 (as appropriate), Section 5.5 or Section 5.7 prior to such events setting forth the terms and conditions for such County use and further delineating the County's reimbursement obligations.

5.9 County's Right of Entry. The County reserves the right to enter any portion of the Sites upon reasonable prior notice to the Orioles, notwithstanding the exclusive right of the Orioles to use such portion, if in the reasonable judgment of the County, entry is necessary to inspect, repair or maintain the Site, or is necessary to protect the public health, safety or welfare.

5.10 Quiet Enjoyment. During the Term and subject to the terms of the Lease, the Orioles shall be entitled to peacefully have and enjoy the use of the Sites, without unreasonable interruption or interference, subject to the County's rights of use and access, as provided in this Agreement.

6. TICKET SALES; PARKING.

6.1 The Orioles shall set the ticket prices for all spring training games and other events at the Major League Site and the Minor League Site for which tickets are sold, other than as Historical Events and County (City or authorized public) civic-oriented non-profit events provided for in Section 5. The Orioles shall manage all ticketing operations, including ticket sales for all events at the Sites other than at Historical Events and County civic-oriented, non-

profit events, and the Orioles shall be entitled to receive all Gross Revenues from Ticket Sales collected by the Orioles on an annual basis during the Term. All Gross Revenues From Ticket Sales shall be the sole and exclusive property of the Orioles, except as provided for in Section 5 for County ticket sales from applicable County (or City or authorized public entity) sponsored events which shall be managed, sold, and belong to the County (or City or authorized public entity), and except for ticket sales from Historical Events. For purposes of this Agreement, "Gross Revenues From Ticket Sales" shall mean the total gross revenues from ticket sales less any taxes or charges imposed by Major League Baseball or any governmental, regulatory or taxing authority generally, included in the gross price of the ticket to the purchaser and required to be remitted by the Orioles as the portion of such receipts payable to the visiting team or to any such governmental, regulatory or taxing authority. The ticket surcharge provided for in Section 12 shall be charged and applicable on all tickets sold in connection with for-profit events at the Sites, whether Orioles, County or City sponsored events. The ticket surcharge provided for in Section 12 shall be charged and applicable on all tickets sold for profit historical events at the Sites, unless otherwise determined by the Orioles, in its sole discretion. The Parties agree that Gross Revenues from Ticket Sales shall also exclude and be reduced by the surcharge as described in Section 12. All ticket surcharges collected by the Orioles, County or City or any party authorized to utilize the Sites for which tickets are sold shall be deposited in a timely fashion in the Capital Repair and Improvements Fund established and described in Section 12.

6.2 The Orioles or its designee shall control the parking at the Sites, and without limiting anything contained in Section 4.3 above, the Orioles shall collect and retain all parking fees and related revenues derived therefrom, except for parking revenues from County (or City) sponsored civic-oriented non-profit events as provided for in Section 5.4, 5.5 and 5.7, for which the net revenues (after payment of applicable expenses as provided in Section 5.8, including any taxes or charges or payment to any parking operator(s) and reimbursement of incremental, out-of-pocket expenses in connection with the collection of parking revenues) shall belong to the County.

7. CONCESSIONS.

7.1 The Orioles shall control and receive all revenues from the sale of all foods, beverages, merchandise, novelties and logo items and the like, including, but not limited to, scorecards, yearbooks and novelty items carrying the logo or marks of the Orioles or of any other Major League team (collectively, commonly called "concessions") on the Major League Site and the Minor League Site. The Orioles shall be free to operate the concessions in-house or contract with a third party(ies) to operate such concessions on terms and conditions approved by the Orioles

7.2 No outside concessionaire or vendor shall be permitted on the Sites, including for a Historical Event, without the Orioles' prior written approval. For all authorized County (or City) uses of the Sites under Section 5.5, and for any Historical Events under Section 5.4, the County (or City) or Historical Event party shall use the Orioles' concessionaire for all food services unless the Orioles and/or the Orioles' concessionaire determine, in their sole discretion, not to provide concession services for the event. If the Orioles or its concessionaire determine not to provide such concession services, the County (or City) or Historical Event party may request that the Orioles' approve the use of a third party food service concessionaire on the Site to

service the event. The Orioles' written approval shall not be unreasonably withheld, conditioned or delayed. For all authorized County (or City) uses of the Sites under Section 5.5, the Orioles will endeavor to require in its food service concession agreements or extensions with its concessionaire that the concessionaire, if it agrees to provide food service for a County (or City) event pursuant to Section 5.5, that the concessionaire will consider entering into a revenue-sharing agreement with the County (or City) to share a portion of its profits, if any, with the County (or City) or provide a fair and reasonable discount for its food services. Any such profit sharing or discount shall be determined on a case-by-case basis and within the sole discretion of the Orioles and the Orioles' concessionaire. As to all such events pursuant to Section 5.5, the concessionaire may not charge the County (or City) more than its usual and customary food and service charges (but may charge less) associated with an Orioles event. In the event that the County (or City) or a Historical Event party under the terms and conditions of this Section, are permitted to use a third party concessionaire with the Orioles' approval and desire to use the Orioles' concessionaire's equipment or facilities, the County (or City) or Historical Event party shall enter into an agreement for such use with the Orioles and the Orioles' concessionaire on such terms and conditions as may be acceptable to the parties. The County shall notify the Orioles of any proposed County civic-oriented, non-profit events under Section 5.5 for which it desires that the Orioles' concessionaire provide concessions operations no less than fifteen (15) business days prior to the date of such event.

7.3 The County shall use its best efforts to ensure that all concession equipment, along with all furniture, fixtures and equipment, at the Major League Site and the Minor League Site that is County or City owned or is anticipated to be left by the current tenant is inventoried and conveyed to the benefit of the Project to the extent it is deemed by the Orioles to be beneficial to the Project, subject to the County's approval, not to be unreasonably withheld, conditioned or delayed.

8. SCOREBOARD AND NAMING RIGHTS.

8.1 The Orioles shall have all rights to sell or otherwise assign naming and/or presenting sponsorship rights to all or any portion of the Major League Site and the Minor League Site, including the Major League Stadium. The Parties acknowledge the Minor League Site is currently referred to as the Buck O'Neil Baseball Complex and the Orioles will endeavor to refer to the baseball complex as such in materials and publications. The Orioles shall obtain the County's consent only as to whether the County objects to the association of the County with the naming and/or presenting sponsor and contends that such association is materially adverse to the County and will damage its reputation or the public's interests. The Orioles agree that the name of a tobacco company or product will not be used. The County may not unreasonably withhold, condition or delay its consent to a naming rights or presenting sponsor.

8.2 The Orioles shall control the scoreboard message center (the "Scoreboard"), the sound, public address and related systems at the Sites (collectively, the "AV Information Systems") for any and all events at the Sites during the Term. The Orioles will work cooperatively with the County to include a limited number of public service announcements and announcements of County programs and civic-oriented events at Orioles' events. The Orioles' personnel or designee shall operate all AV Information Systems at all times during the Term unless the Orioles agree otherwise; however, during Historical Events or County (or City) or

authorized public) civic-oriented non-profit events, and subject to the Orioles' right and obligation to operate the AV Information Systems, the County shall have the right to determine the audio content and sell temporary event day only electronic message advertising on the Scoreboard content display. If Orioles personnel are utilized to operate the AV Information Systems, the Orioles shall be reimbursed for such actual incremental, out-of-pocket costs and expenses and other applicable expenses as provided in Section 5.8. Without limiting the foregoing, in no event may the County sell any temporary event day electronic message advertising on the Scoreboard content display to an entity if the sale or content of such electronic advertising would cause the Orioles to breach any exclusivity granted to a naming rights, presenting sponsor or any exclusive Orioles' sponsor.

9. BROADCASTING.

9.1 The County will cooperate with the Orioles in identifying locations and available connectivity of commercial fiber, cabling, electrical, communications data transmission systems and the nearest head-ends (the "Broadcast Interface Equipment") in order for the Orioles to broadcast games played by the Orioles during the Term. The Orioles shall be responsible for all connectivity charges or fees payable to the vendor or utility. The County shall not charge the Orioles any fees or connectivity charges and the Orioles shall be permitted to use available easements on the Sites for connectivity purposes.

9.2 The Orioles shall have the exclusive broadcasting rights for all events at the Sites, other than as provided in this Subsection during the Term and all revenues derived therefrom shall be the property of the Orioles, including but not limited to all park and power fees and other charges levied upon visiting teams or for or in connection with other productions year-round. The Orioles shall have all rights to determine the content of any Orioles' broadcast and the Orioles shall have all rights to sell any advertising on any Orioles' broadcast during the Term. Subject to the rights of third parties, the Orioles shall have a fully-paid, transferable, license to broadcast and re-broadcast worldwide in perpetuity, images, photographs, audio and audio/visual recordings of all events of and from the Sites. The County shall have the non-exclusive right to broadcast the Historical Events and the approved County (or City or authorized public) civic-oriented non-profit events at the Sites utilizing its broadcasting equipment and personnel or, upon mutually acceptable terms, the Orioles' broadcasting equipment and personnel. Subject to the rights of third parties, the Orioles may broadcast any of the Historical Events or County (or City or authorized public) civic-oriented non-profit events from the Sites at its discretion.

10. PROMOTION AND TOURISM.

10.1 The Orioles acknowledge that the County is undertaking a substantial financial responsibility to fund portions of the Project. The Orioles and County agree to develop an ongoing promotional relationship for the purpose of promoting Sarasota County and the Greater Sarasota County region as a desirable and attractive year-round vacation and meeting destination venue and for the promotion of the Orioles' spring training games and ticket sales related thereto. The Orioles shall make available on an annual basis after consultation with the Sarasota Convention and Visitor's Board and the Sarasota Tourism Development Council, certain promotional and tourism opportunities set forth in Exhibit 4. The Parties shall meet on an annual basis to review and amend Exhibit 4 as may be mutually agreeable from time to time.

10.2 The parties acknowledge that the Minor League Site is located at County-owned Twin Lakes Park which contains identifying signage and will continue to do so. To the extent permitted by Major League Baseball rules and regulations, the Orioles will provide the County with certain limited use rights as to the Orioles' marks and logos, subject to the Orioles' prior written approval in each instance, which will allow the County to promote its partnership with the Orioles at the Sites and on County literature and advertisements.

10.3 The Orioles shall provide the County with ten (10) prime location tickets (in groups of two (2) and four (4)), as determined by the Orioles, for all games and events at the Major League Site free of charge throughout the Term. In addition, the Orioles shall provide the County with event tickets for all seats in a luxury suite for up to four (4) Orioles spring training games per year; provided, however, that the suites have not been sold to a corporate or other purchaser and are available for the Orioles use and assignment. The County shall also be provided at no cost with adequate, preferred parking for all events for which tickets have been provided. The luxury suite, tickets and parking provided hereunder shall be used for tourism promotion and economic development purposes. The surcharge provided in Section 12 shall not be applicable to any complimentary event tickets or any tickets for which no payment is made by the County or other third party.

11. OPERATIONS AND MAINTENANCE.

11.1 Except as to Historical Events and County (or City or authorized public) civic-oriented non-profit events and as provided in Section 5.8, the Orioles, as lessee of the Sites, shall be responsible solely for payment of all operating expenses and routine maintenance and repairs of the Sites during the Term. The Orioles shall operate the Sites in a safe, clean, attractive, and first class manner comparable to that of other Major League Baseball spring training and minor league facilities and shall provide on-Site fire, EMS, police and traffic control for games and other events at the Major League Site under the Orioles' control as may be necessary. The County shall be responsible to provide such on-Site fire, EMS, police and traffic control for all County civic-oriented, non-profit events as may be necessary. Throughout the Term and except as otherwise expressly provided herein, the Orioles shall be responsible for and provide all cleaning and operational maintenance services for the Sites, including the playing and practice fields located thereon, in conformity with the practices of Major League Baseball spring training facilities and Major League Baseball standards, rules and regulations. For purposes of this Agreement, operating expenses and routine maintenance and repair services shall mean those ordinary cleaning, maintenance and ordinary repair services necessary to keep the Sites in first class, good and working condition and are ordinary and recurring expenses for current repair and maintenance that do not improve an asset or add to its useful life and that are not treated as capital expenses for federal income tax purposes. The County shall have no responsibility for any operating or routine maintenance or repair expenses for the Sites except as related to County civic-oriented, non-profit events or County approved recreational events pursuant to Section 5 or in connection with Section 18. The requesting party for Historical Events shall be responsible for any operating or routine maintenance or repair expenses for such Historical Events which shall be included in the contract described in Section 5.4 above, unless otherwise agreed by the Orioles. In the event that the County utilizes the Sites or authorizes their use, in whole or in part, the County shall be responsible to maintain and repair the fields and related facilities to the condition

prior to the time of County use, so as to provide the Orioles with the full beneficial use of and to the Sites. To the extent that the Orioles incur costs or expenses to maintain or repair the Sites as a direct result of the County's use of the Sites, the County shall reimburse the Orioles for all actual incremental, out-of-pocket costs and expenses associated therewith and other applicable expenses as provided in Section 5.8, in a timely manner upon invoice.

12. CAPITAL REPAIR AND IMPROVEMENTS FUND.

12.1 The County shall establish, administer and maintain a Capital Repair and Improvements Fund in an interest bearing account dedicated for the exclusive benefit of the Sites for the purposes expressed in this Section.

12.2 The Parties acknowledge that during the Term there will be capital repair and improvement items necessary to maintain or preserve the condition, structural integrity, safety or functionality of the Sites or to address physical obsolescence. Physical obsolescence means that the structure, foundation, surface, components, systems, fixtures or condition: (i) no longer adequately functions for the purposes for which it was intended, (ii) is dysfunctional in whole or in part, or (iii) poses a hazard to the public's accommodation. The Capital Repair and Improvements Fund shall not be used for the Orioles' general operations and routine maintenance and ordinary repair obligations or for any County (or City) obligations to reimburse the Orioles or pay for costs and expenses associated with the County's (or City's) use of the Sites or the use of the Sites by the public. This Fund is intended only for capital repairs and improvements as expressed in this Section, and which would customarily be treated as a capital item for federal income tax purposes. Capital repairs and improvements shall include all expenditures for a fixed asset, or which extends the useful life longer than one (1) year or adds value to or increases the usefulness or productivity of an existing asset.

12.3 The Capital Repair and Improvements Fund shall be funded by annual contributions from each of the Parties in accordance with the following schedule:

<u>For the Years</u>	<u>Annual Contribution</u>
2011 through 2015	\$125,000
2016 through 2020	150,000
2021 through 2025	175,000
2026 through 2030	200,000
2031 through 2035	225,000
2036 through 2039	250,000

12.3.1 A surcharge upon all Orioles game tickets sold and all other for-profit ticketed events conducted at the Sites shall be considered a contribution to the Capital Repair and Improvements Fund as if made by the Orioles directly:

12.3.1.A For all tickets with a face value of \$5.00 or less, the ticket surcharge shall be fifty (50) cents per ticket sold.

12.3.1.B For all tickets with a face value in excess of \$5.00 but less than \$10.00, the ticket surcharge shall be \$1.25 per ticket sold.

12.3.1.C For all tickets with a face value of \$10.00 or more but less than \$20.00, the surcharge shall be \$1.75 per ticket sold.

12.3.1.D For all tickets with a face value of \$20.00 or more but less than \$30.00, the surcharge shall be \$2.00 per ticket sold.

12.3.1.E For all tickets with a face value of \$30.00 or more, the surcharge shall be \$2.50 per ticket sold.

12.3.2 In any year, the Orioles shall have the sole right to charge or modify the ticket surcharge in its sole judgment.

12.3.3 Notwithstanding the foregoing, if the amount of the annual surcharge collected is: (A) less than the Orioles' Annual Contribution, the Orioles shall contribute the difference to the Capital Repair and Improvements Fund; (B) more than the Orioles' Annual Contribution, the amount of such excess shall not be credited toward its Annual Contribution for any other year.

12.4 Contributions to the Capital Repair and Improvements Fund shall be made by the County and the Orioles no later than January 15 of each year for the preceding year. No expenditures may be made from the Capital Repair and Improvements Fund without the prior approval of both the County and the Orioles.

12.5 All interest accruing on the Capital Repair and Improvements Fund shall be added to the Fund and available for Fund purposes.

12.6 The Orioles and the County shall jointly review the Fund balance on an annual basis. Beginning in the fifth (5th) year after substantial completion of the Project and every five (5) years thereafter, the Parties shall conduct an independent structural and engineering analysis of the Sites. The cost of such analysis shall be paid from the Capital Repair and Improvements Fund. To the extent that the structural and engineering analysis provided for in this Section 12.6 identifies a material structural or engineering condition that should be addressed by this Section, the Capital Repair and Improvements Fund will be made available to the extent that the Orioles and the County agree to authorize those repairs or improvements.

12.7 The County and the Orioles shall annually cooperatively develop a rolling five (5) year capital repairs and improvement plan for the Sites. The Orioles shall submit to the County, on or before June 1 of each year, a proposed budget of anticipated capital repairs and capital improvements for the succeeding year. The proposed budget shall include a detailed statement of the reason for and cost of proposed capital expenditures. The County shall review the proposed budget and notify the Orioles on or before August 1 of the same year whether it has approved all or any portion thereof, which approval will not be unreasonably withheld, conditioned or delayed. In the event of an emergency requiring a capital expenditure or other capital expenditure deemed necessary by the Orioles but not included in the budget, the Orioles shall promptly notify the

County after discovery of the emergency or need for the capital expenditure, and the Orioles and the County shall work cooperatively together in good faith to address the need for the capital expenditure.

12.8 The County shall be responsible for identification of funding sources and the timely payment of all approved capital expenditures that cannot be paid out of the then-remaining balance in the Capital Repair and Improvements Fund. The Orioles acknowledge that any such payment by the County is subject to appropriation and approval by the County Commissioners.

12.9 The Orioles, with the cooperation of the County, shall supervise the making of all capital repairs and improvements to the Sites.

12.10 Notwithstanding anything provided in this Section 12, the insurances required in Section 16 of this Agreement shall be maintained in full force and effect.

13. FUTURE IMPROVEMENTS.

13.1 Subject to the applicable provisions of Section 4.3 hereof, the Orioles may develop and construct additional improvements on the Sites during the Term which are permitted by the zoning on the Sites, and any such improvements shall immediately be subject to the Lease. The Orioles shall prepare and provide to the County a plan showing such additional improvements, an estimate of the cost of the improvements and the Orioles commitment to pay for and a funding plan for such improvements prior to construction. The County shall have the right to review and approve all such improvements, such approval not to be unreasonably withheld, conditioned or delayed. The development and construction of any such additional improvements on the Sites during the Term shall be completed by the Orioles in accordance with applicable law.

14. YOUTH BASEBALL ACADEMY AND FACILITIES.

14.1 The Parties acknowledge that it is mutually beneficial to facilitate the establishment of a youth baseball academy and youth tournaments, serving both the Greater Sarasota County region and players and teams from other areas. The Orioles and Ripken Baseball have expressed a desire and are willing to locate a Cal Ripken Youth Baseball Academy and youth tournaments at the Minor League Site. The County has agreed to permit the Orioles to sublease or co-locate a portion of the Minor League Site (as identified on the preliminary Site sketch attached hereto as Exhibit 2) as a possible and acceptable location for the youth baseball academy, facilities and fields and the County has agreed to provide said area to the Orioles for such purposes as a cleared and leveled portion of the parcel. The County consents to the development and use of the aforementioned areas for all such fields and facilities as may be necessary and appropriate for the full and beneficial use of those areas for a youth baseball academy and youth tournaments. The Orioles and/or Ripken Baseball with review and approval of the County, which shall not be unreasonably withheld, conditioned or delayed, shall have full rights to the design and architectural style of the fields and facilities. The timing of the development and construction of the youth fields and facilities is dependent upon raising the necessary funds to proceed with the project. Notwithstanding the preceding sentence, the Orioles and Ripken Baseball will commit to provide a commercially reasonable level of youth baseball activities in the Greater Sarasota County region pending the establishment and construction of the

youth baseball fields and facilities and the availability of requisite fields and facilities. The development and construction of youth baseball facilities pursuant to this Section shall be subject to the provisions of Section 13 hereof.

15. NO IMPACT FEES.

15.1 To the extent legally permissible, the Orioles shall not be responsible for the payment of any road impact fees, justice impact fees and general government impact fees in connection with the development or use of the Project.

16. INSURANCE.

16.1 Orioles Insurance Requirements. The Orioles shall procure and maintain, during the term of this Agreement and the Project Documents, insurance as listed below. The policies of insurance shall be primary and written on forms acceptable to the County and placed with insurance carriers approved and licensed by the Insurance Department in the State of Florida and meet a minimum financial AM Best Company rating of no less than "A-Excellent". No changes are to be made to these specifications without prior written specific approval by the County's Risk Management Department.

Commercial General Liability: Including but not limited to bodily injury, property damage, contractual, products and completed operations and personal injury with limits of not less than \$1,000,000 each occurrence and carry such umbrella liability coverage as the Orioles deem appropriate.

Business Automobile Liability: Orioles shall agree to maintain Business Automobile Liability insurance as required by law.

Worker's Compensation Insurance: Orioles shall agree to maintain Workers' Compensation insurance as required by law.

Property Insurance: The Orioles shall be responsible to provide property insurance to ensure against damage or destruction to the Orioles' furnishings and equipment and personal property located at the Sites.

The County shall retain the right to review certificates, declarations and policies of insurance, at any time, in order to confirm coverage, form, and amount of insurance in accordance with this Agreement. The County shall be named as an additional insured on all Orioles' policies of insurance under this Agreement and the Project Documents.

Notices of Accidents (occurrences) and Notices of Claims associated with this Agreement shall be provided to the Orioles insurance company and County Risk Management as soon as practicable after notice to the insured.

16.2 County Insurance Requirements. The County shall procure and maintain, during the term of this Agreement and the Project Documents insurance as listed below.

Commercial General Liability: The County is self-insured for all liability claims and related expenses pursuant to the provisions of Florida Statute 768.28.

Property Insurance: The County shall maintain in force, at its expense the types and amounts of property insurance, including boiler and machinery insurance, as necessary to cover the full replacement value of the Sites. The County shall provide a copy of the Certificate of Insurance listing the Orioles as the additional insured. The property insurance shall insure against damage or destruction to any components of the Sites, providing "all risk" peril coverage, including coverage against hurricane, flood, sewer backup and earthquake. In the event of a loss or damage as described above, the County shall be responsible to retain a project manager to obtain an inspection and estimation of damages and repair and/or replacement costs to bring the Sites to their pre-loss condition in a timely and efficient manner. The County shall promptly report in a timely manner all claims and shall pay all deductibles in connection with such claim. Insurance proceeds recovered from submitted property damage claims for the Sites pursuant to this Section shall be placed in a joint escrow account and used to repair or rebuild the Sites and the County shall be obligated to promptly restore the Sites to its original or better condition. In the event that the insurance proceeds are insufficient to repair and restore the Sites to their previous pre-loss or substantially similar condition, the Orioles shall have no obligation to utilize its own funds to repair or restore the Sites. In the event the County determines that the Major League Site and/or the Minor League Site should not be repaired, the Orioles are entitled to immediate termination of this Agreement, and the Project Documents or any portion thereof (e.g. termination of the Major League Site but not the Minor League Site) without penalty. In the event the Orioles elect to terminate this Agreement and the Project Documents, there shall be an abatement of all monies due hereunder from the date of unavailability. The County, as applicable, shall be required to immediately notify its insurance carrier(s) in the event of any loss and shall promptly submit all claims, and all insurance proceeds of such policies paid for property damage to the Sites shall be for the benefit of the Sites and the Orioles and promptly applied to the repair, replacement and refurbishment and restoration of the Sites, and in accordance with the procedures established by the County and the Orioles and/or its designees for the initial construction of the Project, unless otherwise agreed upon by the County and the Orioles.

17. ENVIRONMENTAL.

17.1 The Major League Site has been used for Major League Spring Training for more than twenty (20) years. Portions of the Major League Site were used as a landfill and asphalt plant in the past. The Major League Site is the subject of a consent order between the City and the Florida Department of Environmental Protection. The Interlocal Agreement with the City obligates the City, as set forth in the consent order, to continue to perform its environmental monitoring, reporting and other requirements under applicable environmental laws, following transfer of title to the Sports Complex to the County. It is contemplated that the City will need to enter into an amendment to the consent order providing for the closeout of the consent order. If it is determined that the Major League Site cannot be used as depicted on the preliminary project plans or that the Site presents a potential hazard to the public's health and safety or if the State of Florida or any other governmental agency requires remediation efforts, then the Orioles and the

County shall discuss funding the remediation costs, and if no agreement is reached prior to commencement of construction on the Major League Site, the Orioles shall have the right, in its sole discretion, to terminate this Agreement upon thirty (30) days written notice to the County.

18. DISASTER PREPAREDNESS/SHELTER.

18.1 The Sites may be used, in areas agreed upon by the Parties, for emergency response personnel and equipment, debris and debris-removal equipment for natural disaster preparations, response, and potential shelter. In the event the County uses the Sites pursuant to this Section, the County agrees to completely remove all disaster/hurricane-related debris and materials from the Sites and take such other remedial action as may be necessary within a reasonable period of time prior to the Spring Training Period so as to allow the Orioles full beneficial use of and to the Sites. The County shall be responsible for all damage, clean-up, maintenance, repairs and costs and expenses in connection with the use of the Sites for disaster purposes, and the County shall promptly clean up, repair and restore the Sites, all at no cost or liability to the Orioles. Notwithstanding anything in this Agreement to the contrary, the County shall be responsible for any liability arising out of or in connection with the County's (and its invitees) or the public's use of the Sites pursuant to this Section and the County agrees to indemnify, defend and hold the Orioles and its officers, directors, partners, employees, agents and representatives harmless in connection with such use of the Sites by the County (and its invitees) or the public.

19. TAXES; AVAILABILITY OF ADDITIONAL STATE FUNDS.

19.1 The County represents that (1) it shall acquire from the City and shall continue to have throughout the Term, all ownership interests in the Major League Site, (2) as of the date hereof, it has and shall continue to have throughout the Term, all ownership interests in the Minor League Site, (3) as such, has the full authority to grant the Orioles the rights provided hereunder, and (4) this Agreement has been entered into for the public purpose of promoting tourism, gainful employment and economic growth in Sarasota County and the State of Florida. It is the intent and understanding of the Parties that the leasehold interest to be held by the Orioles pursuant to the Lease shall be immune from Property Taxes, including ad valorem taxation for long as such constitutional immunity remains in effect.

19.2 For purposes of this Agreement, "Property Taxes" shall mean all ad valorem taxes, real estate taxes and assessments or payments in lieu of real estate taxes which are levied against the Lease and/or the Sites (and any improvements thereon), including all general and special taxes levied by the County, the City or any political subdivision or taxing authority of the County or the City or the State of Florida, including but not limited to school districts, or transit authorities, so long as such tax is based upon or measured by the valuation of the land, the improvements (including the Project), or any of their respective leasing arrangements.

19.3 If the Orioles and/or its designees may be eligible for any tax benefits, exemptions, abatements, credits, grants or other refunds the County shall cooperate with the Orioles in pursuing such.

19.4 The County and the Orioles shall each use their best efforts to obtain additional funds from the State of Florida, authorized for the use of spring training facilities construction or renovation, for economic development, tourism, disaster relief or staging, hurricane hardening purposes and/or any other purpose that can be made available for the Sites in connection with the Orioles' use and occupancy thereof and to dedicate such additional funds to the Capital Repair and Improvements Fund.

20. FORCE MAJEURE.

20.1 Neither party hereto shall be liable for any delay or failure in the performance of any obligation under this Agreement or the Project Documents or for any loss or damage (including indirect or consequential damage) to the extent that such nonperformance, delay, loss or damage results from any "Force Majeure". For purposes of this Agreement, a "Force Majeure" shall mean and include without limitation, any fire, flood, explosion, damage by third parties whether negligently or intentionally caused, acts of God or Nature or other casualties, strikes (including, without limitation, any strike by the Major League Baseball Players Association), lockouts (including, without limitation, any lockout by the League), work stoppages, picketing or other concerted action by any employees or any labor organization, national emergency or state of war, the laws or actions of any governmental authority, or any other event or cause that is beyond the control of the Parties. Notwithstanding anything contained in this provision, a strike by the MLBPA or lockout by the League will not be a Force Majeure event with respect to the Project Development Agreement.

Without limiting any remedies available at law or in equity, in the event the purposes of this Agreement and/or the Project Documents are frustrated as a result of the actions, rulings, determinations, findings, orders, judgments or directives of any state or federal or other governmental agency or as a result of the actions of third parties in connection with, relating to, or arising from, the existence of any hazardous materials on, in, under, affecting or emanating from all or any portion of: (1) the real property located at 12th Street and Tuttle which has historically been used as a Major League Spring Training facility and includes training facilities, practice fields, clubhouses, offices, the "Ed Smith Stadium" and other improvements and fixtures located thereon, and/or (2) the real property located North of 12th Street and South of 17th Street and the corner parcel North of 12th Street (the "Major League Site") which may cause (i) substantial and material delay to the Project, (ii) substantial and material additional costs to the Project, (iii) substantially and materially restrict or prohibit the Project or its substantial completion or (iv) in any other way substantially and materially frustrates the purposes of this Agreement and/or the Project Documents, then the Orioles and the County shall discuss such situation, and if no mutually acceptable agreement is reached between the Parties to resolve the situation, then either Party shall have the right to terminate this Agreement and the Project Documents upon thirty (30) days written notice to the other Party; provided that, any Party may submit this matter to binding arbitration, which arbitration must be requested, conducted and fully concluded within sixty (60) days of the written notice of termination, solely as to the issue of whether that Party's termination was reasonable under the facts and circumstances, including the purposes of this Agreement and the Project Documents and based upon the delay, additional costs, restriction or prohibition as expressed in this Section.

20.2 If as a result of any Force Majeure the Sites are unavailable for Spring Training in any of the years during the Term, this Agreement and the Project Documents shall be regarded as suspended for the period of unavailability without liability to either Party so long as the period of unavailability is no more than two (2) consecutive Spring Training Periods during the Term. If the Sites shall be unavailable for two (2) consecutive Spring Training Periods during the Term, the Orioles shall have the right to terminate this Agreement and the Project Documents without any further liability to the County. To the extent that the Sites are unavailable for a Spring Training Period, the County shall use its best efforts to assist the Orioles in securing, at no cost to the Orioles, suitable facilities in the County to conduct its Spring Training Operations. If no suitable facilities are available, in the Orioles' sole discretion, the Orioles may locate its Spring Training Operations at facilities outside the County and the Orioles shall be relieved of all obligations under this Agreement and the Project Documents for such period.

21. DEFAULT, REMEDIES AND TERMINATION.

21.1 If either Party hereto (the "Defaulting Party") shall fail to perform any of its obligations under this Agreement or any of the Project Documents, then the Party not in default (the "Non-Defaulting Party") shall provide notice of such failure to the Defaulting Party and afford the Defaulting Party a grace period to cure said failure, as follows:

21.1.1 Where a grace period is specifically provided, that specific grace period shall apply.

21.1.2 Where a grace period is not specifically provided, the Defaulting Party shall afford the Non-Defaulting Party a grace period of: (i) five (5) business days to cure monetary failure; and (ii) thirty (30) days to cure any non-monetary default; provided, however, that if any non-monetary failure cannot be cured within such thirty (30) day period, the Defaulting Party shall be afforded such additional time as shall be reasonably required to cure such failure, if the Defaulting Party has commenced the appropriate cure within said initial thirty (30) day period and thereafter proceeds with reasonable diligence to cure said failure.

21.1.3 If any failure to perform shall not have been cured by the expiration of the applicable grace period, then a "Default" shall be deemed to have occurred and the Non-Defaulting Party shall have the rights and remedies set forth in Section 21.2 below.

21.2. If a Default shall occur, the Non-Defaulting Party shall have the right (but not the obligation to cure such default on behalf of the Defaulting Party, in which event the Defaulting Party shall immediately reimburse the Non-Defaulting Party for all sums paid by it to effect such cure, together with interest thereon at the annual rate of interest equal to the prime rate of interest charged by the County's primary financial institution to its commercial customers with the highest credit rating plus one and one-half percent ("the Default Rate").

21.3 County Termination. The County may terminate this Agreement or any of the Project Documents upon thirty (30) days prior written notice to the Orioles of any of the following events (collectively hereinafter referred to as the "Orioles Defaults"):

21.3.1 If the Orioles desert or vacate one or both of the Sites;

21.3.2 If, by order of a competent authority, a receiver, liquidator or trustee of the Orioles shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days after the making of such order, or if by decree of such authority the Orioles shall be adjudicated or determined to be bankrupt or insolvent, or if the Orioles shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;

21.3.3 If the Orioles fail to make any payments to the County pursuant to this Agreement or any of the Project Documents within sixty (60) days following written notice of such payment Default; provided however, the Orioles shall have the right to withhold any amounts disputed in good faith until the settlement of any such dispute; or

21.3.4 If the Orioles breach any material provision, agreement or obligation under this Agreement or any of the Project Documents, that is not cured within sixty (60) days after notice of such Default; provided, however, that if such Default cannot be cured within such sixty (60) day period, but the Default is capable of cure within a reasonable period of time which is acceptable to the County, and the Orioles diligently pursue such cure, the Orioles shall be allowed such agreed upon time period to cure such Default.

21.4 Orioles Termination. In addition to the termination rights contained elsewhere in this Agreement, the Orioles may terminate this Agreement or any of the Project Documents upon thirty (30) days prior written notice to the County of any of the following events (collectively hereinafter referred to as the "County Defaults"):

21.4.1 If, by order of a competent authority, a receiver, liquidator or trustee of the County shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days of the making of such order, or if by decree of such authority the County shall be adjudicated or determined to be bankrupt or insolvent, or if the County shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;

21.4.2 If the County fails to make any required payments or deposits to the Governmental Project Fund, Construction Fund Account or the Capital Repair and Improvements Fund or fails to make any payments to the Orioles pursuant to this Agreement or any of the Project Documents within sixty (60) days following written notice of such payment Default; provided, however, the County shall have the right to withhold any amounts disputed in good faith until the settlement of any such dispute; or

21.4.3 If the County breaches any material provision, agreement or obligation under this Agreement or any of the Project Documents that is not cured within sixty (60) days after notice of such Default; provided, however, that if such Default cannot be cured within such sixty (60) day period, but the Default is capable of cure within a reasonable period of time which is acceptable to the Orioles, and the County diligently pursues such cure, the County shall be allowed such agreed upon time period to cure such Default.

21.5 Cumulative Rights. The remedies heretofore described in this Section 21 shall be in addition to any other remedy the Non-Defaulting Party may have at law or in equity in the event of a Default, including without limitation:

21.5.1 An action to recover monies then due and owing from the Defaulting Party, together with interest thereon at the Default Rate, from the date on which such monies were due;

21.5.2 An action for specific performance of non-monetary covenants and agreements on the part of the Defaulting Party; and/or

21.5.3 An action for recovery of all actual losses, costs and reasonable attorneys' fees incurred by the Non-Defaulting Party in connection with, arising out of or in any way related to the Default.

21.6 Injunctive Relief. Without limiting any other remedies of the County on account of a Default by the Orioles available in accordance with Section 23 of this Agreement, the County will be irreparably harmed if the Orioles violate the Lease by the transfer, move or other relocation of the Orioles' spring training activities to locations other than the Sites during the Term otherwise than as provided or permitted by this Agreement or the Project Documents. Accordingly, the Orioles hereby agree that in the event of such a violation or threatened violation of the Lease, the County shall be entitled to seek and obtain a temporary restraining order, together with preliminary and permanent injunctive relief, from any court of competent jurisdiction to enjoin any such violation or threatened violation. The Orioles waive any requirement that the County post a bond or other security in connection with such injunctive relief. In the event of such attempted or actual transfer, move or other relocation of the Orioles' spring training activities to, or the playing of Home Games at, any location other than the Sites, the County is not able to obtain the injunctive relief provided for in this Section 21.6, the County shall be entitled, at its option, to seek monetary damages.

22. NOTICES.

22.1 All notices and other communications required or permitted to be given under this Agreement and the Project Documents shall be in writing, and shall be hand-delivered, sent overnight delivery by a reputable overnight delivery carrier or mailed by United States registered or certified mail, return receipt requested, postage prepaid, to the address set forth below:

If to the County: Sarasota County
 1660 Ringling Boulevard, 2nd Floor
 Sarasota, Florida 34236

or to such other address or telephone number as a Party may notify the other Party in writing. Notices hand-delivered in accordance with this provision shall be deemed to have been received on the date so hand-delivered, notices sent overnight delivery shall be deemed to have been received one (1) day after the date provided to such carrier, and notices sent via U.S. mail shall be deemed to have been received three (3) days after the date so mailed.

23. DISPUTE RESOLUTION.

23.1 The Parties acknowledge that their rights and responsibilities under this Agreement and the Project Documents involve coordination and cooperation with respect to the design, development and construction of, and capital repairs and improvements to, the Project. Accordingly, the Parties agree that it would be to their mutual benefit to establish a dispute resolution process to deal with any dispute arising out of this Agreement or the Project Documents.

23.2 The Parties agree to attempt to settle any dispute or controversy that may arise between the Parties regarding any provision or obligation set forth in this Agreement or the Project Documents by non binding mediation.

23.3 If the Parties are unable to resolve any dispute with respect to the design, development and construction of, and capital repairs or improvements to, the Project or with respect to the Parties' obligations to finalize and execute the Project Documents, the matter in

dispute shall be submitted to binding arbitration under the Arbitration Laws of the State of Florida (Chapter 682, Florida Statutes) in accordance with applicable Commercial Arbitration Rules of the American Arbitration Association ("AAA") then in effect. The venue of the arbitration may be in Sarasota County. The arbitration shall be expedited to completion within ninety (90) days after notice of electing to arbitrate sent by one Party to the other Party. Both Parties shall agree in good faith to cooperate and facilitate the completion of the arbitration within said ninety (90) day period. In the event the Parties are unable to agree on a single arbitrator within thirty (30) days of the notice of electing to arbitrate, each Party shall within ten (10) business days thereafter select an arbitrator from a panel of eligible arbitrators provided by AAA and thereafter the two selected arbitrators shall select a third arbitrator. After all the evidence has been presented and the hearing has concluded, the Arbitrator(s) shall issue an award, in writing, within thirty (30) days. A judgment upon that award shall be enforceable in any court having jurisdiction of such matters in the State of Florida.

24. TRANSFER OF THE SITES.

24.1 The County represents, warrants and covenants that no part of the Sites will be sold, assigned or transferred by the County during the Term and the County shall not take (or refrain from taking) any action to restrict or condition, and shall not be permitted to sell or otherwise transfer, any portion of the Sites to any unaffiliated third party, without the prior written approval of the Orioles, which may be granted or withheld in the Orioles' sole discretion. If the Orioles approve the sale or transfer of any portion of the Sites, such County purchaser and/or transferee shall be obligated to perform in accordance with the terms of this Agreement and the Project Documents, including all the obligations, duties and responsibilities of the County contained therein, and such purchaser and/or transferee shall explicitly assume in writing all such obligations, duties and responsibilities. Further, if at any time during the Term, with the prior written approval of the Orioles, the County offers to sell the Sites, or any portion thereof, to an unaffiliated third party, the Orioles shall have a right of first refusal to purchase the Sites, or portion thereof at the price acceptable to such unaffiliated third party.

25. CONDITIONS TO THE EFFECTIVENESS OF THIS AGREEMENT.

25.1 Notwithstanding any provision of this Agreement to the contrary, the effectiveness of this Agreement is expressly conditioned upon the certification by the State of Florida of the Sites as a retained spring training facility for which funding under Section 288.1162FS has been approved and all necessary funds under the aforementioned Florida statutes are committed by the State Office of Tourism, Trade and Economic Development ("OTTED") to be released or continue to be released to the City for the benefit of the Project. All approvals and commitments as to the funding or continuation of funding under this Section shall be confirmed in writing by OTTED within seven (7) days after the satisfaction of all conditions set forth in the OTTED letter dated July 17, 2009 to the Sarasota County Commission Chairman as a condition precedent to the effectiveness of this Agreement.

25.2 Notwithstanding any provision of this Agreement to the contrary, the effectiveness of this Agreement is expressly conditioned upon the receipt by the Parties from the City of an environmental indemnity in form and substance satisfactory to the Parties within seven (7) days after the date of this Agreement.

26. MISCELLANEOUS.

26.1 Amendments. This Agreement may not be changed, modified, or discharged orally, but only by an instrument in writing signed by the Parties.

26.2 Binding Effect. This Agreement shall be binding upon and inure to the benefit of each of the Parties, and each of their respective successors. The Parties by executing this Agreement represent and warrant to each other that they have the full authority to enter into this Agreement and to bind such Parties to its terms and conditions.

26.3 Conflicting Agreements. Each Party represents and warrants to the other Party that the execution of this Agreement and the performance of its obligations hereunder will not breach or be in conflict with any other agreement to which it may be a Party or may be bound.

26.4 Construction. The Parties hereby acknowledge that this Agreement is the product of negotiation between the Parties and/or their respective legal counsel and that no provision of this Agreement shall be construed against a Party solely because that Party or that Party's counsel drafted such provision.

26.5 Exhibits; Headings. The Exhibits attached hereto are substantive parts hereof; headings of the Sections of this Agreement are for convenience of reference only and are not substantive parts hereof.

26.6 Further Actions of the Parties. Immediately upon the execution of this Agreement, the Parties shall take all action necessary to effectuate the purposes of this Agreement, and shall commence good faith negotiations to draft and, where appropriate, execute the Project Documents which implement the transaction(s) contemplated by this Agreement. In addition, and without limiting the foregoing, the County shall take any action necessary under the Interlocal Agreement(s).

26.7 Covenant Re: Negotiations. Upon the mutual execution and delivery of this Agreement and the satisfaction of any condition precedents to this Agreement, the Orioles will refrain from any further negotiations with any other jurisdiction for the location of the Orioles' long term Spring Training Operations. Pursuant to the terms and conditions of this Agreement, the Orioles shall notify the County on or before October 31, 2009 as to whether the Orioles will conduct its Spring Training Operations in 2010 at the Sites. The Orioles may, without violating this covenant in making such determinations, have discussions with its current landlord in Fort Lauderdale, Florida with regard to the Orioles' existing leasing arrangements, including the winding down of such arrangement. In the event that the City of Fort Lauderdale asserts a claim against the County arising from the execution of this Agreement, the Orioles agree to reimburse the County for any actual out-of-pocket costs, fees or expenses, judgments or awards, as a direct result of such claim by the City of Fort Lauderdale.

26.8 Governing Law. This Agreement is entered into in, and shall be governed by, construed and enforced in accordance with the laws of the State of Florida, without reference to principles of conflicts of laws.

26.9 Integrated Agreement. This Agreement represents the full, complete, entire and integrated agreement between the Parties with respect to the subject matter hereof, and supersedes all prior oral and written agreements, understandings and negotiations with respect to the subject matter hereof.

26.10 No Joint Venture. This Agreement shall not constitute a partnership, joint venture or create an agency relationship between the Parties.

26.11 No Waiver. The failure of either Party to object to, or to take affirmative action with respect to, any conduct of the other Party that violates any term or condition of this Agreement shall be limited to that particular instance, and shall not be construed as a waiver of that Party's rights for such breach or as a waiver of remedies for future breaches by the other Party.

26.12 Orioles' Full and Beneficial Use of the Sites. As provided for in this Agreement, the "Orioles' full and beneficial use of the Sites" shall mean all lawful uses of the Sites subject to the terms and conditions of this Agreement.

26.13 Rights Unique. The Parties acknowledge that each Party's rights and obligations hereunder, including but not limited to intellectual property assets (but other than the payment of money) are special, unique, extraordinary and impossible of replacement, which gives them a peculiar value, the loss of which could not be reasonably or adequately compensated in damages in an action at law, and that either Party's failure or refusal to perform its obligations hereunder would cause the other Party loss and damages. Except as permitted and otherwise provided for in this Agreement, if either Party fails or refuses to perform such obligations, the other Party shall be entitled to seek injunctive or other equitable relief against it, including temporary relief prior to a time at which a preliminary hearing may be held, by a court of competent jurisdiction to prevent the continuance of such failure or refusal or to prevent the breaching Party from granting rights to others in violation of this Agreement. The Parties waive any requirement that the other Party post a bond or other security in connection with such injunctive relief. In the event a Party is not able to obtain the injunctive relief provided for in this Section, such Party shall be entitled, at its option, to seek monetary damages.

26.14 Mutual Indemnification. The Orioles shall indemnify, defend and hold the County and County's agents harmless from and against all loss, cost, damage and expense (including reasonable attorneys' fees and disbursements) imposed upon or incurred by the County in connection with all claims arising out of or relating to the death of or injury to any person, or the loss of or damage to the property of any person (excluding the property of the County) arising out of or occurring during Spring Training games or Orioles' events or the Orioles' occupancy, management or use of the Sites, excluding death, injuries, and property loss and damage which arise out of or are related to the wrongful or negligent acts or omissions of the County, the County's agents or County's contractors or subcontractors. The County shall indemnify, defend and hold the Orioles and Orioles' agents harmless from and against all loss, cost, damage and expense (including reasonable attorneys' fees and disbursements) imposed upon or incurred by the Orioles in connection with all claims arising out of or relating to the death of or injury to any person, or the loss of or damage to the property of any person (excluding the personal property of

the Orioles) arising out of or occurring during County civic-oriented, non-profit events, or County-authorized use or events for the County's occupancy, capital repair or improvement or use of the Sites, excluding death, injuries, and property loss and damage which arise out of or are related to the wrongful or negligent acts or omissions of the Orioles, the Orioles' agents or Orioles' contractors or subcontractors.

26.15 Severability. The parties hereto agree that to the extent that any provision or portion of this Agreement shall be held, found or deemed to be unreasonable, unlawful or unenforceable by a court of competent jurisdiction, then any such provision or portion thereof shall be deemed to be modified to the extent necessary in order that any such provision or portion thereof shall be legally enforceable to the fullest extent permitted by applicable law.

26.16 Taxes; Recordation. The Orioles shall not be responsible for any fees, taxes (including but not limited to transfer taxes) or expenses in connection with the recordation of this Agreement or any of the Project Documents.

26.17 Time. Time is of the essence with regard to the Parties' obligations under this Agreement.

26.18 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall be one and the same instrument.

26.19 Orioles Assignment. The Orioles shall not sell, assign or otherwise transfer all or any portion of its interest in this Agreement or the Project Documents without first obtaining the consent of the County; provided, however, that (i) the Orioles shall have the right, without consent, to sublease or transfer its rights and/or obligations, in whole or in part, under this Agreement and the Project Documents, including in furtherance of Section 14 of this Agreement, to any person or entity, provided that the Orioles shall remain liable for its obligations under this Agreement and the Project Documents, including, but not limited to, the playing of the Orioles' Spring Training games at the Sites as provided herein and (ii) the Orioles shall have the right, without consent, to transfer all of its rights and/or obligations, in whole or in part, under this Agreement or the Project Documents to any person or entity that shall thereafter own the Major League Baseball franchise now held by the Orioles on the condition that such transferee shall assume the obligations of the Orioles set forth in this Agreement and the Project Documents and on the further condition that Major League Baseball approves the transfer of the Orioles Major League Baseball franchise to such transferee.

IN WITNESS WHEREOF, the parties have executed this Agreement under seal as of the date set forth above.

3. A Cost-Benefit Analysis of the Team's Impact on the Community

Economic Impacts of the Spring Training Facility

The estimated economic impacts at the county and state levels for the period July 1, 2022 through June 30, 2023 are:

	Sarasota County	Florida
Jobs Created	979.8	1,029.8
Jobs Created have total Compensation of	\$19,316,964	\$24,388,727
Total Economic Output	\$72,046,002	\$86,064,516

Economic Impacts of the Spring Training Facility

The attendees are separated into four category types:

- Non-Local: This indicates a visiting party from outside of Sarasota County
- Local: This includes all Sarasota County residents
- Team: This represents the amount of cash outlay (expenditures) by the Orioles themselves
- Other: This represents capital expenditures by the County for the Stadium itself

County-Level Economic Impacts:

	DIRECT	INDIRECT	INDUCED	TOTAL	MULTIPLIER
Non-Local	\$ 28,648,187	\$ 11,737,014	\$ 5,857,654	\$ 46,242,855	1.6
Local	\$ 1,036,774	\$ 410,364	\$ 238,194	\$ 1,685,332	1.6
Team	\$ 13,038,835	\$ 6,473,307	\$ 3,657,943	\$ 23,170,085	1.8
Other	\$ 614,868	\$ 210,267	\$ 122,595	\$ 947,730	1.5
	<u>\$ 43,338,664</u>	<u>\$ 18,830,952</u>	<u>\$ 9,876,386</u>	<u>\$ 72,046,002</u>	<u>1.7</u>

State-Level Economic Impacts:

	DIRECT	INDIRECT	INDUCED	TOTAL	MULTIPLIER
Non-Local	\$ 28,648,167	\$ 14,441,692	\$ 12,032,892	\$ 55,122,751	1.9
Local	\$ 1,036,774	\$ 550,355	\$ 496,367	\$ 2,083,496	2.0
Team	\$ 13,038,835	\$ 7,195,205	\$ 7,424,929	\$ 27,658,969	2.1
Other	\$ 614,868	\$ 343,155	\$ 241,277	\$ 1,199,300	2.0
	<u>\$ 43,338,644</u>	<u>\$ 22,530,407</u>	<u>\$ 20,195,465</u>	<u>\$ 86,064,516</u>	<u>2.0</u>

4. Evidence That the Certified Governmental Entity Continues to Meet the Criteria in Effect When Applicant Was Certified

August 15, 2023

Ms. Kelly Strickland
Finance Director
City of Sarasota
1565 1st Street
Sarasota, FL 34236

Dear Ms. Strickland:

Per your request, this letter serves as notice that the conditions set forth in 2009 by the Office of Tourism, Trade and Economic Development (OTTED) continue to be satisfied by Sarasota County.

Attached are the following:

- The results of the economic impact analysis for 2023.
- A matrix outlining compliance with the criteria in Section 288.11631, Florida Statutes. In the 'Documentation' column of the matrix, we have referenced the relevant exhibits based upon the package the City submitted to the State last year. Prior to submitting to the State, please verify that these exhibit numbers are still correct and edit them if necessary. We will provide an electronic version of the matrix via email.

Please note that there have been no changes to prior years' Exhibit 1 regarding County expenditures. Those projects remain closed out.

Sincerely,

Steve Botelho, ICMA-CM
Deputy County Administrator
Chief Financial Management Officer

Chairman Jon Thaxton
Sarasota County Commission
1660 Ringling Boulevard
Sarasota, FL 34236

Dear Chairman Thaxton:

Recent discussions with the Office of Tourism, Trade, and Economic Development (OTTED) have surrounded the departure of the Cincinnati Reds. We understand that the City of Sarasota and Sarasota County are working to preserve Spring Training in their area by negotiating an arrangement with the Baltimore Orioles. I have reviewed this issue carefully, and taking into account the intent of the Legislature, have determined that these funds may be used for a retained spring training facility in Sarasota, if the following conditions are met to OTTED's satisfaction:

1. An official letter in accordance with section 288.1162(5)(d), Florida Statutes, from the City of Fort Lauderdale acknowledging the Baltimore Orioles are relocating to Sarasota from their spring training location in Fort Lauderdale;
2. A signed agreement, in accordance with section 288.1162(5)(b)2, Florida Statutes, between Sarasota and Baltimore Orioles for a retained spring training franchise;
3. Documentation of the local match for at least 50 percent funds to be used for the spring training facility as required by section 288.1162(5)(b)3, Florida Statutes; and
4. Written agreement from Sarasota that the state funds will only be used for the renovation or expansion of the Ed Smith stadium complex and corresponding major league operations.

See pages 4 and 5 of this Exhibit 4

See page 3 of this Exhibit 4 and attached Exhibit 2

See attached Exhibit 1 detailing all funds expended on project

See pages 1 and 6 of this Exhibit 4

Once all these documents have been provided to my office and deemed satisfactory to OTTED, I will issue a final letter of approval for continuing release of the funds. Please feel free to contact me at (850) 487-2568 with any questions.

Sincerely,

Alan M. Rifkin, Esq.
Baltimore Orioles
Rifkin, Livingston, Levitan & Silver, LLC
225 Duke of Gloucester Street
Annapolis, MD 21401

Dear Mr. Rifkin:

On September 1, 2009, the City of Fort Lauderdale City Commission, by motion, acknowledged that the Orioles have terminated the Facility Use Agreement, dated December 28, 2006, by and between the City and the Orioles.

Very truly yours,

George Gretsas
City Manager

"Dedicated to Quality Service"

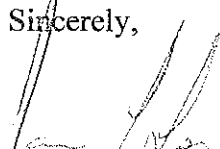

July 23, 2009

Dale A. Brill, Ph.D.
Director
Office of Tourism, Trade and Economic Development
The Capitol
Tallahassee, FL 32399-0001

Dear Dr. Brill:

On July 22, 2009, the Sarasota County Commission approved a Memorandum of Understanding with the Baltimore Orioles to move the team to Sarasota County for spring training. Sarasota County will be providing funds in the amount of \$23.7 million to the spring training facility project which will include the renovation of the Ed Smith Stadium Complex and renovation of facilities at the minor league site at Twin Lakes Park. This will confirm that state funds will only be used for the renovation or expansion of the Ed Smith Stadium Complex and corresponding major league operations.

Sincerely,

James L. Ley
County Administrator

This page intentionally left blank

March 22, 2023

Honorable Mayor and City Commissioners,
Citizens of the City of Sarasota
Sarasota, Florida

Dear Mayor and City Commissioners:

We are pleased to submit the Annual Comprehensive Financial Report (ACFR) of the City of Sarasota, Florida, for the fiscal year ending September 30, 2022. This report is presented in conformity with generally accepted accounting principles (GAAP), was prepared by the City's Financial Administration Department, and audited by an independent firm of certified public accountants, MSL, P.A., as mandated by both local ordinances and State Statute. Responsibility for both the accuracy of the presented data and the completeness and fairness of the presented data, including all disclosures, rests with the management of the City. We believe the data as presented is accurate in all material respects and is reported in a manner designed to fairly set forth the financial position and results of operations of the City of Sarasota as measured by the financial activity of its various funds.

The City is required to undergo an annual single audit in conformity with the provisions of the *Government Audit Standards*, issued by the Comptroller General of the United States; the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550 Rules of the Auditor General, State of Florida. Information related to this single audit, including a schedule of expenditures of Federal awards and State financial assistance, the report of independent auditors on internal controls over financial reporting and compliance with applicable laws and regulations, and a schedule of findings and questioned costs are included.

City management is responsible for establishing and maintaining a system of internal controls designed to ensure the assets of the City are protected from loss, theft or misuse and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America. The internal controls are designed to provide reasonable, but not absolute assurance that the financial statements will be free from material misstatement. The concept of reasonable assurance recognizes that: (1) the cost of a control should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires estimates and judgments by management.

Management's discussion and analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. The MD&A complements this letter of transmittal and should be read in conjunction with it.

Profile of the City

The City of Sarasota, Florida, was incorporated in 1902, and later re-platted in 1912 to be formally incorporated as a City in 1912. The current Charter was approved by the voters of the City on September 3, 1996 with Ordinance No. 96-3951, and became effective November 1, 1996. The City has operated under the Commission - City Manager form of government since 1945. The City Commission consists of five elected citizens who are qualified voters in the City. The Commission appoints a professional City Manager, who is the chief administrative officer of the City, and directs the business of the City and its various departments. The Commission determines policy, adopts legislation, approves the City's budget, sets taxes and fees, appoints the City Auditor and Clerk and the City Attorney, as well as the members of all boards and committees.

The City provides a range of municipal services. The Public Safety operation includes police protection as well as building code compliance and zoning. Recreational services include the Lido Pool, Arlington Park Facilities, Robert L. Taylor Community Complex, various tennis courts located throughout the City, numerous neighborhood parks, a children's water park on the Bayfront, and a skateboard park. Public Works provides essential street and highway maintenance, traffic signalization as well as solid waste collection. The Public Utilities department provides drinking water and sewer treatment operations and reuse water for irrigation. In addition, the City operates two municipal auditoriums and the award winning 1,800 seat Van Wezel Performing Arts Hall. Other services provided include neighborhood development services, redevelopment, community development, special event permitting, as well as general administrative services. The City also provides an employee and retiree health center.

The financial statements in this report include the funds of all the activities under the jurisdiction of the City Commission. This includes the Community Redevelopment Agency (CRA), the Golden Gate Point Special District (GGP), the St. Armands Business Improvement District (BID), the Downtown Improvement District (DID) and the most recently established Bay Park Improvement District (The Bay). The CRA provides for the rehabilitation, conservation and redevelopment of the Newtown Redevelopment area. The purpose of the GGP is to construct and maintain enhancements and improvements within the public right of way on Golden Gate Point. The BID was created as a dependent taxing authority with the power to levy up to two mills, with City Commission approval, for the purpose of purchasing supplemental services (maintenance, security, sanitation, promotions, infrastructure, and capital improvements). The boundaries of the BID are made up of all parcels of real property located within the Commercial Tourist Zone District in the vicinity of St. Armands Circle. The DID was created to improve the Downtown Core of the City and is governed by a board of five members, who are non-residential property owners subject to ad valorem taxation within the District and are appointed by the City Commission. The purpose of The Bay is to establish boundaries of a Tax Increment Financing District (TIF) to provide revenues for the redevelopment of The Bay Park which will be available for a variety of public recreation uses.

Local Economy

The City of Sarasota is located on the Gulf of Mexico on the southwest coast of Florida and covers an area of 25.9 square miles with an estimated population of 56,494. The City, once the winter home of the Ringling Brothers and Barnum & Bailey Circus, is a mecca for those seeking a high quality of life, and host to three growing universities with a student population of 4,500. The City is a major resort area with an average year-round temperature of 73^o F and miles of pristine white sand beaches that beckon to the hundreds of thousands of tourists that visit year-round. The City is the winter home of the Baltimore Orioles major league baseball team. The City owns and operates the award-winning Van Wezel Performing Arts Hall, the premier showcase for the performing arts on Florida's southwest coast. In 2022, US News & World Report identified Sarasota as one of the top places to live in the U.S., ranking #9 in the nation and #1 in the State of Florida.

The City's functional (seasonal plus tourist) population swells to over 100,000 during the winter months. The provision of tourist accommodations, restaurants, entertainment, financial institutions, and health services constitutes a major source of employment and contributes significantly to the stability of the local economy. Sarasota County had an unemployment rate of 2.6% in September 2022, compared to the statewide rate of 2.5% and the national rate of 3.5%.

In major publications, Sarasota continues to earn high ratings as a City that is economically vibrant while successfully managing its growth and providing a high quality of life. This includes excellent public and private K-12 schools and local universities, wonderful attractions, and excellent neighborhoods. The City of Sarasota has slowed urban sprawl by retaining and adding green space, supporting local culture, and zoning for a pedestrian friendly, vibrant higher density downtown that is guided by the principles of new urbanism.

The economy and housing market in Sarasota has been growing since the end of the Great Recession. Property tax revenue increased 1.81% over the previous year from \$40,028,474 in 2021 to \$40,754,471 in 2022. This is attributable to a \$2,914 million increase in taxable value. The current building boom, dubbed the Billion Dollar Boom, has approximately 7,500 units of some form of housing completed or recently underway. The unassigned fund balance in the General Fund is \$26.9 million, which is a 32% ratio to expenditures and an excellent funding level.

Long-Term Financial Planning

The annual budget serves as the foundation for the City's financial planning and control. All departments of the City are required to submit requests to the City Manager. The City Manager uses these requests as the starting point for developing the proposed budget. The City Manager then presents the proposed budget to the City Commission for review during several budget workshops throughout the summer months. The City Commission is required to hold public hearings on the proposed budget and to adopt a final budget no later than September 30th, the close of the City of Sarasota's fiscal year. The appropriated budget is prepared by fund and department (e.g., Police, Development Services, etc.). Department Heads may make budget transfers within their individual departments. Budget-to-actual comparisons are provided in this report for each individual governmental fund for which an appropriated annual budget has been adopted.

Relevant Financial Policies

The City Commission has adopted or amended financial policies with the purpose of maintaining a prudent level of financial resources to support the level of service the City provides to its residents. Policies cover the areas of contingency planning in the event of emergencies; debt management, including debt issuance and management, debt affordability and debt capacity; fees and charges that reflect the cost of City programs and the portion to be recovered from users; and revenue policy to ensure reliability and sufficiency of City revenues to support its operations. Two major rating institutions (Moody's Investors Service, and Fitch Ratings) have evaluated the City's financial management, economic conditions and administrative practices. In 2022, Fitch Ratings affirmed its ratings of the City's general obligation bonds of AA+ and AA1 for the City's special obligation bonds. The bond ratings reflect that the City's bonds are one tier away from the highest bond rating available.

