5.3.6.3 If any Declared Emergency and subsequent use of the Facility for County-determined emergency purposes occurs during the Spring Training Season, the Teams shall be permitted to play their respective Major League Spring Training Home Games at an alternative facility during such use of the Facility by the County.

5.3.6.4 Liability. To the extent permitted by law, the County shall be responsible for personal injury, loss of life, and/or damage to property caused by the County's use of the Facility for a Declared Emergency, but not including personal injury, loss of life and/or damage to property resulting from; (1) known hazardous or unsafe conditions, or hazardous or unsafe conditions that reasonably should have been known in the exercise of reasonable prudence, and existing at the Facility prior to the County's use of the Facility, even if the actual injury, loss of life or damage to property occurred during the County's use, or (2) the actions or inactions of the Limited Partnership Parties, including but not limited to, actions or inactions related to the maintenance of the Facility. Additionally, the parties acknowledge and it is expressly understood that the foregoing shall not constitute; (i) an agreement by the County to indemnify the Limited Partnership, (ii) a waiver of sovereign immunity, (iii) a waiver of any right or defense that the County has under Section 768.28, Florida Statutes, or any other statute, nor (iv) consent to be sued by third parties.

The County shall execute a license agreement for said emergency use with the specific provisions contained in Section 5.3.6.2 and 5.3.6.3. The County's right to use the Facility for an emergency shelter pursuant to Florida Statutes §288.1166 shall not apply to the extent:

During the County's emergency use of the Facility as described in Sections 5.3.6 and 5.3.7 herein, the County shall be solely responsible for performing and funding the security requirements for the County's use, consistent with the requirements of the Limited Partnership described in Section 5.2 herein, as to the licensed portions of the Facility.

5.3.9 Use of Tourism Improvements. Notwithstanding anything to the contrary herein, the County shall be permitted to use the Tourism Improvements for Tourism Enhancement Events; provided, however, that the County's use of such Tourism Improvements shall be subject to and in accordance with the terms of Section 5.3 hereof, including all of the County's responsibilities and obligations set forth therein.

5.4 Commercial Events.

5.4.1 Applications and requests for Commercial Events shall be accepted any time within a one (1) year period of the date of the proposed Commercial Event, provided they do not interfere with Team Events or approved and scheduled Tourism Enhancement or Community Events. Commercial Events cannot be scheduled more than one year in advance without the County's express written approval which may be granted or denied by the County only if there is a conflict with an anticipated, but yet to be scheduled, Tourism Enhancement Event. Once a Commercial Event is scheduled, it can only be rescheduled or cancelled with the consent of the Commercial Event applicant.

5.4.2 The Limited Partnership shall use the form of the event license agreement described in Section 5.3.5 for Commercial Events except: 1) the Limited Partnership shall be entitled to charge a license fee for the use of the Facility; 2) the Limited Partnership shall be entitled to charge for admission, participation and related fees and charges in connection with the operation of any Commercial Events at the Facility; and 3) the Limited Partnership shall require the third

Said use shall be considered a Community Event and subordinate to the rights of the County under this Agreement. Any such new license shall be subject to the County's review and consent prior to becoming effective, provided, that the County may withhold said consent until the Jupiter Funding Agreement is executed by the Town, the Limited Partnership and the County, or if the new license agreement is inconsistent with Article 5 of this Agreement.

ARTICLE 6

USE FEES

6.1 County Annual Contribution. The maximum County Annual Contribution is set forth in **Exhibit I** hereto. These amounts shall not be increased for any reason whatsoever.

6.2 State Annual Contribution. The State Annual Contribution is set forth in **Exhibit I** hereto, and is set at the maximum amount set forth in Florida State Statute 288.11631 and subject to continual compliance with the requirements of the State Funding Agreement.

6.3 Use Fee. The Limited Partnership's annual Use Fee is calculated following the sale of County Bonds by subtracting the County Annual Contribution and the State Annual Contribution from the Annual Debt Service. For the avoidance of doubt, the Limited Partnership annual Use Fee shall pay for all Annual Debt Service not paid for through the County Annual Contribution and the State Annual Contribution, subject to the limitations of Section 6.7 hereof in the case of Tax-Exempt County Bonds as herein defined. Following the sale of the County Bonds, the Use Fee shall be memorialized in a letter from the County Representative to the Limited Partnership Representative ("Fee Commencement Letter"). Annual payments of the Use Fee shall be due by November 1 annually each year during the term of the County Bonds and be made in accordance with Section 6.5.3. For clarification and avoidance of doubt, by direct operation of this Section 6.3, if, during any given year during the Term hereof, the County is excused from its obligation to pay the Annual Debt Service under the terms of the bond documents for the County Bonds, JSL shall be excused from its obligation hereunder to pay any annual Use Fee for such year. The foregoing notwithstanding, the Limited Partnership's annual Use Fee as calculated in accordance with this Section 6.3 and as referenced in 6.5.2(a) is not subject to adjustment, recalculation or diminution of obligation in the event the County refinances, refunds or prepays its County Bonds.

6.4 Reserved.

6.5 Miscellaneous.

6.5.1 Liability for Financing. Nothing herein shall be construed to make the Limited Partnership or the Teams liable to the County for the payment of any County Bonds or financing, and the Limited Partnership's rights and obligations hereunder shall be independent of the County's obligations under such County Bonds or financing. The Limited Partnership agrees to cooperate with the sale of any County Bonds, including without any limitation, providing any disclosure of the Limited Partnership's public information reasonably required for purposes of the offering documents for such County Bonds.

6.5.2 Notwithstanding anything to the contrary herein (except that the last sentence of Section 6.3 shall control), the Limited Partnership's obligation to make the annual Use Fee payment under Section 6.3 continues as long as and to the extent that the County's obligation to make Annual Debt Service payments continues under the terms and conditions of the bond documents for the County Bonds. For avoidance of doubt, this subsection means that the Limited Partnership will not be obligated to make its annual Use Fee payment under Section 6.3 when :

a. the formula set forth in Section 6.3 for the calculation of the Limited Partnership's annual Use Fee payment results in an annual Use Fee payment of \$0; or

b. the Limited Partnership's obligation to make its annual Use Fee payment under Section 6.3 is temporarily suspended under Section 17.1.3 hereof, or is temporarily suspended by the County under 17.2.1 hereof.

6.5.3 Each payment made pursuant to this Article 6 shall be made payable to the Board and shall be delivered annually to the Palm Beach County Finance Department, Revenue Section, P.O. Box 4036, West Palm Beach, Florida 33402. In the event the Limited Partnership fails to make timely payment of any fee, due and payable in accordance with the terms of this Agreement within ten (10) Days after same shall become due and payable, interest at the rate of one percent (1%) per month (or the highest rate permitted by law, if lower) shall accrue against the delinquent payment(s) from the date due until the date payment is received by the County. The County shall receive the payments payable hereunder free and clear of any and all impositions, liens, charges, and expense of any nature whatsoever relating to operation of the Facility, including without limitation those relating to taxes, if any, insurance, Repair and Maintenance, use, care or operation, except as specifically provided in this Agreement.

6.5.4 The Limited Partnership shall pay all sales, use and/or other taxes assessed by any governmental authority against the payments made pursuant to this Article 6, if any, even if such tax is intended to be imposed against the County. The Limited Partnership shall pay before delinquency all non-ad valorem taxes and assessments, whether general or special and all tangible or intangible personal property taxes and assessments of any kind or nature which may be levied by any governmental authority against the Facility, or Limited Partnership's interest in the Facility or Limited Partnership's equipment and personal property located at the Facility.

6.5.5 The Limited Partnership shall be responsible for, and shall timely pay, all on-Site and off-Site municipal and utility service costs due in order to operate and maintain the Facility including, but not limited to, water, sewer, garbage and trash collection and such other costs and impositions as may be assessed or levied by a municipal taxing authority or utility service provider against the Facility or Site.

6.5.6 In the event the Limited Partnership pays any amount that is less than the amount stipulated to be paid under this Agreement, such payment shall be considered to be made only on account of the stipulated amount. No endorsement or statement on any check or letter shall be deemed an accord and satisfaction. The County may accept any check or payment without prejudice to the County's right to recover the balance due or to pursue any other remedy available to the County pursuant to this Agreement or under the law.

6.6 Tax Indemnification. The Limited Partnership shall indemnify and hold the County harmless from and against the payment of any and all sales tax due to the State of Florida or any department or agency thereof in connection with the payments described in this Article 6, together with all interest, fines, penalties, costs or other charges thereon, regardless of when, or the party against whom, the same may be assessed or imposed.

6.7 Maximum Private Payments. In connection with the County Bonds, the interest on which is excluded from gross income of the holders thereof for federal income tax purposes (the "Tax-Exempt County Bonds"), during the period the Tax-Exempt County Bonds shall be outstanding, the present value of the sum of: (a) any payments made to the County by non-governmental persons for the use of any portion of the Facility that is financed with the proceeds of Tax-Exempt County Bonds and (b) amounts paid by the Limited Partnership for Capital Improvements to any portion of the Facility that is financed with the proceeds of Tax-Exempt

County Bonds shall not exceed ten percent (10%) of the present value of the debt service (i.e., principal and interest) to be paid. Notwithstanding the preceding sentence, to the extent that any Capital Improvements, paid for by the Limited Partnership, have useful lives that are not reasonably expected (as of the date of installation) to extend beyond the Term, such Capital Improvements shall be disregarded. Useful lives may, at the County's request, be determined by independent appraisal.

ARTICLE 7

REPAIR AND MAINTENANCE AND COSTS OF OPERATION

7.1 Generally. Except as otherwise expressly provided herein, the Limited Partnership shall be solely responsible for all costs of the performance of all of the Repair and Maintenance and operation of the Facility, as required to keep the Facility in good condition at all times, on a year-round basis.

7.2 Repair and Maintenance. With respect to the Limited Partnership's performance of Repair and Maintenance, the Limited Partnership agrees as follows.

If such a condition is found, it is the Limited Partnership's sole responsibility to immediately protect the area from use, to provide warning of the condition as may be reasonably necessary in order to ensure the safety of persons at the Facility, and to perform all work required to restore the area to a safe condition within a reasonable period of time, provided, however, that the Limited Partnership may seek reimbursement, if applicable, for Emergency R/R Projects for Public Use Improvements as set forth in Article 10 of this Agreement. The existence or non-existence of a right to reimbursement does not alter or limit the Limited

Partnership's obligations to inspect, identify, secure, and/or correct all conditions that present a safety issue or constitute a hazard to persons at the Facility and Site.

7.2.7 The Limited Partnership shall provide FD&O with a bi-monthly report of all Facility Repair and Maintenance that was performed to Public Use Improvements during the preceding two months and all Facility Repair and Maintenance scheduled for Public Use Improvements during the upcoming two months no later than the twenty-fifth (25th) Day of each even numbered month (February, April, etc.). The Limited Partnership shall provide the County with access to the Facility to perform routine maintenance inspections.

7.2.8 The Limited Partnership shall not voluntarily create, cause, or permit to be created any lien or encumbrance on the Facility and/or Site. In the event that a construction lien is filed against the Facility, the Site, or other County property in connection with any work performed by or on behalf of the Limited Partnership, the Limited Partnership shall satisfy such claim, or transfer same to security, within forty-five (45) Days from the date of notice of such filing. The Limited Partnership shall provide the County with proof of compliance with the preceding sentence within ten (10) Days of such compliance. In the event that the Limited Partnership fails to satisfy or transfer such claim within said forty-five (45) Day period, the County may do so and thereafter charge the Limited Partnership, and the Limited Partnership shall promptly pay to the County upon demand all costs incurred by the County in connection with the satisfaction or transfer of such claim, including reasonable attorney's fees. Further, the Limited Partnership agrees to indemnify, defend, and save the County harmless from and against any damage or loss incurred by the County as a result of any such construction lien.

7.3 Reserved.

7.4 Inspection and Failure to Perform.

7.4.1 The County shall have the right, but not the obligation, to inspect the Site and Facility at reasonable times, upon reasonable request, or, at such time as the County has reason to believe that an emergency situation exists at the Facility and/or Site, to observe whether the Limited Partnership is performing its Repair and Maintenance obligations pursuant to this Agreement. If, in the County's reasonable opinion, the Limited Partnership has not performed its Repair and Maintenance obligations pursuant to the terms hereinabove, the County shall provide written notice to the Limited Partnership stating the basis for such opinion, and the Limited Partnership shall have thirty (30) Days from the date of receipt of such notice during which to perform such Repair and Maintenance as required hereunder, or to notify the County that it disagrees with the County's opinion. If the Limited Partnership disagrees with the County opinion, the Limited Partnership and the County agree to utilize the dispute resolution process identified in Article 18 of this Agreement.

7.4.2 The Limited Partnership shall permit the County, or its representatives or agents, to schedule and conduct visits of the Site and Facility as reasonably required to enable the County to fulfill its insurance and/or restoration obligations pursuant to Articles 16 and 17 of this Agreement.

7.4.3 The County Representative shall visit the Site pursuant to Article 7 and Article 10 of this Agreement to observe the condition of the Facility solely for the purposes of determining whether the Repair and Maintenance is being performed consistent with the requirements of Sections 7.2.1, 7.2.2, and 7.4 herein, and for determining placement and/or costs for the R/R Project spreadsheet pursuant to Article 10 of this Agreement.

7.4.4 The County Site visits authorized herein do not in any way eliminate, change, reduce, modify, transfer, or diminish the Limited Partnership's sole responsibility for: 1) the on-going operation of the Facility; 2) the assessment of the condition of the Site and Facility; and 3) the performance of corrective action, including but not limited to, Repair and Maintenance, as required to maintain the Site and the Facility in a safe condition. The Limited Partnership shall not be entitled to rely on any comments, recommendations, reports or the results of the County Representative or the County agents' Site visits, in lieu of conducting its own independent assessment and evaluation of the condition of the Site and the Facility.

7.4.5 The County shall coordinate all scheduled inspections pursuant to this Section 7.4 with the Limited Partnership to prevent interference with any scheduled use of the Site.

ARTICLE 8

LICENSING, INSPECTION, REGULATORY AND ADA RESPONSIBILITIES

8.1 Licensing, Regulatory and Safety Inspections.

8.1.1 All corrective work required at the Facility will be performed and funded as either Repair and Maintenance or an R/R Project.

8.1.2 For funding purposes, if the corrective work is not Repair and Maintenance, and it addresses a construction flaw or failure or other issue and such construction item cannot be resolved by the Limited Partnership pursuant to Section 13.1.1 or Section 13.1.2 of the New Developer Agreement, then such corrective work shall be deemed either (i) a County R/R Project (for which the County is responsible for funding) if the corrective work is for any project depicted on Exhibit B as a Public Use Improvement, or (ii) a Limited Partnership R/R Project (for which the Limited Partnership is responsible for funding) if the corrective work is for any project depicted on Exhibit B as a Limited Partnership R/R Project.

8.1.3 The Limited Partnership's Repair and Maintenance responsibilities set forth in Section 7.1 and its R/R Project responsibilities set forth in Article 10, includes performing all emergency Repair and Maintenance and/or R/R Project work or other corrective action required to address hazardous or unsafe conditions arising from, or related to, licensing, permitting, inspection, audit, safety or regulatory requirements concerning the Site, Facility, and the Limited Partnership's operations, business, and/or use of the same, including but not limited to, any City, County, State, Federal, OSHA or BOC law, rules, regulations, ordinances, or other requirements. This includes, but is not limited to corrective work arising in anticipation of, or as a result of an inspection, audit, licensing or regulatory requirement or other compliance-related event.

8.1.4 The Limited Partnership shall be solely responsible for funding any Repair and Maintenance required to correct any condition, hazard, defect, flaw or failure, or other

issue or condition arising from, or related to, licensing, permitting, inspection, audit, safety or regulatory requirements concerning the Site, Facility, and the Limited Partnership's operations, business, and/or use of the same.

8.1.5 The Limited Partnership's performance of corrective work required by Section 8.1.2 which otherwise meets the requirements of a County R/R Project is expressly subject to funding by the County, pursuant to the processes and procedures set forth in Article 10 hereto.

8.1.6 Any corrective work required by Section 8.1.2 or Section 8.1.3 which otherwise meets the requirements of an Limited Partnership R/R Project, shall be reflected on the R/R Project Schedule as a Limited Partnership R/R Project, including, but not limited to, any corrective work required to comply with the requirements of any environmental permit or approval including monitoring and/or correcting groundwater issues, and such shall be funded and performed by the Limited Partnership pursuant to the processes and procedures set forth in Article 10 hereto.

8.2 ADA.

8.2.1 Pursuant to the terms of the New Developer Agreement, the Limited Partnership is providing services as defined therein throughout the design and construction of the Facility, and the Limited Partnership has the responsibility of designing and constructing the Facility to be compliant with the requirements of the ADA. The Limited Partnership acknowledges that the Limited Partnership is solely responsible for ensuring the Facility is designed and constructed in accordance to the requirements of the ADA pursuant to the New Developer Agreement.

8.2.2 The Limited Partnership is solely responsible for all ADA compliance requirements and all ADA complaints, litigation, claims or lawsuits, of whatsoever kind or nature, regardless of whether arising during the development of the Renovation Project and prior to occupancy, or thereafter, and including claims from the Teams, guests, players, invitees, contractors, agents, or any other person or entity, and including, but not limited to, claims, litigation or lawsuits involving the Site, the Facility, Renovation Project, Personal Property used within the Facility, and Capital Improvements, and regardless of whether arising from Facility design, use and operation, access or other issues.

8.2.3 The Limited Partnership shall advise the County of any change in law or regulation which may impact the compliance status of the Facility, and shall present the County with a plan for bringing the Facility into compliance. The Limited Partnership has the obligation to implement reasonable operating accommodations to achieve ADA compliance, but to the extent that modifications to the Facility are required, they will be considered Capital Improvements.

ARTICLE 9 CAPITAL IMPROVEMENTS

9.1 Capital Improvements.

9.1.1 The Limited Partnership shall have the right to make any and all Capital Improvements to the Facility, subject to the terms and conditions set forth in this Article 9;

provided, however, that the Limited Partnership shall not make any Capital Improvements to the Facility, without the prior written consent of the County in each instance which consent shall not be unreasonably withheld, conditioned or delayed.

9.1.2 Prior to the maturity date of the County Bonds, the Limited Partnership shall submit requests to the County for approval of a Capital Improvement project. Upon receipt of such request, the County shall (i) determine whether the actual and projected private activity is sufficiently low enough to allow the Limited Partnership to be able to fund any Capital Improvements to the Facility, and, if so, in what amount ("Private Activity Capacity"), and (ii) provide written notice of its determination to the Limited Partnership. To the extent that there is Private Activity Capacity, the Limited Partnership shall be permitted to make, at its own cost, Capital Improvements to the Facility prior to the maturity date of the County Bonds. The Limited Partnership acknowledges and agrees that the County shall be the sole and final decision maker as to whether and to what extent there is any Private Activity Capacity available to permit the Limited Partnership to fund any Capital Improvements to the Facility.

9.1.3 If the Capital Improvement is approved in writing by the County, all Capital Improvements proposed by the Limited Partnership to be made to the Facility shall be undertaken, performed and funded by the Limited Partnership, except as otherwise provide herein. The County shall have no obligation to reimburse or pay the Limited Partnership for any Limited Partnership Capital Improvement. In addition, all Capital Improvements shall be assumed to be Limited Partnership R/R Projects for the purposes of determining responsibility for funding the R/R Projects for the Capital Improvements, unless the County agrees, in its sole discretion, to accept the R/R responsibility for a Capital Improvement. If the County agrees to accept the R/R responsibility for a Capital Improvement, it shall be made as an affirmative statement included in the written approval for the Capital Improvement, at which time it will become binding on the County.

9.1.4 The Limited Partnership shall submit detailed plans and specifications prepared by a design professional licensed in the State of Florida for all such Capital Improvements to the County for the County's written approval prior to commencing work on same, including the estimated project cost. The County's review of the Limited Partnership's proposed improvements shall be limited to the determination of whether the improvements are consistent with the terms of this Agreement and that the improvements do not interfere with or reduce the public's access to the Facility.

9.1.5 The County shall provide a written response within ten (10) Business Days after receipt of request by the Limited Partnership, failing which the County shall be deemed to have consented to such plans and specifications. Notwithstanding the foregoing, the County may request that the County be provided with additional time to provide the Limited Partnership with a written response as to whether the improvements restrict public access and are consistent with this Agreement.

9.1.6 All work done by the Limited Partnership shall be performed in a good and workmanlike manner using good quality materials and supplies and shall be diligently prosecuted to completion strictly in accordance with the approved plans and specifications. The Limited Partnership shall obtain all development approvals and permits from the appropriate

regulatory agencies prior to commencing any Capital Improvements and shall perform all such Capital Improvements in compliance with all applicable Laws.

9.1.7 The Limited Partnership is solely responsible for all required licensing, safety inspections, Repair and Maintenance, and operation of all Capital Improvements, if applicable.

9.2 Reallocated Amount. The Limited Partnership may access and use the Reallocated Amount for Capital Improvements (as defined in the Existing Use Agreement) that are requested to be made by the Limited Partnership and approved by the County prior to the Effective Date hereof, and the approval, conduct and performance of any such Capital Improvements shall be governed by Article 8 of the Existing Use Agreement. Any expenditures from the Reallocated Amount which were approved prior to the Effective Date hereof may continue to be paid from the Reallocated Amount in accordance with Section 8.6 of the New Developer Agreement. For avoidance of doubt, the Video Scoreboard Improvements were paid from the Reallocated Amount prior to the Effective Date hereof and shall be included in the Scope of Work.

ARTICLE 10

RENEWAL/REPLACEMENT PROJECTS

Notwithstanding anything to the contrary herein, any and all Renewal/Replacement Projects undertaken at the Facility at any time between the Effective Date and September 30, 2027 shall be governed by the terms of Article 7 of the Existing Use Agreement (which shall survive any termination of the Existing Use Agreement), and, accordingly, the following provisions of Sections 10.1-10.4 shall only apply to any and all Renewal/Replacement Projects undertaken at the Facility on or after October 1, 2027. The County and the Limited Partnership will each first use their respective R/R Project Reserves to fund their respective R/R obligations under the terms of the Existing Use Agreement through September 30, 2027, and, thereafter, to fund their respective R/R obligations under this Agreement, until such funds are exhausted. For purposes of clarification and avoidance of doubt, the Limited Partnership may use the Limited Partnership's R/R Project Reserve towards the Limited Partnership Annual Contribution, as defined in the Existing Use Agreement.

10.1 Renewal/Replacement Projects

10.1.1 The County and Limited Partnership have jointly determined the need for establishing and funding a program to address R/R Projects in order to ensure that age, use and deterioration of the Facility does not adversely impact its use or the cost to maintain the Facility. The R/R Project Schedule shall project, at a minimum, R/R Project requirements for the upcoming Budget Year and the next nine (9) Budget Years thereafter. The R/R Project Schedule shall address the requirements of the Facility and shall contain two sections; County R/R Projects and Limited Partnership R/R Projects.

10.1.1.1 The County is responsible for funding 100% of the County R/R Projects when they are included in the Approved R/R Project Schedule.

10.1.1.2 The Limited Partnership is responsible for funding 100% of the Limited Partnership R/R Projects as identified on the Approved R/R Project Schedule.

10.1.1.3 In addition to the requirements of this Article 10, the Limited Partnership's ability to fund a County R/R Project(s) shall be subject to the County's determination that there is Private Activity Capacity available, as described in Section 9.1.1.

10.1.2 No later than May 31 of each year, the Limited Partnership shall submit to the County, its proposed R/R Project Schedule for review. No later than July 31, the Limited Partnership will be notified of the County Staff's recommendation for funding of County R/R Projects as part of the County staff's recommended annual capital budget request. No later than October 1, the Limited Partnership shall be notified of the appropriations for the Approved R/R Project Schedule.

10.1.2.1 The first R/R Project Schedule shall be submitted no later than January 15 of the year following the Final Completion Date of the Renovation Project. The R/R Project Schedule shall include each and every item with a fixed asset number whether physically tagged or not, its projected year for renewal or replacement and the estimated cost of the renewal or replacement task.

10.1.2.2 For each subsequent annual submittal, the R/R Project Schedule shall be updated to reflect any changes made necessary as a result of mid-year modifications, differing physical field conditions which may accelerate or extend the replacement year, and/or updated project estimate. The Limited Partnership shall submit, with the updated R/R Project Schedule, a detailed written narrative for each and every R/R Project that was not included in the Approved R/R Project Schedule, providing an explanation as to why such R/R Project had previously not been included in the R/R Project Schedule. Within fourteen (14) Days after the County's receipt of the updated R/R Project Schedule, representatives of FD&O and the Limited Partnership shall meet at the Facility ("On Site Meeting") in order to review and discuss the updated R/R Project Schedule and agree upon any changes to the updated R/R Project Schedule.

10.1.2.3 The County and the Limited Partnership both agree to cooperate in the development of the updated R/R Project Schedule so that the R/R Projects are undertaken in a timely manner to ensure that the asset is renewed/replaced prior to material degradation of the utility/appearance of the asset, while recognizing periodic financial constraints of the County and the Limited Partnership. Material degradation of an asset occurs when; 1) the asset's condition is or may cause damage or increased costs to renew/replace other assets, 2) the asset's condition represents a hazardous condition that may increase liability, and/or 3) the asset has deteriorated in utility and appearance or has failed or is likely to fail.

10.1.3 The Limited Partnership shall have an obligation to implement and fund the Approved R/R Project Schedule for each Budget Year, subject to the County's reimbursement, pursuant to this Article 10, for the Limited Partnership's expenditures towards County R/R Projects on the Approved R/R Project Schedule

10.1.4 The Limited Partnership must perform the Approved County R/R Projects within the funding amount identified on the Approved R/R Project Schedule, unless an increase in

County R/R Project funding is approved in writing by the County prior to the Limited Partnership issuing a contract or purchase order pursuant to Section 10.4. Approved expenditures will be reimbursed in accordance to the terms and conditions set forth below.

10.1.5 The County's obligation to fund or reimburse the Limited Partnership for County R/R Projects in any Budget Year is limited to those County R/R Projects that are reflected on the Approved R/R Project Schedule.

10.1.6 For reasons other than repair condition, and as part of the annual R/R Project Schedule update, the Limited Partnership may request that the Limited Partnership be allowed to replace Personal Property owned by the County, identified as a Public Use Improvement, and initially acquired using the Taxable Bond proceeds, earlier than originally scheduled. Said replacement shall be at the Limited Partnership's sole cost and expense. The Limited Partnership will then be credited in an amount equal to the actual replacement cost of the Personal Property in the future year that the Personal Property was originally slated for replacement on the R/R Project Schedule. The credit will be realized by purchase order issued to the Limited Partnership no later than December 30th of the initially scheduled fiscal year.

10.2 Mid - Year Modifications to Approved R/R Project Schedule.

10.2.1 The Limited Partnership shall have the right to implement an Emergency R/R Project. If the Limited Partnership seeks reimbursement for said Emergency R/R Project from the County, the Limited Partnership shall submit a written request for a mid-year modification to the Approved R/R Project Schedule. Such request for modification shall include the scope, cost, schedule for implementation and the justification for the Emergency R/R Project, regardless of whether the Limited Partnership wishes to be reimbursed. The justification for the Emergency R/R Project shall specifically indicate why the Emergency R/R Project cannot wait until the next funding cycle and state why the impact of the delay associated with waiting until the next funding cycle would be detrimental to the interest, health, safety or welfare of the County and that the delay was not artificially created by the Limited Partnership. The request shall also identify whether any or all of the implementation procedures need to be waived and the Limited Partnership shall include such Emergency R/R Project in its proposed modifications to the R/R Project Schedule submitted for the County's approval in accordance with Section 10.1 hereof. The determination as to whether any particular project is a reimbursable Emergency R/R Project shall be made only by the County, after consideration of the above-described written justification.

10.2.2 Notwithstanding the above, the Limited Partnership has the absolute obligation to immediately respond to emergencies, and/or situations that may pose a danger to the health and/or safety of persons or that may impact the integrity of the Facility.

10.3 R/R Project Reserves. The R/R Project Reserve was established pursuant to Section 8.4.7 of the New Developer Agreement and contains cost savings, if any, accomplished during the Renovation Project and allocated to the Limited Partnership R/R Project Reserve and the County R/R Project Reserve in order to fund the initial R/R Project obligations of the County and the Limited Partnership. The County and the Limited Partnership will use any amounts remaining in their respective R/R Project Reserves to fund their respective R/R obligations pursuant to this Agreement until the R/R Project Reserves are exhausted. The parties acknowledge

that the R/R Project Reserves are a small portion, if any, of the funding that will be required to fund each Party's R/R obligations pursuant to this Agreement.

10.4 Implementation of R/R Projects.

10.4.1 All R/R Projects shall be performed in a good and workmanlike manner using good quality materials and supplies, and components and replacement parts that are of equal or better quality than the quality of those being repaired or replaced and shall be performed through completion. The Limited Partnership shall obtain all development approvals and permits from the appropriate regulatory agencies prior to commencing any R/R Projects and shall perform all such R/R Projects in compliance with the Laws. The Limited Partnership shall obtain the advance approval of the Art in Public Places Administrator for any R/R Project that involves Art.

10.4.2 The Limited Partnership shall use its standard purchasing practices for all contracts/purchase orders entered into in connection with R/R Projects; provided that all purchases are undertaken and awarded by a competitive process. Unless the Limited Partnership has included qualification based criteria in the bid and the Limited Partnership can reasonably demonstrate that the low bidder did not meet those qualification criteria, the only justifications for not choosing the low bidder are either: 1) an award to the next lowest bidder in order to contract with a Palm Beach County certified SBE vendor and the SBE vendor's bid does not exceed the low bidder's price by ten percent (10%), or 2) an award to the next lowest bidder in order to contract with a bidder meeting the Palm Beach County's definition of local business and the local business's bid does not exceed the low bidder's price by five percent (5%). Preferences are not cumulative and in the event of a conflict, the SBE preference is of higher priority.

10.4.2.1 Qualification Based Selection Criteria. When necessary, the Limited Partnership may use qualification-based selection criteria as a pre-bid step or as part of a competitive selection provided that the qualification based selection criteria is objective, directly responsive to the work, and does not limit competition among qualified bidders.

10.4.2.2 Projects in Excess of \$200,000. The Limited Partnership shall obtain a payment and performance bond in conformity to the requirements of Florida Statute § 255.05 on the County's most current form and from a surety meeting the County's requirements for all projects in excess of \$200,000, or such monetary limit as in effect at the time of the R/R Project.

10.4.3 For each and every project designated as a County R/R Project on the Approved R/R Project Schedule and prior to the Limited Partnership entering into a contract or purchase order for any individual R/R Project, the Limited Partnership shall submit; 1) the scope of work that was used as the basis for the bid, 2) a bid tabulation sheet that sets forth the vendor/contractor name and bid amount for each bid response ("R/R Project Bid Tabulation Sheet"), and 3) a copy of the Limited Partnership's proposed contract or purchase order which identifies the final scope of work to be purchased and a copy of the vendor's/contractor's insurance certificate naming the County as an additional insured. Within seven (7) Days of the County's receipt of the foregoing, the County will issue a purchase order to the Limited Partnership in the amount of the intended awardee's bid plus an additional five percent (5%) contingency ("R/R Purchase Order").

10.4.4 For any County R/R Projects, the same requirements and process set forth above in this Section 10.4 shall apply and be used in connection with the reimbursement to the Limited Partnership of the costs and expenses incurred by the Limited Partnership for all design, testing lab and construction services agreements as well as any permit/approval fees paid to a governmental or regulatory entity.

10.4.5 Requests for payment against R/R Purchase Orders shall be made at intervals determined by the Limited Partnership, but no more frequently than semi-monthly. Requests for payment against R/R Purchase Orders shall be made by the Limited Partnership to the County and shall include; 1) the R/R Purchase Order number, 2) a copy of the vendor's/contractor's request for payment or invoice, and 3) evidence of payment by the Limited Partnership. For the purposes of this Section, a copy of a check written by the Limited Partnership or a bank statement indicating electronic payment details including vendor's/contractor's name, shall constitute evidence of payment. Any request for payment which includes a request for use of contingency funds, shall include a copy of the change order issued by the Limited Partnership to the vendor/contractor and shall specifically identify: 1) the scope of work included in the change order; 2) the amount of the change order; 3) the new total contract amount; and 4) an explanation of the reason for the change order. Any final payment request against each R/R Purchase Order shall be marked accordingly. Once the County has received a request for payment on an R/R Purchase Order, together with the foregoing documentation ("R/R Payment Request"), the County shall within five (5) Business Days from receipt of the R/R Payment Request review the request and notify the Limited Partnership if such request is complete or deficient. If the R/R Payment Request is deficient the Limited Partnership shall resubmit its R/R Payment Request to the County and the County shall within five (5) Business Days from receipt of the subsequent R/R Payment Request review such submittal and notify the Limited Partnership if such submittal is complete or deficient. This process shall continue until such time as the County receives a complete R/R Payment Request. Once the County receives a complete R/R Payment Request, the County shall make payment against the R/R Purchase Order within twenty-one (21) Days.

ARTICLE 11

REVENUE STREAMS

11.1 Generally. The Limited Partnership shall be entitled to receive and to retain all revenue streams, now known or hereafter devised, in connection with the year-round operation of the Facility for any and all events at the Facility, except as set forth in Section 5.3 or as may otherwise be set forth in a written agreement for use of the Facility. Notwithstanding anything herein to the contrary, the Limited Partnership shall not enter into any contracts or agreements regarding the Facility that extend beyond the expiration of the Term of this Agreement. Additionally the Limited Partnership shall not enter into any agreements including, but not limited to, sponsorship agreements or donor agreements in exchange for naming rights, containing language that prohibits the County from using, or providing incompatible products at no cost or charge to event participants during a Tourism Enhancement or Community Event, or in any way that restricts the promotional or advertising opportunities at Tourism Enhancement or Community Events. The County acknowledges that the sale of products incompatible with the Limited Partnership's agreements is prohibited. Furthermore, the Limited Partnership shall include language in each and every contract or agreement regarding the Facility that the Limited

Partnership enters into, that such contract or agreement is not binding upon the County and may be terminated in the event this Agreement is terminated. Without limiting the foregoing, the provisions of Sections 11.2 through 11.6 more specifically address certain revenue streams.

11.2 Ticket Sales. The Limited Partnership shall set ticket prices and entry fees for all events at the Facility, other than Tourism Enhancement or Community Events, and shall be entitled to receive all revenue collected by the Limited Partnership. The Limited Partnership shall have the right to fix the charges for tickets in its sole discretion; provided, however, that the Limited Partnership's ability to charge admission, and the amount of any admission charges, shall be subject to all MLB Rules and Regulations, and any applicable MLB PDL rules, guidelines, regulations, requirements, directives and/or policies, as the same now exists or may be amended or adopted in the future. No direct or indirect ticket surcharges, franchise fees, charges, taxes, or, without limitation, other fees may be instituted or imposed by the County for admissions to baseball-related events at the Facility without the Limited Partnership's prior written consent, which consent may be withheld or conditioned in the Limited Partnership's sole discretion.

11.3 Parking. Except for Tourism Enhancement or Community Events as set forth below, all revenues from all sources, including parking, shall be retained by the Limited Partnership. The fees to be charged for such parking shall be determined by the Limited Partnership in its sole discretion. For Tourism Enhancement or Community Events, the TEE Operator or Community Event Operator shall only be charged the cost to prepare, manage and/or administer the parking for the Tourism Enhancement or Community Event, and in no case shall the TEE Operator or Community Event operator be charged for the use of the Parking Areas.

11.4 Concessions. The Limited Partnership, or its designees, shall be the exclusive concessionaires and shall sell all concession items at all events held in and at the Facility and designated parking areas and retain all Concession Revenues, including Concession Revenues from all Tourism Enhancement and Community Events. Subject to MLB Rules and Regulations, such concession stand items shall include but shall not be limited to, in the Limited Partnership's sole discretion, all foods, beverages (alcoholic and non-alcoholic), scorecards, programs, yearbooks, vending machines, merchandise, including but not limited to novelty items carrying the Limited Partnership's or one or both of the Teams' logos or the logo of any other Major League Club or PDL Club, as well as any interactive games, video games, batting or pitching cages and other entertainment-oriented retail or food service items, including, without limitation, any Spring Training Season related promotions and advertising, and any event-related activities scheduled by the Limited Partnership. The Limited Partnership's rights hereunder shall include, without limitation, the exclusive right to vend concession and novelty items from permanent or portable concession units located at the Facility, and, to the extent permitted by law, on public streets and ways abutting any portion of the Facility or the immediately adjacent parking areas. To the extent of the County's jurisdiction, the County agrees to deny any other person or entity the right to sell concessions, and novelty, food and beverage, and retail items in or at the Facility. Limited Partnership hereby acknowledges and agrees that its use and operation of the Facility hereunder shall comply with all Laws.

11.5 Advertising/Broadcasting.

11.5.1 All revenues received by the Limited Partnership from all advertising, promotions or sponsorships (including without limitation scoreboard/message center advertising during any of the events or activities at the Facility, annual billboard signage (e.g., outfield fence, concourses and other advertising signage at the Facility), marquee signage, naming rights, advertising rights and, without limitation, other rights with regard to the name of the Facility or any part thereof shall be the sole property of the Limited Partnership for the Term of this Agreement.

11.5.2 The Limited Partnership shall have and control all naming rights to the Facility and all parts thereof. Naming rights shall not be subject to termination by the County until the date of the expiration of the Term or the earlier termination thereof. If necessary, the County shall assist the Limited Partnership in obtaining any permits or licenses required under the laws or regulations of any government authority and necessary to the scoreboard message center and billboard advertising. The County shall also not unreasonably withhold its approval of any such permits or licenses required under its laws or regulations, if necessary. Notwithstanding anything to the contrary in this Agreement, any advertising, signage, sponsorship or naming rights shall comply with all MLB Rules and Regulations.

11.5.3 The Limited Partnership, Major League Baseball and/or the Teams shall receive all revenue from radio broadcast, cablecast, televising, or other video and/or audio means of broadcasting or transmitting any or all portions of any games played by the Teams or any other Major League Clubs, PDL Clubs, WBC games or events, or any other teams other than Tourism Enhancement Events or Community Events. The County shall not participate in any revenue or in any manner, in determining when or whether said games shall be televised, cablecast or broadcast. The County will not directly or indirectly charge or impose special fees, permits or hook-up expenses to the Limited Partnership or its broadcasters, cable casters or telecasters. If any provisions of this Agreement conflict with any provisions of any agreement between Major League Baseball and any national rights holder (each such agreement a "National Rights Agreement"), the National Rights Agreement shall in all respects control.

11.6 **Other Revenue.** Except as otherwise provided in Section 5.3, the Limited Partnership shall be entitled to any and all fees from third-parties for use of the Facility during the Term, as well as any other monies, without limitation, generated pursuant to other revenue streams not enumerated above, provided however, that any agreements with other entities requiring construction, alteration, and related permitting or approvals shall require the prior written consent of the County and shall require the Limited Partnership to enter into a written agreement with such entity.

ARTICLE 12 **TOURIST PROMOTION**

12.1 County Tourism Identity Logo and County Seal.

12.1.1 The County shall provide the Limited Partnership with the form of the County Seal and the Tourism Identity Logo upon request. The County shall provide the Limited Partnership with copies of any update or revision to the County Seal and/or Tourism Identity Logo, and within ninety (90) Days thereafter, the Limited Partnership shall update its marketing and

promotional materials, including the County Seal or Tourism Identity Logo pursuant to Section 12.1.2 herein, to the newest version.

12.1.2 Unless precluded by MLB Rules and Regulations or the design of the Facility, the Limited Partnership will place the County's Tourism Identity Logo or County Seal, at the County's election, which shall be no larger than three (3) feet in diameter, in a visible location inside the stadium at the Facility.

12.1.3 Prior to the start of the Championship Season, the Limited Partnership shall cause the Teams to coordinate the placement and content of marketing services and promotions within each Home City MLB Stadium with the TDC. It is understood, however, that the exact placement and content of such marketing services and promotions will not be such to adversely impact either the stadium aesthetics or the Teams' baseball operations, and shall be in all instances subject to MLB Rules and Regulations. There shall be no changes to the colors of the Tourism Identity Logo or the County Seal used in such marketing services and promotions unless approved in advance by the TDC Representative and the County.

12.1.4 Reserved.

12.1.5 The Limited Partnership shall cause the Teams to use the County Seal and County Tourism Identity Logo in all in-County marketing efforts, except for those marketing efforts that do not include any graphics, print or visual media and excluding merchandise and on-Site signage.

12.1.6 Notwithstanding anything in this Agreement to the contrary, in the event that the MLB Rules and Regulations preclude (i) the County from exercising the rights granted in this Article 12, and/or (ii) the Limited Partnership from performing its obligations as set forth in this Article 12, then the Limited Partnership shall provide the County with an alternative marketing tool that provides the County with benefits that are of equal or greater value to those that are provided for in this Article 12 and that are acceptable to the County in the County's reasonable discretion.

12.2.1 As additional consideration for the use of the Team Improvement Areas, the Limited Partnership shall cause the Cardinals to annually provide tourism marketing and promotional services for the Facility valued at no less than \$500,000 annually, at the Cardinals' Home City MLB Stadium or to the Cardinals' Home City audience. The \$500,000 annual obligation shall increase by 10% every five (5) years during the Term of this Agreement.

12.2.2 Three months prior to the start of the Spring Training Season, the Limited Partnership shall cause the Cardinals to present a draft promotional plan, including the content, proposed placement and then current value of the materials and promotion to be provided in the Home City, to the TDC to come to a mutually agreeable plan.

12.2.3 This plan may be inclusive of social media channel strategy, digital promotions on Team websites, broadcast radio strategy for the radio networks and multi-lingual stations, broadcast television, traditional hospitality, ticketing and public relations opportunities

for in-home market entertainment of potential business to business clients, e.g., travel agents, meeting planners, along with any local charity connections the Team is supporting, print programs, line-up cards, and welcome center materials to be used at Florida Welcome Centers for the drive market. A list of marketing assets that may be included in the promotional plan is attached hereto as **Exhibit F**.

12.2.4 For Major League Spring Training Home Games of the Cardinals, the Limited Partnership shall cause the Cardinals' radio rights holders to provide a minimum of one (1) live drop-in announcement promoting tourism in Palm Beach County. The TDC will provide factual talking points related to leisure traveler points of interest that can be used by game announcing personalities during the radio broadcast. The Tourist Development Council will provide for television broadcasts of Major League Spring Training Home Game including video content and "B" roll of tourism assets throughout Palm Beach County. The TDC shall submit the content required for all drop-in announcements by February 15th of each year.

12.2.5 In the event the Cardinals and the TDC cannot reach agreement on the promotional plan, the Limited Partnership shall cause the Cardinals to attend dispute resolution with the County pursuant to Article 18 for the sole purpose of resolving the dispute on the content, placement and value of the services.

12.3 Marlins' Obligations.

12.3.1 As additional consideration for the use of the Team Improvement Areas, the Limited Partnership shall cause the Marlins to annually provide tourism marketing and promotional services for the Facility valued at no less than \$500,000 annually, at the Marlins' Home City MLB Stadium or to the Marlins' Home City audience. The \$500,000 annual obligation shall increase by 10% every five (5) years during the Term of this Agreement.

12.3.2 Three months prior to the start of the Spring Training Season, the Limited Partnership shall cause the Marlins to present a draft promotional plan, including the content, proposed placement and then current estimated value of the materials and promotion to be provided in the Home City, to the TDC to come to a mutually agreeable plan.

12.3.3 This plan may be inclusive of social media channel strategy, digital promotions on Team websites, broadcast radio strategy for the radio networks and multi-lingual stations, broadcast television, traditional hospitality, ticketing and public relations opportunities for in-home market entertainment of potential business to business clients, e.g., travel agents, meeting planners, along with any local charity connections the team is supporting, print programs, line-up cards, and welcome center materials to be used at Florida Welcome Centers for the drive market. A list of marketing assets that may be included in the promotional plan is attached hereto as **Exhibit F**.

12.3.4 For Major League Spring Training Home Games of the Marlins, the Limited Partnership shall cause the Marlins' radio rights holders to provide a minimum of one (1) live drop-in announcement promoting tourism in Palm Beach County. The TDC will provide factual talking points related to leisure traveler points of interest that can be used by game announcing personalities during the radio broadcast. The Tourist Development Council will

provide for television broadcasts of Major League Spring Training Home Game including video content and "B" roll of tourism assets throughout Palm Beach County. The TDC shall submit the content required for all drop-in announcements by February 15th of each year.

12.3.5 In the event the Marlins and the TDC cannot reach agreement on the promotional plan, the Limited Partnership shall cause the Marlins to attend dispute resolution with the County pursuant to Article 18 for the sole purpose of resolving the dispute on the content, placement and value of the services.

12.4 County's Obligation to Promote. The County shall use reasonable efforts to promote the presence of the Teams' baseball operations and to promote the sale of tickets to all events at the Facility, by all reasonable methods incidental with its regular tourist promotion activities.

12.5 Sponsorship Benefits Package. In consideration for the payment obligations required from the County under this Agreement, the Limited Partnership may, in addition to the other rights and benefits provided by the Limited Partnership to the County hereunder, provide the County with such additional rights and benefits for baseball games and other events at the Facility (including, without limitation, tickets, advertising, hospitality, and/or other rights or benefits) as determined solely by the Limited Partnership each year during the Term. The value of said additional rights and benefits shall not exceed the amount of the County's payment obligations under this Agreement.

ARTICLE 13

TRANSFER OF TEAM OWNERSHIP/ ASSIGNMENT OF AGREEMENT

13.1 Assignment and Transfer of Interests. Except as permitted by Section 13.2, the Limited Partnership Parties may not assign, convey, or transfer this Agreement, or any interest in this Agreement, nor may a Team assign, convey or transfer its interest in the Limited Partnership without the prior, written consent of the Florida Department of Economic Opportunity ("DEO") and the County, provided such consent shall not be unreasonably withheld; provided, however, that, notwithstanding the foregoing, the Limited Partnership may, without the necessity of the County's consent, assign this Agreement and its rights, obligations and interests herein to a Reorganized Company as described in Section 34.16 hereof. The County shall not assign this Agreement without the written consent of the Limited Partnership.

13.2 Conditions for Approval of Transfer of Team Ownership.

13.2.1 Nothing herein shall prohibit or in any way prevent an owner of an interest in a Team (including its successors and assigns) from transferring all or any part of its respective ownership interest in the Team, at any time, subject, however, to the continuing obligations of the Team pursuant to this Agreement and the Guaranty set forth in Section 16.7 herein. In addition thereto, the Team itself, at any time, shall have the absolute and unconditional right to transfer its assets, inclusive of the asset representing the MLB franchise and the Team's ownership interest in the Limited Partnership, (provided no interest in the Limited Partnership shall be transferred separately from the asset representing the MLB franchise to another Major League Club unless

such separate transfer otherwise meets the requirements of this Agreement), and provided the entity assuming the obligations of the transferring Team, or an Affiliate of such entity, meets the net worth requirements of the Guaranty set forth in Section 16.7. Transfer of Team ownership (either by transfer of ownership interest or sale of the MLB franchise by the Team) in no way releases, extinguishes or alters the Limited Partnership's responsibilities pertaining to the Operative Agreements. Provided the transferring entity is not in default of the Operative Agreements at the time of transfer, a transfer of an MLB franchise in accordance with the above and execution of the assignment and assumption agreement, shall release, extinguish and forever discharge the obligations of the transferring ownership entity for any matter attributable to the transferring entity under the Operative Agreements from and after the date of transfer. The County agrees to provide any new owner, or potential acquirer of the Team or its assets (either by transfer of ownership interest or sale of the MLB franchise, or interest in the Limited Partnership by the Team) with an estoppel certificate within fifteen (15) Business Days of receipt of written request from the Limited Partnership, setting forth the status of the Operative Agreements and any default(s) under the Operative Agreements, and if so, summarizing such default(s).

13.2.2 Nothing herein shall prohibit or in any way prevent an owner of an interest in the Limited Partnership, including its successors and assigns, from transferring all or any part of its ownership interest in the Limited Partnership, at any time, to an Affiliate, provided that each Guaranty always remains in full force and effect. In addition thereto, a Team (or Teams), (or its Affiliate), may assign or transfer its interest in the Limited Partnership (or the Limited Partnership, itself, may assign or transfer its interest in the Operative Agreements), to another Major League Club (or Major League Clubs) only with DEO's prior written consent, which consent shall not be unreasonably withheld, provided the following conditions have been satisfied: 1) the proposed Club assignee(s) can demonstrate equal or greater attendance records at its current Spring Training Season facility, averaged over the last three (3) Spring Training Seasons, as compared to the assignor Team(s); 2) the assignee Team(s) assumes 100% of the assignor's Team(s) obligations pursuant to the Operative Agreements beginning from the date of execution of this Agreement; 3) the assignee Team(s) meets the net worth or fair value of equity requirements of the Guaranty set forth in Section 16.7; 4) the assignee Team(s) executes an Agreement and a Guaranty in the same form as this Agreement and the Guaranty incorporated herein by reference in Section 16.7, specifically relating back to the respective, original Agreement and Guaranty execution dates; 5) the Major League Club(s) assignee(s), assuming the obligations of the assignor Team(s), must not be terminating early or breaching an existing agreement funded in whole or in part by State funds, including, but not limited to funds obtained pursuant to sections 288.11621 and 288.11631 of the Florida Statutes; and 6) the resulting assignment or transfer must result in two separate Major League Clubs agreeing to continually use the Facility for their Spring Training Home Games for the balance of the Term of, and in keeping with, this Agreement. Provided such assignor Team(s) is not in default of the Operative Agreements at the time of transfer, such transfer shall release, extinguish and forever discharge the obligations of the transferring/assignor Team(s) for any matter attributable to the transferring/assignor Team(s) under the Operative Agreements from and after the date of transfer or assignment. The County agrees to provide any such new owner, or potential acquirer of any interest in the Limited Partnership or its assets, with an estoppel certificate within fifteen (15) Business Days of receipt of written request from the Limited Partnership, setting forth the status of the Operative Agreements and any default(s) under the Operative Agreements, and if so, summarizing such default(s).

13.2.3 A Team may enter into written sub-use agreement(s) with MLB Entities or Major League Clubs for periodic uses of the Facility. Any such sub-use agreement shall in no way release or extinguish the obligations of the Limited Partnership pursuant to this Agreement or the obligations of the Teams pursuant to this Agreement and the Guaranty executed by the Teams as set forth in Section 16.7 herein.

13.3 **General Partner.** The present General Partner of the Limited Partnership, JS Stadium, Inc., shall have the absolute right without condition or restriction, to transfer its interests and/or responsibilities in the Limited Partnership to Affiliate entities or individuals. The County will be provided notice within thirty (30) Days of such transfer. Notwithstanding anything in this Agreement to the contrary, the rights contained in this Section 13:3 shall be simultaneously assigned to the Reorganized Company (or its designated Affiliates) in the event of a Reorganization pursuant to Section 34.16 hereof, without the necessity of any approvals by the County.

ARTICLE 14

TAXES

14.1 **Generally.** The Parties agree that the use of the Facility is as a sports facility with permanent seating and as a stadium. The Parties reasonably believe that the Facility, the Limited Partnership's interest therein and operation thereof, are presently immune from Ad Valorem and/or real estate taxes as the Site and the Facility are owned by the County. Provided the Facility is used primarily as a public sports facility, the County and the Limited Partnership agree to reasonably cooperate together in: 1) maintaining or obtaining an Ad Valorem and/or real estate tax immunity throughout the Term, and 2) challenging or contesting any real estate taxes, Ad Valorem assessments or similar real estate taxes that impact the Limited Partnership's interest in or operation of, the Facility. Notwithstanding the above, the Limited Partnership shall have sole liability and responsibility for all Ad Valorem or real estate taxes or assessments that are imposed or assessed against the Site, the Facility, the Limited Partnership's interest therein, and/or the Limited Partnership's operation thereof, except as otherwise set forth in Section 14.2. The Limited Partnership shall have sole responsibility and liability for all lawful taxes, assessments, licenses and charges on the operations at the Facility including, but not limited to, all lawful taxes, assessments, licenses and/or charges on Personal Property and Capital Improvements located at the Facility, as well as on goods, merchandise, equipment and property owned by the Limited Partnership and/or the Teams and located in or about the Facility for which an exemption is not available. It is the Parties' express intention that the Limited Partnership shall have sole liability for back taxes, penalties, fines or fees that may result from an audit or review of the Limited Partnership's operations at the Facility. This provision shall in no way be construed as restricting the County or the Limited Partnership from contesting the legality of any tax or assessment and the County agrees to use good faith efforts to assist the Limited Partnership in contesting any such tax, imposition or assessment.

14.2 **Payment.** It is the intent of the County to not have the Limited Partnership be financially impacted by the assessment of Ad Valorem taxes. If, in the future, any Ad Valorem real property taxes are imposed or assessed against the Site, the Facility, the Limited Partnership's interest therein and/or the Limited Partnership's operation thereof the County agrees to pay all

such Ad Valorem real property taxes when due. The County's obligation to pay the Ad Valorem taxes pursuant to this Section 14.2, is solely contingent on; 1) the Limited Partnership providing evidence of the tax bill (if applicable) to the County within 5 working Days of receipt, and 2) the Town of Jupiter agreeing to reimburse the County for Ad Valorem taxes due to the Town. If necessary to meet the intent of this provision, the Parties will agree to alternative arrangements to meet said intent.

ARTICLE 15

LITIGATION AND INDEMNITY

15.1 Litigation. The Limited Partnership shall be responsible for the defense of all litigation, hearings, claims, demands or suits, including appeals, or other liability, arising as a result of the development, operation, or use of the Site and Facility, including such litigation, claims, demands, suits and proceedings where the County has been named as a Defendant or Respondent, to the extent such litigation, claim, demand or suit, concerns any obligation or duty of the Limited Partnership concerning the Site and Facility under any of the Operative Agreements. This includes, but is not limited to, claims, demands, accidents or injuries, suits, or other liability involving personal injuries at the Facility, including, but not limited to, driveways, sidewalks, entrances and exits from the Site and Facility. Notwithstanding the above, the Limited Partnership shall not be responsible for the defense of any taxpayer challenge to the County or governmental funding of the Site and/or Facility. The County agrees to be responsible for all litigation, hearings, claims, demands or actions, including appeals, or other liability, to the extent and limits provided in Florida Statutes, Section 768.28, arising solely from the actions of the County's employees. The Parties acknowledge that the foregoing shall not; 1) constitute an agreement by the County to indemnify the Limited Partnership; 2) be construed as a waiver of sovereign immunity, 3) constitute a waiver of any defense the County may have under Section 768.28, Florida Statutes, or any other statutes, or 4) constitute consent to be sued by third parties.

15.2 Indemnification.

15.2.1 The "County Indemnified Parties" means the County, including each of its respective agents, employees and elected officials.

15.2.1.1 The Limited Partnership agrees to protect, defend, reimburse, indemnify and hold County Indemnified Parties free and harmless at all times from and against any and all claims, liability, expenses, losses, costs, fines and damages (including attorney's fees at trial and appellate levels) and causes of action of every kind and character against, or in which the County is named or joined, for any damage to property or the environment, economic losses, or bodily injury (including death) incurred or sustained by any Person, arising out of, or in incident to, or in connection with; (i) the use and operation of the Facility and all driveways, sidewalks, walkways, entrances and exits from the Site and Facility, (ii) any act or omission of the Limited Partnership Parties, (iii) the Limited Partnership's performance, non-performance or purported performance under this Agreement, and/or (iv) the condition of the Facility and Site caused by the Limited Partnership's failure to adequately repair and maintain the Facility and Site.

15.2.1.2 The Limited Partnership further agrees to hold harmless and indemnify the County for fines, citations, court judgments, insurance claims, restoration costs,

damages, or other liability resulting from the Limited Partnership Parties' activities pursuant to this Agreement, whether or not Limited Partnership was negligent or even knowledgeable of any events precipitating a claim or arising as a result of any situation involving the Limited Partnership Parties' activities.

15.2.1.3 In case the County shall be made a party to any litigation commenced against the Limited Partnership Parties or by the Limited Partnership Parties against any third party related to the Limited Partnership Parties' activities or obligations pursuant to this Agreement, then the Limited Partnership shall protect and hold harmless and pay all costs and reasonable attorney's fees incurred by the County in connection with such litigation, and any appeals thereof.

15.2.1.4 The foregoing indemnification shall not apply to the extent any claims, liability, expenses, losses, fines and damages arises from the negligent or willful acts of the County Indemnified Parties.

ARTICLE 16

B. Commercial General Liability. Coverage shall have minimum limits of \$5,000,000 per occurrence and \$10,000,000 in the aggregate for Bodily Injury Liability and Property Damage Liability, which limit can be evidenced by any combination of primary and excess coverage. This shall include Premises and Operations; Personal and Advertising Injury; Products and Completed Operations; Contractual Liability; Liquor Liability; and Athletic Participation coverage.

C. Automobile Liability. Coverage will include all owned, non-owned, leased and hired team vehicles with minimum limits of no less than \$1,000,000.00 per accident.

16.2 Limited Partnership Insurance. The Limited Partnership shall secure and maintain, or shall cause to be secured and maintained, during the Term, at no cost to the County, the following coverages covering its operations hereunder, provided, however, that if the obligations are met by an Umbrella Policy, such policy shall be as broad as the primary:

A. Workers' Compensation. Insurance covering all Limited Partnership employees meeting statutory limits in compliance with the applicable state and federal laws.

B. Commercial General Liability. Coverage shall have minimum limits of \$5,000,000 per occurrence and \$10,000,000 in the aggregate for Bodily Injury Liability and

Property Damage Liability, which limit can be evidenced by any combination of primary and excess coverage. This shall include Premises and Operations; Personal and Advertising Injury; Products and Completed Operations; Contractual Liability; Liquor Liability; and Athletic Participation coverage.

C. Automobile Liability. Coverage will include all licensed owned, non-owned, leased or hired Limited Partnership autos with minimum limits of no less than \$1,000,000.00 per accident.

D. Property Insurance for Limited Partnership Restoration Areas. The Limited Partnership shall insure the Limited Partnership Restoration Areas against damage or destruction by fire, flood, hurricanes, tornadoes, terrorism or other casualty under a standard "all risk" insurance policy. Insurance shall be for one hundred percent (100%) replacement value. In the event of a casualty, the Limited Partnership shall be responsible for paying the deductible.

16.3 Additional Requirements.

16.3.1 All insurance policies must be issued by an insurance carrier with an A.M. Best rating of A- and Class VII or better.

16.3.2 The Limited Partnership shall cause the County to be included as an additional insured (and not as a named insured) for claims arising in connection with the Limited Partnership's operations on the Commercial General Liability Policy (using ISO Form CG2010 10 101 or its equivalent) and the Automobile Policy. The Additional Insureds shall include "Palm Beach County Board of County Commissioners, a Political Subdivision of the State of Florida, its Officers, Employees and Agents", c/o Property & Real Estate Management Division, 2633 Vista Parkway, West Palm Beach, FL 33411-5605. All liability insurance policies must provide Cross Liability coverage (separation of insureds or severability of interest provisions). Coverage for the County as an additional insured on the Commercial General Liability, Automobile Liability and Umbrella Liability policies shall apply on a primary basis irrespective of any other insurance, whether collectible or not, for claims arising in connection with the operations of the Limited Partnership. No policy shall contain a self-insured retention, but may have a deductible.

16.3.3 Current valid insurance policies meeting the requirements herein identified shall be maintained during the Term. Renewal certificates shall be sent by the Limited Partnership to the County as soon as practicable after the policy is renewed. There shall also be a ten (10) Day notification to the County in the event of cancellation of any stipulated insurance coverage.

16.4 County Insurance. The County shall secure and maintain during the Term the following coverage:

A. Property Insurance. The County shall insure the Facility against damage or destruction by fire, flood, hurricanes, tornadoes, terrorism or other casualty under a standard "all risk" insurance policy ("Damage"), except as otherwise set forth in Section 17.2. Insurance shall be for one hundred percent (100%) replacement value. The County shall be responsible for paying deductible costs, except that in the event the damage by fire or by other casualty is due to any fault or neglect of the Limited Partnership, then the Limited Partnership shall be responsible

for paying a reasonable deductible, not to exceed One Hundred Thousand Dollars (\$100,000.00) in the aggregate.

B. Renewal. Current valid insurance policies meeting the requirements herein identified shall be maintained by the County during the Term. Renewal certifications shall be sent by the County to the Limited Partnership as soon as practicable after the policy is renewed. There shall also be a ten (10) Day notification to the Limited Partnership in the event of cancellation of any stipulated insurance coverage.

C. Other Insurance. Without waiving the right to sovereign immunity as provided by Florida Statutes §768.28, the County shall maintain, during the entire term hereof, self-insurance coverage or third-party insurance coverage for comprehensive general liability and automobile liability in the amount of Two Hundred Thousand Dollars (\$200,000) per person and Three Hundred Thousand Dollars (\$300,000) per incident or occurrence and Worker's Compensation insurance covering all County employees in accordance with Florida Statutes Chapter 440. In the event the Legislature should change the County's exposure by statute above or below the sums insured against, the County shall maintain insurance or self-insurance to the extent of that exposure. Upon request by the Limited Partnership, the County shall provide a statement or certificate of insurance evidencing its insurance, and/or self-insurance coverage.

16.5 Waiver of Sovereign Immunity. The County acknowledges the waiver of sovereign immunity for liability in tort contained in Florida Statutes §768.28 and acknowledges that such statute permits actions at law against the County to recover damages in tort for money damages up to the amounts set forth in such statute for injury or loss of property, personal injury, or death caused by the negligence or wrongful act or omission of an employee of the County while acting within the scope of the employee's office or employment under circumstances in which the County, if a private person, would be liable under the general laws of this State.

16.6 Waiver of Subrogation. The County and the Limited Partnership each hereby waive any and all rights of recovery against each other and their respective partners, agents and employees for loss or damage arising from any cause insured against under any policy of insurance required to be carried by such waiving Party to the extent of all proceeds recovered thereunder.

16.7 Guaranty. The full and unconditional performance of the obligations of the Limited Partnership set forth in this Agreement is guaranteed by the Teams, pursuant to the Marlins' Guaranty and the Cardinals' Guaranty, which are attached to the **New Developer Agreement as Exhibits I-1 and I-2** and incorporated herein by reference. Any attempt by a Team to rescind or terminate its Guaranty to this Agreement shall constitute a material breach of this Agreement, excluding an authorized transfer or assignment as set forth in Article 13. Each Guaranty is an unconditional, absolute, irrevocable, general and continuing guaranty.

16.8 Notification to County. In the event of: 1) a life threatening or dangerous incident or injury where the Limited Partnership is made aware that medical attention was sought and occurred within a Public Use Improvement of the Facility, and/or; 2) any claim or action that names the County or alleges that the County has responsibility in whole or in part, the Limited Partnership shall notify the County's Risk Management Department and provide general

information concerning the claim and cooperate with the County in investigating and taking such action as may be appropriate.

ARTICLE 17
DAMAGE/DESTRUCTION OF FACILITY

17.1 Casualty Loss.

17.1.1 If all, or any portion of the Facility, other than the Limited Partnership Restoration Areas, is damaged or destroyed by fire, flood, wind, weather related event, natural disaster or other casualty (a "Casualty Loss"), the County, shall fund the repair and restoration of that portion of the Facility to the greater of the condition existing immediately prior to such Casualty Loss or the condition required by Law, provided, however, that the County is under no obligation to fund the repair and restoration of any work in regard to the Limited Partnership Restoration Areas, and provided that the County is under no obligation to fund the repair or restoration of any property damage resulting from deviations from the County's standard design and construction policies that are identified in **Exhibit F to the New Developer Agreement**.

17.1.2 In advance of a named tropical storm or other local public service announcements of sustained winds in excess of 45 mph, the Limited Partnership has the responsibility and obligation for taking reasonable measures to prepare the Facility as if it was the owner of the Site and Facility. Particularly, the Limited Partnership shall be responsible for securing personal property, ensuring that all building openings are closed, installing wind protection devices that were purchased with Project Proceeds, and for removing construction materials and any other temporary equipment that may otherwise be stored on the Site. Within 48 hours of a wind event concluding, the Limited Partnership has the responsibility and obligation to; i) evaluate the site for damage to the Facility which is the financial responsibility of the County pursuant to Section 17.1.1, and ii) contact the County's Representative to review the evaluation described in i) above, and for instructions for mitigating further damage to the Facility and proceeding with the repair and restoration of the Facility.

17.1.3 If, in the Limited Partnership's good-faith judgment, there is substantial interruption with the operation of the Limited Partnership's activities at the Facility as a result of a Casualty Loss which requires the Limited Partnership to temporarily utilize other facilities, or cancel scheduled events at the Facility, the Limited Partnership shall schedule spring training activities and the games of the Teams at other facilities and the Limited Partnership's obligations under this Agreement, including payment of the fees set forth in Article 6 herein, shall be temporarily suspended until the County has performed its obligation to fund the repair and restoration of the Facility as required in Section 17.1.1 to permit the intended use hereunder. The County, the Limited Partnership, and the Teams agree to use good faith efforts to apply any applicable benefits and proceeds under any applicable insurance policies received for the Facility to restore the Facility to a usable condition in the shortest period of time. In addition, the Teams agree, after thoroughly evaluating all player and visitor safety issues, and determining that it is safe to do so, to resume the use of the Facility for Spring Training in advance of the entire restoration being completed. If the Facility repair and restoration is not or will not be funded by the County as required in this Article 17 within three (3) years of the date of the Casualty Loss,

then the Limited Partnership will have the option to terminate this Agreement. The Limited Partnership shall provide written notice of termination pursuant to this Section 17.1.3 to the County, and upon such termination, the County and the Limited Partnership shall be relieved of their obligations hereunder, except as expressly provided herein to the contrary in this Agreement.

17.1.4 Upon receipt of the County funding pursuant to Section 17.1.1 or 17.1.3, the Limited Partnership shall perform the repair and restoration diligently and expeditiously to the greater of the condition existing immediately prior to such Casualty Loss or the condition required by Law.

17.2 Limited Partnership Restoration Areas.

17.2.1 The repair and restoration of the Limited Partnership Restoration Areas following a Casualty Loss shall be the sole responsibility of the Limited Partnership. The Limited Partnership shall repair, restore and rebuild the Limited Partnership Restoration Areas as is required in order to resume use of the Facility for its intended use. The County may consider, but is not required, to temporarily suspend the Limited Partnership's fee obligations pursuant to Article 6 of this Agreement in the event of a Casualty Loss to the Limited Partnership Restoration Areas.

17.2.2 All property damaged or destroyed as a result of deviations from the County's standard design and construction policies identified in **Exhibit F to the New Developer Agreement**, shall be considered Limited Partnership Restoration Areas for the purposes of determining financial responsibility for claims including, but not limited to, damage to personal property, damage to the Facility, all property insurance claims and deductible costs and financial responsibility for repairs or restorations to property resulting from said deviations.

17.2.3 All property damaged or destroyed as a result of the Limited Partnership adding to, modifying, or using a structure in a manner other than its intended use, or without first seeking any and all approvals and permits for the addition, modification, or use shall be considered Limited Partnership Restoration Areas for the purposes of determining financial responsibility for claims including, but not limited to, damage to personal property, damage to the Facility, all property insurance claims and deductible costs and financial responsibility for repairs or restorations to property resulting from said deviations. For clarity, this Section 17.2.3 is not intended as an exemplification of Section 17.2.2.

ARTICLE 18
DISPUTE RESOLUTION

18.1 Dispute Resolution. The Limited Partnership and the County agree to make every reasonable effort to resolve any dispute under this Agreement prior to either Party's proceeding to file a lawsuit due to a default by the other Party. Accordingly, in the event of a dispute related to the performance of either the Limited Partnership or the County under this Agreement, the Limited Partnership and the County agree not to file a lawsuit until they have engaged in an expedited dispute resolution mediation process, the parameters of which are to be agreed upon by the Parties. The process is initiated by delivery of written notice to the other Party, setting forth the subject of the dispute, claim or controversy and the relief requested. Within ten (10) Days after the receipt of the foregoing notice, the other Party shall deliver a written response

to the initiating Party's notice. The initial mediation sessions shall be within thirty (30) Days from the initiating notice. The Parties agree to share equally in the costs and expenses of the mediation and to each bear their own attorney's fees and costs. The Parties may mutually agree to extend the timeframes set forth in this Section.

- A. The execution and effectiveness of the New Developer Agreement; and
- B. The sale of the County Bonds.

19.2 Failure of Conditions Precedent. The Parties may agree to an additional amount of time for compliance with the conditions precedent, or failing an agreed upon extension of time, may terminate the New Developer Agreement pursuant to Article 10 therein, and this Agreement shall terminate simultaneously therewith pursuant to Section 10.5 of the New Developer Agreement, and the Existing Use Agreement shall continue to be effective pursuant to Section 3.2 herein. Article 17 of the New Developer Agreement shall apply to determine the reimbursement obligations of the Limited Partnership upon termination for failure of conditions precedent.

B. The failure of the Limited Partnership in the performance of any material obligations under this Agreement, except for the payment obligation set forth in Article 6, provided that the County has provided the Limited Partnership with written notice of such failure, specifying with detail, the nature of such failure, and such failure is not cured within thirty (30) Days following the receipt by the Limited Partnership of such written notice from the County, or, provided that such failure cannot be cured within such thirty (30) Day period, if the Limited Partnership does not commence to cure such failure within such thirty (30) Day period and thereafter diligently pursue the cure of such failure to completion; or

C. The failure of the Limited Partnership to make any payment obligation set forth in Article 6, provided that the County has provided the Limited Partnership with written notice of such failure, specifying with detail, the nature of such failure, and such failure is not cured within forty-five (45) Days following the receipt by the Limited Partnership of such written notice from the County.

ARTICLE 22

REMEDIES/STATE FUNDING

22.1 County Remedies for Events of Limited Partnership's Default.

22.1.1 Upon an Event of Limited Partnership's Default, for which a specific remedy is not set forth in this Agreement, the County shall have the right to: (1) grant the Limited Partnership a reasonable period of time within which to cure such default during which time the Limited Partnership shall utilize the Limited Partnership's best efforts, including bringing suit, to remedy such default; or (2) seek dispute resolution pursuant to Article 18 herein to resolve said dispute, or (3) subject to the requirements of Section 18.1, bring an action for specific performance.

22.1.2 In the event the Limited Partnership fails to make a payment due as set forth in Section 21.1(C), the County shall have the right to: (1) grant the Limited Partnership an additional reasonable period of time within which to make the payment, with interest as set forth in Article 6; (2) seek performance pursuant to the Guaranty of each Team as set forth in Section 16.7; or (3) if such payment remains unpaid for ninety (90) Days following the date of the notice of failure to pay pursuant to Section 21.1(C), terminate this Agreement by written notice to the Limited Partnership and the Teams, effective on the later to occur of (a) the Effective Termination Date, or (b) the 10th Day after the last Day of the Spring Training Season occurring in the calendar year during which such written notice is delivered to the Limited Partnership and the Teams.

22.2 Limited Partnership Remedies For Events of County Default. Upon an Event of County Default, for which a specific remedy is not set forth in this Agreement, the Limited Partnership shall have the right to: (1) grant the County a reasonable period of time within which to cure such default during which time the County shall utilize the County's best efforts, including bringing suit, to remedy such default; or (2) seek dispute resolution pursuant to Article 18 herein to resolve said dispute, or (3) subject to the requirements of Section 18.1, bring an action for specific performance. In the event the Limited Partnership is unable to obtain specific performance of this Agreement for any reason, the Limited Partnership shall have such other remedies as available by law or in equity as a result of such default.

22.3 Section 288.11631, Florida Statutes.

22.3.1 Florida Statute, section 288.11631 is intended to provide a process for the retention of spring training baseball franchises within the State that are funded with State incentive funding. The Limited Partnership Parties and the County acknowledge that the amount of State incentive funding provided by the State for this Facility is based on the continual use of the Facility by two separate spring training baseball franchises for the entire length of the Term.

22.3.2 If both Teams simultaneously fail to play each and every of their Major League Spring Training Home Games at the Facility, through no fault of the County or the State, and not as otherwise permitted by this Agreement, or pre-approved in writing by the County, then unless the provisions of Section 22.3.7 below apply, both Teams shall be deemed to have relocated pursuant to section 288.11631(2)(a)2, Florida Statutes, and thus, materially breached this Agreement, and, as such, the Teams, jointly and severally, shall reimburse the State for the total amount of State distributions expected to be paid from the date of Relocation through the final maturity of the County Bonds, pursuant to section 288.11631, Florida Statutes.

22.3.3 In the event that during the Term of this Agreement, either one of the Teams fails to play each and every of its Major League Spring Training Home Games at the Facility, through no fault of the County or the State, and not as otherwise permitted by this Agreement or pre-approved in writing by the County, then unless the provisions of Section 22.3.7 below apply, such Team shall be deemed to have relocated ("1st Relocating Team"). The 1st Relocating Team agrees that relocation constitutes a material breach of this Agreement and the 1st Relocating Team agrees to reimburse the State 60% of the total amount of State distributions expected to be paid from the date of breach through the final maturity of the County Bonds, pursuant to section 288.11631, Florida Statutes. If such a scenario occurs, the County will consult with bond counsel to determine whether remedial or other actions, if any, need to be taken in connection with the Tax-Exempt County Bonds.

22.3.4 Subsequently, if the remaining Team fails to play each and every of its Major League Spring Training Home Games at the Facility, through no fault of the County or the State, and not as otherwise permitted by this Agreement, or pre-approved in writing by the County, then unless the provisions of Section 22.3.7 below apply, such Team shall be deemed to have relocated ("2nd Relocating Team"). The 2nd Relocating Team agrees that relocation constitutes a material breach of this Agreement and the 2nd Relocating Team agrees to reimburse the State 40% of the total amount of State distributions expected to be paid from the date of breach through the

final maturity of the County Bonds, pursuant to section 288.11631, Florida Statutes. If such a scenario occurs, the County will consult with bond counsel to determine whether remedial or other actions, if any, need to be taken in connection with the Tax-Exempt County Bonds.

22.3.5 A breach of the Statute shall be considered to have occurred when a Team becomes a Relocating Team pursuant to Section 22.3.2, 22.3.3 or 22.3.4.

22.3.6 All obligations to reimburse the State that are described in this Agreement shall be enforceable by the State, and are secured by the Guaranties executed by each of the Teams as required by Section 16.7 herein.

22.3.7 Notwithstanding Sections 22.3.2 through 22.3.4 above, if a Team(s) or a Relocating Team is able to find a new Major League Club(s) to relocate to the Facility and play that replacement club's Major League Spring Training Home Games at the Facility, and such Major League Club is approved by the State as provided in Section 13.2.2, then the Team (s) shall be only responsible for that pro-rated portion of the repayment obligation imposed by Section 22.3.2 through Section 22.3.4, as applicable, for the period from the date such Team is deemed to have relocated, and continuing until the first Day of the month that the replacement Major League Club plays its first Major League Spring Training Home Game at the Facility and not the entirety of the obligations set forth in Section 22.3.2 and Section 22.3.4 above; provided, however, that there is a completed assignment or transfer that satisfies all conditions of Section 13.2.2 of this Agreement. If a Team or Teams relocate, as defined in Section 22.3.2 through 22.3.4, then until such time as two separate Major League Clubs are both fully obligated as required by this Agreement, inclusive of the Guaranties hereto, the repayment obligations set forth in this Section shall apply.

22.3.8 The State, by and through DEO and DEO's successors and assigns, is a third party beneficiary of this Agreement and the Guaranties to this Agreement which are incorporated herein by reference. The State and DEO shall have standing in any action at law or in equity: 1) relating to, and/or to seek and/or compel performance of, the obligations imposed by Section 5.1.2 and/or Section 22.3 herein; and 2) relating to, and/or pursuant to, the Guaranty executed by each Team, in the same manner, to the same extent, and according to the same terms and provisions as are applicable to the County pursuant to each Guaranty. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Section 22.3.8 is cumulative with, and shall in no way limit, the State or DEO's other rights and remedies under law.

22.4 State Funding Agreement. Upon its full execution and effectiveness, the State Funding Agreement between the County and the State of Florida shall be attached hereto and incorporated herein as **Exhibit "J"**. The Limited Partnership shall assist the County in the County's efforts to comply with all of the terms of the Funding Agreement, and shall provide, in a timely manner as specified in any related written correspondence from the County, information that the County needs to comply with its reporting requirements under the State Funding Agreement. In addition, as required by the State Funding Agreement, the County and Limited Partnership shall execute an Addendum to this Agreement incorporating certain provisions of the State Funding Agreement into this Agreement.

In the event of such suspension, this Agreement shall be automatically extended beyond the Term for an amount of time equal to the duration of such suspension.

ARTICLE 26 **NON-DISCRIMINATION**

The County is committed to assuring equal opportunity in the award of contracts and complies with all laws prohibiting discrimination. Pursuant to Palm Beach County Resolution R2017-1770, as may be amended, the Limited Partnership warrants and represents that throughout the Term hereof, all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, gender identity or expression, or genetic information. Failure to meet this requirement shall be considered default of this Agreement. As a condition of entering into this Agreement, the Limited Partnership represents and warrants that it will comply with the County's Commercial Nondiscrimination Policy as described in Resolution 2017-1770, as amended. As part of such compliance, the Limited Partnership shall not discriminate on the basis of race, color, national origin, religion, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity or expression, disability, or genetic information in the solicitation, selection, hiring or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall the Limited Partnership retaliate against any person for reporting instances of such discrimination. The Limited Partnership shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the

County's relevant marketplace in Palm Beach County. The Limited Partnership understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification or debarment of the company from participating in the County contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. Limited Partnership shall include this language in its subcontracts.

ARTICLE 27
SURRENDER OF FACILITY

27.1 Return of Facility. At the termination of this Agreement, the Limited Partnership shall return the Facility to its original or subsequently improved condition (ordinary wear and tear, insured casualty, loss or damage by fire, elements or other causes, approved changes in design, or installation of Capital Improvements excepted), and return to the County all equipment and personal property of the County, in each case after inspection of the Facility, which inspection shall be made jointly by the County and the Limited Partnership. Promptly after such inspection at the termination of any occupancy, if any repairs to the Facility or the County's equipment or personal property are deemed to be necessary which result from the Facility and all of the County's equipment and personal property not being maintained to a standard that is consistent with the standards of maintenance for similar types of public recreation facilities that include public amenities in Palm Beach County, the Limited Partnership shall have the option to: (i) make necessary repairs; or (ii) pay to the County any damages due for damage to the Facility or to personal property (ordinary wear and tear, insured casualty, loss or damage by fire, elements or other causes, approved changes in design, or installation of Capital Improvements excepted), except to the extent said damage was caused by the assigns, agents, employees or officers of the County. In the event that the Limited Partnership and the County cannot agree on repairs to be made pursuant to subsection (i) or the amount of damage pursuant to subsection (ii), the Limited Partnership and the County agree to expeditiously submit the matter to dispute resolution pursuant to Article 18 of this Agreement.

27.2 Disposition of Non-County Property. The Limited Partnership shall have the right, upon termination of this Agreement, and within sixty (60) Days thereafter, to remove from the Facility all movable property which is not permanently affixed to the structure and which is not owned by the County, and all concession equipment, all retail, restaurant food service, and catering equipment, fixtures and fit-out, and satellite television equipment, not owned by the County, whether or not such items are deemed movable and whether or not they are permanently affixed to the structure; provided, however, that the Limited Partnership will give the County thirty (30) Days' notice prior to such proposed removal of items, not owned by the County, permanently affixed to the structure; and provided further that the Limited Partnership's removal of such items shall not materially adversely affect the structural integrity of the Facility, in the opinion of a neutral third-party State of Florida-licensed engineer who will review such proposed removal at the Limited Partnership's and the County's joint expense. The Limited Partnership agrees to repair any damage caused by such removal to the County's reasonable satisfaction. The Limited Partnership shall not remove any property which was placed on, constructed at, or affixed to, the Facility as a replacement or addition of property initially owned by the County.

ARTICLE 28
FORCE MAJEURE

Except as otherwise provided herein (including Section 6.5.2), neither Party shall be in default under, or breach of, this Agreement to the extent it is unable to perform due to an event of Force Majeure, provided however, that the Parties must comply with the requirements of Article 17. For the purpose of this Agreement, "Force Majeure" shall mean and include any act of God, pandemic, epidemic, public health emergency, accident, fire, riot or civil commotion, act of public enemy, failure of transportation facilities, enactment, rule, order or act of government or governmental instrumentality (whether domestic or international and whether federal, state or local (except in the case of a rule, order or act by Palm Beach County), or the international equivalent thereof), failure of technical facilities, or any other cause of any nature whatsoever beyond the control of the Parties (excluding a strike, lockout, or other labor dispute involving Major League Baseball, but including any action by Major League Baseball that impacts all Major League Clubs, including, without limitation, the suspension or cancellation of a Spring Training Season) which was not avoidable in the exercise of reasonable care and foresight. The Party claiming the occurrence of a Force Majeure event shall promptly notify the other Party of such occurrence, and the likely duration and termination thereof. If a Force Majeure causes a Team to fail to play an entire Full Spring Training Season or more at the Facility, this Agreement shall be automatically extended beyond the Term for an additional period of time equal to the amount of time the Team failed to play its Major League Spring Training Home Games at the Facility due to that Force Majeure.

ARTICLE 29
LABOR DISPUTE

In the event of a lockout, strike, or other labor dispute involving Major League Baseball ("Labor Dispute"), the Limited Partnership will continue to be obligated to provide Repair and Maintenance, Renewal and Replacement and Capital Improvements to the Facility, but the Limited Partnership will be permitted to scale down its operations of the Facility until such time as the Labor Dispute is resolved and the Limited Partnership can commence Major League Baseball operations at the Facility. Notwithstanding the foregoing, in the event of a Labor Dispute which prevents the Limited Partnership from using the Facility for a Full Spring Training Season, this Agreement shall be automatically extended beyond the initial Term for an additional Full Spring Training Season. The parties agree that this Article 29 does not affect either party's payment obligations under this Agreement.

ARTICLE 30
MORE FAVORABLE TERMS

30.1 New Major League Clubs in Palm Beach County. If, at any time during the Term, the County directly or indirectly enters into an agreement with another Major League Club or its present or future affiliates for the operation and use of another stadium, other than renovation and/or redevelopment of the Ballpark of the Palm Beaches operated by HW Spring Training Complex, LLC., and any renewal, restatement, extension, amendment or renegotiation of the First Restated Sports Facility Use Agreement with HW Spring Training Complex, LLC., (R2015-1523)

as further described below, which agreement includes among its terms the right to play more than two (2) Spring Training Season home games in the County during any Spring Training Season, the County shall provide the Limited Partnership with a copy of such agreement. If the Limited Partnership reasonably believes that the terms of such agreement are more favorable than the corresponding term(s) contained herein, the Limited Partnership shall have no longer than 21 Days from the time that the Limited Partnership is provided such an agreement to so notify the County. In such event the more favorable terms shall be substituted for the corresponding term(s) of this Agreement for the remainder of the Term, retroactive to the date the County entered into the agreement with the other Major League Club. Notwithstanding the foregoing, in the event such more favorable terms would impact the then applicable tax status of the County Bonds, the Limited Partnership shall not be entitled to such more favorable terms.

30.2 First Restated Sports Facility Use Agreement with HW Spring Training Complex, LLC. In the event the County renews, restates, extends, amends or renegotiates the First Restated Sports Facility Use Agreement with HW Spring Training Complex, LLC., (R2015-1523) (the "Renewed Use Agreement") during the Term hereof, the County shall provide the Limited Partnership with a copy of the Renewed Use Agreement. If the Limited Partnership reasonably believes that any of the terms of the Renewed Use Agreement are more favorable than the corresponding term(s) contained herein, the Limited Partnership shall have no longer than 21 Days from the time the Limited Partnership is provided a copy of the Renewed Use Agreement to notify the County. In such event, the more favorable terms shall be substituted for the corresponding term(s) of this Agreement for the remainder of the Term, retroactive to the date the County enters into the Renewed Use Agreement. Notwithstanding the foregoing, Section 5.1.2, Section 5.5 (Jupiter Fields Agreement), Article 6 (Use Fees), and Article 19 (Conditions Precedent) shall be excluded from this Article 30. Article 13 (Transfer of Team Ownership/Assignment of Agreement), Section 16.7 (Guaranty) and Article 22 (Remedies) shall be excluded insofar as any interest, right or remedy of the State or DEO. In the event such more favorable terms would impact the then applicable tax status of the County Bonds or impacts the interests or rights of State herein, the Limited Partnership shall not be entitled to such more favorable terms.

30.3 Developer Agreement with HW Spring Training Complex, LLC. The parties hereto acknowledge that the provisions of this Article 30 shall not apply to any Developer Agreement for the Ballpark of the Palm Beaches operated by HW Spring Training Complex, LLC.

30.4 State Consent. Notwithstanding anything in this Article 30 to the contrary, the Parties hereto may not alter this Agreement in any way that reduces, harms, or otherwise impacts the rights of the State herein without express written consent from State.

ARTICLE 31 **INSPECTOR GENERAL**

The County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions,

accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of the Limited Partnership, its officers, agents, employees, and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be a violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

ARTICLE 32

PUBLIC RECORDS

32.1 County Access to Records. The Limited Partnership shall maintain adequate records to justify all charges, expenses and costs incurred in estimating and performing the obligations of the Limited Partnership hereunder for three (3) years, or such longer period of time as required by law, after the termination or completion of this Agreement. The County shall have access in Palm Beach County to such books, records, and documents as required in this Section for the purpose of inspection or audit during normal business hours, at the Limited Partnership's place of business, provided that (a) the County notifies the Limited Partnership no less than Thirty (30) Days prior to the date of such inspection or audit, and (b) the number of such inspections or audit shall be limited to one (1) per calendar year. The Limited Partnership agrees to make available to the County, at the County's request, and at the County's sole cost and expense, all documents and materials pertaining to the obligations of the Limited Partnership and the operation of the Facility as required by this Section 32.1, if after three (3) years, then still in the possession of the Limited Partnership.

32.2 Public Access to Records. Notwithstanding anything contained herein, as provided under Section 119.0701, F.S., if the Limited Partnership: (i) provides a service; and (ii) acts on behalf of the County as provided under Section 119.011(2), F.S., the Limited Partnership shall comply with the requirements of Section 119.0701, F.S., as it may be amended from time to time. The Limited Partnership is specifically required to:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the County in order to perform the service;
- B. Upon request from the County's Custodian of Public Records ("County's Custodian") or the County's representative/liaison, on behalf of the County's Custodian, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119 or as otherwise provided by law. The Limited Partnership further agrees that all fees, charges and expenses shall be determined in accordance with Palm Beach County PPM CW-F-002, Fees Associated with Public Records Requests, as it may be amended or replaced from time to time;
- C. Ensure that public records that are exempt, or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Term and following completion of the Agreement, if the Limited

Partnership does not transfer the records to the public agency. Nothing contained herein shall prevent the disclosure of or the provision of records to the County;

- D. Upon completion of the Agreement, the Limited Partnership shall transfer, at no cost to the County, all public records in possession of the Limited Partnership unless notified by the County's representative/liaison, on behalf of the County's Custodian, to keep and maintain public records required by the County to perform the service. If the Limited Partnership transfers all public records to the County upon completion of the Agreement, the Limited Partnership shall destroy any duplicate public records that are exempt, or confidential and exempt from public records disclosure requirements. If the Limited Partnership keeps and maintains public records upon completion of the Agreement, the Limited Partnership shall meet all applicable requirements for retaining public records. All records stored electronically by the Limited Partnership must be provided to the County, upon request of the County's Custodian or the County's representative/liaison, on behalf of the County's Custodian, in a format that is compatible with the information technology systems of the County, at no cost to the County.

Limited Partnership acknowledges that it has familiarized itself with the requirements of Chapter 119, F. S., and other requirements of state law applicable to public records not specifically set forth herein. Failure of the Limited Partnership to comply with the requirements of this Section, Chapter 119, F.S. and other applicable requirements of state law, shall be a material breach of this Agreement. The County shall have the right to exercise any and all remedies available to it for breach of Agreement as provided for hereunder, including but not limited to, the right to terminate for cause.

IF THE LIMITED PARTNERSHIP HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE PROPERTY OWNER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, PLEASE CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT RECORDS REQUEST, PALM BEACH COUNTY PUBLIC AFFAIRS DEPARTMENT, 301 N. OLIVE AVENUE, WEST PALM BEACH, FL 33401, BY E-MAIL AT RECORDSREQUEST@PBCGOV.ORG OR BY TELEPHONE AT 561-355-6680.

32.3 Breach of Agreement. Failure of the Limited Partnership to comply with the requirements of Section 32.2 herein shall be a material breach of this Agreement.

ARTICLE 33

33.2 Approval of Major League Baseball. This Agreement shall not be effective until such time as all applicable MLB Approvals have been obtained, which approvals may be withheld in their sole and absolute discretion. In all respects, this Agreement shall be subject to the MLB Rules and Regulations.

33.3 Rules and Regulations. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by the Cardinals and/or the Marlins (whether through the Limited Partnership or otherwise) hereunder shall in all respects be subordinate to the MLB Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities. In the event that any act or omission of the Limited Partnership, the Cardinals, and/or the Marlins to comply with the MLB Rules and Regulations affects the rights of the County under this Agreement or deprives the County of the benefits of this Agreement, the Parties will work in good faith to amend the terms of this Agreement to neutralize the effect. The Limited Partnership agrees in any event that if compliance by it with MLB Rules and Regulations results in a failure of the Limited Partnership to fulfill its material obligations under this Agreement, that: (a) the County and DEO may be entitled to an equitable economic remedy to the extent the Limited Partnership's failure to fulfill such material obligations is directly responsible for a material negative economic impact on the County and/or DEO; and (b) the County and DEO may enforce any or all of their respective remedies, except that specific performance is not an available remedy where specific performance would result in the Limited Partnership's noncompliance with MLB Rules and Regulations..

33.4 Territory. The territory within which the County is granted rights is limited to, and nothing herein shall be construed as conferring on the County (or any other party) rights in areas outside of, the Spring Training territory of the Cardinals or the Spring Training territory of the Marlins, as the case may be, each as established and amended from time to time pursuant to the MLB Rules and Regulations.

ARTICLE 34 **GENERAL PROVISIONS**

34.5 Further Instruments. The Parties agree to execute and deliver any instruments in writing necessary to carry out any agreement, term, condition or assurance in this Agreement whenever the occasion shall arise and request for such instrument shall be made.

34.6 Integration and Merger. This Agreement, together with the Operative Agreements, shall constitute the full and complete understanding between the Parties as to the matters addressed herein. There are no oral understandings, terms or conditions, and no Party has relied on any representation, express or implied, not contained in this Agreement. All prior understandings, terms or conditions (including those set forth in this Agreement), whether with a Party to this Agreement or any partner of a Party, are deemed to merge in this Agreement, and this Agreement cannot be changed or supplemented except by an agreement in writing and signed by the Parties to this Agreement.

34.7 Severability. If any provisions of this Agreement shall be declared invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect.

34.8 Compliance with Laws. 34.10 Amendments. of this Agreement shall be deemed to be made by either Party on the basis of any action or failure to act by either Party or by the course of performance, course of dealing, or course of conduct of either Party.

34.11 Financial Information. Except as may be required by federal, state or local law, rule or ordinance, and except as may be compelled or ordered in conjunction with any legal proceeding, this Agreement does not require the Guarantors to disclose or provide any financial information, other than the specific information set forth in paragraph five (5) of the Guaranties attached as Exhibits I-1 and I-2 to the New Developer Agreement.

34.12 Captions. The captions contained in this Agreement are for convenience of reference only and in no way define, describe, extend or limit the scope or intent of this Agreement or the intent of any provision contained herein.

34.13 No Waiver. Any waiver by either Party of a breach of any provision of this Agreement shall not operate as, or be construed to be, a waiver of any other breach of such provision or of any breach of any other provision of this Agreement. The failure of a Party to insist upon strict adherence to any term of this Agreement on one or more occasions shall neither be considered a waiver nor deprive that Party any right thereafter to insist upon strict adherence to that term or any other terms of this Agreement. Any waiver shall require the prior receipt of all necessary MLB Approvals. Any waiver must be in writing and signed by the Party to be charged therewith.

34.14 Counterparts. Provided that all Parties hereto execute an original of this Agreement, this Agreement may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

34.15 Nature of Parties' Obligations.

34.15.1 It is understood and agreed that the Limited Partnership is acting as an independent contractor in the performance of its services hereunder, and nothing herein shall be deemed to create a joint venture, agency or partnership relationship between the County and the Limited Partnership.

34.15.2 The obligation of the County to pay any amounts required under this Agreement shall constitute a revenue obligation of the County payable solely from legally available non-ad valorem revenues of the County and shall not in any way be construed to be a debt of the County in contravention of applicable constitutional, statutory or charter limitations or requirements concerning the creation of indebtedness of the County. Neither the County, the State of Florida, nor any political subdivision or agency thereof shall be obligated to pay any sums due under this Agreement from compelled levy of ad valorem or other taxes, and neither the full faith and credit nor the taxing power of the County, the State of Florida or any political subdivision or agency thereof are pledged for payment of such sums due under this Agreement.

34.16 Limited Partnership. All Parties hereto recognize that the Limited Partnership is a limited partnership whose sole general partner as of the Effective Date, is JS Stadium, Inc., a Florida corporation, and the Limited Partnership is a limited partnership formed under the laws of the State of Florida and validly authorized to do business as a limited partnership under Florida

law. All Parties hereto agree that no limited partner of this Limited Partnership shall have any liability or obligation whatsoever directly or indirectly, personal or otherwise, under this Agreement (other than as set forth in this Agreement as an obligation of the Teams and set forth in the Guaranties, if applicable, attached to the **New Developer Agreement as Exhibits I-1 and I-2**) under any legal or equitable theory. All Parties further agree that no limited partner shall directly or indirectly have any liability or obligation under any related agreement or agreement entered into in connection herewith, nor under any related understanding or undertaking, except if and to the extent such limited partner shall have executed an agreement expressly agreeing to such liability. No Party to this Agreement shall name or serve any limited partner in any proceeding, suit or claim in violation of this paragraph. This paragraph shall not preclude any claim against the Limited Partnership as a limited partnership, nor against the general partner of the Limited Partnership as so denominated in the Articles of Limited Partnership of this Limited Partnership, nor shall this paragraph preclude any claim brought to enforce the provision of the Guaranties. The County agrees that the Limited Partnership may, in its sole discretion, convert from a limited partnership to a limited liability company, merge, or otherwise reorganize its legal structure ("Reorganization") without the necessity of any approval of the County; provided, however, that, (a) following such Reorganization, the Teams are the sole owners of all interests in the converted, merged or otherwise reorganized entity (the "Reorganized Company"), (b) upon any such Reorganization, the Reorganized Company shall assume all rights and obligations of the Limited Partnership under this Agreement and shall provide the County with written evidence of the same, and (c) the Guaranties remain in full force and effect.

34.17 Time is of the Essence. In all matters concerning or affecting this Agreement, time is of the essence.

34.18 Annual Appropriations. The County's performance and obligation to pay under this Agreement is contingent upon annual appropriations for its purpose by the Board of County Commissioners.

34.19 Construction. No Party shall be considered the author of this Agreement since the Parties hereto have participated in extensive negotiations and drafting and redrafting of this document to arrive at a final agreement. Thus, the terms of this Agreement shall not be strictly construed against one Party as opposed to the other Party based upon who drafted it. In the event that any article, paragraph, sentence, clause, or provision hereof is held by a court of competent jurisdiction to be invalid, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect.

34.20 Scrutinized Companies.

- A. As provided in F.S. 287.135, by entering into this Agreement or performing any work in furtherance hereof, the Limited Partnership certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Scrutinized Companies that boycott Israel List, or is engaged in a boycott of Israel, pursuant to F.S. 215.4725. Pursuant to F.S. 287.135(3)(b), if Limited Partnership is found to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel, this Agreement may be terminated at the option of the County.

- B. **When contract value is greater than \$1 million:** As provided in F.S. 287.135, by entering into this Agreement or performing any work in furtherance hereof, the Limited Partnership certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Scrutinized Companies With Activities in Sudan List or Scrutinized Companies With Activities in The Iran Petroleum Energy Sector List created pursuant to F.S. 215.473 or is engaged in business operations in Cuba or Syria.

If the County determines, using credible information available to the public, that a false certification has been submitted by the Limited Partnership, this Agreement may be terminated and a civil penalty equal to the greater of \$2 million or twice the amount of this Agreement shall be imposed, pursuant to F.S. 287.135. Said certification must also be submitted at the time of Agreement renewal, if applicable.

34.21 Third Party Beneficiary. The Teams are intended third party beneficiaries of this Agreement, and MLB is an intended third party beneficiary of Article 33 and each other provision of this Agreement that prohibits action without first obtaining MLB Approval. Except for the Teams, no provision of this Agreement is intended to, or shall be construed to, create any third-party beneficiary or to provide any rights to any person or entity not a Party to this Agreement, including but not limited to any citizen or employees of the County and/or the Limited Partnership. The County is an intended third-party beneficiary of all Construction Contracts and Consultant Contracts, and all subcontracts thereto. The Limited Partnership shall provide copies of this Agreement to the Consultants and the Contractor.

34.22 Contingent Fees. The Limited Partnership warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Limited Partnership, to solicit or secure this Agreement and that it has not paid or agreed to pay any Person other than a bona fide employee working solely for the Limited Partnership, any fee commission, percentage, gift, or any other consideration contingent upon or resulting from the award or making of this Agreement.

34.23 Public Entity Crimes. As provided in Sections 287.132 and 287.133, Florida Statutes, by entering into this Agreement or performing any work in furtherance hereof, the Limited Partnership certifies that it, and to the best of its knowledge, information and belief, its Affiliates, suppliers, Subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the thirty-six (36) months immediately preceding the date hereof. This notice is required by Subsection 287.133(3)(a), Florida Statutes. The Limited Partnership will contractually obligate the Contractor to submit to the Limited Partnership, and to cause its Subcontractors and consultants to submit to the Limited Partnership, the certification set forth in this Section 34.23, with respect to such Subcontractors and Consultants.

34.24 Attorney's Fees. In the event of litigation or arbitration arising under, or in connection with, this Agreement, each Party shall bear and be responsible for its own attorneys' fees and costs at the pre-trial, trial and appellate levels. This provision shall survive the termination of this Agreement for any reason.

34.25 E-Verify. The parties hereto agree to comply with Section 448.095, Florida Statutes, when applicable.

THE REMAINDER OF THIS PAGE IS LEFT INTENTIONALLY BLANK

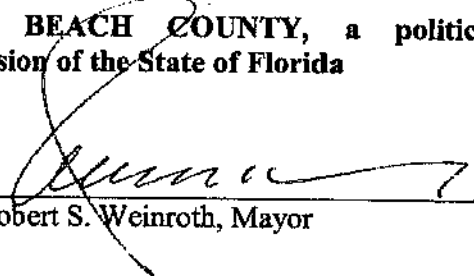

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed in several counterparts, each of which shall constitute an original and all of which, taken together, shall constitute a single instrument, as of the day first written above.

STATE FUNDING AGREEMENT

**SPRING TRAINING FACILITY FUNDING AGREEMENT
BETWEEN
FLORIDA DEPARTMENT OF ECONOMIC OPPORTUNITY
AND
PALM BEACH COUNTY**

THE SPRING TRAINING FACILITY FUNDING AGREEMENT (this "Agreement") Number S0205 (SB23-007), is made and entered into by and between the State of Florida (the "State"), Department of Economic Opportunity ("DEO") and Palm Beach County, Florida ("County"). DEO and the County are sometimes hereinafter referred to individually as a "Party" and collectively as the "Parties."

RECITALS

WHEREAS, the Legislature of the State of Florida has created the Major League Baseball Spring Training Baseball Franchise Retention program under section 288.11631, Florida Statutes ("F.S.") (the "Program") to provide funds set aside by the Legislature reflected in section 212.20(6)(d)6.e., F.S., for certified applicants to serve the public purpose of constructing or renovating facilities for spring training franchises within the State in accordance with the criteria set forth in section 288.11631, F.S.; and

WHEREAS, the County is the owner of Roger Dean Chevrolet Stadium, located at 4751 Main St, Jupiter, Florida (the "RDCS Facility"), constituting a spring training stadium, playing fields, and appurtenances intended to support spring training activities; and

WHEREAS, the initial funding and construction of the RDCS Facility was the result of a developer agreement (the "Initial Developer Agreement") and a use agreement (the "Initial Use Agreement") between the County and Jupiter Stadium, Ltd. (JSL), then a partnership between the Cardinals and the Expos (the Expos were subsequently replaced by the Marlins); and

WHEREAS, in 2011, the County and JSL restated and extended the Initial Use Agreement until April 30, 2027; and

WHEREAS, on December 17, 2019, the County's Board of County Commissioners (BOCC) approved a term sheet to provide for the funding of a \$108 million renovation of the RDCS Facility, and began negotiating new developer and use agreements with JSL to perform the renovation and utilize the RDCS Facility in accordance with the term sheet; and

WHEREAS, on May 17, 2022, the County's BOCC approved and executed a new developer agreement for renovation of the RDCS Facility (such renovation, the "RDCS Facility Project") and a second restated use agreement (respectively, the "New Developer Agreement" and "New Use Agreement", and collectively, the "Spring Training Facility Agreements"), now between the County, JSL, the Cardinals and the Marlins, and also approved the submission of the County's application for certification to receive state funding for a facility for the Cardinals and the Marlins (each a spring training franchise, and hereafter a "Franchise" or collectively, "Franchises") pursuant to section 288.11631, F.S.; and

WHEREAS, the New Developer Agreement commits the County to provide funding for the RDCS Facility Project through the issuance of at least \$108 million in 25-year County bonds, the debt service on which shall be divided between distributions received by the County pursuant to this Agreement, tourism development tax, and payments collected from JSL under the New Use Agreement; and

WHEREAS, the New Use Agreement becomes effective upon the date of sale of the County Bonds and will extend use of the stadium by the Marlins and the Cardinals to at least April 30, 2049; and

WHEREAS, the County represents and warrants that the foregoing recitals are true and correct and that the May 17, 2022, New Developer Agreement and the May 17, 2022, New Use Agreement have not undergone any material changes, amendments, modifications, extensions, or the like since their submission to DEO as part of the County's application for certification under section 288.11631, F.S.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and obligations herein contained, and in order to induce DEO to certify the County pursuant to section 288.11631, Florida Statutes, the Parties intending to be legally bound, hereby agree as follows:

1. TERM. This Agreement is effective as of the date on which DEO executes this Agreement (the "Effective Date") and will end when the Award Funds provided for herein have been distributed to the County in accordance with this Agreement (the "Expiration Date"). The County may be decertified if the County fails to comply with or meet the requirements of section 288.11631, F.S., or this Agreement, in which event DEO may recover Award Funds, until such time as the County has issued bonds as contemplated; however, once the County is certified pursuant to section 288.11631, F.S., it may not be decertified by DEO if it has: (i) paid or pledged for the payment of debt service on, or (ii) to fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto, bonds issued for the construction and renovation of the facility for which the County was certified, or for the reimbursement of such costs or the refinancing of bonds issued for such purpose.

2. DISTRIBUTIONS.

(a) Within 30 calendar days after the Effective Date, DEO shall transmit a letter to the Florida Department of Revenue ("DOR") informing DOR of the County's full certification under section 288.11631, F.S. Award Fund distributions under this Agreement will be made to the County subject to and in accordance with sections 212.20(6)(d)6.e. and 288.11631, F.S. Notwithstanding anything herein to the contrary, if funding is not available for any reason, such event will not constitute a breach or default by DEO, DOR, or the State of Florida. This Agreement is not a general obligation of the State of Florida, nor is it backed by the full faith and credit of the State of Florida. To the extent required by law, payment of distributions is conditioned on and subject to specific annual appropriations by the Florida Legislature sufficient to pay amounts authorized in section 288.11631, F.S. All distributions shall be subject to the terms of this Agreement, including, but not limited to Article 4, *Financial Consequences*.

(b) The County may request in writing at least 20 days before the next monthly distribution that DEO halt future distributions. If such a request is made, upon receipt by DEO, DEO shall immediately notify DOR to halt future distributions for such period of time as DEO deems appropriate under the circumstances, but only as permitted by law.

