FLORIDA COMMISSION ON OFFENDER REVIEW PAY ADDITIVES REQUEST FOR FY 2015-2016

Section 110.2035(7)(b), Florida Statutes, requires each state agency to include in its annual legislative budget request a proposed written plan for implementing temporary special duties – general pay additives for the next fiscal year. The agency is not requesting any additional rate or appropriations for these additives.

In accordance with previous rule authority in 60L-32.0012, Florida Administrative Code, the Commission has used existing rate and salary appropriations to grant pay additives when warranted based on the duties and responsibilities of the position. The requested additives are justified for reasons such as additional assigned duties and responsibilities not customarily assigned to the position when another position becomes vacant.

Pay additives are a valuable management tool which allows agencies to recognize and compensate employees for identified duties without providing a permanent pay increase.

Temporary Special Duty

The agency requests approval to continue to grant a 10% pay additive to Commission Investigator or Commission Investigator Supervisors who perform additional duties as Regional Administrators.

1. Justification:

The Division of Operations has 42 Commission Investigator positions, 4 Commission Investigator Supervisor positions and 5 Regional Administrator positions located in the field. A Regional Administrator vacancy creates a region without supervision. A Commission Investigator or Commission Investigator Supervisor will be given additional duties of regional supervision until the position has been filled.

2. Length of time additive will be used:

The additive will not be used more than 90 days at any given occurrence.

3. Classes and number of positions affected:

Class Code	Class Title	# of FTE
8127	Commission Investigator	1
8133	Commission Investigator Supervisor	1

4. Area impacted:

This additive will impact employees statewide.

5. Historical data:

This pay additive was last used in June 2013.

6. Estimated cost of this additive:

Based on a base salary for a Commission Investigator, the calculation is as follows: $$35,113.80 \times 10\% = $3,511.38 \times 1 \text{ position} = $3,511.38 \times .25 \text{ year} (90 \text{ days}) = 877.85 . Based on a base salary for a Commission Investigator Supervisor, the calculation is as follows: $$38,885.64 \times 10\% = $3,888.56 \times 1 \text{ position} = $3,888.56 \times .25 \text{ year} (90 \text{ days}) = 972.14 . The Commission is not requesting any additional rate or appropriations for this additive.