Major Initiatives

During the year, the Public Works Department continued providing services to maintain the quality of life for its neighborhoods by resurfacing streets, improving roadways, and enhancing multimodal opportunities. The Department accomplished several substantial projects, such as the completion of the Judicial Parking Lot which provided 48 new parking spaces - including 2 electric vehicle (EV) spaces - near the County's Judicial complex and the Cleveland Drive parking layout configuration. Roadway reconstruction and drainage improvements were made at Industrial Court at 14th Street,

Magnolia Street, and Higel Avenue. Public Works also affirmed its commitment to environmental sustainability with the completion of Lido Beach sea turtle and shorebird monitoring.

The Utilities Department continued to deliver reliable and safe drinking water and wastewater service, as well as complete numerous capital improvement projects. Projects completed or substantially completed during the period include the Water Treatment 36" Valve and Pipe Replacement, Wastewater Treatment Plant 48" Low Pressure Pipeline Replacement, Coconut Force Main Replacement Phase C, rehabilitation and/or replacement of numerous water and sewer mains (and appurtenances) throughout the City, rehabilitation of several lift stations, renewal/rehabilitation of several wells, and numerous renewal/rehabilitation projects at the water treatment and wastewater treatment plants.

Because of the waivers allowed due to the COVID-19 pandemic, the City of Sarasota's Office of Housing and Community Development was able to focus on and provide much-needed public services in the form of Senior Care food provisions and Childcare using Community Development Block Grant (CDBG) funds.

Childcare: Reduced cost for Childcare and Scholarships for Very Low Income (VLI) Households: 80 households served, 70 of whom were VLI, with 16 white, 30 white/Hispanic, 25 black, 1 Asian and 8 "Other".

Seniorcare: Nutritious meals and Wellness Checks: were delivered to 696 individuals, with 43% of all individuals over the age of 70; 460 individuals with extremely low income and 236 with very low income, and of which 54% of all individuals have major health issues such as heart disease, diabetes, mental health concerns or cancer.

Additionally, the City provided funds for the acquisition of four sites upon which homes will eventually be built and sold to low-income households. Three homes were funded with CDBG and two of the sites leveraged modest amounts of HOME funds, as well. A fourth home site was solely acquired with HOME funds. There were two acquisitions of older housing stock, both of which were renovated and sold to low-income households; one family of four (white/Hispanic) and another family of three (multi-racial/non-Hispanic).

Eighteen of the SHIP 69 home rehabilitation projects for low-income and very low-income households were leveraged with HOME funds.

The City of Sarasota is also using local Affordable Housing initiative funds leveraged with local philanthropic money which will ultimately result in ten (10) rental units for the benefit of very low-income veterans. Two lots at 1529 and 1539 25th Street which were owned by the City of Sarasota and deemed suitable for affordable housing were deeded to St. Vincent DePaul CARES, Inc. who will develop the two sites into rental housing, manage the site, and provide case management.

The Development Services Department continued to experience a very busy year, issuing 7,310 permits compared to the prior year's 7,519, with a construction value of \$619 million, compared to \$428 million in the year before. The number of permits issued has stayed consistent, while the construction value increased significantly. As the COVID pandemic eased, commercial projects have resumed and multi-family construction is answering the call for more housing, all reflecting the higher construction costs of a changing economy.

The City of Sarasota's Parking Division had a highly successful year compared to years past. The implementation of the Bay Runner Trolley Service in March 2022 has proven to be quite popular. This shuttle is free to the public and currently has active routes from Downtown to both St. Armand's Circle and Lido Beach. Also, the City partnered with VEO Rides in a micro mobility program which provides access to scooters and pedal bike rentals. During the past year we had over 127k rides with the busiest month being May of 2022. Additionally, there was an increase in transient traffic at all three city

operated garages which include State Street Parking Garage, the Palm Avenue Garage, and St. Armand's Parking Garage.

Independent Audit

The City Charter, Article IV, Section 9, requires an annual audit of the City's financial statements by independent accountants selected by the City Commission. This requirement has been complied with and the independent auditors' report is included in the financial section of this report.

Certificate of Achievement

The Government Finance Officers Association of the United States and Canada (GFOA) awarded its Certificate of Achievement for Excellence in Financial Reporting to the City of Sarasota, Florida, for its Annual Comprehensive Financial Report for the fiscal year ending September 30, 2021. This was the forty-first consecutive year that the City has received this prestigious award. We are pleased to continue to achieve this distinction. In order to be awarded a Certificate of Achievement, a governmental unit must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe our current report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

Award for Distinguished Budget

The City received the GFOA's Award for Distinguished Budget Presentation for its annual financial plan for the fiscal year beginning October 1, 2021 the same period covered by this Annual Comprehensive Financial Report. This was the thirty-second consecutive year that the City has received this prestigious award. In order to qualify for the Distinguished Budget Presentation Award, the City's budget document was judged to be proficient in several categories including policy documentation, financial planning, organization, and as a communications medium. We are pleased that we continue to achieve this distinction.

Award for Popular Annual Financial Report

The City received the GFOA's Award for Outstanding Achievement in Popular Annual Financial Reporting (PAFR) for its annual financial report for the fiscal year ended September 30, 2021. This was the ninth year the City has received this prestigious award. In order to qualify for the award for Outstanding Achievement in Popular Annual Financial Reporting, the City's PAFR was judged to be proficient in several categories, including creativity, presentation, reader appeal, understandability, and distribution.

Acknowledgments

This report represents countless hours of preparation and could not have been accomplished without the dedicated efforts of the employees of the Financial Administration Department. In closing, the continued interest and support by the Mayor and the members of the City Commission in the planning and guidance of the financial operations of the City is appreciated.

Sincerely,

A handwritten signature in blue ink that reads "Kelly R. Strickland". The signature is fluid and cursive, with the first name "Kelly" being the most prominent.

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and City Commission
City of Sarasota, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Sarasota, Florida (the "City") as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, as listed in the table of contents.

In our opinion, based on our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component unit, each major fund, and the aggregate remaining fund information of the City, as of September 30, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund and each major special revenue fund thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of the General Employees' Pension Plan, the Police Officers' Plan, or the Firefighters' Pension Plan, which represent 93%, 94%, and 82% of the assets, net position, and revenues/additions of the aggregate remaining fund information, respectively. Those statements were audited by other auditors whose reports thereon have been furnished to us, and our opinion, insofar as it relates to the amounts included for the General Employees' Pension Plan, the Police Officers' Plan, or the Firefighters' Pension Plan, is based solely on the reports of those other auditors.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis-of-Matter

As discussed in Note 7 to the financial statements, in the fiscal year ended September 30, 2022, the City adopted the provisions of Government Accounting Standards Board Statement ("GASBS") Number 87, *Leases*. Our opinion is not modified with respect to this matter.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and Required Supplementary Information (other than MD&A), as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

INDEPENDENT AUDITOR’S REPORT
(Concluded)

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City’s basic financial statements as a whole. The combining and individual fund statements and schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund statements and schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory and the statistical sections, as listed in the table of contents, but does not include the basic financial statements and our auditor’s report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 13, 2023, on our consideration of the City’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City’s internal control over financial reporting and compliance.

Management's Discussion and Analysis

This section of the City of Sarasota's Annual Comprehensive Financial Report provides a narrative overview and analysis of the basic financial activities of the City as of and for the year ended September 30, 2022. The intent of the information presented here, in conjunction with the Letter of Transmittal, is to provide the reader with a clearer picture of the City's overall financial status.

Financial Highlights

- The assets and deferred outflows of resources of the City exceeded its liabilities and deferred inflows of resources at the close of the fiscal year by \$568,746,258 (*net position*). Of this amount, \$419,642,311 represents net investment in capital assets (*capital assets net of related debt*); \$95,498,844 is restricted for specific purposes (*restricted net position*) and the remaining portion represents unrestricted net position of \$53,605,103.
- The government's total net position increased by \$73,541,565 , or (14.9%) for the year compared to an \$48,357,806 increase in the prior year.
- Total revenues were \$218,665,801, an increase of \$28,948,765 , or 15.3% from last year.
- Total expenses were \$145,124,236, an increase of \$3,765,006 , or 3 % , from last year.
- Pension and OPEB related items represented a predominant portion of both deferred outflow and deferred inflow of resources. The City's employer contributions to its pension and OPEB plans of \$36,702,028, made in fiscal year 2022, after the measurement date of September 30, 2021, were reported as a deferred outflow of resources and will be recognized as an expense next year.
- As of the close of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$121,097,115, an increase of \$18,747,255 for the year.
- At the end of the current fiscal year, unassigned fund balance for the General Fund was \$26,863,306 or 32% of total General Fund expenditures, including transfers out.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) notes to the financial statements, and 3) fund financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-wide financial statements

The focus of the *government-wide financial statements* is on the overall financial position and activities of the City of Sarasota. Reporting is similar to that of a private-sector business. The City's government-wide financial statements include the *statement of net position* and *statement of activities*. As described below, these statements do not include the City's fiduciary funds because resources of these funds cannot be used to finance the City's activities. However, the financial statements of fiduciary funds are included in the City's fund financial statements because the City is financially accountable for those resources, even though they belong to other parties.

The *statement of net position* presents information on all of the City's assets, liabilities, and deferred inflows/outflows of resources with the net of these amounts reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *statement of activities* presents revenue and expenses and shows how the government's net position changed during the most recent fiscal year. All changes in net position are reported in a manner similar to

the approach used by a private-sector business in that revenues are recognized when earned or established criteria are satisfied and expenses are reported when incurred. Accordingly, revenues are reported even when they may not be collected for several months after the end of the accounting period and expenses are recorded even though they may not have used cash during the current period.

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the City include general government, public safety, physical environment, transportation, culture and recreation, and economic environment. The business-type activities of the City include the water and sewer utility, the Van Wezel Performing Arts Hall, solid waste collection, auditoriums, and parking system.

The City's government-wide financial statements can be found on pages 36-37 of this report.

Fund Financial Statements

Unlike government-wide financial statements, the focus of fund financial statements is directed to specific activities of the City rather than the City as a whole. Except for the General Fund, separate funds are established to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds

Governmental fund financial statements consist of a balance sheet and a statement of revenues, expenditures, and changes in fund balances. These statements are prepared on an accounting basis that is significantly different from that used to prepare the government-wide financial statements.

In general, these financial statements have a short-term emphasis and, for the most part, measure and account for cash and other assets that can easily be converted to cash. For example, amounts reported on the balance sheet include items such as cash and receivables collectible within a short period of time, but do not include capital assets such as land and buildings. Fund liabilities include amounts that are to be paid within a short period after the end of the fiscal year. The difference between a fund's total assets plus deferred outflows of resources less total liabilities and deferred inflows of resources is labeled as the fund balance, and generally indicates the amount that can be used to finance the next fiscal year's activities. The statement of revenues, expenditures and changes in fund balances for governmental funds reports only those revenues and expenditures that were collected or paid during the current period or very shortly after the end of the year.

For the most part, the balances and activities accounted for in the governmental funds are also reported in the governmental activities columns of the government-wide financial statements. However, because of the difference in accounting basis used to prepare fund financial statements and government-wide financial statements, there are often significant differences between the totals presented. For this reason, there is a reconciliation after the balance sheet that reconciles the total fund balances to the net position presented in the governmental activities column on the statement of net position. Also, there is a reconciliation after the statement of revenues, expenditures, and changes in fund balances that reconciles the total change in fund balances for all governmental funds to the change in net position as reported in the governmental activities column in the statement of activities.

The City presents in separate columns funds that are most significant to the City (major funds) and all other governmental funds are aggregated and reported in a single column (nonmajor funds). The City's governmental fund financial statements are presented on pages 38-43.

Proprietary funds

Proprietary fund financial statements consist of a statement of net position, statement of revenues, expenses, and changes in fund net position and statement of cash flows. These statements are prepared on an accounting basis that is similar to the basis used to prepare the government-wide financial statements. For financial reporting purposes, proprietary funds are grouped into enterprise funds and internal service funds. *Enterprise funds* are used to report the same functions presented as business-type activities in the government-wide financial statements. The City uses enterprise funds to account for its water and sewer utility, performing arts hall, solid waste collection, golf course, auditoriums, and parking system. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City uses separate internal service funds to account for its fleet maintenance activities, management information systems, benefits and self-insurance programs, and its equipment replacement activities. Because all of these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

Proprietary fund financial statements provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the major enterprise funds, which are Water and Sewer, Van Wezel Performing Arts Hall, Solid Waste Collection, Parking and Bobby Jones Golf Complex. The remaining nonmajor enterprise funds are combined and presented as other funds on the proprietary funds financial statements. All internal service funds are considered to be nonmajor funds and are combined into a single, aggregated presentation in the proprietary fund financial statements.

The proprietary fund financial statements can be found on pages 52-61 of this report.

Fiduciary funds

Fiduciary fund financial statements consist of a statement of fiduciary net position and a statement of changes in fiduciary net position. Assets held by the City for other parties, either as a trustee or as an agent, and that cannot be used to finance the City's own operating programs, are reported in the fiduciary funds. Fiduciary funds are *not* reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

The fiduciary fund financial statements can be found on pages 62-63 of this report.

Component Units

Discretely presented component unit financial statements can be found on pages 64-65 of this report.

Notes to the financial statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found on pages 69-142 of this report.

Other information

In addition to the basic financial statements and accompanying notes, this report also presents certain *required supplementary information* concerning the City's progress in funding its obligation to provide pension and other post-employment benefits to its employees. Required supplementary information can be found on pages 144-168 of this report.

Budgetary comparison schedules for combining statements of nonmajor governmental, and major capital, begin on page 182.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows of resources exceeded liabilities by \$568,746,258 at the close of the most recent fiscal year. The following schedule is a summary of the Statement of Net Position found on page 36 of this report and provides comparable data for the previous fiscal year:

City of Sarasota's Net Position

	Governmental Activities		Business-type Activities		Total	
	2022	2021	2022	2021	2022	2021

Total net position	\$ 315,077,479	\$ 254,277,458	\$ 253,668,779	\$ 240,927,235	\$ 568,746,258	\$ 495,204,693

At September 30, 2022, the City is able to report positive balances in the business-type activities net position. However, governmental activities reported a negative unrestricted net position. The negative unrestricted net position for the governmental activities is due to the recording of pension and OPEB liabilities.

The largest portion of the City's net position, \$419,642,311 reflects its investment in capital assets (e.g., land, buildings, improvements, infrastructure and equipment) less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are *not* available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should still be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

A portion of the City's net position, \$95,498,844, represents resources that are subject to external restrictions on how they may be used. Of the total net position at September 30, 2022, an amount of

City of Sarasota, Florida
Management's Discussion and Analysis
September 30, 2022

\$53,605,103 represents unrestricted net position \$(8,470,003) for governmental activities and \$62,075,106 for business-type activities.

The following is a summary of the information presented in the Statement of Activities found on page 37 of this report:

City of Sarasota's Changes in Net Position

Governmental Activities

As shown on the previous page governmental activities increased the City's net position by \$60.8 million in 2022 compared to a \$36.8 million increase in 2021. A further detail of the expenses and program revenues for governmental activities in 2022 compared to 2021 is below:

Expenses and Net Program Revenue (Expense) - Governmental Activities

Program	2022			2021		
	Expenses	Program		Expenses	Program	
		Revenues	Net		Revenues	Net
General Government	\$ 15,502,218	\$ 11,897,293	\$ (3,604,925)	\$ 12,039,365	\$ 19,726,897	\$ 7,687,532
Public Safety	14,978,146	12,566,547	(2,411,599)	35,881,363	7,942,035	(27,939,328)
Physical Environment	199,429	595,071	395,642	330,396	547,963	217,567
Transportation	9,391,319	2,265,170	(7,126,149)	7,967,564	2,670,765	(5,296,799)
Culture and Recreation	20,308,536	21,547,681	1,239,145	13,020,477	1,970,703	(11,049,774)
Economic Environment	7,880,590	7,683,811	(196,779)	5,192,178	5,062,686	(129,492)
Human Services	837,382	-	(837,382)	767,810	-	(767,810)
Interest Expense	1,512,999	-	(1,512,999)	1,509,212	-	(1,509,212)
Total	\$ 70,610,619	\$ 56,555,573	\$ (14,055,046)	\$ 76,708,365	\$ 37,921,049	\$ (38,787,316)

The table above reveals that program revenues are not sufficient to cover expenses for any of the City's governmental activities for fiscal year 2022. This is not unusual; governmental activities are primarily funded with general revenues. The following graph shows the composition of revenues for the City's governmental activities:

The net program (expense) above was \$(14.1) million in 2022 and \$(38.8) million in 2021. These net program expenses must be funded from general revenues, transfers, or from beginning net position. The following is a comparison of these general revenue sources for the last two years:

General Revenues and Transfers

	2022	% of Total	2021	Increase (Decrease)	% change
General Revenues:					
Property taxes	\$ 40,754,471	54.44%	\$ 40,028,474	\$ 725,997	1.81%
Gasoline taxes	2,662,284	3.56%	2,624,801	37,483	1.43%
Sales taxes	18,756,212	25.06%	16,005,912	2,750,300	17.18%
Public service taxes	12,044,040	16.09%	11,413,593	630,447	5.52%
Business taxes	819,560	1.09%	1,004,356	(184,796)	-18.40%
Other taxes	44,765	0.06%	46,164	(1,399)	-3.03%
State revenue sharing	2,687,669	3.59%	1,766,299	921,370	52.16%
Investment earnings/loss	(4,632,609)	-6.19%	268,627	(4,901,236)	-1824.55%
Other	4,058,629	5.42%	2,884,195	1,174,434	40.72%
Net transfers	(2,339,954)	-3.13%	(481,465)	(1,858,489)	386.01%
Total	\$ 74,855,067	100.00%	\$ 75,560,956	\$ (705,889)	-0.93%

General revenues and transfers decreased by \$(705,889) from 2022 to 2021, as shown in the preceding table. The decrease is attributed to the following:

- Property tax revenue increased \$725,997 , a 1.81% increase. The increase is a result of the City's assessed values rising 6.43% over last year and the City's overall millage rate for the current year decreased from 3.4866 mills to 3.3472 mills.
- Sales tax revenue increased \$2,750,300 for the year of recovery from the effects of the COVID-19 pandemic.
- Investment earnings decreased \$(4,901,236) in 2022 as the fixed income market leveled out from a highly favorable previous year of returns.

The following chart compares expenses with program revenues for the City's governmental activities:

**Expenses and Program Revenues - Governmental Activities
(in thousands)**

Business-type Activities

As stated previously, business-type activities increased the City's net position \$12,741,544 in 2022 compared to a change in net position of \$11,584,166 in 2021 as a result of operations. The following is a comparison for the last two years:

Changes in Net Position - Business-type Activities

Program	2022			2021		
	Expenses	Program Revenue	Net	Expenses	Program Revenue	Net
Water and Sewer	\$ 40,902,402	\$ 53,739,183	\$ 12,836,781	\$ 40,718,729	\$ 52,599,532	\$ 11,880,803

 (in thousands)**

Financial Analysis of the City's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds

The fund financial statements for the governmental funds are provided on pages 38-43. The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the City's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At the end of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$121,097,115 an increase of \$18,747,255 for the year. Approximately 22% of this amount or \$26,863,306 constitutes unassigned fund balance, which is available for spending at the City's discretion subject to budgetary constraints, legal, or other requirements. The remainder of fund balance is nonspendable, restricted, committed or assigned to indicate that it is not available for new spending. Significant restrictions include: 1) restricted for infrastructure improvements (\$20,385,042), 2) restricted for community redevelopment (\$3,665,229), 3) restricted for building services (\$6,885,071), 4) restricted for transportation (\$7,935,930), 5) restricted for Housing and Community Development (\$11,401,736) and 6) restricted for Construction (\$21,691,606).

The General Fund is the chief operating fund of the City. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$26,863,306, while total fund balance was \$32,162,690. As a measure of the General Fund's liquidity, it may be useful to compare unassigned fund balance to total fund expenditures. Unassigned fund balance represents 32 % (or 3.8 months) of total General Fund expenditures and transfers out.

Revenues and transfers in for the City's General Fund increased by \$2,586,175 since the prior year. Key factors for the increases in revenue are:

- The General Fund's ad valorem tax revenue increased \$24,791. The rollback millage of 3.1372 mills was adopted during the FY2021-22 budget process.
- Intergovernmental revenues (including Sales Tax) increased by \$2,560,982 for the current year. This is attributable to a positive economic environment, after the initial effects of the COVID-19 Pandemic.

Other major increases in the General Fund include, Charges for Services \$418,237, Fines & Forfeitures \$713,105 and a decrease of other miscellaneous revenues \$(91,557).

- Investment Earnings decreased (1,706,782).

Expenditures and transfers out for the General Fund increased by \$7,314,212. This is a relatively large all increase that can be attributed to a reset of "normal" City operations, after exercising restraint in prior years for the COVID-19 pandemic.

The Community Redevelopment Agency Fund accounts for the operations of the City of Sarasota Community Redevelopment Agency (CRA). The total revenues for the year were \$214,525 and included tax increment revenue of \$170,944, miscellaneous revenue of \$175,530, and investment earnings of \$(131,949). Expenditures and transfers out of \$756,511 included the following:

• Janie's Garden Buildouts	\$277,250
• Blvd. of the Arts - Complete Street	139,746
• 10th Street Streetscape	99,690
• Newtown Business Assistant Grants	52,596
• Salvation Army Street Teams	39,900
• Martin Luther King/Orange Ave. Redevelopment	39,888
• Economic Redevelopment Office	30,000
• Fredd Atkins Plaza Improvement	26,187
• Robert L. Taylor Summer Youth Program	24,000
• Other Miscellaneous Project costs and Events	27,254

The Community Redevelopment Agency Fund has a fund balance of \$ 3,669,229 as of September 30, 2022, which is reserved for specific projects identified and approved in the CRA's annual budget.

The Housing & Community Development (OHCD) Fund administers Federal housing and community development programs both in the City and County. Total revenues for the current year were \$1,370,500 and expenditures and transfers out were \$2,113,390. During the year, OHCD partnered with non-profits to create housing for low-income households and assisted low-income homeowners with roof replacements, air conditioning units, plumbing and other repairs.

The Penny Sales Tax Fund accounts for the revenue from the one-cent local option sales surtax. Total revenues for the year were \$11,465,942 with \$12,083,797 coming from the Infrastructure Sales Surtax , and \$48,748 for other miscellaneous income. Expenditures and transfers out for the year totaled \$11,576,910. The net decrease in fund balance was \$(110,968) resulting in a fund balance at the end of 2022 of \$20,385,042. Expenditures and transfers out for the current year included the following capital improvement projects:

• Lighting Improvements	\$2,319,659
• Police Vehicles	1,859,626
• Housing Authority	1,555,557

• Street Reconstruction	1,431,556
• Debt service transfer out for Parks & Community Center projects	1,377,517
• The Bay - Park Improvements	627,000
• Arlington Park Improvements	594,208
• Construct New Sidewalks	372,945
• Information Technology Enterprise fiber Infrastructure	220,665
• Traffic Signal Rebuild	205,852
• Lido Beach Pavilion Improvements	205,852
• Hyper Converged Infrastructure	198,832
• City Hall/Annex Building	141,236
• Other Miscellaneous Projects	466,405

The Building Services Fund tracks the costs to administer the Florida Building Code. Revenues are specifically designated by Florida Statutes to pay the costs of building/development services. For the current year, licenses and permit fees were \$8,568,844, a \$2,570,234 increase from the prior year, as construction appears to be going strong within the City. Total revenues of \$9,476,142 also included \$1,339,774 for charges for services, and \$(432,609) of investment earnings. Expenditures and transfers out for the year totaled \$14,957,751. This included the transfer out of \$7,485,432 for a new capital project (One Stop Shop), resulting in a net decrease in fund balance of \$(5,481,609).

The Tourist Development Tax Fund is used to account for revenues received for beach maintenance, restoration, re-nourishment and erosion control. For the current year revenues totaled \$123,699, of which \$123,699 was tourist taxes and \$- was investment earnings. Expenditures were \$173,116, all for the re-nourishment maintenance of the beach on Lido Key.

Enterprise funds

The fund financial statements for the City's enterprise funds provide essentially the same type of information found in the business-type activities column of the government-wide financial statements, but in more detail, and by fund. The following is a discussion of each fund's performance for fiscal year 2022, compared to the prior fiscal year.

Water & Sewer Fund

Water utility activities include water supply, treatment, storage and distribution. Sewer utility activities include collection, treatment, and disposal. This fund also includes a reclaimed water distribution system. All three activities require billing and collection, repair/maintenance, and other administrative functions. The Water & Sewer Fund reported a change in net position of \$11,174,691 for 2022 compared to a change in net position of \$12,051,147 for 2021.

Operating revenues of the Water and Sewer Fund increased \$1,179,261 for the current year. This increase is mainly attributed to a 3.5% rate increase.

Operating expenses for the Water and Sewer Fund increased by \$722,063, or 1.84% change.

Van Wezel Performing Arts Hall Fund

This fund accounts for the revenues and expenses of a world class performing arts hall which provides a wide variety of entertainment, including performances by nationally and internationally known theater, ballet and musical groups. The fund reported a change in net position of \$2,822,432 for 2022 compared to a change in net position of \$1,015,476 in 2021.

Operating revenues for the Van Wezel Performing Arts Hall increased \$9,806,787 in the current year. With the decline of the COVID-19 pandemic, performances were re-scheduled, related performance fees and other performance expenses increased, leading to an overall increase in operating expenses of \$7,302,984. The Van Wezel also obtained a \$4,730,952 Federal Government Shuttered Venue Operator Grant, which assisted with the Hall operational expenses.

Solid Waste Management Fund

Solid waste operations include the collection and disposal activities of refuse and recycling. The fund reported a change in net position of \$1,543,439 for 2022 compared to a change in net position of \$(1,089,152) in 2021. The fund had an operating revenue increase of \$511,434 for the current year, compared to a revenue increase of \$403,382 for 2021. Operating expenses decreased by \$(495,667).

Parking Management Fund

Parking Management is responsible for oversight and maintenance of the City's four parking garages, 17 public parking lots, on street parking and enforcement of parking regulations. The fund reported a change in net position of \$191,365 for 2022 compared to a change in net position of \$(846,625) in 2021.

The \$949,725 increase in operating revenues for 2022 were offset by a \$175,996 increase in operating expenses. Contributing to the overall increase in net position is the whole year collection of parking fees, where in prior years the fees were temporarily suspended due to the COVID-19 Pandemic. No subsidies were provided to the Parking Management Fund in 2022.

Other factors concerning the finances of the proprietary funds have been addressed in the discussion of the City's business-type activities.

Bobby Jones Golf Complex Fund

Bobby Jones Golf Complex is a combination of the reconstruction of the course, as well as the operations of the Golf Course. The course will have 18 regulation holes with 9 executive holes. This fund qualifies as a major fund this year due to the issuance of debt in the amount of \$20 million for the purpose of reconstructing the course. The re-opening of the golf course is projected for August of 2023.

General Fund Budgetary Highlights

Overall the General Fund revenue and transfers in budget was increased by \$5,187,581. This amount includes an increase of \$5,061,881 for the 2nd tranche of American Rescue Plan Act (ARPA) funds, \$31,700 for various donations for Police services and \$94,000 from increased Right-of-way fees. The General Fund expenditure and transfers out budget increased for the year by \$13,351,653. The difference between the original expenditures budget and the final budget are summarized as follows:

- \$1,310,542 increase for outstanding encumbrances from 2021. These are items ordered in the prior year (using prior year budget) but have not yet been received.
- \$3,678,186 increase for reappropriations of project balances. These are the budget balances of projects that have not been completed as of 9/30/21.
- \$35,000 increase for additional tree lighting and specialty holiday lighting Downtown.
- \$1,128,334 increase for funding the 1st debt service payment for the Bobby Jones Golf Complex construction.
- \$1,233,629 increase to fund ten additional police officers, vehicles and other applicable equipment for the new officers.
- \$31,700 increase for expenses funded with Sarasota Police Department donations.

- \$286,875 increase to fund a grant to the St. Armands Circle Association for a holiday tree purchase for St. Armands Circle.
- \$585,506 increase to update the City's Engineering Design criteria Manual (EDCM).
- \$5,061,881 increase for expenses funded with ARPA funds.

Actual revenues and transfers in were more than final budget by \$1,322,417 and actual expenditures and transfers out were less than budgeted expenditures by a total of \$7,318,565. This resulted in a positive budget variance of \$8,640,982. Most of this savings was achieved by committed efforts to control costs at all levels of management.

The final budget anticipated \$10,222,248 to be expended from available fund balance. However, although revenues exceeded budgetary estimates, and expenditures were also less than budgetary estimates as discussed above, the result is a negative change in fund balance of \$(1,581,266), or \$8,640,982 less of a decrease than was anticipated by the final budget.

Capital Asset and Debt Administration

Capital Assets

The City's investment in capital assets for its governmental and business-type activities as of September 30, 2022, is \$565,574,034 (net of accumulated depreciation). This investment in capital assets includes land, art collections, construction in progress, buildings, improvements, infrastructure, utility systems and equipment. The total increase (additions less retirements and depreciation) in the City's investment in capital assets for the current fiscal year was \$30,004,715 (a 10.5% increase for governmental activities and a 1.4 % increase for business-type activities).

The schedule below reflects the City's capital assets as of September 30, 2022 and 2023:

City of Sarasota's Capital Assets (Net of Depreciation)

	Governmental Activities		Business-type Activities		Total	
	2022	2021	2022	2021	2022	2021
Land	\$ 42,408,767	\$ 41,206,351	\$ 11,694,613	\$ 11,869,613	\$ 54,103,380	\$ 53,075,964
Art collections	1,670,683	1,670,683	218,397	218,397	1,889,080	1,889,080
Buildings	50,324,691	47,548,721	39,561,564	41,749,966	89,886,255	89,298,687
Improvements and						
Infrastructure	99,234,695	100,173,065	6,872,420	8,700,762	106,107,115	108,873,827
Utility systems	--	--	203,020,542	149,485,643	203,020,542	149,485,643
Equipment	406,161	6,137,698	5,850,070	7,647,977	6,256,231	13,785,675
Construction in progress	79,843,260	51,078,928	24,468,170	68,081,509	104,311,430	119,160,438
Total	\$ 273,888,257	\$ 247,815,447	\$ 291,685,776	\$ 287,753,867	\$ 565,574,033	\$ 535,569,314

Additional information on the City's capital assets can be found in Note 6 on pages 97-98 of this report.

Major capital asset activity during the current fiscal year included the following:

- Various system additions and improvements were completed in the Water and Sewer Fund at a cost of \$20,930,062 and construction began on others at a cost of \$1,314,799
- The construction on the Bay has started and includes contributed capital of \$30,714,011. See note 19 for further information regarding this project.
- The construction of various streets and highways, such as construction on the US41 and Fruitville roundabout, total \$7,101,018.

Long-term debt

At the end of the current fiscal year, the City had total bonded debt outstanding of \$89,194,985. Of this amount, \$28,740,000 comprises debt backed by the full faith and credit of the City. The remainder of the City's debt represents bonds secured solely by specified revenue sources (i.e., special obligation bonds, and revenue bonds).

Two major rating institutions (Moody's Investors Service, and Fitch Ratings) have evaluated the City's financial management, economic conditions and administrative practices. The bond ratings reflect that the City's bonds have the characteristics of investment quality, as shown below:

	Moody's Investors Service	Fitch Ratings
General Obligation	Aa1	AA+
Special Obligation	Aa1	AA
Water and Sewer	Aa2	AA

The schedule below reflects the City's outstanding debt as of September 30, 2022 and 2021:

City of Sarasota's Outstanding Debt and Loans Payable

	Governmental Activities		Business-type Activities		Total	
	2022	2021	2022	2021	2022	2021
General obligation bonds	\$ 28,740,000	\$ 30,355,000	\$ --	\$ --	\$ 28,740,000	\$ 30,355,000
Special obligation bonds	10,514,985	12,085,005	--	--	10,514,985	12,085,005
Revenue bonds	--	--	49,940,000	51,805,000	49,940,000	51,805,000
Total bonds	39,254,985	42,440,005	49,940,000	51,805,000	89,194,985	94,245,005
Loans payable	10,070,000	404,745	52,174,082	32,672,974	62,244,082	33,077,719
Total bonds & loans	<u>\$ 49,324,985</u>	<u>\$ 42,844,750</u>	<u>\$ 102,114,082</u>	<u>\$ 84,477,974</u>	<u>\$ 151,439,067</u>	<u>\$ 127,322,724</u>

The City's total debt increased by \$ 24,116,343. The key factors in this increase are:

- The City borrowed \$20,000,000 to complete the reconstruction for the Bobby Jones Golf Course.
- The City borrowed \$10,070,000 to build the One Stop Shop Administration Building.
- \$394,403 of loan proceeds were drawn on a state revolving loan for the Lift Station 87 Project.
- Scheduled principal payments of \$ 5,943,315 were paid when due.

Additional information on the City's long-term debt can be found in Note 9 on pages 102-106 of this report.

Economic Factors and Next Year's Budget and Rates

The General Fund budget for the 2023 fiscal year was balanced utilizing \$3,254,194 of unassigned fund balance. The City's reserve policy states that the City will establish an unassigned fund balance in the General Fund for emergency purposes and/or liquidity purposes of two to three (17% to 25%) months of General Fund expenditures to indicate that it is in sound financial condition. The fund balance for 2023 will result in an estimated unassigned fund balance of \$26,823,988 at September 30, 2023, 31.3% of budgeted expenditures.

The City is faced with balancing strong growth in some revenue categories against others that can be highly volatile with significant fluctuations through economic cycles. As such, a thoughtful and disciplined approach to budgeting and spending is necessary. Factors considered in preparing the City's 2023 fiscal year budget were:

- The taxable value of commercial and residential property increased 17.85% from last year's certified valuation. The \$2.2 billion increase in taxable value for 2022 is the eleventh consecutive year that property values have increased.
- An adjustment to reduce the millage rate from 3.1372 mills to 3.0000 mills was made to the General Fund property tax rate. Since the property valuation for the 2022 tax year increased and the roll back millage was not set, property tax revenue is expected to increase approximately \$3.6 million.
- The City's population increased slightly from 55,386 reported in 2021 to 56,494 for 2022.
- The City of Sarasota unemployment rate for September 2022 was 2.6%, a decrease of 1.1% from the September 2021 rate of 3.7%. The Sarasota County unemployment rate for September 2022 was 2.6%, a decrease of 1.1% from the 3.7% rate reported in September 2021 and lower than the State and Federal rates (2.5% and 3.4% respectively).

Requests for Information

This financial report is designed to provide users with a general overview of the City of Sarasota's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Office of the Financial Administration, Director, 1565 1st Street, Sarasota, Florida 34236 or telephone (941) 263-6407. You can also access our website at www.sarasotafl.gov.

Basic Financial Statements

This page intentionally left blank

Basic Financial Statements

This part of the City of Sarasota's annual comprehensive financial report represents a minimum combination of financial statements and note disclosures required for fair representation in conformity with Generally Accepted Accounting Principles (GAAP).

Contents

Government-Wide Financial Statements

Page

36-37

This focus of the Government-Wide Financial Statements is on the overall financial position and activities of the City. These financial statements incorporate all of the City's governmental and business-type activities, as well as its nonfiduciary component units. There are two basic government-wide financial statements: the Statement of Net Position and the Statement of Activities

Fund Financial Statements

38-63

The focus of the Fund Financial Statements have a short-term emphasis and for the most part, measure and account for cash and other assets that can be easily converted to cash. The Governmental Fund Financial Statements consist of a Balance Sheet/Statement of Net Position, and a Statement of Revenues, Expenditures and Changes in Fund Balance/Net Position

Component Unit Financial Statements

64-65

Component Units are entities for which the City is considered to be financially accountable. In addition to the separate column in the Government-Wide Financial Statements, the Component Units Financial Statements include the Statement of Net Position and the Statement of Activities

Notes to the Financial Statements

69-142

The Notes to the Financial Statements are a presentation of information integral to the financial statements and essential to a user's understanding of City's financial position.

City of Sarasota, Florida

Reconciliation of the Statement of Revenues, Expenditures,
and Changes in Fund Balances of Governmental Funds to
the Statement of Activities
For the Year Ended September 30, 2022

Net change in fund balances - total governmental funds \$ 18,747,255

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures, however, in the statement of activities, the cost of those assets is depreciated over their estimated useful lives. Donation of Capital Assets are not financial resources to Governmental Funds, however, increase net position in the Statement of activities. Governmental Funds report the sale of Capital Assets as a financial source, however, in the statement of activities, only the gain or loss on the sale is reported.

Expenditures for capital assets	\$ 16,720,670	
Less current year depreciation	(11,004,861)	
Donation of Capital Assets	17,084,165	
Net transfers of capital assets from enterprise funds	296,565	
Less Loss on Sale of Capital Assets	1,003,407	24,099,946

The collection of special assessments and receipt of repayment of long-term receivables provides current financial resources. Neither transaction, however, has any effect on net position of governmental activities.

Collection of special assessments	(7,114)	
Receipts on mortgages receivable	235,928	228,814

Repayment of long-term debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position.

Principal repayments:		
General obligation bonds	1,615,000	
Special obligation bonds	1,570,020	
Proceeds from loan received	(10,070,000)	
Purchase Agreements	404,745	(6,480,235)

Some revenues and expenses reported in the statement of activities are not reported in the governmental funds because they have no effect on current financial resources

Grants	(443,569)	
Interest subsidy received before interest payment due	38,373	
Accrued interest	52,284	(352,912)

Governmental funds report the effect of bond insurance costs, premiums, discounts and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities.

Amortization of bond premium	167,604	
Amortization of deferred loss on refunding	(204,038)	(36,434)

Changes to net pension liability and pension related deferred outflows and inflows of resources do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds

16,680,441

Changes to net OPEB liability and OPEB related deferred outflows and inflows of resources do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds

4,653,526

Internal service funds are used by management to charge the costs of certain activities to individual funds.

The net expense of the internal service funds is reported with governmental activities.		3,259,620
---	--	-----------

Change in net position of governmental activities

\$ 60,800,021

The accompanying notes are an integral part of this statement.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting Entity

The City of Sarasota, Florida, (the City) was incorporated in 1902. The City is on the west coast of Florida, approximately half-way down the state and is comprised of 24 square miles with a population of 56,494. The City was created pursuant to the Laws of Florida, Chapter 73-618. The current charter was approved by a special act of the State of Florida legislature in 1973 and by the voters of the City at an election held September 6, 1996. The City operates under the Commission-Manager form of government and provides municipal services such as police protection, public works and all the necessary functions of general government. The City also has certain enterprise operations consisting of a water and sewer utility, a golf course, a performing arts hall, a solid waste collection service, a municipal auditorium and parking management.

The financial statements of the City have been prepared in accordance with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. As required by generally accepted accounting principles, the accompanying financial statements present the City of Sarasota and its component units (entities for which the City is considered to be financially accountable).

Blended component units, although legally separate entities, are in substance part of the government's operations. Therefore, data from these units are presented with data of the City (the primary government). The discretely presented component units are aggregated and reported in a separate column in the government-wide financial statements to emphasize that they are legally separate from the City. Each blended and discretely presented component unit has a September 30th year-end.

Blended Component Unit: The Community Redevelopment Agency (CRA) was created by the City Commission, pursuant to Florida Statutes, Section 163.357, to provide for the rehabilitation, conservation and redevelopment of certain areas within the City. The CRA operates under the guidance of the City Commission which meets separately as the CRA's governing body to approve the adoption of the annual budget, the issuance of debt, the execution of contracts and the payment of unbudgeted expenditures. The financial statements of the CRA have been included within the City's reporting entity as the Community Redevelopment Special Revenue Fund. Separate financial statements of the CRA are available.

The Bay, a home rule tax increment financing district, was approved by both the City and Sarasota County on November 2, 2020. The governing body of this district is substantively the same as the governing body of the City and there is a financial benefit and burden relationship between the district and the City. The tax increment revenue may only be used for the design and construction of capital improvements within the Bay Park, including, but not necessarily limited to a new performing arts center. These revenues may also be used for new bicycle and pedestrian amenities within the District. The base year for the district is January 1, 2019 for a period of 30 years. Both the City and the County will contribute at the lower of 3.0892, or the City's or Sarasota County's millage. Separate financial statements of the District are not available.

The Golden Gate Point Special District (District) was created by the City Commission, pursuant to Florida Statutes, Section 189.4041. The purpose of the District is to construct and maintain enhancement and improvements within the public rights of way on Golden Gate Point. The City Commission is the governing board of the District which meets to approve the adoption of the annual budget, the issuance of debt, the execution of contracts and the payment of expenditures. The financial statements of the District have been included within the City's reporting entity as the Golden Gate Point Special Revenue Fund. Separate financial statements of the District are not available.

Discretely Presented Component Units: The St. Armands Business Improvement District (BID) was created by City Ordinance 02-4382 under Chapter 163.511 of the Florida Statutes. The boundaries of the BID are made up of all parcels of real property located within the CT Zone District in the vicinity of St.

Armands Circle. The BID is a dependent taxing authority with the power to levy up to two mills, with City Commission approval, for the purpose of purchasing supplemental services (maintenance, security, sanitation, promotions, infrastructure and capital improvements).

The Downtown Improvement District (DID) was created by City Ordinance 08-4832 under Chapter 189.4041 of the Florida Statutes. The boundaries of the DID includes all non-residential parcels within the downtown core of the City. The DID is a dependent taxing authority with the power to levy up to two mills, with City Commission approval, for the purpose of purchasing supplemental services (maintenance, security, sanitation, promotions, infrastructure and capital improvements).

The City Commission appoints the governing boards. The BID and DID are fiscally dependent on the City, and their financial statements are included in separate columns of the accompanying financial statements. Separate financial statements are not available. The BID and DID are accounted for as governmental fund types and use the same applicable accounting policies the City presents in the Notes to Financial Statements.

B. Government-Wide and Fund Financial Statements

The basic financial statements consist of the government-wide financial statements and fund financial statements. The government-wide financial statements required under this statement (the Statement of Net Position and the Statement of Activities) report information on all of the non-fiduciary activities of the City and its component units. For the most part, the effect of interfund activity has been removed from these statements so as not to distort financial results. Fiduciary funds are also excluded from the government-wide financial statements since by definition these assets are being held for the benefit of a third party and cannot be used to address activities or obligations of the government. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support.

The Statement of Activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements (fund financial statements) are provided for governmental funds, proprietary funds, and fiduciary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. The City's fiduciary funds are presented in the fund financial statements by type (pension/OPEB trust and custodial funds) but as noted above are not included in the government-wide statements. A reconciliation is provided that converts the results of governmental fund accounting to the government-wide presentations.

Internal Service Funds of a government (which traditionally provide services primarily to other funds of the government) are presented in summary form as part of the proprietary fund financial statements. Since the principal users of the internal services are the City's governmental activities, financial statements of internal service funds are consolidated into the governmental activities column when presented at the government-wide level. To the extent possible, the costs of these services are reflected in the appropriate governmental activities.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements, the proprietary fund financial statements and the fiduciary fund financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Operating revenues shown for proprietary operations generally result from producing or providing goods and services such as water, sewer and solid waste collection. Operating expenses for these operations include all costs related to providing the service or product. These costs include salaries, supplies, travel, contract services, depreciation, administrative expenses and other expenses directly related to costs of services. All other revenue and expenses not meeting these definitions are reported as non-operating revenues and expenses.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days (90 days for grant revenue) of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to claims and judgments, are recorded only when payment is due.

Property taxes, franchise taxes, licenses, and interest associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. Grant revenues are considered earned and are accrued simultaneously with the grant expenditure. In applying the susceptibility-to-accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, monies must be expended for the specific purpose or project before any amounts will be paid to the City; therefore, revenues are recognized based upon the expenditures recorded. In the other, monies are virtually unrestricted as to purpose of expenditure and substantially irrevocable; i.e., revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if they meet the availability criterion. All other revenue items are considered to be measurable and available only when cash is received by the government.

Custodial funds are used to report fiduciary activities that are not required to be reported in pension (and other employment benefit) trust funds, investment trust funds or private-purpose trust funds.

The financial transactions of the City are recorded in individual funds. Each fund is accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures, or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

GASB Statement No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues or expenditures/expenses of either fund category or the governmental and enterprise combined) for the determination of major funds.

The City reports the following major governmental funds:

The *General Fund* is the City's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. Most of the essential governmental services such as police protection, public works, street, highway and landscape maintenance and general administration are provided by the General Fund. The *Community Redevelopment Fund* is used to account for tax increment revenues that encourage development in the downtown and Newtown areas. The *Housing and Community Development Fund* accounts for a variety of affordable housing and community development programs funded by the Federal Department of Housing and Urban Development. The *Penny Sales Tax Fund* accounts for the revenue derived from a one cent local option infrastructure sales surtax imposed by Sarasota County, Florida. The *Building Services Fund* accounts for revenues and expenditures related to providing services to the development community including plans review, construction inspections, and development approval. The *Tourist Development Tax Fund* accounts for tourist development tax revenues and expenditures for tourist related projects.

The City reports the following major proprietary funds:

The *Water and Sewer Fund* accounts for the provision of water and sewer services to the residents and businesses of the City. All activities necessary to provide such services are accounted for in this fund, including administration, operations, maintenance, financing and related debt service and billing and collection. The *Van Wezel Performing Arts Hall Fund* accounts for revenues and expenses of a cultural center which provides a wide variety of entertainment, including performances by nationally known theater, ballet and musical groups, for which a significant portion is financed through user charges. The *Solid Waste Management Fund* accounts for the provision of solid waste collection and recycling activities to the residents and businesses of the City. The *Parking Management Fund* accounts for the operations of the City's on-street parking, parking garages and surface parking lots. The *Bobby Jones Golf Complex Fund* currently accounts for the construction funds for the City golf course, later to add operations, after the golf course is open for business.

In addition, the City reports the following fund types:

Internal Service Funds account for services provided to other departments within the City on a cost reimbursement basis. These services include: information technology services, equipment maintenance services, equipment replacement services and general benefits and insurance services. Because all of these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements. The excess revenue or expenses for the funds are allocated to the appropriate functional activity.

The *Pension Trust Funds* account for the activities of the General Employees' Defined Benefit Pension, Police Officers' Defined Benefit Pension, Firefighters' Defined Benefit Pension and General Employees Defined Contribution plans, which accumulate resources for pension benefit payments to qualified employees.

The *Other Post Employment Benefits Trust Fund* accounts for the future liability of costs for medical/prescription/dental coverage, extended life insurance coverage and benefits under the Employee Assistance Program available to retirees and their dependents.

The *Custodial Funds* account for impact fees collected from citizens and disbursed to Sarasota County.

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the government's water and sewer function and various other functions of the City. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Proprietary funds distinguish *operating* revenues and expenses from *non-operating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Water and Sewer enterprise fund, the Van Wezel Performing Arts Hall enterprise fund, the Solid Waste enterprise fund and the Parking Management enterprise fund are charges to customers for sales and services. The Water and Sewer fund also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. The principal operating revenues of the internal service funds are interfund charges. The operating expenses for enterprise funds and internal service funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The City allocates charges for indirect services provided by General Fund departments based on a cost allocation plan. The costs are included in the program expense reported by functional activity in the Statement of Activities.

D. Cash and Cash Equivalents

The City maintains a cash and investment pool that is available for use by all funds. The City considers all highly liquid investments with original maturities of three months or less when purchased to be cash equivalents for purposes of the statement of cash flows.

The City's cash and investment pool consists of United States Government securities, United States Government Agency securities, Federal Instrumentalities, Mortgage-Backed Securities, Florida Prime administered by the Florida State Board of Administration, money market funds and cash. Cash balances and requirements of all funds are considered in determining the amount to be invested. Interest earned on pooled cash and investments is allocated to funds based on their average daily balances.

E. Investments

For all funds, except the OPEB and pension trust funds, investments consist of U.S. Government securities, U.S. Government Agency securities, Federal Instrumentalities, Mortgage-Backed Securities, Florida Prime administered by the Florida State Board of Administration and money market funds. Investments of the OPEB and pension trust funds consist of U.S. Government securities, U.S. Government Agency securities, corporate bonds and notes, common and preferred stocks, mutual funds, foreign securities, real estate, and money market funds. All investments are reported at fair value using quoted market prices or the best estimate available. The difference between cost and fair value of investments held is recorded as net unrealized gains or losses and is included in net investment earnings.

F. Lease Receivable

Lease receivable is measured at the present value of lease payments expected to be received during the lease term. Under the lease agreement, the City may receive variable lease payments that are dependent upon the lessee's revenue. The variable payments are recorded as an inflow of resources in the period the payment is received.

A deferred inflow of resources is recorded for the lease. The deferred inflow of resources is recorded at the initiation of the lease in an amount equal to the initial recording of the lease receivable. The deferred inflow of resources are amortized by the present value, determined at the beginning of the fiscal year, of the payments owed over the term of the lease.

G. Other Receivables

All trade receivables on the statement of net position are shown net of an allowance for uncollectible. Long-term notes receivable due to governmental funds represent loans to property owners for rehabilitation of properties. Recognition of governmental fund type revenues is deferred until they become current, in accordance with the modified accrual basis of accounting.

H. Interfund Receivables and Payables

During the course of its operations, the City has numerous transactions between funds to provide services, construct assets and service debt. To the extent that certain transactions between funds were not paid for or received as of September 30, 2022, balances of interfund receivables and payables expected to be liquidated within one year have been recorded as due from and due to other funds. Balances of interfund receivables and payables not expected to be liquidated within one year are recorded as advances to and advances from other funds. Balances of advances to other funds are reserved in the fund balances of the respective funds since these balances are not available for appropriation. Short-term interfund loans to eliminate cash deficits are classified as interfund receivables/payables. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as internal balances.

I. Inventories

Inventories are adjusted to annual and periodic counts and are valued at cost, which approximates market, using the average cost method. Inventory is accounted for using the consumption method, whereby inventories are recorded as expenditures when they are used.

J. Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both the government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed rather than when purchased.

K. Restricted Assets

Proceeds of the City's enterprise fund revenue bonds, as well as other resources set aside in accordance with bond covenants or local ordinance, are classified as restricted on the fund level balance sheets of the enterprise funds. These include the following: interest and sinking accounts used for accumulation of resources needed to meet debt service requirements as they become due; general reserve account used to accumulate resources to pay the cost of improvements, to pay the cost of purchasing or redeeming bonds, to pay the principal and interest on any obligations subordinate to the bonds issued under the resolution, to make up any deficiencies in any of the Accounts and to pay the cost of any item qualifying as an expenditure of the Renewal, Replacement and Improvement Account; and the utility construction accounts used for acquisition and construction of assets funded by revenue bond proceeds.

Restricted assets are not presented on the statement of net position of the governmental funds under the modified accrual basis of accounting; however, certain assets of these funds are restricted as to use. Such assets, consisting primarily of cash and receivables, include debt proceeds, permit fees, state and federal forfeiture awards, state and federal grants and amounts held for debt service. All applicable assets in the enterprise funds and in the governmental funds have been restricted in amounts sufficient to meet restrictive purposes.

L. Capital Assets

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City as assets with an initial estimated useful life in excess of one year and an individual cost of more than \$1,000 for tangible personal property, buildings, improvements, infrastructure and utility systems. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets, donated works of art, similar assets, and capital assets received in a service concession arrangement are recorded at acquisition value at the date of the donation. (Acquisition value is the price that would be paid to acquire an asset with equivalent service potential in an orderly market transaction at the acquisition date.) The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

The City has a collection of art presented both in buildings and public outdoor spaces. The true value of the art is expected to either be maintained or enhanced over time and thus, the art is not depreciated. If individual pieces are lost or destroyed the loss is recorded.

Property, plant, and equipment of the City is depreciated using the straight line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings	30-50
Other improvements	10-20
Public domain infrastructure	10-40
System infrastructure	30
Vehicles	4
Office equipment	5
Computer equipment	3

M. Right to Use Assets

The City has recorded right to use lease assets as a result of implementing GASB 87. The right to use assets are initially measured at an amount equal to the initial measurement of the related lease liability plus any lease payments made prior to the lease term, less lease incentives, and plus ancillary charges necessary to place the lease into service. The right to use assets are amortized on a straight-line basis over the life of the related lease.

N. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net assets that applies to future periods and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City has the following items that qualify for reporting in this category:

- Deferred charges on refunding. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.
- Differences between expected and actual experience with regard to economic and demographic factors in the measurement of the total pension liability and changes of assumptions about future economic or demographic factors or of other inputs. These amounts are deferred and included in collective pension expense, beginning in the current measurement period, using a systematic and rational method over a closed period equal to the average of the expected remaining service lives of all employees that are provided with pensions through the pension plan (active employees and inactive employees) determined as of the beginning of the measurement period.
- Pension contributions subsequent to measurement date related to the net pension liability are reported as deferred outflows of resources until the next measurement date.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net assets that applies to future periods and so will not be recognized as an inflow of resources (revenue) until that time. The City has the following items that qualify for reporting in this category:

- Unavailable revenues are reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from the following sources: 1) Revenues that are not collected during the “availability period”. The City considers grant revenues to be available if they are collected within 90 days of the end of the current fiscal period; 2) An offset account to the long-term notes receivables and special assessments in the governmental funds. 3) Leases are the present value of the payments to be received over the terms of the contracts. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available.
- Differences between expected and actual experience with regard to economic and demographic factors in the measurement of the total pension liability. This amount is deferred and included in collective pension expense, beginning in the current measurement period, using a systematic and rational method over a closed period equal to the average of the expected remaining service lives of all employees that are provided with pensions through the pension plan (active employees and inactive employees) determined as of the beginning of the measurement period.
- Net differences between projected and actual earnings on pension plan investments related to the net pension liability. Net differences between projected and actual earnings on pension plan investments identified during the measurement period are deferred and amortized as a component of pension expense in future periods.

O. Long-Term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond insurance costs are recorded as prepaid items and amortized over the term of the bonds using the bonds outstanding method, which approximates the effective interest method. Other bond issuance costs are expensed as incurred.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

P. Compensated Absences

It is the City's policy to allow employees to accumulate unused vacation benefits up to certain maximum hours. Unused sick leave benefits cannot be accumulated. Unused vacation is paid upon an employee's termination. Earned but unpaid vacation benefits are recognized as an expense or expenditure in the Proprietary and Governmental Fund types when earned because the City has provided financial resources for the full amount through its budget process.

The City's Governmental Funds liability for accrued compensated absences is reported in the General Benefits and Insurance Internal Service Fund. This fund is reimbursed through payroll charges to the City's Governmental Funds. A liability for those amounts is reported in governmental funds only if they have matured as a result of employee resignations or retirements.

Q. Net Position

The government-wide and business-type fund financial statements utilize a net position presentation. Net position is presented in three components – net investment in capital assets, restricted, and unrestricted.

Net Investment in Capital Assets – This component of net position consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes or other borrowings attributable to the acquisition, construction, or improvement of those assets. This component does not include the portion of debt attributable to the unspent proceeds.

Restricted – This component consists of net position that has constraints placed on it either externally by third-parties (creditors, grantors, contributors, or laws or regulations of other governments) or by law through constitutional provisions or enabling legislation.

Unrestricted – This component consists of net position that does not meet the definition of “invested in capital assets (net of related debt)”, and “restricted”.

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as they are needed.

R. Fund Balance

In the fund financial statements, fund balance for governmental funds is reported in classifications that comprise a hierarchy based primarily on the extent to which the City is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Fund balance is reported in five components – nonspendable, restricted, committed, assigned and unassigned.

Nonspendable Fund Balance – consists of amounts that are (a) not in spendable form or (b) legally or contractually required to be maintained intact. “Not in spendable form” includes items that are not

expected to be converted to cash (such as inventories and prepaid items) and long-term loans and notes receivable.

Restricted Fund Balance – consists of amounts that can be spent only for specific purposes stipulated by (a) external resource providers such as creditors (by debt covenants), grantors, contributors, or laws or regulations of other governments or (b) imposed by law through constitutional provisions or enabling legislation.

Committed Fund Balance – consists of amounts that can only be used for specific purposes imposed by formal action (resolution) of the City Commission, the City's highest level of decision making authority. The committed amounts cannot be used for any other purpose unless the City Commission removes or changes the limitation by taking the same form of action (resolution) it employed to previously commit those amounts.

Assigned Fund Balance – consists of amounts that are set aside with the intent to be used for a specific purpose by the City Manager or his designee as authorized in the annual budget resolution. In governmental funds other than the General Fund, assigned fund balance represents the amount that is not restricted or committed. Assigned amounts cannot cause a deficit in unassigned fund balance.

Unassigned Fund Balance – consists of excess amounts that have not been classified in the previous four categories. All funds in this category also provide the resources necessary to meet unexpected expenditures and revenue shortfalls. The General Fund is the only fund that reports a positive unassigned fund balance amount.

When an expenditure is incurred, the City uses restricted amounts first when both restricted and unrestricted fund balances are available. Additionally, the City would first use unassigned fund balance, followed by committed fund balance and then assigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

In a governmental fund other than the General Fund, expenditures incurred for a specific purpose might exceed the amounts in the fund that are restricted, committed, and assigned to that purpose and a negative residual balance for that purpose may result. If that occurs, amounts assigned to other purposes in that fund should be reduced to eliminate the deficit. If the remaining deficit eliminates all other assigned amounts in the fund, or if there are no amounts assigned to other purposes, the negative residual amount should be classified as *unassigned* fund balance. A negative residual amount should not be reported for restricted, committed, or assigned fund balances in any fund.

S. General Fund Revenue Stabilization Fund

Maintaining a General Fund Revenue Stabilization Fund is a necessity for sound financial management and fiscal accountability. The General Fund Revenue Stabilization Fund was established to minimize the impact of declines from economic conditions on major General Fund revenue sources. The General Fund Revenue Stabilization Fund was adopted by Resolution 16R-2544 on December 7, 2015. The General Fund Revenue Stabilization Fund fund balance is committed by the City Commission as set forth in the annual budget (and any amendments thereto) as a means to ensure funding to help mitigate cyclical downturns in the General Fund revenue base. The Revenue Stabilization Fund is based on the following seven principles that will guide the initial funding, subsequent funding, withdrawing and replenishment: (1) The maximum balance of the Revenue Stabilization Fund will be equal to three and a half percent of budgeted General Fund recurring revenues for the then current fiscal year, (2) The Revenue Stabilization Fund was financed initially through an additional transfer of \$590,833 of available resources from the General Fund Unassigned Fund Balance, (3) Subsequent transfers to the Revenue Stabilization Fund may be recommended by the City Manager and be based on the General Fund financial results of the most recently ended fiscal year or included as part of the City Manager's budget recommendations for the upcoming fiscal year, (4) Withdrawals from the Reserve can only be considered if there is an unexpected General Fund recurring revenue decline of at least three percent below the original budget projections for the then current fiscal year, (5) Only one-third of the anticipated General Fund recurring revenue decline can be recovered through a transfer from the Revenue Stabilization Fund in any one fiscal year, (6) No more than twenty-five percent of the balance in the Revenue Stabilization Fund can be withdrawn in any one fiscal year, (7) Withdrawals from the Revenue Stabilization Fund must be approved by the City

Commission as a formal budget action. At September 30, 2022, the reserve had a balance of \$2,664,956.

T. Property Tax Calendar

The City levies property taxes each November 1st, which become a lien on real and personal property located in the City. Property taxes are based on the assessed values determined by the Sarasota County Property Appraiser as of the prior January 1st. The current year's levy is based on taxable assessed property values totaling \$14,741,900,000.

The State of Florida permits the City to levy taxes up to 10 mills of assessed property valuations for the General Fund. For the 2020-21 fiscal year, the City levied taxes of 3.1372 mills for the General Fund and an additional 0.2100 mills for debt service on general obligation bonds.

The Sarasota County Tax Collector collects property taxes on behalf of each municipality within county boundaries. All taxes are due from property owners on March 31st. Taxes become delinquent on April 1st. By May 31st of each year, either all taxes have been collected and remitted to the City or the delinquent taxes are raised by public auction of tax certificates. Due to this arrangement there are no material unremitted tax revenues at the end of the fiscal year. The major dates in this process are listed on the following table.

