RULE NUMBER	TITLE	EXPLANATION	INTENDED TO:
69A-2	Explosives	The rules in 69A-2 are all more than 40 years old. While the Florida Statutes have not changed, federal law and rules and industry standards have changed and should be reviewed to determine whether this chapter needs to be updated. References in the rules to the Interstate Commerce Commission or the ICC need to be eliminated and replaced with applicable rules of the US Department of Transportation, which took over regulation of the transportation of explosive materials beginning in 1970. Its rules are contained in Title 49, ch. 51 of the Code of Federal Regulations.	A
69A-2.006	Storage; General	Subsection (5) needs to be amended to update the American Table of Distances from the 1955 revision to the "June 1991 edition which incorporates changes through October, 2011." The link to IME publications should be added.	A
69A-37.037	Firefighter Training Course Medical Examination	The Division should determine whether the 2007 edition of NFPA 1582-5.1 is the correct edition for this rule.	A
69A-37.039	Prescribed Forms for Training and Certification	Amend to include new forms referenced in 69A-37.065.	A
69A-37.065	Programs of Study and Vocational Courses	Amend to add an additional program, Florida Urban Search Rescue (FLSUAR) and Hazardous Materials Program.	B
69A-46.017	Required Continuing Education	Forms DFS-K3-1239 [subsection 6]] and DFS-K3-1240 [(subsection (8))] need to be amended to change s. 633.537 to s. 633.332, F.S.	A
69A-51.001	Scope	Subsection (3) refers to "the Authorized Shop Inspector." This phrase is not defined in law or rule. The rules need to be amended to either correct this phrase or define it in 69A-51.005.	A
69A-51.005	Definitions	Subsection (3) in 51.001 refers to "the Authorized Shop Inspector." This phrase is not defined in law or rule. That subsection will either be amended to correct this phrase or it will be defined here.	A
69A-51.010	Codes Adopted	Update the three books containing national codes as the State Boiler Code for the safe construction, installation, inspection, maintenance, and repair of boilers.	A, B
69A-51.040	Disciplinary Proceedings	Every section and subsection in this rule is redundant of the statutes implemented. The rule should be repealed.	E
69A-51.050	Inspection Requirements	Subsection (2)(e) states that Boiler Safety Program may, in its discretion, permit longer periods between certificate inspections. There is no statutory authority to do this, and the rule doesn't provide any basis for making this determination. Technical. Subsection (2)(e) should be deleted.	A, E

			A. Simplify or clarify B. Increase efficiency C. Improve coordination with other agencies D. Reduce regulatory costs; or E. Delete obsolete, unnecessary, or redundant rules

		This rule refers to the Chief Inspector, Deputy Inspector, Special Inspector, Authorized Inspector, inspector and inspector authorized to inspect. Other suggested changes would be to insert Authorized Inspector in subsection (1) in place of Chief, Deputy or Special Inspector; do the same in subsection (5); replace inspector with Authorized Inspector in subsection (6); replace "inspector authorized to inspect boilers" with Authorized Inspector in subsection (7); insert Authorized Inspector in subsection (9) in place of Chief, Deputy or Special Inspector; and insert Authorized in front of Inspector in (19)(a)4, 8 and 10.	
69A-57.003	Standards of the National Fire Protection Association Adopted	Determine whether reference to NFPA edition should be updated and whether the standard for a "slow" evacuation capability in subsection (1)(c) conflicts with 69A-57.005(3).	A
69A-57.004	Occupancy Capacity of Each AFCH	<p>The Adult Family Care Home Act defines "Resident" as "a person receiving room, board, and personal care in an adult family-care home." The rule diverges from the statute by basing occupancy on the number of occupants and defines occupant "as a resident of the AFCH" other than the provider's family. AHCA's rule, which is referenced in this rule, also uses the word "residents." The rule should be amended to conform to the law and the AHCA rule by using the word resident instead of occupant.</p> <p>Section 429.67(7), F.S., provides that "any relative who lives in the adult family-care home and who is a disabled adult or frail elder must be included in the limitation" of the number of residents. Relative means a relative of the provider who is licensed to operate the home.</p>	A
69A-57.005	Evacuation Capability	Subsections (3) and (4) in conjunction with 69A-57.003(1)(c) are confusing. It is not clear whether an AFCH that does not achieve an evaluation capability of prompt on the second fire exit drill no longer meets the required safety requirements even if it complied with the subdivisions of the NFPA cited in subsection (4). The rule should be amended to clarify these provisions.	A
69A-57.006	Fire Exit Drills	This rule requires that each AFCH achieve a capability of prompt evacuation without considering 69A-57.003(1)(c), which allows a "slow" capability if the AFCH complies with additional provisions of the NFPA. The rule should be amended to clarify evacuation capability requirements. Also, Form DFS-K3-1437 has a later revision date of 8/07.	A

