Dear Governor Scott, President Gardiner, Speaker Crisafulli and Dr. Twogood:

Pursuant to section 20.058, Florida Statutes, by August 15 of each year, agencies are required to report citizen support and direct-support organization information to the Governor, the Legislature, and the Office of Program Policy Analysis and Government Accountability, and to provide a recommendation on whether to continue, terminate or modify the agency's association with the organization. The Department of Management Services has not created and does not approve or administer any citizen support or direct-support organization, nor do we receive information from these organizations.