PROPERTY TAX CALENDAR	
July 1	Assessment roll validated
September 30	Millage resolution approved
October 1	Beginning of City's fiscal year for which tax is to be levied
November 1	Tax bills rendered and due
November 1 - March 31	Property taxes due with various discounts
April 1	Taxes delinquent and property subject to lien
May 31	Tax certificates sold by County

U. Implementation of Governmental Accounting Standards Statements

The following GASB Pronouncements have been issued but are not in effect for the City as of September 30, 2022:

GASB Statement No. 91, *Conduit Debt obligations*. This standard will become effective for fiscal year end September 30, 2023. This standard clarifies the existing definition of a conduit debt obligation, establishes a conduit obligation is not a liability of the issuer, establishes standards for accounting and financial reporting of additional commitments and voluntary commitments and voluntary commitments extended by issuers and arrangements associated with conduit debt obligations, and improving required note disclosures. This standard also addresses arrangements-often characterized as leases-that are associated with debt obligations. This standard is not expected to impact the City's financial statements.

GASB Statement 93, *Replacement of Interbank Offered Rates*. This standard will become effective for fiscal year end September 30, 2022, with the exception of the removal of LIBOR as an appropriate benchmark interest rate which will become effective September 30, 2023. The objective of this Statement is to address accounting and financial reporting implications that result from the replacement of an Interbank offered Rate ("IBOR"). This Statement achieves that objective by: (1) Providing exceptions for certain hedging derivative instruments to the hedge accounting termination provisions when an IBOR is replaced as the reference rate of the hedging derivative instrument's variable payment; (2) Clarifying the hedge accounting termination provisions when a hedged item is amended to replace the reference rate; (3) Clarifying that the uncertainty related to the continued availability of IBORS does not, by itself, affect the assessment of whether the occurrence of a hedged expected transaction is probable; (4) Removing LIBOR as an appropriate benchmark interest rate for the qualitative evaluation of the effectiveness of an interest rate swap; (5) Identifying a Secured Overnight Financing Rate and the Effective Federal Funds Rate as appropriate benchmark interest rates for the qualitative evaluation of the effectiveness of an

interest rate swap; and(6) Clarifying the definition of reference rate, as it is used in Statement 53, as amended. This standard is not expected to impact the City's financial statements.

GASB Statement 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*. This standard will become effective for fiscal year end September 30, 2023. The objective of this Statement is to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements ("PPPs"). This Statement also provides guidance for accounting and financial reporting for availability payment arrangements ("APAs"). The requirements of this Statement will improve financial reporting by establishing the definitions of PPPs and APAs and providing uniform guidance on accounting and financial reporting for transactions that meet those definitions. This standard is not expected to impact the City's financial statements.

GASB Statement 96, *Subscription-Based Information Technology Arrangements*. This standard will become effective for fiscal year end September 30, 2023. This Statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements ("SBITAs") for government end users (governments). This Statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset-an intangible asset-and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. To the extent relevant, the standards for SBITAs are based on the standards established in Statement No. 87, *Leases*, as amended. This standard is not expected to impact the City's financial statements.

GASB Statement 100, *Accounting Changes and Error Corrections – An Amendment of GASB Statement No. 62*. The standard will become effective for fiscal year end September 30, 2024. This Statement defines accounting changes as changes in accounting principles, changes in accounting estimates, and changes to or within the financial reporting entity and describes the transactions or other events that constitute those changes. As part of those descriptions, for (1) certain changes in accounting principles and (2) certain changes in accounting estimates that result from a change in measurement methodology, a new principle or methodology should be justified on the basis that it is preferable to the principle or methodology used before the change. That preferability should be based on the qualitative characteristics of financial reporting—understandability, reliability, relevance, timeliness, consistency, and comparability. This Statement also addresses corrections of errors in previously issued financial statements. This standard is not expected to impact the City's financial statements.

GASB Statement 101, *Compensated Absences*. The standard will become effective for fiscal year end September 30, 2024. This Statement requires that liabilities for compensated absences be recognized for (1) leave that has not been used and (2) leave that has been used but not yet paid in cash or settled through noncash means. A liability should be recognized for leave that has not been used if (a) the leave is attributable to services already rendered, (b) the leave accumulates, and (c) the leave is more likely than not to be used for time off or otherwise paid in cash or settled through noncash means. Leave is attributable to services already rendered when an employee has performed the services required to earn the leave. Leave that accumulates is carried forward from the reporting period in which it is earned to a future reporting period during which it may be used for time off or otherwise paid or settled. In estimating the leave that is more likely than not to be used or otherwise paid or settled, a government should consider relevant factors such as employment policies related to compensated absences and historical information about the use or payment of compensated absences. However, leave that is more likely than not to be settled through conversion to defined benefit postemployment benefits should not be included in a liability for compensated absences. This standard is not expected to impact the City's financial statements.

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. Budgetary information

Annual budgets are adopted on a basis consistent with generally accepted accounting principles for the General Fund, all special revenue and debt service funds, and the Penny Sales Tax Capital Projects Fund. All other capital projects funds adopt project-length budgets.

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

1. No later than the first regular City Commission meeting of September, the City Manager submits to the City Commission a proposed operating budget for the fiscal year commencing October 1st. The operating budget includes proposed expenditures and the means of financing the expenditures.
2. A public hearing is conducted to obtain taxpayer comments.
3. Prior to October 1st, the budget is legally enacted through passage of a resolution. The budget resolution restricts total expenditures by fund. Expenditures for any year may not exceed current year fund appropriations plus accumulated fund equity.
4. The legal level of budgetary control (i.e., the level at which expenditures may not legally exceed appropriations) is the fund level. Transfers of appropriations between funds require the approval of the City Commission. The transfer of appropriations between line items within the same department can be accomplished with Department Head and Budget Director approval.
5. All unencumbered and unexpended appropriations lapse at fiscal year-end. Encumbered appropriations also lapse, but may be honored by additional appropriations in the subsequent year's budget.
6. The City Commission has the power to revise its budget appropriations by resolution from time to time during the fiscal year; however, no revision may be made by transferring any encumbered funds unless such funds are first released or discharged from any such encumbrance.
7. Formal budgetary integration is employed as a management control device during the year for the general, special revenue and capital projects funds.
8. Budgets for the general, special revenue, debt service and capital projects funds are adopted on a basis consistent with generally accepted accounting principles (GAAP).

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is employed as an extension of formal budgetary integration in the general, special revenue and capital projects funds. Encumbrances outstanding at year-end are reported as assigned fund balance since they do not constitute expenditures or liabilities. Encumbrances which the City intends to honor are appropriated as part of the subsequent year's budget.

Budgeted amounts are as originally adopted or amended by the City. Supplemental appropriations made during the fiscal year are included in the "Final Budget" columns on the statement of revenues, expenditures and changes in fund balances-budget and actual.

B. Deficit fund equity

The *Glen Oaks Debt Service Fund* had a deficit fund balance of \$78,671. This deficit will be eliminated with the collection of special assessments and interest earnings. The *Equipment Maintenance Internal Service Fund* had a net deficit fund balance of \$(518,828). The deficit in this fund was due to the allocation of its share of net pension liability for the General Employees' Pension Plan. The deficit will be eliminated by future revenues. The Municipal Auditorium Enterprise Fund had a net deficit Net Position of \$47,198. This is due to a change in classification from an Enterprise Fund to a division within the City's

General Fund. This change was considered to be more appropriate due to consistent subsidies from the General Fund to the Municipal Auditorium. The deficit net position is due to depreciation expenses charged in a proprietary fund that was reclassified to a governmental fund.

The remainder of this page is intentionally left blank.

NOTE 3 - DEPOSITS AND INVESTMENTS

Cash and cash equivalents include cash on hand, amounts in demand and time deposits and short-term investments with original maturity dates within three months of the date acquired by the city. All of the City's deposits are held in qualified public depositories pursuant to Florida Statutes, Chapter 280, *Florida Security for Public Deposits Act*. Under the Act, all qualified public depositories are required to pledge eligible collateral having a fair value equal to or greater than the average daily or monthly balance of all public deposits, times the depository's collateral pledging level. The pledging level may range from 50% to 125% depending upon the depository's financial condition and establishment period. All collateral must be deposited with an approved financial institution. Any losses to public depositors are covered by applicable deposit insurance, sale of securities pledged as collateral and, if necessary, assessments against other qualified public depositories of the same type as the depository in default. When public deposits are made in accordance with Chapter 280, no public depositor shall be liable for any loss thereof.

The City maintains a cash and investment pool that is available for use by all funds, except the Pension Trust Funds. The deposits and investments of the Pension Trust Funds are held separately from those of other City funds. Interest income earned as a result of pooling is distributed monthly to the appropriate funds based on average daily balances.

The City's investment guidelines have been defined in a written investment policy and approved by the City Commission. The guidelines specify limits by instrument, and establish a diversified investment strategy and a minimum credit quality. It applies to all funds except the Pension Trust Funds. The direction of investment strategies, within policy limits, is established by an internal investment committee that meets quarterly.

The City's investment manager is authorized to invest in the State Board of Administration's Local Government Investment Pool (Florida Prime Fund), U.S. Government Securities, U.S. Government Agencies, Interest Bearing Time Deposit or Savings Accounts, Repurchase Agreements, Commercial Paper, State and/or Local Government Taxable and/or Tax-Exempt Debt, Intergovernmental Investment Pools, Corporate Obligations, FDIC Corporate Obligations, Supranationals, Asset-Backed Securities and Mortgage-Backed Securities (MBS). According to City policies, the Pension Trust Funds are also authorized to invest in common and preferred stock, mutual funds, convertible debentures, commercial paper, corporate bonds, foreign securities, real estate, and money market funds.

The Florida Prime Fund meets the criteria of an external investment pool that measures all of its investments at amortized cost for financial reporting purposes. The Florida Prime Fund is administered by the State Board of Administration and was created by Section 218.415, Florida Statutes. This investment pool operates under investment guidelines established by Section 215.47, Florida Statutes.

Fair Value Measurement of Investments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is also an exit price at a measurement date from the perspective of a market participant that controls the asset or is obligated for the liability.

The City uses fair value measurements for the initial recording and subsequent periodic remeasurement of certain assets on a recurring basis. Additionally, the City may be required to record at fair value other assets on a nonrecurring basis. The nonrecurring fair value adjustments typically involve application of lower-of-cost-or-fair-value or asset-impairment accounting.

The City holds less complex types of investments, which are measured at fair value on a recurring basis. The City categorizes its fair value measurements within the fair value hierarchy established by GASB Statement No. 72. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant observable inputs; and Level 3 inputs are significant unobservable inputs.

A. City of Sarasota

As of September 30, 2022, the City had the following cash, cash equivalents and investments:

Portfolio / Investments	Fair Value	Weighted Average Maturity (Years)
Cash Deposits	\$ 32,910,470	Not Applicable
Money Market Funds	1,919,327	0.01
Federal Agency Bonds/Notes	16,885,206	0.95
Federal Agency Commercial	11,486,625	2.26
Agency Mortgage-Backed Securities	4,158,712	6.87
Agency Collateralized Mortgage Obligations	1,951,951	4.43
Corporate Notes	44,660,833	2.23
Municipal Obligations	2,174,781	1.60
U.S Treasury Bonds/Notes	70,978,819	1.87
Supra-National Agency Bonds/Notes	7,462,961	1.12
Asset Backed Securities	11,833,400	2.24
Investment pools:		
Florida Palm	27,097,582	Not Applicable
Florida Prime	33,507,049	Not Applicable
Total Cash & Investments	\$ 267,027,716	
Portfolio weighted average maturity		2.04

City investments include cash and investments for the Primary Government, Component Units and Custodial Funds as follows:

Primary Government		
Statement of Net Position		
Cash and Cash Equivalents	\$	34,646,593
Investments		230,745,302
Component Units		
Cash and Cash Equivalents		173,736
Investments		1,377,531
Custodial Funds		
Cash and Cash Equivalents		9,469
Investments		75,085
Total	\$	267,027,716

Interest Rate Risk

Interest rate risk exists when there is a possibility that changes in interest rates could adversely affect an investment's fair value. When interest rates increase, the value of fixed rate securities fall. The inverse is also true, as interest rates fall, the value on fixed rate securities increase. The City manages its exposure to declines in fair values by decreasing the weighted average maturity of its investment portfolio during periods of rising interest rates. The City's investment policy generally limits the weighted average maturity of the portfolio to a period of five years or less.

Credit Risk

Credit quality risk results from potential default of investments that are not financially sound. The investment policy limits investments in commercial paper to A-1/P-1 rated paper with the aggregate value not to exceed twenty percent of the total portfolio. The City's investments in United States Government Securities, United States Agencies, Federal Instrumentalities and Mortgage-Backed Securities are rated AA+ by Standard & Poor's and Aaa by Moody's Investors Service. Money market funds are invested with financial institutions that comply with Chapter 280 of Florida Statutes, whereby the City is made whole by all participating banks should a principal loss be incurred by the City. Investments in Florida Prime are rated AAA by Standard & Poor's.

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributable to the quantity of the government's investment in a single issuer. The City's investment policy allows for investing in a variety of securities based on the issuer. The allowable concentration in any one issuer is based on the type of issuer - i.e., 25% for Mortgage-Backed Securities, 25% for the Florida Prime Fund, Interest Bearing Time Deposit or Savings Accounts, 50% Intergovernmental Investment Pools, 75% for United States Government Agencies, and up to 100% for United States Government Securities.

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. All United States Government securities, United States Government Agencies, and Mortgage-Backed securities are held by a third party custodial entity in the name of the City.

Foreign Currency Risk

Foreign currency risk is the risk that changes in exchange rates will adversely affect the fair value of an investment. The City's investment policy does not permit investments in foreign securities.

Fair Value Measurement of Investments

The City has the following recurring fair value measurements as of September 30, 2022:

Investments	Fair Value	Level	
		1	2
Federal Agency Bonds/Notes	\$ 16,885,206	\$ -	\$ 16,885,206
Federal Agency Commercial	11,486,625	-	11,486,625
Agency Mortgage-Backed Securities	4,158,712	-	4,158,712
Agency Collateralized Mortgage Obligations	1,951,951	-	1,951,951
Corporate Notes	44,660,833	-	44,660,833
Municipal Obligations	2,174,781	-	2,174,781
U.S Treasury Bonds/Notes	70,978,819	70,978,819	-
Supra-National Agency Bonds/Notes	7,462,961	-	7,462,961
Asset Backed Securities	11,833,400	-	11,833,400
Total Investments by Fair Value Level	<u>\$ 171,593,288</u>	<u>\$ 70,978,819</u>	<u>\$ 100,614,469</u>
Investments Measured at Amortized Cost:			
Florida Palm	27,097,582		
Florida Prime	33,507,049		
	<u>60,604,631</u>		
Total Investments	<u>\$ 232,197,919</u>		

Debt securities classified in Level 1 are valued using prices quoted in active markets for those securities. Debt securities classified in Level 2 are valued using the following approaches:

- Federal Agency Bonds/Notes, Agency Mortgage-Backed Securities, Supra-National Agency Bonds/Notes, and Asset Backed Securities; Commercial Paper; quoted prices for identical securities in markets that are not active;
- Corporate and Municipal Bonds: quoted prices for similar securities in active markets;
- Agency Collateralized Mortgage Obligations: matrix pricing based on the securities' relationship to benchmark quoted prices.

Investments in Florida Prime are valued at amortized cost and are not subject to the fair value hierarchy. There are no limitations or restrictions on participant withdrawals, including items such as redemption notices, maximum transaction amounts, and Florida Prime's authority to impose liquidity fees or redemption gates.

B. General Employees' Defined Benefit Pension Plan

As of September 30, 2022, the General Employees' Defined Benefit Pension Plan had the following cash, cash equivalents and investments:

<u>Portfolio / Investments</u>	<u>Fair Value</u>	<u>Duration (Years)</u>
Cash Deposits	\$ 452,926	Not Applicable
Money market funds	4,452,607	Not Applicable
U.S. Government securities	11,451,724	5.19
Common and preferred stock	67,128,765	Not Applicable
Corporate bonds and notes	5,474,845	4.36
Real estate funds	21,085,248	Not Applicable
Mortgage backed securities	7,505,441	25.49
Collateralized mortgage obligations	1,570,609	24.53
Other equities	7,857,688	Not Applicable
Foreign stocks	22,190,836	Not Applicable
Total Cash & Investments	<u>\$ 149,170,689</u>	

Interest Rate Risk

The Plan manages exposure to declines in fair values through other methods such as evaluating the credit rating, diversifying the investments in the portfolio, and outside portfolio consulting. The Plan does not limit the weighted average maturity of its investment portfolio.

Custodial Credit Risk

For an investment, this is the risk that, in the event of the failure of the counterparty, the Plan will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Plan does not believe that they have a custodial risk exposure as all their securities are insured, registered, and held by an outside custodian.

Concentration of Credit Risk

The Plan does not allow for any investment in more than 10% (at fair value) of an investment manager's equity portfolio to be invested in the shares of a single corporate issuer. Investments in equity securities shall not exceed 75% of the fair value of the total Plan assets. With the exception of Treasury and agency obligations, no more than 10% (at cost) of any investment manager's total fixed income portfolio shall be invested in the securities of a single issuer. No more than 17.5% (at fair value) of the Plan's assets may be invested in securities issued by corporations domiciled outside the United States.

Credit Risk

The Plan must operate in compliance with all applicable State and Federal laws concerning the investment of pension assets. All equity investments are limited to those issues that are traded on a major stock exchange or in over-the-counter securities for which there is an active market maker regulated by the NASD. Investments in corporate fixed income securities must hold a rating in one of the three highest classifications by a major rating service. If commercial paper is used, it must be rated A-1 or P-1. Ratings for the Plan's applicable securities are as follows:

	<u>September 30, 2022, Credit Ratings</u>	
	<u>S&P</u>	<u>Moody's</u>
US Government Securities	AA+	Aaa
US Government Agency Securities	AAA	Aaa...NR
Corporate Bonds	AA...BBB	Aaa...Baa2

Foreign Currency Risk

Foreign currency risk is the risk that changes in exchange rates will adversely affect the fair value of an investment. The Plan does not have a policy that addresses the risks associated with investments in foreign currency. As of September 30, 2022 and 2021, the Plan held \$22,190,836 and \$31,320,084 in international investments, representing approximately 14.92% and 17.24% respectively of total Plan investments. The aggregate investment in Foreign Stocks exceeded the Plan's asset allocation policy of 10%; however, was below the Plan's 17.5% limit for investments in securities issued by corporations

domiciled outside the United States for both years. The largest concentration of investments in Foreign Stocks with one manager was \$9,571,987 and \$12,926,841 as of September 30, 2022 and 2021, respectively. Most of the international investments are denominated in U.S. dollars, therefore minimizing the foreign currency risk.

Fair Value Measurement of Investments

The Plan has the following recurring fair value measurements as of September 30, 2021:

Investments	Fair Value	Level		
		1	2	3
Debt Securities:				
US Government Securities	\$ 11,451,724	\$ 1,799,267	\$ 9,652,457	\$ --
Mortgage Backed Securities	7,505,441	--	7,505,441	--
Collateralized mortgage obligations	1,570,609	--	1,570,609	--
Corporate Bonds and Notes	5,474,845	--	5,474,845	--
Total Debt Securities	26,002,619	1,799,267	24,203,352	--
Common and Preferred Stock	67,128,765	67,128,765	--	--
Real Estate Funds	10,521,599	--	--	10,521,599
Foreign Stocks	22,190,836	11,192,299	10,998,537	--
Other Equities	7,857,688	7,857,688	--	--
Total Investments by Fair Value Level	\$ 133,701,507	\$ 87,978,019	\$ 35,201,889	\$ 10,521,599

Investments Measured at Net Asset Value (NAV):

Real Estate Funds	<u>10,563,649</u>
-------------------	-------------------

Investments Not Subject to Level Disclosure:

Money Market Funds	<u>4,452,607</u>
--------------------	------------------

Total Investments	<u>\$ 148,717,763</u>
--------------------------	------------------------------

Debt and equity securities classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Debt securities classified in Level 2 of the fair value hierarchy are valued using a matrix pricing technique for similar securities. Matrix pricing is used to value securities based on the securities relationship to benchmark quoted prices. Real estate funds classified in Level 3 are valued using independent appraisers to determine the fair value of the investments in the fund.

The valuation method for investments measured at the net asset value (NAV) per share (or its equivalent) is presented on the following table:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Investments Measured at Net Asset Value (NAV):				
Real Estate Funds (1)	<u>\$ 10,563,649</u>	\$ -	Quarterly	45 days
Total Investments Measured at NAV	<u>\$ 10,563,649</u>			

(1) *Real estate funds.* This type includes real estate funds that invest primarily in U.S. commercial real estate. The fair values of the investments in this type have been determined using the NAV per share (or its equivalent) of the Plan's ownership interest in partners' capital. Capital commitments are accepted by the fund quarterly and are generally called from investors pro rata in the order of the quarter in which they are received. Shares are generally issued quarterly 45 days after quarter-end when that quarter's price per share is published. Redemption requests must be received by the Fund 45 days prior to quarter end, and to the extent the fund has liquid assets, redemption requests will be redeemed after quarter end when that quarter's per share price is published. Because it is not probable that any individual investment will be

sold, the fair value of each individual investment has been determined using the NAV per share (or its equivalent) of the Plan's ownership interest in partners' capital.

C. Firefighters' Defined Benefit Pension Plan

As of September 30, 2022, the Firefighters' Defined Benefit Pension Plan had the following cash, cash equivalents and investments:

<u>Portfolio / Investments</u>	<u>Fair Value</u>	<u>Weighted Average Maturity (Years)</u>
Cash Deposits	\$ 147,421	N/A
Money Market Funds	4,207,710	N/A
U.S. Government agency securities	8,197,114	12.709
Common Stock	83,420,064	N/A
Corporate Bonds and Notes	20,461,844	8.196
Stock Mutual Funds	1,692,023	N/A
Real Estate Funds	22,043,991	N/A
Mortgage Backed Securities	2,110,363	29.716
Municipal Securities	218,535	18.268
Foreign Stocks	14,878,397	N/A
Foreign Bonds	295,362	1.170
Total Cash & Investments	\$ 157,672,824	

Concentration

As of September 30, 2022, the Fund held investments in one real estate fund with a fair value of \$16,159,196.

Interest Rate Risk

The Plan manages exposure to declines in fair values through other methods such as evaluating the credit rating, diversifying the investments in the portfolio, and outside portfolio consulting. The Plan does not limit the weighted average maturity of its investment portfolio.

Credit Risk

The Plan limits its short term investments to the following: money market or short term investment fund provided by the funds custodian; direct obligations of the United States Government with a maturity of one year or less; commercial paper issued by United States Corporations which have a maturity of 270 days or less and that is rated A-1 or higher by Standard & Poor's or P-1 or higher by Moody's; and Bankers Acceptances issued by the largest fifty banks in the United States. All equity investments are limited to fully and easily negotiable equity securities. All equity investments are limited to those issues that are traded on a major stock exchange. Investments in corporate fixed income securities are limited to those securities rated "A" or higher by Moody's or Standard & Poor's rating services. Investments in collateralized mortgage obligations are limited to those issues backed by the full faith of the United States Government, an Agency thereof, or are rated AAA by a major rating service and PAC (planned amortization class), NAC (non-accelerated securities) or VADM (very accurately defined maturity) securities.

	<u>September 30, 2022, Credit Ratings</u>	
	<u>S&P</u>	<u>Moody's</u>
Government securities	-	Aaa
Municipal securities	AAA	A2
Mortgage backed securities	AAA	Aaa
Corporate bonds and notes	AAA...CCC+	Aaa...Baa1

Concentration of Credit Risk

The Plan does not allow for any investment in more than 6% (at fair value) of an investment manager's equity portfolio to be invested in the shares of a single corporate issuer. Investments in the shares of companies that have been publicly traded for less than one year are limited to no more than 10% of an investment manager's portfolio. Investments in securities (stocks, bonds, and cash equivalents) issued by corporations domiciled outside the United States shall not exceed 10% (at cost) of the Fund's total fair value. No more than 10% (at cost) of any investment manager's total fixed income portfolio shall be invested in the securities of any single corporate issuer. No more than 10% (at time of purchase) of the Fund's total fair value may be invested in real estate investments. All real estate investments are to be made through participation in diversified commingled funds of real properties. Real estate investments shall be broadly diversified as to property type and location.

The Plan has concentrated its risk for cash by maintaining deposits which may at times exceed amounts covered by the Federal Deposit Insurance Corporation (FDIC). The Fund has not incurred losses related to these and believes it is not exposed to any significant risk on cash.

Custodial Credit Risk, Investments

For an investment, this is the risk that, in the event of the failure of the counterparty, the Plan will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Plan does not believe that they have a custodial risk exposure as all their securities are insured, registered, and held by an outside custodian.

Foreign Currency Risk

Investment in securities issued by foreign governments or corporations domiciled outside of the United States shall not exceed 25% of the Fund's total fair value.

Fair Value Measurement of Investments

The Plan has the following recurring fair value measurements as of September 30, 2022:

Investments	Fair Value	Level		
		1	2	3
Debt Securities				
U.S. Government agency securities	\$ 8,197,114	\$ 1,931,257	\$ 6,265,857	\$ --
Municipal Securities	218,535	--	218,535	--
Mortgage Backed Securities	2,110,363	--	2,110,363	--
Corporate Bonds and Notes	20,461,844	--	20,461,844	--
Foreign Bonds	295,362	--	295,362	--
Total Debt Securities	<u>31,283,218</u>	<u>1,931,257</u>	<u>29,351,961</u>	<u>--</u>
Common Stock	83,420,064	74,721,756	8,698,308	--
Foreign Equities	14,878,397	9,606,552	5,271,845	--
Equity Mutual Funds	1,692,023	1,692,023	--	--
Real Estate Funds	22,043,991	--	--	22,043,991
Total Investments by Fair Value Level	<u>\$ 153,317,693</u>	<u>\$ 87,951,588</u>	<u>\$ 43,322,114</u>	<u>\$ 22,043,991</u>
Investments Not Subject to Level Disclosure				
Money Market Funds	<u>4,207,710</u>			
Total Investments	<u>\$ 157,525,403</u>			

Debt and equity securities classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Debt securities classified in Level 2 of the fair value hierarchy are valued using a matrix pricing technique. Matrix pricing is used to value securities based on the securities' relationship to benchmark quoted prices. Real estate funds classified in Level 3 are valued using independent appraisers to determine the fair value of the investments in the fund.

D. Police Officers' Defined Benefit Pension Plan

As of September 30, 2022, the Police Officers' Defined Benefit Pension Plan had the following cash, cash equivalents and investments:

Portfolio / Investments	Fair Value	Duration (Years)
Cash Deposits	\$ 535,558	N/A
Money Market Funds	6,453,031	N/A
U. S. Government Securities	24,700,757	10.08
Common Stock	153,555,937	N/A
Corporate Bonds	34,747,864	5.19
Real Estate Mutual Funds	27,745,115	N/A
Mortgage and Asset Backed Securities	11,332,207	11.69
Municipal Securities	1,075,618	15.05
Foreign Mutual Funds	2,414,259	N/A
Total Cash & Investments	\$ 262,560,346	

Concentration

As of September 30, 2022, the Plan held investments in two funds with aggregate amounts exceeding 5% of the fair value of the Fund's assets. One equity mutual fund had a fair value totaling \$35,149,056 and one real estate mutual fund had a fair value of \$27,745,115 as of September 30, 2022. The September 30, 2022 investment compliance report did not identify a concentration with any individual issuer in excess of investment policy guidelines.

Duration

Duration is the measure of a fixed income's cash flows using present value, weighted for cash flows as a percentage of the investment's full price. Effective duration makes assumptions regarding the most likely timing and amounts of variable cash flows arising from such investments as callable bonds, prepayments and variable-rate debt. All investments of the Plan are held by the Plan or its agent in the Plan's name.

Credit Risk

The Plan limits its short-term investments to the following: money market or short-term investment funds provided by the funds custodian; commercial paper issued by United States Corporations which have a majority of 270 days or less and a rating of A-1 or higher by Standard & Poor's or B-1 or higher by Moody's. All equity investments are limited to fully and easily negotiable equity securities. In addition, investments in the shares of companies that have been publicly traded for less than one year are limited to no more than 15% of the fair value of an investment manager's total equity portfolio. Investments in corporate fixed income securities are limited to those securities rate "A" or higher by Moody's or Standard & Poor's rating services. Investments in Collateralized Mortgage Obligations are limited to 25% of the fair value of the investment manager's total portfolio and are restricted to those issues backed by the full faith or United States Government, and Agency thereof, or are rated AAA by a major rating service and PAC (planned amortization class), NAC (non-accelerated securities) or VADM (very accurately defined maturity) securities. Ratings for the Plan's applicable securities are as follows:

	September 30, 2022, Credit Ratings	
	S&P	Moody's
US Government Securities	AA+	Aaa
Corporate Bonds	AAA...BBB+	Aaa...Baa1

Rating information for mortgage and asset backed securities and bond mutual funds was not provided. No investments for which ratings were received were risk rated below investment policy guidelines as described above. The investment policy requires fixed income securities which are downgraded below the minimum rating by both Moody's and Standard & Poor's shall be sold at the earliest beneficial opportunity. Investment positions are reviewed by the Board of Trustees at their regular meetings.

Interest Rate Risk

The Plan manages its exposure to declines in fair values through other methods such as evaluating the credit rating, diversifying the investments in the portfolio, and outside portfolio consulting. The Plan does

not limit the weighted average maturity of its investment portfolio.

Concentration of Credit Risk

The Plan states that no more than 5% (at fair value) of an investment manager's equity portfolio may be invested in the shares of a single corporate issuer. Investments in equity securities shall not exceed 75% of the fair value of the total Plan assets. Investments in convertible securities (classified as equity investments) and are limited to 25% of the Plan's total portfolio value and no more than 10% of each investment managers convertible portfolio may be invested in shares of a single corporate issuer.

No more than 10% (at fair value) of an investment manager's total fixed income portfolio shall be invested in the securities of any single corporate issuer. Investments in securities (stocks, bonds and cash equivalents) issued by foreign governments or corporation domiciled outside the United States shall not exceed 25% of the fair value of Plan assets. Investments in real estate shall not exceed 15% (at fair value) of the value of the total Plan assets.

The Plan maintains cash deposits at financial institutions which may, at times, exceed amounts covered by the Federal Deposit Insurance Corporation (FDIC). The plan has not experienced any losses in such accounts and believes they are not exposed to any significant credit risk to cash.

Custodial Credit Risk

For an investment, this is the risk that in the event of the failure of the counterparty, the Plan will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The Plan does not believe it has a custodial risk exposure as all its securities are insured, registered and held by an outside custodian.

Foreign Currency Risk

The Board of Trustees retains outside investment managers with the Fund's written investment policy. The Fund's Investment policy states that investments in securities issued by foreign governments or corporation domiciled outside the United States shall not exceed 25% of the fair value of Fund assets. The investment policy specifically prohibits certain investments including interest rate swaps, limited partnerships of any kind, venture capital, and futures contracts. The investment policy also prohibits trading on margin and short selling.

Fair Value Measurement of Investments

The Plan has the following recurring fair value measurements as of September 30, 2022:

Investments	Fair Value	Level		
		1	2	3
Debt Securities				
US Government Securities	\$ 24,700,757	\$ --	\$ 24,700,757	\$ --
Mortgage and Asset Backed Securities	11,332,207	--	11,332,207	--
Municipal Securities	1,075,618	--	1,075,618	--
Corporate Bonds	34,747,864	2,237,264	32,510,600	--
Total Debt Securities	71,856,446	2,237,264	69,619,182	--
Common Stock	153,555,937	112,734,296	40,821,641	--
Foreign Mutual Funds	2,414,259	--	2,288,492	125,767
Real Estate Mutual Funds	27,745,115	--	--	27,745,115
Total Investments by Fair Value Level	\$ 255,571,757	\$ 114,971,560	\$ 112,729,315	\$ 27,870,882
Investments Not Subject to Level Disclosure				
Money Market Funds	6,453,031			
Total Investments	\$ 262,024,788			

Debt and equity securities classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Debt securities classified in Level 2 of the fair value hierarchy are

valued using a matrix pricing technique. Matrix pricing is used to value securities based on the securities relationship to benchmark quoted prices. Real estate funds classified in Level 3 are valued using independent appraisers to determine the fair value of the investments in the fund.

There were no investments measured at net asset value (NAV) as of September 30, 2022.

(1) *Global opportunities growth*. This type includes investments in one fund that invests in companies large and small primarily located in Europe and the Pacific Basin. At least 80 percent of the funds' investments must be in non-U.S. equities in the financial, information technology, consumer discretionary, industrials, healthcare, consumer staples, materials, energy, telecommunications, utilities and real estate sectors. The fair values of the investments in this type have been determined using the NAV per share (or its equivalent) of the investments.

E. OPEB Trust Fund

As of September 30, 2022, the OPEB Trust Fund had the following cash, cash equivalents and investments:

<u>Portfolio / Investments</u>	<u>Fair Value</u>	<u>Weighted Average Maturity (Years)</u>
Cash Deposits	\$ 490,348	Not Applicable
Money Market Funds	1,295,087	Not Applicable
U.S. Government Securities	3,583,799	0.55
U.S. Government Agency Securities	6,145	0.01
Common Stock Domestic	27,699,923	Not Applicable
Corporate Bonds Domestic	6,916,052	1.65
Real Estate Funds	5,797,942	Not Applicable
Common Stock Foreign	5,294,673	Not Applicable
Corporate Bonds Foreign	215,644	0.02
Total Cash & Investments	<u>\$ 51,299,613</u>	
Portfolio weighted average maturity		2.23

Interest Rate Risk

The Plan manages exposure to declines in fair values through other methods such as evaluating the credit rating, diversifying the investments in the portfolio, and outside portfolio consulting. The Plan does not limit the weighted average maturity of its investment portfolio.

Credit Risk

The Plan limits its fixed income investments to marketable debt securities issued or guaranteed by the United States Government or its agencies, domestic corporations, asset-backed and commercial mortgage-backed securities, domestic banks and other US financial institutions. All securities must hold a rating in one of the 3 highest classifications by a major rating service. If commercial paper is used it must be rated A-1 or P-1. All equity securities are limited to securities listed on the New York, American and principal regional and foreign exchanges, and in over-the-counter securities for which there is an active market maker regulated by the NASD.

Concentration of Credit Risk

The Plan does not allow for any investment in more than 5% (at fair value) of an investment manager's equity portfolio to be invested in the shares of a single corporate issuer. Investments in equity securities shall not exceed 70% of the fair value of the total Plan assets. Except for Treasury and agency obligations, no more than 10% (at cost) of any investment manager's total fixed income portfolio shall be invested in the securities of a single issuer. No more than 10% (at fair value) of the Funds' assets may be invested in securities issued by corporations domiciled outside the United States.

Custodial Credit Risk

For an investment, this is the risk that, in the event of the failure of the counterparty, the Plan will not be able to recover the value of its investments or collateral securities that are in the possession of an outside

party. The Plan does not believe that they have a custodial risk exposure as all their securities are insured, registered, and held by an outside custodian.

Foreign Currency Risk

Foreign currency risk is the risk that changes in exchange rates will adversely affect the fair value of an investment. The plan does not have a policy that addresses the risks associated with investments in foreign currency. The trust fund holds \$5,510,317 in foreign investments. This amount represents approximately 11 % of total trust fund investments. Many of the foreign investments are denominated in U.S. dollars, therefore minimizing the foreign currency risk.

Fair Value Measurement of Investments

The Plan has the following recurring fair value measurements as of September 30, 2022:

Investments	Fair Value	Level		
		1	2	3
U.S. Government Securities	\$ 3,583,799		\$ 3,583,799	
U.S. Government Agency Securities	6,145		6,145	
Common Stock Domestic	27,699,923	27,699,923		
Corporate Bonds Domestic	6,916,052		6,916,052	
Common Stock Foreign	5,294,673	5,294,673		
Corporate Bonds Foreign	215,644		215,644	
Private Real Estate Fund	5,797,942			5,797,942
Total Investments by Fair Value Level	<u>\$ 49,514,178</u>	<u>\$ 32,994,596</u>	<u>\$ 10,721,640</u>	<u>\$ 5,797,942</u>

Common, preferred and foreign stock classified in Level 1 are valued using prices quoted in active markets for those securities. Debt securities classified in Level 2 are valued using the following approaches:

- U.S. Government, U.S. Government Agency, and Mortgage Backed Securities: quoted prices for identical securities in markets that are not active;
- Corporate Bonds: quoted prices for similar securities in active markets;
- Foreign Bond Mutual Funds: published fair value per share (unit) for each fund.

Private Real Estate Fund classified in Level 3 are valued using independent appraisers to determine the fair value of the investments in the fund.

F. General Employees Defined Contribution Retirement Plan

As of September 30, 2022, the General Employees Defined Contribution Retirement Plan had the following cash, cash equivalents and investments:

Portfolio/Investments	Fair Value	Weighted Average Maturity (Years)
Cash and Cash Equivalents	\$ -	Not Applicable
Stock mutual funds	14,678,946	Not Applicable
Bond mutual funds	2,923,548	10.12
Foreign mutual funds	874,850	Not Applicable
Total Cash & Investments	<u>\$ 18,477,344</u>	
Portfolio weighted average maturity		10.12

The General Employees Defined Contribution Plan utilizes the same investment guidelines as those used for the General Employees' Pension Plan investments. Interest rate risk, credit risk, concentration of credit risk, custodial credit risk, and foreign currency risk are the same as those that have been disclosed for City investments.

Fair Value Measurement of Investments

The Plan has the following recurring fair value measurements as of September 30, 2022:

Investments	Fair Value	Level	
		1	2
Stock Mutual Funds	\$ 14,678,946	\$ --	\$ 14,678,946
Bond Mutual Funds	2,923,548	--	2,923,548
Foreign Mutual Funds	874,850	--	874,850
Total Investments by Fair Value Level	<u>\$ 18,477,344</u>	<u>\$ --</u>	<u>\$ 18,477,344</u>

Domestic, Bond and Foreign Mutual Funds classified in Level 2 are valued using published fair value per share (unit) for each fund.

G. Discretely Presented Component Units

The *St. Armands Business Improvement District and Downtown Improvement District* utilizes the same investment guidelines as those used for City investments. Interest rate risk, credit risk, concentration of credit risk, custodial credit risk, and foreign currency risk are the same as those that have been disclosed for City investments.

Reconciliation of Cash and Investments

A reconciliation of cash and investments as shown on the Statement of Net Position and Statement of Fiduciary Net Position follows:

	Statement of Net Position	Statement of Fiduciary Net Position	Total
Primary Government			
Cash and cash equivalents	\$ 34,646,593	\$ 1,635,722	\$ 36,282,315
Investments	230,745,302	637,629,648	868,374,950
Total	<u>\$ 265,391,895</u>	<u>\$ 639,265,370</u>	<u>\$ 904,657,265</u>
Component Unit			
Cash and cash equivalents	\$ 173,736		\$ 173,736
Investments	1,377,531		1,377,531
Total	<u>\$ 1,551,267</u>		<u>1,551,267</u>
Total			<u><u>\$ 906,208,532</u></u>

NOTE 4 - RECEIVABLES AND UNEARNED REVENUE

A. Receivables

Receivables as of year-end for the City's governmental activities, individual major governmental funds, nonmajor governmental funds in the aggregate, internal service funds in the aggregate and applicable allowances for uncollectible accounts, are as follows (no allowance for uncollectibles was needed):

	Accounts	Interest	Notes	Special Assessment	Leases	Total
General Fund	\$ 2,342,521	\$ 135,895	\$ --	\$ --	\$ 4,163,514	\$ 6,641,930
Community Redevelopment	--	8,259	--	--	--	8,259
Housing and Community Devl	3,450	13,111	--	--	--	16,561
Penny Sales Tax	--	43,208	--	--	--	43,208
Building Services Fund	--	32,573	--	--	--	32,573
Tourist Development Tax	--	4,980	--	--	--	4,980
Nonmajor Governmental Funds	88,697	89,163	141,713	79,986	--	399,559
Internal Service Funds	58,874	49,717	--	--	--	108,591
Total receivables	\$ 2,493,542	\$ 376,906	\$ 141,713	\$ 79,986	4,163,514	\$ 7,255,661

The interfund receivable in the General Fund was partially eliminated in the conversion from governmental funds balance sheet and internal service funds statement of net position to the governmental activities statement of net position.

Receivables for the City's business-type activities, including individual major funds and allowances for uncollectibles accounts are as follows:

	Water and Sewer	Van Wezel	Solid Waste	Parking Management	Bobby Jones Reconstruction	Other Funds	Total
Receivables-unrestricted:							
Accounts (billed)	\$ 3,556,739	\$ 404,088	\$ 709,254	\$ 61,041	\$ --	\$ --	\$ 4,731,122
Accounts (unbilled)	2,369,840	--	--	--	--	--	2,369,840
Allowance for uncollectibles	(340,856)	--	(120,500)	(27,276)	--	--	(488,632)
Accounts (net)	5,585,723	404,088	588,754	33,765	--	--	6,612,330
Interest	122,442	36,982	15,853	2,888	74,872	265	253,302
Receivables-Restricted:							
Interest	13,176	--	--	813	--	--	13,989
Total receivables (net)	\$ 5,721,341	\$ 441,070	\$ 604,607	\$ 37,466	\$ 74,872	\$ 265	\$ 6,879,621

B. Special assessments receivable

Glen Oaks Estates Special Assessment

In 2011, the City Commission approved to design and construct a privacy wall and related improvements for the Glen Oaks Estates Subdivision with a special assessment. The assessment was levied against the property located within the Glen Oaks Estates Subdivision Special Assessment District. The special assessment receivables, which are recorded in a nonmajor governmental debt service fund, are to be collected over a twenty year period with interest earnings of 4.3%. The special assessment receivable at September 30, 2022, is \$79,986.

St. Armands Parking Garage Special Assessment

In 2016, the City Commission approved construction of a parking garage on St. Armands Key. The City Commission also adopted an assessment resolution for the imposition and levying of a special assessment on commercial properties in the St. Armands assessment area to fund a portion of the costs associated with construction of the parking garage. Under the resolution, the City has pledged a special assessment proceeds to the payment of principal and interest on the St. Armands Paid Parking Area Revenue Bonds Series 2017A. The special assessment receivables are to be collected over a twenty year period beginning with the 2017 fiscal year. The annual assessment is \$260,000 plus administrative costs and the special assessment receivable at September 30, 2022 is \$3,636,302.

The City anticipates Net Parking Revenues (and Assessments as described above with respect to the Series 2017A Bonds) will be collected in an amount sufficient to cover debt service on the Series 2017 Bonds. However, in the event the 2017A Pledged Funds and the 2017B Pledged Funds are insufficient to cover debt service on the Series 2017 Bonds, the City covenanted and agreed and has a positive and affirmative duty to appropriate in its annual budget, by amendment, if necessary, from Non-Ad Valorem Revenues, amounts sufficient to pay principal and interest on the Series 2017 Bonds.

C. Unearned revenue

Governmental funds report unearned revenue in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period. Governmental funds and business-type funds also defer revenue recognition in connection with resources that have been received, but not yet earned (unearned). As of September 30, 2022, the various components of unearned revenue reported in the governmental funds and business-type funds were as follows:

Governmental Funds:	Unearned
Grant drawdowns prior to meeting all eligibility requirements	\$ 6,250,904
Prepaid occupational licenses	563,089
Receipts for future services	7,317,231
Rental receipts not yet earned	10,885
Total unearned revenue for governmental funds	<u>\$ 14,142,109</u>
Business-type Funds:	
Van Wezel ticket sales	\$ 3,887,667
Solid Waste collections billed in advance	517,620
Water and Sewer impact & connection fees	3,089,151
Grant receipts not yet earned	122,245
Unused gift certificates	597,426
Rental receipts not yet earned	242,760
Receipts for future services	567,929
Total unearned revenue for business-type funds	<u>\$ 9,024,798</u>

NOTE 5 - INTERFUND BALANCES

Interfund balances at September 30, 2022, consisted of the following amounts:

A. Due to/from other funds:

The City reports interfund balances between funds. The total of all balances agrees with the sum of interfund balances presented in the statements of net position/balance sheet for governmental funds and for proprietary funds. This balance is an interfund receivable that is expected to be liquidated within one year.

Due to General Fund from:	
Parking Management	\$ 123,885
Municipal Auditoriums	15,452
Total due to General Fund	<u>139,337</u>
Due to Internal Service Funds from:	
Nonmajor Governmental Funds	<u>\$ 7,420</u>

B. Advances from/to other funds:

<u>Receivable Fund</u>	<u>Payable Fund</u>	<u>Amount</u>
General Fund	Parking Management	\$ 1,327,727
Internal Service	Nonmajor Governmental Funds	72,566

City of Sarasota, Florida
Notes to the Financial Statements
September 30, 2022

The General Fund provided an advance to the Parking Management Fund for the purchase of 40 parking pay stations and 20 multi-head meters for the St. Armand's Parking Area and 41 parking pay stations, 25 multi-head meters, and 5 single space station for the Downtown Parking Area. The repayment of the advance began in the 2018-19 fiscal year with an extended maturity in 2032. The General Benefits and Insurance Internal Service Fund provided an advance to the Glen Oaks Estates Subdivision Special Assessment District for the design and construction of a wall. The repayment of the advance began in the 2011-12 fiscal year with a final maturity in 2031.

C. Interfund transfers:

The City reports interfund transfers between many of its funds. The sum of all transfers presented in the following schedule agrees with the sum of interfund transfers presented in the governmental and proprietary fund financial statements. Interfund transfers for the year ended September 30, 2022, consisted of the following:

<u>Transfer</u>	<u>Purpose</u>	<u>Amount</u>	
Transfers to General Fund from:			
Community Redevelopment	Program funding	\$ 54,000	
Building Service Funds	Program funding	420,000	
Nonmajor Governmental Funds	Program funding	<u>336,627</u>	
Total transfers to General fund			810,627
Transfers to Governmental Funds from:			
Penny Sales Tax Fund	Debt service	1,377,517	
Penny Sales Tax Fund	Program funding	453,460	
Nonmajor Governmental Funds	Program refunding	(26,581)	
Nonmajor Governmental Funds	Debt service	500,004	
Major Enterprise Funds	Program funding	<u>1,058,075</u>	
Total transfers to Governmental Funds			3,362,475
Transfers to Solid Waste Fund from:			
Nonmajor Governmental Funds	Program funding	200,000	
General Fund	Program funding	<u>1,800,000</u>	
Total Transfers to Solid Waste			2,000,000
Transfer to Capital Project Fund from:			
General Fund	Program funding	4,966,000	
Building Service Fund	Program funding	<u>7,065,432</u>	
Total transfers to Capital Project Funds			12,031,432
Transfers to Nonmajor Enterprise Funds from:			
Non Major Governmental Funds	Program funding		169,368
Transfer to Bobby Jones Construction Fund from:			
General Fund	Debt service	1,128,334	
General Fund	Program funding	<u>100,327</u>	
Total transfers to Bobby Jones Construction Fund			<u>1,228,661</u>
Total interfund transfers in			<u>\$ 19,602,563</u>

Transfers are used to (1) move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them, (2) move receipts restricted to debt service from the funds collecting the receipts to the debt service fund as debt service payments become due, and (3) use unrestricted revenues collected in the general fund to finance various programs accounted for in other funds in accordance with budgetary authorizations.

NOTE 7- LEASES

Right to Use Leased Assets

On April 26, 2021, the City of Sarasota entered into a lease for the right to use a building located on St Armands Circle. As of October 1, 2021, the lease required 54 monthly payments of \$3,000. An initial lease liability was recorded in the amount of \$159,761. The lease liability was calculated using the incremental borrowing rate of 0.6320%. The value of the right to use asset as of September 30, 2022 is \$124,259 with accumulated amortization of \$35,502. This right to use leased asset is for the St Armands BID, a discretely presented component unit.

	Restated Beginning Balance	Increase	Decrease	Ending Balance
Right to Use Assets				
Leased Building	\$ 159,761	\$ -	\$ -	\$ 159,761
Total	159,761	-	-	159,761
Less Accumulated Amortization:				
Leased Building	-	35,502	-	35,502
Total	-	35,502	-	35,502
Right to Use Assets, Net	\$ 159,761	\$ (35,502)	\$ -	\$ 124,259

Lease Liability

A lease liability of \$159,761 was recorded for the building lease above. Total principal payments made in fiscal year 2022 were \$35,176. The total outstanding obligation as of September 30, 2022 is \$124,585. This lease liability is for the St Armands BID, a discretely presented component unit.

	Restated Beginning Balance	Increase	Decrease	Ending Balance
Lease Liability				
Leased Building	\$ 159,761	\$ -	\$ 35,176	\$ 124,585
Total	\$ 159,761	\$ -	\$ 35,176	\$ 124,585

The future minimum lease obligations and the net present value of these minimum lease payments as of September 30, 2022, were as follows:

Fiscal Year	Governmental Activities		Total Payments
	Principal	Interest	
2023	\$ 35,315	\$ 685	\$ 36,000
2024	\$ 35,539	\$ 461	\$ 36,000
2025	\$ 35,764	\$ 236	\$ 36,000
2026	\$ 17,967	\$ 33	\$ 18,000
Total	\$ 124,585	\$ 1,415	\$ 126,000

Lease Receivables

The City of Sarasota has nine building leases with various terms beginning in 2004 and terminating in 2034. The City receives fixed monthly payments on all of the leases and variable payments on two of the leases at rates of 3% of gross receipts less fixed monthly rent received and 10% of sales. The City recognized \$280,327 of rental income from fixed payments and \$120,260 from variable payments. Interest income of \$8,057 was also recognized. The lease receivable is measured as the present value of the future minimum rent payments expected to be received during the terms of the lease at discount rates calculated using the City's incremental borrowing rate.

The City of Sarasota has five infrastructure leases with various terms beginning in 2009 and terminating in 2024. The City receives fixed annual payments for these leases and recognized \$216,890 of rental

income and \$880 of interest income. The lease receivable is measured as the present value of the future minimum rent payments expected to be received during the terms of the lease at discount rates calculated using the City's incremental borrowing rate.

The City of Sarasota has three land leases with various terms beginning in 2004 and terminating in 2027. The City receives fixed monthly payments on all three leases and variable payments from two of the leases. The variable payments are calculated using 3% of gross receipts less the fixed monthly rent received. The City recognized \$447,722 of rental income from fixed payments and \$359,921 from variable payments. The City also recognized \$24,059 of interest income from these leases. The lease receivable is measured as the present value of the future minimum rent payments expected to be received during the terms of the lease at discount rates calculated using the City's incremental borrowing rate.

NOTE 8 – FINANCED PURCHASE AGREEMENT

On September 21, 2018, the city entered into a \$2,126,716 Master Tax Exempt Lease with U.S. Bancorp Government Leasing and Finance, Inc. to finance the purchase of solid waste equipment. The lease agreement has a final maturity date of September 21, 2023, bears interest at 3.418%, and qualifies as a capital lease for accounting purposes and therefore, has been recorded at the present value of the future minimum lease payments as of the inception date. The capital assets acquired through the capital lease are as follows:

	Business Type Activities
Equipment	\$ 2,126,716
Less: accumulated depreciation	(1,215,266)
Carrying value	<u>\$ 911,450</u>

The following is a schedule of the future minimum lease payments for this capital lease, and the present value of the net minimum lease payments at September 30, 2022:

	Business Type Activities
Year ending September 30, 2023	<u>469,935</u>
Total minimum lease payments	469,935
Less: amount representing interest	(15,532)
Present value of net minimum lease payments	<u>\$ 454,403</u>

Internal service funds predominantly serve the governmental funds. Accordingly, long-term liabilities for them are included in the totals for governmental activities. Payments on the General Obligation Bonds are made by the Debt Service Funds. Payments on the Special Obligation Bonds and loans payable are made by the Penny Sales Tax Fund. For the governmental activities, compensated absences are liquidated by the General Benefits and Insurance Internal Service Fund. This fund is reimbursed through payroll charges to the City's governmental funds where the employee vacation benefits are earned. The Net OPEB liability and Net Pension Liability attributed to the Governmental Activities will be liquidated by the General Fund.

Annual debt service requirements for Business-Type Activities as of September 30, 2022, are as follows:

Fiscal Year	Business-Type Activities				
	Revenue Bonds		Revenue Bond Direct Placement		Total
	Principal	Interest	Principal	Interest	
2023	\$ 625,000	\$ 481,081	\$ 2,995,000	\$ 929,167	\$ 5,030,248

Future Revenues that are Pledged

The City has pledged future revenue sources for various debt issues. The following table provides a summary of the pledged revenues for the City's outstanding debt issues:

Source of Revenue Pledged	Business-Type		
	Governmental Activities	Activities	
	Penny Sales Tax	Water & Sewer Net Revenue	Parking Management
	11/1/2024	10/1/2040	1/1/2038
Revenue Pledged Thru			
Total Principal and Interest Outstanding	\$ 11,807,743	\$ 78,629,259	\$ 18,198,041
Current Year Principal and Interest Paid	1,462,192	4,905,665	1,118,156
Current Year Revenue	12,083,797	23,726,019	1,077,598
Description of Debt	Series 2009 and 2020 Special Obligation Bonds	Water & Sewer Utility Revenue Bonds issued 2010-2019	Series 2017 Revenue Bonds
Purpose of Debt	Land and Capital Improvements	Construction and Refunding Bonds	St. Armands Parking Garage
Debt Coverage	8.26	4.84	0.96

Defeased Debt

The City has defeased certain bonds by placing the proceeds of new bonds in irrevocable trust accounts to provide for all future debt service payments on the old bonds. All such defeasements have been in prior years. The assets of the trust accounts and the liability for the defeased bonds are not included in the City's financial statements.

On September 30, 2022, there was no defeased debt outstanding:

State Revolving Fund Loans

On June 9, 2017, the City entered into a loan agreement with the Florida Water Pollution Control Financing Corporation for \$25,000,000 at 0.125 percent. The loan proceeds are to be disbursed to the City as costs are incurred for the construction of wastewater and reclaimed water facilities. On November 6, 2017, the City entered into an amendment(1) to increase the loan by \$2,840,000, and on December 14, 2020 the City entered into another amendment (2) to increase the loan by \$5,709,344 for a total loan amount of \$33,549,344. As of September 30, 2022, the City has \$30,665,912 of the loan proceeds outstanding.

This is a 20 year loan with the first principal and interest payment due May 15, 2022.

On June 22, 2017, the City entered into a loan agreement with the Florida Department of Environmental Protection for \$1,551,000 at 1.24 percent. On March 8, 2021 the City entered into an amendment(1) to increase the loan by \$543,193 for a total loan amount of \$2,094,193. The City has since decided to not utilize the funding provided by the first amendment. The loan proceeds are to be disbursed to the City as costs are incurred for construction associated with drinking water facilities. As of September 30, 2022, the City has \$1,508,170 of the loan proceeds outstanding.

This is a 20 year loan with the first principal and interest payment due August 15, 2022.

NOTE 10 - COMPLIANCE WITH RATE COVENANT AND OTHER PROVISIONS

Water and Sewer Revenue Bonds

The Water and Sewer System Revenue Bond Resolution contains the provision that rates and charges for water and sewer service shall be adjusted as it shall appear necessary, so that the net revenues will be sufficient to provide an amount in each fiscal year at least equal to the greater of:

- (i) 100% of all amounts required to be deposited to the Bond Service, Redemption, Reserve, Renewal, Replacement and Improvement, and the General Reserve Accounts pursuant to clauses (a), (b), (c), (d) and (e) of Section 505 of the Bond Resolution for the then current fiscal year, or
- (ii) 125% of the maximum principal and interest requirements for any future fiscal year.

The net revenues generated by the Water and Sewer System are sufficient to satisfy the above rate coverage requirement. The Administration of the City believes that it is in full compliance with Section 708 and all other covenants of the Water and Sewer System Revenue Bond Resolution.

Water and Sewer System Revenue Bond Resolution

The following is a synopsis of the terms of the Water and Sewer System Revenue Bond Resolution which describes the various accounts required to be established; the extent to which use of cash therein is restricted for the benefit of the bondholders; the sequence in which specified amounts of cash from net income are to be transferred into such accounts; special reserve subaccounts to be established within given accounts and the limitations on amounts required to be accumulated; and investment authorizations and related restrictions. The accounts established are listed as follows:

Revenue Account - All revenues of the system are collected by the City and deposited as received into a depository to the credit of the Revenue Account.

Interest and Sinking Account - All debt service requirements are recorded in this account. Three separate subaccounts designated the Bond Service Account, Redemption Account and Reserve Account are established to further delineate the exact purpose of said monies.

Renewal, Replacement and Improvement Account - For paying the cost of unusual or extraordinary maintenance or repairs, the cost of renewals and replacements, the cost of acquiring, installing or replacing equipment, the cost of improvements and providing for the local share of any Federal or State assistance program.

General Reserve Account - To pay the cost of improvements, to pay the cost of purchasing or redeeming bonds, to pay the principal and interest on any obligations subordinate to the bonds issued under the resolution, to make up any deficiencies in any of the Accounts and to pay the cost of any item qualifying as an expenditure of the Renewal, Replacement and Improvement Account.

Flow of Cash from Net Revenues - The Finance Director shall, on or before the 20th day of each month, withdraw the balance remaining in the Revenue Account, less an amount to be held for the payment of current expenses, and deposit the sum withdrawn to the credit of the following accounts in said order:

- (a) to the Bond Service Account, one-sixth of the amount of interest payable on the bonds of each series on the next interest payment date and one-twelfth of the next maturing installment of principal on all serial bonds outstanding;
- (b) to the Redemption Account, one-twelfth of the next maturing installment of principal on all term bonds outstanding;
- (c) to the Reserve Account, such amount, if any, of any balance remaining, equal to the Reserve Account requirement which shall mean the maximum principal and interest coming due in the current or any subsequent fiscal year; provided, however, that the amount so deposited in respect of a

deficiency in the Reserve Account upon any monthly withdrawal from the Revenue Account need not exceed one-sixtieth (1/60th) of the Reserve Account requirement;

(d) to the credit of Renewal, Replacement and Improvement Account, such amount, if any, of any balance remaining; provided that the amount deposited to the credit of said account in each month shall not be less than an amount equal to one-twelfth of eight per centum (1/12 of 8%) of the revenues for the preceding fiscal year if at the time of such deposit the unencumbered balance of said account is less than \$1,000,000; and provided further that the City Commission by resolution may establish maximum deposits to the credit of the Renewal, Replacement and Improvement Account for a period of time necessary to insure a regular flow of deposits to the General Reserve Account for the purpose of said Account;

(e) to the General Reserve Account, the balance, if any, remaining after making the deposits under clauses (a), (b), (c) and (d) above; provided, however, the amount of net impact fees will be deposited to an impact fee subaccount within the General Reserve Account.

If the amount deposited in any month to the credit of any of the accounts shall be less than the amount required to be deposited under the foregoing provision of this section, the requirement, therefore, shall nevertheless be cumulative and the amount of any deficiency in any month shall be added to the amount otherwise required to be deposited in each month thereafter until such time as all such deficiencies have been made up.

Security for Deposits - All monies deposited with a depository shall be held in trust and guaranteed by the Federal Deposit Insurance Corporation or other Federal Agencies and any monies in excess of said guarantee shall be secured by setting aside government obligations or other marketable securities, with the approval of the Finance Director, having a market value not less than the amount of such deposits, or in such other manner as permitted by applicable State of Florida or federal laws.

Investments - Monies held for the credit of the various accounts are invested and reinvested by the Finance Director as follows:

Construction, revenue, bond service, redemption, reserve, renewal, replacement and improvement and general reserve accounts: investment obligations or time deposits which mature or are subject to redemption not later than the dates that monies held for the credit of these accounts are required for the purposes intended. However, investments for the Reserve Account are subject to redemption not later than the date of maturity of the bonds issued.

NOTE 11 - RESTRICTED ASSETS

The balances of restricted asset accounts in the enterprise funds at September 30, 2022, are as follows:

<u>Water and Sewer</u>		
Revenue Account - Customer deposits	\$ 1,347,470	
Interest & Sinking Account	5,862,095	
Construction Accounts	1,488,448	
		\$ 8,698,013
<u>Solid Waste</u>		
Customer Deposits		8,639
<u>Parking Management</u>		
Construction Accounts		4,508,693
<u>Bobby Jones Golf Complex</u>		
Construction Accounts		1,035,000
Total		\$ 14,250,345

NOTE 12 - SELF-INSURANCE PROGRAMS

The City's self-insurance programs are accounted for as an Internal Service Fund, which was established to account for and finance its uninsured risks of loss. All funds of the City participate in the program and make payments to the General Benefits and Insurance Fund. Fund revenues are primarily contributions from other funds for amounts needed to pay insurance premiums, anticipated self-insured losses and administrative expenses.

