Re: Florida Public Service Commission's 2018 Regulatory Plan

Dear Mr. Plante:

The Florida Public Service Commission (Commission) hereby files its 2018 Regulatory Plan pursuant to Section 120.74, Florida Statutes (F.S.).

Section 120.74(1)(a), F.S., requires a listing of each law enacted or amended during the previous 12 months which creates or modifies the duties or authority of the agency, a statement whether rule adoption is required to implement the law, and if so, whether a notice of rule development has been published; and an identification of the date by which the agency expects to publish the notice of proposed rule. The Commission's report of laws pursuant to Section 120.74(1)(a), F.S., is attached hereto as Attachment A.

Section 120.74(1)(b), F.S., states that the regulatory plan must also include a listing of each law not listed pursuant to Section 120.74(1)(a), F.S., which the agency expects to implement by rulemaking before the following July 1, including a statement whether rulemaking is intended to simplify, clarify, increase efficiency, improve coordination with other agencies, reduce costs, or delete obsolete, unnecessary, or redundant rules. The Commission's report of laws pursuant to Section 120.74(1)(b), F.S., is attached hereto as Attachment B.

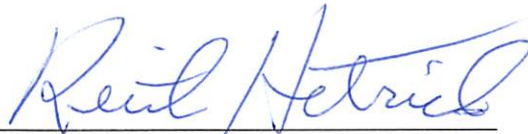

Section 120.74(1)(c), F.S., requires an identification and listing of laws which were previously identified in a prior year's regulatory plan as requiring rulemaking to implement, but for which a notice of proposed rule has not been published. The Commission has no laws or updates to report pursuant to Section 120.74 (1)(c), F.S. The Commission's report that it has no laws or updates to the 2017 Regulatory Plan is attached hereto as Attachment C.

Section 120.74 (1)(d), F.S., requires the Commission to submit a certification regarding the regulatory plan. Pursuant to Section 120.74(1)(d), F.S., we hereby verify that we have reviewed the attached regulatory plan and that the Commission regularly reviews all of its rules. The Commission's rules were most recently reviewed for the period July 2, 2015, through July 1, 2017, to determine if the rules remain consistent with the Commission's rulemaking authority and the laws implemented.
