#### **Issuing Authority:**

The Florida PDMP Foundation, Inc. (Foundation) was established by the Florida Legislature in 2009 with the adoption of section 893.055(11), Florida Statutes (F.S.) The statute was amended by the legislature in 2018 as 893.055 (15). It is a Direct Support Organization under contract with the Florida Department of Health. During the 2017 legislative session the law was amended to continue the foundation's operation from October 2017 to October 2027. It is a not-for-profit corporation created under Chapter 617, F.S. and is organized and operated as a tax-exempt organization under section 501(c)3 of the Internal Revenue Code. Its board, of up to 11 members, is appointed by the State Surgeon General. The business of the Foundation is managed by the Board of Directors and its executive director.

#### Mission:

The mission of the Florida PDMP Foundation, Inc. is to provide assistance, funding, and promotional support for activities authorized for the prescription drug monitoring program.

#### Results:

Since its formation, the Foundation has raised over \$2.9M in supplemental funds for the state's PDMP. It has also been very active in assisting through education and promotional programs support for the PDMP, known as EFORCSE (Electronic-Florida Online Reporting of Controlled Substances Evaluation).

At the end of its fiscal year 2017-2018, the Foundation had assets of over \$1.510M in private and corporate contributions. Of these funds, \$1.501M is the remainder plus interest earned of a restricted donation for E-FORCSE administration from the state Attorney General. These monies were part of the CVS/Caremark Medicare billing fraud settlement with the state of Florida.

With the approval of the attorney general \$1.45M in settlement funds were placed in certificates of deposit through Wells Fargo Wealth Brokerage Services. Since January 2016, the bank's financial advisers have purchased FDIC protected CDs to receive higher interest rates of return. The interest earned since investing in CDs totaled over \$32,500. Currently, there is \$1,469,807 in the foundation's brokerage account. The remaining restricted settlement funds of \$36,852 are in a business savings account.

The foundation board of directors has recommended to the Attorney General revisions to the Memorandum of Understanding for use of the settlement funds to allow these monies to be directed at implementation of sections a. – g. of Chapter 893.055 (15) as amended. This would provide supplemental funding for projects and programs not covered in annual state appropriations for the PDMP's operations.

#### **Background:**

The PDMP Foundation executive director and board members continue to actively seek major gift contributions from corporations, professional associations, businesses and law enforcement agencies as private funds for the sustainability of E-FORCSE and foundation operations. Marketing and branding the PDMP continued with foundation representatives attending major conferences and trade shows. These included the Florida Sheriffs Association, Florida Police Chiefs Association, Florida Dental Association, Florida Podiatric Medical Association, Florida Osteopathic Medical Association, Florida Society of Association Executives, Florida Pharmacy Association, Florida Chapter of Emergency Physicians, Florida Society of Interventional Pain Physicians and Florida Academy of Pain Medicine.

During the current fiscal year contributions to the foundation have greatly decreased. The major reasons for the decrease include: 1) the majority of PDMP operations are now funded by state appropriations, trust funds and grants; 2) the foundation has over \$1.5M in settlement funds directed to be used for PDMP operations; 3) past major donors, the majority of which were law enforcement agencies, have other pressing priorities to fund; 4) the foundation continues to be prohibited by the legislature from seeking funding support from the pharmaceutical industry.

With the passage of HB 21, the Controlled Substance Law, by the 2018 legislature, the foundation has increased its activities to assist E-FORCSE staff in registration of healthcare practitioners to the PDMP database. The law now makes it mandatory for all practitioners with DEA licenses to check E-FORCSE before prescribing a controlled substance medication to a patient. Prior to the new law being adopted there were approximately 45,000 registered practitioners voluntarily using the database to check patient prescription records. As of July 1, 2018, when it became mandatory to use the database, there are now over 95,000 registered practitioners. Through a \$10,000 restricted grant from the Polk County Sheriffs Office for PDMP projects and programs the foundation was able to upgrade the E-FORCSE promotional display used at conferences and conventions; produce education materials and purchase needed electronic tablets and accessories for on-site database registration of practitioners.

The PDMP Foundation has a dedicated board of directors consisting of representatives from: state healthcare organizations including the Florida Medical, dental, osteopathic medical and podiatric medical associations; the Florida Sheriffs Association; CVS, Walgreens and Walmart pharmacy chains; the insurance industry and academia. Its executive director continues under contract for FY 2018-2019.

#### Three Year Strategic Plan:

The following is an overview of the Foundation's short-range strategic plan:

# In FY 2018-2019 the Foundation will be involved in the following activities to meet its goals and objectives:

- 3) Continuing to work with Wells Fargo Bank wealth brokerage services to increase the foundation investment portfolio to ensure that there are sufficient funds for future E-FORCSE operations when needed to sustain the state PDMP database.

- 5) Continue to cultivate corporate and business target markets to include the Florida Retail Federation, Associated Industries of Florida and the Florida Chamber of Commerce.
- 6) Increase promotion of the foundation and E-FORCSE activities on social media via SEO programs.
- 7) Continue to increase the foundation board's involvement in fundraising activities through regular conference calls and live meetings and establishment of various action committees.

- 6) Provide funds as necessary to assist with E-FORCSE operations.
- 7) Continue to manage the restricted settlement funds' investments.

#### In FY 2020-2021 the Foundation will be involved with:

- 1) Continuing annual and corporate campaigns seeking funds from past donors and targeted new prospects and political candidates from excess campaign funds.
- 2) Developing special events at professional association conventions and trade shows to raise funds and awareness for the need for private support for E-FORCSE sustainability.