			A. Simplify or clarify B. Increase efficiency C. Improve coordination with other agencies D. Reduce regulatory costs; or E. Delete obsolete, unnecessary, or redundant rules
69A-62.0001	Definitions	The definition of "Act" is limited to ss. 633.502-633.508, F.S., although Part V of ch. 633, F.S., continues on to 633.536, F.S. The definition of "fire department" does not include special-district fire service providers.	A
69A-62.021	Minimum Requirements for Firefighter Employer Comprehensive Safety and Health Program	The web link in (3)(d) does not work. Form DFS-K4-1569 adopted in (7)(b) contains an old effective date.	A
69A-62.030	Definitions	Determine why the definitions of fatality, hazard and illness in this rule differ from the definitions of the same words in 62.040.	A
69B-124.001	Definitions	Section 626.9551, F.S., was amended in 1999 to expand all of its requirements to any loan or extension of credit, not just mortgage transactions. The definitions of lender and borrower should be amended so that they are not limited to mortgages.	A
69B-124.002	Rights of Borrower	Review this rule to determine whether it should be repealed for lacking authority and extending the statute implemented.	E
69B-124.010	Substitution of Policies	The DFS authority is to adopt rules to identify specific methods of competition or acts or practices which are prohibited. This rule creates a right for consumers to change insurance policies. The words "at each anniversary" should be deleted from subsection (2). The lender may not charge a fee for changing, replacing, etc., the policy at any time. However, an exception was added to the law in 1999 in s. 626.9551(1)(c), F.S., that is not reflected in this subsection. Section 626.9551(1)(b), F.S., provides that a person may not unreasonably disapprove the insurance policy provided by a borrower. The rule could be rewritten to prohibit a lender from unreasonably disapproving the extension of the existing insurance policy in force or the substitution to, replacement of, or changes to the existing insurance policy in force. "Unreasonable" is essentially defined in the statute. Subsection (2) should be amended in accordance with the issues identified.	A
69B-124.011	Renewals; Selection and Approval	This rule is not necessary. Repeal this rule and simply add "renewal" into the list of actions included in 69B-124.010.	E
69B-124.013	Statement of Anti-Coercion; Form	Issue under 69B-124.002 above. In addition, if a form is to be adopted, this rule should be updated to reflect the additional provisions added to the law in 1999.	A
69B-124.014	Continuous or Prepaid Policies	This rule is limited to restricting the right of a mortgagor in the choice of insurer. The rule should be amended to say: "No lender may require a borrower to provide a continuous renewal insurance policy or three-year or more prepayment plan of	A

69B-124.015	Lender, Insurance Information	Subsection (1) is redundant to s. 626.9551(1)(d), F.S., as it existed when the rule was adopted in 1964. The law was amended in 1999. It no longer refers to disclosure that is detrimental to the borrower or is to the advantage of the lender. It applies to disclosure of any insurance information. The amendment also specifically addresses subsection (2) so (2) is redundant of the statute. This rule should be repealed. It does not reflect current law, and the issues are fully set forth in current law.	E
69B-124.016	Title Insurance	The statutes cited do not contain any reference to title insurance. In fact, the amendments in 1999 adopted subsection (3) that list sales of certain insurance products that are not subject to s. 626.9551. Title insurance sales are not included. If it is inappropriate for title insurance sales to be subject to the rule and law, the DFS should seek to amend to law to so state.	E

69B-151.201	Purpose and Scope	The history notes contain unnecessary references to Laws of Florida.	A
69B-151.202	Requirements	Subsection (1) is obsolete and redundant to the statutes Subsections (3), (4), and (5) apply only to insurers. Delete subsections (1), (3), (4), and (5).	A, E
69B-151.203	Adoption of Form OIR-D0-1180	The OIR bureau listed for obtaining the form does not exist anymore. Replace bureau name and address with weblink: www.flair.com/siteDocuments/OIR-D0-1180.pdf to obtain the form.	A
69B-153.001	Definitions	This rule chapter deals with the submission of false claims to insurers and HMOs. The subject of the rule chapter is in the jurisdiction of OIR.	E

