# Florida Lottery Temporary Special Duty-General Pay Additives Implementation Plan for FY 2020–2021

## **Narrative Summary Detailing On-Call and Shift Differentials**

The Florida Lottery utilizes on-call and shift differential additives year-round to support mission critical needs. On-Call is added to an employee's salary as compensation for being available to handle mission critical business needs as required. Shift differential is an additive available to certain Florida Lottery classifications required to work overnight and evening hours.

These additives are in effect each month as employees incur on-call pay and work shift differentials on a regular recurring basis. The on-call rate of pay is \$2.00 per hour for all hour's employees are required to be in an on-call status. Shift differentials vary from 5% - 15% depending on whether employees work evening, rotating or overnight shifts. Positions with shift differentials and on-call pay are communicated to the employees at the time of hire. The Florida Lottery does not utilize any other salary additives outside of on-call pay and shift differentials.

Article 13.3 of the Federation of Public Employees collective bargaining agreement states: "Bargaining unit employees who are required by the Lottery to be in "On Call" status and available to return to work during an off-duty period, as defined in Chapter 53.12.002, shall be compensated at the rate of \$2.00 per hour, and such on-call hours shall be rounded to the nearest quarter hour."

### Shift Differential for Agents Working Draws:

Lottery Agents are assigned to work during lottery draws on a rotating basis. When assigned to draw duty shifts, agents typically work from 4 p.m. -12 p.m. Shift differential pay is appropriate for this shift but is not currently being paid.

### **Division of Security's Field Training Program:**

The Division of Security's Field Training Program provides on-the-job training to new agents. Agents are assigned duties to train new agents joining the Lottery. As part of this training responsibility the agent must go through a 40-hour Criminal Justice and Standards Commission Field Training Officer program. Field Training Officer Agents are then assigned to train new agents for approximately 16 weeks, depending upon the new agent's previous law enforcement experience. Additionally, one agent is assigned to coordinate and conduct training for full time staff as required by the Criminal Justice Standards and Training Commission for the Lottery's continued law enforcement certification (i.e., firearms, driving, defensive tactics, etc.). In both situations, the trainer should be compensated for the additional duty.

Department/Budget Entity (Service): Department of the Lottery

Agency Budget Officer/OPB Analyst Name: Jay Howard / Kailey Fairchild

A "Y" indicates "YES" and is acceptable, an "N/J" indicates "NO/Justification Provided" - these require further explanation/justification (additional sheets can be used as necessary), and "TIPS" are other areas to consider.

Is Column A02 set to TRANSFER CONTROL for DISPLAY status and MANAGEMENT CONTROL for UPDATE status for the Trust Fund Files (the Budget Files should already be on TRANSFER CONTROL for DISPLAY and MANAGEMENT CONTROL for UPDATE)?