Group Health is a plan providing medical and dental coverage for employees and retirees. The employee's health benefits are accounted for in the General Benefits and Insurance Internal Service Fund. The retiree health benefits are partially funded and accounted for in the OPEB Trust Fund.

The total claims liability of \$3,374,228 at September 30, 2022, includes \$1,543,106 for workers compensation, \$874,493 for group health, \$189,574 for police liability and \$767,055 for general and automotive liability. This claims liability is based on the requirements of Governmental Accounting Standards Board Statement No. 10, which requires that a liability for unpaid claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. Liabilities include an amount for claims that have been incurred but not reported (IBNRs). The result of the process to estimate the claims liability is not an exact amount as it depends on many complex factors, such as inflation, changes in legal doctrines, and damage awards. Accordingly, claims are reevaluated annually to consider the effects of inflation, recent claim settlement trends (including frequency and amount of pay-outs), and other economic and social factors. The City is self-insured for the following types of risk exposures which are limited by insurance coverage as noted:

General and Automotive Liability - The City is fully self-insured for general and automotive liability coverage and is relying on state statutes, which limit damage awards against state and local governments to \$200,000 per claim and \$300,000 per occurrence. However, there have been specific instances when the state legislature has overridden the statutes.

Group Health - The City provides employees/retirees medical and dental coverage through a self-funded health plan. The City is self-insured for health claims on a per individual basis up to \$250,000 annually. The City has insurance coverage for claims in excess of \$250,000.

Workers' Compensation - The City is self-insured for workers' compensation claims on a per occurrence basis up to \$500,000. The City has insurance coverage for claims in excess of \$500,000.

Law Enforcement Death Benefit - This program provides a maximum benefit of \$225,000 for law enforcement that are intentionally killed as a consequence of performing their duties. The City is fully self-insured for this benefit.

Police Liability - This program provides indemnification to police officers while acting on behalf of the City. The City is partially self-insured on a per claim basis up to \$25,000 and for amounts in excess of \$1,000,000. The City has insurance coverage for claims between these two limits.

The claims liability accrued at September 30, 2022, for the self-insurance programs do not include automotive liability and law enforcement death benefit.

The City obtains an annual actuarial review on its group health, workers' compensation, general liability, fleet/auto liability and police liability self-insurance programs. Although in the past, the level of funding for some of the City's self-insurance programs have not been based upon actuarial computations for a variety of reasons, the actuarial reviews verified that the programs are adequately funded and the future philosophy will be to fund at the recommended discounted rate determined within the actuarial report.

Changes in claims liability amounts were as follows:

	General Benefits and Insurance Fund		OPEB Trust Fund	
	Year ended 9/30/21	Year ended 9/30/22	Year ended 9/30/21	Year ended 9/30/22
Unpaid claims, beginning of year	\$ 3,107,576	\$ 3,486,243	\$ 539,689	\$ 689,091
Incurred claims (including IBNRs)	8,396,887	8,943,700	5,341,700	4,842,644
Claim payments	(8,018,220)	(9,055,715)	(5,192,298)	(5,048,803)
Unpaid claims, end of year	<u>\$ 3,486,243</u>	<u>\$ 3,374,228</u>	<u>\$ 689,091</u>	<u>\$ 482,932</u>

The City purchases commercial insurance for property damage. There were no significant reductions in coverage from prior year. There were no settlements of property damage claims in excess of insurance coverage in each of the past three years.

NOTE 13 - COMMITMENTS

Construction/consulting commitments

The City has active construction and other projects as of September 30, 2022. At year end the City's commitments with contractors and consultants are as follows:

	Spent to-date	Remaining Commitment
<u>Business-type Activities:</u>		
Bobby Jones Golf Course Construction	\$ 5,129,361	\$ 7,412,722
Bobby Jones Clubhouse Design Construction	105,509	438,702
Solid Waste Replacement Vehicles	-	1,531,328
Water Treatment Plan Improvements-Water Quality	81,163	872,906
Sanitary Sewer Lateral Lining & Rehabilitation	1,946,514	250,811
Total	<u>\$ 7,262,547</u>	<u>\$ 10,506,469</u>

Encumbrances

The City uses encumbrances to control expenditure commitments for the year and to enhance cash management. Encumbrances represent commitments related to contracts not yet performed and purchase orders not yet filled (executory contracts; and open purchase orders). Commitments for such expenditure of monies are encumbered to reserve a portion of applicable appropriations. Encumbrances still open at year-end are not accounted for as expenditures and liabilities but, rather, as restricted, committed, or assigned governmental fund balance. As of September 30, 2022, total governmental fund encumbrance balances for the City are as follows:

Governmental Activities:	
General Fund	\$ 1,910,498
Penny Sales Tax	1,019,833
Community Redevelopment	339,791
Housing and Community Development	2,572,065
Tourist Development Tax	122,234
Development Services	418,362
Nonmajor Governmental Funds	6,229,732
Total	<u>\$ 12,612,515</u>
Component Units:	
Downtown Improvement District	\$ 10,764
St. Armands Business District	36,281
Total	<u>\$ 47,045</u>

Interlocal Agreement Fire/EMS Services

On November 21, 1995, the City entered into an agreement with Sarasota County for the consolidation of fire, communications and emergency medical services. The City and Sarasota County are mutually interested in providing professional fire, emergency medical service (EMS) protection, emergency communications for the dispatch of law enforcement, fire emergency management personnel, and other services to the citizens and properties within their respective jurisdictions. The common objective is to improve efficiency and technical capability while reducing the overall cost of such services to the citizenry. The County is responsible for operating and maintaining the Fire/EMS facilities. All facilities and improvements shall remain the property of the City and the City will continue to pay debt service on the facilities and properties with certain limitations.

The City and County entered into a new agreement effective October 1, 2003, that remains in effect until September 30, 2023. The agreement will renew automatically for successive additional periods of twenty years. Either party may terminate this agreement with at least 365 days written notice during the following time periods: from August 1, 2021, to September 30, 2021. The new agreement provides for the City to pay to the Firefighters' Pension Plan the lesser amount of the monies equivalent to the sum total of the Share Distribution paid to firefighters and the surviving spouse of firefighters that retired prior to January 1, 1996, or the required Employer's annual contribution to that plan. In addition, the City agrees each fiscal year to pay to the Firefighters' Pension Plan the lesser amount of either \$500,000 or the amount of the required Employer's annual contributions, less the amount of the City's payment to fund the Share Distribution in excess of \$1,700,000. In addition, each fiscal year for which the required Employer's annual contribution, less the amount of the City's payment to fund the Share Distribution, exceeds \$2,200,000, the County and City shall pay to the Firefighters' Pension Plan monies equivalent to the amount of the excess as follows: 67% by the County and 33% by the City. For the current fiscal year the required contribution from the City was \$1,509,383.

Sports Complex Interlocal Agreement

The City owned a Major League Baseball (MLB) spring training complex which was accounted for as an enterprise fund. The sports complex had been used for MLB spring training since it was completed in 1989. The sports complex required substantial renovation in order to attract a MLB team to conduct spring training at the facility. The City transferred ownership of the sports complex to the County for one dollar on November 10, 2009. In addition, the City provided the County with \$9,753,524 that was used for the renovation of the stadium. This funding came from grant funds and the proceeds of bonds issued by the City. Funding for the bond principal and interest payments will come from a Florida Office of Tourism, Trade and Economic Development grant.

The County has entered into a 30 year lease agreement with the Baltimore Orioles Major League Baseball team to use the sports complex as its spring training site. The County and the Baltimore Orioles designed and completed a substantial renovation to the sports complex. The City will have no further obligation to provide funding for the operation, maintenance or capital repairs and improvements while the sports complex is under County ownership.

The County shall have the obligation to transfer ownership of the sports complex back to the City in the event that: (1) Major League spring training activities at the sports complex are discontinued by the Baltimore Orioles for a period of two years and no other MLB club agrees to use the sports complex for spring training activities, and (2) the County has repaid any and all debt issued in connection with the substantial renovation of the sports complex or any future capital repair or improvement; provided, however, that the County shall not issue debt having payment obligations that extend beyond the term of the lease, or any lease extension, between the County and the Baltimore Orioles. In order to effectuate this obligation the City must first notify the County in writing that it is of the opinion that the two above-described events have occurred, including a demand that ownership of the sports complex be transferred back to the City. The purchase price to be paid by the City to the County at the time of transfer shall be one dollar.

Upon transfer of the sports complex back to the City, the sports complex shall be used for public recreational or other public use. In the event that the City desires to make the sports complex available for non-public uses the County shall have the option to purchase or lease the sports complex from the City. If the sports complex is purchased, the purchase price to be paid by the County to the City at the time of

transfer shall be the appraised value of the sports complex land exclusive of the value of the improvements, assuming its use as a publicly owned sports complex. If the sports complex is leased, the rent to be paid by the County to the City shall be established on the basis that is a land lease only and shall exclude the value of the improvements.

NOTE 14 - CONTINGENCIES

Grant Programs

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the City expects such amounts, if any, to be immaterial.

Other

The City is engaged in numerous other legal actions alleging damages as a result of acts or omissions of the City, its officers, agents or employees with a potential liability of up to \$1,000,000. The administration of the City believes that the ultimate outcome will not have a material adverse effect on the City.

The remainder of this page is intentionally left blank.

NOTE 15 – EMPLOYEE RETIREMENT PLANS

The City maintains five public employee retirement plans. They are the Florida Retirement System, the General Employees' Defined Benefit Plan, the Firefighters' Defined Benefit Plan and the Police Officers' Defined Benefit Plan and the General Employees' Defined Contribution Plan.

For the General Employees Defined Benefit Plan, the Firefighters' Defined Benefit Plan and the Police Officers' Defined Benefit Plan, assets are held separately for each plan, and may be used only for the payment of benefits to the members and administrative expenses of the respective plans, and are administered by a separate Board of Trustees (Defined Benefit Plans) and the Employee Retirement Account committee (ERAC) (Defined Contribution Plan). The City Commission approves all plan provisions and amendments. Each Plan's financial statements are prepared using the accrual basis of accounting. Employee and employer contributions are recognized as revenues when due and a formal commitment to provide contributions has been made. Benefits and refunds are recognized when due and payable in accordance with the terms of each plan. The Defined Benefit Plans issue stand alone, audited financial statements including all required note disclosures and supplementary information. The pension plan's fiduciary net position in the City's annual financial report has been determined on the same basis used in the pension plan's stand-alone financial reports. The stand alone reports may be obtained from the City of Sarasota City Auditor and Clerk's website at:

<https://www.sarasotafl.gov/government/city-auditor-and-clerk>

The General Employees', Police Officers' and Firefighters' Defined Benefit Pension Plans implemented GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*. In addition to other disclosures, the GASB requires the following schedules be included in the Required Supplementary Information section of this report for the General Employees' and Police Officers' Defined Benefit Pension Plans:

- A 10-year schedule of changes in the net pension liability,
- A 10-year schedule of contributions, and
- A 10-year schedule of the annual money-weighted rate of return on pension plan investments.

The GASB requires the following schedules be included in the Required Supplementary Information section of this report for the Firefighters' Defined Benefit Pension Plan:

- A 10-year schedule of the City's proportionate share of the net pension liability,
- A 10-year schedule of City contributions.

Until a full 10-year trend is compiled, the Plans will present information for those years for which information is available.

GASB Statement No. 68 allows a measurement date for employers that is no earlier than the employer's prior fiscal year end. The City chooses to use the prior fiscal year's measurement date for its defined benefit retirement plans. This insures that the City's annual report can be issued on a timely basis.

A. FLORIDA RETIREMENT SYSTEM

General Information. Effective December 1, 2021 all of the City's full-time, permanent part-time and non-sworn (general) employees participate in the Florida Retirement System (FRS). As provided by Chapters 121 and 112, Florida Statutes, the FRS provides two cost-sharing, multiple-employer defined benefit plans administered by the Florida Department of Management Services, Division of Retirement, including the FRS Pension Plan ("Pension Plan") and the Retiree Health Insurance Subsidy ("HIS Plan"). Under Section 121.4501, Florida Statutes, the FRS also provides a defined contribution plan ("Investment Plan") alternative to the FRS Pension Plan, which is administered by the State Board of Administration ("SBA"). As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university, community college, or a participating city or special district within the State of Florida. The FRS provides

retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefits are established by Chapter 121, Florida Statutes, and Chapter 60S, Florida Administrative Code. Amendments to the law can be made only by an act of the Florida State Legislature. The State of Florida annually issues a publicly available financial report that includes financial statements and required supplementary information for the FRS. The latest available report may be obtained by writing to the Department of Management Services, Division of Retirement, Research and Education Section, P.O. Box 9000, Tallahassee, Florida 32315-9000, or from the website:

http://www.dms.myflorida.com/workforce_operations/retirement/publications

Florida Retirement System Pension Plan

Plan Description. The FRS Pension Plan is a cost-sharing multiple-employer qualified defined benefit pension plan, with a Deferred Retirement Option Program (“DROP”) available for eligible employees. The general classes of membership are as follows:

- *Regular Class* – Members of the FRS who do not qualify for membership in the other classes.
- *Elected County Officers Class* – Members who hold specified elective offices in local government.
- *Senior Management Service Class (SMSC)* – Members in senior management level positions.
- *Special Risk Class* – Members who are special risk employees, such as law enforcement officers and firefighters, meet the criteria to qualify for this class.

Employees enrolled in the Plan prior to July 1, 2011, vest at 6 years of creditable service, while employees enrolled in the Plan on or after July 1, 2011, vest at 8 years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service, except for members classified as special risk who are eligible for normal retirement benefits at age 55 or at any age after 25 years of service. All members enrolled in the Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service, except for members classified as special risk who are eligible for normal retirement benefits at age 60 or at any age after 30 years of service. Employees enrolled in the Plan may include up to 4 years of credit for military service toward creditable service. The FRS Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The FRS Plan provides retirement, disability, death benefits and annual cost-of-living adjustments to eligible participants.

The DROP Program, subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with an FRS participating employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months. During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest. The net pension liability does not include amounts for DROP participants, as these members are considered retired and are not accruing additional pension benefits.

Benefits Provided - Benefits under the FRS Pension Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the 5 highest fiscal years’ earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the 8 highest fiscal years’ earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the 63 retirement class to which the member belonged when the service credit was earned. Members are eligible for in-line-of-duty or regular disability and survivors’ benefits.

The following chart shows the percentage value for each year of service credit earned:

Class, Initial Enrollment and Retirement Age/Years of Service	% Value
<i>Regular Class members initially enrolled before July 1, 2011</i>	
Retirement up to age 62 or up to 30 years of service	1.60
Retirement up to age 63 or with 31 years of service	1.63
Retirement up to age 64 or with 32 years of service	1.65
Retirement up to age 65 or with 33 years or more of service	1.68
<i>Regular Class members initially enrolled on or after July 1, 2011</i>	
Retirement up to age 65 or up to 33 years of service	1.60
Retirement at age 66 or with 34 years of service	1.63
Retirement at age 67 or with 35 years of service	1.65
Retirement at age 68 or with 36 or more years of service	1.68
<i>Elected County Offices</i>	3.00
<i>Senior Management Service Class</i>	2.00
<i>Special Risk Regular</i>	
Service from December 1, 1970 through September 30, 1974	2.00
Service on and after October 1, 1974	3.00

As provided in Section 121.101, Florida Statutes, if the member is initially enrolled in the FRS Plan before July 1, 2011, and all service credit was accrued before July 1, 2011, the annual cost-of-living adjustment is three percent per year. If the member is initially enrolled before July 1, 2011, and has service credit on or after July 1, 2011, there is an individually calculated cost-of-living adjustment. The annual cost-of-living adjustment is a proportion of three percent determined by dividing the sum of the pre-July 2011 service credit by the total service credit at retirement multiplied by three percent. Plan members initially enrolled on or after July 1, 2011, will not have a cost-of-living adjustment after retirement.

Contributions - Effective July 1, 2011, all enrolled members of the FRS, other than DROP participants, are required to contribute three percent of their salary on a pretax basis to the FRS. In addition to member contributions, governmental employers are required to make contributions to the FRS based on state-wide contribution rates established by the Florida Legislature. These rates are updated as of July 1 of each year. The employer contribution rates by job class for the periods from December 1, 2021 through June 30, 2022 and from July 1, 2022 through September 30, 2022, respectively, were as follows:

Membership Class	December 1, 2021 thru June 30, 2022	July 1, 2022 thru September 30, 2022
<i>FRS, Regular</i>	10.82%	11.91%
<i>FRS, Elected Officers</i>	51.42%	57.00%
<i>FRS, Senior Management Service</i>	29.01%	31.57%
<i>FRS, Special Risk Administrative Support</i>	37.76%	38.65%
<i>FRS, Special Risk</i>	25.89%	27.83%
<i>FRS, DROP</i>	18.34%	18.60%

The City's contributions, including employee contributions, to the Pension Plan totaled \$1,102,523 for the fiscal year ended September 30, 2022.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At September 30, 2022, the City reported a liability of \$4,885,770 for its proportionate share of the Pension Plan's net pension liability, an increase of \$4,885,770 over last year's liability of \$0. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022. The City's proportionate share of the net pension liability was based on the City's 2021-22 fiscal year contributions relative to the 2020-21 fiscal year contributions of all participating members. At June 30, 2022, the City's proportionate share was 0.013130953 percent, which was an increase of 0.00 percent from its proportionate share measured as of June 30, 2021.

City of Sarasota, Florida
Notes to the Financial Statements
September 30, 2022

For the fiscal year ended September 30, 2022, the City recognized pension expense of \$1,356,594. In addition, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 232,046	\$ -
Change of assumptions	601,703	-
Net Difference between projected and actual earnings on Pension Plan investments	322,607	-
Changes in proportion and differences between City Pension Plan contributions and proportionate share of contributions	2,948,440	
City Pension Plan contributions subsequent to the measurement date	<u>277,242</u>	-
Total	<u>\$ 4,382,038</u>	<u>\$ -</u>

The deferred outflows of resources related to the Pension Plan, totaling \$277,242 resulting from City contributions to the Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the Pension Plan will be recognized in pension expense as follows:

Fiscal Year Ending September 30:	Amount
2023	\$ 934,855
2024	760,733
2025	560,771
2026	1,476,893
2027	371,543
Thereafter	-

Actuarial Assumptions - The total pension liability in the July 1, 2022 actuarial valuation was determined using the following actuarial assumption, applied to all periods included in the measurement:

Inflation	2.40%
Salary increases	3.25% average, including inflation
Investment rate of return	6.70%, net of pension plan investment expense, including inflation

Mortality rates were based on the PUB-2010 base table, projected generationally with Scale MP-2018.

The actuarial assumptions used in the July 1, 2022 valuation were based on the results of an actuarial experience study completed in 2019 for the period July 1, 2013 through June 30, 2018.

The long-term expected rate of return on Pension Plan investments was not based on historical returns, but instead is based on a forward-looking capital market economic model. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The target allocation and best estimates of arithmetic and geometric real rates of return for each major asset class are summarized in the following table:

	Target Allocation (1)	Annual Arithmetic Return	Compound Annual (Geometric) Return	Standard Deviation
Cash	1.0%	2.1%	2.1%	1.1%
Fixed income	20.0%	3.8%	3.7%	3.3%
Global equity	54.2%	8.2%	6.7%	17.8%
Real estate	10.3%	7.1%	6.2%	13.8%
Private equity	10.8%	11.7%	8.5%	26.4%
Strategic investments	3.7%	5.7%	5.4%	8.4%
Assumed Inflation - Mean			2.4%	1.2%

Note (1) As outlined in the FRS Pension Plan's Investment Policy.

Discount Rate - The discount rate used to measure the total pension liability was 6.80%. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rate specified in statute. Based on that assumption, the Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return.

Sensitivity of the City's Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the City's proportionate share of the net pension liability calculated using the discount rate of 6.70%, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (5.70%) or one percentage point higher (7.70%) than the current rate:

	1% Decrease	Current Discount	1% Increase
	5.7%	Rate	7.7%
	<hr/>	<hr/>	<hr/>
City's proportionate share of the net pension liability	\$ 8,449,603	\$ 4,885,770	\$ 1,905,981

Pension Plan Fiduciary Net Position - Detailed information regarding the Pension Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan - At September 30, 2022, the City reported a payable in the amount of \$0 for outstanding contributions to the Pension Plan required for the fiscal year ended September 30, 2022.

Retiree Health Insurance Subsidy Program

Plan Description - The Retiree Health Insurance Subsidy Program (HIS Plan) is a cost-sharing multiple-employer defined benefit pension plan established under Section 112.363, Florida Statutes, and may be amended by the Florida Legislature at any time. The benefit is a monthly payment to assist retirees of state-administered retirement systems in paying their health insurance costs and is administered by the Florida Department of Management Services, Division of Retirement. Detailed information about the HIS Plan's fiduciary's net position is available in a separately issued FRS Pension Plan and Other State Administered Systems Annual Comprehensive Financial Report which may be obtained through the Florida Department of Management Services website at:

http://www.dms.myflorida.com/workforce_operations/retirement/publications

Benefits Provided - For the fiscal year ended September 30, 2022, eligible retirees and beneficiaries received a monthly HIS payment of \$5 for each year of creditable service completed at the time of retirement, with a minimum HIS payment of \$30 and a maximum HIS payment of \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive these benefits, a retiree under a state-administered retirement system must provide proof of health insurance coverage, which may include Medicare.

Contributions - The HIS Plan is funded by required contributions from FRS participating employers as set by the Florida Legislature. Employer contributions are a percentage of gross compensation for all active FRS members. For the fiscal year ended September 30, 2022, the HIS contribution for the period October 1, 2021 through September 30, 2022 was 1.66% pursuant to section 112.363, Florida Statutes. The City contributed 100% of its statutorily required contributions for the current and preceding five years. HIS Plan contributions are deposited in a separate trust fund from which payments are authorized. HIS Plan benefits are not guaranteed and are subject to annual legislative appropriation. In the event legislative appropriation or available funds fail to provide full subsidy benefits to all participants, benefits may be reduced or cancelled. The City's contributions to the HIS Plan totaled \$147,820 for the fiscal year ended September 30, 2022.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At September 30, 2022, the City reported a liability of \$1,664,863 for its

proportionate share of the HIS Plan’s net pension liability, an increase of \$1,664,863 over last year’s liability of \$0. The net pension liability was measured as of June 30, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2022. The City’s proportionate share of the net pension liability was based on the City’s 2021-22 fiscal year contributions relative to the 2020-21 fiscal year contributions of all participating members. At June 30, 2022, the City’s proportionate share was .015718715 percent, which was an increase of 0.015718715 percent from its proportionate share measured as of June 30, 2021.

For the fiscal year ended September 30, 2022, the City recognized pension expense of \$392,439. In addition, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Description	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 50,533	\$ 7,326
Change of assumptions	95,431	257,553
Net difference between projected and actual earnings on HIS Plan investments	2,410	-
Changes in proportion and differences between City HIS Plan contributions and proportionate share contributions	1,510,608	-
City HIS Plan contributions subsequent to the measurement date	50,483	-
Total	1,709,465	264,879

The deferred outflows of resources related to the HIS Plan, totaling \$50,483 resulting from City contributions to the HIS Plan subsequent to the measurement date, will be recognized as a reduction of the net pension liability in the fiscal year ended September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to the HIS Plan will be recognized in pension expense as follows:

Fiscal Year Ending September 30:	Amount
2023	\$ 251,841
2024	\$ 264,696
2025	\$ 272,863
2026	\$ 264,515
2027	\$ 244,398
Thereafter	\$ 95,790

Actuarial Assumptions – The total pension liability in the July 1, 2022 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation	2.40%
Salary increases	3.25%, average, including inflation
Municipal bond rate	2.16%

Mortality rates were based on the Generational PUB-2010 with Projection Scale MP-2018.

The actuarial assumptions that determined the total pension liability for the HIS Program were based on certain results of the most recent experience study for the FRS Pension Plan.

Discount Rate - The discount rate used to measure the total pension liability was 3.54%. In general, the discount rate for calculating the total pension liability is equal to the single rate equivalent to discounting at the longterm expected rate of return for benefit payments prior to the projected depletion date. Because the HIS benefit is essentially funded on a pay-as-you-go basis, the depletion date is considered to be immediate, and the single equivalent discount rate is equal to the municipal bond rate selected by the FRS Actuarial Assumption Conference. The Bond Buyer General Obligation 20-Bond Municipal Bond Index was adopted as the applicable municipal bond index.

Sensitivity of the City's Proportionate Share of the Net Position Liability to Changes in the Discount Rate - The following represents the City's proportionate share of the net pension liability calculated using the discount rate of 3.54%, as well as what the City's proportionate share of the net pension liability would be if it were calculated using a discount rate that is one percentage point lower (2.54%) or one percentage point higher (4.54%) than the current rate:

	1% Decrease	Current Discount Rate	1% Increase
	2.54%	3.54%	4.54%
City's proportionate share of the net pension liability	\$ 1,904,740	\$ 1,664,863	\$ 1,466,370

Pension Plan Fiduciary Net Position - Detailed information regarding the HIS Plan's fiduciary net position is available in the separately issued FRS Pension Plan and Other State-Administered Systems Annual Comprehensive Financial Report.

Payables to the Pension Plan - At September 30, 2022, the City reported a payable in the amount of \$0 for outstanding contributions to the HIS Plan required for the fiscal year ended September 30, 2022.

Investment Plan

The Florida State Board of Administration (SBA) administers the defined contribution plan officially titled the FRS Investment Plan. The Investment Plan is reported in the SBA's annual financial statements and in the State of Florida Annual Comprehensive Financial Report.

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined benefit plan. City employees participating in DROP are not eligible to participate in the Investment Plan. Employer and employee contributions, including amounts contributed to individual member's accounts, are defined by law, but the ultimate benefit depends in part on the performance of investment funds. Benefit terms, including contribution requirements, for the Investment Plan are established and may be amended by the Florida Legislature. The Investment Plan is funded with the same employer and employee contribution rates that are based on salary and membership class (Regular Class, Elected City Officers, etc.), as the Pension Plan. Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Costs of administering the Investment Plan, including the FRS Financial Guidance Program, are funded through an employer contribution of 0.06 percent of payroll and by forfeited benefits of plan members. Allocations to the investment member's accounts during the 2021- 22 fiscal year, as established by Section 121.72, Florida Statutes, are based on a percentage of gross compensation, by class, as follows: Regular class 9.30%, Special Risk Administrative Support class 10.95%, Special Risk class 17.00%, Senior Management Service class 10.67% and City Elected Officers class 14.34%. The allocations include a required employee contribution of 3% of gross compensation for each member class.

For all membership classes, employees are immediately vested in their own contributions and are vested after one year of service for employer contributions and investment earnings. If an accumulated benefit obligation for service credit originally earned under the Pension Plan is transferred to the Investment Plan, the member must have the years of service required for Pension Plan vesting (including the service credit represented by the transferred funds) to be vested for these funds and the earnings on the funds. Non-vested employer contributions are placed in a suspense account for up to five years. If the employee returns to FRS-covered employment within the five-year period, the employee will regain control over his/her account. If the employee does not return within the five-year period, the employee will forfeit the accumulated account balance. For the fiscal year ended September 30, 2022, the information for the amount of forfeitures was unavailable from the SBA; however, management believes that these amounts, if any, would be immaterial to the City.

Effective July 1, 2017, retirees of the Investment Plan are eligible for renewed membership in the Investment Plan. The retiree must be employed in an FRS-covered position on or after July 1, 2017 in order to gain renewed membership. This new provision does not afford renewed membership retroactively for the period of July 1, 2010 to June 30, 2017, nor does it grant disability benefits for renewed members.

After termination and applying to receive benefits, the member may rollover vested funds to another qualified plan, structure a periodic payment under the Investment Plan, receive a lump-sum distribution, leave the funds invested for future distribution, or any combination of these options. Disability coverage is provided; the member may either transfer the account balance to the FRS Pension Plan when approved for disability retirement to receive guaranteed lifetime monthly benefits under the Pension Plan or remain in the Investment Plan and rely upon that account balance for retirement income.

The City's Investment Plan pension expense totaled \$122,727 for the fiscal year ended September 30, 2022.

B. General Employees Defined Benefit Pension Plan

Plan administration. The City of Sarasota General Employees' Defined Benefit Pension Plan, a defined benefit single-employer public employee retirement plan, is administered by the Plan's Board of Trustees in accordance with Chapter 24, Article II, of the Sarasota City Code, 1986, as restated on November 16, 2009. The Plan's Board of Trustees consists of the City Auditor and Clerk, the Finance Director, four (4) members of the Plan, and a trustee who is a legal resident of the City and appointed by the City Commission.

Plan membership. The Plan is closed to new members. At September 30, 2022, membership consisted of the following:

Inactive plan members or beneficiaries currently receiving benefits	422
Inactive plan members entitled to but not yet receiving benefits	16
Active plan members	<u>95</u>
Total	<u>554</u>

Benefits provided. The Plan covers permanent, probationary and full time City of Sarasota employees who are not members of the Police Officers' or Firefighters' Pension Plans and were hired prior to September 7, 2011. The Plan also covers some previous City employees that became Sarasota County employees through consolidation. Members may retire as early as age 55 with 10 years of service. Such a retiree would receive a retirement benefit based upon a percentage of average annual earnings during the highest 4 years of the last 10 years of employment prior to the date of retirement multiplied by the years of service. The retirement benefit percentage increases based upon the retiree's age up to a maximum of 2.5 percent at age 65, or after 30 years of service regardless of age. The Plan provides disability benefits as if the participant retired at age 65, providing that 10 years of credited service has been attained. If an employee separates service from the City before achieving 10 years of credited service, the employee will receive his contributions plus 4.5 percent interest compounded annually.

Contributions. Plan members are required to contribute 6 percent of their annual pay to the Plan and the City and County contribution must be at least 8 percent of annual payroll. The Plan's Board of Trustees has elected to change to a dollar-based contribution determination method, therefore \$ 6,978,144 is required to be contributed by the City and County for the fiscal year ending September 30, 2022. The actuarially determined City & County contribution is the estimated amount necessary to finance the costs of benefits earned by plan members during the year, with an additional amount to finance any unfunded accrued liability.

During the year ending September 30, 2022, contributions were made in accordance with contribution requirements determined by an actuarial valuation of the Plan as of September 30, 2021. Contributions totaling \$ 7,440,622 were from the following sources; the City and County contributed \$ 6,978,144 and plan members contributed \$462,478

Deferred retirement option plan. Effective November 20, 2000, the City approved an ordinance creating a deferred retirement option plan (DROP). In lieu of terminating employment, any member may elect to defer receipt of such service retirement pension and to participate in the DROP. A member's participation in the DROP may not exceed sixty months beginning at the time the election becomes effective. A member may participate only once. An account is established for each member participating in the DROP. The member's DROP account consists of the monthly retirement benefit the member would have

received had they terminated their employment and the earnings on those amounts. The accounts of members that entered the DROP prior to December 28, 2011, will be credited with interest at an effective rate of six and one-half (6 ½) percent per annum compounded quarterly. The accounts of members that entered the DROP on or after December 28, 2011, will be credited with interest at an effective rate of two (2) percent per annum compounded quarterly. The accrued benefit at September 30, 2022, was \$1,498,994 and is included in net position restricted for pensions.

Investment policy. All investments of the Plan must be consistent with the investment policy adopted by the Plan’s Board of Trustees. The policy is structured to maximize the financial return to the Plan consistent with the risks incumbent in each investment and is structured to establish and maintain an appropriate diversification of the Plan’s assets. Investments of the Plan are comprised of money market funds, U.S. Government securities, U.S. Government agency securities, common and preferred stocks, corporate bonds and notes, real estate funds, and foreign stocks as authorized by Plan policies. The investments as of September 30, 2022, for the Plan are reported in Note 3.

Rate of return. For the year ended September 30, 2022, the annual money-weighted rate of return on Plan investments, net of Plan investment expense was (13.4) percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Actuarial assumptions. The total pension liability, net pension liability, and certain sensitivity information are based on an actuarial valuation performed as of September 30, 2021.

The total pension liability was rolled forward from the valuation date to the plan year ending September 30, 2022 using the following actuarial assumptions applied to all measurement periods:

Inflation	2.30%
Salary increases	4.70% to 6.30% depending on age, including inflation
Investment rate of return	6.20%, net of pension plan investment expense

As of September 30, 2022, mortality tables use are based on the Pub-2010 Headcount Weighted Mortality Table for Annuitants (for postretirement mortality), with mortality improvement projected for healthy lives to all future years after 2010 using Scale MP-2018. No mortality improvement is projected for disabled lives.

The long-term expected rate of return on Plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of Plan investment expense) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the Plan’s target asset allocation as of September 30, 2022, (see the discussion of the Plan’s investment policy) are summarized in the following table:

<u>Asset Class</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed income	1.45%
Domestic equity	6.49%
International equity	5.29%
Real estate	4.69%
Infrastructure	3.17%

Discount rate. A single discount rate of 6.20 percent was used to measure the total pension liability. This single discount rate was based on the expected rate of return on Plan investments of 6.20 percent. The projection of cash flows used to determine this single discount rate assumed that plan members contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between the total actuarially determined contribution rates and the member rate. Based on these assumptions, the Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of

City of Sarasota, Florida
Notes to the Financial Statements
September 30, 2022

return on Plan investments, 6.20%, was applied to all periods of projected benefit payments to determine the total pension liability.

The single discount rate was developed as follows:

Single discount rate	6.20%
Long-term expected rate of return	6.20%
Long-term municipal bond rate	2.19%
Last year ending September 30 in the 2022 to 2121 projection period for which projected benefit payments are fully funded	2121

* Source: Fixed income municipal bonds with 20 years to maturity that include only federally tax exempt municipal bonds as reported in Fidelity Index's "20-Year Municipal GO AA Index" as of September 30, 2021. In describing this index, Fidelity notes that the municipal curves are constructed using option-adjusted analytics of a diverse population of over 10,000 tax-exempt securities.

Sensitivity of the net pension liability to changes in the discount rate. The following presents the Plan's net pension liability, calculated using a single discount rate of 6.20%, as well as what the Plan's net pension liability would be if it were calculated using a single discount rate that is one percentage-point lower or one percentage-point higher:

	1% Decrease 5.20%	Current Discount Rate 6.20%	1% Increase 7.20%
Net pension liability	\$ 61,691,507	\$ 36,960,775	\$ 16,132,308

Changes in the Net Pension Liability. The changes in Net Pension Liability for the General Employees Defined Benefit Pension Plan are as follows:

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability / (Asset)
Balance at September 30, 2020*	\$ 214,209,910	\$ 156,335,727	\$ 57,874,183
Changes for the year:			
Service cost	1,909,336	--	1,909,336
Interest on the total pension liability	13,623,094	--	13,623,094
Differences between expected and actual experience	(2,383,477)	--	(2,383,477)
Changes of assumptions	7,691,456	--	7,691,456
Contributions from the employer	--	6,994,858	(6,994,858)
Contributions non-employer contributing entity	--	58,799	(58,799)
Contributions from employees	--	526,151	(526,151)
Net investment income	--	34,434,727	(34,434,727)
Administrative expenses	--	(260,718)	260,718
Benefit payments, including refunds of employee contributions	(14,326,524)	(14,326,524)	--
Net changes	6,513,885	27,427,293	(20,913,408)
Balance at September 30, 2021*	\$ 220,723,795	\$ 183,763,020	\$ 36,960,775

*Measurement date

Net pension liability. The net pension liability is measured as the total pension liability, less the amount of the pension plan's fiduciary net position. In actuarial terms, this will be the accrued liability less the market value of assets (not the smoother actuarial value of assets that is often encountered in actuarial valuations performed to determine the employer's contribution requirement). The components of the net pension liability at September 30, 2021, were as follows:

Total pension liability	\$	220,723,795
Plan fiduciary net position		<u>183,763,020</u>
Net pension liability	\$	<u>36,960,775</u>
Plan fiduciary net position as a percentage of the total pension liability		83.25%

Pension Expense and Deferred Outflows and Deferred Inflows of Resources Related to Pensions. For the year ended September 30, 2022, the City recognizes pension expense of \$4,573,553 for the General Employees Defined Benefit Pension Plan (GEDBPP). At September 30, 2022, the City has deferred outflows and deferred inflows of resources related to the GEDBPP as follows:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Difference between expected and actual experience	\$ --	\$ 680,993
Changes in assumptions	2,197,559	--
Contributions to the pension plan subsequent to the measurement date	6,978,144	--
Net difference between projected and actual earnings on pension plan investments	--	14,492,438
Total	<u>\$ 9,175,703</u>	<u>\$ 15,173,431</u>

\$6,978,144 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

Year Ended September 30,	Deferred Outflows/(Inflows) of Resources
2023	\$ (1,285,871)
2024	(2,224,341)
2025	(4,580,814)
2026	(4,884,846)

B. Firefighters Defined Benefit Pension Plan

Plan administration. The City of Sarasota Firefighters' Defined Benefit Pension Plan, a defined benefit cost-sharing multiple employer public employee retirement plan, is administered in accordance with Chapter 24, Article II, of the Sarasota City Code, 1986, as restated on November 16, 2009. On January 1, 1996, the City's Fire/Rescue Department was consolidated with Sarasota County, as such the Plan is closed to new entrants. The Plan remains intact with Sarasota County and the City of Sarasota making the employer contributions.

Florida Statute Chapter 175 requires that the Board of Trustees be comprised of two members appointed by the City Commission, two members elected by a majority of the firefighters who are members of the Plan, and a fifth member chosen by a majority of the other members and administratively appointed by the City Commission.

Plan membership. The Plan is closed to new members. At September 30, 2022, membership consisted of the following:

Inactive plan members or beneficiaries currently receiving benefits

156

Benefits provided. The Plan covers former City of Sarasota firefighters who are employed by Sarasota County as a result of the consolidation. Any Plan member who has creditable service of 10 years and has attained age 50 or has creditable service of 25 years, regardless of age, is eligible for normal retirement. Such a retiree would receive a normal retirement benefit of 3 percent of average annual earnings during the highest 3 years of service during the last 10 years of service multiplied by the years of service. The pension benefit cannot exceed the average taxable earnings for the last 3 years of employment.

The Plan provides disability benefits for both duty related and not duty related disabilities. Disability caused by performance of duties is computed at 3 percent of average compensation multiplied by years of service (minimum 25 years), and, at all times, must be equal to at least fifty percent of the base salary for a journeyman fire medic top step. A not in line of duty disability is computed at 2.5 percent of average compensation multiplied by years of service plus 5 percent of the firefighter's last monthly salary for each eligible child.

The Plan provides death benefits for both duty related and not duty related deaths. Death caused by performance of duties is computed at two-thirds of 3 percent of average compensation multiplied by the years of service (minimum 25 years) plus 5 percent of the firefighters' last monthly salary for each eligible child. A not in line of duty death is computed at two-thirds of 2.5 percent of average compensation multiplied by years of service plus 5 percent of the firefighters' last monthly salary for each eligible child.

Contributions. Plan members are required to contribute 8 percent of their annual salary to the Plan. Other contributions are received from the State of Florida, Sarasota County and the City. The State of Florida contribution results from the City's share of insurance tax. The County of Sarasota and the City contribute an amount to make the fund actuarially sound.

The City makes contributions to the Plan in accordance with a funding schedule outlined in an Interlocal Agreement with Sarasota County. The City's contractually required contribution rate for the year ended September 30, 2022, was 33 percent of an actuarially determined amount that, when combined with employee contributions, is expected to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. Contributions to the Plan from the City were \$1,484,752 for the year ended September 30, 2022.

The State of Florida makes contributions from taxes on casualty insurance premiums. The City recognized its portion of these on-behalf payments from the State as revenue and personnel expenditures in the City's General Fund before they were recorded as contributions in the Firefighters' Pension Plan.

Investment policy. All investments of the Plan must be consistent with the investment policy adopted by the Plan's Board of Trustees. The policy is structured to maximize the financial return to the Plan consistent with the risks incumbent in each investment and is structured to establish and maintain an appropriate diversification of the Plan's assets. Investments of the Plan are comprised of money market funds, U.S. Government securities, U.S. Government agency securities, municipal securities, common stock, corporate bonds and notes, real estate funds, and foreign stocks as authorized by Plan policies. The investments as of September 30, 2022, for the Plan are reported in Note 3.

Rate of return. For the year ended September 30, 2022, the annual money-weighted rate of return on Plan investments, net of Plan investment expense was (11.78)%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Actuarial assumptions. The total pension liability, net pension liability, and certain sensitivity information are based on an actuarial valuation performed as of September 30, 2021. The total pension liability was rolled forward from the valuation date to the plan year ending September 30, 2022 using the following actuarial assumptions applied to all measurement periods:

Inflation	N/A
Salary increases	N/A
Investment rate of return	6.85%

Mortality rates were based on the PUB-2010 Headcount Weighted Safety Healthy Retiree Female Mortality Table and Safety Below Median Healthy Retiree Male Mortality Table, both set-forward 1 year, with fully generational mortality improvements projected to each future decrement date with Scale MP-2018..

The long-term expected rate of return on Plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of Plan investment expense) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the Plan’s target asset allocation as of September 30, 2022, (see the discussion of the Plan’s investment policy) are summarized in the following table:

<u>Asset Class</u>	<u>Long-Term Expected Real Rate of Return</u>
Domestic Equity securities	6.50%
Fixed income securities	1.30%
Real estate	3.40%
Infrastructure	4.90%
International Equity	5.30%

Discount rate. A single discount rate of 6.85% was used to measure the total pension liability. This single discount rate was based on the expected rate of return on Plan investments of 6.85%. The projection of cash flows used to determine this single discount rate assumed that plan members contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between the total actuarially determined contribution rates and the member rate. Based on these assumptions, the Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on Plan investments (6.85%) was applied to all periods of projected benefit payments to determine the total pension liability.

The single discount rate was developed as follows:

Single discount rate	6.85%
Long-term expected rate of return	6.85%
Long-term municipal bond rate *	4.40%
Last year ending September 30 in the 2022 to 2121 projection period for which projected benefit payments are fully funded	2121

* Source: Fixed income municipal bonds with 20 years to maturity that include only federally tax exempt municipal bonds as reported in Fidelity Index’s “20-Year Municipal GO AA Index” as of September 30, 2022. In describing this index, Fidelity notes that the municipal curves are constructed using option-adjusted analytics of a diverse population of over 10,000 tax-exempt securities.

Sensitivity of the City’s proportionate share of the net pension liability to changes in the discount rate. The following presents the City’s proportionate share of the net pension liability, calculated using a single discount rate of 6.85%, as well as what the City’s proportionate share of the net pension liability would be if it were calculated using a single discount rate that is one percentage-point lower or one percentage-point higher:

	<u>Net Pension (Asset) Liability</u>		
	<u>1% Decrease (5.85)%</u>	<u>Current Discount Rate (6.85%)</u>	<u>1% Increase (7.85)%</u>
City of Sarasota’s proportionate share of net pension (asset) liability	\$ 3,065,957	\$ (3,365,730)	\$ (8,754,479)

Net pension liability. At September 30, 2022, the City reported an asset of \$3,365,730 for its proportionate share of the net pension liability. The net pension liability was measured as of September 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The City’s proportion of the net pension liability was based on a projection of the City’s long-term share of contributions to the Plan relative to the projected contributions of all participating employers actuarially determined. At September 30, 2022, the City’s proportion was 33 percent, which was the same proportion measured as of September 30, 2021.

Pension plan fiduciary net position. Detailed information about the Plan’s fiduciary net position is available in the separately issued Firefighters Defined Benefit Pension Plan financial report.

Pension Expense and Deferred Outflows and Deferred Inflows of Resources Related to Pensions. For the year ended September 30, 2022, the City will recognize pension expense of \$(781,253) for the Firefighters Defined Benefit Pension Plan (FFDBPP). At September 30, 2021, the City has deferred outflows and deferred inflows of resources related to the FFDBPP as follows:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Contributions to the pension plan subsequent to the measurement date	\$ 1,624,320	\$ --
Net difference between projected and actual earnings on pension plan investments	--	3,705,967
Total	<u>\$ 1,624,320</u>	<u>\$ 3,705,967</u>

\$1,624,320 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources of resources related to pensions will be recognized as pension expense as follows:

Year Ended September 30,	Deferred Outflows/(Inflows) of Resources
2022	\$ (710,174)
2023	(527,470)
2024	(1,074,350)
2025	<u>(1,393,973)</u>
Total	\$ (3,705,967)

C. Police Officers Defined Benefit Pension Plan

Plan administration. The City of Sarasota Police Officers’ Defined Benefit Pension Plan, a defined benefit single-employer public employee retirement plan, is administered by the Plan’s Board of Trustees in accordance with Chapter 24, Article II of the Sarasota City Code, 1986, as amended and restated.

Florida Statute Chapter 185 requires that the Board of Trustees be comprised of two members appointed by the City Commission, two members elected by a majority of the police officers who are members of the Plan, and a fifth member chosen by a majority of the other members and administratively appointed by the City Commission.

The Plan also provides for compliance with Chapter 185, Florida Statutes to ensure the Plan will continue to qualify for funding under F.S. 185.08 in the event a change to the statute is effective before the Plan can be amended. The City Commission may not amend the Plan to reduce the vested accrued benefit of members or beneficiaries.

Plan membership. At September 30, 2021, membership consisted of the following:

Inactive plan members or beneficiaries currently receiving benefits	238
Inactive plan members entitled to but not yet receiving benefits	6
Active plan members	<u>158</u>
Total	<u>402</u>

Benefits provided. The Plan provides disability benefits for both duty related and non-duty related disabilities. If the Board determines that the disability was caused by performance of duty, the pension is calculated the same as if he or she had taken normal retirement after a minimum of 25 years of service. The Plan calls for minimum payments to in the line of duty disability recipients and their beneficiaries. Disability for police officers injured not in the line of duty is computed at 2.50% of average compensation multiplied by years of service (maximum of forty years), plus 5% of police officers' last monthly salary for each eligible child.

If any police officer is killed as a result of performing duties, the beneficiaries are entitled to the same monthly pension as if the deceased had taken a normal retirement after a minimum of 25 years of service. If any police officer dies of causes not directly related to performing duties, the beneficiaries are entitled to receive the same monthly pension as if the deceased had received disability benefits not in the line of duty and then died.

If an employee separates from the City before achieving 10 years of credited service, the employee will receive the full amount of his or her contributions plus regular interest. This will be a complete discharge of benefits under the Plan. If an employee separates service from the City after 10 years of credited service they may receive a pension starting at age 55, a refund of contributions and interest, or receive a reduced retirement pension starting any time after age 50.

Other contributions are received from the State of Florida and the City. The State of Florida contribution results from the City's share of insurance tax. The City contributes an amount to make the Plan actuarially sound, but not less than 8% of payroll.

If a member served as a police officer with the City during a period of previous employment or if a member served as a police officer for any other municipal, county or state law enforcement department in the United States, he or she may contribute an actuarially determined amount to the Plan to effectively purchase those prior service years. However, the member may not purchase prior police service that is counted for retirement benefits from another pension plan. The prior service time must be for at least one year and there is no maximum limit. In addition, the Plan also accepts rollovers of eligible pension accounts solely for the purpose of purchasing credited service.

The Fund also provides for compliance with Chapter 185, *Florida Statutes* to ensure the Fund will continue to qualify for funding under Florida Statute 185.08 in the event a change to the statute is effective before the Fund can be amended. The City Commission may not amend the Fund to reduce the vested accrued benefit of members of beneficiaries.

On December 8, 2017, the City approved Ordinance 17-5232 which establishes a defined contribution plan (a "share plan") to provide special benefits to police officers and retirees with a determination of eligibility made each plan year beginning October 1.

Under the provision of the ordinance, the initial amount to be allocated to the share plan shall be \$421,898, which reflects 50% of the accumulated excess premium tax revenues that have not been allocated to fund benefits as of September 30, 2018.

In any plan year, following the initial funding of share accounts in which annual premium tax revenues exceed \$773,572, the individual share account of each active police officer or DROP participant who was a member of the share plan on the preceding September 30, shall be credited with an equal share of 50% of the excess. For the year ended September 30, 2022, the share plan had a balance of \$275,232.

Contributions. Participants are required to contribute 8 percent of their annual salary to the Plan. If an employee separates service from the City before achieving 10 years of credited service, the employee will

receive his contributions plus 5 percent regular interest compounded annually. Other contributions are received from the State of Florida and the City. The State of Florida contribution results from the City's share of insurance tax. The City contributes an amount to make the fund actuarially sound, but not less than 8 percent of payroll. The projection of benefits for financial reporting purposes *does not* explicitly incorporate the potential effects of legal or contractual funding limitations.

During the year ended September 30, 2022, contributions totaling \$8,570,689 were made in accordance with contribution requirements determined by an actuarial valuation of the Plan as of September 30, 2021. The City contributed \$6,576,009; the State of Florida contributed \$735,199 and the employees contributed \$1,259,481

The State of Florida makes contributions from taxes on casualty insurance premiums. The City recognized these on-behalf payments from the State as revenue and personnel expenditures in the City's General Fund before they were recorded as contributions in the Police Officers' Pension Plan.

Deferred retirement option plan. Effective December 21, 1998, the City approved an ordinance creating a deferred retirement option plan (DROP). In lieu of terminating employment as a police officer, any member may elect to defer receipt of such service retirement pension and to participate in the DROP. A member's participation in the DROP may not exceed sixty months beginning at the time the election becomes effective. A member may participate only once.

A separate general ledger account is created for each member participating in the DROP to track earnings, contributions and payments. The member's DROP account consists of the monthly retirement benefit the member would have received had they terminated their employment as a police officer and the earnings of those amounts. To maximize earnings potential for each DROP participant, the funds are pooled with the investments in the Fund.

For members who entered the DROP prior to October 1, 2012, the member elects to receive either interest at a fixed rate of 6.5% per annum, compounded quarterly, or the actual net rate of investment return realized by the pension Fund. For those who entered the DROP on or after October 1, 2012, the member elects to receive either interest at a fixed interest rate of 2.5% per annum compounded quarterly, or the actual rate of investment return realized by the pension Fund. The DROP amount included as a component of net position at September 30, 2022 was \$2,381,644.

Investment policy. All investments of the Plan must be consistent with the investment policy adopted by the Plan's Board of Trustees. The policy is structured to maximize the financial return to the Plan consistent with the risks incumbent in each investment and is structured to establish and maintain an appropriate diversification of the Plan's assets. Investments of the Plan are comprised of money market funds, U.S. Government securities, U.S. Government agency securities, municipal securities, common and preferred stocks, stock mutual funds, bond mutual funds, corporate bonds, real estate mutual funds, and foreign mutual funds as authorized by Plan policies. The investments as of September 30, 2022, for the Plan are reported in Note 3.

Rate of return. For the year ended September 30, 2022, the annual money-weighted rate of return on Plan investments, net of Plan investment expense was (16.67)%. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Actuarial assumptions. The total pension liability, net pension liability, and certain sensitivity information are based on an actuarial valuation performed as of September 30, 2021. The total pension liability was rolled forward from the valuation date to the Plan year ending September 30, 2022, using the following actuarial assumptions applied to all measurement periods:

Inflation	2.30%
Salary increases	5.20% to 19.30% depending on service, including inflation
Investment rate of return	6.50%

RP-2000 Combined Healthy Participant Mortality Table (for preretirement mortality) and the RP-2000 Mortality Table for Annuitants (for postretirement mortality), with mortality improvements projected to all future years after 2000 using Scale BB. For males, the base mortality rates include a 90% blue collar adjustment and a 10% white collar adjustment. For females, the base mortality rates

City of Sarasota, Florida
Notes to the Financial Statements
September 30, 2022

include a 100% white collar adjustment. These are the same rates currently in use for Special Risk Class members in the July 1, 2018 actuarial valuation of the Florida Retirement System (FRS). Florida Statutes Chapter 112.63(1)(f) mandates the use of the mortality tables used in either of the two most recently published actuarial valuation reports of FRS.

The long-term expected rate of return on Plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of Plan investment expense) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the Plan’s target asset allocation as of September 30, 2022, (see the discussion of the Plan’s investment policy) are summarized in the following table:

<u>Asset Class</u>	<u>Long-Term Expected Real Rate of Return</u>
Domestic equity	9.56%
Bonds	4.49%
International equity	5.60%
Real estate	8.87%
Infrastructure	8.09%

Discount rate. A single discount rate of 6.50% was used to measure the total pension liability. This single discount rate was based on the expected rate of return on Plan investments of 6.50%. The projection of cash flows used to determine this single discount rate assumed that plan members contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between the total actuarially determined contribution rates and the member rate. Based on these assumptions, the Plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on Plan investments (6.50%) was applied to all periods of projected benefit payments to determine the total pension liability.

The single discount rate was developed as follows:

Single discount rate	6.50%
Long-term expected rate of return	6.50%
Long-term municipal bond rate *	2.19%
Last year ending September 30 in the 2022 to 2121 projection period for which projected benefit payments are fully funded	2121

* Source: Fidelity General Obligation AA rate as of September 30, 2021, which is the rate for Fixed Income Market Data/Yield Curve Data for Municipal Bonds with 20 years to maturity that included only federally tax-exempt municipal bonds as reported in Fidelity Index’s “20-Year Municipal GO AA Index.” Fidelity notes that the municipal curves are constructed using option-adjusted analytics across a diverse population of over 10,000 tax exempt municipal securities.

Sensitivity of the net pension liability to changes in the discount rate. The following presents the Plan’s net pension liability, calculated using a single discount rate of 6.50%, as well as what the Plan’s net pension liability would be if it were calculated using a single discount rate that is one percentage-point lower or one percentage-point higher:

	1% Decrease 5.50%	Current Discount Rate 6.50%	1% Increase 7.50%
Net pension (asset) liability	\$ 28,518,206	\$ (12,786,118)	\$ (46,598,777)

City of Sarasota, Florida
Notes to the Financial Statements
September 30, 2022

Changes in the Net Pension Liability. The changes in Net Pension Liability for the Police Officers Defined Benefit Pension Plan are as follows:

	Increase (Decrease)		
	Total Pension Liability	Plan Fiduciary Net Position	Net Pension Liability / (Asset)
Balance at September 30, 2020*	\$ 294,177,144	\$ 270,902,751	\$ 23,274,393
Changes for the year:			
Service cost	4,538,036	--	4,538,036
Interest on the total pension liability	19,448,189	--	19,448,189
Differences between expected and actual experience	402,170	--	402,170
Changes of assumptions	9,081,088	--	9,081,088
Contributions from the employer	--	7,237,371	(7,237,371)
Contributions from employees	--	1,215,226	(1,215,226)
Net investment income	--	61,299,155	(61,299,155)
Administrative expenses	--	(221,758)	221,758
Benefit payments, including refunds of employee contributions	(16,575,580)	(16,575,580)	--
Net changes	16,893,903	52,954,414	(36,060,511)
Balance at September 30, 2021*	\$ 311,071,047	\$ 323,857,165	\$ (12,786,118)

*Measurement date

Net pension liability. The net pension liability is measured as the total pension liability, less the amount of the pension plan's fiduciary net position. In actuarial terms, this will be the accrued liability less the market value of assets (not the smoother actuarial value of assets that is often encountered in actuarial valuations performed to determine the employer's contribution requirement). The components of the net pension liability at September 30, 2022, were as follows:

Total Pension liability	\$ 311,071,047
Plan fiduciary net position	323,857,165
Net Pension (asset)liability	<u>\$ (12,786,118)</u>
Plan fiduciary net position as a percentage of the total Pension liability	104.11%

Pension Expense and Deferred Outflows and Deferred Inflows of Resources Related to Pensions. For the year ended September 30, 2022, the City will recognize pension expense of \$(5,054,886) for the Police Officers Defined Benefit Pension Plan (PODBPP). At September 30, 2022, the City has deferred outflows and deferred inflows of resources related to the PODBPP as follows:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ 2,151,651	\$ -
Contributions to the Pension Plan subsequent to the measurement date	7,311,208	--
Changes in Assumptions	5,110,338	--
Net difference between projected and actual earning on Pension plan investments	--	38,591,937
Total	<u>\$ 14,573,197</u>	<u>\$ 38,591,937</u>

\$7,311,208 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

Year Ended September 30,	Deferred Outflows/(Inflows) of Resources
2023	\$ (7,618,506)
2024	(6,159,279)
2025	(8,893,193)
2026	(8,658,970)
2027	-
Thereafter	-
Total	\$ (31,329,948)

D. Summary of All Defined Benefit Pension Plans

The actuarial valuation of the liabilities and the measurement date were determined as of the September 30, 2021. These liabilities were used for GASB Statement No. 68 purposes for the reporting period ending September 30, 2022. Using a measurement date of September 30, 2021 allows for more timely reporting at the end of the year.

Totals for the City's single employer and cost-sharing multiple employer pension plans for the 2022 fiscal year are summarized below:

	Defined Benefit Pension Plans					Total
	Florida Retirement System	Retiree Health Ins. Subsidy Prog.	General Employees	Fire Fighters	Police Officers	
Net pension (asset)liability	\$ 4,885,770	\$ 1,664,863	\$ 36,960,775	\$(3,365,730)	\$ (12,786,118)	\$ 27,359,560
Deferred outflows of resources related to pensions	4,382,038	1,709,465	9,175,703	1,624,320	14,573,197	31,464,723
Deferred inflows of resources related to pensions	-	264,879	15,173,431	3,705,967	38,591,937	57,736,214
Pension expense	1,479,321	392,439	4,573,553	(781,253)	(5,054,886)	609,174

Totals by funds are as follows:

	Net Pension (Asset)Liability	Deferred Outflows	Deferred Inflows	Pension Expense
Governmental activities	\$ 4,751,735	\$ 24,008,059	\$ 49,442,613	\$ (10,764,663)
Business-type activities	22,607,825	7,456,664	8,293,601	11,373,837
Totals	<u>\$ 27,359,560</u>	<u>\$ 31,464,723</u>	<u>\$ 57,736,214</u>	<u>\$ 609,174</u>

E. General Employees Defined Contribution Retirement Plan

Plan description. The General Employees Defined Contribution Retirement Plan was established as a single employer, public employee, retirement plan to provide income to all participating General Employees hired on or after September 7, 2011. All Plan provisions, including benefits, eligibility, vesting, etc., were established by City Ordinance 11-4988. The City Commission approves all plan provisions and amendments. The Plan does not issue a stand-alone financial report and is not included in any other retirement system's or entity's financial report.

The Plan's financial statements are prepared using the accrual basis of accounting. Employee and employer contributions are recognized as revenues when due and a formal commitment to provide contributions has been made. Benefits and refunds are recognized when due and payable in accordance with terms of the Plan.

All investments are directed by Plan members, including the non-vested portion of the City's contributions, if any. Plan members may elect to allocate investments among mutual funds, money market funds, and fixed income funds. Investments are reported at fair value.

Membership. General Employees Defined Contribution Retirement Plan membership at September 30, 2022, is as follows:

Active employees (vested and non-vested)	245
Retired and terminated members maintaining balances	<u>327</u>
Total	<u>572</u>

Benefits. Member contributions are 100% vested at all times. Employer contributions become vested after five years of employment.

Funding policy. Members are required to contribute 6% of covered salary (regular pay only) to the Plan, and the City is required to match this contribution percentage. A Participant may elect to make an additional deferral of his or her compensation to a 457(b) Deferred Compensation Plan. In such event, the City shall match 100% of up to the first 2% electively deferred by the Participant, for a total match of 8%. While the Participant's elective deferral shall be deposited into a 457(b) Deferred Compensation Plan, the contributions made by the City shall be deposited into the Defined Contribution Plan. During 2021, actual contributions were \$ 994,181 from employees, \$ 994,182 from the City, and \$ 147,937 from other.

The City contributed an additional \$ 60,500 to fund administrative expenses for the plan. This contribution was from current year forfeitures for employees that have terminated before five years of employment.

F. Other Post Employment Benefits Plan

Plan Description

The City Commission established the Other Post-Employment Benefits (OPEB) Trust Fund for the purpose of accumulating, investing, and managing funds necessary to meet the costs of providing health and/or life insurance to retirees and their dependents. The plan is a single-employer defined benefit OPEB plan administered by the City to provide medical and life insurance benefits to eligible retirees and their dependents. The plan is administered by a separate oversight committee. The City Commission approves all plan provisions and amendments. Separate financial statements of the plan are not available.

The City chooses to use the prior fiscal year's measurement date for its OPEB Plan. This insures that the City's annual report can be issued on a timely basis.

