Issuing Authority:

The Florida PDMP Foundation, Inc. (Foundation) was established by the Florida Legislature in 2009 with the adoption of section 893.055(11), Florida Statutes (F.S.) The statute was amended by the legislature in 2018 as 893.055 (15). It is a Direct Support Organization under contract with the Florida Department of Health under the Division of Medical Quality Assurance (MQA). During the 2017 legislative session the law was amended to continue the foundation's operation from October 2017 to October 2027. It is a not-for-profit corporation created under Chapter 617, F.S. and is organized and operated as a tax-exempt organization under section 501(c)3 of the Internal Revenue Code. Its board, of up to 11 members, is appointed by the State Surgeon General. The business of the Foundation is managed by the Board of Directors and its executive director.

Mission:

The mission of the Florida PDMP Foundation, Inc. is to provide assistance, funding, and promotional support for educational and outreach activities authorized by the legislature for the State of Florida Prescription Drug Monitoring Program known as E-FORCSE (Electronic-Florida Online Reporting of Controlled Substances Evaluation).

Results:

Since its formation, the Foundation has raised over \$2.9M in supplemental funds for outreach and promotion of the state's PDMP. Foundation board members and staff have also been very active in promoting support for the PDMP as leaders within their professional associations, corporations and educational institutions.

Beginning with the 2018-2019 fiscal year the Foundation entered into a new Memorandum of Understanding with the Florida Attorney General's Office for use of the remainder of restricted funds donated to support E-FORCSE educational and outreach activities as adopted in Chapter 893.055 (15), sections a-g. This included funds to address E-FORCSE promotion to all healthcare practitioners and law enforcement officials designated by the statute to have access to the PDMP database to review patient prescribing records relative to their use of prescription drug-controlled substances. A portion of the AGOs funds were also designated to support the foundation's operations to work closely with E-FORCSE staff to accomplish PDMP educational and outreach programs.

At the close of the current fiscal year, the PDMP Foundation had assets of over \$1.458M. Of these funds, \$1.440M is the remainder plus interest of the AGOs restricted donation. The budget for FY 2018-2019 in support of E-FORCSE educational and outreach programs and Foundation operations approved by the AGO and Department of Health was \$135,643.

Background:

In support of E-FORCSE operations, the PDMP Foundation executive director and board members continue to actively provide information to their colleagues on the required use of the state database to determine patient's utilization of controlled substance prescription drugs. The 10-member board is comprised of a medical doctor with a background in public health, an osteopathic physician specializing in pain management, an oral surgeon, a podiatric physician, three pharmacy chain representatives, a general counsel of a corporation, a law enforcement official and a former dean of an osteopathic medical college who is also a pharmacist. Four of the board members also serve on their professional association executive boards and one is a past chair of a Florida regulatory board. In accordance with the law, all board members are appointed by the State Surgeon General.

Through its approved yearly budget, the Foundation board uses funds in support of E-FORCSE promotion of the PDMP to practitioners, law enforcement agencies and the public. In 2018-19, Foundation funds supported E-FORCSE staff presence at major professional conferences, conventions and trade shows. These included the Florida Sheriffs Association, Florida Police Chiefs Association, Florida Dental Association, Florida Podiatric Medical Association, Florida Osteopathic Medical Association, Florida Pharmacy Association, Florida Chapter of Emergency Physicians, Florida Society of Interventional Pain Physicians, Florida Academy of Physician Assistants, Florida Chapter, American College of Surgeons and Florida Psychiatric Society.

Besides providing funds for E-FORCSE presence at major health care and law enforcement events, the Foundation designated additional funds in its budget for development and distribution of new educational materials related to registration and use of the PDMP database. This included informational fact sheets for practitioners, delegates, medical examiners and law enforcement officials, pocket cards about controlling controlled substances, on-site registration tablets and additional exhibit booth banners. With the requirement that all licensed practitioners use the database before prescribing any controlled substance to a patient, the number of users of the database grew from 45,000 to 104,000 between 2018 and January 31, 2019.

With the PDMP Foundation's support as a Direct Support Organization to the Department of Health E-FORCSE program, doctor shopping has been reduced by over 89 percent since 2011. Additionally, through the Foundation's efforts and support, E-FORCSE continues to be a major deterrent in addressing prescription drug, fraud, abuse and diversion.

Three Year Strategic Plan:

The following is an overview of the Foundation's short-range strategic plan:

In FY 2019-2020 the Foundation will be involved in the following activities to meet its goals and objectives:

1) Utilization of restricted funds contributed by the Florida Attorney General's Office to provide support to E-FORCSE staff in its implementation of educational and outreach programs adopted by the legislature in Section 893.055 (15), a.-g, Florida Statutes.

2) Meet with the newly appointed State of Florida's Surgeon General to provide an update on the PDMP Foundation's activities and to discuss board member appointments.

3) Maintain business relationship with Wells Fargo Bank wealth brokerage services to increase the foundation investment portfolio to ensure that there are sufficient funds for future E-FORCSE outreach and educational programs to promote the use of the state PDMP database.

4) Continue to promote E-FORCSE to health care practitioners, local government officials and law enforcement agencies through presence at major conferences and trade shows.

5) Develop educational programs for medical, dental, pharmacy, podiatry school students regarding the state PDMP and role of E-FORCSE.

6) Manage monthly fees for an E-FORCSE independent contractor Program Analyst part-time support staff position.

7) Increase promotion of the foundation and E-FORCSE activities on social media via SEO programs.

8) Provide regular updates to the Foundation board involvement through conference calls and live meetings and establishment of various action committees.

In FY 2020-2021 the Foundation will be involved with:

1) Continuing its relationship with the Attorney General's Office to implement the Memorandum of Understanding for the use of a restricted fund for E-FORCSE education and outreach programs.

2) Continuing to work with the State Surgeon General's office to fill board positions which become vacant with key diverse professional and corporate representatives.

3) Continue its relationship with E-FORCSE staff to develop necessary information updates for distribution to health care practitioners and law enforcement agencies.

4) Continuing presence of E-FORCSE and the PDMP Foundation at state conferences and trade shows.

5) Continue to manage the restricted fund through secured insured investments.

In FY 2021-2022 the Foundation will be involved with:

1) Continue use of the Attorney General Office's restricted fund to budget for E-FORCSE educational and outreach programs.

2) Continue E-FORCSE support for presence at professional association conventions and trade shows.

3) Develop updated educational materials related to the state PDMP database operations for distribution to health care practitioners and law enforcement officials.

4) Continue to assist the State Surgeon General in filling board vacancies with key individuals supportive of the program.

5) Continue management of the Foundation assets in conjunction with retained financial investment professionals.
