

THE FLORIDA LEGISLATURE

OFFICE OF ECONOMIC AND DEMOGRAPHIC RESEARCH

2023 JUN 22 AM 11:17
DEO
OFFICE OF THE SECRETARY

KATHLEEN PASSIDOMO
President of the Senate

PAUL RENNER
Speaker of the House of Representatives

June 22, 2023

Alex Kelly, Secretary
Florida Department of Economic Opportunity
Caldwell Building
107 E. Madison Street
Tallahassee, FL 32399-4120

Dear Secretary Kelly:

As required by s. 380.0651 (3)(a), Florida Statutes, I have enclosed the 2022 report displaying the list of jurisdictions that meet the population and density criteria related to exemptions for dense urban land areas. Please note that this listing does not address the urban service area criteria.

This year, the Legislative Office of Economic and Demographic Research calculated the population and density criteria using 2022 land area data from the U.S. Department of Commerce, U.S. Census Bureau, and the latest available population estimates (April 1, 2022) determined pursuant to s. 186.901, F.S. In addition, our office included reported annexations or contractions in order to determine the population density using new jurisdictional boundaries as recorded in accordance with s. 171.091, F.S.

As compared to last year's report, one jurisdiction has been added to the list for the first time; four jurisdictions have been re-added from a prior report, and one jurisdiction was removed from the list.

Action	Criteria			
	A	B	C	D
Added	Oakland	No Change	No Change	No Change
Re-added	Groveland, Palm Coast, Panama City, South Bay	No Change	No Change	No Change
Removed	Lake City	No Change	No Change	No Change

Please let us know if you have any questions regarding the attached lists.

Sincerely,

Amy J. Baker
Coordinator

cc: Kathleen Passidomo, President, Florida Senate
Paul Renner, Speaker, Florida House of Representatives

**Jurisdictions that Meet the Population and Density Criteria
Related to Exemptions for Dense Urban Land Areas as per s. 380.0651 (3)(a), F.S.**

A - Municipality that has an average of at least 1,000 people per square mile of land area and a minimum total population of at least 5,000
Altamonte Springs
Apopka
Arcadia
Atlantic Beach
Auburndale
Aventura
Bay Harbor Islands
Belle Glade
Belle Isle
Bellevue
Boca Raton
Bonita Springs
Boynton Beach
Bradenton