3. DUTIES AND OBLIGATIONS OF THE COUNTY.

(a) **Statutory Requirements.**

(1) **New Use Agreement Addendum.** The New Use Agreement contains provisions regarding obligations and rights of its parties not directly related to section 288.11631, F.S. Therefore, the parties to the New Use Agreement shall execute an addendum to the New Use Agreement (the "Addendum") to ensure that the New Use Agreement continuously meets the requirements of section 288.11631, F.S., and that DEO can properly and responsibly act as the steward of State funds, without modifying or affecting the New Use Agreement, except to the extent it limits any rights or remedies of the State or DEO as provided for in the Addendum and this Agreement. The terms of the Addendum are subject to DEO's written approval, with such approval to be given at DEO's sole and absolute discretion.

(2) **Condition Precedent.** DEO's written approval of the terms of the Addendum and the New Use Agreement parties' full execution of same are a condition precedent to the County's certification under section 288.11631, F.S., with respect to the RDCS Facility, as well as any obligations of DEO under this Agreement.

(3) The County shall comply with all the provisions of this Agreement and shall continually, throughout the term of this Agreement, meet all requirements for certification within section 288.11631, F.S., as verified and determined by DEO, which includes the following:

a. The County, through the New Developer Agreement with JSL, is responsible for the construction or renovation of the RDCS Facility Project for the Franchises and is the owner of the RDCS Facility. Upon completion of the construction or renovation, the County shall continue to hold title to the property on which the RDCS Facility is located for the duration of this Agreement.

b. The County shall maintain the New Use Agreement, subject to the terms of the Addendum, with JSL and the Franchises for use of the RDCS Facility in full force and effect at all times. The term of the New Use Agreement, together with the Addendum, must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating the RDCS Facility for the Franchises. The County shall include a provision in the New Use Agreement, through the Addendum thereto, requiring the Franchises to reimburse the State if the Franchises relocate before the New Use Agreement expires and that the reimbursement be equal to the total amount of state distributions expected to be paid from the date the Franchises break the Use Agreement with the County, through the final maturity of the bonds.

c. The County shall maintain its financial commitment to provide 50 percent or more of the funds required for the construction or renovation of the RDCS Facility for the Franchises.

d. The County shall demonstrate annually that the RDCS Facility has attracted a paid attendance of at least 50,000 persons to the spring training games held in the RDCS Facility.

e. The RDCS Facility must be located in a county that levies a tourist development tax under section 125.0104, F.S.

(4) The County may use Award Funds provided under section 212.20(6)(d)6.e, F.S. and this Agreement, only to:

- a. serve the public purpose of constructing or renovating the RDCS Facility for the Franchises;
- b. pay or pledge for the payment of debt service on bonds issued for the construction or renovation of the RDCS Facility;
- c. fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto on bonds issued for the construction or renovation the RDCS Facility;
- d. reimburse the costs under paragraphs (a), (b), or (c), above; or
- e. refinance bonds issued for the construction or renovation of the RDCS Facility.

(5) The County shall not use Award Funds to subsidize facilities that are privately owned by, maintained by, and used exclusively by any Franchise or partnership thereof. The County shall place unexpended Award Funds received pursuant to section 212.20(6)(d)6.e., F.S., in a trust fund or separate account for use only as authorized in section 288.11631, F.S.

(6) The County shall begin expenditure of the Award Funds within 48 months after initial receipt. The County shall complete construction or renovation of the RDCS Facility Project within 24 months of the RDCS Facility Project's commencement. For purposes of this Agreement, completion shall mean the condition of the RDCS Facility Project renovation, and all elements thereof, being essentially complete to both JSL's and the County's satisfaction in accordance with the New Developer Agreement and related construction contracts, such that the RDCS Facility Project, and all elements thereof, are ready for full occupancy, operation and/or use without material inconvenience or discomfort to JSL, its patrons or sponsors, and all certificates, licenses and permits required by all applicable laws have been obtained, including final certificates of occupancy or completion, as applicable. Completion shall be evidenced by

documentation and other evidence DEO deems acceptable at its reasonable discretion. A joint certification of the foregoing by both JSL and the County shall constitute evidence of completion.

(7) The County shall obtain DEO's prior, written approval, with such approval to be given at DEO's sole and absolute discretion, before making any material changes, amendments, modifications, extensions or the like to the Spring Training Facility Agreements, or the terms thereof, either directly or indirectly, that have any effect on DEO or the States' rights or privileges, or the County's certification, or any Franchise's reimbursement requirements. DEO shall acknowledge receipt of County's proposed material changes, amendments, modifications, extensions or the like, and provide an estimate of the date that DEO will provide a response to County's request for approval within 10 business days of receipt.

(b) The County's Franchises shall remain the Marlins and the Cardinals, unless properly changed pursuant to law and the terms of the New Use Agreement, subject to the terms of the Addendum.

(c) The County shall undertake reasonable efforts to promote and advertise the RDCS Facility

(d) If the County believes that it will become unable to perform its obligations or use of any portion of the Award Funds as provided for herein, the County shall notify DEO within five business days.

(e) **Reporting Requirements.**

(1) **Annual Reports.** On or before September 1 of each year, and as long as the County remains certified under section 288.11631, F.S., the County shall submit an annual report to DEO which must include the following:

a. A detailed accounting of all local and state funds expended to date, as of the date of submission of the report, on the RDCS Facility Project financed under section 288.11631, F.S.

b. Copies of the Spring Training Facility Agreements including all amendments, modifications, extensions, assignments, addenda, or ancillary agreements thereto, current as of the date of the annual report. If there has been no change, either directly or indirectly, to the Spring Training Facility Agreements then the County may certify that the Spring Training Facility Agreements have not been altered, amended, or modified since the last submission.

c. A cost-benefit analysis of the Franchises' impact on the County. This cost-benefit analysis must be substantially similar in content and format to the 2009 Major League Baseball Florida Spring Training Economic Impact Study, except that its scope shall be limited to the impact on the County. The analysis should reflect the economic impact of the most recent Spring Training Season and be updated annually.

d. A list of all material contracts with an estimated cost greater than \$250,000 executed in furtherance of this Agreement. In addition, and only for those reporting periods which encompass the Development Period (as defined below), the list shall include all contracts entered into with an estimated cost greater than \$250,000 executed in furtherance of the RDCS Facility Project.

e. Written evidence that the County continues to meet the certification criteria in effect when the County was certified pursuant to section 288.11631, F.S.

f. Written evidence, including numerical or statistical analysis as applicable, that the County is in compliance with section 288.1167, F.S.

g. A letter signed by the Chair of the County's Board of County Commissioners certifying that all information and documentation contained in the annual report and submitted to DEO is true and correct.

h. Attendance to spring training games since the last reporting period.

i. Evidence of the efforts to promote and advertise the RDCS Facility that have taken place since the last reporting period.

j. Any additional reports, documents, or certifications which are reasonably related to the County's obligations under this Agreement, as requested by DEO.

(2) **Development Period Requirements.**

- a. "Development Period" means the period of time between certification pursuant to section 288.11631, F.S., and full completion of all services and payments contemplated under the New Developer Agreement.
- b. During the Development Period only, and notwithstanding anything in this Agreement to the contrary, the County shall:
 - i. Within 30 calendar days of the Effective Date, and every 90th calendar day thereafter, provide DEO with a written update on the status of the RDCS Facility Project, including a detailed summary of all RDCS Facility Project activities and all local, state, and private funds expended on the RDCS Facility Project up to the date of the report.
 - ii. Promptly respond to requests from DEO for any information in the County's possession or in reports that the County is generating for its own purposes.
 - iii. Include with each report and response furnished to DEO during the Development Period a contemporaneous letter from the Mayor of the County's BOCC, or designee, certifying that all information and documentation contained therein are true and correct.

4. **FINANCIAL CONSEQUENCES.**

(a) If the County fails to provide any report, document, or certification, required under this Agreement, or as otherwise requested by DEO, DEO will provide written notice of breach to the County. The County will have 30 days from the date of written notice of breach to cure the breach. If the breach is not cured to DEO's satisfaction within 30 days, a financial consequence of \$100 per day after the 30th day will be imposed until the breach is cured. If the County cannot cure the breach within 30 days, the County shall provide DEO with a plan, including a timeframe, for curing the default, which must be reviewed and approved by DEO at DEO's sole discretion. After DEO's approval, if the County fails to comply with the plan, a financial consequence of \$200 per day will be imposed until such time as the County complies with the plan for cure or until the breach is cured, whichever occurs earlier. For avoidance of doubt, this consequence shall be imposed for each instance failure hereunder. Notwithstanding the foregoing, if the County's failure to provide a requested report is due solely to the fact that a third-party must provide information to the County to enable the County to provide the requested report, so long as the County has diligently pursued such information from the third-party provider, the County shall not be deemed in default under this subsection; provided, however, that the County shall inform DEO within 10 business days of the County's knowledge that any delay has occurred or may occur.

(b) If the Franchises are not both operating at the Facility due to: (1) direct or indirect modifications to either of the Spring Training Facility Agreements made without DEO's prior written approval, (2) the departure of one or both Franchises resulting from a breach of contract by the County, as determined by an administrative tribunal, arbitrator, or court of competent jurisdiction, or (3) the termination of the New Use Agreement pursuant to its section 17.1.3 or other comparable provision expressly providing JSL the option to terminate either Spring Training Facility Agreement due to the County's action or inaction, then the County shall request that DEO notify DOR to suspend further distributions of Award Funds made available under section 212.20(6)(d)6.e., F.S., for 12 months, as required by section 288.11631(3)(d)2., F.S. For purposes of this Agreement and section 288.11631(3)(d)2., F.S., the occurrence of either (1) or (2), above, shall be deemed an "expiration of an existing agreement". The County shall renew this request annually until DEO has approved at its sole and absolute discretion, and the County has executed, new certified, signed agreements, such that two Franchises are once again operating at the Facility, and which meet the requirements of section 288.11631(2)(a)2., F.S and this Agreement. DEO shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity.

(c) If DEO determines that the County has knowingly submitted or certified to information, or knowingly made a representation, that is false, misleading, deceptive, or otherwise untrue, and said submittal, certification, or representation relates to a material provision of this Agreement (each a "Misrepresentation"), DEO shall provide notice of the same to the County. The County shall have 30 days from such notice to respond to

DEO's determination. If, following the receipt of the County's response, DEO determines that the County has violated this subsection, DEO may, at its option: (a) impose a financial consequence in an amount equal to the County's monthly distributions received from the State under this Agreement for a single month, or (b) pursue any and all other rights and remedies available to DEO at law or in equity for the Misrepresentation, including, but not limited to, seeking rescission of this Agreement based on Fraud in the Inducement principles..

(d) Following completion of the Facility in accordance with section 288.11631(3)(d)3., F.S., if the County has failed to maintain its financial commitment to provide 50 percent or more of the funds required for the construction or renovation of the Facility, DEO shall provide the County notice and at least 60 days opportunity to cure the deficiency. If the deficiency is not timely cured, the County shall repay to DEO a pro-rated amount of the total award, calculated by multiplying the percentage of funds not matched by the total award. DEO may permit the County to make such repayments in equal parts for the remainder of the term of this Agreement.

(e) If the County materially breaches the terms of this Agreement, other than as described in subsections (a)-(d) above, DEO shall provide written notice to the County, after which time the County shall have 60 calendar days to either enter into a corrective action plan agreeable to DEO at DEO's sole discretion, or to cure the breach. If the County fails to timely enter into a corrective action plan with DEO or cure the breach, or if the County fails to substantially comply with the terms of the corrective action plan, DEO may impose a financial consequence in an amount of \$5,000 each month, beginning with the month in which the initial written notice was provided, until such time as the County cures, in DEO's sole and reasonable discretion, said breach or begins complying with the corrective action plan agreed to between DEO and the County.

(f) The County and DEO agree that wherever one or more Franchises would be required by section 288.11631, F.S. or by this or any other agreement, including the New Use Agreement, or by other law, to repay to DEO amounts that were or will be provided to County under this Agreement, DEO must demand such amounts from the Franchise(s). The Franchise(s) have entered into Guaranties for the purpose of securing such repayment, which Guaranties are a part of the New Developer Agreement between County and each Franchise, and which Guaranties are in favor of the County and the State of Florida, by and through DEO. Notwithstanding the foregoing, the County shall cooperate with and undertake all reasonable efforts to assist DEO and the State in any recoupment efforts undertaken by DEO or the State with respect to such Franchise.

(g) As necessary to impose the financial consequences or otherwise suspend payments as contemplated herein, DEO may direct DOR to withhold future Award Fund disbursements, or offset future Award Fund disbursements, to the County, in amounts sufficient to satisfy the financial consequence or suspended payment. The County shall return to DEO any overpayments (funds paid in excess of the amount to which the County is entitled under the terms and conditions of this Agreement) distributed to the County. If the County or its independent auditor discovers an overpayment has been made, the County shall repay said overpayment within 60 days without prior notification from DEO. If DEO discovers an overpayment has been made, DEO will notify the County by letter. DEO may charge interest at the lawful rate of interest on the outstanding balance beginning 61 days after the date of DEO's notification or the County or its auditors' discovery. The County shall send repayments to DEO's Agreement Manager and make checks payable to the "Department of Economic Opportunity." Notwithstanding anything herein to the contrary, if the County is noncompliant with any provision of this Agreement or applicable law, or if DEO imposes financial consequences on the County pursuant to the terms of this Agreement, DEO has the right to recoup all resulting cost, monetary loss, or funds owed to DEO or the State of Florida, from monies owed to the County under this Agreement. In no event will any refund, repayment, or financial consequence exceed the Award Fund total, plus interest.

5. INDEPENDENT CAPACITY OF CONTRACTOR

(a) The County shall not represent that it has the authority to bind DEO. The County shall not pledge

the State of Florida's nor DEO's credit nor make the State of Florida or DEO a guarantor of payment or surety for any contract, debt, obligation, judgment lien, or any form of indebtedness. The County, and its officers, agents, employees, subcontractors, or assignees, in the performance of the County's duties and responsibilities under this Agreement, is at all times acting and performing as an independent contractor and not as an officer, employee, or agent of the State of Florida. Nothing in this Agreement is intended to, or shall be deemed to constitute, a partnership or joint venture between the Parties.

(b) Neither the County, nor its officers, agents, employees, subcontractors, or assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this Agreement. DEO shall not be responsible for withholding taxes, if any, with respect to the County's distributions hereunder. The County shall have no claim against DEO for vacation pay, sick leave, retirement benefits, social security, workers' compensation, health or disability benefits, reemployment assistance benefits, or employee benefits of any kind. The County shall ensure that its employees, contractors, and other agents, receive benefits and necessary insurance from an employer other than the State of Florida, to the extent required by law

(c) The County shall take such action as may be necessary to ensure that each contractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.

(d) DEO will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to any entity in furtherance of this Agreement.

(e) The County shall comply with all applicable reporting and Reemployment Assistance contribution payment requirements of Chapter 443, F.S.

6. LIABILITY AND INDEMNIFICATION.

(a) DEO shall not assume any liability for the acts, omissions to act, or negligence of the County, JSL, the Franchises, agents, beneficiaries, affiliates, contractors, subcontractors, servants, or employees. In all instances, the County shall be responsible for any injury or property damage resulting from any activities conducted by the County in the performance of this Agreement. DEO shall not be liable to the County for special, indirect, punitive, or consequential damages. DEO shall not be liable for lost profits, lost revenue, or lost institutional operating savings. DEO or the State shall not be liable to any person or entity for any bond default resulting from DEO's or the State's imposition of financial consequences, or a suspension of Award Fund disbursements by DEO or the State, or at the County's request, and, to the extent permitted by law, the County shall indemnify and hold the State and DEO harmless from all claims and actions of any nature or description arising out of or related to an imposition of financial consequences or a suspension of Award Fund disbursements which results in a bond default.

(b) The Parties acknowledge that nothing in this Agreement shall constitute: (1) an agreement by either Party to indemnify or insure the other Party for the other Party's negligence or to assume any liability of the other Party's negligence; (2) a waiver of sovereign immunity beyond the limits set forth in Section 768.28, F.S., or any applicable waiver of sovereign immunity that is inherent in the act of contracting; (3) a waiver of any defense the parties may have under such statute; or (4) consent to be sued by third parties.

(c) To the extent permitted by law, the County shall indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from any and all suits, actions, damages, and costs of every name and description that arise from or are related to this Agreement, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the County, its agents, employees, partners, contractors, and subcontractors, provided, however, that the County is not obligated to indemnify for that portion of any loss or damages proximately caused by the negligent act or

omission of the State or DEO.

(d) To the extent permitted by law, the County shall indemnify, defend, and hold harmless the State and DEO, its employees and agents, from liability of any nature or kind, including costs, and expenses for or on account of any trademarked, trade secret, copyrighted, patented, or unpatented invention, process, product, or article manufactured by the County. DEO shall not be liable for any royalties.

(e) The County is not obligated to be liable for any cost, expense, or compromise incurred or made by the State or DEO in any legal action without the County's prior written consent, which shall not be unreasonably delayed, conditioned or withheld. The County's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the State or DEO giving the County:

1. written notice of any action or threatened actions;

2. the opportunity to take over and either settle or defend any such action at the County's sole expense and assistance in defending the action at the County's sole expense; provided however, that any settlement is subject to DEO's prior, written approval. Should the County fail to take over and either settle or defend in accordance with the foregoing, the County shall be deemed to have granted its consent to DEO's incurring any and all reasonable cost, expense, and compromise DEO deems reasonably appropriate in the action, and the County shall promptly reimburse the State and DEO all reasonable costs and expenses, including but not limited to attorneys' fees, incurred by the State and DEO in defending the action. For avoidance of doubt, such repayment obligations are in addition to the County's indemnification and hold harmless obligations, which the Parties mutually understand to include any settlement, judgment, or comparable resolution that may be entered against or by the State or DEO in defending or settling the action.

(f) At DEO's election and upon notification to the County, the County shall assume the defense or settlement of any third-party claim arising under this Agreement with counsel reasonably satisfactory to DEO; *provided, however*, that the County shall not settle or compromise any such claim in an amount more than \$10,000 without DEO's prior written approval. Notwithstanding the foregoing, (1) DEO shall have the right, but not the obligation, at its option and expense, to participate fully in the defense or settlement of any third-party claim; and (2) if the County does not continuously defend or settle any third-party claim within 30 days after it is notified of the assertion or commencement thereof, then (i) DEO shall have the right, but not the obligation, to undertake the defense or settlement of such claim for the account and at the risk of the County, and (ii) the County shall be bound by any defense or settlement that DEO may make as to such claim. DEO shall also be entitled to join the County in any third-party claim for the purpose of enforcing any right of indemnity hereunder.

7. AUDITS AND RECORDS.

(a) The County shall retain and maintain all records so as to sufficiently and properly reflect all expenditures of Award Funds distributed under this Agreement, in accordance with generally accepted accounting procedures and practices. Records shall include independent auditor working papers, notes, books, vouchers, bills, invoices, requests for payment, receipts, and other supporting, source documentation, including electronic storage media. Such records shall be subject at all times to inspection, review, and audit by, as well as transfer to, representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability, or representatives of the Federal government and their duly authorized representatives upon request.

(b) The County shall comply with all applicable audit requirements of section 215.97, F.S., and those found in Attachment A, *Audit Requirements*, and, if an audit is required, the County shall disclose all related transactions to the auditor.

(c) The County shall maintain and retain all County records, financial records, supporting documents, statistical records, and any other documents, including electronic storage media, pertinent to this Agreement,

as well as all financial records related to funds paid by the County to any parties for work on the matters that are the subject of this Agreement, in accordance with the record retention requirements of Part V of Attachment A, *Audit Requirements*. The County shall cooperate with DEO to facilitate the duplication and transfer of such records or documents upon request of DEO.

(d) If applicable, the County shall submit a written independent audit report to DEO specifically covering the period of Agreement expenditures pursuant to sections 215.97 and 11.45, F.S., and other relevant laws.

(e) The County must provide copies of any audit referencing this Agreement, the audit transmittal letter, and any response to such audit to DEO within 30 days of receipt by the County.

(f) The County understands and will comply with the requirements of section 20.055(5), F.S. The County shall cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing pursuant to section 20.055, F.S. The County shall reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the County's beneficiary, contractors' or subcontractors' compliance with the terms of this Agreement which results in a finding of noncompliance, fraud, illegality, or financial misuse, in connection with this Agreement by the County or the Franchises, beneficiary, contractor(s), or subcontractor(s). Such reasonable costs shall include: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

(g) The County shall include the audit and record keeping requirements aforementioned in this Article and in Attachment A, *Audit Requirements*, in all contracts, subcontracts, leases, assignments, and agreements executed for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement, which are entered into after the effective date of this Agreement.

(h) Within 60 working days of the close of the County's fiscal year, on an annual basis, the County shall electronically submit a completed *Audit Compliance Certification* (a version of this certification is attached hereto as Attachment B) to audit@deo.myflorida.com. The County's timely submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement within all agreements (e.g., contracts, grants, memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between DEO and the County.

8. ACCESS TO RECORDS AND PUBLIC RECORDS REQUIREMENTS.

(a) The County shall allow DEO, the State, and their respective authorized representatives, agents, and employees on-site access to, or shall deliver immediately upon request, any information and any other documents requested by DEO for purposes of monitoring the County's performance under or compliance with this Agreement.

(b) The County shall comply with the provisions of Chapter 119, F.S., Chapter 286, F.S., and section 24 of Article I of the Florida Constitution. The County shall cooperate with DEO regarding DEO's efforts to comply with the requirements of chapter 119, F.S. The County shall allow public access to all documents, papers, letters or other materials made or received by the County in conjunction with this Agreement that are public records as that term is defined by section 119.011(12), F.S., unless the records are exempt, or confidential pursuant to section 24(a) of Article I of the State Constitution, section 119.07(1), F.S., or other Florida statute(s).

(c) The County is responsible to respond to each request it receives for public records made, as provided by law, received or in the custody or control of the County in conjunction with this Agreement, in accordance with chapter 119, F.S.

(d) The County acknowledges that DEO is subject to the provisions of chapter 119, F.S., and that documents submitted to DEO, or in DEO's custody or control, in relation to this Agreement constitute public

records, subject to exemption and confidentiality under Florida law.

(e) The provisions of chapter 119, F.S., and other applicable Florida and federal laws govern the disclosure of any confidential information received by the Parties.

(1) If the County, the Franchises or their affiliates, or the County's agents, employees, partners, contractors, or subcontractors submit records to DEO that the County, the Franchises or their affiliates, or the County's contractors or subcontractors, deems legally confidential or exempt from public disclosure, as trade secrets, proprietary confidential business information, or for any other valid legal exemption under applicable Florida or Federal law, such records must be properly identified as such prior to submission to DEO. Failure to identify the legal basis for and the specific content of each claim of exemption or confidentiality from the requirements of chapter 119, F.S. or other law, prior to submittal of the record to DEO, may serve as a waiver of a claim of exemption or confidentiality of that record.

(2) The County shall ensure that public records in the custody or control of the County, a Franchise or its affiliates, or the County's agents, employees, partners, contractors, or subcontractors that are confidential are not disclosed except as authorized by law.

(3) The County shall not disclose to third parties any confidential information obtained by the County, the Franchises or their affiliates, or the County's agents, employees, officers, contractors, or subcontractors in furtherance of this Agreement.

a. The County shall notify DEO verbally within 24 hours and in writing within 72 hours of any improper disclosure or unauthorized use of confidential information related to this Agreement by the County, its employees, agents, or representatives which is not in compliance with the terms of this Agreement or Federal or State law or if any information related to this Agreement is subpoenaed.

b. The County shall make a report to DEO not more than seven business days after the County learns of such an improper disclosure or unauthorized use of confidential information. The County's report shall identify, to the extent known, the nature of the improper disclosure or unauthorized use, the confidential information disclosed or used, who made the disclosure or used the information, what the County has done or shall do to mitigate any deleterious effect of the improper disclosure or unauthorized use, and what corrective action the County has taken or shall take to prevent future similar unauthorized use or improper disclosure. The County shall provide any other such information about the unauthorized use or improper disclosure as reasonably requested by DEO. The County shall take all steps DEO deems advisable to mitigate, resolve, or prevent the unauthorized use or improper disclosure of confidential information shared or exchanged by the Parties and their affiliates in connection with this Agreement.

(f) Upon expiration of this Agreement, the County shall either (a) transfer, at no cost, to DEO all public records in possession of County which are reasonably related to this Agreement or (b) keep and maintain public records which are reasonably related to this Agreement as required by law. If the County keeps and maintains public records upon completion of the Agreement, the County shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to DEO, upon request from DEO's custodian of records, in a format that is compatible with the information technology systems of DEO.

(g) To the extent allowable by law, and without waiving the sovereign immunity of the County, the County shall be fully liable for the actions of the Franchises and their agents, employees, partners, contractors, and subcontractors and shall fully indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to public record requests or public record law violation(s), alleged to be caused in whole or in part by the County, a Franchise, and their respective, agents, employees, partners, contractors, or subcontractors, provided, however, that the County does not indemnify for that portion of any costs or damages proximately caused by the negligent act or omission of the State or DEO. DEO, in its sole discretion, has the right, but not the obligation, to enforce this indemnification provision.

(h) The County shall include provisions in accordance with this Article, chapter 119, F.S., and all applicable

Florida public records law in all agreements, assignments, leases, contracts, and subcontracts executed or amended after the effective date of this Agreement with JSL or the Franchises for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement.

9. **CONTRACTS.** The County shall be responsible and liable for all work performed and all expenses incurred in connection with the County's RDCS Facility Project or any activities related to, in connection with, or in furtherance of this Agreement. The County may, as appropriate and in compliance with applicable law, contract the performance of the activities related to, in connection with, or in furtherance of this Agreement, including entering into contracts with vendors for services and commodities, *provided, however,* that the County shall be solely liable to its contractors for all expenses and liabilities associated with or arising from such contracts. The County represents and warrants that it has not, and agrees that it shall not enter into any contract in which DEO could be held liable to the contractor or subcontractor for any expenses or liabilities. The County agrees that DEO shall not be held liable to any contractor or subcontractor for any expenses or liabilities incurred under any contract. Pursuant to section 768.28, F.S., and to the extent permitted by applicable law, the County shall, at its expense, indemnify, defend, and hold DEO harmless of any liabilities incurred under any contract entered into by the County in connection with or in furtherance of this Agreement. As between DEO and the County, the County shall be liable for all work performed and all expenses incurred as a result of any contract entered into by the County in connection with this Agreement. The County shall ensure that contractors and subcontractors hired by the County in connection with the County's RDCS Facility Project, or any activities related to this Agreement, comply with all relevant terms of this Agreement. Any contract entered by the County for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement shall be evidenced by a written document. Further, such contracts that are entered into after the effective date of this Agreement shall include provisions requiring compliance with this Agreement and all applicable Federal, State, and local laws, regular performance reporting, accounting for proper use of funds provided under the Agreement (including the provision of audit rights pursuant to Attachment A, Audit Requirements, as applicable).

10. **RESPONSIBILITIES OF GOVERNING BOARD OR AUTHORITIES.** The Parties agree that any information, including updates, reports, publications, studies, and any and all reasonably requested information, that is required by Federal, State, or local law shall be approved by a person having the authority to do so prior to submission and shall be signed only by those persons having the legal authority to do so or appropriately ratified by such an authority.

11. **GOVERNING LAW.** The laws of the State of Florida shall govern the construction, enforcement, and interpretation of this Agreement, regardless of and without reference to whether any applicable conflicts of laws principles may point to the application of the laws of another jurisdiction. Without limiting the provisions of Article 4, *Financial Consequences*, of this Agreement, the exclusive personal jurisdiction and venue to resolve any and all disputes between them including, without limitation, any disputes arising out of or relating to this Agreement shall be in the state courts of the State of Florida in the County of Leon. The Parties expressly consent to the exclusive personal jurisdiction and venue in any state court located in Leon County, Florida, applying Florida law, and waive any defense of forum non conveniens, lack of personal jurisdiction, or like defense, and further agree that any and all disputes between them shall be solely in the State of Florida. **IN ANY LEGAL OR EQUITABLE ACTION BETWEEN THE PARTIES, THE PARTIES HEREBY EXPRESSLY WAIVE TRIAL BY JURY TO THE FULLEST EXTENT PERMITTED BY LAW.**

12. **STRICT COMPLIANCE.** The County shall perform all acts in connection with this Agreement in strict conformity with all local, State, and Federal laws and regulations. For the avoidance of doubt, to the extent of any conflict between the terms of this Agreement and any law or regulation, the law or regulation shall control.

13. **SEVERABILITY.** If any term or provision of this Agreement, in whole or in part, is found by a court of competent jurisdiction to be illegal, invalid, or unenforceable, then such term or provision shall be

severed from this Agreement. This Agreement and the rights and obligations of the Parties shall be construed as if this Agreement did not contain such severed term or provision, and this Agreement shall otherwise remain in full force and effect.

14. PRESERVATION OF REMEDIES. No delay or omission to exercise any right, power, or remedy accruing to either Party upon breach under this Agreement will impair any such right, power, or remedy of either Party nor will such delay or omission be construed as a waiver of any such breach or any similar breach. Any waiver must be in writing and signed by the Party to be charged. No waiver of a right, power, or remedy shall, or shall be construed to, waive any similar or future right, power, or remedy. The rights and remedies available to DEO under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to DEO.

15. DISCRIMINATORY VENDOR. The County acknowledges the provisions of section 287.134, F.S. The County shall disclose to DEO if any of its affiliates, as defined in section 287.134(1)(a), F.S., appears on the discriminatory vendor list. The County shall ensure provisions in accordance with section 287.134, F.S., are present in all agreements, assignments, leases, contracts, and subcontracts in furtherance of or related to this Agreement which are entered into after the effective date of this Agreement.

16. NON-DISCRIMINATION. The County shall not discriminate against any employee employed in the performance of this Agreement or against any applicant for employment because of age, race, sex, creed, color, handicap, national origin, or marital status. The County shall insert a provision in accordance with this Article, in all contracts for services in relation to this Agreement which are entered into after the effective date of this Agreement.

17. HARASSMENT-FREE WORKPLACE. The County shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management. The County shall insert a provision in accordance with this Article, in all contracts for services in relation to this Agreement that executed after the effective date of this Agreement.

18. PUBLIC ENTITY CRIMES. The County affirms that it is aware of the provisions of section 287.133, F.S., and that at no time has the County, or to its knowledge the Franchises, or their affiliates, as defined by section 287.133(1)(a), F.S., been convicted of a Public Entity Crime. The County agrees that it shall not violate such law. The County shall insert a provision in accordance with this Article and the applicable Florida Statutes in all agreements, assignments, leases, contracts, and subcontracts in connection with or related to this Agreement that are either an agreement with the Franchises, or are another agreement and are either amended or executed after the effective date of this Agreement.

19. WARRANTY OF ABILITY TO PERFORM. The County warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would prohibit, restrain, or diminish the County's or its Franchises', beneficiary or its affiliates' ability to satisfy its Agreement duties or obligations. The County shall immediately notify DEO in writing if the County's or its Franchises' or their affiliates' ability to perform in connection with this Agreement is compromised in any manner.

20. LOBBYING. Pursuant to sections 11.062 and 216.347, F.S., the County shall not use any funds received under this Agreement for lobbying the Legislature, the judicial branch, or any state agency. The County will keep DEO apprised of any requests for testimony or its participation in any Congressional, legislative, and other State or Federal hearings, or agency, committee, or task force meetings or the like, related to this Agreement. The County shall insert a provision in accordance with this Article in all agreements, assignments, leases, contracts, or subcontracts related to this Agreement or for which funds distributed pursuant to this Agreement are to be expended and are either amended, supplemented, or executed after the Effective Date of this Agreement.

21. **ATTORNEY FEES.** Except as otherwise set forth elsewhere herein, each Party shall at all times be responsible for its own costs, fees, and expenses arising out of or related to this Agreement, including attorneys' fees.

22. **NON-ASSIGNMENT.** Notwithstanding anything herein to the contrary, DEO may assign or transfer its rights, duties, or obligations under this Agreement to another governmental agency in the State of Florida immediately upon written notice to the County. The County may not assign, delegate, or otherwise transfer its rights, duties, or obligations under this Agreement without the prior written approval of DEO, which approval may not be unreasonably delayed, conditioned, or withheld, except with respect to those provisions herein affording DEO sole and absolute discretion. Any assignment, delegation, or transfer in violation of this Article is void *ab initio*. If DEO approves an assignment, delegation, or transfer of the County's obligations under this Agreement, the County shall remain responsible for all work performed and all expenses incurred in connection with this Agreement, regardless of such assignment, delegation, or transfer. This Agreement is binding upon the Parties and their respective successors, assigns, or legal representatives.

23. **RENEGOTIATION AND AMENDMENTS.** The Parties will renegotiate this Agreement if Federal or State revisions of any applicable laws or regulations make changes to this Agreement necessary. Amendments to or modifications of this Agreement shall only be valid when such change(s) are in writing and duly executed by all Parties. Any such change(s) shall become effective upon the date of execution of both Parties or such later date as may be specified therein.

24. **FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.** Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay or failure to perform from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay or failure to perform is excusable under this paragraph, the delay or failure to perform will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay or failure to perform the County believes is excusable under this paragraph, the County shall notify DEO in writing of the delay, potential delay, potential inability to perform, or failure to perform and describe the cause of such either: (1) within ten days after the cause that creates or will create the delay or nonperformance first arose, if the County could reasonably foresee that a delay or nonperformance could occur as a result; or (2) within five days after the date County first had reason to believe that a delay or nonperformance could result, if the delay or nonperformance is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. ADDITIONALLY, THE FORGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO NONPERFORMANCE BASED ON AN EVENT OF FORCE MAJEURE.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay or nonperformance is excusable under this paragraph and will notify the County of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against DEO. The County shall not be entitled to an increase in the Agreement distribution amount of any kind from DEO for direct, indirect, consequential, impact, or other costs, expenses, or damages, including costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If the County's performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, the County shall perform per the terms of this Agreement, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance from the County, provided the County grants preferential treatment to DEO with respect to any such allocation; (2) terminate the Agreement in whole or in part; or (3) pursue any other rights or remedies provided by law or under the Agreement.

25. **NO THIRD PARTY BENEFICIARIES.** Nothing in this Agreement, express or implied, is intended to either: (a) confer upon any third person or entity, other than the Parties and their permitted successors and assigns hereto, any rights or remedies under or by reason of the terms and conditions of this Agreement as a third party beneficiary or otherwise, except as may be specifically provided for in this Agreement; or (b) authorize any person or entity not a party to this Agreement to maintain any legal action or bring any claim for its benefit, pursuant to or based upon the terms and conditions of this Agreement.

26. **INFORMATION RELEASE AND ADVERTISING.** DEO does not endorse any commodity, service, project, or entity. Subject to chapters 119 and 286, F.S., the County shall not publicly disclose or disseminate any information concerning this Agreement without prior written approval from DEO, including mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking the County and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any entity that is not a Party to this Agreement, except potential or actual authorized contractors, subcontractors, distributors, dealers, resellers, or service representatives.

27. **CONFLICT OF INTEREST.** This Agreement and the use of funds distributed pursuant to this Agreement are subject to chapter 112, F.S. The County shall disclose the name of any officer, director, employee, or other agent of the County who is also an employee of the State. The County shall disclose the name of any County employee or agent who owns, directly or indirectly, more than five percent of the total assets or capital stock of any business entity or its affiliates receiving funds from this Agreement.

28. **CONSTRUCTION; INTERPRETATION.** The title of and the section and paragraph headings in this Agreement are for convenience of reference only and shall not govern or affect the interpretation of any of the terms or provisions of this Agreement. The term "this Agreement" means this Agreement together with all Exhibits hereto, as the same may from time to time be amended, modified, supplemented, or restated in accordance with the terms hereof. The use in this Agreement of the term "including" and other words of similar import mean "including, without limitation" and where specific language is used to clarify by example a general statement contained herein, such specific language shall not be deemed to modify, limit, or restrict in any manner the construction of the general statement to which it relates. The word "or" is not exclusive and the words "herein," "hereof," "hereunder," and other words of similar import refer to this Agreement as a whole, including any Exhibits, and not to any particular section, subsection, paragraph, subparagraph, or clause contained in this Agreement. The use herein of terms importing the singular shall also include the plural, and vice versa. The reference to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof and the reference to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. All references to "\$" shall mean United States dollars. The term "Party" or "Parties" includes any directors, officers, directors, shareholders, agents, representatives, employees, delegates, contractors, subcontractors, or any other similar person or entity which has been duly authorized to and has the actual authority to act or perform on behalf of the Party so represented. The recitals of this Agreement are incorporated herein by reference and shall apply to the terms and provisions of this Agreement and the Parties. Time is of the essence with respect to the performance of all obligations under this Agreement. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. All references to the Florida Statutes herein shall mean the 2022 Florida Statutes.

29. **EXECUTION.** This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. This Agreement and the Attachments and Exhibits attached hereto constitute the complete and exclusive statement of conditions of the Agreement and supersedes and replaces any and all prior negotiations, understandings, and agreements, whether oral or written,

between the Parties with respect thereto. Except as expressly provided in this Agreement, no term, condition, usage of trade, course of dealing or performance, understanding of agreement purporting to modify, vary, explain, or supplement the provisions of this Agreement shall be effective or binding upon the Parties unless agreed to in writing.

30. PARTIES AND NOTICES. Except as otherwise specifically provided in this Agreement, the contact information provided in accordance with this section shall be used by the Parties for all communications under this Agreement. All notices and demands to be given or delivered under or by reason of the provisions of this Agreement shall be deemed to have been given: (i) when personally delivered; (ii) when transmitted via email with confirmation of receipt if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid); (iii) the day following the day (except if not a business day then the next business day) on which the same has been delivered prepaid to a recognized overnight delivery service; or (iv) the third business day following the day on which the same is sent by certified or registered mail, postage prepaid, with return receipt. All approvals and certifications pursuant to this Agreement must be obtained from the Parties' respective administrators or their respective designees. If any information provided herein changes, including the designation of a new Agreement Manager, after the execution of this Agreement, the Party making such change shall notify all other Parties in writing of such change. Such changes shall not require a formal amendment to this Agreement.

ATTACHMENT A AUDIT REQUIREMENTS

The administration of resources awarded by DEO to the recipient (herein otherwise referred to as "Grantee") may be subject to audits and/or monitoring by DEO as described in this Attachment 2.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR part 200 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by 2 CFR Part 200, as revised, and/or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by DEO staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED *This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR Part 200, as revised.*

1. In the event that the recipient expends \$750,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, as revised. EXHIBIT 1 to this agreement indicates Federal resources awarded through DEO by this agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from DEO. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by 2 CFR Part 200, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart F of 2 CFR Part 200, as revised.
3. If the recipient expends less than \$750,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 CFR Part 200, as revised, is not required. In the event that the recipient expends less than \$750,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR Part 200, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from the recipient resources obtained from other than Federal entities).
4. Title 2 CFR 200, entitled Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, also known as the Super Circular, supersedes and consolidates the requirements of OMB Circulars A-21, A-87, A-110, A-122, A-89, A-102 and A-133 and is effective for Federal awards or increments of awards issued on or after December 26, 2014. PART II: STATE FUNDED *This part is applicable if the recipient is a non-state entity as defined by Section 215.97(2), Florida Statutes.*

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such recipient (for fiscal years ending September 30, 2004 or thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section

215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. If the recipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004 or thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

TO THE SECOND RESTATED
SPORTS FACILITY USE AGREEMENT**

R2023 0370

MAR 14 2023

This is AMENDMENT NO. 1 ("Amendment") dated _____, 2023 to the SECOND RESTATED SPORTS FACILITY USE AGREEMENT (R-2022-0521) dated May 17, 2022, (the "Second Restated Use Agreement") by and among Palm Beach County, a political subdivision of the State of Florida, by and through its Board of County Commissioners (the "County"), Jupiter Stadium, Ltd., a Florida limited partnership (the "Limited Partnership"), the St. Louis Cardinals, LLC, a Missouri limited liability company (the "Cardinals" or "Team"), and Marlins Teamco LLC, a Delaware limited liability company (the "Marlins" or "Team"). The Limited Partnership and the County, and, where the context so dictates, the Teams, are hereinafter sometimes referred to individually as a "Party" or collectively as the "Parties".

RECITALS

WHEREAS, the County is the owner of Roger Dean Chevrolet Stadium, located at 4751 Main St, Jupiter, Florida (the "Facility"), constituting a professional sports franchise facility for joint spring training of two Major League Baseball teams as well as minor league affiliates, including a stadium, two-team training facilities, practice fields, clubhouses, dedicated on-site parking and other appurtenances and improvements intended to support spring training activities; and

WHEREAS, the initial funding and construction of the Facility was the result of a developer agreement (the "Original Developer Agreement") and a use agreement (the "Initial Use Agreement") between the County and the Limited Partnership, then a partnership between the Cardinals and the Expos (the Expos were subsequently replaced by the Marlins); and

WHEREAS, in 2011, the County and Limited Partnership restated and extended the Initial Use Agreement until April 30, 2027; and

WHEREAS, on December 17, 2019, the County's Board of County Commissioners (BCC) approved a term sheet to provide for the funding of a \$108 million renovation of the Facility, and began negotiating a new developer agreement and second restated use agreement with the Limited Partnership to perform the renovation and use the Facility in accordance with the term sheet; and

WHEREAS, on May 17, 2022, the County's BCC approved and executed the new Developer Agreement (R-2022-0520) for renovation of the Facility (such renovation, the "Renovation Project") and a second restated use agreement ("Second Restated Use Agreement"), among the County, the Limited Partnership, the Cardinals and the Marlins, and also approved the submission of the County's application to the State of Florida Department of Economic Opportunity (DEO) for certification to receive state funding for the Renovation Project pursuant to section 288.11631, F.S.; and

WHEREAS, the Developer Agreement commits the County to provide funding for the Renovation Project through the issuance of at least \$108 million in 25-year County bonds, the debt service on which shall be provided from distributions received by the County from the State under 288.11631,

F.S, from the tourism development tax, and from payments collected from the Limited Partnership under the Second Restated Use Agreement; and

WHEREAS, the Second Restated Use Agreement becomes effective upon the date of sale of the County Bonds and will extend use of the RDCS Facility by the Marlins and the Cardinals to at least April 30, 2049; and

WHEREAS, the parties hereto now desire to amend the Second Restated Use Agreement to provide that the Limited Partnership may make its use payments semi-annually rather than annually.

NOW, THEREFORE, in consideration of the promises and of the mutual covenants hereinafter set forth and for such other good and valuable consideration, the receipt of which the parties hereto expressly acknowledge, the parties covenant and agree to the following terms and conditions:

1. Recitals. The foregoing recitals are incorporated herein by reference.

2. Developer Agreement Modifications and Additions. The following provisions of the Second Restated Use Agreement are modified as follows:

New Section 6.4 is hereby added to the Second Restated Use Agreement:

6.4 Option for Semi-Annual Use Fee Payments. The Limited Partnership, at its option, may elect to pay the annual Use Fee required under Section 6.3 hereof in two semi-annual payments on May 1 and November 1 each year. If the Limited Partnership elects this semi-annual payment option, then the Fee Commencement Letter provided for in Section 6.3 will reflect semi-annual payment of the Use Fee by the Limited Partnership.

3. Definitions. Any capitalized term not defined in this Amendment shall have the same definition as used in the Second Restated Use Agreement.

4. Counterparts. Provided that all the parties hereto execute an original of this Amendment, this Amendment may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument.

5. Integration and Merger. This Amendment, together with the Second Restated Use Agreement and the Operative Agreements (as that term is defined in the Second Restated Use Agreement), shall constitute the full and complete understanding between the parties as to the matters addressed herein. There are no oral understandings, terms or conditions, and no party has relied on any representation, express or implied, not contained in this Amendment, the Second Restated Use Agreement and/or the Operative Agreements. All prior understandings, terms or conditions (including those set forth in the Amendment), whether with a party to this Amendment or any partner of a party, are deemed to merge in this Amendment, and this Amendment cannot be changed or supplemented except by an agreement in writing and signed by the parties to this

Amendment.

THE REMAINDER OF THIS PAGE LEFT BLANK INTENTIONALLY

IN WITNESS WHEREOF, the Board of County Commissioners of Palm Beach County, Florida has made and executed this Amendment on behalf of the County; an authorized official of the Limited Partnership has made and executed this Amendment on behalf of the Limited Partnership; and an authorized official of each Team has made and executed this Amendment on behalf of each Team.

**ADDENDUM TO THE USE AGREEMENT BETWEEN
PALM BEACH COUNTY, JUPITER STADIUM, LTD., ST. LOUIS CARDINALS, LLC AND
MARLINS TEAMCO, LLC**

MAR 17 2023

This Addendum ("Addendum") is an addendum to the Second Restated Sports Facility Use Agreement (the "Use Agreement"), entered into on May 17, 2022, and thereafter amended from time to time, between Palm Beach County, Florida, a political subdivision of the State of Florida, by and through its Board of County Commissioners (the "County"), Jupiter Stadium, Ltd., a Florida Limited Partnership (the "Limited Partnership"), St. Louis Cardinals, LLC, a Missouri limited liability company (the "Cardinals"), and Marlins Teamco LLC, a Delaware limited liability company (the "Marlins"). The Cardinals and the Marlins may each individually be referred to as a "Club", or collectively as the "Clubs". The County, the Limited Partnership, the Cardinals, and the Marlins may each individually be referred to as a "Party", or collectively as the "Parties".

WHEREAS, section 288.11631, Florida Statutes ("F.S."), is intended to provide a process for the retention of spring training baseball franchises within the State. The Parties acknowledge that the amount of State incentive funding provided by the State for the Roger Dean Chevrolet Stadium Facility (the "RDCS Facility") is based on the continual use of the RDCS Facility by the Clubs for the duration of such incentive funding; and

WHEREAS, the purpose of this Addendum is to ensure that the Use Agreement continuously meets the requirements of section 288.11631, F.S., and to ensure that the Florida Department of Economic Opportunity ("DEO") can properly and responsibly act as the steward of State funds; and

WHEREAS, it is recognized that the Use Agreement contains provisions regarding obligations and rights not directly related to section 288.11631, F.S., or this Addendum, which provisions are not intended to be modified or affected by this Addendum except to the extent that they limit any rights or remedies of the State or DEO as provided for in this Addendum.

NOW THEREFORE, in consideration of the premises and the mutual covenants and obligations herein contained, and in order to induce DEO to certify the County pursuant to section 288.11631, F.S., the Parties intending to be legally bound, hereby agree as follows:

I. RECITALS INCORPORATED AS TERMS: The foregoing recitals are incorporated herein and made a part hereof by this reference.

II. DEFINITIONS: Except as otherwise set forth herein, the definitions set forth elsewhere in the Use Agreement shall not apply to this Addendum and the definitions set forth in this Addendum shall not apply elsewhere to the Use Agreement. All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum. The following definitions shall apply to this Addendum:

- A. **Club Spring Training Home Game** means, with respect to any Spring Training Season, a Spring Training game, as scheduled by Major League Baseball at its sole discretion, to be played by a Club's Major League Team, at the RDCS Facility as the home team, during such Spring Training Season. For the avoidance of doubt, a game played by a Club that is not a Spring Training Game scheduled by Major League Baseball, including, but not limited to, an international game, a game played during the Major League Baseball championship season, an exhibition game played in a Major League Baseball stadium, or a game played against a college or university team shall not constitute a Club Spring Training Home Game.
- B. **Major League Team** means the St. Louis Cardinals or the Miami Marlins, as the context so dictates. In the event a Club is properly replaced pursuant to Article 13 of the Use Agreement, such new Club's team shall likewise substitute with respect to this definition.
- C. **Missed Game** means a failure by a Club's Major League Team to play a Club Spring Training Home Game at the RDCS Facility during the Spring Training Season, where such failure by that Club's

Major League Team to play such Club Spring Training Home Game is not (1) due to the suspension of play, as articulated in Article 24 of the Use Agreement; (2) due to an event of Force Majeure, as that term is defined in Article 28 of the Use Agreement; (3) approved in writing by both the County and DEO at their sole and absolute discretion; or (4) due to a scheduling change made by Major League Baseball at its sole discretion, in writing, prior to the scheduled Club Spring Training Home Game.

- D. **Spring Training Season** means the annual period during which Major League Baseball conducts Spring Training games in preparation for the Major League Baseball championship season, generally running from February 1 through April 15 of each calendar year, but subject to change at the sole discretion of Major League Baseball.

III. TERMS AND CONDITIONS.

- A. Notwithstanding anything herein or in the Use Agreement to the contrary, the Parties acknowledge that State distributions are not fixed or certain, but rather subject to and made in accordance with sections 212.20(6)(d)6.e. and 288.11631, F.S. Further, to the extent required by law, payment of distributions is conditioned on and subject to specific annual appropriations by the Florida Legislature sufficient to pay amounts authorized in section 288.11631, F.S. No Party shall be relieved of any obligation to the State or DEO in the event that lawful State distributions are less than a Party expected, under the Use Agreement or otherwise.
- B. With respect to each calendar year during the term of the Use Agreement, each Club's Major League Team shall use the RDCS Facility for the full period of each such calendar years' Spring Training Season for all of its Club Spring Training Home Games, unless scheduled at another location by Major League Baseball at its sole discretion.
- C. **Prorated Repayments.** Notwithstanding anything herein or in the Use Agreement to the contrary: if a Club's number of Missed Games in a Spring Training Season exceeds 50% of the Club's Club Spring Training Home Games scheduled for such Spring Training Season, then, for each Missed Game by such Club in such Spring Training Season, the Club shall reimburse the State a portion of the State's yearly distribution for the RDCS Facility applicable to such Spring Training Season determined by multiplying the amount of such yearly distribution by the fraction obtained by dividing the number of the Club's Missed Games by the total number of Club Spring Training Home Games scheduled for such Spring Training Season for Clubs at the RDCS Facility. For example, if the County receives \$2,000,000 in a year from the State for the RDCS Facility, and the Cardinals' Major League Team has 4 Missed Games in a Spring Training Season that is scheduled to have a total of 16 Club Spring Training Home Games—7 to be played by the Cardinals and 9 to be played by the Marlins—then the Cardinals would be required to repay \$500,000 to DEO ($\$2,000,000 \times (4/16) = \$500,000$). All such reimbursements in any Spring Training Season become due and payable upon the first Missed Game beyond the 50% of the Club's Club Spring Training Home Games scheduled for such Spring Training Season, and then upon each Missed Game thereafter. The foregoing obligations constitute obligations to reimburse the State pursuant to the Use Agreement, are enforceable by the State, and are secured by the Guaranties executed by each of the Clubs as provided for in Section 16.7 of the Use Agreement. Further, the foregoing obligations are in addition to those obligations to reimburse the State that are specified in the Use Agreement.
- D. Where a Club's (or a Club affiliate's) assignment or transfer of interest pursuant to Article 13 of the Use Agreement is conditioned upon DEO's prior written consent, DEO's consent shall be deemed reasonably withheld when said Club has, or will have at the end of the current Spring Training Season due to Missed Games, an outstanding obligation to reimburse the State pursuant to this Addendum, or has an outstanding obligation to reimburse the State pursuant to the terms of the Use

Agreement. The foregoing is not the sole reasonable basis upon which DEO may withhold such consent.

- E. The status, standing, and rights of the State, DEO, and DEO's successors and assigns set forth in Section 22.3.8 in the Use Agreement extend to the provisions of this Addendum, including, but not limited to those relating to, and/or pursuant to, the Guaranty executed by each Club.
- F. **Third Party Beneficiary.** Notwithstanding anything herein or in the Use Agreement to the contrary, the State, by and through DEO, is an intended third-party beneficiary of the Use Agreement and this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations imposed by, this Addendum, including, but not limited to any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any rights or remedies that the State or DEO may have at law. References to DEO herein and in the Use Agreement also refer to DEO's successors and assigns.
- G. **Order of Priority.** If a conflict arises between the terms of this Addendum and terms of the Use Agreement relating specifically to a right, obligation, or remedy benefiting DEO or the State which arises from section 288.11631, Florida Statutes, or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Use Agreement, including any terms added to, amended in, or removed from the Use Agreement after execution of this Addendum. This provision may not be interpreted so as to release or modify any obligation, right, or remedy provided for in the Use Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes, or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the Parties and DEO. If any direct or indirect modification or amendment is made to either the Use Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on the rights of DEO under this Addendum, such portion of that modification or amendment that has an adverse effect shall be void ab initio, and ineffective.
- H. **Lobbying.** Notwithstanding anything in the Use Agreement to the contrary, no Party may use any funds from State sources for lobbying the Legislature, the judicial branch, or any state agency.
- I. **Venue.** Notwithstanding anything in the Use Agreement to the contrary, where DEO brings an action or otherwise raises a claim to enforce its rights under the Use Agreement, the Parties acknowledge that personal jurisdiction upon proper service will be valid in the State of Florida, and that the proper and exclusive venue for same shall lay in a state court of competent jurisdiction in Leon County, Florida, or Palm Beach County, Florida.
- J. **Successors and Assigns.** The Parties acknowledge that references to DEO herein and in the Use Agreement are understood to also refer to DEO's successors and assigns.

[Rest of page left blank intentionally; signature page to follow]

IN WITNESS HEREOF, the Parties have caused to be executed this Addendum by their undersigned duly authorized officials. By signature below, the Parties agree to abide by the terms, conditions, and provisions of the Use Agreement, subject to this Addendum.

5.7.1.2 Project Proceeds Increase. Notwithstanding anything herein to the contrary, the Limited Partnership may, in the Bond Sale Request, elect to increase the amount of the Project Proceeds, in excess of \$108,000,000 (the "Project Proceeds Increase"), to the extent that:

- (a) (i) applicable market interest rates for the sale of the County Bonds are, at the time of the Bond Sale Request, more favorable than the 3.98% interest rate assumption used by the parties to calculate the Project Proceeds as of the Effective Date hereof ("More Favorable Interest Rates"), in the sole estimation of the County after Consultation with the Limited Partnership; and (ii) the Project Proceeds Increase is utilized to fund Tourism Improvements; and/or
- (b) (i) the Limited Partnership has secured Additional Funding Contributions received as a lump-sum prior to the date of sale of the County Bonds or to be received over time pursuant to an agreement executed and effective prior to the sale of the County Bonds and (ii) where any improvements to be paid for by the Project Proceeds Increase are within the overall Scope of Work for the Renovation Project as set forth in **Exhibit B** hereto or otherwise for an improvement with a use that is not contrary to the terms of this Agreement.

Provided, however, that such Project Proceeds Increase shall not exceed Eighteen Million Dollars (\$18,000,000), and the total amount of the Project Proceeds, including such Project Proceeds Increase, shall not exceed One Hundred Twenty-Six Million Dollars (\$126,000,000). 5.7.1.3 Use of Taxable and Tax-Exempt Bonds. The County Bonds will be issued as taxable and tax-exempt bonds. While retaining the sole right to determine the value of tax-exempt bonds to be issued, the County will work with the Limited Partnership to maximize the Project Proceeds. Subject to the terms hereof, the County, after Consultation with its bond counsel and the Limited Partnership, shall have the sole right to determine the amount of tax exempt bonds to be sold. The Project Proceeds derived from the sale of tax-exempt bonds should be between 80% and 90% of the total estimated cost of the tax-exempt improvements. The terms, conditions and restrictions set forth in the bond documents for the County Bonds shall be consistent with the terms

of the Operative Agreements, and the County shall regularly Consult with the Limited Partnership regarding the terms, conditions, and restrictions set forth in the bond documents as such documents are completed and finalized.

5.7.2 Additional Funding Contributions. The Limited Partnership may seek and use funding for all or a portion of the Non-Eligible Costs in the Project Budget through any of the following (collectively, "Additional Funding Contributions"): (i) additional private contributions; and/or (ii) additional public contributions or incentives from sources other than the County or the State.

Additional Funding Contributions received after the date of the County Bond sale (unless contained within a Project Proceeds Increase set forth in Section 5.7.1.2 above) are considered private contributions to the Project Budget and will be considered part of the Limited Partnership's equity contribution to the Renovation Project. The County shall use reasonable efforts and cooperate with the Limited Partnership regarding its pursuit of any Additional Funding Contributions. Notwithstanding anything herein to the contrary, any and all Non-Eligible Costs within the Project Budget shall not be eligible for reimbursement from the Project Proceeds and shall only be funded by any Additional Funding Contributions or by the Reallocated Amount (as described below in Section 8.6).

In such event, the County shall pay a proportionate share of any such Cost Overrun, which proportion shall be equal to the extent to which the Cost Overrun was caused by the County. Any payment by the Limited Partnership for Cost Overruns shall not be deemed a payment for use of any portion of the Facility, but rather an equity contribution.

If the contracted cost of the particular Service is more than identified in the Project Cost Estimate, then the Limited Partnership shall first debit the Project Contingency – All line, and once the Project Contingency is exhausted, the difference will be considered a Cost Overrun.

8.4.7 Construction Savings shall be deposited into the R/R Project Reserve and allocated one-third (1/3) to the County R/R Project Reserve and two-thirds (2/3) to the Limited Partnership's R/R Project Reserve. Construction Savings shall be utilized to fund R/R Projects as set forth in Article 10 of the New Use Agreement. Prior to the sale of the County Bonds, the Limited Partnership may access and use all or any portion of the Reallocated Amount for the construction of Capital Improvements (as defined in the Existing Use Agreement). The conduct and performance of any such Capital Improvements approved by the County prior to the sale of the County Bonds shall be governed by the terms of Article 9 of the Existing Use Agreement (which shall survive the termination of the Existing Use Agreement). Any expenditures from the Reallocated Amount which were approved prior to the Effective Date of the New Use Agreement may continue to be paid from the Reallocated Amount in accordance with this Section 8.6. For avoidance of doubt, the Video Scoreboard Improvements were paid from the Reallocated Amount prior to the Effective Date of the New Use Agreement and shall be included in the Scope of Work.

ARTICLE 9

COMPENSATION FOR SERVICES

9.1 Payment of Eligible Costs. The County shall timely pay any and all Eligible Costs required to be paid by it to the Limited Partnership pursuant to the terms of this Agreement, which payments shall be made in accordance with the provisions of this Agreement.

9.2 Limitation. The County shall only be required to pay for Eligible Costs from the Project Proceeds. Except as otherwise provided in Section 8.3 for Cost Overruns attributable to the County, and as provided for in Section 5.3 for the County-initiated peer review, under no circumstance shall the County be required to pay for any other costs of the Renovation Project.

9.3 Requisition Process.

9.3.1 On or before the fifth (5th) Day of each month, the Limited Partnership shall be entitled to submit to the County a payment certification and requisition for Eligible Costs incurred, which shall include a copy of the Consultants or Contractor application for payment, certified by the Limited Partnership and the applicable Consultant or Contractor in accordance with the requirements of **Exhibit G** attached hereto. The Limited Partnership agrees to deliver to the County such back-up materials as the County may reasonably require, and which the Limited Partnership has reasonable access to obtain. Unless the County disputes all or a portion of any charge set forth in said payment certification and requisition, the County shall make payments to the Limited Partnership in the amounts due to: (a) the Consultant, pursuant to each Consultant Contract; and (b) the Contractor, pursuant to each Construction Contract; within 30 Days from the date of receipt of a complete payment certification and requisition from the Limited Partnership. The Contractor's application for payment must also be accompanied by the Affidavit set forth in Section 9.3.2 below. To the extent that the County disputes all or part of the payment requested by the payment certification and requisition, the County shall make partial payment of the non-disputed amount and provide notice of the disputed amount and reason for the dispute to the Limited Partnership within ten (10) Days of receipt of the payment certification and requisition. Said notice shall be considered the initial notice of the dispute resolution procedure set forth in Section 14.1 hereof, and the Parties agree to follow the dispute resolution procedure to resolve any such payment disputes.

9.3.2 With each payment certification and requisition submitted to the County, the Limited Partnership shall deliver to the County from each Contractor or Consultant for which payment is requested, as the case may be, fully executed Affidavit of Disbursement of Previous Payments in the amount of the immediately prior payment for the applicable Contractor or Consultant, as the case may be, excepting any claims that remain in dispute. The County shall not release payment for any portion of the Services performed by the Consultant(s) or the Contractor(s), as the case may be, unless the payment certification and requisition submitted to the County is accompanied by the Affidavit of Disbursement of Previous Payments for the Consultant(s) or the Contractor. However, the County may, but shall not be required to, make payments on account of the respective Construction Contract or Consultant's Contract without such affidavit, if the Contractor or Consultant presents to the Limited Partnership, and the Limited Partnership presents to the County, a consent of surety to such payment, from the Contractor's or Consultant's surety, in form acceptable to the County.

9.4 Payment of Contractors/Consultants. The receipt of such payment by the Limited Partnership is hereby deemed to be a condition precedent to the Limited Partnership's obligation to transmit payments to the Consultant(s) or the Contractor(s). In the event that the County fails to make payment to the Limited Partnership in the entire amount of any payment certification and requisition submitted by the Limited Partnership, the Limited Partnership shall only be obligated to transmit payment to the Consultant(s) or the Contractor(s) in the amount actually received from the County. Notwithstanding the above, the receipt of payment from the County is not a condition precedent to the extent the payment request represents payment to a Consultant(s) or Contractor(s) attributable to a Cost Overrun payable by the Limited Partnership pursuant to Section 8.3 herein.

9.5 Time for Payment. Upon receipt of payment from the County with respect to any payment certification and requisition, the Limited Partnership shall transmit payment to the Consultant or the Contractor, in the exact amount received from the County, within five (5) Business Days from the date of the Limited Partnership's receipt of such payment from the County.

9.6 Payment Disputes. The Parties agree that timely payment of Limited Partnership's Contractors and Subcontractors for undisputed work is not only required under Florida law but is also good public policy and business practice. It is the Limited Partnership's obligation to resolve payment disputes among its Contractors and Subcontractors. If a Contractor of the Limited Partnership disputes a portion of a Subcontractor's payment request, the Limited Partnership must ensure that the Contractor submits the undisputed portion of the request for payment in a timely manner. The Limited Partnership must put in place a payment dispute resolution procedure with its Contractors whereby all payment disputes between Contractors and Subcontractors that cannot be resolved between the Contractor and the Subcontractor must finally be determined by the Limited Partnership. Such procedure must provide that proceedings to resolve the dispute are commenced within forty-five (45) Days of the date that the claim/undisputed payment request was received by the Limited Partnership and concluded by the Limited Partnership within sixty (60) Days of the date the claim/undisputed payment request was received by the Limited Partnership. The Limited Partnership must put in place procedures for making payment directly to Subcontractors for undisputed work in the event a Contractor refuses to process a Subcontractor's claim for payment for undisputed work.

9.7 Final Payment and Closeout of the Renovation Project. In order to close out the County's payment obligations under this Article, the Limited Partnership must clearly state "Final" on the Limited Partnership's final/last billing to the County. Prior to final payment under this Agreement and closeout of the Renovation Project, Limited Partnership must provide to County:

1. Copy of Certificate of Occupancy or Certificate of Completion, as applicable;
2. Copies of all permits and permit log demonstrating closure of all permits and approvals;
3. Copies of all operations and maintenance manuals for all equipment;
4. Copies of all manufacturer's certifications and warranties;
5. Complete set of as-built drawings/record drawings;
6. FFE log with corresponding unique tag identification;
7. Updated Exhibit F – Deviations Log;

10. Final Project Budget identifying all Eligible Costs and Non-Eligible Costs.

10.3 County Termination Rights. The County shall have the right to terminate this Agreement:

A. For any reason: 1) prior to the approval of the Bond Resolution by the County or 2) if the County has not received the Bond Sale Request from the Limited Partnership by April 30, 2024, subject to the County making payment to the Limited Partnership for Eligible Costs accrued to the date of termination of this Agreement. The County shall only be obligated to pay the Limited Partnership, and the Limited Partnership shall only be entitled to receive from the County, all Eligible Costs accrued to the date of the termination of this Agreement. For the purposes of this Section 10.3 A. only, the County shall be solely responsible for the payment to the State of any monies received and expended by the Limited Partnership prior to the termination.

B. In the event any of the conditions precedent set forth in Section 17.1 are not satisfied or waived by April 30, 2024. The provisions of Sections 17.3 and 17.4 shall control this right of termination.

10.4 Survival. The following provisions shall survive termination of this Agreement: Articles 11, 13 and 15, and Sections, 12.3, 19.3, 19.4, 19.7, 19.8, and 19.16, and **Exhibit F.**

10.5 New Use Agreement Termination. The New Use Agreement, if effective, shall terminate simultaneously with the termination of this Agreement pursuant to Sections 10.2 or 10.3 hereof, subject to the survival of any provisions which either specifically survive termination or which, by

their nature, are intended to survive. Termination shall be effective on the Effective Termination Date.

12.2.3 The County shall be specifically listed as an additional insured (and not as a named insured) for all claims arising in connection with the Limited Partnership's operations on the Commercial General Liability Insurance policy and any umbrella policies which may be applicable to the Program (using ISO Form CG2010 10 01 or its equivalent) and the Automobile Policy. Best rating of A- and Class VII or better is acceptable) or by way of illegal operation, in the County's reasonable discretion. The County shall provide the Limited Partnership written notice of such action and the Limited Partnership shall agree to cure or comply with such action within thirty (30) Days receipt thereof.

12.3 Indemnification.

12.3.1 Definition. For purposes of this Section 12.3 only, the "County Indemnified Parties" means the County, including each of its respective agents, employees and elected officials.

12.3.2 Indemnification by Limited Partnership.

12.3.2.1 The Limited Partnership agrees to protect, defend, reimburse, indemnify and hold the County Indemnified Parties free and harmless at all times from and against any and all claims, liability, expenses, losses, costs, fines and damages (including attorney's fees at trial and appellate levels) and causes of action of every kind and character against, or in which the County is named or joined, for any damage to property or the environment, economic losses, or bodily injury (including death) incurred or sustained by any Person, arising out of, or in incident to, or in connection with; (i) the Services performed pursuant to this Agreement, (ii) the use of the Site, including but not limited to, the driveways, sidewalks, walkways, entrances and exits from the Site, (iii) any act or omission of the Limited Partnership Parties, and/or (iv) the Limited Partnership's performance, non-performance or purported performance under this Agreement.

ARTICLE 13 **LIMITATION OF REMEDIES**

13.1 County Limited Waiver. The County knowingly, voluntarily and intentionally waives any right or recourse to seek recovery from the Limited Partnership, its Affiliates, members, officers, directors, employees, agents, servants and representatives of any and all of the foregoing, for any damages attributable to any Consultant, Contractor, or Subcontractor, respectively, as set forth in Section 13.1.1 and Section 13.1.2, provided the Limited Partnership fulfills its obligations in good faith and seeks recovery on behalf of the County as set forth herein, provided, however, the foregoing shall not limit the Limited Partnership's obligations to pay for Cost Overruns as provided in Section 8.3 hereof. Notwithstanding the prior sentence, and for the avoidance of confusion, nothing herein shall be interpreted as precluding the County from exercising any rights it may have under the Guaranties set forth in **Exhibits I-1 and I-2** hereto.

13.1.1 In the event that the Limited Partnership requires the Contractor to perform any obligation under the Construction Contract, and the Contractor fails to do so, or performs in a deficient or nonconforming manner, the Limited Partnership shall issue notice to the Contractor, requiring the Contractor to perform, correct or replace the Work, or the applicable portion thereof, in accordance with the Construction Contract. In the event that the Limited Partnership requires a Consultant to perform any obligation under a Consultant Contract and the Consultant fails to do so, or prepares instruments of service in a deficient manner, the Limited Partnership shall issue notice to such Consultant, requiring such Consultant to perform in accordance with the Consultant Contract, or to correct the deficiencies in its instruments of service, whichever is appropriate.

13.1.2 Notwithstanding any other provision of this Agreement to the contrary, the Limited Partnership hereby agrees to seek recovery: (i) directly from a Consultant, its surety or insurers, for any damages that the Limited Partnership, Teams and/or the County may incur as a result of such Consultant's failure to perform in accordance with the Consultant Contract, or the Consultant's deficient or nonconforming performance under the Consultant Contract, as the case may be, or as a result of such Consultant's negligence; or (ii) directly from the Contractor, its surety and insurers, for any damages that the County, Teams and/or the Limited Partnership may

incur as a result of the Contractor's failure to perform in accordance with the Construction Contract, or the Contractor's deficient or nonconforming performance under the Construction Contract, as the case may be, or as a result of such Contractor's negligence.

13.1.3 In performing its obligations under Sections 13.1.1 and 13.1.2 hereof, the Limited Partnership shall have the right to Consult with the County to seek a waiver of the obligation to bring an action, which may be granted or denied in the County's sole discretion, and to the extent the County provides a written waiver of such requirement, the Limited Partnership is not required to bring such action.

13.2 Limited Partnership Waiver. The Limited Partnership knowingly, voluntarily and intentionally waives any right or recourse to seek recovery from the County for any damages attributable to any Consultant, Contractor, or Subcontractor, respectively, as set forth in Section 13.1.1 and Section 13.1.2 herein.

13.3 Limited Partnership Further Waiver. The Limited Partnership knowingly, voluntarily and intentionally waives any right or recourse to seek recovery from the County for any damages caused by, or resulting from, delays in the Program unless such delays are directly attributable to the County's negligent or willful nonperformance of a material term of this Agreement; provided, however, the foregoing shall not limit the County's obligations to pay for Cost Overruns as provided in Section 8.3 hereof.

13.4 County Rights. Notwithstanding anything contained herein, the County may, at its sole option, pursue recovery against a Consultant and/or Contractor as set forth in Section 13.1.1 or 13.1.2 for the County damages, in collaboration with, or in place of, the Limited Partnership. Additionally, in the event that the Limited Partnership is in default of any of its obligations under this Agreement, the County may pursue any and all remedies that it may have against the Limited Partnership, available at law and in equity, subject to the requirements of Article 14 of this Agreement. Notwithstanding the above, it is acknowledged by the County, however, that except for those provisions intended to survive the termination of this Agreement as set forth in Section 10.4 hereof, such liability to the County shall cease at the same time as the Contractor's liability to the Limited Partnership ceases pursuant to the Construction Contract.

13.5 Limited Partners. All Parties hereto recognize that the Limited Partnership is a limited partnership whose sole general partner as of the Effective Date is JS Stadium, Inc., a Florida corporation, and the Limited Partnership is a limited partnership formed under the laws of the State of Florida and validly authorized to do business as a limited partnership under Florida law. All parties hereto agree that no limited partner of this Limited Partnership shall have any liability or obligation whatsoever directly or indirectly, personal or otherwise, under this Agreement (other than pursuant to the Guaranties attached hereto as **Exhibits I-1** and **I-2**) under any legal or equitable theory. All parties further agree that no limited partner shall directly or indirectly have any liability or obligation under any related agreement or agreement entered into in connection herewith, nor under any related understanding or undertaking, except if and to the extent such limited partner shall have executed an agreement expressly agreeing to such liability. No Party to this Agreement shall name or serve any limited partner in any proceeding, suit or claim in violation of this paragraph. This paragraph shall not preclude any claim against the Limited Partnership as

a limited partnership, nor against the general partner of the Limited Partnership as so denominated in the Articles of Limited Partnership of this Limited Partnership, nor shall this paragraph preclude any claim brought to enforce the provision of the Guaranties.

ARTICLE 14

Accordingly, in the event of a dispute related to the performance of either the Limited Partnership or the County under this Agreement, the Limited Partnership and the County agree not to file a lawsuit until they have engaged in an expedited dispute resolution process including mediation, the parameters of which are to be agreed upon by the Parties. Within ten (10) Days after the receipt of the foregoing notice, the other Party shall deliver a written response to the initiating Party's notice. The initial mediation sessions shall be within thirty (30) Days from the initiating notice. The Parties agree to share equally in the costs and expenses of the mediation and to each bear their own attorneys' fees and costs. 14.4 Limited Partnership Remedies. Upon a default by the County, the Limited Partnership shall have the right to: (1) grant the County a reasonable period of time within which to cure such default during which time the County shall utilize the County's best efforts, including bringing suit, to remedy such default; and/or (2) seek dispute resolution pursuant to Section 14.1 herein to resolve said dispute; and/or (3) subject to the requirements of Section 14.1, seek specific performance of the terms of this Agreement. In the event the Limited Partnership is unable to obtain specific performance of this Agreement for any reason, the Limited Partnership shall have such other remedies as available by law or in equity as a result of such default.

No Party shall be considered the author of this Agreement since the Parties hereto have participated in extensive negotiations and drafting and redrafting of this document to arrive at a final agreement. Thus, the terms of this Agreement shall not be strictly construed against one Party as opposed to the other Party based upon who drafted it. In the event that any article, paragraph, sentence, clause, or provision hereof is held by a court of competent jurisdiction to be invalid, such shall not affect the remaining portions of this Agreement and the same shall remain in full force and effect.

Said certification must also be submitted at the time of Agreement renewal, if applicable.

19.30 E-Verify. The parties hereto agree to comply with Section 448.095, Florida Statutes, when applicable.

The Limited Partnership reserves the right to require the Construction Manager to assign some or all of its subcontracts or other agreements with material suppliers directly to the County. Any materials purchased by the County pursuant to such an assignment of a material supply subcontract or agreement of a material supply subcontract or agreement shall be referred to as "County Furnished Materials" and the responsibilities of both the County and Construction Manager relating to such County Furnished Materials shall be governed by the terms and conditions of these Special Conditions, which shall take precedence over other conditions and terms of the Contract Documents where inconsistencies or conflicts exist. In addition, the County's standard terms and conditions associated with purchase ordered materials will be applicable to all County Furnished Materials.

2.1.2 Material suppliers shall be selected by the Construction Manager awarded the contract by the competitive bid process. Supply contracts shall be awarded by the Construction Manager to the supplier whose bid/proposal is most advantageous to the Limited Partnership, price and other factors considered.

The Construction Manager shall include the price for all construction materials in its bid. The County purchasing of construction materials, if selected, will be administered on a deductive Change Order basis.

2.1.3 To enable the Limited Partnership to realize savings of Sales Tax on selected tangible personal property needed for this Program, the Construction Manager will provide to the Limited Partnership a list of all intended suppliers, vendors, and materialmen for consideration as County Furnished Materials. The Construction Manager shall submit price quotes from the vendors, as well as a description of the materials to be supplied, quantities and prices. The Construction Manager will evaluate the list to recommend direct purchases where those direct purchases will result in Sales Tax savings to the Limited Partnership. The Limited Partnership will either accept

or reject the Construction Manager's recommendations and purchases will be made according to the County's procedures.

2.1.4 Construction Manager shall identify materials which the County will furnish through this County Furnished Materials clause which will achieve a minimum agreed upon goal of Sales Tax savings. The Construction Manager will provide the necessary clerical and administrative services support required to implement this program.

In a timely manner, Construction Manager shall prepare County Purchase Order Forms specifically identify the materials which the County may, in its discretion, elect to purchase directly.

Construction Manager shall include copies of vendors' quotations.

2.1.5 The following procedure, which is a waiver of the Palm Beach County Procurement Code, shall be used for the implementation of this program.

Construction Manager shall prepare County Purchase Orders (hereinafter "Purchase Orders") for items of material which the County chooses to purchase directly. Once the Purchase Order has been prepared and executed, it shall be issued directly to the vendor by the County. Pursuant to the Purchase Order, the vendor will provide the required quantities of material at the price established in the vendor's quote to the Construction Manager, less any sales tax associated with such price. Promptly upon issuance of each Purchase Order by the County, Construction Manager shall verify the purchase of the items in accordance with the terms of the Purchase Order and in a manner to assure timely delivery of items. Palm Beach County's Director of Purchasing or his designated representative shall be the approving authority for the County on Purchase Orders in conjunction with the County Furnished Materials. The Purchase Order shall require that the supplier provide the required shipping and handling insurance. The Purchase Order shall also require the delivery of the County Furnished Materials on the delivery dates provided by the Construction Manager. The Vendor shall issue its invoice, for all materials supplied pursuant to a County Purchase Order, directly to Palm Beach County.

2.1.6 In conjunction with or prior to the execution of the Purchase Orders by the suppliers, the Construction Manager shall execute and deliver to the Project Representative who will forward to the County one or more deductive Change Orders, in accordance with General Conditions referencing the full value of all County-Furnished Materials to be provided by each supplier from whom the County elected to purchase material directly, plus all sales taxes associated with such materials in Construction Manager's bid to the County, plus savings to Construction Manager in the cost of Payment and Performance Bonds associated with such County Furnished Materials.

2.1.7 All shop drawings and submittals shall be made in accordance with the General Conditions.

2.1.8 Construction Manager shall be fully responsible for all matters relating to the receipt of materials furnished by the County in accordance with these Special Conditions including, but not limited to, verifying correct quantities, verifying documents of orders in a timely manner, coordinating purchases providing and obtaining all warranties and guarantees required by the Contract Documents, inspection and acceptance of the goods at the time of delivery, and loss or

damage to equipment and materials following acceptance of items by the County due to the negligence of the Construction Manager. The Construction Manager shall coordinate delivery schedules, sequence of delivery, loading orientation, and other arrangements normally required by the Construction Manager for the particular materials furnished. The Construction Manager shall provide all services required for the unloading, handling and storage of materials through installation. The Construction Manager agrees to indemnify and hold harmless the County from any and all claims of whatever nature resulting from non-payment of goods to suppliers arising from the actions of the Construction Manager.

2.1.9 As County Furnished Materials are delivered to the jobsite, the Construction Manager shall visually inspect all shipments from the suppliers, and approve the vendor's invoice for material delivered. The Construction Manager shall assure that each delivery of County Furnished Materials is accompanied by documentation adequate to identify the Purchase Order against which the purchase is made. This documentation may consist of a delivery ticket and an invoice from the supplier conforming to the Purchase Order together with such additional information as the County or Limited Partnership may require. The Construction Manager will then forward the documentation to the County through the Limited Partnership.

2.1.10 The Construction Manager shall insure that County Furnished Materials conform to the specifications, and determine prior to incorporation into the Work if such materials are patently defective, and whether such materials are identical to the materials ordered and match the description on the bill of lading. If the Construction Manager discovers defective or non-conformities in County Furnished Materials upon such visual inspection, the Construction Manager shall not utilize such nonconforming or defective materials in the Work and instead shall promptly notify the County of the defective or nonconforming condition so that repair or replacement of those materials can occur without any undue delay or interruption to the Program. If the Construction Manager fails to perform such inspection and otherwise incorporates into the Work such defective or nonconforming County Furnished Materials, the condition of which it either knew or should have known by performance of an inspection, Construction Manager shall be responsible for all damages to the County resulting from Construction Manager's incorporation of such materials into the Program, including liquidated or delay damages.

2.1.11 The Construction Manager shall maintain records of all County Furnished Materials incorporated into the Work from the stock of County Furnished Materials in its possession. The Construction Manager shall account monthly to the County through the Limited Partnership for any County Furnished Materials delivered into the Construction Manager's possession, indicating portions of all such materials which have been incorporated into the Work.

2.1.12 The Construction Manager shall be responsible for obtaining and managing all warranties and guarantees for all materials and products as required by the Contract Documents. All repair, maintenance or damage-repair calls shall be forwarded to the Construction Manager for resolution with the appropriate supplier, vendor, or Subcontractor.

2.1.13 Notwithstanding the transfer of County Furnished Materials by the County to the Construction Manager's possession, the County shall retain legal and equitable title to any and all County Furnished Materials although the Construction Manager shall maintain both Builders Risk

and Inland Marine/Transit insurance on said Materials and the Loss Payee endorsement on said policies shall read "Palm Beach County Board of County Commissioners".

2.1.14 The transfer of possession of County Furnished Materials from the County to the Construction Manager shall constitute a bailment for the mutual benefit of the County and the Construction Manager. The County shall be considered the bailor and the Construction Manager the bailee of the County Furnished Materials. County Furnished Materials shall be considered returned to the County for purposes of their bailment at such time as they are incorporated into the Program or consumed in the process of completing the Program.

2.1.15 The County shall in no way be liable for any interruption or delay in the Program, for any defects or other problems with the Program, or for any extra costs or time resulting from any delay in the delivery of, or defects in, County Furnished Materials.

2.1.16 On a monthly basis, Construction Manager shall be required to review invoices submitted by all suppliers of County Furnished Materials delivered to the Site during that month and either concur or object to the County's issuance of payment to the suppliers, based upon Construction Manager's records of materials delivered to the Site and any defects in such materials.

2.1.17 In order to arrange for the prompt payment to the suppliers, the Construction Manager shall provide to the County a list indicating the acceptance of the goods or materials within 15 Days of receipt of said goods or materials. The list shall include a copy of the applicable Purchase Order, invoices, delivery tickets, written acceptance of the delivered items, and such other documentation as may be reasonable required by the County. Upon receipt of the appropriate documentation, the County shall prepare a check drawn to the supplier based upon the receipt of data provided. This check will be released, delivered and remitted directly to the supplier. The Construction Manager agrees to assist the County to immediately obtain partial or final release of waivers as appropriate. The County shall not make any payment without the appropriate Contractor's concurrence and approval, which shall be delivered to the County by the Project Representative.

2.1.18 The County shall be entitled to the benefits of any discounts attributable to the early payment of vendor invoices for materials furnished by the County pursuant to these Specifications.

2.1.19 The material supplier may be required to provide a Supply Bond in the amount of 100% of the purchase order price. The bond shall be from a qualified surety company authorized to do business in the State of Florida and acceptable to the County. If the supply bond is required the cost of the bond will be added to the amount of the purchase order. The premium cost for the surety bond should not be included in the bid price. Verifying that a designated material supplier can furnish a supply bond will be the responsibility of the Construction Manager.

RECITALS:

The County is contemporaneously herewith entering into the Developer Agreement (the "Developer Agreement") and the Second Restated Sports Facility Use Agreement (the "New Use Agreement"), to provide for the construction, development and operation of the Renovation Project at the baseball spring training facility (the "Facility"), each dated as of the date hereof, and each entered into by and between the County and Jupiter Stadium Ltd., a Florida Limited Liability Company (the "Limited Partnership"), and the New Use Agreement also being entered into by the Guarantor and the St. Louis Cardinals, LLC, a Missouri Limited Liability Company as to Sections 5.1.2, Article 13, Section 16.7 and Section 22.3 thereof (the New Use Agreement and the Developer Agreement are referred to as the "County Documents").

In order to induce the County to enter into the County Documents and in consideration of the foregoing premises and for other good and valuable consideration, the receipt and legal sufficiency of which is hereby acknowledged, and further, in order to induce DEO to certify the County pursuant to section 288.11631, Florida Statutes, Guarantor hereby agrees for the benefit of the County and its successors and assigns and the State, and its successors and assigns, as follows:

1. **Incorporation of Recitals.** The recitals set forth above are true and correct and are incorporated herein as if set forth in full.
2. **Defined Terms.** Capitalized terms used herein shall have the meaning set forth herein. Unless the context otherwise requires and except as otherwise provided herein, capitalized terms used herein that are not defined herein shall have the meaning assigned to such terms in the County Documents.
3. **Effective Date.** The Effective Date of this Guaranty shall be the Effective Date of the Developer Agreement.
4. **First Restated Sports Facility Use Agreement Guaranty.** As of the Effective Date, this Guaranty replaces, supersedes and terminates the Guaranty attached as Exhibit B to the First Restated Sports Facility Use Agreement entered into May 3, 2011 (R2011-0694) between the Limited Partnership and the County. Any liabilities, obligations, or duties of the Limited

Partnership which arose pursuant to the First Restated Sports Facility Use Agreement and prior to the termination of the First Restated Sports Facility Use Agreement shall be guaranteed by this Guaranty.

5. Payment, Performance, Construction and Operation Guaranty. Guarantor hereby unconditionally, absolutely, generally, continually, and irrevocably guarantees to the County, and DEO as to the rights and interests of DEO pursuant to the County Documents, all obligations imposed by the County Documents, including, without limitation, the planning, design and permitting of the Project and the completion of construction of the Renovation Project and operation of the Renovation Project pursuant to the County Documents and the payment and performance of all liabilities, obligations and duties imposed on the Limited Partnership under each of the County Documents (collectively "the Obligations") as if Guarantor had executed each such County Document in place of the Limited Partnership. This Guaranty shall not terminate until the payment of all sums and performance of all Obligations, except that, to the extent this Guaranty guarantees performance of Obligations which survive the termination of the County Documents, then this Guaranty shall continue to remain in full force and effect.

6. Security. Guarantor has provided a statement from an independent Certified Public Accounting Firm or other independent third-Person (entity) experienced in appraising sports organizations and properties (an "Appraisal Firm"), certifying or opining that the Guarantor has a current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). At least once every five years thereafter until expiration of this Guaranty, Guarantor shall provide an updated letter to the County from one of the above possible sources, re-certifying or opining that the Guarantor has a then current net worth or fair value of equity in excess of One Hundred Million and No/100 Dollars (\$100,000,000). Additionally, in any year that a statement as described above, is not due to the County, the Guarantor shall provide a statement from an Appraisal Firm or Certified Public Accounting Firm in the form of a letter on letterhead, stating that there have been no material adverse changes in the financial position of the Guarantor that would affect the previously certified minimum net worth or fair value of equity statement set forth above during the last year. Notwithstanding the foregoing, Guarantor shall not be in default or breach of this Section so long as (a) one of the Teams (as defined in the County Documents) has a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000); or (b) the Teams together have a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000). If the aggregate net worth or fair value of equity of both Teams together is equal to an amount less than One Hundred Million and No/100 Dollars (\$100,000,000), then the Teams will be required, for as long a period as such condition shall exist, to provide one or more irrevocable letters of credit in the amount equal to the difference between the combined aggregate stated net worth or fair value of equity of the Teams and One Hundred Million Dollars (\$100,000,000.00) in the form required by and consistent with Palm Beach County Policy and Procedure Memorandum No. CW-F-055 ("Letter of Credit").

7. Letter of Credit or Payment Bond. Guarantor may, at any time, present a Letter of Credit or Payment Bond in the amounts and according to the requirements set forth above in paragraph 6, instead of providing the CPA Firm or other Person (entity) certification described in paragraph 6, and thereafter Guarantor shall be obligated to maintain either a Letter of Credit or Payment

Bond as security for the Guaranty in the amounts as set forth above and consistent with Palm Beach County Policies and Procedures.

8. Proprietary Business Information. To the extent permitted by law, this Guaranty does not provide the County with access to any proprietary business or financial information of the Guarantor.

9. Governing Law. This Guaranty shall be governed by and construed in accordance with the laws of the State of Florida.

10. Severability. If any provision of this Guaranty should be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Guaranty shall not be affected thereby.

11. Successors and Assigns. This Guaranty shall inure to the benefit of the County and the County's successors and assigns and DEO, and DEO's successors and assigns, under any of the County Documents in accordance with the terms thereof, and shall be binding upon Guarantor and its successors and assigns.

12. Waiver of Jury Trial. GUARANTOR HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY COUNTY AGAINST GUARANTOR ON ANY MATTERS ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS GUARANTY.

13. Acceptance of Performance. The County agrees to accept performance by Guarantor of all or any of the Obligations to be performed by the Limited Partnership under the County Documents with the same force and effect as though performed by the Limited Partnership thereunder.

14. Unconditional, Absolute, Irrevocable General and Continuing Guaranty. The obligations of Guarantor under this Guaranty shall be unconditional, absolute, irrevocable, general, and continuing, irrespective of the genuineness, validity, regularity or enforceability of the County Documents or any security which may have been given therefor or in connection therewith or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor. This Guaranty and the obligations of Guarantor hereunder shall not be affected, impaired, modified or released by reason of; (a) the making by the Limited Partnership of any assignment for the benefit of creditors or the bankruptcy or insolvency of the Limited Partnership, (b) any action taken by the Limited Partnership in any bankruptcy or insolvency proceeding, including, without limitation, disaffirmance or rejection of the County Documents, (c) any default by the Limited Partnership or a Team under the County Documents, (d) the liquidation or dissolution of the Limited Partnership, (e) any change in or termination of Guarantor's relationship to the Limited Partnership, (f) the enforcement by the County or DEO of any of its rights under the County Documents, (g) the sale, conveyance, transfer or assignment by the Limited Partnership, of all or any portion of its interest under the County Documents, including, but not limited to, any assignment to an Affiliate of the Limited Partnership as authorized by the County Documents, or (h) the transfer by an owner of an interest in the Limited Partnership, including its

successors and assigns, of all or any part of its ownership interest in the Limited Partnership, at any time, to an Affiliate; it being agreed that in the event of any of the foregoing, the liability of Guarantor hereunder shall continue hereunder as if such event had not occurred. The County and the Limited Partnership, without notice to or consent by Guarantor, may at any time or from time to time enter into such extensions, expansions, amendments, assignments, subleases, or other covenants with respect to the County Documents as they may deem appropriate or desirable, including, without limitation, an expansion of the performance obligations and Guarantor shall not be released thereby, but shall continue to be fully liable for the payment and performance of all obligations as so extended, expanded, amended, assigned, sublet, or otherwise modified.

15. Primary Liability; Performance Guaranty. The liability of Guarantor under this Guaranty shall be primary, direct and immediate, and not conditional or contingent upon pursuit by the County or DEO of any remedies it may have against the Limited Partnership or any other Person with respect to the County Documents or any other agreement, whether pursuant to the terms thereof or by law or pursuant to any other security agreement or guaranty, except for pursuit by the County of its remedies against the issuer of any applicable Letter of Credit or Payment Bond securing this Guaranty. Guarantor and the County each acknowledge and agree that this Guaranty is a guaranty of performance in respect to the Obligations. Any one or more successive or concurrent actions may be brought hereon against Guarantor with respect to the Obligations, either in the same action or proceeding, if any, brought against the Limited Partnership or any other person or entity, or in separate actions as often as the County, or DEO, may deem advisable. Guarantor may be joined in any action against the Limited Partnership in connection with the County Documents. Recovery may be had by the County or DEO against Guarantor in any action against Guarantor without the County or DEO first pursuing or exhausting any remedy or claim against the Limited Partnership or any other person or entity, as the case may be, or their respective successors or assigns (except for pursuit by the County of its remedies against the issuer of any applicable Letter of Credit or Payment Bond securing this Guaranty) and Guarantor hereby waives any right it may have to require that the County seek recovery against any other Person before seeking recovery against Guarantor (except for pursuit by the County of its remedies against the issuer of any applicable Letter of Credit or Payment Bond securing this Guaranty). Until termination of this Guaranty in accordance with the provisions hereof, the liability of Guarantor under this Guaranty shall continue after (i) any assignment or transfer by the Limited Partnership, or any successor thereof, of any of its interests under the County Documents or (ii) any assignment or transfer by the County, or any successor thereof, of any of its interests under the County Documents.

16. Waiver of Presentment, Protest and Notices. Guarantor hereby expressly waives: (a) presentment and demand for payment and protest of nonpayment; (b) notice of acceptance of this Guaranty and of presentment, demand and protest; (c) notice of all indulgences under the County Documents; (d) demand for observance or performance of, or enforcement of, any terms and provisions of this Guaranty or the County Documents; (e) notices of default by or to the Limited Partnership under the County Documents; and (f) all other notices and demands otherwise required by law which Guarantor may lawfully waive.

17. No Subrogation. Guarantor shall not enforce any right of subrogation it may now or hereafter have against the Limited Partnership by reason of any payments or acts of performance

by Guarantor in compliance with the obligations of Guarantor hereunder, and Guarantor shall not enforce any remedy which Guarantor now or hereafter shall have against the Limited Partnership by reason of any one or more payments or acts of performance in compliance with the obligations of Guarantor hereunder unless and until all of the Obligations of Guarantor have been fully discharged, performed and satisfied, whereupon Guarantor shall have such subrogation rights as may be allowed under applicable law.

18. No Setoff. No setoff, counterclaim or cross-claim, reduction or diminution of any obligation or any defense of any kind or nature (other than performance of the Obligations) shall be available to Guarantor in any action or proceeding brought by the County or DEO to enforce the Obligations provided, however, that the foregoing shall not be deemed a waiver of the right of Guarantor to assert any compulsory counterclaim arising from a claim brought by the County or DEO hereunder, nor shall the foregoing be deemed a waiver of or prejudice in any manner whatsoever, Guarantor's right to assert any claim which constitutes a defense, setoff, counterclaim or cross-claim of any nature whatsoever against the County in any separate action or proceeding. Guarantor agrees that if at any time all or any part of any amounts at any time received by the County or DEO from Guarantor or the Limited Partnership, or any other Person, as the case may be, for or with respect to the Obligations is or must be rescinded or returned by the County or DEO by reason of any judgment or decree of any court having jurisdiction (including, without limitation, by reason of the insolvency, bankruptcy or reorganization of Guarantor or the Limited Partnership, or any other Person), then Guarantor's obligations hereunder shall, to the extent of the amount rescinded or restored, be deemed to have continued in existence notwithstanding such previous receipt by the County or DEO and the obligation guaranteed hereunder which was to have been discharged by such rescinded or restored amount shall continue to be effective or reinstated, as the case may be, to the extent of such amount, whether or not this Guaranty has terminated, and the obligations of the Guarantor shall survive the termination hereof.

19. Joint and Several and Cumulative Rights and Remedies. The rights and remedies afforded to the County and DEO in this Guaranty are cumulative and are not exclusive of any other right or remedy against Guarantor or any other Person provided by law, in equity or under any other agreement or instrument and all such rights and remedies may be exercised singly or concurrently. No delay or omission by the County or DEO in exercising any such right or remedy shall operate as a waiver thereof. No waiver of any right or remedy hereunder shall be deemed made by the County or DEO unless in writing and shall apply only to the particular instance specified therein and shall not impair the further exercise of such right or remedy or of any other right or remedy of the County, and no single or partial exercise of any right or remedy hereunder shall preclude any other or further exercise thereof or of any other right or remedy. It is understood by the Parties that other agreements similar to this Guaranty may, in the County's or DEO's discretion, be executed and delivered by other Persons with respect to the County Documents. This Guaranty shall be joint and several and cumulative of any such agreements, and the liabilities and obligations of Guarantor hereunder shall in no event be affected or diminished by reason of such other agreements.

20. Entire Agreement. This Guaranty shall constitute the entire agreement of Guarantor with the County with respect to Guarantor's guaranty of the Obligations.

Additionally, in any year that a statement as described above, is not due to the County, the Guarantor shall provide a statement from an Appraisal Firm or Certified Public Accounting Firm in the form of a letter on letterhead, stating that there have been no material adverse changes in the financial position of the Guarantor that would affect the previously certified minimum net worth or fair value of equity statement set forth above during the last year. Notwithstanding the foregoing, Guarantor shall not be in default or breach of this Section so long as (a) one of the Teams (as defined in the County Documents) has a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000); or (b) the Teams together have a net worth or fair value of equity of at least One Hundred Million and No/100 Dollars (\$100,000,000). If the aggregate net worth or fair value of equity of both Teams together is equal to an amount less than One Hundred Million and No/100 Dollars (\$100,000,000), then the Teams will be required, for as long a period as such condition shall exist, to provide one or more irrevocable letters of credit in the amount equal to the difference between the combined aggregate stated net worth or fair value of equity of the Teams and One Hundred Million Dollars (\$100,000,000.00) in the form required by and consistent with Palm Beach County Policy and Procedure Memorandum No. CW-F-055 ("Letter of Credit").

7. Letter of Credit or Payment Bond. Guarantor may, at any time, present a Letter of Credit or Payment Bond in the amounts and according to the requirements set forth above in paragraph 6, instead of providing the CPA Firm or other Person (entity) certification described in paragraph 6, and thereafter Guarantor shall be obligated to maintain either a Letter of Credit or Payment

Bond as security for the Guaranty in the amounts as set forth above and consistent with Palm Beach County Policies and Procedures.

8. Proprietary Business Information. To the extent permitted by law, this Guaranty does not provide the County with access to any proprietary business or financial information of the Guarantor.

9. Governing Law. This Guaranty shall be governed by and construed in accordance with the laws of the State of Florida.

10. Severability. If any provision of this Guaranty should be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Guaranty shall not be affected thereby.

11. Successors and Assigns. This Guaranty shall inure to the benefit of the County and the County's successors and assigns and DEO, and DEO's successors and assigns, under any of the County Documents in accordance with the terms thereof, and shall be binding upon Guarantor and its successors and assigns.

12. Waiver of Jury Trial. GUARANTOR HEREBY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY COUNTY AGAINST GUARANTOR ON ANY MATTERS ARISING OUT OF OR IN ANY WAY CONNECTED WITH THIS GUARANTY.

13. Acceptance of Performance. The County agrees to accept performance by Guarantor of all or any of the Obligations to be performed by the Limited Partnership under the County Documents with the same force and effect as though performed by the Limited Partnership thereunder.

14. Unconditional, Absolute, Irrevocable, General and Continuing Guaranty. The obligations of Guarantor under this Guaranty shall be unconditional, absolute, irrevocable, general and continuing, irrespective of the genuineness, validity, regularity or enforceability of the County Documents or any security which may have been given therefor or in connection therewith or any other circumstances which might otherwise constitute a legal or equitable discharge of a surety or guarantor. This Guaranty and the obligations of Guarantor hereunder shall not be affected, impaired, modified or released by reason of; (a) the making by the Limited Partnership of any assignment for the benefit of creditors or the bankruptcy or insolvency of the Limited Partnership, (b) any action taken by the Limited Partnership in any bankruptcy or insolvency proceeding, including, without limitation, disaffirmance or rejection of the County Documents, (c) any default by the Limited Partnership or a Team under the County Documents, (d) the liquidation or dissolution of the Limited Partnership, (e) any change in or termination of Guarantor's relationship to the Limited Partnership, (f) the enforcement by the County or DEO of any of its rights under the County Documents, (g) the sale, conveyance, transfer or assignment by the Limited Partnership, of all or any portion of its interest under the County Documents, including, but not limited to, any assignment to an Affiliate of the Limited Partnership as authorized by the County Documents, or (h) the transfer by an owner of an interest in the Limited Partnership, including its

successors and assigns, of all or any part of its ownership interest in the Limited Partnership, at any time, to an Affiliate; it being agreed that in the event of any of the foregoing, the liability of Guarantor hereunder shall continue hereunder as if such event had not occurred. The County and the Limited Partnership, without notice to or consent by Guarantor, may at any time or from time to time enter into such extensions, expansions, amendments, assignments, subleases, or other covenants with respect to the County Documents as they may deem appropriate or desirable, including, without limitation, an expansion of the performance obligations and Guarantor shall not be released thereby, but shall continue to be fully liable for the payment and performance of all obligations as so extended, expanded, amended, assigned, sublet, or otherwise modified.

15. Primary Liability; Performance Guaranty. The liability of Guarantor under this Guaranty shall be primary, direct and immediate, and not conditional or contingent upon pursuit by the County or DEO of any remedies it may have against the Limited Partnership or any other Person with respect to the County Documents or any other agreement, whether pursuant to the terms thereof or by law or pursuant to any other security agreement or guaranty, except for pursuit by the County of its remedies against the issuer of any applicable Letter of Credit or Payment Bond securing this Guaranty. Guarantor and the County each acknowledge and agree that this Guaranty is a guaranty of performance in respect to the Obligations. Any one or more successive or concurrent actions may be brought hereon against Guarantor with respect to the Obligations, either in the same action or proceeding, if any, brought against the Limited Partnership or any other person or entity, or in separate actions as often as the County, or DEO, may deem advisable. Guarantor may be joined in any action against the Limited Partnership in connection with the County Documents. Recovery may be had by the County or DEO against Guarantor in any action against Guarantor without the County or DEO first pursuing or exhausting any remedy or claim against the Limited Partnership or any other person or entity, as the case may be, or their respective successors or assigns (except for pursuit by the County of its remedies against the issuer of any applicable Letter of Credit or Payment Bond securing this Guaranty) and Guarantor hereby waives any right it may have to require that the County seek recovery against any other Person before seeking recovery against Guarantor (except for pursuit by the County of its remedies against the issuer of any applicable Letter of Credit or Payment Bond securing this Guaranty). Until termination of this Guaranty in accordance with the provisions hereof, the liability of Guarantor under this Guaranty shall continue after (i) any assignment or transfer by the Limited Partnership, or any successor thereof, of any of its interests under the County Documents or (ii) any assignment or transfer by the County, or any successor thereof, of any of its interests under the County Documents.

16. Waiver of Presentment, Protest and Notices. Guarantor hereby expressly waives: (a) presentment and demand for payment and protest of nonpayment; (b) notice of acceptance of this Guaranty and of presentment, demand and protest; (c) notice of all indulgences under the County Documents; (d) demand for observance or performance of, or enforcement of, any terms and provisions of this Guaranty or the County Documents; (e) notices of default by or to the Limited Partnership under the County Documents; and (f) all other notices and demands otherwise required by law which Guarantor may lawfully waive.

17. No Subrogation. Guarantor shall not enforce any right of subrogation it may now or hereafter have against the Limited Partnership by reason of any payments or acts of performance

by Guarantor in compliance with the obligations of Guarantor hereunder, and Guarantor shall not enforce any remedy which Guarantor now or hereafter shall have against the Limited Partnership by reason of any one or more payments or acts of performance in compliance with the obligations of Guarantor hereunder unless and until all of the Obligations of Guarantor have been fully discharged, performed and satisfied, whereupon Guarantor shall have such subrogation rights as may be allowed under applicable law.

18. No Setoff. No setoff, counterclaim or cross-claim, reduction or diminution of any obligation or any defense of any kind or nature (other than performance of the Obligations) shall be available to Guarantor in any action or proceeding brought by the County or DEO to enforce the Obligations provided, however, that the foregoing shall not be deemed a waiver of the right of Guarantor to assert any compulsory counterclaim arising from a claim brought by the County or DEO hereunder, nor shall the foregoing be deemed a waiver of or prejudice in any manner whatsoever, Guarantor's right to assert any claim which constitutes a defense, setoff, counterclaim or cross-claim of any nature whatsoever against the County in any separate action or proceeding. Guarantor agrees that if at any time all or any part of any amounts at any time received by the County or DEO from Guarantor or the Limited Partnership, or any other Person, as the case may be, for or with respect to the Obligations is or must be rescinded or returned by the County or DEO by reason of any judgment or decree of any court having jurisdiction (including, without limitation, by reason of the insolvency, bankruptcy or reorganization of Guarantor or the Limited Partnership, or any other Person), then Guarantor's obligations hereunder shall, to the extent of the amount rescinded or restored, be deemed to have continued in existence notwithstanding such previous receipt by the County or DEO and the obligation guaranteed hereunder which was to have been discharged by such rescinded or restored amount shall continue to be effective or reinstated, as the case may be, to the extent of such amount, whether or not this Guaranty has terminated, and the obligations of the Guarantor shall survive the termination hereof.

19. Joint and Several and Cumulative Rights and Remedies. The rights and remedies afforded to the County and DEO in this Guaranty are cumulative and are not exclusive of any other right or remedy against Guarantor or any other Person provided by law, in equity or under any other agreement or instrument and all such rights and remedies may be exercised singly or concurrently. No delay or omission by the County or DEO in exercising any such right or remedy shall operate as a waiver thereof. No waiver of any right or remedy hereunder shall be deemed made by the County or DEO unless in writing and shall apply only to the particular instance specified therein and shall not impair the further exercise of such right or remedy or of any other right or remedy of the County, and no single or partial exercise of any right or remedy hereunder shall preclude any other or further exercise thereof or of any other right or remedy. It is understood by the Parties that other agreements similar to this Guaranty may, in the County's or DEO's sole discretion, be executed and delivered by other Persons with respect to the County Documents. This Guaranty shall be joint and several and cumulative of any such agreements, and the liabilities and obligations of Guarantor hereunder shall in no event be affected or diminished by reason of such other agreements.

20. Entire Agreement. This Guaranty shall constitute the entire agreement of Guarantor with the County with respect to Guarantor's guaranty of the Obligations.

BETWEEN
FLORIDA DEPARTMENT OF ECONOMIC OPPORTUNITY
AND
PALM BEACH COUNTY**

THE SPRING TRAINING FACILITY FUNDING AGREEMENT (this "Agreement") Number S0205 (SB23-007), is made and entered into by and between the State of Florida (the "State"), Department of Economic Opportunity ("DEO") and Palm Beach County, Florida ("County"). DEO and the County are sometimes hereinafter referred to individually as a "Party" and collectively as the "Parties."