69B-156.013	Permitted Compensation Arrangements	Repeal this rule. The rules in this Chapter were adopted originally by the Department of Insurance. Both OIR and DFS then adopted the rules. OIR has authority to adopt this rule. DFS does not.	E
69B-156.014	Required Disclosure Provisions	Repeal this rule. OIR has authority to adopt this rule. DFS does not. This rule only applies to issuers of Medicare supplement coverage.	E
69B-156.015	Requirement for Application Forms and Replacement Coverage	Repeal this rule. OIR has authority to adopt this rule. DFS does not. This rule only applies to issuers of Medicare supplement coverage.	E
69B-156.050	Separability	Repeal or change to severability if "any rule in this chapter" is held invalid rather than "any provision of this regulation." Also change "remainder of the regulation" to "remainder of the chapter."	A, E
69B-156.101	Purpose	These rules were adopted by the Department of Insurance in 1979. They have not been amended by DFS since the regulation of insurance companies and insurance agents was split between DFS and OIR in 2003. Section 626.016(3), F.S., provides that DFS has jurisdiction to enforce provisions of the Unfair Insurance Trade Practices Act with respect to persons who engage in actions for which a license issued by the department is legally required. OIR of course has jurisdiction to enforce the act with respect to insurance companies. OIR adopted identical rules in Chapter 69O-156. The rule chapter should be amended so that it applies to "insurance representatives" and not to insurers. Rules that apply strictly to insurers should be repealed. These rules will still exist as OIR rules.	A, E
69B-156.102	Applicability	It should be amended to say that these rules apply to advertisements disseminated by insurance representatives. Language regarding dissemination by insurers should be deleted.	A
69B-156.103	Definitions	"Insurance representatives" should be defined in 69B-156.103 and it would replace use of the phrase "agent, broker, producer, solicitor" throughout the chapter. Insurance representatives include insurance agencies, MGAs, customer representatives, and service representatives but not solicitors since that license has been repealed. Rules 69B-156.103(2) (a), (b), (c) and (e) should be deleted because	A, E

69B-213.060	Appointment of Customer Representative and Designation of Supervising Agent	<p>Subsections (1) and (2) should be deleted. Subsection (1) of the rule is redundant to the cited statute. Subsection (2) of the rule is redundant to section 626.112(1)(a), F.S. Section 626.7353 F.S., provides that "the department shall prescribe by rule forms to administer" the requirement that customer representatives be appointed by an agent or agency. This rule addresses the appointment process but does not adopt a form. Form DFS-H2-501 states that "the Department of Financial Services online appointment process, eAppoint, must be used for effectuating new appointments and may be accessed on the Department's website at http://www.fdfs.com/. This form is only to be used at the instruction of the department. If you have not already obtained approval to submit this form, please call us at (850) 413-3137. All forms submitted without prior approval will be returned." The weblink in Form 509 leads only to the DFS homepage, not to eAppoint. Subsection (3) should be amended to provide additional information on the appointment process, including a reference to Form DFS-H2-501 and to eAppoint.</p> <p>"Once approval has been granted you will need to forward this completed form along with any required fees to the department." Technical issue: Subsection (4) states that the form for designation of the supervising agent can be obtained from a MyFloridaCFO link but the address is not a weblink and if typed into a browser, it does not work. At the end of this subsection, a weblink is just hanging out with no indication of why it is there. However, clicking on this link does connect a user to the form. Subsection (4) should be amended to move the working weblink to replace the reference to MyFloridaCFO. Subsection (4)(b) is redundant to the definition of designated supervising agent in 69B-213.020. It should be deleted. The entire rule would be renumbered appropriately.</p>	A, E

RULE NUMBER	TITLE	EXPLANATION	INTENDED TO:
69B-213.070	Termination of Appointment or Supervision	Review whether subsection (4)(a) should be amended to refer to termination filing Form DFS-H2-39 or through eAppoint . Since 69B-213.060 requires agencies to designate the supervisory agent by filing a form with the Bureau, it would seem that subsection (5) should be amended to require the termination notice to be filed with the Bureau as well. Then all instances in which the subsection refers to "filed" or "filing" will make sense. In (5)(b)1., "agency's primary agent" should be changed to "agent in charge of the agency" since agencies do not have primary agents anymore.	A
69B-213.090	Duties of Appointing Agency	Amend these subsections in the same manner as recommended for 69B-213.060 and 69B-213.070.	A