All full time employees of the City of Sarasota who satisfy the vesting, disability, early or normal retirement provisions of the applicable retirement plans may be eligible for post-employment benefits. Furthermore, certain individuals who transferred from the City to the County are eligible for certain benefits under the City's OPEB plan. These include certain Fire Rescue employees, and other former employees who were transferred to Sarasota County through a consolidation of services. They continue to be members of the City's Pension Plans, but are not covered under the City's benefit plans while an active employee. However, upon retirement under the City's pension plans, they may transfer to the City's benefit plans (medical, prescription and dental only; no life insurance) for coverage during their retirement years.

Membership in the plan consisted of the following at September 30, 2021:

Inactive Plan Members or Beneficiaries Currently Receiving Benefits	693
Inactive Plan Members Entitles to But Not Yet Receiving Benefits	13
Active Plan Members	<u>716</u>
Total	<u><u>1,422</u></u>

Summary of Significant Accounting Policies

Basis of Accounting. The plan's financial statements are prepared using the accrual basis of accounting. Separate financial statements of the plan are not available. Employee and employer contributions are recognized as revenues when due and a formal commitment to provide contributions has been made. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

Method Used to Value Investments. Investments are reported at fair value using quoted market prices or the best estimate available.

Funding Policy and Contributions

The contribution requirements of plan members and the City are established and may be amended by the City Commission. The contribution is based on projected pay-as-you-go financing requirements, with an additional amount to prefund benefits as determined annually by the City Commission. These contributions are neither mandated nor guaranteed. The City has retained the right to unilaterally modify its payment for retiree health care and life insurance benefits. The projection of benefits for financial reporting purposes *does not* explicitly incorporate the potential effects of legal or contractual funding limitations.

For the 2022 fiscal year, the City contributed \$3,088,000 to the plan, and plan members receiving benefits contributed \$1,416,885. Retiree-only coverage is offered to plan members at no cost or up to \$137.94 per month based upon pension benefit and type of plan selected. Dependent coverage is offered at \$485.66 to \$1,108.09 per month depending on the plan selected. Rates vary based upon the type of plan selected by the retiree.

Net OPEB Liability

Actuarial Assumptions. The Total OPEB Liability was determined by an actuarial valuation as of September 30, 2020, using the following actuarial assumptions, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.25% Intermediate, 2.50% Long-Term
Salary Increase	4.70% - 19.30% depending on plan type, age and years of service
Investment Rate of Return	6.00%
Healthcare cost trend rates	Based on the Getzen Model, with trend starting at 6.25% and gradually decreasing to an ultimate trend rate of 3.99%.

Mortality tables used for Regular Class and Special Risk Class members in the July 1, 2020 actuarial valuation of the Florida Retirement System (FRS), including generational projections of improvements. They are based on the results of a statewide experience study covering the period 2013 through 2018.

The actuarial assumptions used in the September 30, 2021, valuation were based on the results of an actuarial experience study performed as of September, 30, 2020.

The long-term expected rate of return on OPEB plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation.

Best estimates of arithmetic real rates of return for each major asset class included in the target asset allocation as of September 30, 2022, are summarized in the following table:

<u>Asset Class</u>	<u>Long-Term Expected Real Rate of Return</u>	<u>Target Allocation</u>
Domestic equity	6.25%	60%
Fixed Income	0.70%	20%
International Equity	6.55%	10%
Real Estate	5.41%	10%

Discount rate. A single discount rate of 6.00% was used to measure the total OPEB liability. This single discount rate was based on the expected rate of return on OPEB plan investments of 6.00%. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between the total actuarially determined contribution rates and the member rate. Based on these assumptions, the OPEB plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore the long-term expected rate of return on OPEB plan investments (6.00%) was applied to all periods of projected benefit payments to determine the total OPEB liability.

The single discount rate was developed as follows:

The single discount rate	6.00%
Long-term expected rate of return	6.00%
Long-term municipal bond rate	2.19%
Last year ending September 30 in the 2022 to 2119 projection period for which projected benefit payments are fully funded	2121

* Source: Fidelity General Obligation AA rate as of September 30, 2020, which is the rate for Fixed Income Market Data / Yield Curve Data for Municipal Bonds with 20 years to maturity that include only federally tax-exempt municipal bonds as reported in Fidelity Index’s “20-Year Municipal GO AA Index.”

City of Sarasota, Florida
Notes to the Financial Statements
September 30, 2022

Fidelity notes that the municipal curves are constructed using option-adjusted analytics across a diverse population of over 10,000 tax exempt municipal securities.

Sensitivity of the Net OPEB Liability to changes in the discount rate. The following presents the Net OPEB Liability of the City, as well as what the City's Net OPEB Liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.0 percent) or 1-percentage-point higher (7.0 percent) than the current discount rate:

	1% Decrease (5.00)%	Current Discount Rate (6.00)%	1% Increase (7.00)%
Net OPEB Liability	\$ 11,535,440	\$ 5,266,634	\$ (73,136)

Sensitivity of the Net OPEB Liability to changes in the healthcare cost trend rates. The following presents the Net OPEB Liability of the City, as well as what the City's Net OPEB Liability would be if it were calculated using healthcare cost trend rates that are 1% point lower (5.25% decreasing to 2.99%) or 1% point higher (7.25% decreasing to 4.99%) than the current healthcare cost trend rates:

	1% Decrease (5.25% decreasing to 2.99%)	Current Discount Rate Trend Rate Assumption	1% Increase (7.25% decreasing to 4.99%)
Net OPEB Liability	\$ (484,486)	\$ 5,266,634	\$ 11,945,463

Changes in the Net OPEB Liability. The changes in Net OPEB Liability are as follows:

	Increase (Decrease)		
	Total OPEB Liability	OPEB Fiduciary Net Position	Net OPEB Liability / (Asset)
Balance at September 30, 2020*	\$ 79,313,309	\$ 50,852,162	\$ 28,461,147
Changes for the year:			
Service cost	619,654	-	619,654
Interest on the total OPEB liability	4,577,427	-	4,577,427
Changes of benefit terms	-	-	-
Differences between expected and actual experience	(1,596,422)	-	(1,596,422)
Changes of assumptions	(11,858,749)	-	(11,858,749)
Contributions from the employer	-	3,902,133	(3,902,133)
Contributions from employees	-	-	-
Net investment income	-	11,099,305	(11,099,305)
OPEB Plan Administrative expenses	-	(65,015)	65,015
Benefit payments, including refunds of employee contributions	(4,092,181)	(4,092,181)	-
Net changes	(12,350,271)	10,844,242	(23,194,513)
Balance at September 30, 2021*	<u>\$ 66,963,038</u>	<u>\$ 61,696,404</u>	<u>\$ 5,266,634</u>

*Measurement date

Net OPEB liability. The Total OPEB Liability as of September 30, 2021 is based on results of an actuarial valuation date of September 30, 2020 and rolled forward using generally accepted actuarial procedures. The components of the Net OPEB Liability as of September 30, 2022, were as follows.

Total OPEB liability	\$	66,963,038
Plan fiduciary net position		61,696,404
Net OPEB liability	\$	<u>5,266,634</u>
Plan fiduciary net position as a percentage of the total OPEB liability		92.14%

OPEB Expense and Deferred Outflows and Deferred Inflows of Resources Related to OPEB. For the year ended September 30, 2022, the City will recognize OPEB expense of (\$6,995,395), for the Other Post-Employment Benefits (OPEB) Trust Fund. At September 30, 2022, the City has deferred outflows and deferred inflows of resources related to the OPEB are as follows:

	<u>Deferred Outflows of Resources</u>	<u>Deferred Inflows of Resources</u>
Difference between expected and actual experience	\$ 147,671	\$ 1,694,499
Assumption Changes	2,046,844	19,359,699
Contributions to the OPEB Plan subsequent to Measurement date	3,042,790	--
Net difference between projected and actual earning on Pension plan investments	--	6,115,359
Total	<u>\$ 5,237,305</u>	<u>\$ 27,169,557</u>

\$3,042,790 reported as deferred outflows of resources related to contributions subsequent to the measurement date will be recognized as a reduction of the net OPEB liability in the year ended September 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized as pension expense as follows:

<u>Year Ended September 30,</u>	<u>Deferred Outflows/(Inflows) of Resources</u>
2023	(6,814,283)
2024	(7,167,142)
2025	(6,911,091)
2026	(4,082,526)

E. Summary of OPEB Plan

The actuarial valuation of the liabilities was determined as of October 1, 2020 (based on the actuarial valuation results as reported in the October 1, 2020 actuarial valuation report dated July 8, 2021) and "rolled-forward" to the September 30, 2021 measurement date. These liabilities are used for GASB Statement No. 75 reporting for the reporting period ending September 30, 2021. Using a measurement date of September 30, 2021 allows for timelier reporting at the end of the year. An additional deferred outflow of \$45,000 for retiree life insurance is included below that is not included in the actuarially determined amounts above.

NOTE 17 - THE BAY

The Project

The Bay is a community, City, and Park Conservancy initiative to transform 53 acres of city-owned land, that is mostly parking lot, into a signature public park along the Sarasota Bay. Once complete, The Bay will include a wide range of park uses that will be open and accessible, free and welcoming, to the citizens and visitors of the City. The preliminary cost estimate for a 50+ acre park at The Bay is \$100 - \$150 million, or \$2-\$3 million dollars an acre, to be developed in phases as plans are finalized and approved, and funds raised. The estimated capital cost for Phase 1 is \$22 - \$33 million. The Bay will be funded from a combination of private philanthropic gifts and government sources. Phase 1 will be funded 80% from philanthropy and 20% from government sources. Phase 2 is scheduled to begin construction in fiscal year 2023. This phase will include a Dockside/South Canal District, City Side Cultural District, Sunset Boardwalk/Pier and Western Shore Improvements. The funding of this phase is projected at \$48 million and will be funded with a bond issuance.

Home Rule Tax Increment Financing (TIF) District

On November 2, 2020, both the City of Sarasota and the Sarasota county Commissions voted to finalize an interlocal agreement to create a home rule tax increment financing (TIF) district for The Bay. The tax increment revenue may only be used for the design and construction of capital improvements within the Bay Park, including, but not necessarily limited to a new performing arts center. These revenues may also be used for new bicycle and pedestrian amenities within the District. The base year of the district is January 1, 2019 for a period of 30 years. Both the City and the County will contribute at their adopted millage rate.

As of September 30, 2022, the City has expended \$3,000,000, along with contributions of \$30,714,011 from the Park Conservancy for a total output of \$33,714,011 towards Phase 1 of the project.

Notes to Schedule:

Valuation Date 9/30/2020
Measurement Date 9/30/2021

Actuarial determined contribution rates are calculated as of September 30, which is two years prior to the end of the fiscal year in which contributions are reported.

Methods and Assumptions Used to Determine Contribution Rates:

Actuarial Cost Method	Entry Age, Normal
Amortization Method	Level Dollar, Closed
Remaining Amortization Period	16 years (single equivalent period)
Asset Valuation Method	5-year smoothed market
Inflation	2.3%
Salary Increases	4.7% to 6.3% depending on age, including inflation
Investment Rate of Return	6.55%
Retirement Age	Experience-based table of rates that are specific to the type of eligibility condition.
Mortality	RP-2000 Combined Healthy Participant Mortality Table (for preretirement mortality) and the RP-2000 Mortality Table for Annuitants (for postretirement mortality), with mortality improvements projected to all future years after 2000 using Scale BB. For males, the base mortality rates include a 50% blue collar adjustment and a 50% white collar adjustment. For females, the base mortality rates include a 100% white collar adjustment. These are the same rates currently in use for Regular Class members in the July 1, 2018 actuarial valuation of the Florida Retirement System (FRS). Florida Statutes Chapter 112.63(1)(f) mandates the use of the mortality tables used in either of the two most recently published actuarial valuation reports of FRS.

Notes to Schedule:

The 2014 fiscal year was the year of implementation of GASB Statement No. 68. Ten year trend information will be presented for future fiscal years.

The 2015 fiscal year reflects a benefit change of \$3,008,519. This is attributable to reinterpretation of an Ordinance for the normal form of payment. The Ordinance was reinterpreted to consider the normal form of payment for years of service earned prior to October 1, 2012 to be a joint and 2/3 survivor form of payment (for married participants) instead of 10 years certain and life. Benefits for police officers who retired after October 1, 2012 have been revised to reflect this Ordinance reinterpretation.

Valuation Date 9/30/2020

Measurement Date 9/30/2021

Notes: Actuarially determined contribution rates are calculated as of September 30, which is two years prior to the end of the fiscal year in which contributions are reported.

Methods and Assumptions Used to Determine Contribution Rates:

Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage of Payroll, Closed
Remaining Amortization Period	16 years
Asset Valuation Method	5-year smoothed market
Inflation	2.3%
Salary Increases	5.2% to 19.3% depending on age, including inflation
Investment Rate of Return	6.75%
Retirement Age	Experience-based table of rates that are specific to the type of eligibility condition.
Mortality	The same versions of Pub-2010 Headcount-Weighted Mortality Tables as used by the Florida Retirement System (FRS) in their July 1, 2019 actuarial valuation (with mortality improvements projected to all future years as after 2010 using Scale MP-2018. Florida Statutes Chapter 112.63(1)(f) mandates the use of mortality tables from one of the two most recently published FRS actuarial valuation reports.

Other Information:

Notes: See Discussion of Valuation Results in the September 30, 2020 Actuarial Valuation Report.

Notes to Schedule:

The schedule will present 10 years of information once it is accumulated.

Notes to Schedule:

Valuation Date	10/1/2020
Measurement Date	9/30/2021
Roll Forward Procedures	Standard actuarial procedures were applied to roll forward the liability from the Valuation Date to the Measurement Date.

Methods and Assumptions Used to Determine Contribution Rates:

Actuarial Cost Method	Entry Age Normal
Inflation	2.25% intermediate, 2.50% long-term
Discount Rate	6.00%, the resulting Single Discount Rate based on the expected rate of return on OPEB plan investments as of September 30, 2021 at 6.00% and the long-term municipal bond rate as of September 30, 2021 at 2.19%
Salary Increases	4.70% to 19.3% depending on plan, including inflation; varies by plan type, age and years of service.
Retirement Age Mortality	Experience-based tables of rates that are specific to the type of eligibility condition. Mortality tables used for Regular Class and Special Risk Class members in the July 1, 2020 actuarial valuation of the Florida Retirement System, including generational projections of improvements. They are based on the results of a statewide experience study covering the period 2013 through 2018.
Health Care Cost Trend	Starting at 6.25% and gradually decreasing according to the Getzen Model to an ultimate trend rate of 3.99%.
Aging Factors Expenses	Based on the 2013 SOA Study "Health Care Costs-From Birth to Death" Investment returns are net of the investment expenses; and, Health Plan Administrative expenses directly related to the delivery of benefits are offsets to benefits are included in the per capita costs.

Nonmajor Enterprise Fund

Enterprise funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis is financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

Municipal Auditoriums - To account for the operations of the City's civic center complex and the Payne Park auditorium.

Internal Service Funds

Internal service funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the City, or to other governments on a cost-reimbursement basis.

Fleet Services - This fund accounts for the cost of operating a maintenance facility used to service all motor vehicles.

Information Technology - This fund accounts for the cost of providing hardware and software information systems and technologies to other City Departments.

General Benefits and Insurance - This fund accounts for the administration of compensated absences for governmental fund departments and the City's self-insurance programs.

Equipment Replacement - This fund accounts for the capital funding and replacement of motor vehicles and other equipment.

Fiduciary Funds

Trust Funds

Trust funds are used to account for assets held by the government in a trustee capacity. They are accounted for in essentially the same manner as enterprise funds since capital maintenance is critical.

Pension Trust Funds

General Employees' Defined Benefit Pension - This fund is used to account for the accumulation of resources for pension benefit payments to participants of the City's General Employees' Defined Benefit Pension Plan.

Police Officers' Defined Benefit Pension- This fund is used to account for the accumulation of resources for pension benefit payments to participants of the City's Police Officers' Defined Pension Plan.

Firefighters' Defined Benefit Pension - This fund is used to account for the accumulation of resources for pension benefit payments to participants of the City's Firefighters' Defined Benefit Pension Plan.

General Employees Defined Contribution Retirement Plan - This fund is used to account for both the City and employee contributions that would accrue to the employees, and also to account for the additional 2 percent City contribution that is budgeted annually for administrative costs.

Other Post-Employment Benefits Trust Fund - This fund is used to account for the future liability of costs for medical/prescription/dental coverage, extended life insurance coverage and benefits under the Employee Assistance Program available to retirees and their dependents.

Custodial Funds

Custodial funds are used to account for assets held by the government as an agent for individuals, private organizations and other governmental units. They are custodial in nature and do not involve the measurement of results of operations.

Community Development - This fund is used to account for fees due to homeowners for repairs to their homes.

Impact Fees - This fund is used to account for fees collected from citizens and disbursed to Sarasota County.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Honorable Mayor and City Commission
City of Sarasota, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Sarasota, Florida (the "City") as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated March 13, 2023. Our report includes a reference to other auditors who audited the financial statements of the City's General Employees' Pension Plan, the Police Officers' Plan, and the Firefighters' Pension Plan, as described in our report on the City's financial statements. This report includes our consideration of the results of the other auditor's testing of internal control over financial reporting and compliance and other matters that are reported on separately by those other auditors. However, this report, insofar as it relates to the results of the other auditors, is based solely on the reports of the other auditors.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Report on Internal Control over Financial Reporting (*Continued*)

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify one deficiency in internal control described in the accompanying Schedule of Findings and Questioned Costs as item 2022-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's basic financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, grant agreements and contracts, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the City in a separate letter dated March 13, 2023.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR’S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND MAJOR STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE FINANCIAL ASSISTANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE AND CHAPTER 10.550, RULES OF THE AUDITOR GENERAL

The Honorable Mayor and City Commission
City of Sarasota, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and Major State Project

We have audited the compliance of the City of Sarasota, Florida (the “City”) with the types of compliance requirements described in the U.S. Office of Management and Budget (“OMB”) *Compliance Supplement* and the requirements described in the Department of Financial Services State Projects *Compliance Supplement* that could have a direct and material effect on each of its major federal programs and major state projects for the fiscal year ended September 30, 2022. The City’s major federal programs and state projects are identified in the summary of auditor’s results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and major state projects for the fiscal year ended September 30, 2022.

Basis for Opinion for Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.550, *Rules of the Auditor General*. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor’s Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City’s compliance with the compliance requirements referred to above.

Responsibility of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the City’s federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance; and Chapter 10.550, *Rules of the Auditor General* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City's compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.550, *Rules of the Auditor General*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Report on Internal Control over Compliance (Continued)

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards and State Financial Assistance

We have audited the basic financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component unit, each major fund, and the aggregate remaining fund information of the City as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We issued our report thereon dated March 13, 2023, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards and State Financial Assistance is presented for the purposes of additional analysis, as required by the Uniform Guidance, Chapter 69I-5, *Schedule of Expenditures of State Financial Assistance*, Rules of the Department of Financial Services, and Chapter 10.550, *Rules of the Auditor General*, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (*Continued*)

For the Year Ended September 30, 2022

SECTION II – FINDINGS RELATED TO THE FINANCIAL STATEMENT AUDIT, AS REQUIRED TO BE REPORTED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

2022-001 – Internal Control over Cash Reconciliation

Type of Finding – Significant Deficiency

Criteria:

Proper internal controls over cash include timely identification of differences between book and bank cash through the reconciliation process. Therefore, reconciliations should be performed on a timely basis, generally considered to be within 30 days of the end of a month.

Condition:

During our testing of cash and the related controls it came to our attention that the year end reconciliations were not being performed timely during the year and at year end. The September 2022 cash reconciliation was not completed until February 2023, and the City's reconciliation process identified an unreconciled difference.

Cause:

Staff turnover in the department specifically the retirement of a long-term employee responsible for reconciling cash contributed to delays in reconciling cash timely. In addition, the City is decentralized with over thirty locations collecting payments using various systems. This causes the bank reconciliation to be a time consuming and difficult process. Lastly, the City is implementing a new ERP system which has put additional strain on the already limited personnel resources available to investigate the cash difference.

Effect:

Bank reconciliations were not being performed timely resulting in the City having to adjust cash for the unreconciled difference as of September 30, 2022.

Recommendation:

We recommend that the City evaluate its controls over cash to ensure bank reconciliations are performed in a timely manner and consider centralizing cash receipting, where practical. We also recommend that the City cross train personnel to perform key control functions to minimize the impact of staff turnover.

Views of responsible officials and plan corrective action:

See separate letter titled City's Response to Auditor's Recommendations for the views of responsible officials and the corrective action plan.

SECTION III – FEDERAL AWARD AND STATE FINANCIAL ASSISTANCE FINDINGS AND QUESTIONED COSTS SECTION REPORTED IN ACCORDANCE WITH THE UNIFORM GUIDANCE AND CHAPTER 10.550, *RULES OF THE AUDITOR GENERAL*

No matters are reported.

The accompanying notes to the SEFASFA are an integral part of this statement.

City of Sarasota, Florida
Notes to Schedule of Expenditures of Federal
Awards and State Financial Assistance
September 30, 2022

1. Summary of Significant Accounting Policies:

The accounting policies and presentation of the Single Audit Report of the City of Sarasota, Florida have been designed to conform to generally accepted accounting principles as applicable to governmental units, including the reporting and compliance requirements of the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) (federal awards), and Chapter 10.550, *Rules of the Auditor General* of the State of Florida.

A. Reporting Entity - The Audits of States, Local Governments, and Non-Profit Organizations and the Uniform Guidance set forth the audit and reporting requirements for federal awards, Chapter 69 I-5 sets forth the requirements for state financial assistance. The City of Sarasota included schedules of both federal and state financial assistance in the Single Audit section. Financial assistance received directly from the State of Florida is included to satisfy the audit requirements of the State of Florida grantor agencies.

B. Basis of Accounting - Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The modified accrual basis of accounting is followed in the Schedule of Expenditures of Federal Awards and State Financial Assistance. Under the modified accrual basis of accounting, revenues are recognized in the accounting period in which they become both measurable and available to finance expenditures of the current period. Available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recorded when the related liability is incurred. In applying the susceptible-to-accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. In some financial assistance programs where monies must be expended on the specific purpose or project before any amounts will be paid to the City of Sarasota, revenues are recognized based upon the expenditures recorded.

2. Contingencies:

Grant monies received and disbursed by the City of Sarasota are for specific purposes and are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based upon prior experience, the City of Sarasota does not believe that such disallowances, if any, would have a material effect on the financial position of the City. As of September 30, 2022, there were no material questioned or disallowed costs as a result of grant audits in process or completed.

3. The auditee did not use the de minimis cost rate.

INDEPENDENT ACCOUNTANT'S REPORT

The Honorable Mayor and City Commission
City of Sarasota, Florida

We have examined the compliance of the City of Sarasota, Florida's (the "City") compliance with the requirements of Section 218.415, Florida Statutes, during the fiscal year ended September 30, 2022. Management is responsible for the City's compliance with those requirements. Our responsibility is to express an opinion on the City's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the City complied with those requirements, in all material respects. An examination involves performing procedures to obtain evidence about the City's compliance with those requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the City's compliance with specified requirements.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, the City complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2022.

MSL, P.A.

Certified Public Accountants

Tampa, Florida
March 13, 2023

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

The Honorable Mayor and City Commission
City of Sarasota, Florida

Report on the Financial Statements

We have audited the basic financial statements of the City of Sarasota, Florida (the "City") as of and for the fiscal year ended September 30, 2022, and have issued our report thereon dated March 13, 2023. Our report also includes a reference to other auditors, who audited the financial statements of the City's General Employees', Police Officers', and Firefighters' Pension Plans, as described in our report on the City's financial statements.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; Title 2 U.S. Code of Federal Regulations, *Cost Principles, and Audit Requirements of Federal Awards* ("Uniform Guidance"); and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have also issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*; Independent Auditor's Report on Compliance for Each Major Federal Program and Major State Project and on Internal Control over Compliance and Report on Schedule of Expenditures of Federal Awards and State Financial Assistance in Accordance with the Uniform Guidance and Chapter 10.550, *Rules of the Auditor General*; Schedule of Findings and Questioned Costs; and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule, which are dated March 13, 2023, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. The following finding was disclosed in the 2019, 2020 and 2021 audit report: Finding 2021-002 was fully resolved in the current year.

2019-1 Financial Reporting – Period End Closing Routine

Criteria:

A year end closing process is needed to prepare timely and accurate financial reports.

Condition:

There were numerous post year end client adjustments to clean up areas not fully reconciled during the year.

Cause:

We attribute these conditions to the following items:

- Recent key accounting, budget, and other department employee retirements with some positions open for an extended period of time and some filled by less experienced personnel not familiar with City operations and activity.
- The City's complex fund and sub fund structure requiring additional time for new employees to learn, master and consolidate for financial reporting.
- Rapid City-wide growth, economic activity and the wide variety of special projects requiring special accounting attention.
- Only partial execution of a period end closing routine to identify all key accounting areas, responsibilities and reconciliation procedures to ensure accurate recording, reconciliation and timely reporting.
- Minimal accounting department communication and oversight with departments having decentralized accounting functions for grants such as Housing and Community Development and Public Works.

Effect:

The closing of the City's books with all appropriate accounting adjustments necessary to financially report in accordance with accounting principles generally accepted in the United States of America was delayed and not complete for some areas resulting in several audit adjustments.

Recommendation:

We recommend that the City look into additional targeted training for newer accounting staff and develop comprehensive period end accounting closing routines that identify all key areas, who is responsible for them and all steps necessary for proper recording, reconciliation and financial reporting with appropriate follow-up and review. Also, it is our understanding that the City is considering acquiring new accounting software in the near future. We recommend that the City review and consolidate the number of sub funds contained in the accounting structure at that time or sooner to simplify this area.

Current Year Status:

The City has experienced turnover in the finance department in previous years and is currently in the process of training new staff. The City is also implementing a new ERP system which put additional strain on the already limited personnel resources resulting in delays and audit adjustments.

Views of responsible officials and plan corrective action:

See separate letter titled City's Response to Auditor's Recommendations for the views of responsible officials and the corrective action plan.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, requires us to apply appropriate procedures and communicate the results of our determination as to whether or not the City has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures for the City. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based, in part, on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we communicate any recommendations to improve financial management. In connection with our audit, see finding 2022-001 reported in the Schedule of Findings and Questioned Costs.

Special District Component Units

Section 10.554(1)(i)5.c., *Rules of the Auditor General*, requires that we determine whether or not a special district that is a component unit of a county, municipality, or special district, provided the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, *Rules of the Auditor General*, see Attachment A for required information on the dependent special district's that are included in the reporting entity. The information in Attachment A has not been subject to auditing procedures, therefore no assurance is given on the provided information.

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Mayor, City Commission, and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

City's Response to Auditor's Recommendations

2022-001 Internal Control over Cash Reconciliation

We concur with the auditor's comments and recommendations. The City is evaluating internal controls to ensure that bank reconciliations are performed in a timely manner. With the opening of the new One-Stop Shop, a determination will be made concerning centralizing City cash receipting, as appropriate. Until then, Finance staff as well as decentralized cash receipt staff will be monitored for timely reconciliations to City cash receipting systems. The new accounting system, WORKDAY, will also streamline the processing cash receipts for increased timeliness and accuracy. Finance staff will be cross-trained for completing the reconciliation process, as well as other accounting tasks.

2019-1 Financial Reporting – Period End

We concur with the auditor's comments and recommendations. Although this has been an auditor comment for the past three years, the City's Finance division continues to improve upon the closing process. In previous years there was a lack of staff to meet the needs for the tasks assigned. However, as the COVID-19 pandemic plateaus, the office is fully staffed. Although staff are relatively new to governmental accounting, additional training and planning is taking place. With the implementation of a new accounting system, WORKDAY, comprehensive period end accounting closing routines in all key areas are being established for ease of reporting and appropriate follow-up and review.

Sincerely,

Kelly R. Strickland, CPA, CGFO
Finance Director

INDIAN RIVER COUNTY ANNUAL REPORT ON STATE SPRING TRAINING FUNDS

Dated: August 25, 2023

Indian River County is submitting its annual report to the Florida Department of Economic Opportunity in accordance with Florida Statute, Section 288.11631. Please find the requested information enclosed:

1. *A detailed report on all local and state funds expended to date on the project being financed under Section 288.11631, F.S.*

Attached is a detailed report of expenditures (**Attachment #1**) of the bond proceeds of the \$16,810,000 Indian River County, Florida, Revenue Bonds, (Spring Training Facility) Series 2001. Also, please see a copy of the official statement for this bond issue (**Attachment #2**). These bonds are secured in part by the "Retained Spring Training Franchise" funds ("State Funds"). The original annual debt service for these bonds was \$1,221,333. The "State Funds" originally supported \$500,000 (40.9%) and local funds supported the remainder \$721,333 (59.1%). The annual debt service has now dropped to approximately \$500,000 since a portion of the bond was paid off in 2013 and again in 2019.

Based on the portion of debt supported by the annual \$500,000 from the State of Florida, approximately \$6.9 million of the initial acquisition and construction costs (\$19 million) were funded by the "State Funds". The entire proceeds of the bond issue were expended by 2006. Additionally, the County has continued to spend local funds since the bond issue was fully expended (See **Attachment #1A**). Total expenditures for this project now stand at approximately \$36.5 million.

2. *A copy of the contract between the certified local governmental entity and the spring training team.*

Please find a copy of the "Memorandum of Understanding" between the Los Angeles Dodgers, Inc. and the County entered into on August 9, 2000 (**Attachment #3**). Also, please find the Facility Lease Agreement between the Dodgers and Indian River County, entered into on September 1, 2000 (**Attachment #3A**), as well as the First Amendment, Second Amendment, Third Amendment, Fourth Amendment, Fifth Amendment, Amended and Restated Facility Lease Agreement, First Amendment to the Amended and Restated Facility Lease Agreement, and Second Amendment to the Amended and Restated Facility Lease Agreement. (**Attachments #3B, #3C, #3D, #3E, #3F, #3G, #3H and #3I**).

Further, the Certification of Indian River County as an authorized facility for a retained spring training facility pursuant to Section 228.1162, Florida Statutes, approved by OTTED on January 1, 2001, has been attached as well (**Attachment #4**).

3. *A cost-benefit analysis of the team's impact on the community*

Attached is a copy of the Economic Impact Report from the Treasure Coast Sports Commission for the 2023 Historic Dodgertown (AKA Jackie Robinson Training Complex/JRTC) Spring Training held January 1, 2023 through April 23, 2023 (**Attachment #5**). This event resulted in 11,023 room nights in Indian River County, with an estimated \$7,730,748.41 economic impact. It should be noted that Historic Dodgertown has activity throughout the year, not just during spring training. The total economic impact of this facility is shown in the attached report titled, "Economic Impact and Facts - Jackie Robinson Training Complex" prepared by the Treasure Coast Sports Commission (**Attachment #5A**).

Also included is a copy of the "Economic Impact of Tourism" completed by the Center for Tourism Research & Development in December 2001 (**Attachment #5B**). This study estimated the total economic impact of Spring Training at Dodgertown at approximately \$120 million per year.

4. *Evidence that the certified governmental entity continues to meet the criteria in effect when the applicant was certified.*

As stated above, Indian River County entered into a Memorandum of Understanding (MOU) and a Facility Lease Agreement with the Dodgers in 2000. The MOU provided that the County would purchase the stadium from the Dodgers for \$10 million and provide \$7 million for the expansion and renovation of the facility. The Series 2001 Spring Training Facility Bonds were issued to finance the acquisition and improvements. This bond issue was secured partially by pledging the annual \$500,000 payments received in accordance with Section 121.20, Florida Statutes, through 2031. Several years later, the Dodgers terminated the lease agreement. The County subsequently entered into an agreement with Verotown (previously Minor League Baseball) to operate the facility. Please note, this agreement entered into on May 1, 2009, and as amended later, explicitly contemplated that Verotown would allow for and assist Indian River County in securing Spring Training opportunities at the facility (see **Attachment #6**). The agreement entered into on January 2, 2019 with Major League Baseball includes operational covenants which state "Verotown acknowledges the community's desire to host, and agrees to promote the use of the Facility for Major League Baseball spring training activities and game events. Verotown agrees to negotiate with any Major League Club expressing an interest in conducting spring training activities or game events at the Facility and use its best efforts to enter into a user agreement on such terms and conditions as Verotown deem commercially reasonable or feasible; provided, however, that the failure to do so shall not be considered a Default by Verotown hereunder. Any such use by a Major League Club requires prompt review and approval by the County Administrator, which will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. In the event such approval is not timely forthcoming or otherwise withheld, Verotown may seek approval from the County Commission."

Please note, Section 288.11621(5)(f) states, “A local government as defined in s.218.369 may not be decertified by the department if it has paid or pledged for the payment of debt service on, or to fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto, bonds issued for the acquisition, construction, reconstruction, or renovation of the facility for which the local government was certified, or for the reimbursement of such costs or the refinancing of bonds issued for the acquisition, construction, reconstruction, or renovation of the facility for which the local government was certified, or for the reimbursement of such costs or the refinancing of bonds issued for such purpose. This subsection does not preclude or restrict the ability of a certified local government to refinance, refund, or defease such bonds.”

As shown in Attachments #3, and #4, the County was certified as a retained spring training facility on January 1, 2001. Further, Attachment #2 is the official statement for bonds issued for the acquisition, construction, and renovation of Dodgertown. This issue pledged the retained spring training facility funds for a period of thirty years beginning on February 28, 2001.

Subsequently, Indian River County pledged the “State Funds” for the payment of debt service on bonds issued for the acquisition, construction, and renovation of this facility. This scenario is contemplated within Section 288.11621(5)(f) as recently amended. Per Section 288.11621(5)(f), the County “may not be decertified by the department” based upon the information provided herein.

Kristin Daniels

(1) Original Acquisition and capital improvements costs totaling \$17 million were funded through the Series 2001 - Spring Training Facility Bonds. These bonds are secured by a portion of Half-Cent Sales Tax, the Fourth Cent Local Option Sales Tax, and State funds of \$500,000 per year for a 30-year period. Based on the portion of debt supported by the annual contribution from the State, approximately \$6.9 million of the initial acquisition and construction costs were funded by the State funds.

(2) The Capital Reserve Account was jointly funded by the City and the County for the acquisition from the Dodgers in 2001. The City contributed \$1.4 million and the County contributed \$600,000 to this fund. A \$2 million Capital Reserve Account was approved at the inception of the agreement with MiLB as well. The balance of this account was expended in April 2014.

(2a) Beginning with the first renewal term of the Capital Reserve Agreement, the County shall deposit \$250,000 per Lease Year into the Capital Reserve Account as a means of supplementing the Capital Reserve Account balance.

(2b) Beginning with the Amended and Restated Facility Lease Agreement, the County shall deposit \$800,000 per Lease Year for the first five years into the Capital Reserve Account as a means of supplementing the Capital Reserve Account balance. In Lease Year six and continuing through the last year of the third Renewal Term, the County shall deposit \$400,000 into the Capital Reserve Account per Lease Year.

(3) The agreement with MiLB included funding for tourism promotion. Funding for each year of the agreement is as follows; \$50,000 first year, \$55,000 second year, \$60,500 third year, \$66,550 fourth year, and \$75,000 fifth year and each subsequent lease year during any renewal term.

(4) Beginning with the Amended and Restated Facility Lease Agreement with MLB, the County has 4 years from the Lease Effective Date to complete various improvements at an estimated cost of \$7.4 million. Beginning with the First Amendment, the County shall contribute \$2,050,000 towards the improvements. Beginning with the Second Amendment the improvements must be completed by December 31, 2024 and the County will reimburse MLB up to \$4,270,000 of these costs.

 See "RATINGS" herein.

In the opinion of Bond Counsel, assuming continuing compliance by the County with certain covenants to comply with provisions of the Internal Revenue Code of 1986, as amended, interest on the Series 2001 Bonds is excluded from gross income for purposes of federal income taxation and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations under existing statutes, regulations and judicial decisions, although it should be noted that in the case of corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for purposes of such alternative minimum tax. Furthermore, in the opinion of Bond Counsel, the Series 2001 Bonds and the income therefrom are exempt from taxation under the laws of the State of Florida, except such Florida state taxes imposed by Chapter D4, Florida Statutes, as amended, and net income and franchise taxes imposed by Chapter 220, Florida Statutes, as amended. See "EXEMPTION" herein for further information.

\$16,810,000
INDIAN RIVER COUNTY, FLORIDA
 Revenue Bonds
 (Spring Training Facility)
 Series 2001

Due April 1, as shown below

Dated August 1, 2001

Indian River County, Florida (the "County") is issuing its Revenue Bonds (Spring Training Facility), Series 2001 (the "Series 2001 Bonds"), in fully registered form in denominations of \$5,000 principal amount or any integral multiple thereof. Interest on the Series 2001 Bonds is payable on April 1, 2002 and semiannually thereafter on each April 1 and October 1, by check or draft of First Union National Bank, Miami, Florida, the Bond Registrar and Paying Agent, made out and mailed to each registered owner thereof at the address as it appears on the registration books kept by the Bond Registrar on the 15th day of the month preceding the applicable interest payment date. Principal of the Series 2001 Bonds and any redemption premium will be payable upon presentation and surrender of the Series 2001 Bonds, when due, at the principal corporate trust office of the Paying Agent. The Series 2001 Bonds are subject to optional and mandatory redemption prior to maturity, as provided herein.

The Series 2001 Bonds are being issued by the County to provide funds, together with other available funds, to (i) finance a portion of the cost of the acquisition, construction, rehabilitation and equipping of a spring training facility known as "Dodgerway"; (ii) pay a premium for a municipal bond insurance policy and a debt service reserve accountancy bond; and (iii) pay certain costs and expenses incurred in connection with the issuance of the Series 2001 Bonds, all as more particularly described herein.

The Series 2001 Bonds are special, limited obligations of the County, payable solely from and secured by a lien upon and pledge of the Pledged Revenues, in the manner provided in the Resolution. The Series 2001 Bonds do not constitute a general indebtedness of the County within the meaning of any constitutional, statutory or charter provision or limitation, and no bondholder shall ever have the right to require or compel the exercise of the ad valorem taxing power of the County or taxation of any real or personal property therein for the payment of the principal of and interest on the Series 2001 Bonds or the making of any Debt Service Fund, reserve or other payments provided for in the Resolution.

Payment of the principal of and interest on the Series 2001 Bonds, when due, will be insured by a Municipal Bond New Issue Insurance Policy to be issued by Financial Guaranty Insurance Company simultaneously with the delivery of the Series 2001 Bonds. For a discussion of the terms and provisions of such policy, including the limitations thereof, see "MUNICIPAL BOND INSURANCE" herein.

This cover contains certain information for quick reference only. It is not a summary of this issue. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision.

The Series 2001 Bonds are offered when, as and if issued and received by the Underwriters, subject to the approval of legality by Bryant Miller and Olive, P.A., Tallahassee, Florida, Bond Counsel to the County. Certain legal matters will be passed upon for the County by Paul G. Barger, Esquire, County Attorney, and by its Disclosure Counsel, Nabors, Giblin & Nickerson, P.A., Tampa, Florida. It is expected that the Series 2001 Bonds will be available for delivery in New York, New York in definitive form on or about August 29, 2001.

WILLIAM R. HOUGH & CO.

Hanifen, Imhoff
 Division of Stifel, Nicolaus
 & Company, Incorporated

MEMORANDUM OF UNDERSTANDING

THIS Memorandum of Understanding, dated as of July 24, 2000, shall be effective as of the last signature date hereof, by and among Indian River County, Florida, a political subdivision of the State of Florida (the "County"), the City of Vero Beach, Florida, a municipal corporation (the "City"), Los Angeles Dodgers, Inc., a Delaware corporation, and Fox Baseball Holdings Incorporated, a Delaware corporation, the owner of record of the Land (collectively, the "Dodgers") and de Guardiola Development, Inc., a Florida corporation (the "Developer").

WITNESSETH

WHEREAS, Dodgers own and control the land consisting of approximately 64.03 acres described in Exhibit "A" hereto (the "Land"); and

WHEREAS, for over fifty years, the Dodgers have owned and operated the spring training and conference facility known as "Dodgertown," which is located on the Land and is comprised of Holman Stadium, an eighty-nine (89) unit hotel facility, a conference center with meeting and dining rooms, a clubhouse and weight room, in-door batting and pitching cages, four (4) full baseball practice fields, and two (2) half baseball practice fields (collectively, the "Existing Facilities"); and

WHEREAS, the Dodgers desire to sell the Land and Existing Facilities to the County, and, in conjunction with the Developer, to develop other land owned by the Dodgers within the municipal limits of the City into a mixed use town concept which will reflect the ambiance and tradition of Dodgertown; and

WHEREAS, the County intends to finance its obligations under the Real Estate Contract (as defined in Section 1(A), below) and the Development Agreement (as defined in Section 2(A), below), in part, by means of one or more series of revenue bonds to be issued by the County (the "Bonds"); and

WHEREAS, the parties now desire to identify the general terms and conditions pursuant to which they shall negotiate in good faith to draft and execute the various agreements whereby (1) the County shall acquire the Land and Existing Facilities from the Dodgers, (2) the County shall lease the acquired Land and Existing Facilities to the Dodgers, and (3) the Dodgers shall, on behalf of the County and at the County's cost and expense (as described in Section 3(B), below), improve and/or repair the Existing Facilities and/or replace the Existing Facilities with new improvements (the "Improvements").

NOW THEREFORE, the parties hereto agree as follows:

Section 1. Real Estate Contract

(A) The County and the Dodgers shall negotiate a Real Estate Sale and Purchase Agreement (the "Real Estate Contract") pursuant to which the County shall purchase the Land and all Existing Facilities, "as is," from the Dodgers for a purchase price of Ten Million Dollars (\$10,000,000), payable in full in cash at closing. The Real Estate Contract shall be a standard form agreement which shall include the usual and customary covenants employed in such types of commercial real estate transactions in Florida, with all of the customary costs and expenses to be prorated or shared, as the case may be, between the County and the Dodgers, except that the Dodgers, as seller, shall be solely responsible for any state and/or local taxes levied on the Land (regardless of when such taxes are payable) prior to the date that the County takes title to the Land.

(B) The County shall represent in the Real Estate Contract that it has not dealt, and shall not deal, with any broker, salesman, or finder in connection with the transactions contemplated herein, and that no sales commissions or finder's fees shall be due or payable by or from the County as a result of the transactions contemplated herein.

(C) The County shall be entitled to obtain and receive a physical and environmental survey of the Land and an owner's title insurance policy reflecting the acquisition of an unencumbered and marketable fee simple title to the Land, as well as other usual and customary land acquisition requirements generally applicable to such commercial real estate acquisitions. The means for determining "marketable title" to the Land shall be specified in the Real Estate Contract.

(D) The Real Estate Contract shall provide that if the County elects to sell the Land any time during the "Term" of the Facility Lease Agreement (as defined in Section 2(A), below), the Dodgers shall have an option to reacquire the Land and all Existing Facilities and/or Improvements (hereinafter collectively referred to as the "Facility"), at the then fair market value for the Facility. The fair market value of the Facility shall be determined in the manner described in Section 2(E), below. The Real Estate Contract shall also grant the Dodgers an option to repurchase the Facility, at its then fair market value (such fair market value to be determined in the manner described in Section 2(E), below), at any time after the Bonds to be issued by the County have been retired, provided that the Dodgers are still the lessee under the Facility Lease Agreement. The options to be granted to Dodgers hereunder shall be written into the deed for the Facility.

Section 2. Facility Lease Agreement

(A) The Dodgers and the County shall negotiate in good faith to enter into a Facility Lease Agreement (the "Facility Lease Agreement") pursuant to which the Dodgers shall lease the Facility from the County for a period of twenty (20) years (the "Initial Term"), plus a series of options, which may be exercised by the Dodgers at their sole discretion, for not less than four (4) renewal terms of five (5) years each (the "Renewal Terms"). For purposes of this Agreement, "Term" shall mean the Initial Term and any

Renewal Terms. As indicated herein, all of the agreements contemplated by this Memorandum of Understanding, including the Facility Lease Agreement, are and shall be made subject to and expressly contingent upon the acquisition of the Land and Existing Facilities by the County, the funding by the County and City of the "Construction Fund" and the "Capital Reserve Account" (as both terms are defined in Section 3(B), below), the acquisition by the Developer of the "Adjacent Land" (as defined in Section 4(A), below), the obtaining by the Developer of site plan approval for the "Collateral Development" (as defined in Section 4(A), below), the obtaining by the Dodgers' of site plan approval for the Improvements (as defined in Section 3(B) below), and the execution by the parties of all other agreements contemplated by this Memorandum of Understanding.

(B) The Facility Lease Agreement shall provide for an annual rental payment during the Initial Term of One Dollar and No/100 (\$1.00) per year, payable in advance at the time of execution. The annual rental payment during any Renewal Term shall also be One Dollar and No/100 (\$1.00) per year, payable in advance at the time that the option is exercised by the Dodgers.

(C) Under the Facility Lease Agreement, the Dodgers, as lessee, shall assume all obligations for the operation and maintenance of the Facility without claim for offset or reimbursement from the County. The Dodgers shall be solely responsible for maintaining the Facility in a commercially reasonable manner and for insuring the Facility in an amount equal to the replacement cost of all Existing Facilities and/or Improvements against customary casualty and general liability losses at commercially reasonable rates and will name the County and the City as additional insureds thereunder. Because the Dodgers will be operating the Facility under the Facility Lease Agreement, the Dodgers shall indemnify and hold the County and the City harmless from any and all claims and liabilities that may arise as a result of the Dodger's use or operation of the Facility. All operational expenses of the Facility, personal property taxes, and ongoing repairs and replacements of property forming any portion of the Facility, shall be the sole obligation of the Dodgers, except for the payment of any ad valorem real property taxes that may become due on the Land. Under the Facility Lease Agreement, the County shall assume the obligation to pay any and all ad valorem real property taxes that may become due after the date that the County acquires the Land. However, the Dodgers shall be responsible for the payment of all liens, assessments, taxes, or other encumbrances whatsoever resulting from the Dodgers' prior ownership of the Land.

(D) Neither party shall have the right to assign the Facility Lease Agreement to a third party during the Term without the other party's prior written consent, which consent may be granted or denied by the other party at its sole and absolute discretion. Notwithstanding the foregoing, the County acknowledges and agrees that the Dodgers shall have the right, at their sole discretion, to sublease to the Developer and/or to any third party, at any time during the Term, for any type or amount of consideration deemed appropriate by the Dodgers any residential units, office space, and/or conference facilities located within the Facility and to retain any and all revenues or consideration derived therefrom.

(E) If the Facility Lease Agreement is terminated by the Dodgers without the County's consent before the expiration of the Initial Term, the Dodgers shall pay the County, as liquidated damages, the then

remaining amount required by the County to defease or retire the Bonds it issued to acquire the Land and Existing Facilities and to finance the Improvements. The aforementioned payment of liquidated damages shall be the County's sole remedy under the Facility Lease Agreement. In conjunction with the payment of such liquidated damages, the Dodgers shall have the option to repurchase the Facility (i.e., the Land and all Existing Facilities and Improvements) at a price equal to the Facility's then fair market value, less the amount of any liquidated damages paid by the Dodgers to the County hereunder. The fair market value of the Facility shall be established by an independent appraiser to be selected by two appraisers, one of whom shall be designated by the Dodgers and the other by the County. The independent appraiser shall appraise the fair market value of the Facility by using the highest and best use method. For purposes of the Facility Lease Agreement, the cessation of use of the Facility as a spring training facility by the Dodgers shall be what constitutes a termination of the Facility Lease Agreement.

Section 3. Development Agreement

(A) The Dodgers and the County shall negotiate in good faith to enter into a "Development Agreement" pursuant to which the Dodgers shall undertake responsibility for the construction of the Improvements generally described in Exhibit "B" herein, which Improvements shall be definitively described in the Development Agreement. The County acknowledges and agrees that a portion of the Existing Facilities may be demolished in order to construct the Improvements, which may include new housing units.

(B) On or before March 30, 2001 (or such later date as may be acceptable to the Dodgers), the County shall deposit not less than Seven Million Dollars (\$7,000,000) into a "Construction Fund" which shall be made available to the Dodgers to pay for the Improvements in accordance with the terms of the Development Agreement. The funds for the Construction Fund shall be obtained by the County from the Bonds that it intends to issue in connection with this project. At the same time, the County shall also deposit up to Two Million Dollars (\$2,000,000) into a "Capital Reserve Account" which shall be made available to and administered by the Dodgers to pay for the subsequent repair and/or replacement of any Improvements. The Dodgers shall be solely responsible for any and all costs and expenses associated with the Improvements and any future improvements voluntarily undertaken by the Dodgers which exceed the combined amount in the Construction Fund and the Capital Reserve Account; provided, however, that if, during the course of the site plan approval and permitting process, the Dodgers are required to change and/or add to the Improvements and, as a result of any such changes and/or additions, the amount of the cost and expenses associated with the Improvements increases to more than three (3%) of the combined amount in the Construction Fund and the Capital Reserve Account, then the Dodgers shall have up to and including sixty (60) days (or such later date as may be acceptable to the County and the Dodgers) after the County obtains certification from the State of Florida Office of Tourism, Trade and Economic Development (the "Office of Tourism") that the Land and Existing Facilities constitute a "facility for a retained spring training franchise" as described in Section 288.1162, Florida Statutes, to terminate the Development Agreement and all of the parties shall immediately be relieved of their obligations under this Memorandum of Understanding, the "Project Agreements" (as defined in Section 8(E), below), and/or any subsequent agreements executed in accordance with this Memorandum of Understanding.

(C) The Construction Fund shall be maintained and administered by the County and the Capital Reserve Account shall be maintained and administered by the Dodgers. Withdrawals from the Construction Fund and the Capital Reserve Account shall be made by the Dodgers by means of requisitions which shall be submitted to the County for its reasonable approval. All requisitions submitted by the Dodgers for purposes of paying any costs and/or expenses associated with the Improvements and due to third parties shall be deemed reasonable and shall be approved by the County. Both accounts shall be established as trust accounts with a bank or trust company with offices located in Florida. All investment earnings up to the Bond yield attributable to the Construction Fund and all investment earnings attributable to the Capital Reserve Account shall be redeposited into such accounts and made available to the Dodgers as if such earnings had been part of the initial deposit. Both the Dodgers and the County shall receive monthly statements for each account. Capital repairs and replacements to the Facility shall be deemed to be reasonable expenditures to be paid from the Capital Reserve Account.

(D) In the event that the Improvements are completed under budget and any funds provided by the County (exclusive of the funds in the Capital Reserve Account) remain in the Construction Fund, then the Dodgers shall, at their sole discretion, either (1) undertake to make additional Improvements with the excess funds or (2) following input from the County, relinquish the use of the excess funds, in which case a portion of the Bonds will be redeemed with such excess funds. The Development Agreement shall establish the procedure for using any excess funds.

(E) All Improvements shall inure to the benefit of the County as the holder of title to the Land, and ownership thereof shall vest with the County as soon as construction is completed. The Dodgers shall retain sole right of possession and quiet enjoyment of the Facility throughout the Term.

Section 4. Collateral Development

(A) All of the parties hereto acknowledge and agree that the acquisition of the Land by the County and the development thereof by the County, the City, and the Dodgers is contingent upon the Developer's (1) entering into a contract to purchase from the Dodgers the existing approximately 44.7 acre golf course immediately adjacent to the western boundary of the Land and the approximately 17.14 acres of land adjacent to the northern boundary of the Land, each as more particularly described in Exhibit "C" hereto (collectively, the "Adjacent Land"), and (2) to obtaining site plan approval for the construction, on the Adjacent Land of a hotel and conference facility, a multifamily residential rental development, and retail, restaurant and entertainment centers (collectively, the "Collateral Development"). Therefore, if, for any reason, the Developer fails or is unable to acquire the Adjacent Land and/or to obtain the site plan approval for the Collateral Development, then all of the parties shall immediately be relieved of their obligations under this Memorandum of Understanding, the "Project Agreements" (as defined in Section 8(E), below), and/or any subsequent agreements executed in accordance with this Memorandum of Understanding.

(B) The Collateral Development shall be designed, constructed, operated, and maintained by the Developer and/or its assignees, and shall encompass a mixed-use town concept or "mini-town" which

shall be constructed in three (3) phases. Phase I shall consist of an approximately 120 room hotel and up to a 40,000 square foot conference facility. Phase II shall consist of approximately 250 multifamily market rate rental units, and Phase III shall consist of retail, restaurant, and entertainment facilities which will convert the remaining Adjacent Land into a fully functioning "mini-town". The Developer anticipates that Phase I and Phase II will commence immediately upon the acquisition of the Adjacent Land by the Developer, but the commencement of construction shall be contingent upon the County's actual issuance of the Bonds and its acquisition of the Land. The Developer anticipates that Phase I will take approximately twelve (12) months to complete from the date that building permits are issued.

(C) Based upon the Developer's preliminary discussions with planning and zoning representatives of the City, it is anticipated that the scope of the Collateral Development will be approved and building permits issued under existing City zoning and comprehensive plan categories for the Adjacent Land. If, however, it is determined that the scope of the Collateral Development will require zoning or other land use changes, and such changes cannot be accomplished within sixty (60) days (or such later date as may be acceptable to the County and the Dodgers) after the County obtains certification from the Office of Tourism that the Land and Existing Facilities constitute a "facility for a retained spring training franchise" as described in Section 288.1162, Florida Statutes, then all of the parties shall immediately be relieved of their obligations under this Memorandum of Understanding, the "Project Agreements" (as defined in Section 8(E), below), and/or any subsequent agreements executed in accordance with this Memorandum of Understanding.

(D) The Developer shall incorporate the ambiance and tradition of Dodgertown, including, without limitation, the Dodgers' name, trademarks, service marks, trade names, insignia, symbols, logos, decorative designs, trade dress, and uniform designs (collectively, the "Dodgers Marks"), into the design of the Collateral Development, the objective of the parties being to integrate the Facility with the Collateral Development so as to create a uniform look and feel for both. The Dodgers shall have the right to review and approve, at their sole discretion, each and every use of the Dodgers' Marks by the Developer. As part of the separate agreements to be negotiated and executed between the Dodgers and the Developer, there shall be (1) a Declaration of Covenants, Conditions and Restrictions burdening the Adjacent Land and the Developer's use thereof, and (2) a licensing agreement covering the Developer's use of the Dodgers' Marks, which rights shall be granted to the Developer for not more than One Dollar (\$1.00) per year.

Section 5. Parking Agreement

In order to provide sufficient parking for all events at Holman Stadium and, in general, for the Dodgers' use of the Facility, the City, the County, the Dodgers, and the Developer shall enter into a four-way Parking Easement Agreement (the "Parking Agreement") pursuant to which the parties shall grant each other the use of certain parking spaces on the Land and the Adjacent Land. The Parking Agreement shall be supported by cross easements between the parties on their respective properties. The Parking Agreement shall regulate the charges for all parking, and all revenues derived from parking in connection

with events at Holman Stadium shall be retained solely by the Dodgers after reimbursing the Developer for any costs and expenses incurred by the Developer in connection with such parking.

Section 6. Operation of the Facility: the County's Use of Holman Stadium

(A) As lessee of the Facility under Facility Lease Agreement, the Dodgers shall be solely responsible for operating and maintaining the Facility and shall retain all revenues derived from the use of the Facility, including, without limitation, all revenues derived from ticket sales, food and merchandise concessions, sponsorships, and parking on the Land.

(B) Notwithstanding the foregoing, the County shall be granted the right to use Holman Stadium and/or the practice fields for up to twenty (20) days per year at no charge to the County (other than reimbursing the Dodgers for any operating expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or and the practice fields). The dates during which the County may use Holman Stadium and/or and the practice fields shall be selected by mutual agreement of the parties; provided that, if the parties cannot agree on the dates, the Dodgers' reasonable selection of dates shall be final and controlling. The County may use Holman Stadium and/or and the practice fields only for functions which do not compete with revenue-generating events (e.g., concerts) which may otherwise be arranged by the Dodgers. Moreover, the County's use of Holman Stadium and/or the practice fields must not interfere in any way with the Dodgers' use and quiet enjoyment of the Facility. The County shall not use or authorize the use of Holman Stadium and/or the practice fields in any manner which would have a material detrimental impact on Holman Stadium and/or the practice fields, and the County shall be and remain solely responsible for any damage or destruction to Holman Stadium and/or any of the practice fields that may occur as a result of such use of Holman Stadium and/or and the practice fields by the County. The County shall be entitled to retain the revenues from ticket sales for its events, and, with the prior consent of the Dodgers, concessions sold during the events when Holman Stadium and/or the practice fields are utilized by the County, provided, however, that the Dodgers shall not be required to provide concession services and/or the use of any concession facilities and/or any other services during any County event. In all cases, the Dodgers shall be reimbursed by the County for any operating costs and expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or the practice fields, including, without limitation, the cost of any parking attendants, ticket takers, security personnel, clean-up crews, and the like provided by the Dodgers.

Section 7. Zoning and Permitting

It shall be the sole obligation of the Dodgers and the Developer to obtain any permits and/or zoning changes which may be required to construct the Improvements and the Collateral Development. The County, acting solely in its capacity as the fee owner of the Land, shall cooperate with the Dodgers and the Developer, as may be reasonably required, to enable the Dodgers and the Developer to obtain any permits and/or zoning changes for the Improvements, including, without limitation, by joining in any applications for such permits and/or zoning changes.

Section 8. Actions Required by Each Party

(A) Actions Required of the City. Immediately upon the approval of this Memorandum of Understanding by the City Council, the City shall commence good faith negotiations with the various parties to draft and, when appropriate, execute the agreements which pertain to its participation in the transactions contemplated by this Memorandum of Understanding. The City shall also commence to take the necessary steps to fund a grant to the County in the amount of One Million Four Hundred Thousand Dollars (\$1,400,000), which amount shall constitute a portion of the County's local matching funds as required by Section 288.1162, Florida Statutes. At the option of the City, such grant may be made contingent upon the County obtaining a certification from the Office of Tourism that the Land and Existing Facilities constitute a "facility for a retained spring training franchise" as described in Section 288.1162, Florida Statutes. The terms of the City's grant to the County shall be set forth in an Interlocal Agreement between the City and the County as provided for in Chapter 163, Florida Statutes, which Interlocal Agreement shall reflect the relative contributions of the City and the County, and shall provide that upon any sale of the property acquired by the County pursuant hereto the City shall receive a proportionate share of the proceeds of sale. The Interlocal Agreement shall also contain a provision requiring repayment to the City of its \$1,400,000 should it perform its obligations hereunder, and subsequently either: (1) the transactions contemplated hereby not be consummated, or (2) the transactions be consummated yet fail and the parties be "relieved of their obligations" as provided elsewhere herein.

(B) Actions Required of the County. Immediately following the approval of this Memorandum of Understanding by the Board of County Commissioners (the "Board"), the County shall commence good faith negotiations with the various parties to draft and, when appropriate, execute the agreements which pertain to its participation in the transactions contemplated by this Memorandum of Understanding. The County shall also commence to take the necessary steps to extend the County's levy of the Tourist Development Tax authorized by Section 125.0104, Florida Statutes, so that a Tourist Development Tax in the authorized amount of four (4) cents shall be imposed for a period of not less than twenty (20) years. In addition, the County shall approve the Interlocal Agreement with the City regarding the City's grant of funds to the County as a portion of the County's local matching funds. As part of these steps, the County shall identify sufficient revenue sources, including, for this purpose, funds anticipated to be received by the County under Section 288.1162, Florida Statutes, to enable the County to issue revenue bonds providing net bond proceeds (i.e., bond proceeds less costs of the transaction and bond reserve funds) of not less than \$19,000,000, of which \$10,000,000 shall be used to fund the purchase price of the Land and \$7,000,000 shall be used to fund the Construction Fund for the Improvements, and currently available non-bond proceeds in an amount of up to \$2,000,000 to fund the Capital Reserve Account. Upon completion of these steps, and the execution by the County of the Real Estate Contract, Facility Lease Agreement, Development Agreement, and Parking Agreement, the County shall complete and file the Application required by Section 288.1162, Florida Statutes, prior to October 1, 2000 (or such later date as may be set forth in any rules or regulation adopted by the Florida Office of Tourism), in an effort to obtain a certification that the Facility is a "facility for a retained spring training franchise".