RECITALS

WHEREAS, the Legislature of the State of Florida has created the Major League Baseball Spring Training Baseball Franchise Retention program under section 288.11631, Florida Statutes ("F.S.") (the "Program") to provide funds set aside by the Legislature reflected in section 212.20(6)(d)6.e., F.S., for certified applicants to serve the public purpose of constructing or renovating facilities for spring training franchises within the State in accordance with the criteria set forth in section 288.11631, F.S.; and

WHEREAS, the County is the owner of Roger Dean Chevrolet Stadium, located at 4751 Main St, Jupiter, Florida (the "RDCS Facility"), constituting a spring training stadium, playing fields, and appurtenances intended to support spring training activities; and

WHEREAS, the initial funding and construction of the RDCS Facility was the result of a developer agreement (the "Initial Developer Agreement") and a use agreement (the "Initial Use Agreement") between the County and Jupiter Stadium, Ltd. (JSL), then a partnership between the Cardinals and the Expos (the Expos were subsequently replaced by the Marlins); and

WHEREAS, in 2011, the County and JSL restated and extended the Initial Use Agreement until April 30, 2027; and

WHEREAS, on December 17, 2019, the County's Board of County Commissioners (BOCC) approved a term sheet to provide for the funding of a \$108 million renovation of the RDCS Facility, and began negotiating new developer and use agreements with JSL to perform the renovation and utilize the RDCS Facility in accordance with the term sheet; and

WHEREAS, on May 17, 2022, the County's BOCC approved and executed a new developer agreement for renovation of the RDCS Facility (such renovation, the "RDCS Facility Project") and a second restated use agreement (respectively, the "New Developer Agreement" and "New Use Agreement", and collectively, the "Spring Training Facility Agreements"), now between the County, JSL, the Cardinals and the Marlins, and also approved the submission of the County's application for certification to receive state funding for a facility for the Cardinals and the Marlins (each a spring training franchise, and hereafter a "Franchise" or collectively, "Franchises") pursuant to section 288.11631, F.S.; and

WHEREAS, the New Developer Agreement commits the County to provide funding for the RDCS Facility Project through the issuance of at least \$108 million in 25-year County bonds, the debt service on which shall be divided between distributions received by the County pursuant to this Agreement, tourism development tax, and payments collected from JSL under the New Use Agreement; and

WHEREAS, the New Use Agreement becomes effective upon the date of sale of the County Bonds and will extend use of the stadium by the Marlins and the Cardinals to at least April 30, 2049; and

WHEREAS, the County represents and warrants that the foregoing recitals are true and correct and that the May 17, 2022, New Developer Agreement and the May 17, 2022, New Use Agreement have not undergone any material changes, amendments, modifications, extensions, or the like since their submission to DEO as part of the County's application for certification under section 288.11631, F.S.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and obligations herein contained, and in order to induce DEO to certify the County pursuant to section 288.11631, Florida Statutes, the Parties intending to be legally bound, hereby agree as follows:

1. **TERM.** This Agreement is effective as of the date on which DEO executes this Agreement (the "Effective Date") and will end when the Award Funds provided for herein have been distributed to the County in accordance with this Agreement (the "Expiration Date"). The County may be decertified if the County fails to comply with or meet the requirements of section 288.11631, F.S., or this Agreement, in which event DEO may recover Award Funds, until such time as the County has issued bonds as contemplated; however, once the County is certified pursuant to section 288.11631, F.S., it may not be decertified by DEO if it has: (i) paid or pledged for the payment of debt service on, or (ii) to fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto, bonds issued for the construction and renovation of the facility for which the County was certified, or for the reimbursement of such costs or the refinancing of bonds issued for such purpose.

2. **DISTRIBUTIONS.**

(a) Within 30 calendar days after the Effective Date, DEO shall transmit a letter to the Florida Department of Revenue ("DOR") informing DOR of the County's full certification under section 288.11631, F.S. Award Fund distributions under this Agreement will be made to the County subject to and in accordance with sections 212.20(6)(d)6.e. and 288.11631, F.S. Notwithstanding anything herein to the contrary, if funding is not available for any reason, such event will not constitute a breach or default by DEO, DOR, or the State of Florida. This Agreement is not a general obligation of the State of Florida, nor is it backed by the full faith and credit of the State of Florida. To the extent required by law, payment of distributions is conditioned on and subject to specific annual appropriations by the Florida Legislature sufficient to pay amounts authorized in section 288.11631, F.S. All distributions shall be subject to the terms of this Agreement, including, but not limited to Article 4, *Financial Consequences*.

(b) The County may request in writing at least 20 days before the next monthly distribution that DEO halt future distributions. If such a request is made, upon receipt by DEO, DEO shall immediately notify DOR to halt future distributions for such period of time as DEO deems appropriate under the circumstances, but only as permitted by law.

3. **DUTIES AND OBLIGATIONS OF THE COUNTY.**

(a) **Statutory Requirements.**

(1) **New Use Agreement Addendum.** The New Use Agreement contains provisions regarding obligations and rights of its parties not directly related to section 288.11631, F.S. Therefore, the parties to the New Use Agreement shall execute an addendum to the New Use Agreement (the "Addendum") to ensure that the New Use Agreement continuously meets the requirements of section 288.11631, F.S., and that DEO can properly and responsibly act as the steward of State funds, without modifying or affecting the New Use Agreement, except to the extent it limits any rights or remedies of the State or DEO as provided for in the Addendum and this Agreement. The terms of the Addendum are subject to DEO's written approval, with such approval to be given at DEO's sole and absolute discretion.

(2) **Condition Precedent.** DEO's written approval of the terms of the Addendum and the New Use Agreement parties' full execution of same are a condition precedent to the County's certification under section 288.11631, F.S., with respect to the RDCS Facility, as well as any obligations of DEO under this Agreement.

(3) The County shall comply with all the provisions of this Agreement and shall continually, throughout the term of this Agreement, meet all requirements for certification within section 288.11631, F.S., as verified and determined by DEO, which includes the following:

- a. The County, through the New Developer Agreement with JSL, is responsible for the construction or renovation of the RDCS Facility Project for the Franchises and is the owner of the RDCS Facility. Upon completion of the construction or renovation, the County shall continue to hold title to the property on which the RDCS Facility is located for the duration of this Agreement.
- b. The County shall maintain the New Use Agreement, subject to the terms of the Addendum, with JSL and the Franchises for use of the RDCS Facility in full force and effect at all times. The term of the New Use Agreement, together with the Addendum, must, at a minimum, be equal to the length of the term of the bonds issued for the public purpose of constructing or renovating the RDCS Facility for the Franchises. The County shall include a provision in the New Use Agreement, through the Addendum thereto, requiring the Franchises to reimburse the State if the Franchises relocate before the New Use Agreement expires and that the reimbursement be equal to the total amount of state distributions expected to be paid from the date the Franchises break the Use Agreement with the County, through the final maturity of the bonds.
- c. The County shall maintain its financial commitment to provide 50 percent or more of the funds required for the construction or renovation of the RDCS Facility for the Franchises.
- d. The County shall demonstrate annually that the RDCS Facility has attracted a paid attendance of at least 50,000 persons to the spring training games held in the RDCS Facility.
- e. The RDCS Facility must be located in a county that levies a tourist development tax under section 125.0104, F.S.

(4) The County may use Award Funds provided under section 212.20(6)(d)6.e, F.S. and this Agreement, only to:

- a. serve the public purpose of constructing or renovating the RDCS Facility for the Franchises;
- b. pay or pledge for the payment of debt service on bonds issued for the construction or renovation of the RDCS Facility;
- c. fund debt service reserve funds, arbitrage rebate obligations, or other amounts payable with respect thereto on bonds issued for the construction or renovation the RDCS Facility;
- d. reimburse the costs under paragraphs (a), (b), or (c), above; or
- e. refinance bonds issued for the construction or renovation of the RDCS Facility.

(5) The County shall not use Award Funds to subsidize facilities that are privately owned by, maintained by, and used exclusively by any Franchise or partnership thereof. The County shall place unexpended Award Funds received pursuant to section 212.20(6)(d)6.e., F.S., in a trust fund or separate account for use only as authorized in section 288.11631, F.S.

(6) The County shall begin expenditure of the Award Funds within 48 months after initial receipt. The County shall complete construction or renovation of the RDCS Facility Project within 24 months of the RDCS Facility Project's commencement. For purposes of this Agreement, completion shall mean the condition of the RDCS Facility Project renovation, and all elements thereof, being essentially complete to both JSL's and the County's satisfaction in accordance with the New Developer Agreement and related construction contracts, such that the RDCS Facility Project, and all elements thereof, are ready for full occupancy, operation and/or use without material inconvenience or discomfort to JSL, its patrons or sponsors, and all certificates, licenses and permits required by all applicable laws have been obtained, including final certificates of occupancy or completion, as applicable. Completion shall be evidenced by

documentation and other evidence DEO deems acceptable at its reasonable discretion. A joint certification of the foregoing by both JSL and the County shall constitute evidence of completion.

(7) The County shall obtain DEO's prior, written approval, with such approval to be given at DEO's sole and absolute discretion, before making any material changes, amendments, modifications, extensions or the like to the Spring Training Facility Agreements, or the terms thereof, either directly or indirectly, that have any effect on DEO or the States' rights or privileges, or the County's certification, or any Franchise's reimbursement requirements. DEO shall acknowledge receipt of County's proposed material changes, amendments, modifications, extensions or the like, and provide an estimate of the date that DEO will provide a response to County's request for approval within 10 business days of receipt.

(b) The County's Franchises shall remain the Marlins and the Cardinals, unless properly changed pursuant to law and the terms of the New Use Agreement, subject to the terms of the Addendum.

(c) The County shall undertake reasonable efforts to promote and advertise the RDCS Facility

(d) If the County believes that it will become unable to perform its obligations or use of any portion of the Award Funds as provided for herein, the County shall notify DEO within five business days.

(e) **Reporting Requirements.**

(1) **Annual Reports.** On or before September 1 of each year, and as long as the County remains certified under section 288.11631, F.S., the County shall submit an annual report to DEO which must include the following:

a. A detailed accounting of all local and state funds expended to date, as of the date of submission of the report, on the RDCS Facility Project financed under section 288.11631, F.S.

b. Copies of the Spring Training Facility Agreements including all amendments, modifications, extensions, assignments, addenda, or ancillary agreements thereto, current as of the date of the annual report. If there has been no change, either directly or indirectly, to the Spring Training Facility Agreements then the County may certify that the Spring Training Facility Agreements have not been altered, amended, or modified since the last submission.

c. A cost-benefit analysis of the Franchises' impact on the County. This cost-benefit analysis must be substantially similar in content and format to the 2009 Major League Baseball Florida Spring Training Economic Impact Study, except that its scope shall be limited to the impact on the County. The analysis should reflect the economic impact of the most recent Spring Training Season and be updated annually.

d. A list of all material contracts with an estimated cost greater than \$250,000 executed in furtherance of this Agreement. In addition, and only for those reporting periods which encompass the Development Period (as defined below), the list shall include all contracts entered into with an estimated cost greater than \$250,000 executed in furtherance of the RDCS Facility Project.

e. Written evidence that the County continues to meet the certification criteria in effect when the County was certified pursuant to section 288.11631, F.S.

f. Written evidence, including numerical or statistical analysis as applicable, that the County is in compliance with section 288.1167, F.S.

g. A letter signed by the Chair of the County's Board of County Commissioners certifying that all information and documentation contained in the annual report and submitted to DEO is true and correct.

h. Attendance to spring training games since the last reporting period.

i. Evidence of the efforts to promote and advertise the RDCS Facility that have taken place since the last reporting period.

j. Any additional reports, documents, or certifications which are reasonably related to the County's obligations under this Agreement, as requested by DEO.

(2) **Development Period Requirements.**

- a. "Development Period" means the period of time between certification pursuant to section 288.11631, F.S., and full completion of all services and payments contemplated under the New Developer Agreement.
- b. During the Development Period only, and notwithstanding anything in this Agreement to the contrary, the County shall:
 - i. Within 30 calendar days of the Effective Date, and every 90th calendar day thereafter, provide DEO with a written update on the status of the RDCS Facility Project, including a detailed summary of all RDCS Facility Project activities and all local, state, and private funds expended on the RDCS Facility Project up to the date of the report.
 - ii. Promptly respond to requests from DEO for any information in the County's possession or in reports that the County is generating for its own purposes.
 - iii. Include with each report and response furnished to DEO during the Development Period a contemporaneous letter from the Mayor of the County's BOCC, or designee, certifying that all information and documentation contained therein are true and correct.

4. **FINANCIAL CONSEQUENCES.**

(a) If the County fails to provide any report, document, or certification, required under this Agreement, or as otherwise requested by DEO, DEO will provide written notice of breach to the County. The County will have 30 days from the date of written notice of breach to cure the breach. If the breach is not cured to DEO's satisfaction within 30 days, a financial consequence of \$100 per day after the 30th day will be imposed until the breach is cured. If the County cannot cure the breach within 30 days, the County shall provide DEO with a plan, including a timeframe, for curing the default, which must be reviewed and approved by DEO at DEO's sole discretion. After DEO's approval, if the County fails to comply with the plan, a financial consequence of \$200 per day will be imposed until such time as the County complies with the plan for cure or until the breach is cured, whichever occurs earlier. For avoidance of doubt, this consequence shall be imposed for each instance failure hereunder. Notwithstanding the foregoing, if the County's failure to provide a requested report is due solely to the fact that a third-party must provide information to the County to enable the County to provide the requested report, so long as the County has diligently pursued such information from the third-party provider, the County shall not be deemed in default under this subsection; provided, however, that the County shall inform DEO within 10 business days of the County's knowledge that any delay has occurred or may occur.

(b) If the Franchises are not both operating at the Facility due to: (1) direct or indirect modifications to either of the Spring Training Facility Agreements made without DEO's prior written approval, (2) the departure of one or both Franchises resulting from a breach of contract by the County, as determined by an administrative tribunal, arbitrator, or court of competent jurisdiction, or (3) the termination of the New Use Agreement pursuant to its section 17.1.3 or other comparable provision expressly providing JSL the option to terminate either Spring Training Facility Agreement due to the County's action or inaction, then the County shall request that DEO notify DOR to suspend further distributions of Award Funds made available under section 212.20(6)(d)6.e., F.S., for 12 months, as required by section 288.11631(3)(d)2., F.S. For purposes of this Agreement and section 288.11631(3)(d)2., F.S., the occurrence of either (1) or (2), above, shall be deemed an "expiration of an existing agreement". The County shall renew this request annually until DEO has approved at its sole and absolute discretion, and the County has executed, new certified, signed agreements, such that two Franchises are once again operating at the Facility, and which meet the requirements of section 288.11631(2)(a)2., F.S and this Agreement. DEO shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity.

(c) If DEO determines that the County has knowingly submitted or certified to information, or knowingly made a representation, that is false, misleading, deceptive, or otherwise untrue, and said submittal, certification, or representation relates to a material provision of this Agreement (each a "Misrepresentation"), DEO shall provide notice of the same to the County. The County shall have 30 days from such notice to respond to

DEO's determination. If, following the receipt of the County's response, DEO determines that the County has violated this subsection, DEO may, at its option: (a) impose a financial consequence in an amount equal to the County's monthly distributions received from the State under this Agreement for a single month, or (b) pursue any and all other rights and remedies available to DEO at law or in equity for the Misrepresentation, including, but not limited to, seeking rescission of this Agreement based on Fraud in the Inducement principles..

(d) Following completion of the Facility in accordance with section 288.11631(3)(d)3., F.S., if the County has failed to maintain its financial commitment to provide 50 percent or more of the funds required for the construction or renovation of the Facility, DEO shall provide the County notice and at least 60 days opportunity to cure the deficiency. If the deficiency is not timely cured, the County shall repay to DEO a pro-rated amount of the total award, calculated by multiplying the percentage of funds not matched by the total award. DEO may permit the County to make such repayments in equal parts for the remainder of the term of this Agreement.

(e) If the County materially breaches the terms of this Agreement, other than as described in subsections (a)-(d) above, DEO shall provide written notice to the County, after which time the County shall have 60 calendar days to either enter into a corrective action plan agreeable to DEO at DEO's sole discretion, or to cure the breach. If the County fails to timely enter into a corrective action plan with DEO or cure the breach, or if the County fails to substantially comply with the terms of the corrective action plan, DEO may impose a financial consequence in an amount of \$5,000 each month, beginning with the month in which the initial written notice was provided, until such time as the County cures, in DEO's sole and reasonable discretion, said breach or begins complying with the corrective action plan agreed to between DEO and the County.

(f) The County and DEO agree that wherever one or more Franchises would be required by section 288.11631, F.S. or by this or any other agreement, including the New Use Agreement, or by other law, to repay to DEO amounts that were or will be provided to County under this Agreement, DEO must demand such amounts from the Franchise(s). The Franchise(s) have entered into Guaranties for the purpose of securing such repayment, which Guaranties are a part of the New Developer Agreement between County and each Franchise, and which Guaranties are in favor of the County and the State of Florida, by and through DEO. Notwithstanding the foregoing, the County shall cooperate with and undertake all reasonable efforts to assist DEO and the State in any recoupment efforts undertaken by DEO or the State with respect to such Franchise.

(g) As necessary to impose the financial consequences or otherwise suspend payments as contemplated herein, DEO may direct DOR to withhold future Award Fund disbursements, or offset future Award Fund disbursements, to the County, in amounts sufficient to satisfy the financial consequence or suspended payment. The County shall return to DEO any overpayments (funds paid in excess of the amount to which the County is entitled under the terms and conditions of this Agreement) distributed to the County. If the County or its independent auditor discovers an overpayment has been made, the County shall repay said overpayment within 60 days without prior notification from DEO. If DEO discovers an overpayment has been made, DEO will notify the County by letter. DEO may charge interest at the lawful rate of interest on the outstanding balance beginning 61 days after the date of DEO's notification or the County or its auditors' discovery. The County shall send repayments to DEO's Agreement Manager and make checks payable to the "Department of Economic Opportunity." Notwithstanding anything herein to the contrary, if the County is noncompliant with any provision of this Agreement or applicable law, or if DEO imposes financial consequences on the County pursuant to the terms of this Agreement, DEO has the right to recoup all resulting cost, monetary loss, or funds owed to DEO or the State of Florida, from monies owed to the County under this Agreement. In no event will any refund, repayment, or financial consequence exceed the Award Fund total, plus interest.

5. INDEPENDENT CAPACITY OF CONTRACTOR

(a) The County shall not represent that it has the authority to bind DEO. The County shall not pledge

the State of Florida's nor DEO's credit nor make the State of Florida or DEO a guarantor of payment or surety for any contract, debt, obligation, judgment lien, or any form of indebtedness. The County, and its officers, agents, employees, subcontractors, or assignees, in the performance of the County's duties and responsibilities under this Agreement, is at all times acting and performing as an independent contractor and not as an officer, employee, or agent of the State of Florida. Nothing in this Agreement is intended to, or shall be deemed to constitute, a partnership or joint venture between the Parties.

(b) Neither the County, nor its officers, agents, employees, subcontractors, or assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this Agreement. DEO shall not be responsible for withholding taxes, if any, with respect to the County's distributions hereunder. The County shall have no claim against DEO for vacation pay, sick leave, retirement benefits, social security, workers' compensation, health or disability benefits, reemployment assistance benefits, or employee benefits of any kind. The County shall ensure that its employees, contractors, and other agents, receive benefits and necessary insurance from an employer other than the State of Florida, to the extent required by law

(c) The County shall take such action as may be necessary to ensure that each contractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.

(d) DEO will not furnish services of support (*e.g.*, office space, office supplies, telephone service, secretarial, or clerical support) to any entity in furtherance of this Agreement.

(e) The County shall comply with all applicable reporting and Reemployment Assistance contribution payment requirements of Chapter 443, F.S.

6. LIABILITY AND INDEMNIFICATION.

(a) DEO shall not assume any liability for the acts, omissions to act, or negligence of the County, JSL, the Franchises, agents, beneficiaries, affiliates, contractors, subcontractors, servants, or employees. In all instances, the County shall be responsible for any injury or property damage resulting from any activities conducted by the County in the performance of this Agreement. DEO shall not be liable to the County for special, indirect, punitive, or consequential damages. DEO shall not be liable for lost profits, lost revenue, or lost institutional operating savings. DEO or the State shall not be liable to any person or entity for any bond default resulting from DEO's or the State's imposition of financial consequences, or a suspension of Award Fund disbursements by DEO or the State, or at the County's request, and, to the extent permitted by law, the County shall indemnify and hold the State and DEO harmless from all claims and actions of any nature or description arising out of or related to an imposition of financial consequences or a suspension of Award Fund disbursements which results in a bond default.

(b) The Parties acknowledge that nothing in this Agreement shall constitute: (1) an agreement by either Party to indemnify or insure the other Party for the other Party's negligence or to assume any liability of the other Party's negligence; (2) a waiver of sovereign immunity beyond the limits set forth in Section 768.28, F.S., or any applicable waiver of sovereign immunity that is inherent in the act of contracting; (3) a waiver of any defense the parties may have under such statute; or (4) consent to be sued by third parties.

(c) To the extent permitted by law, the County shall indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from any and all suits, actions, damages, and costs of every name and description that arise from or are related to this Agreement, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the County, its agents, employees, partners, contractors, and subcontractors, provided, however, that the County is not obligated to indemnify for that portion of any loss or damages proximately caused by the negligent act or

omission of the State or DEO.

(d) To the extent permitted by law, the County shall indemnify, defend, and hold harmless the State and DEO, its employees and agents, from liability of any nature or kind, including costs, and expenses for or on account of any trademarked, trade secret, copyrighted, patented, or unpatented invention, process, product, or article manufactured by the County. DEO shall not be liable for any royalties.

(e) The County is not obligated to be liable for any cost, expense, or compromise incurred or made by the State or DEO in any legal action without the County's prior written consent, which shall not be unreasonably delayed, conditioned or withheld. The County's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the State or DEO giving the County:

1. written notice of any action or threatened actions;

2. the opportunity to take over and either settle or defend any such action at the County's sole expense and assistance in defending the action at the County's sole expense; provided however, that any settlement is subject to DEO's prior, written approval. Should the County fail to take over and either settle or defend in accordance with the foregoing, the County shall be deemed to have granted its consent to DEO's incurring any and all reasonable cost, expense, and compromise DEO deems reasonably appropriate in the action, and the County shall promptly reimburse the State and DEO all reasonable costs and expenses, including but not limited to attorneys' fees, incurred by the State and DEO in defending the action. For avoidance of doubt, such repayment obligations are in addition to the County's indemnification and hold harmless obligations, which the Parties mutually understand to include any settlement, judgment, or comparable resolution that may be entered against or by the State or DEO in defending or settling the action.

(f) At DEO's election and upon notification to the County, the County shall assume the defense or settlement of any third-party claim arising under this Agreement with counsel reasonably satisfactory to DEO; *provided, however*, that the County shall not settle or compromise any such claim in an amount more than \$10,000 without DEO's prior written approval. Notwithstanding the foregoing, (1) DEO shall have the right, but not the obligation, at its option and expense, to participate fully in the defense or settlement of any third-party claim; and (2) if the County does not continuously defend or settle any third-party claim within 30 days after it is notified of the assertion or commencement thereof, then (i) DEO shall have the right, but not the obligation, to undertake the defense or settlement of such claim for the account and at the risk of the County, and (ii) the County shall be bound by any defense or settlement that DEO may make as to such claim. DEO shall also be entitled to join the County in any third-party claim for the purpose of enforcing any right of indemnity hereunder.

7. AUDITS AND RECORDS.

(a) The County shall retain and maintain all records so as to sufficiently and properly reflect all expenditures of Award Funds distributed under this Agreement, in accordance with generally accepted accounting procedures and practices. Records shall include independent auditor working papers, notes, books, vouchers, bills, invoices, requests for payment, receipts, and other supporting, source documentation, including electronic storage media. Such records shall be subject at all times to inspection, review, and audit by, as well as transfer to, representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability, or representatives of the Federal government and their duly authorized representatives upon request.

(b) The County shall comply with all applicable audit requirements of section 215.97, F.S., and those found in Attachment A, *Audit Requirements*, and, if an audit is required, the County shall disclose all related transactions to the auditor.

(c) The County shall maintain and retain all County records, financial records, supporting documents, statistical records, and any other documents, including electronic storage media, pertinent to this Agreement,

as well as all financial records related to funds paid by the County to any parties for work on the matters that are the subject of this Agreement, in accordance with the record retention requirements of Part V of Attachment A, *Audit Requirements*. The County shall cooperate with DEO to facilitate the duplication and transfer of such records or documents upon request of DEO.

(d) If applicable, the County shall submit a written independent audit report to DEO specifically covering the period of Agreement expenditures pursuant to sections 215.97 and 11.45, F.S., and other relevant laws.

(e) The County must provide copies of any audit referencing this Agreement, the audit transmittal letter, and any response to such audit to DEO within 30 days of receipt by the County.

(f) The County understands and will comply with the requirements of section 20.055(5), F.S. The County shall cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing pursuant to section 20.055, F.S. The County shall reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the County's beneficiary, contractors' or subcontractors' compliance with the terms of this Agreement which results in a finding of noncompliance, fraud, illegality, or financial misuse, in connection with this Agreement by the County or the Franchises, beneficiary, contractor(s), or subcontractor(s). Such reasonable costs shall include: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

(g) The County shall include the audit and record keeping requirements aforementioned in this Article and in Attachment A, *Audit Requirements*, in all contracts, subcontracts, leases, assignments, and agreements executed for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement, which are entered into after the effective date of this Agreement.

(h) Within 60 working days of the close of the County's fiscal year, on an annual basis, the County shall electronically submit a completed *Audit Compliance Certification* (a version of this certification is attached hereto as Attachment B) to audit@deo.myflorida.com. The County's timely submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement within all agreements (e.g., contracts, grants, memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between DEO and the County.

8. ACCESS TO RECORDS AND PUBLIC RECORDS REQUIREMENTS.

(a) The County shall allow DEO, the State, and their respective authorized representatives, agents, and employees on-site access to, or shall deliver immediately upon request, any information and any other documents requested by DEO for purposes of monitoring the County's performance under or compliance with this Agreement.

(b) The County shall comply with the provisions of Chapter 119, F.S., Chapter 286, F.S., and section 24 of Article I of the Florida Constitution. The County shall cooperate with DEO regarding DEO's efforts to comply with the requirements of chapter 119, F.S. The County shall allow public access to all documents, papers, letters or other materials made or received by the County in conjunction with this Agreement that are public records as that term is defined by section 119.011(12), F.S., unless the records are exempt, or confidential pursuant to section 24(a) of Article I of the State Constitution, section 119.07(1), F.S., or other Florida statute(s).

(c) The County is responsible to respond to each request it receives for public records made, as provided by law, received or in the custody or control of the County in conjunction with this Agreement, in accordance with chapter 119, F.S.

(d) The County acknowledges that DEO is subject to the provisions of chapter 119, F.S., and that documents submitted to DEO, or in DEO's custody or control, in relation to this Agreement constitute public

records, subject to exemption and confidentiality under Florida law.

(e) The provisions of chapter 119, F.S., and other applicable Florida and federal laws govern the disclosure of any confidential information received by the Parties.

(1) If the County, the Franchises or their affiliates, or the County's agents, employees, partners, contractors, or subcontractors submit records to DEO that the County, the Franchises or their affiliates, or the County's contractors or subcontractors, deems legally confidential or exempt from public disclosure, as trade secrets, proprietary confidential business information, or for any other valid legal exemption under applicable Florida or Federal law, such records must be properly identified as such prior to submission to DEO. Failure to identify the legal basis for and the specific content of each claim of exemption or confidentiality from the requirements of chapter 119, F.S. or other law, prior to submittal of the record to DEO, may serve as a waiver of a claim of exemption or confidentiality of that record.

(2) The County shall ensure that public records in the custody or control of the County, a Franchise or its affiliates, or the County's agents, employees, partners, contractors, or subcontractors that are confidential are not disclosed except as authorized by law.

(3) The County shall not disclose to third parties any confidential information obtained by the County, the Franchises or their affiliates, or the County's agents, employees, officers, contractors, or subcontractors in furtherance of this Agreement.

a. The County shall notify DEO verbally within 24 hours and in writing within 72 hours of any improper disclosure or unauthorized use of confidential information related to this Agreement by the County, its employees, agents, or representatives which is not in compliance with the terms of this Agreement or Federal or State law or if any information related to this Agreement is subpoenaed.

b. The County shall make a report to DEO not more than seven business days after the County learns of such an improper disclosure or unauthorized use of confidential information. The County's report shall identify, to the extent known, the nature of the improper disclosure or unauthorized use, the confidential information disclosed or used, who made the disclosure of or used the information, what the County has done or shall do to mitigate any deleterious effect of the improper disclosure or unauthorized use, and what corrective action the County has taken or shall take to prevent future similar unauthorized use or improper disclosure. The County shall provide any other such information about the unauthorized use or improper disclosure as reasonably requested by DEO. The County shall take all steps DEO deems advisable to mitigate, resolve, or prevent the unauthorized use or improper disclosure of confidential information shared or exchanged by the Parties and their affiliates in connection with this Agreement.

(f) Upon expiration of this Agreement, the County shall either (a) transfer, at no cost, to DEO all public records in possession of County which are reasonably related to this Agreement or (b) keep and maintain public records which are reasonably related to this Agreement as required by law. If the County keeps and maintains public records upon completion of the Agreement, the County shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to DEO, upon request from DEO's custodian of records, in a format that is compatible with the information technology systems of DEO.

(g) To the extent allowable by law, and without waiving the sovereign immunity of the County, the County shall be fully liable for the actions of the Franchises and their agents, employees, partners, contractors, and subcontractors and shall fully indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to public record requests or public record law violation(s), alleged to be caused in whole or in part by the County, a Franchise, and their respective, agents, employees, partners, contractors, or subcontractors, provided, however, that the County does not indemnify for that portion of any costs or damages proximately caused by the negligent act or omission of the State or DEO. DEO, in its sole discretion, has the right, but not the obligation, to enforce this indemnification provision.

(h) The County shall include provisions in accordance with this Article, chapter 119, F.S., and all applicable

Florida public records law in all agreements, assignments, leases, contracts, and subcontracts executed or amended after the effective date of this Agreement with JSL or the Franchises for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement.

9. CONTRACTS. The County shall be responsible and liable for all work performed and all expenses incurred in connection with the County's RDCS Facility Project or any activities related to, in connection with, or in furtherance of this Agreement. The County may, as appropriate and in compliance with applicable law, contract the performance of the activities related to, in connection with, or in furtherance of this Agreement, including entering into contracts with vendors for services and commodities, *provided, however*, that the County shall be solely liable to its contractors for all expenses and liabilities associated with or arising from such contracts. The County represents and warrants that it has not, and agrees that it shall not enter into any contract in which DEO could be held liable to the contractor or subcontractor for any expenses or liabilities. The County agrees that DEO shall not be held liable to any contractor or subcontractor for any expenses or liabilities incurred under any contract. Pursuant to section 768.28, F.S., and to the extent permitted by applicable law, the County shall, at its expense, indemnify, defend, and hold DEO harmless of any liabilities incurred under any contract entered into by the County in connection with or in furtherance of this Agreement. As between DEO and the County, the County shall be liable for all work performed and all expenses incurred as a result of any contract entered into by the County in connection with this Agreement. The County shall ensure that contractors and subcontractors hired by the County in connection with the County's RDCS Facility Project, or any activities related to this Agreement, comply with all relevant terms of this Agreement. Any contract entered by the County for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement shall be evidenced by a written document. Further, such contracts that are entered into after the effective date of this Agreement shall include provisions requiring compliance with this Agreement and all applicable Federal, State, and local laws, regular performance reporting, accounting for proper use of funds provided under the Agreement (including the provision of audit rights pursuant to Attachment A, Audit Requirements, as applicable).

10. RESPONSIBILITIES OF GOVERNING BOARD OR AUTHORITIES. The Parties agree that any information, including updates, reports, publications, studies, and any and all reasonably requested information, that is required by Federal, State, or local law shall be approved by a person having the authority to do so prior to submission and shall be signed only by those persons having the legal authority to do so or appropriately ratified by such an authority.

11. GOVERNING LAW. The laws of the State of Florida shall govern the construction, enforcement, and interpretation of this Agreement, regardless of and without reference to whether any applicable conflicts of laws principles may point to the application of the laws of another jurisdiction. Without limiting the provisions of Article 4, *Financial Consequences*, of this Agreement, the exclusive personal jurisdiction and venue to resolve any and all disputes between them including, without limitation, any disputes arising out of or relating to this Agreement shall be in the state courts of the State of Florida in the County of Leon. The Parties expressly consent to the exclusive personal jurisdiction and venue in any state court located in Leon County, Florida, applying Florida law, and waive any defense of forum non conveniens, lack of personal jurisdiction, or like defense, and further agree that any and all disputes between them shall be solely in the State of Florida. **IN ANY LEGAL OR EQUITABLE ACTION BETWEEN THE PARTIES, THE PARTIES HEREBY EXPRESSLY WAIVE TRIAL BY JURY TO THE FULLEST EXTENT PERMITTED BY LAW.**

12. STRICT COMPLIANCE. The County shall perform all acts in connection with this Agreement in strict conformity with all local, State, and Federal laws and regulations. For the avoidance of doubt, to the extent of any conflict between the terms of this Agreement and any law or regulation, the law or regulation shall control.

13. SEVERABILITY. If any term or provision of this Agreement, in whole or in part, is found by a court of competent jurisdiction to be illegal, invalid, or unenforceable, then such term or provision shall be

severed from this Agreement. This Agreement and the rights and obligations of the Parties shall be construed as if this Agreement did not contain such severed term or provision, and this Agreement shall otherwise remain in full force and effect.

14. **PRESERVATION OF REMEDIES.** No delay or omission to exercise any right, power, or remedy accruing to either Party upon breach under this Agreement will impair any such right, power, or remedy of either Party nor will such delay or omission be construed as a waiver of any such breach or any similar breach. Any waiver must be in writing and signed by the Party to be charged. No waiver of a right, power, or remedy shall, or shall be construed to, waive any similar or future right, power, or remedy. The rights and remedies available to DEO under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to DEO.

15. **DISCRIMINATORY VENDOR.** The County acknowledges the provisions of section 287.134, F.S. The County shall disclose to DEO if any of its affiliates, as defined in section 287.134(1)(a), F.S., appears on the discriminatory vendor list. The County shall ensure provisions in accordance with section 287.134, F.S., are present in all agreements, assignments, leases, contracts, and subcontracts in furtherance of or related to this Agreement which are entered into after the effective date of this Agreement.

16. **NON-DISCRIMINATION.** The County shall not discriminate against any employee employed in the performance of this Agreement or against any applicant for employment because of age, race, sex, creed, color, handicap, national origin, or marital status. The County shall insert a provision in accordance with this Article, in all contracts for services in relation to this Agreement which are entered into after the effective date of this Agreement.

17. **HARASSMENT-FREE WORKPLACE.** The County shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management. The County shall insert a provision in accordance with this Article, in all contracts for services in relation to this Agreement that executed after the effective date of this Agreement.

18. **PUBLIC ENTITY CRIMES.** The County affirms that it is aware of the provisions of section 287.133, F.S., and that at no time has the County, or to its knowledge the Franchises, or their affiliates, as defined by section 287.133(1)(a), F.S., been convicted of a Public Entity Crime. The County agrees that it shall not violate such law. The County shall insert a provision in accordance with this Article and the applicable Florida Statutes in all agreements, assignments, leases, contracts, and subcontracts in connection with or related to this Agreement that are either an agreement with the Franchises, or are another agreement and are either amended or executed after the effective date of this Agreement.

19. **WARRANTY OF ABILITY TO PERFORM.** The County warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would prohibit, restrain, or diminish the County's or its Franchises', beneficiary or its affiliates' ability to satisfy its Agreement duties or obligations. The County shall immediately notify DEO in writing if the County's or its Franchises' or their affiliates' ability to perform in connection with this Agreement is compromised in any manner.

20. **LOBBYING.** Pursuant to sections 11.062 and 216.347, F.S., the County shall not use any funds received under this Agreement for lobbying the Legislature, the judicial branch, or any state agency. The County will keep DEO apprised of any requests for testimony or its participation in any Congressional, legislative, and other State or Federal hearings, or agency, committee, or task force meetings or the like, related to this Agreement. The County shall insert a provision in accordance with this Article in all agreements, assignments, leases, contracts, or subcontracts related to this Agreement or for which funds distributed pursuant to this Agreement are to be expended and are either amended, supplemented, or executed after the Effective Date of this Agreement.

21. **ATTORNEY FEES.** Except as otherwise set forth elsewhere herein, each Party shall at all times be responsible for its own costs, fees, and expenses arising out of or related to this Agreement, including attorneys' fees.

22. **NON-ASSIGNMENT.** Notwithstanding anything herein to the contrary, DEO may assign or transfer its rights, duties, or obligations under this Agreement to another governmental agency in the State of Florida immediately upon written notice to the County. The County may not assign, delegate, or otherwise transfer its rights, duties, or obligations under this Agreement without the prior written approval of DEO, which approval may not be unreasonably delayed, conditioned, or withheld, except with respect to those provisions herein affording DEO sole and absolute discretion. Any assignment, delegation, or transfer in violation of this Article is void *ab initio*. If DEO approves an assignment, delegation, or transfer of the County's obligations under this Agreement, the County shall remain responsible for all work performed and all expenses incurred in connection with this Agreement, regardless of such assignment, delegation, or transfer. This Agreement is binding upon the Parties and their respective successors, assigns, or legal representatives.

23. **RENEGOTIATION AND AMENDMENTS.** The Parties will renegotiate this Agreement if Federal or State revisions of any applicable laws or regulations make changes to this Agreement necessary. Amendments to or modifications of this Agreement shall only be valid when such change(s) are in writing and duly executed by all Parties. Any such change(s) shall become effective upon the date of execution of both Parties or such later date as may be specified therein.

24. **FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.** Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay or failure to perform from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay or failure to perform is excusable under this paragraph, the delay or failure to perform will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay or failure to perform the County believes is excusable under this paragraph, the County shall notify DEO in writing of the delay, potential delay, potential inability to perform, or failure to perform and describe the cause of such either: (1) within ten days after the cause that creates or will create the delay or nonperformance first arose, if the County could reasonably foresee that a delay or nonperformance could occur as a result; or (2) within five days after the date County first had reason to believe that a delay or nonperformance could result, if the delay or nonperformance is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. ADDITIONALLY, THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO NONPERFORMANCE BASED ON AN EVENT OF FORCE MAJEURE.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay or nonperformance is excusable under this paragraph and will notify the County of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against DEO. The County shall not be entitled to an increase in the Agreement distribution amount of any kind from DEO for direct, indirect, consequential, impact, or other costs, expenses, or damages, including costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If the County's performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, the County shall perform per the terms of this Agreement, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance from the County, provided the County grants preferential treatment to DEO with respect to any such allocation; (2) terminate the Agreement in whole or in part; or (3) pursue any other rights or remedies provided by law or under the Agreement.

25. **NO THIRD PARTY BENEFICIARIES.** Nothing in this Agreement, express or implied, is intended to either: (a) confer upon any third person or entity, other than the Parties and their permitted successors and assigns hereto, any rights or remedies under or by reason of the terms and conditions of this Agreement as a third party beneficiary or otherwise, except as may be specifically provided for in this Agreement; or (b) authorize any person or entity not a party to this Agreement to maintain any legal action or bring any claim for its benefit, pursuant to or based upon the terms and conditions of this Agreement.

26. **INFORMATION RELEASE AND ADVERTISING.** DEO does not endorse any commodity, service, project, or entity. Subject to chapters 119 and 286, F.S., the County shall not publicly disclose or disseminate any information concerning this Agreement without prior written approval from DEO, including mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking the County and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any entity that is not a Party to this Agreement, except potential or actual authorized contractors, subcontractors, distributors, dealers, resellers, or service representatives.

27. **CONFLICT OF INTEREST.** This Agreement and the use of funds distributed pursuant to this Agreement are subject to chapter 112, F.S. The County shall disclose the name of any officer, director, employee, or other agent of the County who is also an employee of the State. The County shall disclose the name of any County employee or agent who owns, directly or indirectly, more than five percent of the total assets or capital stock of any business entity or its affiliates receiving funds from this Agreement.

28. **CONSTRUCTION; INTERPRETATION.** The title of and the section and paragraph headings in this Agreement are for convenience of reference only and shall not govern or affect the interpretation of any of the terms or provisions of this Agreement. The term "this Agreement" means this Agreement together with all Exhibits hereto, as the same may from time to time be amended, modified, supplemented, or restated in accordance with the terms hereof. The use in this Agreement of the term "including" and other words of similar import mean "including, without limitation" and where specific language is used to clarify by example a general statement contained herein, such specific language shall not be deemed to modify, limit, or restrict in any manner the construction of the general statement to which it relates. The word "or" is not exclusive and the words "herein," "hereof," "hereunder," and other words of similar import refer to this Agreement as a whole, including any Exhibits, and not to any particular section, subsection, paragraph, subparagraph, or clause contained in this Agreement. The use herein of terms importing the singular shall also include the plural, and vice versa. The reference to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof and the reference to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. All references to "\$" shall mean United States dollars. The term "Party" or "Parties" includes any directors, officers, directors, shareholders, agents, representatives, employees, delegates, contractors, subcontractors, or any other similar person or entity which has been duly authorized to and has the actual authority to act or perform on behalf of the Party so represented. The recitals of this Agreement are incorporated herein by reference and shall apply to the terms and provisions of this Agreement and the Parties. ATTACHMENT A AUDIT REQUIREMENTS

The administration of resources awarded by DEO to the recipient (herein otherwise referred to as "Grantee") may be subject to audits and/or monitoring by DEO as described in this Attachment 2.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR part 200 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by 2 CFR Part 200, as revised, and/or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by DEO staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR Part 200, as revised.

1. In the event that the recipient expends \$750,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, as revised. EXHIBIT 1 to this agreement indicates Federal resources awarded through DEO by this agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from DEO. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by 2 CFR Part 200, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart F of 2 CFR Part 200, as revised.
3. If the recipient expends less than \$750,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 CFR Part 200, as revised, is not required. In the event that the recipient expends less than \$750,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR Part 200, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from the recipient resources obtained from other than Federal entities).
4. Title 2 CFR 200, entitled Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, also known as the Super Circular, supersedes and consolidates the requirements of OMB Circulars A-21, A-87, A-110, A-122, A-89, A-102 and A-133 and is effective for Federal awards or increments of awards issued on or after December 26, 2014. Please refer to 2 CFR 200 for revised definitions, reporting requirements and auditing thresholds referenced in this attachment and agreement accordingly.

PART II: STATE FUNDED *This part is applicable if the recipient is a non-state entity as defined by Section 215.97(2), Florida Statutes.*

1. 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this agreement indicates state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from DEO, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

The Limited Partnership and the County, and, where the context so dictates, the Teams, are hereinafter sometimes referred to individually as a "Party" or collectively as the "Parties".

RECITALS

WHEREAS, the County is the owner of Roger Dean Chevrolet Stadium, located at 4751 Main St, Jupiter, Florida (the "Facility"), constituting a professional sports franchise facility for joint spring training of two Major League Baseball teams as well as minor league affiliates, including a stadium, two-team training facilities, practice fields, clubhouses, dedicated on-site parking and other appurtenances and improvements intended to support spring training activities; and

WHEREAS, the initial funding and construction of the Facility was the result of a developer agreement (the "Original Developer Agreement") and a use agreement (the "Initial Use Agreement") between the County and the Limited Partnership, then a partnership between the Cardinals and the Expos (the Expos were subsequently replaced by the Marlins); and

WHEREAS, in 2011, the County and Limited Partnership restated and extended the Initial Use Agreement until April 30, 2027; and

WHEREAS, on December 17, 2019, the County's Board of County Commissioners (BCC) approved a term sheet to provide for the funding of a \$108 million renovation of the Facility, and began negotiating a new developer agreement and second restated use agreement with the Limited Partnership to perform the renovation and use the Facility in accordance with the term sheet; and

WHEREAS, the parties hereto now desire to amend the Developer Agreement to increase the amount of the County Bonds that the County may issue for the Renovation Project and to designate certain costs that the Limited Partnership has incurred or may incur under the HPM Contract and the CM Contract as Non-Eligible Costs (as defined in the Developer Agreement).

NOW, THEREFORE, in consideration of the promises and of the mutual covenants hereinafter set forth and for such other good and valuable consideration, the receipt of which the parties hereto expressly acknowledge, the parties covenant and agree to the following terms and conditions:

- 1. Recitals.** The foregoing recitals are incorporated herein by reference.
- 2. Developer Agreement Modifications and Additions.** The following provisions of the Developer Agreement are modified as follows:

Cost-Benefit Analysis of the Spring Training Franchises' Impact on Palm Beach County

PALM BEACH COUNTY SPORTS COMMISSION

August 6, 2023

Emanuel J. Perry
Executive Director
Palm Beach County Tourist Development Council
2195 Southern Blvd., Suite 500
West Palm Beach, FL 33406

Dear Mr. Perry,

Palm Beach County is undoubtedly the Major League Baseball (MLB) Spring Training Capital of Florida. Since 1998, Palm Beach County has been home to Roger Dean Chevrolet Stadium in Jupiter, which was the first baseball complex in Florida to host two (2) MLB teams for Spring Training. Today, Roger Dean Chevrolet Stadium is occupied by the Miami Marlins and St. Louis Cardinals. In 2017, Palm Beach County delivered Florida its second two (2) team MLB Spring Training Complex with the development of The Ballpark of The Palm Beaches. Located in West Palm Beach, The Ballpark of The Palm Beaches is the spring training home to the 2022 World Series Champion, Houston Astros and Washington Nationals. The Palm Beaches represent Florida's only county that maintains two, two-team complexes. In total, four (4) of the fifteen (15) MLB teams participating in Florida's Grapefruit League are playing baseball in Palm Beach County.

The Ballpark of The Palm Beaches' seating capacity is over 7,700 for a single game while Roger Dean Chevrolet Stadium's seating capacity reaches nearly 7,000 per game. Palm Beach County was home to 25% of Florida's spring training games in 2023. Between The Ballpark of The Palm Beaches and Roger Dean Chevrolet Stadium, a total of 59 spring training games were scheduled in The Palm Beaches from February 25th to March 26th, 2023. The total attendance for this spring training season equaled 238,014, which represents 68,270 unique attendees.

The Palm Beach County Sports Commission sourced Downs & St. Germain Research to conduct an economic impact study for the 2023 MLB Spring Training season taking place at Ballpark of The Palm Beaches and Roger Dean Chevrolet Stadium. Downs & St. Germain Research is a full-service market research firm based in Tallahassee, which was sourced by the Florida Sports

Foundation to produce an economic impact study on MLB Spring Training taking place in Florida's Grapefruit League in 2018.

In 2023, MLB Spring Training generated a total economic impact of \$79.5 million in Palm Beach County. The Ballpark of The Palm Beaches accumulated a total attendance of 106,912 over 30 games with an economic impact of \$40.2 million. Roger Dean Chevrolet Stadium amassed a total attendance of 131,102 over 29 games while spurring an economic impact of \$39.3 million.

Of those that attended MLB Spring Training baseball at The Ballpark of The Palm Beaches and Roger Dean Chevrolet Stadium, 53% were nonresidents. A total of 40% of attendees traveled from across the nation while 13% of the attendees traveled from across Florida. **MLB Spring Training was responsible for 55,200 room nights in Palm Beach County hotels, vacation rentals, and other paid accommodations.**

The attendance, economic impact, and tourism benefits can be influenced by many factors, but Palm Beach County is fortunate to have partnerships with the, Houston Astros, Washington Nationals, St. Louis Cardinals, and Miami Marlins. These teams represent vibrant travel markets that are important to Florida's economy. The Houston Astros won their second World Series Championship since The Ballpark of the Palm Beaches' opening, and their fan-base was motivated to celebrate this success. The Houston Astros represents one of two MLB teams from Texas, which is the third largest origin state for Florida visitors. Houston ranks as the 11th largest travel market for Florida. The Washington D.C. market is considered one of Florida's strongest origin markets, ranking six (6). Individuals from Washington D.C. and surrounding areas are seeking inspiration to visit the state. **ST. LUCIE COUNTY SPORTS COMPLEX
FACILITIES USE AGREEMENT**

THIS AGREEMENT (the "Agreement"), made and entered into in triplicate as of November 15, 2016 (the "Effective Date"), by and between **ST. LUCIE COUNTY**, a political subdivision of the State of Florida ("County"), and **STERLING FACILITY SERVICES, L.L.C.**, a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, County owns the real property legally described on Exhibit "A" hereto (the "Land"), and all of the fields and improvements located thereon, including, without limitation, the lighted major league baseball stadium presently known as "Tradition Field" (the "Stadium"), and certain major and minor league training facilities, locker rooms, practice facilities, and related improvements (with the Land, Stadium and all fields and improvements hereinafter collectively referred to as the "Sports Complex"), as the Sports Complex is depicted on the site plan ("Site Plan") set forth in Exhibit "B" hereto.

WHEREAS, SFS desires to use, and County desires to permit SFS to use, the Stadium and the other facilities at the Sports Complex for the Term (as defined below) in accordance with the provisions hereinafter contained;

WHEREAS, throughout the Term, SFS shall cause the Sterling Mets, L.P. ("Club"), which owns and operates the franchises for the New York Mets major league baseball team and the St. Lucie Mets minor league baseball team to use the Sports Complex to conduct the following: (i) New York Mets Spring Training games; and (ii) during such time as Club owns or is party to a Player Development Contract with a Florida State League franchise, the home games of such franchise. The foregoing is subject to MLB Rules and Regulations, Minor League Rules and Regulations, and any changes by MLB, Minor League Baseball or the Florida State League;

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, **IT IS AGREED AS FOLLOWS:**

1. **SITE; ADDITIONAL CAPITAL IMPROVEMENTS.**

The County warrants and represents that it owns the Land, Stadium, and the remainder of the Sports Complex including, without limitation, the fields and improvements thereon.

The parties further acknowledge and agree that, subject to the terms set forth herein and in the exhibits hereto, County shall permit SFS to construct additional capital improvements to the Sports Complex property during the Term, in accordance with the schedule, scope, specifications, designs and plans which shall be determined in accordance with the terms of Section 10. Upon the Completion (as such term is hereinafter defined) of the New Improvements (as defined below) the term "Sports Complex," as used herein, shall be deemed to include the New Improvements.

2. **SFS USE OF FACILITIES; TERM; TERMINATION OF PRIOR FUA.**

A. **Term:** SFS agrees to use the Sports Complex for a period commencing on the Effective Date and ending on December 31, 2042 (or such earlier date upon which this Agreement is terminated as provided herein) (the "Term"), subject to the terms and conditions hereof, for the following purposes (the "Permitted Uses"):

(i) SFS may use and permit the Club to use, and the County shall permit SFS and the Club to use, the Sports Complex during the Term of this Agreement for the following, subject to the priorities of use as set forth in Section 15 of this Agreement:

- Fantasy and Youth Baseball Camps
- New York Mets Spring Training (February - April)
- New York Mets Exhibition Season (March - April)
- Florida State League or any successor league (April - September)
- Gulf Coast League or any successor league (June - August) (if applicable)
- Minor League Spring Training (April - June)
- Instructional League Play (September - November)
- Training and/or rehabilitation for baseball players, or (in the retail space currently subleased to Barwis Methods Training Center of Port St. Lucie, LLC) any athletes

To the extent that any use of the Sports Complex for the purposes set forth above in this Section 2(i) (not including fantasy and youth camps) involves professional baseball teams and players who are not affiliated with the Club (or with a major league baseball club affiliated with an assignee of SFS), then SFS (or, if applicable, SFS's assignee) will reimburse the County for its incremental costs arising directly from such use. County consents to SFS continuing to sublease retail space at the Sports Complex to Barwis Methods Training Center of Port St. Lucie, LLC or its affiliates for usage similar to that occurring at the present time. SFS agrees that separate utility meters for the Barwis Center shall be installed as part of the New Improvements.

(ii) SFS, the Club and County shall each have exclusive use of certain office facilities at the Sports Complex as identified in Exhibit "K," on a year-round basis.

(iii) The staging, by or with the permission of SFS, of other baseball and non-baseball oriented events at the Sports Complex, including, without limitation, concerts, shows, conventions and political, religious and community events, subject to the scheduling provisions of Section 15 of this Agreement, except that SFS shall be permitted to conduct promotional events and other activities on the dates of baseball games played at the Sports Complex in SFS's sole discretion.

(iv) The radio, television, internet and other broadcast or transmission of SFS Events.

- (v) All uses set forth below in Sections 6, 7, 8, 12 and 15 of this Agreement.
- (vi) Any such other uses as shall be reasonably consistent with the foregoing.

All New York Mets and St. Lucie Mets (and, if any, GCL Mets (as defined below in Section 12)) activities at the Sports Complex during the Term of this Agreement, as well as all baseball games and other events staged at the Sports Complex by or under the sponsorship, control or authorization of SFS, are referred herein as "SFS Events." All events conducted or authorized by the County at the Sports Complex during the term of this Agreement (excluding all SFS Events) are referred to herein as "County Events."

B. As of the Commencement Date, the St. Lucie Sports Complex Facilities Use Agreement entered into as of August 1, 2003, as amended (the "Prior FUA"), shall terminate and be of no further force or effect and all obligations and rights thereunder shall be deemed superseded by the terms and condition of this Agreement. County hereby acknowledges that no payment is due from SFS pursuant to Section 19 of the Prior FUA.

3. MAINTENANCE.

A. County will, at its expense, at all times keep and maintain the Sports Complex (excluding the Player Academy Spaces (as defined below) and the Barwis Training Center) in good and clean order and repair suitable for a first-class major and minor league training, exhibition and playing complex, including without limitation maintaining the playing fields in a first-class condition appropriate for a major league baseball team, and in any event of a quality not less than the highest level of practiced professional baseball standards (the "Maintenance Standard") and in accordance with the specifications set forth in Exhibit "L" hereto. "Maintenance" shall mean the provision of all labor and materials that are required to (a) keep the Sports Complex in first-class good order and repair, and (b) keep the Sports Complex free of debris. Maintenance shall include, without limitation, (i) performing all preventative or routine maintenance that is stipulated in operating manuals for equipment as regular, periodic maintenance procedures; (ii) regular maintenance procedures for the HVAC system, including periodic cleaning, lubricating and changing air filters; (iii) groundskeeping and maintenance of the athletic fields, including without limitation, seeding, mowing, watering and raking of the grassy areas and full maintenance of the balance of the playing fields, preparation of the fields at the start of each season and for practice sessions and games, maintenance, repair and replacement and painting of grandstands, fences, batter's background walls and other related items; (iv) changing of standard, isolated light bulbs, fuses and circuit breakers as they burn out; (v) cleaning all portions of the Sports Complex immediately after each SFS Event and County Event; (vi) all repairs other than Capital Repair Work (as defined in Section 4), (vii) repair and rehabilitation of parking areas; and (viii) touch-up painting. County shall employ a sufficient number personnel to maintain the Sports Complex (excluding the Player Academy Spaces and the Barwis Center) properly for use and play until the end of SFS's seasonal use of the facilities as delineated in Section 2. The County and SFS shall consult annually as to a reasonable program of management, operation, and maintenance

of the facilities to be carried out during the coming year, and County shall be responsible for implementation of such a reasonable program at its expense.

B. SFS Maintenance Responsibility. At all times during the Term, SFS shall be responsible for performing all Maintenance of the Player Academy Spaces at the Sports Complex and (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC and paying all costs and expenses related thereto including payment of the cost of utilities, except to the extent such Maintenance is required due to the actions of the County or its contractors. SFS shall be solely responsible for any maintenance, restoration or repair related to damage occurring to the Sports Complex as a result of the negligent acts or willful misconduct of SFS or Club, its officers, agents and employees. SFS also shall be solely responsible for repair of any damage to the playing fields, structures, or other facilities that occur during non-baseball SFS Events.

C. In connection with the performance of the Maintenance, SFS shall have the right to cause the County to use products and/or services of its corporate sponsors if such products and/or services are reasonably comparable in price and quality to other alternatives available to the County; provided, however, that the County shall not be obligated to purchase such products and/or services if it would require the County to be in violation of any pre-existing written agreement with any third party or applicable law, including, without limitation, the County's obligations with respect to competitive bidding.

D. The County shall have no obligation to perform or pay for any Maintenance with respect to the Player Academy Spaces or (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC, except to the extent such Maintenance is required due to the negligence or willful misconduct of the County, its agents or employees.

4. CAPITAL REPAIRS.

A. All Capital Repair Work required during the Term shall be performed by the County and all costs and expenses related to the Capital Repair Work shall be the sole responsibility of the County and shall not be deducted from nor otherwise credited against the Additional Improvements Fund. "Capital Repair Work" shall mean (a) all capital modifications, replacements or additions to the Sports Complex that are reasonably necessary to keep the facilities and amenities of the Sports Complex in good repair and sound condition; and (b) repairs and replacements that are reasonably necessary to maintain the roof, foundation, HVAC and MEP systems and structural integrity of the Sports Complex, and preserve its usefulness for the purposes for which it is being used hereunder.

B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for mutually agreed upon Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund each year and SFS shall pay the County \$75,000 on March 1 during each year of the Term, which amount the County shall deposit

the Capital Repairs Fund. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work.

5. **ADDITIONAL IMPROVEMENTS.**

A. The County shall establish an interest bearing account, in the name of the County, designated as the "Additional Improvements Fund," for mutually agreed upon Additional Improvements (as defined below) to benefit the Sports Complex during the Term, and all interest thereon shall be added to the Additional Improvements Fund. The County shall contribute funds to the Additional Improvement Fund in accordance with the schedule of contributions set forth in the attached Exhibit "C" (it being understood that County shall have up to six (6) months to cure any failure to make a payment in accordance with the schedule).

B. During the Term County shall fund, to the extent funds are available in the Additional Improvements Fund, certain additional improvements to the Sports Complex proposed by SFS and approved by the County, such approval not to be unreasonably withheld (the "Additional Improvements"). The Additional Improvements to be constructed and the schedule for the construction of the Additional Improvements shall be determined so as to provide material benefit to SFS to be enjoyed by SFS during the Term. SFS shall have the right to request that the County provide monies from the Additional Improvements Fund and the County will promptly honor such requests and deliver such funds to SFS or such other person or entity according to instructions from SFS for use as contemplated under this Agreement.

6. **CONSIDERATION – PAYMENT.**

A. For purposes of this Section 6.A "Year 1" means the 2017 calendar year, "Year 2" means the 2018 calendar year and so on through "Year 25" which is the 2042 calendar year. For each year of the Term starting in 2017, SFS will make a base rent payment to the County (the "Base Rent") in an amount equal to 50% of Stadium Revenue from the New York Mets Spring Training games and the Florida State League franchise's games played at the Stadium (collectively, "Games"), provided that the Base Rent payment shall not exceed \$2,000,000 during each of Year 1 through Year 10, \$2,100,000 during each of Year 11 through Year 20, and \$2,250,000 during each of Year 21 through Year 25. The limit placed on the Base Rent payment each year of the Term shall be referred to herein as the "Base Rent Cap." In addition to the Base Rent, beginning in the year that immediately follows the year in which SFS makes its final payment to the County pursuant to Section 37 below and each year thereafter during the Term, if Stadium Revenue exceeds \$5,500,000 in such year, SFS shall make an additional rent payment to the County (the "Additional Rent") in an amount equal to the County percentage multiplied by the corresponding incremental amount of Stadium Revenue in excess of \$5,500,000 as set forth in the chart below (subject to reduction to the extent necessary to recoup Shortfall Payments as addressed below in this Section).

Stadium Revenue	SFS Percentage	County Percentage
Between \$5,500,001 and \$6,500,000	90%	10%
Between \$6,500,001 and \$7,500,000	75%	25%
More than \$7,500,001	50%	50%

For example, if Stadium Revenue in a year in which Additional Rent is due (a) is \$5,500,000 or less, SFS shall not make any Additional Rent payment; (b) is \$6,000,000, SFS will make an Additional Rent payment equal to \$50,000 (i.e., 10% of the \$500,000 between \$5,500,001 and \$6,000,000); (c) is \$7,000,000, SFS will make an Additional Rent payment equal to \$225,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000 plus 25% of the \$500,000 between \$6,500,001 and \$7,000,000); or (d) is \$8,000,000, SFS will make an Additional Rent payment equal to \$600,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000, plus 25% of the \$1,000,000 between \$6,500,001 and \$7,500,000, plus 50% of the \$500,000 between \$7,500,001 and \$8,000,000)

For any year of the Term starting in 2017 in which Base Rent is less than \$2,000,000 SFS shall make a payment to the County (the "Shortfall Payment") from (but not more than) SFS's 50% share of Stadium Revenues, such payment being equal to the amount by which \$2,000,000 exceeds the Base Rent. SFS shall have the right to recoup all Shortfall Payments from Additional Rent payable to the County in subsequent years. In addition, the Base Rent Cap during each of Year 11 through Year 25 shall be reduced by the cumulative amount of Shortfall Payments that remain un-recouped at the time the Base Rent is due that year, provided that in no event shall the Base Rent Cap be less than \$2,000,000 in any year. To the extent Base Rent to the County is decreased because of the reduction in the Base Rent Cap in accordance with the previous sentence, the amount not paid to the County as a result of that reduction will be considered a recouped Shortfall Payment. (For example, if SFS makes its first Shortfall Payment to the County in Year 10 in the amount of \$125,000, then the Base Rent Cap in Year 11 will be reduced from \$2,100,000 to \$2,000,000, and if the Base Rent in Year 11 would have been \$2,100,000 had the Base Rent Cap not been reduced, then (x) in Year 11 SFS would pay Base Rent to the County of \$2,000,000, (y) SFS will have recouped \$100,000 of its Shortfall Payment from Year 10, and (z) \$25,000 of SFS's Shortfall Payment from Year 10 will remain to be recouped from Additional Rent or future Base Rent Cap reductions. To the extent that Shortfall Payments made by SFS are not fully recouped by the date this Agreement terminates or expires, the County will pay SFS an amount equal to the cumulative total of all un-recouped Shortfall Payments from Tourist Tax Revenues collected by the County after termination or expiration of this Agreement until all Shortfall Payments are repaid to SFS.

Definitions:

"**Stadium Revenue**" means (i) SFS's adjusted gross ticket receipts from Games, plus (ii) SFS's gross sales receipts from food and beverage concession sales at Games, plus (iii) SFS's gross sales receipts from souvenir, novelty and game program sales at Games, plus (iv) the net profits (defined

below) from parking at Games.

“Adjusted gross ticket receipts” means all revenues actually received by SFS from ticket sales for Games, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. County will not levy any tax on the sale of tickets except as required by law.

“Gross sales receipts” means revenues received from food and beverage concession sales or souvenir and novelty sales at Games, as the case may be, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. County will not levy any tax on the sale of concessions, souvenirs or novelties except as required by law. In the event SFS elects to contract with an unaffiliated private firm to operate all food and beverage concessions and/or souvenir and novelty sales, then, in lieu of including all revenues received from food and beverage concession sales and souvenir and novelty sales at Games in gross sales receipts, SFS shall include in gross sales receipts only such portion of food and beverage concession revenues and souvenir and novelty revenues received by SFS from the contractor. Moreover, SFS’s selection of an unaffiliated private firm to operate all food and beverage concessions or souvenir and novelty sales at the Sports Complex shall be subject to the approval of the County, which approval shall not be unreasonably withheld.

“Net profits” will be ascertained by reducing the revenues actually received by SFS from the sale of parking privileges for Games by reasonable labor costs incurred in operating the parking facilities on Games days and other reasonable expenses related to parking (e.g., cost of printing parking tickets and providing signage and flash lights).

B. **Advertising.** Subject to the terms of Section 7(C) hereof with respect to Naming Rights, County grants to SFS the exclusive right to display or permit others to display advertising material at all locations in the Sports Complex at all times during the Term (including, without limitation, advertising in game or other SFS Event programs), and the exclusive right to grant event sponsorship and promotional rights at the Sports Complex during SFS Events, as well as the right to assign all or any portion of such rights to any third party including specifically to the Club. SFS shall have the right to display such advertising signs at all events held at the Sports Complex, including, without limitation, County Events. The County shall not be entitled to receive any of the revenues generated by SFS or its assignees through the sale of such advertising, sponsorships and promotions. SFS or its assignee shall retain one hundred percent (100%) of all revenues from advertising at the Sports Complex during the Term and from all sponsorships and promotions during SFS Events, and SFS shall have control over the type and content of all such advertising, sponsorships and promotions. County shall have the right to review and approve all such proposed advertising, provided that County shall have no right to object to any advertising except to the extent that such advertising is indecent or incompatible with the character and dignity of the Sports Complex; any proposed advertising shall be conclusively deemed neither indecent nor incompatible if it is comparable to advertising at any other Major League spring training or minor league baseball facility within the State of Florida. County may not sell or display signage at the Sports Complex without the prior written consent of SFS, in SFS’s sole discretion, except that the

County may display at the Sports Complex signage that is comprised solely of the insignia or logos of the County or that is required by public safety considerations or by local, state or federal regulations subject to the approval of SFS, which approval shall not be unreasonably withheld.

C. **Parking.** SFS reserves the right to charge reasonable fees for parking areas adjacent to the Stadium for persons attending SFS Events. SFS shall have the right to make parking spaces available at all times and without charge to authorized representatives, designees or personnel designated by SFS. County and SFS shall cooperate and develop a visitors pass procedure that will allow free parking to authorized representatives and guests of the County and SFS.

SFS shall include the net profits from parking at Games in Stadium Revenue as set forth above. For all SFS Events other than Games, SFS shall retain one hundred percent (100%) of all parking receipts. For County Events at the Sports Complex, County shall operate all parking at its sole expense and shall retain all proceeds.

D. **Intentionally Omitted.**

E. **Rent for Use of Stadium.** The rental payment by SFS for use of the Stadium shall be the payments from SFS to County as provided above in Section 6.A. Except as otherwise specifically provided in this Agreement, only one payment shall be made each year of the net amount due from SFS to County, which annual payment shall be made prior to the commencement of the following Major League Spring Training season. County and SFS agree that such amounts paid by SFS to County shall be deemed to be the rent payment for the use and occupancy of real property pursuant to Section 212.031, Florida Statutes. In addition to the requirements of Paragraph 9(C), SFS shall provide the County with an annual accounting of revenues and expenses in sufficient detail for audit purposes at the same time the annual payment is made.

F. **County Revenues.** SFS shall pay to County thirty-three percent (33%) of SFS's gross sales receipts from food and beverage concession sales at all County Events, with SFS retaining the other sixty-seven percent (67%). As used in this Section 6(F), "gross sales receipts" means revenues received from food and beverage concession sales, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. However, County shall not levy any tax on the sale of concessions except as may be required by state law. For all County Events, County shall retain one hundred percent (100%) of the adjusted gross ticket receipts but shall reimburse SFS for all pre-approved out-of-pocket expenses incurred by SFS in connection with each such event. As used in this Section 6(F), the term "adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for County Events at the Sports Complex, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. However, County shall not levy any tax on sale of tickets except as required or authorized by state law.

G. **Parking Revenues from Adjacent Businesses.** Subject to the approval of SFS, which approval shall not be unreasonably withheld, the County shall have the right to allow local

businesses with offices adjacent to the Stadium ("Adjacent Businesses") to utilize the Stadium parking area depicted on Exhibit "N" hereto (the "Business Parking Area") on a nonexclusive basis provided that the use of the Business Parking Area by local businesses shall not conflict with use of the Business Parking Area by SFS or the County for SFS Events or County events. The parties agree that the first \$100,000 in total revenues received during the Term from the use of the Business Parking Area by the Adjacent Businesses shall be retained by the County to reimburse the County for the actual cost incurred by the County to construct improvements to the Business Parking Area, and thereafter, the County shall deposit all revenues received from use of the Business Parking Area by the Adjacent Businesses into the Capital Repairs Fund. The County shall be responsible for all damage and expenses resulting from use of the Business Parking Area by Adjacent Businesses

7. TELEVISION - RADIO REVENUE; LUXURY SUITE REVENUE; NAMING RIGHTS.

A. Television - Radio Revenue.

It is expressly acknowledged and agreed by and between the parties, that the County shall receive no revenues from the radio or television broadcast or other transmission (including, without limitation, over cable or the Internet) of or relating to any SFS Events, nor shall the County participate, in any manner, in determining when said SFS Events shall be broadcast or otherwise transmitted. SFS has the exclusive right to sell television and radio broadcasting and other transmission rights for SFS Events and to permit others to sell such television and broadcasting and other transmission rights, and SFS or such other authorized party shall retain all revenues resulting therefrom.

B. Suite Revenue.

SFS shall manage and control the rental of any luxury suites at the Stadium, including without limitation any luxury suites constructed as part of the New Improvements, for all events at the Sports Complex during the Term. County and SFS shall each be entitled to use and authorize others to use one luxury suite for all events during the Term, without charge to County or SFS for their occupancy of the respective suites. All other luxury suites are to be rented on a yearly basis, and SFS shall retain one hundred (100%) percent of adjusted gross revenue from the rental of luxury suites. The lessee of any luxury suite will receive admission tickets to the luxury suite for all New York Mets spring training games and all St. Lucie Mets games at no additional charge. The lessee of any luxury suite will also have the right to purchase admission tickets to the luxury suite for any other event held at the Stadium during the year, and if such tickets are purchased: (i) for all SFS Events other than New York Mets spring training games and St. Lucie Mets games, SFS shall retain one hundred (100%) percent of the adjusted gross revenue from the sale of such admission tickets; and (ii) for all County Events, SFS shall retain ten (10%) percent of the adjusted gross revenue from the sale of such admission tickets and shall pay to the County the remaining ninety (90%) percent. As used in this Section 7(B), the term "adjusted gross revenue" means all revenues actually received by SFS from the rental of luxury suites that is

attributable to the particular event at issue, and all revenues actually received by SFS from the sale of tickets granting admission to the luxury suites for the event, less any and all taxes and tax surcharges or fees due to any governmental or taxing authority related thereto. Revenues from food and beverage sales in luxury suites will be included in gross sales receipts as set forth in Section 6(A) above.

C. **Naming Rights.**

SFS or its designee shall have the sole and exclusive right to designate the name of the Sports Complex and/or its constituent parts and to grant one or more third parties (i) the right to include such party's name, product name and/or logo and/or corporate identifiers in the name of the Sports Complex and/or its constituent parts, (ii) the right to have such name and/or logo and/or corporate identifiers prominently displayed on the interior and the exterior of, and on and around the entrances to the Sports Complex and/or its constituent parts, and on the Sports Complex apron, as part of the name of the Sports Complex, and (iii) such other nonexclusive rights which are customarily included in the grant of the rights in clause (i) and (ii) above (such rights are hereinafter referred to as the "Naming Rights"), and provided that such name and/or logo and/or corporate identifiers shall not be obscene nor shall it be unlawful to use the same. For avoidance of doubt, SFS retains all revenues with respect to Naming Rights.

For so long as both this Agreement and the agreement granting Naming Rights remain in effect, the Stadium and the Sports Complex shall be referred to by the name(s) selected pursuant to this Section 7(C), and neither party shall advertise or refer to the Stadium or the Sports Complex by any other name. The Stadium and the Sports Complex names selected pursuant to this Section 7(C) shall be used by the parties when referring to the Stadium and the Sports Complex in any of their correspondence, press releases, promotional materials, advertisements and/or publications, and shall be used by County on all related directional traffic and pedestrian signs on highways, local streets, and all public thoroughfares in and around the Sports Complex and St. Lucie County, Florida. Notwithstanding the above, the parties agree that the County's logo shall be permanently displayed at locations in the Stadium and Sports Complex as mutually agreed upon by the parties.

County shall retain the right to market for sale to a third party the right to include such party's name, product name and/or logo in the official name of the football/soccer field across from the Sports Complex (the "Football/Soccer Naming Rights"). County shall not market or entertain offers for, and shall not enter into any agreement relating to, the Football/Soccer Naming Rights until after all Naming Rights Agreements referenced above in this Section 7(C) with respect to the remainder of the Sports Complex have been entered into and approved by the Board of County Commissioners. Any agreement with respect to the Football/Soccer Naming Rights shall be subject to the approval of SFS, which approval shall not be unreasonably withheld, provided that the withholding of approval shall be conclusively deemed reasonable if the proposed agreement is with a competitor of any entity that has an advertising or naming rights agreement with SFS or Club at any facility.

D. **Other Revenues.**

Except as otherwise expressly stated and specified in this Agreement, SFS shall be entitled to retain all revenues related to the Sports Complex.

E. **Recognition of Contributions of Thomas J. White, Sr.**

Wholly separate from any naming rights for the Sports Complex or the Stadium, County and SFS agree to continue to recognize the contributions of Thomas J. White, Sr. in a manner similar to how such contributions are currently recognized at the Sports Complex and Stadium.

8. **TICKET SALES; PROGRAM SALES, CONCESSIONS AND PARKING.**

SFS has the exclusive right to operate ticket sales, program sales, and parking lots in connection with SFS Events during the Term of this Agreement, and has the right and discretion to contract with or authorize one or more other persons or entities to operate ticket sales, parking and/or game program sales at the Sports Complex at or in connection with SFS Events.

SFS has the exclusive right and discretion to sell and authorize others to operate concessions for the sale of food and beverages (including, without limitation, catering, hospitality and picnic services), novelties, souvenirs and paraphernalia at the Sports Complex during the Term of this Agreement. The County reserves the right to schedule special events in the parking lot during non-baseball scheduled events at which concessions will be sold; SFS will operate concessions at such special events in accordance with its exclusive right to operate concessions at the Sports Complex during the Term, and will cooperate with the County with respect to the providing of concessions to community and charitable groups at such special events. During the Term of this Agreement, SFS shall provide good quality concession services to the public. SFS will use commercially reasonable efforts to restrict patrons from bringing any food, beverages (including alcoholic beverages) or beverage containers into the Sports Complex. Prior to the start of each season, SFS will provide the County with notice of the pricing for tickets, programs, concessions and parking.

No new coin or currency operated vending machines shall be installed or located within the Sports Complex by SFS without the written permission of the County's Parks and Recreation Director, which permission shall not be unreasonably withheld. Except as otherwise permitted under this Agreement, SFS will not install permanent fixtures or construct permanent improvements at the Sports Complex without the County's prior consent, which consent shall not be unreasonably withheld.

9. **BOOKS, RECORDS AND AUDIT.**

SFS and County agree to keep accurate books and records in accordance with generally accepted accounting practices of their respective operations at the Sports Complex. SFS agrees to

submit to the County, on a quarterly basis, a report containing accurate attendance information in a form agreed to by all parties. In addition, the parties agree as follows:

B. SFS shall submit daily sales (ticket, parking, program and concessions) reports within thirty (30) days following the last Game of Spring Training and thirty (30) days following the last Game of the Florida State League season.

C. All related books and records regarding ticket, parking, program and concession sales shall be jointly available to the County for suitable annual audit at a time mutually agreed to by the parties. Any audits must be performed within twelve (12) months after the end of each year of operation (January 1 - December 31). SFS shall have the same right to audit the books and records of any County operation under this Agreement, and shall have the right to review the County budget and related documents at any time upon reasonable notice.

10. NEW IMPROVEMENTS.

A. NEW IMPROVEMENTS - BUDGET.

The County intends to issue bonds, the ("New Improvement Bonds") which will be used to finance certain improvements to the Sports Complex described on Exhibit "D" hereto (the "New Improvements"). If the County does not issue the New Improvement Bonds and fully fund the New Improvements Budget (as defined below) by April 1, 2017 SFS shall have the right to nullify and void this Agreement, by providing written notice to the County, provided that the County shall have seven (7) days following its receipt of such notice from SFS to issue the New Improvement Bonds, and if the New Improvement Bonds are issued by the end of such seven (7) day period then the written notice provided shall be ineffective. If this Agreement is nullified and voided as set forth in the immediately preceding sentence, the parties agree that the Prior FUA shall be reinstated and the terms and conditions of the Prior FUA shall govern the rights and obligations of SFS and the County. The County will designate SFS as the agent of County for the purpose of coordinating the New Improvements, with the scope of the New Improvements to be determined by SFS and approved by County, and the County will provide cooperation appropriate for the design and construction of the New Improvements. The parties agree that the New Improvements will include, without limitation, Stadium upgrades, a new entrance, walk way connector around the outfield, one new field and other field enhancements, Mets player academy facilities consisting of dormitories, a cafeteria and an auditorium (the "Player Academy Spaces") (which shall only be used by Mets personnel and shall not be available for use by the general public), little league/softball complex, new major and minor league clubhouses, offices and locker rooms, and other improvements as may be determined and approved by SFS and County. The County shall provide \$55,000,000 of funding (the "New Improvements Budget") for the design and construction of the New Improvements.

Nothing in this Agreement shall obligate the County to provide funding for the New Improvements in excess of the New Improvements Budget. SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other

modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage. The New Improvements Budget shall be used to fund the New Improvements only and for no other purpose (except as provided herein). County will contract to have an economic impact statement prepared, addressing the impact from Major and Minor League Baseball at the Sports Complex and the Improvements, it being understood that the cost of such statement shall be paid by the County and shall not be included in the New Improvements Budget.

B. NEW IMPROVEMENTS - PLANS.

1. County, for the benefit of SFS and County, shall competitively procure an architect reasonably satisfactory to both parties (the "Architect" referred to in this Section 10) in accordance with Florida Law and County Procurement Policy. The Architect shall be responsible for, *inter alia*, (1) developing a conceptual plan and general specifications (the "Conceptual Plans" referred to in this Section 10) for the New Improvements; (2) developing preliminary plans and specifications for the New Improvements; (3) preparing working drawings and requests for bids; (4) obtaining all permits, other than building permits, needed to construct the New Improvements; (5) assisting SFS in evaluating the qualifications of potential contractors; (6) providing contract administration; and (7) performing construction inspections as needed to provide certified as-built drawings after the New Improvements are constructed (the "Architect's Work" referred to in this Section 10). SFS shall enter into a contract (the "Architect's Contract" referred to in this Section 10) with the selected Architect with terms that are fair, competitive and reasonable as required by Section 287.055 (5) and (6) of the Florida Statutes, and which shall, *inter alia*, contain the terms and conditions set forth in Exhibit "E" hereto. The County shall be named as a third party beneficiary in the Architect's Contract. The County shall, upon request, enter into a joinder to the Architect's Contract substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc. Without limiting the foregoing, the Architect's Contract shall require the Architect to procure policies of insurance that relate to the Architect's Work, with terms, limits, coverages and specifications at least as favorable for SFS as those reflected in Exhibit "E", and SFS and the County shall be designated as Named Insureds on all applicable policies. The Contract should also provide that Architect will not receive payment for any portion of the Architect's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(b) below. SFS shall have the right to refuse to enter into any Architect's Contract with terms that are not fair, competitive and reasonable as required by Section 257.055 (5) and (6) of the Florida Statutes. County, through its Board of County Commissioners, shall have final approval rights to the negotiated Contract limited to whether the Contract terms are fair, competitive and reasonable. County agrees that the Architect shall not be considered an agent of SFS for any purpose and that the Architect shall be solely responsible for the Architect's Work, and that the County will look solely to the Architect and its carriers, and in no event to SFS, with respect to the performance of the Architect's Work and any damages or losses which may arise from or out of any acts or omissions of the Architect

except to the extent caused by any negligent acts or omissions of SFS or its agents or representatives.

2. Contemporaneous with procurement of the Architect, the County shall, through currently pending RFQ No. 16-049, competitively procure a consultant to provide Program Manager Consulting Services on its behalf, serving as the point of contact of the County for all project development interaction involving SFS, Architect and Contractor.

3. SFS shall cause Architect to furnish to County the Conceptual Plans for the New Improvements. County, through its Board of County Commissioners, shall have a period of twenty (20) days from delivery of the Conceptual Plans within which to review and to disapprove of the Conceptual Plans, in writing. County shall have no right to disapprove of the Conceptual Plans except to the extent that the improvements described therein are materially inconsistent with the description of the New Improvements set forth on Exhibit "D" hereto or to the extent the Conceptual Plans reflect estimated costs in excess of the New Improvements Budget. Subject to the foregoing, County shall not unreasonably withhold its consent to any Conceptual Plans. If County disapproves of the Conceptual Plans, County shall express the grounds for its disapproval in reasonable detail. If County shall not disapprove within such twenty (20) day period, the Conceptual Plans shall be deemed approved.

4. As soon as is reasonably practicable following the approval of the Conceptual Plans, SFS shall cause Architect to prepare and deliver to County and SFS preliminary plans and specifications for the New Improvements in accordance with the approved Conceptual Plans (the "Preliminary Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days within which to review and to approve or disapprove of the Preliminary Plans in writing. County shall have no right to disapprove of the Preliminary Plans except to the extent the Preliminary Plans are materially inconsistent with the Conceptual Plans. If County or SFS disapprove of the Preliminary Plans, it or they shall express the grounds for its disapproval in reasonable detail. If County or SFS shall not respond with disapproval within such twenty (20) day period, the Preliminary Plans shall be deemed approved.

5. As soon as is reasonably practicable following the approval of the Preliminary Plans, SFS shall cause the Architect to prepare working drawings for the New Improvements (or such of the New Improvements as shall be designated by SFS), in accordance with the approved Preliminary Plans and to deliver same to County and SFS (the "Final Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days from receipt of the completed Final Plans to review and approve or disapprove of the Final Plans in writing. County shall have no right to disapprove of the Final Plans except to the extent such Final Plans are materially inconsistent with the Preliminary Plans. If County or SFS shall disapprove of the Final Plans, it or they shall express the grounds for its disapproval in writing and in reasonable detail. If neither County nor SFS disapprove within such twenty (20) day period, the Final Plans shall be deemed approved. Once approved, the Final Plans shall be incorporated into this Agreement as Exhibit "F".

6. County, for the benefit of SFS and County, shall, through a publicly advertised competitive bidding or proposal process, in accordance with Florida law and County Procurement Policy, competitively procure a contractor (the "Contractor" referred to in this Section 10) for the construction of the New Improvements in accordance with the Final Plans (the "Work" referred to in this Section 10). SFS shall have input on the qualifications and selection of contractors, with two members appointed by SFS to a five-member selection committee, with the remaining three members appointed by County, and to refuse to engage any contractor upon terms that are not fair, competitive and reasonable as determined by SFS. The final terms of the agreement between SFS and the Contractor (the "Construction Contract" referred to in this Section 10), and any Guaranteed Maximum Price amendments or agreements, shall be subject to the approval of the County, through its Board of County Commissioners, limited to whether the Contract terms are fair, competitive and reasonable. SFS shall enter into a Construction Contract along with terms that are fair, competitive and reasonable and the terms set forth below, with the selected contractor.

7. The Construction Contract shall, *inter alia*, include the terms and conditions set forth in Exhibit "G" hereto and shall include each of the following requirements related to all work under the Construction Contract ("Work"): (i) the furnishing of a public construction bond in a form consistent with Section 255.05, Florida Statutes, with the County named as co-obligee, and with terms acceptable to SFS; (ii) competitive procurement of all Subcontractors work and supplies as set forth in Subsection 7(d) below ("Procurement of Subcontracts"); (iii) retainage in an amount acceptable to SFS for the Work, until the Completion of the Work (including a retainage of 10% of the total value of the construction contract) and required reductions at 50% completion as set forth in Section 255.078, Florida Statutes; (iii) payment by the Contractor of liquidated damages equal to One Thousand Dollars (\$1,000.00) for each day from and after the Required Completion Date (if and as that term or its equivalent is defined in the Construction Contract) until the actual date of Completion; (iv) a requirement that the Contractor perform and achieve Completion of the Work for a Guaranteed Maximum Price or fixed stipulated sum referred to in this Section 10), by no later than the Required Completion Date; (v) the furnishing of an "installation floater" insurance policy or such other policy of insurance covering goods in transit and while the Work is being performed, with terms, limits, coverages and specifications acceptable to SFS (and the furnishing by any subcontractors of policies of insurance that relate to the Work naming SFS, Club and the County as additional insureds, with terms, limits, coverages and specifications acceptable to SFS); (vi) at SFS's election, the provision on behalf of SFS of an Owner's Contractor Protective policy of insurance, including extensions for products and completed operations coverage and similar extended coverage at least through Completion (as defined herein) of the Work, or another policy of insurance acceptable to SFS, with SFS as a named insured; (vii) the County shall be named as a third party beneficiary in the Contract; and (viii) Contractor must agree that it will not receive payment for any portion of the Contractor's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(c) below. The County shall be named as a third party beneficiary in the Contract between the Contractor and SFS. The County shall, upon request, enter into a joinder to the Contract between the Contractor and SFS substantially similar to the joinder

entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc.

8. As required by Section 119.0701, Florida Statutes, in all contracts competitively procured for services related to the New Improvements, including the Architect as set forth in Section 10(B)(1) and Contractor as set forth in Section 10(B)(4), SFS shall include in each such Contract, the following Notice in capital letters, 14-point boldfaced type:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (772) 462-1441, bellamys@stlucieco.org, COUNTY ATTORNEY'S OFFICE, 2300 VIRGINIA AVENUE, FORT PIERCE, FL 34982.

SFS shall also include in each such Contract, a requirement that the contracting party comply with the following requirement of Florida's Public Records Law:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. SFS agrees to include the following provisions (or substantively equivalent provisions) in the Construction Contract:

(a) Punchlist Procedures. Punchlist procedures to render the Work complete, satisfactory and acceptable are established as follows:

There shall be the development of a single checklist of items required to render complete, satisfactory, and acceptable, the Work. No more than ten (10) days prior to Contractor's expected Substantial Completion of the Work as defined in the Construction Contract, Contractor shall schedule a walkthrough with SFS and the County ("Initial Walkthrough" a/k/a "IW"). The purpose of the IW is to develop a checklist ("Checklist") of items to be performed by the Contractor, based upon observations made between the Contractor, SFS and the County during the IW.

No later than forty (40) calendar days after reaching Substantial Completion, Contractor shall again initiate and request a second walkthrough of the Project with SFS and the County. The purpose of this second walkthrough is to identify which items remain to be performed from the IW Checklist and for the purpose of developing a single and Final Punchlist.

The intent of this section is for SFS, County and the Contractor to cooperate to develop a single Final Punchlist to be completed no later than sixty (60) calendar days from the date of reaching Substantial Completion of the Work as defined in the Construction Contract. The single Final Punchlist shall be delivered no later than five (5) calendar days after the Punchlist has been developed and reviewed in accordance with this section. If the Work provided in this Construction Contract relate to more than one building or structure, or involves a multi-phased project, the single Final Punchlist is required to render complete, satisfactory, and acceptable all the Work for each building, structure, or phase of the Project and is due within the time periods set forth in this section.

In no event may the Contractor request payment of final retainage until the Final Punchlist is 100% complete.

Contractor agrees to complete the Final Punchlist items and the Final Contract Completion Date must be thirty (30) calendar days after the delivery date of the Final Punchlist. The failure to include any corrective work or pending items not yet completed on the list does not alter the responsibility of the Contractor to complete all the construction services purchased pursuant to this Construction Contract.

Contractor acknowledges and agrees that no item contained on the Final Punchlist shall be considered a warranty item until such time as (a) the Final Punchlist is 100% complete, and (b) SFS has been able to operate or utilize the affected Punchlist item for an additional period of fifteen (15) days.

Contractor acknowledges and agrees that SFS may, at its option, during performance of the Work and prior to Substantial Completion, issue lists of identified non-conforming or corrective work for the Contractor to address. The intent of any such generated list prior to Substantial Completion is to attempt to streamline the Punchlist process upon achieving Substantial Completion, and to allow for the Contractor to address needed areas of corrective work as they may be observed by SFS during performance of the Work.

Contractor acknowledges and agrees that SFS shall determine whether an item on the Final Punchlist is completed and shall calculate the amount of payment to withhold if an item is incomplete, with SFS having the right to withhold the greater of 150% of the value of the item on the Final Punchlist that is incomplete or the amount of the retainage under this Construction Contract. Contractor acknowledges and agrees that in calculating the amount of payment that may be withheld by SFS as to any Final Punchlist item for which a good faith basis exists to determine that it is incomplete, SFS may, in calculating the amount equal to 150% of the value of the item (if SFS decides to withhold such amount rather than the amount of the retainage under this Construction Contract), include within such percentage calculation its total costs for completing such item of work, including its administrative costs as well as costs to address other services needed or areas of work which may be affected in order to achieve full completion of the Final Punchlist item. Such percentage shall in no event relate to the schedule of value associated with such Work activity, but rather total costs are based upon the value (i.e. cost) of completing such Work activity based upon market conditions at the time of Final Punchlist completion.

(b) **Reduction of Retainage Procedures.** After the Contractor has achieved fifty percent (50%) completion of the Work, retainage from subsequent Pay Applications shall be reduced to five percent (5%). Contractor may request a reduction of retainage previously withheld from ten (10%) percent of the total value of the Construction Contract to five (5%) percent after fifty (50%) percent completion of the Work which SFS shall authorize for payment unless justification for withholding exists, as permitted by Section 255.078, Florida Statutes. The term "Fifty Percent Completion" shall be defined as follows, in lieu of any other definition:

"Fifty Percent Completion" of the Work is defined as that point in time where 50% of the overall value of Work items incorporated and which will remain in place subsequent to final completion of the Work have been completed, based upon the schedule of values contained in the Contract. As such, and by way of example, the value of Contractors mobilization, general conditions, supervision or like items which do not involve permanent incorporation of Work do not apply to the determination of "Fifty Percent Completion" of the Work for purposes of establishing entitlement to a reduction of retainage.

(c) **Definition of Substantial Completion.** For purposes of this Construction Contract, and for compliance of those procedures, duties and obligations, the term Substantial Completion shall be as follows, in lieu of any other definition:

"Substantial Completion" is defined as that point where SFS and the County are able to enjoy beneficial occupancy of the Work and where the Work has achieved that level of completion such that SFS and the County are able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life safety and regulatory use, with the

exception of incidental and incomplete items except where a lack of completion of such incidental or incomplete items of Work will adversely affect the complete operation of other areas of the Work, to the satisfaction and approval of all authorities having jurisdiction.

(d) **Procurement of Subcontracts.** All subcontracts exceeding \$500,000 shall be and competitively awarded in accordance with the process set forth in Exhibit "O".

(e) **Contractor Self-Perform Work.** Upon approval by SFS, Contractor and any Related Entities as defined below, may use its own forces to perform a portion of the Work, as long as the cumulative percentage of the total self-performed construction work does not exceed 25% of the Direct Cost of the Work for the Project, as reflected in the approved GMP or latest approved estimates. SFS reserves the right to limit instances of self-performance to certain Work. There is no guarantee that any self-performed work will be allowed. Related Entities are prohibited from submitting competing bids or proposals and shall be disqualified for doing so, unless authorized hereunder. When authorized in advance to submit a competitive bid, the Contractor or Related Entity must submit its bid to SFS, at least forty-eight hours prior to the bid opening date and time. "Related entities" means any parent company, affiliates, subsidiaries, or other entities having common ownership or management with that of the Contractor or a subcontractor.

10. County agrees that the Contractor shall not be considered an agent of SFS for any purpose and shall be solely responsible for the Contractor's Work, and that the County will look solely to the Contractor and its carrier(s) and surety bond(s), and in no event to SFS, with respect to the performance of the Contractor's Work and any damages or losses which may arise from or out of any acts or omissions of the Contractor except to the extent caused by the negligent acts or omissions of SFS or its agents or representatives.

11. SFS shall have the right to purchase general construction liability insurance or other construction-related insurance acceptable to SFS, with terms, coverages, specifications and limits as determined by SFS as being reasonable in its sole discretion. The cost of such insurance shall be included in the Total Cost of the Work (as defined in this Section 10(B)(10)). County shall be an additional insured on such insurance policy, if any is purchased by SFS.

12. The Total Cost of the Work defined herein shall be paid by the County in accordance with the procedures set forth in Section 10(C)(9), below, out of the New Improvements Budget. The term "Total Cost of the Work" referred to in this Section 10 shall mean the sum of (i) the fees and expenses of the Architect in connection with all stages of the Architect's Work hereunder, including without limitation the Architect's consultants' fees and expenses, and all fees and expenses related to the obtaining of permits needed to construct the New Improvements, plus (ii) the Construction Contract Price, plus (iii) the fees and expenses of any consultants engaged directly for the design and construction of the New Improvements which are approved in advance by the County and competitively procured in accordance with Florida law (including the Program Manager under RFQ No. 16-049), plus (iv) any other approved costs, expenses or liabilities

incurred by SFS as a consequence of SFS's engagement of the Contractor, Architect or other consultants hereunder, including but not limited to SFS's attorneys' fees in connection therewith, plus (v) the costs of all permits required for the Work, plus (vi) the premium cost of all insurance, including without limitation comprehensive general liability insurance, general construction liability insurance, products and completed operations or other extended insurance, or other insurance acceptable to SFS, as SFS may elect to obtain with County's advance approval, whether directly or through another person or entity acting on SFS's behalf, as a consequence of SFS's engagement of the Architect and Contractor hereunder (referred to in this Section 10 as the "Additional Exposure Liability Insurance Coverage Insurance Premiums"). The Total Cost of the Work shall be subject to increase only as a consequence of Authorized Change Orders (as defined in this Section 10), to the extent such Authorized Change Orders actually increase the Total Cost of the Work; provided, however, that the County's obligations shall be limited to the New Improvements Budget. As between SFS and the County, SFS shall be solely responsible for any and all cost of the Work exceeding the New Improvements Budget. The Total Cost of the Work shall not include any other costs or fees whatsoever, including, without limitation, fees for construction, coordination, supervision or for review and approval of plans and specifications or proposed Change Orders by SFS or County, except as otherwise specifically set forth in this Agreement.

C. NEW IMPROVEMENTS – CONSTRUCTION.

1. Promptly following the execution of the Construction Contract and the issuance of all required approvals and permits, SFS shall cause the Contractor to commence the Work and to diligently and continuously pursue the Work to Completion. The term "Completion" as used in this Section 10 shall mean the completion of the Work, as evidenced by the issuance of a temporary or final certificate of occupancy or completion, as applicable, and the completion of all "punch-list" items.

2. County will cooperate in good faith to assist Architect and Contractor in obtaining all permits required for the construction of the Work from all applicable governmental authorities.

3. There shall be no change to the Final Plans, except pursuant to an Authorized Change Order (as such term is defined below). SFS shall have the right to request changes in the Work. As used in this Section 10, an "Authorized Change Order" shall mean a ~~written instrument initiated and prepared by SFS and signed by County if required herein~~ (or deemed approved as set forth herein), SFS and the Architect stating their agreement upon all of the following: (i) the agreed change in the Work; and (ii) the extent of the adjustment in the Total Cost of the Work, if any. County shall have a period of ten (10) business days following receipt of a request to approve a Change Order within which to review and approve same. If County fails to respond within such ten (10) business day period after the receipt of the proposed Change Order, then such proposed Change Order shall be deemed approved provided, however, that in no event shall the County be obligated to pay any costs associated with Change Orders in the event such costs cause the Total Cost of the Work to exceed the New Improvements Budget without a separate

written consent from the County identifying the additional funds to be provided. Such separate written consent shall not be deemed to have been provided by the County's failure to object to a Change Order. County shall not unreasonably withhold its consent to any proposed Change Order except the County shall have the absolute right to deny any Change Order request that would cause the New Improvement Budget to be exceeded unless SFS agrees to be solely responsible for the overage. County has the right to suggest Change Orders to SFS, and SFS agrees to consider each County request for a Change Order in good faith, provided that any Change Order proposed by County shall not have the effect of increasing the Total Cost of the Work, and to initiate an Authorized Change Order as set forth in this paragraph if SFS determines that such a Change Order is appropriate. Changes in the Total Cost of the Work due to an Authorized Change Order shall be limited to the actual net increase in the cost included in the definition of the Total Cost of the Work.

4. SFS and the County shall have the right to monitor the construction progress of the New Improvements at all times, provided that County shall not give direction, whether verbally or in writing or otherwise, to any Contractor, Architect or consultant engaged by SFS, except in an emergency situation. SFS understands that County shall procure a Program Manager to serve as its representative during the design and construction of the Project, as part of the New Improvements Budget cost (provided that the cost therefor shall be reasonable therefor in light of the services provided by the Program Manager). SFS agrees to cooperate with the County and its Program Manager, and use best efforts to create a spirit of harmony involving all companies providing services for the Project. The Program Manager shall have the opportunity to be included as a participant at all Project meetings, jobsite meetings and inspections, and shall have the opportunity to be included on all Project communications involving the Architect, Contractor and any authority having jurisdiction. All Project administration communications, necessary with the County, including disbursement requests and Change Order requests, shall be conducted through the Program Manager. Should Program Manager identify any work being performed in material deviation from the approved Final Plans, it shall immediately provide written notice to SFS and the County, with recommendations on remedying the non-compliance. If the non-compliance is not remedied within seven (7) days, County and SFS, through representatives possessing decision-making authority, shall meet promptly to discuss the issues and means of resolution.

5. In the event of any contractual dispute between the parties hereto that (i) occurs before Completion (as defined in this Section 10) of the New Improvements, and (ii) relates to the preparation and/or approval of the Conceptual Plans, Preliminary Plans, Final Plans, the Construction Work per the Final Plans, or any Change Order for any Phase of the Work, SFS and County shall attempt in good faith to agree to the resolution of the disagreement and/or the curative measures, if any, that are required to be undertaken, and if necessary will submit the dispute to non-binding mediation in an effort to resolve the dispute if the parties are unable to reach a resolution without outside intervention. If the parties are unable to resolve such dispute through non-binding mediation within 30 days of such dispute arising, then the dispute shall promptly be resolved by litigation pursuant to Section 39 of this Agreement.

6. The New Improvement Schedule, which shall be Exhibit "H" hereto, shall show:

(a) The anticipated time of commencement and completion of each of the various operations to be performed under this contract; and,

(b) The sequence and inter-relationship of each of these operations with the others and with those of other related contracts; and,

(c) The estimated time required for fabrication or delivery, or both, of all materials and equipment for the Work.

7. The New Improvement Schedule shall be revised by SFS as and when needed. SFS shall provide the County with written notice in the event that any revision as to the New Improvement Schedule changes the Required Completion Date (if and as that term or its equivalent is defined in the Contract).

8. Promptly after execution of this Agreement, the County shall deposit the entire amount of the funds that comprise the New Improvements Budget in an interest bearing account, in the name of the County, designated (and referred to in this Section 11) as the "New Improvement Account," and all interest thereon shall be added to the New Improvements Budget. The County will issue bonds in an amount sufficient to generate \$55,000,000 of funding for the New Improvements Budget, as provided for in this Section 10. Notwithstanding any provision herein to the contrary, the County shall have no obligation to provide funds for the New Improvements Budget in excess of the \$55,000,000 provided with the proceeds of the County's New Improvement Bonds without the express written consent of the County identifying the additional funds provided.

9. County shall disburse funds from the New Improvement Account, as follows, provided that in no event shall County be responsible for disbursing funds in excess of the New Improvements Budget for the Total Cost of the Work:

(a) Within twenty (20) business days following SFS's delivery to County of an invoice for the Additional Exposure Liability Coverage Insurance Premiums with certification that payment is due in the requested amount, County shall pay to SFS the entire amount of such invoice;

(b) Within twenty (20) business days following SFS's delivery to County of an invoice from the Architect with respect to the Architect's Work with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of the Architect, the full amount of such invoice, which payment SFS will then forward to Architect within five (5) days of SFS's receipt thereof from County;

(c) Within twenty (20) business days following SFS's delivery to County of an invoice from the Contractor (which invoice shall reflect the applicable retainage), accompanied by the Required Documents (as such term is defined below) with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of Contractor, the full amount of such invoice, which payment SFS will then forward to Contractor within five (5) days of SFS's receipt thereof from County. The term "Required Documents" referred to in this Section 11 means: (i) an affidavit from the Contractor certifying that the invoice is true and correct; (ii) a partial lien waiver from the Contractor for the full amount of the current invoice and partial lien waivers from all subcontractors, materialmen and others who have filed Notices to Owner with respect to all Work through the date of the prior invoice; (iii) a certificate from Architect stating that the portion of the Work described in such invoice has been completed in accordance with the Final Plans; and (iv) in connection with the final disbursement to the Contractor (A) a final lien waiver from the Contractor and from all subcontractors, materialmen and others who have filed Notices to Owner and (B) a final certificate of occupancy or a certificate of completion, as may be applicable;

(d) Within twenty (20) business days following SFS's delivery to County of any invoices from any consultants engaged by SFS and/or with respect to any other costs, expenses or liabilities incurred by SFS pursuant to or as described in Section 11(B)(9) of this Agreement previously approved and authorized by the County, County shall, following verification of entitlement and quantum due, pay to SFS the full amount of such invoices; and

(e) Upon Completion, to the extent that \$55,000,000.00 exceeds the Total Cost of the Work in connection with the New Improvements (with the amount of such excess hereafter referred to as the "Excess New Improvement Budget Funds"), the Excess New Improvement Budget Funds shall be added or devoted to the Additional Improvement Fund (as such term is defined in Section 5(A)).

(f) County shall have the right to review, verify, and audit if necessary, all requests for disbursements of any New Improvements Budget Funds, including invoices from the Architect and Contractor. SFS shall reasonably ensure that all requests for disbursements are sufficiently documented and accompanied by supporting invoices and time records, and in the case of Architect and Contractor, that they (i) maintain an "open book" project accounting practice, (ii) make all files and accounting records available for review and auditing upon reasonable request, and (iii) allow for backcharging for any erroneous billing, as these requirements relate to the New Improvements Budget.

11. DIGNITARY SEATING.

Prior to December 1 of each year, the County and SFS will cooperate and develop a dignitary seating arrangement that is reasonably acceptable to all the parties.

12. **FLORIDA STATE LEAGUE TEAM; GULF COAST LEAGUE TEAM.**

The parties acknowledge that the Club currently owns the St. Lucie Mets Florida State League team. This Agreement shall apply to the use of the facilities by the St. Lucie Mets and related operations during the Florida State League regular season and any post-season playoffs. In the event the Club terminates its ownership of a Florida State League team during the term of this Agreement, and does not either transfer ownership thereof to SFS or acquire ownership of or enter into a player development contract with another minor league team that will be scheduled to play its home games in the Stadium during the following Florida State League season, SFS shall notify the County as soon as practicable in advance of the beginning of the following Florida State League team season. In that event, the County may permit another Florida State League team to play its home games at the Stadium without the consent of SFS, provided that such minor league team's operations do not conflict with SFS's exclusive use of the Sports Complex from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement or with SFS's use of the Sports Complex for GCL Mets operations (if any), as set forth in Section 15(A) below. The term "St. Lucie Mets" as used herein refers to the current or any future minor league baseball team owned or operated by or affiliated with SFS or the Club that plays its home games at the Sports Complex (excluding the GCL Mets, as defined below). The term "Florida State League" as used herein refers to the Florida State League, any successor league thereto, or any other minor league to which the St. Lucie Mets belongs.

The parties acknowledge that Club currently owns a Gulf Coast League team. All of the terms and conditions of this Agreement shall apply to the use of the facilities by that team during the Term, including without limitation for the Gulf Coast League regular season and any post-season playoffs. The term "GCL Mets" as used herein refers to any future minor league baseball team owned or operated by or affiliated with SFS or the Club that is a member of the Gulf Coast League and will play its home games at the Sports Complex, if SFS or the Club, as may be applicable, so decides in its sole discretion. The term "Gulf Coast League" as used herein refers to the Gulf Coast League or to any successor league thereto.

Other than as provided in the first paragraph of this Section 12 (and subject to SFS's right to assign this Agreement as set forth in Section 24), the County agrees that it will not permit any Florida State League baseball club other than the St. Lucie Mets, or any Gulf Coast League baseball club other than the GCL Mets, to use the Sports Complex during the Term of this Agreement.

13. **INDEMNITY AND INSURANCE.**

A. **SFS.**

To the extent allowed by law, SFS agrees to indemnify and hold County harmless from and all claims for personal injury, death, or property damage and any other losses, damages, charges or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of

the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except to the extent such losses may be caused by the negligence or willful misconduct of the County, its agents or employees or by any acts or omissions of the Program Manager, Architect, Contractor or any of their respective employees, agents or subcontractors. SFS further agrees to undertake at its own expense the defense of any action brought against the County (with counsel subject to County's approval in its reasonable discretion), claiming damages arising out of, in connection with, or by reason of SFS's use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of the County, its agents or employees, the County agrees to reimburse SFS for the actual expenses, including attorneys' fees, incurred by SFS in defending the County. County agrees to cooperate in any defense by the SFS. The provisions of this paragraph shall survive the termination of this Agreement.