Also strike ", and whether limited licensure or unlimited licensure."</p> <p>In subsection (5)(a), which states that emergency adjusters have to be provided with "proof of authority to represent the insurer." In subsection (5)(a), delete "insurer" at the end of the very lengthy second sentence and insert "appointing entity or person."</p> <p>Subsection (6)(b) should be deleted because there is only one licensure type and class - all-lines.</p> <p>Delete 626.858, F.S., from law implemented. The rule also includes a sentence applicable to all bail bond agents stating that they must charge the rate approved by the OIR. The form number has been changed to DFS-H2-503 and was last revised in 10/07. Amend the title of the rule to: Rate Filings by Professional Bail Bond Agents. Amend the rule to specify in the first sentence that the rates referred to are professional bail bond agent rates. Amend the rule to delete the last sentence relating to charging approved rates and not advertising reduced rates. Charging premium based on approved rates is covered in 69B-221.105 and not advertising reduced rates is prohibited by s. 648.44(6)(c), F.S. In law implemented, s. 717.134, F.S., should be deleted because the rule does not implement penalties for reporting violations. Also, unclaimed property was previously called abandoned property. The title to this rule and subsections (1), (4), including the names of the forms adopted, and (6) should be amended to replace "abandoned" with "unclaimed."	A

Also, the rule provides a 5/3/10 effective date for the Unclaimed Property Reporting Instructions Manual. The Manual states that it was revised on 1/1/14. Amend rule to provide latest effective date and to say that the manual can be found on the DFS website, instead of a physical street address.	A

69J-176.022	Mediation of Bodily Injury and Property Damage Claims	The request for mediation form has been renumbered as DFS-I0-510 and was revised in 08/12. The revision eliminated the space formerly used by the mediator to report the results of the mediation pursuant to 69B-176.022(8)(a). The mediator application form (DFS-H2-591) was revised in 10/02. This form does not contain the disclosure regarding the use of social security numbers. The mediator invoice form has been renumbered as DFS-I0-1121 and was revised in 09/05. 69K-11.003	Citations	Subsection (2)(a) refers to "registrant." This should be deleted. Add (1) to s. 497.155, F.S., in the rulemaking authority and the law implemented.	E
69K-12.001	Installation of Monuments	Subsection (11), which states that a cemetery cannot require a monument installer to have insurance, is no longer valid. The law implemented, s. 497.278, F.S., was amended in 2010 to allow cemeteries to require any person or firm that delivers, installs, places, or sets a monument to show proof of liability insurance coverage and, if required by law, workers' compensation insurance coverage. Adopt a new rule and forms to implement s. 497.553(6), F.S., regarding changes in ownership and changes in location of monument establishments. This can be corrected by simply deleting the rule because the valid parts of it are redundant of the statute, s. 497.278(3), F.S.	A, E
69K-12.002	Procedure for Licensing a Monument Establishment	Form DFS-C-MON1 was revised in 7/2012. 69K-16.002	Examination for Funeral Director Applicants	Subsection (2) requires applicants to pass the National Board Examination on funeral service arts and funeral service science; however, the statute provides that the department can require passage only of the NBE exam on funeral service arts, not funeral service science. 69K-22.004	Operating Procedures	Subsection 497.606(9)(a), F.S., provides that standards for refrigeration and storage of dead human bodies shall be established by rule. This rule chapter does not establish such standards. Subsection (2) of the rule is redundant of s. 497.606(9)(b), F.S., and should be deleted. Subsection (4) of the rule may be in conflict with 497.606(9)(g), F.S., which states that human remains shall not be placed in a cremation chamber unless the remains are in an alternative container. The rule does not address the requirement in s. 497.606(9)(j), F.S., that cinerator facilities file a periodic report of names of persons cremated, date and county of death, etc. Amend the rule to add a new subsection (8) to reference applicable form. 69K-23.004	Direct Disposal Establishments	The application form and fee needs to be added. The information to be contained in the application is redundant of the law. Subsection (2) needs to be amended because many additional licensure requirements were added to s. 497.604, F.S., in 2004 that have not been addressed in the rule. Form numbers need to be added to rules regarding notices of changes. Also, some forms apparently need to be adopted. Subsection (7) of section 497.604, F.S., was created in 2004 to require each licensee to provide notice as required by rule prior to any change in location or control of the licensee or licensed person in charge of the licensee's operations.
