#### **Issuing Authority:**

The Florida PDMP Foundation, Inc. (Foundation) was established by the Florida Legislature in 2009 with the adoption of section 893.055(11), Florida Statutes (F.S.). It is a Direct Support Organization under contract with the Florida Department of Health. During the 2017 legislative session the law was amended to continue the Foundation's operation from 2017 to October 2027. It is a not-for-profit corporation created under Chapter 617, F.S. and is organized and operated as a tax-exempt organization under section 501(c)3 of the Internal Revenue Code. Its board, of up to 11 members, is appointed by the State Surgeon General. The business of the Foundation is managed by the Board of Directors and its executive director.

#### Mission:

The mission of the Florida PDMP Foundation, Inc. is to conduct fundraising for the benefit of the Prescription Drug Monitoring Program (PDMP) to reduce prescription drug abuse, fraud and diversion.

#### Results:

Since its formation, the Foundation has been very active seeking support for the PDMP, known as EFORCSE (Electronic-Florida Online Reporting of Controlled Substances Evaluation). At the end of its fiscal year 2016-2017, the Foundation had assets of over \$1.556M in private and corporate contributions. Of these funds, \$1.502M is the remainder of a restricted donation for E-FORCSE administration from the State Attorney General. These monies were part of the CVS/Caremark Medicare billing fraud settlement with the state of Florida. With the approval of the attorney general to place funds in certificates of deposit, the Foundation moved \$1.45M from a business savings account to a Wells Fargo Bank brokerage account. Since January 2016, the bank's financial advisers have purchased FDIC protected CDs to receive higher interest rates of return. The interest earned since investing in CDs totaled over \$11,000. The remainder of the restricted funds are in the business savings account. The remaining restricted settlement funds are designated to support the PDMP database operations in the event state of Florida general revenue funds currently supporting the program are discontinued. As part of its yearly fund-raising campaign, the Foundation has received over \$23,000 in contributions to support its operations and to provide funds for supplemental E-FORCSE promotional programs.

## **Background:**

The PDMP Foundation executive director and board members continue to actively seek major gift contributions from corporations, professional associations, businesses and law enforcement agencies as private funds for the sustainability of E-FORCSE and Foundation operations. Marketing and branding the PDMP continued with the Foundation representatives attending major conferences and trade shows. These included the Florida Sheriffs Association, Florida Police Chiefs Association, Florida

Podiatric Medical Association, Florida Osteopathic Medical Association, Florida Society of Association Executives, Florida Pharmacy Association, Florida Chapter of Emergency Physicians, Florida Society of Interventional Pain Physicians and Florida Academy of Pain Medicine. The Foundation staff also met with the Drug Free America Foundation to discuss possible funding avenues to help support the PDMP.

The Foundation also continued its yearly sustaining member campaign which targets past and potential new donors. This included contacts with the 67 county sheriff's offices and over 300 police chiefs. The Foundation extended the contract of its part-time executive director. Bob Macdonald will continue in that position through FY 2017-2018.

## **Three Year Strategic Plan:**

The following is an overview of the Foundation's short-range strategic plan:

## In FY 2017-2018 the Foundation will be involved in the following activities to meet its goals and objectives:

- 1) Providing recommendations of persons to fill vacant board of directors' seats to the State Surgeon General to include individuals representing major healthcare corporations, professional association and law enforcement agencies that support E-FORCSE ideals.
- 2) Continuing to work with Wells Fargo Bank wealth brokerage services to increase the Foundation investment portfolio to ensure that there are sufficient funds for future E-FORCSE operations when needed to sustain the state PDMP database.
- 3) Maintaining a strong annual giving campaign with past donors and potential new supporters to encourage them to provide funding for Foundation operations.
- 4) Continuing to brand E-FORCSE with health care practitioners, local government officials and law enforcement agencies through continued presence at major conferences and trade shows.
- 5) Continue to cultivate corporate and business target markets to include the Florida Retail Federation, Associated Industries of Florida and the Florida Chamber of Commerce.
- 6) Increase promotion of the Foundation and E-FORCSE activities on social media via SEO programs.
- 7) Finalizing a PDMP online course in conjunction with the FMA to promote to all heath care practitioners eligible to use the E-FORCSE database.
- 8) Continue to increase the Foundation board's involvement in fundraising activities through regular conference calls and live meetings and establishment of various action committees.
- 9) Seek approval from the Attorney General to use a portion of the settlement funds for Foundation operations.
- 10) Continue to attend key professional association and law enforcement conferences to promote the PDMP and to encourage support for the program.

#### In FY 2018-2019 the Foundation will be involved with:

- 1) Continuing to seek annual contributions from past and targeted donors and organizations and political candidates from excess campaign funds.
- 2) Continuing to fill board positions which become vacant with key diverse professional and corporate representatives.

- 3) Continuing to market the PDMP online course.
- 4) Identifying key corporations to seek major gifts for the Foundation's operations.
- 5) Continuing branding of PDMP at state conferences and trade shows.
- 6) Provide funds as necessary to assist with E-FORCSE operations.
- 7) Continue to manage the restricted settlement funds' investments.

#### In FY 2019-2020 the Foundation will be involved with:

- 1) Continuing annual and corporate campaigns seeking funds from past donors and targeted new prospects and political candidates from excess campaign funds.
- 2) Developing special events at professional association conventions and trade shows to raise funds and awareness for the need for private support for E-FORCSE sustainability.
- 3) Continuing to promote and market the PDMP course to practitioners throughout the state.
- 4) Continuing promotion of PDMP at conferences and trade shows.
- 5) Continuing to provide financial support to DOH for E-FORCSE operations, as requested.
- 6) Filling board vacancies with key individuals supportive of the program.