SFS shall maintain or cause to be maintained Comprehensive General Liability Insurance, including Property Damage and Personal Injury coverages, insuring against liability for damages or losses arising solely from the acts or omissions of SFS under this Agreement. Such policy shall name St. Lucie County as an additional insured. Limits of liability coverage to be not less than:

Bodily Injury Liability	\$5,000,000 each occurrence
Property Damage Liability	\$1,000,000 each occurrence

or

Bodily Injury and Property Damage Liability	\$5,000,000 each occurrence, combined single limit
--	---

SFS shall maintain or cause to be maintained in effect Workers Compensation Insurance as required by Florida Statutes, covering all employees of SFS, including employer's liability insurance, with limits of not less than \$100,000 per accident.

SFS shall furnish County, not later than ten (10) business days after SFS's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above with an insurer reasonably acceptable to the County.

B. County.

To the extent allowed by law, the County agrees to indemnify and hold SFS and its members and affiliates harmless from any and all claims for personal injury, death, or property damage and any other losses, damages, charges, or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, including, without limitation, in connection with or related to

the New Improvements, the Additional Improvements, and any other construction conducted by the County (itself or through contractors), except to the extent such losses may be caused by the negligence or willful misconduct of SFS, its agents or employees or by any acts or omissions of the Architect, Contractor or any of their respective employees, agents or subcontractors. County further agrees to undertake at its own expense the defense of any action brought against SFS (with counsel subject to SFS's approval in its reasonable discretion) claiming damages arising out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of SFS, its agents or employees, SFS agrees to reimburse the County for the actual expenses, including reasonable attorneys' fees, incurred by the County in defending SFS. SFS agrees to cooperate in any defense by the County. The provisions of this paragraph shall survive the termination of this Agreement.

In addition, the County agrees to procure and pay for and at all times during the term of this Agreement maintain fire and extended and "special form" coverage (including without limitation insurance from and against all losses, damages, claims and liabilities related to or arising from acts of terrorism) on all property, both real and personal, with replacement cost coverage limits of not less than the replacement cost of the Sports Complex (including, without limitation, all New Improvements and Additional Improvements while being constructed and when completed) and also covering loss of income. The County is self-insured for general liability with statutory limits of \$200,000 per person/\$300,000 per incident pursuant to Section 768.28, Florida Statutes, and waives and has waived sovereign immunity to that extent. The insurance policies referenced above in this paragraph shall further name SFS and the Club as named insureds and shall provide a thirty (30) day notice of cancellation or non-renewal and a severability of interest endorsement.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

C. County warrants and represents that it is, and throughout the Term will remain, a member of and party to the Treasure Coast Risk Management Program ("TRICO," as set forth in the Revised TRICO Interlocal Agreement dated May 1, 1996) or such other pooled risk or self-insurance program acceptable to SFS in its reasonable discretion, and that SFS will be a beneficiary of all insurance and other protections available through the TRICO Risk Management Program (or such other accepted pooled risk or self-insurance program) including, without limitation, with respect to general liability, tort liability, loss or damage to property (e.g., the Sports Complex), and personal injury or death.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

D. County and SFS each do hereby and shall mutually release each other from liability and waive all rights of recovery against each other, for any loss or damage occasioned to County or SFS, as the case may be, from perils insured against, or required hereunder to be insured against, under their respective property insurance policies, whether due to negligence or any other cause. Any property insurance policy required herein covering loss, damage, or destruction by fire or other insured casualty, shall include a waiver of the insurer's rights of subrogation against the other party.

In the event a claim is filed against a party for operations that are covered by the provisions of this Agreement, the party agrees to notify the other party of the claim within ten (10) days after the party receives the claim.

14. **RESPONSIBILITIES OF PARTIES.**

The responsibilities of the parties shall be as follows:

A. **County.**

(1) County shall maintain proper HVAC systems and equipment in throughout the Sports Complex, and shall perform all maintenance thereof at County's sole cost and expense.

(2) County shall be responsible for providing and bearing the cost of an adequate number of qualified security personnel at the Sports Complex for Club major league spring training games and Florida State League games. The County shall be responsible for public order and safety in manner consistent with the County's practices under the Prior FUA, including the creation, establishment and implementation of security, safety and emergency plans and procedures and related contingency plans, all of which shall be in consultation with SFS and the Club. County shall be responsible for coordinating with all local, state and federal agencies to the extent appropriate, and for providing, at its expense, comprehensive training for all security personnel who work at the Sports Complex with respect to County's security, safety and emergency plans and procedures (which training shall occur at least once per year during the Term prior to the commencement of major league spring training, in consultation with SFS and the Club). County shall keep SFS and the Club fully informed with respect to its security, safety and emergency plans and procedures, and with respect to all training and coordination with local, state and federal agencies. County shall have the responsibility to eject persons from the Stadium or from the Sports Complex as necessary, including at the request of SFS; County shall consult with SFS before ejecting any persons from the Stadium during SFS Events except to the extent such consultation is impracticable in the event of an emergency.

(3) County shall be responsible for all utilities (excluding the Barwis facility and the Player Academy Spaces), including telephone (excluding long distance toll charges), heat, water and sewer, electricity, air conditioning, and appropriate night lighting.

(4) SFS and the County agree that the New Improvements shall, to the extent agreed upon by SFS and the County, maximize energy savings using "green" technology and equipment.

(5) In addition to the right to occupy the Sports Complex, SFS and its agents, employees, suppliers and other persons appropriate for SFS to enjoy the use of the Sports Complex premises as contemplated herein, shall have access, in common with others designated by the County, to such areas of the Sports Complex as necessary or appropriate to provide services or otherwise enjoy the use of the Sports Complex as contemplated herein, subject to customary and reasonable security precautions.

(6) If SFS contends that the County has failed to comply with a material obligation of the County pursuant to this Agreement with respect to the maintenance of the Sports Complex, and if as a result SFS contends that an Exigent Condition (as defined below) exists at the Sports Complex, then, in addition to any and all other remedies available to SFS, SFS shall be entitled to (a) take such measures as are strictly necessary to address the Exigent Condition, and (b) deduct the cost of such measures from the payments to be paid by SFS to the County pursuant to Section 6(A) of this Agreement, subject to the County's right to object to and contest such deduction by seeking judicial intervention, which right is expressly reserved. SFS shall not be entitled to deduct such cost unless, prior to addressing the Exigent Condition, (i) SFS provides written notice to the County identifying the Exigent Condition, the measures which SFS intends to take to address it, and the cost thereof, and (ii) the County fails to remedy the Exigent Condition within a reasonable period of time following the delivery of such notice. "Exigent Condition" shall mean (x) any condition of any playing field that creates a potential substantial risk to participants in games and/or practices on the field, (y) any condition elsewhere within the Complex that creates a potential substantial health or safety risk to SFS's invitees at the Sports Complex, or (z) any condition that, if not promptly remedied, would result in the loss of substantial revenues generated at the Sports Complex.

B. SFS.

(1) SFS shall not in any manner, directly or indirectly, violate any laws, ordinances, rules or regulations of any federal, state, county, city or other governmental authority or agency in connection with the use and occupancy of the Sports Complex under the terms of this Agreement.

(2) SFS shall use and occupy the Sports Complex in a reasonably safe and careful manner and exercise reasonable care not to in any way mar, deface, or injure any part of the premises, ordinary wear and tear excepted. At the conclusion of this Agreement, SFS shall surrender the premises to the County in as good condition and repair as at the beginning of SFS's occupancy, except as to ordinary wear and tear and except as to damage by fire, other casualty, or the elements.

(3) Except with respect to the Telecommunication Equipment described below in Section 14(B)(5) and any property of SFS and as otherwise contemplated by this Agreement, SFS shall not make any material permanent or structural changes, improvements or alterations to the Sports Complex except as provided for in this Agreement without the written consent of County which shall not be unreasonably withheld, conditioned or delayed.

(4) At its expense, SFS is responsible for providing a sufficient number of ticket sellers and ushers during SFS Events.

(5) SFS shall be responsible for the installation and maintenance of any radio and television facilities and telephone systems that it deems necessary for its operations ("Telecommunication Equipment"). Prior to the installation of any such equipment, SFS shall submit plans for such installation to the County for approval, which approval may not be unreasonably withheld. Upon termination of this Agreement, SFS agrees to remove the Telecommunication Equipment and restore the premises to their prior condition. SFS may pass these costs on to parties other than County. The County has paid for the necessary utility lines to the areas designated for radio and TV facilities in the site plan and has had the lines stubbed at the required points. If further improvements are needed, those improvements shall be included in the New Improvements.

15. **OTHER USE OF PREMISES.**

A. SFS shall have sole and exclusive use of the Sports Complex, including the Stadium, from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement (including any options). As long as SFS or its affiliates (including specifically the Club) own or operate or have a player development contract with a Florida State League team or other St. Lucie-based minor league team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Florida State League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. If SFS or its affiliates (including specifically the Club) continue to have or acquire ownership of or the right to operate or have a player development contract with a Gulf Coast League team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Gulf Coast League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. SFS shall have the exclusive use and control of those portions of the Sports Complex used for SFS Events, including without limitation the exclusive right to determine and implement the rules and policies that relate to the admission of patrons to those portions of the Sports Complex used for SFS Events.

B. Subject to the SFS's uses of the Sports Complex as set forth in Section 15(A) above, each year during the Term SFS shall provide the County with a preliminary schedule of its events on or about December 1, and thereafter a definitive schedule of SFS Events and County Events to be held at the Sports Complex (hereinafter, the "Event Schedule") shall be prepared as follows:

(i) First, all dates in the months of February through the beginning of the Florida State League (or other minor league to which a St. Lucie-based baseball team owned by or affiliated with Club belongs) season in April shall be reserved on the Event Schedule exclusively for New York Mets spring training and exhibition season activities;

(ii) Second, all dates for Florida State League home games, workouts and practices, all possible dates for Florida State League post-season or playoff games or other Florida State League events (including without limitation All-Star games and pre-season games), and all dates for New York Mets minor league spring training activities and instructional league play shall be added to the Event Schedule;

(iii) Third, all dates for GCL Mets home games, workouts and practices, and all possible dates for GCL post-season or playoff games or other Gulf Coast League events (including without limitation All-Star games and pre-season games);

(iv) Fourth, all dates for Mets Fantasy Camp games, workouts and practices;

(v) Fifth, after SFS informs County of the dates contemplated in subparagraphs (i), (ii), (iii) and (iv) above, SFS and County shall each be entitled to reserve the use of the Sports Complex on other dates during the year for other SFS Events and County Events, respectively, by providing a "New Event Notice" as described below, with the first to obtain approval of a New Event Notice according to the procedures set forth below in this Section 15 for each such other proposed Event obtaining the right to use the Sports Complex for such Event.

C. Whenever a party desires to add an Event to the Event Schedule pursuant to Section 15(B)(iii), it shall give written notice ("New Event Notice") to the other party of its request to do so as soon as reasonably possible, but in no event later than ten (10) days prior to the date of the proposed Event. Each New Event Notice shall include a description of the proposed Event, including the nature, starting time and estimated duration thereof; the expected attendance thereat; the identity and experience of the promoters and organizers of the proposed Event, and their principals; a description of the financial assurances (e.g., bonds, security deposit) to be provided by the Event promoters or organizers; a description of any special safety, security, cleaning, maintenance, restoration or other services that will be obtained in connection with the proposed Event; and the approximate preparation and clean-up periods for the proposed Event.

The party receiving a New Event Notice shall notify the other party as soon as reasonably possible but in no event more than five days after its receipt of such New Event Notice, whether the receiving party objects to the proposed Event. If no written notice of objection is given within such five-day period, the Event shall be deemed approved. If notice of objection is given within such five-day period, the parties shall cooperate to determine what, if any, modifications to the proposed Event, or further assurances or services in connection therewith or therefore, would cause the objecting party to consent to the proposed Event. When any proposed new Event is approved by the other party (including by a failure to object), the Event shall be added to the Event Schedule.

In the event of any unresolved dispute regarding whether an Event that is the subject of a New Event Notice and an objection should be put on the Event Schedule, SFS and County will submit the dispute to non-binding mediation, and if the parties are unable to resolve the dispute through non-binding mediation, then the dispute shall promptly be resolved pursuant to Section 39 of this Agreement on an expedited basis at the request of either party.

A proposed Event may not be added to the Event Schedule unless the scheduling thereof would be in compliance with each of the following criteria: (i) No more than one Event may be held at the Sports Complex per day without each party's consent, which either party may withhold in its sole and absolute discretion; (ii) Events shall be scheduled so as to allow reasonably sufficient preparation, clean-up and restoration periods between each Event, which shall be subject to the Maintenance Standard; (iii) No County Event may be scheduled to take place between January 16 and January 31 of each year during the term without SFS's consent, which consent may be withheld in its sole and absolute discretion; and (iv) the Event must be a specific planned Event (i.e., neither party may reserve a date on the Event Schedule on the basis that it intends to hold on such date a certain type of Event, as opposed to a specific Event).

In determining whether a party's objection to an Event proposed by the other party is reasonable, consideration shall be given to, among other things, whether the promoted or organizer of the Event: (i) is reasonably capable of producing the Event; (ii) will be providing reasonably adequate financial assurances (e.g., bonds, security deposit) to protect SFS's and County's respective rights hereunder; and (iii) will be providing reasonably adequate safety, security, cleaning, maintenance and restoration services for the Event.

D. Nothing in this Agreement shall prevent the County from using the portions of the property described in Exhibit "B" that are not used for baseball facilities or in connection with SFS's use of such facilities, provided that such uses do not interfere with SFS's use of the Sports Complex or otherwise conflict with SFS's rights under this Agreement (including, without limitation, SFS's exclusive right to operate concessions at the Sports Complex during the Term). The County agrees that during the term of this Agreement, the County shall use or authorize others to use the remaining property described above only for community events, sports and recreational purposes. The County shall be responsible to repair or replace any portion of the facilities which are altered, damaged or otherwise affected by any non-SFS use.

E. Notwithstanding any other provision of this Agreement (except Section 12, solely with respect to Florida State League play) the County agrees that it will not permit any other Major or Minor League baseball club to use the Sports Complex during the term of this Agreement or any extension thereof without SFS's approval in advance in writing in its absolute discretion.

F. Any of the property described in Exhibit "B" that is not being used by the County or SFS may be used by the parties as additional unpaved parking provided that such use does not interfere with SFS's permitted use of the Sports Complex.

G. In the event of a declared federal, state or local emergency, the County may use the Sports Complex as a staging area for disaster preparations, response or other related uses ("Staging Uses"), provided that (i) the County will reimburse SFS for all costs incurred and revenue lost by SFS as a result of the Staging Uses and (ii) the County will use best efforts to minimize interference with SFS's operations at the Sports Complex and will immediately restore any resulting damage to the Stadium caused as a result of the Staging Uses. The parties further agree to cooperate in obtaining any federal or state funds that may be available for this purpose.

16. **PUBLICITY AND PROMOTION.**

A. The County will promote the New York Mets and the Club's St. Lucie-based minor league team(s), as well as the sale of home game tickets for such teams. County shall submit all promotional material to SFS for approval, which approval shall not be unreasonably withheld.

B. **SFS Obligations.**

As additional consideration for the use of the Sports Complex SFS shall provide, or shall cause the Club to provide the County with the advertising services set forth in Exhibit "M" attached hereto during each year of the Term.

17. **ADDITIONAL COVENANTS OF SFS AND COUNTY.**

A. SFS shall use and occupy the premises solely for the purposes specified in this Agreement.

B. SFS shall pay all taxes or assessments on its operation as well as on goods, merchandise, fixtures, appliances, equipment and property owned by it and located in or about the Sports Complex. SFS shall have no obligation to pay any real estate or property taxes under any circumstance.

C. To the extent that SFS desires to acquire and construct facilities at the Sports Complex which are eligible under applicable state and federal laws to be financed through the issuance by the County, solely as a conduit issuer, of either taxable or tax-exempt revenue bonds, which bonds shall not be or constitute a debt or obligation of the County, the County will cooperate with SFS to the end that the County may be a conduit issuer of such bonds and, to the extent applicable, will give SFS priority for private activity volume cap; provided, that all reasonable costs and expenses incurred by the County in connection with the consideration and consummation of such financing, which shall be disclosed in advance and in writing by the County and subject to the approval of SFS, will be borne solely by SFS.

18. **DEFAULT; TERMINATION.**

A. If the property covered herein shall be deserted or vacated for an entire spring training season, unless such absence is due to a labor dispute or other causes beyond SFS's control,

or proceedings are commenced against SFS in any Court under a bankruptcy act or for the appointment of a trustee or receiver of SFS's property either before or after the commencement of the Term, or if there shall be a default in the payment of any monies due hereunder for more than twenty (20) days after written notice of such default to SFS, or if there shall be default in the performance of any other material covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of SFS for more than twenty (20) days after written notice of such default by the County (or if such default is incapable of being cured within twenty (20) days, within such longer period of time as shall be reasonably required for such cure, unless SFS has taken no substantial steps to effect such cure within such period), then at the sole option of the County, this Agreement may be terminated by the County. In addition, the County may terminate this Agreement if (i) the New York Mets shall cease to be a franchise in a major league baseball league, (ii) during any spring training during the Term, Club schedules a majority of New York Mets spring training home games at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder, or (iii) during any Florida State League season, Club schedules a majority of the home games of the Club's Florida State League team at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder. In the event the County terminates this Agreement for the reasons set forth above in this paragraph, the County shall have the right to re-enter or repossess the property during the period of SFS's right to use thereof, either by summary proceedings, surrender or otherwise other than force, and dispossess and remove therefrom SFS, or other occupants thereof, without being liable for any prosecution therefore. Should the County reasonably incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court costs (at the lower court and appellate levels), and County prevails in such legal action, said expenses shall be reimbursed to the County by SFS.

B. SFS shall have the right, at any time and at its sole option, to terminate this Agreement and all of its obligations hereunder upon written notice to County (the "Termination Notice") provided by SFS on or before March 31 of any year during the Term, which notice shall terminate the Agreement effective as of December 31 of that calendar year. In the event of termination pursuant to this provision, as the County's sole remedy against any person relating to such termination of this Agreement County will accept (i) a series of payments for outstanding amounts remaining on Refunding Bonds as set forth in Section 37, and (ii) a series of semi-annual payments tied to the County's schedule of debt service payments in connection with the New Improvement Bonds, which New Debt Service Schedule shall be incorporated into this Agreement as Exhibit "I" hereto upon issuance of the New Improvement Bonds (which includes State Development Funds (as defined below) that will be used by the County to pay the debt service on the New Improvement Bonds). Such payments in connection with the New Improvement Bonds, referred to herein as the "Debt Service Payments," shall be made by SFS to the County on each "Period Ending" date referenced in the first column of Exhibit "I" hereto that follows the effective date of the termination of this Agreement. The amount of the Debt Service Payment due on each such post-termination "Period Ending" date shall be an amount equal to the "Total Debt Service Payment" in the last column of Exhibit "I" hereto corresponding to the "Period Ending" date in question, provided, that in the event it is determined by the County's bond counsel that the

acceptance of such payments by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds that are issued on a tax-exempt basis, SFS shall either (i) pay to the County the amount necessary to offset the change in tax status to the holders of the tax-exempt New Improvement Bonds, which may be retroactive to the date of issuance of the New Improvement Bonds, or (ii) provide funding to the County sufficient to prepay in full said tax-exempt New Improvement Bonds at the earliest permitted call date, plus all interest and principal due and owing through that date of redemption. Upon request, the County will inform SFS whether its bond counsel believes that acceptance of the payments set forth in this section by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds.

The parties agree that these respective amounts constitute reasonable and just compensation for such termination by SFS, and SFS hereby promises to pay to County, and the County hereby agrees to accept, the appropriate payment amount described above as liquidated damages, and not as a penalty, and as its sole and exclusive remedy related to the termination of this Agreement by SFS, and County waives all other rights and remedies in connection therewith.

If the property covered herein shall be deserted or vacated by the County either before or after the commencement of the term of this Agreement, or if there shall be a default in the payment of any monies due hereunder by the County for more than twenty (20) days after written notice of such default to the County, or if there shall be a material default in the performance of any other covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of the County for more than twenty (20) days after written notice of such default by SFS, then at the sole option of SFS, this Agreement may be terminated by SFS. Should SFS incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court cost (at the lower and appellate levels), and SFS prevails in such legal action said expenses shall be borne by the County.

In the event SFS terminates this Agreement, SFS shall immediately vacate the Sports Complex, but reserves the right to seek damages and any or all other remedies caused by any default or breach of this Agreement by County.

19. **DAMAGE OR DESTRUCTION.**

In the event of the damage or destruction of the property described in Exhibit "B" or any of the structures (including the Stadium) or improvements located thereon by fire or other casualty, there shall be an obligation on the part of the County to use the insurance proceeds for the purpose of rebuilding such facilities. The County shall be responsible for providing the funds necessary to rebuild the facilities in the event the proceeds from the insurance referenced in Section 13(B) above are not sufficient to cover the cost of such rebuilding.

County shall complete the reconstruction and repair of the Sports Complex following any such damage or destruction, as soon as reasonably possible, and in any event within two hundred seventy (270) days following the occasion of such damage or destruction. Within thirty (30) days following the occasion of such damage or destruction, County shall provide SFS with County's

architect's and/or engineer's reasonable estimate of the time required for the reconstruction and/or repair of same. In the event that the estimate shall reflect that more than two hundred seventy days shall be required for the repair and/or reconstruction, SFS shall have the right to terminate this Agreement by written notice to County, within thirty (30) days thereafter. Further, if in fact the reconstruction and repair shall not be completed within two hundred seventy (270) days (or such longer time to which SFS may agree), SFS shall have the right to terminate this Agreement by written notice to County within thirty (30) days following the end of such two hundred seventy day (or longer, as the case may be) period.

During the repair and/or reconstruction of the damage or destruction to the Sports Complex, until same shall be completed, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such damage or destruction shall interfere with the use by SFS of the Sports Complex as contemplated hereunder.

20. **EMINENT DOMAIN.**

In the event that any portion of the premises should be taken by the exercise of the right of eminent domain so as to materially affect SFS's operations, SFS may terminate this Agreement as of the date of taking. In the event that SFS does not terminate this Agreement as a result of any taking, following any such taking SFS's obligations and liabilities hereunder shall be proportionately adjusted, on an equitable basis, to the extent that such taking shall damage or otherwise materially adversely affect the use by SFS of the Sports Complex as contemplated herein. All proceeds for such taking shall be paid to the County or SFS as their interests may appear, provided that the foregoing shall not preclude SFS from pursuing a separate award for damages to SFS's furnishings, fixtures and equipment, moving expenses and any other losses relating to SFS's business permitted by law to be recovered, including, without limitation, the loss of SFS's leasehold.

21. **FAMILIARITY WITH BONDS.**

Anything else in this Agreement to the contrary notwithstanding, SFS acknowledges that County is or will be bound to the holders of certain [Bonds] which relate to the Sports Complex. SFS agrees to cooperate reasonably with the County to maintain the tax-exempt status of the bonds, provided, however, that such cooperation shall not entail material modification of the terms and conditions of this Agreement nor cause SFS or any affiliate to incur any cost or expense in connection therewith.

22. **NON-DISCRIMINATION.**

SFS, as a part of the consideration hereof, does hereby covenant and agree that no person on the grounds of race, color, national origin or sex shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination in the use of the facilities excluding uniformed baseball personnel. The terms of this Section shall be binding upon SFS's successors in interest and assigns.

23. **CONFLICT OF INTEREST.**

The County hereby represents and warrants that neither it nor any of its directors, officers, members, partners, officials, representatives, or employees has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance of rendering of the services herein provided. The County further represents and warrants that in the performance of this Agreement no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the County of St. Lucie nor any person whose salary is payable, in whole or part, from the County Treasury, shall participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporations, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this Agreement or in the proceeds thereof.

24. **ASSIGNMENT; SUBLEASES AND LICENSES.**

SFS may assign any or all of its rights and obligations pursuant to this Agreement to any entity that owns and operates the New York Mets franchise, and may assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate (or, if applicable, the Gulf Coast League affiliate) of the New York Mets. Should Club sell its major league baseball franchise during the term of this Agreement, SFS shall make a good faith effort to assign its rights and delegate its duties under this Agreement to the entity that acquires such franchise. Subject to the approval of the County, which approval may not be unreasonably withheld, conditioned or delayed, SFS may assign all of its rights and obligations pursuant to this Agreement to an owner or operator of another Major League Baseball club. Upon SFS's assignment of this Agreement and all of its rights and obligations hereunder, all of SFS's duties and obligations under this Agreement shall terminate and cease to be of any further force or effect as of the effective date of the assignment and the County shall look solely to the assignee for performance of the duties and obligations under this Agreement thereafter. Except as expressly set forth above in this Section, no party may assign its rights or obligations under this Agreement without the written consent of the other party. Notwithstanding the foregoing, SFS shall have the right to enter into subleases and/or licenses with third parties with respect to any of its rights and obligations hereunder with the consent of the County, which consent shall not be unreasonably withheld, except SFS may not, without County's prior consent, sublease or license the use of any portion of the Sports Complex to any Major League Baseball team other than the Club or to any other entity if such sublease or license would cause cost or expense to the County beyond those that County would otherwise incur from SFS's Permitted Uses under this Agreement, provided that the County shall not withhold such consent if SFS and/or the proposed sublessee agrees to pay any such additional costs and expenses.

25. **ENTIRE AGREEMENT.**

This Agreement represents the entire understanding and agreement between the parties with respect to the subject matter hereof, and supersedes all other written or oral negotiations, understandings and representations (if any) made by and between such parties.

26. **AMENDMENTS.**

The provisions of this Agreement may not be amended, supplemented, waived or changed orally, but only in a writing signed by the parties hereto and making specific reference to this Agreement. In addition, this Agreement may not be amended without MLB Approval (as that term is defined in Section 40 of this Agreement).

27. **FURTHER ASSURANCES.**

The parties hereby agree from time to time to reasonably execute and deliver such further and other transfers, assignment and documents and reasonably do all matters and things which may be convenient or necessary to more effectively and completely carry out the terms of this Agreement.

28. **BINDING EFFECT.**

All of the terms and provisions of this Agreement, whether so expressed or not, shall be binding upon, inure to the benefit of, and be enforceable by the parties and their respective legal representatives, successors and permitted assigns.

29. **NOTICES.**

All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing (including facsimile communication but excluding e-mail) and shall be (as elected by the person giving such notice) hand delivered by messenger or courier service (with acknowledgment of receipt), telecommunicated (including by fax), or mailed by registered or certified mail (postage prepaid), return receipt requested, addressed to:

30. **HEADINGS.**

The headings contained in this Agreement are for convenience of reference only, and shall not limit or otherwise affect in any way the meaning or interpretation of this Agreement.

31. **PRONOUNS.**

In this Agreement, the use of any gender shall be deemed to include both genders, and the use of the singular shall include the plural, wherever it appears appropriate from the context.

32. **SURVIVAL.**

No covenants, agreements, representations and warranties made herein or otherwise made in writing by any party pursuant hereto shall survive the termination of this Agreement except as expressly stated herein. In addition to the survival of specific Sections of this Agreement as expressly stated in such Sections, the terms of Sections 9(C), 13, 29 and 36 of this Agreement shall survive the termination of this Agreement.

33. **WAIVERS.**

The failure or delay of any party prior to a period which would constitute laches at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder, and any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any known right, power or remedy under this Agreement. No notice to or demand on any party in any case shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

34. **FORCE MAJEURE.**

Neither party shall be liable to the other for failure to perform its obligations hereunder if and to the extent that such failure to perform results from causes beyond its reasonable control ("Force Majeure Events") including, without limitation, strikes, lockouts, or other industrial disturbances (but excluding Major League Baseball strikes and lockouts); fires; unusual climatic conditions such as hurricanes, floods, tornados and the like; acts of God; or acts of a public enemy, war, police action, terrorism and the like. The party unable to perform as a result of a Force Majeure Event shall promptly notify the other of the beginning and ending of each such period. During the period of any Force Majeure Event, until same shall be concluded, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such Force Majeure Event shall interfere with the use by SFS of the Sports Complex as contemplated hereunder. If any period of a Force Majeure Event prevents SFS from using the Sports Complex in the manner contemplated herein for all or a substantial part of any Major League Baseball Spring Training season or Florida State League season (or, if applicable, a Gulf Coast League season) and SFS does not receive satisfactory assurances from the County that a Force Majeure Event will not prevent SFS's use of the Sports Complex as contemplated in this Agreement for a substantial part of the following Major League Baseball Spring Training season, SFS shall have the right to terminate this Agreement upon sixty (60) days written notice to the County.

35. **GOVERNING LAW.**

This Agreement and all transactions contemplated by this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida, applicable to agreements wholly negotiated, executed and to be performed in that state, without regard to principles of conflicts or choice of laws.

36. **SECTION 288.11631, FLORIDA STATUTES.**

A. Section 288.11631, Florida Statutes is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State") that are funded with State incentive funding. SFS and the County acknowledge that the amount of State incentive funding provided by the State for the Sports Complex is based on the continual use of the Sports Complex by a spring training baseball franchise for the entire length of the Term.

B. The County will submit an application to the Florida Department of Economic Opportunity for Twenty million dollars (\$20,000,000.00) in funding assistance for the New Improvements that are described in the Facilities Use Agreement. In connection with this application and as a condition of any award of funding under Section 288.11631, Florida Statutes, SFS must agree to reimburse the State of Florida for the funds expended by the County for the New improvements that the County received from the State of Florida if the Club relocates before the term of the Facilities Use Agreement expires.

C. SFS covenants and agrees with the County that if the County terminates this Agreement pursuant to its rights under Section 18(A), or if SFS terminates this Agreement pursuant to its rights under Section 18(B) for any reason other than a breach of this Agreement by the County, then SFS shall reimburse the State for the total amount of distributions actually paid from the date of such termination through the final maturity of the New Improvement Bonds (the "State Development Funds"). Repayment to the State shall not discharge SFS from any other obligations set forth in this Facilities Use Agreement.

D. The Parties agree that if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County, SFS will promptly notify the applicable agency of the State of Florida that has been charged with administrative oversight and enforcement of the State Development Funds (the "Agency") of the circumstances for such termination, and SFS will not have any obligation to repay either the County or the State for any State Development Funds in connection with such SFS termination. The County shall hold SFS harmless from any assertion or claim by the State that the State Development Funds shall be repayable to the State by SFS if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County.

E. The State of Florida is a third party beneficiary of this Facilities Use Agreement as to the obligations imposed by Section 36. The State shall have: 1) Standing to seek and complete performance of the obligations in this Section in law or equity and 2) Standing to initiate and/or defend an action at law or equity relating to obligations.

37. **2011 BONDS.**

The County will refund the existing 2011 Improvement Bonds (as defined in Section 5(K) of the Prior FUA) on or around November 1, 2016 (the "Refunding Bonds"). The new Refunding Bonds shall have the same remaining term as the 2011 Improvement Bonds. In addition to the Base Rent payments and Additional Rent payments made by SFS pursuant to Section 6(A), SFS will make additional payments to the County, such payments being equal to the amounts set forth in the last (Total Debt Service Payment) column of Exhibit "J" on the dates indicated in the first (Period Ending) column of Exhibit "J" that follow commencement of the Term of this Agreement, or in the alternative, if SFS elects, such payments being equal to the amounts and on the dates set forth in the debt services schedule for the Refunding Bonds.

38. **AGREEMENT RUNS WITH LAND.**

This Agreement is intended to run with the land and shall be binding upon all of the County's successors and assigns. SFS and County shall enter into a short form Memorandum of this Agreement which shall be recorded in the Public Records of St. Lucie County, Florida. This Agreement is not revocable by County and is not terminable by County except as expressly set forth herein.

39. **DISPUTE RESOLUTION.**

All disputes arising from or related to this Agreement whether the action is brought in contract, tort, statutory claim or any other theory of liability, shall be subject to litigation as the final mode of dispute resolution. Exclusive venue for litigation of any disputes rests exclusively in the Circuit Court for St. Lucie County, Florida. As an express condition precedent to litigation all litigation shall be subject to non-binding mediation to be conducted within ninety (90) days of the dispute arising. The parties shall mutually select a qualified mediator, and failing accord, a mediator shall be appointed by the American Arbitration Association and mediation shall be conducted in accordance with its rules, costs and fees to be split equally by the parties.

40. **SUBSERVICENCE.**

A. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by SFS hereunder shall in all respects be subordinate to the MLB Rules and Regulations and the Minor League Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations or the Minor League Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which County is granted rights is limited to, and nothing herein shall be construed as conferring on County rights in areas outside of, the Spring Training territory of the New York Mets as established and amended from time to time. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.

EXHIBIT E

ARCHITECT'S ADDITIONAL CONTRACT REQUIREMENTS

The Architect's Contract shall, *inter alia*, contain terms and conditions with generally the same substance as the following paragraphs:

Periodically during the construction process, at such times as reasonably determined by SFS and County, the Architect will observe the conduct of construction of the New Improvements and notify County and SFS in writing of observed deficiencies in the Work being performed and deemed completed (including deficiencies which preclude the Work being deemed completed), notify the County and SFS of any item not in strict accordance with the final plans, and otherwise create a punchlist of minor finishing and adjustment in any other items which the Contractor has not finally completed in strict accordance with the final plans. Failure to include an item on the punchlist will not diminish the responsibility of the Contractor to complete the work in accordance with the final plans.

The Architect will perform, and ensure its subconsultants perform, all services in accordance with the professional standard of care governing architects working on projects of the same scale and complexity, in the same geographic market, as the New Improvements.

The Architect will monitor and observe the construction of the Work in order to ensure that the Work is constructed in accordance with the final plans and on schedule. The Architect will, to the extent requested by SFS, conduct regular meetings with SFS and with the County or its designee and other appropriate parties to assist SFS in verifying that all Work is being performed according to the Final Plans and any authorized change orders. The Architect will prepare meeting minutes after such meeting and submit same to the County and SFS, regarding the status of construction, including any material variance from the Final Plans and/or schedule of which Architect is aware.

The Architect's Contract shall also require the Architect to procure a policy or policies of insurance that relate to the Work at least as favorable to SFS and the County as the following (subject to acceptable policy exclusions, conditions and terms such as aggregates and deductibles):

exclusions for damage to work performed by subcontractors such as, or similar to, ISO Exclusion CG 22 94 or Exclusion 22 95.

Exhibit "O"
Procurement of Subcontracts

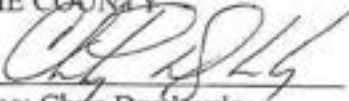

Following execution of this Facilities Use Agreement, County and FUA will cooperatively develop, seeking input from the Architect and Contractor selected per the terms hereof, a competitive and open procurement process for the procurement of all trade contractor work and supplies, which meets the following minimum requirements:

- SFS shall schedule and coordinate an advertised, public outreach meeting to brief the local and minority small business community on the project and opportunities. This outreach can be prior to or coordinated with the public advertisement and pre-submittal conference for the Contractor, and once selected the Contractor shall be required to schedule and coordinate a follow-up public outreach meeting. SFS and Contractor shall use good faith commercially reasonable efforts to foster local and minority business participation and specialty trade apprenticeship opportunities in accordance with the County's Apprenticeship Program (see attached) on the 2016 Improvements.
- Contractor shall establish a prequalification list or plan list of interested parties, so that these subcontractors and suppliers get early notice of all trade packages available for bid or proposal. Prequalification criteria and forms shall be subject to review and approval by SFS and County.
- Advertise for competitive bids or proposals on all trade packages exceeding \$500,000. Packaging of trade work shall be in a manner that fosters participation of local and small business and specialty trade apprenticeship opportunities. SFS and Contractor shall not unreasonably break up related trade package work in order to avoid the competitive procurement threshold.
- Lowest, qualified bidder is the presumptive basis for award unless a best-value approach is justified and approved by County. SFS will tabulate and level all bids for County consideration.
- SFS and Contractor will use good faith commercially reasonable efforts to obtain a minimum of 3 bids or cost proposals on all packages under the \$500,000 competitive procurement threshold. SFS and Contractor capped at direct or limited competition procurements at 5% of GMP.
- All subcontract awards exceeding \$300,000 shall comply with the County's Apprenticeship Program.
- All subcontract awards and contract terms shall be subject to review and approval by SFS, and any above the \$500,000 threshold, shall be subject to review and approval by County.

- SFS and Contractor shall involve and include County's Program Manager in all decisions and meetings regarding the packaging and procurement of all work, including according the Program Manager a reasonable opportunity to review and comment on all packages prepared for bid and all bid tabulation or bid leveling charts, before final award decisions are made.

Apprenticeship Program Requirements:

Contractors shall be required to comply with the County's Apprenticeship Program, as follows:

- A. On County-funded construction projects which exceed \$300,000, twenty percent (20%) of laborers working in a specialty for which there are apprentice programs registered with the County shall be apprentices. Such apprentices shall be students in certified State of Florida Pre-Apprenticeship/Apprenticeship Programs which are located in St. Lucie, Martin, Indian River or Okeechobee Counties and which are registered with the County.
- B. A County-registered apprenticeship program is one which has registered with the County and provided the required documentation, including but not limited to, proof of certification as an apprenticeship program with the State of Florida and proof of having educational facilities physically located in St. Lucie, Martin, Indian River or Okeechobee Counties.
- C. Unless the apprenticeship requirement is waived by the County, the failure of the Contractor to demonstrate compliance with this requirement shall result in the Contractor's bid being deemed nonresponsive.
- D. The apprentice requirement may be waived or modified with the recommendation of the County Administrator, and appeal to the Board of County Commissioners:
 1. Upon request of the contractor, if the contractor can demonstrate that the required apprentices are not available despite a good faith effort on the contractor's part; or
 2. Upon request of the contractor, if the contractor demonstrates that the available apprentices are not sufficient to meet the required 20% and the contractor commits to utilizing a specific percentage of apprentices who are available; or
 3. If the County determines it is in the best interest of the County to waive such requirement based on potential savings of money and time or grant requirements.
- E. The agreed upon percentage and type of apprentices will be included as a requirement of the construction contract. Failure to meet the terms of the apprenticeship requirements may result in the contractor being found in breach of the contract and subject to possible monetary sanctions.

**ST. LUCIE COUNTY SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDED AND RESTATED AGREEMENT (the "Agreement"), made and entered into in triplicate as of January 24, 2017 (the "Effective Date"), by and between **ST. LUCIE COUNTY**, a political subdivision of the State of Florida ("County"), and **STERLING FACILITY SERVICES, L.L.C.**, a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, County owns the real property legally described on Exhibit "A" hereto (the "Land"), and all of the fields and improvements located thereon, including, without limitation, the lighted major league baseball stadium presently known as "Tradition Field" (the "Stadium"), and certain major and minor league training facilities, locker rooms, practice facilities, and related improvements (with the Land, Stadium and all fields and improvements hereinafter collectively referred to as the "Sports Complex"), as the Sports Complex is depicted on the site plan ("Site Plan") set forth in Exhibit "B" hereto.

WHEREAS, SFS desires to use, and County desires to permit SFS to use, the Stadium and the other facilities at the Sports Complex for the Term (as defined below) in accordance with the provisions hereinafter contained;

WHEREAS, throughout the Term, SFS shall cause the Sterling Mets, L.P. ("Club"), which owns and operates the franchises for the New York Mets major league baseball team and the St. Lucie Mets minor league baseball team to use the Sports Complex to conduct the following: (i) New York Mets Spring Training games; and (ii) during such time as Club owns or is party to a Player Development Contract with a Florida State League franchise, the home games of such franchise. The foregoing is subject to MLB Rules and Regulations, Minor League Rules and Regulations, and any changes by MLB, Minor League Baseball or the Florida State League;

WHEREAS, County and SFS entered into that certain Facilities Use Agreement dated as of November 15, 2016, (as amended, the "Original FUA");

WHEREAS, County and SFS desire to amend and restate the Original FUA by entering into this Agreement; and

WHEREAS, this Agreement shall amend, restate and supersede in its entirety the Original FUA, subject to the terms and provisions contained herein;

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, **IT IS AGREED AS FOLLOWS:**

1. **SITE: ADDITIONAL CAPITAL IMPROVEMENTS.**

The County warrants and represents that it owns the Land, Stadium, and the remainder of the Sports Complex including, without limitation, the fields and improvements thereon.

The parties further acknowledge and agree that, subject to the terms set forth herein and in the exhibits hereto, County shall permit SFS to construct additional capital improvements to the Sports Complex property during the Term, in accordance with the schedule, scope, specifications, designs and plans which shall be determined in accordance with the terms of Section 10. Upon the Completion (as such term is hereinafter defined) of the New Improvements (as defined below) the term "Sports Complex," as used herein, shall be deemed to include the New Improvements.

2. **SFS USE OF FACILITIES: TERM: TERMINATION OF PRIOR FUA.**

A. **Term:** SFS agrees to use the Sports Complex for a period commencing on the Effective Date and ending on December 31, 2042 (or such earlier date upon which this Agreement is terminated as provided herein) (the "Term"), subject to the terms and conditions hereof, for the following purposes (the "Permitted Uses"):

(i) SFS may use and permit the Club to use, and the County shall permit SFS and the Club to use, the Sports Complex during the Term of this Agreement for the following, subject to the priorities of use as set forth in Section 15 of this Agreement:

- Fantasy and Youth Baseball Camps
- New York Mets Spring Training (February - April)
- New York Mets Exhibition Season (March - April)
- Florida State League or any successor league (April - September)
 - Gulf Coast League or any successor league (June - August) (if applicable)
- Minor League Spring Training (April - June)
- Instructional League Play (September - November)
- Training and/or rehabilitation for baseball players, or (in the retail space currently subleased to Barwis Methods Training Center of Port St. Lucie, LLC) any athletes

To the extent that any use of the Sports Complex for the purposes set forth above in this Section 2(i) (not including fantasy and youth camps) involves professional baseball teams and players who are not affiliated with the Club (or with a major league baseball club affiliated with an assignee of SFS), then SFS (or, if applicable, SFS's assignee) will reimburse the County for its incremental costs arising directly from such use. County consents to SFS continuing to sublease retail space at the Sports Complex to Barwis Methods Training Center of Port St. Lucie, LLC or its affiliates for usage similar to that

occurring at the present time. SFS agrees that separate utility meters for the Barwis Center shall be installed as part of the New Improvements.

(ii) SFS, the Club and County shall each have exclusive use of certain office facilities at the Sports Complex as identified in Exhibit "K," on a year-round basis.

(iii) The staging, by or with the permission of SFS, of other baseball and non-baseball oriented events at the Sports Complex, including, without limitation, concerts, shows, conventions and political, religious and community events, subject to the scheduling provisions of Section 15 of this Agreement, except that SFS shall be permitted to conduct promotional events and other activities on the dates of baseball games played at the Sports Complex in SFS's sole discretion.

- Events.
- (iv) The radio, television, internet and other broadcast or transmission of SFS
 - (v) All uses set forth below in Sections 6, 7, 8, 12 and 15 of this Agreement.
 - (vi) Any such other uses as shall be reasonably consistent with the foregoing.

All New York Mets and St. Lucie Mets (and, if any, GCL Mets (as defined below in Section 12)) activities at the Sports Complex during the Term of this Agreement, as well as all baseball games and other events staged at the Sports Complex by or under the sponsorship, control or authorization of SFS, are referred herein as "SFS Events." All events conducted or authorized by the County at the Sports Complex during the term of this Agreement (excluding all SFS Events) are referred to herein as "County Events."

B. As of the Commencement Date, the St. Lucie Sports Complex Facilities Use Agreement entered into as of August 1, 2003, as amended (the "Prior FUA"), shall terminate and be of no further force or effect and all obligations and rights thereunder shall be deemed superseded by the terms and condition of this Agreement. County hereby acknowledges that no payment is due from SFS pursuant to Section 19 of the Prior FUA.

3. MAINTENANCE.

A. County will, at its expense, at all times keep and maintain the Sports Complex (excluding the Player Academy Spaces (as defined below) and the Barwis Training Center) in good and clean order and repair suitable for a first-class major and minor league training, exhibition and playing complex, including without limitation maintaining the playing fields in a first-class condition appropriate for a Major League Baseball team, and in any event of a quality not less than the highest level of practiced professional baseball standards (the "Maintenance Standard") and in accordance with the specifications set forth in Exhibit "L" hereto. "Maintenance" shall mean the provision of all labor and materials that are required to (a) keep the Sports Complex in first-class good order and repair, and (b) keep the Sports Complex free of

debris. Maintenance shall include, without limitation, (i) performing all preventative or routine maintenance that is stipulated in operating manuals for equipment as regular, periodic maintenance procedures; (ii) regular maintenance procedures for the HVAC system, including periodic cleaning, lubricating and changing air filters; (iii) groundskeeping and maintenance of the athletic fields, including without limitation, seeding, mowing, watering and raking of the grassy areas and full maintenance of the balance of the playing fields, preparation of the fields at the start of each season and for practice sessions and games, maintenance, repair and replacement and painting of grandstands, fences, batter's background walls and other related items; (iv) changing of standard, isolated light bulbs, fuses and circuit breakers as they burn out; (v) cleaning all portions of the Sports Complex immediately after each SFS Event and County Event; (vi) all repairs other than Capital Repair Work (as defined in Section 4), (vii) repair and rehabilitation of parking areas; and (viii) touch-up painting. County shall employ a sufficient number personnel to maintain the Sports Complex (excluding the Player Academy Spaces and the Barwis Center) properly for use and play until the end of SFS's seasonal use of the facilities as delineated in Section 2. The County and SFS shall consult annually as to a reasonable program of management, operation, and maintenance of the facilities to be carried out during the coming year, and County shall be responsible for implementation of such a reasonable program at its expense.

B. SFS Maintenance Responsibility. At all times during the Term, SFS shall be responsible for performing all Maintenance of the Player Academy Spaces at the Sports Complex and (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC and paying all costs and expenses related thereto including payment of the cost of utilities, except to the extent such Maintenance is required due to the actions of the County or its contractors. SFS shall be solely responsible for any maintenance, restoration or repair related to damage occurring to the Sports Complex as a result of the negligent acts or willful misconduct of SFS or Club, its officers, agents and employees. SFS also shall be solely responsible for repair of any damage to the playing fields, structures, or other facilities that occur during non-baseball SFS Events.

C. In connection with the performance of the Maintenance, SFS shall have the right to cause the County to use products and/or services of its corporate sponsors if such products and/or services are reasonably comparable in price and quality to other alternatives available to the County; provided, however, that the County shall not be obligated to purchase such products and/or services if it would require the County to be in violation of any pre-existing written agreement with any third party or applicable law, including, without limitation, the County's obligations with respect to competitive bidding.

D. The County shall have no obligation to perform or pay for any Maintenance with respect to the Player Academy Spaces or (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC, except to the extent such Maintenance is required due to the negligence or willful misconduct of the County, its agents or employees.

4. **CAPITAL REPAIRS.**

A. All Capital Repair Work required during the Term shall be performed by the County and all costs and expenses related to the Capital Repair Work shall be the sole responsibility of the County and shall not be deducted from nor otherwise credited against the Additional Improvements Fund. "Capital Repair Work" shall mean (a) all capital modifications, replacements or additions to the Sports Complex that are reasonably necessary to keep the facilities and amenities of the Sports Complex in good repair and sound condition; and (b) repairs and replacements that are reasonably necessary to maintain the roof, foundation, HVAC and MEP systems and structural integrity of the Sports Complex, and preserve its usefulness for the purposes for which it is being used hereunder.

B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for mutually agreed upon Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund each year and SFS shall pay the County \$75,000 on March 1 during each year of the Term, which amount the County shall deposit to the Capital Repairs Fund. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work.

5. **ADDITIONAL IMPROVEMENTS.**

A. The County shall establish an interest bearing account, in the name of the County, designated as the "Additional Improvements Fund," for mutually agreed upon Additional Improvements (as defined below) to benefit the Sports Complex during the Term, and all interest thereon shall be added to the Additional Improvements Fund. The County shall contribute funds to the Additional Improvement Fund in accordance with the schedule of contributions set forth in the attached Exhibit "C" (it being understood that County shall have up to six (6) months to cure any failure to make a payment in accordance with the schedule).

B. During the Term County shall fund, to the extent funds are available in the Additional Improvements Fund, certain additional improvements to the Sports Complex proposed by SFS and approved by the County, such approval not to be unreasonably withheld (the "Additional Improvements"). The Additional Improvements to be constructed and the schedule for the construction of the Additional Improvements shall be determined so as to provide material benefit to SFS to be enjoyed by SFS during the Term. SFS shall have the right to request that the County provide monies from the Additional Improvements Fund and the County will promptly honor such requests and deliver such funds to SFS or such other person or entity according to instructions from SFS for use as contemplated under this Agreement.

6. **CONSIDERATION - PAYMENT.**

A. For purposes of this Section 6.A "Year 1" means the 2017 calendar year, "Year 2" means the 2018 calendar year and so on through "Year 25" which is the 2042 calendar year. For each year of the Term starting in 2017, SFS will make a base rent payment to the County (the

"Base Rent") in an amount equal to 50% of Stadium Revenue from the New York Mets Spring Training games and the Florida State League franchise's games played at the Stadium (collectively, "Games"), provided that the Base Rent payment shall not exceed \$2,000,000 during each of Year 1 through Year 10, \$2,100,000 during each of Year 11 through Year 20, and \$2,250,000 during each of Year 21 through Year 25. The limit placed on the Base Rent payment each year of the Term shall be referred to herein as the "Base Rent Cap." In addition to the Base Rent, beginning in the year that immediately follows the year in which SFS makes its final payment to the County pursuant to Section 37 below and each year thereafter during the Term, if Stadium Revenue exceeds \$5,500,000 in such year, SFS shall make an additional rent payment to the County (the "Additional Rent") in an amount equal to the County percentage multiplied by the corresponding incremental amount of Stadium Revenue in excess of \$5,500,000 as set forth in the chart below (subject to reduction to the extent necessary to recoup Shortfall Payments as addressed below in this Section).

Stadium Revenue	SFS Percentage	County Percentage
Between \$5,500,001 and \$6,500,000	90%	10%
Between \$6,500,001 and \$7,500,000	75%	25%
More than \$7,500,001	50%	50%

For example, if Stadium Revenue in a year in which Additional Rent is due (a) is \$5,500,000 or less, SFS shall not make any Additional Rent payment; (b) is \$6,000,000, SFS will make an Additional Rent payment equal to \$50,000 (i.e., 10% of the \$500,000 between \$5,500,001 and \$6,000,000); (c) is \$7,000,000, SFS will make an Additional Rent payment equal to \$225,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000 plus 25% of the \$500,000 between \$6,500,001 and \$7,000,000); or (d) is \$8,000,000, SFS will make an Additional Rent payment equal to \$600,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000, plus 25% of the \$1,000,000 between \$6,500,001 and \$7,500,000, plus 50% of the \$500,000 between \$7,500,001 and \$8,000,000)

For any year of the Term starting in 2017 in which Base Rent is less than \$2,000,000 SFS shall make a payment to the County (the "Shortfall Payment") from (but not more than) SFS's 50% share of Stadium Revenues, such payment being equal to the amount by which \$2,000,000 exceeds the Base Rent. SFS shall have the right to recoup all Shortfall Payments from Additional Rent payable to the County in subsequent years. In addition, the Base Rent Cap during each of Year 11 through Year 25 shall be reduced by the cumulative amount of Shortfall Payments that remain un-recouped at the time the Base Rent is due that year, provided that in no event shall the Base Rent Cap be less than \$2,000,000 in any year. To the extent Base Rent to the County is decreased because of the reduction in the Base Rent Cap in accordance with the previous sentence, the amount not paid to the County as a result of that reduction will be considered a recouped Shortfall Payment. (For example, if SFS makes its first Shortfall Payment to the County in Year 10 in the amount of \$125,000, then the Base Rent Cap in Year 11 will be reduced from \$2,100,000 to \$2,000,000, and if the Base Rent in Year 11 would have been \$2,100,000 had the Base Rent

Cap not been reduced, then (x) in Year 11 SFS would pay Base Rent to the County of \$2,000,000, (y) SFS will have recouped \$100,000 of its Shortfall Payment from Year 10, and (z) \$25,000 of SFS's Shortfall Payment from Year 10 will remain to be recouped from Additional Rent or future Base Rent Cap reductions. To the extent that Shortfall Payments made by SFS are not fully recouped by the date this Agreement terminates or expires, the County will pay SFS an amount equal to the cumulative total of all un-recouped Shortfall Payments from Tourist Tax Revenues collected by the County after termination or expiration of this Agreement until all Shortfall Payments are repaid to SFS.

Definitions:

"**Stadium Revenue**" means (i) SFS's adjusted gross ticket receipts from Games, plus (ii) SFS's gross sales receipts from food and beverage concession sales at Games, plus (iii) SFS's gross sales receipts from souvenir, novelty and game program sales at Games, plus (iv) the net profits (defined below) from parking at Games.

"**Adjusted gross ticket receipts**" means all revenues actually received by SFS from ticket sales for Games, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. County will not levy any tax on the sale of tickets except as required by law.

"**Gross sales receipts**" means revenues received from food and beverage concession sales or souvenir and novelty sales at Games, as the case may be, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. County will not levy any tax on the sale of concessions, souvenirs or novelties except as required by law. In the event SFS elects to contract with an unaffiliated private firm to operate all food and beverage concessions and/or souvenir and novelty sales, then, in lieu of including all revenues received from food and beverage concession sales and souvenir and novelty sales at Games in gross sales receipts, SFS shall include in gross sales receipts only such portion of food and beverage concession revenues and souvenir and novelty revenues received by SFS from the contractor. Moreover, SFS's selection of an unaffiliated private firm to operate all food and beverage concessions or souvenir and novelty sales at the Sports Complex shall be subject to the approval of the County, which approval shall not be unreasonably withheld.

"**Net profits**" will be ascertained by reducing the revenues actually received by SFS from the sale of parking privileges for Games by reasonable labor costs incurred in operating the parking facilities on Games days and other reasonable expenses related to parking (e.g., cost of printing parking tickets and providing signage and flash lights).

B. **Advertising.** Subject to the terms of Section 7(C) hereof with respect to Naming Rights, County grants to SFS the exclusive right to display or permit others to display advertising material at all locations in the Sports Complex at all times during the Term (including, without limitation, advertising in game or other SFS Event programs), and the exclusive right to grant event sponsorship and promotional rights at the Sports Complex during SFS Events, as well as the

right to assign all or any portion of such rights to any third party including specifically to the Club. SFS shall have the right to display such advertising signs at all events held at the Sports Complex, including, without limitation, County Events. The County shall not be entitled to receive any of the revenues generated by SFS or its assignees through the sale of such advertising, sponsorships and promotions. SFS or its assignee shall retain one hundred percent (100%) of all revenues from advertising at the Sports Complex during the Term and from all sponsorships and promotions during SFS Events, and SFS shall have control over the type and content of all such advertising, sponsorships and promotions. County shall have the right to review and approve all such proposed advertising, provided that County shall have no right to object to any advertising except to the extent that such advertising is indecent or incompatible with the character and dignity of the Sports Complex; any proposed advertising shall be conclusively deemed neither indecent nor incompatible if it is comparable to advertising at any other Major League spring training or minor league baseball facility within the State of Florida. County may not sell or display signage at the Sports Complex without the prior written consent of SFS, in SFS's sole discretion, except that the County may display at the Sports Complex signage that is comprised solely of the insignia or logos of the County or that is required by public safety considerations or by local, state or federal regulations subject to the approval of SFS, which approval shall not be unreasonably withheld.

C. **Parking.** SFS reserves the right to charge reasonable fees for parking areas adjacent to the Stadium for persons attending SFS Events. SFS shall have the right to make parking spaces available at all times and without charge to authorized representatives, designees or personnel designated by SFS. County and SFS shall cooperate and develop a visitors pass procedure that will allow free parking to authorized representatives and guests of the County and SFS.

SFS shall include the net profits from parking at Games in Stadium Revenue as set forth above. For all SFS Events other than Games, SFS shall retain one hundred percent (100%) of all parking receipts. For County Events at the Sports Complex, County shall operate all parking at its sole expense and shall retain all proceeds.

D. **Intentionally Omitted.**

E. **Rent for Use of Stadium.** The rental payment by SFS for use of the Stadium shall be the payments from SFS to County as provided above in Section 6.A. Except as otherwise specifically provided in this Agreement, only one payment shall be made each year of the net amount due from SFS to County, which annual payment shall be made prior to the commencement of the following Major League Spring Training season. County and SFS agree that such amounts paid by SFS to County shall be deemed to be the rent payment for the use and occupancy of real property pursuant to Section 212.031, Florida Statutes. In addition to the requirements of Paragraph 9(C), SFS shall provide the County with an annual accounting of revenues and expenses in sufficient detail for audit purposes at the same time the annual payment is made.

F. **County Revenues.** SFS shall pay to County thirty-three percent (33%) of SFS's gross sales receipts from food and beverage concession sales at all County Events, with SFS

retaining the other sixty-seven percent (67%). As used in this Section 6(F), "gross sales receipts" means revenues received from food and beverage concession sales, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. However, County shall not levy any tax on the sale of concessions except as may be required by state law. For all County Events, County shall retain one hundred percent (100%) of the adjusted gross ticket receipts but shall reimburse SFS for all pre-approved out-of-pocket expenses incurred by SFS in connection with each such event. As used in this Section 6(F), the term "adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for County Events at the Sports Complex, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. However, County shall not levy any tax on sale of tickets except as required or authorized by state law.

G. Parking Revenues from Adjacent Businesses. Subject to the approval of SFS, which approval shall not be unreasonably withheld, the County shall have the right to allow local businesses with offices adjacent to the Stadium ("Adjacent Businesses") to utilize the Stadium parking area depicted on Exhibit "N" hereto (the "Business Parking Area") on a nonexclusive basis provided that the use of the Business Parking Area by local businesses shall not conflict with use of the Business Parking Area by SFS or the County for SFS Events or County Events. The parties agree that the first \$100,000 in total revenues received during the Term from the use of the Business Parking Area by the Adjacent Businesses shall be retained by the County to reimburse the County for the actual cost incurred by the County to construct improvements to the Business Parking Area, and thereafter, the County shall deposit all revenues received from use of the Business Parking Area by the Adjacent Businesses into the Capital Repairs Fund. The County shall be responsible for all damage and expenses resulting from use of the Business Parking Area by Adjacent Businesses.

7. TELEVISION - RADIO REVENUE: LUXURY SUITE REVENUE: NAMING RIGHTS.

A. Television - Radio Revenue.

It is expressly acknowledged and agreed by and between the parties, that the County shall receive no revenues from the radio or television broadcast or other transmission (including, without limitation, over cable or the Internet) of or relating to any SFS Events, nor shall the County participate, in any manner, in determining when said SFS Events shall be broadcast or otherwise transmitted. SFS has the exclusive right to sell television and radio broadcasting and other transmission rights for SFS Events and to permit others to sell such television and broadcasting and other transmission rights, and SFS or such other authorized party shall retain all revenues resulting therefrom.

B. Suite Revenue.

SFS shall manage and control the rental of any luxury suites at the Stadium, including without limitation any luxury suites constructed as part of the New Improvements, for

all events at the Sports Complex during the Term. County and SFS shall each be entitled to use and authorize others to use one luxury suite for all events during the Term, without charge to County or SFS for their occupancy of the respective suites. All other luxury suites are to be rented on a yearly basis, and SFS shall retain one hundred (100%) percent of adjusted gross revenue from the rental of luxury suites. The lessee of any luxury suite will receive admission tickets to the luxury suite for all New York Mets spring training games and all St. Lucie Mets games at no additional charge. The lessee of any luxury suite will also have the right to purchase admission tickets to the luxury suite for any other event held at the Stadium during the year, and if such tickets are purchased: (i) for all SFS Events other than New York Mets spring training games and St. Lucie Mets games, SFS shall retain one hundred (100%) percent of the adjusted gross revenue from the sale of such admission tickets; and (ii) for all County Events, SFS shall retain ten (10%) percent of the adjusted gross revenue from the sale of such admission tickets and shall pay to the County the remaining ninety (90%) percent. As used in this Section 7(B), the term "adjusted gross revenue" means all revenues actually received by SFS from the rental of luxury suites that is attributable to the particular event at issue, and all revenues actually received by SFS from the sale of tickets granting admission to the luxury suites for the event, less any and all taxes and tax surcharges or fees due to any governmental or taxing authority related thereto. Revenues from food and beverage sales in luxury suites will be included in gross sales receipts as set forth in Section 6(A) above.

C. Naming Rights.

SFS or its designee shall have the sole and exclusive right to designate the name of the Sports Complex and/or its constituent parts and to grant one or more third parties (i) the right to include such party's name, product name and/or logo and/or corporate identifiers in the name of the Sports Complex and/or its constituent parts, (ii) the right to have such name and/or logo and/or corporate identifiers prominently displayed on the interior and the exterior of, and on and around the entrances to the Sports Complex and/or its constituent parts, and on the Sports Complex apron, as part of the name of the Sports Complex, and (iii) such other nonexclusive rights which are customarily included in the grant of the rights in clause (i) and (ii) above (such rights are hereinafter referred to as the "Naming Rights"), and provided that such name and/or logo and/or corporate identifiers shall not be obscene nor shall it be unlawful to use the same. For avoidance of doubt, SFS retains all revenues with respect to Naming Rights.

For so long as both this Agreement and the agreement granting Naming Rights remain in effect, the Stadium and the Sports Complex shall be referred to by the name(s) selected pursuant to this Section 7(C), and neither party shall advertise or refer to the Stadium or the Sports Complex by any other name. The Stadium and the Sports Complex names selected pursuant to this Section 7(C) shall be used by the parties when referring to the Stadium and the Sports Complex in any of their correspondence, press releases, promotional materials, advertisements and/or publications, and shall be used by County on all related directional traffic and pedestrian signs on highways, local streets, and all public thoroughfares in and around the Sports Complex and St. Lucie County, Florida. Notwithstanding the above, the parties agree that the County's logo shall

be permanently displayed at locations in the Stadium and Sports Complex as mutually agreed upon by the parties.

County shall retain the right to market for sale to a third party the right to include such party's name, product name and/or logo in the official name of the football/soccer field across from the Sports Complex (the "Football/Soccer Naming Rights"). Any agreement with respect to the Football/Soccer Naming Rights shall be subject to the approval of SFS, which approval shall not be unreasonably withheld, provided that the withholding of approval shall be conclusively deemed reasonable if the proposed agreement is with a competitor of any entity that has an advertising or naming rights agreement with SFS or Club at any facility.

D. Other Revenues.

Except as otherwise expressly stated and specified in this Agreement, SFS shall be entitled to retain all revenues related to the Sports Complex.

E. Recognition of Contributions of Thomas J. White, Sr.

Wholly separate from any naming rights for the Sports Complex or the Stadium, County and SFS agree to continue to recognize the contributions of Thomas J. White, Sr. in a manner similar to how such contributions are currently recognized at the Sports Complex and Stadium.

8. TICKET SALES; PROGRAM SALES, CONCESSIONS AND PARKING.

SFS has the exclusive right to operate ticket sales, program sales, and parking lots in connection with SFS Events during the Term of this Agreement, and has the right and discretion to contract with or authorize one or more other persons or entities to operate ticket sales, parking and/or game program sales at the Sports Complex at or in connection with SFS Events.

SFS has the exclusive right and discretion to sell and authorize others to operate concessions for the sale of food and beverages (including, without limitation, catering, hospitality and picnic services), novelties, souvenirs and paraphernalia at the Sports Complex during the Term of this Agreement. The County reserves the right to schedule special events in the parking lot during non-baseball scheduled events at which concessions will be sold; SFS will operate concessions at such special events in accordance with its exclusive right to operate concessions at the Sports Complex during the Term, and will cooperate with the County with respect to the providing of concessions to community and charitable groups at such special events. During the Term of this Agreement, SFS shall provide good quality concession services to the public. SFS will use commercially reasonable efforts to restrict patrons from bringing any food, beverages (including alcoholic beverages) or beverage containers into the Sports Complex. Prior to the start of each season, SFS will provide the County with notice of the pricing for tickets, programs, concessions and parking.

No new coin or currency operated vending machines shall be installed or located within the Sports Complex by SFS without the written permission of the County's Parks and Recreation Director, which permission shall not be unreasonably withheld. Except as otherwise permitted under this Agreement, SFS will not install permanent fixtures or construct permanent improvements at the Sports Complex without the County's prior consent, which consent shall not be unreasonably withheld.

9. **BOOKS, RECORDS AND AUDIT.**

SFS and County agree to keep accurate books and records in accordance with generally accepted accounting practices of their respective operations at the Sports Complex. SFS agrees to submit to the County, on a quarterly basis, a report containing accurate attendance information in a form agreed to by all parties. In addition, the parties agree as follows:

A. SFS shall submit daily sales (ticket, parking, program and concessions) reports within thirty (30) days following the last Game of Spring Training and thirty (30) days following the last Game of the Florida State League season.

B. All related books and records regarding ticket, parking, program and concession sales shall be jointly available to the County for suitable annual audit at a time mutually agreed to by the parties. Any audits must be performed within twelve (12) months after the end of each year of operation (January 1 - December 31). SFS shall have the same right to audit the books and records of any County operation under this Agreement, and shall have the right to review the County budget and related documents at any time upon reasonable notice.

10. **NEW IMPROVEMENTS.**

A. **NEW IMPROVEMENTS - BUDGET.**

The County intends to issue bonds, the ("New Improvement Bonds") which will be used to finance certain improvements to the Sports Complex described on Exhibit "D" hereto (the "New Improvements"). If the County does not issue the New Improvement Bonds and fully fund the New Improvements Budget (as defined below) by April 1, 2017 SFS shall have the right to nullify and void this Agreement, by providing written notice to the County, provided that the County shall have seven (7) days following its receipt of such notice from SFS to issue the New Improvement Bonds, and if the New Improvement Bonds are issued by the end of such seven (7) day period then the written notice provided shall be ineffective. If this Agreement is nullified and voided as set forth in the immediately preceding sentence, the parties agree that the Prior FUA shall be reinstated and the terms and conditions of the Prior FUA shall govern the rights and obligations of SFS and the County. The County will designate SFS as the agent of County for the purpose of coordinating the New Improvements, with the scope of the New Improvements to be determined by SFS and approved by County, and the County will provide cooperation appropriate for the design and construction of the New Improvements. The parties agree that the New Improvements will include, without limitation, Stadium upgrades, a new entrance, walk way

connector around the outfield, one new field and other field enhancements, Mets player academy facilities consisting of dormitories, a cafeteria and an auditorium (the "Player Academy Spaces") (which shall only be used by Mets personnel and shall not be available for use by the general public), little league/softball complex, new major and minor league clubhouses, offices and locker rooms, and other improvements as may be determined and approved by SFS and County. The County shall provide \$55,000,000 of funding (the "New Improvements Budget") for the design and construction of the New Improvements.

Nothing in this Agreement shall obligate the County to provide funding for the New Improvements in excess of the New Improvements Budget. SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage. The New Improvements Budget shall be used to fund the New Improvements only and for no other purpose (except as provided herein). County will contract to have an economic impact statement prepared, addressing the impact from Major and Minor League Baseball at the Sports Complex and the Improvements, it being understood that the cost of such statement shall be paid by the County and shall not be included in the New Improvements Budget.

Upon execution of this Agreement County will provide SFS with a fund in the amount of \$500,000 (the "Fund") to pay for costs incurred in connection with the New Improvements prior to the County's issuance of the New Improvement Bonds. To the extent that the Fund is expended prior to the County's issuance of the New Improvement Bonds, the County will replenish the Fund with amounts sufficient to cover the additional costs expected to be incurred in connection with the New Improvements prior to the County's issuance of the New Improvement Bonds. All amounts provided by the County to SFS in the Fund shall be reimbursed to County upon issuance of the New Improvement Bonds.

B. NEW IMPROVEMENTS - PLANS.

1. County, for the benefit of SFS and County, shall competitively procure an architect reasonably satisfactory to both parties (the "Architect" referred to in this Section 10) in accordance with Florida Law and County Procurement Policy. The Architect shall be responsible for, *inter alia*, (1) developing a conceptual plan and general specifications (the "Conceptual Plans" referred to in this Section 10) for the New Improvements; (2) developing preliminary plans and specifications for the New Improvements; (3) preparing working drawings and requests for bids; (4) obtaining all permits, other than building permits, needed to construct the New Improvements; (5) assisting SFS in evaluating the qualifications of potential contractors; (6) providing contract administration; and (7) performing construction inspections as needed to provide certified as-built drawings after the New Improvements are constructed (the "Architect's Work" referred to in this Section 10). SFS shall enter into a contract (the "Architect's Contract" referred to in this Section 10) with the selected Architect with terms that are fair, competitive and reasonable as required by

Section 287.055 (5) and (6) of the Florida Statutes, and which shall, *inter alia*, contain the terms and conditions set forth in Exhibit "E" hereto. The County shall be named as a third party beneficiary in the Architect's Contract. The County shall, upon request, enter into a joinder to the Architect's Contract substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc. Without limiting the foregoing, the Architect's Contract shall require the Architect to procure policies of insurance that relate to the Architect's Work, with terms, limits, coverages and specifications at least as favorable for SFS as those reflected in Exhibit "E", and SFS and the County shall be designated as Named Insureds on all applicable policies. The Contract should also provide that Architect will not receive payment for any portion of the Architect's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(b) below. SFS shall have the right to refuse to enter into any Architect's Contract with terms that are not fair, competitive and reasonable as required by Section 257.055 (5) and (6) of the Florida Statutes. County, through its Board of County Commissioners, shall have final approval rights to the negotiated Contract limited to whether the Contract terms are fair, competitive and reasonable. County agrees that the Architect shall not be considered an agent of SFS for any purpose and that the Architect shall be solely responsible for the Architect's Work, and that the County will look solely to the Architect and its carriers, and in no event to SFS, with respect to the performance of the Architect's Work and any damages or losses which may arise from or out of any acts or omissions of the Architect except to the extent caused by any negligent acts or omissions of SFS or its agents or representatives.

2. Contemporaneous with procurement of the Architect, the County shall, through currently pending RFQ No. 16-049, competitively procure a consultant to provide Program Manager Consulting Services on its behalf, serving as the point of contact of the County for all project development interaction involving SFS, Architect and Contractor.

3. SFS shall cause Architect to furnish to County the Conceptual Plans for the New Improvements. County, through its Board of County Commissioners, shall have a period of twenty (20) days from delivery of the Conceptual Plans within which to review and to disapprove of the Conceptual Plans, in writing. County shall have no right to disapprove of the Conceptual Plans except to the extent that the improvements described therein are materially inconsistent with the description of the New Improvements set forth on Exhibit "D" hereto or to the extent the Conceptual Plans reflect estimated costs in excess of the New Improvements Budget. Subject to the foregoing, County shall not unreasonably withhold its consent to any Conceptual Plans. If County disapproves of the Conceptual Plans, County shall express the grounds for its disapproval in reasonable detail. If County shall not disapprove within such twenty (20) day period, the Conceptual Plans shall be deemed approved.

4. As soon as is reasonably practicable following the approval of the Conceptual Plans, SFS shall cause Architect to prepare and deliver to County and SFS preliminary plans and specifications for the New Improvements in accordance with the approved Conceptual Plans (the "Preliminary Plans" referred to in this Section 10). County, through its Board of County

Commissioners, and SFS shall have a period of twenty (20) days within which to review and to approve or disapprove of the Preliminary Plans in writing. County shall have no right to disapprove of the Preliminary Plans except to the extent the Preliminary Plans are materially inconsistent with the Conceptual Plans. If County or SFS disapprove of the Preliminary Plans, it or they shall express the grounds for its disapproval in reasonable detail. If County or SFS shall not respond with disapproval within such twenty (20) day period, the Preliminary Plans shall be deemed approved.

5. As soon as is reasonably practicable following the approval of the Preliminary Plans, SFS shall cause the Architect to prepare working drawings for the New Improvements (or such of the New Improvements as shall be designated by SFS), in accordance with the approved Preliminary Plans and to deliver same to County and SFS (the "Final Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days from receipt of the completed Final Plans to review and approve or disapprove of the Final Plans in writing. County shall have no right to disapprove of the Final Plans except to the extent such Final Plans are materially inconsistent with the Preliminary Plans. If County or SFS shall disapprove of the Final Plans, it or they shall express the grounds for its disapproval in writing and in reasonable detail. If neither County nor SFS disapprove within such twenty (20) day period, the Final Plans shall be deemed approved. Once approved, the Final Plans shall be incorporated into this Agreement as Exhibit "F".

6. County, for the benefit of SFS and County, shall, through a publicly advertised competitive bidding or proposal process, in accordance with Florida law and County Procurement Policy, competitively procure a contractor (the "Contractor" referred to in this Section 10) for the construction of the New Improvements in accordance with the Final Plans (the "Work" referred to in this Section 10). SFS shall have input on the qualifications and selection of contractors, with two members appointed by SFS to a five-member selection committee, with the remaining three members appointed by County, and to refuse to engage any contractor upon terms that are not fair, competitive and reasonable as determined by SFS. The final terms of the agreement between SFS and the Contractor (the "Construction Contract" referred to in this Section 10), and any Guaranteed Maximum Price amendments or agreements, shall be subject to the approval of the County, through its Board of County Commissioners, limited to whether the Construction Contract terms are fair, competitive and reasonable. SFS shall enter into a Construction Contract along with terms that are fair, competitive and reasonable and the terms set forth below, with the selected contractor.

7. The Construction Contract shall, *inter alia*, include the terms and conditions set forth in Exhibit "G" hereto and shall include each of the following requirements related to all work under the Construction Contract ("Work"): (i) the furnishing of a public construction bond in a form consistent with Section 255.05, Florida Statutes, with the County named as co-obligee, and with terms acceptable to SFS; (ii) competitive procurement of all Subcontractors work and supplies as set forth in Subsection 7(d) below ("Procurement of Subcontracts"); (iii) retainage in an amount acceptable to SFS for the Work, until the Completion of the Work (including a retainage of 10% of the total value of the construction contract) and required reductions at 50% completion

as set forth in Section 255.078, Florida Statutes; (iii) payment by the Contractor of liquidated damages equal to One Thousand Dollars (\$1,000.00) for each day from and after the Required Completion Date (if and as that term or its equivalent is defined in the Construction Contract) until the actual date of Completion; (iv) a requirement that the Contractor perform and achieve Completion of the Work for a Guaranteed Maximum Price or fixed stipulated sum referred to in this Section 10), by no later than the Required Completion Date; (v) the furnishing of an "installation floater" insurance policy or such other policy of insurance covering goods in transit and while the Work is being performed, with terms, limits, coverages and specifications acceptable to SFS (and the furnishing by any subcontractors of policies of insurance that relate to the Work naming SFS, Club and the County as additional insureds, with terms, limits, coverages and specifications acceptable to SFS); (vi) at SFS's election, the provision on behalf of SFS of an Owner's Contractor Protective policy of insurance, including extensions for products and completed operations coverage and similar extended coverage at least through Completion (as defined herein) of the Work, or another policy of insurance acceptable to SFS, with SFS as a named insured; (vii) the County shall be named as a third party beneficiary in the Contract; and (viii) Contractor must agree that it will not receive payment for any portion of the Contractor's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(c) below. The County shall be named as a third party beneficiary in the Contract between the Contractor and SFS. The County shall, upon request, enter into a joinder to the Contract between the Contractor and SFS substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc.

8. As required by Section 119.0701, Florida Statutes, in all contracts competitively procured for services related to the New Improvements, including the Architect as set forth in Section 10(B)(1) and Contractor as set forth in Section 10(B)(4), SFS shall include in each such Contract, the following Notice in capital letters, 14-point boldfaced type:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (772) 462-1441, bellamys@sttucleco.org, COUNTY ATTORNEY'S OFFICE, 2300 VIRGINIA AVENUE, FORT PIERCE, FL 34982.

SFS shall also include in each such Contract, a requirement that the contracting party comply with the following requirement of Florida's Public Records Law:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. SFS agrees to include the following provisions (or substantively equivalent provisions) in the Construction Contract:

(a) Punchlist Procedures. Punchlist procedures to render the Work complete, satisfactory and acceptable are established as follows:

There shall be the development of a single checklist of items required to render complete, satisfactory, and acceptable, the Work. No more than ten (10) days prior to Contractor's expected Substantial Completion of the Work as defined in the Construction Contract, Contractor shall schedule a walkthrough with SFS and the County ("Initial Walkthrough" a/k/a "IW"). The purpose of the IW is to develop a checklist ("Checklist") of items to be performed by the Contractor, based upon observations made between the Contractor, SFS and the County during the IW.

No later than forty (40) calendar days after reaching Substantial Completion, Contractor shall again initiate and request a second walkthrough of the Project with SFS and the County. The purpose of this second walkthrough is to identify which items remain to be performed from the IW Checklist and for the purpose of developing a single and Final Punchlist.

The intent of this section is for SFS, County and the Contractor to cooperate to develop a single Final Punchlist to be completed no later than sixty (60) calendar days from the date of reaching Substantial Completion of the Work as defined in the Construction Contract. The single Final Punchlist shall be delivered no later than five (5) calendar days after the Punchlist has been developed and reviewed in accordance with this section. If the Work provided in this Construction Contract relate to more than one building or structure, or involves a multi-phased project, the single Final Punchlist is required to render complete, satisfactory, and acceptable all the Work for each building, structure, or phase of the Project and is due within the time periods set forth in this section.

In no event may the Contractor request payment of final retainage until the Final Punchlist is 100% complete.

Contractor agrees to complete the Final Punchlist items and the Final Contract Completion Date must be thirty (30) calendar days after the delivery date of the Final Punchlist. The failure to include any corrective work or pending items not yet completed on the list does not alter the responsibility of the Contractor to complete all the construction services purchased pursuant to this Construction Contract.

Contractor acknowledges and agrees that no item contained on the Final Punchlist shall be considered a warranty item until such time as (a) the Final Punchlist is 100% complete, and (b) SFS has been able to operate or utilize the affected Punchlist item for an additional period of fifteen (15) days.

Contractor acknowledges and agrees that SFS may, at its option, during performance of the Work and prior to Substantial Completion, issue lists of identified non-conforming or corrective work for the Contractor to address. The intent of any such generated list prior to Substantial Completion is to attempt to streamline the Punchlist process upon achieving Substantial Completion, and to allow for the Contractor to address needed areas of corrective work as they may be observed by SFS during performance of the Work.

Contractor acknowledges and agrees that SFS shall determine whether an item on the Final Punchlist is completed and shall calculate the amount of payment to withhold if an item is incomplete, with SFS having the right to withhold the greater of 150% of the value of the item on the Final Punchlist that is incomplete or the amount of the retainage under this Construction Contract. Contractor acknowledges and agrees that in calculating the amount of payment that may be withheld by SFS as to any Final Punchlist item for which a good faith basis exists to determine that it is incomplete, SFS may, in calculating the amount equal to 150% of the value of the item (if SFS decides to withhold such amount rather than the amount of the retainage under this Construction Contract), include within such percentage calculation its total costs for completing such item of work, including its administrative costs as well as costs to address other services needed or areas of work which may be affected in order to achieve full completion of the Final Punchlist item. Such percentage shall in no event relate to the schedule of value associated with such Work activity, but rather total costs are based upon the value (i.e. cost) of completing such Work activity based upon market conditions at the time of Final Punchlist completion.

(b) **Reduction of Retainage Procedures.** After the Contractor has achieved fifty percent (50%) completion of the Work, retainage from subsequent Pay Applications shall be reduced to five percent (5%). Contractor may request a reduction of retainage previously withheld from ten (10%) percent of the total value of the Construction Contract to five (5%) percent after fifty (50%) percent completion of the Work which SFS shall authorize for payment unless justification for withholding exists, as permitted by Section 255.078, Florida Statutes. The term "Fifty Percent Completion" shall be defined as follows, in lieu of any other definition:

“Fifty Percent Completion” of the Work is defined as that point in time where 50% of the overall value of Work items incorporated and which will remain in place subsequent to final completion of the Work have been completed, based upon the schedule of values contained in the Contract. As such, and by way of example, the value of Contractors mobilization, general conditions, supervision or like items which do not involve permanent incorporation of Work do not apply to the determination of “Fifty Percent Completion” of the Work for purposes of establishing entitlement to a reduction of retainage.

(c) **Definition of Substantial Completion.** For purposes of this Construction Contract, and for compliance of those procedures, duties and obligations, the term Substantial Completion shall be as follows, in lieu of any other definition:

“Substantial Completion” is defined as that point where SFS and the County are able to enjoy beneficial occupancy of the Work and where the Work has achieved that level of completion such that SFS and the County are able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life safety and regulatory use, with the exception of incidental and incomplete items except where a lack of completion of such incidental or incomplete items of Work will adversely affect the complete operation of other areas of the Work, to the satisfaction and approval of all authorities having jurisdiction.

(d) **Procurement of Subcontracts.** All subcontracts exceeding \$500,000 shall be and competitively awarded in accordance with the process set forth in Exhibit “O”.

(e) **Contractor Self-Perform Work.** Upon approval by SFS, Contractor and any Related Entities as defined below, may use its own forces to perform a portion of the Work, as long as the cumulative percentage of the total self-performed construction work does not exceed 25% of the Total Cost of the Work for the Project, as reflected in the approved GMP or latest approved estimates. SFS reserves the right to limit instances of self-performance to certain Work. There is no guarantee that any self-performed work will be allowed. Related Entities are prohibited from submitting competing bids or proposals and shall be disqualified for doing so, unless authorized hereunder. When authorized in advance to submit a competitive bid, the Contractor or Related Entity must submit its bid to SFS, at least forty-eight hours prior to the bid opening date and time. “Related Entities” means any parent company, affiliates, subsidiaries, or other entities having common ownership or management with that of the Contractor or a subcontractor.

10. County agrees that the Contractor shall not be considered an agent of SFS for any purpose and shall be solely responsible for the Contractor’s Work, and that the County will

look solely to the Contractor and its carrier(s) and surety bond(s), and in no event to SFS, with respect to the performance of the Contractor's Work and any damages or losses which may arise from or out of any acts or omissions of the Contractor except to the extent caused by the negligent acts or omissions of SFS or its agents or representatives.

11. SFS shall have the right to purchase general construction liability insurance or other construction-related insurance acceptable to SFS, with terms, coverages, specifications and limits as determined by SFS as being reasonable in its sole discretion. The cost of such insurance shall be included in the Total Cost of the Work (as defined in Section 10(B)(12)). County shall be an additional insured on such insurance policy, if any is purchased by SFS.

12. The Total Cost of the Work defined herein shall be paid by the County in accordance with the procedures set forth in Section 10(C)(9), below, out of the New Improvements Budget. The term "Total Cost of the Work" referred to in this Section 10 shall mean the sum of (i) the fees and expenses of the Architect in connection with all stages of the Architect's Work hereunder, including without limitation the Architect's consultants' fees and expenses, and all fees and expenses related to the obtaining of permits needed to construct the New Improvements, plus (ii) the Construction Contract Price, plus (iii) the fees and expenses of any consultants engaged directly for the design and construction of the New Improvements which are approved in advance by the County and competitively procured in accordance with Florida law (including the Program Manager under RFQ No. 16-049), plus (iv) any other approved costs, expenses or liabilities incurred by SFS as a consequence of SFS's engagement of the Contractor, Architect or other consultants hereunder, including but not limited to SFS's attorneys' fees in connection therewith, plus (v) the costs of all permits required for the Work, plus (vi) the premium cost of all insurance, including without limitation comprehensive general liability insurance, general construction liability insurance, products and completed operations or other extended insurance, or other insurance acceptable to SFS, as SFS may elect to obtain with County's advance approval, whether directly or through another person or entity acting on SFS's behalf, as a consequence of SFS's engagement of the Architect and Contractor hereunder (referred to in this Section 10 as the "Additional Exposure Liability Insurance Coverage Insurance Premiums"). The Total Cost of the Work shall be subject to increase only as a consequence of Authorized Change Orders (as defined in this Section 10), to the extent such Authorized Change Orders actually increase the Total Cost of the Work; provided, however, that the County's obligations shall be limited to the New Improvements Budget. As between SFS and the County, SFS shall be solely responsible for any and all cost of the Work exceeding the New Improvements Budget. The Total Cost of the Work shall not include any other costs or fees whatsoever, including, without limitation, fees for construction, coordination, supervision or for review and approval of plans and specifications or proposed Change Orders by SFS or County, except as otherwise specifically set forth in this Agreement.

C. NEW IMPROVEMENTS - CONSTRUCTION.

1. Promptly following the execution of the Construction Contract and the issuance of all required approvals and permits, SFS shall cause the Contractor to commence the

Work and to diligently and continuously pursue the Work to Completion. The term "Completion" as used in this Section 10 shall mean the completion of the Work, as evidenced by the issuance of a temporary or final certificate of occupancy or completion, as applicable, and the completion of all "punch-list" items.

2. County will cooperate in good faith to assist Architect and Contractor in obtaining all permits required for the construction of the Work from all applicable governmental authorities.

3. There shall be no change to the Final Plans, except pursuant to an Authorized Change Order (as such term is defined below). SFS shall have the right to request changes in the Work. As used in this Section 10, an "Authorized Change Order" shall mean a written instrument initiated and prepared by SFS and signed by County if required herein (or deemed approved as set forth herein), SFS and the Architect stating their agreement upon all of the following: (i) the agreed change in the Work; and (ii) the extent of the adjustment in the Total Cost of the Work, if any. County shall have a period of ten (10) business days following receipt of a request to approve a Change Order within which to review and approve same. If County fails to respond within such ten (10) business day period after the receipt of the proposed Change Order, then such proposed Change Order shall be deemed approved provided, however, that in no event shall the County be obligated to pay any costs associated with Change Orders in the event such costs cause the Total Cost of the Work to exceed the New Improvements Budget without a separate written consent from the County identifying the additional funds to be provided. Such separate written consent shall not be deemed to have been provided by the County's failure to object to a Change Order. County shall not unreasonably withhold its consent to any proposed Change Order except the County shall have the absolute right to deny any Change Order request that would cause the New Improvement Budget to be exceeded unless SFS agrees to be solely responsible for the overage. County has the right to suggest Change Orders to SFS, and SFS agrees to consider each County request for a Change Order in good faith, provided that any Change Order proposed by County shall not have the effect of increasing the Total Cost of the Work, and to initiate an Authorized Change Order as set forth in this paragraph if SFS determines that such a Change Order is appropriate. Changes in the Total Cost of the Work due to an Authorized Change Order shall be limited to the actual net increase in the cost included in the definition of the Total Cost of the Work.

4. SFS and the County shall have the right to monitor the construction progress of the New Improvements at all times, provided that County shall not give direction, whether verbally or in writing or otherwise, to any Contractor, Architect or consultant engaged by SFS, except in an emergency situation. SFS understands that County shall procure a Program Manager to serve as its representative during the design and construction of the Project (provided that the cost therefor shall be reasonable therefor in light of the services provided by the Program Manager), provided the amount of reimbursement to the County for the Program Manager fees from the New Improvements Budget shall be the lesser of (a) 50% of the total amount paid to the Program Manager, and (b) \$100,000, and County shall be solely responsible for any additional payments to the Program Manager. SFS agrees to cooperate with the County and its Program

Manager, and use best efforts to create a spirit of harmony involving all companies providing services for the Project. The Program Manager shall have the opportunity to be included as a participant at all Project meetings, jobsite meetings and inspections, and shall have the opportunity to be included on all Project communications involving the Architect, Contractor and any authority having jurisdiction. All Project administration communications, necessary with the County, including disbursement requests and Change Order requests, shall be conducted through the Program Manager. Should Program Manager identify any work being performed in material deviation from the approved Final Plans, it shall immediately provide written notice to SFS and the County, with recommendations on remedying the non-compliance. If the non-compliance is not remedied within seven (7) days, County and SFS, through representatives possessing decision-making authority, shall meet promptly to discuss the issues and means of resolution.

5. In the event of any contractual dispute between the parties hereto that (i) occurs before Completion (as defined in this Section 10) of the New Improvements, and (ii) relates to the preparation and/or approval of the Conceptual Plans, Preliminary Plans, Final Plans, the Construction Work per the Final Plans, or any Change Order for any Phase of the Work, SFS and County shall attempt in good faith to agree to the resolution of the disagreement and/or the curative measures, if any, that are required to be undertaken, and if necessary will submit the dispute to non-binding mediation in an effort to resolve the dispute if the parties are unable to reach a resolution without outside intervention. If the parties are unable to resolve such dispute through non-binding mediation within 30 days of such dispute arising, then the dispute shall promptly be resolved by litigation pursuant to Section 39 of this Agreement.

6. The New Improvement Schedule, which shall be Exhibit "H" hereto, shall show:

(a) The anticipated time of commencement and completion of each of the various operations to be performed under this contract; and,

(b) The sequence and inter-relationship of each of these operations with the others and with those of other related contracts; and,

(c) The estimated time required for fabrication or delivery, or both, of all materials and equipment for the Work.

7. The New Improvement Schedule shall be revised by SFS as and when needed. SFS shall provide the County with written notice in the event that any revision as to the New Improvement Schedule changes the Required Completion Date (if and as that term or its equivalent is defined in the Contract).

8. Promptly after execution of this Agreement, the County shall deposit the entire amount of the funds that comprise the New Improvements Budget in an interest bearing account, in the name of the County, designated (and referred to in this Section 11) as the "New Improvement Account," and all interest thereon shall be added to the New Improvements Budget.

3
The County will issue bonds in an amount sufficient to generate \$55,000,000 of funding for the New Improvements Budget, as provided for in this Section 10. Notwithstanding any provision herein to the contrary, the County shall have no obligation to provide funds for the New Improvements Budget in excess of the \$55,000,000 provided with the proceeds of the County's New Improvement Bonds without the express written consent of the County identifying the additional funds provided.

9. County shall disburse funds from the New Improvement Account, as follows, provided that in no event shall County be responsible for disbursing funds in excess of the New Improvements Budget for the Total Cost of the Work:

(a) Within twenty (20) business days following SFS's delivery to County of an invoice for the Additional Exposure Liability Coverage Insurance Premiums with certification that payment is due in the requested amount, County shall pay to SFS the entire amount of such invoice;

(b) Within twenty (20) business days following SFS's delivery to County of an invoice from the Architect with respect to the Architect's Work with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of the Architect, the full amount of such invoice, which payment SFS will then forward to Architect within five (5) days of SFS's receipt thereof from County;

5
(c) Within twenty (20) business days following SFS's delivery to County of an invoice from the Contractor (which invoice shall reflect the applicable retainage), accompanied by the Required Documents (as such term is defined below) with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of Contractor, the full amount of such invoice, which payment SFS will then forward to Contractor within five (5) days of SFS's receipt thereof from County. The term "Required Documents" referred to in this Section 11 means: (i) an affidavit from the Contractor certifying that the invoice is true and correct; (ii) a partial lien waiver from the Contractor for the full amount of the current invoice and partial lien waivers from all subcontractors, materialmen and others who have filed Notices to Owner with respect to all Work through the date of the prior invoice; (iii) a certificate from Architect stating that the portion of the Work described in such invoice has been completed in accordance with the Final Plans; and (iv) in connection with the final disbursement to the Contractor (A) a final lien waiver from the Contractor and from all subcontractors, materialmen and others who have filed Notices to Owner and (B) a final certificate of occupancy or a certificate of completion, as may be applicable;

(d) Within twenty (20) business days following SFS's delivery to County of any invoices from any consultants engaged by SFS and/or with respect to any other costs, expenses or liabilities incurred by SFS pursuant to or as described in Section 11(B)(9) of this Agreement previously approved and authorized by the County, County shall, following verification of entitlement and quantum due, pay to SFS the full amount of such invoices; and

(e) Upon Completion, to the extent that \$55,000,000.00 exceeds the Total Cost of the Work in connection with the New Improvements (with the amount of such excess hereafter referred to as the "Excess New Improvement Budget Funds"), the Excess New Improvement Budget Funds shall be added or devoted to the Additional Improvement Fund (as such term is defined in Section 5(A)).

(f) County shall have the right to review, verify, and audit if necessary, all requests for disbursements of any New Improvements Budget Funds, including invoices from the Architect and Contractor. SFS shall reasonably ensure that all requests for disbursements are sufficiently documented and accompanied by supporting invoices and time records, and in the case of Architect and Contractor, that they (i) maintain an "open book" project accounting practice, (ii) make all files and accounting records available for review and auditing upon reasonable request, and (iii) allow for backcharging for any erroneous billing, as these requirements relate to the New Improvements Budget.

11. DIGNITARY SEATING.

Prior to December 1 of each year, the County and SFS will cooperate and develop a dignitary seating arrangement that is reasonably acceptable to all the parties.

12. FLORIDA STATE LEAGUE TEAM; GULF COAST LEAGUE TEAM.

The parties acknowledge that the Club currently owns the St. Lucie Mets Florida State League team. This Agreement shall apply to the use of the facilities by the St. Lucie Mets and related operations during the Florida State League regular season and any post-season playoffs. In the event the Club terminates its ownership of a Florida State League team during the term of this Agreement, and does not either transfer ownership thereof to SFS, assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate in accordance with Section 24, or acquire ownership of or enter into a player development contract with another minor league team that will be scheduled to play its home games in the Stadium during the following Florida State League season, SFS shall notify the County as soon as practicable in advance of the beginning of the following Florida State League team season. In that event, the County may permit another Florida State League team to play its home games at the Stadium without the consent of SFS, provided that such minor league team's operations do not conflict with SFS's exclusive use of the Sports Complex from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement or with SFS's use of the Sports Complex for GCL Mets operations (if any), as set forth in Section 15(A) below. The term "St. Lucie Mets" as used herein refers to the current or any future minor league baseball team owned or operated by or affiliated with SFS or the Club that plays its home games at the Sports Complex (excluding the GCL Mets, as defined below). The term "Florida State League" as used herein refers to the Florida State League, any successor league thereto, or any other minor league to which the St. Lucie Mets belongs.

3
5

The parties acknowledge that Club currently owns a Gulf Coast League team. All of the terms and conditions of this Agreement shall apply to the use of the facilities by that team during the Term, including without limitation for the Gulf Coast League regular season and any post-season playoffs. The term "GCL Mets" as used herein refers to any future minor league baseball team owned or operated by or affiliated with SFS or the Club that is a member of the Gulf Coast League and will play its home games at the Sports Complex, if SFS or the Club, as may be applicable, so decides in its sole discretion. The term "Gulf Coast League" as used herein refers to the Gulf Coast League or to any successor league thereto.

Other than as provided in the first paragraph of this Section 12 (and subject to SFS's right to assign this Agreement as set forth in Section 24), the County agrees that it will not permit any Florida State League baseball club other than the St. Lucie Mets, or any Gulf Coast League baseball club other than the GCL Mets, to use the Sports Complex during the Term of this Agreement.

13. INDEMNITY AND INSURANCE.

A. SFS.

5
5

To the extent allowed by law, SFS agrees to indemnify and hold County harmless from and all claims for personal injury, death, or property damage and any other losses, damages, charges or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except to the extent such losses may be caused by the negligence or willful misconduct of the County, its agents or employees or by any acts or omissions of the Program Manager, Architect, Contractor or any of their respective employees, agents or subcontractors. SFS further agrees to undertake at its own expense the defense of any action brought against the County (with counsel subject to County's approval in its reasonable discretion), claiming damages arising out of, in connection with, or by reason of SFS's use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of the County, its agents or employees, the County agrees to reimburse SFS for the actual expenses, including attorneys' fees, incurred by SFS in defending the County. County agrees to cooperate in any defense by the SFS. The provisions of this paragraph shall survive the termination of this Agreement.

SFS shall maintain or cause to be maintained Comprehensive General Liability Insurance, including Property Damage and Personal Injury coverages, insuring against liability for damages or losses arising solely from the acts or omissions of SFS under this Agreement. Such policy shall name St. Lucie County as an additional insured. Limits of liability coverage to be not less than:

5
Bodily Injury Liability \$5,000,000 each occurrence
Property Damage Liability \$1,000,000 each occurrence

Or

Bodily Injury and Property \$5,000,000 each occurrence,
Damage Liability combined single limit

SFS shall maintain or cause to be maintained in effect Workers Compensation Insurance as required by Florida Statutes, covering all employees of SFS, including employer's liability insurance, with limits of not less than \$100,000 per accident.

SFS shall furnish County, not later than ten (10) business days after SFS's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above with an insurer reasonably acceptable to the County.

B. County.

5
To the extent allowed by law, the County agrees to indemnify and hold SFS and its members and affiliates harmless from any and all claims for personal injury, death, or property damage and any other losses, damages, charges, or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, including, without limitation, in connection with or related to the New Improvements, the Additional Improvements, and any other construction conducted by the County (itself or through contractors), except to the extent such losses may be caused by the negligence or willful misconduct of SFS, its agents or employees or by any acts or omissions of the Architect, Contractor or any of their respective employees, agents or subcontractors. County further agrees to undertake at its own expense the defense of any action brought against SFS (with counsel subject to SFS's approval in its reasonable discretion) claiming damages arising out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of SFS, its agents or employees, SFS agrees to reimburse the County for the actual expenses, including reasonable attorneys' fees, incurred by the County in defending SFS. SFS agrees to cooperate in any defense by the County. The provisions of this paragraph shall survive the termination of this Agreement.

In addition, the County agrees to procure and pay for and at all times during the term of this Agreement maintain fire and extended and "special form" coverage (including without limitation insurance from and against all losses, damages, claims and liabilities related to or arising from acts of terrorism) on all property, both real and personal, with replacement cost coverage limits of not less than the replacement cost of the Sports Complex (including, without limitation, all New Improvements and Additional Improvements while being constructed and when

completed) and also covering loss of income. The County is self-insured for general liability with statutory limits of \$200,000 per person/\$300,000 per incident pursuant to Section 768.28, Florida Statutes, and waives and has waived sovereign immunity to that extent. The insurance policies referenced above in this paragraph shall further name SFS and the Club as named insureds and shall provide a thirty (30) day notice of cancellation or non-renewal and a severability of interest endorsement.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

C. County warrants and represents that it is, and throughout the Term will remain, a member of and party to the Treasure Coast Risk Management Program ("TRICO," as set forth in the Revised TRICO Interlocal Agreement dated May 1, 1996) or such other pooled risk or self-insurance program acceptable to SFS in its reasonable discretion, and that SFS will be a beneficiary of all insurance and other protections available through the TRICO Risk Management Program (or such other accepted pooled risk or self-insurance program) including, without limitation, with respect to general liability, tort liability, loss or damage to property (e.g., the Sports Complex), and personal injury or death.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

D. County and SFS each do hereby and shall mutually release each other from liability and waive all rights of recovery against each other, for any loss or damage occasioned to County or SFS, as the case may be, from perils insured against, or required hereunder to be insured against, under their respective property insurance policies, whether due to negligence or any other cause. Any property insurance policy required herein covering loss, damage, or destruction by fire or other insured casualty, shall include a waiver of the insurer's rights of subrogation against the other party.

In the event a claim is filed against a party for operations that are covered by the provisions of this Agreement, the party agrees to notify the other party of the claim within ten (10) days after the party receives the claim.

14. RESPONSIBILITIES OF PARTIES.

The responsibilities of the parties shall be as follows:

A. County.

(1) County shall maintain proper HVAC systems and equipment in throughout the Sports Complex, and shall perform all maintenance thereof at County's sole cost and expense.

(2) County shall be responsible for providing and bearing the cost of an adequate number of qualified security personnel at the Sports Complex for Club major league spring training games and Florida State League games. The County shall be responsible for public order and safety in manner consistent with the County's practices under the Prior FUA, including the creation, establishment and implementation of security, safety and emergency plans and procedures and related contingency plans, all of which shall be in consultation with SFS and the Club. County shall be responsible for coordinating with all local, state and federal agencies to the extent appropriate, and for providing, at its expense, comprehensive training for all security personnel who work at the Sports Complex with respect to County's security, safety and emergency plans and procedures (which training shall occur at least once per year during the Term prior to the commencement of major league spring training, in consultation with SFS and the Club). County shall keep SFS and the Club fully informed with respect to its security, safety and emergency plans and procedures, and with respect to all training and coordination with local, state and federal agencies. County shall have the responsibility to eject persons from the Stadium or from the Sports Complex as necessary, including at the request of SFS; County shall consult with SFS before ejecting any persons from the Stadium during SFS Events except to the extent such consultation is impracticable in the event of an emergency.

(3) County shall be responsible for all utilities (excluding the Barwis facility and the Player Academy Spaces), including telephone (excluding long distance toll charges), heat, water and sewer, electricity, air conditioning, and appropriate night lighting.

(4) SFS and the County agree that the New Improvements shall, to the extent agreed upon by SFS and the County, maximize energy savings using "green" technology and equipment.

(5) In addition to the right to occupy the Sports Complex, SFS and its agents, employees, suppliers and other persons appropriate for SFS to enjoy the use of the Sports Complex premises as contemplated herein, shall have access, in common with others designated by the County, to such areas of the Sports Complex as necessary or appropriate to provide services or otherwise enjoy the use of the Sports Complex as contemplated herein, subject to customary and reasonable security precautions.

(6) If SFS contends that the County has failed to comply with a material obligation of the County pursuant to this Agreement with respect to the maintenance of the Sports Complex, and if as a result SFS contends that an Exigent Condition (as defined below) exists at the Sports Complex, then, in addition to any and all other remedies available to SFS, SFS shall be entitled to (a) take such measures as are strictly necessary to address the Exigent Condition, and (b) deduct the cost of such measures from the payments to be paid by SFS to the County pursuant to Section 6(A) of this Agreement, subject to the County's right to object to and contest such deduction by seeking judicial intervention, which right is expressly reserved. SFS shall not be entitled to deduct such cost unless, prior to addressing the Exigent Condition, (i) SFS provides written notice to the County identifying the Exigent Condition, the measures which SFS intends to take to address it, and the cost thereof, and (ii) the County fails to remedy the Exigent Condition

within a reasonable period of time following the delivery of such notice. "Exigent Condition" shall mean (x) any condition of any playing field that creates a potential substantial risk to participants in games and/or practices on the field, (y) any condition elsewhere within the Complex that creates a potential substantial health or safety risk to SFS's invitees at the Sports Complex, or (z) any condition that, if not promptly remedied, would result in the loss of substantial revenues generated at the Sports Complex.

B. SFS.

(1) SFS shall not in any manner, directly or indirectly, violate any laws, ordinances, rules or regulations of any federal, state, county, city or other governmental authority or agency in connection with the use and occupancy of the Sports Complex under the terms of this Agreement.

(2) SFS shall use and occupy the Sports Complex in a reasonably safe and careful manner and exercise reasonable care not to in any way mar, deface, or injure any part of the premises, ordinary wear and tear excepted. At the conclusion of this Agreement, SFS shall surrender the premises to the County in as good condition and repair as at the beginning of SFS's occupancy, except as to ordinary wear and tear and except as to damage by fire, other casualty, or the elements.

(3) Except with respect to the Telecommunication Equipment described below in Section 14(B)(5) and any property of SFS and as otherwise contemplated by this Agreement, SFS shall not make any material permanent or structural changes, improvements or alterations to the Sports Complex except as provided for in this Agreement without the written consent of County which shall not be unreasonably withheld, conditioned or delayed.

(4) At its expense, SFS is responsible for providing a sufficient number of ticket sellers and ushers during SFS Events.

(5) SFS shall be responsible for the installation and maintenance of any radio and television facilities and telephone systems that it deems necessary for its operations ("Telecommunication Equipment"). Prior to the installation of any such equipment, SFS shall submit plans for such installation to the County for approval, which approval may not be unreasonably withheld. Upon termination of this Agreement, SFS agrees to remove the Telecommunication Equipment and restore the premises to their prior condition. SFS may pass these costs on to parties other than County. The County has paid for the necessary utility lines to the areas designated for radio and TV facilities in the site plan and has had the lines stubbed at the required points. If further improvements are needed, those improvements shall be included in the New Improvements.

15. OTHER USE OF PREMISES.

A. SFS shall have sole and exclusive use of the Sports Complex, including the Stadium, from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement (including any options). As long as SFS or its affiliates (including specifically the Club) own or operate or have a player development contract with a Florida State League team or other St. Lucie-based minor league team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Florida State League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. If SFS or its affiliates (including specifically the Club) continue to have or acquire ownership of or the right to operate or have a player development contract with a Gulf Coast League team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Gulf Coast League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. SFS shall have the exclusive use and control of those portions of the Sports Complex used for SFS Events, including without limitation the exclusive right to determine and implement the rules and policies that relate to the admission of patrons to those portions of the Sports Complex used for SFS Events.