(C) Actions Required of the Dodgers: Immediately following the approval and execution of this Memorandum of Understanding by the City Council, the Board, and the Developer, the Dodgers shall undertake to complete their negotiations with the Developer to enter into the agreements pursuant to which the Developer shall purchase the Adjacent Lands and construct the Collateral Development. The County hereby acknowledges that the Dodgers have provided it with historical evidence that Holman Stadium has attracted paid attendance of at least 50,000 annually for the prior ten years, and will thereafter assist the County in obtaining verification of any projections of future attendance reasonably requested by the Florida Office of Tourism. In addition, the Dodgers will deliver to the County such items as the County shall need in order to timely complete and submit the Application required by Section 288.1162, Florida Statutes on or before October 1, 2000 (or such later date as may be set forth in any rules or regulation adopted by the Florida Office of Tourism), including, without limitation, a description of the Improvements with the required amount of detail to support the Application. The Dodgers covenant and agree to actively cooperate and participate with the County in making a successful and timely Application as required by Section 288.1162, Florida Statutes.

(D) Actions Required of the Developer: Immediately following the approval and execution of this Memorandum of Understanding by the City Council, the Board, and the Dodgers, the Developer shall undertake to complete its negotiations with the Dodgers to enter into the agreements pursuant to which the Developer shall acquire the Adjacent Land and construct the Collateral Development. The aforementioned agreements between the Dodgers and the Developer shall be executed and made effective as of the date that both of the following conditions are satisfied: (1) the Florida Office of Tourism certifies that the Facility is a "facility for a retained spring training franchise," and (2) the scope of the Collateral Development has been approved under existing City zoning and comprehensive plan categories for the Adjacent Land.

(E) Actions Required by All Parties: Immediately following the approval and execution of this Memorandum of Understanding by all of the parties hereto, each party shall commence to negotiate in good faith to draft and, when appropriate, execute the Real Estate Contract, the Facility Lease Agreement, the Development Agreement, the Parking Agreement and the agreements between the Dodgers and the Developer (collectively, the "Project Agreements"). The parties shall also cooperate and make their best efforts to obtain the necessary approvals and permits for the Improvements and the Collateral Development. The parties acknowledge and agree that each and every one of the Project Agreements, and any subsequently identified agreements required by any of the Project Agreements, must be drafted and executed by all parties by not later than September 1, 2000. The parties further acknowledge and agree that all of the Project Agreements shall be made contingent upon the County receiving certification from the Florida Office of Tourism that the Land and Existing Facilities constitute a "facility for a retained spring training franchise." Accordingly, upon the completion and execution of the Project Agreements, the City, the Dodgers, and the Developer shall cooperate with and assist the County in preparing and submitting the Application to the Office of Tourism for the required certification.

Section 9. Contingencies.

(A) The parties hereto agree that upon execution of this Memorandum of Understanding, all parties shall be bound to proceed in a good faith manner to negotiate the Project Agreements and complete the transactions contemplated by this Memorandum of Understanding. However, the parties recognize that various steps must be taken by each of the parties which, if not taken, shall prevent the other parties from taking the actions required of them herein. As a result, the parties hereto agree that the failure of a party to perform the obligations specified below shall relieve the other parties from their obligations under this Memorandum of Understanding. The City's obligations hereunder shall be to take the actions described in Section 8(A) and (E), above; the County's obligations hereunder shall be to take the actions described in Sections 8(B) and (E), above; the Dodgers' obligations hereunder shall be to take the actions described in Sections 8(C) and 8(E), above, and the Developer's obligations hereunder shall be to take the actions described in Sections 8(D) and 8(E), above.

(B) The parties acknowledge that the Application to the Office of Tourism for the sales tax revenues must be filed on or before October 1, 2000. If prior to October 1, 2000, the County fails to extend its tourist development sales tax or otherwise fails to take the actions described in Section 8(B) above, and/or if the City fails to take the actions described in Section 8(A) above, the obligations of all parties hereto shall immediately terminate. If, as expected, the Land and Existing Facilities are certified as a "facility for a retained spring training franchise" on or before January 1, 2001, and the Developer has received site plan approval by February 1, 2001, the County shall issue its Bonds and acquire the Land prior to March 31, 2001 (or such later date as may be mutually acceptable to the Dodgers and the County). Immediately thereafter, but subject to the issuance of the necessary building permits, the Dodgers shall commence construction of the Improvements, with the objective being to complete construction of the Improvements and have them ready for use by not later than February 15, 2002, or such later date as may be determined by the Dodgers.

(C) If the Dodgers fail to take the actions required of them by Sections 8(C) and 8(E), above, or if the Developer fails to take the actions required of it by Sections 8(D) and 8(E), above, and if, as a result of the foregoing, the parties are relieved of their obligations under this Memorandum of Understanding, then whichever party fails to take the actions required of it hereunder shall reimburse the County for all actual and verifiable costs incurred by the County in connection with this project after the date of execution of this Memorandum of Understanding, including, without limitation, the cost, if any, of appraisals, land surveys, environmental assessments, title searches and reasonable legal fees and expenses of outside counsel, but only up to a maximum reimbursement amount of Fifty Thousand Dollars (\$50,000). The foregoing shall be the sole legal remedy available to the County and the City in the event of a breach by the Dodgers and/or the Developer of this Memorandum of Understanding, and neither the Dodgers nor the Developer shall be liable, at law or in equity, for any other losses or damages, whether known or unforeseen, sustained by the County and/or the City, and/or any consequential damages, or punitive or exemplary damages.

(D) The parties acknowledge and agree that the Real Estate Contract shall be made contingent upon a determination that Hohman Stadium is in compliance with the accessibility guidelines which will be

imposed by the Americans with Disabilities Act on the County as the owner of Holman Stadium. The aforementioned determination shall be made by the County by not later than December 31, 2000.

Section 10. Drafting of Agreements

Immediately following the approval and execution of this Memorandum of Understanding by the City Council, the Board, the Dodgers, and the Developer, counsel for the County, with the assistance of counsel for the Dodgers and the Developer, shall commence to draft the Real Estate Contract, the Facility Lease Agreement, the Interlocal Agreement, the Development Agreement, and the Parking Agreement described herein and such other additional documents as may be necessary to consummate the transactions contemplated hereby, subject to the provisions of Section 9 hereof.

Section 11. Notices. Whenever a party hereto is to give notice to another party hereunder, such notices shall be addressed as follows:

If to the City: City of Vero Beach
 1053 20th Place
 Vero Beach, Florida 32961-1389
 Attention: City Manager
 Phone: (561) 978-4710
 Facsimile: (561) 778-3856

If to the County: Indian River County
 1840 25th Street
 Vero Beach, Florida 32960
 Attention: County Administrator
 Phone: (561) 567-8000, Ext. 1408
 Facsimile: (561) 978-1822

If to the Dodgers: Los Angeles Dodgers, Inc.
 1000 Elysian Park Avenue
 Los Angeles, California 90012
 Attention: Santiago Fernandez, Esq.
 Senior Vice President & General Counsel
 Phone: (323) 224-1312
 Facsimile: (323) 224-1595

If to the Developer: de Guardiola Development, Inc.
222 Lakeview Avenue
17th Floor
West Palm Beach, Florida 33401
Attention: George de Guardiola
Phone: (561) 655-1838
Facsimile: (561) 655-5979

Section 12. Effect of this Memorandum of Understanding

It is recognized by all parties that material terms and conditions remain to be negotiated and agreed upon by the parties prior to the execution and delivery of the final Project Agreements. This Memorandum of Understanding contains recitals of the initial discussions and agreements setting forth the intent of the parties hereto. The terms and conditions of this Memorandum of Understanding are subject to the final terms and conditions set forth in any written contract evidencing the transactions contemplated herein. Any breach of the terms of this Memorandum of Understanding shall be subject to the provisions of Section 9 hereof, and no party hereto shall have any claim on any other party hereto other than as set forth in Section 9 hereof.

RECITALS

- A. WHEREAS, the Dodgers own and operate the Major League Baseball team known as the "Los Angeles Dodgers" (the "Team"); and
- B. WHEREAS, since 1949, the Dodgers have conducted the Team's spring training operations and played their spring training home games at the facility located in Vero Beach, Florida, and known generally as "Dodgertown" (the "Facility"); and
- C. WHEREAS, the County and the City of Vero Beach recognize that the benefits to the local community of having the Team conduct its spring training operations at the Facility are unique and diverse, and include, but are not limited to, entertainment for the community, the creation of new jobs and increased employment opportunities, increased tourist trade and promotional opportunities, direct and indirect tax revenues, and the enhancement of the community's image; and
- D. WHEREAS, because of the aforementioned benefits to the community, the County purchased the Facility pursuant to the Agreement for Sale and Purchase dated September 1, 2000, between the Dodgers and the County, and will incur the debt service specified in this Agreement to fund the improvements contemplated herein and in the Development Agreement, which improvements are specifically designed to accommodate the Team's spring training needs; and

OR 1426PG0567

E. WHEREAS, in recognition of the commitment made to the Team by the County and the City of Vero Beach, the Dodgers desire to continue to conduct the Team's spring training operations at the Facility during the Term of this Agreement and to operate, maintain, and manage the Facility in accordance with the terms hereof, and

F. WHEREAS, the County desires to retain the Team as the user of the Facility and to have the Dodgers manage the Facility under the terms and conditions specified herein

NOW THEREFORE, in consideration of the foregoing Recitals (which are hereby incorporated into this Agreement) and the mutual promises and covenants set forth below, IT IS AGREED AS FOLLOWS:

ARTICLE I

DEFINITIONS/EXHIBITS

Section 1.01. Exhibits. By not later than the date of closing specified in the Escrow Agreement, true and correct copies of all of the exhibits referenced in this Agreement shall be initialed by the parties and attached to this Agreement, and such exhibits shall hereafter be incorporated into this Agreement by this reference.

Section 1.02 Definitions. The following terms shall have the following meanings:

(a) Agreement means this Facility Lease Agreement between the Dodgers and the County, and all of the attached exhibits.

(b) Bond Counsel means Bryan, Miller and Olive, P.A.

(c) Bond Resolution means that certain Bond Resolution or Resolutions to be adopted for the issuance of the Bonds or other obligations for the acquisition of the Land, or construction of the Improvements, or for any part thereof.

(d) Bonds means the Bonds to be issued pursuant to the Bond Resolution.

(e) Capital Reserve Account means the repair and replacement account as defined in Section 8.01, below.

(f) Capital Reserve Account Agent means the bank or trust company identified as such in the Capital Reserve Account Agreement.

(g) Capital Reserve Account Agreement means the Capital Reserve Account Agreement by and among the County, the Dodgers, and the Capital Reserve Account Agent, governing the maintenance of the Capital Reserve Account.

(h) Cessation of Use is defined in Section 10.04, below.

(i) City means the City of Vero Beach, Florida.

(j) City Funds means the One Million Four Hundred Thousand Dollars (\$1,400,000) to be provided by the City to the County pursuant to the Interlocal Agreement.

(k) County means Indian River County, Florida, a political subdivision of the State of Florida.

(l) County Funds means the funds to be provided to the Dodgers by the County pursuant to the Development Agreement.

(m) Development Agreement means the Development Agreement dated September 1, 2000, by and between the County and the Dodgers for the construction of the Improvements.

(n) Dodgers means Los Angeles Dodgers, Inc., a Delaware corporation.

(o) Effective Date means the date upon which this Agreement is released to the parties pursuant to the Escrow Agreement.

(p) Escrow Agent means the agent designated in the Escrow Agreement.

(q) Escrow Agreement means the Document Escrow Agreement dated September 1, 2000, between, among others, the parties hereto and which governs the Effective Date of this Agreement and the other Project Documents.

(r) Existing Facilities means the baseball spring training facilities located on the Land as they existed as of the Effective Date, including the spring training baseball stadium known as Holman Stadium, the eighty-nine (89) unit hotel facility, the conference center with meeting and dining rooms, the clubhouse and weight room, indoor batting and pitching cages, four (4) baseball practice fields and two (2) half baseball practice fields.

(s) Facility means, collectively, the Land, the Existing Facilities, and, as the context warrants, the Improvements and any additional improvements hereafter constructed on the Land.

(t) FF&E means furniture, fixtures, and equipment.

(u) Holman Stadium means the baseball stadium improvements known as Holman Stadium which is a part of the Existing Facilities.

(v) Improvements means the improvements to be constructed on the Existing Facilities pursuant to the Development Agreement.

(w) Independent Appraiser is defined in Section 10.07(b), below.

(x) Initial Term is defined in Section 2.01, below.

(y) Land means the real estate upon which the Facility is located, as described in Exhibit A.

(z) Lease Year means a twelve month period commencing on May 1 of any calendar year of the Term hereof and ending on April 30 of the following calendar year; provided, however, that the First Lease Year shall commence as of the Effective Date and end on the first April 30th following the Effective Date.

(aa) Liquidated Damages is defined in Section 10.05.

(bb) Maintenance Standards means the standards of maintenance, repair, and operations maintained by managers of comparable spring training facilities in comparable markets in the State of Florida in accordance with reasonable commercial practices then in use. The County hereby acknowledges and agrees that the manner in which the Dodgers operated and maintained the Existing Facilities prior to the Effective Date of this Agreement was consistent with or exceeded the standards of maintenance, repair, and operations maintained by managers of comparable spring training facilities in comparable markets in the State of Florida.

(cc) Major League Baseball means the Office of the Commissioner of Baseball, Major League Baseball Enterprises, Inc., Major League Baseball Properties, Inc., Major League Baseball Properties Canada Inc., Baseball Television, Inc., and/or any of their respective present or future affiliates, assigns or successors.

(dd) Parking Agreement means the Parking Agreement dated September 1, 2000, by and between the Dodgers, the County, and de Guzman Development, Inc., which *inter alia*, governs parking rights for the Facility in connection with the adjacent land.

(ee) Project Documents means this Agreement, the Development Agreement, the Parking Agreement, the Real Estate Contract, the Escrow Agreement, and the Capital Reserve Account Agreement.

(ff) Real Estate Contract means the Agreement for Sale and Purchase, dated as of September 1, 2000, which governs the sale of the Land and Existing Facilities by the Dodgers to the County.

(gg) Renewal Term is defined in Section 2.02, below.

(hh) Repairs or Replacements means repairs or replacements made to the fixtures, structures and/or improvements at the Facility after completion of the Improvements.

(ii) Retained Spring Training Franchise Facility is defined by Section 283.1162, Florida statutes, as a facility where a professional baseball team conducts its spring training operations and plays its spring training home games, that was based in the State prior to January 1, 2000, and is certified as such by the State of Florida Office of Tourism, Trade and Economic Development.

(jj) Spring Training Home Games means only the spring training exhibition games to be played by the Team at the Facility during spring training. Spring Training Home Games do not include any spring training exhibition games played by the Team at any venue other than the Facility, even if the Team is designated as the "home team" for purposes of playing the game (e.g., if the Team plays its last spring training games at Dodger Stadium, it may be the home team but such games will not constitute Spring Training Home Games for purposes hereof).

(kk) State Funds mean the funds to be obtained by the County pursuant to Sections 212.20 and 283.1163 for a Retained Spring Training Franchise Facility.

(ll) Team means the Major League baseball team owned by the Dodgers and known as the "Los Angeles Dodgers."

(mm) Term means the Initial Term and any Renewal Terms

ARTICLE II

TERMOPTIONS TO RENEWRENT

Section 2.01. Initial Term. The "Initial Term" of this Agreement shall commence on the Effective Date and shall expire on April 30, 2021, unless this Agreement is terminated earlier by the parties pursuant to the provisions hereof.

Section 2.02. Renewal Term. For purposes of this Agreement, a "Renewal Term" means a term of five (5) years commencing upon the expiration of the Initial Term or the immediately preceding Renewal Term, if any.

OR 1426PG0571

Section 2.03. Option to Renew. The Dodgers shall have four (4) successive options to renew this Agreement for a Renewal Term. The Dodgers shall exercise their right and option for each Renewal Term by serving written notice upon the County of their election to exercise each said option at least one (1) year before the expiration of the then-current Term. If the Dodgers fail to provide such notice within the aforementioned time, then the Dodgers' right and option to renew shall continue in full force until the County notifies the Dodgers that the renewal notice has not been received and the Dodgers fail to exercise their renewal rights within sixty (60) days after receipt of the County's notice, it being the intention of the parties that the Dodgers shall not lose any renewal right through inadvertence. Each Renewal Term shall be upon the same terms and conditions as the Initial Term.

Section 2.04. Rent. The Dodgers shall pay to the County the sum of One Dollar (\$1.00) per Lease Year as rent payable in advance.

Section 2.05. Option to Purchase. As provided in the deed to the County from the Dodgers for the Land and Existing Facilities, if, at any time during the Term, the County offers to sell the Facility, the Dodgers shall have a right of first refusal to purchase the Facility for the lowest purchase price which the County would accept from any third party. The County shall not sell the Facility to any third party during the Term until the Dodgers have been given written notice of the purchase price and an opportunity to purchase the Facility for such price. In addition, immediately following the date on which the Bonds have been paid and retired and continuing until the expiration or earlier termination of the Term, if the Dodgers are still in possession of the Facility, then the Dodgers shall have the option to purchase the Facility at the Facility's then fair market value, whether or not the County desires or has offered to sell the Facility to a third party. The then fair market value of the Facility shall be calculated in accordance with the provisions set forth in Section 10.07, below.

ARTICLE III

DODGERS' USE OF THE FACILITY

Section 3.01. Lease and Grant of Management Rights with Respect to the Facility. The County hereby leases to the Dodgers, and the Dodgers hereby lease from the County, the Facility. Except as otherwise provided in this Agreement, the Dodgers shall have the exclusive right to use, manage, and operate the Facility at their sole discretion in accordance with the terms and purposes of this Agreement. During the Term, the County shall not lease to or grant to any person other than the Dodgers, the right to use, manage, or operate the Facility, subject to the provisions of Section 6.04, below.

Section 3.02. The Dodgers' Rights and Obligations. Except as specifically provided in this Agreement, the Dodgers shall be exclusively responsible for managing, operating and maintaining the Facility at their sole discretion and expense during the Term in accordance with the Maintenance Standards. The Dodgers shall not cause, permit, or suffer any waste or damage, disfigurement, or

injury to the Facility or the fixtures or equipment thereon, with the exception of reasonable wear and tear, loss or damage by fire, natural catastrophe, or other casualty, or condemnation. Notwithstanding anything to the contrary contained in this Agreement, the Dodgers shall not be responsible for ad valorem real estate taxes, if any, assessed or collected with respect to the Facility. The County shall not remove any FF&E from the Facility and the Dodgers shall have the right, during the Term, to use all FF&E in place prior to or after the Effective Date. During the Term, the Dodgers shall have, but not be limited to, the following rights, responsibilities, and obligations in connection with the Facility.

(a) At their sole discretion, control the scheduling and use of the Facility as a publicly operated spring training facility for all baseball and non-baseball events;

(b) Perform all maintenance of the Facility, including by providing all of the labor and materials required to keep the Facility clean and free of debris and by repairing, maintaining, and replacing all components of the Facility consistent with the Maintenance Standards;

(c) Maintain the Facility, including, but not limited to, the parking lots at the Facility, the structural portions of the Facility, the foundation of the Facility, the exterior structural walls of the Facility, all electrical, plumbing, heating, ventilating, air-conditioning, mechanical and utility systems for the Facility or any portion thereof, including any portion located in the Facility, in good order, condition and repair, in a clean, sanitary, and safe condition, and in accordance with all applicable laws and regulations;

(d) Provide all security, crowd control, maintenance, cleaning, landscaping and other personnel or independent contractors required for the proper maintenance and operation of the Facility consistent with the Maintenance Standards;

(e) Obtain and maintain all commercial general liability insurance necessary or appropriate to insure the liability of the County, the City, and the Dodgers with respect to the Facility and property insurance. The insurance, as it protects the County's and the City's interest, shall be subject to the County's reasonable approval and shall cause the County and the City to be named as an additional insured on such policies. Further provisions concerning insurance are set forth in Section 14.05, below. A certificate of insurance evidencing proof of such insurance shall be provided to the County and the City annually starting on the beginning date of the Term and as further provided in Section 14.05, below;

(f) Set rates and charges for the use of the Facility by third parties;

(g) Advertise and promote all baseball and non-baseball events conducted at the Facility, such advertising and promotion to mention or identify the County and/or the City to the extent practicable (the Dodgers understand the importance of promoting the County and the City and their image and desire and agree to assist in such regard).

(b) Select and employ all concessionaires, licensees and other contractors with respect to the Facility, including, but not limited to, its parking lots, concession areas, and advertising space; and

(i) Enter into lawful contracts in the Dodgers' name relating to any and all of the foregoing upon terms and conditions which are consistent with the Maintenance Standards and the terms of this Agreement.

Section 3.03. Event Control. The Dodgers shall have the right, at their sole discretion, to cancel or postpone any event to be held at the Facility, including, but not limited to, any Spring Training Home Game.

Section 3.04. Books and Records. All books and records of the Facility specifically relating to the Dodgers' responsibilities hereunder, except as the same may be specifically excepted from public disclosure by any law, rule, regulation, or ordinance, shall be kept in accordance with generally accepted accounting principles and shall be subject to inspection by the County at the Facility during regular normal business upon two (2) days' prior written notice to the Dodgers. Books and records shall include, but not be limited to, all records of expenditures from the Capital Reserve Account.

ARTICLE IV

MAINTENANCE RESPONSIBILITIES

Section 4.01. Dodgers' Rights and Obligations. During the Term, the Dodgers shall be responsible for the repair, operation, and maintenance of the Facility, and shall have, but not be limited to, the rights, responsibilities and obligations specified in Sections 4.02 through 4.05, below.

Section 4.02. Maintenance. From the Capital Reserve Account and, upon depletion thereof, from their own funds, the Dodgers shall construct and pay for any repairs, replacement and improvements for the Facility as are required:

(a) To satisfy the Maintenance Standards;

(b) To comply with all applicable laws, ordinances and regulations, including, but not limited to the requirements of the Americans with Disabilities Act of 1990 ("ADA") and any amendments thereto, including Title II, Structural and Title III, Programmatic Accessibility Standards as well as any future additions; and

(c) To meet the standards and regulations of Major League Baseball

Section 4.03. Operation. The Dodgers shall provide and pay for, solely from funds of the Dodgers or the Capital Reserve Account, if appropriate, all costs and expenses required for the operation and maintenance of the Facility which are not, by the terms of this Agreement, specifically required to be provided and paid for by the County, including, but not limited to, all personnel (including supervisory staff), labor, equipment, telephone, water, sewer, storm water, and materials. Costs for which the Dodgers are responsible shall include, but not be limited to, taxes (except for ad valorem real property taxes, if any, imposed upon the County in connection with the Facility), gas, electricity and other utilities related to operation of the Facility, and production of all events taking place at the Facility.

Section 4.04. Taxes. The Dodgers shall pay all taxes associated with the operation of the Facility, including, but not limited to, sales taxes, except that the County shall pay that portion of the ad valorem real property taxes levied on the Land and all structures and improvements constituting the Facility.

Section 4.05. Liaison. The Dodgers shall name a person to be the liaison to work with the County with respect to coordinating the mutual responsibilities of the Dodgers and the County. The Dodgers hereby designate Mr. Craig Callan as the liaison unless and until a new person is designed in writing by the Dodgers.

Section 4.06. Limitations. The Dodgers' rights and obligations under this Agreement are subject to the following additional limitations:

(a) No contract entered into pursuant to this Agreement may impair any right of the County hereunder.

(b) The Dodgers shall not, without the County's consent, enter into any contract extending beyond the expiration date of the Term, as the Term is defined when any such contract is executed by the Dodgers.

(c) The Dodgers shall take no action which may result in the attachment of a lien or cloud on the County's interest in or title to the Facility. If, as a result of the Dodgers' actions, a lien or cloud is attached to the County's interest or title to the Facility, the Dodgers shall immediately take all reasonable and necessary steps to remove such lien or cloud.

(d) The Dodgers shall not knowingly occupy or use the Facility for any purpose or in any manner that is unlawful.

OR 1426PG0575

(e) Except as such records relate to proprietary or confidential business functions of the Dodgers, the Dodgers shall maintain all records concerning their responsibilities under this Agreement which are either required to be maintained pursuant to applicable law or which are necessary to verify the County's rights and the Dodgers' obligations under this Agreement, which records shall be made available to the County at the Facility during regular business hours upon two (2) days' prior written notice from the County.

(f) Within the policies and standards set by the County pursuant to this Agreement, the Dodgers shall function as an independent contractor in fulfilling the duties required by this Agreement. All staff required by the Dodgers to accomplish their obligations under this Agreement shall be employees of the Dodgers and not the County.

(g) The Dodgers take the Facility "as is," both as of the Effective Date and upon completion of the Improvements, with no warranty from the County as to condition.

(h) The Dodgers shall provide, at their expense, all equipment necessary to perform their responsibilities hereunder.

(i) Except as may be provided in the Development Agreement or this Agreement, the Dodgers shall not undertake any capital improvements to the Facility without the permission of the County, which permission shall, when not otherwise governed by the aforementioned Agreements, not be unreasonably withheld.

(j) If the County reasonably believes that the Dodgers' failure to comply with any of their obligations under this Agreement involves a "life safety issue," as hereinafter defined, the County shall have an immediate right to correct the life safety issue and the reasonable costs and expenses incurred by the County in correcting the life safety issue shall be due and payable by the Dodgers to the County within thirty (30) days after the submission of a statement to the Dodgers for the payment of the same. If such amount is not paid when due, it shall bear interest at the prime rate published by the *Wall Street Journal* from time to time from the date that the Dodgers received the County's statement until the date payment was made. For purposes of this Agreement, a "life safety issue" shall mean a situation which imposes an immediate threat of bodily harm or death to any users or occupants of the Facility.

(k) Other than the Improvements, or except as authorized in this Agreement, the Dodgers shall not construct any additional buildings or structures on any portion of the Facility, or make any structural or exterior changes to the Facility, without the prior written approval of the County, which approval shall not be unreasonably withheld. The Dodgers shall not make major alterations or modifications to the Facility without the prior written approval of the County, which approval shall not be unreasonably withheld. Notwithstanding

DR 1426PG0576

OR 1426PG0577

the foregoing, the County acknowledges that the Dodgers may decide to augment or replace the existing eighty-nine (89) unit hotel facility and the conference center at the Facility with new housing units and an expanded meeting and dining center. Accordingly, the County hereby approves such renovation and construction, provided it is undertaken by the Dodgers in accordance with the terms of this Agreement and consistent with the Maintenance Standards. All such permanent improvements, alterations, or additions placed on the Facility by the Dodgers shall be conveyed by the Dodgers to the County by a quit-claim deed upon the completion of such improvements, alterations or additions.

(l) On or before the expiration date of this Agreement, or its earlier termination as provided herein, the Dodgers shall remove all of their personal goods and effects, repair any damage caused by such removal, and surrender and deliver the Facility in its "AS IS" condition. Any personal property or effects not removed within thirty (30) days after the expiration date of this Agreement or its earlier termination as provided herein shall be deemed to have been abandoned by the Dodgers, and may be retained or disposed of by the County, in its sole discretion, in accordance with applicable law.

(m) Upon the expiration or earlier termination of this Agreement, Dodgers shall return the Facility to the County free and clear of any contractual obligations or other legal encumbrances granted by the Dodgers, except utility easements and other encumbrances necessary for the maintenance and operation of the Facility.

(n) The Facility shall not be used for the manufacture or storage of flammable, explosive or hazardous materials (as defined below), except for Hazardous Materials typically found for use or sale in retail stores, including supermarkets and dry cleaning stores, and/or typically found for use in comparable spring tanning facilities. For purposes of this Agreement, "Hazardous Materials" shall mean any contaminant, chemical, waste, irritant petroleum product, waste product, radioactive material, flammable or corrosive substance, explosive, poly-chlorinated biphenyls, asbestos, hazardous toxic substance, material or waste of any kind, or any other substance that any environmental law regulates. "Hazardous Materials" shall include, but not be limited to, substances defined as "hazardous substances," "hazardous materials," or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901, et seq.; all applicable state and local laws; and in the regulations adopted and publications promulgated pursuant to said laws or any amendments or addenda thereto.

(o) If the Dodgers pay the rent and comply with all other terms of this Agreement, the Dodgers may occupy and enjoy the premises of the Facility for the full Term and any renewals hereof, subject to the provisions of this Agreement.

ARTICLE V

SPRING TRAINING HOME GAMES

Section 5.01. Spring Training Home Games. Except if the Dodgers are prevented from doing so by any of the events described in Article XV, below, or by a rule, regulation, directive, order, bulletin, or agreement of Major League Baseball, the Dodgers shall, each Lease Year during the Term, cause the Team to play at least ten (10) Spring Training Home Games at the Facility. Nothing contained in this Agreement shall restrict or prohibit the Dodgers from causing or allowing the Team to play spring training games in stadiums, venues, or facilities other than the Facility, or from playing the balance of the Team's annual spring training games away from the Facility after ten (10) Spring Training Home Games are scheduled to be played at the Facility during the applicable spring training period.

Section 5.02. Rules and Regulations. The Dodgers shall comply with all applicable laws, ordinances, rules and regulations, including, but not limited to, the rules, regulations, directives, orders, bulletins, or agreements of Major League Baseball.

ARTICLE VI

COUNTY'S USE OF THE FACILITY/PARKING AGREEMENT

Section 6.01. Right of Entry. During the Term, the County shall have the right to enter into and upon any and all parts of the Facility for the purpose of examining the same with respect to the obligations of the parties under this Agreement upon two (2) days' prior written notice to the Dodgers (or without prior notice in the event of a "life safety issue" as defined in Section 4.06(f), above, but with immediate notice thereafter).

Section 6.02. Advertising and Promotion. If, during the Term, the Dodgers have any unsold advertising display space (e.g., billboards, outfield signs, etc.) at the Facility, then, subject to the Dodgers' prior reasonable approval as to the content, design, frequency of display, and placement of any such advertisements or promotional materials, the County shall be permitted to have advertisements or other promotional materials and information for the County and/or the City displayed at the Facility in such unsold advertising display space. Nothing contained in this Agreement shall require the Dodgers to remove or substitute any paid advertisement or promotional materials displayed at the Facility in favor of the County's and/or the City's advertisements or promotional materials, and all revenue-producing advertisers obtained by the Dodgers shall have priority of use over such advertising display space. In addition, nothing contained in this Agreement shall require the Dodgers to create new advertising display space or to increase the amount advertising display space, nor shall the Dodgers be prohibited or restricted from decreasing the amount advertising display space at the Facility.

OR 1426PG0578

Section 6.03. Right to Use the Facility. In addition to all of the rights specifically granted to the Dodgers in this Agreement, the Dodgers shall have the right to use the Facility in any manner and/or for any lawful purpose that the Dodgers deem appropriate in exercise of their sole and absolute discretion, subject to the terms of this Agreement.

~~Section 6.04. The County's Use of Holman Stadium and the Practice Fields. The County shall have the right to use Holman Stadium and/or the practice fields for up to twenty (20) days per Lease Year at no charge to the County (other than reimbursing the Dodgers for any operating expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or the practice fields). The dates during which the County may use Holman Stadium and/or the practice fields shall be selected by mutual agreement of the parties, provided that, if the parties cannot agree on the dates, the Dodgers' reasonable selection of dates shall be final and controlling. The County may use Holman Stadium and/or the practice fields only for functions which do not compete with revenue-generating events which may otherwise be arranged by the Dodgers. Moreover, the County's use of Holman Stadium and/or the practice fields must not interfere in any way with the Dodgers' use and quiet enjoyment of the Facility. The County shall not use or authorize the use of Holman Stadium and/or the practice fields in any manner which would have a material detrimental impact on Holman Stadium and/or the practice fields, and the County shall be and remain solely responsible for any damage or destruction to Holman Stadium and/or the practice fields by the County or its assignee. The County shall be entitled to retain the revenues from ticket sales for its events, and, with the prior consent of the Dodgers, concessions sold during the events when Holman Stadium and/or the practice fields are utilized by the County; provided, however, that the Dodgers shall not be required to provide concession services and/or any other services during any County event. In all cases, the Dodgers shall be reimbursed by the County for any operating costs and expenses incurred by the Dodgers as a result of the County's use of Holman Stadium and/or the practice fields, including, but not limited to, the cost of any parking attendants, ticket takers, security personnel, clean-up crews, and the like provided by the Dodgers. Prior to using Holman Stadium and/or the practice fields as provided herein, the County shall cause the Dodgers to be named as an additional insured on the County's general liability insurance policy and shall deliver to the Dodgers a certificate of insurance which verifies the existence of the policy and the fact that the Dodgers are named as an additional insured~~

Section 6.05. Parking. The parties hereby acknowledge and reaffirm the parking rights that they have granted pursuant to the Parking Agreement.

ARTICLE VII
REVENUES

COPY

Section 7.01. Revenues. During the Term, the Dodgers shall control, collect, receive, and retain all revenues generated by any means at or in connection with the Facility, including, but not

OR 1426PG0579

limited to, all revenues from ticket sales, food and beverage sales, merchandise sales, concessions and products sales, novelties, parking, telecast and broadcast rights, pouring rights, advertising, sponsorship, promotional and signage rights, Facility naming rights, and any other revenues derived or generated in connection with baseball and non-baseball events held at the Facility (exclusive of any County use events).

Section 7.02. Naming Rights. At all times during the Term, the Dodgers shall have the right, at their sole and absolute discretion, to sell naming, affiliation, and/or sponsorship rights in and to Holman Stadium and/or any portion of the Facility and/or to change the name of Holman Stadium and/or any portion of the Facility without the prior review and/or consent of the County. Any and all revenues derived from the sale of naming, affiliation, and/or sponsorship rights in and to Holman Stadium and/or any portion of the Facility shall be retained solely by the Dodgers.

ARTICLE VIII

CAPITAL IMPROVEMENTS AND REPAIR

Section 8.01. Capital Reserve Account. During the Term (until depleted), the Dodgers shall establish a trust account with a depository (the "Capital Reserve Account") in which County Funds shall be deposited pursuant to the Capital Reserve Account Agreement. The Capital Reserve Account shall be funded and maintained in accordance with the provisions of the Capital Reserve Account Agreement. All funds in the Capital Reserve Account shall be County Funds. All withdrawals from the Capital Reserve Account shall require the co-signature of the County Administrator or his designee. The Capital Reserve Account shall be used by the Dodgers in making all Repairs and Replacements to the Facility. The Dodgers shall consult with the County with respect to any expenditures from the Capital Reserve Account and any such expenditures shall be subject to the approval of the County, which approval will not be unreasonably withheld and shall be granted in accordance with the Capital Reserve Account Agreement. Any amounts remaining in the Capital Reserve Account at the expiration of the Term or earlier termination of this Agreement shall be paid to the County. The Dodgers shall be solely responsible for the cost of any Repairs or Replacements which exceed the funds available in the Capital Reserve Account and any applicable available insurance proceeds from policies of insurance provided at the Dodgers' expense.

Section 8.02. Contributions to the Capital Reserve Account. On or before March 31, 2001, or such later date as may be mutually agreed to by the parties, the County shall deposit into the Capital Reserve Account the sum of \$2,000,000. Any part of said \$2,000,000 that is not expended by the expiration of the Term or earlier termination of this Agreement shall be paid to the County at such time.

Section 8.03. Facility Improvements. The County and the Dodgers agree that upon the completion of the "Improvements" listed in Exhibit B, hereto, and more specifically described in the Development Agreement, the Facility will be acceptable for use by the Dodgers as a Retained Spring

Training Franchise Facility. The County shall pay for the Improvements, but its obligation shall be limited to providing Seven Million Dollars (\$7,000,000) of net Bond proceeds, together with any portion of the Capital Reserve Account determined by the County and the Dodgers to be needed for such purpose. The Improvements shall be commenced and completed in accordance with the Development Agreement. The Dodgers shall (a) pay any additional costs of the Improvements beyond such \$7,000,000 and the funds in the Capital Reserve Account, and (b) be solely responsible for the costs of any additional improvements voluntarily undertaken by the Dodgers at the Facility. Subject to the foregoing conditions, the Dodgers, with the assistance of the County as provided in the Development Agreement, shall cause the construction of the Improvements to be completed by February 15, 2002, or such later date as may be determined by the Dodgers with approval of the County, which approval shall not be unreasonably withheld.

ARTICLE IX

DOCUMENTS AND CERTIFICATES

Section 9.01. Documents and Certificates. Each party shall supply to the other such documents and certificates as are reasonably available or procurable, and necessary for the purpose of obtaining certificates from the State of Florida Office of Tourism, for the issuance of the Bonds, or for any other purpose reasonably related to the obligations of the parties hereunder, including, but not limited to, the County's funding or administration of this Agreement and ownership of the Facility, or to consummate the transactions described in this Agreement.

ARTICLE X

DEFAULT/REMEDIES

Section 10.01. Dodgers' Default. The occurrence of any one or more of the following events constitutes a "Default" by the Dodgers under this Agreement:

(a) Failure by the Dodgers to observe or perform in any material respect any covenant, agreement, condition, or provision of this Agreement, if such failure continues for thirty (30) days after written notice thereof has been delivered by the County to the Dodgers, provided, however, that the Dodgers shall not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, the Dodgers commence such cure and diligently proceed to complete the same thereafter.

(b) The levy upon, under execution or the attachment by legal process, the Dodgers' interest hereunder, or the filing or creation of a lien in respect of such interest, which levy, attachment or lien is not released, discharged or bonded against within one hundred eighty (180) days from the date of such filing.

OR 1426PG0581

(c) The Dodgers are finally adjudicated insolvent or bankrupt or admit in writing their inability to pay their debts as they mature, or make an assignment for the benefit of creditors, or apply for or consent to the appointment of a trustee or receiver for the Dodgers or for the major part of their property;

(d) A trustee or receiver is appointed for the Dodgers or for the major part of their property and such trustee or receiver is not discharged within one hundred eighty (180) days after such appointment;

(e) Bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or any other proceedings for relief under any bankruptcy law, or similar law for the relief of debtors, are instituted by or against the Dodgers, and, if instituted against the Dodgers, are allowed against them or are consented to by them or are not dismissed within one hundred eighty (180) days after such institution, to the extent permitted by law, or

(f) The Dodgers are in default under the Development Agreement and such default continues for thirty (30) days after written notice thereof has been delivered by the County to the Dodgers; provided, however, that the Dodgers shall not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, the Dodgers commence such cure and diligently proceed to complete the same thereafter.

If a Default occurs, the County shall have the rights and remedies set forth in this Agreement, which shall be distinct, separate, and, to the extent not mutually exclusive, cumulative, and shall not operate to exclude or deprive the County of any other right or remedy allowed it by law or equity.

Section 10.02. County Default. In the event of any failure by the County to observe or perform any material covenant, agreement, condition, or provision of this Agreement wherein the Dodgers' remedies on account thereof are not otherwise specifically provided for in this Agreement, and if such failure shall continue for thirty (30) days after notice thereof has been delivered by the Dodgers to the County, then the County shall be deemed to be in Default hereunder, provided, however, that the County shall not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, the County commences such cure and diligently proceeds to complete the same thereafter.

Section 10.03. Remedies. In the event of a Default by either party (other than a Cessation of Use by the Dodgers), the party not in Default shall be entitled, as a non-exclusive remedy, and in addition to or in lieu of an action for damages, to seek an injunction or decree for specific performance or equitable relief from a court of competent jurisdiction to enjoin or remedy the Default.

0011426PC0582

Section 10.04. Cessation of Use by the Dodgers. If, at any time during the Initial Term (and not a Renewal Term), the Dodgers lose the right to own the Team, or to hold Spring Training Home Games in the Facility, or otherwise cease to conduct their spring training operations and/or Spring Training Home Games at the Facility, such event shall constitute a "Cessation of Use" of the Facility by the Dodgers. Notwithstanding anything to the contrary contained in this Agreement, a Cessation of Use of the Facility by the Dodgers shall entitle the County to terminate this Agreement by giving the Dodgers ten (10) days' written notice of termination. The Dodgers shall have ten (10) days after receipt of the aforementioned notice of termination to renounce the Cessation of Use by confirming to the County their intention to continue to use the Facility during the Initial Term as the spring training facility for the Team. A termination pursuant to the provisions of this Section 10.04 shall become effective upon the expiration of the Dodgers' ten (10) day cure period.

Section 10.05. Liquidated Damages. If this Agreement is terminated by the County during the Initial Term as the result of a Cessation of Use by the Dodgers, then the Dodgers shall pay to the County, as "Liquidated Damages" and in lieu of all other remedies and/or damages of any type which may be available to the County, the entire amount required by the County to defease or retire the Bonds, together with any fees, expenses and costs incurred by the County to so defease or retire the Bonds.

Section 10.06. Repurchase By Dodgers. If the Dodgers are required to pay the Liquidated Damages specified in 10.05, above, the Dodgers shall be entitled to repurchase the Facility (including the Land) from the County at a price equal to the Facility's then fair market value, less the amount of any Liquidated Damages paid by the Dodgers to the County hereunder. The then fair market value of the Facility shall be calculated in accordance with the provisions set forth in Section 10.07, below.

Section 10.07. Calculation of Fair Market Value. For purposes of a repurchase of the Facility by the Dodgers pursuant to this Agreement, the then fair market value of the Facility shall be determined by the following procedure:

(a) The Dodgers and the County shall each select an independent M.A.I. appraiser.

(b) The appraisers selected by the Dodgers and the County shall then select a third appraiser known as the "Independent Appraiser." The Independent Appraiser shall determine the then fair market value of the Facility using the highest and best use method.

OR 1426PC0583

ARTICLE XI
ENFORCEABILITY

Section 11.01. Binding Effect, Enforceability. The terms and provisions set forth in this Agreement shall be binding and enforceable by and against the parties in accordance with the terms hereof.

COPY

ARTICLE XII
ASSIGNMENT/SUBLEASE

Section 12.01. Assignment. This Agreement may not be assigned by either party without the prior written consent of the other party, except that this Agreement may be assigned by the Dodgers to any person or entity who acquires the Team (by any form of acquisition), with the approval of Major League Baseball, provided that any such assignee explicitly assumes in writing the Dodgers' duties and responsibilities under this Agreement (in which case the liability of the Dodgers shall cease with respect to liabilities accruing from and after such transfer).

Section 12.02. Sublease. The Dodgers may sublease, at any time during the Term, any portion of the Facility, including, but not limited to, guest rooms, residential units, offices, practice fields, the clubhouse, weight room, and/or conference facilities located at the Facility. All revenues derived from subletting any of the foregoing shall be retained solely by the Dodgers. Any such sublease shall remain subordinate to this Lease.

Phone: (323) 224-1312
Fax: (323) 224-1595

Section 13.02. Amendment. This Agreement may be amended only in writing executed by both parties.

Section 13.03. Entire Agreement. This Agreement, including its exhibits and the Project Documents constitutes the entire agreement between the parties and supersedes all prior or contemporaneous agreements (whether oral or written) between them.

Section 13.04. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Florida.

Section 13.05. Counterparts. This Agreement may be executed in two or more counterparts which have been signed and delivered by each of the parties (a party may execute a copy of this Agreement and deliver it by facsimile transmission, provided, however, that any such party shall promptly deliver an original signed copy of the Agreement).

Section 13.06. Jurisdiction and Venue. The exclusive, convenient, and proper venue for any legal proceeding arising out of, or related to, this Agreement shall be Circuit Court for the Nineteenth Judicial Circuit, in and for Indian River County, Florida Division. Each party waives any defense, whether asserted by motion or pleading, that the Indian River Circuit Court is an improper or inconvenient venue. Moreover, all parties to this Agreement, persons and entities alike, consent to the personal jurisdiction of the Circuit Court, Nineteenth Judicial Circuit, in and for Indian River County, and irrevocably waive any objections to said jurisdiction.

Section 13.07. Effective Date. This Agreement shall be effective on the date of delivery of this Agreement by the Escrow Agent in accordance with the Escrow Agreement.

Section 13.08. Time of Essence. Time is of the essence in the performance of this Agreement.

Section 13.09. Damage to Property. The Dodgers shall not have any liability for loss or damage to property owned or leased or otherwise in the possession, control, or custody of the County, that is wrongfully or incorrectly on the premises of the Facility, unless such damage is caused solely or partially by the Dodgers' negligence or willful misconduct, in which case the Dodgers shall be liable for only the portion so caused.

Section 13.10. Consequential Damages. Under no circumstances shall either party or any of its subcontractors, suppliers and vendors be liable to the other party for any indirect, special, incidental, and/or consequential damages, including, but not limited to, loss of profits or interruption of business, whether such damages are alleged in tort, contract, indemnity, or otherwise, even if such party has been apprised of the possibility of such damages. To the extent permitted by law, each party hereby releases the other and its subcontractors, suppliers and vendors therefrom.

Section 13.11. Headings. The headings used herein are for convenience of reference only and shall not constitute a part hereof or affect the construction or interpretation hereof.

Section 13.12. Severability. If any clause, provision, or section hereof is held illegal, invalid, or unenforceable by any court, the illegality, invalidity, or unenforceability of such clause, provision or section shall not affect any of the remaining clauses, provisions, or sections hereof, and this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable clause, provision or section had not been contained herein.

Section 13.13. Waiver. No failure on the part of any party to exercise, and no delay in exercising, and no course of dealing with respect to any right hereunder, shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right or remedy provided at law or in equity, except as expressly set forth herein.

Section 13.14. Terminology. All personal pronouns used herein, whether used in the masculine, feminine, or neuter gender, shall include the singular.

Section 13.15. Third Party Beneficiary. No person other than the Dodgers, the County, the Indemnified County Parties, the Indemnified Dodgers Parties, and the successors and assigns of such, shall have any rights whatsoever under this Agreement.

Section 13.16. Radon Notice. Chapter 88-285, Laws of Florida, requires the following notice to be provided with respect to the contract for sale and purchase of any building or a rental agreement for any building, and the parties hereto acknowledge and confirm receipt of the following:

OR 1426PG0586

"RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department."

Section 13.17 Esoppel Certificates. At any time, within twenty (20) days after request by either party, the other party shall certify in writing to the requesting party, or any person specified by the requesting party, to the effect (a) whether this Agreement is unmodified and in full force and effect (or if there has been modification, that the same is in full force and effect as modified and setting forth such modification); (b) whether or not to the best of the other party's knowledge, the requesting party is in Default hereunder; and (c) any other information which the requesting party reasonably requests to be confirmed.

ARTICLE XIV

INDEMNIFICATION AND INSURANCE

Section 14.01. Indemnification by the Dodgers. To the fullest extent permitted by law, the Dodgers shall indemnify, protect, and hold the County and the City and their officers, agents, and employees, and each of their respective successors and assigns (collectively, the "Indemnified County Parties") harmless from and defend the Indemnified County Parties against any and all "liabilities" (as hereinafter defined) for any "bodily injury" (as hereinafter defined) or "property damage" (as hereinafter defined) whatsoever arising out of or resulting from any Default by the Dodgers and/or occurring in, on, or about the Facility to the extent such injury or damage is caused by the Dodgers, or the Dodgers' agents, contractors or employees, but not to the extent caused by the negligence or willful misconduct of the Indemnified County Parties. In the case of any action or proceeding being brought against the Indemnified County Parties by reason of any such claim, Dodgers, upon notice from the Indemnified County Parties, shall defend the same at the Dodgers' expense by counsel reasonably satisfactory to the County.

Section 14.02 Indemnification by the County. To the fullest extent permitted by law, the County shall indemnify, protect, and hold the Dodgers and their officers, agents, and employees, and each of their respective successors and assigns (collectively, the "Indemnified Dodgers Parties") harmless from and defend the Indemnified Dodgers Parties against any and all "liabilities" (as hereinafter defined) for any "bodily injury" (as hereinafter defined) or "property damage" (as hereinafter defined) whatsoever arising out of or resulting from any Default by the County and/or occurring in, on, or about the Facility to the extent such injury or damage is caused by the County, or the County's agents, contractors or employees, but not to the extent caused by the negligence or willful misconduct of the Indemnified Dodgers Parties. In the case of any action or proceeding being brought against the Indemnified Dodgers Parties by reason of any such claim, the County, upon notice from the Indemnified Dodgers Parties, shall defend the same at the County's expense by counsel reasonably satisfactory to the Dodgers

DR 1426PG0587

Section 14.03. Definitions. As used in this Agreement, "liabilities" shall mean all liabilities, claims, damages (excluding consequential damages), losses, penalties, litigation, demands, causes of action (whether in tort or contract, in law or equity or otherwise), suits, proceedings, judgments, disbursements, charges, assessments, and expenses (including reasonable attorneys' and experts' fees and expenses incurred in investigating, defending, or prosecuting any litigation, claim or proceeding whether out of court, at trial or in any appellate or administrative proceeding). "Bodily injury" means bodily injury, sickness or disease sustained by a person, including death resulting from any of the foregoing. "Property damage" shall mean physical injury to tangible property, including all resulting loss of use of that property, or loss of use of tangible property that is not physically injured.

Section 14.04. Independent Provisions. The provisions of Sections 14.01 through 14.03 are independent of, and will not be limited by, any insurance obligations in this Agreement, and shall survive the expiration or earlier termination of this Agreement with respect to any claims or liability arising in connection with any event occurring prior to such expiration or termination.

Section 14.05. Insurance. Commencing upon the Effective Date and throughout the remainder of the Term and any renewals thereof, the Dodgers shall maintain, at their sole cost, the following insurance:

(a) A commercial general liability insurance policy in an occurrence form covering the insured against all bodily injury and property damage liability that may rise or be claimed due to the Dodgers' use of the Facility in a minimum amount of coverage of One Million Dollars (\$1,000,000) for injuries to persons in one accident, One Million Dollars (\$1,000,000) for injuries to any one person and One Million Dollars (\$1,000,000) for damages to property. The commercial general liability insurance policy in an occurrence form shall also include contractual liability coverage including a Broad Form Endorsement covering the insurance provisions of this Agreement and the performance by the Dodgers of the indemnification provisions set forth in this Agreement.

(b) Special form (all risk) property insurance covering (1) the Facility, including, but not limited to, any additional improvements undertaken by the Dodgers, in an amount not less than one hundred (100%) percent of their actual replacement costs from time to time existing during the Term of this Agreement, providing protection against any peril included within the classification "all risks" of physical loss or damage, together with insurance against sprinkler damage, vandalism, malicious mischief, and water damage of any type and theft. The proceeds of such insurance shall be used for the repair or replacement of the property so insured.

(c) All of the insurance policies required under Sections 14.05(a) and 14.05(b), above, shall be effected from insurance companies recognized by and licensed in the State of Florida, and provide a Notice of Cancellation or material Coverage Change provision of thirty (30) days' notice in favor of the County. The Dodgers shall provide the County and the City with a duly executed Certificate of Insurance for each such policy. The Dodgers shall maintain the Certificate of Insurance on file with the County at all times during the Term. The policies required under Sections 14.05(a) and 14.05(b), above, shall name the County and the City as an additional insured.

(d) If the Dodgers fail to furnish the Certificate(s) of Insurance as required above, the County may, after notice and an opportunity to cure as set forth in this Agreement, obtain the insurance, and the premiums on that insurance shall be deemed additional rent to be paid by Dodgers to the County on demand. Dodgers shall be responsible for securing, at their own expense, whatever insurance coverage they may desire on the contents of the Facility. All Certificates of Insurance required by this Lease shall be provided on a standard ISO form.

(e) Any insurance required of the Dodgers under this Agreement may be furnished by the County under a blanket policy so long as and provided such policy:

(1) complies with all other terms and conditions contained in this Agreement, and

(2) contains an endorsement that identifies with specificity the particular address of the Facility as being covered under the blanket policy.

ARTICLE XV

FORCE MAJEURE

Section 15.01. Force Majeure Event Should any fire or other casualty, act of God, earthquake, flood, hurricane, lightning, tornado, epidemic, landslide, war, riot, civil commotion, general unavailability of materials, strike, slowdown, labor dispute, governmental laws or regulations, or other occurrence beyond the Dodgers' or County's control ("Force Majeure Event") prevent performance of this Agreement in accordance with its provisions, performance of this Agreement by either party shall be suspended or excused to the extent commensurate with such occurrence, except as specifically provided herein.

Section 15.02. Partial Destruction In the event of a partial destruction of the Facility, if Dodgers determine, at their sole discretion, that the undamaged portion of the Facility is still suitable for their spring training operations, then this Agreement shall continue in full force and effect with no adjustments in the obligations of the parties, and the Dodgers shall restore the Facility as soon as possible from the insurance proceeds or the Dodgers' own funds.

001426PG0589

Section 15.03. Facility Not Suitable for Use: In the event of total or partial destruction or damage of the Facility, if the Dodgers determine at their sole discretion that the Facility is not suitable for their spring training operations and/or cannot be used as the venue for their Spring Training Home Games, then this Agreement shall be suspended immediately until the Facility is repaired. Within twelve (12) months of the event of such total or partial destruction or damage, the Dodgers, with assistance of the County, but not at County expense, shall begin to repair or rebuild the Facility using the proceeds from the property insurance for that purpose and shall diligently pursue such repair or rebuilding until completed. Once the Dodgers contract with an Architect or an Engineer or Design Build firm to draw plans for the repair or rebuilding of the Facility, the Dodgers shall be deemed to have begun the repair or rebuilding of the Facility. This Agreement shall continue to be suspended until the Facility is suitable for the Dodgers' spring training operations and as a venue for their Spring Training Home Games.

ARTICLE XVI

ADDITIONAL IMPROVEMENTS

Section 16.01. Improvements. The Improvements, generally described in Exhibit B, shall be contracted in accordance with and pursuant to the Development Agreement. Notwithstanding the foregoing, the County hereby acknowledges that the Dodgers may desire to modify the Improvements described in Exhibit B (e.g., to add new housing units). Accordingly, the County shall approve any modifications to the Improvements hereafter requested by Dodgers so long as such modifications are designed to enhance the Facility and make it more useful to the Team and the Dodgers.

Section 16.02. Additional Improvements. Nothing contained in this Agreement shall restrict or prohibit the Dodgers from making improvements to the Facility which are not described as "Improvements" hereunder or in Exhibit B, provided that the Dodgers shall notify the County of such additional improvements before the Dodgers undertake to make them.

ARTICLE XVII

ZONING AND PERMITTING

Section 17.01. Zoning and Permitting. It shall be the sole obligation of the Dodgers, with assistance from the County, but not at County expense, to obtain any permits and/or zoning changes which may be required to construct the Improvements and any additional improvements which the Dodgers may hereafter desire to make to the Facility. The County, acting solely in its capacity as the fee owner of the Land, shall cooperate with the Dodgers as may be reasonably required, to enable the Dodgers to obtain any permits and/or zoning changes for the Improvements and any additional improvements, including, but not limited to, by joining in any applications for such permits and/or zoning changes.

ARTICLE XVIII

CONSENTS AND APPROVALS

Section 18.01. Granting or Failure to Grant Approvals or Consents. All consents and approvals which may be given by a party under this Agreement shall, as a condition of their effectiveness, be in writing. The granting by a party of any consent to or approval of any act requiring consent or approval under the terms of this Agreement, or the failure on the part of a party to object to any such action taken without the required consent or approval, shall not be deemed a waiver by the party whose consent was required of its right to require such consent or approval for any other act.

Section 18.02. Standard. Unless this Agreement specifically provides for the granting of consent or approval at a party's sole discretion, then consents and approvals which may be given by a party under this Agreement shall not (whether or not so indicated elsewhere in this Agreement) be unreasonably withheld or conditioned by such party and shall be given or denied within the time period provided, and if no such time period has been provided, within a reasonable time. Upon disapproval of any request for a consent or approval, the disapproving party shall, together with notice of such disapproval, submit to the requesting party a written statement setting forth with specificity its reasons for such disapproval.

Section 18.03. Deemed Approval

(a) If a party entitled to grant or deny its consent or approval (the "Consenting Party") within thirty (30) days (or a shorter specified time period) fails to do so, then, provided that the request for consent or approval bears the legend set forth below in capital letters and in a type size which is not less than that provided below, the matter for which such consent or approval is requested shall be deemed consented to or approved, as the case may be:

"FAILURE TO RESPOND TO THIS REQUEST WITHIN THE TIME PERIOD PROVIDED IN THE FACILITY LEASE AGREEMENT BETWEEN INDIAN RIVER COUNTY AND LOS ANGELES DODGERS, INC SHALL CONSTITUTE AUTOMATIC APPROVAL OF THE MATTERS DESCRIBED HEREIN WITH RESPECT TO SECTION [] OF SUCH FACILITY LEASE AGREEMENT."

Section 18.04. Approvals for the County. The County hereby agrees that, subject to applicable laws and regulations, the County Administrator (or the County Administrator's authorized designee) shall be authorized to grant consents or approvals on behalf of the County with respect to this Agreement.

OR 1426PG0591

Section 18.05. No Fees, etc. Except as otherwise expressly authorized in this Agreement, no fees or charges of any kind or amount shall be required by either party hereto as a condition of the grant of any consent or approval which may be required under this Agreement (provided that the foregoing shall not be deemed in any way to limit the County acting in its governmental, as distinct from its proprietary, capacity from charging governmental fees on a nondiscriminatory basis).

IN WITNESS WHEREOF, the undersigned have executed this Agreement as of the day and year first above written.

COURT

FIRST AMENDMENT TO FACILITY LEASE AGREEMENT

THIS FIRST AMENDMENT is made and entered into as of the 1st day of June, 2011 to that certain Facility Lease Agreement by and between Indian River County, a political subdivision of the State of Florida ("County") and MILB Vero Beach LLC, a Florida limited liability company ("MILB"), dated as of May 1, 2009 ("Agreement").

WHEREAS, as of May 1, 2009, County and MILB entered into the Agreement whereby County leased to MILB the Land, the Facility and the FF&E, and transferred to MILB the exclusive right and obligation to use, manage, operate and maintain the Facility for the term set forth therein; and

WHEREAS, based upon further negotiations between the parties and with the City of Vero Beach, Florida ("COVB"), the parties desire to amend the Agreement with respect to the Land, the Parking Lease and the Parking Property, the Improvements, and other related matters.

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Definitions. Except as set forth herein, all capitalized terms herein shall have the same meaning as set forth in the Agreement.
3. Land. The definition of "Land" as set forth in section 1.02(q) is hereby amended, as follows: (a) the real property described on Exhibit A attached hereto is added to the definition of "Land" and is therefore subject to all terms and conditions of the Agreement, and (b) the real property described on Exhibit B attached hereto is removed from the definition of "Land" and is therefore no longer subject to the terms and conditions of the Agreement.
4. MILB Events. All references in the Agreement to "Dodgers Events" are hereby changed to "Dodgertown Events," and new section 1.02(bb) is added as follows: "Dodgertown Events" shall mean any and all events and activities held on the premises of the Land and Facility including, without limitation, sports and non-sports related events and activities, meetings and conferences, whether such events and activities are conducted by County, MILB or any third party using all or a portion of the Land and Facility with the consent of County or MILB.

5. Parking. The provisions of the Agreement relating to parking are amended, as follows:

(a) section 1.02(v) is deleted and replaced with the following: "Parking License Agreement means the Parking License Agreement entered into as of June 1, 2011 by and between the County and COVB which, *inter alia*, governs use rights for the City Parking Property,"

(b) section 1.02(w) is deleted and replaced with the following: "City Parking Property shall mean the real property subject to the Parking License Agreement, and Facility Parking Property shall mean the following areas contained within the Land: (i) the real property which has historically been used for parking in connection with activities and events held at the facility, (ii) those portions of the four (4) baseball practice fields and two (2) half baseball practice fields which are suitable for parking, and (iii) other accessible and open areas which are suitable for parking; and

(c) section 6.05 is deleted in its entirety and replaced with the following: "Parking. The City Parking Property is owned by the City, subject to the terms and conditions of the Parking License Agreement, and the Facility Parking Property is owned by the County, subject to the terms of this Agreement. MiLB shall have the right to use the City Parking Property for Dodgertown Events in accordance with the terms and conditions of the Parking License Agreement, which terms and conditions are hereby approved and accepted by MiLB. MiLB acknowledges that its right to use the City Parking Property for Dodgertown Events could be terminated by COVB in accordance with the terms and conditions of the Parking License Agreement. In such event, MiLB agrees that the Facility Parking Property is and will be adequate for all parking purposes relating to its use and operation of the Land and Facility. Upon expiration or termination of this Agreement, all rights of MiLB to use the City Parking Property or the Facility Parking Property for any purpose shall terminate."

6. Improvements. The provisions of the Agreement relating to Improvements are amended, as follows:

(a) section 1.02(o) is deleted in its entirety and replaced with the following: "Improvements means the improvements constructed or to be constructed on the Land and Facilities during the term of the Agreement, or any extension thereof, consisting of the addition of field lights to two (2) of the existing playing fields in 2011, the construction of a cloverleaf of four (4) youth dimension baseball fields on the real property described on Exhibit A attached hereto in 2011, and the construction of a regulation size soccer field in the area of practice field number four in 2011." and

(b) section 8.03(a) and (b) are deleted in their entirety and replaced with the following: "Immediate Facility Improvements:

(a) County, at its expense, will add field lights to two (2) existing playing fields in 2011 and will construct a cloverleaf of four (4) youth dimension baseball fields on the

real property described on Exhibit A attached hereto in 2011. Field lighting for the two (2) existing playing fields shall meet the requirements of Class AAA and Class AA field lighting for a new facility which are 100fc (foot candle) average in infield and 70fc average in outfield. County shall not pay for these improvements out of the Capital Reserve Account;

(b) County will construct a regulation size soccer field in the area of practice field number four in 2011 at its expense. County shall not pay for this construction out of the Capital Reserve Account."

