OFFICE OF ECONOMIC AND DEMOGRAPHIC RESEARCH

June 27, 2012

Hunting F. Deutsch, Executive Director
Florida Department of Economic Opportunity
Caldwell Building
107 E Madison Street
Tallahassee, FL 32399-4120

Dear Executive Director Deutsch:

As required by s. 380.06 (29)(a), Florida Statutes, I have enclosed the list of jurisdictions that meet the population and density criteria. Please note that this listing does not address the urban service area criteria.

This year, the Florida Legislative Office of Economic and Demographic Research calculated the population and density criteria using the 2010 land area data from the 2010 Census, conducted by the U.S. Department of Commerce, U.S. Census Bureau, and the latest available population estimates determined pursuant to s. 186.901, F.S. In addition, our office included reported annexations or contractions in order to determine the population density using new jurisdictional boundaries as recorded in accordance with s. 171.091, F.S.

Please let us know if you have any questions regarding the attached list of jurisdictions.

Sincerely,

Amy J. Baker
Coordinator

cc: Mike Haridopolos, President, Florida Senate
Dean Cannon, Speaker, Florida House of Representatives