B. Subject to the SFS's uses of the Sports Complex as set forth in Section 15(A) above, each year during the Term SFS shall provide the County with a preliminary schedule of its events on or about December 1, and thereafter a definitive schedule of SFS Events and County Events to be held at the Sports Complex (hereinafter, the "Event Schedule") shall be prepared as follows:

(i) First, all dates in the months of February through the beginning of the Florida State League (or other minor league to which a St. Lucie-based baseball team owned by or affiliated with Club belongs) season in April shall be reserved on the Event Schedule exclusively for New York Mets spring training and exhibition season activities;

(ii) Second, all dates for Florida State League home games, workouts and practices, all possible dates for Florida State League post-season or playoff games or other Florida State League events (including without limitation All-Star games and pre-season games), and all dates for New York Mets minor league spring training activities and instructional league play shall be added to the Event Schedule;

(iii) Third, all dates for GCL Mets home games, workouts and practices, and all possible dates for GCL post-season or playoff games or other Gulf Coast League events (including without limitation All-Star games and pre-season games);

(iv) Fourth, all dates for Mets Fantasy Camp games, workouts and practices;

(v) Fifth, after SFS informs County of the dates contemplated in subparagraphs (i), (ii), (iii) and (iv) above, SFS and County shall each be entitled to reserve the use of the Sports Complex on other dates during the year for other SFS Events and County Events, respectively, by providing a "New Event Notice" as described below, with the first to

obtain approval of a New Event Notice according to the procedures set forth below in this Section 15 for each such other proposed Event obtaining the right to use the Sports Complex for such Event.

C. Whenever a party desires to add an Event to the Event Schedule pursuant to Section 15(B)(iii), it shall give written notice ("New Event Notice") to the other party of its request to do so as soon as reasonably possible, but in no event later than ten (10) days prior to the date of the proposed Event. Each New Event Notice shall include a description of the proposed Event, including the nature, starting time and estimated duration thereof; the expected attendance thereat; the identity and experience of the promoters and organizers of the proposed Event, and their principals; a description of the financial assurances (e.g., bonds, security deposit) to be provided by the Event promoters or organizers; a description of any special safety, security, cleaning, maintenance, restoration or other services that will be obtained in connection with the proposed Event; and the approximate preparation and clean-up periods for the proposed Event.

The party receiving a New Event Notice shall notify the other party as soon as reasonably possible but in no event more than five days after its receipt of such New Event Notice, whether the receiving party objects to the proposed Event. If no written notice of objection is given within such five-day period, the Event shall be deemed approved. If notice of objection is given within such five-day period, the parties shall cooperate to determine what, if any, modifications to the proposed Event, or further assurances or services in connection therewith or therefore, would cause the objecting party to consent to the proposed Event. When any proposed new Event is approved by the other party (including by a failure to object), the Event shall be added to the Event Schedule. In the event of any unresolved dispute regarding whether an Event that is the subject of a New Event Notice and an objection should be put on the Event Schedule, SFS and County will submit the dispute to non-binding mediation, and if the parties are unable to resolve the dispute through non-binding mediation, then the dispute shall promptly be resolved pursuant to Section 39 of this Agreement on an expedited basis at the request of either party.

A proposed Event may not be added to the Event Schedule unless the scheduling thereof would be in compliance with each of the following criteria: (i) No more than one Event may be held at the Sports Complex per day without each party's consent, which either party may withhold in its sole and absolute discretion; (ii) Events shall be scheduled so as to allow reasonably sufficient preparation, clean-up and restoration periods between each Event, which shall be subject to the Maintenance Standard; (iii) No County Event may be scheduled to take place between January 16 and January 31 of each year during the term without SFS's consent, which consent may be withheld in its sole and absolute discretion; and (iv) the Event must be a specific planned Event (i.e., neither party may reserve a date on the Event Schedule on the basis that it intends to hold on such date a certain type of Event, as opposed to a specific Event).

In determining whether a party's objection to an Event proposed by the other party is reasonable, consideration shall be given to, among other things, whether the promoted or organizer of the Event: (i) is reasonably capable of producing the Event; (ii) will be providing reasonably adequate financial assurances (e.g., bonds, security deposit) to protect SFS's and County's

respective rights hereunder; and (iii) will be providing reasonably adequate safety, security, cleaning, maintenance and restoration services for the Event.

D. Nothing in this Agreement shall prevent the County from using the portions of the property described in Exhibit "B" that are not used for baseball facilities or in connection with SFS's use of such facilities, provided that such uses do not interfere with SFS's use of the Sports Complex or otherwise conflict with SFS's rights under this Agreement (including, without limitation, SFS's exclusive right to operate concessions at the Sports Complex during the Term). The County agrees that during the term of this Agreement, the County shall use or authorize others to use the remaining property described above only for community events, sports and recreational purposes. The County shall be responsible to repair or replace any portion of the facilities which are altered, damaged or otherwise affected by any non-SFS use.

E. Notwithstanding any other provision of this Agreement (except Section 12, solely with respect to Florida State League play) the County agrees that it will not permit any other Major or Minor League baseball club to use the Sports Complex during the term of this Agreement or any extension thereof without SFS's approval in advance in writing in its absolute discretion.

F. Any of the property described in Exhibit "B" that is not being used by the County or SFS may be used by the parties as additional unpaved parking provided that such use does not interfere with SFS's permitted use of the Sports Complex.

G. In the event of a declared federal, state or local emergency, the County may use the Sports Complex as a staging area for disaster preparations, response or other related uses ("Staging Uses"), provided that (i) the County will reimburse SFS for all costs incurred and revenue lost by SFS as a result of the Staging Uses and (ii) the County will use best efforts to minimize interference with SFS's operations at the Sports Complex and will immediately restore any resulting damage to the Stadium caused as a result of the Staging Uses. The parties further agree to cooperate in obtaining any federal or state funds that may be available for this purpose.

16. PUBLICITY AND PROMOTION.

A. The County will promote the New York Mets and the Club's St. Lucie-based minor league team(s), as well as the sale of home game tickets for such teams. County shall submit all promotional material to SFS for approval, which approval shall not be unreasonably withheld.

B. **SFS Obligations.**

As additional consideration for the use of the Sports Complex SFS shall provide, or shall cause the Club to provide the County with the advertising services set forth in Exhibit "M" attached hereto during each year of the Term.

17. **ADDITIONAL COVENANTS OF SFS AND COUNTY.**

A. SFS shall use and occupy the premises solely for the purposes specified in this Agreement.

B. SFS shall pay all taxes or assessments on its operation as well as on goods, merchandise, fixtures, appliances, equipment and property owned by it and located in or about the Sports Complex. SFS shall have no obligation to pay any real estate or property taxes under any circumstance.

C. To the extent that SFS desires to acquire and construct facilities at the Sports Complex which are eligible under applicable state and federal laws to be financed through the issuance by the County, solely as a conduit issuer, of either taxable or tax-exempt revenue bonds, which bonds shall not be or constitute a debt or obligation of the County, the County will cooperate with SFS to the end that the County may be a conduit issuer of such bonds and, to the extent applicable, will give SFS priority for private activity volume cap; provided, that all reasonable costs and expenses incurred by the County in connection with the consideration and consummation of such financing, which shall be disclosed in advance and in writing by the County and subject to the approval of SFS, will be borne solely by SFS.

18. **DEFAULT; TERMINATION.**

A. If the property covered herein shall be deserted or vacated for an entire spring training season, unless such absence is due to a labor dispute or other causes beyond SFS's control, or proceedings are commenced against SFS in any Court under a bankruptcy act or for the appointment of a trustee or receiver of SFS's property either before or after the commencement of the Term, or if there shall be a default in the payment of any monies due hereunder for more than twenty (20) days after written notice of such default to SFS, or if there shall be default in the performance of any other material covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of SFS for more than twenty (20) days after written notice of such default by the County (or if such default is incapable of being cured within twenty (20) days, within such longer period of time as shall be reasonably required for such cure, unless SFS has taken no substantial steps to effect such cure within such period), then at the sole option of the County, this Agreement may be terminated by the County. In addition, the County may terminate this Agreement if (i) the New York Mets shall cease to be a franchise in a major league baseball league, (ii) during any spring training during the Term, Club schedules a majority of New York Mets spring training home games at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder, or (iii) during any Florida State League season, Club schedules a majority of the home games of the Club's Florida State League team at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder. In the event the County terminates this Agreement for the reasons set forth above in this paragraph, the County shall have the right to re-enter or repossess the property during the period of SFS's right to use thereof, either by summary proceedings, surrender or otherwise other than force, and

dispossess and remove therefrom SFS, or other occupants thereof, without being liable for any prosecution therefore. Should the County reasonably incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court costs (at the lower court and appellate levels), and County prevails in such legal action, said expenses shall be reimbursed to the County by SFS.

B. SFS shall have the right, at any time and at its sole option, to terminate this Agreement and all of its obligations hereunder upon written notice to County (the "Termination Notice") provided by SFS on or before March 31 of any year during the Term, which notice shall terminate the Agreement effective as of December 31 of that calendar year. In the event of termination pursuant to this provision, as the County's sole remedy against any person relating to such termination of this Agreement County will accept (i) a series of payments for outstanding amounts remaining on Refunding Bonds as set forth in Section 37, and (ii) a series of semi-annual payments tied to the County's schedule of debt service payments in connection with the New Improvement Bonds, which New Debt Service Schedule shall be incorporated into this Agreement as Exhibit "I" hereto upon issuance of the New Improvement Bonds (which includes State Development Funds (as defined below) that will be used by the County to pay the debt service on the New Improvement Bonds). Such payments in connection with the New Improvement Bonds, referred to herein as the "Debt Service Payments," shall be made by SFS to the County on each "Period Ending" date referenced in the first column of Exhibit "I" hereto that follows the effective date of the termination of this Agreement. The amount of the Debt Service Payment due on each such post-termination "Period Ending" date shall be an amount equal to the "Total Debt Service Payment" in the last column of Exhibit "I" hereto corresponding to the "Period Ending" date in question, provided, that in the event it is determined by the County's bond counsel that the acceptance of such payments by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds that are issued on a tax-exempt basis, SFS shall either (i) pay to the County the amount necessary to offset the change in tax status to the holders of the tax-exempt New Improvement Bonds, which may be retroactive to the date of issuance of the New Improvement Bonds, or (ii) provide funding to the County sufficient to prepay in full said tax-exempt New Improvement Bonds at the earliest permitted call date, plus all interest and principal due and owing through that date of redemption. Upon request, the County will inform SFS whether its bond counsel believes that acceptance of the payments set forth in this section by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds.

The parties agree that these respective amounts constitute reasonable and just compensation for such termination by SFS, and SFS hereby promises to pay to County, and the County hereby agrees to accept, the appropriate payment amount described above as liquidated damages, and not as a penalty, and as its sole and exclusive remedy related to the termination of this Agreement by SFS, and County waives all other rights and remedies in connection therewith.

If the property covered herein shall be deserted or vacated by the County either before or after the commencement of the term of this Agreement, or if there shall be a default in the payment of any monies due hereunder by the County for more than twenty (20) days after written notice of such default to the County, or if there shall be a material default in the performance of any other

covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of the County for more than twenty (20) days after written notice of such default by SFS, then at the sole option of SFS, this Agreement may be terminated by SFS. Should SFS incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court cost (at the lower and appellate levels), and SFS prevails in such legal action said expenses shall be borne by the County.

In the event SFS terminates this Agreement, SFS shall immediately vacate the Sports Complex, but reserves the right to seek damages and any or all other remedies caused by any default or breach of this Agreement by County.

19. **DAMAGE OR DESTRUCTION.**

In the event of the damage or destruction of the property described in Exhibit "B" or any of the structures (including the Stadium) or improvements located thereon by fire or other casualty, there shall be an obligation on the part of the County to use the insurance proceeds for the purpose of rebuilding such facilities. The County shall be responsible for providing the funds necessary to rebuild the facilities in the event the proceeds from the insurance referenced in Section 13(B) above are not sufficient to cover the cost of such rebuilding.

County shall complete the reconstruction and repair of the Sports Complex following any such damage or destruction, as soon as reasonably possible, and in any event within two hundred seventy (270) days following the occasion of such damage or destruction. Within thirty (30) days following the occasion of such damage or destruction, County shall provide SFS with County's architect's and/or engineer's reasonable estimate of the time required for the reconstruction and/or repair of same. In the event that the estimate shall reflect that more than two hundred seventy days shall be required for the repair and/or reconstruction, SFS shall have the right to terminate this Agreement by written notice to County, within thirty (30) days thereafter. Further, if in fact the reconstruction and repair shall not be completed within two hundred seventy (270) days (or such longer time to which SFS may agree), SFS shall have the right to terminate this Agreement by written notice to County within thirty (30) days following the end of such two hundred seventy day (or longer, as the case may be) period.

During the repair and/or reconstruction of the damage or destruction to the Sports Complex, until same shall be completed, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such damage or destruction shall interfere with the use by SFS of the Sports Complex as contemplated hereunder.

20. **EMINENT DOMAIN.**

In the event that any portion of the premises should be taken by the exercise of the right of eminent domain so as to materially affect SFS's operations, SFS may terminate this Agreement as of the date of taking. In the event that SFS does not terminate this Agreement as a result of any taking, following any such taking SFS's obligations and liabilities hereunder shall be proportionately adjusted, on an equitable basis, to the extent that such taking shall damage or

otherwise materially adversely affect the use by SFS of the Sports Complex as contemplated herein. All proceeds for such taking shall be paid to the County or SFS as their interests may appear, provided that the foregoing shall not preclude SFS from pursuing a separate award for damages to SFS's furnishings, fixtures and equipment, moving expenses and any other losses relating to SFS's business permitted by law to be recovered, including, without limitation, the loss of SFS's leasehold.

21. **FAMILIARITY WITH BONDS.**

Anything else in this Agreement to the contrary notwithstanding, SFS acknowledges that County is or will be bound to the holders of certain bonds which relate to the Sports Complex. SFS agrees to cooperate reasonably with the County to maintain the tax-exempt status of the bonds, provided, however, that such cooperation shall not entail material modification of the terms and conditions of this Agreement nor cause SFS or any affiliate to incur any cost or expense in connection therewith.

22. **NON-DISCRIMINATION.**

SFS, as a part of the consideration hereof, does hereby covenant and agree that no person on the grounds of race, color, national origin or sex shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination in the use of the facilities excluding uniformed baseball personnel. The terms of this Section shall be binding upon SFS's successors in interest and assigns.

23. **CONFLICT OF INTEREST.**

The County hereby represents and warrants that neither it nor any of its directors, officers, members, partners, officials, representatives, or employees has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance of rendering of the services herein provided. The County further represents and warrants that in the performance of this Agreement no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the County of St. Lucie nor any person whose salary is payable, in whole or part, from the County Treasury, shall participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporations, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this Agreement or in the proceeds thereof.

24. **ASSIGNMENT; SUBLEASES AND LICENSES.**

SFS may assign any or all of its rights and obligations pursuant to this Agreement to any entity that owns and operates the New York Mets franchise, and may assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate (or, if applicable, the Gulf Coast League affiliate) of

the New York Mets. Should Club sell its Major League Baseball franchise during the term of this Agreement, SFS shall make a good faith effort to assign its rights and delegate its duties under this Agreement to the entity that acquires such franchise. Subject to the approval of the County, which approval may not be unreasonably withheld, conditioned or delayed, SFS may assign all of its rights and obligations pursuant to this Agreement to an owner or operator of another Major League Baseball club. Upon SFS's assignment of this Agreement and all of its rights and obligations hereunder, all of SFS's duties and obligations under this Agreement shall terminate and cease to be of any further force or effect as of the effective date of the assignment and the County shall look solely to the assignee for performance of the duties and obligations under this Agreement thereafter. Except as expressly set forth above in this Section, no party may assign its rights or obligations under this Agreement without the written consent of the other party. Notwithstanding the foregoing, SFS shall have the right to enter into subleases and/or licenses with third parties with respect to any of its rights and obligations hereunder with the consent of the County, which consent shall not be unreasonably withheld, except SFS may not, without County's prior consent, sublease or license the use of any portion of the Sports Complex to any Major League Baseball team other than the Club or to any other entity if such sublease or license would cause cost or expense to the County beyond those that County would otherwise incur from SFS's Permitted Uses under this Agreement, provided that the County shall not withhold such consent if SFS and/or the proposed sublessee agrees to pay any such additional costs and expenses.

25. **ENTIRE AGREEMENT.**

This Agreement represents the entire understanding and agreement between the parties with respect to the subject matter hereof, and supersedes all other written or oral negotiations, understandings and representations (if any) made by and between such parties.

26. **AMENDMENTS.**

The provisions of this Agreement may not be amended, supplemented, waived or changed orally, but only in a writing signed by the parties hereto and making specific reference to this Agreement. In addition, this Agreement may not be amended without MLB Approval (as that term is defined in Section 40 of this Agreement).

27. **FURTHER ASSURANCES.**

The parties hereby agree from time to time to reasonably execute and deliver such further and other transfers, assignment and documents and reasonably do all matters and things which may be convenient or necessary to more effectively and completely carry out the terms of this Agreement.

28. BINDING EFFECT.

All of the terms and provisions of this Agreement, whether so expressed or not, shall be binding upon, inure to the benefit of, and be enforceable by the parties and their respective legal representatives, successors and permitted assigns.

29. NOTICES.

All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing (including facsimile communication but excluding e-mail) and shall be (as elected by the person giving such notice) hand delivered by messenger or courier service (with acknowledgment of receipt), telecommunicated (including by fax), or mailed by registered or certified mail (postage prepaid), return receipt requested, addressed to:

30. HEADINGS.

The headings contained in this Agreement are for convenience of reference only, and shall not limit or otherwise affect in any way the meaning or interpretation of this Agreement.

31. PRONOUNS.

In this Agreement, the use of any gender shall be deemed to include both genders, and the use of the singular shall include the plural, wherever it appears appropriate from the context.

32. SURVIVAL.

No covenants, agreements, representations and warranties made herein or otherwise made in writing by any party pursuant hereto shall survive the termination of this Agreement except as expressly stated herein. In addition to the survival of specific Sections of this Agreement as expressly stated in such Sections, the terms of Sections 9(C), 13, 29 and 36 of this Agreement shall survive the termination of this Agreement.

33. WAIVERS.

The failure or delay of any party prior to a period which would constitute laches at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder, and any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any known right, power or remedy under this Agreement. No notice to or demand on any party in any case shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

34. FORCE MAJEURE.

Neither party shall be liable to the other for failure to perform its obligations hereunder if and to the extent that such failure to perform results from causes beyond its reasonable control ("Force Majeure Events") including, without limitation, strikes, lockouts, or other industrial disturbances (but excluding Major League Baseball strikes and lockouts); fires; unusual climatic conditions such as hurricanes, floods, tornados and the like; acts of God; or acts of a public enemy, war, police action, terrorism and the like. The party unable to perform as a result of a Force Majeure Event shall promptly notify the other of the beginning and ending of each such period. During the period of any Force Majeure Event, until same shall be concluded, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such Force Majeure Event shall interfere with the use by SFS of the Sports Complex as contemplated hereunder. If any period of a Force Majeure Event prevents SFS from using the Sports Complex in the manner contemplated herein for all or a substantial part of any Major League Baseball Spring Training season or Florida State League season (or, if applicable, a Gulf Coast League season) and SFS does not receive satisfactory assurances from the County that a Force Majeure Event will not prevent SFS's use of the Sports Complex as contemplated in this Agreement for a substantial part of the following Major League Baseball Spring Training season, SFS shall have the right to terminate this Agreement upon sixty (60) days written notice to the County.

35. GOVERNING LAW.

This Agreement and all transactions contemplated by this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida, applicable to agreements wholly negotiated, executed and to be performed in that state, without regard to principles of conflicts or choice of laws.

36. SECTION 288.11631, FLORIDA STATUTES.

A. Section 288.11631, Florida Statutes is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State") that are funded with State incentive funding. SFS and the County acknowledge that the amount of State incentive funding provided by the State for the Sports Complex is based on the continual use of the Sports Complex by a spring training baseball franchise for the entire length of the Term.

B. The County will submit an application to the Florida Department of Economic Opportunity for Twenty million dollars (\$20,000,000.00) in funding assistance for the New Improvements that are described in the Facilities Use Agreement. In connection with this application and as a condition of any award of funding under Section 288.11631, Florida Statutes, SFS must agree to reimburse the State of Florida for the funds expended by the County for the New Improvements that the County received from the State of Florida if the Club relocates before the term of the Facilities Use Agreement expires.

C. SFS covenants and agrees with the County that if the County terminates this Agreement pursuant to its rights under Section 18(A), or if SFS terminates this Agreement pursuant to its rights under Section 18(B) for any reason other than a breach of this Agreement by the County, then SFS shall reimburse the State for the total amount of distributions actually paid from the date of such termination through the final maturity of the New Improvement Bonds (the "State Development Funds"). Repayment to the State shall not discharge SFS from any other obligations set forth in this Facilities Use Agreement.

D. The Parties agree that if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County, SFS will promptly notify the applicable agency of the State of Florida that has been charged with administrative oversight and enforcement of the State Development Funds (the "Agency") of the circumstances for such termination, and SFS will not have any obligation to repay either the County or the State for any State Development Funds in connection with such SFS termination. The County shall hold SFS harmless from any assertion or claim by the State that the State Development Funds shall be repayable to the State by SFS if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County.

E. The State of Florida is a third party beneficiary of this Facilities Use Agreement as to the obligations imposed by Section 36. The State shall have: 1) Standing to seek and complete

performance of the obligations in this Section in law or equity and 2) Standing to initiate and/or defend an action at law or equity relating to obligations.

37. 2011 BONDS.

The County will refund the existing 2011 Improvement Bonds (as defined in Section 5(K) of the Prior FUA) on or around November 1, 2016 (the "Refunding Bonds"). The new Refunding Bonds shall have the same remaining term as the 2011 Improvement Bonds. In addition to the Base Rent payments and Additional Rent payments made by SFS pursuant to Section 6(A), SFS will make additional payments to the County, such payments being equal to the amounts set forth in the last (Total Debt Service Payment) column of Exhibit "J" on the dates indicated in the first (Period Ending) column of Exhibit "J" that follow commencement of the Term of this Agreement, or in the alternative, if SFS elects, such payments being equal to the amounts and on the dates set forth in the debt services schedule for the Refunding Bonds.

38. AGREEMENT RUNS WITH LAND.

This Agreement is intended to run with the land and shall be binding upon all of the County's successors and assigns. SFS and County shall enter into a short form Memorandum of this Agreement which shall be recorded in the Public Records of St. Lucie County, Florida. This Agreement is not revocable by County and is not terminable by County except as expressly set forth herein.

39. DISPUTE RESOLUTION.

All disputes arising from or related to this Agreement whether the action is brought in contract, tort, statutory claim or any other theory of liability, shall be subject to litigation as the final mode of dispute resolution. Exclusive venue for litigation of any disputes rests exclusively in the Circuit Court for St. Lucie County, Florida. As an express condition precedent to litigation all litigation shall be subject to non-binding mediation to be conducted within ninety (90) days of the dispute arising. The parties shall mutually select a qualified mediator, and failing accord, a mediator shall be appointed by the American Arbitration Association and mediation shall be conducted in accordance with its rules, costs and fees to be split equally by the parties.

40. SUBSERVICENCE.

A. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by SFS hereunder shall in all respects be subordinate to the MLB Rules and Regulations and the Minor League Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations or the Minor League Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which County is granted rights is limited to, and nothing herein shall be construed as conferring on County rights in areas outside of, the Spring Training territory of the New York Mets as established and amended from time to time. No rights,

5

Periodically during the construction process, at such times as reasonably determined by SFS and County, the Architect will observe the conduct of construction of the New Improvements and notify County and SFS in writing of observed deficiencies in the Work being performed and deemed completed (including deficiencies which preclude the Work being deemed completed), notify the County and SFS of any item not in strict accordance with the final plans, and otherwise create a punchlist of minor finishing and adjustment in any other items which the Contractor has not finally completed in strict accordance with the final plans. Failure to include an item on the punchlist will not diminish the responsibility of the Contractor to complete the work in accordance with the final plans.

The Architect will perform, and ensure its subconsultants perform, all services in accordance with the professional standard of care governing architects working on projects of the same scale and complexity, in the same geographic market, as the New Improvements.

Procurement of Subcontracts

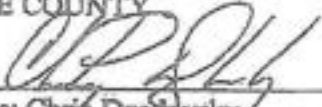

Following execution of this Facilities Use Agreement, County and FUA will cooperatively develop, seeking input from the Architect and Contractor selected per the terms hereof, a competitive and open procurement process for the procurement of all trade contractor work and supplies, which meets the following minimum requirements:

- SFS shall schedule and coordinate an advertised, public outreach meeting to brief the local and minority small business community on the project and opportunities. This outreach can be prior to or coordinated with the public advertisement and pre-submittal conference for the Contractor, and once selected the Contractor shall be required to schedule and coordinate a follow-up public outreach meeting. SFS and Contractor shall use good faith commercially reasonable efforts to foster local and minority business participation and specialty trade apprenticeship opportunities in accordance with the County's Apprenticeship Program (see attached) on the 2016 Improvements.

- Advertise for competitive bids or proposals on all trade packages exceeding \$500,000. Packaging of trade work shall be in a manner that fosters participation of local and small business and specialty trade apprenticeship opportunities. Apprenticeship Program Requirements:

Contractors shall be required to comply with the County's Apprenticeship Program, as follows:

- A. On County-funded construction projects which exceed \$300,000, twenty percent (20%) of laborers working in a specialty for which there are apprentice programs registered with the County shall be apprentices. Such apprentices shall be students in certified State of Florida Pre-Apprenticeship/Apprenticeship Programs which are located in St. Lucie, Martin, Indian River or Okeechobee Counties and which are registered with the County.
- B. A County-registered apprenticeship program is one which has registered with the County and provided the required documentation, including but not limited to, proof of certification as an apprenticeship program with the State of Florida and proof of having educational facilities physically located in St. Lucie, Martin, Indian River or Okeechobee Counties.
- C. Unless the apprenticeship requirement is waived by the County, the failure of the Contractor to demonstrate compliance with this requirement shall result in the Contractor's bid being deemed nonresponsive.
- D. The apprentice requirement may be waived or modified with the recommendation of the County Administrator, and appeal to the Board of County Commissioners:
 1. Upon request of the contractor, if the contractor can demonstrate that the required apprentices are not available despite a good faith effort on the contractor's part; or
 2. Upon request of the contractor, if the contractor demonstrates that the available apprentices are not sufficient to meet the required 20% and the contractor commits to utilizing a specific percentage of apprentices who are available; or
 3. If the County determines it is in the best interest of the County to waive such requirement based on potential savings of money and time or grant requirements.
- E. The agreed upon percentage and type of apprentices will be included as a requirement of the construction contract. Failure to meet the terms of the apprenticeship requirements may result in the contractor being found in breach of the contract and subject to possible monetary sanctions.

LUCIE COUNTY, a political subdivision of the State of Florida (the "County") and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company (the "Franchise") and was amended and restated on January 24, 2017. The purpose of this Addendum is to ensure that the Agreement at all relevant times continues to meet the requirements of section 288.11631, Florida Statutes.

WHEREAS, section 288.11631, Florida Statutes, is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State"). The Applicant and the Franchise acknowledge that the amount of State incentive funding provided by the State for the Facility is based on the continual use of the Facility by the Franchise for the duration of such incentive funding;

WHEREAS, the purpose of this Addendum is to ensure that the Agreement continuously meets the requirements of section 288.11631, Florida Statutes, and to ensure that the Florida Department of Economic Opportunity ("DEO") can properly and responsibly act as the steward of State funds; and

WHEREAS, it is recognized that the Agreement contains provisions designed to establish business, operational and other obligations and rights not directly related to section 288.11631, Florida Statutes or this Addendum, which provisions are not intended to be modified or affected by this Addendum except to the extent that they limit any rights or remedies of the State or DEO as provided for in this Addendum.

NOW THEREFORE, in consideration of the premises and the mutual covenants and obligations herein contained, and in order to induce DEO to certify Applicant pursuant to section 288.11631, Florida Statutes, the parties intending to be legally bound, hereby agree as follows:

- I. **DEFINITIONS:** Except as otherwise set forth herein, the definitions set forth elsewhere in the Agreement shall not apply to this Addendum and the definitions

set forth in this Addendum shall not apply elsewhere to the Agreement. All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum. The following definitions shall apply to this Addendum:

- A. **Major League Spring Training Home Games** shall mean, with respect to any Spring Training Season, those Spring Training games, as determined by Major League Baseball in its sole discretion, to be played by the Franchise's Major League Baseball Club as the home team at the Facility during such Spring Training Season.
- B. **Spring Training Season** shall mean the annual period during which Major League Baseball conducts Spring Training games in preparation for the Major League Baseball championship season generally running from February 1 through March 31 of each calendar year, but subject to change at the sole discretion of Major League Baseball.
- C. **Facility** shall mean the Applicant's professional sports facility for Spring Training of one or more Major League Baseball Clubs as well as minor league affiliates, including a stadium, team training facilities, practice fields, clubhouses, dedicated on-site parking areas, and other appurtenances and improvements, intended for use by the Franchise.
- D. **Applicant's Bonds** shall mean bonds or refunding bonds as described in section 288.11631(2)(a)(2), Florida Statutes.
- E. **Operative Agreements** shall mean the Agreement and this Addendum.
- F. **Franchise Spring Training Season** shall mean, with respect to any calendar year during the term of the Agreement, the use of the Facility by the Franchise's Major League Baseball Club for the full period of such calendar years' Spring Training Season.

II. TERMS AND CONDITIONS

- A. If the Franchise's Major League Baseball Club fails to play each and every one of its Major League Spring Training Home Games (each a "Missed Game") at the Facility during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or approved in writing by both the Applicant and DEO, then, the Franchise shall reimburse the State a portion of the State's yearly distribution applicable to such Franchise Spring Training Season determined by multiplying the amount of such yearly distribution by the fraction obtained by dividing the number of Missed Games by the number of Major League Spring Training Home Games scheduled for such Franchise Spring Training Season. For example, if Applicant is scheduled to receive \$1,000,000 in a year, and the Franchise has 2 Missed Games in a Franchise Spring Training Season that is scheduled to have 16 Major League Spring Training Home Games, the Franchise would be required to repay \$125,000 to DEO, because $\$1,000,000 \times (2 / 16) = \$125,000$. However, if the Franchise has four or more Missed Games during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or pre-approved in writing by the Applicant and DEO, then, at DEO's election, the Franchise shall be deemed to have relocated pursuant to section 288.11631(2)(a)2, Florida Statutes (a "Relocation"). A termination of the Agreement by either Applicant or by the Franchise does not excuse Franchise from reimbursing DEO as provided herein, due to the Franchise's Relocation. For the avoidance of doubt and for the sake of clarity, an international game, a game played during the Major League Baseball championship season, an exhibition game played in a Major League Baseball stadium or a game played against a college or university team shall not constitute a Major League Spring Training Home Game and therefore shall not constitute a Missed Game.
- B. **Repayment Obligation:** In the event of a Relocation the Franchise shall reimburse the State for the total amount of State distributions expected to be paid from the date of Relocation through the final maturity of the Applicant's Bonds,

pursuant to section 288.11631(2)(a)2, Florida Statutes, which reimbursement obligation (the "Addendum Reimbursement") is intended to satisfy, and shall not be duplicative of, the "State Reimbursement" as defined in Section 36 of the Agreement. The payment of the "Addendum Reimbursement" obligation is a partial remedy under terms of the Agreement in the event of a Relocation; provided that the payment of such reimbursement obligation by Franchise shall not release, reduce or otherwise modify any right or remedy available to County under terms of the Agreement in the event of a Relocation. Franchise acknowledges and agrees that nothing in this Addendum shall in any way, directly or indirectly, imply or impose upon County any intention, duty or obligation to mitigate damages in the event of a Relocation as the agreed upon remedies available to County in the event of a Relocation are provided in Section 18 of the Agreement, it being agreed that said matters have been fully considered and adequately addressed in the Agreement.

- C. **Force Majeure:** Notwithstanding the foregoing, the Franchise shall not be deemed to have a Missed Game to the extent its failure to play a Major League Spring Training Home Game at the Facility was due to an Event of Force Majeure (as defined below); provided, however, that the parties must make reasonable good faith efforts to mitigate the Event of Force Majeure. For the purpose of this Addendum, "Event of Force Majeure" shall mean and include any act of God, accident, fire, riot or civil commotion, act of public enemy, failure of transportation facilities, enactment, rule, order or act of government or governmental instrumentality (whether domestic or international and whether federal, state or local, except in the case of a rule, order or act by Applicant, or the international equivalent thereof), failure of technical facilities, severe inclement weather or any other cause of any nature whatsoever beyond the control of the parties (including a strike, lockout, or other labor dispute involving Major League Baseball and Major League Baseball players) which was not avoidable in the exercise of reasonable care and foresight. If an Event of Force Majeure causes the Franchise's Major League Baseball Club to fail to play at least fifty percent of a Franchise Spring Training Season at the Facility, the

parties agree that the Agreement shall be automatically extended beyond the Term (as defined in the Agreement) for one additional Franchise Spring Training Season.

- D. **MLB Requirements:** If Major League Baseball causes the Franchise's Major League Baseball Club to play less than fifty percent of a Franchise Spring Training Season at the Facility, the parties agree that the Agreement shall be automatically extended beyond the Term of the Agreement for one additional Full Spring Training Season.
- E. **Third Party Beneficiary:** The State, by and through DEO and DEO's successors and assigns, is an intended third party beneficiary of this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations imposed by, this Addendum. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any rights or remedies that the State or DEO may have under law.
- F. **Order of Priority:** In the event of a conflict between the terms of this Addendum and terms of the Agreement relating specifically to a right, obligation or remedy benefiting DEO which arises from section 288.11631, Florida Statutes or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Agreement, including any terms added to, amended in, or removed from the Agreement after the effective date of this Addendum; provided that this provision shall not be interpreted so as to release or modify any obligation, right or remedy provided in the Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the parties and the Executive Director of DEO. If any modification or amendment is made to either the Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on the rights of DEO under

3

this Addendum, such portion of that modification or amendment that has an adverse effect shall be void ab initio, and ineffective.

- G. **Recitals Incorporated:** The foregoing recitals are incorporated herein and made a part hereof by this reference.
- H. **Duplicate Terms:** Because this is an Addendum prepared without reference to the Agreement itself, it may duplicate some existing terms of the Agreement. Such duplication or restatement of terms shall be construed as intentional.

**ST. LUCIE COUNTY SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDED AND RESTATED AGREEMENT (the "Agreement"), made and entered into in triplicate as of January 24, 2017 (the "Effective Date"), by and between **ST. LUCIE COUNTY**, a political subdivision of the State of Florida ("County"), and **STERLING FACILITY SERVICES, L.L.C.**, a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, County owns the real property legally described on Exhibit "A" hereto (the "Land"), and all of the fields and improvements located thereon, including, without limitation, the lighted major league baseball stadium presently known as "Tradition Field" (the "Stadium"), and certain major and minor league training facilities, locker rooms, practice facilities, and related improvements (with the Land, Stadium and all fields and improvements hereinafter collectively referred to as the "Sports Complex"), as the Sports Complex is depicted on the site plan ("Site Plan") set forth in Exhibit "B" hereto.

WHEREAS, SFS desires to use, and County desires to permit SFS to use, the Stadium and the other facilities at the Sports Complex for the Term (as defined below) in accordance with the provisions hereinafter contained;

WHEREAS, throughout the Term, SFS shall cause the Sterling Mets, L.P. ("Club"), which owns and operates the franchises for the New York Mets major league baseball team and the St. Lucie Mets minor league baseball team to use the Sports Complex to conduct the following: (i) New York Mets Spring Training games; and (ii) during such time as Club owns or is party to a Player Development Contract with a Florida State League franchise, the home games of such franchise. The foregoing is subject to MLB Rules and Regulations, Minor League Rules and Regulations, and any changes by MLB, Minor League Baseball or the Florida State League;

WHEREAS, County and SFS entered into that certain Facilities Use Agreement dated as of November 15, 2016, (as amended, the "Original FUA");

WHEREAS, County and SFS desire to amend and restate the Original FUA by entering into this Agreement; and

WHEREAS, this Agreement shall amend, restate and supersede in its entirety the Original FUA, subject to the terms and provisions contained herein;

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, **IT IS AGREED AS FOLLOWS:**

1. **SITE: ADDITIONAL CAPITAL IMPROVEMENTS.**

The County warrants and represents that it owns the Land, Stadium, and the remainder of the Sports Complex including, without limitation, the fields and improvements thereon.

The parties further acknowledge and agree that, subject to the terms set forth herein and in the exhibits hereto, County shall permit SFS to construct additional capital improvements to the Sports Complex property during the Term, in accordance with the schedule, scope, specifications, designs and plans which shall be determined in accordance with the terms of Section 10. Upon the Completion (as such term is hereinafter defined) of the New Improvements (as defined below) the term "Sports Complex," as used herein, shall be deemed to include the New Improvements.

2. **SFS USE OF FACILITIES; TERM; TERMINATION OF PRIOR FUA.**

A. **Term:** SFS agrees to use the Sports Complex for a period commencing on the Effective Date and ending on December 31, 2042 (or such earlier date upon which this Agreement is terminated as provided herein) (the "Term"), subject to the terms and conditions hereof, for the following purposes (the "Permitted Uses"):

(i) SFS may use and permit the Club to use, and the County shall permit SFS and the Club to use, the Sports Complex during the Term of this Agreement for the following, subject to the priorities of use as set forth in Section 15 of this Agreement:

- Fantasy and Youth Baseball Camps
- New York Mets Spring Training (February - April)
- New York Mets Exhibition Season (March - April)
- Florida State League or any successor league (April - September)
 - Gulf Coast League or any successor league (June - August) (if applicable)
- Minor League Spring Training (April - June)
- Instructional League Play (September - November)
- Training and/or rehabilitation for baseball players, or (in the retail space currently subleased to Barwis Methods Training Center of Port St. Lucie, LLC) any athletes

To the extent that any use of the Sports Complex for the purposes set forth above in this Section 2(i) (not including fantasy and youth camps) involves professional baseball teams and players who are not affiliated with the Club (or with a major league baseball club affiliated with an assignee of SFS), then SFS (or, if applicable, SFS's assignee) will reimburse the County for its incremental costs arising directly from such use. County consents to SFS continuing to sublease retail space at the Sports Complex to Barwis Methods Training Center of Port St. Lucie, LLC or its affiliates for usage similar to that

occurring at the present time. SFS agrees that separate utility meters for the Barwis Center shall be installed as part of the New Improvements.

(ii) SFS, the Club and County shall each have exclusive use of certain office facilities at the Sports Complex as identified in Exhibit "K," on a year-round basis.

(iii) The staging, by or with the permission of SFS, of other baseball and non-baseball oriented events at the Sports Complex, including, without limitation, concerts, shows, conventions and political, religious and community events, subject to the scheduling provisions of Section 15 of this Agreement, except that SFS shall be permitted to conduct promotional events and other activities on the dates of baseball games played at the Sports Complex in SFS's sole discretion.

(iv) The radio, television, internet and other broadcast or transmission of SFS Events.

(v) All uses set forth below in Sections 6, 7, 8, 12 and 15 of this Agreement.

(vi) Any such other uses as shall be reasonably consistent with the foregoing.

All New York Mets and St. Lucie Mets (and, if any, GCL Mets (as defined below in Section 12)) activities at the Sports Complex during the Term of this Agreement, as well as all baseball games and other events staged at the Sports Complex by or under the sponsorship, control or authorization of SFS, are referred herein as "SFS Events." All events conducted or authorized by the County at the Sports Complex during the term of this Agreement (excluding all SFS Events) are referred to herein as "County Events."

B. As of the Commencement Date, the St. Lucie Sports Complex Facilities Use Agreement entered into as of August 1, 2003, as amended (the "Prior FUA"), shall terminate and be of no further force or effect and all obligations and rights thereunder shall be deemed superseded by the terms and condition of this Agreement. County hereby acknowledges that no payment is due from SFS pursuant to Section 19 of the Prior FUA.

3. MAINTENANCE.

A. County will, at its expense, at all times keep and maintain the Sports Complex (excluding the Player Academy Spaces (as defined below) and the Barwis Training Center) in good and clean order and repair suitable for a first-class major and minor league training, exhibition and playing complex, including without limitation maintaining the playing fields in a first-class condition appropriate for a Major League Baseball team, and in any event of a quality not less than the highest level of practiced professional baseball standards (the "Maintenance Standard") and in accordance with the specifications set forth in Exhibit "L" hereto. "Maintenance" shall mean the provision of all labor and materials that are required to (a) keep the Sports Complex in first-class good order and repair, and (b) keep the Sports Complex free of

debris. Maintenance shall include, without limitation, (i) performing all preventative or routine maintenance that is stipulated in operating manuals for equipment as regular, periodic maintenance procedures; (ii) regular maintenance procedures for the HVAC system, including periodic cleaning, lubricating and changing air filters; (iii) groundskeeping and maintenance of the athletic fields, including without limitation, seeding, mowing, watering and raking of the grassy areas and full maintenance of the balance of the playing fields, preparation of the fields at the start of each season and for practice sessions and games, maintenance, repair and replacement and painting of grandstands, fences, batter's background walls and other related items; (iv) changing of standard, isolated light bulbs, fuses and circuit breakers as they burn out; (v) cleaning all portions of the Sports Complex immediately after each SFS Event and County Event; (vi) all repairs other than Capital Repair Work (as defined in Section 4), (vii) repair and rehabilitation of parking areas; and (viii) touch-up painting. County shall employ a sufficient number personnel to maintain the Sports Complex (excluding the Player Academy Spaces and the Barwis Center) properly for use and play until the end of SFS's seasonal use of the facilities as delineated in Section 2. The County and SFS shall consult annually as to a reasonable program of management, operation, and maintenance of the facilities to be carried out during the coming year, and County shall be responsible for implementation of such a reasonable program at its expense.

B. SFS Maintenance Responsibility. At all times during the Term, SFS shall be responsible for performing all Maintenance of the Player Academy Spaces at the Sports Complex and (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC and paying all costs and expenses related thereto including payment of the cost of utilities, except to the extent such Maintenance is required due to the actions of the County or its contractors. SFS shall be solely responsible for any maintenance, restoration or repair related to damage occurring to the Sports Complex as a result of the negligent acts or willful misconduct of SFS or Club, its officers, agents and employees. SFS also shall be solely responsible for repair of any damage to the playing fields, structures, or other facilities that occur during non-baseball SFS Events.

C. In connection with the performance of the Maintenance, SFS shall have the right to cause the County to use products and/or services of its corporate sponsors if such products and/or services are reasonably comparable in price and quality to other alternatives available to the County; provided, however, that the County shall not be obligated to purchase such products and/or services if it would require the County to be in violation of any pre-existing written agreement with any third party or applicable law, including, without limitation, the County's obligations with respect to competitive bidding.

D. The County shall have no obligation to perform or pay for any Maintenance with respect to the Player Academy Spaces or (during such time that such space is occupied by a third-party subtenant) the space currently occupied by Barwis Methods Training Center of Port St. Lucie, LLC, except to the extent such Maintenance is required due to the negligence or willful misconduct of the County, its agents or employees.

4. CAPITAL REPAIRS.

A. All Capital Repair Work required during the Term shall be performed by the County and all costs and expenses related to the Capital Repair Work shall be the sole responsibility of the County and shall not be deducted from nor otherwise credited against the Additional Improvements Fund. "Capital Repair Work" shall mean (a) all capital modifications, replacements or additions to the Sports Complex that are reasonably necessary to keep the facilities and amenities of the Sports Complex in good repair and sound condition; and (b) repairs and replacements that are reasonably necessary to maintain the roof, foundation, HVAC and MEP systems and structural integrity of the Sports Complex, and preserve its usefulness for the purposes for which it is being used hereunder.

B. The County shall establish an account in the name of the County, designated as the "Capital Repairs Fund" for mutually agreed upon Capital Repair Work during the Term. The County shall contribute \$200,000.00 to the Capital Repairs Fund each year and SFS shall pay the County \$75,000 on March 1 during each year of the Term, which amount the County shall deposit the Capital Repairs Fund. The provisions of this Section 4.B shall not be construed in any way to limit the County's obligation to perform all Capital Repair Work.

5. ADDITIONAL IMPROVEMENTS.

A. The County shall establish an interest bearing account, in the name of the County, designated as the "Additional Improvements Fund," for mutually agreed upon Additional Improvements (as defined below) to benefit the Sports Complex during the Term, and all interest thereon shall be added to the Additional Improvements Fund. The County shall contribute funds to the Additional Improvement Fund in accordance with the schedule of contributions set forth in the attached Exhibit "C" (it being understood that County shall have up to six (6) months to cure any failure to make a payment in accordance with the schedule).

B. During the Term County shall fund, to the extent funds are available in the Additional Improvements Fund, certain additional improvements to the Sports Complex proposed by SFS and approved by the County, such approval not to be unreasonably withheld (the "Additional Improvements"). The Additional Improvements to be constructed and the schedule for the construction of the Additional Improvements shall be determined so as to provide material benefit to SFS to be enjoyed by SFS during the Term. SFS shall have the right to request that the County provide monies from the Additional Improvements Fund and the County will promptly honor such requests and deliver such funds to SFS or such other person or entity according to instructions from SFS for use as contemplated under this Agreement.

6. CONSIDERATION – PAYMENT.

A. For purposes of this Section 6.A "Year 1" means the 2017 calendar year, "Year 2" means the 2018 calendar year and so on through "Year 25" which is the 2042 calendar year. For each year of the Term starting in 2017, SFS will make a base rent payment to the County (the

"Base Rent") in an amount equal to 50% of Stadium Revenue from the New York Mets Spring Training games and the Florida State League franchise's games played at the Stadium (collectively, "Games"), provided that the Base Rent payment shall not exceed \$2,000,000 during each of Year 1 through Year 10, \$2,100,000 during each of Year 11 through Year 20, and \$2,250,000 during each of Year 21 through Year 25. The limit placed on the Base Rent payment each year of the Term shall be referred to herein as the "Base Rent Cap." In addition to the Base Rent, beginning in the year that immediately follows the year in which SFS makes its final payment to the County pursuant to Section 37 below and each year thereafter during the Term, if Stadium Revenue exceeds \$5,500,000 in such year, SFS shall make an additional rent payment to the County (the "Additional Rent") in an amount equal to the County percentage multiplied by the corresponding incremental amount of Stadium Revenue in excess of \$5,500,000 as set forth in the chart below (subject to reduction to the extent necessary to recoup Shortfall Payments as addressed below in this Section).

Stadium Revenue	SFS Percentage	County Percentage
Between \$5,500,001 and \$6,500,000	90%	10%
Between \$6,500,001 and \$7,500,000	75%	25%
More than \$7,500,001	50%	50%

For example, if Stadium Revenue in a year in which Additional Rent is due (a) is \$5,500,000 or less, SFS shall not make any Additional Rent payment; (b) is \$6,000,000, SFS will make an Additional Rent payment equal to \$50,000 (i.e., 10% of the \$500,000 between \$5,500,001 and \$6,000,000); (c) is \$7,000,000, SFS will make an Additional Rent payment equal to \$225,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000 plus 25% of the \$500,000 between \$6,500,001 and \$7,000,000); or (d) is \$8,000,000, SFS will make an Additional Rent payment equal to \$600,000 (i.e., 10% of the \$1,000,000 between \$5,500,001 and \$6,500,000, plus 25% of the \$1,000,000 between \$6,500,001 and \$7,500,000, plus 50% of the \$500,000 between \$7,500,001 and \$8,000,000)

For any year of the Term starting in 2017 in which Base Rent is less than \$2,000,000 SFS shall make a payment to the County (the "Shortfall Payment") from (but not more than) SFS's 50% share of Stadium Revenues, such payment being equal to the amount by which \$2,000,000 exceeds the Base Rent. SFS shall have the right to recoup all Shortfall Payments from Additional Rent payable to the County in subsequent years. In addition, the Base Rent Cap during each of Year 11 through Year 25 shall be reduced by the cumulative amount of Shortfall Payments that remain un-recouped at the time the Base Rent is due that year, provided that in no event shall the Base Rent Cap be less than \$2,000,000 in any year. To the extent Base Rent to the County is decreased because of the reduction in the Base Rent Cap in accordance with the previous sentence, the amount not paid to the County as a result of that reduction will be considered a recouped Shortfall Payment. (For example, if SFS makes its first Shortfall Payment to the County in Year 10 in the amount of \$125,000, then the Base Rent Cap in Year 11 will be reduced from \$2,100,000 to \$2,000,000, and if the Base Rent in Year 11 would have been \$2,100,000 had the Base Rent

Cap not been reduced, then (x) in Year 11 SFS would pay Base Rent to the County of \$2,000,000, (y) SFS will have recouped \$100,000 of its Shortfall Payment from Year 10, and (z) \$25,000 of SFS's Shortfall Payment from Year 10 will remain to be recouped from Additional Rent or future Base Rent Cap reductions. To the extent that Shortfall Payments made by SFS are not fully recouped by the date this Agreement terminates or expires, the County will pay SFS an amount equal to the cumulative total of all un-recouped Shortfall Payments from Tourist Tax Revenues collected by the County after termination or expiration of this Agreement until all Shortfall Payments are repaid to SFS.

Definitions:

"Stadium Revenue" means (i) SFS's adjusted gross ticket receipts from Games, plus (ii) SFS's gross sales receipts from food and beverage concession sales at Games, plus (iii) SFS's gross sales receipts from souvenir, novelty and game program sales at Games, plus (iv) the net profits (defined below) from parking at Games.

"Adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for Games, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. County will not levy any tax on the sale of tickets except as required by law.

"Gross sales receipts" means revenues received from food and beverage concession sales or souvenir and novelty sales at Games, as the case may be, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. County will not levy any tax on the sale of concessions, souvenirs or novelties except as required by law. In the event SFS elects to contract with an unaffiliated private firm to operate all food and beverage concessions and/or souvenir and novelty sales, then, in lieu of including all revenues received from food and beverage concession sales and souvenir and novelty sales at Games in gross sales receipts, SFS shall include in gross sales receipts only such portion of food and beverage concession revenues and souvenir and novelty revenues received by SFS from the contractor. Moreover, SFS's selection of an unaffiliated private firm to operate all food and beverage concessions or souvenir and novelty sales at the Sports Complex shall be subject to the approval of the County, which approval shall not be unreasonably withheld.

"Net profits" will be ascertained by reducing the revenues actually received by SFS from the sale of parking privileges for Games by reasonable labor costs incurred in operating the parking facilities on Games days and other reasonable expenses related to parking (e.g., cost of printing parking tickets and providing signage and flash lights).

B. **Advertising.** Subject to the terms of Section 7(C) hereof with respect to Naming Rights, County grants to SFS the exclusive right to display or permit others to display advertising material at all locations in the Sports Complex at all times during the Term (including, without limitation, advertising in game or other SFS Event programs), and the exclusive right to grant event sponsorship and promotional rights at the Sports Complex during SFS Events, as well as the

right to assign all or any portion of such rights to any third party including specifically to the Club. SFS shall have the right to display such advertising signs at all events held at the Sports Complex, including, without limitation, County Events. The County shall not be entitled to receive any of the revenues generated by SFS or its assignees through the sale of such advertising, sponsorships and promotions. SFS or its assignee shall retain one hundred percent (100%) of all revenues from advertising at the Sports Complex during the Term and from all sponsorships and promotions during SFS Events, and SFS shall have control over the type and content of all such advertising, sponsorships and promotions. County shall have the right to review and approve all such proposed advertising, provided that County shall have no right to object to any advertising except to the extent that such advertising is indecent or incompatible with the character and dignity of the Sports Complex; any proposed advertising shall be conclusively deemed neither indecent nor incompatible if it is comparable to advertising at any other Major League spring training or minor league baseball facility within the State of Florida. County may not sell or display signage at the Sports Complex without the prior written consent of SFS, in SFS's sole discretion, except that the County may display at the Sports Complex signage that is comprised solely of the insignia or logos of the County or that is required by public safety considerations or by local, state or federal regulations subject to the approval of SFS, which approval shall not be unreasonably withheld.

C. Parking. SFS reserves the right to charge reasonable fees for parking areas adjacent to the Stadium for persons attending SFS Events. SFS shall have the right to make parking spaces available at all times and without charge to authorized representatives, designees or personnel designated by SFS. County and SFS shall cooperate and develop a visitors pass procedure that will allow free parking to authorized representatives and guests of the County and SFS.

SFS shall include the net profits from parking at Games in Stadium Revenue as set forth above. For all SFS Events other than Games, SFS shall retain one hundred percent (100%) of all parking receipts. For County Events at the Sports Complex, County shall operate all parking at its sole expense and shall retain all proceeds.

D. Intentionally Omitted.

E. Rent for Use of Stadium. The rental payment by SFS for use of the Stadium shall be the payments from SFS to County as provided above in Section 6.A. Except as otherwise specifically provided in this Agreement, only one payment shall be made each year of the net amount due from SFS to County, which annual payment shall be made prior to the commencement of the following Major League Spring Training season. County and SFS agree that such amounts paid by SFS to County shall be deemed to be the rent payment for the use and occupancy of real property pursuant to Section 212.031, Florida Statutes. In addition to the requirements of Paragraph 9(C), SFS shall provide the County with an annual accounting of revenues and expenses in sufficient detail for audit purposes at the same time the annual payment is made.

F. County Revenues. SFS shall pay to County thirty-three percent (33%) of SFS's gross sales receipts from food and beverage concession sales at all County Events, with SFS

retaining the other sixty-seven percent (67%). As used in this Section 6(F), "gross sales receipts" means revenues received from food and beverage concession sales, less any and all taxes and tax surcharges and fees due to any governmental or taxing authority for such sales related thereto. However, County shall not levy any tax on the sale of concessions except as may be required by state law. For all County Events, County shall retain one hundred percent (100%) of the adjusted gross ticket receipts but shall reimburse SFS for all pre-approved out-of-pocket expenses incurred by SFS in connection with each such event. As used in this Section 6(F), the term "adjusted gross ticket receipts" means all revenues actually received by SFS from ticket sales for County Events at the Sports Complex, less any and all taxes and tax surcharges or fees due to the governmental or taxing authority for ticket sales related thereto. However, County shall not levy any tax on sale of tickets except as required or authorized by state law.

G. Parking Revenues from Adjacent Businesses. Subject to the approval of SFS, which approval shall not be unreasonably withheld, the County shall have the right to allow local businesses with offices adjacent to the Stadium ("Adjacent Businesses") to utilize the Stadium parking area depicted on Exhibit "N" hereto (the "Business Parking Area") on a nonexclusive basis provided that the use of the Business Parking Area by local businesses shall not conflict with use of the Business Parking Area by SFS or the County for SFS Events or County Events. The parties agree that the first \$100,000 in total revenues received during the Term from the use of the Business Parking Area by the Adjacent Businesses shall be retained by the County to reimburse the County for the actual cost incurred by the County to construct improvements to the Business Parking Area, and thereafter, the County shall deposit all revenues received from use of the Business Parking Area by the Adjacent Businesses into the Capital Repairs Fund. The County shall be responsible for all damage and expenses resulting from use of the Business Parking Area by Adjacent Businesses.

7. TELEVISION - RADIO REVENUE; LUXURY SUITE REVENUE; NAMING RIGHTS.

A. Television - Radio Revenue.

It is expressly acknowledged and agreed by and between the parties, that the County shall receive no revenues from the radio or television broadcast or other transmission (including, without limitation, over cable or the Internet) of or relating to any SFS Events, nor shall the County participate, in any manner, in determining when said SFS Events shall be broadcast or otherwise transmitted. SFS has the exclusive right to sell television and radio broadcasting and other transmission rights for SFS Events and to permit others to sell such television and broadcasting and other transmission rights, and SFS or such other authorized party shall retain all revenues resulting therefrom.

B. Suite Revenue.

SFS shall manage and control the rental of any luxury suites at the Stadium, including without limitation any luxury suites constructed as part of the New Improvements, for

all events at the Sports Complex during the Term. County and SFS shall each be entitled to use and authorize others to use one luxury suite for all events during the Term, without charge to County or SFS for their occupancy of the respective suites. All other luxury suites are to be rented on a yearly basis, and SFS shall retain one hundred (100%) percent of adjusted gross revenue from the rental of luxury suites. The lessee of any luxury suite will receive admission tickets to the luxury suite for all New York Mets spring training games and all St. Lucie Mets games at no additional charge. The lessee of any luxury suite will also have the right to purchase admission tickets to the luxury suite for any other event held at the Stadium during the year, and if such tickets are purchased: (i) for all SFS Events other than New York Mets spring training games and St. Lucie Mets games, SFS shall retain one hundred (100%) percent of the adjusted gross revenue from the sale of such admission tickets; and (ii) for all County Events, SFS shall retain ten (10%) percent of the adjusted gross revenue from the sale of such admission tickets and shall pay to the County the remaining ninety (90%) percent. As used in this Section 7(B), the term "adjusted gross revenue" means all revenues actually received by SFS from the rental of luxury suites that is attributable to the particular event at issue, and all revenues actually received by SFS from the sale of tickets granting admission to the luxury suites for the event, less any and all taxes and tax surcharges or fees due to any governmental or taxing authority related thereto. Revenues from food and beverage sales in luxury suites will be included in gross sales receipts as set forth in Section 6(A) above.

C. Naming Rights.

SFS or its designee shall have the sole and exclusive right to designate the name of the Sports Complex and/or its constituent parts and to grant one or more third parties (i) the right to include such party's name, product name and/or logo and/or corporate identifiers in the name of the Sports Complex and/or its constituent parts, (ii) the right to have such name and/or logo and/or corporate identifiers prominently displayed on the interior and the exterior of, and on and around the entrances to the Sports Complex and/or its constituent parts, and on the Sports Complex apron, as part of the name of the Sports Complex, and (iii) such other nonexclusive rights which are customarily included in the grant of the rights in clause (i) and (ii) above (such rights are hereinafter referred to as the "Naming Rights"), and provided that such name and/or logo and/or corporate identifiers shall not be obscene nor shall it be unlawful to use the same. For avoidance of doubt, SFS retains all revenues with respect to Naming Rights.

For so long as both this Agreement and the agreement granting Naming Rights remain in effect, the Stadium and the Sports Complex shall be referred to by the name(s) selected pursuant to this Section 7(C), and neither party shall advertise or refer to the Stadium or the Sports Complex by any other name. The Stadium and the Sports Complex names selected pursuant to this Section 7(C) shall be used by the parties when referring to the Stadium and the Sports Complex in any of their correspondence, press releases, promotional materials, advertisements and/or publications, and shall be used by County on all related directional traffic and pedestrian signs on highways, local streets, and all public thoroughfares in and around the Sports Complex and St. Lucie County, Florida. Notwithstanding the above, the parties agree that the County's logo shall

be permanently displayed at locations in the Stadium and Sports Complex as mutually agreed upon by the parties.

County shall retain the right to market for sale to a third party the right to include such party's name, product name and/or logo in the official name of the football/soccer field across from the Sports Complex (the "Football/Soccer Naming Rights"). Any agreement with respect to the Football/Soccer Naming Rights shall be subject to the approval of SFS, which approval shall not be unreasonably withheld, provided that the withholding of approval shall be conclusively deemed reasonable if the proposed agreement is with a competitor of any entity that has an advertising or naming rights agreement with SFS or Club at any facility.

D. Other Revenues.

Except as otherwise expressly stated and specified in this Agreement, SFS shall be entitled to retain all revenues related to the Sports Complex.

E. Recognition of Contributions of Thomas J. White, Sr.

Wholly separate from any naming rights for the Sports Complex or the Stadium, County and SFS agree to continue to recognize the contributions of Thomas J. White, Sr. in a manner similar to how such contributions are currently recognized at the Sports Complex and Stadium.

8. TICKET SALES; PROGRAM SALES, CONCESSIONS AND PARKING.

SFS has the exclusive right to operate ticket sales, program sales, and parking lots in connection with SFS Events during the Term of this Agreement, and has the right and discretion to contract with or authorize one or more other persons or entities to operate ticket sales, parking and/or game program sales at the Sports Complex at or in connection with SFS Events.

SFS has the exclusive right and discretion to sell and authorize others to operate concessions for the sale of food and beverages (including, without limitation, catering, hospitality and picnic services), novelties, souvenirs and paraphernalia at the Sports Complex during the Term of this Agreement. The County reserves the right to schedule special events in the parking lot during non-baseball scheduled events at which concessions will be sold; SFS will operate concessions at such special events in accordance with its exclusive right to operate concessions at the Sports Complex during the Term, and will cooperate with the County with respect to the providing of concessions to community and charitable groups at such special events. During the Term of this Agreement, SFS shall provide good quality concession services to the public. SFS will use commercially reasonable efforts to restrict patrons from bringing any food, beverages (including alcoholic beverages) or beverage containers into the Sports Complex. Prior to the start of each season, SFS will provide the County with notice of the pricing for tickets, programs, concessions and parking.

No new coin or currency operated vending machines shall be installed or located within the Sports Complex by SFS without the written permission of the County's Parks and Recreation Director, which permission shall not be unreasonably withheld. Except as otherwise permitted under this Agreement, SFS will not install permanent fixtures or construct permanent improvements at the Sports Complex without the County's prior consent, which consent shall not be unreasonably withheld.

9. **BOOKS, RECORDS AND AUDIT.**

SFS and County agree to keep accurate books and records in accordance with generally accepted accounting practices of their respective operations at the Sports Complex. SFS agrees to submit to the County, on a quarterly basis, a report containing accurate attendance information in a form agreed to by all parties. In addition, the parties agree as follows:

A. SFS shall submit daily sales (ticket, parking, program and concessions) reports within thirty (30) days following the last Game of Spring Training and thirty (30) days following the last Game of the Florida State League season.

B. All related books and records regarding ticket, parking, program and concession sales shall be jointly available to the County for suitable annual audit at a time mutually agreed to by the parties. Any audits must be performed within twelve (12) months after the end of each year of operation (January 1 - December 31). SFS shall have the same right to audit the books and records of any County operation under this Agreement, and shall have the right to review the County budget and related documents at any time upon reasonable notice.

10. **NEW IMPROVEMENTS.**

A. **NEW IMPROVEMENTS - BUDGET.**

The County intends to issue bonds, the ("New Improvement Bonds") which will be used to finance certain improvements to the Sports Complex described on Exhibit "D" hereto (the "New Improvements"). If the County does not issue the New Improvement Bonds and fully fund the New Improvements Budget (as defined below) by April 1, 2017 SFS shall have the right to nullify and void this Agreement, by providing written notice to the County, provided that the County shall have seven (7) days following its receipt of such notice from SFS to issue the New Improvement Bonds, and if the New Improvement Bonds are issued by the end of such seven (7) day period then the written notice provided shall be ineffective. If this Agreement is nullified and voided as set forth in the immediately preceding sentence, the parties agree that the Prior FUA shall be reinstated and the terms and conditions of the Prior FUA shall govern the rights and obligations of SFS and the County. The County will designate SFS as the agent of County for the purpose of coordinating the New Improvements, with the scope of the New Improvements to be determined by SFS and approved by County, and the County will provide cooperation appropriate for the design and construction of the New Improvements. The parties agree that the New Improvements will include, without limitation, Stadium upgrades, a new entrance, walk way

connector around the outfield, one new field and other field enhancements, Mets player academy facilities consisting of dormitories, a cafeteria and an auditorium (the "Player Academy Spaces") (which shall only be used by Mets personnel and shall not be available for use by the general public), little league/softball complex, new major and minor league clubhouses, offices and locker rooms, and other improvements as may be determined and approved by SFS and County. The County shall provide \$55,000,000 of funding (the "New Improvements Budget") for the design and construction of the New Improvements.

Nothing in this Agreement shall obligate the County to provide funding for the New Improvements in excess of the New Improvements Budget. SFS shall have the right, upon notice to, and consultation with, the County, to reduce the scope of the New Improvements and make other modifications that SFS reasonably determines are required in order to keep the project from going over the New Improvements Budget, provided that if SFS determines that it does not wish to reduce the scope of the project and the project goes over the New Improvements Budget as a result, SFS shall be solely responsible for the overage. The New Improvements Budget shall be used to fund the New Improvements only and for no other purpose (except as provided herein). County will contract to have an economic impact statement prepared, addressing the impact from Major and Minor League Baseball at the Sports Complex and the Improvements, it being understood that the cost of such statement shall be paid by the County and shall not be included in the New Improvements Budget.

Upon execution of this Agreement County will provide SFS with a fund in the amount of \$500,000 (the "Fund") to pay for costs incurred in connection with the New Improvements prior to the County's issuance of the New Improvement Bonds. To the extent that the Fund is expended prior to the County's issuance of the New Improvement Bonds, the County will replenish the Fund with amounts sufficient to cover the additional costs expected to be incurred in connection with the New Improvements prior to the County's issuance of the New Improvement Bonds. All amounts provided by the County to SFS in the Fund shall be reimbursed to County upon issuance of the New Improvement Bonds.

B. NEW IMPROVEMENTS - PLANS.

1. County, for the benefit of SFS and County, shall competitively procure an architect reasonably satisfactory to both parties (the "Architect" referred to in this Section 10) in accordance with Florida Law and County Procurement Policy. The Architect shall be responsible for, *inter alia*, (1) developing a conceptual plan and general specifications (the "Conceptual Plans" referred to in this Section 10) for the New Improvements; (2) developing preliminary plans and specifications for the New Improvements; (3) preparing working drawings and requests for bids; (4) obtaining all permits, other than building permits, needed to construct the New Improvements; (5) assisting SFS in evaluating the qualifications of potential contractors; (6) providing contract administration; and (7) performing construction inspections as needed to provide certified as-built drawings after the New Improvements are constructed (the "Architect's Work" referred to in this Section 10). SFS shall enter into a contract (the "Architect's Contract" referred to in this Section 10) with the selected Architect with terms that are fair, competitive and reasonable as required by

Section 287.055 (5) and (6) of the Florida Statutes, and which shall, *inter alia*, contain the terms and conditions set forth in Exhibit "E" hereto. The County shall be named as a third party beneficiary in the Architect's Contract. The County shall, upon request, enter into a joinder to the Architect's Contract substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc. Without limiting the foregoing, the Architect's Contract shall require the Architect to procure policies of insurance that relate to the Architect's Work, with terms, limits, coverages and specifications at least as favorable for SFS as those reflected in Exhibit "E", and SFS and the County shall be designated as Named Insureds on all applicable policies. The Contract should also provide that Architect will not receive payment for any portion of the Architect's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(b) below. SFS shall have the right to refuse to enter into any Architect's Contract with terms that are not fair, competitive and reasonable as required by Section 257.055 (5) and (6) of the Florida Statutes. County, through its Board of County Commissioners, shall have final approval rights to the negotiated Contract limited to whether the Contract terms are fair, competitive and reasonable. County agrees that the Architect shall not be considered an agent of SFS for any purpose and that the Architect shall be solely responsible for the Architect's Work, and that the County will look solely to the Architect and its carriers, and in no event to SFS, with respect to the performance of the Architect's Work and any damages or losses which may arise from or out of any acts or omissions of the Architect except to the extent caused by any negligent acts or omissions of SFS or its agents or representatives.

2. Contemporaneous with procurement of the Architect, the County shall, through currently pending RPQ No. 16-049, competitively procure a consultant to provide Program Manager Consulting Services on its behalf, serving as the point of contact of the County for all project development interaction involving SFS, Architect and Contractor.

3. SFS shall cause Architect to furnish to County the Conceptual Plans for the New Improvements. County, through its Board of County Commissioners, shall have a period of twenty (20) days from delivery of the Conceptual Plans within which to review and to disapprove of the Conceptual Plans, in writing. County shall have no right to disapprove of the Conceptual Plans except to the extent that the improvements described therein are materially inconsistent with the description of the New Improvements set forth on Exhibit "D" hereto or to the extent the Conceptual Plans reflect estimated costs in excess of the New Improvements Budget. Subject to the foregoing, County shall not unreasonably withhold its consent to any Conceptual Plans. If County disapproves of the Conceptual Plans, County shall express the grounds for its disapproval in reasonable detail. If County shall not disapprove within such twenty (20) day period, the Conceptual Plans shall be deemed approved.

4. As soon as is reasonably practicable following the approval of the Conceptual Plans, SFS shall cause Architect to prepare and deliver to County and SFS preliminary plans and specifications for the New Improvements in accordance with the approved Conceptual Plans (the "Preliminary Plans" referred to in this Section 10). County, through its Board of County

Commissioners, and SFS shall have a period of twenty (20) days within which to review and to approve or disapprove of the Preliminary Plans in writing. County shall have no right to disapprove of the Preliminary Plans except to the extent the Preliminary Plans are materially inconsistent with the Conceptual Plans. If County or SFS disapprove of the Preliminary Plans, it or they shall express the grounds for its disapproval in reasonable detail. If County or SFS shall not respond with disapproval within such twenty (20) day period, the Preliminary Plans shall be deemed approved.

5. As soon as is reasonably practicable following the approval of the Preliminary Plans, SFS shall cause the Architect to prepare working drawings for the New Improvements (or such of the New Improvements as shall be designated by SFS), in accordance with the approved Preliminary Plans and to deliver same to County and SFS (the "Final Plans" referred to in this Section 10). County, through its Board of County Commissioners, and SFS shall have a period of twenty (20) days from receipt of the completed Final Plans to review and approve or disapprove of the Final Plans in writing. County shall have no right to disapprove of the Final Plans except to the extent such Final Plans are materially inconsistent with the Preliminary Plans. If County or SFS shall disapprove of the Final Plans, it or they shall express the grounds for its disapproval in writing and in reasonable detail. If neither County nor SFS disapprove within such twenty (20) day period, the Final Plans shall be deemed approved. Once approved, the Final Plans shall be incorporated into this Agreement as Exhibit "F".

6. County, for the benefit of SFS and County, shall, through a publicly advertised competitive bidding or proposal process, in accordance with Florida law and County Procurement Policy, competitively procure a contractor (the "Contractor" referred to in this Section 10) for the construction of the New Improvements in accordance with the Final Plans (the "Work" referred to in this Section 10). SFS shall have input on the qualifications and selection of contractors, with two members appointed by SFS to a five-member selection committee, with the remaining three members appointed by County, and to refuse to engage any contractor upon terms that are not fair, competitive and reasonable as determined by SFS. The final terms of the agreement between SFS and the Contractor (the "Construction Contract" referred to in this Section 10), and any Guaranteed Maximum Price amendments or agreements, shall be subject to the approval of the County, through its Board of County Commissioners, limited to whether the Construction Contract terms are fair, competitive and reasonable. SFS shall enter into a Construction Contract along with terms that are fair, competitive and reasonable and the terms set forth below, with the selected contractor.

7. The Construction Contract shall, *inter alia*, include the terms and conditions set forth in Exhibit "G" hereto and shall include each of the following requirements related to all work under the Construction Contract ("Work"): (i) the furnishing of a public construction bond in a form consistent with Section 255.05, Florida Statutes, with the County named as co-obligee, and with terms acceptable to SFS; (ii) competitive procurement of all Subcontractors work and supplies as set forth in Subsection 7(d) below ("Procurement of Subcontracts"); (iii) retainage in an amount acceptable to SFS for the Work, until the Completion of the Work (including a retainage of 10% of the total value of the construction contract) and required reductions at 50% completion

as set forth in Section 255.078, Florida Statutes; (iii) payment by the Contractor of liquidated damages equal to One Thousand Dollars (\$1,000.00) for each day from and after the Required Completion Date (if and as that term or its equivalent is defined in the Construction Contract) until the actual date of Completion; (iv) a requirement that the Contractor perform and achieve Completion of the Work for a Guaranteed Maximum Price or fixed stipulated sum referred to in this Section 10), by no later than the Required Completion Date; (v) the furnishing of an "installation floater" insurance policy or such other policy of insurance covering goods in transit and while the Work is being performed, with terms, limits, coverages and specifications acceptable to SFS (and the furnishing by any subcontractors of policies of insurance that relate to the Work naming SFS, Club and the County as additional insureds, with terms, limits, coverages and specifications acceptable to SFS); (vi) at SFS's election, the provision on behalf of SFS of an Owner's Contractor Protective policy of insurance, including extensions for products and completed operations coverage and similar extended coverage at least through Completion (as defined herein) of the Work, or another policy of insurance acceptable to SFS, with SFS as a named insured; (vii) the County shall be named as a third party beneficiary in the Contract; and (viii) Contractor must agree that it will not receive payment for any portion of the Contractor's Work or any other amounts due until the date that is at least five (5) days after County has paid the amount due to SFS as set forth in Section 10(C)(9)(c) below. The County shall be named as a third party beneficiary in the Contract between the Contractor and SFS. The County shall, upon request, enter into a joinder to the Contract between the Contractor and SFS substantially similar to the joinder entered into by the County dated October 21, 2003 in connection with the Construction Contract dated as of August 1, 2003 between SFS and Rodda Construction, Inc.

8. As required by Section 119.0701, Florida Statutes, in all contracts competitively procured for services related to the New Improvements, including the Architect as set forth in Section 10(B)(1) and Contractor as set forth in Section 10(B)(4), SFS shall include in each such Contract, the following Notice in capital letters, 14-point boldfaced type:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (772) 462-1441, bellamys@stlucleco.org, COUNTY ATTORNEY'S OFFICE, 2300 VIRGINIA AVENUE, FORT PIERCE, FL 34982.

SFS shall also include in each such Contract, a requirement that the contracting party comply with the following requirement of Florida's Public Records Law:

1. Keep and maintain public records required by the public agency to perform the service.
2. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.

4. Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

9. SFS agrees to include the following provisions (or substantively equivalent provisions) in the Construction Contract:

(a) Punchlist Procedures. Punchlist procedures to render the Work complete, satisfactory and acceptable are established as follows:

There shall be the development of a single checklist of items required to render complete, satisfactory, and acceptable, the Work. No more than ten (10) days prior to Contractor's expected Substantial Completion of the Work as defined in the Construction Contract, Contractor shall schedule a walkthrough with SFS and the County ("Initial Walkthrough" a/k/a "IW"). The purpose of the IW is to develop a checklist ("Checklist") of items to be performed by the Contractor, based upon observations made between the Contractor, SFS and the County during the IW.

No later than forty (40) calendar days after reaching Substantial Completion, Contractor shall again initiate and request a second walkthrough of the Project with SFS and the County. The purpose of this second walkthrough is to identify which items remain to be performed from the IW Checklist and for the purpose of developing a single and Final Punchlist.

The intent of this section is for SFS, County and the Contractor to cooperate to develop a single Final Punchlist to be completed no later than sixty (60) calendar days from the date of reaching Substantial Completion of the Work as defined in the Construction Contract. The single Final Punchlist shall be delivered no later than five (5) calendar days after the Punchlist has been developed and reviewed in accordance with this section. If the Work provided in this Construction Contract relate to more than one building or structure, or involves a multi-phased project, the single Final Punchlist is required to render complete, satisfactory, and acceptable all the Work for each building, structure, or phase of the Project and is due within the time periods set forth in this section.

In no event may the Contractor request payment of final retainage until the Final Punchlist is 100% complete.

Contractor agrees to complete the Final Punchlist items and the Final Contract Completion Date must be thirty (30) calendar days after the delivery date of the Final Punchlist. The failure to include any corrective work or pending items not yet completed on the list does not alter the responsibility of the Contractor to complete all the construction services purchased pursuant to this Construction Contract.

Contractor acknowledges and agrees that no item contained on the Final Punchlist shall be considered a warranty item until such time as (a) the Final Punchlist is 100% complete, and (b) SFS has been able to operate or utilize the affected Punchlist item for an additional period of fifteen (15) days.

Contractor acknowledges and agrees that SFS may, at its option, during performance of the Work and prior to Substantial Completion, issue lists of identified non-conforming or corrective work for the Contractor to address. The intent of any such generated list prior to Substantial Completion is to attempt to streamline the Punchlist process upon achieving Substantial Completion, and to allow for the Contractor to address needed areas of corrective work as they may be observed by SFS during performance of the Work.

Contractor acknowledges and agrees that SFS shall determine whether an item on the Final Punchlist is completed and shall calculate the amount of payment to withhold if an item is incomplete, with SFS having the right to withhold the greater of 150% of the value of the item on the Final Punchlist that is incomplete or the amount of the retainage under this Construction Contract. Contractor acknowledges and agrees that in calculating the amount of payment that may be withheld by SFS as to any Final Punchlist item for which a good faith basis exists to determine that it is incomplete, SFS may, in calculating the amount equal to 150% of the value of the item (if SFS decides to withhold such amount rather than the amount of the retainage under this Construction Contract), include within such percentage calculation its total costs for completing such item of work, including its administrative costs as well as costs to address other services needed or areas of work which may be affected in order to achieve full completion of the Final Punchlist item. Such percentage shall in no event relate to the schedule of value associated with such Work activity, but rather total costs are based upon the value (i.e. cost) of completing such Work activity based upon market conditions at the time of Final Punchlist completion.

(b) **Reduction of Retainage Procedures.** After the Contractor has achieved fifty percent (50%) completion of the Work, retainage from subsequent Pay Applications shall be reduced to five percent (5%). Contractor may request a reduction of retainage previously withheld from ten (10%) percent of the total value of the Construction Contract to five (5%) percent after fifty (50%) percent completion of the Work which SFS shall authorize for payment unless justification for withholding exists, as permitted by Section 255.078, Florida Statutes. The term "Fifty Percent Completion" shall be defined as follows, in lieu of any other definition:

55

"Fifty Percent Completion" of the Work is defined as that point in time where 50% of the overall value of Work items incorporated and which will remain in place subsequent to final completion of the Work have been completed, based upon the schedule of values contained in the Contract. As such, and by way of example, the value of Contractors mobilization, general conditions, supervision or like items which do not involve permanent incorporation of Work do not apply to the determination of "Fifty Percent Completion" of the Work for purposes of establishing entitlement to a reduction of retainage.

(c) **Definition of Substantial Completion.** For purposes of this Construction Contract, and for compliance of those procedures, duties and obligations, the term Substantial Completion shall be as follows, in lieu of any other definition:

55

"Substantial Completion" is defined as that point where SFS and the County are able to enjoy beneficial occupancy of the Work and where the Work has achieved that level of completion such that SFS and the County are able to utilize the entire Project for its intended purposes, including but not limited to the completion of all specified systems and items relating to life safety and regulatory use, with the exception of incidental and incomplete items except where a lack of completion of such incidental or incomplete items of Work will adversely affect the complete operation of other areas of the Work, to the satisfaction and approval of all authorities having jurisdiction.

(d) **Procurement of Subcontracts.** All subcontracts exceeding \$500,000 shall be and competitively awarded in accordance with the process set forth in Exhibit "O".

(e) **Contractor Self-Perform Work.** Upon approval by SFS, Contractor and any Related Entities as defined below, may use its own forces to perform a portion of the Work, as long as the cumulative percentage of the total self-performed construction work does not exceed 25% of the Total Cost of the Work for the Project, as reflected in the approved GMP or latest approved estimates. SFS reserves the right to limit instances of self-performance to certain Work. There is no guarantee that any self-performed work will be allowed. Related Entities are prohibited from submitting competing bids or proposals and shall be disqualified for doing so, unless authorized hereunder. When authorized in advance to submit a competitive bid, the Contractor or Related Entity must submit its bid to SFS, at least forty-eight hours prior to the bid opening date and time. "Related Entities" means any parent company, affiliates, subsidiaries, or other entities having common ownership or management with that of the Contractor or a subcontractor.

10. County agrees that the Contractor shall not be considered an agent of SFS for any purpose and shall be solely responsible for the Contractor's Work, and that the County will

look solely to the Contractor and its carrier(s) and surety bond(s), and in no event to SFS, with respect to the performance of the Contractor's Work and any damages or losses which may arise from or out of any acts or omissions of the Contractor except to the extent caused by the negligent acts or omissions of SFS or its agents or representatives.

11. SFS shall have the right to purchase general construction liability insurance or other construction-related insurance acceptable to SFS, with terms, coverages, specifications and limits as determined by SFS as being reasonable in its sole discretion. The cost of such insurance shall be included in the Total Cost of the Work (as defined in Section 10(B)(12)). County shall be an additional insured on such insurance policy, if any is purchased by SFS.

12. The Total Cost of the Work defined herein shall be paid by the County in accordance with the procedures set forth in Section 10(C)(9), below, out of the New Improvements Budget. The term "Total Cost of the Work" referred to in this Section 10 shall mean the sum of (i) the fees and expenses of the Architect in connection with all stages of the Architect's Work hereunder, including without limitation the Architect's consultants' fees and expenses, and all fees and expenses related to the obtaining of permits needed to construct the New Improvements, plus (ii) the Construction Contract Price, plus (iii) the fees and expenses of any consultants engaged directly for the design and construction of the New Improvements which are approved in advance by the County and competitively procured in accordance with Florida law (including the Program Manager under RFQ No. 16-049), plus (iv) any other approved costs, expenses or liabilities incurred by SFS as a consequence of SFS's engagement of the Contractor, Architect or other consultants hereunder, including but not limited to SFS's attorneys' fees in connection therewith, plus (v) the costs of all permits required for the Work, plus (vi) the premium cost of all insurance, including without limitation comprehensive general liability insurance, general construction liability insurance, products and completed operations or other extended insurance, or other insurance acceptable to SFS, as SFS may elect to obtain with County's advance approval, whether directly or through another person or entity acting on SFS's behalf, as a consequence of SFS's engagement of the Architect and Contractor hereunder (referred to in this Section 10 as the "Additional Exposure Liability Insurance Coverage Insurance Premiums"). The Total Cost of the Work shall be subject to increase only as a consequence of Authorized Change Orders (as defined in this Section 10), to the extent such Authorized Change Orders actually increase the Total Cost of the Work; provided, however, that the County's obligations shall be limited to the New Improvements Budget. As between SFS and the County, SFS shall be solely responsible for any and all cost of the Work exceeding the New Improvements Budget. The Total Cost of the Work shall not include any other costs or fees whatsoever, including, without limitation, fees for construction, coordination, supervision or for review and approval of plans and specifications or proposed Change Orders by SFS or County, except as otherwise specifically set forth in this Agreement.

C. NEW IMPROVEMENTS – CONSTRUCTION.

1. Promptly following the execution of the Construction Contract and the issuance of all required approvals and permits, SFS shall cause the Contractor to commence the

Work and to diligently and continuously pursue the Work to Completion. The term "Completion" as used in this Section 10 shall mean the completion of the Work, as evidenced by the issuance of a temporary or final certificate of occupancy or completion, as applicable, and the completion of all "punch-list" items.

2. County will cooperate in good faith to assist Architect and Contractor in obtaining all permits required for the construction of the Work from all applicable governmental authorities.

3. There shall be no change to the Final Plans, except pursuant to an Authorized Change Order (as such term is defined below). SFS shall have the right to request changes in the Work. As used in this Section 10, an "Authorized Change Order" shall mean a written instrument initiated and prepared by SFS and signed by County if required herein (or deemed approved as set forth herein), SFS and the Architect stating their agreement upon all of the following: (i) the agreed change in the Work; and (ii) the extent of the adjustment in the Total Cost of the Work, if any. County shall have a period of ten (10) business days following receipt of a request to approve a Change Order within which to review and approve same. If County fails to respond within such ten (10) business day period after the receipt of the proposed Change Order, then such proposed Change Order shall be deemed approved provided, however, that in no event shall the County be obligated to pay any costs associated with Change Orders in the event such costs cause the Total Cost of the Work to exceed the New Improvements Budget without a separate written consent from the County identifying the additional funds to be provided. Such separate written consent shall not be deemed to have been provided by the County's failure to object to a Change Order. County shall not unreasonably withhold its consent to any proposed Change Order except the County shall have the absolute right to deny any Change Order request that would cause the New Improvement Budget to be exceeded unless SFS agrees to be solely responsible for the overage. County has the right to suggest Change Orders to SFS, and SFS agrees to consider each County request for a Change Order in good faith, provided that any Change Order proposed by County shall not have the effect of increasing the Total Cost of the Work, and to initiate an Authorized Change Order as set forth in this paragraph if SFS determines that such a Change Order is appropriate. Changes in the Total Cost of the Work due to an Authorized Change Order shall be limited to the actual net increase in the cost included in the definition of the Total Cost of the Work.

4. SFS and the County shall have the right to monitor the construction progress of the New Improvements at all times, provided that County shall not give direction, whether verbally or in writing or otherwise, to any Contractor, Architect or consultant engaged by SFS, except in an emergency situation. SFS understands that County shall procure a Program Manager to serve as its representative during the design and construction of the Project (provided that the cost therefor shall be reasonable therefor in light of the services provided by the Program Manager), provided the amount of reimbursement to the County for the Program Manager fees from the New Improvements Budget shall be the lesser of (a) 50% of the total amount paid to the Program Manager, and (b) \$100,000, and County shall be solely responsible for any additional payments to the Program Manager. SFS agrees to cooperate with the County and its Program

Manager, and use best efforts to create a spirit of harmony involving all companies providing services for the Project. The Program Manager shall have the opportunity to be included as a participant at all Project meetings, jobsite meetings and inspections, and shall have the opportunity to be included on all Project communications involving the Architect, Contractor and any authority having jurisdiction. All Project administration communications, necessary with the County, including disbursement requests and Change Order requests, shall be conducted through the Program Manager. Should Program Manager identify any work being performed in material deviation from the approved Final Plans, it shall immediately provide written notice to SFS and the County, with recommendations on remedying the non-compliance. If the non-compliance is not remedied within seven (7) days, County and SFS, through representatives possessing decision-making authority, shall meet promptly to discuss the issues and means of resolution.

5
5
5. In the event of any contractual dispute between the parties hereto that (i) occurs before Completion (as defined in this Section 10) of the New Improvements, and (ii) relates to the preparation and/or approval of the Conceptual Plans, Preliminary Plans, Final Plans, the Construction Work per the Final Plans, or any Change Order for any Phase of the Work, SFS and County shall attempt in good faith to agree to the resolution of the disagreement and/or the curative measures, if any, that are required to be undertaken, and if necessary will submit the dispute to non-binding mediation in an effort to resolve the dispute if the parties are unable to reach a resolution without outside intervention. If the parties are unable to resolve such dispute through non-binding mediation within 30 days of such dispute arising, then the dispute shall promptly be resolved by litigation pursuant to Section 39 of this Agreement.

5
5
6. The New Improvement Schedule, which shall be Exhibit "H" hereto, shall show:

(a) The anticipated time of commencement and completion of each of the various operations to be performed under this contract; and,

(b) The sequence and inter-relationship of each of these operations with the others and with those of other related contracts; and,

(c) The estimated time required for fabrication or delivery, or both, of all materials and equipment for the Work.

7. The New Improvement Schedule shall be revised by SFS as and when needed. SFS shall provide the County with written notice in the event that any revision as to the New Improvement Schedule changes the Required Completion Date (if and as that term or its equivalent is defined in the Contract).

8. Promptly after execution of this Agreement, the County shall deposit the entire amount of the funds that comprise the New Improvements Budget in an interest bearing account, in the name of the County, designated (and referred to in this Section 11) as the "New Improvement Account," and all interest thereon shall be added to the New Improvements Budget.

The County will issue bonds in an amount sufficient to generate \$55,000,000 of funding for the New Improvements Budget, as provided for in this Section 10. Notwithstanding any provision herein to the contrary, the County shall have no obligation to provide funds for the New Improvements Budget in excess of the \$55,000,000 provided with the proceeds of the County's New Improvement Bonds without the express written consent of the County identifying the additional funds provided.

9. County shall disburse funds from the New Improvement Account, as follows, provided that in no event shall County be responsible for disbursing funds in excess of the New Improvements Budget for the Total Cost of the Work:

(a) Within twenty (20) business days following SFS's delivery to County of an invoice for the Additional Exposure Liability Coverage Insurance Premiums with certification that payment is due in the requested amount, County shall pay to SFS the entire amount of such invoice;

(b) Within twenty (20) business days following SFS's delivery to County of an invoice from the Architect with respect to the Architect's Work with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of the Architect, the full amount of such invoice, which payment SFS will then forward to Architect within five (5) days of SFS's receipt thereof from County;

(c) Within twenty (20) business days following SFS's delivery to County of an invoice from the Contractor (which invoice shall reflect the applicable retainage), accompanied by the Required Documents (as such term is defined below) with certification that payment is due in the requested amount, County shall, following verification of entitlement and quantum due, pay to SFS, for the benefit of Contractor, the full amount of such invoice, which payment SFS will then forward to Contractor within five (5) days of SFS's receipt thereof from County. The term "Required Documents" referred to in this Section 11 means: (i) an affidavit from the Contractor certifying that the invoice is true and correct; (ii) a partial lien waiver from the Contractor for the full amount of the current invoice and partial lien waivers from all subcontractors, materialmen and others who have filed Notices to Owner with respect to all Work through the date of the prior invoice; (iii) a certificate from Architect stating that the portion of the Work described in such invoice has been completed in accordance with the Final Plans; and (iv) in connection with the final disbursement to the Contractor (A) a final lien waiver from the Contractor and from all subcontractors, materialmen and others who have filed Notices to Owner and (B) a final certificate of occupancy or a certificate of completion, as may be applicable;

(d) Within twenty (20) business days following SFS's delivery to County of any invoices from any consultants engaged by SFS and/or with respect to any other costs, expenses or liabilities incurred by SFS pursuant to or as described in Section 11(B)(9) of this Agreement previously approved and authorized by the County, County shall, following verification of entitlement and quantum due, pay to SFS the full amount of such invoices; and

(e) Upon Completion, to the extent that \$55,000,000.00 exceeds the Total Cost of the Work in connection with the New Improvements (with the amount of such excess hereafter referred to as the "Excess New Improvement Budget Funds"), the Excess New Improvement Budget Funds shall be added or devoted to the Additional Improvement Fund (as such term is defined in Section 5(A)).

(f) County shall have the right to review, verify, and audit if necessary, all requests for disbursements of any New Improvements Budget Funds, including invoices from the Architect and Contractor. SFS shall reasonably ensure that all requests for disbursements are sufficiently documented and accompanied by supporting invoices and time records, and in the case of Architect and Contractor, that they (i) maintain an "open book" project accounting practice, (ii) make all files and accounting records available for review and auditing upon reasonable request, and (iii) allow for backcharging for any erroneous billing, as these requirements relate to the New Improvements Budget.

11. **DIGNITARY SEATING.**

Prior to December 1 of each year, the County and SFS will cooperate and develop a dignitary seating arrangement that is reasonably acceptable to all the parties.

12. **FLORIDA STATE LEAGUE TEAM; GULF COAST LEAGUE TEAM.**

The parties acknowledge that the Club currently owns the St. Lucie Mets Florida State League team. This Agreement shall apply to the use of the facilities by the St. Lucie Mets and related operations during the Florida State League regular season and any post-season playoffs. In the event the Club terminates its ownership of a Florida State League team during the term of this Agreement, and does not either transfer ownership thereof to SFS, assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate in accordance with Section 24, or acquire ownership of or enter into a player development contract with another minor league team that will be scheduled to play its home games in the Stadium during the following Florida State League season, SFS shall notify the County as soon as practicable in advance of the beginning of the following Florida State League team season. In that event, the County may permit another Florida State League team to play its home games at the Stadium without the consent of SFS, provided that such minor league team's operations do not conflict with SFS's exclusive use of the Sports Complex from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement or with SFS's use of the Sports Complex for GCL Mets operations (if any), as set forth in Section 15(A) below. The term "St. Lucie Mets" as used herein refers to the current or any future minor league baseball team owned or operated by or affiliated with SFS or the Club that plays its home games at the Sports Complex (excluding the GCL Mets, as defined below). The term "Florida State League" as used herein refers to the Florida State League, any successor league thereto, or any other minor league to which the St. Lucie Mets belongs.

5
5
The parties acknowledge that Club currently owns a Gulf Coast League team. All of the terms and conditions of this Agreement shall apply to the use of the facilities by that team during the Term, including without limitation for the Gulf Coast League regular season and any post-season playoffs. The term "GCL Mets" as used herein refers to any future minor league baseball team owned or operated by or affiliated with SFS or the Club that is a member of the Gulf Coast League and will play its home games at the Sports Complex, if SFS or the Club, as may be applicable, so decides in its sole discretion. The term "Gulf Coast League" as used herein refers to the Gulf Coast League or to any successor league thereto.

Other than as provided in the first paragraph of this Section 12 (and subject to SFS's right to assign this Agreement as set forth in Section 24), the County agrees that it will not permit any Florida State League baseball club other than the St. Lucie Mets, or any Gulf Coast League baseball club other than the GCL Mets, to use the Sports Complex during the Term of this Agreement.

13. INDEMNITY AND INSURANCE.

A. SFS.

5
5
To the extent allowed by law, SFS agrees to indemnify and hold County harmless from and all claims for personal injury, death, or property damage and any other losses, damages, charges or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except to the extent such losses may be caused by the negligence or willful misconduct of the County, its agents or employees or by any acts or omissions of the Program Manager, Architect, Contractor or any of their respective employees, agents or subcontractors. SFS further agrees to undertake at its own expense the defense of any action brought against the County (with counsel subject to County's approval in its reasonable discretion), claiming damages arising out of, in connection with, or by reason of SFS's use of the Sports Complex by SFS, the Club or any affiliates, agents or successors of any of the foregoing or by reason of any acts or omissions in connection with any obligations which are the responsibility of SFS under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of the County, its agents or employees, the County agrees to reimburse SFS for the actual expenses, including attorneys' fees, incurred by SFS in defending the County. County agrees to cooperate in any defense by the SFS. The provisions of this paragraph shall survive the termination of this Agreement.

SFS shall maintain or cause to be maintained Comprehensive General Liability Insurance, including Property Damage and Personal Injury coverages, insuring against liability for damages or losses arising solely from the acts or omissions of SFS under this Agreement. Such policy shall name St. Lucie County as an additional insured. Limits of liability coverage to be not less than:

Bodily Injury Liability \$5,000,000 each occurrence
Property Damage Liability \$1,000,000 each occurrence

Or

Bodily Injury and Property \$5,000,000 each occurrence,
Damage Liability combined single limit

SFS shall maintain or cause to be maintained in effect Workers Compensation Insurance as required by Florida Statutes, covering all employees of SFS, including employer's liability insurance, with limits of not less than \$100,000 per accident.

SFS shall furnish County, not later than ten (10) business days after SFS's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above with an insurer reasonably acceptable to the County.

B. County.

To the extent allowed by law, the County agrees to indemnify and hold SFS and its members and affiliates harmless from any and all claims for personal injury, death, or property damage and any other losses, damages, charges, or expenses, including attorneys' fees, which arise out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, including, without limitation, in connection with or related to the New Improvements, the Additional Improvements, and any other construction conducted by the County (itself or through contractors), except to the extent such losses may be caused by the negligence or willful misconduct of SFS, its agents or employees or by any acts or omissions of the Architect, Contractor or any of their respective employees, agents or subcontractors. County further agrees to undertake at its own expense the defense of any action brought against SFS (with counsel subject to SFS's approval in its reasonable discretion) claiming damages arising out of, in connection with, or by reason of the use of the Sports Complex by the County or by reason of any acts or omissions in connection with any obligations which are the responsibility of the County under this Agreement, except that in the event the claim is finally determined to have arisen due to the negligence or acts of SFS, its agents or employees, SFS agrees to reimburse the County for the actual expenses, including reasonable attorneys' fees, incurred by the County in defending SFS. SFS agrees to cooperate in any defense by the County. The provisions of this paragraph shall survive the termination of this Agreement.

In addition, the County agrees to procure and pay for and at all times during the term of this Agreement maintain fire and extended and "special form" coverage (including without limitation insurance from and against all losses, damages, claims and liabilities related to or arising from acts of terrorism) on all property, both real and personal, with replacement cost coverage limits of not less than the replacement cost of the Sports Complex (including, without limitation, all New Improvements and Additional Improvements while being constructed and when

completed) and also covering loss of income. The County is self-insured for general liability with statutory limits of \$200,000 per person/\$300,000 per incident pursuant to Section 768.28, Florida Statutes, and waives and has waived sovereign immunity to that extent. The insurance policies referenced above in this paragraph shall further name SFS and the Club as named insureds and shall provide a thirty (30) day notice of cancellation or non-renewal and a severability of interest endorsement.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

C. County warrants and represents that it is, and throughout the Term will remain, a member of and party to the Treasure Coast Risk Management Program ("TRICO," as set forth in the Revised TRICO Interlocal Agreement dated May 1, 1996) or such other pooled risk or self-insurance program acceptable to SFS in its reasonable discretion, and that SFS will be a beneficiary of all insurance and other protections available through the TRICO Risk Management Program (or such other accepted pooled risk or self-insurance program) including, without limitation, with respect to general liability, tort liability, loss or damage to property (e.g., the Sports Complex), and personal injury or death.

The County shall furnish SFS, not later than ten (10) business days after the County's execution of this Agreement, a Certificate of Insurance evidencing existence of the coverages required above and with an insurer reasonably acceptable to SFS.

D. County and SFS each do hereby and shall mutually release each other from liability and waive all rights of recovery against each other, for any loss or damage occasioned to County or SFS, as the case may be, from perils insured against, or required hereunder to be insured against, under their respective property insurance policies, whether due to negligence or any other cause. Any property insurance policy required herein covering loss, damage, or destruction by fire or other insured casualty, shall include a waiver of the insurer's rights of subrogation against the other party.

In the event a claim is filed against a party for operations that are covered by the provisions of this Agreement, the party agrees to notify the other party of the claim within ten (10) days after the party receives the claim.

14. RESPONSIBILITIES OF PARTIES.

The responsibilities of the parties shall be as follows:

A. County.

(1) County shall maintain proper HVAC systems and equipment in throughout the Sports Complex, and shall perform all maintenance thereof at County's sole cost and expense.

(2) County shall be responsible for providing and bearing the cost of an adequate number of qualified security personnel at the Sports Complex for Club major league spring training games and Florida State League games. The County shall be responsible for public order and safety in manner consistent with the County's practices under the Prior FUA, including the creation, establishment and implementation of security, safety and emergency plans and procedures and related contingency plans, all of which shall be in consultation with SFS and the Club. County shall be responsible for coordinating with all local, state and federal agencies to the extent appropriate, and for providing, at its expense, comprehensive training for all security personnel who work at the Sports Complex with respect to County's security, safety and emergency plans and procedures (which training shall occur at least once per year during the Term prior to the commencement of major league spring training, in consultation with SFS and the Club). County shall keep SFS and the Club fully informed with respect to its security, safety and emergency plans and procedures, and with respect to all training and coordination with local, state and federal agencies. County shall have the responsibility to eject persons from the Stadium or from the Sports Complex as necessary, including at the request of SFS; County shall consult with SFS before ejecting any persons from the Stadium during SFS Events except to the extent such consultation is impracticable in the event of an emergency.

(3) County shall be responsible for all utilities (excluding the Barwis facility and the Player Academy Spaces), including telephone (excluding long distance toll charges), heat, water and sewer, electricity, air conditioning, and appropriate night lighting.

(4) SFS and the County agree that the New Improvements shall, to the extent agreed upon by SFS and the County, maximize energy savings using "green" technology and equipment.

(5) In addition to the right to occupy the Sports Complex, SFS and its agents, employees, suppliers and other persons appropriate for SFS to enjoy the use of the Sports Complex premises as contemplated herein, shall have access, in common with others designated by the County, to such areas of the Sports Complex as necessary or appropriate to provide services or otherwise enjoy the use of the Sports Complex as contemplated herein, subject to customary and reasonable security precautions.

(6) If SFS contends that the County has failed to comply with a material obligation of the County pursuant to this Agreement with respect to the maintenance of the Sports Complex, and if as a result SFS contends that an Exigent Condition (as defined below) exists at the Sports Complex, then, in addition to any and all other remedies available to SFS, SFS shall be entitled to (a) take such measures as are strictly necessary to address the Exigent Condition, and (b) deduct the cost of such measures from the payments to be paid by SFS to the County pursuant to Section 6(A) of this Agreement, subject to the County's right to object to and contest such deduction by seeking judicial intervention, which right is expressly reserved. SFS shall not be entitled to deduct such cost unless, prior to addressing the Exigent Condition, (i) SFS provides written notice to the County identifying the Exigent Condition, the measures which SFS intends to take to address it, and the cost thereof, and (ii) the County fails to remedy the Exigent Condition

within a reasonable period of time following the delivery of such notice. "Exigent Condition" shall mean (x) any condition of any playing field that creates a potential substantial risk to participants in games and/or practices on the field, (y) any condition elsewhere within the Complex that creates a potential substantial health or safety risk to SFS's invitees at the Sports Complex, or (z) any condition that, if not promptly remedied, would result in the loss of substantial revenues generated at the Sports Complex.

B. SFS.

(1) SFS shall not in any manner, directly or indirectly, violate any laws, ordinances, rules or regulations of any federal, state, county, city or other governmental authority or agency in connection with the use and occupancy of the Sports Complex under the terms of this Agreement.

(2) SFS shall use and occupy the Sports Complex in a reasonably safe and careful manner and exercise reasonable care not to in any way mar, deface, or injure any part of the premises, ordinary wear and tear excepted. At the conclusion of this Agreement, SFS shall surrender the premises to the County in as good condition and repair as at the beginning of SFS's occupancy, except as to ordinary wear and tear and except as to damage by fire, other casualty, or the elements.

(3) Except with respect to the Telecommunication Equipment described below in Section 14(B)(5) and any property of SFS and as otherwise contemplated by this Agreement, SFS shall not make any material permanent or structural changes, improvements or alterations to the Sports Complex except as provided for in this Agreement without the written consent of County which shall not be unreasonably withheld, conditioned or delayed.

(4) At its expense, SFS is responsible for providing a sufficient number of ticket sellers and ushers during SFS Events.

(5) SFS shall be responsible for the installation and maintenance of any radio and television facilities and telephone systems that it deems necessary for its operations ("Telecommunication Equipment"). Prior to the installation of any such equipment, SFS shall submit plans for such installation to the County for approval, which approval may not be unreasonably withheld. Upon termination of this Agreement, SFS agrees to remove the Telecommunication Equipment and restore the premises to their prior condition. SFS may pass these costs on to parties other than County. The County has paid for the necessary utility lines to the areas designated for radio and TV facilities in the site plan and has had the lines stubbed at the required points. If further improvements are needed, those improvements shall be included in the New Improvements.

15. OTHER USE OF PREMISES.

A. SFS shall have sole and exclusive use of the Sports Complex, including the Stadium, from February through the beginning of the Florida State League season in April of each year during the Term of this Agreement (including any options). As long as SFS or its affiliates (including specifically the Club) own or operate or have a player development contract with a Florida State League team or other St. Lucie-based minor league team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Florida State League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. If SFS or its affiliates (including specifically the Club) continue to have or acquire ownership of or the right to operate or have a player development contract with a Gulf Coast League team, SFS shall have priority use of the Sports Complex for the benefit of such team during the entire Gulf Coast League season according to the Event Schedule set forth in Section 15(B) below, including, where applicable, post-season play. SFS shall have the exclusive use and control of those portions of the Sports Complex used for SFS Events, including without limitation the exclusive right to determine and implement the rules and policies that relate to the admission of patrons to those portions of the Sports Complex used for SFS Events.

B. Subject to the SFS's uses of the Sports Complex as set forth in Section 15(A) above, each year during the Term SFS shall provide the County with a preliminary schedule of its events on or about December 1, and thereafter a definitive schedule of SFS Events and County Events to be held at the Sports Complex (hereinafter, the "Event Schedule") shall be prepared as follows:

(i) First, all dates in the months of February through the beginning of the Florida State League (or other minor league to which a St. Lucie-based baseball team owned by or affiliated with Club belongs) season in April shall be reserved on the Event Schedule exclusively for New York Mets spring training and exhibition season activities;

(ii) Second, all dates for Florida State League home games, workouts and practices, all possible dates for Florida State League post-season or playoff games or other Florida State League events (including without limitation All-Star games and pre-season games), and all dates for New York Mets minor league spring training activities and instructional league play shall be added to the Event Schedule;

(iii) Third, all dates for GCL Mets home games, workouts and practices, and all possible dates for GCL post-season or playoff games or other Gulf Coast League events (including without limitation All-Star games and pre-season games);

(iv) Fourth, all dates for Mets Fantasy Camp games, workouts and practices;

(v) Fifth, after SFS informs County of the dates contemplated in subparagraphs (i), (ii), (iii) and (iv) above, SFS and County shall each be entitled to reserve the use of the Sports Complex on other dates during the year for other SFS Events and County Events, respectively, by providing a "New Event Notice" as described below, with the first to

obtain approval of a New Event Notice according to the procedures set forth below in this Section 15 for each such other proposed Event obtaining the right to use the Sports Complex for such Event.

