COMMISSION**

Performance Measures for Private Court-Appointed Counsel

Fourth Quarter FY 2023-24

Pursuant to Section 27.405, Florida Statutes

Justice Administrative Commission
227 N Bronough Street
Suite 2100
Tallahassee, FL 32301
(850) 488-2415

Justice Administrative Commission
Executive Summary
Performance Measures for Private Court Appointed Counsel

The Justice Administrative Commission is charged with the responsibility of processing payments for due process services for court-appointed counsel. The Justice Administrative Commission is also responsible for providing quarterly reports regarding these expenditures in accordance with Florida Statutes and the General Appropriations Act.

REPORTING REQUIREMENTS -Section 27.405, Florida Statutes – Court appointed counsel; Justice Administrative Commission tracking and reporting.

(1) The Justice Administrative Commission shall separately track expenditures and performance measures for private court appointed counsel for each of the categories of criminal or civil cases in which private counsel may be appointed.

(2) The commission shall prepare and issue on a quarterly basis a statewide report comparing actual year-to-date expenditures to budget amounts for each of the judicial circuits. The commission shall prepare and issue on an annual basis a statewide report comparing performance measures for each of the judicial circuits. The commission shall distribute copies of the quarterly and annual reports to the Governor, the Chief Justice of the Supreme Court, the President of the Senate, and the Speaker of the House of Representatives.

REPORTS PROVIDED: Each report below is provided for Dependency and Civil Conflict Cases, as well as Criminal Conflict Cases.

1) **Number of Cases by Type** – This report includes the number of cases where private counsel was appointed and reported their appointment during the current quarter and appointments from prior periods reported in the current quarter by circuit and case description.

2) **Average Time to Complete Cases by Type** – This report shows the average days from appointment to disposition (completion of case) for cases paid during the quarter reported by circuit and case description.

3) **Case Counts and Total Costs by Circuit and Court Type** – This report reflects the total number of cases reported and total amount paid during the quarter by circuit and case type, such as Civil, Dependency, Guardianship, Mental Health.

4) **Case Counts and Total Costs by Circuit and Case Description** – This report reflects the total number of cases reported and total amount paid during the quarter by circuit and case description, such as Dependency, Developmentally Disabled Adult, Marchman Act/Substance abuse, TPR, etc.

5) **Percent of Invoices Filed Within 90 Days of Closure of Case** – This report includes the number of invoices reported within the quarter. The invoices are categorized in two columns, those that were billed to JAC within 90 days after disposition of the case or those that were billed greater than 90 days after disposition of the case. Corresponding percentages are provided.

Executive Summary
Performance Measures for Private Court Appointed Counsel

6) **Percent of Invoices Rejected** – This report includes the number of flat and hourly invoices accepted or rejected during the quarter reported. Rejected invoices include duplicate invoices, invoices with non-billable costs, invoice packages that were incomplete (audit deficiency issued) and invoices pending judicial review (letter of objection issued).

7) **Court Orders Directing Payment by Type** – This report reflects the number of court orders (Orders to Pay) received during the quarter and a total of the amounts authorized by the orders by circuit and case description. This report includes any payment that has a court order attached and is therefore not limited to court orders directing payments in excess of the statutory cap. For example, court orders may have been received and reported which directed payments to multiple attorneys appointed to the same case for a portion of the flat fee.

8) **Encumbrances** – This report includes encumbrances by case description and circuit. Encumbrances include unpaid invoices and cases reported during the quarter without invoices imputed at the flat rate.
