### ANNUAL REPORT OF CLAIMS FOR COLLECTIONS – SECTION 17.20, FLORIDA STATUTES FORM DFS-A6-2095 INSTRUCTIONS

Section 17.20(4), Florida Statutes (F.S.), specifies reporting requirements related to the state’s delinquent accounts. By October 1, each agency must submit a report to the President of the Senate, the Speaker of the House of Representatives, and the Chief Financial Officer (CFO). Reporting templates are available in Excel format at <http://www.myfloridacfo.com/division/AA/default.htm>.

Agencies must use these templates for reporting in order to maintain consistency statewide. Templates must not be altered in any manner. Each section of the report and its contents are discussed below.

#### **Section 17.20(4)(a), F.S. – Accounts Referred for Collection**

This section provides a listing of all accounts that were referred for collection during the fiscal year that preceded the October 1 filing date. Include all accounts referred to a debt collector, whether contracted by the CFO or contracted by the state agency pursuant to its independent statutory authority, if an agency-contracted debt collector is used. Accounts included in a prior year report must not be reported again; only original referrals should be reported. No account should appear on the report more than once. Data in the report must be as of June 30. The reporting template for this section contains the following fields:

ACCOUNTS REFERRED FOR COLLECTION		
FIELD	FIELD NAME	DEFINITION
1	Agency	Agency name
2	Agency Contact	Contact information for agency representative