C. Whenever a party desires to add an Event to the Event Schedule pursuant to Section 15(B)(iii), it shall give written notice ("New Event Notice") to the other party of its request to do so as soon as reasonably possible, but in no event later than ten (10) days prior to the date of the proposed Event. Each New Event Notice shall include a description of the proposed Event, including the nature, starting time and estimated duration thereof; the expected attendance thereat; the identity and experience of the promoters and organizers of the proposed Event, and their principals; a description of the financial assurances (e.g., bonds, security deposit) to be provided by the Event promoters or organizers; a description of any special safety, security, cleaning, maintenance, restoration or other services that will be obtained in connection with the proposed Event; and the approximate preparation and clean-up periods for the proposed Event.

The party receiving a New Event Notice shall notify the other party as soon as reasonably possible but in no event more than five days after its receipt of such New Event Notice, whether the receiving party objects to the proposed Event. If no written notice of objection is given within such five-day period, the Event shall be deemed approved. If notice of objection is given within such five-day period, the parties shall cooperate to determine what, if any, modifications to the proposed Event, or further assurances or services in connection therewith or therefore, would cause the objecting party to consent to the proposed Event. When any proposed new Event is approved by the other party (including by a failure to object), the Event shall be added to the Event Schedule. In the event of any unresolved dispute regarding whether an Event that is the subject of a New Event Notice and an objection should be put on the Event Schedule, SFS and County will submit the dispute to non-binding mediation, and if the parties are unable to resolve the dispute through non-binding mediation, then the dispute shall promptly be resolved pursuant to Section 39 of this Agreement on an expedited basis at the request of either party.

A proposed Event may not be added to the Event Schedule unless the scheduling thereof would be in compliance with each of the following criteria: (i) No more than one Event may be held at the Sports Complex per day without each party's consent, which either party may withhold in its sole and absolute discretion; (ii) Events shall be scheduled so as to allow reasonably sufficient preparation, clean-up and restoration periods between each Event, which shall be subject to the Maintenance Standard; (iii) No County Event may be scheduled to take place between January 16 and January 31 of each year during the term without SFS's consent, which consent may be withheld in its sole and absolute discretion; and (iv) the Event must be a specific planned Event (i.e., neither party may reserve a date on the Event Schedule on the basis that it intends to hold on such date a certain type of Event, as opposed to a specific Event).

In determining whether a party's objection to an Event proposed by the other party is reasonable, consideration shall be given to, among other things, whether the promoted or organizer of the Event: (i) is reasonably capable of producing the Event; (ii) will be providing reasonably adequate financial assurances (e.g., bonds, security deposit) to protect SFS's and County's

respective rights hereunder; and (iii) will be providing reasonably adequate safety, security, cleaning, maintenance and restoration services for the Event.

D. Nothing in this Agreement shall prevent the County from using the portions of the property described in Exhibit "B" that are not used for baseball facilities or in connection with SFS's use of such facilities, provided that such uses do not interfere with SFS's use of the Sports Complex or otherwise conflict with SFS's rights under this Agreement (including, without limitation, SFS's exclusive right to operate concessions at the Sports Complex during the Term). The County agrees that during the term of this Agreement, the County shall use or authorize others to use the remaining property described above only for community events, sports and recreational purposes. The County shall be responsible to repair or replace any portion of the facilities which are altered, damaged or otherwise affected by any non-SFS use.

E. Notwithstanding any other provision of this Agreement (except Section 12, solely with respect to Florida State League play) the County agrees that it will not permit any other Major or Minor League baseball club to use the Sports Complex during the term of this Agreement or any extension thereof without SFS's approval in advance in writing in its absolute discretion.

F. Any of the property described in Exhibit "B" that is not being used by the County or SFS may be used by the parties as additional unpaved parking provided that such use does not interfere with SFS's permitted use of the Sports Complex.

G. In the event of a declared federal, state or local emergency, the County may use the Sports Complex as a staging area for disaster preparations, response or other related uses ("Staging Uses"), provided that (i) the County will reimburse SFS for all costs incurred and revenue lost by SFS as a result of the Staging Uses and (ii) the County will use best efforts to minimize interference with SFS's operations at the Sports Complex and will immediately restore any resulting damage to the Stadium caused as a result of the Staging Uses. The parties further agree to cooperate in obtaining any federal or state funds that may be available for this purpose.

16. PUBLICITY AND PROMOTION.

A. The County will promote the New York Mets and the Club's St. Lucie-based minor league team(s), as well as the sale of home game tickets for such teams. County shall submit all promotional material to SFS for approval, which approval shall not be unreasonably withheld.

B. **SFS Obligations.**

As additional consideration for the use of the Sports Complex SFS shall provide, or shall cause the Club to provide the County with the advertising services set forth in Exhibit "M" attached hereto during each year of the Term.

17. ADDITIONAL COVENANTS OF SFS AND COUNTY.

A. SFS shall use and occupy the premises solely for the purposes specified in this Agreement.

B. SFS shall pay all taxes or assessments on its operation as well as on goods, merchandise, fixtures, appliances, equipment and property owned by it and located in or about the Sports Complex. SFS shall have no obligation to pay any real estate or property taxes under any circumstance.

C. To the extent that SFS desires to acquire and construct facilities at the Sports Complex which are eligible under applicable state and federal laws to be financed through the issuance by the County, solely as a conduit issuer, of either taxable or tax-exempt revenue bonds, which bonds shall not be or constitute a debt or obligation of the County, the County will cooperate with SFS to the end that the County may be a conduit issuer of such bonds and, to the extent applicable, will give SFS priority for private activity volume cap; provided, that all reasonable costs and expenses incurred by the County in connection with the consideration and consummation of such financing, which shall be disclosed in advance and in writing by the County and subject to the approval of SFS, will be borne solely by SFS.

18. DEFAULT; TERMINATION.

A. If the property covered herein shall be deserted or vacated for an entire spring training season, unless such absence is due to a labor dispute or other causes beyond SFS's control, or proceedings are commenced against SFS in any Court under a bankruptcy act or for the appointment of a trustee or receiver of SFS's property either before or after the commencement of the Term, or if there shall be a default in the payment of any monies due hereunder for more than twenty (20) days after written notice of such default to SFS, or if there shall be default in the performance of any other material covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of SFS for more than twenty (20) days after written notice of such default by the County (or if such default is incapable of being cured within twenty (20) days, within such longer period of time as shall be reasonably required for such cure, unless SFS has taken no substantial steps to effect such cure within such period), then at the sole option of the County, this Agreement may be terminated by the County. In addition, the County may terminate this Agreement if (i) the New York Mets shall cease to be a franchise in a major league baseball league, (ii) during any spring training during the Term, Club schedules a majority of New York Mets spring training home games at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder, or (iii) during any Florida State League season, Club schedules a majority of the home games of the Club's Florida State League team at a facility other than the Sports Complex for reasons other than unavailability of the Sports Complex or any breach of County's obligations hereunder. In the event the County terminates this Agreement for the reasons set forth above in this paragraph, the County shall have the right to re-enter or repossess the property during the period of SFS's right to use thereof, either by summary proceedings, surrender or otherwise other than force, and

dispossess and remove therefrom SFS, or other occupants thereof, without being liable for any prosecution therefore. Should the County reasonably incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court costs (at the lower court and appellate levels), and County prevails in such legal action, said expenses shall be reimbursed to the County by SFS.

B. SFS shall have the right, at any time and at its sole option, to terminate this Agreement and all of its obligations hereunder upon written notice to County (the "Termination Notice") provided by SFS on or before March 31 of any year during the Term, which notice shall terminate the Agreement effective as of December 31 of that calendar year. In the event of termination pursuant to this provision, as the County's sole remedy against any person relating to such termination of this Agreement County will accept (i) a series of payments for outstanding amounts remaining on Refunding Bonds as set forth in Section 37, and (ii) a series of semi-annual payments tied to the County's schedule of debt service payments in connection with the New Improvement Bonds, which New Debt Service Schedule shall be incorporated into this Agreement as Exhibit "T" hereto upon issuance of the New Improvement Bonds (which includes State Development Funds (as defined below) that will be used by the County to pay the debt service on the New Improvement Bonds). Such payments in connection with the New Improvement Bonds, referred to herein as the "Debt Service Payments," shall be made by SFS to the County on each "Period Ending" date referenced in the first column of Exhibit "T" hereto that follows the effective date of the termination of this Agreement. The amount of the Debt Service Payment due on each such post-termination "Period Ending" date shall be an amount equal to the "Total Debt Service Payment" in the last column of Exhibit "T" hereto corresponding to the "Period Ending" date in question, provided, that in the event it is determined by the County's bond counsel that the acceptance of such payments by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds that are issued on a tax-exempt basis, SFS shall either (i) pay to the County the amount necessary to offset the change in tax status to the holders of the tax-exempt New Improvement Bonds, which may be retroactive to the date of issuance of the New Improvement Bonds, or (ii) provide funding to the County sufficient to prepay in full said tax-exempt New Improvement Bonds at the earliest permitted call date, plus all interest and principal due and owing through that date of redemption. Upon request, the County will inform SFS whether its bond counsel believes that acceptance of the payments set forth in this section by the County will adversely affect the tax-exempt status on any of the New Improvement Bonds.

The parties agree that these respective amounts constitute reasonable and just compensation for such termination by SFS, and SFS hereby promises to pay to County, and the County hereby agrees to accept, the appropriate payment amount described above as liquidated damages, and not as a penalty, and as its sole and exclusive remedy related to the termination of this Agreement by SFS, and County waives all other rights and remedies in connection therewith.

If the property covered herein shall be deserted or vacated by the County either before or after the commencement of the term of this Agreement, or if there shall be a default in the payment of any monies due hereunder by the County for more than twenty (20) days after written notice of such default to the County, or if there shall be a material default in the performance of any other

covenant, agreement, condition, rule or regulation herein contained or hereafter established, on the part of the County for more than twenty (20) days after written notice of such default by SFS, then at the sole option of SFS, this Agreement may be terminated by SFS. Should SFS incur expenses in enforcing its rights hereunder, specifically including attorneys' fees and court cost (at the lower and appellate levels), and SFS prevails in such legal action said expenses shall be borne by the County.

In the event SFS terminates this Agreement, SFS shall immediately vacate the Sports Complex, but reserves the right to seek damages and any or all other remedies caused by any default or breach of this Agreement by County.

19. **DAMAGE OR DESTRUCTION.**

In the event of the damage or destruction of the property described in Exhibit "B" or any of the structures (including the Stadium) or improvements located thereon by fire or other casualty, there shall be an obligation on the part of the County to use the insurance proceeds for the purpose of rebuilding such facilities. The County shall be responsible for providing the funds necessary to rebuild the facilities in the event the proceeds from the insurance referenced in Section 13(B) above are not sufficient to cover the cost of such rebuilding.

County shall complete the reconstruction and repair of the Sports Complex following any such damage or destruction, as soon as reasonably possible, and in any event within two hundred seventy (270) days following the occasion of such damage or destruction. Within thirty (30) days following the occasion of such damage or destruction, County shall provide SFS with County's architect's and/or engineer's reasonable estimate of the time required for the reconstruction and/or repair of same. In the event that the estimate shall reflect that more than two hundred seventy days shall be required for the repair and/or reconstruction, SFS shall have the right to terminate this Agreement by written notice to County, within thirty (30) days thereafter. Further, if in fact the reconstruction and repair shall not be completed within two hundred seventy (270) days (or such longer time to which SFS may agree), SFS shall have the right to terminate this Agreement by written notice to County within thirty (30) days following the end of such two hundred seventy day (or longer, as the case may be) period.

During the repair and/or reconstruction of the damage or destruction to the Sports Complex, until same shall be completed, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such damage or destruction shall interfere with the use by SFS of the Sports Complex as contemplated hereunder.

20. **EMINENT DOMAIN.**

In the event that any portion of the premises should be taken by the exercise of the right of eminent domain so as to materially affect SFS's operations, SFS may terminate this Agreement as of the date of taking. In the event that SFS does not terminate this Agreement as a result of any taking, following any such taking SFS's obligations and liabilities hereunder shall be proportionately adjusted, on an equitable basis, to the extent that such taking shall damage or

otherwise materially adversely affect the use by SFS of the Sports Complex as contemplated herein. All proceeds for such taking shall be paid to the County or SFS as their interests may appear, provided that the foregoing shall not preclude SFS from pursuing a separate award for damages to SFS's furnishings, fixtures and equipment, moving expenses and any other losses relating to SFS's business permitted by law to be recovered, including, without limitation, the loss of SFS's leasehold.

21. FAMILIARITY WITH BONDS.

Anything else in this Agreement to the contrary notwithstanding, SFS acknowledges that County is or will be bound to the holders of certain bonds which relate to the Sports Complex. SFS agrees to cooperate reasonably with the County to maintain the tax-exempt status of the bonds, provided, however, that such cooperation shall not entail material modification of the terms and conditions of this Agreement nor cause SFS or any affiliate to incur any cost or expense in connection therewith.

22. NON-DISCRIMINATION.

SFS, as a part of the consideration hereof, does hereby covenant and agree that no person on the grounds of race, color, national origin or sex shall be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination in the use of the facilities excluding uniformed baseball personnel. The terms of this Section shall be binding upon SFS's successors in interest and assigns.

23. CONFLICT OF INTEREST.

The County hereby represents and warrants that neither it nor any of its directors, officers, members, partners, officials, representatives, or employees has any interest nor shall they acquire any interest, directly or indirectly, which would or may conflict in any manner or degree with the performance of rendering of the services herein provided. The County further represents and warrants that in the performance of this Agreement no person having such interest or possible interest shall be employed by it. No elected official or other officer or employee of the County of St. Lucie nor any person whose salary is payable, in whole or part, from the County Treasury, shall participate in any decision relating to this Agreement which affects his/her personal interest or the interest of any corporations, partnership or association in which he/she is, directly or indirectly, interested nor shall any such person have any interest, direct or indirect, in this Agreement or in the proceeds thereof.

24. ASSIGNMENT; SUBLEASES AND LICENSES.

SFS may assign any or all of its rights and obligations pursuant to this Agreement to any entity that owns and operates the New York Mets franchise, and may assign any or all of its rights and obligations with respect to use of the Sports Complex for minor league operations to any entity that owns the Florida State League affiliate (or, if applicable, the Gulf Coast League affiliate) of

the New York Mets. Should Club sell its Major League Baseball franchise during the term of this Agreement, SFS shall make a good faith effort to assign its rights and delegate its duties under this Agreement to the entity that acquires such franchise. Subject to the approval of the County, which approval may not be unreasonably withheld, conditioned or delayed, SFS may assign all of its rights and obligations pursuant to this Agreement to an owner or operator of another Major League Baseball club. Upon SFS's assignment of this Agreement and all of its rights and obligations hereunder, all of SFS's duties and obligations under this Agreement shall terminate and cease to be of any further force or effect as of the effective date of the assignment and the County shall look solely to the assignee for performance of the duties and obligations under this Agreement thereafter. Except as expressly set forth above in this Section, no party may assign its rights or obligations under this Agreement without the written consent of the other party. Notwithstanding the foregoing, SFS shall have the right to enter into subleases and/or licenses with third parties with respect to any of its rights and obligations hereunder with the consent of the County, which consent shall not be unreasonably withheld, except SFS may not, without County's prior consent, sublease or license the use of any portion of the Sports Complex to any Major League Baseball team other than the Club or to any other entity if such sublease or license would cause cost or expense to the County beyond those that County would otherwise incur from SFS's Permitted Uses under this Agreement, provided that the County shall not withhold such consent if SFS and/or the proposed sublessee agrees to pay any such additional costs and expenses.

25. **ENTIRE AGREEMENT.**

This Agreement represents the entire understanding and agreement between the parties with respect to the subject matter hereof, and supersedes all other written or oral negotiations, understandings and representations (if any) made by and between such parties.

26. **AMENDMENTS.**

The provisions of this Agreement may not be amended, supplemented, waived or changed orally, but only in a writing signed by the parties hereto and making specific reference to this Agreement. In addition, this Agreement may not be amended without MLB Approval (as that term is defined in Section 40 of this Agreement).

27. **FURTHER ASSURANCES.**

The parties hereby agree from time to time to reasonably execute and deliver such further and other transfers, assignment and documents and reasonably do all matters and things which may be convenient or necessary to more effectively and completely carry out the terms of this Agreement.

28. BINDING EFFECT.

All of the terms and provisions of this Agreement, whether so expressed or not, shall be binding upon, inure to the benefit of, and be enforceable by the parties and their respective legal representatives, successors and permitted assigns.

29. NOTICES.

All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing (including facsimile communication but excluding e-mail) and shall be (as elected by the person giving such notice) hand delivered by messenger or courier service (with acknowledgment of receipt), telecommunicated (including by fax), or mailed by registered or certified mail (postage prepaid), return receipt requested, addressed to:

30. HEADINGS.

The headings contained in this Agreement are for convenience of reference only, and shall not limit or otherwise affect in any way the meaning or interpretation of this Agreement.

31. PRONOUNS.

In this Agreement, the use of any gender shall be deemed to include both genders, and the use of the singular shall include the plural, wherever it appears appropriate from the context.

32. SURVIVAL.

No covenants, agreements, representations and warranties made herein or otherwise made in writing by any party pursuant hereto shall survive the termination of this Agreement except as expressly stated herein. In addition to the survival of specific Sections of this Agreement as expressly stated in such Sections, the terms of Sections 9(C), 13, 29 and 36 of this Agreement shall survive the termination of this Agreement.

33. WAIVERS.

The failure or delay of any party prior to a period which would constitute laches at any time to require performance by another party of any provision of this Agreement, even if known, shall not affect the right of such party to require performance of that provision or to exercise any right, power or remedy hereunder, and any waiver by any party of any breach of any provision of this Agreement should not be construed as a waiver of any continuing or succeeding breach of such provision, a waiver of the provision itself, or a waiver of any known right, power or remedy under this Agreement. No notice to or demand on any party in any case shall, of itself, entitle such party to any other or further notice or demand in similar or other circumstances.

34. FORCE MAJEURE.

Neither party shall be liable to the other for failure to perform its obligations hereunder if and to the extent that such failure to perform results from causes beyond its reasonable control ("Force Majeure Events") including, without limitation, strikes, lockouts, or other industrial disturbances (but excluding Major League Baseball strikes and lockouts); fires; unusual climatic conditions such as hurricanes, floods, tornados and the like; acts of God; or acts of a public enemy, war, police action, terrorism and the like. The party unable to perform as a result of a Force Majeure Event shall promptly notify the other of the beginning and ending of each such period. During the period of any Force Majeure Event, until same shall be concluded, all of the obligations and responsibilities of SFS hereunder shall be abated on an equitable basis, to the extent that such Force Majeure Event shall interfere with the use by SFS of the Sports Complex as contemplated hereunder. If any period of a Force Majeure Event prevents SFS from using the Sports Complex in the manner contemplated herein for all or a substantial part of any Major League Baseball Spring Training season or Florida State League season (or, if applicable, a Gulf Coast League season) and SFS does not receive satisfactory assurances from the County that a Force Majeure Event will not prevent SFS's use of the Sports Complex as contemplated in this Agreement for a substantial part of the following Major League Baseball Spring Training season, SFS shall have the right to terminate this Agreement upon sixty (60) days written notice to the County.

35. GOVERNING LAW.

This Agreement and all transactions contemplated by this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Florida, applicable to agreements wholly negotiated, executed and to be performed in that state, without regard to principles of conflicts or choice of laws.

36. SECTION 288.11631, FLORIDA STATUTES.

A. Section 288.11631, Florida Statutes is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State") that are funded with State incentive funding. SFS and the County acknowledge that the amount of State incentive funding provided by the State for the Sports Complex is based on the continual use of the Sports Complex by a spring training baseball franchise for the entire length of the Term.

B. The County will submit an application to the Florida Department of Economic Opportunity for Twenty million dollars (\$20,000,000.00) in funding assistance for the New Improvements that are described in the Facilities Use Agreement. In connection with this application and as a condition of any award of funding under Section 288.11631, Florida Statutes, SFS must agree to reimburse the State of Florida for the funds expended by the County for the New Improvements that the County received from the State of Florida if the Club relocates before the term of the Facilities Use Agreement expires.

C. SFS covenants and agrees with the County that if the County terminates this Agreement pursuant to its rights under Section 18(A), or if SFS terminates this Agreement pursuant to its rights under Section 18(B) for any reason other than a breach of this Agreement by the County, then SFS shall reimburse the State for the total amount of distributions actually paid from the date of such termination through the final maturity of the New Improvement Bonds (the "State Development Funds"). Repayment to the State shall not discharge SFS from any other obligations set forth in this Facilities Use Agreement.

D. The Parties agree that if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County, SFS will promptly notify the applicable agency of the State of Florida that has been charged with administrative oversight and enforcement of the State Development Funds (the "Agency") of the circumstances for such termination, and SFS will not have any obligation to repay either the County or the State for any State Development Funds in connection with such SFS termination. The County shall hold SFS harmless from any assertion or claim by the State that the State Development Funds shall be repayable to the State by SFS if SFS terminates this Agreement pursuant to its termination rights under Section 19(B) following a breach by the County.

E. The State of Florida is a third party beneficiary of this Facilities Use Agreement as to the obligations imposed by Section 36. The State shall have: 1) Standing to seek and complete

performance of the obligations in this Section in law or equity and 2) Standing to initiate and/or defend an action at law or equity relating to obligations.

37. 2011 BONDS.

The County will refund the existing 2011 Improvement Bonds (as defined in Section 5(K) of the Prior FUA) on or around November 1, 2016 (the "Refunding Bonds"). The new Refunding Bonds shall have the same remaining term as the 2011 Improvement Bonds. In addition to the Base Rent payments and Additional Rent payments made by SFS pursuant to Section 6(A), SFS will make additional payments to the County, such payments being equal to the amounts set forth in the last (Total Debt Service Payment) column of Exhibit "J" on the dates indicated in the first (Period Ending) column of Exhibit "J" that follow commencement of the Term of this Agreement, or in the alternative, if SFS elects, such payments being equal to the amounts and on the dates set forth in the debt services schedule for the Refunding Bonds.

38. AGREEMENT RUNS WITH LAND.

This Agreement is intended to run with the land and shall be binding upon all of the County's successors and assigns. SFS and County shall enter into a short form Memorandum of this Agreement which shall be recorded in the Public Records of St. Lucie County, Florida. This Agreement is not revocable by County and is not terminable by County except as expressly set forth herein.

39. DISPUTE RESOLUTION.

All disputes arising from or related to this Agreement whether the action is brought in contract, tort, statutory claim or any other theory of liability, shall be subject to litigation as the final mode of dispute resolution. Exclusive venue for litigation of any disputes rests exclusively in the Circuit Court for St. Lucie County, Florida. As an express condition precedent to litigation all litigation shall be subject to non-binding mediation to be conducted within ninety (90) days of the dispute arising. The parties shall mutually select a qualified mediator, and failing accord, a mediator shall be appointed by the American Arbitration Association and mediation shall be conducted in accordance with its rules, costs and fees to be split equally by the parties.

40. SUBSERVIENCE.

A. Notwithstanding any other provision of this Agreement, this Agreement and any rights or exclusivities granted by SFS hereunder shall in all respects be subordinate to the MLB Rules and Regulations and the Minor League Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations or the Minor League Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. The territory within which County is granted rights is limited to, and nothing herein shall be construed as conferring on County rights in areas outside of, the Spring Training territory of the New York Mets as established and amended from time to time. No rights,

exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.

Periodically during the construction process, at such times as reasonably determined by SFS and County, the Architect will observe the conduct of construction of the New Improvements and notify County and SFS in writing of observed deficiencies in the Work being performed and deemed completed (including deficiencies which preclude the Work being deemed completed), notify the County and SFS of any item not in strict accordance with the final plans, and otherwise create a punchlist of minor finishing and adjustment in any other items which the Contractor has not finally completed in strict accordance with the final plans. Failure to include an item on the punchlist will not diminish the responsibility of the Contractor to complete the work in accordance with the final plans.

The Architect will perform, and ensure its subconsultants perform, all services in accordance with the professional standard of care governing architects working on projects of the same scale and complexity, in the same geographic market, as the New Improvements.

Procurement of Subcontracts

Following execution of this Facilities Use Agreement, County and FUA will cooperatively develop, seeking input from the Architect and Contractor selected per the terms hereof, a competitive and open procurement process for the procurement of all trade contractor work and supplies, which meets the following minimum requirements:

- SFS shall schedule and coordinate an advertised, public outreach meeting to brief the local and minority small business community on the project and opportunities. This outreach can be prior to or coordinated with the public advertisement and pre-submittal conference for the Contractor, and once selected the Contractor shall be required to schedule and coordinate a follow-up public outreach meeting. SFS and Contractor shall use good faith commercially reasonable efforts to foster local and minority business participation and specialty trade apprenticeship opportunities in accordance with the County's Apprenticeship Program (see attached) on the 2016 Improvements.
- Contractor shall establish a prequalification list or plan list of interested parties, so that these subcontractors and suppliers get early notice of all trade packages available for bid or proposal. Prequalification criteria and forms shall be subject to review and approval by SFS and County.
- Advertise for competitive bids or proposals on all trade packages exceeding \$500,000. Packaging of trade work shall be in a manner that fosters participation of local and small business and specialty trade apprenticeship opportunities. SFS and Contractor shall not unreasonably break up related trade package work in order to avoid the competitive procurement threshold.
- Lowest, qualified bidder is the presumptive basis for award unless a best-value approach is justified and approved by County. SFS will tabulate and level all bids for County consideration.
- SFS and Contractor will use good faith commercially reasonable efforts to obtain a minimum of 3 bids or cost proposals on all packages under the \$500,000 competitive procurement threshold. SFS and Contractor capped at direct or limited competition procurements at 5% of GMP.
- All subcontract awards exceeding \$300,000 shall comply with the County's Apprenticeship Program.
- All subcontract awards and contract terms shall be subject to review and approval by SFS, and any above the \$500,000 threshold, shall be subject to review and approval by County.

- 55
- SFS and Contractor shall involve and include County's Program Manager in all decisions and meetings regarding the packaging and procurement of all work, including according the Program Manager a reasonable opportunity to review and comment on all packages prepared for bid and all bid tabulation or bid leveling charts, before final award decisions are made.

Apprenticeship Program Requirements:

Contractors shall be required to comply with the County's Apprenticeship Program, as follows:

- A. On County-funded construction projects which exceed \$300,000, twenty percent (20%) of laborers working in a specialty for which there are apprentice programs registered with the County shall be apprentices. Such apprentices shall be students in certified State of Florida Pre-Apprenticeship/Apprenticeship Programs which are located in St. Lucie, Martin, Indian River or Okeechobee Counties and which are registered with the County.
- B. A County-registered apprenticeship program is one which has registered with the County and provided the required documentation, including but not limited to, proof of certification as an apprenticeship program with the State of Florida and proof of having educational facilities physically located in St. Lucie, Martin, Indian River or Okeechobee Counties.
- C. Unless the apprenticeship requirement is waived by the County, the failure of the Contractor to demonstrate compliance with this requirement shall result in the Contractor's bid being deemed nonresponsive.
- D. The apprentice requirement may be waived or modified with the recommendation of the County Administrator, and appeal to the Board of County Commissioners:
 1. Upon request of the contractor, if the contractor can demonstrate that the required apprentices are not available despite a good faith effort on the contractor's part; or
 2. Upon request of the contractor, if the contractor demonstrates that the available apprentices are not sufficient to meet the required 20% and the contractor commits to utilizing a specific percentage of apprentices who are available; or
 3. If the County determines it is in the best interest of the County to waive such requirement based on potential savings of money and time or grant requirements.
- E. The agreed upon percentage and type of apprentices will be included as a requirement of the construction contract. Failure to meet the terms of the apprenticeship requirements may result in the contractor being found in breach of the contract and subject to possible monetary sanctions.

The purpose of this Addendum is to ensure that the Agreement at all relevant times continues to meet the requirements of section 288.11631, Florida Statutes.

WHEREAS, section 288.11631, Florida Statutes, is intended to provide a process for the retention of spring training baseball franchises within the State of Florida (the "State"). The Applicant and the Franchise acknowledge that the amount of State incentive funding provided by the State for the Facility is based on the continual use of the Facility by the Franchise for the duration of such incentive funding;

WHEREAS, the purpose of this Addendum is to ensure that the Agreement continuously meets the requirements of section 288.11631, Florida Statutes, and to ensure that the Florida Department of Economic Opportunity ("DEO") can properly and responsibly act as the steward of State funds; and

WHEREAS, it is recognized that the Agreement contains provisions designed to establish business, operational and other obligations and rights not directly related to section 288.11631, Florida Statutes or this Addendum, which provisions are not intended to be modified or affected by this Addendum except to the extent that they limit any rights or remedies of the State or DEO as provided for in this Addendum.

NOW THEREFORE, in consideration of the premises and the mutual covenants and obligations herein contained, and in order to induce DEO to certify Applicant pursuant to section 288.11631, Florida Statutes, the parties intending to be legally bound, hereby agree as follows:

- I. **DEFINITIONS:** Except as otherwise set forth herein, the definitions set forth elsewhere in the Agreement shall not apply to this Addendum and the definitions

set forth in this Addendum shall not apply elsewhere to the Agreement. All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum. The following definitions shall apply to this Addendum:

- A. **Major League Spring Training Home Games** shall mean, with respect to any Spring Training Season, those Spring Training games, as determined by Major League Baseball in its sole discretion, to be played by the Franchise's Major League Baseball Club as the home team at the Facility during such Spring Training Season.
- B. **Spring Training Season** shall mean the annual period during which Major League Baseball conducts Spring Training games in preparation for the Major League Baseball championship season generally running from February 1 through March 31 of each calendar year, but subject to change at the sole discretion of Major League Baseball.
- C. **Facility** shall mean the Applicant's professional sports facility for Spring Training of one or more Major League Baseball Clubs as well as minor league affiliates, including a stadium, team training facilities, practice fields, clubhouses, dedicated on-site parking areas, and other appurtenances and improvements, intended for use by the Franchise.
- D. **Applicant's Bonds** shall mean bonds or refunding bonds as described in section 288.11631(2)(a)(2), Florida Statutes.
- E. **Operative Agreements** shall mean the Agreement and this Addendum.
- F. **Franchise Spring Training Season** shall mean, with respect to any calendar year during the term of the Agreement, the use of the Facility by the Franchise's Major League Baseball Club for the full period of such calendar years' Spring Training Season.

II. TERMS AND CONDITIONS

- A. If the Franchise's Major League Baseball Club fails to play each and every one of its Major League Spring Training Home Games (each a "Missed Game") at the Facility during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or approved in writing by both the Applicant and DEO, then, the Franchise shall reimburse the State a portion of the State's yearly distribution applicable to such Franchise Spring Training Season determined by multiplying the amount of such yearly distribution by the fraction obtained by dividing the number of Missed Games by the number of Major League Spring Training Home Games scheduled for such Franchise Spring Training Season. For example, if Applicant is scheduled to receive \$1,000,000 in a year, and the Franchise has 2 Missed Games in a Franchise Spring Training Season that is scheduled to have 16 Major League Spring Training Home Games, the Franchise would be required to repay \$125,000 to DEO, because $\$1,000,000 \times (2 / 16) = \$125,000$. However, if the Franchise has four or more Missed Games during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or pre-approved in writing by the Applicant and DEO, then, at DEO's election, the Franchise shall be deemed to have relocated pursuant to section 288.11631(2)(a)2, Florida Statutes (a "Relocation"). A termination of the Agreement by either Applicant or by the Franchise does not excuse Franchise from reimbursing DEO as provided herein, due to the Franchise's Relocation. For the avoidance of doubt and for the sake of clarity, an international game, a game played during the Major League Baseball championship season, an exhibition game played in a Major League Baseball stadium or a game played against a college or university team shall not constitute a Major League Spring Training Home Game and therefore shall not constitute a Missed Game.
- B. **Repayment Obligation:** In the event of a Relocation the Franchise shall reimburse the State for the total amount of State distributions expected to be paid from the date of Relocation through the final maturity of the Applicant's Bonds,

pursuant to section 288.11631(2)(a)2, Florida Statutes, which reimbursement obligation (the "Addendum Reimbursement") is intended to satisfy, and shall not be duplicative of, the "State Reimbursement" as defined in Section 36 of the Agreement. The payment of the "Addendum Reimbursement" obligation is a partial remedy under terms of the Agreement in the event of a Relocation; provided that the payment of such reimbursement obligation by Franchise shall not release, reduce or otherwise modify any right or remedy available to County under terms of the Agreement in the event of a Relocation. Franchise acknowledges and agrees that nothing in this Addendum shall in any way, directly or indirectly, imply or impose upon County any intention, duty or obligation to mitigate damages in the event of a Relocation as the agreed upon remedies available to County in the event of a Relocation are provided in Section 18 of the Agreement, it being agreed that said matters have been fully considered and adequately addressed in the Agreement.

- C. **Force Majeure:** Notwithstanding the foregoing, the Franchise shall not be deemed to have a Missed Game to the extent its failure to play a Major League Spring Training Home Game at the Facility was due to an Event of Force Majeure (as defined below); provided, however, that the parties must make reasonable good faith efforts to mitigate the Event of Force Majeure. For the purpose of this Addendum, "Event of Force Majeure" shall mean and include any act of God, accident, fire, riot or civil commotion, act of public enemy, failure of transportation facilities, enactment, rule, order or act of government or governmental instrumentality (whether domestic or international and whether federal, state or local, except in the case of a rule, order or act by Applicant, or the international equivalent thereof), failure of technical facilities, severe inclement weather or any other cause of any nature whatsoever beyond the control of the parties (including a strike, lockout, or other labor dispute involving Major League Baseball and Major League Baseball players) which was not avoidable in the exercise of reasonable care and foresight. If an Event of Force Majeure causes the Franchise's Major League Baseball Club to fail to play at least fifty percent of a Franchise Spring Training Season at the Facility, the

parties agree that the Agreement shall be automatically extended beyond the Term (as defined in the Agreement) for one additional Franchise Spring Training Season.

- D. MLB Requirements:** If Major League Baseball causes the Franchise's Major League Baseball Club to play less than fifty percent of a Franchise Spring Training Season at the Facility, the parties agree that the Agreement shall be automatically extended beyond the Term of the Agreement for one additional Full Spring Training Season.
- E. Third Party Beneficiary:** The State, by and through DEO and DEO's successors and assigns, is an intended third party beneficiary of this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations imposed by, this Addendum. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any rights or remedies that the State or DEO may have under law.
- F. Order of Priority:** In the event of a conflict between the terms of this Addendum and terms of the Agreement relating specifically to a right, obligation or remedy benefiting DEO which arises from section 288.11631, Florida Statutes or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Agreement, including any terms added to, amended in, or removed from the Agreement after the effective date of this Addendum; provided that this provision shall not be interpreted so as to release or modify any obligation, right or remedy provided in the Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the parties and the Executive Director of DEO. If any modification or amendment is made to either the Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on the rights of DEO under

CC

this Addendum, such portion of that modification or amendment that has an adverse effect shall be void ab initio, and ineffective.

G. **Recitals Incorporated:** The foregoing recitals are incorporated herein and made a part hereof by this reference.

H. **Duplicate Terms:** Because this is an Addendum prepared without reference to the Agreement itself, it may duplicate some existing terms of the Agreement. Such duplication or restatement of terms shall be construed as intentional.

**SECOND AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate as of February 19, 2019, by and between ST. LUCIE COUNTY, a political subdivision of the State of Florida ("County"), and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex (the "Project") as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to increase the overall New Improvements Budget;

WHEREAS, the parties desire to implement a process for seeking tax savings on large material purchases for this public Project in accordance with Section 212.08(6) of the Florida Statutes and Rule 12A-1.094 of the Florida Administrative Code; and

WHEREAS, the parties desire to enter into an amendment to the FUA to add the terms herein contained.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, IT IS AGREED AS FOLLOWS:

1. AMENDMENT OF SECTION 10(A) OF THE FUA

The FUA is hereby amended by adding the following language to the end of Section 10(A):

"In the event the New Improvements Budget exceeds \$55,000,000.00, SFS shall contribute up to an additional \$2,000,000.00 to the New Improvements Budget to cover any such excess, which sum shall be used and applied to the New Improvements as set forth in the FUA and any amendments thereto. The obligation to provide the additional funds is the sole responsibility of SFS and this Amendment shall not create or alter any obligation of the County with respect to the New Improvements Budget. Nothing stated in this Paragraph shall alter or limit SFS' obligation, as set forth in the second paragraph of this Section 10(A), to bear all costs of coverage beyond the additional \$2,000,000.00 in the event the New Improvements Budget is exceeded."

2. AMENDMENT OF SECTION 4 OF THE FIRST AMENDMENT TO THE FUA

The First Amendment to the FUA is hereby amended by deleting the following language found in Subsection (ii):

"The next \$1,000,000 of interest shall be used by the County [to] pay costs associated with the County's project to build softball fields (the "County Fields") in a location determined by the County (but not at the Sports Complex)"

And replacing such language with the following:

"The next \$1,000,000 of interest shall be used by the County to pay costs for any County improvements, renovations or modifications related to the Sports Complex, which in County's sole discretion, are necessary, with the remainder of any such funds allocated to the softball fields project at a location determined by County."

3. ADDITION OF SECTION 42 TO THE FUA

The FUA is hereby amended by adding the following Section 42 titled Owner Direct Purchasing Agreement:

"For qualifying material purchases in excess of \$50,000.00, the County may elect to implement an Owner Direct Purchase in accordance with Section 212.08(6) of the Florida Statutes at the request of SFS. It is the sole discretion and responsibility of SFS, in connection with the Construction Manager building the Project, to recommend and request the use of Owner Direct Purchasing on qualifying purchases. The County has no obligation or responsibility to determine if qualifying purchases exist or to recommend the use of Owner Direct Purchasing to incur tax savings. Furthermore, the County may deny a request for failure to conform to the requirements of this Section of the FUA or if the County determines in its reasonable discretion that an Owner Direct Purchase would not comply with Section 212.08(6) of the Florida Statutes. If any purchase made pursuant to this Agreement incurs a tax penalty, then the liability shall be distributed as follows:

- a. Any and all sales tax liability incurred as result of SFS' failure to comply with the material terms and requirements of the FUA, as amended, shall be paid from the New Improvements Budget. However, to the extent any such liability exceeds the Budget, the unpaid amount shall be paid by SFS.
- b. Any and all sales tax liability incurred as a result of the process set forth herein being rejected for failure to meet the requirements of the law shall be paid from the New Improvements Budget in accordance with Section 10 of this FUA.

For purposes of this FUA, a "qualifying material purchase" means any purchase of materials for use at the project that: (1) meets the requirements of Section 212.08(6) of the Florida Statutes; (2) meets in all respects the material specifications set forth in the Contract Documents and Approved Submittals; and (3) is in excess of \$50,000.00.

For qualifying material purchases identified by SFS, the following procedures shall apply:

- c. SFS shall complete, in full, the Vendor Requisition Form attached hereto as Exhibit "Q," and submit the Vendor Requisition Form to the County for approval along with a certification that SFS has reviewed Section 212.08(6) of the Florida Statutes and determined the requested purchase to be a qualifying material purchase. The County shall designate, in writing, a purchasing officer for this Project, which shall be the designated recipient of any Vendor Requisition Forms.
- d. Within a reasonable time, but no later than two weeks after receipt of the request, the County shall review the Vendor Requisition Form and either approve or deny the request. The County will promptly inform SFS of its decision with

respect to the request. If the County approves the request, it shall submit a Purchase Order, along with a copy of its Florida Consumer's Certificate of Exemption and Certificate of Entitlement, to the vendor. If the County denies the request, no further action will be taken and SFS may proceed with the purchase as a non-Owner Direct Purchase.

e. All shipments made under the Owner Direct Purchasing program shall designate the goods to be free on board to the jobsite.

f. Upon delivery of materials purchased pursuant to this Section of the FUA, SFS or its designee, acting for and on behalf of the County, shall ensure that the delivery complies with the terms of the Purchase Order submitted to the vendor by the County. This obligation shall include, but not be limited to, ensuring timely delivery, conformance of the material to the Purchase Order in quality, quantity, and all other respects, and ensuring that the materials are in a good and usable condition for the intended purpose.

g. If any material or product fails to be delivered or is not of the quantity or quality requested or otherwise fails to meet the requirements of the Purchase Order, SFS or its designee, acting for and on behalf of the County, shall work directly with the vendor to correct the faulty shipment. SFS is responsible for ensuring that all Owner Direct Purchases made pursuant to the FUA meet the standards set forth in the Purchase Order signed and submitted by the County.

h. If, after reviewing the Purchase Order and the shipment, SFS determines that the shipment is complete and proper, it shall sign the proof of delivery on behalf of the County and direct the vendor to invoice the County directly.

i. Upon submission of an invoice to the County for payment, SFS shall place all materials purchased pursuant to this Agreement into a protected storage area within the materials storage yard until such time as the material has been, or is being, incorporated in the project. SFS shall be responsible for ensuring the security of all County purchased materials from the time of acceptance through the time of incorporation.

j. Once receipt of the shipment has been confirmed, the County shall be invoiced directly and shall pay the invoice from the New Improvements Budget in accordance with Section 10 of this FUA.

k. The County shall take title to, and assume all risk of loss for or damage to, the goods at the point of delivery from the vendor. The County will insure against all loss of or damage to materials or products purchased using Owner Direct Purchasing. Nothing in this paragraph shall act to abrogate, alter, modify, or otherwise change the terms of Section 13 of the FUA or applicable laws regarding liability with respect to any materials purchased for, used in, or incorporated into the Project.

l. The procedures set forth herein shall apply to and be the only procedures governing Owner Direct Purchases on this Project.

4. All tax savings generated through the use of Owner Direct Purchases shall be accounted for as a

credit in the New Improvements Budget and used exclusively to implement the New Improvements as defined and agreed to in the FUA.

5. Except as amended herein, the remaining terms and conditions of the FUA shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed and delivered this Amendment as of the date first set forth above, as follows:

**THIRD AMENDMENT TO
ST. LUCIE SPORTS COMPLEX
AMENDED AND RESTATED FACILITIES USE AGREEMENT**

THIS AMENDMENT ("Amendment"), made and entered into in triplicate as of ^{August 4} ~~July~~ 2020, by and between ST. LUCIE COUNTY, a political subdivision of the State of Florida ("County"), and STERLING FACILITY SERVICES, L.L.C., a New York limited liability company ("SFS").

WITNESSETH:

WHEREAS, the County and SFS entered into an Amended and Restated Facilities Use Agreement for the St. Lucie County Sports Complex (the "Project") as of January 24, 2017 (as amended, the "FUA"); and

WHEREAS, the parties desire to modify the process for tax savings on large material purchases for this public Project in accordance with Section 212.08(6) of the Florida Statutes and Rule 12A-1.094 of the Florida Administrative Code, as set forth in the Second Amendment to the Facilities Use Agreement; and

WHEREAS, the parties additionally desire to amend Exhibit "M" to the FUA, to update the advertising services obligations of the parties; and

WHEREAS, the parties seek to establish an escrow arrangement for the additional up to \$2,000,000 financial commitment that SFS agreed to fund in accordance with the Second Amendment to the FUA dated February 19, 2019; and

WHEREAS, the parties desire to enter into this Third Amendment to the FUA to add the terms herein contained.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, **IT IS AGREED AS FOLLOWS:**

1. AMENDMENT OF SECTION 42 TO THE FUA

Section 42 of the FUA is deleted in its entirety and replaced with the following::

"For qualifying material purchases in excess of \$10,000.00, the County may elect to implement an Owner Direct Purchase in accordance with Section 212.08(6) of the Florida Statutes at the request of SFS. It is the sole discretion and responsibility of SFS, in connection with the Construction Manager building the Project, to recommend and request the use of Owner Direct Purchasing on qualifying purchases. The County has no obligation or responsibility to determine if qualifying purchases exist or to recommend the use of Owner Direct Purchasing to incur tax savings. Furthermore, the County may deny a request for failure to conform to the requirements of this Section of the FUA or if the County determines in its reasonable discretion that an Owner Direct Purchase would not comply with Section 212.08(6) of the Florida Statutes. If any purchase made pursuant to this Agreement incurs a tax penalty, then the liability shall be distributed as follows:

- a. Any and all sales tax liability incurred as result of SFS' failure to comply with the material terms and requirements of the FUA, as amended, shall be paid

from the New Improvements Budget. However, to the extent any such liability exceeds the Budget, the unpaid amount shall be paid by SFS.

b. Any and all sales tax liability incurred as a result of the process set forth herein being rejected for failure to meet the requirements of the law shall be paid from the New Improvements Budget in accordance with Section 10 of this FUA.

For purposes of this FUA, a "qualifying material purchase" means any purchase of materials for use at the project that: (1) meets the requirements of Section 212.08(6) of the Florida Statutes; (2) meets in all respects the material specifications set forth in the Contract Documents and Approved Submittals; and (3) is in excess of \$10,000.00.

For qualifying material purchases identified by SFS, the following procedures shall apply:

c. SFS shall complete, in full, the Vendor Requisition Form attached hereto as Exhibit "Q," and submit the Vendor Requisition Form to the County for approval along with a certification that SFS has reviewed Section 212.08(6) of the Florida Statutes and determined the requested purchase to be a qualifying material purchase. The County shall designate, in writing, a purchasing officer for this Project, which shall be the designated recipient of any Vendor Requisition Forms.

d. Within a reasonable time, but no later than two weeks after receipt of the request, the County shall review the Vendor Requisition Form and either approve or deny the request. The County will promptly inform SFS of its decision with respect to the request. If the County approves the request, it shall submit a Purchase Order, along with a copy of its Florida Consumer's Certificate of Exemption and Certificate of Entitlement, to the vendor. If the County denies the request, no further action will be taken and SFS may proceed with the purchase as a non-Owner Direct Purchase.

e. All shipments made under the Owner Direct Purchasing program shall designate the goods to be free on board to the jobsite.

f. Upon delivery of materials purchased pursuant to this Section of the FUA, SFS or its designee, acting for and on behalf of the County, shall ensure that the delivery complies with the terms of the Purchase Order submitted to the vendor by the County. This obligation shall include, but not be limited to, ensuring timely delivery, conformance of the material to the Purchase Order in quality, quantity, and all other respects, and ensuring that the materials are in a good and usable condition for the intended purpose.

g. If any material or product fails to be delivered or is not of the quantity or quality requested or otherwise fails to meet the requirements of the Purchase Order, SFS or its designee, acting for and on behalf of the County, shall work directly with the vendor to correct the faulty shipment. SFS is responsible for ensuring that all Owner Direct Purchases made pursuant to the FUA meet the standards set forth in the Purchase Order signed and submitted by the County.

h. If, after reviewing the Purchase Order and the shipment, SFS determines that the shipment is complete and proper, it shall sign the proof of delivery on behalf of the County and direct the vendor to invoice the County directly.

i. Upon submission of an invoice to the County for payment, SFS shall place all materials purchased pursuant to this Agreement into an enclosed storage area within the materials storage yard until such time as the material has been, or is being, incorporated in the project. SFS shall be responsible for ensuring the security of all County purchased materials from the time of acceptance through the time of incorporation.

j. Once receipt of the shipment has been confirmed, the County shall be invoiced directly and shall pay the invoice from the New Improvements Budget in accordance with Section 10 of this FUA.

k. The County shall take title to, and assume all risk of loss for or damage to, the goods at the point of delivery from the vendor. The County will insure against all loss of or damage to materials or products purchased using Owner Direct Purchasing. Nothing in this paragraph shall act to abrogate, alter, modify, or otherwise change the terms of Section 13 of the FUA or applicable laws regarding liability with respect to any materials purchased for, used in, or incorporated into the Project.

l. The procedures set forth herein shall apply to and be the only procedures governing Owner Direct Purchases on this Project.

2. All Owner Direct Purchases commencing with ODP#8 dated July 22, 2019, except as provided in Section 3 below, shall be governed by this Third Amendment, with an allocation of all tax savings as follows:

- a. Shared allocation on the first \$200,000.00 of tax savings, as follows:
 - i. 50% for use by SFS as part of the New Improvements Budget; and
 - ii. 50% for use by County to pay costs for any County improvements, renovations or modifications related to the Sports Complex, which in County's sole discretion are necessary.
- b. County receives all tax savings proceeds in excess of \$200,000.00, to be used by County to pay costs for any County improvements, renovations or modifications related to the Sports Complex, which in County's sole discretion are necessary.

3. The tax savings proceeds pursuant to ODP#8 shall be allocated as follows:

- a. \$7,235.00 directly to the New Improvements Budget; and
- b. Any additional savings proceeds allocated in accordance with Section 2 above.

4. Exhibit "M" to the FUA shall be and is hereby amended by the attached and revised Exhibit "M".

5. Regarding the additional up to \$2,000,000 funding commitment by SFS in the Second Amendment to the FUA, the parties shall use an escrow arrangement to secure funding as necessary to allow for the payment of any additional costs of the New Improvements that exceed the \$55,000,000 New Improvements Budget. For every cost, including any change order, that would cause the New Improvements Budget to be exceeded, SFS shall deposit into an escrow account, for the benefit of

County, the additional costs above the New Improvements Budget. County shall not be required to process for approval any such additional costs and payment requests, including any such change orders, until SFS has made the requisite deposit into escrow of the additional monies to cover the overage, with confirmation to County of the deposit. On confirmation of the deposit, the County will process the additional costs for payment in accordance with the requirements of the FUA. Once the pay request has been approved by the County, SFS shall release the escrowed monies to County, and County shall make payment accordingly.

6. Except as amended herein, the remaining terms and conditions of the FUA and any amendments shall remain in full force and effect.

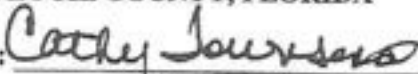

IN WITNESS WHEREOF, the parties have executed and delivered this Amendment as of the date first set forth above, as follows:

Utilizing the data and methodology in the “2009 Major League Baseball Florida Spring Training Economic Impact Study Report”, June 2009 by the Florida Sports Foundation and the Bonn Marketing Research Group, Inc., the following represents the estimated Economic Impact to St. Lucie County just resulting from Direct Spending associated with the New York Mets Spring Training. Please note this does not include the impact to labor income and employment in St. Lucie County as result of Spring Training.

The attendees, for this purpose, are separated into five category types:

- **Out-of-State-Primary Purpose:** This indicates a visiting party from outside of Florida that came to the area expressly for the New York Mets Spring Training.
- **Out-of-State-Other Purpose:** This indicates a visiting party from outside of Florida that came to the area for another purpose, but attended Spring Training activities.
- **Non-County-Primary Purpose:** This indicates attendance from another County in Florida that visited expressly for Mets Spring Training.
- **Non-County-Other Purpose:** This indicates attendance to St. Lucie County for another purpose, but included Spring Training activities.
- **Local:** These include all St. Lucie County residents.

RE: St. Lucie County Sports Complex Spring Training Grant

Dear Mr. Webb:

Enclosed please find the documents comprising St. Lucie County's application for a \$20 million dollar grant for new construction and renovations to the St. Lucie County Sports Complex (the "Complex"). If certified, the grant in conjunction with the County's commitment to issue \$60 million dollars in bonds backed primarily by the County's tourist development tax, \$55 million of which will go to Complex construction and renovations will guarantee the New York Mets organization will continue to occupy the Complex for its Major League Spring training base and other baseball activities for the next 25 years. The application consists of the following:

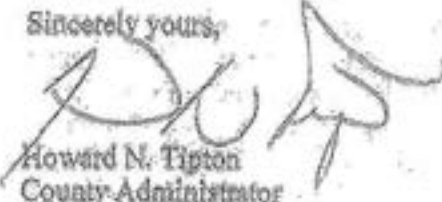

1. A copy of the agenda item approved by the St. Lucie County Commission November 15, 2016. The agenda item outlines the general terms of the agreement with the Mets and confirms the County will be responsible for 53% of all costs of the project, the Mets will be responsible for 35% and the State grant will cover the remaining 12% of the costs.
2. A copy of the deed from Thomas J. White Development Corporation to St. Lucie County conveying the real property on which the St. Lucie County Sports Complex is located.
3. A certified facilities use agreement between St. Lucie County and Sterling Facility Services, L.L.C., a subsidiary of Sterling Mets, L.P., the owner of the New York Mets, which is subject to the State grant approval, guaranteeing the Mets will remain at the Complex through December 31, 2042 and be responsible for 12% of the total capital, and O and M costs of the project.
4. A compilation of Spring Training paid attendance statistics compiled by the Mets confirming that since 1999 paid annual attendance at Spring Training games has substantially exceeded 50,000 every year.

ST. LUCIE

5. The St. Lucie County Ordinance(s) which confirm the county has levied and will continue to levy a tourist development tax pursuant to Section 125.0104, Florida Statutes to finance its portion of the project.
6. As discussed when representatives of St. Lucie County and the Mets met with you, representatives of the Department of Economic Opportunity and the Governor's Office, upon certification of this application, the current agreement with the Mets extending through 2023 will be automatically superseded per paragraph 2.B of the new agreement on its "Commencement Date".

Per the Major League Baseball Spring Training Funding Checklist provided by your office, I believe the application is in compliance with Section 288.11631, Florida Statutes. However, should you need additional information, please contact me directly.

Sincerely yours,

Howard N. Tipton
County Administrator

Dear Mr. Biegalski:

Re: Decertification of St. Lucie County

On December 31, 2006, St. Lucie County (County) was certified by the Governor's Office of Tourism, Trade, and Economic Development to receive \$7,914,766 over a 30 year period for under s. 288.1162, F.S. The first monthly payment (\$21,985.46) was issued by the Florida Department of Revenue (DOR) in March 2007.

In early 2016, the County approached the Florida Department of Economic Opportunity (DEO) in regards to seeking certification and funding for stadium renovations under s. 288.11631, F.S. Based on further communication with DEO and the Florida Sports Foundation, the County submitted an application for certification under s. 288.11631, F.S. in the fall of 2016. Pursuant to s. 288.11625(4)(e)3.(g), F.S., "A facility or beneficiary may not be the subject of more than one distribution under s. 212.20 at any time for any state-administered sports-related program, including s. 288.1162, s. 288.11621, s. 288.11631 or this section."

Therefore, the County has signed the attached agreement, prior to certification, stating that the distributions under s. 288.1162, F.S., will end and the County has satisfied all outstanding bonds associated with the project for which the County received its certification under s. 288.1162, F.S. As such, DEO is requesting that DOR immediately cease distributions to St. Lucie County under the original certification.

Dear Mr. Tipton:

Re: Certification of St. Lucie County's Spring Training Facility

St. Lucie County (County) submitted an application for certification under section 288.11631, Florida Statutes (F.S.), to the Florida Sports Foundation (FSF) for initial review and evaluation. On November 29, 2016, the FSF President and CEO delivered the application to the Department of Economic Opportunity (DEO) and stated that the documentation submitted meets the criteria for funding as specified under section 212.20(6)(d)6.e., F.S. On January 25, 2017, DEO received the statutorily required certified copies of the County's Addendum and Amended and Restated Facilities Use Agreement with the New York Mets Major League Baseball team, as well as the additional statutorily required documentation requested in the December 20, 2016 letter.

We are pleased to inform you that DEO has determined the County is eligible to receive funding in the amount of \$83,333.00 monthly, for a period not to exceed 20 years. DEO will notify the Department of Revenue of the County's certification.

Receipt of funds under s. 288.11631, F.S. is contingent on all of the following:

- (1) The County's prospective distributions under s. 288.1162, F.S., will end.
- (2) The County must satisfy all outstanding bonds associated with the project for which the County received its certification under s. 288.1162, F.S.; and
- (3) The County must enter into an agreement with DEO, as required by subsection 288.11631(2)(c), F.S.

We look forward to working with you on the agreement. If you have any questions concerning this letter please contact Katherine Morrison Manager of Strategic Industry Partnerships, Division of Strategic Business Development at (850) 717-8973.

(4) reimburse the costs under paragraphs (1), (2), or (3), above; and/or

(5) refinance bonds issued for the construction or renovation of such facility.

(c) As a certified applicant under section 288.11631, F.S., the County may not use state funds distributed according to this Agreement and pursuant to section 212.20(6)(d)6.e, F.S., to subsidize facilities that are privately owned by, maintained by, and used exclusively by a spring training franchise.

(d) The County must place unexpended state funds received pursuant to section 212.20(6)(d)6.e, F.S., in a trust fund or separate account for use only as authorized in section 288.11631, F.S.

(e) The County's expenditure of state funds received pursuant to this Agreement must begin within 48 months after the initial receipt of said state funds. Additionally, the construction or renovation of a spring training facility within the County and pursuant to the County's certification under section 288.11631, F.S., must be completed within 24 months of the County's Stadium Construction and Renovation Project's commencement.

(f) As more fully set forth in Spring Training Facility Lease and Use Agreement and in the Addendum, if the Spring Training Franchise relocates from the Facility, the Spring Training Franchise must, as a partial remedy, reimburse the State in an amount equal to 100% of the total amount of state distributions expected to be paid from the date the Spring Training Franchise breaks its agreement or agreements with the County through the maturity of the bonds described in Section 3(a). The County agrees it has, and will have, at all times throughout the term of this Agreement, and will enforce, a valid provision for such reimbursement to the State in the Spring Training Facility Lease and Use Agreement with the Spring Training Franchise. DEO acknowledges and agrees that the provisions of Spring Training Facility Lease and Use Agreement and the Addendum meet the requirements of section 288.11631, F.S.

(g) The County agrees that, prior to making any material changes, amendments, modifications, extensions or the like, to the County's Spring Training and Facility Lease and Use Agreement, or the terms thereof, that have any effect on DEO's or the State's rights or privileges, including, but not limited to, the Spring Training Franchise's assignment of its rights and obligations under the lease, or the County's certification or the Spring Training Franchise's reimbursement requirements under section 288.11631, F.S., the County shall obtain DEO's prior, written approval.

REPORTING REQUIREMENTS

(h) **Annual Reports:** On or before September 1 of each year throughout the term of this Agreement, and as long as the County remains certified under section 288.11631, F.S., the County shall submit an annual report to DEO which must include, but is not limited to, the following:

(1) A detailed accounting of all local and state funds expended to date, as of the date of submission of the report, on the Project financed under section 288.11631, F.S. (3) A cost-benefit analysis of the Spring Training Franchise's impact on St. Lucie County. This cost-benefit analysis must be substantially similar in content and format to the 2009 Major League Baseball Florida Spring Training Economic Impact Study except that its scope shall be limited to the impact on St. Lucie County.

(10) Stadium Development Status Reports: Until the Project is completed, no less frequently than on a quarterly basis, the County shall provide to DEO a written update as to the status of the Project, which requirement may be met by copying DEO on any written updates provided to the St. Lucie County Board of Commissioners. In addition, during the Development Period, the County will promptly respond to a request from DEO for any information in the County's possession, or reports that the County is generating for its own purposes. This section does not require the County to generate financial reports beyond those specifically required by this Agreement.

5. DISTRIBUTIONS.

(a) Distributions under this Agreement will be made to the County subject to and in accordance with sections 212.20(6)(d)6.e. and 288.11631, F.S.

(1) Notwithstanding anything else herein to the contrary, if pursuant to section 212.20(6)(d)6(e), F.S., the \$83,333.00 per month described in section 5(c) is not available to DOR for distribution as provided for in this Agreement, such event will not constitute a breach or default by DEO, DOR, or the State of Florida. For avoidance of doubt, neither the faith and credit nor the taxing power of the State of Florida is or shall be pledged in connection with this Agreement.

(2) Subject in all respects to Section 3(a) hereof, all distributions shall be subject to the terms of this Agreement, including, but not limited to Article 15, *Breach, Financial Consequences, and Remedies*.

(b) Pursuant to sections 212.20(6)(d)6.e. and 288.11631(3)(c), F.S., the Department of Revenue (DOR) will begin distributions to the County upon DEO's notification to DOR that the County has fulfilled all the requirements for certification as set forth in section 288.11631, F.S.

(c) Pursuant to subsection 212.20(6)(d)6.e., F.S., the County shall receive distributions from DOR of up to \$83,333.00 monthly, beginning July 1, 2017, or following execution of this Agreement, whichever is later, and continue, for not more than 20 years from the initial distribution date, in an amount not to exceed a total sum of \$20,000,000.00. Subject in all respects to Section 3(a) hereof,

failure to comply with the requirements set forth in this Agreement or applicable law, may result in the application of financial consequences as set forth in Article 15, *Breach, Financial Consequences, and Remedies*, of this Agreement, the repayment of funds as referenced in section 288.11631, F.S., or Article 34, *Return or Recoupment of Funds*, of this Agreement.

(d) The County may request in writing at least 20 days before the next monthly distribution that DEO halt future distributions. If such a request is made, upon receipt by DEO, DEO shall immediately notify DOR to halt future distributions for such period of time as DEO deems appropriate, under the circumstances, but only as permitted by law.

6. CONTRACTS.

(a) The County shall be responsible and liable for all work performed and all expenses incurred in connection with the County's Stadium Construction and Project or any activities related to, in connection with, or in furtherance of this Agreement.

(b) The County may, as appropriate and in compliance with applicable law, contract the performance of the activities related to, in connection with, or in furtherance of this Agreement, including entering into contracts with vendors for services and commodities, *provided, however*, that the County shall be solely liable to the subcontractor for all expenses and liabilities. The County shall not enter into a subcontract in which DEO could be held liable to the subcontractor for any expenses or liabilities. The County agrees that DEO shall not be held liable to the subcontractor for any expenses or liabilities incurred under any contract. Pursuant to section 768.28, F.S., and to the extent permitted by applicable law, the County shall, at its expense, defend and hold DEO harmless of any liabilities incurred under any of the contracts entered into by the County in connection this Agreement. As between DEO and the County, the County shall be liable for all work performed and all expenses incurred as a result of any subcontract entered into by the County in connection this Agreement. The County shall ensure that contractors hired by the County in connection with the County's Sport Complex, or any activities related to this Agreement, comply with all relevant terms of this Agreement.

(c) Any Contract executed by the County after the Effective Date of this Agreement, for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement shall be evidenced by a written document and include provisions requiring compliance with this Agreement and all applicable Federal, State, and local laws, regular performance reporting, accounting for proper use of funds provided under the Agreement (including the provision of audit rights pursuant to Attachment A, *Audit Requirements*, as applicable.) Contract, as used in this paragraph, shall mean any agreement, assignments, leases or purchase order for the provision of construction, goods and/or services executed specifically by the County in furtherance of the County's overall obligations under this Agreement, unless specifically defined elsewhere in this Agreement.

7. INDEPENDENT CAPACITY OF CONTRACTOR.

(a) The Parties mutually understand and agree that the County, its officers, agents, employees, subcontractors or assignees, in the performance of the County's duties and responsibilities under this Agreement, is at all times acting and performing as an independent contractor and not as an officer, employee or agent of the State of Florida. Nothing in this Agreement is intended to, or shall be deemed to constitute, a partnership or joint venture between the Parties.

(b) The County shall not represent to others that it has the authority to bind DEO.

(c) Neither the County, nor its officers, agents, employees, subcontractors, or assignees are entitled to state retirement or state leave benefits, or to any other compensation of state employment as a result of performing the duties and obligations of this Agreement.

(d) The County agrees to take such action as may be necessary to ensure that each contractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the State of Florida.

(e) DEO will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, or clerical support) to the County, its Spring Training Franchise, beneficiary, its subcontractor, or assignee in furtherance of this Agreement.

(f) DEO shall not be responsible for withholding taxes, if any, with respect to the County's distributions hereunder. The County shall have no claim against DEO for vacation pay, sick leave, retirement benefits, social security, workers' compensation, health or disability benefits, reemployment assistance benefits, or employee benefits of any kind. The County shall ensure that its employees, contractors, and other agents, receive benefits and necessary insurance from an employer other than the State of Florida, to the extent required by law.

(g) The County, at all times during the Agreement, must comply with any and all applicable reporting and Reemployment Assistance contribution payment requirements of chapter 443, F.S.

(h) The County agrees to take such steps as may be necessary to ensure that each contractor of the County will be deemed to be an independent contractor and will not be considered or permitted to be an agent of the State of Florida.

(i) The County shall not pledge the State of Florida's nor DEO's credit nor make the State of Florida or DEO a guarantor of payment or surety for any contract, debt, obligation, judgment lien, or any form of indebtedness.

8. LIABILITY.

(a) DEO shall not assume any liability for the acts, omissions to act, or negligence of the County, its Spring Training Franchise, agents, beneficiaries, affiliates, contractors, subcontractors, servants, or employees. In all instances, the County shall be responsible for any injury or property damage resulting from any activities conducted by the County in the performance of this Agreement.

(b) DEO shall not be liable to the County for special, indirect, punitive, or consequential damages. DEO shall not be liable for lost profits, lost revenue, or lost institutional operating savings.

9. INDEMNIFICATION.

(a) The Parties acknowledge that nothing in this Agreement shall constitute (1) an agreement by either Party to indemnify or insure the other Party for the other Party's negligence or to assume any liability of the other Party's negligence; (2) a waiver of sovereign immunity beyond the limits set forth in Section

768.28, F.S. or any applicable waiver of sovereign immunity that is inherent in the act of contracting; (3) a waiver of any defense the parties may have under such statute; or (4) consent to be sued by third parties.

(b) The County shall indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from any and all suits, actions, damages, and costs of every name and description that arise from or are related to this Agreement, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the County, its employees, contractors, and subcontractors, provided, however, that the County is not obligated to indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the State or DEO.

(c) The County shall indemnify, defend, and hold harmless the State and DEO, its employees and agents, from liability of any nature or kind, including costs and expenses for or on account of any trademarked, trade secret, copyrighted, patented, or unpatented invention, process, product or article manufactured by the County. DEO shall not be liable for any royalties.

(d) The County's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the State or DEO giving the County:

- (1) written notice of any action or threatened action;
- (2) the opportunity to take over and settle or defend any such action at the County's sole expense, and
- (3) assistance in defending the action at the County's sole expense.

The County is not obligated to be liable for any cost, expense, or compromise incurred or made by the State or DEO in any legal action without the County's prior written consent, which shall not be unreasonably delayed, conditioned or withheld.

(e) At DEO's election and upon notification to the County, the County shall assume the defense or settlement of any third-party claim arising under this Agreement with counsel reasonably satisfactory to DEO; provided, however, that the County shall not settle or compromise any such claim in an amount more than \$10,000 without DEO's prior written consent. Notwithstanding the foregoing, (1) DEO shall have the right, but not the obligation, at its option and expense, to participate fully in the defense or settlement of any third-party claim; and (2) if the County does not continuously defend or settle any third-party claim within 30 days after it is notified of the assertion or commencement thereof, then (a) DEO shall have the right, but not the obligation, to undertake the defense or settlement of such claim for the account and at the risk of the County, and (b) the County shall be bound by any defense or settlement that DEO may make as to such claim. DEO shall also be entitled to join the County in any third-party claim for the purpose of enforcing any right of indemnity hereunder.

10. RESPONSIBILITIES OF GOVERNING BOARD OR AUTHORITIES.

The Parties agree that any information, including updates, reports, publications, studies, and any and all reasonably requested information, that is required by Federal, State or local law shall be approved by a person having the authority to do so prior to submission, and shall be signed only by those persons having the legal authority to do so or appropriately ratified by such an authority.

11. AUDITS AND RECORDS.

- (a) The County shall retain and maintain all records so as to sufficiently and properly reflect all expenditures of funds distributed under this Agreement, in accordance with generally accepted accounting procedures and practices. Records shall include, but are not limited to, independent auditor working papers, notes, books, vouchers, bills, invoices, requests for payment, receipts, and other supporting source documentation, including electronic storage media. Such records shall be subject at all times to inspection, review, and audit by, as well as transfer to, representatives of DEO, the Chief Financial Officer of the State of Florida, the Auditor General of the State of Florida, the Florida Office of Program Policy Analysis and Government Accountability, or representatives of the Federal government and their duly authorized representatives upon request.
- (b) The County agrees to comply with all applicable audit requirements of section 215.97, F.S., and those found in Attachment A, *Audit Requirements*, and, if an audit is required, the County shall disclose all related transactions to the auditor.
- (c) The County shall maintain and retain all County records, financial records, supporting documents, statistical records, and any other documents, including electronic storage media, pertinent to this Agreement, as well as all financial records related to funds paid by the County to any parties for work on the matters that are the subject of this Agreement, in accordance with the record retention requirements of Part V of Attachment A, *Audit Requirements*. The County shall cooperate with DEO to facilitate the duplication and transfer of such records or documents upon request of DEO.
- (d) If applicable, the County shall submit a written independent audit report to DEO specifically covering the period of Agreement expenditures pursuant to sections 215.97 and 11.45, F.S., and other relevant laws.
- (e) The County must provide copies of any audit referencing this Agreement, the audit transmittal letter, and any response to such audit to DEO within 30 days of receipt by the County.
- (f) The County will comply with section 20.055(3), F.S., including, but not limited to, the duty of the County, to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing pursuant to section 20.055, F.S. The County agrees to reimburse the State for the reasonable costs of investigation incurred by the Inspector General or other authorized State official for investigations of the County's beneficiary, contractors' or subcontractors' compliance with the terms of this Agreement which results in a finding of noncompliance, fraud, illegality, or financial misuse, in connection with this Agreement by the County or its Spring Training Franchise, beneficiary, contractor(s), or subcontractor(s). Such reasonable costs shall include, but shall not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.
- (g) The County shall include the audit and record keeping requirements aforementioned in this Article and in Attachment A, *Audit Requirements*, in all contracts, subcontracts, leases, assignments, and agreements executed for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement.
- (h) Within 60 working days of the close of the County's fiscal year, on an annual basis, the County shall electronically submit a completed *Audit Compliance Certification* (a version of this certification is attached hereto as Attachment B) to audit@deo.myflorida.com. The County's timely submittal of one completed *Audit Compliance Certification* for each applicable fiscal year will fulfill this requirement.

within all agreements (e.g., contracts, grants, memorandums of understanding, memorandums of agreement, economic incentive award agreements, etc.) between DEO and the County.

12. ACCESS TO RECORDS AND PUBLIC RECORDS REQUIREMENTS.

- (a) DEO may perform on-site reviews to independently validate any information or reports submitted to DEO. The County shall allow DEO's Agreement Manager and other DEO authorized personnel access to any information and any other documents requested by DEO for purposes of monitoring the County's performance under or compliance with this Agreement.
- (b) The County must comply with all applicable Florida public records law as it relates to this Agreement. In particular, the County shall allow public access to all documents, papers, letters or other materials made or received by the County in conjunction with this Agreement that are public records as that term is defined by Fla. Stat. 119.011 (12) unless the records are exempt, and/or confidential pursuant to section 24(a) of Article I of the State Constitution, section 119.07(1), F.S., or other Florida statute(s).
- (c) The County is responsible to respond to each and every request the County receives for public records made, as provided by law, received or in the custody or control of the County in conjunction with this Agreement, in accordance with chapter 119, F.S.
- (d) The County acknowledges that DEO is subject to the provisions of chapter 119, F.S., and that documents submitted to DEO, or in DEO's custody or control, in relation to this Agreement constitute public records, subject to exemption and confidentiality under Florida law. The County shall cooperate with DEO regarding DEO's efforts to comply with the requirements of chapter 119, F.S.
- (e) The provisions of chapter 119, F.S., and other applicable Florida and federal laws govern the disclosure of any confidential information received by the Parties.
- (1) If the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, partners, contractors, or subcontractors submit records to DEO that the County, the County's Spring Training Franchise or its affiliates, or the County's contractors or subcontractors, deems legally confidential and/or exempt from public disclosure, as trade secrets, proprietary confidential business information, or for any other valid legal exemption under applicable Florida or Federal law, such records must be properly identified as such prior to submission to DEO. Failure to identify the legal basis for and the specific content of each claim of exemption and/or confidentiality from the requirements of chapter 119, F.S. or other law, prior to submittal of the record to DEO, may serve as a waiver of a claim of exemption and/or confidentiality of that record.
- (2) The County shall ensure that public records in the custody and/or control of the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, partners, contractors or subcontractors that are confidential are not disclosed except as authorized by law.
- (3) The County shall not disclose to third parties any confidential information obtained by the County, the County's Spring Training Franchise or its affiliates, or the County's agents, employees, officers, contractors or subcontractors in furtherance of this Agreement.
- (4) The County shall notify DEO verbally within 24 hours, and in writing within 72 hours of any improper disclosure or unauthorized use of confidential information related to this Agreement by

the County, its employees, agents, or representatives which is not in compliance with the terms of this Agreement or Federal or State law or if any information related to this Agreement is subpoenaed.

(ii) The County shall make a report to DEO not more than 7 business days after the County learns of such an improper disclosure or unauthorized use of confidential information. The County's report shall identify, to the extent known, the nature of the improper disclosure or unauthorized use, the confidential information disclosed or used, who made the disclosure of or used the information, what the County has done or shall do to mitigate any deleterious effect of the improper disclosure or unauthorized use, and what corrective action the County has taken or shall take to prevent future similar unauthorized use or improper disclosure. The County shall provide any other such information about the unauthorized use or improper disclosure as reasonably requested by DEO. The County shall take all steps DEO deems advisable to mitigate, resolve and/or prevent the unauthorized use or improper disclosure of confidential information shared or exchanged by the Parties and their affiliates in connection with this Agreement.

(f) Upon expiration of this Agreement, County shall either (a) transfer, at no cost, to DEO all public records in possession of County which are reasonably related to this Agreement or (b) keep and maintain public records which are reasonably related to this Agreement as required by law. If the County keeps and maintains public records upon completion of the Agreement, County shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to DEO, upon request from the DEO's custodian of records, in a format that is compatible with the information technology systems of DEO.

(g) To the extent allowable by law, and without waiving the sovereign immunity of the County, the County shall be fully liable for the actions of its Spring Training Franchise, agents, employees, partners, contractors, and subcontractors and shall fully indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to public record requests or public record law violation(s), alleged to be caused in whole or in part by the County, its Spring Training Franchise, agents, employees, partners, contractors, or subcontractors, provided, however, that the County does not indemnify for that portion of any costs or damages proximately caused by the negligent act or omission of the State or DEO. DEO, in its sole discretion, has the right, but the not obligation, to enforce this indemnification provision.

(h) The County shall include provisions in accordance with this Article, chapter 119, F.S., and all applicable Florida public records law, in all agreements, assignments, leases, contracts, and subcontracts executed or amended after the effective date of this Agreement for the expenditure of funds from, related to, in connection with, or in furtherance of this Agreement.

13. GOVERNING LAW.

This Agreement is executed and entered into in the State of Florida, and shall be construed, performed, and enforced in all respects in accordance with the laws, rules, and regulations of the State of Florida. Each Party shall perform its obligations herein in accordance with the terms and conditions of this Agreement. Without limiting the provisions of Article 15, *Breach, Financial Consequences, and Remedies*, or Article 34, *Return or Recoupment of Funds*, of this Agreement, the exclusive venue of any legal or equitable action that arises out of or relates to this Agreement to which DEO is or may be a party shall be brought in the appropriate court in Leon County, Florida, applying Florida law; in any such action, the County waives any right to jury trial.

14. STRICT COMPLIANCE.

The County agrees that all acts to be performed by it in connection with this Agreement must be performed in strict conformity with all local, State and Federal laws and regulations. For the avoidance of doubt, to the extent of any conflict between the terms of this Agreement and any law or regulation, the law or regulation shall control.

15. BREACH, FINANCIAL CONSEQUENCES, AND REMEDIES.

(a) If the County fails to comply with any of the terms of this Agreement, including but not limited to, timely delivery of the reports required under this Agreement, or continuing to meet the criteria for certification under section 288.11631, F.S., DEO may exercise any of the remedies available to it at law or in equity, and including, but without limitation, imposition of financial consequences as set forth in subsection (b) and (c) below.

(b) If the County fails to cure any breach or default of this Agreement or applicable law related thereto, DEO may impose the following financial consequences, as allowable by law:

(1) If the County fails to timely or adequately provide, as determined by DEO in its sole, reasonable discretion, any of the reports, documents, certification(s), or portions thereof required by this Agreement, or requested by DEO pursuant to this Agreement, including, but not limited to, the reports, documents, and certifications described in Article 4, *Duties and Obligations of the County*, of this Agreement, DEO will provide written notice of said failure to the County. The County shall have 30 days from such written notice to cure the failure (which notice shall state with particularity what report, document, certification or portion thereof that DEO considers has not been provided), prior to the imposition of any financial consequence; however, if said failure is not cured, in DEO's sole, reasonable discretion, after 30 calendar days, a financial consequence of \$100.00 per calendar day will be imposed until such time as the failure is cured. If said breach or default is not capable of being cured within 30 days, the County shall provide DEO with a response setting forth a plan, including a timeframe, for curing the breach or default, which is subject to review and approval by DEO. Following said review and approval, the County shall not be subject to any financial consequence if County complies with the plan for cure; however, if, in DEO's sole reasonable discretion, the County fails to comply with the plan for cure, a financial consequence of \$100.00 per calendar day will be imposed until such time as the County complies with the plan for cure or until the breach or default is cured, whichever occurs earlier. This financial consequence shall be imposed independently for each outstanding document or missing or inadequate portion thereof.

(2) If no Spring Training Franchise is operating at the Facility during the term of this Agreement either (a) due to modifications to the County's Spring Training Facility Lease and Use Agreement with a Spring Training Franchise, made without DEO's prior consent, or (b) due to the departure of the Spring Training Franchise resulting from a breach of contract by the County as determined by an administrative tribunal or a court of competent jurisdiction, and if DEO does not receive adequate repayment from the Spring Training Franchise, DEO may impose a financial consequence in an amount up to 100% of the County's remaining monthly distributions received from the State under this Agreement, each month if a Spring Training Franchise is not operating at the Facility, until such time as the County cures, in DEO's sole, reasonable discretion, said breach or default.

Provided, however, the above financial consequence shall terminate if the County enters into a new lease agreement with a replacement Spring Training Franchise, which must be with a major league

baseball Spring Training Franchise and approved by DEO, for a term at least equal to the time remaining on the original Spring Training Franchise Lease and Use Agreement.

(3) If DEO determines that the County has knowingly submitted or certified to information, or knowingly made a representation, that is false, misleading, deceptive, or otherwise untrue, and said submittal, certification, or representation relates to a material provision of this Agreement, DEO shall provide notice of the same to the County. The County shall have 30 days from such notice to respond to DEO's determination. If, following the receipt of the County's response, DEO determines that the County has violated this subsection, DEO may at its option either (a) impose a liquidated financial consequence in an amount up to the County's monthly distributions received from the State under this Agreement for a single month, or (b) pursue any rights and remedies available at law to DEO for the false, misleading, deceptive or otherwise untrue representation. This section shall not in any way limit the rights of DEO under law, including, but not limited to, the right to seek rescission of this Agreement based on fraud in the inducement principles.

(4) Following completion of the facility, which is to occur within 24 months from the project's commencement, as described in s. 288.11631(3)(d)3., F.S., if the County has failed to maintain its financial commitment to provide 50 percent or more of the funds required for the construction or renovation of the Facility, DEO shall provide the County notice and at least 60 days opportunity to cure the deficiency. If the deficiency is not timely cured, the County shall repay to DEO a pro-rated amount of the total award, calculated by multiplying the percentage of funds not matched by the total award. DEO shall permit the County to make such repayments in equal parts for the remainder of the term of this Agreement.

(c) If the County materially breaches, or defaults under, this Agreement, other than as described in subsections (b)(1)-(4) above, DEO shall provide 60 days written notice to the County, during which time the County shall either enter into a corrective action plan with DEO that must be agreeable to DEO, or the County must otherwise cure the breach. If the County fails to enter into a corrective action plan with DEO, or otherwise cure the breach, or if the County fails to substantially comply with the terms of the corrective action plan, DEO may impose a financial consequence in an amount of up to \$5000 each month, until such time as the County cures, in DEO's sole, reasonable discretion, said breach or default, or begins complying with the corrective action plan agreed to between DEO and the County.

(d) The County and DEO agree that whatever one Spring Training Franchise would be required by section 288.11631, F.S., or by this or any other agreement, including the Spring Training Facility Lease and Use Agreement with the New York Mets, or by other law, to repay to DEO amounts that were or will be provided to the County under this Agreement, DEO must demand such amounts from the Spring Training Franchise.

(e) The sanctions set forth in this section 15 are not sole remedies, and shall be cumulative with any rights and remedies available to DEO under law.

16. SEVERABILITY.

If any term or provision of this Agreement, in whole or in part, is found by a court of competent jurisdiction to be illegal, invalid, or unenforceable, then such term or provision shall be severed from this Agreement. This Agreement and the rights and obligations of the Parties shall be construed as if this Agreement did not contain such severed term or provision, and this Agreement otherwise shall remain in full force and effect.

17. PRESERVATION OF REMEDIES.

No delay or omission to exercise any right, power, or remedy accruing to either Party upon breach or default under this Agreement will impair any such right, power, or remedy of either Party, nor will such delay or omission be construed as a waiver of any such breach or default or any similar breach or default. Any waiver must be in writing and signed by the Party to be charged. No waiver of a right, power, or remedy shall, or shall be construed to, waive any similar or future right, power, or remedy. The rights and remedies available to DEO under this Agreement are cumulative and in addition to, not exclusive of or in substitution for, any rights or remedies otherwise available to DEO.

18. DISCRIMINATORY VENDOR.

The County acknowledges the provisions of section 287.134, F.S. The County shall disclose to DEO if any of its affiliates, as defined by section 287.134(1)(a), F.S. appears on the discriminatory vendor list. The County shall ensure provisions in accordance with section 287.143, F.S., are present in all agreements, assignments, leases, contracts, and subcontracts in furtherance of or related to this Agreement which are entered into after the effective date of this Agreement.

19. NON-DISCRIMINATION.

The County shall not discriminate against any employee employed in the performance of this Agreement, or against any applicant for employment because of age, race, sex, creed, color, handicap, national origin, or marital status. The County shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement which are entered into after the effective date of this Agreement.

20. HARASSMENT-FREE WORKPLACE

The County shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management. The County shall insert a provision in accordance with this Article, in all subcontracts for services in relation to this Agreement that executed after the effective date of this Agreement.

21. PUBLIC ENTITY CRIMES.

The County affirms that it is aware of the provisions of section 287.133, F.S., and that at no time has the County, its Spring Training Franchise, or its affiliates, as defined by section 287.133(1)(a), F.S., been convicted of a Public Entity Crime. The County agrees that it shall not violate such law. The County shall insert a provision in accordance with this Article and the applicable Florida Statutes in all agreements, assignments, leases, contracts, and subcontracts in connection with or related to this Agreement that are either an agreement with the Spring Training Franchise, or are another agreement and are either amended or executed after the effective date of this Agreement.

22. WARRANTY OF ABILITY TO PERFORM.

The County warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would prohibit, restrain, or diminish the County's or its Spring Training Franchise, beneficiary's or its affiliates' ability to satisfy

its Agreement duties or obligations. The County shall immediately notify DEO in writing if the County's or its Spring Training Franchise's or its affiliates' ability to perform in connection with this Agreement is compromised in any manner during the term of this Agreement.

23. PROMOTION/ADVERTISEMENT OF FACILITY.

The County shall undertake reasonable efforts to promote and advertise the Facility.

24. LOBBYING.

(a) Pursuant to sections 11.062 and 216.347, F.S., the County shall not use any funds received under this Agreement for lobbying the Legislature, the judicial branch, or any state agency.

(b) The County will keep DEO apprised of any requests for testimony or its participation in any Congressional, legislative and other State or Federal hearings, or agency, committee, or task force meetings or the like, related to this Agreement.

(c) The County shall insert a provision in accordance with this Article, in all agreements, assignments, leases, contracts, or subcontracts related to this Agreement or for which funds distributed pursuant to this Agreement are to be expended, that are either an agreement with the Spring Training Franchise, or are another agreement and are either amended or executed after the effective date of this Agreement.

25. ATTORNEY FEES.

DEO shall not be liable to pay attorney fees, interest, expenses or cost of collection in conjunction with this Agreement.

26. NON-ASSIGNMENT.

(a) Except as otherwise provided in this Agreement, neither party may assign, delegate, nor otherwise transfer its rights, duties, or obligations under this Agreement without the prior written consent of the other Party, which consent will not be unreasonably delayed, conditioned or withheld. Any assignment, delegation, or transfer in violation of this Article is void *ab initio*. In the event DEO approves an assignment, delegation or transfer of the v's obligations under this Agreement, the County hereby agrees that it shall remain responsible for all work performed and all expenses incurred in connection with this Agreement, regardless of such an assignment, delegation, or transfer. In addition, this Agreement shall bind the successors, assigns or legal representatives of the County.

(b) Notwithstanding Article 26(a) above, DEO shall at all times be entitled to assign or transfer its rights, duties, or obligations under this Agreement to another governmental agency in the State of Florida, upon giving 30 days prior written notice to the County. This Agreement shall bind the successors, assigns or legal representatives of DEO and the State of Florida.

27. RENEGOTIATION AND AMENDMENTS.

The Parties agree to renegotiate this Agreement if Federal and/or State revisions of any applicable laws or regulations make changes to this Agreement necessary. In addition to changes necessitated

by law, DEO may at any time, with written notice to the County, make changes within the general scope of this Agreement. Such changes may include modification of the requirements, changes to processing procedures, or other changes as decided by DEO. Any investigation necessary to determine the impact of any such change(s) shall be the responsibility of the County. Amendments to or modifications of this Agreement shall only be valid when such change(s) are in writing and duly executed by all Parties. Any such change(s) shall become effective upon the date of execution of both Parties or such later date as may be specified therein.

28. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE.

Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay or failure to perform from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay or failure to perform is excusable under this paragraph, the delay or failure to perform will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay or failure to perform the County believes is excusable under this paragraph, the County shall notify DEO in writing of the delay, potential delay, potential inability to perform, or failure to perform and describe the cause of such either: (1) within ten calendar days after the cause that creates or will create the delay or nonperformance first arose, if the County could reasonably foresee that a delay or nonperformance could occur as a result; or (2) within five calendar days after the date Grantee first had reason to believe that a delay or nonperformance could result, if the delay or nonperformance is not reasonably foreseeable. **THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. ADDITIONALLY, THE FOREGOING SHALL CONSTITUTE THE COUNTY'S SOLE REMEDY OR EXCUSE WITH RESPECT TO NONPERFORMANCE BASED ON AN EVENT OF FORCE MAJEURE.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay or nonperformance is excusable under this paragraph and will notify the County of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against DEO. The County shall not be entitled to an increase in the Agreement distribution amount of any kind from DEO for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If the County's performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, the County shall perform per the terms of this Agreement, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may do any or all of the following: (1) accept allocated performance from the County, provided the County grants preferential treatment to DEO with respect to any such allocation; (2) terminate the Agreement in whole or in part; or (3) pursue any other rights or remedies provided by law or under the Agreement.

29. AUTHORITY OF THE COUNTY'S SIGNATORY.

Upon execution, the County shall return executed copies of this Agreement in accordance with the instructions provided by DEO along with documentation ensuring that the below signatory has

authority to bind the County to this Agreement as of the date of execution. Documentation may be in the form of a legal opinion from the County's attorney, or other reliable documentation demonstrating such authority, and is hereby incorporated by reference. DEO may, in its discretion, request additional documentation related to the below signatory's authority to bind the County to this Agreement.

30. NO THIRD PARTY BENEFICIARIES.

Nothing in this Agreement, express or implied, is intended to either: (a) confer upon any third person or entity, other than the Parties and their permitted successors and assigns hereto, any rights or remedies under or by reason of the terms and conditions of this Agreement as a third party beneficiary or otherwise, except as may be specifically provided for in this Agreement; or (b) authorize any person or entity not a party to this Agreement to maintain any legal action or bring any claim for its benefit, pursuant to or based upon the terms and conditions of this Agreement.

31. INFORMATION RELEASE AND ADVERTISING.

DEO does not endorse any commodity, service, project, or entity. Subject to chapters 119 and 286, F.S., the County shall not publicly disclose or disseminate any information concerning this Agreement without prior written approval from DEO, including, but not limited to mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking the County and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any entity that is not a Party to this Agreement, except potential or actual authorized contractors, subcontractors, distributors, dealers, resellers, or service representatives.

32. CONFLICT OF INTEREST.

This Agreement and the use of funds distributed pursuant to this Agreement are subject to chapter 112, F.S. The County shall disclose the name of any officer, director, employee, or other agent of the County, who is also an employee of the State. The County shall disclose the name of any County employee or agent who owns, directly or indirectly, more than 5 percent of the total assets or capital stock of any business entity or its affiliates receiving funds from this Agreement.

33. [INTENTIONALLY LEFT BLANK]

34. RETURN OR RECOUPMENT OF FUNDS.

(a) The County shall return to DEO any overpayments (funds paid in excess of the amount to which the County is entitled under the terms and conditions of this Agreement) distributed to the County. If the County or its independent auditor discovers an overpayment has been made, the County shall repay said overpayment within 60 calendar days without prior notification from DEO. If DEO first discovers an overpayment has been made, DEO will notify the County by letter. DEO shall be entitled to charge interest at the lawful rate of interest on the outstanding balance beginning 61 calendar days after the date of DEO's notification or the County's or its auditor's discovery. The County shall send repayments to DEO's Agreement Manager, and make checks payable to the "Department of Economic Opportunity."

(b) The Parties acknowledge that s. 17.0415, Florida Statutes, permits the Chief Financial Officer of the State of Florida to assign claims among the state, its agencies, and its subdivisions, whether arising from criminal, civil, or other judgments in state or federal court.

35. [INTENTIONALLY LEFT BLANK]

36. EXECUTION IN COUNTERPARTS.

This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

37. ENTIRE AGREEMENT.

This Agreement and the Attachments and Exhibits attached hereto constitute the complete and exclusive statement of conditions of the Agreement and supersedes and replaces any and all prior negotiations, understandings, and agreements, whether oral or written, between the Parties with respect thereto. Except as expressly provided in this Agreement, no term, condition, usage of trade, course of dealing or performance, understanding of agreement purporting to modify, vary, explain or supplement the provisions of this Agreement shall be effective or binding upon the Parties unless agreed to in writing.

IN WITNESS HEREOF, and in consideration of the mutual covenants set forth above and in the Attachments and Exhibits hereto, the Parties have caused to be executed this Agreement by their undersigned duly authorized officials. ATTACHMENT A AUDIT REQUIREMENTS

The administration of resources awarded by DEO to the recipient may be subject to audits and/or monitoring by DEO as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by DEO. In the event DEO determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by DEO staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. Exhibit 1 to this agreement indicates Federal resources awarded through DEO by this agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from DEO. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$300,000 (\$500,000 for fiscal years ending after December 31, 2003) in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from the recipient resources obtained from other than Federal entities).

4. Title 2 CFR part 200, entitled *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, also known as the Super Circular, supersedes and consolidates the requirements of OMB Circulars A-21, A-87, A-110, A-122, A-89, A-102 and A-133 and is effective for Federal awards or increments of awards issued on or after December 26, 2014. Please refer to title 2 CFR part 200 for revised definitions, reporting requirements and auditing thresholds referenced in this Attachment and Agreement accordingly.

PART II: STATE FUNDED

This part is applicable if the recipient is a non-state entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient (for fiscal years ending September 30, 2004 or thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S., applicable rules of the Department of Financial Services; and Chapters 10.350 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. Exhibit 1 to this agreement indicates state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from DEO, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004 or thereafter), an audit conducted in accordance with the provisions of section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

Except as provided in the sentence that follows, the Premises, including but not limited to the Stadium and the Concession Facilities, shall not be used by TSA or anyone else other than the Yankees or the Affiliates without the prior written consent of the Partnership, which consent may not be unreasonably withheld as long as said use does not conflict with the Partnership's use of the Premises in accordance with this Article. However, the Partnership's sky boxes, clubhouse, Dugout Club, Pavilion, Partnership or Affiliate offices, and any other spaces not available to the general public, shall not be used by TSA or anyone else other than the Yankees' or the Affiliates without the prior written consent of the Partnership, which consent may be withheld by the Partnership in its sole discretion (notwithstanding Article XXI to the contrary); provided, however, that County retains certain rights relating to the Pavilion in accordance with the terms

of the Legends Field Renovation Improvements Purchase Repurchase Agreement dated as of October 18, 2006 as amended on July 1, 2011 (collectively, the "2006 Renovation Agreement"), and TSA is entitled to use the Pavilion in the same manner and extent as the County.

2.4.2 In consideration for Partnership's exclusive control, Partnership shall provide three (3) free rentals annually during the Term to TSA or County within the sky boxes, Dugout Club, or Pavilion, granting a credit of up to \$5,000 for each rental. Said rentals and credits shall include license fees, equipment charges, personnel charges, box office charges and other miscellaneous charges. Except as herein provided, terms of the usage for the aforementioned rentals shall be in accordance with the County's rights relating to the Pavilion in the 2006 Renovation Agreement.

2.5 TSA Use of Premises. The Partnership recognizes that TSA intends to attract major sports, entertainment and significant community events to the Tampa Bay area which may require use of the Premises and surrounding areas, including, but not limited to, Super Bowls, NCAA National Championship games and national or international convention events ("Community Events"). TSA shall obtain the Partnership's prior written consent for any use of the Premises by TSA. TSA and Partnership shall negotiate in good faith with respect to opportunities to jointly conduct events on the Premises, particularly with respect to use of the Premises in connection with a Community Event, and Partnership shall not schedule any event during non-Spring Training periods of time which conflicts with events designated by TSA as "Community Events".

2.6 Other Permitted Uses. TSA represents and warrants that, as of the date hereof, all uses of the Premises permitted under this Agreement currently

comply with restrictions, laws, regulations, ordinances or agreements to which TSA is a party, or which govern the Premises, including, but not limited to, restrictive covenants, development orders, zoning ordinances, land use plans, leases and other such matters affecting the Premises.

ARTICLE III TERM

The Term of this Agreement is hereby extended for a period of approximately thirty (30) years commencing on the Effective Date of this Agreement and terminating on December 31, 2046 (the "Termination Date"). This Agreement and the license herein granted are irrevocable except as specifically provided in this Agreement.

ARTICLE IV PAYMENTS TO TSA OR COUNTY

4.1 Calculation of Payments. In consideration for the grant of the license to Partnership by TSA to use the Premises, and continuing thereafter during the Term, Partnership shall pay or cause to be paid to TSA or the County, as directed by TSA, the amounts set forth in Exhibit "C" hereto.

Except as otherwise specifically provided herein, or in the Joint Use and Maintenance Agreement, all proceeds and sales of any type whatsoever (including, but not limited to ticket sales, media sales, scoreboard sales, advertising sales, and sky box rentals) for the Stadium and every other form of revenue related to or derived from Partnership uses or events at the Premises, including but not limited to concession sales, souvenir sales, broadcast rights, Advertising Revenues, and parking fees, shall be and remain the sole and express property of the Partnership.

4.2 Timing of Payments. Payments under Article 4.1 shall be due in equal installments on May 30th and August 30th of each year of the Term.

ARTICLE V **MAINTENANCE**

5.1 Partnership's Maintenance Responsibilities. The Partnership shall, during the Term, perform general operational maintenance on the Premises in a manner consistent with the standards and conditions prevailing at similarly situated Major League Baseball facilities then existing in the State of Florida. Such maintenance shall include but not be limited to the preparation and maintenance of the surface of and the marking of lines on the playing fields; seeding, mowing, watering, and raking the grassy areas of the playing fields and vicinity; maintenance and painting of structures including outfield fences and batters' background; cleaning and maintaining public rest room facilities, clubhouses, and offices at the Stadium; collecting and disposing of trash; cleaning and painting all spectator areas at its own expense; maintaining parking areas; cleaning and maintaining (or causing to be cleaned and maintained) all Concession Facilities; maintaining the landscaping; and maintaining the public address system. The Partnership shall also be responsible for all capital improvements and capital repairs (including maintenance to structural components and marquees) to the Premises, excluding the Pedestrian Walk Over, responsibility for which is provided at Article 5.2 hereof.

5.2 TSA's Maintenance Responsibilities. TSA shall have sole responsibility for maintaining the Pedestrian Walk Over, provided that the Partnership shall reimburse TSA for fifty percent (50%) of the cost of such maintenance. TSA shall also have sole responsibility for the maintenance of the entire Premises in connection with any game and/or event sponsored by TSA.

5.3 Cooperation. The Partnership and TSA shall consult with each other regularly and shall cooperate fully with each other concerning their respective maintenance obligations. TSA and the Partnership shall share equally the maintenance of the Premises used for jointly sponsored events.

5.4 Capital Improvements. Except as provided in this Article and as provided in Article 5.2 above, the Partnership shall be solely responsible for the cost of any capital improvements to the Premises. TSA shall be solely responsible for capital improvements to the Pedestrian Walk Over, provided that the Partnership shall reimburse TSA for fifty percent (50%) of the cost of such capital improvements. Notwithstanding the preceding sentence, TSA shall be solely responsible for the cost of all modifications to the Pedestrian Walk Over, including but not limited to its access ramps, stairs and walkways, which in the reasonable judgment of TSA are necessary or appropriate as a result of the reconfiguration, relocation, construction or reconstruction of the surface level or multi-level parking areas at the facility currently known as Raymond James Stadium and/or the exercise by TSA or the Tampa Bay Buccaneers or their successors or assigns of any development rights as set forth in the Buccaneer Documents. Any such modifications shall be subject to the written approval of the Partnership, and all other capital improvements, whether the responsibility of the Partnership or TSA, must be agreeable to TSA and the Partnership prior to the commencement of the same. All approved capital improvements shall be of comparable quality to the improvements being improved or replaced. It is expressly understood by the parties that the Partnership's capital improvements shall not include any responsibility to correct or repair any part of the original construction constituting punch list work, warranty work or latent defects.

ARTICLE VI
SECURITY AND UTILITIES

6.1 Security. The Partnership shall be responsible for security on the entire Premises, provided that TSA shall be responsible for providing at its expense security inside and outside the Stadium for games and/or events at the Premises sponsored by TSA.

6.2 Utilities. The Partnership shall be responsible for payment of all utilities serving the Premises, provided that TSA shall be responsible for the payment of its proportionate share of utilities for games and/or events at the Premises sponsored by TSA.

ARTICLE VII
CONCESSION/NOVELTIES

7.1 Concessions. Unless mutually agreed otherwise, the Partnership shall have full control of, and rights to, any and all concession sales on the Premises, regardless of whether the event is sponsored or operated individually or jointly by the Partnership, TSA, and/or a third party. However, there shall be no concessions sales anywhere on the Premises, other than by virtue of a restaurant operated in the Stadium by or through the Partnership, or through private event catering, during events held at the facility currently known as Raymond James Stadium unless an event is also being held on the Premises, in which case the Partnership shall have full concession rights. The Partnership's concession rights shall not extend to the off-Premises concessions and concession sales on property owned or controlled by TSA before, during, and after any event held on the Premises. The Partnership's concession rights shall include, but shall not be limited to, vendor and concessionaire selection, food, beverage and merchandise selection, terms of sale,

quality of service, and all other aspects of operating the concession sales. All proceeds from the concession sales shall belong to the Partnership. The Partnership shall be responsible for all expenses (including trash handling and removal) associated with the concession sales. TSA agrees not to operate its concession facilities off the Premises during events held on the Premises, unless there is an event being held by TSA simultaneously off the Premises.

7.2 Novelties. The Parties acknowledge and agree that event-related novelties (such as, without limitation, T-shirts and hats) are not concession items. All proceeds from the sale of the Partnership's, the Yankees', the Affiliates, or any other novelties shall at all times belong to the Partnership, regardless of who sponsors the event giving rise to the sale. The Partnership may sell Partnership's, Yankees' or Affiliates' novelties on the Premises, but not on the Himes Facility during events held at Tampa Stadium or its parking areas.

7.3 Alcoholic Beverage Zoning and Alcoholic Beverage Licensing. The Parties acknowledge that certain of the Premises, such as the Concession Facilities, may engage in the sale of alcoholic beverages. The Parties further acknowledge that the ability to sell alcoholic beverages at the Premises is an activity typically conducted in professional baseball facilities. Therefore, TSA and the County agree that the Partnership shall be allowed to apply for alcoholic beverage zoning so that alcoholic beverages may be sold from the Concession Facilities for consumption on the Premises only, during such hours of operation as the Partnership may choose from time to time, subject to the Scheduling and Parking Agreement. The Partnership's opportunities in this regard constitute a material part of this Agreement, therefore TSA and the County agree that they shall take no action or file any documents with any public official or governmental agency which would serve to prohibit or limit the right of the Partnership to obtain alcoholic beverage

zoning and alcoholic beverage licenses from the appropriate governmental authorities, provided Partnership complies with all applicable laws, ordinances, rules and regulations. In addition, TSA and the County agree to promptly execute any applications or consents thereto that may be reasonably requested by the Partnership for the purpose of obtaining alcoholic beverage zoning so that alcoholic beverages may be sold at the Premises. TSA and the County shall have the right and option to attend any and all public hearings for alcoholic beverage zoning and the Partnership shall give TSA and the County reasonable and adequate prior notice of all public hearings and copies of all applications for alcoholic beverage zoning. The timing with respect to the applications for such alcoholic beverage zoning shall be determined by the Partnership, in its sole discretion, after consultation with TSA and County. In addition, the Partnership shall have the sole right to determine whether to extend application periods or to continue any such hearings to a subsequent date. To the extent required by any appropriate governmental agency, TSA and the County agree to execute any appointments of agents of record to appear at any such public hearings which agents of record shall be reasonably approved by the Partnership. All application fees for alcoholic beverage zoning and alcoholic beverage licensing, and all expenses in connection therewith, shall be the sole expense of the Partnership. Unless required by law and after consultation with Partnership, TSA and the County shall not consent to or accept any conditions in alcoholic beverage zoning approvals that materially and adversely affect the Partnership's proposed use of the Premises and sale of alcoholic beverages. TSA and the County shall cooperate with the Partnership with respect to all such applications and shall take no action inconsistent with the applications made by the Partnership as long as said applications conform with the uses described in this Agreement and provided that Partnership has in full force and effect the Liquor Liability Insurance policy as required by Article 14.6 below.

It is expressly understood and agreed by Partnership that Partnership shall be solely responsible for the securing of all necessary zoning, special use and other approvals required for the sale and/or consumption of alcoholic beverages at the Premises.

7.4 Brochures, Schedules, Newsletters, and Promotional Material. The Partnership shall have the exclusive right to publish and sell or give away brochures, schedules, newsletters, programs, yearbooks, and any other promotional materials and any other publications or written material relating to the Premises and games, events, and activities therein, except as otherwise provided in the Joint Use and Maintenance Agreement, and further except with respect to any events jointly sponsored by the Partnership and TSA, in which case the Partnership and TSA shall share such right equally.

ARTICLE VIII **ADVERTISING AND BROADCASTING RIGHTS**

8.1 Advertising. The Partnership shall have the exclusive right to sell or otherwise commercially exploit all advertising and sponsorship opportunities and shall be paid all Advertising Revenues generated within the Premises, including, without limitation, all Advertising Revenues from the informational signs and marquees to be placed by the Partnership anywhere within the Premises, including without limitation inside or on the outside walls of the Stadium and Community Use Field. Such rights shall include the Partnership's right to name the Stadium and/or to sell or lease the Stadium name and/or signature and to receive any and all revenues and other proceeds therefrom. Notwithstanding the foregoing, TSA retains the right to place billboards or the functional equivalent on the Premises between the Stadium and both Dale Mabry Highway and Dr. Martin Luther King Boulevard and between the Community Use Field and Dale Mabry Highway, to

place advertisements or promotions thereon and to receive and retain all advertising revenue therefrom. However, the placement of such advertising by TSA shall not unreasonably interfere with the advertising, signage and/or marquee rights of the Partnership.

8.2 Television and Broadcasting Rights. The Partnership shall have the exclusive right to contract or arrange for broadcasting and/or publication of baseball games and other events held on the Premises, including but not limited to broadcast, reproduction, transmittal or dissemination by means of radio, television (whether by over-the-air telecasts or through the medium now commonly referred to as "pay television", "CATV", or "closed circuit television"), internet, or similar device or arrangement. TSA shall receive no revenues from the Partnership's broadcast or televising of any events sponsored by the Partnership on the Premises, nor shall TSA participate, in any manner, in determining when or whether said events shall be televised or broadcast. All revenues from television or broadcasting shall be the exclusive property of the Partnership.

8.3 MLB Rights. No rights, exclusivities or obligations involving the Internet or any interactive or on-line media (as defined by the applicable MLB Entities) are conferred by this Agreement, except as are specifically approved in writing by the applicable MLB Entities.

