Dear Governor Scott:

Senate Bill 1194, which was passed during the 2014 Legislative Session and became law as Chapter 2014-06, L.O.F., provided requirements for each agency to submit a report relating to citizen support organizations and direct-support organizations. These provisions are located in s. 20.058, F.S.

By August 15<sup>th</sup> of each year, each agency is required to submit a report containing information provided by and recommendations related to its citizen support organizations and direct-support organizations. There are no citizen support organizations or direct-support organizations created, approved, or administered by the Department of Business and Professional Regulation on which to report.

If you have any questions, please contact me or Legislative Affairs Director Dan Olson at (850) 487-4827.

Sincerely,

Ruth Bizzell Dillard
