Fiscal Year - 2019/2020

Florida Veterans Foundation in support of the Florida Department of Veterans Affairs has aggressively approached service to Florida Veterans through collaboration with statewide associations and organizations and state agencies who have a vested interest in solving those issues that plague Veterans and ultimately affect Florida and the economy. Our approach is measured through outreach and educational services and programs to help 1) find Veterans to register for VA benefits 2) help Veterans in emergency crisis situations 3) make Veterans aware of the many resources available to them to enhance their quality of life. This is accomplished through the enlistment of services and resource organizations with similar missions. Our efforts continue to realize successes within the Veteran communities and is gaining the attention of varied levels of government within the state of Florida. These accomplishments are setting the standard for the rest of the nation to follow.

FVF Board of Directors & Transparency

The FVF has appointed Lew Wilson as the new President. He is a United States Marine Veteran and started with the Foundation two years ago as an outreach and educational coordinator hired by an outside firm. He was hired in November, 2019 as an interim president and was appointed full time by the Board of Directors on April 9, 2020. Since then the FVF board has created their own mission statement and re-dedicated their efforts to support the Foundation through a variety of opportunities and commitments. Since then the Foundation has added new programs, enhanced its website at www.HelpFLVets.org and earned the Gold Seal of Transparency from GuideStar.

Forward March Ambassadors for Veterans Council

The FVF board of directors approved this program in January, 2020 to help FVF with a program of sustainability. Businesses, individuals and organizations are invited to join as an Ambassador for \$1,000 a year for three years. This will help the foundation with a dedicated funding source and a committed budget every three years.

FVF Grants

The FVF has contracted with a full time grant writer who is responsible to researching and applying for grants to help Veterans in a variety of ways.

- Veterans Census Grant This \$10,000 grant was awarded to the Foundation to outreach and educate Veterans and their families to participate in the Census between now and October, 2020. FVF created a dedicated website page to help track this program at www.VeteranCensus.com.
- Other Grants To date we have received grants from several Walmart's in Florida, Leon County Lean Grant, National League of Cities (Census Grant) and the Elks Lodge of Jacksonville. We have several grants pending that total over \$250,000.

Emergency Financial Aid

The FVF's successful Financial Aid Program continues its partnership with the Project Vet Relief which is managed by the American Legion of Florida. In addition to the current program, the FVF created the COVID-19 Project Vet Relief Fund to promote around the state of Florida and recruit donations to help our Veterans in Need caused by the Covid Pandemic. Together we have raised over \$82,000 dollars and have helped over 117 Veterans and their Families.

Suicide Prevention, Opioid Addiction and Mental Health Programs

Built on the foundation of trusted entities to refer for treatment, the FVF has added Emergency Crisis Hotlines which are now available on the FVF and FDVA websites and are partnering with statewide associations and organizations to add these hotline links to theirs which help Veterans in crisis with issues such as: Suicide Prevention, Opioid Abuse, PTSD, Mental Health, Veterans' Benefits, Transportation, Telehealth, Veterans Treatment Court, Homeless, Assisted Living Facility Resident Support (aging population). The FVF continues its mission to Educate and improve access to care by linking Federal and community resources to each other, including mutual aid support groups as well as partners outside the health care system such as law enforcement and community advisory boards and families. Expand services by addressing unmet social service/community needs that create barriers to service delivery. respective partners include, but not limited to:

Aging Veterans Outreach

The Florida Veterans Foundation as the DSO and in collaboration with the Florida Department of Veterans Affairs has committed to helping solve the Veterans' aging dilemma in hopes to keep Veterans in their homes for as long as possible without reverting to automatically going to Assisted Living Facilities. The intent is to garner the earned benefits of Veterans ultimately getting federal VA dollars. Most importantly, Veterans' benefits, in particular Aid & Attendance benefits, the subject of this current program which is labeled as the "Forgotten Warrior Project" and supported by a three year grant from the Kenan Trust. Once approved, these benefits help to subsidize the cost of in-home care, assisted living, nursing home and independent living, especially when the burden becomes too much for their immediate family.

This outreach project is directed to conduct educational seminars in Broward and surrounding counties to help Veterans and their Survivors apply for the VA Pension, with Aid and Attendance benefits, at no cost to them. Each claim approval averages \$50,000 over a three year period, and in the last fiscal year has helped recover \$19 million in federal dollars for their subsidized care. These federal dollars are increased by the economic impact of 2.39%.