7. Good Standing - No Violation. County and MILB agree that, as of the date hereof, the Agreement is in good standing, neither party is in violation or default of any provision of the Agreement, and both parties are in full compliance with all provisions of the Agreement.

8. Conforming Terms. All remaining terms and conditions of the Agreement are hereby conformed to be consistent with the amendments set forth herein.

9. Remaining Terms. All remaining terms and conditions of the Agreement not amended or conformed herein shall remain in full force and effect.

10. Recordation. A copy of this First Amendment shall be recorded on the Public Records of Indian River County, Florida.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed in their respective names as of the date set forth above.

SECOND AMENDMENT TO FACILITY LEASE AGREEMENT

THIS SECOND AMENDMENT TO FACILITY LEASE AGREEMENT ("Second Amendment") is made and entered into as of the 1st day of January 2012, to that certain Facility Lease Agreement by and between Indian River County, a political subdivision of the State of Florida ("County") and MiLB Vero Beach, LLC, a Florida limited liability company ("MiLB"), dated as of May 1, 2009 ("Facility Lease Agreement"), as amended by that certain First Amendment to Facility Lease Agreement, dated as of June 1, 2011 ("First Amendment") (the Facility Lease Agreement, First Amendment and this Second Amendment are collectively "Amended Facility Lease Agreement"). This Second Amendment is entered into by and among County, MiLB, Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown"), and National Association of Professional Baseball Leagues, Inc., a Florida non-profit corporation ("NAPBL").

WHEREAS, on or about May 1, 2009, County and MiLB entered into the Facility Lease Agreement whereby County leased to MiLB the Land, the Facility and the FF&B, and transferred to MiLB the exclusive right and obligation to use, manage, operate and maintain the Facility for the term set forth therein; and

WHEREAS, on or about June 1, 2011, County and MiLB entered into the First Amendment addressing a land swap with the City of Vero Beach and certain improvements to the Facility; and

WHEREAS, MiLB wishes to assign the Amended Facility Lease Agreement to Verotown, and County and NAPBL are amenable to such assignment; and

WHEREAS, County, MiLB and Verotown wish to make minor amendments to the Amended Facility Lease Agreement, as set forth herein,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.

2. Definitions. Except as set forth herein, all capitalized terms herein shall have the same meaning as set forth in the Facility Lease Agreement and the First Amendment.

3. Assignment. MiLB hereby assigns to Verotown all of its right, title and interest in and to the Amended Facility Lease Agreement, and Verotown hereby accepts such assignment. All references in the Facility Lease Agreement and the First Amendment to "MiLB" are hereby changed to "Verotown." Verotown assumes and agrees to pay and perform all obligations of MiLB under the Amended Facility Lease Agreement. County hereby consents to the assignment of the Amended Facility Lease Agreement to Verotown.

4. Guaranty/Surety Bond. NAPBL, by Guaranty dated May 1, 2009 ("Guaranty"), has guaranteed certain obligations of MiLB under the Facility Lease Agreement and the First Amendment. NAPBL hereby (i) consents to the assignment of the Amended Facility Lease Agreement to Verotown, (ii) consents to the amendments set forth in this Second Amendment, and (iii) agrees that the Guaranty shall remain in full force and effect and shall apply to the obligations of Verotown under the Amended Facility Lease Agreement to the same extent as if all references to MiLB in the Guaranty were changed to Verotown. County agrees to release and terminate the Guaranty upon (i) substitution of a new guarantor and guaranty reasonably acceptable to County, or (ii) posting of a surety performance bond conditioned on Verotown's performance of the Amended Facility Lease Agreement, which bond is in the amount of the Liquidated Damages plus \$100,000, and is in a form reasonably acceptable to County.

5. Completion Dates of Improvements. Sections 1.02(o), 8.03(a), and 8.03(b) of the Facility Lease Agreement and First Amendment, are hereby amended by changing the completion date of the cloverleaf baseball fields to May 31, 2012, and by changing the completion date of the regulation size soccer field to 2012.

6. Good Standing - No Violation. County, MiLB, Verotown and NAPBL agree that, as of the date hereof, the Amended Facility Lease Agreement is in good standing, neither County nor MiLB are in violation or default of any provision of the Amended Facility Lease Agreement, and County and MiLB are in full compliance with all provisions thereof. County and MiLB hereby release and satisfy each other with respect to any claims, causes of action or liabilities arising out of or relating to the Amended Facility Lease Agreement.

7. Conforming Terms. All remaining terms and conditions of the Amended Agreement are hereby conformed to be consistent with the amendments set forth herein.

8. Remaining Terms. All remaining terms and conditions of the Amended Agreement not amended or conformed herein shall remain in full force and effect.

9. Recordation. A copy of this Second Amendment shall be recorded on the Public Records of Indian River County, Florida.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed in their respective names as of the date set forth above.

THIRD AMENDMENT TO FACILITY LEASE AGREEMENT

THIS THIRD AMENDMENT is entered into as of this 16th day of July, 2013, by and between Indian River County, a political subdivision of the State of Florida ("County") and Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown").

WHEREAS, on or about May 1, 2009, the County and MiLB Vero Beach, LLC, a Florida limited liability company ("MiLB"), entered into the Facility Lease Agreement in which the County leased the Facility to MiLB, and granted to MiLB certain management rights with respect to the Facility, for a term of five years ending April 30, 2014 ("Original Lease"); and

WHEREAS, on or about June 1, 2011, the County and MiLB entered into the First Amendment to Facility Lease Agreement ("First Amendment"); and on or about January 1, 2012, the County, MiLB and Verotown, entered into the Second Amendment to Facility Lease Agreement, in which, among other things, the rights and obligations of MiLB under the Original Lease and the First Amendment were assigned to Verotown ("Second Amendment"); and

WHEREAS, pursuant to section 2.03 of the Original Lease as amended by the First Amendment and the Second Amendment, Verotown has an option to renew the lease for a renewal term of five years, commencing on May 1, 2014 and ending on April 30, 2019 ("Renewal Term"), which option Verotown desires to exercise in accordance with the terms of this Third Amendment to Facility Lease Agreement ("Third Amendment") (the Original Lease, First Amendment, Second Amendment and Third Amendment are collectively referred to as the "Facility Lease Agreement"); and

WHEREAS, the County and Verotown reaffirm their desire to preserve the rich traditions and history of "Dodgertown" and the Facility, and recognize that the benefits to the local community of continuing baseball, athletic, conference and other activities at the Facility are unique and diverse, and include, without limitation, increased economic activity and employment opportunities, increased tourist trade and promotional opportunities, increased direct and indirect tax revenues, private sector payment of substantial maintenance and operation expenses which would otherwise burden local taxpayers, and other such benefits,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Definitions. Except as set forth herein, all capitalized terms shall have the same meaning as set forth in the Original Lease, the First Amendment and the Second Amendment.
3. Exercise of Option. Verotown hereby exercises its first renewal option set forth in section 2.03. The term of the Facility Lease Agreement is hereby extended for the period of the Renewal Term; provided, however, that, except as set forth in sections 5 and 15 below, this Third Amendment shall be effective commencing at the beginning of the Renewal Term. Between the date of this Third Amendment and the commencement of the Renewal Term, the terms and conditions of the Original Lease, as amended by the First Amendment and the Second Amendment, shall remain in full force and effect without regard to any amendment of such terms and conditions set forth in this Third Amendment.
4. Rent. The amount of rent, set forth in section 2.04, shall remain the same during the Renewal Term. The parties acknowledge that the amount of such rent is based, in part, on (a) Verotown's payment of the substantial cost of maintenance and operation of the Facility, and other costs incurred in the performance of this Facility Lease Agreement, which costs would otherwise be a burden upon the taxpayers of Indian River County, and (b) Verotown's agreement with respect to net income, set forth in section 11 below.
5. Hotel Room Renovations. As of the date of this Third Amendment, Verotown has renovated 22 of the 89 hotel rooms included within the Facility. The County shall pay for or reimburse Verotown for the actual costs of the renovations of the remaining 67 rooms in an amount not to exceed \$600,000. This amount shall not be funded with funds currently on deposit in the Capital Reserve Account, or required to be deposited by the County into the Capital Reserve Account in the future. At the election of the County, such renovations shall be undertaken by the County; otherwise, such renovations shall be undertaken by Verotown, in which case all books or records of Verotown relating to the renovations shall be open to inspection by the County upon reasonable request. Procurement of the contractor(s) to perform such renovations shall be by public bid, conducted by the County in accordance with applicable law. In the event that renovations are undertaken by Verotown, Verotown shall be reimbursed for all such renovation costs within the time periods set forth in the Florida Prompt Payment Act, §218.70, et seq, Florida Statutes; provided, however, that reimbursement shall be in accordance with the procedure set forth in this Facility Lease Agreement and the Capital Reserve Account Agreement, and upon submittal and review of supporting documentation. This section 5 shall be effective as of the date of this Third Amendment.
6. Contribution to Capital Reserve Account. Section 8.02(c) is hereby deleted and replaced with the following language: "Beginning with the first Renewal Term, the County shall deposit \$250,000 per Lease Year into the Capital Reserve Account as a means of supplementing the Capital Reserve Account balance. Out of each \$250,000 deposited into the Capital Reserve Account, and subject to the remaining terms of the Capital Reserve Account Agreement and this Facility Lease Agreement (a) there shall be no limit on the amount of such funds which may be used for any fixed capital expenditure or fixed capital outlay associated with the construction, reconstruction or improvement of the Facility which has a life expectancy of

five or more years, or any other construction, reconstruction or improvement of "infrastructure" as that term is defined in §212.055(2)(d)(1), Florida Statutes ("Qualifying Expenses"), and (b) no more than \$125,000 may be used for capital expenses or Repairs or Replacements (defined in accordance with section 8.02(b) of this Facility Lease Agreement, which shall include equipment used within the Facility for general maintenance, and shall not include motor vehicles licensed for use on the public roadways) which are not Qualifying Expenses. Verotown shall not be required to make any capital contribution to the Capital Reserve Account.

7. Liquidated Damages. All references in the Facility Lease Agreement to Liquidated Damages are hereby deleted. Without limitation, section 10.05 is hereby deleted; provided, however, that each party shall remain liable for actual damages caused by an event of Default, as set forth in section 10.

8. Right of Termination. New section 10.05 is hereby added, as follows: "Notwithstanding any other provision herein, Verotown shall have the right to terminate the Facility Lease Agreement for any reason upon 120 days written notice to the County. Verotown shall fully perform the terms and conditions of the Facility Lease Agreement during the 120 day notice period. A termination by Verotown pursuant to this section 10.05 shall not be an event of Default."

9. Motor Vehicle Liability Insurance. The following language is added to the end of existing section 14.05(a): In addition, Verotown shall maintain, at its sole cost, commercial automobile insurance in an amount no less than \$1 million combined single limits on (a) all motor vehicles owned by the County but operated by Verotown in connection with its use, management or operation of the Facility, and (b) all motor vehicles owned or leased by Verotown and used in connection with its use, management or operation of the Facility.

10. Property Insurance. Verotown's obligation to maintain special form (all risk) property insurance, as set forth in section 14.05(b) is hereby deleted, and replaced with the following respective obligations of the parties: (a) the County may elect, at its own cost, to maintain property and casualty insurance upon the Facility, in such amounts as the County deems appropriate. In the event of a casualty or force majeure event resulting in the total or partial destruction of the Facility and the payment of insurance proceeds to the County, the County shall decide in its sole discretion whether to use such proceeds for the repair or replacement of the portion of the Facility so destroyed; provided, however, that in the event that the County decides not to use the insurance proceeds or other funds to repair or replace the Facility, Verotown shall have the right to terminate this Facility Lease Agreement immediately (i.e., without the 120 day notice referenced in section 8 above) if it determines in good faith that the Facility is no longer suitable for the purposes and operations described in section 5.01. Nothing in this subsection shall be construed as requiring the County to insure any property or assets owned by Verotown which are located at or used in connection with the Facility. Verotown shall be solely responsible for insuring its own property or assets.

11. Verotown's Net Income. Verotown shall use all Net Income (defined below) derived from its use, management and operation of the Facility to pay for enhancements or improvements to the Facility that Verotown deems reasonable or necessary in its sole discretion

(collectively "Enhancements"); provided, however, that any Enhancement which significantly and materially alters the Facility or the Land shall require the consent of the County, which consent shall not be unreasonably withheld. For the purposes of this section, the term Net Income, shall mean Earnings before Interest, Taxes, Depreciation and Amortization (EBITDA), determined in accordance with Generally Accepted Accounting Principles, less cash distributions to its partners/members equal to 30% of taxable income as reported on IRS Form 1065, Schedule K. For clarification, the term "Earnings" in the prior sentence shall mean gross revenues minus costs of goods sold and general and administrative expenses paid by Verotown in connection with the use, management and operation of the Facility. Net Income shall be determined annually, using the fiscal or calendar year normally used by Verotown in its accounting practices. Any Net Income which has not been used for the purposes set forth in this section as of the expiration or termination of the Facility Lease Agreement shall be paid to the County. The term "books and records" in section 3.04 is hereby amended to include Verotown's profit and loss statement, and other financial records, necessary to verify Verotown's Net Income, and the reinvestment of such Net Income in Enhancements. The Enhancements shall become the asset or property of the County upon being permanently affixed to the Facility, or at the expiration or termination of this Facility Lease Agreement, whichever occurs first. Net losses in any given year within the Renewal Term shall be credited against Net Income in any following year(s).

12. Museum of Dodgertown Memorabilia. Verotown will use commercially reasonable efforts to operate, at a location within the Facility, a museum containing memorabilia of the Brooklyn or Los Angeles Dodgers. The museum shall be open to the public during reasonable hours of operation to be determined by Verotown.

13. Public Events. The County and Verotown recognize the value and importance of using the Facility in a manner which provides entertainment opportunities for the residents of Indian River County. Accordingly, Verotown will endeavor to use the facility in a manner which provides such opportunities from time to time, thereby enabling the residents of Indian River County to enjoy and benefit from events held at the Facility.

14. Good Standing - No Violation. The County and Verotown agree that, as of the date of this Third Amendment, the Facility Lease Agreement is in good standing and neither party is in breach or violation of the terms and conditions of the Facility Lease Agreement.

15. Notices. Section 13.01 is amended to delete the notice/address information relating to MiLB, and to replace such information with the following:

If to Verotown: Peter O'Malley
Verotown, LLC
515 S. Figueroa Street, Suite 1988
Los Angeles, CA 90071

Copy to: Craig Callan
Verotown, LLC
P.O. Box 2887
Vero Beach, FL 32961

Copy to: Kevin M. Barry, Esq.
Rossway Moore Swan, P.L.
2101 Indian River Blvd., Suite 200
Vero Beach, FL 32960

16. Conforming Terms. All remaining terms and conditions of the Facility Lease Agreement are hereby conformed to be consistent with the amendments set forth herein.

17. Remaining Terms. All remaining terms and conditions of the Facility Lease Agreement not amended or conformed herein shall remain in full force and effect.

18. Recordation. A copy of this Second Amendment shall be recorded on the Public Records of Indian River County, Florida.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed in their respective names as of the date set forth above.

FOURTH AMENDMENT TO FACILITY LEASE AGREEMENT

THIS FOURTH AMENDMENT is entered into as of this 21 day of January, 2014, by and between Indian River County, a political subdivision of the State of Florida ("County") and Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown").

WHEREAS, on or about May 1, 2009, the County and MiLB Vero Beach, LLC, a Florida limited liability company ("MiLB"), entered into the Facility Lease Agreement in which the County leased the Facility to MiLB, and granted to MiLB certain management rights with respect to the Facility, for a term of five years ending April 1, 2014 ("Original Lease"); and

WHEREAS, on or about June 1, 2011, the County and MiLB entered into the First Amendment to Facility Lease Agreement ("First Amendment"); and

WHEREAS, on or about January 1, 2012, the County, MiLB and Verotown, entered into the Second Amendment to Facility Lease Agreement, in which, among other things, the rights and obligations of MiLB under the Original Lease and the First Amendment were assigned to Verotown ("Second Amendment"); and

WHEREAS, on or about July 16, 2013, the County and Verotown ("the Parties") entered into the Third Amendment to Facility Lease Agreement, ("Third Amendment") in which, among other things, Verotown exercised its right to renew the lease for an additional five years, and the County agreed to pay for or reimburse Verotown for the actual costs of renovating 67 hotel rooms in an amount not to exceed \$600,000; and

WHEREAS, In compliance with the Third Amendment, the County publically bid the room renovations and the lowest, most responsive bidder's cost for the job (including County purchased items to save sale tax) was approximately \$634,000 or \$34,000 over the allotted amount; and

WHEREAS, the County has agreed to increase its payment from \$600,000 to \$634,000 to renovate the hotel homes in order to comply with the terms of the Third Amendment; and

WHEREAS, the Parties wish to amend Section 5 of the Third Amendment to state that the County is responsible for renovating 66 hotel rooms in an amount not to exceed \$634,000, and Verotown is amenable to this amendment; and

WHEREAS, the County and Verotown reaffirm their desire to preserve the rich traditions and history of "Dodgertown" and the Facility, and recognize that the benefits to the local community of continuing baseball, athletic, conference and other activities at the Facility are unique and diverse, and include, without limitation, increased economic activity and employment opportunities, increased tourist trade and promotional opportunities, increased

direct and indirect tax revenues, private sector payment of substantial maintenance and operation expenses which would otherwise burden local taxpayers, and other such benefits,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Hotel Room Renovations. In Section 5 of the Third Amendment the County agreed to provide up to \$600,000 for the renovation of the remaining 67 hotel rooms. After review and receipt of the public bids, it is agreed by the Parties that there are 66 remaining hotel rooms, and that it is not feasible to renovate the remaining rooms for \$600,000 or less. Therefore, Section 5 of the Third Amendment is hereby amended to state that the County shall pay for the actual costs of the renovations associated with 66 of the remaining hotel rooms in an amount not to exceed \$634,000. All of the other terms and conditions of Section 5 of the Third Amendment to Facility Lease Agreement remain in full force and effect.
3. Good Standing – No Violation. The County and Verotown agree that, as of the date of this Fourth Amendment, the Facility Lease Agreement is in good standing and neither party is in breach or violation of the terms and conditions of the Facility Lease Agreement.
4. Conforming Terms. All remaining terms and conditions of the Facility Lease Agreement are hereby conformed to be consistent with the amendments set forth herein.
5. Remaining Terms. All remaining terms and conditions of the Facility Lease Agreement not amended or conformed herein shall remain in full force and effect.
6. Recordation. A copy of this Fourth Amendment shall be recorded on the Public Records of Indian River County, Florida.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed in their respective names as of the date set forth above.

FIFTH AMENDMENT TO FACILITY LEASE AGREEMENT

THIS FIFTH AMENDMENT is entered into as of this 1st day of April, 2014, by and between Indian River County, a political subdivision of the State of Florida ("County") and Verotown, LLC, a Delaware limited liability company authorized to do business in the State of Florida ("Verotown").

WHEREAS, on or about May 1, 2009, the County and MiLB Vere Beach, LLC, a Florida limited liability company ("MiLB"), entered into the Facility Lease Agreement in which the County leased the Facility to MiLB, and granted to MiLB certain management rights with respect to the Facility, for a term of five years ending April 1, 2014 ("Original Lease"); and

WHEREAS, on or about June 1, 2011, the County and MiLB entered into the First Amendment to Facility Lease Agreement ("First Amendment"); and

WHEREAS, on or about January 1, 2012, the County, MiLB and Verotown, entered into the Second Amendment to Facility Lease Agreement, in which, among other things, the rights and obligations of MiLB under the Original Lease and the First Amendment were assigned to Verotown ("Second Amendment"); and

WHEREAS, on or about July 16, 2013, the County and Verotown ("the Parties") entered into the Third Amendment to Facility Lease Agreement, ("Third Amendment") in which, among other things, Verotown exercised its right to renew the lease for an additional five years, and the County agreed to pay for or reimburse Verotown for the actual costs of renovating 67 hotel rooms in an amount not to exceed \$600,000; and

WHEREAS, on or about March 10, 2014, the Parties entered into the Fourth Amendment to Facility Lease Agreement ("Fourth Amendment") in which, among other things, the Parties amended the number of hotel rooms that need to be renovated from 67 to 66 and the County agreed to increase its budget for the referenced renovations from \$600,000 to \$634,000; and

WHEREAS, the County wishes to amend Section 5 of the Fourth Amendment both to increase its budget for renovating the remaining 66 hotel rooms from \$634,000 to \$670,245.22, and to reserve the right to increase and/or decrease its budget by a total \$50,000 in the future for the referenced renovations using change orders approved by the Indian River Board of County Commissioners; and

WHEREAS, the County and Verotown reaffirm their desire to preserve the rich traditions and history of "Dodgertown" and the Facility, and recognize that the benefits to the local community of continuing baseball, athletic, conference and other activities at the Facility are unique and diverse, and include, without limitation, increased economic activity and employment opportunities, increased tourist trade and promotional opportunities, increased

direct and indirect tax revenues, private sector payment of substantial maintenance and operation expenses which would otherwise burden local taxpayers, and other such benefits,

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Hotel Room Renovations. In Section 5 of the Fourth Amendment, the County agreed to provide up to \$634,000 for renovating 66 of the remaining hotel rooms. Due to a number of unforeseen expenditures, the Parties agree that it is not feasible to conduct the referenced renovations for \$634,000 or less. Therefore, Section 5 of the Fourth Amendment is hereby amended to state that the County shall pay \$670,245.22 for all of the actual costs associated with renovating 66 of the remaining hotel rooms. Should another unforeseen expenditure arise in the future pertaining to the referenced hotel room renovations, the County reserves the right to increase and/or decrease its budget by a total of \$50,000 using change orders that have been approved by the Indian River Board of County Commissioners. All of the other terms and conditions of Section 5 of the Fourth Amendment to Facility Lease Agreement remain in full force and effect.
3. Good Standing -- No Violation. The County and Verotown agree that, as of the date of this Fifth Amendment, the Facility Lease Agreement is in good standing and neither party is in breach or violation of the terms and conditions of the Facility Lease Agreement.
4. Conforming Terms. All remaining terms and conditions of the Facility Lease Agreement are hereby conformed to be consistent with the amendments set forth herein.
5. Remaining Terms. All remaining terms and conditions of the Facility Lease Agreement not amended or conformed herein shall remain in full force and effect.
6. Recordation. A copy of this Fifth Amendment shall be recorded on the Public Records of Indian River County, Florida.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed in their respective names as of the date set forth above.

AMENDED AND RESTATED FACILITY LEASE AGREEMENT

This AMENDED AND RESTATED FACILITY LEASE AGREEMENT ("Agreement") is made as of the 2nd day of January, 2019 (the "Effective Date"), by and between Indian River County, Florida, a political subdivision of the State of Florida (hereinafter referred to as the "County"), and Verotown, LLC, a Delaware corporation, (hereinafter referred to as "Verotown").

RECITALS

A. WHEREAS, County and MILB Vero Beach, LLC, a Florida limited liability company (the "Initial Tenant") entered into that certain Facility Lease Agreement effectively dated May 1, 2009 whereby County leased that certain real property located in Vero Beach, Florida, and known generally as "Dodgertown" (the "Facility") and being more particularly described in Exhibit "A" attached hereto, as further amended by that certain First Amendment to Facility Lease Agreement by and between the County and the Initial Tenant effectively dated June 1, 2011, as further amended by that certain Second Amendment to Facility Lease Agreement by and between the County and Initial Tenant effectively dated January 1, 2012, as further amended by that certain Third Amendment to Facility Lease Agreement by and between County and Verotown effectively dated July 16, 2013, as further amended by that certain Fourth Amendment to Facility Lease Agreement by and between County and Verotown effectively dated January 21, 2014, and as further amended by that certain Fifth Amendment to Facility Lease Agreement by and between County and Verotown effectively dated April 1, 2014 (collectively referred to as the "Initial Lease"); and

B. WHEREAS, MLB (as hereinafter defined) enjoys a rich baseball related history, having been formed over a hundred years ago to advance professional baseball; and

C. WHEREAS, MLB has or prior to the Effective Date will purchase the membership interest in Verotown; and

D. WHEREAS, between 1949 and 2008, the Los Angeles Dodgers (formerly known as the Brooklyn Dodgers) conducted spring training operations and played their spring training home games at the Facility; and

E. WHEREAS, the County, MLB and the community in general desire to preserve the rich traditions and history of "Dodgertown" and the Facility and recognize that the benefits to the local community of continuing baseball, athletic and conference operations at the Facility are

unique and diverse, and include, but are not limited to, entertainment for the community, the creation of new jobs and increased employment opportunities, increased tourist trade and promotional opportunities, direct and indirect tax revenues, and the enhancement of the community's image; and

F. WHEREAS, because of the aforementioned benefits to the community, the County purchased the Facility in 2000, and has incurred the debt service designed to accommodate the baseball spring training and other associated Facility uses; and

G. WHEREAS, in recognition of the commitment made by the County and the community, Verotown desires to conduct baseball, athletic, conference and associated operations, including potentially spring training operations, at the Facility during the Term of this Agreement and to operate, maintain, and manage the Facility in accordance with the terms hereof; and

H. WHEREAS, Verotown and the County now desire to amend and restate the Initial Lease in its entirety, so that from and after the Effective Date, this Agreement shall serve as an amendment and restatement of all prior leases, letters, expressions of intent, agreements or understandings, whether oral or written, between the County Verotown and MLB, relating to any portion of the Facility, including, without limitation, the Initial Lease, and all such prior leases, expressions of intent, agreements or understandings, whether oral or written, are hereby null, void and of no further force and effect, and the terms and conditions of this Agreement shall supersede and replace the terms and conditions of all such prior leases, letters, expressions of intent, agreements or understandings, whether oral or written, with respect to the Facility.

COVENANTS

NOW, THEREFORE, in consideration of the foregoing Recitals (which are hereby incorporated into this Agreement) and the mutual promises and covenants set forth below, IT IS AGREED AS FOLLOWS:

ARTICLE I

DEFINITIONS / EXHIBITS

Section 1.01. Exhibits. True and correct copies of all of the exhibits referenced in this Agreement will be initialed by the parties and attached to this Agreement, and such exhibits will thereafter be incorporated into this Agreement by this reference.

Section 1.02. Definitions. The following terms will have the following meanings:

(a) "Agreement" means this Amended and Restated Facility Lease Agreement between Verotown and the County, and all of the attached exhibits.

(b) "Capital Improvements" means any fixed capital expenditure or capital outlay associated with the construction, reconstruction, or improvement of the Facility.

with a life expectancy of five (5) or more years, including by way of example and not limitation capital equipment, which will extend the useful life of the Facility whose cost is in excess of \$1,000 and is reasonably determined by Verotown as necessary for the construction, reconstruction, or improvement of the Facility.

(c) "Capital Reserve Account" means the capital improvement, maintenance, repair and replacement account as defined in Section 8.01, below.

(d) "Capital Reserve Account Agent" means the Clerk of the Circuit Court for Indian River County, Florida.

(e) "Cessation of Use" is defined in Section 10.04, below.

(f) "City" means the City of Vero Beach, Florida.

(g) "City Parking Property" means the real estate subject to the Parking License Agreement.

(h) "County" means Indian River County, Florida, a political subdivision of the State of Florida.

(i) "County Funds" means the funds to be deposited into the Capital Reserve Account by the County.

(j) "County Improvements" means the improvements constructed or to be constructed on the Existing Facilities during the term of this Agreement, as set forth in Section 8.04(a) and (b) hereof.

(k) "Dodgers" means the team owned by the Los Angeles Dodgers, LLC, a Delaware limited liability company and their predecessors, the former users of the Facility, as the context requires.

(l) "Effective Date" means the 2nd day of January 2019, the date upon which this Agreement becomes effective.

(m) "Existing Facilities" means the baseball facilities originally constructed for spring training activities located on the Land as they existed as of the Effective Date, including the spring training baseball stadium known as Holman Stadium (as hereinafter defined), the eighty-nine (89) unit hotel facility, the conference center with meeting and dining rooms, the clubhouse and weight room, indoor batting and pitching cages, baseball administration building, multi-purpose field, four (4) baseball practice fields, four (4) softball practice fields (*i.e.*, the "cloverleaf" fields) and one (1) half baseball practice field.

(n) "Facility" means, collectively, the Land, the Existing Facilities, and, as the context warrants, the County Improvements, the Verotown Improvements, and any

additional improvements constructed on the Land after the Effective Date of this Agreement.

(o) "Facility Parking Property" means those areas contained within the Land that have historically been used for parking in connection with activities and events held at the Facility and other accessible and open areas that are suitable for parking.

(p) "FF&E" means furniture, fixtures, and equipment located at or on the Facility on the Effective Date and initially described in Exhibit "C" hereto, as same may be replaced or substituted during the Term, which replacements and substitutions will be reflected on an updated Exhibit "C" (to be agreed upon by the parties), from time to time.

(q) "Holman Stadium" means the baseball stadium improvements known as Holman Stadium.

(r) "Initial Term" is defined in Section 2.01, below.

(s) "Land" means the real estate upon which the Facility is located, as described in Exhibit "A" attached hereto.

(t) "Lease Year" means a twelve (12) month period commencing on September 1 of any calendar year of the Term hereof and ending on August 31 of the following calendar year; provided, however, that the First Lease Year will commence as of the Effective Date and end on the first August 31st following the Effective Date.

(u) "Maintenance Standards" means the standards of maintenance, repair, and operations maintained by managers of comparable facilities in comparable markets in the State of Florida in accordance with reasonable practices then in use. The County hereby acknowledges and agrees that the manner in which the Existing Facilities were operated and managed by the Dodgers prior to the termination of their lease in 2008 and Minor League Baseball prior to the termination of their lease in 2011 was consistent with or exceeded the standards of maintenance, repair, and operations maintained by managers of comparable facilities in comparable markets in the State of Florida.

(v) "Major League Baseball" or "MLB" shall mean, depending on the context, any or all of (a) the Office of the Commissioner of Baseball (the "BOC"), each other MLB Entity and/or all boards and committees thereof, including, without limitation, the Executive Council, and/or (b) the Major League Clubs acting collectively.

(w) "Major League Baseball Club" or "Major League Club" shall mean any professional baseball club that is entitled to the benefits, and bound by the terms, of the Major League Constitution.

(x) "Major League Constitution" shall mean the Major League Constitution adopted by the Major League Clubs (which amended and superseded the Major League Agreement dated January 1, 1975, the Agreement in re Major Leagues Central Fund

dated as of December 8, 1983, as amended, and the respective constitutions of the former American and National Leagues of Professional Baseball Clubs) as the same may be amended, supplemented or otherwise modified from time to time in the manner provided therein and all replacement or successor agreements that may in the future be entered into by the Major League Clubs.

(y) "MLB Entity" shall mean each of the BOC, Major League Baseball Properties, Inc., The MLB Network, LLC, MLB Advanced Media, L.P., Tickets.com, LLC, Verotown and/or any of their respective present or future affiliates, assigns or successors and collectively referred to herein as the MLB Entities.

(z) "Parking License Agreement" means the agreement entered into as of June 1, 2011 and recorded in Official Records Book 2517, at Page 568 of the Public Records of Indian River County, by and between the County and the City, which, inter alia, governs use rights for the City Parking Property and is attached hereto as Exhibit "B."

(aa) "Price Index" shall mean the Consumer Price Index for all Urban Consumers (1982-1984=100) for the South Region for all items except food and energy, as published monthly by the U.S. Department of Commerce, Bureau of Labor Statistics.

(bb) "Price Index Change" shall mean the percentage change between the Price Index in effect as of November 1 of the then-current year as compared to the Price Index in effect as of November 1 of the prior year.

(cc) "Renewal Term" is defined in Section 2.02, below.

(dd) "Repairs or Replacements" means capital repairs or replacements made to the fixtures, structures and/or improvements at the Facility, including the County Improvements and Verotown Improvements upon their completion.

(ee) "Term" means the Initial Term and any Renewal Term.

(ff) "Verotown Events" means any and all events and activities held on the premises of the Land and Facility including, without limitation, sports and non-sports related events and activities, meetings and conferences, whether such events and activities are conducted by the County, Verotown, an MLB Entity or any third party using all or a portion of the Land and/or the Facility with the consent of Verotown.

(gg) "Verotown Improvements" means the improvements constructed or to be constructed on the Existing Facilities or Land during the term of this Agreement, or any extension thereof, as provided in Section 8.05 hereof.

ARTICLE II

TERM / OPTIONS TO RENEW / RENT.

Section 2.01. Initial Term. The "Initial Term" of this Agreement will commence on the Effective Date and will expire on August 31, 2029, unless this Agreement is terminated earlier by the parties pursuant to the provisions hereof.

Section 2.02. Renewal Term. For purposes of this Agreement, a "Renewal Term" means a term of five (5) years commencing upon the expiration of the Initial Term or the immediately preceding Renewal Term, if any.

Section 2.03. Option to Renew. Verotown has three (3) successive options to renew this Agreement for a Renewal Term. Verotown shall exercise its right and option for the three (3) successive options for a Renewal Term by serving written notice upon the County of its election to exercise said option at least twelve (12) months before the expiration of the then-current Term. If Verotown fails to provide such notice within the aforementioned time, then Verotown's right and option to renew will continue in full force until the County notifies Verotown in writing that the renewal notice has not been received and Verotown fails to exercise its renewal rights within sixty (60) days after receipt of the County's notice since, it being the intention of the parties that Verotown will not lose any renewal right through inadvertence. Each Renewal Term will be upon the same terms and conditions as the Initial Term.

Section 2.04. Rent. Verotown shall pay to the County the sum of One Dollar (\$1.00) per Lease Year as rent payable in advance. Receipt of such rent by the County is hereby acknowledged.

ARTICLE III

VEROTOWN'S USE OF THE FACILITY

Section 3.01. Lease and Grant of Management Rights with Respect to the Facility. The County hereby leases to Verotown, and Verotown hereby leases from the County, the Facility and the FF&E. Except as otherwise provided in this Agreement, Verotown has the exclusive right and obligation to use, manage, and operate the Facility at its sole discretion in accordance with the terms and purposes of this Agreement. Verotown covenants to use the Facility in accordance with Section 5.01 hereof. During the Term, the County shall not lease to or grant to any person other than Verotown, the right to use, manage, or operate the Facility, subject to the provisions of Section 6.04 below. The parties acknowledge and agree that, as of the Effective Date, the County is actively pursuing the acquisition of parcels adjacent to the Facility, including that certain parcel upon which Dodger Road is located (the "Parcel"). In the event the County acquires the Parcel, the County will grant Verotown and its employees, guests, invitees, contractors, agents and affiliates the right at all times during the Term and any Renewal Term to use Dodger Road. If the County fails to acquire the Parcel and Verotown is thereafter prevented from using and accessing Dodger Road, the County agrees to promptly pursue any and all action, at the County's sole cost and expense, necessary to establish access and use of Dodger Road.

prescriptive or otherwise, which rights shall run with the Land and inure to the benefit of the County and Verotown.

Section 3.02. Verotown's Rights and Obligations. Except as specifically provided in this Agreement, Verotown is exclusively responsible for managing, operating, and maintaining the Facility at its sole discretion and expense (subject to any eligible reimbursement as set forth in this Agreement) during the Term in accordance with the Maintenance Standards. Verotown shall not cause, permit, or suffer any waste or damage, disfigurement, or injury to the Facility or the fixtures or equipment thereon, with the exception of reasonable wear and tear, loss or damage by fire, natural catastrophe, or other casualty, or condemnation. The County shall not remove any FF&E from the Facility and Verotown has the right, during the Term, to use all FF&E in place prior to or after the Effective Date. In addition to the FF&E provided by the County, and to satisfy the Maintenance Standards, Verotown shall provide certain equipment to be kept at the Facility to assist with its efforts to maintain the Facilities (the "Verotown Equipment"). If required to comply with the Maintenance Standard, Verotown shall be responsible for the replacement of the FF&E and Verotown Equipment subject to normal wear and tear (subject to any eligible reimbursement as set forth in this Agreement) during the Term. During the Term, Verotown has, but is not limited to, the following rights, responsibilities, and obligations in connection with the Facility:

(a) At its sole discretion, control the scheduling and use of the Facility as a publicly operated, athletic, entertainment and conference facility for all baseball and non-baseball events, including potential MLB spring training events;

(b) Perform all maintenance of the Facility, including by providing all of the labor and materials required to keep the Facility clean and free of debris and by repairing, maintaining, and replacing all components of the Facility consistent with the Maintenance Standards;

(c) Except as otherwise provided in this Agreement, maintain the Facility, including, but not limited to, the parking lots at the Facility, the structural portions of the Facility, the foundation of the Facility, the exterior structural walls of the Facility, all electrical, plumbing, heating, ventilating, air conditioning, mechanical and utility systems for the Facility (beginning at the point where they are stubbed out to the Facility) or any portion thereof, including any portion located in the Facility, in good order, condition, and repair, in a clean, sanitary, and safe condition, and in accordance with all applicable laws and regulations;

(d) Except as otherwise provided in this Agreement, provide all security, crowd control, maintenance, cleaning, landscaping and other personnel or independent contractors required for the proper maintenance and operation of the Facility consistent with the Maintenance Standards;

(e) All of the costs associated with the obligations set forth in this Section 3.02 that exceed the annual contribution of the County as set forth in Section 8.01 of this Agreement shall be performed by Verotown at its sole cost and expense.

(f) Obtain and maintain the insurance further described in Section 14.05, which shall list the County as an additional insured for any policies relating to Verotown's use and operation of the Facility.

(g) Set rates and charges for the use of the Facility by third parties;

(h) Advertise and promote all baseball and non-baseball events conducted at the Facility, such advertising and promotion to mention or identify the County and/or the City to the extent practicable (Verotown understands the importance of promoting the County and the City and their image and desire and agree to assist in such regard);

(i) Select and employ all concessionaires, licensees and other contractors with respect to the Facility, including, but not limited to, its parking lots, concession areas, and advertising space; and

(j) Enter into lawful contracts in Verotown's name relating to any and all of the foregoing upon terms and conditions which are consistent with the Maintenance Standards and the terms of this Agreement.

Section 3.03. Event Control. Verotown has the right, at its sole discretion, to cancel or postpone any event to be held at the Facility.

Section 3.04. Books and Records. Verotown and the County acknowledge that certain information and data relating to this Agreement may be public records in accordance with Chapter 119, Florida Statutes. Verotown agrees that it will implement policies and procedures to maintain, produce, secure, retain, and transfer public records in accordance with applicable laws, and regulations, including Sec. 119.0701, Florida Statutes. Verotown agrees to provide the County with a copy of all requested public records or to allow any public records to be inspected or copied within a reasonable time. Verotown agrees to charge any third parties requesting public records only such fees allowed by Section 119.07, Florida Statutes, for locating and producing public records during the term of this Agreement. Upon the expiration of this Agreement, Verotown shall transfer, at no cost, to the County all public records in the possession of Verotown or keep and maintain any public records required by the County. If Verotown transfers all public records to the County upon the expiration of this Agreement, then Verotown shall destroy any public records that are exempt or confidential and exempt from public records disclosure requirements. If Verotown keeps and maintains public records upon the expiration of this Agreement, then it will meet all applicable requirements for maintaining any public records. All records stored electronically must be provided to the County upon request in a format that is compatible with the information technology systems of the County. Nothing in this Section 3.04 is intended to suggest that all records related to the Facility would be public records or that this Agreement is subject to Section 119.0701, Florida Statutes. Verotown and the County shall cooperate to ensure that any records that are confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Term of this Agreement.

IF VEROTOWN HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO VEROTOWN'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, VEROTOWN SHOULD CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS: SANDY WRIGHT, BY TELEPHONE 772-226-1424, EMAIL PUBLICRECORDS@IRCGOV.COM OR MAIL 1801 27th STREET, UPSTAIRS, BUILDING A, VERO BEACH, FLORIDA 32960.

ARTICLE IV

MAINTENANCE RESPONSIBILITIES

Section 4.01. Verotown's Rights and Obligations. During the Term, Verotown shall be responsible for the repair, operation, and maintenance of the Facility, and has, but is not limited to, the rights, responsibilities and obligations specified in Sections 4.02 through 4.05 below.

Section 4.02. Maintenance. From the Capital Reserve Account and, upon depletion of funds from that Account, from its own funds, Verotown shall construct and pay for any repairs, replacement and improvements for the Facility as are required:

- (a) To satisfy the Maintenance Standards;
- (b) To comply with all applicable laws, ordinances and regulations, including, but not limited to the requirements of the Americans with Disabilities Act of 1990 ("ADA") any amendments thereto, including Title II, Structural and Title III, Programmatic Accessibility Standards as well as any future additions; and
- (c) To meet the standards and regulations of Major League Baseball.

In connection with the foregoing, the County hereby represents to the best of its knowledge to Verotown that, as of the Effective Date, it is unaware of any violations of state or county laws, rules, or regulations, or any ADA violations at the Facility. The County and Verotown hereby recognize that major renovations to the Facility may require that any legally compliant or grandfathered uses be brought up to current code and regulatory requirements and the County agrees cooperate with Verotown's efforts in connection therewith.

Section 4.03. Operation. Verotown shall provide and pay for, solely from funds of Verotown or the Capital Reserve Account if appropriate, all costs and expenses required for the operation and maintenance of the Facility which are not, by the terms of this Agreement, specifically required to be provided and paid for by the County, including, but not limited to, all personnel (including supervisory staff), labor, equipment, utilities, and materials. All expenditures from the Capital Reserve Account will be in accordance with Article VIII hereof. Subject to any cost reimbursement provided in Section 6.04 below, costs for which Verotown is responsible will include, but not be limited to, taxes, gas, electricity, internet services, telephone,

water, sewer, storm water, solid waste, and other utilities related to operation of the Facility, and production of all events taking place at the Facility.

Section 4.04. Taxes. As stated above, Verotown shall pay all taxes and non-ad valorem or special assessments associated with the lease and operation of the Facility except the County shall be responsible for ad valorem real property taxes, if any, imposed on the Facility. As of the Effective Date, and other than what is set forth on Exhibit "F", the County is not aware of any other special assessments applicable to the Facility or the Land, including but not limited to obligations associated with special districts, neighborhood improvement districts, Municipal Service Taxing Unit/Benefit Unit (MSTU/BU) or community development districts.

Section 4.05. Liaison. Verotown shall name a person to be the liaison to work with the County with respect to coordinating the mutual responsibilities of Verotown and the County. Verotown hereby designates Chris Haydock as the liaison unless and until a new person is designed in writing by Verotown.

Section 4.06. Limitations. Verotown's rights and obligations under this Agreement are subject to the following additional limitations:

(a) No contract entered into pursuant to this Agreement may impair any right of the County hereunder.

(b) Verotown shall not, without the County's consent, enter into any contract extending beyond the expiration date of the Term, as the Term is defined when any such contract is executed by Verotown.

(c) Verotown shall take no action which may result in the attachment of a lien or cloud on the County's interest in or title to the Land, the Facility, the FF&E, or any other real or personal property purchased or paid for with funds provided by the County. If, as a result of Verotown's actions, a lien or cloud is attached to the County's interest or title to the Land, the Facility, the FF&E, or any other real or personal property purchased or paid for with funds provided by the County, Verotown shall immediately take all reasonable and necessary steps to remove such lien or cloud.

(d) Verotown shall not knowingly occupy or use the Facility for any purpose or in any manner that is unlawful.

(e) Within the policies and standards set by the County pursuant to this Agreement, Verotown shall function as an independent contractor in fulfilling the duties required by this Agreement. All staff required by Verotown to accomplish its obligations under this Agreement shall be employees and/or independent contractors of Verotown or an MLB Entity and not the County.

(f) Subject to the County's representations described in Sections 4.02 above, Verotown takes the Facility "as is", both as of the Effective Date and upon completion of

any County Improvements and Verotown Improvements in accordance with the terms hereof, with no other warranty from the County as to condition.

(g) Verotown shall repair, replace, provide and maintain, at its expense, all equipment necessary to perform its responsibilities hereunder; and such equipment will at all times be deemed to be included as a part of the FF&E and run with and be a part of the Facility; provided, however, upon the termination of this Agreement, any Verotown Equipment (exclusive of fixtures) which has been purchased and paid for by Verotown with funds other than the funds provided by the County, may be identified and removed by Verotown upon notice to the County.

(h) Except as may be provided in this Agreement, Verotown shall not undertake any Capital Improvements to the Facility without the permission of the County, which permission shall, when not otherwise governed by this Agreement, not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

(i) If the County reasonably believes that Verotown's failure to comply with any of its obligations under this Agreement involves a "life safety issue," as defined below, the County shall immediately notify Verotown in writing and shall have an immediate right to correct the life safety issue. The reasonable and necessary costs and expenses incurred by the County in correcting the life safety issue will be due and payable by Verotown to the County first through funds in the Capital Reserve Account, and, if the funds in the Capital Reserve Account are insufficient to cover such costs and expenses, second through written demand to Verotown, which shall be paid within thirty (30) days after submission of the written demand by the County to Verotown. If such amount is not paid when due, it will bear interest at the prime rate published by the *Wall Street Journal* from time to time from the date that Verotown received the County's statement until the date payment is made. For purposes of this Agreement, a "life safety issue" means a situation which imposes an immediate threat of bodily harm or death to any users or occupants of the Facility.

(j) Except as otherwise expressly authorized in this Agreement, Verotown shall not construct any additional buildings or structures on any portion of the Facility, or make any structural or exterior changes to the Facility, without the prior written approval of the County, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. Verotown shall not make major alterations or modifications to the Facility without the prior written approval of the County, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. All such permanent improvements, alterations, or additions placed on the Facility by Verotown will be conveyed by Verotown to the County by a quit-claim deed upon the completion of such improvements, alterations or additions.

(k) On or before the expiration date of this Agreement, or its earlier termination as provided herein, Verotown shall remove all of its personal goods and effects including any equipment (exclusive of fixtures and FF&E) which have been purchased or paid for by Verotown with funds other than funds provided by the County,

repair any damage caused by such removal, and surrender and deliver the Facility (together with any and all required and existing FF&E) in an "as is" condition. Any personal property or effects not removed within thirty (30) days after the expiration date of this Agreement or its earlier termination as provided herein will be deemed to have been abandoned by Verotown, and may be retained or disposed of by the County, in its sole discretion, in accordance with applicable law.

(l) Upon the expiration or earlier termination of this Agreement, Verotown shall return to the County the Facility and all the then existing FF&E, together with any other real or personal property purchased or paid for with funds provided by the County, free and clear of any contractual obligations or other legal encumbrances granted by Verotown, except for utility easements and other encumbrances necessary for the maintenance and operation of the Facility. If requested by the County following expiration or earlier termination of this Agreement, Verotown shall provide an unqualified quit claim deed or bill of sale for any real or personal property associated with this Agreement, including the then existing FF&E, or any other real or personal property purchased or paid for with funds provided by the County, any abandoned property, or the Facility.

(m) Neither the County nor Verotown will knowingly use the Facility for the manufacture or storage of flammable, explosive or Hazardous Materials (as defined below), except for Hazardous Materials typically found for use or sale in retail stores, including supermarkets and dry-cleaning stores, and/or typically found for use in comparable spring training facilities. For purposes of this Agreement, "Hazardous Materials" means any contaminant, chemical, waste, irritant petroleum product, waste product, radioactive material, flammable or corrosive substance, explosive, polychlorinated biphenyls, asbestos, hazardous toxic substance, material or waste of any kind, or any other substance that any environmental law regulates. "Hazardous Materials" includes, but is not limited to, substances defined as "hazardous substances", "hazardous materials", or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. Section 9601, et seq.; the Hazardous Materials Transportation Act, 39 U.S.C. Section 1801, et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq.; all applicable state and local laws; and in the regulations adopted and publications promulgated pursuant to said laws or any amendments or addenda thereto. The County will, at the County's sole cost and expense, be responsible for performing any removal, remediation, cleanup or restoration required as a result of (i) the existence of any Hazardous Materials on the Facility as of the Effective Date required to be removed, remediated, cleaned up or restored by order of any federal, state, or local agency, and (ii) the release of any Hazardous Materials existing on the Facility as of the Effective Date; provided that the County will not be responsible for performing any removal, remediation, cleanup or restoration for any Hazardous Materials existing on the Facility as of the Effective Date that are known or become known to Verotown and negligently or intentionally released by Verotown. As of the Effective Date, the County hereby represents that it has no knowledge of any Hazardous Materials existing on the Land or the Facility. Verotown will, at Verotown's sole cost and expense, be responsible for performing any removal,

remediation, cleanup or restoration required as a result of (i) any Hazardous Materials introduced by Verotown on the Facility after the Effective Date and during the Initial Term and any Renewal Term, and (ii) any Hazardous Materials existing on the Facility as of the Effective Date that are known or become known to Verotown and negligently or intentionally released by Verotown. In the event that any Hazardous Materials are discovered on the Facility after the Effective Date, the discovering party shall promptly provide written notification to the other party of the Hazardous Materials and their location.

(n) If Verotown pays the rent and complies with all other terms of this Agreement, Verotown may occupy and enjoy the premises of the Facility for the full Term and any renewals thereof, subject to the provisions of this Agreement.

ARTICLE V

OPERATIONAL COVENANT

Section 5.01. Verotown Activities. Except if Verotown is prevented from doing so by any of the events described in Article XV, below, Verotown shall, each Lease Year during the Initial Term and any Renewal Term, use the Facility for the promotion of baseball and related activities, including, but not limited to, baseball, athletic, and non-athletic conference operations, training of umpires, and promoting the playing of baseball internationally. Except for periods of time where events are not normally scheduled, periods of active maintenance or renovations to the Facility and any casualty or Force Majeure Event (as hereinafter defined), Verotown shall maintain, operate and hold the Facility open for business during ordinary and customary business hours throughout the Term in accordance with the terms and provisions of this Agreement.

Section 5.02. Rules and Regulations. Verotown shall comply with all applicable laws, ordinances, rules and regulations, including, but not limited to, the rules, regulations, directives, orders, bulletins, or agreements of the County.

Section 5.03. Spring Training and Other Major League Baseball Activities. Verotown acknowledges the community's desire to host, and agrees to promote the use of the Facility for, MLB spring training activities and game events. Verotown agrees to negotiate with any Major League Club expressing an interest in conducting spring training activities or game events at the Facility and will use its best efforts to enter into a user agreement on such terms and conditions as Verotown deems commercially reasonable or feasible; provided, however, that the failure to do so shall not be considered a Default by Verotown hereunder. Any such use by a Major League Club requires prompt review and approval by the County Administrator, which will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. In the event such approval is not timely forthcoming or otherwise withheld, Verotown may seek approval from the County Commission.

ARTICLE VI

COUNTY'S USE OF THE FACILITY; PARKING AGREEMENT

Section 6.01. Right of Entry. During the Term, the County has the right to enter into and upon any and all parts of the Facility for the purpose of examining the same with respect to the obligations of the parties under this Agreement upon two (2) days prior written notice to Verotown (or without prior notice in the event of a "life safety issue" as defined in Section 4.06(j), above, but with immediate notice thereafter).

Section 6.02. Advertising and Promotion. If, during the Term, Verotown has any unsold advertising display space (e.g., billboards, outfield signs, etc.) at the Facility, then, subject to Verotown's prior reasonable approval and subject to there being no conflict as to the content, design, frequency of display, and placement of any such advertisements or promotional materials, the County will be permitted to have advertisements or other promotional materials and information for the County and/or the City displayed at the Facility in such unsold advertising display space without charge or reimbursement. Nothing contained in this Agreement requires Verotown to remove or substitute any paid advertisement or promotional materials displayed at the Facility in favor of the County's and/or the City's advertisements or promotional materials, and all revenue-producing advertisers obtained by Verotown will have priority of use over such advertising display space. In addition, nothing contained in this Agreement requires Verotown to create new advertising display space or to increase the amount advertising display space, nor will Verotown be prohibited or restricted from decreasing the amount advertising display space at the Facility.

Section 6.03. Right to Use the Facility. In addition to all of the rights specifically granted to Verotown in this Agreement, Verotown has the right to use the Facility in any manner and/or for any lawful purpose that Verotown deems appropriate in the exercise of its sole and absolute discretion, subject to the terms of this Agreement.

Section 6.04. The County's Use of Holman Stadium and the Practice Fields. The County has the right to use Holman Stadium and/or the practice fields, for a total of twelve (12) days, which use shall include: up to two (2) days per Lease Year for education, entertainment and community enrichment purposes; nine (9) days per Lease Year for the community's annual "Harvest Festival"; and one (1) day per Lease Year for the Jackie Robinson Game, at no charge to the County (other than reimbursing Verotown for any operating expenses incurred by Verotown as a result of the County's use of Holman Stadium and/or the practice fields). The dates during which the County may use Holman Stadium and/or the practice fields will be selected by mutual agreement of the parties; provided that, if the parties cannot agree on the dates, Verotown's reasonable selection of dates will be final and controlling. Provided, however, Verotown will defer to the County and cooperate in scheduling and making the Facility available for the community's annual "Harvest Festival." The Harvest Festival will occur for four (4) days from Thursday to Sunday in the week prior to Thanksgiving each year with the remaining five (5) days set aside for the Harvest Festival to be provided before and after the event for set-up and take-down. The parties recognize that Verotown or any other MLB Entity may, at any time, also host an event celebrating Jackie Robinson and any such event would take priority over a County scheduled event, except for the Harvest Festival. The County may use Holman Stadium and/or the practice fields only for functions which do not directly compete with revenue-generating events and shall not create any conflicts with sponsorships which have been otherwise

arranged by Verotown or any other MLB Entity. Moreover, the County's use of Holman Stadium and/or the practice fields must not interfere in any way with Verotown's use and quiet enjoyment of the Facility. The County will not use or authorize the use of Holman Stadium and/or the practice fields in any manner which would have a material detrimental impact on Holman Stadium and/or the practice fields, and the County will be and remain solely responsible for any damage or destruction to Holman Stadium and/or the practice fields by the County or its assignee. The County, or its assignee, is entitled to retain the revenues from ticket sales for its events, and concessions sold during the events when Holman Stadium and/or the practice fields are utilized by the County; provided, however, that although Verotown covenants to cooperate with the County in such endeavors, Verotown will not be required to provide concession management services and/or any other related services during any County event. In all cases, Verotown will be reimbursed by the County for any operating costs and expenses incurred by Verotown as a result of the County's use of Holman Stadium and/or the practice fields, including, but not limited to, the cost of any parking attendants, ticket takers, security personnel, clean-up crews, pro-rata utility cost, and the like provided by Verotown. Prior to using Holman Stadium and/or the practice fields as provided herein, the County shall cause Verotown to be named as an additional insured on the County's general liability insurance policy and shall deliver to Verotown a certificate of insurance which verifies the existence of the policy and the fact that Verotown is named as an additional insured.

Section 6.05. Parking.

(a) The City Parking Property is owned by the City, subject to the terms and conditions of the Parking License Agreement, and the Facility Parking Property is owned by the County. Verotown has the right to use the City Parking Property for Verotown Events in accordance with the terms and conditions of the Parking License Agreement.

(b) Verotown and the County acknowledge that the right to use the City Parking Property for Verotown Events could be terminated by the City in accordance with the terms and conditions of the Parking License Agreement. In such event, Verotown and the County agree that the Facility Parking Property shall be available to Verotown at all times during the Initial Term and any Renewal Term be used for parking purposes relating to its use and operation of the Facility. For Verotown Events that take place in Holman Stadium where parking demands exceed capacity of the Facility Parking Property, upon thirty (30) days prior written notice, the County will provide two thousand (2,000) parking spaces for the designated Verotown Event at no additional cost to Verotown; provided, however that no athletic fields shall be used towards the additional parking spaces. The County acknowledges that for certain potential Verotown Events, it may not be practicable for Verotown to provide thirty (30) days prior written notice of the need for additional parking capacity. In such event, Verotown shall notify the County of its need for additional parking as soon as reasonably practicable and the County shall use its best efforts to accommodate Verotown's request, with the understanding that Verotown may not be able to host a Verotown Event at the Facility unless the County can provide adequate additional parking at an acceptable location to Verotown within the shorter time frame provided by Verotown. Unless the Facility is being utilized as an emergency staging area pursuant to section 6.06, the County acknowledges and agrees

that neither the County nor its guests or invitees shall be permitted to utilize the baseball and/or athletic fields at the Facility for parking purposes during the Initial Term or any Renewal Term.

(c) Upon expiration or termination of this Agreement, all rights of Verotown to use the City Parking Property or the Facility Parking Property for all purposes shall terminate.

Section 6.06. Emergency Staging Area. As a mutual benefit to the County and Verotown, during the Term, Verotown agrees to provide the Facility as a staging area for responsive emergency personnel and equipment, for natural disaster preparations, response, and potential shelter. Notwithstanding anything to the contrary, neither the County nor the public may use the Holman Stadium field. In the event the County uses the Facility as an emergency staging area, the County agrees to diligently employ its best efforts to completely remove all disaster/hurricane-related debris and materials from the Facility as soon as reasonably practical and not later than fourteen (14) days after any emergency or use for the purpose of this Section. Further, the County is responsible for all damage, clean-up, repairs and costs and expenses in connection with the use of the Facility, and the County shall promptly clean up, repair and restore the Facility, all at no cost or liability to Verotown. Notwithstanding anything in this Agreement to the contrary, the County is responsible for any liability arising out of or in connection with the County's or the public's use of the Facility pursuant to this Section 6.06, and the County agrees not to hold Verotown responsible, and thus Verotown will be held harmless, for such use of the Facility by the County or the public or its failure to timely remove all disaster/hurricane-related debris and material from the Facility after any emergency or use for the purposes of this Section. The County agrees to use its best efforts to seek "facilities hardening" funds and/or other funds available for natural disasters from the State and/or Federal government and to apply such funds for the sole and the exclusive use of the Facility. In the event the County receives Federal Emergency Management Agency ("FEMA") proceeds or other funds for damage to or destruction of the Facility, the County agrees to promptly apply such FEMA proceeds or other funds towards the cleanup, repair, restoration, construction or reconstruction of the Facility. To the extent that the County utilizes the Facility for sheltering, the County is responsible for any shelter requirements and all costs associated therewith.

ARTICLE VII

REVENUES

Section 7.01. Revenues. During the Term, Verotown shall control, collect, receive, and retain all revenues generated by any means at or in connection with the Facility, including, but not limited to, all revenues from ticket sales, food and beverage sales, merchandise sales, concessions and products sales, novelties, parking, telecast and broadcast rights, pouring rights, advertising, sponsorship, promotional and signage rights, permitted Facility naming, affiliation, and or sponsorship rights, and any other revenues derived or generated in connection with baseball and non-baseball events held at the Facility (exclusive of any County use events). Verotown may allocate the revenues generated by any means at or in connection with the

Facility in its sole discretion, so long as the Facility maintenance, Repairs or Replacements, and the Verotown Improvements are provided in accordance with this Agreement.

Section 7.02. Rebranding; Naming Rights. At all times during the Term, neither the County nor Verotown has the right to sell naming rights to Holman Stadium; and neither the County nor Verotown shall change the name of Holman Stadium. Verotown has the sole and absolute right, upon prior written notice to the County but without the prior review and consent of the County to designate the name of any other portion of the Facility provided such name change relates to MLB, an MLB Entity or baseball, including, without limitation, any such topic, entity or individual related thereto. Otherwise, Verotown shall not change the name of any other portion of the Facility without the prior review and consent of the County, which consent will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed. The County represents to Verotown that it does not hold or possess any rights to the use of the name "Dodgertown" or other intellectual property owned or licensed by MLB nor does the County have the authority to authorize such use.