ARTICLE IX **PARKING**

9.1 Joint Use and Maintenance Agreement. In 1995, HCC purchased approximately 5.5 acres of the Land initially included in the Premises to be utilized for parking for itself, the Partnership, and TSA. Those three parties and the County subsequently entered into the Joint Use and Maintenance Agreement. The

provisions of the Joint Use and Maintenance Agreement, in combination with this Article IX, shall govern the Partnership and TSA with respect to the matters contained therein.

9.2 Parking Rights and Obligations. The Partnership shall have sole control of the parking of motor vehicles at all the parking areas located on or within the Premises and, with prior notice to TSA, any off-Premises additional parking areas owned or controlled by TSA and determined necessary by the Partnership, in its discretion, for its use for Spring Training games. The Partnership may also utilize the off-Premises parking areas owned or controlled by TSA for use during Minor League games and other events sponsored by the Partnership on the Premises, with TSA's prior consent. The Partnership's control of parking shall include the Partnership's sole discretion whether to charge a fee for parking as well as the amount of said fee, if any. Except as provided in this paragraph, the Partnership shall own and derive all revenue, if any, from the operation of such parking facilities, as well as be responsible for associated costs and obligations thereof (such as security, maintenance and clean-up), and the Partnership shall provide and hire all parking attendants in the number deemed appropriate by the Partnership. TSA and Partnership shall share equally the parking revenues and shall bear equally the obligations (such as security, attendants, maintenance and clean-up) and costs associated with parking for events jointly sponsored by TSA and Partnership at the Premises, and TSA alone shall receive the parking revenues and shall bear the obligations and costs associated with parking for games and/or events solely sponsored by TSA, either at the Premises or on other property owned or controlled by TSA.

ARTICLE X
TAXES

10.1 Sales and Personal Property Taxes. The Partnership agrees to pay, before delinquency, any and all lawful taxes of whatever kind or nature levied or assessed and which become payable during the Term upon Partnership's equipment, furniture, fixtures, and other personal and intangible property located in the Premises, and shall also pay any and all sales, use, excise, or similar taxes which arise from or relate to the payments required hereunder. Notwithstanding the foregoing, TSA shall cooperate with the Partnership by taking all reasonable action requested by the Partnership to reduce taxes so long as such activities do not shift the tax responsibility to TSA or otherwise subject TSA to any adverse consequences. Partnership shall indemnify, defend and hold harmless TSA for all costs, claims and expenses arising from or relating to any such action taken in response to a request by Partnership. All applicable taxes shall be paid as required by law.

10.2 Real Estate Taxes. It is the intent of the Parties that TSA, the County, the Premises, and the uses granted hereunder of the Premises are immune from real estate ad valorem taxation, and that there shall be no real estate tax imposed upon any party with respect to the Partnership's use of the Premises or rights in this Agreement. However, to the extent that the Premises, the Partnership's right to use the same or the Partnership's rights to this Agreement are not immune from taxation, the Partnership agrees to pay the lawful taxes, assessments, or charges which at any time may be levied by any federal, state, county, city or any tax or assessment levying body against the Partnership upon the Premises or any interest in this Agreement or any possessory right which the Partnership may have in or to the Premises or the Improvements by reason of the Partnership's use or occupancy

thereof. Notwithstanding the foregoing provisions, the Partnership shall, after notifying TSA and the County of its intention to do so, have the right, in its own name or behalf, or in the name and behalf of TSA, to contest in good faith by all appropriate proceedings, the amount, applicability, or validity of any such tax or assessment. In connection with such contest, the Partnership may refrain from paying any tax or assessment so long as such contest will not, in the opinion of TSA's and the County's attorneys, which opinions shall be in writing and addressed to the Partnership, subject any part of the Premises to forfeiture or loss, in which event such taxes, assessments or charges will be paid promptly.

Upon reasonable request of the Partnership, TSA and the County shall assist the Partnership in contesting the legality, validity, and/or amount of such tax or assessment, provided that TSA's and County's assistance shall not extend to those facilities that are not used for the uses as set forth in Article 2.2 above. Moreover, TSA and the County shall take any and all action necessary to cause the Premises and/or the Partnership's rights to use the same and in this Agreement to not be subject to ad valorem taxation, with such actions to include, but not be limited to, maintaining title in the Premises to the County. As the sole remedy available to Partnership, TSA agrees to pay or to reimburse the Partnership with respect to ad valorem taxation in the event TSA or the County fail to take action as set forth in this paragraph. Otherwise, if due to reasons other than failure of the County or TSA to fulfill their obligations under the preceding sentences of this Article 10.2 (eg., change in the law), should the Partnership ultimately be held to be responsible for ad valorem taxes for the Premises, its use of the same, or because of this Agreement, then TSA shall reimburse the Partnership for the lesser of fifty percent (50%) of the Partnership's maintenance cost on the Premises or fifty percent (50%) of the ad valorem taxes and applicable interest and penalties, if any, payable by the

Partnership and the same percentage of costs associated with contesting any tax assessment described in this Article 10.2 for the uses as set forth in Article 2.2 above. Notwithstanding the foregoing provisions of this Article 10.2, neither TSA nor County shall be obligated to take any position or action which it, in good faith, believes not to be supported by the law.

10.3 Restaurant Taxes. The Partnership agrees to pay, in full, any and all taxes of whatever kind which results from the use and/or operation of any restaurant(s) to be located on or within the Premises.

ARTICLE XI **PERSONAL PROPERTY**

All non-fixtures (that is, for example, batting cages, pitching machines, office furniture) placed or moved upon the Premises by the Partnership or the Affiliates and owned by the Partnership or the Affiliates prior to such placement or movement shall continue to be owned and used by the Partnership or the Affiliates at their risk; provided that TSA shall be liable for any damage or injuries caused to or by such non-fixtures as a result of the negligent handling or use of such non-fixtures by TSA or its employees, agents, or invitees. The Partnership and the Affiliates shall have the exclusive use of such personal property which upon expiration of this Agreement shall remain the personal property of the Partnership or Affiliates.

ARTICLE XII **INDEMNIFICATION**

12.1 Indemnification by TSA. TSA agrees, to the extent permitted by the Florida Constitution and subject to the limits provided for in Section 768.28, Florida Statutes, to indemnify, defend, and hold harmless the Partnership, its

general and limited partners, its officers, employees and agents, successors, and assigns (each an "Indemnitee") from and against, and to reimburse such Indemnitee with respect to, any and all losses, damages, liabilities, costs, or expenses (including reasonable attorneys' and professionals' fees and disbursements) solely and directly arising out of or resulting from any negligent act or willful misconduct of TSA, its officers, employees, or agents done in the performance of this Agreement or the default of any provision hereof.

12.2 Indemnification by Partnership. The Partnership agrees to indemnify and hold harmless TSA and the County, their officers, agents and employees against any and all damages, claims, losses, liabilities and expenses (including, but not limited to, reasonable legal fees and disbursements including reasonable legal fees to enforce this indemnification) caused by, in connection with or arising out of or resulting from any negligent act or willful misconduct of the Partnership or its partners, employees, officers or agents done in the performance of this Agreement or the default of any provisions hereof.

12.3 Limitation on Tort Liability. Notwithstanding the foregoing provisions, the indemnity obligations of TSA and the Partnership under this Article XII as they relate to the amount of damages claimed by a third party are limited to available insurance coverages with respect to personal injury tort liability claims so long as such insurance coverages are maintained in accordance with this Agreement.

ARTICLE XIII **DAMAGE BY FIRE OR OTHER CASUALTY**

13.1 Repair or Termination. If the Premises or a portion thereof at any time during the Term of this Agreement is damaged by fire or other casualty not

caused by acts or omissions of the Partnership, its agents, or employees, and if such fire or other casualty renders the Premises, or any portion thereof untenable or unusable for the purposes for which they were designed and intended for a period exceeding 180 days, then the Partnership may terminate this Agreement, and the Parties shall thereupon be relieved of any further obligations under this Agreement. If the Partnership does not exercise its option to terminate this Agreement, TSA at its expense shall repair the damage out of insurance proceeds and any other funds it has available for such purpose so as to restore the Premises to substantially their condition immediately prior to such fire or other casualty, in accordance with then existing laws, ordinances, building codes and other governmental regulations or restrictions. TSA shall cause such repairs and restoration to commence promptly and to proceed diligently to completion, subject to reasonable delays beyond its control. The provisions of Article 14.12 hereof shall apply in either the event of termination or non-termination.

13.2 Payments Not Abated. During any period beginning with the occurrence of any damage or destruction by fire or other casualty which renders any part of the Premises untenable or unusable for the purposes for which they were designed and intended and ending upon completion of the work of repair and restoration, the payments to TSA and the County under Article IV of this Agreement shall not be abated, it being understood by the Partnership that it may fund such payments from the proceeds of the insurance required under Article XIV hereof. Further during such period, the other obligations of the Parties under this Agreement shall be suspended to an extent appropriate in light of the part, if any, of the Premises being used by the Partnership.

ARTICLE XIV
INSURANCE

14.1 General Application. Throughout the Term of this Agreement, the Partnership shall provide, pay for, and maintain with insurance companies satisfactory to TSA the insurance coverages and limits required of it in this Agreement. TSA will also, during the Term of this Agreement, provide, pay for, and maintain with insurance companies satisfactory to the Partnership the insurance coverages and limits required of it in this Agreement.

14.2 Additional Insureds. The Partnership shall have TSA and County endorsed to all its Liability Policies, other than its Workers' Compensation and Employer's Liability Coverage, as additional insureds for Partnership operations under this Agreement. TSA will have the Partnership and County endorsed to all its Liability Policies, other than its Workers' Compensation and Employer's Liability Coverage, as additional insureds for TSA operations under this Agreement.

14.3 Waiver of Subrogation. Under all Property Insurance Policies, the Partnership shall have its insurance companies waive their rights of subrogation against TSA, and TSA shall have its Property Insurance companies waive their rights of subrogation against the Partnership.

14.4 Certificates of Insurance. Certificates of Insurance (the "Certificates") evidencing the insurance coverages and limits required in this Agreement shall be provided to each Party by the other. The Certificates shall be executed by an authorized representative of the insurance companies shown on the Certificates with written proof for each insurance company that he/she is their authorized representative and authorized to execute the Certificate on their behalf. TSA and

County have their own Certificates that must be used for this purpose. A certified, true, and exact copy of the insurance policies required by this Agreement will be accepted in place of a Certificate if properly endorsed to cover the Insurance Requirements herein. Within ten (10) days prior to expiration of existing policies, each Party shall provide the other Parties with a replacement Certificate.

14.5 Notice of Cancellation. The Parties shall provide the other Parties at least thirty (30) days written notice of cancellation by certified or registered mail.

14.6 Commercial General Liability Insurance (Partnership). Partnership shall maintain Commercial General Liability Insurance including, but not limited to: Premises & Operations, Personal & Advertising Injury, Contractual Liability, Independent Contractors, Products-Completed Operations, and Liquor Liability Coverages and shall not exclude the Explosion, Collapse, and Underground Property Damages Liability Coverages. Coverage limits shall not be less than Five Million dollars (\$5,000,000.00) combined Bodily Injury, Personal Injury, and Property Damage per occurrence and Five Million dollars (\$5,000,000.00) in the aggregate. In addition, either as part of the Commercial General Liability policy or as a separate policy, Partnership shall maintain business interruption or loss coverage with coverage limits not less than Five Million dollars (\$5,000,000.00).

14.7 Commercial General Liability Insurance (TSA). TSA shall maintain the same Commercial General Liability Insurance as provided in Section 14.6 above, except for the Liquor Liability Coverages.

14.8 Workers' Compensation and Employer's Liability Insurance. Throughout the Term of this Agreement, the Partnership and TSA shall maintain Workers' Compensation Insurance as required by Florida laws and Employer's Liability Insurance with limits of not less than:

Limit Each Accident	\$1,000,000.00
Limit Disease Aggregate	\$1,000,000.00
Limit Disease Each Employee	\$1,000,000.00

14.9 Business Automobile Insurance. Throughout the Term of this Agreement, the Partnership and TSA shall maintain Automobile Liability Insurance for all of their owned, non-owned, or hired vehicles to be used in the performance of this Agreement according to Florida laws, with a combined single limit for Bodily Injury and Property Damage of not less than:

Combined Single Limit Each Accident	\$1,000,000.00
-------------------------------------	----------------

14.10 Builder's Risk and Other Insurance. Prior to the commencement of any construction on the Premises by either TSA or the Partnership, the Party causing the construction will obtain Builder's Risk insurance in the amount of the construction cost of the improvements and will cause the other Party and the County to be named as additional insureds. A Certificate shall be filed with the other Parties prior to the commencement of construction.

14.11 Payment and Performance Bonds. Prior to commencement of any construction on the Premises, the Party causing the construction will furnish to the other Parties a copy of a payment and performance bond acceptable to the other Parties, issued by a surety company authorized to do business in Florida, naming the other Parties as dual or co-obligees, in the amount of the construction cost.

14.12 Fire & Allied Property Insurance. Throughout the Term of this Agreement, the Partnership shall at its expense insure at replacement cost, including debris removal and building and ordinance coverages, the Premises

against loss or damage by or from, but not limited to, the following causes of loss: fire, lightning, windstorm, hail, riot, riot attending a strike, civil commotion, explosion, smoke, aircraft, vehicles, vandalism and malicious mischief, flood and earthquake. Any deductible must be agreed to in writing by TSA. The County and TSA shall be named as additional insureds. A Certificate shall be provided to TSA and the County evidencing the required coverages. If the Partnership elects to terminate this Agreement pursuant to Article XIII above, TSA and the County shall be entitled to insurance proceeds up to the amount necessary to pay the Bond Repayment (hereinafter defined); otherwise, if the Partnership does not elect to terminate this Agreement, said insurance proceeds shall be used to rebuild the Improvements. Any insurance proceeds remaining after payment of the Bond Repayment or after rebuilding the Improvements shall belong solely to the Partnership.

14.13 Boiler & Machinery Insurance. Throughout the Term of this Agreement, the Partnership shall at its expense, insure the repair or replacement value on a Comprehensive Boiler and Machinery Policy, against loss, damage, or breakdown of the following machinery and equipment, contained in the Premises or outside if servicing such Premises: steam boilers, steam and water pipes, steam engines, and other steam pressure vessels and all electric and lighting systems including transformers, scoreboards, and miscellaneous electrical apparatus. The Partnership, County and TSA shall be named as additional insureds with rights to 45 days notice of intent to cancel. A Certificate shall be provided to TSA and the County evidencing the required coverages.

14.14 Pedestrian Walk Over. It shall be TSA's responsibility to obtain Liability and Property Insurance Coverage for the entire Pedestrian Walk Over either as part of its overall insurance program or through a specific insurance

program for the Pedestrian Walk Over. Partnership shall reimburse TSA for fifty percent (50%) of the premium cost and any deductible or self insurance paid by TSA. If, however, the Partnership elects, in its sole discretion, to assume responsibility for providing such insurance coverage, which coverage must be acceptable to TSA, then TSA shall reimburse Partnership with respect to fifty percent (50%) of the premium cost of such insurance and of any deductible or self insurance paid by Partnership within fifteen (15) days after the Partnership provides TSA with a written request for payment of the same. The Partnership, County and TSA shall be named as additional insureds with respect to such insurance with rights to 45 days notice of intent to cancel. A Certificate shall be provided to the Parties evidencing the coverage required in this paragraph.

ARTICLE XV **BREACH OR DEFAULT**

15.1 Breach or Default. The failure or refusal by any Party to abide by any obligation, duty, covenant, or agreement set forth herein shall constitute a breach or default of this Agreement.

15.2 Notice of Default and Opportunity to Cure. In the event there is a breach or default under this Agreement by a Party, including a failure on its part once or repeatedly to perform any of its obligations, duties, covenants, agreements, or conditions hereunder, the breaching Party agrees to expeditiously remedy such breach or default. If such breach or default continues for a reasonable period of time, not to exceed five (5) business days, after service by the non-breaching Party of written notice of the breach or default (provided, that a repeated breach of the same obligations, duty, covenant, agreement, or condition shall eliminate the cure period and be cause for immediate remedy), the non-breaching Party may, at its sole election, either: (i) thereafter remedy such breach or default and the breaching

Party shall make reimbursement for the cost thereof within fifteen (15) days of receipt by the breaching Party of billing for the same, (ii) pursue damages or injunctive relief for such breach or default, or (iii) with respect to a material breach or material default for which an action for damages or injunctive relief would not be a sufficient remedy, terminate this Agreement for such "cause". The above five (5) day cure period may be extended for events not curable with a five (5) day period so long as the Party effectuating the cure is diligently pursuing the same and has a reasonable chance of succeeding; provided that in no event shall such extended cure period continue for more than thirty (30) additional days, or such longer period as the Parties shall agree.

15.3 Remedies. Except as expressly provided for in this Subsection 15.3, the specified remedies to which the Parties may resort under the terms of this Agreement are cumulative and not intended to be exclusive of any other remedies or means of redress to which they may be lawfully entitled in case of any breach or default or threatened breach or default by any Party to this Agreement. With respect only to a breach or default by the Partnership resulting from a relocation of the Yankees from the Premises prior to the expiration of the Term for any reason (a "Relocation"), TSA and the County shall be entitled to all available remedies, at law or equity, including injunctive relief, until such time as the Partnership has paid the three (3) monetary amounts as described in this Section 15.3. First, the Partnership shall immediately remit to TSA or the County, as the case may be, an amount sufficient to repay the then outstanding principal balance of the Bonds, including interest and redemption premiums to the nearest call date, together with all fees and expenses incidental thereto (the "Bond Repayment"). Second, the Partnership shall immediately reimburse the State of Florida for any state funds expended on the Premises pursuant to the Facility Renovation Agreement in

accordance with, and only to the extent required by, Section 288.11631(2)(a)2, Florida Statutes (the "State Reimbursement"); it being the intention of the Parties that the State Reimbursement shall not result in a double payment or windfall to County or TSA. Third, the Partnership shall adequately compensate TSA and the County for the actual damages resulting from the Relocation. In connection with the payment of the third monetary amount, the Parties agree that separate and apart from the Bond Repayment and the State Reimbursement, the actual damages to TSA and the County resulting from a Relocation will be difficult or impossible to ascertain; therefore, in lieu of actual damages, the Partnership shall immediately remit to TSA or the County, as directed by TSA, fixed and agreed upon liquidated damages in an amount equal to the product of Five Hundred Thousand Dollars (\$500,000) times the number of years or fraction thereof remaining in the Term. It is acknowledged and agreed by the Parties that the amounts payable under this Section 15.3 shall, in no event, be considered as a penalty or otherwise than as liquidated damages to TSA and the County because of a Relocation. Upon full and timely payment of the three (3) monetary amounts set forth above in this Section 15.3, the Partnership's breach and default due to a Relocation shall be deemed cured and this Agreement shall be deemed terminated. Further, upon such termination, all rights, entitlements and privileges of the Partnership relating to the GMS Facility, this Agreement or the Joint Use and Maintenance Agreement shall become null and void. The Parties acknowledge that a relocation of the Yankees from the Premises prior to the expiration of the Term as a result of (i) the Partnership's termination of this Agreement for cause as provided for in Section 15.2, (ii) the Partnership's termination of this Agreement in accordance with Section 13.1, (iii) the termination of this Agreement by operation of Section 20.2, or (iv) the Partnership's termination of this Agreement in accordance with Section 20.3, shall not constitute a breach or default by Partnership under this Agreement.

15.4 No Termination During Spring Training. Notwithstanding any provision of this Agreement to the contrary, neither TSA nor County may, as a result of a breach or default by Partnership, terminate this Agreement before the 10th day after the last day of Spring Training occurring in the calendar year during which the right to terminate is invoked by TSA or the County.

ARTICLE XVI
NON-RECOURSE (NO LIABILITY FOR PARTNERS)

No partner of the Partnership, including but not limited to any general partner and the managing general partner, shall have any personal liability with respect to the Partnership's obligations hereunder by reason of his, her, or its status as partner. This Article XVI shall not apply, however, and shall be rendered null and void in the event either (i) fifty percent (50%) or more of the Yankees is sold or otherwise transferred by the Partnership to an unrelated third party not approved by TSA and the County, as provided in section 24.17 below, or (ii) upon such sale or transfer of the Yankees to a party not approved by TSA and the County, the Partnership does not provide TSA and the County a cash bond or similar cash security acceptable to TSA and the County Administrator in the amount necessary to make the Bond Repayment, to secure the Partnership's obligations set forth in Article 15.3 above.

ARTICLE XVII
RIGHT OF FIRST REFUSAL

As a material inducement for the Partnership entering into this Agreement, and to the extent permitted by Section 125.35 Florida Statutes, or other applicable law, as amended from time to time, TSA and County hereby grant to Partnership a right of first refusal to purchase the Premises (including the Improvements,

fixtures, and Land) from County, to the extent allowable by law. The term of the right of first refusal shall be equivalent to the Term, plus six (6) months thereafter. Before accepting any written offers to purchase the Premises or any portion thereof, County shall deliver to Partnership a written copy or recitation of said offer. Before listing or notifying any realtor, broker, salesman, or any other third party of County's intent to sell the Premises or any portion thereof, or before notifying any such party of the terms of such intended sale, County shall deliver written notice of such intent to sell, together with the terms of the sale to Partnership. Upon receipt of either the offer to purchase or the notice of intent to sell, Partnership shall have sixty (60) days from the date of receipt thereof to either duplicate in writing the offer to purchase or to accept in writing the terms of the sale expressed in the written intent to sell. Nothing provided for herein shall preclude the County and the Partnership from modifying by mutual agreement either the offer to purchase or notice of intent to sell, as the case may be.

In the event Partnership accepts such offer to purchase or such terms of sale, the Premises or portion thereof shall be sold or conveyed to Partnership upon such terms. If Partnership does not timely accept such offer to purchase or terms of sale, County shall be free to consummate thereafter the offer or sale on the terms disclosed to Partnership without re-offering the same to Partnership, so long as County enters into a binding contract within ninety (90) days after the notice to Partnership and consummates the transaction within one hundred eighty (180) days following such ninety (90) day period. If a binding contract is not entered into and the transaction is not consummated within the respective ninety (90) day and one hundred eighty (180) day time periods, County may not sell the Premises or any portion thereof without first offering it to Partnership in accordance with the terms of this section.

To the extent that any portion of the Premises is lawfully sold to a third party in accordance with this Article, then Partnership's right of first refusal with respect to that portion of the Premise shall terminate, but shall continue in full force and effect with respect to any remaining unsold portion of the Premises, and this Agreement shall continue in full force and effect regardless. A notice of the Partnership's right of first refusal shall be incorporated into the Memorandum of Agreement to be recorded pursuant to Section 24.16 below.

ARTICLE XVIII
BOOKS, RECORDS, AND AUDITS

The Partnership and TSA shall keep and maintain accurate records and complete books of account detailing all contracts, warranties, reports, studies, correspondence and expenditures for all maintenance, repair, capital improvements and capital repairs conducted in connection with the Premises. Such books and records shall be preserved for a period of no less than seven (7) years. The covenants contained in this Article shall survive the conclusion of the Term. Such books and records shall be available and produced for inspection and audits upon the reasonable request of any Party to this Agreement, and reviewed by the requesting Party and any of its agents or employees designated and authorized to conduct such audits or inspections.

ARTICLE XIX
SIGNAGE, GRAPHICS, AND COLOR SCHEMES

It is agreed by the parties that during the Term of this Agreement all signage, graphics, color schemes, etc., within or on the Stadium shall be consistent with the team colors of the Yankees and the Affiliates (collectively, the "Teams"). These logos and similar identifying insignia of the Teams and, at Partnership's election,

the logo or insignia of other teams using the Stadium, may be prominently displayed on, in, and/or about the Stadium. Working personnel (regardless of by whom employed) in or about the Stadium, including ticket takers, ushers, food and beverage vendors, parking attendants, and other personnel who are visible to the public and employed in the operation of the Stadium shall generally wear uniforms, the cost of which shall be borne by Partnership solely and such uniforms shall be approved by Partnership.

Partnership shall have the right to erect any and all manner of signs, placards, billboards, insignias, marquees, advertisements, signboards, banners, or other sort of signage within the Stadium structure. Additionally, TSA shall permit and allow Partnership to construct, operate, and maintain on the Premises informational signs and marquees for the announcement of games, events, and other activities at the Stadium, and which may also include commercial advertising; provided, however, that TSA shall have the right to discuss with Partnership the removal of any signage, but the final decision to remove such signage shall be at the Partnership's sole election.

ARTICLE XX **CONDEMNATION**

20.1 Proportionate Interests of the Parties. TSA, County, and Partnership agree and acknowledge that the interests of the respective Parties, and their rights hereunder, constitute a valuable property interest which would be affected adversely by any condemnation or other exercise of the power of eminent domain by any governmental authority, or person, firm or corporation acting under governmental authority, or by agreement in lieu thereof, and that nothing in this Agreement shall be construed as a waiver by any Party of any claim that such Party may have for damage against any condemnor exercising such power of eminent

domain. In the event of any taking of a part or all of the Premises by condemnation or other exercise of the power of eminent domain, whether such taking is absolute or for a limited period, the condemnation award, or the amount agreed upon in lieu of an award of condemnation, shall be equitably apportioned between TSA, County and Partnership, subject to Articles 20.3 and 20.5 below, so that TSA, County and the Partnership receive the value of their interest in the Premises and in any improvements thereof; provided however, that any condemnation proceeds received for or resulting from the exercise of eminent domain powers over the Premises shall be equitably apportioned after the Bond Repayment is first paid from such proceeds.

20.2 Termination Upon Complete Taking. If all of the Premises are so taken, this Agreement shall terminate as of the date of taking.

20.3 Termination Upon Partial Taking. If a substantial portion of the Premises is so taken so that the continued use and operation of the Stadium by Partnership is thereafter no longer economically prudent as determined by Partnership, then Partnership, upon written notice to TSA and County and delivered within sixty (60) days after such taking, may terminate this Agreement. Any partial condemnation proceeds shall be equitably apportioned between the Parties, provided, however, if the Partnership elects to terminate this Agreement, the Partnership shall use that portion of its share of the condemnation proceeds to either demolish the Stadium and restore it to its prior condition or pay to TSA, upon its written request, the sums that the Partnership would otherwise be obligated to pay for such purposes in accordance with this Article 20.3, which option TSA shall exercise in writing in its sole discretion.

20.4 Continuation Upon Partial Taking. If a lesser portion of the Premises is so taken, such that continued use and operation of the Stadium by Partnership is economically prudent, as determined by Partnership, then, unless all Parties otherwise agree, this Agreement shall continue in full force and effect, except that the fees provided in Article IV hereof shall be reduced in the equitable proportion which the area taken shall bear to the entire Premises only to the extent not compensated through Business Interruption Insurance or other coverage required under Article XIV hereof. In such event, the Partnership shall continue to perform and observe all of its obligations hereunder as though such taking had not occurred, except to the extent that it may be prevented from so doing by reason of such taking. Any condemnation proceeds shall be equitably apportioned between the Parties as provided in Article 20.1 above after the Bond Repayment is first paid from such proceeds.

20.5 Adequate Compensation. TSA and the Partnership agree that the equitable apportionment of any condemnation proceeds described in Article 20.1, 20.3 and 20.4 of this Agreement fairly, equitably, and adequately compensate the Partnership for the value of its interest in the Premises, or any portion thereof condemned or taken, including but not limited to the value of the Partnership's rights, as provided in this Agreement, to the use of the Improvements located on the Premises being condemned.

20.6 Formal Contest. It is understood that the foregoing provisions of this Article shall not, in any way, restrict the right of TSA, County, or Partnership to appeal the award made by any court or other public agency in any condemnation proceedings.

ARTICLE XXI
CONSENT OR APPROVAL NOT TO BE UNREASONABLY WITHHELD

Except as otherwise provided in Article 2.4 above, whenever consent, agreement or approval is required in this Agreement of any Party, the same shall not be unreasonably withheld or delayed, and no unreasonable condition shall be imposed upon the granting of such consent, agreement or approval.

ARTICLE XXII
RELATIONSHIP BETWEEN THE PARTIES

The relationship between the Parties created by this Agreement shall at all times be considered that of licensor and licensee. TSA and the County are neither joint venturers with nor partners, associates or agents of Partnership with respect to any matter provided for in this Agreement, nor is Partnership a joint venturer with or partner, associate or agent of TSA or the County. Nothing herein contained shall be construed to create any such relationship between the Parties.

ARTICLE XXIII
ENVIRONMENTAL PROVISIONS

23.1 Definitions. For purposes of this Article, the following capitalized terms shall have meanings as follows:

(a) "Hazardous Substances" shall mean any hazardous or toxic substances, materials, wastes, pollutants, or contaminants as defined, listed or regulated, now or in the future, by any federal, state, or local law, rule, regulation, or order or by common law decisions, including, without limitation, trichloroethylene, tetrachloroethylene, perchloroethylene, and other chlorinated solvents; petroleum products or by-products, asbestos, and polychlorinated biphenyl.

(b) "Applicable Laws" shall include, but shall not be limited to, Comprehensive Environmental Response Compensation and Liability Act; the Resource Conservation and Recovery Act; the Federal Water Pollution Control Act, 33 U.S.C. (1251 et seq); and the Clean Air Act, 42 U.S.C. (7401 et seq); all as may be amended from time to time, together with the rules and regulations promulgated thereunder, and together with any other federal, state, or local laws, rules or regulations, whether currently in existence or hereafter enacted or promulgated, that govern or relate to: (i) the protection of the environment from spilled, deposited, or otherwise emplaced contamination or the existence, cleanup, or remedy of such contamination; (ii) Hazardous Substances or the storage, use, generation, discharge, treatment, removal, recovery, transportation, or disposal of Hazardous Substances.

23.2 TSA's Obligations. TSA represents and warrants that to the best of its knowledge there are no Hazardous Substances on, in, or under the Premises and TSA has never received any notice, letter or communication (written or otherwise) indicating that the Premises contains, or is likely to contain Hazardous Substances or that any Applicable Laws have ever been violated. TSA shall be fully responsible for any violation or alleged violation of Applicable Laws or regulations occurring prior to the date the Partnership initially accepted possession of the Improvements and agrees to indemnify and hold harmless the Partnership, including the Partnership's partners, directors, officers, employees, agents, successors, and assigns, from any loss or damage arising out of any violation or alleged violation of Applicable Laws or regulations existing as of the date the Partnership initially accepted possession of the Improvements.

23.3 Partnership's Obligations. Partnership shall not cause or permit the presence, use, generation, release, discharge, storage, transportation, or disposal of any Hazardous Substances, on, under, in, about, to or from the Premises except for those Hazardous Substances, if any, necessary to carry on Partnership's intended use as herein permitted, if used and disposed of strictly in accordance with Applicable Laws, guidelines issued by any national or regional board of insurance underwriters, and prudent standards of practice. The Partnership shall be fully responsible for any violation or alleged violation of Applicable Laws or regulations and agrees to indemnify and hold harmless TSA, the County and their officers, directors, agents and employees from any loss or damage arising out of any violation or alleged violation of Applicable Laws or regulations caused by the Partnership from the date the Partnership initially accepted possession of the Improvements through the Termination Date.

ARTICLE XXIV
MISCELLANEOUS

24.1 Title to Premises; Sale of Premises. TSA and County agree that there are not and will not be any mortgages, liens, easements, or leases affecting title to the Premises that would adversely affect the Partnership's continued use of the Premises and/or the Partnership's rights under this Agreement. In the event of a sale or conveyance of the Premises, this Agreement shall not be affected by any such sale, and the purchaser shall take title subject to this Agreement.

24.2 Authority; Binding Effect. Each Party represents and warrants to the other Parties that (i) such Party has full right and authority to execute this Agreement and to consummate the transactions herein described and (ii) upon the execution hereof, this Agreement shall constitute the legally binding agreement

and obligation of such Party, enforceable in accordance with its terms, to the extent allowed by law.

24.3 Force Majeure. Upon the occurrence of any event, matter or condition beyond the reasonable control of TSA, Partnership and/or the County, including, but not limited to, war, public emergency, calamity, fire, flood, earthquake, hurricane, strike, Act of God, actions of other governmental units or operation of any applicable law, governmental rule or regulation, or court decision, then any obligation of a Party which cannot be completed as a result, will be extended to the extent commensurate with such interfering occurrence, and no damages shall apply as a result of such delay.

24.4 Partnership Rights. Notwithstanding anything to the contrary set forth herein, the Partnership shall have an absolute and continuing right to make non-structural, aesthetic, and/or cosmetic improvements, alterations, and additions to the Premises at anytime and at its own expense. With regard to structural improvements (i.e., permitted projects), such projects shall be provided by Partnership in writing to the TSA, which shall be subject to prior written approval by TSA. Partnership shall provide to TSA all requested plans and specifications for such structural improvements upon request and shall grant to TSA the right to inspect said construction at all reasonable times.

24.5 Third Party Beneficiary. Nothing contained in this Agreement shall give rise to, nor shall be deemed to or construed so as to, confer any rights on any other person or entity as a third party beneficiary as against the Partnership, TSA or the County, or create any privity or other relationship between any other person or entity and the Partnership, TSA or County.

24.6 Further Assurances. Each Party shall, without charge, at any time and from time to time hereafter, within ten (10) days after written request of any other Party, certify by written instrument duly executed and acknowledged to any person or entity specified in such request:

(a) As to whether this Agreement has been supplemented or amended, and, if so, the substance and manner of such supplement or amendment;

(b) As to the validity and force and effect of this Agreement and the existence of any default hereunder;

(c) As to the existence of any off-sets, counterclaims or defenses thereto on the part of such other party; and

(d) As to the commencement and expiration dates of the Term of this Agreement, and as to any other matters as may reasonably be so requested.

Any such certificate may be relied upon by the party who requested it and any other person, firm, or corporation to whom the same may be exhibited or delivered, and the contents of such certificate shall be binding on the Party executing same.

24.7 Disputes/Attorneys' Fees. In the event of a dispute arising under this Agreement, for which a lawsuit or other proceeding is filed, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and costs, including attorneys' fees and costs incurred in litigating entitlement to attorneys' fees and costs, as well as in determining or quantifying the amount of recoverable attorneys' fees and costs. The reasonable costs to which the prevailing Party is entitled shall

include any costs that are taxable under any applicable statute, rule, or guideline, as well as any non-taxable costs reasonably incurred in connection with the dispute, including, but not limited to, costs of investigation, copying, electronic discovery, information technology charges, telephone and mailing costs, consultant and expert witness fees, travel expenses, court reporter fees and transcript charges, and mediator fees, regardless of whether such costs would be otherwise taxable.

24.8 Real Estate Broker. Each Party represents and warrants that neither they nor any of their representatives, employees, or agents have dealt with or consulted any real estate broker in connection with this Agreement. Without limiting the effect of the foregoing, each Party agrees to indemnify and hold the others harmless against any claim or demand made by a real estate broker or agents claiming to have dealt or consulted with them or any of their representatives, employees, or agents contrary to the foregoing representations and warranty.

24.9 Nonwaiver. The waiver by any Party of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition on any subsequent breach of the same or any other term, covenant, or condition contained in this Agreement. The subsequent acceptance of fees by the TSA and/or County shall not be deemed to be a waiver of any preceding breach by the Partnership of any term, covenant, or condition of this Agreement.

24.10 Notices. All notices provided for in this Agreement shall be hand delivered or sent by registered or certified mail to the Parties, return receipt requested, at the addresses set forth below or at such other addresses as the Parties shall designate to each other in writing:

as above provided, with postage thereon fully prepaid. Any such notice, demand, or document not given, delivered or made by registered or certified mail as aforesaid shall be deemed to be given, delivered or made upon receipt of the same by the party to whom the same is to be given, delivered or made.

The Parties may from time to time notify the other of changes with respect to whom and where notices should be sent by sending notification of such changes pursuant to this Article.

24.11 Captions. Captions of each article are added as a matter of convenience only and shall be considered to be of no effect in the construction of any provision or provisions of this Agreement.

24.12 Time. Time is of the essence of this Agreement and each and all of the provisions. Except as otherwise provided herein, days shall be defined as calendar days. Any obligation for performance by any party shall be delayed if the date for said performance falls on a weekend and/or holiday, in which event the party shall perform on the following day.

24.13 Cumulative Remedies. All of the rights, powers and privileges conferred by this Agreement upon the Parties shall be cumulative and in addition to those otherwise provided by law and shall not be deemed to preclude those rights and remedies provided by law.

24.14 Entire Agreement and Modification. Except as provided in this Article, this Agreement contains the entire agreement of the Parties pertaining to the Premises, supersedes all prior agreements pertaining thereto, and no representations, inducements, promises or agreements, oral or otherwise between the Parties not embodied in this instrument shall be of any force or effect. No

amendment, modification or variation of this Agreement or any of its terms or provisions shall be effectual, binding or valid unless and until the same is reduced to writing and executed by all Parties, and consented to by the Tampa City Council and the Mayor of the City of Tampa, and unless and until the term of the Joint Use and Maintenance Agreement is amended to expire on December 31, 2046.

24.15 Most Favorable Treatment. The Parties recognize that each future contract between TSA and/or the County and a person, entity or group for the use of TSA's and/or the County's property and/or facilities will be unique and designed to accomplish a distinct and discrete goal, and that a typical most favored treatment provision in this Agreement would be impractical and difficult to interpret or enforce.

However, the Parties are in accord with the notion that neither TSA nor the County shall knowingly provide in a future agreement or arrangement with another professional baseball franchise a material term or condition relating to a spring training facility that benefits such other baseball franchise when that same term or condition has been denied the Partnership. TSA and the County will use their best efforts in all future negotiations to avoid such terms.

Furthermore, the Parties are in accord with the notion that, if any other person, entity or group making use of property or facilities as a sport-oriented coliseum, arena, stadium or the like, shall in the future be accorded immunity, exemption or contractual release from ad valorem taxation by virtue of action taken by or agreement of the County or TSA, directly or indirectly, the parties will amend this Agreement to the extent permissible and in a manner which will not frustrate the intention of the Parties hereunder, to achieve comparable benefits or like exemption of the Partnership or the Premises from such taxation.

Furthermore, in the event County or TSA, in the future, specifically provides for the payment by County or TSA of ad valorem taxes in a contract with any other person, entity, or group which will make use of property or facilities as a sports-oriented coliseum, arena, stadium or the like, which is more favorable with respect to the percentage of reimbursement for the payment of taxes and/or credits, than the terms and conditions of this Agreement, this Agreement will be amended by the Parties to include a similar provision for the benefit of Partnership.

24.16 Recording. Within 30 days following the Effective Date the Parties shall record a Memorandum of Agreement, in a form acceptable to all Parties, in the Public Records of Hillsborough County, Florida.

24.17 Successors and Assigns. This Agreement is not assignable by any Party without the express written consent of the other Parties. Any transferee of the Partnership's rights hereunder shall specifically assume the Partnership's obligations under this Agreement as a condition to such assignment and the consent of TSA and the County. The covenants and conditions herein contained shall, subject to the provisions as to assignment, apply to and bind the heirs, successors, executors, administrators, and assigns of the Parties hereto.

24.18 Right of Peaceable Possession. Subject to rights given TSA and the County herein, Partnership, upon the performance by Partnership of all the conditions herein set forth on the part of Partnership to be kept and performed, may quietly have, hold, occupy, and use the Premises without interruption by TSA, County, or by any other person or entity claiming by, through or under TSA or County, and TSA agrees to indemnify, defend, and hold the Partnership harmless from and against any and all claims of such other persons or entities.

24.19 Effective Date. The Parties acknowledge that this Agreement shall be effective on the date upon which all of the following conditions have been satisfied: (a) this Agreement has been consented to by the Tampa City Council and the Mayor of the City of Tampa; (b) this Agreement has been approved and executed by each of the Parties; (c) the Amended and Restated Himes Facility License Agreement has been approved by the Hillsborough County Aviation Authority, and approved and executed by each of the Parties; (d) the term of the Joint Use and Maintenance Agreement has been amended by the parties thereto to coincide with the Term; (e) the Certification as described in Section 14.A of the Facility Renovation Agreement has occurred, unless the Partnership exercises the right provided in said Section 14.A, and (f) the Facility Renovation Agreement has been approved and executed by each of the Parties. The foregoing notwithstanding, in the event that all of the foregoing conditions have not been satisfied by September 1, 2016, or such later date as provided in Section 14.A of the Facility Renovation Agreement, then this Agreement shall not become effective and shall be null and void.

24.20 Counterparts. This Agreement may be executed in more than one counterpart, each of which shall be deemed an original.

24.21 TSA as Operator/Lessor. The County, as owner of the Premises, does hereby appoint TSA as Operator and Manager of the Premises and all Improvements thereon. As such, TSA is hereby authorized and delegated all authority, on behalf of the County, to license, manage and control the Premises, take all action to protect and preserve the Premises, enforce this Agreement and exercise all powers with respect to the Premises as granted or authorized by Chapter 96-520, Florida Statutes, as amended from time to time.

24.22 Luxury Suite Agreement Reaffirmed. The Parties do hereby confirm and ratify that certain Luxury Suite Agreement by and between Partnership and TSA dated February 1, 1996 and further agree that the Term thereof shall be co-extensive with this Agreement.

24.23 Governing Law and Dispute Resolution. This Agreement shall be governed and enforced in accordance with the laws of the State of Florida. Any dispute arising out of or relating to this Agreement shall be resolved by a state court of appropriate jurisdiction in Hillsborough County, Florida, it being agreed hereby that both venue and jurisdiction are appropriate in said state courts.

24.24 Compliance with Section 288.11631, Florida Statutes. Partnership and TSA or the County, as appropriate, shall each, in connection with an application for certification and funding pursuant to Section 288.11631, Florida Statutes, take all actions and do all things reasonably necessary to comply with said statute, including but not limited to:

(a) meeting the requirements for certification under Section 288.11631(2), including, if necessary, the amendment of this Agreement and/or the Facility Renovation Agreement;

(b) enter into an agreement with the State of Florida Department of Economic Opportunity fully complying with all requirements of Section 288.11631(2)(c);

(c) submit all reports and do all things required by Section 288.11631 subsequent to certification.

24.25 Compliance with Hillsborough County Human Rights Ordinance; Equal Opportunity Clause. Partnership shall comply with: (i) Hillsborough

County, Florida – Code of Ordinances and Laws, Part A, Chapter 30, Article II (Hillsborough County Human Rights Ordinance), as amended, which prohibits illegal discrimination on the basis of actual or perceived race, color, sex, age, religion, national origin, disability, marital status, sexual orientation, or gender identity or expression, in employment, public accommodations, real estate transactions and practices, County contracting and procurement activities, and credit extension practices; and (ii) the requirements of all applicable federal, state and local laws, rules, regulations, ordinances and executive orders prohibiting and/or relating to discrimination, as amended and supplemented, which laws, rules, regulations, ordinances and executive orders are incorporated herein by reference.

24.26 Rules and Regulations. Notwithstanding any other provision of this Agreement and except as provided for in this Section 24.26, this Agreement and any rights or exclusivities granted by the Partnership hereunder shall in all respects be subordinate to the MLB Rules and Regulations. The issuance, entering into, amendment or implementation of any of the MLB Rules and Regulations shall be at no cost or liability to any MLB Entity or to any individual or entity related thereto. In the event that any act or omission of the Partnership to comply with the MLB Rules and Regulations affects the rights of TSA or the County under this Agreement or deprives the TSA or County of any benefit of this Agreement, the Parties will amend the terms of this Agreement to neutralize any effect of the MLB Rule or Regulation on the TSA or County. The Partnership agrees in any event that if compliance by it with MLB Rules and Regulations results in a failure of the Partnership to fulfill any obligation under this Agreement, such failure shall be considered a breach or default by the Partnership of this Agreement and TSA or County may exercise all remedies as provided for in Article 15.3 of this Agreement.

24.27 Conformity with Rules. The Partnership represents and warrants that, to the best of its knowledge, the execution, delivery and performance by the Partnership of this Agreement does not violate any provision of the MLB Rules and Regulations including, but not limited to, specifically, the Major League Rules, the Professional Baseball Agreement and the Official Baseball Rules.

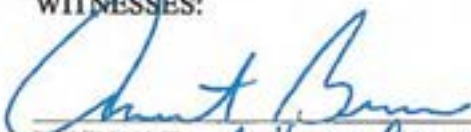

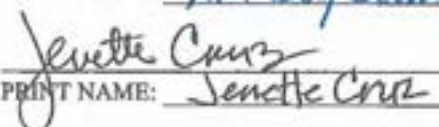

24.28 Approval of Major League Baseball. This Agreement shall not be effective until such time as all applicable MLB Approvals have been obtained, which approvals may be withheld in the sole and absolute discretion of MLB. Notwithstanding anything in the foregoing to the contrary, the Partnership represents and warrants that the only MLB Approval required for this Agreement to be effective is the receipt of a no-objection letter from the BOC.

24.29 Territory. The territory within which TSA or the County are granted rights is limited to, and nothing herein shall be construed as conferring on TSA or the County (or any other party) rights in areas outside of, the Spring Training territory of the Yankees, as established and amended from time to time pursuant to the MLB Rules and Regulations.

C. TSA shall have the right to use and operate the Parking Area for all Tampa Bay Buccaneer football games held at Tampa Stadium, or at a subsequently built stadium located on the Tampa Stadium Site across North Dale Mabry Highway from the Complex, provided that such games do not conflict with the Partnership's use of the Parking Area under Article V(A)(1) above. D. TSA shall be entitled to receive all revenues from the Parking Area for events sponsored solely by TSA at the Complex, as set forth in Article V(C) above, pursuant to and except as limited by Article IX of the License Agreement; provided, however, that TSA agrees not to charge HCC's patrons, faculty or students to use the Parking Area as set forth in Article V(F) below, except in connection with TSA's events contemplated by this Article V(D).

E. TSA, or both, on terms and conditions to be negotiated in good faith and agreed to in writing by the respective parties in connection with any such events.

F. HCC shall have the uninterrupted and paramount right to use the Parking Area, except as set forth in Article V(F)(1) below, and except during Partnership's Major League Spring Training games, for which the Partnership shall have exclusive and paramount use of the entire Parking Area, as set forth in Article V(A)(1) above, for its students, faculty and other patrons on Mondays through Thursdays between the first class day of its fall semester and the last class day of its spring semester each year during the Term. HCC shall otherwise have the right to use the Parking Area for its students, faculty and other patrons at all other times not referenced in Article V(A-E) above, including but not limited for its home games and practices, provided that HCC's use does not conflict with the uses of the Partnership or TSA as described in Article V(A-E) except as otherwise provided therein.

1. HCC's right to use the Parking Area as set forth in this Article V(F) shall be subject to the following:
 - a. HCC's students, faculty and other patrons may use the parking spaces designated and reserved for handicap parking only in accordance with applicable laws, ordinances and regulations governing the use and ability to use such spaces; and
 - b. TSA, HCC and the Partnership shall, by January 31st of each year during the Term of this Agreement, meet to designate and allocate in writing certain spaces within the Parking Area that the Partnership shall have the paramount right to use during all of its Florida State League Tampa Yankees' baseball games, as set forth in Article V(A)(2) above, whether or not such games are held on Mondays through Thursdays between the first class day of HCC's fall semester and the last class day of HCC's spring semester. These spaces shall be designated for the Partnership's press, suite holder, box seat holder, season ticket holder and VIP parking needs, it being the understanding and agreement of the parties that the Partnership shall have such needs pursuant to its obligations or commitments to other third parties each year during the Term. If the parties are unable through good faith efforts to agree on the designation and allocation of such parking spaces by January 31st of any year during the Term, then the Executive Director of the TSA, the President of HCC and the General Partner of the Partnership, or their respective designees, shall, prior to February 15th of such year, meet and vote on such

designation and allocation. A simple majority vote will determine which parking spaces shall be so designated and allocated, and the majority decision of the parties' representatives shall be conclusive and binding on the parties for that year, unless the TSA, HCC and the Partnership subsequently agree otherwise in writing.

G. HCC shall not be entitled to receive any revenues whatsoever from the Parking Area, nor shall HCC be entitled to charge its students, faculty or other patrons to park in the Parking Area during the times HCC is entitled to use the Parking Area, as set forth in Article V(F) above, except to the extent HCC may customarily charge its students faculty and/or patrons for parking decals or passes, and further except that HCC may charge patrons of its home baseball games to use the Parking Area, provided that such use and charges do not conflict with either the Partnership's or TSA's respective uses and/or revenue rights as set forth in Articles V(A-E) above.

H. The Partnership shall have the right to use the parking areas at the Tampa Stadium Site as depicted on Exhibit F attached hereto, which areas may change if a new football stadium is built there, for parking of its employees, guests, patrons and other invitees, as the case may be, including but not limited to reserved parking for the Partnership during Major League Spring Training, during the times and events specified in Article V(A) above, to the extent parking of those vehicles cannot be accommodated at in the Parking Area during such games and events (hereinafter "Overflow Parking"). All Overflow Parking areas to be so used by the Partnership shall be reasonably designated by TSA.

I. HCC shall have the right to use the Overflow Parking areas at the Tampa Stadium Site, as depicted on Exhibit F attached hereto, and as reasonably designated by TSA and agreed to by HCC, for parking of its employees, students, faculty and patrons during the times and events specified in Article V(A) above, but only to the extent parking of those vehicles cannot be accommodated in the Parking Area due to Partnership or TSA events having the priority right to use the Parking Area, it being the intent of the parties that HCC shall be entitled to use only the same number of parking spaces in the Overflow Parking Area that it would otherwise be able to use in the Parking Area under Article V(F) above.

J. The Partnership and TSA shall each be entitled to charge and shall receive all revenues from any Overflow Parking for their respective games and events pursuant to Articles V(A) and V(B) above and Article IX of the License Agreement, provided, however, that neither the Partnership nor TSA shall charge HCC, or its student, faculty or patrons for their use of the Overflow Parking areas as set forth in Article V(I) above; and further provided that (1) the Partnership shall be entitled to collect and retain all revenues from Overflow Parking for all Major League Baseball games at the Complex pursuant to

K. HCC shall not be entitled to charge or receive any revenues from its use of any Overflow Parking, except to the extent HCC may customarily charge its students, faculty and/or patrons for parking decals or passes.

L. The Partnership, HCC and TSA shall have full and uninterrupted rights, except as limited herein, to use the Pedestrian Bridge connecting the Complex to the Tampa Stadium Site, to accommodate their uses provided for under this Article V and/or the License Agreement, as the case may be.

M. Except as otherwise provided in the License Agreement or this Agreement, the Partnership shall be responsible for maintaining and providing reasonably necessary capital improvements to the Parking Area during the Term of this Agreement.

N. Except as otherwise provided in the License Agreement or this Agreement, if as a result of constant use of Overflow Parking by the Partnership's patrons or HCC's students, faculty or patrons, any Overflow Parking area at the Tampa Stadium site suffers substantial extraordinary wear and tear, the Partnership at its expense shall improve a sufficient and reasonable number of additional surface parking spaces within the Overflow Parking area at the Tampa Stadium Site as required to sustain such use. The extent and scope of such improvements by the Partnership shall be as mutually and reasonably agreed by TSA and the Partnership.

O. Any capital improvements to the Parking Area may be done by HCC, TSA or the Partnership, at their own cost and expense, unless they agree otherwise in writing, provided that the other two parties first approve such capital improvements in writing, which approval will not be unreasonably withheld.

P. Except as otherwise provided in the License Agreement, the Partnership shall be responsible for security and staffing of the Parking Area during the Term of this Agreement, provided that TSA and HCC shall each be responsible for their own security and staffing during the times and events they respectively use the Parking Area pursuant to Articles V(C) and V(F) above. The Partnership shall be responsible for security and staffing of the Overflow Parking areas either it or HCC uses during the Partnership's events as described in Article V(A) above, and the Partnership shall be responsible for associated reasonable costs such as maintenance, utilities and cleanup during such events.

Q. The Parking Area will be available for the parties' respective uses, as set forth in this Article V, at 7:00 a.m. to 11:00 p.m. daily, unless the Partnership extends such hours of operation or the Partnership and TSA agree in writing to other hours of operation for any particular game(s) or event(s). Absent such extension or agreement, and unless the Partnership notifies TSA and HCC otherwise in writing, the Partnership shall close the gates and secure the Parking Area between the hours of 11:00 p.m. and 7:00 a.m. daily.

R. The Partnership and TSA shall have the right to have any unauthorized vehicles towed from the Parking Area either during or after the hours of operation as set forth in Article V(Q) above.

S. The parties agree to use the Parking Area and the Overflow Parking areas in such manner as to keep them clean, clear of rubbish and garbage, and reasonably safe for pedestrians and motor vehicles.

T. The Partnership and TSA shall pay any ad valorem taxes levied on the Parking Area or the Partnership's use of the Parking Area as set forth in Article XI of the License Agreement; provided, however, that HCC will not be liable for payment of any such taxes or reimbursement to the Partnership.

VI. RIGHTS AND OBLIGATIONS RELATING TO THE COMMUNITY USE FIELD

A. The Partnership shall have the exclusive and paramount right to use, operate and control the Community Use Field for all practices, games and other events for Major League Spring Training, Florida State League Tampa Yankees games, and any other baseball tournaments, games and related events held at the Complex, subject to the scheduling requirements and priorities of Article VII below.

The Partnership's advertising rights shall include but shall not be limited to all outfield signage, the scoreboard and the naming or sponsorship of the Community Use Field. The Partnership agrees that all concessions, food and beverages sold at the Community Use Field during the Term of this Agreement shall be of good quality, free of defects and available at reasonably competitive prices. The Partnership also agrees that it shall use its best efforts to have its concessionaire (Volume Services or its successor) provide HCC with a reasonable opportunity to operate any of the concession stands at the Complex on behalf of such concessionaire, particularly the Community Use Field concession stand, on terms and conditions that are negotiated in good faith and agreed to between HCC and such concessionaire in connection with such operation(s); provided, however, that HCC acknowledges and agrees that the Partnership cannot require Volume Services to do so.

X. INDEMNIFICATION

A. The Partnership agrees to indemnify and hold harmless HCC and TSA, and their respective officers, agents, employees, successors and assigns, against any and all damages, claims, losses, liabilities and expenses (including but not limited to reasonable legal fees and costs incurred to enforce this indemnification) caused by, in connection with, arising out of or resulting from any negligent act or willful misconduct of the Partnership or its partners, employees, officers or agents done in the performance of this Agreement or the material breach or default of any provision thereof.

B. TSA agrees, to the extent permitted by law, to indemnify and hold harmless HCC and the Partnership, and their respective partners, officers, agents, employees, affiliates, successors and assigns, against any and all damages, claims, losses, liabilities and expenses (including but not limited to reasonable legal fees and costs incurred to enforce this indemnification) caused by, in connection with, arising out of or resulting from any negligent act or willful misconduct of TSA or its employees, officers or agents done in the performance of this Agreement or the material breach or default of any provision thereof.

C. HCC agrees, to the extent permitted by law, to indemnify and hold harmless TSA and the Partnership, and their respective partners, officers, agents, employees, affiliates, successors and assigns, against any and all damages, claims, losses, liabilities and expenses (including but not limited to reasonable legal fees and costs incurred to enforce this indemnification) caused by, in connection with, arising out of or resulting from any negligent act or willful misconduct of HCC or its employees, officers or agents done in the performance of this Agreement or the material breach or default of any provision thereof.

D. Notwithstanding the foregoing provisions, the indemnity obligations of TSA and the Partnership under this Article X are limited to available insurance coverages with respect to personal injury tort liability claims so long as such insurance coverages are maintained in accordance with this Agreement.

XI. FORCE MAJEURE

Upon the occurrence of any event, matter or condition beyond the reasonable control of the Partnership, TSA or HCC, including but not limited to war, public emergency or calamity, fire, flood, earthquake, hurricane, strike, act of God, unforeseen site conditions, actions of any governmental entity, operation of any applicable law, governmental rule or regulation, or any court decision, or in the event of a partial or complete taking of all or any portion of the Complex by eminent domain, the obligations of the parties under this Agreement shall be excused and discharged to the extent any such event, matter or condition prohibits, precludes or limits the ability of any such party to perform its obligations hereunder.

XII. NON-RECOURSE (NO LIABILITY FOR PARTNERS)

No partner of the Partnership, including but not limited to any general partner and the managing general partner, shall have any personal liability with respect to the Partnership's obligations hereunder by reason of his or its status as partner.

XIII. RELATIONSHIP BETWEEN THE PARTIES

The relationship between the parties created by this Agreement shall at all times be considered that of licensors and licensees. The parties are neither joint venturers, partners or associates of each other with respect to any matters provided for in this Agreement, nor is any party an agent of any other party. Nothing herein contained shall be construed to create any such relationships between the parties.

XIV. THE LICENSE AGREEMENT

EXHIBIT B

George M. Steinbrenner Field License Agreement

A. The parties agree that the License Agreement shall govern and take precedence in the event of any conflicts or inconsistencies that may exist or arise between this Agreement and the License Agreement.

B. Hillsborough County shall be a signatory, and not a party, to this Agreement, solely for the purpose of granting any necessary approvals stemming from the relationship of the parties in the License Agreement and for extinguishing those rights and obligations under the License Agreement as set forth in Article XIV(C) below. Hillsborough County shall not be deemed a party to this Agreement, except as outlined above, and shall not, by virtue of any obligations it has under the License Agreement, serve as guarantor of HCC's or TSA's obligations under this Agreement, except as may otherwise be provided in the License Agreement.

C. This Agreement shall serve to extinguish any obligations of Hillsborough County and TSA towards the Partnership that may flow from the License Agreement and are related to the Parking Area but only to the extent such obligations are legally unenforceable by virtue of the transfer of ownership or leasehold interest of the Parking Area from TSA and County to HCC under the Purchase Agreement; provided, however, that this provision shall in no way release or discharge Hillsborough County and TSA from their respective obligations under the License Agreement relating to the design, construction, maintenance and insurability of the Improvements under the License Agreement, including but not limited to the Stadium and the Pedestrian Bridge; and further provided that it is the intent of the signatories hereto that this Agreement not supersede the License Agreement in any material respect.

XV. MISCELLANEOUS

A. Each party represents and warrants to the other parties that (i) such party has full right and authority to execute this Agreement and to consummate the transactions herein described and (ii) upon the execution hereof, this Agreement shall constitute the legally binding Agreement and obligation of such party, enforceable in accordance with its terms.

B. The waiver by any party of any term, covenant, or condition herein contained shall not be deemed to be a waiver of such term, covenant, or condition or any subsequent breach of the same or any other term, covenant or condition contained in this Agreement.

C. This Agreement may be executed in more than one counterpart, each of which shall be deemed an original.

D. If any provision of this Agreement shall be determined by a court of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability shall attach only to such provision and shall not in any manner affect or render invalid or

Any obligation for performance by any party shall be delayed if the date for said performance falls on a weekend and/or holiday, in which event the party shall perform on the following day.

**ADDENDUM TO AMENDED AND RESTATED GEORGE M. STEINBRENNER FIELD
LICENSE AGREEMENT**

This Addendum is an addendum to the AMENDED AND RESTATED GEORGE M. STEINBRENNER FIELD LICENSE AGREEMENT (the "Agreement"), which was entered into on April 20, 2016 between THE TAMPA SPORTS AUTHORITY (the "Applicant"), HILLSBOROUGH COUNTY (the "County") and NEW YORK YANKEES PARTNERSHIP (the "Franchise"). The purpose of this Addendum is to ensure that the Agreement at all relevant times continues to meet the requirements of section 288.11631, Florida Statutes.

WHEREAS, section 288.11631, Florida Statutes, is intended to provide a process for the retention of spring training baseball franchises within the State. The Applicant and the Franchise acknowledge that the amount of State incentive funding provided by the State for the Facility is based on the continual use of the Facility by the Franchise for the duration of such incentive funding;

WHEREAS, the purpose of this Addendum is to ensure that the Agreement continuously meets the requirements of section 288.11631, Florida Statutes, and to ensure that the Florida Department of Economic Opportunity ("DEO") can properly and responsibly act as the steward of State funds; and

WHEREAS, it is recognized that the Agreement contains provisions designed to establish business, operational and other obligations and rights not directly related to section 288.11631, Florida Statutes or this Addendum, which provisions are not intended to be modified or affected by this Addendum except to the extent that they limit any rights or remedies of the State or DEO as provided for in this Addendum.

NOW THEREFORE, in consideration of the premises and the mutual covenants and obligations herein contained, and in order to induce DEO to certify Applicant pursuant to section 288.11631, Florida Statutes, the parties intending to be legally bound, hereby agree as follows:

- I. **DEFINITIONS:** Except as otherwise set forth herein, the definitions set forth elsewhere in the Agreement shall not apply to this Addendum and the definitions

set forth in this Addendum shall not apply elsewhere to the Agreement. All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum. The following definitions shall apply to this Addendum:

- A. **Major League Spring Training Home Games** shall mean, with respect to any Spring Training Season, those Spring Training games, as determined by Major League Baseball in its sole discretion, to be played by the Franchise's Major League Baseball Club as the home team at the Facility during such Spring Training Season.
- B. **Spring Training Season** shall mean the annual period during which Major League Baseball conducts Spring Training games in preparation for the Major League Baseball championship season generally running from February 1 through April 15 of each calendar year, but subject to change at the sole discretion of Major League Baseball.
- C. **Facility** shall mean the Applicant's professional sports facility for Spring Training of one or more Major League Baseball Clubs as well as minor league affiliates, including a stadium, team training facilities, practice fields, clubhouses, dedicated on-site parking areas, and other appurtenances and improvements, intended for use by the Franchise.
- D. **Applicant's Bonds** shall mean bonds or refunding bonds as described in section 288.11631(2)(a)(2), Florida Statutes.
- E. **Operative Agreements** shall mean the Agreement, this Addendum, and such other documents and agreements applicable to the Franchise's use of the Facility.
- F. **Franchise Spring Training Season** shall mean, with respect to any calendar year during the term of the Agreement, the use of the Facility by the Franchise's Major League Baseball Club for the full period of such calendar years' Spring Training Season.

II. TERMS AND CONDITIONS

- A. If the Franchise's Major League Baseball Club falls to play each and every one of its Major League Spring Training Home Games (each a "Missed Game") at the Facility during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or approved in writing by both the Applicant and DEO, then, the Franchise shall reimburse the State a portion of the State's yearly distribution applicable to such Franchise Spring Training Season determined by multiplying the amount of such yearly distribution by the fraction obtained by dividing the number of Missed Games by the number of Major League Spring Training Home Games scheduled for such Franchise Spring Training Season. For example, if Applicant is scheduled to receive \$1,000,000 in a year, and the Franchise has 2 Missed Games in a Franchise Spring Training Season that is scheduled to have 16 Major League Spring Training Home Games, the Franchise would be required to repay \$125,000 to DEO, because $\$1,000,000 \times (2 / 16) = \$125,000$. However, if the Franchise has four or more Missed Games during any Franchise Spring Training Season, and such Missed Games are not otherwise permitted or excused by this Addendum or pre-approved in writing by the Applicant and DEO, then, at DEO's election, the Franchise shall be deemed to have relocated pursuant to section 288.11631(2)(a)2, Florida Statutes (a "Relocation"). For the avoidance of doubt and for the sake of clarity, an international game, a game played during the Major League Baseball championship season, an exhibition game played in a Major League Baseball stadium or a game played against a college or university team shall not constitute a Major League Spring Training Home Game and therefore shall not constitute a Missed Game.
- B. **Repayment Obligation:** In the event of a Relocation the Franchise shall reimburse the State for the total amount of State distributions expected to be paid from the date of Relocation through the final maturity of the Applicant's Bonds, pursuant to section 288.11631(2)(a)2, Florida Statutes, which reimbursement obligation (the "Addendum Reimbursement") is intended to satisfy, and shall not

be duplicative of, the "State Reimbursement" as defined in Section 15.3 of the Agreement. The payment of the "Addendum Reimbursement" obligation is a partial remedy under terms of the Agreement in the event of a Relocation; provided that the payment of such reimbursement obligation by Franchise shall not release, reduce or otherwise modify any right or remedy available to TSA and/or County under terms of the Agreement in the event of a Relocation. Franchise acknowledges and agrees that nothing in this Addendum shall in any way, directly or indirectly, imply or impose upon TSA or County any intention, duty or obligation to mitigate damages in the event of a Relocation as the agreed upon remedies available to TSA and County in the event of a Relocation are provided in Section 15.3 of the Agreement, it being agreed that said matters have been fully considered and adequately addressed in the Agreement.

- C. **Force Majeure:** Notwithstanding the foregoing, the Franchise shall not be deemed to have a Missed Game to the extent its failure to play a Major League Spring Training Home Game at the Facility was due to an event of Force Majeure; provided, however, that the parties must make reasonable good faith efforts to mitigate the Force Majeure event. For the purpose of this Addendum, "Force Majeure" shall mean and include any act of God, accident, fire, riot or civil commotion, act of public enemy, failure of transportation facilities, enactment, rule, order or act of government or governmental instrumentality (whether domestic or international and whether federal, state or local, except in the case of a rule, order or act by Applicant, or the international equivalent thereof), failure of technical facilities, severe inclement weather or any other cause of any nature whatsoever beyond the control of the parties (including a strike, lockout, or other labor dispute involving Major League Baseball) which was not avoidable in the exercise of reasonable care and foresight. If an event of Force Majeure causes the Franchise's Major League Baseball Club to fail to play at least fifty percent of a Franchise Spring Training Season at the Facility, the parties agree that the Agreement shall be automatically extended beyond the term for one additional Franchise Spring Training Season.

- D. **MLB Requirements:** If Major League Baseball causes the Franchise's Major League Baseball Club to play less than fifty percent of a Franchise Spring Training Season at the Facility, the parties agree that the Agreement shall be automatically extended beyond the term of the Agreement for one additional Full Spring Training Season.
- E. **Third Party Beneficiary:** The State, by and through DEO and DEO's successors and assigns, is an intended third party beneficiary of this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations imposed by, this Addendum. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any rights or remedies that the State or DEO may have under law.
- F. **Order of Priority:** In the event of a conflict between the terms of this Addendum and terms of the Agreement relating specifically to a right, obligation or remedy benefiting DEO which arises from section 288.11631, Florida Statutes or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Agreement, including any terms added to, amended in, or removed from the Agreement after the effective date of this Addendum; provided that this provision shall not be interpreted so as to release or modify any obligation, right or remedy provided in the Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the parties and the Executive Director of DEO. If any modification or amendment is made to either the Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on the rights of DEO under this Addendum, such portion of that modification or amendment that has an adverse effect shall be void ab initio, and ineffective.
- G. **Recitals Incorporated:** The foregoing recitals are incorporated herein and made a part hereof by this reference.

H. **Duplicate Terms:** Because this is an Addendum prepared without reference to the Agreement itself, it may duplicate some existing terms of the Agreement. Such duplication or restatement of terms shall be construed as intentional.

The remainder of this page is intentionally blank.

NEW YORK YANKEES
FACILITY RENOVATION AGREEMENT

This Facility Renovation Agreement ("Agreement") is entered into as of the 20th day of April, 2016 (the "Effective Date"), by and between the TAMPA SPORTS AUTHORITY, a body politic and an independent special district under the laws of the State of Florida ("TSA"), NEW YORK YANKEES PARTNERSHIP, an Ohio limited Partnership ("Partnership"), and HILLSBOROUGH COUNTY, FLORIDA ("County"). The foregoing entities are sometimes individually referred to as "Party" and collectively referred to as the "Parties."

Recitals

WHEREAS, TSA, Partnership and County are parties to a License Agreement originally dated January 14, 1994 and amended and restated on date hereof (the "GMS License Agreement") which grants Partnership a license to use certain real property, a 10,000 seat baseball stadium and related spring training facilities in Tampa, Florida (the "GMS Facility"); and

WHEREAS, County owns the GMS Facility and TSA manages it and, as such, both have an interest in maintaining the appearance, value and useful life of the GMS Facility; and

WHEREAS, TSA and Partnership are also parties to a second License Agreement, originally dated August 21, 1989, which is also amended and

restated on same date hereof (the "Himes License Agreement") which grants Partnership a license to use certain real property, including structures and other professional baseball training facilities serving as an appurtenance to Partnership's Major League team, Minor League affiliates and other related activities, all of which support and serve Partnership's spring training activities (the "Himes Facility"); and

WHEREAS, the GMS Facility and the Himes Facility (sometimes collectively referred to as the "Facilities") are both essential components of Partnership's professional baseball spring training and professional player development operations in Tampa; and

WHEREAS, the Parties agree that it is in the public interest to maintain the Facilities in good repair and condition in a manner consistent with current standards and conditions prevailing at similarly situated major league baseball training facilities existing within the State of Florida and that a need exists for a coordinated effort between the Parties to renovate and improve the Facilities; and

WHEREAS, pursuant to the GMS License Agreement and Himes License Agreement, Partnership has certain rights to perform or cause to be performed, at its sole expense, permanent improvements, renovations, alterations or additions to the GMS Facility and the Himes Facility, respectively; and

WHEREAS, in 1996 TSA transferred fee simple interest in the land upon which the Himes Facility is situated to the Hillsborough County Aviation Authority, and entered into related agreements whereby TSA and Partnership

retained long term rights of use in the Himes Facility and thus also have an interest in maintaining the appearance, value and useful life of the Himes Facility; and

WHEREAS, Partnership has caused certain improvements, additions and renovations to be made to both Facilities at a cost of \$6,245,041, a list of which is attached hereto as Exhibit "A" ("Previously Completed Facilities Improvements"); and

WHEREAS, Partnership is desirous of making and paying for additional improvements to the Himes Facility (the "Planned Himes Facility Improvements"); and

WHEREAS, Partnership is desirous of making and paying for a portion of the cost of additional improvements to the GMS Facility, which is owned by County and managed by TSA (the "Planned GMS Facility Improvements"), and County and TSA agree to provide or cause to be provided certain funding through TSA for a portion of the cost of the Planned GMS Facility Improvements, pursuant to the terms and conditions of this Agreement. The Planned Himes Facility Improvements and the Planned GMS Facility Improvements are listed in Exhibit "B" hereto and are sometimes collectively referred to as the "Projects"); and

WHEREAS, in conjunction with their desire to provide certain assistance and funding toward the Planned GMS Facility Improvements, TSA or the County intends to file an application with the State of Florida, Department of Economic Opportunity, pursuant to Section 288.11631, Florida Statutes, for

certification to receive state funding for a facility for a spring training franchise for a portion of the cost of the Planned GMS Facility Improvements, and, except as otherwise expressly provided for in this Agreement, it is the agreement of the Parties that the rights and obligations arising from and under this Agreement shall be contingent upon obtaining such certification and funding by the State in the amount applied for; and

WHEREAS, in consideration for TSA and County entering into this Agreement to provide the reimbursements as herein described, Partnership will, in addition to making and paying for the Previously Completed Facilities Improvements at a cost of \$6,245,041; (i) make and pay for the Planned Himes Facility Improvements as provided for in this Agreement at an approximate cost of \$4,136,600, (ii) make the Planned GMS Facility Improvements and pay a portion of the cost thereof in the minimum amount of at least \$659,305 (the "Partnership Equity") without reimbursement, and (iii) enter into on the Effective Date hereof an amendment and restatement of the GMS License Agreement (the "Amended GMS License Agreement") and an amendment and restatement of the Himes License Agreement (the "Amended Himes License Agreement"), the terms of which provide for, among other things, a term of approximately thirty (30) years, commencing on the Effective Date, for Partnership's license of the Facilities and the payment of license fees as set forth in Exhibit "C" of the Amended GMS License Agreement and Amended Himes License Agreement, respectively; and

WHEREAS, the Parties recognize that an aggregation of funds available to the Parties for purposes of constructing the Projects and a coordination of

resources and efforts would dramatically increase efficiencies in completing the Projects.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, receipt of which is hereby acknowledged, the Parties agree as follows:

1. **The Projects**. Partnership agrees, at its sole expense, to design, construct and complete the Projects, consisting of "Planned GMS Facility Improvements" and the "Planned Himes Facility Improvements", all in accordance with applicable law, codes and ordinances. In connection therewith, Partnership has contracted directly with a licensed architectural firm (the "Architect") to prepare the design of the Projects. Partnership shall cause the Architect to prepare drawings and specifications for the Projects for review and approval by TSA, which approval shall not be unreasonably withheld or delayed, as provided in the attached Design Review and Construction Protocol and Procedures (Exhibit "C"). Also, Partnership, at its sole expense, shall also engage a general contractor (the "Contractor") and such other companies and individuals (but not including employees and staff of Partnership and affiliates) as may be approved by TSA to complete the Projects. The entire agreement, including the construction schedule (the "Contractor's Agreement") shall be subject to prior approval by TSA, which approval shall not be unreasonably withheld or delayed. The workmanship and materials used in the construction of the Projects shall be of quality at least comparable to the workmanship and materials used in the original construction of the GMS Facility or the Himes Facility, as the case may be. Partnership shall cause TSA and County to be

named as third party beneficiaries to Partnership's agreements with both the Architect and the Contractor.

2. Scope of Work.

A. The Planned GMS Facility Improvements consist of 35 projects ("GMS Projects") which have been identified, are currently in the design stage, and are listed on Exhibit "B". Exhibit "B" also identifies the estimated cost to complete each GMS Project. The Parties acknowledge and agree that the monetary amounts for each of the GMS Projects provided for in Exhibit "B" are estimates, and that, subject to the approval of TSA and the terms and conditions of this Agreement, including, but not limited to the Reimbursement Cap (hereafter defined), Partnership may allocate such amounts among the GMS Projects as required for the completion thereof.

B. The Planned Himes Facility Improvements consists of one project ("the Himes Project") which is currently in the design stage, and is also included in Exhibit "B". The monetary amount for the Himes Project stated on Exhibit "B" is also an estimate but there shall not be allowed any allocation between the GMS Projects and the Himes Project, except as specifically provided for under Section 3.D. herein.

C. The Planned GMS Facility Improvements and the Planned Himes Facility Improvement are hereby approved, subject to approved design and completed construction as required herein.

D. TSA and County, combined, shall not be responsible for any financial contribution, reimbursement or expenditure in excess of \$35,765,396 relating to the Planned GMS Facility Improvements (the "Reimbursement Cap"). The Parties acknowledge and agree that the foregoing amount is comprised of the sum of net proceeds, after reserves, underwriting discount and

issuance costs of the Bonds (hereinafter defined) payable from the Fourth Percent TDT (hereinafter defined) as described in Section 3.G. of this Agreement, in an amount estimated to be \$22,130,146 and net proceeds after underwriting discount, issuance costs and certain pre-development costs of the Bonds payable from the State Sales Tax Payments (hereinafter defined) as described in Section 3.H. of this Agreement, in an amount estimated to be \$13,635,250. Neither TSA nor County shall have any responsibility for any financial contribution, reimbursement or expenditure relating to the Planned Himes Facility Improvement, it being acknowledged by the Parties that Partnership shall be responsible for the entirety of the cost of the Planned Himes Facility Improvement and that said Planned Himes Facility Improvement shall not be reimbursable hereunder. Partnership does hereby guarantee the full and satisfactory completion of all Projects as described in Exhibit "B" in accordance with the timeline set forth in the Contractor's Agreement as provided for in the following paragraph. Moreover, Partnership is responsible for paying for any and all costs of designing and constructing the Projects in excess of the Reimbursement Cap. The Contractor's Agreement will include a construction schedule for each Project listed in Exhibit "B" which is within Contractor's Scope of Work.

E. Partnership's obligation to timely complete the Projects shall be subject only to delays of Partnership or the Contractor which are beyond the reasonable control of, and are not caused by the fault or negligence of Partnership or the Contractor; which directly impact the Projects and wholly or partially prevent the performance of any of the duties, responsibilities or obligations of Partnership or the Contractor, including (i) acts of God, (ii) an act of the public enemy, (iii) fire, explosion or other serious casualty, (iv) unusually severe weather (such as hurricane, earthquake or flood), (v) war directly

involving the United States (whether declared or not), including war-like circumstances, invasion, mobilization, revolution or rebellion, (vi) terrorist activities, riot or civil commotion, (vii) strike, work-stoppage or other labor disturbance, (viii) military usurpation of power or (ix) the imposition of new regulation or orders of governmental authority.

F. Partnership will ensure that all Projects are completed and have received final approval as described in Paragraph 10 of Exhibit "C" of this Agreement ("Final Approval") prior to February 28, 2018. TSA shall reimburse Partnership for the cost of the GMS Projects as provided in, and subject to the terms and conditions of this Agreement, provided that TSA and the County, combined, shall not be responsible for any financial contribution, reimbursement or expenditure in excess of the Reimbursement Cap.

G. In addition to other obligations set forth herein, Partnership and TSA agree to abide by, and Partnership agrees to require its Contractor to abide by and follow, the protocols, procedures and scheduling set forth in Exhibit "C" hereto. Partnership shall promptly and completely pay for all design and construction of the Projects, including builder's risk insurance for the Projects, and does hereby guarantee full and satisfactory completion of the Projects, which guarantee is in addition to the payment and performance bonds which shall be required of the Contractor.

3. Reimbursements from TSA to Partnership for GMS Projects.

A. Upon: (i) TSA's Final Approval of a GMS Project (ii) payment therefor by Partnership, and (iii) satisfaction of the requirements of Sections 3.A., 3.B. and 3.C., Partnership shall be entitled to request reimbursement from TSA as provided in this Section 3 for each such GMS Project, up to, but not to exceed, the Reimbursement Cap, but subject to the

following: (i) Partnership shall not be entitled to request reimbursement for the first \$659,305 of costs of the GMS Projects (the "Partnership Equity"), and (ii) the final reimbursement of up to \$4,136,600 of costs of the GMS Projects (the "Reimbursement Holdback") shall not be reimbursed until the conditions set forth in Sections 3.A., 3.B., 3.C. and 3.D. are satisfied.

B. Except for the Partnership Equity and the Reimbursement Holdback, at such time as the requirements of Section 3.A. have been satisfied, evidencing, among other things, that Partnership has constructed, in conformance with the drawings and specifications approved by TSA, and paid for a GMS Project, and submittal by Partnership of a request for reimbursement in form reasonably acceptable to TSA, TSA shall thereafter reimburse Partnership within thirty (30) days of TSA's receipt of the documentation identified in Section 3.A. above and Section 3.C. below, in satisfactory form and content, for Partnership expenditures for each such GMS Project that has been completed and approved by TSA in accordance with this Agreement; except, however, as permitted by Section 2.A. hereof, including approval by TSA after the submission of drawings and specifications, the total amount of reimbursement for an individual GMS Project shall not exceed the total cost value of said GMS Project as listed on Exhibit "B" hereto.

C. Upon completion of each Project as approved by TSA, Partnership shall submit to TSA the following documentation: (i) documentation demonstrating that Partnership has expended the Partnership Equity for GMS Projects; (ii) a certification to TSA that the Project has been completed and finally accepted, together with lien waivers from the Contractor and all other third party contractors, subcontractors and materialmen; (iii) documentation of the out-of-pocket costs incurred by Partnership in designing

and constructing the Project; (iv) a certificate from the Architect, in a form as TSA may reasonably request, that the Project has been constructed in substantial conformance with the Architect's drawings and specifications; and (v) a certificate from the Architect, in a form as TSA may reasonably request, that the out-of-pocket costs incurred by Partnership in designing and constructing the Project constitute commercially reasonable costs for the Project.

D. In addition to satisfying the requirements provided for in Sections 3.A, 3.B. and 3.C., Partnership shall not be entitled to reimbursement for the Reimbursement Holdback until Partnership receives Final Approval for the Himes Project. In the event Partnership does not expend at least \$4,136,000 in costs for the Himes Project, Partnership shall not be reimbursed for the difference between \$4,136,000 and the actual expenditures for the Himes Project unless, and only to the extent, Partnership spends at least such difference on GMS Projects.

E. Notwithstanding anything in this Section 3 to the contrary, requests for direct purchases by TSA of certain specific material and equipment, as described in Section 6, may be initiated at any time, in Partnership's reasonable discretion, provided that all conditions and procedures and limitations of Section 6 are satisfied.

F. TSA and County acknowledge their obligation to take such actions as are described in this Agreement in order to provide for the financing of TSA's reimbursements to Partnership in accordance with this Agreement. Unless an alternative method of financing is otherwise determined by the County in its sole and absolute discretion, the County or TSA shall issue from

time to time revenue bonds or other evidence of indebtedness, the interest paid on which bonds or indebtedness may or may not be exempt from federal income taxation (collectively, the "Bonds") to finance the reimbursements to be made by TSA to Partnership as provided for in this Agreement and to finance the expenses described in Section 9.A. of this Agreement. For purposes of this Agreement, the Bonds shall include any revenue bonds or other evidence of indebtedness issued to refund or otherwise refinance the Bonds. Unless otherwise determined by the County in its sole and absolute discretion to raise funds in an alternative method, the Parties acknowledge that the proceeds of at least two (2) series of the Bonds as described in Sections 3.G. and 3.H. below shall be dedicated as the sole source of funds to be provided to fund such reimbursements.

G. Unless an alternative method of financing is otherwise determined by County in its sole and absolute discretion, one (1) of the series of the Bonds to be issued to finance and/or refinance the reimbursements to be made by TSA to Partnership as provided for in this Agreement, shall be payable solely from the County contribution of legally available revenues received by the County from the additional one percent (1%) tourist development tax that the County is authorized to levy, impose and collect pursuant to Section 125.0104(3)(1), Florida Statutes, as amended, in an amount sufficient to fund all debt service requirements of this particular series of Bonds (the "Fourth Percent TDT"), subject and subordinate in all respects to obligations for indebtedness other than the Bonds heretofore or hereinafter incurred and secured by, or paid with, the Fourth Percent TDT and any obligations for County and TSA indebtedness issued on a parity therewith and the reserve requirements provided

for in Section 4.D.2. of Hillsborough County Ordinance 78-10, as amended by Section 2 of Hillsborough County Ordinance 03-3.

H. Unless an alternative method of financing is otherwise determined by the County in its sole and absolute discretion, another of the series of the Bonds to be issued to finance and/or refinance the reimbursements to be made by TSA to Partnership as provided for in this Agreement, shall be payable solely from the sales tax payments received from the State of Florida pursuant to Section 288.11631, Florida Statutes (the "State Sales Tax Payments"), as provided in Section 14 below.

I. Notwithstanding anything herein to the contrary, neither the obligation to issue the Bonds by County or TSA as provided for in this Agreement nor County's and TSA's other obligations under this Agreement, create any lien upon or pledge of the Fourth Percent TDT nor is County precluded from pledging in the future the Fourth Percent TDT, nor do such obligations give any person any form of claim on the Fourth Percent TDT as opposed to claims of general creditors of the County. Moreover, in no event shall the obligation to issue the Bonds as provided for in this Agreement nor County's and TSA's other obligations under this Agreement be or constitute a general obligation or indebtedness of the County or TSA, a pledge of the ad valorem taxing power of the County or a general obligation or indebtedness of the County or TSA within the meaning of the Constitution of the State of Florida or any other applicable law. No person shall ever have the right to compel the exercise of the ad valorem taxing power of the County, or any other governmental entity or taxation in any form on any real or personal property to satisfy County's obligation to issue the Bonds under this Agreement or satisfy any other County or TSA obligations provided for in this Agreement.

4. Compliance with Laws and Hillsborough County DM/DWBE Guidelines.

A. Partnership shall comply with, and shall cause the Contractor and the Architect to comply with all applicable laws, regulations, codes and rules governing the design, construction and completion of the Projects, including but not limited to, those relating to ADA. Partnership shall cause the Contractor to make good faith efforts in contracting for services and/or materials to achieve the minority and women employment representations in each applicable trade area as established by the U.S. Department of Labor for the Standard Metropolitan Statistical Area that includes Hillsborough County. When practicable, the Contractor shall make use of County's policies and procedures regarding the utilization of Disadvantaged Minority/Disadvantaged Women Business Enterprises and Small Business Enterprises, to identify prequalified subcontractors with whom to contract in order to facilitate achievement of such minority and women participation.

B. Partnership shall also comply with: (i) Hillsborough County, Florida – Code of Ordinances and Laws, Part A, Chapter 30, Article II (Hillsborough County Human Rights Ordinance), as amended, which prohibits illegal discrimination on the basis of actual or perceived race, color, sex, age, religion, national origin, disability, marital status, sexual orientation, or gender identity or expression, in employment, public accommodations, real estate transactions and practices, County contracting and procurement activities, and credit extension practices; and (ii) the requirements of all applicable federal, state and local laws, rules, regulations, ordinances and executive orders prohibiting and/or relating to discrimination, as amended and supplemented,

which laws, rules, regulations, ordinances and executive orders are incorporated herein by reference.

5. **Authority.** The President/CEO of TSA has been authorized by TSA to exercise day to day decision making on behalf of TSA relating to the Projects and the implementation of this Agreement, subject to the limitations and specific provisions of the Resolution granting such authorization. Upon adoption of such Resolution by the TSA board, any directive, consent or decision relating to this Agreement and its performance bearing the signature of the President/CEO shall carry a presumption that it is valid and enforceable as an act of TSA.

6. **Direct Purchases.**

Partnership may, in its reasonable discretion, make written requests for TSA to direct purchase certain specific material and equipment for the Projects that shall be owned by TSA or County. Any such request shall be subject to approval by TSA. In the event Partnership makes such a written request, in its reasonable discretion, and the purchase arrangements for such specific material and equipment hereunder should ever be disapproved by the Florida Department of Revenue (the "FDOR"), or held to be invalid by a final, non-appealable judicial order, then TSA shall pay any applicable sales taxes on the requested purchases, plus any interest and penalties, subject to other applicable terms hereof. The obligations of TSA under the terms of this Section 6, and specifically its duty to directly purchase any item hereunder, are strictly conditioned upon Partnership (i) establishing a non-recourse revolving line of credit in favor of TSA, and in form acceptable to TSA, in the amount of such

purchase orders and (ii) following the TSA procedures for processing direct purchases hereunder, which procedures are attached hereto as Exhibit "D", and which are hereby agreed to by Partnership. Moreover, Partnership agrees that it will not request or be entitled to any reimbursement pursuant to Section 3 of this Agreement for any Projects or portion thereof purchased directly by TSA pursuant to this Section 6.

7. **Indemnification.**

A. Only with respect to the specific Projects governed by this Agreement, Partnership shall defend, indemnify and hold harmless TSA, County, their officers, employees, and agents (collectively, the "Indemnitees") from and against any and all losses, liabilities, costs, expenses, damages, claims, demands, actions, suits, judgments and other obligations, including without limitation, reasonable attorneys' fees, expenses and court costs at an administrative level, administrative hearings, trial and all appellate levels (collectively, "Adverse Consequences") arising from or as a result of, or in connection with, any action or claim by a third party, including the FDOR, (i) asserting that the requirements of Section 287.055 or 255.20, Florida Statutes, TSA's enabling act or other applicable procurement or tax laws or regulations have been violated as a result of the Parties' adoption or implementation of the procedures for the design, construction and completion of the Projects as provided in this Agreement, including, but not limited to TSA's direct purchase of certain material and equipment therefor as set forth in this Agreement, or any action taken by TSA in connection therewith, (ii) asserting that sales taxes, penalties or interest are due and payable on TSA's purchase of certain material and equipment pursuant to this Agreement, or (iii) creating any occurrence or

event under this Section 7 resulting in a duty of TSA to pay sales taxes, penalties or interest.

B. Only with respect to the specific Projects governed by this Agreement, Partnership shall also defend, indemnify and hold harmless the Indemnitees from Adverse Consequences arising from a negligent act or omission by Partnership or Contractor, or their officers, agents, employees, contractors, guests and invitees, or the breach in the performance of Partnership or Contractor under any contract relating to the Projects, including purchase orders or other documentation for the design, insurance, fabrication, delivery, installation or construction of such material and equipment, including claims for personal injury, death or property/equipment damage.

C. Any third party claim described in Sections 7.A. and 7.B. above is hereafter defined as a "Third Party Claim."

D. In the event of a Third Party Claim, the Indemnitees shall promptly notify Partnership thereof in writing; provided, however, that no delay on the part of the Indemnitees in notifying Partnership shall relieve Partnership from any obligation hereunder unless (and then solely to the extent) Partnership thereby is prejudiced.

E. Partnership shall have the right to defend the Indemnitees against the Third Party Claim with counsel of its choice satisfactory to the Indemnitees so long as (i) Partnership notifies the Indemnitees in writing within fifteen (15) calendar days after the Indemnitees have given notice of the Third Party Claim that Partnership shall defend the Indemnitees from and against the entirety of any Adverse Consequences the Indemnitees may suffer resulting from, arising out of, relating to, in the nature of, or caused by the Third Party

Claim, and (ii) Partnership conducts the defense of the Third Party Claim actively and diligently.

F. So long as Partnership is conducting the defense of the Third Party Claim in accordance with Sections 7.A. through 7.E. above, (i) the Indemnitees may retain separate co-counsel at their sole cost and expense and participate in the defense of the Third Party Claim, (ii) the Indemnitees shall not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of Partnership, and (iii) Partnership shall not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnitees.

G. If any of the conditions in Sections 7.A. through 7.E. above is or becomes unsatisfied, however, (i) the Indemnitees may defend against, and consent to the entry of any judgment or enter into any settlement with respect to, the Third Party Claim in any manner they may deem appropriate (provided that the Indemnitees need not consult with, or obtain any consent from Partnership, but shall give prior notice thereof to Partnership), (ii) Partnership shall reimburse the Indemnitees promptly and periodically for the costs of defending against the Third Party Claim (including, without limitation, reasonable attorneys' fees, expenses and court costs at an administrative level, administrative hearings, trial and all appellate levels), and (iii) Partnership shall remain responsible for any Adverse Consequences the Indemnitees may suffer resulting from, arising out of, relating, to, in the nature of, or caused by the Third Party Claim to the fullest extent provided in this Section 7.

H. So long as Partnership is conducting the defense of any Third Party Claim in accordance with Sections 7.A. through 7.E. above, the Indemnitees shall provide reasonable assistance to Partnership in the defense of such Third Party Claim.

I. The Parties agree and stipulate that this Agreement does not constitute a "construction contract" under the provisions of Section 725.06, Florida Statutes.

8. THIS SECTION INTENTIONALLY LEFT BLANK

9. Design Review, Project Administration and Legal Costs.

A. All reasonable costs and fees paid by TSA to its design review consultants, its project administration consultants and its attorneys in connection with this Agreement and TSA's performance of its obligations and rights hereunder, the Amended GMS License Agreement, the Amended Himes License Agreement, and all Resolutions, Exhibits and other documents and activities reasonably relating thereto (the "Renovation Documents"), together with all reasonable costs, (including, but not limited to, any underwriting discount, rating agency fees and printing expenses), reasonably required debt service reserve funds, and fees of County's and TSA's Financial Advisor, Bond Counsel and Disclosure Counsel in connection with the Bonds, in the estimated amount of \$2,289,604, shall be funded out of the proceeds of the Bonds, provided that no such costs and fees shall reduce the Reimbursement Cap.

B. In the event this Agreement terminates pursuant to Section 14 below or for any other reason other than as a result of a breach of this

Agreement by County or TSA, then Partnership agrees to reimburse TSA and County for the cost of their design review consultants, project administration consultants and attorneys in connection with the Renovation Documents, the Bonds, and any professionals, consultants or auditors employed or contracted by the TSA or County in order to comply with Chapter 288, Florida Statutes, rules of the Department of Economic Opportunity ("DEO"), the FDOR or of this Agreement, provided that Partnership's total liability under this Section 9.B. shall not exceed \$150,000. Partnership shall have the right to receive copies of, but not approve, all invoices which it is required to reimburse pursuant to this Section 9.B.

10. Post Construction Contract Administration.

A. Partnership shall diligently acquire and maintain all contract documents, including but not limited to final, revised plans, specifications, change orders, manuals and warranties, and as-built plans (if created) and shall provide copies to TSA. Partnership shall be responsible for post construction administration, including but not limited to preparation of punch lists, punch list inspections and follow through, Final Approval inspections, warranty notices and documents relating to contract and warranty enforcement, correction and/or repair of errors and defects, and maintenance of legal actions relating to any breach of contract, breach of warranty and/or defective construction.

B. Partnership shall take all actions necessary, including but not limited to making demands on the Architect, the Contractor or others, filing and maintaining legal actions or other proceedings to protect the Facilities and to enforce the rights of Partnership, County and TSA with regard to same. The foregoing shall apply to all construction and contracts, except as to items directly purchased by TSA. As to those items purchased by TSA, Partnership

shall conduct periodic inspections and report any defects or potential warranty claims to TSA. Enforcement of warranty or defective construction claims on those items shall be the responsibility of TSA. However, Partnership shall reimburse TSA for all third party costs reasonably incurred by TSA, including but not limited to correction/repair costs, legal, architectural, engineering and other professional or expert costs and fees incurred by TSA in relation to or arising from its enforcement and claims administration activities as set forth in this Section 10.A. and 10.B., whether directly purchased by TSA or not; provided Partnership is given at least 5 days advance written notice of TSA's intent to incur these third party costs, except that in emergency situations TSA shall provide reasonable advance notice. Partnership shall have the right to receive copies of, but not approve, all invoices which it is required to reimburse pursuant to this Section 10.B.

11. **Time of the Essence.** Time is of the essence in the performance of all Parties' obligations contemplated hereunder. Partnership shall cause a "Time of the Essence" clause, as well as default provisions, to be placed in the Contractor's Agreement.

12. **Adoption of Certain Definitions.** All terms used in this Agreement in capitalized form, unless otherwise defined in this Agreement, shall have the same meanings as ascribed to them in the Amended GMS License Agreement.

13. **Governing Law and Dispute Resolution.** This Agreement shall be governed and enforced in accordance with the laws of the State of Florida. Any dispute arising out of or relating to this Agreement shall be resolved by a

state court of appropriate jurisdiction in Hillsborough County, Florida, it being agreed hereby that both venue and jurisdiction are appropriate in said state courts.

14. Application for, Certification and Agreement to Receive State Funding; Agreement Contingencies.

A. TSA and County acknowledge that the completion of the Projects contemplated by this Agreement will serve a paramount public purpose. As a result, within 30 days following the execution and delivery of this Agreement and the delivery to TSA of a fully and correctly completed application and all documents and information required or requested by the State of Florida and any documentation reasonably requested by TSA, TSA or County shall file an application as deemed appropriate by the Applicant, for certification pursuant to Section 288.11631, Florida Statutes, for retention of a Major League Baseball spring training baseball franchise. The Parties agree that the rights and obligations arising from and under this Agreement, including but not limited to, the obligation of Partnership to construct and fund the Projects, the obligation of TSA to reimburse Partnership as provided for in this Agreement, and the obligation to provide for the financing of such reimbursement provided for in Section 3.F. of this Agreement, shall be contingent upon TSA's or County's receipt of certification to receive State funding for a facility for a spring training franchise pursuant to Section 288.11631, Florida Statutes, in an amount sufficient to generate at least \$13,635,250 (in the estimation of the County's Financial Advisor based on market conditions then existing) in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs estimated to total \$489,750 as

described in Section 3.H. of this Agreement (the "Minimum Amount") and execution of an agreement by TSA or County and DEO providing for, among other things, an award of State funding to be distributed which award is sufficient to generate at least the Minimum Amount (collectively, the "Certification"). Should the Certification fail to occur on or before September 1, 2016, or up to sixty (60) days thereafter if approved by Partnership, TSA and the County Administrator of County, the Renovation Documents shall be automatically terminated, and shall be null and void, unless otherwise mutually agreed in writing by all Parties or unless Partnership elects to prevent such termination as provided below. The foregoing notwithstanding, in the event the Certification is to receive State funding in an amount less than the Minimum Amount, Partnership shall have the right to prevent the termination of the Renovation Documents by agreeing to provide additional funds to offset the insufficiency by providing TSA and County written notice thereof within thirty (30) days following the Certification. In the event Partnership exercises such right, the first (\$35,765,396) and third (\$13,635,250) monetary amounts provided for in Section 2.D. of this Agreement shall be deemed to be reduced by, and the third (\$659,305) monetary amount provided for in the twelfth recital clause and the first (\$659,305) monetary amount provided for in Section 3.A. of this Agreement shall be deemed to be increased by, the difference between \$13,635,250 and the monetary amount in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs resulting from the actual award from the State in the estimation of County's Financial Advisor based on market conditions then existing.

B. Although TSA or County shall be the applicant under the provisions of Section 288. 11631, Florida Statutes, it is agreed that the

assistance and full cooperation of Partnership shall be essential to the success of the application. As a result, Partnership agrees to promptly provide such assistance and information as may be reasonably requested by TSA or County in relation to the application process, shall provide in good faith any and all data or information provided by Partnership in connection therewith, and does hereby agree to indemnify, defend and hold harmless TSA and County from and against all claims, losses, suits and costs relating to any inaccuracy of the information and data provided by Partnership during the application process and thereafter, should funding by the State occur.

C. Partnership agrees to fully abide by and adhere to all requirements and obligations arising from Chapter 288 Florida Statutes, rules of the DEO or of this Agreement, to provide full and expeditious assistance to TSA and County in formulating and providing reports and data required by the DEO or the State of Florida. Partnership further agrees to reimburse TSA and County on an annual basis, for (i) fifty percent (50%) of the initial \$10,000 of the cost of any professionals, consultants or auditors employed or contracted by the TSA or County in order to comply with Chapter 288, Florida Statutes, rules of the DEO, the FDOR or of this Agreement and (ii) one hundred percent (100%) of the amount, if any, that such cost exceeds \$10,000.

15. **Prevailing Party.** In the event of a dispute arising under this Agreement, whether or not a lawsuit or other proceeding is filed, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs, including attorneys' fees and costs incurred in litigating entitlement to attorneys' fees and costs, as well as in determining or quantifying the amount of recoverable attorneys' fees and costs. The reasonable costs to which the prevailing party is entitled shall include any costs that are taxable under any

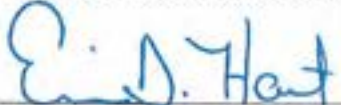

applicable statute, rule or guideline, as well as any non-taxable costs reasonably incurred in connection with the dispute, including, but not limited to, costs of investigation, copying, electronic discovery, information technology charges, telephone and mailing costs, consultant and expert witness fees, travel expenses, court reporter fees and transcript charges, and mediator fees, regardless of whether such costs would be otherwise taxable.

16. **Recitals.** The introductory recitals of this Agreement are true and correct and are incorporated in this Agreement by reference.

Exhibit C
Facility Renovation Agreement

Design Documents Review and
Construction Protocol and Procedures

Documents Review Phase

1) Partnership shall provide 100% drawings and specifications along with construction schedules for each Project listed on Exhibit "B" to TSA for review. In acknowledging this is a design-build delivery system for the Projects, TSA agrees that drawings and specifications for certain Projects may be delivered in stages rather than as a complete set of drawings and specifications for such Projects, and that TSA will be asked to approve those drawings and specifications in stages. All drawings and specifications shall be forwarded in electronic format for distribution by Partnership to TSA. Four half sized drawing sets and four sets of specifications in hard copy format shall also be provided directly to TSA for use by its staff. TSA shall conduct a general review of the drawings and specifications and provide comments within fourteen days (14) of receipt.

2) Project(s) may be divided by the Partnership into subprojects for purposes of document review only and not for purposes of Final Approval (defined below) or reimbursement, with a separate schedule of values for each.

3) Some Projects may represent replacement only of specific products/items and will not require construction drawings, only written specifications sufficient to indicate the basis for design.

4) Within fourteen (14) days of TSA providing comments to Partnership as outlined in Paragraph 1 above, the Partnership shall provide any comments responsive to TSA's comments, which shall include specific and actionable suggestions for incorporation of the TSA comments into the documents.

5) Upon reaching an agreement with TSA on the suggestions required by Paragraph 4 above, Partnership's Architect shall submit revised drawings and specifications to TSA in electronic and hard copy format as previously defined for review for compliance with all previous TSA comments. These will represent the bidding/permitting documents.

6) Upon TSA's acceptance of the drawings and specifications for all or a portion of a particular Project, TSA shall provide to Partnership written authorization to proceed with construction.

7) Subsequent to this approval by TSA, any future drawings and specifications that reflect non-material changes to a Project, including changes made through Change Orders under the Contractor's Agreement or otherwise, shall require TSA review and approval in accordance with the above-referenced protocol, except that TSA shall provide its comments to such proposed changes within seven (7) days of receipt of the proposed changes. In addition to TSA review and approval in accordance with the above-referenced protocol, any future drawings and specifications that reflect material changes to a Project shall require County approval. For purposes of this Exhibit "C" and this paragraph #7 specifically, a "material change" shall mean (i) the addition of a new Project, (ii) the deletion or discontinuation of a project listed on Exhibit "B" so that it will not be completed, or (iii) any change that does not provide for at least the functional equivalent of what is to be replaced or redesigned by the change, provided that the possible elimination of the vomitory expansion has already been approved and shall not require County approval.

Construction Phase

8) Once final construction and/or completion of a Project has been approved and accepted by the Partnership and beneficial occupancy can take place,

Partnership shall schedule a walk through with TSA for the purpose of performing a final inspection of each Project as identified on Exhibit "B" to the Facility Renovation Agreement. A punch list of items remaining to be completed on each Project shall be agreed upon.

9) Partnership shall provide to TSA a separate schedule of costs incurred and copies of progress payment requests and payments made by Partnership relating to those requests at the time that the walk through inspection takes place.

Final Approval

10) Upon completion of corrections or completion of punch list items satisfactory to Partnership and TSA, and examination of the documents outlined in paragraph 9 for each Project, TSA shall provide written notice to Partnership that said Project has received final approval for purposes of meeting the requirements for reimbursement under Section 3 of the Facility Renovation Agreement ("Final Approval"). Achieving Final Approval shall not relieve Partnership of any other requirement for reimbursement set forth within Section 3 of the Facility Renovation Agreement.

Exhibit D
Facility Renovation Agreement

Direct Purchase Procedures

These procedures are designed for the efficient management and implementation of certain purchases of materials and equipment by the Tampa Sports Authority ("TSA") as part of construction activities under that certain Facility Renovation Agreement to which these procedures are attached as Exhibit D. Unless otherwise specifically provided herein, the terms and words herein shall have the same meaning as within the Facility Renovation Agreement.

A. Administration.

1. All direct purchases shall be administered by and processed through the office of Vice President of Finance, Tampa Sports Authority. Any request for a direct purchase by Partnership should be addressed to:

David Byrne
Vice President of Finance
Dbyrne@TampaSportsAuthority.com

2. In an effort to allow TSA to staff appropriately, Partnership shall provide TSA with a listing of items that will be evaluated for direct purchase by May 31, 2016. This listing will be updated with inclusions/exclusions each month thereafter until the completion of the renovation. This listing will denote the approximate timing of the project/item purchase and will indicate any project/items that will require a pre-bid conference.

3. TSA will process the purchase only if sufficient funds are available to TSA. TSA will notify Partnership immediately of the unavailability of funds for any requested purchase.

B. Purchases through TSA standard procurement process.

1. At a minimum of 30 days prior to the time when Partnership would like the bids received, Partnership will provide to TSA a completed bid form as approved in advance by TSA. This bid form will indicate a Partnership or Contractor representative that can be contacted by the vendors with questions regarding the bid specifications and project. Any changes to the bid form as initially approved by TSA shall be clearly denoted by Partnership for TSA review.

2. TSA shall evaluate the completed bid form. If there are no revisions or clarifications deemed necessary by Partnership and acceptable to TSA, TSA shall then advertise the bid in accordance with TSA procurement requirements.

3. All written questions and answers provided to Partnership or the Contractor representative shall be provided to TSA prior to them being answered, to allow for the proper posting of this information to all potential vendors.

4. 10 days after the bid due date, TSA shall evaluate and rank the responsive bids. Partnership will provide a representative to work with TSA in the bid review process. TSA will provide these rankings to Partnership.

5. Partnership will notify TSA in writing within 30 days of the receipt of the rankings if they would like to proceed with the winning bid. TSA will notify all bidders of the selection or cancelation of the bid.

C. Purchasing through alternative methods.

1. In order to minimize costs and ensure consistency of quality, style, product and design with existing Facility features, as well as Facility Improvements being purchased, constructed or otherwise acquired by Partnership outside of this direct purchase procedure, to the extent practical, TSA will attempt to utilize existing vendors, contractors and professionals contracted by Partnership for the Facility Improvements; provided, however, that all purchases by TSA hereunder shall be in

compliance with laws, regulations or policies applicable to TSA relating to procurement of products, equipment, services, goods and materials.