The Forgotten Warrior Project involves the direct collaborative efforts of the FDVA, FVF and the National Association of Veterans and Families. Since the Covid-19 Pandemic the project has shifted gears to include "Virtual" seminars and the creation of video educational tools, accompanied with increased digital marketing efforts create an augmented level of impact on Florida's economy. This is also enhanced with the collaboration with several senior statewide associations and state agencies to help us with outreach and education. Since the Pandemic, efforts have been increased to find these Aging Wartime Veterans and their Survivors to assist them with these benefit claims. The approximate expense to help each Veteran and/or Survivor is approximately \$500 each. Here is effect of each approved claim:

- Enhance the quality of life for each Florida Veteran & their Family
- Reduce the strain on Florida tax base revenues
- Reduce Florida's Medicaid & other public assistance expenditures
- Provide a boost to the Florida economy
- Increase Veteran education and awareness of VA services in the state of Florida

Veterans Legal Services

Through the efforts of the FVF and its constituents, the creation of the Florida Veterans Legal Helpline was created to help our Veterans with a variety of legal issues. The FVF continues its mission to provide education and outreach for the FVLH through its aforementioned collaborators and partners, etc. Veterans throughout Florida can get an appointment to speak with an experienced attorney. VLH attorneys will provide direct advice and assistance over the phone and coordinate referrals to partners throughout the state. The helpline attorneys will also be able to schedule appointments for extended services with four full-time attorneys who focus solely on Veterans. The lead network is the Bay Area Legal Service which is uniquely qualified to meet the vital needs of our Veterans.

Transportation

FVF's funding for the purchase of several vans by the Disabled American Veterans Organization, has proved successful to help transportation disadvantaged and isolated Veterans get to and from their medical appointments. When it is safe again for the DAV drivers to re-start, the vans will again continue to operate to help those Veterans in need.

Since the introduction of COVID-19 Pandemic, the DAV vans had to cease operating, so the FVF negotiated a contract with UBER Technologies and was able to initiate a program titled the Veterans Ride Program. This program ran during May and June of 2020 and helped 244 Veterans with free rides to and from their medical appointments, in addition to helping Veterans who were discharged from the VA hospitals and had no way to get home.

Florida Veterans Foundation 3-Year Projection

FY 2020 – 2021

The Florida Veterans Foundation continues to pursue collective collaboration with agencies to fund initiatives that will bring continued revenue to the organization while providing unparalleled support and services to Florida Veterans. FVF will continue to seek funding for the Florida Veterans Benefits guide as a ready reference to all Florida Veterans on available benefits and services. It is paramount that this organization be funded to continue the priceless services to Veterans in Florida. The absolute value of this organization cannot be stated as the network of Veterans throughout the state is without peer.

The Florida Veterans Foundation has recently changed leadership of the President to Lew Wilson, a USMC Veteran and a proven leader in Veteran outreach and private business owner, who has already taken bold steps to change the future vision of the Foundation and also to market the Foundation to be more successful in fundraising campaigns. The FVF is postured to make incredible strides in the upcoming fiscal year 2020-2021 through teaming with Florida Leadership and Legislation. The main goal of 2020 -2021 has been initiated by creating recurring funding opportunities that will support those programs already created through the hard work of the Florida Veterans Foundation. And to seek out new programs that affect Veterans in crisis.

FY 2021 - 2022

The Florida Veterans Foundation will continue to expand its reach through its collaboration with associations and organizations to all areas of the Florida, connecting Veterans in need with resources available within their geographic regions. The additional collaborations will energize the base of supporters to seek better health and wellness to the Veteran community in a continued fight for elimination of opioid abuse and suicide.

At the same time FVF will seek legislation to fund the Florida Veterans Memorial that will be placed in the Northeast corner of the Capitol grounds to honor all military services and Veterans. FVF will continue to partner in a public/private environment of a board that will commit resources of marketing and funding in support of Veterans.

FY 2022 - 2023

The Florida Veterans Foundation will continue to morph into an even greater creative body of service delivery to the Veteran population. To date the FVF has been establishing "Best Practices", which has been carried into the FDVA's Forward March. The basis for the Foundation has been to solicit the greatest talents and minds across Florida to predict events that future Veteran populations will face. The research and analysis of aging populations, medical, mental health, transition, legal, health and wellness, community, and benefits will continue to serve and forecast the necessary role that the Foundation will take on as time passes.