ARTICLE VIII

CAPITAL IMPROVEMENTS, MAINTENANCE AND REPAIRS OR REPLACEMENTS

Section 8.01. Capital Reserve Account. During the Initial Term and any Renewal Term, the County shall establish, fund, and maintain a trust account with a depository (the "Capital Reserve Account") in which County Funds shall be deposited in accordance with the provisions set forth in Section 8.02 below. All funds in the Capital Reserve Account will be County Funds. All withdrawals from the Capital Reserve Account will require the co-signature of the County Administrator or his designee. The Capital Reserve Account will be used by or on behalf of Verotown in making Repairs or Replacements to the Facility, facility maintenance, and Verotown Improvements to the extent reimbursement is authorized pursuant to section 8.05 hereof. Verotown shall consult with the County with respect to any expenditure from the Capital Reserve Account and any such expenditure will be subject to the approval of the County, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed and will be granted in accordance with the provisions set forth in Section 8.03 below. Any amounts remaining in the Capital Reserve Account at the expiration of the then-current Term shall carry forward to the next Term. Any amounts remaining in the Capital Reserve Account after the application of any reimbursement as provided herein at the expiration or earlier termination of this Agreement will be paid to the County. Verotown is solely responsible for the cost of any Capital Improvements, Repairs or Replacements, or Facility maintenance which exceeds the funds available pursuant to the Capital Reserve Account and any applicable available insurance proceeds.

Section 8.02. Contributions to the Capital Reserve Account. On the Effective Date, or such later date as may be mutually agreed to by the parties, the County shall deposit into the Capital Reserve Account the sum of Eight Hundred Thousand and No/100 Dollars (\$800,000.00). In Lease Years two through five of the Initial Term, annually on or before September 1 the County shall deposit into the Capital Reserve Account a total annual contribution of Eight Hundred Thousand and No/100 Dollars (\$800,000.00). In Lease Year six

and continuing through the last year of the third Renewal Term (if such Renewal Terms are exercised), annually on or before September 1 the County shall deposit into the Capital Reserve Account a total annual contribution of Four Hundred Thousand and No/100 Dollars (\$400,000.00), as adjusted pursuant to paragraph (b) below. For the avoidance of doubt, there shall be a total of eleven (11) annual contributions to the Capital Reserve Account made by the County during the Initial Term.

(a) County Funds in the Capital Reserve Account will be available to fund Capital Improvements, Repairs or Replacements and Verotown Improvements to the extent reimbursement is authorized pursuant to Section 8.05 hereof, and up to Two Hundred Thousand and No/100 Dollars (\$200,000.00) in any Lease Year (subject to increase or adjustment in Lease Year seven and beyond as set forth in subsection (b)) may be used to fund Facility maintenance (the "Maintenance Allocation"). County Funds in the Capital Reserve Account may also be used to reimburse Verotown for capital or maintenance expenses (subject to the annual Maintenance Allocation limitation above) incurred by Verotown in excess of the County contributions in any prior year (e.g., expenses incurred by Verotown above Eight Hundred Thousand and No/100 Dollars (\$800,000.00) in Lease Year one may be applied to the Lease Year two contribution and beyond). Unused funds from one Lease Year shall carry over to successive Lease Years (e.g., if Verotown incurs expenses below Eight Hundred Thousand and No/100 Dollars (\$800,000.00) in Lease Year one, the remaining amount, and any portion thereof attributable to the Maintenance Allocation, shall be applied to any capital or maintenance expenses incurred in Lease Year two and beyond).

(b) Beginning in Lease Year seven and continuing through the last year of the Third Renewal Term, the County's annual contribution to the Capital Reserve Fund shall be annually adjusted by the Price Index Change, and fifty percent (50%) of such adjusted portion shall be allocated towards maintenance expenses. In the event the Price Index Change would cause a reduction in the County's annual contribution from the amount required in the prior Lease Year, the amount of the annual contribution made by the County will remain the same as the amount required in the prior Lease Year, but the monetary amount by which the annual contribution should have been reduced will, until eliminated, be credited against future increases in the County's annual contribution to the Capital Reserve Account required by the Price Index Change. For example, if in Lease Year seven the Price Index Change would result in a \$20,000 reduction to the County's annual contribution, the County will make the same \$400,000 contribution to the Capital Reserve Account as it made in Lease Year six; however, if in Lease Year eight, or any subsequent Lease Year, the Price Index Change would result in a \$40,000 increase, then the County will first apply the \$20,000 credit, resulting in a net increase of only \$20,000 in Lease Year eight.

Section 8.03. Disbursement of Capital Reserve Account Funds. County Funds on deposit in the Capital Reserve Account will be disbursed by the Capital Reserve Account Agent solely upon fulfillment of the following conditions:

(a) Subject to there not being an event set forth in paragraph (b) of this Section 8.03, upon submission of a valid Requisition Request in the form attached as Exhibit "D," the Capital Reserve Account Agent is authorized and directed to pay to the payee designated in such Requisition Request the amount designated for such payment from amounts on deposit in the Capital Reserve Account. Requisition Requests shall be paid in accordance with the Florida Prompt Payment Act. The County and Verotown shall coordinate in good faith to promptly true up any reimbursements described in Section 8.02(a) that may carry forward from one Lease Year to successive Lease Years.

(b) Upon notice from the County, to be promptly confirmed in writing, that a Default by Verotown has occurred under this Agreement past any applicable notice and cure period and the County has terminated this Agreement, or that this Agreement has otherwise terminated, moneys on deposit in the Capital Reserve Account shall be held by the Capital Reserve Account Agent for the exclusive benefit of the County and disbursed to the County in accordance with written instructions from the County Administrator or his/her designee.

(c) Upon notice from Verotown, to be promptly confirmed in writing, that a Default by the County has occurred under this Agreement past any applicable notice and cure period, that Verotown has terminated this Agreement, and that Verotown has pending, valid Requisition Requests, then moneys currently on deposit in the Capital Reserve Account shall be disbursed to Verotown up to the amount of the pending, valid Requisition Requests. In addition to the foregoing and subject to the limitations on reimbursements set forth in Section 8.05(b) of this Agreement, upon the submission of a valid Requisition Request for expenses incurred prior to termination, the County shall pay to Verotown in accordance with the schedule of County contributions to the Capital Reserve Account in Section 8.02, any additional sums required to reimburse Verotown for capital expenses or maintenance incurred by Verotown in excess of the County contributions for any prior Lease Year, in an amount not to exceed (i) Twelve Million Four Hundred Thousand Dollars (\$12,400,000) (as adjusted by Price Index Change for any portion attributable to payments for Lease Year seven and thereafter in accordance with Section 8.02(b)), less (ii) any contributions already made by the County pursuant to Section 8.02. In no event shall the County's total reimbursements to Verotown exceed the amounts set forth in Section 8.02 of this Agreement. Verotown shall use best efforts to cause its contractors to complete any projects where the contractors have been paid for work not yet completed as of the termination date, and the County shall permit Verotown and its contractors to access the Facility after such termination in connection therewith. Further, Verotown will reasonably pursue any remedies available to it under such construction contract at the County's sole cost and expense or assign the construction contract to the County if assignable.

(d) In the event that Verotown should terminate this Agreement for convenience pursuant to Section 10.05 or this Agreement should expire at the end of the Initial Term or any Renewal Term, then after payment of any pending, valid Requisition Requests (up to the amount of moneys that the County was required to fund and deposit in the Capital Reserve Account as of the date of such termination), all moneys on deposit

in the Capital Reserve Account shall be held by the Capital Reserve Account Agent for the exclusive benefit of the County and disbursed to the County in accordance with written instructions from the County Administrator or his/her designee.

(e) Upon the County's written request therefor, Verotown will provide a summary of Capital Improvements projected to occur at the Facility within the twelve (12) month period after such written request.

(f) The terms of this Section 8.03 shall survive the expiration or termination of this Agreement.

Section 8.04. County Improvements.

(a) The County, at its expense, will complete, to both parties' reasonable satisfaction, the following County Improvements within three (3) years from the Effective Date:

1. removal and replacement of the first base concession stand at Holman Stadium with a like facility;
2. removal and replacement of the third base concession stand at Holman Stadium with a like facility;
3. removal and replacement of the press box area of the main concession stand at Holman Stadium with a like facility;
4. to the extent jointly identified by the parties on or before August 31, 2019, any mold remediation needed in the Existing Facility; and
5. at the County's sole discretion, it may either remove and replace or demolish the TV platforms at Holman Stadium and, if demolished, upon thirty (30) days prior written notice from Verotown, the County shall provide up to two (2) camera lifts in locations to be determined by Verotown during the Initial Term and any Renewal Terms at the County's expense for use at Verotown Events at Holman Stadium for up to twenty-five (25) days each calendar year.

(b) The County hereby finds that it is in the best interest of the County and its citizens to waive the requirements for bids pursuant to the process defined by Indian River County ordinance and hereby contracts with Verotown, as the lessee pursuant to this Agreement, to oversee and manage the County Improvements consisting of the roofing repair or replacement projects on the following buildings within the Existing Facility (collectively, the "Buildings"), identified in Exhibit "A":

1. Vero Beach Dodger Office (Ticket Office, Locker Rooms, Gift Shop);

2. Executive Building;
3. Conference Center;
4. Alston, Koufax and Campanella Buildings;
5. Sleeping Rooms; and
6. Spring Training Building.

(c) The parties will jointly determine whether repairs or total replacements of the roofs identified in paragraph (b) above for a like roof are required to address safety and use concerns. If the County and Verotown disagree on the necessity of certain repairs or total replacement, a licensed roofing contractor (selected in accordance with below provision) recommendation regarding any such repairs or total replacement shall control and be binding upon the parties. The cost of any such licensed roofing contractor to provide a recommendation shall be split equally between the County and Verotown. Any licensed roofing contractor retained to provide this binding recommendation shall be ineligible to perform any of the roofing projects identified in paragraph (b) above. The County will be responsible for all costs associated with the roofing repairs or replacements listed in paragraph (b) above, including any cost overruns. The County shall have final approval of the licensed roofing contractor(s) procured by Verotown, the estimated costs and the scope for each project, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

(d) Verotown shall use commercially reasonable efforts to complete the roofing repairs or replacements within one (1) year of the Effective Date of this Agreement; provided, however that the failure to complete the work within such one (1) year period shall not be considered a Verotown Default hereunder. In the event Verotown does not complete the work within such one (1) year period, the County's sole remedy shall be to undertake the work on Verotown's behalf (but still at the County's sole cost and expense). Until the completion of the roofing repairs or replacements contained in Section 8.04(b), to the extent permitted by Florida law, the County agrees to indemnify, save, and hold Verotown harmless from any and all judgments, expenses, liabilities, claims, and charges for loss of or injury to property, personal injury, or death ("Losses") that are caused by failures of the roofs listed in paragraph (b) above; provided, however, that this liability is expressly limited by the following:

1. Verotown agrees that to the fullest extent permitted by Florida law County's total liability to Verotown for any and all Losses per event shall not exceed the limitations set forth in Section 768.28, Florida Statutes, as it may be amended. The County shall not be liable to Verotown for any portions of Losses that are directly caused by the gross negligence or willful misconduct of Verotown and any liability of the County shall be reduced proportionately to the extent of any contributory fault chargeable to Verotown.

2. The parties acknowledge that the County is a governmental entity and political subdivision of the State of Florida entitled to all privileges and immunities accorded to the state, including sovereign immunity, and in accordance with this acknowledgment, the parties hereby agree that the County does not waive its sovereign immunity and nothing in this lease shall expose the County to any liability in excess of the statutory limits provided in Section 768.28, Florida Statutes.
3. The County's obligation to cover personal property of Verotown within the facility only becomes effective once Verotown notifies the County of the contents and value of said personal property within the Facility for purposes of the County adding the contents to its schedule of insurance.
4. The County's obligation to indemnify, save, and hold Verotown harmless shall terminate for each Building listed in paragraph (b) above upon the final completion of the roofing repair or replacement for that Building.

(e) Until the date that is the earlier of (i) completion of the roofing repairs or replacements contained in Section 8.04(b) or (ii) eighteen (18) months after the Effective Date, the County agrees to reimburse Verotown up to One Hundred Thousand and No/100 Dollars (\$100,000.00) in documented business interruption losses that result from a roofing failure on a Building listed in Section 8.04(b) that prevents Verotown from fully utilizing the Building for its intended purpose. This provision shall not apply to any diminishment of use that may result during the construction of the identified roofing repairs or replacements or de minimis diminishments of use. The County shall not be liable to Verotown for any portions of business interruption losses that are caused by Verotown or third parties and any liability of the County shall be reduced proportionately to the extent of any contributory fault chargeable to Verotown or a third party. The parties acknowledge that the County is a governmental entity and political subdivision of the State of Florida entitled to all privileges and immunities accorded to the state, including sovereign immunity, and in accordance with this acknowledgment, the parties hereby agree that the County does not waive its sovereign immunity and nothing in this lease shall expose the County to any liability in excess of the statutory limits provided in Section 768.28, Florida Statutes, as amended.

(f) Other than as specifically set forth in this Agreement, Verotown shall be responsible for all other Capital Improvements, Repairs or Replacements, operations, and maintenance for the duration of the Initial Term and any Renewal Term subject to any reimbursement described in Section 8.02(a).

Section 8.05. Verotown Improvements.

(a) Verotown, at its expense but subject to reimbursement in accordance with paragraph (b) below, will complete, to both parties' reasonable satisfaction, the following Verotown Improvements at the Facility within three (3) years from the Effective Date:

1. A new indoor training facility, which will include:
 - indoor turf infield;
 - multiple batting cages/tunnels;
 - classrooms; and
 - office space.
2. Demolition (as needed) to make room for the new indoor training facility;
3. Initial WiFi upgrades to achieve modern standards;
4. Initial security upgrades to achieve modern standards, which will include:
 - modern security cameras; and
 - keycard entry to buildings.
5. Initial fire safety upgrades to achieve modern standards, which will include sprinklers in buildings;
6. Replace entire seating bowl at Holman Stadium;
7. Upgrade covered dugout areas at Holman Stadium;
8. New scoreboard at Holman Stadium;
9. Padded outfield fence at Holman Stadium;
10. NCAA-approved standard turf field;
11. Initial hotel room upgrades to each room, which will include:
 - carpet replacement (as needed); and
 - bed replacement (as needed).
12. Kitchen replacement (location to be determined by Verotown with notification to the County), which will include:
 - reconstructed/renovated dining and preparation areas; and
 - new kitchen equipment.
13. Initial signage installation throughout Facility, which will include:
 - marquee sign;
 - directional signage; and
 - general rebranding.

(b) Up to fifty percent (50%) of the costs of the Verotown Improvements identified in paragraph (a) above will be eligible for reimbursement to Verotown from the Capital Reserve Account. After the successful and timely completion of the Verotown Improvements identified in paragraph (a) above, future Capital Improvements, including any replacement of or supplement to the Verotown Improvements (e.g., carpeting may require further replacement) that are approved by the County in accordance with the terms and conditions set forth in this Agreement, will be eligible for full reimbursement from the Capital Reserve Account to the extent funds are available or will become available. The fifty percent (50%) reimbursement limitation shall not apply to projects not included as Verotown Improvements identified in paragraph (a) above or any replacements of or supplements thereto. Notwithstanding the foregoing, in the event Verotown terminates this Agreement due to the County's Default hereunder, (1) the Verotown Improvements identified in paragraph (a) will be eligible for reimbursement to Verotown by the County in accordance with Section 8.03(c) of this Agreement as follows (and at all time subject to the cap set forth in Section 8.03(c)): (i) one hundred percent (100%) of Verotown's actual costs set forth in a valid Requisition Request (if submitted within thirty (30) days after such termination for expenses incurred prior to the termination) if such termination occurs within the first Lease Year; (ii) ninety percent (90%) of Verotown's actual costs set forth in a valid Requisition Request (if submitted within thirty (30) days after such termination for expenses incurred prior to the termination) if such termination occurs during Lease Years two and three; (iii) eighty percent (80%) of Verotown's actual costs set forth in a valid Requisition Request (if submitted within thirty (30) days after such termination for expenses incurred prior to the termination) if such termination occurs during Lease Years four and five; and (iv) seventy percent (70%) of Verotown's actual costs set forth in a valid Requisition Request (if submitted within thirty (30) days after such termination for expenses incurred prior to the termination) if such termination occurs during Lease Year six or any Lease Year thereafter during the Initial Term or any Renewal Terms and (2) Verotown shall use best efforts to cause its contractors to complete any projects where the contractors have been paid for work not yet completed as of the termination date, and the County shall permit Verotown and its contractors to access the Facility after such termination in connection therewith. Further, Verotown will reasonably pursue any remedies available to it under such construction contract at the County's sole cost and expense or assign the construction contract to the County if assignable.

Section 8.06. Construction Requirements. Subject to the terms and conditions of this Agreement, Verotown, in performing the roofing repair and replacement projects set forth in Section 8.04(b) on behalf of the County, the Verotown Improvements set forth in Section 8.05(a), and any future Capital Improvements agreed to by the parties and the County in performing the County Improvements (but, as to the County limited to Section 8.06 (b), (i), (j), (o), and (p) below) (the "Projects"), shall:

(a) Exercise good faith commercially reasonable efforts to complete the Projects in a safe, good, and workmanlike manner within the times established in the Agreement and in the most expeditious and economical manner;

(b) Provide Project designs to the County for approval, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed and obtain all necessary permits, licenses, and other approvals for the prosecution of the Projects;

(c) Solicit bids from qualified contractors licensed in the State of Florida and submit the bids to the County for its review and approval, which approval will not be unreasonably withheld, unreasonably conditioned or unreasonably delayed;

(d) Engage in value engineering with the County if necessary to achieve project economies and efficiencies;

(e) Be responsible for the completion of all work necessary to complete the Projects, and, subject to reimbursement eligibility under this Article VIII, be fully responsible for the payment of all moneys due to any contractor or subcontractor performing the work in accordance with the Florida Prompt Payment Act;

(f) Comply with all applicable federal, state, and local rules and regulations in completing the Projects. Verotown acknowledges and agrees that this requirement includes compliance with all applicable federal, state, and local health and safety rules and regulations, including, but not limited to (i) the Occupational Safety and Health Act, 29 CFR 1910 and 1926, respectively, General Industry Standards and Construction Industry Standards, including regulations regarding Trenching and Shoring; (ii) the Florida Workers' Compensation Law, Chapter 440, Florida Statutes; (iii) Rules 38F and 38I, Florida Administrative Code; and (iv) Florida Department of Transportation Manual of Traffic Control and Safe Practices;

(g) Provide the County public performance and payment bonds in the amount of one hundred percent (100%) of the estimated construction cost of each Project, which bond(s) shall meet the requirements of Section 255.05, Florida Statutes. Such bond(s) shall be written by a surety licensed to do business in the State of Florida and otherwise acceptable to the County; provided, however, that the surety shall be rated as "A-1" or better as to general policy holders rating as reported in the most current Best Key Rating Guide, published by A.M. Best Company, Inc. Such bond(s) shall be recorded in the Public Records of Indian River County, Florida, by Verotown prior to the commencement of any such work on any Project;

(h) Require that all contractors or subcontractors for the Projects maintain commercially reasonable insurance and cause the County, the MLB Entities and Verotown to be named as additional insureds on all required policies, except worker's compensation;

(i) Require all contractors and subcontractors to indemnify and hold harmless the County, MLB Entities and Verotown and its officers, and agents, directors, and employees;

(j) Require an agreement with all contractors and subcontractors representing that the County and Verotown are third-party beneficiaries of the contract, entitled to enforce any rights thereunder for their respective benefits, and that, subject to the terms of the applicable contract, the County and Verotown shall have the same rights and remedies vis-a-vis such contractors and subcontractors that the other party has including, without limitation, the right to be compensated for any loss, expense or damage of any nature whatsoever incurred by the County (or Verotown, as applicable), resulting from any breach of such contract, any breach of representations and warranties, if any, implied or expressed, arising out of such agreements and any error, omission or negligence of such contractor or subcontractor in the performance of any of its obligations under such contract;

(k) Obtain prior County approval, not to be unreasonably withheld, unreasonably conditioned, or unreasonably delayed for any change orders on the Projects that would amend the scope or quality of the Project, the time for completion of the work; or the amount of compensation due for the work;

(l) Plan, organize, supervise, monitor, direct, and control the work on the Projects to ensure that it is done competently and efficiently and in accordance with the design and budget and protect the work from loss due to weather, theft, or other cause. Neither the County nor County Funds shall be used to pay any Project costs to the extent that they directly arise from the negligence or willful misconduct of Verotown after the Effective Date;

(m) Employ adequate safety precautions to prevent damage, injury or loss to personnel, the work, the Projects, the Facility and other property at the Facility or adjacent thereto;

(n) Provide the County with copies of all Project files, reports, warranties, design documents and as-builts and assign all warranties to the County, which shall include a minimum one-year warranty that the Projects and any materials and equipment furnished thereunder shall be of good quality, free of all defects and in conformance with the approved design;

(o) Allow the other party reasonable access to the Projects for observation, inspection, and testing; and

(p) Manage the appropriately licensed contractors to ensure that any work not conforming to the Project designs and requirements is corrected or removed and replaced.

ARTICLE IX

DOCUMENTS AND CERTIFICATES

Section 9.01. Documents and Certificates. Subject to the provisions of Section 3.04, each party shall supply to the other such documents and certificates as are reasonably available or procurable, and necessary for any purpose reasonably related to the obligations of the parties, including, but not limited to, the County's funding or administration of this Agreement and ownership of the Facility, or to consummate the transactions or objectives described in this Agreement.

ARTICLE X

DEFAULT / REMEDIES

Section 10.01. Verotown's Default. The occurrence of any one or more of the following material events in this Section 10.01 shall constitute a "Default" by Verotown under this Agreement:

(a) Failure by Verotown to observe or perform in any material respect any covenant, agreement, condition, or provision of this Agreement, if such failure continues for thirty (30) days after written notice thereof has been delivered by the County to Verotown; provided, however, that Verotown will not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, Verotown commences such cure and diligently proceeds to complete the same thereafter. However, in no event shall a cure period for a Default continue for more than three hundred sixty-five (365) days;

(b) The levy upon, under execution or the attachment by legal process, Verotown's interest hereunder, or the filing or creation of a lien in respect of such interest, which levy, attachment, or lien is not released, discharged or bonded against within one hundred eighty (180) days from the date of such filing;

(c) Verotown is finally adjudicated insolvent or bankrupt or admit in writing their inability to pay its debts as they mature, or make an assignment for the benefit of creditors, or apply for or consent to the appointment of a trustee or receiver for Verotown or for the major part of its property;

(d) A trustee or receiver is appointed for Verotown or for the major part of their property and such trustee or receiver is not discharged within one hundred eighty (180) days after such appointment; or,

(e) Bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or any other proceedings for relief under any bankruptcy law, or similar law for the relief of debtors, are instituted by or against Verotown, and, if instituted against

Verotown, are allowed against Verotown or are consented to by Verotown or are not dismissed within 180 days after such institution, to the extent permitted by law.

Section 10.02. County Default. In the event of any failure by the County to observe or perform any material covenant, agreement, condition, or provision of this Agreement wherein Verotown's remedies on account thereof are not otherwise specifically provided for in this Agreement or any of the County's representations in this Agreement are untrue as of the Effective Date, and if such failure shall continue for thirty (30) days after written notice thereof has been delivered by Verotown to the County, then the County will be deemed to be in Default hereunder; provided, however, that the County will not be in Default with respect to matters which cannot reasonably be cured within thirty (30) days so long as within such thirty (30) day period, the County commences such cure and diligently proceeds to complete the same thereafter. However, in no event shall a cure period for a Default continue for more than three hundred sixty-five (365) days.

Section 10.03. Remedies. In the event of a Default by either party (other than a Cessation of Use by Verotown), the party not in Default will be entitled, as a non-exclusive remedy, and in addition to or in lieu of an action for damages, to seek an injunction or decree for specific performance or equitable relief from a court of competent jurisdiction to enjoin or remedy the Default. If a Default occurs, the non-defaulting party will have the rights and remedies set forth in this Agreement, which will be distinct, separate, and, to the extent not mutually exclusive, cumulative, and will not operate to exclude or deprive the non-defaulting party of any other right or remedy allowed it by law or equity.

Section 10.04. Cessation of Use by Verotown. If, at any time during the Initial Term (and any Renewal Term); Verotown ceases to permanently operate the Facility as described in Section 5.01 hereof, such event will constitute a "Cessation of Use" of the Facility by Verotown. Notwithstanding anything to the contrary contained in this Agreement, a Cessation of Use of the Facility by Verotown will entitle the County to terminate this Agreement by giving Verotown ten (10) days' written notice of termination. Verotown will have ten (10) days after receipt of the aforementioned notice of termination to renounce the Cessation of Use by confirming to the County its intention to continue to use the Facility during the Term in the manner described in Section 5.01 hereof and in fact demonstrating that it is reasonably complying with its operational covenant. A termination pursuant to the provisions of this Section 10.04 will become effective upon the expiration of Verotown's ten (10) day cure period, or its repeated failure to demonstrate that it is reasonably complying with its operational covenant as provided by this Section after notice by the County.

Section 10.05. Termination. Notwithstanding any other provisions contained in this Agreement, Verotown has the right to terminate this Agreement for its convenience upon three hundred sixty-five (365) days' written notice to the County. Verotown shall fully perform the terms and obligations of this Agreement during such three hundred sixty-five (365) day notice period. A termination pursuant to this Section 10.05 shall not be an event of Default.

ARTICLE XI

ENFORCEABILITY

Section 11.01. Binding Effect; Enforceability. The terms and provisions set forth in this Agreement shall be binding and enforceable by and against the parties in accordance with the terms hereof.

ARTICLE XII

ASSIGNMENT / SUBLEASE

Section 12.01. Assignment. This Agreement may not be assigned by either party without the prior written consent of the other party, except that this Agreement may be assigned by Verotown to any person or entity who acquires franchise rights to a Major League Baseball Club (by any form of acquisition) or any other MLB Entity, with the approval of MLB, provided that any such assignee explicitly assumes in writing Verotown's duties and responsibilities under this Agreement (in which case the liability of Verotown will cease with respect to liabilities accruing from and after such transfer).

Section 12.02. Sublease.

(a) Verotown may sublease, at any time during the Term, any portion of the Facility involving ancillary uses, for ongoing retail, commercial and/or professional purposes as long as such activity meets all local zoning codes and remains an activity permitted by Section 5.01 hereof. All revenues derived from subletting any of the foregoing will be retained solely by Verotown. Any such sublease will remain subordinate to this Lease.

(b) Verotown will not sublease the Facility or any portion thereof without the prior written approval of the County, which approval shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed, and no such sublease will be for a term which extends beyond the underlying lease term without the express prior written consent of the County.

ARTICLE XIII

MISCELLANEOUS

Section 13.01. Notices. Any notice required by or permitted under this Agreement shall be in writing and shall be deemed delivered when delivered by hand or by overnight delivery service, addressed as follows (or to such other address as a party shall inform the other party):

If to the County: Indian River County
1801 27th Street

Vero Beach, Florida 32960-3388
Attention: County Administrator
Phone: (772) 226-1408
Fax: (772) 978-1822

Copy to: Nabors, Giblin & Nickerson, P A
1500 Mahan Drive, Suite 200
Tallahassee, Florida 32308
Attention: Heather J. Encinosa, Esq.
Phone: (850) 224-4070
Fax: (850) 224-4073

If to Verotown: Verotown, LLC
c/o Major League Baseball
245 Park Avenue
New York, New York 10167
Attention: General Counsel

Copy to: BakerHostetler, LLP
200 S. Orange Avenue, Suite 2300
Orlando, Florida 32801
Attention: Gregory D. Lee
Phone: (407) 649-4096
Fax: (407) 841-0168.

Section 13.02. Amendment. This Agreement may be amended only in writing executed by both parties.

Section 13.03. Entire Agreement. This Agreement, including its exhibits, constitutes the entire agreement between the parties and supersedes all prior or contemporaneous agreements (whether oral or written) between them.

Section 13.04. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Florida.

Section 13.05. Counterparts. This Agreement may be executed in two or more counterparts which have been signed and delivered by each of the parties (a party may execute a copy of this Agreement and deliver it by electronic transmittal; provided, however, that any such party shall promptly deliver an original signed copy of the Agreement).

Section 13.06. Jurisdiction and Venue. The exclusive, convenient, and proper venue for any legal proceeding arising out of, or related to, this Agreement will be any court in the State of Florida having jurisdiction over such matter. Moreover, all parties to this Agreement, persons and entities alike, consent to the personal jurisdiction of any court in the State of Florida having jurisdiction over such matter, and irrevocably waive any objections to said jurisdiction.

Section 13.07. Effective Date. This Agreement shall be effective on the Effective Date.

Section 13.08. Time of Essence. Time is of the essence in the performance of this Agreement.

Section 13.09. Damage to Property. Unless Verotown has actual knowledge of the presence of property owned or leased or otherwise in the possession, control, or custody of the County that is wrongly or incorrectly on the Facility (the "County Property"), Verotown will not have any liability for loss or damage to such County Property unless such damage is caused solely or partially by Verotown's gross negligence or willful misconduct, in which case Verotown shall be liable for only the portion so caused.

Section 13.10. Consequential Damages. Except as provided in Section 8.04(e) of this Agreement, neither party nor any of its contractors, subcontractors, suppliers, or vendors shall be liable to the other for any punitive, special, incidental, indirect, consequential or other similar damages that do not flow directly and immediately from the wrongful act or negligence of the party at fault, whether caused by said party's negligence, errors, omissions, strict liability, breach of contract, breach of warranty or other cause or causes whatsoever, including but not limited to, additional labor, energy, financing or interest costs, loss of use or delay, loss of profits or revenue, fines or penalties assessed for failure to comply with any law or regulation, and damages suffered by third parties, but not including attorney's fees as provided in Article XIV of this Agreement. To the extent permitted by law, each party hereby releases the other party and the other party's subcontractors, suppliers and vendors therefrom.

Section 13.11. Headings. The headings used herein are for convenience of reference only and will not constitute a part hereof or affect the construction or interpretation hereof.

Section 13.12. Severability. If any clause, provision, or section hereof is held illegal, invalid, or unenforceable by any court, the illegality, invalidity, or unenforceability of such clause, provision or section will not affect any of the remaining clauses, provisions, or sections hereof, and this Agreement will be construed and enforced as if such illegal, invalid, or unenforceable clause, provision or section had not been contained herein.

Section 13.13. Waiver. No failure on the part of any party to exercise, and no delay in exercising, and no course of dealing with respect to any right hereunder, will operate as a waiver thereof, nor will any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right or remedy provided at law or in equity, except as expressly set forth in this Agreement.

Section 13.14. Terminology. All personal pronouns used herein, whether used in the masculine, feminine, or neuter gender, will include the singular.

Section 13.15. Third Party Beneficiary. No person other than Verotown, the County, the Indemnified County Parties, the Indemnified Verotown Parties, and the permitted successors and assigns of such, have any rights whatsoever under this Agreement.

Section 13.16. Radon Notice. Chapter 88-285, Laws of Florida, requires the following notice to be provided with respect to the contract for sale and purchase of any building, or a rental agreement for any building, and the parties hereto acknowledge and confirm receipt of the following:

"RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department."

Section 13.17. Estoppel Certificates. At any time, within twenty (20) days after request by either party, the other party shall certify in writing to the requesting party, or any person specified by the requesting party, to the effect (a) whether this Agreement is unmodified and in full force and effect (or if there has been modification, that the same is in full force and effect as modified and setting forth such modification); (b) whether or not to the best of the other party's knowledge, the requesting party is in Default hereunder; and (c) any other information which the requesting party reasonably requests to be confirmed. Any such request shall utilize a form of estoppel certificate substantially similar to the one attached hereto as Exhibit "E" to this Agreement.

ARTICLE XIV

INDEMNIFICATION AND INSURANCE

Section 14.01. Indemnification by Verotown. To the fullest extent permitted by law, Verotown shall indemnify, protect, and hold the County and its officers, agents, and employees acting on behalf of the County, and its respective successors and assigns (collectively, the "Indemnified County Parties") harmless from and defend the Indemnified County Parties against any and all "liabilities" (as hereinafter defined) for any "bodily injury" (as hereinafter defined) or "property damage" (as hereinafter defined) whatsoever arising out of or resulting from any Default by Verotown and/or occurring in, on, or about the Facility to the extent such injury or damage is caused by the negligent or intentionally wrongful actions or omissions of Verotown, or Verotown's agents, contractors or employees, but not any claim relating to negligent or intentionally wrongful actions or omissions of the contractors or subcontractors engaged to perform the roofing repairs or replacements provided in Section 8.04(b). In the case of any action or proceeding being brought against the Indemnified County Parties by reason of any such claim, the County shall have the right, at County's election, to either: (i) cause Verotown to defend such claim at Verotown's sole cost and expense with counsel reasonably satisfactory to the County or (ii) defend the same at Verotown's sole but reasonable cost and expense by counsel satisfactory to the County. In any claim under this Section 14.01, Verotown shall be obligated to cooperate with the County and the County's counsel.

Verotown shall not be liable to the County for any portions of losses that are caused by the negligent or willful misconduct of the Indemnified County Parties or third parties and any

liability of Verotown shall be reduced proportionately to the extent of any contributory fault chargeable to the County or a third party. Verotown shall not have the right to admit fault on behalf of the Indemnified County Parties in connection with any such contributory claim without the County's consent, which shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

Section 14.02. Indemnification by the County. To the fullest extent permitted by law without waiving any sovereign immunity, the County shall indemnify, protect, and hold Verotown, and all other MLB Entities and their owners, and their officers, directors, members, agents, and employees acting on behalf of Verotown, and each of their respective successors and assigns (collectively, the "Indemnified Verotown Parties") harmless from and defend the Indemnified Verotown Parties against any and all "liabilities" (as hereinafter defined) for any "bodily injury" (as hereinafter defined) or "property damage" (as hereinafter defined), whatsoever arising out of or resulting from any Default by the County and/or occurring in, on, or about the Facility to the extent such injury or damage is caused by the negligent or intentionally wrongful actions or omissions of the County, or the County's agents, contractors or employees. In the case of any action or proceeding being brought against the Indemnified Verotown Parties by reason of any such claim, Verotown shall have the right, at Verotown's election, to either: (i) cause the County to defend such claim at the County's sole cost and expense with counsel reasonably satisfactory to Verotown or (ii) defend the same at the County's sole but reasonable cost and expense by counsel satisfactory to Verotown; provided, however, the County shall only be required to reimburse Major League Baseball Clubs for attorneys' fees attributable to no more than two (2) law firms or other legal counsel and the County shall only be required to reimburse the BOC, Major League Baseball Properties, Inc., The MLB Network, LLC, MLB Advanced Media, L.P. and/or Tickets.com, LLC for attorney's fees for a single, joint defense. In any claim under this Section 14.02, the County shall be obligated to cooperate with Verotown and Verotown's counsel.

The County shall not be liable to Verotown for any portions of losses that are caused by the negligent or willful misconduct of the Indemnified Verotown Parties or third parties and any liability of the County shall be reduced proportionately to the extent of any contributory fault chargeable to Verotown or a third party. The parties acknowledge that the County is a governmental entity and political subdivision of the State of Florida entitled to all privileges and immunities accorded to the state, including sovereign immunity, and in accordance with this acknowledgment, the parties hereby agree that the County does not waive its sovereign immunity and nothing in this Agreement shall expose the County to any liability in excess of the statutory limits provided in Section 768.28, Florida Statutes, as it may be amended. The County shall not have the right to admit fault on behalf of the Indemnified Verotown Parties in connection with any such contributory claim without Verotown's consent, which shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed.

Section 14.03. Definitions. As used in this Agreement, "liabilities" means all liabilities, claims, damages (excluding consequential damages), losses, penalties, litigation, demands, causes of action (whether in tort or contract, in law or equity or otherwise), suits, proceedings, judgments, disbursements, charges, assessments, and expenses (including reasonable attorneys' and experts' fees and expenses incurred in investigating, defending, or prosecuting any litigation,

claim or proceeding whether out of court, at trial or in any appellate or administrative proceeding). "Bodily injury" means bodily injury, sickness or disease sustained by a person, including death resulting from any of the foregoing. "Property damage" means physical injury to tangible property, including all resulting loss of use of that property, or loss of use of tangible property that is not physically injured.

Section 14.04. Independent Provisions. The provisions of Sections 14.01 through 14.03 are independent of, and will not be limited by, any insurance obligations in this Agreement, and will survive the expiration or earlier termination of this Agreement with respect to any claims or liability arising in connection with any event occurring prior to such expiration or termination.

Section 14.05. Insurance. Commencing upon the Effective Date and throughout the Initial Term and any Renewal Terms, the parties shall maintain, at their sole cost, the following insurance:

(a) A commercial general liability insurance policy in an occurrence form covering bodily injury and property damage liability, as well as personal and advertising injury liability, in a minimum amount of Two Million and No/100 Dollars (\$2,000,000.00) per occurrence and Four Million and No/100 Dollars (\$4,000,000.00) in the aggregate. The commercial general liability insurance policy in an occurrence form shall also include contractual liability coverage including a Broad Form Endorsement covering the insurance provisions of this Agreement and the performance by each party of their indemnification provisions set forth in this Agreement.

(b) Special form (all risk) property insurance covering (1) with respect only to Verotown, the Facility, including, but not limited to, any additional improvements undertaken by Verotown, and all of Verotown's personal property located at the Facility in an amount not less than one hundred (100%) percent of their actual replacement costs from time to time existing during the Term of this Agreement, providing protection against any peril included within the classification "all risks" of physical loss or damage, together with insurance against sprinkler damage, vandalism, malicious mischief, and water damage of any type and theft; and (2) with respect only to the County: all of the County's personal property located at the Facility. It is understood and agreed that the County is responsible for any deductibles under both its and Verotown's property insurance. The deductible shall not exceed \$100,000, except that the Named Storm deductible and Flood deductible shall not exceed five percent (5%) of the total insurable value.

(c) Automobile Liability Insurance, covering owned, non-owned, leased or hired automobiles, with a minimum combined single limit of One Million and No/100 Dollars (\$1,000,000.00) each accident.

(d) Workers' Compensation insurance in accordance with Florida statutory requirements with employer's liability limits of Five Hundred Thousand Dollars (\$500,000.00) for each accident, Five Hundred Thousand Dollars (\$500,000.00) for each

disease in the aggregate, and Five Hundred Thousand Dollars (\$500,000.00) per disease for each employee.

(e) All of the insurance policies required under Sections 14.05(a) through 14.05(d), inclusive, shall be affected from insurance companies recognized by and authorized to do business in the State of Florida. Each party shall be required to provide the other party with at least thirty (30) days' written notice of any cancellation or material coverage change. Each party shall be provided with a duly executed Certificate of Insurance for each such policy evidencing compliance with all insurance provisions noted above prior to the Effective Date and annually prior to the expiration of each required insurance policy. The policies required under Sections 14.05(a) through 14.05(d), inclusive, shall specifically provide by endorsement that the other party is an additional insured on a primary and noncontributory basis in connection with the operations of the named insured. It is understood and agreed that such endorsement may be a blanket additional insured endorsement as required by written contract. Such insurance shall also incorporate a severability of interest or separation of insureds provision. With respect to the policies required under Sections 14.05(a), 14.05(c) and 14.05(d), Verotown and the County hereby agree to a mutual waiver of rights of subrogation any insurer of Verotown or the County may acquire from Verotown or the County by virtue of payment of any loss with respect to the Facility. Both parties agree to obtain any endorsement that may be necessary to effect this waiver of subrogation.

(f) If either party fails to furnish the Certificate(s) of Insurance as required above, the other party may, after notice and an opportunity to cure as set forth in this Agreement, obtain the insurance, and the reasonable premiums on that insurance shall be paid to that party on demand.

(g) Any insurance required under this Agreement may be furnished under a blanket policy so long as and provided such policy complies with all other terms and conditions contained in this Agreement.

ARTICLE XV

FORCE MAJEURE; CONDEMNATION

Section 15.01. Force Majeure Event. Should any fire or other casualty, act of God, earthquake, flood, hurricane, lightning, tornado, epidemic, landslide, war, riot, civil commotion, general unavailability of materials, strike, slowdown, labor dispute, governmental laws or regulations, or other occurrence beyond Verotown's or County's control ("Force Majeure Event") prevent performance of this Agreement in accordance with its provisions, performance of this Agreement by either party will be suspended or excused to the extent commensurate with such occurrence, except as specifically provided herein.

Section 15.02. Partial Destruction. In the event of a partial destruction of the Facility and Verotown determines, in its sole discretion, that the undamaged portion of the Facility is still suitable for the purposes and operations described in Section 5.01 hereof, then this Agreement

will continue in full force and effect with no adjustments in the obligations of the parties, and Verotown, shall restore the Facility as soon as possible from the applicable insurance proceeds. If the applicable insurance proceeds are not sufficient to restore the Facility to its previous condition, then, the balance shall be split and paid equally by Verotown and the County or, alternatively, either party may elect to terminate this Agreement by written notice to the other party within sixty (60) days of learning the extent to which insurance proceeds will be insufficient to restore the Facility. Said termination shall not be an event of Default and the termination shall be effective as of the date the notice of termination is received by the non-terminating party.

Section 15.03. Facility Not Suitable for Use. With the exception of the roofing repairs or replacement projects set forth in Section 8.04(b) hereof, in the event of total or partial destruction or damage of the Facility, if Verotown determines in its sole discretion that the Facility is not suitable for their operations and/or cannot be used as a venue for the purposes described in Section 5.01 hereof, then the following shall apply:

(a) Verotown may provide written notice to the County stating its determination that the Facility is not suitable for use and it has a desire to repair and restore the Facility and this Agreement will be suspended immediately until the Facility is reasonably suitable for Verotown's operations when taken as a whole. In the event Verotown elects to repair and restore the Facility under this Section 15.03(a), within twelve (12) months (or sooner if reasonably practical) of the event of such total or partial destruction or damage, Verotown shall begin to repair or rebuild the Facility using the proceeds from the property insurance for that purpose and, through cooperation and coordination with the County, shall diligently pursue such repair or rebuilding until completed. If the applicable insurance proceeds are not sufficient to repair or restore the Facility to its previous condition, then the balance shall be split and paid equally by Verotown and the County or, alternatively, either party may elect to terminate this Agreement by written notice to the other party within sixty (60) days of learning the extent to which insurance proceeds will be insufficient to restore the Facility. Termination pursuant to this Section 15.03(a) shall not be an event of Default and the termination shall be effective as of the date the notice of termination is received by the non-terminating party. Once Verotown contracts with an architect, engineer or design build firm to draw plans for the repair or rebuilding of the Facility, Verotown will be deemed to have begun the repair or rebuilding of the Facility. This Agreement will continue to be suspended (and the Term or applicable Renewal Term shall be extended) until the Facility is reasonably suitable for Verotown's operations or as a venue for the purposes described in Section 5.01; or

(b) Verotown may provide written notice to the County stating its determination that the Facility is not suitable for use and terminate this Agreement. The County and Verotown shall work proactively and in good faith to vacate the Facility and wind down any financial obligations including the disbursement of insurance proceeds and Capital Reserve Account funds in accordance with the terms hereof. Termination pursuant to this Section 15.03(b) shall not constitute a Default hereunder and shall be

effective as of the date County receives written notification of such election to terminate from Verotown.

(c) In the event this Agreement is terminated pursuant to Section 15.03(a) or 15.03(b), available insurance proceeds relating to the total or partial destruction or damage to the Facility shall be distributed to the County and Verotown based on their respective pro-rata investments in the Facility, including but not limited to, Capital Improvements, County Improvements, Verotown Improvements and the County's investment in acquiring and improving the Facility.

Section 15.04. Condemnation.

(a) The County shall promptly forward to Verotown any notices which may be received by the County regarding a proposed, threatened or actual appropriation, condemnation or other action under power of eminent domain which affects the Facility or any adjacent accessways, driveways or rights of way.

(b) If a portion of the Facility is condemned or taken such that the Facility is still suitable for Verotown's operations when taken as a whole, as determined by Verotown in its commercially reasonable judgment of Verotown, then Verotown shall, to the extent condemnation proceeds are made available to it, make necessary repairs to and alterations of the Facility for the purpose of restoring same to as close to the same condition (as reasonably practicable) that existed prior to such condemnation or taking. If the condemnation proceeds made available to Verotown are not sufficient to repair or restore the Facility to its previous condition, then the balance shall be split and paid equally by Verotown and the County or, alternatively, either party may elect to terminate this Agreement by written notice to the other party within sixty (60) days after entry of the final order of taking by the applicable governmental authority. Regardless of whether Verotown terminates this Agreement as a result of a partial taking as set forth in this subsection (b), Verotown reserves unto itself the right to prosecute its claim for an award for damages against the condemning authority for its loss of its interest under this Agreement, or any portion thereof, caused by such taking, together with damages based on the value of the Verotown Improvements not purchased or reimbursed by County Funds, any additional improvements performed at Verotown's expense, any Verotown Equipment not purchased or reimbursed by County Funds, personalty or other FF&E not purchased or reimbursed by County Funds, and the damages Verotown may sustain to its operations on or at the Facility, including, but not limited to, an award for the use of any temporary construction easement area on the Facility, good will, patronage and the removal, relocation and replacement costs and expenses caused by such taking.

(c) If the whole of the Facility or such portion thereof is condemned or taken such that the Facility is not suitable for Verotown's operations when taken as a whole, as determined by Verotown in its commercially reasonable judgment of Verotown, this Agreement shall automatically terminate upon Verotown's receipt of the entry of the final order of taking by the applicable governmental authority. In the event of such termination, Verotown reserves unto itself the right to prosecute its claim for an award for

damages against the condemning authority for its loss of its interest under this Agreement, or any portion thereof, caused by such taking, together with damages based on the value of the Verotown Improvements not purchased or reimbursed by County Funds, any additional improvements performed at Verotown's expense, any Verotown Equipment not purchased or reimbursed by County Funds, personalty or other FF&E not purchased or reimbursed by County Funds, and the damages Verotown may sustain to its operations on or at the Facility, including, but not limited to, an award for the use of any temporary construction easement area on the Facility, good will, patronage and the removal, relocation and replacement costs and expenses caused by such taking.

ARTICLE XVI

ADDITIONAL IMPROVEMENTS

Section 16.01. Additional Improvements. Nothing contained in this Agreement will restrict or prohibit Verotown from making improvements to the Facility which are not described as Verotown Improvements in this Agreement; provided that Verotown will notify the County of such additional improvements before Verotown undertakes to make them, obtain the County's prior written consent to such improvements, which shall not be unreasonably withheld, unreasonably conditioned or unreasonably delayed and complies with Section 8.06 of this Agreement.

ARTICLE XVII

ZONING AND PERMITTING

Section 17.01. Zoning and Permitting. It is the sole obligation of Verotown, with assistance from the County, but not at County expense, to obtain any permits and/or zoning changes which may be required to construct any improvements which Verotown may hereafter desire to make to the Facility. The County, acting solely in its capacity as the fee owner of the Land, shall cooperate with Verotown as may be reasonably required, to enable Verotown to obtain any permits and/or zoning changes for the Improvements and any additional improvements, including, but not limited to, by joining in any applications for such permits and/or zoning changes. The County hereby represents to the best of its knowledge that the Land is currently zoned for the intended uses set forth in this Agreement.

ARTICLE XVIII

CONSENTS AND APPROVALS

Section 18.01. Granting or Failure to Grant Approvals or Consents. All consents and approvals which may be given by a party under this Agreement will, as a condition of their effectiveness, be in writing. The granting by a party of any consent to or approval of any act requiring consent or approval under the terms of this Agreement, or the failure on the part of a party to object to any such action taken without the required consent or approval, will not be

deemed a waiver by the party whose consent was required of its right to require such consent or approval for any other act.

Section 18.02. Standard. Unless this Agreement specifically provides for the granting of consent or approval at a party's sole discretion, then consents and approvals which may be given by a party under this Agreement will not (whether or not so indicated elsewhere in this Agreement) be unreasonably withheld, unreasonably conditioned or unreasonably delayed by such party and will be given or denied within the time period provided, and if no such time period has been provided, within a reasonable time. Upon disapproval of any request for a consent or approval, the disapproving party shall, together with notice of such disapproval, submit to the requesting party a written statement setting forth with specificity its reasons for such disapproval.

Section 18.03. Deemed Approval. If a party entitled to grant or deny its consent or approval (the "Consenting Party") within thirty (30) days (or a shorter specified time period) fails to do so, then, provided that the request for consent or approval bears the legend set forth below in capital letters and in a type size which is not less than that provided below, the matter for which such consent or approval is requested will be deemed consented to or approved, as the case may be:

"FAILURE TO RESPOND TO THIS REQUEST WITHIN THE TIME PERIOD PROVIDED IN THE FACILITY LEASE AGREEMENT BETWEEN INDIAN RIVER COUNTY AND MLB WILL CONSTITUTE AUTOMATIC APPROVAL OF THE MATTERS DESCRIBED HEREIN WITH RESPECT TO SECTION [] OF SUCH FACILITY LEASE AGREEMENT."

Section 18.04. Approvals for the County. The County hereby agrees that, subject to applicable laws and regulations, the County Administrator (or the County Administrator's authorized designee) is authorized to grant consents or approvals on behalf of the County with respect to this Agreement.

Section 18.05. No Fees, etc. Except as otherwise expressly authorized in this Agreement, no fees or charges of any kind or amount will be required by either party hereto as a condition of the grant of any consent or approval which may be required under this Agreement (provided that the foregoing will not be deemed in any way to limit the County acting in its governmental, as distinct from its proprietary, capacity from charging governmental fees on a nondiscriminatory basis).

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS THEREOF, the undersigned have executed this Agreement as of the day and year first above written.

Parking License Agreement

Prepared by, record and return to:
Office of the County Attorney
1801 27th St., Vero Beach, FL 32960
Telephone: 772.226.1424

PARKING LICENSE AGREEMENT

THIS AGREEMENT is entered into as of the 1st day of June, 2011 by and between Indian River County, a political subdivision of the State of Florida ("County"), and the City of Vero Beach, a municipal corporation organized under the laws of the State of Florida ("City").

WHEREAS, City owns, or will own through transactions completed simultaneously with the execution of this Agreement, certain parcels of real property located in the vicinity of the Dodgertown Facility; and

WHEREAS, City is willing to provide a license to County to use such parcels of real property for parking related to the Dodgertown Facility, as set forth herein.

NOW THEREFORE, in consideration of the mutual undertakings herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties agree, as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein.
2. Definitions. The following terms shall have the following meanings:
 - a. License Area A shall mean real property consisting of approximately 10.38 acres located immediately west of Holman Stadium, more fully described on Exhibit A attached hereto;
 - b. License Area B shall mean real property consisting of approximately 3.3 acres located north of 26th Street and north of License Area A, more fully described on Exhibit A attached hereto;
 - c. License Area C shall mean real property consisting of approximately 4.6 acres located north of 26th Street and east of License Area B, more fully described on Exhibit A attached hereto;
 - d. License Area shall mean one or more of License Area A, License Area B or License Area C, and License Areas shall mean collectively License Area A, License Area B and License Area C;

e. Cloverleaf Property shall mean the real property consisting of approximately 11.93 acres located south of Holman Stadium, more fully described on Exhibit B attached hereto;

f. Dodgertown Facility shall mean collectively the real property owned by County, including facilities and improvements thereon, consisting of the Cloverleaf Property and the property more fully described on Exhibit C attached hereto;

g. Dodgertown Tenant shall mean any party to whom County leases (from time to time) all or a portion of the Dodgertown Facility. The parties acknowledge that the current Dodgertown Tenant is MiLB Vero Beach, LLC, a Florida limited liability company; and

h. Dodgertown Events shall mean any and all events and activities held on the premises of the Dodgertown Facility including, without limitation, sports and non-sports related events and activities, meetings and conferences, whether such events and activities are conducted by County, Dodgertown Tenant or any third party using all or a portion of the Dodgertown Facility with the consent of County or Dodgertown Tenant.

3. Parking License. City hereby grants to County and Dodgertown Tenant and County's other assignees (a) a license to use License Area A for general parking in connection with Dodgertown Events, and (b) a secondary license to use License Area B and License Area C for general parking in connection with Dodgertown Events, in the event that (i) License Area A is unavailable for a particular event (see paragraph 4 below), or (ii) the license to use License Area A is revoked by City. County shall have the right to use the License Areas up to twenty (20) days per calendar year. Dodgertown Tenant shall have the right to use the License Areas to the same extent as County, except that Dodgertown Tenant's use shall not be restricted with respect to the number of days per calendar year, however, Dodgertown Tenant shall coordinate with and provide City a schedule for anticipated use of the License Areas and keep City advised of any changes to such schedule.

4. Notice of Use. County shall provide reasonable notice of its intent to use a License Area on one or more dates specified in the notice. Within 10 days of receipt of such notice, City shall advise County of any conflict with a planned City use of the License area on the same date(s) which is incompatible with County's proposed use. If City does not advise County of a conflict within the 10 day period, County may utilize the License Area for parking as set forth in the notice. In the event of a conflict, the parties shall attempt in good faith to reconcile the conflict in a manner which accommodates the interests of both parties. If such accommodation is not possible, County may utilize another available License Area for parking.

5. Use of License Area B or License Area C. Whenever County uses License Area B or License Area C, County shall comply with the following additional requirements of the Federal Aviation Administration: County shall not interfere with airport operations surrounding roadways, or airport tenant operations; County must use the License Area in a safe and efficient manner; and County shall not enter the secured airfield or otherwise interfere with airport

operations. County understands that there are substantial federal fines for violations of federal laws and regulations applicable to airport facility access and use.

6. Insurance. County shall, at all times during the term hereof, carry commercial general liability insurance against personal injury and property damage with a company authorized to do business in the State of Florida and satisfactory to City, protecting City against any and all claims for damages to persons or property as a result of or arising out of the use and maintenance by County of the License Areas. County shall provide a certificate of insurance stating that City is an additional insured, and confirming limits of coverage not less than \$500,000 per occurrence combined single limit for Bodily Injury Liability and Property Damage Liability. County shall supply written proof of insurance to City within fifteen (15) days of the date this Agreement is executed, and shall continue to supply such proof to City for each term such insurance coverage is renewed.

7. Indemnification. To the extent permitted by law, County agrees to indemnify and hold harmless City, including, without limitation, its council members, officers, employees and agents, from and against all claims for damages, liabilities, costs and expenses arising out of or relating to the use of one or more License Areas by County, Dodgertown Tenant or County's other assignees; and City agrees to indemnify and hold harmless County, including, without limitation, its commissioners, officers, employees and agents, from and against all claims for damages, liabilities, costs and expenses arising out of or relating to the use of one or more License Areas by City or City's assignees; provided, however, that nothing herein shall be construed as a waiver of the County's or the City's sovereign immunity pursuant to section 768.28, Florida Statutes.

8. Clean Up After Use. After each use of a License Area, County shall leave the property in substantially the same condition that it was prior to such use.

9. Term. The term of this Agreement shall be indefinite until the earlier to occur of the following: (a) the revocation of all licenses for License Area A, License Area B and License Area C, or (b) the permanent use of the Dodgertown Facility for a purpose other than sports, recreation or entertainment related activities.

10. Revocation of License. Each license granted herein shall be revocable by City in the event that each of the following occurs with respect to the real property underlying such license: (a) the City decides in good faith to use the underlying real property for a purpose incompatible with continued parking, (b) in reaching such decision, the City gives due consideration to the fact that (i) the City owns other properties in the same general area which may be suitable for such incompatible use, (ii) continued use of the License Area for general parking provides an important and valuable benefit to County, and (iii) that the City Council determines in good faith that the advantages of locating the incompatible use on a License Area outweigh the advantages to locating the incompatible use on other property owned by the City, and (c) City actually uses the License Area for the incompatible use.

11. Remedies. In the event of breach of this Agreement by either party, the non-breaching party shall be entitled to all remedies available in law or in equity.

12. Litigation. In the event of any litigation relating to or arising out of this Agreement, each party shall be responsible for and shall bear its own attorney's fees and court costs, including such fees and costs incurred at the trial and appellate level of such proceedings.

13. Amendment. No amendment, modification, change, or alteration of this Agreement shall be valid or binding unless accomplished in writing and executed by all of the parties hereto.

14. Entire Agreement. This Agreement sets forth the entire agreement and understanding between the parties. No prior agreement or understanding shall be binding between the parties unless set forth herein.

15. Governing Law. This Agreement and all matters arising hereunder shall be governed by and construed in accordance with the laws of the State of Florida. Venue hereunder shall lie in Indian River County, Florida.

16. Further Assurances. County and City shall grant such further assurances and provide such additional documents as may be required by one another from time to time, and cooperate fully with one another in order to carry out the terms and conditions hereof and comply with the express intention of this Agreement.

17. Severability. In the event any term, condition, or clause of this Agreement is declared to be illegal or unenforceable by a court of competent jurisdiction, such declaration of illegality or unenforceability shall not affect or alter the legality or enforceability of any remaining term, condition, or clause hereof, provided of the parties, as set forth in this Agreement.

18. Non-Assignment. This Agreement shall not be assignable by either party, except that City may assign this Agreement to any party acquiring ownership of a License Area (but only to the extent of such License Area), and County may assign this Agreement to any party acquiring ownership, right of possession or other right to use of all or a substantial portion of the Dodgertown Facility.

19. Recordation. A copy of this Agreement shall be recorded on the Public Records of Indian River County, Florida.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed in their respective names as of the date set forth above.

Exhibit "D"

Requisition Request

REQUISITION REQUEST NO. _____

DATE: _____

TOTAL DISBURSEMENT REQUESTED: \$ _____

REFERENCE: Facility Lease Agreement dated as of December __, 2018 (the "Lease") between Verotown, LLC, as lessee ("Verotown"), and Indian River County, Florida, as lessor (the "County")

_____ as the Capital Reserve Account Agent (the "Capital Reserve Account Agent") is hereby requested to disburse from the Capital Reserve Account established in the Lease to the person, firm or corporation designated below as Payee, the sum set forth below such designation, in payment of the cost of the items of authorized capital improvements, eligible maintenance, repairs or replacements pursuant to the Lease.

The undersigned, on behalf of Verotown, hereby directs and instructs the Capital Reserve Account Agent to pay \$ _____ in accordance with the invoices attached hereto as Exhibit A, and certifies in connection with such direction that:

(a) The items described on Exhibit "A" hereto represent authorized capital improvements, eligible maintenance, repairs or replacements which have been constructed or installed at the Facility and the construction or installation of such authorized capital improvements, eligible maintenance, repairs or replacements has been completed on or before the date hereof,

(b) Verotown has conducted such inspection and/or testing of the authorized capital improvements, eligible maintenance, repairs or replacements as they deem necessary and appropriate and have accepted the same; and

(c) The authorized capital improvements, eligible maintenance, repairs or replacements described on Exhibit "A" hereto are covered against all risks pursuant to the policy of insurance required by the Lease.

In the event Verotown is to be reimbursed for invoices previously paid by Verotown for such items, written evidence of such prior payment and the amount thereof is also attached to this Requisition Request.

Attached hereto are the following (check each item attached), each of which is true and correct in all respects:

- A true copy of the applicable purchase order;
- Bills of sale for any component of the capital improvements, maintenance, repair or replacement for which a bill of sale may be delivered; and/or
- A true copy of the Payee's statement or invoice.

4. Please disburse the following amount to the following Payee (if more than one Payee, please attach additional pages hereto setting forth the following information):

Payee: _____

Amount: _____

Address: _____

Invoice No.: _____

5. To induce the County to approve this Requisition and authorize the Capital Reserve Account Agent to disburse funds held in the Capital Reserve Account, the undersigned certifies that there are no outstanding construction liens against the Facility.

6. The following constitutes an itemized list of attachments to this certificate (if applicable):

(a) Contractor's Application for Payment (AIA Forms G702 and G703).

(b) Architect's Certificate (AIA Forms G702 and G703).

[Remainder of page intentionally left blank.]

Exhibit "E"

Estoppel Certificate

ESTOPPEL CERTIFICATE

In connection with _____ (the "_____") being made by _____ a _____ company, its successors and assigns ("_____") to _____ ("County/Verotown"), the undersigned ("County/Verotown") states, represents and warrants to _____ as follows:

(a) County entered into a certain Amended and Restated Facility Lease Agreement with Verotown dated _____ [and amended by that certain _____ dated _____] ([collectively,] the "Lease") leasing to Tenant a portion of the premises commonly known as _____ (the "Property").

(b) The description of the Lease is true, correct and complete, including all amendments, supplements and modifications thereto. Attached hereto as Attachment A is a true, correct and complete copy of the Lease. County/Verotown has properly executed the Lease and the Lease is in full force and effect.

(c) Verotown has accepted possession of the Facility, and all items to be performed by County/Verotown have been completed, except as follows (if none, so state):

(d) To the best of the undersigned's knowledge, no default on the part of County/Verotown exists under the Lease in the performance of the terms, covenants and conditions of the Lease required to be performed on the part of County/Verotown other than:

(e) Other information reasonably requested: _____

(f) County/Verotown acknowledges and agrees that _____ is relying on the representations and warranties contained in this Certificate.