2. In the case of purchases through alternative methods, subject to prior approval by TSA, Partnership or its Contractor shall negotiate and prepare purchase orders, as agent for the TSA, for the procurement of certain materials and equipment, to be purchased by TSA and incorporated into the project by Partnership or Contractor, that normally would require the payment of Florida sales tax if the purchaser was not a tax-exempt entity ("Materials"). Each purchase order shall define TSA as the purchaser and ultimate consumer of the Materials and will include TSA's State of Florida sales tax exemption number set forth in TSA's Florida Department of Revenue Certificate of Exemption. TSA will provide Partnership or Contractor with purchase orders for this purpose, including applicable warranty requirements.

3. After execution of the purchase orders by TSA, Partnership or Contractor shall submit the purchase orders to the supplier of the Materials (the "Supplier"). TSA will also provide copies of its certificate of exemption, which Partnership or Contractor shall submit to the Supplier along with the executed purchase orders.

D. General provisions relating to all purchases.

1. Partnership or Contractor shall be responsible for ordering, inspecting, accepting delivery, storing, handling, installing, and quality control for the Materials purchased, all in accordance with the terms and conditions of these procedures.

2. Upon submission of the invoice for such Materials by the Supplier to TSA, approval of the invoice by TSA, Partnership or Contractor, and acceptance of the Materials by Partnership and TSA, the invoice (which shall be made out to TSA and not Partnership or Contractor) shall be paid by TSA to the Supplier, contingent upon availability of funds. After payment is made to the Supplier, a deductive Change Order to the Contractor's Agreement shall be issued by Partnership and signed by Contractor reducing the Contract Price by the amount of such direct payment to the Supplier and the corresponding sales tax previously included in the Contract Price for the purchased Materials.

3. Materials shall be delivered by Supplier to the project site. Title to all the Materials shall immediately be vested in TSA as the ultimate consumer, upon acceptance of the Materials and payment by TSA to Supplier. Partnership shall obtain such insurance to protect the Materials from risk of loss prior to incorporation by Construction Manager into the Work.

4. Once the item is received by the Contractor/Partnership, TSA will immediately be provided the receiving documents and accompanying invoice(s). Additionally, TSA will be provided the opportunity to place a County issued property tag on the item.

5. Any costs incurred by TSA as a result of a direct purchase process, including, but not limited to advertising, legal fees or additional staff, will be the responsibility of Partnership. TSA will provide notice to Partnership of an estimate of anticipated additional staff costs in advance of incurring these costs.

FIRST AMENDMENT TO
NEW YORK YANKEES FACILITY RENOVATION AGREEMENT

This First Amendment to New York Yankees Facility Renovation Agreement ("First Amendment") is entered into as of the 25th day of October, 2016, by and between the TAMPA SPORTS AUTHORITY, a body politic and an independent special district under the laws of the State of Florida ("TSA"), NEW YORK YANKEES PARTNERSHIP, an Ohio limited Partnership ("Partnership"), and HILLSBOROUGH COUNTY, FLORIDA ("County"). The foregoing entities are sometimes individually referred to as "Party" and collectively referred to as the "Parties."

Recitals

WHEREAS, TSA, Partnership and County are parties to a New York Yankees Facility Renovation Agreement dated as of April 20, 2016 (the "FRA") relating to the design, construction and financing of certain renovation improvements to Partnership's spring training facilities in Tampa, Florida; and

WHEREAS, the Parties desire to amend the FRA as herein provided and such action is in the best interest of the Parties; and

WHEREAS, capitalized terms set forth in this First Amendment shall have the meanings set forth in the FRA if not otherwise defined herein.

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, receipt of which is hereby acknowledged, the Parties wish to amend the FRA as follows:

1. Extension of Termination Date. The fourth sentence of Section 14.A. of the FRA is hereby amended to extend the effective termination date of the FRA by removing the date "September 1, 2016" and inserting in lieu thereof the date "December 31, 2016."

The Parties further agree that the ability to extend such date by approval of Partnership, TSA and the County Administrator of County as provided in the fourth sentence of Section 14.A. shall remain applicable and in full effect.

2. DEO Agreement Terms, Conditions and Indemnifications. The FRA is amended by adding thereto a new Section 8 to read as follows:

8. Terms, Conditions and Indemnifications Relating to the DEO Agreement.

A. It is contemplated that, in furtherance of the agreement of the Parties to seek certification and funding by the State of Florida pursuant to sections 212.20 and 288.11631, F.S ("the Act"), an agreement between TSA, as the Applicant, and DEO (hereinafter defined) will be entered into entitled "Sports Development Program Agreement (the "DEO Agreement"). The DEO Agreement will govern the rights and obligations of TSA and DEO with respect to funding under the Act.

B. The DEO Agreement, when fully effective, will impose requirements and conditions upon TSA, as Applicant, which requirements relate either to the GMS Projects for which funding from the DEO is being sought or to the funding itself.

(1) Those requirements will include, among other things: (a) the maintenance and production of documentation evidencing compliance with the Act by TSA and Partnership; (b) production of annual reports and accountings of expenditures for the GMS Projects; (c) production of all amendments, modifications, extensions and assignments of the GMS License Agreement, this Agreement and other relevant contracts; (d) production of yearly cost benefit analyses; (e) evidence of efforts to promote the GMS Facility; (f) progress and status reports relating to construction and completion of the GMS Projects; and

(g) such other documentation and information as may be requested by DEO relating to the GMS Projects or to the DEO Agreement. Partnership agrees to assist and support TSA to the fullest extent possible, in complying with any and all such requirements, including, if requested by TSA, the production of documents and information within Partnership's custody, possession and/or control. Partnership shall, on an annual basis, reimburse TSA's costs, consulting, expert and attorneys' fees reasonably expended in the process of complying with the DEO's requirements, said costs and fees to be shared between TSA and Partnership in the manner as provided for under Section 14.C. hereof. As an example, if, in a given year, TSA reasonably incurs \$10,000.00 of costs and fees to comply with DEO's requirements, and \$10,000.00 of costs and fees under Section 14.C., Partnership would reimburse TSA a total of \$15,000.00.

(2) The DEO Agreement will also place contractual responsibility and liability upon TSA, as Applicant, for the work performed and costs incurred, in connection with the GMS Projects, and will require TSA to fully indemnify, protect and hold harmless DEO and the State of Florida from all claims, suits, costs and losses, unless such claims, suits, costs and losses are the result of acts or omissions of DEO. Partnership acknowledges that it has accepted, by virtue of this Agreement, full responsibility for the costs, work and timely completion of the GMS Projects and has agreed to indemnify TSA as provided under Section 7 hereof. In addition to the indemnities provided in Section 7 or otherwise in this Agreement, Partnership shall defend, indemnify and hold harmless TSA from and against any and all Adverse Consequences arising from or as a result of, or in connection with, any action or claim by DEO or the State of Florida under the indemnity provisions of the DEO Agreement, provided, however, that Partnership is not obligated to indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of TSA, and provided further that with

respect to any indemnity claim of DEO against TSA for which TSA seeks indemnity against Partnership, TSA shall have the same obligations to Partnership as DEO has to TSA under the DEO Agreement's indemnity provisions and Partnership shall have the same rights as TSA under those provisions.

(3) The DEO Agreement may require TSA, as the Applicant, to ensure that contracts entered into by TSA or Partnership in connection with the GMS Projects, contain certain provisions requiring compliance with certain requirements, including the DEO Agreement and all applicable laws, including, but not limited to, the Florida Public Records Act, applicable regulations, audit, accounting, performance and reporting requirements, confirming their independent status and disavowing any agency, joint venture, partnership or similar status with DEO or the State of Florida. Partnership agrees to insert or cause to be inserted into all of its contracts relating to the GMS Projects, effective as of the date determined by DEO to be appropriate, all provisions that are required of TSA and its contractors under the DEO Agreement and as required or requested by DEO to ensure that no condition exists among such contracts or contractors that would violate the DEO requirements or cause TSA to be in violation thereof.

(4) The DEO Agreement will require that TSA, as the Applicant, retain and maintain certain enumerated and identified records and types of records, relating to the expenditure of State or DEO funds, for the GMS Projects and to the DEO Agreement, in accordance with generally accepted procedures, and that those records be made available to DEO or other enumerated governmental agencies or offices; and that TSA comply with certain audit requirements and standards. Partnership agrees to fully and promptly comply with any request by TSA or DEO for such records, to maintain and provide such records at its cost, and to require its

contractors, subcontractors, agents and consultants to comply with such requirements and requests by DEO.

(5) In addition to the requirements identified in this Section 8. B(1) through (4), the DEO Agreement may include numerous other requirements of TSA, as the Applicant, and its contractors. Partnership agrees that, because of the obligations it has assumed in this Agreement pertaining to the design, construction, management and payment for the GMS Projects, it shall take all actions and provide all assistance necessary, as reasonably determined by TSA, for the satisfactory completion by TSA of all requirements of TSA, as Applicant, under the DEO Agreement. In addition, Partnership agrees to reimburse TSA on an annual basis for all out of pocket expenses and fees reasonably incurred by TSA during the certification and funding process and thereafter arising from and in accordance with requirements imposed upon TSA, as the Applicant, under the DEO Agreement, said costs and fees to be shared between TSA and Partnership in the manner as provided for under Section 14.C. hereof. Further, Partnership shall defend, indemnify and hold harmless the Indemnitees from and against any Adverse Consequences arising from or as a result of, or in connection with, any action or claim by a third party, including but not limited to DEO, the State of Florida or any other party resulting partially or wholly from or in connection with any negligent act or omission, breach of contract or default by Partnership, its agents, contractors or subcontractors with respect to any of its obligations set forth in this Section 8 or arising from or relating to the DEO Agreement; provided, however, that the duty to indemnify shall not apply with respect to any claim resulting from the negligent acts or omissions of TSA.

C. In the event of the occurrence of any requirement for indemnification by Partnership under this Section 8, the process, terms and

procedures for indemnification set forth in Section 7, D.,E.,F.,G. and H. shall apply.

3. Effect of First Amendment on FRA. All other terms and conditions of the FRA not modified herein, shall remain in full force and effect.

4. First Amendment Effective Date. This First Amendment shall become effective on the date upon which it has been executed by all Parties.

[signatures appear on the next page]

IN WITNESS WHEREOF, the Parties hereto have signed and dated this First Amendment as of the day and year first above written.

APPROVAL OF EXTENSION OF DATE OF CERTIFICATION

The undersigned, as the President and CEO of the TAMPA SPORTS AUTHORITY, ("TSA"), the County Administrator of HILLSBOROUGH COUNTY, FLORIDA ("County") and the authorized signator for the NEW YORK YANKEES PARTNERSHIP, an Ohio limited Partnership ("Partnership") do hereby certify as follows:

1. On or about the 20th day of April, 2016, TSA, County and Partnership entered into a NEW YORK YANKEES FACILITY RENOVATION AGREEMENT (the "FRA") relating to the design, construction and financing of certain renovations and improvements to Partnership's spring training facilities in Tampa, Florida; and

2. On the same date, the foregoing parties entered into certain other related agreements, including an Amended and Restated George M. Steinbrenner Field License Agreement, and an Amended and Restated Himes Player Development Complex License Agreement (the "Renovation Documents"); and

3. The FRA contains, at Section 14 A. thereof, the following provision:

"A. TSA and County acknowledge that the completion of the Projects contemplated by this Agreement will serve a paramount public purpose. As a result, within 30 days following the execution and delivery of this Agreement and the delivery to TSA of a fully and correctly completed application and all documents and information required or requested by the State of Florida and any documentation reasonably requested by TSA, TSA or County shall file an application as deemed appropriate by the Applicant, for certification pursuant to Section 288.11631, Florida Statutes, for retention of a Major League Baseball spring training baseball franchise. The Parties agree that the rights and obligations arising from and under this Agreement, including but not limited to, the obligation of Partnership to construct and fund the Projects, the obligation of TSA to reimburse Partnership as provided for in this Agreement, and the obligation to provide for the financing of such reimbursement provided for in Section 3.F. of this Agreement, shall be contingent upon TSA's or County's receipt of certification to receive State funding for a facility for a spring training franchise pursuant to Section 288.11631, Florida Statutes, in an amount sufficient to generate at least \$13,635,250 (in the estimation of the County's Financial Advisor based on market conditions then existing) in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs estimated to total \$489,750 as described in Section 3.H. of this Agreement (the "Minimum Amount") and execution of an agreement by TSA or County and DEO providing for, among other things, an award of State funding to be distributed which award is sufficient to generate at least the Minimum Amount (collectively, the "Certification"). Should the Certification fail to occur on or before September 1, 2016, or up to sixty (60) days thereafter if approved by Partnership, TSA and the County Administrator of County, the Renovation Documents shall be

automatically terminated, and shall be null and void, unless otherwise mutually agreed in writing by all Parties or unless Partnership elects to prevent such termination as provided below. The foregoing notwithstanding, in the event the Certification is to receive State funding in an amount less than the Minimum Amount, Partnership shall have the right to prevent the termination of the Renovation Documents by agreeing to provide additional funds to offset the insufficiency by providing TSA and County written notice thereof within thirty (30) days following the Certification. In the event Partnership exercises such right, the first (\$35,765.396) and third (\$13,635,250) monetary amounts provided for in Section 2.D. of this Agreement shall be deemed to be reduced by, and the third (\$659,305) monetary amount provided for in the twelfth recital clause and the first (\$659,305) monetary amount provided for in Section 3.A. of this Agreement shall be deemed to be increased by, the difference between \$13,635,250 and the monetary amount in net proceeds from the issuance of the Bonds payable from the State Sales Tax Payments after underwriting discount, issuance costs and certain pre-development costs resulting from the actual award from the State in the estimation of County's Financial Advisor based on market conditions then existing."

4. It is anticipated that the Certification, as defined in and contemplated by said section 14 A., will not occur by September 1, 2016, through no fault of the TSA, the County or the Partnership; and

5. Partnership has requested and the President and CEO of TSA and the County Administrator of County desire to provide for the extension of the term of the FRA and the Renovation Documents for sixty (60) days by approving the extension of the date by which the Certification must occur from September 1, 2016 to October 31, 2016;

6. In accordance with the provisions of Section 14.A of the FRA, the undersigned do hereby approve a sixty (60) day extension (from September 1, 2016 to October 31, 2016) of the date by which the Certification must occur.

IN WITNESS WHEREOF, we have hereunto affixed our official signatures on the dates indicated below.

1. Local, State, and Team Funded Expenses

Pursuant to Section 4(h)(1) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide a detailed accounting of all local and state funds expended to date on the project as of the date of submission of this Annual Report. In addition to this detailed accounting, WVID must submit a summary of all local, state, and private funds expended on the project as of the date of submission of this Annual Report.

Prior to the financing closing date, the Atlanta National League Baseball Club, LLC (“ANLBC”) directly contributed \$5,381,903.88 of private monies toward the design and construction of the project. Thereafter, in conjunction with its financing of the project, WVID entered into that certain *Custodian and Depositary Agreement*, dated December 21, 2017, by and between WVID, Sarasota County (the “County”), ANLBC, and U.S. Bank National Association as collateral agent and depositary bank (the “Custodian Agreement”). Pursuant to the Custodian Agreement, the District established three (3) separate bank accounts to hold the construction funding for the project- a County Construction Subaccount, a State Sales Tax Bonds Construction Subaccount, and a Construction Account (collectively, hereinafter referred to as the “Accounts”). Upon the depletion of the entirety of the Accounts, ANLBC is obligated to remit funding to the District for any remaining expenses relative to the design and construction of the stadium facility.

Please see the below chart for a summary of the amounts deposited into each of the Accounts, and the amounts disbursed for the design and construction of the stadium facility through the date of this Annual Report.

NON-RELOCATION AGREEMENT

This Non-Relocation Agreement (this "**Agreement**") is made and entered into as of this ___ day of May, 2017 by and among Sarasota County, Florida, a charter county and political subdivision of the State of Florida (the "**County**"), West Villages Improvement District, an independent special district created pursuant to Chapter 189, Florida Statutes and Chapter 2004-456, Laws of Florida, Acts of 2004, as amended ("**WVID**") and Atlanta National League Baseball Club, LLC, a Georgia limited liability company ("**ANLBC**"). The County, WVID and ANLBC shall be referred to herein jointly as the "**Parties**" and each, individually, as a "**Party**".

RECITALS

WHEREAS, ANLBC is the owner and operator of the Major League Baseball franchise known as the Atlanta Braves ("**Team**").

WHEREAS, contemporaneously with the execution of this Agreement, (i) the County and ANLBC, have entered into a Facility Operating Agreement (the "**Facility Operating Agreement**") providing for the operation and management of the Facility by ANLBC; and (ii) the County, ANLBC, WVID, the City of North Port, a Florida municipal corporation ("**City**"), Manasota Beach Ranchlands, LLLP, a Florida limited liability limited partnership ("**Developer**"), and Calben (US) Corporation, a Delaware corporation ("**Developer Guarantor**") have agreed to enter into a Development Agreement providing for the design, development, construction and financing and administration of the Facility as described therein on the Facility Site (the "**Development Agreement**"). Capitalized terms used but not defined in this Agreement have the meanings set forth in the Facility Operating Agreement.

WHEREAS, as a material inducement to (i) the County to enter into the Facility Operating Agreement and (ii) the County, City, WVID, Developer and Developer Guarantor to enter into the Development Agreement, ANLBC has agreed to enter into this Agreement to assure that the Team will play its Grapefruit League Home Games at the Facility for the Term and on the other terms and conditions set forth herein.

NOW, THEREFORE, the Parties agree as follows:

1. **Definitions.**

"**Alternate Site Condition**" shall mean the existence of any one of the following conditions:

- i. MLB determines the condition of the Facility is or reasonably is expected at the scheduled time of any Grapefruit League Home Games to be (e.g., due to an impending or recently occurring storm) such that MLB Rules and Regulations (including, without limitation, a specific MLB directive) prohibits the playing of Grapefruit League Home Games at the Facility in a written direction, declaration or ruling addressed to ANLBC and provided ANLBC has forwarded a copy of such written direction, declaration or ruling to the County and WVID;

- ii. all or a Significant Portion of the Facility is damaged or destroyed by fire or other casualty as described in Section 25 of the Facility Operating Agreement;
- iii. all or a Significant Portion of the Facility is being utilized for disaster preparedness, disaster response or shelter as described in Section 19 of the Facility Operating Agreement; or
- iv. a Governmental Authority determines the use or occupancy of any material portion of the Facility is (a) not permitted under any Applicable Law or (b) is unsafe for customary usage.

“**ANLBC Personnel**” shall mean the individual officers, directors, partners, shareholders, members, employees and agents of ANLBC and their Affiliates.

“**Bankruptcy Code**” shall mean the United States Bankruptcy Code.

“**Final Order**” shall mean when a court of competent jurisdiction determines, in a final and non-appealable order, that ANLBC has breached its covenants under Section 2 of this Agreement.

“**Infrastructure**” shall mean the off-Facility Site roadway design, permitting and construction to facilitate ingress and egress to the Facility Site meeting all applicable governmental standards and requirements, and wastewater and water infrastructure design, permitting and construction, bringing utilities (stubbed to the Facility Site) to serve the Facility for its intended purpose, as will be more particularly described in the Development Agreement, to be performed, or caused to be performed by Developer as provided in this Agreement.

“**Liquidated Damages**” shall mean the sum of (a) the outstanding balance of principal and interest of the WVID Debt as well as any required call premiums; provided, however, that if the WVID Debt is not callable, the amount required to fully fund an escrow to pay-off the WVID Debt on the first call date plus all required debt service payments plus any required call premiums through the call date, (b) the present value of all unpaid ANLBC payments to the Capital Maintenance Fund due and payable for the remainder of the Term under the Facility Operating Agreement, (c) the amount required to pay-off the County Bonds including the amount of outstanding principal and interest as well as any required call premiums; provided, however, that if the County Bonds are not callable, the amount required to fully fund an escrow to pay-off the County Bonds on the first call date plus all required debt service payments plus any required call premiums through the call date, (d) the lesser of (x) the amount required to reimburse Developer and WVID for Infrastructure and (y) the then unamortized amount of Infrastructure (based on actual depreciation in accordance with the applicable financial statements for the first five years, then thereafter straight-line depreciation over a subsequent period of 25 years), (e) in the event that the County will not continue to use the Facility as a ballpark, the expense required by Developer to gain repossession of the land plus the cost to clear the ballpark from the Facility Site, (f) any amounts outstanding related to the design and/or construction agreements for the project, to which WVID is a party, and (g) any additional

professional costs incurred by Developer and WVID as a result of any Non-Relocation Default. Present value for purposes of this paragraph shall be calculated by utilizing a discount rate of two and a half (2.5) percent.

“**Non-Relocation Default**” shall mean any breach by ANLBC of any of the terms, covenants or agreements of Section 2 of this Agreement.

“**Non-Relocation Covenants**” shall mean the collective covenants made by, and obligations imposed on, ANLBC pursuant to Section 2 of this Agreement.

“**Non-Relocation Term**” shall mean the term of this Agreement, commencing with the funding of the County Bonds and WVID Debt and ending on the termination of this Agreement pursuant to Section 5.4 of this Agreement.

2. **Covenant to Play Grapefruit League Home Games at the Facility.** In compliance with Section 288.11631(2)(a)2., Florida Statutes, the County covenants and agrees not to amend the Facility Operating Agreement in a manner which would permit the use of the Facility by ANLBC for a team that is less than the length of the term of the State Sales Tax Payment Bonds. Subject to Section 3 of this Agreement, ANLBC covenants and agrees that throughout the Non-Relocation Term, as applicable:

2.1 ANLBC shall maintain and operate the Facility in the County;

2.2 the Team shall play all of its scheduled Grapefruit League Home Games at the Facility; and

2.3 ANLBC (a) shall not enter into any contract or agreement, or make any request or application to MLB, to (i) relocate or operate its Spring Training facility outside of the County in violation of Section 2.1 or (ii) have the Team play any Home Game in any location other than the Facility in violation of Section 2.2; and (b) shall not (i) entertain any offer or proposal to relocate the Team to a location other than the Facility, (ii) solicit an offer or proposal from any Person to enter into discussions regarding moving the Team to a location other than the Facility, (iii) enter into negotiations with third parties concerning the relocation of the Team to a location other than the Facility, or (iv) otherwise attempt to cause the playing of Grapefruit League Home Games at a location other than the Facility, except as provided in Section 3.

3. **Exceptions.**

3.1 Notwithstanding the provisions of Section 2, the Team shall be permitted to play what would otherwise be a Home Game at a location other than the Facility in the event of an Alternate Site Condition; provided, however, that ANLBC shall not be relieved of its obligations with regard to the Facility Debt.

3.2 Up to three (3) Grapefruit League Home Games per season (not including any games played in different locations under Section 3.1 above), in an international or other location as requested by MLB or another MLB Club; provided that, ANLBC shall provide prior written notice, as specified in Section 15, to the County and WVID not later

than January 1 of any operating year of such Grapefruit League Home Game scheduled for the upcoming MLB season. Notwithstanding the foregoing, ANLBC remains expressly obligated to exhibit, promote, schedule and play or conduct at least eighty percent (80%) or fifteen (15) Grapefruit League Home Games per season (whichever is greater) in the main stadium of the Facility, between the Team and another Major League Club, with at least two (2) such games scheduled to begin after 6:00 pm, subject to MLB Rules and Regulations.

3.3 If Substantial Completion occurs on or after the date on which one-half of the Team's Grapefruit League Home Games have been played, the covenants in Section 2 shall not become effective until the start of the succeeding MLB Spring Training season.

3.4 ANLBC may take any actions otherwise prohibited by Sections 2.1, 2.2 and 2.3, in connection with any change in location permitted by this Section 3.

3.5 ANLBC may take the actions otherwise prohibited in Section 2.3 during the last three (3) years of the Term of the Facility Operating Agreement in connection with any proposed relocation or playing of the Team's Grapefruit League Home Games that would not be played until after the conclusion of the Term. ANLBC shall notify County, WVID and Developer within three (3) business days of making any such request or application and forty eight (48) hours after entering into any such contract or agreement. Should ANLBC enter into such contract or agreement, or make any such request or application to MLB, then ANLBC shall lose the ability to unilaterally extend the term of the Facility Operating Agreement.

3.6 Without limiting the generality of any other provision of this Agreement, the covenants of ANLBC provided in Section 2 shall not apply: (i) if ANLBC obtains both the County and WVID's written consent, which consent shall be within the sole and absolute discretion of each of the County and WVID, prior to any action(s) otherwise prohibited under such section; provided, however, any actions which would allow the Team to permanently relocate from the County shall also require MLB Approval; and (ii) at any time after the termination of this Agreement.

4. Alternate Site Condition.

4.1 Notwithstanding the provisions of Section 2, if, at any time during the Non-Relocation Term, an Alternate Site Condition shall exist, then (i) the Team shall be entitled to make arrangements to temporarily play at alternate sites for its Grapefruit League Home Games and (ii) ANLBC shall be temporarily relieved of its obligations under Sections 2.1, 2.2 and 2.3 hereunder and shall be entitled to allow the Team to play its Grapefruit League Home Games at such alternate sites, but only during the period of time that any such Alternate Site Condition shall exist; provided, however, that if the Alternate Site Condition shall be of such a nature that its expected expiration cannot reasonably be ascertained by ANLBC, the County or WVID, then ANLBC shall be entitled to honor any commitment it might reasonably have made for the Team to play its Grapefruit League Home Games at an alternate site even if that commitment extends beyond the date such Alternate Site Condition ends. ANLBC shall not, however, make

any commitment that extends beyond the end of the Spring Training season in or prior to which such Alternate Site Condition occurs, except that, if, as of August 1, such Alternate Site Condition is reasonably expected (as determined in accordance with Section 4.2) to continue to exist as of the Team's first Grapefruit League Home Game of the subsequent Spring Training season, then ANLBC shall be entitled to commit to play its Grapefruit League Home Games at an alternate site for the duration of such Spring Training season, provided, however, ANLBC shall use its reasonable best efforts to cause the Team to play its Grapefruit League Home Games at the Facility as soon as possible after the Alternate Site Condition has ended.

4.2 Not later than August 1 of any operating year in which an Alternate Site Condition continues to exist, ANLBC shall give the County, WVID and Developer a written notice setting forth the date it reasonably believes such Alternate Site Condition will terminate (the "**Proposed Date**"). If both of the County and WVID fail to object to such notice within thirty (30) business days of receipt of such notice, they will be deemed to have accepted the Proposed Date and ANLBC's right to contract with alternate sites under Section 4.1 shall be based on such date. If the County and/or WVID timely objects to the Proposed Date, ANLBC, WVID and the County shall use good faith efforts to resolve such dispute within the next five (5) business days. The County, WVID and ANLBC shall consult, and reasonably cooperate, with one another following any Alternate Site Condition so that ANLBC can most effectively find and contract for an alternate site during the duration of such Alternate Site Condition.

4.3 ANLBC shall use commercially reasonable and diligent efforts to mitigate and overcome any Alternate Site Condition that results in the Team's Grapefruit League Home Games not being played at the Facility to the extent such event or condition is within the reasonable control of ANLBC, but this undertaking shall not be construed to require ANLBC to take any action, or to relieve the County of any obligation it may have, with respect to a condemnation under Section 26 of the Facility Operating Agreement, casualty or Force Majeure that is the County's responsibility under the Facility Operating Agreement.

5. **Remedies.** ANLBC (a) acknowledges that the Non-Relocation Covenants are an essential part of the bargain and consideration of the Operative Agreements and are necessary to protect the business and goodwill of the County, WVID and Developer; (b) recognizes that the Facility is being constructed and certain debt is being incurred to construct the Facility and to permit the Grapefruit League Home Games to be played at the Facility during the Non-Relocation Term; (c) recognizes that having the Team play its Grapefruit League Home Games in the Facility throughout the Non-Relocation Term provides a unique value to County, WVID, and Developer, including generating new jobs, additional revenue sources and economic development and increased tourism for the County; and (d) acknowledges and agrees that any breach by the Team of the Non-Relocation Covenants shall cause irreparable and continual harm to the County, WVID and Developer and that damages for a default under such Non-Relocation Covenants cannot be estimated with any degree of certainty and that monetary damages cannot fairly or adequately compensate the County, WVID or Developer for a breach of such Non-Relocation Covenants. Further, the Parties acknowledge that (i) ANLBC's obligations under the Non-Relocation Covenants are unique, are the essence of the bargain and are essential

consideration for this Agreement and the other agreements being entered into by the Parties related to the Facility, including, but not limited to the Operative Agreements; and (ii) the determination of damages caused by a Non-Relocation Default, the effects of which would be suffered by the City, County and WVID community (including Developer) would be difficult, if not impossible, to ascertain. Therefore, the Parties acknowledge and agree that there exists no adequate and complete remedy at law to enforce this Agreement against the ANLBC and that equitable relief by way of specific performance or injunction is the only appropriate remedy for the enforcement of this Agreement, notwithstanding the provisions for liquidated damages provided elsewhere in this Section 5. In amplification and not in limitation of the foregoing, the County, WVID and Developer acknowledge and agree that, upon discovery of a Non-Relocation Default, or the threat of a Non-Relocation Default, the County and WVID shall promptly communicate with each other and shall cooperatively and jointly seek equitable relief before attempting to avail themselves of the liquidated damages provision set forth in Section 5.2, provided that equitable relief is a remedy available and enforceable at the time of the Non-Relocation Default. Notwithstanding the prior sentence, the County agrees that time is of the essence in responding to the occurrence or threat of a Non-Relocation Default and agrees to take reasonable steps to timely prepare and file a complaint for injunctive relief, and seek a temporary restraining order and/or other immediate injunctive relief, against ANLBC upon discovering the occurrence or threat of a Non-Relocation Default. Upon the occurrence of any other breach or misrepresentation in this Agreement by ANLBC, the County and WVID shall cooperatively discuss the joint pursuit of the remedies set forth in Section 5.1, Section 5.2, or to the extent applicable, Section 5.3. WVID and Developer shall each have the option to individually pursue the remedies set forth in Section 5.1, Section 5.2, or Section 5.3 (in each case, as applicable).

5.1 Declaratory or Injunctive Relief. Upon the occurrence of an ongoing Non-Relocation Default, the County and WVID shall cooperate in a joint effort to seek injunctive relief prohibiting or mandating action by ANLBC in accordance with, or declaratory relief with respect to, the Non-Relocation Covenants. ANLBC agrees that, in the event of any of the actual or threatened (in the reasonable opinion of the County and WVID) breach by ANLBC of any one of the Non-Relocation Covenants (i) the County and WVID shall be entitled to seek and obtain, a temporary restraining order, together with temporary, preliminary and permanent injunctive or other equitable relief, from any court of competent jurisdiction, to restrain or enjoin any actual or threatened breach by ANLBC of any Non-Relocation Covenant without the necessity of posting a bond or other security and without any further showing of irreparable harm, balance of harms, consideration of the public interest or the inadequacy of monetary damages as a remedy, (ii) the administration of an order for injunctive relief would not be impractical and, in the event of any breach of any Non-Relocation Covenant by ANLBC, the balance of hardships would weigh in favor of entry of injunctive relief, and (iii) the County and WVID may, jointly or individually, enforce any Non-Relocation Covenant contained in this Agreement through specific performance. The Parties hereby agree and irrevocably stipulate that (a) the rights of the County and WVID to injunctive relief pursuant to this Non-Relocation Agreement shall not constitute a "claim" pursuant to Section 101(5) of the Bankruptcy Code and shall not be subject to discharge or restraint of any nature in any bankruptcy proceeding involving ANLBC, (b) this Agreement is not an "executory contract" as contemplated by Section 365 of the Bankruptcy Code, and (c) action(s) taken by the County and WVID pursuant to this Section 5.1 shall not in any way prejudice any

other rights or remedies that the County or WVID may have under Section 5.2 or Section 5.4 of this Agreement or under the other Operative Agreements if a court of competent jurisdiction fails to provide injunctive or other equitable relief prohibiting ANLBC's violation of the Non-Relocation Covenants or, in the case of the remedies set forth in Section 5.4, fails to award Liquidated Damages under Section 5.2; provided, that ANLBC shall be obligated to pay the costs of litigation and any additional costs incurred by the County and WVID in enforcing its rights under this Agreement, and ANLBC shall comply with any and all provisions under the Operative Agreements until such time the Operative Agreements are terminated.

5.2 **Liquidated Damages.** ANLBC acknowledges and agrees that, if upon the occurrence of a Non-Relocation Default, in the event equitable relief is not granted by a court of competent jurisdiction for any reason or is otherwise unavailable, the payment by ANLBC of liquidated damages is the next most appropriate remedy. Therefore, in the event of a Non-Relocation Default, and the failure of any court to grant the equitable relief described in Section 5.1 above, ANLBC shall pay Liquidated Damages to the County, WVID and Developer; provided, however, that in no event may the County, WVID or Developer seek or obtain such Liquidated Damages or any portion thereof if the actions taken by ANLBC in contravention of the Non-Relocation Covenants occur after the expiration of the Non-Relocation Term. Notwithstanding anything to the contrary herein, the Parties acknowledge the amount designated as Liquidated Damages does not constitute the full amount of damages the County, WVID and Developer would suffer as a result of a Non-Relocation Default, and further, that the allocation of Liquidated Damages as between County, WVID and Developer will be based on the respective amounts established for the County, WVID and Developer identified in the definition of Liquidated Damages in Section 1 above. Furthermore, in the event of a Non-Relocation Default, and the failure of any court to grant the equitable relief described in Section 5.1 above, in compliance with Section 288.11631(2)(a)2., ANLBC shall reimburse the State of Florida for state funds expended by WVID under such section if ANLBC relocates before this Agreement expires; however, if the State Sales Tax Payment Bonds were issued to construct the Facility for a spring training franchise, the required reimbursement must be equal to the total amount of state distributions expected to be paid from the date ANLBC breaks this Agreement with WVID through the final maturity of the State Sales Tax Payment Bonds.

5.3 **Other Breach.** In the event of any breach of or misrepresentation in this Agreement by ANLBC (other than a Non-Relocation Default subject to the remedies set forth in Section 5.1 or, if applicable, Section 5.2), or in the event of a Non-Relocation Default for which, notwithstanding the intent of the Parties, the County and WVID are unable to obtain the relief set forth in Section 5.1 or, if applicable, Section 5.2, the County, WVID and Developer, jointly or individually, shall have the right (i) to institute any and all proceedings or claims permitted by law or equity to recover any and all amounts necessary to compensate the County, WVID and Developer for all damages proximately caused by ANLBC's breach under this Agreement, and (ii) to institute any and all proceedings or claims permitted by law or equity to compel specific performance with respect to ANLBC's obligations under this Agreement and one or more actions to seek to obtain a temporary restraining order, together with such other temporary,

preliminary and permanent injunctive or other equitable relief, from any court of competent jurisdiction capable of issuing or granting such relief, to compel ANLBC to comply with or refrain or cease from breaching or violating the terms, covenants and conditions.

5.4 Termination.

5.4.1 Upon the entry of a Final Order with respect to a default by ANLBC, the County and WVID shall have the right, but not the obligation, to jointly give to ANLBC written notice of its intention to terminate this Agreement and all other Operative Agreements (a "**Final Notice**"), subject to ANLBC's continuing obligation to pay any and all damages due and payable under this Agreement, including, but not limited to the Liquidated Damages. After the expiration of a period of ninety (90) days from the date such Final Notice is given, unless the default is cured, this Agreement and the other Operative Agreements may, at the jointly agreed option of the County and WVID, be terminated without liability to the County or WVID by delivery of further written notice to ANLBC, which termination shall be effective following the end of any then current Spring Training season, subject to ANLBC's continuing obligation to pay any and all damages due and payable under this Agreement, including, but not limited to the Liquidated Damages. If, however, within such ninety (90) day period, ANLBC's default under Section 2 of this Agreement is cured, then this Agreement and the other Operative Agreements shall not terminate by reason of such Final Notice.

5.4.2 This Agreement, and all obligations of the Parties under this Agreement shall terminate without further action by, or liability to, any Party upon the expiration or termination of the Facility Operating Agreement for any reason expressly permitted under the Facility Operating Agreement; provided further that upon a termination of the Facility Operating Agreement by the County upon the entry of a Final Order that ANLBC has breached Section 2 of this Agreement, this Agreement shall only terminate as provided in Section 5.4.1 of this Agreement. For the avoidance of doubt, until the end of the Non-Relocation Term, ANLBC shall remain bound by, and shall not be relieved of, its obligations under this Agreement upon a termination by the County of the Facility Operating Agreement due to a breach of Section 2 hereof by ANLBC as described in the preceding sentence. Except for the provisions of this Agreement that are expressly to survive termination, and except as provided in this Section 5.4.2, in the event of a termination of this Agreement and the Facility Operating Agreement under Section 5.4 of this Agreement, then all obligations of the Parties under this Agreement and the Facility Operating Agreement shall also automatically terminate, except for those obligations which by their express terms survive the termination or expiration of this Agreement, as discussed herein, or the Facility Operating Agreement.

5.4.3 This Agreement, and all obligations of the Parties under this Agreement shall terminate without further action by, or liability to, any Party

5.4.5 Any such termination shall not apply to any provisions in any agreements that impact the Facility Debt.

5.5 **Cumulative Remedies.** Except as expressly set forth in Section 5.1, Section 5.2 and Section 5.4 of this Agreement, each right or remedy of the County, WVID or Developer provided for herein shall be cumulative of and shall be in addition to every other right or remedy of the County, WVID and/or Developer provided for in this Agreement, and the exercise (or the beginning of the exercise) by the County, WVID or Developer of any one or more of the rights or remedies provided for in this Agreement, shall not preclude the simultaneous or later exercise by the County, WVID or Developer of any or all other rights or remedies provided for in this Agreement or the Facility Operating Agreement or hereafter existing at law or in equity, by statute or otherwise.

6. **Governing Law: Interpretation.** This Agreement shall be construed and enforced in accordance with the laws of the State of Florida. The Parties hereby agree that venue and jurisdiction for all legal proceedings arising out of or relating to this Agreement shall be exclusively in the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida and the parties irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the venue of any such proceeding which is brought in such a court. Time is of the essence of this Agreement.

7. **Entire Agreement.** This Agreement constitutes the sole and entire agreement among the Parties with respect to this Agreement and supersedes all prior written or oral agreements among them relating to that subject matter, including, without limitation, the Term Sheet. Waiver by any Party of any breach of any provision of this Agreement shall not be considered as or constitute a continuing waiver or a waiver of any other breach of the same or other provision of this Agreement.

(b) Right to Sublicense. ANLBC shall be permitted to enter into contracts or licenses, retain vendors and otherwise take all other actions necessary and desirable to utilize the

exclusive rights set forth herein including, without limitation, the right to sublicense ANLBC's operational rights to the owner of a Florida State League team with which ANLBC has a professional development contract, provided the same are lawful and are within the scope of this Agreement. Notwithstanding the exercise of any rights to sublicense, ANLBC shall remain responsible to the County under this Agreement.

(c) All Areas. Other than during Third Party Events and public use of the Public Plaza and the Multipurpose Fields as described in Section 5(e) below, ANLBC shall have the exclusive right to use and possess all areas of the Facility and the Facility Site during the Term (and any Extension Term) of this Agreement subject to the County's limited right to enter and inspect the Facility for reasonable purposes from time to time during normal business hours and following the delivery of prior notification to ANLBC. The County shall fully and promptly restore any damage to the Facility or the Facility Site in connection with such entry and inspection.

(d) County Events, City Events and Developer Events.

(i) During the Term, the County shall have the right to use the main stadium portion of the Facility and such other areas of the Facility as ANLBC and the County may mutually agree but excluding ANLBC's offices and the major and minor league clubhouses, for up to ten (10) civic-oriented non-profit events (not to exceed twenty (20) calendar days total but subject to a potential increase in the number of days per Section 5(d)(iv) below if agreed to by ANLBC) (the "County Events") per year outside of the Braves' Spring Training season (and the County has authorized the City to use up to three (3) of those County Events, not to exceed six (6) calendar days total but subject to a potential increase in the number of days per Section 5(d)(iv) below if agreed to by ANLBC) (the "City Events"), for City-sponsored civic oriented non-profit events). Developer shall have the right to conduct up to five (5) events per year utilizing the main stadium portion of the Facility and such other areas of the Facility as ANLBC and the Developer may mutually agree but excluding ANLBC's offices and the major and minor league clubhouses (not to exceed ten (10) calendar days total) (the "Developer Events"). The County Events, City Events and Developer Events are collectively referred to herein as the "Third Party Events". In no event may any of the Third Party Events take place during the time period from January through the conclusion of Spring Training. ANLBC and the City will enter into the City Use Agreement prior to the Commencement Date which shall set forth the terms and conditions of the City's use of the Facility for the City Events. ANLBC and the Developer will enter into the Developer License Agreement prior to the Commencement Date which shall set forth the terms and conditions of the Developer's use of the Facility for the Developer Events. Both the City Use Agreement and Developer License Agreement shall be subject to the County approval and shall require insurance in the amounts set forth in Exhibit E that names the County as an additional insured for all City and Developer Events.

(ii) ANLBC (or its sublicensed vendors) will be responsible for staffing, managing, and operating the Facility (including set-up, trash and litter clean-up, utilities, and a five percent (5%) administrative fee) during all Third Party Events, and the County, City or Developer, as applicable, shall, unless otherwise agreed, be responsible for paying ANLBC its direct costs associated with such staffing, managing and operating (including set-up, trash and litter clean-up, utilities, and a five percent (5%) administrative fee).

(iii) Except for reimbursement of expenses incurred by ANLBC in connection with the staffing of Third Party Events as set forth above, the County, City or Developer, as appropriate, shall have the right to retain all revenues from such Third Party Events.

(iv) Prior to each Spring Training Season, but no later than November 30 of the year preceding such Spring Training Season, representatives of ANLBC, the County, City and Developer shall meet to discuss and agree in writing upon the dates when each of the County, City and Developer may use the main stadium portion of the Facility for Third Party Events, such dates and events subject to ANLBC's prior, written approval in its reasonable discretion, not to be unreasonably withheld, delayed or conditioned, in each instance and the County, City and the Developer acknowledge and agree that ANLBC planned events (which include, without limitation, Home Games and ANLBC Events) have priority over Third Party Events. Notwithstanding the foregoing, ANLBC agrees in good faith to reasonably allow proposed modifications to the agreed upon schedule of Third Party Events subject to proposed and anticipated ANLBC Events at the Facility. The reasonableness of such modifications is to be determined in light of the justification of the requesting party for the schedule modification, the timeliness of the schedule modification request, and the frequency of schedule modification requests.

(v) The County is self-insured for all liability claims and related expenses pursuant to Section 768.28, Florida Statutes. The City Use Agreement and the Developer License Agreement shall have indemnification obligations of the City and the Developer related to City Events and Developer Events, respectively.

(vi) In no event shall the County, City or Developer be permitted to use the Facility Site in a manner that causes or may cause any material damage to any playing surface or any part of the Facility Site (e.g., football games, rodeos, tractor pulls, etc.) unless otherwise approved in writing by ANLBC. Any damage to the Facility Site or playing surface occurring during Third Party Events caused by someone other than ANLBC, shall be immediately repaired by the responsible user (the County, City or Developer, as applicable), at the sole expense of such Party to the condition the Facility Site was in prior to the Third Party Event. The use of the Facility Site for Third Party Events shall include the public portions of the Facility and the Facility Site, the playing surface and the media areas. ANLBC will also consider the County requests to open other areas of the Facility and the Facility Site (excluding ANLBC's offices and exclusive Team parking areas) for use during City and County Events provided that such use will not conflict with ANLBC's ongoing operations and the opening of such other areas shall be in ANLBC's sole and reasonable discretion.

(e) Additional Benefits and Use of Public Plaza and Multipurpose Fields.

(i) ANLBC agrees to make available, during each Braves' Spring Training season during the Term, six (6) season tickets between the dugouts (in groups of two (2) and four (4)), a suite for two (2) games (food and beverage excluded) and two (2) parking passes to the County. The luxury suite, tickets and parking provided to the County hereunder shall be used for tourism promotion and economic development purposes.

(ii) During the Term, ANLBC agrees that the City, the County, WVID and the general public will have access and use of the Public Plaza and the Multipurpose Fields at times when there is not a Home Game, an ANLBC Event, or a conflicting Third Party Event, and provided such access and use does not interfere with the primary purpose of the Facility as the Team's training center or unduly burden or impact the Team's operations at the Facility. To maximize the public use of the Public Plaza and the Multipurpose Fields, ANLBC, the County, the City, and WVID shall communicate on a quarterly basis to create a schedule of proposed organized City, the County, and WVID use of the Public Plaza and the Multipurpose Fields for the following quarter. Certain organized use of the Public Plaza and/or the Multipurpose Fields by the City, County and/or WVID, as applicable, will require access to and use of restrooms by the general public, which will require advance coordination with ANLBC. As part of the quarterly communication process described above, the City, County and WVID shall each identify the times when their respective planned use of the Public Plaza and/or the Multipurpose Fields will require the use of restrooms. ANLBC agrees to make restrooms open and accessible for the coordinated organized public uses when the need is identified by the City, County or WVID provided such access and use does not interfere with the primary purpose of the Facility as the Team's training center or unduly burden or impact the Team's operations at the Facility and provided further, that the City, the County, or WVID, as applicable, shall be responsible for the cleaning and maintenance of such public restrooms in connection with such public use. The County acknowledges that ANLBC Home Games, ANLBC Events and ANLBC's general business and baseball operations at the Facility and the Facility Site shall take scheduling priority over the County's, the City's, WVID's and the general public's use of the Public Plaza and the Multipurpose Fields. It is expressly agreed that outside of Home Games, ANLBC Events, conflicting Third Party Events, and organized City, the County, or WVID use of the Public Plaza and the Multipurpose Fields, the Public Plaza and Multipurpose Fields will be open to use by the general public to enhance the role of the Facility and the Facility Site in the betterment of the community provided such use does not interfere with the primary purpose of the Facility as the Team's training center or unduly burden or impact the Team's operations at the Facility. To the extent permitted by applicable law, the County, City, and WVID, as applicable, shall be responsible for the prompt and complete restoration of any damage caused to the Public Plaza or the Multipurpose Fields during such public use.

(iii) Depending on the nature of the event and/or activity taking place in the Public Plaza and/or the Multipurpose Fields, ANLBC and the County will discuss in good faith requiring participants in the County and/or City recreational programs to sign a release of liability waiver prior to participating in such events and/or activities

6. ANLBC Financial Commitments

(a) Annual Fee. ANLBC shall pay to WVID an Annual Fee, the initial payment due on the earlier of (a) Substantial Completion or (b) thirty (30) days prior to the District's first Debt Service Payment, in an amount equal to the outstanding annual debt service on the WVID Debt, excluding the City Contribution and Developer Contribution, issued to fund the construction of the Facility, with the amount of the Annual Fee payments to be made by ANLBC hereunder to be set forth in a definitive written agreement signed by ANLBC, WVID and the County, each acting in good faith (the "Annual Fee Confirmation"). The Annual Fee

shall be paid in two (2) equal annual payments, with such payments due thirty (30) days prior to the time WVID's two (2) annual debt service payments are due on the Facility as set forth in the Annual Fee Confirmation. The amount of the Annual Fee shall not be subject to increase without an updated and revised Annual Fee Confirmation executed by ANLBC and the County. In the event the actual cost of the Facility is less than the Project Budget, the Annual Fee shall be reduced, recalculated, and pro-rated, and shall be agreed upon in writing by ANLBC and the County in an updated and revised Annual Fee Confirmation based on the corresponding reduction in debt service needed to service the debt on the WVID Debt. The Annual Fee shall be used solely to fund scheduled debt service on the WVID Debt, and is to be paid by ANLBC to WVID for payment on the debt service on the WVID Debt.

(b) Concessionaire Allocation of Annual Fee. The Parties acknowledge and agree that 15% of the Annual Fee reflects ANLBC's use of the Facility for the purpose of operating food and drink concessionaire services within the premises, and 85% of the Annual Fee reflects ANLBC's use of the remaining facilities comprising the Facility. ANLBC shall be solely responsible to defend the allocation to the Florida Department of Revenue pursuant to Section 17(b) hereof and to pay the taxes imposed by the applicable Governmental Authority.

(c) Extension Term Fee. During any Extension Term, ANLBC will pay an annual payment of \$250,000 to the County on or before February 1 of each year of the Extension Term, which will be reinvested in the Facility as mutually agreed by ANLBC and the County.

(d) ANLBC FF&E. ANLBC shall be responsible for FF&E it deems necessary for installation at the Facility to operate the Team and to otherwise operate and manage the Facility. Such FF&E will include initial purchase of Facility scoreboard and scoreboard support structures, control room equipment and non-permanent concessions equipment but will not include concession stand build out (including permanent fixtures such as hoods and sinks which are included in the Project Budget). With the exception of the main scoreboard and associated scoreboard support structures, all FF&E paid for by ANLBC shall remain the property of ANLBC and may be removed by ANLBC at the conclusion of the Term. Any damage caused due to the removal of such FF&E shall be repaired diligently at the sole cost and expense of ANLBC.

7. Completion.

(a) Braves Completion Deadline. Per the terms of the Term Sheet, WVID has agreed to use commercially reasonable efforts to achieve Substantial Completion and receive all necessary approvals for the intended purpose of the Team conducting Spring Training operations and playing Spring Training games at the Facility on or before the Braves Completion Deadline.

(b) ANLBC Remedies. The County acknowledges and agrees that completion of the Facility on time is of great importance to ANLBC. No liability shall accrue to the County under this Agreement if the Braves Completion Deadline is not met, except if as a result of a material default by the County of its obligations hereunder or under the Operative Agreements, in which case the County shall assist ANLBC with finding an alternative temporary Spring Training site reasonably acceptable to ANLBC until such time as the Facility is complete. If the Braves Completion Deadline is not met other than as a result of an uncured material breach by

ANLBC of the Development Agreement, and the County has issued the County Bonds and WVID has issued the Facility Debt, ANLBC shall begin making its Annual Fee payments as set forth at Section 6(a) above, but until the Team is able to hold Spring Training operations and play Spring Training games at the Facility a pro rata portion of the Annual Fee (based on Spring Training Home Games missed) shall be reimbursed by WVID from financing reserves, if available, once sufficient for such reimbursement, if permitted under the Facility Debt documents. Any rights and remedies of ANLBC as a third party beneficiary under the architect agreement or construction management agreement, as applicable, and the right to reimbursement from any insurance proceeds it receives as an additional insured with respect to the foregoing shall be set forth in the Development Agreement.

8. Revenue Streams. Except as specifically set forth in this Agreement with respect to Third Party Events, ANLBC shall have the sole and exclusive right to retain all revenues, fees, and other amounts generated by ANLBC pursuant to this Agreement from the use, operation and management, license and/or sublicense of the Facility and the Facility Site from all sources, whether now existing or developed in the future and whether or not currently contemplated by the Parties, including, without limitation, all revenues from the exclusive rights granted to ANLBC in Section 5(a)(i)-(xviii) above.

9. Naming and Sponsorship Rights. ANLBC agrees to consult in good faith with the County on the sale of the naming rights to the Facility and agrees it will not sell naming rights to the Facility to any entity engaged in any business involving tobacco, illegal activity, sexually suggestive conduct and/or obscene or pornographic materials. Otherwise, ANLBC shall have the exclusive right to sell naming rights to the Facility, and to retain all revenues derived from such sale. The County acknowledges that ANLBC reserves the exclusive right to sell sponsorship, entitlement and/or naming rights to other designated areas of the Facility and the Facility Site and to retain all revenues related to such sales for such other areas. Following receipt by the County of written notice from ANLBC of the name of the Facility, the County shall exclusively use the name or names given to the Facility or any portion thereof in all correspondence, communications, advertising, websites, social media and promotions the County may undertake or utilize with respect to the Facility, including all press releases and in connection with the promotion of any City Events, County Events or Developer Events, subject to ANLBC approval for each initial use (and provided that each subsequent use is consistent with the initial approval). The County shall include the name of the Facility on all directional or other signage that is installed by the County that refers to or identifies the Facility. ANLBC will include references to the name "the West Villages" or something similar when referencing the Facility when appropriate or reasonable (e.g., SunTrust Park at The West Villages). However, the County acknowledges that there will be times when only the Facility name is utilized (e.g., SunTrust Park). ANLBC has agreed not to sell naming rights and/or sponsorship rights to the Facility to any home builder competitive with Developer or its affiliates as of the date of sale of such naming rights.

10. Marketing and Promotion of the Facility. It is recognized that the Facility will be located within the City of North Port and ANLBC will use commercially reasonable efforts to market and promote the City of North Port and Sarasota County in its marketing and promotion of the Facility and as more fully provided for herein. ANLBC acknowledges that the County and the City are undertaking a substantial financial responsibility to provide funding for the Facility.

ANLBC, the County and the City shall endeavor to develop an ongoing promotional relationship for the purpose of promoting Sarasota County, the City of North Port and the Greater Sarasota County region as a desirable and attractive year-round vacation and meeting destination venue and for the promotion of the Braves' Spring Training games and ticket sales related thereto. In consultation with the Sarasota Convention and Visitors' Bureau (d/b/a Visit Sarasota County) and the Sarasota Tourism Development Council, ANLBC shall make available on an annual basis certain promotional and tourism opportunities including but not limited to signage inside SunTrust Park as reasonably determined by ANLBC in consultation with the City and the County, a Sarasota County/City of North Port promotional day at SunTrust Park, use of a suite at SunTrust Park during such Sarasota County/City of North Port promotional day (food and beverage to be purchased separately by the County and City from ANLBC's concessionaire), participation in off-season Fan Fest Events, promotion of the Facility, the City of North Port and Sarasota County on the Team website, during in-game promotional video opportunities at SunTrust Park, and on ANLBC controlled radio and television broadcasts. The County, the City, Visit Sarasota County, and ANLBC shall meet on an annual basis to develop and review a mutually agreeable promotional plan.

11. Public Safety and Security. ANLBC shall, at ANLBC's expense, provide all necessary public safety personnel, including but not limited to law enforcement, fire, emergency medical service, traffic management personnel as well as qualified security and crowd control personnel to protect the public health, safety and welfare at all Home Games and ANLBC Events. The required amount of public safety and security shall be determined in conjunction with Government Authorities and be consistent with MLB standards for similar events and Comparable Spring Training Facilities. The County (or City or Developer, as applicable) shall, at its expense, provide all necessary public safety personnel, including but not limited to law enforcement, fire, emergency medical service, traffic management personnel as well as qualified security and crowd control personnel to protect the public health, safety and welfare at all County Events (or City Events or Developer Events as applicable) and in connection with the permitted use of the Public Plaza or the Multipurpose Fields as set forth at Section 5(e)(ii) of this Agreement. ANLBC will work in good faith with the City to utilize City police officers when and if necessary including for Home Games, ANLBC Events and Third Party Events.

12. Utilities. The Facility Site shall be furnished with domestic water, sufficient electrical capacity to operate and manage the Facility Site as contemplated herein (including, without limitation, capacity for lighting and equipment for night baseball games), sewage, field and grounds irrigation and drainage systems with maximum outsource, and telephone service and similar services, and ANLBC shall bear the monthly operating cost of all such Facility Site utilities at all times other than during use for Third Party Events for which utilities costs will be determined by ANLBC in good faith and promptly paid by City, the County or Developer as applicable.

13. Operation and Maintenance Expenses. Except for Capital Maintenance and Repairs, ANLBC shall be responsible for all costs and expenses in connection with its use, operation and management of the Facility and the Facility Site including, but not limited to, utilities, any assessments or charges imposed by WVID for the operation and maintenance of stormwater management facilities that serve the Facility and the Facility Site, cleaning and routine maintenance, but excluding costs and expenses for cleaning and utilities for Third Party

Events for which City, the County or Developer, as applicable, shall be responsible. ANLBC shall maintain and operate the Facility in a manner consistent with other Comparable Spring Training Facilities.

14. Capital Maintenance and Repairs and Capital Maintenance Fund.

(a) Subject to the terms and conditions set forth herein, the County and ANLBC shall each fund fifty percent (50%) of all costs arising in connection with the Capital Maintenance and Repair of the Facility and the Facility Site pursuant to the Program Requirements and in a manner consistent with other Comparable Spring Training Facilities from the Capital Maintenance Fund. Notwithstanding the foregoing, any repairs required for any Discretionary Improvements made by ANLBC and Trade Fixtures shall be the sole responsibility of ANLBC, and funds for such repairs shall not be drawn from the Capital Maintenance Fund (as set forth below).

(b) All disbursements of such funds shall be subject to the County's and ANLBC's approval (which approval shall not be unreasonably withheld). ANLBC, as the operator of the Facility, shall be responsible for implementing such Capital Maintenance and Repairs. Any Capital Maintenance and Repair necessitated by an Emergency shall not require prior submission to the County and may be made by ANLBC in its reasonable discretion; provided, however, that ANLBC shall immediately provide written notice to the County in the event of an Emergency and provide the County with all pertinent information pertaining thereto that the County may request and the County shall reimburse ANLBC for any reasonable costs in connection with the same. ANLBC shall promptly cause all non-Emergency Capital Maintenance and Repairs to be implemented after approval of such Capital Maintenance and Repairs by ANLBC and the County.

(c) ANLBC and the County shall each fund fifty percent (50%) of the agreed upon, minimum annual contributions to the Capital Maintenance Fund pursuant to the CMF Funding Schedule on or before May 1 during each year of the Term, which CMF Funding Schedule may be subject to revision from time to time by the Parties in writing. The County and ANLBC agree that none of the funds deposited into the Capital Maintenance Fund shall be expended within the first three (3) years of the Term.

(d) The Capital Maintenance Fund shall be maintained as a separate account by the County and the amounts in the Capital Maintenance Fund, including all earnings on such amounts, shall be disbursed from time to time solely for the purpose of funding Capital Maintenance and Repairs at the Facility and the Facility Site during the Term.

(e) Beginning in the fourth year following Substantial Completion and every five (5) years thereafter, ANLBC and the County shall participate in a joint facility assessment that includes an independent third party analysis by a party mutually acceptable to ANLBC and the County of the structural and engineering elements of the Facility and the Facility Site. The cost of such analysis shall be paid for from the Capital Maintenance Fund. The analysis shall be done outside of Spring Training and the findings of such analysis shall be utilized by the Parties as a tool in addressing the priority of work to be funded from the Capital Maintenance Fund but

such findings shall not create any obligations on the part of ANLBC or the County to complete any of the proposed work set forth in such analysis.

(f) Beginning in the third year following Substantial Completion and each calendar year thereafter, the County and ANLBC shall cooperatively develop a rolling five (5) year plan of Capital Maintenance and Repairs that will act as a guide to maximize the efficiency of Capital Maintenance and Repairs. No later than June 1 of each calendar year, ANLBC shall submit to the County its proposed plan of Capital Maintenance and Repairs for the next five (5) years as well as those Capital Maintenance and Repairs to be accomplished in the succeeding year. The submittal shall include reasonable detail as to the reason for and expected cost of proposed Capital Maintenance and Repairs. No later than August 1 of each calendar year, ANLBC will be notified of the County's approval or disapproval for funding of such Capital Maintenance and Repairs for the succeeding year as well as the County's approval or modification of the Capital Maintenance and Repairs plan for the next five (5) years as well as reasonable detail regarding Capital Maintenance and Repair items requested by ANLBC but disapproved by the County. In no instance is the County required to exceed the amount of funding in the Capital Maintenance Fund in any given year.

(g) The funds in the Capital Maintenance Fund shall be managed and invested by the County in such investments as are permitted under applicable county, state and federal law and regulations and in accordance with the County's Investment Policy.

(h) In the event that the actual cost of Capital Maintenance and Repairs for the then-current year exceeds the total amount in the Capital Maintenance Fund, the County and ANLBC shall negotiate in good faith to agree upon any additional contributions to the Capital Maintenance Fund to be paid by the County and ANLBC. In the event there are any monies in the Capital Maintenance Fund at the end of the Term or the earlier termination of this Agreement, then following the completion of any remaining Capital Maintenance and Repair, such remaining monies shall be divided by the Parties pro-rata, based on the percentage of contribution by each Party to the Capital Maintenance Fund.

(i) The County and ANLBC shall not have any obligation to fund the Capital Maintenance Fund during any Extension Term.

15. ANLBC Improvements.

(a) Discretionary Improvements. Notwithstanding the obligations of ANLBC and the County to fund Capital Maintenance and Repairs as set forth herein, ANLBC shall have the right, from time to time, in its sole discretion and at its own expense, to make alterations and improvements to the Facility, as shall be reasonably necessary or appropriate, in ANLBC's judgment, for ANLBC conduct of its business without the need for prior review or approval by the County (collectively, "**Discretionary Improvements**"); provided, however, that ANLBC shall obtain the prior written approval of the County for any improvements that materially affect the structural elements or components of the Facility. Such alterations or improvements shall be performed in a lien-free and good and workmanlike manner. These Discretionary Improvements are beyond the Program Requirements and the repair and replacement of such improvements will not be eligible for the use of monies in the Capital Maintenance Fund.

(b) MLB Required Improvements. ANLBC shall provide the County with written notice of any alterations or improvements to the Facility required to comply with the MLB Rules and Regulations or MiLB requirements (if applicable) and ANLBC shall be obligated to make any such alterations and improvements at its expense as it deems reasonably necessary in such time frame as is required to comply with the MLB Rules and Regulation or MiLB requirements (if applicable)s. ANLBC and the County will work in good faith to evaluate whether the respective annual contributions to the Capital Maintenance Fund are sufficient to cover the repair and replacement of MLB required improvements beyond the Program Requirements.

16. Return of Facility.

(a) Pursuant to the Development Agreement, subject in all cases to Developer's option to purchase the Facility Site, if any, at the termination or expiration of this Agreement, ANLBC agrees to return the Facility to its original or subsequently improved condition, ordinary wear and tear, casualty, or condemnation excepted, and to return to the County all equipment and personal property of the County in good working condition, ordinary wear and tear excepted, in each case after a joint inspection of the Facility by the County and ANLBC. Promptly after such inspection at the termination of any occupancy, ANLBC shall have the option to either (i) make any necessary repairs; or (ii) pay the County for any damages to the premises or to personal property, ordinary wear and tear excepted, except to the extent said damage was caused by the assigns, agents, affiliates, employees or officers of the County. ANLBC shall have the right upon termination of this Agreement, within sixty (60) days thereafter, to remove from the premises all movable property which is not permanently affixed to the structure and which is not owned by the County, including without limitation all concession equipment and broadcasting equipment, whether or not such items are deemed movable and whether or not they are permanently affixed to the structure, provided that ANLBC repair any damage caused by removal of such items to the reasonable satisfaction of the County.

(b) Except for the main Facility scoreboard, all FF&E paid for by ANLBC shall remain the property of ANLBC and may be removed by ANLBC at the conclusion of the Term. Any damage caused due to the removal of such FF&E shall be at the sole cost and expense of ANLBC.

(c) All Trade Fixtures shall be owned by ANLBC and ANLBC shall have the right to remove any such Trade Fixtures at the end of the Term, provided ANLBC has repaired or restored the area from which such Trade Fixture has been removed. By way of example, and not limitation, ANLBC may not remove the main Facility scoreboard but ANLBC would be allowed to remove a secondary (not included in Program Requirements) sponsored video board paid for and installed by ANLBC; however any wiring or other infrastructure supporting such video board shall remain at the Facility. Any Trade Fixture desired to be installed by ANLBC requires the County's prior written consent, such consent not to be unreasonably withheld, delayed or conditioned.

17. Taxes.

(a) Ad Valorem Taxes. Following conveyance of the Facility and the Facility Site from WVID to the County, the County will continue to own the Facility and the Facility Site throughout the Term and will be authorized to grant ANLBC the rights provided hereunder. This Agreement has been entered into for the paramount public purpose of promoting tourism, gainful employment and economic growth in the County and the State of Florida. The County is constitutionally immune from payment of ad valorem taxes for any real property that it owns but shall remain solely responsible for the full amount of any and all real property ad valorem taxes, if any, which may be assessed or imposed upon the Facility apart from the ANLBC FF&E and Trade Fixtures. Accordingly, it is the intent of the parties that ANLBC's occupancy and use of the Facility hereunder shall be exempt from ad valorem taxation. If, for any reason during the Term, any or all of the interests or other rights or benefits held by ANLBC under this Agreement become subject to ad valorem taxation, such tax shall be paid by ANLBC.

(b) Taxes Regarding ANLBC's Operations. ANLBC shall be responsible for the full amount of any and all taxes, assessments, licenses and charges on its operations. The County represents and warrants that no taxes, surcharges, franchise tax, impact fees, development contributions, assessments or similar charges shall be levied by the County against ANLBC that are not generally applicable to all other businesses in the County. ANLBC shall have the right to contest, at its sole cost and expense, the validity or amount, in whole or in part, of any taxes or other impositions imposed against ANLBC by appropriate proceedings timely pursued in accordance with any protest procedures permitted by any applicable Governmental Authority.

18. Operating Permits. ANLBC shall secure such permits, variances, and licenses as may be necessary or desirable to operate the Facility as is contemplated by this Agreement. To the extent permitted by law, the County will assist and cooperate with ANLBC in securing permits or licenses for the operation of the Facility and shall not unreasonably withhold, delay or condition its approval in connection therewith.

19. Disaster Preparedness, Disaster Response, and Shelter. The Facility Site may be used, in areas agreed upon by the Parties, for emergency response personnel and equipment, debris and debris-removal equipment for natural disaster preparations, response, and potential shelter. Such uses by the County shall be reasonably limited in scope and duration, and the County shall undertake reasonable measures to mitigate damage or negative impacts to the Facility Site in connection with such use. The County shall provide notice regarding any such use to ANLBC prior to such entry to the extent practicable, shall provide regular notices to ANLBC during the period of such use, and shall permit reasonable access to the Facility Site by ANLBC and its agents at all times during such use. In the event the County uses the Facility Site pursuant to this Section 19, the County agrees to completely remove all disaster/hurricane-related debris and materials from the Facility Site and take such other remedial action as may be necessary within a reasonable period of time prior to the Spring Training Period so as to allow ANLBC full beneficial use of the Facility Site. The County shall be responsible for all damage, clean-up, maintenance, repairs and costs and expenses in connection with the use of the Facility Site for disaster purposes, and the County shall promptly clean up, and fully repair and restore the Facility Site, all at no cost or liability to the ANLBC.

20. Insurance.

(a) ANLBC Insurance. Throughout the Term of this Agreement, including any Extension Terms, ANLBC shall provide and maintain, at its expense, the policies of insurance set forth in Exhibit E, which shall protect ANLBC and the County and WVID from any claim, damage, liability, loss or expense to Persons or property (hereinafter, "Claims") caused by, resulting from, arising out of or in connection with the duties and obligations of ANLBC pursuant to this Agreement; provided that the policies of insurance shall be sufficient to cover the Annual Fee.

Best ratings of A- or better. The County and WVID shall be included as an Additional Insured under the General Liability, Liquor Liability, Automobile Liability and Umbrella Liability policies to be maintained by ANLBC pursuant to Exhibit E. ANLBC shall provide at least thirty (30) days prior written notice to the County and WVID if any coverage required to be maintained by ANLBC pursuant to this Agreement is going to be materially changed, reduced or cancelled. ANLBC shall bear all costs of all deductibles under policies maintained by ANLBC. Upon request, ANLBC shall furnish to the County and WVID certificates of insurance for all of the above policies. ANLBC hereby agrees to furnish renewal certificates throughout the term of the Agreement. Any one or more of the types of insurance coverages required under this Section 20(a) may be maintained through a master policy insuring other entities, provided that such blanket or master policy and the coverage effected thereby comply with all applicable requirements of this Agreement.

It is hereby agreed and understood that the insurance requirements set forth above shall not be construed as in any manner waiving, restricting or limiting the liability of ANLBC with respect to obligations imposed under this Agreement, including, but not limited to, obligations imposed under the provisions of Section 21(a) below.

(b) County Insurance. Throughout the Term of this Agreement, including any Extension Terms, the County shall provide and maintain, at its expense, the policies of insurance or equivalent self-insurance as set forth on Exhibit E, to address claims caused by, resulting from, arising out of or in connection with the duties and obligations of the of the County pursuant to this Agreement:

The County shall provide at least thirty (30) days prior written notice to ANLBC and WVID if any coverage required to be maintained by the County pursuant to this Agreement is going to be materially changed, reduced or cancelled. Upon request, the County shall furnish to ANLBC and/or WVID a letter evidencing the above described coverage.

It is hereby agreed and understood that the insurance requirements set forth above shall not be construed as in any manner waiving, restricting or limiting the liability of the County with respect to obligations imposed under this Agreement, including, but not limited to, obligations imposed under the provisions of Section 21 below.

21. Indemnification.

(a) ANLBC Indemnification Obligations. To the fullest extent permitted by law, ANLBC shall indemnify, defend and hold harmless (x) the County and each and all of their respective directors, officers, employees, agents and volunteers or any of them as their interests may appear and (y) WVID and each and all of their respective directors, officers, employees, agents and volunteers or any of them as their interests may appear from and against any and all Claims caused by, resulting from or arising out of the following:

The foregoing indemnification excludes all Claims arising from the acts or omissions of ANLBC, MLB, MiLB and each of their respective parent and affiliate companies, their respective officers, directors, shareholders, employees, agents and volunteers. The County's indemnification obligations hereunder shall survive the expiration and/or termination of the Agreement to the extent of any loss based upon or arising out of any acts or omissions occurring during the Term of this Agreement.

(c) County Indemnification Obligations to WVID and Developer. Up to the express monetary limits of Section 768.28, Florida Statutes, and without constituting a waiver of the County's sovereign immunity, the County shall indemnify, defend and hold harmless (x) WVID and its directors, officers, employees, agents, and volunteers and (y) Developer and its parent and affiliate companies, and each of their respective officers, directors, shareholders, employees, managers, members, partners, employees, agents and volunteers from and against any and all Claims caused by, resulting from or arising out of the following:

The County's indemnification obligations hereunder shall survive the expiration and/or termination of the Agreement to the extent of any loss based upon or arising out of any acts or omissions occurring during the Term of this Agreement.

22. Limitation of Liability. In no event shall any Party be liable for incidental, special, consequential or punitive damages suffered by a Party and each Party shall in all events seek to mitigate its damages to the extent required by law.

23. Time is of the Essence. In all matters concerning or affecting this Agreement, time is of the essence.

24. Quiet Use and Enjoyment. During ANLBC use and occupancy of the Facility and the Facility Site under this Agreement, ANLBC shall have and be entitled to the quiet enjoyment with respect to the use and occupancy of the Facility Site and the privileges herein granted

without interruption or interference by any Person including, specifically, the County, and the County shall defend ANLBC in such peaceful and quiet use and possession against the claims of all Persons claiming by, through or under the County, except to the extent that certain rights to use the Facility Site, or any portion of it, may be reserved to the County for County Events in accordance with this Agreement. There shall be no use of personal property owned or controlled by ANLBC without ANLBC prior written consent.

25. Destruction of Facility.

(a) If all or any Significant Portion of the Facility is damaged or destroyed by fire or other casualty, the County shall repair and rebuild the Facility (using proceeds from the Property insurance maintained by the County on the Facility and its structural components) with thorough diligence to its condition immediately before such loss or the condition required by law, whichever is greater, with such repair and rebuilding to be completed as soon as is possible giving due attention to the Spring Training Season after such fire or other casualty occurs and in any event not later than two years after such fire or other casualty occurs. For the purposes of this Section 25, Section 26 (below) and Section 3.4 of the Non-Relocation Agreement, "Significant Portion" of the Facility shall mean the loss of the use of a portion of Facility that materially interferes with the intended use and function of the Facility to exhibit, promote, schedule and play or conduct Home Games. If there is substantial interference with the operation of ANLBC's activities or use of the Facility, then ANLBC will be temporarily authorized to use other Spring Training facilities and to schedule its activities or events at other Spring Training facilities. It is specifically understood by and between the Parties that during the period of such interference, ANLBC shall have the right to schedule its activities or events at other Spring Training facilities and ANLBC's obligations pursuant to this Agreement shall be abated during such interruption. If the Facility is not, cannot, or will not be restored to the condition immediately before such casualty or the condition required by law, whichever is the greater, within two years after the fire or other casualty occurs, ANLBC may terminate this Agreement and neither Party shall have any claim whatsoever against the other Party as a result thereof.

(b) If the Facility shall be destroyed or materially damaged, during the final five (5) years of the Term (or any Extension Term), and provided that the Facility Debt and the County Bonds have been fully repaid, ANLBC may elect to terminate this Agreement upon delivery of written notice given no later than thirty (30) days after any such event to the County as of the end of the month of such written notice, and payment of any Annual Fee payable through the effective date of such termination, pro-rated on a per diem basis. Upon the delivery of such notice and the making of any payments required hereunder, this Agreement shall terminate on the date specified in such notice and ANLBC shall have no further obligations in connection with this Agreement. ANLBC acknowledges and agrees that all insurance arising from such damage or destruction shall be paid to the County.

26. Condemnation.

(a) If all or a Significant Portion of the Facility or the Facility Site is taken by any State of Florida or United States public authority pursuant to the power of eminent domain, then this Agreement shall terminate as of the date possession is taken by the public authority.

(b) If part of the Facility or a Significant Portion of the Facility Site is taken by any State of Florida or United States public authority pursuant to the power of eminent domain and in the reasonable opinion of either the County or ANLBC it is not economically feasible to continue this Agreement, either Party may terminate this Agreement under the following terms and conditions:

(i) Such termination by either Party shall be made by written notice to the other given not later than ninety (90) days after the date possession is taken by the public authority.

(ii) Termination shall be effective thirty (30) days after such notice is given at which time ANLBC will return the Facility to the County.

(c) If neither the County nor ANLBC elect to terminate this Agreement, the County shall make such repairs or alterations, if any, as are required to render the remainder of the premises useable for its intended purposes.

(d) ANLBC may assert a claim against the condemning authority to disruption or relocation of ANLBC's business or for ANLBC's property located on the premises but not for the Facility or Facility Site improvements.

27. Recording. This Agreement, and ANLBC interest in the Facility and the Facility Site shall be recorded in the Official Records of Sarasota County, Florida.

28. Notices. Any and all notices required or permitted to be given hereunder shall be deemed given when actually received, if delivered personally, or upon receipt, if deposited with the U.S. Postal Service, first class postage prepaid, certified or registered mail, return receipt requested and addressed as follows:

29. Assignment.

(a) Neither Party may assign its rights or obligations under this Agreement (whether via merger, stock or asset sale, recapitalization, or otherwise) without the prior, written consent of the other Party; provided, however, the County acknowledges and agrees that ANLBC may assign its rights and obligations hereunder as a whole to any successor-in-interest or new owner of the Team; provided that (i) such transaction received MLB Approval, (ii) any such successor-in-interest has credit worthiness substantially similar to ANLBC and provides evidence of such that is deemed satisfactory to the County in its reasonable discretion, and (iii) such successor-in-interest or new owner has assumed the obligations of ANLBC under this Agreement, including acceptance of the obligations of the Non-Relocation Agreement, except in the event of a change of control of ANLBC pursuant to which ANLBC remains a Party to this Agreement, which shall not require consent provided such transaction received MLB Approval.

(b) Developer may assign its rights hereunder as a whole in connection with an assignment of its rights under the Development Agreement and subject to the same conditions as are set forth in the Development Agreement. The assignment of obligations is not referenced in this Section 29(b) because Developer has no obligations under this Agreement.

30. Binding Effect. This Agreement shall inure to the benefit of and remain fully binding upon the parties hereto and their respective successors and permitted assigns.

31. Default, Remedies, and Termination.

(a) If either Party hereto (the "Defaulting Party") shall fail to perform any of its obligations under this Agreement, then the Party not in default (the "Non-Defaulting Party") shall provide notice of such failure to the Defaulting Party and afford the Defaulting Party a grace period to cure said failure, as follows:

(i) Where a grace period is specifically provided, that specific grace period shall apply.

(ii) Where a grace period is not specifically provided, the Defaulting Party shall afford the Non-Defaulting Party a grace period of: (i) ten (10) business days to cure monetary failure; and (ii) thirty (30) days to cure any non-monetary default; provided, however, that if any non-monetary failure cannot be cured within such thirty (30) day period, the Defaulting Party shall be afforded such additional time as shall be reasonably required to cure such failure, if the Defaulting Party has commenced the appropriate cure within said initial thirty (30) day period and thereafter proceeds with reasonable diligence to cure said failure.

(iii) If any failure to perform shall not have been cured by the expiration of the applicable grace period, then an "Event of Default" shall be deemed to have occurred and the Non-Defaulting Party shall have the rights and remedies set forth in Section 31(b) below.

(b) If an Event of Default shall occur, the Non-Defaulting Party shall have the right but not the obligation to cure such default on behalf of the Defaulting Party, in which event

the Defaulting Party shall immediately reimburse the Non-Defaulting Party for all sums paid by it to effect such cure, together with interest thereon at the annual rate of interest equal to the prime rate of interest charged by the County's primary financial institution to its commercial customers with the highest credit rating plus one and one-half percent (the "Default Rate").

(c) Dispute Resolution in an Event of Default. If an Event of Default shall occur and is not cured under Section 31(b) above, then prior to the Non-Defaulting Party filing any lawsuit to terminate this Agreement in accordance with Section 31(d) below, the Parties shall be required to submit such dispute or controversy to non-binding mediation. Under no circumstances, however, shall the Parties be permitted to resolve the dispute or controversy through mediation or otherwise in a manner that compromises or otherwise negatively impacts the repayment of the Facility Debt.

(d) Termination by Non-Defaulting Party. If the Parties cannot resolve the dispute or controversy through mediation under Section 31(c) above, the Non-Defaulting Party may file a lawsuit seeking a declaration that it has the right to terminate this Agreement only after providing the Defaulting Party with thirty (30) days prior written notice that one of the following events (collectively hereinafter referred to as the "Termination Events") has occurred and is continuing:

(i) If, by order of a competent authority, a receiver, liquidator or trustee of Defaulting Party shall be appointed and such receiver, liquidator or trustee shall not have been discharged within thirty (30) days after the making of such order, or if by decree of such authority Defaulting Party shall be adjudicated or determined to be bankrupt or insolvent, or if Defaulting Party shall file a petition in voluntary bankruptcy, shall make an assignment for the benefit of or enter into a composition with its creditors, shall seek to terminate its existence or shall otherwise seek to wind up its affairs;

(ii) If Defaulting Party fails to make any payments pursuant to this Agreement within sixty (60) days following receipt of written notice of such Termination Event (following the expiration of the grace period set forth at Section 31(a)(ii) above); provided however, Defaulting Party shall have the right to withhold any amounts disputed in good faith until the settlement of any such dispute; or

(iii) If Defaulting Party breaches any material provision, agreement or obligation under this Agreement, that is not cured within sixty (60) days after notice of such Termination Event; provided, however, that if such Termination Event cannot be cured within such sixty (60) day period, but the Termination Event is capable of cure within a reasonable period of time which is acceptable to the Non-Defaulting Party, and Defaulting Party diligently pursues such cure, Defaulting Party shall be allowed such agreed upon time period to cure such Termination Event.

For avoidance of doubt, the Parties agree that compliance with this Section 31(d) shall be the sole means by which a Party can seek to terminate this Agreement. Furthermore, notwithstanding anything herein to the contrary, the Non-Defaulting Party shall continue to perform all of its obligations under this Agreement until a court of competent jurisdiction

determines, in a final and non-appealable order, that the Non-Defaulting Party may terminate this Agreement.

(e) Cumulative Rights. The remedies heretofore described in this Section 31 shall be in addition to any other remedy the Non-Defaulting Party may have at law or in equity in the event of an Event of Default, including without limitation:

(i) An action to recover monies then due and owing from the Defaulting Party, together with interest thereon at the Default Rate, from the date on which such monies were due;

(ii) An action for specific performance of non-monetary covenants and agreements on the part of the Defaulting Party; and/or

(iii) An action for recovery of all actual losses, costs and reasonable attorneys' fees incurred by the Non-Defaulting Party in connection with, arising out of or in any way related to the Default.

(e) Non-Relocation Default. In the event ANLBC allows a Non-Relocation Default to occur beyond any applicable cure periods, the County shall have, in addition to the remedies set forth above, all other remedies set forth in the Non-Relocation Agreement.

(f) Spring Training Default. Notwithstanding the provisions set forth in this Section 31, in no event may this Agreement be terminated during Spring Training.

32. Dispute Resolution. The Parties acknowledge that their rights and responsibilities under this Agreement involve coordination and cooperation with respect to the use and operation of as well as Capital Maintenance and Repairs to the Facility and the Facility Site. The Parties agree to undertake commercially reasonable measures to attempt to settle any dispute or controversy that may arise between them regarding any provision or obligation set forth in this Agreement by non-binding mediation prior to filing any lawsuit related to this Agreement.

33. Status of Parties. The Parties hereto shall be deemed and construed as independent contractors for all purposes and not as the agent, employee, representative or servant of the other.

34. No Waiver or Breach. No failure of either Party to insist upon exact compliance with the terms and, provisions herein contained shall be deemed or construed as a waiver of any subsequent breach of this Agreement.

WHEREAS, there are additional benefits specific to the City in the event that the City Contribution is paid as a lump sum payment, which benefits include but are not limited to the following: (i) eliminates the City's need to budget for the City Contribution payments over the next thirty (30) years during unknown market conditions (which allows for the City to better allocate financial resources within the current and/or upcoming fiscal year); (ii) increases the City's future borrowing capacity by eliminating the City's annual payment; (iii) prevents the potential effect of binding future City Commissions relative to the provision of the City Contribution over the next thirty (30) years; and (iv) reduces City staff resources needed to coordinate the payment of the City Contribution semi-annually over the next thirty (30) years; and

WHEREAS, due to financial economies and other efficiencies gained by WVID not issuing the portion of the WVID Bonds secured by the City Contribution provided over a term of thirty (30) years, the Parties now desire for the City Contribution to instead be made a lump sum contribution to WVID in the amount of Four Million Seven Hundred Thousand Dollars (\$4,700,000.00); and

WHEREAS, the terms and conditions of the State Contribution, the County Contribution, the Developer Contribution, and the ANLBC Contribution are more particularly set forth in that certain *Development Agreement* by and between the County, the City, WVID, the Developer, the Developer Guarantor, and ANLBC that has been executed or is to be executed by such parties (hereinafter, the "**Development Agreement**"); and

WHEREAS, the terms and conditions of the State Contribution are more particularly set forth in the *Development Agreement* and that certain *Spring Training Program Agreement* by and between the State and WVID that has been executed or is to be executed by such parties (hereinafter, the "**Spring Training Program Agreement**"); and

WHEREAS, in accordance with intent of the Term Sheet, WVID and the City desire to enter into this Interlocal Agreement to set forth the rights, duties and obligations of the Parties hereto relative to the provision of the City Contribution.

NOW, THEREFORE, in consideration of the recitals, agreements, and mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Parties, the Parties agree as follows:

SECTION 1. RECITALS; DEFINED TERMS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Interlocal Agreement.

SECTION 2. PROVISION OF THE CITY CONTRIBUTION.

Notwithstanding anything to the contrary in the Term Sheet, the City acknowledges and agrees that it shall partially provide for the funding of the design and construction of the Facility by contributing a lump sum payment to WVID in the amount of Four Million Seven Hundred Thousand Dollars (\$4,700,000.00). Such amount shall be due and payable to WVID in one or more installments, but paid in full no later than the earlier of: (i) the Target Funding Date; or (ii) if the WVID Bonds have not yet been issued as of such date, upon WVID's receipt of the Temporary Funding. Beyond the City Contribution, other than as a result of a default of its obligations hereunder, the City shall have no additional financial or other liability relative to the Facility Funding Obligation.
- B. Upon receipt, WVID shall deposit the proceeds of the City Contribution in the applicable construction account held by a trustee on behalf of WVID pursuant to a custodian agreement, all in accordance with the Development Agreement for use in financing the costs relative to the design and construction of the Facility. WVID may utilize such funds in the manner set forth in the Development Agreement.
- C. If, as of the Target Funding Date, all Conditions Precedent (hereinafter defined) have been met pursuant to Section 3(A) below, and the City fails to make its payment of the City Contribution, WVID shall provide immediate notice of such default to all of the Parties to the Development Agreement, and WVID shall have the option to terminate this Interlocal Agreement as of the Target Funding Date (hereinafter, a "**Default Termination**").

SECTION 3. CONDITIONS PRECEDENT.

- A. The City's obligation to pay the City Contribution as contemplated herein and to take any other action required by this this Interlocal Agreement is hereby expressly contingent upon the satisfaction and occurrence of each of the following conditions (collectively the "**Conditions Precedent**") prior to the Target Funding Date:
 - i. The Stakeholders' approval and execution of the Development Agreement;
 - ii. WVID and the County's approval and execution of the County Interlocal Agreement;
 - iii. The State's award of the Spring Training Program Grant to WVID;
 - iv. WVID's issuance of bonds or other indebtedness secured by the Developer Contribution and the ANLBC Contribution; and

v. Receipt of the County Contribution by WVID.

Notwithstanding the foregoing, in the event that the Condition Precedent set forth in Section 3(A)(iv) above has not occurred on or before the Target Funding Date, such Condition Precedent shall be deemed to have been met so long as WVID secures the Temporary Funding by such date.

- B.** Should any of the foregoing conditions have not been satisfied by the Target Funding Date, the City may terminate this Interlocal Agreement by written Notice to WVID and the parties to the Development Agreement, termination to be effective immediately upon issuance of said Notice.

SECTION 4. REFUND.

- A.** WVID shall refund to the City the full amount of the City Contribution if any party terminates the Development Agreement, but only to the extent that WVID is able to recover liquidated damages from ANLBC pursuant to Section 5.2 of the Non-Relocation Agreement which are allocable to the City Contribution. In case of any such termination, WVID agrees to pursue all legal means for all remedies available at law to recover damages from ANLBC.

The County is obligated to make net bond proceeds of \$21,262,000.00 (or similar alternative financing) available on the Funding Date. The County shall use its best efforts to close on the County Bonds on or before the Funding Date, provided that full funding will be made available on the Funding Date. The County Bonds will be issued as tax-exempt obligations.
- (b) WVID Funding Obligations. WVID shall issue the State Sales Tax Payments Bonds and the WVID Debt for the purpose of meeting its obligation to partially fund the cost of the design and construction of the Facility in accordance with the Program set forth in the Development Agreement. - (g) WVID will take no action or omit to take an action that would reasonably be expected to jeopardize the tax-exempt status of the County Bonds. The County's bond counsel shall be consulted and shall have final decision making authority with respect to the interpretation of the terms of the tax certificate and the application of federal tax law to the County Bonds.
- (h) County and WVID each agree to assign their respective rights to collect ANLBC's Annual Fee under the Facility Operating Agreement and hereunder to the Trustee of the bonds issued or other indebtedness secured by the ANLBC Contribution; provided, however, that such assignment is contingent on the issuance of the WVID Debt. The Annual Fee shall be used to secure and pay debt service on the WVID Debt and for no other purpose.
- (i) Deposits into the Capital Maintenance Fund. Deposits into the Capital Maintenance Fund as described in the Facility Operating Agreement made by the County and ANLBC shall be held by the County and shall not be transferred to the WVID or the Trustee and shall not be subject to a lien in connection with the WVID Debt or the State Sales Tax Payments Bonds.

- 6. Project Completion.** WVID has agreed to contract for (and or accept an assignment of contract(s) for) the design and construction of the Facility under the terms of the Development Agreement. WVID will ensure that no liens shall be placed on the Facility or Facility Site.
- 7. Asset Identification.** WVID and the County shall confer to establish asset identification procedures that will allow for the transfer of the Facility Site and Facility in a manner that will permit the County to book the asset by category for inventory and asset life purposes and for purposes of determining eligibility for funding from the Capital Maintenance Fund established under the Facility Operating Agreement. The asset identification procedures shall be agreed to by WVID and the County in a written instrument no later than December 31, 2017.
- 8. Boundary Survey.** Prior to Closing, WVID shall, at its expense (but payable from the Project Budget), have an updated boundary survey of the Facility Site prepared by a licensed Florida Land Surveyor that shows the external boundary of the Facility site as well as the boundary of any buildings or structures internal to the Facility Site. The survey shall be certified to WVID, the Developer, and the County. The Development Agreement shall govern any title or survey defects.
- 9. Governmental Charges.** All permit fees, assessments, line extension fees, utility fees, capacity fees and impact fees of any kind or nature incurred in connection with the construction of the Facility on the Facility Site shall be paid as addressed in the Development Agreement and the Drainage License Agreement.

- 11. Product Manuals and Maintenance Procedures Manual.** WVID shall cause the Construction Manager to assemble all product manuals within its possession and shall prepare a maintenance procedure manual (the "Maintenance Procedures Manual") for all systems and components of the Facility. Prior to Closing, WVID shall use its commercially reasonable best efforts cause the Construction Manager to deliver all such product manuals and the Maintenance Procedures Manual to the County.
- 12. Marketable Title.** WVID shall convey marketable title consistent with the terms of the Development Agreement.
- 13. Title Transfer.** Upon Substantial Completion of the Facility, and once the requirements set forth in sections 6- 12 herein have been satisfied, WVID and the County shall schedule a real estate closing with respect to the transfer of the title to the Facility Site and Facility from WVID to the County. The Closing shall be held in the Office of the County Attorney, 1660 Ringling Boulevard, Second Floor, Sarasota, Florida 34236 or at

a place designated by the County. Alternatively, the Closing may be conducted by delivery of documents in escrow accompanied by escrow instructions with an escrow agent mutually agreeable to WVID and the County. The date of the Closing shall be between five (5) and fifteen (15) days following the satisfactory completion of the preconditions to Closing set forth herein. At the Closing, WVID shall deliver a Special Warranty Deed for the Facility Site to the County together with all easements, if necessary, that are required to provide access to the Facility Site and utility easements required to serve the Facility Site and Facility. At the Closing, WVID shall deliver the Drainage License Agreement. WVID shall also deliver an Owner's Affidavit of No Liens to the County, bill of sale, closing statement, corrective instruments if any, closing agreement and any other documents reasonably requested by the County, as necessary to close the transaction and convey title in the condition required by Section 12 above. It is anticipated that the recording of the Special Warranty Deed and title transfer will be exempt from the levy of Documentary Stamp Taxes. In the event that Documentary Stamp Tax is owed on the transfer, WVID will pay the required tax. WVID shall pay to record any easements, the Drainage License Agreement, corrective instruments if any or other documents other than the Special Warranty Deed. The County shall pay to record the Special Warranty Deed.

- 14. Project Documents.** At the Closing, WVID shall provide to County, at no cost to the County, all site and development plans and permits, construction plans and permits, environmental and stormwater plans, reports and permits, and surveys within its possession, and such other documents within its possession as the County may reasonably request. WVID shall additionally use its best efforts to obtain and provide to County, at no cost to County, all site and development plans and permits, construction plans and permits, environmental and stormwater plans, reports and permits, and surveys not within its possession, and such other documents as the County may reasonably request.
- 15. Consultant Contracts; Construction Contracts; Warranties.** WVID shall comply with the Development Agreement, as it relates to all Consultant Contracts and Construction Contracts, including any warranties arising from the same.
- 16. Evidence of Payment.** WVID shall comply with the provisions of the Development Agreement, as it relates to evidence of payment.
- 17. Facility Operating Agreement.** Following recording of the Special Warranty Deed and transfer of the Facility and the Facility Site to the County, the County shall keep the Facility Operating Agreement in full force and effect, and shall use its best efforts to ensure that ANLBC shall occupy and use the Facility Site and Facility in accordance with the terms of the Facility Operating Agreement. The County, in conjunction with WVID, will enforce the terms of the Non-Relocation Agreement, if required, in order to make certain that ANLBC continues to occupy and use the Facility Site and Facility in accordance with the terms of the Non-Relocation Agreement.

18. Dispute Resolution.

- (a) In the event of a dispute between WVID and the County regarding the performance of the obligation contained herein, the dispute resolution provisions of the Development Agreement shall govern. This process shall substitute for the dispute resolution process set forth in Chapter 164, Florida Statutes.
- (b) This Agreement shall be construed and enforced in accordance with the laws of the State of Florida. The Parties hereby agree that venue and jurisdiction for all legal proceedings arising out of or relating to this Agreement shall be exclusively in the Circuit Court of the Twelfth Judicial Circuit in and for Sarasota County, Florida, and the parties irrevocably waive, to the fullest extent permitted by law, any objection which they may now or hereafter have to the venue of any such proceeding which is brought in such a court.
- (c) The parties agree to waive all rights to trial by jury for any litigation undertaken concerning this Agreement.

19. Force Majeure. Except for any payment obligation by either party, if either the County or WVID is unable to perform, or is delayed in its performance of any of its obligations under this Interlocal Agreement by reason of any event of Force Majeure, such inability or delay shall be excused at any time during which compliance therewith is prevented by such event and during such period thereafter as may be reasonably necessary for the County or WVID to correct the adverse effect of such event of Force Majeure.

An event of "Force Majeure" shall mean the following events or circumstances to the extent that they delay the County or WVID from performing any of its obligations (other than payment obligations) under this Interlocal Agreement: acts of God, natural disaster, accidents, fire or other casualty, earthquake, hurricane, tornadoes, named storms, flood, war, riot, intervention by civil or military authorities of government, insurrection, or other civil commotion, governmental action (except that, as to the County, governmental action shall exclude any governmental action or inaction with respect to the granting or withholding of any governmental approvals or permits needed for the development of the Facility within the control of the County), material shortages, industry wide strikes, boycotts, lockouts or labor disputes (including, without limitation, labor disputes involving MiLB (as defined in the Facility Operating Agreement) or MLB players that result in missed games), or any other similar or like event or occurrence beyond the reasonable control of a Party (or any Design Professional, Consultant, or Contractor, of any tier) hereto, that causes such Party to be delayed or hindered in, or prevented from, the performance of any covenant or obligation hereunder.

In order to be entitled to the benefit of this Section, a party claiming an event of Force Majeure shall be required to give prompt written notice to the other party specifying in detail the event of Force Majeure and shall further be required to diligently proceed to correct the adverse effect of any Force Majeure. The terms of this Section shall survive the termination of this Interlocal Agreement.

- 20. Entire Agreement.** This Interlocal Agreement embodies the entire understanding of the respective parties hereto regarding the subject matter hereof, and there are no further or other agreements or understandings, written or oral, in effect between parties relating to the subject matter hereof. This Interlocal Agreement may be amended or modified only by an instrument of equal formality executed by authorized representatives of the County and WVVD.
- 21. Severability.** If any provision of this Interlocal Agreement or any document incorporated by reference shall be held invalid, such invalidity shall not affect the other provisions of this Interlocal Agreement which can be given effect without the invalid provision, if such remainder conforms to the requirements of applicable law and the fundamental purpose of this Interlocal Agreement, and to this end the provisions of this Interlocal Agreement are declared to be severable.
- 22. Mutual Benefit.** This Interlocal Agreement is for the mutual benefit of the named parties only and nothing herein shall be construed as creating any right or cause of action to any party not specifically named herein nor shall any provision of this Interlocal Agreement be construed as constituting a waiver of sovereign immunity.
- 23. Radon Gas.** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department.
- 24. Effective Date.** This Interlocal Agreement shall become effective upon filing with the Clerk of the Circuit Court of Sarasota County.

**ADDENDUM TO AGREEMENTS
CONCERNING ANLBC FACILITY IN SARASOTA COUNTY**

This Addendum is made and entered into this 19th day of September, 2017. This Addendum is intended to supplement but not supplant the rights or remedies as a third-party beneficiary or otherwise of the State of Florida ("State"), Department of Economic Opportunity ("DEO") and their permitted successors and assigns under or by reason of the following agreements (hereinafter collectively referred to in this Addendum as the "Agreements"):

- 1) Non-Relocation Agreement dated May 22, 2017 by and between Sarasota County, Florida, a charter county and political subdivision of the State of Florida (hereinafter "County"), West Villages Improvement District, an independent special district created pursuant to Chapter 189, Florida Statutes and Chapter 2004-456, laws of Florida, Acts of 2004, as amended (hereinafter "WVID"), and Atlanta National League baseball Club, LLC, a Georgia limited liability company (hereinafter "ANLBC"), owner and operator of the Major League Baseball franchise known as the Atlanta Braves (hereinafter "Team");
- 2) Facility Operating Agreement dated May 22, 2017 by and between the County and ANLBC;
- 3) Interlocal Agreement Regarding Spring Training Stadium Financing Obligations dated July 27, 2017 by and between the City of North Port, Florida, a Florida municipal corporation (hereinafter "City") and WVID;
- 4) Interlocal Agreement to be executed prior to the execution of this Addendum by and between the County and WVID; and
- 5) Any other Agreement with respect to the Spring Training Facility described in the Letter of Intent and Term Sheet dated as of March 7, 2017 by and between the County, the City, WVID, Manasota Beach Ranchlands, LLLP (hereinafter "Developer"), Calben (US) Corporation (hereinafter "Developer Guarantor"), and ANLBC, as approved and further described in Resolution No. 2017-074 of the Board of County Commissioners of Sarasota County, Florida dated May 23, 2017.

WHEREAS, the purpose of section 288.11631, Florida Statutes, is to provide a process for the retention of spring training baseball franchises within the State;

WHEREAS, the parties to the Agreements acknowledge that the amount of State incentive funding is based on the Team's continual use of the Facility for the duration of the State incentive funding;

WHEREAS, the parties to the Agreements acknowledge that the purpose of this Addendum is to ensure that the Agreements continuously meet the requirements of section 288.11631, Florida Statutes, and that DEO can properly and responsibly act as the steward of State funds; and

WHEREAS, the parties to the Agreements acknowledge that the Agreements contain provisions designed to establish business, operational and other obligations and rights not directly related to section 288.11631, Florida Statutes or this Addendum, which provisions are not intended to be modified or affected by this Addendum except to the extent that they limit any rights or remedies of the State or DEO as provided for in this Addendum.

NOW THEREFORE, in consideration of the premises and mutual covenants and obligations herein contained, and in order to induce DEO to certify Applicant pursuant to section 288.11631, Florida Statutes, the parties to the Agreements agree to sign this Addendum as a condition precedent to State's certification and funding, and covenant as follows:

I. DEFINITIONS

Except as otherwise set forth herein, the definitions set forth in the Agreements shall not apply to this Addendum and the definitions set forth in this Addendum shall not apply to the Agreements. The definitions that shall apply to this Addendum are included in Exhibit "A" attached hereto and incorporated herein. All words used herein shall be defined as they are ordinarily used, unless otherwise defined in this Addendum.

II. TERMS AND CONDITIONS

In accordance with the last sentence of paragraph 3.2 page 4 of the Non-Relocation Agreement dated May 22, 2017, ANLBC is obligated to exhibit, promote, schedule and play or conduct at least eighty percent (80%) or fifteen (15) Major League Spring Training Home Games per season (whichever is greater) in the main stadium of the Facility, between the Team and another Major League Club, with at least two (2) such Major League Spring Training Home Games scheduled to begin after 6:00 pm, subject to Major League Baseball Rules and Regulations. DEO may excuse ANLBC in writing from the obligation of this immediately preceding sentence (with or without a Compensatory Prorated Fee as further described below); but if not, then at DEO's sole and absolute discretion, DEO can unilaterally determine and notify ANLBC in writing that ANLBC breached its obligation and owes immediate payment to the State of the total amount of the State distributions due and payable through the final maturity of the Bonds.

Provided, however, that if Force Majeure or Major League Baseball causes ANLBC and Team to play less than fifty percent (50%) of the Major League Spring Training Home Games at the Facility during each Spring Training Season, then the Agreements shall be automatically extended beyond their Term for one additional full Spring Training Season.

The Compensatory Prorated Fee shall be determined as follows: State's yearly distribution applicable to Spring Training Season multiplied by the fraction obtained by dividing the number of missed Major League Spring Training Home Games (up to 15 games) by 15 yearly Major League Spring Training Home Games. For example: with 2 unexcused missed Major League Spring Training Home Games

in a Spring Training Season, and State paying \$1,000,000 per year, ANLBC would owe state \$1,000,000 x (2/15) = \$133,333.

III. STATE OF FLORIDA AS THIRD PARTY BENEFICIARY

The State of Florida, by and through DEO and DEO's successors and assigns, is an intended third party beneficiary of this Addendum. The State and DEO shall have standing in any action at law or in equity relating to, and/or to seek and/or compel performance of, the obligations this Addendum imposes. DEO shall have the right to enforce any reimbursement obligations owed to the State as the same are set forth herein or in law. This Addendum shall in no way limit any additional legal rights or remedies that the State or DEO may have with the Agreements or otherwise.

IV. ORDER OF PRIORITY

In the event of a conflict between the terms of this Addendum and the Agreements relating specifically to a right, obligation or remedy benefitting DEO which arises from section 288.11631, Florida Statutes or this Addendum, the terms of this Addendum shall take precedence and shall control over any other terms of the Agreements, including any terms added to, amended in, or removed from the Agreements after the effective date of this Addendum; provided that this provision shall not be interpreted so as to release or modify any obligation, right or remedy provided in the Agreement which is in addition to those provided to DEO or the State under section 288.11631, Florida Statutes or this Addendum. This Addendum may not be modified or amended, either directly or indirectly, without the prior written consent of the parties and DEO's Executive Director or DEO's Executive Director's successor in interest. If any modification or amendment is made to either the Agreement or this Addendum without DEO's prior written consent, and such modification or amendment has any adverse effect on DEO's rights under this Addendum, such portion of that modification or amendment that has such adverse effect shall be void ab initio and ineffective. The Addendum's recitals are incorporated herein and made a part hereof by this reference. Any duplication of this Addendum with the terms and provisions of the Agreements shall be construed as intentional.

IN WITNESS WHEREOF, this Addendum, has been executed by duly authorized officers of ANLBC, the County, the City, WVID, Developer, Developer Guarantor, and DEO, each of whom hereby represents and warrants that she or he has the full power and authority to execute this Addendum in such capacity, all as of the day and year first above written.

3. Economic Impact Analysis

Pursuant to Section 4(h)(3) of the *Spring Training Program Agreement*, Number SB-18-006, dated December 11, 2017 (the “Agreement”) entered into by and between the Florida Department of Economic Opportunity and the West Villages Improvement District (“WVID”), WVID is required to provide a cost-benefit analysis of the stadium facility’s impact on Sarasota County (the “County”). This cost-benefit analysis must be substantially similar in content and format to that certain *2009 Major League Baseball Florida Spring Training Economic Impact Study* except that its scope shall be limited to the impact on the County.

Spring Training activities are vital to the economic health of the City of North Port, Florida, Sarasota County, Florida, and surrounding jurisdictions. In order to demonstrate this impact, the following economic impact analysis has been extrapolated utilizing methodologies established in the *2009 Major League Baseball Florida Spring Training Economic Impact Study Report* published in June 2009 and prepared by the Florida Sports Foundation and Bonn Marking Research Group, Inc. The information contained herein represents the estimated economic impact to Sarasota County as a result of spending associated with the Atlanta Braves Spring Training games taking place in North Port, Florida in 2023.

Total economic impact is calculated by aggregating total direct, indirect, and induced spending resulting from the Atlanta Braves Spring Training games in 2023.³ Thus, the total estimated economic impact from the Atlanta Braves Spring Training games held in 2023 totals \$116,714,080.39.

Types of Effects/Spending:

1. **Direct Effects-** Spring Training-related expenditures related to attendee spending, MLB teams, and stadium and concessionaire operating expenditures.
2. **Indirect Effects-** the secondary impact caused by changing input of needs of directly affected industries.
3. **Induced Effects-** the changes in household spending due to additional employment generated

³ Note, however, that this analysis does not take into account the impact on labor income and employment in Sarasota County as a result of the Atlanta Braves’ Spring Training activities.

Atlanta Braves Spring Training Season	Total Attendance	Number of Home Games	Average Attendance per Home Game	Total Direct Spending	Total Economic Impact
2023	100,742	17	Attendance/ Games	\$68,735,007.80	\$116,714,080.39

Types of Attendees at Atlanta Braves Spring Training Games:

1. **Out-of-State Primary Purpose-** this indicates a visiting party from outside of Florida that came to Sarasota County expressly for Atlanta Braves Spring Training games.
2. **Out-of-State Other Purpose-** this indicates a visiting party from outside of Florida that came to Sarasota County for another purpose, but attended Atlanta Braves Spring Training games.
3. **Non-County Primary Purpose-** this indicates attendance from another County in Florida that visited Sarasota County expressly for Atlanta Braves Spring Training games.
4. **Non-County Other Purpose-** this indicates attendance from another County in Florida that came to Sarasota County for another purpose, but attended Atlanta Braves Spring Training games.
5. **Local-** this indicates attendance from a resident of Sarasota County.
